MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **December 31, 2014**

SUBJECT: **Council Work Session**

Dick Skorburg, the developer of the Stone Creek and Breezy Hill subdivisions, has requested a work session with the City Council to receive feedback on a potential development plan. He currently has the northwest corner of FM 552 and John King Blvd. under contract and has requested feedback on a development plan for the parcel. The parcel is currently owned by Larry Hance and Mr. Hance has been invited to attend the work session as well.

The parcel is bisected by a creek that runs north to south and there are difficulties providing sewer service to the property. City Engineer Tim Tumulty will be able to provide additional information regarding the issues with providing the sewer service if requested.

Mr. Skorburg is working to provide us with a proposed lot layout and other related information. If we receive this information prior to the meeting, we will forward it to you as soon as possible. Please let me know if you have any questions.

Rockwall, Texas

Proclamation

Whereas, Mark Poindexter started his career with the City of Rockwall in May of 1979 as a volunteer firefighter and has since served as Second Assistant Chief, First Assistant Chief, Deputy Fire Marshal, Fire Marshal, Fire Code Inspector, Arson Investigator and the city's first full time fire chief starting in October of 2000; and

Whereas, when Chief Poindexter began work for the city in 1979, the fire department was an all volunteer department with one fire station and 4 pieces of apparatus compared to today's 4 fire stations, 20 full-time fire positions, 12 pieces of fire apparatus, one fire boat and other fire support vehicles.

Whereas, during these 35 years, Chief Poindexter has received volunteer Public Safety Officer of the Year three times; the TX Crime Prevention Association's Presidents Award for Outstanding Service; the Dallas Area Crisis Response Team's Outstanding Team Service Award, has acquired 11 certifications through the TX Commission On Fire Protection as well as countless other certifications through the TX Commission on Law Enforcement Standards and other professional, fire-related organizations most recently became a certified Fire Executive through the TX Fire Chiefs Academy; and

Now, Therefore, I, Jim Pruitt, Mayor of the City of Rockwall, Texas, do hereby declare Monday, January 5, 2015 as

CHIEF MARK A. POINDEXTER
HAPPY 35TH ANNIVERSARY DAY

in the City of Rockwall and encourage all citizens to recognize and applaud Chief Poindexter for his dedicated service and contributions to the City of Rockwall throughout these last thirty-five years.

In Witness Whereof, I hereunto set my hand and official seal this 5th day of January, 2015.

_____

Jim Pruitt, Mayor

MINUTES
ROCKWALL CITY COUNCIL
Monday, December 15, 2014
4:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Sweet called the meeting to order at 4:02 p.m. Present were Mayor David Sweet, Mayor Pro Tem Jim Pruitt and City Council Members David White, Mike Townsend, Scott Milder, Bennie Daniels and Dennis Lewis. Also present were City Manager Rick Crowley, Assistant City Manager Brad Griggs, and City Attorney Frank Garza.

II. WORK SESSION

1. Hold work session to discuss and consider the city's participation in the Rockwall County Open Space Alliance and possible nominations to the steering committee, and take any action necessary.

City Manager Rick Crowley began discussion of this item, indicating that he has been attending meetings of the Open Space Alliance for a number of months now. He explained that the alliance is seeking three (3) nominations from the City of Rockwall of individuals who might serve on its steering committee. Mr. Crowley explained that it is his understanding that the steering committee will work to develop a countywide plan for parks. Councilmember Townsend asked if there are criteria for those who may be nominated to serve on the steering committee. Mr. Crowley indicated that he knows of no specific criteria. Councilmember White questioned what the goal is related to City of Rockwall parks in particular, and he generally expressed non-support for the efforts of this alliance.

Mayor Sweet mentioned that the city manager has been an active participant at these monthly meetings. He asked if any staff members should be considered for possible nomination to this steering committee. Mr. Crowley indicated that the alliance would like the council to consider appointing citizens to the steering committee at this time; however, staff will be involved from a liaison standpoint.

Councilmember Townsend asked if the alliance is asking for funding from the city related to development of the plan it will be creating in collaboration with a consultant. Mr. Crowley indicated that, no, they have not asked for any sort of funding, and he believes any funds would come from the County itself.

Mayor Sweet asked if the council has any nomination recommendations at this time. Ms. Ashberry, City Secretary and staff liaison to the city's Youth Advisory Council (YAC), stated that Nell Welborn, who is part of the Open Space Alliance, has requested that the city consider nominating one of its YAC members to possibly serve on the steering committee too. General discussion took place related to a possible Park Board member being submitted for nomination to this committee. Or, perhaps the council could consider someone who previously submitted an application for the Park Board or for the recent city council member vacancy.

Mr. Crowley explained that the goal is to have the City of Rockwall submit three (3) recommendations with the idea that the first person nominated would serve on the steering committee, and the remaining two people nominated will play supporting roles during the study period and development of the plan. The County Commissioner's court will likely sign off on the final appointment of individuals to the steering committee.

It was decided that the city council will place this item on the next public council meeting agenda for further consideration and possible action, as the city council had no nominations to make at this time.

At 4:17 p.m., Mayor Sweet read the below listed discussion item into the public record before recessing the public meeting into Executive Session.

III. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)

IV. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 4:27 p.m.

V. RECONVENE PUBLIC MEETING (6:00 P.M.)

Mayor Sweet reconvened the public meeting at 6:00 p.m.

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Pro Tem Jim Pruitt indicated that there is no action to be taken as a result of Executive Session.

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER DENNIS LEWIS

Councilmember Lewis delivered the invocation and led the Pledge of Allegiance.

Mayor Sweet then reordered the meeting agenda to address the Consent Agenda first.

VIII. PROCLAMATIONS / AWARDS

1. Rockwall County Helping Hands Appreciation Day

Mayor Sweet called forth representatives of Rockwall County Helping Hands. Following brief introductions, Mayor Sweet read and presented the organization with an honorary proclamation to recognize the organization's positive contributions to the community.

2. Tammy Sharp Recognition Day

Mayor Sweet called his sister, Tammy Sharp, forward to be recognized. Following brief comments about his sister and her efforts related to downtown, Mayor Sweet read and presented Tammy with a proclamation to recognize her for efforts related to the first annual "Hometown Christmas Celebration," which was held on Saturday, October 6, 2014 in and around the downtown area.

IX. CONSENT AGENDA

1. Consider approval of the minutes from the December 1, 2014 regular city council meeting, and take any action necessary.

2. **Z2014-033** - Consider approval of an **ordinance** for a request by Amy and Mark Stehr for the approval of an amendment to Specific Use Permit (SUP) No. S-81 [Ordinance No. 11-05] to allow vehicles to be stored outside overnight in conjunction with an existing automotive repair garage on a 0.702-acre parcel of land identified as Lot 2, Rockwall Market Center South Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, the subject property is addressed as 129 E. Ralph Hall Parkway, and take any action necessary. **(2nd Reading)**

3. Consider authorizing the city manager to execute a contract with Transamerica Life Insurance Company to secure reinsurance/stop loss coverage for the City's health insurance plans, applying to claims exceeding $100,000, and take any action necessary.

4. Consider authorizing the city manager to execute an interlocal agreement with Rockwall County related to municipal judge services for "No Refusal Weekends" during the upcoming year, and take any action necessary.

5. Consider approval of the First Amendment to the Blackland Water Supply Corporation Wholesale Water Contract and take any action necessary.

Councilmember Lewis made a motion to approve the entire Consent Agenda (#1, 2, 3, 4, and 5). Councilmember Milder seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 14-53
SPECIFIC USE PERMIT NO. S-128

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO AMEND A SPECIFIC USE PERMIT (SUP) NO. S-81 [ORDINANCE NO. 11-05] TO ALLOW VEHICLES TO BE STORED OUTSIDE OVERNIGHT IN CONJUNCTION WITH AN EXISTING AUTOMOTIVE REPAIR GARAGE WITHIN A COMMERCIAL (C) DISTRICT ON A 0.702-ACRE TRACT OF LAND IDENTIFIED AS LOT 2, ROCKWALL MARKET CENTER SOUTH ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND

DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed unanimously of council (7 ayes to 0 nays).

X. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Chairman of the Planning & Zoning Commission, Craig Renfro, came forth and briefed the council on planning-related items on tonight's agenda. The council took no action related to this agenda item.

XI. PUBLIC HEARING ITEMS

1. **Z2014-035** – Hold a public hearing to discuss and consider a request by Chris & Jill Blasé for the approval of an **ordinance** for a zoning change from Planned Development District 3 (PD-3) to a Single Family 10 (SF-10) District for a one (1) acre portion of land located within Tract 11-3 being a 13.3-acre tract of land situated within the A. Hanna Survey, Abstract No. 98, City of Rockwall, Rockwall County, Texas, being zoned Planned Development District 3 (PD-3) for Commercial (C) District land uses, situated east of the intersection of East Fork Road and North Lakeshore Drive, and take any action necessary. **(1st reading)**

Planning Director Robert LaCroix provided brief background information related to this agenda item. He explained that the applicant would like to construct a small "mother-in-law" home on this tract of land. This use is allowed as an accessory use on large lots, and the applicant meets all of the requirements. The property will need to be re-platted before a construction permit will be issued. The accessory home will carry the same address, and it will not be allowed to be separated from the home – it will always be part of the home from here on out and will not be able to be subdivided off.

He explained that notices were sent to property and homeowners located within 500 feet, and nearby homeowners' associations (HOAs) were notified as well. Three notices were received back in favor, and no notices have been received back in opposition.

Mayor Sweet opened the public hearing and invited the applicant forth. The applicant not wishing to come forth, and there being no one else in the audience wishing to speak, Mayor Sweet then closed the public hearing.

Councilmember White made a motion to approve Z2014-035. Mayor Pro Tem Pruitt seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 14-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE

NO. 04-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM PLANNED DEVELOPMENT DISTRICT NO. 3 (PD-3) TO A SINGLE FAMILY RESIDENTIAL (SF-10) DISTRICT FOR A 10,000 SQUARE FOOT PORTION OF LAND LOCATED WITHIN TRACT 11-3 BEING A 13.3-ACRE TRACT OF LAND SITUATED WITHIN THE A. HANNA SURVEY, ABSTRACT NO. 98, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed unanimously of council (7 ayes to 0 nays).

2. **MIS2014-017** - Hold a public hearing to discuss and consider a request by Michael Clark for the approval of a special request to construct a four-plex residential dwelling unit on a 0.23-acre parcel of land currently identified as the eastern ½ of Lot 3, Block K, Sanger Brothers Addition, City of Rockwall, Rockwall County, Texas, zoned Single Family 7 (SF-7) District, situated within the Southside Residential Neighborhood Overlay (SRO) District, addressed as 808 Sam Houston Street, and take any action necessary.

Planning Director, Robert LaCroix, provided background information related to this agenda item. He indicated that the Southside is located in a "neighborhood preservation district," and the city council may consider requests of this nature on an individual basis. Previously, the city council opted to send this item to the Planning & Zoning Commission for a public hearing to be held and for the Commission to make a recommendation concerning this case. This did go before the P&Z Commission, notices were sent out to properties within five hundred (500') of the subject property, and the Commission did recommend denial of this request.

Mayor Sweet opened the public hearing and called the applicant forth. The applicant not being present in the audience, Mayor Sweet asked City Attorney, Frank Garza, if it is okay to proceed with the public hearing even though the applicant is not present. Mr. Garza confirmed that it is permissible to proceed with the public hearing even though the applicant is not present.

Mayor Sweet then opened the public hearing and asked if anyone in the audience would like to come forth and speak at this time.

Pastor Joe Robbins
St. Paul AME Church
805 Peters Colony
Rockwall, TX 75087

Mr. Robbins came forth and generally expressed concerns about the council approving this request. He explained that he and others have done a lot of development in the Southside in an effort to enhance the area, and Habitat for Humanity recently built some

brick homes. He encouraged city staff (Code Enforcement) to do their jobs in the Southside area in order to ensure people keep their properties maintained and clean.

There being no one else wishing to come forth and speak during this time, Mayor Sweet closed the public hearing.

Mayor Pro Tem Pruitt made a motion to deny MIS2014-017. Councilmember Lewis seconded the motion, which passed by a vote of 6 in favor with 1 against (White).

Mayor Sweet announced that the council would next addressed the "Proclamations & Awards" section of the meeting agenda. Mayor Pro Tem Pruitt then interjected, indicating he would like to recognize Mayor Sweet for his service on the city council. (The agenda was reordered to address XIII. 1. next).

XII. ACTION ITEMS

1. Discuss and consider a Park Board recommendation related to the purchase, installation and associated costs of a barrier free playground to be located at Yellowjacket Park, and take any action necessary.

Assistant City Manager Brad Griggs provided brief background information related to this agenda item. He indicated that a public hearing was recently held by the city's Park Board, and a lot of good, relevant input was gleaned from members of the public at that meeting.

Councilmember Townsend made a motion to approve the Park Board's recommendations associated with creating the barrier free playground. Councilmember Milder seconded the motion.

Brief discussion took place, including Councilmember White commenting that he would like staff to advertise this park excessively in order to attract people from, not only within the city, but from other parts of the Metroplex as well.

Mayor Pro Tem Pruitt asked Mr. Griggs to brief the public on where the money for this park is coming from. Mr. Griggs explained the funding mechanisms. He indicated that, at this time, no other park-related projects besides this one are slated to take place.

Councilmember Lewis thanked the Colbert Family for brining this need to the attention of the city council. He also thanked members of the public for their input.

Mayor Pro Tem Sweet thanked Mr. Griggs and his staff for researching this need and associated options for the park itself and for funding options to move this item forward and bring it to fruition.

After brief comments, the motion passed unanimously of council (7 ayes to 0 nays).

2. Discuss and consider appointments to city advisory boards including the Main Street Advisory Board, Architectural Review Board, and the Art Review Team (ART) Commission, and take any action necessary.

Mayor Sweet made a motion to appoint Jeniffer Norman to serve on the Main Street Advisory Board. Mayor Pro Tem Pruitt seconded the motion, which passed unanimously of council present (7 ayes to 0 nays).

Councilmember Milder indicated that he does not have a nomination for the Architectural Review Board at this time, but he did encourage any local architects to submit an application for the one, open position on this board.

3. Discuss and consider acceptance of Mayor David Sweet's resignation from the Rockwall City Council and take any action necessary.

Mayor David Sweet indicated that he would like to offer his resignation from the City Council, and he asked that the Council consider accepting this resignation in light of his upcoming role as County Judge. Councilmember White made a motion to accept Mayor Sweet's resignation. Mayor Pro Tem Pruitt seconded the motion. Councilmember White offered brief comments to Mayor Sweet, generally thanking him for his service on the city council. Councilmember Townsend offered brief comments, thanking Mayor Sweet for his friendship, opinions, and service and wishing him well. Councilmember Milder thanked Mayor Sweet for coaching him since he was elected to council. He expressed that Mayor Sweet has done an outstanding job as Mayor, and he thanked him for his service. Councilmember Daniels thanked Mayor Sweet for his friendship. He thanked Mayor Sweet for being a gracious listener and for the cautious decision-making he has exhibited while serving the city on the council. Councilmember Lewis thanked Mayor Sweet for his service on the council, indicating that Mayor Sweet had an entire new city council with which to contend not long after becoming mayor. He expressed that he appreciates Mayor Sweet as a friend and as the city's mayor.

Following these comments, Mayor Pro Tem Pruitt called for the vote, which passed by a vote of 6 ayes with 1 abstention (Sweet).

XIII. RECOGNITION OF OUTGOING MAYOR AND SWEARING IN OF NEWLY APPOINTED MAYOR AND CITY COUNCIL MEMBER, PLACE 2

1. Recognition of outgoing mayor, David Sweet

Mayor Pro Tem Jim Pruitt offered kind words of acknowledgement to Sweet, and then a proclamation was read to recognize some of his contributions. The proclamation and a gift were presented to Sweet.

2. Swearing in of new mayor, Jim Pruitt, and newly appointed Place 2 city council member, John Hohenshelt

Mayor Pro Tem Pruitt assumed the lead on facilitating the remainder of the meeting at this time.

Mayor Pro Tem Pruitt called the 5th Court of Appeals Judge Stoddart forward to administer the Oath of Office to incoming, newly appointed city council member, John Hohenshelt. Justice Stoddard then administered the Oath to Mr. Hohenshelt, declaring him the new City Council Member for Place 2 on the Rockwall City Council.

Judge Stoddart then administered the Oath of Office to Pruitt, swearing him in as the city's new mayor.

The city council did not reconvene in Executive Session following the end of the public meeting agenda.

XIV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)

XV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

The city council did not reconvene in Executive Session following the end of the public meeting agenda.

XVI. ADJOURNMENT

The meeting was adjourned at 7:08 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 5th day of January, 2015.

CITY OF ROCKWALL, TEXAS
FIRE DEPARTMENT
MEMORANDUM

DATE: **December 30, 2014**

TO: **Mayor & City Council**

Cc: **Rick Crowley, City Manager**
Brad Griggs, Assistant City Manager

FROM: **Mark Poindexter, Fire Chief**

SUBJECT: **Regional Radio Grant Agreement**

The Rockwall Fire Department applied for a 2014 FEMA Assistance to Firefighter Grant. The grant was for a Regional 700/800 MHz P25 Phase II Duel Band VHF radio system. This system is the same system that Rockwall County is currently seeking RFP on. Rockwall Fire Department has applied for seven hundred forty-nine thousand ($749,000.00) in grant funds and is requesting Rockwall County to cover the grant match funds in the amount of nine hundred twenty-one thousand ($921,000.00). The total radio system had a total cost of one million six hundred seventy thousand dollars ($1,670,000.00). This cost is for all mobile radios, portable radios and grant fees. These radios will be furnished to Rockwall, Heath, Fate, Royse City and McLendon Chisolm Fire Departments and their personnel.

Attached you will find an Interlocal Agreement between the municipalities and Rockwall County. This agreement has been reviewed and approved in form by Mr. Frank Garza and Mr. John Thatcher. I am requesting permission from City Council authorizing me to enter into this agreement between the municipality's Fire Chiefs and Rockwall County Commissioners Court.

STATE OF TEXAS §

COUNTY OF ROCKWALL §

INTERLOCAL AGREEMENT
FOR PURCHASE OF RADIO EQUIPMENT FOR CITIES OF ROCKWALL FIRE, HEATH DPS, FATE DPS, ROYSE CITY FIRE AND MCLENDON CHISOLM VOLUNTEER FIRE DEPARTMENT

This Interlocal Agreement ("Agreement") is made and entered into by and between the City of Rockwall Fire, City of Heath DPS, City of Fate DPS, City of Royse City Fire and McLendon Chisolm Volunteer Fire Department, hereafter be referred to herein as a ("Party" or collectively as the "Parties"). The Agreement shall as of the date of execution, supersede, repeal and replace any prior Agreement between the Parties regarding the same subject matter whether same shall be written, oral or implied.

This Agreement is between all Parties for the purpose of applying and receiving a 2014 AFG Regional Grant to purchase 700 / 800 MHz / VHF Duel Band Mobile and Portable P25 radios. The purpose of this Agreement is to set forth terms by which fire services and other emergency services will be provided to the incorporated portions of the Cities that are party to this Agreement and to unincorporated portions of Rockwall County. The AFG grant project shall expand communications for all the parties involved, insure interoperability and accountability between all agencies within the County and improve communications with all agencies within the surrounding Counties to assist the parties in providing Automatic Aid or Mutual Aid. Under the requested FY 2014 AFG grant, the parties must provide fire and emergency services consistent with the detailed description in the grant application.

WHEREAS, the "Parties" are each units of local government within the meaning of the Inter-local Cooperation Act of Chapter 791 of the Texas Government Code, and each Party represents and warrants that in the performance of its respective obligations as set forth in this Agreement, it is carrying out a duly authorized governmental function which it is authorized to perform individually under the applicable statutes of the State of Texas; and

WHEREAS, Rockwall County will owns, operates, and maintains a 700 MHz P25 Phase II radio system infer structure for the benefit of emergency services in Rockwall County, Texas; and

WHEREAS, Rockwall County Sheriff's Office and City of Rockwall Police Department will operate, and maintain a 700 MHz P25 Phase II radio system dispatch center for the benefit of emergency services in Rockwall County, Texas; and

WHEREAS, the "Parties" will be users of the 700 MHz P25 Phase II radio system which will be operated and maintained by Rockwall County; and

WHEREAS, the “Parties”, by and through the Rockwall Fire Department, applied for an "Assistance to Firefighters Grant No. “EMW-2014-FR-00503" from the Federal Emergency Management Agency (FEMA); and

WHEREAS, the Grant will provide funding to be used according to terms and rules of the Grant to upgrade and enhance the regional emergency services radio system used by the Fire Departments of each Party and other emergency responders within the Rockwall County region; and

WHEREAS, the “Parties” acknowledge that it would benefit emergency responder agencies and the citizens of Rockwall County and the Cities within, to fulfill the terms of the Grant and upgrade the radio communications system used by the Parties; and

WHEREAS, the governing body of Rockwall County will set aside funding for the initial Grant Match Requirement (as defined herein), subject to rights of termination as further defined in this Agreement; and

WHEREAS, subject to the terms and conditions as set forth herein (including, but not limited to Section 5.2), the County of Rockwall agrees to grant an exclusive License to the “Parties” for the use and possession of the new 700 MHz P25 Phase II radio system platform infrastructure; and

NOW, THEREFORE, in consideration of the above recitals, the mutual promises that follow and other good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, the Parties do hereby agree as follows:

1. **INCORPORATION OF RECITALS:** The above recitals, having been found by the Parties to be true and correct in all respects are incorporated into this Agreement by reference.

2. **DEFINITIONS:**

2.1 "Act" shall mean the Texas lnterlocal Cooperation Act, section 791.001 et seq., Texas Government Code.

2.2 "Cities" means the City of Rockwall, Heath, Fate, and Royse City Texas.

2.3 “Volunteer Department” means McLendon Chisolm Volunteer Fire Department.

2.4 “County of Rockwall” means Rockwall County Government.

2.5 "Equipment" means mobile and portable 700 MHz P25 Phase II radio equipment purchased pursuant to this Agreement.

2.6 "Grant" refers to the Assistance to Firefighters Grant No. EMW-2014-FR- 00503, if awarded by the Federal Emergency Management Agency (FEMA) to the City of Rockwall Fire Department in an amount equal to seven hundred forty-nine thousand Dollars and No/100 ($ 749,000.00).

2.7 "Parties" means the City of Rockwall Fire, City of Heath DPS, City of Fate DPS, City of Royse City Fire and McLendon Chisolm Volunteer Fire Department.

3. **FINANCIAL OBLIGATIONS AND RESPONSIBILITES OF THE PARTIES:**

3.1 Initial Financial Contribution: Rockwall County agrees to provide and contribute Nine Hundred twenty-one thousand Dollars ($ 921,000.00) (the "Grant Match Requirement") in funding for the radio equipment exclusively in accordance with the purposes of the Grant and no other use. Rockwall County will not be obligated to match any funds if the Assistance to Firefighters Grant is not awarded to the Cities by FEMA.

3.2 Accounting: City of Rockwall shall maintain an accounting of all uses of Grant funds subject of this Agreement, and shall provide written or electronic reports of such contributions and expenditures as required by the Grant Requirements.

4. **PURCHASE OF EQUIPMENT**

4.1 Purchase of Equipment: After receipt of the Grant Funds and Grant Matching Funds Rockwall County shall within thirty (90) days purchase the following equipment through an approved vendor which was selected and approved by County Commissioners Court through a accepted sealed proposals under Texas bidding laws for:

a) 700 MHz P25 Phase II Mobile Radios, all associated equipment and features.
b) 700 MHz P25 Phase II Portable Radios, all associated equipment and features.

4.2 Deliver of Equipment: All equipment will be delivered to City of Rockwall Fire Department and distributed to the other “Parties” for grant tracking purposes.

4.3 Estimated Pricing and Budget. The following information is provided for reference only. All Parties acknowledge prices and pricing may vary. The estimated price of the 700MHz P25 Phase II mobile units, portable units and associated feature equipment is One Million Six Hundred Thirty Thousand Dollars $ $1,630.000.00. Additional costs include

Forty Thousand Dollars$ 40,000.00 for a consultant to assist in the grant writing and procurement of the new radio equipment. The total cost for radio system Equipment and related services is estimated at One Million Six Hundred Seventy Thousand $ 1,670,000.00.

4.4 Assignment of Warranties. To the extent possible, all vendor warranties shall name Rockwall County as the beneficiary but extend to the "Parties" which received the user radio equipment. If the warranties may not be assigned to Rockwall County for abuse, damage or whatever reasons, the "parties" agrees to replace the radio equipment with their own funds during the grant period.

5. **LICENSE AND USE:**

5.1 Rockwall County to Grant License: Pursuant to terms of the Grant and Title 44 Code of Federal Regulations Part 13, Section 13.32, the Parties agree that license to the equipment must be in the name of Rockwall County; therefore, subject to Section 5.2, below, Rockwall County grants an exclusive, non- transferable License to the "Parties" to possess and use the Equipment subject to the terms and conditions of this Agreement. The term of the License shall be concurrent with this Agreement. Rockwall County shall not acquire any ownership or title to the Equipment. Ownership and Title to the Equipment shall remain with the "Parties".

5.2 "Parties" Use: The "Parties" anticipate that the equipment shall be used by the Fire Departments to establish a P25 Phase II network for the Regional County Public Service Radio Communication System. In consideration for its assistance in obtaining the Grant, and notwithstanding anything herein to the contrary, the "Parties" shall have the right to use the P25 Phase II Radio Network System for the period of 10 years or the life of the system. User fees or other compensation, but only for the limited purpose of communication network system shall be negotiated between each "Party" and Rockwall County. The "Parties" acknowledges it will be subject to other fees and charges for Dispatch Services.

6. **INSTALLATION, MAINTENANCE, AND INSURANCE:**

6.1 The initial installation of mobile equipment will be performed by the vendor. Removal and re-instillation of mobile equipment into newer vehicles during the 10 years or grant period will be the responsibility of the "Parties" which the radio is issued to.

6.2 The “Parties” shall take reasonable care to protect and maintain the radio equipment in good operating condition. All repairs not covered by warranty will be the responsibility of each "Party”.

6.3 Insurance, Maintenance and Repair: The “Parties” shall maintain adequate insurance coverage to insure against loss, theft, damage, and disaster to the user equipment. In the event of loss, theft, damage or disaster to the user equipment, “Parties” shall notify the City of Rockwall of such event as soon as possible for Grant Tracking purposes. The “Parties” shall be fully and solely responsible to repair and or replace the user equipment within a reasonable time, and shall indemnify and hold the City of Rockwall, Rockwall County, its successors, assigns, officers, directors, employees, agents and representatives, harmless from and against any and all claims and damages that may be made against the City of Rockwall or Rockwall County (including but not limited to, court costs, attorney's fees) resulting from the failure to comply with this Sections 6.1 and 6.2.

7. ADMINISTRATION OF GRANT:

7.1 Administration of Grant. City of Rockwall shall be responsible for administration of the Grant. All reporting, audit information financial reporting, and any other Grant requirements which must be provided to FEMA or any other governmental entities shall be the responsibility of City of Rockwall. City of Rockwall agrees to abide by all requirements of the Grant. “Parties” agree to assist the City of Rockwall as needed in order to comply with the terms of the Grant.

8. TERM AND TERMINATION:

8.1 Term: This Agreement and License shall commence on the Effective Date of receiving the grant and shall continue for a period of ten (10) years after receiving the user equipment or life of the radio system/equipment, unless terminated earlier as provided in this Agreement or by law. This Agreement shall not take effect if the Assistance to Firefighters Grant is not awarded to the Cities by FEMA.

8.2 Withdrawal and Termination before Purchase of Equipment: Any Party may choose to withdraw and terminate this Agreement without cause prior to receipt of the Grant funds. In such event, The City of Rockwall will return the unused funds to Assistant of Firefighter Grant / FEMA.

8.3 Termination without Cause: This Agreement may be terminated by Agreement of all the “Party” if done so in writing and approved by the governing Board of both the party and the City of Rockwall. Any “Party” may terminate this Agreement by giving the City of Rockwall

One Hundred and Eighty Days (180) notice. In the event of Termination under this paragraph, the City of Rockwall shall have the right to recover the radio equipment which was purchased with grant funds.

9. **Dispute Resolution Process:**

9.1 Dispute Resolution Process: Before commencing formal legal proceedings concerning any dispute arising under or relating to this Agreement, or any breach thereof, the "Parties" individually and collectively agree to observe the following procedures ("Dispute Resolution Process").

9.2 Notice: The aggrieved "Party" shall notify the other Parties of the dispute, by way of a writing which contains sufficient detail to clearly identify the problems giving rise to the dispute, and the responding "Parties" shall have a reasonable opportunity to respond.

9.3 First Resolution Meeting: After consulting with and obtaining input from the appropriate individuals so as to facilitate a complete discussion and proposed solution of the problem, the "Parties" shall schedule a meeting and designate representatives to attend such meeting to attempt to affect an agreed resolution of the issue.

9.4 Successful Resolution: If the "Parties" reach an accord at any stage of the meeting, they shall reduce their agreement to writing. Such writing shall be presented for approval by the "Party's" respective governing boards. If approval of the writing is obtained, such writing shall constitute an amendment to this Agreement with respect to the subject matter of the notice of the dispute. The terms and conditions of such amendment shall not supersede the terms and conditions of this Agreement with respect to any matter other than the subject matter submitted to the Dispute Resolution Process.

9.5 Unsuccessful Resolution: If the "Parties" are unable to reach a resolution of the dispute within a reasonable time, any "Party" may pursue such legal and equitable remedies as are available to it under Texas law.

10. **Miscellaneous:**

10.1 Responsibility of all Parties": The roles and responsibilities of each party are understood as follows:

a) Maintain Automat Aid or Mutual Aid with all parties involved in this Agreement.
b) Maintain and keep in good working condition the 700 / 800 MHz / VHF Duel Band radios issued to each parties involved in this Agreement.

c) It will be the responsibility of City of Rockwall Fire Department to issue the grant funded radios to the agencies of this Agreement, track the equipment throughout the grant period, be responsible for all grant reporting / audits in conjunction with 2014 AFG grant.

10.2 Interpretation of Agreement: Although drawn by one "Party", this Agreement shall, in the event of any dispute over its meaning or application, be interpreted fairly and reasonable, and neither more strongly for or against any other "Party".

10.3 Governing Law: This Agreement shall be governed by the laws of Texas, without regard to the principles of conflict of laws.

10.4 Venue: Any litigation in any way relating to this Agreement shall be brought in Rockwall County, Texas.

10.5 Severability: In the event that one or more of the provisions contained in the agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability of the agreement shall be construed as if such invalid, illegal or unenforceable provision has never been contained herein, but shall not affect the remaining provision of this agreement, which shall remain in force and effect.

10.6 Notices: Except as otherwise provided in this Agreement, all notices required or permitted herein shall be in writing and shall be deemed to be delivered when deposited in the United States mail, postage prepaid, registered or certified mail, return receipt requested, to the party's office or usual mailing Except as otherwise provided in this Agreement, all notices required or permitted herein shall be in writing and shall be deemed to be delivered when deposited in the United States mail, postage prepaid, registered or certified mail, return receipt requested, to the party's office or usual mailing address. For purposes of notice, the addresses of the "Parties" shall, until changed as herein provided, be as follows:

a) Rockwall Fire Chief Mark Poindexter 385 South Goliad Street Rockwall Texas 75087 (972)-771-7770 ext. 1
b) Royse City Fire Chief Rickey Bell 234 E Main Street Royse City, TX 75189 (972) 635-2091
c) Heath Fire Chief Terry Garrett 200 Laurence Drive Heath Texas 75032 (972) 961-4900
d) Fate Fire Chief Brian Griffeth 105 East Fate Main Place Fate, Texas 75132 (972) 772-7994 ext. 116
e) McLendon Chisholm Fire Chief J. T. Williams, 1250 South State Highway 205 Rockwall, Texas 75032 (972) 998-5676.

10.7 Amendment: This Agreement may be amended at any time by a written amendment signed and dated amongst the "Parties".

10.8 Effective Date: This Agreement shall be effective by and between City of Rockwall and the "Parties" upon the date of last signature by the designated representatives of such "Parties".

CITY OF ROCKWALL

ORDINANCE NO. 15-01

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM PLANNED DEVELOPMENT DISTRICT NO. 3 (PD-3) TO A SINGLE FAMILY RESIDENTIAL (SF-10) DISTRICT FOR A 10,000 SQUARE FOOT PORTION OF LAND LOCATED WITHIN TRACT 11-3 BEING A 13.3-ACRE TRACT OF LAND SITUATED WITHIN THE A. HANNA SURVEY, ABSTRACT NO. 98, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Chris and Jill Blasé (property owners), for an amendment to the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall to adopt a change in zoning from Planned Development District No. 3 (PD-3) to a Single Family Residential (SF-10) District for a 10,000 square foot portion of land located within Tract 11-3 being a 13.3-acre Tract of land situated within the A. Hanna Survey, Abstract No. 98, City of Rockwall, Rockwall County, Texas, and more specifically described in Exhibit 'A' of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning from Planned Development District No. 3 (PD-3) to a Single Family Residential (SF-10) District for the *Subject Property*; and

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes provided for in *Section 3.4, "Single Family Residential (SF-10) District", Article V, "District Development Standards", of the Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future.

Section 3. That the official zoning map of the City of Rockwall be corrected to reflect the changes in the zoning described herein.

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ON THIS THE 5th DAY OF January, 2015.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 1/5/2015

APPLICANT: TKC CLXXXVI, LLC

AGENDA ITEM: **P2014-041;** Sharp Addition

SUMMARY:

Discuss and consider a request by Dave Hanby of TKC CLXXXVI, LLC on behalf of the owner Rick Sharp for the approval of a replat creating Lots 4, 5 & 6, Block A, Sharp Addition being three (3) non-residential lots currently identified as Lot 2, Block A, Sharp Addition, City of Rockwall, Rockwall County, Texas, being a 6.22-acre parcel of land zoned Planned Development District 46 (PD-46) for Commercial (C) District land uses, situated within the SH-276 Overlay (SH-276 OV) District, generally located east of the intersection of Corporate Crossing [FM-549] and SH-276, and take any action necessary.

COMMENTS:

- The objective of this request is to replat a 6.222-acre parcel of land for the purpose of creating three lots (Lots 4, 5, & 6) for the sale of private property and development.

- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions below.

- With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the request for final plat, staff would recommend the following conditions of approval:

1) All the technical comments from the Engineering and Fire Departments shall be addressed prior to the filing of this plat, including the following Planning Comments;
   a). Where 24' Firelane is indicated on all lots, re-label as "24' Firelane & Public Access Easement."
   b). Change Case No. to P2014-041 on both pages (located above title block).
   c). Page 2, change all signature blocks to include the year "2015."
   d). Notary for surveyor not necessary when plat is stamped by surveyor.
   e). Title block is OK as submitted (Lots 4, 5, & 6 being a replat of Lot 2...etc.).
   f). Adherence to Engineering and Fire Department standards.

2) Any construction resulting from the approval of this final plat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING & ZONING COMMISSION:

On December 30, 2014, the Planning & Zoning Commission recommended approval of the replat per staff's recommendations by a vote of 5-0, with Commissioners Conley and Jusko absent.

Before me, the undersigned authority, on this day personally appeared Austin J. Bedford, known to me to be the person whose name is subscribed to the foregoing instrument, and acknowledged to me that he executed the same for the purpose and consideration therein stated.

Given upon my hand and seal of office this ____ day of _____, 2014.

_____
Notary Public in and for the State of Texas

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS §
COUNTY OF ROCKWALL §

I the undersigned owner of the land shown on this plat, and designated herein as the SHARP ADDITION, LOTS 4, 5 & 6 BLOCK A to the City of Rockwall, Rockwall County, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown for the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the SHARP ADDITION, LOTS 4, 5 & 6, BLOCK A have been notified and signed this plat.

I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. I also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house, dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I , my successors and assigns hereby waive any claim, damage, or cause of action that I may have as a result of the dedication of exactions made herein.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 1/5/2015

APPLICANT: Spiars Engineering, Inc.

AGENDA ITEM: **P2014-042;** Nissan of Rockwall

SUMMARY:

Discuss and consider a request by John Spiars of Spiars Engineering, Inc. on behalf of Bill Lavin of Security Holdings, LLC for the approval of a replat creating Lot 1, Block A, Nissan of Rockwall Addition, being one (1) non-residential lot currently identified Lot 1, Block A, Lafon Subdivision, and a portion of Tract 2 & Tract 12 of the J. Lockhart Survey, Abstract No. 134, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) and Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, and take any action necessary.

COMMENTS:

- The objective of the request is to dedicate firelane, access easements, drainage and utility easements for three lots containing 14.751-acres for the purpose of developing a proposed 80,233 sq. ft. new automobile dealership. A site plan was approved earlier this year for the development.

- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions below.

- With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the request for final plat, staff would recommend the following conditions of approval:

1) All the technical comments from the Planning, Engineering, and Fire Departments shall be addressed prior to the filing of this plat;

2) Any construction resulting from the approval of this final plat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government

PLANNING & ZONING COMMISSION:

On December 30, 2014, the Planning & Zoning Commission recommended approval of the replat per staff's recommendations by a vote of 5-0, with Commissioners Conley and Jusko absent.

Planning Staff Comments:

1. Adherence to all Engineering and Fire Department standards.
2. Indicate and label as such "52' Firelane, Public Access, Drainage & Utility Easement" at primary entrance.
3. Re-label all "access easements" as "Public Access" (e.g. 24' Firelane, Public Access & Utility Easement); including legend (FPAUE).
4. Provide label for '24' FPAUE' where C14, L13, C15 are located.
5. Hatch area, label and abandon both '15' Access Easements' (Vol. 224, Pg 752 & 759).
6. Correct plat and title block to indicate 'Lot 1, Block A,' remove 'R' designation.
7. Provide Vol. & Pg. for 12.5' Oncor Easement along east property line.
8. Provide report number for Intergrated Environmental Solutions Report No.

GIVEN UNDER MY HAND AND SEAL OF OFFICE this the _____ day of _____, 2014.

_____
Notary Public, State of Texas

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

We the undersigned owner(s) of the land shown on this plat, and designated herein as the **NISSAN OF ROCKWALL ADDITION** to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicated to the use of the public forever all streets, alleys, parks, water course, drains, easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in the **NISSAN OF ROCKWALL ADDITION** have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.
2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, form and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of , at any time, procuring the permission of anyone.
3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.
4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements. Maintenance, repairs, and responsibility of the detention system shall be the property owner's.
5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.
6. No house dwelling unit, or other structure shall be constructed on any lot in the addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulation of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail to refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; We, our successors and adding hereby waive any claim, damage, or cause of action that We may have as a result of the dedication of exaction's made herein.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **December 31, 2014**

SUBJECT: **COMMUNITY OUTDOOR OUTREACH PROGRAM GRANT APPLICATION**

In 2015, a certain amount of funding was restored to the Texas Parks and Wildlife Department (TPWD) as a component of the Texas Recreation and Parks Account grant program. One of the grant programs available is the Community Outdoor Outreach Program (COOP). This is a 100% reimbursement grant and is intended to promote outdoor activities, skills, education and experiences. The maximum grant award per applicant is $40,000.

The FY 2015 budget approved a request to apply for the COOP grant not to exceed $40,000. Contingent upon award, the grant funding would go toward the purchase of equipment to create and offer outdoor education programs such as kayaking, fishing, outdoor digital photography, archery, camping, outdoor cooking, orienteering and a trailer to transport gear and supplies.

New fee based programs will be offered as well grow existing programs such as TPWD's Outdoor Family Campout through existing staff and paid instructors in accordance with our adopted revenue and pricing policy. Some activities may also be offered at no charge during other special events such as Founders Day Festival and Family Fun Fridays.

Staff requests that Council consider approving a resolution as required by the grant guidelines to authorize the City Manager to apply for the COOP grant through the Texas Parks and Wildlife Department.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 15-01

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS DESIGNATING AND AUTHORIZING THE CITY MANAGER TO SUBMIT AN APPLICATION TO THE TEXAS PARKS AND WILDLIFE DEPARTMENT FOR A GRANT UNDER THE COMMUNITY OUTDOOR OUTREACH PROGRAM; AUTHORIZING THE MAYOR TO EXECUTE THIS RESOLUTION; AUTHORIZING THE CITY MANAGER TO EXECUTE SAID GRANT; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Texas Parks and Wildlife Department has made available and offered state financial aid monies for the purpose of funding R.O.C.K. (Rockwall Outdoor Classroom for Kids); and

WHEREAS, the Rockwall City Council supports submission of a grant application to the Texas Recreation and Parks Account Program (TRPA); and

WHEREAS, the City Council of the City of Rockwall, Texas acknowledges and accepts the state financial aid grant in the amount of $38,000 (contingent upon receiving the grant); and

WHEREAS, the City Council of the City of Rockwall, Texas acknowledges the program implementation date cannot begin until funding is approved on or around July 15, 2015 and must be completed in approximately one year.

NOW, THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the City Council of the City of Rockwall, Texas does hereby formally authorize the mayor to sign and execute this resolution as a formal act and deed on behalf of the City of Rockwall, Texas.

Section 2. That the City Council of Rockwall, Texas authorizes the City Manager to execute the above referenced grant as a formal act and deed on behalf of the City of Rockwall, Texas,

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THIS 5th DAY OF JANUARY, 2015.

APPROVED:

City of Rockwall
The New Horizon

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Timothy M. Tumulty, Director of Public Works/City Engineer

DATE: December 23, 2014

SUBJECT: Facility Agreement - Breezy Hill Estates Development

The Breezy Hill Estates, Phase Four project is located on John King Boulevard north of FM 552. As a requirement of the development, the Developer must install a 12 inch diameter water line along the east right-of-way of John King Boulevard. The City's Master Water Plan requires a 16 inch diameter water line to be installed along John King Boulevard to meet future demands. Whenever the City requires a water line greater than 12 inches in diameter to be installed with a development, the City will pay the difference in cost of the two water lines.

Attached is the Facilities Agreement between the City of Rockwall and the Developer, BH Phase IV SF, Ltd. providing reimbursement for the oversizing of the water line along this development. The developer estimates the difference of cost will be $62,967.00. Funding is currently available to pay for the City's share of this construction.

Consider approval of the Facilities Agreement for the Breezy Hill Estates, Phase Four water line installation and allow the City Manager to execute the agreement with BH Phase IV SF, Ltd.

STATE OF TEXAS)

COUNTY OF ROCKWALL)

CITY OF ROCKWALL)

FACILITIES AGREEMENT
Breezy Hill Estates

This Agreement is entered into on the _____ day of _____, 2014, by and between the City of Rockwall, Texas ("City") and BH Phase IV SF, Ltd. ("Developer").

WITNESSETH:

Section 1. That in consideration of the Breezy Hill Phase IV Development, located on John King Boulevard, the parties agree as follows:

Developer agrees to the following:

a. To install the 16" diameter water line along John King Boulevard per the City Master Plan and the City approved plans stamped September 22, 2014.

City agrees to the following:

a. Reimburse the Developer, the difference between the material cost for a 12" and 16" diameter water line, when the water line is fully installed, tested and accepted. The Participation Breakdown Worksheet (Exhibit A) is attached and made part of this Agreement.

b. Reimburse the Developer, the difference between the installation and material cost for a 12" diameter valve and 16" diameter butterfly valve when the valve is fully installed, tested and accepted. The Participation Breakdown Worksheet (Exhibit A) is attached and made part of this Agreement.

Section 2. Nothing contained herein shall be considered as a waiver of the provisions of the City's Comprehensive Zoning Ordinance and subdivision regulations as the case may be.

Section 3. Severability Clause. If any section or provision of this Agreement or the application of that section or provision to any person, firm, corporation, situation or circumstance is for reason judged invalid, the adjudication shall not affect any other section or provision of this Agreement or the application of any other section or provision to any other person, firm, corporation, situation, or circumstance, and the City

Council declares that it would have adopted the valid portions and applications of the Agreement without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 4. Venue for this Agreement shall be in Rockwall County, Texas.

Section 5. Notice of this Agreement shall be in writing and addressed to the following:

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Ashberry, City Secretary / Assistant to the City Manager**

DATE: **December 31, 2014**

SUBJECT: **Art Review Team (ART) Commission appointments (5 members needed)**

The council recently adopted an ordinance making changes to the previously established composition of the city's Art Review Team (ART Commission). The updated provisions regarding its composition are as follows:

(a) (1) The art review team (ART) commission shall consist of five members, who shall all be "interested citizens" appointed by the city council. All team members should possess knowledge of or have an interest in contemporary, visual art, artistic principles and art media.

a. *The art review team (ART) commission shall consist of* ***five regular members appointed by a majority of the city council****. A staff liaison will be appointed by the city manager.*
b. *In the case of a vacancy of the commission, the city council, by a majority vote, may appoint a replacement member to the commission. Any person appointed shall serve until the expiration of the term of office of the vacated position.*
c. *Each member of the commission shall be a resident citizen and qualified voter of the city.*
d. *Upon the initial appointment of the commission by the city council, members shall draw lots for three two-year terms and two one-year terms of service. Thereafter, the term of office of members of the commission shall be for two years. Members may be removed, as determined by the city council.*
e. *Members shall serve without compensation.*

The council member assigned to oversee review of applicants and make recommendations to the full council concerning appointments to this commission is Councilmember Milder.

Boards & Commissions Appointments

(Updated for 01/05/15 City Council Meeting)

THESE (ADVISORY) BOARD APPTS. MAY *NOT* BE DISCUSSED IN EX. SESSION

ARCHITECTURAL REVIEW BOARD (ARB) - Milder

(1) Need to replace

- *Mike Mershawn (attendance - has missed several mtgs.)*
  (new board member would serve partial term until Aug. 2015)

Airport Operations Report

For Month of November 2014

FUEL SALES

	GALLONS SOLD	GROSS SALES
Jet - A Sales	124.00	$576.60
Av-Gas Sales	2,071.40	$10,875.03
TOTAL FUEL SALES	2,195.40	$11,451.63

HANGAR RENTAL REVENUE

Open T Hangar Rental Revenue	$1,920.00
Terminal Office Rental Revenue	$250.00
Enclosed Hangar Rental Revenue	$120.00
North Maintenance Hangar Rental Revenue	$500.00
TOTAL HANGAR RENTALS	$2,790.00

HANGAR OCCUPANCY RATES

	TOTAL HANGARS	QTY RENTABLE	QUANTITY LEASED	OCCUPANCY RATE
Open T Hangars	45	40	32	80.00%
Terminal Office Rentals	1	1	1	100%
Closed Hangar Rentals	1	1	1	100%
Open Hangar Cap Rentals	2	1	1	100%
TOTAL HANGAR OCCUPANCY	49	43	35	81%

Of the forty five hangars only forty can actually be rented. Most of these forty should be considered substandard and not easily marketed due to pad slope and width, electrical, and drainage issues.

CITY FEES DUE	FEE RATE	FRANCHISE FEE DUE	FUEL FLOWAGE FEES DUE	TOTAL FEES DUE
Fuel Sales (Gallons Sold)	$0.10	$0.00	$219.54	$219.54
City Owned Hangar Rentals	5.00%	$139.50		$0.00
TOTAL FEES DUE		$139.50	$219.54	$359.04

I certify the information and amounts submitted on this form are true and correct.

4. Discussion regarding proposed lease/sale of city land for possible private project pursuant to Sections 551.072 (Real Property) and Section 551.087 (Economic Development negotiations)

XII. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

XIII. ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 771-7700 or FAX (972) 771-7727 for further information.

The City of Rockwall City Council reserves the right to adjourn into executive session at any time to discuss any of the matters listed on the agenda above, as authorized by Texas Government Code § 551.071 (Consultation with Attorney) § 551.072 (Deliberations about Real Property) § 551.074 (Personnel Matters) and § 551.086 (Economic Development)

I, Kristy Ashberry, City Secretary for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 16th day of January, 2015 at 4:00 p.m. and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

Kristy Ashberry, City Secretary Date Removed

Jacky Casey, Assistant Secretary

MINUTES
ROCKWALL CITY COUNCIL
Monday, January 05, 2015
4:00 p.m. Regular City Council Meeting
City Hall - 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pruitt called the meeting to order at 4:00 p.m. Present were Mayor Jim Pruitt and City Council Members David White, John Hohenshelt, Scott Milder, Bennie Daniels and Dennis Lewis. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Brad Griggs, and City Attorney Frank Garza. Councilmember Townsend was absent from the meeting.

Mayor Pruitt indicated that Mr. Skorburg is running late for the 4:00 p.m. work session. Therefore, the city council will recess into Executive Session first to allow time for him to arrive. Mayor Pruitt then read the below listed Executive Session discussion items (III. 1-4) into the public record before recessing the public meeting into Executive Session.

II. WORK SESSION

1. HOLD WORK SESSION WITH DICK SKORBURG REGARDING A PROPOSED RESIDENTIAL DEVELOPMENT PROJECT, GENERALLY LOCATED AT THE NORTHWEST CORNER OF FM-552 AND JOHN KING BOULEVARD AND POTENTIAL RESIDENTIAL PROJECT(S) IN THE STONE CREEK SUBDIVISION, AND TAKE ANY ACTION NECESSARY.

Members of the city council came back into the council chambers, and Mayor Pruitt reconvened the public meeting at 4:38 p.m. He called forth Mr. Skorburg to address the council concerning this work session item. Mr. Skorburg came forth and gave a presentation concerning the idea of 'single family attached homes' (also known as 'townhomes') on single family lots. He would like the council to consider allowing this type of housing product mixed in with single family homes on these types of lots. Councilmember Milder asked if Mr. Skorburg would consider 'zero lot line' single family homes in lieu of townhomes. Mr. Skorburg indicated that he would like to combine townhomes with zero lot line, single family homes. He indicated that he is willing to take city council members on a tour to show them townhome products that have been constructed in other cities, such as Allen and McKinney.

Mr. Skorburg also presented an idea he would like the council to consider related to doing a townhome development in Stone Creek in the area located on the west side of the fire station adjacent to the existing CVS Pharmacy store (the area is currently zoned general retail GR)).

The council took no action concerning this work session item and went back into Executive Session upon its conclusion (at 5:23 p.m.).

III. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding possible claim related to Oncor pursuant to Section 551.071 (Consultation with Attorney)
2. Discussion regarding Economic Development prospects pursuant to Section 551.087 (Economic Development)
3. Discussion regarding possible claim or settlement agreement related to enforcing the city's sign ordinance regarding a billboard pursuant to Section 551.071 (Consultation with Attorney).
4. Discussion regarding appointment of city council subcommittees, board liaisons and designation of mayor pro tem pursuant to Section, § 551.074 (Personnel Matters).

IV. ADJOURN EXECUTIVE SESSION

Executive Session was recessed at 4:38 p.m. and then resumed again at 5:23 p.m. following the Work Session item. It was adjourned thereafter at 5:56 p.m.

V. RECONVENE PUBLIC MEETING

Mayor Pruitt reconvened the public meeting at 6:00 p.m. with all council members, except Townsend, being present.

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Councilmember Milder made a motion to name Dennis Lewis as Mayor Pro Tem. Councilmember Daniels seconded the motion, which passed unanimously of those present (Townsend absent).

Councilmember Daniels made a motion to appoint Kathleen Morrow and David Sweet to serve on the city's ART Review Team (ART) Commission. Mayor Pruitt seconded the motion, which passed by a vote of 6 ayes with 1 absent (Townsend).

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – MAYOR JIM PRUITT

Mayor Pruitt delivered the invocation and led the Pledge of Allegiance.

VIII. PROCLAMATIONS / AWARDS

1. Recognition of Fire Chief Mark Poindexter for thirty-five years of service

Mayor Pruitt called Chief Poindexter forward. He then read and presented an honorary proclamation to him for 35 years of service. Chief Poindexter thanked his staff for all they do, and thanked Mayor Pruitt for this honor.

IX. OPEN FORUM

Mayor Pruitt explained how Open Forum is conducted and asked if anyone would like to come forth and speak at this time. There being no one in the audience indicating such, Mayor Pruitt stated he will leave this agenda item open, as he would like to come back to it shortly.

Following Action Item #1, Mayor Pruitt readdressed the Open Forum portion of the meeting agenda, sharing the statement below, which he read into the public record as follows:

> ***I want to thank our outgoing Mayor and County Judge David Sweet for the excitement and leadership he has shown for our city over the past four years. I also want to thank my fellow councilmen who have worked tirelessly in making Rockwall not just a city but a community. I look forward to serving you as Mayor of this dynamic growing community, and want to share some of my visions for the upcoming year.***
>
> ***Fiscal Responsibility***
>
> ***We must concentrate on fiscal responsibility that focuses on the growth in expenditures. Increases in expenditures in the city should be no greater than the rate of inflation plus the increase in population. I am proud that I was part of a council that decreased the tax rate paid by our citizens this past year. I hope to continue this conservative trend.***
>
> ***Residential Development***
>
> ***We should encourage developers to increase the quality and size of homes on the remaining developable residential land in our city. Increases in size and quality of homes will add increased taxable valuation.***
>
> ***Business Development***
>
> ***This city is committed to attracting quality commercial and retail projects. Our Economic Development Corporation must continue to attract great companies like the ones that now call Rockwall home.***
>
> ***The downtown revitalization project should be completed in late summer and will make downtown Rockwall more visitor and pedestrian friendly. We will have entertainment activities on the new plaza and courthouse stages that will continue to support Rockwall being called "The Live Music Capital of North Texas".***
>
> ***The Harbor District is a jewel that needs to be redefined to encourage its use by residents of our city as well as the many visitors that it attracts annually. The city put money into the Harbor because the council at the time believed in the project – we still believe in that original vision. However, unfortunately, in recent years, communication has broken down between the city and the group that currently owns the harbor retail center and manages or mismanages the assets. While we have on many***

occasions requested meetings with that group, we have instead been met with lawsuits instead of cooperation. Therefore, I am ready to move forward with developing additional property that the City still owns in the district and try to move beyond the barriers of the past. The Harbor is a jewel that needs to be enjoyed by our residents. Additional parking is a key to that enjoyment and the new parking garage that recently opened will provide some relief from the congested events in the past. I would encourage our residents to rediscover the Harbor and see what a truly spectacular complex it is.

Roadways/Transportation

The council remains committed to improving roadways and transportation. We will continue to partner with Rockwall County to provide relief in this area. But we also need to be vigilant about making repairs to existing streets that have deteriorating concrete and asphalt surfaces which are constantly requiring temporary repairs. I will be asking the city staff to do a comprehensive survey to determine the roads that need these major improvements.

Parks

We must do a better job of informing our citizens of what park facilities, bike and hike trials we already have. We must continue to invest in our existing ball fields, senior and kids programs, and camps.

We have already approved the construction of one of the first all accessible parks in North Texas. Yellowjacket Park will be a place in which children of all abilities can play together without the barriers that exist in many parks. Hopefully this new park can be used as an educational tool to promote better communications between all our residents. In the future, I would additionally like to see the City design a lakeside park which will enhance our lakeside community image.

Volunteerism

I encourage each citizen to get involved in our city in one of our many volunteer opportunities. We must do a better job of publicizing the different volunteer positions available, however. We have a lot of positions that are open. For example, we have a top notch, well trained and well-staffed volunteer fire department, but we can always use additional interested people.

If you want to get involved in this city, we will do our very best to find you a spot that gels with your experience level, interests, or available time commitment. It doesn't matter if you have ever been involved before. If you want a voice in this city, come talk to us at city hall or go onto our website www.rockwall.com.

Schools

We must maintain a partnership with our schools and continue to put School Resource Officers on the premises of our schools to encourage a safe friendly learning environment. We also need to be vigilant to make sure that these resources are effectively used. SRO's need to spend more time talking to kids about safety, drugs and other crime related prevention programs. The schools have some great outreach programs for parents – but sometimes they aren't effectively publicized. We can use city resources to help publicize these great programs which include prevention against drug use, teen suicide, the dangers of the internet, etc.

Customer Service

Our city employees are our best asset. We are in a customer service business – whether you are the water meter reader or a patrol officer. We expect every employee to treat citizens with respect and to do their job as professionally as possible.

As your mayor, I plan to be very accessible to all Rockwall citizens. Open office hours for any citizen wishing discuss any topic with me will be every Monday from noon until 4:00 p.m. If you need to meet another day or another time, just call and we will work out the details. Again, I am so honored to be your mayor, and I look forward to working with each of you to make this the best city in the State of Texas.

Following his comments, Mayor Pruitt called for agenda section XIII (City Manager's Report) to be addressed.

X. CONSENT AGENDA

1. Consider approval of the minutes from the December 15, 2014 regular city council meeting, and take any action necessary.

2. Consider authorizing the Rockwall Fire Chief to execute an interlocal agreement for purchase of radio equipment for the following cities/fire departments: Rockwall Fire, Heath DPS, Fate DPS, Royse City Fire and McLendon Chisolm Volunteer Fire Department, and take any action necessary.

3. **Z2014-035** – Consider a request by Chris & Jill Blasé for the approval of an ordinance for a zoning change from Planned Development District 3 (PD-3) to a Single Family 10 (SF-10) District for a one (1) acre portion of land located within Tract 11-3 being a 13.3-acre tract of land situated within the A. Hanna Survey, Abstract No. 98, City of Rockwall, Rockwall County, Texas, being zoned Planned Development District 3 (PD-3) for Commercial (C) District land uses, situated east of the intersection of East Fork Road and North Lakeshore Drive, and take any action necessary. **(2nd reading)**

4. **P2014-041** - Consider a request by Dave Hanby of TKC CLXXXVI, LLC on behalf of the owner Rick Sharp for the approval of a replat creating Lots 4, 5 & 6, Block A, Sharp Addition being three (3) non-residential lots currently identified as Lot 2, Block A, Sharp Addition, City of Rockwall, Rockwall County, Texas, being a 6.22-acre parcel of land zoned Planned Development District 46 (PD-46) for Commercial (C) District land uses, situated within the SH-276 Overlay (SH-276 OV) District, generally located east of the intersection of Corporate Crossing [FM-549] and SH-276, and take any action necessary.

5. **P2014-042** - Consider a request by John Spiars of Spiars Engineering, Inc. on behalf of Bill Lavin of Security Holdings, LLC for the approval of a replat creating Lot 1, Block A, Nissan of Rockwall Addition, being one (1) non-residential lot currently identified Lot 1, Block A, Lafon Subdivision, and a portion of Tract 2 & Tract 12 of the J. Lockhart Survey, Abstract No. 134, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) and Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, and take any action necessary.

6. Consider approval of a resolution approving submission of a co-op grant application to the Texas Parks and Wildlife Department (100% reimbursement grant), and take any action necessary.

7. Consider approval of the Facilities Agreement for the Breezy Hill Estates, Phase Four water line installation and allow the City Manager to execute the agreement with BH Phase IV SF, Ltd. and take any action necessary.

Councilmember White made a motion to approve the Consent Agenda (#1, 2, 3, 4, 5, 6, and 7). Councilmember Lewis seconded the motion.

The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-01

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM PLANNED DEVELOPMENT DISTRICT NO. 3 (PD-3) TO A SINGLE FAMILY RESIDENTIAL (SF-10) DISTRICT FOR A 10,000 SQUARE FOOT PORTION OF LAND LOCATED WITHIN TRACT 11-3 BEING A 13.3-ACRE TRACT OF LAND SITUATED WITHIN THE A. HANNA SURVEY, ABSTRACT NO. 98, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 6 ayes with 1 absent (Townsend).

XI. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Chairman of the Planning and Zoning Commission, Craig Renfro, came forth and provided brief comments to the city council concerning planning-related items on tonight's meeting agenda. The council took no action related to this item.

XII. ACTION ITEMS

1. Discuss and consider appointments to city advisory boards including the Art Review Team (ART) Commission, Architectural Review Board, and nomination for the Rockwall County Open Space Master Plan Steering Committee, and take any action necessary.

Regarding the Rockwall County Open Space Master Plan Steering Committee, Mr. Crowley indicated that the council is being asked to nominate individuals to be submitted to the county for possible appointment to this steering committee. The County Commissioner's Court will be the body to ultimately make final appointments. Following this explanation, Councilmember White made a motion to nominate Ken Dickson to serve on the Steering Committee and to submit Tom Hughes and Ben Weible for nomination to assist with the committee's work to update the countywide Open Space Master Plan. Councilmember Daniels seconded the motion, which passed by a vote of 6 ayes with 1 absent (Townsend).

Councilmember Milder indicated that he recently received a list of certified architects living in Rockwall from the Texas Board of Architectural Examiners. He explained that he hopes some of them may apply for the Architectural Review Board after receiving a letter from the city encouraging them to do so. At this time, however, he does not have any appointment(s) to recommend.

Mayor Pruitt then revisited the Open Forum portion of the meeting agenda at this time.

XIII. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports
Building Inspections Monthly Report - November 2014
Fire Dept. Monthly Reports - November 2014
Harbor PD Monthly Report - November 2014
Internal Operations Department Monthly Report - November 2014
Police Department Monthly Report - November 2014
Recreation Monthly Report - November 2014
Rockwall Animal Adoption Center - November 2014

2. City Manager's Report

City Manager Rick Crowley explained that the city has been dealing with power outages for a number of years now. He indicated that staff will be looking into the possibility of obtaining outside assistance to help evaluate the reliability of the electric system and

compare this information against the standards that Oncor is prescribed by the Public Utilities Commission. This may or may not require a contract to come back before the council for approval, but he did want to make the council aware that this process will be underway shortly.

Council and staff wished Assistant City Manager, Mary Smith, a happy birthday.

Mayor Pruitt adjourned the public meeting at 6:23 p.m.

XIV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding possible claim related to Oncor pursuant to Section 551.071 (Consultation with Attorney)
2. Discussion regarding Economic Development prospects pursuant to Section 551.087 (Economic Development)
3. Discussion regarding possible claim or settlement agreement related to enforcing the city's sign ordinance regarding a billboard pursuant to Section 551.071 (Consultation with Attorney).
4. Discussion regarding appointment of city council subcommittees, board liaisons and designation of mayor pro tem pursuant to Section, § 551.074 (Personnel Matters).

XV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

The council did not reconvene into Executive Session following the end of the public meeting agenda. See item VI. for actions taken as a result of the first Executive Session.

XVI. ADJOURNMENT

Mayor Pruitt adjourned the public meeting at 6:23 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 20th day of January, 2015.

ATTEST: _____ **Jim Pruitt, Mayor**

City of Rockwall
The New Horizon

MEMORANDUM

To: **Rick Crowley, City Manager**

From **Mark Moeller, Chief of Police**

Date: **January 6, 2015**

Subject: **Command Central**

Recently the Police Department installed a new software called Command Central. This unique software combines three programs into one which allows us to continue to provide the public with crime information through CrimeReports, and also now adds two programs enhancing our intelligence gathering capabilities. The programs are described below:

CrimeReports.com – This allows citizens to physically check areas to see the types of offenses occurring in a certain location or neighborhood. This sanitized information, appears as a spot map, but does not include names, exact addresses, or incident numbers.

CommandCentral Analytics – This SaaS based real time data visualization and analytics platform is directly integrated to our RMS and CAD systems and will assist in analyzing crime patterns in a more timely manner. Resources then can be directed immediately to those crime areas.

Social Media Analytics – This benefits Criminal Investigations by using the following tools to search through social media

1) Up to 20 Social Media data feeds
2) Geo Fence Post - Ability to put Geo Fence post on Geographic Google map to bring back pictures and text in any given area without being connected to each user.
3) Key Word Search - Search for words such as Bomb, 420, Marijuana, kill, etc.; allowing review of potentially hazardous posts from the 20 Social Media feeds.
4) Global Search – View any one person to determine where they have posted anywhere in the world; again providing a larger picture of potential hazards.
5) Device posting – Identifying the type of device the user is posting from; i.e. iphone, android, or mac – there is a significant distinction between mobile & static identification.
6) Handle searching – Ability to enter, for example a Twitter handle to pull all information from a single user over period of time.
7) Historical search – This pull data based on date or a date range.
8) Address location – Will go directly to an address on Google map.

For several years we have offered CrimeReports to our citizens at a cost of $2,700.00 for an annual subscription. Public Engines, the creator of CrimeReports, initially offered us the three part Command Central software for $53,995.00 for five years. Through negotiations that price was reduced to $40,355.30 including maintenance, for the five year time frame, a 26% saving from the initial offer.

There was a very short time frame to receive the product at that price, so an agreement was made with a service time from December 15, 2014, through December 14, 2019. This expenditure will not impact the budget or General Reserves, because it will be paid out of seized funds.

MEMORANDUM

TO: **Mayor and City Council**

FROM: **Rick Crowley, City Manager**

DATE: **January 15, 2015**

SUBJECT: **Lloyd Gosselink Engagement Letter / Proposal**

Please find the attached engagement letter/proposal from Lloyd Gosselink. This specialized legal firm has expertise in the areas of utility regulation (including evaluation of electric service reliability) and transmission systems (including transmission lines). As provided by the City Charter, it is necessary that the Council authorize retaining the firm to assist in matters for which outside assistance may be needed. By authorizing the execution of this document, the Council would not be authorizing any particular action in any matter. Its execution, however, would establish the relationship with the firm such that, the City can, if so desired, request that the firm submit a specific proposal for any assistance that the City may in the future request.

The firm is well-experienced in all utility matters and is known to both the Staff and the City Attorney.

If you have any questions, please do not hesitate to contact me or City Attorney Frank Garza.

Re: City of Rockwall/Oncor Electricity Outage Investigation;
Billing File Number: 3670-00

Dear Rick:

We want to express our appreciation for the opportunity you have given our firm to work with you. As part of our routine in opening new files, and in part to comply with the provisions of Texas Local Government Code Chapter 176, we provide clients with an engagement letter. The purpose of this letter is to set forth our understanding of the legal services to be performed by us for this engagement and the basis upon which we will be paid for those services. This letter confirms that Lloyd Gosselink Rochelle & Townsend, P.C. ("Lloyd Gosselink") will represent the City of Rockwall with respect to the matter regarding the Oncor electricity outage investigation (the "Matter"). Our acceptance of this representation (the "Representation") becomes effective upon our receipt of an executed copy of this agreement.

Terms of Engagement

This letter sets out the terms of our engagement in the Representation. Certain of those terms are included in the body of this letter, and additional terms are contained in the attached document, entitled *Additional Terms of Engagement*, dated August 27, 2013. That document is expressly incorporated into this letter, and it should be read carefully. The execution and return of the enclosed copy of this letter constitutes an agreement to all the terms set forth in this letter and in the attached *Additional Terms of Engagement.*

It is understood and agreed that our engagement is limited to the Representation, and our acceptance of this engagement does not imply any undertaking to provide legal services other than those set forth in this letter.

Personnel Who Will Be Working on the Matter

I will be the attorney in charge of the Representation, and I will be working on the Matter. You may call, write, or e-mail me whenever you have any questions about the

Representation. Other firm personnel, including firm lawyers and paralegals, will participate in the Representation if, in our judgment, their participation is necessary or appropriate.

Legal Fees and Other Charges

Our fees in the Matter will be based on the time spent by firm personnel, primarily firm lawyers or paralegals, who participate in the Representation. We will charge for all time spent by such personnel in the Representation in increments of tenths of an hour. We charge for time spent in activities including but not limited to the following: telephone and office conferences with clients, representatives of clients, opposing counsel, and others; conferences among our attorneys and paralegals; factual investigation, if needed; legal research; file management; responding to requests from you that we provide information to you or your auditors; drafting letters and other documents; and travel, if needed.

Legal fees and costs are difficult to estimate. Accordingly, we have made no commitment concerning the fees and charges that will be necessary to resolve or complete the Representation, although we will make every effort to manage fees and costs by working efficiently and cost-effectively.

My time is billed at the rate of $315 per hour. Other lawyers, paralegals and other personnel may be assigned as necessary to achieve proper staffing. We utilize briefing clerks, paralegals, file clerks and other support personnel to perform those tasks not requiring the time of any attorney. Their time is billed at an amount determined by the experience of the individual. The foregoing rates may be adjusted annually and, if so, will be noted on your bill. We will submit all out-of-pocket expenses incurred for reimbursement. Usually we ask the client to pay directly all filing fees, charges for consultants, etc. due to the size of such fees and to avoid the client incurring our overhead charge. We endeavor to have a statement of services rendered and expenses incurred by the 15th of the following month. Full payment is due on receipt of the statement.

Conflicts of Interest

Before accepting the Representation, we have undertaken reasonable and customary efforts to determine whether there are any potential conflicts of interest that would bar our firm from representing you in the Matter. Additionally, in order that we comply with the requirements of Chapter 176 of the Texas Local Government Code, we have performed an internal conflicts of interest inquiry. Based on the information available to us, we are not aware of any potential disqualification. We reviewed that issue in accordance with the rules of professional responsibility adopted in Texas.

Conclusion

This letter and the attached *Additional Terms of Engagement* constitute the entire terms of the engagement of Lloyd Gosselink Rochelle & Townsend, P.C. in the Representation. These written terms of engagement are not subject to any oral agreements or understandings, and they can be modified only by further written agreement signed both by you and Lloyd Gosselink Rochelle & Townsend, P.C. Unless expressly stated in these terms of engagement, no obligation or undertaking shall be implied on the part of either you or Lloyd Gosselink Rochelle & Townsend, P.C.

Please carefully review this document, which includes this letter and the attached *Additional Terms of Engagement*. If there are any questions about these terms of engagement, or if these terms are inaccurate in any way, please let me know immediately. If acceptable, we would appreciate you signing and returning the enclosed duplicate original of this document.

Sincerely,

Thomas L. Brocato

Additional Terms of Engagement

This supplement to our engagement letter sets out additional terms of our agreement to provide the representation described in our engagement. Because these additional terms of engagement are a part of our agreement to provide legal services, you should review them carefully and should promptly communicate to us any questions concerning this document. We suggest that you retain this statement of additional terms along with our engagement letter and any related documents.

The Scope of the Representation

As lawyers, we undertake to provide representation and advice on the legal matters for which we are engaged. It is important for our clients to have a clear understanding of the legal services that we have agreed to provide. Thus, if there are any questions about the scope of the Representation that we are to provide in the Matter, please raise those questions promptly, so that we may resolve them at the outset of the Representation.

Any expressions on our part concerning the outcome of the Representation, or any other legal matters, are based on our professional judgment and are not guarantees. Such expressions, even when described as opinions, are necessarily limited by our knowledge of the facts and are based on our views of the state of the law at the time they are expressed.

Upon accepting this engagement on your behalf, Lloyd Gosselink Rochelle & Townsend, P.C. agrees to do the following: (1) provide legal counsel in accordance with these terms of engagement and the related engagement letter, and in reliance upon information and guidance provided by you; and (2) keep you reasonably informed about the status and progress of the Representation.

To enable us to provide effective representation, you agree to do the following: (1) disclose to us, fully and accurately and on a timely basis, all facts and documents that are or might be material or that we may request, (2) keep us apprised on a timely basis of all developments relating to the Representation that are or might be material, (3) attend meetings, conferences, and other proceedings when it is reasonable to do so, and (4) otherwise cooperate fully with us.

Our firm has been engaged to provide legal services in connection with the Representation in the Matter, as specifically defined in our engagement letter. After completion of the Representation in the Matter, changes may occur in the applicable laws or regulations that could affect your future rights and liabilities in regard to the Matter. Unless we are actually engaged after the completion of the Representation to provide additional advice on such issues, the firm has no continuing obligation to give advice with respect to any future legal developments that may pertain to the Matter.

It is our policy and your agreement that the person or entity that we represent is the one identified in our engagement letter, and that our attorney-client relationship does not include any related persons, employees of the client, or related entities.

Who Will Provide the Legal Services

As our engagement letter confirms, Lloyd Gosselink Rochelle & Townsend, P.C. will represent you in the Matter. Lloyd Gosselink Rochelle & Townsend, P.C. is a Texas professional corporation.

Although our firm will be providing legal services, each client of the firm customarily has a relationship principally with one attorney, or perhaps a few attorneys. At the same time, however, the work required in the Representation, or parts of it, may be performed by other firm personnel, including lawyers and paralegals. Such delegation may be for the purpose of involving other firm personnel with experience in a given area or for the purpose of providing services on an efficient and timely basis.

Communication and Confidentiality

In keeping with technological advancements and the corresponding demands of clients, it is the practice of the firm to use electronic (email) correspondence from time to time to communicate and to transmit documents. As such, the possibility exists that electronic transmissions could be intercepted or otherwise received by third parties and lose their privileged nature if the method of communication is ruled to lack sufficient confidentiality. As with any correspondence regarding legal representation, regardless of the manner of transmission, we urge you to use caution in its dissemination in order to protect its confidentiality. By signing below, you agree that we may use email in the scope of the Representation.

We recognize our obligation to preserve the confidentiality of attorney-client communications as well as the client confidences, as required by the governing rules of professional responsibility. If the Matter involves transactions, litigation or administrative proceedings or like proceedings in which our firm appears as counsel of record for you in publicly available records, we reserve the right to inform others of the fact of our representation of you in the Matter and (if likewise reflected or record in publicly available records) the results obtained unless you specifically direct otherwise.

Periodically, the firm is asked to provide a Representative Client List to prospective clients and in various legal directories (e.g., Martindale-Hubbell and the Texas Legal Directory). Unless you advise us to the contrary, we may disclose to third parties the fact that our firm represents you. Lloyd Gosselink is not requesting authorization to disclose any privileged information obtained during its representation.

Disclaimer

Lloyd Gosselink Rochelle & Townsend, P.C. has made no promises or guarantees to you about the outcome of the Representation of the Matter, and nothing in our engagement letter or these terms of engagement shall be construed as such a promise or guarantee.

Termination

At any time, you may, with or without cause, terminate the Representation by notifying us in writing of your intention to do so. Any such termination of services will not affect the obligation to pay for legal services rendered and expenses and charges incurred before termination, as well as additional services and charges incurred in connection with an orderly transition of the Matter.

We are subject to the codes or rules of professional responsibility for the jurisdictions in which we practice. There are several types of conduct or circumstances that could result in our withdrawing from representing a client, including, for example, the following: non-payment of fees or charges; misrepresentation or failure to disclose material facts; fraudulent or criminal conduct; action contrary to our advice; and conflict of interest with another client. We try to identify in advance and discuss with our clients any situation that may lead to our withdrawal.

A failure by you to meet any obligations under these terms of engagement shall entitle Lloyd Gosselink Rochelle & Townsend, P.C. to terminate the Representation. In that event, you will take all steps necessary to release Lloyd Gosselink Rochelle & Townsend, P.C. of any further obligations in the Representation or the Matter, including without limitation the execution of any documents necessary to effectuate our withdrawal from the Representation or the Matter. The right of Lloyd Gosselink Rochelle & Townsend, P.C. to withdraw in such circumstances is in addition to any rights created by statute or recognized by the governing rules of professional conduct.

Our engagement letter specifically explains our fees for services in the Matter. We will bill on a regular basis, normally each month, for fees and expenses and charges. It is agreed that you will make full payment within thirty (30) days of receiving our statement. We may give notice if an account becomes delinquent, and it is further agreed that any delinquent account must be paid upon the giving of such notice. If the delinquency continues and

you do not arrange satisfactory payment terms, we may withdraw from the Representation. However, any termination by either party may be subject to, or controlled by, orders of a court.

Document Retention

Upon completion of our work on this matter, it is our firm's policy that your original documents (e.g., permits, licenses, deeds, wills, etc.) and other client property be returned within a reasonable period of time. As to any documents so returned, we may elect to keep a copy of the documents in our stored files. Our own files, including lawyer work product pertaining to the matter, will be retained by the firm. These firm files include firm administrative records, time and expense reports, billing and accounting records, and internal work product. Internal work product includes drafts, notes, internal communications (in both paper and electronic mediums), and legal and factual research prepared for the internal use of our firm's lawyers. All documents retained by the firm will be transferred to the person responsible for administering our records retention program. For various reasons, including the minimization of unnecessary storage expenses, we reserve the right to destroy or otherwise dispose of any such documents or other materials retained by us after the completion of our work without additional notice.

Charges for Expenses and Services

Our invoices will include amounts for legal services rendered and for other expenses and services. Examples of other expenses and services include charges for photocopying, travel and conference expenses, messenger deliveries, computerized research, and other electronic transmissions or filings. In addition, we reserve the right to send to you for direct payment any invoices delivered to us by others, including experts and any vendors.

Rates for our legal services, expenses and charges are subject to change from time to time and will be noted on your bill. In some situations, we can arrange for such services and expenses to be provided by third parties billed through our billings or by direct billing to the client.

Standards of Professionalism and Attorney Complaint Information

Pursuant to rules promulgated by the Texas Supreme Court and the State Bar of Texas, we are to advise our clients to the contents of the Texas Lawyer's Creed, a copy of which is attached. In addition, we are to advise clients that the State Bar of Texas investigates and prosecutes complaints of professional misconduct against attorneys licensed in Texas. A brochure entitled *Attorney Complaint Information* is available in our office in Austin and is likewise available upon request. A client that has any questions about the State Bar's disciplinary process should call the Office of the General Counsel of the State Bar of Texas at 1-800-932-1900 toll free.

THE TEXAS LAWYER'S CREED

A Mandate for Professionalism

Promulgated by The Supreme Court of Texas and the Court of Criminal Appeals November 7, 1989

I am a lawyer; I am entrusted by the People of Texas to preserve and improve our legal system. I am licensed by the Supreme Court of Texas. I must therefore abide by the Texas Disciplinary Rules of Professional Conduct, but I know that Professionalism requires more than merely avoiding the violation of laws and rules. I am committed to this Creed for no other reason than it is right.

I. OUR LEGAL SYSTEM

A lawyer owes to the administration of justice personal dignity, integrity, and independence. A lawyer should always adhere to the highest principles of professionalism.

1. I am passionately proud of my profession. Therefore, "My word is my bond."
2. I am responsible to assure that all persons have access to competent representation regardless of wealth or position in life.
3. I commit myself to an adequate and effective pro bono program.
4. I am obligated to educate my clients, the public, and other lawyers regarding the spirit and letter of this Creed.
5. I will always be conscious of my duty to the judicial system.

II. LAWYER TO CLIENT

A lawyer owes to a client allegiance, learning, skill, and industry. A lawyer shall employ all appropriate means to protect and advance the client's legitimate rights, claims, and objectives. A lawyer shall not be deterred by any real or imagined fear of judicial disfavor or public unpopularity, nor be influenced by mere self-interest.

1. I will advise my client of the contents of this Creed when undertaking representation.
2. I will endeavor to achieve my client's lawful objectives in legal transactions and in litigation as quickly and economically as possible.
3. I will be loyal and committed to my client's lawful objectives, but I will not permit that loyalty and commitment to interfere with my duty to provide objective and independent advice.
4. I will advise my client that civility and courtesy are expected and are not a sign of weakness.
5. I will advise my client of proper and expected behavior.
6. I will treat adverse parties and witnesses with fairness and due consideration. A client has no right to demand that I abuse anyone or indulge in any offensive conduct.
7. I will advise my client that we will not pursue conduct which is intended primarily to harass or drain the financial resources of the opposing party.
8. I will advise my client that we will not pursue tactics which are intended primarily for delay.
9. I will advise my client that we will not pursue any course of action which is without merit.
10. I will advise my client that I reserve the right to determine whether to grant accommodations to opposing counsel in all matters that do not adversely affect my client's lawful objectives. A client has no right to instruct me to refuse reasonable requests made by other counsel.
11. I will advise my client regarding the availability of mediation, arbitration, and other alternative methods of resolving and settling disputes.

27

III. LAWYER TO LAWYER

A lawyer owes to opposing counsel, in the conduct of legal transactions and the pursuit of litigation, courtesy, candor, cooperation, and scrupulous observance of all agreements and mutual understandings. Ill feelings between clients shall not influence a lawyer's conduct, attitude, or demeanor toward opposing counsel. A lawyer shall not engage in unprofessional conduct in retaliation against other unprofessional conduct.

1. I will be courteous, civil, and prompt in oral and written communications.
2. I will not quarrel over matters of form or style, but I will concentrate on matters of substance.
3. I will identify for other counsel or parties all changes I have made in documents submitted for review.
4. I will attempt to prepare documents which correctly reflect the agreement of the parties. I will not include provisions which have not been agreed upon or omit provisions which are necessary to reflect the agreement of the parties.
5. I will notify opposing counsel, and, if appropriate, the Court or other persons, as soon as practicable, when hearings, depositions, meetings, conferences or closings are cancelled.
6. I will agree to reasonable requests for extensions of time and for waiver of procedural formalities, provided legitimate objectives of my client will not be adversely affected.
7. I will not serve motions or pleadings in any manner that unfairly limits another party's opportunity to respond.
8. I will attempt to resolve by agreement my objections to matters contained in pleadings and discovery requests and responses.
9. I can disagree without being disagreeable. I recognize that effective representation does not require antagonistic or obnoxious behavior. I will neither encourage nor knowingly permit my client or anyone under my control to do anything which would be unethical or improper if done by me.
10. I will not, without good cause, attribute bad motives or unethical conduct to opposing counsel nor bring the profession into disrepute by unfounded accusations of impropriety. I will avoid disparaging personal remarks or acrimony towards opposing counsel, parties and witnesses. I will not be influenced by any ill feeling between clients. I will abstain from any allusion to personal peculiarities or idiosyncrasies of opposing counsel.
11. I will not take advantage, by causing any default or dismissal to be rendered, when I know the identity of an opposing counsel, without first inquiring about that counsel's intention to proceed.
12. I will promptly submit orders to the Court. I will deliver copies to opposing counsel before or contemporaneously with submission to the court. I will promptly approve the form of orders which accurately reflect the substance of the rulings of the Court.
13. I will not attempt to gain an unfair advantage by sending the Court or its staff correspondence or copies of correspondence.
14. I will not arbitrarily schedule a deposition, Court appearance, or hearing until a good faith effort has been made to schedule it by agreement.
15. I will readily stipulate to undisputed facts in order to avoid needless costs or inconvenience for any party.

16. I will refrain from excessive and abusive discovery.

17. I will comply with all reasonable discovery requests. I will not resist discovery requests which are not objectionable. I will not make objections nor give instructions to a witness for the purpose of delaying or obstructing the discovery process. I will encourage witnesses to respond to all deposition questions which are reasonably understandable. I will neither encourage nor permit my witness to quibble about words where their meaning is reasonably clear.

18. I will not seek Court intervention to obtain discovery which is clearly improper and not discoverable.

19. I will not seek sanctions or disqualification unless it is necessary for protection of my client's lawful objectives or is fully justified by the circumstances.

IV. LAWYER AND JUDGE

Lawyers and judges owe each other respect, diligence, candor, punctuality, and protection against unjust and improper criticism and attack. Lawyers and judges are equally responsible to protect the dignity and independence of the Court and the profession.

1. I will always recognize that the position of judge is the symbol of both the judicial system and administration of justice. I will refrain from conduct that degrades this symbol.

2. I will conduct myself in court in a professional manner and demonstrate my respect for the Court and the law.

3. I will treat counsel, opposing parties, witnesses, the Court, and members of the Court staff with courtesy and civility and will not manifest by words or conduct bias or prejudice based on race, color, national origin, religion, disability, age, sex, or sexual orientation.

4. I will be punctual.

5. I will not engage in any conduct which offends the dignity and decorum of proceedings.

6. I will not knowingly misrepresent, mischaracterize, misquote or miscite facts or authorities to gain an advantage.

7. I will respect the rulings of the Court.

8. I will give the issues in controversy deliberate, impartial and studied analysis and consideration.

9. I will be considerate of the time constraints and pressures imposed upon the Court, Court staff and counsel in efforts to administer justice and resolve disputes.

Order of the Supreme Court of Texas and the Court of Criminal Appeals

The conduct of a lawyer should be characterized at all times by honesty, candor, and fairness. In fulfilling his or her primary duty to a client, a lawyer must be ever mindful of the profession's broader duty to the legal system.

The Supreme Court of Texas and the Court of Criminal Appeals are committed to eliminating a practice in our State by a minority of lawyers of abusive tactics which have surfaced in many parts of our country. We believe such tactics are a disservice to our citizens, harmful to clients, and demeaning to our profession.

The abusive tactics range from lack of civility to outright hostility and obstructionism. Such behavior does not serve justice but tends to delay and often deny justice. The lawyers who use abusive tactics, instead of being part of the solution, have become part of the problem.

The desire for respect and confidence by lawyers from the public should provide the members of our profession with the necessary incentive to attain the highest degree of ethical and professional conduct.

These rules are primarily aspirational. Compliance with the rules depends primarily upon understanding and voluntary compliance, secondarily upon reenforcement by peer pressure and public opinion, and finally when necessary by enforcement by the courts through their inherent powers and rules already in existence.

These standards are not a set of rules that lawyers can use and abuse to incite ancillary litigation or arguments over whether or not they have been observed.

We must always be mindful that the practice of law is a profession. As members of a learned art we pursue a common calling in the spirit of public service. We have a proud tradition. Throughout the history of our nation, the members of our citizenry have looked to the ranks of our profession for leadership and guidance. Let us now as a profession each rededicate ourselves to practice law so we can restore public confidence in our profession, faithfully serve our clients, and fulfill our responsibility to the legal system.

The Supreme Court of Texas and the Court of Criminal Appeals hereby promulgate and adopt **"The Texas Lawyer's Creed -- A Mandate for Professionalism"** described above.

In Chambers, this 7th day of November, 1989.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **January 16, 2015**

SUBJECT: **Resolution Supporting the Texas Local Park Grant program**

The Texas Recreation and Parks Account is a fund administered by the Texas Parks and Wildlife Department to fund local park grants. The source of these funds is the sales tax collected from the sale of sporting goods within the state. These funds are used to assist local agencies with the cost of acquiring and the construction of local parks.

Though the source of the funding for the program is determined by state law, the amount of the funding is subject to the appropriation procedures. In the 82nd Session of the Legislature, funding to the local park grant program was cut by 96%. The only funds appropriated to the program were administrative costs to administer the current projects and the federal pass thru program funds.

In the 83rd Session of Legislature, the funding for the local parks grant program was restored to $15.5 million, roughly half of the historical full funding of $31 million. The attached resolution requests that the members of the 84rd Session increase funding in the account from $15.5 million to be fully funded at approximately $31 million.

Since 2001, the City of Rockwall has received over $500,030 from the local grant program and House District 89 has received almost $7 million since 1982. Rockwall has greatly benefitted from this grant program with significant funding for Myers Park Phases II and III, the SH 66 Public Boat Ramp and 2003 recipient for the Community Outdoor Outreach Program (COOP) grant to fund the R.O.C.K Camp. The City of Rockwall is also in the process of applying for the 2015 COOP grant, as well as awaiting status of award for the Local Park Grant for the Stone Creek Neighborhood Park in the amount of $400,000.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 15-02

A RESOLUTION OF THE CITY OF ROCKWALL CITY COUNCIL REQUESTING THE MEMBERS OF THE 84th LEGISLATIVE SESSION OF THE STATE OF TEXAS TO SUPPORT LEGISLATION THAT INCREASES FUNDING FOR THE TEXAS RECREATION & PARKS ACCOUNT AND LARGE COUNTY AND MUNICIPALITY RECREATION AND PARKS ACCOUNT LOCAL PARK GRANT PROGRAMS, AND THE TEXAS STATE PARK SYSTEM

WHEREAS, the Texas Parks & Wildlife Department ("TPWD") administers the Texas Recreation & Parks Account Local Park Grant Program ("TRPA") and the Large County and Municipality Recreation and Parks Account (Urban Account) and manages 94 State parks and historical sites in Texas; and

WHEREAS, TPWD has separate accounts in their general revenue fund referred to as the TRPA and Urban Account for the purpose of providing matching grants to political subdivisions for parks and recreation projects, and for outreach grants to introduce new populations to outdoor experiences; and

WHEREAS, the matching grants provided by the TPWD are utilized for the planning, acquisition, and development of local park, recreation and open space areas to be owned and maintained by political subdivisions; and

WHEREAS, funds granted to political subdivisions under the TRPA and Urban Account guidelines have funded 1629 projects of the 3,470 submitted over 30 years delivering over $800 million to the local Texas economy; and

WHEREAS, political subdivisions throughout the State of Texas depend on grants from TPWD through the TRPA to stimulate the acquisition and development of parks and recreational areas for the benefit and enjoyment of their citizenry; and

WHEREAS, the TRPA, Urban Account, and State parks are funded from sales tax on sporting goods and that the development of new parks stimulates the purchase of sporting goods; and

WHEREAS, the TRPA, Urban Account, and State parks are partially funded from federal dollars used for parks, recreation, open space, trails, and tourism from the United States Department of the Interior Land and Water Conservation Fund (LWCF), the Sport Fish Restoration Boat Access program and the United States Department of Transportation Recreation Trails; and

WHEREAS, the maintenance and improvements of State park and historic sites and the addition of new parks is a priority to Texans due to the State's expanding population and extensive tourism industry; and

WHEREAS, the development of parks encourages and promotes public health, economic development, job creation, education; corporate relocations, an improved quality of life, and juvenile crime prevention; and

WHEREAS, funds are needed for major repairs at Local and State parks and for the acquisition and development of parks and facilities; and

WHEREAS, it is the desire of this City Council that a copy of this resolution with appropriate names affixed be presented to the Governor of Texas and the leadership of the 84th Texas Legislature.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

1. That members of the 84th Legislature of Texas seek passage of legislation maximizing the use of revenues from the sporting goods sales tax and federal funds to increase funding for parks and recreation programs for both Local and State parks and that all TRPA and Urban Account funded park projects be subject to the established TPWD competitive scoring system.

2. That members of the 84th Legislature of Texas to fully restore funding to the TRPA and Urban accounts in the amount of at least $31 million per year.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS ON THIS THE 20TH day of January, 2015.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **January 12, 2015**

SUBJECT: **Clean Fleet Policy Resolution**

The Regional Transportation Council (RTC) of the North Central Texas Council of Governments (NCTCOG) has requested that each city within the region that has adopted a Clean Fleet Policy in 2005 to update their policy with a revised policy so that it remains relevant and effective. The revised policy and resolution are attached for the City Council's consideration. The resolution is based on an Environmental Protection Agency (EPA) recommendation. The goal of the policy is to reduce emissions and improve air quality.

If a local government does not approve the attached resolution as requested by the RTC, the municipality will not be eligible for future "clean fleet" funding from the NCTCOG. The resolution and policy also "may be considered when determining other funding actions". Although we have not received any funding for "clean fleet" programs in the past, the statement that "other funding actions" may consider whether a municipality has approved a resolution supporting the revised clean fleet policy put the City in a situation where we could lose out on regional transportation dollars if we do not approve the resolution.

A similar policy was put into place in 2007 and remains in effect today. The revised policy will not cause any major changes and we can support the policy as it is written.

The Clean Fleet policy is not without controversy. The Texas Commission on Environmental Quality (TCEQ) published an article in October of 2014 questioning the logic behind the EPA's recommendation. The TCEQ is stating that the EPA's recommendation to "further lowering of the ozone standard will fail to provide any measurable increase in human health protection".

A copy of the resolution, the revised policy, the cover letter from the RTC and the TCEQ article are attached for the City Council's consideration.

40 YEARS!

RTC
Regional Transportation Council

received
12/22/14

The Transportation Policy Body for the North Central Texas Council of Governments
(Metropolitan Planning Organization for the Dallas-Fort Worth Region)

TO: Honorable County Judges, Commissioners,
Mayors, Administrators and City Managers
Independent School District Superintendents
and Board Presidents
Special Districts and Fleet Representatives

DATE: December 19, 2014

FROM: Mike Cantrell, Chair
Regional Transportation Council
Commissioner, Dallas County

SUBJECT: Clean Fleet Policy Adoption Requested

The Regional Transportation Council (RTC) thanks you for adopting the Clean Fleet Vehicle Policy, which was originally recommended in 2005. This policy remains an important regional air quality strategy as the region continues to face air quality challenges. For the past year, North Central Texas Council of Governments (NCTCOG) staff and local fleet representatives have been working to revise the policy to ensure that it remains relevant and effective. On December 11, 2014, the RTC approved a resolution supporting a revised Clean Fleet Policy.

RTC urges all organizations with fleet operations in the Dallas-Fort Worth ozone nonattainment area to adopt the new Clean Fleet Policy, which replaces the previous version. Major policy changes include expansion of applicability to private fleets and non-road equipment, inclusion of multi-pollutant benefits and petroleum reduction goals, and removal of outdated emissions references. In addition, the policy shifted to a goal-oriented structure, including sections for reducing emissions; reducing fuel consumption; fostering partnerships with NCTCOG and the Dallas-Fort Worth Clean Cities Coalition (DFWCC); and ensuring that drivers, operators, and fleet personnel are familiar with air quality and petroleum reduction goals.

Adoption of the new policy entitles each entity to compete for vehicle funding made available through the RTC. This provision may be considered during other funding actions. Adopting entities may also receive recognition through the DFWCC program. A copy of the RTC resolution and new policy template are enclosed for your review and may also be found online at www.nctcog.org/fleetpolicy. Supporting items are also available online, including a Clean Fleet Policy Guidance document, which outlines practical examples for implementing policy elements.

The recent Environmental Protection Agency proposal to further lower the federal ozone standard underscores that regional efforts to reduce ozone-forming emissions will remain critically important. RTC looks forward to your continued partnership through this initiative. If you have any questions or concerns, please contact Lori Clark, Principal Transportation Planner, at 817-695-9232 or lclark@nctcog.org. Thank you again for your participation in this effort and for your work to improve air quality.

Mike Cantrell

RESOLUTION SUPPORTING THE CLEAN FLEET POLICY
R14-10

WHEREAS, the North Central Texas Council of Governments (NCTCOG) is designated as the Metropolitan Planning Organization (MPO) for the Dallas-Fort Worth (DFW) Metropolitan Area by the Governor of Texas in accordance with federal law; and,

WHEREAS, the Regional Transportation Council (RTC), comprised primarily of local elected officials, is the regional transportation policy body associated with the NCTCOG, and has been and continues to be the regional forum for cooperative decisions on transportation; and,

WHEREAS, the Environmental Protection Agency (EPA) has designated the ten-county area of Collin, Dallas, Denton, Ellis, Johnson, Kaufman, Parker, Rockwall, Tarrant, and Wise Counties as moderate nonattainment under the 2008 8-hour National Ambient Air Quality Standard for the pollutant ozone, effective July 20, 2012; and EPA has proposed a more stringent revised ozone standard within a range of 65 to 70 parts per billion, which may require substantial additional emissions reductions; and,

WHEREAS, the RTC is responsible for air quality conformity; and the Clean Air Act Amendments of 1990 require that in air quality nonattainment areas transportation plans and improvement programs conform to the applicable air quality implementation plan; and,

WHEREAS, emissions inventories from the Texas Commission on Environmental Quality indicate that in 2012, approximately 76 percent of nitrogen oxides (NO_x) emissions and 25 percent of volatile organic compounds (VOC) emissions in the DFW ozone nonattainment area are attributable to mobile sources; and,

WHEREAS, the RTC approved the creation of a Clean Fleet Vehicle Policy on March 11, 2004 and adopted a resolution supporting a Clean Fleet Vehicle Policy on October 13, 2005; and,

WHEREAS, changes in vehicle technologies and continuing air quality concerns necessitate revisions to the existing Clean Fleet Vehicle Policy.

NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

Section 1. The RTC endorses the Clean Fleet Policy included in Attachment 1 and recommends that organizations with fleet operations in the nonattainment area adopt a policy consistent with this document.

Section 2. The RTC reserves all future vehicle funding for organizations with fleet operations that adopt and comply with a policy consistent with the Clean Fleet Policy as shown in Attachment 1. This includes transit funds of all types, Congestion Mitigation and Air Quality Improvement Program funds, Surface Transportation Program-Metropolitan Mobility funds, other federal, State and local funds distributed at the discretion of the Regional Transportation Council, and support for third party funding opportunities.

Section 3. The RTC may consider Clean Fleet Policy adoption and compliance when considering other RTC funding actions.

Section 4. This resolution will be transmitted to all impacted local governments and communicated to private sector organizations in the nonattainment area as appropriate.

Section 5. This resolution shall be in effect immediately upon its adoption.

Mike Cantrell, Chair
Regional Transportation Council
Commissioner, Dallas County

I hereby certify that this resolution was adopted by the Regional Transportation Council of the North Central Texas Council of Governments for the Dallas-Fort Worth Metropolitan Area on December 11, 2014.

Ron Jensen, Secretary
Regional Transportation Council
Mayor, City of Grand Prairie

CLEAN FLEET POLICY

WHEREAS, the North Central Texas Council of Governments (NCTCOG) has been designated as the Metropolitan Planning Organization (MPO) for the Dallas-Fort Worth (DFW) Metropolitan Area by the Governor of Texas and in accordance with federal law; and,

WHEREAS, the Regional Transportation Council (RTC), comprised primarily of local elected officials, is the regional transportation policy body associated with NCTCOG and has been and continues to be the regional forum for cooperative decisions on transportation; and,

WHEREAS, NCTCOG has been designated as a Clean Cities Coalition for the DFW region by the US Department of Energy in accordance with federal law and the NCTCOG Executive Board authorized NCTCOG to serve as the host organization for the DFW Clean Cities (DFWCC) Coalition and its efforts; and,

WHEREAS, the U.S. Environmental Protection Agency (EPA) has designated the DFW area as a nonattainment area for the pollutant ozone, and air quality impacts the public health of the entire region; and,

WHEREAS, emissions inventories from the Texas Commission on Environmental Quality (TCEQ) indicate that in 2012, approximately 76 percent of the nitrogen oxides (NO_X) emissions and 25 percent of the volatile organic compounds (VOC) emissions in the DFW ozone nonattainment area are attributable to mobile sources; and,

WHEREAS, the RTC is responsible for transportation conformity; and the Clean Air Act Amendments of 1990 require that transportation plans and improvement programs in air quality nonattainment areas conform to the adopted State Implementation Plan (SIP); and,

WHEREAS, the RTC has adopted a resolution supporting the adoption and implementation of a Clean Fleet Policy by organizations with fleet operations in the DFW area; and reserves all future vehicle funding for entities that adopt and comply with a policy consistent with the provisions outlined below,

WHEREAS, the City of Rockwall will set goals and provide workable, cost-effective solutions to improve air quality and reduce petroleum consumption in the DFW area, and implement those measures as practicable.

NOW, THEREFORE, BE IT HEREBY RESOLVED:

Section 1. **The City of Rockwall will reduce emissions from fleet activities by performing the following actions as practicable:**

1.1 Implement an idle-reduction policy/standard operating procedure (SOP) that applies to all of the entity's vehicles and equipment, except where exempted as determined by <adopting entity>; communicate idle-reduction expectations to staff, vendors and visitors; and utilize idle-reduction technology.

1.2 Maximize use of vehicles and equipment with the lowest emissions wherever possible.

Source: NCTCOG

1.3 Ensure all conversions are EPA and/or California Air Resources Board (CARB) certified; ensure that aftermarket technologies are EPA and/or CARB verified, or are listed as an emerging technology by the EPA or a state environmental agency; and both conversions and aftermarket technologies are compatible with Texas Low Emission Diesel Program (TxLED) requirements.

1.4 Establish a plan to modify non-essential fleet activities on high ozone days to reduce air quality impacts.

1.5 Implement vehicle and equipment disposal strategies which minimize negative impacts on air quality.

1.6 Implement vehicle and equipment emissions inspection practices which meet or surpass the standards required by statute, including prompt resolution of any illuminated malfunction indicator lamp (MIL).

Section 2. **The City of Rockwall will reduce overall fuel consumption, particularly the use of conventional petroleum fuels, by performing the following actions as practicable:**

2.1 Pursue low-emission vehicles and equipment for acquisition, with an emphasis on alternative fuel, advanced technology, and/or Smartway[SM] certified vehicles and equipment.

2.2 Improve overall fleet fuel efficiency.

2.3 Establish practices to reduce vehicle miles traveled, passenger miles traveled, engine hours, and/or ton miles traveled, as appropriate.

Section 3. **The City of Rockwall will partner with the NCTCOG and DFWCC by performing the following actions as practicable:**

3.1 Maintain membership and active participation in DFWCC and submit timely Clean Fleet Policy reporting.

3.2 Evaluate and consider participation in programs to test/commercialize/demonstrate new technologies to improve efficiency, reduce emissions, and/or increase fuel efficiency.

3.3 Pursue activities which support peer fleets' efforts to implement fuel- or emissions-reducing activities by sharing and maximizing resources.

3.4 Encourage fleet activities which minimize water, solid waste, or other environmental impacts of fleet activities, as appropriate.

Section 4. **The City of Rockwall will ensure drivers/operators and fleet personnel are familiar with air quality and petroleum reduction goals by performing the following actions as practicable:**

4.1 Provide in-house training and/or attending training administered by NCTCOG for fleet personnel and other staff involved in fleet decisions to

Source: NCTCOG

review policy elements and provide recommendations for achieving objectives.

4.2 Consider other mechanisms to increase understanding and awareness among fleet personnel and others.

The City of Rockwall acknowledges that adoption of the Clean Fleet Policy, adoption of an idle reduction policy/SOP as outlined in section 1.1, submittal of both policies, and submittal of Clean Fleet Policy reporting is required to be eligible for future clean fleet funding from the RTC, and may be considered when determining other funding actions. The extent of Clean Fleet Policy implementation, as documented through reporting, will also be a factor in receiving DFWCC fleet recognition.

This policy shall be in effect immediately upon its adoption and replaces the prior Clean Fleet Vehicle Policy adopted in 2005.

I hereby certify that this policy was adopted by the City of Rockwall on January 20, 2015.

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

Protecting Texas by Reducing and Preventing Pollution

October 28, 2014

Greetings:

Please allow us to pass this newsletter article along to you. It explains why, in the TCEQ's informed opinion, the EPA's proposed lower ozone standards will not accomplish its stated goal of protecting human health. And why does this matter to the citizens you work for?

If you are an official of a city or county in or near an ozone nonattainment area, a lower ozone standard could have a direct, negative effect on the economy of your area by making it more difficult for some new businesses to open, or existing businesses to expand.

Even if your city or county is not near a nonattainment area, a much lower ozone standard will increase the price of energy, and perhaps the reliability of the electrical grid. And everything we consume has an energy component as part of its price.

We appreciate your attention, and please feel free to share this with the citizens of your community. And if you have any questions, please feel free to call me directly.

Sincerely,

Michael Honeycutt
Director, TCEQ Toxicology Division
512-239-1793

EPA predicts that lowering ozone levels in Houston will result in increased premature deaths

Natural OUTLOOK
PD-020/14-07 OCTOBER 2014

WILL EPA's PROPOSED NEW OZONE STANDARDS PROVIDE MEASURABLE HEALTH BENEFITS?

Note: article updated 10/9/2014.

By Dr. Michael Honeycutt
Director, TCEQ Toxicology Division

The EPA is considering lowering the existing national eight-hour ozone standard from its current level of 75 parts per billion (ppb) to a much lower range, between 70 and 60 ppb. However, after an in-depth review of the EPA's analysis, as well as a thorough study of the relevant scientific literature, the TCEQ has concluded that there will be little to no public health benefit from lowering the current standard.

Surprisingly, the EPA's own modeling in 12 cities across the country indicates the net result will be *increased* mortality in some areas, including Houston and Los Angeles. The EPA did not perform the analysis for other cities in Texas.

There is no doubt that, at some higher level, ground-level ozone is harmful to human health. The question is, has the EPA adequately demonstrated that lowering the ozone standard to 70–60 ppb would actually have health benefits? We think that the EPA's process of setting ozone standards has not scientifically proven this, and that further lowering of the ozone standard will fail to provide any measurable increase in human health protection.

The EPA's own modeling in its Health Risk and Exposure Assessment (HREA)

Getting to Know Dr. Michael Honeycutt, Director, Toxicology Division

Dr. Michael E. Honeycutt is a dedicated, distinguished scientist who has served the people of Texas through his work for the Toxicology Division of the TCEQ since 1996. He has served as director of the division since 2009.

He is a dedicated family man. He and wife Lucinda have been married for 27 years and have two sons: Ethan, a sophomore at UT Dallas, and Adam, a senior at Pflugerville High School. They have lived in Pflugerville for 18 years, where he is active in his church and in the Boy Scouts. His hobby is woodworking, although he admits it's hard to find time to pursue it as much as he would like.

Dr. Honeycutt joined the TCEQ after working for the U.S. Army Corps of Engineers in Mississippi. He has a bachelor's degree and Ph.D. in toxicology from the University of Louisiana at Monroe.

Dr. Honeycutt is a full member of the Society of Toxicology, a worldwide professional and scholarly organization of scientists from academic institutions, government, and industry representing the great variety of scientists who practice toxicology in the U.S. and abroad.

Continued on page 2

Number of Premature Deaths in Houston Predicted by EPA

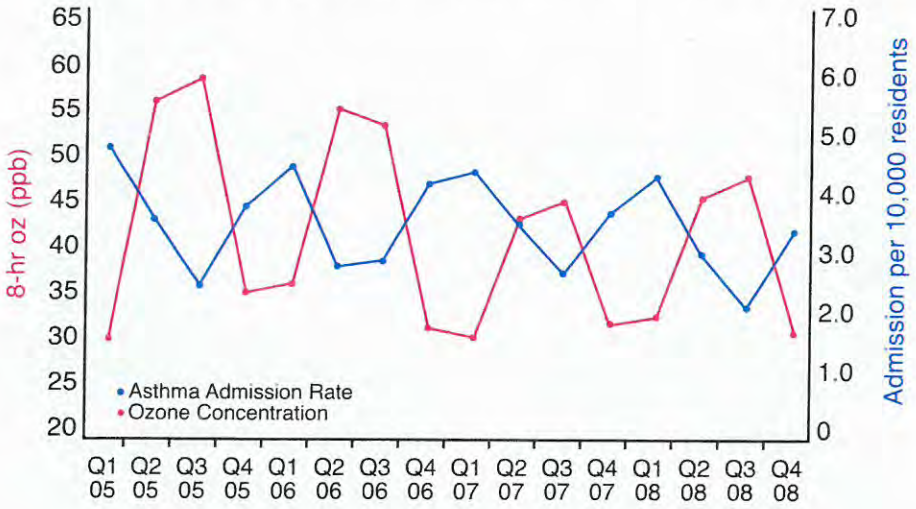
	Net Impact on Mortality
Meeting current standard (75 ppb) from present day ozone levels	47 more deaths
Going from present levels to 70 ppb	48 more deaths
Going from present levels to 65 ppb	44 more deaths
Going from present levels to 60 ppb	35 more deaths

This table, which was made using EPA's own modeling, indicates that reducing ozone in the Houston area will actually result in *increased* premature deaths. Whether this predicted result is factual, or if it just highlights flaws in the EPA's interpretation of the data, it casts doubt on the science being used to justify EPA's proposed lower ozone standards.

Based on 2009 data—*EPA, Final Health Risk and Exposure Assessment*, Appendix 7, p. 7B-2

44

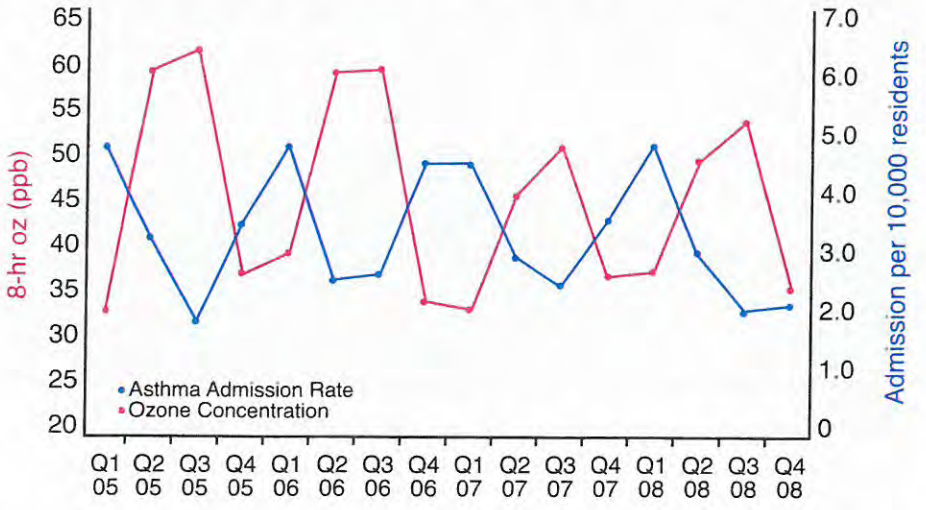
indicates that lowering ozone concentrations would actually result in more deaths in some cities (Appendix 7, page 7B-2 of the HREA). Either this indicates that lowering the ozone standard defeats its stated purpose of protecting human health, or it indicates that something is wrong with the EPA's interpretation of the data. Either way, it's not a good argument for lowering the ozone standard.



Further, the EPA is not very forthcoming about the increased deaths. It's not mentioned in the executive summary of their policy analysis, but it's found on page 115 of Chapter 3, more than one third of the way through the 597-page document.

The EPA's proposed lower ozone standard derives much of its claimed benefits from associating ozone with worsening asthma. The problem with this association is that asthma diagnoses are increasing in the U.S., yet nationwide, air quality is improving. If asthma were actually tied to ozone, you would expect to see the instances of asthma decreasing, not increasing. In fact, data from Texas hospitals show that asthma admissions are actually highest in the winter, when ozone levels are the lowest.

The evaluation of the proposed ozone standard was performed by the TCEQ



Dallas County

Quarterly Average Peak 8-hr Ozone vs
Quarterly Hospital Age–Adjusted Admission Rate, Dallas County

Denton County

Quarterly Average Peak 8-hr Ozone vs
Quarterly Hospital Age–Adjusted Admission Rate, Denton County

Data collected from Texas hospitals indicates that admissions for asthma are actually highest in the winter, when ozone concentrations are normally lowest. This casts further doubt on the EPA's assertion that ozone is an important driver of asthma symptoms.

Getting to Know Dr. Michael Honeycutt, Director, Toxicology Division (continued)

He has co-authored scientific articles on a wide variety of toxicological subjects in a number of scientific journals, and is cited three times in the Encyclopedia of Toxicology. Dr. Honeycutt has given invited testimony before the U.S. House of Representatives four times, and has appeared before the Texas Legislature numerous times.

He frequently participates on committees, boards, workshops and panels, and has presented at dozens of symposia and conferences across the United States.

"I consider myself extremely lucky to be leading our team of 15 toxicologists," he said. "No state has a more dedicated, distinguished team of scientists committed to serving its citizens. The excellence of their work in setting safe exposure levels for a wide variety of chemicals and compounds is recognized when these levels are adopted by many other states and countries."

"I love my job," he said. "As a scientist, I love following the facts to a conclusion, even if it is contrary to accepted wisdom."

Dr. Honeycutt says his data aren't always welcome. "I was cussed out by the mayor of a West Texas town when I told him to shut down the town's water supply because of contamination. And I pushed the agency to do a large-scale monitoring survey in the Barnett Shale when I saw a couple of benzene readings that were concerning to me."

"I always tell people, 'Show me where I'm wrong,' and I'm willing to accept it if they do. That's the definition of science. I also love the fact that I'm expected to interpret data objectively. I don't have to hype data in hopes of getting a grant or donations to fund my position," said Dr. Honeycutt.

Toxicology Division, which consists of 10 Ph.D. and five master's level scientists. Our scientists specialize in toxicology and risk assessment related to air contaminants, and set guidelines and toxicity factors that are adopted by many different states and countries.

The sciences (toxicology, molecular biology, biochemistry, cell biology, chemistry, just to name a few) used to set the EPA's standards are complex and technical. Toxicology Division members Stephanie Shirley (Ph.D., UT MD Anderson Cancer Center, molecular carcinogenesis), Sabine Lange (Ph.D. UT MD Anderson Cancer Center, biochemistry and molecular carcinogenesis), Neeraja Erraguntla (Ph.D., LSU, physiology, pharmacology and toxicology), and I immersed ourselves in ozone toxicology and epidemiology. We presented a paper titled "A Toxicological Review of the Ozone NAAQS" at various professional meetings, and are helping prepare ground-breaking analyses of the ozone data for publication in peer-reviewed journals.

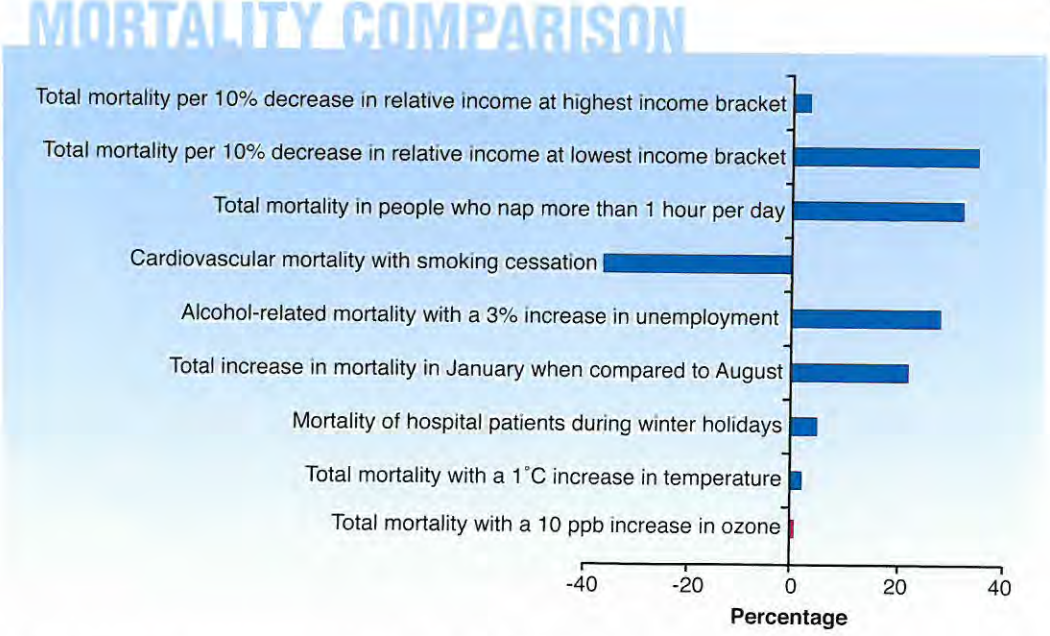
Below are a few facts and simplified explanations of the TCEQ's conclusion that a lower ozone standard is not justified.

You can find links to other references and ozone information at <www.tceq.texas.gov/goto/ozone-science>.

Sensitivity of Asthmatics to Ozone:

- Exposure of human volunteers to ozone showed similar lung effects in asthmatics and in non-asthmatic subjects. Additionally, children are no more sensitive to ozone than are young adults.

Mortality Caused by Long-term Exposure to Ozone:



- Only 1 out of 12 studies considered by the EPA showed an association between long-term exposure to ozone and early death (after considering other pollutants). This single study is used by the EPA as evidence that long-term exposure to ozone causes mortality. Interestingly, this study did not show higher mortality in Southern California, where some of the highest ozone levels in the country are measured.

Ambient Ozone Concentrations Don't Represent Real-world Exposure:

- Ozone is an outdoor air pollutant, because systems such as air conditioning remove it from indoor air. Since most people spend more than 90 percent of their time indoors, we (and the people in the epidemiology studies used to justify lowering the standard) are rarely exposed to significant levels of ozone.
- Even people who work outdoors are exposed to, at most, 60 percent of the ozone concentration that is measured at an ambient monitor. Additionally, there are ozone standards particularly for workers to ensure that they are protected.
- For ozone to cause a slight change in lung function in clinical studies, people need to be exposed to outdoor levels of ozone for hours while vigorously exercising (example: 6 hours of bicycling). These changes in lung function are often so small that they are within a person's *normal* daily variation.
- Epidemiology studies show an association between a person's likelihood of dying, and the outdoor concentrations of ozone in the days before (or the day of) a person's death. However, we spend most of our time indoors (particularly people who are near death), so the people in the studies were exposed to levels of ozone that are far below those that cause any clinical effect.

Problems with Implementing a New Ozone Standard:

- Some places in the U.S. have background levels of ozone that account for up to 80 percent of total ozone. Background ozone occurs naturally, or is transported from other countries. The EPA does not take this into account when making the rule.
- Ozone is not produced directly, but instead forms when other chemicals (particularly nitrogen oxides) react with sunlight. However, ozone chemistry is complicated, and the same nitrogen oxides that produce ozone can also react with existing ozone to remove it from the air. So places that have high nitrogen oxide production (such as areas

Many factors influence mortality, and the effect of an increase in ozone by 10 ppb is tiny in comparison to these other influences.

near roads), often have lower ozone levels.

- Because ozone chemistry is complex, lowering ozone-producing chemicals in the cities would decrease ozone in the suburbs, but could increase ozone in the inner-cities (because there will be a decrease in the nitrogen oxides that can remove ozone). This means that, according to EPA predictions, those living in the inner cities could bear more health burdens, while people on the outskirts enjoy the predicted benefits.

Proponents of lower ozone standards sometimes advance the argument that even if the lower standards are not scientifically justified, what is it going to hurt to have cleaner air? The answer is, why regulate something that is not really going to have a benefit? That effort should be put into regulating something that will have a benefit—perhaps air toxics—perhaps figuring out what is causing increased reported rates of asthma—perhaps looking at indoor air quality, which probably has a bigger impact on health than outdoor air quality, because data shows Americans likely spend at least 90 percent of their time indoors.

There are costs to regulation. Increased regulatory costs make nearly all goods and services more expensive, particularly energy. There is a real, human cost resulting from higher energy bills, especially in Texas. For poor Texans (and many poor Texans are elderly Texans), being able to keep their home cool on hot and humid summer days has a real health benefit.

If an area violates an ozone standard, it is in nonattainment, and new regulations are imposed, with the goal of bringing those areas into attainment. Those regulations and the expenses they impose make it more difficult and more expensive for many existing businesses and industries to operate, and those costs are eventually passed on to the consumer.

Being in nonattainment also means that new businesses that produce qualifying emissions may have to purchase emissions offsets to open their doors, or consider opening their business in another area that is in attainment.

If the EPA decides the new ozone standards should be at the lower end of the range, close to 60 ppb, it is likely that areas like El Paso; San Antonio; Victoria; the Tyler region in East Texas; the I-H 35 corridor between San Antonio and Dallas-Fort Worth, including Austin and Waco; Beaumont and Port Arthur; parts of the Panhandle and Rio Grande Valley; and Big Bend National Park would be in nonattainment.

For the DFW and Houston-Galveston-Brazoria areas, which are already in nonattainment, and already heavily regulated, reaching attainment would become even more difficult and further impact economic growth. All residents of these areas would be affected.

A study commissioned by the National Association of Manufacturers found that, in a scenario where new ozone standards constrained natural gas production, electricity prices could increase by 15 percent for residential customers and 23 percent for industrial customers. The study found that the new ozone standards could reduce U.S. GDP by $270 billion per year and result in 2.9 million fewer job equivalents per year on average through 2040.

The Clean Air Act, which sets air quality standards for six pollutants including ozone, is the only federal environmental law that expressly forbids the EPA from considering the feasibility and costs of attaining a standard. In my mind, that should set the bar higher for the science. This is particularly the case with ozone, because the economic costs would be enormous, and the standard will be almost unachievable even if the public is able to bear those costs. There should be no doubt that lowering the standard will result in health benefits, but that is not the case for this consideration of the ozone standard. How can the EPA in good conscience make a policy decision this expensive when the data are so contradictory that their own modeling predicts more deaths in some areas from lowering the standard?

I'm often asked, wouldn't it be easier to just accept what the EPA does? Isn't it a lot of trouble to try to affect the direction of the EPA's 16,000 employees and $8 billion budget? Yes, of course that would be easier, but it wouldn't be the right thing to do.

Environmental regulations should be based on sound science. If they are not, then it opens the door for regulations that are based on politics, or on other reasons that do not benefit the public. The TCEQ has been provided with the expertise and funding to do research and science to assure that regulations are effective and beneficial to the environment and to public health. That is what the legislature and the people of Texas task us to do, and we take that task very seriously.

MEMORANDUM

TO: Honorable Mayor and City Council

FROM: Joey Boyd, Assistant to the City Manager

DATE: November 12, 2007

SUBJECT: Clean Fleet Vehicle Resolution

Action Requested: Consider adoption of the Regional Transportation Council's Clean Fleet Vehicle Policy for use by agencies in the North Central Texas Council of Governments.

Background: The Regional Transportation Council (RTC), comprised primarily of local elected officials, is the regional transportation policy body associated with the NCTCOG, and has been and continues to be a forum for cooperative efforts on transportation.

In October 2005, the Regional Transportation Council approved a resolution adopting a Clean Fleet Vehicle Policy for public sector entities as one strategy to reduce ozone-forming emissions from mobile sources. All agencies in the region are encouraged to adopt the policy recommendations with regard to acquisition, operations, and maintenance and integrate the requirements as appropriate into their specific circumstances. Sixty-Five area agencies have adopted the policy. A map showing the current adoption status for all counties, transit agencies, school districts, and cities in the nonattainment area is included.

RTC reserves future transportation funding for entities that adopt and comply with the policy, and in addition, may consider compliance with the policy in reviewing other funding requests. This could affect the City's ability to use State and Federal funds for transportation efforts in the future. The Clean Fleet Vehicle Policy provides guidance on minimizing emissions through vehicle acquisition, maintenance, and operations. A Compliance Verification component is also provided to area agencies by NCTCOG to help ensure proper implementation.

A review of the City's current fleet indicates that the City would be able to comply with all the aspects of this policy with the exception of a few fire engines due to age of the vehicle, for which a waiver is available. A resolution adopting the Clean Fleet Vehicle Policy is attached for Council consideration.

CITY OF ROCKWALL

RESOLUTION NO. 07-23

A RESOLUTION BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ESTABLISHING FLEET VEHICLE PROCUREMENT, MAINTENANCE AND OPERATION POLICIES CONSISTENT WITH REGIONAL EMISSION REDUCTION EFFORTS; REQUIRING THAT COMPLIANCE BE CERTIFIED THROUGH NCTCOG; PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Regional Transportation Council, comprised primarily of local elected officials, is the regional transportation policy body associated with the North Central Texas Council of Governments, and has been and continues to be a forum for cooperative decisions on transportation; and

WHEREAS, the Regional Transportation Council supports the adoption and implementation by the City of Rockwall of a Clean Fleet Vehicle Policy, which was resolved on October 13, 2005; and

WHEREAS, the Dallas-Fort Worth area is a federally designated nonattainment area for the pollutant ozone and air quality impacts the public health of the entire region; and

WHEREAS, the Regional Transportation Council is responsible for air quality conformity; and the Clean Air Act Amendments of 1990 require that in air quality nonattainment areas transportation plans and improvement programs conform to the applicable air quality implementation plan; and

WHEREAS, the City of Rockwall wants to set achievable goals and provide workable, cost effective solutions to improve the Dallas-Fort Worth Metropolitan Area air, and implement those measures as soon as practicable to improve air quality; and

WHEREAS, approximately fifty percent of the nitrogen oxide (NOx) emissions in the Dallas-Fort Worth nonattainment area come from on-road vehicles;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. Acquisition

1.1 Vehicle acquisitions for fleet expansion or replacement of model year 2004 or newer, shall be newest model year or engine standard only.

1.2 Vehicle acquisitions to replace model year 2003 or older vehicles must show at least a 25% reduction in Nitrogen Oxides (NOx) emissions rate compared to the vehicle being replaced. (Waivers are possible when new technologies or achievements of the required emission reduction are not possible.)

1.3 Aftermarket technologies and conversions are acceptable for fleet expansion and fleet replacements.

1.4 Aftermarket technologies and conversions must be Environment Protection Agency (EPA) and/or CARB verified or certified or technology equivalent or better, as determined by the North Central Texas Council of Governments (NCTCOG) staff.

1.5 Conversions must comply with the provisions of EPA Memorandum 1A and Addendum Revision (June 25, 1974 and June 1, 1998).

Section 2. Operations

2.1 Vehicle idling is allowed only for safety, emergency response, vehicle maintenance, equipment activity, warm-up/operations in cold temperature, and manufacturer recommended minimum idle/warm-up times.

2.2 Vehicles with the lowest NOx emissions that are capable of performing the required operational demands shall drive the most miles.

2.3 Fleet manager shall abide by latest refueling time/season guidance published by NCTCOG Air Quality Planning.

2.4 Non-emergency vehicles shall drive no more than the posted speed limit and avoid rapid acceleration.

2.5 All drivers shall be trained on air quality appropriate operational requirements.

Section 3. Maintenance

3.1 Perform annual emission and safety inspections for all vehicles, even for vehicles with no state mandated inspection requirement.

3.2 All vehicles with over 100,000 miles must have emission inspections every 25,000 miles thereafter.

3.3 Perform manufacturer's recommended maintenance.

3.4 Mandatory participation in any diesel or other Texas Commission on Environmental Quality or NCTCOG inspection/maintenance program, including applicable test or pilot programs.

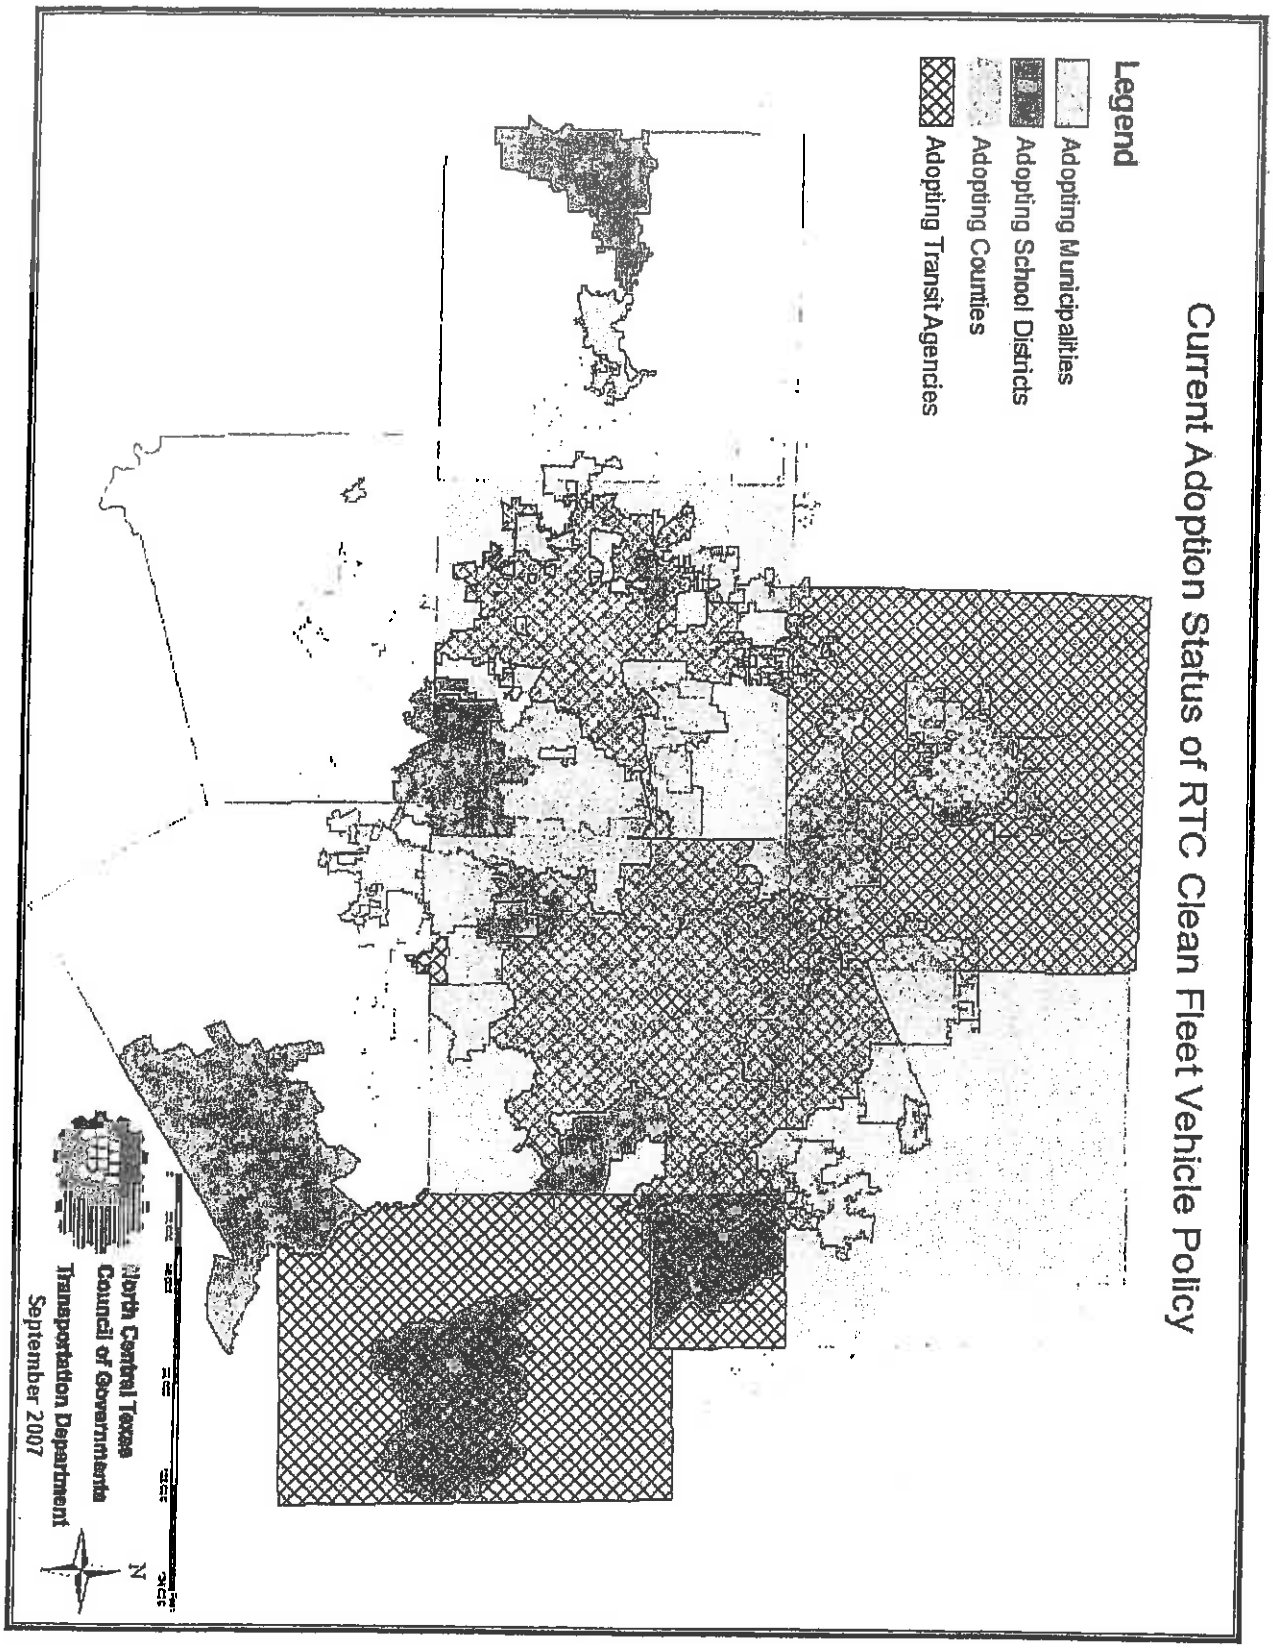
Section 4. Compliance Verification

4.1 Public sector entity shall provide NCTCOG with an annual electronic update of fleet size and activity in a format established by NCTCOG.

4.2 The City of Rockwall acknowledges that entities not adopting and complying with the Clean Fleet Vehicle Policy and/or reporting

requirements will not be eligible for future clean vehicle funding and RTC may assess the City of Rockwall compliance when considering other RTC funding actions.

Section5. That this resolution shall take effect immediately from and after its passage and approval, and it is so resolved.



PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 19th day of November, 2007.

William R. Cecil, Mayor

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 15-03

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ESTABLISHING UPDATED FLEET VEHICLE MAINTENANCE AND OPERATION POLICIES AND ASSOCIATED REPORTING REQUIREMENTS CONSISTENT WITH REGIONAL EMISSION REDUCTION EFFORTS; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the North Central Texas Council of Governments (NCTCOG) has been designated as the Metropolitan Planning Organization (MPO) for the Dallas-Fort Worth (DFW) Metropolitan Area by the Governor of Texas and in accordance with federal law; and,

WHEREAS, the Regional Transportation Council (RTC), comprised primarily of local elected officials, is the regional transportation policy body associated with NCTCOG and has been and continues to be the regional forum for cooperative decisions on transportation; and,

WHEREAS, NCTCOG has been designated as a Clean Cities Coalition for the DFW region by the US Department of Energy in accordance with federal law and the NCTCOG Executive Board authorized NCTCOG to serve as the host organization for the DFW Clean Cities (DFWCC) Coalition and its efforts; and,

WHEREAS, the U.S. Environmental Protection Agency (EPA) has designated the DFW area as a nonattainment area for the pollutant ozone, and air quality impacts the public health of the entire region; and,

WHEREAS, emissions inventories from the Texas Commission on Environmental Quality (TCEQ) indicate that in 2012, approximately 76 percent of the nitrogen oxides (NO_X) emissions and 25 percent of the volatile organic compounds (VOC) emissions in the DFW ozone nonattainment area are attributable to mobile sources; and,

WHEREAS, the RTC is responsible for transportation conformity; and the Clean Air Act Amendments of 1990 require that transportation plans and improvement programs in air quality nonattainment areas conform to the adopted State Implementation Plan (SIP); and,

WHEREAS, the RTC has adopted a resolution supporting the adoption and implementation of a Clean Fleet Policy by organizations with fleet operations in the DFW area; and reserves all future vehicle funding for entities that adopt and comply with a policy consistent with the provisions outlined below,

WHEREAS, the City of Rockwall will set goals and provide workable, cost-effective solutions to improve air quality and reduce petroleum consumption in the DFW area, and implement those measures as practicable.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THAT:

Section 1. **The City of Rockwall will reduce emissions from fleet activities by performing the following actions as practicable:**

1.1 Implement an idle-reduction policy/standard operating procedure (SOP) that applies to all of the entity's vehicles and equipment, except where exempted as determined by <adopting entity>; communicate idle-reduction expectations to staff, vendors and visitors; and utilize idle-reduction technology.

1.2 Maximize use of vehicles and equipment with the lowest emissions wherever possible.

1.3 Ensure all conversions are EPA and/or California Air Resources Board (CARB) certified; ensure that aftermarket technologies are EPA and/or CARB verified, or are listed as an emerging technology by the EPA or a state environmental agency; and both conversions and aftermarket technologies are compatible with Texas Low Emission Diesel Program (TxLED) requirements.

1.4 Establish a plan to modify non-essential fleet activities on high ozone days to reduce air quality impacts.

1.5 Implement vehicle and equipment disposal strategies which minimize negative impacts on air quality.

1.6 Implement vehicle and equipment emissions inspection practices which meet or surpass the standards required by statute, including prompt resolution of any illuminated malfunction indicator lamp (MIL).

Section 2. **The City of Rockwall will reduce overall fuel consumption, particularly the use of conventional petroleum fuels, by performing the following actions as practicable:**

2.1 Pursue low-emission vehicles and equipment for acquisition, with an emphasis on alternative fuel, advanced technology, and/or Smartway^{SM} certified vehicles and equipment.

2.2 Improve overall fleet fuel efficiency.

2.3 Establish practices to reduce vehicle miles traveled, passenger miles traveled, engine hours, and/or ton miles traveled, as appropriate.

Section 3. **The City of Rockwall will partner with the NCTCOG and DFWCC by performing the following actions as practicable:**

3.1 Maintain membership and active participation in DFWCC and submit timely Clean Fleet Policy reporting.

3.2 Evaluate and consider participation in programs to test/commercialize/demonstrate new technologies to improve efficiency, reduce emissions, and/or increase fuel efficiency.

3.3 Pursue activities which support peer fleets' efforts to implement fuel- or emissions-reducing activities by sharing and maximizing resources.

3.4 Encourage fleet activities which minimize water, solid waste, or other environmental impacts of fleet activities, as appropriate.

Section 4. **The City of Rockwall will ensure drivers/operators and fleet personnel are familiar with air quality and petroleum reduction goals by performing the following actions as practicable:**

4.1 Provide in-house training and/or attending training administered by NCTCOG for fleet personnel and other staff involved in fleet decisions to review policy elements and provide recommendations for achieving objectives.

4.2 Consider other mechanisms to increase understanding and awareness among fleet personnel and others.

Section 5. The City of Rockwall acknowledges that adoption of the Clean Fleet Policy, adoption of an idle reduction policy/SOP as outlined in section 1.1, submittal of both policies, and submittal of Clean Fleet Policy reporting is required to be eligible for future clean fleet funding from the RTC, and may be considered when determining other funding actions. The extent of Clean Fleet Policy implementation, as documented through reporting, will also be a factor in receiving DFWCC fleet recognition.

Section 6. This policy replaces the prior Clean Fleet Vehicle Policy of the City of Rockwall (Resolution 07-23).

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THIS 20th DAY OF JANUARY, 2015.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 01/20/2015

APPLICANT: Bryan Powell, P.E.

AGENDA ITEM: **P2014-043**; Castle Ridge Estates - Phase 3

Discuss and consider a request by Bryan Powell, PE of Westwood Professional Services on behalf of David Booth of D. R. Horton Texas, LTD for the approval of a final plat for Castle Ridge, Phase 3 containing 62 single family lots on a 19.521-acre tract of land currently identified as Tract 37 of the J. Stricklans Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Single Family Residential (SF-10) District, general located east of SH-205, and take any action necessary.

BACKGROUND INFORMATION:

The final plat for Castle Ridge Estates - Phase 3 indicates 62 single family residential lots to be developed on 19.521-acres. The subject tract is zoned Single Family Residential (SF-10) District, requiring a minimum lot size of 10,000 sq. ft., a minimum lot frontage of 80-ft, a minimum lot depth of 100-ft, and a minimum dwelling unit size of 1500 sq. ft.

Phase 3 represents the final phase for the Castle Ridge Estates Subdivision. Based on the general lot configuration, the final plat conforms to the approved preliminary plat and meets the minimum requirements for the SF-10 district that governs the development. The site can be accessed from Windham Dr. off SH 205 and existing streets from the Harlan Park and Heritage Heights subdivisions to the south of the development.

The Parks Board met on January 6, 2015 and recommended approval of the final plat. Castle Ridge Estates Phase 3 is included with Park District #1and has satisfied the pro-rata equipment fees for the subdivision. However, the cash in lieu of land fees in the amount of $493 per lot must be collected at the time of final plat approval.

LANDSCAPE / TREESCAPE PLAN:

In order to develop the lots, a *Tree Preservation Plan* representing an updated version of the tree plan that was approved with the Preliminary Plat in 2005, was submitted by the applicant and approved by the Planning and Zoning Commission in May of this year meeting the requirement for a tree plan prior to the approval of a final plat for phase 3.

As you may recall, a total mitigation balance due of 751 caliper inches will be satisfied by planting four (4) – three (3) caliper inch trees per lot (62 lots) for a total of 248 trees. This represents a total of 744 caliper inches credited towards the mitigation balance.

The remaining balance of seven (7) caliper inches will either be donated to the Parks Department or the City's Tree Fund for future plantings.

RECOMMENDATIONS:

Staff recommends approval of the request with the following conditions:

1. Adherence to all Engineering and Fire Department standards.
2. A minimum of a ten (10) foot access right-of-way extending from Whitman Drive to the Takeline shall be required to be depicted between Lots 31 & 32, Block K. Additionally, the developer shall be responsible for the construction of a five (5) foot sidewalk that will be placed in the required access right-of-way. The HOA shall be responsible for the maintenance of the access right-of-way and sidewalk.
3. Adherence to Parks Board and Parks Department requirements. Payment of the cash in lieu of park land dedication is due at final plat approval.

Planning and Zoning Recommendation:

On January 13, 2015, the Planning and Zoning Commission recommended approval of the final plat with staff conditions by a vote of 5 to 0 (Logan & Fishman – absent).

Discuss and consider a request by Bryan Powell, PE of Westwood Professional Services on behalf of David Booth of D. R. Horton Texas, LTD for the approval of a final plat for Castle Ridge, Phase 3 containing 62 single family lots on a 19.521-acre tract of land currently identified as Tract 37 of the J. Stricklans Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Single Family 10 (SF-10) District, general located east of SH-205, and take any action necessary.

Planning staff comments:

1. Adherence to all Engineering and Fire Deparment standards.
2. SF-10 standards require a minimum lot frontage on public streets to be 80 feet: Lot 32, Block K does not meet this standard; therefore, requires an adjustment to the lots frontage in order to conform.
3. Adherence to Parks Board and Parks Department requirements. Payment of any pro-rata equipment fees and/or cash in lieu of park land dedication is due at final plat approval.

OWNERS CERTIFICATE

WHEREAS, D.R. HORTON– TEXAS Ltd. a Texas limited partnership is the owner of a tract of land situated in the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas according to the Special Warranty Deed recorded in Instrument Number 2014–00006940 of the Land Records of Rockwall County, Texas (LRRCT), the subject tract being more particularly described as follows;

BEGINNING at a 1/2 inch Iron rod with yellow plastic cap found for the northwest corner of Lot 11, Block K of Castle Ridge Estates Phase 2, an addition to the City of Rockwall, Rockwall County, Texas as recorded in Cabinet G, Slide 263, Real Property Records, Rockwall County, Texas, same being the northeast corner of the herein described tract and being on the south line of a 2.00 acre tract of land conveyed to the City of Dallas by deed recorded in Volume 76, Page 530, Real Property Records, Rockwall County, Texas;

THENCE along the east line of the herein described tract and the common west line of said Castle Ridge Estates Phase 2 boundary line, the following courses and distances:

South 02 Degrees 58 Minutes 59 Seconds West, a distance of 240.61 feet to a 5/8 inch iron rod with yellow plastic cap stamped "ADAMS 5610" found for corner on the south right–of–way line of Windham Drive (a 50 foot Right–of–Way) of said Castle Ridge Estates Phase 2 addition plat and being the beginning of a non–tangent curve to the right, having a Central Angle of 13 Degrees 25 Minutes 28 Seconds, a Radius of 600.00 feet and a long Chord that bears South 80 Degrees 13 Minutes 22 seconds East, a distance of 140.26 feet;

Along said non–tangent curve to the right, an arc length of 140.58 feet to a 5/8 inch iron rod with yellow plastic cap stamped "ADAMS 5610" found for corner;

South 17 Degrees 24 Minutes 44 Seconds West, a distance of 27.55 feet to a 5/8 inch iron rod with yellow plastic cap stamped "ADAMS 5610" found for corner and the beginning of a tangent curve to the left, having a Central Angle of 17 Degrees 00 Minutes 47 Seconds, a radius of 120.00 feet and a long Chord that bears South 08 Degrees 57 Minutes 23 Seconds West, a distance of 35.50 feet;

Along said tangent curve to the left, and arc length of 35.63 feet to a 5/8 inch iron rod with yellow plastic cap stamped "ADAMS 5610" found for corner;

South 00 Degrees 19 Minutes 18 Seconds West, a distance of 973.96 feet to a 5/8 inch iron rod with yellow plastic cap stamped "ADAMS 5610" found for corner on the south right–of–way line of Chestnut Lane (a 50 foot right–of–way) of said Castle Ridge Estates Phase 2;

North 89 Degrees 30 Minutes 02 Seconds East, along the south right–of–way line of said Chestnut Lane, a distance of 57.03 feet to a 1/2 inch iron rod with yellow cap stamped "TIPTON" found for corner;

South 00 Degrees 28 Minutes 16 Seconds East, a distance of 130.01 feet to a 1/2 inch iron rod with yellow cap stamped "TIPTON" found for the southeast corner of the herein described tract and the common southwest corner of said Castle Ridge Estates Phase 2 addition, same being on the north line of Heritage Heights Addition, an addition to the City of Rockwall, according to the plat recorded in Cabinet A, Slide 227, Plat Records, Rockwall County, Texas;

THENCE South 89 Degrees 21 Minutes 58 Seconds West, passing at a distance of 38.65 feet a 5/8 inch iron pin found for the northwest corner of Lot 20, Block D of said Heritage Heights Addition, in all a distance of 694.32 feet to a 5/8 inch iron rod with a yellow plastic cap stamped "WESTWOOD" set for the southwest corner of the herein described tract from which a fence post bears North 83 Degrees 08 Minutes 11 Seconds West, a distance of 1.30 feet and being on the east line of a tract of land conveyed to the City of Dallas;

THENCE North 00 Degrees 20 Minutes 39 Seconds East, along the west line of said remainder tract, passing at a distance of 616.70 feet a 5/8 inch iron pin found, in all a distance of 1335.82 feet to a concrete monument found for the northwest corner of said remainder tract and the common southwest corner of aforementioned 2.00 acre tract of land conveyed to the City of Dallas;

THENCE along the north line of said remainder tract and the common south line of said 2.00 acre tract, the following courses and distances:

North 85 Degrees 22 Minutes 01 Seconds East, a distance of 267.47 feet to a broken concrete monument found for corner;

North 85 Degrees 12 Minutes 00 Seconds East, a distance of 139.04 feet to a broken concrete monument found for corner;

THENCE North 59 Degrees 54 Minutes 01 Seconds East, a distance of 134.71 feet to the **POINT OF BEGINNING** and containing 19.521 acres of land more or less.

