Based on this Code 551.403 and what is posted at TxDMV.gov; we believe that the simple description for legally operating a golf cart on a Rockwall public street is the following:

1) TxDMV does not register golf carts, so they will not be licensed. A golf cart must display a slow-moving emblem if operated on the street. Golf carts may be driven within your planned community (with a uniform set of restricted covenants in place).

2) You can legally drive out of the community ONLY if traveling to a golf club located no more than two (2) miles from where you house the golf cart, AND not traveling on or across a street with a posted speed limit of no more than 35 miles per hour, AND you are traveling during the daytime.

In summary, based on Texas Transportation Code, we believe that operating a golf cart on a public street in our neighborhood is legal. We are requesting that you please validate our interpretation, and if we are correct, please share the correct interpretation with the Rockwall Police Department.

While as citizens we believe this is how the existing laws of Texas should be enforced with regard to this matter, we don't know what city and/or county regulations exist. We believe to keep our streets safe, that we need better regulations governing the safe operations of golf carts on public streets. We believe that Rockwall Police, having knowledge of issues with golf carts, should draft a proposal seeking Council's approval for safer golf cart operation. Some thoughts that we initially have considered regarding improved safety include:

- Must be 16 or older to operate,

- Cart must be equipped with a flag on a pole to increase visibility,
- Cart must be equipped with head lights, tail lights, and brake lights.
- A limitation (TBD) on occupancy,
- Cart must display a slow-moving emblem.

As we have brought this subject matter to your attention, we are more than willing to help in any way that we can to sponsor and promote a safer environment.

Sincerely,

Jim and Shirley Smith

Sec. 551.403. LIMITED OPERATION. (a) An operator may operate a golf cart:
(1) in a master planned community:
(A) that has in place a uniform set of restrictive covenants; and
(B) for which a county or municipality has approved a plat;
(2) on a public or private beach; or
(3) on a public highway for which the posted speed limit is not more than 35 miles per hour, if the golf cart is operated:
(A) during the daytime; and
(B) not more than two miles from the location where the golf cart is usually parked and for transportation to or from a golf course.
(b) The Texas Department of Transportation or a county or municipality may prohibit the operation of a golf cart on a public highway if the department or the governing body of the county or municipality determines that the prohibition is necessary in the interest of safety.

Added by Acts 2009, 81st Leg., R.S., Ch. 1136 (H.B. 2553<http://www.legis.state.tx.us/tlodocs/81R/billtext/html/HB02553F.HTM>), Sec. 10, eff. September 1, 2009.

Subject: Clarification on Operation of Golf Carts in City of Rockwall
Importance: High

Officer Hardman,

This is regarding information recently posted on Nextdoor regarding the operation of golf carts. The posted information does not reflect information posted on the TxDMV.GOV web site. Bob Wacker, our Nextdoor lead, is working diligently to get this correct. Please review the note below, and if after reviewing the TxDMV.GOV web site, you agree, please send it to Bob so that our neighbors will be correctly informed.

==========

This is clarification regarding golf carts. The information sent earlier was regarding Neighborhood Electric Vehicles (NEV). NEVs need to be registered, titled, and licensed.

However, TxDMV does not register golf carts, so they will not be licensed. A golf cart must display a slow-moving emblem, if operated on the street. Golf carts may be driven within your planned community (with a uniform set of restricted covenants in place).

You can legally drive out of the community ONLY if traveling to a golf club located no more than two (2) miles from where you house the golf cart, AND not traveling on or across a street with a posted speed limit of no more than 35 miles per hour, AND you are traveling during the daytime.

This information is posted at

http://www.txdmv.gov/motorist/buying-or-selling-a-vehicle/off-highway-vehicles

It is important to select the "golf cart" tab to view information regarding golf carts. I hope this clears up any confusion.

Thanks,

Shirley Smith

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Frank Garza, City Attorney & Ashley White

COPY: File

DATE: March 31, 2015

Re: Clarification on operation of golf carts Golf Carts

This memorandum is in response to your inquiry regarding the operation of golf carts on city streets.

Definition of Golf Cart: The Texas Department of Motor Vehicles defines a "golf cart" as a vehicle that has no less than three wheels, has a normal maximum speed of between 15-25 mph, and is manufactured primarily for operation on golf courses. Golf carts should not be confused with Neighborhood Electric Vehicles (NEVs). NEVs are larger than golf carts, but smaller than most passenger vehicles. The law governing NEVs is separate from the law governing golf carts.

TX State Law: Three sections of two Texas Transportation Code provisions govern whether a golf cart may be driven on a city street:

1. **A golf cart may be driven on a street if the street is**: (1) in a master planned community that meets certain conditions; (2) on a golf course; or (3) on a public or private beach. TEX. TRANSP. CODE § 551.403(a). (Because state law provides no definition of "master planned community," and the attorney general declined to define the term in Texas Attorney General Opinion GA-0966, each city will likely have to look at its own definition of master planned community within its subdivision and zoning regulations.) but more than likely, it will have to be a gated community and no public streets.

2. **A golf cart may also be driven on a city street** that has a posted speed limit of 35 miles per hour or less, if the golf cart is operated to and from a golf course during the daytime and **no more than two miles from the place where the golf cart is usually parked**. Id.; the Attorney General also added that the purpose of driving the golf cart on public streets under this subsection must be to transport a person to and from the golf course. *See* GA-0966.

3. In addition, a golf cart may be driven across an intersection of any street if the cart is being lawfully operated under one of the provisions above. Id. § 551.405. Under a provision adopted in 2013, the Texas Department of Transportation can now offer license plates to golf carts that are driven on public streets as described above. Id. § 551.402.

98

City Ordinance: a city council may, by ordinance, authorize a golf cart to be operated on any street in the city that has a posted speed limit of 35 miles per hour or less, so long as the golf cart has special safety equipment, including headlamps, tail lamps, reflectors, parking brakes, and mirrors. *Id.* § 551.404. A **city may completely prohibit the use of golf carts on its streets** if the city council determines that the prohibition is necessary in the interest of safety. *See* §551.403. However, this prohibition would only apply to public streets. A gated community, where the streets are not maintained or owned by the city, would be allowed to have golf carts on any street behind a gate even if a city prohibited them on public streets.

Current Rockwall Ordinances: In our review, the City of Rockwall Code of Ordinances currently only addresses golf carts in its section on the **Storage of Vehicles**. Sec. 4.1. of the Code states "[o]n lots less than five acres, motor homes, camper cabins, non-street legal motorcycles (including all-terrain vehicles, dirt or motocross bikes, or similar type vehicles) boats, farm machinery, or similar equipment, ***excluding golf carts***, shall not be parked or stored on any residential or agricultural lot or the adjacent street except when in conformance with [certain] provisions."

Liability Insurance: If the City allowed for golf carts to be on city streets, an owner must have liability insurance, the same as for a car, if his cart is driven on a public street pursuant to a city ordinance. that authorizes the cart to be operated on any street in the city that has a posted speed limit of not more than 35 miles per hour under Transportation Code Section 551.404. Insurance is not required if the cart is driven pursuant to the state law exceptions allowing its use: (1) in a master planned community that meets certain conditions; (2) on a golf course; (3) on a public or private beach; or (4) on a city street that has a posted speed limit of 35 miles per hour or less, if the golf cart is operated to and from a golf course during the daytime and no more than two miles from the place where the golf cart is usually parked. [Numbers (1) –(4) are the limited uses allowed by Section 551.403.] TEX. TRANSP. CODE § 601.052.

Miscellaneous Provisions: A golf cart must have headlamps, tail lamps, reflectors, a parking brake, mirrors, and a slow-moving vehicle emblem to be driven on any city street. Id.§§ 547.703; 551.404.

- While it is not required, the Texas Department of Motor Vehicles issues license plates to golf carts under a bill passed in 2013. TEX. TRANSP. CODE § 551.402.

- The Transportation Code, Chapters 541-600, outlines the rules of the road for all "self-propelled" vehicles. TEX. TRANSP. CODE §541.201; ch. 545. A golf cart is a self-propelled vehicle and must follow the rules of the road, except for those where specific exceptions have been made. For example, a golf cart operating under Section 551.403 does not have to follow the equipment requirements if it is driven only as allowed under that section (the statute allowing driving in master planned communities and on beaches). Id. § 547.002.

If you have any questions, or if you wish for us to draft an ordinance to limit golf carts, please let us know.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Robert LaCroix, *Director of Planning and Zoning*

FROM: Ryan Miller, *Planning Manager*

DATE: April 6, 2015

SUBJECT: Z2015-003; *Hance Property [AG to PD]*

On March 31, 2015, the Planning and Zoning Commission voted 5-0 (with Commissioners Logan and Conley absent) to accept a request to withdraw *Case No. Z2015-003*. According to Section 5, *Application Withdrawal*, of the Article II of the Unified Development Code (UDC), any case that has been published in the paper and notifications of a public hearing sent out must be placed on the public hearing agenda and acted upon by the applicable body. In this case, since the Planning and Zoning Commission has acted to accept the applicant's request to withdraw and has not forwarded a recommendation to the City Council, no additional action beyond the recognition of the cases withdrawal will be required.

Skorburg Company
8214 Westchester Dr., Ste. 710

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Robert LaCroix, *Director of Planning and Zoning*

FROM: Ryan Miller, *Planning Manager*

DATE: April 6, 2015

SUBJECT: Z2015-010; *Townhomes [PD-70 to PD]*

At their regularly scheduled meeting on March 31, 2015, the Planning and Zoning Commission, at the request of the applicant (*Adam Buczek*), postponed the public hearing to April 28, 2015. This means that the projected City Council public hearing will be held at the May 4, 2015 meeting. According to Section 6.2, *Public Hearing Postponements, Recess, and Continuations*, of the Article II of the Unified Development Code (UDC), a public hearing may be postponed by announcing the postponement at the public hearing and indicating the time and place the new hearing is scheduled to begin; however, the date and time of the postponed public hearing cannot be greater than 60 days from the original public hearing date. The announcement of a postponement shall be sufficient notice and no additional notice shall be required. Per these requirements this will be the last meeting the applicant will be eligible to request a postponement. Should the applicant need to postpone the public hearing from the April 28, 2015 Planning and Zoning Commission meeting the case will need to be withdrawn and resubmitted with a new application and fee.

Subject: Stone Creek Townhome table request to 4/28/15 P&Z meeting

Ryan,

As just discussed, below is a nice e-mail of support we received this morning from a Stone Creek resident who lives on York who was initially against our proposed townhome zoning request, but is now in support. There have been other homeowners like Mr. Rey who have changed their position on our zoning request as well over the past week.

We've now held two meetings with the Stone Creek HOA, and I sense that significant progress is being made to get the facts and details out to the homeowners. As the facts and details have been fine-tuned to address the concerns of Stone Creek's residents, we are finding the support is growing as the facts show that the proposed townhomes are a higher and better use for the property than retail use, and the measures we have committed to putting in place will provide sustainable, long-term value and quality for the community and the residents of Stone Creek.

Having said that, we need more time to continue to work with the residents to get the message out and fine tune some of the details we have discussed with the Stone Creek homeowners during the past couple of meetings. We want to be certain we have done all we can to make sure every resident has had every opportunity to get all the facts to make an informed decision.

Due to the follow-up time it will take to finish this task, we respectfully request to postpone our P&Z public hearing on our Stone Creek townhome zoning request to the April 28, 2015 meeting. If you need anything else from us to accept this request, please let us know. Thank you.

Best Regards,

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Robert LaCroix, *Director of Planning and Zoning*

FROM: Ryan Miller, *Planning Manager*

DATE: April 6, 2015

SUBJECT: *Z2015-011;* Amendment to Article IX, Tree Preservation, of the UDC

In the last month, the City Council has voted to accept two (2) alternative tree mitigation plans that allowed the applicants to pay the remaining tree credits in cash to the *Tree Fund*. The additional revenue added to the fund as a result of these actions totals $234,136.00. With the current drought situation, it is not opportune to use this money to plant trees without the irrigation and equipment (*e.g. a large auger, etc.*) necessary to properly install and sustain the trees. In response to this situation staff has prepared an amendment to Section 11.1, *Tree Fund Administration*, of Article IX, *Tree Preservation*, of the Unified Development Code (UDC) that would expand how the funds could be allocated while continuing to allow the City Council the flexibility of considering and approving an alternative tree mitigation plan. Specifically, this amendment would allow for the funds collected to be used for labor, equipment, and irrigation associated with installing and sustaining landscaping. The proposal further defines the types of landscaping that qualifies to be purchased with these funds.

In accordance, with Section 4.2 of Article XI, *Zoning Related Applications*, of the UDC staff took the proposed amendments forward to the Planning and Zoning Commission for a recommendation to City Council; and, on March 31, 2014 the Planning and Zoning Commission voted 5-0 (with Commissioners Logan and Conley absent) to recommend approval of the proposed amendment. Attached to this memorandum is a copy of the current ordinance and the proposed changes/amendments to the UDC. The schedule for this text amendment is as follows:

Planning and Zoning Commission:
~~Work Session: March 10, 2015~~
~~Public Hearing: March 31, 2015~~

City Council:
Public Hearing: April 6, 2015
2nd Reading: April 20, 2015

107

Current Ordinance:

Article IX, Tree Preservation, of the Unified Development Code

Section 11. Tree Fund

Section 11.1. Tree Fund Administration.

The city shall administer the tree fund. The funds shall be used to purchase, plant and maintain trees on public property utilizing either city staff or contract labor, to acquire wooded property that remains in a naturalistic state in perpetuity, to perform and maintain a city wide tree inventory and to educate citizens and developers on the benefits and value of trees. The city council shall have the ability to adopt alternative methods of creating tree credits and methods of distribution of trees and/or funds for purchasing trees.

(Ord. No. 09-23, 6-15-2009)

Proposed Amendments:

Article IX, Tree Preservation, of the Unified Development Code

Section 11. Tree Fund

Section 11.1. Tree Fund Administration.

The city shall administer the tree fund. The funds shall be used to purchase~~,~~ plant ***material as permitted by this ordinance, install (including the equipment or labor necessary to install the plant materials)*** and maintain trees on public property ***including the necessary irrigation equipment~~ utilizing either city staff or contract labor~~***, to acquire wooded property that remains in a naturalistic state in perpetuity, to perform and maintain a city wide tree inventory and to educate citizens and developers on the benefits and value of trees. The city council shall have the ability to adopt alternative methods of creating tree credits and methods of distribution of trees and/or funds for purchasing trees.

Funds collected as a result of the mitigation of trees may be used to purchase trees, both deciduous and coniferous, any woody type plant or any perennial appropriate for the climatic conditions of the north Texas region.

(Ord. No. 09-23, 6-15-2009)

CITY OF ROCKWALL

ORDINANCE NO. 15-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, BY AMENDING SECTION 11.1 OF ARTICLE IX, *TREE PRESERVATION*; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, an amendment to the City of Rockwall's Unified Development Code [*Ordinance No. 04-38*] has been initiated by the City Council of the City of Rockwall to amend Section 11.1, *Tree Fund Administration,* of Section 11, *Tree Fund*, of Article IX, *Tree Preservation*, of the Unified Development Code [*Ordinance No. 04-38*]; and,

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the city's corporate boundaries, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That Section 11.1, *Tree Fund Administration,* of Section 11, *Tree Fund*, of Article IX, *Tree Preservation*, of the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended as specifically described in *Exhibits 'A'* of this ordinance.

Section 2. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 3. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 4. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

The New Horizon

MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **April 1, 2015**

SUBJECT: **Resolutions regarding Private Toll Roads Authority**

Councilmember Daniels requested that a resolution be prepared for Council consideration regarding certain bills that have been filed in the 84th Session of the Texas Legislature that would limit the authority of private toll road companies. Staff has prepared three resolutions for Council consideration that would support bills that would remove the power of eminent domain for private toll road companies and restrict private toll roads from connecting to the State highway system.

HB 565, authored by Representative Cindy Burkett, would remove the power of eminent domain from private toll road companies and restrict private toll roads from connecting to any portion of the State highway system. This would include State highways, State roads and State bridges. This bill was referred to the House Transportation Committee, a public hearing was held on March 19 and action is pending.

HB 1004 and the companion bill SB 444 remove the power of eminent domain from private toll road companies that was granted by an earlier Legislature. SB 444 filed by Senator Hall was referred to the Senate Transportation Committee and a public hearing was held on March 11. The bill was voted favorably out of committee on March 18. HB 1004 was referred to the House Transportation Committee and heard on March 19. Action is pending in the committee as of April 1.

Council may consider each of these resolutions for action separately or recommend language to amend any or all of the three options.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 15-13

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL,TEXAS, SUPPORTING SENATE BILL 444 AUTHORED BY SENATOR BOB HALL AND THE COMPANION, HOUSE BILL 1004 AUTHORED BY REPRESENTIATVE YVONNE DAVIS IN THE 84TH SESSION OF THE TEXAS LEGISLATURE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, The 84th Session of the Texas Legislature is currently in session and SB 444 and a companion bill, HB 1004 has been filed by Senator Hall and Representative Yvonne Davis, respectively, and

WHEREAS, these bills, if passed by the Texas Legislature and signed into law by the Governor, eliminate the ability of a private toll road company to exercise the power of eminent domain previously granted by State law; and

WHEREAS, the City of Rockwall has attended numerous meetings where discussions regarding private tollway routing have focused on numerous routes located in northern Rockwall County and surrounding areas; and

WHEREAS, in 2014 numerous Rockwall residents opposed a private toll road company constructing a major road project that would have been routed through their private property; and

WHEREAS, Rockwall residents were seriously threatened by and opposed to the ability of a private, "for profit" company having the power of eminent domain for a private toll road.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THAT:

Section 1. The City of Rockwall opposes any private toll road company having the power of eminent domain regardless of the project and believes that the power of eminent domain should be restricted to government projects only; and

Section 2. The City of Rockwall strongly supports SB 444/HB 1004 of the 84th Session of the Texas Legislature and encourages members of the Legislature to support these bills and see that they be forwarded to the Governor for his signature.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ON THIS 6th DAY OF April, 2015.

SUBJECT: Request for Funding Allocation – Historical Foundation

The City received a supplemental funding request for hotel occupancy tax revenues from the Rockwall County Historical Foundation. Copies of the Funding Request Questionnaire and supporting narrative are attached for your review. Their request totals $2,500 to paint the exterior of the historic home located adjacent to Harry Myers Park.

Historical renovation and preservation projects are an allowable use under the nine categories included in the Act.

At the present, the Hotel/Motel Occupancy Tax budget is as follows:

Fund Balance carried forward	**$ 144,140**
Revenues budgeted	**310,000**
Allocated Funding	**(336,235)**
Projected Fund Balance	**$ 107,905**

The subcommittee met and are recommending Council approve $1500 funding for the Historical Foundation project.

- **COMPLETE AN APPLICATION FOR EACH EVENT/PROGRAM/EXHIBIT REQUESTING FUNDS**
- **INCOMPLETE APPLICATIONS WILL NOT BE FORWARDED TO THE COUNCIL SUBCOMMITTEE**

1. Mark an "X" next to the category or categories that your organization is requesting funds in the attached budget request.

☐ **Advertising/Tourism** **Requested funding amount $**
Conducting solicitation or promotional programs that encourage tourists and delegates to come to the City of Rockwall.

☐ **Arts** **Requested funding amount $**
Providing encouragement, promotion, improvement and application of the arts as it relates to the presentation, performance execution or exhibition of the major art forms in the City of Rockwall.

X **Historical** **Requested funding amount $ ~~15,900~~ 2500**
Providing historical restoration, preservation, programs and encouragement to visit preserved historic sites or museums located in the City of Rockwall.

2. Briefly state the purpose of your organization/mission statement:

Mission Statement: RCHF, maintaining that the past should be preserved for the future, encourages the restoration, education and recognition of significant places and people, thus allowing all to enjoy the treasure that is our past.

3. Does your organization have paid staff?
Yes # Full-Time 1 # Part-Time

4. Does your organization use volunteers?
Yes Approximately how many? 15

5. Is the event/program that the organization is requesting Hotel Tax funds held in/on City-owned property?
Yes Name location: Harry Myers Park

If you are holding your event in/on city-owned property, the City may, in lieu of funds, donate the cost of the facility/property rental for that event.

6. Will your event be held in *"The Downtown"* or adjacent to *Lake Ray Hubbard*?
N/A Name location:

7. Will your organization provide special event insurance coverage for the event/program if held on City property?
N/A Name of Insurance Company:

8. List all other sources of funding your organization receives for this event. Include event budget (use the required budget form attached).

Valspar Paint Company has donated 27 gallons of Valspar "Reserve" Paint for this project.

9. List the programs, activities, exhibits, or event for the upcoming fiscal year (Oct. 1, 2014-Sept. 30, 2015) that the requested Hotel funding will support partially or in full.

Museum, Tenant Cabin and outhouse: repair and painting ($15,900 bid attached)
Paint donated by Valspar Paint Company: 27 gal. Valspar Reserve Ext. Paint

10. Provide 3 years attendance history for the above listed programs, activities, exhibits or event in #9 above.

Event	Year	Event Duration (in Days)	Audience Size	# of Attendees in hotel rooms
Museum Visitors	2012	110	466	?
Museum Visitors	2013	110	463	?
Glimpse of the rock wall (Bus picked up at Museum)	2013	1	135	?
Museum Visitors	2014	110	736	8*
Geocache** (at Tenant Cabin)	3 yr ave	365	72	?

11. How do the requested budget expenditures meet the definition of the categories marked in #1? Advertising/Tourism, Arts, Historical

Historical: RCHF Museum, one of the oldest remaining structures in the City, is home to an extensive, growing collection of significant artifacts and memorabilia. 2014 Founders Day at the Park showcased Living History Exhibitors at the Museum grounds and hands-on activities of life in early Rockwall. A total of 215 reported visiting on Geocache website since inception. (**Others may have located Geocache but not logged in to register visit on-line.)

12. What specific market will you target with the event/program's marketing plan? Attach up to 3 examples and evidence of marketing area and readership (Label Exhibit C).

School aged children who tour the Museum are given a copy of RCHF coloring book depicting history from Indians and early settlers to recent events. Middle school students are required to visit a Museum and write a paper about a segment of life represented. These efforts are designed to engage young people in an interest in history. Photography classes and many professional photographers continually use the property to take pictures. Founders Day, May 16, 2015, will be held in Harry Myers Park and will be advertised in national and local media print and online outlets to attract additional visitors to the Museum grounds and Living History Exhibits.

123

13. Describe in detail how your event/program will promote tourism and the hotel industry in Rockwall.

Increased interest in viewing our unique rock wall is attracting more out of area visitors to Rockwall and the Museum as a result of the History Channel2 presentation in 2013. *Beginning in the summer of 2014, visitors began reporting on overnight stays in hotels. Out of state visitors arrived from twelve states. The most FAQ is "where can we see the rock wall?" December, 2014 Brown Bag lecture, "The Rock Wall Revisited" attracted the largest group of attendees to our lectures.

14. Describe the organization's long-term plan (3-5 year) in regard to the program/ event that funds are being requested.

As our display of artifacts is enhanced, increased interest is encouraged by new postings on our website, local publications, and Facebook. ***It is imperative that the Museum and out buildings be maintained to provide a suitable showcase.*** RCHF continues to support efforts to make viewing a portion of the rock wall available to the public on a permanent basis. In the meantime, RCHF is communicating with the City and certain land owners, to *re-create a portion of the rock wall on Museum grounds* using rocks from actual rock walls. When this project is completed, additional advertising will be set in motion.

15. The City of Rockwall must require segregated accounting of its Hotel funds. Organizations must maintain and account for revenue provided from the tax authorized by section 351.101(a) within one of the two options listed below.

a) Separate checking account without combining with any other revenues or maintained in any other bank account or

b) Maintain a line item accounting, whereby the Hotel revenues may not be combined with any other revenues or expenditures. The funds may be maintained in the same bank account, provided they are reported as a separate line item in the organization's budget. Interest earned on the Hotel revenues must be used to support the event/program as well.

Will the organization be able to segregate the accounting process in either a) or b) above? Yes

16. Provide all of the following documentation with this application and label each as outlined below.

Exhibit A	Proposed budget for each event/program using attached form
Exhibit B	Letter of determination certifying federal tax exempt 501(c)(3) status
Exhibit C	Examples and evidence of marketing area and readership (limit 3)
Exhibit D	List members of the governing body including name, position, mailing address and phone number

124

We certify, to the best of our ability, that the information in this application, including all exhibits and supporting documentation is true and correct to the best of our knowledge. It is understood and agreed that any funds awarded as a result of this application will be used for the purpose set for herein and the program guidelines.

Toll Free Telephone Number: 1-877-829-5500

Dear Taxpayer:

This is in response to your Dec. 04, 2014, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in October, 1980.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

ROCKWALL

Remembering t

Residents look back on life in county through the years

By LIZ FARMER
lfarmer@neighborsgo.com

Before Martha Joe Bailey Zuspann was born 100 years ago, her father had a home built one block away from Rockwall's downtown square with a porch looking out onto Goliad Street.

Other homes, churches and family owned businesses fanned out around a courthouse, then made of local sandstone, but the majority of people lived and worked on the surrounding farmland.

In 1900, there were more than 1,000 farms in Rockwall County, according to the Handbook of Texas Online.

Although residential and commercial development has altered much of the landscape in Rockwall today, some of the original structures remain.

Jan Johnson, 73, works to preserve Rockwall's history.

For Rockwall native Jan Johnson, 73, it's important that those sites be maintained and people's firsthand accounts be recorded. They serve as a reminder of the struggles people used to face and the blessings residents now have, she said.

As a board member of the Rockwall County Historical Foundation and a previous member of the city's Historic Preservation Advisory Board, Johnson and other locals aim to remind the community, amidst a time of remarkable growth, of Rockwall's past as an agrarian town.

"I'm really very adamant about conserving the history of Rockwall," Johnson said. "You lose a lot when you lose history."

The house Zuspann lived in for her first 27 years remains standing and now serves as the offices for Dr. Ron Perkins Orthodontics. It's a reminder of when the roads were dirt, a movie cost a few cents and amenities were more difficult to come by.

Virginia Holt Vaughan, 86, who's lived in Rockwall most of her life, has a collection wall. Vaughan said her and her siblings would walk or be taken on a horse to the s

from the farms would travel by wagon into town each Saturday and stay all day.

"They parked on the square and then they just visited," she said. "They watched what happened, which nothing did."

Zuspann, who turned 100 Jan. 8, is one of a few people who can recall Rockwall as far back as the early 1920s and has family stories ranging back even earlier. Zuspann's father, Tite Bailey, died when she was 5. But his family, who were local business owners, left a

Martha Joe Bailey Zuspann's family left a

mother because she was s brave to bring up four girl by herself and that's hard and then women didn work," Zuspann said.

She had an office in th sandstone courthous which was built in 1892 an razed in 19[illegible] after the mo tar started to crumble, sai Carolyn Holt, curator of th

segregated at the time

Courtesy of ROCKWALL COUNTY HISTORI

The Rockwall County Courthouse, made of native sandstone, was built in the middle of the town square in 1892 fo according to *Images of America: Rockwall*. The sandstone courthouse was razed in 1941 after the mortar started said Carolyn Holt, curator of the Rockwall Historical Foundation Museum.

Rockwall County Historical Foundation
February 2015
Preserving the past for the future

Take me out to the ballgame!

Vintage Base Ball is coming back by popular demand! Frank Fite and his "rough and ready" Rockwall Retros will square off with the Farmers Branch Mustang ballists in a vintage base ball match on Sunday afternoon, April 19, at the RISD Campbell Softball/Baseball Complex at 900 Yellow Jacket Ln.

First pitch will be 1:00 pm. Concessions will be open at noon. Stop by for a hot dog and plan to watch this match played by historic 1860 rules when players did not wear gloves, the umpire did not call balls and fouls are not counted as strikes!

There is a whole list of early base ball terminology you will want to become familiar with to add "color" to the game!

Rain date is April 26.

Members recognized for outstanding service

Stephanie Bennett and Debbie Lawhon

Two Outstanding Individual Members were recognized at the Annual Meeting held at the Museum on January 11. Recipient for the 2014 Award was Debbie Lawhon, a long-time RCHF member, active contributing Board Member who also served as Treasurer and for the last seven years served as Curator of the Museum. Thank you, Debbie, for your many years of outstanding service to the Foundation, Museum and dedication to fulfilling our mission of preserving the past for the future, allowing all to enjoy the treasure that is our past!

The recipient for 2015 has not been a long-time member, but definitely made her presence known. Stephanie Bennett reached out to the Foundation when her husband was transferred to Rockwall several years ago. Not knowing anyone in town, she volunteered her time to assist us in any way necessary. Stephanie began transcribing our back-log of oral histories! Elected to serve as 3rd Vice President (in charge of Fundraising) in 2013, she brought fresh, new ideas to the Board that proved to be fun and successful fundraisers. Thank you Stephanie for proposing the Trivia Contest concept, implementing the Playing Cards project and very successful Glimpse of the Rock Wall!

You ladies ROCK!

PAINT THE TOWN!

A great big *THANK YOU* goes to Valspar Paint Company for a generous donation of the exterior paint necessary to paint the Museum, Tenant Cabin and Outhouse!

The grant will help preserve the historical structures that have been entrusted to the Foundation for the future. We truly appreciate the partnership of this national corporation with our local efforts.

The Rockwall County Historical Foundation and The Rockwall County Historical Commission present the Sheri Stodghill Lecture Series 2015

The Sheri Stodghill Lecture Series (formerly called Brown Bag Lecture Series) presents programs of historical interest from noon to 1 p.m. in the third floor courtroom at the historic downtown Courthouse in Rockwall. Lectures are free and open to the public. Mark your calendar and join us in "Getting to Know the Neighbors."

Friday, February 13 – ALL AROUND TOWN

Long time Rockwall resident Patty Canup, will share fond recollections of Rockwall County, including schools, Aluminum Plant, and generations of family heritage.

Friday, March 13 - FLORENCE RANCH and LAWRENCE HOMESTEAD

Established in the 1870s, these two THC landmark properties are representative of a step back in time. Florence Ranch on Barnes Bridge Rd. continued operation until 1976. The Lawrence family continually occupied their home place until 1995. Hear the rich history of both these active, civic minded families.

Friday, April 10 – TERRELL STATE HOSPITAL

In 1883, Terrell rancher and banker, Col Jim Harris, offered 672 acres for the location of a facility that would become known as North Texas Lunatic Asylum. Opening in 1885 with 330 patients, Terrell State Hospital continues to provide care for psychiatric needs of patients.

Friday, May 8 - DWIGHT DAVID EISENHOWER

Born in Denison, TX in 1890, the son of an MKT railroad worker, Eisenhower graduated from West Point and served as the Commanding General of the U. S. forces in the European theatre during WWII. "Ike" became the 34th President of the United States in 1953 and the first President born in Texas.

The lecture series resumes in September. Watch your mailbox for the September newsletter.

RCHF Museum open for tours during Rockwall's 4th of July Celebration

The Rockwall County Historical Foundation is pleased to announce, in conjunction with the special events planned at Harry Myers Park for the 4th of July Celebration, The Museum at Harry Myers Park will be open for visitors and conducting free tours on Friday, July 4th, 2014 for extended hours from 10am until 5pm. Regular museum hours are every Wednesday and Saturday from 10am - 2pm and by special appointment.

The Museum is housed in the historical 1850 Manson-LaMoreaux-Hartman House located on Washington Street at Harry Myers Park. The building is believed to be the first residential structure in all of Rockwall County. The Museum houses the most expansive collection of furnishings, photographs, and artifacts from the county of Rockwall dating back to the 1840's now available to the public.

This special 4th of July Exhibit will highlight the heritage of Rockwall County and the role of our hometown veterans from The Civil War, World War I and World War II. After exploring The Museum you are encouraged to roam the surrounding grounds of the Rockwall County Historical Foundation which include the popular "White Gazebo by the Pond," the sky-high windmill and antique water-pump located directly behind the museum, The Carriage House, the authentic Tenant Farmer's Cabin, and The Blackland Prairie Preservation Project featuring native grasses and flowers of the original settlers days. These expansive and breath-taking grounds are a favorite among photographers from all across the state of Texas, so bring your camera!

For more information, please contact the museum curator, Robin Shackelford at 972-722-1507.

Be sure to check out the Foundation's "Gift Shop" at www.rockwallcountyhistoricalfoundation.com/gift_store.htm

2014 Brown Bag

The Brown Bag Lecture Series is free and open to the public. All programs are from noon until 1 p.m. on the third floor courtroom at the historic courthouse in downtown Rockwall. All programs are related to topics of interest regarding Rockwall County history. For more information, call The Museum at 972-722-1507.

Fall schedule

September 12:
A Championship Remembered
Linda Duran and guests will show a recent video featuring the story of Rockwall High School's 1963 State Championship football team and present personal recollections. The video features new footage and the exciting story of this championship season.

October 10: ***Talking Tombstones***
Residents from Rockwall's past come to life to tell their own stories.

November 14: ***A Full Deck: Photos featured on the RCHF playing cards***
This program features the photos that will appear on the RCHF's playing cards (the deck is being produced as a fundraiser for the Foundation.) Lots of photos and interesting stories!

December 12: ***The Rock Wall Revisited: re-examine the history of the rock wall.***
This popular annual program will re-examine the history of the rock wall and the developments since the History Channel's airing of the America Unearthed episode featuring Rockwall's unique underground formation.

Farmers Lament

Despite our best efforts, the cotton crop is nonexistent this year. We are so disappointed! The City kindly prepped the plot. Carolyn Francisco and I planted cotton seeds in 10 raised rows. A gully-washer followed 3 days later. Virtually no seeds germinated. Our conclusion is that one or more things happened: the rain washed the seeds away, the seeds were too old, the plot had been used too many times (3), OR some elf had come along and swiped each seed. It certainly wasn't anything WE did.

Watch for a bumper crop next year, folks and appreciate what our fore farmers dealt with each season. ~ *Jan Self*

PO Box 916, Rockwall, TX 75087

Need museum information:
Call 972-722-1507.
Museum drop-in-hours:
Wed. & Sat. 10 am to 2 p.m.

The Rockwall County Historical Foundation Museum is housed in the Manson-LaMoreaux-Hartman House located at 901 E. Washington Street in Harry Myers Park. The museum is open to the public Wednesdays and Saturdays from 10 a.m. - 2 p.m., and by appointment. Admission is free.

If you would like to be removed from the Newsletter mailing list please call 972-722-1507

Planning a Blast for Fall Fundraiser

Fasten your seat belt folks, RCHF is going to BLAST to the PAST!!!

We have organized a trivia contest in which Rockwall native team captains Dana Macalik, Lucinda Rogers and Billy Self and their chosen team members will be quizzed about Rockwall County by moderator (and soon to be County Judge) David Sweet. Macalik, Pullen and Self will be putting their noses to the grindstone n preparation for the three categories of questions that will be presented: Municipal Progress, Agrarian Heritage and lake Lore.

Save the date and plan to attend — it'll be fun, we'll raise money for our Museum efforts, and you'll learn stuff! Thursday, November 20th @ 6:00 p.m. at the Rockwall High School Cafeteria Annex. Dinner will be prepared and served by award-winning RHS students of Cody Hayes.

Repeat announcements are forthcoming. The public is invited but reservations must be made.

Museum notes of interest

ALL HANDS ON DECK!!! Doug and Connie Rogge came to the rescue — repairing and repainting the porch at the Tenant Cabin. Thank you for your generous donations of time and energy. You two make an awesome team!

A NIGHT AT THE MUSEUM is scheduled for September 18, 2014 at 6 p.m. Please join us to welcome our new museum curator, Robin Shackelford. Robin began in early June as Debbie Lawhorn retired after faithfully serving over 7 years as our Curator. Robin has a degree in Art History, a love of history in general, and specifically Rockwall history. You will enjoy getting to know her, just as we board members have. Her energy and enthusiasm are contagious — come and meet and greet Robin.

A repeat BUSINESS AFTER HOURS will be hosted by the RCHF Board of Directors on October 9, 2014, 5:30-7:30 p.m. at the Museum for fellow members of the Chamber of Commerce community. Our previous function was such a success that we want to show off revamped exhibits. Also, because October is Archeology month, we anticipate having additional information/displays available that showcase Rockwall's unique archeological history.

CITY OF ROCKWALL, TEXAS
FIRE DEPARTMENT
MEMORANDUM

DATE: **February 18, 2015**

TO: **Rick Crowley, City Manager**

FROM: **Mark Poindexter, Fire Chief**

SUBJECT: **Structure Fire**

The Fire Department responded to a report of a structure fire at 6111 Volunteer Place in Chandlers Landing on February 17, 2015. Dispatch stated they were receiving multiple reports of fire coming from the roof near the fire place. The first unit on scene reported heavy fire coming from the roof on the Alpha side. The firefighters began an offensive attack and found fire throughout the second story attic. They were not able to access the fire above the den area. The den was located on the first floor and the concealed den attic was at rafter level of the second story. After a short time, decision was made to change from offensive to a defensive attack and use the ladder truck water tower to control the attic fire. After the fire was knocked back down, the firefighters resumed the offensive attack. The fire was finally brought under control at 20:07:04. The structure had fire damage to roof, attic and small area of second story. The entire structure and contents received heavy water and smoke damage. There were no civilian injuries and no firefighter injuries were reported on this incident. The fire is still under investigation but the preliminary investigation appears to be accidental.

Dispatch time:	18:55.28
Enroute time:	18:56.28
On scene time:	19:01.33
Clear time:	22:56.27
Back in service time:	23:31:59

4 men on scene: Not reported
8 men on scene: Not reported
12 men on scene: Not reported

We had 5 on duty paid Firefighters, 5 Emergency call-back paid Firefighters, 1 part-time Firefighter, 18 Volunteers, 2 Fire Investigators, 2 Chiefs and 3 apparatus on this incident. This was a total of 33 fire personnel on scene.

AGENDA
ROCKWALL CITY COUNCIL
Monday, April 20, 2015
4:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

II. WORK SESSION

III. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding legal matters related to land lease operations at Ralph Hall Municipal Airport pursuant to Section 551.071 (Consultation with Attorney).
2. Discussion regarding deliberation of appointment of public officer to North TX Municipal Water District Board, pursuant to Section 551.074 (personnel matters).
3. Discussion regarding incentives to tenured employees and possible legal issues pursuant to Section 551.074 (Personnel Matters) and Section 551.071 (Consultation with Attorney).
4. Discussion regarding legal claim related to back up of city sewage line in Random Oaks Subdivision pursuant to Section 551.071 (Consultation with Attorney)
5. Discussion regarding legal claim: Jack R. Athey vs. Rockwall Police Chief Mark Moeller, Rockwall County Emergency Services Corporation, and the City of Rockwall pursuant to Section 551.071 (Consultation with Attorney)
6. Discussion regarding the Animal Services Shelter and Adoption Services Agreement between the City of Rockwall and Collin County Humane Society pursuant to Section 551.071 (Consultation with Attorney).
7. Discussion regarding City Manager's performance evaluation and contract pursuant to Section 551.074 (Personnel Matters) and Section 551.071 (Consultation with Attorney)

IV. ADJOURN EXECUTIVE SESSION

7. Discussion regarding City Manager's performance evaluation and contract pursuant to Section 551.074 (Personnel Matters) and Section 551.071 (Consultation with Attorney)

XIV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

XV. ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 771-7700 or FAX (972) 771-7727 for further information.

The City of Rockwall City Council reserves the right to adjourn into executive session at any time to discuss any of the matters listed on the agenda above, as authorized by Texas Government Code § 551.071 (Consultation with Attorney) § 551.072 (Deliberations about Real Property) § 551.074 (Personnel Matters) and § 551.086 (Economic Development)

I, Kristy Ashberry, City Secretary for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 17th day of April, 2015 at 4:00 p.m. and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

Kristy Ashberry, City Secretary — Date Removed

Jacky Casey, Assistant Secretary

Rockwall, Texas

Proclamation

Whereas, today's society finds more citizens involved in motorcycling on the roads of our country; and

Whereas, motorcyclists are roughly unprotected and are much more likely to be injured or killed in a crash than other vehicle drivers; and

Whereas, campaigns have helped inform riders and motorists alike on motorcycle safety issues to reduce motorcycle related risks, injuries, and most of all fatalities, through a comprehensive approach to motorcycle safety; and

Whereas, it is the responsibility of all who put themselves behind the wheel to become aware of motorcyclists and to regard them with the same respect as any other vehicle traveling the highways of this country; and

Whereas, we urge our community to be aware of the inherent dangers involved in operating a motorcycle and for drivers to give motorcyclists the respect on the road they deserve;

Now, Therefore, I, Jim Pruitt, Mayor of the City of Rockwall, Texas, do hereby proclaim **May 2015** as:

Motorcycle Safety & Awareness Month

In the City of Rockwall and urge all citizens to do their part to increase safety and awareness of motorcyclists in and around our community.

In Witness Whereof, I hereby affix my official hand and seal this 20th day of April, 2015.

_____

Jim Pruitt, Mayor

Rockwall, Texas

Proclamation

Whereas, in February, Governor Greg Abbott issued a proclamation declaring April 12-18 as "Public Safety Telecommunicators Week" in the State of Texas; and

Whereas, this State proclamation recognizes the diligent efforts of 9-1-1 operators, dispatchers and other communications specialists throughout the State; and

Whereas, men and women who serve in this capacity are "unseen first responders," providing critical assistance to callers in times of great need; and

Whereas, 9-1-1 dispatchers work in an environment that is often high-paced and stressful, being called upon to utilize their specialized skills and training to make split second decisions, which, at times, could mean the difference between life and death; and

Whereas, the City of Rockwall would like to recognize and applaud its own dispatch personnel for the stellar job each of them performs to ensure the safety and wellbeing of our residents.

Now, Therefore, I, Jim Pruitt, Mayor of the City of Rockwall, Texas, do hereby proclaim April 20, 2015 as

9-1-1 DISPATCHER APPRECIATION DAY

in the City of Rockwall and urge all citizens to take time to thank these staff members for their dedication and hard work towards protecting and serving both our citizens as well as our Police and Fire Departments.

In Witness Whereof, I hereunto set my hand and official seal this 20th day of April, 2015.

_____

Jim Pruitt, Mayor

THIS PAGE INTENTIONALLY LEFT BLANK

12

Rockwall, Texas

Proclamation

Whereas, the National Animal Care and Control Association designated April 12-18, 2015 as "Animal Control Officer Appreciation Week" in the United States; and

Whereas, this annual designation allows local entities an opportunity to show pride and appreciation for the important services provided by Animal Control Officers working in their communities; and

Whereas, Rockwall's Animal Control Officers devote a large amount of time to help ensure the welfare of helpless animals and pets that may be rescued from injury, disease, abuse and starvation; and

Whereas, among other duties, Rockwall's Animal Control Officers work diligently to protect the public from the dangers associated with things like 'at large' animals, biting animals, or nuisance animals such as squirrels or skunks that may otherwise wreak havoc on someone's personal property; and

Whereas, while work performed by Animal Control Officers is often "behind the scenes," and it may seem like a "thankless job," the City of Rockwall wishes to express its sincere appreciation for the work these individuals perform, day in and day out.

Now, Therefore, I, Jim Pruitt, Mayor of the City of Rockwall, Texas, do hereby proclaim April 20, 2015 as

ANIMAL CONTROL OFFICER APPRECIATION DAY

in the City of Rockwall and urge all citizens to applaud and recognize our Animal Control Officers for their dedication and hard work towards protecting and serving both the animals and our citizens.

In Witness Whereof, I hereunto set my hand and official seal this 20th day of April, 2015.

14

MINUTES
ROCKWALL CITY COUNCIL
Monday, April 06, 2015
4:00 p.m. Regular City Council Meeting
City Hall - 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pruitt called the meeting to order at 4:00 p.m. Present were Mayor Jim Pruitt, Mayor Pro Tem Dennis Lewis and Council Members David White, John Hohenshelt, Scott Milder, and Bennie Daniels. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Brad Griggs and City Attorney Frank Garza. Council Member Mike Townsend was absent from the meeting.

II. WORK SESSION

1. Hold work session to discuss status of state roadway projects, local roadways and other public works projects, and take any action necessary.

City Engineer, Tim Tumulty, came forth and briefed the city council on the status of various current and future state roadway projects affecting the City of Rockwall. Regarding the IH-30 / FM-3549 interchange – the expected date for construction to begin is around June of this year, and it is a TXDOT project. The expected timeframe for completion, after the construction begins, is about two years. This project will route IH-30 over FM-3549. Regarding the SH-276 project from SH-205 to FM-549, it will be a six-lane project, and four lanes will be built in the first phase. This is one of two projects for which Rockwall County received funding from the State of Texas Proposition One Funding source. This project is scheduled for funding in the year 2018, and it will likely be bid in late 2017. This project is about 60% designed already. The next project, FM-3549 Rehab Project, which starts at SH-66 and goes up to FM-552 (a little under 4 miles), and it is a 'rehab' projects. The asphalt will be removed and the shoulders will be expanded. The project was just bid, and construction will likely start sometime around June of this year. Regarding the next project, which is the FM-3549 project from IH-30 to SH-66, this will end up being a four lane / divided roadway. Their bid date is January 2017, and TXDOT is about 30% into the process associated with this project. This project is the other one of the two for which Rockwall County was able to secure funding from the State of Texas Proposition One Funding source. Mr. Tumulty went on to explain that the existing IH 30 ramps near the intersection of SH-205 will end up being reconfigured such that drivers, for example going eastbound on IH-30, will be able to actually exit and access John King instead of having to exit at SH-205 and proceed through the intersection before driving east on the service road to John King. Also, going westbound, drivers wanting to go westbound on IH-30 will be able to enter IH 30 prior to SH 205 so that they don't have to proceed through the IH 30/SH-205 intersection in order to enter onto IH-30. These changes will hopefully help alleviate some of the congestion at this existing intersection.

Regarding the SH-66 interim project, the project limits will be from the Rockwall County Line to the intersection of John King. The asphalt will be stripped and a new surface put down. In addition, turn lanes will be added at the John King intersection and the FM-3549 intersection. March 2016 is the target timeframe for bidding the project. Regarding

the alignment of the permanent project, it will be a four-lane divided roadway from SH 205 to John King, and then it would be a six-lane concrete, divided roadway for the remainder of the project. It is estimated to cost $96 million, and there is no funding and no estimated timeframe for construction at this time.

Regarding FM-549 Rehab Project from SH-276 to SH-205, TXDOT is estimated to bid the project around June of this year. The pavement surface will be removed and shoulders will be added, followed by a new surface overlay. Also, this project will include improvements along FM-1139 from FM 549 back to the east and connecting into FM-550. Left turn lanes will be added along SH 205 at both connections to FM 549 in order to help alleviate traffic congestion along SH 205 and increase traffic flow.

Regarding FM-549 from SH-276 to SH-205, TXDOT is looking to widen it from a two-lane asphalt to a six-lane divided concrete roadway. However, they are currently studying the traffic counts to see if it really does need to be six lanes, or if four lanes would suffice.

Another project that is in process is adding a westbound on-ramp to IH-30 between Ridge Road and FM-740/Horizon. Staff has selected an engineer and is going through negotiations right now. This project was previously approved by voters, and it is a badly needed project. It is expected that this project would take about nine months to complete after construction starts.

Regarding SH-205 from US 78 in Lavon all the way down to US 80 in Terrell, TXDOT is scheduled to have a kick-off meeting on April 14th with the affected communities. The City of Rockwall is concerned about the area of the road that approaches the downtown area.

City Manager Rick Crowley provided a history of when and for what purpose John King Boulevard was constructed. It was anticipated that it would be a future re-route for SH-205. However, Mr. Crowley explained, after John King was designed, TXDOT's standards for roadways drastically changed, so the design of John King does not meet TXDOT's design standards for having traffic routed onto it off of SH-205. He then went on to explain the potential pros and cons of having John King be a re-route for SH-205. He indicated that this possibility might be something the city could bring up to and explore with the engineering consulting firm, Halff Associates, who will be evaluating the SH-205 project. Indication was given that the North Central TX Council of Governments (NCTCOG) is currently studying this area to see if four or six lanes will be needed on SH-205 just north of downtown. Mayor Pruitt indicated that John King Boulevard was built and was always intended to serve as a bypass for SH-205. If it were to become the route for SH-205, then the existing portion of SH-205 that runs through the downtown area would be turned over to the city and would be maintained and managed by the city. Mayor Pruitt asked if the city council members would like staff to pursue encouraging TXDOT to consider John King as a bypass route for SH-205. General consensus was given to staff by city council members that the city council would like staff to pursue encouraging TXDOT to route traffic off of SH-205 onto John King Boulevard.

Mr. Tumulty provided an update on the last project - FM-3097 to FM-740 to Tubbs Road. This project is a TXDOT project where it will be widened from a two-lane asphalt to a four-lane, divided roadway. It was bid back in September of 2014. The city participated in the cost of this project in an amount of $900,000. The state anticipates beginning

construction in June, and it will be a three phase project that will take about two years to complete.

Mr. Tumulty next briefed the city council on the status of Rochelle Road, which is partially abutting the city limits of Rockwall and partially abutting the City of Fate jurisdiction in between IH-30 and SH-276. He explained that the city's portion of the roadway is gravel, and the City of Fate's portion is asphalt. It was clarified that no city development, including no commercial, retail or residential homes, are currently located along this roadway. A portion of the roadway is located in a 100 year floodplain zone. So, depending on how heavy rainfall may be, at times the roadway may need to be shut down periodically due to flooding and associated safety concerns. If Rochelle Road were to be entirely re-done/re-built, it would likely cost about $7 million for the City of Rockwall and just over $4 million for the City of Fate's portion.

Mr. Tumulty next discussed a drainage / erosion problem that was brought to the city's attention by a homeowner who lives adjacent to the project, Mr. Bob Carroll. He explained that the problem is located downstream at Emerald Bay where the creek makes a sharp turn. He shared that rough estimates indicate it would cost the city about $195,000 to build a wall to try and mitigate the drainage / erosion problem that is slowly migrating towards Mr. Carroll's and his neighbor's homes. Should the council choose to move forward with making this repair, the money to do so could be taken out of reserve funds, or it could be considered for inclusion in the future fiscal year's budget. Mr. Crowley indicated that staff will reevaluate the engineering and firm up the costs a little more before bringing a proposal and associated options back to the city council for consideration at a future meeting.

Mayor Pruitt then read the below listed discussion items into the public record before recessing the meeting into Executive Session.

III. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding appointments to city's regulatory boards, including the Board of Adjustments, pursuant to Section 551.074 (Personnel Matters)
2. Discussion regarding Economic Development incentives, procedures and possible projects pursuant to Section 551.087 (Economic Development)
3. Discussion regarding proposed development and possible vesting issues under Chapter 245 Local Government Code pursuant to Section 551.071 (Consultation with Attorney).
4. Discussion regarding City Manager performance evaluation pursuant to Section 551.074 (Personnel Matters).

IV. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 5:53 p.m.

V. RECONVENE PUBLIC MEETING

Mayor Pruitt reconvened the public meeting at 6:00 p.m. with all council members present except for Mike Townsend, who was absent.

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

No action was taken as a result of Executive Session at this time.

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – MAYOR JIM PRUITT

Mayor Pruitt delivered the invocation and led the Pledge of Allegiance.

VIII. PROCLAMATIONS / AWARDS

1. Austin Cory Eagle Scout Recognition
2. Bryce Fuller Eagle Scout Recognition
3. Caleb Bailey Davis Eagle Scout Recognition

Mayor Pruitt called each Boy Scout forward and read and presented each one with an honorary proclamation to commemorate their achieving Eagle Scout rank.

IX. OPEN FORUM

Mayor Pruitt explained how Open Forum is conducted and asked if anyone in the audience would like to come forth and speak during this time.

Michael Kropp
1950 Creekside Drive
Rockwall, Texas

Mr. Kropp indicated that he has lived in Rockwall for ten years. Prior to this year, he led a 9U/7U baseball league of teams that played in Rowlett, but he moved both of his teams to Rockwall when the City of Rockwall took over and began a baseball league. He generally expressed disappointment his teams and other similar teams not playing. He indicated that his two teams began playing in February, and they have only played two games. While he understands that it has rained a lot lately, he is disappointed that his teams are not playing and the eight fields are not being better maintained. He encouraged the city to buy land and build additional playing fields and to consider planning for the future.

Al Crump
2295 Falls View Drive
Rockwall, Texas

Mr. Crump expressed that he is a resident of Rockwall and has lived her for over twenty-five years. He is a large 'fan' of Rockwall; however, he approached the city about a year ago about a broken median near the intersection of Ridge Road and North Goliad that the state finally fixed just recently. He had also previously expressed concern about winter sand being left on the roadway's curb areas after the season. He believes it is an eyesore and problematic for storm drains. He believes street sweeping is a good idea and would be met with positive feedback from citizens. He mentioned he used to be in the street sweeping business. In addition, he would like the city to entice more medium

and small sized businesses to come to Rockwall. He has heard stories about some businesses trying to come to Rockwall, but they could not get approved for the incentives they were asking for, so were subsequently turned down. He expressed that he would like to be more involved with economic development in the city. He is overall concerned is the overall appearance of the city, expressing he does not feel it is as clean as it used to be.

Mike Marler
P.O. Box 449
Peyton, CO 80831

Mr. Marler indicated that his permanent residence is in Colorado; however, he is often in Texas and the Rockwall area for work. Mr. Marler commented that he used to work in insurance in Colorado Springs for many years. He indicated that, even if there is no requirement to carry liability insurance on a golf cart, it would not relieve the operator from responsibility if bodily injury occurred.

He went on to explain that his 2006 Ford Super Duty truck was stolen from the Value Place Inn back in January in Rockwall, and it was recovered some time later near Greenville. Last week, someone again attempted to steal his truck by popping a device into the keyhole. He indicated that after it was stolen in January, he purchased an anti-theft device on the ignition, so, as a result, the person who tried to steal it this time was unable to do so because they could not start the engine. He explained that he has a lot of frustration with this because Texas is the number two state in the U.S. for stolen vehicles. He indicated that for a city to ignore problems associated with vehicle theft is to perpetuate the 'border problem.' He suggested that Rockwall consider placing bait vehicles around the city that are equipped with electrical and fuel shut-off capabilities in order to send the message to thieves – "don't steal a vehicle in Rockwall."

X. CONSENT AGENDA

1. Consider approval of the minutes from the March 16, 2015 regular city council meeting, and take any action necessary.

2. **Z2015-007** - Consider approval of an **ordinance** for a request by Kevin Carr of GearHeads Hot Rod Garage for the approval of a Specific Use Permit (SUP) to allow truck rental in conjunction with an existing minor automotive repair garage on a two (2) acre tract of land identified as Tract 23-01 of the R. Irvine Survey, Abstract No. 120, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 3920 E. IH-30, and take any action necessary. **(2nd reading)**

3. **Z2015-008** - Consider approval of an **ordinance** for a request by Herman Douglas Utley for a zoning change from an Agricultural (AG) District to a Single Family Estate 2.0 (SFE-2.0) District for a 4.502-acre tract of land identified as Tract 1 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass (SH-205 BY OV) District, addressed as 1815 E. Quail Road, and take any action necessary. **(2nd reading)**

4. **Z2015-009** - Consider approval of an **ordinance** for a request by Chris and Jill Blasé for a Specific Use Permit (SUP) for a detached garage that does not conform to the requirements as stipulated by Section 2.1.2, Residential and Lodging Use Conditions, of Article IV, Permissible Uses, of the Unified Development Code for a 4.05-acre parcel of land identified as Lot 1, Block 1, Blasé Addition, City of Rockwall, Rockwall County, Texas, zoned Single Family 10 (SF-10) District, addressed as 1220 East Fork Drive, and take any action necessary. **(2nd reading)**

5. **P2015-011** - Consider a request by Duane and Jenifer Piercy for the approval of a final plat for Lot 1, Block A, Piercy Place Addition being a 1.21-acre tract of land identified as Tract 21 of the R. Ballard Survey, Abstract 29, City of Rockwall, Rockwall County, Texas, zoned Single Family 7 (SF-7) District, situated west of the intersection of Hartman Street and Renfro Street, and take any action necessary.

6. Consider authorizing the City Manager to execute a contract extension with 3-D Mowing for right-of-ways and forced mowing services in the amount of $40,291 to be funded through the Parks Operations, Grounds Maintenance Budget, and take any action necessary.

7. Consider authorizing the City Manager to execute a purchase order to Freedom Dodge for a 2015 Dodge Charger with new equipment for the Police Patrol Traffic Division in an amount not to exceed $36,000 to be funded from the General Fund, Police Operating Budget, and take any action necessary.

Councilmember White made a motion to approve the Consent Agenda (#s 1, 2, 3, 4, 5, 6 and 7). Councilmember Daniels seconded the motion. The ordinances were read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-10
SPECIFIC USE PERMIT NO. S-135

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A TRUCK RENTAL FACILITY IN CONJUNCTION WITH AN EXISTING MINOR AUTOMOTIVE REPAIR GARAGE, BEING A 2.0-ACRE TRACT OF LAND, ZONED LIGHT INDUSTRIAL (LI) DISTRICT AND IDENTIFIED AS TRACT 23-01 OF THE R. IRVING SURVEY, ABSTRACT NO. 120, AND LOCATED AT 3920 E IH-30, , CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND MORE SPECIFICALLY DEPICTED IN EXHIBIT 'A'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

CITY OF ROCKWALL
ORDINANCE NO. 15-11

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 04-38] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED

SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURE (AG) DISTRICT TO A SINGLE-FAMILY ESTATE 2.0 (SFE-2.0) DISTRICT FOR A 4.502-ACRE TRACT OF LAND IDENTIFIED AS TRACT 1 OF THE S. R. BARNES SURVEY, ABSTRACT NO. 13, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

CITY OF ROCKWALL
ORDINANCE NO. 15-12
SPECIFIC USE PERMIT NO. S-136

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [ORDINANCE 04-38] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) TO ALLOW FOR A DETACHED GARAGE THAT DOES NOT CONFORM TO THE REQUIREMENTS AS STIPULATED BY SECTION 2.1.2, RESIDENTIAL AND LODGING USE CONDITIONS, OF ARTICLE IV, PERMISSIBLE USES, BEING A 4.05-ACRE PARCEL OF LAND, ZONED SINGLE-FAMILY RESIDENTIAL (SF-10) DISTRICT, AND IDENTIFIED AS LOT 1, BLOCK 1, BLASÉ ADDITION, AND LOCATED AT 1220 EAST FORK DRIVE, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND MORE SPECIFICALLY DEPICTED IN EXHIBIT 'A'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 6 in favor with 1 absent (Townsend).

XI. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Mr. LaCroix indicated that neither the Chairman nor the Vice Chairman of the Planning & Zoning Commission was able to attend the meeting this evening. Therefore, this item was not discussed, and no action was taken as a result of this item.

2. Appointment with representatives of the Stone Creek subdivision for discussion regarding golf carts, and take any action necessary.

Mr. James Smith
609 Amherst Drive
Rockwall, TX 75087

Mr. Smith came forth and indicated that he lives in the Stone Creek subdivision, and he has some concerns about the use of golf carts within his neighborhood. After doing extensive research of state and local laws, he has come to understand that state law allows for golf carts to be utilized within his neighborhood, and he was unable to find any location regulations. He explained that a lady living in his neighborhood would like to purchase and begin using a golf cart, but she does not want to do so only to find out that perhaps she is not legally able to do so. Furthermore, he is concerned about someone who is driving a golf cart getting run over by those driving vehicles. He would like to appeal to the city to add additional regulations that would make golf cart use safer in neighborhoods.

City Attorney Frank Garza indicated that the City of Rockwall can develop local ordinance regulations to regulate golf carts on city streets, including prohibiting them on major roadways. It would be up to the city council to decide to what extent they would like to regulate the use of golf carts and how specific they would like the regulations to be.

Brief discussion took place between Councilmember Daniels and Police Chief Mark Moeller concerning 'street legal' neighborhood electric vehicles.

Councilmember Milder expressed that he is in favor of at least placing an age restriction on operation of golf carts (that you have to have a valid driver's license).

Mr. Smith went on to share information that he came across in an Attorney General's Opinion - GA0966, dated September of 2012 – that speaks to use of golf carts within "master planned communities" and the state law which seems to allow for their use in 'master planned communities.'

Mary Carter
661 York Drive
(Buffalo Creek subdivision)

Mrs. Carter came forth and indicated that she has lived in the Rockwall area since the early 1980's. She is aware of former Heath mayor, John Ratcliffe, getting an ordinance passed that calls for a golf cart driver to be a licensed driver in order to drive one. She encouraged the Rockwall city council to pass an ordinance placing specific and descript restrictions on golf cart use in subdivisions (i.e. one has to be a licensed driver and they are not allowed on sidewalks).

Mrs. Shirley Smith
609 Amherst Drive
Rockwall, TX 75087

Mrs. Smith suggested that all of the various regulations concerning the use of golf carts need to be made available to the public online in one location. She believes in having age restrictions that would disallow anyone under 18 years of age to operate golf carts. She also encouraged them to place a "slow moving vehicle" placard on the back of them as well as a six foot tall 'pole' with a neon flag to make them more visible.

Mr. Kevin Fowler
7115 Hunt Lane

Rockwall, TX

Mr. Fowler suggested that the city council may want to look into the golf cart policy currently in place within the Chandlers Landing subdivision, as he believes a lot of work went into its development, and it is a pretty sound policy.

Thomas Campion
108 Chaphill Drive
Rockwall, TX
(in Stone Creek subdivision)

Mr. Campion came forth and encouraged the city to initiate additional regulations and clarify for citizens what will and will not be allowed as far as golf carts and their operation are concerned. He encouraged the city to perhaps allow the vehicles within a neighborhood like Stone Creek but not on a major street. He is in favor of an age restriction. He feels the state regulations are ambiguous.

Mayor Pro Tem Lewis mentioned that he did make copies of the Chandler's Landing golf cart policy available to city council members for review. He believes it is mostly good; however, he disagrees with the age restriction of that particular policy being only fourteen (14) years old – he believes it should be higher.

Mayor Pruitt made a motion to instruct the city attorney to draft a model ordinance that has several different options for the city council to review and then have staff go and actually talk to residents to get their input before any passage / implementation of such regulations. Mayor Pro Tem Lewis seconded the motion.

Mr. Garza indicated that he believes the city could draft an ordinance to require that a golf cart driver have a valid driver's license; however, he does not believe the city could restrict it to only drivers 18 years or older. In addition, a golf cart being utilized on a public street is required to carry liability insurance.

Councilmember White asked staff to also research if liability insurance would be required for neighborhood electric vehicles and/or golf carts. Mr. Garza indicated that state law does require liability insurance; however, there are exceptions to this insurance requirement (being that it's being operated in a master planned community, is two miles from a golf course or on a golf course, on a public beach, etc.). Mr. Garza clarified that the HOA of a master planned community can place restrictions on golf cart usage if they so choose.

Mr. Garza explained that the city cannot restrict golf cart usage within two miles of a golf course going to and from a golf course, or they are in a master planned community. The city could, however, restrict their use elsewhere in the city. The city could place an age restriction in a master planned community, or elsewhere, regarding operation of golf carts. It was clarified that, according to the Texas Attorney General's opinion, a golf cart user does not have to carry liability insurance if they are operating it in a master planned community.

After lengthy discussion, the motion on the floor passed by a vote of 6 in favor with 1 absent (Townsend).

Mayor Pruitt then announced that he will be reopening "Open Forum" because there is a citizen who missed this opportunity earlier in the meeting but would like to come forth and speak.

XII. PUBLIC HEARING ITEMS

1. **Z2015-003** - Hold a public hearing to discuss and consider approval of an ordinance for a request by Cole Franklin of the Skorburg Company on behalf of the owner Larry Hance for a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 7 (SF-7) and General Retail (GR) District land uses for a 44.56-acre tract of land identified as Tract 3 of the T. R. Bailey Survey, Abstract No. 30, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (SH-205 BY-OV) District, located at the northwest corner of FM-552 and John King Boulevard, and take any action necessary. (1st reading) ***[The applicant has requested and been approved by the Planning and Zoning Commission to withdraw this case]***

Mayor Pruitt announced that the applicant has requested that this item be withdrawn. As a result, no discussion took place, and no action was taken.

2. **Z2015-010** - Hold a public hearing to discuss and consider approval of an ordinance for a request by Noah Flabiano of the Skorburg Company for a zoning change from Planned Development District 70 (PD-70) for limited commercial/retail land uses to a Planned Development District for townhomes on a 10.142-acre tract of land being identified as a portion of a larger 164.812-acre tract of land identified as Tract 3 of the S. King Survey, Abstract No. 131, City of Rockwall, Rockwall County, Texas, being zoned Planned Development District 70 (PD-70), situated within the North SH-205 Overlay (N-SH205 OV) District, generally located at the northeast corner of the intersection of E. Quail Run Road and N. Goliad Street [N. SH-205], and take any action necessary. (1st reading) ***[Requested postponement to the May 4, 2015 City Council Meeting]***

Mayor Pruitt announced that the applicant has requested that this item be postponed. Mr. LaCroix explained that this case will be on the Planning & Zoning Commission meeting agenda for April 28. It was indicated that postponement of this item was previously requested as well, so, this is the last possible postponement of the case. That being said, the council did not discuss this item further, and no action was taken at this time.

3. **Z2015-011** - Hold a public hearing to discuss and consider approval of an **ordinance** for a City initiated zoning request for the approval of a text amendment to Article IX, Tree Preservation, Section 11.1, Tree fund administration, of the Unified Development Code [Ordinance No. 04-38] for the purpose of modifying this section of the code, and take any action necessary. **(1st reading)**

Planning Director, Robert LaCroix, provided brief background information related to this agenda item. He indicated that the Planning & Zoning Commission has recommended approval of this change within the Unified Development Code. He generally explained that this change is associated with installing and sustaining landscaping that is donated

to the city by developers through the city's tree mitigation ordinance. It will allow for additional, perineal vegetation to be planted, in addition to trees. Furthermore, it will allow for labor to plant trees and vegetation as well as equipment and irrigation needed to plant and sustain the trees / vegetation.

Mayor Pruitt opened the public hearing and asked if anyone would like to come forth and speak during this time. There being no one indicating such, Mayor Pruitt then closed the public hearing.

Mayor Pruitt briefly shared some concerns that he heard expressed at the Planning and Zoning Commission meeting, mainly related to the use of funds collected (using funds for labor to plant trees, equipment to plant trees, etc. and a concern related to the various percentages that may be allocated to purchase trees, plant trees, for equipment, etc.). After brief comments, Councilmember White made a motion to approve the ordinance for Z2015-011. Mayor Pro Tem Lewis seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, BY AMENDING SECTION 11.1 OF ARTICLE IX, *TREE PRESERVATION*; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 6 ayes with 1 absent (Townsend).

XIII. ACTION ITEMS

1. Discuss and consider approval of a resolution related to the authority of private toll road corporations, and take any action necessary.

Assistant City Manager Brad Griggs provided brief background information related to this agenda item, indicating that Councilmember Daniels asked staff to look into this topic and place it on the city council for discussion and consideration.

After brief discussion, Councilmember Daniels made a motion to approve a resolution (shown on pg. 116 of the council packet), which supports all three proposed bills currently in the legislature. Councilmember White seconded the motion, which passed by a vote of 5 in favor, 1 against (Hohenshelt), and 1 absent (Townsend).

2. Discuss and consider a recommendation from the City Council's Hotel Tax Subcommittee regarding funding request from the Rockwall County Historical Foundation, and take any action necessary.

The Rockwall Historical Foundation would like to do some work to paint their property (historic house). They have requested money to help pay the paint contractor, as they have received the actual paint for free. The council subcommittee met and reviewed the request and has made a recommendation that the council consider approving their

request. Mayor Pruitt made a motion to approve the funding request in the amount of $1,500. Councilmember White seconded the motion, which passed by a vote of 6 in favor with 1 absent (Townsend).

XIV. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports
Building Inspections Monthly Report - February 2015
Fire Department Monthly Reports - February 2015
Harbor PD Monthly Report - February 2015
Internal Operations Department Monthly Report - February 2015
Police Department Monthly Report - February 2015
Recreation Monthly Report - February 2015
Rockwall Animal Adoption Center Monthly Report - February 2015
Rockwall County Meals on Wheels Senior Services Quarterly Report

2. City Manager's Report

Staff's implementation of additional volunteer opportunities is underway. Staff will be coming before the council at a future date to discuss and determine how representatives for neighborhoods that do not have HOAs will be chosen for him (the city manager) to meet with on a semi-annual basis. Programing has been secured and the city has been advertising holding live music from May through September on Friday and Saturday nights on San Jacinto Plaza. The Phelps Lake ribbon cutting has been rescheduled for Saturday, April 18 at 10:30 a.m. The Parks Department has submitted the grant application for the Breezy Hill neighborhood park. Lake levels of lakes that serve the City of Rockwall through the North Texas Municipal Water District have notably improved. Citizens of Rockwall will stay on a once every two week watering scheduled for the time being. The city's Household Hazardous Waste Day is scheduled for April 18th from 9AM to 3PM at the Service Center on Airport Road. Brief discussion took place related to a few fire calls in the Fire Department report which were shown as 'no incident found upon arrival at dispatch address.' No action took place related to this agenda item.

XV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding appointments to city's regulatory boards, including the Board of Adjustments, pursuant to Section 551.074 (Personnel Matters)

2. Discussion regarding Economic Development incentives, procedures and possible projects pursuant to Section 551.087 (Economic Development)

3. Discussion regarding proposed development and possible vesting issues under Chapter 245 Local Government Code pursuant to Section 551.071 (Consultation with Attorney).

4. Discussion regarding City Manager performance evaluation pursuant to Section 551.074 (Personnel Matters).

XVI. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

Mayor Pruitt reconvened the public meeting at 7:48 p.m. with all council members, except Mike Townsend (absent), being present.

Mayor Pro Tem Lewis made a motion to amend the City manager's contract per Executive Session discussion and bring the contract back before the city council for approval. Councilmember Milder seconded the motion. The motion passed by a vote of 6 in favor with 1 absent (Townsend).

Mayor Pro Tem Lewis made motion to appoint Allan Dennard to serve on the Board of Adjustments and Peter Flores to serve as an Alternate Member on the Board of Adjustments. Councilmember White seconded the motion, which passed by a vote of 6 in favor with 1 absent (Townsend).

XVII. ADJOURNMENT

The meeting was adjourned at 7:49 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS 20th DAY OF APRIL, 2015.

City of Rockwall
The New Horizon

TO: Rick Crowley

CC: Tim Tumulty, Public Works Director / City Engineer
Mary Smith, Assistant City Manager / Finance Director

FROM: Rick Sherer, Water/Wastewater Manager

DATE: April 10, 2015

SUBJECT: Sewer line repair

On January 3, 2015, the City's sewer department received a call from dispatch that a resident at the address of 1941 Random Oaks had a sewer stoppage. After the City's crew arrived and assessed the issue, it was determined, the City main was plugged with rocks. The rocks appeared to be the type used in concrete. In order to identify where and how the rocks entered the sewer system and eliminate the possibility of future problems, the City contacted Acme Utility. Acme Utility is an independent contractor that conducts television inspections of sewer lines. The video footage revealed that the damage to the line was the result of a contractor repairing a subdivision wall surrounding the Random Oaks Subdivision. At some point during construction, the contractor bored into the City sewer line. The bored hole was for a concrete pier to support the subdivision wall. The hole allowed concrete to enter into the sewer system.

With the pier and footing located over the pipe, a conventional repair is not an option. In order to make the necessary repair, the pipe repair must be done from inside the pipe. The proposed method of repair is cured-in-place-pipe lining (CIPP). CIPP lining is one of the several pipe rehabilitation methods available in trenchless technologies. CIPP is a preferred method of rehabilitating cracked, broken and failed sanitary sewer pipes.

The lining used in CIPP is a resin-saturated felt tube made of polyester with an exterior polyurethane coating. In this instance, the liner will be inserted from manhole to manhole. Once in place, the liner is inflated by air pressure to press the material against the existing pipe walls. When fully inflated, steam is circulated in the liner to start the curing process of the resin. CIPP liners are designed to be independently structurally stable, not relying on the host pipe for any structural strength.

The proposed repair is 110-feet of liner for an 8-inch pipe. The liner will be pulled from one manhole to another, which would not require any excavation. Attached to this memo are two proposals received by the City and pictures of the damaged pipe videoed by Acme Utilities.

The bids results are as follows:

Insituform Technologies LLC	$16,570.00
IPR South Central, LLC.	$26,750.00

The needed repair was not budgeted this year. Staff is asking Council to consider authorizing the City Manager to execute a contract with the low bidder, Insituform Technologies, LLC. And to amend the budget to allow an appropriation of $20,000 that would also allow a small contingency.

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **April 15, 2015**

SUBJECT: **Procedure for expenditures from Tree Fund**

Council is considering an ordinance amendment that will allow developer funds, required as a part of the Tree Preservation section of the Unified Development Code, to be used for expenses other than the purchase of the trees themselves. The ordinance in its current form does not allow the funds to be used for tree planting, other plant materials, irrigation systems for the trees or equipment needed to plant or transplant trees such as an auger.

The process to manage the expenditures is proposed in this way:

The department will request appropriation of funds each budget year in an amount sufficiently large enough to cover the expense of purchasing and planting trees and other plant materials with a contingency allowed since we can't tell how many will be planted each year.

The department will request appropriation of funds each budget year for equipment needed to accomplish the tree plantings. This equipment will be described in sufficient detail as other larger purchases are done in the budget.

The department will request an appropriation of funds each year to cover irrigation materials for the planted trees.

The offset to approved budget appropriations would be a transfer from the Special Escrow "Tree Fund" account to the General Fund as revenue.

In this way, the City Manager will propose the expenditure of funds and Council will be asked to consider approval through the budget process.

CITY OF ROCKWALL

ORDINANCE NO. 15-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, BY AMENDING SECTION 11.1 OF ARTICLE IX, *TREE PRESERVATION*; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, an amendment to the City of Rockwall's Unified Development Code [*Ordinance No. 04-38*] has been initiated by the City Council of the City of Rockwall to amend Section 11.1, *Tree Fund Administration,* of Section 11, *Tree Fund*, of Article IX, *Tree Preservation*, of the Unified Development Code [*Ordinance No. 04-38*]; and,

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the city's corporate boundaries, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That Section 11.1, *Tree Fund Administration,* of Section 11, *Tree Fund*, of Article IX, *Tree Preservation*, of the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended as specifically described in *Exhibits 'A'* of this ordinance.

Section 2. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 3. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 4. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 20TH DAY OF APRIL, 2015.

Article IX, Tree Preservation, of the Unified Development Code

Section 11. Tree Fund

Section 11.1. Tree Fund Administration.

The city shall administer the tree fund. The funds shall be used to purchase~~,~~ plant ***material as permitted by this ordinance, install (including the equipment or labor necessary to install the plant materials)*** and maintain trees on public property ***including the necessary irrigation equipment*** ~~***utilizing either city staff or contract labor***~~, to acquire wooded property that remains in a naturalistic state in perpetuity, to perform and maintain a city wide tree inventory and to educate citizens and developers on the benefits and value of trees. The city council shall have the ability to adopt alternative methods of creating tree credits and methods of distribution of trees and/or funds for purchasing trees.

Funds collected as a result of the mitigation of trees may be used to purchase trees, both deciduous and coniferous, any woody type plant or any perennial appropriate for the climatic conditions of the north Texas region.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 4/20/2015

APPLICANT: Chase Finch, *Corwin Engineering, Inc.*

AGENDA ITEM: **P2015-012**; *Breezy Hill, Phases V*

SUMMARY:

Discuss and consider a request by Warren Corwin of Corwin Engineering on behalf of Ryan Joyce of the Skorburg Company (BH Phase V 80' POD, SF, LTD) for the approval of a preliminary plat for 79 single family residential lots, identified as Phase V of the Breezy Hill Subdivision, being a 25.597-acre tract of land situated within the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74) for Single Family 10 (SF-10) District land uses, situated on the west side of Breezy Hill Road north of the intersection Breezy Hill Road and FM-552, and take any action necessary.

PRELIMINARY PLAT INFORMATION:

☑ The Breezy Hill Subdivision is a master planned community that will provide approximately 405-acres of residential and commercial development. The residential subdivision will be composed of 742 single-family lots on 371.45-acres of land, and be broken down per the lot mix indicated in Planned Development District 74 (PD-74). The lot mix in this Planned Development District is as follows:

Lot Types	*A*	*B*	*C*	*D*
Typical Lot Frontage *(Feet)*	60	70	80	100
Typical Lot Depth *(Feet)*	120	120	125	200
Minimum Lot Size *(Sq. Ft.)*	7,200	8,400	10,000	20,000
Number of Proposed Units	206	112	326	98
Dwelling Unit %	27.80%	15.10%	43.90%	13.20%

☑ The purpose of the applicant's submittal is to preliminary plat Phase V of the Breezy Hill Subdivision and layout 79 of the 742 single-family lots. The 79 proposed lots will be constructed to the *Type 'C'* standard (*all standards are displayed in the above table*) and be situated on approximately 25.597-acres adjacent to Breezy Hill Road. In addition to the Preliminary Plat the applicant has also submitted a preliminary water, sanitary sewer and storm water plans establishing that the developer can provide adequate utilities to service the proposed phase.

☑ The proposed Preliminary Plat conforms to the revised concept plan approved by the City Council on July 7, 2014 under *Case No. Z2014-017* [*Ordinance No. 14-26*].

☑ On April 7, 2015 the Parks Board reviewed the proposed *Preliminary Plat* and made a recommendation to approve the plat with the following condition:

1) The developer shall be required to abandon the access easement that bisects the public park once sufficient emergency access has been provided to the Fire Department (*i.e. Phase V has been completed*).

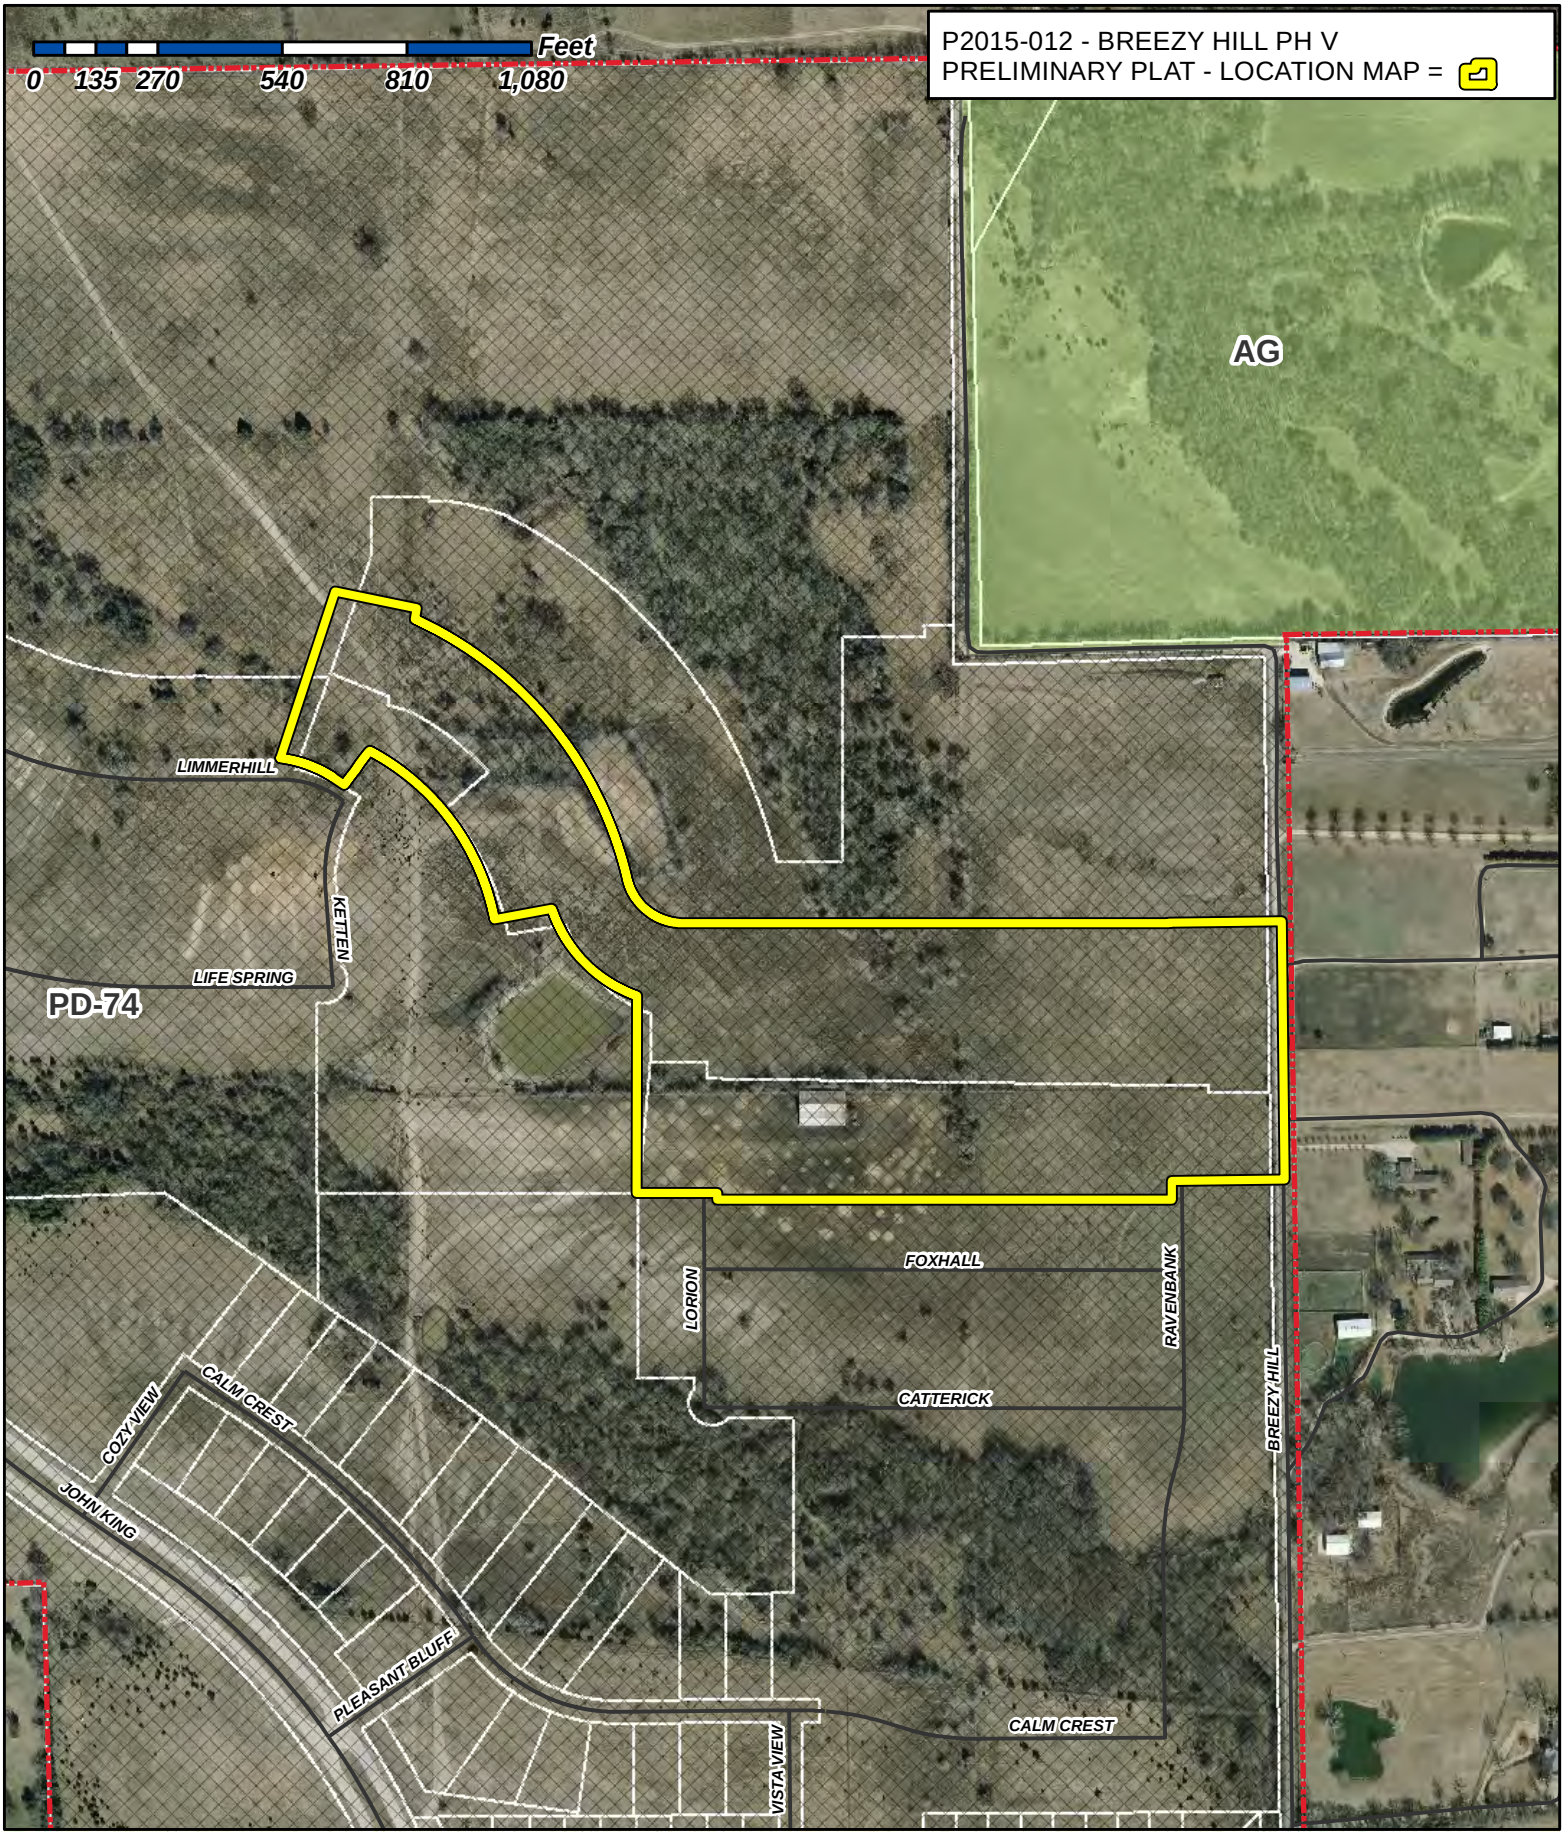
☑ The Surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for *Preliminary Plats* as stated in the Subdivision Ordinance in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the *Preliminary Plat* for *Phase V* of the *Breezy Hill Subdivision* staff would recommend the following conditions of approval:

1) The *Preliminary Plat* shall conform to all requirements stipulated by the Planning, Engineering and Fire Departments;



2) A Treescape Plan for the entire phase shall be required to be submitted with the Final Plat;

3) The *Preliminary Plat* shall conform to the recommendation made by the Parks Board; and,

4) Any construction resulting from the approval of this *Preliminary Plat* shall conform to the requirements set forth by the Unified Development Code (UDC), the 2009 International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On April 14, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the proposed preliminary plat per staff's recommendations by a vote 7-0.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **April 15, 2015**

SUBJECT: **OPEN SPACE RESOLUTION – THE PARK AT STONE CREEK**

The City was officially awarded a $400,000 matching grant from the Texas Parks and Wildlife Department (TPWD) in January of 2015 to develop a neighborhood park within Stone Creek. The application for the grant was approved by Council at the July of 2014 meeting.

One of the major components of the grant proposal was to preserve approximately 3.5 acres of natural open space and flood plain. As part of the TPWD requirements, a resolution is needed to officially commit that land to preservation in perpetuity.

The 11 acre neighborhood park was originally dedicated by the Skorburg Company along Featherstone Drive, adjacent to John King Blvd. The value of this land was used for the City's matching portion of the grant. The City also owns the parcel to the north of the park land. The 3.5 acres of natural open space to be preserved includes the flood plain and associated slopes within the City's parcel and includes the pond within the 11 acre neighborhood park land. The attached "EXHIBIT A" highlights the approximate boundaries of the preserved natural open space and flood plain.

MHS Planning and Design is currently in the preliminary design phase for the Park at Stone Creek. A public meeting will be held during a regularly scheduled Park Board meeting to review and comment on the proposed designs, prior to being presented to City Council for consideration. Construction and bidding documents would follow contingent on Council approval.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 15-14

A RESOLUTION OF THE COMMISSIONER'S COURT OF ROCKWALL COUNTY, TEXAS, DEDICATING 3.5 OF ACRES OF WETLANDS/OPEN SPACE/PARKLAND ALONG THE CREEK/DRAINAGE WAY IN STONE CREEK AS DESCRIBED IN EXHIBIT A ATTACHED AS WETLANDS/OPEN SPACE FOR PERPETUITY, AS REQUIRED BY THE TEXAS PARKS AND WILDLIFE DEPARTMENT; APPROVE THE TERMS AND CONDITIONS OF THE AGREEMENT; AUTHORIZE ITS EXECUTION BY THE CITY MANAGER; REPEALING ALL RESOLUTIONS IN CONFLICT; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Rockwall City Council desires to provide quality park facilities for the residents of Rockwall; and

WHEREAS, the City of Rockwall has obtained a grant from the Texas Parks and Wildlife Department for the development of a neighborhood park and desires to comply with all of the requirements set forth in the grant.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THAT;

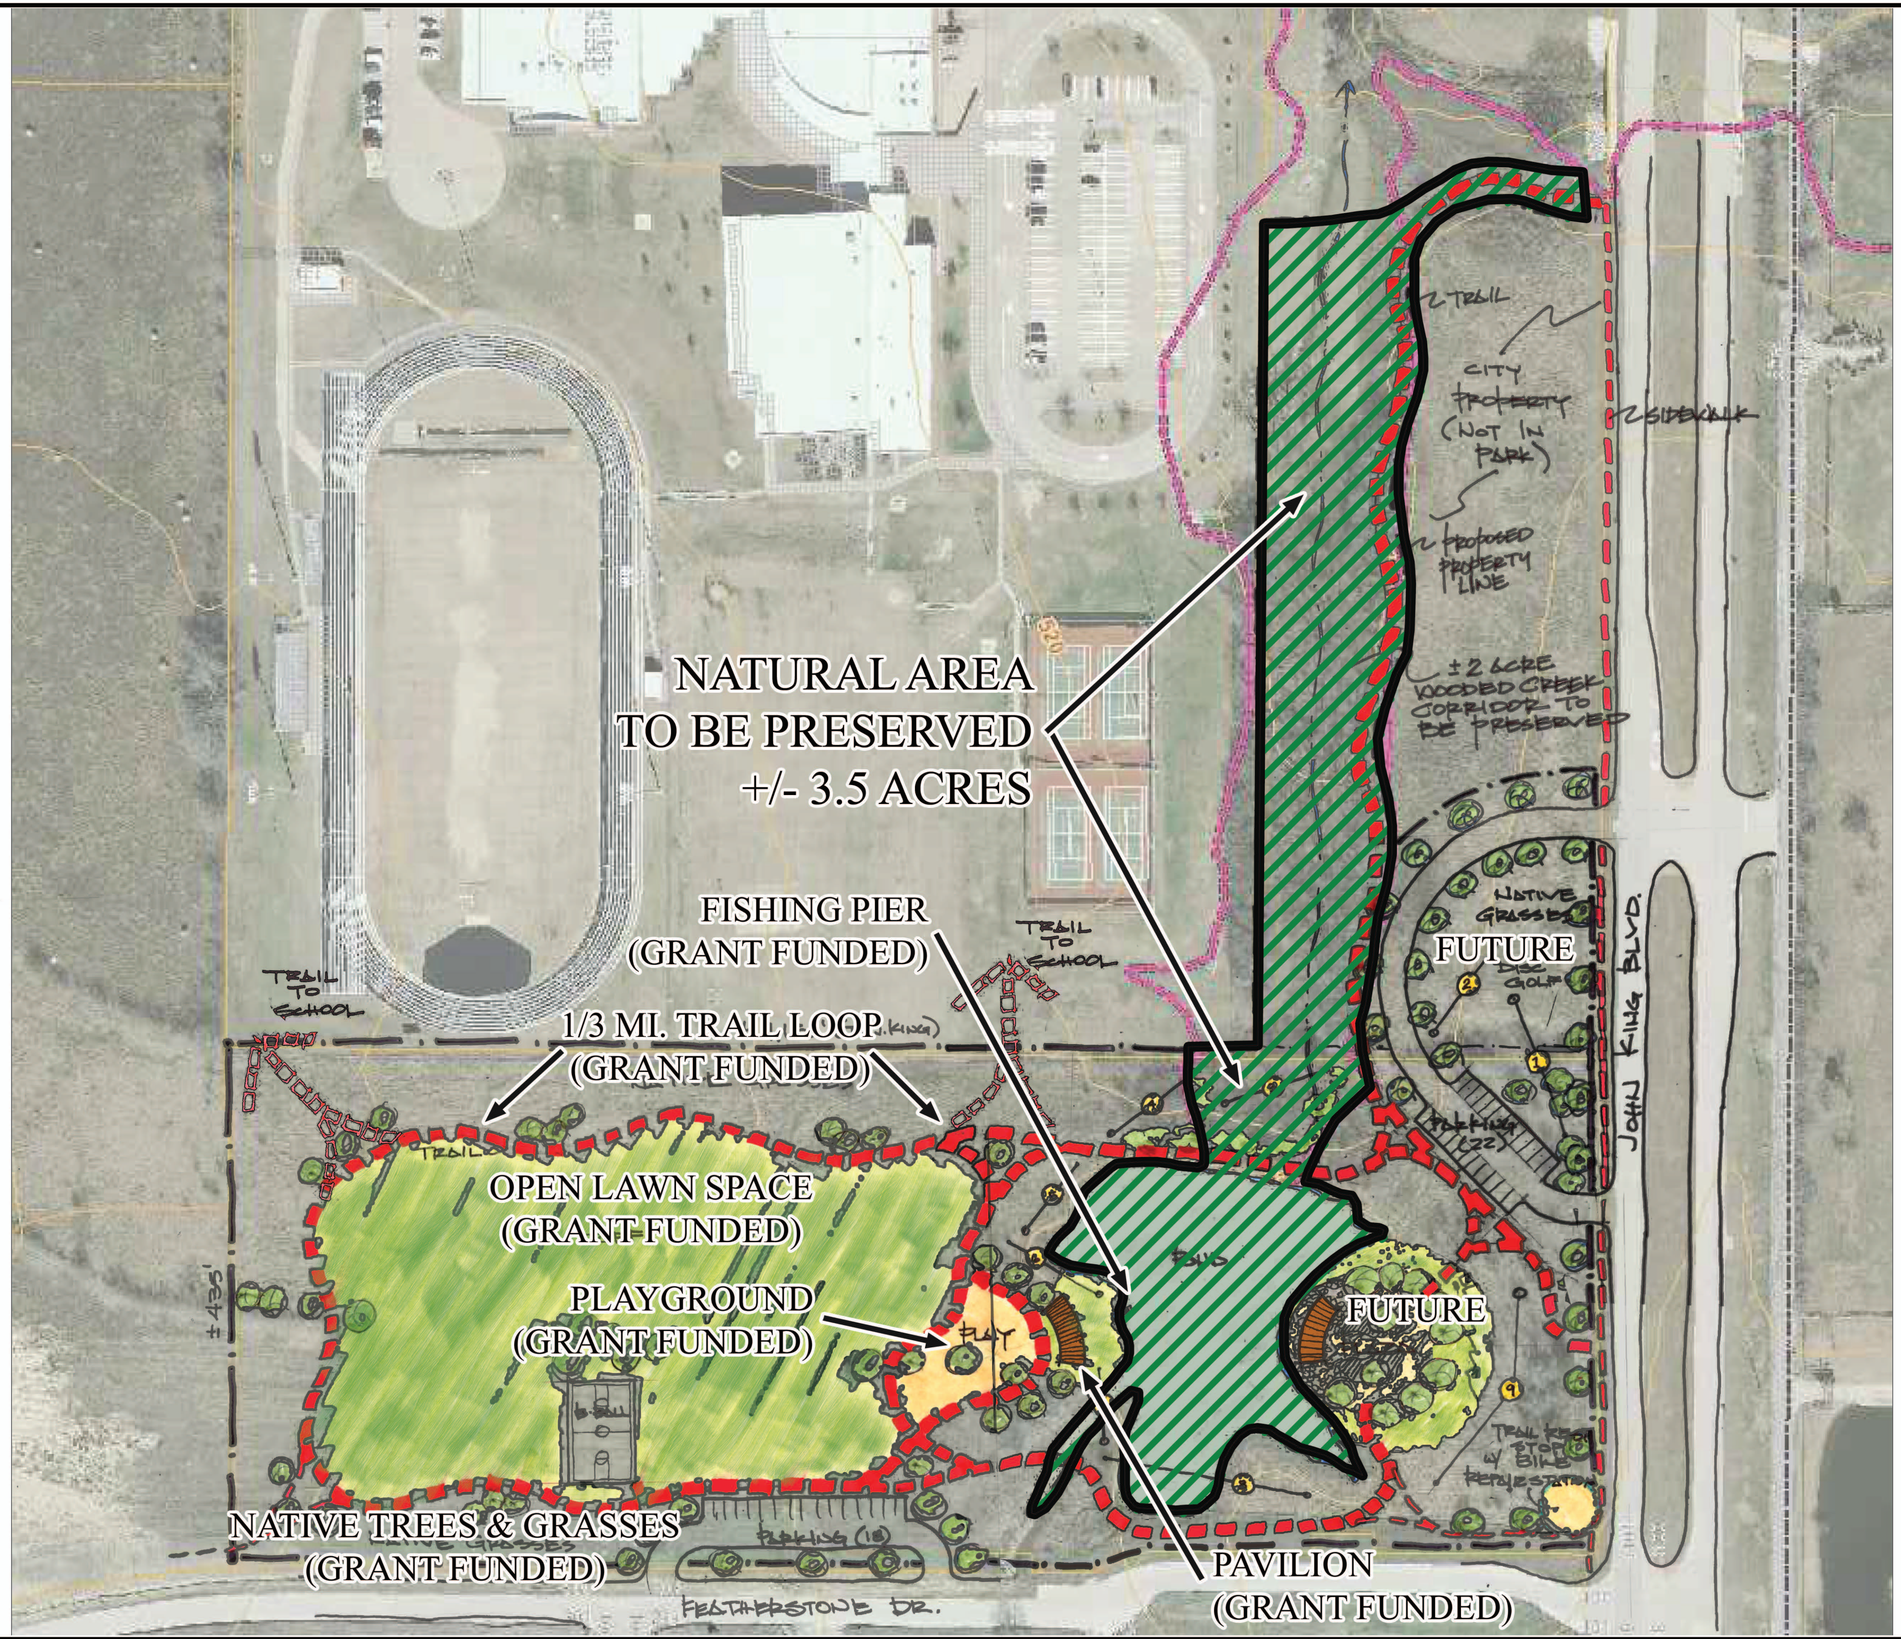
SECTION 1. In order to fulfill the requirements of the Texas Parks and Wildlife Department's grant to the City of Rockwall, the City Council of Rockwall, Texas hereby designates 3.5 acres of parkland in Stone Creek as wetlands/open space.

SECTION 2. The Mayor of the City of Rockwall, along with the City Manager, are hereby authorized to execute the appropriate documents approving the terms and conditions of the agreement with the Texas Parks and Wildlife Department.

SECTION 3. Any prior Resolution of the City Council in conflict with the provisions contained in this Resolution are hereby repealed and revoked.

SECTION 4. Should any part of this Resolution be held to be invalid for any reason, the remainder shall not be affected thereby, and such remaining portions are hereby declared to be severable.

SECTION 5. This Resolution shall take effect immediately from and after is passage and it is so duly resolved.



PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 20th day of April, 2015.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 04/20/2015

APPLICANT: Cindy Levandowski

AGENDA ITEM: **Z2015-012;** 907 N. Goliad – SUP Amendment

SUMMARY:

Hold a public hearing to discuss and consider a request by Cindy Levandowski on behalf of the owner Terry Rowe for the approval of an amendment to a Specific Use Permit [*Ordinance No. 09-28*] to allow for a *General Retail Store* within Planned Development District 50 (PD-50) for a 0.16-acre parcel of land identified as Lot 1, Block 1, Henry Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, situated within the North Goliad Corridor Overlay (NGC OV) District, addressed as 907 N. Goliad Street, and take any action necessary.

BACKGROUND INFORMATION:

The applicant, Cindy Levandowski on behalf of the owner Terry Rowe, is requesting a Specific Use Permit (SUP) to allow for a *General Retail Store* for the property located at 907 N. Goliad Street. This property has an existing SUP [*Ordinance No. 09-28*] that was approved in 2009 for a hair salon known as Renda's Place. The property was site planned in 2007 and later amended (2009) providing additional parking spaces and is considered sufficient for the proposed boutique. The property is within Planned Development District (PD-50) No. 50, the North Goliad Corridor Overly (NGC OV) District, and has an underlying zoning of Residential Office (RO) District.

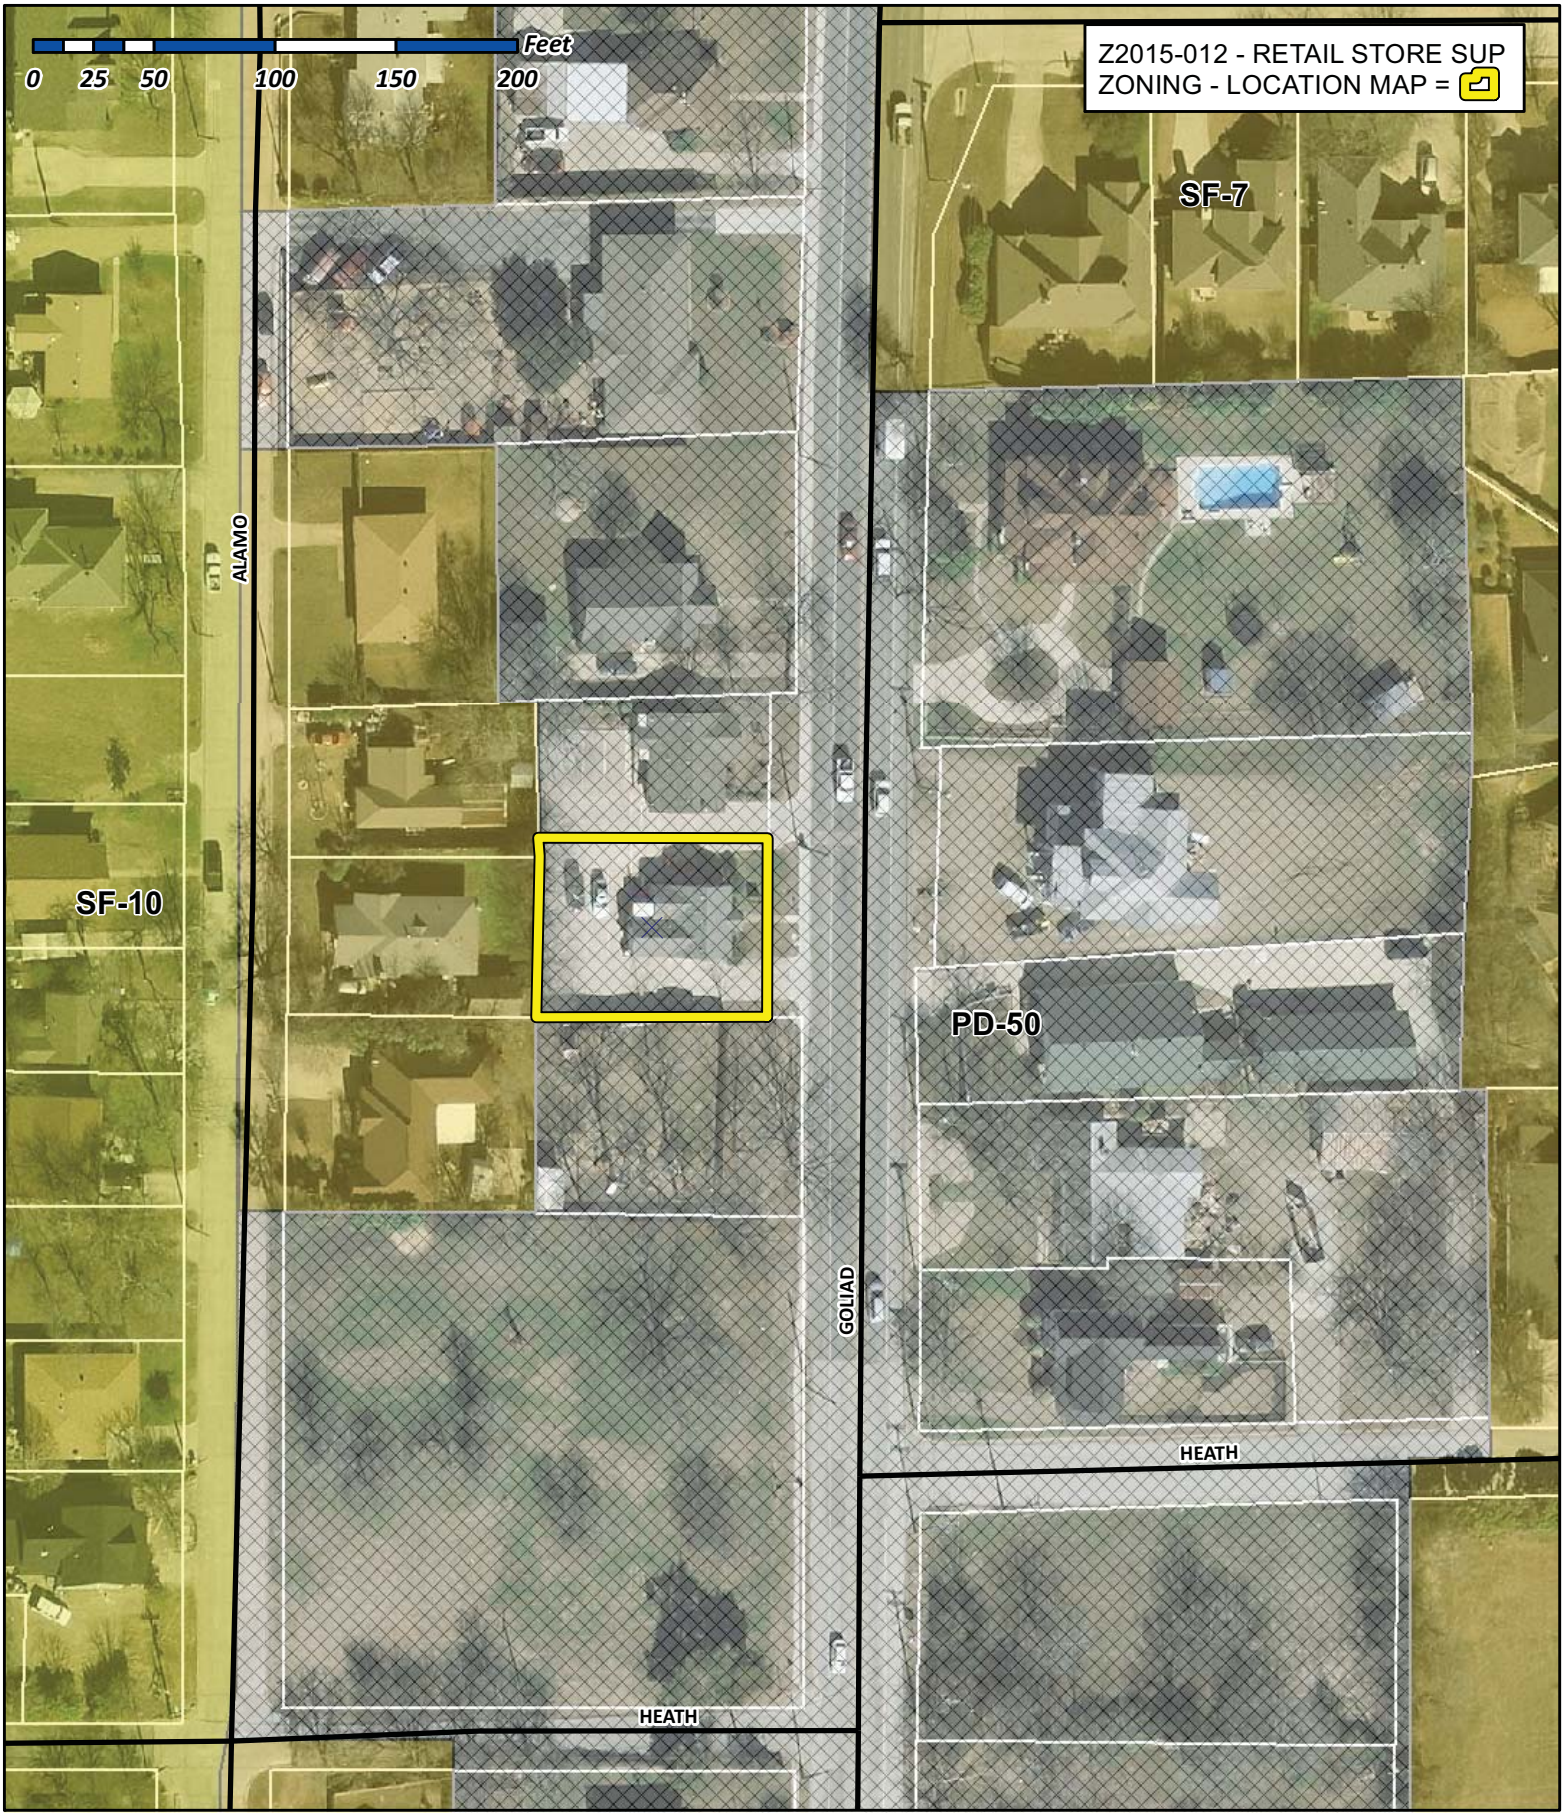
In your packet is a copy of the amended site plan, a letter requesting the SUP; detailing the merchandise to be sold, the hours of operation and the days the boutique will be open. It should be noted that the current SUP [*Ord. No. 09-28*] limits business hours from 8:00 a.m. to 8:00 p.m. and was intended to be consistent with other hair salons in the RO district. Since the proposed hours of operation for the boutique are within this time frame (10:00 a.m. to 6:00 p.m. /Tue – Sat), it is not necessary to amend the hours of operation for this establishment.

Should the request be approved, the existing SUP would be amended to allow for the *General Retail Store* while keeping the use for a hair salon intact. A request for a Specific Use Permit (SUP) is a discretionary act upon the Planning and Zoning Commission and City Council.

NOTIFICATION:

Staff mailed ninety-eight (98) notices to property owners within 500 feet of the subject property and e-mailed two (2) HOA organizations [Caruth Lakes & Lakeview Summit] participating in the HOA/Neighborhood notification program that are within 1500 feet. Additionally, staff posted a sign on the property as required by the Unified Development Code (UDC). At the time this report was drafted, staff has received two (2) notices "for" and none "opposed to" the zoning change requested.

RECOMMENDATIONS:



Should the Specific Use Permit [*Ord. No. 09-28*] be amended, staff would offer the following additional conditions of approval:

1) Adherence to Engineering and Fire Department standards.

2) That all signage requires a separate permit and must conform to the standards established in the North Goliad Overlay District.

Planning and Zoning Commission Recommendation:

On April 14, 2015, the Planning and Zoning Commission recommended approval of the request to amend the specific use permit with staff conditions by a vote of 7 to 0.

Subject: Neighborhood Notification Program: Notice of Zoning Request
Attachments: Z2015-012 HOA Map.pdf

To whom it may concern:

Per your participation in the Neighborhood Notification Program, you are receiving this notification to inform your organization and residents of a request for a zoning change that lies within 1,500 feet of the boundaries of your neighborhood or subdivision. As the primary contact for the organization, you are encouraged to share this information with the residents of your subdivision. Please find attached a map detailing the location of the subject property requesting the zoning change in relation to your subdivision boundaries. Additionally, below is a summary of the zoning request that was also published in the Rockwall Herald Banner on *April 3rd , 2015*. If you have any questions or comments regarding this request, the contact information for the Planning Department is listed below. Additional information can also be found at http://www.rockwall.com/planning/planningDevCases.asp.

Hold a public hearing to discuss and consider a request by Cindy Levandowski on behalf of the owner Terry Rowe for the approval of an amendment to a Specific Use Permit [*Ordinance No. 09-28*] to allow for a *General Retail Store* within Planned Development District 50 (PD-50) for a 0.16-acre parcel of land identified as Lot 1, Block 1, Henry Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, situated within the North Goliad Corridor Overlay (NGC OV) District, addressed as 907 N. Goliad Street, and take any action necessary.

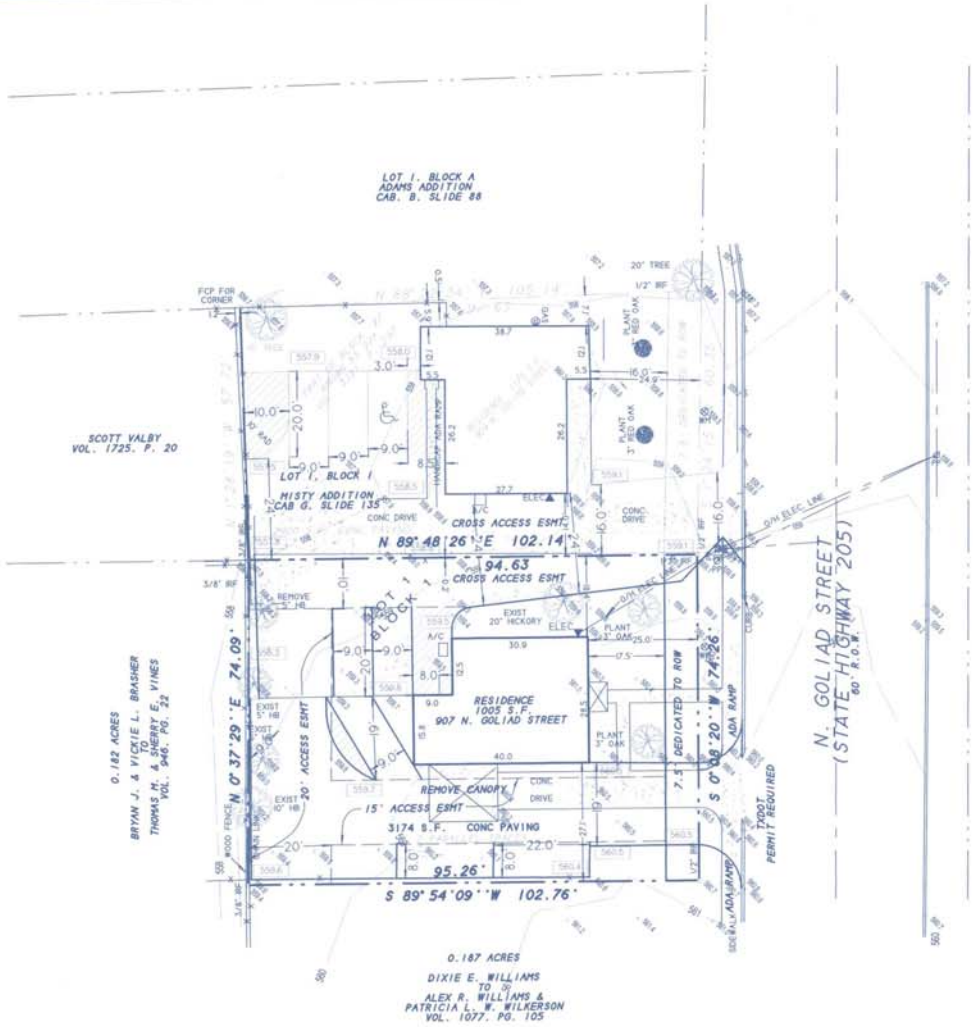
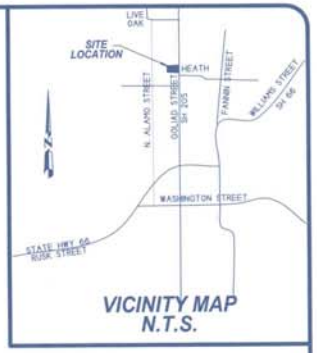
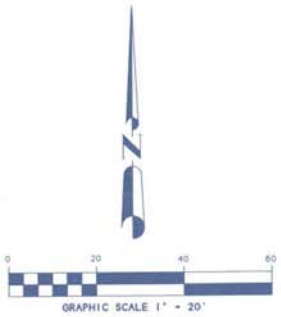
P&Z



City Counsel Meeting-March 31st 2015



Good evening
My name is Cindy Levandowski and I'm excited to be here to tell you about a boutique that I would like to open just off the square in Rockwall.
The name of the store is "Cindy Lou & Baby 2" to be located at 907 N. Goliad St.
The store hours would be Tuesday thru Saturday 10:00am to 6:00am. Closed Sunday and Monday to stay in accordance with competition and the existing retailers in the square.
This will be an upscale boutique offering accessories for ladies and babies such as Jewelry, scarves, 2pc fun sleepwear, Christian gifts, tote bags, a small assortment of candles. For babies, picture frames, booties, piggy banks, memory books, a small assortment of onesies . . .
No sidewalk sales. All transactions/sales will take place inside the store.
All merchandise deliveries will be accepted in the rear of the building. These deliveries will be delivered during business hours from carriers such as UPS or Fed Ex. It's a single store operation taking in small shipments of merchandise.
I would be the sole owner of this boutique. I have no partners and 907 N. Goliad will be leased by the boutique. No sub letting.
The store décor will be representative of a beachy cape cod cottage. The atmosphere will be warm, cozy and welcoming, and bright and happy. There will be approximately 500 sq. ft. of selling space. My office, backroom holding back stock for the store and a bathroom will occupy the remaining square footage. There are 6 parking spots in the rear of the building, 2 parking spots on the fence side and 1 spot on the south side where I will park my vehicle. I would love to have all available parking filled during the time that the boutique is open AND I know that it takes at least 2 years to really enjoy the benefits of a retail operation☺
I have been a retail buyer for the last 35 years. I'm passionate about the customer and the service I can provide for the customer. I've worked with Toysrus/Babiesrus/Kidsrus, Limited Too (which is now Justice) and a very long time ago for JC Penney.
My family and I lived in Plano from 1987-1990 while I was a buyer at Penneys. My son, Matthew, was born at Presbyterian Dallas at the Margot Perot Center. It has taken us about 23 years to be able to move back to TX where we enjoy our retirement-like life.
Every summer, over the past years, we have traveled back to Rockwall to visit with family and friends and finally made the decision that this city is where we feel at home.
The square has offered great shopping at Groovys, Hazel & Olive and Hallie B, great restaurants such as Zanatas, Fatted Calf, Bin 303 and the tea room and quaint locations with some amazing services like Hair gallery, Signs and Graphics ect.
I can't think of a better location for a boutique store!!!



Thank you for considering my Zoning application.

CITY OF ROCKWALL

ORDINANCE NO. 15-___

SPECIFIC USE PERMIT NO. S-068

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO AMEND SPECIFIC USE PERMIT (SUP) NO. S-68 [*ORDINANCE NO. 09-28*] TO ALLOW FOR A GENERAL RETAIL STORE IN A RESIDENTIAL-OFFICE (RO) DISTRICT, ON A 0.16-ACRE PARCEL OF LAND IDENTIFIED AS LOT 1, BLOCK 1, HENRY ADDITION, GENERALLY LOCATED AT 907 N. GOLIAD STREET, AND ZONED PLANNED DEVELOPMENT DISTRICT NO. 50 (PD-50), CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Cindy Levandowski on behalf of the owner Terry Rowe for the approval of an amendment to Specific Use Permit (SUP) No. S-068 [*Ordinance No. 09-28*] to allow for a *General Retail Store* in a *Residential-Office (RO) District*, which shall also allow for the use of a *Hair Salon*, on a 0.16-acre parcel of land identified as Lot 1, Block 1, Henry Addition, generally located at 907 N. Goliad Street, and zoned *Planned Development District No. 50 (PD-50)*, City of Rockwall, Rockwall County, Texas, which herein after shall be referred to as the *Subject Property*, and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code [*Ordinance 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to amend Specific Use Permit (SUP) No. S-068 [*Ordinance No. 09-28*] to allow for a *General Retail Store* within Planned Development District No. 50 (PD-50), which shall also allow for the use of a *Hair Salon* on the *Subject Property*, and

Section 2. That this Specific Use Permit (SUP) Ordinance shall supersede all requirements stipulated in *Ordinance No. 09-28*, and that the *Subject Property* shall maintain compliance to all conditions and standards contained within this ordinance; and

Section 3. That the Specific Use Permit shall be subject to the conditions set forth in ***Planned***

Development District No. 50 **(PD-50) & Section 4.2,** ***Residential Office (RO) District*****, of Article V,** ***District Development Standards*****, of the City of Rockwall Unified Development Code (Ordinance No. 04-38)** as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following additions for the *Subject Property*:

1) That no parking will be allowed in the SH205 right of way or in front of the building, and
2) That the hours of operation shall be limited between 8:00 am to 8:00 pm. each day, and
3) That the use for a hair salon shall be limited to a maximum of one (1) chair, and
4) That all signage requires a separate permit and must conform to the standards established in the North Goliad Overlay District, and
5) That the City Council reserves the right to review the Specific Use Permit granted herein upon the expiration of one (1) year from the date hereof.

Section 4. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 5. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 6. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 7. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 8. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE ____ DAY OF _____, 2015.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 04/20/2015

APPLICANT: Michael Clark

AGENDA ITEM: **P2015-008** (808 Sam Houston - Replat)

SUMMARY:

Hold a public hearing to discuss and consider a request by Michael Clark for the approval of a residential replat for Lots 6 & 7, Block K, Sanger Brothers Addition, being a 0.23-acre parcel of land currently identified as the eastern ½ of Lot 3, Block K, Sanger Brothers Addition, City of Rockwall, Rockwall County, Texas, zoned Single Family 7 (SF-7) District, situated within the Southside Residential Neighborhood Overlay (SRO) District, addressed as 808 Sam Houston Street, and take any action necessary.

COMMENTS:

- The objective of this request is to replat an existing residential lot creating two (2) single-family residential lots. The 10,000 sq. ft. residential lot will be subdivided creating two (2) 5,000 sq. ft. lots for the purpose of constructing a single-family home on each site. The homes will be built under the SRO District and SF-7 standards as established in the Unified Development Code.

- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions below.

- With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

NOTIFICATION:

Staff mailed thirty-eight (38) notices to property owners within 200 feet of the subject property and a notice of Public Hearing was published in the Rockwall Herald-Banner as required by law. At the time this report was drafted, staff has received one (1) notice “opposed to” the residential replat requested.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the request for final plat, staff would recommend the following conditions of approval:

A) All the technical comments from the Engineering and Fire Departments shall be addressed prior to the filing of this plat, including the following Planning Comments;

1. Adherence to Engineering and Fire Department standards.
2. Tie at least two corners to City monumentation (one indicated).

B) Any construction resulting from the approval of this final plat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Planning and Zoning Commission Recommendation:

On April 14, 2015, the Planning and Zoning Commission recommended approval of the residential replat with staff conditions by a vote of 7 to 0.

OWNER'S CERTIFICATE
(Public Dedication)

WHEREAS, MICHAEL CLARK, BEING the Owner of a tract of land in the County of Rockwall, State of Texas, said tract being described as follows:

All that certain lot, tract or parcel of land situated in the City of Rockwall, Rockwall County, Texas, and being the East 1/2 of Lot 3, Block K of SANGER BROTHERS ADDITION, an Addition to the City of Rockwall, Texas, according to the Plat thereof recorded in Volume Q, Page 100 of the Deed Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod found for corner in the west right-of-way line of Sam Houston Street, a 50 foot right-of-way, said point being at the northeast corner of said Lot 3, Block K;

THENCE SOUTH. along the west right-of-way line of Sam Houston Street, a distance of 100.00 feet to a 1/2" iron rod found for corner;

THENCE N. 89 deg. 40 min. 30 sec. W. a distance of 100.00 feet to a 1/2" iron rod found for corner at the southeast corner of Lot 3-A, Block K, of REPLAT OF WEST 1/2 LOT 3, BLOCK K, SANGER BROTHERS ADDITION, an Addition to the City of Rockwall, Texas, according to the Plat thereof recorded in Cabinet C, Slide 38 of the Plat Records of Rockwall County, Texas;

THENCE NORTH along the east line of Lot 3-A, a distance of 100.00 feet to a 1/2" iron rod found for corner;

THENCE S. 89 deg. 40 min. 30 sec. E. along the north line of Lot 3, Block K, a distance of 100.00 feet to the POINT OF BEGINNING and containing 10,000 square feet or 0.23 acres of land.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

I the undersigned owner of the land shown on this plat, and designated herein as SANGER BROTHERS ADDITION, LOTS 5 & 6, BLOCK K, an Addition to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the subdivision have been notified and signed this plat.

I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same.

I also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of th eir respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maint aining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, sto rm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer an d/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as p rogress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I, my successors and assigns hereby waive any claim, damage, or cause of action that I may have as a result of the dedication of exaction's made herein.

MICHAEL CLARK

STATE OF TEXAS
COUNTY OF ROCKWALL

Before me, the undersigned authority, on this day personally appeared MICHAEL CLARK known to me to be the person whose name is subscribed to the foregoing instrument, and acknowledged to me that he executed the same for the purpose and consideration therein stated.

CASE NO. P2015-008

85

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Mayor and City Council**

FROM: **Rick Crowley, City Manager**

DATE: **April 17, 2015**

SUBJECT: **SH 205 and John King Blvd**

After our meeting in Austin yesterday, Mayor Pruitt and Councilmember White requested a resolution related to our request that TxDoT include the "John King Boulevard Route" in the study that they have initiated for improvement of SH205 from SH78 to US80. A draft of such a resolution has been prepared and I've also attached previously provided emails, and placed on the agenda for Monday night for the Council's consideration.

Indications at the first TxDoT Stakeholder Meeting (also this week) which Tim Tumulty and I attended were that TxDoT and its consultant would give consideration to the City's request.

There is much work to be done with TxDoT as the "John King Route" is considered. All of these considerations would have come into play when the roadway was originally built had the issue of the state required construction cross section not come into play and ended (for then) that consideration. This will include the following matters (and probably others):

- The "John King Route" offers less disruption to properties along the existing route and likely would be positioned
- TxDoT has indicated that the typical standard for the ultimate right-of-way will include 150' of right-of-way, but that they anticipate that there will be variations in the amount of right-of-way required as the roadway goes through the several cities along the route. The 120' right-of-way section along John King will accommodate an ultimate six lane roadway, but if there is additional right-of-way width required by TxDoT along the John King Route, the area is much less developed than the existing SH205 route.
- TxDoT and the City would have to come to terms on the amount and specific circumstances of the portions of the existing route that would, if the John King Route is selected, be taken off system and become city streets. These matters would have to be considered and determinations which portions of existing state roadways would be

conveyed to the City and the timing for same. These discussions may, as they would have in 2005, involve consideration of certain sections of existing SH205, FM740, and perhaps SH276.

Despite the detail to be sorted out, consideration of this route is vitally important in my view.

If we do not secure consideration of the John King Route for SH205 as a part of this specific study, that opportunity under any circumstance will not be an option for consideration in the future; however, until the details of the matter are resolved by work to be done as apart of this planning study, the City is not required to finally provide its final designation of the "Official Locally Preferred Route."

The resolution is designed to formally request consideration of the route. If there are any changes in the resolution, we will be happy to make them at Monday's meeting. Once the resolution is considered by the Council, the Staff will immediately schedule meetings with TxDoT and their consultant to begin the major task of working through details of the proposal. We will be preparing a "talking points" summary of the route matter that would be under consideration.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, APPLAUDS THE LONG-TERM IMPROVEMENT OF SH205 FROM SH78 TO US80; AGREES THE IMPROVEMENTS ARE IMPORTANT TO CURRENT AND FUTURE TRAFFIC; EXAMINES AND SELECTS THE MOST BENEFICIAL ROUTE TO MOVE TRAFFIC WHILE MINIMIZING NEED TO DISRUPT CURRENT PROPERTIES; CONSIDERS THE MOST FAVORABLE ROUTE FOR SH205 THROUGH THE CITY OF ROCKWALL TO THE "JOHN KING BOULEVARD ROUTE;" RECOGNIZES CONSIDERATION OF THIS ROUTE WILL REQUIRE EVALUTION FROM THE TEXAS DEPARTMENT OF TRANSPORTATION (TXDOT); PETITIONS TXDOT TO INCLUDE "JOHN KING BOULEVARD ROUTE" AS THE CURRENT PLANNING STUDY FOR IMPROVEMENTS TO SH205.

WHEREAS, the City Council of the City of Rockwall, Texas applauds and is in agreement with the decision of the Texas Department of Transportation's efforts to initiate the planning for improvements of SH205 from SH78 to US80, and

WHEREAS, SH205 is the main north/south roadway in Rockwall moving approximately 20,000 cars and trucks per day through downtown Rockwall, and

WHEREAS, the residents of the City of Rockwall, Texas expressed their support for the construction of John King Boulevard as the route for SH205 through Rockwall by approval of a 2005 Bond Election which financed the acquisition of a 120 foot right-of way section along the route and construction of the roadway from its intersection with the existing SH205 North to its intersection with SH205 South, and

WHEREAS, the existing SH205 route is currently developed in such a manner that significant widening of the right-of-way along that route would result in significant disruption of property rights, commerce, and character, and

WHEREAS, the route along John King Boulevard is currently significantly less developed than the current SH205 route, and

WHEREAS, the route along John King Boulevard provides an opportunity for safer movement of higher volumes of SH205 traffic,

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. The City of Rockwall applauds the Texas Department of Transportation for its initiation of planning for the long-term improvement of SH205 from SH78 to US80, and

Section 2. The City of Rockwall agrees that the improvement of this state roadway is important to the movement of traffic and future well-being of the communities, including the city of Rockwall, located along the route and to those who travel along the route, and

Section 3. The City of Rockwall has significant interest in the route study that examines and selects the most beneficial route for the roadway such that the final route selection will reflect both the roadway's ultimate ability to move traffic while minimizing the need to disrupt current and historic business and residential properties along the current route of SH205, and

Section 4. The City of Rockwall currently considers the most favorable ultimate route for SH205 through the City of Rockwall to the "John King Boulevard Route" - from that road's north intersection with existing SH205 to that road's south intersection with the existing SH205, and

Section 5. The City of Rockwall recognizes that the consideration of this "John King Boulevard Route" will require considerable evaluation on the part of both the Texas Department of Transportation and the City of Rockwall and commits to assisting in that evaluation as consideration in any way necessary during the course of the current study, and

Section 6. That the City of Rockwall hereby petitions the Texas Department of Transportation to include the "John King Boulevard Route" through the City of Rockwall in the current planning study for improvements to SH205.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 20th day of April, 2015.

_____
Jim Pruitt, Mayor

ATTEST:

_____
Kristy Ashberry, City Secretary

Update:

Because I wanted to have an opportunity to discuss the City of Rockwall's initial input in planning for SH205 (between SH78 and US80), I asked TxDoT to schedule the first stakeholder meeting after the next Council meeting. TxDoT has agreed to do that although I do not yet know how soon after our April 6, meeting that the first SH205 stakeholder meeting will be scheduled. The first stakeholder meeting will NOT be the last opportunity for City of Rockwall input to be heard and considered in the planning process, but I do think it is important that we discuss this particular planning project before that first stakeholder meeting. We will add a 4:00 work session to discuss for discussion of TxDoT roadway planning on the April 6 agenda. We should not necessarily expect that this work session will finalize the City's position and consideration of the subject.

A few things to keep in mind as we consider these matters:

This major project is in only now beginning as a planning project and has not been funded by TxDoT; therefore, we have no idea what a timeframe for the project's construction after planning may be. Such an aggressive project would generally take some time to receive TxDoT funding, but, once plans for major projects like this one are adopted, funding may become available for various sections of the project such that the project is implemented over time.

Since TxDoT was unwilling to accept the John King Blvd. construction standard to serve as SH205 after their construction standards changed, they may be unwilling or unable to consider it now as an alternative to the six-lane SH205 roadway through Rockwall.

The construction of a six-lane SH20 along its current route would drastically change the complexion of community especially along the roadway based primarily on the width of right-of-way required. Over the past many years both TxDoT and the City have required dedication of about 7.5 feet of right-of-way when property has been platted or re-platted, yet the City's thoroughfare plan has not been changed to reflect any new right-of-way requirements for six lanes. On the other hand, the transfer of a SH205 route to John King Blvd. If approved, would also change the nature of traffic downtown - with debate possible as to whether this would be a positive or negative change. In decades past, construction of 'highway bypass" tended to move commerce from downtown areas to the new routes. This tended to change the nature of downtowns across the county. Circumstances MAY be different today in that our downtown has become a destination, again, what may be debated is the role of significant State Highway traffic in creation of such a destination and whether changes that might result from changes in that would be a net positive or a net negative in terms of continuing downtown as a destination.

Several sections of the existing SH205 route remain unimproved at this time. Whether TxDoT could be convinced to make improvements on these sections of the roadway IF a change in route were requested and approved remains to be seen. If TxDoT does not agree to make those improvements the full costs of those needed improvements would become the obligation of the City and would need to be factored in as costs of making the route change if the change was requested and approved.

There will likely be considerable controversy and concern about this matter in our community as we have seen some years ago here, and more recently in other area cities.

In preparation of the Council work session on April 6, I have requested a staff meeting with the TxDoT Advance Planning group next week. Our goal for this meeting is to get an indication of conception point of beginning that TxDoT planners will start from as the planning begins. This should be helpful to our discussions at the work session. We may also include a brief update on the status of other TxDoT roadway projects as time allows during this same work session.

Thanks,
Rick

Subject: Fwd: TxDoT hires Halff and Assoc - SH205

Mayor and Council

FYI

As I forwarded to you earlier, Halff and Associates has told our City Engineer that they have been retained by TxDoT to begin planning for a major project for SH 205 between SH78 and Highway 80. A meeting is to be scheduled for the consultant to kick off the project.

You may recall that the original plan was for John King Blvd. to become the route of SH205 and that the current SH205 route through Rockwall would become a city street without TxDoT regulation, etc. This would have made it possible for the City, among other things, to designate John King Blvd. as the through truck route through the City rather than have a continued route through downtown and along the rest of the existing SH205 route through the City. After John King was authorized and before it was designed, TxDoT changed their construction requirements for State Highways and would not honor their previous agreement to make the change unless the City drastically altered the design of John King Blvd. to meet the new design standard which were FAR more expensive than standards used even for the portion of SH205 that the state had used in the reconstruction of that road from downtown Rockwall to I30 even though that was a then recent project. As a result John King was built to the planned standards as a City street.

As we prepare to attend the kickoff meeting (which has not been yet scheduled) as we have been invited to do, The question now seems appropriate as to whether the Council would like to take "another run" at the "route swap" given that this overall massive project is now being pursued by TxDoT. Since the SH205 project is in the planning phase, it is not currently funded. If the current Council wants to have this considered (as was the case with several previous Councils) it would be appropriate for the question to now be again raised with TxDoT and their planners. This question is a matter that warrants Council discussion at the next meeting.

If there is an interest, we would also want to discuss the matter of improvements to yet-to-be-improved sections of the existing route. If the route trade is desirable, it seems a reasonable trade to me that the project also include improvement of these portions of the roadway to City Standards. Of course, from my standpoint, the TxDoT project should include paying for this as well.

Please consider this matter between now and the next meeting. Additional information will be provided in the packet for the next meeting.

If there is no interest, we will proceed to the kickoff meeting without bringing the matter up.

Thanks,
Rick

City of Rockwall
The New Horizon

MEMORANDUM

TO: Mayor and City Council

FROM: Hotel Occupancy Tax Sub-committee Members
Mary Smith, Assistant City Manager

DATE: April 17, 2015

SUBJECT: Request for Funding Allocation – Soroptimist's Country Fair

The City received a supplemental funding request for hotel occupancy tax revenues from the Soroptimist Club for their annual Country Fair to be held in late May. Copies of the Funding Request Questionnaire and supporting narrative are attached for your review. Their request totals $20,000 for promotion of the event which will be held adjacent to the Courthouse.

The request would qualify under the tourism category included in the Act.

At the present, the Hotel/Motel Occupancy Tax budget is as follows:

Fund Balance carried forward	**$ 144,140**
Revenues budgeted	**310,000**
Allocated Funding	**(337,735)**
Projected Fund Balance	**$ 106,405**

The subcommittee met and are recommending Council approve $2,500 funding for promotional expenses for the Soroptimist Country Fair.

- COMPLETE AN APPLICATION FOR EACH EVENT/PROGRAM/EXHIBIT REQUESTING FUNDS
- INCOMPLETE APPLICATIONS WILL NOT BE FORWARDED TO THE COUNCIL SUBCOMMITTEE

95

1. Mark an "X" next to the category or categories that your organization is requesting funds in the attached budget request.

   [X] **Advertising/Tourism** **Requested funding amount $**
   Conducting solicitation or promotional programs that encourage tourists and delegates to come to the City of Rockwall.

   [ ] **Arts** **Requested funding amount $**
   Providing encouragement, promotion, improvement and application of the arts as it relates to the presentation, performance execution or exhibition of the major art forms in the City of Rockwall.

   [ ] **Historical** **Requested funding amount $**
   Providing historical restoration, preservation, programs and encouragement to visit preserved historic sites or museums located in the City of Rockwall.

2. Briefly state the purpose of your organization/mission statement: Improving the lives of women and children in our local community and through out the world.

3. Does your organization have paid staff? No
   Yes # Full-Time # Part-Time

4. Does your organization use volunteers? Yes
   Yes Approximately how many? Over 50

5. Is the event/program that the organization is requesting Hotel Tax funds held in/on City-owned property?
   Yes Name location: Land adjacent to the Rockwall County Courthouse

   If you are holding your event in/on city-owned property, the City may, in lieu of funds, donate the cost of the facility/property rental for that event.

6. Will your event be held in *"The Downtown"* or adjacent to *Lake Ray Hubbard*? No
   Yes Name location:

7. Will your organization provide special event insurance coverage for the event/program if held on City property? Yes
   Yes Name of Insurance Company: Philadelphia Insurance Company

8. List all other sources of funding your organization receives for this event. Include event budget (use the required budget form attached). Sponsorships, vendor fees, kid zone fees, food and beverage sales.

9. List the programs, activities, exhibits, or event for the upcoming fiscal year (Oct. 1, 2014-Sept. 30, 2015) that the requested Hotel funding will support partially or in full.
   Rockwall Country Fair, Antique Car Show, Live Music, Country Fair Games, Vendor/Craft Show, Kid Zone (including Rides and Bounce Houses).

96

10. Provide 3 years attendance history for the above listed programs, activities, exhibits or event in #9 above.

Event	Year	Event Duration (in Days)	Audience Size	# of Attendees in hotel rooms
Rockwall Country Fair	2014	1	400	50
Lassos & Lace	2013	1	300	10
Lassos & Lace	2013	1	250	10

11. How do the requested budget expenditures meet the definition of the categories marked in #1? Advertising/Tourism, Arts, Historical

Funding will be used to advertise and promote this event and Rockwall. The location is very visible, right off the Interstate 30 service road. The event is expected to enhance tourism by major marketing campaign including news articles, social media, bill boards, etc.

12. What specific market will you target with the event/program's marketing plan? Attach up to 3 examples and evidence of marketing area and readership (Label Exhibit C).

Statewide Vendors/Food Trucks and families all over North Texas and surrounding areas looking for a fun family day.

13. Describe in detail how your event/program will promote tourism and the hotel industry in Rockwall.

The Rockwall Country Fair will continue to promote Rockwall as a Texas music destination. Social Media, such as facebook, the website, will promote the area and event.

14. Describe the organization's long-term plan (3-5 year) in regard to the program/ event that funds are being requested.

Soroptimist International of Rockawll would like to continue to partner with the city and county to create a long term annual event for North Texans.

15. The City of Rockwall must require segregated accounting of its Hotel funds. Organizations must maintain and account for revenue provided from the tax authorized by section 351.101(a) within one of the two options listed below.

a) Separate checking account without combining with any other revenues or maintained in any other bank account or

b) Maintain a line item accounting, whereby the Hotel revenues may not be combined with any other revenues or expenditures. The funds may be maintained in the same bank account, provided they are reported as a separate line item in the organization's budget. Interest earned on the Hotel revenues must be used to support the event/program as well.

Will the organization be able to segregate the accounting process in either a) or b) above? Yes

97

16. Provide all of the following documentation with this application and label each as outlined below.

Exhibit A	Proposed budget for each event/program using attached form
Exhibit B	Letter of determination certifying federal tax exempt 501(c)(3) status
Exhibit C	Examples and evidence of marketing area and readership (limit 3)
Exhibit D	List members of the governing body including name, position, mailing address and phone number

We certify, to the best of our ability, that the information in this application, including all exhibits and supporting documentation is true and correct to the best of our knowledge. It is understood and agreed that any funds awarded as a result of this application will be used for the purpose set for herein and the program guidelines.

March 10, 2005

Debbie Branch, President
Soroptimist International of Rockwall, TX
PO Box 372
Rockwall, TX 75087

Dear Debbie,

Soroptimist International of Rockwall has been included in the federation's group exemption with the Internal Revenue Service (IRS). The letter granting that group exemption is enclosed and should be kept on file in your club's permanent records. If the club needs to provide proof of its charitable, 501(c)(3) status, you should make a copy of the letter and always retain the original. SIA's group exemption number is 3899. This number must be included on the 990 forms which you must file annually with the IRS if your gross receipts are $25,000 or more. SIA will NOT be filing a group return. Form 990 must be filed by November 15 if your fiscal year ends on June 30. If the club receives a 990 form in the mail, it must be completed and returned even if gross receipts are less than $25,000. Gross receipts means ALL revenue received by the club in the form of dues, donations, grants, interest and fundraising revenue in ALL club accounts.

Please note on page 2 of the enclosed letter the information that must be available for public inspection upon request. Note also, that certain income may be subject to unrelated business income tax (UBIT). Unrelated business income is defined as "income from a trade or business, regularly carried on, that is not substantially related to the charitable purpose that is the basis for the organization's exemption." IRS publication 598 deals with this subject. If you are in doubt, please ask us or consult with a non-profit tax consultant.

Always use the CLUB'S employee identification number (EIN). Your club's EIN is 75-2056847. Never use SIA's EIN. The club's EIN should be used on all bank accounts, IRS or state filings and other legal or accounting documents. It is a unique identifier, like a personal social security number and should be protected and maintained by the club indefinitely. If for any reason you change your EIN, headquarters must be notified.

All club financial reports and audits should be prepared in a timely manner and must be kept on file in the club. SIA will NOT be filing any consolidated financial reports with the IRS. If the club changes its fiscal year, SIA and the IRS should be notified.

The paperwork that you submitted is on file here at headquarters and must be retained for the IRS. Copies of both the request for inclusion and the letter of agreement that your club signed should be kept with the club's permanent records. The agreement is as binding as Soroptimist law and failure to meet the requirements of this agreement might jeopardize your club's good standing. If the club revises its bylaws, please send a copy to headquarters after adoption. While we reviewed bylaws only for possible conflict with the IRS requirements for 501(c)(3) organizations, we did notice that many club bylaws are very outdated. Sample club bylaws are available and we will begin reviewing them to make sure that they reflect modern club culture and operation. If you haven't revised your bylaws in the last 15 years, they are probably due for complete revision.

All of the above requirements are not new. These same rules applied to clubs under SIA's old 501(c)(4) group exemption, but the new designation has increased benefits and therefore is monitored by the IRS more closely. The new exemption means that the club is now able to

100

receive grants and corporate contributions to help conduct projects and programs that meet our tax exempt purpose. Participating in SIA identifying programs like Women's Opportunity Awards, Violet Richardson Awards and the prevention of domestic violence initiatives will help ensure that your club is fulfilling its purpose. Make sure that your club is familiar with SIA's strategic plan and choose club projects that fit under the strategic goals and objectives. The plan is available right on the SIA home page www.soroptimist.org. On the home page, just click "Our vision and mission".

Individuals may also make tax deductible donations to the club. All donations should be acknowledged. Receipts MUST be issued for donations greater than $250. This can be done in letter form. Neither SIA nor the club should give individual tax advice, but as of this date, members who itemize deductions may include the SI and SIA portion of their dues as a charitable donation. Region and club dues may also be deductible if nothing of substantial extrinsic value is received in return. Hence, if your dues payment includes meal assessments, you shouldn't deduct that portion for meals consumed. Expenses to attend conventions and conferences may also be deductible with certain limitations. As always, members should be instructed to consult their own tax advisors.

Individuals contributing to SIA should send their checks, payable to Soroptimist International of the Americas, directly to headquarters and these donations will be acknowledged with a receipt and credited towards recognition programs like the Laurel Society. Legacies and bequests are deposited in the Endowment Fund. Clubs and regions are generally not equipped to handle large bequests, especially if they contain donor restrictions. Members wishing to support Soroptimist should be encouraged to name SIA in their estate planning for large gifts, rather than the local club. Large bequests at the local level can become such a substantial part of the local club's assets that the IRS might consider the club to be a private foundation and therefore not eligible to be included in SIA's group exemption. While clubs should have reasonable levels of reserves available, our purpose is not to amass wealth, but conduct projects and programs that make a difference for women.

Remember that this 501(c)(3) group exemption is a federal designation. The exemption is from federal taxes only. Your state may have additional tax and filing requirements for not for profit organizations. It is up to the club to know the rules in their state and local jurisdictions.

If you have any questions, please don't hesitate to contact us at headquarters. We are pleased to be able to provide this service to your club and to include the club in our group exemption. The average cost to secure such a designation on your own would have cost about $1800. We hope that you will be generous in remembering SIA when making charitable distributions from your fundraisers. SIA needs both dues and donations to continue providing quality programs, products and services to our 44,000 members in 1500 clubs in 19 countries.

Sincerely,

Leigh Wintz

PHILADELPHIA, PA 19102-1721

Dear Applicant:

We have considered your application for a group exemption letter recognizing your subordinates as exempt from federal income tax under section 501(a) of the Internal Revenue Code as organizations of the type described in section 501(c)(3).

Our records show that you were recognized as exempt from federal income tax under section 501(c) (3) of the Code. Your exemption letter remains in effect.

Based on information you supplied, we recognize your subordinates whose names appear on the list you submitted as exempt from federal income tax under section 501(c) (3) of the Code.

Additionally, we have classified the organizations that you operate, supervise, or control, and that are covered by your notification to us, as organizations that are not private foundations because they are organizations of the type described in section 509(a) (2) of the Code.

Donors may deduct contributions to your subordinates as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your subordinates or for their use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of section 2055, 2106, and 2522 of the Code.

Your subordinates whose gross receipts each year are normally more than $25,000 are each required to file Form 990, Return of Organization Exempt From Income Tax, by the 15th day of the fifth month after the end of their annual accounting period. If you prefer, you may file a group return for those subordinates that authorize you in writing to include them in that return. If you are required to file Form 990 for your own activities, you must file a separate return arid may not be included on any group return that you file for your subordinates. The law imposes a penalty of $20 a day when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty imposed cannot exceed $10,000 or 5 percent of your gross receipts for the year, whichever is less. For organizations with gross receipts exceeding $1,000,000 in any year, the penalty is $100 per day per return, unless there is reasonable cause for the delay. The maximum penalty for an organization with gross receipts exceeding $1,000,000 shall not exceed $50,000. This penalty may also be charged if a return is not complete, so your subordinates should make sure their returns are complete before filing them. Please advise your subordinates that, if they receive a Form 990 package in the mail, they should file the return even if their gross receipts do not exceed the $25,000 minimum. If not required to file, a subordinate should simply attach the label provided, check the box in the heading to indicate that its annual gross receipts are normally $25,000 or less and sign the return. This will allow us to update our records to show that the subordinate is not required to file and to delete that subordinate from the list of organizations that will receive Form 990 packages in future years.

Your subordinates are required to make their annual information return, Form 990 or Form 990-EZ, available for public inspection for three years after the later of the due date of the return or the date the return is filed. You and your subordinates are also required to make available for public inspection your group exemption application, any supporting documents and this exemption letter. Copies of these documents are also required to be provided to any individual upon written or in person request without charge other than reason able fees for copying and postage. You may fulfill this requirement by placing these documents on the Internet. Penalties may be imposed for failure to comply with these requirements. Additional information is available in Publication 557, Tax-Exempt Status for Your Organization, or you may call our toll free number shown above.

Your subordinates are not required to file federal income tax returns unless subject to the tax on unrelated business income under section 511 of the Code. Each organization subject to this tax must file Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your subordinates' present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

As of January 1, 1984, each of your subordinates is liable for social security taxes under the Federal Insurance Contributions Act on remuneration of $100 or more they pay to each of their employees during a calendar year. Your subordinates are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Each year, at least 90 days before the end of your annual accounting period, please send the items listed below to the Internal Revenue Service Center at the address shown below.

1. A statement describing any changes during the year in the purposes, character, or method of operation of your subordinates;
2. A list showing the names, mailing addresses (including Postal ZIP codes), actual addresses if different, and employer identification numbers of subordinates that, since your previous report:
    a. Changed names or address;
    b. Were deleted from your roster; or
    c. Were added to your roster
3. For subordinates to be added, attach:
    a. A statement that the information on which your present group exemption letter is based applies to the new subordinates;
    b. A statement that each has given you written authorization to add its name to the roster;
    c. A list of those to which the Service previously issued exemption rulings or determination letters;
    d. A statement that none of the subordinates is a private foundation as defined in section 509(a) of the Code if the group exemption letter covers organizations described in section 501(c) (3);
    e. The street address of each subordinate whose mailing address is a P.O. Box; and
    f. The information required by Revenue Procedure 75-50, 1975-2 C.B. 587, for each subordinate that is a school claiming exemption under section 501(c) (3). Also include any other information necessary to establish that the school is complying with the requirements of Revenue Ruling 71-447, 1971-2 C.B. 230. This is the same information required by Schedule B, Form 1023, Application for Recognition of Exemption Under Section 501(c) (3) of the Internal Revenue Code.
4. If applicable, a statement that your group exemption roster did not change since your previous report.

Please mail the information requested in this letter to the following address: Internal Revenue Service
Ogden UT 84201

Your Group Exemption Number is 3899. Your subordinates are required to include this number on each Form 990, Return of Organization Exempt From Income Tax, and Form 990-T, Exempt Organization Business Income Tax Return, that they file. Please advise your subordinates of this requirement and provide them with the Group Exemption Number.

If the heading of this letter indicates that an addendum applies, the enclosed addendum is an integral part of this letter. Because this letter could help resolve any questions about the exempt status and foundation status of your subordinates, you should keep it for your records.

We have sent a copy of this letter to your representative as indicated in your power of attorney.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Lois G. Lerner
Director, Exempt Organizations

Importance: High

Hi Lea Ann-

We would like to put a billboard up on I-30, hire a local news affiliate to run a social media campaign including print and online advertising, advertise the event in local newspapers and magazines, do an advertisement with the local movie theater, etc.

Please let me know if you need additional information.

Thank you,

Subject: RE: HOT Application Rockwall Country Fair

Hi Erin,
I read the application and have a couple of questions. What types of advertising and promotional items would support the requested $20,000. Would you specify please. I received a copy of the Poster and what else? I saw Billboard, which one? Thanks!

Thank you,

Lea Ann Ewing

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 04/20/2015

APPLICANT: Maria Bonilla; *Winkelmann and Associates, Inc.*

AGENDA ITEM: **SP2015-007**; *Kroger Site Plan (SH-205 & Quail Run Road)*

SUMMARY:

Discuss and consider a request by Maria Bonilla of Winkelmann and Associates, Inc. on behalf of Mark Matise of MAKKO Goliad I, LP for the approval of a site plan for a grocery store and fuel center on an 11.28-acre tract of land identified as Lots 2 & 3, Block A, Quail Run Retail Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 5 (PD-5) for General Retail (GR) District land uses, situated within the North SH-205 Overlay (N SH-205 OV) District, located at the southeast corner of the intersection of N. Goliad Street (SH-205) and E. Quail Run Road, and take any action necessary.

BACKGROUND:

The subject property is an 11.28-acre tract of land situated at the southeast corner of the intersection of N. Goliad Street (SH-205) and E. Quail Run Road and is zoned Planned Development District 5 (PD-5) for General Retail (GR) District land uses (*with the exceptions contained within Ordinance No. 00-28*). The property has been zoned for General Retail (GR) District land uses since Planned Development District 5 (PD-5) was originally approved on September 4, 1973 under *Ordinance No. 73-31*. According to the concept plan approved with this ordinance, the property was designation for a *Community Mini Mall Shopping Center*.

On October 2, 2000, the City Council approved *Ordinance No. 00-28*, which amended the previous Planned Development District ordinance to allow for a *Planned Shopping Center (on less than 19-acres)* and *Neighborhood Convenience Center*, restaurant with outdoor seating and drive-through facilities, pharmacy with drive-through facilities, and a retail convenience store limited to six (6) gas pump dispensers on the subject property. Additionally, the Planned Development District ordinance required site plan approval by the Planning and Zoning Commission and City Council, which was required on all site plan cases prior to the adoption of the current zoning ordinance (*Ordinance No. 04-38*). Submitted with the zoning change application was a preliminary concept plan that showed the construction of a 62,999 SF grocery store with attached retail store space estimated to be ±27,000 SF in size.

A site plan (*Case No. PZ2002-030-002*) conforming to *Ordinance No. 00-28* was approved by City Council on April 15, 2002. This site plan showed the subject property being subdivided into five (5) lots with a 61,508 SF grocery store and 8,900 SF of attached retail space being constructed on one of the lots. As part of this site planning process, the property was replatted and impact fees were paid. An outstanding tree mitigation balance of 691-inches was required to be satisfied as part of the approval of this site plan; however, no building permit was submitted.

SITE PLAN:

On March 13, 2015, the applicant, Maria Bonilla of Winkelmann and Associates, Inc., submitted an application requesting approval of a site plan for a 90,000 SF Kroger grocery store and gas

station on the subject property. The gas station will be located at the southeast corner of Quail Run Road and SH-205, and consist of a 352 SF convenience store and a fuel canopy that will house six (6) gas pump dispensers. The development will be accessible from two (2) access drives along Quail Run Road and one (1) along Memorial Drive, and will not have direct access to SH-205. According to the *Parking Requirement Schedule* in Article VI, *Parking and Loading*, of the Unified Development Code (UDC) the proposed development will require 362 parking spaces (*i.e. 90,000 SF/250 SF = 360 Parking Spaces; 352 SF/250 SF = 1.4 or ~ 2 Parking Spaces*). The submitted site plan shows that the development will incorporate 363 parking spaces and conform to all parking requirements.

With respect to the density and dimensional requirements contained in Planned Development District 5 (PD-5) and the UDC the applicant's plan, with the adoption of the conditions of approval, is in conformance with all applicable requirements with the exception of the aforementioned variance to the parking area restrictions.

LANDSCAPE PLAN:

According to the UDC, properties within the General Retail (GR) District are required to provide a minimum landscape percentage of 15% (*or net 10% with the maximum landscaping credits*) of the subject property's total square footage (*i.e. 486,519 SF * 15% = 72,977 SF*). The landscape plan provided by the applicant shows that ~28% of the total site would be landscaped, which equates to 135,980 SF landscaping. Included in this landscaping percentage is the N SH-205 OV District's landscape buffer requirements, which include: 1) a 20-foot landscape buffer adjacent to SH-205, 2) four (4) accent trees (*i.e. 'Tuscarora' Crape Myrtle and Texas Redbud*) per every 100 linear feet of street frontage, 3) three (3) canopy trees (*i.e. Shumard Oak and Cedar Elm)* per every 100 linear feet of street frontage, and 4) an 18"-24" berm and shrub row (*i.e. Pfitzer Juniper*). In addition, the plan shows that one (1) canopy tree (*i.e. Texas Ash, Shumard Oak, and Southern Live Oak*) will be planted for every 50 linear feet of frontage inside the ten (10) foot landscape buffers along Quail Run Road and Memorial Drive. These same canopy trees are also utilized as plantings around the drainage/detention pond located adjacent to Memorial Drive in the southeast corner of the subject property.

Per the requirements of the UDC the applicant is showing a 30-foot landscape buffer adjacent to the residential properties situated along the eastern property line. In this landscape buffer, the landscape plan shows that one (1) canopy tree (*i.e. Southern Live Oak*) will be placed every 25-feet adjacent to the residential properties and that a shrub row consisting of *Pfitzer Juniper* will be planted along the entire eastern property line. Additionally, the applicant is proposing to construct a precast masonry-screening wall in order to better screen the development from the residential properties. According to the Article XI, *Fences*, of Chapter 10, *Buildings and Building Regulations*, of the Municipal Code of Ordinances, "(p)recast solid fencing shall require special approval by the Planning and Zoning Commission." By recommending approval of this site plan per staff's conditions on April 14, 2015 the Planning and Zoning Commission approved the use of the proposed precast masonry-screening fence. With the proposed 30-foot landscape buffer and the fire-lane that wraps around the building, the proposed grocery store will be approximately 60-feet from the residential properties located adjacent to the eastern property line.

With respect to the required landscape standards, the proposed landscape plan is in conformance with all requirements of the UDC and Planned Development District 5 (PD-5).

TREESCAPE PLAN:

As stated above, under *Case No. PZ2002-030-002* a Treescape Plan was approved indicating an outstanding balance of 691-inches of trees needing mitigation. This mitigation total was

calculated under the previous tree mitigation requirements, which preceded the current mitigation requirements that were adopted on June 21, 2004 by *Ordinance No. 04-38* and amended on June 15, 2009 by *Ordinance No. 09-23*. Staff has recalculated the outstanding tree mitigation requirements under the current ordinance and determined that the total outstanding tree mitigation balance for the subject property is 548-inches. The applicant's landscape plans indicated that a total of 497-inches of trees will be planted as part of this development leaving an outstanding balance of 51-inches of trees. The applicant has submitted a letter stating that they intend to pay $6,375.00 (*i.e. 51-inches @ $125.00/inch*) into the Tree Fund to satisfy the remaining tree mitigation.

PHOTOMETRIC PLAN:

The applicant has submitted a photometric plan and lighting cut sheets that demonstrate conformance to all lighting requirements contained within Article 7, *Environmental Performance*, of the UDC.

BUILDING ELEVATIONS:

The building elevations submitted by the applicant show the grocery store building utilizing a mixture of cultured stone veneer (*i.e. Palo Pinto Cobble and Granbury Cobble*), architectural concrete block (*i.e. Quik Brik*), cast stone and stucco. The applicant will be requesting a variance to the 20% natural or quarried stone requirement stipulated by the N SH-205 OV District for the purpose of allowing the proposed cultured stone veneer. The building will incorporate various architectural elements (*e.g. canopies, recesses/projections, outdoor patios, varied roof heights, etc.*) to meet the articulation requirements stipulated by the UDC; however, the applicant will be requesting a variance to the four (4) sided architectural requirements stipulated for properties within the N SH-205 OV District for the purpose of allowing the rear building elevation to be less ornate than the front and side elevations. Additionally, the rear of the building will require variances to the horizontal/vertical articulation requirements and to the minimum 20% natural, quarried or cultured stone material requirement. The purpose of the requested variance is due to the façade's lack of visibility from a public right-of-way. These variances are not uncommon for larger *big-box* developments (*see the Variance section of this case memo*), but are a discretionary decision for the City Council.

The proposed convenience store and fuel center will utilize the same architectural concrete block and cultured stone as the grocery store building. Both buildings will incorporate a mansard roof utilizing the same colored standing seam metal roof as the grocery store. The columns of the fuel canopy will be wrapped in the same masonry materials utilized on the convenience store building. *With the exception of the requested variances, the building elevations for both buildings meet the requirements of the N SH-205 OV and the General Commercial District as stipulated by the UDC and Planned Development District 5 (PD-5)*.

According to Section 4.1.C.7 of Article V, *District Development Standards*, of the UDC, buildings in excess of 80,000 SF are required to submit a plan demonstrating that the building can be subdivide (*reasonably*) into multi-tenant spaces. The applicant has submitted a plan indicating that the building could be subdivided into four (4) tenant spaces with a service corridor leading to the loading docks. Staff has reviewed the plan and determined that it does meet the requirements stipulated by the UDC.

VARIANCES:

Based on the applicant's submittal staff has identified the following variances:

(1) *Building Materials.*

(a) *Masonry Material Requirements.* According to Section 6.11.C.1 of Article V, *District Development Standards*, of the UDC, each exterior wall that is visible from an open space or public street should incorporate a minimum of 20% natural or quarried stone (*i.e. excluding cultured or cast stone*). The applicant is requesting a variance to this requirement for the purpose of utilizing cultured stone veneer (*i.e. Palo Pinto Cobble and Granbury Cobble from Texas Stone Design, Inc.*) on all the exterior walls of the proposed grocery store and convenience store. *This variance will require a minimum of a ¾-majority vote to be approved by the City Council.*

(b) *Stone Requirements.* According to Section 4.1, *General Commercial District Standards*, of the UDC, each exterior wall should incorporate a minimum of 20% stone (*e.g. natural, quarried or cultured*). The building elevations submitted by the applicant show stone percentages on each building façade ranging from two (2) percent to 23.9% (*i.e. East: 2%; North: 23.9%; South: 20.6%; West: 20.2%*). The rear elevation (*i.e. East Elevation*) is the only elevation that is less than 20%. *This variance will require a simple majority vote to be approved by the City Council.*

(2) *Building Form.*

(a) *Articulation Requirements.* According to Section 4.1 of Article V, *District Development Standards*, of the UDC, all the facades of a building are required to meet minimum vertical and horizontal articulation requirements. In this case, the proposed grocery store building meets the horizontal and vertical articulation requirements on three (3) of the four (4) sides of the building. The only exception is the rear of the building in which the projections and off-sets are not deep enough to meet the minimum requirements. *This variance will require a simple majority vote to be approved by the City Council.*

(b) *4-Sided Architecture Requirements.* According to Section 6.11.C.5 of Article V, *District Development Standards*, of the UDC, buildings shall be designed so that they are architecturally finished on all four (4) sides. This means that buildings are required to utilize the same materials, detailing and features on all four (4) sides of the building. In this case, the only side of the building that is not meeting this requirement is the rear of the building. *This variance will require a minimum of a ¾-majority vote to be approved by the City Council.*

With respect to the requested variances, all of the variances are typical on larger *big-box* developments. The one exception is the variance request for cultured stone in lieu of natural or quarried stone. As part of this request, staff requested that at a minimum the applicant utilize a cultured stone product that contains pigment throughout the product. This is similar to the cultured stone products that have been granted in the Harbor District. While these variances are typical of a larger development, variances in general require recommendation by the Planning and Zoning Commission and discretionary approval by the City Council.

ARCHITECTURAL REVIEW BOARD (ARB):

On March 31, 2015, the Architectural Review Board (ARB) reviewed the building elevations provided with the original submittal. The board expressed concern that the building did not translate well in relation to comparable development within the City and did not adhere to the overlay district requirements. The board members specifically stated that the building lacked material variation, articulation, and architectural elements. Prior to making a recommendation the board asked the applicant to reconsider the building in relation to comparable development within the City and provide a product that better addressed the City's requirements. The applicant has since provided staff with updated building elevations that better address the

ARB's comments and the City's codes. This project will be re-reviewed by the board prior to the Planning and Zoning Commission meeting on April 14, 2015. Any recommendations from the board will be provided by the ARB Chairman prior to staff presenting the case.

On April 14, 2015, the ARB reviewed the resubmitted building elevations. The board felt that the intent of their comments were addressed; however, they did request that the applicant extend the glass at the entryways from above the canopies to grade. The purpose of this request was to create a more appealing storefront. The applicant has agreed to comply with the Board's recommendations.

RECOMMENDATIONS:

Should the City Council choose to approve the applicant's request, then the following conditions of approval should be adopted with this case:

1) All comments provided by the Planning, Engineering and Fire Department must be addressed prior to the submittal of a building permit;

2) All proposed grading, drainage and utility improvements will need to adhere to the Engineering Department's *Standards of Design Manual*.

3) Per the requirements of the N SH-205 OV District no light pole, pole base or combination thereof shall exceed 20-feet. Additionally, all lighting fixtures shall focus light downward and/ or be shielded;

4) Prior to the issuance of a building permit the applicant will need to satisfy all outstanding tree mitigation;

5) Any construction or building necessary to complete this *Site Plan* request must conform to the requirements set forth by the UDC, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On April 14, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the site plan and variances per staff's recommendations by a vote of 7-0.

RE: Kroger SW574
SP2015-007

Mr. Miller:
We respectfully request the following variances for the proposed Kroger project located at 1950 N Goliad St, Rockwall, TX 75087:

-Cultured Stone (Texas Stone) in place of natural stone

-Waiver for 20% stone on the rear elevation

-Waiver for horizontal and vertical articulations on the rear elevation

-Waiver for four sided architectural elements on rear elevation

-Waiver to the parking requirements to allow for more than two rows of parking in front of the building

Thank you for your consideration.

Sincerely,

Maria C. Bonilla

Dear Mr. Miller,

Kroger understands that there is an outstanding tree mitigation fee on the property we are planning to develop on at the southeast corner of Quail Run Road and Goliad Street in Rockwall, Texas. Kroger plans to pay $6,375 for the remaining 51 inches of trees not covered in our landscape plan for the development.

If you have any questions or concerns, please contact me at 972-785-6020.

Sincerely,

Jackie Kreda

CITY OF ROCKWALL LANDSCAPE REQUIREMENTS		
LANDSCAPE BUFFER	10' LANDSCAPE BUFFER STRIP REQUIRED ALONG PERIMETER	
	REQUIRED	PROVIDED
	10'	10'
STREET LANDSCAPING	1 CANOPY TREE PER EACH 50' OF STREET FRONTAGE	
	REQUIRED (GOLIAD ST)	PROVIDED
	478'/50 = 10 TREES	10 TREES
	REQUIRED (QUAIL RUN)	PROVIDED
	795'/50 = 16 TREES	16 TREES
	REQUIRED (MEMORIAL)	PROVIDED
	706'/50 = 14 TREES	14 TREES
PARKING LOT LANDSCAPING	5% OR 200 SF (WHICHEVER IS GREATER) IN INTERIOR LANDSCAPING	
	REQUIRED	PROVIDED
	149,370 X 5% = 7,470 SF	8,560 SF
PARKING LOT TREES	IF PARKING EXCEEDS 20,000 SF THEN 1 TREE PER 10 SPACES	
	REQUIRED	PROVIDED
	373 SPACES/10 = 37 TREES	37 NEW TREES
PARKING LOT TREES	ALL PARKING SPACES SHALL BE WITHIN 80' OF A TREE	
	REQUIRED	PROVIDED
	ALL SPACES WITHIN 80'	ALL SPACES WITHIN 80'
LANDSCAPE AREA	REQUIRED 15% OF TOTAL SITE IN LANDSCAPE AREA	
	REQUIRED	PROVIDED
	486,519 X 15% =72,977 SF	135,980 SF
LANDSCAPE AREA	50% OF REQUIRED LANDSCAPE AREA IN FRONT YARD	
	REQUIRED	PROVIDED
	72,977 X 50% = 36,489 SF	38,675 SF
DETENTION AREA REQUIRED TREES	ONE (1) TREE PER 750 SQ FT OF DETENTION AREA	
	REQUIRED	PROVIDED
	23,976 SF/ 750 = 32 TREES	32 TREES

OVERLAY DISTRICT LANDSCAPE REQUIREMENTS		
STREET LANDSCAPING	(3) 4" CANOPY TREES AND 4 ACCENT TREES FOR EACH 100' OF STREET FRONTAGE	
	REQUIRED (GOLIAD ST)	PROVIDED
	478'/100 X 3 = 14 TREES	14 TREES
	478'/100 X 4 = 19 ACCENT TREES	19 TREES
	20' LANDSCAPE BUFFER	
	BUILT UP BERM AND/OR SHRUBS,30" -48" MAX.	

NOTE:
- NO TREES SHALL BE PLANTED WITHIN 5' (HORIZONTALLY) FROM ANY PUBLIC UTILITY
- FOR ALL PLANTING ALONG 18' (LENGHT PARKING SPACES: ALL PLANTS MUST BE PLANTED A MINIMUM OF 4' FROM BACK OF CURB>

NOTE:
NO LANDSCAPE PLANTINGS WITHIN 18" OF PARKING LOT CURBS.

BERMUDA HYDROMULCH ALL DISTURBED AREAS

VICINITY MAP

PLANTING NOTES:
1. PRIOR TO PLANTING, CONTRACTOR SHALL CONTACT LANDSCAPE ARCHITECT TO APPROVE NEW TREES ON SITE. LANDSCAPE ARCHITECT SHALL MAKE ONE TRIP TO SITE TO INSPECT TREES. ALL TREES SHALL BE STORED AND HEELED IF REQUIRED PRIOR TO CONTACTING LANDSCAPE ARCHITECT FOR INSPECTION.
2. ALL PLANT MATERIAL TO BE NURSERY GROWN STOCK.
3. CONTRACTOR RESPONSIBLE FOR MAINTENANCE OF ALL PLANT MATERIAL UNTIL PROJECT ACCEPTANCE.
4. ALL CONTAINER GROWN PLANTS TO HAVE FULL, VIGOROUS ROOT SYSTEM, COMPLETELY ENCOMPASSING CONTAINER.
5. ALL PLANTS WELL ROUNDED AND FULLY BRANCHED. ALL TREES WITH SPREAD 2/3 OF HEIGHT.
6. CONTRACTOR TO PROVIDE OWNER WITH PREFERRED MAINTENANCE SCHEDULE OF ALL PLANTS AND LAWNS.
7. MAINTAIN/PROTECT VISIBILITY TRIANGLE WITH PLANT MATERIAL PER CITY STANDARDS AT ALL ENTRANCES TO SITE.
8. PREP ENTIRE WIDTH OF ALL DEFINED PLANTING BEDS WITH MIX AS OUTLINED IN SPECS. WHERE SHRUBS ARE LOCATED ALONG CURB, SET SHRUBS BACK FROM CURB 3 FT.
9. SEE DETAIL SHEET L-8 FOR PLANTING DETAILS.
10. CONTRACTOR RESPONSIBLE FOR LOCATION OF ALL UTILITIES, INCLUDING BUT NOT LIMITED TO TELEPHONE, TELECABLE, ELECTRIC, GAS, WATER AND SEWER. ANY DAMAGE TO UTILITIES TO BE REPAIRED BY CONTRACTOR AT NO COST TO OWNER.
11. EXISTING TREES ARE SHOWN TO REMAIN, CONTRACTOR SHALL PRUNE WITH APPROVAL OF OWNER AND CITY ARBORIST. WORK TO INCLUDE REMOVAL OF ALL SUCKER GROWTH; DEAD AND DISEASED BRANCHES AND LIMBS; VINES, BRIARS AND OTHER INVASIVE GROWTH; AND ALL INTERFERING BRANCHES, AS WELL AS BRANCHES THAT OBSTRUCT SIGN VISIBILITY. MAKE ALL CUTS FLUSH TO REMAINING LIMB. RETAIN NATURAL SHAPE OF PLANT. ALL WORK SUBJECT TO APPROVAL OF OWNER'S REPRESENTATIVE.
12. QUANTITIES ARE PROVIDED AS A COURTESY AND NOT INTENDED FOR BID PURPOSES. CONTRACTOR TO VERIFY PRIOR TO PRICING.
13. INSTALL EDGING BETWEEN LAWN AND PLANTING BEDS. REFER TO SPECIFICATIONS. FILE ALL CORNERS SMOOTH.
14. INSTALL CURLEX BLANKET (OR EQUAL) PER MANUFACTURES INSTRUCTIONS ON ALL GROUNDCOVER/SHRUB BEDS WITH A SLOPE OF 4:1 OR GREATER.
15. AT TIME OF PLAN PREPARATION, SEASONAL PLANT AVAILABILITY CANNOT BE DETERMINED. IT IS THE RESPONSIBILITY OF THE CONTRACTOR TO SECURE AND RESERVE ALL B&B PLANTS WHEN AVAILABLE IN CASE ACTUAL INSTALLATION OCCURS DURING THE OFF-SEASON. PURCHASE AND HOLD B&B PLANTS FOR LATE SEASON INSTALLATION.
16. BERM ALL PARKING LOT ISLANDS AS SHOWN ON ENCLOSED DETAIL SHEET. (BERMS MAY NOT BE SHOWN ON GRADING PLAN.)
17. PRIOR TO TREE PLANTING, CONTRACTOR SHALL STAKE TREE LOCATIONS FOR APPROVAL BY OWNER.

CAUTION!!!

Actual field conditions may vary from those represented in this lighting application. Eaton assumes no responsibility for the accuracy and correctness of all measurements, area, inventories or other data extracted from this, either manually or with the use of a computer. This light level analysis is an estimate only, and is based on estimated reflectance values for interior applications or estimated pole locations for exterior applications. Actual light levels may vary from those shown in this analysis due to factors beyond our control. Eaton does not guarantee actual light levels obtained. This analysis is a mathematical model and can be only as accurate as is permitted by the third party software and the IES standards used. In addition calculated values may vary from actual measurements in certain situations due to variances, such as but not limited to, lamp output, input voltage (ballast variances, manufacturing tolerances), temperature, dirt accumulation, and maintenance. Eaton assumes no responsibility for any such variations. Eaton will only warrant the Lighting application drawings are being provided to the recipient of this disclaimer.

Project Name: KROGER #574 ROCKWALL, TX

Client: GREG STEIN

Drawn By: Arnel Uy

Date: 4/8/2015

Project No: 1500935.AGI

DESCRIPTION

The LRC LED Recessed Canopy Luminaire is specifically designed for recessed applications in single or double skin canopies. Three specialized optics are optimized for efficiency and uniformity, delivering high light levels on task. Typical applications include retail gas stations, convenience stores, banks and pharmacy drive thru canopies. UL/cUL listed for wet locations.

Catalog #		Type
Project		
Comments		Date
Prepared by		

SPECIFICATION FEATURES

Construction
Heavy-duty cast aluminum housing with aluminum mounting frame. Wet location driver enclosure is elevated to prevent water ingress. 1/2" knockouts provided for wiring connections. IP66 Rated.

Optics
Dedicated optical cavities for the array of 16 individual LEDs to maximize the efficiency and control of the distribution out of each module. To enhance visual comfort, a glare-reducing optical system is utilized to maximize delivered lumens while minimizing glare. Scalable in 1, 2 or 4 Light Square LED modules to optimize cost and lumen output. Each reflector is precision manufactured via injection molding and coated with a highly reflective optical coating via vacuum metallization. Two symmetric optics and one asymmetric optic are specifically designed for efficiency and uniformity. Offered standard in 4000K (+/- 275K) CCT and nominal 70 CRI. Optional 6000K CCT with nominal 70 CRI, and 3000K with nominal 80 CRI.

Electrical
LED driver is enclosed in a wet location box, designed to manage thermals for longevity. 120-277V 50/60Hz, 347V 60Hz or 480V 60Hz operation. Optional proprietary circuit module designed to withstand 10kV of transient line surge. 90% lumen maintenance expected at 60,000 hours. The LRC LED Recessed Canopy Luminaire is suitable for operation in -40°C to 40°C ambient operations.

Mounting
Designed to recess in single or double skin canopies. Luminaire can be installed from above or below canopy, through 14" square cutout in the canopy.

Finish
Housing and lens frame are finished in Super TGIC polyester powder cost paint, 2.5 mil nominal thickness for superior protection against fade and wear. Standard housing and lens frame trim finished in true white color. Optional lens frame trim colors include white, grey, black, bronze, dark platinum, and graphite metallic. RAL and color matches available.

Warranty
Five-year warranty.

Notes:
1. DesignLights Consortium® Qualified. Refer to www.designlights.org Qualified Products List under Family Models for details.
2. 950mA available only in 16 LEDs. 700mA available in 16 or 32 LEDs. 450mA available only in 32 or 64 LEDs. 350mA only available in 32 or 64 LEDs.
3. Not to be used with un-grounded systems.
4. Not available in 347V or 480V. Not available with 16 LEDs. Not available with 32 LEDs in 350mA or 450mA.
5. Only applies with VAT distribution. MST and WST distributions are symmetrical.
6. Consult factory for lead times and lumen multiplier.

DESCRIPTION

The Galleon™ LED luminaire delivers exceptional performance in a highly scalable, low-profile design. Patented, high-efficiency AccuLED Optics™ system provides uniform and energy conscious illumination to walkways, parking lots, roadways, building areas and security lighting applications. IP66 rated.

Catalog #		Type
Project

SPECIFICATION FEATURES

Construction
Extruded aluminum driver enclosure thermally isolated from Light Squares for optimal thermal performance. Heavy-wall, die-cast aluminum end caps enclose housing and die-cast aluminum heat sinks. A unique, patent pending interlocking housing and heat sink provides scalability with superior structural rigidity. 3G vibration tested. Optional tool-less hardware available for ease of entry into electrical chamber. Housing is IP66 rated.

Optics
Choice of 16 patented, high-efficiency AccuLED Optics. The optics are precisely designed to shape the distribution maximizing efficiency and application spacing. AccuLED Optics create consistent distributions with the scalability to meet customized application requirements. Offered standard in 4000K (+/- 275K) CCT and minimum 70 CRI. Optional 6000K CCT and 3000K CCT. For the ultimate level of spill light control, an optional house side shield accessory can be field or factory installed. The house side shield is designed to seamlessly integrate with the SL2, SL3, SL4 or AFL optics.

Electrical
LED drivers are mounted to removable tray assembly for ease of maintenance. 120-277V 50/60Hz, 347V 60Hz or 480V 60Hz operation. Standard with 0-10V dimming. Shipped standard with Cooper Lighting proprietary circuit module designed to withstand 10kV of transient line surge. The Galleon LED luminaire is suitable for operation in -40°C to 40°C ambient environments. For applications with ambient temperatures exceeding 40°C, specify the HA (High Ambient) option. Light Squares are IP66 rated. Greater than 90% lumen maintenance expected at 60,000 hours. Available in standard 1A drive current and optional 530mA and 700mA drive currents.

Mounting
Extruded aluminum arm includes internal bolt guides allowing for easy positioning of fixture during assembly. Designed for pole or wall mounting. When mounting two or more luminaires at 90° or 120° apart, the EA extended arm may be required. Refer to the arm mounting requirement table on page 3. Round pole top adapter included. For wall mounting, specify wall mount bracket option. 3G vibration rated.

Finish
Housing finished in super durable TGIC polyester powder coat paint, 2.5 mil nominal thickness for superior protection against fade and wear. Heat sink is powder coated black. Standard colors include black, bronze, grey, white, dark platinum and graphite metallic. RAL and custom color matches available. Consult the McGraw-Edison Architectural Colors brochure for the complete selection.

Warranty
Five-year warranty.

Options (Add as Suffix)

2L=Two Circuits [7, 8]
7030=70 CRI 3000K [9]
8030=80 CRI 3000K [10]
7050=70 CRI 5000K [10]
7060=70 CRI 6000K [9]
530=Drive Current Factory Set to 530mA [11]
700=Drive Current Factory Set to 700mA [11]
F=Single Fuse (120, 277 or 347V. Must Specify Voltage)
FF=Double Fuse (208, 240 or 480V. Must Specify Voltage)
P=Button Type Photocontrol (120, 208, 240 or 277V)
PER7=NEMA 7-PIN Twistlock Photocontrol Receptacle
R=NEMA Twistlock Photocontrol Receptacle
HA=50°C High Ambient [8, 12]
MS/DIM-L08=Motion Sensor for Dimming Operation, Maximum 8' Mounting Height [13, 14, 15, 16, 17]
MS/DIM-L20=Motion Sensor for Dimming Operation, 9' - 20' Mounting Height [13, 14, 15, 16, 17]
MS/DIM-L40=Motion Sensor for Dimming Operation, 21' - 40' Mounting Height [13, 14, 15, 16, 19]
MS/DIM-L40W=Motion Sensor for Dimming Operation, 21' - 40' Mounting Height (Wide Range) [13, 14, 15, 16, 20]
MS/X-L08=Bi-Level Motion Sensor, Maximum 8' Mounting Height [13, 14, 15, 16, 17, 21]
MS/X-L20=Bi-Level Motion Sensor, 9' - 20' Mounting Height [13, 14, 15, 16, 18, 21]
MS/X-L40=Bi-Level Motion Sensor, 21' - 40' Mounting Height [13, 14, 15, 16, 19, 21]
MS/X-L40W=Bi-Level Motion Sensor, 21' - 40' Mounting Height (Wide Range) [13, 14, 15, 16, 20, 21]
MS-L08=Motion Sensor for ON/OFF Operation, Maximum 8' Mounting Height [13, 14, 15, 16, 17]
MS-L20=Motion Sensor for ON/OFF Operation, 9' - 20' Mounting Height [13, 14, 15, 16, 18]
MS-L40=Motion Sensor for ON/OFF Operation, 21' - 40' Mounting Height [13, 14, 15, 16, 19]
MS-L40W=Motion Sensor for ON/OFF Operation, 21' - 40' Mounting Height (Wide Range) [13, 14, 15, 16, 20]
DIMRF-LW=LumaWatt Wireless Sensor, Wide Lens for 8' - 16' Mounting Height [22]
DIMRF-LN=LumaWatt Wireless Sensor, Narrow Lens for 16' - 40' Mounting Height [22]
L90=Optics Rotated 90° Left
R90=Optics Rotated 90° Right
MT=Factory Installed Mesh Top
TH=Tool-less Door Hardware
LCF=Light Square Trim Plate Painted to Match Housing [23]
HSS=Factory Installed House Side Shield [24]

Accessories (Order Separately)

OA/RA1016=NEMA Photocontrol Multi-Tap - 105-285V
OA/RA1027=NEMA Photocontrol - 480V
OA/RA1201=NEMA Photocontrol - 347V
OA/RA1013=Photocontrol Shorting Cap
OA/RA1014=120V Photocontrol
MA1252=10kV Surge Module Replacement
MA1036-XX=Single Tenon Adapter for 2-3/8" O.D. Tenon
MA1037-XX=2@180° Tenon Adapter for 2-3/8" O.D. Tenon
MA1197-XX=3@120° Tenon Adapter for 2-3/8" O.D. Tenon
MA1188-XX=4@90° Tenon Adapter for 2-3/8" O.D. Tenon
MA1189-XX=2@90° Tenon Adapter for 2-3/8" O.D. Tenon
MA1190-XX=3@90° Tenon Adapter for 2-3/8" O.D. Tenon
MA1191-XX=2@120° Tenon Adapter for 2-3/8" O.D. Tenon
MA1038-XX=Single Tenon Adapter for 3-1/2" O.D. Tenon
MA1039-XX=2@180° Tenon Adapter for 3-1/2" O.D. Tenon
MA1192-XX=3@120° Tenon Adapter for 3-1/2" O.D. Tenon
MA1193-XX=4@90° Tenon Adapter for 3-1/2" O.D. Tenon
MA1194-XX=2@90° Tenon Adapter for 3-1/2" O.D. Tenon
MA1195-XX=3@90° Tenon Adapter for 3-1/2" O.D. Tenon
FSIR-100=Wireless Configuration Tool for Occupancy Sensor [25]
GLEON-MT1=Field Installed Mesh Top for 1-4 Light Squares
GLEON-MT2=Field Installed Mesh Top for 5-6 Light Squares
GLEON-MT3=Field Installed Mesh Top for 7-8 Light Squares
GLEON-MT4=Field Installed Mesh Top for 9-10 Light Squares
LS/HSS=Field Installed House Side Shield [24, 26]

Notes:
1. DesignLights Consortium® Qualified. Refer to www.designlights.org Qualified Products List under Family Models for details.
2. Standard 4000K CCT and minimum 70 CRI.
3. Requires the use of a step down transformer when combined with MS/DIM, MS/X or DIMRF.
4. Not recommended for use with ungrounded, delta configured systems.
5. May be required when two or more luminaires are oriented on a 90° or 120° drilling pattern. Refer to arm mounting requirement table.
6. Factory installed.
7. 2L is not available with MS, MS/X or MS/DIM at 347V or 480V. 2L in AE-02 through AE-04 requires a larger housing, normally used for AE-05 or AE-06. Extended arm option may be required when mounting two or more fixtures per pole at 90° or 120°. Refer to arm mounting requirement table.
8. Not available with LumaWatt wireless sensors.
9. Extended lead times apply. Use dedicated IES files for 3000K and 6000K when performing layouts. These files are published on the Galleon luminaire product page on the website.
10. Extended lead times apply. For 8030, factor 7030 IES files x .92 (8% lumen loss). For 7050, use 7060 IES files.
11. 1 Amp standard. Use dedicated IES files for 530mA and 700mA when performing layouts. These files are published on the Galleon luminaire product page on the website.
12. 50°C lumen maintenance data applies to 530mA and 700mA drive currents.
13. Consult factory for more information.
14. Utilizes internal step down transformer when 347V or 480V is selected.
15. The FSIR-100 configuration tool is required to adjust parameters including high and low modes, sensitivity, time delay, cutoff and more. Consult your Eaton's Cooper Lighting business representative for more information.
16. Not available with HA option.
17. Approximately 22' detection diameter at 8' mounting height.
18. Approximately 40' detection diameter at 20' mounting height.
19. Approximately 60' detection diameter at 40' mounting height.
20. Approximately 100' detection diameter at 40' mounting height.
21. Replace X with number of Light Squares operating in low output mode.
22. LumaWatt wireless sensors are factory installed only requiring network components RF-EM1, RF-GW1 and RF-ROUT1 in appropriate quantities. See www.cooperlighting.com for LumaWatt application information.
23. Not available with house side shield (HSS).
24. Only for use with SL2, SL3, SL4 and AFL distributions. The Light Square trim plate is painted black when the HSS option is selected.
25. This tool enables adjustment of parameters including high and low modes, sensitivity, time delay, cutoff and more. Consult your Eaton's Cooper Lighting business representative for more information.
26. One required for each Light Square.

MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **April 15, 2015**

SUBJECT: **Downtown Restrooms**

There is an item on the Council agenda for Monday, April 20 regarding the options for adding public restrooms in the downtown area. Although I will not be able to be in attendance at the meeting, I wanted to present a few options for Council consideration. Bethany and I spoke about options available within the last two weeks and without additional financial commitment, we did not see an opportunity to have public restrooms available for Farmers Market or the weekend music series in San Jacinto Plaza.

Permanent Public restrooms

One option to make restroom facilities available to the public in the downtown area would be to build or renovate an existing building for permanent public restrooms. Although this option would be the most expensive, it would provide restrooms outside of special events and contribute to the pedestrian friendly nature that we seek and encourage longer public visits to the area. From a cost standpoint, pre-fabricated restroom facilities, such as those that have been purchased for our park facilities cost around $125,000 plus the land and installation costs. The acquisition of an existing building through a lease or purchase and the renovation costs would vary too greatly to estimate a cost without a specific location. If the Council is interested in getting estimates at one or more locations in the downtown area, we can begin that immediately. This option will be the slowest to get in place and may not be acceptable.

Use of Existing Facilities

The County Courthouse and the Center are the only two public buildings within the downtown area. During the hours of the Farmers Market, the Center is open to the public at 9:00am and is open until 4:00pm. Restrooms are easily accessible within the building without disrupting any ongoing activities. The County Courthouse may be able to be opened to the public but would require staffing that is not currently in place.

To have public restrooms available for the San Jacinto Plaza music series, The Center or the Courthouse could be opened with additional staffing. The City can open the Center on Friday and Saturday evenings from 5:45pm to 9:15pm for 32 weeks at a cost

of $2500 annually for staff costs. There will be multiple occasions where a party has paid for a private rental and conflicts may develop with the patrons utilizing the restrooms.

Restroom Trailer

The option of utilizing the restroom trailer is available when not being used for other special events although the number of conflicts is minimal. For Farmers Market, the use of the trailer would require 2 Parks Department employees to deliver, monitor, clean and return the trailer to the Service Center. The Water/Wastewater Department would need to pump out the trailer each Monday morning. The estimated cost for the overtime for the Farmers Market is approximately $5,800 for the 22 week season.

To utilize the restroom trailer at the San Jacinto Plaza music series would require the same staffing levels and the estimated overtime cost is $14,000.

Portable Rental Restrooms

Probably our least desirable option is the rental of portable restrooms. These typically rent for $90 a day each and the pick-up charge for a weekend is an additional cost. If the Council desires more information on this option, we can get that information very quickly.

Each option has costs that have not been budgeted and would require a budget amendment. Another option to address restrooms during the Farmers Market may be a joint solution between the Friends of Downtown and the City. Since the revenue from the Farmers Market goes directly to the Friends of Downtown and the event is not a City event, one option to consider would be for the City Council to waive the rental fee of the restroom trailer and the Friends of Downtown reimburse the City for the overtime costs. The Friends of Downtown currently has a fund balance of approximately $14,000. Additional optional funding sources are the General Fund Reserve or the Downtown Fund which has a fund balance of approximately $15,000

We are prepared to schedule the staff according to the direction and timeline provided by the Council.

Rockwall, Texas

Proclamation

Whereas, approximately 900,000 law enforcement officers serve in communicates across the U.S., including the dedicated members of the Rockwall Police Department; and

Whereas, nearly 60,000 assaults against officers are reported each year, resulting in approximately 16,000 injuries; and

Whereas, since the first recorded death in 1791, more than 20,000 law enforcement officers in the U.S. have made the ultimate sacrifice and been killed in the line of duty; and

Whereas, the names of these dedicated public servants are engraved on the walls of the National Law Enforcement Officers Memorial in Washington, D.C.; and

Whereas, hundreds of new names will be added to the memorial this spring to commemorate fallen heroes killed in the last few years; and

Whereas, May 15 is designated as Peace Officers Memorial Day, in honor of fallen officers and their families, and U.S. flags are to be flown at half-staff that day;

Now, Therefore, I, Jim Pruitt, Mayor of the City of Rockwall, Texas, do hereby proclaim May 10-16, 2015 as

POLICE WEEK

in the City of Rockwall, and urge all citizens to publicly salute the service of law enforcement officers both in our community and around the nation.

In Witness Whereof, I hereunto set my hand and official seal this 4th day of May, 2015.

Rockwall, Texas

Proclamation

Whereas, recreational boating continues to grow in popularity with millions of Americans choosing this activity as an ideal way to relax with their families; and

Whereas, increasing public participation in this healthy outdoor sport has emphasized the need for greater attention to courtesy and safety to minimize incidents which often lead to boating mishaps; and

Whereas, a significant number of boaters who have drowned would have had a better chance of surviving had they worn a life jacket; and

Whereas, the U.S. Coast Guard Auxiliary, Flotilla 5-10, Division 5, District 8CR, which represents Lake Ray Hubbard, supports programs which result in our waterways having a relatively safe, accident free record.

Now, therefore, I, Jim Pruitt, Mayor of the City of Rockwall, do hereby proclaim the week of **May 16-22, 2015**, as

Safe Boating Week

in the City of Rockwall and urge all residents to practice safe boating procedures and "Wear It" this week and throughout the boating season.

In Witness Whereof, I hereunto affix my hand and official seal this 4th day of May, 2015.

13

Rockwall, Texas

Proclamation

Whereas, the first Continental Congress called for a national day of prayer in 1775, as did Abraham Lincoln in 1863; and

Whereas, Congress established National Day of Prayer as an annual event in 1952 by a joint resolution signed by President Truman; and

Whereas, the law was amended and signed by President Reagan in 1988, officially designating the first Thursday in May for its observance; and

Whereas, this year's theme, "Lord, Hear Our Cry," emphasizes the need for individuals, corporately and individually, to place their faith in the unfailing character of their Creator, who is sovereign over all governments, authorities, and men; and

Whereas, to further highlight this year's theme, I Kings 8:28 has been chosen as the designated Scripture, and it reads as follows: "Hear the cry and the prayer that your servant is praying in your presence this day."

Now, Therefore, I, Jim Pruitt, Mayor of the City of Rockwall, Texas, do hereby recognize Thursday, May 7, 2015 as

NATIONAL DAY OF PRAYER

in the City of Rockwall, and invite all citizens to join me on this day and every day to pray for our nation, our state and our city.

In Witness Whereof, I hereunto set my hand and official seal this 4th day of May, 2015.

MINUTES
ROCKWALL CITY COUNCIL
Monday, April 20, 2015
4:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pruitt called the meeting to order at 4:00 p.m. Present were Mayor Jim Pruitt, Mayor Pro Tem Dennis Lewis and City Council Members David White, Mike Townsend, John Hohenshelt, Scott Milder, and Bennie Daniels. Also present were City Manager Rick Crowley and Assistant City Manager Mary Smith. City legal counsel Patrick Lindner was present (filling in for City Attorney Frank Garza). Assistant City Manager Brad Griggs was absent from the meeting.

II. WORK SESSION

Mayor Pruitt announced that this item was mistakenly included on the posted meeting agenda and that no work session will actually be held this evening.

Mayor Pruitt then read the below listed discussion items into the public record before recessing the meeting into Executive Session at 4:01 p.m.

III. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding legal matters related to land lease operations at Ralph Hall Municipal Airport pursuant to Section 551.071 (Consultation with Attorney).
2. Discussion regarding deliberation of appointment of public officer to North TX Municipal Water District Board, pursuant to Section 551.074 (personnel matters).
3. Discussion regarding incentives to tenured employees and possible legal issues pursuant to Section 551.074 (Personnel Matters) and Section 551.071 (Consultation with Attorney).
4. Discussion regarding legal claim related to back up of city sewage line in Random Oaks Subdivision pursuant to Section 551.071 (Consultation with Attorney)
5. Discussion regarding legal claim: Jack R. Athey vs. Rockwall Police Chief Mark Moeller, Rockwall County Emergency Services Corporation, and the City of Rockwall pursuant to Section 551.071 (Consultation with Attorney)
6. Discussion regarding the Animal Services Shelter and Adoption Services Agreement between the City of Rockwall and Collin County Humane Society pursuant to Section 551.071 (Consultation with Attorney).

7. Discussion regarding City Manager's performance evaluation and contract pursuant to Section 551.074 (Personnel Matters) and Section 551.071 (Consultation with Attorney)

IV. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 5:30 p.m.

V. RECONVENE PUBLIC MEETING

Mayor Pruitt reconvened the public meeting at 6:00 p.m. with all seven city council members being present.

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Pro Tem Lewis made a motion to reappoint Bill Lofland to serve as one of the city's two representatives on the North Texas Municipal Water District Board (term will expire May 31, 2017). Councilmember White seconded the motion, which passed by a vote of 7 ayes to 0 nays.

Mayor Pro Tem Lewis made a motion to approve the first amendment to the employment agreement for Rockwall City Manager Rick Crowley effective April 6, 2015. Councilmember White seconded the motion, which passed by a vote of 7 in favor with 0 against.

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER SCOTT MILDER

Councilmember Milder delivered the invocation and led the Pledge of Allegiance.

VIII. PROCLAMATIONS / AWARDS

1. Motorcycle Safety and Awareness Month

Mayor Pruitt called forth several representatives of various motorcycle clubs who were present. After brief introductions, he then read and presented the proclamation to this group. Representatives of the group expressed interest in partnering with the city to install "Share the Road" (with motorcyclists) signs.

2. 9-1-1 Dispatcher Appreciation Day

Mayor Pruitt called forth the Dispatch Manager, Kim Barry, and Dispatch Supervisors Kristina Williams, Tosha Marks as well as dispatcher Christopher Minckler. The mayor then read and presented staff with this proclamation.

3. Animal Control Officer Appreciation Day

Mayor Pruitt called forth Joyce Ross, Animal Control Officer for the City of Rockwall, to whom he then read and presented the proclamation.

IX. CONSENT AGENDA

1. Consider approval of the minutes from the April 6, 2015 regular city council meeting, and take any action necessary.

2. Consider authorizing the City Manager to execute an agreement with Insituforms Technologies LLC to repair wastewater pipe damage at the Random Oaks subdivision in the amount of $16,750 and approval of a wastewater operations budget amendment of $20,000 to provide funding for the project and take any action necessary

3. Z2015-011 - Consider approval of an ordinance for a City initiated zoning request for the approval of a text amendment to Article IX, Tree Preservation, Section 11.1, Tree fund administration, of the Unified Development Code [Ordinance No. 04-38] for the purpose of modifying this section of the code, and take any action necessary. (2nd reading)

4. P2015-012 - Consider a request by Warren Corwin of Corwin Engineering on behalf of Ryan Joyce of the Skorburg Company (BH Phase V 80' POD, SF, LTD) for the approval of a preliminary plat for 79 single family residential lots, identified as Phase V of the Breezy Hill Subdivision, being a 25.597-acre tract of land situated within the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74) for Single Family 10 (SF-10) District land uses, situated on the west side of Breezy Hill Road north of the intersection Breezy Hill Road and FM-552, and take any action necessary.

5. Discuss and consider approval of a resolution associated with dedication of open space at the Park at Stone Creek as part of the Texas Parks and Wildlife Department grant process, and take any action necessary.

Mayor Pro Tem Lewis pulled item #2 and asked that it be held for consideration until later on in the meeting.

Councilmember White made a motion to approve the remaining items (#s 1, 3, 4, and 5). Councilmember Milder seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-13

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, BY AMENDING SECTION 11.1 OF ARTICLE IX, *TREE PRESERVATION*; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed unanimously of council (7-0).

Consent Agenda item #2 was addressed following Appointment Item #4. Regarding Consent Agenda item #2, City Engineer Tim Tumulty explained that it appears a contractor who was working on the HOA's retaining wall at some point in the past hit the sewer line and dropped rock and concrete into the existing sewer pipe. He explained that this agenda item will provide funding needed in order to make repairs to the line. Mayor Pro Tem Lewis made a motion to approve Consent Agenda item #2. Mayor Pruitt seconded the motion. After brief comments, the motion passed by a vote of 7 ayes to 0 nays.

Public Hearing items were addressed next by Council.

X. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Chairman of the Planning & Zoning Commission, Craig Renfro, came forth and briefed the council on recommendations of the Commission relative to items on tonight's city council meeting agenda. No action was taken concerning this agenda item.

2. Appointment with Frank Conroy of Fox, Byrd & Company PC to present the city's Fiscal Year 2014 Comprehensive Annual Financial Report, and take any action necessary.

Mr. Frank Conroy came forth and briefed the Council on results of the city's FY2014 annual audit. He generally indicated that the city's finances are in good shape. The general fund balance for reserves is favorable as well. He indicated that, overall, the City of Rockwall is being managed with sound financial management. The council took no action concerning this agenda item.

3. Appointment with Mr. Tom Galli to hear update regarding a Memorial Day concert scheduled to be held at The Harbor on Sunday evening, May 24th at 7:00 p.m., and take any action necessary.

Mr. Galli came forth to address the council. He indicated that the promotional poster for the concert was designed by a local veteran who served in military and in the 'global war on terror.' He indicated that this event aims to serve as a recurring civic commemoration to honor those who have served and to educate citizens on those who have served and on past wars which have taken place. He briefed the council on the musicians who are slated to perform as well as the narrator who is scheduled to emcee the event. He further indicated that the Rockwall Police Department Honor Guard and the Rockwall Community Band will play a part in the event as well.

Mayor Pruitt thanked Mr. Galli and his counterparts for taking on this project. He expressed appreciation regarding the program they have put together. Councilmember Milder asked who is supporting and funding the event. He indicated that the city has provided funding and a budget; however, the expenses will be very minor. In addition, the local American Legion, some local businesses, local Boy Scout groups and the Hilton Hotel are all playing some role in making the event possible. The council took no action concerning this agenda item.

4. Appointment with Mrs. JoAnn Marsh and her neighbors to hear concerns related to sewage issues in their neighborhood (Random Oaks subdivision), and take any action necessary.

Chris and JoAnn Marsh
1947 Random Oaks Drive
Rockwall, TX

Mr. Marsh indicated that about seventy-five homes are located within the Random Oaks subdivision, which is near the CVS and is generally located near SH-205 at Quail Run. He generally indicated that several sewage-related concerns have been present in the neighborhood for many years, ever since they moved into their home. Mrs. Marsh proceeded to share a PowerPoint presentation with the city council, which highlighted a history of the problem, steps the city has previously taken to help resolve problems, health related concerns she and her son have had, a sewage backup that recently occurred at her neighbor's home in January of this year, and an overall plea for the city to resolve their issues.

Mr. Marsh came forth and provided additional details concerning the sewage-related problems. He suggested that perhaps there is a city lift station that is not sufficient.

Larry Brown came forth and indicated that he moved into Random Oaks in 1997. In January of this year, he and his wife were home when they witnessed sewage backing up in both of their bathrooms, including in the shower, tub and toilets. Two homes, including his in January of this year and one back in 2008, have sustained sewage-related damage.

502 Bending Oaks
Rockwall, TX

Mr. and Mrs. Zopp came forth and indicated they moved into their home in 1998. They have been noticing a sewage smell while on their daily, evening walks ever since they moved into Random Oaks. She has personally called the city about three times for water mains that have broken at the top of the hill, which has caused water to rush down into their yard.

Mrs. Marsh again came forth and shared a hand drawn map with council member to depict where she and her neighbors live. She indicated that the manhole the city uncovered in their driveway in about 2011 has exploded twice. Generally speaking, she and her neighbors have smelled sewage ever since they have lived in Random Oaks (for at least fifteen or twenty years, if not more).

Councilmember Milder asked for City Engineer Tim Tumulty to explain why they city installed a manhole in the Marsh's driveway. Mr. Tumulty indicated that the contractor who built their home had covered up an existing manhole when he poured their driveway. So they city uncovered it.

Mayor Pro Tem Lewis indicated that his brother lives near the Marsh's, on the same street in fact. His brother has indicated to him that he has experienced some smell-related problems.

Mayor Pruitt thanked Mr. and Mrs. Marsh and their neighbors for coming forth and sharing these concerns with the city council. He then explained that the City Council will address Consent Agenda item #2, which deals with taking steps to repair the broken/damaged sewer line underneath the retaining wall that the HOA's contractor impacted while doing work on the wall. The council took no action concerning this Appointment Item.

XI. PUBLIC HEARING ITEMS

1. Z2015-012 - Hold a public hearing to discuss and consider the approval of an ordinance for a request by Cindy Levandowski on behalf of the owner Terry Rowe for the approval of an amendment to a Specific Use Permit [Ordinance No. 09-28] to allow for a General Retail Store within Planned Development District 50 (PD-50) for a 0.16-acre parcel of land identified as Lot 1, Block 1, Henry Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, situated within the North Goliad Corridor Overlay (NGC OV) District, addressed as 907 N. Goliad Street, and take any action necessary [1st Reading].

Senior Planner David Gonzales provided background information related to this agenda item. He explained that the owner is currently wishing to open up a boutique type store selling merchandise for ladies and babies. It will occupy about 500 square feet of the existing 1,000 square foot home/business. A description of the operation being proposed, including the anticipated days and hours of operation were included in council member packets. Notices were sent out to property owners and HOA's located within 500' of the subject property. Two notices were received back in favor, and one was received back in opposition. The Planning & Zoning Commission has recommended approval of this item as previously indicated by Chairman Renfro.

Mayor Pruitt opened the public hearing and asked if the applicant or anyone in the audience would like to come forth and speak at this time. There being no one indicating such, he then closed the public hearing.

Councilmember White made a motion to approve Z2015-012 with staff recommendations. Councilmember Townsend seconded the motion.

The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-____
SPECIFIC USE PERMIT NO. S-____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO AMEND SPECIFIC USE PERMIT (SUP) NO. S-68

[*ORDINANCE NO. 09-28*] TO ALLOW FOR A GENERAL RETAIL STORE IN A RESIDENTIAL-OFFICE (RO) DISTRICT, ON A 0.16-ACRE PARCEL OF LAND IDENTIFIED AS LOT 1, BLOCK 1, HENRY ADDITION, GENERALLY LOCATED AT 907 N. GOLIAD STREET, AND ZONED PLANNED DEVELOPMENT DISTRICT NO. 50 (PD-50), CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 7 ayes to 0 nays.

2. P2015-008 - Hold a public hearing to discuss and consider a request by Michael Clark for the approval of a residential replat for Lots 6 & 7, Block K, Sanger Brothers Addition, being a 0.23-acre parcel of land currently identified as the eastern ½ of Lot 3, Block K, Sanger Brothers Addition, City of Rockwall, Rockwall County, Texas, zoned Single Family 7 (SF-7) District, situated within the Southside Residential Neighborhood Overlay (SRO) District, addressed as 808 Sam Houston Street, and take any action necessary.

Mr. Gonzales provided brief background information concerning this agenda item. He indicated that thirty-eight notices were sent out to adjacent property owners. One notice was received back by staff expressing opposition to this item. The Planning & Zoning Commission has recommended its approval with staff recommendations (vote of 7 to 0).

Mayor Pruitt opened the public hearing and asked if anyone would like to come forth and speak. There being no one, Mayor Pruitt then closed the public hearing.

Councilmember Townsend made a motion to approve P2015-008. Councilmember White seconded the motion, which passed unanimously of council (7 - 0).

XII. ACTION ITEMS

1. Discuss and consider approval of a resolution regarding TxDot planning for SH205, and take any action necessary.

City Manager Rick Crowley provided background information concerning this agenda item, generally indicating that the City of Rockwall prefers that John King Boulevard be designated as the preferred, future route for SH-205. Mayor Pruitt indicated that he, another council member, and Mr. Crowley recently met with the city's state representatives to discuss their strong support and preference for John King to be utilized for this purpose. It fiscally makes the most sense for the state of Texas and for the city, as the city does not wish to have large trucks and large amounts of traffic traversing through the historic downtown area. This designation, should it occur, would mean that Goliad would be extended northward through downtown and would be taken over and maintained as a city owned and operated street.

Mayor Pruitt made a motion to approve the resolution. Councilmember White seconded the motion. Councilmember White indicated that he would like this resolution to be sent to TXDOT, our state representatives as well as our county representatives. After brief comments, the motion passed by a vote of 7-0.

2. Discuss and consider a recommendation from the City Council's Hotel Tax Subcommittee regarding a supplemental funding request from the Soroptimist Club for the annual Country Fair and take any action necessary.

Assistant City Manager Mary Smith provided brief background information concerning this agenda item. She indicated that a request of up to $20,000 was recently reviewed by the city council subcommittee (Lewis, White and Townsend), and the sub-committee is recommending that the council consider approving $2,500 of funding for this event. The funding, if approved, will be utilized for the 2nd annual Country Fair being held by the local Soroptimist group at the end of May.

Mayor Pro Tem Lewis made a motion to approve the recommended $2,500 of funding. Councilmember White seconded the motion, which passed by a vote of 7 ayes to 0 nays.

3. SP2015-007 - Discuss and consider a request by Maria Bonilla of Winkelmann and Associates, Inc. on behalf of Mark Matise of MAKKO Goliad I, LP for the approval of a site plan and associated variances for a grocery store and fuel center on a 11.28-acre tract of land identified as Lots 2 & 3, Block A, Quail Run Retail Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 5 (PD-5) for General Retail (GR) District land uses, situated within the North SH-205 Overlay (N. SH-205 OV) District, located at the southeast corner of the intersection of N. Goliad Street (SH-205) and E. Quail Run Road, and take any action necessary.

Senior Planner David Gonzales provided brief background information related to this agenda item. He explained that this building will include six gas pumps as well as a drive-thru pharmacy on the north end of the building (with three drive-thru lanes). Also, a truck loading dock area will be located on the south end of the building along with the detention pond area. He explained that the size of the building requires a 30' landscape buffer. This buffer will be included along with an additional 30' fire lane access designation (the building sits 60' back). As part of the landscape buffer between the building and residential properties, southern Live Oaks as well as Junipers and a masonry screening fence will be placed between the store and the adjacent residential neighborhood. The Architectural Review Board (ARB) did review the proposed articulations for this proposed development. He explained the nature of various variance requests that the applicant is asking of council, explaining that the variances are for items, including masonry materials, stone requirements, articulation requirements and architectural finishing, all of which will not be visible to anyone because they are in the rear of the building (4th side) and will not be visible to drivers or to the neighborhood behind the development. He explained that two of the variance requests (A&D for masonry requirements and four-sided architecture) require a ¾ super majority vote of the council for approval, and the remaining two variance requests require a simple majority vote. Mr. Gonzales mentioned that a treescape plan, previously approved in 2002, has resulted in some outstanding tree mitigation left on the property. The owners plan to pay $6,375 into the city's Tree Mitigation Fund in order to satisfy the outstanding tree mitigation on the property.

Michael Clark
Winkelmann and Associates

6750 Hillcrest Plaza, Suite #325
Dallas, Texas 75230

Mr. Clark came forth and indicated that he and several representatives of Kroger are present this evening. He respectfully requested approval of this item tonight.

Gary Huddleston
Director of Public Affairs, Kroger
1331 East Airport Freeway
Irving, Texas 75062

Mr. Huddleston explained that normal deliveries would occur between 6:00 a.m. and 11:00 p.m.; however, they are happy to comply with any expressed city requirement. Mayor Pruitt expressed concerns about trucks making deliveries having trouble coming out onto Memorial and then trying to make a tough turn onto SH-205. He is also concerned about truck traffic accessing the loading dock only to / from Memorial Drive.

Mr. Clark indicated that he envisions truck traffic coming in on Quail Run and then onto Memorial Drive.

Councilmember Milder asked the applicant to consider flipping the proposed location of the loading dock in order to locate it at the other end of the building instead of where it is currently proposed to be located. Councilmember Milder went on to express some concern about the large square footage that is being proposed associated with this particular Kroger development. He believes this square footage is perhaps out of sorts with the large, residential area that exists in the north part of town. It was clarified that this particular Kroger store will be the same size as the currently expanded store located in the south part of town.

Councilmember White asked if this proposed store is allowed to be 90,000 square feet on this particular lot. Mr. Crowley indicated that, yes, the store is allowed to be that size without special approval by Council. The only reason it is coming before the city council this evening is for review and votes concerning the variance requests.

Councilmember Daniels asked what implications would be posed if the loading dock were flipped to the south side rather than the north side of the building. Mr. Clark indicated that it would pose some significant problems because the distance from the ground up to the loading dock would be significantly increased due to the elevation of the ground on the south end of the building versus the north end.

Mr. Crowley indicated that flipping the loading dock to the other side of the building would result in some aesthetic impacts as well.

Mr. Huddleston indicated that the pharmacy traffic will be much more significant than the delivery truck traffic, and these customers will be better served on the Quail Run side of the building.

Lengthy discussion took place related to delivery truck traffic.

Assistant Police Chief Riggs expressed agreement with the city council's concerns about delivery truck traffic turning right onto SH-205, expressing that it would be best if those

truck turned onto Quail Run instead, as it is difficult for a driver to make it across traffic at this location.

Councilmember Hohenshelt suggested that trucks could come out onto Memorial and then work their way to SH-205; however, at that point, perhaps signage could be placed to indicate that all trucks must turn right (no left turn).

Mr. Huddleston indicated that Kroger delivery trucks could be mandated, from within the company, to not turn left onto SH-205.

Councilmember White indicated that TXDOT has previously indicated that no traffic signal is warranted at Memorial Drive; however, he questions if this topic may need to be raised again and reconsidered by TXDOT. Mr. Crowley indicated that the city can certainly raise this concern; however, it is very likely that, if this were to happen at all, it would take a very, very long time (a number of years), if at all.

Mr. Crowley briefed the council on the city originally instituting masonry and stone materials on the façade of buildings being developed. At that time, he explained, those sorts of materials looked the best; however, since that time, many cultured type stones have come to look just as good as natural stone.

A Kroger representative came forth and indicated that the supply and quicker availability of the cultured stone works best for them. Also, cultured stone was previously utilized on the existing Kroger store that is located on the south side of town.

Councilmember Townsend made a motion to approve SP2015-007, variance requests A&D (masonry material (use of cultured stone veneer instead of natural stone) and 4-sided Architecture (not meeting architectural finishing (materials, detailing and features) on the 4th / rear side of the building). Councilmember White seconded the motion, which failed by a vote of 5 ayes to 2 nays (Pruitt and Milder) (a ¾ (super majority) vote of council was required for approval).

Councilmember Townsend made a motion to approve SP2015-007, including variance requests B&C (stone requirements and articulation requirements (horizontal and vertical articulation for rear of the building)). Councilmember White seconded the motion, which passed by a vote of 5 in favor with 2 against (Pruitt and Milder).

Mayor Pruitt indicated that Tom Thumb, who is Kroger's major competitor and is located very near down the road, was required to utilize real stone, so he believes Kroger should have to as well.

Councilmember White indicated he would like staff to place an agenda item on the next city council meeting agenda to consider modifying the city's existing ordinance regulations to allow cultured stone to be utilized in lieu of real stone. Mayor Pro Tem Lewis echoed the desire to revisit the city's ordinance regulations related to use of cultured stone.

Mr. Gonzales pointed out that a city council vote is still needed to approve the site plan itself. The site plan approval would include the photometrics, landscaping, building elevations and the site plan itself.

Councilmember Townsend made a motion to approve the site plan for SP2015-007 with the condition that Kroger will submit a letter agreeing to have their delivery trucks turn right onto SH-205 (Goliad) off of Memorial Drive. Councilmember White seconded the motion, which passed by a vote of 6 in favor with 1 against (Milder).

4. Discuss and consider installing public restrooms in the downtown area, and take any action necessary.

Mayor Pro Tem Lewis indicated he placed this agenda item on for discussion after hearing from several citizens concerning this subject.

Councilmember White asked what citizens are currently doing for restrooms when they attend downtown events. Mr. Crowley indicated that at, for example Farmers Market, the restrooms at The Center are available for use. Lewis expressed some concern about The Center not being open during the upcoming live music series that is scheduled to be held on Friday and Saturday nights. He is also concerned about "life safety issues" associated with downtown visitors having to cross SH-66 in order to get to The Center to utilize public restrooms when that building is open.

Councilmember Milder suggested the city put up signage at events indicating that public restrooms are available at The Center if/when that option will work for events scheduled downtown. It was indicated by staff that sometimes private rentals mean that people are occupying The Center in the evenings when city sponsored events, such as the upcoming music series, may be scheduled. This could pose an unwanted conflict with individuals who have paid to rent out The Center for personal events.

Mr. Crowley indicated that the city spent about $125,000 on restrooms that were somewhat recently installed at the Tuttle Ball Fields. This amount does not include the land. Also, cost associated with restroom facilities of this nature would depend on availability of electrical and sewage-related infrastructure as well as land availability.

Mayor Pruitt asked if restaurants and merchants downtown have a problem with patrons or downtown visitors utilizing their restrooms. Mr. Crowley indicated that staff has not yet had these sorts of discussions with restaurants and businesses currently located in the downtown area. However, he pointed out that some locations probably do not have public restrooms available for use by their patrons at this time. Mr. Crowley indicated The Center is already open on Saturday mornings for use by the public when attending the Farmer's Market.

Councilmember Milder asked if the city's mobile restroom facility could be utilized for some events. Mr. Crowley indicated that, yes, it could be; however, there is cost associated with delivery and pick-up of the mobile restroom facility, and it has to be staffed as well.

Mayor Pro Tem Lewis asked staff if they have shopped for a possible building downtown that could be utilized for installation of public restroom facilities. Mr. Crowley indicated that staff has not done so, but this can be done if the council desires.

Councilmember White indicated that he has not heard of any complaints associated with a lack of restroom facilities in downtown. Mr. Crowley indicated that some stores are not required by the city (for example retail stores) to have public restrooms available,

whereas other types of businesses (i.e. restaurants) are required to have public restrooms.

Councilmember Daniels indicated that, as a previous small business owner who had public restrooms available, he knows that opening up restrooms for public use can result in a lot of costly plumbing bills for business owners.

Mayor Pro Tem Lewis asked Andy Hesser, Parks Manager, his thoughts about public restroom availability. Mr. Hesser indicated that they will just need to wait and see what sort of turn out results from the upcoming music series.

Mayor Pruitt asked if the existing Parks Administration offices could perhaps be repurposed to make public restrooms available. Mr. Crowley indicated that staff can look at some possibilities and then return to the council with options at a later date.

Mayor Pro Tem Lewis indicated that he would like staff to evaluate options and report back to Council. No action was taken at this time concerning this agenda item.

At the end of the scheduled agenda items above, Mayor Pruitt utilized personal privilege to allow the following citizen to come forth and speak about various concerns he wished to express:

Mr. Robert Wacker
806 Miramar
Rockwall, TX 75087

Mr. Wacker came forth and expressed concerns related to his dissatisfaction related to various topics. He generally expressed that he is not in favor of the Kroger development. He is concerned about a traffic signal light possibly being installed at Memorial Drive, as he believes there is not enough room to allow for this at this location. He is also concerned about townhomes possibly being built near this area. He expressed that he is in favor of SH-205 traffic being routed onto John King, and he believes that developments such as Kroger should go there instead. He expressed general concerns about roadways, including drainage and runoff problems near the pond by York Street. He is also concerned about a park being built at Featherstone at John King, especially related to the retention pond that will be utilized by the public. He encouraged a water study to be done to ensure it won't overflow. He is also concerned about a retention pond on site if the Kroger is developed at the currently proposed site (on SH-205). He encouraged the council to take time to understand issues and follow its master plans.

Following Mr. Wacker's comments, Mayor Pruitt adjourned the public meeting (at 8:36 p.m.).

XIII. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding legal matters related to land lease operations at Ralph Hall Municipal Airport pursuant to Section 551.071 (Consultation with Attorney).

2. Discussion regarding deliberation of appointment of public officer to North TX Municipal Water District Board, pursuant to Section 551.074 (personnel matters).

3. Discussion regarding incentives to tenured employees and possible legal issues pursuant to Section 551.074 (Personnel Matters) and Section 551.071 (Consultation with Attorney).

4. Discussion regarding legal claim related to back up of city sewage line in Random Oaks Subdivision pursuant to Section 551.071 (Consultation with Attorney)

5. Discussion regarding legal claim: Jack R. Athey vs. Rockwall Police Chief Mark Moeller, Rockwall County Emergency Services Corporation, and the City of Rockwall pursuant to Section 551.071 (Consultation with Attorney)

6. Discussion regarding the Animal Services Shelter and Adoption Services Agreement between the City of Rockwall and Collin County Humane Society pursuant to Section 551.071 (Consultation with Attorney).

7. Discussion regarding City Manager's performance evaluation and contract pursuant to Section 551.074 (Personnel Matters) and Section 551.071 (Consultation with Attorney)

XIV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

The city council did not convene in Executive Session following the close of the public meeting agenda.

XV. ADJOURNMENT

The meeting was adjourned at 8:36 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS,

THIS 4th DAY OF MAY, 2015.

This is 2nd reading. 1st reading passed unanimoulsy of council on 04/20/15

CITY OF ROCKWALL

ORDINANCE NO. 15-14

SPECIFIC USE PERMIT NO. S-137

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO AMEND SPECIFIC USE PERMIT (SUP) NO. S-68 [*ORDINANCE NO. 09-28*] TO ALLOW FOR A GENERAL RETAIL STORE IN A RESIDENTIAL-OFFICE (RO) DISTRICT, ON A 0.16-ACRE PARCEL OF LAND IDENTIFIED AS LOT 1, BLOCK 1, HENRY ADDITION, GENERALLY LOCATED AT 907 N. GOLIAD STREET, AND ZONED PLANNED DEVELOPMENT DISTRICT NO. 50 (PD-50), CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Cindy Levandowski on behalf of the owner Terry Rowe for the approval of an amendment to Specific Use Permit (SUP) No. S-068 [*Ordinance No. 09-28*] to allow for a *General Retail Store* in a *Residential-Office (RO) District*, which shall also allow for the use of a *Hair Salon*, on a 0.16-acre parcel of land identified as Lot 1, Block 1, Henry Addition, generally located at 907 N. Goliad Street, and zoned *Planned Development District No. 50 (PD-50)*, City of Rockwall, Rockwall County, Texas, which herein after shall be referred to as the *Subject Property*, and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code [*Ordinance 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to amend Specific Use Permit (SUP) No. S-068 [*Ordinance No. 09-28*] to allow for a *General Retail Store* within Planned Development District No. 50 (PD-50), which shall also allow for the use of a *Hair Salon* on the *Subject Property*, and

Section 2. That this Specific Use Permit (SUP) Ordinance shall supersede all requirements stipulated in *Ordinance No. 09-28*, and that the *Subject Property* shall maintain compliance to all conditions and standards contained within this ordinance; and

Section 3. That the Specific Use Permit shall be subject to the conditions set forth in ***Planned Development District No. 50*** **(PD-50) & Section 4.2, *Residential Office (RO) District*, of Article V, *District Development Standards*, of the City of Rockwall Unified Development Code (Ordinance No. 04-38)** as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following additions for the *Subject Property*:

1) That no parking will be allowed in the SH205 right of way or in front of the building, and
2) That the hours of operation shall be limited between 8:00 am to 8:00 pm. each day, and
3) That the use for a hair salon shall be limited to a maximum of one (1) chair, and
4) That all signage requires a separate permit and must conform to the standards established in the North Goliad Overlay District, and
5) That the City Council reserves the right to review the Specific Use Permit granted herein upon the expiration of one (1) year from the date hereof.

Section 4. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 5. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 6. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 7. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 8. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 4th DAY OF MAY, 2015.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 05/04/2015

APPLICANT: Tony Rangel, *Rangel Land Surveying Co.*

AGENDA ITEM: **P2015-013**; *Lot 1, Block A, Platinum Storage Addition*

SUMMARY:

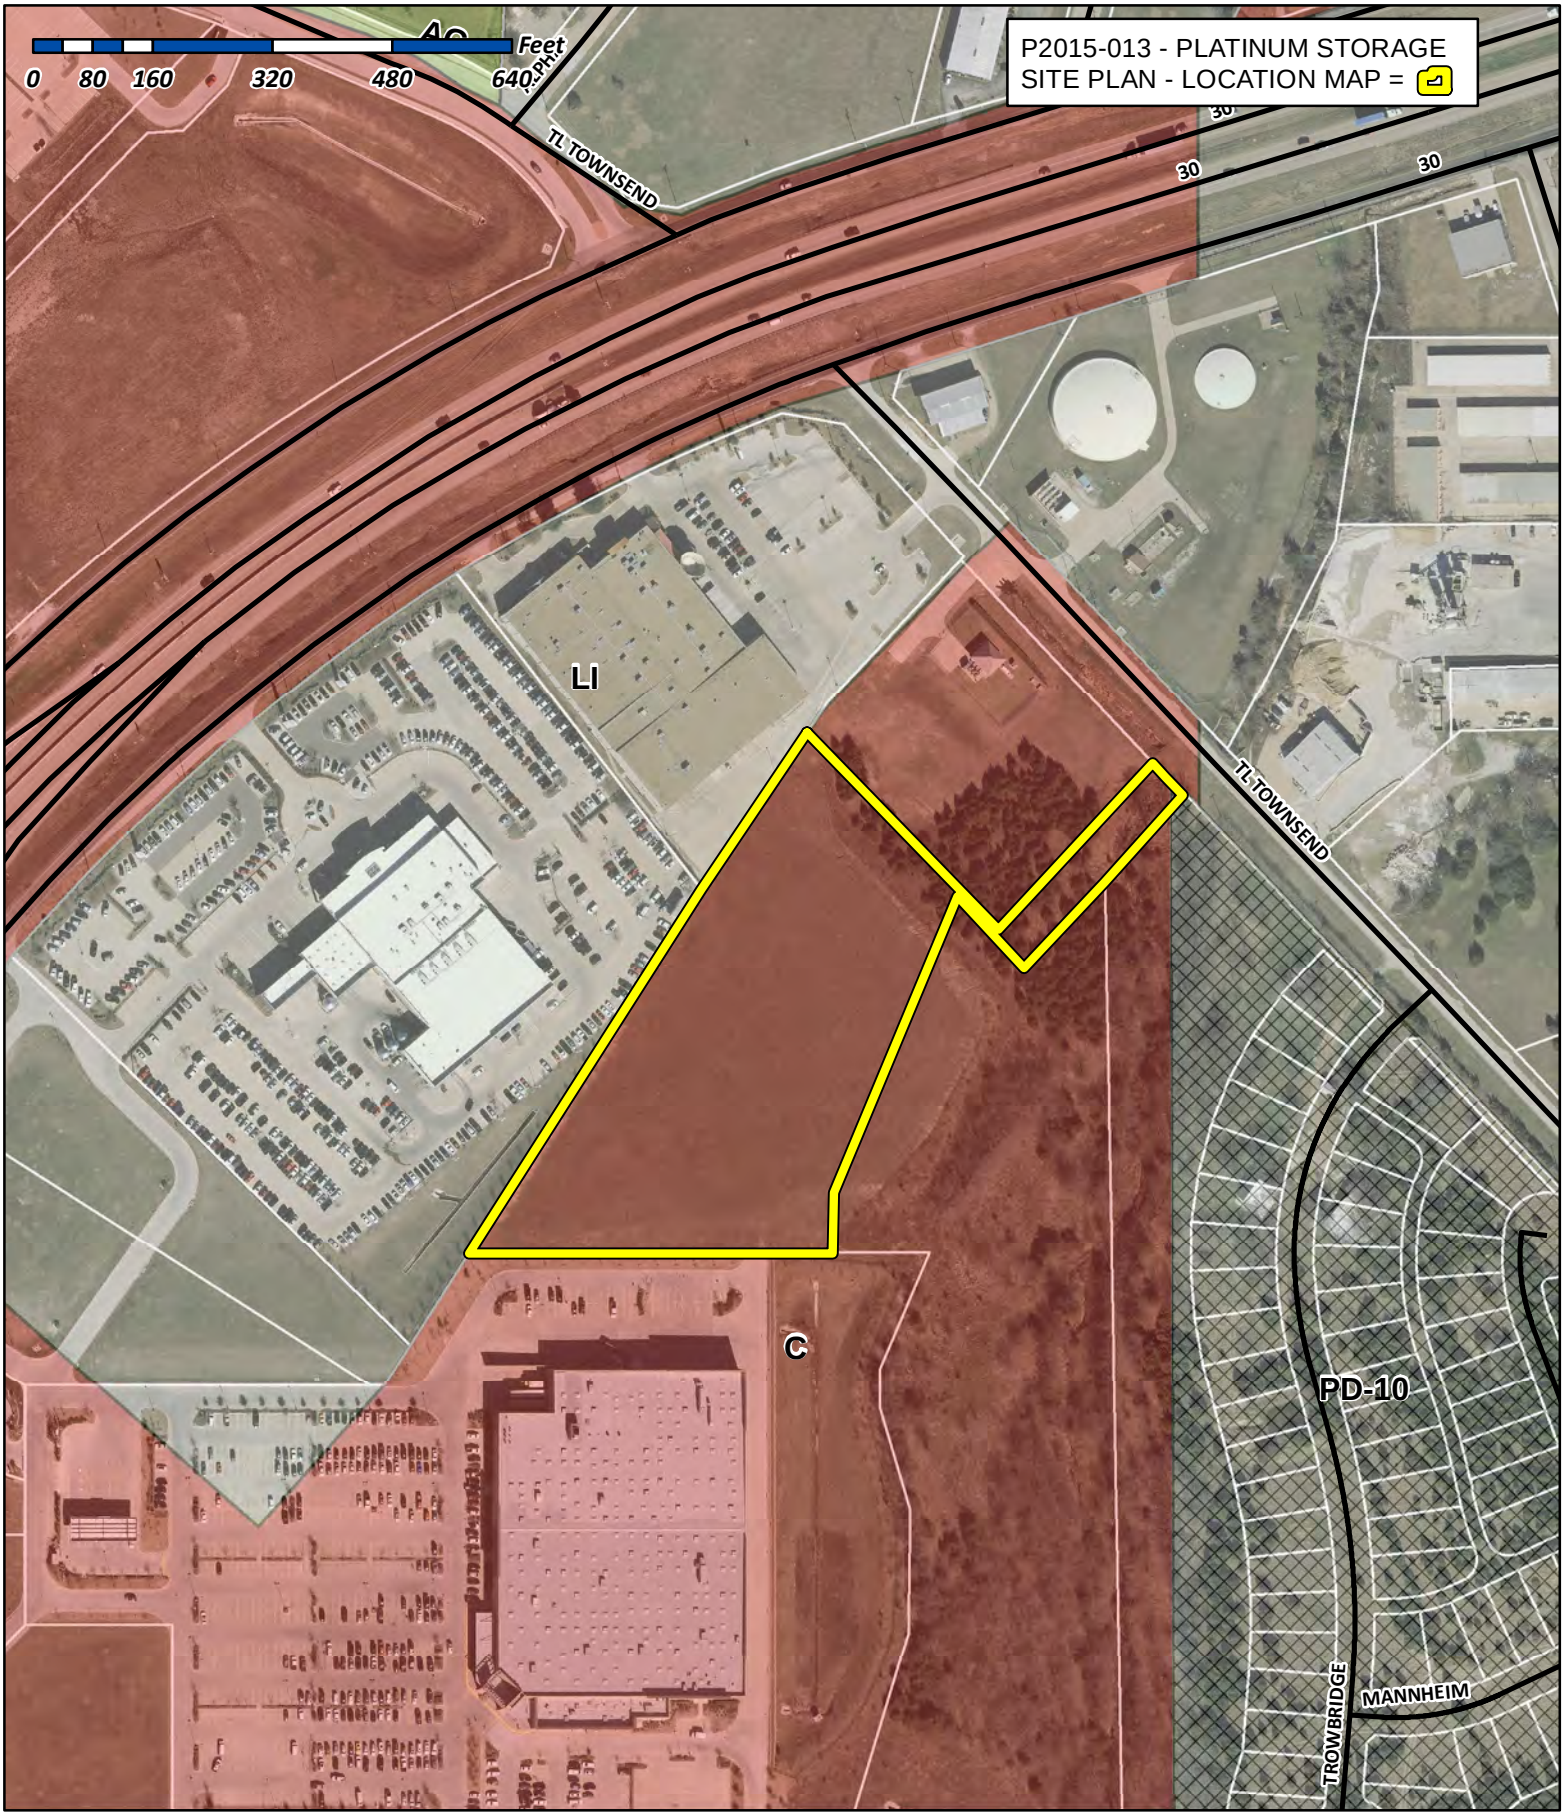
Discuss and consider a request by Tony Rangel of Rangel Land Surveying Co. on behalf of Shawn Valk of Platinum Storage for the approval of a final plat for Lot 1, Block A, Platinum Storage Addition being a 5.549-acre tract of land identified as a portion of Tract 2 of the J. Cadle Survey, Abstract No. 65 and the N. M. Ballard Survey, Abstract No. 48, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Corridor (IH-30 OV) Overlay District, located on the west side of Townsend Road south of E. IH-30 and north of SH-276, and take any action necessary.

COMMENTS:

- ✓ The objective of this request is to plat a 5.549-acre tract of land for the purpose of constructing a mini-warehouse facility. A site plan [*Case No. SP2014-033*] for this facility was approved by the Planning and Zoning Commission on January 13, 2015.
- ✓ In addition to the site plan, a Specific Use Permit (SUP) [*S-121; Ordinance No. 14-25*] was approved by the City Council on July 7, 2014 allowing the mini-warehouse use on the subject property.
- ✓ The surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for final plats as stated in the *Subdivision Ordinance* in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.
- ✓ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

RECOMMENDATIONS:



Staff recommends approval of the final plat for *Lot 1, Block A, Platinum Storage Addition* in conformance with the following conditions of approval:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;

2) Any construction resulting from the approval of this *final plat* shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On April 28, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the final plat by a vote of 7-0.