Note: It shall be the policy of the City of Rockwall to withhold issuing building permits until all streets, water, sewer and storm drainage systems have been accepted by the City. The approval of a plat by the City does not constitute any representation, assurance or guarantee that any building within such plat shall be approved, authorized or permit therefore issued, nor shall such approval constitute any representation, assurance or guarantee by the City of the adequacy and availability for water for personal use and fire protection within such plat, as required under Ordinance 83–54.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:
STATE OF TEXAS
COUNTY OF ROCKWALL

We the undersigned owner of the land shown on this plat, and designated herein as the CASTLE RIDGE ESTATES PHASE 3 subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown for the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in the CASTLE RIDGE ESTATES PHASE 3 subdivision have been notified.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.
2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress and egress to, from, and upon the said easement strips for purposes of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.
3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.
4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.
5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.
6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work down; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the City Council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; we our successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exactions made herein.

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Ashberry, City Secretary / Assistant to the City Manager**

DATE: **January 14, 2015**

SUBJECT: **Charter Review Commission's report to City Council**

As the council is aware, a Charter Review Commission consisting of the following individuals has been meeting over the last several weeks to review the existing city charter:

Mr. Bill Lofland (Chair)
Mrs. Nell Welborn (Vice Chair)
Mr. G. David Smith
Mr. Freddie Jackson
Mr. Adan Tovar
Mr. Bill Houser
Mr. Daniel Nichols
Mr. Larry Parks
Mr. Bill Cecil
Mr. Charles Johnson.

Mr. Lofland and Mrs. Welborn will be present at Tuesday's council meeting to deliver a report concerning recommendations of the Commission related to a possible Charter Amendment Election to be held May 9. Below is a timeline relevant to calling a Charter Election in conjunction with the city's General Election should the city council chose to move forward with doing so.

Timeline Call Election	
February 3rd – February 27th	Proposed period for publication of recommendations of Charter Review Commission in newspaper (as prescribed by Charter)
February 16th	Last possible regularly scheduled City Council meeting for ordering Charter Amendment (and city council member) election
February 27th	Statutory last day for ordering election

Included in your meeting packet are the Commission's final recommendations as well as a copy of the existing city charter for reference.

RECOMMENDATONS REGARDING
CITY CHARTER
01/07/17

INTRODUCTION
The Charter Review Commission appointed by the Council consists of the following individuals: Chair Bill Lofland, Vice Chair Nell Welborn, and Commissioners Daniel Nichols, Charles Johnson, Adan Tovar, Freddie Jackson, Bill Cecil, Bill Houser, G. David Smith, and Larry Parks.

The Charter Review commission has unanimously agreed to the proposed Technical revisions and Substantive Revisions to be placed on the upcoming May General Election ballot.

TECHNICAL REVISIONS (These revisions can be voted in one proposition because they eliminate provisions which have become inoperative because they have been superseded by state law; replace obsolete references; update terminology to current legal usage, and to eliminate obsolete transitional provisions.)

1. **Sec. 1.04 (3) Recommended by 2008 Charter Review Committee:** The applicable law is no longer the Chapter referred to in this provision.

   Current Charter Language: The City Council will establish a written policy governing extension of City services to all areas. Disannexation procedures are provided in Section 42 of the Local Government code as presently written or hereafter amended. (Amended 1993)

   Proposed Charter Language: The City Council will establish a written policy governing extension of City services to all areas. Disannexation procedures ~~are provided in Section 42 of the Local Government code as presently written or hereafter amended. (Amended 1993)~~ *shall comply with the applicable provisions of the Texas Local Government Code.*

2. **Sec. 3.04 (2) –** This provision outlines how and when the Mayor Pro Tem is elected by the Council. However, the provision does not address what happens if there is a vacancy in Mayor Pro Tem. The change will outline how to fill such a vacancy.

   Current Charter Language: The Mayor Pro-Tem will be a Council member elected by the City Council at the first regular meeting after each election of Council members and/or Mayor. The Mayor Pro-Tem will act as Mayor during the disability or absence of the Mayor, and in this capacity will have the rights conferred upon the Mayor.

Proposed Charter Language: The Mayor Pro-Tem will be a Council member elected by the City Council at the first regular meeting after each election of Council members and/or Mayor. Should a vacancy occur, the unexpired term will be filled at the next regular council meeting after the occurrence of the vacancy. The Mayor Pro-Tem will act as Mayor during the disability or absence of the Mayor, and in this capacity will have the rights conferred upon the Mayor

3. **Sec. 3.05 (4) -** The filling of vacancy of the Mayor or the Council in this section, is inconsistent with Section 3.05 (5) which requires the person to fill the position until the next regular city election as opposed to the "unexpired term." This change will eliminate the inconsistency. Also, the language would prohibit an appointed member of the council to vote on the appointment of another appointment to the Council.

Current Charter Language: In the event of a vacancy in the office of the Mayor, the Mayor Pro-Tem must become the Mayor, thereby vacating his Council position. Within thirty days, vacancies in the Council, other than the Mayor, will be filled by a majority vote of the remaining elected members, for the unexpired term only, and provided the successor will possess all qualifications for the position.

Proposed Charter Language: In the event of a vacancy in the office of the Mayor, the Mayor Pro-Tem must become the Mayor, thereby vacating his Council position. Within thirty days, vacancies in the Council, other than the Mayor, will be filled by a majority vote of the remaining ~~elected~~ members, ~~for the unexpired term only~~ *until the next regular City election*, and provided the successor will possess all qualifications for the position.

4. **Sec. 3.08 (1) -** City Charter is council-manager form of government and therefore City Manager should have authority to call for Special council meetings.

Current Charter Language: The City Council will hold at least one regular meeting each month and as many additional meetings as it deems necessary to transact the business of the City. The City Council will fix by ordinance the date and time of the regular meeting(s). Special meetings of the City Council will be held at the call of the Mayor or a majority of the Council members upon provision of public notice in accordance with state law.

Proposed Charter Language: The City Council will hold at least one regular meeting each month and as many additional meetings as it deems necessary to transact the business of the City. The City Council will fix by ordinance the date and time of the regular meeting(s). Special meetings of the City Council will be held at the call of the Mayor*, City Manager* or a

majority of the Council members upon provision of public notice in accordance with state law.

5. **Sec 3.11 (3)** Charter requires an Ordinance to be read at two Council meetings. State law, Section 1201.028 Government Code states that an ordinance calling for an election to issue bonds or a public security authorization shall take effect upon one reading of the ordinance
Current Charter Language: A proposed ordinance, except as related to an emergency, budget, tax, public utility rate setting, or State or Federal requirement, must be read at two City Council meetings with at least one week between readings.

Proposed Charter Language: A proposed ordinance, except as related to an emergency, budget, tax, public utility rate setting, *calling for an election to issue bonds, a public security authorization* or State or Federal requirement, must be read at two City Council meetings with at least one week between readings.

6. **Sec. 4.02** – Charter fails to identify who is responsible under the Charter to oversee municipal elections. Historically, City Secretary has performed these duties for the City of Rockwall.

Proposed Charter Language to add to Section 4.02 (2):
(h) Schedule and oversee all City elections in accordance with the Texas Election Code and any other applicable law.

7. **Sec. 4.04 (6)** - Charter provision states that only elected council members may vote to remove the City Attorney. All council members, whether elected or appointed should have the authority to remove the City Attorney.

Current Charter Language: The City Attorney may be removed by a majority vote of the elected City Council.

Proposed Charter Language: The City Attorney may be removed by a majority vote of the ~~elected~~ City Council.

8. **Sec. 5.02 (f)** of the City Charter shall be DELETED in order to comply with newly adopted state law. Therefore, the following language will be deleted.

~~"*No employee of the City will continue in such position after filing for an elective office provided for in this Charter*."~~

9. Sec. 7.15 (1) – State law requires bidding of contracts in excess of $50,000.

Current Charter Language: The City Council may by ordinance, give the City Manager general authority to contract for expenditure without further approval of the Council for all budgeted items not exceeding limits set by the Council. All contracts for expenditures involving more than the set limits must be expressly approved in advance by the Council. All contracts or purchases involving more than the limits set by the Council must be let to the lowest bidder whose submittal is among those responsive to the needs of the City after there has been opportunity for competitive bidding as provided by law or ordinance. The City Council, or City Manager in such cases as he/she is authorized to contract for the City, will have the right to reject any and all bids.

Proposed Charter Language: "The City Council may by ordinance, give the City Manager general authority to *procure and* contract for expenditure without further approval of the Council for all budgeted items not exceeding limits set by the Council *and the procurement conducted in accordance with state law*." All contracts for expenditures involving more than the set limits must be expressly approved in advance by the Council. All contracts or purchases involving more than the limits set by the Council must be let to the lowest bidder whose submittal is among those responsive to the needs of the City after there has been opportunity for competitive bidding as provided by law or ordinance. The City Council, or City Manager ~~in such cases as he/she is authorized to contract for the City,~~ will have the right to reject any and all bids.

10. **Sec. 7.16 (3) –** Multi-year contracts for goods and services that carry from one fiscal year to another currently require a new ordinance, which require two readings.

Current Charter Language: This prohibition will not be construed to prevent the making or authorizing of payments, or making of contracts for capital improvements to be financed wholly or partly by the issuance of bonds, time warrants, certificates of indebtedness, or certificates of obligation, or to prevent the making of any contract or lease providing for payments beyond the end of the fiscal year, providing that such action is made or approved by ordinance.

Proposed Charter Language: This prohibition will not be construed to prevent the making or authorizing of payments, or making of contracts for capital improvements to be financed wholly or partly by the issuance of bonds, time warrants, certificates of indebtedness, or certificates of obligation, or to prevent the making of any contract or lease providing for payments beyond the end of the fiscal year, providing that such action is made or approved by ~~ordinance~~ *City Council.*

11. **Sec. 7.18** – Remove the requirement of publishing the summary of the audit in a newspaper. Rationale: Costly and burdensome. Option is once Council approves the Audit; place a copy of the Audit on City's website.

Current Charter Language: At the close of each fiscal year, and at such other times as may be deemed necessary, the City Council must call for an independent audit to be made of all accounts of the City by a certified public accountant. No more than five consecutive annual audits must be completed by the same firm. The certified public accountant selected must have no personal interest, directly or indirectly in the financial affairs of the City or any of its officers. The report of audit, with the Auditor's recommendations will be made to the City Council. Upon completion of the audit, the summary must be published immediately in the newspaper of record of the City and copies of the audit placed on file in the City Secretary's office as a public record.

Proposed Charter Language: At the close of each fiscal year, and at such other times as may be deemed necessary, the City Council must call for an independent audit to be made of all accounts of the City by a certified public accountant. No more than ~~five~~ *four* consecutive annual audits must be completed by the same firm. The certified public accountant selected must have no personal interest, directly or indirectly in the financial affairs of the City or any of its officers. The report of audit, with the Auditor's recommendations will be made to the City Council. Upon completion of the audit, the ~~summary must be published~~ *complete audit and summary must* be immediately *posted on the City's website* ~~in the newspaper of record of the City~~ and copies of the audit placed on file in the City Secretary's office as a public record.

12. **Sec. 11.13 (g)** – include "independent contractors" as those who are not employees of the City with council members. Exclude volunteer fire department because under IRS regulations, if volunteer fire fighters receive any compensation, even a small stipend, they are considered employees.

Current Charter Language: "Employee" will refer to any person who is employed and paid a salary by the City including those individuals on a part-time basis, but does not include City Council members or members of the volunteer fire department.

Proposed Charter Language: "Employee" will refer to any person who is employed and paid a salary by the City including those individuals on a part-time basis, but does not include City Council members, *uncompensated volunteers or independent contractors* ~~or members of the volunteer fire department~~.

13. **Sec. 11.16 –** Recommend the deletion of this section in its entirety since the original Charter has been adopted and this transitional language has become obsolete.

SUBSTANTIVE REVISIONS (These revisions are substantive changes and the law requires that they each be voted on by separate proposition.)

1. **Sec 4.03 (3) –** This provision requires the Mayor to act as Municipal Judge when the Municipal Judge is not available. This provision is very rare in modern city charters and raises a potential conflict.

   Current Charter Language: In the event of failure of the City Judge to perform his duties, the Mayor must act in his place and stead (and in the event of a vacancy, until a City Judge is appointed by the Council to fill the vacancy). If the Mayor acts as a City Judge, he/she must be compensated at the same salary, if any, as the City Judge for whom he/she is acting.

   Proposed Charter Language: ~~In the event of failure of the City Judge to perform his duties, the Mayor must act in his place and stead (and in the event of a vacancy, until a City Judge is appointed by the Council to fill the vacancy). If the Mayor acts as a City Judge, he/she must be compensated at the same salary, if any, as the City Judge for whom he/she is acting~~ *The City Council may also appoint Associate City Judge(s) that meet the same qualifications as the City Judge of the Municipal Court who will work in the absence of the City Judge. Associate City Judge(s) will be appointed to a term of two years and may be appointed to additional consecutive terms upon completion of their term of office. The appointment of Associate City Judge(s) may be terminated\ by the City Council. The Associate City Judge(s) will receive compensation as may be determined by the City Council*.

   Sec. 3.06 POWERS OF THE CITY COUNCIL (b)

   Current Charter Language: Appoint and remove the Municipal Judge.

   Proposed Charter Language: Appoint and remove the Municipal Judge *and Associate City Judge(s).*

2. **Sec. 5.04 (3) Recommended by 2008 Charter Review Committee:** Current Charter has no language as to when newly elected Council members will be sworn in to take office.

Proposed Charter Language: (3) Each newly elected person to the City Council shall be inducted into office at the first City Council meeting following the official canvassing of the election. At such meeting, the oath shall be administered in accordance with state law.

3. **Sec. 6.07 (1) Recommended by 2008 Charter Review Committee:** A review of the amount of time needed by the City Secretary to verify signatures was insufficient.

   Current Charter Language: Within ten days after the petition is presented, the City Secretary must complete a certificate of sufficiency or insufficiency. Sufficiency must be determined by compliance with this Article.

   Proposed Charter Language: Within ~~ten~~ *twenty-one* days after the petition is presented, the City Secretary must complete a certificate of sufficiency or insufficiency. Sufficiency must be determined by compliance with this Article

4. **Sec. 7.02 Recommended by 2008 Charter Review Committee:** Changing the date from the first to the fifteenth day of the eleventh month of the fiscal year allows the City Manager to submit the proposed budget to Council by the 15th of August. This timeframe is more realistic in terms of obtaining necessary data from the appraisal district regarding the tax roll and its impact on the budget

   Current Charter Language: On or before the first day of the eleventh month of the fiscal year, the City Manager must submit to the Council a budget for the ensuing fiscal year and an accompanying message.

   Proposed Charter Language: On or before the ~~first~~ *fifteenth* day of the eleventh month of the fiscal year, the City Manager must submit to the Council a budget for the ensuing fiscal year and an accompanying message.

5. **Sec. 7.06 Recommended by 2008 Charter Review Committee:** Changing the provision that Council adopts a budget for the upcoming year ten days prior to the beginning of the new fiscal year to instead allow for the adoption of said budget by the last day of the current fiscal year allows the Council the fullest length of time possible to adopt the new budget.

   Current Charter Language: After public hearing, the Council must analyse the budget, making any additions or deletions which they feel appropriate, and must, at least ten days prior to the beginning of the next fiscal year, adopt the budget by a favorable majority vote of the full membership of the Council. Should the City Council take no final action on or prior to such day, the current budget must be in force on a month to month basis until a new budget is adopted.

Proposed Charter Language: After public hearing, the Council must analyze the budget, making any additions or deletions which they feel appropriate, and must ~~, at least ten days prior to the beginning of the next fiscal year,~~ adopt the budget *prior to the beginning of the next fiscal year* by a favorable majority vote of the full membership of the Council. Should the City Council take no final action on or prior to such day, the current budget must be in force on a month to month basis until a new budget is adopted.

6. **Sec. 8.01 (5)** – Clarify that action by Council is required to remove a member of a board, commission or committee if they fail attend three consecutive regular meetings.

Current Charter Language: Any member of a board, commission or committee who is absent from three consecutive regular meetings without explanation acceptable to a majority of the other members must forfeit his position on the board, commission or committee.

Proposed Charter Language: Any member of a*ny City* board, commission or committee who is absent from three consecutive regular meetings without explanation acceptable to the City Council ~~a majority of the other members~~, *shall* ~~must~~ forfeit his position on the board, commission or committee *and be removed by the City Council.*

7. **Develop new Sec. 11.16** - **Recommended by 2008 Charter Review Committee:** Provides a procedure for operation of the city government in case of a disaster.

Proposed Charter Language: Sec. 11.16 Disaster Clause

In case of disaster when a legal quorum of the elected City Council cannot otherwise be assembled due to multiple deaths or injuries, the surviving persons of the City Council, or highest surviving City elected official, if no elected official remains, within twenty-four (24) hours of such disaster, the City Manager shall appoint a Council to act during the emergency and call a City election as provided in the Texas Election Code, for election of a required quorum, if for good reasons it is known a quorum of the present City Council will never again meet. If City Manager is not available due to death or injury, the County Judge of Rockwall County shall appoint a Council to act during the emergency and call a City election as provided in the Texas Election Code, for election of a required quorum,

PART I - HOME RULE CHARTER

HOME RULE CHARTER
CITY OF ROCKWALL
ROCKWALL COUNTY, TEXAS

FOOTNOTE(S):

--- (**1**) ---

Editor's note— Printed herein is the Charter of the City of Rockwall, Texas, adopted by referendum on January 19, 1985. The Charter as printed here is updated through and contains amendments adopted by referendum on May 7, 1988, May 1, 1993, May 4, 1996 and May 7, 2005. Subsequent amendments to the Charter are indicated by parenthetical history notes following amended provisions. The absence of a history note indicates that the provision remains unchanged from the Charter as updated through May 7, 2005. Obvious misspellings have been corrected without notation. For stylistic purposes, a uniform system of headings, catchlines and citations to state statutes has been used. Additions made for clarity are indicated by brackets.

State Law reference— Adoption and amendments to a home-rule charter, V.T.C.A., Local Government Code § 29.001 et seq.

PREAMBLE

Recognizing that effective government is a government of law, we the people of Rockwall, Texas, establish this Charter as the basic law of our City. This Charter will provide a home rule government which will recognize and protect individual freedom, encourage interest and participation by the citizens, and serve in behalf of the general welfare.

ARTICLE I. - FORM OF GOVERNMENT AND BOUNDARIES

Sec. 1.01. - Incorporation.

The inhabitants of the City of Rockwall, within the corporate limits as now established or as hereafter established in the manner provided by law, will continue to be a municipal body politic and corporate in perpetuity under the name of the "City of Rockwall."

Sec. 1.02. - Form of government.

The municipal government provided by this Charter will be of the Council-City Manager form. The Council, consisting of the Mayor and Council members elected by and responsible to the people, will appoint a City Manager, who will be directly responsible to the Council for the execution of the laws and the administration of the government of the City.

Sec. 1.03. - Boundaries of city.

The boundaries of the City of Rockwall will be the same as have heretofore been established as reflected on the official map at the time of adoption of this Charter and as amended from time to time by annexation and disannexation.

Sec. 1.04. - Annexation or disannexation.

(1)

The boundaries of the City of Rockwall may be enlarged and extended by the annexation of additional territory or decreased by disannexation in any manner and by any procedure now or hereafter provided by law.

(2) Upon completion of the annexation procedure, the annexed territory will become a part of the City, and said land and its residents will be entitled to all the rights and privileges provided by the City for its citizens and will be bound by the acts, ordinances, resolutions and regulations of the City.

(3) The City Council will establish a written policy governing extension of City services to all areas. Disannexation procedures are provided in Section 42 () of the Local Government code as presently written or hereafter amended. (Amended 1993)

ARTICLE II. - POWERS OF THE CITY

Sec. 2.01. - General powers of city.

The City will be an incorporated Home Rule City, with full power and rights of self government as provided by the Constitution and laws of the State of Texas. These powers and rights will include, but not be restricted to, the powers expressly conferred and permitted by the Texas Local Government Code, as presently written or hereafter amended. The City will have the powers described below:

(a) To enact, establish and enforce codes, licenses and ordinances for the maintenance of good government and the interest and well-being of its inhabitants.

(b) To cooperate with the government of the State of Texas, or any agency or political subdivision thereof, the government of the United States or its agencies, for any lawful purpose for the advancement of the interests, safety, convenience and welfare of its inhabitants.

(c) To exercise the right of eminent domain, the right to extraterritorial jurisdiction and to have exclusive dominion over all public property in any manner permitted by the Constitution and laws of the State of Texas.

(d) To contract and be contracted with; to sue; to buy, sell, lease, mortgage, hold, manage, and control such property as its interests require.

(e) To establish, maintain, improve, alter, abandon, or vacate public streets, rights-of-way, sidewalks, alleys, squares, parks and other public ways, and to police the use thereof.

(f) To acquire public utility systems that provide retail water or wastewater service, making reasonable assurance for compensation in accordance with applicable state law.

Sec. 2.02. - Public improvements.

The City will have the power to construct and maintain, within or without its corporate limits, streets, alleys, sidewalks, and easements, flood control facilities and sanitary, water and storm drainage facilities in, over, under or upon all public property easements granted for that purpose and to levy assessments for the costs of such improvements. The City will have the power to collect attorney's fees for the collection of paving assessment in foreclosure cases as allowed under State law. It will have the power to cause liens to be established for the purpose of securing the payment of such levies and will have the power to compel the use of such improvements by the inhabitants of the City.

Sec. 2.03. - Miscellaneous powers.

The City will have the power to establish and maintain ordinances and regulations governing the use of lands within the City and to enforce by all lawful means these ordinances and regulations, within and without its corporate limits. The City will have the power to authorize, regulate and inspect all construction and existing structures within or without its limits, consistent with State statutes, and to establish and enforce ordinances and regulations concerning their use, construction and reconstruction. The City will have the power to license and regulate persons, corporations and associations engaged in any business, occupation, profession or trade when authorized by State law. The City will have all powers granted by any section of this Charter.

ARTICLE III. - THE CITY COUNCIL

Sec. 3.01. - [Composition; terms.]

The Council will be composed of a Mayor and six Council members, elected at large, each of whom, unless sooner removed under the provisions of this Charter, will serve for a term of two years as prescribed by the Texas Election Code, and until his successor has been elected and duly qualified. All members of the City Council, other than the Mayor, will be elected under the place system. Those members of the Council whose terms expire in even numbered years will be in Place Two, Four and Six. Those members of the Council whose terms expire in odd numbered years will be Place One, Three and Five. The office of Mayor will be elected in an odd numbered year. All members of the City Council, including the Mayor, holding office at the time of passage of this Charter will continue to hold their respective place and office until their respective term of office for which they were elected expires.

(a) No person will serve more than three consecutive elected terms as either a Council member or as Mayor. In addition, no person will serve for more than four consecutive elected terms as Council member and Mayor (combined). A member who has served the maximum number of consecutive terms may serve additional terms subject to the same limitations after a break in service of one year or more.

(b) An appointed Council member must be subject to the provisions of Section 3.05 ()(4) of the Charter regarding the length of service for such appointed member. (Amended 1996)

Sec. 3.02. - Qualifications of members.

In addition to any other qualifications prescribed by law, the Mayor and each Council member must meet the qualifications set forth in Article V of this Charter while in office.

Sec. 3.03. - Compensation.

Compensation of members of the City Council will be determined by the Council by ordinance, but no increase in such compensation will take effect until commencement of the terms of Mayor and/or Council members elected at the next regular election. Members of the City Council will also be entitled to reimbursement for actual expenses incurred in the performance of official duties with the approval of the City Council at a public meeting.

Sec. 3.04. - Mayor and Mayor Pro Tem.

(1) The Mayor will be the official head of the City government. He/She will be the chairman and will preside at all meetings of the City Council. The Mayor will have the right to vote on all items voted on by the Council, but will have no power to veto. He/She will, when authorized by the City Council,

sign all official documents, such as ordinances, resolutions, conveyances, grant agreements, official plats, contracts and bonds. He/She will perform such other duties consistent with this Charter as may be imposed upon him/her by the City Council.

(2) The Mayor Pro Tem will be a Council member elected by the City Council at the first regular meeting after each election of Council members and/or Mayor. The Mayor Pro Tem will act as Mayor during the disability or absence of the Mayor, and in this capacity will have the rights conferred upon the Mayor. (Amended, 1988)

Sec. 3.05. - Vacancies, forfeiture and filling vacancies.

(1) The office of a Council member or the Mayor will become vacant upon his death, resignation, forfeiture of, or removal from office by any manner authorized by law.

(2) If any member of the City Council is absent from three consecutive regular meetings, without explanation acceptable to a majority of the remaining Council members, his office will be declared vacant at the next regular meeting of the Council. (Amended, 1988)

(3) Any member of the Council who ceases to possess the required qualifications for office or who is convicted of a felony or of a misdemeanor involving moral turpitude or is convicted of violating Section 171 of the Local Government Code concerning conflict of interest will forfeit his office. Every forfeiture must be declared and enforced by a majority of the Council.

(4) In the event of a vacancy in the office of the Mayor, the Mayor Pro Tem must become the Mayor, thereby vacating his Council position. Within thirty days, vacancies in the Council, other than the Mayor, will be filled by a majority vote of the remaining elected members, for the unexpired term only, and provided the successor will possess all qualifications for the position.

(5) Any appointed Council members will serve until the next regular City election. (Revised, 1996)

Sec. 3.06. - Powers of City Council.

All powers of the City of Rockwall and the determination of all matters of policy will be vested in the City Council. Except where in conflict with and otherwise expressly provided by this Charter the City Council will have all powers authorized to be exercised by the City Council by the Local Government Code and acts amendatory thereof and supplementary thereto, now or hereafter enacted. Without limitation of the foregoing and among the other powers that may be exercised by the Council, the following are hereby enumerated for greater certainty:

(a) Appoint and remove the City Manager.

(b) Appoint and remove the Municipal Judge. (Amended, 1988)

(c) Appoint and remove the City Attorney.

(d) Establish and dissolve administrative departments.

(e) Adopt the budget of the City.

(f) Collectively inquire into the conduct of any office, department or agency of the City and make investigations as to municipal affairs.

(g)

Provide for a planning commission, a zoning commission and a board of adjustment and other boards as deemed necessary, and appoint the members of all such commissions and boards, and as well the members of the hospital board, if established. The planning and zoning commissions may be combined. Such boards and commissions will have all powers and duties now or hereafter conferred and created by this Charter, by City ordinance or by law.

(h) Adopt and modify the official map of the City.

(i) Adopt, modify and carry out plans in cooperation with the Planning Commission for the replanning, improvement and redevelopment of specific areas of the City.

(j) Adopt, modify and carry out plans in cooperation with the Planning Commission for the replanning, reconstruction or redevelopment of any area or district which may have been destroyed in whole or part by disaster.

(k) Regulate, license and fix the charges of [or] fares made by any person owning, operating or controlling any vehicle of any character used for the carrying of passengers for hire on the public streets and alleys of the City.

(l) Provide for the establishment and designation of fire limits and prescribe the kind and characters of buildings or structures or improvements to be erected therein; provide for the erection of fireproof buildings within certain limits; and provide for the condemnation of dangerous structures or buildings or dilapidated buildings or buildings calculated to increase the fire hazard, and the manner of their removal or destruction.

(m)Fix and regulate rates and charges of all utilities and public services as defined in Article X [of this Charter].

(n) Individually initiate and place items on the agenda for consideration. (Amended, 1988)

Sec. 3.07. - Prohibitions.

(1) Except where authorized by law or by this Charter, no Mayor or Council member will hold any other City office or City employment during his term as Mayor or Council member. No former Mayor or Council member will hold any compensated appointive office or City employment within one year after the expiration of his term as Mayor or Council member.

(2) Members of the City Council must not in any way dictate the appointment or removal of any City administrative officers or employees whom the City Manager or any of his subordinates are empowered to appoint. The City Council at a meeting called for that purpose may express its views and fully and freely discuss with the City Manager anything pertaining to appointment and removal of such officers and employees.

(3) Except for the purpose of inquiries and investigations as provided by this Charter, members of the City Council will deal with City officers and employees who are subject to the direction and supervision of the City Manager solely through the City Manager. Members of the City Council will not give orders to any such officer or employee either publicly or privately except as otherwise provided in this Charter.

Sec. 3.08. - Meetings of City Council.

(1)

The City Council will hold at least one regular meeting each month and as many additional meetings as it deems necessary to transact the business of the City. The City Council will fix by ordinance the date and time of the regular meeting(s). Special meetings of the City Council will be held at the call of the Mayor or a majority of the Council members upon provision of public notice in accordance with state law.

(2) Except as provided by State law, all meetings will be open to the public and will be held and notice given in accordance with state law.

Sec. 3.09. - Quorum.

Four members of the City Council will constitute a quorum for the purpose of transaction of business. No action of the City Council, except as specifically provided in this Charter, will be valid or binding unless adopted by the affirmative vote of a majority of Council members present.

Sec. 3.10. - Rules of procedure.

The City Council will determine its own rules of order and business. The City Council will provide that the citizens of the City will have a reasonable opportunity to clearly hear and be heard at public hearings with regard to specific matters under consideration. The City Council will provide for minutes to be taken and recorded for all meetings as required by law. Such minutes will be a public record and will be kept and maintained by the City Secretary.

Sec. 3.11. - Passage of ordinances in general.

(1) The City Council must legislate by ordinance only, and the enacting clause of every ordinance will be "Be it ordained by the City Council of the City of Rockwall, Texas ..." Each proposed ordinance will be introduced in the written or printed form required for adoption. No ordinance will contain more than one subject which must be clearly expressed in its title. General appropriation ordinances may contain various subjects and accounts for which monies are to be appropriated. After adoption an ordinance must not be amended or repealed except by the adoption of another ordinance amending or repealing the original ordinance. Except where an ordinance is repealed in its entirety, [an] amendatory or repealing ordinance must set out in full the ordinance sections or subsections to be amended or repealed and will indicate matter to be omitted by enclosing it in brackets and will indicate new matter by enclosing it in quotation marks.

(2) Any member of the City Council may offer any ordinance in writing that has been placed on the agenda at a regular City Council meeting. Copies of proposed ordinances, in the form required for adoption, will be furnished to members of the City Council before the first reading. Copies of the proposed ordinance, in the form required for adoption, will be available at the City offices and will be furnished to citizens upon request to the City Secretary before the first reading and, if amended, must be available and furnished in amended form for as long as the proposed ordinance is before the City Council.

(3) A proposed ordinance, except as related to an emergency, budget, tax, public utility rate setting, or State or Federal requirement, must be read at two City Council meetings with at least one week between readings.

(4) A proposed ordinance may be amended at either reading, but any ordinance amended in substance be considered as a first reading, except that an ordinance authorizing the issuance of bonds or other obligations may be amended on second and final reading to provide for the terms

of sale of such bonds or obligations without such ordinance being placed again as a first reading at a subsequent meeting. Terms of sale will refer to interest rates, identity of purchaser, and applicability of bond insurance. At any reading of a proposed ordinance, the adoption of which was not preceded by a public hearing held by the City Council, interested persons will have a reasonable opportunity to be heard.

(5) Every ordinance will become effective upon adoption or at any later time(s) specified in the ordinance, except that every ordinance imposing any penalty, fine or forfeiture will become effective only after having been published once in its entirety or summary form, after adoption, in a newspaper designated as the newspaper of record of the City.

(6) The reading aloud of a title and caption of the ordinance will suffice as a reading provided printed copies of the ordinance in the form required for adoption are in front of all members of the City Council and a reasonable number of additional copies are available to citizens present at the meeting. If a majority of the members present request that the ordinance be read in its entirety, it must be read.

Sec. 3.12. - Emergency ordinances.

(1) The City Council may adopt emergency ordinances only to meet public emergencies affecting life, health, property or the public peace. In particular, such ordinances will not levy taxes, grant or renew or extend a franchise, or regulate the rate charged by any public utility for its services. Neither will they authorize the borrowing of money except as provided in Article VII of this Charter.

(2) An emergency ordinance will be introduced in the form and manner generally prescribed for ordinances, except that they will be plainly designated in the title as an emergency ordinance and will contain after the enacting clause a declaration stating that an emergency exists and describing the emergency in clear and specific terms.

(3) An emergency ordinance may be introduced at any Council meeting and can be adopted with or without amendment or rejected at the meeting at which it is introduced. The affirmative vote of at least four members of the City Council will be required for adoption.

(4) Emergency ordinances will become effective upon adoption and will be published as soon thereafter as practicable. Every emergency ordinance so adopted, except one authorizing the borrowing of money as described herein, will automatically stand repealed as of the sixty-first day following the day on which it became effective. The ordinance may be re-enacted if the emergency still exists.

Sec. 3.13. - Authentication, recording, codification, printing and distribution.

(1) All ordinances and resolutions adopted by the City Council must be authenticated by seal and signature of the City Secretary and numbered consecutively as adopted. They must be properly indexed and placed in a book kept open for public inspection.

(2) The City Council must maintain the codification of ordinances of the City. This codification must be known and cited as "The Rockwall City Code" and must be in full force and effect without the necessity of such Code or any part thereof being published in any newspaper. The caption, descriptive clause and other formal parts of the ordinances of the City may be omitted without affecting the validity of such ordinances when codified. Every general ordinance enacted subsequent to such codification must be enacted as an amendment to the Code. For the purpose of

this Section, general ordinances will be deemed to be those ordinances of a permanent or continuing nature which affect the residents of the City at large. Copies of the Code will be furnished to City officers, placed in City offices and made available for purchase by the public at a reasonable price fixed by the City Council.

(3) The City Council will cause all ordinances and amendments to this Charter to be printed promptly following their adoption. A copy of each ordinance and amendment will be placed in appropriate City offices for public reference. Printed ordinances and Charter amendments will be sold to the public at a reasonable price to be fixed by the City Council.

Sec. 3.14. - Investigations by City Council.

The City Council will have the power to inquire into the official conduct of any department, agency, office, officer or employee of the City. For that purpose, the Council will have the power to administer oaths, subpoena witnesses and compel the production of books, papers or other evidence material to the inquiry. The City Council will provide by ordinance penalties for contempt for failing or refusing to obey any such subpoena or to produce any such books, papers, or other evidence, and will have the power to punish any such contempt in the manner provided by the ordinance.

Sec. 3.15. - Bond.

The City Council must require bonds of all municipal officers and employees who receive or pay out any monies of the City. The amount of the bonds must be determined by the City Council and the cost must be borne by the City.

ARTICLE IV. - CITY ADMINISTRATION

Sec. 4.01. - City Manager.

(1) The City Council will appoint a City Manager who will serve as chief administrative officer of the City. He/She will be responsible to the City Council for administration of all the affairs of the City, with only those exceptions that are named in this Charter. The City Manager will be appointed solely upon his executive and administrative qualifications. He/She need not be a resident of the City when appointed, but will reside within the City for the tenure of his appointment.

(2) The City Council will fix the compensation of the City Manager, and his compensation may be amended from time to time in accordance with his experience, qualifications and performance.

(3) The City Manager will be appointed for an indefinite term, and may be removed by resolution at the discretion of the Council by a majority vote of its members. Upon passage of that resolution stating the intention to remove the City Manager and the reasons therefor, a copy of which will be immediately furnished to him/her, the Council may suspend him/her from duty. The action of the City Council in removing the City Manager will be final. In case of the absence, disability or suspension of the City Manager, the Council may designate a qualified administrative officer of the City to perform the duties of the office except where the absence or disability is of a temporary nature.

(4) The City Manager will have the power to:

(a) Appoint, suspend and remove all City employees and appointive administrative officers provided for in this Charter, except as otherwise provided by law, this Charter, or personnel rules adopted pursuant to this Charter.

(b) Direct and supervise the administration of all departments, offices and agencies of the City, except as otherwise provided by law or this Charter.

(c) See that all State laws and City ordinances are effectively enforced.

(d) Attend all City Council meetings, with the right to take part in discussion, but he/she will not vote.

(e) Prepare and accept items for inclusion in the official agenda of all City Council meetings and meetings of boards and commissions, including items initiated by members of the City Council. (Amended, 1988)

(f) Prepare and recommend to the City Council the annual budget and capital program, and administer the budget as adopted by the City Council.

(g) Keep the City Council fully advised at least quarterly as to the financial condition and future needs of the City, and make such recommendations concerning the affairs of the City as he/she or the City Council deems desirable or necessary.

(h) Make reports as he/she or the City Council may require concerning the operations of the City departments, offices, or agencies subject to his direction or supervision.

(i) Perform such other duties as are specified in this Charter or may be required by the City Council, and are consistent with this Charter or State or Federal law.

(j) To [sic] sign and execute for and on behalf of the city all contracts and agreements approved by the City Council. When the City Manager is not available the acting city manager or Mayor may sign and execute such contracts and agreements which have been approved by the City Council.

Sec. 4.02. - City Secretary.

(1) The City Manager will appoint or remove a City Secretary.

(2) The City Secretary will:

(a) Give notice of all official public meetings of the City Council in a manner consistent with this Charter and State laws.

(b) Attend all public meetings and hearings of the City Council.

(c) Keep the minutes of the proceedings of all public official meetings and hearings of the City Council in a manner prescribed by the City Manager consistent with applicable law.

(d) Act as custodian of all official records of the City Council.

(e) Hold and maintain the seal of the City of Rockwall, and affix this seal to all appropriate documents.

(f) Authenticate by signature and seal, and record all ordinances, resolutions and proclamations of the City.

(g) Perform such other duties as may be required by the City Manager.

Sec. 4.03. - Municipal Court.

(1) The City Council must establish and cause to be maintained a Municipal Court. The Court will have

all the powers and duties as are now, or may be prescribed by the laws of the State of Texas.

(2) The City Council will appoint a City Judge of the Municipal Court who will be a competent, duly qualified attorney licensed and practicing for at least two years in the State of Texas. In the event a duly qualified attorney is not available, the City Council will then select a qualified person to be the Municipal Judge. The City Judge of the Municipal Court will be appointed to a term of two years and may be appointed to additional consecutive terms upon completion of his term of office. The appointment of the City Judge may be terminated by the City Council. The City Judge will receive compensation as may be determined by the City Council.

(3) In the event of failure of the City Judge to perform his duties, the Mayor must act in his place and stead (and in the event of a vacancy, until a City Judge is appointed by the Council to fill the vacancy). If the Mayor acts as a City Judge, he/she must be compensated at the same salary, if any, as the City Judge for whom he/she is acting.

(4) All costs, fines and penalties imposed by the Municipal Court must be paid into the City Treasury for the use and benefit of the City, as may be consistent with present and future State laws. (Amended, 1988)

(5) The City Council may by ordinance establish a Municipal court of Record.

Sec. 4.04. - City Attorney.

(1) The City Council, after consultation with the City Manager, must appoint a competent, duly qualified, licensed and practicing attorney in the State of Texas who will serve as the City Attorney.

(2) The City Attorney will:

(a) Serve as the legal advisor to the City Council and City Manager.

(b) Represent the City in litigation and legal proceedings as directed by the City Council and City Manager.

(c) Review and provide opinions as requested by the City Council or City Manager on contracts, legal instruments, ordinances of the City and other items of City business.

(3) The City Council will have the right to retain special counsel at any time that it may deem necessary and appropriate.

(4) The City Attorney and special counsel will receive compensation as may be determined by the City Council.

(5) The City Attorney, with approval of the City Council, may select additional attorneys to act for him/her and the City in its representation and/or litigation.

(6) The City Attorney may be removed by a majority vote of the elected City Council.

Sec. 4.05. - Administrative departments, offices and agencies.

(1) The City Council may, after hearing recommendations of the City Manager, establish, abolish, redesignate or combine departments, offices or agencies in addition to those provided for by this Charter, and may prescribe the functions and duties of such departments, offices and agencies.

(2)

Except as provided elsewhere in this Charter, all departments, offices and agencies of the City will be under the direction and supervision of the City Manager, and will be administered by officers appointed by and subject to the direction and supervision of the City Manager. The City Manager may, with the consent of the City Council, serve as the head of one or more City departments, offices or agencies or appoint one person as the head of two or more of them.

(3) The City Manager will appoint a City Tax Collector, whose duties and functions will be those usual to the office and consistent with existing or future laws of the State of Texas as they may apply to City or County Tax Collectors. Nothing in this paragraph [subsection] will be construed in such a way as to prohibit the City from contracting for tax collection services, as specified in Section 7.20 () of this Charter.

Sec. 4.06. - Personnel system.

(1) Personnel rules must be prepared by the City Manager and presented to the City Council, which may adopt them by ordinance, with or without amendment. The adopted rules must establish the City as an Equal Opportunity Employer and will govern the equitable administration of the personnel system of the City.

(2) The adopted rules will provide for the following requirements:

(a) A pay and benefit plan for all City employment positions.

(b) A plan for working hours, attendance policy and regulation, and provisions for sick and vacation leave.

(c) Procedures for the hearing and adjudication of grievances.

(d) Additional practices and procedures necessary to the beneficial and equitable administration of the City's personnel system.

(e) A plan for at least an annual oral and written evaluation based on a job description for all City employees by their immediate supervisor, including evaluation of the City Manager by the City Council.

ARTICLE V. - NOMINATIONS AND ELECTIONS

Sec. 5.01. - City elections.

(1) City elections will be conducted in accordance with the Texas Election Code.

(2) The regular City election will be held annually during the second calendar quarter of the year on the uniform election date established by the Texas Election Code. The City Council will be responsible for specification of places for holding such elections. (Amended, 1988)

(3) The City Council may, by resolution, order a special election for purposes consistent with this Charter and laws of the State of Texas. The City Council will fix the time and places for such a special election, and provide all means for holding same.

(4) Municipal elections will be conducted by election officials appointed by the City Council. Sample ballots identical in format to those used in the specific election will be posted in the voting place(s) for the purpose of voter orientation.

(5) All municipal elections will be publicized in accordance with the Texas Election Code.

Sec. 5.02. - Filing for office[; qualifications of candidates.]

(1) Candidates for City offices must file for office in accordance with the Texas Election Code.

(2) Candidates for elective City office must meet the following qualifications:

(a) Must be at least twenty-one years of age at the time of the election for which they are filing.

(b) Must be a qualified voter.

(c) Must have resided within the corporate limits of the City, or recently annexed territory, for at least twelve months prior to the filing deadline.

(d) Must not, after notice of any delinquency, be in arrears in payment of taxes or other liabilities due the City.

(e) No candidate may file in a single election for more than one office or position as provided by this Charter.

(f) No employee of the City will continue in such position after filing for an elective office provided for in this Charter.

Sec. 5.03. - Official ballots.

(1) The name of each candidate seeking elective office, except those who have withdrawn, died, or become ineligible, will be printed on the official ballot in the form designated by the candidate or party in accordance with the Texas Election Code. If two or more candidates have the same surname, or surnames so similar as to be likely to cause confusion, their residence addresses will be printed with their names on the ballot.

(2) The order of the names of the candidates on the ballot will be determined by lot in a public drawing to be held under the supervision of the City Secretary in accordance with the Texas Election Code.

(3) Procedures for early voting will be consistent with the Texas Election Code.

(4) An ordinance, bond issue, or Charter amendment to be voted on by the voters of the City will be presented for voting by ballot title. The ballot title of a measure may be different from its legal title and will be a clear, concise statement, approved by the City Council, describing the substance of the measure without argument or prejudice.

(5) Procedures for write-in votes will be consistent with the Texas Election Code.

Sec. 5.04. - Official results.

(1) The candidate for elective office receiving a plurality of the votes cast will be declared the winner. In case of a tie amongst the candidates receiving the most votes, a runoff election will be held with only the names of those tied candidates on the ballot. The runoff election will be held within thirty days and in accordance with the laws of the State of Texas.

(2) The returns of every municipal election will be handled in accordance with the Texas Election Code. These returns will be delivered from the election judges to the City Secretary and the Mayor at City Hall as soon as possible after the closing of the polls. Election returns, general and special, will be presented to the Council at their next meeting following the election, at which time the Council will canvass and declare the results of the election, which will be recorded in the minutes of the meeting.

ARTICLE VI. - INITIATIVE, REFERENDUM AND RECALL

Sec. 6.01. - General authority.

(1) *Initiative.* The qualified voters of the City will have power to propose ordinances to the City Council and, if the Council fails to adopt an ordinance so proposed without any change in substance, the voters will adopt or reject it at a City election. Such power will not extend to the budget or capital program or any ordinance not subject to initiative as provided by State law, relating to appropriation of money, levy of taxes or salaries of City officers or employees.

(2) *Referendum.* The qualified voters of the City will have power to require reconsideration by the Council of any adopted ordinance and, if the Council fails to repeal an ordinance so reconsidered, the voters will approve or reject it at a City election. Such power will not extend to the budget or capital program or any emergency ordinance or ordinance not subject to referendum as provided by State law, relating to appropriation of money or levy of taxes.

(3) *Recall.* The qualified voters of the City will have power to remove any official serving in an elective office.

Sec. 6.02. - Petitioners committee.

(1) Any ten qualified voters may commence proceedings contemplated by this article by filing with the City Secretary an affidavit stating that they will constitute the petitioners committee. They will be responsible for preparing, printing and circulating the petition. They will file it in proper form and specify the address to which all notices to the committee are to be sent. The affidavit will set out in full the proposed initiative ordinance or cite the ordinance sought to be reconsidered, or, in the case of recall, state the identity of the official whose recall is being sought.

(2) In the case of recall, the City Secretary will immediately notify in writing the officer(s) to be removed that the affidavit has been filed.

Sec. 6.03. - Petition circulation.

(1) All petition blanks used for circulation by the members of the petitioners committee or their designees will be numbered, dated and bear the signature of the City Secretary.

(2) No petition may be circulated and no signatures obtained until after the affidavit is filed.

Sec. 6.04. - Form of petition.

(1) All pages of a petition must be uniform in size and style and must be assembled as one instrument for filing. Each signer of a petition must be a registered voter of the City of Rockwall and must personally sign his own name thereto in ink or indelible pencil, and must write after his name his place or residence within the boundaries of the City, giving name of street and number, or place of residence, and must also write thereon the date, including the month, day and the year his signature was affixed. Petitions must contain or have attached thereto throughout their circulation the full text of the ordinance proposed or sought to be reconsidered, or in the case of a recall petition, the identity of the official whose recall is being sought.

(2) Each page of a petition must have attached to it when filed an affidavit executed by the circulator thereof stating that he/she personally circulated the paper, the number of signatures thereon, that all the signatures were affixed in his presence, that he/she believes them to be genuine signatures

of the persons whose names they purport to be, and that each signer had an opportunity before signing to read the full text of the ordinance proposed, or sought to be reconsidered, or the identity of the official whose recall is being sought.

(3) Locations for twenty signatures must be provided on each blank petition.

Sec. 6.05. - Presentation of petitions.

(1) A petition to the City Council for initiative or referendum, containing the signatures of qualified voters equal in number to fifteen percent of those who voted in the last general municipal election, or two hundred, whichever is greater, must be filed with the City Secretary not later than thirty days following the filing of the affidavit by the petitioners committee. Once the petition is filed, no signature may be withdrawn.

(2) A petition to the City Council for recall, containing the signatures of qualified voters equal in number to thirty-five percent of those who voted in the last general municipal election, or four hundred, whichever is greater, must be filed with the City Secretary no later than thirty days following the filing of the affidavit by the petitioners committee. Once the petition is filed, no signature may be withdrawn.

Sec. 6.06. - Suspension of effect of ordinance for referendum petitions.

When a referendum petition is filed with the City Secretary, the ordinance sought to be reconsidered will be suspended from taking effect unless such suspension will create an immediate breach of public health and safety. Such suspension will terminate when:

(a) There is a final determination of insufficiency of the petition;

(b) The City Council repeals the ordinance; or

(c) Upon the certification of election results by the election officials.

Sec. 6.07. - Certification of petitions and presentation to City Council.

(1) Within ten days after the petition is presented, the City Secretary must complete a certificate of sufficiency or insufficiency. Sufficiency must be determined by compliance with this Article.

(2) If the petition is certified sufficient, the City Secretary must present the certificate to the City Council at the next regular City Council meeting. The City Council will verify determination of the sufficiency of the petition.

(3) If a petition has been certified insufficient, the City Secretary will send the committee a Certificate of Insufficiency by registered mail which will include the particulars in which the petition is defective. The committee may, within five working days after receiving the copy of such certificate, file a request that it be reviewed by the City Council. The City Council will review the certificate at its next regular meeting following such a request and approve or disapprove it. Such determination will then be final. If no City Council review is requested within five working days, the City Secretary's certification is final.

Sec. 6.08. - Action on initiative and referendum petitions.

(1) When an initiative or referendum petition has been finally determined sufficient, the City Council must promptly consider the proposed initiative ordinance in the manner prescribed for enacting ordinances or reconsider the referred ordinance by voting its repeal. If the City Council fails to

adopt a proposed initiative ordinance without any change in substance within sixty days, or fails to repeal a referred ordinance within thirty days after the date the petition was finally determined sufficient, it will submit the proposed or referred ordinance to the voters of the City not less than forty-five days following the failure of the City Council to act as specified herein. The special election must be held on one of the uniform election dates specified in the Texas Election Code. Any election order so issued will comply fully with the Texas Election Code.

(2) The called election may coincide with a regular City election should such City election fall within the specified period. No ordinance substantially the same as an initiated ordinance which has been defeated or one substantially the same as a referred ordinance which has been approved at any election may be initiated by the voters within two years from the date of such election. Copies of the proposed or referred ordinance will be made available at the polls and will be published at least once in the newspaper of record of the City not more than fifteen days immediately prior to the date of the election.

Sec. 6.09. - Calling of recall election.

If the officer whose removal is sought does not resign, then the City Council will order an election and set the date for holding such recall election. The date selected for the recall election must be not less than forty-five days after the date the petition was presented to the City Council. If, after the recall election date is established, the officer vacates his position, the election must be canceled. The special election must be held on one of the uniform election dates specified in the Texas Election Code. Any election order so issued must comply fully with the Texas Election Code.

Sec. 6.10. - Withdrawal of petitions.

An initiative, referendum or recall petition may be withdrawn at any time prior to determination of sufficiency by filing with the City Secretary a request for withdrawal signed by at least seven members of the petitioners committee. Upon the filing of such request the petition will have no further force or effect and all proceedings thereon will be terminated.

Sec. 6.11. - Form of ballots.

(1) *Initiative.*

Ordinances must be submitted by ballot title, which must be prepared in all cases by the City Attorney. The ballot title may be different from the legal title of any such initiated or referred ordinance and it must be a clear, concise statement, without argument or prejudice, descriptive of the substance of such ordinance. Immediately below the ballot title must be printed the following two statements, one above the over [sic] other, in the order indicated:

"For adoption of the ordinance" and

"Against adoption of the ordinance"

Immediately below or to the left of each statement must appear a square in which the voter may cast his vote by making a mark.

(2) *Repeal.*

Ordinances being considered for repeal must be submitted by ballot title, which must be prepared in all cases by the City Attorney. The ballot title may be different from the legal title of any such ordinance and it must be a clear, concise statement, without argument or prejudice, descriptive of the substance of such ordinance. Immediately below the ballot title must be printed the following two statements, one above the other, in the order indicated:

"For repeal of the ordinance" and

"Against repeal of the ordinance"

Immediately below or to the left of each statement must appear a square in which the voter may cast his vote by making a mark.

(3) *Recall.*

Ballots used at recall elections must, with respect to each person whose removal is sought, submit the question:

"Will (name of person) be removed from the office (name of office) by recall?"

Immediately below each such question there will be printed the two following statements, one above the other, in the order indicated:

"For the removal of ... by recall."

"Against the removal of ... by recall."

Immediately below or to the left of each statement will appear a square in which the voter may cast his vote by making a mark.

Sec. 6.12. - Results of election.

(1) If a majority of qualified electors voting on a proposed initiative ordinance vote in its favor, it will be considered adopted upon certification of the election results and will be treated in all respects in the same manner as ordinances of the same kind adopted by the City Council. If conflicting ordinances are approved at the same election, the one receiving the greater number of affirmative votes will prevail.

(2) An ordinance adopted by initiative may be repealed or amended at any time after the expiration of two years by a majority vote or after one year by unanimous vote of all Council members.

(3) If a majority of the qualified electors voting on a referred ordinance vote against the ordinance, it will be considered repealed upon certification of the election results. If a majority of the qualified electors voting on a referred ordinance vote for the ordinance, the ordinance will be considered in effect.

(4) An ordinance repealed by referendum may be reenacted at any time after the expiration of two years by a majority vote or after one year by unanimous vote of all Council members.

(5) If a majority of the votes cast on the question of recall at a recall election will be against the removal of the elected official named on the ballot, he/she will continue in office for the remainder of his unexpired term, subject to recall as before within the limitations of Sec. [Section] 6.14 below. If a majority of the votes cast on the question of recall at a recall election will be for the removal of the

elected official named on the ballot, he/she will, regardless of any technical defects in the recall petition, be deemed removed from office and the vacancy will be filled in accordance with the provisions of this Charter for the filling of vacancies.

Sec. 6.13. - Limitations and restrictions.

(1) No recall petition must be filed against any officer of the City within six months after his election nor within six months of such a petition being filed and found insufficient, nor within one year after an election for such officer's recall. No such limitations will apply to appointed Council members.

(2) In no instance will an officer removed from office by recall election serve in an elective office of the City within a period of five years following the date of the election at which he/she was removed from office.

(3) Unless withdrawn, no petition will again be filed on a proposed or referred ordinance of substantially the same content within a period of two years of the failure of the petition at a City election.

Sec. 6.14. - Failure of City Council to call election.

In case all of the requirements of this Charter have been met and the City Council will fail or refuse to receive an initiative, referendum or recall petition, or order such initiative, referendum or recall election, or discharge other duties imposed upon said City Council by the provisions of this Charter with reference to initiative, referendum or recall, then the District Judge may discharge any such duties herein provided to be discharged by the City Secretary or by the City Council. In addition, any qualified voter in the City may seek judicial relief to have any of the provisions of this Charter pertaining to initiative, referendum or recall carried out by the proper official.

ARTICLE VII. - FINANCIAL PROCEDURES

Sec. 7.01. - Fiscal year.

The fiscal year of the City must begin on the first day of October and end on the last day of September of the next succeeding year. Such fiscal year must also constitute the budget and accounting year.

Sec. 7.02. - Submission of budget and budget message.

On or before the first day of the eleventh month of the fiscal year, the City Manager must submit to the Council a budget for the ensuing fiscal year and an accompanying message.

Sec. 7.03. - Budget message.

The City Manager's message will explain the budget both in fiscal terms and in terms of the work programs. It will outline the proposed financial policies of the City for the ensuing fiscal year, describe the important features of the budget, indicate any major changes from the current year in financial policies, expenditures, and revenues together with the reasons for such changes, summarize the City's debt position and include such other material as the City Manager deems desirable.

Sec. 7.04. - Budget a public record.

The budget and all supporting schedules must be filed with the City Secretary when submitted to the Council and must be opened to public inspection by anyone interested.

Sec. 7.05. - Public hearing on budget.

At the Council meeting when the budget is submitted, the Council must name the date and place of a public hearing and must have published in the newspaper of record of the City the time and place, which will be not less than ten days nor more than thirty days after the date of notice. At this hearing, interested citizens may express their opinions concerning items of expenditures, giving their reasons for wishing to increase or decrease any items of expense.

Sec. 7.06. - Proceeding on adoption of budget.

After public hearing, the Council must analyze the budget, making any additions or deletions which they feel appropriate, and must, at least ten days prior to the beginning of the next fiscal year, adopt the budget by a favorable majority vote of the full membership of the Council. Should the City Council take no final action on or prior to such day, the current budget must be in force on a month-to-month basis until a new budget is adopted.

Sec. 7.07. - Budget, appropriation and amount to be raised by taxation.

On final adoption, the budget will be in effect for the budget year. Final adoption of the budget by the Council will constitute the official appropriations as proposed by expenditures for the current year and will constitute the basis of official levy of the property tax as the amount of tax to be assessed and collected for the corresponding tax year. Estimated expenditures will in no case exceed proposed revenue plus cash on hand. Unused appropriations may be transferred to any item required for the same general purpose.

Sec. 7.08. - Contingent appropriation.

Provision may be made in the annual budget and in the appropriation ordinance for a contingent appropriation in an amount not more than seven percent of the total general fund expenditures, to be used in case of unforeseen items of expenditures. This contingent appropriation will apply to current operating expenses and will not include any reserve funds of the City. Such contingent appropriation will be under the control of the City Manager and distributed by him/her only after prior approval by the City Council. The proceeds of the contingent appropriation will be disbursed only by transfer to other departmental appropriation, the spending of which will be charged to the departments or activities for which the appropriations are made. (Amended, 1988)

Sec. 7.09. - Amending budget.

Under conditions which may arise and which could not reasonably have been foreseen in the normal process of planning the budget, the Council may, by a majority vote of the full membership, amend or change the budget to provide for any additional expense in which the general welfare of the citizenry is involved. These amendments must be by ordinance, and must be an attachment to the original budget.

Sec. 7.10. - Certification; copies made available.

A copy of the budget, as finally adopted, must be filed with the City Secretary and such other places required by the State law or as the City Council will designate. The final budget will be printed or otherwise reproduced and sufficient copies will be made available for the use of all offices, agencies, and for the use of interested persons and civic organizations.

Sec. 7.11. - Capital program.

The City Manager will prepare and update a five-year capital program in accordance with the procedures approved by the City Council.

The above information may be revised and extended each year with regard to capital improvements still pending or in process of construction or acquisition.

Sec. 7.12. - Defect shall not invalidate tax levy.

Errors or defects in the form or preparation of the budget or the failure to perform any procedural requirements will not nullify the tax levy or the tax rate.

Sec. 7.13. - Lapse of appropriations.

Every appropriation, except an appropriation for a capital expenditure, will lapse at the close of the fiscal year to the extent that it has not been expended or encumbered. An appropriation for a capital expenditure other than in the operating budget of the City will continue in force until the purpose for which it was made has been accomplished or abandoned. The purpose of any such appropriation will be deemed abandoned if three years pass without any disbursement from or encumbrance of the appropriation. However, any appropriations, including capital expenditures, provided for in the annual operating budget will lapse at the end of the fiscal year. Any funds not expended, disbursed, or encumbered prior to their lapse as described herein will be returned to the appropriate accounting fund of the City.

Sec. 7.14. - Borrowing.

(1) [*Authority.*] The City will have the right and power, except as prohibited by law or this Charter, to borrow money by whatever method it may deem to be in the public interest.

(2) *Tax obligation bonds—General.*

(a) The City will have the power to borrow money on the credit of the City and to issue general obligation bonds for permanent public improvements or any other public purpose not prohibited by law and this Charter, to issue refunding bonds to refund outstanding bonds previously issued, and to issue other obligations permitted by law. All such bonds or other obligations, e.g., Certificates of Obligation and Contractual Obligation, will be issued in conformity with the laws of the State of Texas, will be issued for stated, specific projects or purposes. Any funds remaining after completion of said projects will be used to service or retire the debt created by the issuance of said bonds or obligations.

(b) Any tax obligation bonds, other than refunding bonds, issued under the provisions of this section will not be issued without an election. The City Council will prescribe the procedure for calling and holding such elections, will define the voting precincts and will provide for the return and canvass of the ballots cast at such elections.

(c) If at such elections a majority of the vote will be in favor of creating such a debt of the City, it will be lawful for the City Council to issue bonds as proposed in the ordinance submitting same. However, if a majority of the vote polled will be against the creation of such debt, the City Council will be without authority to issue the bonds. In all cases when the City Council must order an election for the issuance of bonds of the City, it must at the same time submit the question of whether or not a tax must be levied upon the property of the City for the purpose of paying the interest on the bonds and to create a sinking fund for their redemption. (Amended, 1988)

(d)

State law permits the issuance of Certificates of Obligation at the discretion of the City Council. However, it is the expressed will of the citizens of Rockwall that such obligations be issued only after being authorized by a vote of the citizens at an election called for the purpose of considering the issuance of such obligations. An exception to this guideline is to be permitted only in the event of an urgent public necessity. In order to issue Certificates of Obligation in the event of an urgent public necessity, when a vote of the citizenry is not held, the affirmative vote of six members of the Council must be required to authorize such issuance.

(3) *Revenue bonds.*

(a) The City will have the power to borrow money for the purpose of constructing, purchasing, improving, extending or repairing of public utilities, recreational facilities or any other self-liquidating municipal function not prohibited by the Constitution and the laws of the State of Texas. With an affirmative vote of at least six of the members of the City Council, it will have the power to issue revenue bonds and to evidence the obligation created thereby. Revenue bonds for any purpose other than water and sanitary sewer system improvement, expansion, or reconstruction must be authorized by a majority of citizens voting in an election called for the purpose of considering the issuance of such obligations. Upon approval of such revenue bonds by the voters, an affirmative vote of a majority of the full membership of the City Council will be required to issue said revenue bonds. Such bonds will be a charge upon and payable from the properties, or interest therein pledged, or the income therein gained from, or both. The holders of the revenue bonds will never have the right to demand payment thereof out of monies raised or to be raised by taxation. All such bonds will be issued in conformity with the laws of the State of Texas and will be used only for the purpose for which they were issued.

(4) *Emergency funding.*

(a) In any budget year, the City Council may, by unanimous resolution of the elected Council, authorize the borrowing of money. Notes may be issued which are repayable not later than the end of the current fiscal year.

Sec. 7.15. - Purchasing.

(1) The City Council may, by ordinance, give the City Manager general authority to contract for expenditure without further approval of the Council for all budgeted items not exceeding limits set by the Council.

All contracts for expenditures involving more than the set limits must be expressly approved in advance by the Council. All contracts or purchases involving more than the limits set by the Council must be let to the lowest bidder whose submittal is among those responsive to the needs of the City after there has been opportunity for competitive bidding as provided by law or ordinance. The City Council, or City Manager in such cases as he/she is authorized to contract for the City, will have the right to reject any and all bids.

(2) Emergency contracts as authorized by law and this Charter may be negotiated by the City Council or City Manager if given authority by the Council, without competitive bidding. Such emergency will be declared by the City Manager and approved by the City Council, or may be declared by the City Council.

Sec. 7.16. - Administration of budget.

(1) No payment will be made or obligation incurred against any allotment or appropriation except in accordance with appropriations duly made unless the City Manager or his designee first certifies that there is a sufficient unencumbered balance in such allotment or appropriation and that sufficient funds therefrom are or will be available to cover the claim or meet the obligation when it becomes due and payable.

(2) Any authorization of payment or incurring of obligation in violation of the provisions of this Charter will be void and any payment so made illegal. Such action will be cause for removal of any officer who knowingly authorized or made such payment or incurred such payment or obligation, and he/she will also be liable to the City for any amount so paid.

(3) This prohibition will not be construed to prevent the making or authorizing of payments, or making of contracts for capital improvements to be financed wholly or partly by the issuance of bonds, time warrants, certificates of indebtedness, or certificates of obligation, or to prevent the making of any contract or lease providing for payments beyond the end of the fiscal year, providing that such action is made or approved by ordinance.

(4) The City Manager will submit to the Council each month or as directed by the City Council a report covering the revenues and expenditures of the City in such form as requested by the City Council.

Sec. 7.17. - Depository.

All monies received by any person, department or agency of the City for or in connection with the affairs of the City will be deposited promptly in the City depository or depositories. The City depositories will be designated by the City Council in accordance with such regulations and subject to the requirements as to security for deposits and interest thereon as may be established by ordinance and law. Procedures for withdrawal of money or the disbursement of funds from the City depositories will be prescribed by ordinance.

Sec. 7.18. - Independent audit.

At the close of each fiscal year, and at such other times as may be deemed necessary, the City Council must call for an independent audit to be made of all accounts of the City by a certified public accountant. No more than [five] consecutive annual audits must be completed by the same firm. The certified public accountant selected must have no personal interest, directly or indirectly in the financial affairs of the City or any of its officers. The report of audit, with the Auditor's recommendations, will be made to the City Council. Upon completion of the audit, the summary must be published immediately in the newspaper of record of the City and copies of the audit placed on file in the City Secretary's office as a public record. (Amended, 1993) (Amended, 1996)

Sec. 7.19. - Power to tax.

(1) The City will have the power to levy, assess and collect taxes of every character and type for any municipal purpose not prohibited by the Constitution and laws of the State of Texas as now written or hereafter amended.

(2) The City will have the power to grant tax exemptions in accordance with the laws of the State of Texas.

Sec. 7.20. - Office of Tax Collector.

There will be established an office of taxation to collect taxes, the head of which will be the City Tax Collector. The City Council may contract for such services.

Sec. 7.21. - Taxes; when due and payable.

(1) All taxes due in the City of Rockwall must be payable at the office of the City Tax Collector, or at such location or locations as may be designated by the City Council, and may be paid at any time after the tax rolls for the year have been completed and approved. Taxes for each year must be paid before February 1 of the next succeeding year, and all such taxes not paid prior to that date must be deemed delinquent, and must be subject to penalty and interest as the City Council will provide by ordinance. The City Council may provide discounts for the payment of taxes prior to January 1 in amounts not to exceed those established by the laws of the State of Texas.

(2) Failure to levy and assess taxes through omission in preparing the appraisal rolls will not relieve the person, firm or corporation so omitted from obligation to pay such current or past due taxes as shown to be payable by recheck of the rolls and receipts for the years in question, omitting penalty and interest.

Sec. 7.22. - Tax liens, liabilities and suits.

(1) All taxable property located in the City on January 1 of each year will stand charged from that date with a special lien in favor of the City for the taxes due. All persons purchasing any such property or after January 1 in any year will take the property subject to the liens provided above. In addition to the liens herein provided, on January 1 of any year, the owner of property subject to taxation by the City will be personally liable for the taxes due for that year.

(2) The City will have the power to sue for and recover personal judgment for taxes without foreclosure, or to foreclose its lien or liens, or to recover both personal judgment and foreclosure. In any such suit where it appears that the description of any property in the City appraisal rolls is insufficient to identify such property, the City will have the right to plead a good description of the property to be assessed, to prove the same, and to have its judgment foreclosing the tax lien or for personal judgment against the owners for such taxes.

ARTICLE VIII. - BOARDS, COMMISSIONS AND COMMITTEES

Sec. 8.01. - Authority, composition and procedures.

(1) The City Council will create, establish or appoint, as may be required by the laws of the State of Texas or this Charter, or deemed desirable by the City Council, such boards, commissions and committees as it deems necessary to carry out the functions and obligations of the City. The City Council will, by ordinance or resolution, prescribe the purpose, composition, function, duties, accountability and tenure of each board, commission and committee where such are not prescribed by law or this Charter. Each board, commission, or committee will elect from among its members a chairman and vice-chairman to serve for a term not to exceed one year.

(2) Individuals who are qualified voters in the City may be appointed to serve on one or more boards, commissions or committees. The City Council may, by ordinance or resolution, consolidate the functions of the various boards, commissions or committees provided for in this Charter. Except as otherwise provided in this Charter, members of any such board, commission or committee will serve without compensation but may be reimbursed for actual expenses as approved by the City Council.

(3)

All boards, commissions or committees of the City must keep and maintain minutes of any proceedings held and must submit a written report of such proceedings to the City Council at intervals prescribed by the City Council.

(4) No elected official of the City nor any person who holds a compensated appointive position with the City will be appointed to any board, commission or committee other than in a nonvoting advisory capacity, except as authorized by state law.

(5) Any member of a board, commission or committee who is absent from three consecutive regular meetings without explanation acceptable to a majority of the other members must forfeit his position on the board, commission or committee.

ARTICLE IX. - PLANNING AND ZONING COMMISSION AND BOARD OF ADJUSTMENT

Sec. 9.01. - Organization.

(1) There is hereby established a Planning and Zoning Commission which must consist of seven members who will be appointed by the City Council to staggered terms in accordance with the existing Zoning Ordinance. The Commission members must be qualified City voters. No member will serve on the Commission for more than two "full" consecutive terms. A member who has served for two consecutive terms may be reappointed after a lapse in service of 12 months or more. Any vacancy occurring during the unexpired term of a member will be filled by appointment by the City Council for the remainder of the unexpired term. A majority of the members will constitute a quorum. In August of each year, the Commission will elect from its members a Chairman and Vice Chairman to serve for one year beginning in that month. Members of the Commission may be removed with the consent of a majority of the Council after public hearing and for cause set forth in writing.

(2) The Commission must meet at least once a month. The Commission must keep minutes of its proceedings which must be of public record. Minutes will be recorded by a member of the City Staff. The Commission will serve without compensation.

Sec. 9.02. - Duties and powers.

(1) The Commission will be responsible to and act as an advisory board to the City Council. The Commission must:

(a) Review all current and proposed ordinances and amendments pertaining to planning and zoning and make recommendations to the City Council for action to be taken.

(b) Make, amend, extend and add to a Master Plan for the physical development of the City.

(c) Keep public records of its resolutions, findings and determinations. (Amended, 1988)

(d) The Chairman of the Planning and Zoning Commission must make a formal monthly report in person to the City Council.

(2) The Commission will have full power to:

(a) Exercise the authority of the Zoning Commission as provided by State law, this Charter and City ordinances.

(b) Prepare, adopt and administer rules and recommendations pertaining to subdivisions and to

platting in territories within the city limits and its extraterritorial jurisdiction.

(c) Make reports and recommendations relating to the Master Plan and development of the City.

(d) Within its budget appropriation, and consistent with state purchasing law contract for professional and consultant services to aid in carrying out its duties.

Sec. 9.03. - Master Plan.

The existing Master Plan for the physical development of the City contains recommendations for the growth, development and beautification of the City and its extraterritorial jurisdiction. Recommended changes to the Master Plan must be submitted to the City Manager after the Planning and Zoning Commission holds at least one public hearing on the proposed change.

Sec. 9.04. - Procedure for amending Master Plan.

(1) City Manager will submit the proposed changes to the Council, together with any recommendations. The Council, after a public hearing, will adopt or reject such proposed revision or any part thereof as submitted within sixty days following its submission by the City Manager. If the proposed revisions or part thereof should be rejected by the Council, the Planning and Zoning Commission may make modifications and again forward it to the City Manager for submission to the Council.

(2) All rules and regulations adopted by the Planning and Zoning Commission regarding implementation of the Master Plan, will be forwarded to the City Manager who will submit them to the Council with his recommendations. The Council may adopt or reject any such rules or regulations. If any rules or regulations should be rejected, the Planning and Zoning Commission may modify them and submit such modified rules and regulations to the City Manager for submission with his recommendations to the Council. (Amended, 1996)

Sec. 9.05. - Legal effect of Master Plan.

Following the adoption by the Council of the Master Plan, it will serve as a guide to all future Council action concerning land use and development regulations and expenditures for capital improvements. Any proposal which deviates from the Master Plan will not be authorized until and unless the location and extent thereof will have been submitted to and approved by the Planning and Zoning Commission. In case of disapproval, the Commission will communicate its reasons to the Council, which will have the power to overrule such disapproval and upon such overruling, the Council or the appropriate office, department or agency will have authority to proceed. A two-thirds vote of the City Council will be required to overrule the recommendations of the Commission, except as otherwise provided by State law. The failure of the Commission to act within thirty days after the date of official submission to the Commission will be deemed approval, unless a longer period be granted by the Council or submitting official.

Sec. 9.06. - Board of adjustment.

The Council must, by ordinance, establish a Board of Adjustment and must provide standards and procedures for such board to hear and determine appeals from administrative decisions, petitions for variances in the case of peculiar and unusual circumstances which would prevent the reasonable use of land, and such other matters as may be required by the Council or by law. Board members must be qualified voters of the City. (Amended, 1988) (Amended, 1996)

ARTICLE X. - UTILITY AND PUBLIC SERVICE FRANCHISES AND LICENSES

Sec. 10.01. - Authority.

The City will have the power to buy, own, sell, construct, lease, maintain, operate and regulate public services and utilities and to manufacture, distribute and sell the output of such services and utility operations. The City will not supply any utilities service outside the city limits, except by a written contract. The City will have such regulatory and other power as may now or hereafter be granted under the Constitution and laws of the State of Texas.

Sec. 10.02. - Ordinance granting franchise.

(1) Any ordinance granting, renewing, extending or amending a public service or utility franchise must be read at two separate meetings of the City Council and will not take effect until thirty days after the final reading. Within fifteen days following the first reading of the ordinance, a summary of the ordinance will be published once in a newspaper designated as the newspaper of record of the City. The expense of such publication will be borne by the prospective franchisee.

(2) No franchise will be granted for a term of more than twenty years from the date of the grant, renewal or extension of any franchise.

(3) No franchise may be exclusive.

Sec. 10.03. - Transfer of franchise.

No public service or utility franchise is transferable, except with the approval of the City Council. However, the franchisee may pledge franchise assets as security for a valid debt or mortgage.

Sec. 10.04. - Franchise value not to be allowed.

Franchises granted by the City are of no value in fixing rates and charges for public services or utilities within the City and in determining just compensation to be paid by the City for property which the City may acquire by condemnation or otherwise.

Sec. 10.05. - Right of regulation.

In granting, amending, renewing and extending public service and utility franchises, the City reserves unto itself all the usual and customary rights, including, but not limited to, the following rights:

(a) To repeal the franchise by ordinance for failure to begin construction or operation within the time prescribed, or for failure to comply with terms of the franchise.

(b) To require all extensions of service within the City limits to become part of the aggregate property of the service and operate subject to all obligations and reserved rights contained in this Charter. Any such extension is considered part of the original grant and terminable at the same time and under the same conditions as the original grant.

(c) To require expansion and extension of facilities and services and to require maintenance of existing facilities to provide adequate service at the highest level of efficiency.

(d) To require reasonable standards of service and quality of product and prevent rate discrimination.

(e) To impose reasonable regulations and restrictions to insure [ensure] the safety and welfare of the public.

(f) To examine and audit accounts and records and to require annual reports on local operations of the public service or utility.

(g) To require the franchisee to restore, at [the] franchisee's expense, all public or private property to a condition as good as or better than before disturbed by the franchisee for construction, repair or removal.

(h) To require the franchisee to furnish to the City, within a reasonable time, at the franchisee's expense, a general map outlining current location, character, size, length, depth, height and terminal of all facilities over and under property within the City and its extraterritorial jurisdiction.

(i) To require compensation, rent or franchise fees to be paid to the City as may be permitted by the laws of the State of Texas.

Sec. 10.06. - Regulation of rates.

(1) The City Council has the power to fix and regulate the rates and charges of all utilities and public services, consistent with State and federal statutes and regulations.

(2) Upon receiving written request from a utility or public service requesting a change in rates, or upon a recommendation from the City that rates for services provided by or owned by the City be changed, the City Council will call a public hearing for consideration of the change.

(3) The City, public service or utility must show the necessity for the change by any evidence required by the City Council, including, but not limited to, the following:

(a) Cost of its investment for service to the City.

(b) Amount and character of expenses and revenues connected with rendering the service.

(c) Copies of any reports or returns filed with any State or Federal regulatory agency within the last three years.

(d) Demonstration that the return on investment, if any, is within State and Federal limitations.

(4) If not satisfied with the sufficiency of evidence, the City Council may hire rate consultants, auditors and attorneys to investigate and, if necessary, litigate requests for rate changes, the expense of which will be reimbursed to the City by the franchisee.

Sec. 10.07. - Licenses.

The City will have the power to license, levy and collect fees in order to license any lawful business, occupation or calling subject to control pursuant to the police powers of the State of Texas and for any other purpose not contrary to the Constitution and laws of the State of Texas.

ARTICLE XI. - GENERAL AND TRANSITIONAL PROVISIONS

Sec. 11.01. - Public records.

All records of the City must be open to inspection except for those that are closed to the public by law. The records may be examined and copied in the City offices during normal office hours at a nominal charge established by the City Manager.

State law reference— Public records act, V.T.C.A., Government Code § 552.001 et seq.

Sec. 11.02. - Newspaper of record.

The City Council must designate annually a newspaper of general circulation in the City to serve as newspaper of record. All ordinances, notices and other matters required by this Charter, City ordinance, or the Constitution and laws of the State of Texas must be published in the newspaper of record.

Sec. 11.03. - Nepotism.

No person related within the second degree by affinity or within the third degree by consanguinity to the Mayor or any City Council member or the City Manager will be employed or appointed to any positions of the City. This will not apply to any person continuously employed prior to the election or appointment of the person related in the above degree.

Sec. 11.04. - Oaths.

All elected and appointed officers of the City must take and sign the oath of office based on those prescribed for state elective and appointive offices, respectively, in the Constitution of the State of Texas.

Sec. 11.05. - Prohibitions and penalties.

(1) Equality of rights under the law must not be denied or abridged with respect to appointment to or removal from any position because of race, gender, age, national origin, political or religious opinions or affiliations.

(2) No person who seeks appointment or promotion with respect to any City position will, directly or indirectly, give, render or pay any money, service or other valuable thing to any person for, or in connection with, his test, appointment or promotion.

(3) No person will willfully make any false statement, certificate, mark, rating or report in regard to any test, certification or appointment or attempt to commit any fraud preventing the impartial execution of the personnel provisions, rules and regulations of this Charter.

(4) No person who holds any compensated nonelective City position will make, solicit or receive any contribution for any candidate for public office in the City, or take part in the management, affairs or political campaign of such candidate. He/She may exercise his rights as a citizen to express his opinion and cast his vote.

(5) Any person who willfully engages in any of the above prohibited activities will be ineligible for appointment or election to a position in the City for a period of five years from that time. If he/she is an officer or employee of the City at the time of the violation, he/she must immediately forfeit his office or position.

(6) No person will be qualified to hold a municipal office or serve the City in any other capacity for which compensation is paid who is delinquent in the payment of taxes or other liabilities due the City.

Sec. 11.06. - Assignment, execution and garnishment.

(1) Property, real and personal, belonging to the City will not be liable to be sold or appropriated under any writ or execution of cost bill. Funds belonging to the City in the hands of any person, firm or corporation, will not be liable to garnishment, attachment or sequestration; nor will the City be liable to garnishment, attachment or sequestration; nor will the City be liable to garnishment of

account of any debt it may owe or funds or property it may have on hand owing to any person. Neither the City nor any of its officers or agents will be required to answer any such writ of garnishment on any account whatever.

(2) The City will not be obligated to recognize any assignment of wages or funds by its employees, agents or contractors.

Sec. 11.07. - Security and bond.

It will not be necessary in action, suit or proceeding in which the City is a party for any bond, undertaking or security to be demanded or executed by or on behalf of the City. All such actions must be conducted in the same manner as if such bond, and undertaking or security has been given as required by law.

Sec. 11.08. - Notice of claim.

The City will not be held liable on account of any claim for the death of any person or injuries to any person or damage to any property unless the person making such complaint or claiming such damages will, within sixty days after the time at which it is claimed such damages were inflicted upon such person or property, file with the City a written statement under oath, stating the nature and character of such damages or injuries, the extent of the same, the place where same happened, the circumstances under which same happened and the conditions causing same, with a detailed statement of each item of damages and the amount thereof, giving a list of any witnesses known by affiant to have seen the accident.

State law reference— Tort claims, V.T.C.A., Civil Practice and Remedies Code § 101.001 et seq.

Sec. 11.09. - Power to settle claims.

The City Council will have the power to compromise and settle any and all claims and lawsuits of every kind and character, in favor of, or against, the City, including suits by the City to recover delinquent taxes.

Sec. 11.10. - Service to process against City.

All legal process against the City will be served upon both the Mayor and the City Manager.

Sec. 11.11. - Judicial notice.

This Charter will be deemed a public act, may be read in evidence without pleading of proof, and judicial notice will be taken thereof in all courts and places.

Sec. 11.12. - Separability.

If any section or part of this Charter is held invalid by a court of competent jurisdiction, such holding will not invalidate or impair the validity, force or effect of any other section or part of this Charter.

Sec. 11.13. - Wording interpretation.

(1) The gender of wording throughout this Charter must always be interpreted to mean either sex. All singular words will include the plural and all plural words will include the singular. All references to State law or laws of the State of Texas, however expressed in this Charter, will mean "as presently enacted or hereafter amended."

(2) The term "Council" will include the Mayor and all other Council members.

(3) Definitions. When used in this Charter, the terms below will have the meanings stated in this

section.

(a) "City" will refer to the municipal corporation more specifically titled "The City of Rockwall."

(b) "Elected officer" will refer to any member of the City Council regardless of whether the individual became a member by election or appointment.

(c) "Appointed officer" will refer to any individual appointed by the City Council.

(d) "Administrative officer" will refer to any employee of the City appointed by the City Manager.

(e) "Office" will refer to any position in the City filled by appointment by the City Council or City Manager.

(f) "Officers" will refer to any member of the City Council, or any individual appointed by the City Council other than members of ad hoc committees with a limited term.

(g) "Employee" will refer to any person who is employed and paid a salary by the City including those individuals on a part-time basis, but does not include City Council members or members of the volunteer fire department.

(h) "Public Utility" will refer to any privately owned business that provides a service to the public under the terms of a franchise granted by the City Council. The term will include but not necessarily be limited to electric service, gas service, telephone service, and cable television service.

Sec. 11.14. - Amendment of Charter.

Amendments to this Charter may be framed and submitted to the qualified voters of the City in the manner provided by the constitution and the laws of the State of Texas as presently enacted or hereafter amended.

Sec. 11.15. - Charter Review Commission.

(1) The City Council must appoint a Charter Review Commission of ten citizens of the City which will:

(a) Inquire into the operation of the City government under the Charter and determine whether any provisions require revision. To this end, public hearings may be held. The Commission may compel the attendance of any officer or employee of the City and require submission of any City records it deems necessary to conduct the hearings.

(b) Propose any recommendations it deems desirable to insure [ensure] compliance with the Charter of the City government.

(c) Report its findings and present its recommendations to the City Council.

(2) The City Council will receive and have published in the newspaper of record of the City a comprehensive summary of the report presented by the Commission; will consider any recommendations made, may order any amendments suggested to be submitted to the voters of the City in the manner provided by State law as now written or hereafter amended.

(3) The term of office of the Commission must be for not more than six months, at the end of which time a report will be presented to the City Council and all records of proceedings of the commission will be filed with the City Secretary and become a public record.

Sec. 11.16. - Schedule of transition.

(1) This Charter will take effect immediately following adoption by the voters.

(2) Upon adoption of this Charter, the present members of the City Council filling elective offices will continue to fill those offices for the terms for which they were elected. Thereafter, the City Council will be elected as provided in this Charter. Persons who, on the date this Charter is adopted, are filling appointive positions with the City which are retained under this Charter, may continue to fill these positions for the term for which they were appointed, unless removed by the City Council or by other means provided in this Charter.

(3) All City ordinances, bonds, resolutions, rules and regulations in force on the effective date of this Charter will remain in force until altered, amended or repealed by the Council, and all rights of the City under existing franchises and contracts are preserved in full force and effect.

Sec. 11.17. - Officers and employees.

Except as specifically provided, nothing in this Charter will affect or impair the rights or privileges of persons who are City officers or employees at the time of its adoption.

Sec. 11.18. - Pending matters.

All rights, claims, actions, orders, contracts and legal or administrative proceedings will continue except as modified pursuant to the provisions of this Charter and in each case will be maintained, carried on or dealt with by the City department, office or agency appropriate under this Charter.

Sec. 11.19. - Submission of Charter to electors.

The Charter Commission in preparing this Charter finds and declares that it is impractical to segregate each subject so that the voter may vote "Yes" or "No" on each subject. The Charter is so constructed that in order to enable it to work and function, it is necessary that it should be adopted in its entirety. For these reasons the Charter Commission directs that this Charter be voted upon as a whole.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 01/20/2015

APPLICANT: Rick Dirkse, *Dirkse and Associates, LTD*

AGENDA ITEM: **Z2014-036**; *SF-10 to PD (1312 & 1316 Ridge Road)*

SUMMARY:

Hold a public hearing to discuss and consider a request by Rick Dirkse on behalf of D. W. Bobst of J-BR2, LLC for the approval of a zoning change from a Single Family 10 (SF-10) District to a Planned Development District allowing for office, medical office and single-family land uses on two (2) parcels of land, being 1.666-acres, identified as Lots 1 & 2, Block B, Eagle Point Estates Addition, City of Rockwall, Rockwall County, Texas, zoned Single Family 10 (SF-10) District, situated within the Scenic Overlay (SOV) District, addressed as 1312 & 1316 Ridge Road [*FM-740*], and take any action necessary.

REQUEST:

On December 18, 2014, the applicant, Rick Dirkse, submitted an application on behalf of the owner, Dan Bobst of JBR2, LLC, for the approval of a zoning change for two (2) parcels of land zoned Single Family 10 (SF-10) District and addressed as 1312 & 1316 Ridge Road [*FM-740*]. Specifically, the requested zoning change proposed a Planned Development (PD) District that would limit the land uses on the subject property to general/professional office (*e.g. attorney, accountant, real estate, investment broker, and etcetera*), small medical office (*e.g. dentist, specialty clinic, and etcetera*) and/or single-family residential uses; and, to provide for more restrictive density and dimensional requirements, which are intended to regulate any development on the subject properties into conforming to the architecture utilized by the adjacent single-family residential homes. The underlying zoning district of the proposed Planned Development (PD) District is a Residential-Office (RO) District, which according to the Article V, *District Development Standards*, of the Unified Development Code is intended, "to allow for low intensity office development providing professional, medical and other office services to residents in adjacent neighborhoods … [*and*] serve as an area of transition between residential and high-intensity nonresidential uses or busy arterial thoroughfares".

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property are several single-family homes situated adjacent to Ridge Road, zoned Single Family 10 (SF-10) District, and located within the Scenic Overlay (SOV) District. Beyond these properties are several single-family homes/office buildings zoned Planned Development District 53 (PD-53) for Residential-Office (RO) District land uses. These properties are also adjacent to Ridge Road and situated within the Scenic Overlay (SOV) District.

South: Directly south of the subject property are several single-family homes situated adjacent to Ridge Road, zoned Single Family 10 (SF-10) District, and located within the Scenic Overlay (SOV) District. Beyond these properties are nine (9) single-family residential properties that are a part of the Lake Ray Hubbard Estates subdivision. These properties are zoned Single Family 10 (SF-10) District, and are situated within the Scenic Overlay (SOV) District.

East: Directly east of the subject property is Ridge Road, which is classified as a *M4D* (*minor arterial, four [4] lane, divided roadway*) by the City's *Master Thoroughfare Plan*. Beyond this arterial is the Rockwall Commons mixed-use development, which is composed of office, retail and residential land uses. This property is zoned Planned Development District 1 (PD-1), which allows for a mix of land uses.

West: Directly west of the subject property are ten (10) single-family residential properties that make up the Eagle Point Estates subdivision and are zoned Single Family 10 (SF-10) District. Beyond these properties is the Lake Ray Hubbard Estates subdivision, which contains 63 single-family lots on 24.022-acres of land. These properties are zoned Single Family 10 (SF-10) District.

DEVELOPMENT STANDARDS

With the zoning application, the applicant has submitted a *PD Concept Plan* that indicates intent to build two (2) independent office buildings (*i.e. 5,000 SF and 6,000 SF*) constructed on individual lots. The parking for these buildings will be accessible utilizing the two (2) existing drive approaches adjacent to Ridge Road. All parking will be located in the front of the properties in between the front façade of the proposed buildings and Ridge Road. The rear of the properties should generally conform to the adjacent single-family development, and give the appearance of a single-family residence. The applicant has stated that the intent of the project is to blend the buildings with the adjacent single-family neighborhood and only provide the appearance of an office building on Ridge Road. Staff has included additional standards in the Planned Development District Ordinance that ensures that any structure constructed on the subject property shall be built to a residential scale. These restrictions include limiting the building's square footage (*i.e. maximum of 5,000 SF and 6,000 SF*), restricting the roof design to be a pitched roof system that is comparable to the adjacent single-family residential homes, and requiring a wood screening fence that matches the City's current residential fence standards. In addition, the height of the buildings have been restricted to 36-feet, which is the same height restriction required by the Single Family 10 (SF-10) District (*i.e. the current zoning designation*). Any requirements not specifically stated within the Planned Development District shall conform to Residential-Office (RO) District standards as stipulated by Section 4.2, *Residential-Office (RO) District*, of Article V, *District Development Standards*, of the Unified Development Code. A summary of the density and dimensional requirements for the subject property is as follows:

Table 1: Density and Dimensional Requirements

Minimum Lot Width	60'
Minimum Lot Depth	100'
Minimum Lot Area	6,000 SF
Minimum Front Yard Setback	25'
Minimum Side Yard Setback [1]	10'
Minimum Rear Yard Setback	30'
Minimum Masonry Requirements [2]	90%
Maximum Height	36'
Minimum Building Coverage/Floor Area Ratio	40%/0.33
Minimum Parking Requirement	General Office: 1/300 SF Medical Office: 1/200 SF
Maximum Lot Coverage	45%
Minimum Landscaping	25%
Minimum Distance Between Buildings	10'

General Notes:

[1]: *Except if the adjacent property is predominantly residentially zoned or residentially used, in which case the setback shall be 20-feet.*

[2]: *All masonry materials shall conform to Section 4.1. A, Construction Materials, of Article V, District Development Standards, of the Unified Development Code.*

STAFF ANALYSIS:

As stated above the intent of the Residential-Office (RO) zoning district is to provide a buffer or transition from residential neighborhoods to higher intensity non-residential land uses and/or busy arterials and thoroughfares. This district has proven to be particularly successful in areas where residential properties are adjacent to state roadways that accommodate a moderate to high traffic volume (*i.e. PD-50 adjacent to SH-205 & PD-63 adjacent FM-740*). In reviewing this case it should be noted that Ridge Road [*FM-740*] is classified as a M4D (*Minor Arterial, Four [4] Lane, Divided Roadway*) and accommodates a moderate level of traffic. According to the Texas Department of Transportation's (TX DOT's) *2012 District Traffic Maps*, Ridge Road currently accommodates between 17,800 and 25,000 trips per day between the SH-205/FM-740 split and IH-30. For reference, the average residential street generally accommodates less than 1,000 trips per day. The reason that the Residential-Office (RO) District has been successful in areas adjacent to busier thoroughfares is its unique ability to maintain a residential aesthetic while buffering more intense land uses/thoroughfares with low intensity non-residential land uses (*i.e. professional and medical offices*). These uses generally do not conflict with the adjacent residential land uses, specifically with regards to the hours of operations, noise, lighting, traffic and other environmental conditions commonly associated with non-residential developments. With this being said, zoning is a discretionary action for the Planning & Zoning Commission and City Council.

CONFORMANCE WITH THE FUTURE LAND USE MAP:

The Future Land Use Map, adopted with the Comprehensive Plan, designates the subject property for *Medium Density Residential* land uses. While the proposed land use does continue to allow single-family residential land uses it would also allow office land uses. Should the City Council approve the applicant's request, the Future Land Use Map will be amended to reflect the proposed change in land use from a *Medium Density Residential* designation to a ***Special District*** designation.

NOTIFICATION:

On December 30, 2015, staff mailed 61 notices to property owners and residents within 500-feet of the subject property. Staff also emailed notice of the request to the Waterstone Estates Homeowner's Association (HOA), which is the only HOA located within 1,500 feet of the subject property. Additionally, staff posted a sign along Ridge Road as required by the Unified Development Code (UDC). At the time this case memo was drafted staff had received seven (7) property owner notification and one (1) email in opposition to the request, and five (5) letters of support from adjacent property owners.

RECOMMENDATIONS:

If the Planning and Zoning Commission recommends approval of the applicant's request for a *PD Development Plan* then staff would propose the following conditions of approval:

1) The applicant shall be responsible for maintaining compliance with the conditions contained within the *PD Development Plan* ordinance and summarized as follows:

   A) *Allowed Uses*. The following are the only permitted land uses that are permitted to be established on the *Subject Property*:

      i. *Single Family 10 (SF-10) District Land Uses.* Uses permitted *by right* or by *Specific Use Permit (SUP)* in the Single Family 10 (SF-10) District as stipulated by Section 1.1, *Use of Land and Buildings,* of Article IV, *"Permissible Land Uses",* of the Unified Development Code *[Ordinance No. 04-38].*

      ii. *General Office Land Uses*

iii. *Medical Office Land Uses*

B) *Maximum Building Square Footage*. The *Subject Property* may contain one (1) building 5,000 SF or less and one (1) building 6,000 SF or less as depicted in the *Zoning Exhibit.*

C) *Area Requirements and Development Standards.* Any development or redevelopment of the subject property shall conform to the Residential-Office (RO) District development standards stipulated by Section 4.2, *Residential-Office (RO) District*, of Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*]; however, any building being constructed on the *Subject Property* shall not exceed 36-feet in total height.

D) *Roof Design Standards.* All buildings proposed for the subject property shall be constructed with a pitched roof system that is comparable to adjacent residential development.

E) *Screening Fence Standards*. Screening fences used to screen the *Subject Property* from adjacent residential properties may be constructed utilizing a typical *board-on-board* residential wood fence standard, which conforms to the requirements stipulated within the *Municipal Code of Ordinances*.

F) *Additional Restrictions.* No fences, which is not explicitly permitted within this ordinance or any other type of barricade, shall be permitted on any property depicted in the *Zoning Exhibit*.

2) By approving this zoning change, the City Council will effectively be approving changes to the Comprehensive Land Use Plan. Specifically, this will change the designation of the subject property from a *Medium Density Single-Family Residential* designation to a *Special District* designation.

3) Any construction resulting from the approval of this *zoning amendment* shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On January 13, 2015, the Planning and Zoning Commission made a motion to recommend denial of the applicant's request. The motion failed by a vote of 3-3, with Commissioner Fishman absent. Following the motion for denial, the Planning and Zoning Commission made a motion to recommend approval of the applicant's request. The motion failed by a vote of 3-3. Since the Planning and Zoning Commission was unable to approve a motion, no recommendation can be forwarded to the City Council.

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2014-036: PD Development - RO District

Hold a public hearing to discuss and consider a request by Rick Dirkse on behalf of D. W. Bobst of J-BR2, LLC for the approval of a zoning change from a Single Family 10 (SF-10) District to a Planned Development District allowing for office, medical office and single-family land uses on two (2) parcels of land, being 1.666-acres, identified as Lots 1 & 2, Block B, Eagle Point Estates Addition, City of Rockwall, Rockwall County, Texas, zoned Single Family 10 (SF-10) District, situated within the Scenic Overlay (SOV) District, addressed as 1312 & 1316 Ridge Road [FM-740], and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 1/13/2015 at 6:00 p.m.,** and the City Council will hold a public hearing on **Tuesday, 1/20/2015 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

Ryan Miller
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **1/20/2015** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

Mr Bobst continues his efforts to change the zoning of this property from single-family lot. This property is surrounded by single-family dwellings. We are adamantly opposed to the change AGAIN and the neighborhood likely continues in its opposition.

To: LaCroix, Robert
Subject: Z2014-036

Good morning Robert, Ryan, Mayor & Council Members:

I am against the rezoning of the tracts of land addressed as 1312 & 1316 Ridge Road (FM 740) from a single-family use to a planned development that includes medical and office uses. This represents an intrusion upon our residential neighborhood and reflects "spot zoning" at its worst.

Bill Lofland's home has always been the buffer between the commercial uses on Ridge Road and the residences to the south, and Bill has always been fine with this. The east side of Ridge Road provides for ample developable land for medical, office, and commercial uses. This proposed use would decrease property values in our neighborhood and hinder the sale of homes overshadowed by a non-residential structure.

During my eight years serving on the Planning and Zoning Commission, I cannot recall such a blatant attempt to infringe upon a residential community in Rockwall. I am retired from the Office of Economic Development of the City of Dallas; and in my time there, I rarely saw a request such as this that was not motivated by a political force with obvious financial considerations. Speculating in real estate has always been a risky venture...hoping to upgrade zoning, entitlements, and/or density to make property more valuable. In this case, the property owner has overreached common sense and consideration for the surrounding residential community and should be faced with the reality of having to live with the existing zoning on the property that was purchased.

Hopefully the Commission and Council will deny this rezoning request again with prejudice.

Please be so kind as to provide my comments to the P&Z Commissioners, Mayor, and Council Members and to confirm receipt of this email.

Sincerely,

Jim Greenwalt
209 Tanya Drive

Re: Zoning Application for 1312 Ridge Road, Rockwall, Tx. 75087

To whom it may concern:

I am writing a letter of support for the current zoning change of the above mentioned property.

I have purchased and now own the home site at 1505 S. Alamo Drive, directly behind this above mentioned property to the west. I am and was fully aware at the time that I purchased the property that at some point in time the zoning on 1312 Ridge Rd would more than likely change to some type of commercial zoning.

I do not feel that the type of zoning being requested will detract value from the homes and lots in the Eagle Point subdivision.

Regards,

Rod Holland
214-641-6434

RE: Rick Dirske's Zoning Application for 1312 Ridge Road

Dear Members of the Planning and Zoning Commission,

I do not believe that the zoning request for 1312 Ridge Road will adversely affect the value of my home at 1515 S Alamo. The conceptual request I received from Mr. Dirske and the City to change the zoning to a Planned Development Residential Office is a favorable transition.

I have known Mr. Dirske for over 30 years and we were members together in Rotary. I believe he is a man of character and honesty.

Respectfully,

Richard E. Slaughter, Jr.
1515 S Alamo

RE: Zoning Application for 1312 Ridge Road, Rockwall, TX

To Whom it May Concern:

I am the owner of the residential lot located at 1515 South Alamo Drive, located directly behind the above referenced property. I was aware of the proposed zoning change when I purchased the residential lot and have no objection to the proposed change.

Respectfully,

Steve Reid
214-202-6566

Rick Dirkse

Dirkse and Associates

3077 N. Goliad Street

Rockwall, Tx. 75087

RE: Zoning Application for 1312 Ridge Road, Rockwall Tx 75032

To Whom it may concern:

I am writing in support for the current zoning change of the above mentioned property. All of the 5 adjacent property owners are in favor of Mr. Dirkse's new office.

When the property was developed each property owner was required during closing to sign as part of their Covenants and Restrictions that they were made aware and in fact, in favor of an office project being on Ridge Road just to the east of their property. This Exhibit A is attached.

Residential homes on Ridge only a few lots away have been rezoned in similar fashion and their property values have **tripled in value.**

Therefore, there should be no reason for P&Z or City of Rockwall to not fully support Mr. Dirkse's application for office zoning.

Best Regards,

D.W. Bobst
469-402-1522

PD Development Standards.

1. *Purpose.* It is the intent of this zoning ordinance to allow for low intensity office development that provides office space for professional and medical office services while creating an area of transition between the residential land uses to the east and Ridge Road, a busy arterial thoroughfare to the west.

2. *Allowed Uses*. The following are the only permitted land uses that are permitted to be established on the *Subject Property*:

    a. *Single Family 10 (SF-10) District Land Uses.* Uses permitted *by right* or by *Specific Use Permit (SUP)* in the Single Family 10 (SF-10) District as stipulated by Section 1.1, *Use of Land and Buildings,* of Article IV, *"Permissible Land Uses",* of the Unified Development Code *[Ordinance No. 04-38].*

    b. *General Office Land Uses*

    c. *Medical Office Land Uses*

3. *Maximum Building Square Footage*. The *Subject Property* may contain one (1) building 5,000 SF or less and one (1) building 6,000 SF or less as depicted in *Exhibit 'B'* of this ordinance.

4. *Area Requirements and Development Standards.* Any development or redevelopment of the subject property shall conform to the Residential-Office (RO) District development standards stipulated by Section 4.2, *Residential-Office (RO) District*, of Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*]; however, any building being constructed on the *Subject Property* shall not exceed 36-feet in total height.

5. *Roof Design Standards.* All buildings proposed for the subject property shall be constructed with a pitched roof system that is comparable to adjacent residential development.

6. *Screening Fence Standards*. Screening fences used to screen the *Subject Property* from adjacent residential properties may be constructed utilizing a typical *board-on-board* residential wood fence standard, which conforms to the requirements stipulated within the *Municipal Code of Ordinances*.

7. *Additional Restrictions.* No fence, which is not explicitly permitted within this ordinance or any other type of barricade, shall be permitted on any property depicted in the *Zoning Exhibit* in *Exhibit 'B'*.

CITY OF ROCKWALL

ORDINANCE NO. 15-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM A SINGLE FAMILY 10 (SF-10) DISTRICT TO A PLANNED DEVELOPMENT DISTRICT FOR RESIDENTIAL-OFFICE (RO) DISTRICT DEVELOPMENT STANDARDS WITH LIMITED LAND USES ON TWO (2) PARCELS OF LAND, BEING 1.666-ACRES, IDENTIFIED AS LOTS 1 & 2, BLOCK B, EAGLE POINT ESTATES ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request by Rick Dirkse on behalf of the owner, D. W. Bobst of J-BR2, LLC, for the approval of an amendment to the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall to adopt a change in zoning from a Single Family 10 (SF-10) District to a Planned Development District for Residential-Office (RO) District development standards with limited land uses on two (2) parcels of land, being 1.666-acres, identified as Lots 1 & 2, Block B, Eagle Point Estates Addition, City of Rockwall, Rockwall County, Texas, addressed as 1312 & 1316 Ridge Road [*FM-740*], and more fully described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the *Subject Property* shall be used only in the manner and for the purposes authorized by this Planned Development District ordinance and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting this zoning change, and as maybe amended in the future;

Section 2. That the *Subject Property* shall strictly adhere to the *Zoning Exhibit*, described in *Exhibit 'B'* of this ordinance, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 3. That the development or redevelopment of the *Subject Property* shall generally be in accordance with the *PD Development Standards*, described in *Exhibit 'C'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'C'*, which is deemed hereby to be

DRAFT ORDINANCE 04.20.15

a condition of approval of the amended zoning classification for the *Subject Property*;

Section 4. The *Official Zoning Map* of the City of Rockwall, Texas shall be amended to reflect the change in zoning for the *Subject Property* as described in this ordinance;

Section 5. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 6. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 7. The standards in this ordinance shall control in the event of a conflict between this ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development Code*), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

Section 8. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 20TH DAY OF FEBRUARY, 2015.

PD Development Standards.

1. *Purpose.* It is the intent of this zoning ordinance to allow for low intensity office development that provides office space for professional and medical office services while creating an area of transition between the residential land uses to the east and Ridge Road, a busy arterial thoroughfare to the west.

2. *Allowed Uses*. The following are the only permitted land uses that are permitted to be established on the *Subject Property*:

    a. *Single Family 10 (SF-10) District Land Uses.* Uses permitted *by right* or by *Specific Use Permit (SUP)* in the Single Family 10 (SF-10) District as stipulated by Section 1.1, *Use of Land and Buildings,* of Article IV, *"Permissible Land Uses",* of the Unified Development Code *[Ordinance No. 04-38].*

    b. *General Office Land Uses*

    c. *Medical Office Land Uses*

3. *Maximum Building Square Footage*. The *Subject Property* may contain one (1) building 5,000 SF or less and one (1) building 6,000 SF or less as depicted in *Exhibit 'B'* of this ordinance.

4. *Area Requirements and Development Standards.* Any development or redevelopment of the subject property shall conform to the Residential-Office (RO) District development standards stipulated by Section 4.2, *Residential-Office (RO) District*, of Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*]; however, any building being constructed on the *Subject Property* shall not exceed 36-feet in total height.

5. *Roof Design Standards.* All buildings proposed for the subject property shall be constructed with a pitched roof system that is comparable to adjacent residential development.

6. *Screening Fence Standards*. Screening fences used to screen the *Subject Property* from adjacent residential properties may be constructed utilizing a typical *board-on-board* residential wood fence standard, which conforms to the requirements stipulated within the *Municipal Code of Ordinances*.

7. *Additional Restrictions.* No fence, which is not explicitly permitted within this ordinance or any other type of barricade, shall be permitted on any property depicted in the *Zoning Exhibit* in *Exhibit 'B'*.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 1/20/2015

APPLICANT: Bricker Enterprise Company

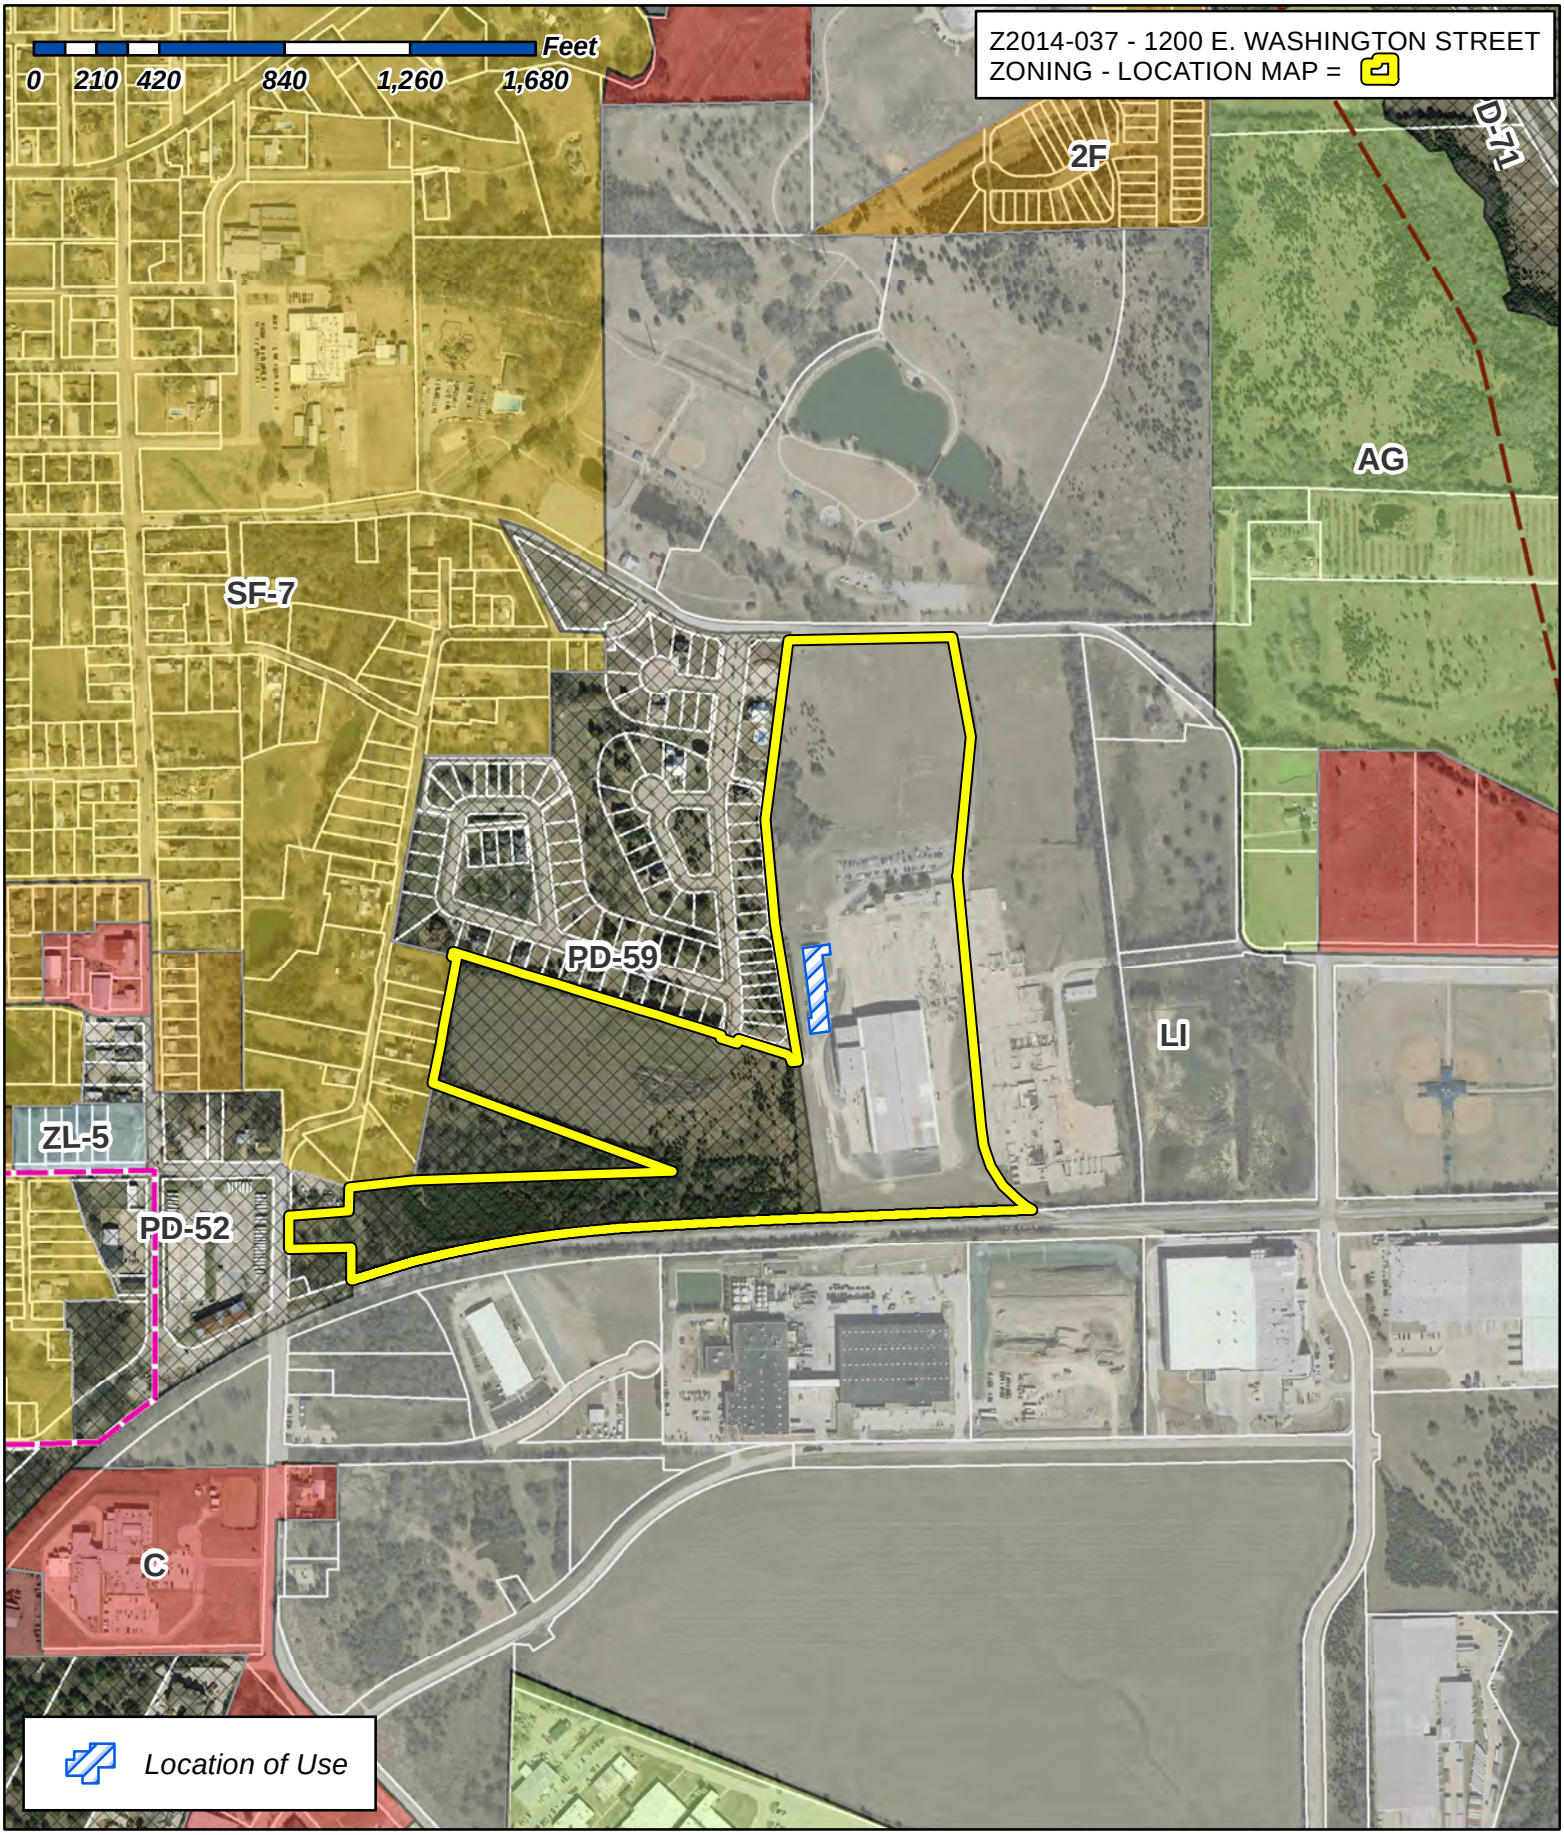
AGENDA ITEM: **Z2014-037;** Indoor Auto Center

SUMMARY:

Hold a public hearing to discuss and consider a request by Bill Bricker of Bricker Enterprise Company (DBA Brick House Cars) on behalf of Rockwall Commercial Property Management for the approval of a Specific Use Permit to allow for an Indoor Motor Vehicle Dealership/Showroom on a one (1) acre portion of a larger 50.826-acre tract of land, identified as Tract 31 of the R. Ballard Survey, Abstract No. 29, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, addressed as 1200 E. Washington Street, and take any action necessary.

BACKGROUND INFORMATION:

The applicant has requested approval of a Specific Use Permit to allow for an Indoor Motor Vehicle Dealership/Showroom. On November 11, 2014, the City Council approved an ordinance that included adding this land use and associated special conditions to the permissible use chart within the UDC as a permitted use within the HC or HI zoning districts and requiring approval of an SUP within the GR or LI zoning districts. The subject property is zoned LI; therefore, it requires the approval of an SUP for this particular use.



The applicant's internet based business will utilize a portion of an existing 12,500 square foot building to house the indoor used car business operations. All business operations will take place inside the building and will be by appointment only. The applicant's request conforms to all special conditions required for this use as stipulated by the UDC.

NOTIFICATION:

A notice was published in the Rockwall County Herald-Banner on December 26, 2014. Staff mailed one hundred thirty-five (135) notices to property owners and non-owner occupants within 500 feet of the subject property. Additionally, staff posted signage along the street frontage adjacent to the subject property as required by the UDC. At the time this case memo was drafted, staff had received five (5) responses from four (4) property owners indicating support for the request.

PLANNING & ZONING COMMISSION:

On January 13, 2015, the Planning & Zoning Commission recommended approval of the SUP request by a vote of 6-0 (Commissioner Fishman absent).

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2014-037: Indoor Auto Center

Hold a public hearing to discuss and consider a request by Bill Bricker of Bricker Enterprise Company (DBA Brick House Cars) on behalf of Rockwall Commercial Property Management for the approval of a Specific Use Permit to allow for an Indoor Motor Vehicle Dealership/Showroom on a one (1) acre portion of a larger 50.826-acre tract of land, identified as Tract 31 of the R. Ballard Survey, Abstract No. 29, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, addressed as 1200 E. Washington Street, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 1/13/2015 at 6:00 p.m.,** and the City Council will hold a public hearing on **Tuesday, 1/20/2015 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

JoDee Sanford
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **1/20/2015** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

December 8, 2014

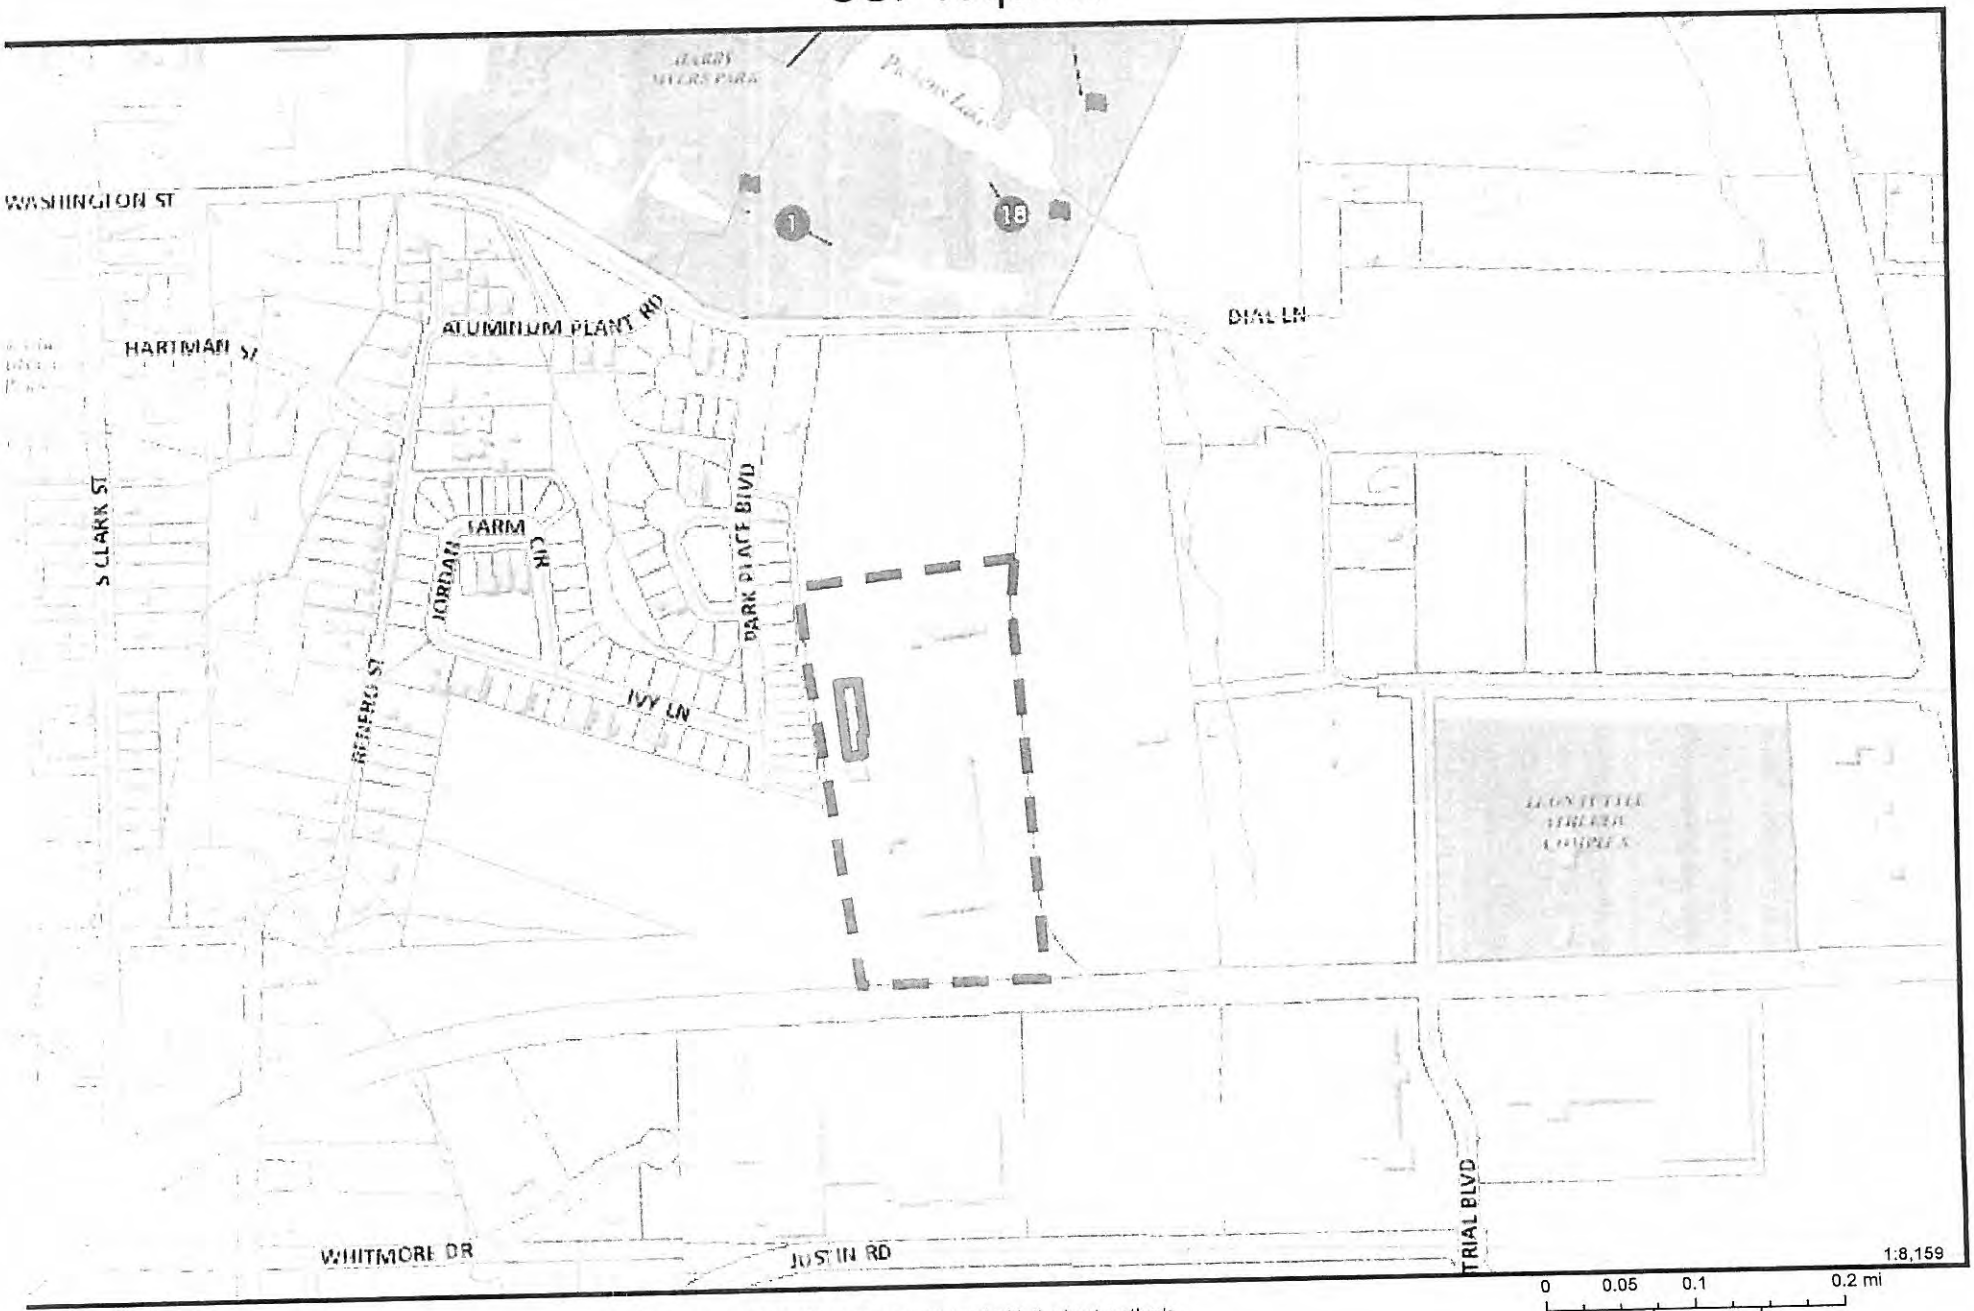
City of Rockwall
Planning and Zoning Department
385 S. Goliad Street
Rockwall, TX 75087

Dear Sirs;

I am requesting an SUP be granted for the purpose of establishing an indoor display only, used car business or businesses within a building on the property at 1200 E Washington St., Rockwall, TX 75087.

The business is for the purpose of buying and selling used cars on a wholesale/retail basis. No outdoor storage is necessary to operate and there will not be any outdoor storage. This type of business is by appointment only and thus no drive by or impulse shopping will occur. The business activity will be housed in a building that is 1,000 feet from the road and thus there will be no impact to the streetscape on Washington.

The building is noted on the attached map from Rockwall.com and the building shown is in the northwest corner of the property and is about 12,500 square feet. Not all of this space will be utilized initially but may be in the future depending on business growth.



Please contact me for any questions or clarifications.

Sincerely,

CW Bricker

CITY OF ROCKWALL

ORDINANCE NO. 14-___

SPECIFIC USE PERMIT NO. S-

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) WITHIN A LIGHT INDUSTRIAL (LI) DISTRICT ALLOWING FOR AN INDOOR MOTOR VEHICLE DEALERSHIP/SHOWROOM LOCATED IN A 12,500 SQUARE FOOT BUILDING INDICATED IN "EXHIBIT A" OF THIS ORDINANCE AND ADDRESSED AS 1200 E. WASHINGTON STREET, WHICH IS LOCATED ON A PORTION OF A LARGER 50.826-ACRE TRACT OF LAND DESCRIBED AS TRACT 31 OF THE R. BALLARD SURVEY, ABSTRACT NO. 29, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Bill Bricker of Bricker Enterprise Company (dba Brick House Cars) on behalf of Rockwall Commercial Property Management for a Specific Use Permit within a Light Industrial (LI) District allowing for an Indoor Motor Vehicle Dealership/Showroom located in a 12,500 square foot building indicated in "Exhibit A" of this ordinance and addressed as 1200 E. Washington Street, which is located on a portion of a larger 50.826-acre tract of land described as Tract 31 of the R. Ballard Survey, Abstract No. 29, City of Rockwall, Rockwall County, Texas; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit allowing for an Indoor Motor Vehicle Dealership/Showroom within a Light Industrial (LI) District, located in a 12,500 square foot building indicated in "Exhibit A" of this ordinance and addressed as 1200 E. Washington Street, which is located on a portion of a larger 50.826-acre tract of land described as Tract 31 of the R. Ballard Survey, Abstract No. 29, City of Rockwall, Rockwall County, Texas; and

Section 2. That the Specific Use Permit shall be subject to the conditions set forth in **Section 2.1.8, Auto and Marine-Related Use Conditions, of Article IV, Permissible Uses and Section 5.3, *"LI" Light Industrial (LI) District*, of Article V, *District Development Standards*, of the City of Rockwall Unified Development Code (Ordinance No. 04-38)** as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE ____ DAY OF _____, 2015.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 01/20/2015

APPLICANT: Ben McMillian

AGENDA ITEM: **Z2014-038;** 503 N. Goliad SUP

SUMMARY:

Hold a public hearing to discuss and consider a request by Ben McMillian of Hazel & Olive on behalf of the owner of the property for the approval of a Specific Use Permit to allow for a *General Retail Store* in conjunction with an office and photography studio within Planned Development District 50 (PD-50) for two (2) parcels of land, being 0.43-acres of land, identified as Lots 19A & 19B of the Amick Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, addressed as 503 N. Goliad Street [*SH-205*], and take any action necessary.

BACKGROUND INFORMATION:

The applicant, Ben McMillian of Hazel and Olive, is requesting a Specific Use Permit (SUP) to allow for a *General Retail Store* in conjunction with an office and photography studio on two (2) parcels of land that are currently vacant. The properties are within Planned Development District (PD-50) No. 50 and the North Goliad Corridor Overly (NGC OV) District, has an underlying zoning of Residential Office (RO) District, and is generally located at 503 N. Goliad Street. Based on the conceptual floor plan submitted, the office space and storage area will be comprised of ~2,730 sq. ft. in area while the photography studio and *general retail* will occupy 1,200 sq. ft. The office and photography studio uses are established by right; however, the *general retail* component will require an SUP.

Should the SUP be approved, the applicant intends to build a facility with a ~3,540 sq. ft. building footprint, which will meet the architectural and building design standards for new construction established in the NGC OV. This district establishes design standards to guide the new construction of buildings, streetscapes, and architectural styles to be consistent with the existing historical residential homes and businesses located along the corridor. Building elevations will be submitted as part of the site planning process and will be reviewed by the Historic Preservation Advisory Board (HPAB) to assure consistency with the architectural styles and the standards of the district. The HPAB will forward its recommendation to the Planning and Zoning Commission.

Based on the conceptual site plan submitted, the applicant is proposing the installation of thirteen (13) parking spaces for the development. The required parking for both the retail store and photography studio is one (1) space for each 250 sq. ft., while the office is calculated at one (1) space per 500 sq. ft. for a total of eleven (11) parking spaces, which meets the requirements for the site. Also, the conceptual site plan indicates the parking spaces to be located behind the front façade of the building; meeting the requirements for PD-50 and the RO district where parking is not to be located in the front yard.

NOTIFICATION:

On December 30, 2014, staff mailed one hundred-ten (110) notices to property owners within 500 feet of the subject property; however, since there are no HOA/Neighborhood Organizations within 1500 feet participating in the notification program, there was no additional notice forwarded by e-mail. Additionally, staff posted a sign on the property as required by the Unified Development Code (UDC). At the time this report was drafted, staff has received two (2) notice "for" and one (1) notice "opposed to" the zoning change requested.

RECOMMENDATIONS:

Should the Specific Use Permit be approved, staff would offer the following conditions:

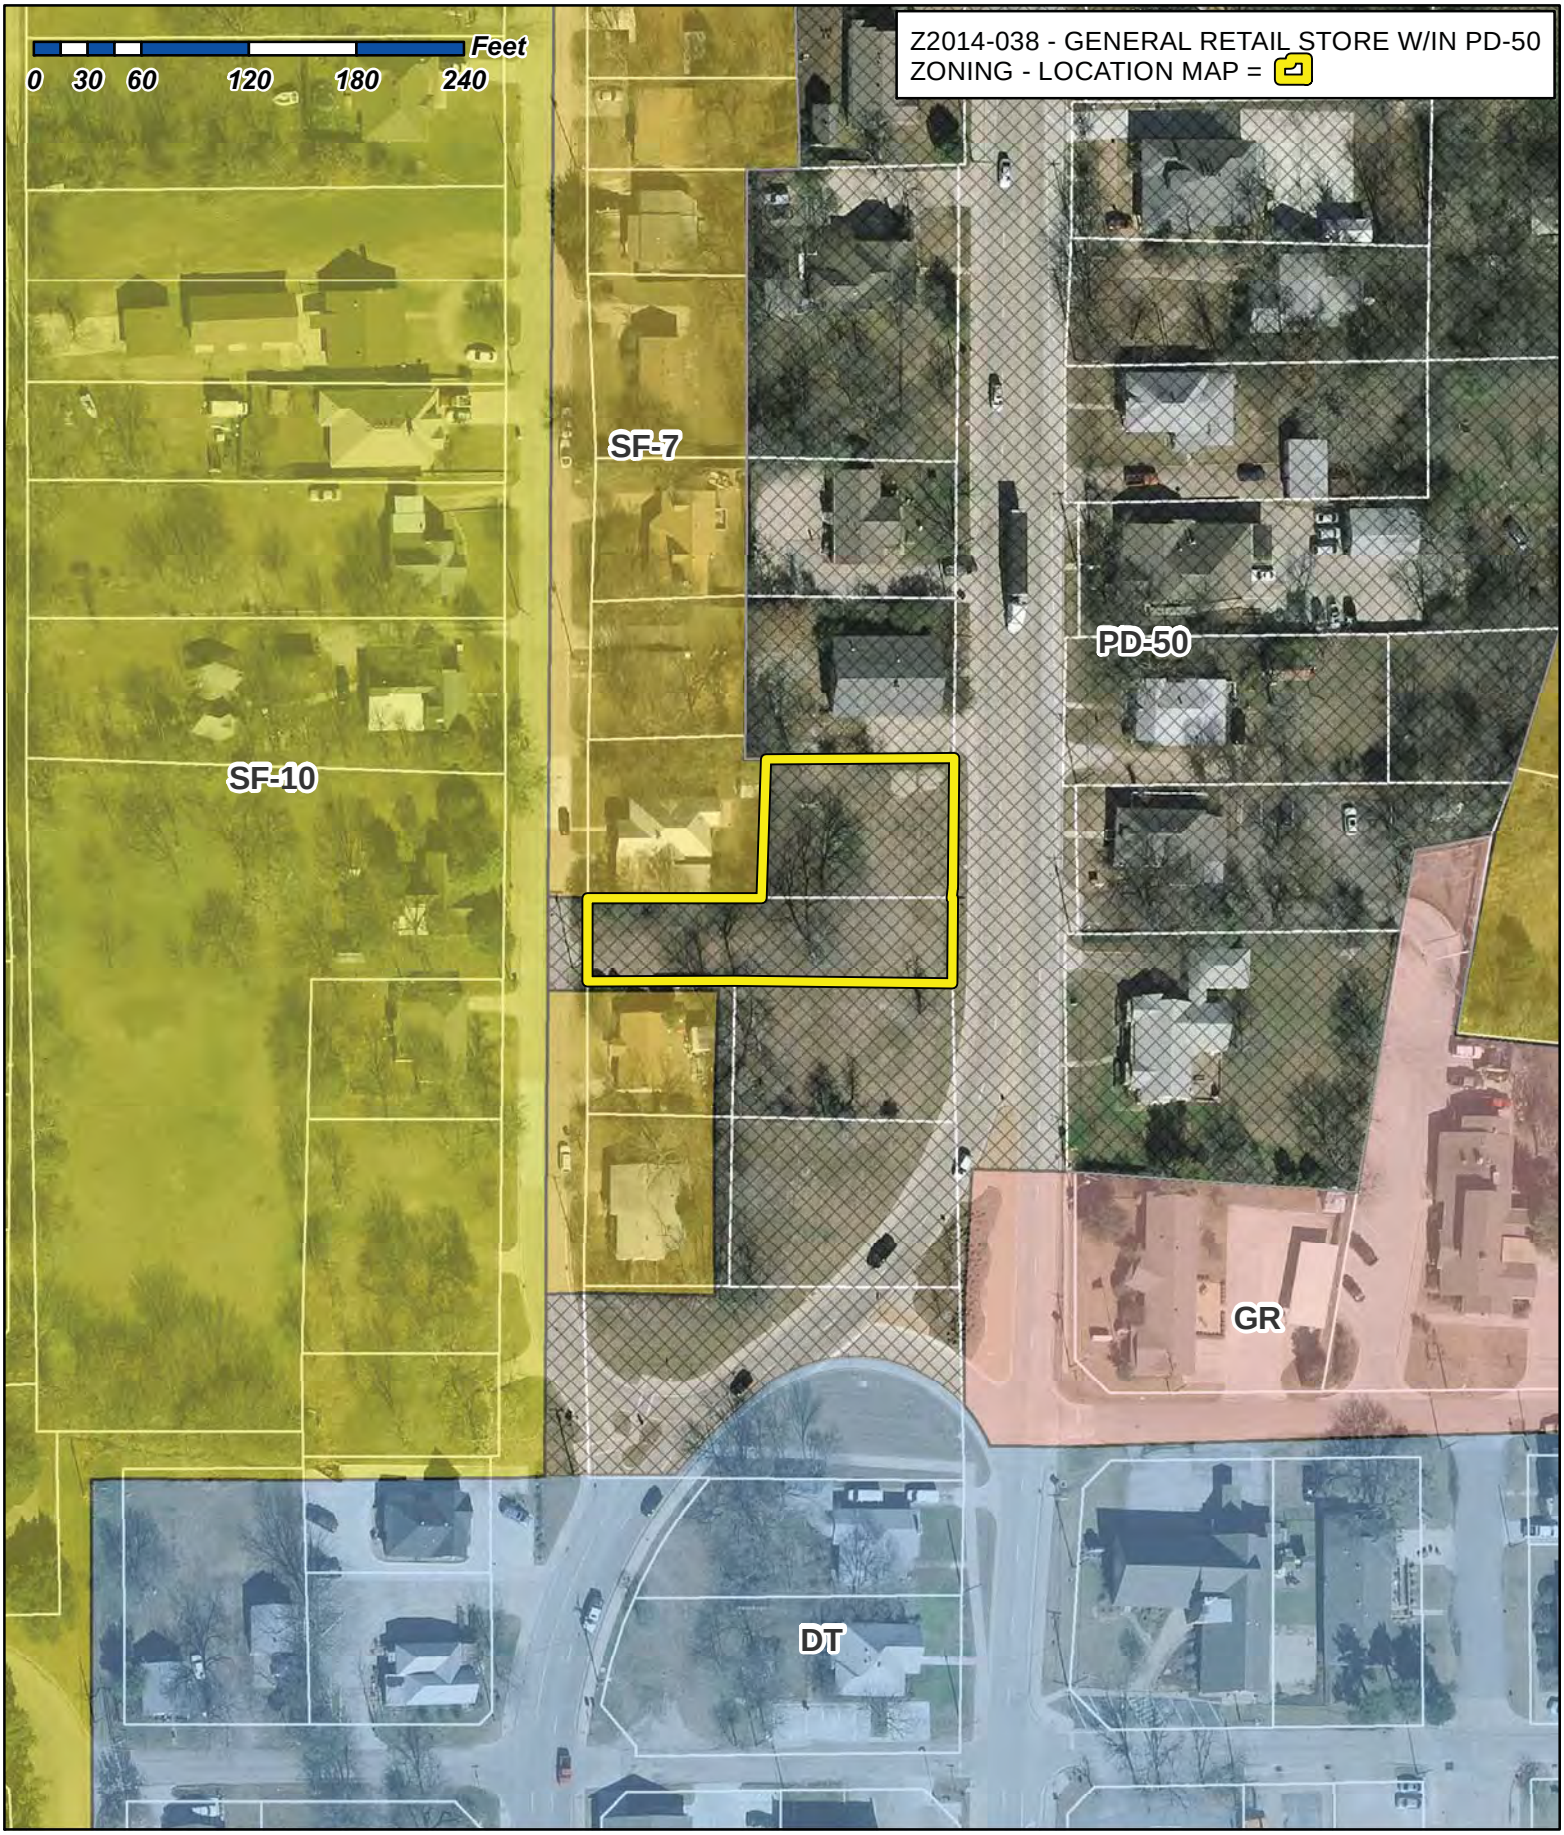
1) Adherence to Engineering and Fire Department standards.

2) That the proposed conceptual site plan shall be attached to the SUP Ordinance for the purpose of establishing a property boundary for the purpose of developing a *General Retail Store*.

3) That the *General Retail Use* will be generally limited to 1,200 sq. ft. as depicted on the floor plan.

4) That submittal and approval of a site plan and replat will be required prior to issuance of building permit.

5) That all signage requires a separate permit and must conform to the standards established for the North Goliad Overlay District.



6) That joint or shared access shall be provided to the property directly north of the subject property.

7) That no parking shall be allowed in the SH205 right-of-way or in front of the building.

8) The City Council reserves the right to review the Specific Use Permit one year after approval.

Planning and Zoning Commission Recommendation:

On January 13, 2015, the Planning and Zoning Commission recommended approval of the SUP with staff conditions by a vote of 6 to 0 (Fishman – absent).

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2014-038: Retail, Photography & Office

Hold a public hearing to discuss and consider a request by Ben McMillian of Hazel & Olive on behalf of the owner of the property for the approval of a Specific Use Permit to allow for a General Retail Store in conjunction with an office and photography studio within Planned Development District 50 (PD-50) for two (2) parcels of land, being 0.43-acres of land, identified as Lots 19A & 19B of the Amick Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, addressed as 503 N. Goliad Street [SH-205], and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 1/13/2015 at 6:00 p.m.,** and the City Council will hold a public hearing on **Tuesday, 1/20/2015 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **1/20/2015** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

ORDINANCE NO. 15-XX

SPECIFIC USE PERMIT NO. S-XXX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A A GENERAL RETAIL STORE IN CONJUNCTION WITH AN OFFICE AND PHOTOGRAPHY STUDIO IN A RESIDENTIAL-OFFICE (RO) DISTRICT, ON TWO (2) PARCELS OF LAND, BEING 0.43-ACRES AND IDENTIFIED AS LOTS 19A & 19B OF THE AMICK ADDITION, AND GENERALLY LOCATED AT 503 NORTH GOLIAD STREET, ZONED PLANNED DEVELOPMENT DISTRICT NO. 50 (PD-50); AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a Specific Use Permit (SUP) to allow for a *General Retail Store* in conjunction with an office and photography studio in a Residential-Office District and zoned Planned Development District No. 50 (PD-50) for residential-office land uses, has been requested by Ben McMillian of Hazel and Olive, on two (2) parcels of land, being 0.43-acres and identified as Lots 19A & 19B of the Amick Addition, and generally located at 503 North Goliad Street, and more specifically described in Exhibit 'A' of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) to allow for a *General Retail Store* in conjunction with an office and photography studio and zoned Planned Development District No. 50 (PD-50) for the *Subject Property*;

SECTION 2. That the Specific Use Permit shall be subject to the conditions set forth in ***Planned Development District No. 50*** **(PD-50) & Section 4.2,** ***Residential Office (RO) District*****, of Article V,** ***District Development Standards*****, of the City of Rockwall Unified Development Code**

DRAFT ORDINANCE 04.13.2015

(Ordinance No. 04-38) as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following additions:

2.1 Operational Conditions

The following conditions pertain to the operation of the General Retail Store on the subject property at 503 North Goliad Street and conformance to these stipulations is required for continued operations:

1) That the proposed conceptual site plan shall be attached to the SUP Ordinance for the purpose of establishing a property boundary for the establishment of a *General Retail Store* as attached hereto as Exhibit 'A'; and

2) That the *General Retail Use* will be generally limited to 1,200 sq. ft. as depicted on the floor plan attached hereto as Exhibit 'B'; and,

3) That submittal and approval of a site plan and replat will be required prior to issuance of building permit; and,

4) That all signage requires a separate permit and must conform to the standards established for the North Goliad Overlay District; and,

5) That joint or shared access shall be provided to the property directly north of the subject property; and,

6) That no parking shall be allowed in the SH205 right-of-way or in front of the building; and,

7) The City Council reserves the right to review the Specific Use Permit one year after approval.

SECTION 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

SECTION 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 7. That this ordinance shall take effect immediately from and after its passage and the

DRAFT ORDINANCE 03.2015

publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE ____ DAY OF _____, 2015.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 1/20/2015

APPLICANT: Zack Amick

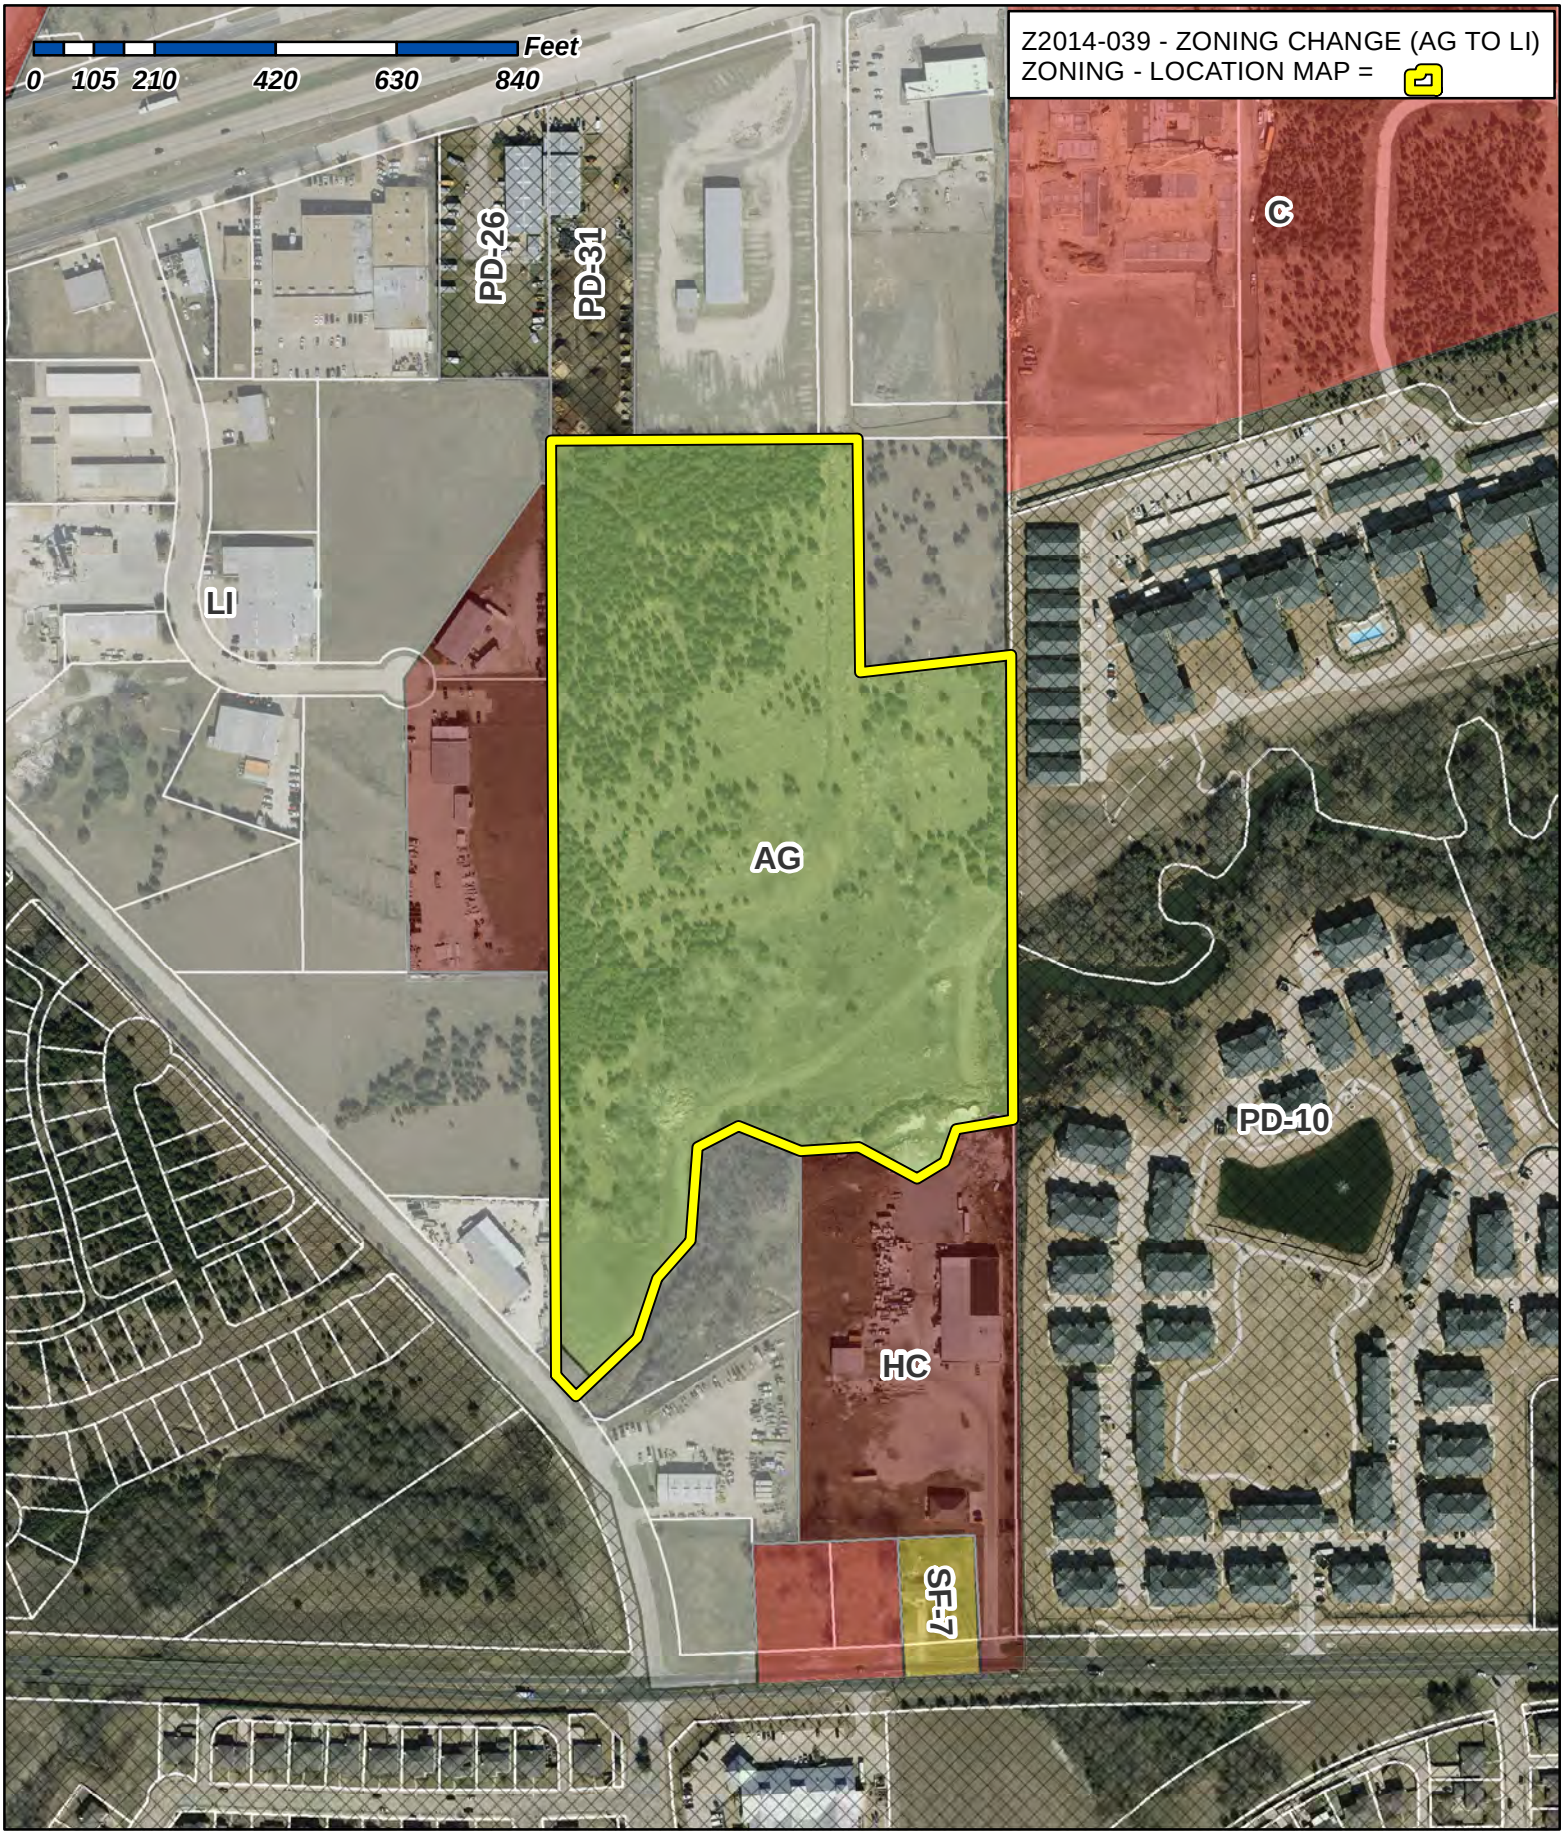
AGENDA ITEM: **Z2014-039;** Change from AG to LI

SUMMARY:

Hold a public hearing to discuss and consider a request by Zack Amick of Gordon Rockwall Investments, LLC for the approval of a zoning change from an Agricultural (AG) District to a Light Industrial (LI) District for a 21.684-acre tract of land identified as Tract 4 of the N. M. Ballard Survey, Abstract No. 24, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, located in between Commerce Street and T. L. Townsend Drive, and take any action necessary.

BACKGROUND INFORMATION:

The applicant has requested to rezone approximately 21.68-acres on the south side of IH-30 between Commerce Street and T.L. Townsend Drive from Agricultural (AG) District to Light Industrial (LI) District. The owner intends to develop a small portion of the property to the north as additional display for the existing Hyundai car dealership. The remainder of the property will be subdivided into pad sites that will be added in the future. Commerce Street will also be extended to connect with T.L. Townsend Drive. The Future Land Use map indicates this area as a potential "Special District"; however, rezoning the property to LI is considered to be conforming with respect to the Future Land Use plan as the zoning change will create consistency with the surrounding properties.



The majority of properties to the north are zoned Light Industrial. The properties to the south and west are zoned Heavy Commercial and Light Industrial. The property to the east is zoned PD-10 with an underlying zoning of Multi-Family which is the existing site of the Mansions Apartments and Orion (age-restricted).

NOTIFICATION:

A notice was published in the Rockwall County Herald-Banner on December 26, 2014. Staff mailed forty-eight (48) notices to property owners and non-owner occupants within 500 feet of the subject property. Additionally, staff posted signage along the street frontage adjacent to the subject property as required by the UDC. At the time this case memo was drafted, staff had received two (2) responses in support of the request.

PLANNING & ZONING COMMISSION:

On January 13, 2015, the Planning & Zoning Commission recommended approval of the zoning change by a vote of 6-0 (Commissioner Fishman absent).

Haack to Thomas Real Estate, L.P. dated November 12, 1998, and recorded in Volume 1507, at Page 203 of the Deed Records of Rockwall County, Texas (DRRCT) and being situated in the N.M. Ballard Survey, Abstract No. 24, City of Rockwall, Rockwall County, Texas, and also being part of a called 25.281-acre tract of land described in the deed from Haldeman, Inc. to Buddy R. Haldeman dated the 20th day of March, 1984, and recorded in Volume 193, at Page 406 DRRCT and being more particularly described as follows:

BEGINNING at a 1/2-inch steel rod found at the intersection of the northeasterly right-of-way line of High School Drive (a variable width right-of-way commonly known as T.L. Townsend Drive) with the easterly line of Bodin Industrial Tract according to the plat thereof recorded in Cabinet A, on Slide 347 of the DRRCT said 1/2-steel rod also marking the most southerly or southeasterly corner of a 1-acre lot, tract or parcel described in the deed from James Valk et ux to James Valk, Sr. et al dated the 23rd day of March, 2010, and recorded in Volume 6070, at Page 268 DRRCT, and having coordinates of:
X. 2,600,974.41 U. S. Survey Feet
Y. 7,019,534.15 U. S. Survey Feet;

THENCE:

- N 00°21'13"W with the westerly line of the 22.303-acre tract and with easterly line of the last mentioned Bodin Industrial Tract at a distance of 304.86 feet pass 1/2-inch steel rod found
- And continuing on the same course and with the common line between the 22.303-acre tract and Bodin Industrial Tract at an additional distance of 376.39 feet pass one foot west of a 1/2-inch steel rod found
- And continuing on the same course and with the common line between the 22.303-acre tract and Bodin Industrial Tract at an additional distance of 863.78 feet pass a 3/8-inch steel rod found marking the northeasterly corner of a 1-acre tract or parcel of land described in the deed from John W. McDaniel et ux to IRT Construction, Inc., dated December 31, 1997, and recorded in Volume 1314, at Page 250 of the DRRCT
- And continuing on the same course and with the common line between the 22.303-acre tract and Bodin Industrial Tract at an additional distance of 71.85 feet for a total distance of 1,616.88 feet (called: 1,625.74 feet) to a 1/2-inch steel rod found for the southwest corner of a 2.16-acre tract of land described in the deed from Cibola Properties, Ltd, to Rockwall Credit Services, L.C. dated September 30, 2005, and recorded in Volume 4314, at Page 34 DRRCT;

THENCE N 89°22'30"E with the northerly line of the 22.303-acre tract and the southerly line of the last mentioned 2.16-acre Rockwall Credit Services tract at a distance of 153.71 feet pass a 3/8-inch steel rod marking the southeast corner of said 2.16-acre tract the same being the southwest corner of a 4.922-acre tract described in the deed from Marty K. Salley et vir to Gordon Rockwall Investments, LLC dated 2nd day of October, 2012, and recorded in Volume 6959, at Page 100 DRRCT and continuing on the same course with the northerly line of the 22.303-acre tract and the southerly line of the last mentioned 4.922-acre tract an additional distance of 317.00 feet for a total distance of 470.71 feet to a 3/8-inch steel rod found marking the southeast corner of said 4.922-acre tract;

THENCE N 68°46'16"E with the northerly line of the 22.303-acre tract for a distance of 63.21 feet to a 1/2-inch steel rod found in the westerly boundary line of Rockwall Recreation Addition according to the plat thereof recorded in Cabinet F, on Slide 379 DRRCT;

THENCE S 00°35'03"E with the westerly boundary line of said Rockwall Recreation Addition for a distance of 433.41 feet to a 5/8-inch steel rod found for the southwest corner of said addition;

195

THENCE N 89°28'30"E with a northerly line of the 22.303-acre tract and departing the Rockwall Recreation Addition for a distance of 261.25 feet to a 5/8-inch steel rod for its most easterly northeast corner from which a ½-inch steel rod marking the southeast corner of said Rockwall Recreation Addition bears N 01°02'39"W a distance of 24.60 feet;

THENCE S 00°31'33"E with the easterly line of said 22.303-acre tract at a distance of 389.26 feet pass 7.5 feet west of a Flood Plain Monument called on Sheet 2 of 6 of the plat of the Mansions Senior Addition according to the plat thereof recorded in Cabinet G, on Slide 389-394 DRRCT and continue on the same course and with the easterly line of said 22.303-acre tract for an additional distance of 378.14 feet for a total distance of 767.40 feet to a point on the platted northerly line of Lot 1, Block 1 Houser Addition according to the plat thereof recorded in Cabinet B, at Slide 174 of the Map Records of Rockwall County, Texas, and being N 73°16'24"W a distance of 8.07 feet from the northeast corner of said Lot 1;

THENCE generally along the high bank of Buffalo Creek the following six (6) courses and distances:

- N 41°18'30"W a distance of 74.72 feet to a 5/8-inch steel rod set with an orange plastic cap stamped "R-DELTA ENGINEERS"
- S 86°07'24"W a distance of 102.81 feet to a 5/8-inch steel rod set with an orange plastic cap stamped "R-DELTA ENGINEERS"
- S 69°01'44"W a distance of 61.40 feet to a 5/8-inch steel rod set with an orange plastic cap stamped "R-DELTA ENGINEERS"
- S 62°32'37"W a distance of 38.24 feet to a 5/8-inch steel rod set with an orange plastic cap stamped "R-DELTA ENGINEERS"
- S 41°12'23"W a distance of 70.66 feet to a 5/8-inch steel rod set with an orange plastic cap stamped "R-DELTA ENGINEERS"
- S 80°55'55"W a distance of 79.86 feet to the northwest corner of said Lot 1, Block 1 Houser Addition, from which a 1/2-inch steel rod found bears S 00°13'03"E a distance of 40.51 feet and a 5/8-inch steel rod set in the thread of Buffalo Creek with an orange plastic cap stamped "R-DELTA ENGINEERS" bears N 20°W a distance of 0.45 feet;

THENCE with the thread of said Buffalo Creek the following eight (8) courses and distances:

- S 74°05'53"W a distance of 31.97 feet;
- N 34°02'33"W a distance of 39.97 feet;
- S 73°38'14"W a distance of 97.75 feet;
- S 02°51'37"W a distance of 93.25 feet;
- S 16°31'48"E a distance of 69.66 feet;
- S 24°26'02"W a distance of 76.47 feet;
- S 38°41'24"W a distance of 251.24 feet;
- S 57°43'03"W a distance of 62.30 feet to a point on the northeasterly right-of-way line of High School Drive;

THENCE N 35°21'16"W with the northeasterly right-of-way line of High School Drive a distance of 87.69 feet to the PLACE OF BEGINNING and containing 944,552 square feet or 21.684 acres of land.

CITY OF ROCKWALL

ORDINANCE NO. 14-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A LIGHT INDUSTRIAL (LI) DISTRICT FOR A 21.684-ACRE TRACT OF LAND IDENTIFIED AS TRACT 4 OF THE N.M. BALLARD SURVEY, ABSTRACT NO. 24, CITY AND COUNTY OF ROCKWALL, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT "A" OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Zack Amick of Gordon Rockwall Investments, LLC, for an amendment to the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall to adopt a change in zoning from an Agricultural (Ag) District to a Light Industrial (LI) District for a 21.684-acre tract of land identified as Tract 4 of the N.M. Ballard Survey, Abstract No. 24, City and County of Rockwall, Texas, and more specifically described in Exhibit "A" of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning from an Agricultural (Ag) District to a Light Industrial (LI) District for the *Subject Property*; and

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes provided for a Light Industrial (LI) District as stipulated by *Section 1.1, "Use of land and buildings", Article IV, "Permissible Uses",* and in *Section 5.3, "Light Industrial (LI) District", Article V, "District Development Standards", of the Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future.

Section 3. That the official zoning map of the City be corrected to reflect the changes in the zoning described herein.

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ON THIS THE ____ DAY OF _____, 2015.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 01/20/2015

APPLICANT: Cameron Slown; *FC Cuny Corporation*

AGENDA ITEM: **Z2014-040**; *Spring Hill Suites Hotel (Marriott) SUP*

SUMMARY:

Hold a public hearing to discuss and consider a request by Cameron Slown of FC Cuny Corporation on behalf of Tom Kirkland of Tekmak Development Company for the approval of a Specific Use Permit (SUP) for a hotel on a 2.968-acre parcel of land identified as Lot 3A, Block A, Shoreline Plaza Addition and Lot 1-1, Block A, Henry Africa Subdivision, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the IH-30 Overlay (IH-30 OV) District, located at the southeast corner of the intersection of the IH-30 Frontage Road and Lakefront Trail, and take any action necessary.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is a restaurant (*The Oar House Restaurant*), which is situated on a 0.65-acre parcel of land zoned Planned Development District 32 (PD-32) for residential/office uses. North of this use is the IH-30 Frontage Road followed by the main lanes of IH-30.

South: Directly south of the subject property is an office building (*Land Headquarters Company, Inc.*), which is situated on a 0.57-acre parcel of land zoned Planned Development District 32 (PD-32). Beyond this use is a surface parking lot that is currently being used by the existing Harbor development.

East: Directly east of the subject property is a 6.34-acre parcel of land zoned Planned Development District 32 (PD-32). A *PD Development Plan* [*Ordinance No. 13-16*] proposing the construction of residential condominiums and retail/restaurant pad sites was approved on June 17, 2013.

West: Directly west of the subject property is the proposed roundabout at the junction of Shoreline Trial and Harbor Heights Drive. Beyond this is land designated for retail/restaurant pad sites per *Ordinance No. 13-16*.

PURPOSE AND CHARACTERISTICS OF THE REQUEST:

The applicant is requesting a Specific Use Permit (SUP) for the purpose of establishing a *Hotel* and *Conference Center* on the subject property. The subject property is a 2.968-acre parcel of land situated within the *Freeway Frontage Subdistrict* of Planned Development District 32 (PD-32) [*Ordinance No. 10-21*]. According to the *Subdistrict Land Use Chart* located in *Exhibit 'D'* of *Ordinance No. 10-21* the *Hotel, Full Service* land use requires a SUP in all subdistricts. As part of this request, staff has included a requirement in the SUP ordinance that a minimum of a 3,000 SF *Conference Center* shall be included with the development of the hotel. A *Conference Center* in this case is understood to be an area that is exclusively used to host conferences, exhibitions, large meetings, seminars, training session, and other similar events. In addition, the SUP ordinance also includes a stipulation that the hotel not be utilized as an *Extended Stay,*

Transient or *Residence Hotel*. An *Extended Stay, Transient* or *Residence Hotel* in this case is understood to be any hotel facility in which the majority of the rooms contain facilities (*i.e. storage, refrigeration, food preparation area, and etcetera*) that accommodate long-term inhabitance and which are advertised, designed and utilized for weekly or monthly occupancy.

With the submittal of the SUP application, the applicant has also submitted an application for site plan (*Case No. SP2014-034*); however, the site plan has been tabled until corrections are submitted by the applicant. The conceptual site plan and building elevations that will be included in the SUP ordinance are conceptual in nature and should not affect changes that are required through the site planning process. The approval of this case does not have an impact on the outcome of the site plan; however, the site plan case does contain a condition of approval that requires a SUP to be approved prior to acceptance of the site plan.

NOTIFICATION:

On December 30, 2015, staff mailed 18 notices to property owners and residents within 500-feet of the subject property. Staff also emailed notice of the request to the Lakeside Village and Lago Vista Homeowner's Associations (HOAs), which are the only HOAs located within 1,500 feet of the subject property. Additionally, staff posted a sign at the northwest corner of the intersection of the IH-30 Frontage Road and Lakefront Trail as required by the Unified Development Code (UDC). At the time this case memo was drafted no responses were received by staff.

RECOMMENDATIONS:

If the Planning and Zoning Commission chooses to approve the applicant's request for a Specific Use Permit (SUP) for a *Hotel, Full Service* land use on the subject property then staff would recommend the following conditions of approval:

1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the SUP ordinance and summarized as follows:

    a) The development of this property shall generally conform to the *Site Plan* depicted in the zoning ordinance;
    b) The development of this property shall generally conform to the *Building Elevations* depicted in the zoning ordinance;
    c) The development of a hotel on the subject property shall incorporate a minimum of 3,000 SF of floor area that will be utilized for the operation of a Conference Center (*i.e. an area that is exclusively used to host conferences, exhibitions, large meetings, seminars, training sessions, etcetera*); and,
    d) The *Subject Property* is prohibited from being utilized as an *Extended Stay, Transient* or *Residence Hotel*.

2) The applicant shall comply with all Planning, Engineering and Fire comments prior to the approval of the SUP;

3) Prior to the issuance of a Certificate of Occupancy the applicant shall be required to submit a replat that indicates the location of all easements on the subject property; and,

4) Any construction or building necessary to complete this request must conform to the requirements set forth by the UDC, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On January 13, 2015, the Planning and Zoning Commission voted to recommend approval of the applicant's request per staff's recommendations by a vote of 6-0, with Commissioner Fishman absent.

CITY OF ROCKWALL

ORDINANCE NO. 15-XX

SPECIFIC USE PERMIT NO. S-1XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) FOR A HOTEL WITHIN PLANNED DEVELOPMENT DISTRICT 32 (PD-32), FOR A 2.968-ACRE LOT, CONTAINING TWO (2) PARCELS OF LAND IDENTIFIED AS LOT 3A, BLOCK A, SHORELINE PLAZA ADDITION (1.824-ACRES) AND LOT 1-1, BLOCK A, HENRY AFRICA ADDITION (1.143-ACRES), CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Cameron Slown of FC Cuny Corporation on behalf of Tom Kirkland of Tekmak Development Company for the approval of a Specific Use Permit (SUP) to allow a *Hotel* on a 2.968-acre lot containing two (2) parcels of land identified as Lot 3A, Block A, Shoreline Plaza Addition (1.824-acres) and Lot 1-1, Block A, Henry Africa Addition (1.143-acres), City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), located within the IH-30 Overlay (IH-30 OV) District, and more specifically described in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW AND THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for a *Hotel* within the *Freeway Frontage Subdistrict* as stipulated by *Exhibit 'D': Subdistrict Land Use Chart* of Planned Development District 32 (PD-32) [*Ordinance No. 10-21*] on the *Subject Property*; and

SECTION 2. That the *Subject Property* shall be developed and/or used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance, Planned Development District 32 (PD-32) [*Ordinance No. 10-21 & 14-44*] and as stipulated by Section 4.1, *General Commercial District Standards*, of Article IV, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following conditions and compliance standards:

DRAFT ORDINANCE 01.20.15

2.1 Operational Conditions

The following conditions pertain to the operation of a *Hotel* on the *Subject Property*, and conformance to these operational conditions are required for continued operations:

1) The development of this property shall generally conform to the *Site Plan* depicted in *Exhibit 'B'* of this ordinance;

2) The development of this property shall generally conform to the *Building Elevations* depicted in *Exhibit 'C'* of this ordinance;

3) The development of a hotel on the subject property shall incorporate a minimum of 3,000 SF of floor area that will be utilized for the operation of a *Conference Center* (*i.e. an area that is exclusively used to host conferences, exhibitions, large meetings, seminars, training sessions, etcetera*); and,

4) The *Subject Property* is prohibited from being utilized as an *Extended Stay, Transient* or *Residence Hotel*.

SECTION 3. That the official zoning map of the City of Rockwall be corrected to reflect the changes described herein.

SECTION 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *TWO THOUSAND DOLLARS* ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 6. If any section of provision of this ordinance or the application of that section or provision to any person, firm, cooperation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have to adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 18TH DAY OF AUGUST, 2014.

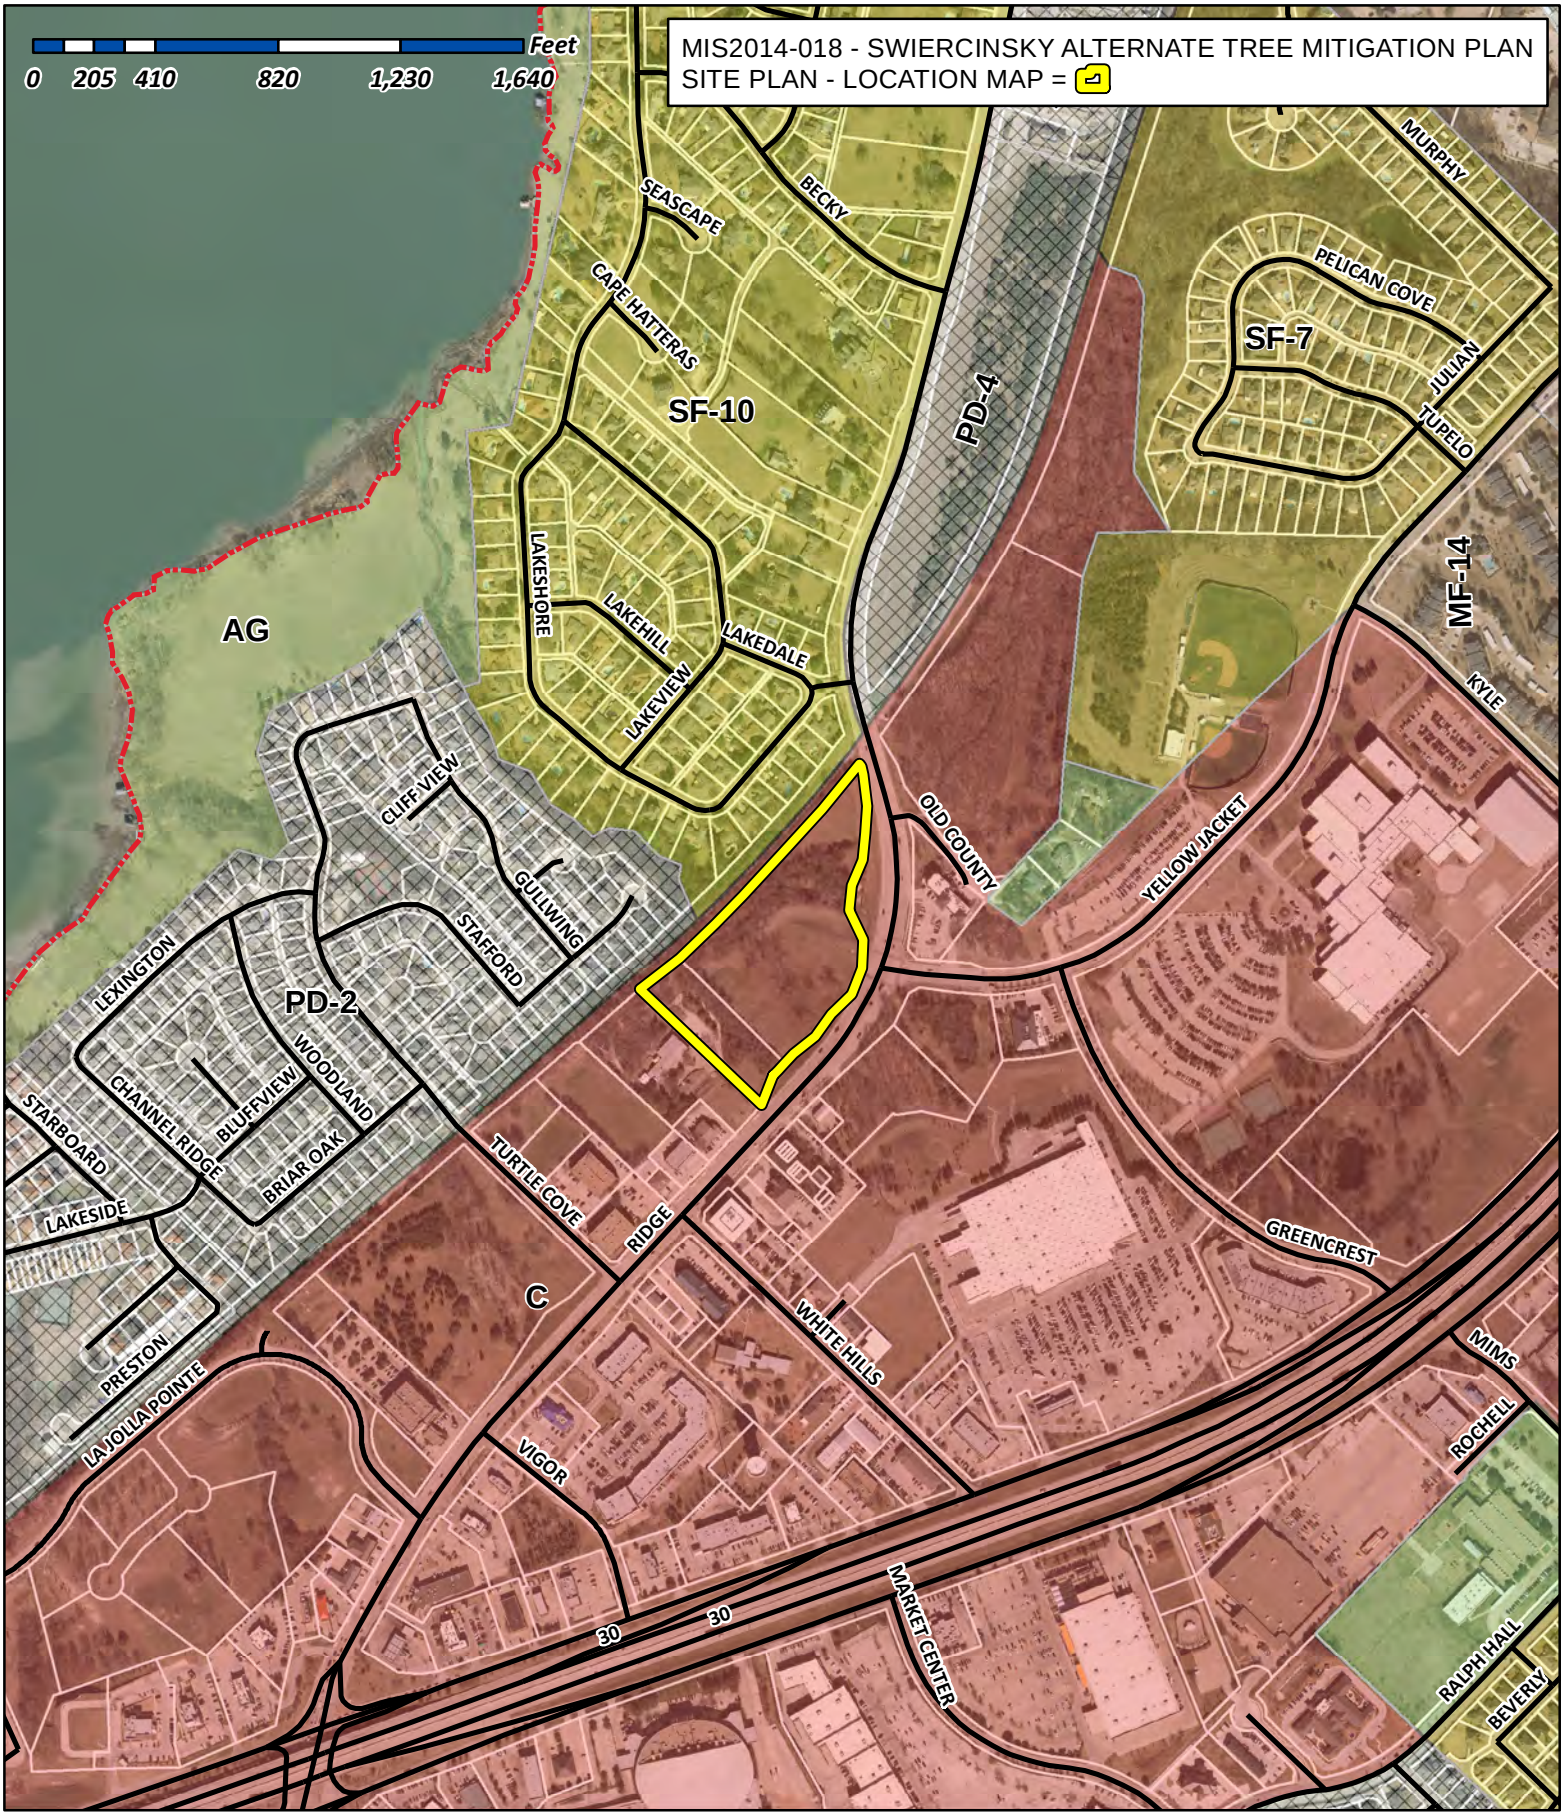
CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council



CC: Robert LaCroix, *Director of Planning and Zoning*

FROM: Ryan Miller, *Planning Manager*

DATE: January 20, 2015

SUBJECT: MIS2014-018; *Treescape Plan (Mike Swiercinsky)*

The applicant, Mike Swiercinsky of Sky Interests Corporation, has submit a *Treescape Plan* indicating the majority of the existing trees situated on subject property (*i.e. Tracts 4 & 19, E. P. G. Chisum Survey, Abstract No. 64*) will be removed as part of a future development plan [*i.e. Exhibit 'B'*]. On January 13, 2015, the Planning and Zoning Commission approved the *Treescape Plan* in accordance with Section 4, *Plan Review and Approval*, of Article IX, *Tree Preservation*, of the Unified Development Code (UDC) by a vote of 6-0 with Commissioner Fishman absent. The approved plan requires a total mitigation of 1,532-inches *OR* 1,374-inches and $19,700.00 (*i.e. remaining purchasable tree credit [157.60] at $125.00 per inch*) to satisfy the requirements of the tree preservation ordinance (*a complete breakdown of the tree mitigation being requested has been provided in Exhibit 'D'*). In order to meet the mitigation the applicant is requesting to pay a lump sum of $111,262.00 (*i.e. $105,800 for Mitigation and $5,462.00 for Delivery)* to the *Tree Fund*. This lump sum represents the applicant's costs to purchase the required trees and pay to have them delivered to the City (*see the invoice in Exhibit 'E'*). Staff has verified the estimate listed on the invoice for the trees and delivery costs. If the applicant's request is approved the lump sum payment would need to be satisfied prior to filing a final plat for the subject property; however, if the request is denied the applicant would be required to provide the Parks Department with the required mitigation (*i.e. 460, 3" caliper trees OR 407, 3" caliper trees and $19,700.00*). The approval of the applicant's request is a discretionary decision for the City Council.

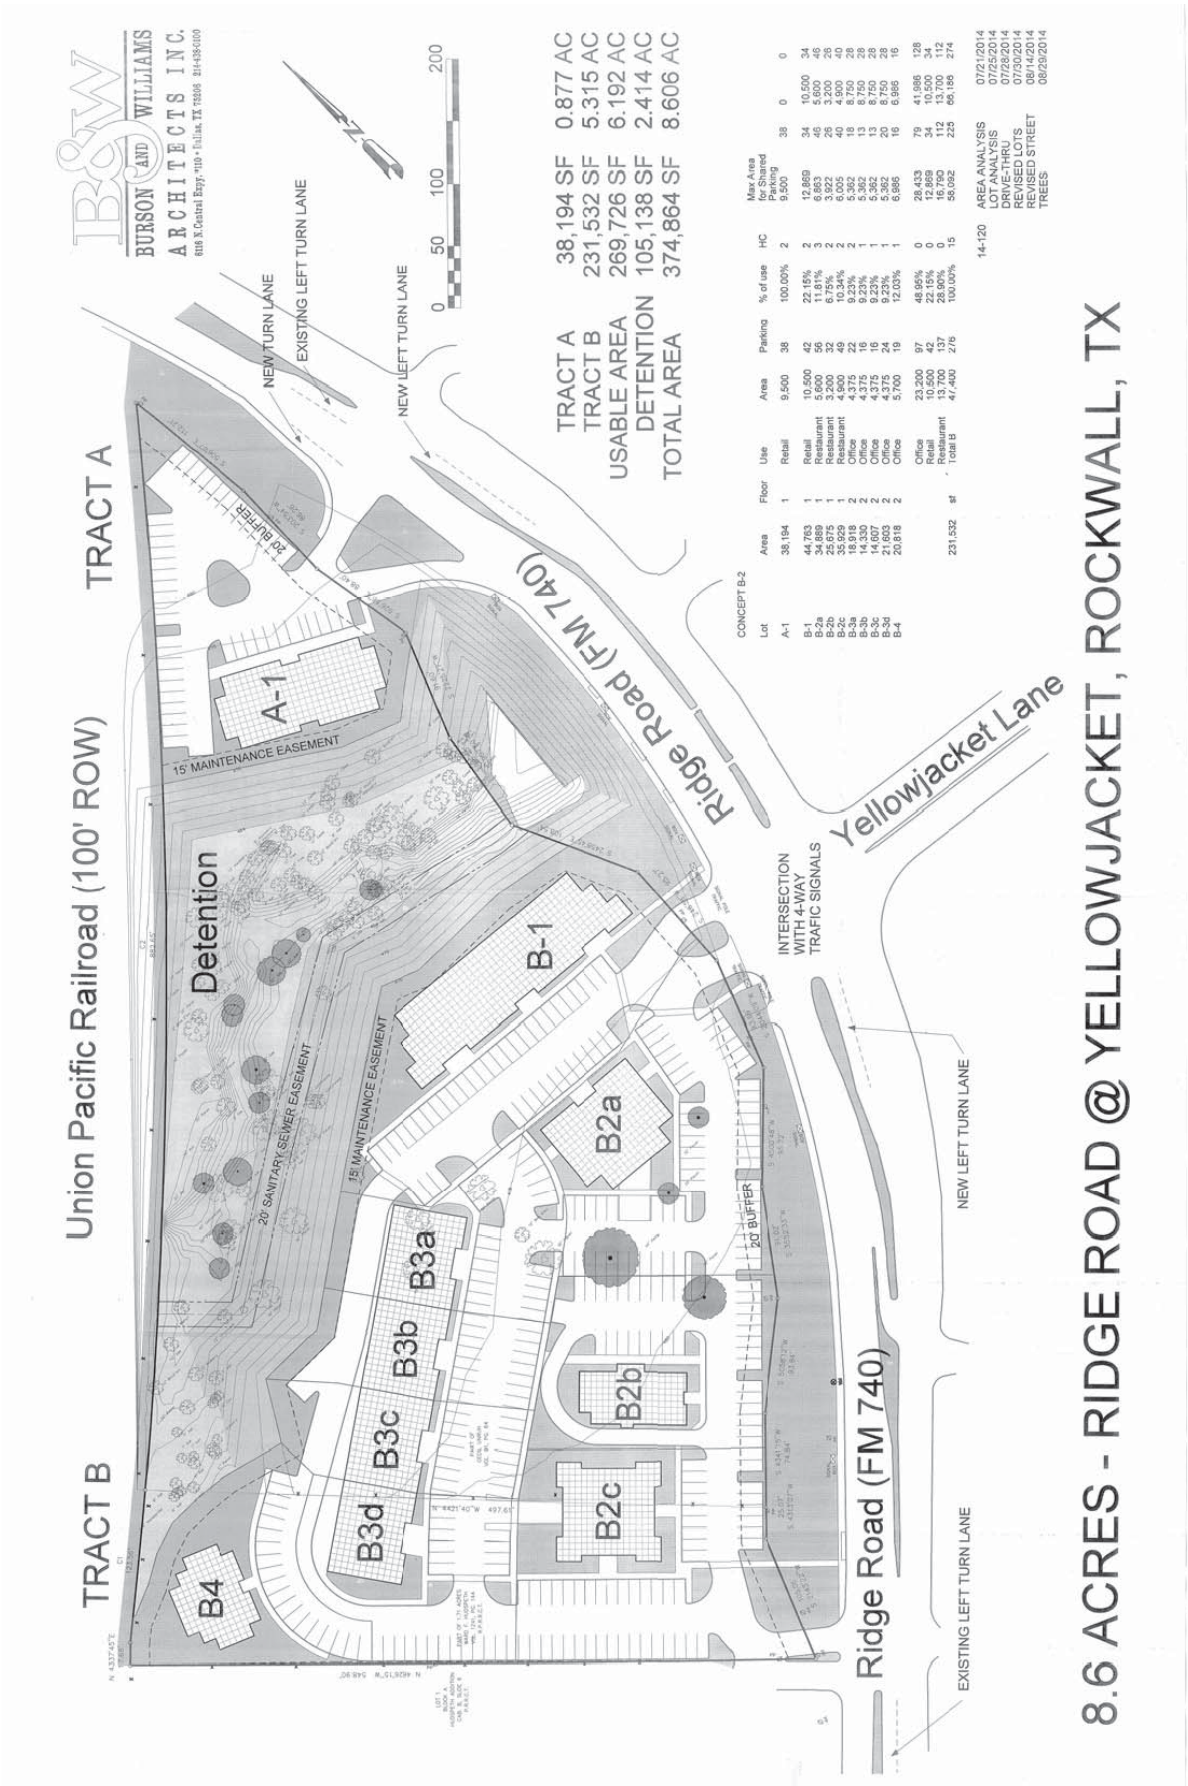
Rockwall, TX 75087

RE: Approximately 8.6 Acres of land located on the West side of Ridge Road @ Yellow Jacket Lane.

Ryan,

Please allow this letter to serve as my formal request for approval concerning a tree mitigation plan for the referenced property.

The trees I propose to remove are necessary in order to efficiently and properly develop the site. The architect and engineers spent much time in attempting to save as many trees as possible yet still leave the property a viable and attractive project to future businesses interested in locating or relocating within Rockwall.



What I have effectively proposed is to conform to today's present mitigation requirements presently in place. That is, per the City's requirements, the trees that will be removed will presently require that I deliver to the City of Rockwall 460 X 3" caliper trees. I believe this may be a logistics problem for the City of Rockwall and it would be easier for me to pay to the City what would otherwise be my cost to provide these trees rather than deliver same. This amount, including delivery, is $111,262.

I appreciate your time and patience throughout this process. As always, please contact me should you have further questions or should you need additional information.

Respectfully submitted,

Michael Swiercinsky

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Ashberry, City Secretary / Assistant to the City Manager**

DATE: **January 13, 2015**

SUBJECT: **Art Commission appointments (3 additional members needed)**

At the January 5 meeting, the City Council appointed Kathleen Morrow and David Sweet to serve on the city's ART Commission. Three vacancies remain to be filled (a total of 5 are needed).

As a reminder, the provisions regarding the ART Commission's composition are as follows:

(a) (1) The art review team (ART) commission shall consist of five members, who shall all be "interested citizens" appointed by the city council. All team members should possess knowledge of or have an interest in contemporary, visual art, artistic principles and art media.

- *a. The art review team (ART) commission shall consist of five regular members appointed by a majority of the city council. A staff liaison will be appointed by the city manager.*
- *b. In the case of a vacancy of the commission, the city council, by a majority vote, may appoint a replacement member to the commission. Any person appointed shall serve until the expiration of the term of office of the vacated position.*
- *c. Each member of the commission shall be a resident citizen and qualified voter of the city.*
- *d. Upon the initial appointment of the commission by the city council, members shall draw lots for three two-year terms and two one-year terms of service. Thereafter, the term of office of members of the commission shall be for two years. Members may be removed, as determined by the city council.*
- *e. Members shall serve without compensation.*

The council member assigned to oversee review of applications and make recommendations to the full council concerning appointments to this commission is now Councilmember Townsend.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Mayor and City Council**

FROM: **Rick Crowley, City Manager**

DATE: **January 15, 2015**

SUBJECT: **Citizen Volunteer Opportunities**

Please find the attached memorandum which specifically outlines an expanded citizen volunteer program.

If the Council is interested in the Staff continuing work on implementation of such a program, the Council may consider the following actions at the meeting on Tuesday evening:

- Directing Staff to make any desired changes to the nature of the program
- Approving the concept of the expanded citizen volunteer program
- Instructing the Staff to develop an implementation plan (to include a proposed schedule), a proposed process for recruiting and appointing volunteers, and recruitment goals

If the Council is interested in the program, these items can be completed and returned to the Council at its next meeting.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Mayor and City Council**

FROM: **Rick Crowley, City Manager**

DATE: **January 15, 2015**

SUBJECT: **New Volunteer Opportunities**

For some time I have mentioned the possibility of a new volunteer opportunity program which would offer more residents an opportunity to share their expertise to help the City accomplish certain tasks. These would involve a focused commitment of several months rather than existing opportunities which typically involve two-year commitments to serve on boards and commissions or commitments for longer periods of time such as those commitments made by volunteer fire fighters, Citizens on Patrol, and CERT volunteers, and others. I am currently planning to bring this forward to the Council for consideration at the second meeting in January.

If this is a program that the Council finds acceptable, the Staff can begin development of a recruitment program following that finding. This work would also provide an opportunity for evaluation of our overall recruitment efforts and allow for the setting of volunteer recruitment goals for the coming year.

The information below is being provided to give the Council an opportunity to review it in advance of its placement on that agenda. If there is interest in these programs, the Staff will develop an implementation schedule and a plan for communicating with those in the City that might have an interest in participating. The implementation plan would include a timeline and take into account the need to include any of the applicable existing boards and commissions that may be involved in matters related to the subject of each project.

New Volunteer Opportunities

Engineering Design Standards

The *City of Rockwall Engineering Standards for Design* is a published document used to provide direction to engineering design professionals by conveying to them the minimum standards that are to govern design of new subdivisions and infrastructure in the City of Rockwall. The document provides local requirements and extensively references the regional design standards document that has been produced by the North Central Texas Council of Governments. The local document has been developed over the years by the Engineering Department and provides various technical requirements including methods of calculation used in design and standard details for various kinds of infrastructure construction and subdivision development. Through the development and adoption of the *City of Rockwall Engineering Standards of Design* the City seeks to clearly convey the standard requirements of

the City while leaving the appropriate level of discretion to the City Engineer to evaluate engineering plans in terms of the specific circumstances of a particular construction project. Local, State, and Federal law, generally accepted engineering design practices, and local quality control measures all influence the content and the requirements established by the document.

Current Circumstance:

The City's first comprehensive *City of Rockwall Engineering Standards of Design* was adopted around 1985 which accomplished several significant changes - probably most notably the adoption of the 100-year storm water drainage standard as opposed to use prior to that time of 10-year and later 25-year design criteria. Since that time, various changes to the document have occurred with some changes having been made over the years by formal adoption of a new manual and some having been made administratively by previous City Engineers.

City Engineer Tim Tumulty has expressed his thought that City Council, City Management, and the design professionals need to have full confidence that the City's design standards reflect the current best practices for design and that these standards reflect the quality that Rockwall seeks to achieve for both infrastructure and development projects. While it is not necessary that these groups all extensively study and understand engineering design, a high level of confidence that the standards reflect the City's desired quality outcome, compliance with applicable laws and regulations, and generally accepted engineering design practice is needed. At the same time this should be accomplished without unnecessary regulation. Further, the standards should allow the City Engineer a level of discretion to ensure that the standards are administered in a practical, fair, and equitable way.

Proposal:

That a volunteer opportunity project be implemented by the City Engineer to accomplish a technical review of the City of Rockwall Engineering Standards of Design seeking volunteer evaluation assistance from residents who have significant expertise in the area of civil engineering, infrastructure, construction or development.

It is anticipated that this would involve a commitment from these volunteers to meet monthly for a period of about 90 days to accomplish review of the document and its requirements. Upon completion of this review, the Engineering Department would submit the proposed revised *City of Rockwall Engineering Standards of Design* to the Council for re-adoption along with a summary of input provided during the process.

<u>Landscape Ordinance Revisions</u>

The City of Rockwall adopted the first Landscape Ordinance in the late 1980's. This was part of a very deliberate "quality of life" effort at that time to ensure that new non-residential development in the City include landscape that reflected the same type of visual attractiveness and community pride that, as a general rule, residential properties in the City exhibit. The Ordinance allowed for individual selection of landscape materials, but it did prohibit use of certain types of landscape materials that were not thought to be good selections for the local climate and soil conditions, were thought to have less desirable appearance, or were lacking in terms of providing long term landscape contributions. A list of suggested, "well-suited" landscape materials was also provided. This ordinance further required the non-residential property owner to maintain the required landscape installations over time. (Mitigation for tress potentially lost as a result of development was covered by a separate Ordinance and was adopted later.) The Landscape Ordinance established by the ordinance were initially adopted and subsequently amended at a time when there appeared to be no current issue of water availability for use in landscape establishment and maintenance.

Current Circumstance:

It is clear that current circumstances indicate significant limitations as to the availability of treated water for landscape irrigation use. It remains to be seen if longer-term demand for water for landscape irrigation will be influenced by the changes in demand that have occurred in the current drought period. This does not necessarily indicate that the goals applicable at the time of adoption of the Landscape Ordinance should be abandoned, but it does warrant a comprehensive re-evaluation to ensure that, at least, the idea of wise water use is incorporated in the City's landscape requirements in view of the current environment.

Regional recognition of these circumstances are evident in the current efforts of the North Texas Municipal Water District's "offer" to assist their member cities and customers to develop a regional approach to this form of water conservation. Further, NTMWD and the North Central Texas Council of Governments (NCTCOG) have begun to consider the possibility of a more inclusive effort involving the NCTCOG 16-County North Texas region. While there appears to be a significant sense of urgency among those involved in this effort, as the number of participants and the geographic area of the effort is expanded, it will also take more time to complete the work. For these reasons, and to be prepared to participate more fully in a regional effort that may result, the City of Rockwall should begin an immediate reevaluation of its local Landscape Ordinance and associated regulatory requirements. In the interest of both water conservation and to limit the possibility of wasted spending on landscaping for which water for irrigation may be limited, the City has been receptive to requests which have recognized the current circumstances and has generally exhibited appropriate levels of flexibility in these matters. A comprehensive study of the City's Landscape Ordinance would formalize our related approach to the current and future challenges of water supply as relates to landscape requirements. It may also be prudent to consider whether there should be a defined link between the City's Landscape Ordinance and the City's Water Conservation and Drought Management Plans.

Proposal:

That a volunteer opportunity project (involving local landscape professionals, local business representatives, those involved in development, and others with general interest in the subject) be implemented by the City Manager to accomplish a comprehensive review of the City's Landscape Ordinance which recognizes current and future availability of water supply for landscape irrigation uses.

It is anticipated that this would involve the participation of Rockwall residents and businesses that have both a stake in the outcome of the effort and expertise and interest in the subject. It is anticipated that this would involve a 90-day (meeting once or twice a month) volunteer commitment to complete the project.

<u>Retail Recruitment</u>

Rockwall currently has a varied and successful retail community. With the exception of COSTCO, these retailers have located in Rockwall without incentives and, frankly, with minimal recruitment efforts by the City in attracting them to locate in Rockwall. COSTCO's incentive included payments by the REDC for infrastructure. The improvements to downtown's public infrastructure (and the work that preceded it) might be considered as an incentive, although no incentives were paid to businesses located there.

There is sometimes a public misconception that the City has much more control and influence over which new businesses are or should be added to the current mix of existing business and retailers.

Some cities have exerted more influence over business and retail location through the use of various kinds of retail incentive payments. This is the case in a number of area cities.

As a general rule, new locations occur without incentive in markets where the new locations meet whatever criteria have been established by businesses seeking to expand to new locations or into new markets. Any change in the policies for retail incentives would be a Council decision. Current and historic practice has been that the City entertains requests for consideration that are made from individual retail prospects on a case-by-case basis. From a Staff perspective, efforts have been made to ensure that information about Rockwall is readily available for businesses as they consider their location decisions.

Current Circumstance:

There have been indications that Trader Joe's may allow their location decisions to be influenced by local support. In fact, there is currently local activity in the social media that seeks to provide an indication to Trader Joe's that there is significant local interest here to support the store if located in Rockwall.

Proposal

That an effort to recruit (without a change in the City's retail incentive practices) the company including volunteer work be initiated IF Trader Joe's is a business that the Council believes to be one that should be encouraged to locate in Rockwall.

This would involve a core group of volunteers with marketing skills, organizational skills, and general interest in the subject working with the Staff for about a 60-day period seeking to generate interest from the company to locate in Rockwall.

Neighborhood Communication

Over the course of the last several years, we have made significant efforts to improve communication with businesses to ensure that the City is providing quality services that contribute to their success. While we have also made every effort to be communicative with and be responsive to our residential customers, a more comprehensive, formalized neighborhood communication program could be implemented.

Current Situation

Many of the neighborhoods in the City have formal or informal Home Owners Associations. Other well-defined neighborhoods do not have these associations but are readily identified as distinct neighborhoods within the City. Communication at the "neighborhood level" would offer an opportunity to communicate with and to hear from residents as to the quality of services provided by the City. This would help identify areas for service improvement and ensure the City's focus on the things that matter most to our citizens.

Proposal

To enhance citizen communication (using the neighborhood organizations currently in place and identified participants from neighborhoods without existing formal or informal neighborhood organizations) through holding meetings (to include Council and Staff) with neighborhood representatives two times each year may be considered.

Each of these meetings would, if Council interest exists in implementing such a program, be designed in two parts – an opportunity for the City to provide information and an opportunity for the city to receive information. This would provide an opportunity to discuss, for example, issues related to specific services (police, fire, parks, water, garbage, code enforcement, animal control, planning and zoning, and others). Where there are identified areas of service concern or frustration from our citizens/customers, work to resolve these can begin. Nothing about the implementation of this program, however, should ever be construed to replace, diminish or interfere with the importance of our communication with individual residents and the City's efforts to address individual matters of concern that citizens may have.

Volunteer Recruitment

The City relies heavily on volunteers to fill important roles as members of Boards and Commissions, as firefighters, as members of Citizens on Patrol, as members of the CERT Team, as Parks and Recreation volunteers, and many others. If the City Council is interested in pursuing these programs, additional volunteers would be needed for short-term volunteer opportunities. This would test the theory that there may be numerous Rockwall residents (with varied but significant expertise) who would be interested in volunteering for shorter-term commitments to lend their assistance to the City (in addition to those who are interested in two-year board and commission appointments). This will also give the Staff an opportunity to re-evaluate the City's various volunteer recruitment efforts for changes that will result in more successful recruitment of volunteers.

MEMORANDUM

TO: **Mayor and City Council**

FROM: **Rick Crowley, City Manager**

DATE: **January 30, 2015**

SUBJECT: **Parks and Recreation Board Workshop**

As indicated in an e-mail which I hope that your received earlier in the week, the Parks and Recreation Board has requested an opportunity to meet with the Council to discuss the direction that the Board's work should take and to make sure that the Board is pursuing parks and recreation opportunities in accordance with the desires of the Council. That discussion is expected to take about thirty minutes and has been scheduled for Monday evening beginning at 4:00 pm in the Council Chamber.

Rockwall, Texas

Proclamation

Whereas, every day, public safety officials work tirelessly to protect our citizens, enforce our laws, and keep our community safe; and

Whereas, despite having full knowledge of the dangers they may face and sacrifices they may be called upon to make, they still faithfully report for duty; and

Whereas, the quality and sanctity of human life are cherished values and worthy of safeguarding, and the Rockwall City Council is proud to honor Constable Randy Parks for his recent, heroic actions which led to saving the life of a diabetic veteran; and

Whereas, through his quick thinking and actions, Constable Parks demonstrated his character and compassion, showing valor and courage while performing this lifesaving deed.

Now, Therefore, I, Jim Pruitt, Mayor of the City of Rockwall, Texas, do hereby proclaim Monday, February 2, 2015 as

CONSTABLE RANDY EARL PARKS

LIFE-SAVING RECOGNITION DAY

in the City of Rockwall and encourage all citizens to applaud Constable Parks for his heroic actions and thank him for his continued service to our citizens.

In Witness Whereof, I hereunto set my hand and official seal this 2nd day of February, 2015.

Rockwall, Texas

Proclamation

Whereas, in 1995, a small group of locals responded to an article posted in the local newspaper by Janet Resetar inviting anyone interested in starting a community theater to meet at the Rockwall County Library; and

Whereas, out of that initial meeting was birthed a wonderful organization, the Rockwall Community Playhouse, which has been providing Rockwall area residents and visitors with quality, live performances ever since; and

Whereas, the Rockwall Community Playhouse currently offers programs for adults, young adults, children and adults with special needs as well as events and project that give back to local charities and special causes; and

Whereas, hundreds of volunteers ensure the Playhouse continually offers fun, rewarding experiences, committing countless hours of their personal time to provide entertaining live theater and excellent programs over the years; and

Whereas, 2015 marks the 20th anniversary of the Rockwall Community Playhouse;

Now, Therefore, I, Jim Pruitt, Mayor of the City of Rockwall, Texas, do hereby proclaim Monday, February 2, 2015 as

ROCKWALL COMMUNITY PLAYHOUSE, HAPPY 20TH ANNIVERSARY DAY

in the City of Rockwall and encourage all citizens to recognize and applaud this organization, including its leadership and volunteers, for its numerous contributions to our community throughout these last twenty years.

In Witness Whereof, I hereunto set my hand and official seal this 2nd day of February, 2015.

Rockwall, Texas

Proclamation

Whereas, Magna Carta is the charter of liberties that England's King John granted in 1215 to halt his baron's rebellion and restore their allegiance to his throne; and

Whereas, this historical document exercised strong influence both on the U.S. Constitution and on those of various states; and

Whereas, the document was the people's reassertion of rights against an oppressive ruler, a legacy that captured American distrust of concentrated political power; and

Whereas, both the Texas Constitution and the U.S. Bill of Rights incorporated several guarantees that were understood at the time of their ratification to descend from rights protected by Magna Carta; and

Whereas, among rights protected by Magna Carta are freedom from unlawful searches and seizures, a right to a speedy trial, a right to a trial by jury, and protection from loss of life, liberty, or property without due process of law; and

Whereas, many U.S. constitutional principles have their roots in an eighteenth-century understanding of Magna Carta, including things such as the theory of representative government, the idea of a supreme law, and judicial review.

Now, Therefore, I, Jim Pruitt, Mayor of the City of Rockwall, Texas, do hereby acknowledge the year **2015** as being the

800TH ANNIVERSARY OF MAGNA CARTA

in the City of Rockwall and encourage all citizens to recognize and reflect on the large influence this important document has had on our nation and our citizens.

In Witness Whereof, I hereunto set my hand and official seal this 2nd day of February, 2015.

MINUTES
ROCKWALL CITY COUNCIL
Tuesday, January 20, 2015
4:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pruitt called the public meeting to order at 4:00 p.m. Present were Mayor Jim Pruitt, Mayor Pro Tem Dennis Lewis and Council Members David White, Mike Townsend, and John Hohenshelt. Council Members Scott Milder and Bennie Daniels were absent from the meeting. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Brad Griggs and the city's legal counsel, Patrick Lindner.

Mayor Pruitt then read the below listed discussion items into the public record before recessing the meeting into Executive Session.

II. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the city's concession agreement with Suntex Marina / Suntex RHCL Marina, LLC pursuant to Section § 551.071 (Consultation with Attorney)
2. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)
3. Discussion regarding Economic Development prospects pursuant to Section 551.087 (Economic Development)
4. Discussion regarding proposed lease/sale of city land for possible private project pursuant to Sections 551.072 (Real Property) and Section 551.087 (Economic Development negotiations)

III. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 5:20 p.m.

MINUTES
ROCKWALL CITY COUNCIL
Tuesday, January 20, 2015
6:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

IV. RECONVENE PUBLIC MEETING

Mayor Pruitt reconvened the public meeting at 6:00 p.m. with all council members except Daniels and Townsend being present.

V. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Pro Tem Lewis indicated that no action was needed as a result of Executive Session.

VI. INVOCATION AND PLEDGE OF ALLEGIANCE – MAYOR PRO TEM LEWIS

Mayor Pro Tem Lewis delivered the invocation and led the Pledge of Allegiance.

VII. CONSENT AGENDA

1. Consider approval of the minutes from the January 5, 2015 regular city council meeting, and take any action necessary.
2. Consider of approval of contract with CrimeReports.com for the purchase of crime analysis software for the Police Department in the amount of $40,355.30 to be funded by seized funds, and take any action necessary.
3. Consider approval of retaining the law firm of Lloyd Gosselink as required by City Charter Section 4.04 to assist the City with ongoing Oncor matters, and take any action necessary.
4. Consider approval of a resolution expressing support for the 84th Texas Legislature to increase funding for the Texas Recreation & Parks Account and the Large County and Municipality Recreation and Parks Account, which administer local park grant programs and funding, and take any action necessary.
5. Consider approval of a resolution updating and supporting the city's clean fleet vehicle policy, and take any action necessary.
6. **P2014-043** - Consider a request by Bryan Powell, PE of Westwood Professional Services on behalf of David Booth of D. R. Horton Texas, LTD for the approval of a final plat for Castle Ridge, Phase 3 containing 62 single family lots on a 19.521-acre tract of land currently identified as Tract 37 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Single Family Residential (SF-10) District, general located east of SH-205, and take any action necessary.

Councilmember White made a motion to approve the entire Consent Agenda (#1, 2, 3, 4, 5, and 6). Mayor Pro Tem Lewis seconded the motion, which passed unanimously of those present (Milder and Daniels absent).

VIII. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Chair of the Planning and Zoning Commission, Craig Renfro, came forth and briefed the council on recommendations of the Commission relative to planning-related items on tonight's city council meeting agenda. After brief discussion, the council took no action related to this agenda item.

2. Appointment with representatives of the city council appointed Charter Review Commission to hear report regarding recommended changes to the City Charter, including a possible Charter Amendment Election, and take any action necessary.

Mr. Lofland, Chair of the Charter Review Commission appointed by the city council, came forth and provided a brief report to the council regarding proposed charter amendment language for several sections of the city's existing charter. Mr. Lofland indicated that the Commission recently held a public hearing to glean public input concerning the proposed changes. One member of the public, Mr. Sol Villasana, did come forth and speak in favor of single member districts for the city during that public hearing. Mr. Lofland explained that, although this topic is not a formal recommendation of the Charter Review Commission at this time, the Commission is urging the city council to begin studying this topic, as it will be something our city will face at some point in the future as it grows.

After brief commentary, Mayor Pruitt made a motion to call a public hearing to allow for citizen input to be provided to the city council regarding the recommended Charter amendments and to place an item on the next city council meeting agenda to call a Charter Amendment election. The motion passed unanimously of those present (Daniels and Milder absent).

IX. PUBLIC HEARING ITEMS

1. **Z2014-036** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Rick Dirkse on behalf of D. W. Bobst of J-BR2, LLC for the approval of a zoning change from a Single Family 10 (SF-10) District to a Planned Development District allowing for office, medical office and single-family land uses on two (2) parcels of land, being 1.666-acres, identified as Lots 1 & 2, Block B, Eagle Point Estates Addition, City of Rockwall, Rockwall County, Texas, zoned Single Family 10 (SF-10) District, situated within the Scenic Overlay (SOV) District, addressed as 1312 & 1316 Ridge Road [FM-740], and take any action necessary. **(1st Reading)**

Planning Director Robert LaCroix provided background information concerning this agenda item. Notices were mailed out to sixty-one property owners in this area, and signs were posted on the subject property. The homeowner's association for Waterstone Estate was also sent notice. Of those notices sent, six notices came back in opposition, and five notices came back in favor. In addition, three individuals sent in emails or notices in opposition of the request; however, they were located outside of the prescribed notification area. The Planning & Zoning Commission recommended denial, which failed by a 3 to 3 vote. They next recommended approval of the request, but that motion also failed.

Councilmember Lewis asked how long the property has been zoned single family. Mr. LaCroix indicated that it has probably had a SF zoning designation for over thirty years.

Mayor Pruitt opened the public hearing and called forth the applicant.

Mr. Dirkse, the applicant, came forth to address the council. He explained that he and his wife have been residents and business owners in Rockwall for thirty-one years. He generally explained that he is requesting the following: a Planned Development with Residential Office Zoning with limited uses (single-family, professional offices or small medical offices); maximum sq. ft of 5,000 and 6,000; architectural style to blend with adjacent neighbors; shared parking with existing curb cuts; serve as transition between residential and high-intensity, non-residential uses; and the back of the property to generally conform to adjacent single-family residential.

After Mr. Dirkse's introductory comments, Mayor Pruitt called for members in the audience who would like to come forth and speak during the public hearing.

Ron Gilleland
310 Meadowdale
Rockwall, TX 75087

Mr. Gilleland came forth and spoke in opposition of this request. He indicated that he has lived here for more than thirty years, and he believes that someone could very possibly purchase the property and build a large, single-family residential home on it.

John White
1929 S. Lakeshore Drive
Rockwall, TX 75087

Mr. White came forth and indicated that he is generally opposed to this request. He stated that eleven residents of the neighborhood spoke against the request, and only one resident spoke in favor of it. Mr. White indicated that the local government has a covenant with existing residential property owners and therefore has an associated obligation to help protect the resident's property rights.

Madison Lyle
1603 S. Alamo
Rockwall, TX 75087

Mr. Lyle spoke in opposition of this request. He is fearful that these lots may turn into Commercial zoning, and a parking lot may end up in the rear of these lots, which would basically be in and overlooking his back yard.

Andrea Burke
1724 Ridge Road
Rockwall, TX 75087

Mrs. Burke came forth and indicated that she has concerns about some of the signage in front of the residential office zoned properties currently located on Ridge Road. She expressed that she believes the Planning & Zoning Commission is intentionally working against residents. She desires to leave the zoning as "residential" in hopes that an actual residential home will end up being built on these lots. She would like to protect the integrity of her street.

Ron Mason
1402 Ridge Road
Rockwall, TX 75087

Mr. Mason came forth and indicated that his home was built on Ridge Road in 1954. He read a brief email from Council Member Bennie Daniels, in which Daniels indicated that he is in opposition of the proposal and will be disappointed if the request is approved by the city council. Mr. Mason went on to indicate that lots on Ridge Road have been purchased, and new homes have been built within the last ten years on this road. He strongly spoke in opposition of this rezoning request.

Mr. Clark Staggs
1601 Seascape Court
Rockwall, TX

Mr. Staggs indicated that he is a real estate broker, and he has done some research on the values of some of the properties located along Ridge Road and in this area. Generally speaking, values of the homes in this neighborhood have been depreciating. He does not believe an individual will spend this much money on a residential lot and then build a large, residential home on the property. He does believe these lots will eventually end up transitioning to commercial lots.

Erica Lyle
1603 S. Alamo Road
Rockwall, TX 75087

Mrs. Lyle generally spoke in opposition of this request, expressing concern that its approval will adversely affect her residential property value. She suggested that Mr. Dirkse consider constructing this type of building on his own property that he already currently owns elsewhere in town. She is strongly opposed to this request.

Tom Hawkins
201 Dartbrook Street
Rockwall, TX 75087

Mr. Hawkins indicated that he and his wife moved to Rockwall about seven years ago. He questioned if Mr. Dirkse is acting an agent on behalf of Mr. Bobst. Mr. Hawkins indicated that Mr. Bobst previously came forth to propose use for these lots, and his proposal was turned down and opposed by the residents at the time. He expressed that he is against this rezoning.

Larry Wilcoxson
301 Stonecrest
Rockwall, TX 75087

Mr. Wilcoxson indicated that he is in opposition of this request and has various concerns, including things like undesirable lighting, medical waste potentially being left out in the trash, parking limitations, animals getting into the trash / dumpsters. He encouraged the council to stop the spread of commercial businesses on this stretch of Ridge Road. He is opposed to this request.

Mr. Mike Rogers
1404 Ridge Road
Rockwall, TX 75087

Mr. Rogers indicated the moved to Rockwall with his parents in 1951. He indicated he and his wife have lived in their home since 1983. He believes Ridge Road is a great place to live, raise a family, and have pets. He believes it is a valuable neighborhood. He has concerns about allowing an office building to be built in this residential area. He generally spoke in opposition of this request and urged the council to vote 'no' on the rezoning request.

Mrs. Rella Rogers
1404 Ridge Road
Rockwall, TX 75087

Mrs. Rogers spoke in opposition of this item, indicating, in part, that it would be 'spot zoning' and would add to the devaluation of her home if this request is approved. She indicated that her home is in direct proximity to her home, and the lots in question overlook her private back yard and pool area. She believes that her home will be significantly devalued if this rezoning is granted. She suggested that there are other, appropriate locations in Rockwall for Mr. Dirske's commercial business. She respectfully asked the council to vote 'no' to this request.

Mr. Bill Lofland
1200 Ridge Road
Rockwall, TX 75087

Mr. Lofland indicated he has lived on Ridge Road for at least thirty-five years. He also owns the properties from 1026 Ridge Road to 1202 Ridge Road. When the city agreed to allow some of the smaller homes on Ridge Road to turn into offices, this was stopped at 1024 Ridge Road. He indicated he believes that approval of this rezoning would represent 'spot zoning.' He has nothing personal against Mr. Dirkse; however, he did speak in opposition of this request and urged the council to vote 'no.'

Mr. Rod Holland
536 Loma Vista
Heath, TX

Mr. Holland indicated that he owns property at 1510 South Alamo. He has been a resident of Rockwall since 1972, has been in real estate in this area since the early 1990s and is also a real estate broker. Mr. Holland indicated that he purchased a lot located behind these lots, not knowing what would end up going there, because he is not concerned about what may end up being built on these lots. He is a real estate broker, and he does not represent Dan Bobst. He does not have concerns about it possibly turning into Commercial. He is in favor of this request.

Mr. Timothy Greenawalt
335 Dalton Road
Rockwall, TX 75087

Mr. Greenawalt came forth to speak in favor of this request. He is a neighbor of Mr. Dirkse and has been for about eighteen years. He indicated that Mr. Dirske's business does not bring a lot of traffic, and there are no concerns of "trash," as he keeps his property very

well maintained. He indicated that Mr. Dirkse is a very good neighbor, and he urged the city council to vote in favor of this request.

Mr. Jeff Wong
1410 Ridge Road
Rockwall, TX 75087

Mr. Wong indicated that he and his wife used to live in Rockwall, but then they moved to a condo in Dallas, and thereafter moved back to Rockwall. Mr. Wong indicated that he and his wife purchased this home at 1410 Ridge Road, and they love living there. They love the view and the neighborhood, in general, but they would not like living immediately adjacent to the lots down the road that contain office-type businesses. He spoke in opposition of this rezoning request.

At 7:48 p.m., Mayor Pruitt recessed the meeting and called for a short break.

At 7:59 p.m., Mayor Pruitt called the meeting back to order.

Nathan Najmabadi
1412 Ridge Road
Rockwall, TX 75087

Mr. Najmabadi expressed that he and his wife have lived at this address for about a year-and-a-half. Noise, traffic and lights have not been problems. He believes the homes in this area are nice homes and have nice views. He and his wife both recently got out of the service, and they plan to have a family and stay for the long term. He loves his neighbors, and he is very against this rezoning request.

Joy Bounds Greenwalt
209 Tanya Drive
Rockwall, TX 75087

Mrs. Greenwalt indicated that she is a very longtime resident of Rockwall and has lived in this home for thirty-one years. She expressed that young couples and children are moving into her neighborhood, which is vibrant and growing and is in fact not declining as Mr. Bobst suggested back in 2012. She spoke against this zoning change request, and urged the city council to vote 'no' with prejudice. She wants the neighborhoods and homes to be kept separate from commercial development and indicated that combining them is inappropriate.

Marsha Mason
Ms. Mason explained that she currently lives at 1130 Sierra Pass in a rental home, but she owns a lot in Park Place and will be living there in the future. Mrs. Mason generally spoke in favor of this request. She indicated that she lived next to Mr. and Mrs. Dirkse for about twenty years, and it never posed any sort of problem (not traffic, not trash, not security, not lighting). She generally indicated that she believes the lots along Ridge Road and Goliad will eventually turn into Commercial. She spoke in favor of Mr. Dirkse's and supports his business and rezoning request. Trash, security and additional traffic were never of concern when living next to Mr. Dirkse's business, which looks like a home, for twenty years.

Ms. Mason indicated that she has a letter from 3055 North Goliad, Mr. Joel Steed, and is prepared to read it to the city council on his behalf. The mayor and council members indicated they did receive Mr. Steed's emailed letter.

Mr. David Mitchell
206 Dartbrook
Rockwall, TX 75087

Mr. Mitchell spoke in opposition of this request. He suggested that Mr. Dirkse should find an alternate location for his business, perhaps on his existing property or perhaps on the East side of Ridge Road. He strongly urged the council to reject this request.

Ken Dickson
205 Meadowdale
Rockwall, TX

Mr. Dickson came forth and spoke in opposition of this request. He spoke highly of his neighbors and his neighborhood. He expressed that his neighborhood is unique and has individual homes with varying architecture (no track homes). He indicated that the previous owner of this property, Mr. Mitchell, who passed away, was a good neighbor. After his passing, Dickson explained, Mr. Bobst purchased the property. He strongly urged the council to reject this request with prejudice.

Freddie Jackson
1812 Bristol Lane
Rockwall, TX

Mr. Jackson indicated that his wife is from Rockwall, and he loves this city. He expressed that nobody wants the Residential Office (RO) zonings that keep popping up in residential neighborhoods. He urged the council to vote against this request.

Jim Greenwalt
209 Tanya Drive
Rockwall, TX

Mr. Greenwalt indicated that he is a retired residential, commercial and shopping center developer, and he used to work for Dallas' Economic Development Department. He served on Rockwall's Planning & Zoning Commission for about eight years, some of which was as the "chair." He expressed that there is adequate office and retail space on the East side of Ridge Road and there will be for years to come. He believes approval of this request would be "spot zoning." Just because these lots may eventually and inevitably turn into Commercial does not mean that he desires for them to do so now. He expressed various concerns about this request, including 'spot zoning,' and urged the city council to not approve the request for a zoning change and deny it with prejudice.

Gregg Napier
1505 S. Lakeshore
Rockwall, TX

Mr. Napier indicated that he and his wife moved to this home about three years ago from Rowlett, and they put a lot of money into their home to improve it. He stated he often sees

cars driving slowly, and he believes they are people who are looking for homes in this neighborhood. He spoke in opposition of this request.

Jennifer Ziesk
7120 Hunt Lane
Rockwall, TX 75087

Mrs. Ziesk read a letter on behalf of:
Mary Stacey
912 N. Goliad
Rockwall, TX 75087

Mrs. Ziesk read a letter from Mrs. Stacey, who now lives in a neighborhood by what is now the birthing center. The letter read generally seemed in favor of this rezoning request. She expressed in her letter that it has been her experience that businesses moving in near her residential home has had very little effect on her home and her quality of life. She expressed that her residential home has increased steadily in value over the last ten years. Afterwards, speaking on her own behalf, Mrs. Ziesk generally expressed support for this request. She expressed she has officed in the same building as Mr. Dirkse for the last five years, and she believes he is a good neighbor and will continue to be, whether he is a residential or a business neighbor.

Shannon Greenberg
404 Driftwood
Rockwall, TX 75087

Mrs. Greenberg spoke in favor of this request. She stated she recently began working for Dirkse and Associates. She believes the staff at Dirkse and Associates supports each other and works as a family. Ms. Greenberg explained she believes Mr. Dirkse is very conscientious about trash and ensuring thing are cleaned up.

Kathy Oehler
207 Tanya Drive
Rockwall, TX

Mrs. Oehler came forth and expressed opposition to this request. She indicated that her neighborhood is not declining. She has observed many contractors working on upgrading homes in this neighborhood. She believes Mr. Bobst's inability to sell the property to an individual for a residential home to be built on it is essentially due to it being priced too high. She indicated that she had a conversation with Mr. Dirkse in which he expressed that he wants to build his office on this lot because he is "greedy and wants the view." She believes rezoning would diminish property values and would in fact contribute to the decline of the neighborhood.

Alexia Fields
1603 Seascape Court (next to Clark Staggs)
Rockwall, TX

Mrs. Fields indicated she is a dentist in the area and has lived here over twenty years. She spoke in opposition of this request, indicating that she and her neighbors feel they are being bullied every few years. She urged the council to not approve this request.

Tammy Tinkle
1270 Antioch Drive
Rockwall, TX 75087

Mrs. Tinkle indicated that if she were to choose a residential lot, she would not choose this one. She would instead choose one close to a school where they can walk and ride their bikes to school. She has lived here in Rockwall for over seven years. She generally expressed that there would be no significant, negative impacts related to traffic or trash. The employees who work for Dirkse and Associates are conservative accountants. She generally spoke in favor of this request and believes approving it would be a good decision.

Renee Sneed
310 Orbit Drive
Lavon, TX 75166

Mrs. Sneed indicated that she grew up in Rockwall, and she is the daughter of Mr. Dirkse. She and her husband hope to live in Rockwall again someday. She works for Mr. Dirkse and believes the best use of these lots is for them to be rezoned with very specific, restrictive zoning. She and her father have been discussing the possibility of her taking over his business in a number of years down the road. She generally spoke in favor of this request.

G. David Smith
601 Stonebridge Drive
Rockwall, TX

Mr. Smith indicated that he is a close friend of Mr. Dirkse. He lives about a mile from this property. He believes Mr. Dirkse would be a tremendous asset to this area long Ridge Road. He stated that he and his wife purchased the property at 702 North Goliad Street some years ago (2002) and worked with the city to have the zoning changed from residential to residential office. He believes these lots are not well suited for residential lots, especially since they are located along a major, four-lane thoroughfare. He generally spoke in favor of this request for a zoning change.

Mrs. Terri Nevitt
201 Becky Lane
Rockwall, TX

Mrs. Nevitt indicated that she feels she is being bullied. She is currently in the process of trying to decide if she wants to refinance, rent out, or sell her home. She is not in favor of this request because it is "spot zoning." She expressed concerns about some of the representatives currently serving on the Planning & Zoning Commission. She spoke in opposition of this request, and she urged the council to deny this request.

Greg Oehler
207 Tanya
Rockwall, TX

Mr. Oehler expressed that his neighborhood is very desirable and it is the envy of other neighborhoods. He believes that in twenty years, this property will be diminished aesthetically and that it will not be well maintained if it is built as commercial. He believes homeowners in this neighborhood have invested a lot of time and money into their homes,

including improving and maintaining them. He indicated that commercial properties do not increase in value over time, and they are not as well maintained. He generally spoke strongly in opposition of this request and urged the council to vote "no" with prejudice.

There being no one else to come forth and speak, Mayor Pruitt then closed the public hearing.

Councilmember White made a motion to deny Z2014-036.

Mr. Dirkse asked Mayor Pruitt if he would have an opportunity to speak at this point (following the public comments). City Attorney Patrick Lindner indicated that it is ok to allow the applicant to speak again at this time. Mayor Pruitt then re-opened the public hearing to allow the applicant five minutes to wrap up and provide closing comments.

Mr. Rick Dirkse then came forth and provided some closing comments. He generally and strongly urged the council to approve this request. He expressed that he would like the privilege of stewarding this property well by agreeing to place an office at this location that looks like a home.

Mayor Pruitt closed the public hearing and opened the floor up for Council discussion.

Councilmember White indicated that he is not in favor of zoning at all; however, he respects the process, and the residents in this neighborhood have indicated they do not want it.

Councilmember White then made a motion to deny Z2014-036. Mayor Pruitt seconded the motion.

Mayor Pro Tem Lewis indicated that he knows Mr. Dirkse, and they go to church together. If this matter was about Mr. Dirkse's character, he would vote to approve this request right now. He believes that Mr. Lofland's comments are 'spot on,' in that the commercial properties need to stop at his property. He expressed that his decision is solely based on what he believes is right, and it is not based on how he feels or what he thinks about Dan Bobst. He pointed out that by law the council has to consider zoning requests, and property owners have a right to request that zoning changes be considered. He indicated that he will be voting against this request.

Mayor Pruitt indicated that he lives not far from this property, and he and his wife own two homes in this general area/neighborhood. He expressed the belief that residents in this and other neighborhoods in Rockwall should get to control decisions related to what happens to their neighborhood. He believes it is important for the city council to make a statement that this is the way these properties are going to be – either we are going to allow Commerical zoning on these lots, or we are not going to allow it, and the lots will remain residential. Mayor Pruitt thanked the public for coming out to speak tonight. He then called for the vote.

The motion to deny the request passed unanimously of council present (5 ayes with 2 absent (Milder and Daniels).

At 9:21 p.m., Mayor Pruitt recessed the public meeting and called for a short break.

Mayor Pruitt reconvened the meeting at 9:33 p.m.

2. **Z2014-037** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Bill Bricker of Bricker Enterprise Company (DBA Brick House Cars) on behalf of Rockwall Commercial Property Management for the approval of a Specific Use Permit to allow for an Indoor Motor Vehicle Dealership/Showroom on a one (1) acre portion of a larger 50.826-acre tract of land, identified as Tract 31 of the R. Ballard Survey, Abstract No. 29, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, addressed as 1200 E. Washington Street, and take any action necessary. **(1st Reading)**

Planning Director Robert LaCroix provided brief background information concerning this agenda item. He stated that 135 notices were sent out to adjacent property owners located within 500 feet, and five were received back in favor.

Mr. Bill Bricker
505 Westway Drive
Rockwall, TX

Mayor Pruitt asked if anyone else would like to come forth and speak. There being no one indicating such, he then closed the public hearing

Councilmember White made a motion to approve Z2014-037. Councilmember Townsend seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-____
SPECIFIC USE PERMIT NO. S-

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) WITHIN A LIGHT INDUSTRIAL (LI) DISTRICT ALLOWING FOR AN INDOOR MOTOR VEHICLE DEALERSHIP/SHOWROOM LOCATED IN A 12,500 SQUARE FOOT BUILDING INDICATED IN "EXHIBIT A" OF THIS ORDINANCE AND ADDRESSED AS 1200 E. WASHINGTON STREET, WHICH IS LOCATED ON A PORTION OF A LARGER 50.826-ACRE TRACT OF LAND DESCRIBED AS TRACT 31 OF THE R. BALLARD SURVEY, ABSTRACT NO. 29, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a unanimous vote.

3. **Z2014-038** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Ben McMillian of Hazel & Olive on behalf of the owner of the property for the approval of a Specific Use Permit to allow for a General Retail Store in conjunction with an office and photography studio within Planned Development District 50 (PD-50) for two (2) parcels of land, being 0.43-acres of land, identified as Lots 19A & 19B of the Amick Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, addressed

as 503 N. Goliad Street [SH-205], and take any action necessary. **(1st Reading)**

Mr. LaCroix provided brief background information for this agenda item. He indicated that 110 notices were mailed out to adjacent property owners located within 500 feet. Three notices were received back in favor, and two were received back in opposition of this request. The P&Z Commission did recommend approval of this item by a vote of 6 to 0.

Mayor Pruitt opened the public hearing and called the applicant forth.

Ben McMillian
176 Hampton Drive
Fate, TX

Mr. McMillian indicated that he and his wife own this business currently, and it has been very successful for the last year or so that they have been in operation. They would like to move and expand the business because they currently only have about 700 square feet of retail space at the current location.

Mayor Pruitt asked if anyone would like to come forth and speak. There being no indication of such, Mayor Pruitt then closed the public hearing.

Councilmember Townsend made a motion to approve this item. Councilmember White seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-XX
SPECIFIC USE PERMIT NO. S-XXX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A A GENERAL RETAIL STORE IN CONJUNCTION WITH AN OFFICE AND PHOTOGRAPHY STUDIO IN A RESIDENTIAL-OFFICE (RO) DISTRICT, ON TWO (2) PARCELS OF LAND, BEING 0.43-ACRES AND IDENTIFIED AS LOTS 19A & 19B OF THE AMICK ADDITION, AND GENERALLY LOCATED AT 503 NORTH GOLIAD STREET, ZONED PLANNED DEVELOPMENT DISTRICT NO. 50 (PD-50); AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed unanimously of those present (5 ayes with 2 absent (Daniels and Milder)).

4. **Z2014-039 -** Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Zack Amick of Gordon Rockwall Investments, LLC for the approval of a zoning change from an Agricultural (AG) District to a Light Industrial (LI) District for a 21.684-acre tract of land identified as Tract 4 of the N. M. Ballard Survey, Abstract No. 24, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, located in between

Commerce Street and T. L. Townsend Drive, and take any action necessary. **(1st Reading)**

Mr. LaCroix provided brief background information related to this agenda item. He stated that the surrounding zoning is mainly commercial and light industrial with the exception of multi-family housing located to the east. Forty-eight notices were sent out to adjacent property owners within five hundred feet, and two notices have been returned back in favor. The P&Z Commission has recommended approval of this request by a vote of 6 to 0.

Mayor Pruitt opened the Public Hearing and called the applicant forth.

Michael Amick
1957 Stevens Road
Rockwall, TX

Mr. Amick explained that this zoning change is being requested to allow the property to have some improvements made on it so something can be done with it (other than AG).

There being no one else wishing to come forth and speak, Mayor Pruitt then closed the public hearing.

Councilmember White made a motion to approve this item (Z2014-039). Councilmember Hohenshelt seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-__

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A LIGHT INDUSTRIAL (LI) DISTRICT FOR A 21.684-ACRE TRACT OF LAND IDENTIFIED AS TRACT 4 OF THE N.M. BALLARD SURVEY, ABSTRACT NO. 24, CITY AND COUNTY OF ROCKWALL, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT "A" OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed unanimously of council present (5 ayes with 2 absent (Daniels and Milder)).

5. **Z2014-040** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Cameron Slown of FC Cuny Corporation on behalf of Tom Kirkland of Tekmak Development Company for the approval of a Specific Use Permit (SUP) for a hotel on a 2.968-acre tract of land identified as Lot 3A, Block A, Shoreline Plaza Addition and Lot 1-1, Block A, Henry Africa Subdivision, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the IH-30 Overlay (IH-30 OV) District, located at the southeast corner of the intersection of the IH-30 Frontage Road and Lakefront Trail, and take any action necessary. **(1st Reading)**

Mr. LaCroix provided brief background information related to this agenda item, indicating that this request is related to building a hotel. It is recommended that the hotel be accompanied with some restrictions such that it cannot be utilized as an "extended stay," "residence," or "transient-oriented" type hotel. Eighteen notices were sent out to adjacent property owners located within 500 feet, but no replies have been received back by staff at this time. The P&Z Commission did recommend approval of this item by a vote of 5 to 1.

Mayor Pruitt opened the public hearing and called the applicant forth to speak.

Tom Kirkland
613 Willow Springs
Heath, TX

Mr. Kirkland indicated that he and his wife started their hotel business by constructing a first one in College Station, TX. He generally indicated that he has been in consultation with Marriott regarding the possibility of constructing this hotel in Rockwall as a "Springhill" property.

Mayor Pruitt asked if anyone would like to come forth and speak during the public hearing.

Craig Renfro
1556 Parkside Circle
Rockwall, TX 75032

Mr. Renfro indicated that he lives in Lago Vista and was in the notification area for the public notice that was sent out. He generally spoke in favor of this request.

There being no one else wishing to come forth and speak, Mayor Pruitt then closed the public hearing.

Councilmember Townsend how big of an event a 3,000 square foot conference center will accommodate. Mr. Kirkland indicated that about 150-200 people can be seated in a classroom style. For a dinner type setting with round tables, about 100 can be accommodated. He explained that there is a "pre-function" area that is about 1,000 additional square feet (for example, if you want to set up a buffet out in this area). Councilmember Townsend indicated that he would like to see a hotel that can compete with the existing Hilton Hotel as far as event space is concerned. He would like to see a larger conference center space that would be better able to compete with the existing Hilton.

Lengthy discussion took place related to Hilton, Hampton, and high end versus lower end hotel properties.

Mayor Pruitt expressed concerns that, with this hotel and what it offers related to meeting space, it will never be able to compete with the existing Hilton. He asked if the size of the building could be changed to size it up. He generally indicated that several on the council have previously expressed an interest in attracting another full-service type of hotel. Mr. Kirkland indicated that the market is moving away from full-service hotels. In his opinion, Mr. Kirkland expressed, it would be difficult for Rockwall to attract an additional full-service hotel.

There being no one else wishing to come forth and speak, Mayor Pruitt then closed the public hearing.

Councilmember Lewis made a motion to table this item until the next city council meeting. Mayor Pruitt seconded the motion, which passed by a vote of 5 in favor with 2 absent (Milder and Daniels).

X. ACTION ITEMS

1. **MIS2014-018** - Discuss and consider a request by Michael Swiercinsky of Sky Investment Property, Inc. for the approval of an alternative method for purchasing trees associated with an approved tree mitigation plan for two (2) tracts of land, being 7.969-acres, identified as Tracts 4 & 19, E. P. G. Chisum Survey, Abstract No. 64, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located at the northwest corner of the intersection of Ridge Road [FM-740] and W. Yellow Jacket Lane, and take any action necessary.

Planning Director Robert LaCroix provided background information related to this agenda item, explaining that Mr. Swiercinsky has a large number of trees that he must mitigate for concerning these tracts of land. Under the city's tree mitigation ordinance, the applicant may either donate trees or make a monetary payment to the city in order to mitigate for the trees. Mr. LaCroix explained that the applicant would like to make a lump sum payment of $111,262.00, which represents the applicant's costs to purchase the required trees and pay to have them delivered to the City. Staff has verified the estimate listed on the invoice for the trees and delivery costs. If the applicant's request is approved the lump sum payment would need to be satisfied prior to filing a final plat for the subject property; however, if the request is denied the applicant would be required to provide the Parks Department with the required mitigation.

Michael Swiercinsky
307 Russwood
Rockwall, TX

Mr. Swiercinsky expressed that he would be complying with the city's tree mitigation policy. It will just be monetarily rather than buying and delivering trees to the city.

Councilmember White made a motion to approve MIS2014-018. Councilmember Townsend seconded the motion, which passed by a vote of 5 in favor with 2 absent (Daniels and Milder).

2. Discuss and consider appointments to city advisory boards including the Art Review Team (ART) Commission and Architectural Review Board (ARB), and take any action necessary.

Councilmember White made a motion to appoint Enid Reyes to the Architectural Review Board (ARB) (to fill a partial term vacancy left by former member Mike Mershawn to expire in August of 2015). Councilmember Lewis seconded the motion, which passed by a vote of 5 ayes with 2 absent (Milder and Daniels).

3. Discuss and consider authorizing the City Manager to proceed with development, scheduling, and recruiting for expanding participation by citizen volunteers, and take any action necessary.

City Manager Rick Crowley provided brief comments related to this agenda item. Councilmember Townsend made a motion to authorize the city manager to proceed with this recruiting project as described. Councilmember Lewis seconded the motion, which passed by a vote of 5 ayes with 2 absent (Milder and Daniels).

The council did not reconvene into Executive Session following the close of the public meeting agenda.

XI. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the city's concession agreement with Suntex Marina / Suntex RHCL Marina, LLC pursuant to Section § 551.071 (Consultation with Attorney)
2. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)
3. Discussion regarding Economic Development prospects pursuant to Section 551.087 (Economic Development)
4. Discussion regarding proposed lease/sale of city land for possible private project pursuant to Sections 551.072 (Real Property) and Section 551.087 (Economic Development negotiations)

XII. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

The council did not reconvene into Executive Session following the close of the public meeting agenda.

XIII. ADJOURNMENT

Mayor Pruitt adjourned the meeting at 11:08 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 2nd day of February, 2015.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **January 30, 2015**

SUBJECT: **2015 Household Hazardous Waste Program**

The fiscal year 2015 budget includes funding for the 14th annual household hazardous waste collection event. Staff has selected April 18, 2015 as the date for this collection. The previous programs have been tremendous successes for citizens and the City. The City also gets credit on our Storm Water Control Program for sponsoring the program. The City of Heath as well as Rockwall County joined in participation and sponsorship of the event for 2014 and we expect their participation is likely again this year. We processed items from 900 vehicles last year.

After taking proposals, the City Council awarded a contract for the categorization, packaging, manifesting, transporting and disposal of household hazardous waste. The contract is with Clean Harbors, Inc. and is annually renewing until either of the parties chooses to terminate. The collection site crew will come out of the Dallas field office and will include many of the same people who have been here for our previous events. Their longevity with this event allows us to continue to offer good service as the day has become routine for city staff and public.

Last year's program cost to the City was approximately $96,875. The cost included set up, labor at the collection site and primarily disposal of all collected materials. Over 68,800 lbs of paint and chemicals were collected during the six-hour event. Funding for this event is included in the monthly garbage rate at $.64 per household. Each of the other participating entities was charged a $115 per car fee to offset their portion of the expense.

In addition to the Clean Harbors contract, the City used a local tire service to dispose of the more than 500 old tires collected last year. We also collected old computer and television equipment and took in more than 27,700lbs of it at last year's event. The equipment was disposed of with the assistance of a grant program from Apple, Inc. In addition, we offered secure paper shredding which resulted in 17,982lbs of paper being shredded that day.

The 2015 event budget is $100,000. The full cost is not known until the close of the event since it is principally dependent on volumes. Staff requests Council authorize the City Manager to execute the necessary documents to proceed with the 2015 household hazardous waste event on April 18, 2015.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **January 30, 2015**

SUBJECT: **Wholesale Supply Contract Amendment – RCH WSC**

The City supplies wholesale treated water to RCH Water Supply Corporation (RCH) under an agreement which expired December 31, 2014. The current agreement anticipated NTMWD being able to provide direct service to RCH during the term of the agreement. At this time the District is not ready, and is not able to provide a date in the future when they will be ready, indicating it may be 5 or more years in the future. The City Attorney brought the ending contract to the attention of RCH and they have asked for an extension of the contract. The resulting proposed amendment is ready for Council consideration. This would be a five-year extension with an additional five-year option. During this timeframe, RCH's Board will continue to prepare to switch over to the NTMWD when the opportunity becomes available.

The amendment provides the following:

- Five-year extension with an additional five-year extension option
- Reset the number of RCH water connections and growth allowance per year. Any and all costs associated with Rockwall costs to accommodate their growth are borne by RCH in the original agreement.
- In anticipation of TCEQ standards currently being developed, requires RCH, as their system grows, to meet adopted city standards for fire hydrants, fire flow, and pressures.

RCH's Board has acted on the proposed amendment. Staff requests Council consider authorizing the City Manager to execute the wholesale water supply agreement with RCH Water Supply Corporation.

City of Rockwall
The New Horizon

MEMORANDUM

TO: Honorable Mayor and City Council Members

FROM: Kristy Ashberry, City Secretary

DATE: January 30, 2015

SUBJECT: May 9, 2015 General Election

Included for consideration in the February 2nd council meeting packet is a resolution calling the Saturday, May 9, 2015 General Election to elect a Mayor and City Council Places 1, 3, and 5. Also on the ballot will be Place 2 to fill a one-year, unexpired term.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 15-04

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, CALLING A GENERAL AND A SPECIAL ELECTION TO BE HELD JOINTLY WITH THE ROCKWALL INDEPENDENT SCHOOL DISTRICT AND ADESIGNATING ROCKWALL COUNTY ELECTIONS ADMINISTRATOR, AS THE ELECTION ADMINISTRATOR TO CONDUCT SAID GENERAL AND SPECIAL ELECTION ON SATURDAY, MAY 9, 2015 FOR THE PURPOSE OF ELECTING A MAYOR AND THREE (3) COUNCIL MEMBERS, ONE (1) FOR PLACE 1, ONE (1) FOR PLACE 3, AND ONE (1) FOR PLACE 5, EACH FOR TWO (2) YEAR TERMS AND CALLING A SPECIAL ELECTION FOR THE PURPOSE OF FILLING A ONE YEAR UNEXPIRED TERM FOR PLACE 2; DESIGNATING THE ENTIRE CITY AS ONE ELECTION PRECINCT; DESIGNATING THE POLLING PLACE; DESIGNATING FILING DEADLINES: ORDERING NOTICES OF ELECTION TO BE POSTED AND PUBLISHED AS PRESCRIBED BY LAW IN CONNECTION WITH SAID ELECTION; PROVIDNG A SEVERABILITY CLAUSE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Section 41.001 of the Texas Election Code, as amended (the "Code") specifies that the second Saturday in May shall be a "uniform election date" and that a general election of a city may be held on such day; and

WHEREAS, the City Council of the City of Rockwall, Texas (hereinafter referred to as the "City"), in accordance with its City Charter, Section 5.01, has determined that the City shall conduct general municipal elections on the second Saturday in May 2015; and

WHEREAS, Section 271.002(a) of the Texas Election Code authorizes two or more political subdivisions to enter into an agreement to hold elections jointly in the election precincts that can be served by common polling places; and

WHEREAS, the City of Rockwall and Rockwall County desire that a joint election be held in order to provide a convenient, simple, and cost-saving election to the voters in their respective jurisdictions; and

WHEREAS, the City of Rockwall and Rockwall County will enter into an agreement setting out their respective duties and responsibilities for the May 9, 2015 election; and

WHEREAS, by this Resolution, it is the intention of the City Council to: (i) call for said election to be held on said date, (ii) designate the entire City as one election precinct, (iii) designate Utley Middle School as the polling place for the election and (iv) establish and set forth procedures for conducting said election.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. Incorporation of Premises. That all of the above premises are found to be true and correct and are incorporated into the body of this Resolution as if copied in their entirety.

Section 2. Election Date, Purpose of Election, Officers and Terms of Office. That a general election is hereby ordered to be held jointly with the Rockwall Independent School District in and throughout the City on Saturday, May 9, 2015, for the purpose of electing a Mayor and three (3) Council Members, one (1) for Place 1, one (1) for Place 3, and one (1) for Place 5, each for two (2) year terms. And that a special election is also hereby ordered to be held in conjunction with the general election to fill a one-year term vacancy for Place 2.

Section 3. Eligibility for Candidacy. That in accordance with Section 22.032 of the Texas Local Government Code and Section 5.02 of the City Charter of the City of Rockwall, no person shall be eligible for the office of Council Member, unless he/she is a registered voter who shall have resided within the corporate limits of the City, or recently annexed territory, for at least twelve (12) months prior to the filing deadline, shall be twenty-one years old and not be in arrears in payment of taxes or other liabilities due the City. In accordance with Section 5.04 of the City Charter, a plurality vote is required to be elected and declared the winner.

Section 4. Application for a Place on the Ballot. That in accordance with Section 143.007 of the Code, any eligible and qualified person may have his/her name printed upon the official ballot as a candidate for the offices herein before set forth by filing his/her sworn application with the City Secretary not earlier than 8:00 a.m., January 28, 2015 and not later than 5:00 p.m., February 27, 2015. Each such application shall be on a form as prescribed by Section 141.031 of the Code. The order in which the names of the candidates are to be printed on the ballot shall be determined by a drawing by the City Secretary as provided by Section 52.094 of the Code. Notice of the time and place for such drawing shall be given in accordance with the Code.

Section 5. Election Precinct, Polling Place, and Election Hours. That the entire City of Rockwall, Texas shall constitute one (1) election precinct for the election, and the polling place is hereby designated to be located at Utley Middle School, 1201 T.L. Townsend, Rockwall, Texas 75087. In accordance with and pursuant to the requirements of the Code, said polling place shall be open from 7:00 a.m. until 7:00 p.m. on the date of the election.

Section 6. Early Voting and Ballots by Mail. That early voting by personal appearance shall be conducted at the Rockwall County Library, 1215 E. Yellowjacket Lane, Rockwall, Texas 75087 on the following dates at the specified times with the exception of Saturday, Sunday and State holidays:

Monday, April 27 through Saturday, May 2, 2015 - 8:00 a.m. until 5:00 p.m.
Monday, May 4 and Tuesday, May 5, 2015 - 7:00 a.m. until 7:00 p.m.

Applications for ballot by mail shall be requested from and mailed to the Rockwall County Election Administrator, Attn: Christopher Lynch, 915 Whitmore Drive, #D, Rockwall, TX 75087. Applications for ballots by mail must be received no later than the close of business on Thursday, April 30, 2015.

Section 7. Method of Voting. That Direct Record Electronic (DRE) voting machines and Optical Scan ballots shall be used for early voting by personal appearance and for Election Day voting. Optical scan ballots shall be used for early voting by mail. The City Secretary, acting as chief elections officer, shall ensure at least one (1) E. S. & S. Ivotronic "ADA" approved voting

machine is provided at the polling place as required by Section 61.012, of the Texas Election Code.

Section 8. Governing Law and Qualified Voters. That the election shall be held in accordance with the constitution of the State of Texas and the Code, and all resident, qualified electors of the city, shall be eligible to vote at the election.

Section 9. Publication and Posting of the Notice. That notice of the election in English and Spanish shall be given by posting a notice of election on the City Hall bulletin board used for posting notices of the meetings of the City Council not less than twenty-one (21) days prior to the date upon which the election is to be held, and by publication of said notice at least once in a newspaper of general circulation within the city, the date of said publication to be not less than ten (10) days and not more than thirty (30) days prior to the date set for the election.

Section 10. Administration of Election and Appointment of Judges and Clerks. That the Rockwall County Elections Administrator shall serve as the Administrator of the election. The County Elections Administrator shall appoint a sufficient number of judges and clerks in accordance with Chapter 32 Texas Elections Code to assist in the proper conduct of the election.

Section 11. Delivery of Returns: Preservation of Election Records. That in accordance with the Code and the City's contract with the Rockwall County Elections Administrator, immediately after the closing of the poll on the day of the election, the election officers shall make and deliver the returns of the election in triplicate as follows: one copy shall be retained by the Presiding Election Judge and by the Presiding Election Judge of the Early Ballot Board, one copy shall be delivered to the Mayor of the City, and one copy of the returns, together with the ballot boxes and all election supplies, shall be delivered to the Rockwall County Elections Administrator. All election records and supplies shall be preserved in accordance with the Code.

Section 12. Representatives. That the following slate of officials and other designated persons are hereby authorized to be present to observe the election counting process:

a. The Mayor and members of the City Council of the City of Rockwall;
b. Candidates for Mayor and City Council of the City of Rockwall;
c. The Rockwall City Secretary or her designated representative.

Section 13. Canvassing of Returns. That the City Council of the City shall convene between May 12, 2015 to May 20, 2015 to canvass the returns of the election in accordance with the Texas Election Code.

Section 14. Necessary Action. That the Mayor and the City Secretary of the City, in consultation with the City Attorney, are hereby authorized and directed to take any and all actions necessary to comply with the provisions of the Code in carrying out and conducting the election, whether or not expressly authorized herein.

Section 15. Severability. That should any part, section, subsection, paragraph, sentence, clause or phrase contained in this resolution be held to be unconstitutional or of no force and effect, such holding shall not affect the validity of the remaining portion of this resolution, but in all respects said remaining portion shall be and remain in full force and effect.

Section 16. Effective Date. That this resolution shall be in force and effect from and after its passage and it is accordingly so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 2nd day of February, 2015.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 02/02/2014

APPLICANT: Harold Fetty of H. D. Fetty Land Surveyor

AGENDA ITEM: **P2015-001**; Buffalo Crossing Addition – Final Plat

---

SUMMARY:

Discuss and consider a request by Harold Fetty of H. D. Fetty Land Surveyor, LLC on behalf of the owner J-BR2, LLC for the approval of a final plat for Lots 1, 2 & 3, Block A, Buffalo Crossing Addition being three (3) non-residential lots currently identified as Tract 17-12 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, being a 7.32-acre tract of land zoned Commercial (C) District, generally located at the southwest corner of the intersection of S. Goliad Street [*SH-205*] and FM-549, and take any action necessary.

COMMENTS:

- ✓ The objective of this request is to subdivide a 7.32-acre tract of land into three (3) non-residential lots [*Lot 1, Block A: 2.49-acres; Lot 2, Block A: 2.24-acres; Lot 3, Block A: 2.59-acres*] and to provide right-of-way dedication for FM-549 and SH-205 as per staff comments. The subject property is zoned Commercial (C) District and is located at the southwest corner of S. Goliad Street and FM-549. It should be noted that at the time of development for Lot 1, access for Lot 2 will need to be tied down (e.g. mutual access easement, separate driveway permit from TXDOT, etc.).

- ✓ The Surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for final plats as stated in the Subdivision Ordinance in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ✓ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

RECOMMENDATIONS:

Staff recommends approval of the final plat for the Buffalo Crossing Addition and for the dedication of right-of-way along FM-549 and SH 205 in conformance with the following conditions of approval:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat as indicated on the Project Plan Review;

2) Any construction resulting from the approval of this *final plat* shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Planning and Zoning Recommendation:

On January 27, 2015, the Planning and Zoning Commission recommended approval of the final plat with staff conditions by a vote of 6 to 0 [Logan – absent].

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

We the undersigned owner of the land shown on this plat, and designated herein as BUFFALO CROSSING, an Addition to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the subdivision have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same.

We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of th eir respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maint aining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, sto rm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer an d/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as p rogress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I, my successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exaction's made herein.

CITY OF ROCKWALL

ORDINANCE NO. 15-02

SPECIFIC USE PERMIT NO. S-129

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) WITHIN A LIGHT INDUSTRIAL (LI) DISTRICT ALLOWING FOR AN INDOOR MOTOR VEHICLE DEALERSHIP/SHOWROOM LOCATED IN A 12,500 SQUARE FOOT BUILDING INDICATED IN "EXHIBIT A" OF THIS ORDINANCE AND ADDRESSED AS 1200 E. WASHINGTON STREET, WHICH IS LOCATED ON A PORTION OF A LARGER 50.826-ACRE TRACT OF LAND DESCRIBED AS TRACT 31 OF THE R. BALLARD SURVEY, ABSTRACT NO. 29, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Bill Bricker of Bricker Enterprise Company (dba Brick House Cars) on behalf of Rockwall Commercial Property Management for a Specific Use Permit within a Light Industrial (LI) District allowing for an Indoor Motor Vehicle Dealership/Showroom located in a 12,500 square foot building indicated in "Exhibit A" of this ordinance and addressed as 1200 E. Washington Street, which is located on a portion of a larger 50.826-acre tract of land described as Tract 31 of the R. Ballard Survey, Abstract No. 29, City of Rockwall, Rockwall County, Texas; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit allowing for an Indoor Motor Vehicle Dealership/Showroom within a Light Industrial (LI) District, located in a 12,500 square foot building indicated in "Exhibit A" of this ordinance and addressed as 1200 E. Washington Street, which is located on a portion of a larger 50.826-acre tract of land described as Tract 31 of the R. Ballard Survey, Abstract No. 29, City of Rockwall, Rockwall County, Texas; and

Section 2. That the Specific Use Permit shall be subject to the conditions set forth in **Section 2.1.8, Auto and Marine-Related Use Conditions, of Article IV, Permissible Uses and Section 5.3, *"LI" Light Industrial (LI) District*, of Article V, *District Development Standards*, of the City of Rockwall Unified Development Code (Ordinance No. 04-38)** as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

CITY OF ROCKWALL

ORDINANCE NO. 15-03

SPECIFIC USE PERMIT NO. S-130

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A A GENERAL RETAIL STORE IN CONJUNCTION WITH AN OFFICE AND PHOTOGRAPHY STUDIO IN A RESIDENTIAL-OFFICE (RO) DISTRICT, ON TWO (2) PARCELS OF LAND, BEING 0.43-ACRES AND IDENTIFIED AS LOTS 19A & 19B OF THE AMICK ADDITION, AND GENERALLY LOCATED AT 503 NORTH GOLIAD STREET, ZONED PLANNED DEVELOPMENT DISTRICT NO. 50 (PD-50); AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a Specific Use Permit (SUP) to allow for a *General Retail Store* in conjunction with an office and photography studio in a Residential-Office District and zoned Planned Development District No. 50 (PD-50) for residential-office land uses, has been requested by Ben McMillian of Hazel and Olive, on two (2) parcels of land, being 0.43-acres and identified as Lots 19A & 19B of the Amick Addition, and generally located at 503 North Goliad Street, and more specifically described in Exhibit 'A' of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) to allow for a *General Retail Store* in conjunction with an office and photography studio and zoned Planned Development District No. 50 (PD-50) for the *Subject Property*;

SECTION 2. That the Specific Use Permit shall be subject to the conditions set forth in ***Planned Development District No. 50*** **(PD-50) & Section 4.2,** ***Residential Office (RO) District*****, of Article V,** ***District Development Standards*****, of the City of Rockwall Unified Development Code**

(Ordinance No. 04-38) as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following additions:

2.1 Operational Conditions

The following conditions pertain to the operation of the General Retail Store on the subject property at 503 North Goliad Street and conformance to these stipulations is required for continued operations:

1) That the proposed conceptual site plan shall be attached to the SUP Ordinance for the purpose of establishing a property boundary for the establishment of a *General Retail Store* as attached hereto as Exhibit 'A'; and

2) That the *General Retail Use* will be generally limited to 1,200 sq. ft. as depicted on the floor plan attached hereto as Exhibit 'B'; and,

3) That submittal and approval of a site plan and replat will be required prior to issuance of building permit; and,

4) That all signage requires a separate permit and must conform to the standards established for the North Goliad Overlay District; and,

5) That joint or shared access shall be provided to the property directly north of the subject property; and,

6) That no parking shall be allowed in the SH205 right-of-way or in front of the building; and,

7) The City Council reserves the right to review the Specific Use Permit one year after approval.

SECTION 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

SECTION 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 7. That this ordinance shall take effect immediately from and after its passage and the

publication of the caption of said ordinance as the law in such cases provides.

CITY OF ROCKWALL

ORDINANCE NO. 15-04

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A LIGHT INDUSTRIAL (LI) DISTRICT FOR A 21.684-ACRE TRACT OF LAND IDENTIFIED AS TRACT 4 OF THE N.M. BALLARD SURVEY, ABSTRACT NO. 24, CITY AND COUNTY OF ROCKWALL, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT "A" OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Zack Amick of Gordon Rockwall Investments, LLC, for an amendment to the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall to adopt a change in zoning from an Agricultural (Ag) District to a Light Industrial (LI) District for a 21.684-acre tract of land identified as Tract 4 of the N.M. Ballard Survey, Abstract No. 24, City and County of Rockwall, Texas, and more specifically described in Exhibit "A" of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning from an Agricultural (Ag) District to a Light Industrial (LI) District for the *Subject Property*; and

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes provided for a Light Industrial (LI) District as stipulated by *Section 1.1, "Use of land and buildings", Article IV, "Permissible Uses",* and in *Section 5.3, "Light Industrial (LI) District", Article V, "District Development Standards", of the Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future.

Section 3. That the official zoning map of the City be corrected to reflect the changes in the zoning described herein.

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

TRACT 1
DESCRIPTION OF THE NET OF THE PROPERTY SURVEYED

BEING a 21.684-acre portion of a called 22.303-acre tract of land described in the deed from Thomas E. Haack to Thomas Real Estate, L.P. dated November 12, 1998, and recorded in Volume 1507, at Page 203 of the Deed Records of Rockwall County, Texas (DRRCT) and being situated in the N.M. Ballard Survey, Abstract No. 24, City of Rockwall, Rockwall County, Texas, and also being part of a called 25.281-acre tract of land described in the deed from Haldeman, Inc. to Buddy R. Haldeman dated the 20th day of March, 1984, and recorded in Volume 193, at Page 406 DRRCT and being more particularly described as follows:

BEGINNING at a 1/2-inch steel rod found at the intersection of the northeasterly right-of-way line of High School Drive (a variable width right-of-way commonly known as T.L. Townsend Drive) with the easterly line of Bodin Industrial Tract according to the plat thereof recorded in Cabinet A, on Slide 347 of the DRRCT said 1/2-steel rod also marking the most southerly or southeasterly corner of a 1-acre lot, tract or parcel described in the deed from James Valk et ux to James Valk, Sr. et al dated the 23rd day of March, 2010, and recorded in Volume 6070, at Page 268 DRRCT, and having coordinates of:
X. 2,600,974.41 U. S. Survey Feet
Y. 7,019,534.15 U. S. Survey Feet;

THENCE:

- N 00°21'13"W with the westerly line of the 22.303-acre tract and with easterly line of the last mentioned Bodin Industrial Tract at a distance of 304.86 feet pass 1/2-inch steel rod found
- And continuing on the same course and with the common line between the 22.303-acre tract and Bodin Industrial Tract at an additional distance of 376.39 feet pass one foot west of a 1/2-inch steel rod found
- And continuing on the same course and with the common line between the 22.303-acre tract and Bodin Industrial Tract at an additional distance of 863.78 feet pass a 3/8-inch steel rod found marking the northeasterly corner of a 1-acre tract or parcel of land described in the deed from John W. McDaniel et ux to IRT Construction, Inc., dated December 31, 1997, and recorded in Volume 1314, at Page 250 of the DRRCT
- And continuing on the same course and with the common line between the 22.303-acre tract and Bodin Industrial Tract at an additional distance of 71.85 feet for a total distance of 1,616.88 feet (called: 1,625.74 feet) to a 1/2-inch steel rod found for the southwest corner of a 2.16-acre tract of land described in the deed from Cibola Properties, Ltd, to Rockwall Credit Services, L.C. dated September 30, 2005, and recorded in Volume 4314, at Page 34 DRRCT;

THENCE N 89°22'30"E with the northerly line of the 22.303-acre tract and the southerly line of the last mentioned 2.16-acre Rockwall Credit Services tract at a distance of 153.71 feet pass a 3/8-inch steel rod marking the southeast corner of said 2.16-acre tract the same being the southwest corner of a 4.922-acre tract described in the deed from Marty K. Salley et vir to Gordon Rockwall Investments, LLC dated 2nd day of October, 2012, and recorded in Volume 6959, at Page 100 DRRCT and continuing on the same course with the northerly line of the 22.303-acre tract and the southerly line of the last mentioned 4.922-acre tract an additional distance of 317.00 feet for a total distance of 470.71 feet to a 3/8-inch steel rod found marking the southeast corner of said 4.922-acre tract;

THENCE N 68°46'16"E with the northerly line of the 22.303-acre tract for a distance of 63.21 feet to a 1/2-inch steel rod found in the westerly boundary line of Rockwall Recreation Addition according to the plat thereof recorded in Cabinet F, on Slide 379 DRRCT;

THENCE S 00°35'03"E with the westerly boundary line of said Rockwall Recreation Addition for a distance of 433.41 feet to a 5/8-inch steel rod found for the southwest corner of said addition;

THENCE N 89°28'30"E with a northerly line of the 22.303-acre tract and departing the Rockwall Recreation Addition for a distance of 261.25 feet to a 5/8-inch steel rod for its most easterly northeast corner from which a ½-inch steel rod marking the southeast corner of said Rockwall Recreation Addition bears N 01°02'39"W a distance of 24.60 feet;

THENCE S 00°31'33"E with the easterly line of said 22.303-acre tract at a distance of 389.26 feet pass 7.5 feet west of a Flood Plain Monument called on Sheet 2 of 6 of the plat of the Mansions Senior Addition according to the plat thereof recorded in Cabinet G, on Slide 389-394 DRRCT and continue on the same course and with the easterly line of said 22.303-acre tract for an additional distance of 378.14 feet for a total distance of 767.40 feet to a point on the platted northerly line of Lot 1, Block 1 Houser Addition according to the plat thereof recorded in Cabinet B, at Slide 174 of the Map Records of Rockwall County, Texas, and being N 73°16'24"W a distance of 8.07 feet from the northeast corner of said Lot 1;

THENCE generally along the high bank of Buffalo Creek the following six (6) courses and distances:

- N 41°18'30"W a distance of 74.72 feet to a 5/8-inch steel rod set with an orange plastic cap stamped "R-DELTA ENGINEERS"
- S 86°07'24"W a distance of 102.81 feet to a 5/8-inch steel rod set with an orange plastic cap stamped "R-DELTA ENGINEERS"
- S 69°01'44"W a distance of 61.40 feet to a 5/8-inch steel rod set with an orange plastic cap stamped "R-DELTA ENGINEERS"
- S 62°32'37"W a distance of 38.24 feet to a 5/8-inch steel rod set with an orange plastic cap stamped "R-DELTA ENGINEERS"
- S 41°12'23"W a distance of 70.66 feet to a 5/8-inch steel rod set with an orange plastic cap stamped "R-DELTA ENGINEERS"
- S 80°55'55"W a distance of 79.86 feet to the northwest corner of said Lot 1, Block 1 Houser Addition, from which a 1/2-inch steel rod found bears S 00°13'03"E a distance of 40.51 feet and a 5/8-inch steel rod set in the thread of Buffalo Creek with an orange plastic cap stamped "R-DELTA ENGINEERS" bears N 20°W a distance of 0.45 feet;

THENCE with the thread of said Buffalo Creek the following eight (8) courses and distances:

- S 74°05'53"W a distance of 31.97 feet;
- N 34°02'33"W a distance of 39.97 feet;
- S 73°38'14"W a distance of 97.75 feet;
- S 02°51'37"W a distance of 93.25 feet;
- S 16°31'48"E a distance of 69.66 feet;
- S 24°26'02"W a distance of 76.47 feet;
- S 38°41'24"W a distance of 251.24 feet;
- S 57°43'03"W a distance of 62.30 feet to a point on the northeasterly right-of-way line of High School Drive;

THENCE N 35°21'16"W with the northeasterly right-of-way line of High School Drive a distance of 87.69 feet to the PLACE OF BEGINNING and containing 944,552 square feet or 21.684 acres of land.

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Ashberry, City Secretary / Assistant to the City Manager**

DATE: **January 28, 2015**

SUBJECT: **Public Hearing on Proposed Charter Review Amendments**

As you are aware, the council heard a report from the Chairman of the Charter Review Commission, Mr. Bill Lofland, at the January 20th city council meeting. Following his report, the council moved to call a public hearing for the February 2 city council meeting to receive public input on the proposed charter amendments prior to calling a Special Election for voters to consider the proposed charter amendment ballot propositions.

Notice of the Feb. 2 public hearing has been sent to the Herald Banner, the city's newspaper of record, for publication this Friday, Jan. 30. It has also been advertised to residents via E-news, the city's website and social media.

68

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Robert LaCroix, *Director of Planning and Zoning*

FROM: Ryan Miller, *Planning Manager*

DATE: February 2, 2015

SUBJECT: MIS2015-001; *Alternative Tree Mitigation Plan (Dub Douphrate)*

The applicant, Dub Douphrate of Douphrate & Associates, Inc., has submitted an *Alternative Tree Mitigation Plan* on behalf of D. R. Horton, Inc. for Phase IV of the Lakeview Summit Subdivision. Phase IV of the Lakeview Summit Subdivision was platted in 2006 under *Case No. P2006-014*, and as a condition of approval for this case the developer was required to satisfy 6,467.50-inches of tree mitigation. The applicant was able to reduce this number to 1,902-inches by planting trees on lots/common space, dedicating additional parkland and allowing the Parks Department to transplant trees that would have otherwise been removed (*see the applicant's letter for a complete breakdown of the reductions to the required mitigation*). According to the Unified Development Code (UDC) tree mitigation maybe satisfied through preservation of existing trees, planting the required number of trees within the development or providing the required number of trees to the Parks Department. Alternatively, an applicant can choose to pay into the *Tree Fund* $125.00/inch for up to a maximum credit of 20% of the required inches. In this case the applicant is eligible to pay for up to 1,293.50-inches of tree (*i.e. $161,687.50*). In order to fulfill the total mitigation balance (*i.e. the 608.50-inches and the 1,293.50-inches OR a total of 1,902-inches*) the applicant is requesting to pay a lump sum of $122,874.12 (*i.e. the total 1,902-inches [142, 4" Trees @ $71.64/inch and 445, 3" Trees @ $61.56]*) to the *Tree Fund* (*see Exhibit 'B'*). If the applicant's request is approved the lump sum payment would need to be satisfied prior to filing a replat and/or filing for building permits for the subject property (*whichever comes first*); however, if the request is denied the applicant would be required to provide the Parks Department with the required mitigation (*i.e. 608.50-inches of trees and $161,687.50 OR 1,902-inches of trees*). The approval of the applicant's request is a discretionary decision for the City Council.

City of Rockwall
Rockwall, Texas 75087

Re: Lakeview Summit Phase IV Tree Mitigation

Dear Mr. Miller:

On behalf of D R Horton, Inc., the Owner and Developer of Lakeview Summit Phase IV, we are requesting a tree mitigation plan which remains in conformance with the original tree mitigation proposal dated back to July, 2013. The previous correspondence with staff is attached for your use.

D R Horton proposes the following to be considered with the same criteria itemized below:

Required Mitigation: 6467 inches

Reduction for Park Land Dedication: 2160 inches

Trees planted in common areas: 620 inches

Trees planted on lots: 1485 inches

Trees transplanted by Parks Dept: 300 inches

Remaining Balance: 1902 inches

Mitigation Cost per caliper inch: $125 / inch

Based upon the remaining balance of 1902 inches, D. R. Horton proposes to pay the City of Rockwall a total lump sum amount of $237,750.00 for the tree mitigation of Lakeview Summit IV.

Should you have any questions regarding this matter please let me know.

Sincerely,

W.L. Douphrate II, P.E.
President / Owner

Attn: Damon Ainsworth

Re: Supply Trees for Mitigation

We propose to furnish & supply 1902 caliper inches in a combination of 3"caliper & 4"caliper trees of the following varieties: Live Oak; Bur Oak; & Bald Cypress. The following are the rates per caliper inch of each variety & size.

142ea - 4" Caliper Trees – Total of 568 Caliper Inches - Cost per Inch

Live Oak, Bur Oak, Bald Cypress - $71.64/cal in

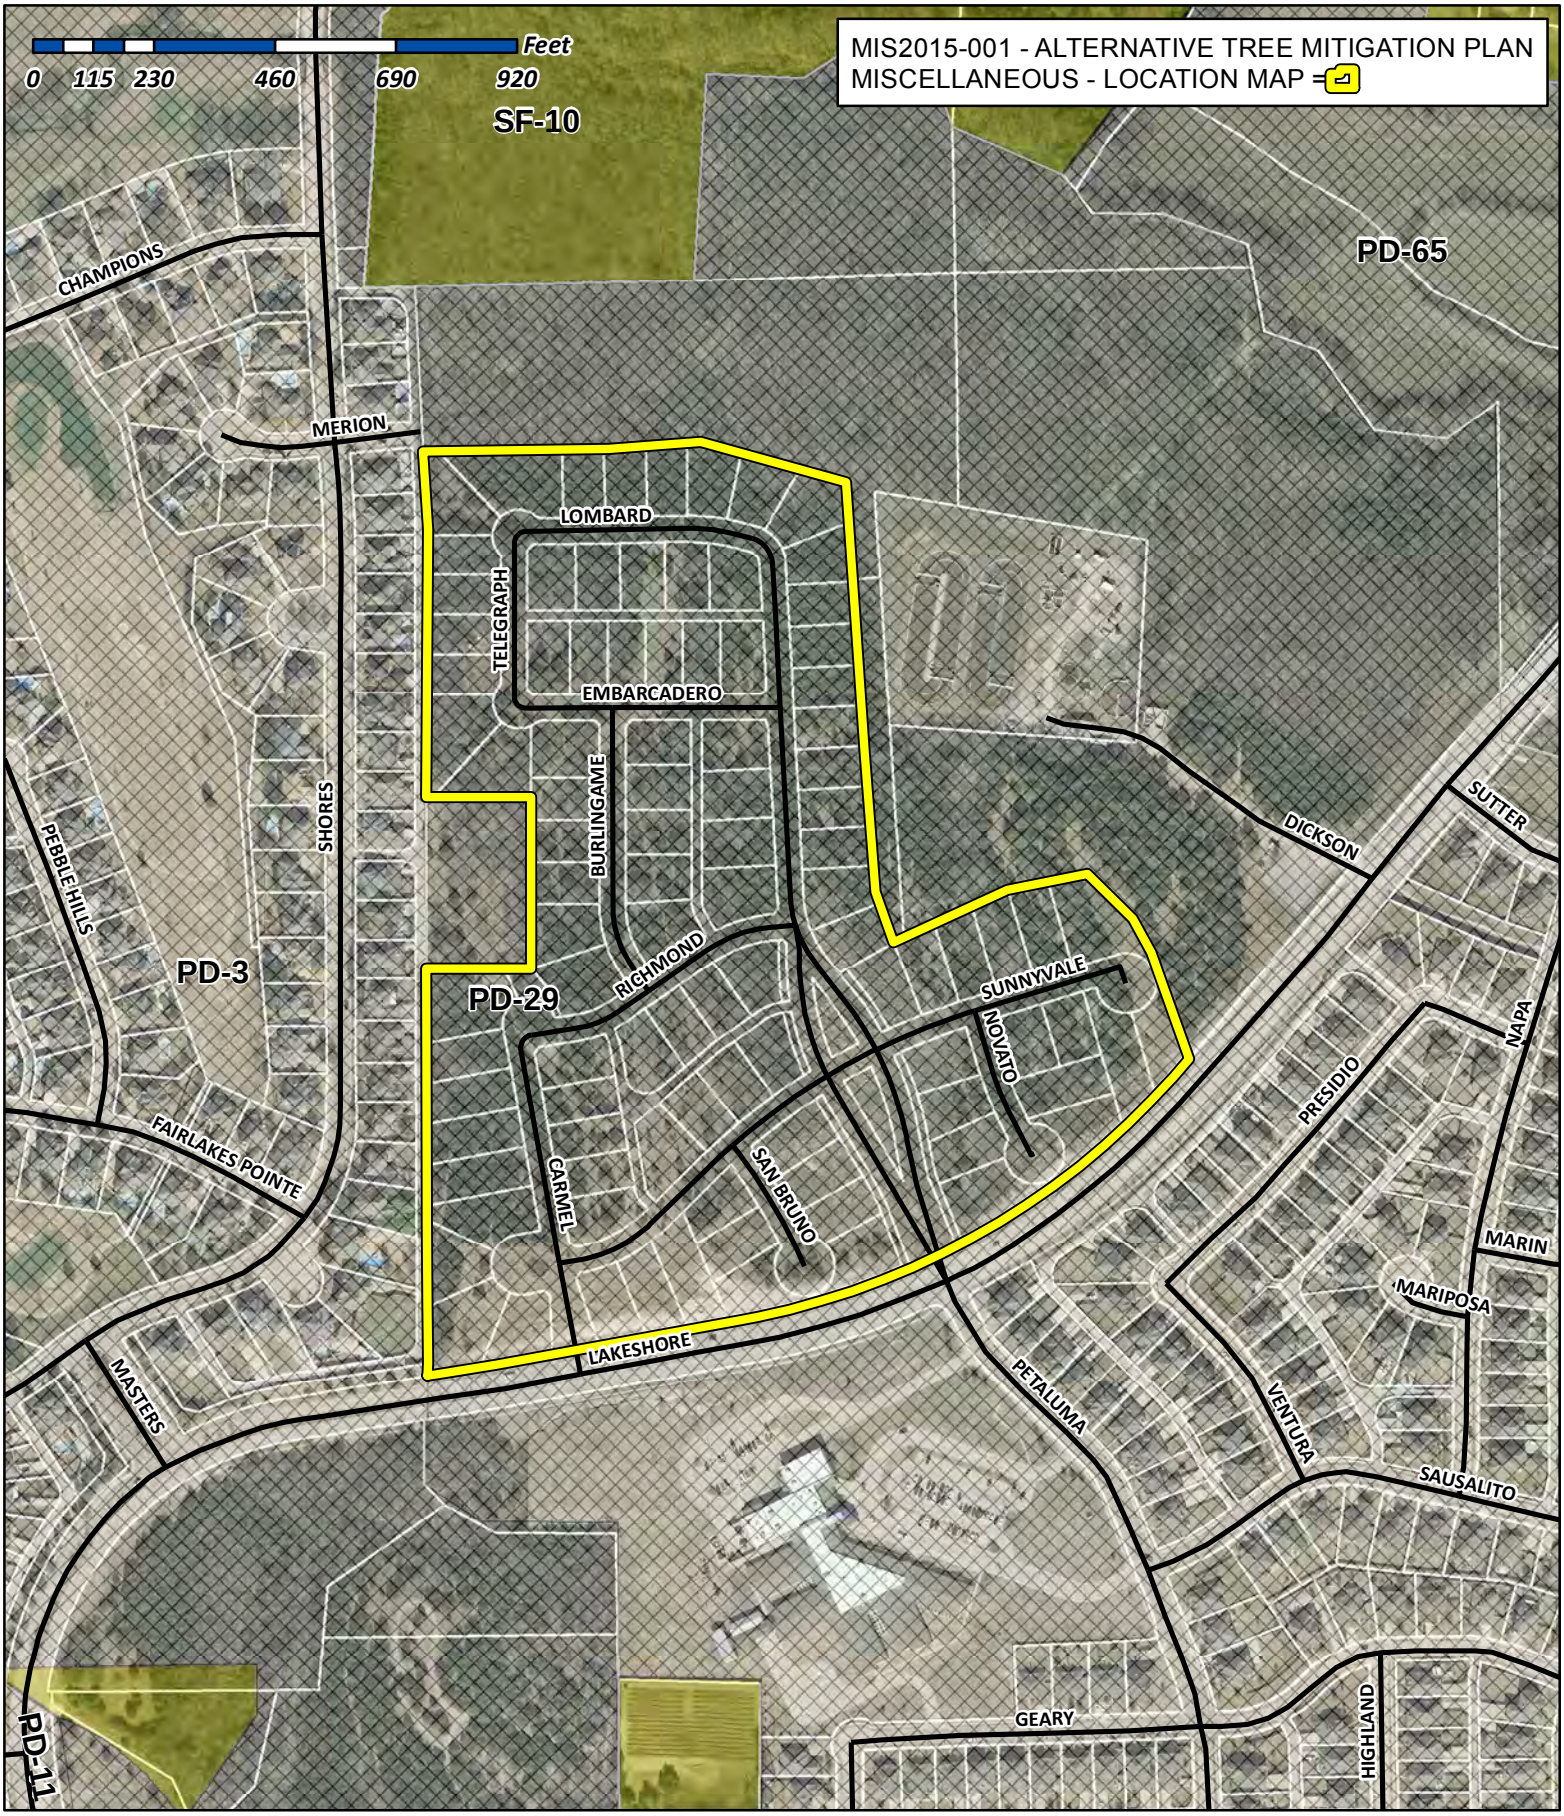
Total for 4" Trees = $40,691.52

445ea - 3" Caliper Trees – Total of 1,335 Caliper Inches - Cost per Inch

Live Oak, Bur Oak, Bald Cypress - $61.56/cal in

Total for 3" Trees = $82,182.60

This is for supply & delivery only and does not include any cost to plant / install.



Respectfully submitted,

Mark Andos

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 5/9/2006

APPLICANT: Amy Miller

AGENDA ITEM: **P2006-014**; Lakeview Summit Phase 4

4-3 (1 issue = Signage on cemetery)

Discuss and consider a request by Amy Miller of Douphrate & Associates, Inc., for approval of a final plat of Lakeview Summit Phase IV Addition, being a 38.056-acre tract zoned (PD-29) Planned Development No. 29 district and situated along the north side of North Lakeshore Drive, and take any action necessary.

BACKGROUND INFORMATION:

The final plat for Lakeview Summit Phase IV shows 97 single family residential lots, one lot (Lot 9A, Block A) intended to provide access to the historic Butler Cemetery, one lot (Lot 22-A, Block A) for a drainage and utility easement, and several landscape buffer tracts that will be maintained by the HOA. Three parking spaces are shown on Lot 9A that are designated for visitors to the cemetery. A variance to the alley requirement was approved by City Council with the preliminary plat for all lots except those in Blocks C, D and E. The lots in Block A that abut the existing alley in The Shores will not access from that alley due to grading issues and the applicant's intention to save trees in this area. The applicant has provided a pedestrian access ROW into the parkland between Lots 37 and 38, Block A. The final plat appears to conform to the approved preliminary plat and meets the minimum requirements of the SF-10 Single Family Residential district that governs this area of PD-29.

The applicant has submitted a draft HOA amendment regarding maintenance of the proposed landscape buffers, medians on Petaluma and the drainage and utility easement (Lot 22-A, Block A). An amendment has already been filed of record regarding the HOA's maintenance of the cemetery parking area (Lot 9A, Block A).

The landscape and screening plan has been amended since the worksession to show wrought iron fencing along N. Lakeshore Dr and Petaluma. The buffer strips along these roads and other common areas are landscaped ~~in accordance~~ with a variety of material. As seen with the preliminary plat, the treescape plan provided by the applicant indicates a significant amount of protected trees on the property (approximately 7,510-inches). A strip of trees along the existing alley along Lots 1-22, Block A will be saved (totaling 361.5-inches). Still, the mitigation requirement for the removed trees is approximately 6,467.5-inches. City Council approved a 2,160-inch credit in light of the developer's dedication of 5 additional acres of heavily vegetated parkland with Phase 3. The plan notes that 620-inches of trees will be planted in the common areas and 1485-inches will

be planted on the lots (five 4.5" trees on corner lots, three 4.5" trees on interior lots). The remaining balance is 2202" of trees, which will be further reduced by credits received from the developer's three transplant weekends and any trees the City Park's department transplanted. Any final, outstanding balance can be paid into the City's tree fund ($125 per inch) or the developer may arrange to setup a "bank" at a local nursery.

RECOMMENDATIONS:

Staff Recommends approval of the request with the following conditions:

1. Final approval by engineering and fire departments.
    a. Minimum 24-ft street width required on both sides of "split" Petaluma Drive.
    b. Show right-of-way for Sunnyvale Drive as it intersects Petaluma Drive.
2. Indicate on plat that Lot 22-A, Block A to be maintained by HOA.
3. Update adjacent tract recording information per park dedication with Phase 3 plat.
4. Developer to construct a wrought iron fence with stone columns on all sides of Butler Cemetery.
5. Wrought iron fence to be constructed along entire length of N. Lakeshore and landscape buffer strips on Petaluma Dr (wood fence incorrectly called out behind Lot 9, Block B)
6. ***Adherence to Parks Board recommendations:***
    a. ***The developer to construct an 8' wide concrete trail on the north side of N. Lakeshore Drive***
    b. ***The developer shall pay pro-rata equipment fees in the amount of $226 per lot for a total of $22,148.***
    c. ***The open area on Petaluma Drive to be maintained by the HOA to a Level A.***
    d. ***The drainage and Utility Easement located at Lombard Drive and Telegraph Drive be maintained by the HOA to a Level C.***

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Robert LaCroix, *Director of Planning and Zoning*

FROM: Ryan Miller, *Planning Manager*

DATE: February 2, 2015

SUBJECT: Z2014-040; *Spring Hills Suites Hotel [Marriott] SUP*

On January 20, 2015, the City Council approved a motion to table *Case No. Z2014-040* to the February 2, 2015 meeting. The motion was approved by a vote of 5-0, with Council Members Daniels and Milder absent. At this meeting there was discussion pertaining to the Architectural Review Board's (ARB's) recommendations for the building elevations. At that time, the ARB had made recommendations relating to the building elevations; however, the applicant had not been able to complete all the revisions prior to the meeting. Since this last meeting, the ARB has had a chance to reconvene and review the proposed changes to the elevations, and have approved the revised building elevations. Staff has included the revised perspectives of the building in your packet for your review.

79

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 01/20/2015

APPLICANT: Cameron Slown; *FC Cuny Corporation*

AGENDA ITEM: **Z2014-040**; *Spring Hill Suites Hotel (Marriott) SUP*

SUMMARY:

Hold a public hearing to discuss and consider a request by Cameron Slown of FC Cuny Corporation on behalf of Tom Kirkland of Tekmak Development Company for the approval of a Specific Use Permit (SUP) for a hotel on a 2.968-acre parcel of land identified as Lot 3A, Block A, Shoreline Plaza Addition and Lot 1-1, Block A, Henry Africa Subdivision, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the IH-30 Overlay (IH-30 OV) District, located at the southeast corner of the intersection of the IH-30 Frontage Road and Lakefront Trail, and take any action necessary.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is a restaurant (*The Oar House Restaurant*), which is situated on a 0.65-acre parcel of land zoned Planned Development District 32 (PD-32) for residential/office uses. North of this use is the IH-30 Frontage Road followed by the main lanes of IH-30.

South: Directly south of the subject property is an office building (*Land Headquarters Company, Inc.*), which is situated on a 0.57-acre parcel of land zoned Planned Development District 32 (PD-32). Beyond this use is a surface parking lot that is currently being used by the existing Harbor development.

East: Directly east of the subject property is a 6.34-acre parcel of land zoned Planned Development District 32 (PD-32). A *PD Development Plan* [*Ordinance No. 13-16*] proposing the construction of residential condominiums and retail/restaurant pad sites was approved on June 17, 2013.

West: Directly west of the subject property is the proposed roundabout at the junction of Shoreline Trial and Harbor Heights Drive. Beyond this is land designated for retail/restaurant pad sites per *Ordinance No. 13-16*.

PURPOSE AND CHARACTERISTICS OF THE REQUEST:

The applicant is requesting a Specific Use Permit (SUP) for the purpose of establishing a *Hotel* and *Conference Center* on the subject property. The subject property is a 2.968-acre parcel of land situated within the *Freeway Frontage Subdistrict* of Planned Development District 32 (PD-32) [*Ordinance No. 10-21*]. According to the *Subdistrict Land Use Chart* located in *Exhibit 'D'* of *Ordinance No. 10-21* the *Hotel, Full Service* land use requires a SUP in all subdistricts. As part of this request, staff has included a requirement in the SUP ordinance that a minimum of a 3,000 SF *Conference Center* shall be included with the development of the hotel. A *Conference Center* in this case is understood to be an area that is exclusively used to host conferences, exhibitions, large meetings, seminars, training session, and other similar events. In addition, the SUP ordinance also includes a stipulation that the hotel not be utilized as an *Extended Stay,*

Transient or *Residence Hotel*. An *Extended Stay, Transient* or *Residence Hotel* in this case is understood to be any hotel facility in which the majority of the rooms contain facilities (*i.e. storage, refrigeration, food preparation area, and etcetera*) that accommodate long-term inhabitance and which are advertised, designed and utilized for weekly or monthly occupancy.

With the submittal of the SUP application, the applicant has also submitted an application for site plan (*Case No. SP2014-034*); however, the site plan has been tabled until corrections are submitted by the applicant. The conceptual site plan and building elevations that will be included in the SUP ordinance are conceptual in nature and should not affect changes that are required through the site planning process. The approval of this case does not have an impact on the outcome of the site plan; however, the site plan case does contain a condition of approval that requires a SUP to be approved prior to acceptance of the site plan.

NOTIFICATION:

On December 30, 2015, staff mailed 18 notices to property owners and residents within 500-feet of the subject property. Staff also emailed notice of the request to the Lakeside Village and Lago Vista Homeowner's Associations (HOAs), which are the only HOAs located within 1,500 feet of the subject property. Additionally, staff posted a sign at the northwest corner of the intersection of the IH-30 Frontage Road and Lakefront Trail as required by the Unified Development Code (UDC). At the time this case memo was drafted no responses were received by staff.

RECOMMENDATIONS:

If the Planning and Zoning Commission chooses to approve the applicant's request for a Specific Use Permit (SUP) for a *Hotel, Full Service* land use on the subject property then staff would recommend the following conditions of approval:

1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the SUP ordinance and summarized as follows:

    a) The development of this property shall generally conform to the *Site Plan* depicted in the zoning ordinance;
    b) The development of this property shall generally conform to the *Building Elevations* depicted in the zoning ordinance;
    c) The development of a hotel on the subject property shall incorporate a minimum of 3,000 SF of floor area that will be utilized for the operation of a Conference Center (*i.e. an area that is exclusively used to host conferences, exhibitions, large meetings, seminars, training sessions, etcetera*); and,
    d) The *Subject Property* is prohibited from being utilized as an *Extended Stay, Transient* or *Residence Hotel*.

2) The applicant shall comply with all Planning, Engineering and Fire comments prior to the approval of the SUP;

3) Prior to the issuance of a Certificate of Occupancy the applicant shall be required to submit a replat that indicates the location of all easements on the subject property; and,

4) Any construction or building necessary to complete this request must conform to the requirements set forth by the UDC, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On January 13, 2015, the Planning and Zoning Commission voted to recommend approval of the applicant's request per staff's recommendations by a vote of 6-0, with Commissioner Fishman absent.

CITY OF ROCKWALL

ORDINANCE NO. 15-XX

SPECIFIC USE PERMIT NO. S-1XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) FOR A HOTEL WITHIN PLANNED DEVELOPMENT DISTRICT 32 (PD-32), FOR A 2.968-ACRE LOT, CONTAINING TWO (2) PARCELS OF LAND IDENTIFIED AS LOT 3A, BLOCK A, SHORELINE PLAZA ADDITION (1.824-ACRES) AND LOT 1-1, BLOCK A, HENRY AFRICA ADDITION (1.143-ACRES), CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Cameron Slown of FC Cuny Corporation on behalf of Tom Kirkland of Tekmak Development Company for the approval of a Specific Use Permit (SUP) to allow a *Hotel* on a 2.968-acre lot containing two (2) parcels of land identified as Lot 3A, Block A, Shoreline Plaza Addition (1.824-acres) and Lot 1-1, Block A, Henry Africa Addition (1.143-acres), City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), located within the IH-30 Overlay (IH-30 OV) District, and more specifically described in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW AND THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for a *Hotel* within the *Freeway Frontage Subdistrict* as stipulated by *Exhibit 'D': Subdistrict Land Use Chart* of Planned Development District 32 (PD-32) [*Ordinance No. 10-21*] on the *Subject Property*; and

SECTION 2. That the *Subject Property* shall be developed and/or used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance, Planned Development District 32 (PD-32) [*Ordinance No. 10-21 & 14-44*] and as stipulated by Section 4.1, *General Commercial District Standards*, of Article IV, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following conditions and compliance standards:

DRAFT ORDINANCE 01.20.15

2.1 Operational Conditions

The following conditions pertain to the operation of a *Hotel* on the *Subject Property*, and conformance to these operational conditions are required for continued operations:

1) The development of this property shall generally conform to the *Site Plan* depicted in *Exhibit 'B'* of this ordinance;

2) The development of this property shall generally conform to the *Building Elevations* depicted in *Exhibit 'C'* of this ordinance;

3) The development of a hotel on the subject property shall incorporate a minimum of 3,000 SF of floor area that will be utilized for the operation of a *Conference Center* (*i.e. an area that is exclusively used to host conferences, exhibitions, large meetings, seminars, training sessions, etcetera*); and,

4) The *Subject Property* is prohibited from being utilized as an *Extended Stay, Transient* or *Residence Hotel*.

SECTION 3. That the official zoning map of the City of Rockwall be corrected to reflect the changes described herein.

SECTION 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *TWO THOUSAND DOLLARS* ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 6. If any section of provision of this ordinance or the application of that section or provision to any person, firm, cooperation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have to adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 18TH DAY OF AUGUST, 2014.

MEMORANDUM

TO: **Mayor and City Council**

FROM: **Rick Crowley, City Manager**

DATE: **January 30, 2015**

SUBJECT: **Resolution of Appreciation to Regional Transportation Council (RTC) and the Texas Department of Transportation (TxDOT)**

Mayor Pruitt and I attended the regularly scheduled meeting of the Rockwall County Roadway consortium this past Wednesday. Among other things, the meeting reinforced several actions taken by the Regional Transportation Council and TxDOT which were responsive to the Rockwall City Council Resolution (adopted last August) opposing the Blacklands Tollway/Northeast Gateway project that was being considered at the time.

The actions ultimately taken by the RTC and TxDOT were favorably responsive to the resolution that the Council adopted in August. The project was not added to the RTC planning documents and was not removed from the TxDOT planning documents. To proceed during the course of the next year, the project would have to have been included in both of these documents. Further, the RTC and their staff have indicated that the area of focus will shift from the tollway project to an examination of improvements that should be considered on existing roadways – I-30, SH66, and US 78.

After the meeting the Mayor suggested, and I certainly agreed, that a resolution should be drafted for consideration by the Council expressing our appreciation for the responsiveness of these agencies and the focus that they have now stated. You will note that the resolution further indicates that the City supports NON-TOLL capacity improvements to I-30 and the consideration of service road lanes across Lake Ray Hubbard. This also appears to be the consensus among members of the Rockwall County Roadway Consortium.