P2015-013 (Lot 1, Block A, Platinum Storage Addition): Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 This is a request for the approval of a final plat for Lot 1, Block A, Platinum Storage Addition being a 5.549-acre tract of land identified as a portion of Tract 2 of the J. Cadle Survey, Abstract No. 65 and the N. M. Ballard Survey, Abstract No. 48, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Corridor (IH-30 OV) Overlay District, located on the west side of Townsend Road south of E. IH-30 and north of SH-276, and take any action necessary.
I.2 For questions or comments concerning this case please contact Ryan Miller in the Planning Department at (972) 772-6441 or email rcmiller@rockwall.com.
M.3 For reference, include the case number (P2015-013) in the lower right hand corner of all pages on future submittals.
M.4 Please change the title block as follows:

Final Plat
Platinum Storage Addition
Lot 1, Block A
One (1) Lot Being Part of
Joseph Cadle Survey, Abstract No. 65
N. M. Ballard Survey, Abstract No. 48
City of Rockwall, Rockwall County, Texas

M.5 The owner listed at the bottom of the page (i.e. Platinum Storage) does not match the owner listed on the legal description or the dedication language. Additionally, the Rockwall Central Appraisal District's list a different owner than is depicted on the plat. Please verify ownership and make the required changes.
M.6 Please change the lot and block designation to Lot 1, Block A.
M.7 Is the off-site easement depicted on the City's property being adjusted? If so, please provide volume and page information on the plat.
M.8 Indicate the centerline of T. L. Townsend Drive.
M.9 Please label the lot, block and subdivision information of all adjacent properties that are contiguous with the subject property.
I.10 Please review the attached planning markups and make the necessary changes.
I.11 Staffhas identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested. The Planning & Zoning meeting date for this case will be April 28, 2015.
I.12 The projected City Council meeting date and subsequent approval for this plat is May 4, 2015.

THENCE N 89°02'16" W, a distance of 476.21 feet to the POINT OF BEGINNING containing 241,709 square feet or 5.549 acres.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

We the undersigned owner of the land shown on this plat, and designated herein as the _____ subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, watercourses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in the_____ subdivision have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or Development Process Guidelines (Updates 2012) Page 99 of 154 Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; We, our successors and assigns hereby waive any claim, damage, or cause of action that We may have as a result of the dedication of exactions made herein.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **May 1, 2015**

SUBJECT: **Facilities Agreement – Eastridge Church of Christ**

Eastridge Church of Christ constructed their building on FM549 in 2004. In order to build on their site, adequate fire flow was necessary. The area is served by Blackland Water Supply that did not meet city standards for fire flow. The City agreed to construct a 16" waterline, for fire protection purposes only, and accept an agreement for the church to make annual payments toward the total cost of the line, which was $175,500. Blackland WSC is still serving the Church for domestic water.

There are parcels of land in the immediate area, which will be served by this water line in the future, and the developer of those tracts will have to pay pro-rata fees based on the cost of the line.

The Agreement signed in 2004 required annual payments for 5 years, which were paid in a timely manner, and then a balloon payment in 2009 or the opportunity to revisit the agreement. At that time, Eastridge asked for an extension of the agreement to allow payments to continue over 5 more years with another balloon payment or opportunity to revisit. At this time, the Church's payments are current and the remaining balance is $47,725. The balloon at the end of the current period is equal to the amount that developers are required to pay when they do come in for development. The agreement, if the Church pays the final amount, would have the City reimburse the Church up to the $47,725 amount.

Rather than extend the agreement again, the Church leaders have asked the City to consider forgiving the remaining balance since the City retains the ability to collect the remaining balance from future development. If the Council will not approve forgiving the balance then the Church would like a ten-year repayment schedule for the remaining balance.

The Church's request letter as well as a copy of the 2009 Facilities agreement is included in the Council packet for review. Church leaders will attend to present the request to Council for consideration.

Eastridge
CHURCH OF CHRIST

April 15, 2015

Mary P. Smith
City of Rockwall
385 S. Goliad St.
Rockwall, TX 75087

Dear Mary:

Eastridge Church of Christ would like to request that the balance of $47,725.00 be forgiven by the city of Rockwall, Texas. In the original agreement it was documented that the balance would be revisited by the parties if both agree to do so.

There is much potential for development in the area and the city will have the opportunity to collect on the water line from future developers. Eastridge Church of Christ has paid a total of $127,775.00 to date.

If relief is not granted, we are requesting a payment plan to pay off the balance in 10 years.

Thank you for your consideration of this request.

Mike Singleton
Elder
Eastridge Church of Christ

44

STATE OF TEXAS)

COUNTY OF ROCKWALL)

CITY OF ROCKWALL)

FACILITY AGREEMENT
(Replaces the May, 2004 Agreement)

This Agreement is entered into on the _____ day of December, 2009, by and between the City of Rockwall, Texas ("City") and Eastridge (formerly Lakeside) Church of Christ ("Church").

WITNESSETH:

Section 1. That in consideration of the construction of the Eastridge Church of Christ Building located in Rockwall, Texas, the parties agree as follows:

Church agrees to the following:

a. Participate in the construction cost of the 16" water line in FM 549 from the IH 30 Service Road to the northeast property corner of the Church.
b. The Church will make the following payments to pay off the remainder of the original amount ($175,500- $77,574.00= **$97,926.00**):
    1. Initial payment due within one week of execution of this agreement- $10,000.00.
    2. Annual payment of $10,000.00 due June 1, for the next 3 years, beginning June 1, 2010 (2010, 2011, 2012).
    3. Year 4 payment of $10,201.00.
    4. Balance Due Year 5- $47,725.00.
c. At the conclusion of the five-year period, the balance of the participation due may be revisited by the parties if both agree to do so.
d. Any pro-rata collected by the City due to development adjacent to the water line, will be credited to the Church's Year-5 balance ($47,725.00) up to the maximum amount of reimbursement due to the Church of $47,725.00.
e. If the Church should undertake any additional expansion of the facility prior to the end of the five-year payout, the full amount of any remaining participation will be due prior to start of construction of the expansion.

f. Any future expansion to the Church may cause the need for the Church to construct an additional line down Airport Road for additional fire flows, depending on the type of expansion.

Section 2. The City agrees to the following:

a. Construct the 16-inch water line up FM-549 from the IH-30 Service Road to the Church's northeast property corner.
b. Collect pro-rata from developers, of undeveloped land adjacent to the water line, for one-half of the cost of a 12" water line. The City will credit up to $47,725.00 of the pro-rata collected to the Church's Year-5 payment.
c. At this time the 16" water line to the Church is for fire flows only, in area that is within the Blackland CCN. Should the City acquire the right to serve water to this area, the City will utilize the 16" water line for the potable water supply.

Section 3. Nothing contained herein shall be considered as a waiver of the provisions of the City's Comprehensive Zoning Ordinance and subdivision regulations as the case may be.

Section 4. Severability Clause. If any section or provisions of this Agreement or the application of that section or provision to any person, firm, corporation, situation or circumstance is for reason judged invalid, the adjudication shall not affect any other section or provision of this Agreement or the application of any other section or provision to any other person, firm, corporation, situation, or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the Agreement without the invalid parts and to this end the provisions of this Agreement shall remain in full force and effect.

Section 5. Venue for this agreement shall be in Rockwall County, Texas.

Section 6. Notice of this Agreement shall be in writing and addressed to the following:

City of Rockwall
385 S. Goliad
Rockwall, Texas 75087
Attn: City Manager

FACILITY AGREEMENT

This Agreement is entered into on the 28th day of May, 2004, by and between the City of Rockwall, Texas ("City") and Lakeside Church of Christ ("Church").

W I T N E S S E T H:

Section 1. That in consideration of the construction of the Lakeside Church of Christ Building located in Rockwall, Texas, the parties agree as follows:

Church agrees to the following:

a. Participate in the construction cost of the 16" water line in FM 549 from the IH 30 Service Road to the northeast property corner of the Church.

b. The Church will make the following payments:

1. Initial payment due prior to beginning of the site work -- $31,253.00.
2. Annual payments of $10,000 each due June 1, for years 1 through 3, beginning June 1, 2005.
3. Year 4 payment of $16,321.00.
4. Balance Due Year 5 -- $97,926.00.

c. At the conclusion of the five-year period, the balance of the participation due may be revisited by the parties if both agree to do so.

d. Any pro-rata collected by the City due to development adjacent to the water line, will be credited to the Church's Year-5 balance ($97,926) up to the maximum amount of reimbursement due to the Church of $47,725.00.

e. If the Church should undertake any additional expansion of the facility prior to the end of the five-year payout, the full amount of any remaining participation will be due prior to start of construction of the expansion.

f. Any future expansion to the Church may cause the need for the Church to construct an additional line down Airport Road for additional fire flows, depending on the type of expansion.

Section 2. The City agrees to the following:

a. Construct the 16-inch water line up FM 549 from the IH 30 Service Road to the Church's northeast property corner.

b. Collect pro-rata from developers, of undeveloped land adjacent to the water line, for one-half of the cost of a 12" water line. The City will credit up to $47,725.00 of the pro-rata collected to the Church's Year-5 payment.

c. At this time the 16" water line to the Church is for fire flows only, in area that is within the Blackland CCN. Should the City acquire the right to serve water to this area, the City will utilize the 16" water line for the potable water supply.

Section 3. Nothing contained herein shall be considered as a waiver of the provisions of the City's Comprehensive Zoning Ordinance and subdivision regulations as the case may be.

Section 4. **Severability Clause**. If any section or provisions of this Ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation, or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the Ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 5. Venue for this agreement shall be in Rockwall County, Texas.

Section 6. Notice of this Agreement shall be in writing and addressed as follows:

MEMORANDUM

TO: **City Council**

FROM: **Robert LaCroix**

DATE: **April 27, 2015**

SUBJECT: **Kroger Variance Request**

Mike Clark with Winkelmann & Associates, representing Kroger Stores, has requested an appointment with City Council at the May 4, 2015 regularly scheduled council meeting to discuss the variance decision relative to the four (4) sided architecture requirement for the proposed Kroger store location at the southeast corner SH 205 and Quail Run Road. As stated in Mr. Clark's request letter, "we request this because it appeared that the request was lumped into the request for the use of cultured stone solely because of the need for a supermajority vote". The applicant would like the Council to take the opportunity to vote on this variance request separately.

RE: Kroger- SW574
Memorial Drive and SH-205

Mr. LaCroix:

Please accept this letter on behalf of Kroger to have the City Council act again on variance relative to four(4) sided architecture.

We request this because it appeared that this request was lumped into the request for use of cultured store solely because of the need for a supermajority vote.

We would like Council to take the opportunity to vote on this request separately.

We request to be heard at the May 4, 2015 Council if at all possible.

Thank you for your considering.

Should you have any questions or need additional information, please give me a call.

Sincerely,
Winkelmann & Associates, Inc.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 05/04/2015

APPLICANT: Cole Franklin, *Skorburg Company*

AGENDA ITEM: **Z2015-013**; *Breezy Hill Amendments (PD-74)*

SUMMARY:

Hold a public hearing to discuss and consider a request by Cole Franklin of the Skorburg Company on behalf of Breezy Hill 405, LTD for the approval of a zoning amendment to Planned Development District 74 (PD-74) to amend the concept plan to allow for additional single-family residential lots and allow for changes to the development standards contained in *Exhibit 'C'* of Ordinance 14-26 for 405.184-acres of land identified as Tract 7 & 7-1 of the J. Strickland Survey, Abstract No. 187, Rockwall, Rockwall County, Texas, generally located north of FM-552 and west of Breezy Hill Road, and take any action necessary.

BACKGROUND:

The property was annexed in 2008 after three (3) years of litigation that lead to the execution of a Chapter 212 Development Agreement. In accordance with this agreement, the property was zoned to Planned Development District 74 (PD-74) on April 20, 2009 with the intention of being a master planned residential community that offered tracts of land designated for retail/office, residential, and institutional land uses. The approval of this zoning change altered the existing 212 Development Agreement -- *which originally permitted 810 single-family residential lots and did not contain any retail acreage* -- to include 658 single-family residential lots and a 59-acre tract of land designated for general retail land uses. The retail tract of land is located at the northeast corner of the intersection of FM-552 and John King Boulevard (see *Exhibit 'A'* to view the original *PD Concept Plan*).

On October 1, 2012 the City Council approved an amendment to Planned Development District 74 (PD-74) modifying the concept plan to remove the school sites that were originally required by the *Facilities Agreement* and adjust the lot mix accordingly [*i.e. increasing the number of lots from 658 to 691*]. The lot mix was again increased on July 7, 2014 from 691 lots to 742 lots for the purpose of incorporating two (2) additional phases (*i.e. Phases IXA & IXB*) and to reduce the land designated as commercial/retail from 59.4-acres to 33.7-acres (see *Figure 1* for the adjusted lot mix).

Figure 1: Current Lot Mix

Lot Types	*A*	*B*	*C*	*D*
Typical Lot Frontage *(Feet)*	60	70	80	100
Typical Lot Depth *(Feet)*	120	120	125	200
Minimum Lot Size *(Sq. Ft.)*	7,200	8,400	10,000	20,000
Number of Units	206	112	326	98
Dwelling Unit %	27.80%	15.10%	43.90%	13.20%

PURPOSE:

On March 13, 2015, the applicant submitted an alternate concept plan depicting a reduction in the number of acres designated for retail land uses from 33.7-acres to 19.49-acres for the

purpose of amending Planned Development District 74 (PD-74) to include an additional residential phase. With this submittal, the applicant has also submitted changes to the development standards that include a modified lot mix that incorporates a new lot type, *Lot Type 'E'* (*i.e. 50-foot by 120-foot lots*), for the proposed phase.

The proposed PD Concept Plan is depicted in Exhibit 'D' and a copy of the proposed changes to the development standards is contained in Exhibit 'E'.

CHARACTERISTICS OF THE REQUEST:

The 14.21-acres of land that the applicant is proposing to remove from the retail acreage will establish a new phase of the Breezy Hill Subdivision that will contain 47 single-family homes. The new phase will be located north of the remaining retail acreage, adjacent to Phase IIA. These new homes will be constructed on 50-foot by 120-foot lots that will be a minimum of 6,000 square feet in size. The development standards for this new lot type (identified below in *Figure 2* as *Lot Type 'E'*) are taken directly from the zoning ordinance that regulates the Stone Creek Subdivision (*i.e. Planned Development District 70 [PD-70]*) and are similar to the remaining lot types in Planned Development District 74 (PD-74) with respect to the development standards. The only major difference in this lot type will be the forward facing garages. This is due to the difficulty of incorporating a 'J' swing driveway into a 50-foot lot.

Figure 2: Proposed Lot Mix

Lot Types	*A*	*B*	*C*	*D*	*E*
Typical Lot Frontage *(Feet)*	60	70	80	100	50
Typical Lot Depth *(Feet)*	120	120	125	200	120
Minimum Lot Size *(Sq. Ft.)*	7,200	8,400	10,000	20,000	6,000
Number of Units	192	99	326	98	47
Dwelling Unit %	25.20%	12.99%	42.78%	12.86%	6.17%

Considering the proposed new lot type and the proposed changes to the lot mix, the total number of single-family lots will be increased from 742 to 762. This proposed change does not alter the existing residential housing density, which is (*and proposed to be*) two (2) units per acre (*i.e. currently the subdivision has 742 lots on ~379-acres, and the applicant is proposing 762 lots on ~381-acres*). With this being said, it is important to note that the original Chapter 212 Development Agreement permitted the applicant 810 single-family residential lots, and the proposed concept plan has a total lot count that is 48 lots less than this number. With the exception of the proposed changes to the lot mix tables and subsequent changes to accommodate the new lot type, the applicant is not requesting any additional changes to Planned Development District 74 (PD-74).

CONFORMANCE WITH THE COMPREHENSIVE PLAN:

The Future Land Use Map contained within the Comprehensive Plan designates the subject property for *Commercial* land uses. Should the City Council approve the applicant's request, the Future Land Use Map will be amended to reflect the proposed changes in land use from a *Commercial* designation to a *Low Density Residential* designation.

NOTIFICATION:

On March 27, 2015, staff mailed 33 notices to property owners and residents within 500-feet of the subject property. Staff also emailed a notice to the Stoney Hollow and Breezy Hill Homeowner's Associations (HOA's), which are the only HOA's located within 1,500 feet of the subject property. Additionally, staff posted a sign at the corner of FM-552 and John King Boulevard, and advertised the public hearings in the Rockwall Harold Banner as required by the

Unified Development Code (UDC). At the time this case memo was drafted no responses were received by staff.

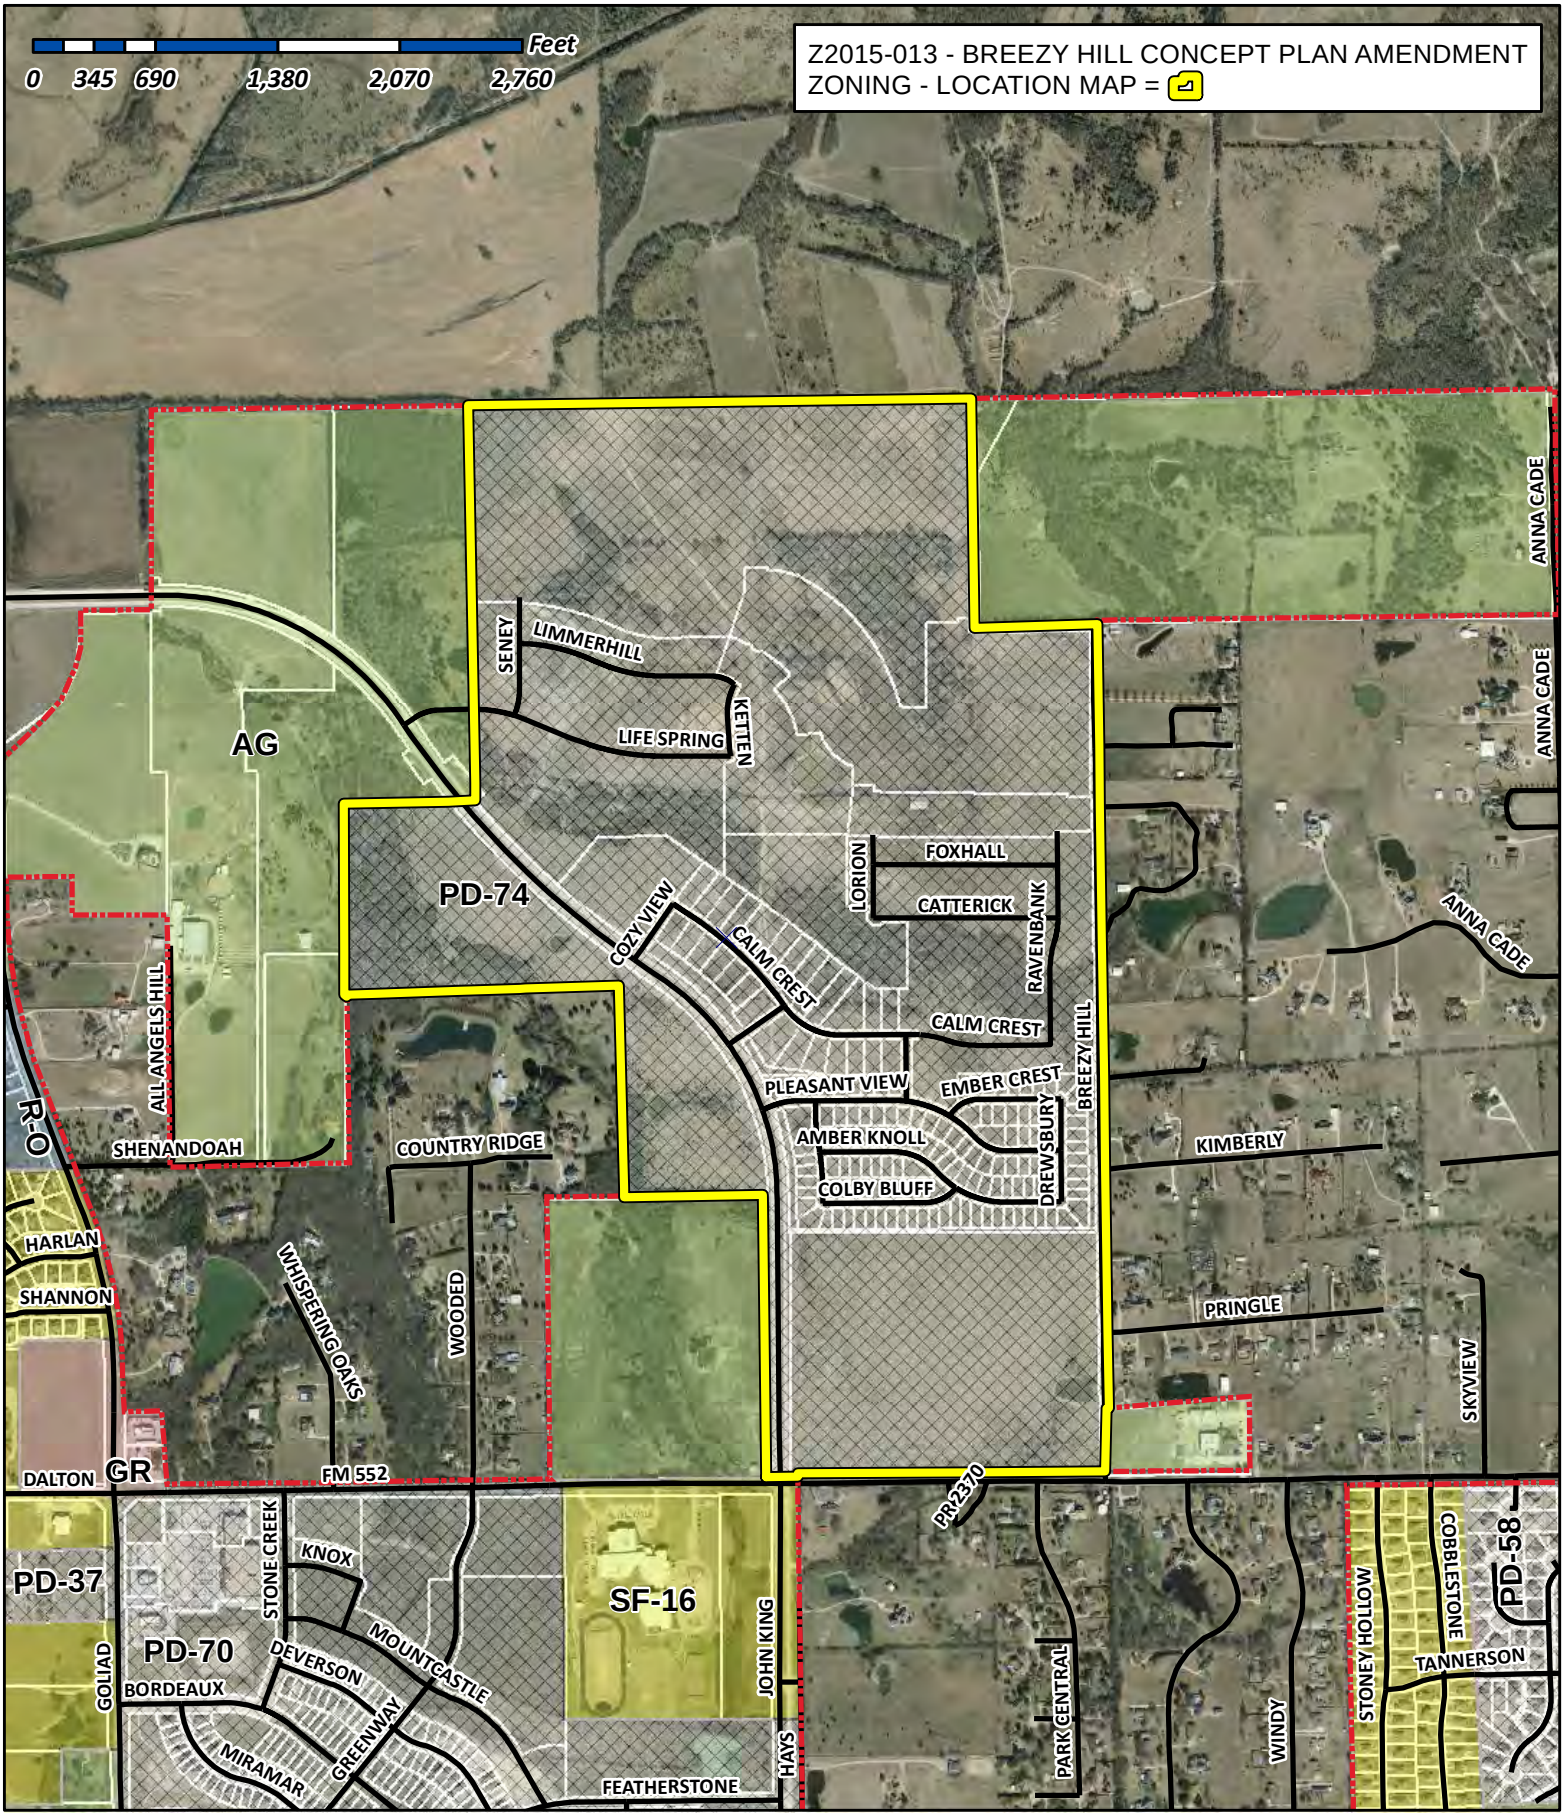
RECOMMENDATIONS:

If the Planning and Zoning Commission recommends approval of the applicant's request to amend Planned Development District 74 (PD-74) then staff would propose the following conditions of approval:

1) The applicant shall be responsible for maintaining compliance with the conditions contained within the *Planned Development District* ordinance;

2) By approving this zoning change, the City Council will effectively be approving changes to the Comprehensive Plan and Future Land Use Map. Specifically, this will change the designation of the subject property from a *Commercial* designation to a *Low Density Residential* designation;

3) Prior to accepting a Final Plat for the proposed phase (*i.e. depicted in purple of the PD Concept Plan in Exhibit 'D'*) the applicant shall be required to administratively amend the PD Site Plan in order to show all necessary entry features/signage, landscaping and hardscaping proposed for the new phase;



4) Prior to accepting a Preliminary Plat for the proposed phase (*i.e. depicted in purple of the PD Concept Plan in Exhibit 'D'*) the applicant shall be required to administratively amend the Preliminary Plat for Phase IXA & IXB to show the new street layout;

5) Prior to accepting a Preliminary Plat and/or a Planned Development Site Plan for the remaining area designated as *retail* on the *PD Concept Plan*, a *PD Development Plan* must be approved by City Council; and,

6) Any construction resulting from the approval of this *zoning amendment* shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On April 14, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the proposed amendments to PD-74 by a vote of 6-1, with Commissioner Logan dissenting.

Subject: CASE Z2015-013 Breezy Hill

I am opposed to the amended plan- CASE Z2015-013 Breezy Hill. Thank you for the notification.

There are would be too many homes in this area with the addition of that many more homes. This would become a very high density area, and I cannot see how the roads would handle this and.. how Celia Hayes Elementary would hold all of the additional children that come from adding a s*ignificant amount of small homes*. The area has acreage and we want to keep it this way.

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2015-013: Breezy Hill Concept Plan Amendment

Hold a public hearing to discuss and consider a request by Cole Franklin of the Skorburg Company on behalf of Breezy Hill 405, LTD for the approval of a zoning amendment to Planned Development District 74 (PD-74) to amend the concept plan to allow for additional single-family residential lots and allow for changes to the development standards contained in Exhibit 'C' of Ordinance 14-26 for 405.184-acres of land identified as Tract 7 & 7-1 of the J. Strickland Survey, Abstract No. 187, Rockwall, Rockwall County, Texas, generally located north of FM-552 and west of Breezy Hill Road, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 4/14/2015 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 5/4/2015 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

Ryan Miller
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **5/4/2015** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

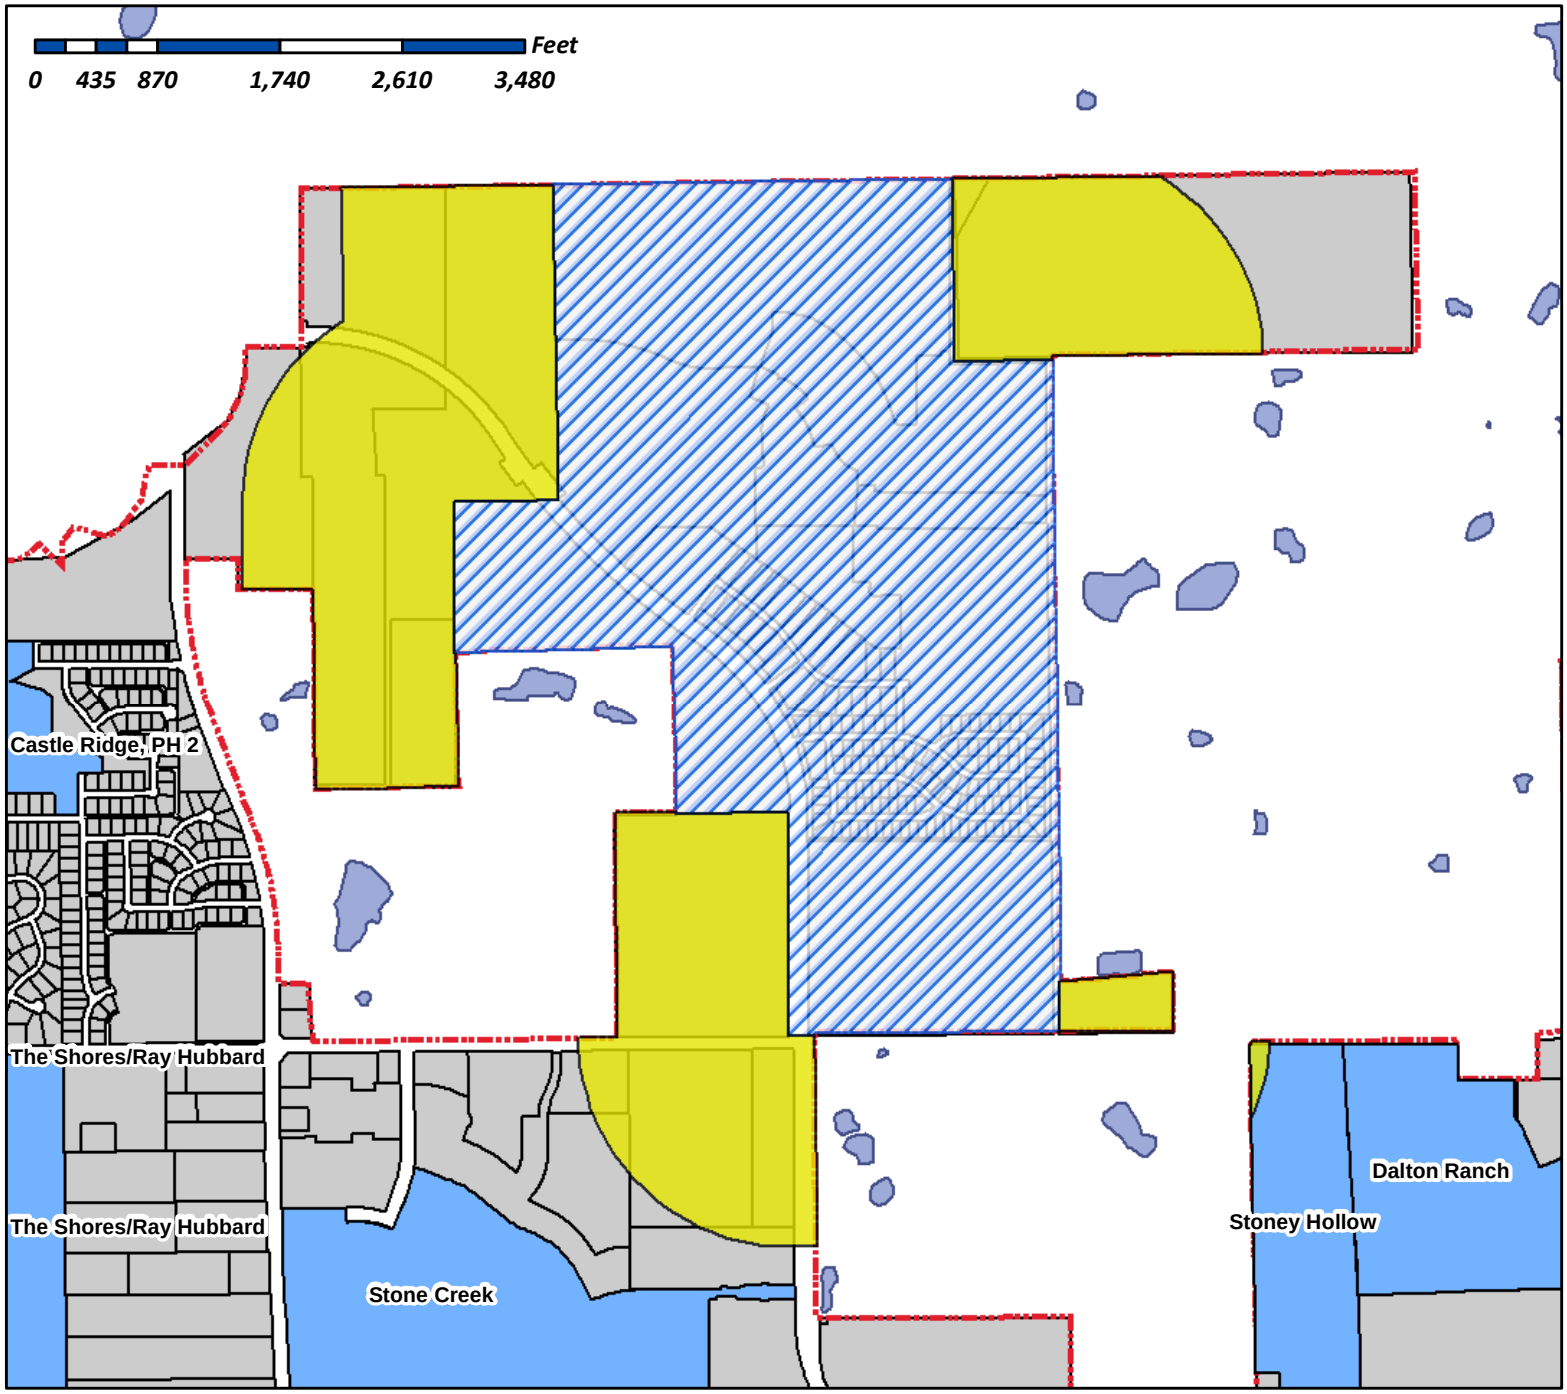
Importance: High

Mr. Ryan Miller:

My wife and I live on Park Central Drive off of FM 552, close to Breezy Hill Road.

We are not going to be able to attend the public hearing this evening, but would like to express our strong objection to increasing the housing density of this Planned Development.

We do appreciate your consideration and would ask that the Planning and Zoning Commission reject the developer's proposal to amend the Planned Development in question.



Thank you.

Subject: Neighborhood Notification Program: Notice of Zoning Request
Attachments: HOA Map (03.16.2015).pdf

To whom it may concern:

Per your participation in the Neighborhood Notification Program, you are receiving this notification to inform your organization and residents of a request for a zoning change that lies within 1,500 feet of the boundaries of your neighborhood or subdivision. As the primary contact for the organization, you are encouraged to share this information with the residents of your subdivision. Please find attached a map detailing the location of the subject property requesting the zoning change in relation to your subdivision boundaries. Additionally, below is a summary of the zoning request that will be published in the Rockwall Harold Banner on *April 3rd , 2015*. If you have any questions or comments regarding this request, the contact information for the Planning Department is listed below. Additional information can also be found at https://sites.google.com/site/rockwallplanning/development-cases.

Z2015-013: Hold a public hearing to discuss and consider a request by Cole Franklin of the Skorburg Company on behalf of Breezy Hill 405, LTD for the approval of a zoning amendment to Planned Development District 74 (PD-74) to amend the concept plan to allow for additional single-family residential lots and allow for changes to the development standards contained in Exhibit 'C' of Ordinance 14-26 for 405.184-acres of land identified as Tract 7 & 7-1 of the J. Strickland Survey, Abstract No. 187, Rockwall, Rockwall County, Texas, generally located north of FM-552 and west of Breezy Hill Road, and take any action necessary.

If this email is reaching you in error, please forward it to your HOA or neighborhood group representative and update the contact information at http://www.rockwall.com/planning/hoa.asp.

TYPICAL LOT SIZES

- TYPE A - [NOTE A] - Between 186 and 198 lots (60's) [NOTE A]
- TYPE B - [NOTE A] - Between 93 and 105 lots (70's) [NOTE A]
- TYPE C - - 326 LOTS (80's)
- TYPE D - - 98 LOTS (100's)
- TYPE E - - 47 LOTS (50's)
- - PUBLIC OPEN SPACE/ LANDSCAPE BUFFER

Note A: The total maximum lots in the PD will be 762 lots. 68 lots on this exhibit shall be removed from the Type "A" and/or Type "B" lots within Phase VII-A as the area depicted with diagonal lines.

Infrastructure Statement

Drainage Facilities:
There are natural drainage ways within the project and detention will be required.

Sanitary Sewer Facilities:
This site will utilize lift stations and force mains to send the sewer flows to the existing sewer trunk line located at the intersection of FM 552 and Highway 205

Water Facilities:
There is an existing water line located in FM 552. A new 16"water line will be constructed along John King Boulevard north of FM 552 to service this tract.

Roadway Facilities:
The west side of the project is bounded by John King Boulevard, the south side is bounded by FM 552, the east side is bounded by Breezy Hill Road.

CASE #2015-XXX

CITY OF ROCKWALL

ORDINANCE NO. 15-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING PLANNED DEVELOPMENT DISTRICT 74 (PD-74) [*ORDINANCE NO. 14-26*] AND THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, BY AMENDING THE PLANNED DEVELOPMENT CONCEPT PLAN AND THE DEVELOPMENT STANDARDS APPROVED WITH ORDINANCE NO. 14-26, BEING A 405.184-ACRE TRACT OF LAND SITUATED IN THE J. STRICKLAND SURVEY, ABSTRACT NO. 187, T. R. BAILEY SURVEY, ABSTRACT NO. 30 AND THE J. SIMMONS SURVEY, ABSTRACT NO. 190, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED HEREIN BY EXHIBIT 'A'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE..

WHEREAS, the City has received a request by the Cole Franklin of the Skorburg Company on behalf of Breezy Hill 405, LTD for an amendment to the Planned Development Concept Plan and Development Standards contained within Planned Development District 74 (PD-74) [specifically contained within *Ordinance No. 14-26*] and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, for a 405.184-acre tract of land situated in the J. Strickland Survey, Abstract No. 187, T. R. Bailey Survey, Abstract No. 30 and the J. Simmons Survey, Abstract No. 190, Rockwall, Rockwall County, Texas and more fully described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that Planned Development District 74 [*Ordinance No. 14-26*] and the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the approval of this ordinance shall supersede all requirements stipulated in *Ordinance No. 09-19, 12-26 & 14-26*;

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes authorized by this Planned Development District Ordinance and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting this zoning change, and as maybe amended in the future;

Section 3. That development of the *Subject Property* shall generally be in accordance with the *Planned Development Concept Plan*, described in *Exhibit 'B'* of this ordinance, attached hereto and

PRINCE ORDINANCE 08.20.2015

incorporated herein by reference as *Exhibit 'B'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 4. That development of the *Subject Property* shall generally be in accordance with the *Development Standards*, described in *Exhibit 'C'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'C'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 5. That a master parks and open space plan for the Property, prepared in accordance with this ordinance and consistent with the *Planned Development Concept Plan*, (*Open Space Master Plan*) shall be considered for approval by the City Council following recommendation of the Parks and Recreation Board.

Section 6. That development of the *Subject Property* shall be in conformance with the schedule listed below (*except as set forth below with regard to simultaneous processing and approvals*).

(a) The procedures set forth in the City's subdivision regulations on the date this ordinance is approved by the City, as amended by this ordinance (*including Subsections 5(b) through 5(f) below*), shall be the exclusive procedures applicable to the subdivision and platting of the Property.

(b) The following plans and plats shall be required in the order listed below (*except as set forth below with regard to simultaneous processing and approvals*). The City Council shall act on an application for an *Open Space Master Plan* in accordance with the time period specified in Section 212.009 of the Texas Local Government Code.

1. Open Space Master Plan
2. Master plat
3. PD development plans (*required for retail areas only*)
4. PD site plans
5. Preliminary plats
6. Final plats

(c) A master plat application covering all of the Property, other than the area designated on the *Planned Development Concept Plan* as *Retail*, shall be submitted and shall identify each phase of development. No master plat application shall be approved until the *Open Space Master Plan* for all of the Property has been approved; however, the *Open Space Master Plan* may be processed by the City concurrently with the master plat application.

(d) A *PD Development Plan* must be approved for the area designated on the Concept Plan as *Retail* prior to submittal of a *PD Site Plan* application and/or a preliminary plat application. No master plat is required for the area designated on the Concept Plan as *Retail*. A traffic impact analysis for the retail tract shall be submitted with the *PD Development Plan* to determine the extent and timing of any recommended facilities and/or improvements to the surrounding roadway network. The traffic impact analysis may be updated with each *PD Site Plan* for the retail tract.

(e) A preliminary plat application shall be submitted for each phase of residential development. A *PD Site* Plan application, including a site plan application for improvements for parkland or trails, may be processed by the City concurrently with a preliminary plat application for that phase of the development.

(f) A *Capital Facilities Agreement* in the form of *Exhibit 'D',* attached hereto and incorporated herein by reference as *Exhibit 'D',* shall be executed by Developer providing for delivery of adequate public facilities and services within the District.

DRAFT
ORDINANCE
08.03.2015

Section 7. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 8. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 9. The standards in this ordinance shall control in the event of a conflict between this ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development Code*), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

Section 10. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 18TH DAY OF MAY, 2015.

DRAFT ORDINANCE 03.25.2015

Exhibit 'B':
Concept Plan

TEXT TO BE ADDED TO THE ORDINANCE
~~***TEXT TO BE REMOVED FROM THE ORDINANCE***~~

A. GENERAL REQUIREMENTS

1. *Uses Allowed.* The following uses are permitted for the Property.

   a. *Residential uses*. Uses permitted of right or by special use permit for the (SF-10) Single Family Residential District, as set forth in Article IV, Permissible Uses, of the City of Rockwall Unified Development Code, shall be allowed for areas designated as Single-Family on the Concept Plan, subject to approval of a Special Use Permit if required by the SF-10 District Regulations.

   b. *Non-residential uses*. Non-residential uses shall be allowed only within the area designated as Retail on the approved Concept Plan for the District, and are limited to those uses permitted of right or by special use permit for the (GR) General Retail District subject to approval of a PD Development Plan and PD Site Plan in accordance with the Planned Development District regulations, Article X, Section 2 of the Unified Development Code, and subject to approval of a Special Use Permit if required by the GR District Regulations; provided, however, that the following uses are expressly prohibited:

   - ☑ Animal Hospital, Clinic
   - ☑ Convent or Monastery
   - ☑ Hotel or Motel
   - ☑ Hotel, Residence
   - ☑ Cemetery/Mausoleum
   - ☑ Mortuary of Funeral Chapel
   - ☑ Social Service Provider
   - ☑ Billiard Parlor or Pool Hall
   - ☑ Carnival, Circus, or Amusement Ride
   - ☑ Commercial Amusement/Recreation (Outside)
   - ☑ Gun Club, Skeet or Target Range (indoor)
   - ☑ Astrologer, Hypnotist, or Psychic Art and Science
   - ☑ Garden Supply/Plant Nursery
   - ☑ Night Club, Discotheque, or Dance Hall
   - ☑ Secondhand Dealer
   - ☑ Car Wash, Self Service*
   - ☑ Service Station*
   - ☑ Mining and Extraction (Sand, Gravel, Oil & other)
   - ☑ Helipad
   - ☑ Railroad Yard or Shop
   - ☑ Transit Passenger Facility

   ** Not including a convenience store with an accessory car wash use or more than four (4) gas pumps, which accessory uses are permitted by SUP.*

   The following additional use shall be permitted of right in the PD District:

   - ☑ Grocery Store with a maximum building area of one hundred and thirty thousand (130,000) square feet.

   c. *Design of non-residential uses.* The retail area shall be designed to be pedestrian-oriented and easily accessible to adjacent residential neighborhoods. Additionally, the retail area shall be designed and constructed to be integrated with adjacent uses, not separated from them by screening walls or other physical barriers. This will be accomplished by creating paths from adjacent development into the retail area and

DRAFT ORDINANCE 03.25.2015

through the use of landscaping buffers, building design and other urban design elements to create compatibility with the surrounding residential neighborhood.

d. *Density and lot composition*. If the retail develops in accordance with the attached Concept Plan, no more than ~~***742***~~ ***762*** single-family residential dwelling units may be constructed within the Property. Except as provided in subsection (e), single-family residential units shall be allocated by product type in accordance with the following table:

Table 1: Lot Composition

Lot Type	Lot Size Minimum	Lot SF Minimum	Driveway Access	Total Units	Total Dwelling Units (%)
A	60' x 120'	7,200	Front	~~***206***~~ ***192***	~~***27.80***~~ ***25.20%***
B	70' x 120'	8,400	Front	~~***112***~~ ***99***	~~***15.10***~~ ***12.99%***
C	80' x 125'	10,000	Front	326	~~***43.90***~~ ***42.78%***
D	100' x 200'	20,000	Front	98	~~***13.20***~~ ***12.86%***
E	***50' x 120'***	***6,000***	***Front***	***47***	***6.17%***
	AVERAGE LOT SIZE:	**10,000**			
			MAXIMUM ALLOWED TOTAL UNITS:	~~***742***~~ ***762***	**100%**

e. *Variation in lot composition.* The allocation of single-family dwellings among lot types may deviate from that in subsection (d), provided that the maximum allowed total dwelling units does not exceed ~~***742***~~ ***762*** units, the average lot size for the development is not less than 10,000 sq. ft., and the following rules are met:

(1) Lot types "A & B" may increase not more than 5% in aggregate number.
(2) Lot type "C" shall not be decreased below ~~***42%***~~ ***42.78%*** of the total ~~***742***~~ ***762*** lots.
(3) Lot Type "D" shall not be decreased below 98 of the total lots.
(4) Lot Type "E" shall not increase above 47 of the total lots.

2. *Development Standards Applicable.* Except as may be modified by these Development Standards, residential uses shall be subject to the development standards for a (SF-10) Single Family Residential District, as set forth in Article V, District Development Standards for Section 3.4 of the City of Rockwall Unified Development Code; to the development standards in the 205 Bypass Overlay District; and to all supplemental standards contained in the Unified Development Code, including but not limited to the tree preservation regulations in the Unified Development Code.

DRAFT ORDINANCE 03.25.2015

B. SPECIAL DEVELOPMENT STANDARDS

1. *Dimensional Standards for Residential Uses*

Table 2: Lot Type Matrix

Lot Types	A	B	C	D	E
Maximum Building Height	36'	36'	36'	36'	***36'***
Minimum Air Conditioned Square Footage	2,200	2,400	2,600 [2]	3,000	***1,800***
Minimum Front Yard Building Setback	20' [4]	20'	20'	40' [3]	***15'*** [4]
Minimum Rear Yard Building Setback	10'	10'	15'	15'	***10'***
Minimum Side Yard (*Interior*)	5'	5'	6'	7'	***5'***
Minimum Side Yard Adjacent to a Street	15'	15'	15'	15'	***15'***
Minimum Distance of Driveway (*from Property Line*)	20'	20'	20'	40'	***20'***
Minimum Lot Area (*Square Feet*)	7,200	8,400	10,000	20,000	***6,000***
Minimum Lot Frontage [1]	60'	70'	80'	100'	***50'***

Notes:

[1]: Lots fronting onto curvilinear streets, cul-de-sacs and eyebrows may be reduced by twenty percent (20%) in lot width measured at the front property line provided that the lot width will be met at the front building line. Additionally, the lot depth on lots fronting onto curvilinear streets, cul-de-sacs and eyebrows may be reduced by up to 10 percent (10%) but shall meet the minimum lot size for each lot type as referenced within *Table 1*.

[2]: A maximum of 20% of the lots may have homes not less than 2,500 sq. ft.

[3]: The Director of Planning or his designee may grant a reduction in the required 40-foot front yard building setback of up to five (5) feet for lots situated along cul-de-sacs or curvilinear streets, or where a 40-foot front yard building setback would create an undue hardship on the property.

[4]: Front porch may encroach to within 10-feet of the front property line.

2. *Development Standards for Residential Uses by Lot Product/Type*

a. *Detached Single Family Lot Type A*

Development Standards	
Minimum Lot Size	7,200 SF
Minimum Lot Width (@ Front Building Line)	60'
Minimum Lot Depth	110'
Minimum Lot Width (Corner Lot)	65'
Minimum Side Yard Setback	5'
Minimum Front Yard Building Setback	20'
Minimum Rear Yard Building Setback	10'
Minimum Air Conditioned Square Footage	2,200 SF
Minimum Roof Pitch	8:12 Except for 4:12 on Porch Roofs
Minimum Masonry Requirement [*Brick, Stone, Cultured Stone, 3-Part Stucco*]	80%
Garage Orientation	Garages will be allowed to have the garage accessed from the street using traditional "swing" or "J" drive. Second single garage door facing street is permitted behind (width) of double garage door in "swing" or "J" configuration only. A minimum of 33% of Type 'A' lots shall have 3-car garages.
Maximum Lot Coverage	65%

DRAFT ORDINANCE 03.25.15

b. *Detached Single Family Lot Type B*

Development Standards	
Minimum Lot Size	8,400 SF
Minimum Lot Width (@ Front Building Line)	70'
Minimum Lot Depth	120'
Minimum Lot Width (Corner Lot)	75'
Minimum Side Yard Setback	5'
Minimum Front Yard Building Setback	20'
Minimum Rear Yard Building Setback	10'
Minimum Air Conditioned Square Footage	2,400 SF
Minimum Roof Pitch	8:12 Except for 4:12 on Porch Roofs
Minimum Masonry Requirement [*Brick, Stone, Cultured Stone, 3-Part Stucco*]	80%
Garage Orientation	Garages will be allowed to have the garage accessed from the street using traditional "swing" or "J" drives. Second single garage door facing street is permitted behind (width) of double garage door in "swing" or "J" configuration only. A minimum of 33% of Type 'B' lots shall have 3 car garages.
Maximum Lot Coverage	65%

c. *Detached Single Family Lot Type C*

Development Standards	
Minimum Lot Size	10,000 SF
Minimum Lot Width (@ Front Building Line)	80'
Minimum Lot Depth	125'
Minimum Lot Width (Corner Lot)	85'
Minimum Side Yard Setback	6'
Minimum Front Yard Building Setback	20'
Minimum Rear Yard Building Setback	15'
Minimum Air Conditioned Square Footage	2,600 SF [1]
Minimum Roof Pitch	8:12 Except for 4:12 on Porch Roofs
Minimum Masonry Requirement [*Brick, Stone, Cultured Stone, 3-Part Stucco*]	80%
Garage Orientation	Traditional "swing" or "J" drive required. Second single garage door facing street is permitted behind (width) of double garage door in "swing" or "J" configuration only. A minimum of 80% of Type 'C' lots shall have 3 car garages.
Maximum Lot Coverage	65%

Notes:

[1]: A maximum of 20% of the lots may have homes not less than 2,500 sq. ft.

DRAFT ORD. 03.15.2015

d. *Detached Single Family Lot Type D*

Development Standards	
Minimum Lot Size	20,000 SF
Minimum Lot Width (@ Front Building Line)	100'
Minimum Lot Depth	175'
Minimum Lot Width (Corner Lot)	100'
Minimum Side Yard Setback	7'
Minimum Front Yard Building Setback	40' [1]
Minimum Rear Yard Building Setback	15'
Minimum Air Conditioned Square Footage	3,000 SF
Minimum Roof Pitch	8:12 Except for 4:12 on Porch Roofs
Minimum Masonry Requirement [*Brick, Stone, Cultured Stone, 3-Part Stucco*]	80%
Garage Orientation	Traditional "swing" or "J" drive required. Single garage door facing street is permitted behind (width) of double garage door in "swing" or "J" configuration only. 80% of Type D lots shall have a minimum of 3 car garages.
Maximum Lot Coverage	70%

Notes:

[1]: The Director of Planning or his designee may grant a reduction in the required 40-foot front yard building setback of up to five (5) feet for lots situated along cul-de-sacs or curvilinear streets, or where a 40-foot front yard building setback would create an undue hardship on the property.

DRAFT ORD 03.25.15

3. *Fencing.* All individual residential fencing for lots less than 20,000 square feet shall be cedar standard fencing material (minimum ½" thickness) or better (spruce fencing will not be allowed). All cedar pickets shall be placed on the "public side" facing the street, alley or neighboring property. Lots containing 20,000 sq. ft., lots located along perimeter roadways, and lots abutting open spaces, greenbelts and parks shall be required to install tubular steel fencing. Corner lot fencing (adjacent to the street) shall provide masonry columns at forty-five feet (45') off center spacing that begins at the rear property line corner and terminates ten feet (10') behind the front yard building setback line. A maximum six (6') foot solid board on board "panel" cedar fencing shall be allowed between the masonry columns along the side and/or rear yard lot adjacent to a street. In addition, the fencing shall be setback from the side property line adjacent to a street a minimum of five feet (5'). The property owner shall maintain that portion of the property outside the fence.
4. *Anti-Monotony Features.* Lot types shall incorporate the following elevation features.

Table 3 : Anti-Monotony Matrix

Lot Type	Lot Size (Approx.)	Elevation Features
A	60' x 120'	i., ii., iii.
B	70' x 120'	i., ii., iii.
C	80' x 125'	i., ii., iii.
D	100' x 200'	i., ii., iii.
E	***50' 120'***	***i., ii.***

i. Exterior facade must be composed of eighty percent (80%) masonry (brick, stone, cultured stone, or three-part stucco). Identical brick blends may not occur to adjacent (side-by-side) properties. Elevations shall not repeat along the fronting or siding streetscape without at least four (4) intervening homes of sufficient dissimilarity (to be determined by the ARC) on the same side of the street and (2) intervening homes on the opposite side of the street). The rear elevation of homes backing to open spaces or thoroughfares shall not repeat without at least two (2) intervening homes of sufficient dissimilarity (to be determined by the ARC). Masonry (brick, stone, cultured stone, or three-part stucco) chimneys shall be required on all homes.
ii. Minimum of 8:12 roof pitch, except for 4:12 roof pitches on porches. For each phase, a maximum of four compatible roof colors may be used. Dimensional shingles shall be used. Crown molding will be installed in all living and family rooms, unless vaulted or pop-up ceilings are utilized. No Formica counters in kitchens and bathrooms, no blown acoustic ceilings. No vinyl flooring will be used in kitchens.
iii. For front entry driveway access a traditional "swing" or "J" drive will be used. Second single garage door facing street is permitted behind (width) of double garage door in "swing" or "J" configuration only.

5. *Streetscape Landscape.* Prior to issuance of a Certificate of Occupancy, yards for all single-family lots in the District shall be landscaped with large canopy trees.

(1) Two minimum three (3) inch trees measured six (6) inches above the root ball shall be planted in the front yard of an interior lot.
(2) Two minimum three (3) inch trees measured six (6) inches above the root ball shall be planted in the front yard of a corner lot and two additional trees of same caliper shall be planted in the side yard facing the street.
(3) For purposes of this section only, the term "front yard" includes the area within the dedicated right-of-way for a parkway immediately adjoining the front yard of the lot.

DRAFT ORDINANCE 03.23.2015

6. *Master Design Guidelines.* Additional design guidelines specific to each phase of development that shall apply to all single-family dwellings units within that phase of development, shall be submitted to the City prior to issuance of any building permits for that portion of the development.

C. STANDARDS FOR DISTRICT DESIGN AND CONNECTIVITY

1. *Streetscape Standards for Collectors & Non-Fronting Thoroughfares.* All streets, excluding drives, fire lanes and private parking areas, shall be built according to City of Rockwall street standards. Sidewalks and Hike / Bike trails are to be placed according to city requirements and as set forth in the Open Space Master Plan for the District.

    a. *Buffer-Strip* and Sidewalks (John King Boulevard Overlay District). The landscape buffer strip along John King Blvd shall be as described in the City of Rockwall Unified Development Code, Article V (District Development Standards), Section 6.10 E (Landscape Standards) and be a minimum width of fifty (50) feet as shown on the Planned Development Concept Plan in Exhibit 'B'. Additionally, the developer shall construct a minimum of a ten (10) foot sidewalk, on both sides of John King Boulevard, within the fifty (50) foot landscape buffer strip as recommended by the John King Boulevard Design Concept Plan located in the Comprehensive Plan of the City of Rockwall.
    b. *Buffer-Strip (FM 552).* A landscape buffer strip with a minimum width of fifteen (15) feet shall be provided along the frontage of FM 552, and shall be landscaped with at least one canopy tree per 30-ft and a combination of berms and shrubbery to be reviewed with the PD Site Plan(s) for the retail tract.
    c. *Buffer-Strip (Breezy Hill) Retail.* The minimum buffer width between the proposed retail area and Breezy Hill Rd shall be fifty (50) feet, and shall include a berm with a minimum height of five (5) feet with at least three (3) canopy trees and four (4) accent trees per 100-ft of frontage. A detail of this landscape buffer shall be approved by the Planning and Zoning Commission and City Council at the time of PD Development Plan for the retail tract.
    d. *Buffer-Strip (Breezy Hill) Residential.* A landscape buffer strip with a minimum width of ten (10) feet shall be provided between any residential area and Breezy Hill Rd.
    e. *Irrigation.* Any irrigation installed in landscape areas and public parks must be designed by a Texas licensed irrigator or landscape architect.
    f. *Fencing.* The Association will maintain all common area and perimeter fencing surrounding the Property. Such perimeter fencing shall be composed of six foot (6') tall tubular steel fencing with masonry entry features or such other fencing as may be approved by the City at the time of platting. Perimeter screening may also be accomplished by earthen berms landscaped with living screening. Property owners will maintain all fences constructed on private property.
    g. *Curvilinear Walks.* Walks are to be a minimum of five feet (5') wide to six feet (6') maximum width (hike and bike trail) consistent with the approved Open Space Master Plan. "Collector streets" with or without center medians may incorporate sidewalks six feet (6') in width adjacent to or within "front yard" landscape easements. Walks may meander within parkway and common area; however, edge of walk shall be no closer than four feet (4') from back-of-curb.
    h. *Medians.* Any proposed median openings shall meet the City standards at the time of PD site plan approval.

DRAFT
ORDINANCE
05.12.2015

2. *Lighting.* Light poles shall not exceed twenty feet (20') in height. All light fixtures shall direct light downward and be contained to the site.
3. *Sidewalks.* At a minimum, sidewalks located on lay down curb section streets shall begin four feet (4') behind the back of curb and be five feet (5') in overall width. Sidewalks will not be required on rural street sections.
4. Curbing. Within certain lot types "A, B, & C" "roll up, lay down curbing" may be incorporated in an effort to minimize frequent curb cuts and maximize streetscape continuity, as approved by the City of Rockwall (Engineering Department) with approval of the final plat application.
5. *Buried Utilities.* New distribution power-lines required to serve the Property shall be placed underground, whether such lines are located internally or along the perimeter of the Property, unless otherwise authorized by the City Council. New transmission power-lines, or distribution lines of a size not typically or cost effectively placed underground (3 phase lines), or additional lines that are added to existing poles, may be above ground, if located along the perimeter of the Property, except along the 205 Bypass. Additionally, if such above ground lines are installed along the perimeter of the property and adjacent to non-residential use, then the lines shall be installed behind the non-residential buildings where the installation is possible. The Developer shall not be required to re-locate existing overhead power-lines along the perimeter of the Property. Temporary power-lines constructed across undeveloped portions of the Property to facilitate development phasing and looping may be allowed above ground, but shall not be considered "existing lines" at the time the area is developed, and if they are to become permanent facilities, such lines shall be placed underground pursuant to this paragraph.
6. *Parks and Open Space.*
   a. Residential and retail acreages (net of right-of-way dedication) shall contain no less than 20% open space and.
   b. Allowable open space may include but is not limited to 50% of floodplain, amenity center, public or private parks, trails, natural areas, buffers, traffic circle medians, entry features, common areas (including any Association recreation center or similar facilities) and other features depicted on the Development Plan, as set forth in the Open Space Master Plan prepared in accordance with subparagraph (c) below. Street right of way will not be included as open space. At least 80% of the single-family dwellings within the development shall be located within eight hundred feet (800') of public or private open space. In order to qualify, such open space must be at least one (1) continuous acre in area, not including roadway buffers less than fifty (50') feet in width.
   c. The Developer shall prepare the Open Space Master Plan to be consistent with the approved Development Plan. The purpose of an Open Space Master Plan is to supplement the Development Plan by providing an additional level of detail for public and private open space areas. The Open Space Master Plan shall identify the locations of and improvements to public parks, and other public and private open space or common areas and shall illustrate an integral system of trail improvements that, together with intervening land held by other property owners or the City, is designed to connect residential areas, schools and retail areas within the District to parks and open space within the District and that provides for continuation and connection of the trail system to off-site parks and open space, in accordance with the City's Master Park and Recreation Plan. The Open Space Master Plan shall clearly differentiate public parks from private facilities and common lands to be maintained by the Association. The locations of public parks, school sites and other public and private open space or common areas shown on the Open Space Master Plan shall be in conformance with the Development Plan. The Open Space Master Plan shall include a phasing plan for construction of all trails, parks, common open space and facilities. The Open Space

DRAFT
ORDINANCE
05-04-15

Master Plan shall be considered for approval if it complies with this section, the applicable City regulations, the Development Plan, and generally accepted park-planning practices.

d. The District shall contain not less than eleven (11) acres of land to be used as public or private parkland. A minimum of eleven (11) contiguous acres shall be dedicated to the City in accordance with the City's Neighborhood Parkland Dedication Ordinance on approval of the final plats for those phases adjacent to or abutting the proposed parkland dedication and will provide access to said parkland area. The remaining parkland area will be retained as a private park within the District. Park improvements shall be constructed in accordance with the approved Open Space Master Plan. The site plan incorporating the design of park improvements and hike/bike trail improvements shall be considered for approval with the final plat for the phase of the development containing such improvements. Performance of the obligations in this subparagraph shall be deemed to fully satisfy the City's Neighborhood Parkland Dedication Ordinance regarding land dedication. At the time of recordation of final plats for each phase, the Developer shall pay park improvement fees to the City. These fees shall be held in an escrow account until the parkland is dedicated to the City, at which time the Developer shall inform the City if the Developer wishes to use the escrowed fees as well as future fees to construct park improvements. Prior to construction, said improvements shall be approved by Parks Director, approval not to be unreasonably withheld, and invoices for improvements shall be submitted to Parks Director for approval. Performance of the obligations in this subparagraph shall be deemed to fully satisfy the City's Neighborhood Parkland Dedication Ordinance regarding park development fees, provided that park improvements are installed at a value equal or exceeding the value of park improvement fees for the entire District applicable at that time, or improvement fees are paid. Thereafter, the Developer shall not be responsible for additional parkland dedication or park development fees associated with the Property, except as otherwise may be provided in a capital facilities agreement approved by the City.

7. Developer shall provide a minimum of one (1) retention pond in the District with hard edges and fountain features. The exact configuration and location of the ponds will be determined at development. All retention pond hardedges shall be similar to the hardedge shown on Figure 1 (below).

DRAFT ORDINANCE

Figure 1: *Retention Pond with Hardedge.*

8. *Signage.* Permanent subdivision identification signage shall be permitted at all major entry points, in general conformance to the signage shown in Figure 2 & 3 (below). Final design of entry features to be determined with the Planned Development Site Plan.

Figure 2: *Example of Subdivision Signage Locations*

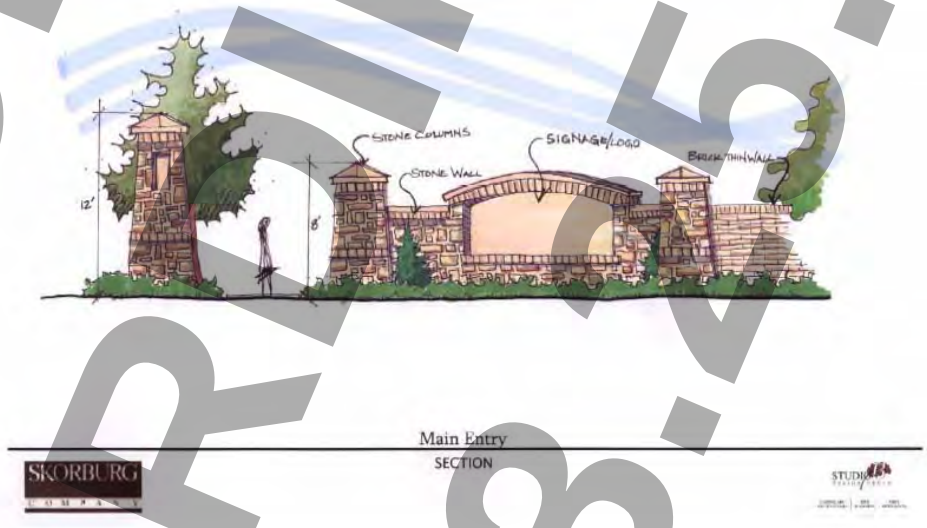

Figure 3: *Example of Subdivision Signage Design Standard*

9. *Variances.* The variance procedures and standards for approval set forth in the Unified Development Code shall apply to any application for variances to this ordinance.

DRAFT ORDINANCE 03.25.2015

10. *Amenity Center.* Site plan, landscape plan and building elevations for the Amenity Center shall be approved by the Planning and Zoning Commission prior to construction.
11. *Trees.* All trees planted within the District shall be a minimum three (3) inch caliper measured six (6) inches above the root ball.

EXHIBIT 'D': CAPITAL FACILITIES AGREEMENT FOR BREEZY HILL

THIS CAPITAL FACILITIES AGREEMENT (the "Agreement") is by and among the Breezy Hill 405, Ltd, ("Breezy" or "Developer") and the City of Rockwall, Texas ("City" or "Rockwall "),

I. RECITALS

1. Breezy seeks to rezone and subdivide the Property for single-family residential use and certain commercial uses. Breezy shall submit an application to rezone the 405 acres north of FM-552 (the "Property") as a planned development (PD) district for a development currently known as Breezy Hill (the "PD District"),

NOW, THEREFORE, in consideration of the foregoing recitals and mutual covenants contained herein, the Parties hereto agree as follows:

II. ADEQUATE PUBLIC FACILITIES

1. *General Provisions.*

   a. *Adequacy Required.* Development of the Property shall be supported with adequate levels of public facilities and services, Adequate facilities and services are those that (i) comply with the applicable City regulations, including this Agreement, and (ii) are consistent with generally accepted engineering and planning practices for similar developments, The Parties agree that the dedication and construction of public improvements, or the contribution of proportionate development fees, required to support development of the Property shall precede or be concurrent with the construction of private improvements to the land, in accordance with the phasing provisions incorporated within this section, or as otherwise may be provided through approval of a master plat.

   b. *Proportionality.* The Parties agree that the dedication or construction of public improvements, or the contributions of development fees, provided for in this Agreement are roughly proportional to the nature and extent of the proposed development of the Property on the City's public facilities systems. Breezy hereby covenants not to sue the City for any claim, or otherwise consent to participate in any action against the City arising from any claim by such party or by its affiliates, alleging that application of the adequate facilities requirements set forth in this Part II of the Agreement to the development of the Property, or the imposition of conditions to a plat application for a portion of the Property that are consistent with the requirements of this section, are not roughly proportional to the impacts of the development depicted in the Concept Plan, including but not limited to any action premised upon Tex. Loc. Gov't Code sec. 212.904 or successor statute. Such covenant not to sue touches and concerns the Property, and is a covenant running with the land such that it binds successors-in-interest and assigns of Breezy. Should any successor-in-interest or assign of Breezy other than an affiliate of Breezy assert any of the foregoing claims in a court of competent jurisdiction, in violation of this Subsection 1 (b), with respect to the development of any portion of the Property, the Parties agree that, with respect to such portion of the Property or all of the Property, at the City's option, this Agreement thereupon shall become null and void and any rights that may otherwise have

BLS

DRAFT ORDINANCE 03.03.2015

vested under then existing state law shall be waived upon such event. Breezy further agrees that the City may expressly rely upon the provisions of this paragraph in any certification under section 212.904 and that a court in determining rough proportionality may consider all of the Property. Should Breezy or an affiliate of Breezy violate the covenant not to sue contained in this paragraph, the City may either enforce the covenant or pursue the remedies provided for herein that are applicable to successors or assigns, other than affiliates. As used in this Agreement, the term "affiliate" means any person, corporation, partnership, or other entity controlled by, controlling, or under common control with Breezy.

c. *No Waiver.* The requirements in this Part II shall be considered additional standards and conditions applicable to development within the PD District. Except in the event of a conflict between the standards in this Agreement and other standards applicable within the District, nothing in this Agreement shall be construed as superseding any requirement or standard in the City's subdivision or utility regulations relating to provision of adequate public facilities and services.

2. *Wastewater Services.*

a. *City as Provider.* The City shall be the supplier of wastewater services to the Property.

b. *Line Extensions.* The Developer shall extend wastewater mains sufficient to serve each phase of development within the PD District, sized in accordance with the City's master plan for wastewater facilities and constructed in accordance with the phasing schedule approved in conjunction with the Developer's master plat application. The Developer shall design and construct a lift station in order to serve the development within the PD District. The Developer shall be entitled to pro-rata fees for the costs of over-sizing the lift station from other future developments using the lift station, calculated on a per acreage basis. Developer also shall be eligible for credits against, wastewater impact fees otherwise due for construction of improvements identified and included in the City's wastewater improvements plan for impact fees, in accordance with the City's then existing impact fee regulations. Provisions for City participation in oversize costs, rebate of pro-rata fees or provision of impact fee credits shall be set forth in a facilities and reimbursement agreement between the Developer and the City.

c. *Payment of Impact Fees.* Wastewater impact fees shall be paid at rates and at the times provided for in the City's then existing impact fee regulations.

3. *Water Services*

a. *City as provider.* The City shall be the supplier of water services to the Property. The City represents that it has sufficient capacity to serve the Property.

b. *Line Extensions.* The Developer shall extend water mains sufficient to serve each phase of development within the PD District, sized in accordance with

BD

DRAFT
ORDINANCE
03.23.2015

the City's master plan for water facilities and constructed in accordance with the phasing schedule approved in conjunction with the Developer's master plat application. The Developer shall be eligible for City participation in the costs of over-sizing water distribution mains or appurtenances that serve other land in addition to the Property, in accordance with the City's standard policies, or for collection of pro-rata fees for such facilities. Developer also shall be eligible for credits against, water impact fees otherwise due for construction of improvements identified and included in the City's water improvements plan for impact fees, in accordance with the City's then existing impact fee regulations. Provisions for City participation in oversize costs, rebate of pro rata fees or provision of impact fee credits shall be set forth in a facilities and reimbursement agreement between the' Developer and the City.

c. *Payment of Impact Fees.* Water impact fees shall be paid at rates and at the times provided for in the City's then existing impact fee regulations.

4. *Road Improvements.* The Developer shall make the following road improvements.

a. *John King Boulevard (Highway 205 Bypass).* The Developer shall have no obligation with respect to construction of John King Blvd. other than as outlined herein regarding payment of road impact fees.

b. *FM-552 Improvements.* The Developer shall dedicate rights-of-way for and construct turn lanes and acceleration/deceleration lanes concurrent with construction of any road on the Property that intersects FM 552, in accordance with City and TXDOT standards and specifications at the time of development of adjoining property.

c. *Breezy Hill Road Improvements.* The Developer shall dedicate a minimum of twenty-five feet (25') of right-of-way or such right-of-way as is needed to construct a twenty-four foot (24') concrete rural section of Breezy Hill Road and appurtenances adjacent to the Property, together with a two-foot (2') asphalt or concrete shoulder on either side of the concrete section, the total not to exceed twenty-eight feet (28') in width, from the northern point of Breezy Hill Road adjacent to the Property, to FM-552, as shown on the Development Plan. The Developer also shall dedicate and improve a minimum landscape buffer of ten feet (10') for the residential tract and fifty feet (50') for the retail tract, adjacent to the right-of-way for Breezy Hill Road, designed in accordance with the requirements of a PD District then in effect for a rural collector. The bar ditch that abuts the buffer strip, designed to a maximum slope of 3: 1, shall not encroach into the required ten-foot or fifty-foot buffer area, except to the extent that the buffers exceed ten feet (10') in width. The Developer shall dedicate right-of-way for Breezy Hill Road and the landscape buffer at the time of final plat approval for any lot abutting Breezy Hill Road. Developer shall construct Breezy Hill Road in conjunction with the retail tract that is final platted adjacent to Breezy Hill Road. Breezy Hill Road will be constructed from the northernmost intersection created by any portion of the retail tract being platted, south to FM-552. Developer shall install any

BLS

DRAFT
ORDINANCE
03.25.2015

EXHIBIT 'D': CAPITAL FACILITIES AGREEMENT FOR BREEZY HILL

needed expansion of existing culverts created by such construction or the development, of such retail tract.

d. *Payment of Roadway Impact Fees.* Roadway impact fees shall be paid at rates and at the times provided for in the City's then existing impact fee regulations. Construction costs incurred by Developer for roadway improvements in this Agreement that are included in the City's roadway improvements plan for impact fees shall be credited against roadway impact fees otherwise due, in accordance with the City's impact fee regulations.

5. *Drainage Improvements.* Dedication of rights-of-way for and construction of drainage improvements shall be provided as specified in conditions imposed with approval of the master plat for development within the PD District and in accordance with City standards and specifications.

6. *Parks and Open Space.*

a. The Developer or a property owners association shall maintain public parklands and improvements within the development for a period of three (3) months from the completion and acceptance of the improvements. Thereafter, the City shall assume responsibilities for maintenance. All open space and improvements which are not dedicated as parkland to the City shall be maintained as common areas in perpetuity by the property owners association for the PD District. Additionally, the property owners association shall maintain Developer-installed landscaping areas in public rights-of-way and public drainage ways internal to and adjacent to the Property.

III. GENERAL PROVISIONS

1. Notice on Sale. The Developer shall provide the City with notice of the sale of any tract or parcel within the District that has not been platted at the following address:

Rockwall City Manager
Rockwall City Hall
385 S. Goliad Street
Rockwall, TX 75087

2. *Recording.* This Agreement is intended to run with the land, and shall be recorded in the Real Property Records, Rockwall County, Texas.

3. *Term of Agreement.* This Agreement shall terminate two (2) years following the City's acceptance of the dedication and construction of the public improvements described herein serving the last phase of development within the PD District, after which the City agrees, upon the request of the Developer to execute a termination of this Agreement in recordable form. Any reimbursements for payment of impact fees shall not expire.

4. *Effective Date.* This Agreement shall take effect upon the date of its execution by the last of the Parties to the Agreement; provided, however, that Breezy shall execute this Agreement no later than five (5) business days following the

BU

effective date of the PD zoning ordinance for the Property. If Breezy fails to execute this Agreement within such period, this Agreement shall become null and void, and unless a subsequent agreement, acceptable to the City and the Developer, is agreed to, the City may thereafter deny any PD site plan, master plat or other plat application on grounds that the application is not supported by adequate public facilities and services.

5. *Severability.* Invalidation of any provision of this Agreement by judgment or court order shall not invalidate any of the remaining provisions which shall remain in full force and effect, unless such remaining provisions are an integral part of the invalid provisions or the invalid provision is necessary to give effect to the remaining provisions.

6. *Enforcement.* This Agreement may be enforced by the Parties by any proceeding at law or in equity. Failure to do so shall not be deemed a waiver to enforce the provisions of this Agreement thereafter.

7. *Venue.* Venue for this Agreement shall be in Rockwall County, Texas.

8. *Execution.* This Agreement may be separately executed in individual counterparts, and upon execution, shall constitute one and the same instrument.

9. *Amendment.* This Agreement may only be amended in writing upon mutual consent of the City and the Developer.

10. *Joint preparation.* This Agreement shall be deemed to have been jointly prepared by all Parties hereto, and no ambiguity of this Agreement shall be construed against any party based upon the identity of the author of this Agreement or any portion thereof.

11. *Recitals Incorporated.* Statements and representations contained herein are to be considered contractual in nature and not merely recitations of fact. The Recitals contained in Part I of this Agreement hereby are expressly incorporated into this Agreement by reference.

12. *Construction.* All references herein in the singular shall be construed to include the plural where applicable, the masculine to include the feminine and neuter genders.

13. *Authority.* Each of the signatories to this Agreement represents and warrants that he is authorized to execute this Agreement and bind his principals to the terms and provisions hereof. Each Party warrants that any action required to be taken in order for this Agreement to be binding on it has been duly and properly taken prior to the execution of this Agreement.

14. *Conflicts.* In the event of a conflict between this Agreement and any provision of the Unified Development Code, the City Code, or any City ordinance, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this Agreement, the standards in this Agreement shall control.

BJ

DRAFT ORDINANCE 03.25.2015

EXHIBIT 'D': CAPITAL FACILITIES AGREEMENT FOR BREEZY HILL

15. *No Waiver*. Developer retains the right to challenge the application of any City impact fee regulations to the Property solely on the basis that such regulations fail to comply with Chapter 395 of the Texas Local Government Code, as amended. If Developer prevails in such a claim, impact fees shall be applied to the development of the Property and paid by the Developer, as applicable, in accordance with the court order.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **City Council**

FROM: **Robert LaCroix**

DATE: **April 29, 2015**

SUBJECT: **Natural or Quarried Stone Requirements**

The natural or quarried stone requirements are found within each of the corridor overlay districts of the Unified Development Code under the Architectural Standards section. This section states the following:

- *Architectural standards.*
  1. Masonry requirements. Each exterior wall shall consist of 90 percent masonry materials, excluding doors and windows, as defined in article XII, Definitions, excluding cast stone and cultured stone, on walls which are visible from a public street or open space, **including a minimum of 20 percent natural or quarried stone.**
     a. Primary exterior materials shall include natural or quarried stone, brick, glass block or glass, tile, cast metal and custom concrete masonry units. The use of other cementaceous products (e.g. stucco, Hardy Plank, or other similar materials approved by the building official) shall be limited to 50 percent of the buildings exterior finishes where it is deemed important as a design feature and where it will be applied under the highest standards for quality and durability. However, stucco may not be located in the first four feet above grade on a facade visible from a street or public area. Each elevation's masonry requirement shall incorporate accent bricks or stones. As the term is used, an "accent brick or stone" is one that provides a contrast by color, shape, size, and/or texture to the field of primary bricks or stones in an elevation.
     b. Secondary materials used on the facade of a building are those that comprise less than ten percent of an elevation area. Permitted secondary materials are all primary materials, aluminum or other metal, EIFS, cast stone, cultured stone or other materials as approved by the director of planning or his designee.

At the time of adoption of the natural stone requirement into the corridor overlay, the intent was to ensure that a high quality stone product was used on the façades of highly visible commercial and industrial building along the major roadways. At that time, cultured stone varied in quality and generally, the applications that were being applied in the City of Rockwall did not have the appearance that the City Council was pleased with. The zoning code was amended to adopt the stricter requirement for natural or

quarried stone in the corridor overlay districts in addition to the city wide 20% stone for all commercial and industrial buildings.

The stone requirement has been problematic with some larger buildings but more particularly with the very large industrial buildings such as the ones located in the REDC industrial tech park. However, this issue was presented to the REDC in the past and they have preferred to continue requiring the 20% stone requirement and natural stone requirement where it applied along the dual overlay districts that border the park. The use of this requirement has enabled the REDC to ask for and in most cases, receive a higher level of architectural quality on the buildings they have been directly involved with, both in and outside the park.

The quality of cultured stone has improved dramatically over last few years and the variances that have been approved to allow the cultured stone have mandated the higher quality product. As stated, the real issue is generally with construction of substantially larger buildings, those that exceed 25,000 square feet in area. Most of the newer shopping centers have been able to comply with the requirement because the building(s) are connected in long spans and the front facades can meet the requirements however the developers usually ask for relief on the rear building facades. The bigger issue is with larger single buildings on individual lots, those that exceed 25,000 square feet. Should the developer request a variance to the natural stone standard, the existing requirement then allows the City Council to require a high quality cultured stone product that would not be attainable otherwise. There are several levels of cultured stone products and all recent variances approved by the Council have been associated with a high quality product that has integrated color mixed through the stone using real crushed stone rather than cement. High quality manufactured stone veneer is cast from molds of real stone which makes it lighter than natural stone. The installation process requires less labor in addition to being less expensive than natural stone.

The key issue is that the natural stone requirement gives the Council the ability to negotiate, if they choose, for a much better quality stone product when the developer requests a variance. Consideration of variances on single larger buildings, i.e. buildings 25,000 square feet or greater, has produced high quality commercial building facades within the City. However, this continues to be a discretionary decision for the Council, and there may be some guidelines or policies to consider that would make this a more equitable requirement.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Ashberry, City Secretary**

DATE: **May 1, 2015**

SUBJECT: **Agenda item – Open Forum(s)**

Mayor Pruitt has requested that a discussion item be placed on the May 4 meeting agenda to discuss and consider scheduling Open Forum at each regular city council meeting. With the council's current meeting schedule, this change would mean Open Forum would be included on agendas for both the 1st and the 3rd Monday meetings each month. The "Policies and Procedures of the Rockwall City Council…," which currently calls for Open Forum to be scheduled during the first regular meeting of each month, is included in your meeting packet *(see highlighted reference on page 12 of the PDF (labeled pg. 11 on the bottom, center of the actual page)).* The Council may, at its discretion, choose to modify these Policies and Procedures.

PREAMBLE - INTRODUCTION, DEFINITIONS, AND BASIS FOR ADOPTION

Pursuant to Section 3.10 of the Charter of the City of Rockwall, Texas (Charter), the Rockwall City Council (Council) adopts the following rules and order of business governing all Council meetings.

A. Statement of Purpose

The Policies and Procedures of the Rockwall City Council (Policies) are intended to describe the rules and guidelines by which the Rockwall City Council operates and to set forth standing Council policy. The manual includes excerpts from the Home Rule Charter for the City of Rockwall, the City of Rockwall Code, and the Texas Local Government Code. Unless otherwise noted, the text of the manual is assumed to be Council polices and procedures in addition to those established in law. The manual serves as a quick reference for resolving policy and procedural questions during meetings and work sessions. These Polices may be amended or waived by a majority vote of the elected members of the Council, except those rules that are required by law.

B. Sources and Definitions

As used in these Policies, the following words have the following meaning:

1. The word City means the City of Rockwall, Texas.
2. The word Charter means the Home Rule Charter for the City of Rockwall, as amended.
3. The word Code means the Rockwall Code of Ordinances, as amended.
4. The term TX Code means the Texas Local Government Code, as amended.
5. The word Council means the duly elected City Council of the City of Rockwall.
6. The words Council member(s) mean a duly elected and sworn member of the City Council of the City of Rockwall, and include the Mayor and the Mayor Pro Tem.
7. The words Code of Ethics means the Ordinance.

C. Oath of Office

Each Council member, including the Mayor, must swear or affirm the following Oath of Office before participating in Council business:

I, _____, do solemnly swear (or affirm), that I will faithfully execute the duties of the office of _____, City of Rockwall of the State of Texas, and will to the best of my ability preserve,

protect, and defend the Constitution and laws of the United States and of this State, so help me God.

SECTION ONE - GOVERNMENTAL STRUCTURE

A. Powers of the Council

Local Government powers are conferred on the elected Council by the State of Texas and the people of the City of Rockwall by way of the democratic process. Powers are defined by the Charter, State law, and the Texas Constitution.

The City is a Home Rule City, as authorized by Article 11, Section 5 of the Texas Constitution. The Charter was first adopted on January 19, 1985 and amended on the following dates: May 7, 1988, May 1, 1993, May 4, 1996, and May 7, 2005.

B. Mayor & Mayor Pro Tem

1. Mayor

Charter section 3.04 prescribes the duties of the Mayor and the Mayor Pro Tem. The Mayor is the official head of the City government and serves as the presiding officer over Council meetings, and performs other duties consistent with the office. The Mayor has the right to vote on all items voted on by the Council, but has no power to veto. The Mayor is the "first among equals," and his or her vote counts no more and no less than the vote of any other individual Council member.

2. The Mayor Pro Tem

The Mayor Pro-Tem is a Council member elected annually by the Council at the first regular meeting after each election of Council members and/or Mayor. The Mayor Pro-Tem acts as Mayor during the disability or absence of the Mayor.

C. Filling Council Vacancies

Charter section 3.05 provides for filling vacancies on the Council. Generally, within thirty days of any Council vacancy, the Council must appoint an individual to fill the vacancy for the unexpired term only (i.e., until the next regular election), at which time the position is placed on the ballot.

The procedure for filling vacancies is set forth in Section 3.A. of these Policies.

D. Council-Manager Form of Government

Charter section 1.02 provides that the City is a Council-Manager form of government. The Council, consisting of the elected Mayor and Council members, appoints the City Manager who is directly responsible to the Council for executing the laws and administering City government.

Under this form of government, the governing body is composed of citizens serving on a part-time basis to decide major policy issues, much in the same manner as the Board of Directors of a private corporation. The Mayor's role is to preside over Council meetings much

like a Chairman of the Board. Council members serve the interests of the citizens who elected them to office—the stockholders of the corporation.

The City Manager is comparable to the corporation's Chief Executive Officer. The City Manager is a professionally trained public administrator charged with implementing the policies and directives of the Council. The City Manager has broad administrative authority and the Charter has strict rules prohibiting political interference in administrative matters. Conversely, the City Manager refrains from participating in political activities that would impair professional administration.

E. The City Manager's Role in Administrative Affairs

Charter section 4.01 provides for the qualifications, powers, and duties of the City Manager. The City Manager is responsible for the appointment, removal, and supervision of all City employees.

With the exception of the City Attorney and the Municipal Judge, all City staff are employees of the City Manager. Thus, neither the Council nor any of its members should direct or request the appointment or removal of City officers or employees.

F. Council/Staff Relationships and Communications

Except for inquiry and timely communication, the Council should contact City employees through the City Manager. Council members should refrain from giving orders or direction to any subordinate of the City Manager, either publicly or privately.

While it is inappropriate for any Council member to instruct a City employee, it is appropriate for Council members to inquire about information. Information that would be difficult or time consuming to produce, however, or that relates to a current or future agenda item, should be formally requested of the City Manager, rather than requested of an individual staff member. Work assignments and policy directions should come from the elected body as a whole and not from individual members. To avoid confusion and conflicting priorities, certain guidelines for Council/staff relationships should be followed.

Council initiatives generally fall into one of four areas:

1. Requests for information that is readily available;
2. Follow-up for a constituent relative to a municipal problem or question;
3. Requests for information nor readily available and requiring considerable staff time and/or research effort;
4. Initiation of a new priority or program.

Normally, items under the first two areas can be handled directly between the Council member and City staff. Items under the last two areas should be channeled through the City Manager. If a Council member is not satisfied with the channels of communication, he or she should discuss the matter with the City Manager, whose job is to ensure the thorough and timely flow of information.

G. Implementing the Will of the Majority

Once a vote is taken and the issue decided, Council speaks to the staff with a single voice. City staff must respond to the majority view, regardless of whether individual Council members agree, and regardless of whether staff agrees.

H. Electronic Communications

The widespread use of electronic mail system (e-mail) raises concerns over the appropriate communications among Council members and between Council members and staff. Generally, all e-mail communications among Council members and between Council members and staff are subject to disclosure under the Texas Open Records Act. All e-mail communications to and from staff members should be in accordance with established guidelines for staff inquiries. The City Manager should be copied on all e-mail communications between Council members and Staff.

I. Conflict of Interest Rules

To ensure citizens that the judgment of public officers and employees is not compromised or affected by inappropriate conflicts, the Council passed an ordinance providing for a Code of Ethics for all officials and employees. The Code of Ethics applies to elected or appointed individuals, whether paid or unpaid, advisory or administrative. The Code of Ethics serves not only as a guide for official conduct of the City's public servants, but also as a basis for discipline for those who fail to abide by its terms. The ordinance states that the proper operation of democratic government requires that:

1. Public officials and employees be independent, impartial, and responsible only to the people of the City;
2. Governmental decisions and policy be made using the proper procedures of the governmental structure;
3. No officer or employee have any financial interest, direct or indirect, or engage in any business, transaction, or professional activity, or incur any obligation of any nature, which is in conflict with the proper discharge of his duties in the public interest;
4. Public office not be used for personal gain;
5. The Council at all times be maintained as a nonpartisan body.

The Code of Ethics provides for standards of conduct for officers and employees of the City as well as providing for penalties for violations. In addition to the local Code of Ethics, Council members are bound by state law pertaining to conflicts of interest as well. The City Attorney is the proper person to consult for competent legal advice concerning conflict of interest questions.

The Council has established that the City Attorney will provide annual training for all members of the City's boards and commissions, as well as for Council members.

J. Council Representatives on Various Committees

The Council is represented on a number of committees and groups. These include intergovernmental bodies, various community organizations, Council subcommittees, and as

liaisons to selected boards and commissions. Such representation is distinct from formal appointments to Boards and Commissions.

K. Representation on Outside Organizations

Outside groups often invite the Council to participate in their activities. For appointments to outside groups, the Council may designate either a Council member or a City employee (if appropriate) to the committee or group. Appointments for these positions occur as needed.

L. Representation and Role of Council subcommittees

The Council may create a Council subcommittee to review and provide recommendations to the full Council concerning a specific issue. Subcommittees should be considered by the Council when items of interest to the Council will require a significant amount of time to develop and review beyond what may reasonably be accomplished in a regular meeting or workshop of the full Council. The role of a subcommittee is to examine issues in depth when requested by the full Council and to report back their findings and recommendations. They do not have the responsibility or authority to set policy. Additionally, subcommittees have no authority to direct the spending of funds unless approved by the full Council.

Generally, subcommittees are created when Council members at a posted meeting consider such creation. Procedures for establishing and operating a subcommittee are as follows:

1. Establishing subcommittees

The Council may establish a subcommittee at a posted meeting. Upon establishment the Council will adopt a resolution creating the subcommittee. The resolution will contain guidelines as to the scope, function, or charge of the subcommittee. The resolution will also identify the term of the subcommittee, reporting requirements to the full Council, and whether the subcommittee is a standing committee with ongoing functions, or an ad hoc committee. The resolution will be prepared by staff with input by the subcommittee members and submitted to the Council within 30 days of establishing a subcommittee.

2. Appointments

Appointments to subcommittees may be made at any time by the Council. Appointments to subcommittees should be reviewed and adjusted as necessary annually after elections once the new Council takes office. However, the Council may make reassignments and new assignments as needed.

3. Reporting and Communication with Council

Subcommittees shall make periodic reports to the full Council as provided in the resolution establishing the subcommittee. Interim reporting may occur at a posted Council meeting or it may occur through updates provided by staff. Such interim reporting will include updates to the full Council regarding activities that involve discussions or participation with outside parties.

Final and periodic reporting as outlined in the establishing resolution will occur at posted Council meetings. Such reports are intended to reflect the opinions and ideas of each Council member serving on a subcommittee.

Once a subcommittee has been formed and is working, should one or more Council members who have questions or wish to discuss the item being developed or reviewed by the subcommittee should request an item for discussion of such at a regular Council meeting.

4. Operation of Subcommittees

The staff liaison has the responsibility for scheduling meetings with the subcommittee. Staff also has the responsibility for tracking the work of the subcommittee and providing access to all reports and committee assignments to the full Council.

When the Council votes on the recommendations of a subcommittee, generally the motions to act on those items should be made by council members not serving on the subcommittee.

5. Orientation of New Council members

Staff will include a review of the operation and process of subcommittees in the orientation process with newly elected council members.

M. Role of Council Liaisons to Boards and Commissions

From time to time the Council will consider establishing a Council liaison to particular City boards or commissions to improve communication between the Council and the Board. Their role will be to periodically meet with the Chair of that Board or Commission, to periodically attend the meetings of the assigned Board or Commission, and report back to Council with any recommendations. Items of interest or upcoming action for Council may be communicated from the liaison to the City Manager, who may then forward the information to the full Council. Appointments as liaison may be made at any time by the Council. Appointments should be reviewed and adjusted as necessary annually after elections once the new Council takes office. However, the Council may make reassignments and new assignments as needed.

SECTION TWO— CITY COUNCIL MEETINGS

A. Monthly Council Meetings

Charter section 3.08 provides that the Council shall hold at least one regular meeting each month and as many additional meetings as it deems necessary to transact the business of the City. The Council conducts regular meetings beginning at 6:00 p.m. on the first and third Monday of each month in the Council Chambers at City Hall, located at 385 S. Goliad. Special Council meetings are held at the call of the Mayor or a majority of the Council members as needed.

Activities during regular Council meetings include:

1. Consent Agenda for items that have previously been discussed, are of a routine nature and are unlikely to generate discussion, and are ready for action. Any member of the Council may pull an item for discussion and/or

separate vote. Council members are encouraged to submit any items they would like to pull from the consent agenda to the Chair prior to the start of the meeting.

2. Open Forums where Citizens may address the Council on any matter not included in the published meeting Agenda;

3. Public Hearings as required by law or Council policy. Public hearings may cover subjects such as proposed budgets, proposed Comprehensive Plan amendments, and rezoning;

4. Reports, Action Items, and Recommendations from the City Manager. Generally, the manager's report should be limited to 15 minutes and should include written or verbal information on the city's financial position, staffing status, status of capital construction projects, departmental activities, and other current information.

5. Reports, Action Items, and Recommendations from the Planning Commission and other advisory boards;

6. Award of Bids or Approval of Contracts where the Council formally authorizes the purchase of materials and the letting of contracts;

7. Action Items placed on the Agenda by the Mayor or one of the Council members;

8. Ordinances and Resolutions that are legal instruments where the Council establishes public policy, either in the form of local laws (Ordinances) or formal statements of fact and intent (Resolutions);

9. Appointments with Citizens who submit requests for action or consideration. Generally, any items that include a citizen, outside group, or other third party, other than zoning or other development related matters, should be placed under the appointment section of the agenda in order to address their issues early in the meeting.

Streamlined Council Meetings - It is the goal of the Council to have Council conduct business in an effective and efficient manner, while allowing for appropriate levels of input form both the public as appropriate, and from staff and Council members. City staff will identify estimated times for completion of agenda items. The Chair will set the end time for meetings and executive sessions. Generally, regular city council meetings will not extend past 11:30, however, the Chair may extend that time on a case by case basis. Actions not acted upon by the end of the meeting will be rescheduled to the next regular meeting unless the Council approves a special meeting to be held.

B. Open Meetings Law

The Texas Open Meetings Act provides that meetings of governmental bodies must be open to the public (except for expressly authorized executive sessions), and that the public must be given notice of the time, place, and subject matter of meetings of governmental bodies. Any additional procedures that a governmental body adopts for the conduct of its meetings must be consistent with the Open Meetings Act.

The Open Meetings Act applies to a governmental body when it engages in a "regular, special, or called meeting." Informal meetings of a quorum of members of a governmental body are also subject to the act.

1. Deliberation Between a Quorum of a Governmental Body and a Third Party

A governmental body must comply with the Open Meetings Act when a quorum of its members is present and engages in verbal deliberation with a third party, for example, by listening to a report and asking questions of that person. Under this aspect of the definition, no verbal exchange among members of the governmental body is necessary to subject the deliberations to the act. Therefore anytime 4 or more members of the Council attend any Board or Commission meeting and takes part in the discussions, the City must comply with the Open Meetings Act, including but not limited to the posting of notices.

2. Notice

The Open Meetings Act requires written notice of the date, hour, place, and subject of all meetings at least 72 hours before the scheduled meeting time. The Open Meetings Act provides that a governmental body must give written notice of each meeting held by the governmental body.

3. Emergency Items

Special notice provisions exist for emergency items. In an emergency or when there is an urgent public necessity, the notice of a meeting or the supplemental notice of a subject added as a item to the agenda for a meeting for which notice has already been posted is sufficient if it is posted for at least two hours before the meeting is convened. An emergency or an urgent public necessity exists only if immediate action is required because of an imminent threat to public health and safety, or a reasonably unforeseeable situation.

C. Open Sessions

1. Convening the Meeting

A Council meeting may not be convened unless a quorum of the governmental body is present in the meeting room. This requirement applies even if the governmental body plans to go into an executive session immediately after convening.

2. Rights of the Public

A meeting that is "open to the public" under the Open Meetings Act is one that the public is permitted to attend. The act does not entitle the public to choose the items to be discussed or to speak about items on the agenda.

D. Closed Sessions

The Open Meetings Act provides certain exceptions to the requirement that meetings of a governmental body be open to the public. It provides a governmental body may not conduct a closed meeting unless (a) a quorum of the governmental body first convenes in an open meeting for which notice has been given, (b) during which the presiding officer publicly announces that a closed meeting will be held, and (c) the notice identifies the section or sections of the Open Meetings Act under which the closed meeting is being held.

1. Section 551.071: Consultations with Attorney

This section authorizes a governmental body to consult with its attorney in an executive session to seek his or her advice on legal matters when the governmental body seeks the advice of its attorney about pending or contemplated litigation; a settlement offer; or on a matter in which the duty of the attorney to the governmental body under the Texas Disciplinary Rules of Professional Conduct of the State Bar of Texas clearly conflicts with this chapter. The governmental body may hold an executive session to seek or receive its attorney's advice on legal matters that are not related to litigation or the settlement of litigation.

2. Section 551.072: Deliberations about Real Property

This section authorizes a governmental body meet in executive session to deliberate the purchase, exchange, lease, or value of real property if deliberation in an open meeting would have a detrimental effect on the position of the governmental body in negotiations with a third person.

3. Section 551.073: Deliberations about Gifts and Donations

This section provides that a governmental body may deliberate a negotiated contract for a prospective gift or donation to the governmental body if deliberation in an open meeting would have a detrimental effect on the position of the governmental body in negotiations with a third person.

4. Section 551.074: Personnel Matters

This section authorizes deliberations about the appointment, employment, evaluation, reassignment, duties, discipline, or dismissal of public officer or employee; or to hear a complaint or charge against an officer or employee;

This section does not apply if the officer or employee who is the subject of the deliberation or hearing requests a public hearing.

This section permits executive session deliberations concerning an individual officer or employee. Deliberations about a *class* of employees must, however, be held in an open session.

5. Section 551.087: Deliberations Regarding Economic Development Negotiations

This section does not require a governmental body to conduct an open meeting to discuss or deliberate regarding commercial or financial information that the governmental body

has received from a business prospect that the governmental body seeks to have locate, stay, or expand in or near the territory of the governmental body and within which the governmental body is conducting economic development negotiations; or to deliberate the offer of a financial or other incentive to a business prospect.

E. Record of Meetings

1. Minutes and Tape Recordings of Open Sessions

A governmental body is required to prepare and keep minutes or make a tape recording of each open meeting of the body. The minutes must state the subject of each deliberation and indicate each vote, order, decision, or other action taken. The minutes and tape recordings of an open meeting are public records and must be available for public inspection and copying on request to the governmental body's chief administrative officer or the officer's designee.

2. Certified Agenda

A governmental body must make and keep either a certified agenda or a tape recording of each closed executive session, except for an executive session held by the governmental body to consult with its attorney in accordance with section 551.071 of the Government Code.

If a certified agenda is kept, the presiding officer must certify that the agenda is a true and correct record of the executive session. The certified agenda must include (1) a statement of the subject matter of each deliberation, (2) a record of any further action taken, and (3) an announcement by the presiding officer at the beginning and the end of the closed meeting indicating the date and time. A certified agenda or tape recording of an executive session is confidential.

SECTION THREE - COUNCIL PROCEDURES

A. Setting the Agenda

All meeting agenda items that require formal Council action are placed on the agenda for consideration. A draft of the agenda of the regular meetings is completed on the Wednesday before the Monday Council meeting. If necessary, the agenda may be supplemented on the Friday before the Monday meeting. Items may be added to the agenda in the following ways:

1. The City Manager may add items as needed;

2. Items may be added by individual Council members by completing the appropriate form and returning the form to the City Secretary. Generally, the items should be submitted by the Wednesday deadline for inclusion on the next meeting. Generally, when items are added the staff will provide appropriate information as deemed necessary by the City Manager for the Council to make informed decisions about the item. Staff will only move forward to develop detailed information, ordinances, or other documents related to acting on the item should the Council vote to move forward.

3. Items may be added by citizens by submitting a written request outlining their topic or request by Wednesday before the Monday Council meeting.

4. Items may be added by applicants for formal action by the Council as in zoning or development applications.

Items originating from Council members should be shared with the City Manager. The City Manager is responsible for preparing and distributing the agenda.

B. Presiding Officer

The Mayor is the Chair and presides at every meeting of the Council and, at the appointed hour, calls the Council to order, provided a quorum is present.

While each Council member is responsible for maintaining order in the Council Chambers, the Chair preserves order and controls the Council Chamber and the connecting rooms. In case of a disturbance or disorderly conduct, the Chair may order any room or chamber cleared.

The Mayor Pro Tem presides as Chair of the Council meeting in the Mayor's absence.

C. Public Participation in Council Meetings

State law and City ordinances permit the public to speak during a posted public hearing. Speakers will be asked to limit their remarks and speak only once until others who desire to speak have been heard. All speakers will speak only when recognized by the Chair, and will address the Council. No dialogue between speakers will be permitted. The Chair may request that speakers limit their comments to three minutes.

The Council may hear from persons during the "open forum" session, which is held on the first regular meeting of each month. At that time, such persons may address the Council on any topic not already included in the posted agenda which will allow public comment. The Council may not enter into discussions with the speaker or with the Council or staff on any item raised under open forum other than to indicate if the item needs to be placed on a future agenda or if the staff will work with the speaker to resolve their issue. The guidelines for the open forum will be displayed on the overhead screen. Each speaker will be given 3 minutes for an open forum topic, unless the Chair grants an extension.

Individuals who have requested an appointment with the Council will generally be given 3 minutes to make their presentation, unless the Chair grants an extension.

The Chair will request all speakers to sign in with the City Secretary for the record.

The City Charter provides that at any reading of a proposed ordinance, the adoption of which was not preceded by a public hearing held by the City Council, interested persons must be given a reasonable opportunity to be heard on the matter.

D. Public Hearings

Public hearings primarily are concerned with zoning or any matter for which a public hearing is required by law such as Budget; Tax Matters; Utility Rate Increase, zoning matters, etc.

1. Staff Presentation of the Item

Prior to opening a public hearing the Chair will recognize the appropriate City staff person handling the matter. Staff reports should generally contain a brief summary of the case and any new information that the Council may need to be aware of in their deliberations. In zoning matters before the Council, The Staff will present the facts surrounding the case and state the action of the Planning and Zoning Commission. If sought, the Mayor must recognize Council members who seek clarifying questions of the Staff.

2. Conduct of the Public Hearing

At the conclusion of the staff report, the Chair will open the Public Hearing and, if applicable, the applicant may present their case. Following the applicant(s), any other interested citizen is entitled to speak on the application. Generally, the applicant will be given 10 minutes to present their case and others addressing the Council will be given 3 minutes to address the Council. The Chair may grant reasonable extensions.

To provide the Council with as much necessary information concerning the item as is necessary to reach an informed and rational decision on the matter, and in the case of a zoning request, afford all zoning applicants the opportunity to present their entire case, Council members should refrain from commenting on the merits of the item until the Public Hearing is closed.

3. Council Action

After every citizen who desires to address the Council has spoken and after the applicant has been afforded the opportunity for rebuttal, the Chair will close the Public Hearing. At this time, the matter is returned to the Council for discussion or debate before a Motion is made pursuant to the procedures set forth in these Policies and Procedures.

E. Types of Council Actions

The Council adopts standing policy for the city primarily in three forms: (1) Ordinances; (2) Resolutions; and (3) Voted Council Actions.

1. Ordinances

An ordinance adopted by the Council is a law of the city that may be enforced through the court system. The City Manager or any member of the Council may offer an ordinance for consideration by the Council. Copies of proposed ordinances are furnished to members of the Council before the first reading. Copies of proposed ordinances are made available at the City offices and will be furnished to citizens upon request to the City Secretary.

A proposed ordinance, except as related to an emergency, budget, tax, public utility rate setting, or State or Federal requirement, must be read at two Council meetings with at least one week between readings.

A proposed ordinance may be amended at either reading, but any ordinance amended in substance must be considered as a first reading, except for ordinances authorizing the issuance of bonds or other obligations.

The Charter requires that the City codify all general ordinances. General ordinances are those ordinances of a permanent or continuing nature that affect the residents of the City at large. The Council may legislate by ordinance only.

2. Resolutions

Resolutions do not have the force of law. A resolution is adopted to state a policy or to define in writing the intent of the Council when a law is not necessary. Examples would include a resolution to define the scope and purpose of a Council committee, or a resolution to define the Council's policy on an issue such as the City's street assessment program. Resolutions are also used to document Council actions for reference.

A list of resolutions is maintained by the City Secretary.

3. Council Actions

In addition to ordinances and resolutions, Council policy may also be set by Council action. Those actions are documented in the minutes of the meeting.

Council policy is also supplemented by administrative orders issued by the City Manager and other duly authorized offices of the city, such as clarifications to the personnel manual, or the General Orders of the Police Department. All administrative orders must be in conformance with any policies set by the Council.

F. Method for Determining Procedural Questions

The City Attorney serves as the Council parliamentarian and should be consulted on the proper conduct of meetings when questions arise. With the assistance of the City Attorney, the Chair decides all points of order.

G. Order of Discussion

1. Duties and Responsibilities of the Chair

a. Public Participation on Items Not Requiring Public Hearing

The Chair may determine if members of the public will be allowed to address the Council on an agenda item that does not require a public hearing. If the Chair determines it will permit the public to address the Council, the Chair will then determine the time allotted for speakers to address the Council.

b. Arranging the Agenda

The Chair may alter or rearrange the order of consideration of items on the posted agenda.

c. Maintaining Decorum

The Chair is responsible for maintaining decorum in the Chambers during meetings. If the safety of the public and/or the Council or Staff becomes a concern, the Chair may order the removal of disruptive persons or ask that the Council Chambers be cleared.

d. Council Participation

Every Council member who wishes to speak must be first be recognized by the Chair. The Chair will recognize Council members by order of request for recognition.

H. Motions

1. Motions Generally and Permissible Debate

Generally, there are three types of Motions: (1) Main; (2) Secondary; and (3) Privileged. Motions are usually classified into three categories: (1) Not Debatable; (2) Debatable; and (3) Privileged (for limited debate).

a. Main Motions

A Main Motion is the Motion that initiates action. Once made, it must be seconded. If it is not seconded it can be withdrawn or simply declared by the Chair to die for lack of a second. Then, another Motion can be made. A new main Motion cannot be made while the first main Motion is being debated.

Main Motions are debatable. The debate must be relevant to the Main Motion or the items under discussion if no motion has yet been made.

b. Secondary Motions

A Secondary Motion is used to propose an action on the main Motion being deleted. Examples of Secondary Motions include, but are not limited to, Motions to Table, to Cease Discussion, to Amend, to Postpone, and to Refer to Committee. Secondary Motions are generally not debatable.

c. Privileged Motions

A Privileged Motion is used to bring procedural questions before the Council; they do not require a second. Examples of Privileged Motion include, but are not limited to, Motions to Recess, to Adjourn, and to vary the Order of Agenda.

Privileged Motions, such as a Motion to Recess or Adjourn, can have limited debate. It is within the Chair's sole discretion to allow debate on a Privileged Motion and, if allowed, the parameters of debate on a Privileged Motion are set solely at the Chair's discretion.

2. Entertaining Motions

The Chair may make a motion on an item being addressed by the Council, or may recognize a Council member to make such a motion. If seconded, the Chair must ultimately call for the Council's vote on the matter. If not seconded, the Chair must declare the motion dead for lack of a second.

Although the Chair may entertain motions and seconds before all Council members have had the opportunity to speak on the matter, the Chair may not call for a vote on any seconded Motions until all Council members who wish to speak on the matter have been given the opportunity to do so.

After all discussion and debate has ended, the Chair will call for the ordinance to be read (when such reading is required by local or state law), after which time the Chair will ask for the Council's vote on the matter.

I. Voting

1. Majority Vote Required for Most Council Action

Unless otherwise required by statute, ordinance, or law, or by the Charter or these Rules, all Council action requires the affirmative vote of a majority of the Council members present.

2. Items Requiring Unanimous Vote

An affirmative vote of the entire Council is required to authorize the emergency borrowing of money.

3. Items Requiring Supermajority Vote

An affirmative vote of at least six members of the Council is required:

1. To issue Certificates of Obligation in the event of an urgent public necessity, when a vote of the citizens is not held;
2. To issue Revenue bonds when a vote of the citizens is not held; and
3. To approve a zoning change if the owners of twenty-percent of the land within 200 feet of the proposed area to be changed register written opposition to the change or if the Planning and Zoning Commission recommends denial of the change.

4. Items Requiring a Full Quorum Vote

An affirmative vote of at least four members of the Council is required:

1. to adopt an emergency ordinance;
2. to approve or amend the annual budget;
3. to approve the issuance of revenue bonds approved by the voters.

J. Filling Council Vacancies

In the event of a vacancy on the Council, the following procedure is hereby adopted for filling such vacancy:

The Council will, via news media, City Website, and Cable Channels, notify the citizens that the Council seeks applications from qualified citizens wishing to be considered for appointment.

All interested parties will be required to submit an application of interest to the City Secretary by a date certain.

The City Council will provide an opportunity at a public meeting for applicants to make short presentations to the Council to present their qualifications and reasons for wishing to serve. The Council may then choose to interview some or all of the applicants in executive session.

The Council will then finalize their decision as soon as practicable after the completion of the interviews.

K. Appointment Process for Boards and Commissions

It is the Council's objective to manage the appointment process so that (1) boards, commissions, and committees are composed of capable, dependable, and effective members, (2) citizens are encouraged to apply for appointments, (3) appointments are made on time, (4) new members are oriented and prepared for their roles, and (5) retiring members are recognized and thanked.

In an effort to perpetuate positive growth and healthy dynamics over time, it shall be the general policy of the Council that citizens appointed to boards or commissions will typically serve no more than six consecutive years in one position so that new members may be considered to serve. This policy may not necessarily be applied to those serving in a specific technical role on certain boards or commissions as determined by the City Council.
(Res. #10-43)

1. Application Procedures

All persons interested in serving on any City board, commission, or committee must first obtain from the City Secretary, complete, and return an Application for City Boards and Commissions. Applications may be submitted at any time and will be retained for two years for use when vacancies occur. Invitations to apply will be publicized periodically.

Notifications and Orientation of Appointees - the City Secretary will notify appointees in writing of their appointments by City Council and provide each appointee with the appropriate forms that must be completed and returned. The staff assigned to the board is responsible for orienting the new member to their duties.

Recognition of Outgoing Members - the City Secretary schedules an annual banquet for all board, commission, and committee members to express the city's appreciation for the work done by those volunteers. All outgoing members are recognized for their service.

Council Rules of Procedure Addendum

(Adopted by Ord. 10-18 on 07-19-10)

Chapter 171 of the Local Government Code – Conflicts of Interest

Chapter 171 of the Local Government Code regulates local public officials' conflicts of interest. TEX. LOCAL GOV'T CODE §171.001-.010. It prohibits a local public official from voting or participating on a matter involving a business entity or real property in which the official has a substantial interest if an action on the matter will result in a special economic effect on the business that is distinguishable from the effect on the public, or in the case of a substantial interest in real property, it is reasonably foreseeable that the action will have a special economic effect on the value of the property, distinguishable from its effect on the public. *Id.* §171.004(a).

A public official who has such interest is required to file, before a vote or decision on any matter involving the business entity or real property, an affidavit with the city's official record keeper, stating the nature and extent of the interest. *Id*. §171.004(b). In addition, a public official is required to abstain from further participating in the matter. *Id.* However, a public official that is required to file an affidavit is not required to abstain from participating in the matter if a majority of the members of the governing body have a substantial interest and are required to file and do file affidavits of similar interests on the same official matter. *Id*. §174.004(c).

Local Public Official

A "local public official" constitutes "a member of the City Council, any official appointed by the City Council, whether paid or unpaid, and any member of a board or commission".

Substantial Interest

A public official has a substantial interest in a business entity if the official:

(1) owns 10 percent or more of the voting stock or shares of the business entity;

(2) owns either 10 percent or more or $15,000 or more of the fair market value of the business entity; or

(3) receives funds from the business entity that exceeds 10 percent of the person's gross income for the preceding year.

Id. §171.002(a).

A person has a substantial interest in real property if the interest is an equitable or legal ownership with a fair market value of $2,500 or more. *Id.* §171.002(b).

A public official is also considered to have a substantial interest in a business entity or real property if the official's relative within the first degree of consanguinity (blood) or affinity (marriage) has a substantial interest in the business entity or real property. *Id.* §171.002(c). As such, any "substantial interest" that a public official's spouse, parent, child, step-child, father or mother-in-law, or son or daughter-in-law has is imputed to the public official. TEX. GOV'T CODE 573.023; 573.024; Tex. Att'y Gen. Op. No. DM-267 (1993) at 2; Tex. Att'y Gen. LO-95-080, at 3. For example, a public official has a "substantial interest" in a business that employs the official's daughter if the official's daughter earns a small income, which exceeds ten percent of her gross income. *See* Tex. Att'y Gen. Op. No. JC-0063 (1999).

Business Entity

A business entity is defined as "a sole proprietorship, partnership, firm, corporation, holding company, joint-stock company, receivership, trust, or any other entity recognized by law." *Id.* §171.001(2). A nonprofit corporation is also considered a business entity. Tex. Att'y Gen. Op. No. JM-424 (1986) at 2. The term also includes a business entity that represents an entity or person with an interest in a matter before the city council. Tex. Att'y Gen. Op. No. DM-309 (1994), at 2. Another city or another public entity is not considered to be a business entity.

"Further Participation"

The limit on "further participation" does not preclude the interested public official from attending meetings, including executive session meetings, relevant to the matter in which he has a substantial interest, provided that the official remains silent during the deliberations. Tex. Att'y Gen. No. GA-0334 (2005), at 6. As such, an interested public official does not participate in a matter by merely attending an executive session on the matter and remaining silent during the deliberations. *Id.*

Special Economic Effect

The question of whether a vote or decision has a "special economic effect" on a business entity or on the value of real property is a question of fact. Tex. Att'y Gen. LO-98-052. Likewise, whether it is "reasonably foreseeable" that an action on the matter will have a special economic effect on the value of the property, distinguishable from its effect on the public, is fact specific. Tex. Att'y Gen. LO-96-049.

Budget Adoption

There are special rules beyond the filing of an affidavit and abstaining from voting that apply to the adoption of the City's annual budget. If an item of the budget is specifically dedicated to a

contract with a business entity in which a member of the City Council has a substantial interest, the City Council must consider that line item separately.

Depositories

The City Council may select a bank as its depository even if one or more of its members is an officer or director of the bank or owns or has a beneficial interest, individually or collectively, in ten percent or less of the outstanding capital stock of the bank, so long as two conditions are met. One, a majority of the members of the City Council must vote to select the bank as a depository. Two, the interested member must abstain from voting.

Enforcement

If a member of the City Council or one of the City's boards or commissions votes on a matter that he or she has a substantial interest in and fails to abstain from further participation, the action of the City Council or the respective commission on the matter is not voidable, unless the matter that was the subject of the action would not have passed without the vote of the person who had a "substantial interest." A knowing violation of Chapter 171 is a Class A misdemeanor, which is punishable by a fine and/or confinement.

Chapter 176 of the Local Government Code – Conflicts Disclosure

Q: What is Chapter 176 of the Local Government Code?

A: Chapter 176 is a relatively new ethics law that was enacted by H.B. 914 in 2005. It requires certain local government officials to disclose employment and business relationships with vendors who conduct business with local government entities. After the law was implemented, city officials and others realized that the law created several unintended consequences. As such, the bill's author sought an opinion from the Texas Attorney General to clarify many provisions of Chapter 176. In response, the attorney general's office released Opinion Number GA-0446, which concluded that the legislative changes to the law were necessary. In response, the legislature passed H.B. 1491 during the 2007 regular legislative session. The bill became effective on May 25, 2007.