Given the number of projects that are currently in various stages of planning, design, and construction, Mayor Pruitt has also suggested that the Council schedule some time so that the these projects can be reviewed by the full Council. He may want to address this further as the resolution is considered on Monday evening.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 15-06

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, EXPRESSING THE APPRECIATION OF THE CITY OF ROCKWALL TO THE REGIONAL TRANSPORTATION COUNCIL AND THE TEXAS DEPARTMENT OF TRANSPORTATION FOR THEIR RECENT ACTIONS AND THEIR RESPONSIVENESS TO THE CONCERNS PREVIOUSLY EXPRESSED BY THE CITY OF ROCKWALL RELATED TO THE BLACKLANDS TOLLWAY/NORTHEAST GATEWAY PROJECT AND EXPRESSING THE CITY OF ROCKWALL'S COMMITMENT TO WORKING WITH THE REGIONAL TRANSPORATION COUNCIL, THE TEXAS DEPARTMENT OF TRANSPORTATION AND THE ROCKWALL COUNTY ROADWAY CONSORTIUM TO SECURE NEEDED TRANSPORTATION PLANNING AND IMPROVMENTS FOCUSING ON ALTERNATIVES TO THE PREVIOULSY CONSIDERED TOLLWAY PROJECT.

WHEREAS, The City Council of the City of Rockwall by its Resolution No. 14-15 (adopted August 4, 2014) expressed the City's opposition to the then-proposed Blacklands Tollway/Northeast Gateway project and other concerns stated therein, and

WHEREAS, Resolution No. 14-15 was provided to the Regional Mobility Council and the Texas Department of Transportation, and

WHEREAS, the Regional Mobility Council and the Texas Department of Transportation duly considered and evaluated the stated position of the City Council of the City of Rockwall, and

WHEREAS, the Regional Mobility Council, upon the recommendation of its transportation staff, did not include the Blacklands Tollway/Northeast Gateway project in the Metropolitan Transportation Plan, and

WHEREAS, the Texas Department of Transportation removed the Blacklands Tollway/Northeast Gateway project from its Unified Transportation Program, and

WHEREAS, all agencies have indicated an interest in continuing to seek solutions to current and future transportation needs which focus on alternatives to the previously considered new toll facility, and

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the City of Rockwall expresses it's most sincere appreciation to the Regional Transportation Council and the Texas Department of Transportation for each agency's consideration of and responsiveness to the City's (and others') concerns.

Section 2. That the City of Rockwall is appreciative of each agency's continuing efforts to address future transportation planning and current transportation needs of the region.

Section 3. That the City of Rockwall appreciates examination by the entities of projects that will increase the system capacity of existing traffic facilities and is supportive of non-toll capacity improvements to I-30 within the City Limits of the City of Rockwall and, further, is

supportive of the addition of service roads crossing Lake Ray Hubbard (as a means of improving traffic safety and traffic capacity).

Section 4. **That the City of Rockwall is appreciative of its partnership with the Rockwall County Roadway Consortium and all of its members and further recognizes and appreciates the participation by the Texas Department of Transportation and the North Central Texas Council of Governments in the consortium.**

Section 5. **That the City of Rockwall applauds the Regional Transportation Council, the North Central Texas Council of Governments, and the Texas Department of Transportation for their continuing regional transportation commitments and is appreciative of local projects that have/will contribute to those efforts.**

Section 6. **That the City of Rockwall is committed to working with the Rockwall County Roadway Consortium, the Texas Department of Transportation, and the Regional Transportation Council to address current and future transportation needs.**

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 2nd day of February, 2015.

Jim Pruitt, Mayor

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Ashberry, City Secretary / Assistant to the City Manager**

DATE: **January 28, 2015**

SUBJECT: **Joint Elections Contract**

As you know, the Rockwall County Commissioners Court recently filled a vacancy for the Rockwall County Elections Administrator by hiring Christopher Lynch. I have met and had several exchanges with Mr. Lynch concerning the May 9th election, including a countywide meeting recently held to discuss joint elections and the contract that is before the city council for consideration this evening. City Attorney Frank Garza has reviewed the proposed contract and is comfortable with its provisions, which are, by in large, indicative of joint election contracts that Rockwall has entered into with the County Elections Administrator and the RISD in years past.

STATE OF TEXAS
COUNTY OF ROCKWALL
CITY OF ROCKWALL
ROCKWALL INDEPENDENT SCHOOL DISTRICT

CONTRACT FOR ELECTION SERVICES

BY THE TERMS OF THIS CONTRACT made and entered into by and between the **CITY OF ROCKWALL** (the "City"), the **ROCKWALL INDEPENDENT SCHOOL DISTRICT** (the "School District") and the **ELECTIONS ADMINISTRATOR OF ROCKWALL COUNTY** (the "EA"), pursuant to the authority in Subchapter D, Section 31.092, of Chapter 31, of the Texas Election Code, agree to the following particulars in regard to coordination, supervision and running of the City's General Election and the School District's General Election to be held on May 9, 2015.

THIS AGREEMENT is entered into in consideration of the mutual covenants and promises hereinafter set out. IT IS AGREED AS FOLLOWS:

I. PRINCIPAL DUTIES AND SERVICES OF THE EA. The EA shall be responsible for performing the following duties and shall furnish the following services and equipment:

A. The EA shall arrange for appointment, notification (including writ of election), training and compensation of all presiding judges, alternate judges, the judge of the Tabulation Room and judge of the Early Voting Balloting Board.

1. The EA shall be responsible for notification of each Election day and Early Voting presiding judge and alternate judge of his or her appointment. The EA recommends providing up to six (6) election workers including alternate judges, clerks and interpreters. The presiding election judge of each polling place, however, will use his/her discretion to determine the working hours of the election workers during normal and peak voting hours. The EA will determine the number of clerks to work in the Tabulation Room and the number of clerks to work on the Balloting Board.

2. Election judges (including Presiding and Alternate) shall attend the EA's school of instruction (Elections Seminar) to be held on a date determined by the EA. The Elections Seminar shall provide training in standard procedures as set forth by the Secretary of State and will also include training on the ES&S Model 100 Precinct Ballot Scanners, the ES&S Ivotronic ADA voting machines and the ADA headphones.

3. Election judges shall be responsible for picking up from and returning election supplies to the Rockwall County Election Administrator's office located at 915 Whitmore Dr. Suite D, Rockwall, Texas. Compensation for this pickup and delivery of supplies will be $25.00.

4. The EA shall compensate each election judge, alternate judge, clerk and interpreter. Each election judge and interpreter shall receive $12.00 per hour for services rendered. Each alternate judge and clerk shall receive $10.00

per hour for services rendered. The expenses shall be shared equally pursuant to the Joint Election Agreement as shown in Exhibit "D" attached and incorporated by reference into this contract.

B. The EA shall procure, prepare, and distribute voting machines, election kits and election supplies.

1. The EA shall secure election kits which include the legal documentation required to hold an election and all supplies including locks, pens, magic markers, etc.

2. The EA shall secure all tables, chairs, and legal documentation required to run the Tabulation Room.

3. The EA shall provide all lists of registered voters required for use on election day and for the early voting period required by law. The Election Day List of registered voters shall be arranged in alphabetical order by polling place.

4. The EA shall procure and arrange for the distribution of all election equipment and supplies required to hold an election. Equipment includes the rental of ES&S Model 100 Precinct Ballot Scanners, ES&S Ivotronic ADA voting machines, ADA headphones, transfer cases, voting signs and supply bags.

C. The EA shall be appointed as the Early Voting Clerk by the City and School District.

1. The EA shall supervise and conduct early voting by mail and in person and shall secure personnel to serve as Early Voting Deputies.

2. Early Voting by personal appearance for the City's General Election and School District's General Election held on May 9, 2015 shall be conducted during the time period and at the locations listed in Exhibit "A", attached and incorporated by reference into this contract.

3. All applications for an Early Voting mail ballot shall be received and processed by the Rockwall County Elections Administrator's office located at 915 Whitmore Dr. Suite D, Rockwall, Texas 75087.

(a) Applications for mail ballots erroneously mailed to the City or School District shall immediately be faxed to the EA for timely processing. The original application shall then be forwarded to the EA for proper retention.

(b) All Federal Post Card Applicants (FPCA) will be sent a mail ballot. No postage is required.

4. All Early Voting ballots (those cast by mail and those cast by personal appearance) shall be prepared for count by the Early Voting Ballot Board in accordance with Section 87.000 of the Texas Election Code. The presiding judge of this Board shall be appointed by the EA. The Board shall meet for preparation of the early voting ballots at a time agreed to between the EA and the Early Voting Ballot Board Judge.

D. The EA shall arrange for the use of all election day polling places. The City and School District shall each assume the responsibility of incurring and absorbing the cost of its employees required to provide access, security and/or custodial services for the polling locations pursuant to a Joint Election Agreement as shown in Exhibit "D" attached and incorporated by reference into this contract. The election day polling locations are listed in Exhibit "B", attached and incorporated by reference into this contract.

E. The EA shall be responsible for establishing and operating the Tabulation Room to receive the ES&S Ivotronic Flashcards and the ES&S Model 100 PCMIA memory cards.

1. The EA shall prepare, test and run the County's Tabulation System in accordance with the statutory requirements.

2. The Public Logic and Accuracy Test of the electronic voting system shall be conducted by the EA and notice of the date shall be posted in local newspapers.

3. The EA shall cause to be published in the local newspapers the required notices including notices of early voting locations, election day voting locations, and tabulation testing.

4. Election night reports will be available to the City and School District after tabulation is completed. Provisional ballots will be tabulated after election night in accordance with the law.

5. The EA shall prepare the unofficial canvass report after all precincts have been counted, and will provide a copy of the unofficial canvass to the City and School District as soon as possible after all returns have been tallied.

6. The EA shall conduct a manual count as prescribed by Section 127.201 of the Texas Election Code and submit a written report to the City and School District in a timely manner. Unless waived by the Secretary of State, if applicable, a written report shall be submitted to the Secretary of State as required by Section 127.201(e) of the aforementioned code.

II. PRINCIPAL DUTIES AND SERVICES OF THE CITY AND SCHOOL DISTRICT.

Each entity shall assume the following responsibilities:

A. The City and School District shall prepare the election orders, resolutions, notices, official canvass and other pertinent documents for adoption by the appropriate office or body.

B. The City and School District shall provide the EA with an updated map and street index of its jurisdictions in an electronic or printed format as soon as possible.

C. The City and School District shall design and provide the EA with the ballot layout and Spanish interpretation in an electronic format.

D. The City and School District shall cause to be published in the local newspapers the required notice of election.

1. The City and School District shall deliver to the EA as soon as possible the official wording for the City's General Election and School District's General Election to be held on May 9, 2015.

2. The City and School District shall approve the ballot format prior to the final printing.

E. The City, School District and the EA shall determine the number of ballots to be purchased.

F. The City and School District shall compensate the EA for any additional verified cost incurred in the process of running this election or for a manual count of this election, if required, consistent with charges and rates shown on Exhibit "C" for required services. These costs will be invoiced for reimbursement.

G. The City and School District shall reimburse Rockwall County for its portion of the printing costs of any and all related materials for ballots, early voting, election day voting, election kits, and for the ES&S Model 100 Precinct Ballot Scanner and ES&S ADA Ivotronic voting machines pursuant to a Joint Election Agreement as shown in Exhibit "D" attached and incorporated by reference into this contract.

H. The City and School District shall reimburse Rockwall County for its portion of the rental of all electronic voting equipment, including Model 100 Precinct Ballot Scanners and ADA Ivotronic voting machines, compliance headphones, PEBs, flash cards, PCMIA cards and any other equipment required to complete the counting of votes pursuant to a Joint Election Agreement as shown in Exhibit "D" attached and incorporated by reference into this contract.

I. The City and School District shall each reimburse the EA for an administrative fee not to exceed ten percent (10%) of the City and School District's portion of the total cost of the election.

J. The City and School District shall each deposit its share of the election costs as set forth on Exhibit "C". The check is to be made payable to Rockwall County

and delivered to the EA. The final costs of the election along with the ten percent (10%) administration fee will be prepared on a format similar to Exhibit "C" and the invoice along with any supporting documentation shall be delivered by the EA. The invoice is due and payable 30 days after receipt by the City and School District.

K. The City and School District, in the event of a contested election, agrees to provide competent legal counsel and representation for the EA and staff, covering any and all legal fees and costs as a result of this elections process.

L. The City and School District, in the event of a recount, agrees to reimburse any expenses incurred by the EA's office not covered by the charges assessed to the person requesting the recount. This would include, but not be limited to the compensation costs of any Rockwall County Election personnel required to work beyond regular office hours in order to conduct said recount of this election. The recount shall take places in the EA's office and the EA's office shall assist the Recount Supervisor and/or the Recount Coordinator in the completion of the recount.

M. The EA shall be the custodian of the voted ballots and shall retain all election materials for a period of 6 months.

N. The City and School District shall prepare and submit to the U.S. Department of Justice under the Federal Voting Rights Act of 1965, any required submissions on voting changes.

III. COST OF SERVICES. See Exhibit "C."

A. The City and School District shall share equally in the expense of conducting early voting and election day voting pursuant to a Joint Election Agreement as shown in Exhibit "D" attached incorporated by reference into this contract.

B. The cost of site support by Third Party Contractors shall be shared equally by the City and School District pursuant to a Joint Election Agreement as shown in Exhibit "D" attached and incorporated by reference into this contract.

IV. GENERAL PROVISIONS.

A. To the extent of the law, the City and School District agree to save and hold harmless the EA from any and all claims arising out of the failure or omission of the City or School District to perform its obligations under this contract.

B. To the extent of the law, the EA agrees to save and hold harmless the City and School District from any all claims arising out of the failure or omission of the County and the EA to perform their obligations under this contract.

C. Nothing contained in this contract shall authorize or permit a change in the officer with whom or the place at which any document or record relating to the City's General Election or School District's General Election held on May 9, 2015 is to be

filed or the place at which any function is to be carried out, or any nontransferable functions specified under Section 31.096 of the Texas Election Code.

D. Upon request, the EA shall provide copies of all invoices, cost reports and other charges incurred in the process of running said election for the City and School District.

E. The EA shall file copies of this contract with the County Auditor and the County Treasurer of Rockwall County, Texas.

F. The City and School District shall enter into a Joint Election Agreement as shown in Exhibit "D" attached and incorporated by reference into this contract.

G. If the City and/or School District cancels their election pursuant to Section 2.053 of the Texas Election Code, the EA shall be paid a contract preparation fee of $75.00. The City and School District will not be liable for any further costs incurred by the EA in conducting the May 9, 2015 Election.

H. This Agreement contains the entire agreement of the parties to the rights herein granted and the obligations herein assumed and supersedes all prior agreements, including prior election services contracts relating to each Entity's May 2015 election. Any prior agreements, promises, negotiations, or representations not expressly contained in this Agreement are of no force and effect. Any oral representations or modifications concerning this Agreement shall be of no force or effect, excepting a subsequent modification in writing as provided herein.

I. Except as otherwise provided, this Agreement may not be amended, modified, or changed in any respect whatsoever, except by a further Agreement in writing, duly executed by the parties hereto. No official, representative, agent or employee of any Participating Entity has any authority to modify this Agreement except pursuant to such expressed authorization as may be granted by the governing body of the respective Participating Entity.

J. This Agreement may be executed in multiple counterparts, all of which shall be deemed originals and with the same effect as if all parties hereto had signed the same document. All of such counterparts shall be construed together and shall constitute one and the same Agreement.

WITNESS BY MY HAND THIS _____ DAY OF _____, 2015.

EXHIBIT "D"

STATE OF TEXAS
CITY OF ROCKWALL
ROCKWALL INDEPENDENT SCHOOL DISTRICT

JOINT ELECTION AGREEMENT

This Agreement is entered into by and between the City of Rockwall, Texas (the "City") and the Rockwall Independent School District (the "School District").

By the terms of this agreement, the City and School District do hereby agree, pursuant to the provisions of the Texas Election Code, to hold a joint election of the General Election of the City and the General Election of the School District to be held on Saturday, May 9, 2015. All entities have contracted with the Rockwall County Elections Administrator (the "EA") to perform various duties and responsibilities on behalf of the two entities.

The two entities shall share equally in the expense of conducting Early and Election Day voting, polling locations, election officials, election supplies, ballots and other and all necessary expenses for the election upon receipt of satisfactory billing and invoices reflecting the total of such election.

An entity canceling an election pursuant to Section 2.053 of the Texas Election Code will not be liable for costs incurred by the EA in conducting the May 9, 2015 Joint General Election; they will be liable for on the contract preparation fee of $75.00.

This Agreement contains the entire agreement of the parties relating to the rights herein granted and the obligations herein assumed and supersedes all prior agreements, including prior election services contracts relating to each Entity's May 2015 election. Any prior agreements, promises, negotiations, or representations not expressly contained in this Agreement are of no force and effect. Any oral representations or modifications concerning this Agreement shall be of no force or effect, excepting a subsequent modification in writing as provided herein.

Except as otherwise provided, this Agreement may not be amended, modified, or changed in any respect whatsoever, except by a further Agreement in writing, duly executed by the parties hereto. No official, representative, agent or employee of any Participating Entity has any authority to modify this Agreement except pursuant to such expressed authorization as may be granted by the governing body of the respective Participating Entity.

This Agreement may be executed in multiple counterparts, all of which shall be deemed originals and with the same effect as if all parties hereto had signed the same document. All of such counterparts shall be construed together and shall constitue one and the same Agreement.

MEMORANDUM

TO: Honorable Mayor and City Council Members

FROM: Kristy Ashberry, City Secretary

DATE: January 30, 2015

SUBJECT: May 9, 2015 Special Election: Charter Amendments

Included for consideration in the February 2nd council meeting packet is a resolution calling a Special Election to present proposed Charter Amendments to the voters in conjunction with the General Election (to be held Saturday, May 9, 2015).

CITY OF ROCKWALL

RESOLUTION NO. 15-05

A RESOLUTION OF THE CITY COUNCL OF THE CITY OF ROCKWALL, TEXAS, ORDERING A SPECIAL ELECTION TO BE HELD IN SAID CITY ON THE 9TH DAY OF MAY, 2015, FOR THE PURPOSE OF SUBMITING TO THE QUALIFIED VOTERS OF THE CITY OF ROCKWALL, TEXAS, FOR THE ADOPTION OR REJECTION OF, CERTAIN PROPOSED AMEDMENTS TO THE CITY CHARTER; DESIGNATING THE ENTIRE CITY AS ONE ELECTION PRECINCT; DESIGNATING THE POLLING PLACE(S) AT WHICH SAID ELECTION IS TO BE HELD; APPOINTING THE ADMINISTRATOR OF SAID ELECTION; ORDERING NOTICES OF ELECTION TO BE POSTED AND PUBLISHED AS PRESCRIBED BY LAW IN CONNECTION WITH SAID ELECTION; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING FOR AN EFFECTIVE DATE.

Whereas, the City Council of the City of Rockwall, Texas (hereinafter referred to as the "City"), has, on its own motion, determined to submit to the qualified voters of said City, for their adoption or rejection thereof, certain proposed amendments to the existing City Charter of said City, pursuant to the provisions of Section 9.004 of the Texas Local Government Code (the "Code"); and

Whereas, the City Council determines that the special election shall be held on the next uniform election date on the date set forth below; and

Whereas, the meeting at which this resolution is considered is open to the public as required by law, and public notice of the time, place and purpose of said meeting was given as required by Chapter 551 of the Texas Government Code.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. Incorporation of Premises. That all of the above premises are found to be true and correct and are incorporated into the body of this Resolution as if copied in their entirety.

Section 2. Election Order; Election Date; Purpose of Election. That there be submitted at a specially called election to be participated in by the qualified voters of the City of Rockwall, Texas, to be held on Saturday, May 9, 2015, which date is not less than sixty-two (62) days from the date of the adoption of this ordinance, for the purpose of submitting a Charter amendment proposition to the qualified Resolution voters of the City to amend the Charter of the City at the voting places and hours outlined in this Resolution and Resolution 15-04 calling for the City's General Election .

Section 3. Ballot Propositions. The official ballots shall be prepared in accordance with the Texas Election Code, as amended, so as to permit electors to vote "FOR" or "AGAINST" the aforesaid proposition. Voters should place an "X" in the square beside the statement indicating the way they wish to vote.

Section 4. The following measures will be submitted to the qualified voters of the City at the election to be held on the date specified in the previous section in the form of propositions in accordance with Section 9.004 of the Texas Local Government Code and the City Charter.

PROPOSITION ONE

Shall Sections 1.04 (3), 3.04 (2), 3.05 (4), 3.08 (1), 3.11 (3), 4.02 (2), 4.04 (6), 5.02 (f), 7.15 (1), 7.16 (3), 7.18, 11.13 (g), and 11.16 of the City Charter be amended to require submission to the qualified voters of the City to eliminate provisions which have become inoperative because they have been superseded by state law; replace obsolete references; update terminology to current legal usage, and to eliminate obsolete transitional provisions?

FOR ____ AGAINST ____

PROPOSITION TWO

Shall Sections 3.06 (b) and 4.03 (3) of the City Charter be amended to authorize the City Council to appoint Associate Municipal Judge(s) and eliminate the option of the Mayor being required to serve as Municipal Judge in the absence of the Municipal Judge?

FOR ____ AGAINST ____

PROPOSITION THREE

Shall Section 5.04 (3) of the City Charter be added to clarify that newly elected Council members will be sworn in to take office at the first City Council meeting following the official canvassing of the election?

FOR ____ AGAINST ____

PROPOSITION FOUR

Shall Section 6.07 (1)) of the City Charter be amended to increase the number of days the City Secretary has to verify signatures on a petition from ten days to twenty-one days?

FOR ____ AGAINST ____

PROPOSITION FIVE

Shall Section 7.02 of the City Charter be amended to change the date the City Manager must submit the draft budget to the City Council from August 1st to August 15th?

FOR ____ AGAINST ____

PROPOSITION SIX

Shall Section 7.06 of the City Charter be amended to change the date the Council adopts the budget from 10 days prior to the end of the fiscal year to prior to the beginning of the next fiscal year?

FOR ____ AGAINST ____

PROPOSITION SEVEN

Shall Section 8.01 (5) of the City Charter be amended to clarify that Council action is required to remove any City Board or Commission member who is absent from three consecutive regular meetings without explanation acceptable to the City Council?

FOR ____ AGAINST ____

PROPOSITION EIGHT

Shall Section 11.16 of the City Charter be added to provide a procedure for operation of the city government in case of a disaster?

FOR ____ AGAINST ____

Section 5. The actual proposed Charter language amendments and additions are attached to this Resolution as Exhibit A and are incorporated for all purposes to Resolution.

Section 6. Election Precinct, Polling Place, and Election Hours. That the entire City of Rockwall, Texas shall constitute one (1) election precinct for the election, and the polling place is hereby designated to be located at Utley Middle School, 1201 T.L. Townsend, Rockwall, Texas 75087. In accordance with and pursuant to the requirements of the Code, said polling place shall be open from 7:00 a.m. until 7:00 p.m. on the date of the election.

Section 7. Early Voting and Ballots by Mail. That early voting by personal appearance shall be conducted at the Rockwall County Library, 1215 E. Yellowjacket Lane, Rockwall, Texas 75087 on the following dates at the specified times with the exception of Saturday, Sunday and State holidays:

Monday, April 27 through Saturday, May 2, 2015 - 8:00 a.m. until 5:00 p.m.
Monday, May 4 and Tuesday, May 5, 2015 - 7:00 a.m. until 7:00 p.m.

Applications for ballot by mail shall be requested from and mailed to the Rockwall County Election Administrator, Attn: Christopher Lynch, 915 Whitmore Drive, #D, Rockwall, TX 75087. Applications for ballots by mail must be received no later than the close of business on Thursday, April 30, 2015.

Section 8. Method of Voting. That Direct Record Electronic (DRE) voting machines and Optical Scan ballots shall be used for early voting by personal appearance and for Election Day voting. Optical scan ballots shall be used for early voting by mail. The City Secretary, acting as chief elections officer, shall ensure at least one (1) E. S. & S. Ivotronic "ADA" approved voting machine is provided at the polling place as required by Section 61.012, of the Texas Election Code.

Section 9. Governing Law and Qualified Voters. That the election shall be held in accordance with the constitution of the State of Texas and the Code, and all resident, qualified electors of the city, shall be eligible to vote at the election.

Section 10. Publication and Posting of the Notice. That notice of the election in English and Spanish shall be given by posting a notice of election on the City Hall bulletin board used for posting notices of the meetings of the City Council not less than twenty-one (21) days prior to the date upon which the election is to be held, and by publication of said notice at least once in a newspaper of general circulation within the city, the date of said publication to be not less than ten (10) days and not more than thirty (30) days prior to the date set for the election.

Section 11. Administration of Election and Appointment of Judges and Clerks. That the Rockwall County Elections Administrator shall serve as the Administrator of the election. The County Elections Administrator shall appoint a sufficient number of judges and clerks in accordance with Chapter 32 Texas Elections Code to assist in the proper conduct of the election.

Section 12. Delivery of Returns: Preservation of Election Records. That in accordance with the Code and the City's contract with the Rockwall County Elections Administrator, immediately after the closing of the poll on the day of the election, the election officers shall make and deliver the returns of the election in triplicate as follows: one copy shall be retained by the Presiding Election Judge and by the Presiding Election Judge of the Early Ballot Board, one copy shall be delivered to the Mayor of the City, and one copy of the returns, together with the ballot boxes and all election supplies, shall be delivered to the Rockwall County Elections Administrator. All election records and supplies shall be preserved in accordance with the Code.

Section 13. Representatives. That the following slate of officials and other designated persons are hereby authorized to be present to observe the election counting process:

a. The Mayor and members of the City Council of the City of Rockwall;
b. Candidates for Mayor and City Council of the City of Rockwall;
c. The Rockwall City Secretary or her designated representative.

Section 14. Canvassing of Returns. That the City Council of the City shall convene between May 12, 2015 to May 20, 2015 to canvass the returns of the election in accordance with the Texas Election Code.

Section 15. Necessary Action. That the Mayor and the City Secretary of the City, in consultation with the City Attorney, are hereby authorized and directed to take any and all actions necessary to comply with the provisions of the Code in carrying out and conducting the election, whether or not expressly authorized herein.

Section 16. Severability. That should any part, section, subsection, paragraph, sentence, clause or phrase contained in this resolution be held to be unconstitutional or of no force and effect, such holding shall not affect the validity of the remaining portion of this resolution, but in all respects said remaining portion shall be and remain in full force and effect.

Section 17. Effective Date. That this resolution shall be in force and effect from and after its passage and it is accordingly so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 2nd day of February, 2015.

Jim Pruitt, Mayor

ATTEST:

Kristy Ashberry, City Secretary

EXHIBIT A

PROPOSITION ONE

Shall Sections 1.04 (3), 3.04 (2), 3.05 (4), 3.08 (1), 3.11 (3), 4.02 (2), 4.04 (6), 5.02 (f), 7.15 (1), 7.16 (3), 7.18, 11.13 (g), and 11.16 of the City Charter be amended to require submission to the qualified voters of the City to eliminate provisions which have become inoperative because they have been superseded by state law; replace obsolete references; update terminology to current legal usage, and to eliminate obsolete transitional provisions?

Sec. 1.04 (3) Proposed Charter Language: The City Council will establish a written policy governing extension of City services to all areas. Disannexation procedures ~~are provided in Section 42 of the Local Government code as presently written or hereafter amended. (Amended 1993)~~ *shall comply with the applicable provisions of the Texas Local Government Code.*

Sec. 3.04 (2) – Proposed Charter Language: The Mayor Pro-Tem will be a Council member elected by the City Council at the first regular meeting after each election of Council members and/or Mayor. Should a vacancy occur, the unexpired term will be filled at the next regular council meeting after the occurrence of the vacancy. The Mayor Pro-Tem will act as Mayor during the disability or absence of the Mayor, and in this capacity will have the rights conferred upon the Mayor.

Sec. 3.05 (4) - Proposed Charter Language: In the event of a vacancy in the office of the Mayor, the Mayor Pro-Tem must become the Mayor, thereby vacating his Council position. Within thirty days, vacancies in the Council, other than the Mayor, will be filled by a majority vote of the remaining ~~elected~~ members, ~~for the unexpired term only~~ *until the next regular City election*, and provided the successor will possess all qualifications for the position.

Sec. 3.08 (1) - Proposed Charter Language: The City Council will hold at least one regular meeting each month and as many additional meetings as it deems necessary to transact the business of the City. The City Council will fix by ordinance the date and time of the regular meeting(s). Special meetings of the City Council will be held at the call of the Mayor*, City Manager* or a majority of the Council members upon provision of public notice in accordance with state law.

Sec 3.11 (3) - Proposed Charter Language: A proposed ordinance, except as related to an emergency, budget, tax, public utility rate setting, *calling for an election to issue bonds, a public security authorization* or State or Federal requirement, must be read at two City Council meetings with at least one week between readings.

Sec. 4.02 (2) – Proposed Charter Language to add to Section 4.02 (2):

(h) Schedule and oversee all City elections in accordance with the Texas Election Code and any other applicable law.

Sec. 4.04 (6) - Proposed Charter Language: The City Attorney may be removed by a majority vote of the ~~elected~~ City Council.

Sec. 5.02 (f) - of the City Charter shall be DELETED in order to comply with newly adopted state law.

> ~~"*No employee of the City will continue in such position after filing for an elective office provided for in this Charter*."~~

Sec. 7.15 (1) – Proposed Charter Language**: "**The City Council may by ordinance, give the City Manager general authority to *procure and* contract for expenditure without further approval of the Council for all budgeted items not exceeding limits set by the Council *and the procurement conducted in accordance with state law*." All contracts for expenditures involving more than the set limits must be expressly approved in advance by the Council. All contracts or purchases involving more than the limits set by the Council must be let to the lowest bidder whose submittal is among those responsive to the needs of the City after there has been opportunity for competitive bidding as provided by law or ordinance. The City Council, or City Manager ~~in such cases as he/she is authorized to contract for the City,~~ will have the right to reject any and all bids.

Sec. 7.16 (3) –Proposed Charter Language: This prohibition will not be construed to prevent the making or authorizing of payments, or making of contracts for capital improvements to be financed wholly or partly by the issuance of bonds, time warrants, certificates of indebtedness, or certificates of obligation, or to prevent the making of any contract or lease providing for payments beyond the end of the fiscal year, providing that such action is made or approved by ~~ordinance~~ *City Council.*

Sec. 7.18 – Proposed Charter Language: At the close of each fiscal year, and at such other times as may be deemed necessary, the City Council must call for an independent audit to be made of all accounts of the City by a certified public accountant. No more than ~~five~~ *four* consecutive annual audits must be completed by the same firm. The certified public accountant selected must have no personal interest, directly or indirectly in the financial affairs of the City or any of its officers. The report of audit, with the Auditor's recommendations will be made to the City Council. Upon completion of the audit, the ~~summary must be published~~ *complete audit and summary must* be immediately *posted on the City's website* ~~in the newspaper of record of the City~~ and copies of the audit placed on file in the City Secretary's office as a public record.

Sec. 11.13 (g) – Proposed Charter Language: "Employee" will refer to any person who is employed and paid a salary by the City including those individuals on a part-time basis, but does not include City Council members, *uncompensated volunteers or independent contractors* ~~or members of the volunteer fire department~~.

Sec. 11.16 – Recommend the deletion of this section in its entirety since the original Charter has been adopted and this transitional language has become obsolete.

PROPOSITION TWO

Shall Sections 3.06 (b) and 4.03 (3) of the City Charter be amended to authorize the City Council to appoint Associate Municipal Judge(s) and eliminate the option of the Mayor being required to serve as Municipal Judge in the absence of the Municipal Judge?

Sec. 3.06 (b) - Proposed Charter Language: Appoint and remove the Municipal Judge *and Associate City Judge(s).*

Sec. 4.03 (3) - Proposed Charter Language: ~~In the event of failure of the City Judge to perform his duties, the Mayor must act in his place and stead (and in the event of a vacancy, until a City Judge is appointed by the Council to fill the vacancy). If the Mayor acts as a City Judge, he/she must be compensated at the same salary, if any, as the City Judge for whom he/she is acting~~ T*he City Council may also appoint Associate City Judge(s) that meet the same qualifications as the City Judge of the Municipal Court who will work in the absence of the City Judge. Associate City Judge(s) will be appointed to a term of two years and may be appointed to additional consecutive terms upon completion of their term of office. The appointment of Associate City Judge(s) may be terminated\ by the City Council. The Associate City Judge(s) will receive compensation as may be determined by the City Council*.

PROPOSITION THREE

Shall Section 5.04 (3) of the City Charter be added to clarify that newly elected Council members will be sworn in to take office at the first City Council meeting following the official canvassing of the election?

Sec. 5.04 (3) - Proposed Charter Language: (3) Each newly elected person to the City Council shall be inducted into office at the first City Council meeting following the official canvassing of the election. At such meeting, the oath shall be administered in accordance with state law

PROPOSITION FOUR

Shall Section 6.07 (1)) of the City Charter be amended to increase the number of days the City Secretary has to verify signatures on a petition from ten days to twenty-one days?

Sec. 6.07 (1) - Proposed Charter Language: Within ~~ten~~ *twenty-one* days after the petition is presented, the City Secretary must complete a certificate of sufficiency or insufficiency. Sufficiency must be determined by compliance with this Article.

PROPOSITION FIVE

Shall Section 7.02 of the City Charter be amended to change the date the City Manager must submit the draft budget to the City Council from August 1st to August 15th?

Sec. 7.02 - Proposed Charter Language: On or before the ~~first~~ *fifteenth* day of the eleventh month of the fiscal year, the City Manager must submit to the Council a budget for the ensuing fiscal year and an accompanying message

PROPOSITION SIX

Shall Section 7.06 of the City Charter be amended to change the date the Council adopts the budget from 10 days prior to the end of the fiscal year to prior to the beginning of the next fiscal year?

Sec. 7.06 - Proposed Charter Language: After public hearing, the Council must analyze the budget, making any additions or deletions which they feel appropriate, and must ~~, at least ten days prior to the beginning of the next fiscal year,~~ adopt the budget *prior to the beginning of the next fiscal year* by a favorable majority vote of the full membership of the Council. Should the City Council take no final action on or prior to such day, the current budget must be in force on a month to month basis until a new budget is adopted.

PROPOSITION SEVEN

Shall Section 8.01 (5) of the City Charter be amended to clarify that Council action is required to remove any City Board or Commission member who is absent from three consecutive regular meetings without explanation acceptable to the City Council?

Sec. 8.01 (5) –Proposed Charter Language: Any member of a*ny City* board, commission or committee who is absent from three consecutive regular meetings without explanation acceptable to the City Council ~~a majority of the other members~~, *shall* ~~must~~ forfeit his position on the board, commission or committee *and be removed by the City Council.*

PROPOSITION EIGHT

Shall Section 11.16 of the City Charter be added to provide a procedure for operation of the city government in case of a disaster?

Proposed Charter Language:

Sec. 11.16 Disaster Clause

In case of disaster when a legal quorum of the elected City Council cannot otherwise be assembled due to multiple deaths or injuries, the surviving persons of the City Council, or highest surviving City elected official, if no elected official remains, within twenty-four (24) hours of such disaster, the City Manager shall appoint a Council to act during the emergency and call a City election as provided in the Texas Election Code, for election of a required quorum, if for good reasons it is known a quorum of the present City Council will never again meet. If City Manager is not available due to death or injury, the County Judge of Rockwall County shall appoint a Council to act during the emergency and call a City election as provided in the Texas Election Code, for election of a required quorum,

City of Rockwall
The New Horizon

MEMORANDUM

TO: Mayor and City Council Members Sub-committee Members

FROM: Hotel Occupancy Tax Sub-committee Members
Mary Smith, Assistant City Manager

DATE: January 30, 2015

SUBJECT: Request for Funding Allocation – Rockwall Rubber Duck Regatta

The City received a supplemental funding request for hotel occupancy tax revenues from the Rockwall Rubber Duck Regatta organization. Copies of the Funding Request Questionnaire and supporting narrative were reviewed by the Subcommittee and are attached for Council's review. Their request totals $32,200 and includes the fees charged by the City for their use of the Harbor.

In addition, the City Recreation staff has met with representatives of the VFW and local retired service members (Commissioner Lee Gilbert and Gary Bunch) about their proposal to partner with City to organize a Memorial Day concert and recognition event. The City would be responsible for logistics support and their committee would handle the program schedule, performers and speakers. It is estimated that the event will cost about $5,000 for setup, sound, performer fees and other associated costs. Staff is asking for hotel tax support for the new event.

The subcommittee has discussed both proposals and will recommend $20,000 funding for the Duck Regatta and $5,000 for the Memorial Day event.

At the present, the Hotel/Motel Occupancy Tax budget is as follows:

Fund Balance carried forward	**$ 144,140**
Revenues budgeted	**310,000**
Allocated Funding	**(311,235)**
Projected Fund Balance	**$ 142,905**

Staff will be available to answer any questions regarding the request. Council is asked to consider authorizing the subcommittee's recommended funding levels.

- **COMPLETE AN APPLICATION FOR EACH EVENT/PROGRAM/EXHIBIT REQUESTING FUNDS**
- **INCOMPLETE APPLICATIONS WILL NOT BE FORWARDED TO THE COUNCIL SUBCOMMITTEE**

1. Mark an "X" next to the category or categories that your organization is requesting funds in the attached budget request.

☒ **Advertising/Tourism** **Requested funding amount $**
Conducting solicitation or promotional programs that encourage tourists and delegates to come to the City of Rockwall.

☐ **Arts** **Requested funding amount $**
Providing encouragement, promotion, improvement and application of the arts as it relates to the presentation, performance execution or exhibition of the major art forms in the City of Rockwall.

☐ **Historical** **Requested funding amount $**
Providing historical restoration, preservation, programs and encouragement to visit preserved historic sites or museums located in the City of Rockwall.

2. Briefly state the purpose of your organization/mission statement:
The mission of the Rockwall Rubber Duck Regatta is to raise money to improve the lives, health, and well-being of children, the disabled, and the elderly in Rockwall County through fun and profitable activities in a safe and family friendly environment.

3. Does your organization have paid staff?
No # Full-Time # Part-Time

4. Does your organization use volunteers?
Yes Approximately how many? 100

5. Is the event/program that the organization is requesting Hotel Tax funds held in/on City-owned property?
Yes Name location: **Harbor**

If you are holding your event in/on city-owned property, the City may, in lieu of funds, donate the cost of the facility/property rental for that event.

6. Will your event be held in *"The Downtown"* or adjacent to *Lake Ray Hubbard*?
Yes Name location: **Adjacent to Lake Ray Hubbard at the Harbor**

7. Will your organization provide special event insurance coverage for the event/program if held on City property?
Yes Name of Insurance Company: Philadelphia Insurance Companies

8. List all other sources of funding your organization receives for this event. Include event budget (use the required budget form attached).

Sponsorships, vendor fees, duck sales, merchandizing, and 5k entry fees

9. List the programs, activities, exhibits, or event for the upcoming fiscal year (Oct. 1, 2014-Sept. 30, 2015) that the requested Hotel funding will support partially or in full.
Running with the Nerds 5k and Fun Run, vendor/craft show, Corporate Duck Beauty Pageant, Corporate Rubber Duck Race, Adopted Baby Duck Race, Live concert, fireworks, and a Glow-in-the-dark duck race.

10. Provide 3 years attendance history for the above listed programs, activities, exhibits or event in #9 above.

Event	Year	Event Duration (in Days)	Audience Size	# of Attendees in hotel rooms
2012 Rockwall Rubber Duck Regatta & Duck Fest	2012	1	4000	20
2013 Rockwall Rubber Duck Regatta & Duck Fest	2013	2	5000	50
2014 Rockwall Rubber Duck Regatta & Duck Fest	2014	1	7000	75

11. How do the requested budget expenditures meet the definition of the categories marked in #1? Advertising/Tourism, Arts, Historical

Funding will be utilized to advertise and promote this Rockwall event and the Harbor area. The purchase of the advertising is likely to *directly* enhance tourism to the city by letting readers of these signs, magazines, newspapers, and billboards know of an event that they may wish to attend. The promotion of this fun and unique family festival will *directly enhance* and promote tourism that will result in overnight stays in the hotels and motels of the city.

12. What specific market will you target with the event/program's marketing plan?
Attach up to 3 examples and evidence of marketing area and readership (Label Exhibit C).

State-wide for festival attendees and vendors through use of print media and social media.

13. Describe in detail how your event/program will promote tourism and the hotel industry in Rockwall.

Marketing of the event will include special rates at local hotels, links to area hotels on our website, and will profile the amenities in the Harbor. We will utilize social media, such as our website and facebook page, to promote the area and the events as well. We have Facebook page friends from all over the world, including 12 different counties. Locally, we have friends from 44 different cities from around the US.

This year we will continue expanding our marketing efforts to include a billboard in Dallas, advertisements in the Dallas Morning Newspaper, Lakeside Living Magazine, and various other print media. In addition, we will continue our advertizing on various festival and vendor websites to reach subscribers all over the region.

14. Describe the organization's long-term plan (3-5 year) in regard to the program/ event that funds are being requested.

Continue to grow into an event for the community of Rockwall, such as the Plano Balloon Festival and Addison Oktoberfest.

15. The City of Rockwall must require segregated accounting of its Hotel funds. Organizations must maintain and account for revenue provided from the tax authorized by section 351.101(a) within one of the two options listed below.

a) Separate checking account without combining with any other revenues or maintained in any other bank account or

b) Maintain a line item accounting, whereby the Hotel revenues may not be combined with any other revenues or expenditures. The funds may be maintained in the same bank account, provided they are reported as a separate line item in the organization's budget. Interest earned on the Hotel revenues must be used to support the event/program as well.

Will the organization be able to segregate the accounting process in either a) or b) above?
Yes We will utilize option B.

16. Provide all of the following documentation with this application and label each as outlined below.

Exhibit A	Proposed budget for each event/program using attached form
Exhibit B	Letter of determination certifying federal tax exempt 501(c)(3) status
Exhibit C	Examples and evidence of marketing area and readership (limit 3)
Exhibit D	List members of the governing body including name, position, mailing address and phone number

We certify, to the best of our ability, that the information in this application, including all exhibits and supporting documentation is true and correct to the best of our knowledge. It is understood and agreed that any funds awarded as a result of this application will be used for the purpose set for herein and the program guidelines.

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Ashberry, City Secretary / Assistant to the City Manager**

DATE: **January 28, 2015**

SUBJECT: **Art Commission appointments (3 additional members needed)**

At the January 5 meeting, the City Council appointed Kathleen Morrow and David Sweet to serve on the city's ART Commission. Three vacancies remain to be filled (a total of 5 are needed).

As a reminder, the provisions regarding the ART Commission's composition are as follows:

(a) (1) The art review team (ART) commission shall consist of five members, who shall all be "interested citizens" appointed by the city council. All team members should possess knowledge of or have an interest in contemporary, visual art, artistic principles and art media.

- *a. The art review team (ART) commission shall consist of five regular members appointed by a majority of the city council. A staff liaison will be appointed by the city manager.*
- *b. In the case of a vacancy of the commission, the city council, by a majority vote, may appoint a replacement member to the commission. Any person appointed shall serve until the expiration of the term of office of the vacated position.*
- *c. Each member of the commission shall be a resident citizen and qualified voter of the city.*
- *d. Upon the initial appointment of the commission by the city council, members shall draw lots for three two-year terms and two one-year terms of service. Thereafter, the term of office of members of the commission shall be for two years. Members may be removed, as determined by the city council.*
- *e. Members shall serve without compensation.*

The council member assigned to oversee review of applications and make recommendations to the full council concerning appointments to this commission is now Councilmember Townsend.

To: Chief Poindexter
From: BC Merritt
Re: Structure fire December 17, 2014
Date: December 18, 2014

2230 Garden Crest

We responded to a report of a Structure fire on December 17, 2014. The first unit on scene reported smoke and flames visible from the rear of a 2 story residence. I arrived shortly after the first engine and walked around to the rear of the residence to find heavy flames coming from the attic of the residence. The first crews made entry through the front of the residence and began to attack the flames from the interior. The fire was in two separate attic areas of the residence which made for a difficult initial attack. Interior attack crews were removed from the residence and a defensive attack was done using the aerial master stream. Once the fire had been controlled with the aerial master stream the offensive attack was resumed and the fire was extinguished. No damage occurred to either of the adjacent structures. The initial involved structure suffered significant fire damage to the rear portion and secondary water damage throughout. There were no civilian injuries and no firefighter injuries were reported on this incident.

Dispatch time: 18:14.13
Enroute time: 18:15.09
On scene time: 18:18.50
Clear time: 22.11.21

4 men on scene 18:21

I arrived on scene at 18:19.38 and was the 3rd person on scene so the above 4 man time is estimated. I was unable to report any subsequent times because I was buy trying to help get the initial attack started as well as get an exposure line in place.

We had a total of 5 on duty Firefighters, 19 Volunteers, 2 Investigators, 1 Chief and 3 apparatus on this incident. Mutual aid was also requested from Fate and they sent 6 personnel and 1 apparatus to the scene.

167

1200 E. Washington

We responded to a report of a fire at 1200 E. Washington on December 17, 2014. The first unit on scene arrived and reported smoke coming from a vent on the side of the building and large bay doors on the rear of the building. Upon further investigation it was determined the fire was inside a large drying oven and was contained to that location. The fire was extinguished and no damage was done to the structure and minimal damage was done to the drying oven. There were no civilian injuries and no firefighter injuries were reported on this incident.

Dispatch time: 08:16.47
Enroute time: 08:18.20
On scene time: 08:20.35
Clear time: 09:07.25

12 men on scene 08:35.40

We had a total of 4 on duty Firefighters, 15 Volunteers, 2 Investigators, 2 Chiefs and 3 apparatus on this incident.

2014 Points of Pride
Rockwall Fire Department
Prepared by: Chief Poindexter

OVERVIEW

The 2014 calendar year was another very busy year for the Rockwall Fire Department. Our calls were down 2.03% in the City and up 25% in the County. As always, the volunteers and full-time members of this department worked very hard, did an excellent job for the city and its citizens, and achieved many goals within the year. As a Combination Department we continue to work with a limited paid staff to supplement the volunteer firefighters of the department. Operating four fire stations with three full-time Captains, twelve full-time drivers, sixteen part-time drivers and sixteen volunteers is very challenging. We began the process of hiring three more full-time drivers and the process should be completed by February 1, 2015. This staffing level will allow us to have two on-duty drivers/firefighters at three of the four stations and one on duty at the fourth station. We will be evaluating the staffing levels in the second quarter of 2015 for any future positions. I am excited about the New Year. The City Council and City staff have assisted this department in making major changes that will produce many positive effects in the years to come. The Fire Department is off to a busy start in 2015.

TRAINING & INCENTIVES

The Battalion Chief continues to have positive effects on the level of training among fire department personnel.

Training Highlights

- Twice monthly training sessions
- Fire training schools at Texas A & M
- Basic Wildland Firefighting Certification
- 168 certifications held among our firefighters
- 23 different types of certifications
- 37 Certified firefighters

Incentives at a Glance

- Provide tuition for State Firefighter certification and Emergency Medical Technician certification
- Incentive to attend week long training courses
- VFIS accident/injury insurance
- Workers compensation coverage
- Credit on monthly water bills
- Higher education certification pay
- Pay per call incentive
- Retirement program
- Incentive for receiving State Firefighter Certification & EMT Certifications
- Recruiting incentive
- Recruit training incentive
- Driver shift pay
- Longevity pay

STAFFING

The Rockwall Fire Department approved staffing for 2014 was 20 full time fire personnel, 4 Fire Marshal staff, 2 administrative staff and up to forty-nine part-time/volunteer firefighters. Currently we have:

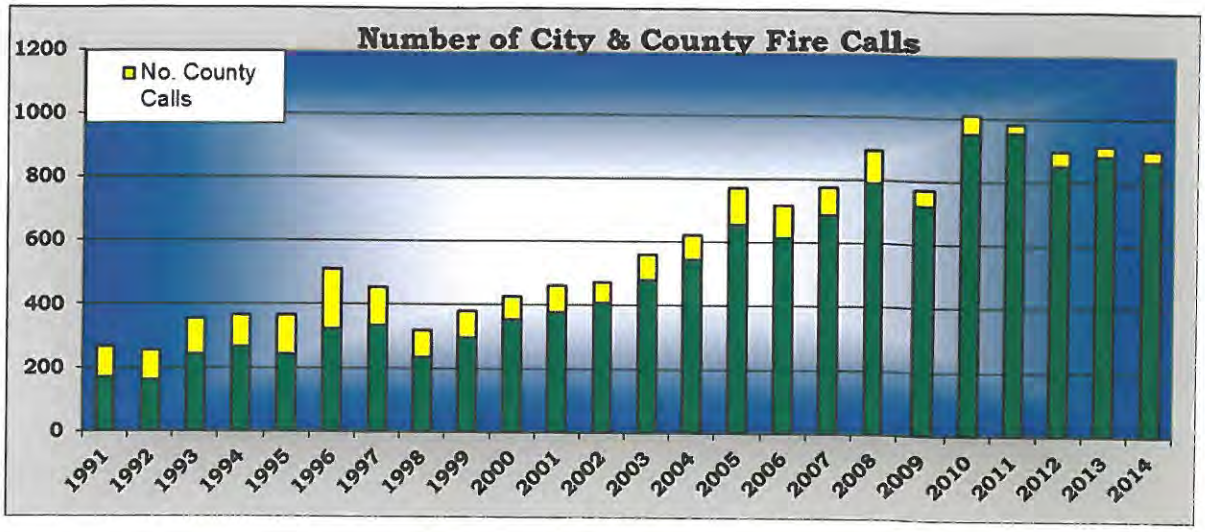
- Fire Chief
- Battalion Chief
- 3 Captains
- 12 Driver/Operators
- 3 New vacant Driver/Operator positions
- 1 Fire Marshal
- 3 Fire Inspectors/Arson Investigators/Firefighters
- 16 Part-time Driver/Operators (8 full-time paid in other cities)
- 16 Volunteers
- 1 Administrative Assistant
- 1 Administrative Technician

RECRUITING & RETENSION

The recruitment and retention of Volunteers continues to be a priority for our department because the cost savings to the department and citizens is tremendous.

Recruiting Results:

- 29 volunteers at beginning of year
- We received 60 applications during the year
- 42 applicants were rejected or withdrew from process
- 10 applications currently being processed or awaiting Physical Agility Testing or Oral Review Board
- 8 became new members
- 32 total volunteers at end of the year



Retention Results:

- 5 volunteers left the volunteer force during the year

STATISTICS

Fire Calls

In 2014, the Rockwall Fire Department answered 867 calls in the City and 35 calls in the County for a total of 902 calls. Of those calls, 13 of the 902 calls were mutual aid calls. City calls were down and County calls were up, so overall the call volume was down slightly by 1.21%.

Fire Apparatus Response Time

Response time criteria was set by Council with goals of achieving them 90% of the time in City fire boxes with stations, 60% of the time in City fire boxes without stations and 60% of the time in the County and Mutual Aid fire boxes. The criteria set forth by Council for enroute times is 1 ½ minutes in the City and County. The criterion for arrival time is 6 minutes in the City and 10 minutes in the County. The criteria set forth for overall response time is 7 ½ minutes in the City and 11 ½ minutes in the County. Response times are tracked by boxes, involving those in the City where we have stations versus those in the City where there are no stations. Also we track the County and mutual aid response times and boxes separately.

In 2014, we met the enroute criteria in the City overall 90.26% of the time. We met the enroute criteria for the County and Mutual Aid areas 67.74% of the time. The arrival criterion in the city overall was met at 91.84%. The arrival criterion in the County and Mutual Aid boxes was met at 75%. The response time criterion in the City overall was met at 94.21%. The response time criterion in the County and Mutual Aid box districts was met at 71%.

This chart shows the response times percentages under the criteria set by Council in the Balanced Scorecard Measures.

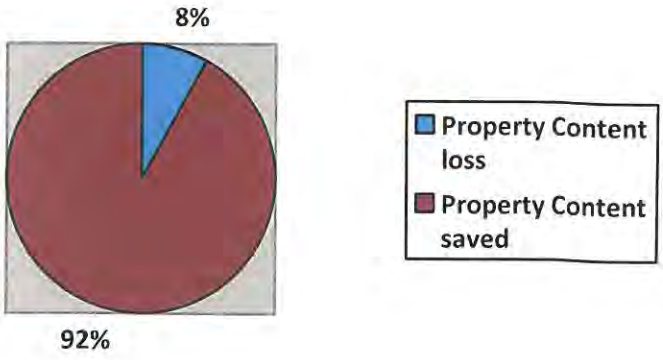
	En Route	Arrival	Response	Goal	Status
City limits - boxes with stations	89.5%	93.6%	95.05%	90%	Achieved
City limits - boxes without station	97.29%	72.97%	83.78%	60%	Achieved
County & Mutual Aid Area	67.74%	75.00%	71.43%	60%	Achieved

Manpower to Structure Fire Incidents

During 2014, we maintained the average manpower of 16.81 firefighters on structure fire calls within the City.

Our target is to have at least 24 firefighters available for any type of structure fire. Therefore, we fell short of meeting the target for 2014 by 7.19 firefighters.

Manpower Response Time to Structure Fires



The department has continued to measure and improve manpower response time to all structure fires within the City. This is the amount of time from when a call is dispatched, until the department achieves a (4) man firefighting team, (8) man firefighting team and (12) men firefighting team on scene of all structure fires.

In 2014 it took 8.39 minutes to achieve a (4) man firefighting team, 15.15 minutes to achieve a (8) man firefighting team and 31.13 minutes to achieve a (12) man firefighting team.

Fire Savings/Fire Loss

The pre-incident value of property involved in a fire incident in the City was $ 3,279,580.00 and the pre-incident value of content involved in a fire incident in the City was $6,490,050.00 for a total of $9,769,630.00. The property lost in a fire was valued at $539,144.90 and the content lost in a fire was valued at $237,438.94.

In 2014 the Fire Department saved $2,853,672.00 in property and $6,176,795.20 in content in the City of Rockwall. The amount of property/content loss was 7.565% of the pre-incident value and the amount of property/content saved was 92.44%.

ISO

We are very proud that we were able to achieve our Goal back in 2013 by lowering our Public Protection Class Rating to a PPC Rating of Class 2. This is done by using the Fire Suppression Rating Schedule and taking an in-depth look into the dispatching, water system, fire department and prevention programs within our community.

Fire Marshal's Office

The Fire Marshal's Office is responsible for community Fire Prevention Education, Fire & Building Codes Enforcement, Business & Building Pre Incident Planning, and Fire/Arson Investigations. The Rockwall Fire Marshal's Office strives to provide the best service possible to the City of Rockwall and its customers in all we do.

Fire Prevention Education

An essential component of the service that the Fire Marshal's Office provides to our customers is Fire Prevention. The Fire Marshal's Office focuses on educating the community about the benefits of proper safety practices and identifying and eliminating all types of hazardous conditions, which pose a threat to life, the environment, and property.

Annual Fire Department Open House

This fall, the Fire Marshal's Office organized and managed our 11th annual Fire Department Open House. We opened Fire Station #2 to our citizens who wanted to learn more about their fire department. We expanded the event this year with the addition of the In-n-Out mobile kitchen, which served over 800 free burger meals to our residents for 3 hours during our event.

Fire Prevention Month

We continued our partnership with the Rockwall Independent School District on the injury prevention Risk Watch program, focusing this year on smoke alarms. We visited 11 elementary schools with our interactive Smoke Alarm amazing race. With this program we directly educated over 7,000 children in the community of Rockwall.

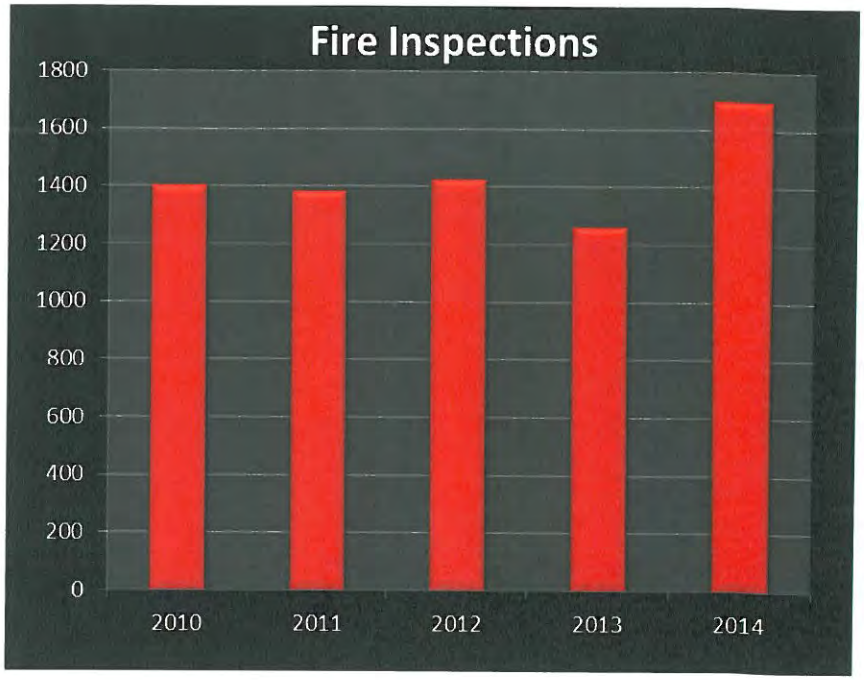
Citizen's Fire Academy

In 2014, Rockwall Fire Department changed its recruiting procedures for the Citizen's Fire Academy. These changes include visiting both Rockwall and Rockwall Heath High schools to recruit students 16 years of age or older. These new methods have proven to be very effective. The 2014 Citizen's Fire Academy had the largest recruitment in the program's history. One of the graduates from this class joined the Citizen's Emergency Response Team, and is enrolled to attend fire academy in 2015. Due to the large volume of positive feedback and recruiting success, we will continue this recruiting procedure for the 2015 Citizen's Fire Academy class.

Community Emergency Response Team

Rockwall CERT participated in a total of 51 events in 2014, including 4 business meetings, 17 training meetings, 2 emergency/disaster exercises, 23 planned special events, and 5 official requests for assistance by a public safety agency. This resulted in 918 volunteer hours from our dedicated members. In the last year, Rockwall CERT has taken the time to

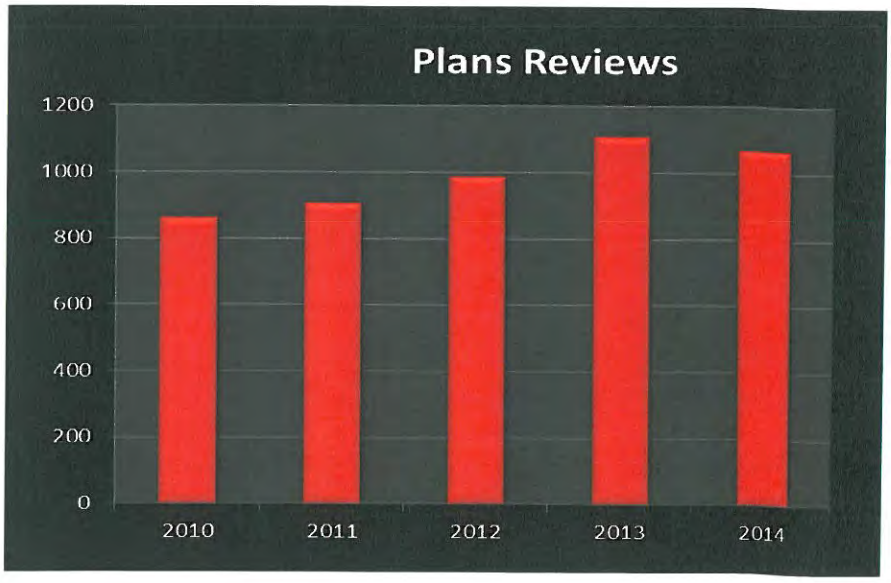
re-organize, creating a committee to lead the team. The committee, comprised of 5 members, has been instrumental in creating an organization that falls under the principles of FEMA's National Incident Management System (NIMS) and Incident Command System (ICS), making the team both administratively and operationally more effective. The committee has been hard at work to develop a new Standard Operating Guideline (SOG), which we hope to adopt by the summer of 2015. Rockwall CERT also changed its dispatch and response procedures to improve response times, reliability, and availability to public safety agencies. Due to a resulting increase in requests for assistance from public safety agencies, Rockwall CERT continues to be challenged, finding ways to adapt and improve the service it provides. Rockwall CERT has worked hard to lay a strong foundation to build upon and we hope that in 2015 we can begin to reach out to the community, educate the citizens of Rockwall about emergency preparedness, and recruit new members for the team.



Fire & Building Codes Enforcement Program

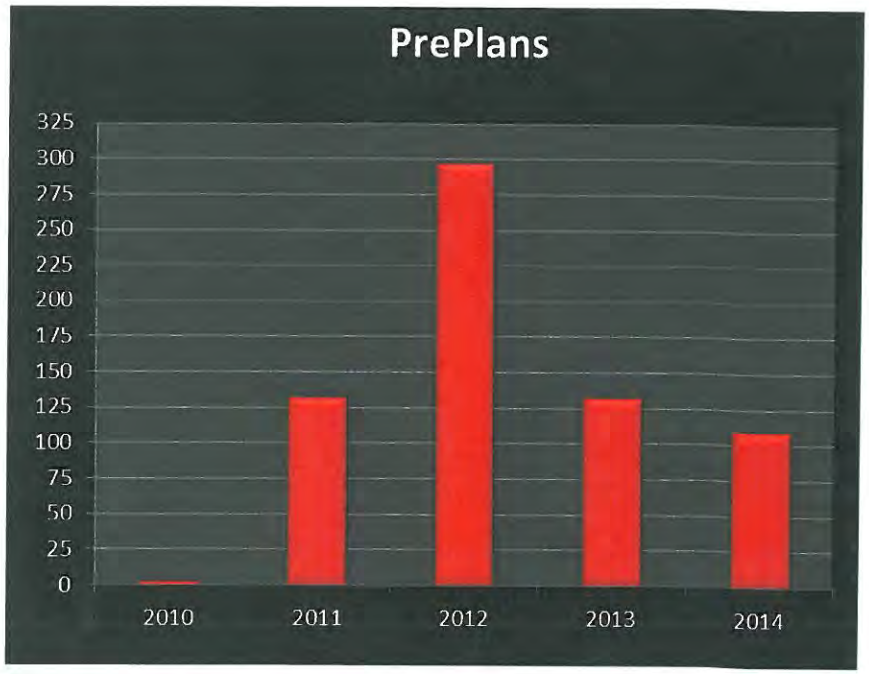
Code enforcement is a critical element in the success of fire prevention programs. Almost every aspect of a thorough fire prevention program is affected by code enforcement in some way. It plays a major role in fire and life safety inspections, plans review, hazardous materials and environmental investigations, and the issuance of fire code permits.

At the end of 2013, Rockwall Fire Marshal's Office filled one vacant personnel position. With this new hire, we were able to restructure and revise processes to increase efficiency. We completed several major new construction projects this year, including Trend Tower, Whitmore Manufacturing, Kroger expansion, and YMCA. In 2014, our office reviewed 1,068 total Planning & Zoning, Engineering, Building, and system plans. During 2014, we also have increased the number of inspections completed by almost 20% to a total of 1698.



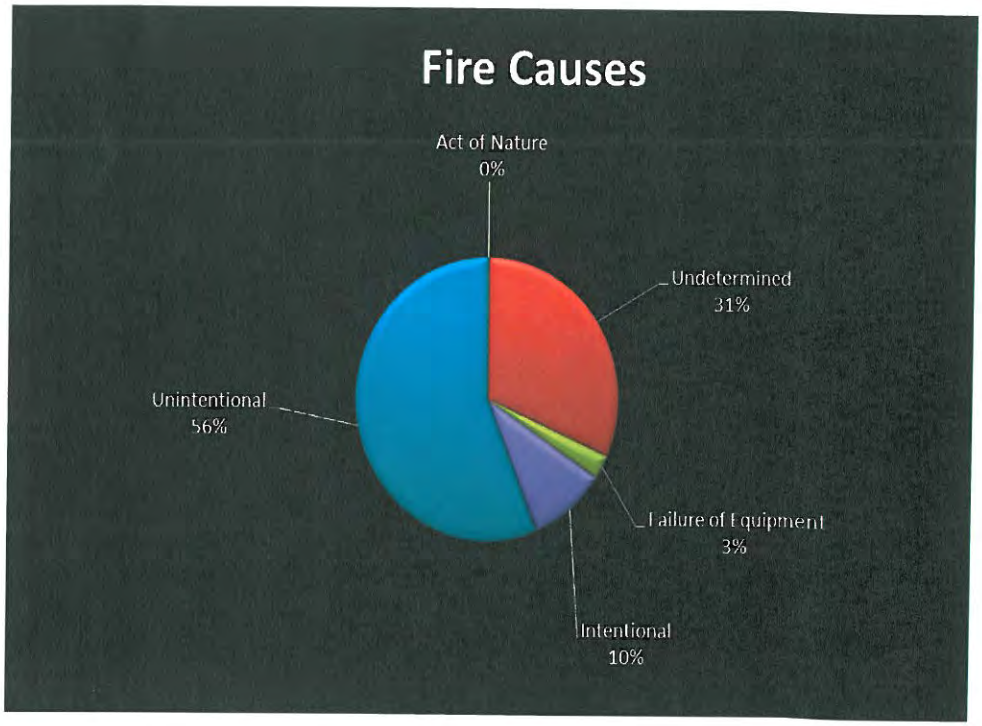
Fire Inspections

The Fire Marshal's Office is involved in the inspection process from the very beginning of a building development until the day the building opens to the public, and then at least every year thereafter. The Fire Marshal's Office conducts inspections during the Site/Civil phase, Building Construction Phases, and during building modifications. In addition, the Fire Marshal's Office conducts annual inspections in existing occupancies, State Mandated Licensing Inspections, Special Events Inspection, and other specialized permit inspections such as for Hazardous Materials and Rack Storage.



Plan Reviews

The Fire Marshal's Office plays a key role in the development process within the City of Rockwall. The Fire Marshal's Office is involved from the very early stages all the way until the opening day of a building and the business that occupies it, from concept to certificate of occupancy. The Fire Marshal's Office reviews Zoning Cases, Site Plans, Specific Use Permits, Site/Civil Engineering Plans, Building Plans, Fire Protection Systems Plans, and Special System Plans such as electronic locking systems, Hazardous Materials, and High-Rack Storage Permits. In addition, The Fire Marshal's office is involved in the Special Event permitting process.



Building & Business Pre Incident Planning

In the last quarter of 2010, we began a new Building and Business Pre-Incent Planning Program. The Rockwall Fire Department is responsible to conduct Pre-Incident Plans, or pre-plans, on every commercial occupancy. Every building and business that is considered commercial property has a record in our reporting software. This program allows for vital information to be available to responding firefighters and the Incident Commander at all incidents.

Fire Investigations

The Fire Marshal's Office conducted 73 investigations to determine the cause. The investigators interview witnesses, collect evidence, write reports, and process cases all the way to the DA's office for prosecution if needed.

In May of this year, we hosted a Hands-On Fire Investigation Class for more than 60 students, in partnership with the North Texas Investigators Association (NTIA). The class was recognized by both, the Texas Commission on Fire Protection (TCFP) and Texas Commission on Law Enforcement (TCOLE) for continuing education training hours. The class was highly reviewed by those students who attended.

Article 2.132 CCP Law Enforcement Policy on Racial Profiling

(a) In this article:

(1) "Law enforcement agency" means an agency of the state, or of a county, municipality, or other political subdivision of the state, that employs peace officers who make traffic stops in the routine performance of the officers' official duties.

I certify it is not the policy of this agency to make traffic stops in the routine performance of the officers' official duties.

Re: Applicant Status for 2014
Date: January 20, 2015.

2014 Beginning membership 29, current membership 32

55 - Applicants were rejected by Human Resource Department due to applicant not meeting residency requirements:

60 - Total Applications received in 2014: Crawford, Oden, Payne, Petroski, Reyes, Riley, Rule, Smith, Wellman, Wempa, Adams, Baker, Barry, Blanco, Bonny, Brasier, Breeding, Buffington, Carrocia, Cox, Davis, Esquivel, Figueroa, Gamez, Gamez, Gray, Hardin, Herndon, Hicks, Hilgendorf, Hogan, Hommel, Insuaste, Jones, Juarez, Keith, Kirkpatrick, Krawietz, Leal, Maldonado, Martin, Menges, Miner, Mitchell, Napier, Nickerson, Paris, Patlan, Richmond, Rico, Romans, Sandidge, Singh, Smith, Suarez, Thomas, Tiner, Wade, Weghorst, Wilk-Crosby.

12 - Applications withdrawn by the applicant: Brasier, Caroccia, Davis, Figueroa, Hilgendorf, Insuaste, Kirkpatrick, Martin, Mitchell, Nickerson, Wade, Herndon.

2 - Applicants passed the PAT and failed to return their background packet: Napier, Tiner.

3 - Applicants have been rejected due to issues that were found during the background check or oral review: Esquivel, Rico, Sandidge.

19 - Applications were rejected due to applicants' failure to return phone calls or e-mail messages that were intended to schedule the applicant for the physical agility tests. Some of these applicants were unsuccessful on the PAT at least one time and some never scheduled for the first attempt. I made multiple unsuccessful attempts to contact each applicant prior to this rejection: Blanco, Bonny, Breeding, Cox, Gray, Hardin, Hicks, Hogan, Hommel, Keith, Maldonado, Milner, Patlan, Richmond, Romans, Singh, Suarez, Weghorst, Wilk-Crosby.

7 - Applicants were disqualified due to confirming for and then failing to attend the PAT: Adams, Barry, Gamez, Gamez, Juarez, Smith, Riley

7 - Applicants are awaiting the next physical agility test: Leal, Crawford, Oden, Payne, Petroski, Reyes, Wempa, Alexander, Davis.

8 - Applicants became recruits 2014: Jones, Krawietz, Baker, Buffington, Menges, Thomas, Baker, McCormack.

2 - Applicants are awaiting the oral review board. Smith, Paris.

196

1 - Applicants have passed PAT and we are awaiting the return of background packet. Rule

1 - Member was removed from the department for failing to attend 25% of paged emergency calls for two years in a row. Colbert

5 - Volunteer Firefighters resigned from the department in 2014. Baker, Points, Day, Thorn, Downum.

26 - Scheduled Physical agility test/practice sessions. 3 were cancelled due to weather or no applicants for testing.

0 - Number of volunteers are being placed on probation for failing to attend meet minimum response and training requirements for the year.

197

2014 Structure Fire Report

2230 Garden Crest

We responded to a report of a Structure fire on December 17, 2014. The first unit on scene reported smoke and flames visible from the rear of a 2 story residence. I arrived shortly after the first engine and walked around to the rear of the residence to find heavy flames coming from the attic of the residence. The first crews made entry through the front of the residence and began to attack the flames from the interior. The fire was in two separate attic areas of the residence which made for a difficult initial attack. Interior attack crews were removed from the residence and a defensive attack was done using the aerial master stream. Once the fire had been controlled with the aerial master stream the offensive attack was resumed and the fire was extinguished. No damage occurred to either of the adjacent structures. The initial involved structure suffered significant fire damage to the rear portion and secondary water damage throughout. There were no civilian injuries and no firefighter injuries were reported on this incident.

Dispatch time: 18:14.13
Enroute time: 18:15.09
On scene time: 18:18.50
Clear time: 22.11.21

4 men on scene 18:21

I arrived on scene at 18:19.38 and was the 3rd person on scene so the above 4 man time is estimated. I was unable to report any subsequent times because I was buy trying to help get the initial attack started as well as get an exposure line in place.

We had a total of 5 on duty Firefighters, 19 Volunteers, 2 Investigators, 1 Chief and 3 apparatus on this incident. Mutual aid was also requested from Fate and they sent 6 personnel and 1 apparatus to the scene.

1200 E. Washington

We responded to a report of a fire at 1200 E. Washington on December 17, 2014. The first unit on scene arrived and reported smoke coming from a vent on the side of the building and large bay doors on the rear of the building. Upon further investigation it was determined the fire was inside a large drying oven and was contained to that location. The fire was extinguished and no damage was done to the structure and minimal damage was done to the drying oven. There were no civilian injuries and no firefighter injuries were reported on this incident.

Dispatch time: 08:16.47
Enroute time: 08:18.20
On scene time: 08:20.35
Clear time: 09:07.25

198

12 men on scene 08:35.40

We had a total of 4 on duty Firefighters, 15 Volunteers, 2 Investigators, 2 Chiefs and 3 apparatus on this incident.

206 S. Clark

We responded to a report of a Structure fire on October 30, 2014. The first unit on scene reported smoke showing from the eve of the house. Upon further investigation flames were reported showing from the rear of the house. Firefighters made a quick attack of the fire from the back door and were able to contain the fire to the kitchen area of the house. Two dogs and 1 cat were removed from the smoke filled house by firefighters. The structure suffered moderate damage due to the smoke and fire. No firefighter injuries were reported on this incident.

Dispatch time: 12:03.26
Enroute time: 12:04.33
On scene time: 12:06.09
Clear time: 13:25.25

4 men on scene 12:07.37
8 men on scene 12:09.58

We had a total of 6 on duty Firefighters, 7 Volunteers, 3 Investigators, 2 Chiefs and 4 apparatus on this incident.

2233 Ridge Road

We responded to a report of a Structure fire on September 04, 2014. The first unit on scene arrived and reported a small fire on the first and second floor of the exterior balcony. The fires were quickly extinguished and there was no major damage to the building itself. No firefighter injuries were reported on this incident.

Dispatch time: 06:52:33
Enroute time: 06:52:41
On scene time: 06:54:53
Clear time: 07:46:38

No crew times were reported due to all units being reduced to code 1 just minutes after the arrival of E1.

We had a total of 6 on duty Firefighters on scene, 8 Volunteers, 1 Investigator and 3 apparatus on this incident.

2625 Discovery Blvd

199

We responded to a report of a Structure fire on August 20, 2014. The first unit on scene arrived and reported smoke showing from the outside of the building. Upon entry into the building firefighters discovered a fire in a large grinding machine. The fire sprinkler system was flowing but the fire was still burning. Firefighters quickly extinguished the fire and shut down the sprinkler system to minimize the water damage due to the large amount of water that was flowing from the system. There was no major damage to the building itself only the machine that was involved and some other materials that were affected by the water from the sprinkler system. No firefighter injuries were reported on this incident.

Dispatch time: 13:34:14
Enroute time: 13:35:31
On scene time: 13:39:17
Clear time: 15:14:02

4 men on scene 13:41:00
8 men on scene not reported
12 men on scene 14:00:27

We had a total of 6 on duty Firefighters on scene, 6 Volunteers, 2 Chief, 3 Investigators and 4 apparatus.

16 Indian Trail

We responded to a report of a Structure fire on May 01. 2014. The first unit on scene arrived and reported heavy fire showing from the garage of the structure. There was one vehicle in the garage totally engulfed and the fire was spreading through the attic of the home. The home and contents were heavily damaged by the fire and water. No firefighter injuries were reported on this incident.

Dispatch time: 02:31:18
Enroute time: 02:33:14
On scene time: 02:39:08
Clear time: 05:06:17

4 men on scene 02:46:31
8 men on scene 02:47:14
12 men on scene 03:19:12

We had a total of 4 on duty Firefighters on scene, 7 Volunteers, 1 Chief, 2 Investigators and 3 apparatus.

2995 Horizon

We responded to a report of a fire alarm at 2995 Horizon Road on April 29, 2014. The first unit on scene arrived and reported nothing showing from the outside of the structure. Upon making entry the firefighters discovered heavy smoke inside of the building. The call was immediately

200

upgraded to a structure fire. Upon investigation firefighters discovered a sprinkler that was flowing water due to a commercial dryer that had been on fire. The sprinkler system was immediately shut down to minimize water damage. The sprinkler system extinguished the fire. There was minimal damage to the structure from the fire, smoke and water from the sprinkler system. No firefighter injuries were reported on this incident.

Dispatch time: 22:41:42
Enroute time: 22:42:53
On scene time: 22:44:55
Clear time: 00:34:27

4 men on scene 22:48:44
8 men on scene 22:58:26
12 men not achieved

We had a total of 5 on duty Firefighters on scene, 4 Volunteers, 2 Chiefs, 2 Investigators and 3 apparatus.

3686 Juniper Hills

We responded to a report of a structure fire at 3686 Juniper Hills on March 10, 2014. The first unit arrived on scene and reported heavy smoke and fire coming from the residential structure. Despite great efforts by firefighters the complete structure was heavily damaged but no damage was done to neighboring structures. No firefighter injuries were reported on this incident

Dispatch time: 02:16.07
Enroute time: 02:16.09
On scene time: 02:23.20
Clear time: 05:40.16

6 men on scene 02:27.11

We had a total of 5 on duty Firefighters on scene, 2 off duty, 2 Chiefs, 6 Volunteers, 3 Investigators and 3 apparatus on scene.

657 Cornelius

We responded to a report of a structure fire on March 07, 2014 at 657 Cornelius. The first unit arrived on scene and reported heavy smoke and fire showing from a residential structure. The structure ended up being a total loss. No injuries were reported on this incident.

Dispatch Time: 21:27.27
Enroute Time: 21:28.36
On Scene Time: 21:33.38
Clear Time: 01:17.08

201

8 men on scene 21:41.05

We had a total of 5 0n duty firefighters, 1 off duty, 11 volunteer firefighters, 1 Chief, 2 investigators and 3 apparatus on scene.

313 StoneCrest

We responded to a report of a fire at 301 StoneCrest on March 03, 2014. The first unit on scene arrived and reported light smoke showing from the front of the residential structure. Upon investigation firefighters located a fire in the dishwasher that was producing moderately heavy smoke. The fire was quickly extinguished. There was minimal damage to the structure. No firefighter injuries were reported on this incident.

Dispatch time: 21:55.01
Enroute time: 21:55.47
On scene time: 21:59.56
Clear time: 00:00.55

8 men on scene 22:07:00

We had a total of 5 on duty Firefighters on scene, 4 Volunteers, 1 Chief and 3 apparatus.

501 S. Goliad

We responded to a report of a fire at 501 S. Goliad St. on January 20, 2014. The first unit on scene arrived and reported light smoke showing from the rear of the building. Upon investigation firefighters located a small smoldering fire in the outside wall of the structure The fire was quickly extinguished. There was minimal damage to the structure. No firefighter injuries were reported on this incident.

Dispatch time: 13:29.51
Enroute time: 13:29.56
On scene time: 13:32.15
Clear time: 14:22.18

No Crew times were reported on this incident.

We had a total of 14 Firefighters on scene, 0 Chiefs and 3 apparatus.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the city's concession agreement with Suntex Marina / Suntex RHCL Marina, LLC pursuant to Section § 551.071 (Consultation with Attorney)

2. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)

3. Discussion regarding legal claim related to back up of city sewage line in Random Oaks Subdivision pursuant to Section 551.071 (Consultation with Attorney)

4. Discussion regarding Economic Development prospects and potential incentive agreement pursuant to Section 551.087 (Economic Development)

XIV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

XV. ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 771-7700 or FAX (972) 771-7727 for further information.

The City of Rockwall City Council reserves the right to adjourn into executive session at any time to discuss any of the matters listed on the agenda above, as authorized by Texas Government Code § 551.071 (Consultation with Attorney) § 551.072 (Deliberations about Real Property) § 551.074 (Personnel Matters) and § 551.086 (Economic Development)

I, Kristy Ashberry, City Secretary for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 13th day of February, 2015 at 4:00 p.m. and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

CC: **Rick Crowley, City Manager and Mary Smith, Assistant City Manager**

FROM: **Bethany Browning, Main Street Manager**

DATE: **February 11, 2015**

SUBJECT: **SAN JACINTO PLAZA SITE FURNITURE**

Staff is requesting the City Council review the attached site furnishings information related to San Jacinto Plaza and provide direction regarding the involvement of the DT Improvements Committee in the selection/approval process.

San Jacinto Plaza is a public space created for visitors to gather and spend time. The park-like setting is equipped with a stage for performances, shade trees, seat walls and ample lighting. Tables and chairs will complete the space, providing visitors a place to relax, eat lunch, enjoy musical performances, etc. Planning is currently underway for a summer music series in the Plaza. Forty (40) performances are scheduled to take place on Friday and Saturday evenings from May through mid-September. The music series, in addition to the existing event schedule, necessitates tables and chairs, benefiting downtown by encouraging visitors to stay longer. Below is a list of activities planned for 2015:

Night Owls	2nd Thursday evenings monthly	Shopping w/entertainment
Farmers Mkt	Saturdays May – September	Shopping w/entertainment
Summer Music Series	Friday/Saturday May – September	Entertainment
Rib Rub & Run	October	Festival
Scare on the Square	October	Trick or Treat
Holiday Event	December	Shopping

After review of several outdoor furniture manufacturers, we have included designs from Fermob based on the companies numerous collections in a wide variety of styles and colors. Fermob furnishings can be found in Times Square, Bryant Park and locally, at Klyde Warren Park in Dallas. http://www.fermobusa.com/. The Bistro and Luxembourg collections are included in your packet as well as a site map with table and chair configurations. Tables and chairs are offered in standard or high-top, and provide a mixture of 2 person and 4 person units. Tables and chairs are either stackable or foldable and are completely portable.

The Downtown Plan has standards for several hardscape items such as permanent furniture and fixtures, light poles and other items. However, temporary furniture that can be easily removed and rearranged is not included in the adopted plan. The total cost for the proposed furniture is between $9,000 and $10,000 depending on the style and number of pieces. The source of funding is the Downtown Fund. We are prepared to move forward with the acquisition if the Council desires, or we can proceed in another manner depending on the Council's direction.

MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **February 11, 2015**

SUBJECT: **Potential Tree Fund Amendment**

The Tree Fund is a section of the Unified Development Code that details how funds acquired through the Tree Preservation Ordinance may be used by the City. A copy of the existing section is included for your review.

In Section 11.1, the "City Council shall have the ability to adopt alternative methods of creating tree credits and methods of distribution of tree and/or funds for purchasing trees". The proposed amendment would expand the definition of how the funds could be used and continue to permit the Council to consider alternative methods. The proposed amendment would allow the funds collected to be used to purchase equipment or pay for the labor to plant trees and allow for the cost of an irrigation system to maintain the plant material after it has been installed. The proposal further defines to types of plant material that could be purchased with the funds including any woody type plant material such as boxwoods or any perennial type plant.

Over the past two Council meetings, alternative tree credits were accepted totaling $234,136. With the current drought situation, we do not believe that this is the best time to be planting trees without irrigation, and equipment such as a large auger is necessary to efficiently plant new trees.

Contingent on Council approval, the Planning Department will move forward with the requirements necessary to amend the Unified Development Code.

SECTION 11. - TREE FUND

Sec. 11.1. - Tree fund administration.

The city shall administer the tree fund. The funds shall be used to purchase, plant and maintain trees on public property utilizing either city staff or contract labor, to acquire wooded property that remains in a naturalistic state in perpetuity, to perform and maintain a city wide tree inventory and to educate citizens and developers on the benefits and value of trees. The city council shall have the ability to adopt alternative methods of creating tree credits and methods of distribution of trees and/or funds for purchasing trees.

(Ord. No. 09-23, 6-15-2009)

Sec. 11.2. - Collection of money.

Money contributed to the tree fund shall be paid prior to the issuance of any construction or building permit and prior to filing of a final plat.

SECTION 11. - TREE FUND

Sec. 11.1. - Tree fund administration.

The city shall administer the tree fund. The funds shall be used to purchase plant material as permitted by this ordinance, install (including the equipment or labor necessary to install the plant materials) and maintain trees on public property including the necessary irrigation equipment, to acquire wooded property that remains in a naturalistic state in perpetuity, to perform and maintain a city wide tree inventory and to educate citizens and developers on the benefits and value of trees. The city council shall have the ability to adopt alternative methods of creating tree credits and methods of distribution of trees and/or funds for purchasing trees.

Funds collected as a result of the mitigation of trees may be used to purchase trees, both deciduous and coniferous, any woody type plant or any perennial appropriate for the climatic conditions of the north Texas region.

(Ord. No. 09-23, 6-15-2009)

Sec. 11.2. - Collection of money.

Money contributed to the tree fund shall be paid prior to the issuance of any construction or building permit and prior to filing of a final plat.

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Rick Crowley, City Manager**

DATE: **February 11, 2015**

SUBJECT: **Potential logo change**

Recently, Sheri Franza of the REDC provided copies of possible logo changes the REDC had been considering after study on the matter. The current, final version of the logo being considered is attached. At the meeting, staff will provide some preliminary information as to some of the estimated, associated costs associated with a potential logo change.

Mayor Pruitt and Councilmember Milder have requested an opportunity for the council to discuss this matter, so it has been placed as a brief work session item on Monday's meeting agenda.

Rockwall, Texas

Proclamation

Whereas, engineers provide the talents and skills necessary to analyze and solve complex problems and create the infrastructure essential for the high quality of life our citizens enjoy; and

Whereas, the support of an understanding, informed citizenry is vital to the efficient planning, design, construction and operation of the public infrastructure, which includes water, sanitary and storm sewers, streets and highways, bridges, public buildings, communications, and electricity and natural gas distribution; and

Whereas, engineers address major technological challenges of our time, from rebuilding towns devastated by natural disasters to designing infrastructure that will take our country through the 21st century; and

Whereas, the quality and effectiveness of public infrastructure is vitally dependent upon the efforts, talents and skills of public and private sector engineers; and

Whereas, the City of Rockwall has a small cadre of highly qualified, dedicated engineers whose professionalism materially influences the people's attitude and understanding of the importance of the work they perform.

Now, Therefore, I, Jim Pruitt, Mayor of the City of Rockwall, Texas, do hereby designate the week of February 22-28, 2015 as

ENGINEERS WEEK

in the City of Rockwall, and call upon all citizens to acquaint themselves with the issues involved in providing quality infrastructure and to recognize the significant contributions engineers make every day to our health, safety, comfort and quality of life.

In Witness Whereof, I hereunto set my hand and official seal this 16th day of February, 2015.

29

MINUTES
ROCKWALL CITY COUNCIL
Monday, February 02, 2015
4:00 p.m. Regular City Council Meeting
City Hall - 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Jim Pruitt called the meeting to order at 4:00 p.m. Present were Mayor Pruitt, Mayor Pro Tem Dennis Lewis and City Council Members David White, Mike Townsend, John Hohenshelt, Scott Milder and Bennie Daniels. Also present for the work session were members of the city's Park Board, including Chairman Brad Bassett and Board Members Ray Harton, Bob Lewis, Charles Johnson, and Kevin Moffatt.

City staff members present at the meeting included City Manager Rick Crowley, Assistant City Managers Mary Smith and Brad Griggs and City Attorney Frank Garza.

II. WORK SESSION

1. HOLD JOINT WORK SESSION WITH THE CITY'S PARK BOARD REGARDING PARK BOARD DIRECTION AND PRIORITIES, AND TAKE ANY ACTION NECESSARY.

Mayor Pruitt began discussion of this item, indicating that one of his goals as mayor is to work towards development of a lakeside park in the north area of the city. Chairman of the Park Board, Brad Bassett, came forth and provided introductory comments related to his goals for the work session. He indicated that, although he knows a multi-sport, competitive ballpark complex is needed in Rockwall, he understands that the voters voted this down a couple of years back, so that idea is going to be taken off the table and will not be discussed at this time. He shared that the Park Board and staff will be focusing on a review and update to the Parks & Rec Department Business Plan, maintenance standards, and marketing strategies. He generally indicated a desire to establish, with help from the city council, the city's park-related goals for the next year and for the next three-to-five years. Mayor Pro Tem Lewis also indicated a desire to establish a lakeside park. Lewis shared that the City of Richardson bought several houses and tore them down in order to build a beautiful lakeside park near where his daughter lives. He generally expressed a desire for the Park Board to find out from citizens what they would like to see as far as our parks and rec facilities and programs are concerned. He also suggested they consider a review of the policies and procedures governing the use of city parks and evaluate additional parks and trails, especially south of IH-30. Lewis also suggested that the Board consider evaluating current and future use of the city's swimming pools, including evaluating if more marketing and additional parking may be needed.

Councilmember Daniels stated it would be good to know what percentage of our population is within a safe, reasonable walking distance or bicycle riding distance from a city park. He suggested that in some areas of the country, he knows that developers are responsible for, not only putting in biking and walking trails, but also for connecting those trails to adjacent neighborhoods or communities. Daniels also expressed that he would like to see some sort of lakeside park.

Councilmember Townsend expressed that he likes the idea of adding a lakeside park. He also indicated an interest in changing the way developers do the parks to make parks more of a prominent feature in each future subdivision / neighborhood that is developed, focusing on the most optimal 'proximity to parks' and greenspace. He also expressed a desire to create some sort of park-type setting along major entry corridors into the city to more strongly establish that we as a city value parks. He thinks focusing on marketing our city parks and facilities is a good idea. He would also like to see trails that not only lead to parks and subdivisions, but ones that lead to destination areas that the city is focused on, such as downtown. He would also like the Park Board to focus on reaching out to the public to find out in which direction the city needs to go, park-wise, and let the city council know.

Councilmember Milder expressed that, as a lakeside community, we should go the extra mile to take care of the lake and shoreline. He also expressed a desire for a lakeside park and accessibility to the lake on the north and south side of the city. Milder shared that he was recently in Austin and visited Town Lake, which is a gravel hike and bike trail around the lake. He explained that it seems like Town Lake has a 'foundation' in place to raise money to help maintain the trail around the lake, and he suggested perhaps Rockwall could have something similar. He would like to find a way to complete and connect sidewalks which help get people to the city's trails. He suggested that streets be striped with bike lanes and ways for people to traverse by bike throughout the city. Councilmember Milder indicated that the city's pools could potentially be of benefit to the community; however, he expressed that the pool in the Southside area needs to be improved or perhaps taken out of service.

Councilmember White suggested that the Park Board hold town hall meetings around the city and invite the public to those meetings for the purpose of asking what they would like to see related to parks. Councilmember White reminded Councilmember Milder about the city evaluating, a couple of years back, modifications to and/or closing the Southside pool, and that those conversations were not met with favorable feedback from residents in that community.

Mayor Pro Tem Lewis suggested it may be a good idea for Rockwall to talk to some other cities, such as Austin and Frisco, who have great park systems in place in order to glean some ideas. He thanked the Park Board for their work and efforts.

Mayor Pruitt pointed out that trails along the lakeside are likely not feasible due to sub-leases that are in place by homeowners along the takeline area, many of which may not expire for thirty years or more. He further indicated that he does not believe the city will be condemning anyone's property along the lake for park purposes. He went on to express an interest in the Park Board evaluating a facility (leased space) where Pickleball could be played and enjoyed by members of the public, as it has been recently brought to his attention that people of all ages, young and old, are playing it.

Councilmember Hohenshelt indicated that his wife is a very active walker, and she has walked about 1,600 miles in a year. He would like to see how someone who enjoys walking could make it from Point A to Point B in the city if they wanted to walk to various areas. He suggested that more coordination with the school district or other entities in the city that own ball fields to help facilitate play on those fields may be of benefit.

Park Board Member Bob Lewis came forward and generally expressed that he gets a lot of questions about a lakeside park and about where someone may go to see 'the rock wall.' He expressed that he has heard the past bond proposition related to the park associated with displaying and preserving the 'rock wall' most likely failed because its design was too elaborate. He further indicated that he has received mixed input and feedback regarding the idea of a lakeside park, referencing a past flyer that circulated around years ago to discourage the idea of a lake side park. He stated that it may be a good idea to poll residents to see if they really do desire to have a lakeside park. Mayor Pruitt pointed out that there is a certain piece of property in the north area of town that he has in mind, and he stated that there are not any houses anywhere near this particular land. Mr. Lewis went on to express that joining the areas south of IH-30 with the areas north of IH-30 may be challenging, especially 'by foot,' regarding implementing some of the ideas that have been expressed this evening. He further expressed concern about the high expense associated with undeveloped land at the city's main entry points, especially related to the idea of developing these pieces of property as community parks.

Park Board Member Charles Johnson came forth and indicated he has been on the Park Board for about a year. He expressed a desire to have the Park Board work on more meaningful things rather than just placing 'seals of approval' on routine items that come before them for consideration. Mr. Johnson suggested that the Council consider a "Ridge Road overlook" to evaluate the possibility of preserving the lakeside view and scenic overlook associated with the now undeveloped land along Ridge Road. Perhaps it could be called "The Scenic Overlook of Rockwall," and people could enjoy the sunsets and take photographs from this vantage point.

Park Board Member Ray Harton came forth and briefly spoke to the council. He expressed that he often gets asked by citizens about the possibility of a lake side park. He has received feedback that there were perhaps too many items on the ballot to consider regarding bond propositions that went before voters a while back. He would like to further investigate what people may be interested in regarding parks. He mentioned a property up by Dalton Road, and expressed that, although there is no money for development of this area yet, maybe there will be in the future, as he believes this area would be a great asset to the city. He expressed that he will look into the game of Pickleball further.

Park Board Member Kevin Moffatt came forth and indicated that he has been on the Park Board for about six years. He expressed that he is an active runner. He would like the city to consider having the Police Department be more proactive in enforcing the city's pedestrian and biking related regulations. He suggested a pedestrian lane be stripped off in order to allow pedestrians to travel from place-to-place, for example from Myers Park to the ball fields. Mr. Moffatt also suggested that perhaps some of the commercial buildings that have been vacant for a number of years could be purchased or utilized for youth related programs.

Mayor Pruitt mentioned that, in the future, Summit Ridge and Lakeshore will be redesigned and redone, and he would like to get some public input as to how citizens want it designed.

Park Board Member Charles Johnson asked if an app may be able to be developed to show the user where the parks and trails are located within the city. Parks and Rec Manager, Andy Hesser, generally indicated that this may be a possibility. Assistant City

Manager Brad Griggs pointed out that the trails at Myers Park are already on the app called "Map My Run."

Park Board Chairman Brad Bassett thanked city council members for the feedback and suggestions they provided during the work session. The mayor thanked members of the Park Board for the work session and for all they do.

Mayor Pruitt read the below-listed discussion items into the public record before recessing the meeting into Executive Session at 4:50 p.m.

III. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)

2. Discussion regarding Economic Development prospects pursuant to Section 551.087 (Economic Development)

3. Discussion regarding possible claim or settlement agreement related to enforcing the city's sign ordinance regarding a billboard pursuant to Section 551.071 (Consultation with Attorney).

4. Discussion regarding pending litigation: Tracie Peters individually and as next friend (Parent) for Noah Peters V. City of Rockwall and Lara Pitek pursuant to Section 551.071 (Consultation with Attorney)

IV. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 5:53 p.m.

V. RECONVENE PUBLIC MEETING

Mayor Pruitt reconvened the public meeting at 6:00 p.m. with all seven city council members present.

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Pro Tem Lewis indicated that no action is needed as a result of Executive Session.

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER WHITE

Councilmember White delivered the invocation and led the Pledge of Allegiance.

VIII. PROCLAMATIONS / AWARDS

1. Constable Randy Earl Parks: Life-Saving Recognition Day

Mayor Pruitt called forth Constable Parks as well as Jack Key and his service dog, tattoo. Mayor Pruitt explained that Parks recently took lifesaving measures to help Mr. Key, who, while driving down the road, began driving erratically due to a diabetic episode. He thanked Constable Parks for his service to the community and for saving Mr. Key's life. He then read and presented an honorary proclamation to Parks.

2. Rockwall Community Playhouse 20th Anniversary Recognition

Mayor Pruitt called forth representatives of the Rockwall Community Playhouse who introduced themselves. Mayor Pruitt then read and presented a proclamation to the organization to commemorate its 20th anniversary.

3. 800th Anniversary of the Magna Carta

Mayor Pruitt acknowledged a group of Cub Scouts who were guests in the audience at the city council meeting. He then read a proclamation into the public record to recognize the 800th anniversary of Magna Carta and gave the proclamation to the Cub Scout Pack.

IX. OPEN FORUM

Mayor Pruitt explained how Open Forum is conducted and asked if anyone in the audience would like to come forth and speak during this time. There being no one wishing to speak, Mayor Pruitt then closed Open Forum.

X. CONSENT AGENDA

1. Consider approval of the minutes from the January 20, 2015 regular city council meeting, and take any action necessary.

2. Consider authorizing the City Manager to enter into a contract extension with Clean Harbors Inc. to manage Household Hazardous Waste Collection Day April 18, 2015 and take any action necessary.

3. Consider approval of the First Amendment to the RCH Water Supply Corporation Wholesale Water Contract and take any action necessary.

4. Consider approval of a resolution calling a General Election to be held on May 9, 2015 in the City of Rockwall for the purpose of electing a mayor and city council members for Places 1, 3 and 5, each for two-year terms, and a Special Election to be held in conjunction with the General Election for the purpose of filling a one-year unexpired term associated with City Council Place 2, and take any action necessary.

5. P2015-001 - Consider a request by Harold Fetty of H. D. Fetty Land Surveyor, LLC on behalf of the owner J-BR2, LLC for the approval of a final plat for Lots 1, 2 & 3, Block A, Buffalo Crossing Addition being three (3) non-residential lots currently identified as Tract 17-12 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, being a 7.32-acre tract of land zoned Commercial (C) District, generally located at the southeast corner of the intersection of S. Goliad Street [SH-205] and FM-549, and take any action necessary.

6. **Z2014-037** - Consider approval of an **ordinance** for a request by Bill Bricker of Bricker Enterprise Company (DBA Brick House Cars) on behalf of Rockwall Commercial Property Management for the approval of a Specific Use Permit to allow for an Indoor Motor Vehicle Dealership/Showroom on a one (1) acre portion of a larger 50.826-acre tract of land, identified as Tract 31 of the R. Ballard Survey, Abstract No. 29, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, addressed as 1200 E. Washington Street, and take any action necessary. **(2nd Reading)**

7. **Z2014-038** - Consider approval of an **ordinance** for a request by Ben McMillian of Hazel & Olive on behalf of the owner of the property for the approval of a Specific Use Permit to allow for a General Retail Store in conjunction with an office and photography studio within Planned Development District 50 (PD-50) for two (2) parcels of land, being 0.43-acres of land, identified as Lots 19A & 19B of the Amick Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, addressed as 503 N. Goliad Street [SH-205], and take any action necessary. **(2nd Reading)**

8. **Z2014-039** - Consider approval of an **ordinance** for a request by Zack Amick of Gordon Rockwall Investments, LLC for the approval of a zoning change from an Agricultural (AG) District to a Light Industrial (LI) District for a 21.684-acre tract of land identified as Tract 4 of the N. M. Ballard Survey, Abstract No. 24, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, located in between Commerce Street and T. L. Townsend Drive, and take any action necessary. **(2nd Reading)**

Councilmember Milder made a motion to approve the entire Consent Agenda (#s 1, 2, 3, 4, 5, 6, 7 and 8). Councilmember White seconded the motion. The ordinances were read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-02
SPECIFIC USE PERMIT NO. S-129

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) WITHIN A LIGHT INDUSTRIAL (LI) DISTRICT ALLOWING FOR AN INDOOR MOTOR VEHICLE DEALERSHIP/SHOWROOM LOCATED IN A 12,500 SQUARE FOOT BUILDING INDICATED IN "EXHIBIT A" OF THIS ORDINANCE AND ADDRESSED AS 1200 E. WASHINGTON STREET, WHICH IS LOCATED ON A PORTION OF A LARGER 50.826-ACRE TRACT OF LAND DESCRIBED AS TRACT 31 OF THE R. BALLARD SURVEY, ABSTRACT NO. 29, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

CITY OF ROCKWALL
ORDINANCE NO. 15-03
SPECIFIC USE PERMIT NO. S-130

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A GENERAL RETAIL STORE IN CONJUNCTION WITH AN OFFICE AND PHOTOGRAPHY STUDIO IN A RESIDENTIAL-OFFICE (RO) DISTRICT, ON TWO (2) PARCELS OF LAND, BEING 0.43-ACRES AND IDENTIFIED AS LOTS 19A & 19B OF THE AMICK ADDITION, AND GENERALLY LOCATED AT 503 NORTH GOLIAD STREET, ZONED PLANNED DEVELOPMENT DISTRICT NO. 50 (PD-50); AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

CITY OF ROCKWALL
ORDINANCE NO. 15-04

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A LIGHT INDUSTRIAL (LI) DISTRICT FOR A 21.684-ACRE TRACT OF LAND IDENTIFIED AS TRACT 4 OF THE N.M. BALLARD SURVEY, ABSTRACT NO. 24, CITY AND COUNTY OF ROCKWALL, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT "A" OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 7 ayes to 0 nays.

XI. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Mayor Pruitt indicated that Mr. Renfro, Chair of the P&Z Commission, will not be present this evening, as a conflict arose in his schedule. No discussion or action took place regarding this agenda item.

2. Appointment with representative of Hill Wilkinson to hear update regarding downtown construction phasing and progress, and take any action necessary.

City Engineer Tim Tumulty came forth and briefly introduced Max Scott and Gary Borchard, the general contractor and superintendent on the downtown reconstruction project. They explained that several, unexpected things have caused the project schedule to fall behind and indicated that the completion date is now estimated to be around the end of October.

City Manager Rick Crowley pointed out that John Cranson is the employee who is assigned as the inspector on the project, and he has done a great job. Mayor Pruitt also acknowledged Mr. Cranson for his work.

City Engineer, Mr. Tumulty, indicated that staff has been working hard to frequently communicate with the merchants and business owners regarding the project.

Councilmember Milder asked if the project is still projected to be 'within budget.' Mr. Tumulty indicated that, yes, it is still expected to be within budget, especially with the contingency fund that is in place.

XII. PUBLIC HEARING ITEMS

1. Hold a public hearing to receive input related to proposed amendments to the City Charter, and take any action necessary.

Mayor Pruitt thanked members of the city's Charter Review Commission for their time and suggestions related to review of the city charter. He then opened the public hearing.

Sol Villasana
809 Village Green Drive
Rockwall, TX

Mr. Villasana came forth and also thanked members of the Charter Review Commission for the hours and work they put in. Mr. Villasana then read a speech he prepared, which, in part spoke about the Voting Rights Act and the importance of its provisions remaining in tact. He explained that a trend, which favors single member districts, is occurring with regards to the political process. He urged the city council to move forward with the Charter Review Commission's recommendation to look into single member districts for Rockwall to ensure representation for the city's growing minority populations.

There being no one else wishing to come forth and speak, Mayor Pruitt then closed the public hearing.

Mayor Pruitt then reordered the agenda to discuss and consider Action Item #5. Mayor Pro Tem Lewis made a motion to approve the resolution calling a Special Election associated with putting forth proposed ballot language to the voters concerning proposed Charter Amendments. Councilmember Milder seconded the motion. The motion passed by a vote of 7 ayes to 0 nays.

XIII. ACTION ITEMS

1. **MIS2015-001** - Discuss and consider a request by Dub Douphrate of Douphrate & Associates, Inc. on behalf of D. R. Horton for the approval of an alternative tree mitigation plan for Phase IV of the Lakeview Summit

Subdivision being a 38.056-acre subdivision situated within the J. H. B. Survey, Abstract No. 124 and Nathan Butler Survey, Abstract No. 21, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 29 (PD-29) for residential land uses, located along the northern side of N. Lakeshore Drive east of the intersection of N. Lakeshore Drive and N. Goliad Street [SH-205], and take any action necessary.

Planning Director Robert LaCroix provided background information related to this agenda item, explaining that the request is for approval of an alternative tree mitigation plan. Instead of having trees bought and delivered, the applicant would like to pay for the trees by depositing money into the city's tree mitigation fund.

Dub Douphrate
Douphrate & Associates
2235 Ridge Road
Rockwall, TX

Mr. Douphrate indicated that he is here tonight representing DR Horton.

Mayor Pruitt clarified that the city does not have any big projects going right now or any place to put this large number of physical trees. Mr. Griggs, Assistant City Manager, confirmed this and indicated that the money in lieu of the trees is a better option at this point.

Councilmember White made a motion to approve MIS2015-001. Councilmember Daniels seconded the motion, which passed by a unanimous vote of Council (7 ayes to 0 nays).

2. **Z2014-040** - Discuss and consider approval of an ordinance for a request by Cameron Slown of FC Cuny Corporation on behalf of Tom Kirkland of Tekmak Development Company for the approval of a Specific Use Permit (SUP) for a hotel on a 2.968-acre tract of land identified as Lot 3A, Block A, Shoreline Plaza Addition and Lot 1-1, Block A, Henry Africa Subdivision, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the IH-30 Overlay (IH-30 OV) District, located at the southeast corner of the intersection of the IH-30 Frontage Road and Lakefront Trail, and take any action necessary. **(1st Reading)**

The city's Architectural Review Board (ARB) did reconvene after the last city council meeting, and some changes have been made to the rendering by the applicant as a result of recommendations of the ARB. Mr. Kirkland explained that the event/conference space was originally proposed to be 3,000 square feet. However, this planned space has been increased to about 3,650 square feet without encroaching on the pre-function event space. The pre-function area has increased from 1,000 square feet to now 1,800 square feet.

Councilmember Lewis clarified the increases in square footage for the event space (3,650 sq. ft.) and the pre-event space (1,800 sq. ft.). He also clarified that the outdoor courtyard space would be 2,030 square feet, and it will be fully enclosed.

Mr. Kirkland indicated that pretty significant renovations typically occur with Marriott properties about six to seven years after the hotel opens in order to maintain a certain

level and quality of appearance. He stated that his franchise agreement will be for twenty years; however, he will most likely begin looking to renew the agreement after about fifteen years. Marriott also has an ongoing quality assurance program where the hotel gets graded once per month for cleanliness and quality of the property and services.

Councilmember Townsend asked how many people the event space will now accommodate since the square footage has increased. Mr. Kirkland indicated that in round seating of tables of ten, it will accommodate about 250-300 people. Regarding the outdoor courtyard area, it will not be covered (no roof); however, some portions of it will have trellises, and the perimeter will be closed in.

Councilmember Milder thanked Mr. Kirkland for the changes made to the original plan and for his responsiveness to some of the council's concerns.

Councilmember Townsend made a motion to approve Z2014-040 with the understanding that the square footage will be increased to 3,650 for the ballroom event space. Mayor Pro Tem Lewis clarified that the pre-event space will increase to 1,800 square feet and the courtyard space will increase to 2,030 square feet.

Mayor Pro Tem Lewis then seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-__
SPECIFIC USE PERMIT NO. S-1__

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) FOR A HOTEL WITHIN PLANNED DEVELOPMENT DISTRICT 32 (PD-32), FOR A 2.968-ACRE LOT, CONTAINING TWO (2) PARCELS OF LAND IDENTIFIED AS LOT 3A, BLOCK A, SHORELINE PLAZA ADDITION (1.824-ACRES) AND LOT 1-1, BLOCK A, HENRY AFRICA ADDITION (1.143-ACRES), CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed unanimously of council (7 ayes to 0 nays).

3. Discuss and consider Resolution commending the Regional Transportation Council's (RTC) and Texas Department of Transportation (TxDOT) responsiveness to the City's concerns regarding the Blacklands Corridor toll road, and take any action necessary.

City Manager Rick Crowley provided background information related to this agenda item. Mayor Pruitt indicated that he requested this agenda item be placed on the city council agenda. He expressed gratitude for having recently found out that TXDOT entirely removed any reference to the Blacklands Corridor/Tollway project from its future plans. Mayor Pruitt indicated that the city would like IH-30 to increase free road lanes to the

existing IH-30 interstate lanes in and out of the City of Rockwall. He would also like to see service roads extend at least to Horizon (further than Dalrock) so that IH-30 does not get shut down due to wrecks on the interstate. Mayor Pruitt then made a motion to approve the resolution. Councilmember White seconded the motion, which passed by a vote of 7ayes to 0 nays.

4. Discuss and consider authorizing the city manager to execute the Contract for Election Services between the City of Rockwall, Rockwall County Elections Administrator and the Rockwall Independent School District (RISD), and take any action necessary.

City Manager Rick Crowley provided brief background information related to this agenda item. City Secretary Kristy Ashberry pointed out that early voting for Rockwall citizens will not be held at the County Elections Office, but, instead, it will be held at the Rockwall County Library. Councilmember White asked if the city ever received reimbursement for the $10 we had to pay for our own list of registered voters. Ms. Ashberry indicated that, no, we did not receive a reimbursement; however, the new county elections administrator has indicated that we will not be charged for that list in the future.

Councilmember White made a motion to authorize the City Manager to execute the contract. Mayor Pro Tem Lewis seconded the motion. After brief comments, the motion passed by a vote of 7 ayes to 0 nays.

5. Discuss and consider approval of a resolution calling a Special Election to be held on May 9, 2015 in conjunction with the General Election for the purpose of submitting proposed amendments to the City Charter to the voters, and take any action necessary.

Assistant City Manager Rick Crowley indicated that this item was previously addressed by the city council earlier on in the meeting following Public Hearing item #1.

6. Discuss and consider a recommendation from the City Council's Hotel Tax Subcommittee regarding funding request for the Rockwall Rubber Duck Regatta and a new Memorial Day event and take any action necessary.

Assistant City Manager Mary Smith indicated that Councilmembers Lewis, Townsend and White serve on the hotel/motel tax subcommittee. She explained that the Rockwall Rubber Duck Regatta originally requested $32,200 for their upcoming event. After careful consideration, the subcommittee is recommending $20,000 in funding. Of that amount, about $7,200 will come back to the city for rental of the Harbor facility.

In addition, the city's Recreation staff was approached by representatives of some local veterans groups, who want to partner with the city on a newly, revamped Memorial Day event. The city's staff would be in charge of the logistics, and Commissioner Gilbert, Gary Bunch and others would take care of scheduling speakers and the program. The cost of set-up, sound and performers is estimated to be $5,000, and the subcommittee is recommending approval of this $5,000 funding request.

Councilmember Daniels expressed concern about having difficulty following and understanding the form and associated dollar figures included in the city councilmember's packet concerning the funding requests submitted by each of these

organizations. It was suggested that perhaps staff could modify the form to be more easily understood to a lay person.

After brief comments, Councilmember White made a motion to approve the funding requests for the Rubber Duck Regatta and the new Memorial Day event. Councilmember Townsend seconded the motion, which passed unanimously of council (7 ayes to 0 nays).

7. Discuss and consider appointments to city advisory boards, specifically the Art Review Team (ART) Commission, and take any action necessary.

There was no action taken at this time concerning this item.

XIV. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports
Building Inspections Monthly Report - December 2014
Fire Department Monthly Report - December 2014
Fire Department Annual Report - 2014
Harbor PD Monthly Report - December 2014
Internal Operations Department Monthly Report - December 2014
Meals on Wheels Senior Services Quarterly Report
Police Department Monthly Report - December 2014
Recreation Monthly Report - December 2014
Rockwall Animal Adoption Center Report - December 2014

2. City Manager's Report

City Manager Crowley pointed out that tomorrow night the annual Rockwall Chamber Awards Banquet will be held, and the annual Rockwall PAWS event will take place this weekend. Assistant City Manager Brad Griggs provided an update on the number of kids and teams signed up for this year's baseball and softball league. No action was taken concerning this agenda item.

XV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)

2. Discussion regarding Economic Development prospects pursuant to Section 551.087 (Economic Development)

3. Discussion regarding possible claim or settlement agreement related to enforcing the city's sign ordinance regarding a billboard pursuant to Section 551.071 (Consultation with Attorney).

4. Discussion regarding pending litigation: Tracie Peters individually and as next friend (Parent) for Noah Peters V. City of Rockwall and Lara Pitek pursuant to Section 551.071 (Consultation with Attorney)

XVI. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

The Council did not reconvene in Executive Session following the close of the public meeting agenda.

XVII. ADJOURNMENT

The meeting was adjourned at 7:18 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 16th day of February, 2015.

ATTEST: **Jim Pruitt, Mayor**

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 02/16/2015

APPLICANT: Christopher Orr, *Arcadia Lakes of Somerset Holdings, LLC*

AGENDA ITEM: **P2015-003**; *Master Plat for Somerset Park Subdivision*

SUMMARY:

Discuss and consider a request by Christopher Orr of Arcadia Lakes of Somerset Holdings, LLC for the approval of a master plat and open space plan for Phases 1 & 2 of the Somerset Park Subdivision, containing 309 single-family residential lots on a 139.354-acre tract of land identified as Tracts 1 & 7 of the A. Johnson Survey, Abstract No. 123, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 63 (PD-63) for Single Family 10 (SF-10) District land uses, situated within the SH-205 Overlay (SH-205 OV) District, located at the northeast corner of the Intersection of FM-549 and S. Goliad Street (SH-205), and take any action necessary.

MASTER PLAT INFORMATION:

✓ The Somerset Park Subdivision is a two (2) phase, master planned community that will be composed of 309 single-family, residential lots on approximately 139.354-acres land. The 309 single-family lots will be broken down into three (3) lot types with 93 lots being allocated to the 7,200 SF lot type, 135 lots being allocated to the 8,400 SF lot type, and 81 lots being allocated to the 10,400 SF lot type. Additionally, the plan will consist of 38.7-acres of open space (*or ~27.05% of total land area*). A summary of the proposed density and dimensional requirements is as follows:

Table 1: Density and Dimensional Requirements

Lot Type (see Concept Plan) ►	***A***	***B***	***C***
Minimum Lot Width [1]	60’	70’	80’
Minimum Lot Depth	120’	120’	130’
Minimum Lot Area	7,200 SF	8,400 SF	10,400 SF
Minimum Front Yard Setback [2] & [5]	20’	20’	20’
Minimum Side Yard Setback	5’	5’	5’
Minimum Side Yard Setback (Adjacent to a Street) [2] & [5]	10’	10’	10’
Minimum Length of Driveway Pavement	25’	25’	25’
Maximum Height [3]	30’	30’	30’
Minimum Rear Yard Setback [4]	20’	20’	20’
Minimum Area/Dwelling Unit (SF)	2,200 SF	2,700 SF	3,200 SF
Maximum Lot Coverage	65%	65%	65%
Permitted Encroachment into Required Setbacks [5]	Allowed	Allowed	Allowed

General Notes:

[1]: The minimum lot width shall be measured at the *Front Yard Building Setback*.

[2]: The location of the *Front Yard Building Setback* as measured from the front property line.

[3]: The *Maximum Height* shall be measured to the eave or top plate (whichever is greater) of the single family home.

[4]: As measured from the rear yard property line.

[5]: Sunrooms, porches, stoops, bay windows, balconies, masonry clad chimneys, eaves and similar architectural features may encroach beyond the *Front Yard Building Setback* by up to ten (10) feet for any property; however, the encroachment shall not exceed five (5) feet on *Side Yard Setbacks (Adjacent to a Street)* and shall not encroach into public right-of-way [a *Sunroom* is an enclosed room no more than 15-feet in width that has glass on at least 50% of each of the encroaching faces] (*see Exhibit ‘F’ of the Ordinance*).

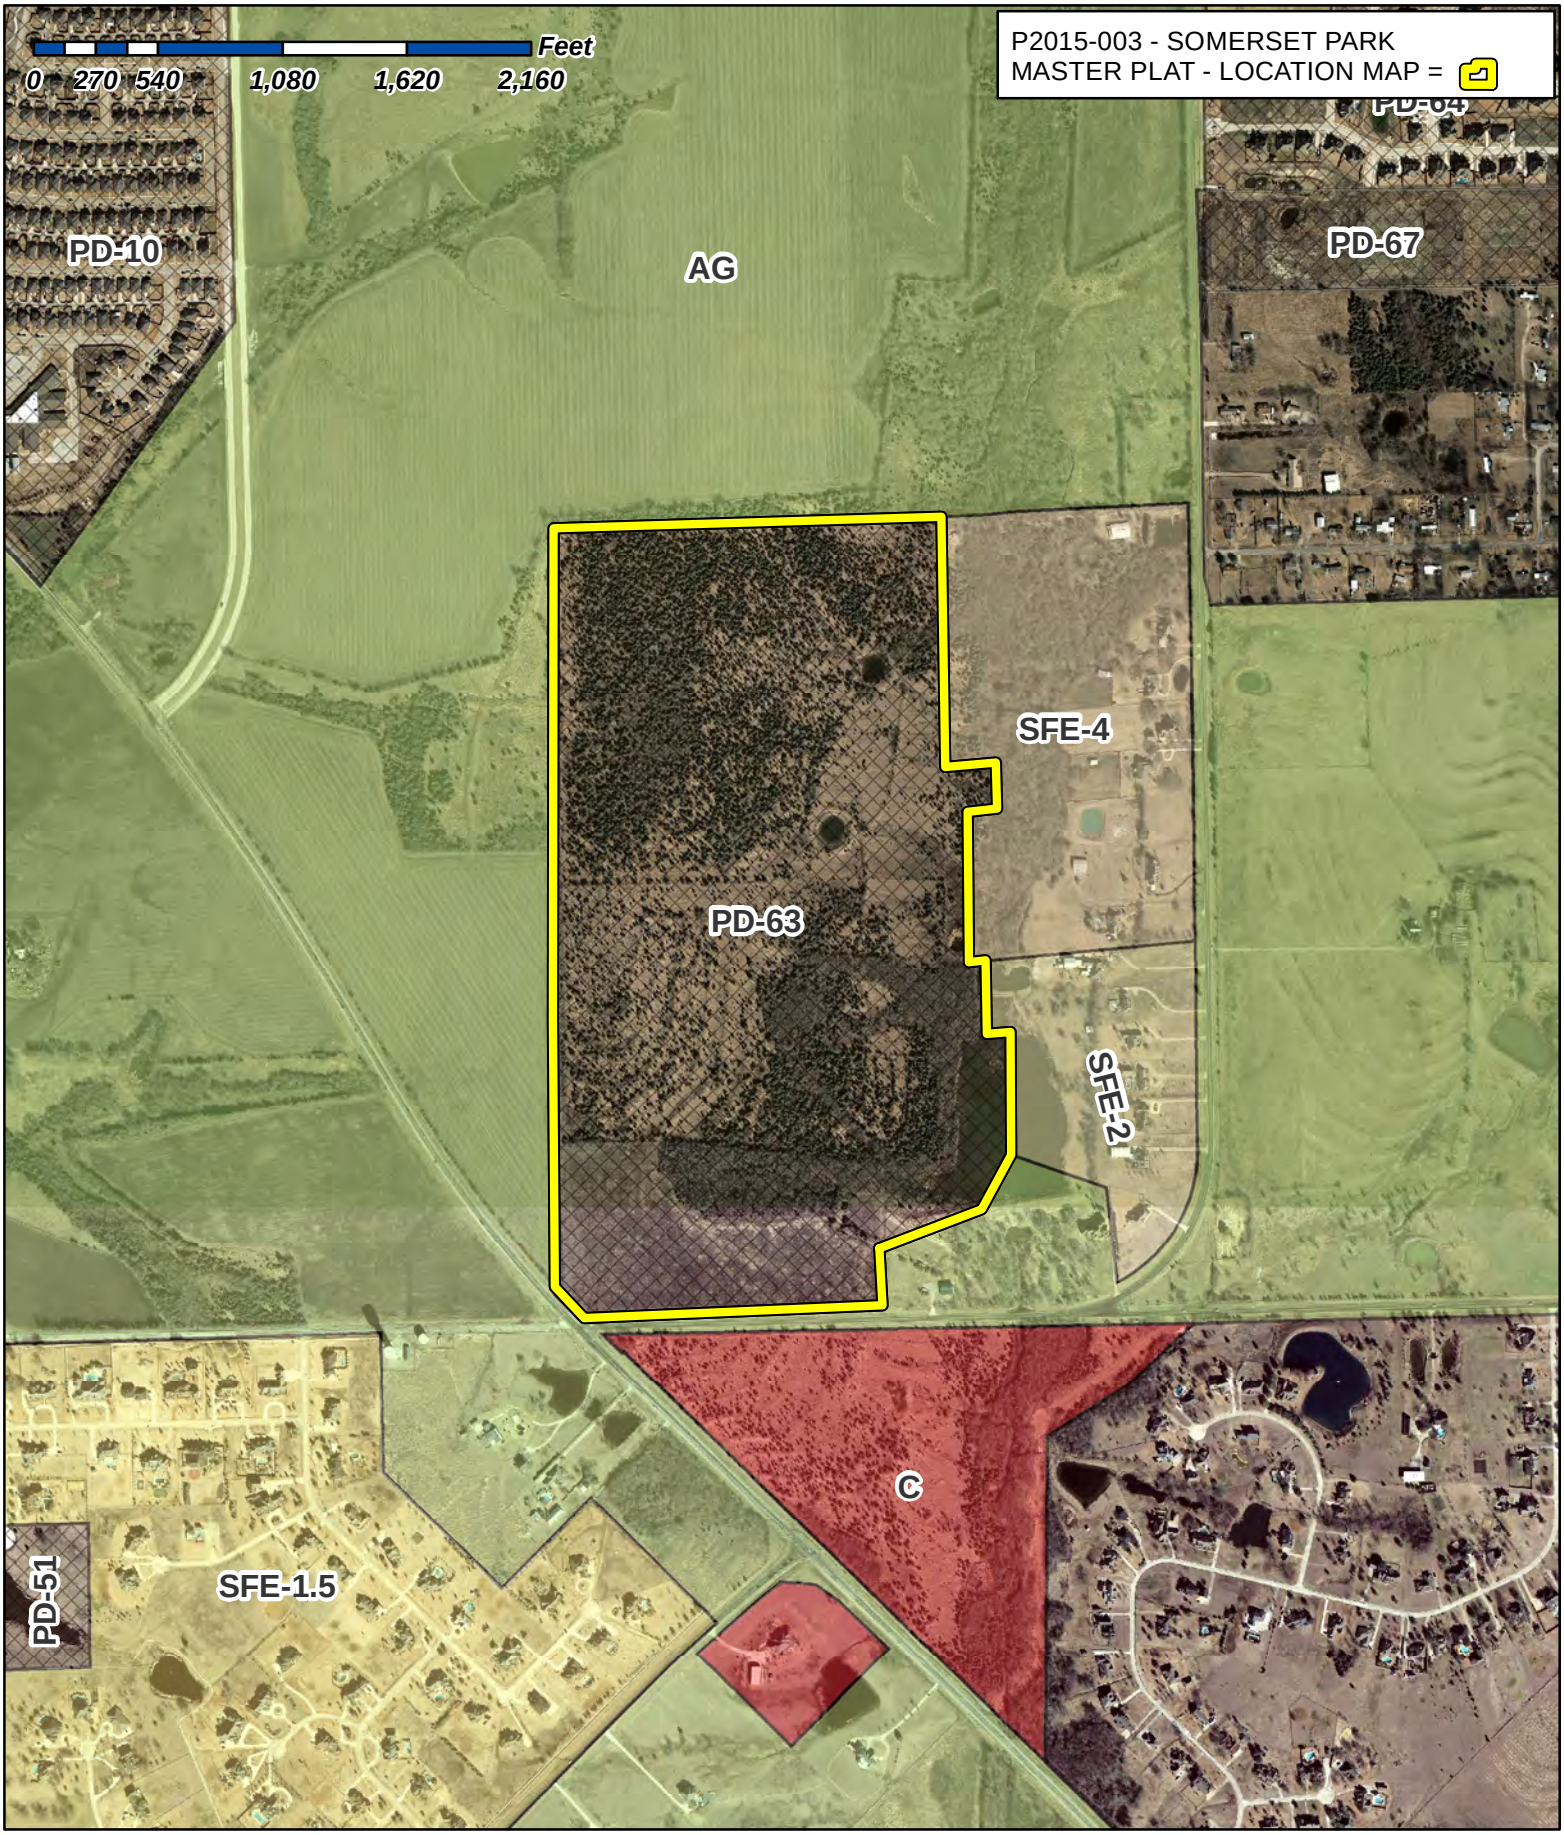
- ✓ The purpose of the applicant's request is to provide a master plat that will delineate the sequence and timing of the development, and an open space plan that will layout the proposed trails, parkland and amenities center for the subdivision. According to the master plat, this development will involve two (2) phases with Phase I containing 144 lots and Phase II containing 165 lots (*for a total of 309 single-family, residential lots*). Additionally, the development will incorporate a total of 38.7-acres of non-contiguous open space and will be connected via a trail that runs throughout the development. In the center of the development and with Phase II the developer shows the construction of an amenities center that will be situated in the open space area.

- ✓ On February 3, 2015 the Parks Board reviewed the proposed master plat and recommended the following:

    1) The developer shall be responsible for the cash-in-lieu of land and pro-rata equipment fees, which shall be assessed at the time of final plat.
    2) The proposed trail system and playground amenities are eligible to be credited against the pro-rata equipment fees.
    3) The applicant shall be permitted to phase the trail system in accordance to the phasing plan on the *Master Plat*.
    4) The trail system shall be construction so that it extends from FM-549 on the south side of the development to a northern connection leading to the property that is directly north of the subject property (*i.e. the Lofland Tract*). Additionally, the trail system should provide a connection to the property directly west of the subject property (*i.e. the Lofland Tract*).

RECOMMENDATIONS:

If the City Council chooses to approve the *master plat* for the *Somerset Park Subdivision* staff would recommend the following conditions:



1) The *master plat* shall conform to all requirements stipulated by the Planning, Engineering and Fire Departments;

2) The applicant shall adhere to the recommendations made by the Parks Board (*stated above*);

3) Any construction resulting from the approval of this *master plat* shall conform to the requirements set forth by the Unified Development Code (UDC), the 2009 International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING & ZONING COMMISSION:

On February 10, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the Master Plat per staff's recommendations by a vote of 7-0.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 02/16/2015

APPLICANT: Christopher Orr, *Arcadia Lakes of Somerset Holdings, LLC*

AGENDA ITEM: **P2015-004**; *Somerset Park Subdivision*

SUMMARY:

Discuss and consider a request by Christopher Orr of Arcadia Lakes of Somerset Holdings, LLC for the approval of a preliminary plat for Phases 1 & 2 of the Somerset Park Subdivision, containing 309 single-family residential lots on a 139.354-acre tract of land identified as Tracts 1 & 7 of the A. Johnson Survey, Abstract No. 123, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 63 (PD-63) for Single Family 10 (SF-10) District land uses, situated within the SH-205 Overlay (SH-205 OV) District, located at the northeast corner of the Intersection of FM-549 and S. Goliad Street (SH-205), and take any action necessary.

PRELIMINARY PLAT INFORMATION:

✓ The Somerset Park Subdivision is a two (2) phase, master planned community that will be composed of 309 single-family, residential lots on approximately 139.354-acres land. The 309 single-family lots will be broken down into three (3) lot types with 93 lots being allocated to the 7,200 SF lot type, 135 lots being allocated to the 8,400 SF lot type, and 81 lots being allocated to the 10,400 SF lot type. Additionally, the plan will consist of 38.7-acres of open space (*or ~27.05% of total land area*). A summary of the proposed density and dimensional requirements is as follows:

Table 1: Density and Dimensional Requirements

Lot Type (see Concept Plan) ►	***A***	***B***	***C***
Minimum Lot Width [1]	60’	70’	80’
Minimum Lot Depth	120’	120’	130’
Minimum Lot Area	7,200 SF	8,400 SF	10,400 SF
Minimum Front Yard Setback [2] & [5]	20’	20’	20’
Minimum Side Yard Setback	5’	5’	5’
Minimum Side Yard Setback (Adjacent to a Street) [2] & [5]	10’	10’	10’
Minimum Length of Driveway Pavement	25’	25’	25’
Maximum Height [3]	30’	30’	30’
Minimum Rear Yard Setback [4]	20’	20’	20’
Minimum Area/Dwelling Unit (SF)	2,200 SF	2,700 SF	3,200 SF
Maximum Lot Coverage	65%	65%	65%
Permitted Encroachment into Required Setbacks [5]	Allowed	Allowed	Allowed

General Notes:

[1]: The minimum lot width shall be measured at the *Front Yard Building Setback*.

[2]: The location of the *Front Yard Building Setback* as measured from the front property line.

[3]: The *Maximum Height* shall be measured to the eave or top plate (whichever is greater) of the single family home.

[4]: As measured from the rear yard property line.

[5]: Sunrooms, porches, stoops, bay windows, balconies, masonry clad chimneys, eaves and similar architectural features may encroach beyond the *Front Yard Building Setback* by up to ten (10) feet for any property; however, the encroachment shall not exceed five (5) feet on *Side Yard Setbacks (Adjacent to a Street)* and shall not encroach into public right-of-way [a *Sunroom* is an enclosed room no more than 15-feet in width that has glass on at least 50% of each of the encroaching faces] (*see Exhibit ‘F’ of the Ordinance*).

- ✓ The purpose of the applicant's submittal is to preliminary plat all 306 single-family, residential lots and the 38.7-acres of private park and open space. In addition to the *Preliminary Plat* the applicant has also submitted a preliminary water, sanitary sewer and storm water plan establishing that the developer can provide adequate utilities to service the proposed phase. *In conjunction with the submittal of this preliminary plat the applicant has submitted a master plat (Case No. P2015-003) showing the open space and phasing plan.*

- ✓ The proposed *preliminary plat* conforms to Planned Development District 63 (PD-63) [*Ordinance No. 14-49*], which was approved by the City Council on November 17, 2014 under *Case No. Z2014-025*.

- ✓ On February 3, 2015 the Parks Board reviewed the proposed *preliminary plat* and recommended the following:

    1) The proposed trail system shall be a minimum of eight (8) feet wide and be constructed with concrete. Where this is not possible the trail system may be a minimum of six (6) feet wide and be constructed with concrete. This trail system should be depicted on the *preliminary plat*.
    2) Playground equipment shall meet or exceed all ASTM and CPSC playground safety guidelines for design, installation, fall zones and maintenance.
    3) Cash-in-lieu of land fees shall be paid at the time of final plat.
    4) The *preliminary plat* should indicate that all private parkland, opens space, and playground equipment is to be maintained by the HOA, and that the trails and playground shall remain open to the public.
    5) The developer must provide proof that the trail and playground amenity costs meet or exceed the required pro-rata equipment fees at the time of final plat in accordance with the *Mandatory Park Land Dedication Ordinance.*

- ✓ The Surveyor/Engineer has completed the majority of the technical revisions requested by staff, and this *preliminary plat*, conforming to the requirements for *Preliminary Plats* as stated in the *Subdivision Ordinance* in the *Municipal Code of Ordinances*, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ✓ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

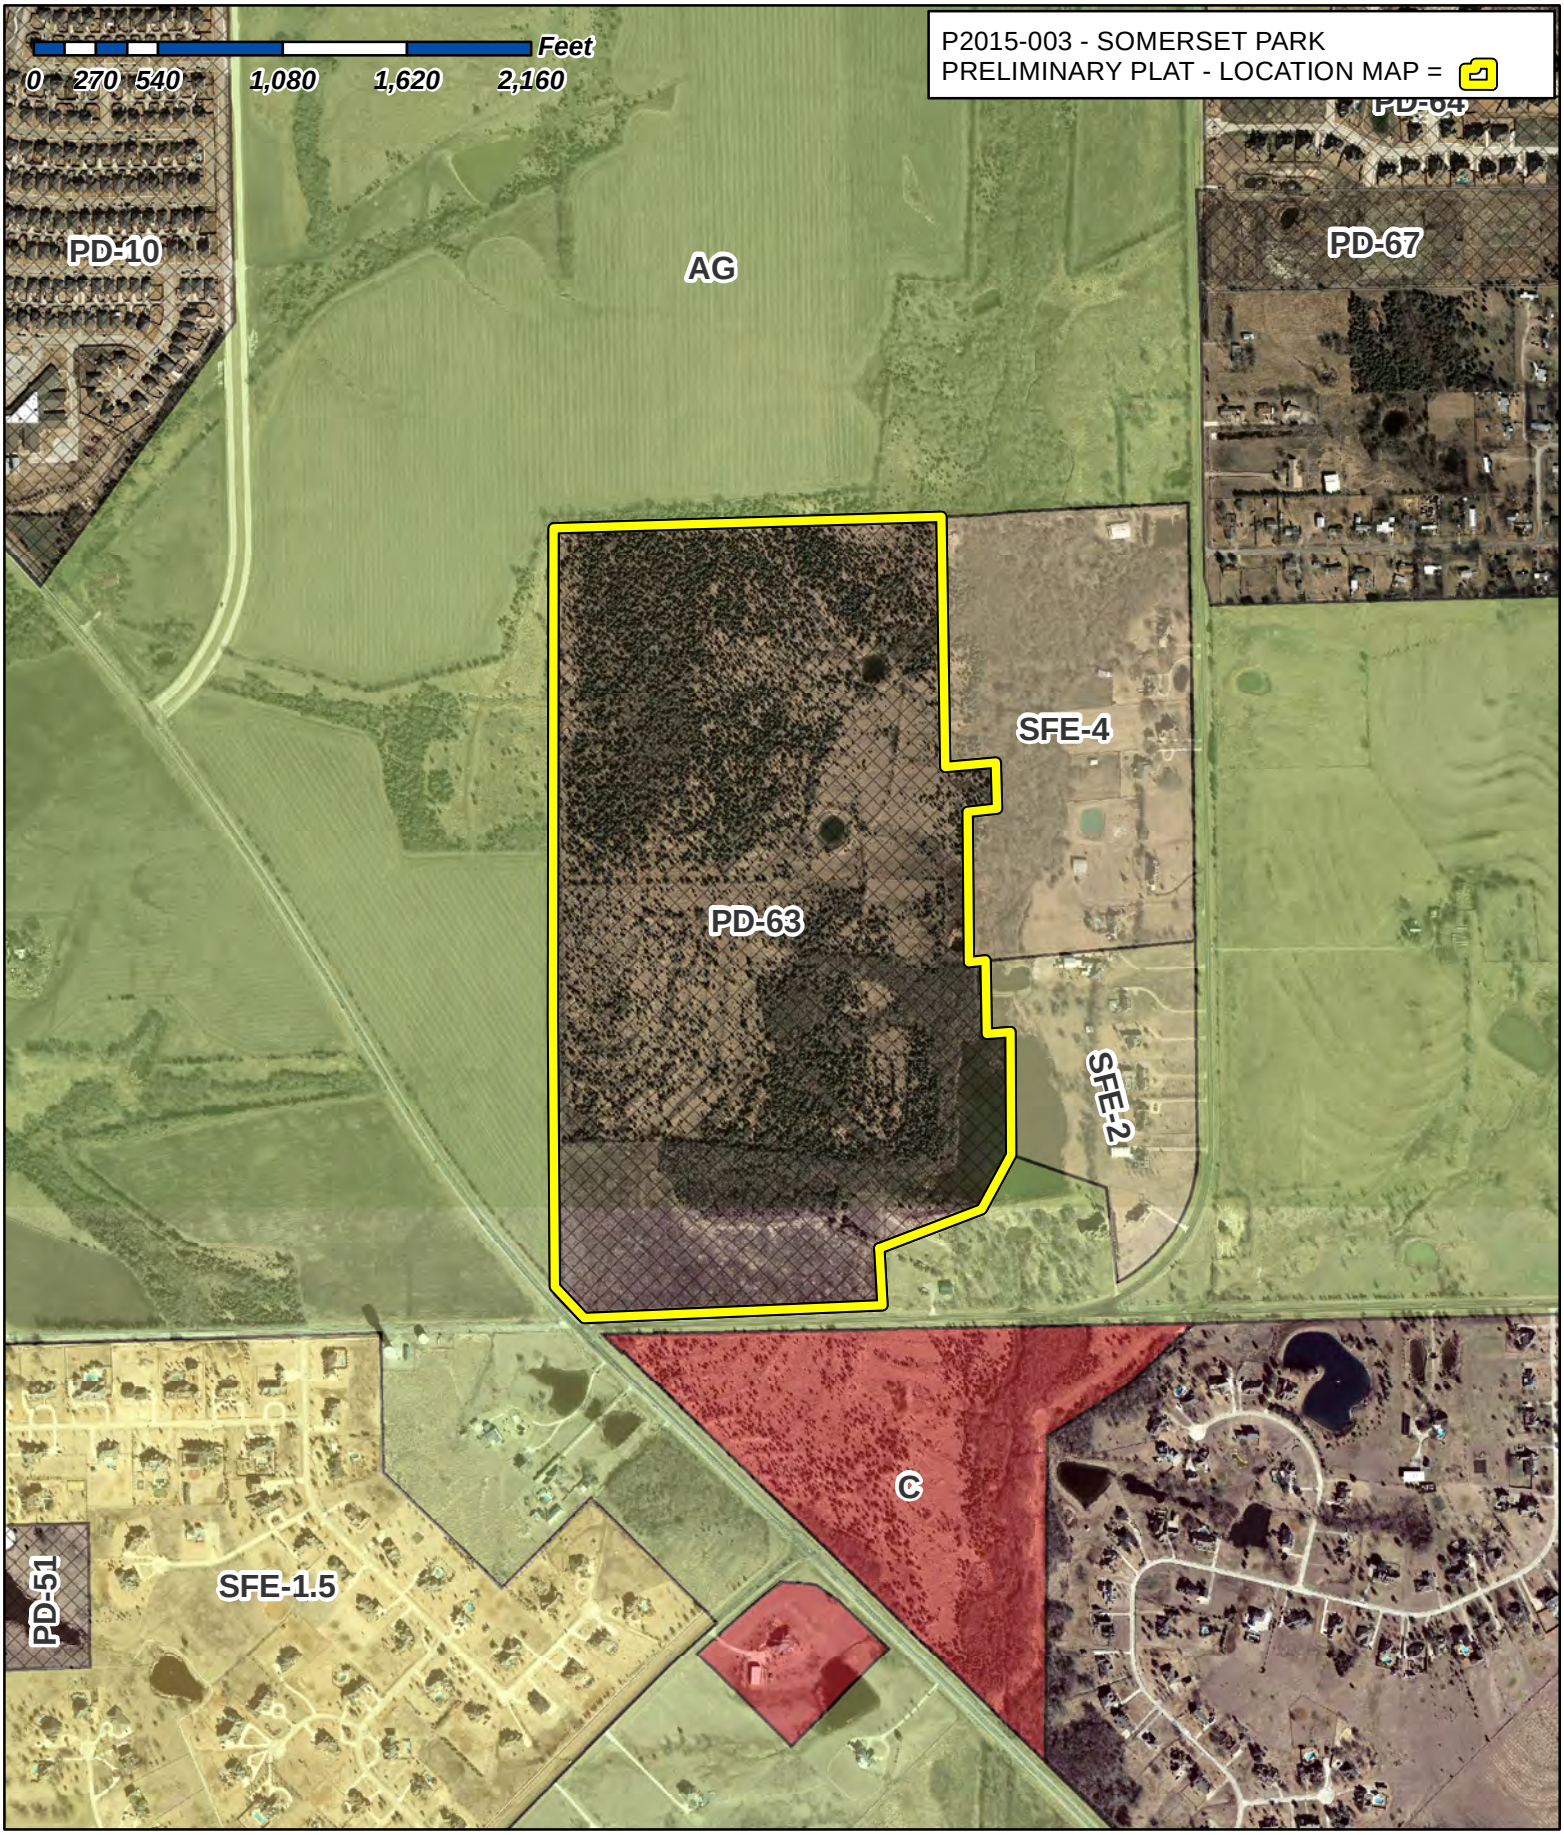
RECOMMENDATIONS:

If the City Council chooses to approve the *preliminary plat* for the *Somerset Parks Subdivision* staff would recommend the following conditions of approval:

1) The *preliminary plat* shall conform to all requirements stipulated by the Planning, Engineering and Fire Departments;

2) In conformance with Planned Development District 63 (PD-63) [*Ordinance No. 14-49*] a *PD Site Plan* shall be submitted and approved prior to the submittal of a final plat;

3) A Treescape Plan for the entire development shall be submitted and approved prior to the submission of a final plat;



4) The *preliminary plat* shall conform to the recommendations made by the Parks Board; and,

5) Any construction resulting from the approval of this *preliminary plat* shall conform to the

requirements set forth by the Unified Development Code (UDC), the 2009 International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING & ZONING COMMISSION:

On February 10, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the Preliminary Plat per staff's recommendations by a vote of 7-0.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mark Moeller, Chief of Police**

DATE: **February 6, 2015**

SUBJECT: **2014 Racial Profiling Report**

To comply with Article 2.132 of the Texas Code of Criminal Procedure addressing racial profiling, each law enforcement agency must collect information relating to traffic stops in which a citation is issued or an arrest is made. The law enforcement agency must also report this information to the governing body no later than March 1st of the following year and must submit the report to the Texas Commission on Law Enforcement (TCOLE) who is the designated central depository for all reports in the state.

There were no complaints of racial profiling made against any Rockwall Police Officer this past year.

Attached is the report submitted to TCOLE of the racial breakdown for citations issued, searches conducted, and arrests made resulting from traffic stops by the Rockwall Police Department for 2014.

TIER 1 - PARTIAL EXEMPTION RACIAL PROFILING REPORT

Agency Name:	ROCKWALL POLICE DEPT.
Reporting Date:	01/29/2015
TCOLE Agency Number:	397204
Chief Administrator:	MARK MOELLER
Agency Contact Information:	Phone: 972 772-6454 Mailing Address: ROCKWALL POLICE DEPT. 205 W. Rusk Rockwall, TX 75087

This Agency claims partial racial profiling report exemption because:

Our vehicles that conduct motor vehicle stops are equipped with video and audio equipment and we maintain videos for 90 days.

Certification to This Report 2.132 (Tier 1) – Partial Exemption

Article 2.132(b) CCP Law Enforcement Policy on Racial Profiling

ROCKWALL POLICE DEPT. has adopted a detailed written policy on racial profiling. Our policy:

(1) clearly defines acts constituting racial profiling;

(2) strictly prohibits peace officers employed by the ROCKWALL POLICE DEPT. from engaging in racial profiling;

(3) implements a process by which an individual may file a complaint with the ROCKWALL POLICE DEPT. if the individual believes that a peace officer employed by the ROCKWALL POLICE DEPT. has engaged in racial profiling with respect to the individual;

(4) provides public education relating to the agency's complaint process;

(5) requires appropriate corrective action to be taken against a peace officer employed by the ROCKWALL POLICE DEPT. who, after an investigation, is shown to have engaged in racial profiling in violation of the ROCKWALL POLICE DEPT.'s policy adopted under this article;

(6) require collection of information relating to motor vehicle stops in which a citation is issued and to arrests made as a result of those stops, including information relating to:

(A) the race or ethnicity of the individual detained;

(B) whether a search was conducted and, if so, whether the individual detained consented to the search; and

(C) whether the peace officer knew the race or ethnicity of the individual detained before detaining that individual; and

(7) require the chief administrator of the agency, regardless of whether the administrator is elected, employed, or appointed, to submit an annual report of the information collected under Subdivision (6) to:

(A) The Commission on Law Enforcement; and

(B) the governing body of each county or municipality served by the agency, if the agency is an agency of a county, municipality, or other political subdivision of the state.

I certify these policies are in effect.

Executed by: ***MARK MOELLER***
Chief Administrator

ROCKWALL POLICE DEPT.

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mark Moeller, Chief of Police**

DATE: **February 6, 2015**

SUBJECT: **Crime Comparison - 2014**

Each year we analyze and compare our crime rate by utilizing the crime index. This is calculated by taking the number of crimes, in any type of category, and comparing those numbers to the estimated population for that year. To make a more accurate comparison from year to year we further break it down based on crimes reported per 1,000 residents.

Part 1 offenses are those crimes that must be reported to the FBI by every police agency in the country. They consist of the total numbers of all murders, rapes, robberies, aggravated assaults, burglaries, thefts, and motor vehicle thefts occurring within that agency's jurisdiction. The following tables compare 2014 with previous years:

Part 1 Offenses

Year	Total Part 1 Crimes	Population Estimate	Crime Index
2003	896	24,332	36.8
2004	896	25,377	35.3
2005	834	28,173	29.6
2006	880	29,458	29.9
2007	853	31,067	27.4
2008	1,051	31,800	33.0
2009	1,070	34,700	30.8
2010	1,004	36,300	27.7
2011	1,070	37,666	28.5
2012	890	38,750	22.9
2013	820	39,238	20.9
2014	825	41,412	19.9

Violent Crime

Year	Violent Crimes	Population Estimate	Crime Index
2003	46	24,332	1.9
2004	51	25,377	2.0
2005	57	28,173	2.0
2006	32	29,458	1.09
2007	23	31,067	0.74
2008	33	31,800	1.03
2009	28	34,700	0.80
2010	18	36,300	0.49
2011	37	37,666	0.98
2012	27	38,750	0.69
2013	25	39,238	0.64
2014	38	41,412	0.92

Total Crime

Year	Total Crimes	Population Estimate	Crime Index
2003	2,401	24,332	98.7
2004	2,556	25,377	100.9
2005	2,605	28,173	92.5
2006	2,914	29,458	98.9
2007	2,927	31,067	94.2
2008	2,849	31,800	89.6
2009	2,946	34,700	84.9
2010	2,763	36,300	76.1
2011	2,897	37,666	77.0
2012	2,596	38,750	67.0
2013	2,115	39,238	53.9
2014	2,555	41,412	61.7

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mark Moeller, Chief of Police**

DATE: **February 11, 2015**

SUBJECT: **Holiday Crime Initiative - 2014**

Our 2014 Holiday Crime Initiative, which added extra patrol throughout the I-30 retail/restaurant corridor, was implemented and managed in the same manner and time frame as all the previous years. STEP overtime is paid for one officer from 1:00pm till 9:00pm through the Thanksgiving weekend and then for the two weeks preceding Christmas day, but also including Christmas and the day after; a total of seventeen days.

In 2010 and 2011, 16 Part One criminal offenses were reported in each year; 2012 had 11 offenses reported. In 2013 there were 23 offenses reported. This past year, 2014, there were 19 offenses reported; a 17% reduction from last year.

An analysis of these thefts occurring during this time frame and along the I-30 corridor, showed 13 were shoplifting thefts which are virtually impossible to prevent by officers patrolling parking lots. Three other theft offenses were also outside the scope of the program since they occurred inside the stores and were thefts of purses from the shopping cart.

Only one burglary of a motor vehicle (BMV) offense targeted shoppers and their parked vehicles in this commercial area. Another property crime that was significantly reduced during this program was Motor Vehicle Theft. In 2013 four vehicles were stolen, in 2014 only two were stolen, a 50% reduction.

The 2014 Holiday Crime Initiative has again proven that this program is very effective in providing a safe environment for our residents and visitors during a very busy shopping season.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 02/16/2015

APPLICANT: James Jackson of Jackson Automotive

AGENDA ITEM: **Z2015-001;** Outside Storage of Vehicles

Hold a public hearing to discuss and consider a request by James Jackson of Jackson Automotive for the approval of a Specific Use Permit to allow for automotive vehicles to be stored outside overnight in conjunction with an existing minor automotive repair garage on a 0.88-acre parcel of land identified as Lot 2B-2, Block A, Panex LTD Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, located at 608 White Hills Drive, and take any action necessary.

BACKGROUND INFORMATION:

The applicant has submitted an application for a Specific Use Permit to allow for automotive vehicles to be stored outside overnight in conjunction with an existing minor automotive repair garage facility within a Commercial (C) District. The property is generally located at 608 White Hills Drive and is doing business as Jackson Automotive. The property was granted a Conditional Use Permit [CUP (Ord. No. 93-27)] in 1993 for an "auto repair garage, minor" that included an approximately 7,500 sq. ft. enclosed area designated for outside storage. Also, a CUP and Site Plan was approved for an approximately 3,000 sq. ft. expansion of the facility in 1998 (Ord. 98-19), which has been completed.

The applicant is requesting the SUP for the specific purpose of allowing outside storage of vehicles for customers needing to drop off or pick up vehicles after hours and vehicles in need of parts which are unavailable at the time of service within the general parking area as depicted on the site plan. The vehicles would be parked/stored in the eighteen (18) striped head-in parking spaces located on the westerly side of the building. Mr. Jackson is requesting the ability to store the vehicles in the designated area up to 48 hours. The site contains an additional thirty (30) parking spaces along the front of the building that will not be used for overnight storage.

According to the Unified Development Code (UDC), Article IV, Permissible Uses, Sec. 2.1.8, Auto repair garage, minor:

> *5. Vehicles, equipment, parts or inventory shall not be stored outside overnight unless expressly permitted by this [Unified Development Code]. In which case, they shall be screened from public streets, sidewalks, open space, and any residentially zoned lot.*

Included in your packet is the letter requesting the SUP and a site plan indicating the eighteen (18) parking spaces to be used for the outside storage of vehicles. A request for an SUP is a discretionary act upon the Planning and Zoning Commission and City Council.

NOTIFICATION:

On January 30, 2015, staff mailed twenty-three (23) notices to property owners within 500 feet of the subject property; however, since there are no HOA/Neighborhood Organizations within 1500 feet participating in the notification program, there was no additional notice forwarded by e-mail. Additionally, staff posted a sign on the property as required by the Unified Development

Code (UDC). At the time this report was drafted, staff has received no notices “for” or “against” the zoning change requested.

RECOMMENDATIONS:

Should the Planning and Zoning Commission approve the proposed Specific Use Permit (SUP), it would allow for automotive vehicles to be stored outside overnight in conjunction with the existing minor automotive repair garage. However, the Commission may additionally consider the limitation for the outside storage of motor vehicles, as specified on the attached site plan and the duration of storage time for these vehicles, as well as other conditions the Commission deem necessary for compatibility with the surrounding uses.

Staff is offering the following conditions for consideration of the proposed use:

1. That the outside overnight storage of vehicles be limited to the eighteen (18) parking spaces located on the westerly side of the property as depicted on the SUP Exhibit; and

2. That the outside overnight storage of vehicles shall not exceed a continuous time period of 48 hours on the *Subject Property*; and

3. That no equipment, parts or inventory shall be stored outside; and

4. That the City Council reserves the right to review the Specific Use Permit (SUP) any time after the effective date of the SUP ordinance.

PLANNING AND ZONING COMMISSION RECOMMENDATION:

On February 10, 2015, the Planning and Zoning Commission recommended approval of the SUP request with staff conditions by a vote of 7 to 0.

JACKSON AUTOMOTIVE SPECIALIST
608 WHITE HILLS DR.
ROCKWALL, TX. 75087

To whom it may concern,

I James Jackson, would like to request an amendment to my existing permit at the address 608 White Hills Dr., to allow 48 hour parking in the 18 parking places shown in the site plan.

Thank you,

James Jackson

CITY OF ROCKWALL

ORDINANCE NO. 15-___

SPECIFIC USE PERMIT NO. S-

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) ALLOWING FOR VEHICLES TO BE STORED OUTSIDE OVERNIGHT IN CONJUNCTION WITH AN EXISTING AUTOMOTIVE REPAIR GARAGE, MINOR WITHIN A COMMERCIAL (C) DISTRICT, BEING A 0.88-ACRE PARCEL OF LAND IDENTIFIED AS LOT 2B-2, BLOCK A, PANEX LTD ADDITION, AND GENERALLY LOCATED AT 608 WHITE HILLS DRIVE, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND MORE SPECIFICALLY DEPICTED IN EXHIBIT 'A'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by James Jackson of Jackson Automotive for the approval of a Specific Use Permit (SUP) to allow vehicles to be stored outside overnight in conjunction with an existing A*utomotive Repair Garage, Minor*, zoned Commercial (C) District, being a 0.88-acre parcel of land identified as Lot 2B-2, Block A, Panex LTD Addition, and generally located at 608 White Hills Drive, City of Rockwall, Rockwall County, Texas, and more specifically depicted in Exhibit 'A' of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein ; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for vehicles to be stored outside overnight in conjunction with an existing A*utomotive Repair Garage, Minor* within a Commercial (C) District for the *Subject property*; and

Section 2. That the S*ubject Property* shall be used only in the manner and for the purposes

described in this Specific Use Permit (SUP) ordinance granted herein and shall be subject to the conditions set forth in *Section 2.1.8, Auto and Marine-Related Use Conditions, of Article IV, Permissible Uses,* and *Section 4.5, Commercial (C) District, of Article V, District Development Standards, of the City of Rockwall Unified Development Code [Ordinance No. 04-38]* as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following additions:

2.1 Operational Conditions

The following conditions pertain to the operation of the outside overnight storage of vehicles in conjunction with an *Automotive Repair Garage, Minor* on the S*ubject Property* and conformance to these stipulations is required for continued operations:

1. That the outside overnight storage of vehicles be limited to the eighteen (18) parking spaces located on the westerly side of the property as depicted on Exhibit 'A' attached hereto; and

2. That the outside overnight storage of vehicles shall not exceed a continuous time period of 48 hours on the *Subject Property*; and

3. That no equipment, parts or inventory shall be stored outside; and

4. That the City Council reserves the right to review the Specific Use Permit (SUP) any time after the effective date of this ordinance.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE ____ DAY OF _____, 2015.

Jim Pruitt, *Mayor*

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 02/16/2015

APPLICANT: Zack Amick; *Gordon Rockwall Investments, LLC*

AGENDA ITEM: **Z2015-004**; *Hyundai of Rockwall Specific Use Permit*

SUMMARY:

Hold a public hearing to discuss and consider a request by Zack Amick of Gordon Rockwall Investments, LLC on behalf of Keith Young for the purpose of amending Specific Use Permit (SUP) S-107 to allow for a new motor vehicle dealership on a 10-acre tract of land identified as Tract 4-02 and Tract 4 of the N. M. Ballard Survey, Abstract No. 24 and the A. Hanna Survey, Abstract No. 99, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Corridor Overlay (IH-30 OV) District, addressed as 1530 E. IH-30, and take any action necessary.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is Interstate Highway 30 (IH-30) followed by several parcels of land zoned Light Industrial (LI) District.

South: Directly south of the subject property is the remainder of a 25.684-acre tract of land that was recently rezoned from an Agricultural (AG) District to a Light Industrial (LI) District. *Note: a portion of the 25.684-acre tract of land is included within the subject property.*

East: Directly east of the subject property is Young Hyundai, which is zoned Light Industrial (LI) District and has a Specific Use Permit (SUP) for a *New Motor Vehicle Dealership* (*i.e. S-094*). East of this property is Rockwall Honda, which is zoned Commercial (C) District and has a SUP for a *New Motor Vehicle Dealership* (*i.e. S-041*).

West: Directly west of the subject property is the Floor and Tile Solutions building, which is zoned Planned Development District 26 & 31 (*PD-26: Light Industrial (LI) District land uses; PD-31: Specific Land Uses*). Beyond this building are several parcels of land with industrial buildings constructed on them. All of these parcels are zoned Light Industrial (LI) District.

PURPOSE AND CHARACTERISTICS OF THE REQUEST:

Specific Use Permit (SUP) No. S-107 was approved on June 3, 2013 and allows for the outside storage of new vehicles in conjunction with the adjacent car dealership (*i.e. Hyundai of Rockwall*). Recently, the applicant submitted a zoning change for the 21.684-acre tract of land, which is situated directly behind the property designated as S-107. The purpose of this zoning change was to change the zoning designation from an Agricultural (AG) District to a Light Industrial (LI) District. This was approved by City Council on February 2, 2015 under *Case No. Z2014-039*. Since this approval, the applicant has submitted an application requesting to amend SUP No. S-107 for the purpose of incorporating a ~5.00-acre portion of the newly zoned tract of land into the SUP and to allow for a *New Motor Vehicle Dealership* to be established on

the subject property. According to Article IV, *Permissible Uses*, of the Unified Development Code (UDC), a *New Motor Vehicle Dealership* requires a SUP within a Light Industrial (LI) District.

The applicant has indicated to staff that the property would continue to be used in conjunction with the adjacent car dealership; however, they would like the flexibility to pursue other brands in addition to Young Hyundai. Should the applicant attract another brand this property would be operated independently of the adjacent Hyundai dealership, which is currently operating under *SUP No. S-094*. As part of this request, the applicant has submitted a letter laying out the planned improvements for the property over the next three (3) years. These improvements and timelines are as follows:

1) *Phase One (12 Months).* Submit and receive approval for all civil drawings (*e.g. paving, drainage, utilities, and etcetera*). Complete all storm water/drainage and detention pond improvements.
2) *Phase Two (12 - 24 Months).* Complete all concrete paving improvements (*these improvements are shaded on the attached Concept Site Plan*).
3) *Phase Three (24 - 36 Months).* Remodel the existing building façade (*the changes to the building façade are depicted in the attached Concept Building Elevations*).

In response to the phased approach taken by the applicant, staff has prepared a SUP ordinance that is set to be reviewed within three (3) years of the approval date. At the time of this review, staff will ensure that all improvements have been completed. If the proposed improvements are incomplete, the SUP ordinance will automatically expire and the applicant will be required to reapply for a new SUP. If all improvements have been completed the SUP will be able to continue operation in conformance with the requirements of the ordinance and the Unified Development Code (UDC). Should the applicant attract a new brand and choose to redevelop the site in conformance with the brands image a full site plan would be required that would require a recommendation from the Architectural Review Board (ARB), approval by the Planning and Zoning Commission, and (*if necessary*) approval by the City Council.

NOTIFICATION:

On January 30, 2015, staff mailed 33 notices to property owners and residents within 500-feet of the subject property. Additionally, staff posted a sign at the northwest corner of the intersection of the IH-30 Frontage Road and Lakefront Trail as required by the Unified Development Code (UDC). At the time this case memo was drafted no responses were received by staff.

City staff has no knowledge of any Homeowner's Associations or Neighborhood Organizations located within 1,500-feet of the subject property.

RECOMMENDATIONS:

If the City Council chooses to approve the applicant's request for a Specific Use Permit (SUP) to allow a *New Motor Vehicle Dealership* land use on the subject property then staff would recommend the following conditions of approval:

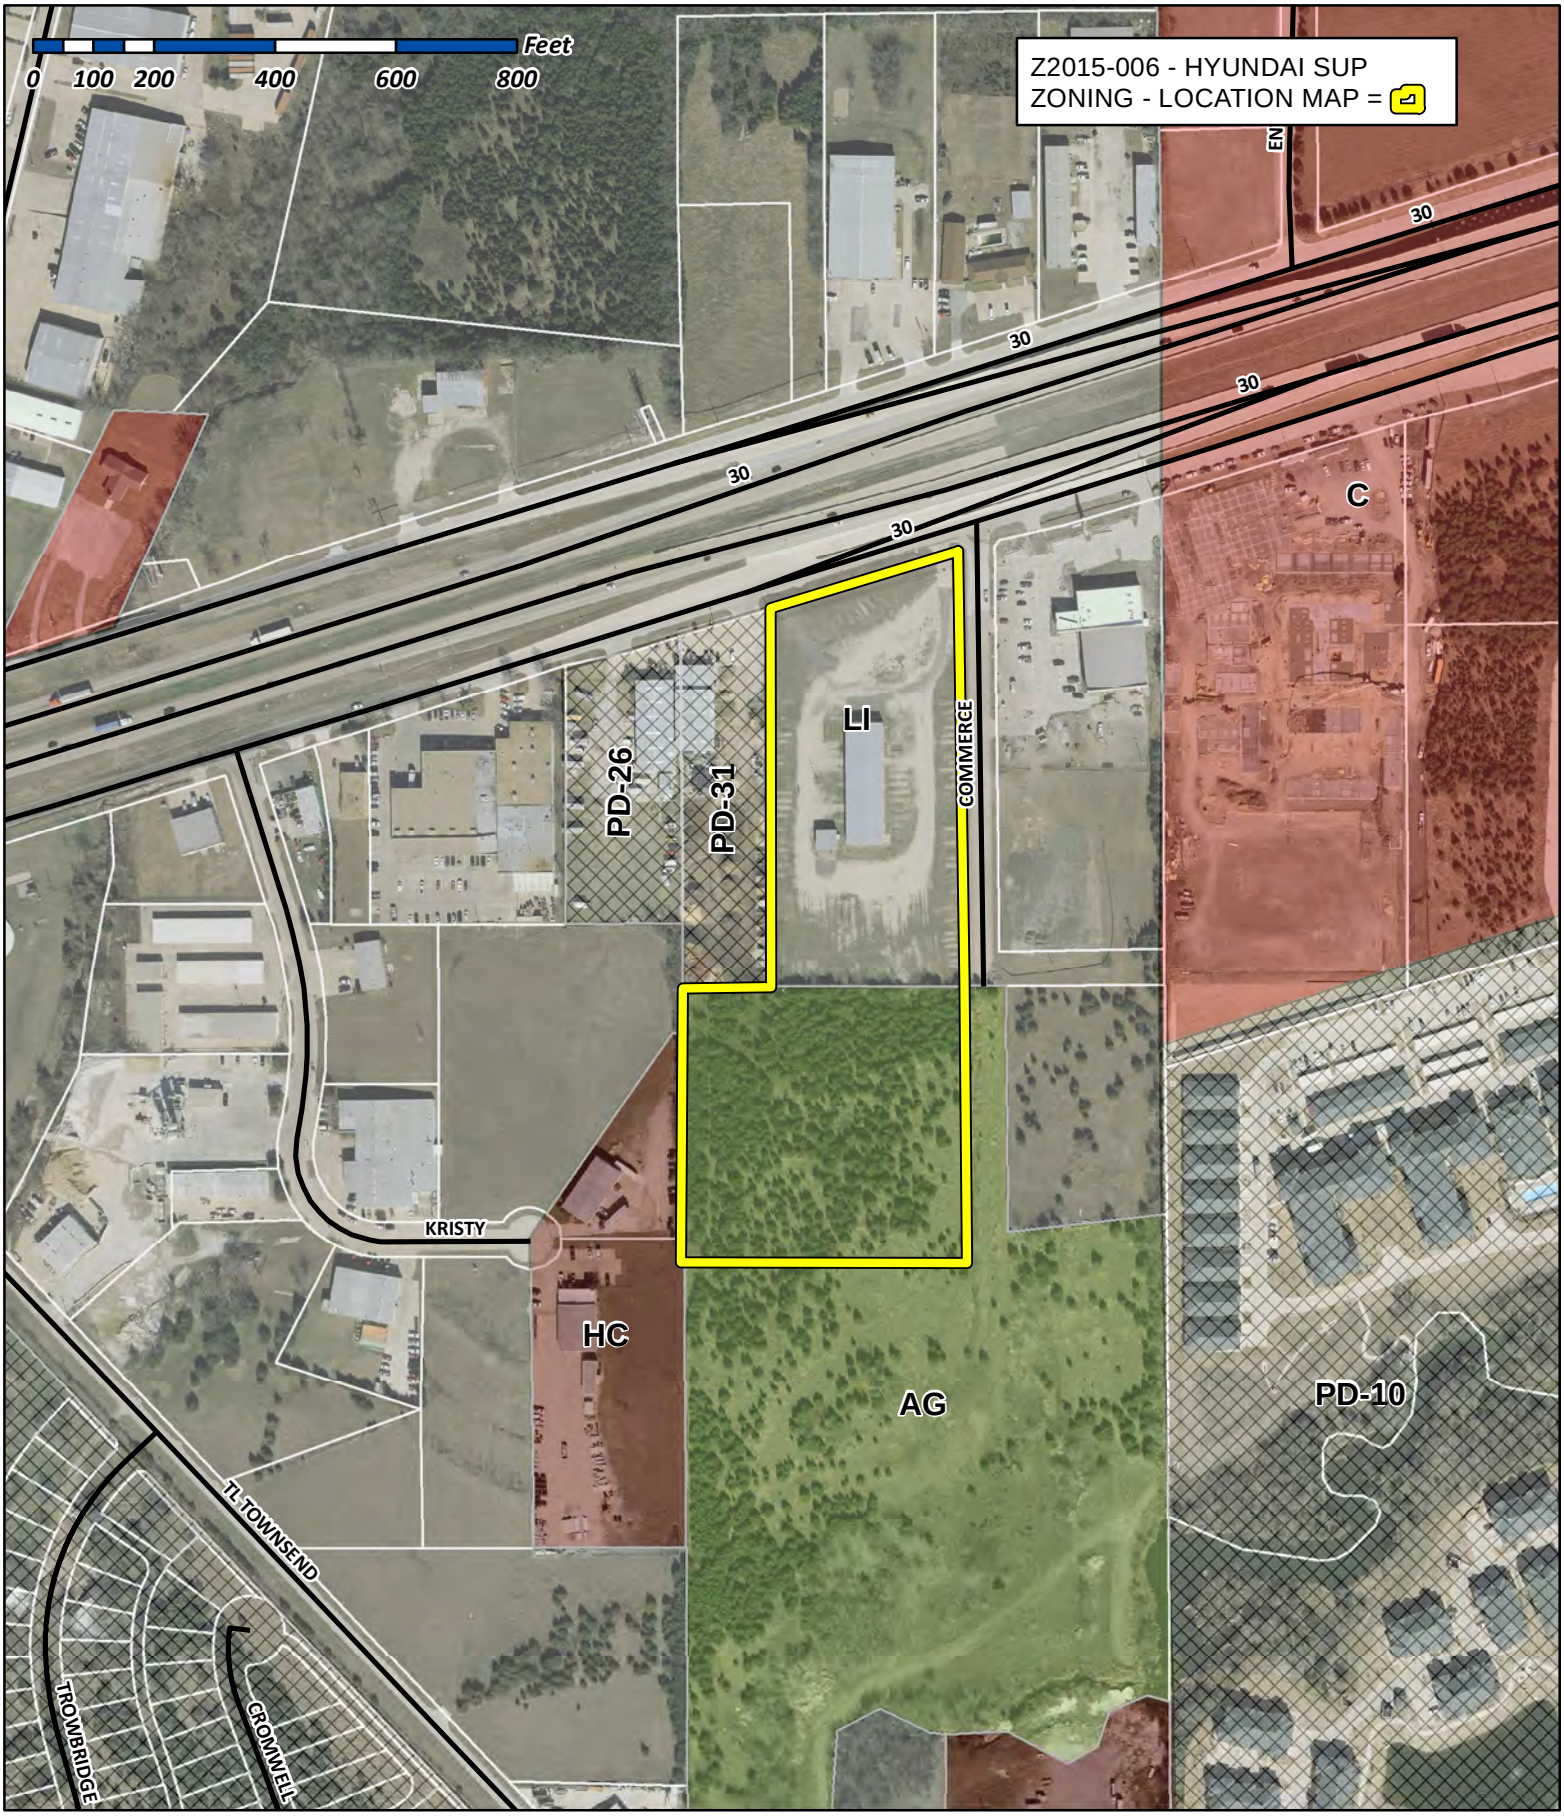
1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the SUP ordinance and summarized as follows:

    (a) All development on the *Subject Property* shall be in conformance to the *Concept Plan* depicted in the SUP ordinance;
    (b) The rehabilitation of the existing structure on the *Subject Property* shall conform to the *Concept Building Elevations* depicted in the SUP ordinance;

(c) Should the use of the subject property become independent of the adjacent *New Motor Vehicle Dealership* [*Young Hyundai*] (*i.e. any event that would require a separate Certificate of Occupancy [CO] to be issued*) and development not conforming to *Exhibits 'C'* and *'D'* of the SUP ordinance is proposed, a new site plan submittal shall be required to be submitted, reviewed and approved by the Planning and Zoning Commission and/or City Council in accordance with the requirements of the Unified Development Code;

(d) All motor vehicles shall be required to be parked on an all-weather surface (*i.e. concrete or asphalt*) upon the completion of the three (3) year time period established in *Section 3.1* of the SUP ordinance.;

(e) The redevelopment of the *Subject Property* shall generally be in conformance with the timeline established by the applicant's letter contained in *Exhibit 'B'* of the SUP ordinance, and shall be reviewed by staff for compliance upon receipt of an application for renewal; and,



(f) The operation of the *Subject Property* shall conform to all federal, state and local standards.

2) The applicant shall comply with all Planning, Engineering and Fire comments prior to the approval of the SUP; and,

3) Any construction or building necessary to complete this request must conform to the requirements set forth by the UDC, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING & ZONING COMMISSION:

On February 10, 2015, the Planning and Zoning Commission recommended approval of the Specific Use Permit (SUP) request per staff's recommendations by a vote of 7-0.

Director of Planning
Planning and Zoning
City of Rockwall
385 South Goliad Street
Rockwall, TX 75087

Subject: 1530 IH-30 East, Rockwall, Texas Special Use Permit

Dear Mr. LaCroix,

The purpose of this letter is to request a change to our existing Specific Use Permit. As you know, this property currently has an SUP that was approved by City Council on 06/03/2013 allowing outside storage and display of motor vehicles. This SUP has a time limitation of 3 years. Our business is growing and we would like to expand.

The capital investment required to improve the property for our use is significant and we respectfully request a Specific Use Permit allowing for a "Motor Vehicle Dealership, New" on the subject 10.00-acre tract of land with existing buildings located at 1530 Interstate Highway 30 East, Rockwall, Texas.

Listed below is an outline of planned improvements for the property. We intend to complete the work in 3 phases over a 3 year period of time.

Phase 1: Engage a civil engineer to provide plans meeting city approval for phased development that address paving, drainage, utilities etc. Complete storm drainage and detention pond within 12 months of receiving counsel approved SUP.
Phase 2: Concrete paving improvements will be completed within 24 months of receiving counsel approved SUP.
Phase 3: Within 36 months of receiving counsel approved SUP. Remodel the existing building façade with new exterior elevations that includes masonry, storefront glazing and other items that would be similar to our existing dealership.

Sincerely,

Zack Amick

"EXHIBIT A"

LEGAL DESCRIPTION

BEING a 10.000 acre tract or parcel of land lying and being situated in the N. M. BALLARD SURVEY, Abstract 24, and the A. HANNA SURVEY, Abstract 99, in the City of Rockwall, Rockwall County, Texas and being that certain tract described in Special Warranty Deed to Gordon Rockwall Investments, LLC, recorded in Volume 6959, Page 100, Deed Records, Rockwall County, Texas (D.R.R.C.T.) and a portion of that certain tract described in deed to Thomas Real Estate, LP, recorded in Volume 1507, Page 203, D.R.R.C.T.; and being more particularly described by metes and bounds as follows:

BEGINNING at an aluminum TxDOT monument at the southern end of a corner clip located at the intersection of the southerly right-of-way line of Interstate Highway 30 (a variable width right-of-way) and the west right-of-way line of Commerce Street (a 60-foot wide right-of-way per Cabinet F, Slide 379, Map Records, Rockwall County, Texas);

THENCE South 00 degrees 40 minutes 20 seconds East, along the east line of said Gordon Rockwall tract and said west right-of-way line, a distance of 707.36 feet to a 3/8 inch iron rod found for the southeast corner of said Gordon Rockwall tract and the southwest corner of said right-of-way of Commerce Street; said found iron rod also being located at an angle point in the north line of said Thomas Real Estate tract;

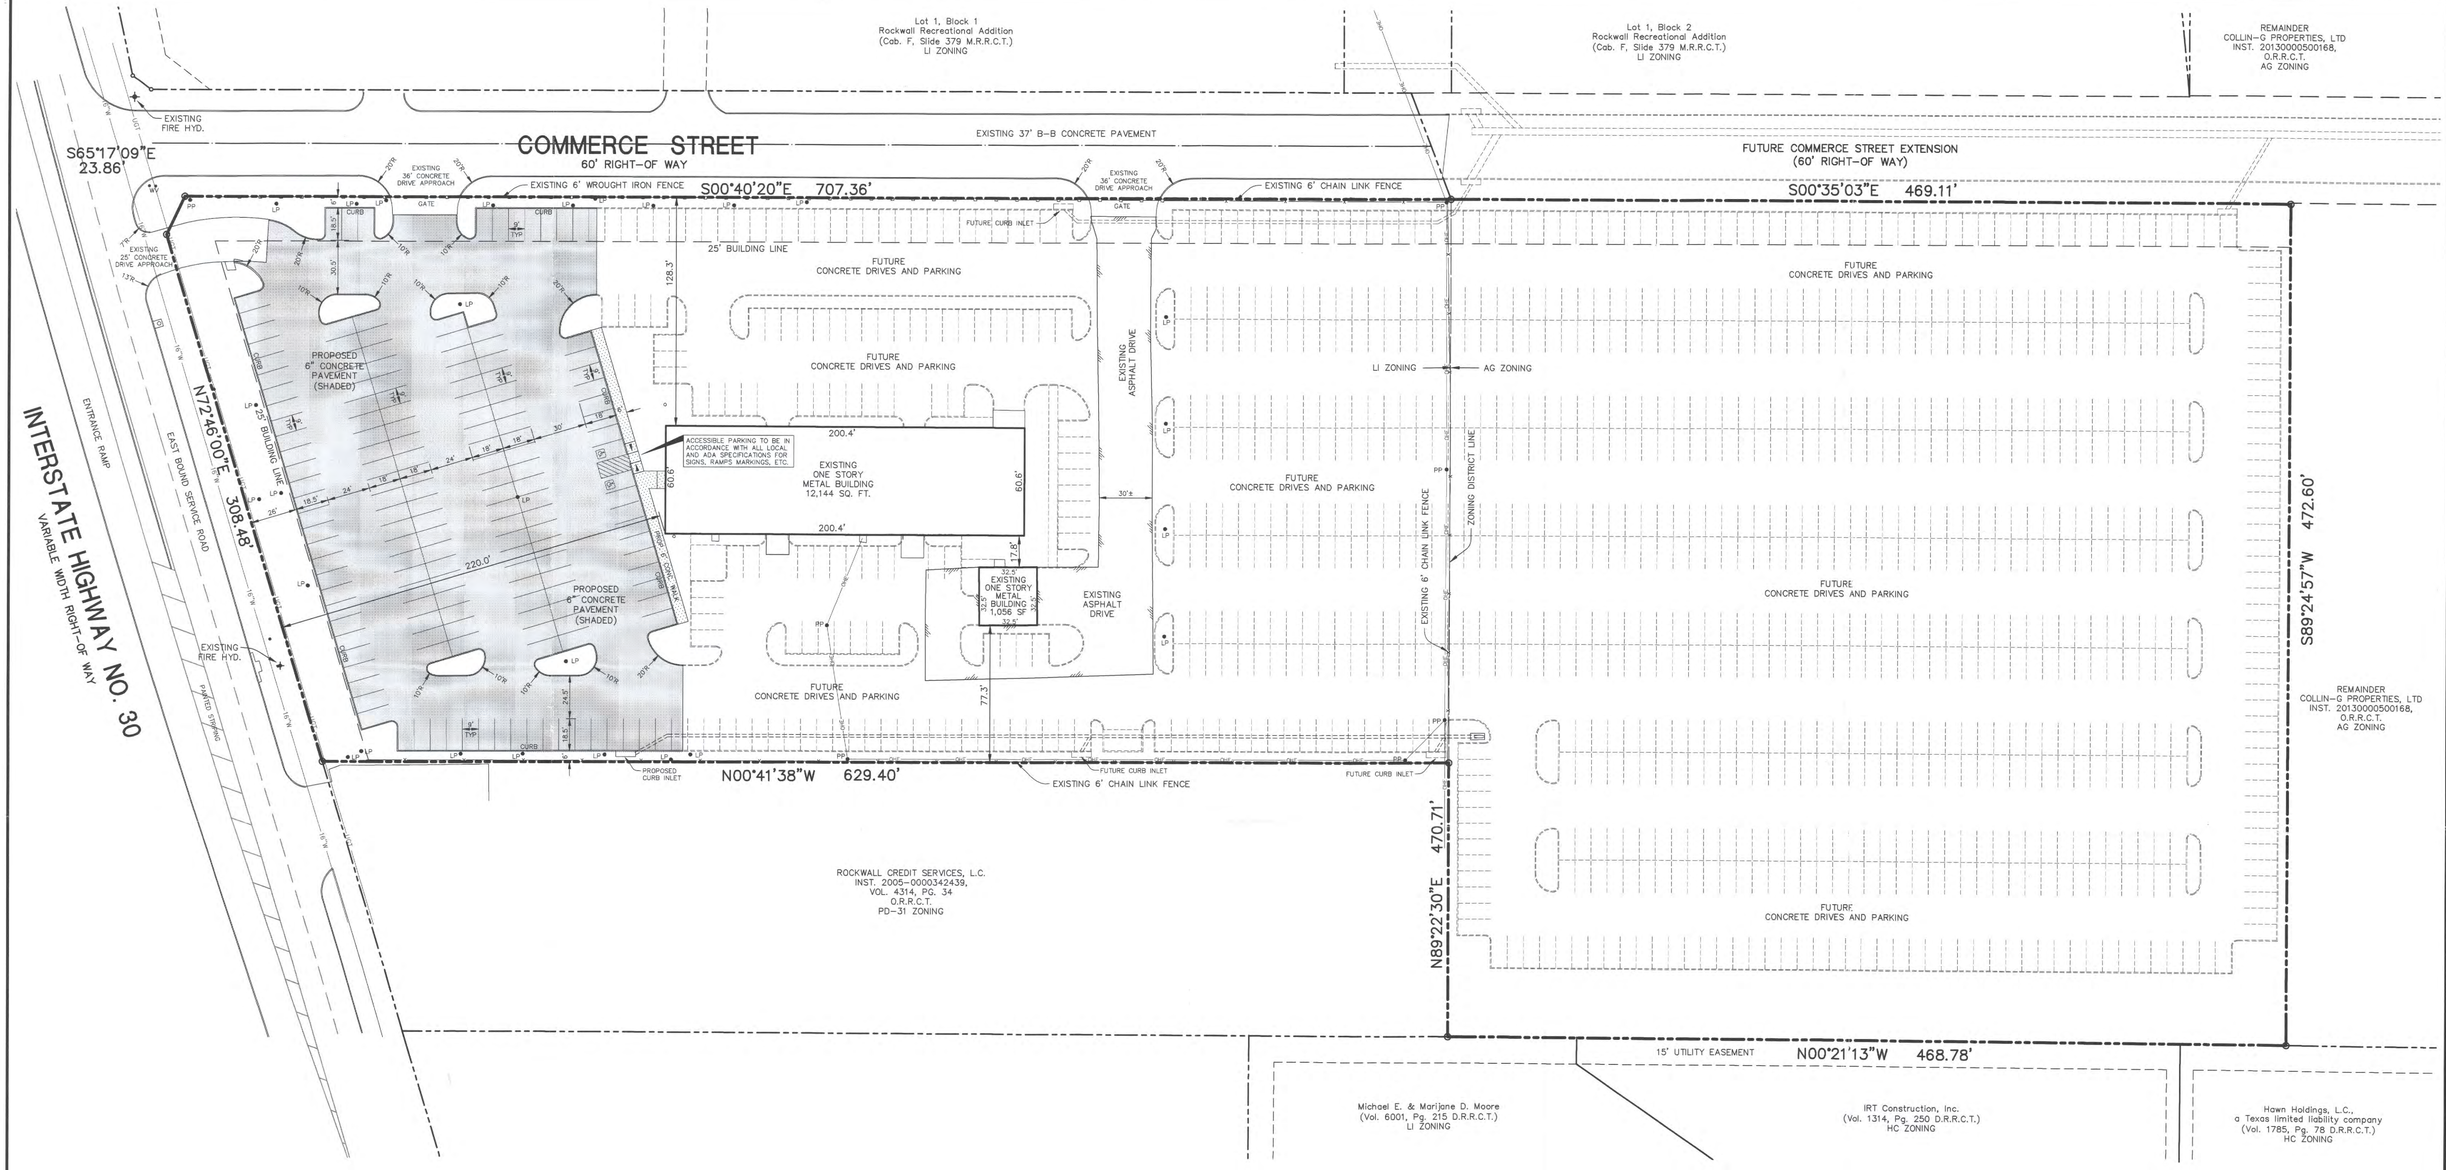
THENCE South 00 degrees 35 minutes 03 seconds East, crossing said Thomas Real Estate tract, a distance of 469.11 feet to a point for corner;

THENCE South 89 degrees 24 minutes 57 seconds West, continuing to cross said Thomas Real Estate tract, a distance of 472.60 feet to a point on the west line of said Thomas Real Estate tract;

THENCE North 00 degrees 21 minutes 13 seconds West, along the west line of said Thomas Real Estate tract, a distance of 468.78 feet to a 1/2 inch iron rod found for the northwest corner of said Thomas Real Estate tract and the southwest corner of that certain tract described in General Warranty Deed to Rockwall Credit Services, L.C., recorded in Volume 4314, Page 34, D.R.R.C.T;

THENCE North 89 degrees 22 minutes 30 seconds East along the common line of the said Thomas Real Estate tract and said Rockwall Credit Services, L.C. tract, a distance of 153.71 feet to a point for corner; said point being the southeast corner of the Rockwall Credit Services, L.C. tract and the southwest corner of the Gordon Rockwall tract;

THENCE North 00 degrees 41 minutes 38 seconds West, continuing along the common line of said Rockwall Credit tract and Gordon Rockwall tract, a distance of 629.40 feet to a point for corner in the south right-of-way line of the aforementioned Interstate Highway 30, same point



being the northeast corner of said Rockwall Credit tract and the northwest corner of said Gordon Rockwall tract;

THENCE North 72 degrees 46 minutes 00 seconds East, continuing along said south right-of-way line and along the north line of said Gordon Rockwall tract, a distance of 308.48 feet to a point for the northern end of the aforementioned corner clip;

THENCE South 65 degrees 17 minutes 09 seconds East, along said corner clip, a distance of 23.86 feet to the Point of Beginning and containing 10.000 Acres (435,600 Square Feet) of land.

NOTE: The Basis of Bearings for this description is the deed to Thomas Real Estate, LP, recorded in Volume 1507, Page 203, D.R.R.C.T.. This description is based upon a compilation of public records.

99

CITY OF ROCKWALL

ORDINANCE NO. 15-XX

SPECIFIC USE PERMIT NO. S-107

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO AMEND SPECIFIC USE PERMIT NO. S-107 TO ALLOW FOR A NEW MOTOR VEHICLE DEALERSHIP ON A TEN (10) ACRE TRACT OF LAND IDENTIFIED AS TRACTS 4 & 4-02 OF THE N. M. BALLARD SURVEY, ABSTRACT NO. 24, AND THE A. HANNA SURVEY, ABSTRACT NO. 99, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Zack Amick of Gordon Rockwall Investments, LLC on behalf of Keith Young for the purpose of amending Specific Use Permit No. 107 to allow a *New Motor Vehicle Dealership* on a ten (10) acre tract of land identified as Tracts 4 & 4-02 of the N. M. Ballard Survey, Abstract No. 24 and the A. Hanna Survey, Abstract No. 99, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, located within the IH-30 Overlay (IH-30 OV) District, and more specifically described in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW AND THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the enactment of this Specific Use Permit (SUP) Ordinance shall supersede all requirements stipulated in *Ordinance No. 13-13*;

SECTION 2. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for the establishment of a *New Motor Vehicle Dealership* within a Light Industrial (LI) District as stipulated by Article IV, *Permissible Uses*, of the Unified Development Code on the *Subject Property*;

SECTION 3. That the *Subject Property* shall be developed and/or used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance and as stipulated by Section 2.1.10, *Distribution and Storage,* of Article IV, *Permissible* Uses; Section 5.1, *General Industrial District Standards*; Section 5.3, *Light Industrial (LI) District*, of Article IV, *District Development Standards*; Section 6.6, *IH-30 Overlay (IH-30 OV) District* of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in

DRAFT ORDINANCE 04-16-15

the future, and shall be subject to the additional following operational conditions and compliance standards:

3.1 COMPLIANCE STANDARDS

Approval of this ordinance in accordance with Section 8.3, *Council Approval or Denial*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC) will require compliance to the following standards:

1) This Specific Use Permit (SUP) shall be subject to review by Planning Department staff and/or the Planning and Zoning Commission and City Council within three (3) years of the effective date of the ordinance. At the time of review, Planning Department staff shall be required to review the completeness of the improvements outline in the applicant's letter contained in *Exhibit 'B'* of this ordinance and listed as follows:

   (i) *Phase 1*. Engineering plans addressing paving, drainage, and etcetera shall be approved by the Engineering Department. The storm water/drainage and detention pond shall be permitted and accepted by the City.
   (ii) *Phase 2*. All concrete paving depicted on the *Concept Plan* in *Exhibit 'C'* of this ordinance shall be permitted and accepted by the City.
   (iii) *Phase 3.* Remodel of existing building façade in conformance with the *Building Elevations* contained in *Exhibit 'D'* of this ordinance shall be permitted and accepted by the City.

   Should the improvements be complete staff shall provide a report to the Planning and Zoning Commission and City Council indicating conformance to the requirements of this ordinance, and operation of the *New Motor Vehicle Dealership* shall be permitted to continue under the requirements of this ordinance and the Unified Development Code (UDC). Should the improvements be incomplete this SUP ordinance shall automatically expire.

2) Should the *Subject Property* continued to be operated as an outside storage/outside display lot for new vehicles in conjunction with the adjacent *New Motor Vehicle Dealership* (*i.e. S-094*) then no Certificate of Occupancy (CO) shall be required. Upon changing the use to a standalone *New Motor Vehicle Dealership*, a Certificate of Occupancy (CO) shall be required for the change of use.

3) Should any business or establishment operating under the guidelines of this ordinance fail to meet the minimum operational requirements set forth herein and outline in the Unified Development Code (UDC), the City Council may -- *after proper notice* -- initiate proceedings before the City Council to revoke this SUP ordinance.

3.2 OPERATIONAL CONDITIONS

The following conditions pertain to the operation of a *New Motor Vehicle Dealership* on the *Subject Property*, and conformance to these operational conditions is required for continued operation:

1) All development on the *Subject Property* shall be in conformance to the *Concept Plan* depicted in *Exhibit 'C'* of this ordinance;

2) The rehabilitation of the existing structure on the *Subject Property* shall conform to the *Concept Building Elevations* depicted in *Exhibit 'D'* of this ordinance;

3) Should the use of the subject property become independent of the adjacent *New Motor Vehicle Dealership* [*Young Hyundai*] (*i.e. any event that would require a separate Certificate of*

DRAFT ORDINANCE 02-15-2015

Occupancy [CO] to be issued) and development not conforming to *Exhibits 'C'* and *'D'* of this ordinance is proposed, a new site plan submittal shall be required to be submitted, reviewed and approved by the Planning and Zoning Commission and/or City Council in accordance with the requirements of the Unified Development Code;

4) All motor vehicles shall be required to be parked on an all-weather surface (*i.e. concrete or asphalt*) upon the completion of the three (3) year time period established in *Section 3.1* of this SUP ordinance.;

5) The redevelopment of the *Subject Property* shall generally be in conformance with the timeline established by the applicant's letter contained in *Exhibit 'B'* of this ordinance, and shall be reviewed by staff for compliance upon receipt of an application for renewal; and,

6) The operation of the *Subject Property* shall conform to all federal, state and local standards.

SECTION 4. That the official zoning map of the City of Rockwall be corrected to reflect the changes described herein.

SECTION 5. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 6. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *TWO THOUSAND DOLLARS* ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 7. If any section of provision of this ordinance or the application of that section or provision to any person, firm, cooperation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have to adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 8. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 2ND DAY OF MARCH, 2015.

DRAFT
ORDINANCE
02.16.2015

BEING a 10.000 acre tract or parcel of land lying and being situated in the N. M. BALLARD SURVEY, Abstract 24, and the A. HANNA SURVEY, Abstract 99, in the City of Rockwall, Rockwall County, Texas and being that certain tract described in Special Warranty Deed to Gordon Rockwall Investments, LLC, recorded in Volume 6959, Page 100, Deed Records, Rockwall County, Texas (D.R.R.C.T.) and a portion of that certain tract described in deed to Thomas Real Estate, LP, recorded in Volume 1507, Page 203, D.R.R.C.T.; and being more particularly described by metes and bounds as follows:

BEGINNING at an aluminum TxDOT monument at the southern end of a corner clip located at the intersection of the southerly right-of-way line of Interstate Highway 30 (a variable width right-of-way) and the west right-of-way line of Commerce Street (a 60-foot wide right-of-way per Cabinet F, Slide 379, Map Records, Rockwall County, Texas);

THENCE South 00 degrees 40 minutes 20 seconds East, along the east line of said Gordon Rockwall tract and said west right-of-way line, a distance of 707.36 feet to a *3/8* inch iron rod found for the southeast corner of said Gordon Rockwall tract and the southwest corner of said right-of-way of Commerce Street; said found iron rod also being located at an angle point in the north line of said Thomas Real Estate tract;

THENCE South 00 degrees 35 minutes 03 seconds East, crossing said Thomas Real Estate tract, a distance of 469.11 feet to a point for corner;

THENCE South 89 degrees 24 minutes 57 seconds West, continuing to cross said Thomas Real Estate tract, a distance of 472.60 feet to a point on the west line of said Thomas Real Estate tract;

THENCE North 00 degrees 21 minutes 13 seconds West, along the west line of said Thomas Real Estate tract, a distance of 468.78 feet to a 112 inch iron rod found for the northwest corner of said Thomas Real Estate tract and the southwest corner of that certain tract described in General Warranty Deed to Rockwall Credit Services, L.C., recorded in Volume 4314, Page 34, D.R.R.C.T;

THENCE North 89 degrees 22 minutes 30 seconds East along the common line of the said Thomas Real Estate tract and said Rockwall Credit Services, L.C. tract, a distance of 153.71 feet to a point for corner; said point being the southeast corner of the Rockwall Credit Services, L.C. tract and the southwest corner of the Gordon Rockwall tract;

THENCE North 00 degrees 41 minutes 38 seconds West, continuing along the common line of said Rockwall Credit tract and Gordon Rockwall tract, a distance of 629.40 feet to a point for corner in the south right-of-way line of the aforementioned Interstate Highway 30, same point being the northeast corner of said Rockwall Credit tract and the northwest corner of said Gordon Rockwall tract;

THENCE North 72 degrees 46 minutes 00 seconds East, continuing along said south right-of-way line and along the north line of said Gordon Rockwall tract, a distance of 308.48 feet to a point for the northern end of the aforementioned corner clip;

THENCE South 65 degrees 17 minutes 09 seconds East, along said comer clip, a distance of 23.86 feet to the Point of Beginning and containing 10.000 Acres (435,600 Square Feet) of land.

NOTE: The Basis of Bearings for this description is the deed to Thomas Real Estate, LP, recorded in Volume 1507, Page 203, D.R.R.C.T. This description is based upon a compilation of public records.

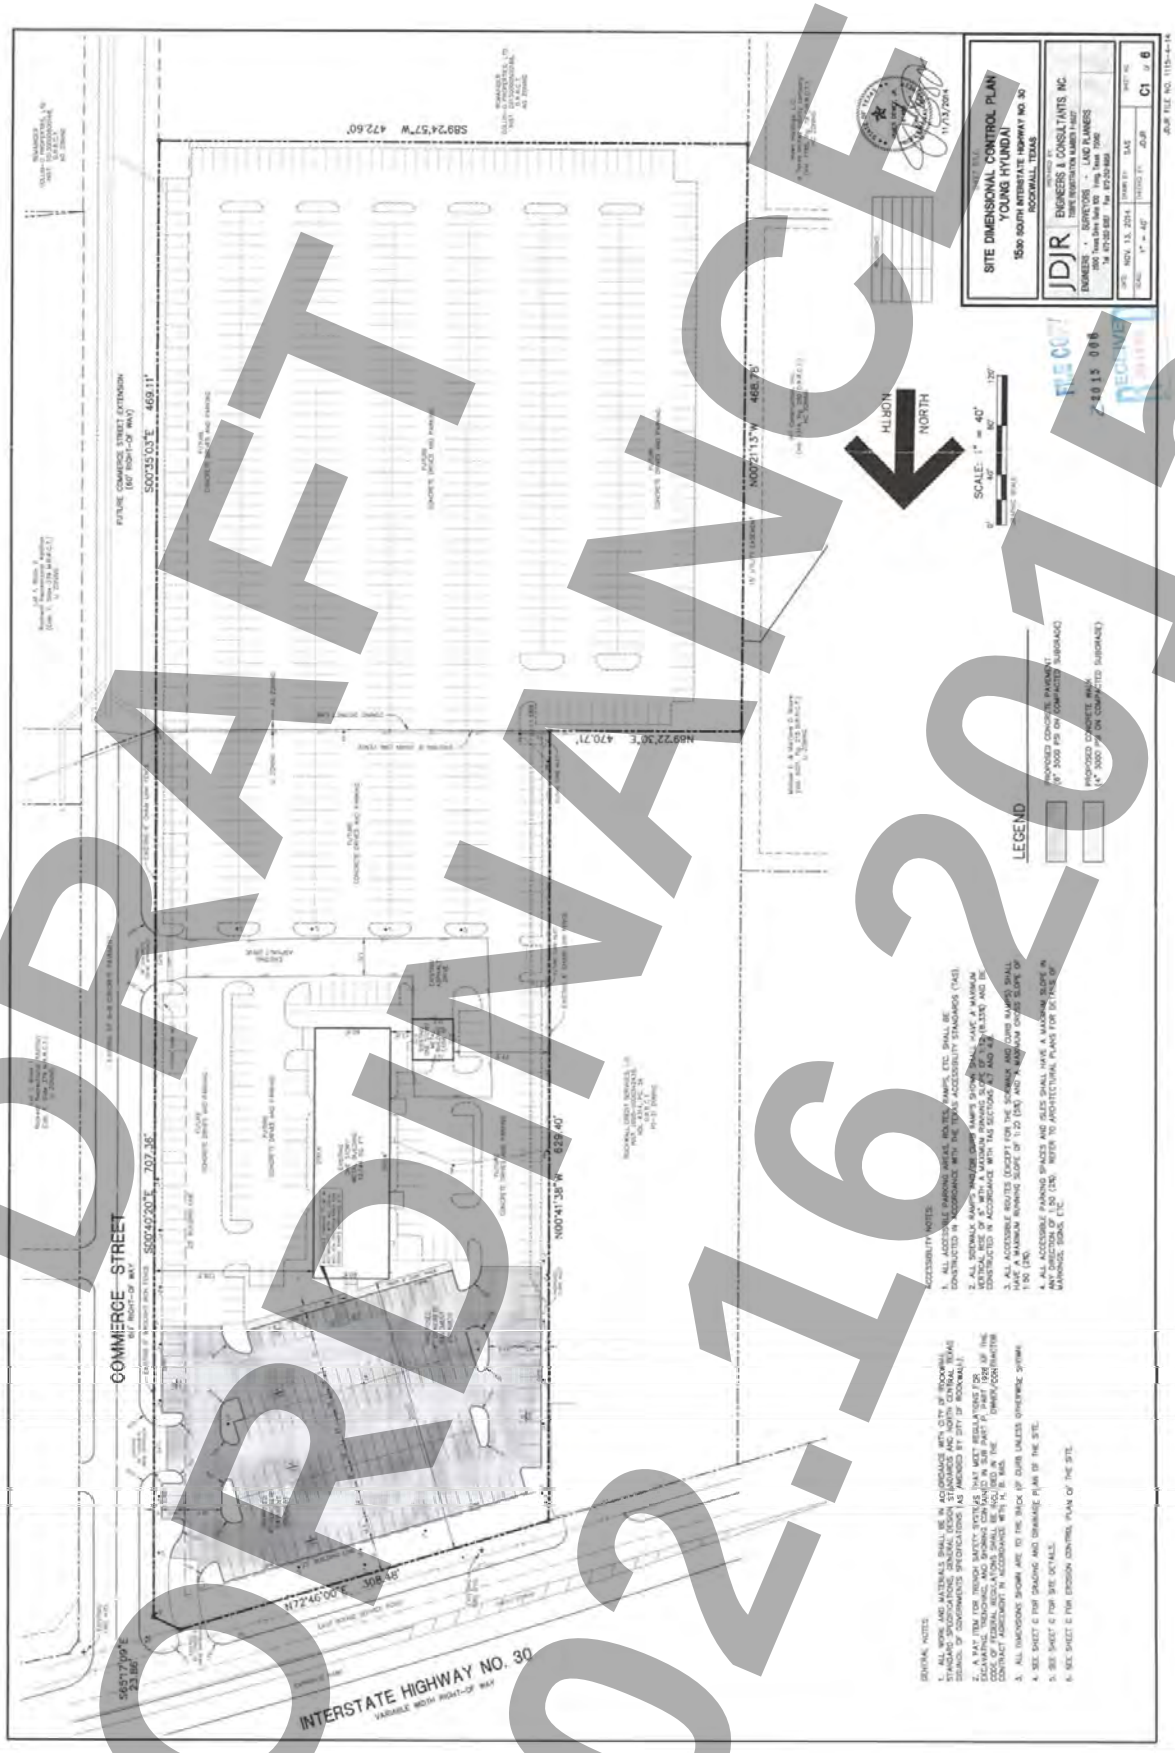
Robert LaCroix, AICP
Director of Planning
Planning and Zoning
City of Rockwall
385 South Goliad Street
Rockwall, TX 75087

Subject: 1530 IH-30 East, Rockwall, Texas Special Use Permit

Dear Mr. LaCroix,

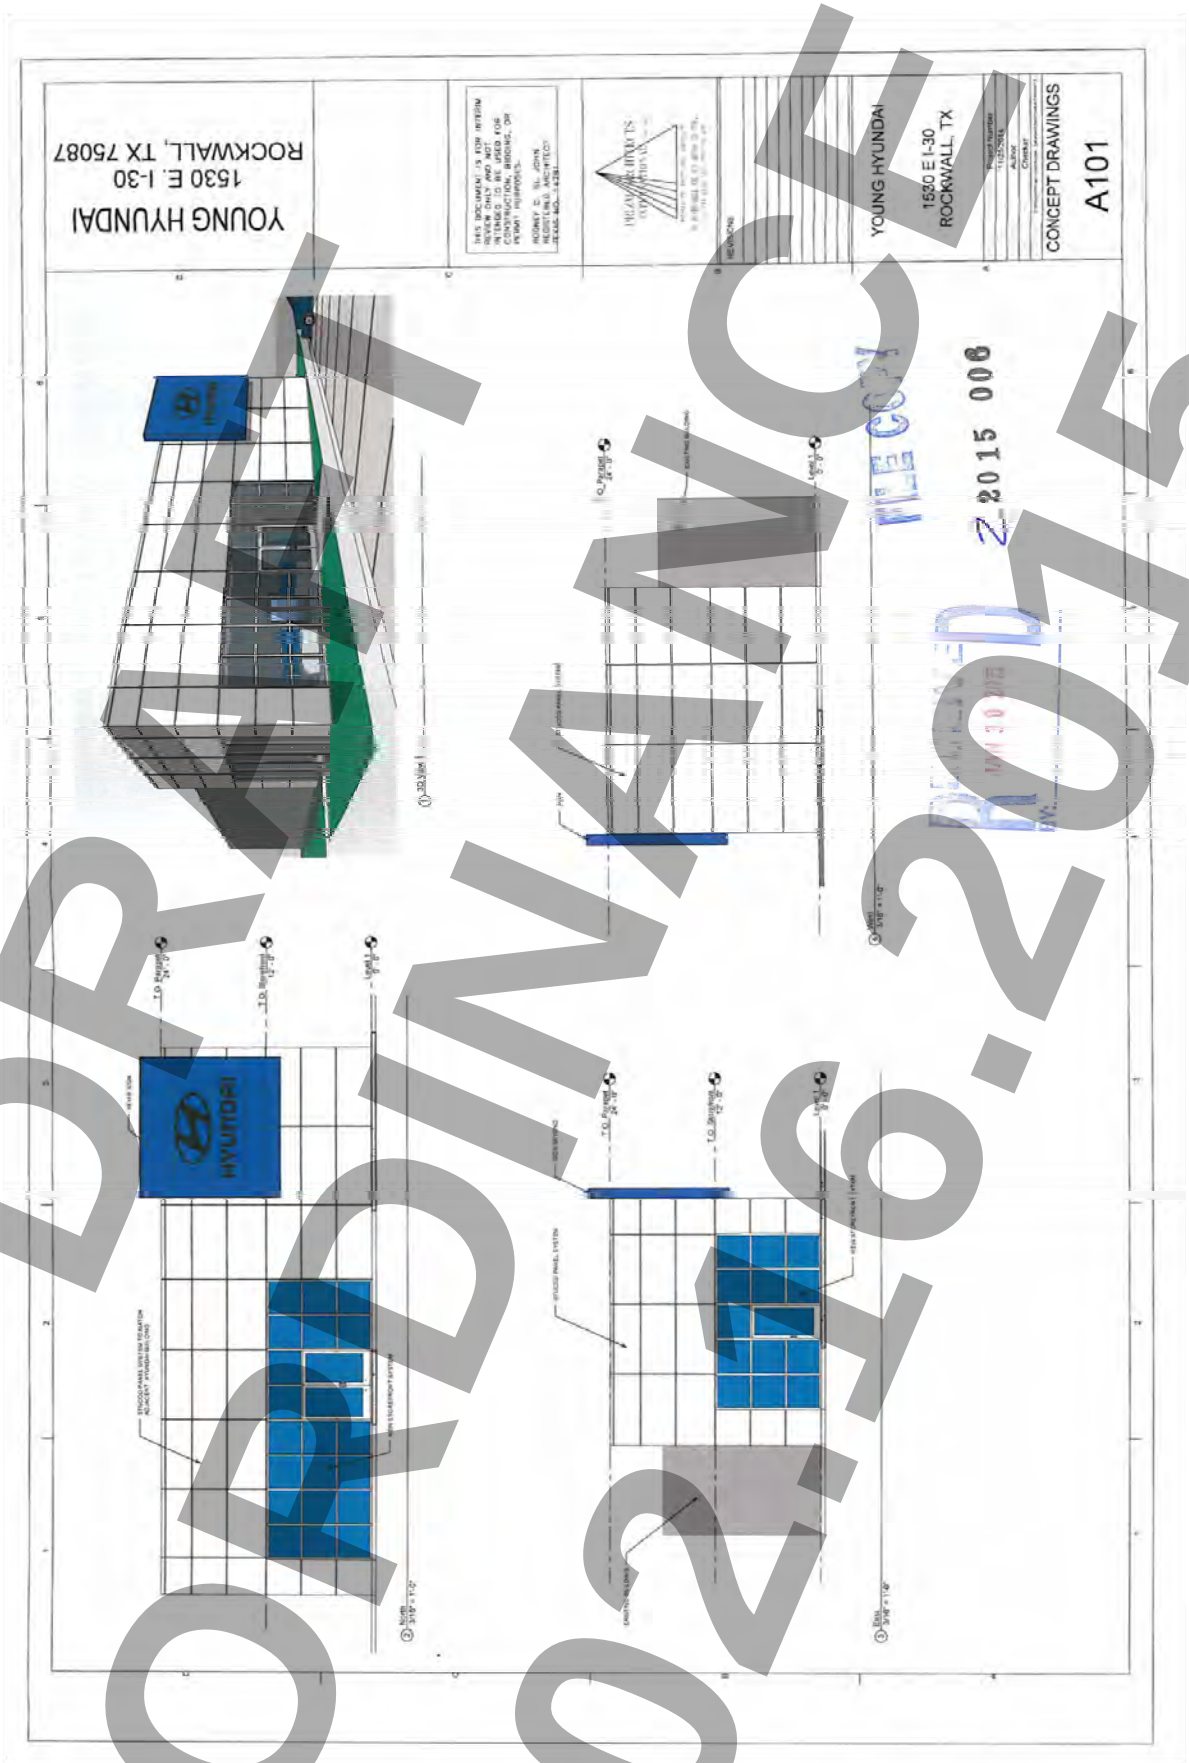
The purpose of this letter is to request a change to our existing Specific Use Permit. As you know, this property currently has an SUP that was approved by City Council on 06/03/2013 allowing outside storage and display of motor vehicles. This SUP has a time limitation of 3 years. Our business is growing and we would like to expand.

The capital investment required to improve the property for our use is significant and we respectfully request a Specific Use Permit allowing for a "Motor Vehicle Dealership, New" on the subject 10.00-acre tract of land with existing buildings located at 1530 Interstate Highway 30 East, Rockwall, Texas.



Listed below is an outline of planned improvements for the property. We intend to complete the work in 3 phases over a 3 year period of time.

Phase 1: Engage a civil engineer to provide plans meeting city approval for phased development that address paving, drainage, utilities etc. Complete storm drainage and detention pond within 12 months of receiving counsel approved SUP.
Phase 2: Concrete paving improvements will be completed within 24 months of receiving counsel approved SUP.
Phase 3: Within 36 months of receiving counsel approved SUP. Remodel the existing building façade with new exterior elevations that includes masonry, storefront glazing and other items that would be similar to our existing dealership.



Sincerely,

Zack Amick

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 02/16/2015

APPLICANT: Ringley & Associates, Inc.

AGENDA ITEM: **Z2015-002;** 898 Steger Towne Crossing - Automobile Rental - SUP

SUMMARY:

Hold a public hearing to discuss and consider a request by Lawrence H. Ringley of Ringley & Associates, Inc. on behalf of Jill Fisher of Steger Dunhill, LLC for the approval of a Specific Use Permit to allow an automobile rental facility on a 0.215-acre portion of a larger 4.218-acre parcel of land identified as Lot 3, Block A, Steger Towne Crossing, Phase 1 Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, located at 898 Steger Towne Drive, and take any action necessary.

BACKGROUND INFORMATION:

The applicant, Lawrence H. Ringley of Ringley & Associates, Inc., is requesting a Specific Use Permit (SUP) to allow for an *Automobile Rental Facility* on a 0.215-acre portion of a larger 4.218-acre parcel of land that is zoned (C) Commercial District. The property is located at 898 Steger Towne Crossing Drive and will be occupied by Avis Budget Car Rental. This location will be used for the rental of passenger vehicles only and will not involve the rental of moving trucks, vans, etc.

Based on the conceptual site plan (SUP Exhibit) submitted, the applicant will lease an area to the rear of the suite and will stripe the area with twenty (20) additional parking spaces should the SUP be approved. These additional parking spaces will be used exclusively for the rental vehicles based on an agreement with the landlord. Staff has included as a condition of approval that the rental vehicles remain in the rear designated parking area when the vehicles are not rented in order to keep the general parking area available for customer use. Also, the representative for Avis Budget Car Rental has indicated that the rental vehicles will be limited to interior cleaning only and will be washed off-site. It should be noted that washing of rental vehicles on site will be strictly prohibited, unless equipped and permitted for a car wash system.

Included in your packet is the letter requesting the SUP, a conceptual site plan (SUP exhibit) indicating the location of the rental facility and the additional twenty (20) parking spaces, a letter indicating the execution of an exclusive parking agreement, and an operational description for the business. A request for an SUP is a discretionary act upon the Planning and Zoning Commission and City Council.

NOTIFICATION:

On January 30, 2015, staff mailed fifteen (15) notices to property owners within 500 feet of the subject property including one (1) HOA/Neighborhood Organization within 1500 feet participating in the notification program. Additionally, staff posted a sign on the property as required by the Unified Development Code (UDC). At the time this report was drafted, staff has received no notices “for” or “against” the zoning change requested.

RECOMMENDATIONS:

Should the Specific Use Permit be approved, staff would offer the following conditions:

1) Adherence to Engineering and Fire Department standards.

2) That the parking of rental vehicles shall be restricted to the proposed parking area designated on the concept site plan (SUP Exhibit) as submitted.

3) That the rental of automobiles shall be for passenger vehicles only.

4) Provide an updated concept site plan (SUP Exhibit) with dimensions as per Engineering's comments in regards to the proposed parking area.

5) Provide a copy of the parking agreement once executed by all parties involved.

6) That the City Council reserves the right to review the Specific Use Permit (SUP) any time after the effective date of this ordinance.

PLANNING AND ZONING COMMISSION RECOMMENDATION:

On February 10, 2015, the Planning and Zoning Commission motion to approve the SUP request with staff conditions and to include the additional condition of 'up to 4 vehicles allowed to park in the general parking area' failed by a vote of 6 to 1 (Lyons - For). However, a second motion to approve the SUP request with staff conditions was approved by the Commission by a vote of 7 to 0.

RE: AVIS BUDGET CAR RENTAL AT 898 STEGER TOWNE DRIVE
OPERATIONAL DESCRIPTION

To Whom It May Concern:

Avis Budget Car Rental (hereafter ABCR) is applying for a Specific Use Permit for a car rental facility at the subject address.

ABCR provides daily, weekly, and monthly vehicle rentals and returns of both local and one way use. Our operation will be 7 days a week with the following hours of operation:

M – F: 8:00 AM until 6:00 PM
Sat: 8:00 AM until 2:00 PM
Sun: 9:00 AM until 1:00 PM

We will have two agents staffing the facility. Additional operational activities will include interior cleaning of the vehicles for rental but all exterior cleaning (washing) will be conducted off-site.

I look forward to responding to any questions you may have.

Sincerely,

Jeffrey W. Wagner
Area Development Manager

ORDINANCE NO. 15-___

SPECIFIC USE PERMIT NO. S-

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) ALLOWING FOR AN AUTOMOBILE RENTAL FACILITY, WITHIN A COMMERCIAL (C) DISTRICT, BEING A 0.215-ACRE PORTION OF A LARGER 4.218-ACRE PARCEL OF LAND IDENTIFIED AS LOT 3, BLOCK A, STEGER TOWNE CROSSING, PHASE 1 ADDITION, AND GENERALLY LOCATED AT 898 STEGER TOWNE DRIVE, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Lawrence H. Ringley of Ringley & Associates, Inc. on behalf of Jill Fisher of Steger Dunhill, LLC for the approval of a Specific Use Permit (SUP) allowing for an *Automobile Rental Facility* within a Commercial (C) District, being a 0.215-acre portion of a larger 4.218-acre parcel of land identified as Lot 3, Block A, Steger Towne Crossing, Phase 1 Addition, and generally located at 898 Steger Towne Drive, City of Rockwall, Rockwall County, Texas, and more specifically described in Exhibit 'A' of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein ; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for an *Automobile Rental Facility* within a Commercial (C) District for the *Subject property*; and

Section 2. That the S*ubject Property* shall be used only in the manner and for the purposes

described in this Specific Use Permit (SUP) ordinance granted herein and shall be subject to the conditions set forth in *Article IV, Permissible Uses,* and *Section 4.5, Commercial (C) District, of Article V, District Development Standards, of the City of Rockwall Unified Development Code [Ordinance No. 04-38]* as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following additions:

2.1 Operational Conditions

The following conditions pertain to the operation of the *Automobile Rental Facility* on the S*ubject Property* and conformance to these stipulations is required for continued operations:

1) That the parking of rental vehicles shall be restricted to the proposed parking area designated on the concept site plan (SUP Exhibit) as submitted; and

2) That the rental of automobiles shall be for passenger vehicles only; and

3) That the City Council reserves the right to review the Specific Use Permit (SUP) any time after the effective date of this ordinance.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

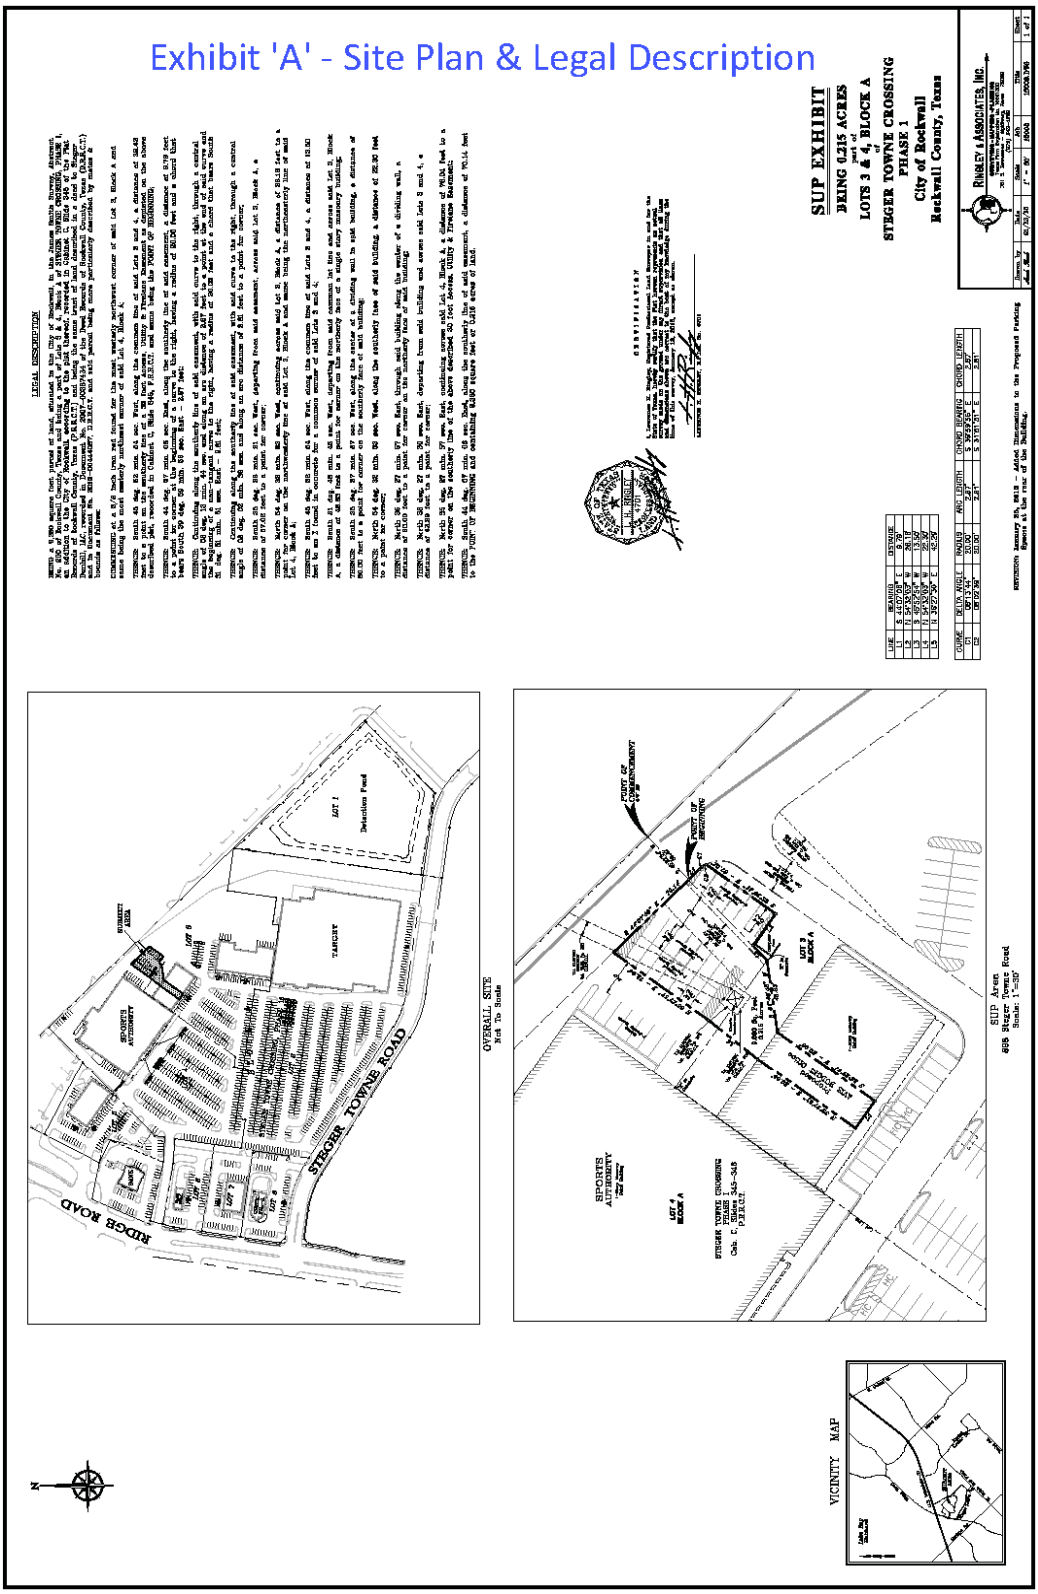
Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE ____ DAY OF _____, 2015.

Jim Pruitt, *Mayor*

ATTEST:



Kristy Ashberry, *City Secretary*

APPROVED AS TO FORM:

Frank J. Garza, *City Attorney*

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Robert LaCroix, *Director of Planning and Zoning*

FROM: Ryan Miller, *Planning Manager*

DATE: February 16, 2015

SUBJECT: Lakes of Somerset Amendments (PD-63) [*Z2014-025*]

At their regularly scheduled meeting on February 10, 2015, the Planning and Zoning Commission, at the request of the applicant (*Adam Buczek*), postponed the public hearing to February 24, 2015. This means that the projected City Council public hearing will be held at the March 2, 2015 meeting. According to Section 6.2, *Public Hearing Postponements, Recess, and Continuations*, of the Article II of the Unified Development Code, a public hearing may be postponed by announcing the postponement at the public hearing by stating the time and place the new public hearing is scheduled to begin. The announcement of a postponement shall be sufficient notice and no additional notice shall be required.

SKORBURG COMPANY

8214 Westchester Drive, Suite 710
Dallas, TX 75225

February 9, 2015

Mr. Ryan Miller, Planning Manager
City of Rockwall Planning Department
385 S. Goliad Street
Rockwall, Texas 75087

Re: Request to table Agenda Item Z2015-003: Hance Property

Dear Mr. Miller:

As discussed, please accept this letter as Skorburg Company's official request to table Agenda Item Z2015-003 (the Hance property) at tomorrow night's Planning & Zoning Commission meeting.

We respectfully request to be postponed to the February 24, 2015 Planning & Zoning Commission meeting for action.

Sincerely,

Adam Buczek
Development Partner

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Honorable Mayor and Council**

FROM: **Jeffrey Widmer, Building Official**

DATE: **February 16, 2015**

SUBJECT: **Front yard fence variance**

Consider a request from Mr. Richard and Ceci Chancellor for approval of a 48" wrought iron front yard fence on property located at 705 Pendleton Drive , being, lot 8 Block A, Lynden Park Estates phase 4, zoned PD-17 Single Family Residential district, and take any action necessary.

The applicants are seeking Council approval to allow a 48" wrought iron fence within the front yard of the property, to keep their grandchildren and puppy safe from running into the street. The backyard has a pool and they would rather not have the children playing in the back yard.

All front yard fences require City Council approval.

Rockwall City Council

February 3rd. 2015

To whom it may concern:

My wife Ceci and I would like to petition the Rockwall City Council to allow us to install a 152' X 4' black iron fence around the front perimeter of our front yard.

The purpose of this fence will be to keep our Grandchildren, and new puppy, from running into the street, and safely stay in the front yard, since our back yard, has been restricted by a swimming pool.

Kindly appreciate your consideration.

Richard and Ceci Chancellor

CITY OF ROCKWALL

ORDINANCE NO. 15-05

SPECIFIC USE PERMIT NO. S-131

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) FOR A HOTEL WITHIN PLANNED DEVELOPMENT DISTRICT 32 (PD-32), FOR A 2.968-ACRE LOT, CONTAINING TWO (2) PARCELS OF LAND IDENTIFIED AS LOT 3A, BLOCK A, SHORELINE PLAZA ADDITION (1.824-ACRES) AND LOT 1-1, BLOCK A, HENRY AFRICA ADDITION (1.143-ACRES), CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Cameron Slown of FC Cuny Corporation on behalf of Tom Kirkland of Tekmak Development Company for the approval of a Specific Use Permit (SUP) to allow a *Hotel* on a 2.968-acre lot containing two (2) parcels of land identified as Lot 3A, Block A, Shoreline Plaza Addition (1.824-acres) and Lot 1-1, Block A, Henry Africa Addition (1.143-acres), City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), located within the IH-30 Overlay (IH-30 OV) District, and more specifically described in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW AND THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for a *Hotel* within the *Freeway Frontage Subdistrict* as stipulated by *Exhibit 'D': Subdistrict Land Use Chart* of Planned Development District 32 (PD-32) [*Ordinance No. 10-21*] on the *Subject Property*; and

SECTION 2. That the *Subject Property* shall be developed and/or used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance, Planned Development District 32 (PD-32) [*Ordinance No. 10-21 & 14-44*] and as stipulated by Section 4.1, *General Commercial District Standards*, of Article IV, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following conditions and compliance standards:

2.1 Operational Conditions

The following conditions pertain to the operation of a *Hotel* on the *Subject Property*, and conformance to these operational conditions is required for continued operations:

1) The development of this property shall generally conform to the *Site Plan* depicted in *Exhibit 'B'* of this ordinance;

2) The development of this property shall generally conform to the *Building Elevations* depicted in *Exhibit 'C'* of this ordinance;

3) The development of a hotel on the subject property shall incorporate a minimum of 3,650 SF of floor area that will be utilized for the operation of a *Conference Center* (*i.e. an area that is exclusively used to host conferences, exhibitions, large meetings, seminars, training sessions, etcetera*), a minimum of 1,800 SF of floor area that will be utilized as *Pre-Function Event* area, and a minimum of 2,030 SF of floor area that will be utilized as *Courtyard* area; and,

4) The *Subject Property* is prohibited from being utilized as an *Extended Stay, Transient* or *Residence Hotel*.

SECTION 3. That the official zoning map of the City of Rockwall be corrected to reflect the changes described herein.

SECTION 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 5. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *TWO THOUSAND DOLLARS* ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 6. That if any section of provision of this ordinance or the application of that section or provision to any person, firm, cooperation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have to adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 16TH DAY OF FEBRUARY, 2015.

Jim Pruitt, Mayor

ATTEST:

Kristy Ashberry, City Secretary

APPROVED AS TO FORM:

Frank J. Garza, City Attorney

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 02/16/2015

APPLICANT: Cameron Slown; *FC Cuny Corporation*

AGENDA ITEM: **SP2014-034**; *Spring Hill Suites Hotel (Marriott) Site Plan*

SUMMARY:

Discuss and consider a request by Cameron Slown of FC Cuny Corporation on behalf of Tom Kirkland of Tekmak Development Company for the approval of waivers to Planned Development District 32 (PD-32) [Ordinance No. 10-21] and variances to the Unified Development Code associated with a site plan for a hotel on a 2.968-acre tract of land identified as Lot 3A, Block A, Shoreline Plaza Addition and Lot 1-1, Block A, Henry Africa Subdivision, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the IH-30 Overlay (IH-30 OV) District, located at the southeast corner of the intersection of the IH-30 Frontage Road and Lakefront Trail, and take any action necessary.

BACKGROUND:

On December 18, 2015, the applicant submitted a request for the approval of a site plan and Specific Use Permit (SUP) for the purpose of constructing a *Spring Hill Suites Hotel* on the 2.968-acre subject property. After the work session on January 13, 2015, the applicant and staff decided to delay the site plan case until after the first reading of the SUP ordinance and after the Architectural Review Board (ARB) had proper time to review the building elevations. Since this time, the ARB has reviewed and signed off on the proposed building elevations and on February 2, 2015, the City Council approved the first reading of the SUP ordinance. Additionally, the Planning and Zoning Commission approved the site plan with the variances and waivers on February 10, 2015.

CITY COUNCIL WAIVERS:

According to Ordinance No. 10-21, "(i)n order to provide flexibility and create high quality projects, an applicant for development within the PD District [*PD*-32] may request a waiver of the following District or Subdistrict standards: (1) Building Placement Requirements, (2) Landscape Standards, (3) Parking Requirements, (4) Parking Garage Design Standards, and (5) Increased Building Height in any Subdistrict." In this case, the applicant is requesting the following waivers:

1) *Building Placement Requirements*.

   i. *Build-To-Lines and Building Setbacks.* According to the *Freeway Frontage Subdistrict* all buildings constructed on the subject property shall be subject to the following building setbacks:

      (a) Lakefront Trail [*Street Type 'E'*]: Seven (7) Feet
      (b) Harbor Heights Drive [*Street Type 'D'*] (*Based on Ordinance No. 13-16)*: Three (3) Feet
      (c) Shoreline Trail [*Street Type 'A'*]: Five (5) Feet

(d) IH-30 Frontage Road: 250-Feet

The site plan shows conformance to all building and setback requirements with respect to Lakefront Trail, Harbor Heights and Shoreline Trail; however, the site plan depicts the building being situated within 183-feet of the IH-30 Frontage Road. *The purpose of the 250-foot building setback adjacent to the IH-30 Frontage Road is depicted in Exhibit E-2: Freeway Frontage Subdistrict Density and Dimensional Requirements.*

ii. *Building Form.* According to the *Freeway Frontage Subdistrict* all buildings constructed on the subject property shall subject to the following building form requirements:

(a) A minimum of 80% of the street for *Street Type 'E'* must be defined by a building façade.
(b) A minimum of 45% of the building must be built to the *build-to-line* for *Street Types 'C' & 'E'*.
(c) The remaining building façade must be no less than two (2) feet and no greater than 12-feet from the *build-to-line*.

Taking these requirements into consideration the following would be required:

(a) A minimum of ~200-feet of building façade would be required along the frontage of Harbor Heights Drive with a minimum of ~100-feet being located within three (3) feet of the property line. Additionally, the building could not be located greater than 15-feet from the property line. In this case, the hotel is situated ~48-feet from the property line.
(b) Due to the changes from *Ordinance No. 13-16* (which re-introduced Lakefront Trail into the plan as a *Street Type 'E'*) the building form requirements -- when taking into consideration the 250-foot building setback -- cannot be applied to Lakefront Trail.
(c) The building should be no greater than 17-feet from Shoreline Trail. The site plan shows the building at ~55-feet from Shoreline Trial.

For a diagram of the Subdistrict's intent with regard to building placement see Exhibit E-2: Freeway Frontage Subdistrict Density and Dimensional Requirements.

2) <u>*Parking Requirements*</u>

i. *Surface Parking Setbacks.* According to the *Freeway Frontage Subdistrict* all surface parking lots must adhere to the following standards:

(a) Lakefront Trail [*Street Type 'E'*]: Ten (10) Feet
(b) Harbor Heights Drive [*Street Type 'D'*] (*Based on Ordinance No. 13-16)*: Ten (10) Feet
(c) Shoreline Trail [*Street Type 'A'*]: Ten (10) Feet
(d) IH-30 Frontage Road: 20-Feet

With the exception of Lakefront Trail -- *which was re-introduced into the plan by Ordinance No. 13-16* -- none of the proposed surface parking locations conform to any of the setback requirements (*i.e. the setbacks are as follows: Harbor Heights Drive is less than one [1] foot, Shoreline Trail is approximately three [3] feet, and the IH-30 Frontage Road is less than one [1] foot*).

3) <u>*Increased Building Height.*</u> According to the *Freeway Frontage Subdistrict* the maximum building height is two (2) stories at 45-feet, with the ability to add an additional floor that can be used for office uses only. The building elevations submitted by the applicant show a four (4) story hotel that will be 66-feet, 8¼-inches in total height.

With regard to granting waivers, *Ordinance No. 10-21* states that "… (w)aivers may only be approved by the City Council following a recommendation by the Planning and Zoning Commission … [and] In order to approve a waiver, the City Council must find that the waiver:

1) Meets the general intent of the PD District or Subdistrict in which the property is located; and,
2) Will result in an improved project which will be an attractive contribution to the PD District or Subdistrict; and,
3) Will not prevent the implementation of the intent of this PD District."

Taking the intent of the development into consideration, the proposed development would not change the general intent of the *Freeway Frontage Subdistrict*, and should result in an attractive contribution to the adjacent current and future buildings indicated by the overall concept plan. Additionally, the construction of this hotel will not prevent the implementation of the remainder of the PD District and will not inhibit adjacent development.

VARIANCES:

Based on the applicant's submittal staff has identified the following variances:

1) *Building Materials*.

   a) *Stone Requirements.* According to Section 6.6, *IH-30 Overlay (IH-30 OV) District*, of the UDC each exterior wall should incorporate a minimum of 20% natural or quarried stone. In this case, the applicant is requesting to use a similar cultured stone that was utilized on the Trend Tower building (*i.e. Tuscany Country Rubble by Eldorado Stone*). The percentage of culture stone exceeds 20% on each façade.

   b) *Masonry Material Requirements.* According to Section 6.6, *IH-30 Overlay (IH-30 OV) District*, of the UDC exterior walls should be constructed utilizing a minimum of 90% masonry materials. The applicant is requesting a variance to this standard for the purpose of utilizing cultured stone and EFIS. The EFIS being proposed (*i.e. StoTherm NExT Insulated Wall Claddings*) is similar to the EFIS that was permitted on the Hilton and requires the same three (3) part application system that was used to install the *Dryvit Stucco* on the Trend Tower.

   c) *Secondary Material Requirements.* According to Section 6.6, *IH-30 Overlay (IH-30 OV) District*, of the UDC exterior walls should not incorporate more than 10% secondary materials. EFIS is considered to be a secondary material.

2) *Alternate Tree Mitigation Plan.* The applicant is requesting an *Alternate Tree Mitigation Plan* in order to satisfy the remaining tree mitigation balance (*i.e. 306-inches*). Specifically, the applicant is proposing to plant 75 trees ranging in size from four (4) caliper inches to six (6) caliper inches. Some of the trees being proposed do not meet the UDC's requirements for replacement trees.

PLANNING AND ZONING COMMISSION:

On February 10, 2015, the Planning and Zoning Commission made a motion to approve the site plan and recommended approval of the variances, waivers and alternate tree plan requested by the applicant. The motion was approved by a vote of 6-1, with Commissioner Logan dissenting.

PLANT MINIMUM CRITERIA STATEMENT

1. PLANTS ARE REQUIRED TO MEET MINIMUM SPECIFICATIONS OF THE AMERICAN STANDARD FOR NURSERY STOCK' PUBLISHED BY THE AMERICAN NURSERY & LANDSCAPE ASSOCIATION, MAY 12, 204, AND RECOMMENDED BY THE TEXAS NURSERY & LANDSCAPE ASSOCIATION.

GRASS NOTES FOR BIDDING

1. BASE BID ALL SOD IS TO BE COMMON BERMUDA GRASS.
2. ADD ALTERNATE #1 GRASS ALL FOR A CHANGE TO ZOYZIA SUN AND SHADE TOLERANT GRASS. INSTALL BE SOIL AMENDMENT NOTES.
3. REMOVE ALL EXISTING GRASSES FROM SITE PRIOR TO INSTALLATION.

COLOR AS NOTED

1. BASE BID ALL COLOR BEDS TO INCLUDE (4) FOUR 4" POTS PER SQ FT. INSTALLED IN 6" PREPARED SOIL FOR FOR FLOWERING PLANTS.
2. INCLUDE COLOR STAR FERTILIZER.
3. BEDS TO BE RAISED 3-4" HIGH AND SLOPED TO DRAIN.
4. OPTIONS FOR COLOR ARE AS FOLLOWS:
   BASE BID,
   1. BEGONIA. GREEN WITH WHITE FLOWERS.
   OPTIONAL PLANT MATERIALS: PRINCE FOR OWNER REVIEW
   1. DWARF REULLIA WHITE, 4" POTS. 2 PER SQ FOOT.
   2. MEXICAN FEATHER GRASS, 1 GAL. (1) ONE PER SQ FT.

SOIL AMENDMENT NOTES; LISTED FOR BASE BID)

INCLUDE THE NOTES BELOW AND LANDSCAPE SPECIFICATIONS ON SHEET L2-02

SOIL PREPARATION FOR GRASS AREAS ON SITE.
1. SPRAY ROUND UP TWO TIMES IN HEAT OVER 70 DEGREES OR MANUALLY REMOVE THE EXISTING BERMUDA GRASS, TWO WEEKS PRIOR TO SITE WORK AND IRRIGATION SYSTEM INSTALLATION FOR THE TOTAL SITE AREA. CONTINUE TO REVIEW AND REMOVE ALL BERMUDA GRASS AND WEEDS FROM THE SITE DURING CONSTRUCTION.
2. FINE GRADE SOIL AFTER SITE CLEAN UP PER THE APPROVED GRADING AND DRAINAGE PLANS FOR THE SITE. SW-2 CONTRACTOR HAS THE PLAN ON FILE, OR CALL FOR A PDF FILE.
3. REMOVE ALL DEBRIS FROM SITE. ROCKS AND TILES OVER 1" DIA. ALL EXTRA CONCRETE, FORM BOARDS.
4. HAND RAKE SOIL SMOOTH AND SHAPE BEDS AND EDGES OF BACK OF CURB PER LANDSCAPE ARCHITECTS DIRECTIONS. CALL TO SET UP MEETING PRIOR TO ACCEPTANCE OF THE FINAL GRADE.
5. AFTER IRRIGATION SYSTEM INSTALLATION. WATER SETTLE ALL TRENCHES AND RAKE SMOOTH FOR FINISHED GRADES FOR THE SITE.
6. INSTALL SOD SOD GRASS, ALLOWING FOR TIGHT JOINTS BETWEEN ALL SECTIONS OF SOD. DO NO LEAVE GAPS OR ADD AZALEA MIX IN ALL GAPS OVER 0.5" TO FILL IN AFTER SODDING IF GAPS REMAIN.
7. WATER AND ROLL THE SOD TWO TIMES.
8. IN BASE BID ALLOW FOR ONE (1) TIME MOWING AND EDGING PRIOR TO FINAL ACCEPTANCE.

SOIL PREPARATION FOR 4" POTS AND 1 GALLON GROUND COVER BEDS
1. SOIL AMENDMENTS. EXCAVATE BEDS OR ALLOW FOR 4" SOIL PREPARED BY LIVING EARTH TECHNOLOGY OR EQUAL.
2. TILL IN TO DEPTH OF 8" AND MIX WITH NATIVE SOIL.
3. INSTALL BEDDING PLANTS SETTING THE TOP OF BALLS, MINIMUM 0.5" ABOVE SOIL GRADE.
4. MULCH 2" WITH FINE PINE BARK MULCH OR HARDWOOD MULCH.
5. IN BASE BID ALLOW FOR FINE PRUNING AS REQUIRED BY GENERAL CONTRACTOR PRIOR TO FINAL ACCEPTANCE.

SOIL PREPARATION FOR 3 GALLON AND 5 GALLON SHRUB BEDS
1. SOIL AMENDMENTS. EXCAVATE BEDS OR ALLOW FOR 6" SOIL PREPARED BY LIVING EARTH TECHNOLOGY OR EQUAL.
2. TILL IN TO DEPTH OF 12" AND MIX WITH NATIVE SOIL.
3. INSTALL SHRUBS PLANTS SETTING THE TOP OF BALLS, MINIMUM 1.5" ABOVE SOIL GRADE.
4. MULCH 2" WITH FINE PINE BARK MULCH OR HARDWOOD MULCH.
5. IN BASE BID ALLOW FOR FINE PRUNING AS REQUIRED BY GENERAL CONTRACTOR PRIOR TO FINAL ACCEPTANCE.

SOIL PREPARATION FOR 25 GALLON AND 65 GALLON SHRUB BEDS
1. SOIL AMENDMENTS. EXCAVATE BEDS OR ALLOW FOR 8" SOIL PREPARED BY LIVING EARTH TECHNOLOGY OR EQUAL.
2. TILL IN TO DEPTH OF 16" AND MIX WITH NATIVE SOIL.
3. INSTALL SHRUBS PLANTS SETTING THE TOP OF BALLS, MINIMUM 2.5" ABOVE SOIL GRADE.
4. MULCH 3" WITH FINE PINE BARK MULCH OR HARDWOOD MULCH.
5. IN BASE BID ALLOW FOR FINE PRUNING AS REQUIRED BY GENERAL CONTRACTOR PRIOR TO FINAL ACCEPTANCE.

SOIL PREPARATION FOR 100 GALLON AND LARGER TREES
1. SEE TREE PLANTING ON LA-2.

LANDSCAPE NOTES

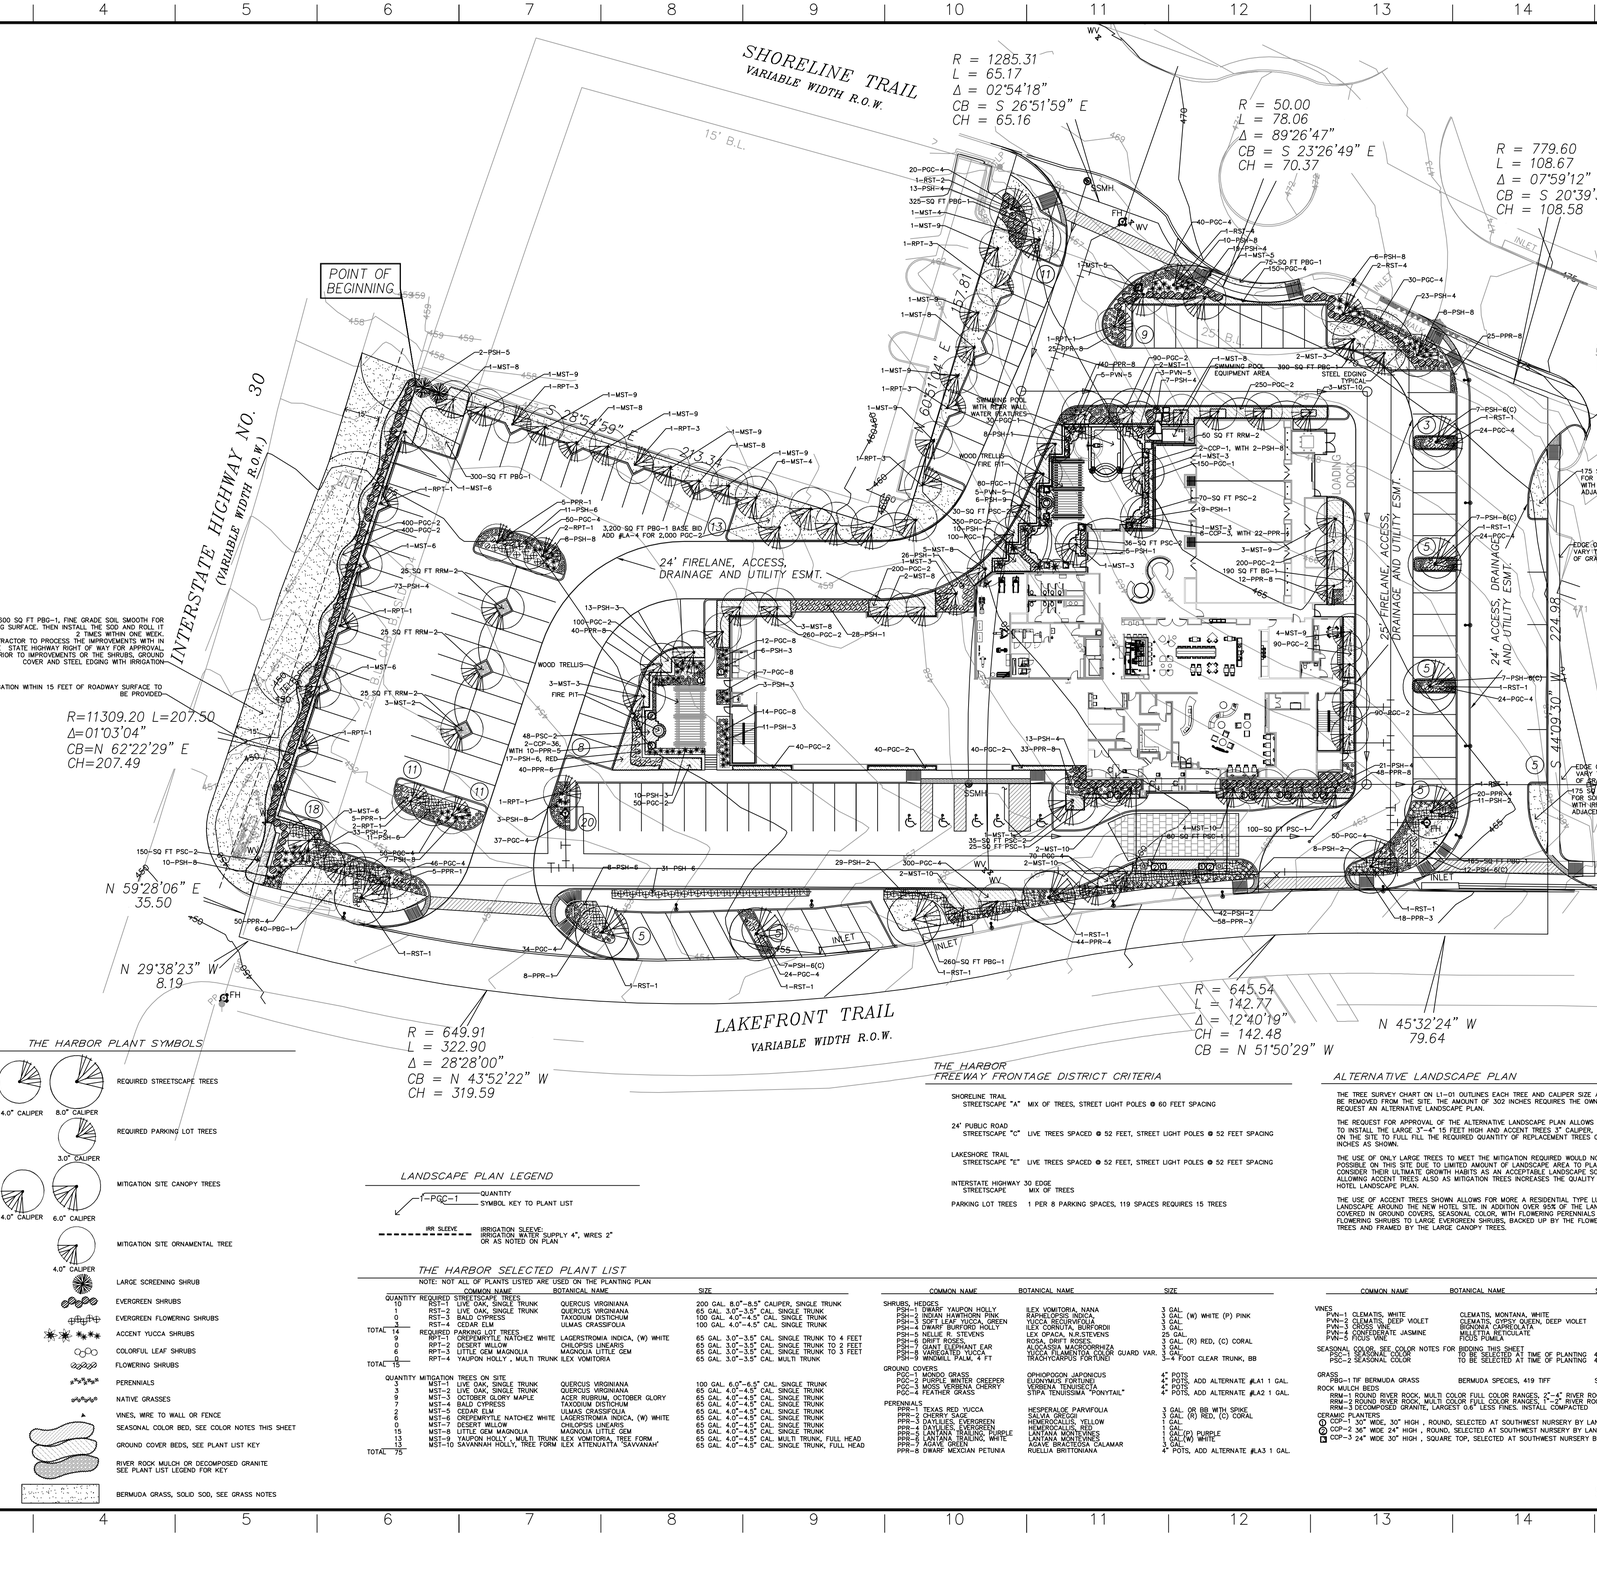
1. CONTRACTOR SHALL BE RESPONSIBLE FOR BEING FAMILIAR WITH ALL UNDERGROUND UTILITIES, PIPES, AND STRUCTURES. CONTRACTOR SHALL TAKE SOLE RESPONSIBILITY FOR ANY COST INCURRED DUE TO DAMAGE OF SUCH UTILITIES.
2. CONTRACTOR SHALL NOT WILLFULLY PROCEED WITH CONSTRUCTION AS DESIGNED WHEN IT IS OBVIOUS THAT UNKNOWN OBSTRUCTIONS, AND/OR GRADE DIFFERENCES EXIST THAT MAY NOT HAVE BEEN KNOWN DURING DESIGN. SUCH CONDITIONS SHALL BE IMMEDIATELY BROUGHT TO THE ATTENTION OF THE LANDSCAPE ARCHITECT AT (972)869-3535. THE CONTRACTOR SHALL ASSUME FULL RESPONSIBILITY FOR ALL NECESSARY REVISIONS DUE TO FAILURE TO GIVE SUCH NOTIFICATION.
3. CONTRACTOR IS RESPONSIBLE FOR ANY COORDINATION WITH GENERAL CONTRACTOR AND SUBCONTRACTORS AS REQUIRED TO ACCOMPLISH PLANTING OPERATIONS.
4. IF CONFLICTS ARISE BETWEEN SIZE OF AREAS AND PLANS, CONTRACTOR IS TO CONTACT LANDSCAPE ARCHITECT FOR RESOLUTION. FAILURE TO MAKE SUCH CONFLICTS KNOWN TO THE LANDSCAPE ARCHITECT WILL RESULT IN CONTRACTOR'S LIABILITY TO RELOCATE THE MATERIALS.
5. ALL PLANT MATERIAL SHALL BE APPROVED BY THE LANDSCAPE ARCHITECT AND OWNER PRIOR TO INSTALLATION.
6. FINAL LOCATION OF ALL PLANT MATERIAL SHALL BE SUBJECT THE APPROVAL OF THE LANDSCAPE ARCHITECT AND OWNER. LOCATIONS TO CONFORM TO THE PLANS AS CLOSELY AS POSSIBLE.
7. CONTRACTOR SHALL NOTIFY LANDSCAPE ARCHITECT 48 HOURS PRIOR TO COMMENCEMENT OF WORK TO COORDINATE PROJECT INSPECTION SCHEDULES. SEE SPECIFICATIONS FOR OBSERVATION SCHEDULES.
8. CONTRACTOR IS RESPONSIBLE FOR MAINTAINING ALL SHRUB AND GROUND COVER AREA IN A WEED-FREE, DEBRIS-FREE, AND BERMUDA-FREE CONDITION. ALL BERMUDA SHALL BE DUG OUT BY THE ROOTS AND REMOVED FROM SITE.
9. ALL PLANTING AREA SHALL SLOPE AWAY FROM BUILDINGS TOWARDS THE AREA DRAINS AT ADMINIMUM SLOPE.
10. FINISH GRADE SHALL BE 1" BELOW FINISH PAVING SURFACE IN ADJACENT LAWN AREA AND 2" IN SHRUB AREAS. SOME SOIL EXCAVATION MAY BE REQUIRED TO ACCOMPLISH FINISH GRADE. (SEE SOIL PREPARATION SPECIFICATIONS.)
11. GROWN OF AL PLANT ROOT SYSTEMS SHALL BE SLIGHTLY HIGHER AFTER SETTLING ADJACENT SOIL.
12. TREE STAKING AND GUYING METHODS, TO CONFORM TO SITE AESTHETIC STANDARDS.
   RESPONSIBLE FOR THE TREE'S STABILITY FOR THE DURATION OF THE GUARANTEE PERIOD.
13. SHRUBS, GROUND COVERS, AND SEASONAL COLOR SHALL BE TRIANGULARLY SPACED AT SPAN SHOWN ON PLANT LIST AND SHALL RECEIVE A 2" LAYER OF LAYER OF MULCH.
14. ALL GROUND COVERS TO BE HELD BACK 12' FROM EDGE OF SHRUB PLANTING AREAS AND 6" FROM EDGE OF PAVING. ALL PLANTING BEDS TO BE DIVIDED FROM SOD WITH STEEL EDGING, TYPICAL.
15. SEASONAL COLOR WILL BE SELECTED BY THE LANDSCAPE ARCHITECT PRIOR TO THE INSTALLATION TIME. OWNER MAY SELECT COLOR FOR EACH SEASON TO FOLLOW.
16. TREES SHALL BE PLANTED A MINIMUM OF 5' FEET FROM WALLS, HEADERS, WALKS, AND STAKED TREES WITHIN THE PROJECT AND CONFORM TO THE SITE AESTHETIC STANDARDS. IF CONFLICTS THEN CONTACT LANDSCAPE ARCHITECT FOR RESOLUTION. FAILURE TO MAKE SUCH CONFLICTS KNOWN TO THE LANDSCAPE ARCHITECT WILL RESULT IN CONTRACTOR LIABILITY TO RELOCATE THE MATERIALS.
17. SLOPE AREA SHALL NOT HAVE PLANTING INSTALLED UNTIL ALL GULLIES TO BE HAVE FILLED IN WITH ADJACENT SOIL AND COMPACTED.
18. LANDSCAPE CONTRACTOR TO RECEIVE SITE GRADED +/- .10 OF 1' OF FINISHED GRADE.
19. IT IS THE CONTRACTORS RESPONSIBILITY TO FURNISH PLANT MATERIALS FREE OF PEST OR PLANT DISEASE. IT IS THE CONTRACTORS OBLIGATION TO WARRANTY ALL PLANT MATERIAL FOR 365 DAYS FROM FINAL COMPLETION DATE.
20. STEEL EDGING SEE NOTES THIS SHEET.

NOTE
1. STEEL EDGING IS REQUIRED TO BE INSTALLED SO THAT THE HEIGHT OF THE STEEL EDGING IS NO GREATER THAN THE HEIGHT OF ADJACENT FRESHLY MOWED GRASS. (EDGING IS NOT INTENDED TO BE A VISUAL COMPONENT OF THE LANDSCAPE NOR TO HOLD BACK PLANTING BEDS BUT TO SEPARATE LAWN AREAS FROM PLATING BEDS FOR THE PURPOSE OF PREVENTING, E.G. BY REGULAR WEEDEATER TRIMMING, GRASS FROM ENTERING THE PLANTING BED.) AS A RULE OF THUMB, EDGING SHOULD BE INSTALLED PRIOR TO SODDING AT A HEIGHT NO GREATER THAN TWO INCHES (2") ABOVE FINISHED UNSODDED GRADE.

LANDSCAPE IRRIGATION WARRANTEE

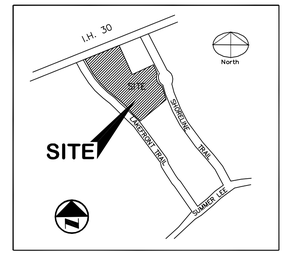
1. LANDSCAPE CONTRACTOR SHALL WARRANTEE ALL PLANT MATERIAL FOR A PERIOD OF ONE YEAR FROM TIME OF FINAL ACCEPTANCE AND PAYMENT OF THE COMPLETED WORK.
2. IRRIGATION SYSTEM SHALL BE WARRANTED FOR ONE YEAR PARTS AND LABOR FOR NEW ITEMS.

IRRIGATION AFFIDAVIT



ALL REQUIRED LANDSCAPE AREAS SHALL BE PROVIDED WITH AN AUTOMATIC UNDERGROUND IRRIGATION SYSTEM WITH RAIN AND FREEZE SENSORS AND EVAPOTRANSPORATIVE (ET) WEATHER BASED CONTOLLERS AND SAID IRRIGATION SYSTEM SHALL BE DESIGNED BY A QUALIFIED PROFESSIONAL AND INSTALLED LICENSED IRRIGATOR.

CITY OF ROCKWALL MAINTENANCE NOTE;



MAINTENANCE: THE CURRENT OWNER AND SUBSEQUENT OWNERS OF THE LANDSCAPED PROPERTY, OR MANAGER OR AGENT OF THE OWNER, SHALL BE RESPONSIBLE FOR MAINTENANCE OF ALL THE LANDSCAPED AREAS AND MATERIALS, REQUIRED BUFFER YARD AREAS AND MATERIALS AND REQUIRED SCREENING MATERIALS. SAID AREAS MUST BE MAINTAINED O AS TO PRESENT A HEALTHY, NEAT AND ORDERLY APPEARANCE AT ALL TIMES AND SHALL BE KEPT FREE OF REFUSE AND DEBRIS. MAINTENANCE WILL INCLUDE REPLACEMENT OF ALL DEAD PLANT MATERIAL IF THAT MATERIAL WAS USED TO MEET THE REQUIREMENTS OF THE UDC. ALL SUCH PLANTS SHALL BE REPLACED WITHIN (6) SIX MONTHS OF NOTIFICATION, OR BY THE NEXT PLANTING SEASON, WHICH EVER COMES FIRST. A PROPERTY/HOMEOWNERS ASSOCIATION MAY ASSUME RESPONSIBILITY FOR MAINTENANCE OF COMMON AREAS.

ROOT BARRIERS AT UTILITIES AND PAVING EDGES

1. NO TREE SHALL BE PLANTED WITHIN 5 FEET OF ALL UTILITIES WATER, SEWER, ELEC, CABLE, STORM, ECT.
2. ROOT BARRIERS ARE REQUIRED ON ALL TREES WITHIN UTILITY EASEMENTS AND AT EDGE OF PAVING WITHIN 5 FEET. PROVIDE ON ALL TREES SHOWN, UNLESS NOTED
3. DEEP ROOT BARRIERS, 1-800-458-7668, INSTALL UB-48-2 PER SPECIFICATIONS AT EACH TREE ON SIDE OF PAVING OR UTILITY. INCLUDE 4" WIDE TRENCH OF 3/4" DRAIN GRAVEL ON OUT SIDE OF BARRIER, 24" DEEP. BARRIER TO EXTEND 1" ABOVE GRADE.

SHORELINE TRAIL STREETSCAPE "A"	MIX OF TREES, STREET LIGHT POLES @ 60 FEET SPACING
24' PUBLIC ROAD STREETSCAPE "C"	LIVE TREES SPACED @ 52 FEET, STREET LIGHT POLES @ 52 FEET SPACING
LAKESHORE TRAIL STREETSCAPE "E"	LIVE TREES SPACED @ 52 FEET, STREET LIGHT POLES @ 52 FEET SPACING
INTERSTATE HIGHWAY 30 EDGE STREETSCAPE	MIX OF TREES
PARKING LOT TREES	1 PER 8 PARKING SPACES, 119 SPACES REQUIRES 15 TREES

ALTERNATIVE LANDSCAPE PLAN

THE TREE SURVEY CHART ON L1-01 OUTLINES EACH TREE AND CALIPER SIZE AND TYPE TO BE REMOVED FROM THE SITE. THE AMOUNT OF 302 INCHES REQUIRES THE OWNER TO REQUEST AN ALTERNATIVE LANDSCAPE PLAN.

THE REQUEST FOR APPROVAL OF THE ALTERNATIVE LANDSCAPE PLAN ALLOWS THE OWNER TO INSTALL THE LARGE 3"-4" 15 FEET HIGH AND ACCENT TREES 3" CALIPER, 15 FEET HIGH ON THE SITE TO FULL FILL THE REQUIRED QUANTITY OF REPLACEMENT TREE CALIPER INCHES AS SHOWN.

THE USE OF ONLY LARGE TREES TO MEET THE MITIGATION REQUIRED WOULD NOT BE POSSIBLE ON THIS SITE DUE TO LIMITED AMOUNT OF LANDSCAPE AREA TO PLANT THEM AND CONSIDER THEIR ULTIMATE GROWTH HABITS AS AN ACCEPTABLE LANDSCAPE SOLUTION. ALLOWING ACCENT TREES ALSO AS MITIGATION TREES INDREASES THE QUALITY OF THE NEW HOTEL LANDSCAPE PLAN.

THE USE OF ACCENT TREES SHOWN ALLOWS FOR MORE A RESIDENTIAL TYPE LUSH LANDSCAPE AROUND THE NEW HOTEL SITE. IN ADDITION OVER 95% OF THE LANDSCAPE IS COVERED IN GROUND COVERS, SEASONAL COLOR AND SHRUBS AND MEDIUM FLOWERING SHRUBS TO LARGE EVERGREEN SHRUBS, BACKED UP BY THE FLOWERING ACCENT TREES AND FRAMED BY THE LARGE CANOPY TREES.

FREEWAY FRONTAGE SUBDISTRICT

The intent of the Freeway Frontage subdistrict is to provide mid-size retail anchors with high visibility that can contribute to the creation of a vibrant, pedestrian oriented character within the Harbor District and the existing Harbor development. Prime views and access from Interstate 30 combined with storefront presence along the main pedestrian and vehicular corridor within the district make this subdistrict an ideal location for retail anchors. Existing slopes within this subdistrict are in the 3% - 6% range.

Building Placement

Build-to-line (Distance from R.O.W. line)

Street Type C	3'
Street Type E	7'

Setback (Distance from R.O.W. line)

Street Type A	5'
Street Type H	10'
Interstate 30 Frontage	250'

Building Form

Street Type C block face must have a minumum of 90% of its length defined by a building façade.
Street Type E block face must have a minumum of 80% of its length defined by a building façade.

Street Type C façade built to BTL	45%	min.
Street Type E façade built to BTL	45%	min.

Remaining façade must be no less than 2' and no greater than 12' from the BTL.

Maximum Lot Coverage 30%

Notes
When an abutting property with an existing building has windows facing to the side, any new building shall provide at least 10 feet of separation.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **February 6, 2015**

SUBJECT: **84th Session of the Legislature**

The 84th Session of the Texas Legislature is currently in progress, and, as of February 1, over 400 bills have been filed that may impact municipal operations. According to Representative Turner's office, over 7,000 bills have been drafted and are waiting to be filed. These bills are currently in the Legislative Council review process. The filing deadline is March 13.

The Texas Municipal League (TML) is currently monitoring bills that may have an impact on local government operations. They send an electronic update each week noting any new bills that have been filed. TML employs a small team of lobbyists to protect the interests of their member cities.

From reviewing the city-related filed bills, there appears to be several bills filed related to transportation funding, gun rights, property and sales tax exemptions and elections.

After a review of the bills being watched by TML, several bills have a potential impact to the City of Rockwall. Of those, I have pulled a sample of bills that the Council may have an interest in taking a particular position on and take an action to oppose or support through a resolution or other formal action.

HB 133: The bill would repeal the additional property taxes imposed as a result of certain changes in the use of open-space land appraised as agricultural land. This bill, if passed, would eliminate the roll back taxes on land that changes from agricultural to SF or commercial.

HB 957: The bill would reduce the property tax appraisal cap on residence homesteads from ten to five percent.

SB 182: This bill would: (1) lower the property tax rollback rate from eight percent to four percent, with an exception for a city located in an area declared a disaster area by the governor or president of the United States during the current tax year; and (2) provide that a city must hold a ratification election to adopt a tax rate that exceeds the four-percent rollback rate (as opposed to current law, which only requires an election if a petition is received from the citizens).

HB 82: This bill would repeal the state law prohibiting the state comptroller from crediting to the Parks and Wildlife Department or the Texas Historical Commission any amount of taxes imposed on the sale of sporting goods in excess of the amounts appropriated to the department or commission, respectively. Currently, the law reads that all sales tax proceeds from the sale of sporting goods shall be credited to the TPWD and the THC subject to appropriations. This bill would credit 94% of the revenue of the sales tax from the sale of sporting goods to the TPWD which would allow for additional grant opportunities for local park projects.

HB 158: Very similar to HB 82, this bill would repeal the state law prohibiting the state comptroller from crediting to the Parks and Wildlife Department or the Texas Historical Commission any amount of taxes imposed on the sale of sporting goods in excess of the amounts appropriated to the department or commission, respectively.

HB 283: This bill would: (1) require a home-rule city with a population of 50,000 or more: (a) to make a video and audio recording of reasonable quality of each regularly scheduled open meeting that is not a work session or a special called meeting, and make available an archived copy of such recording on the Internet; (b) to make the archived recording described in (a), above, available on an existing Internet site, which could be a publicly accessible video-sharing or social networking site; (c) to make available, in a conspicuous manner, on an Internet site that the city maintains the archived recording described in (a), above, or a link to the archived recording; (d) to make the archived recording described in (a), above, available on the Internet not later than seven days after the recording was made and maintain the archived recording on the Internet for not less than two years after the date the recording was first made available; and (e) to comply with the requirements in (b)-(d), above, unless the required recording cannot be made as the result of a catastrophe or technical breakdown, after which the city must make all reasonable efforts to make the required recording available in a timely manner; and (2) authorize a home-rule city with a population of 50,000 or more to broadcast a regularly scheduled open meeting on television. Although many municipalities currently broadcast their public meetings, if passed, this would be an unfunded mandate and previous discussions regarding this subject indicated a fairly high cost to produce these broadcasts in a manner in which would provide the quality we may expect.

HB 814: This bill would provide that: (1) a governmental body that is required by law to post notice of a meeting in a newspaper may instead post notice of the meeting on the Internet; and (2) a government body that is required by law to post notice of a meeting on the Internet is not required to post notice in a newspaper.

HB 342: This bill would abolish a building permit fee on the tenth anniversary after the date the fee is adopted (or reauthorized) unless the city council holds a public hearing on the reauthorization of the fee and reauthorizes the fee by a majority vote of the city council. In 2014, the City of Rockwall collected over $720,000 in Building Permit fees.

HB 359: This bill would provide that if a city fails or refuses to disannex an area pursuant to a petition alleging failure to provide services, a district court shall enter an order disannexing the area if the court finds that a valid petition was filed with the city and that the city failed to perform its obligations in accordance with the service plan or the state law governing provision of services. (Note: This bill would overturn a Supreme Court of Texas decision in favor of the City of Bryan.)

SB 178: This bill would: (1) prohibit a state agency, political subdivision, or a corporation created by a governmental entity from taking private property through the use of eminent domain if the taking is for a recreational purpose, including a parks and recreation system or a specific park, greenbelt, or trail; and (2) provide that the determination by the entity proposing to take the property that the taking does not involve an act or circumstance prohibited by the bill does not create a presumption with respect to whether the taking involves that act or circumstance. Currently, that control lies with the local political subdivision.

SB 360: This bill would make most city regulations subject to the Private Real Property Rights Preservation Act, which would: (1) waive sovereign immunity to suit and liability for a regulatory taking; (2) authorize a private real property owner to bring suit to determine whether the governmental action of a city results in a taking; (3) require a city to prepare a "takings impact assessment" prior to imposing certain regulations; and (4) require a city to post 30-day's notice of the adoption of most regulations prior to adoption.

The bill would also define a "taking" as: (1) a governmental action or series of actions within a 10-year period that: (a) affects private real property, in whole or in part or temporarily or permanently, in a manner that requires the governmental entity to compensate the private real property owner as provided by the federal or state constitutions, (b) affects an owner's private real property that is the subject of the governmental action, in whole or in part or temporarily or permanently, in a manner that restricts or limits the owner's right to the property that would otherwise exist in the absence of the governmental action, and is the cause of a reduction of at
least 20 percent in the market value of the affected private real property; or (b) is the producing cause of at least a 20 percent reduction of revenue or income from the use or sale of the affected real private property, determined by comparing the revenue or income from the use or sale of the property as if the governmental action is not in effect and the revenue or income from the use or sale of the property determined as if the governmental action is in effect;

The bill would also: (1) remove numerous exceptions to the law that would otherwise exempt a city from the Act; (2) extend the statute of limitations for a claim under the Act from 180 days to two years; (3) change the current remedies in the Act to allow for a property owner to seek invalidation of the governmental regulation and money damages from the governmental entity that imposes the regulation; (4) a judgment or final decision or order under the Act shall include a fact finding that determines the monetary damages suffered by the private real property owner as a result of the taking, including, if the governmental action has ceased or has been rescinded, amended, invalidated, or repealed, the temporary or permanent economic loss sustained by the private real property owner while the governmental action was in effect; (5) require a city to give 30 days' notice of any proposed ordinance or rule that could result in a taking of private real property; (6) provide that a court shall award a governmental entity that prevails in a suit or contested case filed under the Act reasonable and necessary attorneys' fees and court costs, but only if the court determines that the private real property owner knew that the suit or contested case had no merit at the time the owner filed the suit; and (7) provide that a proposed governmental action that requires a takings impact assessment may be stayed by a court if an assessment is not prepared or if the assessment is not in compliance with guidelines developed by the attorney general under the Act.

HB 174: This bill would require a city, a state agency, and vendors of state agencies to adopt a living wage policy that would require a city, state agency, or vendor to pay the greater of $10.10 per hour or the federal minimum wage.

HB 630: This bill would: (1) require a governmental entity, including a city, to enroll in e-verify for its employees; (2) require the immediate termination of an employee responsible for verifying employment information through e-verify if they fail to comply with this requirement; and (3) create a license suspension process, including for city licenses, for businesses that knowingly employ a person not lawfully present in the United States.

HB 579: This bill would require a peace officer to complete an animal encounter and behavior training program established by the Texas Commission on Law Enforcement: (1) not later than the second anniversary of the date the officer is licensed or the date the officer applies for an intermediate proficiency certificate, whichever date is earlier; or (2) in any case by September 1, 2017. This may be a good training for our officers to have, but it is a potentially unfunded mandate at this time.

HB 309: This bill would incrementally increase the state's gas tax from 20 to 30 cents by 2018, and would thereafter index annual increases or decreases to the highway cost index.

HB 469: This bill would provide that, beginning in increments in 2017 and completed in 2026, the revenue derived from the state sales tax imposed on the sale of a motor vehicle sold in this state shall be deposited to the credit of the state highway fund.

HB 928: This bill would: (1) require retail public water suppliers that provide potable water service to 3,300 or more connections to include, in each drought contingency plan submitted to the TCEQ, an evaluation of the effectiveness of strategies in the plan that were implemented during any period of significant drought that occurred in the preceding five years; (2) require a public water supplier to notify TCEQ not later than the fifth business day after the date the supplier implements, changes the manner of implementing, or ceases to implement a mandatory provision of the supplier's drought contingency plan; and (3) task the Water Conservation Advisory Council with recommending methodologies for conducting drought contingency plan evaluations. (Companion bill is S.B. 329 by Hinojosa.)

HJR 61: This bill would amend the Texas Constitution to provide that the people have the right to hunt, fish, and harvest wildlife, including by the use of traditional methods, subject to laws or regulations to conserve and manage wildlife and preserve the future of hunting and fishing. (Note: this bill would likely eliminate a city's ability to regulate the discharge of firearms.):

Although these are just a small fraction of the bills filed thus far in the session, the Council may elect to take a position on these bills and others. The Council may also consider whether it may be beneficial to secure additional lobbying support in addition to the TML lobbying program. We have received a proposal from Capitol Insights to serve as a consultant in the legislative session and to serve our needs for government relations during the session. They have proposed a fee of $2,000 per month for the remainder of the session. Capitol Insights was the same firm we used in the 82nd Session to seek passage of the bill related to the investor owned utilities. A copy of the proposal is attached for your review.

CAPITOL-INSIGHTS

LEGISLATIVE AND BUSINESS CONSULTING

LEGISLATIVE and BUSINESS CONSULTANT RETAINER

The Client (City of Rockwall, Texas) agrees to employ the Consultant (Capitol-Insights) for a fee of Two thousand dollars ($2,000.00) per month beginning February 1, 2015 and ending June 30, 2015 for the performance of government relations and political consulting services indicated and described herein.

I. The Consultant accepts such employment and payment and agrees to provide political data, and input in respect to legislative decisions affecting the Client. The services will include consultation with the Client on legislative and government relation matters.

II. The Consultant's work shall be carried out in accordance with general policies and goals set by the Client and the Consultant shall coordinate his efforts with the Client and report to the Client on a periodic basis.

III. The file and work product materials of the Client will be maintained in the Consultant's regular offices.

IV. The Client shall pay to the Consultant as compensation for services the sum of two thousand dollars ($2,000.00) per month

V. It is understood between parties that this Agreement includes all services regarding governmental and business consultation provided by Consultant during the term of the Agreement and as needed by the Client.

This Agreement made this 16th day of February, 2015 by and between Consultant and Client terminates June 30, 2015.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Mayor and City Council**

FROM: **Rick Crowley, City Manager**

DATE: **February 11, 2015**

SUBJECT: **Agenda Item Submitted by Councilmember Milder**

Council Member Milder has requested that an item to discuss conducting a Citizen Survey be placed on the agenda. His memorandum on the subject is attached, and I am certain that he will want to address the item at the meeting.

I have included a copy of the 2011 Citizen Survey (conducted by mail) for your reference.

February 10, 2015

To: Rick Crowley
City Manager

From: Scott Milder
Councilmember

Subject: Public Opinion Survey

Let's place an item on the agenda to discuss and consider taking action on authorizing staff to conduct a public opinion survey this spring so that we have results prior to budget planning this summer. I believe a thorough, objective, scientific survey assessing citizen attitudes, priorities, and concerns will help us make better-informed, more strategic decisions.

If Council chooses, I recommend establishing a budget of $25,000 to retain a public opinion research firm that will execute an effective survey with the most *operable* results. Please note that hard costs associated with a survey, such as printing and postage, would be an additional expense since we do not yet know the size of the survey universe, length of the survey, or medium(s).

Following are a few of the reasons why an annual customer survey is so important.

1. Conducting an annual survey of our population creates an opportunity for anyone to be heard who wants to be heard.
2. Conducting an annual survey demonstrates the genuine desire of city leadership to connect with its citizenry.
3. Conducting an annual survey allows the City to gauge what's important to its citizens, and conversely, what's not important. It allows city management to align its priorities with the wishes of its residents by collecting and analyzing unbiased survey data. By analyzing results, the City can address topics in order of importance, rather than waste time and valuable resources on areas of little or no concern.
4. Conducting an annual survey is an un-biased strategy intended to feed the decision-making process. These survey results would help reduce some of the uncertainty city leaders may have when making decisions.
5. Conducting an annual survey would allow the city to adapt its management practices annually, when necessary, as the City continues to grow and evolve.
6. Conducting an annual survey is one of the most foundational elements of any effective community relations program.
7. Conducting an annual survey is a starting point for conversation with citizens about pressing issues facing city leadership, and serves as an invitation to participate in further discussion via live meetings or social media.
8. Conducting an annual survey informs residents about the challenges facing city leaders.
9. Conducting an annual survey will lead the City more strategically toward its goals and objectives.
10. Conducting an annual survey casts a wide net over the entire citizenry. No matter how much each Councilmember thinks they know what's on the minds of their citizens, each of their circles of connections fall far short of a representative sample of the entire city population.

2011 ROCKWALL CITIZEN SURVEY

Mission statement: "…. To provide responsible leadership and the services and infrastructure necessary for a safe environment and a high quality of life for our citizens."

Instructions: Ongoing input from citizens is critical to measuring the city's success. The Mayor and City Council request your help in completing this important survey. Please complete one questionnaire per family. For each question, check the box that is closest to your opinion. Check only one box per question unless instructions say, "Check all that apply." Please return the completed questionnaire to City Hall, or mail it in the enclosed envelope to: Raymond Turco & Associates, Rockwall Citizen Survey, P.O. Box 1386, Rockwall, TX 75087 by March 30, 2011. Please attach a sheet of paper for any additional written comments. Should you have any questions, please contact Joey Boyd at (972) 772-6408 or Jboyd@rockwall.com. Thank you for your help.

Rockwall, Texas

Proclamation

Whereas, each year brings potential for violent weather in Texas, and

Whereas, large portions of our state, including Rockwall and the surrounding areas, are at risk of experiencing significant flooding, tornadoes, hail, windstorms and other emergencies, and

Whereas, each year, the Governor's Division of Emergency Management, the National Weather Service and the Federal Emergency Management Agency join together to urge citizens to prepare for severe weather events, including educating themselves on safety strategies, and

Whereas, Governor Greg Abbott has declared the week of March 1-7, 2015 as Severe Weather Awareness Week in Texas,

Now, Therefore, I, Jim Pruitt, Mayor of the City of Rockwall, Texas, do hereby proclaim the week of March 1 – 7, 2015 as

SEVERE WEATHER AWARENESS WEEK

in the City of Rockwall and urge citizens to learn more about severe weather and prepare themselves and their families in advance for these types of events.

In Witness Whereof, I hereunto set my hand and official seal this 2nd day of March, 2015.

II. WORK SESSION

1. Hold Work Session to discuss the acquisition of portable furniture for San Jacinto Plaza, and take any action necessary.

City Manager Rick Crowley provided brief, introductory comments related to this work session item, indicating that Parks & Recreation staff has included several different portable furniture options in the council members' informational meeting packet for review and consideration. Assistant City Manager Brad Griggs indicated that the City of Dallas utilizes this same company and similar furniture in Clyde Warren Park in downtown. Mayor Pruitt asked where the furniture will be stored. Mr. Griggs indicated that it will mostly be kept out; however, it would be able to be stored at The Center if and when needed. Mr. Crowley indicated he would like the council's feedback concerning who should be involved in selection of furniture for the San Jacinto Plaza. Councilmember Daniels asked if the furniture that has been evaluated is sturdy enough to withstand high winds. Mr. Griggs indicated that, yes, even though it is light weight, it is pretty durable and should be ok. Councilmember Milder expressed concern related to it being left out overnight. Councilmember Hohenshelt suggested that a variety of table sizes be chosen to accommodate both couples and small groups. Mayor Pro Tem Lewis asked if graffiti will come off of the furniture easily. Mr. Griggs indicated that he believes it will come off pretty easily. Lewis expressed that he favors the "Bistro Collection" that is included in the council packet. Mr. Griggs indicated that a combination of two seat tables and four seat tables will likely be selected, and a possible combination of high tops and low tops may be selected. Councilmember White suggested that staff and / or whomever oversees maintenance of the plaza should chose the furniture (possibly staff members Bethany Browning and Andy Hesser). Councilmember White inquired as to the expected lifespan of the furniture. Mr. Griggs indicated it will likely be about five to seven years. The general consensus among council members was to allow staff to choose the furniture. No formal action was taken regarding this agenda item.

2. Hold Work Session to discuss and consider initiating amendment to the Unified Development Code in Article IX. Tree Preservation, Section 11. Tree Fund, Section 11.1 Tree Fund Administration, and take any action necessary.

Mr. Crowley began discussion of this item, indicating that this change is related to how the city uses funds it receives from developers associated with tree mitigation. Assistant City Manager Brad Griggs provided additional comments, indicating that this change would allow for funds received to be used to purchase, not only trees, but also any type of plant material that is not an "annual," such as shrubs and bushes. It would also allow funds to be used to pay for the installation or equipment needed for installation. This change would also allow for funds to be spent on purchase and installation of irrigation systems to keep new plantings alive. He explained that the city has received about $235,000 in tree credit payments in the last several months. City Manager Rick Crowley mentioned that if the city council is ok with this amendment, in general, then staff will run it through the Planning & Zoning Commission for them to evaluate it and submit its recommendation back to the council for formal consideration and action at a later date. The council generally agreed to this, and no formal action was taken related to this agenda item at this time.

3. Hold Work Session to discuss and consider city branding, including updating the city logo, and take any action necessary.

Assistant City Manager Mary Smith provided introductory comments related to this work session item, including rough, preliminary costs associated with changing out the city's logo (i.e. cost associated with things such as facility monument signs, street signs, business cards, vehicle decals, city flags, letterhead, water towers, etc.). She indicated that a rough estimate of cost associated with a logo change is about $367,720.00. Brief comments were provided related to possibly phasing in a new logo should the council opt to move forward with its modification.

Mayor Pruitt indicated that he has reviewed the rendering of the suggested new logo, and he believes it only conveys the 'lake' part of our city and not the peacefulness of it. Mayor Pruitt expressed that he would like the city council to ensure that the proposed, new logo conveys that which the city wishes to convey about itself.

Councilmember Milder expressed that the current logo is dated, and he believes the city's logo and brand should reflect who we are today and what we want to be in the future. He believes that the updated design currently being proposed has a lot of symbolism to it. He feels like it is time for the city to move forward with changing its brand and logo, even if it is not this particular logo currently being circulated.

Councilmember Hohenshelt explained that the thought of a potential logo change and rebranding was birthed out of discussions at the REDC because they were considering new, improved marketing strategies to help better attract businesses to Rockwall. He explained that the REDC board looked at about 25 potential logo designs in consultation with a consultant, Billy Quinton of QBall Designs, before narrowing the options down to this particular one.

Councilmember Daniels expressed that he agrees the city should be looking at rebranding itself. However, he does not see a striking difference in the logo included in the council packet versus the one the city currently utilizes. He generally expressed a desire to have some additional expertise and input from a professional in the business of marketing and branding. He does not disagree that the city may need a new logo and new branding; however, he questions if this particular logo is the most desirable one. He also expressed concern about tying in the colors of the two existing high schools on the

flag of the boat's mast in the draft logo. He believes this will be problematic a few years into the future when a third or fourth high school is opened in the city.

Councilmember Milder clarified that perhaps what Councilmember Daniels would like to see is a consultant who could assist with 'branding' and not just graphic design associated with a logo depiction. Councilmember Daniels generally seemed to agree that 'branding,' including input and thought beyond just a pictorial representation is a good idea. For example, maybe a slogan should be created to go along with a new logo.

Councilmember Hohenshelt indicated that when the REDC began looking at revamping its logo, its main concerns were that the current logo did not communicate that Rockwall is a Texas city, and it did seem like the city's current logo was outdated and needed a new, fresh look.

Mr. Crowley explained that the square version of the city's logo was initially created in about 1983 or so, and it was slightly revamped with updated colors and round instead of a square depiction in about 2003 or 2004.

Mayor Pruitt indicated that he and Councilmember Milder requested this work session item, not necessarily for the purpose of taking any action, but to begin discussions of this topic.

Councilmember Milder suggested that three council members be selected to form a subcommittee of the council in order to further explore this topic.

Councilmember White indicated that he has no problem with the REDC and the city having different logos. He pointed out that not having an updated logo or "brand" has not stopped businesses and residents from coming to and moving to Rockwall. Rockwall has continued to be a very fast growing city, and he believes the city has been doing just fine with the logo it has now.

Councilmember Hohenshelt asked if the city council is generally ok with him reporting to the REDC that they are free to move forward with a new logo and marketing plan if they would like to do so. Council members generally indicated that, yes, doing so will be ok.

Mayor Pruitt indicated that he concludes the city council will, at this point, not proceed with initiating a new city logo. He did offer a suggestion that the REDC consider the concern that Councilmember Daniels pointed out regarding not including the colored flags on the boat's mast, which currently represent the school colors of the city's existing, two high schools.

Mr. Crowley mentioned that, at some point, he would like to have a discussion with the council regarding possible, future strategic planning as well as the city's future marketing strategy.

Following the work session items, Mayor Pruitt read the below listed discussion items into the record before recessing the public meeting into Executive Session at 4:45 p.m.

III. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the city's concession agreement with Suntex Marina / Suntex RHCL Marina, LLC pursuant to Section § 551.071 (Consultation with Attorney)
2. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)
3. Discussion regarding legal claim related to back up of city sewage line in Random Oaks Subdivision pursuant to Section 551.071 (Consultation with Attorney)
4. Discussion regarding Economic Development prospects and potential incentive agreement pursuant to Section 551.087 (Economic Development)

IV. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 5:45 p.m.

V. RECONVENE PUBLIC MEETING

Mayor Pruitt reconvened the public meeting at 6:00 p.m. with all seven city council members present.

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Pro Tem Lewis indicated that no action was needed as a result of Ex. Session.

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER TOWNSEND

Councilmember Townsend delivered the invocation and led the Pledge of Allegiance.

VIII. PROCLAMATIONS / AWARDS

1. Engineers Week

Mayor Pruitt called forth City Engineer, Tim Tumulty, and read and presented him with this proclamation.

IX. CONSENT AGENDA

1. Consider approval of the minutes from the February 2, 2015 regular city council meeting, and take any action necessary.
2. **P2015-003** - Discuss and consider a request by Christopher Orr of Arcadia Lakes of Somerset Holdings, LLC for the approval of a master plat and open space plan for Phases 1 & 2 of the Somerset Park Subdivision, containing 309 single-family residential lots on a 139.354-acre tract of land identified as Tracts 1 & 7 of the A. Johnson Survey,

Abstract No. 123, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 63 (PD-63) for Single Family 10 (SF-10) District land uses, situated within the SH-205 Overlay (SH-205 OV) District, located at the northeast corner of the Intersection of FM-549 and S. Goliad Street (SH-205), and take any action necessary.

3. **P2015-004** - Discuss and consider a request by Christopher Orr of Arcadia Lakes of Somerset Holdings, LLC for the approval of a preliminary plat for Phases 1 & 2 of the Somerset Park Subdivision, containing 309 single-family residential lots on a 139.354-acre tract of land identified as Tracts 1 & 7 of the A. Johnson Survey, Abstract No. 123, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 63 (PD-63) for Single Family 10 (SF-10) District land uses, situated within the SH-205 Overlay (SH-205 OV) District, located at the northeast corner of the Intersection of FM-549 and S. Goliad Street (SH-205), and take any action necessary.

Mayor Pro Tem Lewis made a motion to approve the entire consent agenda (#s 1, 2, and 3). Councilmember White seconded the motion, which passed by a vote of 7 ayes to 0 nays.

X. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

John McCutcheon of the city's Planning and Zoning Commission came forth and briefed the council on recommendations of the Commission relative to items on tonight's council agenda. The council took no action related to this agenda item.

2. Appointment with Police Chief Mark Moeller to hear reports on racial profiling, crime comparison and the holiday crime initiative, and take any action necessary.

Police Chief Mark Moeller came forth, indicating that the council has been provided with the annual racial profiling report in their informational meeting packet. Councilmember White commented that having had approximately 110 people consent to vehicle searches this past year is an astounding number. Chief Moeller then provided brief comments on the crime comparison of statistics of crimes the year before compared to this past year as well as the statistics associated with the department's holiday crime initiative. The Council thanked Chief Moeller for his hard work and took no action related to this agenda item.

XI. PUBLIC HEARING ITEMS

1. **Z2015-001** - Hold a public hearing to discuss and consider approval of an ordinance for a request by James Jackson of Jackson Automotive for the approval of a Specific Use Permit to allow for automotive vehicles to be stored outside overnight in conjunction with an existing minor automotive repair garage on a 0.88-acre parcel of land identified as Lot 2B-2, Block A, Panex LTD Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV)

District, located at 608 White Hills Drive, and take any action necessary. **(1st reading)**

Planning Director Robert LaCroix provided background information related to this agenda item. He mentioned that Mr. Jackson's business has been operating in the city since about 1983, and it was expanded by about 3,000 square feet several years ago. He explained that Mr. Jackson is making this request because sometimes there is a need for customer cars to be parked and stored outside of his business overnight, especially if he is waiting on a part to come in or the customer is unable to come pick up their vehicle right away when it is ready. Twenty-three notices were mailed out to property owners within 500' of the property, and no notice replies have been received back by staff at this time. He explained that the overnight parking would be limited to 18 parking spaces located to the west of the property, and that no car will be parked outside overnight for longer than a forty-eight (48) hour period. The Planning and Zoning Commission unanimously recommended approval of this item.

Mayor Pruitt opened the public hearing and called forth the applicant.

Mr. James Jackson
608 White Hills Drive

Mr. Jackson came forth and explained that any of the vehicles that would be stored overnight will not be able to be seen from passersby.

Mayor Pruitt asked if anyone else would like to come forth and speak. There being no one else wishing to come forth, Mayor Pruitt closed the public hearing.

Councilmember Townsend made a motion to approve Z2015-001. Mayor Pro Tem Lewis seconded the motion.

The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-___
SPECIFIC USE PERMIT NO. S-

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) ALLOWING FOR VEHICLES TO BE STORED OUTSIDE OVERNIGHT IN CONJUNCTION WITH AN EXISTING AUTOMOTIVE REPAIR GARAGE, MINOR WITHIN A COMMERCIAL (C) DISTRICT, BEING A 0.88-ACRE PARCEL OF LAND IDENTIFIED AS LOT 2B-2, BLOCK A, PANEX LTD ADDITION, AND GENERALLY LOCATED AT 608 WHITE HILLS DRIVE, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND MORE SPECIFICALLY DEPICTED IN EXHIBIT 'A'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed unanimously of council (7 ayes to 0 nays).

2. **Z2015-004** - Hold a public hearing to discuss and consider approval of an ordinance for a request by Zack Amick of Gordon Rockwall Investments, LLC on behalf of Keith Young for the purpose of amending Specific Use Permit (SUP) S-107 to allow for a new car dealership on a ten (10) acre tract of land identified as Tract 4-02 and Tract 4 of the N. M. Ballard Survey, Abstract No. 24 and the A. Hanna Survey, Abstract No. 99, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Corridor Overlay (IH-30 OV) District, addressed as 1530 E. IH-30, and take any action necessary. **(1st reading)**

Planning Director Robert LaCroix provided background information related to this agenda item. He generally explained that the SUP will continue to allow the property to be used in conjunction with the current Hyundai dealership while also allowing the applicant flexibility to pursue other brands. The development enhancements would be phased in over a three year period, and the SUP would be reviewed after three years. The first phase would deal with the paving, drainage and detention ponds (engineering). Part two would be to complete the concrete paving area, add some lighting and landscaping. Lastly, the existing building would be remodeled to match the existing Hyundai dealership adjacent to it. Mr. LaCroix indicated that thirty-three notices were sent out to property owners located within 500' of the subject property. One notice was received back today in favor of the request. The Planning & Zoning Commission did recommend approval of this agenda item by a unanimous vote.

Mayor Pruitt opened the public hearing and called the applicant forth.

Zack Amick
1957 Stevens Road
Rockwall, Texas

He indicated that he is requesting this SUP for the primary reason of expanding the business. He explained that they are exploring having another brand come to Rockwall. He explained that the dealership is owned by Mr. Young, who has been in the car dealership business his whole life. It is possible that the higher end product of Hyundai, Genesis, may be brought to this location.

Mayor Pruitt asked if anyone else would like to come forth and speak. There being no one else, Mayor Pruitt then closed the public hearing.

Councilmember Milder asked Mr. Amick what he would do with the property if the SUP were not approved. Mr. Amick expressed that he is unsure what would be done with it if the SUP is not approved. He explained that, prior to it being purchased and opened for a Hyundai dealership, an RV storage and sales business operated out of this property. Mr. Amick explained that Mr. Young, the current owner of the property and the Hyundai dealership, intends to own and operate a car dealership out of this location for a long time into the future.

Councilmember Townsend expressed that it makes him somewhat uneasy to not know what type of car dealership business will eventually end up operating out of this location in future years since the project is being proposed to be phased in over a three-year period.

Mayor Pruitt asked why the city is not requiring the applicant to finish Commerce Street. Mr. LaCroix indicated that, eventually, this may happen as part of the platting process via some sort of facilities agreement. Pruitt asked if the council is able to make this a condition associated with granting this SUP. Mr. Garza indicated that, no, under the law, that may not be included as a condition of the SUP. Pruitt indicated that spreading out car dealerships and not allowing them right next to each other in a way that overloads a certain area of the city is important, especially if car dealerships end up going under years down the road.

Mr. Amick pointed out that there is very little frontage on IH-30 associated with this car dealership. He also pointed out that the twenty-two acres located to the rear of this property is also owned by Mr. Young, and he has plans to develop it with perhaps some office/warehouse space.

Councilmember White made a motion to approve this SUP request (Z2015-004), including staff recommendations. Mayor Pro Tem Lewis seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-XX
SPECIFIC USE PERMIT NO. S-107

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO AMEND SPECIFIC USE PERMIT NO. S-107 TO ALLOW FOR A NEW MOTOR VEHICLE DEALERSHIP ON A TEN (10) ACRE TRACT OF LAND IDENTIFIED AS TRACTS 4 & 4-02 OF THE N. M. BALLARD SURVEY, ABSTRACT NO. 24, AND THE A. HANNA SURVEY, ABSTRACT NO. 99, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 5 in favor with 2 against (Pruitt and Milder).

3. **Z2015-002** - Hold a public hearing to discuss and consider approval of an ordinance for a request by Lawrence H. Ringley of Ringley & Associates, Inc. on behalf of Jill Fisher of Steger Dunhill, LLC for the approval of a Specific Use Permit to allow an automobile rental facility on a 0.215-acre portion of a larger 4.218-acre parcel of land identified as Lot 3, Block A, Steger Towne Crossing, Phase 1 Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, located at 898 Steger Towne Drive, and take any action necessary. **(1st reading)**

Planning Director Robert LaCroix provided background information related to this agenda item. He explained that cars associated with this leasing operation would be cleaned off-site and only minor cleaning, such as vacuuming, would take place. Cars would be stored in the rear of the shopping center suite. Notices were mailed out to fifteen property owners located within 500' of the property, and one notice was received back today in favor. The Planning & Zoning Commission did recommend approval of

this item by a vote of 7 ayes to 0 nays. The Commission discussed the possibility of the company having designated parking spaces in front of the business; however, this is something the business would have to work out with the property management company who owns the shopping center / parking lot.

Mayor Pruitt opened the public hearing and called the applicant forth.

Jeff Wagner
3937 S. 26th Avenue
DFW Airport, Texas

Mr. Wagner came forth and indicated that the company has had Rockwall on its radar for quite a number of years now, and it would like to open a car rental operation at this location, which he feels suits the needs of this car leasing business.