Q: Is the City of Rockwall subject to this law?

A: Yes, including boards and commissions.

Q: What local government officers are subject to this law?

A: Chapter 176 applies to the City Council and the City Manager. Chapter 176 may be applied to City Employees through the HR policies.

Q: When is an officer required to file a "conflicts disclosure statement"?

A: An officer is required to file a conflicts disclosure statement ("statement") if a vendor enters into a contract with the city or if the city is considering entering into a contract with the vendor, and the officer or officer's family member has an employment or other business relationship with the vendor that results in the officer or officer's family member receiving taxable income that is more than $2,500 in the preceding twelve months. An officer who receives investment income, regardless of amount, is not required to file a disclosure statement. *Id.* Investment income includes dividends, capital gains, or interest income gained from a personal or business checking or savings account or other similar account, a personal or business investment, or a personal or business loan.

An officer is also required to file a statement if the officer or officer's family member accepts one or more gifts from a vendor that has an aggregate value of more than $250 in the preceding twelve months. An officer is not required to file a statement in relation to a gift, regardless of amount, that is accepted by an officer or officer's family member if the gift is given by a family member of the person accepting the gift, is a political contribution, or is food, lodging, transportation, or entertainment accepted as a guest.

(Note: An officer is required to file a statement no later than 5 p.m. on the seventh business day after the date on which the officer becomes aware of facts that require a filing of the statement.)

Q: How does Chapter 176 define a "vendor"?

A: A vendor is any person that enters or seeks to enter into a contract with a city. *Id.* §176.002(a). The term also includes an agent of a vendor. *Id.*

Q: How does Chapter 176 define a “family member”?

A: A family member is defined as a person related to another person within the first degree of consanguinity (blood) or affinity (marriage). *Id.* §176.001(2). An officer’s family member would include the officer’s spouse, father, mother, son, daughter, father-in-law, mother-in-law, son-in-law, daughter in law, or a step child. *Id.*

Q: To what types of contracts does the law apply?

A: The law applies to any written contract for the sale or purchase of real property, goods or services. A contract for services would include one for skilled or unskilled labor, as well as professional services.

Q: When is a vendor required to file a “conflicts of interest questionnaire”?

A: A vendor is required to file a conflict of interest questionnaire (“questionnaire”) if the vendor has a business relationship with the city and has: (1) an employment or other business relationship with an officer or an officer’s family member that results in the officer receiving taxable income that is more than $2,500 in the preceding twelve months; or (2) has given an officer or an officer’s family member one or more gifts totaling more than $250 in the preceding twelve months.

A vendor is required to file a questionnaire not later than the seventh business day after the later of the following: (1) the date that the vendor begins discussions or negotiations to enter into a contract with the city or submits an application or response to a bid proposal; or (2)

the date that the vendor becomes aware of a relationship or gives a gift to an officer or officer's family member.

Q: With whom should the statements and/or disclosures be filed?

A: The statements and disclosures must be filed with the City Secretary. The City is required to post statements and disclosures on the website.

(Note: The City does not have a duty to ensure that a vendor that is required to file a questionnaire files one. *Id.* §176.008.)

Q: What happens if a statement is not filed?

A: An officer or vendor who knowingly fails to file a statement or a disclosure when required to do so commits a Class C misdemeanor which is punishable by a fine of up to $500. It is an exception to prosecution if an officer/vendor files a statement/questionnaire not later than the seventh day after the date the person receives notice from the city of the alleged violation.

(Note: The validity of a contract between a city and a vendor is not affected solely because an officer or vendor fails to file a statement or disclosure.)

Q: Where can an officer or vendor obtain the necessary forms?

A: The Texas Ethics Commission is charged with creating statements and disclosure forms, and has adopted new forms that conform to the new bill. The forms may be found at www.ethics.state.tx.us or by contacting the City Secretary's office at 972-772-6406.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Ashberry, City Secretary**

DATE: **May 1, 2015**

SUBJECT: **Scheduling official canvass of election**

The 2015 election calendar, published each year by the Texas Secretary of State's office, indicates that this year, the official canvass of the May 9, 2015 election may occur any time between the dates of May 12 (Tues.) through May 20 (Wed.). State law stipulates that only two officers are needed for a quorum at a canvassing meeting (Tex. Elec. Code Ann. § 67.004(a)). Furthermore, canvassing must take place at a public meeting, the agenda of which has been published 72-hours in advance in accordance with the Texas Open Meetings Act.

Since the second council meeting in May falls on Monday, May 18, which is within the prescribed timeframe for canvassing the May 9 election, consideration may be given to scheduling the canvass for May 18. The following are options that may be considered:

- Scheduling the canvass on 05/18 at 4PM; formally swearing in newly elected members (by city secretary) prior to recessing into Executive Session; having a ceremonial swearing in at the start of the 6PM public meeting agenda; recognizing and thanking outgoing members;
- Scheduling the canvass on 05/18 during Action Items on the regular agenda; formally swearing in newly elected members (by city secretary) at the very end of the 6PM public meeting agenda; recognizing and thanking outgoing members; with this option, newly elected council members' first official meeting would be Monday, June 1st (unless a special meeting were called in between)
- Scheduling a special meeting to conduct the canvass prior to the May 18 regular council meeting. If this option were chosen, newly elected members would be sworn in (by city secretary) after the canvass occurs, and they would take their seats at the beginning of the May 18 meeting with any ceremonial swearing in and recognition of outgoing members taking place at the start of the public meeting.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **April 28, 2015**

SUBJECT: **2015 Founders Day Festival**

The 2015 City of Rockwall Founders Day will be held at Harry Myers Park on Saturday, May 16 beginning at 10:00am and concluding around 9:00pm. This will be the eleventh consecutive Founders Day Festival which started in 2004 when the City celebrated its 150th birthday.

Although there are not any major changes from the festival last year, minor changes such as the regional act stage has been upgraded and the location has been moved. The location of the food vendors has been changed to have them more centrally located. The headline act this year will be the Sawyer Brown Band. Sawyer Brown had multiple top ten hits on the country charts in the 1980's and got their "big break" on the TV show "Star Search".

In 2014, the City Council amended sec. 30-2, Regulated Activities in Parks which permitted the possession and consumption of alcohol in Harry Myers Park for City-sponsored events as designated by the City Council. Since the Founders Day Festival was held on the Square for eight years prior to the 2014 festival, patrons have been permitted to bring their own alcoholic beverages to the festival. When the venue location changed in 2014, the Council amended the ordinance to minimize conflict due to past history. In 2014, there were no alcohol related incidents that required Police Department intervention.

With the 2015 festival just a few weeks away, the Council has the discretion to designate the event as a City-sponsored event where the possession and consumption of alcohol would be permitted. The designation must be granted annually and expires at the conclusion of the event and can be limited to all or a portion of Harry Myers Park.

131

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 14-19

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CODE OF ORDINANCES IN CHAPTER 30 PARKS AND RECREATION, ARTICLE I IN GENERAL, SECTION 30-2. REGULATED ACTIVITIES IN PARKS TO AMEND THE POSSESSION AND CONSUMPTION OF ALCOHOL AT HARRY MYERS PARK; PROVIDING FOR A PENALTY CLAUSE; PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR PUBLICATION; AND PROVIDING FOR AN EFFECTIVE DATE OF THIS ORDINANCE.

WHEREAS, the Rockwall City Council deems the public interest to be best served by the adoption of certain rules and regulations regarding Regulated activities in parks as set forth herein;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Code of Ordinances in Chapter 30. Parks and Recreation, Article I. In General, Section 30-2 Regulated activities in parks is hereby repealed in its entirety and is replaced with a new Sec. 30-2 which shall hereby read in its entirety as follows:

Sec. 30-2. Regulated activities in parks.

(a) *Camping.* It shall be unlawful for any person to camp in any public park in the city, except in designated authorized areas.

(b) *Littering.* It shall be unlawful for any person to throw, dump or deposit any litter, garbage, refuse or rubbish upon property in any public park in the city except in receptacles providing therefor.

(c) *Fires.* It shall be unlawful for any person to start, maintain or permit an open fire upon property in any park in the city except in designated authorized areas.

(d) *Parking, driving motor vehicles.* It shall be unlawful for any person to park or drive a motor vehicle upon any property other than a public street in any public park in the city except in designated authorized areas.

(e) *Hours of operation.* Neighborhood parks shall be open to the public from 5:00 a.m. until 10:00 p.m. Myers Park and Tuttle Park shall be open to the public from 5:00 a.m. until 11:00 p.m. All parks other than Myers Park and Tuttle Park are deemed neighborhood parks for purposes of this provision. Each city park shall have the hours in which it is open and closed to the public posted at the entrance to the park. It shall be unlawful for any person to be in a city park at any time except during the hours designated in this provision except by special permission of the city manager.

(f) *Possession and consumption of alcohol is prohibited at any city park except for Harry Myers Park as designated by the City Council for city-sponsored events in designated areas.*

(Code 1982, § 19-3; Ord. No. 81-12, §§ 1—4, 5-4-1981; Ord. No. 85-10, §§ 1, 2, 3-4-1985; Ord. No. 00-11, § 1, 5-1-2000)

SECTION 2. That all ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed to the extent of such conflict.

SECTION 3. That the Code of the City of Rockwall, Texas, as amended, shall remain in full force and effect, save and except as amended by this ordinance.

SECTION 4. That should any section, paragraph, sentence, clause, phrase or word of this ordinance be declared unconstitutional or invalid for any purpose by a court of competent jurisdiction, the remainder of this ordinance shall not be affected thereby, and to this end the provisions of this ordinance are declared to be severable.

SECTION 5. That it is hereby found and determined that the meeting at which this ordinance was passes was open to the public as required by Section 551.001 et seq., Texas Government Code, and that advance public notice of the time, place and purpose of said meeting was given.

SECTION 6. That this Ordinance shall take effect immediately upon its second reading and newspaper publication as required by the City Charter, Section 3.11.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 5th day of May, 2014.

David Sweet, Mayor

ATTEST:

Kristy Ashberry, City Secretary

CITY OF ROCKWALL TEXAS SEAL

APPROVED AS TO FORM:

Frank Garza, City Attorney

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **May 1, 2015**

SUBJECT: **March 2015 Budget Report**

The following analysis is offered for the period ended March 31, 2015 budget report. The budget is established in broad categories with line item estimates. In each category actual expenses as a whole should be considered rather than at the line item level. The budget threshold for this period is 50%. The below categories exceed the threshold but most are not unusual for this time of year.

General Fund Revenues

- All revenues are coming in at or above expected levels.
- Sales tax increased by 12.31% for the month of March (January sales) as compared to the prior year, same month. For the six-month period the increase is 4.96% over the prior year.
- Franchise revenues for electric, gas and cable have been stronger than anticipated. Atmos fees were 38% higher than budgeted.
- Construction related revenues are strong as well.

General Fund Expenditures

- Mayor/Council Operational – the decision was made to rejoin TEX-21, a regional transportation planning organization and this was not a budgeted item.
- Administration Contractual – three quarterly payments have been made for the ES Corp and the RCAD for their services.
- Fire Marshal Capital – all replacement vehicles included in the budget have been purchased.
- Police Communications Contractual – annual lease payment and maintenance agreement for CAD package were paid.
- Police Community Services Contractual – Lease payments for the office are paid in advance.
- Planning Contractual – annual maintenance agreement on GIS software was paid
- Parks Salaries – the retirement of the long-time superintendent and payout of his accrued time will cause this budget item to be over for the remainder of the year.
- Parks Supplies – the budgeted project to pave Tuttle parking lot was finished in February. Projects are undertaken ahead of the busy parks summer season.
- Parks Operations – the new superintendent was sent to maintenance management school earlier this year.

Water / Sewer Revenues

- Water sales – sales are up 5.02% when compared to the prior year. This is a reflection of increased rates while rains and conservation measures keep sales down. This will certainly improve as strict restrictions are lifted in the coming month.
- All other revenues are in line with projections – the majority of sales to wholesale customers takes place June – September and will benefit from restriction changes as well.

Water / Sewer Expenditures

- Sewer Operations Contractual – NTMWD requires payments in advance for the sewer treatment plants in order to fund their operating expenses.
- All other accounts are within thresholds.

Special Revenue Funds Summary

- All establishments paid the hotel taxes this quarter.

XIV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding appointment to the city's Rockwall Economic Development Corporation (regulatory) board, pursuant to Section 551.074 (Personnel Matters)

XV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

XVI. ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 771-7700 or FAX (972) 771-7727 for further information.

The City of Rockwall City Council reserves the right to adjourn into executive session at any time to discuss any of the matters listed on the agenda above, as authorized by Texas Government Code § 551.071 (Consultation with Attorney) § 551.072 (Deliberations about Real Property) § 551.074 (Personnel Matters) and § 551.086 (Economic Development)

I, Kristy Ashberry, City Secretary for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 15th day of May, 2015 at 4:00 p.m. and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

_____ _____

Kristy Ashberry, City Secretary — Date Removed

Jacky Casey, Assistant Secretary

Rockwall, Texas

Proclamation

Whereas, recreational boating continues to grow in popularity with millions of Americans choosing this activity as an ideal way to relax with their families; and

Whereas, increasing public participation in this healthy outdoor sport has emphasized the need for greater attention to courtesy and safety to minimize incidents which often lead to boating mishaps; and

Whereas, a significant number of boaters who have drowned would have had a better chance of surviving had they worn a life jacket; and

Whereas, the U.S. Coast Guard Auxiliary, Flotilla 5-10, Division 5, District 8CR, which represents Lake Ray Hubbard, supports programs which result in our waterways having a relatively safe, accident free record.

Now, therefore, I, Jim Pruitt, Mayor of the City of Rockwall, do hereby proclaim the week of **May 16-22, 2015**, as

Safe Boating Week

in the City of Rockwall and urge all residents to practice safe boating procedures and "Wear It" this week and throughout the boating season.

In Witness Whereof, I hereunto affix my hand and official seal this 18th day of May, 2015.

_____

Jim Pruitt, Mayor

THIS PAGE INTENTIONALLY LEFT BLANK

Proclamation

Rockwall, Texas

Whereas, Public works services provided in our community are an integral part of our citizens' everyday lives; and

Whereas, the support of an understanding and informed citizenry is vital to the efficient operation of public works systems and programs such as water, sanitary and storm sewers, streets and alleys, as well as providing support for various City Departments; and

Whereas, the health, safety and comfort of this community greatly depends on these facilities and services; and

Whereas, the quality and effectiveness of these facilities, as well as their planning, design and construction, is vitally dependent upon the efforts and skill of public works officials; and

Whereas, the efficiency of the qualified and dedicated personnel who staff public works departments is materially influenced by the people's attitude and understanding of the importance of the work they perform.

Whereas, National Public Works Week is a celebration of the tens of thousands of men and women in North America who provide and maintain the infrastructure and services collectively know as public works.

Now, Therefore, I, Jim Pruitt, Mayor of the City of Rockwall, do hereby proclaim the week of May 17-23, 2015, as:

NATIONAL PUBLIC WORKS WEEK

in the City of Rockwall, and call upon all citizens and civic organizations to acquaint themselves with the issues involved in providing our public works and to recognize the contributions which public works officials make every day to our health, safety, comfort and quality of life.

In Witness Whereof, I hereunto set my hand and official seal of the city this 18th day of May, 2015.

_____

Jim Pruitt, Mayor

THIS PAGE INTENTIONALLY LEFT BLANK

MINUTES
ROCKWALL CITY COUNCIL
Monday, May 04, 2015
5:00 p.m. Regular City Council Meeting
City Hall - 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pruitt called the meeting to order at 5:00 p.m. Present were Mayor Jim Pruitt, Mayor Pro Tem Dennis Lewis and Council Members David White, Mike Townsend, John Hohenshelt, Scott Milder, and Bennie Daniels. Also present were City Manager Rick Crowley, Assistant City Managers Brad Griggs and Mary Smith and City Attorney Frank Garza.

Mayor Pruitt read the below listed items into the public record before recessing the meeting into Executive Session.

II. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding Economic Development incentives, procedures and possible projects pursuant to Section 551.087 (Economic Development)

III. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 5:40 p.m.

IV. RECONVENE PUBLIC MEETING

Mayor Pruitt reconvened the public meeting at 6:00 p.m.

V. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

No action was taken as a result of Executive Session.

VI. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER DANIELS

Councilmember Daniels delivered the invocation and led the Pledge of Allegiance.

VII. PROCLAMATIONS / AWARDS

1. Recognition of Rockwall Police Department Award Recipients

Police Chief Mark Moeller came forth and introduced the Assistant Chief of Police as well as several other members of the command staff. He then recognized Officer Russell Lambert for receiving the Lifesaving Award when he performed CPR and helped save the life of worker who was working on repairing a transformer when he became electrocuted.

He also acknowledged Officer Mike McCreary for receiving a Certificate of Merit for his clever police work which helped end a rash of motor vehicle burglaries. Chief Moeller went on to recognize several narcotics officers who received Certificates of Merit for their work to bust up a large drug trafficking operation that had been under investigation for several years.

2. Police Week Proclamation

Mayor Pruitt thanked the city's professional, dedicated police officers for their hard work and dedication to the City of Rockwall and its citizens. He then read a proclamation declaring it to be Police Week in the City of Rockwall.

3. National Safe Boating Week

This item was deferred until the next meeting.

4. National Day of Prayer

Mayor Pruitt reminded everyone about the Mayor's Prayer Breakfast at The Center on Thursday morning, May 7 at 7:30 a.m. as well as the noon day event out front of city hall. He then read a proclamation for National Day of Prayer into the public record.

VIII. OPEN FORUM

Mrs. Carrie Martin
119 Westminster Drive
(Carrington Farms subdivision)
Fate, Texas

Mrs. Martin expressed that she moved here from California and explained the various reasons why she moved to Fate. She explained that she has concerns about Rochelle Road, and she would like to see the City of Rockwall and the City of Fate make improvements to this gravel road to allow it to be traversed by the public without damage to personal vehicles. She suggested that paving the road as a two-lane roadway would be a good option at this point. She does not believe paving it as four-lane roadway would be necessary at this time, and she is not in favor of blocking it completely. She thanked the council for its consideration.

IX. CONSENT AGENDA

1. Consider approval of the minutes from the April 20, 2015 regular city council meeting, and take any action necessary.

2. **Z2015-012** - Consider approval of an **ordinance** for a request by Cindy Levandowski on behalf of the owner Terry Rowe for the approval of an amendment to a Specific Use Permit [Ordinance No. 09-28] to allow for a General Retail Store within Planned Development District 50 (PD-50) for a 0.16-acre parcel of land identified as Lot 1, Block 1, Henry Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, situated

within the North Goliad Corridor Overlay (NGC OV) District, addressed as 907 N. Goliad Street, and take any action necessary **[2nd Reading]**.

3. **P2015-013** - Consider a request by Tony Rangel of Rangel Land Surveying Co. on behalf of Shawn Valk of Platinum Storage for the approval of a final plat for Lot 1, Block A, Platinum Storage Addition being a 5.549-acre tract of land identified as a portion of Tract 2 of the J. Cadle Survey, Abstract No. 65 and the N. M. Ballard Survey, Abstract No. 48, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Corridor (IH-30 OV) Overlay District, located on the west side of Townsend Road south of E. IH-30 and north of SH-276, and take any action necessary.

Councilmember Daniels made a motion to approve the entire Consent Agenda (#s 1, 2, and 3). Mayor Pro Tem Lewis seconded the motion. The ordinance for #2 was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-14
SPECIFIC USE PERMIT NO. S-137

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO AMEND SPECIFIC USE PERMIT (SUP) NO. S-68 [*ORDINANCE NO. 09-28*] TO ALLOW FOR A GENERAL RETAIL STORE IN A RESIDENTIAL-OFFICE (RO) DISTRICT, ON A 0.16-ACRE PARCEL OF LAND IDENTIFIED AS LOT 1, BLOCK 1, HENRY ADDITION, GENERALLY LOCATED AT 907 N. GOLIAD STREET, AND ZONED PLANNED DEVELOPMENT DISTRICT NO. 50 (PD-50), CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed unanimously of those present (7-0).

X. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Craig Renfro, Chair of the Planning & Zoning Commission, came forth and briefed the council on the Public Hearing item on tonight's city council meeting agenda.

2. Appointment with representative(s) of Eastridge Church of Christ to hear concerns related to expiration of an existing facilities agreement between the City of Rockwall and the church, and take any action necessary.

Indication was given that Councilmember White would be recusing himself from this item. However, indication was given that the representative(s) was not present. Therefore, this item was not discussed.

3. Appointment with Mike Clark of Winkelmann and Associates, representing Kroger Stores, to discuss the variance decision relative to the four (4) sided architecture requirement for the proposed Kroger store location at the southeast corner SH 205 and Quail Run Road and take any action necessary.

Mike Clark
Winkelmann and Associates
6750 Hillcrest Plaza, Suite 325
Dallas, Texas 75230

Mr. Clark explained that he is representing Kroger. He thanked the Council for allowing him to bring this item forward. He expressed that the four-sided architecture-related variance was not really discussed much at the last council meeting. He explained that he would be appreciative if the council might consider this particular issue as a stand-alone item rather than lumping it together with any of the other three variance requests that were presented at the last meeting.

Christina Conrad
Project Manager, Kroger Company
1331 East Airport Freeway
Irving, Texas

Ms. Conrad explained that this variance is associated with the elevations on the articulation at the rear of the building. She explained that this side of the building will all be screened with a fence and with buffer landscaping.

Mr. Clark explained that the articulation on the rear of the building involves separation from the back of the building and residents beyond the rear. There is a 30' landscape buffer of trees planned.

Mayor Pruitt asked for clarification regarding some "chimney like" elevations that would be present on the top of the roof of the building, asking if these would be visible from nearby residential homes. Mr. Clark explained that, generally, residents might see these, but likely they will not.

Councilmember White asked for clarification regarding if this item would have to go back on the agenda, or if the council can vote on these variance requests separately as four separate action items tonight. Mr. Garza, city legal counsel, confirmed that Council is able to take action this evening if it so chooses.

Councilmember White made a motion to approve the variance request for the four-sided architecture requirement, specifically regarding the rear of the building. Councilmember Townsend seconded the motion. The mayor commented that this must be a super majority vote if it is to be approved. Councilmember Milder indicated that he does not believe the size of this proposed store is way too large for this lot, and he is concerned about delivery truck traffic on Memorial Drive. Mayor Pruitt also indicated that he is not in favor of the entire development; however, he does not have a problem with granting the variance on the four-sided architecture (rear). The motion passed unanimously (7-0).

Councilmember White asked if the applicant (Kroger) will be coming back to ask for

reconsideration of the natural stone versus cultured stone variance that was denied at the last council meeting. Ms. Conrad indicated that they are waiting to see what the Council decides to do on the Action Item related to the subject matter later on in tonight's meeting. Mr. Clark indicated that, depending on how that item ends up, they may decide to come back and seek reconsideration; however, they may just continue on with using natural stone as decided at the last meeting.

XI. PUBLIC HEARING ITEMS

1. **Z2015-013** - Hold a public hearing to discuss and consider a request by Cole Franklin of the Skorburg Company on behalf of Breezy Hill 405, LTD for the approval of an **ordinance** amending Planned Development District 74 (PD-74) to change the concept plan to allow for additional single-family residential lots and allow for changes to the development standards contained in Exhibit 'C' of Ordinance 14-26 for 405.184-acres of land identified as Tract 7 & 7-1 of the J. Strickland Survey, Abstract No. 187, Rockwall, Rockwall County, Texas, generally located north of FM-552 and west of Breezy Hill Road, and take any action necessary. (**1st Reading)**

Mr. Ryan Miller, Planning Manager, provided background information related to this agenda item. He explained that the applicant is asking for about fourteen acres of currently designated retail land to be changed to allow for additional single-family residential lots instead. If this were to be approved, it would result in an increase of 742 to 762 lots, which is a total increase of about twenty lots. He went on to explain that the developer has been able to stay within guidelines on the city's density requirements (2 units per acre and 20% open space). Thirty-three property owners located within 500' of the subject property received notifications of this proposed change. Three notifications were returned back from residents in the subdivision, all of whom were opposed to this request. The Planning & Zoning Commission voted 6-1 to recommend approval of this request.

Adam Buczek
Skorburg Company
8214 Westchester Drive, Ste. 710
Dallas, TX 75225

Mr. Buczek provided a history of the Breezy Hill subdivision development over the last several years. He explained that, if approved, these 50x120' lot sized homes will be sold at a price point of the high $200's to mid-$300's and will be between 1,800 to 4,000 square feet.

Mayor Pruitt then opened the public hearing and asked if anyone would like to come forth and speak at this time.

Mrs. Caroline Nuytten
304 Wooded Trail
Rockwall, TX 75087

Mrs. Nuytten came forth and generally expressed opposition to these smaller lots. She explained that children and their parents already do not have a lot of space to play outdoors in the Breezy Hill neighborhood, so children are often in the streets playing.

She believes this poses a great safety concern. She is generally not in favor of this request.

Mr. Freddie Jackson
1812 Bristol Lane
Rockwall, TX 75032

Mr. Jackson asked for some clarification on the lot sizes originally and what is being proposed now. He expressed that he believes the residents in the neighborhood prefer the larger lots in lieu of smaller ones. He explained that those residents are not present this evening; however, several were in attendance at the P&Z meeting and expressed these sorts of sentiments.

Mayor Pro Tem Lewis expressed that he is torn between feeling that this proposed size lot is a product that is needed by young families and residents who already bought homes and live there likely expecting the larger lots within the neighborhood.

Mr. Buczek came forth and explained that he believes these residential lots will be a more desirable product than retail would be, as there will not be retail buildings, backs of those buildings, trash receptacles, etc. present if this area were developed as retail. He believes residential homes will be more helpful to the residents than retail would be.

Councilmember Pruitt expressed that he generally feels the developer should stick to what was originally proposed and approved within this subdivision, especially since residents who already purchased homes and are living there have had certain expectations ever since they bought their home (they have been expecting retail).

Councilmember Townsend expressed concern about the applicant expressing that any retail development in this location would be a horrible thing for the existing residents and the area. He does not believe this to be true. He is concerned about the developer referring to any residential lots as a "buffer area" between other residential homes on bigger lots and retail areas. He believes this sends a very negative message to people living in that community. He also has concerns about what the developer might allow to go into the retail areas.

Mr. Buczek indicated that even the 50' lots will not be cheap / inexpensive lots. He explained that he does not believe retail is 'negative,' stating that he is excited about it. He went on to explain that the current market is different than the original market, and therefore they no longer need as much retail as originally planned. Instead, they need more of the 50' lot product because they are almost out of these lots.

Councilmember Daniels expressed that fifty foot lots with front end garages will eventually become unsightly. He also offered concern about the applicant 'borrowing density' from elsewhere within the development in order to 'artificially' stay in compliance with the city prescribed / approved density requirements. He shared that he lives in a community that has very narrow lots and high density, and, in his experience, this combination does pose safety concerns for children and drivers who may drive over 10 mph. He feels that is how some of the residents in Breezy Hill may feel as well as far as allowing smaller/more narrow lots. He is generally concerned about developers coming in and not staying true to what they originally propose to put on the ground.

Councilmember Hohenshelt asked if the 50' lot product in Stone Creek was always, originally a part of that development, or if they were asked for and granted later on. Mr. Buzchek explained that the 50' lots were there and included originally.

Mr. Buczek explained that DCRs are in place in this neighborhood and will help with any concerns about property maintenance over time.

Mayor Pruitt reflected on 60' lots that were previously approved in Breezy Hill by a 5-2 vote. He believes residents who bought in Breezy Hill were already expecting that the subdivision would have large lots and some retail, and now he is hearing concerns from those residents about the city potentially allowing the developer to change what these residents believed they were originally buying into when they purchased their homes.

Councilmember Milder asked for the Planning & Zoning Chairman, Craig Renfro, to come forth and further explain discussions of the Commission relative to this agenda item. Mr. Renfro indicated that the commissioners had originally expressed a lot of similar concerns to those that city council members have expressed this evening. However, he and others on P&Z understand that a developer typically has an original vision and intent going into a project; however, sometimes, due to extenuating and other circumstances, the developer runs into a need to modify and make a course correction. Furthermore, he explained, after hearing from residents and thereafter talking through it, the P&Z cautioned residents to be careful what they wish for as far as the potential retail development areas are concerned and what could end up going in there. He went on to explain that Commissioner Logan was the one dissenting vote concerning the recommendation that this item be approved because she felt that the developer should stick to 60' lots.

Councilmember Hohenshelt asked for and received clarification from Mr. Buchek about the lot sizes being 50'. Mr. Buchek explained that they will be running out of fifty-foot lot sizes in about a year, so it makes sense to make more of this product available. Hohenshelt asked if he felt he would have any trouble selling 60' lot sizes, and Mr. Buchek indicated, no; however, he explained that there are significantly more 60' lots in inventory than there are 50' lots.

The public hearing was closed. Mayor Pruitt then made a motion to deny the request for this zoning change (change in concept plan). Councilmember Milder seconded the motion, which passed by a vote of 6 in favor with 1 against (White).

XII. ACTION ITEMS

1. Discuss and consider possible amendment(s) to the Unified Development Code (UDC) related to approved building materials (natural vs. quarried stone) and associated variances, and take any action necessary.

Councilmember White indicated that he placed this item on the agenda for discussion this evening.

Councilmember White made a motion to have the Planning & Zoning Commission and staff evaluate and bring back to the council for consideration a standard of high-quality, cultured stone that would be acceptable and durable for use in overlay districts. Councilmember Daniels seconded the motion.

Councilmember Hohenshelt suggested that perhaps leaving the ordinance regulations "as is" might result in applicants bringing forth before council, not only requests for variances associated with natural versus cultured stone, but also with perhaps some other high quality or unique architectural designs or materials that they would like the council to consider (which may be a positive thing). He generally cautioned the council to carefully consider the bigger picture before making a decision to change the ordinance regulations currently in place in overlay districts.

After additional discussion, the motion passed by a vote of 7 in favor with 0 against.

2. Discuss and consider amending the "Policies and Procedures of the Rockwall City Council and Other Boards and Commissions" to call for Open Forum to be held at each regular city council meeting, and take any action necessary.

Mayor Pruitt indicated that he asked that this item be placed on the meeting agenda for consideration. He believes that allowing Open Forum at each regularly scheduled city council meeting, rather than only at the first meeting of the month, is more inclusive for citizens who may wish to speak.

Councilmember White made a motion to modify the "Policies and Procedures of the Rockwall City Council and Other Boards and Commissions" to add language that will call for Open Forum to be held at each regularly scheduled city council meeting. Mayor Pruitt seconded the motion, which passed by a vote of 7 ayes to 0 nays.

3. Discuss and consider scheduling the official canvass of the May 9, 2015 General and Special Elections as well as swearing in of newly elected city council members, and take any action necessary.

City Manager Rick Crowley provided the city council with some options pertaining to when the official canvass could be scheduled and when city council members who are newly elected could be sworn in.

Councilmember Lewis made a motion to move forward with the second option described in staff's memo (as follows):

> **Schedule the canvass on 05/18 during Action Items on the regular agenda; formally swear in newly elected members (by city secretary) at the very end of the 6PM public meeting agenda; recognizing and thanking outgoing members; with this option, newly elected council members' first official meeting would be Monday, June 1st (unless a special meeting were called in between)**

Councilmember White seconded the motion, which passed by a vote of 7 in favor with 0 against.

4. Discuss and consider granting permissions for the City's May 16, 2015 Founders Day Festival at Harry Myers Park related to Chapter 30, Article I, Sec. 30-2, Regulated Activities in Parks of the Code of Ordinances, and take any action necessary.

Councilmember White made a motion to approve this item, allowing alcohol to be brought in by residents/visitors/attendees and personally consumed at Harry Myers Park during the 2015 Founders Day Festival. Councilmember Hohenshelt seconded the motion. Councilmember Daniels indicated that he is opposed to the idea of having alcohol in the city's public parks because it is prohibited by ordinance. He does not believe the city council should be promoting alcohol in public parks. Mayor Pruitt indicated that he is also against alcohol in city parks. After brief comments, the motion passed by a vote of 4 in favor with 3 against (Pruitt, Milder and Daniels).

XIII. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports
Building Inspections Monthly Report - March 2015
Finance Department Monthly Report - March 2015
Fire Department Monthly Reports - March 2015
Harbor PD Monthly Report - March 2015
Internal Operations Department Monthly Report - March 2015
Recreation Monthly Report - March 2015
Rockwall Animal Adoption Center Monthly Report - March 2015

2. City Manager's Report

City Manager Rick Crowley updated the council on various current and upcoming events. Lake Lavon has begun releasing water into Lake Ray Hubbard, which indicates we are in a significantly better position than we were as far as water and lake levels are concerned. He indicated that a recent bill in the legislature has been approved by the House, and it is a bill for which the council recently passed an ordinance of support. The San Jacinto music series is ongoing on Friday and Saturday evenings on the downtown square. Concert by the Lake begins this Thursday, and Founders Day is set for May 16. Staff is working through a lot of applications for the position of Chief of Police. Mayor Pruitt thanked staff for offering various, ongoing live music events to the public, which do help make the City of Rockwall the Live Music Capital of North Texas.

Councilmember White asked if there were any issues with members of the public needing to use the restroom while attending the San Jacinto music event. Mr. Crowley indicated that a few people did inquire, and they were told that The Center was available, however, a number of those in attendance went to a nearby restaurant or to 7-11 to use the restroom.

XIV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding Economic Development incentives, procedures and possible projects pursuant to Section 551.087 (Economic Development)

XV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

Council did not convene in Executive Session at the end of the public meeting agenda.

XVI. ADJOURNMENT

The meeting was adjourned at 7:46 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS 18th DAY OF MAY, 2015.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **May 11, 2015**

SUBJECT: **PROPOSED RESOLUTION TO UPDATE PARK DISTRICT MAPS**

The adopted Parks and Open Space Master Plan provides for the ability to create neighborhood park spaces to be within convenient distances that serve the majority of the residents. Park districts are established within the Master Plan to provide graphical representation that any given park is established within such convenient locations.

The Master Plan prescribes the goal of an 11 acre park within each park district when possible. The Mandatory Park Land Dedication Ordinance requires residential developers to contribute to the development of neighborhood parks within the district in which they build. The developer is required to contribute in two ways. First by paying a pro-rata equipment fee and second by dedicating suitable park land or pay cash-in-lieu of land fees as defined in the Dedication Ordinance.

The park district map is the basis for calculating the pro-rata share and land required by each developer based on the total maximum dwelling units within each district. The maximum dwelling units within the districts are tied to the Land Use Assumptions Report, which was most recently adopted by City Council in October of 2014.

As land uses change, new areas are annexed and roads are built, the park district map is intended to be updated. The packet includes a map showing 29 existing park districts and a map that shows the proposed changes with 35 total park districts. The additional districts are proposed to account for new areas within the ETJ as well as incorporate areas within a commercial and light industrial corridor along I-30 and SH 276. In the event that a residential development comes in or a rezoning is granted in these areas, a park district would need to be in place in order to collect the required fees.

At the May meeting, Park Board voted unanimously to recommend to City Council the approval of the updated park district map.

CITY OF ROCKWALL

RESOLUTION NO. 15-16

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE PARKS, RECREATION & OPEN SPACE MASTER PLAN 2010-2020 BY APPROVING AN UPDATED PARK DISTRICT MAP; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Council of the City of Rockwall has adopted updated land use assumptions (*Resolution No. 14-16*) in accordance with Chapter 395, *Financing Capital Improvements Required by New Development in Municipalities, Counties, and Certain Other Local Governments*, of the Texas Local Government Code; and

WHEREAS, the growth projections for the City contained within the adopted *Land Use Assumptions Report* show residential growth in areas designated for *Technological/Light Industrial/Commercial* on the current *Park District Map* (*Exhibit 'A'*) contained within the *Parks, Recreation & Open Space Master Plan 2010-2020*; and

WHEREAS, the new *Park District Map* (*Exhibit 'B'*) removes the *Technological/Light Industrial/Commercial* designation and places all areas within the City and its extraterritorial jurisdiction into districts subject to the collection of cash-in-lieu of land and pro-rata equipment fees for new residential development; and

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THAT:

Section 1. The new *Park District Map* shall supersede and replace the prior *Park District Map* contained within the *Parks, Recreation & Open Space Master Plan 2010-2020*.

Section 2. This resolution shall take effect immediately upon its adoption, and it is so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 18TH DAY OF MAY, 2015.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 05/18/2015

APPLICANT: Ashley Malone on behalf of Lay Construction, LLC

AGENDA ITEM: **P2015-017** (HJG Plaza Addition – Final Plat)

SUMMARY:

Discuss and consider a request by Ashley Malone on behalf of Lay Construction, LLC for the approval of a final plat for Lots 1 & 2, Block 1, HJG Plaza Addition being a 2.064-acre tract of land identified as Tract 36 of the B. J. T. Lewis Survey, Abstract No. 255, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the SH-205 Overlay (SH-205 OV) District, located on the east side of SH-205 [*S. Goliad Street*] north of the intersection of SH-205 and Yellow Jacket Lane, and take any action necessary.

COMMENTS:

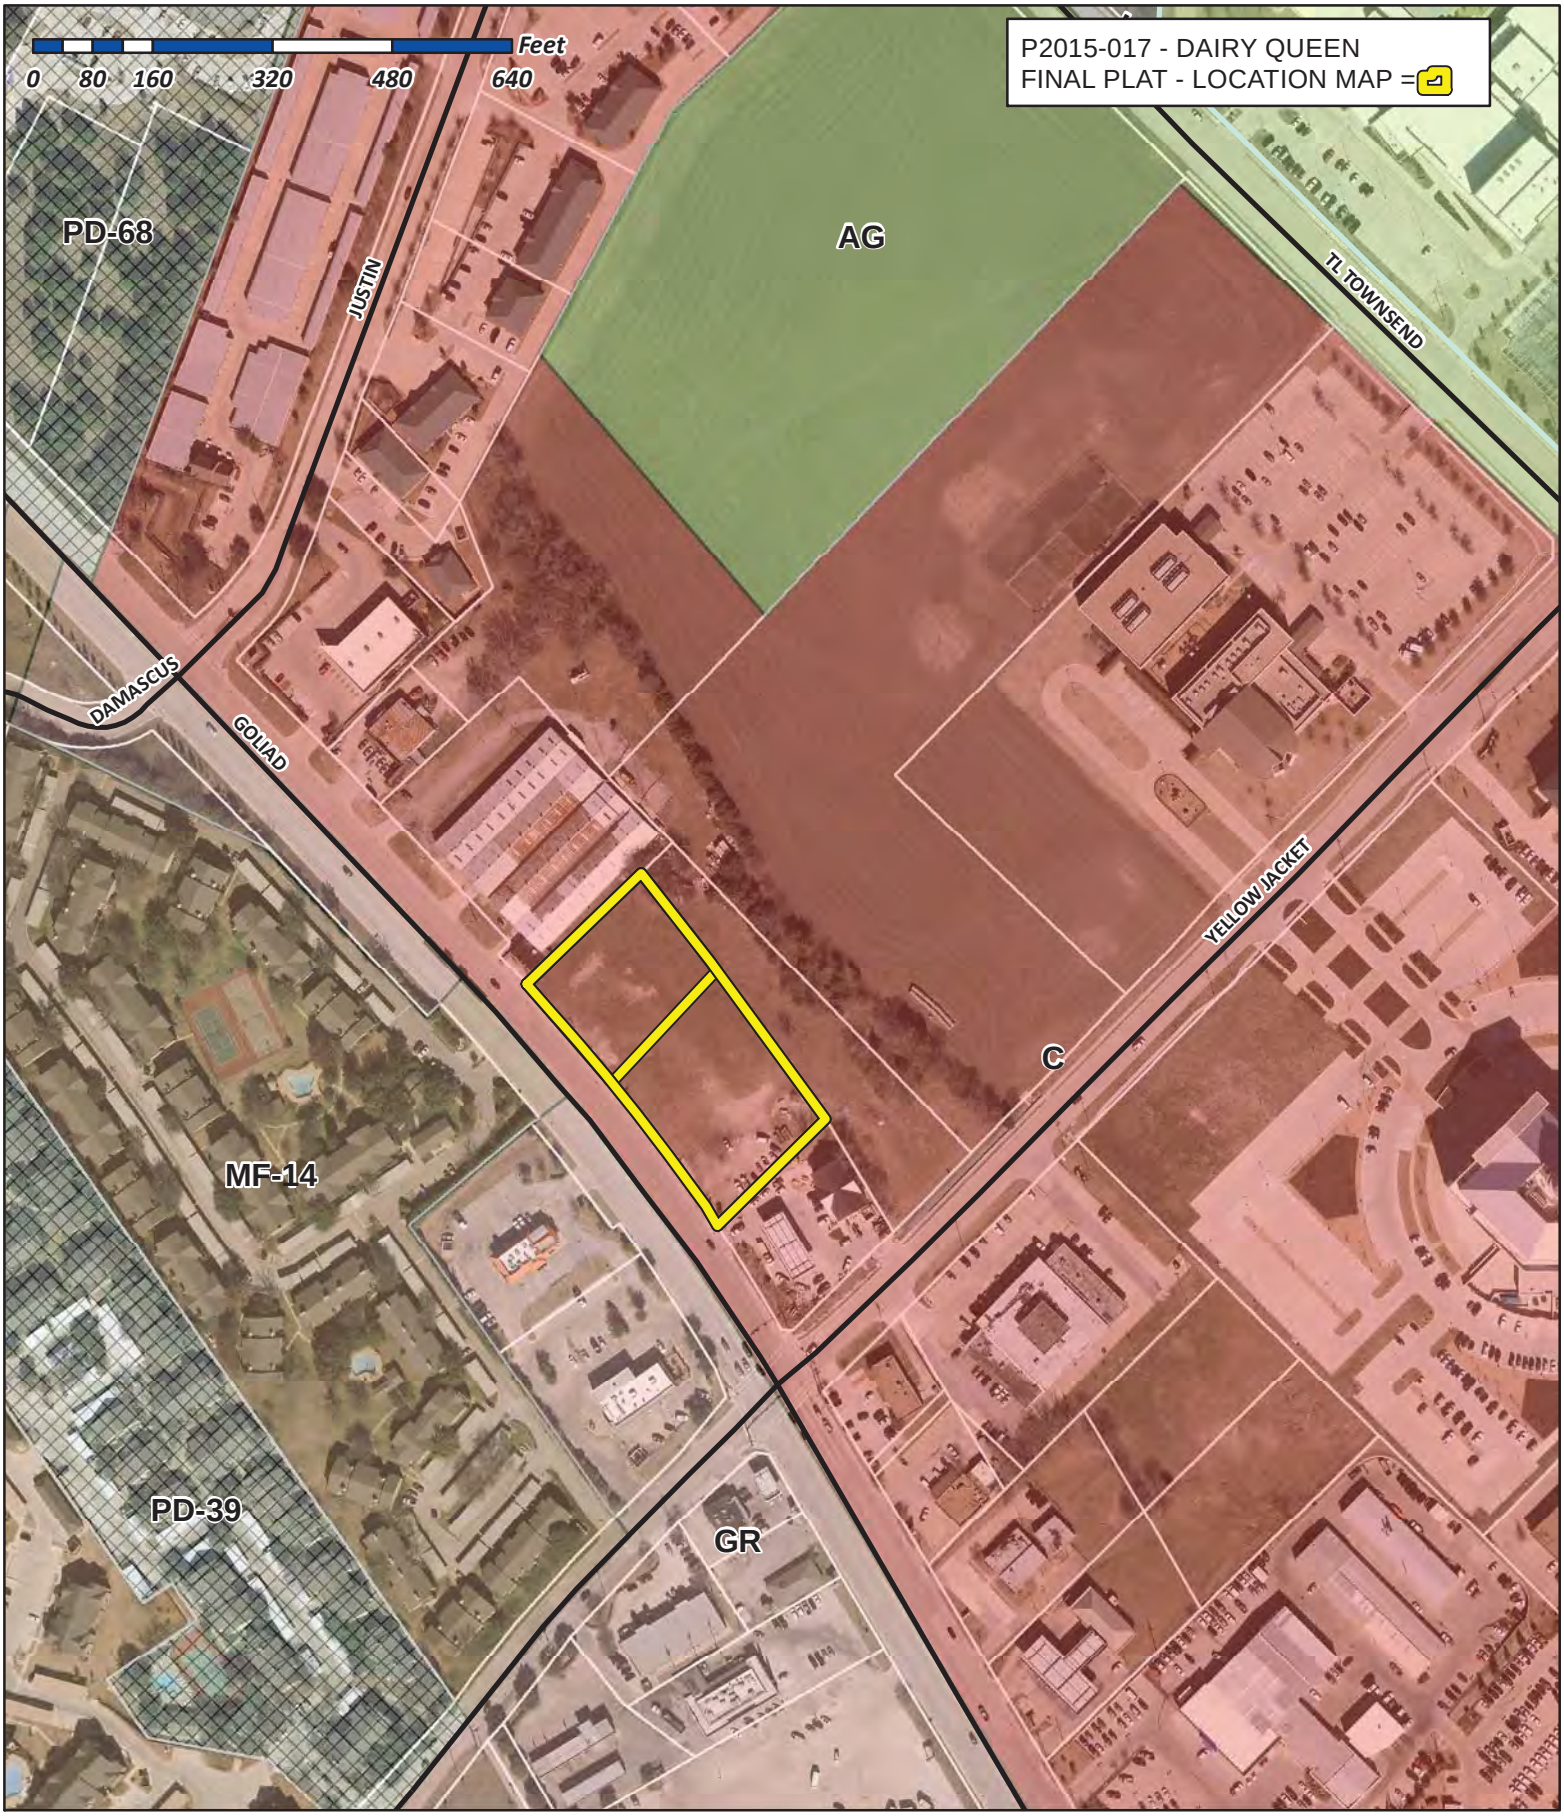
- The objective of the request is to final plat a 2.064-acre vacant tract of land into two separate parcels, Lot 1 being 1.154-acres & Lot 2 being 0.910-acres, for the purpose of development.

- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions listed in the Recommendations section below.

- With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the request for final plat, staff would recommend the following conditions of approval:



A) All the technical comments from the Planning, Engineering and Fire Departments shall be addressed prior to the filing of this plat, including the following comments;

1. Adherence to Engineering and Fire Department standards.
2. Address all staff comments as listed in the Project Plan Review (see attached).

B) Any construction resulting from the approval of this final plat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Planning and Zoning Recommendation:

On May 12, 2015, the Planning and Zoning Commission recommended approval of the final plat with staff conditions by a vote of 5 to 0 [Conley & Lyons – absent].

COUNTY OF ROCKWALL}

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS.

We _____ the undersigned owners of the land shown on this plat, and designated herein as the HJG Plaza subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in the DAIRY QUEEN ADDITION subdivision have been notified and signed this plat. We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement stripes for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner had complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to the pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence or work done; or

Until the developer and/or owner files a corporate surety bond with the city of secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exactions made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; My successors and assigns hereby waive any claim, damage, or cause of action that I may have as a result of the dedication of exactions made herein.

Notary Public, State of Texas My commission expires:

GENERAL NOTES

1) It shall be the policy of the City of Rockwall to withhold issuing building permits until all streets, water, sewer and storm drainage systems have been accepted by the City. The approval of a plat by the City does not constitute any representation, assurance or guarantee that any building within such plat shall be approved, authorized or permit therefore issued, nor shall such approval constitute any representation, assurance or guarantee by the City of the adequacy and availability for water for personal use and fire protection within such plat, as required under Ordinance 83–54.

OWNERS CERTIFICATE

STATE OF TEXAS}
COUNTY OF ROCKWALL}

WHEREAS, Rockwall Ice Cream Holdings, LLC, is the owner of a tract located in the B.J.T. LEWIS Survey A–225, in the City of Rockwall, being all of the same land being called 2 acres conveyed to Horace L. Williams as described and recorded in Volume 56 Page 150 of the Deed Records of Rockwall County, Texas, less and except a called 0.0192 acre tract conveyed to the State of Texas as described and recorded in Document Number 2006–365493 of the Deed Records of Rockwall County, Texas, said 2.0638 acre tract to be more particularly described as follows;

Bearings are based on the State Plane Coordinate System, Texas North Central Zone 4202, N.A.D. 1983.

BEGINNING at a ½" iron rod found for the Southeast corner of herein described tract, same point also being the Northeast corner of Lot 1, Block 1 of the 7–Eleven /Goliad Addition as recorded in Cabinet H, Slide 243 of the Plat Records of Rockwall County, Texas, same point also being on the Southwest line of Lot 6, Block 1 of the First United Methodist Church Addition as recorded in Cabinet G, Slide 345 of the Plat Records of Rockwall County, Texas;

THENCE South 44°33'00" West along and with the Northwest line of said Lot 1 Block 1 of the 7–Eleven/Goliad Addition a distance of 207.15 feet to a ½" iron rod set for corner, same point being the Southwest corner of said Lot 1, Block 1 7–Eleven/Goliad Addition, same point being the Southeast corner of said called 0.0192 acre tract, same point also being on the East line of South Goliad Street, also known as S.H. 205 having a variable width R.O.W., same point also being the beginning of a curve to the left;

THENCE along and with the East line of South Goliad Street, also being said curve to the left having a radius of 2923.79 feet, said curve also having a chord bearing of North 38°27'39" West and having a chord distance of 411.31 feet, and having an arc distance of 411.65 feet to a ½" iron rod set for corner, same point being on the East line of South Goliad Street, same point also being the Northeast corner of said called 0.0192 acre tract, same point also being the Southeast corner of a called 0.0045 acre tract conveyed to the State of Texas as described and recorded in Document Number 2007–381301 of the Deed Records of Rockwall County, Texas, same point also being the Southwest corner of the residue of a called 1.922 acre tract conveyed to Bayview Loan Servicing LLC as described and recorded in Document Number 2013–490955 of the Deed Records of Rockwall County, Texas;

THENCE North 43°17'39" East along and with the Southeast line of said called 1.922 acre tract a distance of 230.55 feet to a 3/8" iron rod found for corner, same point being on the South line of said called 1.922 acre tract, same point also being the Northwest corner of said Lot 6, Block 1, of the First United Methodist Addition, same point also being the beginning of a curve to the right;

THENCE along and with the West line of said Lot 6, Block 1 of the First United Methodist Church Addition, also being said curve to the right having a radius of 2864.79 feet, said curve also having a chord bearing of South 35°22'50" East and having a chord distance of 419.77 feet, and having an arc distance of 420.15 back to the PLACE OF BEGINNING and containing 2.0638 acres of land.

SURVEYOR'S CERTIFICATE

NOW, THEREFORE KNOW ALL MEN BY THESE PRESENTS:

THAT I, Dennis H. Walker, do hereby certify that I prepared this plat from an actual and accurate survey of the land, and that the corner monuments shown thereon were properly places under my supervision.

Discuss and consider a request by Ashley Malone on behalf of Lay Construction, LLC for the approval of a final plat for Lots 1 & 2, Block 1, HJG Plaza Addition being a 2.064-acre tract of land identified as Tract 36 of the B. J. T. Lewis Survey, Abstract No. 255, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the SH-205 Overlay (SH-205 OV) District, located on the east side of SH-205 [S. Goliad Street] north of the intersection of SH-205 and Yellow Jacket Lane, and take any action necessary. Planning Department General Comments: 1. Adherence to Engineering and Fire Department standards. 2. Correct Title Block to include the following additions to read as follows: "HJG Plaza Addition" & "Lots 1 & 2, Block 1, being 2.0638-acres". 3. Label each lot to include "HJG Plaza Addition" - ex. Lot 1, Block 1, HJG Plaza Addition, 1.154- acres. 4. Relabel as Drainage/Dention Easement on Lot 1 by removing "Proposed Underground..." 5. Indicate 25-ft front building setback line (per SH205 OV). 6. "Dash-in" State of Texas right-of-way dedication in order to delineate from the property line. 7. Move Owners Certificate/legal description to page 2 to prevent crowding of plat. 8. Notary not necessary when plat is stamped by Surveyor - remove. 9. Will there be shared parking for either site? If so, an off-site parking agreement must be excuted and submitted prior to CO. 10. Provide label indicating "Case No. P2015-017" at the lower right hand corner of each page. 11. All revised/corrected plans are to be submitted to the Planning Department by Tuesday, May 5th, 2015.

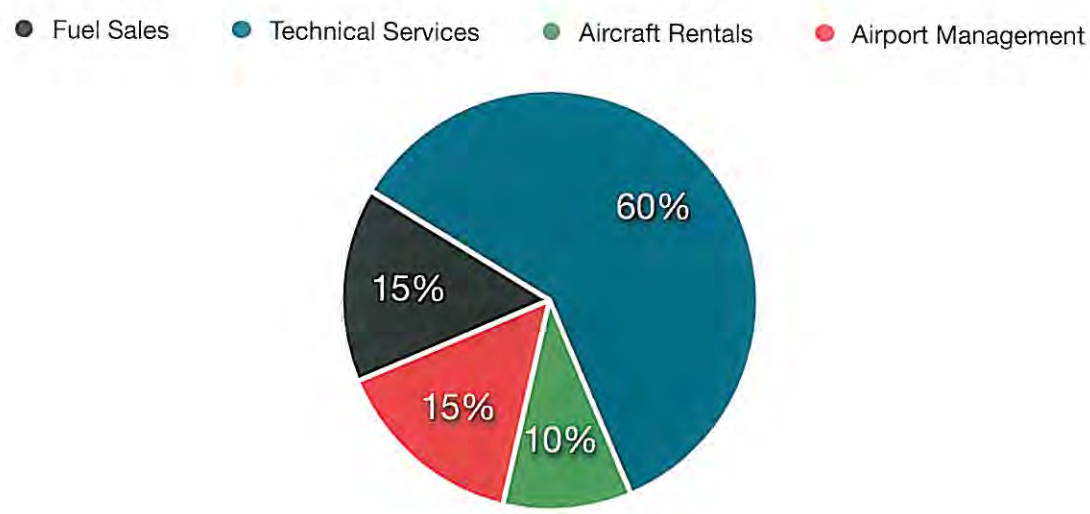
Introduction

Texas Air Center, LLC

Texas Air Center LLC. operates under contract with the City of Rockwall to provide airport management and aircraft services to based and transit aircraft operating in and out of the airport. In operation since April 1st of 2014 we have provided exceptional service to visitors, airport tenants, residents living in areas surrounding the airport and the citizens of Rockwall. Our objectives in April of 2014 were as follows;



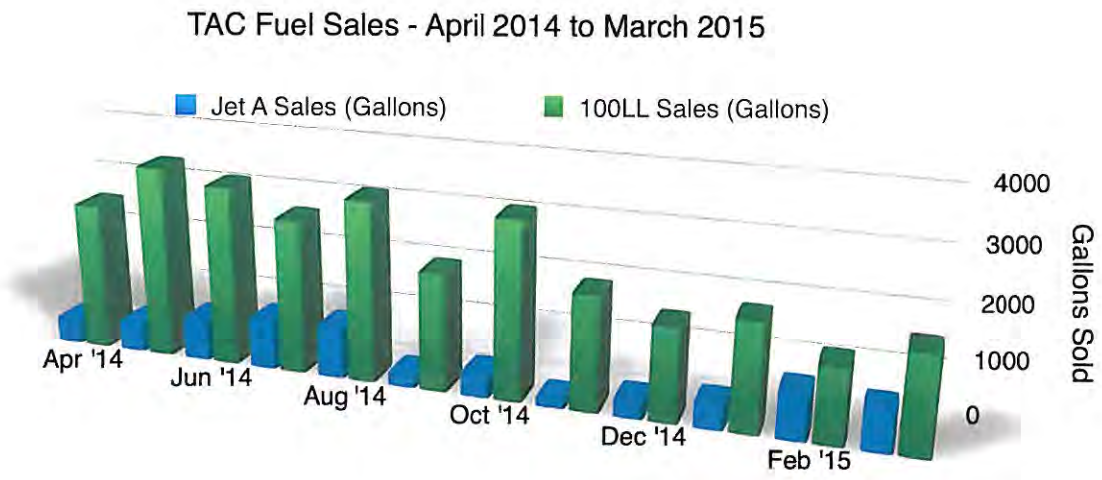
- Provide financial stability to FBO operations,
- Insure the availability of Jet-A and 100LL Aviation Fuel
- Improve relations with existing tenants.
- Provide hangar storage for new tenants.
- Increase airport revenues consistent with FAA self sufficiency guidelines.
- Work with city management to preserve and manage existing airport facilities
- Work with city management to submit Capital Improvement plans to Texas Department of Transportation
- Work with city management to insure fair access to existing hangar space by the flying public.
- Develop ordinances designed to enhance airport safety, security, and compliance with FAA grant assurances

While substantial progress has been made on some objectives we must also concede that others have not been fully met due to financial and facility constraints. We face substantial hurdles including maintenance and repair of existing structures, airport equipment and repairs to ramp areas, taxiways, and runways. It should be noted that development of a budget that addresses the needs of the airport was not possible going into 2015 due to the short time the FBO contract had been in place. We are looking forward to our first year of working with city management to develop a working plan for addressing the needs of the airport for 2016. Our goals will not change because we view them as essential to the safe and efficient operation of the airport.

Finally, we would like to thank the mayor, council members, city management and particularly Joey Boyd. Joey has worked tirelessly on the city's behalf to further the development of the airport where possible and we are grateful for his and his staff's support. If we can provide additional details before the May 18th council meeting please let us know.

FBO Operations

Line Services	Technical Services	Aircraft Rentals	Airport Management
Aircraft fueling and ground service operations	Aircraft maintenance, inspection, and overhaul	Aircraft rental as a profit center and supporting aircraft instruction	Airport property management and coordination with assistant to the City Manager
Operational Anchor	Capital Intensive Operations	Drives Airport Operations & Activity	Limited role in management of airport.



Texas Air Center, Product Mix

Texas Air Center currently operates seven days per week from 7:00 AM until 7:00 PM. With city council approval we closed at 6:00 PM during the months of December, January, February and March. Staffing includes the FBO manager, one full time line service employee and one part time employee working Sundays. FBO operations as listed above include line services to based and transient aircraft, technical services to based, transient and local aircraft, aircraft rentals in support of flight training operations and airport management services to the City of Rockwall.

Fuel Sales

Fuel sales for April 2014 through March of 2015 did not meet expectations due in part to faulty projections on TAC management's part, poor weather conditions and disappointing flight activity. Fuel sales have been reported each month to city management and these figures are illustrated below for council's convenience. In comparing previous year's fuel sales to this years sales one should take into consideration the use of the airport by aircraft temporarily displaced by construction at Sulphur Springs as well as re-location of one high volume customer to Mesquite airport following a change in aircraft type. TAC management views fuel sales as dependent on airport utilization and as such does not anticipate significant improvement (outside of weather conditions) absent upgrades in the quality and quantity of hangar space and improvements to airside assets (ramps, taxiways and runways).

Hangar Rentals

Rentable hangar facilities at the Rockwall Airport consist of 45 city owned covered "patio" hangars and 31 enclosed hangars operating under a ground lease contract with Eagle's Nest. The patio hangars are located on the East side of the field the ground lease hangars on the West side. The East side patio hangars rent for $85.00/month with rents going to the FBO per the current FBO contract. The West side hangars currently rent for $290.00 per month for small enclosed hangars and $560.00 per month for each of the three twin hangars. One large hangar is also covered under the West side ground lease and rents for $1500.00 per month. The west side hangar ground lease provides for a 25% ground lease applied to these hangar rents paid to the city

Airport Utilization

Airport utilization is best characterized by the number of operations flown during a particular time period by based and transient aircraft. The characteristics of the Ralph M. Hall/Rockwall Municipal airport do not support operations by transient aircraft demanding higher volumes of fuel. These would include turboprops and jet aircraft. Generally speaking, the transient aircraft visiting Rockwall are small aircraft on pleasure trips or aircraft and helicopters engaged in flight training activities. The table below illustrates that although there are a relatively large number of aircraft based on the field, a majority of those are rarely active.

Aircraft Operations

There are 73 aircraft based at the airport. These are all light (under 12,500 LBS) general aviation aircraft made up of small jet, light twin, single engine turbo-prop and single engine piston aircraft. Given the current operational restrictions of the airport in terms of runway length and width we would not anticipate this mix of aircraft changing in the future. To summarize, very few based aircraft utilize the airport on a regular basis. A majority of the aircraft traffic consists of helicopter and single engine aircraft training flights that have to date not taken fuel or used ramp facilities in any appreciable amount.

Light Jet	Single Engine Turbine	Twin Engine Piston	Single Engine Piston
1	1	4	67

Flight Frequency/ Month	Light Jet	Single Engine Turbine	Twin Engine Piston	Single Engine Piston
0	0	0	2	45
>1	0	0	0	15
>3	1	1	2	3
>5	0	0	0	4

Airport Revenues

Airport revenues consist of contracted percentages paid on hangar rentals, fuel sold and through the fence agreements. Per the FBO contract, through the fence agreement and ground lease revenues are not paid to Texas Air Center. City management has been provided information obtained on leasing activities to the extent we know them and corrections to amounts due the city were made in 2014 which did increase those revenues coming in to the airport fund. Our goal remains to continue working with city management to maximize the income generated by the airport in order to bring the airport as close to self sufficiency as possible.

Month	Fuel Flowage Fees	Hangar Lease Fees	Total
April 2014	$313.16	$145.00	$458.16
May 2014	$403.14	$138.00	$541.14
June 2014	$401.45	$161.25	$562.70
July 2014	$371.64	$159.25	$530.89
August 2014	$419.08	$120.50	$120.50
September 2014	$232.99	$151.00	$383.99
October 2014	$368.29	$160.75	$529.04
November 2014	$219.54	$139.50	$359.04
December 2014	$196.27	$164.65	$360.92
January 2015	$235.38	$197.32	$432.70
February 2015	$214.84	$166.75	$381.59
March 2015	$245.49	$171.00	$416.49
Total Revenues	$3621.27	$1874.97	$5077.16

Fiscal Year 2016 Objectives

Hangar & Ramp Renovations

Beginning in April 2015 Texas Air Center began terminating lease agreements on the terminal offices, commonly refereed to as the flight school, and the North hangar facility previously occupied by Rockwall Air Service and Rockwall Flite. This was not an easy decision. TAC management was sympathetic to businesses that had operated on the field for many years. Our preference would have been to find ways to work with existing business in a manner that took into account the limited space available for commercial aeronautical operations. However, proposals designed to make this happen were rejected. As of May 1st 2015 we have cleaned out both the terminal offices and the north hangar and are in the process of re-modeling both. The terminal offices have been painted and new carpet is expected to be installed within the next two weeks. These offices will be used as flight training rooms and offices for TAC management. We anticipate the North maintenance hangar being used for the storage of aircraft previously unable to base on the field following repairs and replacement of lighting fixtures and upgrades to the door system required for safety. City management has also submitted a letter of interest to TXDOT Aviation for funding of extensive repairs to airport paved surfaces, hangar drainage and hangar repair. City staff and Texas Air Center management have met with TxDOT Aviation planners on site and are working with them to get these projects programmed and scheduled as soon as set and federal funds become available.We are optimistic that the 2016 budget process will address the city's portion of funding for these projects and their implementation will serve to increase utilization of the facilities and revenues for the FBO and the city of Rockwall..

Airport Ordinances

City ordinances covering the operation of airports are written to insure that FAA grant assurances are met and that the airport is run in a manner that promotes the safety and well being of airport users and their aircraft. These ordinances provide rules and procedures covering the movement and operation of aircraft on the field, their storage in hangar facilities and the conduct of commercial and private aeronautical activities. TAC management has begun working with city management in drafting a set of airport rules and regulations that will serve all of these purposes. Submission of these ordinances for council approval is anticipated within the next 60 days following review with the airport subcommittee and TxDOT Aviation.

Through The Fence Agreements

Through the fence agreements are contracts between property owners owning land adjacent to an airport who wish to access airside facilities while retaining ownership of private property. In the interest of protecting airport operations and the right of property owners accessing the airport we would recommend that all through the fence agreements be reviewed as soon as possible.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **May 1, 2015**

SUBJECT: **Facilities Agreement – Eastridge Church of Christ**

Eastridge Church of Christ constructed their building on FM549 in 2004. In order to build on their site, adequate fire flow was necessary. The area is served by Blackland Water Supply that did not meet city standards for fire flow. The City agreed to construct a 16" waterline, for fire protection purposes only, and accept an agreement for the church to make annual payments toward the total cost of the line, which was $175,500. Blackland WSC is still serving the Church for domestic water.

There are parcels of land in the immediate area, which will be served by this water line in the future, and the developer of those tracts will have to pay pro-rata fees based on the cost of the line.

The Agreement signed in 2004 required annual payments for 5 years, which were paid in a timely manner, and then a balloon payment in 2009 or the opportunity to revisit the agreement. At that time, Eastridge asked for an extension of the agreement to allow payments to continue over 5 more years with another balloon payment or opportunity to revisit. At this time, the Church's payments are current and the remaining balance is $47,725. The balloon at the end of the current period is equal to the amount that developers are required to pay when they do come in for development. The agreement, if the Church pays the final amount, would have the City reimburse the Church up to the $47,725 amount.

Rather than extend the agreement again, the Church leaders have asked the City to consider forgiving the remaining balance since the City retains the ability to collect the remaining balance from future development. If the Council will not approve forgiving the balance then the Church would like a ten-year repayment schedule for the remaining balance.

The Church's request letter as well as a copy of the 2009 Facilities agreement is included in the Council packet for review. Church leaders will attend to present the request to Council for consideration.

Eastridge
CHURCH OF CHRIST

April 15, 2015

Mary P. Smith
City of Rockwall
385 S. Goliad St.
Rockwall, TX 75087

Dear Mary:

Eastridge Church of Christ would like to request that the balance of $47,725.00 be forgiven by the city of Rockwall, Texas. In the original agreement it was documented that the balance would be revisited by the parties if both agree to do so.

There is much potential for development in the area and the city will have the opportunity to collect on the water line from future developers. Eastridge Church of Christ has paid a total of $127,775.00 to date.

If relief is not granted, we are requesting a payment plan to pay off the balance in 10 years.

Thank you for your consideration of this request.

Mike Singleton
Elder
Eastridge Church of Christ

STATE OF TEXAS)

COUNTY OF ROCKWALL)

CITY OF ROCKWALL)

FACILITY AGREEMENT
(Replaces the May, 2004 Agreement)

This Agreement is entered into on the _____ day of December, 2009, by and between the City of Rockwall, Texas ("City") and Eastridge (formerly Lakeside) Church of Christ ("Church").

WITNESSETH:

Section 1. That in consideration of the construction of the Eastridge Church of Christ Building located in Rockwall, Texas, the parties agree as follows:

Church agrees to the following:

a. Participate in the construction cost of the 16" water line in FM 549 from the IH 30 Service Road to the northeast property corner of the Church.
b. The Church will make the following payments to pay off the remainder of the original amount ($175,500- $77,574.00= **$97,926.00**):
    1. Initial payment due within one week of execution of this agreement- $10,000.00.
    2. Annual payment of $10,000.00 due June 1, for the next 3 years, beginning June 1, 2010 (2010, 2011, 2012).
    3. Year 4 payment of $10,201.00.
    4. Balance Due Year 5- $47,725.00.
c. At the conclusion of the five-year period, the balance of the participation due may be revisited by the parties if both agree to do so.
d. Any pro-rata collected by the City due to development adjacent to the water line, will be credited to the Church's Year-5 balance ($47,725.00) up to the maximum amount of reimbursement due to the Church of $47,725.00.
e. If the Church should undertake any additional expansion of the facility prior to the end of the five-year payout, the full amount of any remaining participation will be due prior to start of construction of the expansion.

f. Any future expansion to the Church may cause the need for the Church to construct an additional line down Airport Road for additional fire flows, depending on the type of expansion.

Section 2. The City agrees to the following:

a. Construct the 16-inch water line up FM-549 from the IH-30 Service Road to the Church's northeast property corner.
b. Collect pro-rata from developers, of undeveloped land adjacent to the water line, for one-half of the cost of a 12" water line. The City will credit up to $47,725.00 of the pro-rata collected to the Church's Year-5 payment.
c. At this time the 16" water line to the Church is for fire flows only, in area that is within the Blackland CCN. Should the City acquire the right to serve water to this area, the City will utilize the 16" water line for the potable water supply.

Section 3. Nothing contained herein shall be considered as a waiver of the provisions of the City's Comprehensive Zoning Ordinance and subdivision regulations as the case may be.

Section 4. Severability Clause. If any section or provisions of this Agreement or the application of that section or provision to any person, firm, corporation, situation or circumstance is for reason judged invalid, the adjudication shall not affect any other section or provision of this Agreement or the application of any other section or provision to any other person, firm, corporation, situation, or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the Agreement without the invalid parts and to this end the provisions of this Agreement shall remain in full force and effect.

Section 5. Venue for this agreement shall be in Rockwall County, Texas.

Section 6. Notice of this Agreement shall be in writing and addressed to the following:

FACILITY AGREEMENT

This Agreement is entered into on the 28th day of May, 2004, by and between the City of Rockwall, Texas ("City") and Lakeside Church of Christ ("Church").

W I T N E S S E T H:

Section 1. That in consideration of the construction of the Lakeside Church of Christ Building located in Rockwall, Texas, the parties agree as follows:

Church agrees to the following:

a. Participate in the construction cost of the 16" water line in FM 549 from the IH 30 Service Road to the northeast property corner of the Church.

b. The Church will make the following payments:

1. Initial payment due prior to beginning of the site work -- $31,253.00.
2. Annual payments of $10,000 each due June 1, for years 1 through 3, beginning June 1, 2005.
3. Year 4 payment of $16,321.00.
4. Balance Due Year 5 -- $97,926.00.

c. At the conclusion of the five-year period, the balance of the participation due may be revisited by the parties if both agree to do so.

d. Any pro-rata collected by the City due to development adjacent to the water line, will be credited to the Church's Year-5 balance ($97,926) up to the maximum amount of reimbursement due to the Church of $47,725.00.

e. If the Church should undertake any additional expansion of the facility prior to the end of the five-year payout, the full amount of any remaining participation will be due prior to start of construction of the expansion.

f. Any future expansion to the Church may cause the need for the Church to construct an additional line down Airport Road for additional fire flows, depending on the type of expansion.

Section 2. The City agrees to the following:

a. Construct the 16-inch water line up FM 549 from the IH 30 Service Road to the Church's northeast property corner.

b. Collect pro-rata from developers, of undeveloped land adjacent to the water line, for one-half of the cost of a 12" water line. The City will credit up to $47,725.00 of the pro-rata collected to the Church's Year-5 payment.

c. At this time the 16" water line to the Church is for fire flows only, in area that is within the Blackland CCN. Should the City acquire the right to serve water to this area, the City will utilize the 16" water line for the potable water supply.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **May 14, 2015**

SUBJECT: **PROPOSED AMENDMENT TO PARK LAND DEDICATION ORDINANCE**

Each year the City Council adopts by resolution the per acre price of land and the cost to develop an 11 acre park within each district. The 2015 adopted per acre price is $34,000 and the equipment fees are currently based on $525,000. Each residential developer is responsible for their pro rata share of these values within a given district.

Contingent upon approval of the park district map, the Mandatory Park Land Dedication ordinance will need to be codified to reflect the updates to the map. Within Section 1, Sec.38-50 – Definitions of the ordinance, Table 1 is amended with the additional Park Districts, Ultimate Dwelling Unit Holding Capacity and Dwelling Unit Dedication Factor. This table is used to calculate the pro rata share of required acreage to be dedicated per new dwelling unit.

The Ultimate Dwelling Unit Holding Capacity column has been updated based on the most recent adopted Land Use Assumptions. The Dwelling Unit Dedication Factor column is updated by dividing the 11 acres of park area by the new Ultimate Dwelling Unit Holding Capacity for the district in which the units are located. The pro-rata equipment fees are also calculated using the Ultimate Dwelling Unit within each district.

The Parks and Open Space Master Plan is reviewed annually to ensure the plan is current and relevant. The Park Dedication Dwelling Unit table within the Park Land Dedication Ordinance is also reviewed and amended contingent on changes in the Land Use Assumptions.

CITY OF ROCKWALL

ORDINANCE NO. 15-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS AMENDING ARTICLE II, *PARK LAND DEDICATION*, OF CHAPTER 38, *SUBDIVISIONS*, OF THE CODE OF ORDINANCES AS SET FORTH HEREIN; PROVIDING FOR A PENALTY CLAUSE; PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR PUBLICATION; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Council of the City of Rockwall has adopted a resolution updating the *Park District Map* and, therefore, codification of the city's *Park Land Dedication* ordinance regulations is necessary in order to reflect said updates.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That Section 38-50 through Section 38-61 of Article II, *Parkland Dedication*, of Chapter 38, *Subdivisions*, of the Code of Ordinances, is heretofore amended, be and the same is hereby amended, which shall hereafter read in its entirety as follows:

Sec. 38-50. - Definitions

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Develop (V) means the act of subdividing a parcel or tract of land and installation of community facilities in accordance with and as defined by these subdivision regulations.

Development (N) means a parcel or tract of land proposed for subdivision in accordance with and as defined by these subdivision regulations.

Park Development means the development of a park site by construction of streets, drainage, utilities, and recreational improvements to serve a neighborhood park district.

Pro Rata Share of Required Dedication means the amount of land that shall be dedicated (*or the acreage figure used to calculate cash in lieu of land donation*) as prescribed within this article. The pro rata share of required dedication in a neighborhood park district shall be calculated as follows: pro rata share of required acreage dedication per new dwelling unit is the factor obtained when the 11-acre area of park is divided by the ultimate residential dwelling unit holding capacity for park district in which the unit is located.

Note: The total number of residential units which a neighborhood park district is projected to have when fully developed shall be determined by the *Impact Fee Land Use Assumptions* as

set forth in *Table 1*, *Park Dedication Acreage Factor per Dwelling Unit*, below.

Table 1: Park Dedication Acreage Factor per Dwelling Unit

Park District	Ultimate Dwelling Unit Holding Capacity	Dwelling Unit Dedication Factor (Acre)

Recreational Improvements Facilities means the park features set forth for a neighborhood park in the activity menu of the park plan. A uniform cost shall be prepared annually for these features and adopted by resolution by the city council. The dedication factor shall be applied to this cost to determine the pro rata share per new dwelling unit for recreational improvements facilities.

(Code 1982, § 24-42; Ord. No. 87-1, § II, 1-5-1987; Ord. No. 99-20, § 1, 6-7-1999; Ord. No. 03-29, § 1, 9-2-2003; Ord. No. 05-04, § 1, 1-18-2005)

Sec. 38-51. Purpose

(a) This article is adopted to provide recreational areas in the form of neighborhood

parks as a function of subdivision development in the city. This article is enacted in accordance with the home rule powers of the city, granted under the state constitution, in statutes of the state including, but not limited to, V.T.C.A., Local Government Code § 212.001 et seq. It is hereby declared by the city council that recreation areas in the form of neighborhood parks are necessary and in the public welfare, and that the only adequate procedure to provide for same is by integrating such a requirement into the procedure for planning and developing property or subdivisions in the city, whether such development consists of new construction on vacant land or rebuilding structures on existing residential property.

(b) Neighborhood parks are those parks providing for a variety of outdoor recreational opportunities, be a minimum of ten acres, and be within convenient distances for a majority of the residents to be served thereby. Park districts are established by the official park plan for the city and shall be prima facie proof that any park located therein is within such convenient distance from any residence located therein. Primary cost of neighborhood parks shall be borne by the ultimate residential property owners, who, by reason of the proximity of their property to such parks, shall be the primary beneficiary of such facilities. Therefore, the requirements of this article are adopted to affect the purposes stated.

(Code 1982, § 24-41; Ord. No. 87-1, § I, 1-5-1987; Ord. No. 99-20, § 1, 6-7-1999)

Sec. 38-52. Impact Fee Land Use Assumptions

The total number of residential units which a neighborhood park district is projected to have when fully developed shall be determined by the impact fee land use assumptions as set forth in Table 1 Park Dedication Acreage Factor per Dwelling Unit which is on file with the City Secretary's office.

(Code 1982, § 24-42; Ord. No. 87-1, § II, 1-5-1987; Ord. No. 99-20, § 1, 6-7-1999; Ord. No. 03-29, § 1, 9-2-2003; Ord. No. 05-04, § 1, 1-18-2005)

Sec. 38-53. General Requirements for SF-E, SF-1, SF-16, SF-10, SF-8.4, SF-7, ZL-5, 2-F and MF-14, to be Used for Single-Family, Zero Lot Line, Duplex, and/or Apartment/Multifamily Residential Purposes

(a) Whenever a final plat is filed of record with the county clerk for development of a residential area in accordance with the planning and zoning ordinances of the city, such plat shall contain a clear fee simple dedication of an area of land to the city for park purposes, which area shall be equal to or greater than the property being subdivided's pro rata share of neighborhood park property required for the neighborhood park district in which the property being platted or subdivided is located as shown by the park master plan. Any proposed plat submitted to the city for approval shall show the area proposed to be dedicated under this article. The requirement for dedication under this article may be met by a payment of money in lieu of land when permitted or required by the other provisions of this article.

(b) The city council declares the development of an area smaller than one acre for public park purposes to be impractical. Therefore, if less than one acre is calculated to be the pro rata share of a development plat filed for approval, the developer shall be required to pay the applicable cash in lieu of land amount provided for by section

38-55(c), rather than dedicate any land area. No plat showing a dedication of less than one acre shall be approved.

(c) In instances where an area of less than six acres but more than one acre is calculated to be the pro rata share of a development, the city council shall have the option of requiring land dedication or cash in lieu of land in accordance with section 38-55(c) after consideration of the recommendation of the planning and zoning commission and the parks and recreation board. If the city determines that sufficient park area is already in the public domain in the area of the proposed development or the neighborhood park district, or if the recreation potential for that zone would be better served by expanding or improving an existing park, dedication may also be refused and cash in lieu of land may, likewise, be required.

(d) The dedication required by this article shall be made by filing of the final plat or contemporaneously by separate instrument. If the actual number of completed dwelling units exceeds the figures upon which the original dedication is based, additional dedication shall be required and shall be made by payment in lieu of land amount described by section 38-55(c), or by the conveyance of an entire numbered lot to the city.

(Code 1982, § 24-43; Ord. No. 87-1, § III, 1-5-1987; Ord. No. 99-20, § 1, 6-7-1999)

Sec. 38-54. Prior Dedication; Absence of Prior Dedication

At the discretion of the city council, any former gift of land to the city may be credited on a per acre basis toward the eventual land dedication requirements imposed on the donor of such land. The city council shall consider recommendations of the planning and zoning commission and the parks and recreation board in exercising its discretion under this section.

(Code 1982, § 24-44; Ord. No. 87-1, § IV, 1-5-1987; Ord. No. 99-20, § 1, 6-7-1999)

Sec. 38-55. Money in Lieu of Land

(a) Subject to the veto of the city council and the terms of section 38-53, a landowner responsible for dedication under this article may elect to meet the requirements of section 38-53 in whole or in part by a cash payment in lieu of land, in an amount set forth in subsection (c) of this section. Such payment in lieu of land shall be made at or prior to final plat approval.

(b) The city may from time to time decide to purchase land for parks in or near the area of actual or potential development. If the city does purchase park land in a neighborhood park district and said land purchased is used to meet the need for a neighborhood park, subsequent land dedications for that district shall be in cash only and calculated on a pro rata share basis to reimburse the city's actual cost of acquisition and development of such land for parks. The cash amount shall be equal to the sum of:

(1) The average price per acre of such land; and
(2) The actual cost of adjacent streets and site utilities, or an estimate of such actual costs provided by the city engineer and the recreation improvement costs

for facilities as set forth in the park master plan for neighborhood parks.

Once the city has been reimbursed entirely for all park land within a park zone, this section shall cease to apply and the other sections of this article shall be applicable.

(c) To the extent that subsection (b) of this section is not applicable, the dedication requirements shall be met by a cash payment in lieu of land on the basis of a per acre price. Said per acre price shall be determined annually by the city council and shall be based on current land values within the city. Once established the council shall adopt the value by resolution for appreciation as required in this subsection. Cash payments may be used only for acquisition or improvement of neighborhood parks located within the same neighborhood park district as the development in accordance with the park master plan.

(Code 1982, § 24-45; Ord. No. 87-1, § V, 1-5-1987; Ord. No. 99-20, § 1, 6-7-1999)

Sec. 38-56. Dedication of more than the Pro Rata Share of Parkland

(a) The developer of a residential subdivision which is subject to the terms of this article may dedicate more land than the pro rata share calculated for the development if approved by the city council. If the developer dedicates an amount equal to or greater than the total required parkland area for the neighborhood park district in which his subdivision is located, the city and the developer shall execute a pro rata refunding agreement in accordance with these subdivision regulations which shall recover the cost of land dedicated in excess of the developer's pro rata share after streets, drainage, and utilities are constructed on the dedicated property.

(b) The developer shall install the streets, drainage, and utilities to serve the neighborhood park, and the cost of same shall be included in the pro rata refunding agreement. The pro rata refunding agreement shall provide that future developers in the same neighborhood park district shall pay their pro rata share of the actual cost of park development which shall be calculated based on the per acre cash in lieu of land coast in effect at the time of dedication, plus the costs of streets, drainage, utilities, and recreational facilities installed to serve the dedicated neighborhood park. The cost of streets, drainage and utilities installed to serve the park shall be certified by the city engineer. In no case shall the developer receive pro rata payments after he has recovered an amount equal to the number of acres actually dedicated in excess of his pro rata share multiplied by the per acre cash in lieu of land figure in effect at the time of actual dedication, plus the costs of streets, drainage, and utilities as certified by the city engineer necessary to serve the neighborhood park. In no case shall the term of any pro rata agreement provided by this article be for a period in excess of five years from the date of dedication.

(Code 1982, § 24-46; Ord. No. 87-1, § VI, 1-5-1987; Ord. No. 99-20, § 1, 6-7-1999)

Sec. 38-57. Special Fund Established; Refunds

(a) There is hereby established a special fund for the deposit of all cash funds in lieu of land dedication under this article, which fund shall be known as the "Park Land Dedication Fund."

(b) The city shall account for all sums paid in lieu of land dedication under this article referenced to individual plats involved. Any funds paid for such purposes must be expended by the city within eight years from the date received by the city for acquisition and development of a neighborhood park as defined in this article. Such funds shall be considered to be spent on a first/in first/out basis. If not so expended, the owners of the property on the last day of such period shall be entitled to a pro rata refund of such funds, calculated on a square footage basis. The owners of such property must request such refund within one year of entitlement, in writing, or such rights shall be barred.

(Code 1982, § 24-47; Ord. No. 87-1, § VII, 1-5-1987; Ord. No. 99-20, § 1, 6-7-1999)

Sec. 38-58. Additional Requirements and Provisions

(a) Any land dedicated to the city under this article shall be suitable for park and recreation use. The following characteristics of a proposed area are generally unsuitable:

(1) Any area located in the 100-year floodplain;
(2) Any area of unusual topography or slope which renders same unusable for organized recreational activities.

The characteristics of the parkland dedication area mentioned in this subsection may be grounds for refusal of a plat.

(b) Each park must have ready access to a public street.

(c) Unless provided otherwise in this article, action by the city shall be by the city council after consideration of the recommendations of the planning and zoning commission and the parks and recreation board. Any proposal considered by the planning and zoning commission under this article shall have been reviewed by the parks and recreation board and its recommendation given to the commission. The commission may make a decision contrary to such recommendation only by a vote of at least five members. Should the commission be unable to get this vote, the matter shall then be referred to the city council for final decision.

(d) If any provision of this article or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect any other provisions or applications of this article which can be given effect without the invalid provision or application, and to this end the provisions of this article are declared to be severable.

(Code 1982, § 24-48; Ord. No. 87-1, § VIII, 1-5-1987; Ord. No. 99-20, § 1, 6-7-1999)

Sec. 38-59. - Review and Updating Park Master Plan

The city parks and recreation department shall consider the need to update the park master plan at least annually to ensure that the plan remains current and provides an equitable, effective framework from which to pursue the acquisition and development of neighborhood park services for each neighborhood park district.

(Code 1982, § 24-49; Ord. No. 87-1, § XI, 1-5-1987; Ord. No. 99-20, § 1, 6-7-1999)

Sec. 38-60. Waiver of Mandatory Neighborhood Parkland Dedication in the Case of Private Developments

(a) If a development is proposed to be a private development where no public streets are dedicated for use by the public, the city shall:

(1) Calculate the pro rata share of the proposed private development as if it were to be a development where public streets were to be dedicated.
(2) Waive the requirement for mandatory dedication if the private amenities of the proposed development meet or exceed the calculated pro rata share as calculated under subsection (a)(1) of this section.
(3) Decrease the total acreage shown in the park master plan as being required to meet the ultimate need for neighborhood parks in the applicable neighborhood park district by the acreage calculated under subsection (1) of this section (for the purpose of future calculations of pro rata shares for future developments).

(b) In a private development within a park district or a private development encompassing an entire park district, the park property within the private development must be easily accessible to the general public either through the use of the city trail system or public roadways. If the private development encompasses the entire park district and the ten acres of parkland is not continuous, each separate section of park property must be accessible to the general public and connected by way of a minimum eight-foot-wide trail.

(Code 1982, § 24-50; Ord. No. 87-1, § IX, 1-5-1987; Ord. No. 99-20, § 1, 6-7-1999)

Sec. 38-61. Waiver of Article Requirements by City Council

The city council may waive the requirements of this article upon a finding by the city council that said waiver is clearly in the best interest of the city.

(Code 1982, § 24-51; Ord. No. 87-13, § I, 3-16-1987; Ord. No. 99-20, § 1, 6-7-1999)

Section 2. That any person, firm or corporation who violates any provision of this ordinance or who fails to obtain a special event permit shall be deemed guilty of a misdemeanor and upon conviction thereof, in the Municipal Court of Rockwall, TX, shall be subject to a fine in accordance with the general provisions of the Code of Ordinances;

Section 3. That all ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed to the extent of such conflict;

Section 4. That the Code of the City of Rockwall, Texas, as amended, shall remain in full force and effect, save and except as amended by this ordinance;

Section 5. That should any section, paragraph, sentence, clause, phrase or word of this ordinance be declared unconstitutional or invalid for any purpose by a court of competent jurisdiction, the remainder of this ordinance shall not be affected thereby, and to this end the provisions of this ordinance are declared to be severable;

Section 6. That it is hereby found and determined that the meeting at which this ordinance was passes was open to the public as required by *Section 551.001* et seq., *Texas Government Code*, and that advance public notice of the time, place and purpose of said meeting was given;

Section 7. That this Ordinance shall take effect immediately upon its second reading and newspaper publication as required by the *City Charter*, *Section 3.11*;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 1ST DAY OF JUNE, 2015.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 05/18/2015

APPLICANT: Cole Franklin, *Skorburg Company*

AGENDA ITEM: **Z2015-014**; *Gideon Tract (AG to PD)*

SUMMARY:

Hold a public hearing to discuss and consider a request by Cole Franklin of the Skorburg Company on behalf of the owner Lonnie Gideon Estate for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 10 (SF-10) District land uses, on a 29.192-acre tract of land identified as a portion of Tract 1-01 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the 205 By-Pass Corridor Overlay (205 BY-OV) District, located at the northeast corner of the intersection of E. Quail Run Road and John King Boulevard, and take any action necessary.

PURPOSE:

On April 17, 2015, the applicant submitted an application requesting to rezone a 29.192-acre tract of land from an Agricultural (AG) District to a Planned Development District for a single-family, residential subdivision that will consist of 72 single-family lots, an amenities center and open space areas. The property, which was annexed into the City on March 16, 1998 by *Ordinance No. 98-10*, is located at the northeast corner of E. Quail Run Road and John King Boulevard and is currently vacant agricultural land.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is the City's corporate boundaries followed by a single family, residential development that is situated within Rockwall County.

South: Directly south of the subject property is John King Boulevard, which is designated as a P6D (*principal, six [6] lane, divided roadway*), and a portion of E. Quail Run Road, which is designated as a M4U (*minor, four [4] lane, undivided roadway*) according to the City's Master Thoroughfare Plan. Beyond these roadways are the remaining tracts of land that are part of a larger 62.192-acre tract of land that incorporates the subject property. All the properties are vacant agricultural land that are zoned Agricultural (AG) District.

East: Directly east of the subject property are several single-family homes situated on estate lots, and zoned Agricultural (AG) District. Beyond these properties is a vacant 76.577-acre tract of land, zoned Agricultural (AG) District, and owned by the Rockwall Independent School District (RISD) [*identified as Tract 14-11 of the J. M. Gass Survey, Abstract No. 88*].

West: Directly west of the subject property is a vacant 45.318-acre tract of land zoned Agricultural (AG) District. Beyond this tract of land is John King Boulevard.

CHARACTERISTICS OF THE REQUEST:

Along with the application, the applicant has submitted a concept plan and development standards for the proposed residential subdivision. The concept plan shows the layout of the subdivision, which will have access drives on John King Boulevard and E. Quail Run Road. The development will consist of 45, 80' x 125' lots (*eight [8] of which will have a depth of 150-feet*) and 27, 100' x 150' lots, and have a gross residential density of 2.46 units/acre. The subdivision will incorporate 2.79-acres of open space (~9.56%) that will be adjacent to John King Boulevard and E. Quail Run Road, and provide a buffer between the houses and the adjacent thoroughfares. An amenities center will be provided to service the 72-lot subdivision. A summary of the proposed development standards is as follows:

Lot Type ►	***A***	***B***
Minimum Lot Width/Frontage	80'	100'
Minimum Lot Depth	125'	150'
Minimum Lot Area	10,000 SF	15,000 SF
Minimum Front Yard Setback	20'	20'
Minimum Side Yard Setback	5'	7'
Minimum Side Yard Setback (Adjacent to a Street)	10'	10'
Minimum Length of Driveway Pavement	20'	20'
Maximum Height	36'	36'
Minimum Rear Yard Setback	15'	15'
Minimum Area/Dwelling Unit (SF)	2,600 SF	3,000 SF
Maximum Lot Coverage	65%	70%

Additionally, the applicant has agreed to incorporate the same anti-monotony standards that were incorporated in Planned Development District 70 (PD-70) [*i.e. the Stone Creek subdivision*] and Planned Development District 74 (PD-74) [*i.e. the Breezy Hill subdivision*]. *Copies of the proposed PD Concept Plan and PD Development Standards have been provided in the attached packet for the City Council and Planning & Zoning Commission's review.*

CONFORMANCE WITH THE COMPREHENSIVE PLAN AND UDC:

The Future Land Use Map, contained within the Comprehensive Plan, designates the subject property for *Low Density Residential* land uses. According to the Comprehensive Plan, "(l)ow density residential is defined as less than two (2) units per acre; however, a density up to two and one-half (2.5) units per gross acre may be allowed within a residential Planned Development District that includes the dedication and/or development of additional amenities exceeding the minimum standards for residential Planned Developments." The additional amenities are described as: 1) Parks and Open Space, 2) Golf Course, 3) Neighborhood Amenity/Recreation Center, 4) Integration of Schools into the Community Fabric, 5) Development of Trails and Parks in Floodplains, and 6) Development of Municipal Parks and Recreation Facilities. Additionally, the Planned Development District standards contained within the Unified Development Code (UDC) require a minimum of 20% of the gross land area be dedicated to open space.

In this case, the concept plan shows a total of 2.79-acres of open space (~9.56%), which represents roughly half the compulsory amount required for this development. Staff has calculated that the applicant would need an additional 3.05-acres of open space to be in compliance with the Planned Development requirements. This would equate to a reduction of approximately 13, 80' x 125' lots. The plan does indicate that the development will incorporate an amenities center that could satisfy the additional amenity requirement, and justify the disparity in the open space; however, the requested gross residential density is 2.46 units/acre,

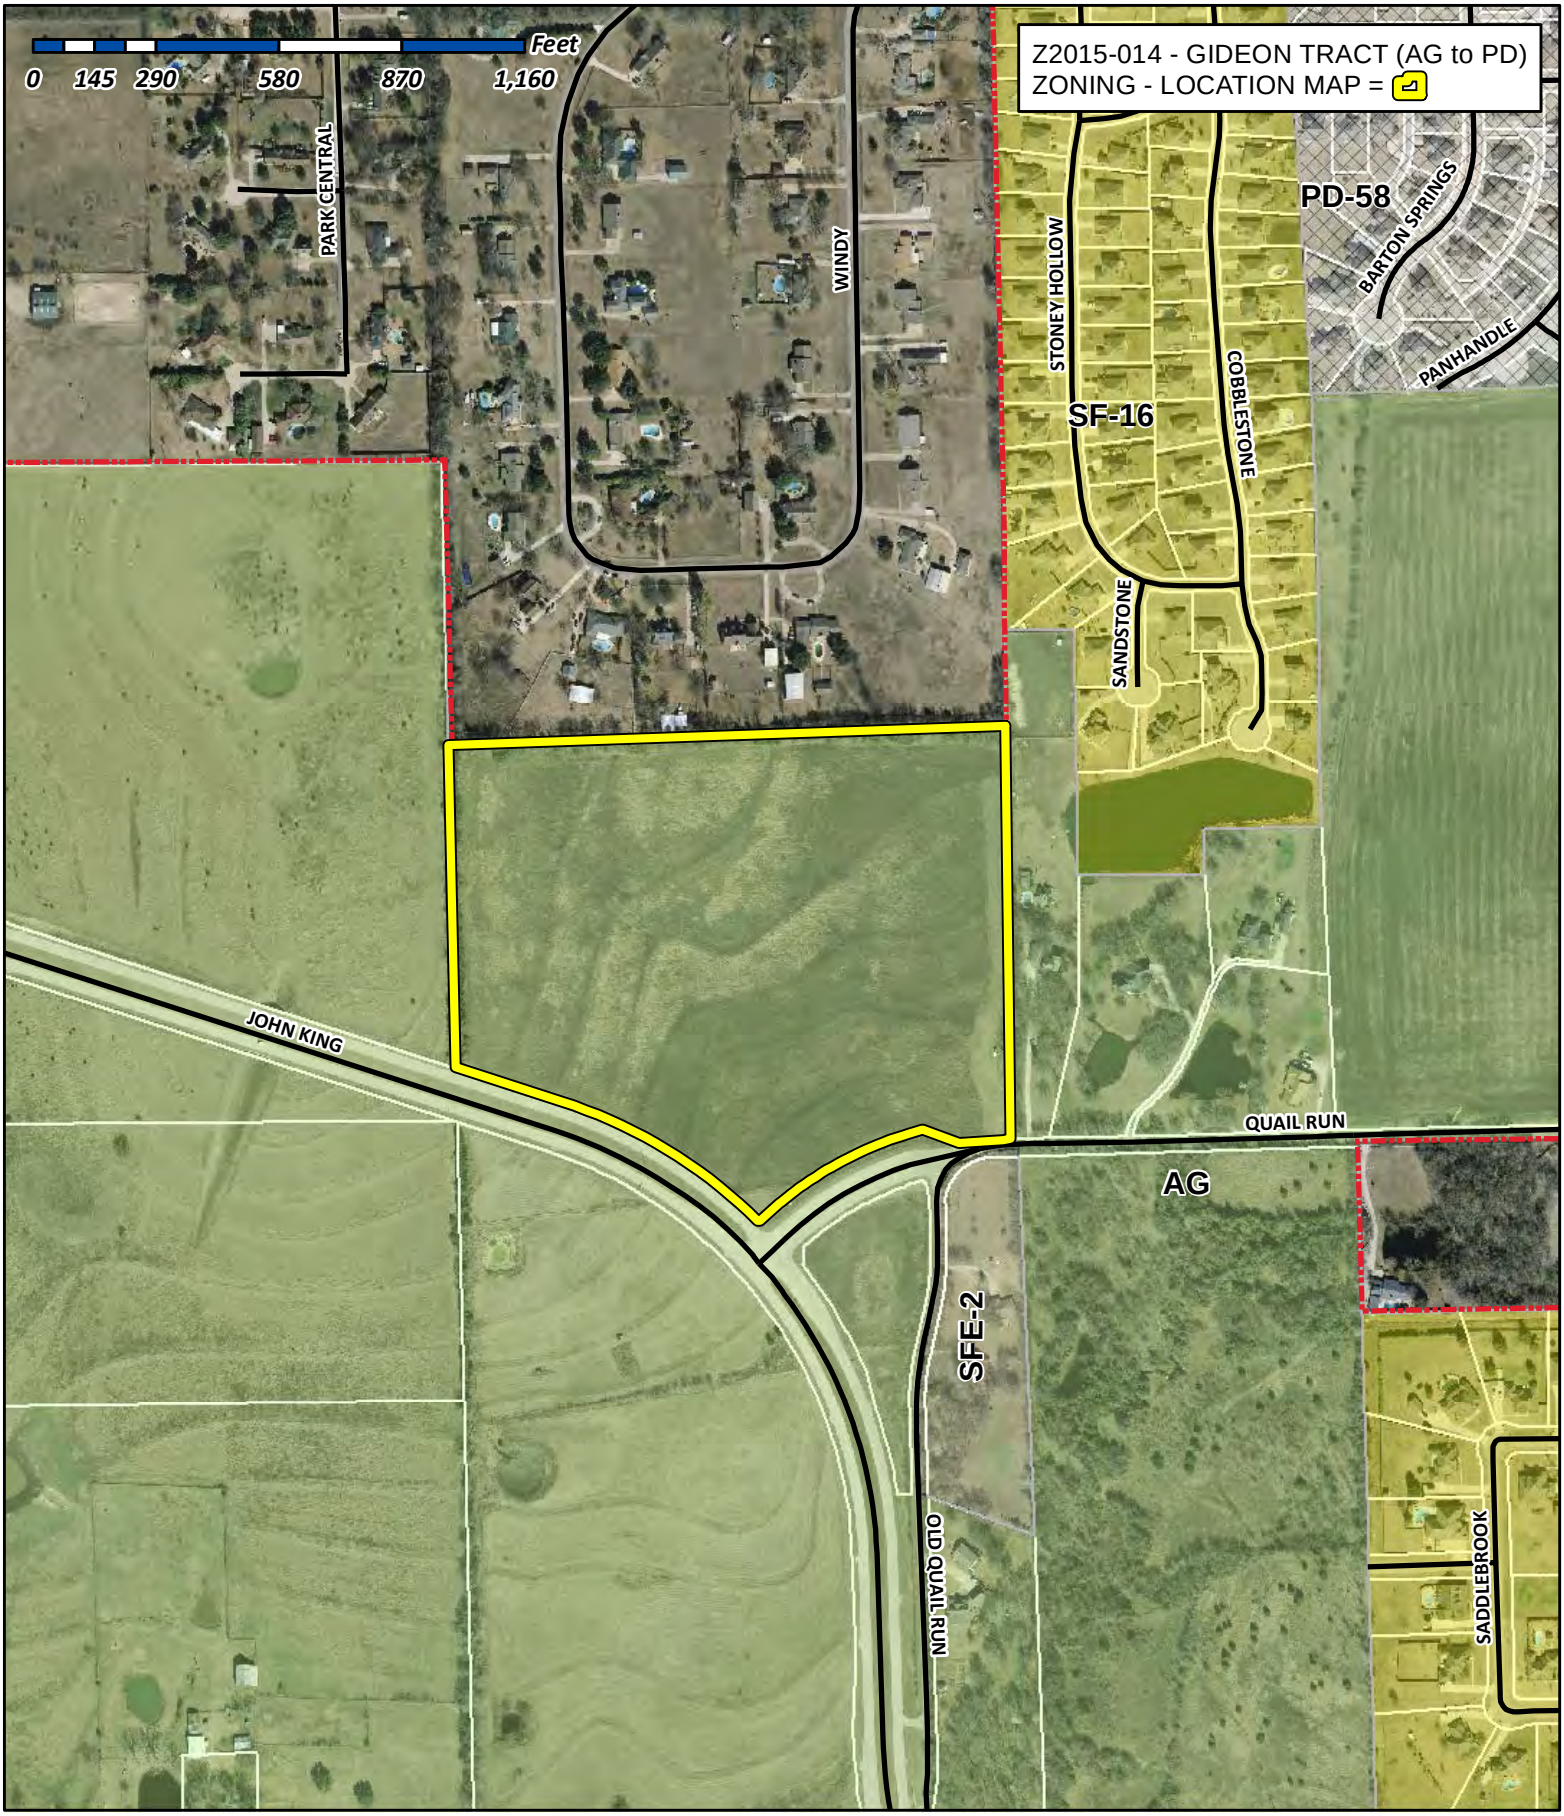
and any additional density over two (2) units per acre is a discretionary decision for the City Council based on the amenities provided by the proposed development. It should also be noted that the applicant has agreed to include a ten (10) foot sidewalk along John King Boulevard per the recommendations of the *John King Boulevard Design Concept Plan* contained within the Comprehensive Plan. This has been included in the proposed Planned Development District ordinance.

If the City Council chooses to grant the applicant's request, no changes to the Future Land Use Map would be required because the proposed density is in conformance with the range designated for the *Low Density Residential* designation (*i.e. 2-2.5 units/acre*).

NOTIFICATION:

On April 24, 2015, staff mailed 19 notices to property owners and residents within 500-feet of the subject property. Staff also emailed a notice to the Stoney Hollow and Dalton Ranch Homeowner's Associations (HOA's), which are the only HOA's located within 1,500 feet of the subject property. Additionally, staff posted a sign at the corner of John King Boulevard and E. Quail Run Road, and advertised the public hearings in the Rockwall Harold Banner as required by the Unified Development Code (UDC). At the time this case memo was drafted no responses were received by staff.

RECOMMENDATIONS:



If the Planning and Zoning Commission chooses to recommend approval of the applicant's request to rezone the subject property from an Agricultural (AG) District to a Planned Development District, then staff would propose the following conditions of approval:

1) The applicant shall be responsible for maintaining compliance with the conditions contained within the *Planned Development District* ordinance; and,

2) Any construction resulting from the approval of this *zoning amendment* shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On May 12, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the proposed zoning change by a vote of 5-0, with Commissioners Lyons and Conley absent.

To whom it may concern:

Per your participation in the Neighborhood Notification Program, you are receiving this notification to inform your organization and residents of a request for a zoning change that lies within 1,500 feet of the boundaries of your neighborhood or subdivision. As the primary contact for the organization, you are encouraged to share this information with the residents of your subdivision. Please find attached a map detailing the location of the subject property requesting the zoning change in relation to your subdivision boundaries. Additionally, below is a summary of the zoning request that was also published in the Rockwall Herald Banner on May 1, 2015. If you have any questions or comments regarding this request, the contact information for the Planning Department is listed below. Additional information can also be found at http://www.rockwall.com/planning/planningDevCases.asp.

Z2015-014-Hold a public hearing to discuss and consider a request by Cole Franklin of the Skorburg Company on behalf of the owner Lonnie Gideon Estate for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 10 (SF-10) District land uses, on a 29.192-acre tract of land identified as a portion of Tract 1-01 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the 205 By-Pass Corridor Overlay (205 BY-OV) District, located at the northeast corner of the intersection of E. Quail Run Road and John King Boulevard, and take any action necessary.

If this email is reaching you in error, please forward it to your HOA or neighborhood group representative and update the contact information at http://www.rockwall.com/planning/hoa.asp.

CITY OF ROCKWALL

ORDINANCE NO. 15-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO CHANGE THE ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO PLANNED DEVELOPMENT DISTRICT XX (PD-XX) FOR SINGLE FAMILY 10 (SF-10) DISTRICT LAND USES ON THE SUBJECT PROPERTY, BEING A 29.192-ACRE TRACT OF LAND IDENTIFIED AS A PORTION OF TRACT 1-01 OF THE S. R. BARNES SURVEY, ABSTRACT NO. 13, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED HEREIN BY *EXHIBIT 'A'*; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request by the Cole Franklin of the Skorburg Company on behalf of the owner of the property, Lonnie Gideon, for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 10 (SF-10) District land uses, on a 29.192-acre tract of land identified as a portion of Tract 1-01 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas and more fully described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the *Subject Property* shall be used only in the manner and for the purposes authorized by this Planned Development District Ordinance and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting this zoning change, and as maybe amended in the future;

Section 2. That development of the *Subject Property* shall generally be in accordance with the *Planned Development Concept Plan*, described in *Exhibit 'B'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'B'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 3. That development of the *Subject Property* shall generally be in accordance with the *Development Standards*, described in *Exhibit 'C'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'C'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

DRAFT ORDINANCE 05.19.15

Section 4. That a master parks and open space plan for the Property, prepared in accordance with this ordinance and consistent with the *Planned Development Concept Plan*, (*Open Space Master Plan*) shall be considered for approval by the City Council following recommendation of the Parks and Recreation Board.

Section 5. That development of the *Subject Property* shall be in conformance with the schedule listed below (*except as set forth below with regard to simultaneous processing and approvals*).

(a) The procedures set forth in the City's subdivision regulations on the date this ordinance is approved by the City, as amended by this ordinance (*including Subsections 5(b) through 5(e) below*), shall be the exclusive procedures applicable to the subdivision and platting of the Property.

(b) The following plans and plats shall be required in the order listed below (*except as set forth below with regard to simultaneous processing and approvals*). The City Council shall act on an application for an *Open Space Master Plan* in accordance with the time period specified in *Section 212.009* of the *Texas Local Government Code*.

(1) Open Space Master Plan
(2) Master Plat
(3) PD Site Plan
(4) Preliminary Plat
(5) Final Plat

(c) *PD Site Plan.* A *PD Site Plan* covering all of the *Subject Property* shall be submitted and shall identify all site/landscape/hardscape plan(s) for all open space, neighborhood parks, trail systems, street buffers and entry features. A *PD Site Plan* application may be processed by the City concurrently with a *Preliminary Plat Application* for the development.

(d) *Preliminary Plat.* A *Preliminary Plat* covering all of the *Subject Property* shall be submitted and shall include a *Treescape Plan*. A *Preliminary Plat Application* may be processed by the City concurrently with a *PD Site Plan Application* for the development.

(e) *Final Plat.* Prior to the issuance of any building permits, a *Final Plat*, conforming to the *Preliminary Plat*, for all of the *Subject Property* shall be submitted for approval.

Section 7. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 8. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 9. The standards in this ordinance shall control in the event of a conflict between this ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development*

DRAFT ORDINANCE 05-18-2015

Code), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

Section 10. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 1ST DAY OF JUNE, 2015.

DRAFT ORDINANCE 05.18.15

Exhibit 'C':
PD Development Standards

A. GENERAL REQUIREMENTS

Development Standards.

1. *Permitted Uses.* Unless specifically provided by this Planned Development ordinance, only those uses permitted within the Single Family 10 (SF-10) District, as stipulated by the *Permissible Use Charts* contained in Article IV, *Permissible Uses*, of the Unified Development Code (UDC), are allowed on the *Subject Property*.

2. *Lot Composition and Layout.* The lot layout and composition shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* and stated in *Table 1*, which is as follows:

Table 1: Lot Composition

Lot Type	*Minimum Lot Size (FT)*	*Minimum Lot Size (SF)*	*Dwelling Units (#)*	*Dwelling Units (%)*
A	80' x 125'	10,000 SF	45	62.50%
B	100' x 150'	15,000 SF	27	37.50%
	Average Lot Size:	10,000 SF		
		Maximum Permitted Units:	*72*	*100.00%*

3. *Density and Dimensional Requirements.* Unless specifically provided by this Planned Development ordinance, the development standards stipulated by the Single Family 10 (SF-10) District, as specified by Article V, *District Development Standards*, of the Unified Development Code are applicable to all development on the *Subject Property.* The maximum permissible density for the *Subject Property* shall not exceed *2.50* dwelling units per gross acre of land; however, in no case should the proposed development exceed *72* units. All lots shall conform to the standards depicted in *Table 2*, which is as follows:

Table 2: Lot Dimensional Requirements

Lot Type (see Concept Plan) ►	***A***	***B***
Minimum Lot Width/Frontage [1]	80'	100'
Minimum Lot Depth	125'	150'
Minimum Lot Area	10,000 SF	15,000 SF
Minimum Front Yard Setback [3]	20'	20'
Minimum Side Yard Setback	5'	7'
Minimum Side Yard Setback (Adjacent to a Street)	10'	10'
Minimum Length of Driveway Pavement	20'	20'
Maximum Height	36'	36'
Minimum Rear Yard Setback	15'	15'
Minimum Area/Dwelling Unit (SF) [2]	2,600 SF	3,000 SF
Maximum Lot Coverage	65%	70%

General Notes:

[1]: Lots fronting onto curvilinear streets, cul-de-sacs and eyebrows may have the front lot width reduced by 20% as measured at the front property line provided that the lot width will be met at the front building line. Additionally, the lot depth on lots fronting onto curvilinear streets, cul-de-sacs and eyebrows may be reduced by up to 10%, but shall meet the minimum lot size for each lot type as referenced within *Table 1*.

[2]: A maximum of 20% of the lots may have homes not less than 2,500 SF.

[3]: The Director of Planning or his designee may grant a reduction in the required 20-foot front yard building setback of up to five (5) feet for lots situated along cul-de-sacs or curvilinear streets, or where a 20-foot front yard building setback would create an undue hardship on the property.

4. *Building Standards.* All development shall adhere to the following building standards:

(a) *Masonry Requirement.* The minimum masonry requirement for the exterior façades of all buildings shall be 90%. For the purposes of this ordinance the masonry requirement

DRAFT ORDINANCE 08.18.15

shall be limited to full width brick, natural stone, cast stone, cementaceous fiberboard horizontal lap-siding (*e.g. HardiBoard or Hardy Plank*) and, stucco (*i.e. three [3] part stucco or a comparable -- to be determined by staff*).

(b) Roof Pitch. A minimum of an *8:12* roof pitch is required on all structures with the exception of sunrooms and porches, which shall have a minimum of a *4:12* roof pitch.

(c) Garage Orientation. Garages shall oriented in a *traditional swing* (or *j-swing*) or in a front entry configuration. If a front entry garage configuration is utilized that garage shall be located at least 20-feet behind the front building façade. On *traditional swing* (or *j-swing*) garages a second single garage door facing the street is permitted if it is located behind the width of the double garage door.

5. *Anti-Monotony Restrictions.* The development shall adhere to the *Anti-Monotony Matrix* depicted in *Table 3* below (*for spacing requirements see the illustration below*).

Table 3 : Anti-Monotony Matrix

Lot Type	*Minimum Lot Size*	*Elevation Features*
A	80' x 125'	(1), (2), (3)
B	100' x 150'	(1), (2), (3)

(1) Identical brick blends or paint colors may not occur on adjacent (*side-by-side*) properties along any block face without at least four (4) intervening homes of differing materials on the same side of the street beginning with the adjacent property and two (2) intervening homes of differing materials on the opposite side of the street.

(2) Front building elevations shall not repeat along any block face without at least four (4) intervening homes of differing appearance on the same side of the street and two (2) intervening homes of differing appearance on the opposite side of the street. The rear elevation of homes backing to open spaces or on John King Boulevard shall not repeat without at least five (5) intervening homes of differing appearance. Homes are considered to have a differing appearance if any of the following two (2) items deviate:

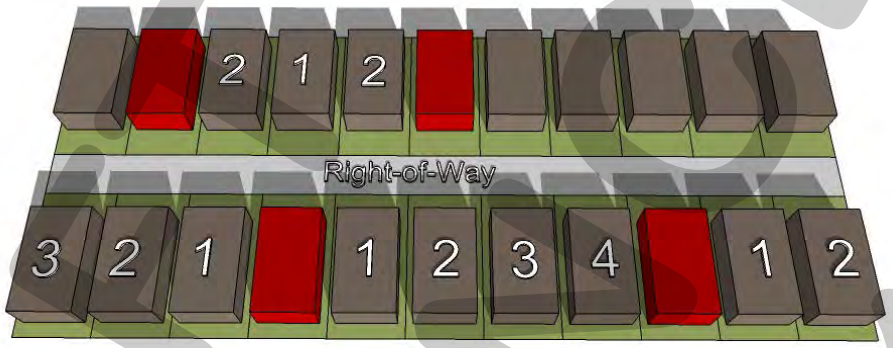
(a) Number of Stories
(b) Permitted Encroachment Type and Layout
(c) Roof Type and Layout
(d) Articulation of the Front Façade

(3) Each phase of the subdivision will allow for a maximum of four (4) compatible roof colors, and all roof shingles shall be an architectural or dimensional shingle (*3-Tab Roofing Shingles are prohibited*).

See the Illustrations on the following page.

DRAFT ORDINANCE 05.18.15

Illustration 1: Properties line up on the opposite side of the street. Where RED are the same.



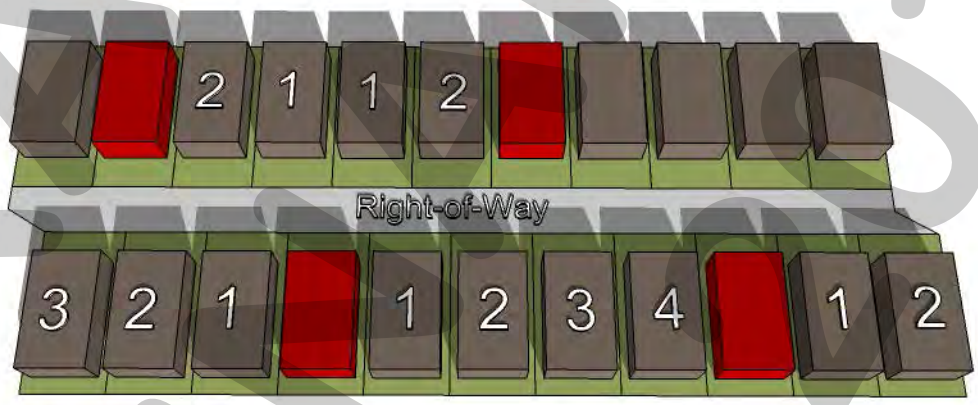


Illustration 2: Properties do not line up on opposite side of the street. Where RED are the same.

6. *Fencing Standards*. All individual residential fencing and walls shall be architecturally compatible with the design, materials and colors of the primary structure on the same lot, and meet the following standards:

(a) Wood Fences. All wood fences shall be constructed of a standard fencing material (*minimum of ½" thickness or better; spruce fencing will not be allowed*), and use fasteners that are hot dipped galvanized or stainless steel. Wood fences facing onto a street shall be painted and/or stained and sealed with all pickets being placed on the *public side* facing the street. All wood fences shall be smooth-finished, free of burs and splinters, and be a maximum of six (6) feet in height.

(b) Wrought Iron/Tubular Steel. Lots located along the perimeter of roadways, abutting open spaces, greenbelts and parks shall be required to install a wrought iron or tubular steel fence. Wrought iron/tubular steel fences can be a maximum of six (6) feet in height.

(c) Corner Lots. Corner lots fences (*i.e. adjacent to the street*) shall provide masonry columns at 45-feet off center spacing that begins at the rear of the property line. A maximum of six (6) foot solid *board-on-board panel* fence constructed utilizing cedar fencing shall be allowed between the masonry columns along the side and/or rear lot adjacent to a street. In addition, the fencing shall be setback from the side property line adjacent to a street a minimum of five (5) feet. The property owner shall be required to maintain both sides of the fence.

(d) Solid Fences (including Wood Fences). All solid fences shall incorporate a decorative top rail or cap detailing into the design of the fence.

DRAFT
ORDINANCE
05.18.15

7. *Landscape and Hardscape Standards.*

(1) *Landscape.* Landscaping shall be reviewed and approved with the PD Site Plan. All *Canopy/Shade Trees* planted within this development, unless specifically provided by this PD Ordinance, shall be a minimum of four (4) caliper inches in size and all *Accent/Ornamental/Under-Story Trees* shall be a minimum of four (4) feet in total height. The following tree species are approved for planting within this subdivision:

(a) Canopy/Shade Trees. Bald Cyprus, Cedar Elm, Texas Red Oak, Homestead Elm, Lace Bark Elm, Alle Elm, Chinese Pistachio, Shumard Oak, Sycamore, and Burr Oak.