Mayor Pruitt asked if anyone else would like to come forth and speak during the public hearing.

Freddie Jackson
1812 Bristol Lane
Rockwall, TX

Mr. Jackson came forth and expressed concern about the applicant indicating that the cars will not be washed on site.

Mr. Wagner explained that if a car is dirty enough to need an external wash, it will be taken down the road to a car wash that's attached to a gas station. Any vacuuming or minor cleaning will take place behind the building.

There being no one else wishing to come forth and speak, Pruitt then closed the public hearing.

Councilmember white made a motion to approve Z2015-002 with staff recommendations. Mayor Pruitt seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-___
SPECIFIC USE PERMIT NO. S-

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) ALLOWING FOR AN AUTOMOBILE RENTAL FACILITY, WITHIN A COMMERCIAL (C) DISTRICT, BEING A 0.215-ACRE PORTION OF A LARGER 4.218-ACRE PARCEL OF LAND IDENTIFIED AS LOT 3, BLOCK A, STEGER TOWNE CROSSING, PHASE 1 ADDITION, AND GENERALLY LOCATED AT 898 STEGER TOWNE DRIVE, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A

SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 7 ayes to 0 nays.

4. **Z2015-003** - Hold a public hearing to discuss and consider approval of an ordinance for a request by Cole Franklin of the Skorburg Company on behalf of the owner Larry Hance for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 7 (SF-7) and General Retail (GR) District land uses for a 44.56-acre tract of land identified as Tract 3 of the T. R. Bailey Survey, Abstract No. 30, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (SH-205 BY-OV) District, located at the northwest corner of FM-552 and John King Boulevard, and take any action necessary [Postponed to the March 2, 2015 City Council meeting.

Mayor Pruitt announced that this item has been postponed to the March 2 city council meeting. No discussion took place at this time, and no action was taken.

XII. ACTION ITEMS

1. Discuss and consider a request from Mr. Richard and Ceci Chancellor to install a 48" tall wrought iron fence in the required front yard located at 705 Pendleton Dr, and take any action necessary.

Building Official Jeffrey Widmer provided brief background information related to this agenda item.

Mayor Pruitt called Mr. Chancellor forth. Mr. Chancellor, 705 Pendleton Drive, came forth and indicated that he would like to build this wrought iron fence in order to keep his grandkids and puppy safe from the dangers of the street in front of his home. He explained that it will be a short, 4' fence, and he shared that the rear of his property is occupied by a swimming pool. He explained that there is a home located at the end of his street that has a similar wrought iron fence in its front yard.

Mr. Widmer indicated that the other home is nine houses away from Mr. Chancellor's home, and the variance granting the front yard fence was permitted in 2011. Mr. LaCroix indicated that, as he recalls, that particular variance was granted in April of 2011 to secure a dog.

Mayor Pruitt asked if there is any requirement for neighbors to be notified. Mr. LaCroix indicated that as long as the front yard fence is kept to no more than 4' tall, then neighbors do not have to be notified.

Councilmember White made a motion to grant permission for a 48" tall, wrought iron front yard fence. Mayor Pro Tem Lewis seconded the motion. Councilmember Daniels generally expressed that he believes other front yard fences have been allowed by council in the past due to retaining walls being present and in order to rectify safety-related concerns. He generally expressed concern about granting permission for this front yard fence, as he cannot imagine that neighbors would really be okay with it. Councilmember Milder expressed concern granting permission for this front yard fence

as well. He is uncomfortable with the idea of a dog being out in the front yard and is concerned that precedent may have already been set with the granting of a front yard fence back in 2011 on the same street. Councilmember Hohenshelt asked if Mr. Chancellor has spoken to his neighbors about his desire to build this front yard fence. Mr. Chancellor expressed that he has not, that one of his neighbors just moved in a day or two ago, and the other neighbor moved in about one-and-a-half months ago.

After clarifying comments, the motion on the floor (to approve the front yard fence) passed by a vote of four in favor and 3 against (Pruitt, Milder and Daniels).

2. **Z2014-040** - Discuss and consider approval of an ordinance for a request by Cameron Slown of FC Cuny Corporation on behalf of Tom Kirkland of Tekmak Development Company for the approval of a Specific Use Permit (SUP) for a hotel on a 2.968-acre tract of land identified as Lot 3A, Block A, Shoreline Plaza Addition and Lot 1-1, Block A, Henry Africa Subdivision, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the IH-30 Overlay (IH-30 OV) District, located at the southeast corner of the intersection of the IH-30 Frontage Road and Lakefront Trail, and take any action necessary. **(2nd Reading)**

Mayor Pruitt made a motion to table this item until the next regularly scheduled city council meeting. Councilmember Lewis seconded the motion, which passed by a vote of 7 ayes to 0 nays.

3. **SP2014-034** - Discuss and consider a request by Cameron Slown of FC Cuny Corporation on behalf of Tom Kirkland of Tekmak Development Company for the approval of waivers to Planned Development District 32 (PD-32) [Ordinance No. 10-21] and variances to the Unified Development Code associated with a site plan for a hotel on a 2.968-acre tract of land identified as Lot 3A, Block A, Shoreline Plaza Addition and Lot 1-1, Block A, Henry Africa Subdivision, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the IH-30 Overlay (IH-30 OV) District, located at the southeast corner of the intersection of the IH-30 Frontage Road and Lakefront Trail, and take any action necessary.

Mayor Pruitt made a motion to table this item until the next regularly scheduled city council meeting. Councilmember Daniels seconded the motion, which passed unanimously (7 ayes to 0 nays).

4. Discuss and consider various bills being proposed in the 84th Texas State Legislative Session and consider authorizing the City Manager to enter into an agreement with Capitol Insights for support in monitoring this legislative session, and take any action necessary.

Mr. Crowley provided brief background information related to this agenda item. Councilmember Townsend asked for clarification regarding if Capitol Insights would only be monitoring the session on our behalf or if they would also be doing some lobbying too. Mr. Crowley indicated that this agreement would be limited to the company monitoring proposed bills, and it would not include lobbying services on the city's behalf. Mayor Pruitt pointed out that the legislative session is roughly 1/3 of the way

through at this point. Pruitt indicated that a few of the bills that are being monitored by the TX Municipal League (TML) are being watched because TML is opposed to them; however, he would actually be in favor of lobbying in favor of some of them.

Councilmember Hohenshelt asked how staff would be fielding information to and from the council concerning bills that have been proposed. In other words, how would staff and the company be gleaning insight from the city council concerning its position on certain bills. Mr. Crowley indicated that staff would be periodically approaching the council to find out its stance on certain bills.

Mayor Pruitt expressed he believes TML does a good job of keeping the city informed. He is therefore not in favor of spending taxpayer money to monitor issues the city can monitor on its own. However, if the city has opposing viewpoints contrary to TML's stance on certain bills, he may be in favor of the city hiring a lobbyist to speak on the city's behalf. After the brief discussion, no action was taken concerning this agenda item.

5. Discuss and consider initiating a survey for the purpose of soliciting citizen feedback and input regarding city programs and services, and take any action necessary.

Mr. Crowley indicated that conducting a new citizen survey was not necessarily included in the budget this year; however, it could be funded out of the general fund should the council decide to move forward with one. He pointed out that Councilmember Milder requested this agenda item for discussion and consideration, and staff stands prepared to move forward as directed by council.

Councilmember Milder indicated that he would like a survey conducted in order to gain insight as to what citizens like and dislike in order to help the city council members make informed decisions that are most favorable to citizens' wants and desires. Milder indicated a desire to instruct the city manager to begin investigating possible firms to assist with conducting a citizen survey, and he suggested that a survey be conducted annually.

Mayor Pro Tem Lewis asked what the 'return rate' was the last time a citizen survey was conducted. Mr. Crowley indicated that the last return rate was about twelve percent (12%). He asked how much money may have been spent on printing and mailing the past survey. Mr. Crowley indicated that about $25,000 was previously spent. Also, he pointed out that phone surveys are fairly difficult, especially since most people no longer have home phones.

Councilmember White indicated that there is no way he will support conducting a survey. He pointed out that the city council must be willing to take positive, responsive action in response to the feedback it receives, and, a lot of times, action associated with feedback on a survey is not possible (i.e. citizens wanting a Sprouts or a Whole Foods – the council cannot do a lot about this sort of thing). He instead suggested that staff communicate with citizens in other ways in order to glean feedback from them. He has concerns about having such a low return rate (12%), and he believes it is a waste of taxpayer money.

Councilmember Townsend pointed out that, every year, someone on the city council is up for election, and, therefore, every year citizens have a chance to weigh in on their local government and how it is being operated. He believes that city council members are elected for the purpose of listening to their constituents.

Councilmember Daniels asked how many households are in Rockwall. Mrs. Smith indicated that about 14,000 households are in the city. Councilmember Daniels generally indicated mixed feelings about conducting a citizen survey. Mr. Daniels suggested doing a "sample survey" of a limited number of residents to glean feedback that could then, statistically, be applied to residents of the city as a whole. He indicated he worked for the U.S. Census for a while, and he believes a person can make survey results show whatever he wants them to show. He believes surveys do help uncover some helpful information, however, he believes it is important to keep financial costs in mind.

Councilmember Milder indicated he appreciates the opinions of other council members; however, he believes a survey can genuinely be designed in order to gain sound, valuable feedback from citizens to help the council in making future decisions. He generally expressed that he believes there is value in conducting surveys in order to gain objective, real feedback. He suggested that the city needs to be more strategic in considering critical issues facing the city. He pointed out that a very small percentage of citizens show up to vote and elect city council members. However, it is still important to solicit feedback from citizens living in the city even if they don't vote.

Councilmember White indicated that staff should be advising on certain matters, and, if citizens have concerns, they are always welcome and invited to email council members to express such concerns. He believes that the city gets a lot of positive feedback via things such as magazines naming Rockwall one of the greatest places to live.

Councilmember Hohenshelt weighed in indicating that if there were very specific topics that the city council wanted to ask of citizens, then he could maybe see merit in conducting a survey. However, if questions asked were vague in nature, he would not be largely in favor of conducting a survey of that nature.

Mayor Pruitt suggested that strategic planning or citizen surveys may be topics best discussed at council/staff planning retreats. There being no motions made concerning this item, no action was taken.

Mayor Pruitt then called for the meeting to be adjourned (7:42 p.m.).

XIII. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the city's concession agreement with Suntex Marina / Suntex RHCL Marina, LLC pursuant to Section § 551.071 (Consultation with Attorney)
2. Discussion regarding the following legal claim: TF-Harbor LLC v. City of Rockwall, Texas and Rockwall Rental Properties L.P. pursuant to Section 551.071 (Consultation with Attorney)

3. Discussion regarding legal claim related to back up of city sewage line in Random Oaks Subdivision pursuant to Section 551.071 (Consultation with Attorney)

4. Discussion regarding Economic Development prospects and potential incentive agreement pursuant to Section 551.087 (Economic Development)

XIV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

The council did not reconvene in Executive Session following the close of the public meeting agenda.

XV. ADJOURNMENT

The meeting was adjourned at 7:42 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 2nd day of March, 2015.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **February 26, 2015**

SUBJECT: **NEIGHBORHOOD PARK NAMING RESOLUTION – Stone Creek**

According to the Park, Recreation and Municipal Facilities Naming Policy, the procedure for naming park lands is for the Park Board to recommend a name for parks to the City Council. Contingent upon Council approval, a resolution for the official naming is subsequently required.

In the past, neighborhood parks have followed the naming policy in regard to utilizing a physical or geographic identifier in the park name. This has typically been the name of the neighborhood or nearby street that the park is near or within. For example: Shores Park, The Park at Hickory Ridge, Northshore Park and the Park at Foxchase.

At the February 25, 2015 meeting, Park Board voted unanimously to recommend to the City Council to name the neighborhood park located within the Stone Creek subdivision officially as “The Park at Stone Creek”. The policy and resolution is attached for your review.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 15-07

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, APPROVING A RECOMMENDATION OF THE PARK BOARD TO NAME A NEIGHBORHOOD PARK "THE PARK AT STONE CREEK;" PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Rockwall City Council has directed the Park Board to name parkland after easily identifiable geographic locations; and

WHEREAS, the Park Board has recommended the name of "The Park at Stone Creek" for a neighborhood park in Park District #5, which is generally located at the intersection of John King Boulevard and Featherstone Drive; and

WHEREAS, this neighborhood park is located adjacent to the Stone Creek residential development.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. Based upon the direction of the City Council and the recommendations of the Park Board, the name "The Park at Stone Creek" is hereby adopted for the neighborhood park in Park District #5, generally located at the intersection of John King Boulevard and Featherstone Drive; and

SECTION 2. That this resolution shall take effect immediately from and after its passage, and it is so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THE "APPLICANT," this 2nd day of March , 2015 .

Park, Recreation, and Municipal Facilities Naming Policy

Purpose: To establish procedures and guidelines for the naming of park sites and recreation facilities.

Procedure for naming park lands and facilities

A. The Park Board shall act as a committee that will be responsible for recommending a name for park land and recreation facilities.

B. The Park Board shall be responsible for research, study, and recommendation of a proposed name to the City Council. Recommendations, including rationale for the recommendations shall be submitted to the City Council in writing.

C. The Park Board may solicit and use public input during the formation of such recommendations.

D. The Park Board may form a Subcommittee to make recommendations to the full Park Board if desired.

E. The Subcommittee shall not contact any individual(s) whose names are under consideration. It shall also keep strictly confidential all information it has received or discussed, and any recommendation(s) it makes until such decision is taken to the entire Park Board for discussion and action.

F. The City Council shall approve by resolution or disapprove the name recommended by the Park Board.

    1. If the recommendation(s) is disapproved by the City Council, then the matter may be referred back to the Park Board for further action.

G. Park lands and facilities shall be named at the earliest possible and most appropriate date.

H. The Park Board may be notified of the need to name a park or facility by the City Council, City Manager, or Director of Parks and Recreation.

I. The Park Board must approve the recommendation by a simple majority of the members present.

Guidelines for naming park land and facilities.

A. Park names shall be easy to recall, unique and lasting.

31

B. Park lands shall be named:

1. By outstanding and/or predominate physical characteristics of the land, such as:
    a. streams, rivers, lakes, and creeks
    b. Landmark significance
    c. Historical significance
    d. Street or subdivision name identity

2. In honor of a living or deceased community leader

3. In honor of a living or deceased national or state leader

4. Based on the activity, event, or function of the park

C. Sections of a park or facility, such as recreational buildings, swimming pools, sports fields, and play structures, etc., may be given a name which is different from that of the overall park or facility. The procedure for naming such a section shall be the same as for naming an entire park or facility.

D. When appropriate, parks or facilities may be renamed. The procedure for doing so shall be the same as for originally naming a park or facility.

E. Once a name has been established, the Director of Parks and Recreation will be responsible for the installation of appropriate signage and markers.

Municipal Facility Naming Policy

Purpose: To establish procedures and guidelines for the naming of city facilities.

Procedure for naming city facilities

A. A City Council Subcommittee will be formed and be responsible for recommending a name for city facilities to the entire City Council for consideration.

B. The Subcommittee shall be responsible for research, study, and recommendation of a proposed name to the City Council. Recommendations, including rationale for the recommendations shall be submitted to the entire City Council in writing.

C. The Subcommittee may solicit and use public input during the formation of such recommendations.

D. The Subcommittee may also solicit and use input from City Staff during the formation of such recommendations.

32

E. The City Council shall approve by resolution or disapprove the name recommended by the Subcommittee.

1. If the recommendation(s) is disapproved by the City Council, then the matter may be referred back to the Subcommittee for further action.

F. City facilities shall be named at the earliest possible and most appropriate date.

G. The Subcommittee must approve the recommendation by a simple majority.

Guidelines for naming city facilities.

A. Facilities such as a City Hall, Municipal Court, Police Station, Fire Station, Municipal Service Center, etc. shall include the name for the function that they serve to the public in order to prevent confusion and misrepresentation of the facility's mission (such as Ralph Hall Municipal Airport or Benny Gracy Memorial Fire Station).

B. The Subcommittee may recommend that the facility may be dedicated in honor of an individual in lieu of naming.

C. City facility names shall be familiar to the majority of citizens, easy to recall, and unique and lasting.

D. Facilities may not be named for members of the City's staff, boards and commissions, city council, or any other official or employee (elected or otherwise) concerned with the functions and/or control of the City of Rockwall, for so long as such relationship exists.

E. Nothing herein shall be construed to require the City Council to name every facility.

F. City facilities shall be named:

1. In honor of a living or deceased community leader

2. In honor of a living or deceased national or state leader

3. Based on the activity, event, or function of the facility

4. With consideration of landmark or historical significance

G. Individual rooms, such as a conference rooms, etc., may be given a name which is different from that of the overall facility. The procedure for naming such a room shall be the same as for naming an entire facility.

H. When appropriate, facilities may be renamed. The procedure for doing so shall be the same as for originally naming a facility.

I. The Subcommittee shall not contact any individuals whose names are under consideration. It shall also keep strictly confidential all information it has received or discussed, and any recommendation(s) it makes until such decision is taken to the entire City Council for discussion and action.

J. Once a name has been established, the Facilities Management Department will be responsible for the installation of appropriate signage and markers.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 15-08

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, APPROVING THE RECOMMENDATION OF THE PARK BOARD TO NAME A NEIGHBORHOOD PARK "THE PARK AT BREEZY HILL;" PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Rockwall City Council has directed the Park Board to name parkland after easily identifiable geographic locations; and

WHEREAS, the Park Board has recommended the name of "The Park at Breezy Hill" for the neighborhood park in Park District #7 generally located north of FM 552 between John King Boulevard and Breezy Hill; and

WHEREAS, this neighborhood park is located adjacent to the Breezy Hill residential development.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. Based upon the direction of the City Council and the recommendations of the Park Board, the name "The Park at Breezy Hill" is hereby adopted for the neighborhood park in Park District #7 located north of FM 552 between John King Blvd and Breezy Hill.

SECTION 2. That this resolution shall take effect immediately from and after its passage, and it is so resolved.

CITY OF ROCKWALL

ORDINANCE NO. 15-06

SPECIFIC USE PERMIT NO. S-132

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) ALLOWING FOR VEHICLES TO BE STORED OUTSIDE OVERNIGHT IN CONJUNCTION WITH AN EXISTING AUTOMOTIVE REPAIR GARAGE, MINOR WITHIN A COMMERCIAL (C) DISTRICT, BEING A 0.88-ACRE PARCEL OF LAND IDENTIFIED AS LOT 2B-2, BLOCK A, PANEX LTD ADDITION, AND GENERALLY LOCATED AT 608 WHITE HILLS DRIVE, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND MORE SPECIFICALLY DEPICTED IN EXHIBIT 'A'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by James Jackson of Jackson Automotive for the approval of a Specific Use Permit (SUP) to allow vehicles to be stored outside overnight in conjunction with an existing A*utomotive Repair Garage, Minor*, zoned Commercial (C) District, being a 0.88-acre parcel of land identified as Lot 2B-2, Block A, Panex LTD Addition, and generally located at 608 White Hills Drive, City of Rockwall, Rockwall County, Texas, and more specifically depicted in Exhibit 'A' of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein ; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for vehicles to be stored outside overnight in conjunction with an existing A*utomotive Repair Garage, Minor* within a Commercial (C) District for the *Subject property*; and

Section 2. That the S*ubject Property* shall be used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance granted herein and shall be subject to the conditions set forth in *Section 2.1.8, Auto and Marine-Related Use Conditions, of Article IV, Permissible Uses,* and *Section 4.5, Commercial (C) District, of Article V, District Development Standards, of the City of Rockwall Unified Development Code [Ordinance No. 04-38]* as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following additions:

2.1 Operational Conditions

The following conditions pertain to the operation of the outside overnight storage of vehicles in conjunction with an *Automotive Repair Garage, Minor* on the S*ubject Property* and conformance to these stipulations is required for continued operations:

1. That the outside overnight storage of vehicles be limited to the eighteen (18) parking spaces located on the westerly side of the property as depicted on Exhibit 'A' attached hereto; and

2. That the outside overnight storage of vehicles shall not exceed a continuous time period of 48 hours on the *Subject Property*; and

3. That no equipment, parts or inventory shall be stored outside; and

4. That the City Council reserves the right to review the Specific Use Permit (SUP) any time after the effective date of this ordinance.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **February 26, 2015**

SUBJECT: **MANDATORY PARK LAND DEDICATION FEES**

A component of our Mandatory Park Land Dedication Ordinance is the cash in lieu of land fee. This fee is applied when the Park Board feels that it is in the best interest of the City to accept cash-in-lieu of land for neighborhood parkland. According to our Mandatory Parkland Dedication Ordinance, the Park Board shall annually make a recommendation to the City Council and Council will set the fee by resolution. The fee is based on the average cost of neighborhood park land across the entire City.

Bryan E. Humphries and Associates completed their appraisal in January of 2015 to determine the average cost per acre of land and provided final report in February 2015. The property must have easy access to utilities, public street, not be within the 100 year flood plain and not possess any unusual topography rendering the land useless for organized recreational activities. According to Mr. Humphries, the average cost of one acre of neighborhood park land with the above restrictions within the City is $34,000.

At the February 25, 2015 meeting, Park Board voted unanimously to recommend setting the cash-in-lieu of land fee for 2015 to $34,000 per acre. Park Board also recommended that the Pro-rata Equipment Fee portion of the ordinance remain at $1,050,000 for the cost of developing a typical 11 park. $525,000.00 would be the “per neighborhood park” cost to be used in calculation of pro-rata neighborhood park development equipment fees associated with the developer’s share of the park.

I have attached the appraisal letter completed by Mr. Humphries and the resolutions for the City Council to set the fee at $34,000 per acre. Please let me know if you need additional information.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. ___

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS ADOPTING THE PER NEIGHBORHOOD PARK DEVELOPMENT COST TO BE USED IN CALCULATION OF A NEW DEVELOPMENT'S PRO RATA SHARE CONTRIBUTION FOR NEIGHBORHOOD PARK DEVELOPMENT EQUIPMENT FEES; PROVIDING AN EFFECTIVE DATE

WHEREAS, the City of Rockwall desires to provide a park system which includes adequately sized and appropriately equipped Neighborhood Parks, and

WHEREAS, the City of Rockwall has adopted a Park and Recreation Master Plan designed to facilitate development of its Park Systems; and

WHEREAS, the City of Rockwall adopted Ordinance No. 38-50, Mandatory Neighborhood Parkland Dedication Ordinance, designed to facilitate participation by developers (on a pro-rata basis) in acquisition and development of neighborhood parks; and

WHEREAS, said ordinance provides that the City Council shall annually adopt a resolution establishing the "per neighborhood park development cost" to be used in calculation of a new development's pro-rata share contribution for neighborhood park development equipment fees,

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THAT:

Section 1. Based upon a recommendation of the City of Rockwall Parks and Recreation Board, $525,000.00 per neighborhood park is hereby adopted as the "per neighborhood park" park development cost to be used in calculation of pro-rata neighborhood park development equipment fees associated with Ordinance No. 38-50.

Section 2. This resolution shall be in force and effect from and after its passage and it is accordingly so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THIS 2nd day of March, 2015.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **February 26, 2015**

SUBJECT: **MANDATORY PARK LAND DEDICATION FEES**

A component of our Mandatory Park Land Dedication Ordinance is the cash in lieu of land fee. This fee is applied when the Park Board feels that it is in the best interest of the City to accept cash-in-lieu of land for neighborhood parkland. According to our Mandatory Parkland Dedication Ordinance, the Park Board shall annually make a recommendation to the City Council and Council will set the fee by resolution. The fee is based on the average cost of neighborhood park land across the entire City.

Bryan E. Humphries and Associates completed their appraisal in January of 2015 to determine the average cost per acre of land and provided final report in February 2015. The property must have easy access to utilities, public street, not be within the 100 year flood plain and not possess any unusual topography rendering the land useless for organized recreational activities. According to Mr. Humphries, the average cost of one acre of neighborhood park land with the above restrictions within the City is $34,000.

At the February 25, 2015 meeting, Park Board voted unanimously to recommend setting the cash-in-lieu of land fee for 2015 to $34,000 per acre. Park Board also recommended that the Pro-rata Equipment Fee portion of the ordinance remain at $1,050,000 for the cost of developing a typical 11 park. $525,000.00 would be the “per neighborhood park” cost to be used in calculation of pro-rata neighborhood park development equipment fees associated with the developer’s share of the park.

I have attached the appraisal letter completed by Mr. Humphries and the resolutions for the City Council to set the fee at $34,000 per acre. Please let me know if you need additional information.

Re: Average Price Per-Acre of Land in the City of Rockwall
City of Rockwall, Rockwall County, Texas

Dear Mr. Andy Hesser,

We are pleased to transmit this gross market study/real property appraisal consulting report that was prepared for the purpose of valuing typical parkland in the City of Rockwall. This parkland is typically five acres and in the early stages of development. Please refer to identification of project on page 4 for further explanation of the project scope. This report is a gross market study (real property appraisal consulting report) and does not involve analysis of or the inspection of a physical subject property. The purpose of this gross market study is to derive an opinion of a fee simple market value of the average price per-acre of land in the City of Rockwall, as set forth in the City of Rockwall Park Land Dedication Ordinance, Section 24-45 (b). The effective date of this gross market study is January 1, 2015.

The client should not conclude that an appraisal has been prepared, and this report should not be used for condemnation purposes. This consulting report is only intended to assist the City of Rockwall, in establishing a general value trend and current market value of the average price per-acre of land in the City of Rockwall.

4054 McKinney Avenue, Suite 210, Dallas, Texas 75204

214/528-7584 E-Mail: behinc@flash.net FAX 214/528-2921

Our opinion of market value is premised upon the Assumptions and Limiting Conditions outlined herein. The definition of market value may be found in Addendum A. The report has been prepared in conformity with the Uniform Standards of Professional Appraisal Practice (USOAO) and the Standards of Professional Practice of the Appraisal Institute. This consulting assignment has been developed and reported in conformity with Standards Rules 4 and 5 of USPAP. Again, it should be noted that this assignment provides an analysis of general land value and value trend. The assignment considers sales and listing data available from the North Texas Multiple Listing Service as well as information gathered from interviews with knowledgeable real estate brokers and salespeople.

Based on the analysis contained within this report, considering the nature of the analyzed market areas, it is our opinion that the approximate value for the average price-per acre of land in the City of Rockwall, as of January 1, 2015, is:

$34,000

If you have any questions or comments, please contact the undersigned. Thank you for the opportunity to be of service

Respectfully submitted,
BRYAN E. HUMPHRIES AND ASSOCIATES

Bryan E. Humphries, MAI
President

CERTIFICATE

I certify that, to the best of my knowledge and belief,...

The statements of fact contained in this report are true and correct.

The reported analyses, opinions, and conclusions are limited only by the reported assumptions and limiting conditions, and are my personal, impartial, unbiased professional analyses, opinions, and conclusions.

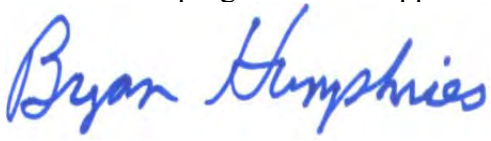
As of the date of the appraisal only, I have no present or prospective interest in the property that is the subject of this report, and I have no personal interest or bias with respect to the parties involved.

We have no bias with respect to the property that is the subject of this report or to the parties involved with this assignment.

My engagement in this assignment was not contingent upon developing or reporting predetermined results.

My compensation for completing this assignment is not contingent on the development or reporting of a predetermined value or direction in value that favors the cause of the client, the amount of the value opinion, the attainment of a stipulated result, or the occurrence of a subsequent event directly related to the intended use of this appraisal.

Bryan Humphries has made a personal inspection of the property that is the subject of this report.



No one provided significant real property appraisal assistance to the persons signing this certificate.

I have performed a previous appraisal (1/1/13 and 1/1/14) involving the subject property within the three years prior to this assignment.

The report analysis, opinions, and conclusions were developed, and this report has been prepared, in conformity with the requirements of the Code of Professional Ethics and the Uniform Standards of Professional Appraisal Practice of the Appraisal Institute.

The use of this report is subject to the requirements of the Appraisal Institute relating to review by its duly authorized representatives.

As of the date of this Study, I have completed the requirements of the continuing education program of the Appraisal Institute.

Bryan E. Humphries, MAI, TX-1320676-G

GENERAL INFORMATION & SCOPE OF WORK

Identification of Subject and Project

The subject property is a typical, underdeveloped, Parcel in the City of Rockwall. The parcel represents the average in the City of Rockwall, as set forth in the City of Rockwall Park Land Dedication Ordinance, Section 24-45 (b). According to the ordinance, from time to time, developers must dedicate land to the City of Rockwall in order to meet the need for park land in the area. If the dedication is not feasible, the developers must then give the City cash in liew of land that is reflective of typical residential land in Rockwall. The client has indicated that this average residential land is typically 5 acres and in the early stages of development.

Inspection Information, Effective Date and Date of Report

This analysis does not involve a physical subject property, only a hypothetical property, thus no inspection is required. The effective date of the assignment is January 1, 2014. The date of the report is the date of the signature on the first page of this report. Unless otherwise stated, all factors pertinent to a determination of value are considered as of this date.

Identification of the Client/Intended User

This real property appraisal consulting report is prepared for the City of Rockwall, Mr. Andy Hesser, 108 E. Washington, Rockwall, Texas 75087.

Objective of the Assignment/Intended Use

This consulting assignment is only intended to assist the client in establishing an average price per-acre of land. The client should not conclude that an appraisal has been prepared, and this report should not be used for condemnation purposes.

Appraisal Report Option

This is a real property appraisal consulting assignment that complies with the reporting requirements set forth under Standard 5 of the *Uniform Standards of professional Appraisal Practices (USPAP).* As such, it presents sufficient information to enable the client and other intended users, as identified, to understand it properly. The depth of discussion contained in this report is specific to the needs of the client and the intended users of this property appraisal consulting report.

Analysis Overview

As part of this consulting assignment, we have completed the following steps to gather, confirm, and analyze the data.

- ► Physically inspected the subject markets and the surrounding neighborhoods.
- ► Collected factual information about the surrounding market and confirmed that information with various sources.
- ► Collected market information needed to consider the three traditional approaches to value: Cost approach, sales comparison approach and income capitalization approach (if applicable).
- ► Prepared a real property appraisal consulting report setting forth the conclusion derived in this analysis as well as a summary of the information upon which the conclusions are based.

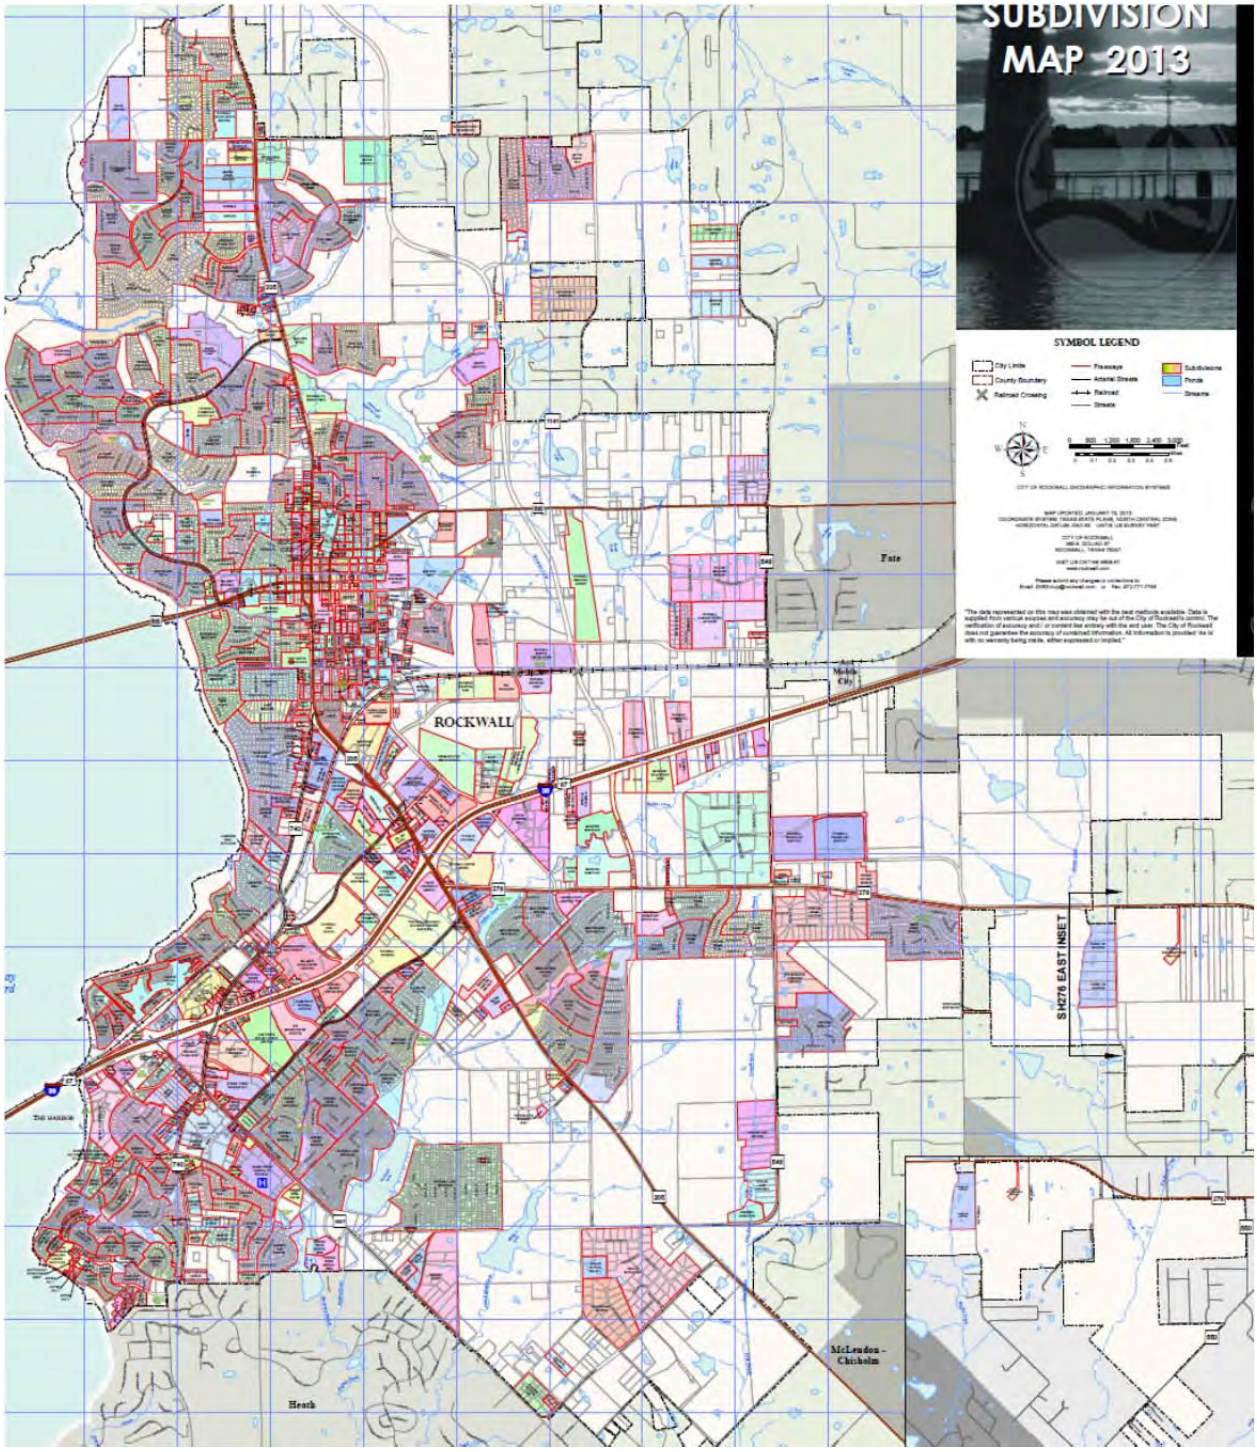
Extraordinary Assumptions

An extraordinary assumption is something that is assumed to be true, but it is not certain. If it turns out to be untrue, the value conclusion could be impacted. Extraordinary assumptions are those assumptions that are specific to the assignment, as opposed to general assumptions, which could be applicable to any assignment. In this assignment, we have assumed typical general assumptions and limiting conditions as cited above. In this particular assignment, the following extraordinary assumptions were made:

- ► Sales and listing data obtained from the Multiple Listing Service is deemed to be sufficiently reliable data to establish overall market trends and the current market value of an average, price per-acre of land. While some knowledgeable real estate brokers and salespeople have been contacted to obtain and confirm data, the reader should be aware that not all of the sales and listing data analyzed was independently confirmed.

- The client should not conclude than an appraisal has been prepared, and this consulting report should not be used for condemnation purposes. This gross market study (real property appraisal consulting report) is only intended to assist the City of Rockwall in establishing a general value trend and current market value of an average price per-acre in the City of Rockwall.

- The purpose of this consultation report is to establish the average price per acre of land in the City of Rockwall. As set forth in the City of Rockwall, Park Land Dedication Ordinance, Section 24-45(b). However, it is beyond the scope of this consultation report to estimate the actual costs of adjacent street and site utilities as stated in the ordinance (see addenda).



Jurisdictional Exceptions

The Jurisdictional Exception Rule provides for severability preserving the balance of the *Uniform Standards of Professional Appraisal Practice (USPAP).* If one or more parts of *USPAP* are "contrary to the law or public policy of any jurisdiction, only that part shall be void and of no force or effect in that jurisdiction." According to *USPAP*, "A law means a body of rules with binding legal force established by the controlling governmental authority." This includes federal and state constitutions, legislative and court made law, administrative rules, regulations and ordinances. In this assignment, there are no known conflicts of law or public policy that disregard the *USPAP*.

Hypothetical Conditions

A hypothetical condition is that which is contrary to what exists but is supposed for the purpose of analysis. In this particular assignment, the following hypothetical condition was made:

> For purposes of this analysis, the subject property is a hypothetical, undeveloped, parcel in the City of Rockwall.

Residential Market Analysis

Boundaries

The neighborhood boundaries are generally defined as follows:
City of Rockwall (Urban)
Outlying areas of the City of Rockwall (Suburban)

Development Activities and Trends

Residential development comprises approximately ±80% of the development in Rockwall. According to ESRI, the average 2014 home price within a 1-mile, 3-mile, and 5-mile radius of the Subject is $220,902, $230,517, and $224,991, respectively.

Recent single family building permit activity in Rockwall County summarized as follows:

Rockwall MSA Single Family Building Permits[1]				
Year	**Units**	**% Change**	**Average Value**	**% Change**
2000	955	-	$194,400	-
2001	1.267	32.7%	$171,000	-12%
2002	1,224	-3.4%	$171,000	0.0%
2003	1,219	-0.4%	$168,500	-1.5%
2004	1,598	31.1%	$168,100	-0.2%
2005	1,756	9.9%	$183,400	9.1%
2006	1,190	-32.2%	$201,800	10.0%
2007	759	-36.2%	$240,200	19.0%
2008	589	-22.4%	$192,800	-19.7%
2009	545	-7.5%	$166,500	-13.6%
2010	489	-10.3%	$200,800	20.6%
2011	411	-16.0%	$233,800	16.4%
2012	675	+64.2%	$247,700	5.9%
2013	618	+9.89%	$260,530	5.2%
YTD Sept. 2014	741		$256,900	3.79%

1 Data provided by Texas A&M Real Estate Center

As indicated by the preceding chart, new single family home activity peaked in 2005 at 1,756 permits. Building permit activity dropped significantly in 2006, 2007, and 2008, but slowed to 7.5% in 2009. New construction continued to decline in 2010, but appears to have bottomed in 2011 with 411 homes. For 2012, 2013, & 2014, permits have rebounded significantly, being up over 60% to 70% from 2011 levels

Residential Market Analysis, continued

Demographic Trends

Population growth in Rockwall County had been slow in relation to the Dallas-Fort Worth CMSA after Lake Ray Hubbard was impounded in the 1960's. That changed when IH-30 was upgraded and the bridge widened in the 1990s. While the entire county has benefited, most of the growth has taken place along or near IH-30, and from west to east. Access remains an important factor in Rockwall County's growth pattern.

Area	1980	1990	2000	2010	2000 to 2010 % Change	2000 to 2010 Annual %Change	Estimated 2014
City of Fate	NA	477	463	6,357	1273.0%	29.9%	8,330
City of Heath	1,459	2,108	4,149	6,921	66.8%	5.3%	7,440
City of Rockwall	5,939	10,486	17,976	37,490	108.6%	7.6%	40,030
City of Rowlett	7,522	23,260	44,503	56,199	26.3%	2.4%	56,450
City of Royse City	1,566	2,206	2,957	9,349	216.2%	12.2%	10,000
Rockwall County	14,528	25,600	43,080	78,337	81.8%	6.2%	84,390

Source: U.S. Bureau of the Census & State of Texas

The population in the City of Rockwall increased 7.6% annually from 2000 to its 2010 level of 37,490. The Rockwall County grew 6.2% annually to 78,337 during the same period.

Demographics

The following chart summarizes demographic data in the Subject Neighborhood. The data was provided by ESRI, Inc., and is based on demographics in a 1,3, and 5-mile radius from the Subject Property.

The following data is compiled from the North Texas Real Estate Information Systems and analyzed by the Real Estate Center at Texas A&M University. According to the data as of December 2014 (includes residential, commercial and farm and ranch) the number of closed transactions year-to-date for lots and vacant land in the Rockwall market area has increased 10% and the average price has increased 4%. The average sold to list price has decreased 4% and the average days on market has decreased 1%. Pending sales have increased by 26% and months inventory has decreased to 29.9 months. The increase in pending sales is a good indicator of possible increased transaction levels in the coming months.

Residential Market Analysis, continued

Conclusions

Rockwall has shown strong population growth over the past twenty years and employment trends are positive. The area is rapidly being developed with commercial and residential uses. In the future, Rockwall County is anticipated to be one of the fastest growing areas of the metropolis. The neighborhood is considered to be in a growth life stage and the overall aspects are considered to be good.

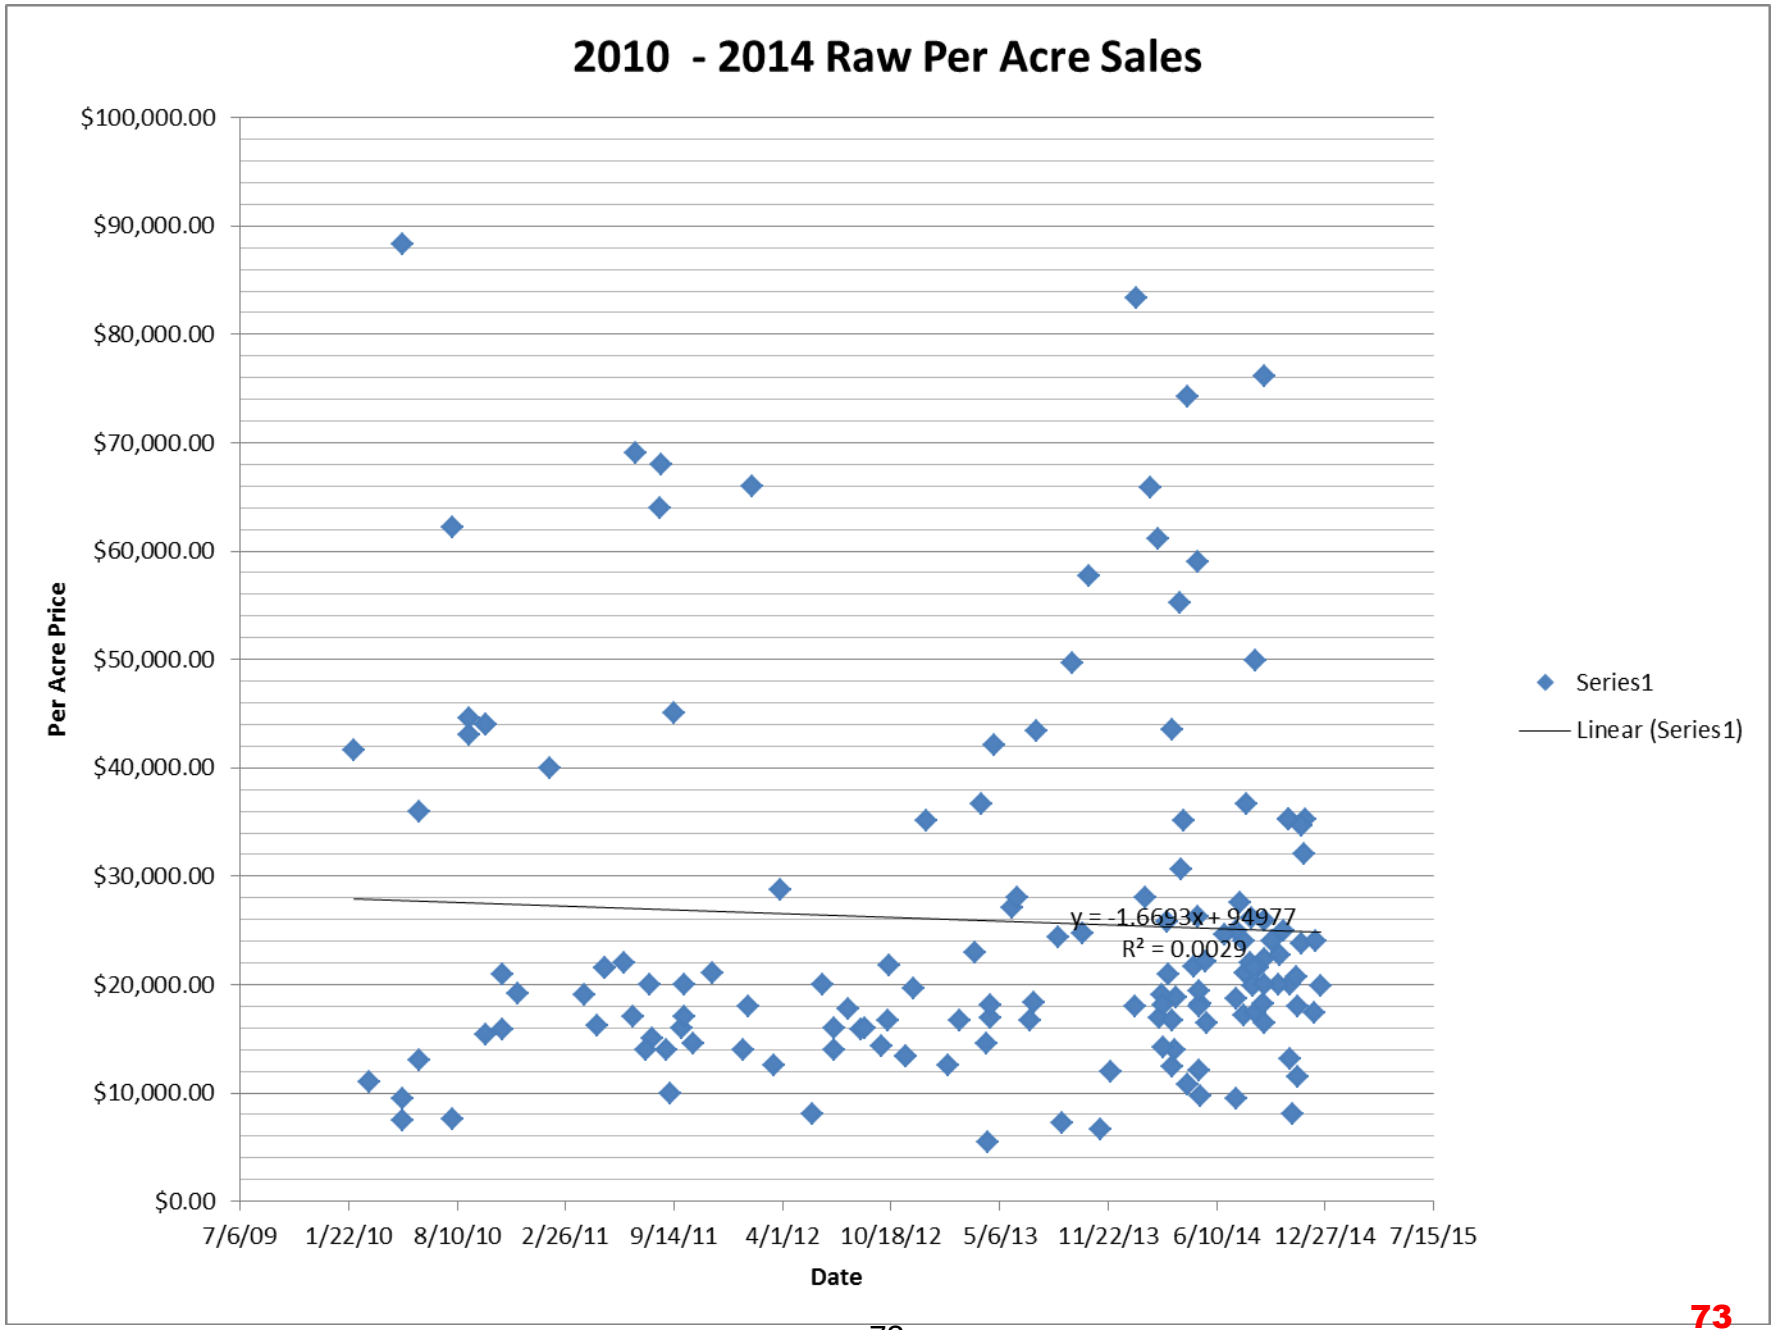
DATA ANALYSIS

Description and Analysis of the Subject

For purposes of this analysis, the subject property is a typical, undeveloped, parcel in the City of Rockwall. According to the client, the City of Rockwall will be using the data to value parklands ranging in size from 1 to 10 acres. The client instructed the appraisers to base adjustments on a typical 1 to 2 acre residential parcel.

Description of the Data and Analysis

The purpose of this analysis is to determine the average value of a residential, undeveloped, parcel within the City of Rockwall. The parcel is assumed to have paved street access and to be in the early stages of development.



Sales and listing data was obtained from the Multiple Listing Service. Our queried data included all residential land sales and listings from one tenth of an acre to twenty acres in the City of Rockwall and nearby suburban communities commercially supported by the City of Rockwall. Included within the data are land sales of parcels improved with typical subdivision infrastructure (i.e. paved streets, utilities, engineering, platting, etc.) These sales have been adjusted to reflect their condition above the average undeveloped parcel. Within our analysis we have also considered historical land sale prices and trends as these are good indicators of current prices and prices going forward and provide a helpful frame of reference for the overall market. Other factors considered and adjusted for within the sales data include parcel size and location.

Our queries presented the following raw data. The data is not adjusted to reflect the average, undeveloped parcel. The raw average price per acre is heavily biased and influenced by sales of lake front lots and small lots less than 1 acre.

	2010	2011	2012	2013	2014
Total Sales	51	79	90	97	68
Sale to List Ratio	83%	85%	88%	92%	92%
Avg. Price Per Acre	$139,558	$75,231	$59,877	$89,958	$67,148
Avg. Days on Market	304	3714	90	282	154
Percentage of Sale Under 1 Acre	33.33%	45.57%	36.67%	41.1%	53%

Data Analysis continued,

A trend analysis of the raw price per acre of all lot sale listed in MLS from 2010 to 2014 suggests the price trend is to be slightly increasing. The data set was ±478 sales. However, little weight should be given in this data as it is heavily upward biased because of small lots located on or near the lake which sale at a premium price due to location and higher unit prices due to economies of scale. Likewise, at the other end of the spectrum, a few sales sold for $200,000±. Many of the sales were located within Rockwall County but not in the City of Rockwall. In an attempt to reduce the skewing, the data set used in the analysis is refined to sales greater than 1 acre up to 20 acres that sold for less than $200,000 per acre. Only lot sales stated by MLS to be in the City of Rockwall were considered. For the 2010 thru 2014 time period the data set is narrowed to sales greater than 1.001 acres and less than $100,000 in price. The following chart reflects the trend of these sales. The data indicates that the lots sales from 2010 to 2014 had slightly declining trend. However, this is somewhat misleading because the data appears to be skewed by several high priced lot sales in 2010 & 2011 along with a higher velocity and concentration of mid $20,000 sales in 2014.

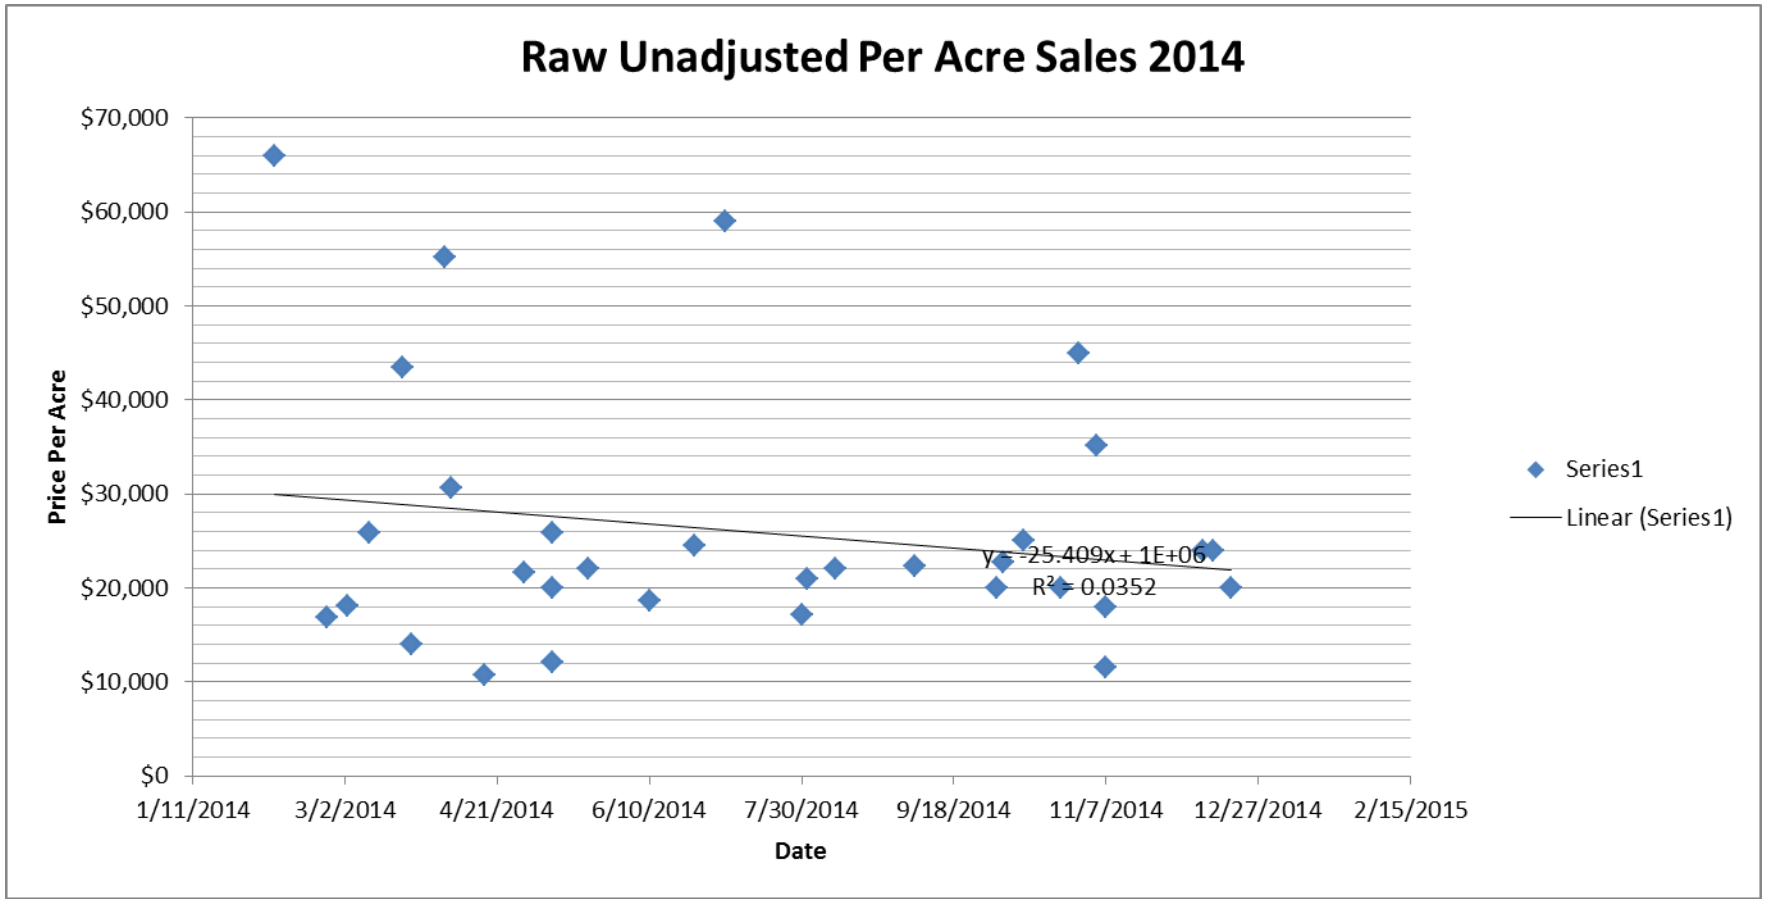
Data Analysis, continued

The most recent sales of lots is the 2014 data set. The analysis will focus on the 2014 sales. This data set contains 32 sales that MLS lists as in the City of Rockwall. The sales are all between 1.001 Acre to 20 Acre and less than $100,000.

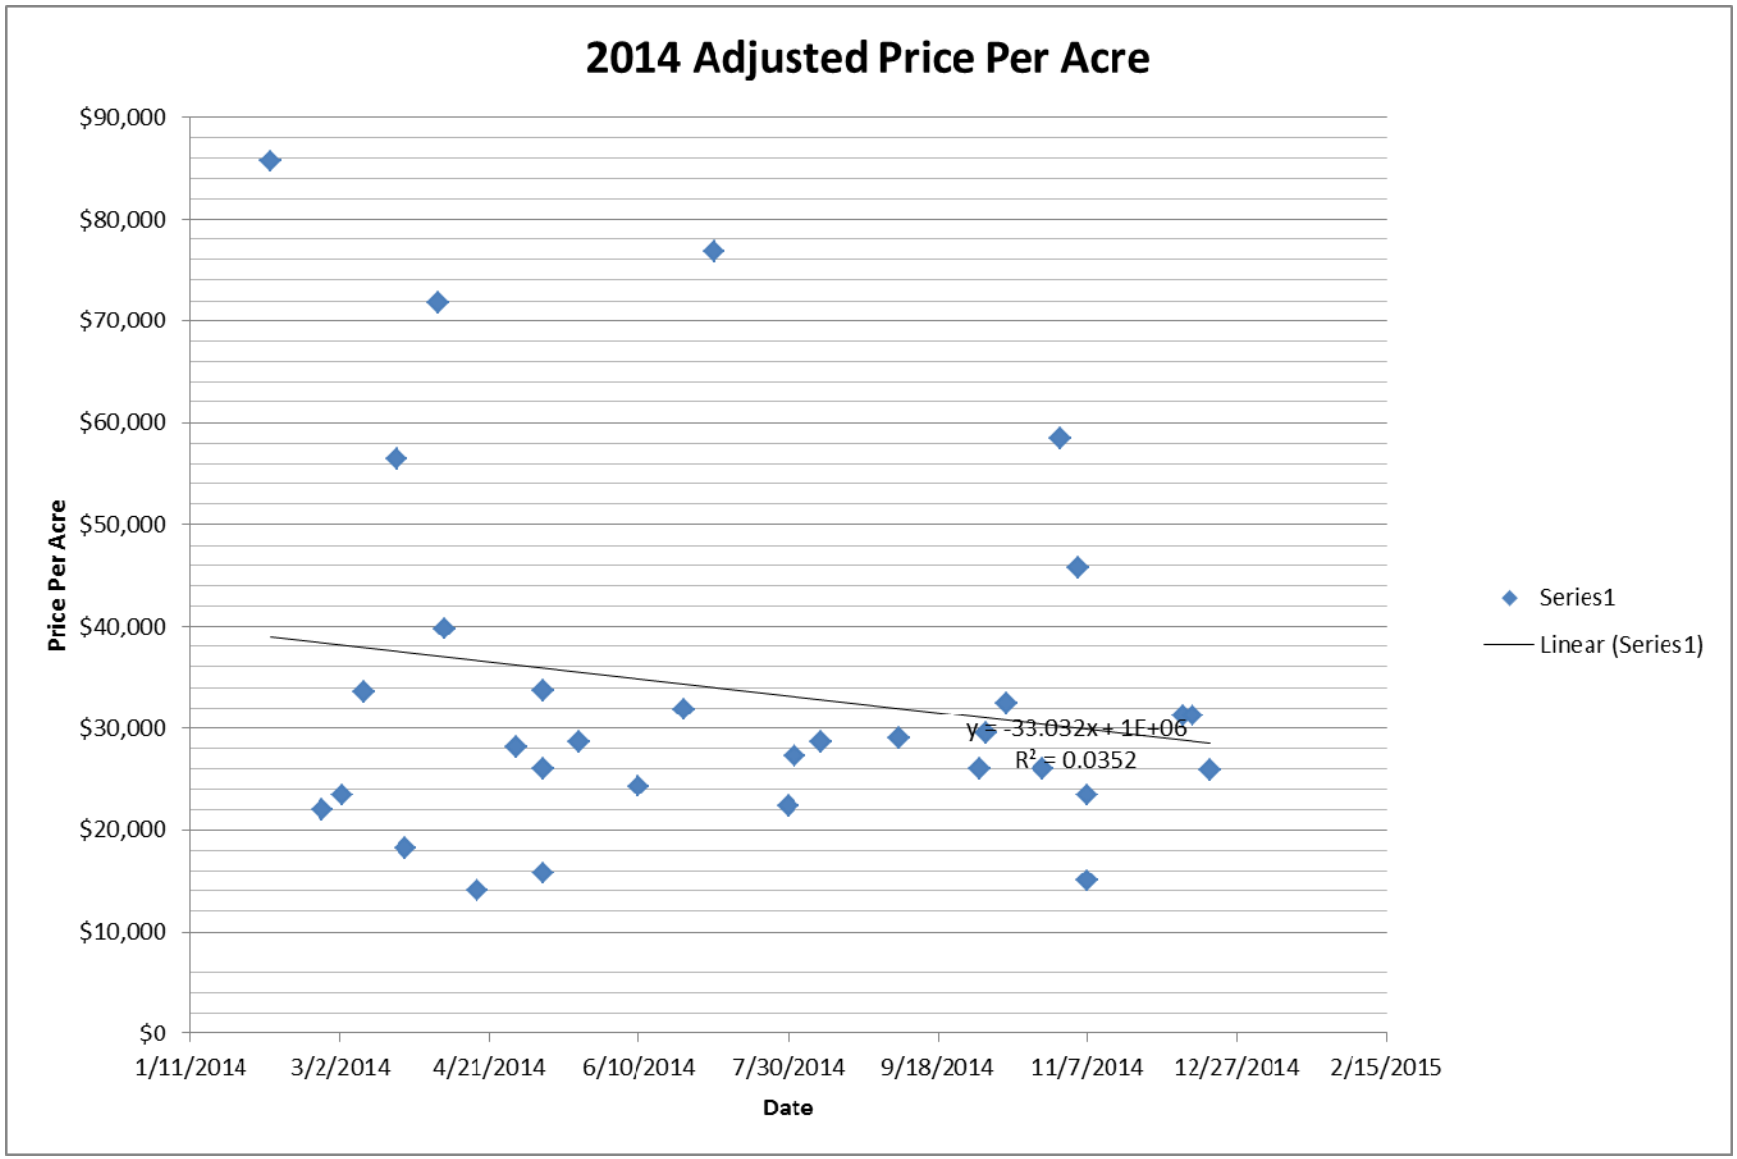
The data will first be adjusted for location and in infrastructure. These adjustments considered information included in the detail MLS write up sheets. The average price per acre adjusted for location and infrastructure was $33,823.

The next adjustment is a lot size adjustment. The following chart represents the size adjustment of the data set.



Data Analysis, continued

The data represents the following adjustment to a 5 acre tract.



Size Adjustment for a 5 Acre Tract	
1 Acre	-25%
2 Acre	-15%
3 Acre	-7.5%
4 Acre	-3%
5 Acre	0
6 Acre	+5%
7 Acre	+10%
8 Acre	+20%
9 Acre	+20%
10 Acre	+20%

Following are two charts. The first shows the 2014 per acre lot sales date unadjusted. This chart shows the data quite dispersed between ±$10,750 per acre price to a $65,890 per acre price. The average 2014 per acre price was $26,018/Acre. The trend line indicates that the Acre price to be approximately $30,000/Acre at the beginning of 2014 and around $24,000/Acre at the end of 2014. The overall average for the year is $26,018.

Data Analysis, continued

The second chart represents the 2014 data after adjustments for location and infrastructure. As shown on the chart, the data is represented in a much tighter range. The average for the adjusted data is $33,823/acre. The trend line indicates the price per acre at the beginning of 2014 to be approximately $40,000/acre and $28,000/acre toward the end of the year. This represents a decline of ±30% during the year. This trend is somewhat skewed due to several high priced lots sales occurred in early 2014.

Conclusions

Over the last three years lot sales actively has been improving for both the number of sales as well as the price.

The following list a summary of our data findings over the past three years.

Average Per Acre Price 2010 to 2014 Unadjusted: $25,917Acre

Average Per Acre Price for 2014 Unadjusted: $26,018 Acre

Average Per Acre Price for 2014 Adjusted for Location & Infrastructure: $33,823 Acre

The adjusted 2014 data represents the tightest range of lot sales. The trend line of the data indicates per acre lot sales decreased during 2014 from $40,000/Acre to $28,000/Acre at the end of the year.

Based upon our analysis and conclusions, subject to parameters defined, my opinion of the average market value price per acre of residential land in the City of Rockwall as of 1/1/2015 is:

$34,000/Acre

ASSUMPTIONS AND LIMITING CONDITIONS

1. It is assumed that title to the property herein appraised is good and merchantable, and in fee simple. The value is reported without regard to questions of title, boundaries, encroachments, environmental regulations, licenses, or other matters of a legal nature unless noncompliance has been stated, defined, and considered in the appraisal report.

2. The value is estimated under the assumption that there will be no international or domestic political, economic, or military actions that will seriously affect real estate values throughout the country.

3. Certain information concerning market and operating data was obtained from others. This information is verified and checked, where possible, and is used in this appraisal only if it is believed to be accurate and correct. However, such information is not guaranteed. Dimensions and areas of the Subject Property and of the comparables were obtained by various means and are not guaranteed to be exact.

4. Real estate values are influenced by a number of external factors. The information contained herein is all of the data we consider necessary to support the value estimate. We have not knowingly withheld any pertinent facts, but we do not guarantee that we have knowledge of all factors, which might influence the value of the Subject Property. Due to rapid changes in external factors, the value estimate is considered to be reliable only as of the date of the appraisal.

5. Opinions of value contained herein are estimates. This is the definition of an appraisal. There is no guarantee, written or implied, that the Subject Property will sell for the estimated value. The estimated value assumes that the property is under responsible ownership and has competent and prudent management.

6. The appraiser will not be required to provide testimony or attendance in court or before other legal authority by reason of this appraisal without prior agreement and arrangement between the employer and the appraiser.

7. Disclosure of the contents of this appraisal report is governed by the By-Laws and Regulations of the Appraisal Institute. Neither all nor any part of the contents of this report (especially any opinions, analyses, or conclusions concerning value, the identity of the appraiser or the firm with which he is connected, or any reference to the Appraisal Institute or the M.A.I. or SRA Designation) shall be disseminated to the public through advertising media, public relations media, news media, sales media, prospectus for securities, or any other public means of communication without prior written consent and approval of the undersigned.

8. It is assumed that there are no hidden or unapparent conditions of the property, subsoil, or structures which would render it more or less valuable, except as stated in this report. No responsibility is assumed for such conditions or for engineering, which may be required to discover them. It is assumed that a prudent owner/buyer would allow inspection of the property by a qualified soils or structure engineer if conditions so required.

9. The distribution of the total valuation in this report between land and improvements applies only under the reported highest and best use of the land. The allocation of value for land and improvements, if presented, must not be used in conjunction with any other appraisal and are invalid if so used.

10. Estimates of costs to cure deferred maintenance are difficult at best. Contractors approach such problems in various ways. The estimates, if any, provided within this report are probable costs given current market conditions, available information, and the appraiser's expertise.

11. No environmental impact studies were requested or made in conjunction with this appraisal, and the appraiser hereby reserves the right to alter, amend, revise, and/or rescind the value opinions based upon any subsequent environmental impact studies, research, or investigation.

12. This appraisal was prepared by Bryan E. Humphries & Associates and consists of trade secrets and commercial or financial information, which is privileged and confidential and is exempted from disclosure under 5 U.S.C. 552 (b) (4). Please notify Bryan E. Humphries & Associates of any request of reproduction of this appraisal.

13. Unless otherwise stated in this report, the existence of hazardous substances, including without limitation asbestos, polychlorinated biphenyl, petroleum leakage, or agricultural chemicals, which may or may not be present on the property or other environmental conditions, were not called to the attention of nor did the appraiser become aware of such during the appraiser's inspection. The appraiser has no knowledge of the existence of such materials on or in the property unless otherwise stated. The appraiser, however, is not qualified to test such substances or conditions. If the presence of such substances, such as asbestos, urea formaldehyde foam insulation, or other hazardous substances or environmental conditions, may affect the value of the property, the value estimated is predicated on the assumption that there is no such condition on or in the property or in such proximity thereto that it would cause a loss in value. No responsibility is assumed for any such conditions, or for any expertise or engineering knowledge required to discover them.

83

14. Anyone acting in reliance upon the opinions, judgments, conclusions, or data contained herein, who has the potential for monetary loss due to the reliance thereon, is advised to secure an independent review and verification of all such conclusions and/or facts.

    The user agrees to notify the appraiser prior to any irrevocable loan or investment decision of any error, which would reasonably be determined from a thorough and knowledgeable review.

15. By acceptance and use of this report, the user agrees that any liability for errors, omissions or judgment of the appraiser is limited to the amount of the fee charged.

16. The limiting condition relating to the ADA is as follows:

    > This appraisal has not considered the effects of the enactment of the Americans with Disabilities Act of 1990 (ADA), which initially became effective January 26, 1992. We have not made a specific compliance survey and analysis of this property to determine whether or not it is in conformity with the various detailed requirements of the ADA. Standards of this act are designed to provide access to all public facilities to all persons, regardless of mobility limitations. The act provides forceful encouragement for commercial establishments to enhance their accessibility and requires that renovations after this date fully comply with the access standards established by the Architectural and Transportation Barriers Compliance Board. Enhancements to buildings must be readily achievable and able to be carried out without much difficulty or expense. The act recognizes that "readily achievable" is different for companies depending on their resources. The first priority is to provide access from sidewalks, parking and transportation areas, with the second priority being to provide access to areas where goods and services are available to the public. Finally, access to restroom facilities must accommodate all persons. The modifications and costs that may be necessary for the property to conform to ADA can be ascertained only by a qualified architect. Should such a study be undertaken, and should the retrofit costs, if any, become known, then the appraisers reserve the right to re-evaluate the Subject Property.

84

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING ARTICLE II. PARK LAND DEDICATION OF THE SUBDIVISION REGULATIONS OF THE CODE OF ORDINANCES AS SET FORTH HEREIN; PROVIDING FOR A PENALTY OF A FINE NOT TO EXCEED THE SUM OF FIVE HUNDRED DOLLARS ($500.00); PROVIDING A SEVERABILITY CLAUSE; PROVIDING AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Subdivision Regulations of the Code of Ordinances shall be amended in Article II. Park Land Dedication, which shall hereafter read in its entirety as follows:

"ARTICLE II. PARK LAND DEDICATION

Sec. 24-41. Purpose.

(a) This article [Ordinance Number 87-1] is adopted to provide recreational areas in the form of neighborhood parks as a function of subdivision development in the City of Rockwall, Texas.This article is enacted in accordance with the Home Rule powers of the City of Rockwall, granted under the Texas Constitution, in statutes of the State of Texas, including but not by way of limitation, articles 974a and 1175. It is hereby declared by the city council that recreation areas in the form of neighborhood parks are necessary and in the public welfare, and that the only adequate procedure to provide for same is by integrating such a requirement into the procedure for planning and developing property or subdivisions in the city, whether such development consists of new construction on vacant land or rebuilding structures on existing residential property.

(b) Neighborhood parks are those parks providing for a variety of outdoor recreational opportunities, be a minimum of ten acres, and be within convenient distances for a majority of the residents to be served thereby. Park districts are established by the official park plan for the City of Rockwall, Texas, and shall be prima facie proof that any park located therein is within such convenient distance from any residence located therein. Primary cost of neighborhood parks shall be borne by the ultimate residential property owners, who, by reason of the proximity of their property to such parks, shall be the primary beneficiary of such facilities. Therefore, the following requirements are adopted to effect the purposes stated. (Ord. No. 87-1, § I, 1-5-87)

Sec. 24-42. Definitions.

For the purposes of this article, the following definitions shall apply:

Develop (V): The act of subdividing a parcel or tract of land and installation of community facilities in accordance with and as defined by the City of Rockwall Subdivision Ordinance.

Development (N): A parcel or tract of land proposed for subdivision in accordance with and as defined by the City of Rockwall Subdivision Ordinance.

Park development. The development of a park site by construction of streets, drainage, utilities, and recreational improvements to serve a neighborhood park district.

Recreational Improvements - Facilities: The park features set forth for a neighborhood park in the Activity Menu of the Park Plan. A uniform cost shall be prepared annually for these features and adopted by resolution by the City Council. The dedication factor shall be applied to this cost to determine the pro rata share per new dwelling unit for recreational improvements - facilities.

Pro rata share of required dedication. The amount of land that shall be dedicated (or the acreage figure used to calculate cash in lieu of land donation) as prescribed within this article. The pro rata share of required dedication in a neighborhood park district shall be calculated as follows: Pro rata share of required acreage dedication per new dwelling unit is the factor obtained when the 10 acre area of park is divided by the ultimate residential dwelling unit holding capacity for park district in which the unit(s) is located.

The total number of residential units which a neighborhood park district is projected to have when fully developed shall be determined by the Impact Fee Land Use Assumptions as set forth in Table 1, Park Dedication Acreage Factor per Dwelling Unit, below. (Ord. No. 87-1, § II, 1-5-87)

TABLE 1

Sec. 24-43. General Requirement for SF-16, SF-10, SF-7, ZL-5, 2-F and MF-15, to be used for single-family, zero lot line, duplex, and/or apartment multi-family residential purposes.

(a) Whenever a final plat is filed of record with the county clerk of Rockwall County for development of a residential area in accordance with the planning and zoning ordinances of the City of Rockwall, such plat shall contain a clear fee simple dedication of an area of land to the City of Rockwall for park purposes, which area shall be equal to or greater than the property being subdivided's pro rata share of neighborhood park property required for the neighborhood park district in which the property being platted or subdivided is located as shown by the Park Master Plan. In addition, the developer shall make payment of money for pro-rata share and recreational improvement facilities as defined in this article. Any proposed plat submitted to the city for approval shall show the area proposed to be dedicated under this article. The requirement for dedication under this article may be met by a payment of money in lieu of land when permitted or required by the other provisions of this article.

(b) The city council declares the development of an area smaller than one acre for public park purposes to be impractical. Therefore, if less than one acre is calculated to be the pro rata share of a development plat filed for approval, the developer shall be required to pay the applicable cash in lieu of land amount provided for by Section 24-45(c) of this article, rather than dedicate any land area. No plat showing a dedication of less than one acre shall be approved.

(c) In instances where an area of less than six (6) acres but more than one acre is calculated to be the pro rata share of a development the city council shall have the option of requiring land dedication or cash in lieu of land in accordance with Section 24-45(c) of this article after consideration of the recommendation of the planning and zoning commission and the parks and recreation board. If the City determines that sufficient park area is already in the public domain in the area of the proposed development or the neighborhood park district, or if the recreation potential for that zone would be better served by

expanding or improving an existing park, dedication may also be refused and cash in lieu of land may, likewise, be required.

(d) The dedication required by this article shall be made by filing of final plat or contemporaneously by separate instrument. If the actual number of completed dwelling units exceeds the figures upon which the original dedication is based, additional dedication shall be required and shall be made by payment in lieu of land amount described by Section 24-45(c) of this article, or by the conveyance of an entire numbered lot to the city. (Ord. No.87-1, § III, 1-5-87)

Sec. 24-44. Prior dedication; absence of prior dedication.

At the discretion of the city council, any former gift of land to the city may be credited on a per acre basis toward the eventual land dedication requirements imposed on the donor of such land. The city council shall consider recommendations of the planning and zoning commission and the parks and recreation board in exercising its discretion under this section. (Ord. No. 87-1, § IV, 1-5-87)

Sec. 24-45. Money in lieu of land.

(a) Subject to the veto of the city council and the terms of Section 24-43 of this article, a land owner responsible for dedication under this article may elect to meet the requirements of Section 24-43 in whole or in part by a cash payment in lieu of land, in an amount set forth in Section 24-45(c). Such payment in lieu of land shall be made at or prior to final plat approval.

(b) The city may from time to time decide to purchase land for parks in or near the area of actual or potential development. If the city does purchase park land in a neighborhood park district and said land purchased is used to meet the need for a neighborhood park, subsequent land dedications for that district shall be in cash only and calculated on a pro rata share basis to reimburse the city's actual cost of acquisition and development of such land for parks. The cash amount shall be equal to the sum of (1) the average price per acre of such land, and (2) the actual cost of adjacent streets and site utilities, or an estimate of such actual costs provided by the city engineer and the recreation improvement costs for facilities as set forth in the Park Master Plan for neighborhood parks. Once the city has been reimbursed entirely for all park land within a park zone, this section shall cease to apply and the other sections of this article shall be applicable.

(c) To the extent that Section 24-45(b) is not applicable, the dedication requirements shall be met by a cash payment in lieu of land on the basis of a per acre price. Said per acre price shall be determined annually by the city council and shall be based on current land values within the City. Once established the Council shall adopt the value(s) by resolution for appreciation as required in this subsection. Cash payments may be used only for acquisition or improvement of neighborhood parks located within the same neighborhood park district as the development in accordance with the Park Master Plan. (Ord. No. 87-1, § V, 1-5-87)

Sec. 24-46. Dedication of more than the pro rata share of park land.

The developer of a residential subdivision which is subject to the terms of this article may dedicate more land than the pro rata share calculated for the development if approved by the city council. If the developer dedicates an amount equal to or greater than the total required park land area for the neighborhood park district in which his subdivision is located, the city and the developer shall execute a pro rata refunding agreement in accordance with the City of Rockwall Subdivision Regulations which shall recover the cost of land dedicated in excess of the developer's pro rata share after streets, drainage, and utilities are constructed on the dedicated property.

The developer shall install the streets, drainage, and utilities to serve the neighborhood park, and the cost of same shall be included in the pro rata refunding agreement. The pro rata refunding agreement shall provide that future developers in the same neighborhood park district shall pay their pro rata share of the actual cost of park development which shall be calculated based on the per acre cash in lieu of land cost in effect at the time of dedication, plus the costs of streets, drainage, utilities, and recreational facilities installed to serve the dedicated neighborhood park. The cost of streets, drainage and utilities installed to serve the park shall be certified by the city engineer. In no case shall the developer receive pro rata payments after he has recovered an amount equal to the number of acres actually dedicated in excess of his pro rata share multiplied by the per acre cash in lieu of land figure in effect at the time of actual dedication, plus the costs of streets, drainage, and utilities as certified by the city engineer necessary to serve the neighborhood park. In no case shall the term of any pro rata agreement provided by this article be for a period in excess of five (5) years from the date of dedication. (Ord. No. 87-1, § VI, 1-5-87)

Sec. 24-47. Special fund established; right to refund.

(a) There is hereby established a special fund for the deposit of all cash funds in lieu of land dedication under this article, which fund shall be known as the "Park Land Dedication Fund."

(b) The city shall account for all sums paid in lieu of land dedication under this article referenced to individual plats involved. Any funds paid for such purposes must be expended by the city within eight (8) years from the date received by the city for acquisition and development of a neighborhood park as defined herein. Such funds shall be considered to be spent on a first/in first/out basis. If not so expended, the owners of the property on the last day of such period shall be entitled to a pro rata refund of such funds, calculated on a square footage basis. The owners of such property must request such refund within one year of entitlement; in writing, or such rights shall be barred. (Ord. No. 87-1, § VII, 1-5-87)

Sec. 24-48. Additional requirements and provisions.

(a) Any land dedicated to the city under this article shall be suitable for park and recreation use. The following characteristics of a proposed area are generally unsuitable:

(1) Any area located in the one hundred-year floodplain;

(2) Any area of unusual topography or slope which renders same unusable for organized recreational activities.

The above characteristics of park land dedication area may be grounds for refusal of a plat.

(b) Each park must have ready access to a public street.

(c) Unless provided otherwise herein, action by the city shall be by the city council after consideration of the recommendations of the planning and zoning commission and the parks and recreation board. Any proposal considered by the planning and zoning commission under this article shall have been reviewed by the parks and recreation board and its recommendation given to the commission. The commission may make a decision contrary to such recommendation only by a vote of at least five (5) members. Should the commission be unable to get this vote, the matter shall then be referred to the city council for final decision.

(d) If any provision of this article or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect any other provisions or applications of this article which can be given effect without the invalid provision or application, and to this end the provisions of this article are declared to be severable.

(e) This article shall become effective upon adoption by the city council. (Ord. No. 87-1, § VIII, 1-5-87)

Sec. 24-49. Review and updating park master plan.

The City of Rockwall Parks and Recreation Department shall consider the need to update the Park Master Plan at least annually to insure that the plan remains current and provides an equitable, effective framework from which to pursue the acquisition and development of neighborhood park services for each neighborhood park district.

(Ord. No. 87-1, § XI, 1-5-87)

Sec. 24-50. Waiver of mandatory neighborhood park land dedication in the case of private developments.

If a development is proposed to be a private development where no public streets are dedicated for use by the public the city shall:

(1) Calculate the pro rata share of the proposed private development as if it were to be a development where public streets were to be dedicated.

(2) Waive the requirement for mandatory dedication if the private amenities of the proposed development meet or exceed the calculated pro rata share as calculated under Section 24-50(1) above.

(3) Decrease the total acreage shown in the Park Master Plan as being required to meet the ultimate need for neighborhood parks in the applicable neighborhood park district by the acreage calculated under Section 24-50(1) above (for the purpose of future calculations of pro rata shares for future developments).

(4) In a private development within a park district or a private development encompassing an entire park district, the park property within the private development must be easily accessible to the general public either through the use of the city trail system or public roadways. If the private development encompasses the entire park district and the ten acres of park land is not continuous, each separate section of park property must be accessible to the general public and connected by way of a minimum eight foot wide trail.

(Ord. No. 87-1, § IX, 1-5-87)

Sec. 24-51. Waiver of article requirements by city council.

The city council of the City of Rockwall, Texas may waive the requirements of this article upon a finding by the city council that said waiver is clearly in the best interest of the City of Rockwall. (Ord. No. 87-13, § I, 3-16-87)"

Section 2. Any person violating the provisions of this Ordinance shall be deemed guilty of a misdemeanor and upon conviction be subject to a fine in accordance with the general provisions of the Code of Ordinances.

Section 3. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 4. That this ordinance shall take effect immediately from and after its passage and approval, and it is so ordained.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. ___

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS ESTABLISHING THE "COST PER ACRE" TO BE USED IN CALCULATION OF A NEW DEVELOPMENT'S PRO RATA SHARE CONTRIBUTION FOR NEIGHBORHOOD PARK LAND; PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Rockwall desires to provide a park system which includes adequately sized and appropriately equipped Neighborhood Parks, and

WHEREAS, the City of Rockwall has adopted a Park and Recreation Master Plan designed to facilitate development of its Park Systems, and

WHEREAS, the City of Rockwall adopted Ordinance No. 38-50, Mandatory Neighborhood Parkland Dedication Ordinance, designed to facilitate participation by developers (on a pro-rata basis) in acquisition and development of neighborhood parks, and

WHEREAS, said ordinance provides that the City Council shall annually adopt a resolution establishing the "cost per acre" to be used in calculation of a new development's pro rata share contribution for neighborhood park land;

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THAT:

Section 1. Based upon a recommendation of the City of Rockwall Parks and Recreation Board, $34,000.00 is hereby adopted as the "cost per acre" park development cost to be used in calculation of pro-rata neighborhood park development matters associated with Ordinance No. 38-50.

Section 2. This resolution shall be in force and effect from and after its passage and it is accordingly so resolved.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 03/02/2015

APPLICANT: Harold Fetty, *H. D. Fetty Land Surveyor*

AGENDA ITEM: **P2015-005**; *Lot 1, Block A, Hoardstroms Addition*

SUMMARY:

Discuss and consider a request by Harold Fetty of H. D. Fetty Land Surveyor, LLC on behalf of the owner Andrea Holliman for the approval of a replat for Lot 1, Block A, Hoardstroms Addition being a 0.47-acre tract of land identified as a portion of Lot 1 of the W. D. Austin Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD) for Residential Office (RO) District land uses, situated within the North Goliad Corridor Overlay (NGC OV) District, addressed as 904 N. Goliad Street, and take any action necessary.

COMMENTS:

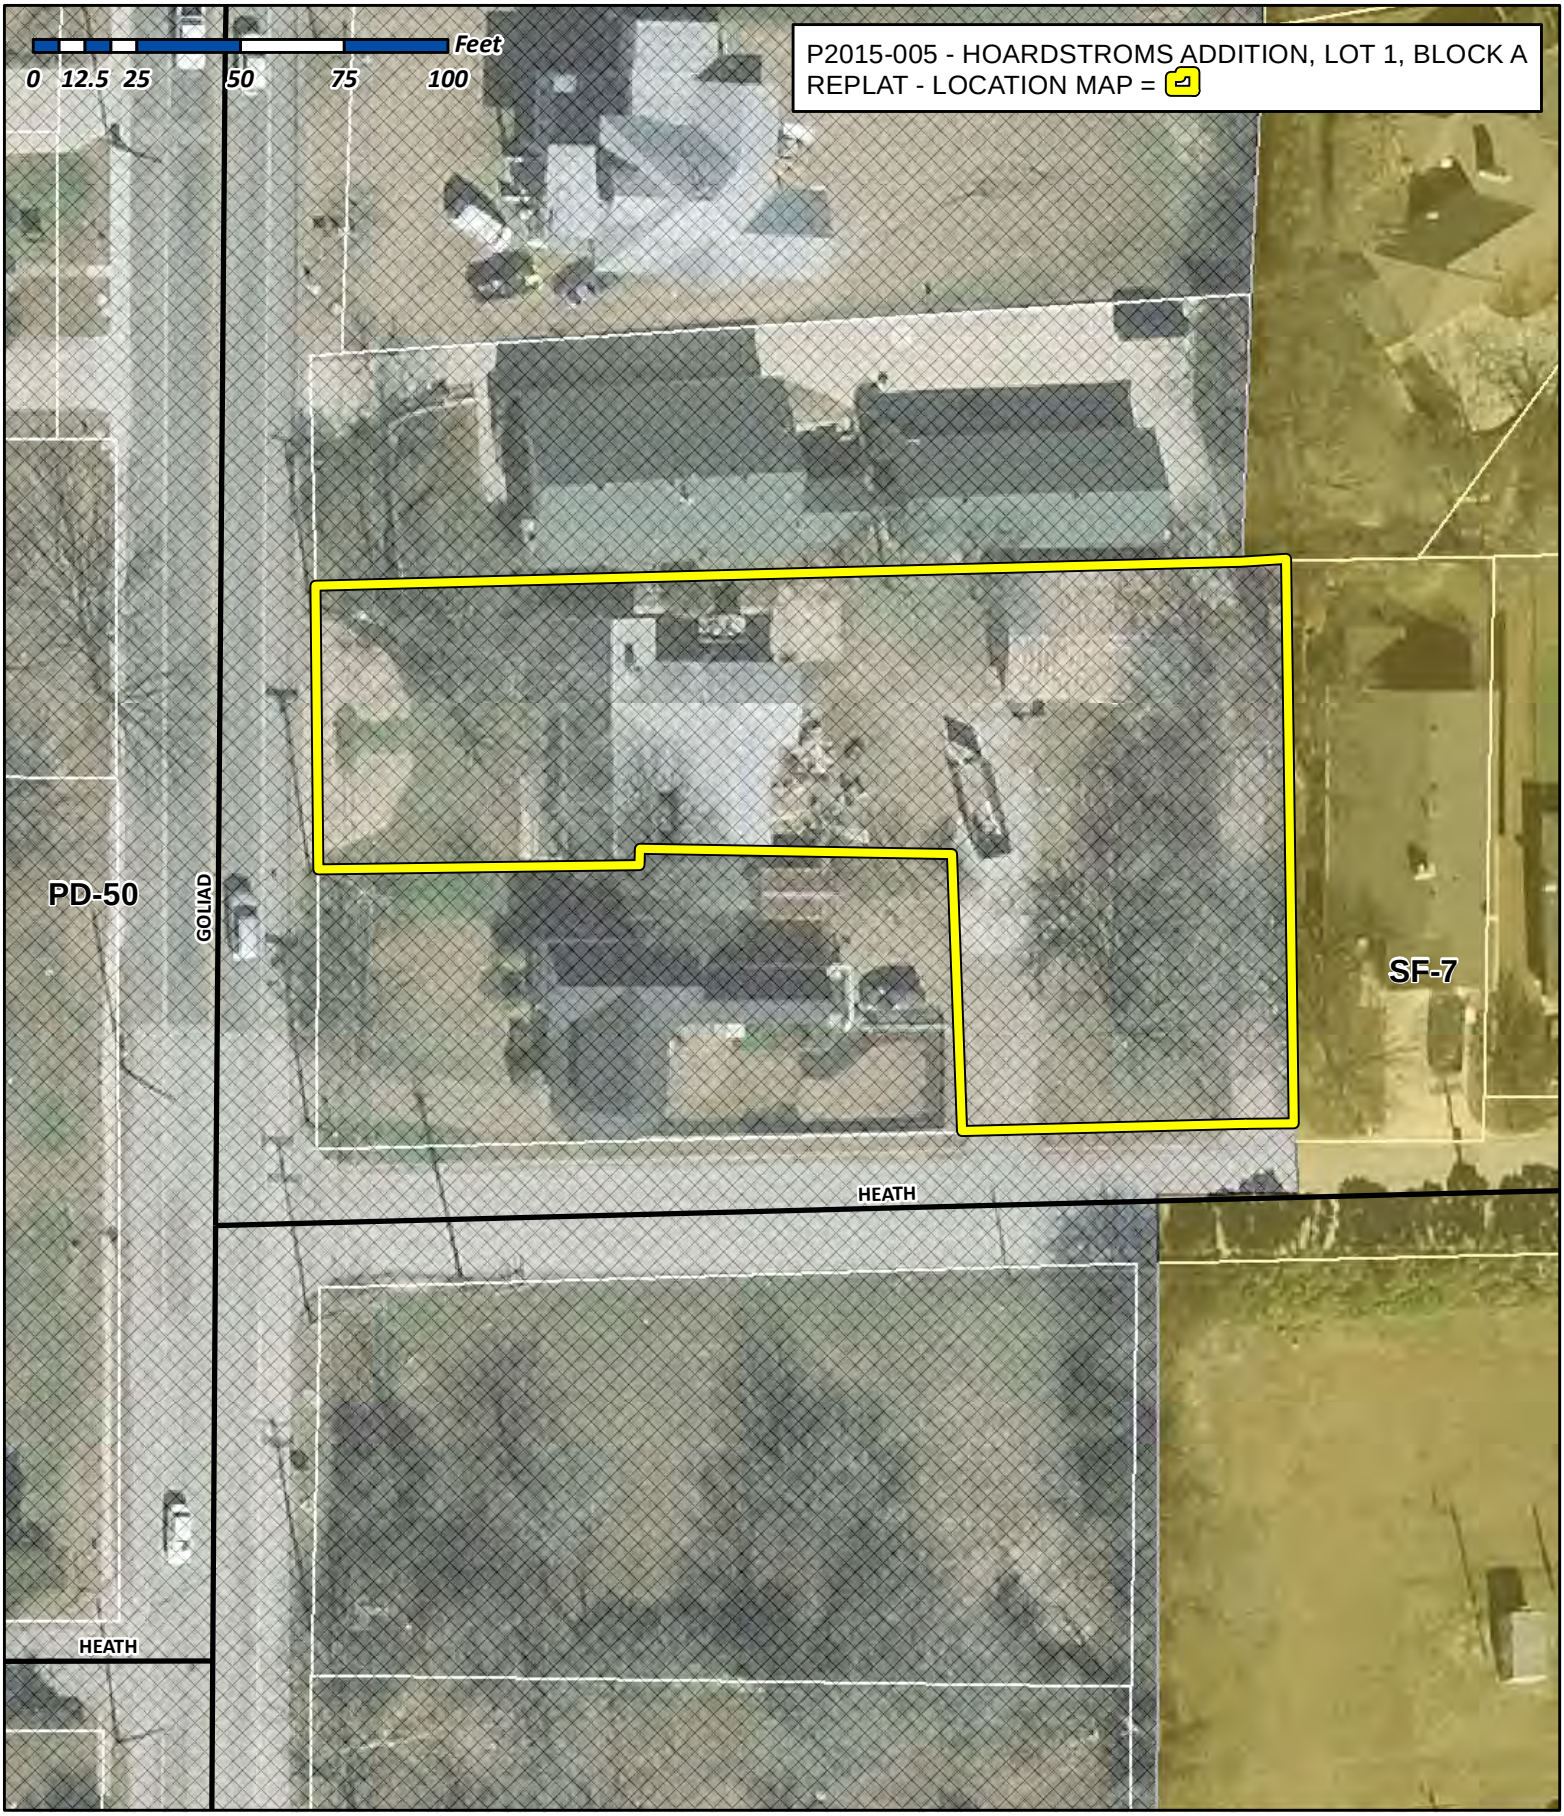
☑ On February 4, 2014, City staff approved an administrative site plan under *Case No. SP2014-001* for the purpose of allowing the applicant to convert an existing residential structure into a retail store within Planned Development District 50 (PD-50). The purpose of this request is to replat the 0.47-acre parcel of land in order to account for all the necessary easements required on the subject property.

☑ The Surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for replats as stated in the *Subdivision Ordinance* in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

RECOMMENDATIONS:



Staff recommends approval of the replat for *Lot 1, Block A, Hoardstroms Addition* in conformance with the following conditions of approval:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat; and,

2) Any construction resulting from the approval of this *plat* shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On February 24, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the replat by a vote of 6-0, with Commissioner Conley absent.

THENCE N. 87 deg. 30 min. 28 sec. E. along the South line of Lot 2, a distance of 220.69 feet to a 1/2" iron rod found for corner;

THENCE S 01 deg. 28 min. 03 sec. E. a distance of 139.26 feet, to an "X" set in a concrete driveway apron at the North right-of-way line of Heath Street;

THENCE S. 88 deg. 31 min. 57 sec. W. along the North right-of-way line of Heath Street, a distance of 68.30 feet to a 1/2" iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" found for corner;

THENCE N. 02 deg. 05 min. 05 sec. W. a distance of 66.74 feet to a 1/2" iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" found for corner at the base of a fence corner post;

THENCE N. 88 deg. 59 min. 35 sec. W. along a wood board fence line, a distance of 75.15 feet to a 1/2" iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" found for corner at the base of a fence corner post;

THENCE S. 02 deg. 29 min. 29 sec. W. along a wood board fence line, a distance of 3.90 feet to a 1/2" iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" found for corner at the base of a fence corner post;

THENCE S. 89 deg. 12 min. 27 sec. W. a distance of 77.40 feet to a 1/2" iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" found for corner in the East right-of-way line of State Highway 205 (N. Goliad);

THENCE N. 00 deg. 32 min. 36 sec. W. along the East right-of-way line of State Highway 205 (N. Goliad), a distance of 68.32 feet to the POINT OF BEGINNING and containing 19,960 square feet or 0.47 acres of land.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

I the undersigned owner of the land shown on this plat, and designated herein as HOARDSTROMS ADDITION LOT 1, BLOCK A, an Addition to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the subdivision have been notified and signed this plat.

I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same.

I also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of th eir respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maint aining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Roc kwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, sto rm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer an d/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as p rogress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I, my successors and assigns hereby waive any claim, damage, or cause of action that I may have as a result of the dedication of exaction's made herein.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 03/02/2015

APPLICANT: Harold Fetty of H.D. Fetty Land Surveyor, LLC

AGENDA ITEM: **P2015-006** (Blasé Addition - Replat)

SUMMARY:

Discuss and consider a request by Harold Fetty of H. D. Fetty Land Surveyor, LLC on behalf of the owners Chris and Jill Blasé for the approval of a replat for Lot 3, Block A, Blasé Addition being a 4.28-acre tract of land currently identified as Lot 3, Block A, Blasé Addition and a portion of Tract 11-3 of the A. Hanna Survey, Abstract No. 98, City of Rockwall, Rockwall County, Texas, zoned Single Family 10 (SF-10) District, addressed as 1220 East Fork Drive, and take any action necessary.

COMMENTS:

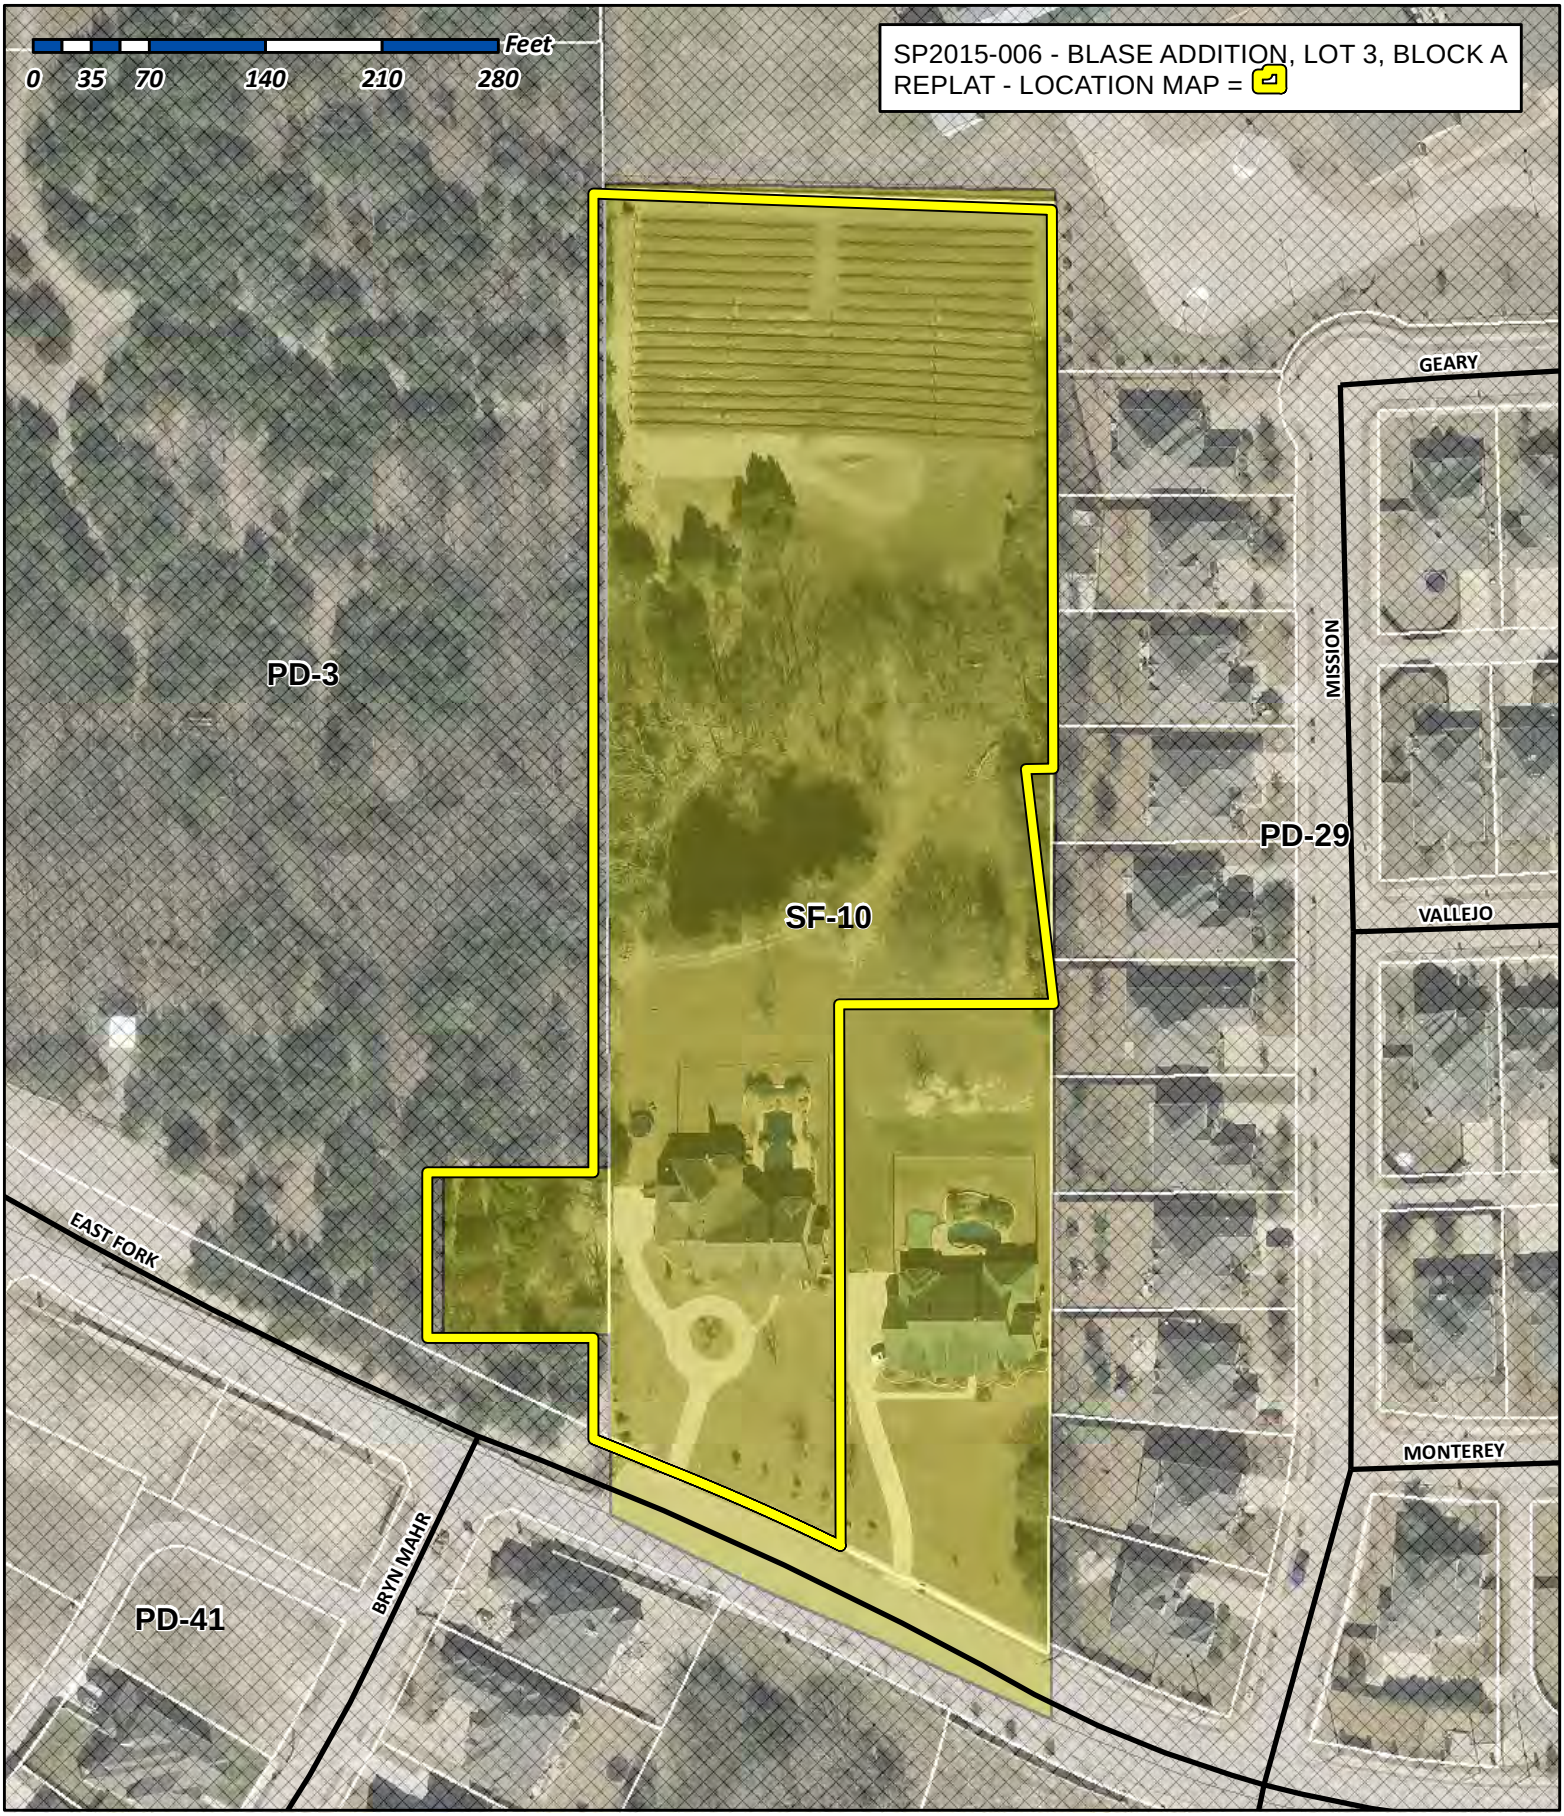
- The objective of this request is to replat an existing residential lot by incorporating a 10,000 sq. ft. area on the east side of the property. This will create a 4.28-acre parcel of land for the purpose of constructing a guest home/secondary living unit in accordance with the standards established in the Unified Development Code.

- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions below.

- With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the request for final plat, staff would recommend the following conditions of approval:



A) All the technical comments from the Engineering and Fire Departments shall be addressed prior to the filing of this plat, including the following Planning Comments;

1. Adherence to Engineering and Fire Department standards.
2. Provide call on plat where indicated as a distance of 2.80', located on the east side of property. The bearing indicated on Owners Certificate is S 00 deg, 22 min, 18 sec. East.
3. Correct signature block under "Approved" to indicate expiration as "180 days."
4. Provide case # on lower right corner at resubmittal (Case# P2015-006).

B) Any construction resulting from the approval of this final plat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Planning and Zoning Commission Recommendation:

On February 24, 2015, the Planning and Zoning Commission recommended approval of the plat with staff conditions by a vote of 6 to 0 [Conley - absent].

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. P2015-006: Blase Addition, Lot 3, Block A

Discuss and consider a request by Harold Fetty of H. D. Fetty Land Surveyor, LLC on behalf of the owners Chris and Jill Blasé for the approval of a replat for Lot 3, Block A, Blasé Addition being a 4.28-acre tract of land currently identified as Lot 3, Block A, Blasé Addition and a portion of Tract 11-3 of the A. Hanna Survey, Abstract No. 98, City of Rockwall, Rockwall County, Texas, zoned Single Family 10 (SF-10) District, addressed as 1220 East Fork Drive, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 2/24/2015 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 3/2/2015 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **3/2/2015** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

THENCE N. 00 deg. 14 min. 53 sec. W. along the west boundary line of said Lot 1, a distance of 590.03 feet to the POINT OF BEGINNING and containing 186,398 square feet or 4.28 acres of land.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

I the undersigned owner of the land shown on this plat, and designated herein as BLASE ADDITION, LOT 3, BLOCK A, an Addition to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the subdivision have been notified and signed this plat.

I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same.

I also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of th eir respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maint aining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner of any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Roc kwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, sto rm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer an d/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as p rogress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I , my successors and assigns hereby waive any claim, damage, or cause of action that I may have as a result of the dedication of exaction's made herein.

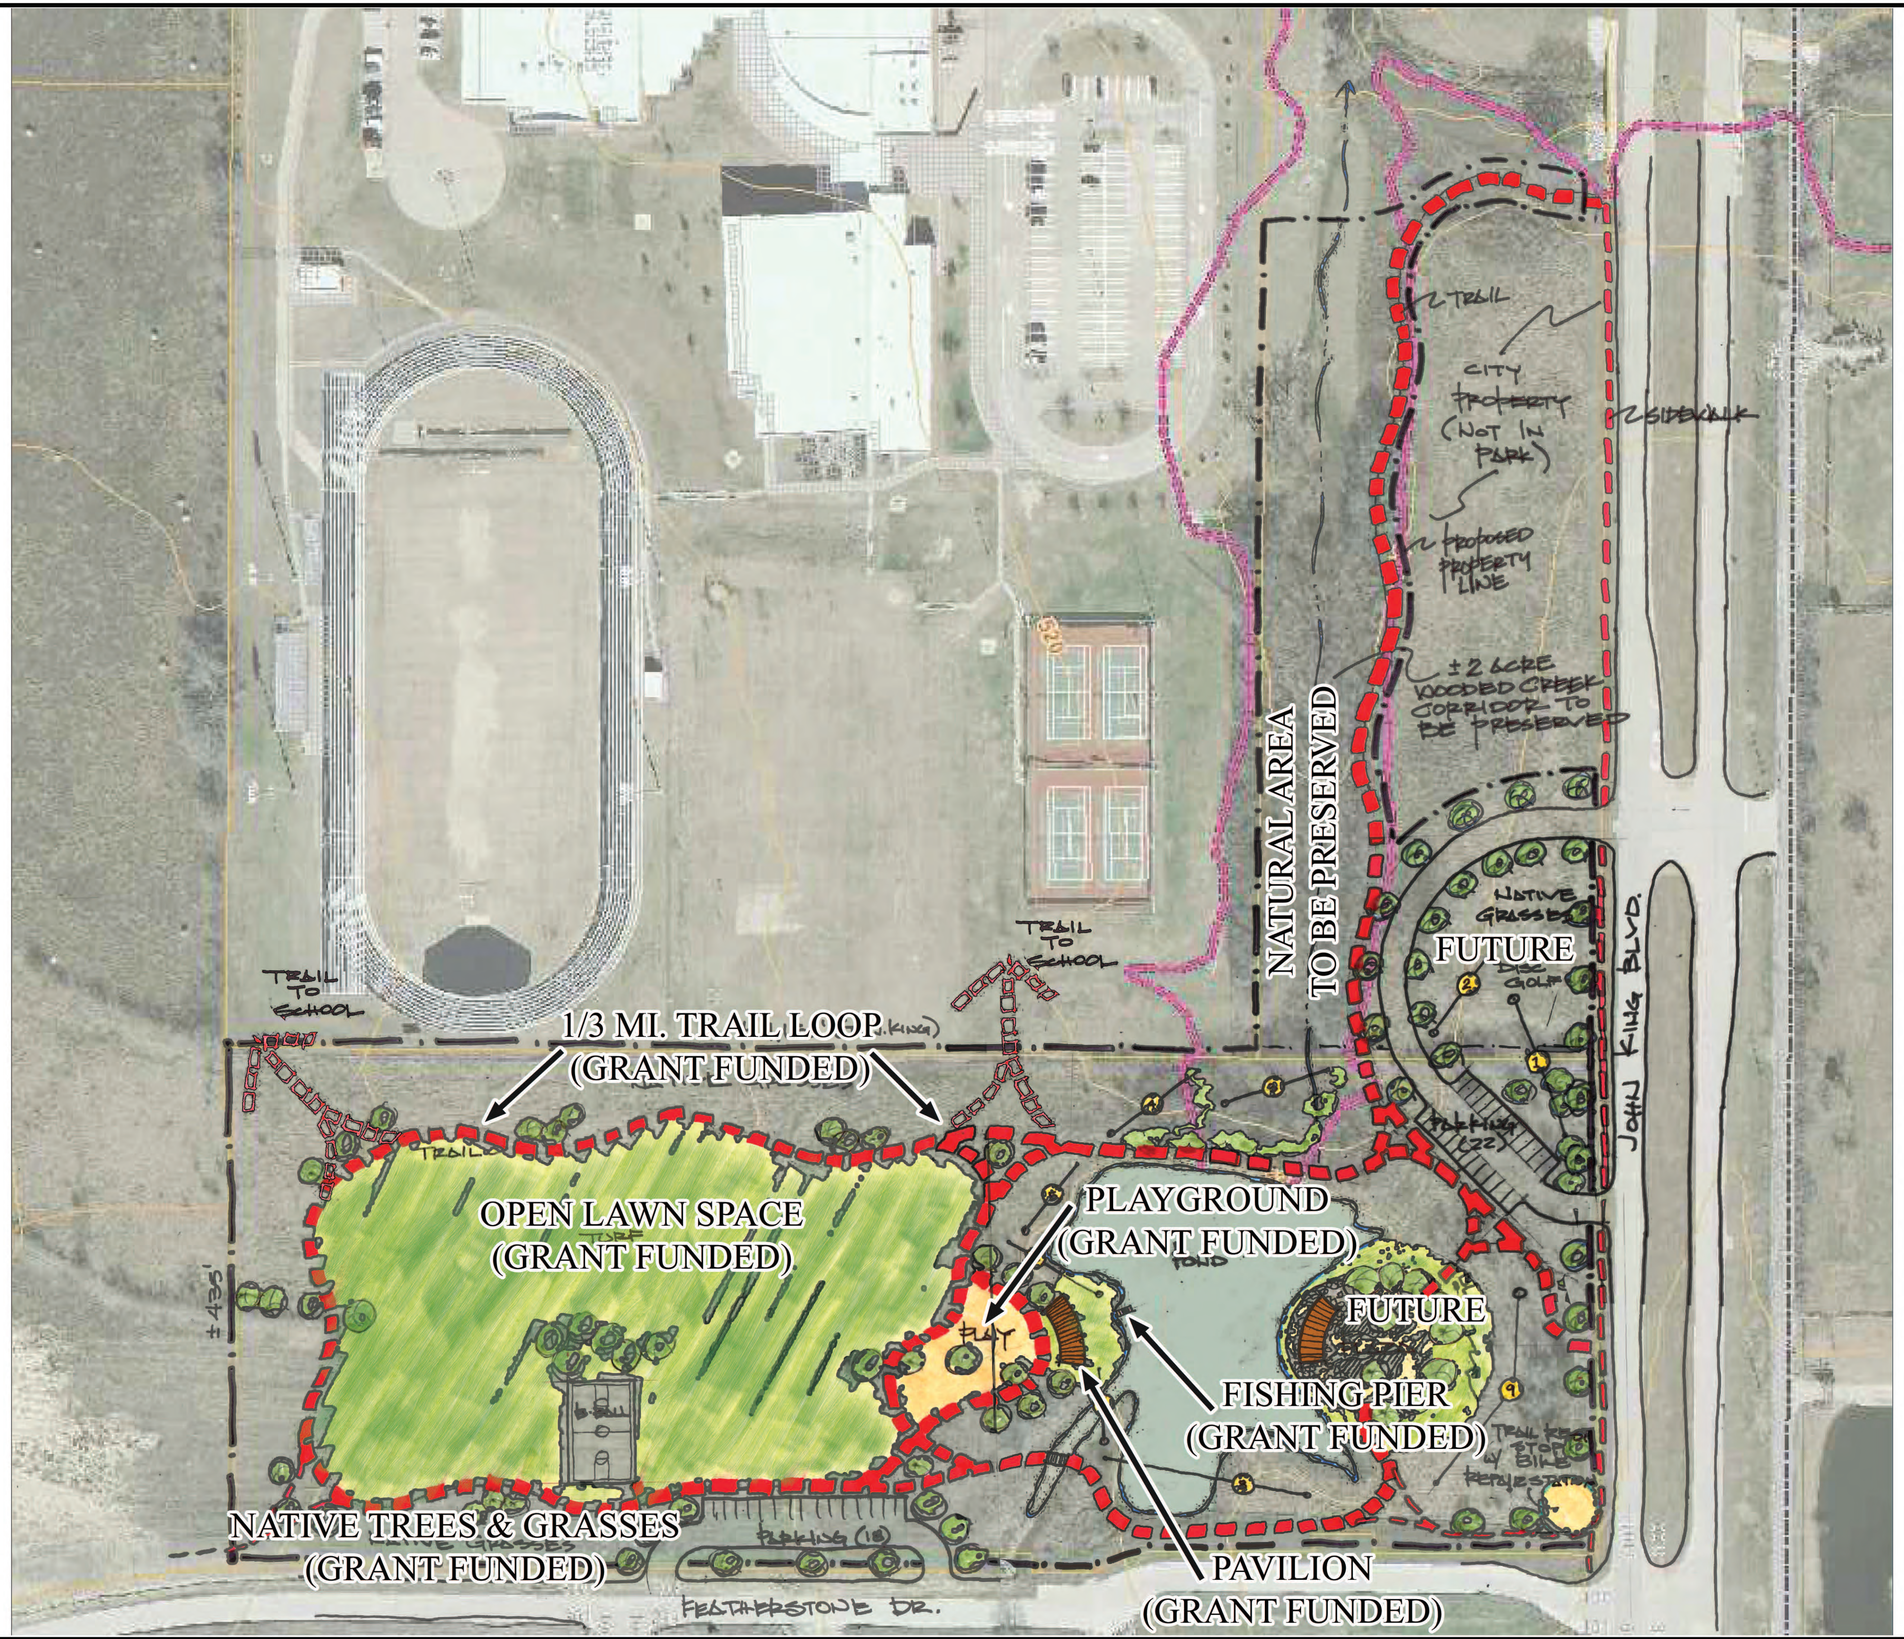
CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**



DATE: **February 26, 2015**

SUBJECT: **DESIGN CONTRACT FOR STONE CREEK PARK**

The City of Rockwall has been officially awarded $400,000 in grant funds from the Texas Recreation and Parks Account (TRPA) for developing the neighborhood park in Stone Creek. Contingent upon final execution of the contract with the Texas Parks and Wildlife (TPWD), total funds available will be $647,800. Of that amount, TPWD will contribute $400,000 and the remaining funds of $247,800 come from the developer's contributions collected in accordance with the Mandatory Park Land Dedication Ordinance.

In July of 2014, Council approved Mark Spencer of MHS Planning and Design to prepare the concept plan and grant application. The concept plan includes concrete trail, playground, small pedestrian bridge, fishing pier, native grass and tree plantings, pavilion/picnic area, open play area lawn, and off-street parking stalls.

At the February 25, 2015 meeting, Park Board voted unanimously to recommend that Council considers authorizing the City Manager to enter into an agreement with MHS Planning and Design, LLC to provide construction documents for the Stone Creek neighborhood park. The design fee is $71,200 plus expenses. The funding source will come from the $247,800 available in fees collected from developer. A copy of the approved concept plan is attached for your review.

STATE OF TEXAS

COUNTY OF ROCKWALL

This contract entered into by and between the City of Rockwall, Rockwall County, Texas (hereinafter called "OWNER") acting herein by Rick Crowley, City Manager, hereunto duly authorized, and MHS Planning & Design, LLC of Tyler, Smith County, Texas (hereinafter called the "CONSULTANT").

SECTION 1. EMPLOYMENT OF THE CONSULTANT

A. The Owner hereby employs the "CONSULTANT", and the Consultant agrees to provide consulting services in connection with the construction of The Park at Stone Creek herein after called the "PROJECT" as described in the Preliminary Budget, a copy of which is attached hereto and labeled Exhibit "A".

B. Length of Contract: The services of the Consultant shall commence upon execution of this contract. All of the services required and performed hereunder shall be completed within three years of the date of this contract. The Consultant shall not be responsible for the failure of the Contractor to perform under the terms of any construction contracts awarded as a result of the Consultant's professional services hereunder. The Consultant shall not be responsible for the failure of the Owner to budget funds, acquire property, receive bids, or otherwise diligently prosecute the Owner's responsibilities set forth herein in Section 4 or meet other terms of the potential grant agreement with Texas Parks and Wildlife Department.

SECTION 2. BASIC SERVICES OF THE CONSULTANT

A. General:

1. The Consultant agrees to perform and/or provide services in connection with the Project as hereinafter stated.

2. The Consultant shall serve as the Owner's professional representative in all phases of the project and shall give consultation and advice to the Owner during the performance of his services.

B. Preliminary Report Phase: During the preliminary report phase, the Consultant shall:

1. Consult with the Owner to determine the requirements of the Project.

2. Meet with interested citizens and the Park Board to receive input and review the final site plan.

3. Procure a topographic survey and any existing surveys of right-of-way and utilities for use in the design of the project. The development of a detailed flood

study, wetlands delineation survey and pond/lake permits is specifically excluded from the basic services of the Consultant and is addressed in Section 3 - Additional Services.

4. Provide to the Owner preliminary cost estimates for the improvements contained in the project.

5. Prepare a revised and detailed site plan and sketches for the project based on findings above.

C. Design Phase: After authorization from the Owner to proceed with the final design phase, the Consultant shall:

1. On the basis of the approved preliminary design documents coordinate and/or prepare detailed construction drawings and specifications for the Project. The construction drawings and specifications shall be prepared for the project to be bid under a single construction contract and not multiple contracts.

2. Furnish to the Owner construction plans and specifications so that the Owner may secure approval from the Texas Parks and Wildlife and Texas Department of Licensing & Regulation.

3. Advise the Owner of any adjustment of the cost estimate for the Project caused by changes in scope, design requirements or construction costs, and furnish a revised cost estimate for the Project based on the completed drawings and specifications.

4. Prepare the proposal forms, notice to bidders, and contract documents for submission by the Owner to the Owner's legal counsel for approval as to content, form, and legality.

5. Furnish copies of the contract documents consisting of plans, specifications, bid and contract documents.

6. Assist the Owner in obtaining and evaluating bids and awarding contracts for the construction of the Project. The assistance by the Consultant shall include the provision of advertisement for bids and after reviewing the bids received, making a recommendation on the awarding of a construction contract.

D. Construction Phase: After award of construction contract by the Owner, the Consultant shall:

1. Be responsible for setting benchmarks only for the construction work. The contractor shall determine alignment and grade of work to be constructed from these reference marks.

2. Make periodic visits to the site when deemed appropriate by the Consultant in the exercise of his professional judgment to observe the progress and quality of the executed work and to determine in general if the work is proceeding in accordance with the plans, specifications, and contract documents; he will not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the work; he will not be responsible for having quality control testing done; he will not be responsible for the techniques and sequences of construction and he will not be responsible for the contractor's failure to perform the construction work and will endeavor to guard the Owner against defects and deficiencies in the work of the Contractors, and may disapprove work as failing to conform to the plans and specifications, and contract documents.

3. Check samples, catalog data, laboratory testing, shop drawings, mill tests of materials and equipment, and other data which the Contractor is required to submit, only for the conformance with the design concept of the Project and compliance with the information given by the plans, specifications, and contract documents; and accept or reject all such submittal data furnished by the Contractor, materials used, and work performed by the Contractor as either complying or not complying with the intent of the plans, specifications, and contract documents.

4. Consult and advise with the Owner, act as the Owner's representative at the Project site, issue all instructions of the Owner to the construction contractors that do not conflict with good construction practice, and prepare routine change orders as required.

5. Based on his on-site observations as an experienced and qualified design professional and on his review of the contractor's applications for payment, determine the amount owing to the contractors in such amounts; such approvals of payment to constitute a representation to the Owner, based on such observations and review and data comprising such applications, that the work has progressed to the point indicated and that, to the best of his knowledge, information, and belief, the quality the work is in accordance with the plans, specifications, and contract document subject to the results of subsequent testing called for in the specifications and contract documents and any qualifications stated in this approval.

6. Conduct, in company with the Owner's representative, a final inspection of the Project for conformance with the design concept of the Project and compliance with the plans, specifications, and contract documents, and recommend in writing final payment to the contractor.

7. Make an inspection of the Project prior to expiration of the guarantee period and report observed discrepancies under guarantees provided by the construction contract.

113

8. Furnish the Owner, a set of record prints of drawings and addendum drawings showing those changes made during the construction period, based upon the marked up prints, drawings, and other data furnished by the Contractor to the Consultant and which Consultant considers to be the significant.

SECTION 3. ADDITIONAL SERVICES

A. **General**: In addition to the basic services to be furnished by the Consultant under this proposal for which the payment of the standard consulting fee shall be made, the Consultant shall furnish additional services of the following types, if AUTHORIZED BY THE OWNER IN WRITING, to be paid for by the Owner as set out in Section 5, Paragraph B.

1. Additional services due to significant changes in general scope of the project or its design including, but not limited to, changes in size, complexity, or character of construction when such changes are requested by the Owner.

2. Revising at Owner's request studies, reports, design documents, drawings or specifications which were previously approved by the Owner except the Owner shall not be obliged to pay when:

   a) The initial project bids exceed the revised cost estimate (Section 2, C3) and the changes are required to bring the project cost within previously Owner established limits, or

   b) The changes are required by regulating authorities or to bring the design into compliance with applicable codes or ordinances, or

   c) The changes are required as a result of some error or omission on the part of the Consultant.

3. Furnishing of additional copies (beyond the basic contract sets) of reports and additional prints of drawings, specifications, and contract documents.

4. Investigations involving detailed consideration of operation, maintenance, and overhead expenses; and the preparation of rate schedules, earnings and expense statements, feasibility studies, appraisals, and valuations; detailed quantity surveys of material and labor; and material audits or inventories required for certification of force account construction by the Owner.

5. Additional or extended services during the construction made necessary by (1) work damaged by fire, vandalism, or other similar causes not under the control of the Consultant, (2) prolongation of the construction contract time by more than 25 percent, (3) construction contract default due to delinquency or insolvency of the construction contractor.

114

6. The preparation of instruction manuals or of operation and maintenance beyond those furnished with fixture and equipment incorporated into the job.

7. Additional services and costs necessitated by out-of-town travel required by the Consultant other than visits to the Project and consultation in the Owner's office as required by Section 2.

8. Serving as expert witness or giving counsel for the Owner in any litigation, real or potential, or other legal proceeding involving the Project where the Consultant is not a party to the litigation.

9. Additional services in connection with the Project not otherwise provided for in this agreement.

10. If requested in writing by the Owner one or more full-time Resident-Project Representatives will be furnished and directed by the Consultant in order to provide more extensive representation at the project site during the construction phase. Such resident project representation will be paid for by the Owner as indicated in Section 5. This section however shall not restrict the Owner from employing other persons for the purpose of full or part time inspection of the project.

11. Preparation of boundary survey, geotechnical investigation, wetland delineation survey, lake permitting, flood studies, plats, legal descriptions, or deeds, record search, abstracting of ownership or other related surveyor work.

SECTION 4. THE OWNER'S RESPONSIBILITIES

The Owner shall:

A. Provide full information as to his requirements for the Project.

B. Assist the Consultant by placing at his disposal all reasonably available information pertinent to the site of the Project including all previous reports, boundary surveys, results of geotechnical testing and any other data relative to design or construction of the Project.

C. Make all provisions for the Consultant to enter upon public and private lands as required for the Consultant to perform his work under this Agreement.

D. Examine all studies, reports, sketches, estimates, drawings, specifications, proposals, and other documents presented by the Consultant and shall render in writing decisions pertaining thereto within reasonable time so as not to delay the work of the Consultant.

E. Advertise for proposals from bidders, open the proposals at the appointed time and place, and pay for all costs incident thereto.

F. Provide such legal, accounting, and insurance counseling services as may be required for the Project.

G. Designate in writing a person to act as Owner's representative with respect to the work to be performed under this Agreement; and such person shall have complete authority to transmit instructions, receive information, interpret and define Owner's policies and decisions with respect to materials, equipment and systems pertinent to the work covered by this Agreement.

H. Give prompt written notice to the Consultant whenever the Owner observes or otherwise becomes aware of any defect in the Project.

I. Furnish, or direct the Consultant to provide at the Owner's expense, necessary additional services as stipulated in Section 3 of this Agreement.

J. Obtain all easements, right-of-way, and fee simple lands for the construction of the project and bear all cost incident thereto.

K. Pay all fees imposed by local, State, or Federal regulatory agencies for the cost of review and approval of completed plans and specifications which must be submitted to those agencies.

SECTION 5. PAYMENT FOR CONSULTING SERVICES

A. Standard Consulting Fee:

1. The Owner hereby agrees to pay to the Consultant for the performance of all services as set out in Section 2 a payment of: Seventy-One Thousand, Two Hundred and no/100ths ($71,200.00) plus reimbursable mileage, postage and reproduction. This lump sum fee shall include all personnel, non-reimbursable expenses, equipment and materials required to complete the work as outlined in Section 2.

   The fee of $71,200 is based on a total construction budget of Five Hundred and Seventy-Six Thousand, Six Hundred Dollars and no/100ths ($576,600.00). The standard consulting fee shall be adjusted pro rata in the event the total construction costs deviate substantially from the scheduled construction amount. Any adjustment to the construction costs shall be approved by Owner prior to any adjustment to consulting fee.

   Payment shall be made upon receipt of the Consultant's detailed monthly invoices.

2. If this Agreement is terminated during any phase of the work authorized by the Owner, the Consultant shall be paid for services performed or provided during

such phase on the basis of his reasonable estimate of the portion of such phase completed prior to termination. In the event of any termination, the Consultant shall be paid all terminal expense resulting therefrom plus payment of any additional services then due. All previous payments to the Consultant shall be credited to any terminal payment due to the Consultant.

B. Payment for Additional Services: The Owner shall pay the Consultant for properly authorized additional services enumerated in Section 3 at the Consultant's normal hourly rates in effect at the time of the authorization for personnel involved and equipment except that such compensation shall not apply to any Project maximum fee shown in this contract.

C. Past Due Payments: In accordance with State Law the Owner shall automatically compute interest on payments past due and pay said interest in whole with the principal payment. Payments shall be considered due and payable upon receipt of the monthly invoice from the Consultant and past due 14 days after the due date.

D. Retainage: No part of the Consultant's compensation shall be withheld from him due to failure of the Contractor to perform; nor shall the Consultant's fees be reduced in the event the amounts owning under any Construction Contract are reduced by change order, settlement, or litigation.

E. Extended Service: Should the term of service required of the Consultant extend beyond the original term as shown in Section IB through no fault of the Consultant, the Consultant shall be paid the fixed fee set forth in Section 5A(1) plus he shall be compensated for the services of all personnel plus any reimbursable expenses necessary to complete the project. Compensation shall be at the hourly published rates in effect at the time of expiration of the original grant agreement.

SECTION 6. GENERAL CONSIDERATIONS

A. Termination: This Agreement may be terminated by either party by giving ten (10) days written notice in the event of substantial failure to perform in accordance of the terms hereof by one party through no fault of the other party. If this Agreement is so terminated the Consultant shall be paid for work completed plus reimbursable expenses. Reimbursable expenses include actual expense for subcontracted services, transportation, and subsistence of personnel when traveling in connection with the Project; reproduction of reports, drawings, specifications, and similar Project related items.

B. Project Documents: As part of the total compensation which Owner has agreed to pay Consultant for the consulting services to be rendered under this Agreement, Consultant agrees that hard copies of all finished and unfinished documents, surveys, preliminary reports, reports, provided by Consultant, and paid for by Owner are, and will remain, the property of the Owner. Consultant will furnish Owner with paper and electronic copies, to the extent they are available, of all of the foregoing to facilitate coordination, however; ownership of the underlying work product shall remain the intellectual property

of the Consultant. Consultant shall have the right to use such work products for Consultant's purposes. Owner may not use the documents for any purpose not intended under this Agreement without the written authorization of the Consultant.

C. Estimates: Since the Consultant has no control over the cost of labor and materials, or other competitive bidding and market conditions, the estimates of construction are to be made on the basis of his experience and qualifications but the Consultant does not guarantee the accuracy of such estimates as compared to the Contractor's bid, or the final contract cost.

D. Successors and Assigns: The Owner and the Consultant each binds himself and his officers, successors, executors, administrators and assigns to the other party of this Agreement in respect to all covenants of this Agreement; except as above, neither the Owner nor the Consultant shall assign, or transfer his interest in this Agreement without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any office or agent of any public body which may be a part hereto.

E. Records and Audits: The Consultant shall maintain accounts and records, including personnel, property and financial records, adequate to identify and account for all costs pertaining to the contract and other such records as may be deemed necessary by the City to assure proper accounting for all project funds.

F. Findings Confidential: All reports, information, and data prepared or assembled by the Consultant under this contract are confidential and the Consultant agrees that they shall not be made available to any individual or organization without the prior written approval of the Owner.

G. Interest of Members of City: No member of the governing body of the City, and no officer, employee, or agent of the City who exercises any functions or responsibilities in connection with the planning and carrying out of the program, shall have any personal financial interest, direct or indirect, in this contract; and the Consultant shall take appropriate steps to assure compliance.

H. Interest in Other Local Public Officials: No member of the governing body of the locality and no other public official of such locality, who exercises any functions or responsibilities in connection with the planning and carrying out of the program, shall have any personal financial interest, direct or indirect, in this contract; and the Consultant shall take appropriate steps to assure compliance.

I. Interest of Consultant and Employees: The Consultant covenants that he presently has no interest and shall not acquire interest, direct or indirect, in the study area or any parcels therein or any other interest which would conflict in any manner or degree with the performance of his services hereunder. The Consultant further covenants that in the performance of this contract, no person having any such interest shall be employed.

J. Personnel: The Consultant represents that he has, or will secure at his own expense, all personnel required in performing the services under this contract. Such personnel shall not be employees of the City. The Consultant further represents that although his staff does not include full time registered architects, that all personnel engaged in the work shall be fully qualified and shall be authorized or permitted under the Texas Engineering Practice Act, State Law and local law to perform such services which may be a part hereto.

K. Third Party Beneficiaries: Nothing contained in this Agreement shall create a contractual relationship with, or a cause of action in favor of a third party against either the Owner or the Consultant. The Consultant's services under this Agreement are being performed solely for the Owner's benefit, and no other entity shall have any claim against the Consultant because of this Agreement or the performance or nonperformance of services hereunder. The Owner agrees to include a provision in all contracts with contractors and other entities involved in this project to carry out the intent of this paragraph.

L. Insurance: The CONSULTANT also agrees to maintain Workers Compensation, Commercial General Liability, Business Automobile Liability, and Umbrella Liability Insurance, covering claims against the CONSULTANT for damages resulting from bodily injury, death, or property damage from accidents arising in the course of work performed under this Agreement, in the following amounts:

Workmen's Compensation: Statutory

Commercial General Liability Insurance: Personal injury and property damage -- $500,000.00 combined single each occurrence and $500,000.00 aggregate;

Business Automobile Liability for all vehicles: Bodily injury and property damage -- $500,000.00 combined single limit each occurrence;

Umbrella Liability: $1,000,000.00

M. Indemnification: Consultant agrees to indemnify and hold harmless the Owner, its officers, officials, and employees, from and against claims for damages or losses, including claims for property damage, damage to property rights, and claims for personal injury or death, including all such claims for injury or damage made by the employees of Consultant, its contractors, subcontractors, agents or suppliers, caused by the negligence or fault of the Consultant or its agents, employees, subcontractors or assigns, arising from or out of the performance or non-performance of the Agreement or its operation.

This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, and all obligations of the parties created hereunder are performable in Rockwall County, Texas. Venue for any action arising under this Agreement shall lie in Rockwall County, Texas.

IN TESTIMONY WHEREOF, the parties have affixed their hands and seals this the _____ day of _____, 2015.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **February 25, 2015**

SUBJECT: **Professional Engineering Services Contract**
Wastewater Flow Monitoring Study

Engineering designs for wastewater collection systems and treatment facilities incorporate a volume of flow which includes an amount of inflow/infiltration of stormwater into the system. Excess inflow/infiltration can inundate the carrying capacity of a pipe/facility creating an overflow of the system. The overflow discharges into the environment through streets and drainageways or back-up into residential/commercial structures. Either event is seen as potential health issue and a violation of State and Federal regulations. The City of Rockwall entered into a Sanitary Sewer Overflow Initiative on September 8, 2006 with the Texas Commission of Environmental Quality to address and reduce potential sanitary sewer overflows.

The Wastewater Master Plan includes a hydraulic model of the entire collection system. In an effort to calibrate this computerized model, actual flow data is needed for comparison at various points of the system. Utilizing this actual information, Staff will be able to perform further investigation into the operation of the system and/or recommend improvements to reduce inflow/infiltration and possible overflows.

The City's engineering consultant was requested to submit an engineering services contract to install 38 flow meters and four rain gauges in various locations of the wastewater collection system for a period of 45 days. The engineer will utilize this data to evaluate the current model for accuracy, efficiencies and deficiencies. The cost to perform this work shall not exceed $285,800.00.

Staff request City Council consideration to approve a professional engineering services contract with Birkhoff, Hendricks & Carter, LLP. for the Wastewater Flow Monitoring Study in an amount of $285,800.00.

STATE OF TEXAS ♦

♦

COUNTY OF ROCKWALL ♦

PROFESSIONAL ENGINEERING SERVICES CONTRACT

Wastewater Flow Monitoring Study

This Agreement is made and entered into in Rockwall County, Texas, between City of Rockwall, Texas ("CITY"), a municipal corporation and political subdivision of the State of Texas, acting by and through its City Manager and Birkhoff, Hendricks & Carter, LLP, ("ENGINEER"), located at 11910 Greenville Ave, Suite 600 Dallas, Texas, Engineers duly licensed and practicing under the laws of the State of Texas.

WHEREAS, CITY desires to engage Engineer as an independent contractor to render certain technical and professional services necessary for performing:

PROFESSIONAL ENGINEERING SERVICES for a Wastewater Flow Monitoring Study.

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements contained herein, the Parties hereby agree as follows:

1. Scope of Work

Engineer agrees to perform professional engineering services as specifically defined in this Contract as Exhibit "A" and as authorized by CITY. Specifically, Engineer shall perform Professional services as requested by CITY and detailed in Exhibit "A".

The Parties by mutual agreement through contract amendments may provide for additional technical and professional services to be performed under the basic general terms and conditions of this Contract. CITY reserves the right to enter into another agreement with other engineering firms to provide the same or similar professional services during the term of this Contract for different projects.

2. Compensation & Term of Agreement

Cost for such services will be an annual amount not to exceed Two Hundred Eighty Five Thousand Eight Hundred dollars ($285,800.00) and billed on a lump sum basis for Basic Services and on an hourly basis per rates for Additional Services provided in Attachment "C". Engineer is not authorized to perform any work beyond the limited not to exceed amount without authorized written approval by CITY.

The term of this Agreement shall commence upon execution of this agreement and follow the schedule described in Exhibit "B". In the event of termination, Engineer will assist the CITY in arranging a smooth transition process. However, Engineer's obligation to provide services to the CITY will cease upon the effective date of termination, unless otherwise agreed in writing.

3. Method of Payment

CITY shall pay Engineer its fees based on the presentation by Engineer to CITY of a correct monthly statement for all the amounts earned under the Contract together with reasonable supporting documentation verifying the accuracy of the fees and expenses. CITY shall then pay Engineer its fee within thirty (30) days after presentation of the accurate monthly statement by Engineer to CITY. CITY is a State sales and use tax exempt political subdivision of the State of Texas. All records supporting payment shall be kept in the offices of Engineer for a period of not less than three (3) years and shall be made available to CITY for inspection, audit or copying upon reasonable request.

4. Engineer's Standard of Care

Engineer shall provide its services under this Contract with the same degree of care, skill and diligence as is ordinarily provided by a professional Engineer under similar circumstances for a similar project. Engineer represents that it has the capability, experience, available personnel, and means required to perform the services contemplated by this Contract. Services will be performed using personnel and equipment qualified and/or suitable to perform the work requested by the CITY. CITY retains the right to report to Engineer any unsatisfactory performance of Engineer personnel for appropriate corrective action. Engineer shall comply with applicable federal, state, and local laws in connection with any work performed hereunder.

Engineer will seek written CITY approval to accept any contract or perform any services for any person, entity, or business that has an agreement or is in negotiations of an agreement with CITY. CITY may waive this conflict, but such waiver is at CITY's sole discretion and its decision shall be final.

5. Ownership of Documents

As part of the total compensation which CITY has agreed to pay Engineer for the professional services to be rendered under this Contract, Engineer agrees that hard copies of all finished and unfinished documents, data, studies, surveys, drawings, specifications, field notes, maps, models, photographs, preliminary reports, reports, bid packet/construction contract documents/advertisement for bids incorporating any CITY standard provisions provided by Engineer, will remain the property of the CITY. Engineer will furnish CITY with paper and electronic copies, to the extent they are available, of all of the foregoing to facilitate coordination, however, ownership of the underlying work product shall remain the intellectual property of the Engineer. Engineer shall have the right to use such work products for Engineer's

purposes. However, such documents are not intended to be suitable for reuse by CITY or others on extension of the Project or on any other project. Any reuse without the express written consent of the Engineer will be at reuser's sole risk and without liability or legal exposure to the Engineer, and CITY to the extent allowed by law, shall hold harmless the Engineer from all claims, damages, losses, expenses, and costs, including attorneys' fees arising out of or resulting from the reuse of said documents without the Engineer's consent. The granting of such consent will entitle the Engineer to further compensation at rates to be agreed upon by CITY and the Engineer. The above notwithstanding, Engineer shall retain all rights in its standard drawing details, designs, specifications, databases, computer software and any other proprietary and intellectual property information provided pursuant to this Contract, whether or not such proprietary information was modified during the course of providing the services.

6. Insurance

A. Engineer agrees to maintain Worker's Compensation and Employer's Liability Insurance to cover all of its own personnel engaged in performing services for CITY under this Contract in at least the following amounts:

Workmen's Compensation – Statutory
Employer's Liability – $100,000.00
Bodily Injury by Disease - $500,000 (policy limits)
Bodily Injury by Disease - $100,000 (each employee)

B. Engineer also agrees to maintain Commercial General Liability, Business Automobile Liability, and Umbrella Liability Insurance covering claims against Engineer for damages resulting from bodily injury, death or property damages from accidents arising in the course of work performed under this Contract in not less than the following amounts:

$2,000,000.00 General aggregate limit

$1,000,000.00 each occurrence sub-limit for all bodily injury or property damage incurred all in one occurrence

$1,000,000.00 each occurrence sub-limit for Personal Injury and Advertising

C. Engineer shall add CITY, its City Council members and employees, as an additional insureds on all required insurance policies, except worker's compensation, employer's liability and errors and omissions insurance. The Commercial General Liability Policy and Umbrella Liability Policy shall be of an "occurrence" type policy.

D. Engineer shall furnish CITY with an Insurance Certificate on the date this Contract is executed and accepted by CITY, which confirms that all above required insurance policies are in full force and effect.

E. Engineer agrees to maintain errors and omissions professional liability insurance in the amount of not less than one million dollars ($1,000,000) annual aggregate, on a claims made basis, as long as reasonably available under standard policies.

7. **INDEMNIFICATION**

ENGINEER SHALL INDEMNIFY AND SAVE HARMLESS THE CITY AND ITS CITY COUNCIL MEMBERS AND EMPLOYEES FROM SUITS, ACTIONS, LOSSES, DAMAGES, CLAIMS, OR LIABILITY, INCLUDING WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, ALL EXPENSES OF LITIGATION, COURT COSTS, AND REASONABLE ATTORNEY'S FEES FOR INJURY OR DEATH TO ANY PERSON, OR INJURY TO ANY PROPERTY, RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY, TO THE EXTENT CAUSED BY THE NEGLIGENT ACTS OF ENGINEER OR ITS AGENTS OR EMPLOYEES, IN THE EXECUTION OF PERFORMANCE OF THIS CONTRACT.