(b) Accent/Ornamental/Under-Story Trees. Texas Redbud, Eve's Necklace, Mexican Plum, Downy Hawthorn, Crepe Myrtle, Texas Mountain Laurel, Vitex, and Desert Willow.

(2) *Landscape Buffers.* All landscape buffers and plantings located within the buffers shall be maintained by the Homeowner's Association (HOA).

(a) Landscape Buffer and Sidewalks (John King Boulevard). A minimum of a 50-foot landscape buffer shall be provided along the frontage of John King Boulevard (*outside of and beyond any required right-of-way dedication*), and shall incorporate ground cover, a *built-up* berm and/or shrubbery or a combination thereof along the entire length of the frontage. Berms and/or shrubbery shall have a minimum height of 30-inches and a maximum height of 48-inches. In addition, three (3) canopy trees and four (4) accent trees shall be planted per 100-feet of linear frontage. The developer shall also be responsible for the construction of a ten (10) foot sidewalk situated within the 50-foot landscape buffer adjacent to John King Boulevard.

(b) Landscape Buffer (Quail Run Road). A minimum of a 20-foot landscape buffer shall be provided along the frontage of Quail Run Road (*outside of and beyond any required right-of-way dedication*), and shall incorporate ground cover, a *built-up* berm and/or shrubbery or a combination thereof along the entire length of the frontage. Berms and/or shrubbery shall have a minimum height of 30-inches and a maximum height of 48-inches. In addition, at least one (1), three (3) inch canopy tree shall be planted per 50-feet of linear frontage.

(3) *Streetscape Landscaping.* Prior to the issuance of a Certificate of Occupancy (CO), all residential, single family lots situated within the proposed subdivision shall be landscaped with canopy trees from the list stipulated by *Section 7(1)* of this ordinance in the following sizes and proportions:

(i) Two (2), three (3) inch trees measured six (6) inches above the root ball shall be planted in the front yard of an interior lot.
(ii) Two (2), three (3) inch trees measured six (6) inches above the root ball shall be planted in the front yard of a corner lot and two (2), three (3) inch caliper trees shall be planted in the side yard facing the street.

DRAFT ORDINANCE 05.18.15

Note: For the purposes of this section only [i.e. Section 7(3)], the term "front yard" includes the area within the dedicated right-of-way for a parkway immediately adjoining the front yard of the lot.

(4) *Irrigation Requirements*. Irrigation shall be installed for all required landscaping located within common areas, landscape buffers and/or open space. Irrigation installed in these areas shall be designed by a Texas licensed irrigator or landscape architect and shall be maintained by the Homeowner's Association.

(5) *Hardscape.* Hardscape plans indicating the location of all sidewalks and trails shall be reviewed and approved with the PD Site Plan.

8. *Street.* All streets (*excluding drives, fire lanes and private parking areas*) shall be built according to City street standards.

9. *Lighting.* Light poles shall not exceed 20-feet in total height (*i.e. base and lighting standard*). All fixtures shall be directed downward and be positioned to contain all light within the development area.

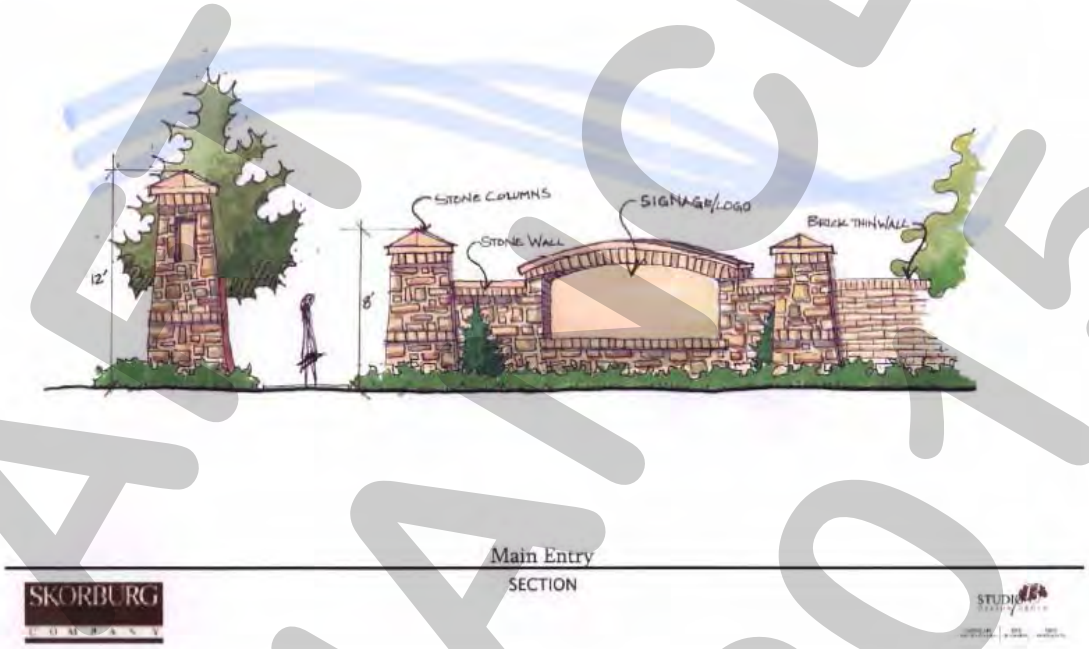
10. *Sidewalks.* At a minimum, all sidewalks located on lay down curb section streets shall begin four (4) feet behind the back of curb and be five (5) feet in overall width.

11. *Buried Utilities.* New distribution power-lines required to serve the *Subject Property* shall be placed underground, whether such lines are located internally or along the perimeter of the *Subject Property*, unless otherwise authorized by the City Council. New transmission power-lines, or distribution lines of a size not typically or cost effectively placed underground (*i.e. 3-phase lines*), or additional lines that are added to existing poles, may be above ground, if located along the perimeter of the *Subject Property*, except along John King Boulevard. The *Developer* shall not be required to re-locate existing overhead power-lines along the perimeter of the *Subject Property*. Temporary power-lines constructed across undeveloped portions of the *Subject Property* to facilitate development phasing and looping may be allowed above ground, but shall not be considered *existing lines* at the time the area is developed, and if they are to become permanent facilities, such lines shall be placed underground pursuant to this paragraph. Franchise utilities shall be placed within a ten (10) foot public utility easement behind the sidewalk, between the home and the property line.

12. *Open Space.* The development shall consist of a minimum of *9.56%* open space (*or 2.79-acres*), and generally conform to the *Open Space Plan* contained in *Exhibit 'B'* of this ordinance. All open space areas shall be maintained by the Homeowner's Association (HOA).

13. *Neighborhood Signage.* Permanent subdivision identification signage shall be permitted at all major entry points for the proposed subdivision and shall generally conform to the signage depicted in *Figures 1 & 2* (*below*). Final design and location of any entry features shall be reviewed and approved with the *PD Site Plan*.

See the Illustrations on the following page.



DRAFT ORDINANCE 05-18-2015

Figure 2: *Example of Subdivision Signage Locations*

Figure 3: *Example of Subdivision Signage Design Standard*

DRAFT ORDINANCE 05.18.2015

14. *Amenity Center.* A site plan, landscape plan and building elevations for the Amenity Center shall be subject to site plan approval by the Planning and Zoning Commission prior to construction.

15. *Homeowner's Association (HOA)*. A Homeowner's Association shall be created to enforce the restrictions established in accordance with the requirements of *Section 38-15* of the *Subdivision Regulations* contained within the *Municipal Code of Ordinances* of the City of Rockwall. The HOA shall also maintain all neighborhood parks, trails, open space and common areas, irrigation, landscaping, amenity centers, screening fences associated with this development.

16. *Variances*. The variance procedures and standards for approval that are set forth in the Unified Development Code shall apply to any application for variances to this ordinance.

DRAFT ORDINANCE 05.18.2015

THIS PAGE INTENTIONALLY LEFT BLANK

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 05/18/2015

APPLICANT: Bradley G. Bischof

AGENDA ITEM: **P2015-015** (Harbor Landing Phase 2)

SUMMARY:

Hold a public hearing to discuss and consider a request by Bradley G. Bischof for the approval of a residential replat creating Lot 26, Block C, Harbor Landing, Phase 2, being a 0.46-acre parcel of land currently identified as Lots 21 & 22, Block C, Harbor Landing, Phase 2, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 8 (PD-8) for single family land uses, addressed as 320 & 322 Port View Place, and take any action necessary.

COMMENTS:

- The objective of this request is to combine two residential parcels (Lots 21 & 22) of the Harbor Landing Phase 2 Addition into one larger 20,000 sq. ft. residential parcel (Lot 26). It should be noted that in 1987 the City of Rockwall entered into a settlement agreement with the plaintiffs in regards to a dispute concerning the height restrictions established in Planned Development No. 8 (PD-8) District for certain lots identified to be in Blocks B and C of the Harbor Landing Phase 2 Addition. Lots 21 and 22 are located in Block C and meet this criterion. The court order establishes "maximums" for roof top elevations, pad elevations, and house height for each lot and is referenced as "Exhibit C" in your packet.

  Since a home has been built on Lot 21, it is the City's recommendation that the property owner adhere to the courts order in perpetuity for the more restrictive maximums established for the roof top elevations, pad elevations, and house height on what is designated and currently known as Lot 22.

- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions below.

- With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

NOTIFICATION:

Staff mailed thirty-nine (39) notices to property owners within 200 feet of the subject property and a notice of Public Hearing was published in the Rockwall Herald-Banner as required by law. At the time this report was drafted, staff has received one (1) notice "For" the residential replat requested.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the residential replat request, staff would recommend the following conditions of approval:

A) All the technical comments from the Engineering and Fire Departments shall be addressed prior to the filing of this plat, including adherence to the following Planning Department comments;

1. Adherence to Engineering and Fire Department standards.

2. Adherence to the court's order and in association with the proposed properties for the more "restrictive" maximums in regards to roof top elevations, pad elevations, and house height as established for Lots 21 & 22, Block C of the Harbor Landing Phase 2 Addition attached hereto and labeled as "Exhibit C".

3. Verify curve data (C1 - C4) to final plat.

4. Indicate outer extremes of Utility Easement along the rear of the property. Final plat indicates 15-ft Utility Easement.

5. Provide label indicating "Case No. P2015-015" – to be located at the lower right hand corner of each page.

B) Any construction resulting from the approval of this final plat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Planning and Zoning Commission Recommendation:

On May 12, 2015, the Planning and Zoning Commission recommended approval of the residential replat with staff conditions by a vote of 5 to 0 [Conley & Lyons – absent].

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. P2015-015: 320 PORTVIEW PLACE

Hold a public hearing to discuss and consider a request by Bradley G. Bischof for the approval of a residential replat creating Lot 26, Block C, Harbor Landing, Phase 2, being a 0.46-acre parcel of land currently identified as Lots 21 & 22, Block C, Harbor Landing, Phase 2, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 8 (PD-8) for single family land uses, addressed as 320 & 322 Port View Place, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 5/12/2015 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 5/18/2015 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **5/18/2015** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

(Public Dedication)

WHEREAS, BRADLEY G. BISCHOF, BEING the Owner of a tract of land in the County of Rockwall, State of Texas, said tract being described as follows:

Being Lot 21 and Lot 22, Block C, of HARBOR LANDING PHASE TWO, an Addition to the City of Rockwall, Rockwall County, Texas, according to the Plat thereof recorded in Cabinet C, Slide 10, Plat Records, Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at an "X" found for corner in the north right-of-way line of Harborview Drive, a 31 foot right-of-way, said point being at the southwestcorner of said Lot 22;

THENCE N. 33 deg. 38 min. 08 sec. E. along the west line of Lot 22 and Lot 21, a distance of 203.55 feet to a 1/2" iron rod found for corner at the northwest corner of Lot 21;

THENCE S. 25 deg. 40 min. 35 sec. E. along the northeast line of Lot 21, a distance of 142.54 feet to a 1/2" iron rod found for corner in the curving northwest right-of-way line of Portview Place;

THENCE in a southwesterly direction along a curve to the left having a central angle of 73 deg. 16 min. 21 sec., a radius of 41.50 feet, a tangent of 30.86 feet, a chord of S. 27 deg. 41 min. 15 sec. W., 49.53 feet, along said right-of-way line, an arc distance of 53.07 feet to a 1/2" iron rod found for corner;

THENCE in a southwesterly direction along a curve to the right having a central angle of 25 deg. 03 min. 17 sec., a radius of 88.50 feet, a tangent of 19.66 feet, a chord of S. 03 deg. 34 min. 43 sec. W., 38.39 feet, along said right-of-way line, an arc distance of 38.70 feet to a 1/2" iron rod found for corner;

THENCE in a southwesterly direction along a curve to the right having a central angle of 100 deg. 07 min. 47 sec., a radius of 19.00 feet, a tangent of 22.70 feet, a chord of S. 66 deg. 10 min. 44 sec. W., 29.14 feet, along said right-of-way line, an arc distance of 33.20 feet to a 1/2" iron rod found for corner in the curving north right-of-way line of Harborview Drive;

THENCE in a northwesterly direction along a curve to the left having a central angle of 03 deg. 31 min. 09 sec., a radius of 815.50 feet, a tangent of 25.05 feet, a chord of N. 65 deg. 31 min. 13 sec. W., 50.08 feet, along said right-of-way line, an arc distance of 50.09 feet to a 1/2" iron rod found for corner;

THENCE N. 67 deg. 16 min. 48 sec. W. along said right-of-way line, a distance of 83.33 feet to the POINT OF BEGINNING and containing 20,000 square feet or 0.46 acres of land.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

I the undersigned owner of the land shown on this plat, and designated herein as HARBOR LANDING PHASE 2, LOT 26, BLOCK C, BEING A REPLAT OF LOT 21 AND 22, BLOCK C, an Addition to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the subdivision have been notified and signed this plat.

I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same.

I also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of th eir respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maint aining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, sto rm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer an d/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as p rogress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I, my successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exaction's made herein.

Hold a public hearing to discuss and consider a request by Bradley G. Bischof for the approval of a residential replat creating Lot 26, Block C, Harbor Landing, Phase 2, being a 0.46-acre parcel of land currently identified as Lots 21 & 22, Block C, Harbor Landing, Phase 2, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 8 (PD-8) for single family land uses, addressed as 320 & 322 Port View Place, and take any action necessary.

Planning Department General Comments:

1. Adherence to Engineering and Fire Department standards.
2. Adherence to the court's order and in association with the proposed properties for the more "restrictive" maximums in regards to roof top elevations, pad elevations, and house height elevations as established for Lots 21 & 22, Block C of the Harbor Landing Phase 2 Addition and attached hereto and labeled as "Exhibit C".
3. Verify curve data (C1 - C4) to final plat.
4. Indicate outer extremes of Utility Easement along the rear of the property. Final plat indicates 15-ft Utility Easement.
5. Provide label indicating "Case No. P2015-015" at the lower right hand corner of each page.
6. All revised/corrected plans are to be submitted to the Planning Department by Tuesday, May 5th, 2015.

MEMORANDUM

TO: City Council

FROM: Joey Boyd, Director of Internal Operations

DATE: May 11, 2015

SUBJECT: Atmos Energy Corporation; Mid-Tex Division Rate Settlement

The City, along with other similarly situated cities served by Atmos Energy Corp., Mid-Tex Division ("Atmos Mid-Tex" or "Company"), is a member of the Atmos Cities Steering Committee ("ACSC"). The RRM Tariff was adopted by the City as an alternative to the Gas Reliability Infrastructure Program ("GRIP"), the statutory provision that allows Atmos to bypass the City's rate regulatory authority to increase its rates annually to recover capital investments. In February 2014, Atmos Mid-Tex filed its second annual filing under the Rate Review Mechanism ("RRM") Tariff, seeking an increase of $45.7 million. Although ACSC attempted to reach a settlement with the Company as it had in past years, the wide differences between the Company and ACSC's consultants' recommendations made a compromise impossible. On the recommendation of the ACSC Executive Committee and ACSC's legal counsel, the City in 2014 adopted a Resolution denying the requested rate increase.

The Company appealed the City's denial to the Railroad Commission of Texas ("Commission"), and revised its requested increase to $43.8 million. A hearing was held on the Company's appeal on September 3, 2014. On April 28, 2015, the Commission's Hearings Examiner issued his Proposal for Decision ("PFD") in the Company's appeal of the City's denial of the 2014 RRM rate increase. This PFD was not favorable to ACSC, but did recommend a reduction of approximately $860,000 to the Company's adjusted 2014 filing.

While the parties were waiting for the PFD from the Hearings Examiner in the appeal of the 2014 RRM filing, on February 27, 2015, Atmos Mid-Tex filed with the City another rate increase request under the RRM Tariff, seeking additional revenues in the amount of $28.762 million (total system) or $24.0 million (affected cities). The City worked with ACSC to analyze the schedules and evidence offered by Atmos Mid-Tex to support its 2015 request to increase rates. The Ordinance and attached Settlement Agreement and tariffs are the result of negotiation between the Mid-Tex Executive Committee and the Company to resolve issues raised by ACSC during the review and evaluation of Atmos Mid-Tex's filing. The recommended Settlement Agreement also requires

Atmos to abate its appeal of the City's rejection of the 2014 RRM rate increase pending approval by all ACSC cities of the Settlement Agreement. The Agreement requires Atmos to give the City the benefit of the adjustments to the 2014 rate increase recommended by the PFD.

The Ordinance and Settlement tariffs approve rates that will increase the Company's revenues by $65.7 million for the Mid-Tex Rate Division, effective for bills rendered on or after June 1, 2015. The monthly residential customer charge will be $18.60. The consumption charge will change from $0.08819 per Ccf to $0.09931 per Ccf. The monthly bill impact for the typical residential customer consuming 60 Ccf will be an increase of $1.14 (about a 1.59% increase in the base bill). The typical commercial customer will see an increase of $2.69 or 0.96%.

The ACSC Executive Committee and its designated legal counsel and consultants recommend that all Cities adopt the Ordinance approving the negotiated Settlement Agreement resolving both the 2014 and the 2015 RRM filings, and implementing the rate change.

RRM Background:

The RRM tariff was originally approved by ACSC Cities as part of the settlement agreement to resolve the Atmos Mid-Tex 2007 system-wide rate filing at the Railroad Commission. In early 2013, the City adopted a renewed RRM tariff for an additional five years. This is the third RRM filing under the renewed tariff. The RRM tariff and the process implementing that tariff were created collaboratively by ACSC and Atmos Mid-Tex as an alternative to the legislatively-authorized GRIP surcharge process. ACSC has opposed GRIP because it constitutes piecemeal ratemaking, does not allow any review of the reasonableness of Atmos' expenditures, and does not allow participation by cities or recovery of cities' rate case expenses. In contrast, the RRM process has allowed for a more comprehensive rate review and annual adjustment as a substitute for GRIP filings. ACSC's consultants have calculated that had Atmos filed its 2015 case under the GRIP provisions, it would have received additional revenues from ratepayers of approximately $10 million.

Purpose of the Ordinance:

The purpose of the Ordinance is to approve the Settlement Agreement and the resulting rate change under the RRM tariff. As a result of the negotiations, the Executive Committee was able to reduce the Company's requested $28.8 million rate increase for Mid-Tex cities to $21,962,784. When added to the settlement of the 2014 RRM filing and the adjustments recommended by the PFD, the Company will receive total additional annual revenues of $65.7 million. Because the 2014 rates have been in effect since June 1, 2014, the increase to currently-billed rates is $21 million. Approval of the Ordinance will result in rates that implement an increase in Atmos Mid-Tex's revenues effective June 1, 2015.

Why Approve the Settlement Agreement:

While it is annoying and disconcerting to annually consider rate adjustments from Atmos Mid-Tex, the Texas legislature has granted gas utilities the right, through the GRIP process, to an annual increase based on increases in invested capital. GRIP is piecemeal ratemaking and ignores increases in revenues and declines in O&M expenses that may be associated with plant additions. ACSC found it preferable to negotiate with Atmos to substitute an expedited comprehensive review

process that includes consideration of revenues and expenses as well as invested capital for the GRIP process.

Compelling reasons for approving the Settlement include:

1. While the 2015 RRM system-wide filing exceeded $28 million, a comparable GRIP filing would have been in excess of $38 million. ACSC has negotiated a reduction to the 2015 filing of approximately $6 million. Therefore, the 2015 RRM result is approximately $16 million better for ratepayers within municipal limits than ratepayers within Environs.

2. ACSC counsel is convinced that the Proposal for Decision ("PFD") by Railroad Commission Examiners in the 2014 RRM appeal will not improve if we file Exceptions and Replies to Exceptions. Counsel recommends action to avoid the PFD becoming a final order that would serve as precedent in future rate proceedings.

3. The token benefit to ratepayers authorized in the PFD to the 2014 appeal has been incorporated into the Settlement Agreement.

4. Atmos will file its formal withdrawal of its 2014 appeal only after all ACSC members approve the Settlement Agreement.

5. The alternative to approval of the Settlement Agreement would be another contested case hearing on appeal of the 2015 filing, implementation of interim rates on June 1, 2015 at the full value of the Company's request (or $6 million higher than proposed by the Settlement) and continuation of the 2014 appeal with resulting rate case expenses borne by ratepayers.

Explanation of "Be It Ordained" Sections:

1. This section approves all findings in the Ordinance.

2. This section finds the Settlement Agreement (attached to the Ordinance) to be a comprehensive settlement of gas utility rate issues arising from Atmos Mid-Tex's 2014 and 2015 RRM filings, and that such settlement is in the public interest and consistent with the City's statutory authority.

3. This section finds the existing Atmos Mid-Tex rates to be unreasonable, and approves the new tariffed rates providing for additional revenues over currently-billed rates of $21 million and adopts the attached new rate tariffs.

4. This section establishes the baseline for pensions and other post-employment benefits for future rate cases.

5. This section renews the Atmos Mid-Tex RRM Tariff for an additional period of time, commencing with the filing to be made on March 1, 2016, and continuing until the RRM Tariff is suspended by ordinance of the City.

6. This section requires the Company to reimburse Cities for reasonable ratemaking costs associated with reviewing and processing the RRM filing.

7. This section repeals any resolution or ordinance that is inconsistent with this Ordinance.

8. This section finds that the meeting was conducted in compliance with the Texas Open Meetings Act, Texas Government Code, Chapter 551.

9. This section is a savings clause, which provides that if any section(s) is later found to be unconstitutional or invalid, that finding shall not affect, impair or invalidate the remaining provisions of this Ordinance. This section further directs that the remaining provisions of the Ordinance are to be interpreted as if the offending section or clause never existed.

10. This section provides for an effective date upon passage which, according to the Cities' ordinance that adopted the RRM process, is June 1, 2015.

11. This paragraph directs that a copy of the signed Ordinance be sent to a representative of the Company and legal counsel for the Steering Committee.

CITY OF ROCKWALL, TEXAS

ORDINANCE 15-15

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, APPROVING A NEGOTIATED SETTLEMENT BETWEEN THE ATMOS CITIES STEERING COMMITTEE ("ACSC") AND ATMOS ENERGY CORP., MID-TEX DIVISION REGARDING THE COMPANY'S 2014 AND 2015 RATE REVIEW MECHANISM FILINGS; APPROVING A SETTLEMENT AGREEMENT WITH ATTACHED RATE TARIFFS AND PROOF OF REVENUES; DECLARING EXISTING RATES TO BE UNREASONABLE; ADOPTING TARIFFS THAT REFLECT RATE ADJUSTMENTS CONSISTENT WITH THE NEGOTIATED SETTLEMENT; FINDING THE RATES TO BE SET BY THE SETTLEMENT TARIFFS TO BE JUST AND REASONABLE AND IN THE PUBLIC INTEREST; REQUIRING THE COMPANY TO REIMBURSE ACSC'S REASONABLE RATEMAKING EXPENSES; DETERMINING THAT THIS ORDINANCE WAS PASSED IN ACCORDANCE WITH THE REQUIREMENTS OF THE TEXAS OPEN MEETINGS ACT; ADOPTING A SAVINGS CLAUSE; DECLARING AN EFFECTIVE DATE; AND REQUIRING DELIVERY OF THIS ORDINANCE TO THE COMPANY AND THE ACSC'S LEGAL COUNSEL.

WHEREAS, the City of Rockwall, Texas ("City") is a gas utility customer of Atmos Energy Corp., Mid-Tex Division ("Atmos Mid-Tex" or "Company"), and a regulatory authority with an interest in the rates and charges of Atmos; and

WHEREAS, the City is a member of the Atmos Cities Steering Committee ("ACSC"), a coalition of similarly-situated cities served by Atmos Mid-Tex ("ACSC Cities") that have joined together to facilitate the review of and response to natural gas issues affecting rates charged in the Atmos Mid-Tex service area; and

WHEREAS, ACSC and the Company worked collaboratively to develop a new Rate Review Mechanism ("RRM") tariff that allows for an expedited rate review process by ACSC Cities as a substitute to the Gas Reliability Infrastructure Program ("GRIP") process instituted by the Legislature, and that will establish rates for the ACSC Cities based on the system-wide cost of serving the Atmos Mid-Tex Division; and

WHEREAS, the initial RRM Tariff was in effect for four (4) years; and

WHEREAS, ACSC Cities and Atmos Mid-Tex entered into another settlement agreement and revised the RRM Tariff; and

WHEREAS, ACSC Cities and Atmos Mid-Tex compromised and reached agreements on the amount of the rate increases to be in effect for the RRM Tariff filings for 2012 and 2013; and

WHEREAS, ACSC Cities and Atmos Mid-Tex were unable to reach an agreement on the 2014 RRM Tariff filing, resulting in the ACSC Cities' rejection of the 2014 RRM filing; and

WHEREAS, Atmos Mid-Tex appealed the ACSC Cities' actions rejecting its 2014 RRM filing to the Railroad Commission of Texas ("Commission"), pursuant to the provisions of the RRM Tariff; and

WHEREAS, Atmos Mid-Tex and ACSC litigated the appeal of the 2014 RRM filing at the Commission; and

WHEREAS, on February 27, 2015, Atmos Mid-Tex filed its 2015 RRM Tariff filing, requesting to increase natural gas base rates system-wide by $28.762 million; and

WHEREAS, ACSC coordinated its review of Atmos Mid-Tex RRM filing through its Executive Committee, assisted by ACSC's attorneys and consultants, to resolve issues identified in the Company's RRM filing; and

WHEREAS, Atmos Mid-Tex has agreed to withdraw its appeal of ACSC's rejection of its 2014 RRM Tariff rate increase; and

WHEREAS, the Executive Committee, as well as ACSC's counsel and consultants, recommend that ACSC Cities approve the attached Settlement Agreement (Attachment A to this Ordinance) as well as the tariffs attached thereto, resolving both the 2014 and the 2015 RRM Tariff filings, which together will increase the Company's revenues by $65.7 million over the amount allowed under City-approved rates set in 2013; and

WHEREAS, the attached tariffs implementing new rates are consistent with the negotiated Settlement Agreement and are just, reasonable, and in the public interest; and

WHEREAS, the RRM Tariff should be renewed for a period of time commencing in 2016 and continuing until the RRM Tariff is suspended by ordinance of the City; and

WHEREAS, the RRM Tariff contemplates reimbursement of ACSC's reasonable expenses associated with RRM applications;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the findings set forth in this Ordinance are hereby in all things approved.

Section 2. That the City Council finds that the Settlement Agreement (Attachment A to this Ordinance) represents a comprehensive settlement of gas utility rate issues affecting the rates, operations, and services offered by Atmos Mid-Tex within the municipal limits arising from Atmos Mid-Tex's 2014 and 2015 RRM filings, is in the public interest, and is consistent with the City's authority under Section 103.001 of the Texas Utilities Code.

Section 3. That the existing rates for natural gas service provided by Atmos Mid-Tex are unreasonable. The new tariffs attached hereto and incorporated herein as Attachment C, are just and reasonable, and are designed to allow Atmos Mid-Tex to recover annually an additional $65.7 million in revenue over the amount allowed under currently approved rates, or $21 million over currently-billed rates, as shown in the Proof of Revenues attached hereto and incorporated herein as Attachment B; such tariffs are hereby adopted.

Section 4. That the ratemaking treatment for pensions and other post-employment benefits in Atmos' next RRM filing shall be as set forth on Attachment D, attached hereto and incorporated herein.

Section 5. That in an effort to streamline the regulatory review process, the Atmos Mid-Tex RRM Tariff is renewed for a period commencing with the Company's March 1, 2016 RRM filing for calendar year 2015, effective June 1, 2016, and continuing thereafter until such time as the City adopts an ordinance suspending operation of the RRM Tariff.

Section 6. That Atmos Mid-Tex shall reimburse the reasonable ratemaking expenses of the ACSC in processing the Company's RRM application.

Section 7. That to the extent any resolution or ordinance previously adopted by the Council is inconsistent with this Ordinance, it is hereby repealed.

Section 8. That the meeting at which this Ordinance was approved was in all things conducted in strict compliance with the Texas Open Meetings Act, Texas Government Code, Chapter 551.

Section 9. That if any one or more sections or clauses of this Ordinance is adjudged to be unconstitutional or invalid, such judgment shall not affect, impair or invalidate the remaining provisions

of this Ordinance and the remaining provisions of the Ordinance shall be interpreted as if the offending section or clause never existed.

Section 10. That consistent with the City Ordinance that established the RRM process, this Ordinance shall become effective from and after its passage with rates authorized by attached tariffs to be effective for bills rendered on or after June 1, 2015.

Section 11. That a copy of this Ordinance shall be sent to Atmos Mid-Tex, care of Chris Felan, Vice President of Rates and Regulatory Affairs Mid-Tex Division, Atmos Energy Corporation, 5420 LJB Freeway, Suite 1862, Dallas, Texas 75240, and to Geoffrey Gay, General Counsel to ACSC, at Lloyd Gosselink Rochelle & Townsend, P.C., 816 Congress Avenue, Suite 1900, Austin, Texas 78701.

PASSED AND APPROVED by the City Council of the City of Rockwall, Texas this 18th day of May, 2015.

SETTLEMENT AGREEMENT BETWEEN ATMOS ENERGY CORP., MID-TEX DIVISION AND ATMOS CITIES STEERING COMMITTEE

WHEREAS, this agreement ("Settlement Agreement") is entered into by Atmos Energy Corp's Mid-Tex Division and Atmos Cities Steering Committee ("ACSC") whose members include the Cities of Abilene, Addison, Allen, Alvarado, Angus, Anna, Argyle, Arlington, Aubrey, Bedford, Bellmead, Benbrook, Beverly Hills, Blossom, Blue Ridge, Bowie, Boyd, Bridgeport, Brownwood, Buffalo, Burkburnett, Burleson, Caddo Mills, Canton, Carrollton, Cedar Hill, Celeste, Celina, Centerville, Cisco, Clarksville, Cleburne, Clyde, College Station, Colleyville, Colorado City, Comanche, Commerce, Coolidge, Coppell, Copperas Cove, Corinth, Corral City, Crandall, Crowley, Dalworthington Gardens, Denison, DeSoto, Duncanville, Eastland, Edgecliff Village, Emory, Ennis, Euless, Everman, Fairview, Farmers Branch, Farmersville, Fate, Flower Mound, Forest Hill, Fort Worth, Frisco, Frost, Gainesville, Garland, Garrett, Grand Prairie, Grapevine, Gunter, Haltom City, Harker Heights, Haskell, Haslet, Hewitt, Highland Park, Highland Village, Honey Grove, Hurst, Hutto, Iowa Park, Irving, Justin, Kaufman, Keene, Keller, Kemp, Kennedale, Kerens, Kerrville, Killeen, Krum, Lake Worth, Lakeside, Lancaster, Lewisville, Lincoln Park, Little Elm, Lorena, Madisonville, Malakoff, Mansfield, McKinney, Melissa, Mesquite, Midlothian, Murphy, Newark, Nocona, North Richland Hills, Northlake, Oakleaf, Ovilla, Palestine, Pantego, Paris, Parker, Pecan Hill, Petrolia, Plano, Ponder, Pottsboro, Prosper, Quitman, Red Oak, Reno (Parker County), Richardson, Richland, Richland Hills, Roanoke, Robinson, Rockwall, Roscoe, Rowlett, Royse City, Sachse, Saginaw, Sansom Park, Seagoville, Sherman, Snyder, Southlake, Springtown, Stamford, Stephenville, Sulphur Springs, Sweetwater, Temple, Terrell, The Colony, Trophy Club, Tyler, University Park, Venus, Vernon, Waco, Watauga, Waxahachie, Westlake, White Settlement, Whitesboro, Wichita Falls, Woodway, and Wylie.

WHEREAS, on February 28, 2014, Atmos filed with the ACSC Cities an application, hereinafter referred to as the 2014 RRM filing, to adjust rates pursuant to Rider RRM - Rate Review Mechanism, which were subsequently consolidated into GUD No. 10359 at the Railroad Commission of Texas; and

WHEREAS, on February 27, 2015, Atmos filed with the ACSC Cities an application, hereinafter referred to as the 2015 RRM filing, to adjust rates pursuant to Rider RRM - Rate Review Mechanism; and

WHEREAS, the Settlement Agreement resolves all issues between Atmos and ACSC ("the Signatories") regarding the 2014 RRM filing, which is currently pending before the Commission, and the 2015 RRM filing, which is currently pending before the ACSC Cities, in a manner that the Signatories believe is consistent with the public interest, and the Signatories represent diverse interests; and

WHEREAS, the Signatories believe that the resolution of the issues raised in the 2014 RRM filing and the 2015 RRM filing can best be accomplished by each ACSC City approving this Settlement Agreement and the rates, terms and conditions reflected in the tariffs attached to this Settlement Agreement as Exhibit A;

NOW, THEREFORE, in consideration of the mutual agreements and covenants established herein, the Signatories, through their undersigned representatives, agree to the

following Settlement Terms as a means of fully resolving all issues between Atmos and the ACSC Cities involving the 2014 RRM filing and 2015 RRM filing:

Settlement Terms

1. Upon the execution of this Settlement Agreement, the ACSC Cities will approve an ordinance or resolution to approve the Settlement Agreement and implement the rates, terms and conditions reflected in the tariffs attached to the Settlement Agreement as Exhibit A. (Attachment A to the Ordinance ratifying the Agreement). Said tariffs should allow Atmos to recover annually an additional $65.7 million in revenue over the amount allowed under currently approved rates by implementation of rates shown in the proof of revenues attached as Exhibit B. (Attachment B to the Ordinance ratifying this Agreement). The uniform implementation of gas rates, terms and conditions established by the Settlement Agreement shall be effective for bills rendered on or after June 1, 2015. Consistent with the City's authority under Section 103.001 of the Texas Utilities Code, the Settlement Agreement represents a comprehensive settlement of gas utility rate issues affecting the rates, operations and services offered by Atmos within the municipal limits of the ACSC Cities arising from Atmos' 2014 RRM filing and 2015 RRM filing. No refunds of charges billed to customers by Atmos under the RRM in past periods shall be owed or owing.

2. In an effort to streamline the regulatory review process, Atmos and the ACSC Cities have agreed to renew the Rate Review Mechanism ("Rider RRM") for a period commencing with the Company's March 1, 2016 filing under this mechanism for the calendar year 2015, effective June 1, 2016, and continuing thereafter until such time as either the ACSC Cities issue an ordinance stating a desire to discontinue the operation of the tariff or Atmos files a Statement of Intent. Atmos and the ACSC Cities further agree that the RRM tariff shall remain in effect until such time as new, final rates are established for Atmos. Upon approval of this Settlement Agreement by the ACSC Cities, Atmos shall file an updated RRM Tariff with each city reflecting the provisions of this agreement.

3. Atmos and the ACSC Cities agree that rate base as of December 31, 2014 in the amount of $1,955,948,256 is just and reasonable and shall be recovered in rates.

4. Atmos and the ACSC Cities agree that a pension and other postemployment benefits balance as of December 31, 2014 in the amount of $18,284,949 is just and reasonable and shall be used as the beginning balance for purposes of determining pension and other postemployment benefits to be recovered in the next RRM filing (Attachment D to the Ordinance ratifying the Agreement).

5. With regard to the treatment of Atmos' Rule 8.209 regulatory asset under the RRM, Atmos and the ACSC Cities agree to the following with respect to any pending and future RRM filings:

    a. the capital investment in the Rule 8.209 regulatory asset in the 2014 RRM filing and 2015 RRM filing is reasonable and consistent with the requirements of Rule 8.209;

b. the classification of projects included in the Rule 8.209 regulatory asset in the 2014 RRM filing and 2015 RRM filing is reasonable and consistent with the requirements of Rule 8.209 and shall serve as a basis for classification of projects in future RRM filings;

c. the treatment of blanket replacement projects, system upgrades, relocations, and transmission line replacements in the Rule 8.209 regulatory asset in the 2014 RRM filing and 2015 RRM filing is reasonable and consistent with the requirements of Rule 8.209 and shall be included in future RRM filings.

d. the incurred expenses included in the Rule 8.209 regulatory asset in the 2014 RRM and the 2015 RRM are reasonable and consistent with the requirements of Rule 8.209 and shall be included in future RRM filings;

e. interest on the Rule 8.209 regulatory asset account shall be calculated using the pre-tax cost of capital most recently approved by the Commission. The use of the pre-tax cost of capital is consistent with Rule 8.209. A return on Rule 8.209 capital investment is only earned once the investment is included in rate base. No change in the Company's calculation of the interest component in its Rule 8.209 regulatory asset accounts is warranted through the period ended May 31, 2015. Beginning June 1, 2015, interest expense shall be calculated monthly using simple interest (*i.e.* 11.49% divided by 12, or approximately 0.96% per month) applied to the total value of the Rule 8.209 asset investment (exclusive of interest) until such time the Rule 8.209 regulatory asset is approved for inclusion in the Company's rate base.

f. While Atmos and the ACSC Cities agree to apply the treatments and methodologies set forth in this paragraph, subsections (a) – (e) in all future RRM filings, the regulatory authority retains its right to disallow any capital investment that is not shown to be prudently incurred, and any expense not shown to be reasonable and necessary, in future RRM filings.

g. Atmos and the ACSC Cities acknowledge that their agreement regarding the treatment and methodologies applicable to Rule 8.209 capital investments under the RRM tariff shall not prejudice the right of either party to argue for different treatments or methodologies in a future statement of intent proceeding.

6. Revenues approved pursuant to Paragraph 1 of the Settlement Agreement include reimbursement of rate case expenses owed to the ACSC Cities in connection with the 2014 RRM filing.

7. The Signatories agree that each ACSC city shall approve this Settlement Agreement and adopt an ordinance or resolution to implement for the ACSC Cities the rates, terms, and conditions reflected in the tariffs attached to the Settlement Agreement as Exhibit A. Atmos and ACSC further agree that at such time as all of the ACSC Cities have passed an ordinance or resolution consistent with the Settlement and Atmos has received such ordinance or resolution, Atmos shall withdraw its appeal of the currently pending RRM filing before the Railroad Commission of Texas in connection with the 2014 RRM filing.

8. Atmos and the ACSC Cities further agree that the express terms of the Rider RRM are supplemental to the filing, notice, regulatory review, or appellate procedural process of the ratemaking provisions of Chapter 104 of the Texas Utilities Code. If the statute requires a mandatory action on behalf of the municipal regulatory authority or Atmos, the parties will follow the provisions of such statute. If the statute allows discretion on behalf of the municipal regulatory authority, the ACSC Cities agree that they shall exercise such discretion in such a way as to implement the provisions of the RRM tariff. If Atmos appeals an action or inaction of an ACSC City regarding an RRM filing to the Railroad Commission, the ACSC Cities agree that they will not oppose the implementation of interim rates or advocate the imposition of a bond by Atmos consistent with the RRM tariff. Atmos agrees that it will make no filings on behalf of its Mid-Tex Division under the provisions of Section 104.301 of the Texas Utilities code while the Rider RRM is in place. In the event that a regulatory authority fails to act or enters an adverse decision regarding the proposed annual RRM adjustment, the Railroad Commission of Texas shall have exclusive appellate jurisdiction, pursuant to the provisions of the Texas Utilities Code, to review the action or inaction of the regulatory authority exercising exclusive original jurisdiction over the RRM request. In addition, the Signatories agree that this Settlement Agreement shall not be construed as a waiver of the ACSC Cities' right to initiate a show cause proceeding or the Company's right to file a Statement of Intent under the provisions of the Texas Utilities Code.

9. The Signatories agree that the terms of the Settlement Agreement are interdependent and indivisible, and that if any ACSC city enters an order that is inconsistent with this Settlement Agreement, then any Signatory may withdraw without being deemed to have waived any procedural right or to have taken any substantive position on any fact or issue by virtue of that Signatory's entry into the Settlement Agreement or its subsequent withdrawal. If any ACSC city rejects this Settlement Agreement, then this Settlement Agreement shall be void *ab initio* and counsel for the ACSC Cities shall thereafter only take such actions as are in accordance with the Texas Disciplinary Rules of Professional Conduct.

10. The Signatories agree that all negotiations, discussions and conferences related to the Settlement Agreement are privileged, inadmissible, and not relevant to prove any issues associated with Atmos' 2014 RRM filing and 2015 RRM filing.

11. The Signatories agree that neither this Settlement Agreement nor any oral or written statements made during the course of settlement negotiations may be used for any purpose other than as necessary to support the entry by the ACSC Cities of an ordinance or resolution implementing this Settlement Agreement.

12. The Signatories agree that this Settlement Agreement is binding on each Signatory only for the purpose of settling the issues set forth herein and for no other purposes, and, except to the extent the Settlement Agreement governs a Signatory's rights and obligations for future periods, this Settlement Agreement shall not be binding or precedential upon a Signatory outside this proceeding.

13. The Signatories agree that this Settlement Agreement may be executed in multiple counterparts and may be filed with facsimile signatures.

Agreed to this 7 day of May, 2015.

ATMOS ENERGY CORP., MID-TEX DIVISION

MID-TEX DIVISION
ATMOS ENERGY CORPORATION

RRC Tariff No:

RATE SCHEDULE:	**C – COMMERCIAL SALES**	
APPLICABLE TO:	**ALL CUSTOMERS IN THE MID-TEX DIVISION EXCEPT THE CITY OF DALLAS AND UNINCORPORATED AREAS**	
EFFECTIVE DATE:	**Bills Rendered on or after 06/01/2015**	**PAGE:**

Application
Applicable to Commercial Customers for all natural gas provided at one Point of Delivery and measured through one meter and to Industrial Customers with an average annual usage of less than 30,000 Ccf.

Type of Service
Where service of the type desired by Customer is not already available at the Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished.

Monthly Rate
Customer's monthly bill will be calculated by adding the following Customer and Ccf charges to the amounts due under the riders listed below:

Charge	Amount
Customer Charge per Bill	$ 40.00 per month
Rider CEE Surcharge	$ 0.00 per month[1]
Total Customer Charge	$ 40.00 per month
Commodity Charge – All Ccf	$ 0.08020 per Ccf

Gas Cost Recovery: Plus an amount for gas costs and upstream transportation costs calculated in accordance with Part (a) and Part (b), respectively, of Rider GCR.

Weather Normalization Adjustment: Plus or Minus an amount for weather normalization calculated in accordance with Rider WNA.

Franchise Fee Adjustment: Plus an amount for franchise fees calculated in accordance with Rider FF. Rider FF is only applicable to customers inside the corporate limits of any incorporated municipality.

Tax Adjustment: Plus an amount for tax calculated in accordance with Rider TAX.

Surcharges: Plus an amount for surcharges calculated in accordance with the applicable rider(s).

Agreement
An Agreement for Gas Service may be required.

Notice
Service hereunder and the rates for services provided are subject to the orders of regulatory bodies having jurisdiction and to the Company's Tariff for Gas Service.

1 Reference Rider CEE - Conservation And Energy Efficiency as approved in GUD 10170. Surcharge billing effective July 1, 2014.

RATE SCHEDULE:	**I – INDUSTRIAL SALES**	
APPLICABLE TO:	**ALL CUSTOMERS IN THE MID-TEX DIVISION EXCEPT THE CITY OF DALLAS AND UNINCORPORATED AREAS**	
EFFECTIVE DATE:	**Bills Rendered on or after 06/01/2015**	**PAGE:**

Application
Applicable to Industrial Customers with a maximum daily usage (MDU) of less than 3,500 MMBtu per day for all natural gas provided at one Point of Delivery and measured through one meter. Service for Industrial Customers with an MDU equal to or greater than 3,500 MMBtu per day will be provided at Company's sole option and will require special contract arrangements between Company and Customer.

Type of Service
Where service of the type desired by Customer is not already available at the Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished.

Monthly Rate
Customer's monthly bill will be calculated by adding the following Customer and MMBtu charges to the amounts due under the riders listed below:

Charge	Amount
Customer Charge per Meter	$ 700.00 per month
First 0 MMBtu to 1,500 MMBtu	$ 0.2937 per MMBtu
Next 3,500 MMBtu	$ 0.2151 per MMBtu
All MMBtu over 5,000 MMBtu	$ 0.0461 per MMBtu

Gas Cost Recovery: Plus an amount for gas costs and upstream transportation costs calculated in accordance with Part (a) and Part (b), respectively, of Rider GCR.

Franchise Fee Adjustment: Plus an amount for franchise fees calculated in accordance with Rider FF. Rider FF is only applicable to customers inside the corporate limits of any incorporated municipality.

Tax Adjustment: Plus an amount for tax calculated in accordance with Rider TAX.

Surcharges: Plus an amount for surcharges calculated in accordance with the applicable rider(s).

Curtailment Overpull Fee
Upon notification by Company of an event of curtailment or interruption of Customer's deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailment or interruption, pay Company 200% of the midpoint price for the Katy point listed in *Platts Gas Daily* published for the applicable Gas Day in the table entitled "Daily Price Survey."

Replacement Index
In the event the "midpoint" or "common" price for the Katy point listed in *Platts Gas Daily* in the table entitled "Daily Price Survey" is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.

EFFECTIVE DATE:	Bills Rendered on or after 06/01/2015	PAGE:

Application
Applicable, in the event that Company has entered into a Transportation Agreement, to a customer directly connected to the Atmos Energy Corp., Mid-Tex Division Distribution System (Customer) for the transportation of all natural gas supplied by Customer or Customer's agent at one Point of Delivery for use in Customer's facility.

Type of Service
Where service of the type desired by Customer is not already available at the Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished.

Monthly Rate
Customer's bill will be calculated by adding the following Customer and MMBtu charges to the amounts and quantities due under the riders listed below:

Charge	Amount
Customer Charge per Meter	$ 700.00 per month
First 0 MMBtu to 1,500 MMBtu	$ 0.2937 per MMBtu
Next 3,500 MMBtu	$ 0.2151 per MMBtu
All MMBtu over 5,000 MMBtu	$ 0.0461 per MMBtu

Upstream Transportation Cost Recovery: Plus an amount for upstream transportation costs in accordance with Part (b) of Rider GCR.

Retention Adjustment: Plus a quantity of gas as calculated in accordance with Rider RA.

Franchise Fee Adjustment: Plus an amount for franchise fees calculated in accordance with Rider FF. Rider FF is only applicable to customers inside the corporate limits of any incorporated municipality.

Tax Adjustment: Plus an amount for tax calculated in accordance with Rider TAX.

Surcharges: Plus an amount for surcharges calculated in accordance with the applicable rider(s).

Imbalance Fees
All fees charged to Customer under this Rate Schedule will be charged based on the quantities determined under the applicable Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.

Monthly Imbalance Fees
Customer shall pay Company the greater of (i) $0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest "midpoint" price for the Katy point listed in *Platts Gas Daily* in the table entitled "Daily Price Survey" during such month, for the MMBtu of Customer's monthly Cumulative Imbalance, as defined in the applicable Transportation Agreement, at the end of each month that exceeds 10% of Customer's receipt quantities for the month.

RIDER:	**WNA – WEATHER NORMALIZATION ADJUSTMENT**	
APPLICABLE TO:	**ALL CUSTOMERS IN THE MID-TEX DIVISION EXCEPT THE CITY OF DALLAS AND UNINCORPORATED AREAS**	
EFFECTIVE DATE:	**Bills Rendered on or after 11/01/2015**	**PAGE:**

Provisions for Adjustment

The Commodity Charge per Ccf (100 cubic feet) for gas service set forth in any Rate Schedules utilized by the cities of the Mid-Tex Division service area for determining normalized winter period revenues shall be adjusted by an amount hereinafter described, which amount is referred to as the "Weather Normalization Adjustment." The Weather Normalization Adjustment shall apply to all temperature sensitive residential and commercial bills based on meters read during the revenue months of November through April. The five regional weather stations are Abilene, Austin, Dallas, Waco, and Wichita Falls.

Computation of Weather Normalization Adjustment

The Weather Normalization Adjustment Factor shall be computed to the nearest one-hundredth cent per Ccf by the following formula:

$$WNAF_i = R_i \frac{(HSF_i \times (NDD-ADD))}{(BL_i + (HSF_i \times ADD))}$$

Where

i = any particular Rate Schedule or billing classification within any such particular Rate Schedule that contains more than one billing classification

$WNAF_i$ = Weather Normalization Adjustment Factor for the i^{th} rate schedule or classification expressed in cents per Ccf

R_i = Commodity Charge rate of temperature sensitive sales for the i^{th} schedule or classification.

HSF_i = heat sensitive factor for the i^{th} schedule or classification divided by the average bill count in that class

NDD = billing cycle normal heating degree days calculated as the simple ten-year average of actual heating degree days.

ADD = billing cycle actual heating degree days.

Bl_i = base load sales for the i^{th} schedule or classification divided by the average bill count in that class

The Weather Normalization Adjustment for the jth customer in ith rate schedule is computed as:

$WNA_i = WNAF_i \times q_{ij}$

Where q_{ij} is the relevant sales quantity for the jth customer in ith rate schedule.

Weather Normalization Adjustment (WNA) Report

On or before June 1 of each year, the company posts on its website at atmosenergy.com/mtx-wna, in Excel format, a *Weather Normalization Adjustment (WNA) Report* to show how the company calculated its WNAs factor during the preceding winter season. Additionally, on or before June 1 of each year, the company files one hard copy and a Excel version of the *WNA Report* with the Railroad Commission of Texas' Gas Services Division, addressed to the Director of that Division.

RATE SCHEDULE:	**C – COMMERCIAL SALES**	
APPLICABLE TO:	**ALL CUSTOMERS IN THE MID-TEX DIVISION EXCEPT THE CITY OF DALLAS AND UNINCORPORATED AREAS**	
EFFECTIVE DATE:	**Bills Rendered on or after 06/01/2015**	**PAGE:**

Application
Applicable to Commercial Customers for all natural gas provided at one Point of Delivery and measured through one meter and to Industrial Customers with an average annual usage of less than 30,000 Ccf.

Type of Service
Where service of the type desired by Customer is not already available at the Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished.

Monthly Rate
Customer's monthly bill will be calculated by adding the following Customer and Ccf charges to the amounts due under the riders listed below:

Charge	Amount
Customer Charge per Bill	$ 40.00 per month
Rider CEE Surcharge	$ 0.00 per month[1]
Total Customer Charge	$ 40.00 per month
Commodity Charge – All Ccf	$ 0.08020 per Ccf

Gas Cost Recovery: Plus an amount for gas costs and upstream transportation costs calculated in accordance with Part (a) and Part (b), respectively, of Rider GCR.

Weather Normalization Adjustment: Plus or Minus an amount for weather normalization calculated in accordance with Rider WNA.

Franchise Fee Adjustment: Plus an amount for franchise fees calculated in accordance with Rider FF. Rider FF is only applicable to customers inside the corporate limits of any incorporated municipality.

Tax Adjustment: Plus an amount for tax calculated in accordance with Rider TAX.

Surcharges: Plus an amount for surcharges calculated in accordance with the applicable rider(s).

Agreement
An Agreement for Gas Service may be required.

Notice
Service hereunder and the rates for services provided are subject to the orders of regulatory bodies having jurisdiction and to the Company's Tariff for Gas Service.

1 Reference Rider CEE - Conservation And Energy Efficiency as approved in GUD 10170. Surcharge billing effective July 1, 2014.

RATE SCHEDULE:	**I – INDUSTRIAL SALES**	
APPLICABLE TO:	**ALL CUSTOMERS IN THE MID-TEX DIVISION EXCEPT THE CITY OF DALLAS AND UNINCORPORATED AREAS**	
EFFECTIVE DATE:	**Bills Rendered on or after 06/01/2015**	**PAGE:**

Application
Applicable to Industrial Customers with a maximum daily usage (MDU) of less than 3,500 MMBtu per day for all natural gas provided at one Point of Delivery and measured through one meter. Service for Industrial Customers with an MDU equal to or greater than 3,500 MMBtu per day will be provided at Company's sole option and will require special contract arrangements between Company and Customer.

Type of Service
Where service of the type desired by Customer is not already available at the Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished.

Monthly Rate
Customer's monthly bill will be calculated by adding the following Customer and MMBtu charges to the amounts due under the riders listed below:

Charge	Amount
Customer Charge per Meter	$ 700.00 per month
First 0 MMBtu to 1,500 MMBtu	$ 0.2937 per MMBtu
Next 3,500 MMBtu	$ 0.2151 per MMBtu
All MMBtu over 5,000 MMBtu	$ 0.0461 per MMBtu

Gas Cost Recovery: Plus an amount for gas costs and upstream transportation costs calculated in accordance with Part (a) and Part (b), respectively, of Rider GCR.

Franchise Fee Adjustment: Plus an amount for franchise fees calculated in accordance with Rider FF. Rider FF is only applicable to customers inside the corporate limits of any incorporated municipality.

Tax Adjustment: Plus an amount for tax calculated in accordance with Rider TAX.

Surcharges: Plus an amount for surcharges calculated in accordance with the applicable rider(s).

Curtailment Overpull Fee
Upon notification by Company of an event of curtailment or interruption of Customer's deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailment or interruption, pay Company 200% of the midpoint price for the Katy point listed in *Platts Gas Daily* published for the applicable Gas Day in the table entitled "Daily Price Survey."

Replacement Index
In the event the "midpoint" or "common" price for the Katy point listed in *Platts Gas Daily* in the table entitled "Daily Price Survey" is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.

APPLICABLE TO:	ALL CUSTOMERS IN THE MID-TEX DIVISION EXCEPT THE CITY OF DALLAS AND UNINCORPORATED AREAS	
EFFECTIVE DATE:	Bills Rendered on or after 06/01/2015	PAGE:

Application
Applicable, in the event that Company has entered into a Transportation Agreement, to a customer directly connected to the Atmos Energy Corp., Mid-Tex Division Distribution System (Customer) for the transportation of all natural gas supplied by Customer or Customer's agent at one Point of Delivery for use in Customer's facility.

Type of Service
Where service of the type desired by Customer is not already available at the Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished.

Monthly Rate
Customer's bill will be calculated by adding the following Customer and MMBtu charges to the amounts and quantities due under the riders listed below:

Charge	Amount
Customer Charge per Meter	$ 700.00 per month
First 0 MMBtu to 1,500 MMBtu	$ 0.2937 per MMBtu
Next 3,500 MMBtu	$ 0.2151 per MMBtu
All MMBtu over 5,000 MMBtu	$ 0.0461 per MMBtu

Upstream Transportation Cost Recovery: Plus an amount for upstream transportation costs in accordance with Part (b) of Rider GCR.

Retention Adjustment: Plus a quantity of gas as calculated in accordance with Rider RA.

Franchise Fee Adjustment: Plus an amount for franchise fees calculated in accordance with Rider FF. Rider FF is only applicable to customers inside the corporate limits of any incorporated municipality.

Tax Adjustment: Plus an amount for tax calculated in accordance with Rider TAX.

Surcharges: Plus an amount for surcharges calculated in accordance with the applicable rider(s).

Imbalance Fees
All fees charged to Customer under this Rate Schedule will be charged based on the quantities determined under the applicable Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.

Monthly Imbalance Fees
Customer shall pay Company the greater of (i) $0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest "midpoint" price for the Katy point listed in *Platts Gas Daily* in the table entitled "Daily Price Survey" during such month, for the MMBtu of Customer's monthly Cumulative Imbalance, as defined in the applicable Transportation Agreement, at the end of each month that exceeds 10% of Customer's receipt quantities for the month.

APPLICABLE TO:	**ALL CUSTOMERS IN THE MID-TEX DIVISION EXCEPT THE CITY OF DALLAS AND UNINCORPORATED AREAS**	
EFFECTIVE DATE:	**Bills Rendered on or after 11/01/2015**	**PAGE:**

Provisions for Adjustment

The Commodity Charge per Ccf (100 cubic feet) for gas service set forth in any Rate Schedules utilized by the cities of the Mid-Tex Division service area for determining normalized winter period revenues shall be adjusted by an amount hereinafter described, which amount is referred to as the "Weather Normalization Adjustment." The Weather Normalization Adjustment shall apply to all temperature sensitive residential and commercial bills based on meters read during the revenue months of November through April. The five regional weather stations are Abilene, Austin, Dallas, Waco, and Wichita Falls.

Computation of Weather Normalization Adjustment

The Weather Normalization Adjustment Factor shall be computed to the nearest one-hundredth cent per Ccf by the following formula:

$$WNAF_i = R_i \frac{(HSF_i \times (NDD-ADD))}{(BL_i + (HSF_i \times ADD))}$$

Where

i = any particular Rate Schedule or billing classification within any such particular Rate Schedule that contains more than one billing classification

$WNAF_i$ = Weather Normalization Adjustment Factor for the i^{th} rate schedule or classification expressed in cents per Ccf

R_i = Commodity Charge rate of temperature sensitive sales for the i^{th} schedule or classification.

HSF_i = heat sensitive factor for the i^{th} schedule or classification divided by the average bill count in that class

NDD = billing cycle normal heating degree days calculated as the simple ten-year average of actual heating degree days.

ADD = billing cycle actual heating degree days.

Bl_i = base load sales for the i^{th} schedule or classification divided by the average bill count in that class

The Weather Normalization Adjustment for the jth customer in ith rate schedule is computed as:

$WNA_i = WNAF_i \times q_{ij}$

Where q_{ij} is the relevant sales quantity for the jth customer in ith rate schedule.

Weather Normalization Adjustment (WNA) Report

On or before June 1 of each year, the company posts on its website at atmosenergy.com/mtx-wna, in Excel format, a *Weather Normalization Adjustment (WNA) Report* to show how the company calculated its WNAs factor during the preceding winter season. Additionally, on or before June 1 of each year, the company files one hard copy and a Excel version of the *WNA Report* with the Railroad Commission of Texas' Gas Services Division, addressed to the Director of that Division.

MEALS on WHEELS
SENIOR SERVICES
of Rockwall County
950 Williams St
Bldg. C Ste. 200
Rockwall, TX 75087
972-771-9514

April 27, 2015

Dear Kristy Ashberry,

May is National Older Americans Month, a federally proclaimed annual celebration. Meals on Wheels Senior Services are honoring Rockwall County seniors, programs, and volunteers serving our elderly community. The National Theme this Year is: Get into the Act! Enclosed is the information from the Federal Website. Please submit two nominee's for an award for an outstanding senior who is making a difference in the senior community. Please call the office at:
972-771-9514 or send e-mail to:
rockwallmow@hotmail.com
We are having the proclamations and awards presented at a reception on Friday, May 22nd, at 1:00p.m. at the Rockwall County Library, 1215 Yellowjacket Lane, Rockwall, TX 75087. All elected officials or candidates for public office are invited to attend. Thank you for your time! The Seniors of Rockwall County really appreciate all your efforts.

Sincerely,

Margie VerHagen
Executive Director

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Honorable Mayor & City Council Members**

FROM: **Kristy Ashberry, City Secretary / Assistant to the City Manager**

DATE: **May 15, 2015**

SUBJECT: **Resolution Canvassing May 9, 2015 elections**

Included for Council action on the May 18 meeting agenda is a resolution canvassing the General (city council members) and Special (Charter amendments) elections. City Attorney Frank Garza has reviewed and approved of the resolution included in the meeting packet. Certificates of Election will be given and Oaths of Office administered for newly elected council members on June 1st.

CITY OF ROCKWALL

RESOLUTION NO. 15-17

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, CANVASSING THE RETURNS, INCLUDING THE RETURNS OF EARLY VOTING AND ELECTION DAY BALLOTS CAST IN CONNECTION THEREWITH, AND DECLARING THE RESULTS OF THE GENERAL AND SPECIAL ELECTIONS HELD ON THE 9TH OF MAY, 2015 FOR THE PURPOSE OF ELECTING A MAYOR AND THREE (3) COUNCIL MEMBERS - ONE (1) FOR PLACE 1, ONE (1) FOR PLACE 3, AND ONE (1) FOR PLACE 5, EACH FOR TWO (2) YEAR TERMS, AND FOR FILLING A ONE YEAR UNEXPIRED TERM FOR PLACE 2 AND FOR A SPECIAL ELECTION FOR THE PURPOSE OF SUBMITTING TO THE QUALIFIED VOTERS OF THE CITY OF ROCKWALL, TEXAS, FOR THE ADOPTION OR REJECTION OF, CERTAIN PROPOSED AMENDMENTS TO THE CITY CHARTER; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, on February 2, 2015, the City Council of the City of Rockwall, Texas (hereinafter referred to as the "City") passed and approved Resolution No. 15-04 which ordered a general election (hereinafter referred to as the "General Municipal Election") to be held on May 9, 2015, for the purpose of electing a Mayor and three Council Members, one (1) for Place 1, one (1) for Place 3, and one (1) for Place 5, each for two (2) year terms and a Special Election to fill a one year, unexpired term for Place 2; and

WHEREAS, on February 2, 2015, the City Council also passed and approved Resolution No. 15-05 which ordered a Special Election for the purpose of submitting to the qualified voters of the City, for the adoption or rejection of, certain proposed amendments to the City Charter, pursuant to the provisions of Section 9.004 of the Texas Local Government Code (the "Code"); and

WHEREAS, it is hereby found and determined that notice of said elections were duly given in the form, manner and time required by law, and that said elections were in all respects legally held and conducted in accordance with applicable laws of the State of Texas, including the proceedings calling and governing the holding of said elections; and

WHEREAS, the returns of said elections were duly and legally received by the Rockwall County Elections Administrator and submitted to the City of Rockwall for canvassing by the Rockwall City Council, and that a tabulation of the returns for each polling place for early voting and election day voting, as canvassed and tabulated by this governing body show **1,880** total ballots were cast, and each city council candidate received the following number of votes in the General Election (for Mayor, Place 1, Place 3, and Place 5) and Special Election (to fill a one-year vacancy for Place 2):

City Council, Mayor	Votes Cast	Percentages
Jim Pruitt	1,042	55.43%
Dennis Lewis	838	44.57%
City Council, Place 1		
David White	1,320	100.00%
City Council, Place 2		
John Hohenshelt	1,282	100.00%
City Council, Place 3		
Freddie Jackson	598	33.54%
Kevin Fowler	1,185	66.46%
City Council, Place 5		
Scott Milder	1,288	100.00%

WHEREAS, said returns also reflect the following results related to the Special Election that was held for consideration of certain amendments to the City Charter:

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. Incorporation of premises. That all of the above premises are found and determined to be true and correct and are incorporated into the body of this resolution as if copied in their entirety; and

Section 2. Confirmation of Vote Tabulations. That it is further found and determined that the results of the General Election, as canvassed and tabulated in the preamble of this resolution, reflect the expressed desires of the resident, qualified electors of the City; and

Section 3. Elected Officials; Terms of Office. That the duly elected members of the City Council of the City of Rockwall, elected May 9, 2015, for Mayor and Places 1, 2, 3, and 5, and the corresponding terms of office, subject to the taking of the oaths of office as required by the laws of the State of Texas, are as follows:

City Council, Mayor	TERMS
Jim Pruitt	Two (2) Years – ending May 2017
City Council, Place 1	
David White	Two (2) Years – ending May 2017
City Council, Place 2	
John Hohenshelt	One (1) Year – ending May 2016
City Council, Place 3	
Kevin Fowler	Two (2) Years – ending May 2017
City Council, Place 5	
Scott Milder	Two (2) Years – ending May 2017

Section 4. Adopted Charter Amendments. That the results of the Charter amendment ballot propositions, as canvassed and tabulated in the preamble of this resolution reflect the expressed desires of the resident, qualified voters of the City and that associated changes to the City Charter's language shall be adopted by entering an Order into the city records by way of passage of an ordinance adopted by the City Council; and

Section 5. Canvassing of Returns. That the City Council of the City of Rockwall, Texas has convened on Monday, May 18, 2015 during its regularly scheduled city council meeting to canvass the returns of the aforementioned elections in accordance with the Texas Election Code, that said meeting was open to the public as required by law, and that public notice of the time, place and purpose of said meeting was given as required by Chapter 551 of the Texas Government Code.

Section 6. Issuance of Certificates of Election. That the Mayor is hereby authorized and directed to execute and deliver Certificates of Election to the successful candidates elected during the May 9, 2015 General Municipal Election, as specified in Section 3 of this resolution; and

Section 7. Issuance of Canvass of General Municipal Election. That the Mayor is hereby authorized and directed to execute and deliver the Canvass of the General and Special Municipal Elections, a copy of which is attached hereto as "**Exhibit A"** of this resolution in accordance with the election laws of the State of Texas, and to take all other action necessary in connection therewith; and

Section 8. Severability. That should any part, section, subsection, paragraph, sentence, clause or phrase contained in this resolution be held to be unconstitutional or of no force and effect,

such holding shall not affect the validity of the remaining portion of this resolution, but in all respects said remaining portion shall be and remain in full force and effect; and

Section 9. Effective Date. That this resolution shall be in force and effect from and after its passage and it is accordingly so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 18th day of May, 2015.

Jim Pruitt, Mayor

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Honorable Mayor & City Council Members**

FROM: **Kristy Ashberry, City Secretary / Assistant to the City Manager**

DATE: **May 15, 2015**

SUBJECT: **Ordinance re: Order to Adopt Voter Approved Charter Amendments**

Included for Council consideration on the May 18 meeting agenda is an ordinance calling for an Order to be entered into the city records declaring that eight (8) amendments to the City Charter were approved by voters in the May 9, 2015 election and that the specific changes to the Charter are formally adopted by the City Council. City Attorney Frank Garza has indicated that passage of this ordinance is required by state law and has advised that only one reading of the ordinance caption is necessary. The full ordinance is being provided to the Council for review in the meeting packet and for consideration Monday night.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 15-___

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS ENTERING AN ORDER INTO THE CITY RECORDS DECLARING THAT A TOTAL OF EIGHT (8) HOME RULE CHARTER AMENDMENTS WERE APPROVED BY THE VOTERS OF THE CITY ON MAY 9, 2015, AND ARE HEREBY ADOPTED; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, on May 9, 2015, eight (8) proposed Home Rule Charter Amendments of the City of Rockwall were approved by a majority of the qualified voters of the municipality who voted at an election held for that purpose; and

WHEREAS, Section 9.005(b) of the Texas Local Government Code requires the City Council to enter an order in the records of the City declaring that the charter amendments were adopted in order for said charter amendments to take effect.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THAT:

SECTION 1. The Charter Amendments adopted by the voters of the City of Rockwall on May 9, 2015, and attached hereto as Exhibit "A", are hereby adopted; and

SECTION 2. The City Secretary is hereby ordered to record this ordinance in the permanent records of the City; and

SECTION 3. This ordinance constitutes an order which meets all of the requirements of Section 9.005(b) of the Texas Local Government Code; and

SECTION 4. Severability: If any portion of this Ordinance shall, for any reason, be declared invalid, the invalidity shall not affect the remaining provisions thereof.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 18th day of May, 2015.

ATTEST: **Jim Pruitt, Mayor**

Kristy Ashberry, City Secretary

APPROVED AS TO FORM:

Frank Garza, City Attorney

EXHIBIT A
(to Ordinance #15-___)

PROPOSITION ONE

Sec. 1.04 (3) Revised Charter Language: The City Council will establish a written policy governing extension of City services to all areas. Disannexation procedures ~~are provided in Section 42 of the Local Government code as presently written or hereafter amended. (Amended 1993)~~ *shall comply with the applicable provisions of the Texas Local Government Code.*

Sec. 3.04 (2) – Revised Charter Language: The Mayor Pro-Tem will be a Council member elected by the City Council at the first regular meeting after each election of Council members and/or Mayor. Should a vacancy occur, the unexpired term will be filled at the next regular council meeting after the occurrence of the vacancy. The Mayor Pro-Tem will act as Mayor during the disability or absence of the Mayor, and in this capacity will have the rights conferred upon the Mayor.

Sec. 3.05 (4) - Revised Charter Language: In the event of a vacancy in the office of the Mayor, the Mayor Pro-Tem must become the Mayor, thereby vacating his Council position. Within thirty days, vacancies in the Council, other than the Mayor, will be filled by a majority vote of the remaining ~~elected~~ members, ~~for the unexpired term only~~ *until the next regular City election*, and provided the successor will possess all qualifications for the position.

Sec. 3.08 (1) - Revised Charter Language: The City Council will hold at least one regular meeting each month and as many additional meetings as it deems necessary to transact the business of the City. The City Council will fix by ordinance the date and time of the regular meeting(s). Special meetings of the City Council will be held at the call of the Mayor*, City Manager* or a majority of the Council members upon provision of public notice in accordance with state law.

Sec 3.11 (3) - Revised Charter Language: A proposed ordinance, except as related to an emergency, budget, tax, public utility rate setting, *calling for an election to issue bonds, a public security authorization* or State or Federal requirement, must be read at two City Council meetings with at least one week between readings.

Sec. 4.02 (2) – Revised Charter Language to add to Section 4.02 (2):

(h) Schedule and oversee all City elections in accordance with the Texas Election Code and any other applicable law.

Sec. 4.04 (6) - Revised Charter Language: The City Attorney may be removed by a majority vote of the ~~elected~~ City Council.

Sec. 5.02 (f) - of the City Charter shall be DELETED in order to comply with newly adopted state law.

"~~*No employee of the City will continue in such position after filing for an elective office provided for in this Charter.*~~"

Sec. 7.15 (1) – Revised Charter Language**: "**The City Council may by ordinance, give the City Manager general authority to *procure and* contract for expenditure without further approval of the Council for all budgeted items not exceeding limits set by the Council *and the procurement conducted in accordance with state law*." All contracts for expenditures involving more than the set

limits must be expressly approved in advance by the Council. All contracts or purchases involving more than the limits set by the Council must be let to the lowest bidder whose submittal is among those responsive to the needs of the City after there has been opportunity for competitive bidding as provided by law or ordinance. The City Council, or City Manager ~~in such cases as he/she is authorized to contract for the City,~~ will have the right to reject any and all bids.

Sec. 7.16 (3) – Revised Charter Language: This prohibition will not be construed to prevent the making or authorizing of payments, or making of contracts for capital improvements to be financed wholly or partly by the issuance of bonds, time warrants, certificates of indebtedness, or certificates of obligation, or to prevent the making of any contract or lease providing for payments beyond the end of the fiscal year, providing that such action is made or approved by ~~ordinance~~ *City Council.*

Sec. 7.18 – Revised Charter Language: At the close of each fiscal year, and at such other times as may be deemed necessary, the City Council must call for an independent audit to be made of all accounts of the City by a certified public accountant. No more than ~~five~~ *four* consecutive annual audits must be completed by the same firm. The certified public accountant selected must have no personal interest, directly or indirectly in the financial affairs of the City or any of its officers. The report of audit, with the Auditor's recommendations will be made to the City Council. Upon completion of the audit, the ~~summary must be published~~ *complete audit and summary must* be immediately *posted on the City's website* ~~in the newspaper of record of the City~~ and copies of the audit placed on file in the City Secretary's office as a public record.

Sec. 11.13 (g) – Revised Charter Language: "Employee" will refer to any person who is employed and paid a salary by the City including those individuals on a part-time basis, but does not include City Council members, *uncompensated volunteers or independent contractors* ~~or members of the volunteer fire department~~.

Sec. 11.16 – This section shall be deleted in its entirety since the original Charter has been adopted and this transitional language has become obsolete.

PROPOSITION TWO

Sec. 3.06 (b) - Revised Charter Language: Appoint and remove the Municipal Judge *and Associate City Judge(s).*

Sec. 4.03 (3) - Revised Charter Language: ~~In the event of failure of the City Judge to perform his duties, the Mayor must act in his place and stead (and in the event of a vacancy, until a City Judge is appointed by the Council to fill the vacancy). If the Mayor acts as a City Judge, he/she must be compensated at the same salary, if any, as the City Judge for whom he/she is acting~~ T*he City Council may also appoint Associate City Judge(s) that meet the same qualifications as the City Judge of the Municipal Court who will work in the absence of the City Judge. Associate City Judge(s) will be appointed to a term of two years and may be appointed to additional consecutive terms upon completion of their term of office. The appointment of Associate City Judge(s) may be terminated\ by the City Council. The Associate City Judge(s) will receive compensation as may be determined by the City Council*.

PROPOSITION THREE

Sec. 5.04 (3) - Revised Charter Language: (3) Each newly elected person to the City Council shall be inducted into office at the first City Council meeting following the official canvassing of the election. At such meeting, the oath shall be administered in accordance with state law

PROPOSITION FOUR

Sec. 6.07 (1) - Revised Charter Language: Within ~~ten~~ *twenty-one* days after the petition is presented, the City Secretary must complete a certificate of sufficiency or insufficiency. Sufficiency must be determined by compliance with this Article.

PROPOSITION FIVE

Sec. 7.02 - Revised Charter Language: On or before the ~~first~~ *fifteenth* day of the eleventh month of the fiscal year, the City Manager must submit to the Council a budget for the ensuing fiscal year and an accompanying message

PROPOSITION SIX

Sec. 7.06 - Revised Charter Language: After public hearing, the Council must analyze the budget, making any additions or deletions which they feel appropriate, and must ~~, at least ten days prior to the beginning of the next fiscal year,~~ adopt the budget *prior to the beginning of the next fiscal year* by a favorable majority vote of the full membership of the Council. Should the City Council take no final action on or prior to such day, the current budget must be in force on a month to month basis until a new budget is adopted.

PROPOSITION SEVEN

Sec. 8.01 (5) – Revised Charter Language: Any member of a*ny City* board, commission or committee who is absent from three consecutive regular meetings without explanation acceptable to the City Council ~~a majority of the other members~~, *shall* ~~must~~ forfeit his position on the board, commission or committee *and be removed by the City Council.*

PROPOSITION EIGHT

Revised Charter Language:

Sec. 11.16 Disaster Clause

In case of disaster when a legal quorum of the elected City Council cannot otherwise be assembled due to multiple deaths or injuries, the surviving persons of the City Council, or highest surviving City elected official, if no elected official remains, within twenty-four (24) hours of such disaster, the City Manager shall appoint a Council to act during the emergency and call a City election as provided in the Texas Election Code, for election of a required quorum, if for good reasons it is known a quorum of the present City Council will never again meet. If City Manager is not available due to death or injury, the County Judge of Rockwall County shall appoint a Council to act during the emergency and call a City election as provided in the Texas Election Code, for election of a required quorum

City of Rockwall
The New Horizon

MEMORANDUM

TO: City Council

FROM: Robert LaCroix, Director of Planning & Zoning

DATE: May 26, 2015

SUBJECT: Comprehensive Plan Discussion

At the May 18, 2015 City Council meeting, the Council elected to have a work session item be placed on the June 1, 2015 meeting to discuss certain sections of the City's Comprehensive Plan as they relate to the residential development policies. The following residential policies were adopted originally in 2001:

1. General residential policies:

a. The City will encourage land use patterns that reflect the neighborhood concept. Support retail and open space (trails and parks) should be within convenient walking distance where possible.

b. All residential lots which are 16,000 s.f. or less should be served by an alley.

c. When residential properties abut a major collector or larger roadway, they should be designed in one of the following ways:

- Lots facing the thoroughfare should be a minimum of ½ acre in size and accommodate on-site parking for 5 vehicles and a turn-around;
- Lots should face an "eyebrow" off the thoroughfare; or
- The side of the lot should face onto the thoroughfare.
- Long, tall fences against the roadway should be avoided.

d. Medium density housing should generally be used where designated on the Land Use Plan, where it would be an extension or continuation of an existing medium density development, or as a buffer from commercial or higher density residential.

e. High density residential should be used as a transitional use from commercial (or existing retail) use, or where it will serve as a logical extension of an existing high density development.

f. Where residential uses in a Planned Development abut an existing residential development, the PD lots should be at least the same size as the existing lots or be buffered by open space, trails, walkways, natural screening or a roadway.

g. In developments where open space, trails and walkways, screening and other common areas are provided, the provision for maintenance of these areas may be required.

h. Existing surrounding conditions such as lot size, house styles and existing development patterns should be considered in conjunction with the current comprehensive plan to determine appropriate zoning.

i. At a minimum, new residential development shall be equal to or better than existing surrounding residential development.

j. All new residential development shall also incorporate the Comprehensive Plan policies adopted via Resolution No. 07-03 and attached hereto as Appendix "A."

(This section was added in the 2007 amendment to the Comprehensive Plan.)

In 2007 the Comprehensive Plan was amended to more clearly define the City's vision for residential development and to establish policies for higher standards for residential design. These amendments were intended to encourage large master planned neighborhoods with a mixture of uses and residential unit types on properties over 50 acres while preserving open space and creating walkability within the neighborhood to parks and other amenities. The following are some of the guidelines included in the amendment that address large planned developments:

a. "Encourage large master planned neighborhoods with a mixture of uses, unit types and lot sizes to create sustainable neighborhoods and to facilitate transitions between uses"

i. "The inclusion of a range of high quality, well-constructed and appropriately situated residential unit types should be part of all new larger developments"

"Provide for a mixture of uses and residential unit types in development, including a requirement of differing residential home type and size on properties over 50 acres"

Other policies included 20% open space for new residential subdivisions and allowing only 50% of the any floodplain to be counted toward the requirement in addition to providing for proximity to neighborhood oriented parks for residential lots under 12,000 square foot. Additionally, the amendment recommended establishing higher standards for design including anti-monotony policies, establishing higher standards for fences and subdivision perimeter fencing. Finally, the amendment recommended changing the Zoning Ordinance to establish the modified standards and to update the Zoning and Subdivision Ordinances to clarify the items in the amendment.

After the amendment in 2007, staff proceeded with the amendment to the Unified Development Code to adopt the recommendations into code. This was accomplished by amending the Planned Development section of the code. These amendments addressed the open space requirement; *"unless otherwise provided by the PD*

Ordinance, a minimum of twenty percent (20%) of the gross land area within the entire PD District shall be devoted to open space, except where floodplain exists in the proposed development in which case the dedicated floodplain shall be allowed to count for up to fifty percent (50%) of the twenty percent (20%) open space requirement… The density standards for residential use include the following:

- *Density standards for residential use. Unless otherwise provided by the PD ordinance, a residential planned development shall allow for a density greater than one unit per gross acre and up to two units per gross acre with a mixture of uses and residential unit size with no minimum lot size. The planned development zoning may be allowed based on the following:*

•Topographic conditions that will result in quality open space and building arrangements.
•Mix of unit types to accommodate elements of "life-cycle" housing.
•Amount and distribution of open space to enhance value-creation.
•The overall master plan and arrangement of buildings and uses.
•The property should be 50 acres or more in size to adequately accommodate the transition to surrounding development.

Additionally, in a residential planned development, a density up to 2.5 units per gross acre may be allowed with the dedication and/or development of additional amenities that would exceed the minimum standards for residential planned developments which could include:

•Parks and open space.
•Golf course.
•Neighborhood amenity/recreation center.
•Integration of schools into the community fabric.
•Development of trails and parks in floodplains.
•Development of municipal parks and recreation facilities.

The adoption of these standards into the Zoning Code (UDC) to correspond to the adopted recommendations of the Comprehensive Plan and the Future Land Use Plan essentially requires all residential development to be put into a Planned Development District. The only real option for “straight” zoning is the SF-1 (Single Family-One) District which has a density of one (1) unit per acre but still requires the 20% open space standard.

In the 2001 Comprehensive Plan, there is a recommendation, that developments with residential lots less than 16,000 square feet or less should be alley served, however the actual requirement for alleys in residential subdivisions is found in the Engineering Design Standards which is an appendix to the Subdivision Ordinance. This section states that:

2.11 Alleys and Alley Widths: Alleys shall be provided in all residential areas and shall be paved with concrete. No alley may be over 1,000 feet long. The City Council may waive the residential alley requirement upon determination by the Council, if it is in the best interest of the City…….

The City Council approval of Planned Development Districts without alleys is essentially waiving the Engineering requirement for alleys. Alley waivers have also been approved after zoning with the submittal of the preliminary plat.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **May 27, 2015**

SUBJECT: **Solid Waste Services Contract**

The City has been under our present contract addendum with Allied Waste (Republic Waste) for solid waste collection services since January 2010 which references the 2006 contract. Allied, previously known as Trinity and Laidlaw, has served the City since 1991. During this period, the City has at different times chosen to extend the contract and has last received sealed proposals in 2001. The contract states the City must give notice within 180 days of the expiration of the contract (by July 3, 2015) whether or not we intend to renew and extend the contract.

In years past, staff has conducted surveys to gauge customer satisfaction and customer complaints are tracked. The most recent solid waste survey was completed in 2010 and the most recent citizen survey was completed in 2012. The latter survey showed satisfaction with Allied's service reported to be 91%.

The current contract addendum allows for an additional five-year renewal. If the Council wishes to instead exercise the option to seek proposals then the process would be conducted over the next several months and a contract award made by Council in sufficient time to allow any necessary transition to take place prior to January 1.

Service levels have changed somewhat since the contract was signed. The garbage customer survey did show some interest on the part of residents to have polycarts. Since it was not a majority though Allied agreed to outfit their trucks in order to offer an optional polycart rental and optional recycling cart rental program. We currently have 13,055 residential household accounts of which 2,180 have elected polycarts and 633 recycling carts. The same twice per week collection service is provided with the optional program.

In past years, the Council has asked staff to conduct a survey of area city rates, service levels and customer satisfaction levels. If the Council desires we can conduct this survey again.

<u>Timeline</u>

Council will need to decide over the next several weeks whether to extend or to seek proposals. We could have an item to discuss on the June 15th agenda with Council making their decision that evening.

CONTRACT

THE STATE OF TEXAS

COUNTY OF ROCKWALL

KNOWN ALL MEN BY THESE PRESENTS:

The City of Rockwall, Texas, a municipal corporation of Rockwall County, Texas, hereinafter called "CITY," acting by and through Julie Couch, City Manager, and Allied Waste Services, Hutchins Texas, hereinafter called CONTRACTOR, acting by and through Jim Lattimore, District Manager, its duly authorized representative, do hereby covenant and agree as follows:

GRANT. For and in consideration of compliance by the CONTRACTOR with the covenants and conditions herein set forth, and the ordinances and regulations of the CITY governing the collecting and disposing of residential and commercial/industrial solid waste, and recyclable materials collection and processing the CITY hereby grants to the CONTRACTOR a non exclusive permit to use the public streets, alleys and thoroughfares within the Corporate Limits of the CITY for the purpose of engaging in the business of collecting and disposing of garbage and solid waste and recyclable materials collection and processing generated within the Corporate Limits of the CITY. CONTRACTOR shall conduct operations in accordance with all applicable federal, state, and local laws that exist at the time of the execution of this agreement and any additional laws, regulations, or requirements that may become effective during the term of this agreement. CONTRACTOR shall be responsible for obtaining any permits or licenses required to fulfill its obligations under this agreement.

As compensation for the use of the City's streets and alleys, the CITY shall withhold the sum of five (5) percent (%) of the gross monthly revenues due the CONTRACTOR as a result of this contract for residential, brush/bulky, and residential recycling services. For purposes of this contract gross revenues shall be defined as the payments made by the CITY for residential, brush/bulky, residential recycling services; plus payments received by the CONTRACTOR for all commercial hand collection and commercial/industrial services. Additionally, the Contractor shall remit $20.00 per ton per month recycling rebate based on the tonnage of residential recycling materials processed at the Materials Recycling Facility.

CITY shall deduct street use fees from invoice due CONTRACTOR. CONTRACTOR will remit to the CITY by the twentieth (20th) day of the following month the commercial/industrial street use fee and recycling rebates. Failure to pay the street use fee or recycling rebate on or before the due date shall result in a penalty of ten percent (10%) of the amount due being added to the required payment.

In addition, CONTRACTOR shall annually provide CITY a remittance of ten thousand dollars ($10,000) for the Downtown Improvement Project or other such projects as the CITY shall deem appropriate. The said sum is to be provided to CITY no later than March 1of each calendar year.

CONTRACTOR shall provide by March 1 of each calendar year one - two thousand dollars ($2,000) scholarship funds to the Rockwall High School, general scholarship fund.

TERM. The term of service shall be five (5) years, beginning January 3, 2006, with one (1) five-year renewal option pending agreement of both parties. Should either the CITY or CONTRACTOR elect not to renew and extend the contract for an additional five year period, notice must be given, by certified mail (return receipt requested) to the other party in writing not less than 180 days prior to the expiration of the Contract. The other party must respond, in writing, at least 150 days prior to contract expiration and indicate its willingness to renew. If neither party has made notification 180 days prior to the expiration of the contract, the contract will renew for a subsequent five year term.

NON-WAIVER OF POWERS. This Contract shall not be taken or held to imply the relinquishment or waiver by the CITY of its power to make future reasonable requirements or regulations. The CITY hereby expressly reserves the right to make all regulations which may be necessary to properly secure the safety, welfare, and accommodation of the public including, among other things, the right to adopt and enforce regulations to protect and promote the

health and general welfare of the public from danger and inconvenience in the management and operation of garbage and waste disposal, and to provide such service as is contemplated by this Contract.

NON-WAIVER OF REGULATIONS. Nothing herein contained shall constitute a waiver of any of the requirements of the rules and regulations heretofore adopted by the CITY, including the right to make such changes and amendments of said rules and regulations as said CITY may deem to be advisable and necessary to protect the public health and general welfare of its inhabitants.

SCOPE AND NATURE OF OPERATION. It is expressly agreed and understood that the CONTRACTOR shall collect and deliver for disposal all garbage, brush and limbs, and bulky items from residences, commercial establishments, and construction sites which are generated within the CITY as outlined in Exhibit B. The CONTRACTOR is not required to collect any hazardous or special waste, or any other materials specifically prohibited from disposal in a Type I Landfill, as defined by the Texas Commission on Environmental Quality. CONTRACTOR shall also collect, and deliver for recycling all recyclable products placed in specified containers. The recycling containers shall be provided by the CONTRACTOR at its own expense to all recycling customers. CONTRACTOR shall, at its own expense, furnish personnel and equipment to collect garbage, solid waste, brush and bulky waste, and recyclable goods, and will establish and maintain, in an efficient and business-like manner, such scheduled routes and special schedules as may be necessary to fulfill the solid waste service requirements of the CITY. Initial routes and any changes in residential routes or collection schedules must be approved by the City Manager. Ten days written notice shall be given by CONTRACTOR to all affected residences when route changes are made. The CONTRACTOR shall provide for the solicitation and servicing of commercial/industrial customers and in its solicitation shall recommend schedules of service to said customers. Unless otherwise established by ordinance, commercial collection schedules shall be determined by the CONTRACTOR based upon negotiation with the customers.

RESIDENTIAL HAZARDOUS WASTE COLLECTION PROGRAM. The CITY annually enters into a separate agreement with a licensed hazardous waste collection and disposal company to provide residential hazardous waste cleanup service to its customers. CONTRACTOR shall provide to the CITY, at the CITY's request, a list of licensed hazardous waste collection and disposal companies who will provide this type of service to the CITY.

SURETY AND CANCELLATION. CONTRACTOR will furnish a performance bond as security for the faithful performance of this contract. Said performance bond must be in an amount equal to One Hundred Percent (100%) of the annual contract amount annually during the five (5) year term of the contract. The CONTRACTOR shall pay premium for the bonds described above. A certificate from the surety showing that the bond premiums are paid in full shall accompany the bond on an annual basis. The surety on the bond shall be a duly authorized corporate surety to do business in the State of Texas.

If at any time CONTRACTOR fails to substantially perform terms, covenants of conditions herein set forth, CITY shall notify CONTRACTOR by registered or certified mail addressed to CONTRACTOR at the address set forth herein of specific reasons in support of CITY'S claim that CONTRACTOR has substantially breached the terms and provisions of this Contract. CONTRACTOR shall be allowed a thirty-(30) day period from the date of receipt of said notice from CITY to remedy any failure to perform.

Should CONTRACTOR fail to remedy its performance, after a hearing described herein, CITY may terminate this contract and the rights and privileges granted to CONTRACTOR herein. A notice shall be sent to CONTRACTOR no earlier than ten (10) days before a hearing is scheduled. The notice shall specify the time and place of the hearing and shall include the specific reasons in support of CITY's claim that CONTRACTOR has substantially breached the terms and provisions of the Contract. Should CITY still deem CONTRACTOR to have failed in its performance, said hearing shall be conducted in public by the City Council and CONTRACTOR shall be allowed to be present and shall be given full opportunity to answer such claims as are set out against it in the aforesaid notice. If, after said public hearing, the City Council makes a finding that CONTRACTOR has failed to provide adequate refuse collection service for CITY, or has otherwise substantially failed to perform its duties hereunder, the City Council may terminate this Contract.

RATE ADJUSTMENTS. The rates presented in the Proposal shall not be subject to change until the end of each consecutive year of the contract period, commencing January 1, 2007, nor thereafter more often than once per year. No rate adjustment can take place without prior consent of the City Council. The CONTRACTOR shall notify the CITY's Director of Finance in writing 60 days prior to any desired rate increase adjustment. Council action on rates shall occur only after a full review of any or all of the CONTRACTOR's financial or other data that the CITY deems necessary to make a determination of the need for a rate increase.

Base rate adjustments will be considered by the CITY no more than once per year during the life of the contract. The change in the rate shall not exceed 85% of the Municipal Cost Index during each 12-month period (from October to September of each year) shall be used to adjust the HAULING portion of the Base Rate. The LANDFILL portion of the base rate shall be determined using the following formula:

Hauling Portion equals 70% of the Base Rate
Landfill Portion equals 30% of the Base Rate

The landfill portion of the Base Rate may be adjusted during October of each year to reflect any increase, or decrease, in the actual landfill cost for the waste collected as a result of this Contract. Documentation will be required to demonstrate the need for any change in the Landfill portion of the Base Rate. The CONTRACTOR shall also submit for review a comparison of landfill costs compared to other landfills in the area.

CONTRACTOR may request adjustment of the monthly rate of the Polycart program upon documentation of increased costs. At fifty percent (50%) participation, CITY and CONTRACTOR agree to review the rates and CONTRACTOR must demonstrate the need to continue the monthly fee over and above residential rates.

BILLING PAYMENTS. The CITY shall bill the Residential Hand Collect Units, and shall provide house counts to the CONTRACTOR on a monthly basis; Contractor will prepare invoicing based on the house count and submit to City by 8th of the month. Remittance by the CITY shall be made by the 20th of the month following the month service was rendered, by wire transfer. CONTRACTOR shall be entitled to payment for all services rendered, except for the street use fee mentioned in accordance with the GRANT section of this Contract.

CONTRACTOR shall quote rates for commercial and industrial services in compliance with the rates set forth in the franchise. CONTRACTOR shall bill commercial and industrial customers directly.

Condominium complexes with containerized service shall be treated as residential customers by the CITY and shall be included in the house count. The CONTRACTOR shall provide an adequate number of containers and pickups that will ensure the same level of service as residential customers. Any disputes concerning service level shall be settled solely at the CITY's discretion.

COMPLAINTS. At a minimum, the customer complaint procedure shall provide that the customer complaint shall be addressed within 24 hours of receipt of such complaint and CONTRACTOR shall be responsible for maintaining a log of complaints, and provide the CITY on a weekly basis, with copies of all complaints indicating the date and hour of the complaint, nature of the complaint, and the manner and timing of its resolution. Any missed pickups of residential refuse will be collected the same business day if notification to the CONTRACTOR is provided by 2:00 p.m. but not later than 12:00 p.m. the next business day if notification is provided after 2:00 p.m.

VEHICLE IDENTIFICATION AND MAINTENANCE. All motor vehicles used in performance of the obligations herein created shall be clearly marked with the CONTRACTOR's name, telephone number and unit number legible from 150 feet. No advertising shall be permitted on vehicles. All collection equipment shall be maintained in a first class, safe, and efficient working condition throughout the term of the Contract. Such vehicles shall be maintained and painted as often as necessary to preserve and present a well-kept appearance, and a regular preventative maintenance program. Vehicles shall be maintained in order to prevent the discharge of oils, fluids and lubricants from the vehicles. The CITY may inspect CONTRACTOR's vehicles at any time to insure compliance of equipment with Contract, or require equipment replacement schedule to be submitted to CITY. Vehicles are to be washed on the inside and sanitized with a suitable disinfectant and deodorant a minimum of once a month. Such vehicles shall be washed and painted or repainted as often as necessary to keep them in a neat and sanitary condition.

SERVICE TO CITY. Containerized service to facilities owned or operated by CITY shall be furnished by CONTRACTOR at no charge to CITY. These locations shall include Police/Courts Building, The Center, City Service Center, Fire Stations. In addition, the CONTRACTOR shall provide up to 20 roll-off boxes per year for city wide clean up events at no charge. Such events shall be planned by the CITY at its sole convenience and CONTRACTOR will be notified a minimum of 15 days in advance of the event.

REGULATION OF COMMERCIAL COLLECTION CONTAINERS. The CONTRACTOR shall provide, at his own expense, containers to the owner or occupant of any premises wherein he contracts for commercial storage and collection of solid waste, subject to the following requirements:

a) All such containers shall be constructed according to reasonable specifications which are acceptable to the CITY.

b) All such containers shall be equipped with suitable covers to prevent blowing or scattering of refuse or garbage while being transported for disposal of their contents.

c) All such containers shall be maintained by the CONTRACTOR so as to be in good repair and a sanitary condition.

d) All such containers shall be clearly marked with the CONTRACTOR's name and telephone number in letters not less than two inches (2") in height.

e) All such containers shall be placed in designated, screened areas, when available.

DISPOSAL OF SOLID WASTE. The CONTRACTOR agrees to dispose of all solid waste collected within the CITY at a sanitary landfill site permitted to accept such waste. CONTRACTOR shall attempt to maintain the lowest possible disposal cost during the term of this Agreement. Provided, however, that if the CONTRACTOR incurs increases in its disposal costs which are beyond its control and have an adverse effect on CONTRACTOR's ability to maintain a reasonable return for its service, then the CITY and CONTRACTOR agree that a rate adjustment will be reviewed as requested by CONTRACTOR. No adjustments may be made without the consent of the City Council and only after a full review. It is further agreed by the parties hereto that all charges for services provided herein may be adjusted at any time for any federal, state or local authority compliance with the approval of the City Council.

BOOKS AND RECORDS. The CITY and the CONTRACTOR agree to maintain at their respective places of business adequate books and records relating to the performance of their respective duties under the provisions of this Contract and such books and records shall be made available at any time during business hours for inspection by the other party, at the inspecting party's expense, upon reasonable advance notice.

REPORTING REQUIREMENTS: CONTRACTOR shall provide the CITY with quarterly reports within two (2) weeks of the end of the reporting period. Reports shall include tonnage of materials collected; number of commercial accounts showing type of container and number of times collected per month; number of complaints taken and the date and time complaints were resolved, recycling materials revenues, house counts for optional polycart program, etc. Penalties will be assessed by the CITY for failure to comply with the reporting deadline in the amount of $100 per day until the reporting is received.

The CITY may at any time and at its option, cause an audit, either formal or informal, to be made of that portion of CONTRACTOR's books and records representing the CITY's operation or any portion of its other operations which may be allocated or charged to the CITY operation. Both parties agree that the expense of such audit will be paid for by the CITY.

INDEMNIFICATION INSURANCE: The CONTRACTOR will indemnify and save harmless the CITY, its officers, and employees from and against any and all suits, actions, legal proceedings, claims, demands, damages, costs, expenses, and attorneys fees arising out of a willful or negligent act of CONTRACTOR, or any of its agents or employees. CONTRACTOR shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property, which may arise from or in conjunctions with the performance of the work hereunder by the CONTRACTOR, his agents, representatives, employees, or subcontractors. The cost of such insurance shall be borne by the CONTRACTOR and a Certificate of Insurance evidencing that such insurance has been procured and is in force will be forwarded to the CITY before commencement of work hereunder.

Minimum Limits of Insurance:

Type Coverage	Per Occurrence Minimum	Aggregate Minimum
Workers Compensation	As required by law and shall cover all employees including drivers.	As required by law
Comprehensive & General Public Liability	$1,000,000	$3,000,000
Property Damage	$1,000,000	$1,000,000
Comprehensive Auto Liability Bodily Injury	$1,000,000	
Comprehensive Auto Liability-Property Damage	$1,000,000	
Excess Liability	$5,000,000	$5,000,000

TRANSFERIBILITY OF AGREEMENT. Other than by operation of law, no assignment of the contract shall be made in whole or in part by the CONTRACTOR without the express written consent of the CITY, which consent shall not be unreasonably withheld; in the assignment, the assignee shall assume the liability of the CONTRACTOR. In the event CONTRACTOR assigns, transfers, sublets, conveys, or disposes of this Agreement without the prior consent of the City Council, the City may, at its discretion, terminate this Agreement.

BANKRUPTCY. This Contract shall terminate in the case of bankruptcy, voluntary or involuntary, or insolvency of the CONTRACTOR. In the case of bankruptcy, such termination shall take effect on the day and at the time the bankruptcy is filed and the CITY may invoke the terms of Paragraph 6 (b) of this agreement.

VENUE. This Agreement shall be considered consummated in Rockwall County, Texas. All actions brought hereunder shall be brought in Rockwall County, Texas.

MODIFICATION. This Agreement constitutes the entire Agreement and understanding between the parties hereto, and it shall not be considered modified, altered, changed, or amended in any respect unless modified by ordinance of the CITY as provided herein.

RIGHT TO REQUIRE PERFORMANCE. The failure of the CITY at any time to require performance by the CONTRACTOR of any provisions hereof shall in no way affect the rights of the CITY thereafter to enforce the same. Nor shall waiver by the CITY of any breach of any provisions hereof be taken or held to be a waiver of any provision itself.

ILLEGAL PROVISIONS. If any provision of this Agreement shall be declared illegal, void or unenforceable, the other provisions shall not be affected and shall remain in full force and effect.

NOTICES. Any notice required or permitted to be delivered, hereunder shall be in writing and shall be deemed to be delivered when deposited in the United States mail, postage prepaid, certified mail, return receipt requested, addressed to the respective part of the address set forth below:

If to the CITY:

City of Rockwall
385 South Goliad
Rockwall, Texas 75087
Attn: Director of Finance

If to the CONTRACTOR:

Allied Waste Services
1450 E. Cleveland Road
Hutchins, Texas 75141
Attn: General Manager

Or such other addresses as the parties may hereafter specify by written notice delivered in accordance herewith.

APPROVAL BY THE CITY. This Agreement shall not be considered fully executed nor binding on the CITY until the same shall have been executed by CONTRACTOR, the City Manager and the City Secretary.

EFFECTIVE DATE. This contract shall be effective the 3rd day of January, 2006.

CITY OF ROCKWALL

PERFORMANCE STANDARDS

I. General

A. Holidays: New Years
Thanksgiving Day
Christmas Day

CONTRACTOR may decide to observe any or all of the above-mentioned holidays by suspension or collection service on the holiday, but the CONTRACTOR must meet his obligation as required. NOTE: CONTRACTOR shall be responsible for providing make-up collection for residential routes that occur on specified holidays. Make-up days shall be the next collection day following the holiday. CONTRACTOR must notify CITY 3 weeks prior to holiday if CONTRACTOR is electing to collect garbage on listed holidays.

B. Notwithstanding anything herein to the contrary, CONTRACTOR shall not be liable for the failure to perform its duties if such failure is caused by a catastrophe, riot, war, governmental order or regulation, fire, Act of God, or other similar or different contingency beyond the reasonable control of CONTRACTOR.

II: Residential and Commercial Hand Collection

A. Schedule: Twice Weekly, with at least two days between pickups.
B. Hours of Operation: 7:00 a.m. - 6:00 p.m.
C. Placement: Curbside or in alleys, where available
D. Items For Collection:
1. Bags: Plastic sacks, designed to store refuse with sufficient wall strength to maintain physical integrity when lifted by the top. Total weight of a bag and its contents shall not exceed thirty-five (35) pounds.
2. Bundles: Tree, shrub and brush trimmings or newspapers and magazines securely tide together forming an easily handled package not exceeding four (4) feet in length, six (6) inches in diameter, or 50 lbs. in weight. Total amount of "bundles" material set out for collection each week (per home) shall not exceed two (2) cubic yards (6' x 3' x 3').

E. Polycart Service

CONTRACTOR will offer optional 95 gallon Polycarts to any household which elects the service, for a monthly fee of $3.50 per Polycart. The monthly fee will be billed and collected by CONTRACTOR. The monthly fee will be paid semi-annually, in advance of service.

III. Container (Refuse): A receptacle with a capacity of at least 18-20 gallons but less than 35 gallons constructed of plastic, metal or fiberglass, having handles of adequate strength for lifting. The mouth of a container shall have a diameter greater than or equal to that of the base.

IV. Spillage: Any spillage will be picked up immediately by CONTRACTOR.

V. Residential Recycling:

A. Schedule: Once weekly.

B. Hours of Operation: 7:00 a.m. - 6:00 p.m.

C. Placement: Curbside or in alleys, where available.

D. Items for Collections:

Newsprint
Magazines
Aluminum Beverage Cans
Steel/Tin Cans
HDPE & PET Plastic Bottles #1, #2

Materials may be added or deleted by mutual consent of the CITY and the CONTRACTOR.

The CONTRACTOR shall be responsible for transporting the recyclable materials to a processing site and must have established buyers or markets for the recyclables. The CONTRACTOR shall be required to identify the buyers of the recyclables upon request by the CITY. Recyclable materials collected for the purpose of recycling may not be deposited in any landfill.

The CONTRACTOR shall be solely responsible for the processing and marketing of all recyclable materials collected pursuant to the Contract.

VI. Residential Bulk Collection

A. Schedule: Twice Monthly during the weeks containing the first and third Wednesday.

B Hours of Operation: 7:00 a.m. - 6:00 p.m.

C. Placement: Curbside.

D. Items Collected:

1. Brush: Plants or grass clippings, leaves or tree trimmings. Brush waste shall be unlimited in quantity.

2. Bulky Wastes: Stoves, refrigerators which have CFC's removed by a certified technician, water tanks, washing machines, furniture, loose brush greater than four (4) inches in diameter that cannot be bundled in four (4) foot lengths and weights more than 50 lbs., and other waste materials. Bulky wastes shall be unlimited in cubic yards.

   Construction debris, dead animals, hazardous waste, or stable matter with weights or volumes greater than those allowed for containers will not be accepted as bulky waste and will not be picked up.

3. Bundle: Tree, shrub and brush trimmings or newspapers and magazines securely tied together forming an easily handled package not exceeding four (4) feet in length, six (6) inches in diameter, or 50 lbs. in weight. Total amount of "bundled" material set out for collection each week (per home) shall not exceed two (2) cubic yards (6' x 3" x 3").

VII. Commercial Hand Collection

A. A retail or light commercial type of business, which generates no more than one (1) cubic yard of refuse per week.

B. Customers with special circumstances limiting placement of a dumpster may also be eligible for hand collection service with the approval of the CITY. Any disputes regarding volume shall be determined by the CITY.

VIII. Commercial Container Collection

A. Container Size Available: 2 cu. Yd., 3 cu. yd., 4 cu. yd., 6 cu. yd., 8 cu. yd., Roll offs: 20 cu. yd., 30 cu. yd., 40 cu. yd., 42 cu. yd.

Compactors: 30 cu. yd., 35 cu. yd, and 40/42 cu. yd.

B. Schedules Available: One to Six times weekly

C. Hours of Operation: 7:00 a.m. - 6:00 p.m.

D. New Service: Requests for new service will be filled within three working days.

E. Extra Collections: If notified by 12:00 noon of service day, extra pick up will be performed that day. After 12:00 noon, pick up may be made the next day.

F. Blocked Containers: If access to a container is blocked, the driver will radio CONTRACTOR's dispatcher. A call will be placed to the location describing the obstruction. The driver will wait until the customer is contacted and the obstruction cleared. If not cleared, the driver will proceed on route. Customer may call in for an extra pick up, if desired, when access is clear.

G. Overfilled Containers: Container will not be emptied if a safety hazard exists. Customer will be contacted to remove excess. The pick up will be rescheduled when excess refuse has been removed.

Container Maintenance: Containers that have been damaged during emptying shall be exchanged or repaired within 5 working days of notification. If the damage is due to customer action, a fee may be charged to the customer. The amount will depend on the repairs needed. All containers will be exchanged at reasonable intervals to maintain a good appearance considering type of refuse generated normal wear and weathering.

Odor and Insect Control: The customer will be responsible for odor and insect control in and around containers.

H. Holidays: Pick-ups missed due to holidays shall be made up on the next collection day.

IX. Commercial Recycling

A. CONTRACTOR shall continue to provide commercial recyclable programs as are generally considered standard in the recycling business. Annual reports are to address current programs and proposed programs. Current programs shall include the following:

1. Businesses will be offered the opportunity to participate in the office "Paper Toter" program.
2. Each CITY facility will be offered participation in the office "Paper Toter" program.
3. The Rockwall I.S.D. will be offered the opportunity to participate in the CONTRACTOR's "S.M.A.R.T. recyclable program. Each school will receive a rebate base on the current market value of recyclables collected.
4. Businesses will be offered the opportunity to recycle corrugated cardboard.

ADDENDUM TO
SOLID WASTE COLLECTION AND DISPOSAL
RECYCLABLE MATERIALS COLLECTION CONTRACT

THIS ADDENDUM (the "Addendum") is made this 1st day of October, 2010, between the City of Rockwall, Texas, a municipal corporation of Rockwall County, Texas (the "City") and Republic Waste Services of Texas, Ltd, a Texas limited partnership d.b.a. Allied Waste Services of Dallas ("Contractor").

RECITALS

The City and Allied Waste Services are parties to that certain Solid Waste Collection and Disposal Recyclable Materials Collection Contract, dated January 3, 2006 (the "Agreement"). Allied Waste Services was incorrectly identified in the Agreement and should have been identified as Allied Waste Systems, Inc. ("Allied"). Allied and Contractor hereby request that City grant consent to the assignment of the Agreement from Allied to Contractor. The assignment is requested as a result of Allied's and Contractor's parent's internal efforts to restructure certain of its subsidiaries to be administratively consistent with other existing operations. The City and Contractor desire to amend the Agreement to modify certain terms of the Agreement, in accordance with, and subject to, the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

AGREEMENT

1. **Defined Terms.** Capitalized terms used in this Addendum and not defined herein have the meaning given such terms in the Agreement. In the event of any inconsistency between the terms of the Agreement and the terms of this Addendum, the terms of this Addendum shall govern and control.

2. **Assignment**. The City hereby grants written consent to an assignment of the Agreement and all rights, title and interest therein of Allied to Contractor. Contractor hereby agrees to assume all responsibilities in compliance with the terms and conditions of the Agreement and any liabilities associated therewith.

3. **Term.** The term of the Agreement is extended for an additional 5-year term, terminating on December 31, 2015. The term may be extended for one additional 5-year renewal option pending agreement of both parties. Should either the City or Contractor elect not to renew and extend the Agreement for an additional 5-year period, notice must be given by certified mail (return receipt requested) to the other party in writing not less than 180 days prior to the expiration of the Agreement. The other party must respond, in writing, at least 150 days prior to contract expiration and indicate its willingness to renew. If neither party has made notification 180 days prior to the expiration of the contract, the contract will renew for a subsequent five year term.

27

4. **Full Force and Effect; Counterparts.** The Agreement shall remain in full force and effect in accordance with its terms and provisions except as modified by this Addendum. This Addendum shall be binding on the parties hereto and their respective successors and assigns. This Addendum may be executed in one or more counterparts, all counterparts shall be valid and binding on the party executing them, and all counterparts shall together constitute one and the same document for all purposes. This Addendum may be executed and delivered by facsimile signature for execution on the part of one or more parties hereto and upon one party sending via facsimile to another party a facsimile copy of a signature page showing the sending party's execution or signature, the sending party shall be bound by such signature or execution.

IN WITNESS WHEREOF, the undersigned have entered this Addendum effective as of the day and year first above written.

MINUTES
ROCKWALL CITY COUNCIL
Monday, May 18, 2015
5:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pruitt called the meeting to order at 5:00 p.m. Present were Mayor Jim Pruitt, Mayor Pro Tem Dennis Lewis and City Council Members David White, Mike Townsend, John Hohenshelt, Scott Milder, and Bennie Daniels. Also present were City Manager Rick Crowley and Assistant City Managers Mary Smith and Brad Griggs. City Attorney Frank Garza was absent from the meeting.

Mayor Pruitt read the below listed item into the public record before recessing the meeting into Executive Session.

II. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding appointment to the city's Rockwall Economic Development Corporation (regulatory) board, pursuant to Section 551.074 (Personnel Matters)

III. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 5:55 p.m.

IV. RECONVENE PUBLIC MEETING (6:00 P.M.)

Mayor Pruitt reconvened the public meeting at 6:00 p.m. with all seven city council members present (Pruitt, Lewis, White, Townsend, Hohenshelt, Milder, and Daniels).

V. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

No action was taken as a result of Executive Session.

VI. INVOCATION AND PLEDGE OF ALLEGIANCE – MAYOR PRO TEM LEWIS

Mayor Pro Tem Lewis delivered the invocation and led the Pledge of Allegiance.

VII. PROCLAMATIONS / AWARDS

1. Safe Boating Week (U.S. Coast Guard Auxiliary)

Mayor Pruitt called forth Randy Greenlee of the U.S. Coast Guard Auxiliary. He then read and presented a proclamation declaring this week to be Safe Boating Week in the City of Rockwall. Mr. Greenlee encouraged the public to be safe on local lakes, especially during the upcoming Memorial Day weekend. He also cautioned to be aware of floating debris, as a lot of debris has surfaced in local lakes after recent, heavy rains. Lastly, he asked that everyone ensure they wear a life jacket. He inquired about the possibility of placing a radio on our dispatch center. Mayor Pruitt asked Chief Poindexter to get with him on this issue.

2. National Public Works Week

Mayor Pruitt called forth City Engineer, Tim Tumulty, who brought several members of his Public Works staff forward. Mayor Pruitt then read a proclamation to recognize public works staff for the work they do to benefit the citizens of Rockwall daily.

At this point in the meeting, Mayor Pruitt called forth Councilmember Bennie Daniels and his wife, Gloria to address item XIII on the meeting agenda. Mayor Pruitt provided several pieces of information on Daniels, including his past leadership roles and that he has served on city council since 2011. Rockwall County Judge David Sweet came forth and provided positive comments and expressions of gratitude to Daniels for his service, integrity and leadership. Then, each member of the city council also thanked Daniels for his service and offered positive comments and well wishes. Mayor Pruitt provided Councilman Daniels with a clock to recognize him and thank him for his four years of service on the city council.

VIII. OPEN FORUM

John White, Rockwall resident, came forth and offered comments regarding the city's parks system, thanking city staff and council for the wonderful parks system that we enjoy in Rockwall. Mayor Pruitt went on to thank the city's Parks & Recreation staff for their "on the fly" contingency plans that led to a great Founder's Day Festival over the weekend despite the threat of rain.

IX. CONSENT AGENDA

1. Consider approval of the minutes from the May 4, 2015 regular city council meeting, and take any action necessary.

2. Consider approval of a resolution amending the Parks and Open Space Master Plan to update the Neighborhood Park District Map, and take any action necessary.

3. **P2015-017** - Consider a request by Ashley Malone on behalf of Lay Construction, LLC for the approval of a final plat for Lots 1 & 2, Block 1, HJG Plaza Addition being a 2.064-acre tract of land identified as Tract 36 of the B. J. T. Lewis Survey, Abstract No. 255, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the SH-205 Overlay (SH-205 OV) District, located on the east side of SH-205 [S. Goliad Street] north of the intersection of SH-205 and Yellow Jacket Lane, and take any action necessary.

Councilmember Townsend made a motion to approve all Consent Agenda items (#1, 2 and 3). Councilmember White seconded the motion, which passed by a vote of 7 in favor with 0 against.

X. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Craig Renfro, Chair of the Planning & Zoning Commission, came forth and thanked Councilmember Bennie Daniels for his service on the city council. He then briefed the council on recommendations of the Commission relative to items on tonight's city council meeting agenda. The council took no action concerning this particular agenda item.

2. Appointment with members of the Rockwall Youth Advisory Council (YAC) to hear year-end program report and to recognize graduating high school seniors, and take any action necessary.

Isabella Burzair, Chair of the YAC, and Elsa Castro, YAC member, came forth and provided a report to the City Council on various activities that the group participated in throughout the 2014-2015 school year. Graduating seniors, Elsa Castro and Mie Pighee, were recognized and thanked for their service and leadership this past year while serving on the Youth Council.

3. Appointment with Todd Parks, Fixed Base Operator at the Ralph M. Hall / Rockwall Municipal Airport, to hear annual report regarding Airport operations, and take any action necessary.

Mr. Parks briefed the council on the year-end report for the Rockwall Municipal Airport. Mayor Pro Tem Lewis thanked Mr. Parks for his report, commenting that it is perhaps the best report he has heard regarding the airport. Councilmember White thanked Mr. Parks for his efforts and work at the airport since he was hired by the city. He commented that the city's airport is one amenity that the city has worked hard to improve over time, and the city will continue to strive to improve it. He mentioned that the biggest roadblocks to positive change are the FAA and TXDOT Aviation. White encouraged Mr. Todd to bring to the council any airport-related needs he may have in the future. Mayor Pruitt commented about various physical and aesthetic improvements that have been made at the airport over the last year or two since Mr. Parks has taken over the operation. He generally thanked Mr. Parks and staff for their efforts towards positive change.

4. Appointment with representative(s) of Eastridge Church of Christ to hear concerns related to the expiration of an existing facilities agreement between the City of Rockwall and the church, and take any action necessary.

Councilmember White recused himself from this discussion and associated vote on this item, filing associated paperwork with the City Secretary.

Mike Singleton came forth and indicated that he lives in Rockwall, is a member of Eastridge Church, and he serves as an elder in the church. He indicated it has been nearly ten years since the church moved into the facility it now occupies on Stodgehill Road. He indicated that, when they moved into the facility, a water line had to be installed from IH-30 down Stodgehill Road to their building (about 1/3 to ½ mile), which was necessary for a fire suppression system. He explained that the Blackland Water Supply Corporation services the building for water. He explained that payments have been being made by the church over the last ten years, they are current on all payments, and a $47,725.00 balance is currently still owed. He explained that the church is now requesting that the city consider

releasing the church for the remaining balance, and the church would release the city from the requirement to remit developer pro rata share of the water line cost back to the church.

Assistant City Manager Mary Smith shared that the city attorney has advised that the city cannot forgive the debt because of Texas Constitution provisions. He suggested that an agreement be drafted to allow the amount due to be held in abeyance for five years. If, during that time development occurs, then the city would be paid by developers moving into this same area. If, at the end of five years, development has not occurred, then the church could begin to make payments again with the understanding that they would receive money back if and when future development occurs.

Mayor Pro Tem Lewis made a motion to instruct the city attorney to draft and bring back an agreement for council consideration. Councilmember Townsend seconded the motion, which passed unanimously of those present (6 in favor, 1 abstaining (White)).

XI. PUBLIC HEARING ITEMS

1. Hold a public hearing to discuss and consider approval of an **ordinance** amending Sections 38-50 through 38-61 of Article II, Parkland Dedication, of Chapter 38, Subdivisions, of the Code of Ordinances for the purpose of adjusting "Table 1: Park Dedication Acreage Factor per Dwelling Unit" to account for changes to the "Ultimate Dwelling Unit Holding Capacity" and "Dwelling Unit Dedication Factor" as approved by the Land Use Assumptions Report adopted by Resolution No. 14-16, and take any action necessary. **(1st reading)**

Mayor Pruitt opened the public hearing and asked if anyone would like to come forth and speak. There being no one, the public hearing was closed. Mayor Pruitt made a motion to approve the ordinance. Councilmember White seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS AMENDING ARTICLE II, *PARK LAND DEDICATION*, OF CHAPTER 38, *SUBDIVISIONS*, OF THE CODE OF ORDINANCES AS SET FORTH HEREIN; PROVIDING FOR A PENALTY CLAUSE; PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR PUBLICATION; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 7 ayes to 0 nays.

2. **Z2015-014** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Cole Franklin of the Skorburg Company on behalf of the owner the Lonnie Gideon Estate for a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 10 (SF-10) District land uses, on a 29.192-acre tract of land identified as a portion of Tract 1-01 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the 205 By-Pass Corridor Overlay (205 BY-OV) District, located at the northeast corner of the intersection of E. Quail Run Road and John King Boulevard, and take any action necessary. **(1st Reading)**

The applicant is requesting to rezone approximately thirty acres of agricultural zoned land to a planned development district to accommodate an approximately 72 unit single family home subdivision. The applicant has submitted a concept plan and development standards, which have been summarized for Council in staff's case memo. The subdivision will have access from both John King Boulevard and East Quail Run Road. Forty-five of the lots will be 80'x125' (10,000 square foot homes). Eight lots will have an increased depth of 150'. The remaining twenty-seven lots will be 100'x150' (15,000 square foot homes) with a gross density of 2.466 units per acre. There will be 2.7 acres of open space adjacent to John King Boulevard which will also serve as a buffer between the homes and the road way. There will also be an amenity center and a 10' walking trail along John King Boulevard. Nineteen notices were mailed out to adjacent property owners living within 500', and no replies have been received back by staff to date. The Planning & Zoning Commission has voted 5-0 to recommend approval of this request to the city council.

Cole Franklin
Skorburg Company
8214 Westchester Drive
Dallas, TX 75225

Mr. Franklin briefed the council on some of the past projects (subdivisions) in Rockwall, this property's location as well as its proposed development standards, concept plan, and his zoning request. He requested a variance on the open space requirement (proposing just over 9% versus the city's required 20%). He explained that a not required, but encouraged, 10' walking/hike/bike trail will be provided instead of the open space, and an amenity center with a swimming pool will also be provided. He explained that Breezy Hill, which has a large amount of open space, is just about a 10 minute walk away from where this subdivision will be located, suggesting that residents of this new subdivision could walk there to access open space.

Mayor Pruitt asked for clarification about the amenity center and trail. City Manager Rick Crowley asked the applicant to describe the amenity center in more detail. Adam Buzcek with the Skorburg Company then came forth and provided the council with additional details concerning the proposed amenity center, which he explained will consist of a swimming pool, covered area, cabana, restrooms and seating area.

Councilmember Milder asked for and received some clarification from Mr. LaCroix regarding the city's requirements for open space in planned development districts.

Mr. Buzcek clarified that, although residents in this proposed development could walk to and access open space in Breezy Hill or Stone Creek, for example, these residents would not be able to utilize the amenities center within those other subdivisions. So this particular pool/cabana/seating area amenity center would be the only amenity center to which these residents would have access.

Councilmember Daniels asked how close this amenity center will be located to John King Boulevard. It was explained that there will be a 50' landscape buffer between it and John King Blvd. Councilmember Daniels asked if this amenity center will eventually be turned over to a Homeowners Association by the developer. Mr. Buzcek indicated that, yes, it will be turned over to an HOA eventually, and the HOA would be responsible for monitoring its use.

Councilmember Townsend expressed concern about the applicant requesting that the open space acreage be reduced. Furthermore, he believes the idea of these residents walking to Breezy Hill or Stone Creek to access open space within those subdivisions is a 'hard sell' and is hard to believe.

Councilmember Daniels generally expressed that he hopes the applicant will not be back later on to try and squeeze in some more lots.

Mayor Pruitt opened the public hearing and asked if anyone would like to come forth and speak.

Richard Langley
2401 Sandstone Court
Rockwall, TX

Mr. Langley came forth and expressed that he has concerns about potential drainage problems associated with this development and the negative impact this may have on his property.

Mayor Pruitt asked for the City Engineer, Tim Tumulty, to speak to drainage concerns. Mr. Tumulty indicated that the city's Engineering staff will review the proposed plats carefully once they are submitted. He explained that this subdivision would have a detention pond located near Quail Run and John King, indicating that the Squabble Creek watershed is very touchy; however, he indicated that a hydraulics study was done back in 2006 to evaluate future development and associated drainage needs. This study called for a detention pond to be included on site. He offered assurance that any potential water that may come towards Mr. Langley's subdivision would be carefully evaluated.

Christy Utley
(husband is Herman Utley)
1815 E. Quail Run Road
Rockwall, TX 75087

Mrs. Utley explained that the road she lives on, which is across the street from this proposed subdivision, is a lot like a private road. She has concerns related to traffic, as it is a small road. She also has concerns about potential drainage problems. She is unaware of any sort of engineering draining studies being done that may be needed in order to ensure draining will in fact not be an issue. She does not believe that an open space park is needed or necessary within this proposed development. She expressed that she is opposed to this development; however, if it is to be approved, she would like to see that it conform to the restrictions and requirements that were already in place prior to this zoning change request. She would like to see the density consist of larger lots. She also pointed out that there is a lot of wildlife in the area, so she hopes that Animal Control will be able to assist with any of those types of issues.

Mr. Nicholas Grant
1569 E. Quail Run Road
Rockwall, TX 75087

Mr. Grant came forth and encouraged the council to not approve this zoning change. He believes this development will be an experiment that will set a negative precedent for the

city. He believes the development will be an eyesore. He is concerned about it being a tight, cluttered subdivision, especially since it does not have any planned alleyways. He is opposed to the very little open / green space that is being proposed.

Brief discussion took place between council and staff concerning alleyways. It was indicated that council may grant a waiver to the alley way requirement included in the city's Comprehensive Plan, and that it has done so in the past on other subdivisions such as Stone Creek, Breezy Hill and Lakes of Somerset. Mr. LaCroix explained that each of those has had alleyway requirements waived in favor of front or side entry garages.

Jim Turner
1691 E. Quail Run Road
Rockwall, TX 75087

He pointed out that nothing about the John King Overlay District is being addressed or discussed in any of the developer's slides, and no conversations about it are occurring. He explained that John King Boulevard is likely, invariably going to become the "new SH-205." He encouraged the council to ask the developer to go back and read the guidelines for this overlay district and come back with a proposal that adheres to those standards. He is not in favor of this much density, and he encouraged the city council to only consider larger lots.

There being no one else wishing to come forth and speak, Mayor Pruitt closed the public hearing.

Councilmember Milder expressed concern about not having enough information in their informational meeting packet to make the best, most informed decision possible. He believes the two acres per lot standards is in place for a reason, and he believes this standard is what the residents who already live in and around the area have been expecting. He would like to see the developer come back with 2 units per acre and at least 20% open space.

Mr. LaCroix clarified some concerns regarding a buffer between the homes and John King Boulevard. He further clarified that what the council is being asked to consider this evening is an increase in density, waivers of alleyways and reduction of open space.

Mayor Pruitt made a motion to table this item to the next meeting to allow time to see what the developer's plan would look like if it were built to the standards of the city's Comprehensive Plan. Councilmember White seconded the motion.

Councilmember Hohenshelt encouraged the council to provide more direction to the developer as to what council would like to see from the developer. Mayor Pruitt clarified that he believes tabling the item is more so related to allowing the city council time to think about this further before taking action.

Councilmember White asked the developer if he is clear as to what the city council is asking of him. Mr. Buzcek indicated that, no, he is not clear as to what is being asked. Mr. Buzcek indicated that open space parks are located within both a quarter and a half mile from this area of proposed lots and homes.

Mayor Pruitt indicated that he would like to see what the developer would bring forth if he were to come forth with a proposal that adheres to the city's Comprehensive Plan. Mr. Buzcek indicated that, financially, coming forth with a development that strictly adheres to the city's Comp Plan, will not work and is not feasible from an economic / business standpoint.

Chairman of the Planning & Zoning Commission, Craig Renfro, came forth and provided the council with some general thoughts and opinions of the Commission relative to this applicant's requests. He explained that not too many cities are approving alleyways in new home developments. His opinion, and the opinion of some P&Z members, is that alleyways are unsafe for kids. Also, he explained that he and all members of P&Z have read the city's Comp Plan cover to cover.

Mayor Pruitt suggested to Mr. Buzeck that he do nothing in particular to prepare for the next council meeting. He explained that the City Council will schedule a separate work session to discuss development standards, in general, and policies. Mr. Crowley explained that if a work session is scheduled, that work session conversation would need to be limited to only discussing policies and not this particular zoning request.

Mayor Pruitt amended his motion to table this agenda item until the Monday, June 15 city council meeting to allow council time to hold a work session on June 1st to become better educated on the existing development standards before addressing this particular zoning change request. Councilmember White seconded the motion, which passed by a vote of 7 ayes to 0 nays.

3. P2015-015 - Hold a public hearing to discuss and consider a request by Bradley G. Bischof for the approval of a residential replat creating Lot 26, Block C, Harbor Landing, Phase 2, being a 0.46-acre parcel of land currently identified as Lots 21 & 22, Block C, Harbor Landing, Phase 2, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 8 (PD-8) for single family land uses, addressed as 320 & 322 Port View Place, and take any action necessary.

Staff provided brief comments, indicating that thirty-nine notices were mailed out to property owners located within 200' of the subject property with one notice being received back in favor.

Mayor Pruitt opened the public hearing and asked if anyone would like to come forth and speak. There being no one, the public hearing was closed.

Councilmember White made a motion to approve P2015-015. Councilmember Lewis seconded the motion, which passed unanimously of council present (7 ayes to 0 nays).

XII. ACTION ITEMS

1. Discuss and consider a recommendation from the Atmos Cities Steering Committee regarding adoption of an **ordinance** approving a negotiated resolution between the Atmos Cities Steering Committee (ACSC) and Atmos Energy Corporation, Mid-Tex Division regarding the company's 2014 and 2015 Rate Review Mechanism filings, approving a settlement agreement with attached rates, and take any action necessary. **(1st reading)**

Joey Boyd, Director of Internal Operations, provided a brief summary regarding this agenda item. After brief discussion, Mayor Pro Tem Lewis made a motion to approve the ordinance as presented. Councilmember White seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL, TEXAS
ORDINANCE 15-15

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, APPROVING A NEGOTIATED SETTLEMENT BETWEEN THE ATMOS CITIES STEERING COMMITTEE ("ACSC") AND ATMOS ENERGY CORP., MID-TEX DIVISION REGARDING THE COMPANY'S 2014 AND 2015 RATE REVIEW MECHANISM FILINGS; APPROVING A SETTLEMENT AGREEMENT WITH ATTACHED RATE TARIFFS AND PROOF OF REVENUES; DECLARING EXISTING RATES TO BE UNREASONABLE; ADOPTING TARIFFS THAT REFLECT RATE ADJUSTMENTS CONSISTENT WITH THE NEGOTIATED SETTLEMENT; FINDING THE RATES TO BE SET BY THE SETTLEMENT TARIFFS TO BE JUST AND REASONABLE AND IN THE PUBLIC INTEREST; REQUIRING THE COMPANY TO REIMBURSE ACSC'S REASONABLE RATEMAKING EXPENSES; DETERMINING THAT THIS ORDINANCE WAS PASSED IN ACCORDANCE WITH THE REQUIREMENTS OF THE TEXAS OPEN MEETINGS ACT; ADOPTING A SAVINGS CLAUSE; DECLARING AN EFFECTIVE DATE; AND REQUIRING DELIVERY OF THIS ORDINANCE TO THE COMPANY AND THE ACSC'S LEGAL COUNSEL.

The motion passed by a vote of 6 in favor with 1 against (Pruitt).

2. Discuss and consider (2) nominations for an "outstanding senior who is making a difference in the senior community," as requested by Meals on Wheels Senior Services of Rockwall County, and take any action necessary.

Mayor Pruitt explained that Meals on Wheels has asked the city to nominate two seniors who are making a difference in our community. After brief discussion, no action was taken concerning this agenda item.

3. Discuss and consider approval of a resolution canvassing the May 9, 2015 General and Special Elections, and take any action necessary.

City Manager Rick Crowley provided brief comments regarding this item. Mayor Pro Tem Lewis then made a motion to approve the resolution. Councilmember White seconded the motion, which passed by a vote of 7 in favor with 0 against.

4. Discuss and consider approval of an **ordinance** entering an order into the city records declaring that a total of eight (8) Home Rule Charter amendments were approved by the voters of the City on May 9, 2015 and are hereby adopted, and take any action necessary.

Councilmember Townsend made a motion to approve the ordinance as presented. Councilmember White seconded the motion.

The ordinance was read as follows:

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. 15-16

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS ENTERING AN ORDER INTO THE CITY RECORDS DECLARING THAT A TOTAL OF EIGHT (8) HOME RULE CHARTER AMENDMENTS

WERE APPROVED BY THE VOTERS OF THE CITY ON MAY 9, 2015, AND ARE HEREBY ADOPTED; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 7 to 0.

XIII. RECOGNITION OF OUTGOING CITY COUNCIL MEMBER, BENNIE DANIELS (PLACE 3)

This item was addressed by the Council following the Proclamations/Awards portion of the meeting agenda.

XIV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding appointment to the city's Rockwall Economic Development Corporation (regulatory) board, pursuant to Section 551.074 (Personnel Matters)

XV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

City Council did not convene in Executive Session following the conclusion of the 6:00 p.m. meeting agenda.

XVI. ADJOURNMENT

The meeting was adjourned at 8:40 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS,

THIS 1st DAY OF June, 2015.

CITY OF ROCKWALL

ORDINANCE NO. 15-17

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS AMENDING ARTICLE II, *PARK LAND DEDICATION*, OF CHAPTER 38, *SUBDIVISIONS*, OF THE CODE OF ORDINANCES AS SET FORTH HEREIN; PROVIDING FOR A PENALTY CLAUSE; PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR PUBLICATION; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Council of the City of Rockwall has adopted a resolution updating the *Park District Map* and the *Park Land Dedication* ordinance needs to be codified to reflect these updates; and

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That Section 38-50 through Section 38-61 of Article II, *Parkland Dedication*, of Chapter 38, *Subdivisions*, of the Code of Ordinances, is heretofore amended, be and the same is hereby amended, which shall hereafter read in its entirety as follows:

Sec. 38-50. - Definitions

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Develop (V) means the act of subdividing a parcel or tract of land and installation of community facilities in accordance with and as defined by these subdivision regulations.

Development (N) means a parcel or tract of land proposed for subdivision in accordance with and as defined by these subdivision regulations.

Park Development means the development of a park site by construction of streets, drainage, utilities, and recreational improvements to serve a neighborhood park district.

Pro Rata Share of Required Dedication means the amount of land that shall be dedicated (*or the acreage figure used to calculate cash in lieu of land donation*) as prescribed within this article. The pro rata share of required dedication in a neighborhood park district shall be calculated as follows: pro rata share of required acreage dedication per new dwelling unit is the factor obtained when the 11-acre area of park is divided by the ultimate residential dwelling unit holding capacity for park district in which the unit is located.

Note: The total number of residential units which a neighborhood park district is projected to have when fully developed shall be determined by the *Impact Fee Land Use Assumptions* as set forth in *Table 1*, *Park Dedication Acreage Factor per Dwelling Unit*, below.

Table 1: Park Dedication Acreage Factor per Dwelling Unit

Park District	Ultimate Dwelling Unit Holding Capacity	Dwelling Unit Dedication Factor (Acre)

35	3,004	0.004

Recreational Improvements Facilities means the park features set forth for a neighborhood park in the activity menu of the park plan. A uniform cost shall be prepared annually for these features and adopted by resolution by the city council. The dedication factor shall be applied to this cost to determine the pro rata share per new dwelling unit for recreational improvements facilities.

(Code 1982, § 24-42; Ord. No. 87-1, § II, 1-5-1987; Ord. No. 99-20, § 1, 6-7-1999; Ord. No. 03-29, § 1, 9-2-2003; Ord. No. 05-04, § 1, 1-18-2005)

Sec. 38-51. Purpose

(a) This article is adopted to provide recreational areas in the form of neighborhood parks as a function of subdivision development in the city. This article is enacted in

accordance with the home rule powers of the city, granted under the state constitution, in statutes of the state including, but not limited to, V.T.C.A., Local Government Code § 212.001 et seq. It is hereby declared by the city council that recreation areas in the form of neighborhood parks are necessary and in the public welfare, and that the only adequate procedure to provide for same is by integrating such a requirement into the procedure for planning and developing property or subdivisions in the city, whether such development consists of new construction on vacant land or rebuilding structures on existing residential property.

(b) Neighborhood parks are those parks providing for a variety of outdoor recreational opportunities, be a minimum of 11-acres, and be within convenient distances for a majority of the residents to be served thereby. Park districts are established by the official park plan for the city and shall be prima facie proof that any park located therein is within such convenient distance from any residence located therein. Primary cost of neighborhood parks shall be borne by the ultimate residential property owners, who, by reason of the proximity of their property to such parks, shall be the primary beneficiary of such facilities. Therefore, the requirements of this article are adopted to affect the purposes stated.

(Code 1982, § 24-41; Ord. No. 87-1, § I, 1-5-1987; Ord. No. 99-20, § 1, 6-7-1999)

Sec. 38-52. Impact Fee Land Use Assumptions

The total number of residential units which a neighborhood park district is projected to have when fully developed shall be determined by the impact fee land use assumptions as set forth in Table 1 Park Dedication Acreage Factor per Dwelling Unit which is on file with the City Secretary's office.

(Code 1982, § 24-42; Ord. No. 87-1, § II, 1-5-1987; Ord. No. 99-20, § 1, 6-7-1999; Ord. No. 03-29, § 1, 9-2-2003; Ord. No. 05-04, § 1, 1-18-2005)

Sec. 38-53. General Requirements for SF-E, SF-1, SF-16, SF-10, SF-8.4, SF-7, ZL-5, 2-F and MF-14, to be Used for Single-Family, Zero Lot Line, Duplex, and/or Apartment/Multifamily Residential Purposes

(a) Whenever a final plat is filed of record with the county clerk for development of a residential area in accordance with the planning and zoning ordinances of the city, such plat shall contain a clear fee simple dedication of an area of land to the city for park purposes, which area shall be equal to or greater than the property being subdivided's pro rata share of neighborhood park property required for the neighborhood park district in which the property being platted or subdivided is located as shown by the park master plan. Any proposed plat submitted to the city for approval shall show the area proposed to be dedicated under this article. The requirement for dedication under this article may be met by a payment of money in lieu of land when permitted or required by the other provisions of this article.

(b) The city council declares the development of an area smaller than one acre for public park purposes to be impractical. Therefore, if less than one acre is calculated to be the pro rata share of a development plat filed for approval, the developer shall be required to pay the applicable cash in lieu of land amount provided for by section 38-55(c), rather than dedicate any land area. No plat showing a dedication of less than one acre shall be approved.

(c) In instances where an area of less than six acres but more than one acre is calculated to be the pro rata share of a development, the city council shall have the option of requiring land dedication or cash in lieu of land in accordance with section 38-55(c) after consideration of the recommendation of the planning and zoning commission and the parks and recreation board. If the city determines that sufficient park area is already in the public domain in the area of the proposed development or the neighborhood park district, or if the recreation potential for that zone would be better served by expanding or improving an existing park, dedication may also be refused and cash in lieu of land may, likewise, be required.

(d) The dedication required by this article shall be made by filing of the final plat or contemporaneously by separate instrument. If the actual number of completed dwelling units exceeds the figures upon which the original dedication is based, additional dedication shall be required and shall be made by payment in lieu of land amount described by section 38-55(c), or by the conveyance of an entire numbered lot to the city.

(Code 1982, § 24-43; Ord. No. 87-1, § III, 1-5-1987; Ord. No. 99-20, § 1, 6-7-1999)

Sec. 38-54. Prior Dedication; Absence of Prior Dedication

At the discretion of the city council, any former gift of land to the city may be credited on a per acre basis toward the eventual land dedication requirements imposed on the donor of such land. The city council shall consider recommendations of the planning and zoning commission and the parks and recreation board in exercising its discretion under this section.

(Code 1982, § 24-44; Ord. No. 87-1, § IV, 1-5-1987; Ord. No. 99-20, § 1, 6-7-1999)

Sec. 38-55. Money in Lieu of Land

(a) Subject to the veto of the city council and the terms of section 38-53, a landowner responsible for dedication under this article may elect to meet the requirements of section 38-53 in whole or in part by a cash payment in lieu of land, in an amount set forth in subsection (c) of this section. Such payment in lieu of land shall be made at or prior to final plat approval.

(b) The city may from time to time decide to purchase land for parks in or near the area of actual or potential development. If the city does purchase park land in a neighborhood park district and said land purchased is used to meet the need for a neighborhood park, subsequent land dedications for that district shall be in cash only and calculated on a pro rata share basis to reimburse the city's actual cost of acquisition and development of such land for parks. The cash amount shall be equal to the sum of:

(1) The average price per acre of such land; and
(2) The actual cost of adjacent streets and site utilities, or an estimate of such actual costs provided by the city engineer and the recreation improvement costs for facilities as set forth in the park master plan for neighborhood parks.

Once the city has been reimbursed entirely for all park land within a park zone, this

section shall cease to apply and the other sections of this article shall be applicable.

(c) To the extent that subsection (b) of this section is not applicable, the dedication requirements shall be met by a cash payment in lieu of land on the basis of a per acre price. Said per acre price shall be determined annually by the city council and shall be based on current land values within the city. Once established the council shall adopt the value by resolution for appreciation as required in this subsection. Cash payments may be used only for acquisition or improvement of neighborhood parks located within the same neighborhood park district as the development in accordance with the park master plan.

(Code 1982, § 24-45; Ord. No. 87-1, § V, 1-5-1987; Ord. No. 99-20, § 1, 6-7-1999)

Sec. 38-56. Dedication of more than the Pro Rata Share of Parkland

(a) The developer of a residential subdivision which is subject to the terms of this article may dedicate more land than the pro rata share calculated for the development if approved by the city council. If the developer dedicates an amount equal to or greater than the total required parkland area for the neighborhood park district in which his subdivision is located, the city and the developer shall execute a pro rata refunding agreement in accordance with these subdivision regulations which shall recover the cost of land dedicated in excess of the developer's pro rata share after streets, drainage, and utilities are constructed on the dedicated property.

(b) The developer shall install the streets, drainage, and utilities to serve the neighborhood park, and the cost of same shall be included in the pro rata refunding agreement. The pro rata refunding agreement shall provide that future developers in the same neighborhood park district shall pay their pro rata share of the actual cost of park development which shall be calculated based on the per acre cash in lieu of land coast in effect at the time of dedication, plus the costs of streets, drainage, utilities, and recreational facilities installed to serve the dedicated neighborhood park. The cost of streets, drainage and utilities installed to serve the park shall be certified by the city engineer. In no case shall the developer receive pro rata payments after he has recovered an amount equal to the number of acres actually dedicated in excess of his pro rata share multiplied by the per acre cash in lieu of land figure in effect at the time of actual dedication, plus the costs of streets, drainage, and utilities as certified by the city engineer necessary to serve the neighborhood park. In no case shall the term of any pro rata agreement provided by this article be for a period in excess of five years from the date of dedication.

(Code 1982, § 24-46; Ord. No. 87-1, § VI, 1-5-1987; Ord. No. 99-20, § 1, 6-7-1999)

Sec. 38-57. Special Fund Established; Refunds

(a) There is hereby established a special fund for the deposit of all cash funds in lieu of land dedication under this article, which fund shall be known as the "Park Land Dedication Fund."

(b) The city shall account for all sums paid in lieu of land dedication under this article referenced to individual plats involved. Any funds paid for such purposes must be expended by the city within eight years from the date received by the city for acquisition and development of a neighborhood park as defined in this article. Such

funds shall be considered to be spent on a first/in first/out basis. If not so expended, the owners of the property on the last day of such period shall be entitled to a pro rata refund of such funds, calculated on a square footage basis. The owners of such property must request such refund within one year of entitlement, in writing, or such rights shall be barred.

(Code 1982, § 24-47; Ord. No. 87-1, § VII, 1-5-1987; Ord. No. 99-20, § 1, 6-7-1999)

Sec. 38-58. Additional Requirements and Provisions

(a) Any land dedicated to the city under this article shall be suitable for park and recreation use. The following characteristics of a proposed area are generally unsuitable:

(1) Any area located in the 100-year floodplain;
(2) Any area of unusual topography or slope which renders same unusable for organized recreational activities.

The characteristics of the parkland dedication area mentioned in this subsection may be grounds for refusal of a plat.

(b) Each park must have ready access to a public street.

(c) Unless provided otherwise in this article, action by the city shall be by the city council after consideration of the recommendations of the planning and zoning commission and the parks and recreation board. Any proposal considered by the planning and zoning commission under this article shall have been reviewed by the parks and recreation board and its recommendation given to the commission. The commission may make a decision contrary to such recommendation only by a vote of at least five members. Should the commission be unable to get this vote, the matter shall then be referred to the city council for final decision.

(d) If any provision of this article or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect any other provisions or applications of this article which can be given effect without the invalid provision or application, and to this end the provisions of this article are declared to be severable.

(Code 1982, § 24-48; Ord. No. 87-1, § VIII, 1-5-1987; Ord. No. 99-20, § 1, 6-7-1999)

Sec. 38-59. - Review and Updating Park Master Plan

The city parks and recreation department shall consider the need to update the park master plan at least annually to ensure that the plan remains current and provides an equitable, effective framework from which to pursue the acquisition and development of neighborhood park services for each neighborhood park district.

(Code 1982, § 24-49; Ord. No. 87-1, § XI, 1-5-1987; Ord. No. 99-20, § 1, 6-7-1999)

Sec. 38-60. Waiver of Mandatory Neighborhood Parkland Dedication in the Case of Private Developments

(a) If a development is proposed to be a private development where no public streets are dedicated for use by the public, the city shall:

(1) Calculate the pro rata share of the proposed private development as if it were to be a development where public streets were to be dedicated.
(2) Waive the requirement for mandatory dedication if the private amenities of the proposed development meet or exceed the calculated pro rata share as calculated under subsection (a)(1) of this section.
(3) Decrease the total acreage shown in the park master plan as being required to meet the ultimate need for neighborhood parks in the applicable neighborhood park district by the acreage calculated under subsection (1) of this section (for the purpose of future calculations of pro rata shares for future developments).

(b) In a private development within a park district or a private development encompassing an entire park district, the park property within the private development must be easily accessible to the general public either through the use of the city trail system or public roadways. If the private development encompasses the entire park district and the ten acres of parkland is not continuous, each separate section of park property must be accessible to the general public and connected by way of a minimum eight-foot-wide trail.

(Code 1982, § 24-50; Ord. No. 87-1, § IX, 1-5-1987; Ord. No. 99-20, § 1, 6-7-1999)

Sec. 38-61. Waiver of Article Requirements by City Council

The city council may waive the requirements of this article upon a finding by the city council that said waiver is clearly in the best interest of the city.

(Code 1982, § 24-51; Ord. No. 87-13, § I, 3-16-1987; Ord. No. 99-20, § 1, 6-7-1999)

Section 2. That any person, firm or corporation who violates any provision of this ordinance or who fails to obtain a special event permit shall be deemed guilty of a misdemeanor and upon conviction thereof, in the Municipal Court of Rockwall, TX, shall be subject to a fine in accordance with the general provisions of the Code of Ordinances;

Section 3. That all ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed to the extent of such conflict;

Section 4. That the Code of the City of Rockwall, Texas, as amended, shall remain in full force and effect, save and except as amended by this ordinance;

Section 5. That should any section, paragraph, sentence, clause, phrase or word of this ordinance be declared unconstitutional or invalid for any purpose by a court of competent jurisdiction, the remainder of this ordinance shall not be affected thereby, and to this end the provisions of this ordinance are declared to be severable;

Section 6. That it is hereby found and determined that the meeting at which this ordinance was passes was open to the public as required by *Section 551.001* et seq., *Texas Government Code*, and that advance public notice of the time, place and purpose of said meeting was given;

Section 7. That this Ordinance shall take effect immediately upon its second reading

and newspaper publication as required by the *City Charter*, *Section 3.11*;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 1ST DAY OF JUNE, 2015.

City of Rockwall
The New Horizon

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Tim M. Tumulty, Director of Public Works/City Engineer

DATE: May 27, 2015

SUBJECT: Traffic Signal Bid
Ralph Hall Parkway @ Mims Road

The City Staff hired Binkley & Barfield – C & P, Inc. to prepare engineering design plans for a new traffic signal at Ralph Hall Parkway and Mims Road. The plans were completed and bids were opened on April 2, 2015.

Bids were received from two bidders. Traffic signal construction has limited amount of contractors performing this specific type of work. A bid in the amount of $197,829.00 was received by Roadway Solutions and the other bid of $220,100.00 was submitted by Durable Specialties.

Roadway Solutions bid had a few errors contained within the bid document. The most notable error was the cost for one traffic signal pole assembly arm (60' foot) with light and edge lit sign. They entered a bid amount of $1,600.00 when it should have been $16,000.00. Durable Specialties bid $17,200.00 for the same item.

Roadway Solutions has agreed to honor their bid even though it has an error of $14,400.00. Staff has verified their references and they were found acceptable. Staff requests City Council approval of the bid presented by Roadway Solutions in the amount of $197,829.00 for the construction of the traffic signal at Ralph Hall Parkway at Mims Road.

RE: Bid Tabulations for Signal Improvements: Ralph Hall Pkwy at Mims Rd

Dear Mr. Tumulty:

Bid tabulations were opened for the above mentioned project on April 2, 2015 at 2 PM. There were two bids placed on the project. A review of the bid tabulations was conducted and a summary of the results is provided below.

- **Durable Specialties**
  Total bid was for **$220,100.00**. A review of the unit bid prices and tabulations showed that the total as presented in the bid forms were accurate.
- **Roadway Solutions**
  The total bid was for **$197,829.00**. A review of the unit bid prices showed a few typos in either the written description of the of the unit bid prices, the unit price figures, or the extended amount. However, the final bid number reflected the intent of the unit prices as presented in the bid form. A summary of the corrections are as follows:
  - Bid Item 5 – Extended Amount shown as $4875.75, should have been $14,875.75
  - Bid Item 14 – Unit price in figures missing decimal per bid price in words
  - Bid Item 21 – Extended amount written incorrectly, should have been $392.00 based on unit price
  - Bid Item 52 – Bid price in words and in figures shows $350 but extended amount shown based on a unit price of $3.50. The unit price should be $3.50.
  - Bid Item 58 – Showed a unit prices of **$1,600** (in written and figure form) which was felt by the design engineer to be incorrect. In comparison, Durable Specialties bid **$17,200** for this same item. It was assumed that Roadway Solutions intended the bid price to be **$16,000** instead of **$1,600**. Contact was made with Roadway Solutions to check on this item. It was confirmed by the bidder that a mistake was made and the unit price should have been **$16,000**.

Despite the mistake on Bid Item 58, the low bidder (Roadway Solutions) has agreed to honor their original bid price of **$197,829.00** for this project.

Contact was made a couple of cities and agencies familiar with the work of Roadway Solutions. Those references included the following:

- City of Frisco
- City of Denton

Conversations with these individuals indicated that they have used Roadway Solutions on multiple occasions and that they do a good job.

Binkley & Barfield | C&P
consulting engineers

Based on this information it is recommended to select Roadway Solutions as the winning bidder on this project based on their submitted bid of **$197,829.00.**

Should you require additional information or have any questions, please feel free to give me a call at 972-644-2800 or contact me via email at cwilliams@bbcpi.com.

Sincerely,

Binkley & Barfield – C&P, Inc.
Consulting Engineers

MSAB – AGENDA ITEM MEMORANDUM

TO: **MSAB Members**

FROM: **Bethany Browning, Main Street Manager**

DATE: **May 26, 2015**

SUBJECT: **2015 Main Street Advisory Board Update**

Board Chair, Evan Matteson, will address the Mayor and Council with a brief summary and update of the board's work. The Prezi should last approximately 10-15 minutes in length.

THIS PAGE INTENTIONALLY LEFT BLANK

56

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 06/01/2015

APPLICANT: Jay Bedford of A.J. Bedford Group, Inc.

AGENDA ITEM: **P2015-014** (Grady Rash Subdivision)

SUMMARY:

Hold a public hearing to discuss and consider a request by Jay Bedford of A.J. Bedford Group, Inc. for the approval of a residential replat creating Lots 6, 7, & 8, Block A, Grady Rash Subdivision, being a 3.727-acre tract of land currently identified as Lots 1, 2, 4, & 5, Grady Rash Subdivision, City of Rockwall, Rockwall County, Texas, zoned Single Family Residential (SF-10) District, addressed as 1 Soapberry Lane, 2 Soapberry Lane, 4 Soapberry Lane, & 5 Soapberry Lane, and take any action necessary.

COMMENTS:

- The The Grady Rash Subdivision is comprised of a total of five (5) residential lots. The objective of this request is to eliminate one residential lot (Lot 1, Blk A as recorded in Cabinet B, Slide 142) by re-platting Lots 2, 4, & 5 and absorbing all of Lot 1 as laid out on said plat and creating Lots 6, 7, & 8. All lots within the subdivision can be accessed through a 50-ft private drive and utility easement known as Soapberry Lane. The replat will also establish various easements that are not identified when the property was final platted in 1984.

- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions below.

- With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

NOTIFICATION:

The Texas Local Government Code (TLGC) requires notice to be mailed to all property owners within 200 feet of the subject property ***that are within the subdivision;*** therefore, staff mailed one (1) notice to the property owner of Lot 3, Block A, Grady Rash Subdivision as required by State statute. A notice of Public Hearing was published in the Rockwall Herald-Banner as required by law. At the time this report was drafted, staff has not received any notice regarding the residential replat request.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the residential replat request, staff would recommend the following conditions of approval:

A) All the technical comments from the Engineering and Fire Departments shall be addressed prior to the filing of this plat, including adherence to the following Planning Department comments;

1. Adherence to Engineering and Fire Department standards.
2. Address all staff comments as listed in the Project Plan Review (see attached).

B) Any construction resulting from the approval of this final plat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Hold a public hearing to discuss and consider a request by Jay Bedford of A.J. Bedford Group, Inc. for the approval of a residential replat creating Lots 6, 7, & 8, Block A, Grady Rash Subdivision, being a 3.727-acre tract of land currently identified as Lots 1, 2, 4, & 5, Grady Rash Subdivision, City of Rockwall, Rockwall County, Texas, zoned Single Family Residential (SF-10) District, addressed as 1 Soapberry Lane, 2 Soapberry Lane, 4 Soapberry Lane, & 5 Soapberry Lane, and take any action necessary.

Planning Staff Comments:

1. Adherence to Engineering and Fire Department Standards.

2. Relabel the lot numbers as Lot 6, Lot 7, & Lot 8 (Lots 2, 4 & 5 respectively). The City does not use an "R" in the lot number sequence when replating.

3. Correct Title Block to read:
Final Plat
Grady Rash Subdivision
Lots 6, 7, & 8, Block A
3.727 Acres
Being a replat of all of lots 1, 2, 4, & 5, Block A.....Correct spelling in Cabinet.

4. Remove "25' Building Line" label north of the private drive (Soapberry Lane) easement located on lots 7 & 8.

5. Relabel Soapberry Lane as a "50' Private Drive & Utility Easement".

6. Delineate/describe Soapberry Lane to establish boundary on plat.

7. Indicate the extremes and label 25' building line on lots where appropriate.

8. Indicate the extremes of the 10' & 15' utility easements on southern property line.

9. Indicate and label 15' utility easement at "old lot line" of Lot 6.

10. Along Soapberry Lane's eastern property boundary, delineate access & utility easement from 24' private road (refer to 1984 Final Plat).

11. Label 20' alley adjacent to Soapberry Lane's eastern property boundary.

12. Location Map - Use gray scale graphic.

13. Correct Lot numbers in Dedication Statement on page two to read Lots 6, 7, & 8 where applicable.

14. Notary not necessary when stamped by surveyor.

Planning Department	David Gonzales	5/21/2015	5/22/2015	5/21/2015		APPROVED W/ CONDITIONS	See comments

Type of Review / Notes	Contact	Sent	Due	Received	Elapsed	Status	Remarks

The following staff comments for the revised plat are to be addressed and resubmitted no later than Tuesday, June 2, 2015 (four large copies [18" X 24" FOLDED] and one PDF version) for subsequent review by staff.

Provide a label indicating "Case No. P2015-014" on all pages resubmitted for staff review.

1. Adherence to Engineering and Fire Department Standards.

2. Relabel the lot numbers as Lot 6, Lot 7, & Lot 8 (Lots 2, 4 & 5 respectively). The City does not use an "R" in the lot number sequence when replating.

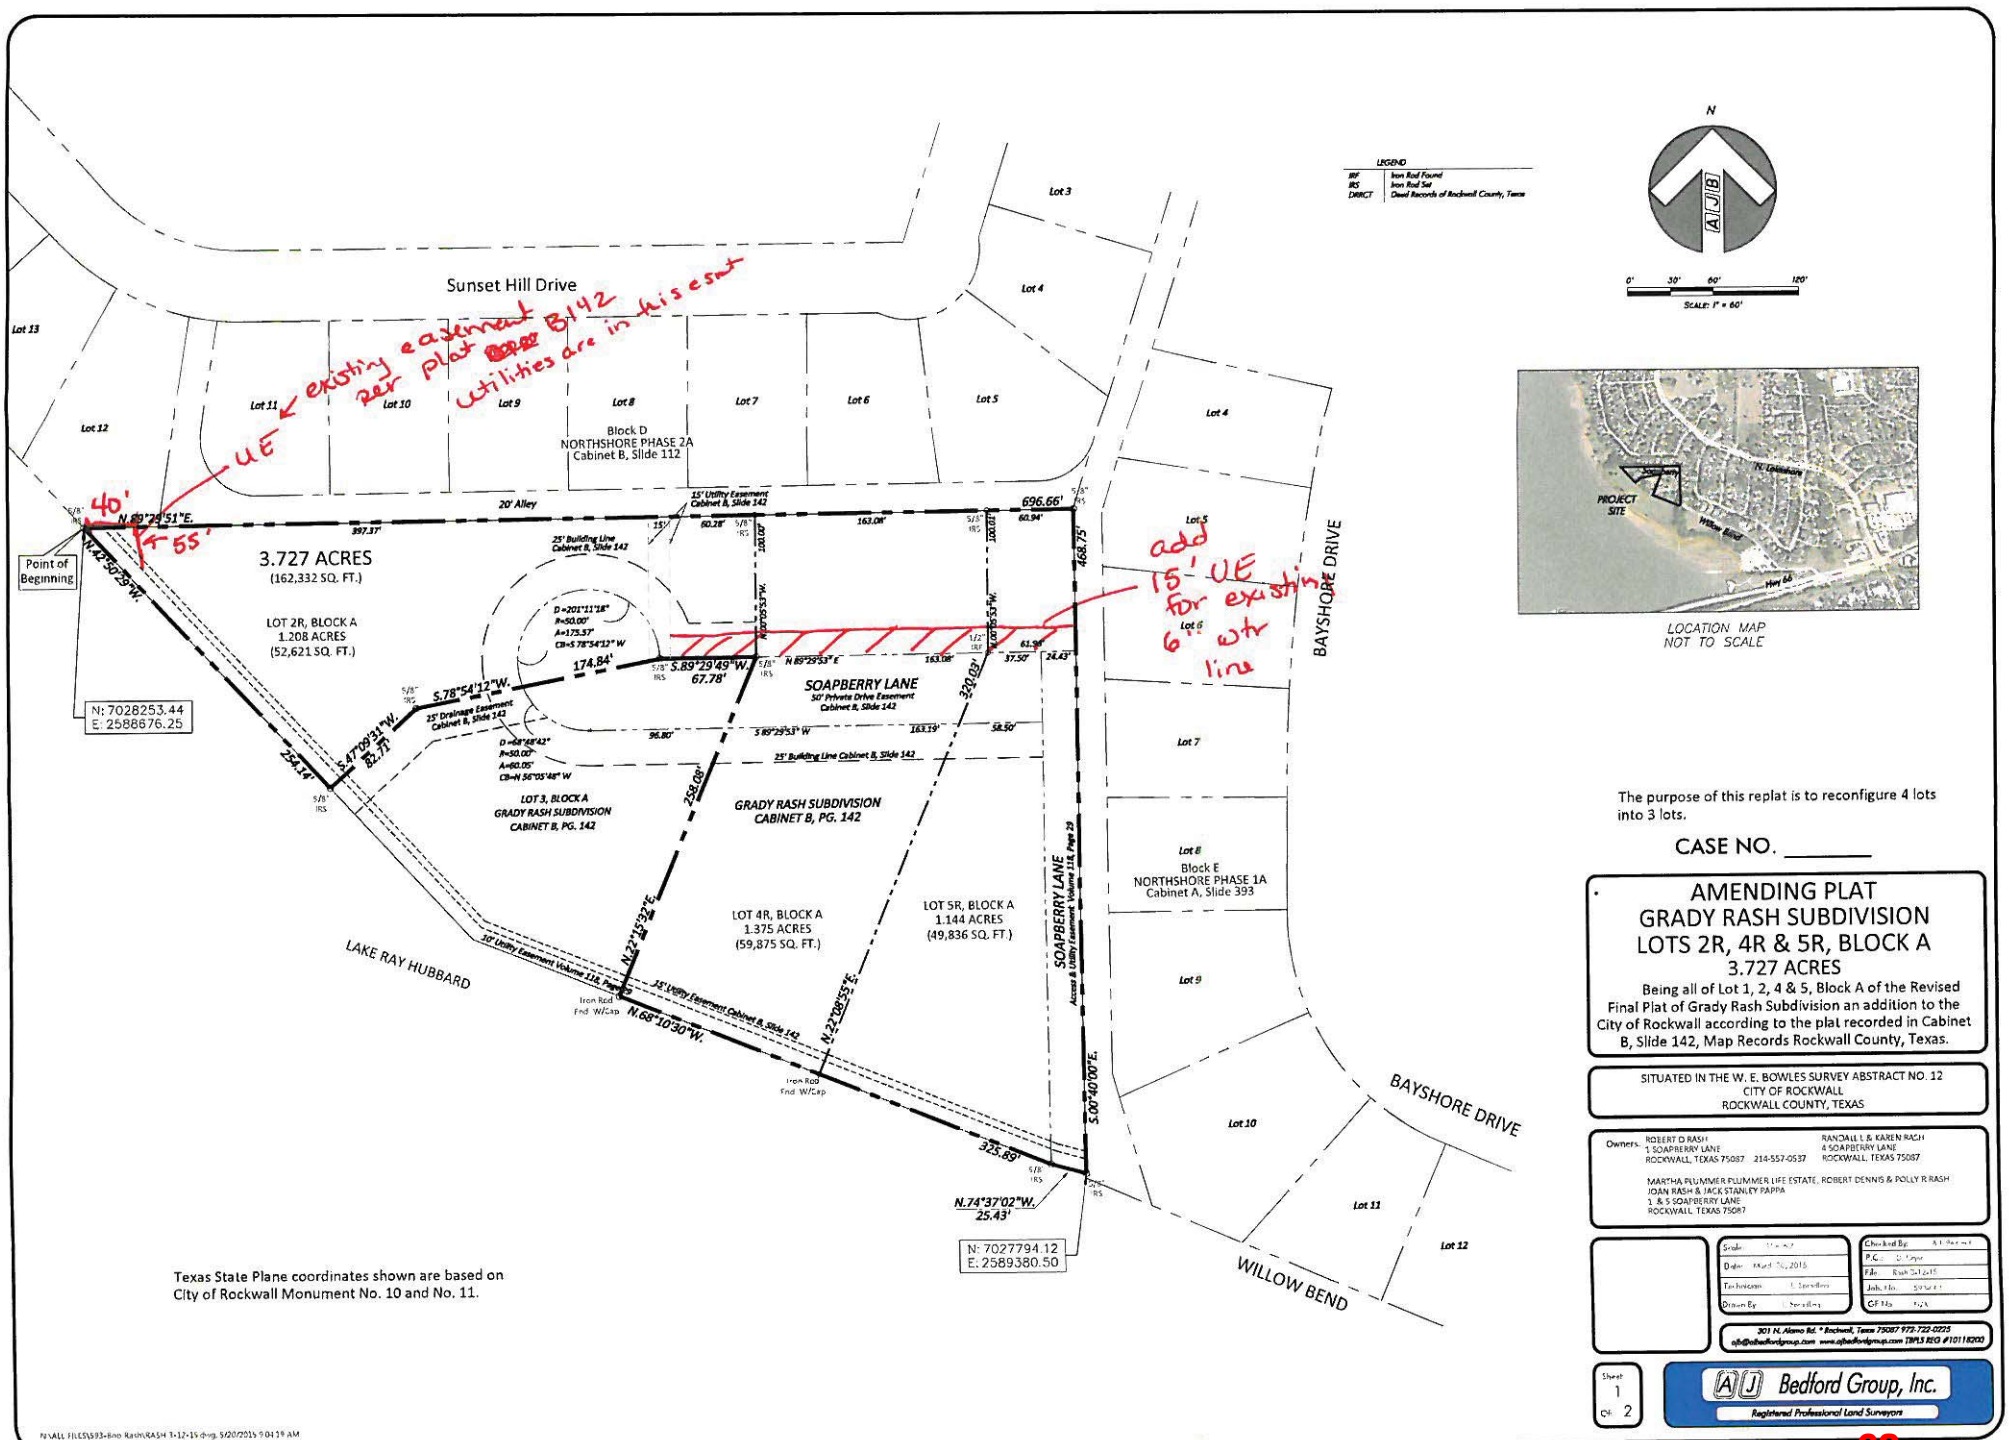
3. Correct Title Block to read:
Final Plat
Grady Rash Subdivision
Lots 6, 7, & 8, Block A
3.727 Acres
Being a replat of all of lots 1, 2, 4, & 5, Block A.....Correct spelling in Cabinet.

4. Relabel Soapberry Lane as a "50' Private Drive & Utility Easement".

5. Indicate the extremes and label 25' building line on for all lots with a double arrow between building line setback and private drive easement.

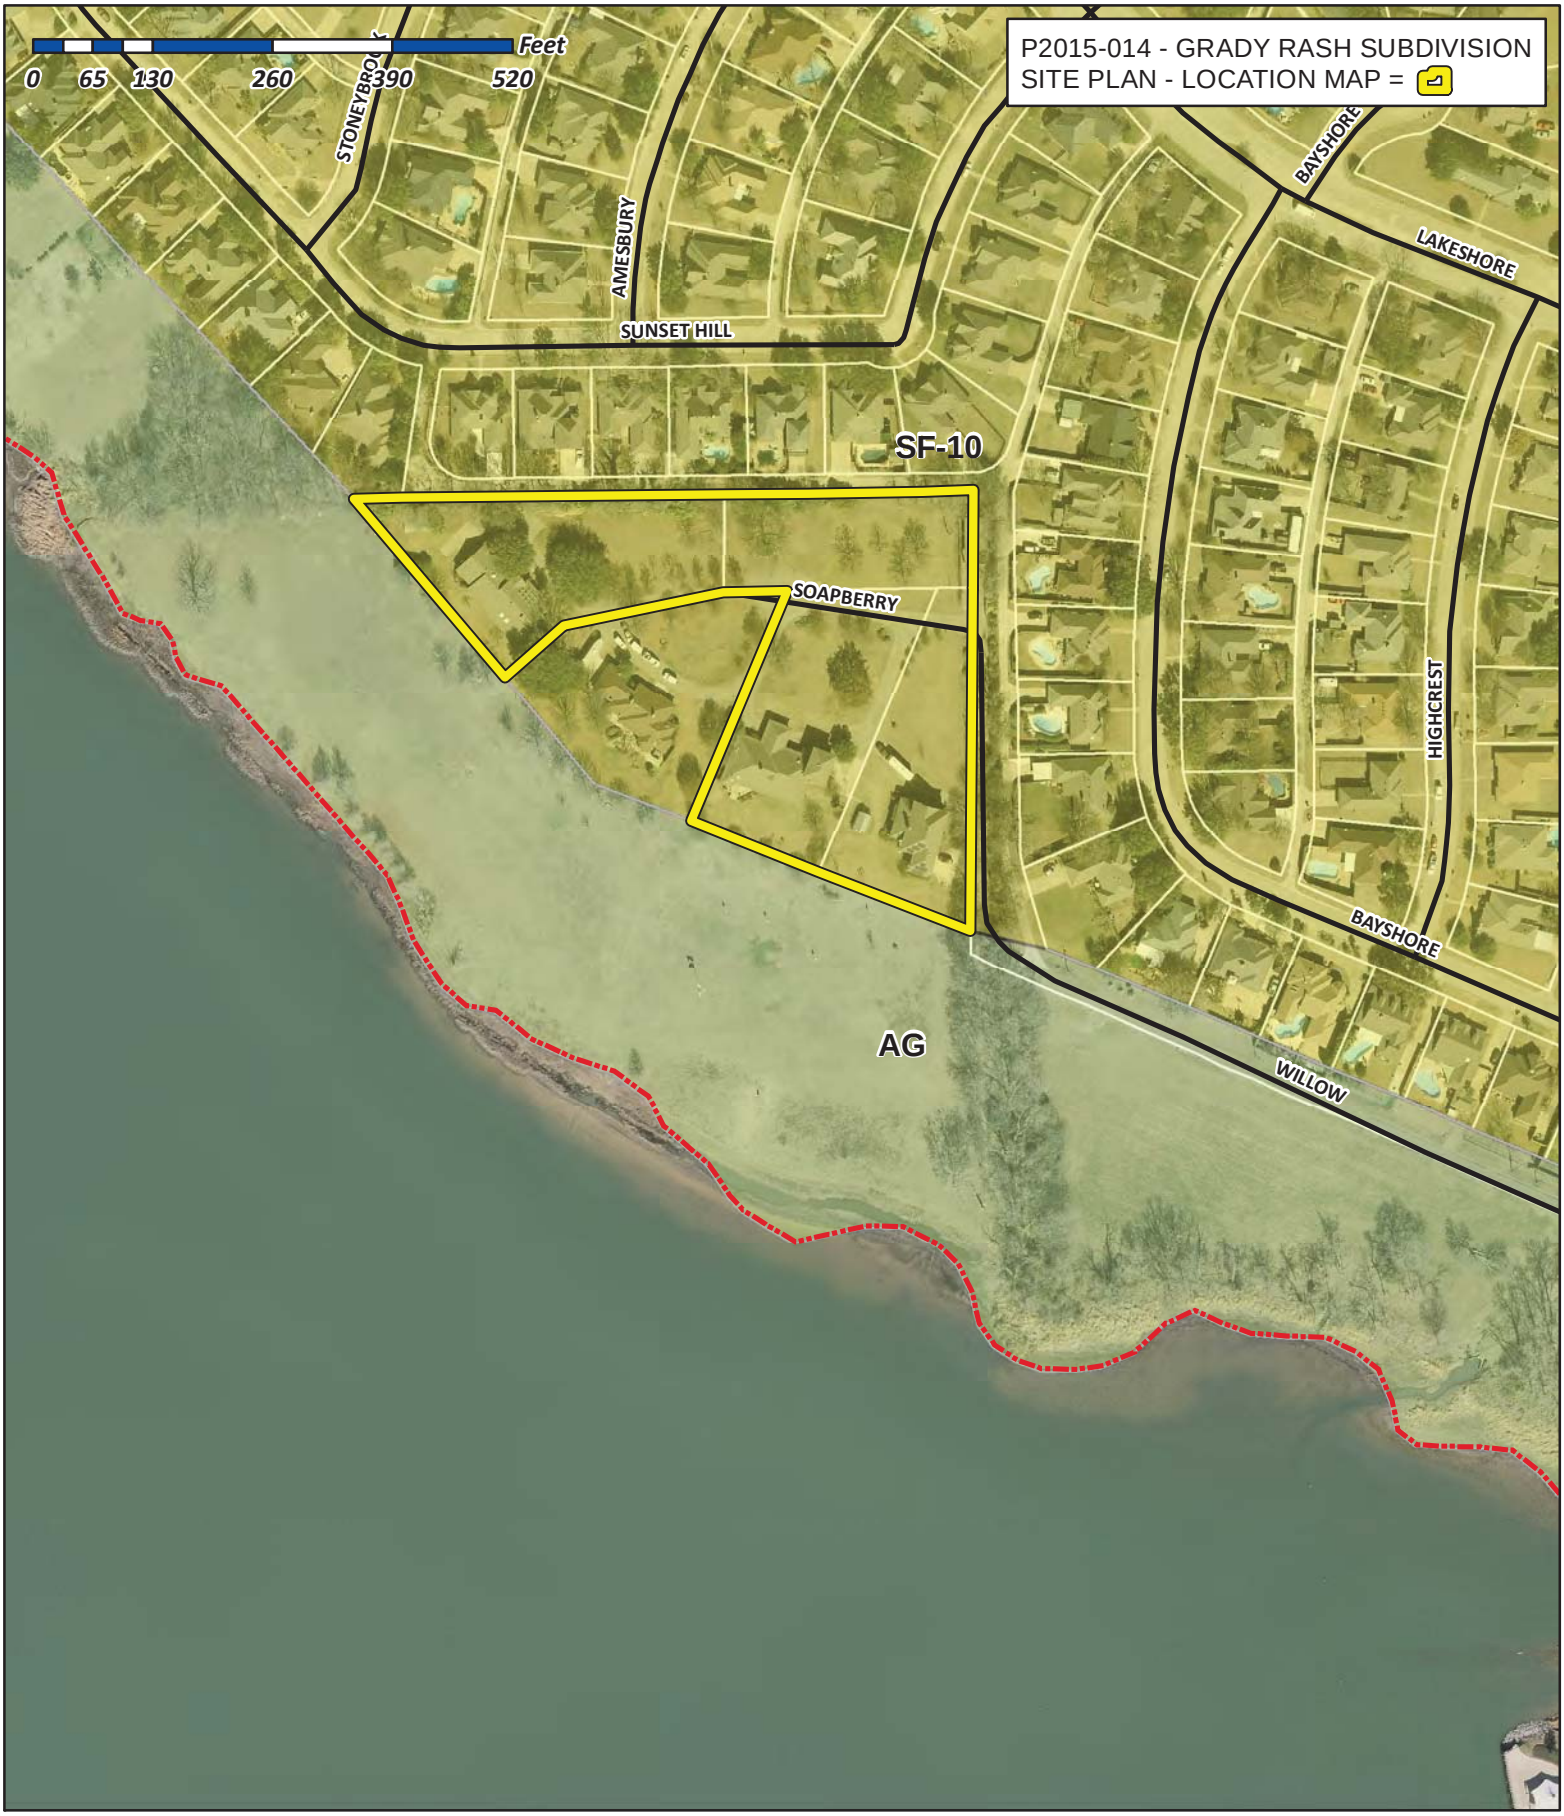
6. Indicate the extremes of the 10' & 15' utility easements on southern property line (use double arrow).

7. Along Soapberry Lane's eastern property boundary, delineate access & utility easement from 24' private road (refer to 1984 Final Plat).



8. Label 20' alley adjacent to Soapberry Lane's eastern property boundary.

9. Location Map - Use a gray-scale graphic to better delineate.



10. Label the portions of the originl Lot 1 to indicate "Non-Buildable Area" norht of the private drive easement for Lot 7 and Lot 8.

11. Correct Lot numbers in Dedication Statement on page two to read Lots 6, 7, & 8 where applicable.

12. Notary notnecessary when stamped by surveyor. Please remove notary certificate underneath surveyor block.

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. P2015-014: GRADY RASH SUBDIVISION - Residential Rep

Hold a public hearing to discuss and consider a request by Jay Bedford of A.J. Bedford Group, Inc. for the approval of a residential replat creating Lots 6, 7, & 8, Block A, Grady Rash Subdivision, being a 3.727-acre tract of land currently identified as Lots 1, 2, 4, & 5, Grady Rash Subdivision, City of Rockwall, Rockwall County, Texas, zoned Single Family Residential (SF-10) District, addressed as 1 Soapberry Lane, 2 Soapberry Lane, 4 Soapberry Lane, & 5 Soapberry Lane, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 5/26/2015 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 6/1/2015 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **6/1/2015** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

OWNERS CERTIFICATE §
STATE OF TEXAS §
COUNTY OF ROCKWALL §

WHEREAS MARTHA PLUMMER RASH LIFE ESTATE, ROBERT D. RASH AND RANDALL L & KAREN RASH, are the owners of a 3.727 acre tract of land situated in the W. P. Bowles Survey Abstract No. 12, City of Rockwall, Rockwall County, Texas and being all of Lots 1, 2, 4, and 5, Block A of Grady Rash Subdivision an addition to the City of Rockwall according to the plat recorded in Cabinet B, Slide 142, Map Records Rockwall County, Texas (MRRCT) and being more particularly described as follows:

BEGINNING at a 5/8 inch iron rod set in the east line of Lake Ray Hubbard and being the northwest corner of said Lot 2 and the most southerly southwest corner of Lot 12, Block D of Northshore Phase 2A an addition to the City of Rockwall according to the plat recorded in Cabinet B, Slide 112 (MRRCT);

THENCE along the north line of said Grady Rash Subdivision and the south line of said Northshore Phase 2A, NORTH 89°29'51" EAST a distance of 696.66 feet to a 5/8 inch iron rod set for corner at the northeast corner of said Grady Rash Subdivision and the southeast corner of said Northshore Phase 2A and being in the west line of Northshore Phase 1A an addition to the City of Rockwall according to the plat recorded in Cabinet A, Slide 393 (MRRCT);

THENCE along the east line of said Grady Rash Subdivision and the west line of said Northshore Phase 1A, SOUTH 00°40'00" EAST a distance of 468.75 feet to a 5/8 inch iron rod set for corner in the northeasterly line of said Lake Ray Hubbard;

THENCE along the south line of said Grady Rash Subdivision and the northeasterly line of said Lake Ray Hubbard as follows:

NORTH 74°37'02" WEST a distance of 25.43 feet to a 5/8 inch iron rod set for corner;

NORTH 68°10'30" WEST a distance of 325.89 feet to a capped iron rod found for corner at the southwest corner of said Lot 4;

THENCE along the west line of said Lot 4, NORTH 22°15'32" EAST a distance of 258.08 feet to a 5/8 inch iron rod set for corner in the south line of said Lot 1;

THENCE along the south line of said Lot 1, SOUTH 89°29'49" WEST a distance of 67.78 feet to a 5/8 inch iron rod set for corner at the southeast corner of said Lot 2;

THENCE continuing along the south line of said Lot 2, SOUTH 78°54'12" WEST a distance of 174.84 feet to a 5/8 inch iron rod set for corner;

THENCE continuing along the south line of said Lot 2, SOUTH 47°09'31" WEST a distance of 82.71 feet to a 5/8 inch iron rod set for corner in the east line of said Lake Ray Hubbard;

THENCE along the west line of said Lot 2 and the east line of said Lake Ray Hubbard, NORTH 42°50'29" WEST a distance of 254.14 feet to the POINT OF BEGINNING;

CONTAINING 3.727 acres or 162,332 square feet of land more or less

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS §
COUNTY OF ROCKWALL §

I the undersigned owner of the land shown on this plat, and designated herein as the GRADY RASH SUBDIVISION, LOTS 6, 7 AND 8 BLOCK A to the City of Rockwall, Rockwall County, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown for the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the GRADY RASH SUBDIVISION, LOTS 6, 7 AND 8 BLOCK A have been notified and signed this plat.

I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. I also understand the following:

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house, dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I , my successors and assigns hereby waive any claim, damage, or cause of action that I may have as a result of the dedication of exactions made herein.

CITY OF ROCKWALL

RESOLUTION NO. 15-16

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, APPOINTING THE ROCKWALL MUNCIPAL COURT JUDGE; PROVIDING AN EFFECTIVE DATE.

WHEREAS, Texas law govern the appointment of the City's Municipal Judge to a two-year term; and

WHEREAS, the City Charter Section 4.03 provides that the City Council will appoint a City Judge of the Municipal Court who will be appointed to a two-year term and may be reappointed to additional terms; and

WHEREAS, Cathy Mason Penn is a duly qualified attorney licensed in the State of Texas and has served in the capacity of Municipal Court Judge for five years; and

WHEREAS, the City Charter was amended in May 2015 to allow for the City Council to appoint an Associate City Judge(s) that meet the same qualifications as the City Judge of the Municipal Court who will work in the absence of the City Judge; and

WHEREAS, the City has begun the process to fill the position of Associate Judge and it is anticipated such position will be filled before July 30, 2015;

NOW, THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. Cathy Mason Penn is duly qualified to serve as Municipal Court Judge and is hereby reappointed to serve a term of two (2) years coinciding with the term of the Mayor to begin on June 1, 2015 and end on May 31, 2017.

Section 2. The Mayor is authorized to execute an agreement with Cathy Mason Penn for services as Municipal Court Judge.

Section 3. This Resolution shall become effective from and after its adoption and it is so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 1st day of June 2015.

Jim Pruitt, Mayor

ATTEST

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 06/01/2015

APPLICANT: Jennifer Garcia of KBGE

AGENDA ITEM: **SP2015-012;** General Retail Store – S. Goliad Street

---

SUMMARY:

Discuss and consider a request by Jennifer Garcia of KBGE on behalf of Rockwall Ice Cream Holdings, LLC for the approval of a variance to horizontal articulation requirements as stipulated by Article V, District Development Standards, of the Unified Development Code in conjunction with an approved site plan for a general retail store on a 0.91-acre tract of land identified as Tract 36 of the B. J. T. Lewis Survey, Abstract No. 255, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the SH-205 Overlay (SH-205 OV) District, located on the east side of SH-205 [S. Goliad Street] north of the intersection of SH-205 and Yellow Jacket Lane, and take any action necessary.

PURPOSE:

The applicant is requesting approval of a variance(s) as identified in this staff report for not meeting the articulation standards of the Unified Development Code (UDC). A site plan for the proposed location was approved by the Planning and Zoning Commission on May 12, 2015. However, the Planning Commission did not take action on the variance requested at that time due to constraints of the site as outlined by the applicant. The Planning Commission remanded the elevations back to the Architectural Review Board (ARB) for a subsequent review and recommendation based on the changes presented to P&Z at the May 12th meeting.

VARIANCE REQUEST:

The applicant is requesting the following variances to the *Unified Development Code*, *Article V, Section 4.1 General Commercial District Standards*, to allow for not meeting the Horizontal Articulation requirements as established in *Art. V, Sec. 4.1, C.1.a. & b* and as depicted in the color perspective and color elevations submitted. The code reads as follows:

C. *Building articulation.*

1. *Requirements.* Facades shall meet the following minimum standards for articulation:

    a. *Horizontal articulation.* No building wall shall extend for a distance equal to three times the wall's height without having an offset of 25 percent of the wall's height, and that new plane shall extend for a distance equal to at least 25 percent of the maximum length of the first plane.

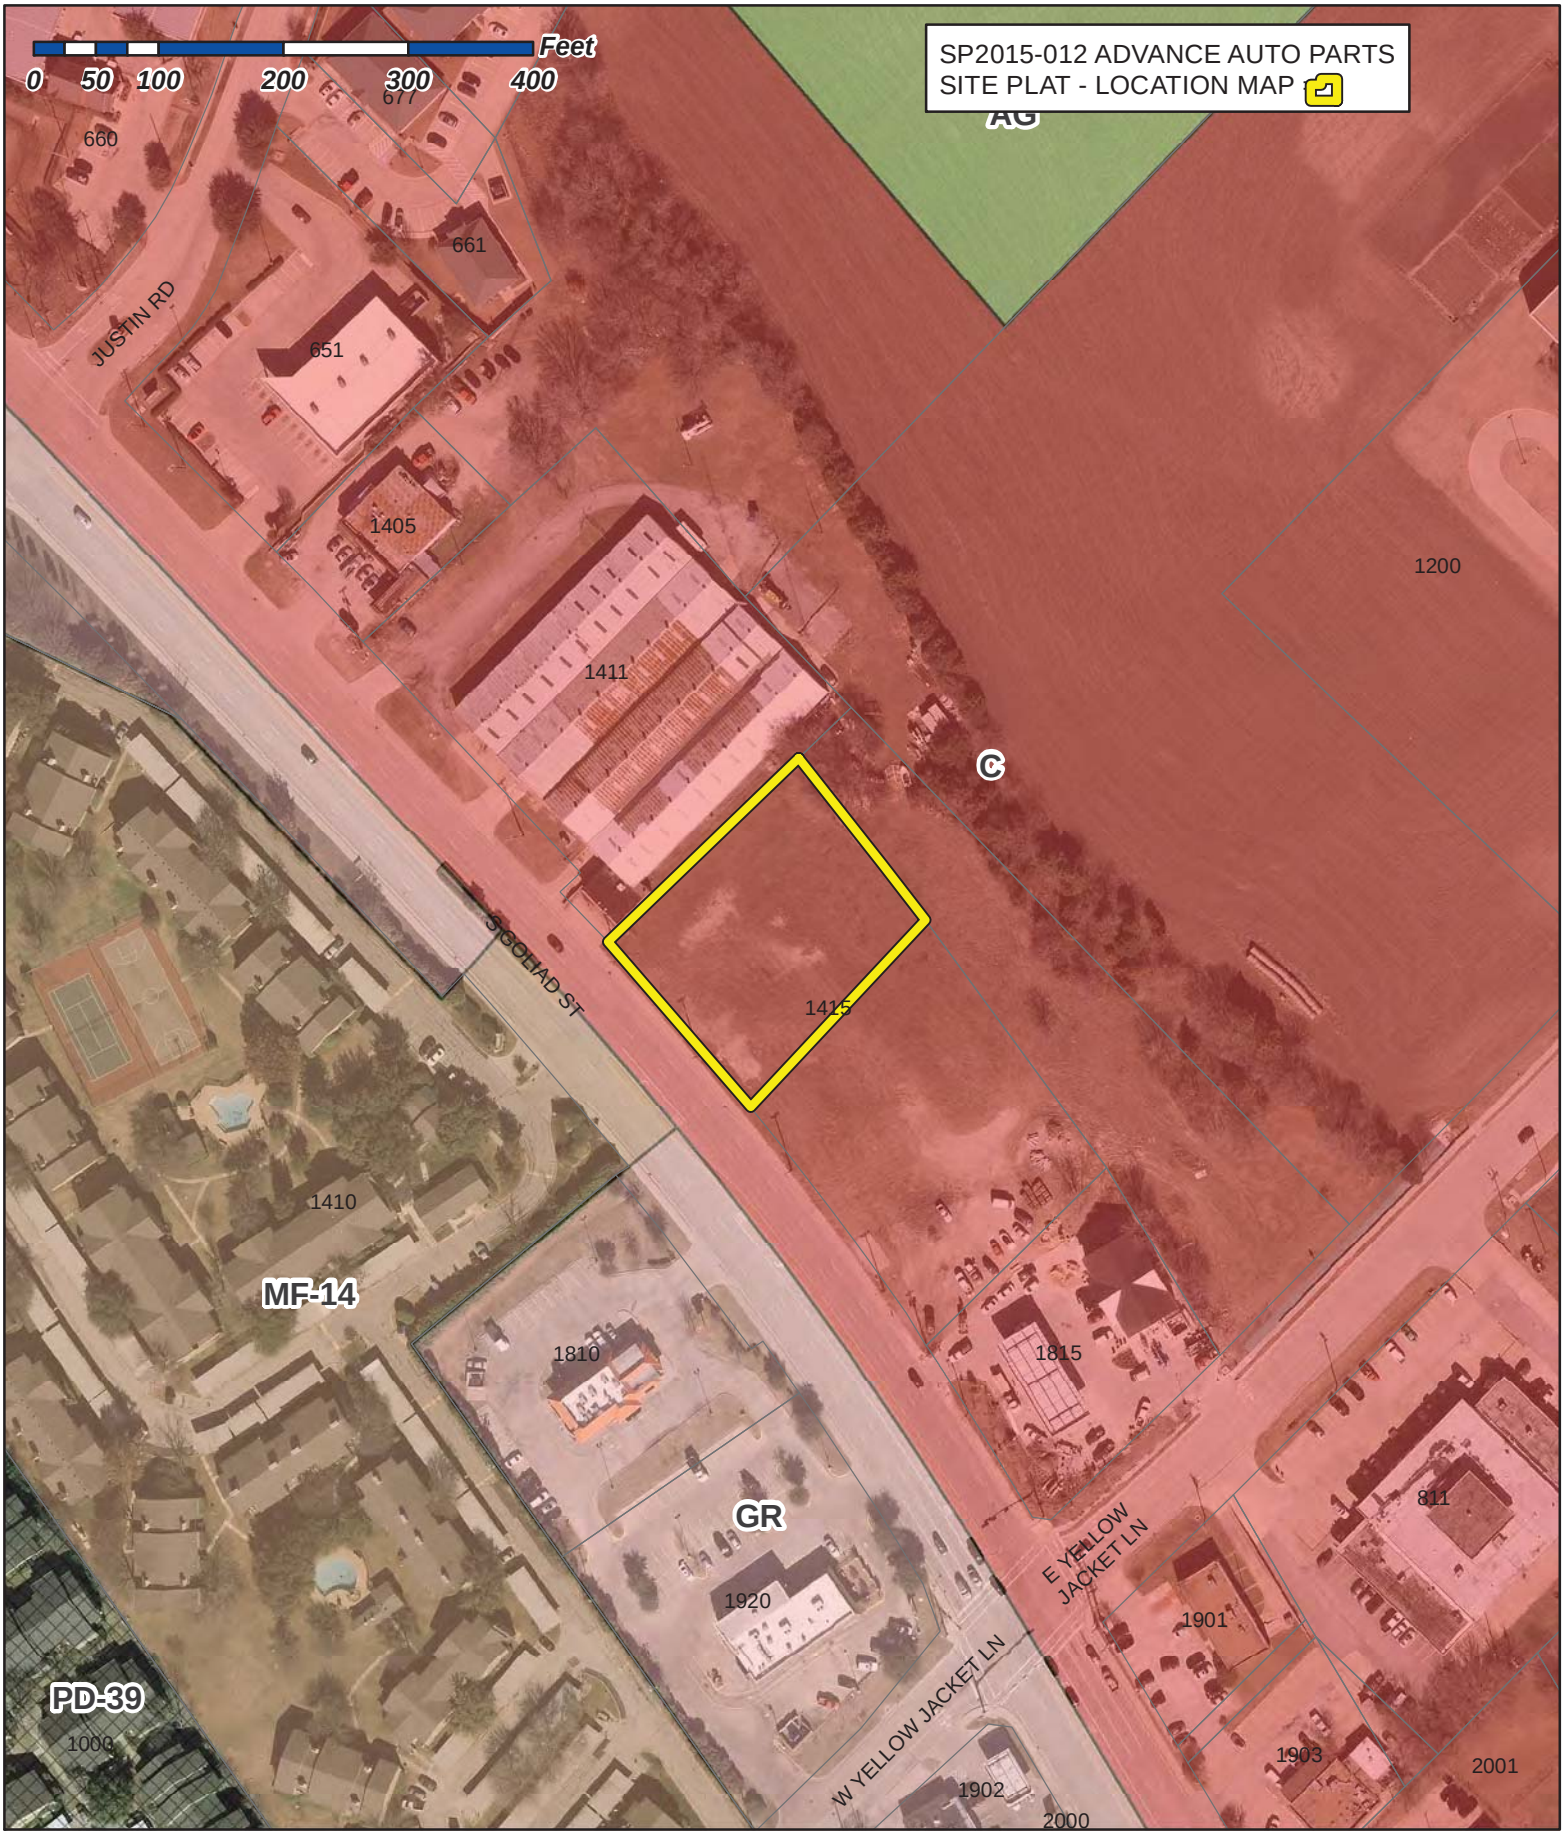
b. *Vertical articulation.* No horizontal wall shall extend for a distance greater than three times the height of the wall without changing height by a minimum of 25 percent of the wall's height.

The applicant has provided an offset (bump-out) on each wall and two (2) vertical elements (south & west facing elevations); however, the offsets do not meet the technical definition for horizontal articulation and the vertical element (south facing) and lack of vertical elements on two sides (north & east facing) do not meet the intent of the vertical articulation standard as well. The variances requested by the applicant for not meeting the horizontal and vertical articulation standards of the UDC requires a simple majority vote in the affirmative of all council members present for approval.

ARCHITECTURAL REVIEW BOARD RECOMMENDATION:

On April 28, 2015, the Architectural Review Board (ARB) reviewed the proposed building elevations for the site. General discussion concerning the agenda item took place between the Board Members and city staff. The board expressed concern with the lack of horizontal and vertical articulation for the building as well as their desire to retain the pilaster elements at the corners. To address these concerns the board recommended that the applicant increase the horizontal and vertical projections of the front entry element and to lower the cornice of the pilaster to be in line with the lower (main) parapet.

The applicant has revised the front elevation by increasing the horizontal and vertical projections, which meets the ARB's concern for articulation on the front façade; however, the pilaster elements are not on the revised elevations, and therefore do not meet the ARB's overall recommendation. It should be noted that the applicant's revised plans indicate vertical elements on each wall that meet the intent of the UDC with regard to vertical articulation; however, a variance to the horizontal articulation is still required.



The ARB requested to review the revised elevations via e-mail. At the time of this report, staff has not received comments from the ARB members.

On May 9, 2015, ARB Board Member Mase (Mase) responded to the e-mail addressing all other members of the board requesting feedback to a question concerning the vertical articulation of the side and back being as tall as the front elevation. No other responses were received by staff either for or against the proposed changes or for the question posed by Mase.

On May 26, 2015, the Architectural Review Board reviewed the revisions submitted by the applicant, and unanimously recommended approval of the revised elevations.

PLANNING AND ZONING RECOMMENDATION:

On May 12, 2015, the Planning and Zoning Commission did not take action on the variance requested, rather remanded the elevations back to the Architectural Review Board (ARB) for a subsequent review and recommendation after approving the site plan. On May 26, 2015, the Planning Commission approved a motion recommending approval of the variances to the horizontal and vertical articulation requirements by a vote of 7 to 0.

Airport Operations Report

For Month of April 2015

FUEL SALES

	GALLONS SOLD	GROSS SALES
Jet - A Sales	455.00	$1,774.50
Av-Gas Sales	1,528.20	$6,691.76
TOTAL FUEL SALES	**1,983.20**	**$8,466.26**

HANGAR RENTAL REVENUE

Open T Hangar Rental Revenue	$3,145.00
Transient Covered Hgr - Nightly	$420.00
Enclosed Hangar Rental Revenue	$120.00
Nightly Tiedown Fees	$7.00
North Maintenance Hangar Rental Revenue	$500.00
TOTAL HANGAR RENTALS	**$4,192.00**

HANGAR OCCUPANCY RATES

	TOTAL HANGARS	QTY RENTABLE	QUANTITY LEASED	OCCUPANCY RATE
Open T Hangars	45	40	36	90.00%
Closed Hangar Rentals	1	1	1	100%
Open Hangar Cap Rentals	2	1	1	100%
TOTAL HANGAR OCCUPANCY	**48**	**42**	**38**	**90%**

Of the forty five hangars only forty can actually be rented. Most of these forty should be considered substandard and not easily marketed due to pad slope and width, electrical, and drainage issues.

CITY FEES DUE	FEE RATE	FRANCHISE FEE DUE	FUEL FLOWAGE FEES DUE	TOTAL FEES DUE
Fuel Sales (Gallons Sold)	$0.10	$0.00	$198.32	$198.32
City Owned Hangar Rentals	5.00%	$209.60	$0.00	$0.00
TOTAL FEES DUE		**$209.60**	**$198.32**	**$407.92**

I certify the information and amounts submitted on this form are true and correct.

Jacky Casey, Assistant Secretary

City of Rockwall
The New Horizon

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Timothy M. Tumulty, Director of Public Works/City Engineer

DATE: June 12, 2015

SUBJECT: Rockwall County Master Thoroughfare Plan

The Cities of Rockwall, Fate, Royse City, McLendon-Chisholm and Heath have been working with the Rockwall County Commissioners to evaluate and revise the County Master Thoroughfare Plan. The North Central Texas Council of Governments (NCTCOG) is assisting Rockwall County to evaluate roadway lane requirements of major arterial roadways needed to meet the population demands in the year 2035. NCTCOG has completed their analysis of the future roadway needs and provided a draft copy to the Rockwall County cities for their review and comment. This plan also addresses the impact to SH 205 through our City.

Our staff has completed the review of the proposed plan and will meet with Rockwall County on Tuesday, June 16, 2015 to discuss our comments. The County intends to complete this phase of the process by the end of this month. If and when this new plan takes effect at the County level, the cities should incorporate these roadways into their Master Thoroughfare Plan. If you have any questions, please advise.

City of Rockwall
The New Horizon

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Timothy M. Tumulty, Director of Public Works/City Engineer

DATE: June 12, 2015

SUBJECT: IH 30 Westbound Entrance Ramp

The 2012 Bond Program included a project to design and construct a new entrance ramp to westbound IH 30 between FM 740 (Ridge Road) and Horizon Road. The construction of this entrance ramp should improve traffic flow in the surrounding area during peak travel hours. Traffic in the area of Ridge Road wishing to travel to Dallas or other western suburb cities must drive through the IH 30/Horizon Road intersection which becomes severely congested in peak hours. With the installation of this new entrance ramp, congestion levels should be reduced in this area.

This ramp will be designed and constructed to State standards. The design contract will be managed by the City of Rockwall while construction management will be handled through the Texas Department of Transportation's Area Office. The design and construction will be performed solely at the cost of the City. Staff is currently negotiating with a consulting engineer for the engineering design services contract. Once the consultant starts the design process, construction could get underway within nine months. Construction time should take approximately nine months to complete.

If you have any questions, please advise.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **June 10, 2015**

SUBJECT: **PARKS AND RECREATION STRATEGIC INITIATIVES**

In 2005, a department wide business plan was adopted that outlined several strategic initiatives giving operational direction to the staff. The plan provided clear timelines and guidance for completion. As the City has grown and many past goals have been met and progress has been made on the Parks and Recreation Master Plan, it seems to be an appropriate time to forge ahead with additional strategic initiatives.

As a result of joint meetings with Park Board and City Council and staff input, 15 new initiatives have identified. The initiatives are intended to be strategic in nature and achievable in a 12 to 24 month period. Many tasks will be taken on as standard operating procedure after the initiatives are approved and completed.

At the June meeting, Park Board voted unanimously to recommend to Council the strategic initiatives attached with this agenda item. Park Board has also requested a work session with City Council to present the final recommendations.

Six of the initiatives are intended to plan, design or complete physical improvements to the park system; four emphasize operational improvements and staff development; three more identify and develop new recreation program offerings; one explores barriers and opportunities to attract business and leisure travelers; and the final initiative is to expand public awareness of parks and recreation services and how they contribute to our residents' quality of life.

Earlier this year, Park Board Chairman Brad Bassett appointed three board members to a marketing subcommittee to evaluate our current efforts. A memo from subcommittee chair-person Wayne Larson that summarizes their findings is attached. These findings are also preliminarily addressed in the public awareness strategic initiative.

Park Board will present their recommendations. Staff will be available to answer any questions. Contingent upon approval, staff is prepared to begin work on the initiatives immediately.

Memorandum

Date: June 8, 2015

To: City of Rockwall Mayor Jim Pruitt and City Council

From: Wayne Larson, CPC, APR, Parks Marketing Committee Chairperson

Copy: Rick Crowley, City Manager
Brad Griggs, Assistant City Manager
Andy Hesser, Parks and Recreation Manager
Parks and Recreation Advisory Board

Subject: Parks Marketing Committee Summary

I was asked by Parks Board Chairman Brad Bassett to submit this memorandum to you. A draft was reviewed by the Parks and Recreation Department staff and the Parks Board.

The Marketing Committee of the Parks Board met twice with the leadership team of the Parks and Recreation Department during the past few months to discuss various aspects of promoting the department as well as the City of Rockwall. The following is the committee's summary of those meetings:

- The department is the primary public relations arm of the city through special events and other related activities.
- However, the overall public awareness of the city and the department needs to be further refined and strategic. Current process and use of city logos is inconsistent.
- Current consideration should be given to:
    - Budgeted line items within the department's annual operating budget for event promotions so staff planning is not restricted to sponsorship funding and is empowered to promote events and the city.
    - A professional survey of residents and department customers on their communication preferences and knowledge of city programs.

- There is an opportunity for strategic planning to utilize all available city communication resources: newsletters, promotions, direct mail, social media, electronic communications, website, etc. This will help breakdown silo communications of departments independently operating with competing interests.

It is the overall recommendation of the Parks Board Marketing Committee that city management and the City Council consider the following objectives:

- Investing resources (strategic planning, staff, budget) into a long-term, public awareness strategy for the City of Rockwall.
- Developing a dedicated, holistic approach to promoting the city, its attributes and unique characteristics.
- Approving guidelines and a style guide for all city departments which will foster consistency and continuity of public awareness efforts.

In closing, we hope the City Council gives consideration to the topic of city-wide public awareness and promotions during future budget sessions or planning retreats. On behalf of the committee and department, I thank you in advance for your time and attention on this issue.

Current Parks & Recreation Strategic Initiatives

The following strategic initiatives are those which were identified as a result of input gathered from City Council and Park Board joint meetings as well as staff input. At this point, all are strategic in nature, but some may evolve into daily operations once implemented. Certain initiatives will be completed, and many will be ongoing with additional measures and targets added as the initiatives achieve particular levels of progress.

INITIATIVE TABLE OF CONTENTS
Identify opportunities to expand public awareness of parks, trails, recreation, and special events.
Develop financing & phasing plan for Lakeside Park Master Plan
The Park at Stone Creek
The Park at Breezy Hill
Conduct analysis of needed recreation software upgrades
Park Maintenance Standards
Conduct analysis of park maintenance and contract personnel
Professional Development
Create operations training manual for Parks & Rec Division
Develop and increase program offerings for those with special needs
Identify and implement new water-based and outdoor recreation program opportunities
Habitat enhancements for purpose of attracting butterflies and specific birds
Revive the reforestation plan by planting one tree on public grounds for each year since the City has been founded
Identify and purchase 50 acre community park land south of I-30
Improve tourism opportunities and hotel room nights

DRAFT

17

Identify opportunities to expand public awareness of parks, trails, recreation, and special events.

Description: Parks, trails, rental facilities, playgrounds, live music, The Harbor, pools, fishing, boating, youth baseball/softball, summer camps, senior programs, and a wide variety of other recreation programs are just some of the services The City of Rockwall Parks and Recreation provides. The challenge is getting the word out to residents that their tax dollars are being used for their benefit and quality of life. It has become evident that many people do not know that most of the services they desire or already utilize are provided by the City.

A comprehensive communication plan could provide a consistent and effective message to our residents. Some of these efforts will encompass how, when and with whom we communicate through seasonal programs and event cycles, such as Fun Guide, websites, and other print and electronic media. Other efforts can be accomplished on a daily one on one scale. Our park maintenance and recreation staff encounter residents on a daily basis. Increasing their knowledge and skills with how they interact ensures a genuine personal exchange in what the City has to offer.

Measure:

1. Develop a public awareness campaign for parks, recreation, open space and trails.
2. Develop a comprehensive electronic media communication plan.
3. Develop a comprehensive print media communication plan.
4. Design and evaluate opportunities for a park ambassador program.
5. Implement communication and park ambassador plans.

Target:

1. October 30, 2015
2. March 30, 2016
3. February 1, 2016
4. April 30, 2016

Owner: Andrew Ainsworth, measures 1-4

Aaron Dobson, measure 5

DRAFT

Developing financing and phasing plan for Lakeside Park Master Plan

Description: The Parks, Recreation and Open Space Master Plan identifies opportunities to develop a lakeside community park along the northeast shores of Lake Ray Hubbard. In 2010, a concept plan for approximately 400 acres of land within the take-line area of the lake was created to highlight the park development possibilities of this land. Due to the size and complexity of the project, a phasing and financing plan needs to be explored to direct any future actions.

Measure:

1. Amend inter-local lease area agreement with the City of Dallas.
2. Develop phasing plan and cost estimate.
3. Review grant opportunities and identify Capital Improvement Program (CIP) options.

Target:

1. December 31, 2015
2. March 15, 2016
3. April 30, 2016

Owner: Andy Hesser

DRAFT

19

The Park at Stone Creek

Description: The developer of the Stone Creek subdivision dedicated approximately 11 acres of park land to be developed as the neighborhood park for district #5. Pro-rata equipment fees have also been collected for this district. The value of the land and the fees collected were used as the matching portion of a $400,000 grant from the Texas Parks and Wildlife Department (TPWD). In August of 2014, the City was successful in receiving the grant.

The City has entered into a contract with MHS Planning and Design for construction and bid documents services. Public input will be taken during a regularly scheduled Park Board meeting when the drawings are substantially complete. There are many steps in the TPWD grant process that require approval prior to moving to the next step. In addition to TPWD, there may be other state and federal regulatory approvals needed. The anticipated project development schedule is subject to TPWD requirements.

Measure:

1. Receive and review plan draft from MHS
2. Public input meeting
3. City Council review
4. Submit plans to TPWD for review
5. Project completion
6. Grand opening

Target:

1. June 15, 2015
2. August 4, 2015
3. September 8, 2015
4. October 1, 2015
5. August 31, 2016
6. August/September 2016

Owner: Andy Hesser

DRAFT

The Park at Breezy Hill

Description: In March of 2015, the City submitted an application to the Texas Parks and Wildlife (TPWD) grant program for $400,000 in matching funds to develop the neighborhood park at Breezy Hill. The developer has dedicated 11 acres of land for the neighborhood park, as well as approximately 30 acres of land dedicated as natural open space. The value of the land and the pro-rata equipment fees collected will be used as the City's matching portion of the grant. Contingent upon being awarded the grant funds, the City will undertake the same process as the Park at Stone Creek for design and development.

The land dedicated by the developer has been placed in the Texas Recreation and Parks Foundation to be held in trust until funds are available to develop the park. In the event the City is not awarded the grant in this funding cycle, the land and its associated value are still eligible to be used for future grant applications.

Measure:

1. Receive notification of grant award from TPWD.
2. Contingent upon award of grant, sign agreement with TPWD.
3. Begin design process.

Target:

1. August 1, 2015
2. March 15, 2016
3. March 30, 2016

Owner: Andy Hesser

DRAFT

Conduct analysis of new recreation software

Description: We currently use software called CLASS for all recreation program and facility registration functions. Support for this software is being phased out in 2016 due to end of service life. As customer needs and technology changes, alternatives for customer registration software need to be evaluated. Recent innovations in recreation software may provide new options for our customers that we currently cannot offer such as: online program registration, online facility reservations, automatic messaging, key deposits, social media integration, pool passes, and customer trends analysis.

Measure:

1. Develop list of criteria/attributes and evaluate options based on criteria established.
2. Make recommendation for budget request.

Target:

1. July 15, 2015
2. August 15, 2015

Anticipated Funding Source:

Recreation Development Fund

Owner: Andrew Ainsworth

DRAFT

Park Maintenance Standards

Description: Our residents regularly express a high expectation for how our parks, trails, facilities and open space are to be maintained. This expectation can be subjective and highly variable. It is important to clearly define and quantify these standards in order to make the best use of the City's time, personnel, equipment and fiscal resources. The park maintenance standards need to be updated to reflect the community's growth and desire to maintain a high-quality parks and municipal grounds system.

.

Measure:

1. Update inventory of existing facilities.
2. Define appearance standards or "levels" appropriate for each park, trail and facility type.
3. Define maintenance frequency standards appropriate for each level.
4. Define work load priorities by level.

Target:

1. December 2015
2. December 2015
3. February 2016
4. March 2016

Owner: Aaron Dobson

DRAFT

Analysis of Park Maintenance Personnel and Contract Personnel

Description: The park maintenance department is responsible for full-time and part-time employees and contracted resources to perform a wide variety of tasks and expertise that include but are not limited to: turf maintenance, tree maintenance, shrub and flower maintenance, infrastructure construction, irrigation installation and maintenance, ball field maintenance, playground construction and maintenance, trail maintenance, as well as program and special event support.

These resources are finite and must be used efficiently in order to meet the adopted standards and expectations. Analysis of these resources in comparison to the adopted maintenance standards is necessary to determine an effective allocation of resources and to forecast the maintenance needs of future facilities or improvements.

Measure:

1. Determine available staff hours.
2. Estimate productivity standards; equipment, tasks needed to maintain adopted levels of service.
3. Determine work load requirements to maintain adopted level of service.
4. Recommendations for service mix

Target:

1. March 2016
2. March 2016
3. May 2016

Owner: Aaron Dobson

DRAFT

24

Professional Development

Description: Rockwall currently has approximately 44,000 residents. In 2004, Rockwall had about 27,000. The City strives to meet these increasing demands in a variety of ways. In all scenarios a well trained and knowledgeable staff is key to keeping up with the changing demands and trends. Each Parks and Recreation position requires specific skill sets and certifications, as well as, broad knowledge and skills to meet our expectations.

Standard Operations Procedure Manual and in-service training schedules are designed to provide skill and knowledge enhancement on the daily operational level. Other initiatives will prepare employees for long range growth and development.

Measure:

1. Identify specific training opportunities for each position.
2. Develop in-service training for new hires and part time employees
3. Increase number of staff Certified Parks and Recreation Professional certifications (CPRP)
4. Evaluate the process and benefits of national accreditation of the Parks and Recreation Department (CAPRA certification)
5. Complete CAPRA self assessment
6. Apply for TRAPS Gold Medal Award
7. Apply for NRPA Gold Medal Award

Target:

1. November 1, 2015
2. April 1, 2016
3. December 1, 2016
4. January 1, 2016
5. August 1, 2016
6. October 30, 2016
7. February/March 2016

Owner: Andy Hesser

DRAFT

Create operations training manual for Parks & Rec Division

Description: In order for staff to efficiently and effectively meet the City's high expectations, performance standards must be clearly and consistently communicated. Standard operating procedures, best practices and training programs are important to staff's performance and development. These standards and expectations should be maintained as one Standard Operating Procedure Manual that is reviewed and updated on an annual basis. The Manual provides a basis to clearly communicate how we should perform our daily operations.

Information gained from the *personnel analysis strategic initiative*, asset inventories and Council adopted maintenance standards can all be communicated through this document. It will also serve to support staff development and training.

Measure:

1. Gather staff input of relevant and desired components of manual
2. Compile all content
3. Review and approval of draft
4. Initiative staff training

Target:

1. November15, 2016
2. January 31, 2016
3. March 1, 2016
4. April 1, 2016

Owner: Andy Hesser

DRAFT

Develop and increase program offerings for those with special needs

Description: The Recreation Division's mission is to "Provide a diverse selection of customer centered activities that are enriching and valued by our residents". One of our core values is *DIVERSITY – to provide activities that enhance the quality of life for all segments of our populations.*

Throughout the public input process for the barrier free playground constructed in Yellowjacket Park, residents revealed new opportunities that are aligned with this mission. With stakeholder input, the Parks and Recreation Department is prepared to explore and develop recreational opportunities geared toward those with special needs.

Measure:

1. Identify stakeholder groups to seek input for program needs.
2. Review current resources for potential program /events
3. Implement new programs utilizing current resources
4. Identify opportunities for new programs and facilities

Target:

1. November 2015
2. January 2016
3. February 2016
4. April 2016
5. October 2016

Owner: Sarah Hurst

DRAFT

27

Identify and implement new water-based and outdoor recreation program opportunities

Description: One of Rockwall's greatest assets is Lake Ray Hubbard. The City's parks and facilities inventory consists almost entirely of outdoor assets. Rockwall's park system includes a variety of paved and unpaved trails, many ponds, fishing piers, a public boat ramp, boat docks, natural open spaces and developed spaces. Seeking public input and partnerships may reveal fresh ideas to further utilize our City's parks, trails, ponds and other natural assets. In addition to existing staff levels, a combination of contract instructors, concession agreements and other partners may be necessary to provide a diverse program mix.

Measure:

1. Conduct public input meetings to seek input for program needs.
2. Assess current resources for feasibility of program opportunities.
3. Develop, implement and market new programs with current resources.

Target:

1. December 1, 2015
2. January 1, 2016
3. March 1, 2016

Owner: Dave Wilson

DRAFT

28

Habitat Enhancements

Description: An important component to a healthy and enjoyable park system is the aesthetic and ecological value of native wildlife. As development and growth pressure increases, these assets become scarce. In order to thrive, native birds, fish, mammals, insects and vegetation need a suitable landscape. Native grasses, trees and wildflowers can be incorporated into public land to provide those needs in a suburban setting. Wildflowers, water fowl and other colorful birds also provide leisure opportunities for residents and visitors for photography opportunities and wildlife viewing.

Not only does native flora and fauna provide recreational enjoyment for our residents, there are other benefits as well. These include reduced need for irrigation and water consumption, slope stabilization and reduced maintenance tasks such as mowing.

Measure:

1. Create a wildflower and native grass plan.
2. Create a plan to enhance habitat to attract songbirds and butterflies.
3. Identify potential partners and resources.
4. Implementation of plan.

Target:

1. April 2016
2. May 2016
3. Aug 2016

Owner: Aaron Dobson

DRAFT

Reforestation Plan

Description: As the City continues to grow, trees are lost to development. Our tree preservation ordinance requires developers to contribute trees or funds to purchase trees to be used in public areas. Public areas include any tax supported entity within the City limits.

Measure:

1. Assess current inventory of trees and available and available resources to purchase and plant trees for public reforestation.
2. Identify locations and phasing for tree planting
3. Adopt plan to plant 162 trees in 2016 and increase this amount annually by 1 to correspond to city's founding date (1854).
4. Complete initial 1 year plan (162 trees).

Target:

1. September 2015
2. September 2015
3. November 2015
4. December 31, 2016

Anticipated Funding Source: Tree preservation ordinance escrow funds

Owner: Aaron Dobson

DRAFT

30

Identify and purchase 50 acre community park land south of I-30

Description: The 2005 voter approved bond program provided approximately $1.2million to acquire one 50 acre community park north of I-30 and one south of I-30. A 50 acre tract north of I-30 has been purchased. It is located at the corner of FM 1141 and North Country lane. A tract south of I-30 has yet to be acquired.

Measure:

1. Identify 50 acre sites
2. Talk to all interested parties.
3. Make recommendations to make acquisition.

Target:

1. Oct 31, 2015
2. May 31, 2016
3. July 31, 2016

Owner: Brad Griggs

DRAFT

31

Improve tourism opportunities and hotel room nights

Description: Tourism revenue from business and casual travelers is a major industry throughout the world. Capturing a portion of that industry revenue needs to be a focal point of future operations. The City of Rockwall is a desirable destination for the business and casual traveler but strategies must be implemented to gain a larger market share.

Measure:

1. Determine city related meeting host opportunities and procedures for procurement
2. Develop professional "marketing" video for the City of Rockwall highlighting meeting host desirable assets of the community
3. Analyze barriers and threats to the City of Rockwall becoming a sought after meeting host location and determine strategies to overcome those threats and barriers.

Target:

1. September 2015
2. May 2016
3. July 2016

Anticipated Funding Source: Hotel Motel Occupancy tax

Owner: Brad Griggs

MINUTES
ROCKWALL CITY COUNCIL
Monday, June 01, 2015
4:00 p.m. Regular City Council Meeting
City Hall - 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pruitt called the meeting to order at 4:00 p.m. Present were Mayor Jim Pruitt, Mayor Pro Tem Dennis Lewis and City Council Members David White, Mike Townsend, Scott Milder, Kevin Fowler and Dennis Lewis. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Brad Griggs, and City Attorney Frank Garza.

II. WORK SESSION

1. Hold work session to discuss city strategic planning, and take any action necessary.

Mayor Pruitt announced that this item will be discussed later on in the meeting.

(See pg. 11 under XVI for minutes concerning this item).

2. Hold work session with Stacy McVey regarding potential development of property located on the northeast corner of SH-276 and Rochelle Road, and take any action necessary.

Mayor Pruitt called forth Mr. Stacy McVey to hear a presentation from him concerning development of this property. Mr. McVey explained that this potential development is located on the northeast corner of SH-276 at Rochelle. They will be requesting that the property be rezoned from Light Industrial (LI) to a Planned Development District (PD). The property consists of 316 acres, and the objective for today's meeting is to present the concept plan and get feedback from the city council.

Craig Carney
4588 Hinton Drive
Plano, TX 75024

Mr. Carney indicated that Commercial is reflected on the concept plan (about 9 acres), two Soil Conservation Commission (SCS) ponds, and about 519 lots. Also, there is a recreational component on the very north side. He understands that density, lot sizes and open space are important to the council, and they are looking to donate about 42 acres of open space. He went on to explain that density is 1.7 houses per acre with green space greater than 30% and walk/hike/bike trails greater than 3 miles, with a lot mix consisting of some - 80x120's, 70x110's and 60x110's. One of the advantages of the residential development will be its proximity to the Rockwall Technology Park. Discovery Boulevard would be extended from the Tech Park over to and across this development. It will be a mixed use development, and they intend to have at least one hotel to service the Tech Park and possibly the recreational component up to the North, which may involve baseball tournaments (perhaps a Boys & Girls Club recreational component). Again, two SCS ponds will be present, surrounded by the residential subdivision. Infrastructure improvements will include a portion of Rochelle Road from SH-276 up to the NW corner of the property. Also, water and sewer infrastructure will be

installed, and a substantial upgrade will be made to the Timber Creek lift station. Two amenity centers (swimming pools, meeting rooms and activity spaces) will be included. Retail and restaurants are also anticipated in the Commercial portion as well as neighborhood-related services.

Mayor Pro Tem Lewis asked the density calculation includes the floodplain acreage. Lewis mentioned that the city is currently having problems with an SCS pond flooding a neighborhood. He also asked if the developer has spoken to the Rockwall Economic Development Corporation (REDC). Mr. McVey indicated that he believes the meandering nature of the property, coupled with the floodplain areas, does not make this property ideal for a large, LI development.

Mr. Carney indicated that they have meet with representatives of the SCS and have gleaned their feedback, indicating that some flood studies will need to be completed. Mr. Carney indicated that they spoke to the REDC about three to four weeks ago, and they left with a feeling that they were in support of it, but they perhaps want to find some replacement land for the Light Industrial (LI).

Lewis again asked if the floodplain area was included in the density calculation. Mr. Carney indicated that part of the floodplain area was used in the calculation, but not all of it.

Councilmember Hohenshelt expressed concern about the proposed SCS ponds, especially in light of the fact we have some flooding problems currently because of similar ponds. Mr. Carney indicated that once the concept plan is approved, more extensive drainage and flood engineering studies would be conducted.

Councilmember Milder expressed thanks for the developer staying in compliance with the city's comprehensive plan. He then asked what the expected price point would be on the homes in this development. Mr. McVey indicated that on the high end, the homes would be in the high $200,000's and the high price point would be around $400,000. He also asked what builders might be involved. Mr. Carney generally indicated that they are open to various builders as long as they can guarantee building a quality product. Milder asked if there will be any sort of pedestrian walkway from the development over to the Tech Park. Mr. McVey indicated that they are considering this, and they hope to include this in the plans.

Mayor Pruitt indicated that he has concerns about citizens who might move into this residential development if at some point the Rockwall Economic Development Corporation (REDC) has a future business client that wants to build or expand a warehouse right next door in the area that is zoned 'light industrial.' He is concerned that two hundred plus citizens would then come forth and complain that they are not in favor of a "light industrial" development going in right next to their homes. He strongly suggested that, if this development moves forward and comes to fruition, the developer / builders ensure that residents purchasing homes there are clearly made aware of the fact that "light industrial" could very well go in right next door to their homes / neighborhood. Councilmember Hohenshelt echoed similar concerns, indicating that a large buffer space/area is highly desirable between the residential development and the LI zoned area.

Councilmember White expressed that, on the surface, he is fully in support of this proposed development, expressing that improvements to Rochelle Road and the potential partnership with the Boys & Girls Club would both be beneficial.

The council took no action concerning this work session discussion item.

Work Session item #4 was addressed next by city council.

3. Hold work session to discuss the city's Comprehensive Land Use Plan, and take any action necessary.

Mayor Pruitt provided brief background information related to this agenda item, indicating that he wanted this item placed on the agenda for discussion. It stemmed from past discussions regarding how the city can encourage developers to come into the city and develop larger lots. He believes that, along with larger lots, developers may be requesting a reduction in the amount of required open space. He wonders how much the council is willing to compromise on required open space in order to achieve larger lots / larger homes.

City Manager Rick Crowley indicated that he would like to discuss the standards that the city has in place regarding 2.0 units and whether or not the council would be violating its own regulations if it were to grant higher density (i.e. 2.5 units per acre). He explained that the council does have discretion if a developer is proposing amenities within a development that the council feels are sufficient enough to warrant allowing a slight increase in the density. Also, the council may wish to discuss if certain development standards should apply to developments involving 50 acres or more. Regarding alleyways being required, fairly routinely this provision has been waived upon the council exercising its discretion. Regarding open space, Mr. Crowley clarified that this is distinguished from parks and parkland dedication requirements. Also, the John King Boulevard Overlay District design standards are in place and will need to be adhered to, or else a super majority vote of the council would be needed to waive them. Brief comments were made related to the buffer requirements for development off of John King.

Councilmember Fowler asked if it makes sense for city staff and the Planning & Zoning Commission to take a look at our Comp Plan and bring a list of recommended changes to the council to consider, taking into account what types of developments are most commonly occurring today. Mr. LaCroix, Planning Director, indicated that the city's Comp Plan has been reviewed since it was first established in 2000/2001. In 2004, the Downtown Plan was adopted and incorporated into the overall Comp Plan, and in 2007, clarifications regarding residential development standards were incorporated into the Comp Plan to clarify how those standards are associated with the Land Use Plan (addressed 2 units per acre, amenities and open space). Also, in 2010, a process to reevaluate the Comp Plan was started, and it took about eighteen months. So, additional amendments were adopted in 2012 as a result of that review. He indicated that once every six to eight years, cities typically review their Comp Plans to ensure they are still applicable with respect to how a city is growing.

Councilmember Milder indicated that, unless a developer presents a really compelling reason, he is inclined to believe that the council should not grant variances that waiver from the city's Comprehensive Plan. He does not believe that a developer's profit or bottom line is a compelling reason to grant variances. He believes the city council needs

to be more vigilant in honoring the intent of elements contained within the city's Comp Plan.

Councilmember Lewis indicated that when he served on the city's Planning & Zoning Commission, he was involved in an in-depth review of the city's Comp Plan, and it was quite an involved process. He indicated that the city is currently being faced with what it wants John King to ultimately look like. LaCroix clarified that part of the Comp Plan already contains design standard guidelines for the John King Boulevard Overlay corridor that reflect what the roadway itself is proposed to look like.

Councilmember Lewis indicated that he would like to see more creativity in the city's future subdivisions to get away from always having square lots.

Councilmember Hohenshelt expressed disagreement with Milder in that he believes a property owner should be able to sell his land and make a profit from doing so. He generally encouraged the city council members to educate themselves more so that they have a good handle on what the city's standards are and what they would and would not like to see from developers, especially concerning developments involving 50 acres or less. He expressed he believes these proposals will become more prevalent. Councilmember Milder suggested that perhaps there needs to be more specific guidelines incorporated into the Comp Plan that specifically address 50 acres or less. Councilmember White expressed that the more guidelines that are put in place, the more variances the city council will see come forth.

Mr. LaCroix explained that in 2007, guidelines were put in place to stipulate that low density is 2.0 units or less per acre; 2.0 - 3.0 units per acre is medium density and, if you come in as a PD, you might be granted 2.5 acres with the right amenity(ies). Also, there must be open space incorporated, so there is essentially no 'straight zoning' anymore. There are only PDs being proposed, and these sorts of standards were adopted and put into place in 2007.

Mr. LaCroix clarified that, if the council approves a PD, it essentially waives the alleyway requirement.

Following the discussion, the council took no action related to this item.

4. Hold work session to discuss the approaching expiration of the current solid waste collection contract with Allied Waste, and take any action necessary.

Assistant City Manager Mary Smith provided information concerning this item. She stated that the existing garbage contract will expire on December 31, and about six months prior to its expiration (by July 3), the City of Rockwall will need to provide notice to the existing garbage contractor regarding if we desire to extend the contract or go out for proposal. In the past, the City has conducted garbage surveys to glean feedback from Rockwall citizens regarding satisfaction with their garbage service; however, we have not done so in several years. She explained that the Council will need to discuss this topic in more detail and take action at the next city council meeting regarding. She further indicated that staff is happy to conduct a garbage survey of other cities to inquire about their garbage contractors and associated service and return the results to the council by the next meeting.

Mayor Pruitt asked Mr. Burnis of Allied Waste if there are any concerns from the company's standpoint.

Rick Burnis
171 Pelican Cove
Rockwall, TX

Mr. Burnis indicated that Rockwall signed a five year contract with his company with a five year renewal clause. He is excited about the opportunity to renew the contract. The only thing that the company may need to consider is a couple of new pieces of equipment due to the increased population and increase in mature trees, but these items can be negotiated with the city. Mr. Burnis indicated that citizens of Rockwall really enjoy the twice per week garbage pickups, so that will likely not be proposed to change.

Mayor Pruitt has concerns about citizens having to make forced payments for recycling regardless of if they do or do not participate in it. He would like to see a breakdown of the benefit to the city regarding the recycling program.

Councilmember Milder indicated that he has been satisfied with the existing garbage company's service; however, he believes it would be in the best interest of tax payers to allow other garbage companies to bid on a request for proposals. Perhaps there is a way to save a little money or be more efficient in our trash service. Maybe there could be a 'bulk pickup' hotline, for example, where citizens could call to request bulk pickup only if and when they have those items to be picked up. Mr. Burnis explained that pre-scheduled pickups are done throughout the city in an effort to be mindful of the overall cleanliness and appearance of the city.

Mayor Pruitt asked staff to proceed with conducting a multi-city survey and put a discussion item on the next council meeting agenda to decide how the council would like to proceed concerning its garbage contract. No formal action was taken at this time.

Following Work Session item #3, the city council recessed into Executive Session. Mayor Pruitt read the following discussion items into the public record for discussion as well as Work Session Agenda Item #1. The public meeting was recessed at 5:00 p.m.

III. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding legal matters related to land lease operations at Ralph Hall Municipal Airport pursuant to Section 551.071 (Consultation with Attorney).
2. Discussion regarding claim filed by Ryan Frost pursuant to Section 551.071 (Consultation with Attorney)
3. Discussion regarding appointment of city council subcommittees, board liaisons and designation of Mayor Pro Tem pursuant to Section, §551.074 (Personnel Matters).
4. Discussion regarding appointment to the city's Rockwall Economic Development Corporation (regulatory) board, pursuant to Section 551.074 (Personnel Matters)
5. Discussion regarding Agreement for Municipal Court Judge pursuant to Section 551.074 (Personnel Matters) and Section 551.071 (Consultation with Attorney)

IV. ADJOURN EXECUTIVE SESSION

Executive Session adjourned at 5:55 p.m.

V. RECONVENE PUBLIC MEETING

Mayor Pruitt reconvened the public meeting at 6:00 p.m. with all seven council members being present.

VI. SWEARING IN OF NEWLY ELECTED MAYOR & CITY COUNCIL MEMBERS

District Court Judge Brett Hall was present and administered Oaths of Office to newly elected Mayor Jim Pruitt and Council Members David White, John Hohenshelt, Scott Milder and Kevin Fowler.

VII. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

No action was taken as a result of Executive Session at this point; however, see end of public meeting for action taken after the second Executive Session was held.

VIII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER WHITE

Councilmember White delivered the invocation and led the Pledge of Allegiance.

IX. OPEN FORUM

Mayor Pruitt explained how this portion of the meeting is conducted and asked if anyone would like to come forth and speak during this time.

Mary Puckett-Eckstine
1605 Plummer Drive
Rockwall, TX

Mrs. Puckett-Eckstine came forth and indicated that she has lived in her home in Rockwall since 1980. She shared a brief story about a recent observation she had concerning emergency vehicles and personnel being able to access some of the homes within The Shores if and when a major traffic accident on IH-30 causes an influx of traffic in and along Ridge Road and through The Shores neighborhood as drivers try to make it over to SH-66. She indicated that she recently called Mayor Pruitt to express her concerns and was pleased to learn that the mayor, council and city staff have already put plans in place to address this concern. She thanked the city council and staff for their forethought and plans.

John Fischer
260 Argyle Shore
Rockwall, TX 75087

Mr. Fischer indicated that he has lived in his home since 2004. He has concerns about a home on his street (2610 Argyle Shore) that has been utilized as a 'group home' for seniors, which he believes is not an authorized use. He is concerned that the city does not have proper zoning regulations in place to prevent these types of operations from

existing illegally within the city. He expressed that an elderly person who was living in that home recently passed away. He encouraged the city to strengthen its laws to ensure this does not happen again in the future. He stated that he believes the operation has now vacated the home, and he requested and had the police department perform a welfare check at the home just to be sure no one was left behind.

X. CONSENT AGENDA

1. Consider approval of the minutes from the May 18, 2015 regular city council meeting, and take any action necessary.

2. Consider approval of an ordinance amending Sections 38-50 through 38-61 of Article II, Parkland Dedication, of Chapter 38, Subdivisions, of the Code of Ordinances for the purpose of adjusting "Table 1: Park Dedication Acreage Factor per Dwelling Unit" to account for changes to the "Ultimate Dwelling Unit Holding Capacity" and "Dwelling Unit Dedication Factor" as approved by the Land Use Assumptions Report adopted by Resolution No. 14-16, and take any action necessary. (2nd reading)

3. Consider award/approval of the bid presented by Roadway Solutions in the amount of $197,829.00 for the construction of the traffic signal at the intersection of Ralph Hall Parkway at Mims Road, and take any action necessary.

Councilmember White made a motion to approve all Consent Agenda items (#1, 2 and 3). Councilmember Lewis seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-17

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS AMENDING ARTICLE II, *PARK LAND DEDICATION*, OF CHAPTER 38, *SUBDIVISIONS*, OF THE CODE OF ORDINANCES AS SET FORTH HEREIN; PROVIDING FOR A PENALTY CLAUSE; PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR PUBLICATION; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 7 ayes to 0 nays.

XI. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Craig Renfro, Chair of the Planning & Zoning Commission, came forth and briefed the city council on recommendations of the Commission relative to items on tonight's city council meeting agenda. The council took no action concerning this agenda item.

2. Appointment with representatives of the city's Main Street Advisory Board to hear update regarding the program and downtown, and take any action necessary.

Evan Matteson from the city's Main Street Advisory Board came forth and provided a brief presentation to council to update them on the program and activities in and around downtown. He stated that a big goal is to provide readily available public restrooms in the downtown area, expressing that the board views this as a necessity. He indicated that the board would also like to increase the presence of cultural arts, create new special events and support and grow existing special events. They would also like to more frequently update the Council and increase transparency as far as public awareness is concerned.

Mayor Pruitt acknowledged Bethany Browning, the city's Main Street Manager, for her work and for attending this evening. No action was taken concerning this agenda item.

XII. PUBLIC HEARING ITEMS

1. P2015-014 - Hold a public hearing to discuss and consider a request by Jay Bedford of A.J. Bedford Group, Inc. for the approval of a residential replat creating Lots 6, 7, & 8, Block A, Grady Rash Subdivision, being a 3.727-acre tract of land currently identified as Lots 1, 2, 4, & 5, Grady Rash Subdivision, City of Rockwall, Rockwall County, Texas, zoned Single Family Residential (SF-10) District, addressed as 1 Soapberry Lane, 2 Soapberry Lane, 4 Soapberry Lane, & 5 Soapberry Lane, and take any action necessary.

Mr. LaCroix indicated that a public hearing is required by State law with regards to this residential replat. The original plat had a total of five residential lots and was a family development; however, some of the lots have since been sold outside of the family. He generally indicated that the owner would now like to divide up this property into three lots. This replat allows for a private access utility easement to be clarified and for some technical aspects of the plat to be cleaned up. The Planning & Zoning Commission did recommend approval of this item.

Mayor Pruitt opened the public hearing and asked if anyone would like to come forth and speak. There being no one, Mayor Pruitt then closed the public hearing.

Jay Bedford of A.J. Bedford Group
301 N. Alamo
Rockwall, TX

Mr. Bedford came forth to answer any questions of the council. He explained that his understanding is that the owner wants to do this solely for tax purposes. Councilmember White made a motion to approve this item. Councilmember Milder seconded the motion, which passed by a unanimous vote (7 ayes to 0 nays).

XIII. ACTION ITEMS

1. Discuss and consider adoption of a resolution appointing a Municipal Court Judge, and take any action necessary.

Mayor Pruitt indicated that this item will be discussed in Executive Session before the council considers taking action on it. In the end, no action was taken at this council meeting concerning this agenda item.

2. SP2015-012 - Discuss and consider a request by Jennifer Garcia of KBGE on behalf of Rockwall Ice Cream Holdings, LLC for the approval of a variance to horizontal articulation requirements as stipulated by Article V, District Development Standards, of the Unified Development Code in conjunction with an approved site plan for a general retail store on a 0.91-acre tract of land identified as Tract 36 of the B. J. T. Lewis Survey, Abstract No. 255, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the SH-205 Overlay (SH-205 OV) District, located on the east side of SH-205 [S. Goliad Street] north of the intersection of SH-205 and Yellow Jacket Lane, and take any action necessary.

This tract of land is owned by the same owner of the Dairy Queen. It is essentially a second lot that is under a sales contract right now, and a retail auto parts store is being proposed at this location. The Architectural Review Board (ARB) reviewed once and, as a result, some architectural changes were requested to be made. After those changes were made, the ARB and P&Z Commission reviewed it a second time. The Planning & Zoning Commission recommended approval of this request.

Councilmember Lewis made a motion to approve SP2015-012. Councilmember Townsend seconded the motion. Councilmember Milder expressed that he appreciates the development, however, he believes that putting a third auto parts store so close to two other existing ones is not an appropriate placement, especially considering this is a major corridor location. Following Milder's comments, the motion passed by a vote of 5 in favor with 2 against (Milder and Fowler).

XIV. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports
Building Inspections Monthly Report - April 2015
Fire Department Monthly Report - April 2015
Harbor PD Monthly Report - April 2015
Internal Operations Department Monthly Report - April 2015
Police Department Monthly Report - April 2015
Recreation Monthly Report - April 2015
Rockwall Animal Adoption Center Monthly Report - April 2015

2. City Manager's Report

City Manager Rick Crowley briefed the city council on recent rains that caused flooding in the Lake Rockwall Estates neighborhood. He expressed that the flooded Soil Conservation lake is being managed at this time. He thanked Rockwall County Helping Hands for their prompt and continued assistance in rendering aid to those families whose homes have been flooded. He expressed heartfelt regret to families who have been adversely affected. Mr. Crowley stated that he would like the council's blessing to seek out additional private source funding that could be utilized by Helping Hands to continue helping families that have been affected on a more long-term basis. He thanked the County Emergency Management Coordinator for his continued assistance and work. He explained that a Presidential Disaster has been declared with regards to flooding in the State of Texas, and the families in Rockwall who have been affected by the floods are being encouraged to report their losses; however, this does not guarantee any Federal

monetary assistance. The lake will continue to be managed; however, it will take at least thirty days for the lake level to recede. Mayor Pruitt indicated that he and the council are in support of Mr. Crowley seeking out monetary donations for Helping Hands so that they may continue helping affected families. Mr. Crowley indicated that electrical meters were pulled by Oncor at the request of the city for safety purposes. There is no gas in the area.