ENGINEER'S TOTAL LIABILITY TO CITY FOR ANY LOSS OR DAMAGES FROM CLAIMS ARISING OUT OF, OR IN CONNECTION WITH, THIS CONTRACT FROM ANY CAUSE INCLUDING ENGINEER'S STRICT LIABILITY, BREACH OF CONTRACT, OR PROFESSIONAL NEGLIGENCE, ERRORS AND OMISSIONS SHALL NOT EXCEED ONE MILLION DOLLARS ($1,000,000.00). NEITHER PARTY TO THIS AGREEMENT SHALL BE LIABLE TO THE OTHER PARTY OR ANY THIRD PARTY CLAIMING THROUGH THE OTHER RESPECTIVE PARTY, FOR ANY SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE, LIQUIDATED, DELAY OR CONSEQUENTIAL DAMAGES OF ANY KIND INCLUDING BUT NOT LIMITED TO LOST PROFITS OR USE OF PROPERTY, FACILITIES OR RESOURCES, THAT MAY RESULT FROM THIS AGREEMENT, OR OUT OF ANY GOODS OR SERVICES FURNISHED HEREUNDER.

8. Addresses for Notices and Communications

CITY
Mary Smith
City of Rockwall
385 S. Goliad
Rockwall, Texas 75087

Engineer
Matt Hickey, P.E.
Birkhoff, Hendricks & Carter, LLP
11910 Greenville Ave. Suite 600
Dallas, Texas 75243

All notices and communications under this Contract shall be mailed or delivered to **CITY** and **Engineer** at the above addresses.

9. Successors and Assigns

CITY and Engineer each binds itself and its successors, executors, administrators and assigns to the other parties of this Contract and to the successors, executors, administrators and assigns of such other parties, in respect to all covenants of this Contract. Except as noted in the first part of this Paragraph, neither CITY nor Engineer shall assign, sublet or transfer its interest in this Contract without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer, council member, employee or agent of any public body which is a party hereto.

10. Termination for Convenience of the Parties

Engineer and CITY may terminate this Contract for their convenience at any time by giving at least thirty (30) days notice in writing to each other. If the Contract is terminated by CITY and/or Engineer as provided herein, Engineer will be paid for the Work provided and expenses incurred up to the termination date, if such final compensation is approved by CITY, in its sole discretion. If this Contract is terminated due to the fault of Engineer, Paragraph 10 hereof, relative to Termination for Cause, shall apply.

11. Changes

CITY may, from time to time, request changes in the Scope of Work of **Engineer** to be performed hereunder. Such changes, including any increase or decrease in the amount of **Engineer's** compensation, or time for performance, which are mutually agreed upon by and between **CITY** and **Engineer**, shall be incorporated in written amendments to this Contract. Any subsequent contract amendments shall be executed by the City Manager or other authorized representative as designated by the City Manager or City Council.

Any alterations, additions or deletions to the terms of this Contract, including the scope of work, shall be by amendment **in writing** executed by both CITY and Contractor.

13. Reports and Information

Engineer, at such times and in such forms as **CITY** may reasonably require, and as specified in the Scope of Work or in additional Contract Amendments shall furnish **CITY** periodic reports pertaining to the Work or services undertaken pursuant to this Contract, the cost and obligations incurred, or to be incurred in connection therewith, and any other matter covered by this Contract.

14. Entire Agreement

This Contract and its Exhibits and any future Contract Amendments constitute the entire agreement, and supersede all prior agreements and understandings between the parties concerning the subject matter of this Contract.

15. Waiver

The failure on the part of either party herein at any time to require the performance by the other party, of any portion of this Contract, shall not be deemed a waiver of, or in any way affect that party's rights to enforce such provision, or any other provision. Any waiver by any party herein of any provision hereof, shall not be taken or held to be a waiver of any other provision hereof, or any other breach hereof.

16. Severability

The invalidity or unenforceability of any provision of this Contract shall not affect the validity or enforceability of any other provision of this Contract.

17. Survival

Any and all representations, conditions and warranties made by Engineer under this Contract are of the essence of this Contract and shall survive the execution, delivery and termination of it.

18. Governing Powers and Law

Both Parties agree and understand that the City does not waive or surrender any of its governmental powers by execution of this Agreement. To that end, the parties further understand that this agreement shall not be considered a contract for goods or services under Texas Local Government Code, Section 271.151 and Contractor waives any right or entitlement granted said provisions. This Contract is governed by the laws of the State of Texas and all obligations of the parties under this Contract are performable in Rockwall County, Texas.

19. Attorney's Fees

If it is necessary for either Party herein to file a cause of action at law or in equity against the other Party due to: (a) a breach of this Contract by the other Party and/or (b) any intentional and/or negligent act or omission by the other Party arising out of this Contract, the non-breaching or non-negligent Party shall be entitled to reasonable attorney's fees and costs, and any necessary disbursements, in addition to any other relief to which it is legally entitled.

20. State or Federal Laws

This Contract is subject to all applicable federal and state laws, statutes, codes, and any applicable permits, ordinances, rules, orders and regulations of any local, state or federal government authority having or asserting jurisdiction, but nothing contained herein shall be construed as a waiver of any right to question or contest any such law, ordinance, order, rule or regulation in any forum having jurisdiction.

SCOPE OF SERVICES

Wastewater Flow Monitoring Program

General Description

The City of Rockwall's Wastewater Collection System Master Plan was updated in June, 2014. As part of the update, the hydraulic wastewater model was updated. However, due to the absence of recent wastewater flow monitoring data, the model was not calibrated to match observed flow data. The report published for the update recommended the City engage in a system wide Wastewater Flow Monitoring Program, which would allow the City to develop a comprehensive understanding of the wastewater system.

The scope of services included in this project is as follows:

PART I: Basic Services

A Wastewater Flow Monitoring Coordination and Analysis

1. Develop criteria for the purpose of determining wastewater flow meter locations. The criteria typically include basins area, linear feet of wastewater pipe per basin, proximity to surrounding meters, and access to the flow meter site.

2. Utilizing the City's existing network of the wastewater collection system, determine wastewater flow meter sites (manholes). Site selections will consider the locations of existing lift stations. City staff will be consulted prior to final site selection.

3. Develop flow monitoring basin map, with basins being delineated predominantly utilizing the divisions within the existing collection system.

4. Conduct field investigation of selected sites (manholes) to confirm conditions are acceptable for monitoring. Common cues include bends at manhole inverts, internal or external drops, obstructions, turbulent flow, or interception of lateral pipes.

5. Determine locations to deploy four (4) rain gauges. Rain gauge sites will be selected based on availability of secure sites, number of flow meters, size of flow meter basins, and geographic area.

6. Coordinate deployment effort of approximately thirty-eight (38) area-velocity wastewater flow meters as exemplified by ADS Environmental Service at the final meter site selections. The meters will be initially deployed for a period of 45 days, with optional 14 day extensions as required to establish reliable wet weather flow patterns. This Scope allows for meter deployment of a single occurance or split over a 2-year period (two deployments). If a split deployment is opted for, it is anticipated that in year one, approximately sixteen (16) meters will be deployed within the Squabble Creek drainage basin, while in year two, approximately twenty-two (22) meters will be deployed within the Buffalo Creek drainage basin.

7. The flow monitoring data will be analyzed to establish existing dry-weather flow peaking patterns (diurnal curves). Flow monitoring data from a representative meter basin (mixture of newer and older developments) will be used to develop a dry-weather flow pattern for future development.

8. Unique per capita flow rates will be determined for each meter basin, utilizing the average dry weather flow monitoring results and the populations as determined from the most current parcel maps available.

9. The flow monitoring data will also be analyzed to determine the system response to a wet weather event. The amount of inflow and infiltration (I/I) within each basin will be determined within each meter basin, allowing the level of wet weather influence within each basin to be prioritized. Hydrographs will be created within each basin to simulate the system response.

10. Prepare written flow monitoring report summarizing the basis and findings of the study. Report to include graphical and tabular description of flow monitoring results from each meter site as observed during dry and wet weather flow conditions. Also included will be a prioritization of meter basins based on Infiltration and Inflow observations, and recommendations for further investigation and/or system improvements.

PART II: Additional Services

A. Wastewater Flow Meters & Rain Gauges (Initial 45-day Deployment)

1. Deploy approximately thirty-eight (38) flow meters and four (4) rain gauges in the existing wastewater collection system to monitor wastewater flow and rainfall data. Initially, the meters will be deployed for a period of 45-days. Flow meter and rain gauge ownership and maintenance and monitoring will be provided by ADS Environmental Services.

    - Squabble Basin Deployment – An estimated sixteen (16) flow meters and two (2) tipping bucket rain gauges will be deployed in the Spring of 2015.
    - Buffalo Basin Deployment – An estimated twenty two (22) flow meters and two (2) tipping bucket rain gauges will be deployed in the Spring of 2016.

B. Hydraulic Wastewater Model Update and Calibration

1. Utilizing results of flow monitoring described above simulate base (dry weather) flow and peak (wet weather) conditions in the existing wastewater collection system model updated as part of the 2013 Wastewater Master Plan Update.
2. Refine wastewater flow loading calculations to link the metered basins with the modeling basins developed as part of the 2013 Wastewater Master Plan Update.
3. Update existing wastewater loading calculations to accommodate per-capita flow rates and Inflow and Infiltration (I/I) rates as determined within each meter basin.
4. Apply dry weather (diurnal curves) and I/I peaking patterns created to model.
5. Adjust model variables to simulate the field observed flow monitoring data. Adjustments may be made to lift station settings, pipe friction coefficients, distribution of model loads, and model connectivity.
6. A trial and error method will be utilized until existing model results are within 10% of observed flow monitoring field data or when funds are expended. A 10% or greater accuracy will be considered calibrated and within model tolerances.
7. Updated loading criteria will be developed for the buildout model based on flow monitoring data gathered from newer basins. The buildout model sizes will be revised accordingly to accommodate updated peak flows.
8. Update Master Plan Map published in 2014 to reflect updated model information.

C. Deliverables

1. Deliver five (5) copies of preliminary reports without flow meter data for the Flow Monitoring Study for City staff review.

2. Prepare and deliver one unbound original copy of the final Flow Monitoring Study Report. The report will be capable of reproduction by the City.

3. Prepare and deliver five (5) bound copies of the final Flow Monitoring Study Report, including methodology of the analysis, recommendations, computer printouts and 2000 scale maps.

4. Deliver AutoCAD based electronic files (current release) of the updated Wastewater Master Plan Map and Wastewater Flow Meter Basin Map.

5. Deliver InfoSewer hydraulic models for existing and buildout model years containing the InfoSewer database attributes and associated data files.

6. Deliver electronic files of the report and exhibits in MS Office and PDF file format.

7. Deliver five (5) full size copies and PDF of the updated Wastewater Master Plan Map.

D. Wastewater Flow Meters & Rain Gauges (14-day Extension)

1. An optional 14-day extension will be available on an as-needed basis. If adequate wet weather conditions are not observed during the initial 45-day period, the City staff will be consulted regarding the extension. The 14-day extension will not be engaged without written direction from the City.

PROJECT SCHEDULE

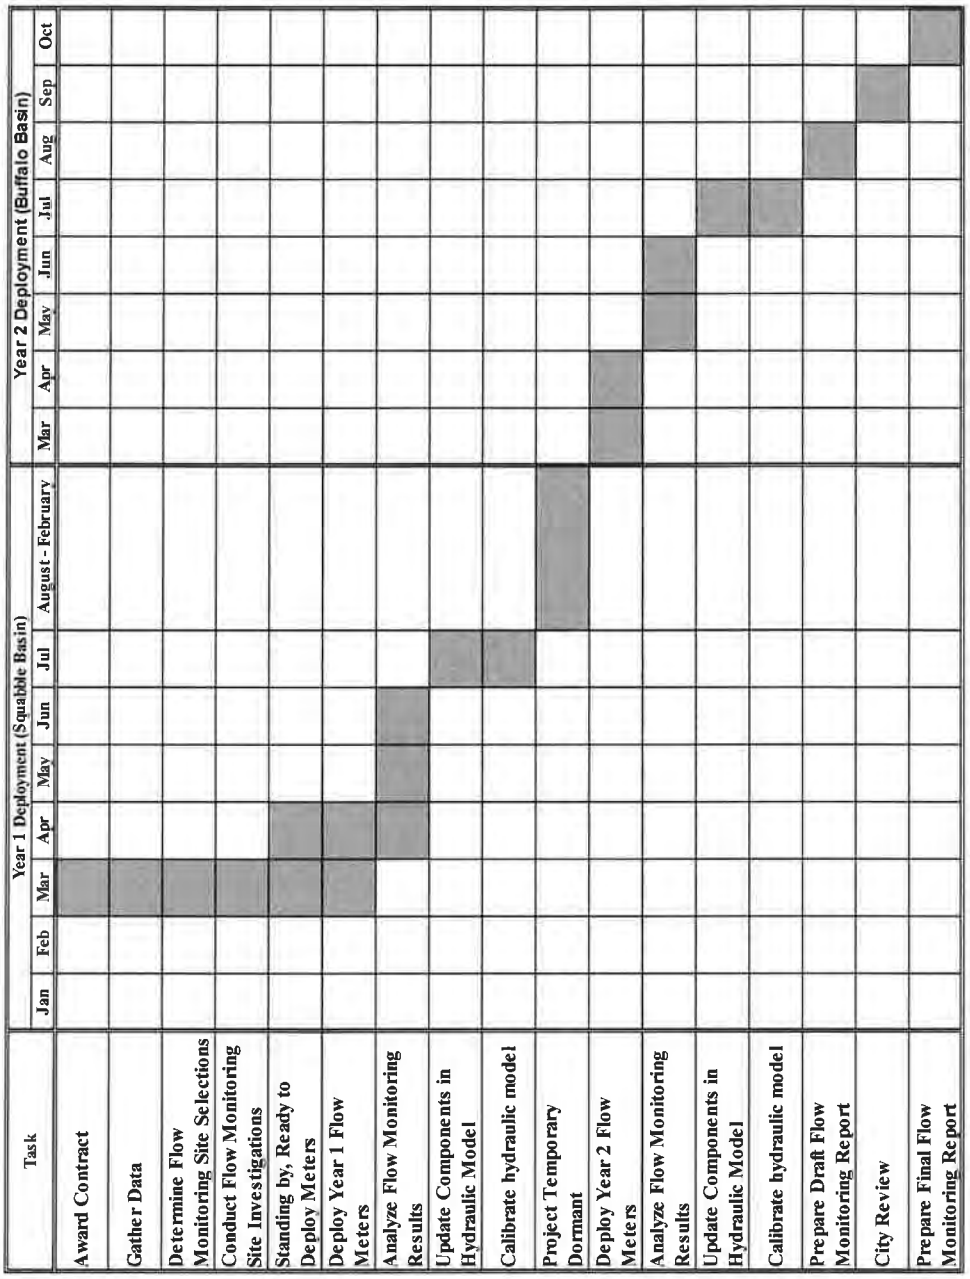

Exhibit "C" to Agreement between the City of Rockwall, Texas (CITY) and Birkhoff, Hendricks & Carter, L.L.P, (ENGINEER) for Professional Services Dated _____, 2015

ATTACHMENT "C"

COMPENSATION SCHEDULE

PART I - BASIC SERVICES (LUMP SUM)

Compensation for the Basic Services described in Part I shall be on a lump sum basis as shown below:

A.	Wastewater Flow Monitoring Coordination & Analysis	$92,100.00
	Total Amount, Basic Services:	***$92,100.00***

PART II - ADDITIONAL SERVICES

For the Additional Services described in Part II, we propose to be compensated on a salary cost basis times a multiplier of 2.40, with expenses at actual invoice cost times 1.15. Automobile mileage for additional services will be invoiced at $0.55 per mile.

We suggest you budget approximately $230,100 in the following amounts for additional services for this project:

A.	Wastewater Flow Monitoring (ADS)	$147,700.00
B.	Wastewater Model Update & Calibration	$44,000.00
C.	Deliverables:	$2,000.00
	Total Amount, Additional Services:	***$193,700.00***
	Total Fee Not to Exceed Amount:	***$285,800.00***

Invoices will be posted monthly based upon estimate of work complete for Parts I and based on actual hourly effort and expenditures for Part II. Payment is due upon receipt of invoice.

The maximum overall fee established herein shall not be exceeded without written authorization from the City, based on increased scope of services.

At the City's option, additional flow monitoring time (Part D Additional Services) can continue for 14-days with a contract amendment in the amount of $36,400.00.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Mayor and City Council**

FROM: **Rick Crowley, City Manager**

DATE: **February 27, 2015**

SUBJECT: **Domestic Violence Investigator/Prevention Officer Grant Application Resolution – Year 2 Funding**

The Rockwall Police Department was awarded grant funding through the Criminal Justice Division of the Governor's office for year one of our new Domestic Violence Investigator position in CID. The position was included in the fiscal year 2015 budget contingent on grant funding which was approved in September 2014. The City must reapply for funding each year of the program.

The accompanying Resolution authorizes the submission of the grant application for year two and designates the City Manager as the City's authorized official for the grant program. The Department has prepared the grant application.

If year two grant funding is approved, the city's matching contribution would be to fund benefits, training, and other operational expenses associated with the position. While some of the local contributions are non-cash, the total cash paid by the city would be about $27,500. If approved by the state, the grant for year two would begin in September 2015.

The resolution is attached for your review and the staff will be available at the meeting to answer any questions that you may have. Approval of the Resolution is requested.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 15-__

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, APPLYING FOR AND ACCEPTING 2nd Year GRANT FUNDING FROM THE VIOLENT CRIMES AGAINST WOMEN (VCAW) GRANT PROGRAM THROUGH THE CRIMINAL JUSTICE DIVISION OF THE OFFICE OF THE GOVERNOR FOR THE CREATION OF A DOMESTIC VIOLENCE INVESTIGATOR / PREVENTION OFFICER; ESTABLISHING THE DUTIES AND RESPONSIBILITIES OF SAID GRANT REQUIREMENTS; DESIGNATING THE CITY MANAGER AS THE AUTHORIZED OFFICIAL FOR THE GRANT APPLICATION; PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Rockwall finds it in the best interest of the citizens of Rockwall, Texas, that funding for the continuation of a Domestic Violence Investigator/Prevention Officer be requested through the VCAW Program and that activities of said Investigator continue in the year 2015; and

WHEREAS, the City of Rockwall understands that matching funds are required for the said project through the VCAW grant application; and

WHEREAS, the City of Rockwall agrees that in the event of loss or misuse of the Criminal Justice Division funds, the City of Rockwall will return the funds in full to the Criminal Justice Division (CJD).

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the City of Rockwall hereby designates Rick Crowley, City Manager, as the grantee's Authorized Official (AO) and empowers him to apply for, accept, reject, alter or terminate the grant on behalf of the City of Rockwall;

Section 2. That the City of Rockwall approves submission of a grant application for the continuation of a Domestic Violence Investigator / Prevention Officer to the Office of the Governor, Criminal Justice Division; and

Section 3. That this Resolution shall be effective immediately after passage and approval, and it is so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 3rd day of March, 2015.

ATTEST: **Jim Pruitt, Mayor**

Kristy Ashberry, City Secretary

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Robert LaCroix, *Director of Planning and Zoning*

FROM: Ryan Miller, *Planning Manager*

DATE: March 2, 2015

SUBJECT: Hance Property (AG to PD) [*Z2015-003*]

At their regularly scheduled meeting on February 24, 2015, the Planning and Zoning Commission, at the request of the applicant (*Adam Buczek*), postponed the public hearing to March 10, 2015. This means that the projected City Council public hearing will be held at the March 16, 2015 meeting. According to Section 6.2, *Public Hearing Postponements, Recess, and Continuations*, of the Article II of the Unified Development Code, a public hearing may be postponed by announcing the postponement at the public hearing by stating the time and place the new public hearing is scheduled to begin. The announcement of a postponement shall be sufficient notice and no additional notice shall be required.

2/19/15

M. Ryan Miller,

Please postpone the Hance P&Z public hearing until March 10th.

Cordially yours,
John Hance
President

149

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Robert LaCroix, *Director of Planning and Zoning*

FROM: Ryan Miller, *Planning Manager/Historic Preservation Officer (HPO)*

DATE: March 2, 2015

SUBJECT: Z2015-005; *Landmark Property Designation for the County Courthouse*

In accordance with Section 6.2, *Historic Overlay (HO) District*, of the Unified Development Code (UDC), City staff has initiated a zoning case on behalf of the Historic Preservation Advisory Board (HPAB) for the purpose of designating the historic downtown County Courthouse a *Local Landmark Property*. Through this process, City staff has received positive recommendations from the Rockwall County Historic Foundation and the Rockwall County Historical Commission. Additionally, on December 19, 2014 the Rockwall County Commissioner's Court reviewed the request and approved a motion to allow the case to proceed to the Rockwall City Council by a vote of 5-0. If the City Council chooses to approve the case and designate the Courthouse as a *Local Landmark*, City staff (at the direction of the HPAB) will be pursuing having the Courthouse placed on the *National Registry of Historic Places*. Staff should mention that the State Historical Preservation Office (SHPO) has already approved a *determination of eligibility* and has relayed to staff that the Courthouse is an eligible structure. It should also be noted that the approval of either of these designations will not add any additional restrictions on the property that are not already in place by the Texas Historic Commission (THC) from the grant approved in the late 1990's.

Staff has included in your packet a copy of the report that was provided to the HPAB, as well as, all recommendations from the Rockwall County Historic Foundation, the Rockwall County Historical Commission, and the County Commissioner's Court.

Staff mailed one hundred fifty-five (155) notices to property owners within 500 feet of the subject property. At the time this memo was drafted, staff has received six (6) notices "for" the zoning change requested.

On February 24, 2015, the Planning and Zoning Commission recommended approval of the designation of the Historic Downtown Courthouse as a Landmark District by a vote of 6 to 0 [Conley – absent].

CITY OF ROCKWALL
HISTORIC PRESERVATION ADVISORY BOARD (HPAB) MEMO

AGENDA DATE: 02/19/2015

APPLICANT: City of Rockwall

AGENDA ITEM: **H2015-001**; Landmark Designation: Historic Downtown Courthouse

---

SUMMARY:

Hold a public hearing to discuss and consider a City initiated request for the purpose of designating the Historic Downtown Courthouse as a Local Landmark per the designation procedures stipulated by Section 6.2, Historic Overlay (HO) District, of the Unified Development Code, being a 0.918-acre parcel of land identified as Rockwall O T Addition, City of Rockwall, Rockwall County, Texas, zoned Downtown (DT) District, addressed as 101 E. Rusk Street, and take any action necessary.

DISCUSSION:

After receiving direction from the Rockwall Historic Preservation Advisory Board (HPAB), and recommendations from the Rockwall County Historical Foundation, the Rockwall County Historical Commission, and the Rockwall County Commissioners Court, the City of Rockwall has initiated a request for the purpose of designating the *Historic Downtown Courthouse* as a local *Landmark Property* with the intent of pursuing a *National Register of Historic Places* designation. The *Historic Downtown Courthouse* is prominently located on the northeast corner of Goliad Street and Rusk Street on a 0.918-acre parcel of land and is addressed as 101 E. Rusk Street. The property is identified to be within the Rockwall O T Addition and is zoned Downtown (DT) District.

Historical Perspective:

Since the 1800's, there have been four courthouses located on this site:

- The first courthouse (construction date not known) was a wooden framed building that was destroyed by fire in 1875. The fire had also consumed all of the existing County records.

- The second courthouse was also a wooden framed building that was built in 1878 and was destroyed by fire 1891; however, at the time of construction a second out building made of stone stored the County's records separately and prevented them from being destroyed by the ensuing fire.

- A third courthouse constructed of native sandstone was built in 1892. Due to the deteriorating mortar of the 2nd floor, the building was condemned and eventually demolished in 1940.

The *Historic Downtown Courthouse* was the fourth courthouse built on this site. It began construction in 1940. The building features an Art Deco design that is seemingly visually symmetrical and is indicative of the geometrically straight and clean appearance that defines Art Deco.

Design Perspective:

The existing *Historic Downtown Courthouse* represents distinctive characteristics associated with Art Deco (Moderne or Modernistic) design elements that were considered to have escaped the traditional revivalist representation. Art Deco was characteristically European and began to have an impact on American architecture in the late 1920's and was known for its artistic expressions that complemented the machine age. Art Deco was essentially a style of decoration and ornamentation, such as motifs, that provided low-relief geometrical designs such as parallel straight lines, zigzags, chevrons, and stylized floral or fountain motifs. Exterior architectural elements were characterized by concrete, smooth-faced stone, and metal that were additionally accentuated with elements such as terra cotta, glass block, and colored mirrors. The effect was to capture a streamlined futuristic display of simplicity. Art Deco was a conscience rejection of historical styles and a popular form of ornamentation.

Historical Analysis:

The *Historic Downtown Courthouse* began construction in 1940 after receiving a $52,000 Work Projects Administration (WPA) grant toward its construction. The WPA, instituted by President Franklin D. Roosevelt in the mid 1930's, provided millions of jobs to the unemployed during the Great Depression. The WPA included the construction of public buildings and roads throughout the United States and was instrumental during the New Deal Era intending to end the depression. The total construction cost for the *Historic Downtown Courthouse* was $92,000.

When constructed, the *Historic Downtown Courthouse* was designed to emulate the architectural style of Dallas' Fair Park district, which incorporated Art Deco as its theme. The courthouse expresses many elements of Art Deco design by incorporating low-relief elements such as geometrically paralleled straight lines that are highly visible from the window/pilaster combination on all sides of the building, ornamental and decorative motifs that are present on each façade (primarily at the entrances), decorative cornices with chevron patterns evident on portions of the building and the smooth simplicity of the overall appearance of the courthouse.

The *Historic Downtown Courthouse* is recognized as one of only seven courthouses in Texas to incorporate the stylistic design of Art Deco.

Renovation:

The *Historic Downtown Courthouse* completed a renovation project in 2002 with federal assistance from an ISTEA (Intermodal Surface Transportation Efficiency Act) Grant. The grant was instrumental in the replacement of windows, window frames and hardware, and the replacement of the exterior doors, exterior lighting and landscaping. The grant also assisted with truss repair in order to assure the structural integrity of the building. The removal of mechanical units and exterior electrical wiring was also planned for the facility.

Significant Persons:

Rockwall County Judge Mike Reinhardt, serving his third term, played a pivotal role in securing funding for the project through the WPA program. Prior to the demolition of the 3rd courthouse, Judge Reinhardt, and seven other county judges from Texas, traveled to Washington D.C. and convinced lawmakers to extend the life of the WPA program for Texas.

On January 19, 1940, Rockwall County Judge Mike Reinhardt, supported by Congressman Sam Rayburn and Senators Tom Connally and Morris Sheppard, was awarded a $52,000 WPA grant towards the construction of the Rockwall County Courthouse. Judge Reinhardt died the very next day of acute pneumonia in a Washington hospital.

Unified Development Code:

According to Article V, Section 6.2, Historic Overlay (HO) District, of the Unified Development Code (UDC), the board may recommend to the Commission and the City Council that certain properties be "landmark districts"…as provided for in the Unified Development Code. Any such designation must comply with all limitations expressed in subsections E.5 and E.6…Such a property or district shall bear the word "landmark" or "historic" in their zoning designation. The UDC reads as follows:

E. *Designation procedures.*

5. A historic landmark property may be a single property or structure not contiguous to or part of an existing historic district, but is deemed worth of preserving. A landmark district may be designated if the property meets one of the following:

a. Possesses significance in history, architecture, archeology, and/or culture;

b. Is associated with events that made a significant contribution to the broad patterns of local, regional, state and/or national history;

c. Is associated with the lives of persons significant in the city's past;

d. Embodies the distinctive characteristics of a type, period, and/or method of construction;

e. Represents the work of a master designer, builder, and/or craftsman; or

f. Represents an established and familiar visual historical feature of the city.

6. The board may recommend a historic district to the council to be designated if it:

a. Contains a significant number of properties which meet one or more of the criteria for designation of a landmark as outlined in subsection E.5 above, or

b. Constitutes a distinct historical section of the city.

RECOMMENDATIONS:

In your packet are letters from the Rockwall County Historical Foundation and the Rockwall County Historical Commission recommending the Historic Downtown Courthouse be locally

designated as a *Landmark Property* and to pursue the inclusion of the Courthouse on the *National Register of Historic Places*. These letters were forwarded to the Rockwall County Commissioners Court for their consideration in approving the designation process during their regular meeting held on December 23, 2014. The agenda item passed unanimously of the Commissioners by a vote of 5 to 0.

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2015-005: Landmark Property Designation

Hold a public hearing to discuss and consider a City initiated request for the purpose of designating the Historic Downtown Courthouse as a Local Landmark per the designation procedures stipulated by Section 6.2, Historic Overlay (HO) District, of the Unified Development Code, being a 0.918-acre parcel of land identified as Rockwall O T Addition, City of Rockwall, Rockwall County, Texas, zoned Downtown (DT) District, addressed as 101 E. Rusk Street, and take any action necessary.

For the purpose of considering the effects of such a request, the Historic Preservation Advisory Board will hold a public hearing on **Thursday, 2/19/2015 at 6:00 p.m.**, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 2/24/2015 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 3/2/2015 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **3/2/2015** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

Subject: Landmark Property Designation Case No Z2015-005

I am in favor of the request for the reasons listed below:

The Rockwall County Historic Downtown Courthouse is a treasure, the gathering place of our community and most definitely should be designated as a Landmark Property. I applaud the person(s) who spearheaded this effort.

Thank you.

ROCKWALL COUNTY HISTORICAL COMMISSION

P. O. BOX 916
ROCKWALL, TX 75087

December 9, 2014

Honorable Judge and County Commissioners:

When members of the Rockwall County Historical Commission held its quarterly meeting on December 5, 2014, we learned of a strategic plan by the City of Rockwall to increase Rockwall's "presence" on local, state and national levels.

Part of that plan involves your acceptance of a local *Landmark Property* designation for the historic, downtown Courthouse. Additionally, the City of Rockwall will pursue designation by the National Register of Historic Places for the historic, downtown Courthouse.

Members of the Rockwall County Historical Commission wholeheartedly approve of the City's efforts in this regard. We strongly recommend that Commissioners Court approve the worthy recognition of the historic downtown Courthouse in this manner.

Thank you for your consideration.

Respectfully submitted,

Leigh Plagens
Member RCHC

174

Rockwall County Historical Foundation

Post Office Box 916, Rockwall, TX 75087
Telephone: 972/722-1507

December 1, 2014

To the Honorable Judge and Rockwall County Commissioners:

It is our understanding that the City of Rockwall has submitted an application for designation as a Preserve America Community. Membership in that program will enhance awareness of Rockwall's commitment to protect and preserve the county's cultural and natural heritage assets as well as provide other opportunities for grants. As a part of the process to elevate attention to our area, the City of Rockwall proposes to designate the Historic Downtown Courthouse as a local *Landmark Property.* This *Landmark* designation is reserved for structures that are worthy of preserving.

Another step in the City's plan to increase exposure of Rockwall's assets on a local, state and national level will be to apply for designation of the Historic Downton Courthouse by the National Register of Historic Places. These steps should ultimately increase heritage tourism to this unique area.

Therefore, the Board of Directors of the Rockwall County Historical Foundation unanimously recommends that the Court accept the proposal of the City of Rockwall to designate the Historic Downtown Courthouse as a local *Landmark Property* and to apply for acceptance as a National Register of Historic Places.

Respectfully submitted,

Carolyn Francisco

CITY OF ROCKWALL

ORDINANCE NO. 15_XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. O4-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING BY IN ACCORDANCE WITH THE PROCEDURES OF ARTICLE V, SECTION 6.2 HISTORIC OVERLAY DISTRICT FOR THE PURPOSE OF DESIGNATING A LANDMARK DISTRICT ON PROPERTY KNOWN AS THE HISTORIC DOWNTOWN COURTHOUSE, BEING A 0.918-ACRE PARCEL OF LAND IDENTIFIED AS ROCKWALL O T ADDITION, AND LOCATED AT 101 EAST RUSK STREET, AND MORE SPECIFICALLY DEPICTED IN EXHIBIT 'A' AND EXHIBIT 'B' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has initiated a request for designation of a Landmark District and in accordance with the City of Rockwall Unified Development Code [Ordinance No. 04-38]; Article V, Section 6.2 Historic Overlay District for the property located at 101 East Rusk Street, also known as the Historic Downtown Courthouse, being a 0.918-acre parcel of land identified as Rockwall O T Addition; City of Rockwall, Rockwall County, Texas, and more specifically depicted in Exhibit 'A' and Exhibit 'B' of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the City of Rockwall Historic Preservation Advisory Board, Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to designate the Historic Downtown Courthouse a Landmark District as set forth in *Article V, Section 6.2 Historic Overlay District of the Unified Development Code [Ordinance No. 04-38*] for the *Subject Property.*

Section 2. That the *Subject Property* shall be recognized as a Landmark District as set forth in *Article V, Section 6.2 Historic Overlay District of the Unified Development Code [Ordinance No. 04-38]* of the City of Rockwall as heretofore amended, as amended herein by granting of

this zoning change, and as may be amended in the future.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code No. 04-38 of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE ___ DAY OF _____, 2015.

CITY OF ROCKWALL

ORDINANCE NO. 15-05

SPECIFIC USE PERMIT NO. S-131

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO AMEND SPECIFIC USE PERMIT NO. S-107 TO ALLOW FOR A NEW MOTOR VEHICLE DEALERSHIP ON A TEN (10) ACRE TRACT OF LAND IDENTIFIED AS TRACTS 4 & 4-02 OF THE N. M. BALLARD SURVEY, ABSTRACT NO. 24, AND THE A. HANNA SURVEY, ABSTRACT NO. 99, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Zack Amick of Gordon Rockwall Investments, LLC on behalf of Keith Young for the purpose of amending Specific Use Permit No. 107 to allow a *New Motor Vehicle Dealership* on a ten (10) acre tract of land identified as Tracts 4 & 4-02 of the N. M. Ballard Survey, Abstract No. 24 and the A. Hanna Survey, Abstract No. 99, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, located within the IH-30 Overlay (IH-30 OV) District, and more specifically described in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW AND THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the enactment of this Specific Use Permit (SUP) Ordinance shall supersede all requirements stipulated in *Ordinance No. 13-13*;

SECTION 2. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for the establishment of a *New Motor Vehicle Dealership* within a Light Industrial (LI) District as stipulated by Article IV, *Permissible Uses*, of the Unified Development Code on the *Subject Property*;

SECTION 3. That the *Subject Property* shall be developed and/or used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance and as stipulated by Section 2.1.10, *Distribution and Storage,* of Article IV, *Permissible* Uses; Section 5.1, *General Industrial District Standards*; Section 5.3, *Light Industrial (LI) District*, of Article IV, *District Development Standards*; Section 6.6, *IH-30 Overlay (IH-30 OV) District* of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following operational conditions and compliance standards:

3.1 COMPLIANCE STANDARDS

Approval of this ordinance in accordance with Section 8.3, *Council Approval or Denial*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC) will require compliance to the following standards:

1) This Specific Use Permit (SUP) shall be subject to review by Planning Department staff and/or the Planning and Zoning Commission and City Council within three (3) years of the effective date of the ordinance. At the time of review, Planning Department staff shall be required to review the completeness of the improvements outline in the applicant's letter contained in *Exhibit 'B'* of this ordinance and listed as follows:

   (i) *Phase 1*. Engineering plans addressing paving, drainage, and etcetera shall be approved by the Engineering Department. The storm water/drainage and detention pond shall be permitted and accepted by the City.
   (ii) *Phase 2*. All concrete paving depicted on the *Concept Plan* in *Exhibit 'C'* of this ordinance shall be permitted and accepted by the City.
   (iii) *Phase 3.* Remodel of existing building façade in conformance with the *Building Elevations* contained in *Exhibit 'D'* of this ordinance shall be permitted and accepted by the City.

   Should the improvements be complete staff shall provide a report to the Planning and Zoning Commission and City Council indicating conformance to the requirements of this ordinance, and operation of the *New Motor Vehicle Dealership* shall be permitted to continue under the requirements of this ordinance and the Unified Development Code (UDC). Should the improvements be incomplete this SUP ordinance shall automatically expire.

2) Should the *Subject Property* continued to be operated as an outside storage/outside display lot for new vehicles in conjunction with the adjacent *New Motor Vehicle Dealership* (*i.e. S-094*) then no Certificate of Occupancy (CO) shall be required. Upon changing the use to a standalone *New Motor Vehicle Dealership*, a Certificate of Occupancy (CO) shall be required for the change of use.

3) Should any business or establishment operating under the guidelines of this ordinance fail to meet the minimum operational requirements set forth herein and outline in the Unified Development Code (UDC), the City Council may -- *after proper notice* -- initiate proceedings before the City Council to revoke this SUP ordinance.

3.2 OPERATIONAL CONDITIONS

The following conditions pertain to the operation of a *New Motor Vehicle Dealership* on the *Subject Property*, and conformance to these operational conditions is required for continued operation:

1) All development on the *Subject Property* shall be in conformance to the *Concept Plan* depicted in *Exhibit 'C'* of this ordinance;

2) The rehabilitation of the existing structure on the *Subject Property* shall conform to the *Concept Building Elevations* depicted in *Exhibit 'D'* of this ordinance;

3) Should the use of the subject property become independent of the adjacent *New Motor Vehicle Dealership* [*Young Hyundai*] (*i.e. any event that would require a separate Certificate of Occupancy [CO] to be issued*) and development not conforming to *Exhibits 'C'* and *'D'* of this ordinance is proposed, a new site plan submittal shall be required to be submitted, reviewed and approved by the Planning and Zoning Commission and/or City Council in accordance with the requirements of the Unified Development Code;

4) All motor vehicles shall be required to be parked on an all-weather surface (*i.e. concrete or asphalt*) upon the completion of the three (3) year time period established in *Section 3.1* of this SUP ordinance.;

5) The redevelopment of the *Subject Property* shall generally be in conformance with the timeline established by the applicant's letter contained in *Exhibit 'B'* of this ordinance, and shall be reviewed by staff for compliance upon receipt of an application for renewal; and,

6) The operation of the *Subject Property* shall conform to all federal, state and local standards.

SECTION 4. That the official zoning map of the City of Rockwall be corrected to reflect the changes described herein.

SECTION 5. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 6. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *TWO THOUSAND DOLLARS* ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 7. If any section of provision of this ordinance or the application of that section or provision to any person, firm, cooperation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have to adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 8. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 2ND DAY OF MARCH, 2015.

BEING a 10.000 acre tract or parcel of land lying and being situated in the N. M. BALLARD SURVEY, Abstract 24, and the A. HANNA SURVEY, Abstract 99, in the City of Rockwall, Rockwall County, Texas and being that certain tract described in Special Warranty Deed to Gordon Rockwall Investments, LLC, recorded in Volume 6959, Page 100, Deed Records, Rockwall County, Texas (D.R.R.C.T.) and a portion of that certain tract described in deed to Thomas Real Estate, LP, recorded in Volume 1507, Page 203, D.R.R.C.T.; and being more particularly described by metes and bounds as follows:

BEGINNING at an aluminum TxDOT monument at the southern end of a corner clip located at the intersection of the southerly right-of-way line of Interstate Highway 30 (a variable width right-of-way) and the west right-of-way line of Commerce Street (a 60-foot wide right-of-way per Cabinet F, Slide 379, Map Records, Rockwall County, Texas);

THENCE South 00 degrees 40 minutes 20 seconds East, along the east line of said Gordon Rockwall tract and said west right-of-way line, a distance of 707.36 feet to a *3/8* inch iron rod found for the southeast corner of said Gordon Rockwall tract and the southwest corner of said right-of-way of Commerce Street; said found iron rod also being located at an angle point in the north line of said Thomas Real Estate tract;

THENCE South 00 degrees 35 minutes 03 seconds East, crossing said Thomas Real Estate tract, a distance of 469.11 feet to a point for corner;

THENCE South 89 degrees 24 minutes 57 seconds West, continuing to cross said Thomas Real Estate tract, a distance of 472.60 feet to a point on the west line of said Thomas Real Estate tract;

THENCE North 00 degrees 21 minutes 13 seconds West, along the west line of said Thomas Real Estate tract, a distance of 468.78 feet to a 112 inch iron rod found for the northwest corner of said Thomas Real Estate tract and the southwest corner of that certain tract described in General Warranty Deed to Rockwall Credit Services, L.C., recorded in Volume 4314, Page 34, D.R.R.C.T;

THENCE North 89 degrees 22 minutes 30 seconds East along the common line of the said Thomas Real Estate tract and said Rockwall Credit Services, L.C. tract, a distance of 153.71 feet to a point for corner; said point being the southeast corner of the Rockwall Credit Services, L.C. tract and the southwest corner of the Gordon Rockwall tract;

THENCE North 00 degrees 41 minutes 38 seconds West, continuing along the common line of said Rockwall Credit tract and Gordon Rockwall tract, a distance of 629.40 feet to a point for corner in the south right-of-way line of the aforementioned Interstate Highway 30, same point being the northeast corner of said Rockwall Credit tract and the northwest corner of said Gordon Rockwall tract;

THENCE North 72 degrees 46 minutes 00 seconds East, continuing along said south right-of-way line and along the north line of said Gordon Rockwall tract, a distance of 308.48 feet to a point for the northern end of the aforementioned corner clip;

THENCE South 65 degrees 17 minutes 09 seconds East, along said comer clip, a distance of 23.86 feet to the Point of Beginning and containing 10.000 Acres (435,600 Square Feet) of land.

NOTE: The Basis of Bearings for this description is the deed to Thomas Real Estate, LP, recorded in Volume 1507, Page 203, D.R.R.C.T. This description is based upon a compilation of public records.

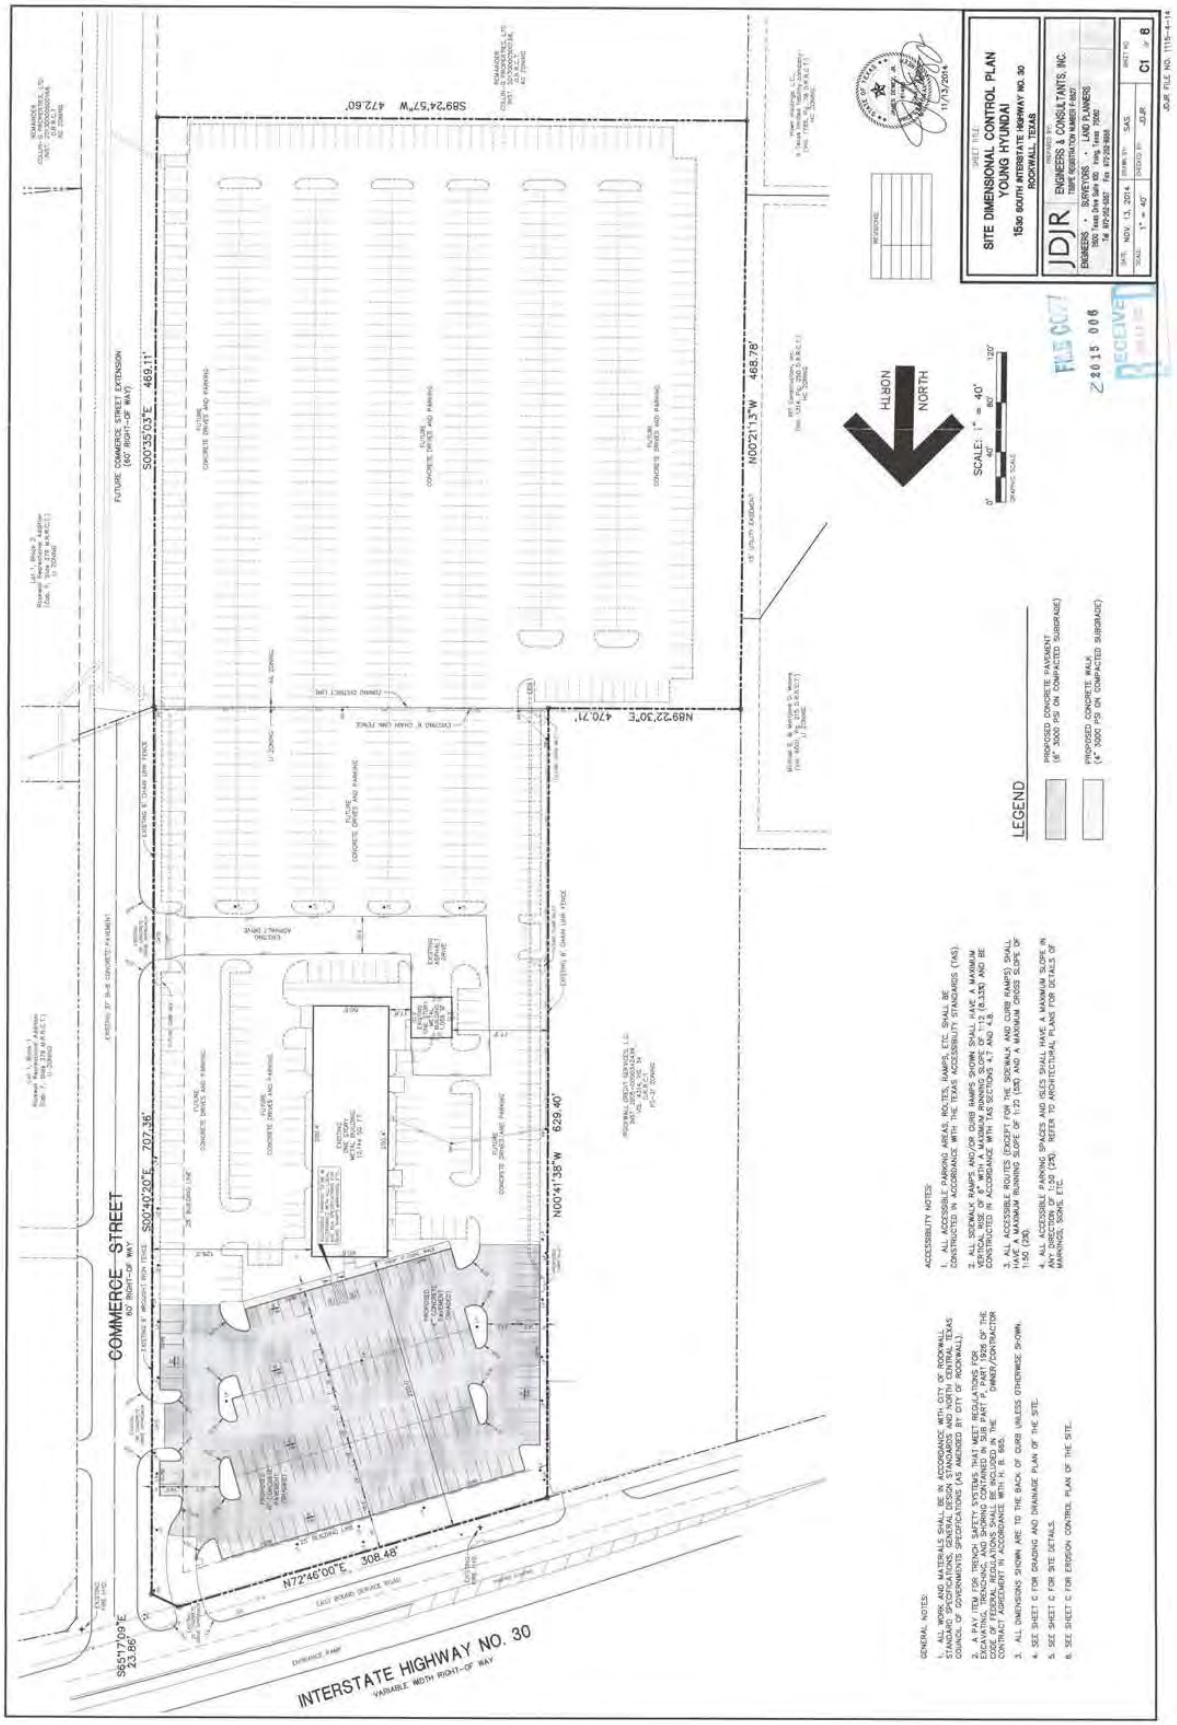
Director of Planning
Planning and Zoning
City of Rockwall
385 South Goliad Street
Rockwall, TX 75087

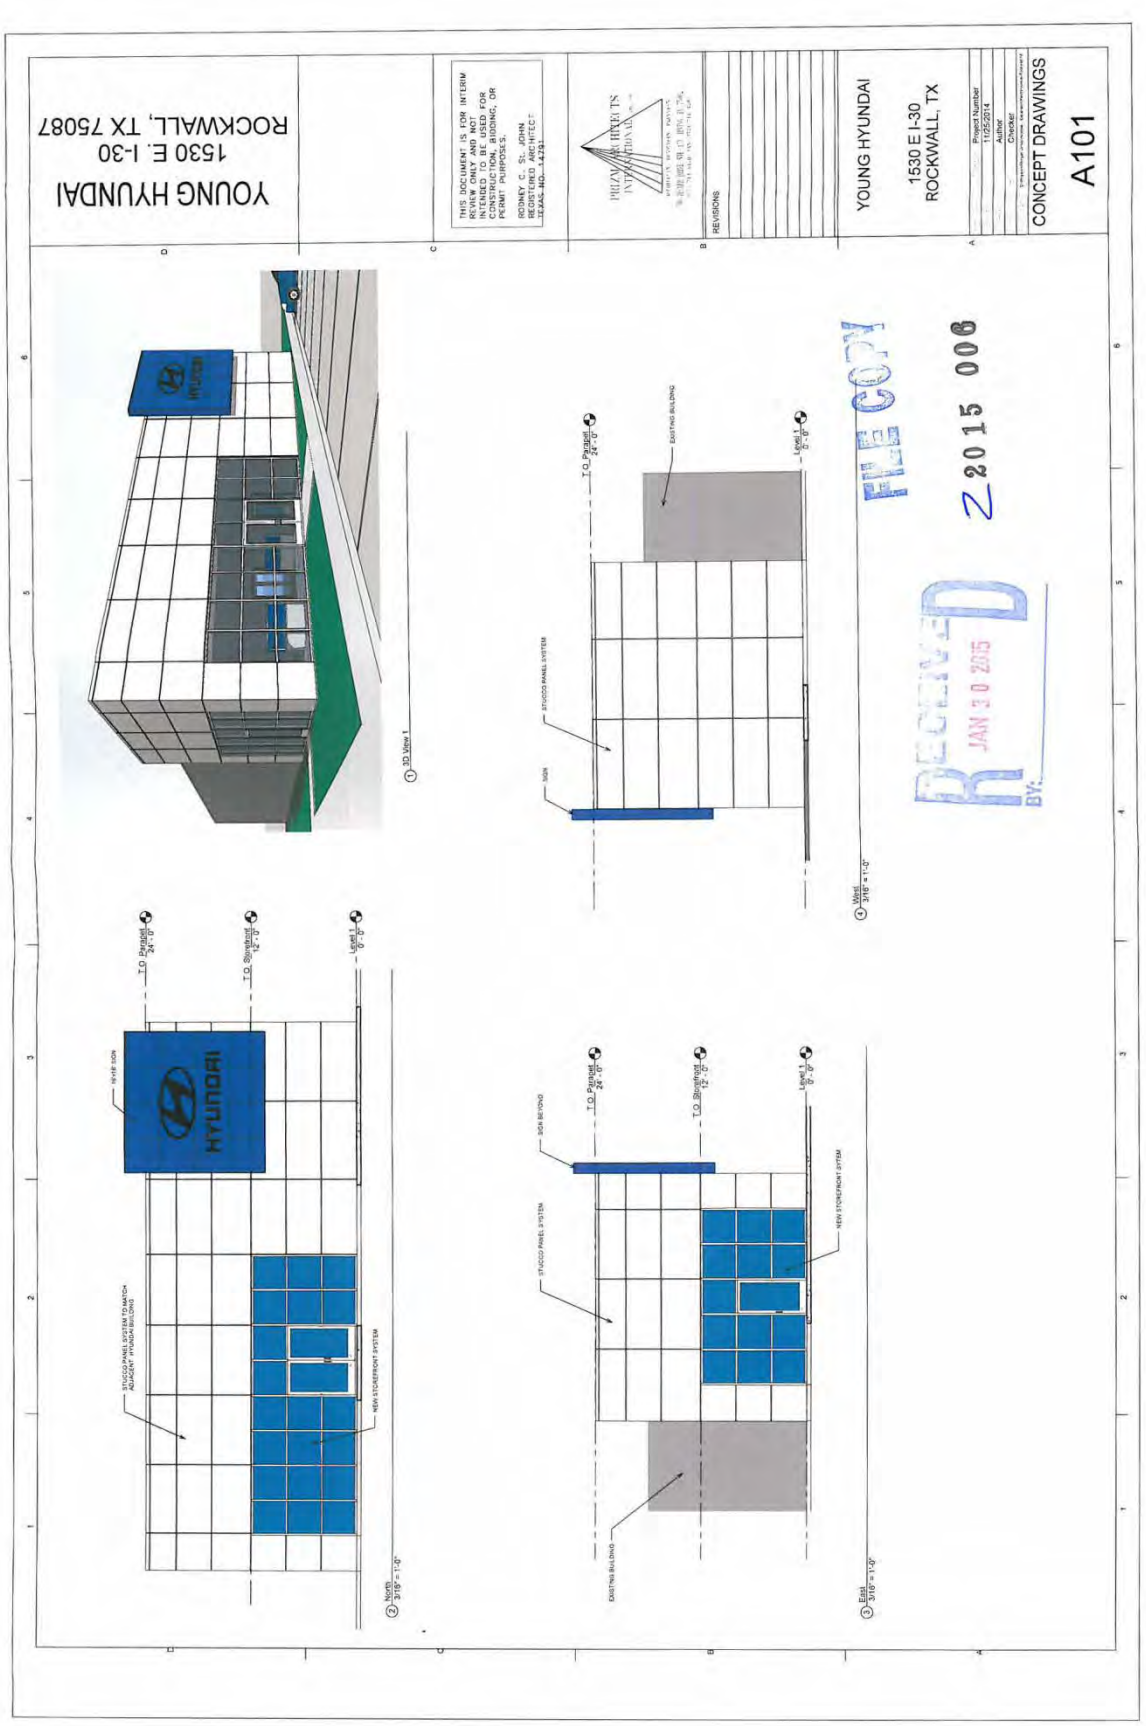
Subject: 1530 IH-30 East, Rockwall, Texas Special Use Permit

Dear Mr. LaCroix,

The purpose of this letter is to request a change to our existing Specific Use Permit. As you know, this property currently has an SUP that was approved by City Council on 06/03/2013 allowing outside storage and display of motor vehicles. This SUP has a time limitation of 3 years. Our business is growing and we would like to expand.



The capital investment required to improve the property for our use is significant and we respectfully request a Specific Use Permit allowing for a "Motor Vehicle Dealership, New" on the subject 10.00-acre tract of land with existing buildings located at 1530 Interstate Highway 30 East, Rockwall, Texas.



Listed below is an outline of planned improvements for the property. We intend to complete the work in 3 phases over a 3 year period of time.

Phase 1: Engage a civil engineer to provide plans meeting city approval for phased development that address paving, drainage, utilities etc. Complete storm drainage and detention pond within 12 months of receiving counsel approved SUP.
Phase 2: Concrete paving improvements will be completed within 24 months of receiving counsel approved SUP.
Phase 3: Within 36 months of receiving counsel approved SUP. Remodel the existing building façade with new exterior elevations that includes masonry, storefront glazing and other items that would be similar to our existing dealership.

Sincerely,

Zack Amick

CITY OF ROCKWALL

ORDINANCE NO. 15-08

SPECIFIC USE PERMIT NO. S-134

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) FOR A HOTEL WITHIN PLANNED DEVELOPMENT DISTRICT 32 (PD-32), FOR A 2.968-ACRE LOT, CONTAINING TWO (2) PARCELS OF LAND IDENTIFIED AS LOT 3A, BLOCK A, SHORELINE PLAZA ADDITION (1.824-ACRES) AND LOT 1-1, BLOCK A, HENRY AFRICA ADDITION (1.143-ACRES), CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Cameron Slown of FC Cuny Corporation on behalf of Tom Kirkland of Tekmak Development Company for the approval of a Specific Use Permit (SUP) to allow a *Hotel* on a 2.968-acre lot containing two (2) parcels of land identified as Lot 3A, Block A, Shoreline Plaza Addition (1.824-acres) and Lot 1-1, Block A, Henry Africa Addition (1.143-acres), City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), located within the IH-30 Overlay (IH-30 OV) District, and more specifically described in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW AND THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for a *Hotel* within the *Freeway Frontage Subdistrict* as stipulated by *Exhibit 'D': Subdistrict Land Use Chart* of Planned Development District 32 (PD-32) [*Ordinance No. 10-21*] on the *Subject Property*; and

SECTION 2. That the *Subject Property* shall be developed and/or used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance, Planned Development District 32 (PD-32) [*Ordinance No. 10-21 & 14-44*] and as stipulated by Section 4.1, *General Commercial District Standards*, of Article IV, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following conditions and compliance standards:

2.1 Operational Conditions

The following conditions pertain to the operation of a *Hotel* on the *Subject Property*, and conformance to these operational conditions is required for continued operations:

1) The development of this property shall generally conform to the *Site Plan* depicted in *Exhibit 'B'* of this ordinance;

2) The development of this property shall generally conform to the *Building Elevations* depicted in *Exhibit 'C'* of this ordinance;

3) The development of a hotel on the subject property shall incorporate a minimum of 3,650 SF of floor area that will be utilized for the operation of a *Conference Center* (*i.e. an area that is exclusively used to host conferences, exhibitions, large meetings, seminars, training sessions, etcetera*), a minimum of 1,800 SF of floor area that will be utilized as *Pre-Function Event* area, and a minimum of 2,030 SF of floor area that will be utilized as *Courtyard* area; and,

4) The *Subject Property* is prohibited from being utilized as an *Extended Stay, Transient* or *Residence Hotel*.

SECTION 3. That the official zoning map of the City of Rockwall be corrected to reflect the changes described herein.

SECTION 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 5. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *TWO THOUSAND DOLLARS* ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 6. That if any section of provision of this ordinance or the application of that section or provision to any person, firm, cooperation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have to adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 16TH DAY OF FEBRUARY, 2015.

Jim Pruitt, Mayor

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 02/16/2015

APPLICANT: Cameron Slown; *FC Cuny Corporation*

AGENDA ITEM: **SP2014-034**; *Spring Hill Suites Hotel (Marriott) Site Plan*

SUMMARY:

Discuss and consider a request by Cameron Slown of FC Cuny Corporation on behalf of Tom Kirkland of Tekmak Development Company for the approval of waivers to Planned Development District 32 (PD-32) [Ordinance No. 10-21] and variances to the Unified Development Code associated with a site plan for a hotel on a 2.968-acre tract of land identified as Lot 3A, Block A, Shoreline Plaza Addition and Lot 1-1, Block A, Henry Africa Subdivision, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the IH-30 Overlay (IH-30 OV) District, located at the southeast corner of the intersection of the IH-30 Frontage Road and Lakefront Trail, and take any action necessary.

BACKGROUND:

On December 18, 2015, the applicant submitted a request for the approval of a site plan and Specific Use Permit (SUP) for the purpose of constructing a *Spring Hill Suites Hotel* on the 2.968-acre subject property. After the work session on January 13, 2015, the applicant and staff decided to delay the site plan case until after the first reading of the SUP ordinance and after the Architectural Review Board (ARB) had proper time to review the building elevations. Since this time, the ARB has reviewed and signed off on the proposed building elevations and on February 2, 2015, the City Council approved the first reading of the SUP ordinance. Additionally, the Planning and Zoning Commission approved the site plan with the variances and waivers on February 10, 2015.

CITY COUNCIL WAIVERS:

According to Ordinance No. 10-21, "(i)n order to provide flexibility and create high quality projects, an applicant for development within the PD District [*PD*-32] may request a waiver of the following District or Subdistrict standards: (1) Building Placement Requirements, (2) Landscape Standards, (3) Parking Requirements, (4) Parking Garage Design Standards, and (5) Increased Building Height in any Subdistrict." In this case, the applicant is requesting the following waivers:

1) *Building Placement Requirements*.

   i. *Build-To-Lines and Building Setbacks.* According to the *Freeway Frontage Subdistrict* all buildings constructed on the subject property shall be subject to the following building setbacks:

      (a) Lakefront Trail [*Street Type 'E'*]: Seven (7) Feet
      (b) Harbor Heights Drive [*Street Type 'D'*] (*Based on Ordinance No. 13-16)*: Three (3) Feet
      (c) Shoreline Trail [*Street Type 'A'*]: Five (5) Feet

(d) IH-30 Frontage Road: 250-Feet

The site plan shows conformance to all building and setback requirements with respect to Lakefront Trail, Harbor Heights and Shoreline Trail; however, the site plan depicts the building being situated within 183-feet of the IH-30 Frontage Road. *The purpose of the 250-foot building setback adjacent to the IH-30 Frontage Road is depicted in Exhibit E-2: Freeway Frontage Subdistrict Density and Dimensional Requirements.*

ii. *Building Form.* According to the *Freeway Frontage Subdistrict* all buildings constructed on the subject property shall subject to the following building form requirements:

(a) A minimum of 80% of the street for *Street Type 'E'* must be defined by a building façade.
(b) A minimum of 45% of the building must be built to the *build-to-line* for *Street Types 'C' & 'E'*.
(c) The remaining building façade must be no less than two (2) feet and no greater than 12-feet from the *build-to-line*.

Taking these requirements into consideration the following would be required:

(a) A minimum of ~200-feet of building façade would be required along the frontage of Harbor Heights Drive with a minimum of ~100-feet being located within three (3) feet of the property line. Additionally, the building could not be located greater than 15-feet from the property line. In this case, the hotel is situated ~48-feet from the property line.
(b) Due to the changes from *Ordinance No. 13-16* (which re-introduced Lakefront Trail into the plan as a *Street Type 'E'*) the building form requirements -- when taking into consideration the 250-foot building setback -- cannot be applied to Lakefront Trail.
(c) The building should be no greater than 17-feet from Shoreline Trail. The site plan shows the building at ~55-feet from Shoreline Trial.

For a diagram of the Subdistrict's intent with regard to building placement see Exhibit E-2: Freeway Frontage Subdistrict Density and Dimensional Requirements.

2) <u>*Parking Requirements*</u>

i. *Surface Parking Setbacks.* According to the *Freeway Frontage Subdistrict* all surface parking lots must adhere to the following standards:

(a) Lakefront Trail [*Street Type 'E'*]: Ten (10) Feet
(b) Harbor Heights Drive [*Street Type 'D'*] (*Based on Ordinance No. 13-16)*: Ten (10) Feet
(c) Shoreline Trail [*Street Type 'A'*]: Ten (10) Feet
(d) IH-30 Frontage Road: 20-Feet

With the exception of Lakefront Trail -- *which was re-introduced into the plan by Ordinance No. 13-16* -- none of the proposed surface parking locations conform to any of the setback requirements (*i.e. the setbacks are as follows: Harbor Heights Drive is less than one [1] foot, Shoreline Trail is approximately three [3] feet, and the IH-30 Frontage Road is less than one [1] foot*).

3) <u>*Increased Building Height.*</u> According to the *Freeway Frontage Subdistrict* the maximum building height is two (2) stories at 45-feet, with the ability to add an additional floor that can be used for office uses only. The building elevations submitted by the applicant show a four (4) story hotel that will be 66-feet, 8¼-inches in total height.

With regard to granting waivers, *Ordinance No. 10-21* states that "… (w)aivers may only be approved by the City Council following a recommendation by the Planning and Zoning Commission … [and] In order to approve a waiver, the City Council must find that the waiver:

1) Meets the general intent of the PD District or Subdistrict in which the property is located; and,
2) Will result in an improved project which will be an attractive contribution to the PD District or Subdistrict; and,
3) Will not prevent the implementation of the intent of this PD District."

Taking the intent of the development into consideration, the proposed development would not change the general intent of the *Freeway Frontage Subdistrict*, and should result in an attractive contribution to the adjacent current and future buildings indicated by the overall concept plan. Additionally, the construction of this hotel will not prevent the implementation of the remainder of the PD District and will not inhibit adjacent development.

VARIANCES:

Based on the applicant's submittal staff has identified the following variances:

1) *Building Materials*.

   a) *Stone Requirements.* According to Section 6.6, *IH-30 Overlay (IH-30 OV) District*, of the UDC each exterior wall should incorporate a minimum of 20% natural or quarried stone. In this case, the applicant is requesting to use a similar cultured stone that was utilized on the Trend Tower building (*i.e. Tuscany Country Rubble by Eldorado Stone*). The percentage of culture stone exceeds 20% on each façade.

   b) *Masonry Material Requirements.* According to Section 6.6, *IH-30 Overlay (IH-30 OV) District*, of the UDC exterior walls should be constructed utilizing a minimum of 90% masonry materials. The applicant is requesting a variance to this standard for the purpose of utilizing cultured stone and EFIS. The EFIS being proposed (*i.e. StoTherm NExT Insulated Wall Claddings*) is similar to the EFIS that was permitted on the Hilton and requires the same three (3) part application system that was used to install the *Dryvit Stucco* on the Trend Tower.

   c) *Secondary Material Requirements.* According to Section 6.6, *IH-30 Overlay (IH-30 OV) District*, of the UDC exterior walls should not incorporate more than 10% secondary materials. EFIS is considered to be a secondary material.

2) *Alternate Tree Mitigation Plan.* The applicant is requesting an *Alternate Tree Mitigation Plan* in order to satisfy the remaining tree mitigation balance (*i.e. 306-inches*). Specifically, the applicant is proposing to plant 75 trees ranging in size from four (4) caliper inches to six (6) caliper inches. Some of the trees being proposed do not meet the UDC's requirements for replacement trees.

PLANNING AND ZONING COMMISSION:

On February 10, 2015, the Planning and Zoning Commission made a motion to approve the site plan and recommended approval of the variances, waivers and alternate tree plan requested by the applicant. The motion was approved by a vote of 6-1, with Commissioner Logan dissenting.

PLANT MINIMUM CRITERIA STATEMENT

1. PLANTS ARE REQUIRED TO MEET MINIMUM SPECIFICATIONS OF THE AMERICAN STANDARD FOR NURSERY STOCK' PUBLISHED BY THE AMERICAN NURSERY & LANDSCAPE ASSOCIATION, MAY 12, 204, AND RECOMMENDED BY THE TEXAS NURSERY & LANDSCAPE ASSOCIATION.

GRASS NOTES FOR BIDDING

1. BASE BID ALL SOD IS TO BE COMMON BERMUDA GRASS.
2. ADD ALTERNATE #1 GRASS ALL FOR A CHANGE TO ZOYZIA SUN AND SHADE TOLERANT GRASS. INSTALL BE SOIL AMENDMENT NOTES.
3. REMOVE ALL EXISTING GRASSES FROM SITE PRIOR TO INSTALLATION.

COLOR AS NOTED

1. BASE BID ALL COLOR BEDS TO INCLUDE (4) FOUR 4" POTS PER SQ FT. INSTALLED IN 6" PREPARED SOIL FOR FOR FLOWERING PLANTS.
2. INCLUDE COLOR STAR FERTILIZER.
3. BEDS TO BE RAISED 3-4" HIGH AND SLOPED TO DRAIN.
4. OPTIONS FOR COLOR ARE AS FOLLOWS:
   BASE BID,
   1. BEGONIA. GREEN WITH WHITE FLOWERS.
   OPTIONAL PLANT MATERIALS: PRINCE FOR OWNER REVIEW
   1. DWARF REULLIA WHITE, 4" POTS. 2 PER SQ FOOT.
   2. MEXICAN FEATHER GRASS, 1 GAL. (1) ONE PER SQ FT.

SOIL AMENDMENT NOTES; LISTED FOR BASE BID)

INCLUDE THE NOTES BELOW AND LANDSCAPE SPECIFICATIONS ON SHEET L2-02

SOIL PREPARATION FOR GRASS AREAS ON SITE.
1. SPRAY ROUND UP TWO TIMES IN HEAT OVER 70 DEGREES OR MANUALLY REMOVE THE EXISTING BERMUDA GRASS, TWO WEEKS PRIOR TO SITE WORK AND IRRIGATION SYSTEM INSTALLATION FOR THE TOTAL SITE AREA. CONTINUE TO REVIEW AND REMOVE ALL BERMUDA GRASS AND WEEDS FROM THE SITE DURING CONSTRUCTION.
2. FINE GRADE SOIL AFTER SITE CLEAN UP PER THE APPROVED GRADING AND DRAINAGE PLANS FOR THE SITE. SW-2 CONTRACTOR HAS THE PLAN ON FILE, OR CALL FOR A PDF FILE.
3. REMOVE ALL DEBRIS FROM SITE. ROCKS AND TILES OVER 1" DIA. ALL EXTRA CONCRETE, FORM BOARDS.
4. HAND RAKE SOIL SMOOTH AND SHAPE BEDS AND EDGES OF BACK OF CURB PER LANDSCAPE ARCHITECTS DIRECTIONS. CALL TO SET UP MEETING PRIOR TO ACCEPTANCE OF THE FINAL GRADE.
5. AFTER IRRIGATION SYSTEM INSTALLATION. WATER SETTLE ALL TRENCHES AND RAKE SMOOTH FOR FINISHED GRADES FOR THE SITE.
6. INSTALL SOD SOD GRASS, ALLOWING FOR TIGHT JOINTS BETWEEN ALL SECTIONS OF SOD. DO NO LEAVE GAPS OR ADD AZALEA MIX IN ALL GAPS OVER 0.5" TO FILL IN AFTER SODDING IF GAPS REMAIN.
7. WATER AND ROLL THE SOD TWO TIMES.
8. IN BASE BID ALLOW FOR ONE (1) TIME MOWING AND EDGING PRIOR TO FINAL ACCEPTANCE.

SOIL PREPARATION FOR 4" POTS AND 1 GALLON GROUND COVER BEDS
1. SOIL AMENDMENTS. EXCAVATE BEDS OR ALLOW FOR 4" SOIL PREPARED BY LIVING EARTH TECHNOLOGY OR EQUAL.
2. TILL IN TO DEPTH OF 8" AND MIX WITH NATIVE SOIL.
3. INSTALL BEDDING PLANTS SETTING THE TOP OF BALLS, MINIMUM 0.5" ABOVE SOIL GRADE.
4. MULCH 2" WITH FINE PINE BARK MULCH OR HARDWOOD MULCH.
5. IN BASE BID ALLOW FOR FINE PRUNING AS REQUIRED BY GENERAL CONTRACTOR PRIOR TO FINAL ACCEPTANCE.

SOIL PREPARATION FOR 3 GALLON AND 5 GALLON SHRUB BEDS
1. SOIL AMENDMENTS. EXCAVATE BEDS OR ALLOW FOR 6" SOIL PREPARED BY LIVING EARTH TECHNOLOGY OR EQUAL.
2. TILL IN TO DEPTH OF 12" AND MIX WITH NATIVE SOIL.
3. INSTALL SHRUBS PLANTS SETTING THE TOP OF BALLS, MINIMUM 1.5" ABOVE SOIL GRADE.
4. MULCH 2" WITH FINE PINE BARK MULCH OR HARDWOOD MULCH.
5. IN BASE BID ALLOW FOR FINE PRUNING AS REQUIRED BY GENERAL CONTRACTOR PRIOR TO FINAL ACCEPTANCE.

SOIL PREPARATION FOR 25 GALLON AND 65 GALLON SHRUB BEDS
1. SOIL AMENDMENTS. EXCAVATE BEDS OR ALLOW FOR 8" SOIL PREPARED BY LIVING EARTH TECHNOLOGY OR EQUAL.
2. TILL IN TO DEPTH OF 16" AND MIX WITH NATIVE SOIL.
3. INSTALL SHRUBS PLANTS SETTING THE TOP OF BALLS, MINIMUM 2.5" ABOVE SOIL GRADE.
4. MULCH 3" WITH FINE PINE BARK MULCH OR HARDWOOD MULCH.
5. IN BASE BID ALLOW FOR FINE PRUNING AS REQUIRED BY GENERAL CONTRACTOR PRIOR TO FINAL ACCEPTANCE.

SOIL PREPARATION FOR 100 GALLON AND LARGER TREES
1. SEE TREE PLANTING ON LA-2.

LANDSCAPE NOTES

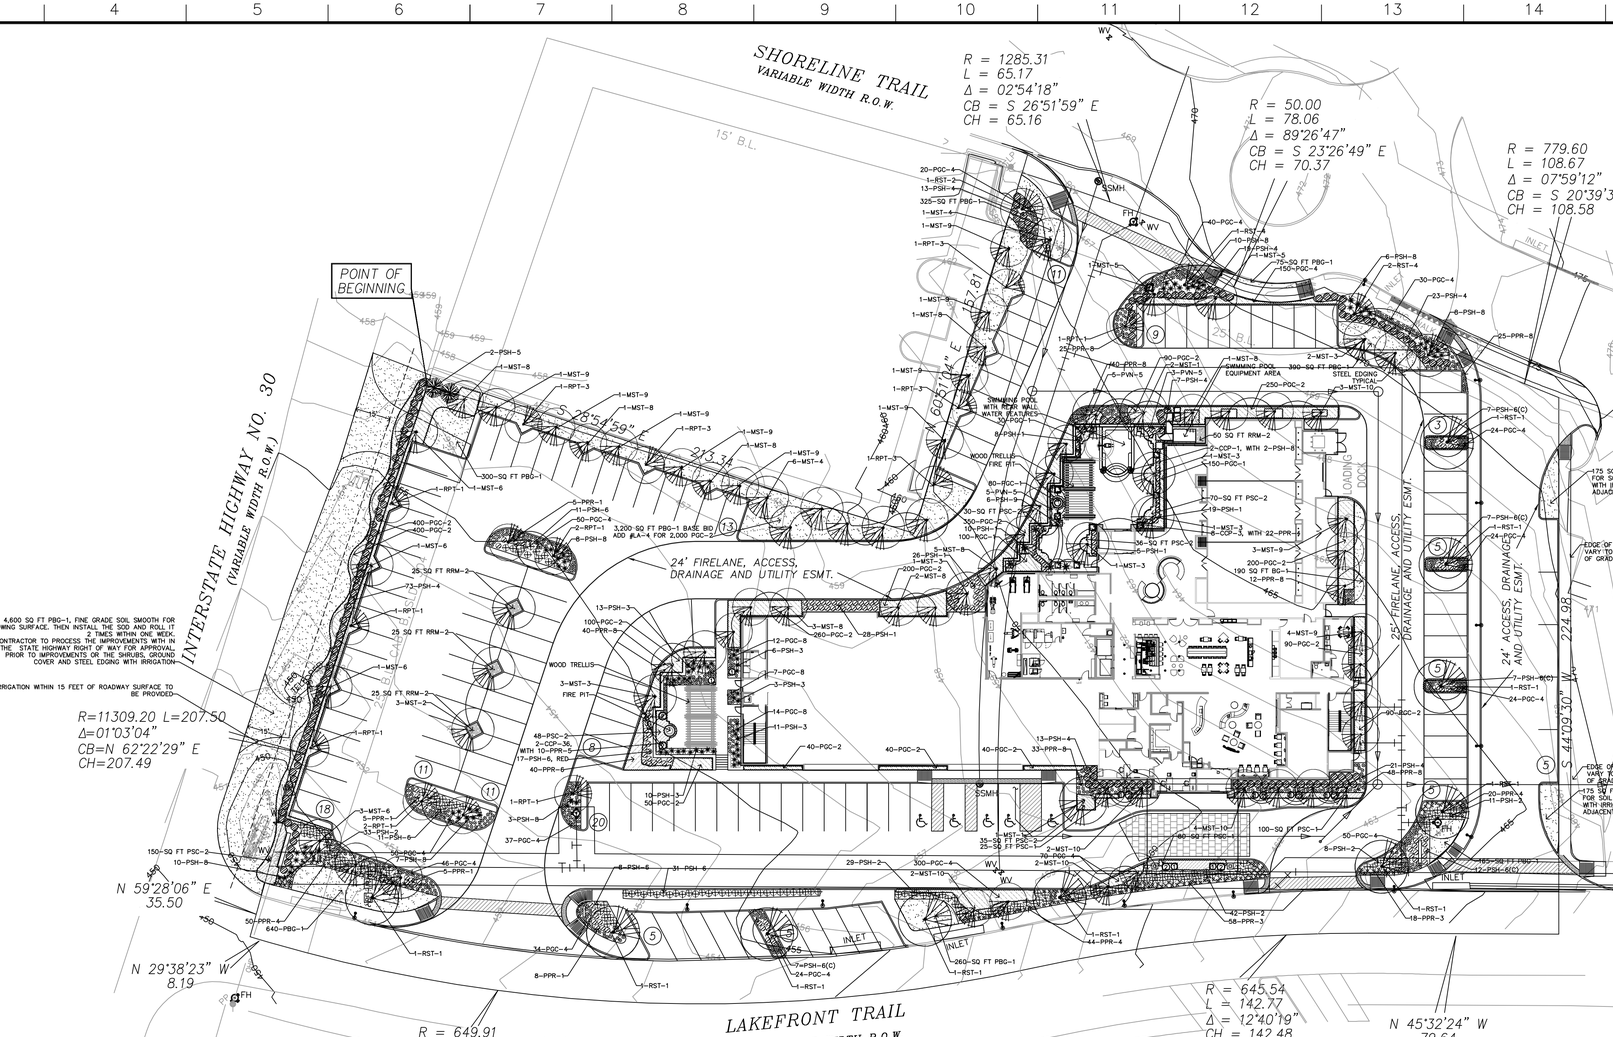
1. CONTRACTOR SHALL BE RESPONSIBLE FOR BEING FAMLIAR WITH ALL UNDERGROUND UTILITIES, PIPES, AND STRUCTURES. CONTRACTOR SHALL TAKE SOLE RESPONSIBILITY FOR ANY COST INCURRED DUE TO DAMAGE OF SUCH UTILITIES.
2. CONTRACTOR SHALL NOT WILLFULLY PROCEED WITH CONSTRUCTION AS DESIGNED WHEN IT IS OBVIOUS THAT UNKNOWN OBSTRUCTIONS, AND/OR GRADE DIFFERENCES EXIST THAT MAY NOT HAVE BEEN KNOWN DURING DESIGN. SUCH CONDITIONS SHALL BE IMMEDIATELY BROUGHT TO THE ATTENTION OF THE LANDSCAPE ARCHITECT AT (972)869-3535. THE CONTRACTOR SHALL ASSUME FULL RESPONSIBILITY FOR ALL NECESSARY REVISIONS DUE TO FAILURE TO GIVE SUCH NOTIFICATION.
3. CONTRACTOR IS RESPONSIBLE FOR ALL COORDINATION WITH GENERAL CONTRACTOR AND SUBCONTRACTORS AS REQUIRED TO ACCOMPLISH PLANTING OPERATIONS.
4. IF CONFLICTS ARISE BETWEEN SIZE OF AREAS AND PLANS, CONTRACTOR IS TO CONTACT LANDSCAPE ARCHITECT FOR RESOLUTION. FAILURE TO MAKE SUCH CONFLICTS KNOWN TO THE LANDSCAPE ARCHITECT WILL RESULT IN CONTRACTOR'S LIABILITY TO RELOCATE THE MATERIALS.
5. ALL PLANT MATERIAL SHALL BE APPROVED BY THE LANDSCAPE ARCHITECT AND OWNER PRIOR TO INSTALLATION.
6. FINAL LOCATION OF ALL PLANT MATERIAL SHALL BE SUBJECT THE APPROVAL OF THE LANDSCAPE ARCHITECT AND OWNER. LOCATIONS TO CONFORM TO THE PLANS AS CLOSELY AS POSSIBLE.
7. CONTRACTOR SHALL NOTIFY LANDSCAPE ARCHITECT 48 HOURS PRIOR TO COMMENCEMENT OF WORK TO COORDINATE POST INSPECTION SCHEDULES. SEE SPECIFICATIONS FOR OBSERVATION SCHEDULES.
8. CONTRACTOR IS RESPONSIBLE FOR MAINTAINING ALL SHRUB AND GROUND COVER AREA IN A WEED-FREE, DEBRIS-FREE, AND BERMUDA-FREE CONDITION. ALL BERMUDA SHALL BE DUG OUT BY THE ROOTS AND REMOVED FROM SITE.
9. ALL PAINTING AREA SHALL SLOPE AWAY FROM BUILDINGS TOWARDS THE AREA DRAINS AT ADMINIMUM SLOPE.
10. FINISH GRADE SHALL BE 1" BELOW FINISH PAVING SURFACE IN ADJACENT LAWN AREA AND 2" IN SHRUB AREAS. SOME SOIL EXCAVATION MAY BE REQUIRED TO ACCOMPLISH FINISH GRADE. (SEE SOIL PREPARATION SPECIFICATIONS.)
11. GROWN OF AL PLANT ROOT SYSTEMS SHALL BE SLIGHTLY HIGHER AFTER SETTLING ADJACENT SOIL.
12. TREE STAKING AND GUYING METHODS, TO CONFORM TO SITE AESTHETIC STANDARDS.
   RESPONSIBLE FOR THE TREE'S STABILITY FOR THE DURATION OF THE GUARANTEE PERIOD.
13. SHRUBS, GROUND COVERS, AND SEASONAL COLOR SHALL BE TRIANGULARLY SPACED AT SPAN SHOWN ON PLANT LIST AND SHALL RECEIVE A 2" LAYER OF LAYER OF MULCH.
14. ALL GROUND COVERS TO BE HELD BACK 12' FROM EDGE OF SHRUB PLANTING AREAS AND 6" FROM EDGE OF PAVING. ALL PLANTING BEDS TO BE DIVIDED FROM SOD WITH STEEL EDGING, TYPICAL.
15. SEASONAL COLOR WILL BE SELECTED BY THE LANDSCAPE ARCHITECT PRIOR TO THE INSTALLATION TIME. OWNER MAY SELECT COLOR FOR EACH SEASON TO FOLLOW.
16. ALL TREES SHALL BE A MINIMUM DISTANCE OF 5' FEET FROM WALLS, HEADERS, WALKS, AND OTHER TREES WITHIN THE PROJECT AND CONFORM TO THE SITE AESTHETIC STANDARDS. IF CONFLICTS THEN CONTACT LANDSCAPE ARCHITECT FOR RESOLUTION. FAILURE TO MAKE SUCH CONFLICTS KNOWN TO THE LANDSCAPE ARCHITECT WILL RESULT IN CONTRACTOR LIABILITY TO RELOCATE THE MATERIALS.
17. SLOPE AREA SHALL NOT HAVE PLANTING INSTALLED UNTIL ALL GULLIES TO BE HAVE FILLED IN WITH ADJACENT SOIL AND COMPACTED.
18. LANDSCAPE CONTRACTOR TO RECEIVE SITE GRADED +/- .10 OF 1' OF FINISHED GRADE.
19. IT IS THE CONTRACTORS RESPONSIBILITY TO FURNISH PLANT MATERIALS FREE OF PEST OR PLANT DISEASE. IT IS THE CONTRACTORS OBLIGATION TO WARRANTY ALL PLANT MATERIAL FOR 365 DAYS FROM FINAL COMPLETION DATE.
20. STEEL EDGING SEE NOTES THIS SHEET.

NOTE
1. STEEL EDGING IS REQUIRED TO BE INSTALLED SO THAT THE HEIGHT OF THE STEEL EDGING IS NO GREATER THAN THE HEIGHT OF ADJACENT FRESHLY MOWED GRASS. (EDGING IS NOT INTENDED TO BE A VISUAL COMPONENT OF THE LANDSCAPE NOR TO HOLD BACK PLANTING BEDS BUT TO SEPARATE LAWN AREAS FROM PLATING BEDS FOR THE PURPOSE OF PREVENTING, E.G. BY REGULAR WEEDEATER TRIMMING, GRASS FROM ENTERING THE PLANTING BED.) AS A RULE OF THUMB, EDGING SHOULD BE INSTALLED PRIOR TO SODDING AT A HEIGHT NO GREATER THAN TWO INCHES (2") ABOVE FINISHED UNSODDED GRADE.

LANDSCAPE IRRIGATION WARRANTEE

1. LANDSCAPE CONTRACTOR SHALL WARRANTEE ALL PLANT MATERIAL FOR A PERIOD OF ONE YEAR FROM TIME OF FINAL ACCEPTANCE AND PAYMENT OF THE COMPLETED WORK.
2. IRRIGATION SYSTEM SHALL BE WARRANTED FOR ONE YEAR PARTS AND LABOR FOR NEW ITEMS.

IRRIGATION AFFIDAVIT



ALL REQUIRED LANDSCAPE AREAS SHALL BE PROVIDED WITH AN AUTOMATIC UNDERGROUND IRRIGATION SYSTEM WITH RAIN AND FREEZE SENSORS AND EVAPOTRANSPORATIVE (ET) WEATHER BASED CONTOLLERS AND SAID IRRIGATION SYSTEM SHALL BE DESIGNED BY A QUALIFIED PROFESSIONAL AND INSTALLED LICENSED IRRIGATOR.

CITY OF ROCKWALL MAINTENANCE NOTE;

MAINTENANCE: THE CURRENT OWNER AND SUBSEQUENT OWNERS OF THE LANDSCAPED PROPERTY, OR MANAGER OR AGENT OF THE OWNER, SHALL BE RESPONSIBLE FOR MAINTENANCE OF ALL THE LANDSCAPED AREAS AND MATERIALS, REQUIRED BUFFER YARD AREAS AND MATERIALS AND REQUIRED SCREENING MATERIALS. SAID AREAS MUST BE MAINTAINED O AS TO PRESENT A HEALTHY, NEAT AND ORDERLY APPEARANCE AT ALL TIMES AND SHALL BE KEPT FREE OF REFUSE AND DEBRIS. MAINTENANCE WILL INCLUDE REPLACEMENT OF ALL DEAD PLANT MATERIAL IF THAT MATERIAL WAS USED TO MEET THE REQUIREMENTS OF THE UDC. ALL SUCH PLANTS SHALL BE REPLACED WITHIN (6) SIX MONTHS OF NOTIFICATION, OR BY THE NEXT PLANTING SEASON, WHICH EVER COMES FIRST. A PROPERTY/HOMEOWNERS ASSOCIATION MAY ASSUME RESPONSIBILITY FOR MAINTENANCE OF COMMON AREAS.

ROOT BARRIERS AT UTILITIES AND PAVING EDGES

1. NO TREE SHALL BE PLANTED WITHIN 5 FEET OF ALL UTILITIES WATER, SEWER, ELEC, CABLE, STORM, ECT.
2. ROOT BARRIERS ARE REQUIRED ON ALL TREES WITHIN UTILITY EASEMENTS AND AT EDGE OF PAVING WITHIN 5 FEET. PROVIDE ON ALL TREES SHOWN, UNLESS NOTED
3. DEEP ROOT BARRIERS, 1-800-458-7668, INSTALL UB-48-2 PER SPECIFICATIONS AT EACH TREE ON SIDE OF PAVING OR UTILITY. INCLUDE 4" WIDE TRENCH OF 3/4" DRAIN GRAVEL ON OUT SIDE OF BARRIER, 24" DEEP. BARRIER TO EXTEND 1" ABOVE GRADE.

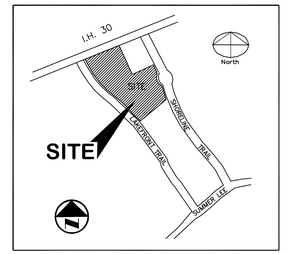
PARKING LOT TREES	1 PER 8 PARKING SPACES, 119 SPACES REQUIRES 15 TREES



ALTERNATIVE LANDSCAPE PLAN

THE TREE SURVEY CHART ON L1-01 OUTLINES EACH TREE AND CALIPER SIZE AND TYPE TO BE REMOVED FROM THE SITE. THE AMOUNT OF 302 INCHES REQUIRES THE OWNER TO REQUEST AN ALTERNATIVE LANDSCAPE PLAN.

THE REQUEST FOR APPROVAL OF THE ALTERNATIVE LANDSCAPE PLAN ALLOWS THE OWNER TO INSTALL THE LARGE 3"-4" 15 FEET HIGH AND ACCENT TREES 3" CALIPER, 15 FEET HIGH ON THE SITE TO FULL FILL THE REQUIRED QUANTITY OF REPLACEMENT TREE CALIPER INCHES AS SHOWN.

THE USE OF ONLY LARGE TREES TO MEET THE MITIGATION REQUIRED WOULD NOT BE POSSIBLE ON THIS SITE DUE TO LIMITED AMOUNT OF LANDSCAPE AREA TO PLANT THEM AND CONSIDER THEIR ULTIMATE GROWTH HABITS AS AN ACCEPTABLE LANDSCAPE SOLUTION. ALLOWING ACCENT TREES ALSO AS MITIGATION TREES INDREASES THE QUALITY OF THE NEW HOTEL LANDSCAPE PLAN.

THE USE OF ACCENT TREES SHOWN ALLOWS FOR MORE A RESIDENTIAL TYPE LUSH LANDSCAPE AROUND THE NEW HOTEL SITE. IN ADDITION OVER 95% OF THE LANDSCAPE IS COVERED IN GROUND COVERS, SEASONAL COLOR AND PERENNIALS AND MEDIUM FLOWERING SHRUBS TO LARGE EVERGREEN SHRUBS, BACKED UP BY THE FLOWERING ACCENT TREES AND FRAMED BY THE LARGE CANOPY TREES.

FREEWAY FRONTAGE SUBDISTRICT

The intent of the Freeway Frontage subdistrict is to provide mid-size retail anchors with high visibility that can contribute to the creation of a vibrant, pedestrian oriented character within the Harbor District and the existing Harbor development. Prime views and access from Interstate 30 combined with storefront presence along the main pedestrian and vehicular corridor within the district make this subdistrict an ideal location for retail anchors. Existing slopes within this subdistrict are in the 3% - 6% range.

Building Placement

Build-to-line (Distance from R.O.W. line)

Street Type C	3'
Street Type E	7'

Setback (Distance from R.O.W. line)

Street Type A	5'
Street Type H	10'
Interstate 30 Frontage	250'

Building Form

Street Type C block face must have a minumum of 90% of its length defined by a building façade.
Street Type E block face must have a minumum of 80% of its length defined by a building façade.

Street Type C façade built to BTL	45%	min.
Street Type E façade built to BTL	45%	min.

Remaining façade must be no less than 2' and no greater than 12' from the BTL.

Maximum Lot Coverage 30%

Notes
When an abutting property with an existing building has windows facing to the side, any new building shall provide at least 10 feet of separation.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Honorable Mayor and City Council**

FROM: **Jeffrey Widmer, Building Official**

DATE: **3/2/15**

SUBJECT: **Variance request for a new monument sign to be located at 204 N. Fannin**

Brandi Lewellen with Sign Mart representing At Waters Edge Counseling and Consulting has asked to appear before the City Council to request a variance for the front setback for a new monument sign, to be located at 204 N Fannin, within the development know as Griffith.

Our sign ordinance requires free standing monument signs to have a minimum 10' setback from the front property line. The applicant is requesting a 0' setback from their front property line, due to the fact that the lot is small and the existing structure is setting only 12' back from the property line.

This property is located within the Downtown zoning district, which allows the sign to be constructed with wood materials. The proposed sign complies with the allowable height and size requirements with a sign area of 4'x4' and a total height of 6'.

220

SignMart

February 20, 2015

Re: Sign Permit Variance

To Whom It May Concern:

This letter is to request a sign permit variance at 204 N Fannin Street. We have been approached by the current lessee at the mentioned address, At Water`s Edge Counseling, to install a new monument sign at their location.

The current city ordinance requires the sign to have a 10' setback, however the property is very small. If we were to abide by the ordinance, the sign would be positioned directly in front of the door and on the side walk.

The sign owner is requesting a 0' setback for the sign. The new sign would also be positioned further back than the sign that is currently at the property next door.

We appreciate your consideration to this matter and look forward to the next council meeting to discuss any additional information regarding this matter.

Sincerely,

Brandi Lewellen

224

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **February 26, 2015**

SUBJECT: **TEXAS RECREATION AND PARKS FOUNDATION – BREEZY HILL**

Contingent upon Council approval to pursue the Texas Parks and Wildlife Department (TPWD) grant for development of a neighborhood park within Breezy Hill, the developer would need to donate the land for public park purposes to the City. The value of this land is used toward the City's 50% match of the grant.

According to the TPWD grant process, in order for the value of the land to be considered as a donated parcel, the City cannot own it for public park purposes until the grant is awarded. One method to ensure this status remains in tact is for the current land owner to place the parcels temporarily in a non-profit land trust. The other method is to submit a Waiver of Retroactivity to TPWD, which was done with the park within Stone Creek situation.

The Texas Recreation and Parks Foundation (TRPF) provides many cities across Texas land trust services to hold land until it is ready for development. The greatest benefit to utilizing the TRPF is that if the City does not receive grant funds in this cycle, the land can remain in the trust and be used in future applications, contingent upon Council approval. If the Waiver of Retroactivity method is used, the value of the land is only eligible to be used this year and the following year. In either case, the developer is exempt from the rollback taxes whether it is dedicated to the City or the Foundation. If the City does not receive a grant now or in the future for this development, at the City's request, the foundation would deed the land to the City to be developed once sufficient pro-rata equipment fees are collected in that district or other funds are identified.

Prior to any approved transaction, the Foundation would submit a formal request to the Rockwall Central Appraisal District, certifying that they are a tax exempt entity. The next step in the process is the City would be required to send a formal request letter to TRPF and execute the attached agreement. The current land owner, Skorburg, would then dedicate the land to TRPF via special warranty deed. Additionally, TRPF requires a preliminary environment assessment. The cost for this service would be approximately $9,500 and would be funded from the Recreation Development account.

Should the City be awarded grant funds, the Foundation would then deed the land to the City to develop. The cost of this service is a $300 processing fee and $300 annually, plus any additional attorney or title fees, if necessary.

Staff requests that Council consider authorizing the City Manager to enter into an agreement with the Texas Recreation and Parks Foundation for the purposes of holding the land in trust until the land is ready to be developed. A copy of the formal request letter and draft of the agreement between the City and the Foundation is attached for Council's review.

Park Board voted unanimously to recommend that Council authorize the City Manager to enter in to an agreement with the Texas Recreation and Parks Foundation for the purposes of holding the Breezy Hill land in trust. The City Attorney has reviewed all documents provided by TRPF and has found no issues or concerns with the process.

February 23, 2015

To: President and Board of Directors
Texas Parks and Recreation Foundations
2100 Campbell Road, Ste. 100
Richardson, Texas 75081

From: Rick Crowley, City Manager
The City of Rockwall
385 S. Goliad St.
Rockwall, Texas 75087

This letter is a formal request by the City of Rockwall, Texas to have the Texas Parks and Recreation Foundation hold in trust, property located in the City of Rockwall, Texas, Rockwall County for the purpose of park grant considerations through the Texas Parks and Wildlife Department's Recreation Grant Program. The said property has been subjected to a phase one environmental assessment and indicates no apparent environmental problems. The Foundations will take the property "where is; as is" and convey it in the same manner to the City of Rockwall upon written request. A copy of the phase one report is enclosed. In addition, we have attached a description of the property complete with metes and bounds descriptions. We attest that the property to be conveyed to the Foundation has never been in the ownership of the City of Rockwall or a 4(A) or 4(B) non profit corporation of an agency. We also understand that the property cannot be dedicated as parkland until the property is conveyed to the City of Rockwall. We request that the Foundation consider holding this piece of property that it will be transformed into a public park in the future.

It is our intention to apply for the Texas Parks and Wildlife Department grant within the next two years for the development of the property. When a grant is approved for this project, we will begin the process leading to the development of the park and at that time make a request of the Foundation to convey the property to the City of Rockwall. In the case that we do not receive a grant, the City will request transfer of the property to them to begin the process of developing the property into a public park.

Thank you for your consideration of this request.

Sincerely,

Rick Crowley, City Manager

Re: Information on the Land Trust Service
of the Texas Parks and Recreation Foundation

To Whom It May Concern:

The Texas Parks and Recreation Foundation is a non-profit corporation in the State of Texas and has a ruling from the IRS as a 501(c)3 organization. One of the missions of the Foundation is to help cities and counties in Texas provide quality parks for the citizens of their communities.

One of the services of the Foundation involves holding land in trust for cities while they make application for a matching grant from the Texas Parks and Wildlife Department through the Recreation Grant Program. The following information is provided to cities that might have need of this service of the Foundation. It is important to remember that the land that is to be closed into or donated to the Foundation can never have been in the ownership of the city, county, or a governmental agency. If the land has been in the ownership of the city, county, or a governmental agency, it will not be eligible as a match on a grant with Texas Parks and Wildlife Department grant program.

You will find in this packet:

1. An outline of the process from the beginning to the end.
2. A listing of the different documents that will be needed to execute the program.
3. Sample documents to be used as a guide in developing the various documents needed for the transactions.

This packet is intended to be only a guide to inform potential sponsors of the process involved. Understanding that every case is different and some modification of the documents may be required, please call Al Johnson, Treasurer at 972-744-4595 if you should have any questions or need direction in this process. It is also understood that the governmental agency needs to do their due diligence prior to the transfer of the property in understanding the rules of the TP&W Grant requirements of using donated property as a match on a grant.

We appreciate the opportunity to be of service to the citizens of your community.

Board of Directors,
Texas Parks & Recreation Foundation

2100 East Campbell Road, Suite 100
Richardson, Texas 75081
972-744-4595 Fax 972-744-5822

STATE OF TEXAS

COUNTY OF ROCKWALL

CITY OF ROCKWALL

AGREEMENT BETWEEN THE CITY OF ROCKWALL, TEXAS AND THE TEXAS PARKS AND RECREATION FOUNDATION

This agreement is made on the 3rd day of March, 2015, by and between the City of Rockwall, a Texas home-rule municipal corporation ("City") and the Texas Parks and Recreation Foundation, a Texas non-profit corporation ("Foundation") and a 501c(3) corporation as determined by the IRS.

The City has requested and Skorburg Company has agreed to convey by Special Warranty Deed the following described real property ("Property"), which is located within the corporate limits of the City. The property is to be held for the City, in order that the City may make a grant request to the Texas Parks and Wildlife Department or request the transfer of the property to the City in the future to develop a public park for said City.

By Resolution No. _____ dated _____ 2015, the Board of Directors of the Foundation resolved to accept conveyance of the title to the Property and to hold it in the trust for future use by the City for park purposes.

During the time the Foundation holds the Property in trust for the City, the City may not use the Property for public purposes. Part of the property can be used for public street right-of-way with the approval of the Foundation. The City may survey, conduct field inspections, clear underbrush, conduct testing, soil boring, and the other actions with respect to the Property, which are deemed necessary by the City to properly plan the Property for the stated purposes. The City may not make any permanent improvements to the property unless written permission is given by the Texas Parks and Recreation Foundation.

The Foundation hereby agrees to lease the Property to the City during the period in which the Property is held in trust for the City, pursuant to a Lease of Real Property to Skorburg Company to the Foundation in the form of attached hereto as Exhibit "A".

For and in consideration of this agreement, the City agrees to: (10) not use the property for park or public purposes during the trust term; (2) reimburse the Foundation for any city, school, State, county taxes, or flood control district assessments which may be levied against the Property during the trust term; (3) abide by the requirements of any other governmental agency having jurisdiction over the Property; (4) name the Board of Directors of the Foundation as insured on the City's insurance policy or purchase a $2,000,000 liability insurance policy naming the Foundation and its Board of Directors as insured (5) reimburse the Foundation for any and all expenses incurred in holding the Property in trust for the City; (6) receive permission from the

Foundation befgore any permanent improvements are constructed on the property, (7) be responsible for complying with any Federal, State, County, and City environmental requirements that apply to the Proeprty during (the Trust term) (the lease term), and render the Foundation a $300 annually to cover office expenses and personnel cost of holding the property and (8) agrees to take no action to permanently dediated the site for park or public purposes until after the Foundation conveys the property to City/County.

The Foundation further agrees that upon completion of the grant process descived above and/or upon written request by the City, the Foundation shall convey the Property by Special Warranty Deed to the City in the form attached hereto as Exhibit "B".

This agreement may be terminated by either party upon thirty (30) days written notice at which time the Property shall be conveyed to the City by Special Warranty Deed in the form attached hereto as Exhibit "B".

SIGNED this 3rd day of March, 2015.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **February 26, 2015**

SUBJECT: **TPWD GRANT RESOLUTION AND APPLICATION**

The Breezy Hill development agreement requires the developer to dedicate a minimum of 11 acres of land for a neighborhood park and pay equipment fees related to the park. The developer is also required to construct the trails according to the trail master plan and their approved open space concept plan.

In addition to the 11 acres and concrete trail, the developer of Breezy Hill would also dedicate two additional parcels totaling approximately 16 acres (contingent on final survey) total just north of the 11 acre proposed neighborhood park site. These parcels would be preserved as natural open space and would connect via an 8' concrete trail system constructed by the developer.

We have an opportunity to submit an application for assistance to the Texas Parks and Wildlife Department (TPWD) to develop the park. This is the same 50/50 grant matching program that recently awarded $400,000 for the Stone Creek neighborhood park development. The deadline for applications is March 31, 2015. Notice of grant awards should be announced around July or August of 2015.

Based on our current park land dedication ordinance, we expect the cost to develop an 11 acre neighborhood park to be $1,050,000. Although the grant is program is very competitive, a maximum of $400,000 could be awarded from the State to develop the park site if our application is successful. The source of the grant funds is the sales tax collected form the sale of sporting goods.

The city's 50% matching funds are derived from the value of the land to be dedicated (contingent on a final appraisal), the value of the trail construction and the pro-rata equipment fees collected in the amount of about $88,000 for park district #7. The remaining 50% is provided by a maximum cash amount of $400,000 from TPWD.

Staff requests that Council consider authorizing the City Manager to contract with MHS Planning and Design to prepare the concept plan and application for assistance to the

TPWD for matching funds to develop the neighborhood park within Breezy Hill. The City's match would come from the value of the land to be dedicated, the equipment fees that have been collected in the park district and the value of the trail to be constructed by the developer.

MHS has proposed a cost of $9,000 plus expenses to prepare the grant application and park concept plan. The source of the funding would be from the Recreation Development Fund.

TPWD requires a resolution from the governing body from the applicant that certifies that funds are available for the matching portion of the project and the dedication of the site is for a permanent park and recreational uses. A copy of the resolution is attached for Council's consideration.

At the February 25, 2015 meeting, Park Board voted unanimously to recommend that City Council authorize the City Manger to pursue the TPWD grant funding and negotiate a contract with MHS Planning and Design to prepare the application and concept plan.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. ____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, HEREINAFTER REFERRED TO AS "APPLICANT," AUTHORIZING APPLICATION TO THE TEXAS RECREATION & PARKS ACCOUNT PROGRAM (TRPA); DESIGNATING CERTAIN OFFICIALS AS BEING RESPONSIBLE FOR, ACTING FOR, AND ON BEHALF OF THE "APPLICANT" IN DEALING WITH THE TEXAS PARKS & WILDLIFE DEPARTMENT, HEREINAFTER REFERRED TO AS "DEPARTMENT," FOR THE PURPOSE OF PARTICIPATING IN THE LOCAL PARK GRANT PROGRAM, HEREINAFTER REFERRED TO AS THE "PROGRAM," CERTIFYING THAT THE "APPLICANT" IS ELIGIBLE TO RECEIVE PROGRAM ASSISTANCE; CERTIFYING THAT THE "APPLICANT'S" MATCHING SHARE IS READILY AVAILABLE; DEDICATING THE PROPOSED SITE FOR PERMANENT PUBLIC PARK AND RECREATION USES; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Rockwall City Council supports application to the Texas Recreation and Parks Account Program (TRPA); and

WHEREAS, the "Applicant" is fully eligible to receive assistance under the "Program, and

WHEREAS, the "Applicant" is desirous of authorizing an official to represent and act for the "Applicant" in dealing with the "Department" concerning the "Program."

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the "Applicant" hereby certifies that they are eligible to receive assistance under the "Program;"

SECTION 2: That the "Applicant" hereby certifies that the matching share for this application is readily available at this time;

SECTION 3: That the "Applicant" hereby authorizes and directs its City Manager, Rick Crowley, to act for the "Applicant" in dealing with the "Department" for the purpose of the "Program," and Rick Crowley is hereby officially designated as the representative in this regard.

SECTION 4: That the "Applicant" hereby specifically authorizes the official to make application to the "Department" concerning the site to be known as the Park at Breezy Hill in the City of Rockwall for use as a park site and the Park at Breezy Hill is hereby dedicated (or will be dedicated upon completion of the proposed acquisition) for public park and recreation purposes in perpetuity.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THE "APPLICANT," this 2nd day of March, 2015.

February 12, 2015

Mr. Andy Hesser, Parks & Recreation Manager
City of Rockwall
108 East Washington
Rockwall, Texas 75087

RE: Preparation of a grant application to Texas Parks & Wildlife for acquisition & development of the Breezy Hill Park

Dear Andy:

It is with great pleasure that I present this proposal to provide assistance with the development of a Texas Recreation and Parks Account grant application for park land acquisition and improvements at Breezy Hill Park.

In addition to preparing the necessary grant forms, I will walk and photograph the site, prepare the grant specific site plan, grant budget, brief environmental assessment, program narrative, environmental checklist, and any other standard items necessary to submit a complete and competitive application.

Although I will be responsible for preparing and coordinating the application, I will need your assistance on several items such as providing me with a plat of the proposed park, including the area to be acquired, letters of commitment from property owners of the land to be acquired and other entities which may be involved, holding a public hearing, and passing a resolution to file the application.

Once the application has been approved by the City and submitted to Texas Parks and Wildlife, I will assist you with any revisions and/or additional information requested by Texas Parks and Wildlife. The grant program is currently highly competitive with about 20% of all submitted projects receiving funding. With this in mind, we will need to prepare an application that addresses every conceivable aspect of the state scoring system in order to be successful.

I will complete the Texas Recreation and Parks Account grant application for a lump sum fee of nine thousand dollars ($9,000.00) plus actual travel and reproduction expense incurred in developing the application.

This agreement may be terminated by the City of Rockwall by giving seven days written notice. If this agreement is terminated, the City of Rockwall will pay MHS Planning and Design, LLC, for any and all work completed prior to the time of termination, based on the hourly rate sheet attached. All work prepared and completed prior to termination shall be the property of the City of Rockwall and shall be provided to the City for project completion as the City deems appropriate.

I look forward to working with you on this project and should you have any questions or need additional information, please let me know. If the agreement meets with your approval, please have signed and return a copy to my office as soon as possible. The completed application must be submitted prior to March 31, 2015.

Sincerely,

Mark H. Spencer

From: BC Merritt
Re: January 2015 Structure Fire Report
Date: February 16, 2015

2010 Industrial Blvd

We responded to a report of a Structure fire on January 21, 2015. The first unit on scene reported heavy black smoke coming from a large overhead door of the business. Firefighters made entry into business and found an electric blower used for inflating a bounce house and a bounce house on fire. The fire was quickly extinguished. The structure did not suffer any damage however due to the large amount of black smoke a significant number of bounce houses that were stored near the fire sustained damage. There were no civilian injuries and one firefighter suffered an injury on this incident.

Dispatch time: 11:28.17
Enroute time: 11:29.08
On scene time: 11:31.20
Clear time: 12:12.09

4 men on scene 11:32
8 men on scene 11:35
12 men on scene 11:38

We had a total of 5 on duty Firefighters, 5 off duty firefighters, 10 Volunteers, 3 Investigators, 2 Chiefs and 4 apparatus on this incident.

Airport Operations Report

For Month of January 2015

FUEL SALES

	GALLONS SOLD	GROSS SALES
Jet - A Sales	408.00	$1,660.20
Av-Gas Sales	1,945.80	$9,048.12
TOTAL FUEL SALES	2,353.80	$10,708.32

HANGAR RENTAL REVENUE

Open T Hangar Rental Revenue	$3,076.41
Terminal Office Rental Revenue	$250.00
Enclosed Hangar Rental Revenue	$120.00
North Maintenance Hangar Rental Revenue	$500.00
TOTAL HANGAR RENTALS	$3,946.41

HANGAR OCCUPANCY RATES

	TOTAL HANGARS	QTY RENTABLE	QUANTITY LEASED	OCCUPANCY RATE
Open T Hangars	45	40	32	80.00%
Terminal Office Rentals	1	1	1	100%
Closed Hangar Rentals	1	1	1	100%
Open Hangar Cap Rentals	2	1	1	100%
TOTAL HANGAR OCCUPANCY	49	43	35	81%

Of the forty five hangars only forty can actually be rented. Most of these forty should be considered substandard and not easily marketed due to pad slope and width, electrical, and drainage issues.

CITY FEES DUE	FEE RATE	FRANCHISE FEE DUE	FUEL FLOWAGE FEES DUE	TOTAL FEES DUE
Fuel Sales (Gallons Sold)	$0.10	$0.00	$235.38	$235.38
City Owned Hangar Rentals	5.00%	$197.32		$0.00
TOTAL FEES DUE		$197.32	$235.38	$432.70

I certify the information and amounts submitted on this form are true and correct.

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mark Moeller, Chief of Police**

DATE: **March 9, 2015**

SUBJECT: **Police Department Attains "Re-Recognized" Status**

The Texas Police Chiefs Association Recognition Program is a voluntary process where police agencies in Texas prove their compliance with law enforcement's current Best Practices. Several member police chiefs of the TPCA developed this program several years ago to assist Texas agencies in meeting their professional obligations to their citizens. The committee also conducts the final review of an agency's efforts and awards the "Recognized" status.

Being "Recognized" means that the agency meets or exceeds all of the identified Best Practices, which cover every aspect of law enforcement from pursuits, use of force, protection of citizen rights, evidence and property management, and other patrol and investigative operations. This "Recognized" status ensures that an agency has carefully planned for these critical issues, has developed policies and procedures to address them, as well as put systems in place to identify and correct problems.

Police officers exercise government's highest powers – the power to stop and question an individual; the power to arrest and seize a person and his property; and the power to use force, including deadly force, in that process. Police agencies direct and control an officer's activity through supervision, training, and written policies and procedures. Since supervisors cannot always be present, officers often operate alone. This means training and policies, along with the appropriate equipment, are even more critical to ensure proper performance.

The Recognition Program assures city management and citizens that their Police Department is operating within the best practices of law enforcement. After becoming "Recognized" an agency must submit annual reports to ensure continued compliance with all standards. After four years the review process of our policies, the on-site visit to inspect equipment and facilities, interviews of staff, and proof of compliance in all areas is repeated.

We were initially "Recognized" in March, 2011. We were approved for "Re-Recognized" status by the committee on March 2, 2015.

A member of the committee will make a public presentation of our Certificate of Re-Recognition at the March 16, 2015, City Council meeting. I would like to request this presentation be scheduled in the Proclamations/Awards segment of our meeting.

MINUTES
ROCKWALL CITY COUNCIL
Monday, March 02, 2015
4:00 p.m. Regular City Council Meeting
City Hall - 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pruitt called the meeting to order at 4:00 p.m. Present were Mayor Jim Pruitt, Mayor Pro Tem Dennis Lewis and City Council Member David White, Mike Townsend, John Hohenshelt, Scott Milder, and Bennie Daniels. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Brad Griggs and legal counsel Patrick Lindner. Mayor Pruitt read the below listed discussion items into the record before recessing the public meeting to go into Executive Session.

II. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding proposed Development Agreement with Lakefront Trail Rockwall Hotel pursuant to Section 551.071 (Consultation with Attorney).
2. Discussion regarding possible claim or settlement agreement related to enforcing the city's sign ordinance regarding a billboard pursuant to Section 551.071 (Consultation with Attorney).
3. Discussion regarding Rockwall Harbor Landing, Inc. vs. City of Rockwall pursuant to Section 551.071 (Consultation with Attorney)
4. Discussion regarding right-of-way land acquisition located near Justin Road and John King Blvd. pursuant to Section 551.072 (Real Property) and status of Temunovic condemnation proceeding pursuant to Section 551.071 (Consultation with Attorney).
5. Discussion regarding Economic Development prospects and potential incentive agreement pursuant to Section 551.087 (Economic Development)
6. Discussion regarding the position of Chief of Police pursuant to Section 551.074 (Personnel Matters)

III. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 5:00 p.m.

IV. RECONVENE PUBLIC MEETING

Mayor Pruitt reconvened the public meeting at 6:00 p.m.

V. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Pro Tem Lewis made a motion to authorize the city manager to finalize and sign the agreement between the City of Rockwall and Lakepointe Trail Rockwall Hotel, LP related to construction and operation of a hotel on an approximately 2.968-acre tract of land identified as Lot 3A, Block A, Shoreline Plaza Addition and Lot 1-1, Block A, Henry Africa Subdivision, City of Rockwall related to the rebate of city hotel occupancy taxes provided, however, this approval and authorization is subject to council's approval of items Z2014-040 and SP2014-034. Councilmember White seconded the motion, which passed by a vote of 7 ayes to 0 nays.

VI. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER HOHENSHELT

Councilmember Hohenshelt delivered the invocation and led the Pledge of Allegiance.

VII. PROCLAMATIONS / AWARDS

1. Severe Weather Awareness Week

Mayor Pruitt invited Rockwall County Emergency Management Coordinator, Joe DeLane, to come forth. He then read the proclamation and asked Mr. DeLane if he would like to say a few words. Mr. DeLane shared that the National Weather Service will be hosting a Storm Spotter training class on Saturday, March 7 that is free to the public and will be held at the Rockwall County Library. He encouraged the public to attend.

VIII. OPEN FORUM

Mayor Pruitt explained how Open Forum is conducted and asked if anyone would like to come forth and speak during this time. There being no one indicating such, Mayor Pruitt then closed Open Forum.

IX. CONSENT AGENDA

1. Consider approval of the minutes from the February 16, 2015 regular city council meeting, and take any action necessary.

2. Consider approval of a resolution for the naming of the neighborhood park located with the Stone Creek subdivision, and take any action necessary.

3. Consider approval of a resolution for the naming of the neighborhood park located with the Breezy Hill subdivision, and take any action necessary.

4. **Z2015-001** - Consider approval of an **ordinance** for a request by James Jackson of Jackson Automotive for the approval of a Specific Use Permit to allow for automotive vehicles to be stored outside overnight in conjunction with an existing minor automotive repair garage on a 0.88-acre parcel of land identified as Lot 2B-2, Block A, Panex LTD Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, located at 608 White Hills Drive, and take any action necessary. **(2nd reading)**

5. **Z2015-002** - Consider approval of an **ordinance** for a request by Lawrence H. Ringley of Ringley & Associates, Inc. on behalf of Jill Fisher of Steger Dunhill, LLC for the approval of a Specific Use Permit to allow an automobile rental facility on a 0.215-acre portion of a larger 4.218-acre parcel of land identified as Lot 3, Block A, Steger Towne Crossing, Phase 1 Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, located at 898 Steger Towne Drive, and take any action necessary. **(2nd reading)**

6. Consider approval of a resolution establishing the pro rata equipment fee related to the City's mandatory neighborhood park land dedication regulations and take any action necessary.

7. Consider approval of a resolution regarding the cost per acre related to the City's mandatory neighborhood park land dedication regulations and take any action necessary.

8. **P2015-005** - Consider a request by Harold Fetty of H. D. Fetty Land Surveyor, LLC on behalf of the owner Andrea Holliman for the approval of a replat for Lot 1, Block A, Hoardstroms Addition being a 0.47-acre tract of land identified as a portion of Lot 1 of the W. D. Austin Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD) for Residential Office (RO) District land uses, situated within the North Goliad Corridor Overlay (NGC OV) District, addressed as 904 N. Goliad Street, and take any action necessary.

9. **P2015-006** - Consider a request by Harold Fetty of H. D. Fetty Land Surveyor, LLC on behalf of the owners Chris and Jill Blasé for the approval of a replat for Lot 3, Block A, Blasé Addition being a 4.28-acre tract of land currently identified as Lot 3, Block A, Blasé Addition and a portion of Tract 11-3 of the A. Hanna Survey, Abstract No. 98, City of Rockwall, Rockwall County, Texas, zoned Single Family 10 (SF-10) District, addressed as 1220 East Fork Drive, and take any action necessary.

10. Consider authorizing the city manager to execute a contract with MHS Planning and Design for the Stone Creek Neighborhood Park construction plans in the amount of $71,200 to be funded from fees collected from developer contributions in accordance with the Mandatory Neighborhood Park Land Dedication ordinance and take any action necessary.

11. Consider approval of a professional engineering services contract with Birkhoff, Hendricks & Carter, LLP. for the Wastewater Flow Monitoring Study in the amount of $285,800.00 to be funded from Revenue Bonds, and take any action necessary.

12. Consider approval of a resolution authorizing the city manager to apply for and accept grant funding from the Violent Crimes Against Women (VCAW) Grant Program through the Criminal Justice Division of the Governor’s Office for continuation of a previously received grant associated with the Domestic Violence Investigator / Prevention Officer, and take any action necessary.

Councilmember Milder requested to pull item #11 for further discussion. Councilmember Townsend then made a motion to approve the remaining Consent Agenda Items (#1, 2, 3, 4, 5, 6, 7, 8, 9, 10, and 12). Councilmember Daniels seconded the motion. The ordinances were read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-06
SPECIFIC USE PERMIT NO. S-132

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) ALLOWING FOR VEHICLES TO BE STORED OUTSIDE OVERNIGHT IN CONJUNCTION WITH AN EXISTING AUTOMOTIVE REPAIR GARAGE, MINOR WITHIN A COMMERCIAL (C) DISTRICT, BEING A 0.88-ACRE PARCEL OF LAND IDENTIFIED AS LOT 2B-2, BLOCK A, PANEX LTD ADDITION, AND GENERALLY LOCATED AT 608 WHITE HILLS DRIVE, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND MORE SPECIFICALLY DEPICTED IN EXHIBIT 'A'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

CITY OF ROCKWALL
ORDINANCE NO. 15-07
SPECIFIC USE PERMIT NO. S-133

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) ALLOWING FOR AN AUTOMOBILE RENTAL FACILITY, WITHIN A COMMERCIAL (C) DISTRICT, BEING A 0.215-ACRE PORTION OF A LARGER 4.218-ACRE PARCEL OF LAND IDENTIFIED AS LOT 3, BLOCK A, STEGER TOWNE CROSSING, PHASE 1 ADDITION, AND GENERALLY LOCATED AT 898 STEGER TOWNE DRIVE, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed unanimously of council (7 ayes to 0 nays).

Regarding Consent Agenda item #11, Councilmember Milder expressed concern about this large of an expenditure amount being placed on Consent for approval. He asked for some clarification regarding the expenditure. City Engineer Tim Tumulty indicated that this expense is related to hiring a consultant and sub-consultant to install thirty-eight meters within the sanitary sewer storm system, meters that will stay in place for forty-five (45) days. As it rains, these meters will help monitor what is really getting into the sanitary sewer system. The data will be plugged into a model, and the Environmental

Protection Agency (EPA) and the Texas Commission on Environmental Quality (TCEQ) will be for this information any time they look at a city's sewer system. Mr. Crowley indicated that the money to fund this item will be taken out of revenue bonds.

Councilmember White made a motion to approve Consent Agenda item #11. Councilmember Milder seconded the motion, which passed by a vote of 7 ayes to 0 nays.

X. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Chairman of the Planning and Zoning Commission, Craig Renfro, came forth and provided brief information concerning recommendations of the Commission relative to items on tonight's city council meeting agenda. The Council took no action concerning this appointment item.

2. Appointment with representatives of Republic Waste to make presentation of annual downtown improvement fund donation, and take any action necessary.

Rick Bernas
Republic Services / Allied Waste
171 Pelican Cove Drive
Rockwall, TX

Mr. Bernas indicated that Republic is making two donations to the city this year. One check is money that will go toward the downtown project, and the second one is for a scholarship program that has been ongoing for many years. He stated that, over the years, more than $120,000 has been donated to the city. Tonight, they are donating $12,000 to the City of Rockwall.

The council accepted the check and thanked the company for what it does for the city. No action was taken.

XI. PUBLIC HEARING ITEMS

1. **Z2015-003** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Cole Franklin of the Skorburg Company on behalf of the owner Larry Hance for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 7 (SF-7) District land uses for a 44.56-acre tract of land identified as Tract 3 of the T. R. Bailey Survey, Abstract No. 30, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (SH-205 BY-OV) District, located at the northwest corner of FM-552 and John King Boulevard, and take any action necessary. **(1st Reading) -** ***[Postponed to the March 16, 2015 City Council Meeting]***

Mayor Pruitt announced that the applicant for this item has requested postponement until the March 16, 2015 city council meeting. No discussion took place, and no action was taken.

2. **Z2015-005** - Hold a public hearing to discuss and consider approval of an **ordinance** for a City initiated request for the purpose of designating the Historic Downtown Courthouse as a Local Landmark per the designation procedures stipulated by Section 6.2, Historic Overlay (HO) District, of the Unified Development Code, being a 0.918-acre parcel of land identified as Rockwall O T Addition, City of Rockwall, Rockwall County, Texas, zoned Downtown (DT) District, addressed as 101 E. Rusk Street, and take any action necessary. **(1st Reading)**

Planning Director, Robert LaCroix, provided background information related to this agenda item. He indicated that the city is bringing forth this item for consideration on behalf of the city's Historic Preservation Advisory Board. It is related to designating the courthouse on the historic downtown square as a local landmark property. City staff has received positive support for this designation from the Rockwall County Historic Foundation, the Rockwall County Historic Commission and the Rockwall County Commissioners Court. The ultimate goal will be to seek entry of the courthouse into the National Registry. He explained that this designation will, in essence, result in a zoning change. One-hundred and fifty-five notices were sent out to property owners located within 500' of the subject property. Six notices were received back in favor of the request. Also, the Planning & Zoning Commission has unanimously recommended approval of this request.

Mayor Pruitt asked if there are other properties that are designated as historic in the area. Mr. LaCroix explained that there are about eight properties in and around the area that are also designated as historic.

Councilmember Townsend asked if this designation will inhibit any future updates to the courthouse. Mr. LaCroix generally indicated that, no, this would not be inhibited.

Mayor Pro Tem Lewis asked for clarification regarding if approval of this item will result in any additional restrictions. Mr. LaCroix indicated that, no, it will not result in any more restrictions beyond those that may already be in place. He indicated that the Rockwall courthouse, like most all other courthouses in Texas, have to go through the Texas Historic Commission for approval of various things. Those rules were already in place, and approval of this designation this evening will not result in any further rules.

Mayor Pruitt opened the public hearing and asked if anyone would like to come forth and speak. There being no one indicating such, Mayor Pruitt then closed the public hearing.

Councilmember Milder made a motion to approve Z2015-005. Councilmember White seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. O4-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING BY IN ACCORDANCE WITH THE PROCEDURES OF ARTICLE V, SECTION 6.2 HISTORIC OVERLAY DISTRICT FOR THE PURPOSE OF DESIGNATING A LANDMARK DISTRICT ON PROPERTY KNOWN AS THE HISTORIC DOWNTOWN COURTHOUSE, BEING A 0.918-ACRE PARCEL OF LAND IDENTIFIED AS ROCKWALL O T ADDITION, AND LOCATED AT 101 EAST RUSK STREET, AND MORE SPECIFICALLY DEPICTED IN

EXHIBIT 'A' AND EXHIBIT 'B' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 7 ayes to 0 nays.

XII. ACTION ITEMS

1. **Z2015-004** - Discuss and consider approval of an **ordinance** for a request by Zack Amick of Gordon Rockwall Investments, LLC on behalf of Keith Young for the purpose of amending Specific Use Permit (SUP) S-107 to allow for a new car dealership on a ten (10) acre tract of land identified as Tract 4-02 and Tract 4 of the N. M. Ballard Survey, Abstract No. 24 and the A. Hanna Survey, Abstract No. 99, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Corridor Overlay (IH-30 OV) District, addressed as 1530 E. IH-30, and take any action necessary. **(2nd reading)**

Councilmember White made a motion to approve Z2015-004. Councilmember Townsend seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-07
SPECIFIC USE PERMIT NO. S-133

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) ALLOWING FOR AN AUTOMOBILE RENTAL FACILITY, WITHIN A COMMERCIAL (C) DISTRICT, BEING A 0.215-ACRE PORTION OF A LARGER 4.218-ACRE PARCEL OF LAND IDENTIFIED AS LOT 3, BLOCK A, STEGER TOWNE CROSSING, PHASE 1 ADDITION, AND GENERALLY LOCATED AT 898 STEGER TOWNE DRIVE, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

Mayor Pruitt indicated that he was opposed to this item upon first reading. He expressed that he believes this location is located within an important corridor along IH-30, and he is not comfortable with it being placed so near to the other two car dealerships in the area. He believes car dealerships in this area should be more spread out.

The motion passed by a vote of 5 ayes to 2 nays (Pruitt and Milder).

2. **Z2014-040** - Discuss and consider approval of an **ordinance** for a request by Cameron Slown of FC Cuny Corporation on behalf of Tom Kirkland of Tekmak Development Company for the approval of a Specific

Use Permit (SUP) for a hotel on a 2.968-acre tract of land identified as Lot 3A, Block A, Shoreline Plaza Addition and Lot 1-1, Block A, Henry Africa Subdivision, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the IH-30 Overlay (IH-30 OV) District, located at the southeast corner of the intersection of the IH-30 Frontage Road and Lakefront Trail, and take any action necessary. **(2nd Reading)**

Mayor Pro Tem Lewis made a motion to approve Z2014-040. Councilmember White seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-08
SPECIFIC USE PERMIT NO. S-134

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) FOR A HOTEL WITHIN PLANNED DEVELOPMENT DISTRICT 32 (PD-32), FOR A 2.968-ACRE LOT, CONTAINING TWO (2) PARCELS OF LAND IDENTIFIED AS LOT 3A, BLOCK A, SHORELINE PLAZA ADDITION (1.824-ACRES) AND LOT 1-1, BLOCK A, HENRY AFRICA ADDITION (1.143-ACRES), CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed unanimously of council (7 ayes to 0 nays).

3. **SP2014-034** - Discuss and consider a request by Cameron Slown of FC Cuny Corporation on behalf of Tom Kirkland of Tekmak Development Company for the approval of waivers to Planned Development District 32 (PD-32) [Ordinance No. 10-21] and variances to the Unified Development Code associated with a site plan for a hotel on a 2.968-acre tract of land identified as Lot 3A, Block A, Shoreline Plaza Addition and Lot 1-1, Block A, Henry Africa Subdivision, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the IH-30 Overlay (IH-30 OV) District, located at the southeast corner of the intersection of the IH-30 Frontage Road and Lakefront Trail, and take any action necessary.

Planning Director Robert LaCroix provided background information related to this agenda item, indicating that the applicant is asking for certain waivers and variances related to building placement, landscape requirements, parking setback requirements, parking garage design standards, and an increased building height.

Regarding the variances, these are standard variances to the Unified Development Code on things like building materials and masonry requirements. The applicant would like to put stone on the building, but it is a cultured stone with a limestone base. The stone looks very good, and it looks very similar to real stone. It is the same type of material

that was utilized on the Trend Tower. In addition, the applicant would like to utilize an efface type material on the remainder of the building. It is a product that would be applied in a three-part process. It is the same sort of higher grade efface material that was utilized on the Hilton Hotel. Mr. LaCroix went on to explain that the applicant would like to utilize alternative type trees that will be more of accent trees in lieu of canopy type trees.

The Planning & Zoning Commission has recommended approval of these waivers and variances by a vote of 6 in favor with 1 against. The one dissenting vote pertained to concerns surrounding the alternative tree mitigation plan.

Mr. Tom Kirkland, applicant, came forth and addressed the council. He explained that this particular site location presents several challenges related to development. For example, the need to have only surface level parking for, not only the hotel guests but also for the meeting space visitors, has posed challenges. He explained that regarding the building materials, a Tuscan type stone cladding will be utilized with a three part application process. Regarding the request related to tree mitigation, he explained that requiring canopy type trees would negatively impact the surface level parking availability by limiting the number of spaces. So, he is requesting to plant some alternative type trees that are smaller in size. The site will be heavily landscaped, though, he explained.

Mayor Pruitt asked for clarification regarding the parking lot that comes from the Oar House. He asked if there is a requirement for that parking lot to adjoin with the parking lot on the hotel site. Mr. LaCroix explained that the applicant could include 'cross access' to the adjacent property (owned by Mr. Clements), and the council could require this. However, he explained that the existing plat on Mr. Clement's property does not show any sort of 'cross access' between it and the adjacent property on which the hotel will be located. This would have to be a mutual agreement between Mr. Clements and the applicant.

Councilmember Milder made a motion to approve SP2014-034. Councilmember Daniels seconded the motion. The motion passed by a vote of 7 ayes to 0 nays.

4. Discuss and consider a request from Mrs. Brandi Lewellwn with Sign Mart representing At Waters Edge for a setback variance for a monument sign located at 204 N Fannin St, and take any action necessary.

Building Official Jeffrey Widmer provided brief background information related to this agenda item. He generally explained that the applicant is making this request because placement of a sign in front of the building poses challenges related to the city's set back requirements due to the fact the 'front yard' is not very deep.

Mayor Pro Tem Lewis made a motion to approve the variance request associated with a monument sign at 204 N. Fannin Street. Councilmember Townsend seconded the motion, which passed unanimously of council present.

5. Discuss and consider authorizing the city manager to enter into an agreement with the Texas Parks and Recreation Foundation regarding future park land located within the Breezy Hill development, and take any action necessary.

Assistant City Manager Brad Griggs explained that the developer is prepared to dedicate the park land (11 acres) in accordance with the city's mandatory parkland dedication regulations. In addition, 19 acres will be donated to the city as open space (mainly heavily treed). He explained that the grant application is not until March 31. A Phase 1 environmental study (about $9500) is required on all three parcels that will be dedicated. There will also be a $300 annual fee on the property to the Foundation to manage the asset. This action would place the land in a trust for parks and wildlife grants.

Councilmember Townsend authorized the city manager to enter into an agreement with the Texas Parks and Recreation Foundation regarding future park land located within the Breezy Hill development. Councilmember Hohenshelt seconded the motion, which passed unanimously of council (7 ayes to 0 nays).

6. Discuss and consider approval of a resolution supporting an application for assistance from the Texas Recreation Parks Account Program through the Texas Parks and Wildlife Department, authorizing the City Manager to enter into a contract with MHS Planning and Design for grant application submittal for the neighborhood park within Breezy Hill and take any action necessary.

Mr. Griggs indicated that this item corresponds to Action Item #5 and is related to a grant application which has a deadline of March 31. He explained that the city should know something regarding approval of its application and receipt of the grant sometime in August. Councilmember Milder pointed out that last year, the city council discussed investing $9,000 to hire a consultant to assist with a similar grant application that did end up resulting in receipt of a $400,000 grant.

Councilmember Townsend made a motion to approve the resolution. Mayor Pruitt seconded the motion, which passed by a vote of 7 ayes to 0 nays.

XIII. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports
Building Inspections Monthly Report - January 2015
Fire Department Monthly Reports - January 2015
Harbor PD Monthly Report - January 2015
Internal Operations Department Monthly Report - January 2015.
Police Department Monthly Report - January 2015
Recreation Monthly Report - January 2015
Rockwall Animal Adoption Center Monthly Report - January 2015

2. City Manager's Report

Mayor Pruitt announced that the annual Citizens Fire Academy is coming up from March 17 through May 26. He encouraged anyone interested to apply to participate in this program.

City Manager Rick Crowley indicated that departmental reports have been included in council member packets, and staff stands prepared to answer any questions the council may have. There being none, Mayor Pruitt adjourned the public meeting (6:54 p.m.).

XIV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding proposed Development Agreement with Lakefront Trail Rockwall Hotel pursuant to Section 551.071 (Consultation with Attorney).
2. Discussion regarding possible claim or settlement agreement related to enforcing the city's sign ordinance regarding a billboard pursuant to Section 551.071 (Consultation with Attorney).
3. Discussion regarding Rockwall Harbor Landing, Inc. vs. City of Rockwall pursuant to Section 551.071 (Consultation with Attorney)
4. Discussion regarding right-of-way land acquisition located near Justin Road and John King Blvd. pursuant to Section 551.072 (Real Property) and status of Temunovic condemnation proceeding pursuant to Section 551.071 (Consultation with Attorney).
5. Discussion regarding Economic Development prospects and potential incentive agreement pursuant to Section 551.087 (Economic Development)
6. Discussion regarding the position of Chief of Police pursuant to Section 551.074 (Personnel Matters)

XV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

The Council did not reconvene in Executive Session following the close of the public meeting. See action taken as a result of the first Executive Session (at start of 6:00 p.m. public meeting).

XVI. ADJOURNMENT

The meeting was adjourned at 6:54 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS 16th day of MARCH, 2015.

CITY OF ROCKWALL

ORDINANCE NO. 15-09

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. O4-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING BY IN ACCORDANCE WITH THE PROCEDURES OF ARTICLE V, SECTION 6.2 HISTORIC OVERLAY DISTRICT FOR THE PURPOSE OF DESIGNATING A LANDMARK DISTRICT ON PROPERTY KNOWN AS THE HISTORIC DOWNTOWN COURTHOUSE, BEING A 0.918-ACRE PARCEL OF LAND IDENTIFIED AS ROCKWALL O T ADDITION, AND LOCATED AT 101 EAST RUSK STREET, AND MORE SPECIFICALLY DEPICTED IN EXHIBIT 'A' AND EXHIBIT 'B' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has initiated a request for designation of a Landmark District and in accordance with the City of Rockwall Unified Development Code [Ordinance No. 04-38]; Article V, Section 6.2 Historic Overlay District for the property located at 101 East Rusk Street, also known as the Historic Downtown Courthouse, being a 0.918-acre parcel of land identified as Rockwall O T Addition; City of Rockwall, Rockwall County, Texas, and more specifically depicted in Exhibit 'A' and Exhibit 'B' of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the City of Rockwall Historic Preservation Advisory Board, Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to designate the Historic Downtown Courthouse a Landmark District as set forth in *Article V, Section 6.2 Historic Overlay District of the Unified Development Code [Ordinance No. 04-38*] for the *Subject Property.*

Section 2. That the *Subject Property* shall be recognized as a Landmark District as set forth in *Article V, Section 6.2 Historic Overlay District of the Unified Development Code [Ordinance No. 04-38]* of the City of Rockwall as heretofore amended, as amended herein by granting of

this zoning change, and as may be amended in the future.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. That if any section paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code No. 04-38 of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 16th DAY OF MARCH, 2015.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 03/16/2015

APPLICANT: Dub Douphrate, *Douphrate & Associates, Inc.*

AGENDA ITEM: **P2015-007**; *Replat of Lakeview Summit, Phase IV*

SUMMARY:

Discuss and consider a request by Dub Douphrate of Douphrate & Associates, Inc. on behalf of D. R. Horton Homes for the approval of a replat of Lakeview Summit, Phase IV for the purpose of reducing the number of single-family residential lots from 97 to 93 for a 38.056-acre subdivision currently composed of 97 single-family residential lots situated within the J. H. B. Jones Survey, Abstract No. 124 and the Nathan Butler Survey, Abstract No. 21, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 29 (PD-29) for Single-Family 10 (SF-10) District land uses, located north of the intersection of Petaluma Drive and N. Lakeshore Drive, and take any action necessary.

COMMENTS:

☑ A final plat for Lakeview Summit, Phase IV was approved on May 15, 2006 [*Case No. P2006-014*] and filed with Rockwall County of April 11, 2007 [*Cab. G, Vol. 129-130*]. Since this time, the applicant has submitted updated civil drawings reconfiguring the lot layout in order to reduce some of the retaining walls required by the original plan. As part of this reconfiguration, the new lot layout calls for a reduction in the number of lots from 97 to 93 single-family lots. Generally, this could be approved at the staff level; however, the applicant has incorporated the required franchise utility easements that were omitted from the filed plat. The addition of these entitlements will require the approval of the Planning and Zoning Commission and City Council. The proposed replat does conform to all the requirements of Planned Development District 29 (PD-29). *Staff has included a copy of the current final plat and proposed replat in the attached packet.*

☑ The Surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for replats as stated in the *Subdivision Ordinance* in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

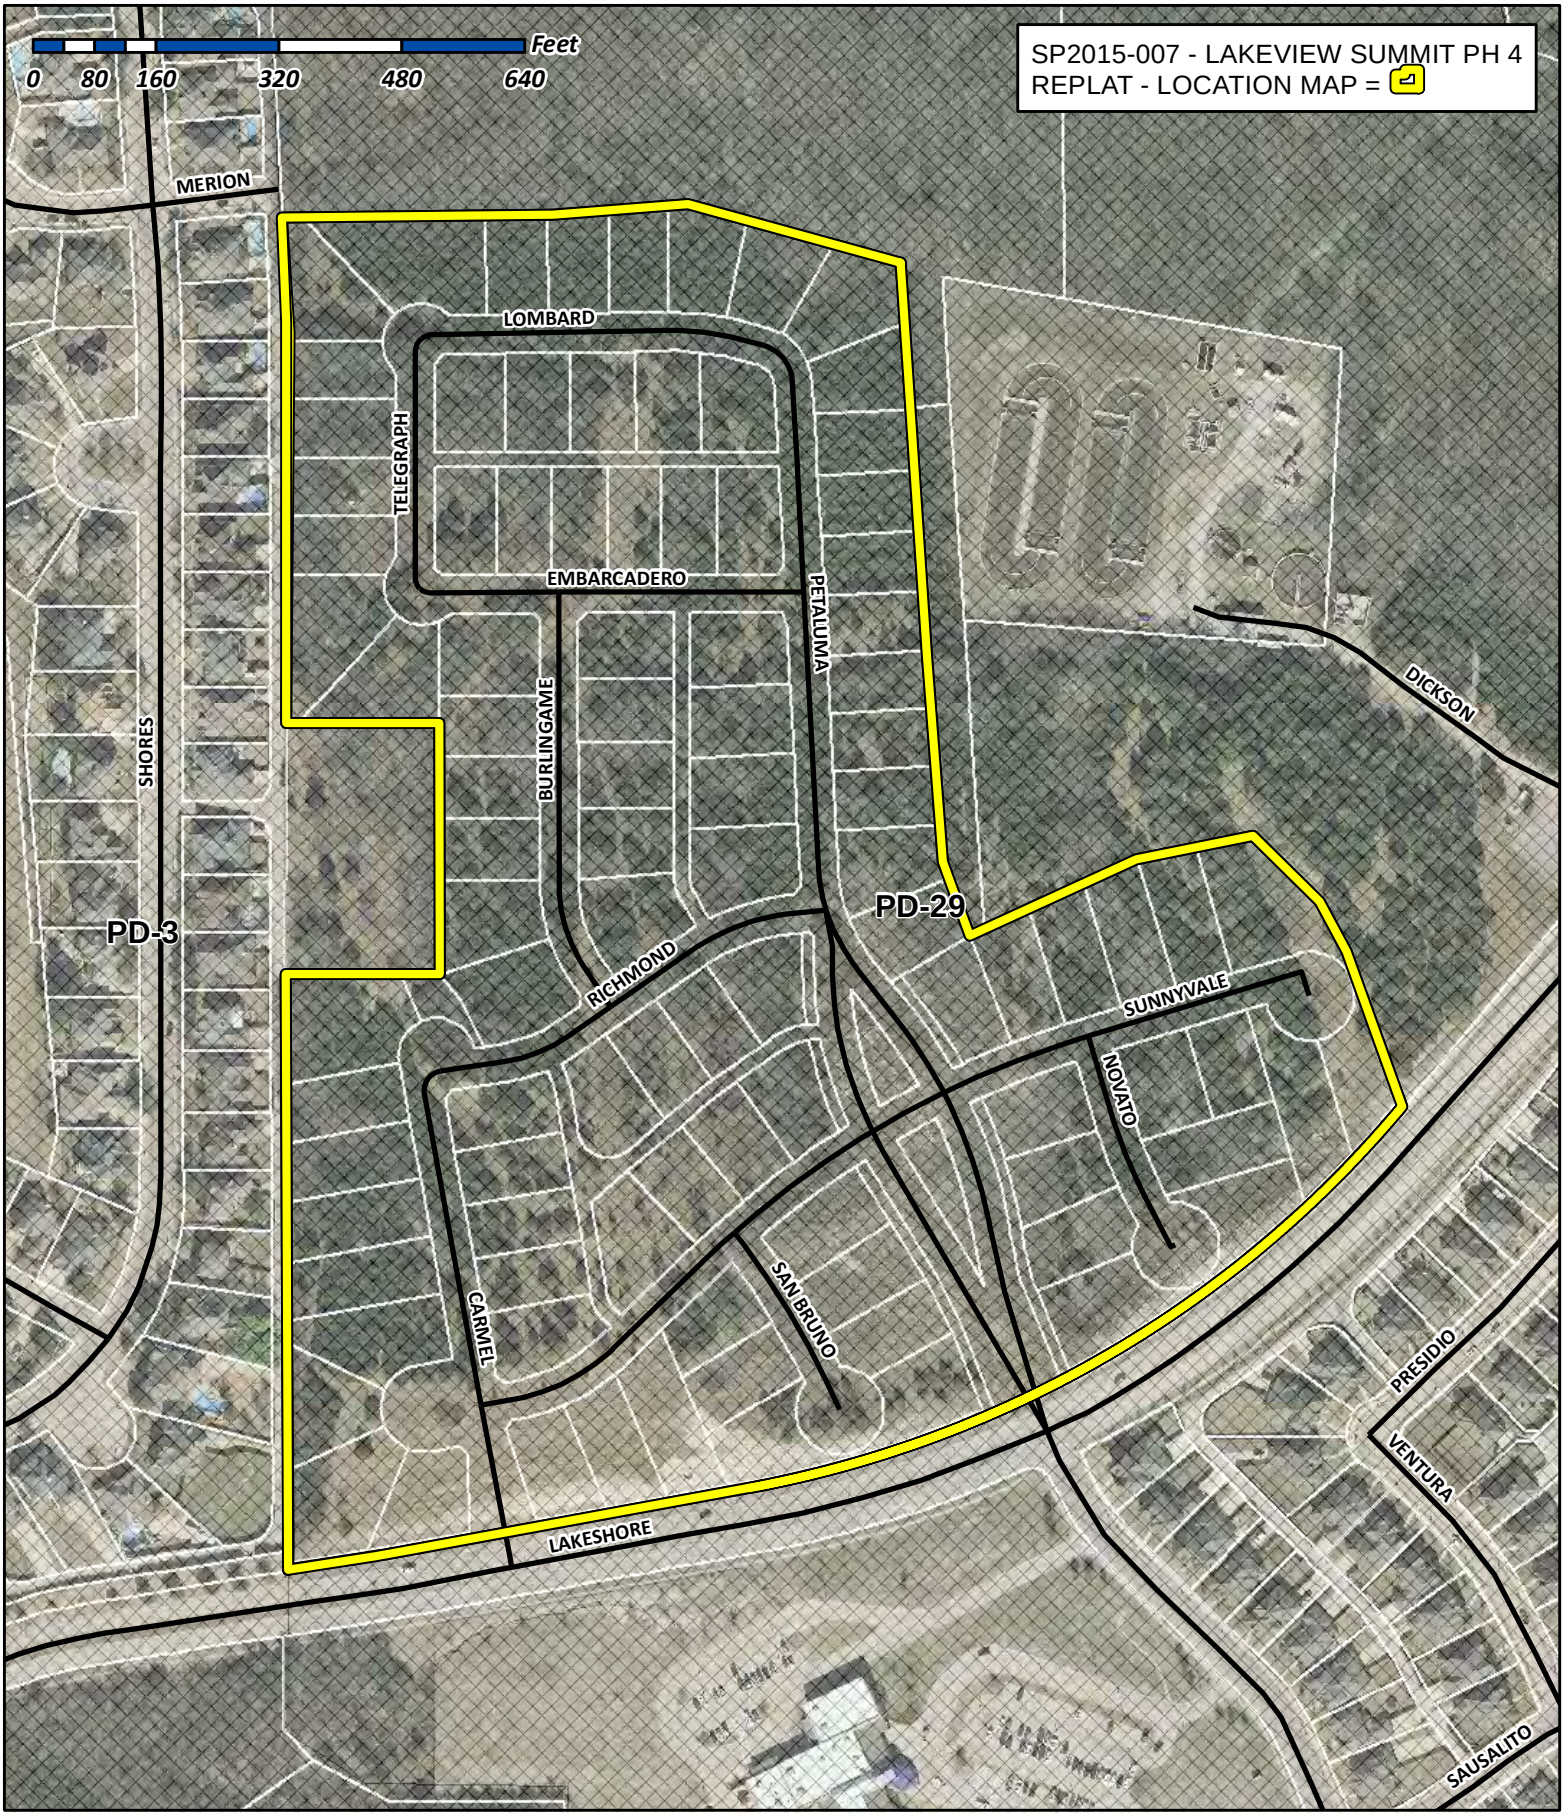
With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

RECOMMENDATIONS:

Staff recommends approval of the replat for *Lakeview Summit, Phase IV* in conformance with the following conditions of approval:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat; and,

2) All open space, common lots and boulevards shall be maintained by the Homeowner's Association.



3) All conditions established under the preliminary plat (*Case No. P2012*-028) shall be satisfied as part of this development. Specifically, the following conditions shall be satisfied:

   a) A wrought iron fence shall be installed on all four (4) sides (*i.e. north, south, east and west*) of the Butler Cemetery.
   b) A wrought iron fence shall be constructed along the entire length of N. Lakeshore Drive and the landscape buffer strips on Petaluma Drive.
   c) The Homeowner's Association shall be responsible for maintaining the boulevard space (*i.e. Blocks F & G*) along Petaluma Drive.
   d) The Homeowner's Association shall be responsible for maintaining the *Drainage & Utility Easement* identified as *Lot 22, Block A* on the replat.
   e) The development will need to adhere to the approved Park Board recommendations, which are as follows:
      i) The developer shall constructed an eight (8) foot trail along N. Lakeshore Drive.
      ii) The developer shall be responsible for paying pro-rata equipment fees of $226.00 per lot (*i.e. $21,018*).

4) Any construction resulting from the approval of this *plat* shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On March 10, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the replat per staff's recommendations by a vote 6-0, with Commissioner Conley absent.

Legal Description

BEING, a tract of land situated in the J.H.B. Jones Survey, Abstract No. 124 and the Nathan Butler Survey, Abstract No. 21, City of Rockwall, Rockwall County, Texas, and being a part of that called 237.167 acre tract as conveyed to Pulte Homes of Texas, L.P., as recorded in Volume 01778, Page 00075 of the Deed Records of Rockwall County, Texas, and further being all of Lakeview Summit, Phase IV as recorded in Cabinet G, Slide 129, Plat Records Rockwall County, Texas, and being more particularly described by metes and bounds as follows:

BEGINNING, at a point on the northerly right of way line of North Lakeshore Drive (a 100' right of way) at the southeast corner of The Fairway Pointe at the Shores, an addition to the City of Rockwall as recorded in Cabinet D, Slide 9 of the Plat Records of Rockwall County, Texas, and also being on the westerly line of said Pulte Homes of Texas, L.P. tract;

THENCE, leaving the northerly right of way line of North Lakeshore Drive and along the westerly line of said Pulte Homes of Texas, L.P. tract, the following:

North 00 degrees 12 minutes 37 seconds West, a distance of 775.30 feet to a point at the southwest corner of the Butler Cemetery (unrecorded);

North 89 degrees 57 minutes 35 seconds East, a distance of 200.06 feet to a point at the southeast corner of said Butler Cemetery;

North 00 degrees 02 minutes 27 seconds West, a distance of 326.70 feet to a point at the northeast corner of said Butler Cemetery;

South 89 degrees 58 minutes 33 seconds West, a distance of 199.70 feet to a point at the northwest corner of said Butler Cemetery and also being on the easterly line of The Shores, Phase III, an addition to the City of Rockwall as recorded in Cabinet C, Slide 99 of said Plat Records;

THENCE North 00 degrees 00 minutes 03 seconds West, along the common line of said The Shores, Phase III with the westerly line of said Pulte Homes of Texas, L.P. tract, a distance of 523.11 feet to a point;

THENCE North 02 degrees 19 minutes 00 seconds West, continuing along the common line of said The Shores, Phase III with the westerly line of said Pulte Homes of Texas, L.P. tract, a distance of 135.23 feet to a point for corner;

THENCE leaving the common line of said The Shores, Phase III with the westerly line of said Pulte Homes of Texas, L.P. tract and over and across said Pulte Homes of Texas, L.P. tract, the following:

North 89 degrees 20 minutes 14 seconds East, a distance of 353.02 feet to a point;
North 85 degrees 31 minutes 37 seconds East, a distance of 176.30 feet to a point;
South 74 degrees 33 minutes 21 seconds East, a distance of 287.09 feet to a point;
South 03 degrees 50 minutes 27 seconds East, a distance of 514.23 feet to a point;
South 04 degrees 30 minutes 33 seconds East, a distance of 267.66 feet to a point;
South 19 degrees 49 minutes 23 seconds East, a distance of 102.53 feet to a point;
North 65 degrees 23 minutes 46 seconds East, a distance of 238.70 feet to a point;
North 78 degrees 35 minutes 27 seconds East, a distance of 154.79 feet to a point;
South 45 degrees 22 minutes 49 seconds East, a distance of 121.83 feet to a point;
South 28 degrees 25 minutes 00 seconds East, a distance of 73.44 feet to a point;
South 19 degrees 44 minutes 31 seconds East, a distance of 214.56 feet to a point on the existing northerly right of way line of North Lakeshore Drive;

THENCE along the existing northerly right of way line of North Lakeshore Drive, the following:

Along a curve to the right having a central angle of 39 degrees 46 minutes 37 seconds, a radius of 1450.00 feet, a chord distance of 986.55 feet that bears South 59 degrees 44 minutes 34 seconds West, around said curve an arc distance of 1006.65 feet to a point;

South 79 degrees 37 minutes 53 seconds West, a distance of 475.59 feet to a point;

Along a curve to the right having a central angle of 1degrees 33 minutes 11 seconds, a radius of 650.00 feet, a chord distance of 17.62 feet that bears South 80 degrees 24 minutes 28 seconds West, around said curve an arc distance of 17.62 feet to a point;

South 81 degrees 11 minutes 04 seconds West, a distance of 114.45 feet to the POINT OF BEGINNING and containing 38.056 acres of land.

SURVEYORS CERTIFICATE

I, HEREBY CERTIFY, THAT I PREPARED THIS SURVEY PLAT SHOWN HEREON FROM AN ACTUAL SURVEY ON THE GROUND BY ME AND THAT ALL CORNERS ARE MARKED, AND THAT ALL DIMENSIONS SHOWN THEREON ARE TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE AND BELIEF, AND FURTHERMORE THERE ARE NO ENCROACHMENTS, PROTRUSIONS, IMPROVEMENTS, EASEMENTS, RIGHT-OF- WAY, OR 100 YEAR FLOOD PLAIN AFFECTING THE PROPERTY EXCEPT AS SHOWN THEREON.

_____
Mayor, City of Rockwall City Secretary City of Rockwall

_____
City Engineer

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

We, the undersigned owner of the land shown on this plat, and designated herein as REPLAT PLAT OF LAKEVIEW SUMMIT PHASE IV ADDITION, an addition to the City of Rockwall, Rockwall County, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in REPLAT OF LAKEVIEW SUMMIT PHASE IV ADDITION, have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. I also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Robert LaCroix, *Director of Planning and Zoning*

FROM: Ryan Miller, *Planning Manager*

DATE: March 16, 2015

SUBJECT: Hance Property (AG to PD) [*Z2015-003*]

At their regularly scheduled meeting on March 10, 2015, the Planning and Zoning Commission, at the request of the applicant (*John Arnold*), postponed the public hearing to March 31, 2015. This means that the projected City Council public hearing will be held at the April 6, 2015 meeting. According to Section 6.2, *Public Hearing Postponements, Recess, and Continuations*, of the Article II of the Unified Development Code (UDC), a public hearing may be postponed by announcing the postponement at the public hearing and indicating the time and place the new hearing is scheduled to begin; however, the date and time of the postponed public hearing cannot be greater than 60 days from the original public hearing date. The announcement of a postponement shall be sufficient notice and no additional notice shall be required. Per these requirements this will be the last meeting the applicant will be eligible to request a postponement. Should the applicant need to postpone the public hearing from the April 6, 2015 meeting the case will need to be withdrawn and resubmitted with a new application and fee.

SKORBURG COMPANY

8214 Westchester Drive, Suite 710
Dallas, TX 75225

March 6, 2015

Mr. Ryan Miller, Planning Manager
City of Rockwall Planning Department
385 S. Goliad Street
Rockwall, Texas 75087

Re: Request to table Agenda Item Z2015-003: Hance Property

Dear Mr. Miller:

As discussed, please accept this letter as Skorburg Company's official request to table Agenda Item Z2015-003 (the Hance property) at the Planning & Zoning Commission meeting for March 10th.

We respectfully request to be postponed to the March 31, 2015 Planning & Zoning Commission meeting for action.

Sincerely,

John Arnold
Development Partner

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 03/16/2015

APPLICANT: Kevin Carr of Gearheads Hot Rod Garage

AGENDA ITEM: **Z2015-007;** Truck Rental - SUP

SUMMARY:

Hold a public hearing to discuss and consider a request by Kevin Carr of GearHeads Hot Rod Garage for the approval of a Specific Use Permit (SUP) to allow truck rental in conjunction with an existing minor automotive repair garage on a two (2) acre tract of land identified as Tract 23-01 of the R. Irvine Survey, Abstract No. 120, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 3920 E. IH-30, and take any action necessary.

BACKGROUND INFORMATION:

U-Haul Co. of North East Dallas is proposing a *Neighborhood Dealer* location for the GearHeads Hot Rod Garage facility. U-Haul will provide the rental of no more than five (5) U-Haul trucks and five (5) trailers for this location at any given time. The applicant has indicated that the trucks and trailers will be parked at the rear of the facility where there is less visibility from IH-30. The purpose of the rental trucks and trailers is to provide their customers with an additional service associated with the existing automotive repair garage. GearHeads Hot Rod Garage is located at 3920 E. IH-30, is within the IH-30 Overly district and is zoned Light Industrial (LI) District. This particular location is adjacent to the eastern City Limits boundary line and is the last property seen as you travel east bound along IH-30 and/or the frontage road.

> *According to the Unified Development Code, Article IV Permissible Uses, Sec. 2.1.10. - Wholesale, distribution and storage.*
>
> > *Outside storage and/or outside display.*
> >
> > > *2. No outside storage shall be allowed in any zoning district adjacent to IH-30. However, on property that is zoned (LI) Light Industrial and adjacent to IH-30, a specific use permit (SUP) may be considered on a case-by-case basis to allow for outside storage and/or display in conjunction with a use that is permitted under this article. An SUP approved for this use may be subject to time limitations, site/landscaping or building enhancements, or other restrictions deemed appropriate by the planning and zoning commission or city council.*

Included in your packet is a letter from U-Haul Company of North East Dallas requesting the Specific Use Permit. The letter also includes a purpose statement for the business. The applicant has included a conceptual site plan indicating the general location of the facility and the area designated for the storage of the trucks and trailers which is at the rear of the building within a fenced-in area.

A request for an Specific Use Permit is a discretionary act upon the Planning and Zoning Commission and City Council.

NOTIFICATION:

On February 20, 2015, staff mailed two (2) notices to property owners within 500 feet of the subject property; however, since there are no HOA/Neighborhood Organizations within 1500 feet participating in the notification program, there was no additional notice forwarded by e-mail. Additionally, staff posted a sign on the property as required by the Unified Development Code (UDC). A public notice has been published in the Rockwall Herald Banner and posted on the City's web-site. At the time this report was drafted, staff has received no notices "for" or "against" the zoning change requested.

RECOMMENDATIONS:

Should the SUP be approved, staff would offer the following conditions of approval:

1. Adherence to all Engineering and Fire Department standards.

2. That the specific use permit (SUP) shall be valid for a period of three years from the date of passage of the SUP ordinance. If an extension to the 3-year time limit is desired, the owner shall petition the City Council for such extension at least 90 days prior the expiration of the SUP. The City Council shall review the SUP and determine if an extension of time is warranted.

3. That the commercial operation of a truck rental facility shall be limited to no more than five (5) U-Haul trucks and five (5) U-Haul trailers on the premises at any one time.

4. That the rental trucks and trailers be parked/stored on the premises, to the rear of the building, behind the fenced area as indicated on the conceptual site plan submitted so as to not be visible from the adjacent street rights-of-way (i.e. IH-30).

Planning and Zoning Commission Recommendation:

On March 10, 2015, the Planning and Zoning Commission recommended approval of the Specific Use Permit (SUP) request with staff conditions by a vote of 6 to 0 [Conley – absent].

42

U-HAUL COMPANY OF NORTH EAST DALLAS
4101 W. Plano Parkway * Plano, Texas 75093 * Phone: (972) 263-4176

To Whom It May Concern:

I am writing on behalf of the U-Haul Co. of NE Dallas.

U-Haul would like to establish a Neighborhood Dealer location with: Kevin Carr at Gearheads Hotrod Garage located at 3920 E Interstate 30 Rockwall, TX 75087.

We are looking to rent U-Haul Trucks and Trailers at this location. We are planning on having no more than five of each at any given time. The location is fenced and equipment will be displayed in an organized fashion.

Having locations such as this as a U-Haul Dealership will allow customers more convenience by reducing the travel distance between drop-off and pick-up of other vehicles at other locations. Simply put, customers not have to travel back and forth, to and from, a separate location to obtain do it yourself moving rental equipment. This unnecessary and non-productive driving can lead to a net increase of carbon emissions in the local area. In other words, the allowance of U-Haul Trucks and Trailers at this location, inside city limits, will reduce the carbon footprint in the entire area.

With this in mind U-Haul would appreciate your support towards establishing a U-Haul Neighborhood Dealership location with Gearheads Hotrod Garage.

Thank you,

Zane Rowland
Marketing Company President

CITY OF ROCKWALL

ORDINANCE NO. 15-XX

SPECIFIC USE PERMIT NO. S-XXX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A TRUCK RENTAL FACILITY IN CONJUNCTION WITH AN EXISTING MINOR AUTOMOTIVE REPAIR GARAGE, BEING A 2.0-ACRE TRACT OF LAND, ZONED LIGHT INDUSTRIAL (LI) DISTRICT AND IDENTIFIED AS TRACT 23-01 OF THE R. IRVING SURVEY, ABSTRACT NO. 120, AND LOCATED AT 3920 E IH-30, , CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND MORE SPECIFICALLY DEPICTED IN EXHIBIT 'A'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Kevin Carr of GearHeads Hot Rod Garage for the approval of a Specific Use Permit to allow for a *Truck Rental Facility* in conjunction with an existing minor automotive repair garage being a 2.0-acre tract of land, zoned Light Industrial (LI) District and identified as Tract 23-01 of the R. Irvine Survey, Abstract No. 120, and located at 3920 E. IH-30, and, City of Rockwall, Rockwall County, Texas, and more specifically described in Exhibit 'A' of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit allowing for a *Truck Rental Facility* in conjunction with an existing minor automotive repair garage within a Light Industrial (LI) District as stipulated by the Unified Development Code [Ordinance no. 04-38] on the *Subject Property*; and

SECTION 2. That the *Subject Property* shall be used only in the manner and for the purposes described in this Specific Use Permit (SUP) granted herein and shall be subject to the conditions set forth in *Article IV, Permissible Uses, Sec. 2.1.10 Wholesale, Distribution and Storage* of the Unified Development Code [Ordinance No. 04-38] as heretofore amended, as amended herein by

granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following additions and compliance standards:

2.1 Operational Conditions

The following conditions pertain to the operation of a *Truck Rental Facility* in conjunction with an existing minor automotive repair garage on the *Subject Property*, and conformance to these stipulations is required for continued operations:

1. That the commercial operation of a *Truck Rental Facility* shall be limited to no more than five (5) U-Haul trucks and five (5) U-Haul trailers on the premises at any one time for the *Subject Property* as depicted in Exhibit "A" attached hereto; and,

2. That the U-Haul rental trucks and U-Haul trailers be parked/stored on the premises, to the rear of the building, behind the fenced area as indicated on the conceptual site plan submitted as Exhibit 'B' so as to not be visible from the adjacent street rights-of-way (i.e. IH-30); and,

3. That the Specific Use Permit (SUP) shall be valid for a period of three years from the date of passage of the SUP ordinance. If an extension to the 3-year time limit is desired, the owner shall petition the City Council for such extension at least 90 days prior the expiration of the SUP. The City Council shall review the SUP and determine if an extension of time is warranted.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE _____ DAY OF _____, 2015.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 3/16/2015

APPLICANT: Herman Douglas Utley

AGENDA ITEM: **Z2015-008**; *1815 E. Old Quail Run Road (AG to SFE-2.0)*

SUMMARY:

Hold a public hearing to discuss and consider a request by Herman Douglas Utley for the approval of a zoning change from an Agricultural (AG) District to a Single Family Estate 2.0 (SFE-2.0) District for a 4.502-acre tract of land identified as Tract 1 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass (SH-205 BY OV) District, addressed as 1815 E. Old Quail Road, and take any action necessary.

PURPOSE:

The subject property is a 4.502-acre tract of land identified as Tract 1 of the S. R. Barnes Survey, Abstract No. 13. The applicant, Herman Douglas Utley, is requesting to rezone the property from an Agricultural (AG) District to a Single-Family Estate (SFE 2.0) District for the purpose of subdividing the property into two (2) acre parcels of land (*i.e. Lot 1: 2.172-acres and Lot 2: 2.33-acres*). Currently, the subject property has an existing single-family home constructed in the southeast corner. According to the applicant's letter, the existing house will remain on one lot and a new single-family home will be constructed on the remainder lot.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is E. Quail Run Road, which is identified as a M4U (*minor arterial, four [4] lane, undivided* roadway) according to the City's Master Thoroughfare Plan. Beyond this roadway is a portion of a larger 62.192-acre tract of land zoned Agricultural (AG) District that is currently vacant.

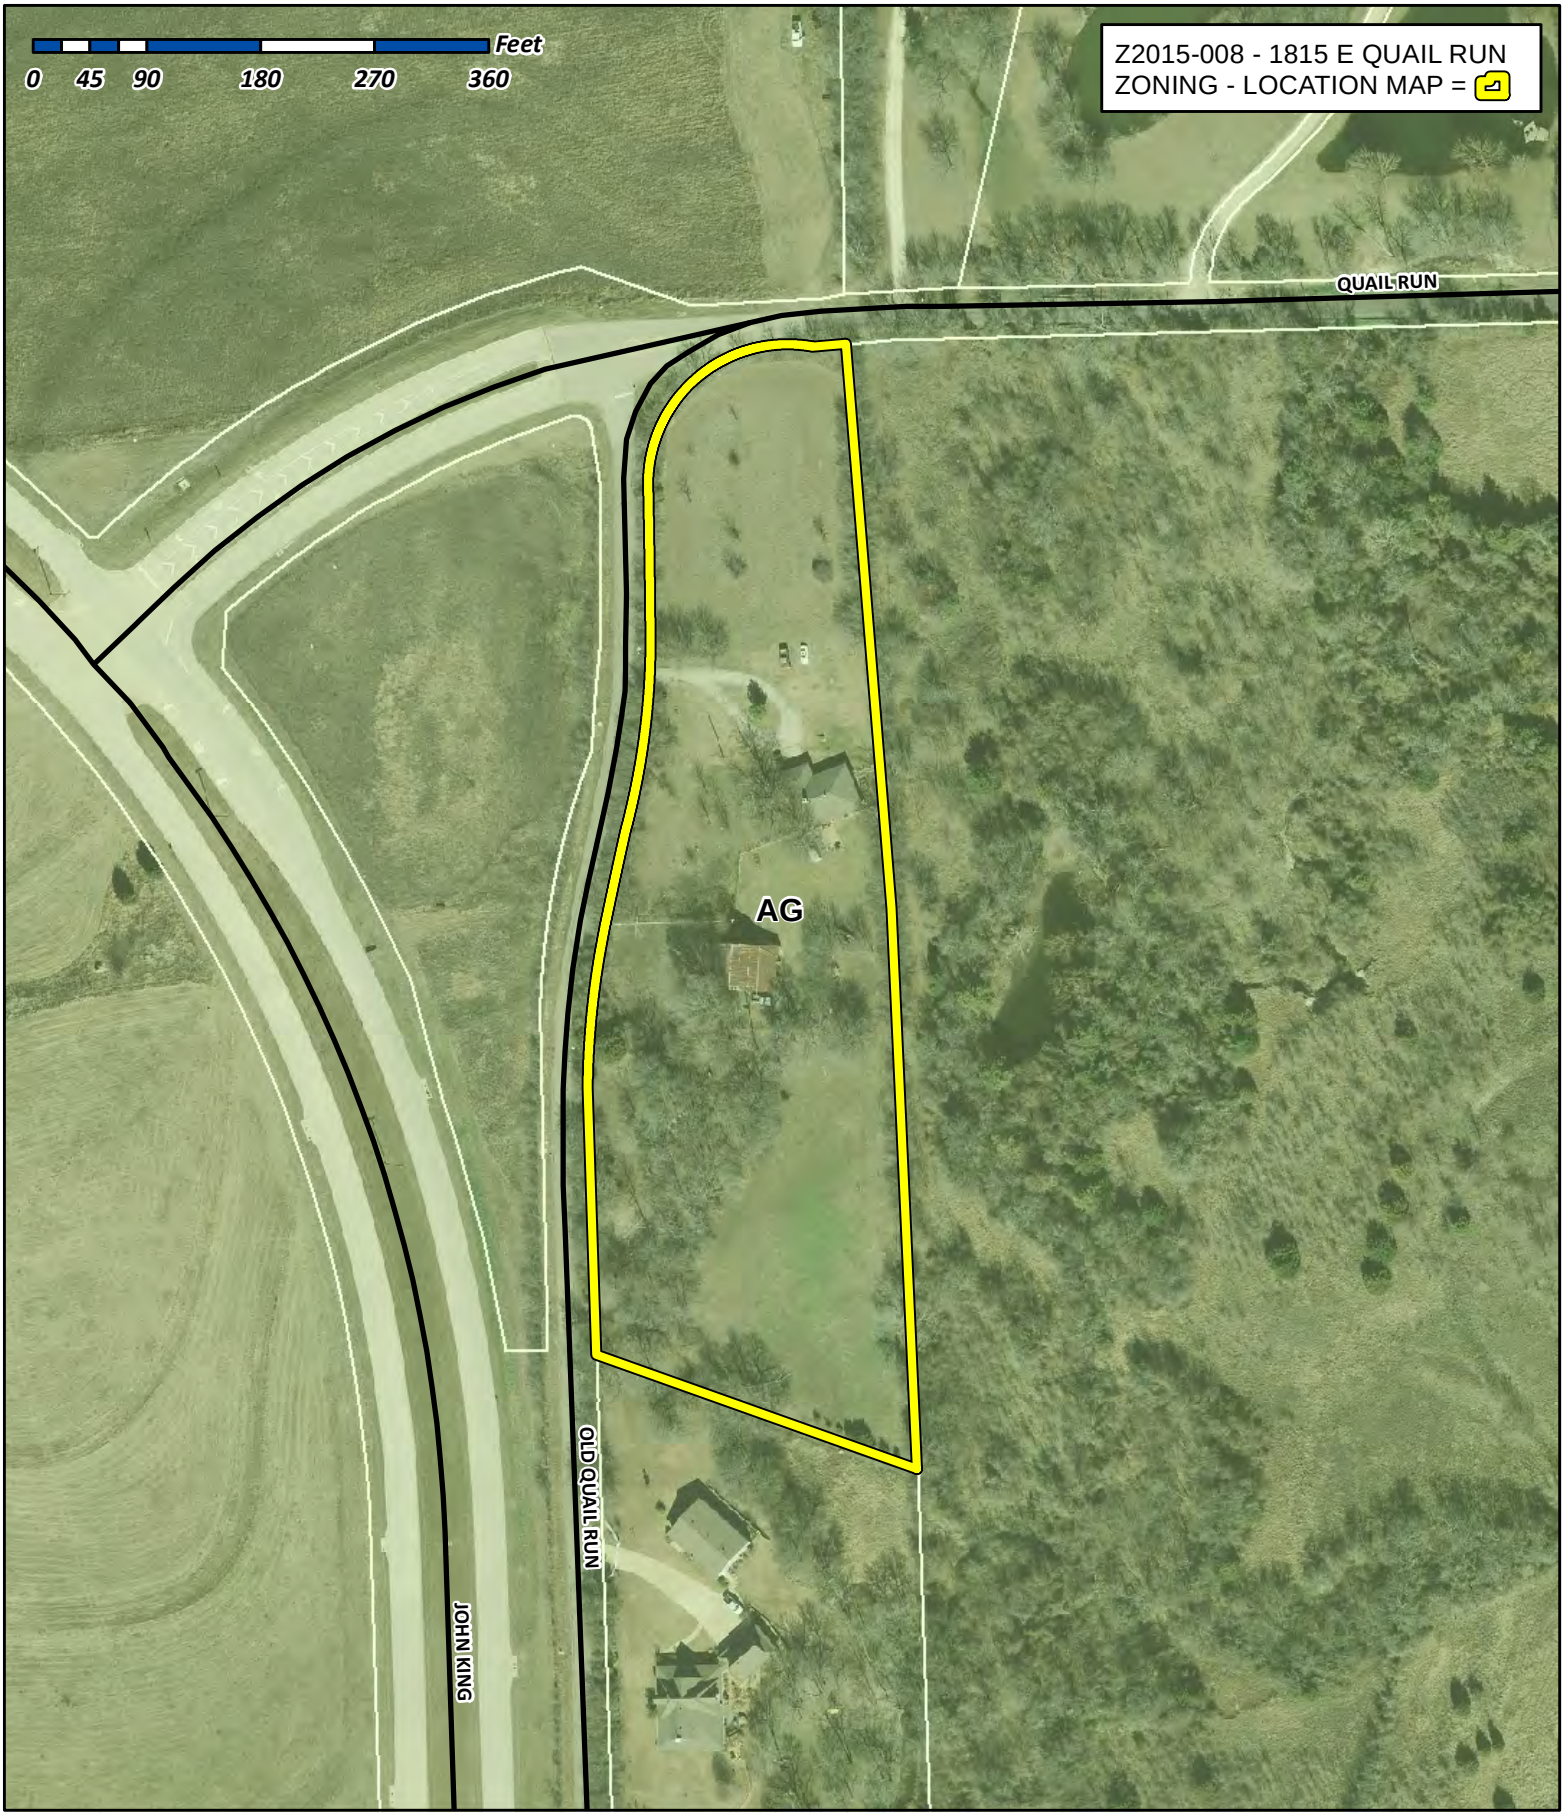
South: Directly south of the subject property is a 4.83-acre parcel of land zoned Agricultural (AG) District, which is identified as Lot 1, Block A, of the D. R. Taylor Addition and addressed as 1691 E. Old Quail Run Road. Beyond this property are the corporate boundaries of the City of Rockwall.

East: Directly east of the subject property is a 29.929-acre tract of land zoned Agricultural (AG) District that is currently vacant. Beyond this tract of land is Saddlebrook Estates, Phase 2, which is zoned Single-Family 16 (SF-16) District and contains 45 single-family residential lots.

West: Directly west of the subject property is E. Old Quail Run Road followed by a portion of a larger 62.192-acre tract of land zoned Agricultural (AG) District that is currently

vacant. Bisecting this tract of land is John King Boulevard, which is identified as a P6D (*principal arterial, six [6] lane, divided roadway*) according to the City's Master Thoroughfare Plan.

CONFORMANCE WITH THE COMPREHENSIVE PLAN:



The Future Land Use Map, adopted with the Comprehensive Plan, designates the subject property for *Low Density Residential* land uses, which is defined as less than two (2) single-family units per acre. This designation is in conformance with the applicant's request to rezone the subject property to a Single-Family Estate (SFE-2.0) District (*i.e. a density of 2.251 units per acre*).

NOTIFICATION:

On February 20, 2015, staff mailed seven (7) notices to property owners and residents within 500-feet of the subject property. Staff also emailed notices to the Stoney Hollow and Caruth Lakes Homeowner's Associations (HOA's), which are the only HOA's located within 1,500-feet of the subject property. Additionally, staff posted a sign along E. Old Quail Run Road, and advertised the public hearings in the Rockwall Harold Banner as required by the Unified Development Code (UDC). At the time this case memo was drafted no responses were received by staff.

PLANNING AND ZONING COMMISSION:

On March 16, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the proposed zoning change by a vote of 6-0, with Commissioner Conley absent.

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2015-008: 1815 E Quail Run

Hold a public hearing to discuss and consider a request by Herman Douglas Utley for the approval of a zoning change from an Agricultural (AG) District to a Single Family Estate 2.0 (SFE-2.0) District for a 4.502-acre tract of land identified as Tract 1 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass (SH-205 BY OV) District, addressed as 1815 E. Quail Road, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 3/10/2015 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 3/16/2015 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

Ryan Miller
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **3/16/2015** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

Subject: Neighborhood Notification Program: Notice of Zoning Request
Attachments: HOA Map (02.16.2015).pdf

To whom it may concern:

Per your participation in the Neighborhood Notification Program, you are receiving this notification to inform your organization and residents of a request for a zoning change that lies within 1,500 feet of the boundaries of your neighborhood or subdivision. As the primary contact for the organization, you are encouraged to share this information with the residents of your subdivision. Please find attached a map detailing the location of the subject property requesting the zoning change in relation to your subdivision boundaries. Additionally, below is a summary of the zoning request that was also published in the Rockwall Harold Banner on *February 20th , 2015*. If you have any questions or comments regarding this request, the contact information for the Planning Department is listed below. Additional information can also be found at http://www.rockwall.com/planning/planningDevCases.asp.

Z2015-008: Hold a public hearing to discuss and consider a request by Herman Douglas Utley for the approval of a zoning change from an Agricultural (AG) District to a Single Family Estate 2.0 (SFE-2.0) District for a 4.502-acre tract of land identified as Tract 1 of the S. PROPERTY DESCRIPTION

Being a 4.502 acre tract of land situated in the S.R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas and being all that certain tract of land described in deed to Herman D. Utley, as recorded in Instrument No. 2006-00358812, Deed Records, Rockwall County, Texas and all that certain tract of land described in deed to Herman Douglas Utley, as recorded in Volume 3555, Page 93, said Deed Records and being more particularly described by metes and bounds as follows:

BEGINNING at a found 60 penny nail in E. Quail Run Road at the common west corner of said Utley tract (3555/93) and Lot 1, Block A, of the D.R. Taylor Addition, recorded in Cabinet E, Slide 317, Plat Records, Rockwall County, Texas, said 60 penny nail being on the east line of the remainder of that certain tract of land described in deed to Lonnie L. Gideon, as recorded in Volume 307, Page 256, said Deed Records;

THENCE along said E. Quail Run Road and the common line of said Utley tract (3555/93) and said Gideon tract the following bearings and distances:

North, a distance of 144.96 feet to a found 60 penny nail;

North 03 degrees 22 minutes 44 seconds East, a distance of 103.15 feet to a found 60 penny nail from which a found 5/8-inch iron rod bears North 32 degrees 43 minutes 46 seconds East, a distance of 13.60 feet and a found 1/2-inch iron rod bears South 87 degrees 53 minutes 27 seconds East, a distance of 17.69 feet;

North 09 degrees 16 minutes 45 seconds East, a distance of 86.44 feet to a found 60 penny nail at the common west corner of said Utley tracts, from which a found 1/2-inch iron rod bears South 89 degrees 39 minutes 46 seconds East - 25.41 feet;

THENCE along aforesaid E. Quail Run Road and the common line of said Utley tract (2006-00358812) and aforesaid Gideon tract the following bearings and distances:

North 13 degrees 45 minutes 03 seconds East, a distance of 134.53 feet;

North 04 degrees 57 minutes 27 seconds East, a distance of 130.01 feet;

North 02 degrees 16 minutes 19 seconds East, a distance of 113.06 feet to a point from which a found 5/8-inch iron rod bears North 02 degrees 54 minutes 26 seconds East, a distance of 31.67 feet;

North 30 degrees 51 minutes 27 seconds East, a distance of 72.24 feet;

North 69 degrees 46 minutes 15 seconds East, a distance of 98.85 feet;

North 86 degrees 17 minutes 03 seconds East, a distance of 67.89 feet to a point from which a found 1/2-inch iron rod bears North 07 degrees 24 minutes 57 seconds East, a distance of 4.98 feet, said point being the common corner of aforesaid Utley tract (2006-00358812) and that certain tract of land described in deed to Lonnie L. Gideon, as recorded in Volume 307, Page 259, aforesaid Deed Records and that certain tract of land described in deed to Hilda Kouvelis and husband, Peter Kouvelis, as recorded in Volume 1881, Page 115, said Deed Records;

THENCE South along the common line of said Utley tract (2006-00358812) and said Gideon tract (307/259), passing a found 1/2-inch iron rod at the common east corner of said Utley tracts at a distance of 473.91 feet and continuing along the common line of said Utley tract (3555/93) and said Gideon tract (307/259) a total distance of 916.66 feet to a point from which a found 1/2-inch iron rod bears North 57 degrees 25 minutes 40 seconds West, a distance of 0.69 of one foot, said point being the common east corner of said Utley tract (3555/93) and aforesaid Lot 1;

THENCE North 67 degrees 32 minutes 31 seconds West along the common line of said Utley tract (3555/93) and said Lot 1, passing a found 1/2-inch iron rod at a distance of 260.05 feet and continuing a total distance of 287.04 feet to the POINT OF BEGINNING and containing 196,096 square feet or 4.502 acres of land.

THIS IS TO DECLARE that on this date a survey was made on the ground, under my direction and supervision of the above described tract of land.

There are no visible conflicts, visible evidence of easements or rights-of-way, or protrusions, except as shown, and that this date the easements, rights-of-way or other locatable matters of record of which the undersigned has knowledge or has been advised are as shown or noted hereon.

The subject property does not appear to lie within the limits of a 100-year flood hazard zone according to the Map published by the Federal Emergency Management Agency, and has a Zone "X" Rating as shown by Map No. 480543 00030 B, dated SEPTEMBER 17, 1980. The statement that the property does or does not lie within a 100-year flood zone is not to be taken as a representation that the property will or will not flood. This survey is not to be used for construction purposes and is for the exclusive use of Foundation Mortgage and Commonwealth Title only and this survey is made pursuant to that one certain title commitment under the GF number 2252000072, provided by the title company named hereon.

CITY OF ROCKWALL

ORDINANCE NO. 15-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURE (AG) DISTRICT TO A SINGLE-FAMILY ESTATE 2.0 (SFE-2.0) DISTRICT FOR A 4.502-ACRE TRACT OF LAND IDENTIFIED AS TRACT 1 OF THE S. R. BARNES SURVEY, ABSTRACT NO. 13, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN *EXHIBIT 'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Herman Douglas Utley for the approval of an amendment to the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall to adopt a change in zoning from an Agriculture (AG) District to a Single-Family Estate 2.0 (SFE-2.0) District for a 4.502-acre tract of land identified as Tract 1 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, and more specifically described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning of the *Subject Property* from an Agriculture (AG) District to a Single-Family Estate 2.0 (SFE-2.0) District; and

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes provided for a *Single-Family Estate (SF-E) District* in *Section 1.1, "Use of Land and Buildings,"* of *Article IV, "Permissible Uses"* and *Section 3.2, "Single-Family Estate (SF-E/1.5, 2.0, 4.0) District",* of *Article V, "District Development Standards",* of the *Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as maybe amended in the future;

Section 3. That the official zoning map of the City be corrected to reflect the changes in the

DRAFT ORDINANCE 09.16.2015

zoning described herein.

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ON THIS THE 7TH DAY OF APRIL, 2014.

_____
Jim Pruitt, *Mayor*

ATTEST:

_____
Kristy Ashberry, *City Secretary*

APPROVED AS TO FORM:

_____
Frank J. Garza, *City Attorney*

DRAFT ORDINANCE 03.16.2015

Exhibit 'A':
Legal Description

PROPERTY DESCRIPTION

Being a 4.502 acre tract of land situated in the S.R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas and being all that certain tract of land described in deed to Herman D. Utley, as recorded in Instrument No. 2006-00358812, Deed Records, Rockwall County, Texas and all that certain tract of land described in deed to Herman Douglas Utley, as recorded in Volume 3555, Page 93, said Deed Records and being more particularly described by metes and bounds as follows:

BEGINNING at a found 60 penny nail in E. Quail Run Road at the common west corner of said Utley tract (3555/93) and Lot 1, Block A, of the D.R. Taylor Addition, recorded in Cabinet E, Slide 317, Plat Records, Rockwall County, Texas, said 60 penny nail being on the east line of the remainder of that certain tract of land described in deed to Lonnie L. Gideon, as recorded in Volume 307, Page 256, said Deed Records;

THENCE along said E. Quail Run Road and the common line of said Utley tract (3555/93) and said Gideon tract the following bearings and distances:

North, a distance of 144.96 feet to a found 60 penny nail;

North 03 degrees 22 minutes 44 seconds East, a distance of 103.15 feet to a found 60 penny nail from which a found 5/8-inch iron rod bears North 32 degrees 43 minutes 46 seconds East, a distance of 13.69 feet and a found 1/2-inch iron rod bears South 87 degrees 53 minutes 27 seconds East, a distance of 17.69 feet;

North 09 degrees 16 minutes 45 seconds East, a distance of 86.44 feet to a found 60 penny nail at the common west corner of said Utley tracts, from which a found 1/2-inch iron rod bears South 89 degrees 39 minutes 46 seconds East - 25.41 feet;

THENCE along aforesaid E. Quail Run Road and the common line of said Utley tract (2006-00358812) and aforesaid Gideon tract the following bearings and distances:

North 13 degrees 45 minutes 03 seconds East, a distance of 134.53 feet;

North 04 degrees 57 minutes 27 seconds East, a distance of 130.01 feet;

North 02 degrees 16 minutes 19 seconds East, a distance of 113.06 feet to a point from which a found 5/8-inch iron rod bears North 02 degrees 54 minutes 26 seconds East, a distance of 31.67 feet;

North 30 degrees 51 minutes 27 seconds East, a distance of 72.24 feet;

North 69 degrees 46 minutes 15 seconds East, a distance of 98.85 feet;

North 86 degrees 17 minutes 03 seconds East, a distance of 67.89 feet to a point from which a found 1/2-inch iron rod bears North 07 degrees 24 minutes 57 seconds East, a distance of 4.98 feet, said point being the common corner of aforesaid Utley tract (2006-00358812) and that certain tract of land described in deed to Lonnie L. Gideon, as recorded in Volume 307, Page 259, aforesaid Deed Records and that certain tract of land described in deed to Hilda Kouvelis and husband, Peter Kouvelis, as recorded in Volume 1881, Page 115, said Deed Records;

THENCE South along the common line of said Utley tract (2006-00358812) and said Gideon tract (307/259), passing a found 1/2-inch iron rod at the common east corner of said Utley tracts at a distance of 473.91 feet and continuing along the common line of said Utley tract (3555/93) and said Gideon tract (307/259) a total distance of 916.66 feet to a point from which a found 1/2-inch iron rod bears North 57 degrees 25 minutes 40 seconds West, a distance of 0.69 of one foot, said point being the common east corner of said Utley tract (3555/93) and aforesaid Lot 1;

THENCE North 67 degrees 32 minutes 31 seconds West along the common line of said Utley tract (3555/93) and said Lot 1, passing a found 1/2-inch iron rod at a distance of 260.05 feet and continuing a total distance of 287.04 feet to the POINT OF BEGINNING and containing 196,096 square feet or 4.502 acres of land.

THIS IS TO DECLARE that on this date a survey was made on the ground, under my direction and supervision of the above described tract of land.

There are no visible conflicts, visible evidence of easements or rights-of-way, or protrusions, except as shown, and that this date the easements, rights-of-way or other locatable matters of record of which the undersigned has knowledge or has been advised are as shown or noted hereon.

The subject property does not appear to lie within the limits of a 100-year flood hazard zone according to the Map published by the Federal Emergency Management Agency, and has a Zone "X" Rating as shown by Map No. 480543 00030 B, dated SEPTEMBER 17, 1980. The statement that the property does or does not lie within a 100-year flood zone is not to be taken as a representation that the property will or will not flood. This survey is not to be used for construction purposes and is for the exclusive use of Foundation Mortgage and Commonwealth Title only and this survey is made pursuant to that one certain title commitment under the GF number 2252000072, provided by the title company named hereon.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 03/16/2015

APPLICANT: Chris and Jill Blasé

AGENDA ITEM: **Z2015-009**; Detached Garage - SUP

Hold a public hearing to discuss and consider a request by Chris and Jill Blasé for the approval of a Specific Use Permit (SUP) for a detached garage that does not conform to the requirements as stipulated by Section 2.1.2, *Residential and Lodging Use Conditions*, of Article IV, *Permissible Uses*, of the Unified Development Code for a 4.05-acre parcel of land identified as Lot 1, Block 1, Blasé Addition, City of Rockwall, Rockwall County, Texas, zoned Single Family 10 (SF-10) District, addressed as 1220 East Fork Drive, and take any action necessary.

BACKGROUND INFORMATION:

The applicants are requesting a Specific Use Permit (SUP) to allow for a 2-story detached garage that exceeds the area and height requirements of the Residential and Lodging Use Conditions for an accessory building within a residential district. The proposed structure will have a building footprint of 1,235 sq. ft. which exceeds the maximum area of 900 sq. ft. The overall height of the structure is 24ft - 10 7/8", exceeding the 15ft height requirement. It should be noted that the proposed structure has a gabled roof design that is measured at the mid-point of the roof for height purposes. When measured at the mid-point, the roof is approximately 17 ½-ft in height, exceeding the 15ft maximum.

Furthermore, the detached garage does not meet the exterior material requirements of the Residential and Lodging Use Conditions for the detached garage. Rather, the applicants are proposing the structure to incorporate metal siding with a metal roof and metal roof elements (dormers) that will have stone matching the primary structure and appearing on the front façade.

According to the Unified Development Code (UDC), Article IV Permissible Uses, Sec. 2.1.2. - Residential and lodging use conditions;

Accessory building (accessory to residential use).

1. The accessory building shall be accessory to a residential use and located on the same lot.

2. In all residential districts, one detached garage shall be allowed provided that it does not exceed 900 square feet in area or 15 feet in height, provided that it is located on the same lot as the residential use and that the exterior cladding contains the same materials, excluding glass, as found on the main structure and is generally in the same proportion.

6. Accessory buildings not meeting these standards shall require approval of an SUP.

The applicants have provided a site plan indicating the location of the detached garage to be directly behind the existing home and building elevations for the proposed 2-story structure. The applicants have proposed to use the structure for parking of vehicles, storage, and as a workshop.

A request for an Specific Use Permit is a discretionary act upon the Planning and Zoning Commission and City Council.

NOTIFICATION:

On February 20, 2015, staff mailed sixty-six (66) notices to property owners and residents within 500 feet of the subject property. Staff has also notified the Shores/Ray Hubbard, Lake View Summit and Hillcrest at the Shores Homeowner's Associations (HOA) via e-mail, which are located within 1,500 feet of the subject property. Additionally, staff posted a sign adjacent to the subject property on East Fork Dr. as required by the Unified Development Code (UDC). A public notice has been published in the Rockwall Herald Banner meeting state statutes and has also been posted on the City's web-site. At the time this case memo was drafted, staff has received two (2) notices "opposed" to the zoning change request.

RECOMMENDATIONS:

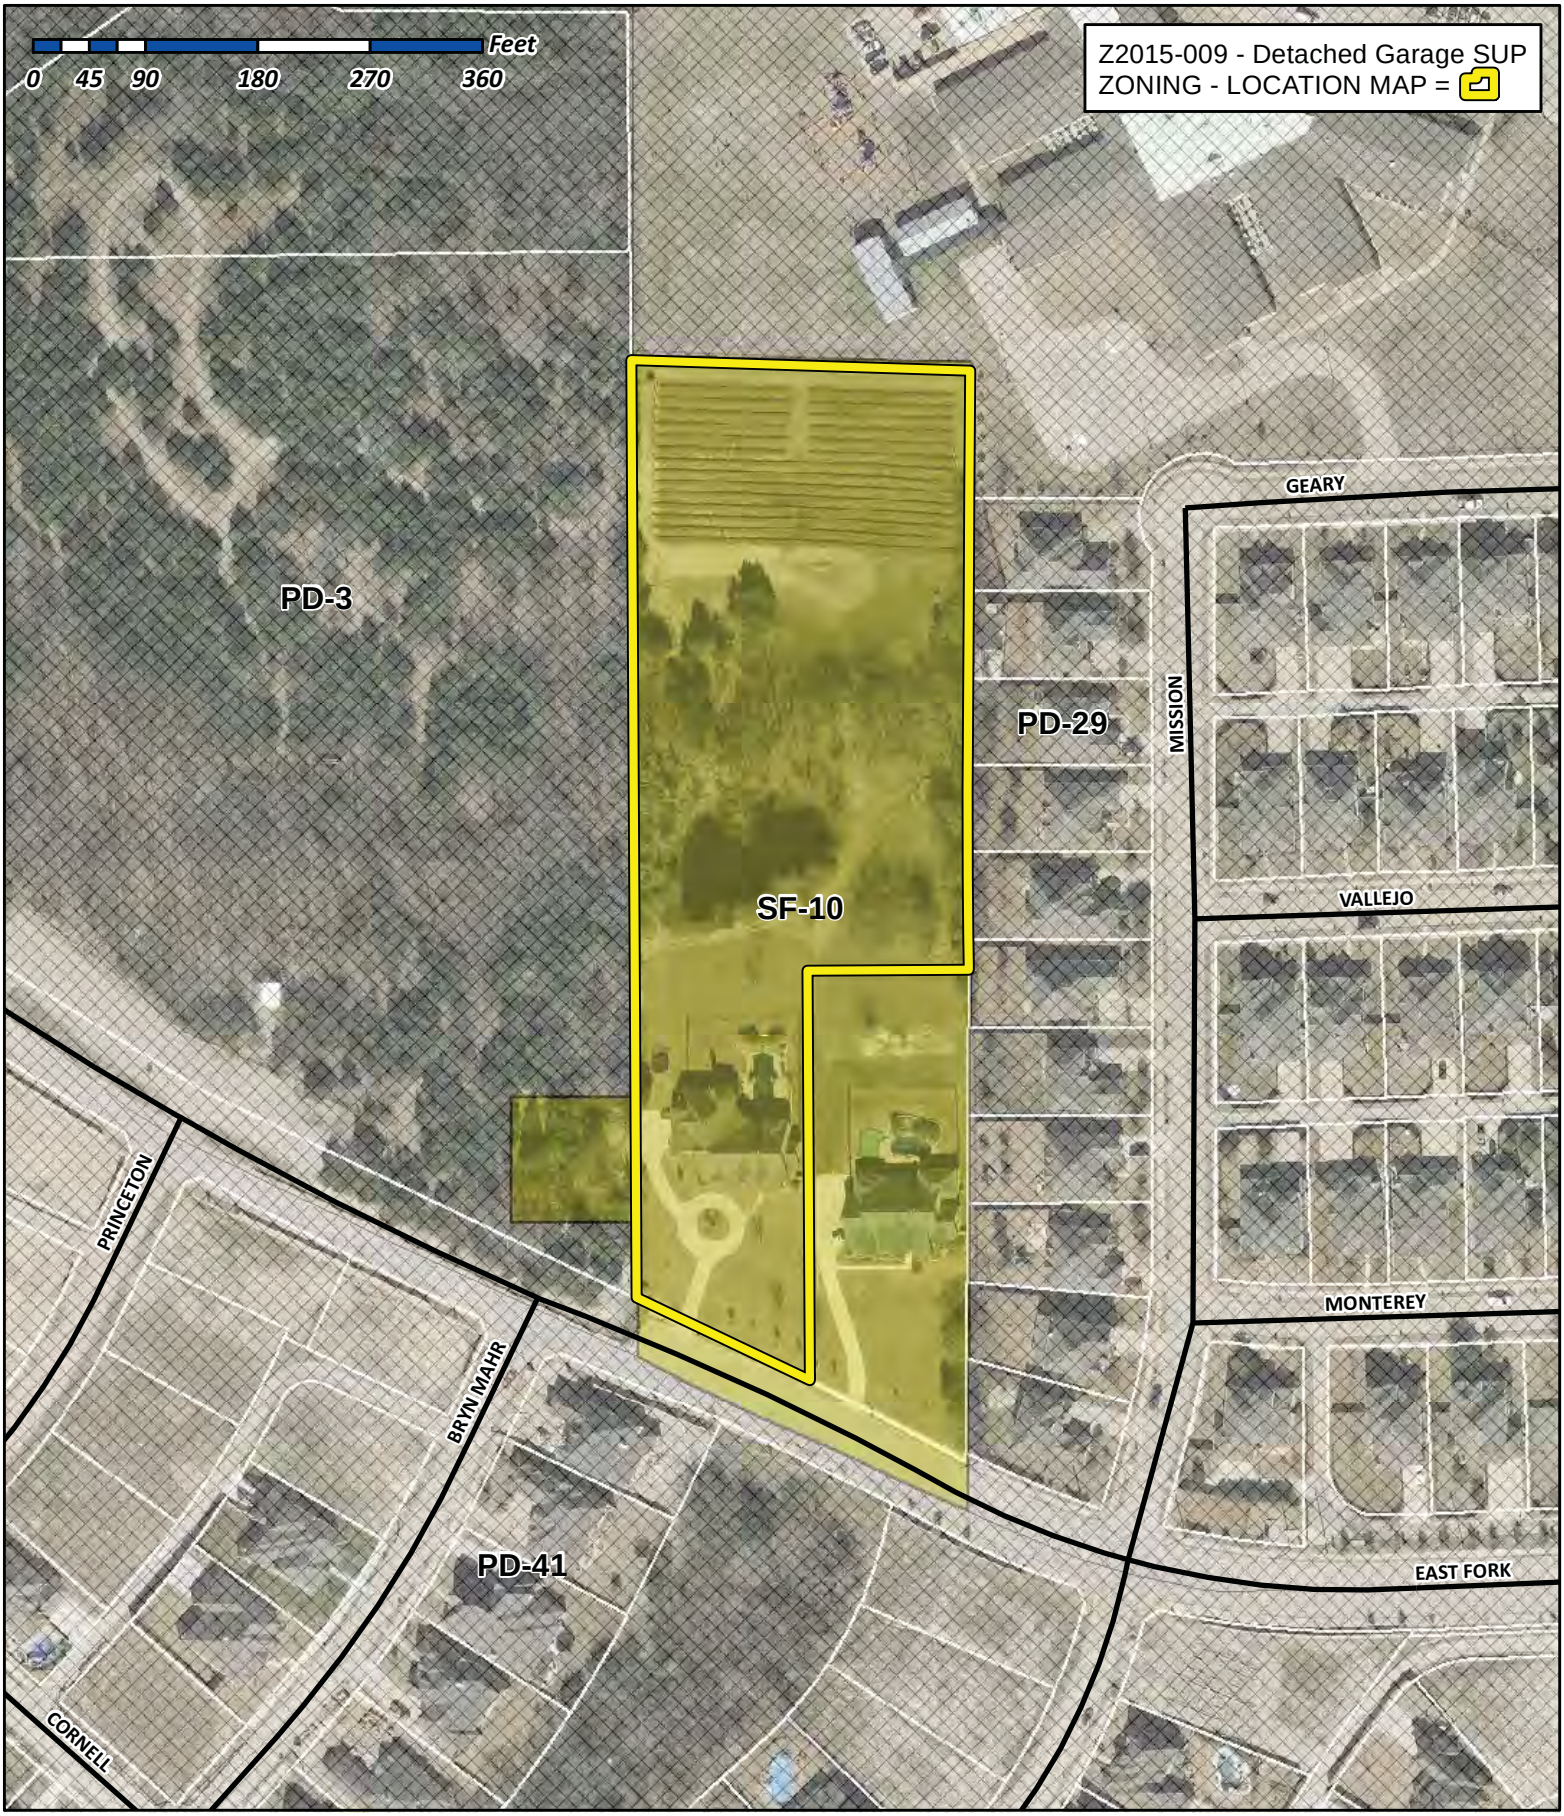
Should the request for an SUP be approved, staff offers the following conditions:

1. Any construction or building allowed by this request must conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

2. That submittal and approval of a building permit is required prior to the construction of the detached garage.

3. That the detached garage shall generally conform to the site plan as submitted.

4. That the detached garage shall not exceed 1,235 sq. ft. in area or an overall height of 25 ft



5. That the detached garage shall generally conform to the building elevations as submitted, including the use of metal siding, a metal roof, and metal roof elements (dormers) as depicted.

6. That the detached garage is subject to administrative review in the event that the subject property is sold to another party, conveyed in any manner to another party, subdivided, or re-platted.

7. The City Council reserves the right to review the Specific Use Permit within one (1) year from the date approval.

Planning and Zoning Commission Recommendation:

On March 10, 2015, the Planning and Zoning Commission recommended approval of the Specific Use Permit (SUP) with staff conditions by a vote of 6 to 0 [Conley – absent].

EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2015-009: Detached Garage SUP

Hold a public hearing to discuss and consider a request by Chris and Jill Blasé for the approval of a Specific Use Permit (SUP) for a detached garage that does not conform to the requirements as stipulated by Section 2.1.2, Residential and Lodging Use Conditions, of Article IV, Permissible Uses, of the Unified Development Code for a 4.05-acre parcel of land identified as Lot 1, Block 1, Blasé Addition, City of Rockwall, Rockwall County, Texas, zoned Single Family 10 (SF-10) District, addressed as 1220 East Fork Drive, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 3/10/2015 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 3/16/2015 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **3/16/2015** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

PLEASE RETURN THE BELOW FORM

Case No. Z2015-009: Detached Garage SUP

Please place a check mark on the appropriate line below:

☐ I am in favor of the request for the reasons listed below.

☒ I am opposed to the request for the reasons listed below.

After viewing the blue prints it's clear that the guest house is not a residential dwelling but appears to be commercial which is the opposite of what I was told via phone about the 1st zoning request back in Dec. 2014.

Name: Jim + Cindy Ramsey

Address: 665 Mission Dr.

Tex. Loc. Gov. Code, Sec. 211.006 (d) If a proposed change to a regulation or boundary is protested in accordance with this subsection, the proposed change must receive, in order to take effect, the affirmative vote of at least three-fourths of all members of the governing body. The protest must be written and signed by the owners of at least 20 percent of either: (1) the area of the lots or land covered by the proposed change; or (2) the area of the lots or land immediately adjoining the area covered by the proposed change and extending 200 feet from that area.

PLEASE SEE LOCATION MAP OF SUBJECT PROPERTY ON THE BACK OF THIS NOTICE

Due to the possibility of increased commercial use of said property I voted in favor then but feel I was misled in that decision. VOTE NO to this current request.

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2015-009: Detached Garage SUP

Hold a public hearing to discuss and consider a request by Chris and Jill Blasé for the approval of a Specific Use Permit (SUP) for a detached garage that does not conform to the requirements as stipulated by Section 2.1.2, Residential and Lodging Use Conditions, of Article IV, Permissible Uses, of the Unified Development Code for a 4.05-acre parcel of land identified as Lot 1, Block 1, Blasé Addition, City of Rockwall, Rockwall County, Texas, zoned Single Family 10 (SF-10) District, addressed as 1220 East Fork Drive, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 3/10/2015 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 3/16/2015 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **3/16/2015** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

CITY OF ROCKWALL

ORDINANCE NO. 15-XX

SPECIFIC USE PERMIT NO. S-XXX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE 04-38] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A DETACHED GARAGE THAT DOES NOT CONFORM TO THE REQUIREMENTS AS STIPULATED BY SECTION 2.1.2, RESIDENTIAL AND LODGING USE CONDITIONS, OF ARTICLE IV, PERMISSIBLE USES, BEING A 4.05-ACRE PARCEL OF LAND, ZONED SINGLE-FAMILY RESIDENTIAL (SF-10) DISTRICT, AND IDENTIFIED AS LOT 1, BLOCK 1, BLASÉ ADDITION, AND LOCATED AT 1220 EAST FORK DRIVE, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND MORE SPECIFICALLY DEPICTED IN EXHIBIT 'A'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Chris and Jill Blasé for the approval of a Specific Use Permit (SUP) to allow for a *Detached Garage* that does not conform to the requirements as stipulated by Section 2.1.2, Residential and Lodging Use Conditions, of Article IV, Permissible Uses of the Unified Development Code [Ordinance 04-38], being a 4.05-acre parcel of land, zoned Single-Family Residential (SF-10) District, and identified as Lot 1, Block 1, Blasé Addition, and located at 1220 East Fork Drive, and, City of Rockwall, Rockwall County, Texas, and more specifically depicted in Exhibit 'A' of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for a *Detached Garage* that does not conform to the requirements of Section 2.1.2, Residential and Lodging Use Conditions, of Article IV, Permissible Uses, within a Single Family (SF-10) Residential District as stipulated by the Unified Development Code [Ordinance no. 04-38] on the *Subject Property*; and

SECTION 2. That the *Subject Property* shall be used only in the manner and for the purposes described in this Specific Use Permit (SUP) granted herein and shall be subject to the conditions set forth in *Article IV, Permissible Uses, Sec. 2.1.2 Residential and Lodging Uses* of the Unified Development Code [Ordinance No. 04-38] as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following additions and compliance standards:

1. Any construction or building allowed by this request must conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government; and,

2. That submittal and approval of a building permit is required prior to the construction of the detached garage; and,

3. That the detached garage shall generally conform to the site plan as submitted and attached hereto as Exhibit 'A'; and,

4. That the detached garage shall not exceed 1,235 sq. ft. in area as depicted in the floor plan attached hereto as Exhibit 'B' and does not exceed an overall height of 25 ft. as depicted in the building elevations attached hereto as Exhibit 'C'; and,

5. That the detached garage shall generally conform to the building elevations as submitted, including the use of metal siding, a metal roof, and metal roof elements (dormers) as depicted and attached hereto as Exhibit 'C'; and,

6. That the detached garage is subject to administrative review in the event that the subject property is sold to another party, conveyed in any manner to another party, subdivided, or re-platted; and,

7. That the City Council reserves the right to review the Specific Use Permit within one (1) year from the date approval.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Robert LaCroix, *Director of Planning and Zoning*

FROM: Ryan Miller, *Planning Manager*

DATE: March 16, 2015

SUBJECT: Z2015-010; *Townhomes [PD-70 to PD]*

At their regularly scheduled meeting on March 10, 2015, the Planning and Zoning Commission, at the request of the applicant (*Adam Buczek*), postponed the public hearing to March 31, 2015. This means that the projected City Council public hearing will be held at the April 6, 2015 meeting. According to Section 6.2, *Public Hearing Postponements, Recess, and Continuations*, of the Article II of the Unified Development Code, a public hearing may be postponed by announcing the postponement at the public hearing and indicating the time and place the new hearing is scheduled to begin. The announcement of a postponement shall be sufficient notice and no additional notice shall be required.

SKORBURG COMPANY

8214 Westchester Drive, Suite 710
Dallas, TX 75225

March 2, 2015

Mr. Ryan Miller, Planning Manager
City of Rockwall Planning Department
385 S. Goliad Street
Rockwall, Texas 75087

Re: Request to table Agenda Item for Stone Creek Townhouse

Dear Mr. Miller:

As discussed, please accept this letter as Skorburg Company's official request to table Agenda Item regarding the Stone Creek property at next Tuesday night's Planning & Zoning Commission meeting.

We respectfully request to be postponed to the March 31, 2015 Planning & Zoning Commission meeting for action.

Sincerely,

Adam Buczek
Development Partner

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 3/16/2015

APPLICANT: Jimmy Strohmeyer of Strohmeyer Architects

AGENDA ITEM: **SP2015-003**; Summer Lee - MOB

Discuss and consider a request by Jimmy Strohmeyer of Strohmeyer Architects on behalf of the owner Dr. Umar Burney of the North Dallas Rockwall Land Investors, LLC for the approval of certain variances associated with an approved site plan for a medical office building on a 1.6121-acre tract of land identified as Lot 2, Block A, Ridge/Summer Lee Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 9 (PD-9), situated within the Scenic Overlay (SOV) District, located east of the intersection Ridge Road and Summer Lee Drive, and take any action necessary.

BACKGROUND INFORMATION:

Jimmy Strohmeyer of Strohmeyer has submitted an application on behalf of the owner Dr. Umar Burney of the North Dallas Land Investors, LLC for site plan approval of a 14,200 sq. ft. medical office building. The proposed facility will be situated on a 1.6121-acre tract of land that is adjacent to and east of the Aldi Grocery store and is generally located at the S.E. quadrant of Summer Lee and Ridge Road. The property is zoned Planned Development No. 9 (PD-9) District and is located within the Scenic Overlay (SOV) district.

VARIANCE REQUEST:

The applicant is requesting the following variances to various sections of the Unified Development Code: Article V, District Development Standards and Article VIII, Landscape Standards as indicated below.

1) To allow for not meeting the 10-ft. landscape buffer requirements by allowing parking spaces to be located within the buffer as established in Art. VIII, Sec. 5.7, A. as depicted in the landscape plan submitted.

2) To allow for not meeting the 20 percent natural or quarried stone requirements established in Art. V, Sec. 6.8 of the Scenic Overlay (SOV) District standards, as depicted in the building elevations submitted.

3) To allow for not meeting the requirements for secondary materials and allowing an exterior wood product to exceed 10% as a secondary material as established in Art. V, Sec.6.8 of the Scenic Overlay (SOV) District standards, as depicted in the building elevations submitted.

The variance requested by the applicant for parking spaces located within the landscape buffer requires a simple majority vote in the affirmative of all council members present for approval.

Variance request numbers 2 & 3 are associated with the SOV district and require approval by a ¾ majority vote of City Council for those members present.

RECOMMENDATIONS:

Architectural Review Board Recommendation:

On February 24, 2015, general discussion concerning the agenda item took place between the Board Members and city staff (Jimmy Strohmeyer recused himself from the conversation, as he was the applicant of this case). The board expressed concern with the lack of stone and vertical articulation used on the building. To address these concerns the board recommended the following:

1) The overhang elements should be metal or have a metal finish/color to help break up the façade.

2) The projections on the front and sides of the building should incorporate a masonry or stone product in lieu of the proposed stucco.

3) The project should incorporate vertical articulation by increasing and/or decreasing the parapet wall of the projections and/or recesses.

Based on the plans submitted, the applicant has revised the buildings elevations to meet recommendations of the ARB.

Staff Recommendation:

Should the request be approved, staff would offer the following conditions:

1. Adherence to Engineering and Fire Department standards.

    a) Drainage Plan submitted was for review purposes only by the Engineering Department and requires a separate submittal and approval by Engineering Department and is not considered approved with this site plan.

    b) Fire Apparatus Turning Radii Plan submitted was for review purposes only by the Fire Department and is not considered approved with this site plan.

2. Submittal and approval of a replat prior to issuance of a building permit.

3. Approval of the requested variances by City Council as outlined in the staff report.

4. All exterior signage requires submittal and approval of a separate permit through the Building Inspections Department.

5. Re-label building elevations and provide revised copy to indicate:

    1) South Elevation Summer Lee as “North Elevation”

    2) North Elevation as “South Elevation”

3) East Elevation as “West Elevation”

4) West Elevation as “East Elevation”

Planning and Zoning Commission Recommendation:

On March 10, 2015, the Planning and Zoning Commission approved the Site Plan with staff conditions, and recommended approval of the associated variances requested by the applicant by a vote of 6 to 0 [Conley – absent].

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 03/16/2015

APPLICANT: Jimmy Strohmeyer; *Stohmeyer Architects*

AGENDA ITEM: **SP2015-004**; *Summer Lee Condominiums*

SUMMARY:

Discuss and consider a request by Jimmy Strohmeyer of Stohmeyer Architects on behalf of the owner Russell Phillips for the approval of a waiver to Planned Development District 32 (PD-32) [*Ordinance No. 10-28*] and variances to the building material requirements stipulated by the Unified Development Code in conjunction with a site plan for a 265 unit, condo development situated on a 7.58-acre tract of land identified as Lots 6A, 7A & 8A, Isaac Brown Addition, and a portion of Lots 3 & 4, Block 16 and Lot 4, Block 18, Moton Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the Interior Subdistrict of PD-32, located south of the intersection of Summer Lee Drive and Sunset Ridge Drive, and take any action necessary.

BACKGROUND:

The site plan submitted by the applicant shows the 7.58-acre tract of land being subdivided into two (2) lots, with *Lot 1* being 5.32-acres and *Lot 2* being 1.92-acres. The proposed 265-unit condominium facility will be situated on *Lot 1* adjacent to Summer Lee Drive, and have a building footprint of 88,140 SF.

CITY COUNCIL WAIVERS:

According to *Ordinance No. 10-21*, "(i)n order to provide flexibility and create high quality projects, an applicant for development within the PD District [*PD*-32] may request a waiver of the following District or Subdistrict standards: (1) Building Placement Requirements, (2) Landscape Standards, (3) Parking Requirements, (4) Parking Garage Design Standards, and (5) Increased Building Height in any Subdistrict." In this case, the applicant is requesting a waiver to the building height requirements for the first floor of a building as stipulated for the subdistrict. According to the *Interior Subdistrict* the maximum building height is five (5) stories at 75-feet, with the first floor being constructed to a commercial standard of 15-feet. In this case, the building elevations submitted by the applicant show a ten (10) foot first floor -- *as measured from grade at the point closest to Summer Lee Drive* --, and will require a waiver. The overall building height is in conformance with the requirements of *Ordinance No. 10-21;* being a five (5) story condominium complex that ranges in height from 72-feet to 86-feet, with the majority of the building height being at 62-feet to 77-feet (*72-feet for the purposes of the height requirements established in Ordinance No. 10-21 [PD-32] -- height is measured from grade at the point closest to the Summer Lee Drive and is maintain throughout the development*).

With regard to granting waivers, *Ordinance No. 10-21* states that "… (w)aivers may only be approved by the City Council following a recommendation by the Planning and Zoning Commission … [*and*] (i)n order to approve a waiver, the City Council must find that the waiver:

1) Meets the general intent of the PD District or Subdistrict in which the property is located; and,
2) Will result in an improved project which will be an attractive contribution to the PD District or Subdistrict; and,
3) Will not prevent the implementation of the intent of this PD District."

It should be noted that the applicant's original submittal could have met the ordinance requirements; however, the building was required to be lowered so that no "…floors used for human occupancy [*were*] located more than 55-feet above the lowest level of fire department vehicle access…" (*Section 18-33, Article II; Code of Ordinances*). If the applicant did not lower the building the structure would have been classified as a *High-Rise Building*, which would require different and more costly construction standards. This became an issue due to the grade of the subject property, which falls 12-feet from the grade adjacent to Summer Lee Drive extending southward. As a compensatory measure, the applicant has incorporated a 12-foot floor height on the garage, which is visibly the first floor on ~75% of the building (*i.e. all areas not adjacent to Summer Lee Drive*); however, it is below grade at the point of the building closest to Summer Lee Drive.

The purpose of requiring first floors to be constructed to a commercial standard of 15-feet was intended to add to the pedestrian nature of Planned Development District 32 (PD-32). This requirement would create the appearance of commercial storefronts for non-commercial buildings that were directly adjacent to a sidewalk or street. In addition, the *Interior District* requires that buildings fronting onto Summer Lee Drive be setback a minimum of 20-feet from the right-of-way. Furthermore, taking the property's grade differential into consideration and understanding that the intent of the *Interior Subdistrict* is "to provide an area that can function as either office, residential, or senior living…", the proposed development does not appear to change the general objective of Planned Development District 32 (PD-32). Nor would it prevent the implementation of the remaining *Interior Subdistrict* plan.

VARIANCES:

Based on the applicant's submittal staff has identified the following variances:

1) *Building Materials*.

   a) *Stone Requirements.* According to Section 4.1, *General Commercial District Standards*, of the UDC each exterior wall should incorporate a minimum of 20% stone (*e.g. natural, quarried or cultured*). The building elevations submitted by the applicant show stone percentages on each building façade ranging from five (5) percent to 16.07% (*i.e. East: 14%; North: 16.07%; South: 5%; West: 10.4%*).

   b) *Masonry Material Requirements.* According to Section 4.1, *General Commercial District Standards*, of the UDC exterior walls should be constructed utilizing a minimum of 90% masonry materials, with a minimum of 50% of the masonry requirement permitted to be a cementaceous product (*e.g. stucco, Hardy Plan or similar material*). The building elevations submitted by the applicant indicate that each building façade will be 83.93% to 95% stucco (*i.e. East: 86%; North: 83.93%; South: 95%; West: 89.6%*).

It should be noted that variances similar to the ones requested by the applicant have been approved throughout the *Harbor District*. The applicant has stated that the purpose of requesting these variances is to maintain consistency with the development scheme established within *Ordinance No. 10-21* [*PD-32*] and established with the Trend Tower development; however, approval of variances to the building material requirements is a discretionary decision for the City Council pending a recommendation by the Planning and Zoning Commission.

ARCHITECTURAL REVIEW BOARD (ARB):

On February 24, 2015, the Architectural Review Board (ARB) reviewed the proposed site plan and building elevations. The ARB, having no issues with the proposed building elevations or site plan, recommended approval of the applicant's request. In addition, the board stated that they had no issues with the proposed variances, and that the increased stucco and cultured stone would match other projects within Planned Development District 32 (PD-32).

RECOMMENDATIONS:

If the Planning & Zoning Commission chooses to approve the applicant's request, the following conditions of approval should be adopted with this case:

1) All comments provided by the Planning, Engineering and Fire Department must be addressed prior to the submittal of a building permit;

2) Prior to the issuance of a grading permit, a Treescape Plan shall be submitted and approved by City staff. Additionally, any mitigation requirements shall be satisfied prior to the issuance of a building permit;

3) A facilities agreement addressing the construction of Summer Lee Drive (*situated on Lot 2*) will need to be approved by City Council at the time of final plat and signed by the applicant prior to final plat approval; and,

4) Any construction or building necessary to complete this *Site Plan* request must conform to the requirements set forth by the UDC, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On March 10, 2015, the Planning and Zoning Commission approved a motion to approve the site plan and recommended approval of the waiver and variances per staff's recommendations by a vote of 4-1; with Commissioner Conley absent, Commissioner Renfro abstaining and Commissioner Jusko dissenting.

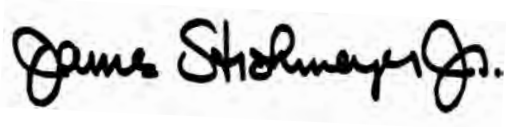
RE: Summer Lee Condos – SP2015-004

Dear Ryan,

On behalf of Summer Lee Condos, LLC, we respectfully request a variance on the following items:



1. Use of Stucco above the maximum 50% due to the Tuscan Style of the building.
2. Use of stone less than the 20% minimum requirement due to the Tuscan Style.

We are also requesting a waiver on the minimum 15' first floor height. The condos are using a podium of parking garage which varies from 10' to 22' due to the slope of the site.

Please note that per our meeting on February 27, 2015, we will provide a trail connection from Summer Lee to Lot 2. The exact location will be coordinated with the City's Parks & Recreation Department. Also prior to grading a tree survey and mitigation plan will be provided.

Thank you for your time and energy on this project.

Sincerely,

Jimmy Strohmeyer, AIA, NCARB
President & CEO
Strohmeyer Architects Inc

VICINITY MAP
SCALE: N.T.S.

PARKING SUMMARY		
ON-SITE	=	18
FIRST LEVEL PARKING GARAGE	=	156
SECOND LEVEL PARKING GARAGE	=	245
TOTAL PARKING	=	419
H.C. STALLS PROVIDED	=	10

TOTAL PARKING BASED ON:
265 CONDO UNITS; 1.5 PARKING STALLS REQUIRED PER CONDO UNIT = 398
3000 S.F. OFFICE/ADMIN. BUILDING; 1 PARKING STALL REQUIRED PER 300 S.F. = 10
REQ'D. SPACES (OK 419 > 408).

H.C. STALLS BASED ON 9 REQUIRED FOR 401-500 PARKING STALLS. (OK 10 > 9)

GENERAL NOTES:

1. THE ONLY STORM WATER ANTICIPATED TO TRANSVERSE ACROSS THE SITE IS THAT ASSOCIATED WITH THE DRAINAGE DITCH AT THE SOUTH-EAST PORTION OF THE PROPERTY. NO DRAINAGE FACILITIES (RCP) IS ANTICIPATED FOR THIS PROJECT.

2. THE CITY OF ROCKWALL OWNS THE NORTH-EAST PORTION OF PROPERTY ADJACENT AND BETWEEN SUMMER LEE DRIVE AND THE PROJECT PROPERTY. A SERVITUDE AGREEMENT AND/OR ADDITIONAL RIGHT-OF-WAY MAY BE REQUIRED AND WILL BE ADDRESSED DURING THE RE-PLAT PROCESS.

3. A FACILITIES AGREEMENT WILL BE OBTAINED AND REQUIRED, IN ACCORDANCE WITH THE CITY OF ROCKWALL REQUIREMENTS, FOR THE FUTURE ROADWAY DEPICTED AT THE SOUTHERN MOST PORTION OF THE PROPERTY. THIS ITEM WILL BE ADDRESSED DURING THE RE-PLATTING PROCESS.

4. THERE ARE NO PAD MOUNTED HVAC OR OTHER EQUIPMENT SCHEDULED FOR THIS PROJECT.

DUMPSTER ENCLOSURE MATERIALS:

1. DUMPSTER ENCLOSURE SHALL BE CONSTRUCTED OF 8' HIGH STONE MASONRY UNITS MATCHING BUILDING EXTERIOR.

2. GATE SHALL BE CONSTRUCTED OF WELDED ALUMINUM TUBING WITH RECTANGULAR OPAQUE SLATS. POWER COATED OR EPOXY COATING REQUIRED ON ALL EXPOSED METAL. COLOR PER ARCHITECT.

3. A SELF LATCHING MECHANISM SHALL BE INSTALLED ON THE GATES.

RETAINING WALL MATERIALS:

SEGMENTAL RETAINING WALL SHALL BE PRE-ENGINEERED AUSTIN STONE WALL. WALL SHALL BE DESIGNED & SEALED BY TEXAS LICENSED CIVIL OR STRUCTURAL ENGINEER

1 - LANDSCAPING PLAN
SCALE: 1"= 40'

LEGEND

- CANOPY TREE
- ORNAMENTAL TREE
- SHRUB
- GROUND COVER
- PERENNIAL
- BG BERMUDA GRASS

LANDSCAPING GENERAL NOTES:

1. NO LANDSCAPING TREES SHALL BE WITHIN 5' OF ANY UTILITY.

2. A MINIMUM CLEARANCE OF 5' SHALL BE MAINTAINED BETWEEN LANDSCAPING AND FIRE HYDRANTS.

3. A MITIGATION/TREESCAPE PLAN IS REQUIRED FOR THIS PROJECT.

4. IRRIGATION SHALL BE IN ACCORDANCE WITH THE UNIFORM DEVELOPMENT CODE.

LANDSCAPING GENERAL REQUIREMENTS AND SCHEDULE

LAND DEVELOPMENT DISTRICT: PD-32
STREET TYPE: O

STREETSCAPE LANDSCAPING REQUIREMENTS & SCHEDULE:

1. CONTRACTOR SHALL PROVIDE EITHER LANDSCAPING OPTION A OR B PER PD-32, EXHIBIT C-4, IN TREE LEAVE-OUTS TO MATCH EXISTING ALONG SUMMER LEE DRIVE. OPTION A SHALL BE A MIX OF SHRUB PERENNIAL, ORNAMENTAL GRASS, AND GROUNDCOVER PLANTING. PLANT MATERIALS SHALL PROVIDE A MIX OF HEIGHT, COLOR, TEXTURE AND EVERGREEN STRUCTURE. OPTION B SHALL BE MEXICAN BEACH STONE PEBBLES.

2. LANDSCAPING LEAVE-OUTS SHALL HAVE TREE SUB-DRAINAGE TIED TO THE STORM DRAIN SYSTEM.

3. TREES IN LANDSCAPING LEAVE-OUTS SHALL BE 4-INCH CALIPER, 100 GALLON. THE VARIETY OF TREES SHALL MATCH EXISTING PLANTINGS ALONG SUMMER LEE DRIVE.

SITE LANDSCAPING REQUIREMENTS & SCHEDULE:

1. TREE VARIETIES SHALL BE A MIX OF ANY OF THE FOLLOWING CANOPY AND ORNAMENTAL TREES IN NATURAL GROUPINGS: LIVE OAK, CEDAR ELM, RED OAK, BURR OAK, CHINQUAPIN OAK, BALD CYPRESS, POND CYPRESS, MEXICAN PLUM, DESERT WILLOW, CHINESE PISTACHIO, YAUPON HOLLY, RED BUD, CRAPE MYRTLE VITEX AND EVE'S NECKLACE.

2. ORNAMENTAL TREES, SHRUBS, PERENNIAL ORNAMENTAL GRASS AND PERENNIALS SHALL BE PROVIDED AT LANDSCAPE ISLANDS AND ADJACENT TO THE BUILDING.

3. SHRUBS SHALL BE 3 GALLON EVERBLOOMING ROSE AND 7 GALLON EDWARD GOUICHER ABELIA.

4. PERENNIAL ORNAMENTAL GRASS SHALL BE HAMELIN 1 GALLON FOUNTAIN GRASS.

5. PERENNIALS SHALL BE 1 GALLON RED VELVET EVERGREEN DAYLILIES AND 1 GALLON WHITE LANTANA TRAILING.

7. WHERE NOTED, AREAS SHALL BE SOLID SODDED WITH BERMUDA GRASS.

IMPERVIOUS AREA / LANDSCAPING CALCULATION:

IMPERVIOUS AREA: 41,575 S.F.

REQUIREMENT: (LS ORD.) IF IMPERVIOUS AREA IS GREATER THAN 20,000 S.F., 1 TREE REQUIRED PER 10 PARKING SPACES. AT 419 TOTAL PARKING SPACES, 42 TREES ARE REQUIRED.

(PD-32 GOVERNS) ONE 3-INCH CALIPER, 65 GALLON CANOPY TREE MUST BE PROVIDED FOR EVERY 8 PARKING SPACES. AT 419 TOTAL PARKING SPACES, 53 CANOPY TREES ARE REQUIRED. CANOPY REQUIRED WITHIN 80' OF PARKING STALLS.

53 TREES REQUIRED; 79 PROVIDED (NOT INCLUDING 6 STREETSCAPE TREES)

CANOPY & ORNAMENTAL TREE SCHEDULE:

QUANTITY	CALLOUT	COMMON NAME	BOTANICAL NAME	SIZE / CONDITION
CANOPY EVERGREEN TREES				
3	TE1	LIVE OAK	QUERCUS VIRGINIANA	100-GAL., 4.0"-4.5" CAL., 14'-16' HT., CLEAR TRUNK 8'
CANOPY DECIDUOUS TREES				
13	TD1	BALD CYPRESS	TAXODIUM DISTICHUM	100-GAL., 4.0"-4.5" CAL., 16'-18' HT., CLEAR TRUNK 6'
-	TD2	RED OAK	QUERCUS SHUMARDII	100-GAL., 4.0"-4.5" CAL., 14'-16' HT., CLEAR TRUNK 8'
10	TD3	CHINESE PISTACHE	PISTACHIA CHINENSIS	100-GAL., 4.0"-4.5" CAL., 12'-14' HT., CLEAR TRUNK 8'
ORNAMENTAL DECIDUOUS TREES				
14	TO1	REDBUD	CERCIS CANADENSIS	65-GAL., 3" CAL., 8'-10' HT., TREE FORM
10	TO2	MEXICAN PLUM	PRUNUS MEXICANA	65-GAL., 3" CAL., 8'-10' HT., TREE FORM
24	TO3	CRAPEMYRTLE	LAGERSTROEMIA INDICA	65-GAL., 3" CAL., 8'-10' HT., TREE FORM
11	TO4	YAUPON HOLLY	ILEX VOMITORIA	65-GAL., 3" CAL., 8'-10' HT., TREE FORM

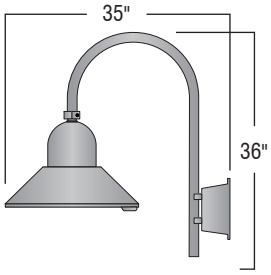
Description

This contemporary styled **D154-TS20 Series** combines a cast aluminum housing, a spun aluminum shade and segmented reflector to create an efficient luminaire with Type III(**HR3**) or Type V(**HR5**) light distribution. Some of the most popular brackets for use with this fixture are shown below, however there are others available in the "Brackets & Wall Luminaires" section of this catalog.

Installation

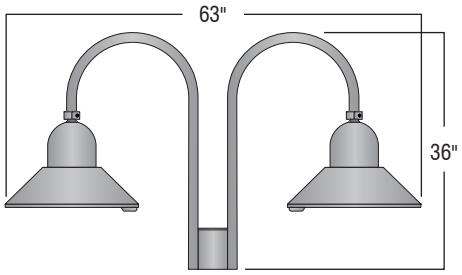
The luminaire will mount to the bracket as shown on the reverse page. Post top luminaire brackets will mount to a 3" OD post or tenon with (6) 5/16" stainless steel set screws. Wall bracket models have four 3/8" holes for mounting (wall mount hardware is not included).

Electrical



- High power factor ballast (HPF), core and coil type, pre-wired and tested
- Easy ballast pod access
- 4KV pulse rated porcelain socket
- Suitable for wet location

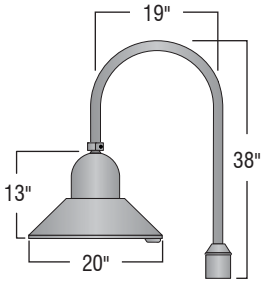
Lens



Clear smooth flat tempered glass (**GL**)

Finish

Premium quality thermoset polyester powdercoat (see Finish Selection)



WBR03/D154-TS20

PT12/D154-TS20

EPA: 2.58

Also available in three and four light combinations.

PT01/D154-TS20

EPA: 1.23

Ordering Guide

Assembly Details

(Example: **PT01 / D154-TS20/HR3-GL**)

Optical Systems

Standard
(**HR3-GL**) - Type III segmented reflector with a clear flat tempered glass.

(**HR5-GL**) - Type V segmented reflector with a clear flat tempered glass.

Standard Photometry

PT01/D154-TS20/HR5
Typical HID light source
8,500 Lumen
12' Mounting Height
Grid Spacing is 12'

INTERIOR SUBDISTRICT

The primary intent of the Interior subdistrict is to provide an area that can function as either office, residential, or senior living use. Key characteristics of this subdistrict include good views of Lake Ray Hubbard and adjacency to open space. Existing slopes within this subdistrict are in the 6% - 10% range. Significant massing of existing trees are also present within this subdisctrict which should be preserved where possible.

Building Placement

Setback (Distance from R.O.W. line)

Summer Lee Drive	20'
Street Type G	5' minimum, 20' minimum average

Building Form

Each building must have a minumum of 30% of the length of its façade fronting Summer Lee Dr located on the 20' setback line.

Maximum Lot Coverage	60%

Notes

When an abutting property with an existing building has windows facing to the side, any new building shall provide at least 10 feet of separation.

Use

Ground Floor

Residential
Office
Senior Living

Upper Floors

Residential
Office
Senior Living

Height

	stories / height
Maximum Building Height	5 / 75'
Minimum 1st floor commercial Height (with other uses above)	15'

Encroachments

Location

Summer Lee Drive	5'
Street Type G	5'

Notes

Canopies, awnings, balconies, and roof overhangs may encroach over the BTL as shown in the table above.

Parking

Surface Parking Setback (Distance from R.O.W. line)

Street Type G	10'

Ballard Survey, Abstract 29, City of Rockwall, Rockwall County, Texas, zoned Single Family 7 (SF-7) District, situated west of the intersection of Hartman Street and Renfro Street, and take any action necessary.

p.87 **6.** Consider authorizing the City Manager to execute a contract extension with 3-D Mowing for right-of-ways and forced mowing services in the amount of $40,291 to be funded through the Parks Operations, Grounds Maintenance Budget, and take any action necessary.

p.89 **7.** Consider authorizing the City Manager to execute a purchase order to Freedom Dodge for a 2015 Dodge Charger with new equipment for the Police Patrol Traffic Division in an amount not to exceed $36,000 to be funded from the General Fund, Police Operating Budget, and take any action necessary.

XI. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

p.91 **2.** Appointment with representatives of the Stone Creek subdivision for discussion regarding golf carts, and take any action necessary.

XII. PUBLIC HEARING ITEMS

p.101 ***1.*** **Z2015-003** - Hold a public hearing to discuss and consider approval of an ordinance for a request by Cole Franklin of the Skorburg Company on behalf of the owner Larry Hance for a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 7 (SF-7) and General Retail (GR) District land uses for a 44.56-acre tract of land identified as Tract 3 of the T. R. Bailey Survey, Abstract No. 30, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (SH-205 BY-OV) District, located at the northwest corner of FM-552 and John King Boulevard, and take any action necessary. (1st reading) ***[The applicant has requested and been approved by the Planning and Zoning Commission to withdraw this case]***

p.104 *2.* **Z2015-010** - Hold a public hearing to discuss and consider approval of an ordinance for a request by Noah Flabiano of the Skorburg Company for a zoning change from Planned Development District 70 (PD-70) for limited commercial/retail land uses to a Planned Development District for townhomes on a 10.142-acre tract of land being identified as a portion of a larger 164.812-acre tract of land identified as Tract 3 of the S. King Survey, Abstract No. 131, City of Rockwall, Rockwall County, Texas, being zoned Planned Development District 70 (PD-70), situated within the North SH-205 Overlay (N-SH205 OV) District, generally located at the northeast corner of the intersection of E. Quail Run Road and N. Goliad Street [N. SH-205], and take any action necessary. (1st reading) ***[Requested postponement to the May 4, 2015 City Council Meeting]***

p.107 **3.** **Z2015-011** - Hold a public hearing to discuss and consider approval of an **ordinance** for a City initiated zoning request for the approval of a text amendment to Article IX, Tree Preservation, Section 11.1, Tree fund administration, of the Unified Development Code [Ordinance No. 04-38] for the purpose of modifying this section of the code, and take any action necessary. **(1st reading)**

XIII. ACTION ITEMS

p.113 **1.** Discuss and consider approval of a resolution related to the authority of private toll road corporations, and take any action necessary.

p.120 **2.** Discuss and consider a recommendation from the City Council's Hotel Tax Subcommittee regarding funding request from the Rockwall County Historical Foundation, and take any action necessary.

XIV. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Rick Crowley - City Manager**

DATE: **April 3, 2015**

SUBJECT: **Work Session**

A work session will be held at the April 6 council meeting beginning at 4:00 p.m. to hear an update from City Engineer Tim Tumulty concerning the following Public Works-related issues:

- Status of state roadways
- Specific planning for SH-205
- Status of Rochelle Road
- Drainage and erosion issue near 2065 Lake Forest

Staff will be available to help facilitate this discussion and to answer any questions the council may have.

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **April 3, 2015**

SUBJECT: **Roadway Project Status**

Staff has prepared a brief status report for various roadways to be constructed within the City of Rockwall. These projects are being funded by the City of Rockwall, Rockwall County or the Texas Department of Transportation or a combination of the three entities.

Staff will present the information to City Council in the form of a power point presentation. If you have any questions, please advise.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **April 3, 2015**

SUBJECT: **Rochelle Road**

Staff has been evaluating the options for maintaining the portion of Rochelle Road from State Highway 276 to the north City limits. Rochelle Road within these limits is a gravel surface roadway at a width of approximately 20 feet for most of the roadway. This roadway has an existing corrugated drainage pipe crossing at midpoint where Tributary U of Brushy Branch crosses the roadway. The roadway reduces down to a width of 16 feet at this culvert making the roadway a one lane roadway. The roadway has the potential to become inundated during large rainfall events.

Four options were evaluated.

Option One

Leave the roadway in its current state and continue to maintain. The roadway has been signed for the one lane road designation as the driver approaches the culvert. Roadway inundation will continue to be an issue and should be signed accordingly. A low speed limit should be approved by City Council and posted as such. At this point, Staff would recommend a 20 mile per hour speed limit. Our City Attorney would need to evaluate the City's responsibilities by allowing this roadway to remain in its current condition.

Option Two

The existing roadway could be stabilized by adding/mixing a cement solution and then compacting the base material. Prior to the stabilization, the existing culvert crossing will need improved by installing a triple 10' x 5' concrete multiple box culvert along with elevating the roadway in this area to prevent inundation during a 100 year storm event. After this work is complete, the entire length of Rochelle Road from State Highway 276 to the north City limits would receive a 3 inch asphalt pavement surface. The estimated costs for the roadway and drainage improvement are approximately $450,000. Even with these roadway improvements, certain truck traffic will be prohibited to travel due to excessive weight.

Option Three

Prohibit travel on this roadway by placing barricades at both ends of the gravel road. This would require barricading Springer Road prior to Rochelle Road.

Option Four

Construct the roadway to the section as shown on the Master Thoroughfare Plan. This roadway is listed as a future four lane divided concrete roadway in both cities of Rockwall and Fate. Attached is a cost estimate based upon unit prices from the Justin Road Paving and Drainage Improvement Project from Industrial Boulevard to John King Boulevard.

Please review this response and let's discuss the direction we wish to proceed. If you have any questions, please call me.

TMT:em

OPTION FOUR

Rochelle Road (IH 30 – SH 276)

Per Master Thoroughfare Plan, Rochelle Road is a 4-lane (12 feet in width) divided roadway within 80 feet ROW

Roadway length – 6850 lf
Fate (both sides) 2100 lf
Rockwall/Fate share 1000 lf
Rockwall (both sides) 3750 lf

ROW Needs
ROW required 80 ft
ROW existing 30 ft (assumption)
ROW needed 50 ft

ROW Cost
50 ft X 6850 lf = 324,500 sf
Assume $10/sf
324,500sf X $10/sf = $3,245,000

Roadway Cost
6850' x 50' ÷ 9 = 38,055sy (add 10% for medians) = 41,861sy use 42,000sy

Using Justin Road Paving and Drainage Project price of $135/sy

42,000sy x $135/sy	$5,670,000
Contingency (20%)	1,134,000
Sub-total	6,804,000
Engineering (15%)	1,020,600
Sub-total	7,824,600
ROW	3,425,000
Total Project Cost	$11,249,600

Rockwall Share - $6,979,700

Fate Share - $4,269,900

City of Rockwall
The New Horizon

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Timothy M. Tumulty, Director of Public Works/City Engineer

DATE: April 3, 2015

SUBJECT: Lake Forest Erosion Project

Engineering Staff received a copy of a letter dated June 3, 2013 sent to Mayor David Sweet expressing a concern about an erosion problem occurring behind 2065 Lake Forest Drive. Upon receipt of the letter, staff met with the homeowner, Mr. Bob Carroll to make a general site investigation. After our initial site visit, staff invited Freese and Nichols, Inc. Consulting Engineers to view the erosion behind Mr. Carroll's home. This visit resulted in a contract with Freese and Nichols, Inc. to conduct a study to determine the cause of erosion behind Lake Forest Drive. The study also included a stream geomorphological assessment, a stream reconnaissance site visit for the entire stream and the evaluation/ results.

Staff began negotiations with Freese and Nichols, Inc. to perform the engineering design contract for this repair. Due to their cost to perform this design, negotiations were terminated. Staff met with Walter P. Moore Consulting Engineers to discuss their company providing these engineering design services to the City for this erosion control project. Their services consist of the design of erosion protection behind 2065 Lake Forest Drive. The proposed structure is likely to be a large, modular concrete block retaining wall stabilized with rock anchors.

Walter P. Moore Consulting Engineers have completed the engineering design of this erosion control project and is prepared to move the project forward to the next step of the process. Staff will present a layout of the final engineering design to City Council during the April 6, 2015 Work Session.

If you have any questions, please advise.

Rockwall, Texas

Proclamation

Whereas, during his years in Scouting, Austin Cory has held several leadership positions including that of Quartermaster, Patrol Leader, Assistant Senior Patrol Leader and Senior Patrol Leader; and

Whereas, throughout his journey, Austin has received numerous recognitions including the 50 Miler Award (Philmont), 125 mile award (Northern Tier), Arrow of Light, Historic Trails Award, Honor Medal, Hornaday Award, Leave No Trace, Medal of Merit, Mile Swim (3x), National Outdoor Achievement (NOA) Adventure Award, NOA Aquatics Award, NOA Camping Award, NOA Hiking Award and the religious medals Parvuli Dei and Ad Altere Dei; and

Whereas, Austin has earned the Triple Crown by completing the 3 boy scout high adventure camps (Northern Tier, Seabase and Philmont), successfully completed training for CPR, Junior Leader, National Youth Leader Training, and Oak Leaf, has been inducted into the Order of the Arrow Honor Society and has earned more than two dozen merit badges; and

Whereas, since becoming a Boy Scout in 2008, Austin has progressed through the various ranks, most recently attaining the coveted Eagle Scout rank; and

Whereas, for Austin's Eagle Scout Project, he designed, built and installed an impressive technical feature along the city's Squabble Creek Mountain Bike Trail; and

Now, Therefore, I, Jim Pruitt, Mayor of the City of Rockwall, Texas, do hereby proclaim April 6, 2015 as

AUSTIN CORY EAGLE SCOUT RECOGNITION DAY

in the City of Rockwall and urge all citizens to recognize and applaud Austin for his past accomplishments, including recently achieving the rank of Eagle Scout.

In Witness Whereof, I hereunto set my hand and official seal this 6th day of April, 2015.

Rockwall, Texas

Proclamation

Whereas, Bryce Fuller began Scouting in 2008; and

Whereas, throughout the years, Bryce has held numerous leadership positions, including that of Quartermaster, Assistant Patrol Leader, Patrol Leader, Assistant Senior Patrol Leader, and most notably, Senior Patrol Leader, the highest leadership position in a troop; and

Whereas, in addition to holding these leadership positions, Bryce has also been awarded the Scout Spirit Award by his troop, twice; and

Whereas, since becoming a Boy Scout, Bryce has progressed through the various ranks, most recently achieving his most notable accomplishment, the rank of Eagle Scout; and

Whereas, Bryce's Eagle Scout project consisted of taking the greenbelt trails used for horseback riding and ATVs in his neighborhood, mapping them out, naming them, and installing trail markers (which he lead the construction of) in order to make the neighborhood trails navigable and also provided a safety feature.

Now, Therefore, I, Jim Pruitt, Mayor of the City of Rockwall, Texas, do hereby proclaim April 6, 2015 as

BRYCE FULLER EAGLE SCOUT RECOGNITION DAY

in the City of Rockwall and urge all citizens to recognize and applaud Bryce for his past accomplishments, including recently achieving the coveted rank of Eagle Scout.

In Witness Whereof, I hereunto set my hand and official seal this 6th day of April, 2015.

_____

Jim Pruitt, Mayor

49

Rockwall, Texas

Proclamation

Whereas, over the years, Caleb Bailey Davis has been involved in many personal and professional adventures including Boy Scouts of America, Order of the Arrow, Rockwall Community Playhouse, First Baptist Church Rockwall, The Blue Ribbon News and owning two of his own businesses; and

Whereas, in the 6th grade, Caleb completed the Leaders in Training program at First Baptist Church Rockwall where he learned the importance of high morals, Godly character, and unquestionable ethics, traits which have helped him on the road to attaining Eagle Scout rank before his 14th birthday; and

Whereas, throughout his years of service in Boy Scouts, Caleb has held numerous positions of leadership including Assistant Patrol Leader, Patrol Leader, Chaplain's Aide, Order of the Arrow Representative and Senior Patrol Leader; and

Whereas, in an effort to educate the public on Boy Scouts, Caleb has also been writing his own newspaper column in the local Blue Ribbon News where he has covered topics such as Camporee, Winter Camp, canoeing trips and the road to Eagle; and

Whereas, Caleb's Eagle Scout project consisted of him advertising, selling and placing plaques around the city's 6 mile Squabble Creek trail to help those walking the trail, including school groups, scout groups, hikers and others, identify local trees and have an educational experience.

Now, Therefore, I, Jim Pruitt, Mayor of the City of Rockwall, Texas, do hereby proclaim April 6, 2015 as

CALEB BAILEY DAVIS EAGLE SCOUT RECOGNITION DAY

in the City of Rockwall and urge all citizens to applaud and recognize Caleb for his past accomplishments, including recently achieving the rank of Eagle Scout.

MINUTES
ROCKWALL CITY COUNCIL
Monday, March 16, 2015
4:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pro Tem Lewis called the public meeting to order at 4:00 p.m. Present were Mayor Pro Tem Dennis Lewis and Council Members David White, Mike Townsend, John Hohenshelt, Scott Milder and Bennie Daniels. Also present were City Manager Rick Crowley, Assistant City Managers Brad Griggs and Mary Smith and City Attorney Frank Garza. Mayor Jim Pruitt was absent from the meeting.

II. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the position of Chief of Police pursuant to Section 551.074 (Personnel Matters)
2. Discussion regarding possible claim or settlement agreement related to enforcing the city's sign ordinance regarding a billboard pursuant to Section 551.071 (Consultation with Attorney).
3. Discussion regarding Gary Jackson vs. City of Rockwall pursuant to Section 551.071 (Consultation with Attorney)
4. Discussion regarding appointments to the Board of Adjustments (city regulatory board) pursuant to Section 551.074 (Personnel Matters)

III. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 5:55 p.m.

IV. RECONVENE PUBLIC MEETING

Mayor Pro Tem Lewis reconvened the public meeting at 6:00 p.m. All city council members except Mayor Pruitt were present.

V. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

It was announced that no action will be taken as a result of Executive Session.

VI. INVOCATION AND PLEDGE OF ALLEGIANCE – MAYOR PRUITT

Mayor Pro Tem Dennis Lewis delivered the invocation and led the Pledge of Allegiance.

VII. PROCLAMATIONS / AWARDS

1. Police Department (Re)Recognition - Texas Police Chiefs Association Best Practices

City Manager Rick Crowley provided brief comments related to this recognition, indicating that this will be the second time that the Rockwall Police Department has achieved this honor. Police Chief Mark Moeller then came forth and introduced Tom Shehan, retired chief from DFW Airport, who made a brief presentation to recognize the Rockwall PD.

VIII. CONSENT AGENDA

1. Consider approval of the minutes from the March 2, 2015 regular city council meeting, and take any action necessary.

2. Consider approval of an **ordinance** for a City initiated request for the purpose of designating the Historic Downtown Courthouse as a Local Landmark per the designation procedures stipulated by Section 6.2, Historic Overlay (HO) District, of the Unified Development Code, being a 0.918-acre parcel of land identified as Rockwall O T Addition, City of Rockwall, Rockwall County, Texas, zoned Downtown (DT) District, addressed as 101 E. Rusk Street, and take any action necessary. **(2nd Reading)**

3. **P2015-007** - Consider a request by Dub Douphrate of Douphrate & Associates, Inc. on behalf of D. R. Horton 3. Homes for the approval of a replat of Lakeview Summit, Phase IV for the purpose of reducing the number of single-family residential lots from 97 to 93 for a 38.056-acre subdivision currently composed of 97 single-family residential lots situated within the J. H. B. Jones Survey, Abstract No. 124 and the Nathan Butler Survey, Abstract No. 21, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 29 (PD-29) for Single-Family 10 (SF-10) District land uses, located north of the intersection of Petaluma Drive and N. Lakeshore Drive, and take any action necessary.

Councilmember Daniels made a motion to approve the entire Consent Agenda (#s1, 2 and 3). Councilmember Milder seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-09

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. O4-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING BY IN ACCORDANCE WITH THE PROCEDURES OF ARTICLE V, SECTION 6.2 HISTORIC OVERLAY DISTRICT FOR THE PURPOSE OF DESIGNATING A LANDMARK DISTRICT ON PROPERTY KNOWN AS THE HISTORIC DOWNTOWN COURTHOUSE, BEING A 0.918-ACRE PARCEL OF LAND IDENTIFIED AS ROCKWALL O T ADDITION, AND LOCATED AT 101 EAST RUSK STREET, AND MORE SPECIFICALLY DEPICTED IN

EXHIBIT 'A' AND EXHIBIT 'B' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 6 in favor and 1 absent (Pruitt).

IX. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Planning and Zoning Commission Chairman Craig Renfro came forth and provided background information regarding recommendations of the Commission relative to items on tonight's council meeting agenda. The council took no action related to this agenda item.

X. PUBLIC HEARING ITEMS

1. **Z2015-003** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Cole Franklin of the Skorburg Company on behalf of the owner Larry Hance for a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 7 (SF-7) and General Retail (GR) District land uses for a 44.56-acre tract of land identified as Tract 3 of the T. R. Bailey Survey, Abstract No. 30, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (SH-205 BY-OV) District, located at the northwest corner of FM-552 and John King Boulevard, and take any action necessary. (1st reading) ***[Requested Postponement to the April 6, 2015 Planning and Zoning Commission Meeting].***

Mayor Pro Tem Lewis stated that, at the request of the applicant, this item is being postponed until the April 6, 2015 city council meeting. Indication was given that if the case is postponed any later than April 6, the case would start over and would need to be re-advertised. No action was taken concerning this item.

2. **Z2015-007** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Kevin Carr of GearHeads Hot Rod Garage for the approval of a Specific Use Permit (SUP) to allow truck rental in conjunction with an existing minor automotive repair garage on a two (2) acre tract of land identified as Tract 23-01 of the R. Irvine Survey, Abstract No. 120, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 3920 E. IH-30, and take any action necessary. **(1st reading)**

Planning and Zoning Director, Robert LaCroix, provided brief background information related to this agenda item. He explained that this SUP would allow five U-haul trucks and five trailers to be available for lease at this location at any given time provided that they will be stored / parked at the rear of the building. He also indicated that notices

were sent out to property owners located within 200 feet of the subject property, but no notices have been received back by staff at this time.

Mayor Pro Tem Lewis opened the public hearing and asked if anyone would like to come forth and speak at this time. The applicant not being present and there being no one in the audience indicating a desire to speak, Mayor Pro Tem Lewis closed the public hearing.

Councilmember White then made a motion to approve Z2015-007. Councilmember Milder seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-XX
SPECIFIC USE PERMIT NO. S-XXX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A TRUCK RENTAL FACILITY IN CONJUNCTION WITH AN EXISTING MINOR AUTOMOTIVE REPAIR GARAGE, BEING A 2.0-ACRE TRACT OF LAND, ZONED LIGHT INDUSTRIAL (LI) DISTRICT AND IDENTIFIED AS TRACT 23-01 OF THE R. IRVING SURVEY, ABSTRACT NO. 120, AND LOCATED AT 3920 E IH-30, , CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND MORE SPECIFICALLY DEPICTED IN EXHIBIT 'A'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 6 in favor with 1 absent (Pruitt).

3. **Z2015-008** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Herman Douglas Utley for a zoning change from an Agricultural (AG) District to a Single Family Estate 2.0 (SFE-2.0) District for a 4.502-acre tract of land identified as Tract 1 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass (SH-205 BY OV) District, addressed as 1815 E. Quail Road, and take any action necessary. **(1st reading)**

Mr. LaCroix, Planning Director, provided background information related to this agenda item. The applicant would like to rezone this property so that he may subdivide it into two separate, residential lots. He indicated that staff mailed seven (7) notices to property owners and residents located within 500-feet of the subject property. Staff also emailed notices to the Stoney Hollow and Caruth Lakes Homeowner's Associations (HOA's), which are the only HOA's located within 1,500-feet of the subject property. Additionally, staff posted a sign along E. Old Quail Run Road, and advertised the public hearings in the newspaper of record, and the Planning & Zoning Commission has recommended approval of this item by a vote of 6 to 0.

Mayor Pro Tem Lewis opened the public hearing and called the applicant forth.

Mr. Herman D. Utley
1815 E. Quail Run Road
Rockwall, TX

Mr. Utley indicated that he has no further comments to add beyond those which were provided by Mr. LaCroix. Mayor Pro Tem Lewis asked if anyone else would like to come forth and speak at this time. There being no one to indicate such, Mayor Pro Tem Lewis then closed the public hearing.

Councilmember White then made a motion to approve Z2015-008. Councilmember Daniels seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURE (AG) DISTRICT TO A SINGLE-FAMILY ESTATE 2.0 (SFE-2.0) DISTRICT FOR A 4.502-ACRE TRACT OF LAND IDENTIFIED AS TRACT 1 OF THE S. R. BARNES SURVEY, ABSTRACT NO. 13, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN *EXHIBIT 'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 6 ayes with 1 absent (Pruitt).

4. **Z2015-009** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Chris and Jill Blasé for a Specific Use Permit (SUP) for a detached garage that does not conform to the requirements as stipulated by Section 2.1.2, Residential and Lodging Use Conditions, of Article IV, Permissible Uses, of the Unified Development Code for a 4.05-acre parcel of land identified as Lot 1, Block 1, Blasé Addition, City of Rockwall, Rockwall County, Texas, zoned Single Family 10 (SF-10) District, addressed as 1220 East Fork Drive, and take any action necessary. **(1st reading)**

Planning Director Robert LaCroix provided background information related to this agenda item. He indicated that the applicant is requesting to build a two story, detached garage, and it requires that an SUP be approved and granted because the proposed structure will have a building footprint of 1,235 sq. ft. which exceeds the maximum area of 900 sq. ft. In addition, the overall height of the structure is 24ft - 10 7/8", exceeding the 15ft height requirement. He explained that the proposed structure has a gabled roof design that is measured at the mid-point of the roof for height purposes. When measured

at the mid-point, the roof is approximately 17 ½-ft in height, exceeding the 15ft maximum. Furthermore, the detached garage does not meet the exterior material requirements of the city for the detached garage. Rather, the applicants are proposing the structure to incorporate metal siding with a metal roof and metal roof elements (dormers) that will have stone matching the primary structure and appearing on the front façade. Notices were mailed out to adjacent property owners located within 500 feet, and two notices were received back opposing this item. However, it is believed by staff that adjacent property owners may have thought that this item has something to do with the commercial, "urban farm" operation run by the Blasé's rather than a garage for residential home use. The Planning & Zoning Commission has recommended approval of this item by a 6-0 vote.

Mayor Pro Tem Lewis opened the public hearing and called the applicant forth to speak. The applicant indicated he has nothing more to add. Lewis asked if anyone else would like to come forth and speak. There being no one, the public hearing was closed.

Councilmember White made a motion to approve Z2015-009. Councilmember Milder seconded the motion. Milder asked the applicant to come forth and explain a little more about his request in light of the fact that some notices of opposition were received back by staff.

Chris Blasé
1220 East Fork Drive
Rockwall, Texas

Mr. Blasé came forth and indicated that this is for a detached garage behind his residential home. The previous, somewhat recent item, approved by city council was for a detached living quarters. This detached garage will be for storage and hobby-type projects. After brief discussion, the ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-XX
SPECIFIC USE PERMIT NO. S-XXX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE 04-38] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A DETACHED GARAGE THAT DOES NOT CONFORM TO THE REQUIREMENTS AS STIPULATED BY SECTION 2.1.2, RESIDENTIAL AND LODGING USE CONDITIONS, OF ARTICLE IV, PERMISSIBLE USES, BEING A 4.05-ACRE PARCEL OF LAND, ZONED SINGLE-FAMILY RESIDENTIAL (SF-10) DISTRICT, AND IDENTIFIED AS LOT 1, BLOCK 1, BLASÉ ADDITION, AND LOCATED AT 1220 EAST FORK DRIVE, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND MORE SPECIFICALLY DEPICTED IN EXHIBIT 'A'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 6 in favor with 1 absent (Pruitt).

5. **Z2015-010** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Noah Flabiano of the Skorburg Company for a zoning change from Planned Development District 70 (PD-70) for limited commercial/retail land uses to a Planned Development District for townhomes on a 10.142-acre tract of land being identified as a portion of a larger 164.812-acre tract of land identified as Tract 3 of the S. King Survey, Abstract No. 131, City of Rockwall, Rockwall County, Texas, being zoned Planned Development District 70 (PD-70), situated within the North SH-205 Overlay (N-SH205 OV) District, generally located at the northeast corner of the intersection of E. Quail Run Road and N. Goliad Street [N. SH-205], and take any action necessary. (1st reading) ***[Requested Postponement to the April 6, 2015 City Council Meeting].***

Mayor Pro Tem Lewis indicated that, at the request of the applicant, this item is being postponed until the April 6, 2015 city council meeting. No discussion took place, and no action was taken.

XI. ACTION ITEMS

1. **SP2015-003** - Discuss and consider a request by Jimmy Strohmeyer of Strohmeyer Architects on behalf of the owner Dr. Umar Burney of the North Dallas Rockwall Land Investors, LLC for the approval of certain variances in association with a site plan for a medical office building on a 1.6121-acre tract of land identified as Lot 2, Block A, Ridge/Summer Lee Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 9 (PD-9), situated within the Scenic Overlay (SOV) District, located east of the intersection Ridge Road and Summer Lee Drive, and take any action necessary.

Mr. LaCroix indicated that the applicant would like to construct a new medical office building right beside the existing Aldi store on about 1.6 acres of land. The applicant is requesting the following variances to various sections of the Unified Development Code: Article V, District Development Standards and Article VIII, Landscape Standards as follows:

- **To allow for not meeting the 10-ft. landscape buffer requirements by allowing parking spaces to be located within the buffer as established in Art. VIII, Sec. 5.7, A. as depicted in the landscape plan submitted.**
- **To allow for not meeting the 20 percent natural or quarried stone requirements established in Art. V, Sec. 6.8 of the Scenic Overlay (SOV) District standards, as depicted in the building elevations submitted.**
- **To allow for not meeting the requirements for secondary materials and allowing an exterior wood product to exceed 10% as a secondary material as established in Art. V, Sec.6.8 of the Scenic Overlay**

The Planning & Zoning Commission has recommended approval of this site plan case by a vote of 6 - 0.

Jimmy Strohmeyer
1620 Fair Lakes Point
Rockwall, Texas

Mr. Strohmeyer came forth to represent the applicant. He indicated that the applicant is trying to achieve an urban modern look as far as the architecture is concerned. Councilmember Hohenshelt asked if the applicant will be the owner and operator of the business. Mr. Strohmeyer indicated that, yes, Dr. Burney will be the one owning and running the orthopedic medical office. He will be moving his physical therapy office from over by the Super Walmart off IH-30 to this location as well.

After brief discussion, Councilmember White made a motion to approve the variance request for the landscape buffer requirements for SP2015-003. Councilmember Daniels seconded the motion, which passed by a vote of 6 ayes with 1 absent (Pruitt).

Councilmember White made a motion to approve the stone requirement variance for SP2015-003. Councilmember Daniels seconded the motion, which passed by a vote of 6 in favor with 1 absent (Pruitt).

Councilmember White made a motion to approve the variance for secondary materials and allowance of wood products for SP2015-003. Councilmember Daniels seconded the motion, which passed by a vote of 6 in favor with 1 absent (Pruitt).

2. **SP2015-004** - Discuss and consider a request by Jimmy Strohmeyer of Stohmeyer Architects on behalf of the owner Russell Phillips for the approval of a waiver to Planned Development District 32 (PD-32) [Ordinance No. 10-28] and variances to the building material requirements stipulated by the Unified Development Code in conjunction with a site plan for a 265 unit, condo development situated on a 7.58-acre tract of land identified as Lots 6A, 7A & 8A, Isaac Brown Addition, and a portion of Lots 3 & 4, Block 16 and Lot 4, Block 18, Moton Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the Interior Subdistrict of PD-32, located south of the intersection of Summer Lee Drive and Sunset Ridge Drive, and take any action necessary.

Planning Director Robert LaCroix provided background information related to this agenda item. He explained that the applicant is requesting a waiver related to the height requirements, but, he explained, a portion of the two story parking garage will actually be below grade. Furthermore, a variance is being requested related to the building material. The stone that is proposed to be used is the same as that which was used on the Trend Tower and on the existing hotel, and the incoming "Harbor Heights" development will also have a similar look as far as building materials are concerned.

The site plan has been approved by the Planning and Zoning Commission. He pointed out that the fire chief is here, and there are some fire-related access concerns that must be met by the applicant. Approval of this item tonight would not signal approval of any fire code waivers or exceptions. The applicant will still have to meet all of the fire-related requirements.

Mr. Strohmeyer came forth and indicated that they have attempted to minimize the height of the overall building by putting the parking garage below grade.

Councilmember Milder made a motion to approve SP2015-004. Councilmember White seconded the motion, which passed by a vote of 6 in favor with 1 absent (Pruitt).

Mayor Pro Tem Lewis read the below listed discussion items into the public record before then recessing the public meeting into Executive Session at 6:47 p.m.

XII. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the position of Chief of Police pursuant to Section 551.074 (Personnel Matters)
2. Discussion regarding possible claim or settlement agreement related to enforcing the city's sign ordinance regarding a billboard pursuant to Section 551.071 (Consultation with Attorney).
3. Discussion regarding Gary Jackson vs. City of Rockwall pursuant to Section 551.071 (Consultation with Attorney)
4. Discussion regarding appointments to the Board of Adjustments (city regulatory board) pursuant to Section 551.074 (Personnel Matters)
5. Discussion regarding City Manager performance evaluation pursuant to Section, § 551.074 (Personnel Matters).

XIII. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

Mayor Pro Tem Lewis reconvened the public meeting at 7:00 p.m. with six of the seven city council members being present (Mayor Pruitt was absent).

Councilmember Townsend made a motion to authorize the city manager to execute a settlement agreement with B&B Outdoor Advertising. Councilmember Daniels seconded the motion, which passed unanimously of those present (Pruitt absent).

XIV. ADJOURNMENT

The meeting was adjourned at 7:01 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS 6th DAY OF APRIL, 2015.

CITY OF ROCKWALL

ORDINANCE NO. 15-10

SPECIFIC USE PERMIT NO. S-135

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A TRUCK RENTAL FACILITY IN CONJUNCTION WITH AN EXISTING MINOR AUTOMOTIVE REPAIR GARAGE, BEING A 2.0-ACRE TRACT OF LAND, ZONED LIGHT INDUSTRIAL (LI) DISTRICT AND IDENTIFIED AS TRACT 23-01 OF THE R. IRVING SURVEY, ABSTRACT NO. 120, AND LOCATED AT 3920 E IH-30, , CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND MORE SPECIFICALLY DEPICTED IN EXHIBIT 'A'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Kevin Carr of GearHeads Hot Rod Garage for the approval of a Specific Use Permit to allow for a *Truck Rental Facility* in conjunction with an existing minor automotive repair garage being a 2.0-acre tract of land, zoned Light Industrial (LI) District and identified as Tract 23-01 of the R. Irvine Survey, Abstract No. 120, and located at 3920 E. IH-30, and, City of Rockwall, Rockwall County, Texas, and more specifically described in Exhibit 'A' of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit allowing for a *Truck Rental Facility* in conjunction with an existing minor automotive repair garage within a Light Industrial (LI) District as stipulated by the Unified Development Code [Ordinance no. 04-38] on the *Subject Property*; and

SECTION 2. That the *Subject Property* shall be used only in the manner and for the purposes described in this Specific Use Permit (SUP) granted herein and shall be subject to the conditions set forth in *Article IV, Permissible Uses, Sec. 2.1.10 Wholesale, Distribution and Storage* of the Unified Development Code [Ordinance No. 04-38] as heretofore amended, as amended

herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following additions and compliance standards:

2.1 Operational Conditions

The following conditions pertain to the operation of a *Truck Rental Facility* in conjunction with an existing minor automotive repair garage on the *Subject Property*, and conformance to these stipulations is required for continued operations:

1. That the commercial operation of a *Truck Rental Facility* shall be limited to no more than five (5) U-Haul trucks and five (5) U-Haul trailers on the premises at any one time for the *Subject Property* as depicted in Exhibit "A" attached hereto; and,

2. That the U-Haul rental trucks and U-Haul trailers be parked/stored on the premises, to the rear of the building, behind the fenced area as indicated on the conceptual site plan submitted as Exhibit 'B' so as to not be visible from the adjacent street rights-of-way (i.e. IH-30); and,

3. That the Specific Use Permit (SUP) shall be valid for a period of three years from the date of passage of the SUP ordinance. If an extension to the 3-year time limit is desired, the owner shall petition the City Council for such extension at least 90 days prior the expiration of the SUP. The City Council shall review the SUP and determine if an extension of time is warranted.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. That if any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law may in such cases provide.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 4th DAY OF APRIL, 2015.

CITY OF ROCKWALL

ORDINANCE NO. 15-11

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURE (AG) DISTRICT TO A SINGLE-FAMILY ESTATE 2.0 (SFE-2.0) DISTRICT FOR A 4.502-ACRE TRACT OF LAND IDENTIFIED AS TRACT 1 OF THE S. R. BARNES SURVEY, ABSTRACT NO. 13, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN *EXHIBIT 'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Herman Douglas Utley for the approval of an amendment to the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall to adopt a change in zoning from an Agriculture (AG) District to a Single-Family Estate 2.0 (SFE-2.0) District for a 4.502-acre tract of land identified as Tract 1 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, and more specifically described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning of the *Subject Property* from an Agriculture (AG) District to a Single-Family Estate 2.0 (SFE-2.0) District; and

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes provided for a *Single-Family Estate (SF-E) District* in *Section 1.1, "Use of Land and Buildings,"* of *Article IV, "Permissible Uses"* and *Section 3.2, "Single-Family Estate (SF-E/1.5, 2.0, 4.0) District",* of *Article V, "District Development Standards",* of the *Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as maybe amended in the future;

Section 3. That the official zoning map of the City be corrected to reflect the changes in the zoning described herein.

Section 4. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law may in such cases provide.

Exhibit 'A':
Legal Description

PROPERTY DESCRIPTION

Being a 4.502 acre tract of land situated in the S.R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas and being all that certain tract of land described in deed to Herman D. Utley, as recorded in Instrument No. 2006-00358812, Deed Records, Rockwall County, Texas and all that certain tract of land described in deed to Herman Douglas Utley, as recorded in Volume 3555, Page 93, said Deed Records and being more particularly described by metes and bounds as follows:

BEGINNING at a found 60 penny nail in E. Quail Run Road at the common west corner of said Utley tract (3555/93) and Lot 1, Block A, of the D.R. Taylor Addition, recorded in Cabinet E, Slide 317, Plat Records, Rockwall County, Texas, said 60 penny nail being on the east line of the remainder of that certain tract of land described in deed to Lonnie L. Gideon, as recorded in Volume 307, Page 256, said Deed Records;

THENCE along said E. Quail Run Road and the common line of said Utley tract (3555/93) and said Gideon tract the following bearings and distances:

North, a distance of 144.96 feet to a found 60 penny nail;

North 03 degrees 22 minutes 44 seconds East, a distance of 103.15 feet to a found 60 penny nail from which a found 5/8-inch iron rod bears North 32 degrees 43 minutes 46 seconds East, a distance of 13.60 feet and a found 1/2-inch iron rod bears South 87 degrees 53 minutes 27 seconds East, a distance of 17.69 feet;

North 09 degrees 16 minutes 45 seconds East, a distance of 86.44 feet to a found 60 penny nail at the common west corner of said Utley tracts, from which a found 1/2-inch iron rod bears South 89 degrees 39 minutes 46 seconds East - 25.41 feet;

THENCE along aforesaid E. Quail Run Road and the common line of said Utley tract (2006-00358812) and aforesaid Gideon tract the following bearings and distances:

North 13 degrees 45 minutes 03 seconds East, a distance of 134.53 feet;

North 04 degrees 57 minutes 27 seconds East, a distance of 130.01 feet;

North 02 degrees 16 minutes 19 seconds East, a distance of 113.06 feet to a point from which a found 5/8-inch iron rod bears North 02 degrees 54 minutes 26 seconds East, a distance of 31.67 feet;

North 30 degrees 51 minutes 27 seconds East, a distance of 72.24 feet;

North 69 degrees 46 minutes 15 seconds East, a distance of 98.85 feet;

North 86 degrees 17 minutes 03 seconds East, a distance of 67.89 feet to a point from which a found 1/2-inch iron rod bears North 07 degrees 24 minutes 57 seconds East, a distance of 4.98 feet, said point being the common corner of aforesaid Utley tract (2006-00358812) and that certain tract of land described in deed to Lonnie L. Gideon, as recorded in Volume 307, Page 259, aforesaid Deed Records and that certain tract of land described in deed to Hilda Kouvelis and husband, Peter Kouvelis, as recorded in Volume 1881, Page 115, said Deed Records;

THENCE South along the common line of said Utley tract (2006-00358812) and said Gideon tract (307/259), passing a found 1/2-inch iron rod at the common east corner of said Utley tracts at a distance of 473.91 feet and continuing along the common line of said Utley tract (3555/93) and said Gideon tract (307/259) a total distance of 916.66 feet to a point from which a found 1/2-inch iron rod bears North 57 degrees 25 minutes 40 seconds West, a distance of 0.69 of one foot, said point being the common east corner of said Utley tract (3555/93) and aforesaid Lot 1;

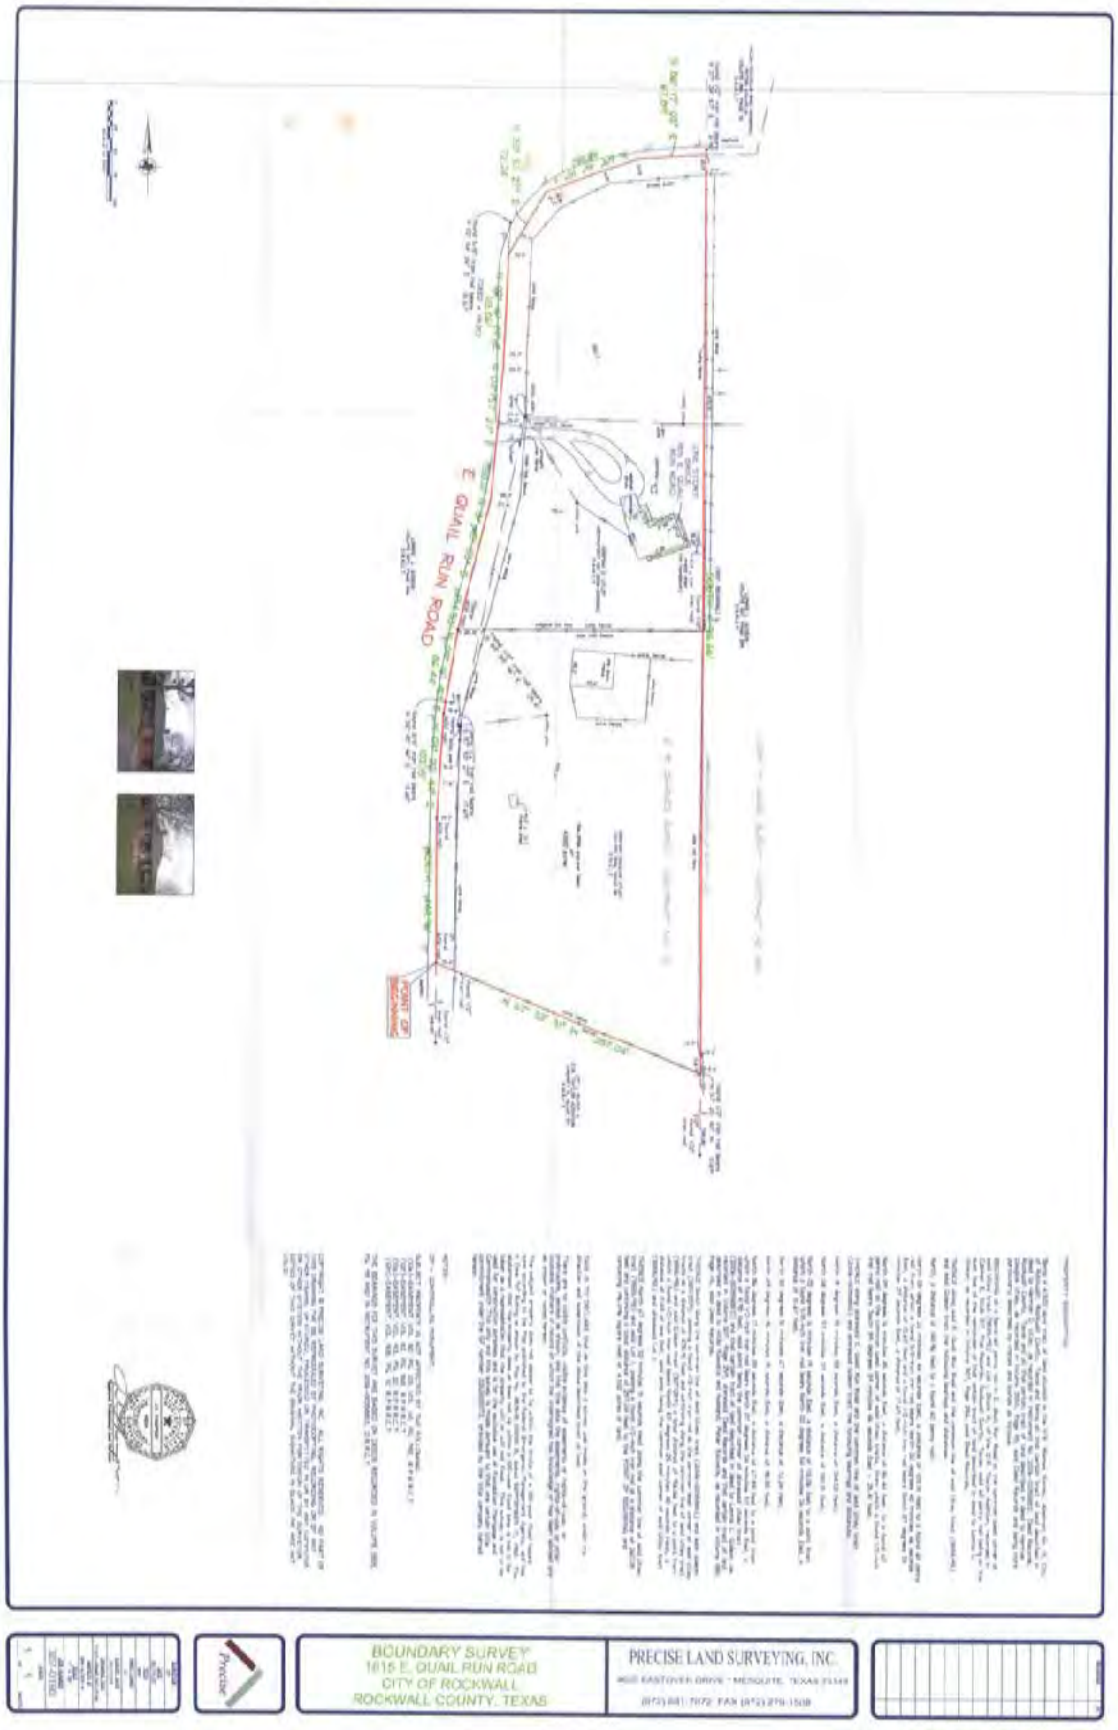
THENCE North 67 degrees 32 minutes 31 seconds West along the common line of said Utley tract (3555/93) and said Lot 1, passing a found 1/2-inch iron rod at a distance of 260.05 feet and continuing a total distance of 287.04 feet to the POINT OF BEGINNING and containing 196,096 square feet or 4.502 acres of land.

THIS IS TO DECLARE that on this date a survey was made on the ground, under my direction and supervision of the above described tract of land.

There are no visible conflicts, visible evidence of easements or rights-of-way, or protrusions, except as shown, and that this date the easements, rights-of-way or other locatable matters of record of which the undersigned has knowledge or has been advised are as shown or noted hereon.

The subject property does not appear to lie within the limits of a 100-year flood hazard zone according to the Map published by the Federal Emergency Management Agency, and has a Zone "X" Rating as shown by Map No. 480543 00030 B, dated SEPTEMBER 17, 1980. The statement that the property does or does not lie within a 100-year flood zone is not to be taken as a representation that the property will or will not flood. This survey is not to be used for construction purposes and is for the exclusive use of Foundation Mortgage and Commonwealth Title only and this survey is made pursuant to that one certain title commitment under the GF number 2252000072, provided by the title company named hereon.

NOTES:



CM = CONTROLLING MONUMENT.

SUBJECT PROPERTY IS NOT AFFECTED BY THE FOLLOWING:
(10e)-EASEMENT, VOL. 80, PG. 123, VOL. 110, PG. 792, R.P.R.R.C.T.
(10f)-EASEMENT, VOL. 82, PG. 358, R.P.R.R.C.T.
(10g)-EASEMENT, VOL. 913, PG. 20, R.P.R.R.C.T.
(10h)-EASEMENT, VOL. 908, PG. 10, R.P.R.R.C.T.

THE BEARINGS FOR THIS SURVEY ARE BASED ON DEEDS RECORDED IN VOLUME 3555, PG. 93 AND IN INSTRUMENT NO. 2006-00358812, D.R.R.C.T.

CITY OF ROCKWALL

ORDINANCE NO. 15-12

SPECIFIC USE PERMIT NO. S-136

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE 04-38] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A DETACHED GARAGE THAT DOES NOT CONFORM TO THE REQUIREMENTS AS STIPULATED BY SECTION 2.1.2, RESIDENTIAL AND LODGING USE CONDITIONS, OF ARTICLE IV, PERMISSIBLE USES, BEING A 4.05-ACRE PARCEL OF LAND, ZONED SINGLE-FAMILY RESIDENTIAL (SF-10) DISTRICT, AND IDENTIFIED AS LOT 1, BLOCK 1, BLASÉ ADDITION, AND LOCATED AT 1220 EAST FORK DRIVE, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND MORE SPECIFICALLY DEPICTED IN EXHIBIT 'A'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Chris and Jill Blasé for the approval of a Specific Use Permit (SUP) to allow for a *Detached Garage* that does not conform to the requirements as stipulated by Section 2.1.2, Residential and Lodging Use Conditions, of Article IV, Permissible Uses of the Unified Development Code [Ordinance 04-38], being a 4.05-acre parcel of land, zoned Single-Family Residential (SF-10) District, and identified as Lot 1, Block 1, Blasé Addition, and located at 1220 East Fork Drive, and, City of Rockwall, Rockwall County, Texas, and more specifically depicted in Exhibit 'A' of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for a *Detached Garage* that does not conform to the requirements of Section 2.1.2, Residential and Lodging Use Conditions, of Article IV, Permissible Uses, within a Single Family (SF-10) Residential District as stipulated by the Unified Development Code [Ordinance no. 04-38] on the *Subject Property*; and

SECTION 2. That the *Subject Property* shall be used only in the manner and for the purposes described in this Specific Use Permit (SUP) granted herein and shall be subject to the conditions set forth in *Article IV, Permissible Uses, Sec. 2.1.2 Residential and Lodging Uses* of the Unified Development Code [Ordinance No. 04-38] as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following additions and compliance standards:

1. Any construction or building allowed by this request must conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government; and,

2. That submittal and approval of a building permit is required prior to the construction of the detached garage; and,

3. That the detached garage shall generally conform to the site plan as submitted and attached hereto as Exhibit 'A'; and,

4. That the detached garage shall not exceed 1,235 sq. ft. in area as depicted in the floor plan attached hereto as Exhibit 'B' and does not exceed an overall height of 25 ft. as depicted in the building elevations attached hereto as Exhibit 'C'; and,

5. That the detached garage shall generally conform to the building elevations as submitted, including the use of metal siding, a metal roof, and metal roof elements (dormers) as depicted and attached hereto as Exhibit 'C'; and,

6. That the detached garage is subject to administrative review in the event that the subject property is sold to another party, conveyed in any manner to another party, subdivided, or re-platted; and,

7. That the City Council reserves the right to review the Specific Use Permit within one (1) year from the date approval.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. That if any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law may in such cases provide.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 6th DAY OF APRIL, 2015.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 04/06/2015

APPLICANT: Duane and Jennifer Piercy

AGENDA ITEM: **P2015-011** (Piercy Place Addition – Final Plat)

SUMMARY:

Discuss and consider a request by Duane and Jennifer Piercy for the approval of a final plat for Lot 1, Block A, Piercy Place Addition being a 1.21-acre tract of land identified as Tract 21 of the R. Ballard Survey, Abstract 29, City of Rockwall, Rockwall County, Texas, zoned Single Family 7 (SF-7) District, situated west of the intersection of Hartman Street and Renfro Street, and take any action necessary.

COMMENTS:

- The objective of this request is to plat a vacant residentially parcel of land for the purpose of constructing a single family home.
- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions listed in the Recommendations section below.
- With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the request for final plat, staff would recommend the following conditions of approval:

A) All the technical comments from the Engineering and Fire Departments shall be addressed prior to the filing of this plat, including the following Planning Comments;

1. Adherence to Engineering and Fire Department standards.
2. Address all staff comments as listed in the Project Plan Review (see attached).

B) Any construction resulting from the approval of this final plat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Planning and Zoning Commission

On March 31, 2015, the Planning and Zoning Commission recommended approval of the final plat with staff conditions by a vote of 5 to 0 (Logan & Conley – absent).

Discuss and consider a request by Duane and Jenifer Piercy for the approval of a final plat for Lot 1, Block A, Piercy Place Addition being a 1.229-acre tract of land identified as Tract 21 of the R. Ballard Survey, Abstract 29, City of Rockwall, Rockwall County, Texas, zoned Single Family 7 (SF-7) District, situated west of the intersection of Hartman Street and Renfro Street, and take any action necessary.

Planning Staff Comments:

1. Adherence to all engineering and fire department standards.

2. Title Block: Provide the title block information in the lower right hand corner as indicated below (type setting - centered):

Final Plat
Piercy Place Addition
Lot 1, Block A (1 Lot)
Being a 1.229-Acre Tract of Land
Tract 21, R. Ballard Survey, Abstract 29
City of Rockwall, TX, Rockwall County, TX

3. The case number is to be placed in the lower right hand corner of the final plat [P2015-011].

4. The location of the development is required to be tied to at least two (2) corners to City monumentation or state plan coordinates (NAD 83 State Plane Texas, Nortl Central [7202], US Survey Feet).

5. Provide the Vicinity Map as a black lined map and not a color graphic.

6. Subdivision Name: Piercy Place Addition - Indicate the subdivision boundary lines, and acreage and square footage on plat.

7. Label the front building setback line of 20-ft along Hartman Street .

8. Label all existing and proposed easements relative to the site and include the type, purpose and width. Are there any other easements associated with this site?

9. Indicate cross sections for flood boundary as per Engineering requirements.

10. Remove improvements (i.e. fence, buildings, guard rail, utilites not on site, etc.) from plat.

11. Owners Certificate & Dedication:
a) Include Jennifer Piercy [as per deed] in all areas of language where appropriate to include a signature block and notary public.
b) Correct language in owners certificate [all that certain lot, tract or parcel of land...] to include "City of Rockwall, County of Rocwall, State of Texas".
c) Correct language in dedication statement to indicate subdivision name and not address as such [I Duane & Jennifer Piercy the undersigned owner(s) of the land..."designated herein as the Piercy Place Addition, an addition to the ...."]
d) Relocate Notary Public to be underneath signature blocks of the Piercy's
e) Refer to Standard Plat Wording language form for space saving and formating purposes.

Type of Review / Notes	Contact	Sent	Due	Received	Elapsed	Status	Remarks

12. Remove language "This Survey as conducted and prepared at the request...." from plat.

13. Refer to Standard City Signature block for formating purposes and remove the wording "Approval Certificate"

14. Remove items listed in the Legend that are not appropriate identifications to the plat [i.e. brick, covered area, concrete, wood deck, stone, fences, etc].

15. Remove the "Heavy Lined" boxes at lower area of plat.

16. Provide a minimum 2 inch X 2 inch clear space for recording purposes.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

I Duane piercy the undersigned owner(s) of the land shown on this plat, and designated herein as the 713 hartman street, an addition to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, watercourses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I duane piercy further certify that all other parties who have a mortgage or lien interest in the 713 hartman street, addition have been notified and signed this plat.

I duane piercy understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same.

I duane piercy also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I duane piercy further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I duane piercy, my successors and assigns hereby waive any claim, damage, or cause of action that I duane piercy may have as a result of the dedication of exactions made herein.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Lea Ann Ewing, Purchasing Agent**

DATE: **March 24, 2015**

SUBJECT: **Contract Mowing Agreement Extension**

Contract mowing services include mowing of right-of-ways, street medians, 2 closed landfill locations, drainage easements and debris removal. The City received competitive sealed bids for this service in March 2013. A contract was then awarded to 3-D Mowing Services of Rockwall by the City Council for an April 1, 2013 start date. The current mowing contract amount is $40,291.

The contract terms allow for annual extension at the end of the initial contract period for up to three consecutive years should the scope of work, pricing and bid terms/conditions remain the same. The contractor has agreed to a contract extension with no amendments. Staff has determined that it would be in the best interest of the City to renew the current contract at 2013 unit prices.

Staff asks the City Council to consider this extension in the amount of $40,291. Funding for mowing services was approved in FY 2014-2015 General Fund, Parks Department operating budget and the renewal contract cost of this service is within budget.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Richard Crowley, City Manager**
CC: **Mark Moeller, Police Chief**

FROM: **Lea Ann Ewing, Purchasing Agent**

DATE: **March 19, 2015**

SUBJECT: **Purchase of 2015 Model Dodge Charger Police Pursuit Vehicle for Traffic Division**

There is $28,000 in CID budget to purchase a vehicle for the new Detective this year. Chief Moeller would like to transfer these funds from CID to Patrol to cover the replacement cost of a 2009 Charger used by the Traffic Division. This older Charger has developed an oil leak and the engine could go at any time per Jim and Dean's Garage. We will not be purchasing the new Detective vehicle this year because Chief Moeller's take home vehicle has been moved to CID for use by the new Detective. We will also incur some safety and communication equipment costs for this new 2015 model as most of the equipment on the 2009 model is not compatible.

Funds to buy the additional equipment would come from Community Services budget. Currently we are not able to complete the budgeted vehicle equipment install because we are waiting on another block of computer licenses. Since we already have a license for the traffic vehicle, we will take the money for the Community Services install and use to purchase needed equipment at an estimated cost of $8,000. We will then request the equipment install for the Community Services vehicles in the next budget.

The Dodge Charger is available from Freedom CDJR through Houston-Galveston Area COG purchasing cooperative contract #VE11-13. As a member and participant in this cooperative, the City has met all formal bidding requirements pertaining to the purchase of this new car.

For Council consideration the total cost of this new car, including equipment, should not exceed $36,000 and authorize the City Manager to execute a Purchase Order.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Rick Crowley - City Manager**

DATE: **April 3, 2015**

SUBJECT: **Appointment item - Golf Carts, Stone Creek Subdivision**

The Council has recently received correspondence from several residents of the Stone Creek subdivision outlining some history regarding operation of golf carts in Stone Creek. An appointment item has been requested for Monday's meeting.

The residents making the request have had follow-up discussions with Mayor Pruitt and, perhaps, several other council members. Generally, the request will likely be that the City Council consider adding additional regulations regarding the operation of golf carts in cases where their operation is allowed by State law.

Attached, please find the residents' discussion of their request related to both the State law and possibly adding additional, local regulations related to safety. Also, a memorandum from City Attorney Frank Garza on the subject is provided. This memo contains several legal opinions of the city attorney and several references to related opinions of the Texas Attorney General.

Hello Jim,

In a follow-up to your response on March 14th (below), I have received some posts on Nextdoor wanting to know if the subject matter regarding the use of golf carts (in Stone Creek Estates) will be open to the public, if so a time and place, or is this just a council decision?

I have responded saying that I suspect that it may take several months for this all to work its way through the system.

The rezoning (for town-houses in Stone Creek Estates) proposal is scheduled for Tuesday, March 31st at the P&Z, and if still needed, the proposal will be placed before the City Council on Monday, April 6th. I hope to have a few neighbors present at the meetings, but they probably will not be too knowledgeable about the golf cart situation.

Is there anything else that I can share (regarding the golf cart issue) with the neighbors at this point? I really appreciate your assistance.

Thanks,

Jim & Shirley Smith

Thank you for your concern over golf carts in master planned communities. I will ask the council for a discussion item in this next month. I expect a number of your community members at ourr first meeting in April.

Thanks
Mayor Jim Pruitt

Subject: FW: Clarification on Operation of Golf Carts in City of Rockwall

Dear Rockwall City Council Members:

My wife and I presently reside in the Stone Creek Estates subdivision, a master planned community (with a HOA and an uniform set of restricted covenants in place) within Rockwall. Recently, one of our neighbors posted a question on our social media network, Nextdoor, wanting to know whether or not it is legal to operate a golf cart on the city streets. Several such inquiries arose in regards to this subject matter, and after performing some research on the sites of TxDMV.Gov, Texas Transportation Code, as well as reaching out to Officer Hardman of the Rockwall Police Department, it became reasonably clear that there was too much ambiguity.

In a phone conversation with Officer Hardman and her supervisor, we were informed that currently the policy of the police department is to issue citations for the operation of a golf cart on the city streets. The rationale being that such operation would be in violation of Texas Transportation Code 551.403.

Below, please reference two separate emails which we sent to the Rockwall Police Department on March 6, 2015. In our correspondence, we attempted to communicate our belief that the rationale for issuing a citation for the operation of a golf cart on the city streets would be based upon a misinterpretation of the Texas Transportation Code 551.403.

Officer Hardman followed up with a phone call to my wife, indicating that after further review with the city attorney that she would be clarifying the matter. On March 13, 2015, Rockwall's Officer Hardman wrote to Nextdoor stating,

"I have spoken with Mrs. Smith regarding this issue. She brought up some areas of concerns regarding the discrepancy of a "master planned community" in that Stone Creek meets that criteria. I contacted the city attorney and he forwarded me several e-mails concerning this issue. He stated the following in his e-mail:"

"If the Defendant is not traveling to or from a golf course and meets the other requirements of Texas Transportation code 551.403(a)(3), then legal operation of a golf cart can only occur under Texas Transportation Code 551.403(a)(1) "in a master planned community", ie a neighborhood with a homeowners association that homeowners are required to join. Section 551.403(b) states that the Rockwall City Council can trump subsection (a) and make it illegal to operate a golf cart in the city. I don't believe our council has passed such ordinance."

So it seems that Stone Creek can drive golf carts within the community. At this time, there is currently no city ordinance that I have located that would trump subsection (a).

I hope this clears the matter up."

Now that the law is better understood that the operation of a golf cart within a planned community is legal, we share the concern that we need to keep our streets safe. After searching Rockwall's Code of Ordinances, we could not locate any specific ordinance regarding golf cart operation. At this time, perhaps it would be a prudent idea to create a city ordinance to improve the governing of safe operations of a golf cart on public streets.

Although we personally prefer a less is best in restrictions, having previously lived in two golf course communities, we know that having no restrictions can be dangerous. We are particularly concerned about having under-aged children operating a golf cart on a city street. Some initial thoughts that have been considered regarding improved safety include:

- The operator of a golf cart must be 16 years of age or older,
- The operator must obey all Texas Laws and traffic regulations,
- Cart must be equipped with a flag on a six (6) pole affixed to rear of golf cart,
- Cart must be equipped with:

Ø head lamps,

Ø tail lamps and reflectors,

Ø brake lamps,

Ø mirrors,

Ø turn signals,

Ø parking brake.

- Cart must display a slow-moving vehicle emblem (a requirement by TxDMV).
- Cart must not be operated on a public sidewalk at any time.

Could the Council please help guide us in the mechanics of submitting a recommendation whereby we promote a safer environment?

Thanks,

Jim Smith / Shirley Smith

Subject: FW: Clarification on Operation of Golf Carts in City of Rockwall

Our Rockwall Stone Creek Estates neighborhood is trying to obtain accurate information regarding the legal operation of private golf carts on public streets in Rockwall. We spoke to Officer Hardman and her supervisor who said that they have previously conferred with Jeff Welch about this issue.

Below, please find our previous correspondence sent to Officer Hardman. In a follow-up phone call, her supervisor stated that if you operate a golf cart on a public street within a neighborhood you may be cited, if the neighborhood does not contain a golf course. The officers also stated that the Municipal Court has upheld these citations and suggested that we contact Municipal Court if we have any questions and/or concerns.

The reason that we are pursuing this matter is that we take pride in our community in "getting it right". We do not even own a golf cart.

The rationale for these citations is based upon the interpretation of the Texas Transportation Code 551.403 (copied below). Having read the Code 551.403, we do not believe that it states that there MUST be a golf course within a neighborhood. Parts (1), (2), and (3) of Section 551.403 presents three different, and independent situations whereby a golf cart may be legally operated on the city streets. The officer's interpretation infer that these three (3) parts be taken together in their entirety. Meaning that the planned community would also have to contain a golf course for golf carts to be permitted on the public streets. If this logic were correct, the community would ALSO be required to have a public or private beach as designated by part (2) of the Code.

We feel very confident that it was not the law's intent to require parts (1), (2), and (3) to all be concurrent. It is our layman's interpretation of the Code that any one of the three (3) situations outlined in the Code would legalize the operation of a golf cart on a Rockwall public street. The Code uses the word or, not the word and in listing these three (3) unique situations.