Fire Chief Mark Poindexter then came forth and shared photographs and a verbal report concerning homes that have been affected by the flooding in the Lake Rockwall Estates subdivision. He explained that an 8" siphon pipe has been installed to try and drain the lake level to some extent, and the Soil Conservation Commission is overseeing this; however, it is a very, very slow process.

Councilmember Lewis indicated that there are still some vacant lots for sale. If a buyer goes through a title company or bank, then it does have to be disclosed that the property is located in a 100 year floodplain. However, if the sale takes place on a 'note,' then it may not be disclosed. Councilmember White asked if the city would issue a building permit to someone who purchased a lot in a floodplain. Mr. Crowley and City Engineer Tim Tumulty indicated that no, the city would not. Regarding if a resident will be allowed to rebuild, Mr. Tumulty indicated that they are allowed to rehab the structure, and Building Inspections will be involved to assess the damage and ensure building codes are met if/when rehabbing takes place. The council took no action concerning this agenda item.

Regarding the application process for Police Chief candidates, Mr. Crowley indicated that interviews have been ongoing with eleven candidates, and the last interview is scheduled for tomorrow. He will then be significantly narrowing down the candidate pool and will begin conducting background checks. He has had assistance from the two assistant city managers and one of the directors; however, he will be the one ultimately making the final selection. He generally indicated that the process is going smoothly.

From the Executive Session discussion items below, Mayor Pruitt then read into the record #s 3, 4 and 5, as well as the wording for Work Session item #3, before recessing the meeting into Executive Session at 7:00 p.m.

XV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding claim filed by Ryan Frost pursuant to Section 551.071 (Consultation with Attorney)
2. Discussion regarding legal matters related to land lease operations at Ralph Hall Municipal Airport pursuant to Section 551.071 (Consultation with Attorney).
3. Discussion regarding appointment of city council subcommittees, board liaisons and designation of Mayor Pro Tem pursuant to Section, §551.074 (Personnel Matters).
4. Discussion regarding appointment to the city's Rockwall Economic Development Corporation (regulatory) board, pursuant to Section 551.074 (Personnel Matters)

5. Discussion regarding Agreement for Municipal Court Judge pursuant to Section 551.074 (Personnel Matters) and Section 551.071 (Consultation with Attorney)

XVI. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

Mayor Pruitt reconvened the public meeting at 8:20 p.m. and addressed Work Session Item #1 (regarding city's strategic plan).

Councilmember Hohenshelt began discussion of this Work Session Item, indicating he would like to develop the city's strategic plan with the purpose of giving guidance to staff as they manage day-to-day. He expressed the belief that land use has implications for the city's revenue stream, which then funds spending. Hohenshelt went on to talk about a revenue / expenditure model. Mayor Pruitt questioned how the spending model will be examined. Hohenshelt discussed the need to decide appropriate mixes of commercial, light industrial, etc. as far as zoning is concerned. Councilmember White discussed the importance of this city council setting things in motion for future city councils. No action was taken as a result of this Work Session discussion item.

The following actions were taken as a result of Executive Session:

Mayor Pro Tem Lewis made a motion to appoint Mr. Rick Carroll to serve on the Rockwall Economic Development Corporation (REDC) board to fill Kevin Fowler's unexpired term (through December of 2015). Councilmember White seconded the motion, which passed by a unanimous vote (7 ayes to 0 nays).

Councilmember Townsend made a motion to (re)name Dennis Lewis as Mayor Pro Tem. Councilmember Milder seconded the motion, which passed by a vote of 6 in favor with 1 opposed (Pruitt).

Mayor Pruitt made a motion to appoint Councilmember Kevin Fowler to serve on the city's Fire Department Pension Board (replacing former Councilmember Bennie Daniels). Councilmember Hohenshelt seconded the motion, which passed by a vote of 7 in favor with 0 against.

XVII. ADJOURNMENT

Mayor Pruitt adjourned the meeting at 8:55 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS,

THIS 15th DAY OF JUNE, 2015.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 06/15/2015

APPLICANT: Mike Whittle on behalf of Rockwall Rental Properties, LP

AGENDA ITEM: **P2015-022** (Alliance Addition – Replat)

SUMMARY:

Discuss and consider a request by Mike Whittle on behalf of Rockwall Rental Properties, LP for the approval of a replat for Lot 11 & 12, Block 2, Alliance Addition, Phase 2 being a 1.420-acre parcel of land currently identified as Lots 1 & 10, Block 2, Alliance Addition, Phase 2, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 57 (PD-57) for Commercial (C) District land uses, addressed as 6505, 6510 & 6525 FM-3097, and take any action necessary.

COMMENTS:

- The objective of the request is to replat a 1.420-acre tract of land containing two parcels of land (Lot 1 being 0.854-acres & Lot 10 being 0.566-acres). The replat is being proposed to establish the necessary easements in order to accommodate the development of Lot 10. The plat will also establish a temporary 24-ft firelane, public access, and utility easement on Lot 1 until this site develops.

- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions listed in the Recommendations section below.

- With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the request for final plat, staff would recommend the following conditions of approval:

A) All the technical comments from the Planning, Engineering and Fire Departments shall be addressed prior to the filing of this plat, including the following comments;

1. Adherence to Engineering and Fire Department standards.
2. Address all staff comments as listed in the Project Plan Review (see attached).

B) Any construction resulting from the approval of this final plat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION RECOMMENDATION:

On June 9, 2015, the Planning and Zoning Commission recommended approval of the request with staff conditions by a vote of 6 to 0 (Conley – absent).

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

We, ROCKWALL RENTAL PROPERTIES, L.P., the undersigned owners of the land shown on this plat, and designated herein as **LOTS 11–12, BLOCK 2 – ALLIANCE ADDITION PH. 2** subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in **LOTS 11 AND 12, BLOCK 2 – ALLIANCE ADDITION PH. 2**, of this subdivision have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Ashberry, City Secretary / Assistant to the City Manager**

SUBJECT: **Agenda Item Request – Compassionate Cities**

Mayor Pruitt has requested that an Appointment Item regarding this matter be placed on the city council meeting agenda for discussion. Mr. Jack Youngkin, who represents the "International Campaign for Compassionate Cities," will be present to make a brief presentation to the city council. A related resolution has been included in your packets for consideration.

CITY OF ROCKWALL

RESOLUTION NO. 15-18

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AFFIRMING THE "CHARTER FOR COMPASSION" AS PART OF THE INTERNATIONAL CAMPGAIGN FOR COMPASSIONATE CITIES; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Rockwall includes a diverse spectrum of ethnic, religious and political groups embodying the very best of Texan and American values; and

WHEREAS, the Rockwall community is home to a generous citizenry responsible for creating numerous compassionate initiatives, including but not limited to the local Meals and Wheels program, Rockwall County Helping Hands, the Kiwanis' Angel League; and programs through local Rotary Clubs; and

WHEREAS, recently, the City of Rockwall launched additional compassionate initiatives to create a 'barrier free' public playground designed to accommodate people of all abilities and to develop additional Parks & Recreation program offerings for those with special needs;

WHEREAS, studies have shown that compassion promotes happiness, increases productivity and spurs innovation; and

WHEREAS, compassion can help promote interest, growth and economic development in Rockwall by solidifying our city as a state and national leader in the quest for a just and better world; and

WHEREAS, in fulfilling the universal principal and moral of "loving thy neighbor as thyself," compassion can be a strong, unifying force in a polarized world, and it has the power to alleviate the suffering of fellow citizens by putting the needs of others before our own and honoring the rights of others by treating everyone, without exception, with absolute justice, equity and respect; and

WHEREAS, although compassion can be experienced amongst all humankind, we also recognize our responsibility to show compassion for all creation.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THAT:

Section 1. We affirm the "Charter for Compassion," attached hereto as Exhibit A, and call on the Mayor to cultivate compassion in Rockwall by partnering with local public and private entities to create a shared vision that will enhance positive change, civic engagement, and establish the City of Rockwall as a model "Compassionate City" through the International Campaign for Compassionate Cities

Section 2. The City of Rockwall encourages all citizens to affirm the Charter for Compassion and strive to live and act compassionately.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 15TH DAY OF June, 2015.

ATTEST: **Jim Pruitt, Mayor**

Kristy Ashberry, City Secretary

“EXHIBIT A”

The Charter for Compassion

The principle of compassion lies at the heart of all religious, ethical and spiritual traditions, calling us always to treat all others as we wish to be treated ourselves. Compassion impels us to work tirelessly to alleviate the suffering of our fellow creatures, to dethrone ourselves from the centre of our world and put another there, and to honour the inviolable sanctity of every single human being, treating everybody, without exception, with absolute justice, equity and respect.

It is also necessary in both public and private life to refrain consistently and empathically from inflicting pain. To act or speak violently out of spite, chauvinism, or self-interest, to impoverish, exploit or deny basic rights to anybody, and to incite hatred by denigrating others—even our enemies—is a denial of our common humanity. We acknowledge that we have failed to live compassionately and that some have even increased the sum of human misery in the name of religion.

We therefore call upon all men and women to restore compassion to the centre of morality and religion ~ to return to the ancient principle that any interpretation of scripture that breeds violence, hatred or disdain is illegitimate ~ to ensure that youth are given accurate and respectful information about other traditions, religions and cultures ~ to encourage a positive appreciation of cultural and religious diversity ~ to cultivate an informed empathy with the suffering of all human beings—even those regarded as enemies.

We urgently need to make compassion a clear, luminous and dynamic force in our polarized world. Rooted in a principled determination to transcend selfishness, compassion can break down political, dogmatic, ideological and religious boundaries. Born of our deep interdependence, compassion is essential to human relationships and

to a fulfilled humanity. It is the path to enlightenment, and indispensable to the creation of a just economy and a peaceful global community.

Mrs. Worthy,

Please know that I went with the assumption that the "chickens" issue is what you were referring to, so I did include your name on the agenda as part of that Appointment Item on the final agenda that just got posted. The meeting starts at 6PM at Rockwall City Hall in the city council chambers (to your left off the foyer as you enter city hall from the parking lot).

Thanks, and have a nice weekend

City of Rockwall
The New Horizon

MEMORANDUM

TO: City Council

FROM: Robert LaCroix, Director of Planning

DATE: June 8, 2015

SUBJECT: Request for Portable Food Service Facility

Chris Johnson is requesting an appointment with the City Council to discuss changing the Unified Development Code to allow the operation of a *"portable food service facility".* Mr. Johnson has indicated he would like to operate a food trailer at the property located at 803 N. Goliad Street. Currently, the Unified Development Code does not define or allow this use or the sale of food other than the portable beverage service facility, which is allowed by Specific Use Permit and only permits the sale of beverages and snow-cones. Should Council elect to consider amending the code, we have included a draft revision to the section that could be utilized to facilitate this change.

Subject: Permission Letter

From: Scott Milder (smilder@fotps.org)

To: cotton_fireman@yahoo.com;

Date: Tuesday, June 2, 2015 5:58 PM

June 2, 2015

Dear City Officials of Rockwall,

I, Scott Milder, have authorized Chris Johnson to pursue a permit for a food truck and/or trailer to be located on our property at 803 N. Goliad in Rockwall. We look forward to the possibility of bringing something new to Rockwall!

Sincerely,

Scott Milder

Owner

OUR HOUSE

Rockwall, TX 75087

214-497-6411 cell

Sec. 2.1.6. - Retail and personal service use conditions.

Beverage **or food** service facility, portable. A portable beverage **or food** service facility is an establishment that sells beverages **or food** from a structure **or trailer** that can be moved from place to place but that stays at one location during a normal business day; ~~food sales are prohibited in these facilities~~. A portable beverage **or food** facility shall meet the following minimum conditions:

1. The service shall be limited to snow cone stands and beverage **or food** stands serving nonalcoholic beverages such as coffee, juices or sodas **and prepared food products**.

2. The maximum time limit of such temporary use shall not exceed 150 days annually **or a time limit otherwise approved by the City Council**. At the end of the 150-day period, the structure shall be removed from the property.

3. Any temporary power poles will be removed on the date of or immediately following the termination date of the permit.

4. No additional freestanding signage shall be permitted.

5. The temporary portable structure or trailer shall meet all health and electrical codes off the city.

6. Any such temporary facility shall not reduce the number of required parking spaces of any nearby building or use.

7. Any such temporary facility shall have permanent restrooms for employees available within 300 feet of the door of the portable beverage facility. Written permission from the permanent building owner for restroom use must be submitted to the building official; no portable restroom facility is allowed.

8. Any such temporary facility shall be located on an all-weather (asphalt or concrete) parking surface with adequate space for parking and circulation, unless variance has been approved.

69

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **June 8, 2015**

SUBJECT: **PROPOSED STAND UP PADDLE BOARD CONCESSIONAIRE AGREEMENT**

The City has been approached by Dean Peaple of Core Adventure Sports seeking permission to operate a Stand-Up Paddleboard (SUP) business within the takeline lease area, specifically The Harbor public boat docks and SH 66 Public Boat Ramp.

Stand-Up Paddle boards resemble a large surf board or a large flat kayak where a person uses a long paddle to navigate on the surface of the water. Many fitness activities such as yoga and strength training may also be done on an SUP as well as fishing.

Mr. Peaple presented his proposal to the Park Board at the June 2nd meeting. Park Board voted unanimously to recommend that City Council authorize the City Manager to enter into a concession agreement with the following provisions:

- The Service Provider shall pay the City of Rockwall a concession fee of 4.75% of gross revenue. The City of Dallas is entitled to an additional percentage of the Service Provider's annual gross revenue if it exceeds $100,000, per the inter-local agreement with City of Dallas.
- Adequate insurance shall be provided and maintained that is satisfactory to the City of Rockwall as well as consistent with industry standards for the type of risk incurred. Insurance policy shall list the City of Rockwall and City of Dallas as additionally insured.
- All SUP activities shall comply with all applicable local, state and federal laws. .
- The City is unable to guarantee or reserve any boat slips for the purposes of their operation.
- All signage and marketing must be temporary and comply with all applicable sign codes.
- Approval should be contingent upon the final approval by the City of Dallas.
- Service Provider should take all reasonable efforts to operate within recommended manufacturer safety and training standards.

- The City cannot reserve nor guarantee parking for his customers and must utilize the public parking lots that are currently available.

The draft agreement has been reviewed by the City Attorney and is attached for your review. The agreement also includes the schedule of fees to be charged by the service provider, fees owed to Dallas based on total revenue and the location map services may be allowed within the take line lease area.

At this time, Mr. Peaple already owns the SUP's and has completed the recommended instructor certification course; has adequate insurance currently in place and is prepared to begin operations immediately, contingent upon City Council approval.

STATE OF TEXAS §
COUNTY OF ROCKWALL §
CITY OF ROCKWALL §

FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT ("Agreement") is made and entered into by and between **Core Adventures Sports** ("Service Provider"), and the City of Rockwall, Texas ("City").

WHEREAS, the City, subject to the terms and conditions set forth herein, desires to grant to the Service Provider the non-exclusive franchise, license and privilege to Stand up Paddleboard (SUP) Lessons, Retail and Rental services within the Take Line Lease Area on Lake Ray Hubbard in the Harbor district, and the SH 66 Public Boat Ramp park;

NOW THEREFORE, in consideration of the premises and the mutual promises, covenants and agreements set forth herein, the Service Provider and the City hereby agree as follows:

Section 1. The City hereby grants to the Service Provider the non-exclusive franchise, license and privilege to provide Core Adventure Sports services from the Harbor and SH 66 Public Boat Ramp park area. No other area may be used without written authorization as outlined in Section 6..

Section 2. Prior to the commencement of any recreation services, the Service Provider shall file with the City's Park and Recreation Department: an emergency action plan, provide an instructor training certificate that verifies stand up paddle board experience; a description of the equipment, safety related gear and supplies and all watercraft to be used in the conduct SUP services. All maintenance and repairs of the water craft shall be the responsibility of the Service Provider. The Service Provider shall observe all federal and state rules and or regulations regarding safety measures. The City reserves the right to conduct a routine safety inspection of all watercraft on a monthly basis.

Section 4. Prior to the commencement of any recreation services, the Service Provider shall provide to the City's Park and Recreation Department a schedule of fees to be charged for SUP rentals and services are hereby incorporated into this Agreement and attached as **Exhibit A**. Any increase in fees from those established as of the date of this Agreement shall first be approved by the City's Park and Recreation Director and Park Board, whose approval shall not be unreasonably withheld. In addition, a schedule of the hours of services shall be furnished to the City's Park and Recreation Department. Any signage advertising the tours shall be in conformance with the City's sign code.

Section 5. The Service Provider agrees to remit to the City, on a monthly basis, a concession fee of 4.75% of all fees collected from any and all services provided by Service

DRAFT

Provider at the Harbor dock area. The Service Provider shall maintain at his respective place of business adequate books and records relating to the fees collected for the SUP service. Such books and records shall be available at any time during normal business hours for inspection by the City, at the City's expense, upon reasonable advance notice. In addition to the City's concession fee, Service Provider must also pay a fee to the City of Dallas. Therefore, in consideration of the City of Dallas' consent to this agreement, the City agrees to remit to the City of Dallas its share of the concession fee collected from the Service provider as provided for in **Exhibit B**, attached hereto and made part of this agreement.

Section 6. The Service Provider and the City agree that should any modification or alteration of the dock or shoreline be necessary to accommodate the service provided herein, such modification or alteration shall be done at the sole expense of the Service Provider. No modification or alteration to the dock may be commenced until the plans and specifications are reviewed and approved in writing by the City's Engineer. Any modification or alteration of the dock or shoreline area shall be ADA compliant. If the Service Provider ceases operation of the SUP rentals or services, or should this Agreement be terminated for any reason, the Service Provider, at its sole expense, will return the docks or shoreline so altered to their original condition within thirty (30) days of said cessation of operations or termination unless the City waives this requirement. Such waiver must be in writing and approved by the City Council. The location for the water craft to be used while at the Harbor has been provided by the Service Provider and is shown in **Exhibit C**, attached hereto and made part of this agreement. Any variation from the approved docking plan due to a fluctuation in water level, etc must be approved by the Director of Parks and Recreation or designee.

Section 7. The term for this Agreement shall be for a period of five (5) years from the date hereof. The Agreement may be extended for a successive (5) year terms unless written notice of intent to terminate this Agreement is provided by either party on or before the sixtieth (60) day prior to the expiration of the primary term of the Agreement. Any renewal of the agreement will be on the same terms, conditions, and rates in place at the end of the primary term. If either party provides written notice to terminate, the Agreement will terminate at the end of the then applicable term. Service Provider shall have twelve (12) months to commence operations once permission is granted. Failure of Service Provider to commence operations shall terminate this Agreement without notice or right to cure as outlined in Section 8.

Section 8. Defaults and Remedies.

A. Notice of Violation. If the City has reason to believe that Service Provider is in violation of this Franchise, the City shall notify Service Provider in writing of the alleged violation setting forth the nature of such alleged violation. Within thirty (30) days of receipt of such notice, or such longer period specified by the City, Service Provider shall respond in writing that the violation has been cured or provide a cure plan or schedule or provide explanations in refutation or excuse with documentation to support that an alleged violation did not occur.

B. Cure Period. Notwithstanding Subsection 8.a. above, Service Provider shall be allowed sixty (60) days to cure violations after written notice is received from the City, by taking appropriate steps to comply with the terms of this Franchise and any lawful regulations. If the

DRAFT

nature of the violation is such that it cannot be fully cured within 60 days, the period of time in which Service Provider must cure the violation may be extended for such additional time reasonably necessary to complete the cure, provided that (i) Service Provider shall have promptly commenced to cure, and (ii) Service Provider is diligently pursuing its efforts to cure. The determination as to whether the cure period will be extended will be solely the City's discretion.

Section 9. The Service Provider shall not deny employment to any person on the basis of race, creed, gender, or religion, and will insure that all federal and state laws pertaining to salaries, wages and operating requirements are met or exceeded.

Section 10.

Pursuant to this Agreement, the Service Provider shall carry the following types of insurance in an amount equal to or exceeding the limits specified below:

Coverage	Limits of Liability
(1) Workmen's Compensation	Statutory
(2) Bodily Injury Liability	$1,000,000 per occurrence; 1,000,000 in the aggregate
(3) Property Damage Liability	$500,000 per occurrence; $1,000,000 in the aggregate

Before commencement of work hereunder, the Service Provider agrees to furnish the City certificates of insurance or other evidence satisfactory to the City to the effect that such insurance has been procured and is in force. Such certificates of insurance shall be filed with the City Secretary, a copy of which shall also be submitted by the City to the Director of Water Utilities Department of the City of Dallas for its records. The City, the City of Dallas, its officers, servants, and employees shall be named as additional insureds during the initial term and any renewals. The certificates shall contain the following express obligation:

> "This is to certify that the policies of insurance described herein have been issued to the insured for whom this certificate is executed and are in force at this time. In the event of cancellation or material change in a policy affecting the certificate holder, thirty (30) days prior written notice will be given to the City of Rockwall certificate holder."

Section 12: This franchise is not exclusive, and nothing herein shall be construed so as to prevent the City from granting other like or similar rights and privileges to any other person, firm or corporation consistent with applicable state law.

DRAFT

Section 13. **THE SERVICE PROVIDER ASSUMES ALL RISKS OF LOSS OR INJURY TO PROPERTY OR PERSONS CAUSED BY ITS PERFORMANCE OF THE SERVICES. THE SERVICE PROVIDER AGREES TO INDEMNIFY AND HOLD HARMLESS THE CITY, THE CITY OF DALLAS THE CITY OF ROCKWALL AND THEIR AGENTS, DIRECTORS, EMPLOYEES, OFFICERS AND SERVANTS FROM AND AGAINST ANY AND ALL SUITS, ACTIONS, LEGAL PROCEEDINGS, CLAIMS, DEMANDS, DAMAGES, COSTS, LIABILITIES, LOSSES OR EXPENSES (INCLUDING, BUT NOT LIMITED TO, REASONABLE ATTORNEYS' FEES) INCIDENT TO ITS PERFORMANCE OF THE SERVICES CAUSED BY A WILLFUL OR NEGLIGENT ACT OR OMISSION OF THE SERVICE PROVIDER, ITS OFFICERS AND EMPLOYEES. IT SHALL BE UNDERSTOOD THAT THE CITY OF DALLAS IS A THIRD PARTY BENEFICIARY OF THIS AGREEMENT AND SHALL HAVE THE RIGHT TO ENFORCE THE TERMS OF THIS AGREEMENT.**

Section 14. Notices under this Agreement shall be deemed sufficient if sent to the following:

Service Provider:	City of Rockwall:
Core Adventure Sports 10205 Bent Tree Drive Rowlett, TX 75089	Rick Crowley, City Manager 385 S. Goliad Rockwall, Texas 75087

Section 15. This Agreement shall be governed by the laws of the State of Texas, and venue for this Agreement shall be in Rockwall County, Texas. Nothing contained in this Agreement shall ever be construed as a waiver of governmental immunity by the City. The City shall never be deemed by the execution of this Agreement to have waived any sovereign governmental immunity and expressly reserves unto itself all such rights to the fullest extent authorized by law.

Section 16. The City shall not be liable or responsible for any loss of revenue because of suspension or inability to provide the service at the docking area due to causes beyond the reasonable control of either the City or Service Provider. Such causes shall include, but not be limited to, acts of God, acts of war, accident, explosion, fire, flood, riot, sabotage, or unusually severe weather conditions.

Section 17. **Non-Assignment of Agreement Rights** – Grantee shall not sell, assign or transfer this Agreement to another entity, nor transfer any rights under this agreement to any other person or corporation without written City approval. Any assignment without City approval shall terminate this Agreement without notice or right to cure as outlined in Section 8.

Section 18. **Severability** – If any section, sentence, clause, or paragraph of this ordinance is for any reason held to be illegal or invalid, such invalidity shall not affect the validity of the remaining portions of this ordinance.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 06/15/2015

APPLICANT: Jonathan Hake of Cross Engineering Consultants

AGENDA ITEM: **Z2015-017;** Airport Road – Recreation Facility (Outdoor) - SUP

SUMMARY:

Hold a public hearing to discuss and consider a request by Jonathan Hake of Cross Engineering Consultants, Inc. on behalf of the owner Kenneth R. Smith of K. R. Smith Holdings, LLC for the approval of a Specific Use Permit for *Commercial Amusement/Recreation (Outside)* to allow a baseball training facility to be constructed on a six (6) acre tract of land identified as Tract 4-07 of the N. Butler Survey, Abstract No. 20, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the SH-205 By-Pass Corridor Overlay (SH-205 BY-OV) District, located on the north side of Airport Road west of the intersection of Airport Road and John King Boulevard, and take any action necessary.

BACKGROUND INFORMATION:

The applicant, Jonathan Hake of Cross Engineering Consultants, Inc., is requesting a Specific Use Permit (SUP) to allow for a *Commercial Amusement/Recreation (Outdoor)* and more specifically a private baseball training facility on a 6.00-acre tract of land that is zoned (C) Commercial District. The property is located at the northwest quadrant of Airport Road and John King Boulevard, across from the Leon Tuttle Athletic Complex. The properties adjacent to this site are non-residentially zoned (East & West – Commercial, and North – Agricultural) and are vacant.

The applicant has submitted a conceptual site plan indicating an indoor facility, a practice field, and a full sized baseball field that will provide consumer based recreational activities for the general public. The indoor facility will be equipped with batting cages, practice cages, virtual video cages, concessions, arcade games, a workout facility, a meeting room, a pro shop and business office. The baseball field and practice fields will be available for rental, select team use, and tournament play.

As a part of the SUP request, the applicant is providing a photometric plan in order to establish generally acceptable lighting levels for the purpose of containing the spill over lighting and glare for the sports complex. The City's outdoor lighting regulations do not have standards associated with a sports complex in terms of the maximum intensity measured at the property line or for the maximum height of light pole standards. The photometric plan submitted by the applicant establishes an illumination level for the site that is generally not to exceed an average of 50-FC in order to provide the necessary lighting for the ball fields. However, the photometric plan does indicate area's beyond the property line that exceed the City's standard of 0.2-FC for a typical development (e.g. parking lot lighting). The highest reading calculated beyond the property line is 3.8-FC and is located at the center of the north property line and approximately 9-ft from this property line. This particular reading drops dramatically to 1.0-FC at approximately 28-ft from the property line and continues to decline reaching 0.2-FC at approximately 120-ft from the property line. The light pole standards to be installed are measured to have a maximum overall height of 50-ft. The site will incorporate a total of nine (9) 50-ft height light poles for the ball fields (3 – practice field & 6 – main ball field). In comparison, the light poles

installed at the Leon Tuttle Athletic Complex have an overall height of 70-ft and have approximately twenty (20) light poles.

Included in your packet is a letter requesting the SUP, a legal description of the property (Exhibit 'A'), a zoning exhibit (Exhibit 'B'), a conceptual site plan, and a photometric plan for your review. The photometric plan submitted for the lighting of the baseball complex does have merit based on adjustments that may reduce the intensity of the lighting, the proximity to vacant undeveloped property and the Leon Tuttle Athletic Complex; however, a request for an SUP is a discretionary act upon the Planning and Zoning Commission and City Council.

NOTIFICATION:

Staff mailed fifteen (4) notices to property owners within 500 feet of the subject property; however, there are no HOA/Neighborhood Organization within 1500 feet participating in the notification program. Additionally, staff posted a sign on the property as required by the Unified Development Code (UDC). At the time this report was drafted, staff has received one (1) notices "for" the zoning change requested.

RECOMMENDATIONS:

Should the Specific Use Permit be approved, staff would offer the following conditions:

1) That adherence to Engineering and Fire Department standards is required.

2) That the lighting levels are generally not to exceed the levels established in the preliminary photometric plan submitted for this site in order to contain spill over lighting and glare on adjacent properties, and that the illumination will generally not exceed an average of 50-FC as indicated on such plan.

3) That the heights for the lighting pole standards are not to exceed a maximum overall height of 50-ft (includes pole, base, fixtures, etc.).

4) That submittal and approval of a site plan (to include approval of a photometric plan), engineering plans, and final plat are required prior to issuance of a certificate of occupancy.

5) That written clearance from the Federal Aviation Administration (FAA) shall be provided to the City indicating approval of the maximum height for the light pole standards, the maximum intensity regarding glare produced from the lighting, and any other requirement deemed necessary for the safety of air traffic to and from the Rockwall Municipal Airport.

6) That the City Council reserves the right to review the Specific Use Permit (SUP) any time after the effective date of this ordinance.

PLANNING AND ZONING COMMISSION RECOMMENDATION:

On June 9, 2015, the Planning and Zoning Commission recommended approval of the SUP request with staff conditions by a vote of 6 to 0 (Conley – absent).

Re: SUP Explanation Letter – NexRev Baseball Facility

Attached please find the SUP Application submittal for the NexRev Baseball Facility. The 6.0 acre property is located at the northwest corner of Airport Road and John King Boulevard.

KR Smith Holdings, LLC is planning to build a Baseball Training Complex directly across from the Leon Tuttle Athletic Complex.

The 35,000 square foot facility will house indoor machine batting cages, practice cages, virtual video cages, concessions, arcade games, a full-size workout facility, meeting room, pro shop and business office. The facility will provide the City of Rockwall with a state of the art baseball complex for both the serious baseball player as well as the consumer seeking an evening of recreational activity. One full size baseball field and one smaller practice field will sit directly next to the facility for rental, select team use, and tournaments. It is the intent of the owner and all consultants to construct a quality project within the standards set by the City of Rockwall for Building and Engineering Design.

Because an indoor/outdoor baseball facility is not permitted by right within the Commercial District, we are requesting a Specific Use Permit for the proposed development. We are also requesting a Specific Use Permit for the proposed lighting height and spread. A Proposed Lighting Layout has been included in this submittal for review.

Thank you for your consideration of this Specific Use Permit Application. Please call if you have any questions.

Sincerely,
CROSS ENGINEERING CONSULTANTS, INC.

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2015-017: SUP for Crush It Sports

Hold a public hearing to discuss and consider a request by Jonathan Hake of Cross Engineering Consultants, Inc. on behalf of the owner Kenneth R. Smith of K. R. Smith Holdings, LLC for the approval of a Specific Use Permit for Commercial Amusement/Recreation (Outside) to allow a baseball training facility to be constructed on a six (6) acre tract of land identified as Tract 4-07 of the N. Butler Survey, Abstract No. 20, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the SH-205 By-Pass Corridor Overlay (SH-205 BY-OV) District, located on the north side of Airport Road west of the intersection of Airport Road and John King Boulevard, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 6/9/2015 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 6/15/2015 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **6/15/2015** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

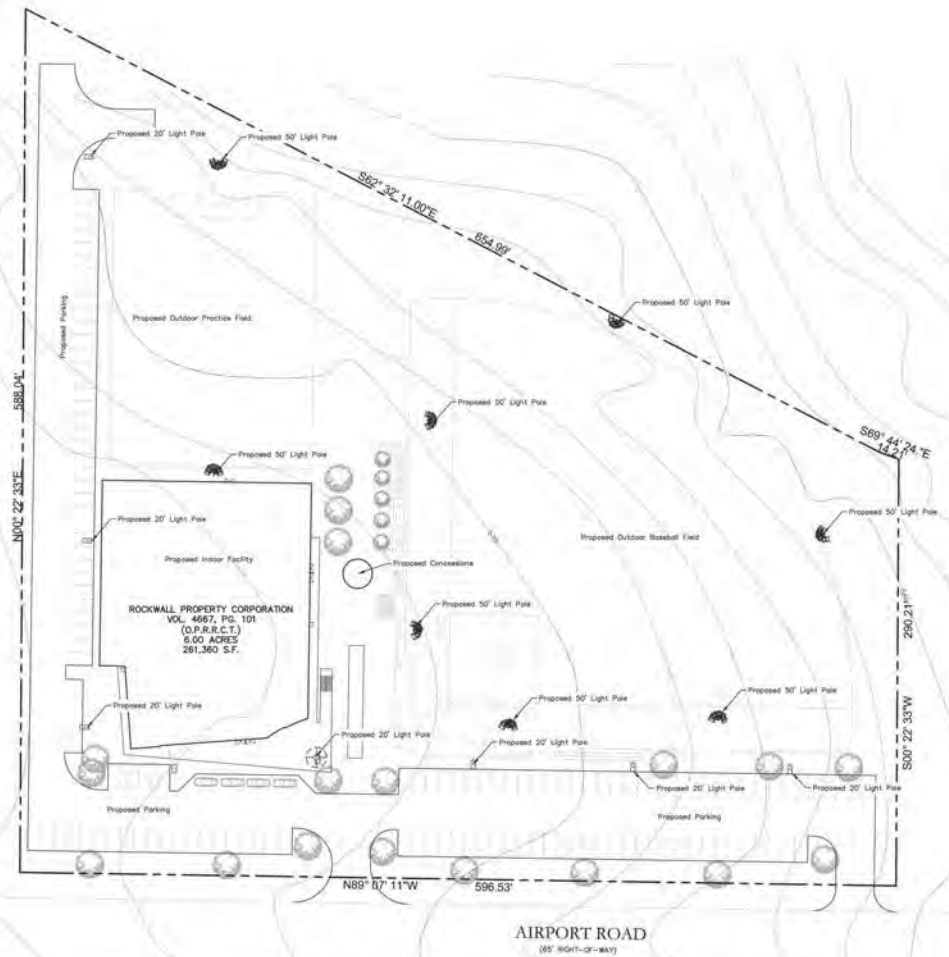
Ryan,



I am writing in support of the SUP case for Crush It Sports on Airport Road.
A sports facility across from the ball fields is a great use of the property and will enhance the surrounding area. It is good to see development that is on or utilizing John King for access as that was the purpose of this new road, to spur development on the east side of Rockwall.

Thanks,

Bill

Aeronautical Study No.
2015-ASW-4331-OE

Issued Date: 06/09/2015

Kenneth Smith
KR Smith Holdings, LLC
601 Development Drive
Plano, TX 75074

**** DETERMINATION OF NO HAZARD TO AIR NAVIGATION ****

The Federal Aviation Administration has conducted an aeronautical study under the provisions of 49 U.S.C., Section 44718 and if applicable Title 14 of the Code of Federal Regulations, part 77, concerning:

Structure:	Light Pole Light Pole 5
Location:	Rockwall, TX
Latitude:	32-55-36.88N NAD 83
Longitude:	96-26-22.01W
Heights:	573 feet site elevation (SE)
	50 feet above ground level (AGL)
	623 feet above mean sea level (AMSL)

This aeronautical study revealed that the structure does not exceed obstruction standards and would not be a hazard to air navigation provided the following condition(s), if any, is(are) met:

It is required that FAA Form 7460-2, Notice of Actual Construction or Alteration, be e-filed any time the project is abandoned or:

_____ At least 10 days prior to start of construction (7460-2, Part 1)
__X__ Within 5 days after the construction reaches its greatest height (7460-2, Part 2)

Based on this evaluation, marking and lighting are not necessary for aviation safety. However, if marking/ lighting are accomplished on a voluntary basis, we recommend it be installed and maintained in accordance with FAA Advisory circular 70/7460-1 K Change 2.

Any height exceeding 50 feet above ground level (623 feet above mean sea level), will result in a substantial adverse effect and would warrant a Determination of Hazard to Air Navigation.

This determination expires on 12/09/2016 unless:

(a) the construction is started (not necessarily completed) and FAA Form 7460-2, Notice of Actual Construction or Alteration, is received by this office.
(b) extended, revised, or terminated by the issuing office.
(c) the construction is subject to the licensing authority of the Federal Communications Commission (FCC) and an application for a construction permit has been filed, as required by the FCC, within

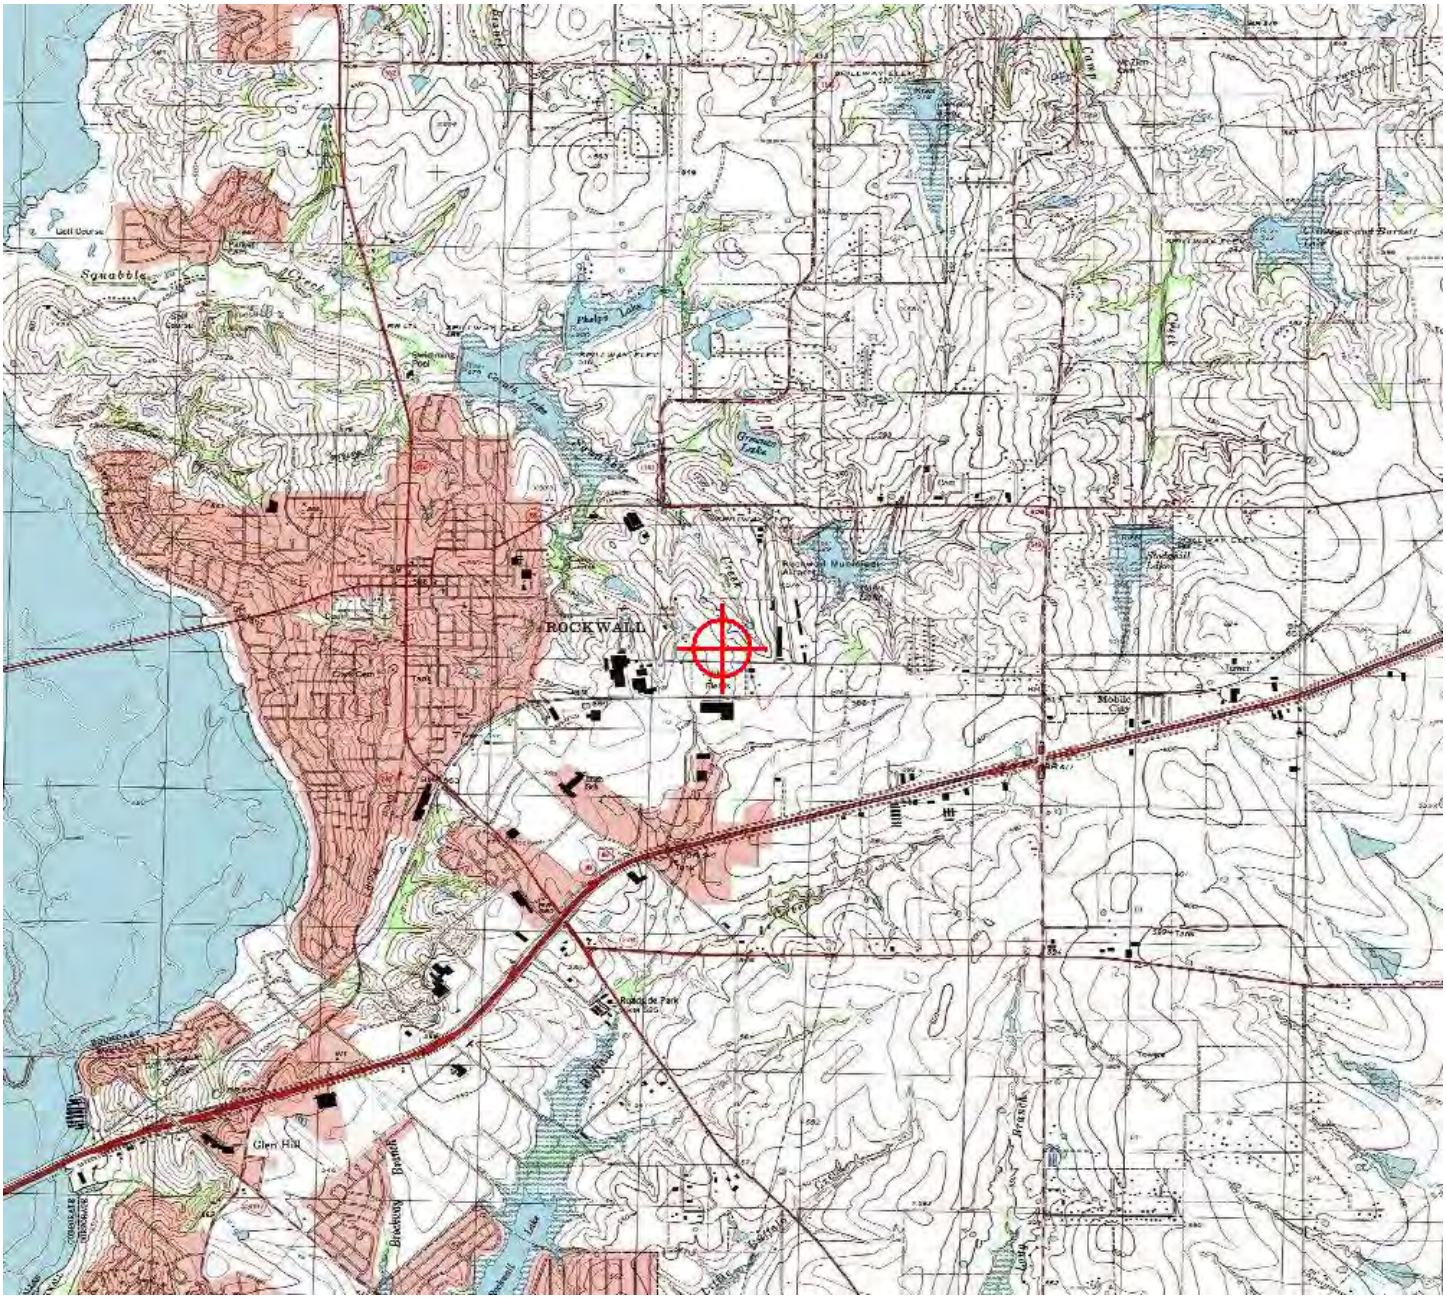
6 months of the date of this determination. In such case, the determination expires on the date prescribed by the FCC for completion of construction, or the date the FCC denies the application.

NOTE: REQUEST FOR EXTENSION OF THE EFFECTIVE PERIOD OF THIS DETERMINATION MUST BE E-FILED AT LEAST 15 DAYS PRIOR TO THE EXPIRATION DATE. AFTER RE-EVALUATION OF CURRENT OPERATIONS IN THE AREA OF THE STRUCTURE TO DETERMINE THAT NO SIGNIFICANT AERONAUTICAL CHANGES HAVE OCCURRED, YOUR DETERMINATION MAY BE ELIGIBLE FOR ONE EXTENSION OF THE EFFECTIVE PERIOD.

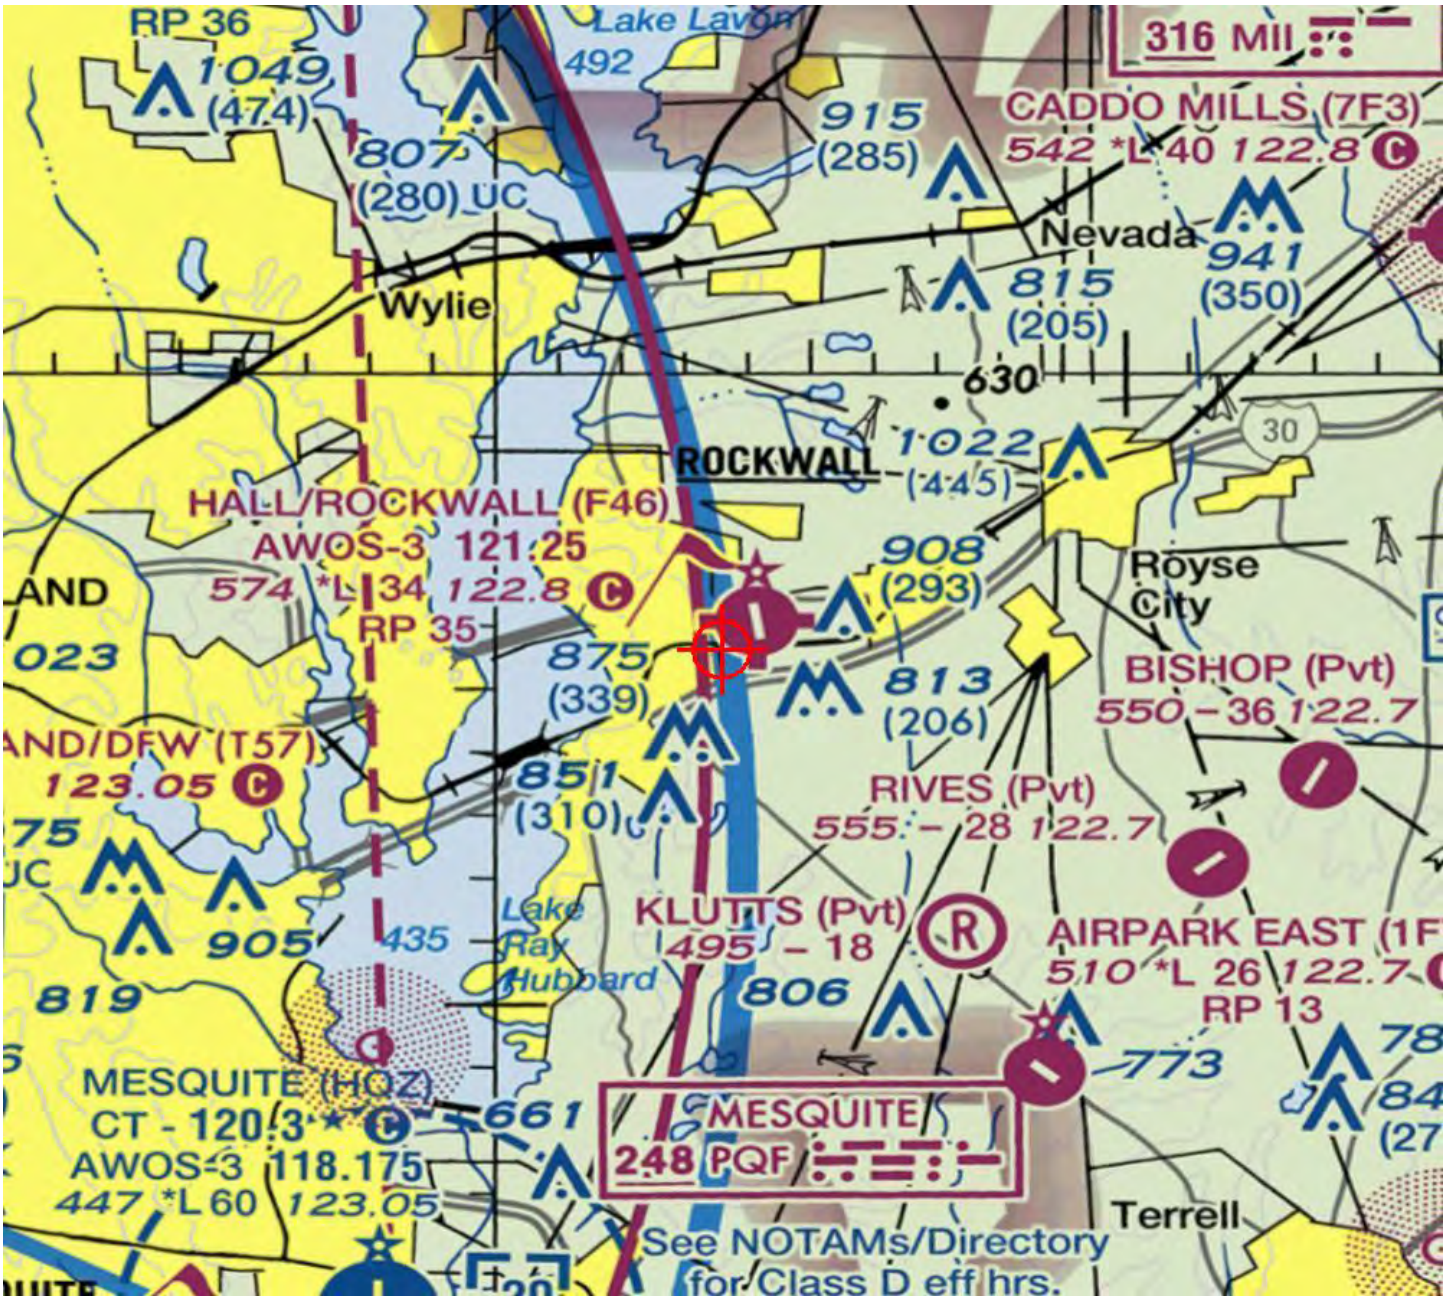
This determination is based, in part, on the foregoing description which includes specific coordinates , heights, frequency(ies) and power . Any changes in coordinates , heights, and frequencies or use of greater power will void this determination. Any future construction or alteration , including increase to heights, power, or the addition of other transmitters, requires separate notice to the FAA.

This determination does include temporary construction equipment such as cranes, derricks, etc., which may be used during actual construction of the structure. However, this equipment shall not exceed the overall heights as indicated above. Equipment which has a height greater than the studied structure requires separate notice to the FAA.

This determination concerns the effect of this structure on the safe and efficient use of navigable airspace by aircraft and does not relieve the sponsor of compliance responsibilities relating to any law, ordinance, or regulation of any Federal, State, or local government body.



Any failure or malfunction that lasts more than thirty (30) minutes and affects a top light or flashing obstruction light, regardless of its position, should be reported immediately to (877) 487-6867 so a Notice to Airmen (NOTAM) can be issued. As soon as the normal operation is restored, notify the same number.



If we can be of further assistance, please contact our office at (817) 321-7754. On any future correspondence concerning this matter, please refer to Aeronautical Study Number 2015-ASW-4331-OE.

CITY OF ROCKWALL

ORDINANCE NO. 15-___

SPECIFIC USE PERMIT NO. S-

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) ALLOWING FOR A COMMERCIAL AMUSEMENT/RECREATION FACILITY (OUTDOOR) AND MORE SPECIFICALLY A BASEBALL TRAINING FACILITY, WITHIN A COMMERCIAL (C) DISTRICT, BEING A SIX (6) ACRE TRACT OF LAND IDENTIFIED AS TRACT 4-07 OF THE N. BUTLER SURVEY, ABSTRACT NO. 20, AND GENERALLY LOCATED ON THE NORTHWEST QUADRANT OF AIRPORT ROAD AND JOHN KING BOULEVARD, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A' AND AS DEPICTED IN EXHIBIT 'B'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Jonathan Hake of Cross Engineering Consultants, Inc. on behalf of the owner Kenneth R. Smith of K. R. Smith Holdings, LLC for the approval of a Specific Use Permit (SUP) allowing for a *Commercial Amusement/Recreation Facility (Outdoor)* and more specifically a baseball training facility, within a Commercial (C) District, being a six (6) acre tract of land identified as Tract 4-07 of the N. Butler Survey, Abstract No. 20, and generally located on the northwest quadrant of Airport Road and John King Boulevard, City of Rockwall, Rockwall County, Texas, and more specifically described in Exhibit 'A' and as depicted in Exhibit 'B' of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit

(SUP) allowing for a *Commercial Amusement/Recreation Facility (Outside)* and more specifically a baseball training facility within a Commercial (C) District for the *Subject property*; and

Section 2. That the S*ubject Property* shall be used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance granted herein and shall be subject to the conditions set forth in *Article IV, Permissible Uses, Section 2.1.5 Recreation, Entertainment and Amusement Use Conditions,* and *Article V, District Development Standards, Section 4.5 Commercial (C) District, of the City of Rockwall Unified Development Code [Ordinance No. 04-38]* as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following conditions:

2.1 Operational Conditions

The following conditions pertain to the operation of the Commercial Amusement/Recreation Facility (Outdoor) on the Subject Property and conformance to these stipulations is required for continued operations:

1) That adherence to Engineering and Fire Department standards is required.

2) That the lighting levels are generally not to exceed the levels established in the preliminary photometric plan submitted for this site in order to contain spill over lighting and glare on adjacent properties, and that the illumination will generally not exceed an average of 50-FC as indicated on such plan.

3) That the heights for the lighting pole standards are not to exceed a maximum overall height of 50-ft (includes pole, base, fixtures, etc.).

4) That submittal and approval of a site plan (to include approval of a photometric plan), engineering plans, and final plat are required prior to issuance of a certificate of occupancy.

5) That written clearance from the Federal Aviation Administration (FAA) shall be provided to the City indicating approval of the maximum height for the light pole standards, the maximum intensity regarding glare produced from the lighting, and any other requirement deemed necessary for the safety of air traffic to and from the Rockwall Municipal Airport.

6) That the City Council reserves the right to review the Specific Use Permit (SUP) any time after the effective date of this ordinance.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every

day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 06/15/2015

APPLICANT: Herman Douglas Utley

AGENDA ITEM: **Z2015-018**; *1815 E. Old Quail Run Road (SFE-2.0 to SFE-1.5)*

SUMMARY:

Hold a public hearing to discuss and consider a request by Herman Douglas Utley for the approval of a zoning change from a Single Family Estate 2.0 (SFE-2.0) District to a Single Family Estate 1.5 (SFE-1.5) District for a 4.502-acre tract of land identified as Tract 1 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, zoned Single Family Estate 2.0 (SFE-2.0) District, situated within the SH-205 By-Pass (SH-205 BY OV) District, addressed as 1815 E. Old Quail Run Road, and take any action necessary.

PURPOSE:

The subject property is a 4.502-acre tract of land identified as Tract 1 of the S. R. Barnes Survey, Abstract No. 13. The applicant, Herman Douglas Utley, is requesting to rezone the property from a Single Family Estate 2.0 (SFE-2.0) District to a Single-Family Estate (SFE 1.5) District for the purpose of subdividing the property into two (2) acre parcels of land (*i.e. Lot 1: 1.82-acres and Lot 2: 2.12-acres -- see attached proposed plat*). On April 6, 2015, the City Council approved a zoning change for the subject property from an Agricultural (AG) District to a Single Family Estate 2.0 (SFE-2.0) District under *Case Number Z2015-008*. The Single Family Estate 2.0 (SFE-2.0) District requires a minimum lot size of two (2) acres or more; however, after accounting for roadway dedication the remaining property was 3.94-acres and would prohibit the Mr. Utley from subdividing the property. Currently, the subject property has an existing single-family home constructed in the southeast corner. According to the applicant's original letter provided with *Case No. Z2015-008*, the existing house will remain on one (1) lot and a new single-family home will be constructed on the remainder lot.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is E. Quail Run Road, which is identified as a M4U (*minor arterial, four [4] lane, undivided* roadway) according to the City's Master Thoroughfare Plan. Beyond this roadway is a portion of a larger 62.192-acre tract of land zoned Agricultural (AG) District that is currently vacant.

South: Directly south of the subject property is a 4.83-acre parcel of land zoned Agricultural (AG) District, which is identified as Lot 1, Block A, of the D. R. Taylor Addition and addressed as 1691 E. Old Quail Run Road. Beyond this property are the corporate boundaries of the City of Rockwall.

East: Directly east of the subject property is a 29.929-acre tract of land zoned Agricultural (AG) District that is currently vacant. Beyond this tract of land is Saddlebrook Estates, Phase 2, which is zoned Single-Family 16 (SF-16) District and contains 45 single-family residential lots.

West: Directly west of the subject property is E. Old Quail Run Road followed by a portion of a larger 62.192-acre tract of land zoned Agricultural (AG) District that is currently vacant. Bisecting this tract of land is John King Boulevard, which is identified as a P6D (*principal arterial, six [6] lane, divided roadway*) according to the City's Master Thoroughfare Plan.

CONFORMANCE WITH THE COMPREHENSIVE PLAN:

The Future Land Use Map, adopted with the Comprehensive Plan, designates the subject property for *Low Density Residential* land uses, which is defined as less than two (2) single-family units per acre. This designation is in conformance with the applicant's request to rezone the subject property to a Single-Family Estate (SFE-1.5) District.

NOTIFICATION:

On May 22, 2015, staff mailed seven (7) notices to property owners and residents within 500-feet of the subject property. Staff also emailed notices to the Stoney Hollow and Caruth Lakes Homeowner's Associations (HOA's), which are the only HOA's located within 1,500-feet of the subject property. Additionally, staff posted a sign along E. Old Quail Run Road, and advertised the public hearings in the Rockwall Harold Banner as required by the Unified Development Code (UDC). At the time this case memo was drafted no responses were received by staff.

PLANNING AND ZONING COMMISSION:

On June 9, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the applicant's request by a vote of 6-0, with Commissioner Conley absent.

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2015-018:

Hold a public hearing to discuss and consider a request by Herman Douglas Utley for the approval of a zoning change from a Single Family Estate 2.0 (SFE-2.0) District to a Single Family Estate 1.5 (SFE-1.5) District for a 4.502-acre tract of land identified as Tract 1 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, zoned Single Family Estate 2.0 (SFE-2.0) District, situated within the SH-205 By-Pass (SH-205 BY OV) District, addressed as 1815 E. Old Quail Run Road, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 6/9/2015 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 6/15/2015 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

Ryan Miller
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **6/15/2015** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

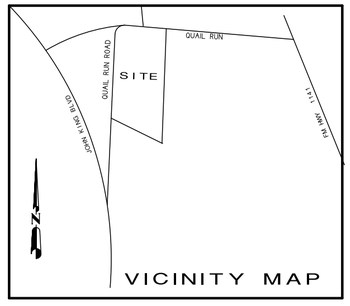
Attachments: HOA Map (05.21.2015).pdf



To whom it may concern:

Per your participation in the Neighborhood Notification Program, you are receiving this notification to inform your organization and residents of a request for a zoning change that lies within 1,500 feet of the boundaries of your neighborhood or subdivision. As the primary contact for the organization, you are encouraged to share this information with the residents of your subdivision. Please find attached a map detailing the location of the subject property requesting the zoning change in relation to your subdivision boundaries. Additionally, below is a summary of the zoning request that will also be published in the Rockwall Herald Banner on *May 29, 2015*. If you have any questions or comments regarding this request, the contact information for the Planning Department is listed below. Additional information can also be found at http://www.rockwall.com/planning/planningDevCases.asp.

Z2015-018
Hold a public hearing to discuss and consider a request by Herman Douglas Utley for the approval of a zoning change from a Single Family Estate 2.0 (SFE-2.0) District to a Single Family Estate 1.5 (SFE-1.5) District for a 4.502-acre tract of land identified as Tract 1 of the S. THENCE N. 67 deg. 32 min. 31 sec. W. along the north line of Lot 1, a distance of 287.04 feet to a 1/2" iron rod found for corner in the center of Quail Run Road;

THENCE in a northerly direction along the center of Quail Run Road, as follows:

N. 00 deg. 00 min. 00 sec. E. a distance of 144.96 feet; N. 06 deg. 04 min. 08 sec. E. a distance of 189.34 feet; N. 13 deg. 45 min. 03 sec. E. a distance of 134.53 feet; N. 04 deg. 57 min. 27 sec. E. a distance of 130.00 feet; N. 02 deg. 16 min. 19 sec. E. a distance of 113.21 feet; N. 30 deg. 51 min. 27 sec. E. a distance of 72.24 feet; N. 69 deg. 46 min. 15 sec. E. a distance of 98.85 feet; N. 86 deg. 17 min. 03 sec. E. a distance of 67.89 feet to the POINT OF BEGINNING and containing 195,661 square feet or 4.49 acres of land.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

I the undersigned owner of the land shown on this plat, and designated herein as UTLEY ADDITION, an Addition to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the subdivision have been notified and signed this plat.

I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same.

I also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of th eir respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, sto rm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer an d/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as p rogress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I, my successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exaction's made herein.

HERMAN D. UTLEY

STATE OF TEXAS
COUNTY OF ROCKWALL

Before me, the undersigned authority, on this day personally appeared HERMAN D. UTLEY known to me to be the person whose name is subscribed to the foregoing instrument, and acknowledged to me that he executed the same for the purpose and consideration therein stated.

Given upon my hand and seal of office this _____day of _____, _____.

Notary Public in and for the State of Texas

My Commission Expires:

NOTE: It shall be the policy of the City of Rockwall to withhold issuing building permits until all streets, water, sewer and storm drainage systems have been accepted by the City. The approval of a plat by the City does not constitute any representa tion, assurance or guarantee that any building within such plat shall be approved, authorized or permit therefore issued, as required under Ordinance 83-54.

SURVEYOR'S CERTIFICATE

NOW, THEREFORE KNOW ALL MEN BY THESE PRESENTS:

THAT I, Harold D. Fetty, III, R.P.L.S. No. 5034, do hereby certify that I prepared this plat from an actual and accurate survey of the land, and that the corner monuments shown thereon were properly placed under my personal supervision.

PROPERTY DESCRIPTION

Being a 4.502 acre tract of land situated in the S.R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas and being all that certain tract of land described in deed to Herman D. Utley, as recorded in Instrument No. 2006-00358812, Deed Records, Rockwall County, Texas and all that certain tract of land described in deed to Herman Douglas Utley, as recorded in Volume 3555, Page 93, said Deed Records and being more particularly described by metes and bounds as follows:

BEGINNING at a found 60 penny nail in E. Quail Run Road at the common west corner of said Utley tract (3555/93) and Lot 1, Block A, of the D.R. Taylor Addition, recorded in Cabinet E, Slide 317, Plat Records, Rockwall County, Texas, said 60 penny nail being on the east line of the remainder of that certain tract of land described in deed to Lonnie L. Gideon, as recorded in Volume 307, Page 256, said Deed Records;

THENCE along said E. Quail Run Road and the common line of said Utley tract (3555/93) and said Gideon tract the following bearings and distances:

North, a distance of 144.96 feet to a found 60 penny nail;

North 03 degrees 22 minutes 44 seconds East, a distance of 103.15 feet to a found 60 penny nail from which a found 5/8-inch iron rod bears North 32 degrees 43 minutes 46 seconds East, a distance of 13.60 feet and a found 1/2-inch iron rod bears South 87 degrees 53 minutes 27 seconds East, a distance of 17.69 feet;

North 09 degrees 16 minutes 45 seconds East, a distance of 86.44 feet to a found 60 penny nail at the common west corner of said Utley tracts, from which a found 1/2-inch iron rod bears South 89 degrees 39 minutes 46 seconds East - 25.41 feet;

THENCE along aforesaid E. Quail Run Road and the common line of said Utley tract (2006-00358812) and aforesaid Gideon tract the following bearings and distances:

North 13 degrees 45 minutes 03 seconds East, a distance of 134.53 feet;

North 04 degrees 57 minutes 27 seconds East, a distance of 130.01 feet;

North 02 degrees 16 minutes 19 seconds East, a distance of 113.06 feet to a point from which a found 5/8-inch iron rod bears North 02 degrees 54 minutes 26 seconds East, a distance of 31.67 feet;

North 30 degrees 51 minutes 27 seconds East, a distance of 72.24 feet;

North 69 degrees 46 minutes 15 seconds East, a distance of 98.85 feet;

North 86 degrees 17 minutes 03 seconds East, a distance of 67.89 feet to a point from which a found 1/2-inch iron rod bears North 07 degrees 24 minutes 57 seconds East, a distance of 4.98 feet, said point being the common corner of aforesaid Utley tract (2006-00358812) and that certain tract of land described in deed to Lonnie L. Gideon, as recorded in Volume 307, Page 259, aforesaid Deed Records and that certain tract of land described in deed to Hilda Kouvelis and husband, Peter Kouvelis, as recorded in Volume 1881, Page 115, said Deed Records;

THENCE South along the common line of said Utley tract (2006-00358812) and said Gideon tract (307/259), passing a found 1/2-inch iron rod at the common east corner of said Utley tracts at a distance of 473.91 feet and continuing along the common line of said Utley tract (3555/93) and said Gideon tract (307/259) a total distance of 916.66 feet to a point from which a found 1/2-inch iron rod bears North 57 degrees 25 minutes 40 seconds West, a distance of 0.69 of one foot, said point being the common east corner of said Utley tract (3555/93) and aforesaid Lot 1;

THENCE North 67 degrees 32 minutes 31 seconds West along the common line of said Utley tract (3555/93) and said Lot 1, passing a found 1/2-inch iron rod at a distance of 260.05 feet and continuing a total distance of 287.04 feet to the POINT OF BEGINNING and containing 196,096 square feet or 4.502 acres of land.

THIS IS TO DECLARE that on this date a survey was made on the ground, under my direction and supervision of the above described tract of land.

There are no visible conflicts, visible evidence of easements or rights-of-way, or protrusions, except as shown, and that this date the easements, rights-of-way or other locatable matters of record of which the undersigned has knowledge or has been advised are as shown or noted hereon.

The subject property does not appear to lie within the limits of a 100-year flood hazard zone according to the Map published by the Federal Emergency Management Agency, and has a Zone "X" Rating as shown by Map No. 480543 00030 B, dated SEPTEMBER 17, 1980. The statement that the property does or does not lie within a 100-year flood zone is not to be taken as a representation that the property will or will not flood. This survey is not to be used for construction purposes and is for the exclusive use of Foundation Mortgage and Commonwealth Title only and this survey is made pursuant to that one certain title commitment under the GF number 2252000072, provided by the title company named hereon.

CITY OF ROCKWALL

ORDINANCE NO. 15-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM A SINGLE-FAMILY ESTATE 2.0 (SFE-2.0) DISTRICT TO A SINGLE-FAMILY ESTATE 1.5 (SFE-1.5) DISTRICT FOR A 4.502-ACRE TRACT OF LAND IDENTIFIED AS TRACT 1 OF THE S. R. BARNES SURVEY, ABSTRACT NO. 13, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN *EXHIBIT 'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Herman Douglas Utley for the approval of an amendment to the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall to adopt a change in zoning from a Single-Family Estate 2.0 (SFE-2.0) District to a Single-Family Estate 1.5 (SFE-1.5) District for a 4.502-acre tract of land identified as Tract 1 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, and more specifically described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning of the *Subject Property* from an Agriculture (AG) District to a Single-Family Estate 2.0 (SFE-2.0) District; and

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes provided for a *Single-Family Estate (SF-E) District* in *Section 1.1, "Use of Land and Buildings,"* of *Article IV, "Permissible Uses"* and *Section 3.2, "Single-Family Estate (SF-E/1.5, 2.0, 4.0) District",* of *Article V, "District Development Standards"*, of the *Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as maybe amended in the future;

Section 3. That the official zoning map of the City be corrected to reflect the changes in the

DRAFT ORDINANCE 05.19.15

zoning described herein.

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ON THIS THE 6TH DAY OF JULY, 2015.

DRAFT ORDINANCE 06.15.2015

Exhibit 'A':
Legal Description

PROPERTY DESCRIPTION

Being a 4.502 acre tract of land situated in the S.R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas and being all that certain tract of land described in deed to Herman D. Utley, as recorded in Instrument No. 2006-00358812, Deed Records, Rockwall County, Texas and all that certain tract of land described in deed to Herman Douglas Utley, as recorded in Volume 3555, Page 93, said Deed Records and being more particularly described by metes and bounds as follows:

BEGINNING at a found 60 penny nail in E. Quail Run Road at the common west corner of said Utley tract (3555/93) and Lot 1, Block A, of the D.R. Taylor Addition, recorded in Cabinet E, Slide 317, Plat Records, Rockwall County, Texas, said 60 penny nail being on the east line of the remainder of that certain tract of land described in deed to Lonnie L. Gideon, as recorded in Volume 307, Page 256, said Deed Records;

THENCE along said E. Quail Run Road and the common line of said Utley tract (3555/93) and said Gideon tract the following bearings and distances:

North, a distance of 144.96 feet to a found 60 penny nail;

North 03 degrees 22 minutes 44 seconds East, a distance of 103.15 feet to a found 60 penny nail from which a found 5/8-inch iron rod bears North 32 degrees 43 minutes 46 seconds East, a distance of 13.60 feet and a found 1/2-inch iron rod bears South 87 degrees 53 minutes 27 seconds East, a distance of 17.69 feet;

North 09 degrees 16 minutes 45 seconds East, a distance of 86.44 feet to a found 60 penny nail at the common west corner of said Utley tracts, from which a found 1/2-inch iron rod bears South 89 degrees 39 minutes 46 seconds East – 25.41 feet;

THENCE along aforesaid E. Quail Run Road and the common line of said Utley tract (2006-00358812) and aforesaid Gideon tract the following bearings and distances:

North 13 degrees 45 minutes 03 seconds East, a distance of 134.53 feet;

North 04 degrees 57 minutes 27 seconds East, a distance of 130.01 feet;

North 02 degrees 16 minutes 19 seconds East, a distance of 113.06 feet to a point from which a found 5/8-inch iron rod bears North 02 degrees 54 minutes 26 seconds East, a distance of 31.67 feet;

North 30 degrees 51 minutes 27 seconds East, a distance of 72.24 feet;

North 69 degrees 46 minutes 15 seconds East, a distance of 98.85 feet;

North 86 degrees 17 minutes 03 seconds East, a distance of 67.89 feet to a point from which a found 1/2-inch iron rod bears North 07 degrees 24 minutes 57 seconds East, a distance of 4.98 feet, said point being the common corner of aforesaid Utley tract (2006-00358812) and that certain tract of land described in deed to Lonnie L. Gideon, as recorded in Volume 307, Page 259, aforesaid Deed Records and that certain tract of land described in deed to Hilda Kouvelis and husband, Peter Kouvelis, as recorded in Volume 1881, Page 115, said Deed Records;

THENCE South along the common line of said Utley tract (2006-00358812) and said Gideon tract (307/259), passing a found 1/2-inch iron rod at the common east corner of said Utley tracts at a distance of 473.91 feet and continuing along the common line of said Utley tract (3555/93) and said Gideon tract (307/259) a total distance of 916.66 feet to a point from which a found 1/2-inch iron rod bears North 57 degrees 25 minutes 40 seconds West, a distance of 0.69 of one foot, said point being the common east corner of said Utley tract (3555/93) and aforesaid Lot 1;

THENCE North 67 degrees 32 minutes 31 seconds West along the common line of said Utley tract (3555/93) and said Lot 1, passing a found 1/2-inch iron rod at a distance of 260.05 feet and continuing a total distance of 287.04 feet to the POINT OF BEGINNING and containing 196,096 square feet or 4.502 acres of land.

THIS IS TO DECLARE that on this date a survey was made on the ground, under my direction and supervision of the above described tract of land.

There are no visible conflicts, visible evidence of easements or rights-of-way, or protrusions, except as shown, and that this date the easements, rights-of-way or other locatable matters of record of which the undersigned has knowledge or has been advised are as shown or noted hereon.

The subject property does not appear to lie within the limits of a 100-year flood hazard zone according to the Map published by the Federal Emergency Management Agency, and has a Zone "X" Rating as shown by Map No. 480543 00030 B, dated SEPTEMBER 17, 1980. The statement that the property does or does not lie within a 100-year flood zone is not to be taken as a representation that the property will or will not flood. This survey is not to be used for construction purposes and is for the exclusive use of Foundation Mortgage and Commonwealth Title only and this survey is made pursuant to that one certain title commitment under the GF number 2252000072, provided by the title company named hereon.

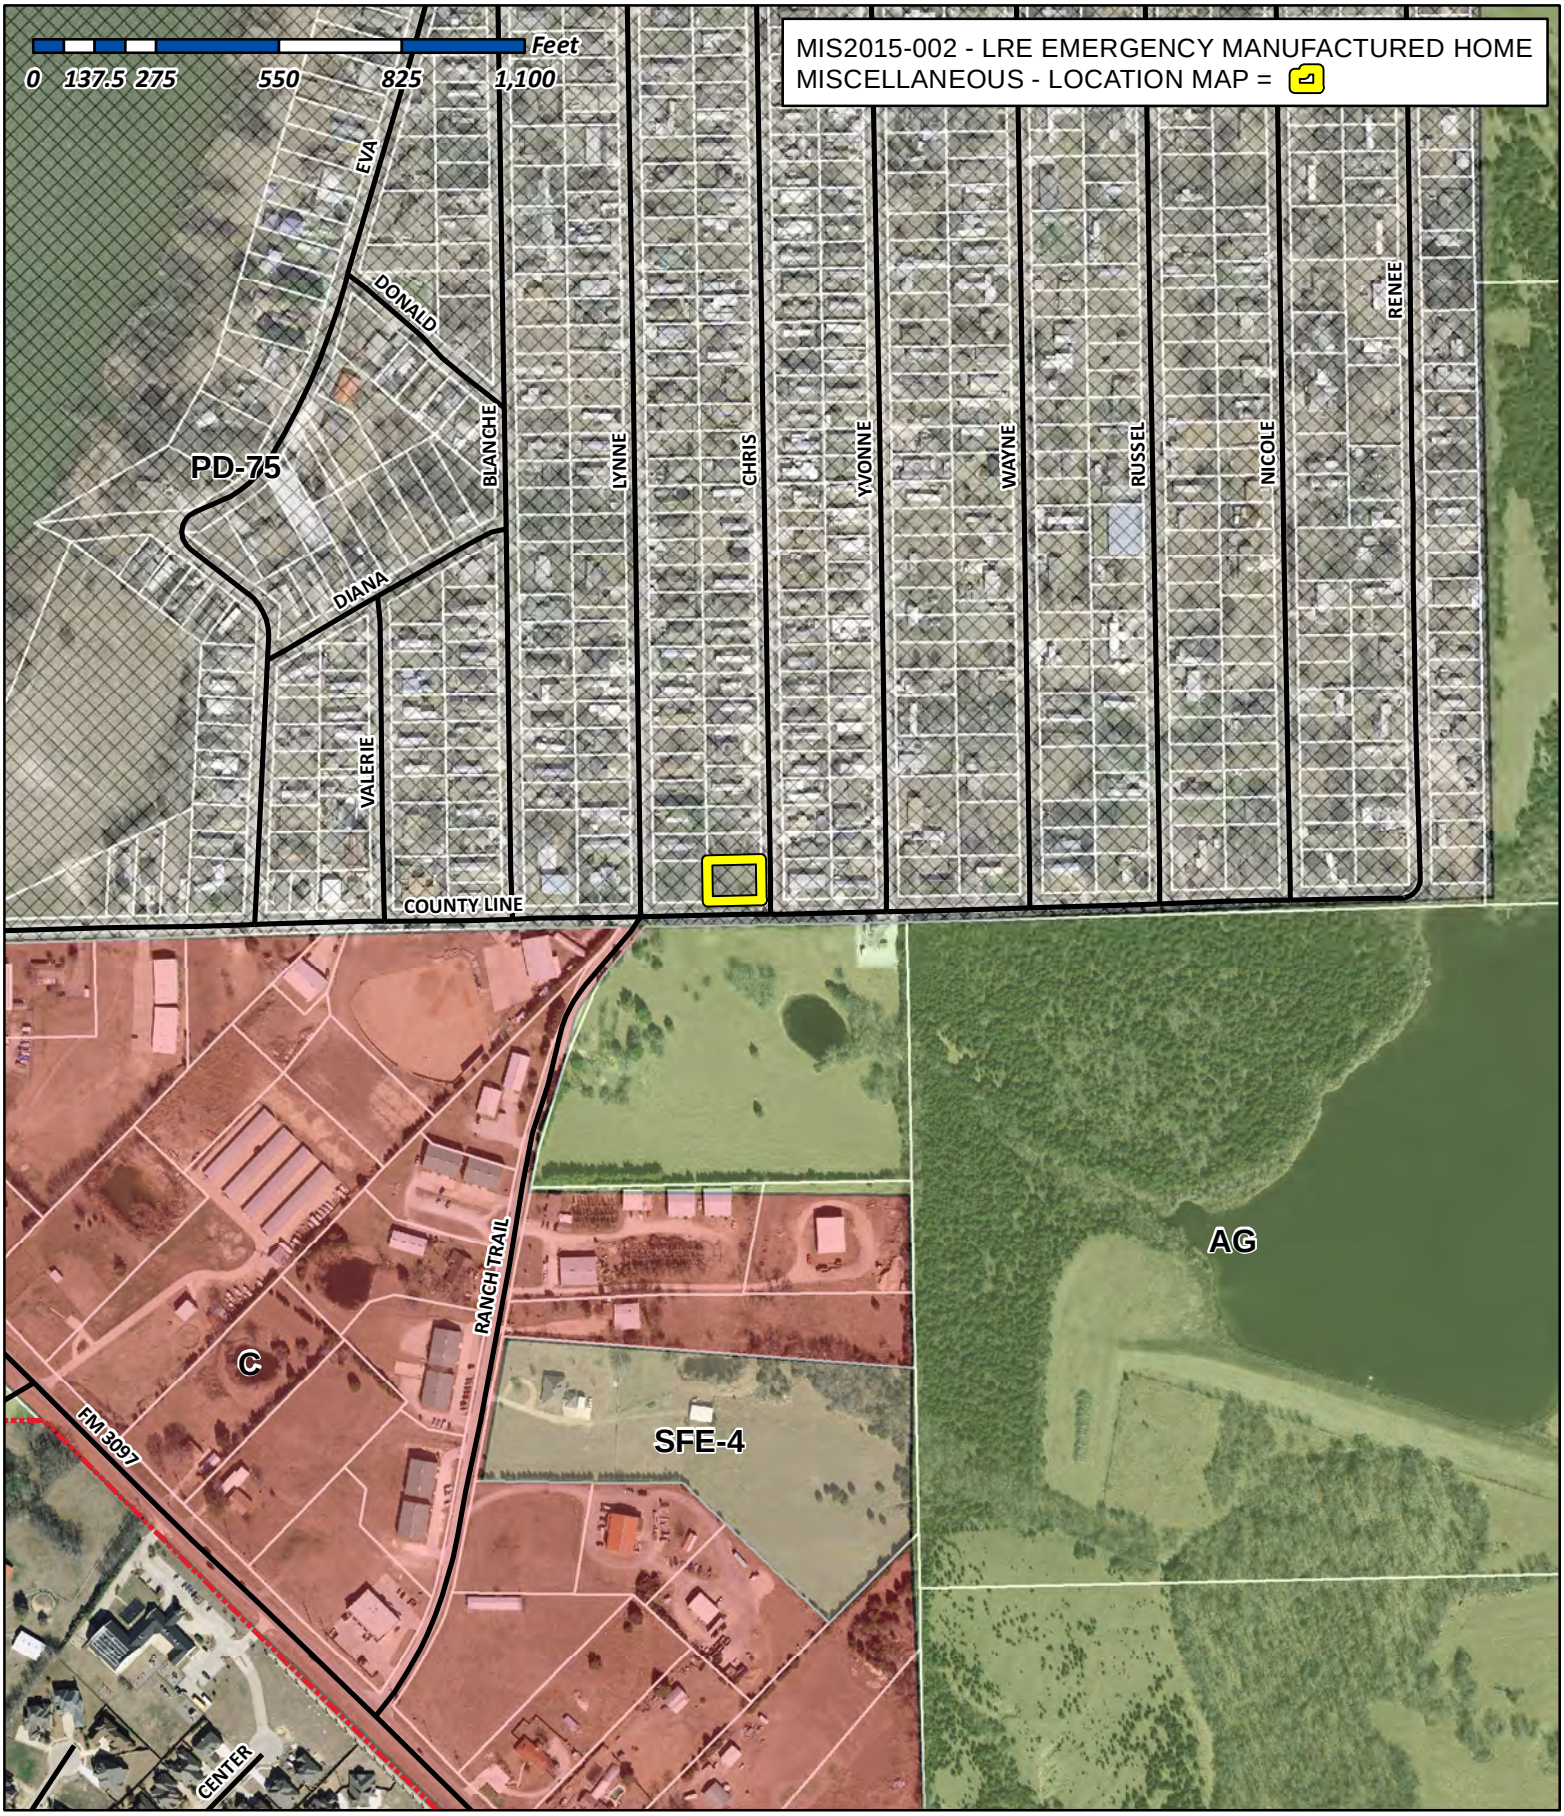
City of Rockwall
The New Horizon

MEMORANDUM

TO: City Council



FROM: Robert LaCroix, Director of Planning & Zoning

DATE: June 12, 2015

SUBJECT: Special Exception

David Smith with the Rockwall Housing Development Corporation is requesting a Special Exception, as permitted in Planned Development District 75, (PD-75), to allow the location of a manufactured home for emergency housing purposes on the subject property at 112 Chris Drive in the Lake Rockwall Estates Subdivision. Due to the recent flooding in this area some property owners have been forced out of their homes and are currently residing in a local hotel. These homes will require extensive repair to be habitable. The RHDC is attempting to provide emergency housing to these individuals by providing temporary housing on one of the lots they currently own within Lake Rockwall Estates Subdivision. In addition, the RHDC is working with the City to determine if City owned lots, within a close proximity, could be utilized to locate other manufactured homes for the same emergency reasons. Mr. Smith is requesting the Special Exception for 112 Chris Drive, but staff would also request that the Council allow additional Special Exceptions apply to those City lots for the same purpose of locating emergency housing. Those lots will be determined at a later date.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 06/15/2015

APPLICANT: Jay Bedford of A.J. Bedford Group, LLC

AGENDA ITEM: **P2015-021** (Breezy Hill Estates [ETJ] – Final Plat)

SUMMARY:

Discuss and consider a request by Jay Bedford of A. J. Bedford Group, Inc. on behalf of the owners G. Kent and Kay Loy Smith and Alan C. and Brenda G. Meador for the approval of a final plat for Lots 1-4, Block A, Breezy Hill Estates being a 7.873-acre tract of land identified as Lots 10-13, Breezy Hill (Unrecorded), Rockwall County, Texas, situated within the City of Rockwall's Extraterritorial Jurisdiction (ETJ), located on property currently addressed as 575 Breezy Hill Lane, and take any action necessary.

COMMENTS:

- The objective of this request is to establish a subdivision within the City's Extraterritorial Jurisdiction (ETJ) by platting four (4) lots that combine for a total of 7.873-acres. Although four (4) lots existed prior to this request, they were not recorded as platted lots. The City's Subdivision Ordinance requires all lots or tracts of land within the ETJ to be platted if the lot or tract of land is subdivided into parcels or tracts less than 5-acres. Also, the Subdivision Ordinance requires all lots to have frontage along a public street and is based on the City's zoning code for frontage. The proposed plat indicates Lots 3 & 4 does as not having frontage along a public street; therefore, approval of a waiver to this standard is required by City Council in order for the proposed plat to be approved.

- The property is located in the northeast quadrant of F.M. 552 and Breezy Hill Road and is currently addressed as 575 Breezy Hill Lane.

- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions listed in the Recommendations section below.

- With the exception of the items listed in the Recommendation section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the request for final plat, staff would recommend the following conditions of approval:

A) All the technical comments from the Engineering and Fire Departments shall be addressed prior to the filing of this plat, including the following Planning Comments;

1. Approval of a waiver by the City Council to the Subdivision Ordinance to allow Lots 3 & 4 (as depicted on the proposed plat) to be platted without frontage on a public street.
2. Adherence to Engineering and Fire Department standards.

3. Address all staff comments as listed in the Project Plan Review (see attached).

B) Any construction resulting from the approval of this final plat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION RECOMMENDATION:

On June 9, 2015, the Planning and Zoning Commission recommended approval of the request, which included a recommendation of approval for the waiver to the Subdivision Ordinance to allow for Lots 3 & 4 to be platted without frontage on a public street by a vote of 6 to 0 (Conley – absent).

Discuss and consider a request by Jay Bedford of A. J. Bedford Group, Inc. on behalf of the owners G. Kent and Kay Loy Smith for the approval of a final plat for Lots 1-4, Block A, Breezy Hill Estates being a 7.873-acre tract of land identified as Lots 10-13, Breezy Hill (Unrecorded), Rockwall County, Texas, situated within the City of Rockwall's Extraterritorial Jurisdiction (ETJ), located on property currently addressed as 575 Breezy Hill Lane, and take any action necessary.

The following staff comments are to be addressed and resubmitted no later than Tuesday, June 2, 2015 (four large copies [18" X 24" FOLDED] and one PDF version) for subsequent review by staff.

1. Adherence to all Engineering and Fire Department standards.
2. Breezy Hill Road identifed as a "minor collector" on the City's Thoroughfare Plan, requires dedication of right-of-way.
3. Indicate extremes of all easements that are not identified by a double arrow.
4. Remove the label "by this plat" where indicated.
5. Remove improvements (e.g. fence, concrete area's, building footprint, etc.).
6. Lots 3 & 4 do not have frontage on a public street - requires a waiver to the Subdivision Standards for frontage.
7. What is "judgement" and why is it relevant to this plat?
8. Provide a label indicating "Case No. P2015-021" on the lower right corner of all pages of the plat.

Planning Department	David Gonzales	6/1/2015	6/1/2015	6/1/2015		COMMENTS	See comments

The following staff comments are to be addressed and resubmitted for a subsequest review by staff (two large copies [18" X 24" FOLDED] and one PDF version).

1. Adherence to all Engineering and Fire Department standards.
2. Approval of a waiver to the Subdivision Standards by City Council is required for not having the required frontage along a public street for Lots 3 & 4.
3. Page 2 - Use Standard City Signtrue Block along with County Judge signature line (not Director of Planning signature line).

RE: P2015-021
Lots 1-4, Block A, Breezy Hill Estates
FINAL PLAT

Respectfully on behalf of G. Kent Smith & Kay Loy Smith, owners, we, A.J. Bedford Group, Inc. are requesting a waiver to subdivision ordinance to allow for Lots 3 & 4 to not have frontage along a public street. These lots have access based on the 20-ft and 30-ft access easements as indicated on the plat.

Thank you for your consideration,

OWNER'S CERTIFICATION
STATE OF TEXAS
COUNTY OF ROCKWALL

WHEREAS, G. Kent Smith, Kay Loy Smith, Alan C. Meador III and Brenda G. Meador are the owners of a 7.873 acre tract of land situated in the Joseph Strickland Survey, Abstract No. 187, Rockwall County, Texas and being a portion of the land described in documents to G. Kent Smith and Kay Loy Smith recorded in Volume 140, Page 759, Volume 140 and Volume 757, Page 002, Official Public Records Rockwall County, Texas (OPRRCT) and being all of a called 2.000 acre tract of land described in a deed to Allen C. Meador III and Brenda G. Meador recorded in Instrument No. 20140000008990 (OPRRCT) and being more particularly described as follows:

BEGINNING at a 5/8 inch iron rod set for corner in the west line of Breezy Hill Road a variable width right of way and being the northwest corner of said Meador tract;

THENCE along the north line of said Meador tract, NORTH 86°56'37" EAST a distance of 819.62 feet to a 1/2 inch iron rod found for corner in the west line of a tract of land described in a deed to James R. Randolph Jr. and Jill Randolph recorded in Volume 6202, Page 1 (OPRRCT);

THENCE along the west line of said Randolph tract, SOUTH 01°12'55" WEST a distance of 418.97 feet to a 1/2 inch iron rod found for corner in the north line of Skyview Country Estates an addition to Rockwall County according to the plat recorded in Cabinet A, Page 261 (OPRRCT);

THENCE along the north line of said Skyview Country Estates, SOUTH 86°52'57" WEST a distance of 820.32 feet to a 5/8 inch iron rod set for corner in the east line of said Breezy Hill Road;

THENCE along the east line of said Breezy Hill Road, NORTH 01°18'06" EAST a distance of 419.89 feet to the POINT OF BEGINNING;

CONTAINING 7.873 acres or 342,933 square feet of land more or less.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:
STATE OF TEXAS
COUNTY OF ROCKWALL

We, the undersigned owners of the land shown on this plat, and designated herein as the BREEZY HILL ESTATES subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in the BREEZY HILL ESTATES subdivision have been notified and signed this plat. We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; We, my (our) successors and assigns hereby waive any claim, damage, or cause of action that We may have as a result of the dedication of exactions made herein.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 05/18/2015

APPLICANT: Cole Franklin, *Skorburg Company*

AGENDA ITEM: **Z2015-014**; *Gideon Tract (AG to PD)*

SUMMARY:

Hold a public hearing to discuss and consider a request by Cole Franklin of the Skorburg Company on behalf of the owner Lonnie Gideon Estate for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 10 (SF-10) District land uses, on a 29.192-acre tract of land identified as a portion of Tract 1-01 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the 205 By-Pass Corridor Overlay (205 BY-OV) District, located at the northeast corner of the intersection of E. Quail Run Road and John King Boulevard, and take any action necessary.

PURPOSE:

On April 17, 2015, the applicant submitted an application requesting to rezone a 29.192-acre tract of land from an Agricultural (AG) District to a Planned Development District for a single-family, residential subdivision that will consist of 72 single-family lots, an amenities center and open space areas. The property, which was annexed into the City on March 16, 1998 by *Ordinance No. 98-10*, is located at the northeast corner of E. Quail Run Road and John King Boulevard and is currently vacant agricultural land.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is the City's corporate boundaries followed by a single family, residential development that is situated within Rockwall County.

South: Directly south of the subject property is John King Boulevard, which is designated as a P6D (*principal, six [6] lane, divided roadway*), and a portion of E. Quail Run Road, which is designated as a M4U (*minor, four [4] lane, undivided roadway*) according to the City's Master Thoroughfare Plan. Beyond these roadways are the remaining tracts of land that are part of a larger 62.192-acre tract of land that incorporates the subject property. All the properties are vacant agricultural land that are zoned Agricultural (AG) District.

East: Directly east of the subject property are several single-family homes situated on estate lots, and zoned Agricultural (AG) District. Beyond these properties is a vacant 76.577-acre tract of land, zoned Agricultural (AG) District, and owned by the Rockwall Independent School District (RISD) [*identified as Tract 14-11 of the J. M. Gass Survey, Abstract No. 88*].

West: Directly west of the subject property is a vacant 45.318-acre tract of land zoned Agricultural (AG) District. Beyond this tract of land is John King Boulevard.

CHARACTERISTICS OF THE REQUEST:

Along with the application, the applicant has submitted a concept plan and development standards for the proposed residential subdivision. The concept plan shows the layout of the subdivision, which will have access drives on John King Boulevard and E. Quail Run Road. The development will consist of 45, 80' x 125' lots (*eight [8] of which will have a depth of 150-feet*) and 27, 100' x 150' lots, and have a gross residential density of 2.46 units/acre. The subdivision will incorporate 2.79-acres of open space (~9.56%) that will be adjacent to John King Boulevard and E. Quail Run Road, and provide a buffer between the houses and the adjacent thoroughfares. An amenities center will be provided to service the 72-lot subdivision. A summary of the proposed development standards is as follows:

Lot Type ►	***A***	***B***
Minimum Lot Width/Frontage	80'	100'
Minimum Lot Depth	125'	150'
Minimum Lot Area	10,000 SF	15,000 SF
Minimum Front Yard Setback	20'	20'
Minimum Side Yard Setback	5'	7'
Minimum Side Yard Setback (Adjacent to a Street)	10'	10'
Minimum Length of Driveway Pavement	20'	20'
Maximum Height	36'	36'
Minimum Rear Yard Setback	15'	15'
Minimum Area/Dwelling Unit (SF)	2,600 SF	3,000 SF
Maximum Lot Coverage	65%	70%

Additionally, the applicant has agreed to incorporate the same anti-monotony standards that were incorporated in Planned Development District 70 (PD-70) [*i.e. the Stone Creek subdivision*] and Planned Development District 74 (PD-74) [*i.e. the Breezy Hill subdivision*]. *Copies of the proposed PD Concept Plan and PD Development Standards have been provided in the attached packet for the City Council and Planning & Zoning Commission's review.*

CONFORMANCE WITH THE COMPREHENSIVE PLAN AND UDC:

The Future Land Use Map, contained within the Comprehensive Plan, designates the subject property for *Low Density Residential* land uses. According to the Comprehensive Plan, "(l)ow density residential is defined as less than two (2) units per acre; however, a density up to two and one-half (2.5) units per gross acre may be allowed within a residential Planned Development District that includes the dedication and/or development of additional amenities exceeding the minimum standards for residential Planned Developments." The additional amenities are described as: 1) Parks and Open Space, 2) Golf Course, 3) Neighborhood Amenity/Recreation Center, 4) Integration of Schools into the Community Fabric, 5) Development of Trails and Parks in Floodplains, and 6) Development of Municipal Parks and Recreation Facilities. Additionally, the Planned Development District standards contained within the Unified Development Code (UDC) require a minimum of 20% of the gross land area be dedicated to open space.

In this case, the concept plan shows a total of 2.79-acres of open space (~9.56%), which represents roughly half the compulsory amount required for this development. Staff has calculated that the applicant would need an additional 3.05-acres of open space to be in compliance with the Planned Development requirements. This would equate to a reduction of approximately 13, 80' x 125' lots. The plan does indicate that the development will incorporate an amenities center that could satisfy the additional amenity requirement, and justify the disparity in the open space; however, the requested gross residential density is 2.46 units/acre,

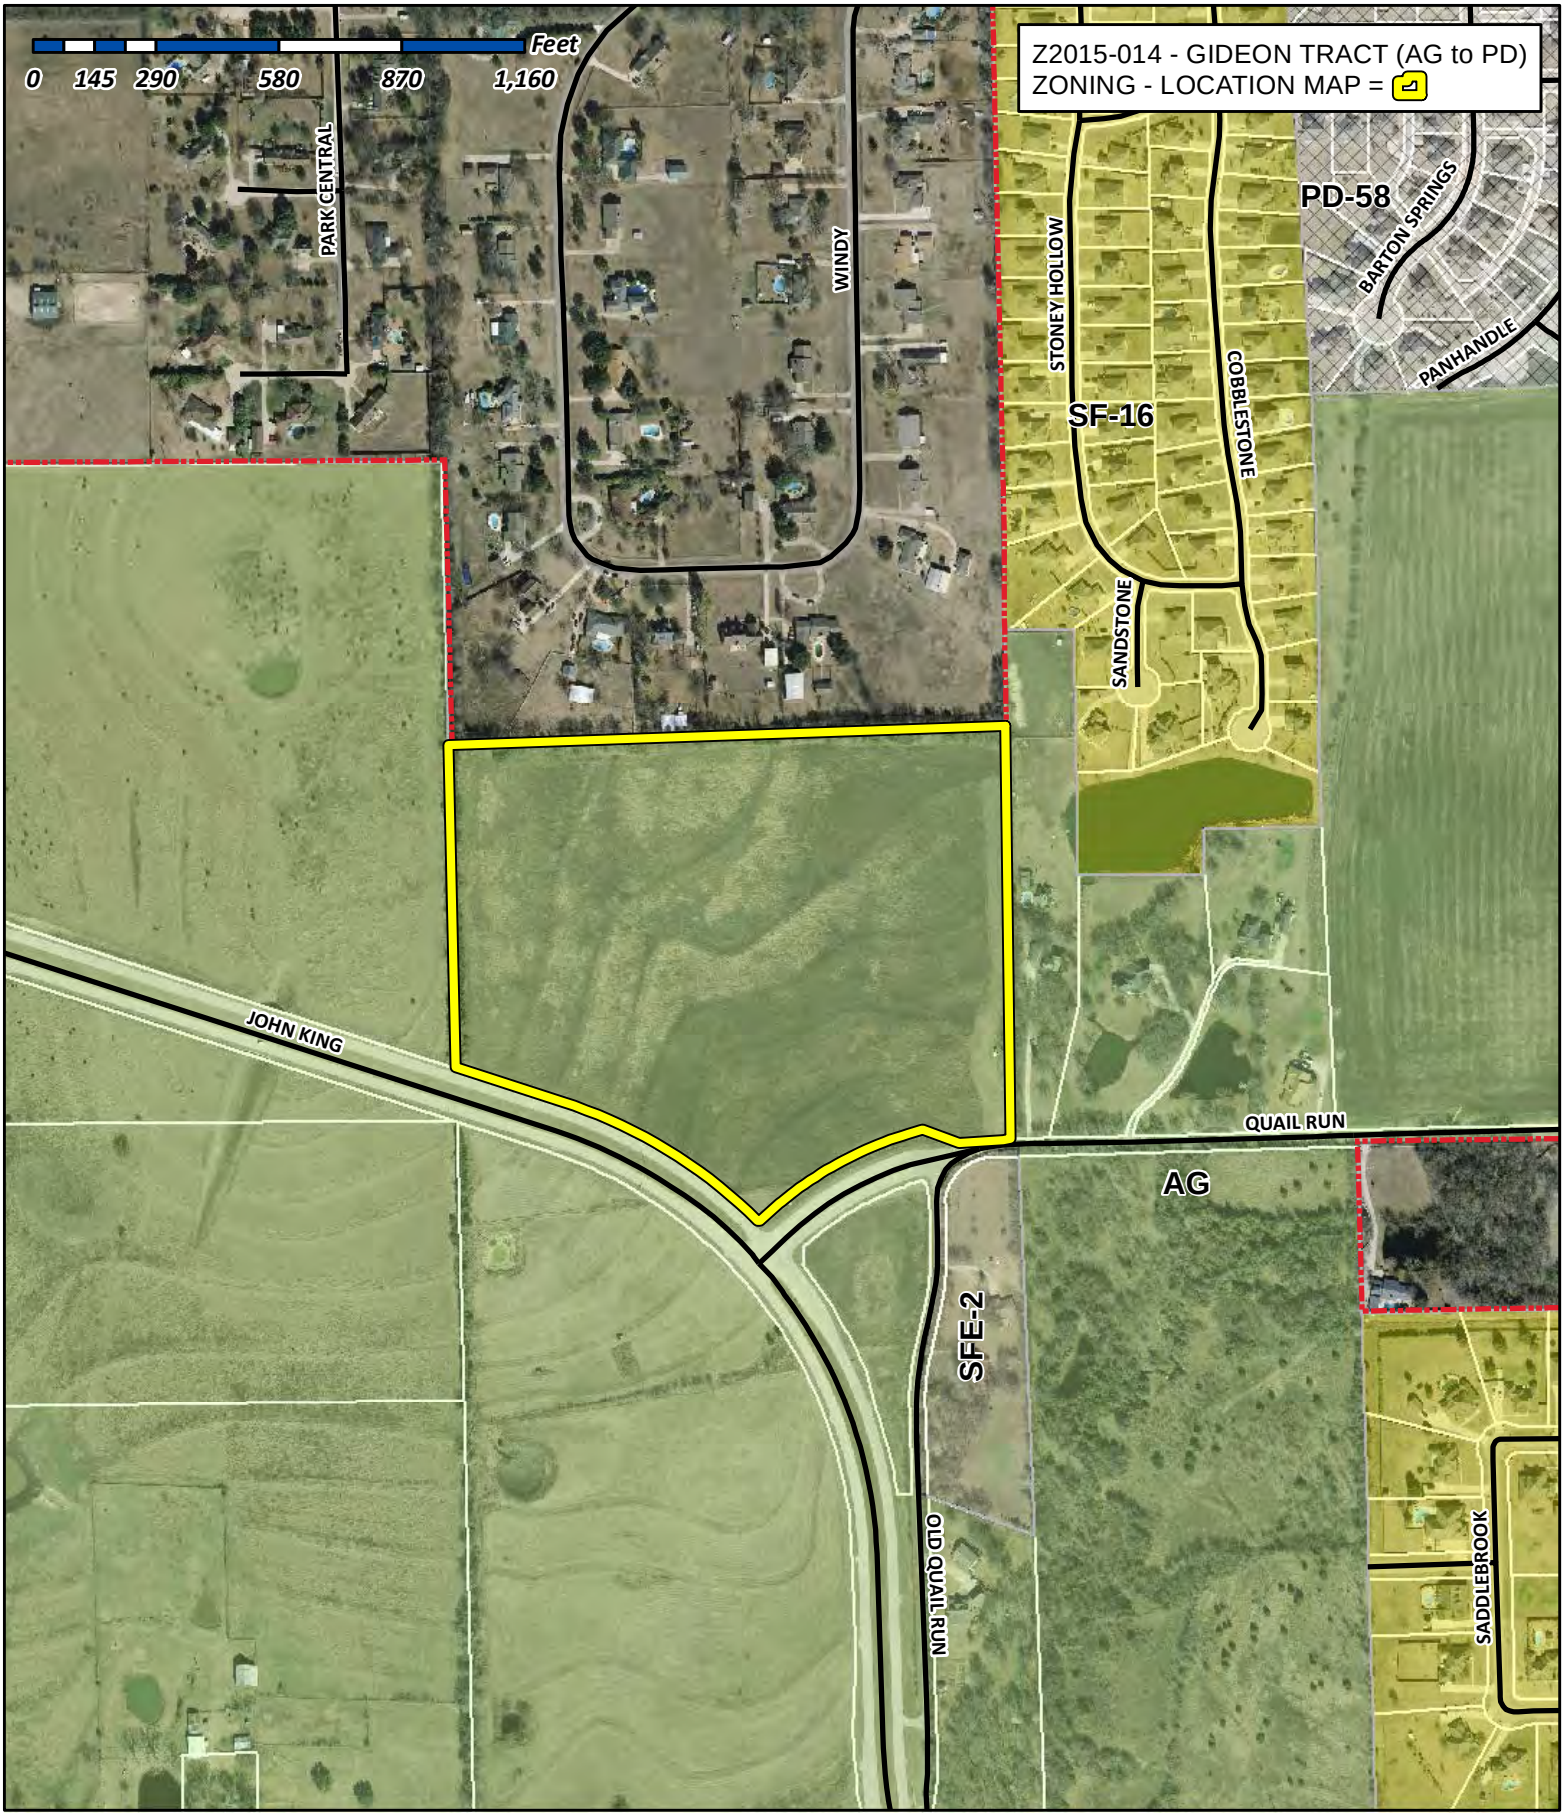
and any additional density over two (2) units per acre is a discretionary decision for the City Council based on the amenities provided by the proposed development. It should also be noted that the applicant has agreed to include a ten (10) foot sidewalk along John King Boulevard per the recommendations of the *John King Boulevard Design Concept Plan* contained within the Comprehensive Plan. This has been included in the proposed Planned Development District ordinance.

If the City Council chooses to grant the applicant's request, no changes to the Future Land Use Map would be required because the proposed density is in conformance with the range designated for the *Low Density Residential* designation (*i.e. 2-2.5 units/acre*).

NOTIFICATION:

On April 24, 2015, staff mailed 19 notices to property owners and residents within 500-feet of the subject property. Staff also emailed a notice to the Stoney Hollow and Dalton Ranch Homeowner's Associations (HOA's), which are the only HOA's located within 1,500 feet of the subject property. Additionally, staff posted a sign at the corner of John King Boulevard and E. Quail Run Road, and advertised the public hearings in the Rockwall Harold Banner as required by the Unified Development Code (UDC). At the time this case memo was drafted no responses were received by staff.

RECOMMENDATIONS:



If the Planning and Zoning Commission chooses to recommend approval of the applicant's request to rezone the subject property from an Agricultural (AG) District to a Planned Development District, then staff would propose the following conditions of approval:

1) The applicant shall be responsible for maintaining compliance with the conditions contained within the *Planned Development District* ordinance; and,

2) Any construction resulting from the approval of this *zoning amendment* shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On May 12, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the proposed zoning change by a vote of 5-0, with Commissioners Lyons and Conley absent.

To whom it may concern:

Per your participation in the Neighborhood Notification Program, you are receiving this notification to inform your organization and residents of a request for a zoning change that lies within 1,500 feet of the boundaries of your neighborhood or subdivision. As the primary contact for the organization, you are encouraged to share this information with the residents of your subdivision. Please find attached a map detailing the location of the subject property requesting the zoning change in relation to your subdivision boundaries. Additionally, below is a summary of the zoning request that was also published in the Rockwall Herald Banner on May 1, 2015. If you have any questions or comments regarding this request, the contact information for the Planning Department is listed below. Additional information can also be found at http://www.rockwall.com/planning/planningDevCases.asp.

Z2015-014-Hold a public hearing to discuss and consider a request by Cole Franklin of the Skorburg Company on behalf of the owner Lonnie Gideon Estate for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 10 (SF-10) District land uses, on a 29.192-acre tract of land identified as a portion of Tract 1-01 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the 205 By-Pass Corridor Overlay (205 BY-OV) District, located at the northeast corner of the intersection of E. Quail Run Road and John King Boulevard, and take any action necessary.

CITY OF ROCKWALL

ORDINANCE NO. 15-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO CHANGE THE ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO PLANNED DEVELOPMENT DISTRICT XX (PD-XX) FOR SINGLE FAMILY 10 (SF-10) DISTRICT LAND USES ON THE SUBJECT PROPERTY, BEING A 29.192-ACRE TRACT OF LAND IDENTIFIED AS A PORTION OF TRACT 1-01 OF THE S. R. BARNES SURVEY, ABSTRACT NO. 13, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED HEREIN BY *EXHIBIT 'A'*; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request by the Cole Franklin of the Skorburg Company on behalf of the owner of the property, Lonnie Gideon, for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 10 (SF-10) District land uses, on a 29.192-acre tract of land identified as a portion of Tract 1-01 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas and more fully described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the *Subject Property* shall be used only in the manner and for the purposes authorized by this Planned Development District Ordinance and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting this zoning change, and as maybe amended in the future;

Section 2. That development of the *Subject Property* shall generally be in accordance with the *Planned Development Concept Plan*, described in *Exhibit 'B'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'B'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 3. That development of the *Subject Property* shall generally be in accordance with the *Development Standards*, described in *Exhibit 'C'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'C'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

DRAFT ORDINANCE 05.19.15

Section 4. That a master parks and open space plan for the Property, prepared in accordance with this ordinance and consistent with the *Planned Development Concept Plan*, (*Open Space Master Plan*) shall be considered for approval by the City Council following recommendation of the Parks and Recreation Board.

Section 5. That development of the *Subject Property* shall be in conformance with the schedule listed below (*except as set forth below with regard to simultaneous processing and approvals*).

(a) The procedures set forth in the City's subdivision regulations on the date this ordinance is approved by the City, as amended by this ordinance (*including Subsections 5(b) through 5(e) below*), shall be the exclusive procedures applicable to the subdivision and platting of the Property.

(b) The following plans and plats shall be required in the order listed below (*except as set forth below with regard to simultaneous processing and approvals*). The City Council shall act on an application for an *Open Space Master Plan* in accordance with the time period specified in *Section 212.009* of the *Texas Local Government Code*.

(1) Open Space Master Plan
(2) Master Plat
(3) PD Site Plan
(4) Preliminary Plat
(5) Final Plat

(c) *PD Site Plan.* A *PD Site Plan* covering all of the *Subject Property* shall be submitted and shall identify all site/landscape/hardscape plan(s) for all open space, neighborhood parks, trail systems, street buffers and entry features. A *PD Site Plan* application may be processed by the City concurrently with a *Preliminary Plat Application* for the development.

(d) *Preliminary Plat.* A *Preliminary Plat* covering all of the *Subject Property* shall be submitted and shall include a *Treescape Plan*. A *Preliminary Plat Application* may be processed by the City concurrently with a *PD Site Plan Application* for the development.

(e) *Final Plat.* Prior to the issuance of any building permits, a *Final Plat*, conforming to the *Preliminary Plat*, for all of the *Subject Property* shall be submitted for approval.

Section 7. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 8. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 9. The standards in this ordinance shall control in the event of a conflict between this ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development*

Code), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

Section 10. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 1ST DAY OF JUNE, 2015.

DRAFT ORDINANCE 05.18.2015

Exhibit 'A':
Legal Description

BEING a 29.192-acre tract out of the S. R. Barnes Survey, Abstract No. 13, Rockwall County, Texas being part of the following described 80-acre tract of land:

80-acres of land, more or less, out of the S. R. Barnes Survey, Abstract No. 13, Rockwall County, Texas, and more particularly described by metes and bounds as follows:

BEGINNING at the Southwest corner of said S. R. Barnes Survey;

THENCE North 940 varas to a point for the Northwest corner of this tract;

THENCE East 475 varas to a point for the Northeast corner of this tract;

THENCE South 940 varas to a point for the Southeast corner of this tract;

THENCE West 475 varas to the PLACE OF BEGINNING

and being the same land's described as Tract 1 in a deed dated March 11, 1940, from M. M. Mccurry, et ux, et al, to Joe W. Gideon et ux, Katherine Gideon, and recorded in Volume 35, Page 591, Deed Records of Rockwall County, Texas,

SAVE AND EXCEPT FROM SAID 80-ACRES THE FOLLOWING FOUR TRACTS OF LAND:

SAVE and EXCEPT TRACT 1:

1.5034435-acres of land, more or less, out of the S. R. Barnes Survey, Abstract No. 13, Rockwall County, Texas, and more particularly described by metes and bounds as follows, to-wit:

BEGINNING at a point in the middle of a public road on the East boundary line of the afore described 80-acre tract, said point being 346 varas South of the Northeast corner of said 80-acre tract and being the Northeast corner of this 1.5034435-acre tract;

THENCE West along the middle of a public road 63.699 varas to a point in the middle of the intersection of two public roads for the Northwest corner of this 1.5034435-acre tract;

THENCE South along the middle of a public road 133.093 varas to a point for the Southwest corner of this 1.5034435-acre tract;

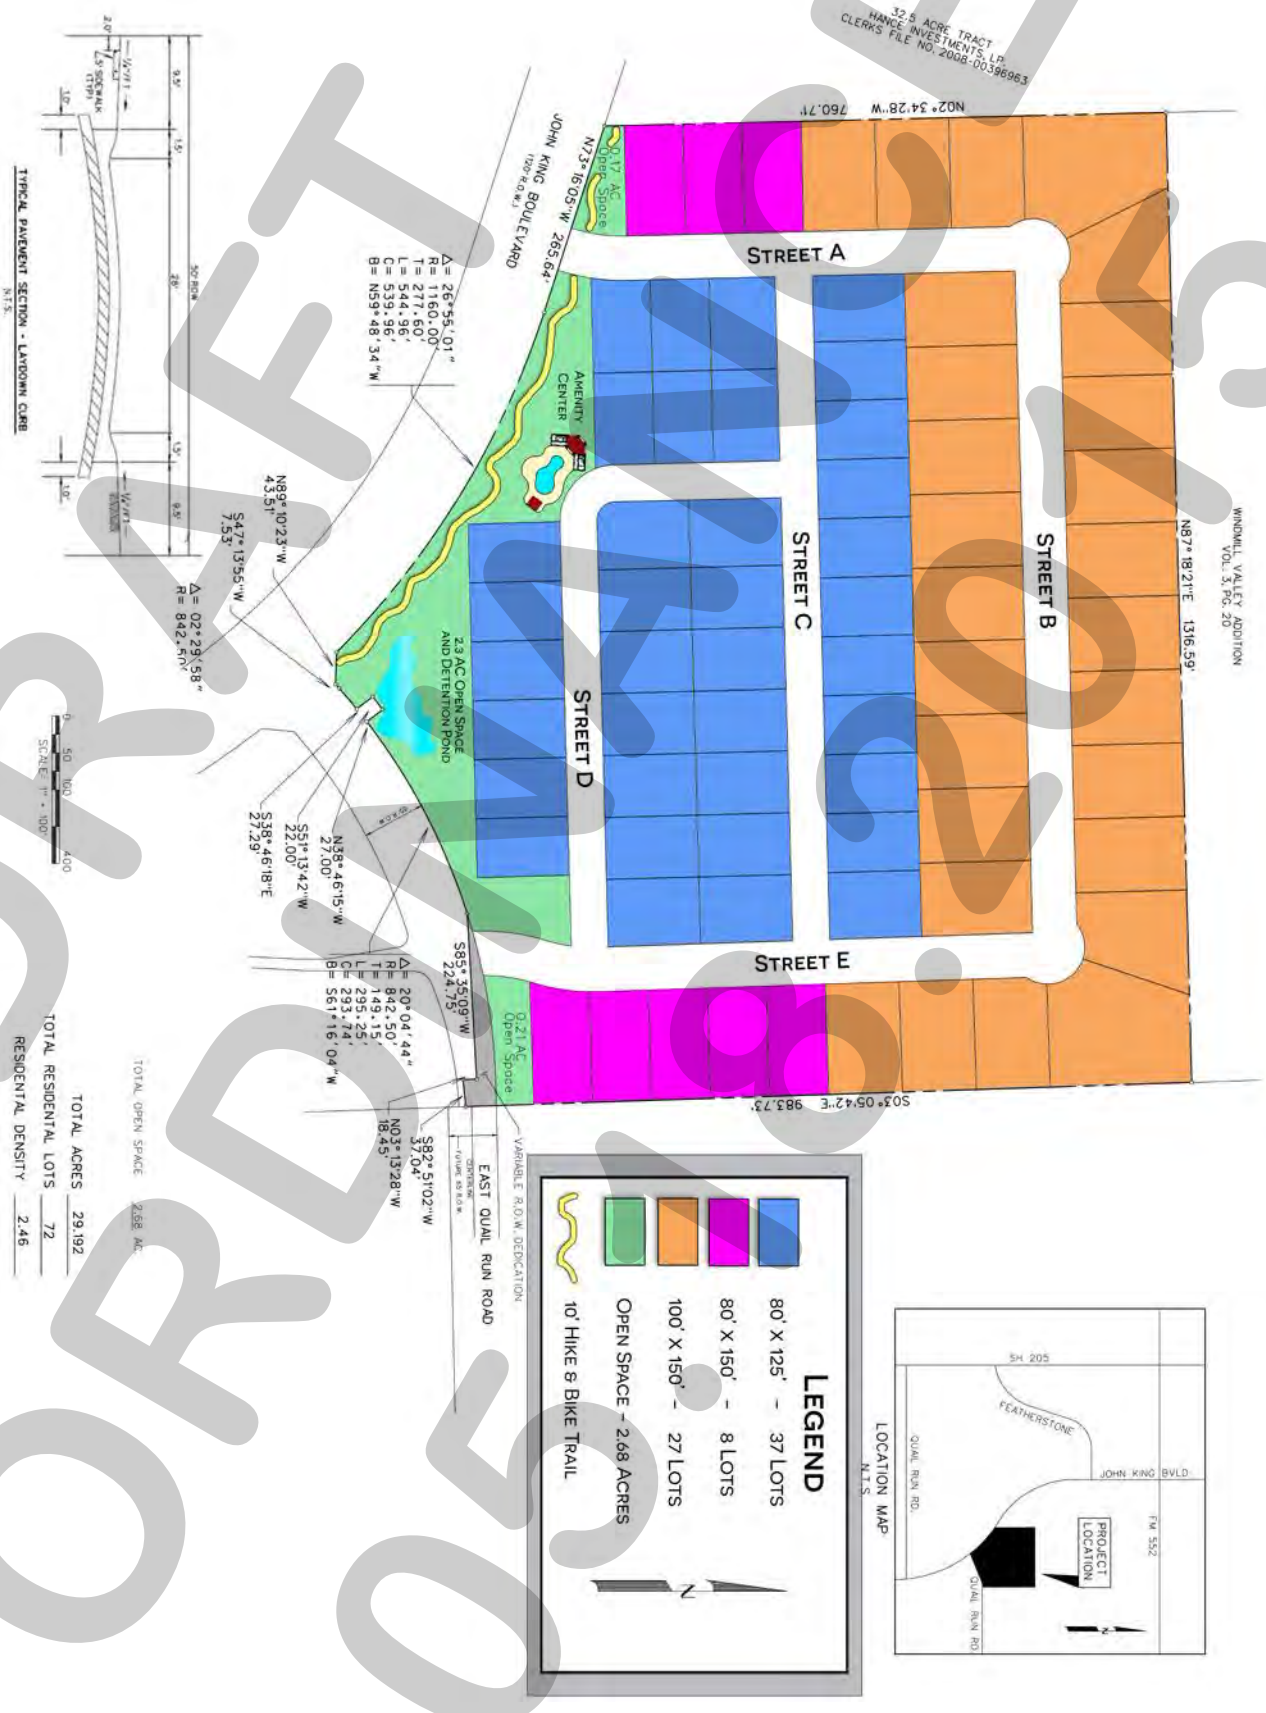
THENCE East 63.699 varas to a point on the East boundary line of the aforedescribed 80-acre tract for the Southeast corner of this 1.5034435-acre tract;

THENCE North 133.093 varas along the East boundary line of the aforedescribed 80-acre tract to the place of beginning.

SAVE and EXCEPT TRACT 2:

7.170-acres conveyed in a Warranty Deed from Lonnie L. Gideon, a single person, both Individually and as Trustee of the Bradley Joe Gideon Trust, to Donald R. Taylor, dated May 5, 1994, filed May 11, 1994, recorded in Volume 902, Page 141, Deed Records, Rockwall County, Texas.

SAVE and EXCEPT TRACT 3:



2.172-acres conveyed in a Warranty Deed from Lonnie Leo Gideon, Individually and as Independent Executor of the Estate of Joe Wilson Gideon, Deceased, and as Trustee of the Bradley Joe Gideon Trust, to James T. Bradley and wife, Brenda J. Bradley, dated May 31, 1994, filed June 2, 1994, recorded in Volume 908, Page 10, Deed Records, Rockwall County, Texas.

SAVE and EXCEPT TRACT 4:

8.466-acres vested in the City of Rockwall, Texas pursuant to Agreed Judgment of Court Granting Right-of-Way and Easement under Cause No. 1-07-552, District Court, Rockwall County, certified copy filed October 30, 2009, recorded in Volume 5951, Page 84, Official Public Records, Rockwall County, Texas.

DRAFT ORDINANCE 03.18.2015

Exhibit 'B':
Concept Plan

DRAFT ORDINANCE 05.18.15

Exhibit 'C':
PD Development Standards

A. GENERAL REQUIREMENTS

Development Standards.

1. *Permitted Uses.* Unless specifically provided by this Planned Development ordinance, only those uses permitted within the Single Family 10 (SF-10) District, as stipulated by the *Permissible Use Charts* contained in Article IV, *Permissible Uses*, of the Unified Development Code (UDC), are allowed on the *Subject Property*.

2. *Lot Composition and Layout.* The lot layout and composition shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* and stated in *Table 1*, which is as follows:

Table 1: Lot Composition

Lot Type	*Minimum Lot Size (FT)*	*Minimum Lot Size (SF)*	*Dwelling Units (#)*	*Dwelling Units (%)*
A	80' x 125'	10,000 SF	45	62.50%
B	100' x 150'	15,000 SF	27	37.50%
	Average Lot Size:	10,000 SF		
		Maximum Permitted Units:	*72*	*100.00%*

3. *Density and Dimensional Requirements.* Unless specifically provided by this Planned Development ordinance, the development standards stipulated by the Single Family 10 (SF-10) District, as specified by Article V, *District Development Standards*, of the Unified Development Code are applicable to all development on the *Subject Property.* The maximum permissible density for the *Subject Property* shall not exceed *2.50* dwelling units per gross acre of land; however, in no case should the proposed development exceed *72* units. All lots shall conform to the standards depicted in *Table 2*, which is as follows:

Table 2: Lot Dimensional Requirements

Lot Type (see Concept Plan) ►	***A***	***B***
Minimum Lot Width/Frontage [1]	80'	100'
Minimum Lot Depth	125'	150'
Minimum Lot Area	10,000 SF	15,000 SF
Minimum Front Yard Setback [3]	20'	20'
Minimum Side Yard Setback	5'	7'
Minimum Side Yard Setback (Adjacent to a Street)	10'	10'
Minimum Length of Driveway Pavement	20'	20'
Maximum Height	36'	36'
Minimum Rear Yard Setback	15'	15'
Minimum Area/Dwelling Unit (SF) [2]	2,600 SF	3,000 SF
Maximum Lot Coverage	65%	70%

General Notes:

[1]: Lots fronting onto curvilinear streets, cul-de-sacs and eyebrows may have the front lot width reduced by 20% as measured at the front property line provided that the lot width will be met at the front building line. Additionally, the lot depth on lots fronting onto curvilinear streets, cul-de-sacs and eyebrows may be reduced by up to 10%, but shall meet the minimum lot size for each lot type as referenced within *Table 1*.

[2]: A maximum of 20% of the lots may have homes not less than 2,500 SF.

[3]: The Director of Planning or his designee may grant a reduction in the required 20-foot front yard building setback of up to five (5) feet for lots situated along cul-de-sacs or curvilinear streets, or where a 20-foot front yard building setback would create an undue hardship on the property.

4. *Building Standards.* All development shall adhere to the following building standards:

(a) *Masonry Requirement.* The minimum masonry requirement for the exterior façades of all buildings shall be 90%. For the purposes of this ordinance the masonry requirement

DRAFT ORDINANCE 08.18.15

shall be limited to full width brick, natural stone, cast stone, cementaceous fiberboard horizontal lap-siding (*e.g. HardiBoard or Hardy Plank*) and, stucco (*i.e. three [3] part stucco or a comparable -- to be determined by staff*).

(b) Roof Pitch. A minimum of an *8:12* roof pitch is required on all structures with the exception of sunrooms and porches, which shall have a minimum of a *4:12* roof pitch.

(c) Garage Orientation. Garages shall oriented in a *traditional swing* (or *j-swing*) or in a front entry configuration. If a front entry garage configuration is utilized that garage shall be located at least 20-feet behind the front building façade. On *traditional swing* (or *j-swing*) garages a second single garage door facing the street is permitted if it is located behind the width of the double garage door.

5. *Anti-Monotony Restrictions.* The development shall adhere to the *Anti-Monotony Matrix* depicted in *Table 3* below (*for spacing requirements see the illustration below*).

Table 3 : Anti-Monotony Matrix

Lot Type	*Minimum Lot Size*	*Elevation Features*
A	80' x 125'	(1), (2), (3)
B	100' x 150'	(1), (2), (3)

(1) Identical brick blends or paint colors may not occur on adjacent (*side-by-side*) properties along any block face without at least four (4) intervening homes of differing materials on the same side of the street beginning with the adjacent property and two (2) intervening homes of differing materials on the opposite side of the street.

(2) Front building elevations shall not repeat along any block face without at least four (4) intervening homes of differing appearance on the same side of the street and two (2) intervening homes of differing appearance on the opposite side of the street. The rear elevation of homes backing to open spaces or on John King Boulevard shall not repeat without at least five (5) intervening homes of differing appearance. Homes are considered to have a differing appearance if any of the following two (2) items deviate:

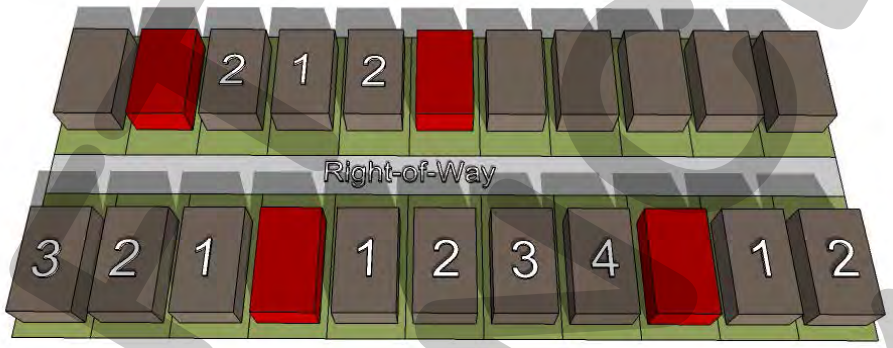
(a) Number of Stories
(b) Permitted Encroachment Type and Layout
(c) Roof Type and Layout
(d) Articulation of the Front Façade

(3) Each phase of the subdivision will allow for a maximum of four (4) compatible roof colors, and all roof shingles shall be an architectural or dimensional shingle (*3-Tab Roofing Shingles are prohibited*).

See the Illustrations on the following page.

DRAFT ORDINANCE 05.18.15

Illustration 1: Properties line up on the opposite side of the street. Where RED are the same.



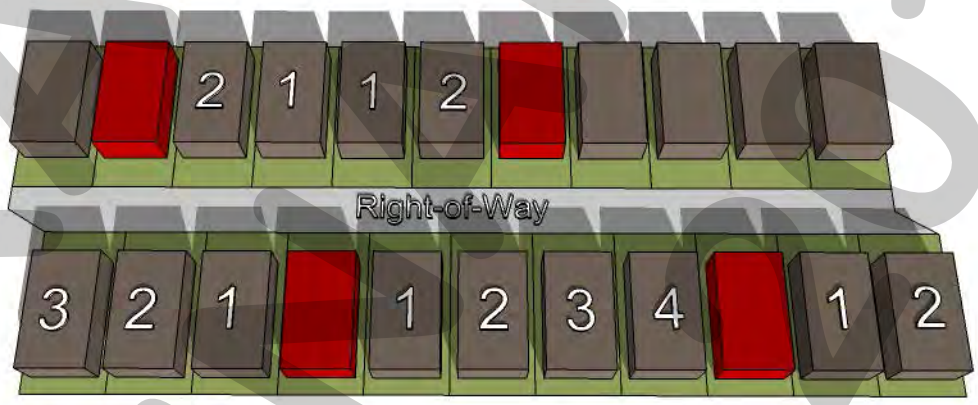


Illustration 2: Properties do not line up on opposite side of the street. Where RED are the same.

6. *Fencing Standards*. All individual residential fencing and walls shall be architecturally compatible with the design, materials and colors of the primary structure on the same lot, and meet the following standards:

(a) Wood Fences. All wood fences shall be constructed of a standard fencing material (*minimum of ½" thickness or better; spruce fencing will not be allowed*), and use fasteners that are hot dipped galvanized or stainless steel. Wood fences facing onto a street shall be painted and/or stained and sealed with all pickets being placed on the *public side* facing the street. All wood fences shall be smooth-finished, free of burs and splinters, and be a maximum of six (6) feet in height.

(b) Wrought Iron/Tubular Steel. Lots located along the perimeter of roadways, abutting open spaces, greenbelts and parks shall be required to install a wrought iron or tubular steel fence. Wrought iron/tubular steel fences can be a maximum of six (6) feet in height.

(c) Corner Lots. Corner lots fences (*i.e. adjacent to the street*) shall provide masonry columns at 45-feet off center spacing that begins at the rear of the property line. A maximum of six (6) foot solid *board-on-board panel* fence constructed utilizing cedar fencing shall be allowed between the masonry columns along the side and/or rear lot adjacent to a street. In addition, the fencing shall be setback from the side property line adjacent to a street a minimum of five (5) feet. The property owner shall be required to maintain both sides of the fence.

(d) Solid Fences (including Wood Fences). All solid fences shall incorporate a decorative top rail or cap detailing into the design of the fence.

DRAFT
ORDINANCE
05.18.15

7. *Landscape and Hardscape Standards.*

(1) *Landscape.* Landscaping shall be reviewed and approved with the PD Site Plan. All *Canopy/Shade Trees* planted within this development, unless specifically provided by this PD Ordinance, shall be a minimum of four (4) caliper inches in size and all *Accent/Ornamental/Under-Story Trees* shall be a minimum of four (4) feet in total height. The following tree species are approved for planting within this subdivision:

(a) Canopy/Shade Trees. Bald Cyprus, Cedar Elm, Texas Red Oak, Homestead Elm, Lace Bark Elm, Alle Elm, Chinese Pistachio, Shumard Oak, Sycamore, and Burr Oak.

(b) Accent/Ornamental/Under-Story Trees. Texas Redbud, Eve's Necklace, Mexican Plum, Downy Hawthorn, Crepe Myrtle, Texas Mountain Laurel, Vitex, and Desert Willow.

(2) *Landscape Buffers.* All landscape buffers and plantings located within the buffers shall be maintained by the Homeowner's Association (HOA).

(a) Landscape Buffer and Sidewalks (John King Boulevard). A minimum of a 50-foot landscape buffer shall be provided along the frontage of John King Boulevard (*outside of and beyond any required right-of-way dedication*), and shall incorporate ground cover, a *built-up* berm and/or shrubbery or a combination thereof along the entire length of the frontage. Berms and/or shrubbery shall have a minimum height of 30-inches and a maximum height of 48-inches. In addition, three (3) canopy trees and four (4) accent trees shall be planted per 100-feet of linear frontage. The developer shall also be responsible for the construction of a ten (10) foot sidewalk situated within the 50-foot landscape buffer adjacent to John King Boulevard.

(b) Landscape Buffer (Quail Run Road). A minimum of a 20-foot landscape buffer shall be provided along the frontage of Quail Run Road (*outside of and beyond any required right-of-way dedication*), and shall incorporate ground cover, a *built-up* berm and/or shrubbery or a combination thereof along the entire length of the frontage. Berms and/or shrubbery shall have a minimum height of 30-inches and a maximum height of 48-inches. In addition, at least one (1), three (3) inch canopy tree shall be planted per 50-feet of linear frontage.

(3) *Streetscape Landscaping.* Prior to the issuance of a Certificate of Occupancy (CO), all residential, single family lots situated within the proposed subdivision shall be landscaped with canopy trees from the list stipulated by *Section 7(1)* of this ordinance in the following sizes and proportions:

(i) Two (2), three (3) inch trees measured six (6) inches above the root ball shall be planted in the front yard of an interior lot.
(ii) Two (2), three (3) inch trees measured six (6) inches above the root ball shall be planted in the front yard of a corner lot and two (2), three (3) inch caliper trees shall be planted in the side yard facing the street.

DRAFT ORDINANCE 05.18.15

Note: For the purposes of this section only [i.e. Section 7(3)], the term "front yard" includes the area within the dedicated right-of-way for a parkway immediately adjoining the front yard of the lot.

(4) *Irrigation Requirements*. Irrigation shall be installed for all required landscaping located within common areas, landscape buffers and/or open space. Irrigation installed in these areas shall be designed by a Texas licensed irrigator or landscape architect and shall be maintained by the Homeowner's Association.

(5) *Hardscape.* Hardscape plans indicating the location of all sidewalks and trails shall be reviewed and approved with the PD Site Plan.

8. *Street.* All streets (*excluding drives, fire lanes and private parking areas*) shall be built according to City street standards.

9. *Lighting.* Light poles shall not exceed 20-feet in total height (*i.e. base and lighting standard*). All fixtures shall be directed downward and be positioned to contain all light within the development area.

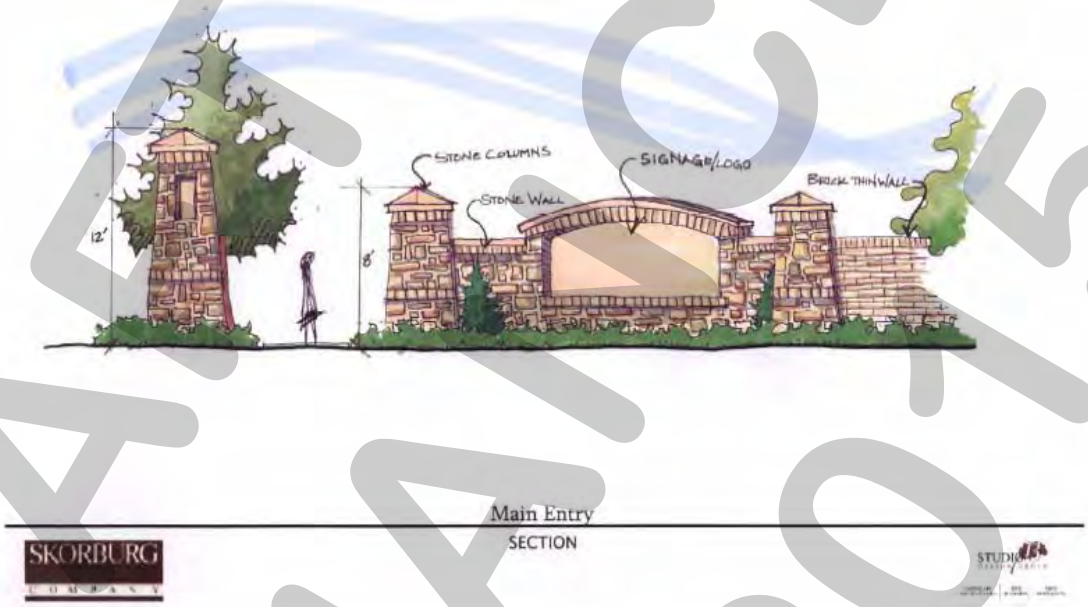
10. *Sidewalks.* At a minimum, all sidewalks located on lay down curb section streets shall begin four (4) feet behind the back of curb and be five (5) feet in overall width.

11. *Buried Utilities.* New distribution power-lines required to serve the *Subject Property* shall be placed underground, whether such lines are located internally or along the perimeter of the *Subject Property*, unless otherwise authorized by the City Council. New transmission power-lines, or distribution lines of a size not typically or cost effectively placed underground (*i.e. 3-phase lines*), or additional lines that are added to existing poles, may be above ground, if located along the perimeter of the *Subject Property*, except along John King Boulevard. The *Developer* shall not be required to re-locate existing overhead power-lines along the perimeter of the *Subject Property*. Temporary power-lines constructed across undeveloped portions of the *Subject Property* to facilitate development phasing and looping may be allowed above ground, but shall not be considered *existing lines* at the time the area is developed, and if they are to become permanent facilities, such lines shall be placed underground pursuant to this paragraph. Franchise utilities shall be placed within a ten (10) foot public utility easement behind the sidewalk, between the home and the property line.

12. *Open Space.* The development shall consist of a minimum of *9.56%* open space (*or 2.79-acres*), and generally conform to the *Open Space Plan* contained in *Exhibit 'B'* of this ordinance. All open space areas shall be maintained by the Homeowner's Association (HOA).

13. *Neighborhood Signage.* Permanent subdivision identification signage shall be permitted at all major entry points for the proposed subdivision and shall generally conform to the signage depicted in *Figures 1 & 2* (*below*). Final design and location of any entry features shall be reviewed and approved with the *PD Site Plan*.

See the Illustrations on the following page.



DRAFT ORDINANCE 05-18-2015

Figure 2: *Example of Subdivision Signage Locations*

Figure 3: *Example of Subdivision Signage Design Standard*

DRAFT ORDINANCE 05.18.2015

14. *Amenity Center.* A site plan, landscape plan and building elevations for the Amenity Center shall be subject to site plan approval by the Planning and Zoning Commission prior to construction.

15. *Homeowner's Association (HOA)*. A Homeowner's Association shall be created to enforce the restrictions established in accordance with the requirements of *Section 38-15* of the *Subdivision Regulations* contained within the *Municipal Code of Ordinances* of the City of Rockwall. The HOA shall also maintain all neighborhood parks, trails, open space and common areas, irrigation, landscaping, amenity centers, screening fences associated with this development.

16. *Variances*. The variance procedures and standards for approval that are set forth in the Unified Development Code shall apply to any application for variances to this ordinance.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **June 12, 2015**

SUBJECT: **Ordinance Draft related to the Operation of Golf carts**

City Attorney Frank Garza has prepared a draft ordinance regulating the operation of golf carts on public streets within the City limits as requested. The ordinance, if approved, would restrict the operation of golf carts on public streets to licensed drivers. Other restrictions in the draft include limiting the operation of golf carts to use on streets with speed limits of 30 mph or less and the golf carts must have safety equipment such as headlamps, tail lamps, side reflectors, parking brakes and rear view mirrors.

Frank Garza will be present at the meeting to provide further details if needed.

ORDINANCE NO. ____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS ADDING SECTIONS 26-290 TO 260-297 *OPERATION OF GOLF CARTS* TO CHAPTER 26, *MOTOR VEHICLES AND TRAFFIC*, ARTICLE IV, *BICYCLES, GOLF CARTS AND PLAY VEHICLES*, DIVISION 5 OF THE MUNICIPAL CODE OF ORDINANCES TO AUTHORIZE THE OPERATION OF GOLF CARTS WITHIN THE CITY LIMITS; AUTHORIZING THE CITY TO TAKE ALL NECESSARY STEPS TO IMPLEMENT THE PROVISIONS OF THIS ORDINANCE; PROVIDING A PENALTY; INCORPORATING RECITALS; PROVIDING FOR SEVERABILITY; REPEALING ANY OTHER CODE PROVISIONS, ORDINANCES, OR PARTS OF ORDINANCES, AND OTHER PROVISIONS IN CONFLICT HEREWITH; REQUIRING PUBLICATION AND SETTING AN EFFECTIVE DATE.

WHEREAS, the City of Rockwall is a Home Rule Municipality duly formed under the Constitution and the laws of the State of Texas; and

WHEREAS, the regulation of traffic is essential to the furtherance of public health, safety and welfare; and

WHEREAS, the Texas Transportation Code authorizes the governing body of a municipality to regulate and control the operation of Motorized Carts (golf carts only) within the city's legal boundaries and on its public Streets to ensure the public safety of the community; and

WHEREAS, the Rockwall City Council, deems it to be in the best interest and safety of the citizens to regulate and control the operation of Motorized Carts (golf carts only) within the Town's legal boundaries and on its public Streets; and

WHEREAS, the City Council determines that regulating the operation of Motorized Carts upon public streets within the Town is necessary in the interest of the health, safety and welfare of the public.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THAT:

SECTION ONE. **AMENDMENT.** Sections 26-290 to 260-297, Operation *of Golf Carts* are added to Chapter 26 *Motor Vehicles and Traffic*, Article IV, *Bicycles, Golf Carts and Play Vehicles Division 5* of the Municipal Code of Ordinances to read as follows:

CHAPTER 26, *MOTOR VEHICLES AND TRAFFIC*,
ARTICLE IV - *BICYCLES, GOLF CARTS AND PLAY VEHICLES*,
DIVISION 5

SEC. 26-290. .DEFINITIONS

A. (*Driver's license* means an authorization issued by the department of public safety for operation of a motor vehicle. The term includes a temporary license or instruction permit and an occupational license.

B. *Golf cart* shall have the meaning assigned by the V.T.C.A., Transportation Code § 502.001, as amended, and means a motor vehicle commonly referred to as a golf cart which must have a minimum of four wheels and has an attainable top speed not greater than 25 miles per hour on a paved level surface and which is manufactured primarily for transporting persons on a golf course and in compliance with those federal motor vehicle safety standards for low-speed vehicles. Specifically excluded from this definition are those motorized conveyances commonly referred to as all-terrain vehicles ("ATVs"), off-road vehicles, four-wheelers, Mules, Gators and design-altered golf carts which have been altered to allow them to travel at a speed greater than 25 miles per hour?

C. *Night-time* shall have the meaning assigned by V.T.C.A., Transportation Code § 541.401(5) and means the period beginning one-half hour after sunset and ending one-half hour before sunrise.

D. *Operator* means any person driving and having physical control over the golf cart.

E. *Park* or *parking* means the standing of a vehicle, whether occupied or not, otherwise than temporarily for the purpose of, and while actually engaged in, loading or unloading merchandise or passengers.

F. *Parking area* means those areas accessible to the public by motor vehicular traffic and which are designated for temporary parking of motor vehicles, usually in places referred to as parking lots.

G. *Street* means a public roadway of the City of Rockwall, Texas by whatever name (e.g., road, alley, avenue, highway, route, boulevard, etc.) that:

(1) Provides for no more than two lanes of vehicular traffic per direction; or
(2) Is not designated as part of either the state or federal highway system

SEC. 26-291. PERMITTED LOCATIONS OF OPERATION

- Golf carts are permitted to be operated on:

A. Streets ("permitted streets") where the posted speed limit is 30 miles per hour or less, and the street is not designated as part of a state highway system, including Interstate Highway 30;
B. A "public highway" as defined by the V.T.C.A., Transportation Code § 502.001, if the public highway is in the corporate limits of the City; and,
C. A parking area as defined by this ordinance

SEC. 26-292. REGISTRATION PERMIT

Before any golf cart may be operated on any permitted street, public highway, or parking area of the city ("permitted locations"), it must be registered by the Texas Department of Motor Vehicles and display the license plate as mandated by the V.T.C.A., Transportation Code § 551.402.

SEC. 26-293. REQUIRED EQUIPMENT

A. A golf cart properly registered under section 26-292 must be equipped with the following equipment as mandated by the V.T.C.A., Transportation Code § 551.404(a), as amended, and/or required by the city to operate on permitted locations:
   (1) Operational headlamps;
   (2) Operational tail lamps;
   (3) Side reflectors;
   (4) Operational parking brake; and
   (5) Rear-view mirror(s)

B. A golf cart that is operated at a speed of not more than 25 miles per hour shall display a slow-moving-vehicle emblem when it is operated on a public highway, as defined by V.T.C.A., Transportation Code § 502.001.

C. Additionally, golf carts driven during the night time shall be equipped with the following:
   (1) Turn signals;
   (2) Horn; and
   (3) Brake lights.

D. Equipment and its installation must meet standards provided by Texas Transportation Code, as amended.

E. All such safety equipment shall be maintained as required by state law.

SEC. 26-294. OPERATION REGULATIONS

A. All registered operators of golf carts shall:

   (1) Be licensed to operate a motor vehicle as provided by V.T.C.A., Transportation Code § 521.021, as amended, and carry a valid driver's license as provided by V.T.C.A., Transportation Code § 521.025, and all driver's license permissions and restrictions shall apply to the operating of a golf cart;
   (2) Abide by all traffic regulations applicable to vehicular traffic when operating a golf cart in the city.

(3) Use standard hand signals for turning during daylight if the operator's golf cart is not equipped with turn signals;

(4) Not operate or park a golf cart on a sidewalk, pedestrian walkway, jogging path, park trail or any location normally used for pedestrian traffic at any time unless such operation is by Police or authorized City personnel acting in an official capacity and performing an official duty;

(5) Not pull any object or person with a golf cart in a permitted location;

(6) Maintain financial responsibility as required for other passenger vehicles in the V.T.C.A., Transportation Code § 601.051;

(7) Not intentionally or knowingly allow an unlicensed or unregistered operator to operate a golf cart in violation of this chapter;

(8) Not exceed the seating capacity of the golf cart as designed by the manufacturer;

(9) Be allowed to cross streets which are otherwise not permitted locations under this article.

B. Operators and passengers of golf carts shall:

(1)Remain seated at all times while the golf cart is in motion;

(2)Be three years old or older.

SEC. 26-295. EXEMPTIONS

The following uses of a golf cart are exempt from requiring a permit or other regulations within the ordinance:

A. Golf Course – golf carts are allowed for use on the golf course or to cross a roadway from one section of the golf course to another section of the same course.
B. Gated or Private Planned Community – The ordinance does not apply to golf cart drivers utilizing the cart in a gated or private neighborhood.
C. Official City Business – golf carts are allowed for official City of Rockwall business.
D. Transportation to/from Golf Course (Daytime only) – golf carts are allowed on a public street if the golf cart complies with all requirements of the Texas Transportation Code, is operated during the daytime only and cannot be driven more than two (2) miles from the location where the golf cart is usually parked and is used for transportation to or from the golf course only.
E. Parade, Festival or Special Event – golf carts are allowed for use in a parade, festival or other town sponsored special event.

SEC. 26-296. FINANCIAL RESPONSIBILITY

All golf carts operated in the City shall provide proof of financial responsibility (liability insurance) meeting the minimum state requirements for liability insurance for motor vehicles. It shall be a violation for a person to operate a Golf Cart on a street without current valid financial responsibility meeting the minimum state requirements for motor vehicle.

SEC. 26-297. LIABILITY

A. Nothing in this Article shall be construed as an assumption of liability by the City of Rockwall for any injuries (including death) to persons, pets or property which may result from the operation of a golf cart by an authorized driver; and

B. Owners are fully liable and accountable for the action of any individual that they provide permission to operate and drive said golf cart, both on personal and/or any authorized public streets, parking areas and traffic ways. This described liability responsibility especially applies to personal injuries (including death) or property damage resulting from golf cart drivers who are minors under the age eighteen (18) with or without a current and valid driver's license

SECTION TWO. AUTHORIZATION. The City Council of the City of Rockwall authorizes the Mayor to take all necessary steps to implement the provisions of this Ordinance.

SECTION THREE. PENALTY. Any person operating a golf cart within the City in violation of this Ordinance shall be guilty of a misdemeanor and punished by a fine in the municipal court of no more than $200.00 per offense.

SECTION FOUR. FINDINGS. The City Council finds all of the above recitals to be true and correct and incorporates the same in this Ordinance as findings of fact.

SECTION FIVE. SEVERABILITY. If any section, subsection, sentence, clause, or phrase of this Ordinance is for any reason held to be unconstitutional or illegal, such decision shall not affect the validity of the remaining sections of this Ordinance. The City Council hereby declares that it would have passed this Ordinance, and each section, subsection, clause, or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared void.

SECTION SIX. EFFECTIVE DATE. This Ordinance shall be effective upon approval by the City Council and publication in the Rockwall Echo in the manner prescribed by Tex. Loc. Gov't Code Ann. § 52.011.

PASSED AND APPROVED this _____ day of June, 2015.

Jim Pruitt, Mayor

ATTEST:

Kristy Ashberry, City Secretary

City of Rockwall
The New Horizon

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Timothy M. Tumulty, Director of Public Works/City Engineer

DATE: June 10, 2015

SUBJECT: Update re: Lake Forest Erosion Project

Engineering Staff received a copy of a letter dated June 3, 2013 sent to then Mayor David Sweet expressing a concern about an erosion problem occurring behind 2065 Lake Forest Drive. Upon receipt of the letter, staff met with the homeowner, Mr. Bob Carroll, to make a general site investigation. After our initial site visit, staff invited Freese and Nichols, Inc. Consulting Engineers to view the erosion behind Mr. Carroll's home. This visit resulted in a contract with Freese and Nichols, Inc. to conduct a study to determine the cause of the erosion behind Lake Forest Drive. The study also included a stream geomorphological assessment, a stream reconnaissance site visit for the entire stream and the evaluation/ results.

Staff began negotiations with Freese and Nichols, Inc. to perform the engineering design contract for this repair. Due to their cost to perform this design, negotiations were terminated. Staff met with Walter P. Moore Consulting Engineers to discuss their company providing these engineering design services to the City for this erosion control project. Their services consist of the design of the erosion protection behind 2065 Lake Forest Drive. The proposed structure is likely to be a large, modular concrete block retaining wall stabilized with rock anchors.

Walter P. Moore Consulting Engineers have completed the engineering design of this erosion control project and is prepared to move the project forward to the next step of the process. Staff presented a layout of the final engineering design to City Council during the April 6, 2015 Work Session and was instructed to move forward towards construction. The engineer is completing the bidding documents, and the proposed bid date is July 9, 2015.

If you have any questions, please advise.

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Ashberry, City Secretary / Assistant to the City Manager**

SUBJECT: **Agenda item re: ambulance service ordinance provisions**

Mayor Pruitt has requested that an agenda item regarding these ordinance regulations be placed on the June 15 city council meeting agenda for discussion. A copy of the regulations, as contained in our Code of Ordinances, is included in your informational meeting packet for reference.

ARTICLE XII. - AMBULANCE SERVICE

Sec. 12-1251. - Contract required.

No person shall operate or cause to be operated a vehicle for ambulance purposes nor furnish, conduct, maintain, advertise or otherwise be engaged in the business or service of the transportation of ambulance patients within the city unless such person is the ambulance service provider currently under contract with the County of Rockwall Emergency Services Corporation to provide ambulance service within the county. No person shall knowingly solicit ambulance services regulated in this article except from the ambulance service provider.

(Code 1982, § 18-51; Ord. No. 93-41, § 1, 10-18-1993)

Sec. 12-1252. - Applicability.

The provisions of section 18-166 shall not apply to:

(1) Rendering assistance to patients in the case of a major catastrophe or emergency with which the contractor's ambulances are insufficient or unable to cope;
(2) Transporting a patient from outside of the county to a point within the city; or
(3) Transporting a patient picked up outside of the county, traveling through the city to a destination outside of the county.

(Code 1982, § 18-52; Ord. No. 93-41, § 2, 10-18-1993)

Sec. 12-1253. - Violations.

Violations of this article are hereby declared to be public nuisances and shall be prohibited and abated in actions at law or in equity.

(Code 1982, § 18-53; Ord. No. 93-41, § 3, 10-18-1993)

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **June 12, 2015**

SUBJECT: **Solid Waste Services Contract**

The City Council discussed the City's solid waste contract with Allied Waste in worksession on June 1st. At that time, the City asked staff to conduct a survey of area cities to compare rates, services and satisfaction. This survey is conducted when the City is considering the contract and updated periodically in between. The result of this survey is included in the Council packet. The citizen satisfaction survey was last updated in 2012 and Allied score was 91% satisfied/extremely satisfied.

The City has been under our present contract addendum with Allied Waste (Republic Waste) for solid waste collection services since January 2010, which references the 2006 contract. Allied, previously known as Trinity and Laidlaw, has served the City since 1991. During this period, the City has at different times chosen to extend the contract and has last received sealed proposals in 2001. The contract states the City must give notice within 180 days of the expiration of the contract (by July 3, 2015) whether or not we intend to renew and extend the contract.

Service levels have changed somewhat since the contract was signed. The garbage customer survey did show some interest on the part of residents to have polycarts. Since it was not a majority though Allied agreed to outfit their trucks in order to offer an optional polycart rental and optional recycling cart rental program. We currently have 13,055 residential household accounts of which 2,180 have elected polycarts and 633 recycling carts. The same twice per week collection service is provided with the optional program.

The current contract addendum allows for an additional five-year renewal. Council options would include:

- Authorize negotiation of the extension terms for an additional five-year period
- Authorize the City Manager's staff to prepare bid specifications and begin the process of soliciting bid proposals following the state bid laws.
- Authorize the City Manager to negotiate terms of an extension agreement but set a deadline of 45 days for that process to be completed. If terms, satisfactory to Council, cannot be negotiated during that time then staff could begin the bid process at that point, which will still allow sufficient time for any transition that could arise.

Regardless of the option chosen, the City will need to send a certified letter to Allied setting out the Council's decision by July 3rd.

CITY	PHONE #	CONTRACTOR	POLY CARTS	Garbage	ADD 2nd TRASH CART	ADD 2nd RECY CART	GARBAGE TIMES PER WEEK	RECYCLING TIMES PER WEEK	REQUIREMENTS FOR BULK	COMPLAINT CALLS	SATISFACTION W/SERVICE	RATES W/TAX
Addison	972-450-2871	Waste Mgmt.	No Carts				2	1	Every Monday by public works dept.			11.65
Allen	214-509-4554	CWD	1 Trash & 1 Recycling cart		8.89	2.10	1	Every other week	1 x per month for up to five large item (water heaters, washing machines/dryers, furniture, mattresses and box springs, large toys, yard tools – must be tagged “bulk trash”-, kitchen appliances, televisions, refrigerators and freezers [Freon must be removed and certified with a tag on appliance]) 1 x per month for loose brush (max of 3 cubic yards)	Complains come to the utility billing office and also CWD directly	Yes. CWD has been Allen’s contractor since 1996. They have been very involved in the community, promoting and supporting recycling, environmental responsibility and zero waste events. The city solid waste staff work closely with CWD to minimize service issues.	16.88
Carrollton	972-466-3120	Waste Mgmt.	1 Trash & 1 Recycling cart		7.26	7.26	1	Every other week	Brush (tree trimmings, limbs and branches) and bulk waste (items too large for green roll-out containers, including bagged or boxed material) will be collected weekly on customers' regular collection day. All limbs must be cut into 4-foot lengths and placed in bundles not exceeding 40 pounds to fit in a rear-end loader truck. Bulk items should be placed in boxes not exceeding 50 pounds for safe, manageable collection.	Both	Just re-bid, it going to continue contract with Waste Mgmt., the price difference was to close to make a change to Republic Services. Has made the new contract a lot stricter for penalties and performance issues.	16.95
Cedar Hill	972-291-5100	Waste Mgmt.	1 Recycle cart	Garbage cart is optional, if rented cart is $3.00 per month			1	1	On your trash days you are allowed to set out one bulky item or 4 bundles of brush. Bulky items are defined as appliances, carpet, mattresses, furniture, and fence sections (cut to 4 ft. sections with no concrete). Loose brush is picked up once per month. (10 cubic yards) 4' lengths/branches over 6 inches in diameter	Waste Mgmt.	They do a good job.	13.26 + 3.00 for trash cart

171

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Robert LaCroix, *Director of Planning and Zoning*

FROM: Ryan Miller, *Planning Manager*

DATE: June 15, 2015

SUBJECT: *Natural and Quarried Stone Requirements*

At the direction of the City Council, the Planning and Zoning Commission reviewed the City's current stone requirements as stipulated by the *Architectural Standards* section of the overlay district requirements. According to this section, a minimum of 20% natural or quarried stone is required for all buildings. Specifically, the Planning and Zoning Commission reviewed this requirement to assess if cultured stone was an appropriate material to include in meeting the 20% requirement. After reviewing the ordinances of six (6) comparable cities and discussing the issue with staff, the Planning and Zoning Commission made a motion to recommend that the changes contained in *Exhibit 'A'* (*attached to this memorandum*) be adopted to the overlay district requirements contained in Article V, *District Development Standards*, of the Unified Development Code. The motion passed by a vote of 5-0, with Commissioner Conley and Lyons absent. The adoption of these changes would allow the Planning and Zoning Commission to approve the use of a high quality manufactured or cultured stone, in lieu of natural or quarried stone, pending conformance to the criteria established within the proposed text amendment. Since the stone requirements are more of a technical approval, the City Council would not be required to vote on these issues unless the Planning and Zoning Commission denied an applicants' request, in which case the applicant would be able to appeal their request to the City Council.

Should the City Council choose to accept the changes proposed by the Planning and Zoning Commission, staff will prepare the required ordinance and bring it back to the City Council for first reading at the *July 6, 2015* City Council meeting.

C. *Architectural standards.*

1. *Masonry requirements.* Each exterior wall shall consist of 90 percent masonry materials, excluding doors and windows, as defined in article XII, Definitions, excluding cast stone and cultured stone, on walls which are visible from a public street or open space, including a minimum of 20 percent natural or quarried stone.

   a. Primary exterior materials shall include natural or quarried stone, brick, glass block or glass, tile, cast metal and custom concrete masonry units. The use of other cementaceous products (e.g. stucco, Hardy Plank, or other similar materials approved by the building official) shall be limited to 50 percent of the building's exterior finishes where it is deemed important as a design feature and where it will be applied under the highest standards for quality and durability. However, stucco may not be located in the first four feet above grade on a facade visible from a street or public area. Each elevation's masonry requirement shall incorporate accent bricks or stones. As the term is used, an "accent brick or stone" is one that provides a contrast by color, shape, size, and/or texture to the field of primary bricks or stones in an elevation. ***Additionally, the Planning and Zoning Commission may consider the use of high quality manufactured or cultured stone if the following standards of manufacturing and warranty are applied to the product;***

      - ***That the manufacturing molds should be made from actual stones and each piece should complement each other having the right shape, texture, size and detail of natural stone;***
      - ***That the overtones of color should be integrated into the stone during the molding process, while the base color of the stone is blended entirely throughout;***
      - ***That highly skilled artisans should be utilized to hand paint each piece in order to give each stone depth and variation of color;***
      - ***That the use of the highest quality synthetic mineral oxides should be used to infuse the surface with rich, authentic tones; and***
      - ***That the manufactured stone product shall have a minimum warranty of 75 years.***

   b. Secondary materials used on the facade of a building are those that comprise less than ten percent of an elevation area. Permitted secondary materials are all primary materials, aluminum or other metal, EIFS, cast stone, cultured stone or other materials as approved by the director of planning or his designee.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **June 10, 2015**

SUBJECT: **Downtown Restroom Options**

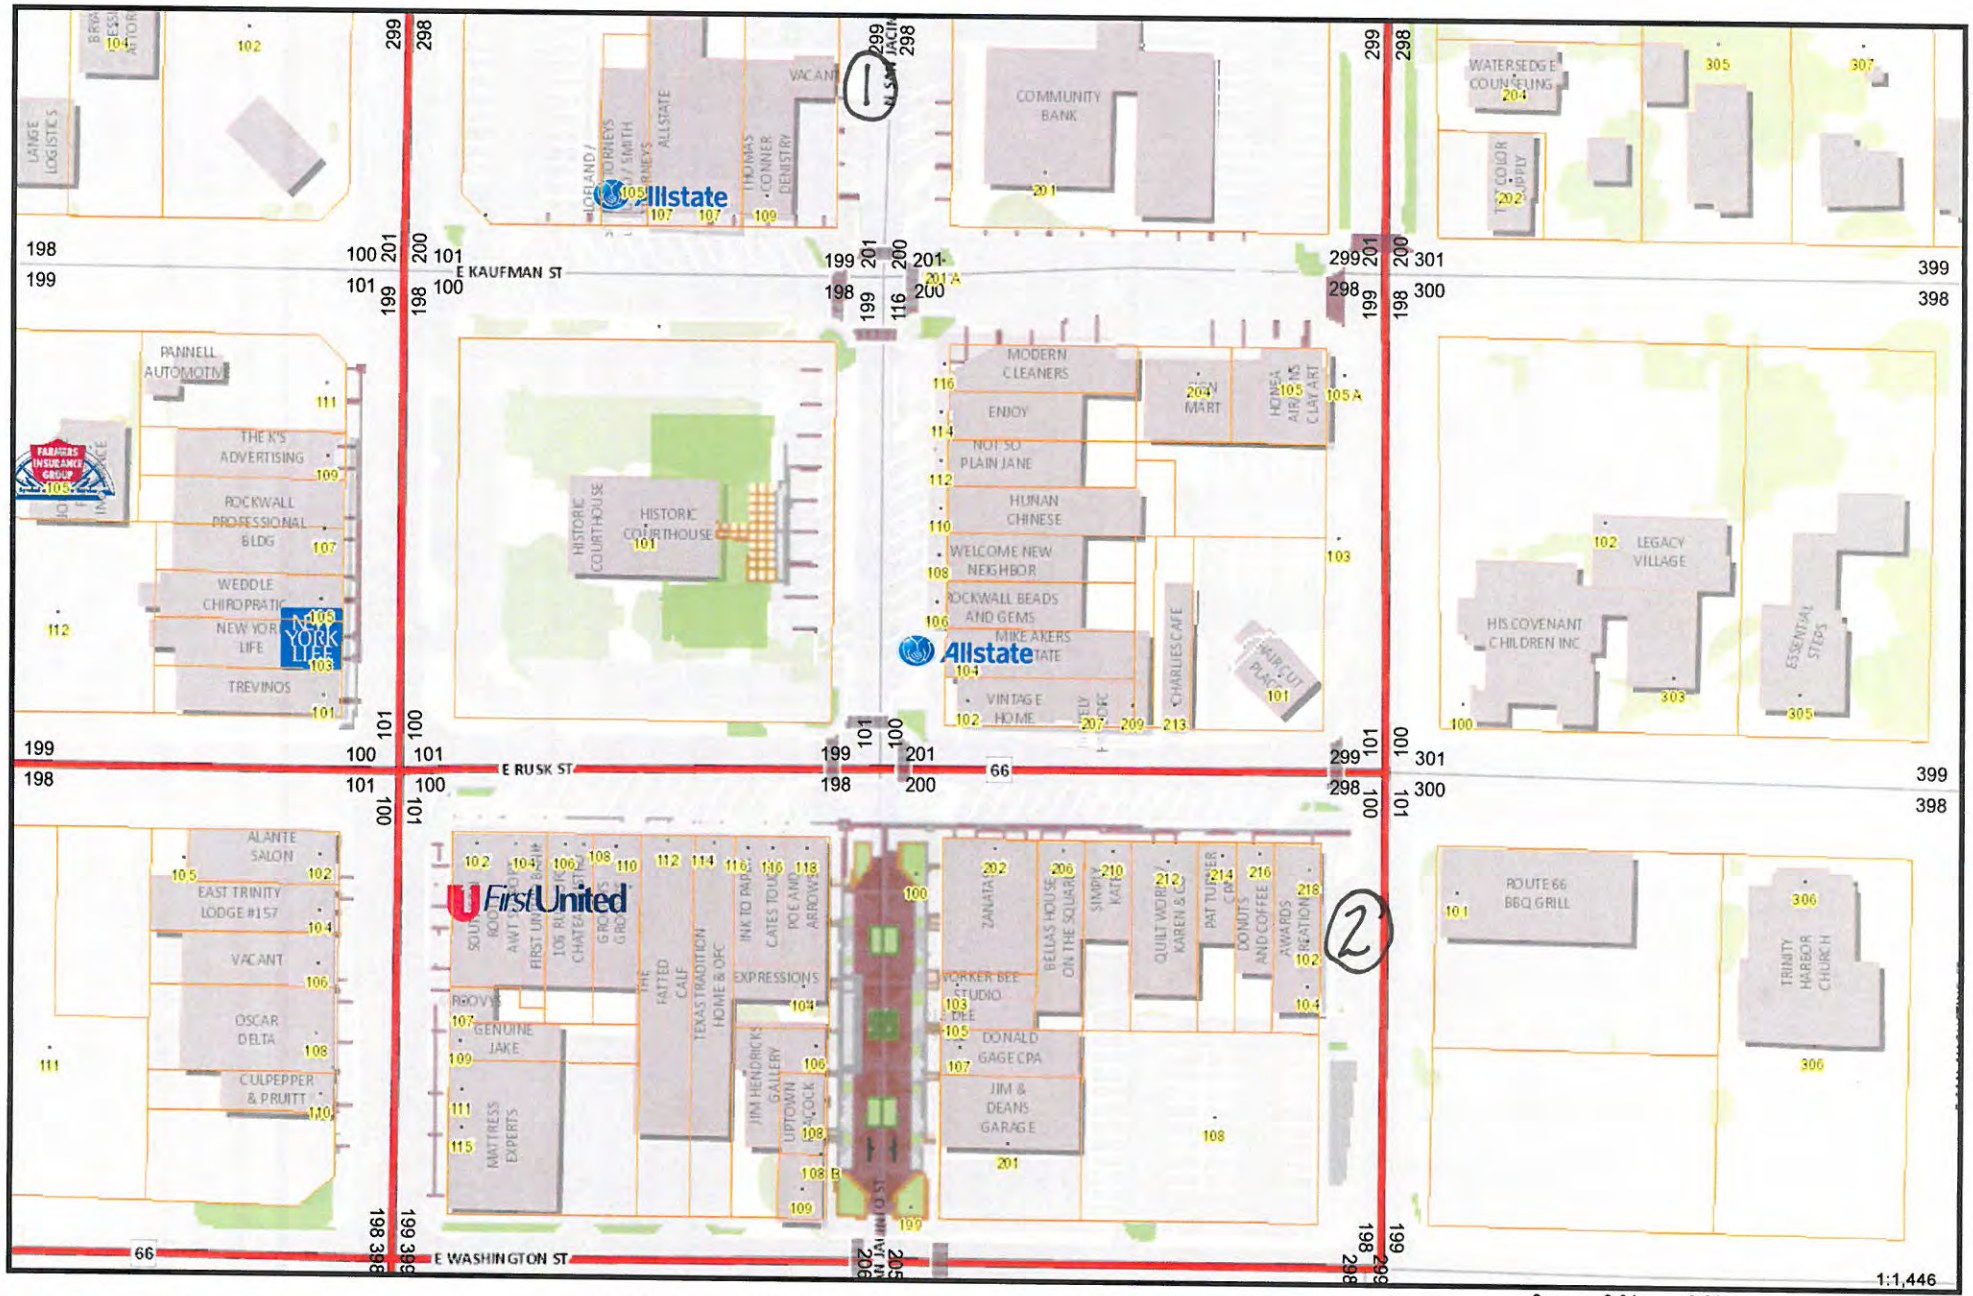
During the April 20, 2015 City Council meeting, an item was discussed regarding options for adding public restrooms in downtown. The original memo laid out four options that may be considered. These included the acquisition (through a lease or purchase) of an existing building that could be used for public facilities, the use of current public buildings such as the Rockwall County Courthouse or The Center, the utilization of the City's mobile restroom trailer or the use of temporary rental units. The Council requested that staff continue to examine the options and bring additional information back to the Council for further review.

Permanent Facilities

Three buildings are currently vacant downtown and may be available for some sort of lease or purchase. Building 1 is a small building that is the former site of Cain Used Cars. It is located at the northwest corner of the intersection of Kaufman and San Jacinto, and it is not currently being marketed for lease or sale. Building 2 is located at the southwest corner of Fannin and Rusk and is the former site of Awards and Creations. We have made several attempts to contact the owner to check on the possibility of a lease or purchase; however, our calls and emails have gone unanswered. The former Elections Office is being marketed, and we understand that they are currently negotiating an agreement with a tenant.

The acquisition and renovation of an existing building from an office/retail space to a public restroom facility would be the most expensive and most untimely option.

Current Public Buildings



The County Courthouse and The Center are the only two public buildings within the downtown area. During the hours of the Farmers Market, The Center is open to the public from 9:00 a.m. until 4:00 p.m. Restrooms are easily accessible within the building during these hours without disrupting any ongoing activities. The County Courthouse may be able to be opened to the public but would require staffing that is not currently in place.

Andy Hesser has worked out a schedule using part-time personnel that would utilize the restrooms on the Administrative side of the Parks and Recreation office for the San Jacinto music series. This option would cost approximately $2,000 annually, and the restrooms would be available at The Center during our normal operating hours on Saturdays for the Farmers Market.

Portable Restroom Trailer

The trailer is used for the Concert by the Lake series on Thursday evenings and is scheduled to be used for the Family Fun Friday program scheduled one Friday evening per month in June, July, August and September. Due to the need for a generator and the weight of the steps to open and close the unit, full time personnel is typically used. The overtime cost to have the unit available for both the Farmers Market and the music series is estimated at slightly under $20,000 annually.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **June 12, 2015**

SUBJECT: **Maintenance within the Takeline**

Mayor Pruitt requested that an item be placed on the agenda related to the maintenance of the takeline area and the expectations of homeowners that sublease the takeline and those that do not sublease. The maintenance within the takeline area performed by the City has been inconsistent over the past ten years and the Mayor has requested this item be placed on the agenda to reach a consensus for moving forward.

When the takeline sublease program was initiated, the maintenance of the takeline area became the responsibility of the homeowner when they subleased. For areas that were not subleased, maintenance of the takeline, such as mowing and tree care was not performed by the City and may or not be performed by the adjacent property owner(s). Over the past ten years, situations have surfaced that required some tree maintenance in areas that were not subleased. Initially, the response was that the City was comfortable letting a tree fall or lay on the ground after it had fallen. On some occasions, the City would send a crew to remove these fallen or dead trees and in other cases, if a tree was deemed to be dangerous and may injure someone, we would have it addressed.

Our general procedure is that if there is a tree that may be a danger to someone that is located in an area that is not subleased, the City would have a crew remove the tree. If the area was subleased, we would not address the issue. Mayor Pruitt would like to see the formation of a consistent policy to follow as we move forward.

THE STATE OF TEXAS §
§ **RESIDENTIAL SUBLEASE AGREEMENT**
CITY OF ROCKWALL §

Residential Sublease Agreement

This Sublease Agreement (hereinafter referred to as the "Sublease") is made and entered into this _____day of _____, 20__ by and between the City of Rockwall, Texas, herein called "Sublessor," and _____, herein called "Sublessee."

RECITALS

A. On or about the 16th day of January, 2001, Sublessor (as lessee) and the City of Dallas, Texas (as lessor) entered into an Interlocal Agreement and Lease (hereinafter defined and described as the "Base Lease") covering the lease of the Lake Ray Hubbard take line area, which encompasses the Leased Area as hereinafter defined. Said Interlocal Agreement and Lease is incorporated herein by reference.

B. Sublessor is a municipal corporation, which has leased from the City of Dallas the land adjacent to Lake Ray Hubbard, which encompasses the perimeter boundary of Dallas' property at the lake for the purposes as set out in the Base Lease.

C. Sublessor desires to sublease to Sublessee the leased area adjacent to Sublessee's property being described as Lot _____, Block _____ of the Addition _____, so as to permit use and enjoyment of same by said Sublessee, said Leased Area being more specifically described by the hereto attached Exhibit A survey of the sublease property, during the term hereof.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are mutually acknowledged, the parties hereby agree as follows:

ARTICLE 1. DEFINITIONS

A. **"Interlocal Agreement"** means the Base Lease, or Master Lease, covering the lease of the Lake Ray Hubbard take line area by the City of Dallas to the City of Rockwall, dated January 16, 2001, which encompasses the Leased Area as defined herein.

B. **"Lake"** means Lake Ray Hubbard.

C. **"Take Line"** means the perimeter boundary of Dallas' property at the Lake.

D. **"Take Area"** means the land owned by Dallas between the Take Line and the normal Lake pool elevation (435.5 mean sea level).

E. **"Lake Area"** means the City of Dallas property, known as Lake Ray Hubbard, that is normally submerged by the Lake at normal Lake pool elevation (property at or below elevation 435.5 mean sea level).

F. **"Leased Area"** means the Take Area that is within the City Limits of Rockwall, or where the Take Line is directly adjacent to the City Limits of Rockwall.

G. **"Maintenance Responsibilities"** shall mean keeping the erosion control structure(s) in good condition throughout the term hereof so that such structures remain capable of proper protection against erosion.

H. **"Subleased Premises"** means the area hereby subleased and more particularly described in Article 3 herein.

I. "**Residential Area**" means the Leased Area where the Take Line is adjacent to the residential property and where no commercial activity exists, or is proposed to exist, on Dallas property. If commercial activity occurs in a Residential Area, that portion of the Leased Area will be considered a Commercial Area.

J. "**Sublessee**" means a person or entity subleasing Dallas property in the Leased Area from City of Rockwall. Sublessee shall be an adjacent property owner.

K. **"Shoreline**" means the line along the shore of the Lake, established by the normal Lake pool elevation (435.5 mean sea level).

L. **"New Immediate Action Area**" means any section of the Leased Area where any of the following has occurred:

1. The shoreline is within 30 feet or less of the Take Line;
2. A public hazard exists or can be expected to be created by erosion within a short period of time;
3. Structures are at risk of structural damage due to erosion;
   or
4. Existing adjacent erosion protection is impeded if erosion is allowed to continue.

M. **"Critical Areas"** mean areas determined to be immediate action erosion control areas, as defined in the 1987 "Lake Ray Hubbard Erosion Control Study" by Bernard Johnson Incorporated (the Bernard Johnson Report), a copy of which is available for review at the City of Rockwall Parks and Recreation Department.

ARTICLE 2. PURPOSE AND INTENT

The purpose of this sublease agreement is to permit the development of property along the take area of Lake Ray Hubbard under certain regulatory conditions governing permitted uses and development standards, setting forth procedures for the development of said property and establishing an appeals process for the terms of Lake Ray Hubbard Overlay District Ordinance. The zoning overlay district has its basis in and is intended to serve as one implementation tool for the Lake Ray Hubbard Master Plan, adopted by the City of Dallas on _____N/A___; the Lake Ray Hubbard Interlocal Agreement as approved by those municipalities comprising the Lake Cities Coalition (Garland, Rockwall, and Rowlett, Texas) and the City of Dallas, Texas; and the Comprehensive Plan for the City of Rockwall, adopted on December 17, 2001. The adoption of the Zoning district is intended to provide a means for the protection of water quality, water supply, and the preservation of the natural environment and to enhance the quality of the Lake Ray Hubbard shoreline through regulation of manmade facilities. For those properties that take part in the City of Rockwall Residential Sublease Agreement the overlay zoning ordinance is to be used in conjunction and in addition to the erosion control and engineering standards as well as other development related ordinances, such as but not limited to, landscaping ordinance, tree preservation ordinance and outdoor lighting.

ARTICLE 3. DEMISE OF SUBLEASED AREA

A. **Sublessor, for and in consideration of the rents, covenants and promises herein contained to be kept, performed and observed by Sublessee has demised and leased and by their presents does hereby demise and lease unto Sublessee, and Sublessee, for and in consideration of the covenants and agreements herein reserved on the part of the** Sublessor to be kept and performed, does hereby accept from Sublessor, the Subleased **Area as more specifically described by the hereto attached Exhibit A** (survey of the Take Area) **and subsequent to the terms and conditions as hereafter described. Sublessee acknowledges that it has inspected the Subleased Area to their satisfaction and accepts the Subleased Area "As Is" and with all faults and defects, whether known or unknown to either Sublessor or Sublessee and without representation or warranty of any kind from Sublessor as to the status or condition thereof.**

B. All structures and/or improvements in the Take Area shall require a building permit issued by the City of Rockwall consistent with applicable ordinances and regulations of Takeline Area Overlay District allowed uses.

C. Sublessee acknowledges that the decision to lease the Subleased Area is based solely upon the Sublessee's comprehensive inspection of the Subleased Area and

not upon any warranty or representation of Sublessor, or of Sublessor's employees, agents or representatives with regard thereto. Without limiting the foregoing, **THERE IS NO WARRANTY, EXPRESSED OR IMPLIED, OF SUITABILITY, MERCHANT ABILITY, HABITABILITY, OR FITNESS FOR ANY PARTICULAR PURPOSE GIVEN IN CONNECTION WITH THIS LEASE.**

D. **IT IS UNDERSTOOD BY BOTH THE CITY OF ROCKWALL AND SUBLESSEE THAT THE WATER LEVEL IN THE LAKE WILL NOT REMAIN CONSTANT AND THAT ALL LAND IN THE SUBLEASED PREMISES IS SUBJECT TO FLOODING. THE PARTIES AGREE THAT NEITHER THE CITY OF DALLAS NOR THE CITY OF ROCKWALL SHALL BE RESPONSIBLE FOR DAMAGES TO ANY STRUCTURES, FACILITIES, LANDSCAPING, OR OTHER PROPERTY DAMAGE ON THE SUBLEASED AREA DUE TO WIND, WATER, EROSION, FLUCTUATING WATER LEVELS, OR FLOATING DEBRIS.**

ARTICLE 4. SUBLEASE TERM

A. Subject to the terms and conditions of this Sublease, the demise set forth in Article 3 above shall be for the Sublease Term, which shall **expire on January 16, 2041.** Residential area subleases cannot be further subleased. If a sublessee (abutting property owner) sells his or hers property, the sublease shall be transferred to the new owner.

B. This sublease shall terminate and become null and void no later than **January 16, 2041**, unless extended by the parties hereto in writing subject to the provisions of the Base Lease or the Master Lease by and between the City of Dallas and the City of Rockwall. Any holding over or use and occupancy by Sublessee after the termination of this Sublease shall not constitute a renewal hereof or give Sublessee any rights hereunder in or to the Subleased Area upon termination. Upon termination of this Sublease, all improvements to the Subleased Area (whether or not constructed by Sublessee) shall be and become the property of Sublessor **or** its successors in interest; provided, however, Sublessee shall be entitled to remove from the Subleased Area removable equipment, provided that such removal can be accomplished without unreasonable injury to the Subleased Area or the removing improvements on the Subleased Premises.

C. This Sublease shall be terminated or canceled by the City of Rockwall in the event that the Interlocal Agreement between the City of Rockwall and the City of Dallas is terminated or canceled by agreement or operation of law. Sublessee shall be entitled to no compensation of any kind from the City of Rockwall or the City of Dallas if this Agreement is so canceled or terminated.

D. The annual sublease payment shall not exceed the estimated annual expenses of the City of Rockwall in administering all subleases and sublease areas, pursuant to the base lease, divided by the number of properties within the boundaries of the City of Rockwall within the Takeline area, and subleases or legally available for sublease.

E. Sublessee shall have the right to terminate this sublease if, at any time during this sublease, a material and substantial change in circumstances existing at the time of this sublease should occur. For the purpose of this paragraph, a "material and substantial change in circumstances" shall include but not be limited to the destruction of the residential structure of the sublessee on the lot adjacent to the leased area, a collective increase in the sublease payment of more than 100% over any ten year period or less, or the elimination by the City Council of an authorized use for which the sublessee has in place.

ARTICLE 5. SUBLEASE PAYMENT

A. In accordance with Section III (**C**) of the Base Lease, Sublessee shall pay **an initial payment of $600.00** to Sublessor and an annual payment of $**350.00** due annually based on contract date. Said payment may be **adjusted annually** by the City during the term of the Sublease by majority vote of the City Council of the City of Rockwall.

B. Failure of sublessee to pay the annual payment as provided for in Section A shall be considered as an event of default. If Sublessee fails to pay the annual payment within thirty (30) days of receipt of notice, Sublessor may terminate this lease and take possession of any improvements on the leased premises subject to Article 6, Section N herein.

ARTICLE 6. USE OF SUBLEASED AREA

A. Sublessee agrees to use and maintain the Subleased Area in accordance with all City codes and regulations established by Sublessor for the Take Line area. Any violation of such regulations shall be considered a breach by Sublessee of this Agreement, for which Sublessor shall be entitled to take appropriate action if such violation is not cured. Sublessee specifically recognizes that the City of Dallas, as a third party beneficiary, has the right to enforce the terms of this Agreement in the event of the Sublessee' breach of any of the terms contained herein.

B. Structures or appurtenances that shall be **prohibited** within the Subleased Area, without prior approval by Sublessor and the City of Dallas are as follows but not limited to:

1. Propane tanks.
2. Storage of gasoline, oils, diesel, or similar types of compounds.
3. Storage of pesticides, herbicides, fungicides, or preservatives.
4. Use of pesticides, herbicides, fungicides, or preservatives that are not approved by the Texas Commission on Environmental Quality or US Environmental Protection Agency for use around water supplies, and on a listing approved provided by Dallas.
5. Storage of any hazardous materials, regardless of its nature.
6. Septic tanks and lateral lines (with the exception of city utilities).
7. Toilets.
8. Habitable structures.
9. Diving boards and slides over and/or into the lake.
10. Pets living quarters, livestock, maintenance of livestock or any such structure that houses or shelters livestock and/or pets, including but not limited to cattle, horses, swine, poultry.
11. Water wells.
12. Chemically preserved wood (e.g. railroad ties and telephone poles) in the water.

C. **Prohibited activities on the lake and shore area:**

1. Shoreline (bank of the lake) will not be tapered, cut, smoothed, or altered in any way without a permit.

2. Leased shore area will not be excavated, channeled, cut, bored, dug, filled, smoothed, or altered in any manner unless specifically permitted.

3. Wheeled vehicles and all other motorized equipment are prohibited from operating on the lake bottom unless specifically authorized.

4. The construction of sandy beaches on the lake bottom at the shoreline are prohibited.

5. Removal of vegetation from the lake bottom at the shoreline is prohibited unless specifically authorized.

6. Railroad ties on the shoreline and Take Area are prohibited.

7. No dumping on the shoreline (bank of the lake) and take area of brush, leaves, bricks, logs, concrete rubble, asphalt rubble, soil, sand, gravel, rock, or any other material.

8. Garbage cans and waste receptacles are prohibited anywhere in the leased area.

9. No signage in the leased area unless specifically authorized.

10. No business activity will be performed from within the leased area.

11. No storage of personal items on the Take Area and shoreline unless specifically authorized by the City of Rockwall. Personal items includes but is not limited to boats, jet skis, rafts, watercraft, boat trailers, vehicles, campers, RVs, wood piles, lawn equipment, appliances, storage facilities, construction material, and storage of miscellaneous materials.

12. Drawing lake water for personal usage such as for irrigation is prohibited without a permit issued by Dallas Water Utilities.

Additional Requirements:

1. All tree removals will comply with the City of Rockwall Tree Preservation Ordinance.

2. A permit is required for any and all types of lake dredging and lake bottom earthwork.

3. Sublessee will immediately remove personal items littering the lake, particularly after a storm.

4. No permit is required for minor repair or general maintenance of an authorized existing erosion control structure unless the repair or general maintenance will include different material than what was originally approved. A permit is required for modifications and alterations to existing erosion control structures.

5. All boats on the shoreline must comply with the mooring time limit as specified in the Rockwall Takeline Overlay District Zoning Ordinance.

6. Boats will in no way pollute lake waters from, but not limited to; bilge discharges, septic waste, fueling, cleaning, maintenance, and painting.

7. Sublessee must first install an approved method of erosion control before the construction of lake structures. Lake structures will not be permitted without the placement of erosion control the entire length of the subleased shoreline.

D. Sublessee agrees that he/she will not make nor allow to be made, any unlawful, improper or offensive use of the premises, which would be injurious to any person

or property, or which would violate the laws of the United States or the State of Texas, or any ordinance(s) of the City of Rockwall or the City of Dallas that may pertain to the demised premises. In the event of a conflict between the respective ordinances and/or the provisions of the lease the most restrictive shall apply. Sublessee shall be subject to the terms and penalties associated with ordinance and regulations violations in addition to the provisions of this Sublease.

E. The City of Rockwall and the City of Dallas retain the right to make regular or special inspections of the Subleased Premises to ensure that it is being maintained and used in accordance with the terms of this Sublease and the Base Lease and that all terms of this Sublease and the Base Lease are being upheld. The City of Rockwall will provide written notice of a breach or violation, or noncompliance with the terms of this Sublease or the Base Lease to Sublessee. Sublessee will have **ten (10)** days to correct and/or abate all violations, unless otherwise agreed by the City of Rockwall. If Sublessee has commenced and is pursuing the cure of the same, then after first advising the City Council of Rockwall or its designated representatives of Sublessee's effort to cure, Sublessee may utilize an additional **ten (10)** days, if approved by the City of Rockwall. Failure to correct all violations in the allotted time constitutes a material breach of this Sublease.

F. In the event of the default after the expiration of the applicable notice and cure periods (except for the non-payment of agreed sublease), the City of Rockwall shall be entitled in addition to any other penalties or fines to assess and receive from Sublessee as liquidated damages the sum of $**500.00** per day for each day the breach remains uncured.

G. Failure by the City to provide the **ten (10)** day notice described above shall not constitute a waiver of any breach of this Sublease. Waiver of any breach of any provision of this Sublease shall not be considered as a waiver of any subsequent breach of the same or any other provision of the Sublease.

H. The City of Rockwall has adopted the Takeline Area Overlay District Zoning Ordinance and policies for the construction of structures and/or other improvements in the Subleased Premises. A detailed plan for construction of fences and other proposed structures in accordance with the Take Area Zoning Ordinance adopted June 21, 2004**,** must be approved by the City of Rockwall and the City of Dallas prior to construction. If improvements or structures have been constructed in the Takeline area or the shoreline prior to the execution of this Sublease, all existing noncompliance items or encroachments that are not approved must be abated prior to the execution of this sublease agreement. No structures or improvements that are in noncompliance or are encroaching will be grandfathered.

I. Sublessee recognizes and consents to the City of Rockwall and the City of Dallas having the right of ingress and egress to the Subleased premises for any operational or maintenance purposes upon twenty-four (24) hours advance

notification to Sublessee; except that no advance notice will be required in case of an emergency or possible health and/or safety hazards.

J. Sublessee understands that pursuant to the Base Lease Dallas will make a reasonable effort to repair any damage resulting from Dallas accessing the Take Area for utility maintenance and/or public safety vehicles, and will restore the damaged property as nearly as possible to its condition prior to the damage created by the City of Dallas accessing the Take Area; however, if the damage is located within a dedicated easement the requirements of that easement shall govern and no additional obligations are assumed by the City of Rockwall or the City of Dallas as a result of the execution of this Sublease. Likewise, the City of Rockwall will make a reasonable effort to repair any damage resulting from the City of Rockwall accessing the Take Area for utility maintenance and/or public safety vehicles, and will restore the damaged property as nearly as possible to its condition prior to the damage created by the City of Rockwall accessing the Takeline Area however, if the damage is located within a dedicated easement the requirements of that easement shall govern and no additional obligations are assumed by the City of Rockwall or the City of Dallas as a result of the execution of this Sublease.

K. Sublessee recognizes that the City of Rockwall may require easements in the future in the Subleased Area. Sublessee hereby agrees to approve future easements with the understanding that the Sublessor will make all reasonable efforts to avoid damage to existing improvements. If damage results from the use of a future easement, Sublessor will restore the damaged property as nearly as possible to its condition prior to the damage created by the Sublessor.

L. Sublessee recognizes that Sublessor has established specific setbacks, reservation of future easements or other development requirements unique to this Sublease. Such specific requirements are set forth in the Take Area Zoning Ordinance adopted June 21, 2004. Sublessee agrees to abide by all requirements during the term of the Sublease.

M. Sublessee recognizes that prior to placement of any structures and/or personal items, improvements, including, but not limited to: landscaping, construction or subgrade alterations on the Subleased Premises a construction alteration permit must first be obtained from the City of Rockwall. Such construction alteration permit will be in addition to any other permit or approval required by the City of Dallas. Time limits for completion of construction will be established at the issuance of the construction alteration permit. **No construction will be considered complete and/or approved until a final inspection is conducted by the City of Rockwall and/or the City of Dallas or their appointed representatives.**

N. If this lease is terminated for any reason stated within this agreement any structures and/or any improvements must be removed within 30 days.

ARTICLE 7. EROSION PROTECTION

A. ***For all subleases, the City of Rockwall will require sublessee of Residential Zoned Areas to either completely install, or pay for the installation of, Shoreline erosion protection in accordance with Section VI of the Base Lease or Master Lease in Critical Areas, whenever such Critical Areas may arise (as defined in Section VI (A) Base Lease), before execution of the sublease. Erosion protection required under the sublease must be completed no later than twelve (12) months from the date of execution of the sublease, but prior to, or concurrent with, a sublessee's commencement of construction of any improvements. If a Critical Area arises after execution of the sublease, the City of Dallas or the City of Rockwall are not responsible for any erosion control measures required and the sublessee shall not look to the City of Dallas or the City of Rockwall for action. If any part of the subleased area becomes a Critical Area after execution of the sublease, the sublessee of a residential area may, at sublessee's option, install erosion protection in accordance with this sublease agreement and Base Lease. Erosion protection required under the sublease must be completed prior to a sublessee's commencement of construction of any improvements of any kind on the leased area, subject to the City of Rockwall's permitting process.***

B. In areas determined to be Critical Areas or New Immediate Action Areas, as defined above (collectively referred to as "Critical Areas"), the Sublessee will be responsible for installation and maintenance of erosion control. Such required erosion protection must be completed no later than twelve (12) months from the date of execution of this Sublease, but prior to, or concurrent with, the Sublessee's commencement of construction of any improvement. If the City of Dallas has installed or performed maintenance or erosion control in any Critical Area, the Sublessee will reimburse the City of Dallas for the cost of installation and maintenance from the date of execution of the Base Lease to the later of, the date of execution of the Sublessee's sublease with the City of Rockwall, or the date of installation of the erosion control. If Dallas installed or performed maintenance or erosion control in any area that is not a Critical Area, the Sublessee will reimburse Dallas for the cost of installation and maintenance from the date of execution of the Base Lease to the date of execution of the Sublessee's sublease with the City of Rockwall (*i.e.* there will be no retroactive reimbursement obligations of the Sublessee in a non-Critical Area; the full extent of the erosion reimbursement obligations of the Sublessee in a non-Critical Area will be known at the time of execution of the sublease). Reimbursements can be paid in a lump sum or over a term to be determined by Dallas. Term payments will include interest charges and the term will not exceed the life of the asset. Sublessee shall assume maintenance responsibility for existing or proposed erosion control.

C. Sublessee may install erosion control subject to the approval of the City of Dallas and the City of Rockwall. Sublessee will be responsible for maintenance of the installed erosion control in the same manner as set out above.

D. The City of Dallas and the City of Rockwall will establish a listing of types of erosion control approved for use around the Lake, based on the Bernard Johnson Report or engineering data or criteria list. The list may be expanded jointly by Dallas and the City of Rockwall should new and approved technology become available for such erosion control. If the City of Dallas or the City of Rockwall installs erosion control, it can install any type listed in the Bernard Johnson Report, or on the updated/approved listing, as it deems economically and/or environmentally feasible.

E. The Sublessee may reclaim lost Shoreline with the approval of the City of Rockwall and prior written approval of the City of Dallas, as determined on a case-by-case basis. Any reclamation or cut and fill in the Lake or at the Shoreline shall not reduce the usable water storage capacity or flood storage capacity of the Lake, as determined by the City of Dallas. Sublessee, or the parties performing the reclamation, will be responsible for obtaining all related permits for the reclamation, such as the U.S. Army Corps of Engineer permits.

F. No activities will be allowed which will increase the erosion of the Shoreline property, including any alteration of vegetation or property, as determined by the City of Dallas as described by the Bernard Johnson report.

G. Erosion control installations must comply with all local, state, and federal laws, regulations and requirements and shall be designed by a licensed professional engineer and installed by a competent contractor with demonstrated experience in the installation of that system.

H. Sublessee agrees to allow abutting Sublessee(s) to connect to the erosion protection mechanism so installed, so as not to create gaps between abutting properties in said erosion protection.

ARTICLE 8. HOLD HARMLESS

Sublessee hereby agrees to defend, indemnify and hold the City of Dallas and Sublessor, their respective officers, agents and employees, fully harmless from any claims, lawsuits or expenses for personal injury (including death), property damage or other harm for which damages may be recovered under law, suffered by any person or persons (including but not limited to Sublessee), that may arise out of or be occasioned by Sublessee's fault or negligence in the use, occupancy, maintenance or operation of the Subleased Premises for any purpose, or that arises out of or is occasioned by erosion control improvements installed, used or maintained by Sublessee, or by Sublessee's

failure to install erosion control devices as required under the Sublease, **REGARDLESS OF WHETHER OR NOT THE NEGLIGENCE OR FAULT OF THE CITY OF DALLAS OR THE CITY OF ROCKWALL IN OPERATING OR MAINTAINING THE LAKE AREA, OR ORIGINALLY INSTALLING OR MAINTAINING ANY EXISTING EROSION CONTROL IMPROVEMENTS ASSUMED BY SUBLESSEE, OR IN DETERMINING WHAT EROSION CONTROL IMPROVEMENTS WERE APPROPRIATE, CONTRIBUTED TO THE DAMAGE OR INJURY.**

ARTICLE 9. COVENANT RUNNING WITH THE LAND

A. This Sublessee cannot be further subleased by Sublessee, except that this Sublease shall be transferred to any subsequent owner of the residential property, as described herein. Sublessee agrees to notify in writing, Sublessor of any change in ownership of the property within ten (10) days of closing. This covenant shall be considered as a covenant running with the land and shall be filed for record in the deed records of Rockwall County, Texas.

B. It is the understanding of the parties that this Sublease contains the entire understanding of the Sublessor and Sublessee and that any change, alteration, or modification of this Sublease shall only be effective if in writing approved by both parties.

C. Sublessee further asserts that he/she has received a summary of the Base Lease and the Takeline Area Overlay District Zoning Ordinance which is incorporated herein by reference and that he/she has read said Base Lease and understands its terms and provisions.

D. Sublessee will endeavor to provide Sublessor with a certificate that extends coverage under Sublessee's Homeowners Insurance Policy to the leased premises.

ARTICLE 10. SEVERABILITY

In case any one or more of the provisions contained in this Sublease shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision thereof and this Sublease shall be considered as if such invalid, illegal, unenforceable provision had never been contained in this Sublease.

EXECUTED on the date first written above.

AGENDA
ROCKWALL CITY COUNCIL
Monday, July 06, 2015
4:00 p.m. Regular City Council Meeting
City Hall - 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

II. WORK SESSION

1. Hold Work Session to discuss the Public Outreach Action Plan for reconstruction of South Lakeshore Drive/Summit Ridge Drive from SH 66 to FM 740, and take any action necessary.
2. Hold Work Session to discuss potential regulations regarding the use and operation of golf carts, and take any action necessary.

III. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding Economic Development prospects pursuant to Section 551.087 (Economic Development)
2. Discussion regarding Agreement for Municipal Court Judge pursuant to Section 551.074 (Personnel Matters) and Section 551.071 (Consultation with Attorney)
3. Discussion regarding purchase or lease of real property / land acquisition in the north part of the city for municipal purposes pursuant to Section § 551.072 (Real Property).
4. Discussion regarding possible development-related legal claim in the vicinity of Bourne Street pursuant to Section 551.071 (Consultation with Attorney)
5. Discussion regarding the city's concession agreement with Suntex Marina / Suntex RHCL Marina, LLC pursuant to Section § 551.071 Consultation with Attorney)
6. Discussion regarding possible legal claim related to Oncor pursuant to Section 551.071 (Consultation with Attorney)
7. Discussion regarding status of Rockwall Harbor Landing, Inc. vs. City of Rockwall pursuant to Section 551.071 (Consultation with Attorney).
8. Discussion regarding (re)appointments to city regulatory boards, commissions, and committees including the Building and Standards Commission and Board of Adjustments pursuant to Section 551.074 (personnel matters)

IV. ADJOURN EXECUTIVE SESSION

AGENDA
ROCKWALL CITY COUNCIL
Monday, July 06, 2015
6:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **July 1, 2015**

SUBJECT: **South Lakeshore Drive/Summit Ridge Drive Roadway Reconstruction Project**

Staff has completed reviewing the Request for Qualifications for the Roadway Reconstruction Project for South Lakeshore Drive/Summit Ridge Drive from S.H. 66 to FM 740. Staff has chosen Kimley-Horn and Associates, Inc. to perform the engineering design services for this roadway reconstruction project. Prior to establishing the scope of services for engineering design of this reconstruction project, staff needs to consider important issues related to roadway width, potential sidewalk issues and traffic calming features along the entire stretch of the roadway.

Staff has been discussing the approach of gathering this information with representatives from Kimley-Horn and Associates, Inc. related to obtaining a better define scope prior to proceeding with the engineering design. Attached is a proposed Public Outreach Action Plan prepared by the engineer to acquire this needed information.

Staff would like to discuss this process during the City Council work Session.

Public Outreach Action Plan

To: Jeremy M. White, P.E., CFM
Engineering Department - Civil Engineer

From: Brad Tribble, P.E.
Kimley-Horn

Date: June 1, 2015

PROJECT OVERVIEW

On May 20, 2015, the City of Rockwall discussed with Kimley-Horn the development of a plan regarding public outreach in preparation of roadway improvements slated for design along Summit Ridge Drive and South Lakeshore Drive.

Below is the description of the plan developed during the initial discussion and subsequent revisions:

TRAFFIC COUNTS

Kimley-Horn will coordinate the collection of traffic volume information along the following lengths of roadway:

- Along South Lakeshore Drive, south of Stillwater Drive and north of Shoretrail Drive.
- Along Summit Ridge Drive, east of Spring Creek Drive and west of South Alamo Drive.

- Collected information will include volume and speed data.
- Kimley-Horn will notify City of location and dates in which data will be collected.

PUBLIC INPUT SURVEYS

Kimley-Horn will develop hard copy and electronic survey questionnaires for distribution to residences located along the study corridor:

- Hard Copy Questionnaire Survey
  - Mutually develop questions for survey with City staff.
  - Format and develop questionnaire document.
  - The questionnaire will state that the survey responses can be provided on the hard copy form provided and returned to the City or follow the link provided to submit their input electronically.
  - Provide document to City for review.
- Electronic Questionnaire Survey
  - Create electronic questionnaire using an electronic medium (i.e. Survey Monkey, Google Forms, etc.)

- Questionnaire will include all questions verbatim to hard copy questionnaire.

- Develop notification for distribution to residents within the study area.
  - Provide notification document to City for review.
  - Provide the City hard copies of the mailer survey and/or door hangers
  - City to manage distribution of mailer survey and/or door hangers.
  - Notification document to include URL for those who choose to respond electronically
  - Written and electronic surveys will request respondents to provide their email addresses for the City's use for subsequent notifications and announcements (including the proposed Public Meeting).
- Collect and summarize responses, provide summary to City.

PUBLIC MEETING

Kimley-Horn will provide the following:

- Notify residences of public meeting
  - Medium of message delivery to be determined based on residence response to questionnaire survey.
- Prepare for public meeting
  - City staff to determine meeting time and arrange location.
  - Prepare aerial map exhibits including addresses and property lines.
  - Prepare PowerPoint presentation.
  - Prepare handouts and comment cards for distribution.
- Facilitate public meeting
- Collect and summarize comment responses, provide summary to City.

NEXT STEPS IN PROJECT DEVELOPMENT

Upon completion of the above plan, Kimley-Horn, in partnership with City staff, will develop scope and fee based on resident feedback regarding project concerns.

CLOSING

On behalf of the entire Kimley-Horn team, we sincerely appreciate the opportunity to serve you and the City on such an important outreach initiative. Please do not hesitate to contact me at (214) 420-5600 or Brad.Tribble@kimley-horn.com should you have any further questions or comments.

Sincerely,

Brad Tribble, P.E.
Project Manager

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Ashberry, City Secretary / Assistant to the City Manager**

SUBJECT: **Work Session re: golf carts**

DATE: **July 2, 2015**

The topic of 'golf carts' use was discussed at the June 15 city council meeting. At that time, Council directed staff to schedule a work session on this topic before possibly moving forward with adoption of an ordinance. This requested work session agenda item has been included on the July 6 meeting agenda, as well as a related Action Item. The Action Item contains a draft ordinance from City Attorney Frank Garza.

THIS PAGE INTENTIONALLY LEFT BLANK

16

MINUTES
ROCKWALL CITY COUNCIL
Monday, June 15, 2015
4:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pruitt called the meeting to order at 4:00 p.m. Present were Mayor Jim Pruitt, and City Council Members David White, Mike Townsend, Scott Milder, Kevin Fowler and John Hohenshelt. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Brad Griggs, and City Attorney Frank Garza. Mayor Pro Tem Dennis Lewis was absent.

II. WORK SESSION

1. Hold a work session to discuss Rockwall County Thoroughfare Planning update and the status of SH 205 Planning and take any action necessary.

Mayor Pruitt called forth Public Works Director, Tim Tumulty, to hear an update from him regarding this item. Mr. Tumulty stated that the Rockwall County Road Consortium has been updating the master thoroughfare plan and handed out copies of their draft update to council. Mr. Tumulty explained that he and City Manager Rick Crowley have a meeting the following day after the meeting with Rockwall County and their consultants, Innovative Transportation Solutions, Inc. (ITS), to discuss suggestions from the city. He went on to explain some of the concerns and suggestions that would be proposed so that their thoroughfare plan matches what the city's currently shows.

Staff reviewed the document and proposed some changes to the plan. The section of FM 3097 from Tubbs Road to FM 549 was left as a two lane roadway and should match the four lane divided road shown from FM 740 to Tubbs Road. The section of FM 3097 from IH 30 to FM 740 needs to reflect a four lane undivided as it is today. FM 549 from SH 276 to FM 3097 shows it to be a six lane divided thoroughfare. There is a question regarding if it needs to be a six lane or four lane road from SH 205 to FM 3097. FM 3549 shows to be a four lane divided road from IH 30 to the north city limits line. John King Boulevard is shown as a six lane thoroughfare. FM 552 from SH 205 to our east city limits has been reduced from a six lane divided roadway to a four lane divided roadway. SH 66 from John King Boulevard to our east city limits line has been reduced from a six lane divided thoroughfare to a four lane divided roadway. This map also shows SH 205 from downtown Rockwall to John King Boulevard reduced to a four lane divided roadway. SH 276 from SH 205 to our east City limits line remains a six lane divided thoroughfare.

Councilmember David White stated that the one project he is most concerned about is the north 205 project and felt that the city has made it clear what they would like to see. General discussion and statements from City Manager Rick Crowley took place, and there was no further action concerning this work session discussion item.

2. Hold work session to discuss IH-30 ramp addition (near Ridge Road) and other roadway improvements, and take any action necessary.

City Manager Rick Crowley gave brief background information on this work session item and explained that the I-30 ramp near Ridge Road is an onramp that would occur prior to Horizon Drive. He thinks that it's a project that has previous funding authorization from the city. Mr. Crowley stated that there are concerns about the cost of the engineering of the project and that the city will be looking at more cost effective alternatives.

The other project associated with this agenda item is primarily Rochelle Road. Council has communicated with several residents of the City of Fate and the City of Rockwall, as well as the school district. Mr. Crowley went on to say that the road is in poor condition and that he estimates the improvements would be around $400K dollars. He indicated that this amount happens to be the amount that the county would be able to help with and that if the council will consider the funds from the county, the project could move forward.

Mr. Crowley went on to say that a couple of things to keep in mind are that the proposed amount would not result in the ultimate road improvements being made for that stretch of Rochelle Rd., but it would improve it enough to make it a safer road for the residents and the school district. The project could be promising if the City of Fate would agree to do their portion of the road and Rockwall do their own with the help of the county funding. Hehe stated he would like to get council feedback on their thoughts.

Councilmember David White explained that he felt none of the projects on Rochelle Rd. would benefit the citizens of the City of Rockwall, and he would rather spend the money on a city project in the city limits. He went on to state that eventually future developers would improve the road.

Councilmember Hohenshelt asked if the $400K being proposed would only get the road to a base function. Mr. Tumulty answered the question by giving council the various improvements that would take place such as cement and asphalt, explaining these would not accommodate heavy trucks. Mr. Crowley added that the City of Fate is planning to budget for their cost in the upcoming budget year.

Councilmember Milder indicated that he was in support of partnering with other agencies for a mutual benefit.

Councilmember Townsend asked if a future developer came through, would the improvements made to the road with the $400K dollars have to be redeveloped. City Engineer Tim Tumulty indicated that they would more than likely tear out the road and re-develop it at that point. Councilmember Townsend went on to express that he would hate for the city to pay the money for a temporary road, only to see it get torn out later for future development.

Councilmember Hohenshelt made a motion to direct staff to pursue discussion with the county and City of Fate regarding the usage of $400K of funds on Rochelle Rd. with the contingency that if the land east of Rochelle Rd. is purchased that those funds would not be spent. Councilmember Townsend seconded the motion, which passed by a vote of 5 in favor with 1 against (White).

3. Hold work session with the Parks & Recreation Advisory Board to discuss and consider Parks and Recreation Business Plan Strategic Initiatives, and take any action necessary.

Mayor Pruitt called forth Parks and Recreation Board President, Brad Bassett, to hear a presentation concerning this item.

Mr. Bassett started by introducing Park Board members present - Bob Lewis, Larry Denny, and Ray Harton. He then went on to state that the strategic initiatives proposed were unanimously approved by the board, and he went on with the presentation.

Councilmember Townsend and Milder expressed ideas of developing the city's website in the future and possibly having a full-time, in house marketing staff person to further the development of these projects. City Manager Rick Crowley indicated that nothing like that has been budgeted as of right now, thiswould be open to suggestions at a later date.

Councilmember Townsend made a motion to approve the strategic direction of the Parks & Recreation board as presented. Councilmember White seconded the motion. The motion passed unanimously of council present (Lewis absent).

Councilmember Townsend made another motion to direct staff to purchase the proposed software with a budget amendment. Councilmember Milder seconded the motion. The motion passed unanimously of council present.

Following Work Session item #3, the city council recessed into Executive Session. Mayor Pruitt read the following discussion items into the public record for discussion. The public meeting was recessed at 5:04 p.m.

III. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the city's concession agreement with Suntex Marina / Suntex RHCL Marina, LLC pursuant to Section § 551.071 (Consultation with Attorney)
2. Discussion regarding possible legal claim related to Oncor pursuant to Section 551.071 (Consultation with Attorney)
3. Discussion regarding purchase or lease of real property / land acquisition in the vicinity of the downtown area for municipal purposes pursuant to Section § 551.072 (Real Property).
4. Discussion regarding status of Rockwall Harbor Landing, Inc. vs. City of Rockwall pursuant to Section 551.071 (Consultation with Attorney).
5. Discussion regarding Eclipse Fitness LLC and DRZW Holdings LTD vs. City of Rockwall, Texas pursuant to Section 551.071 (Consultation with Attorney).
6. Discussion regarding possible development-related legal claim in the vicinity of Bourne Street pursuant to Section 551.071 (Consultation with Attorney)
7. Discussion regarding appointment of city council subcommittees and board liaisons pursuant to Section, §551.074 (Personnel Matters).

IV. ADJOURN EXECUTIVE SESSION

Executive Session adjourned at 5:57 p.m.

V. RECONVENE PUBLIC MEETING

Mayor Pruitt reconvened the public meeting at 6:00 p.m. with all councilmembers present with the exception of Mayor Pro-Tem Lewis, who was absent.

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

No action was taken as a result of Executive Session.

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER TOWNSEND

Councilmember Townsend delivered the invocation and led the Pledge of Allegiance.

VIII. OPEN FORUM

Mayor Pruitt explained how this portion of the meeting is conducted and asked if anyone would like to come forth and speak during this time.

Forrest Fenwick
2715 Promenade Harbor
Rockwall, TX 75087

Ms. Fenwick brought materials to pass out to council regarding takeline maintenance and concerns. Ms. Fenwick went on to state that she has general concerns that shortly after the homes that were built in 2004, the City of Rockwall began maintenance of a small meadow area including mowing. Over the years the mowing has been kept up, but the maintenance of the area under the trees has not been done. Beyond that, she has more concerns about snakes in that area. She went on to ask that these areas continue to be kept up to avoid this problem. She then thanked council for their time to hear her concerns.

Charles Miller
821 Zion Hill Circle
Rockwall, TX 75087

Mr. Miller came forth to express concerns about the pot holes on the 549/Hwy 30 access road. City Manager Rick Crowley clarified that those areas are state roadways. Mr. Miller then urged the city to suggest to the appropriate authorities that the problem be fixed. Mayor Jim Pruitt thanked Mr. Miller for his comments and mentioned that a city staff member would be following up with him the next day regarding these concerns.

IX. CONSENT AGENDA

1. Consider approval of the minutes from the June 1, 2015 regular city council meeting, and take any action necessary.

2. P2015-022 - Consider a request by Mike Whittle on behalf of Rockwall Rental Properties, LP for the approval of a replat for Lot 11 & 12, Block 2, Alliance Addition, Phase 2 being a 1.420-acre parcel of land currently identified as Lots 1 & 10, Block 2, Alliance Addition, Phase 2, City of Rockwall, Rockwall County, Texas, zoned Planned Development District

57 (PD-57) for Commercial (C) District land uses, addressed as 6505 & 6525 FM-3097, and take any action necessary.

Councilmember White made a motion to approve all Consent Agenda items (#1 and 2). Councilmember Milder seconded the motion. The motion passed unanimously of council present (Lewis absent).

X. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Craig Renfro, Chair of the Planning & Zoning Commission, came forth and briefed the city council on recommendations of the Commission relative to items on tonight's city council meeting agenda. The council took no action concerning this agenda item.

2. Appointment with Mr. Jack Youngkin to hear about the "International Campaign for Compassionate Cities" and to discuss and consider approval of a resolution affirming the "Charter for Compassion," and take any action necessary.

Mayor Jim Pruitt first noted that this item has nothing to do with Section 8 housing in any way. He then called Jack Youngkin forward to hear a presentation regarding this item. Mr. Youngkin started by introducing his colleague, Dr. Charles Barker, who is also a board member of the Richardson Interfaith Alliance. Mr. Youngkin then proceeded with a presentation regarding the program. Dr. Barker then came forward to give a brief background of the proposed charter and adoption of the initiative.

Councilmember Townsend expressed concerns regarding what the city's role would be and thinks that we can change an atmosphere, and city and people's hearts and minds, but that we don't necessarily need government to do it. He believes that government will change when people change and added that he would like to see actions come from the citizens out in the community itself.

No formal action was taken on this item.

3. Appointments to hear concerns related to city ordinance regulations contained in Chapter 6, Article VI, Sec. 6-162(b) (regarding the prohibition of owning or keeping chickens, ducks, turkeys, geese, peacocks, or guinea hens within the corporate limits of the city except in agricultural zoned districts), and take any action necessary.

a) Paul and Leah Freese,

943 Lexington Drive, Rockwall, TX

Mayor Jim Pruitt called upon Mr. & Mrs. Freese to hear their concerns on this item. Mrs. Freese gave a short presentation in favor of amending the current city ordinance to allow for chickens in the city limits.

b) Mike Dean,

947 Lexington Drive, Rockwall, TX

Mr. Dean came forward in opposition of any change to the ordinance.

c) Brent Polunsky,

955 Lexington Drive, Rockwall, TX

Mr. Polunsky came forward as the Turtle Cove HOA President in opposition of allowing any changes to the current ordinance prohibiting chickens.

d) Sharon Worthy – **Ms. Worthy was not able to attend the meeting.**

e) Ben Weible,

215 Trout Street, Rockwall, TX

Mr. Weible came forward in support of possibly changing the current ordinance, expressing that this particular issue should be taken to the Turtle Cove HOA.

Thomas Gaili – Came forward in opposition of changing the ordinance.
645 Stafford Circle
Rockwall, TX 75087

Gina Celii – Came forward in opposition of changing the ordinance.
667 Turtle Cove Blvd.
Rockwall, TX 75087

Candace Jefcoat – Came forward in opposition of changing the ordinance.
3115 Lakeside Drive
Rockwall, TX 75087

Roman Linane – Came forward in support of changing the ordinance.
919 Lexington Drive
Rockwall, TX 75087

Nathan Sellers – Came forward in support of changing the ordinance.
4053 Bass Rd.
Rockwall, TX 75032

Nell Welborn – Came forward in opposition of changing the ordinance.
810 Lake Meadows Circle
Rockwall, TX 75087

Jay Bedford – Came forward in opposition of changing the ordinance.
301 N. Alamo
Rockwall, TX 75087

Bree McClusky – Came forward in support of changing the ordinance.
4053 Bass Rd.
Rockwall, TX 75032

Heather Canun – Came forward in support of changing the ordinance.
784 Berrymore Drive
Rockwall, TX 75087

Councilmember White expressed that he would be in favor of a possible change.

Councilmembers Milder and Mayor Pruitt expressed that they have concerns regarding what sized lot would be allowed to have chickens if the ordinance is changed.

Councilmember Hohenshelt asked City Attorney, Frank Garza, a question regarding if the HOA already had a regulation prohibiting chickens, and the city changed it, could the HOA still prohibit them. Mr. Garza informed council that the HOA could indeed still prohibit chickens in their subdivision.

General discussion took place, and no action was taken.

4. Appointment with Chris Johnson to discuss changes to the Unified Development Code that would allow the operation of a Portable Beverage or Food Service Facility under a Specific Use Permit, and take any action necessary.

Indication was given that Councilmember Milder would be recusing himself from this item.

Mayor Pruitt called Mr. Johnson forth to speak on this item. Mr. Johnson generally expressed that he would like to request a variance to be able to operate a food truck longer that 150 days at 803 N. Goliad Street, which is Councilmember Milder's lot. He explained that Councilmember Milder has granted him permission for use of this property. He went further to explain that the menu and type of food being served hasn't been decided on yet. He would also like to partner with the Rockwall High School Culinary program to give some of the students an opportunity to work in this venue and that they would be giving a portion of profits to the RHS Culinary Program. He gave examples of what the trailer would look like and expressed that there would be paving, tables and umbrellas for seating as well as some possible outdoor games such as horseshoes.

Planning and Zoning Director, Robert LaCroix, explained that if the item comes back at direction of council, there would be an ordinance change, and the SUP chart would also change.

Councilmember White made a motion to send the item back to modify the UDC for the operation of a portable food facility, with the exception of the requested timeframe with the stipulation that the timeframe could be extended if needed. Councilmember Townsend seconded the motion. The motion passed by a vote of 4 ayes, 1 against (Pruitt), 1 abstention (Milder) and 1 absent (Lewis).

5. Appointment with representative(s) of Core Adventure Sports to discuss and consider entering into a contract with the City for the purpose of providing Stand-up Paddle Board services within the take line lease area at The Harbor and the SH 66 Public Boat Ramp, and take any action necessary.

Mayor Pruitt called forth Dean People and Stephanie Olsen to speak on this item. Mr. People gave a brief update on his company and its vision.

Mayor Pruitt expressed general concern about the area at the SH 66 Boat Ramp because he feels that ramp is not a park and is specifically used as a boat ramp only.

Councilmember Milder stated that he would be in favor of this activity being offered to citizens but shares Mayor Pruitt's thought that it should not be allowed at the SH 66 Boat Ramp.

Councilmember Milder made a motion to enter into a contract with Core Adventure Sports for the purpose of providing Stand-up Paddle Board services in the takeline lease area at The Harbor. Councilmember White seconded the motion, which passed unanimously of council (Lewis absent).

XI. PUBLIC HEARING ITEMS

1. **Z2015-017** - Hold a public hearing to discuss and consider a request by Jonathan Hake of Cross Engineering Consultants, Inc. on behalf of the owner Kenneth R. Smith of K. R. Smith Holdings, LLC for the approval of an **ordinance** for a Specific Use Permit for Commercial Amusement/Recreation (Outside) to allow a baseball training facility to be constructed on a six (6) acre tract of land identified as Tract 4-07 of the N. Butler Survey, Abstract No. 20, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the SH-205 By-Pass Corridor Overlay (SH-205 BY-OV) District, located on the north side of Airport Road west of the intersection of Airport Road and John King Boulevard, and take any action necessary **[1st Reading].**

Planning Director Robert LaCroix gave a brief history of this item and provided a site plan to council. He stated that the complex is intended for select team training. One of the concerns expressed is related to the lighting at the complex. The applicant did indicate they would use a max height of 50 feet on the light poles. They have also made arrangements to get their FFA clearance.

Mayor Pruitt opened the public hearing and asked if anyone would like to come forth and speak.

Kenneth Smith
3888 N. SH 205
Rockwall, TX

Kenneth Smith came forth to speak on this item and explained his vision for this facility. He indicated it would be a two story building with a workout area, arcade, concession stand and pro shop. He further explained that it would include a turf field.

Following public comment, Councilmember Townsend made a motion to approve the SUP for Commercial Amusement/Recreation for a baseball training facility. Councilmember White seconded the motion, which passed unanimously of council (Lewis absent). The ordinance was read as follows:

ORDINANCE NO. 15-18
SPECIFIC USE PERMIT NO. S-138

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) ALLOWING FOR A COMMERCIAL AMUSEMENT/RECREATION FACILITY (OUTDOOR) AND MORE SPECIFICALLY A BASEBALL TRAINING FACILITY, WITHIN A COMMERCIAL (C) DISTRICT, BEING A SIX (6) ACRE TRACT OF LAND IDENTIFIED AS TRACT 4-07 OF THE N. BUTLER SURVEY, ABSTRACT NO. 20, AND GENERALLY LOCATED ON THE NORTHWEST QUADRANT OF AIRPORT ROAD AND JOHN KING BOULEVARD, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A' AND AS DEPICTED IN EXHIBIT 'B'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

2. **Z2015-018** - Hold a public hearing to discuss and consider a request by Herman Douglas Utley for the approval of an **ordinance** for a zoning change from a Single Family Estate 2.0 (SFE-2.0) District to a Single Family Estate 1.5 (SFE-1.5) District for a 4.502-acre tract of land identified as Tract 1 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, zoned Single Family Estate 2.0 (SFE-2.0) District, situated within the SH-205 By-Pass (SH-205 BY OV) District, addressed as 1815 E. Old Quail Run Road, and take any action necessary. **[1st Reading]**

Planning Director Robert LaCroix gave a brief history on this item. He indicated that notices went out to adjacent property owners, but none have been received back.

Mayor Pruitt opened the public hearing and asked if anyone would like to come forth and speak. Seeing no one, he closed the public hearing.

Councilmember Townsend made a motion to approve Z2015-018. Councilmember Milder seconded the motion, which passed unanimously of council. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-19

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM A SINGLE-FAMILY ESTATE 2.0 (SFE-2.0) DISTRICT TO A SINGLE-FAMILY ESTATE 1.5 (SFE-1.5) DISTRICT FOR A 4.502-ACRE TRACT OF LAND IDENTIFIED AS TRACT 1 OF THE S. R. BARNES SURVEY, ABSTRACT NO. 13, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN *EXHIBIT 'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

XII. ACTION ITEMS

1. MIS2015-002 - Discuss and consider a request by David Smith of the Rockwall Housing Development Corporation for the approval of a special exception to allow a manufactured home for the purpose of providing emergency housing on a 0.27-acre parcel of land identified as Lot 984A of Rockwall Lake Estates #2 Addition, City of Rockwall, Rockwall County, Texas, addressed as 112 Chris Drive, and to consider a city initiated request for the approval of a special exception to allow for manufactured homes for the purpose of providing emergency housing on other lots currently owned by the City of Rockwall, zoned Planned Development District 75 (PD-75) [Ordinance No. 09-37], located within the Lake Rockwall Estates Subdivision, and take any action necessary.

City Manager Rick Crowley gave council a brief update on the status of the homes in the Lake Rockwall Estates area that recently flooded. He explained that, of the four residents that receive funding, one other property owner owns several lots but has not come to terms with if he is able to move back into the home. He is getting help from Helping Hands. Other homeowners have stated that they do not have a desire to return to their homes.

Fire Chief Mark Poindexter stated that the water had subsided a great deal, but it is still too deep, so the road remains closed at this time. There is potential for more flooding in the coming days with the future weather forecast.

The applicant, David Smith of RHDC, came forward to speak on this item and update council on the condition of the current homes. He stated that there are still two homeowners that are displaced and understand their homes were located in a flood plain. They are currently living at the Super 8 Motel short-term. Mr. Smith asked council to authorize the City Manager's office to send the designated organization a letter so that the families can be placed in better homes.

Mayor Pruitt asked what would happen to the trailer homes, if approved, after they are no longer needed.

City Manager Rick Crowley stated that he believed the city could find a spot on city land to park them after they are no longer being used as well as find a spot for them to go when the families move in.

Mr. Smith explained that the private corporation has a financing period that will take 60-90 days along with a planning period and a construction phase. FEMA also has the stipulation that the trailers be owned for at least 18 months by the municipality.

Councilmember Townsend made a motion to approve MIS2015-002 and give staff direction to send a letter to ask for the assistance. Councilmember White seconded the motion, which passed unanimously of council.

2. **P2015-021 -** Discuss and consider a request by Jay Bedford of A. J. Bedford Group, Inc. on behalf of the owners G. Kent and Kay Loy Smith for the approval of a final plat for Lots 1-4, Block A, Breezy Hill Estates being a 7.873-acre tract of land identified as Lots 10-13, Breezy Hill (Unrecorded), Rockwall County, Texas, situated within the City of Rockwall's Extraterritorial Jurisdiction (ETJ), located on property currently addressed as 575 Breezy Hill Lane, and take any action necessary.

Planning Director Robert LaCroix gave a brief update on this item. He explained that the tract is located on Breezy Hill and is in the city's ETJ. The applicant would like to sell these tracts of land. Two tracts of land would have street frontage access but do not have street front drives. He stated that the Planning & Zoning Commission approved this item.

Mr. A.J. Bedford, 301 N. Alamo Drive, Rockwall, came forth to address council and give a brief update on their intentions with said properties.

Councilmember Townsend made a motion to approve P2015-021. Councilmember Milder seconded the motion. It passed unanimously of council present (Lewis absent).

3. **Z2015-014** - Discuss and consider approval of an **ordinance** for a request by Cole Franklin of the Skorburg Company on behalf of the owner of the Lonnie Gideon Estate for a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 10 (SF-10) District land uses, on a 29.192-acre tract of land identified as a portion of Tract 1-01 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the 205 By-Pass Corridor Overlay (205 BY-OV) District, located at the northeast corner of the intersection of E. Quail Run Road and John King Boulevard, and take any action necessary. **(1st Reading)**

Mayor Jim Pruitt called representatives forth to deliver a presentation they would like to give.

Cole Franklin with the Skorburg Company came forward to address council and briefly updated council on the intentions for the requested zoning change. He stated that they do not meet the 20% open space requirement, but the proposal does have alternatives included, such as a small park and a swimming pool/amenities center. He explained the benefits of what's being proposed.

Mayor Jim Pruitt called forth two citizens wishing to address council on this item.

John Yingling & Lynelle Yingling
570 E. Quail Run Rd
Rockwall, TX 75087

Mr. and Mrs. Yingling generally expressed concerns with allowing variances and urged the council to please follow the guidelines for the current comprehensive plan as it relates to open space.

Mayor Pruitt asked Mr. LaCroix what the comprehensive plan calls for in this area. Mr. LaCroix explained that in 2007, they took those policies and tried to work them into the code, and council had the ability to take various factors into consideration. It was ultimately decided that the area would call for a mixed use of lots and specificy density.

Nick Grant
1569 E. Quail Run Rd.
Rockwall, TX 75087

Mr. Grant asked that council not approve this item for failure to meet the guidelines of the current comprehensive plan.

Mike Larriviere
1425 E. Quail Run
Rockwall, TX 75087

Mr. Larriviere stated that he is in opposition of this item.

Councilmember White made a motion to approve Z2015-014 to include a playground area. Councilmember Hohenshelt seconded the motion, which passed with 5 ayes, 1 nay (Townsend), and 1 absent (Lewis).

The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO CHANGE THE ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO PLANNED DEVELOPMENT DISTRICT XX (PD-77) FOR SINGLE FAMILY 10 (SF-10) DISTRICT LAND USES ON THE SUBJECT PROPERTY, BEING A 29.192-ACRE TRACT OF LAND IDENTIFIED AS A PORTION OF TRACT 1-01 OF THE S. R. BARNES SURVEY, ABSTRACT NO. 13, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED HEREIN BY *EXHIBIT 'A'*; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

4. Discuss and consider approval of an **ordinance** adding Sections 26-290 to 260-297 "Operation of Golf Carts" to Chapter 26. Motor Vehicles and Traffic, Article IV. Bicycles, Golf Carts and Play Vehicles, Division 5 of

the Municipal Code of Ordinances to authorize the operation of golf carts within the city limits, and take any action necessary. **(1st reading)**

Mayor Pruitt called forth citizens wishing to address council on this item.

Jim Smith & Shirley Smith
609 Amherst
Rockwall, TX

Mr. & Mrs. Smith came forth to address council on proposed revisions to the ordinance. They gave extensive recommendations as specified in an email sent to council in advance of the meeting

Councilmember Fowler felt that having an ordinance with regulations would be too restrictive. Councilmember Milder felt that there should be some regulations related to drivers of golf carts needing to have a valid driver's license.

Councilmember White asked Assistant Chief Riggs if the police department gets very many complaints about reckless driving and younger drivers on golf carts. Chief Riggs indicated that there may be a few calls a year, but they are more specifically about younger drivers in general, not necessarily that they are driving recklessly.

Mayor Pruitt made a motion to table this item for work session discussion before it comes back for an action item and vote. Councilmember Townsend seconded the motion, which passed by a vote of 5 ayes,1 nay (White) and 1 absent (Lewis).

5. Discuss and consider update related to an erosion control project located near 2065 Lake Forest Drive, and take any action necessary.

City Engineer Tim Tumulty gave a brief update and background information on this item, explaining that erosion is slowly moving toward this home and toward the retaining wall near the back part of this property. He indicated that the city is ready to put out an open bid on this project on July 9th. Once bids are returned, staff would look for a direction from council to move forward. He added that the estimated cost of the project would be around $200K.

Councilmember Hohenshelt asked if the resident, Mr. Carol, would be willing to allow access. Mr. Tumulty stated that access through the resident's property would not be possible. No formal action was taken.

6. Discuss and consider the provisions of Chapter 12. Businesses & Sales, Article XII. Ambulance Service of the Code of Ordinances, and take any action necessary.

Mayor Jim Pruitt explained the he doesn't think he and Mayor Pro Tem Lewis are ready to make a recommendation, and since Lewis is absent tonight, he would like to update council in two weeks.

Councilmember White made a motion to table this item until the next regular council meeting. Councilmember Townsend seconded, which passed unanimously of council.

7. Discuss and consider survey results and options related to the city's solid waste collection contract, and take any action necessary.

Assistant City Manager Mary Smith gave a brief update and background information on this item and further expressed that the current vendor, Allied Waste Management, would need to be notified by July 3rd regarding the city's intentions are concerning the contract.

Mr. Rick Bernas of Allied Waste Management stated he would like the opportunity to sit down with the city to negotiate another 5 year extension.

Dick Demien, Progressive Waste
1240 Coastal Drive
Rockwall, TX

Mr. Demien generally explained that he is a competitor of Allied Waste Management and services several other cities in the area. He would like the opportunity to bid for this contract.

Councilmember Milder stated that he feels that the council owes it to the citizens in Rockwall to go out for an RFP to see what the options are.

Mayor Jim Pruitt made a motion to send the letter to Allied to allow for the possibility of an RFP and give them 45 days to talk with staff and come up with a proposal before deciding if the city wants to move forward with the RFP process. This motion failed for lack of a second.

Councilmember Hohenshelt made a motion to go out for competitive bid.

Councilmember Townsend asked City Attorney Frank Garza to clarify the difference between the two motions. Frank Garza stated that a letter has to be sent to notify the current provider that the city is not prepared to stay with the same contract. He then clarified that a letter would need to be sent either way under both motions that were made previously.

Councilmember Milder then made a motion to second Councilmember Hohenshelt's motion to go out for competitive bid. The motion failed by a vote of 3 ayes and 3 nays (Townsend, White, and Pruitt against) with 1 absent (Lewis).

Councilmember Milder made a motion to send the letter to Allied to allow for the possibility of an RFP and give them 45 days to talk with staff and come up with a proposal before deciding if the city wants to move forward with the RFP process. Councilmember David White seconded the motion, which passed by a vote of 4 ayes,2 nays (White and Hohenshelt) and 1 absent (Lewis).

8. Discuss and consider amendments to the natural and/or quarried stone requirement stipulated by the overlay district standards contained in Article V, District Development Standards, of the Unified Development Code, and take any action necessary.

Planning Director Robert LaCroix gave brief background information on this item. He explained the differences between the materials of stone being proposed. He stated that an ordinance would come back before council for future consideration if this item is approved.

Councilmember White made motion to move forward with the ordinance change and recommendations by the Planning and Zoning Commission as presented. Councilmember Townsend seconded the motion, which passed by a vote of 5 ayes, 1 nay (Milder) and 1 absent (Lewis)

9. Discuss and consider options related to providing public restrooms in the downtown area, and take any action necessary.

Assistant City Manager Brad Griggs gave a brief update on this item, explaining that the best option at this time would be to utilize the public building at The Center for downtown events such as Farmers Market and the San Jacinto Music Series. This cost

would be around $2K, and directional signs would be placed to let the public know where restrooms are available.

No action was taken on this item.

10. Discuss and consider an update related to public parking signage at The Harbor, and take any action necessary.

Mayor Jim Pruitt explained that he added this item to the agenda due to a recent event at The Harbor, Cars for CASA. He explained that there was general confusion as to where people could park, and he feels that the signs that are out there now don't adequately direct people to the city's available parking at Trend Tower. Mayor Pruitt suggested that getting a larger sign on the building so that traffic can be directed to the parking garage would help.

Councilmember Hohenshelt stated that he would like to see city signage along the public road access leading up to the building and then a larger sign on the garage itself.

Mayor Pruitt made a recommendation for staff to negotiate with Trend Tower to move forward with signage on the garage.

11. Discuss and consider maintenance within the take line area, and take any action necessary.

Mayor Pruitt gave a brief update on the background of this item. He expressed that there is general confusion as to whose responsibility it is to clean up debris and trees from the takeline area if there is not a lease on the property. He stated that he would like to give staff direction as to how to answer questions and phone calls from those that would like the city to clean up these areas because he would like there to be a consistent way of handling it. He then went on to say that the residents that do have leases on the takeline do clean up that area, but others that do not have a lease expect the city to do it.

Councilmember White asked staff where the $350 dollars per year goes that the city collects from the takeline leases. Assistant City Manager, Brad Griggs explained that it goes into the Recreation Development fund. He further explained that the $350 per year is to pay for the cost of the Neighborhood Improvement Services Department to rent a boat and take care of the maintenance of dangerous areas along the takeline.

Councilmember Hohenshelt asked for clarification on what such maintenance really includes - if it includes trees or other trash and things that float up to the takeline. City Manager Rick Crowley clarified that the maintenance could include both if the city is required to do regular maintenance.

Mr. Crowley explained that he would like the ability to determine if the debris is a danger and needs to be taken down.

Councilmember Townsend asked who mows the lots that are not leased. Brad Griggs explained that it's up to the property owner to mow, but if they don't, the land returns to its natural state. Councilmember Townsend asked who can determine if trees are dangerous. City Manager Rick Crowley stated that if a tree is already in the process of dying or is in a state that it could fall on someone, it's his opinion that the city should go in and have it removed.

Council's suggestion for staff was to determine on a case-by-case basis if trees are dangerous enough for the city to handle. City Manager Rick Crowley stated he would get the cost related documents together for council to review.

From the Executive Session discussion items below, Mayor Pruitt then read #7into the record before recessing the meeting into Executive Session at 10:27 p.m.

XIII. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding the city's concession agreement with Suntex Marina / Suntex RHCL Marina, LLC pursuant to Section § 551.071 (Consultation with Attorney)
2. Discussion regarding possible legal claim related to Oncor pursuant to Section 551.071 (Consultation with Attorney)
3. Discussion regarding purchase or lease of real property / land acquisition in the vicinity of the downtown area for municipal purposes pursuant to Section § 551.072 (Real Property).
4. Discussion regarding status of Rockwall Harbor Landing, Inc. vs. City of Rockwall pursuant to Section 551.071 (Consultation with Attorney).
5. Discussion regarding Eclipse Fitness LLC and DRZW Holdings LTD vs. City of Rockwall, Texas pursuant to Section 551.071 (Consultation with Attorney).
6. Discussion regarding possible development-related legal claim in the vicinity of Bourne Street pursuant to Section 551.071 (Consultation with Attorney)
7. Discussion regarding appointment of city council subcommittees and board liaisons pursuant to Section, §551.074 (Personnel Matters).

XIV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

Mayor Pruitt reconvened the public meeting at 10:37 p.m. and there was no action taken.

XV. ADJOURNMENT

Mayor Pruitt adjourned the meeting at 10:40 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS,

CITY OF ROCKWALL

ORDINANCE NO. 15-19

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM A SINGLE-FAMILY ESTATE 2.0 (SFE-2.0) DISTRICT TO A SINGLE-FAMILY ESTATE 1.5 (SFE-1.5) DISTRICT FOR A 4.502-ACRE TRACT OF LAND IDENTIFIED AS TRACT 1 OF THE S. R. BARNES SURVEY, ABSTRACT NO. 13, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN *EXHIBIT 'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Herman Douglas Utley for the approval of an amendment to the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall to adopt a change in zoning from a Single-Family Estate 2.0 (SFE-2.0) District to a Single-Family Estate 1.5 (SFE-1.5) District for a 4.502-acre tract of land identified as Tract 1 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, and more specifically described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning of the *Subject Property* from an Agriculture (AG) District to a Single-Family Estate 2.0 (SFE-2.0) District; and

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes provided for a *Single-Family Estate (SF-E) District* in *Section 1.1, "Use of Land and Buildings,"* of *Article IV, "Permissible Uses"* and *Section 3.2, "Single-Family Estate (SF-E/1.5, 2.0, 4.0) District",* of *Article V, "District Development Standards",* of the *Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as maybe amended in the future;

Section 3. That the official zoning map of the City be corrected to reflect the changes in the

zoning described herein.

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ON THIS THE 6TH DAY OF JULY, 2015.

Exhibit 'A':
Legal Description

PROPERTY DESCRIPTION

Being a 4.502 acre tract of land situated in the S.R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas and being all that certain tract of land described in deed to Herman D. Utley, as recorded in Instrument No. 2006-00358812, Deed Records, Rockwall County, Texas and all that certain tract of land described in deed to Herman Douglas Utley, as recorded in Volume 3555, Page 93, said Deed Records and being more particularly described by metes and bounds as follows:

BEGINNING at a found 60 penny nail in E. Quail Run Road at the common west corner of said Utley tract (3555/93) and Lot 1, Block A, of the D.R. Taylor Addition, recorded in Cabinet E, Slide 317, Plat Records, Rockwall County, Texas, said 60 penny nail being on the east line of the remainder of that certain tract of land described in deed to Lonnie L. Gideon, as recorded in Volume 307, Page 256, said Deed Records;

THENCE along said E. Quail Run Road and the common line of said Utley tract (3555/93) and said Gideon tract the following bearings and distances:

North, a distance of 144.96 feet to a found 60 penny nail;

North 03 degrees 22 minutes 44 seconds East, a distance of 103.15 feet to a found 60 penny nail from which a found 5/8-inch iron rod bears North 32 degrees 43 minutes 46 seconds East, a distance of 13.60 feet and a found 1/2-inch iron rod bears South 87 degrees 53 minutes 27 seconds East, a distance of 17.69 feet;

North 09 degrees 16 minutes 45 seconds East, a distance of 86.44 feet to a found 60 penny nail at the common west corner of said Utley tracts, from which a found 1/2-inch iron rod bears South 89 degrees 39 minutes 46 seconds East - 25.41 feet;

THENCE along aforesaid E. Quail Run Road and the common line of said Utley tract (2006-00358812) and aforesaid Gideon tract the following bearings and distances:

North 13 degrees 45 minutes 03 seconds East, a distance of 134.53 feet;

North 04 degrees 57 minutes 27 seconds East, a distance of 130.01 feet;

North 02 degrees 16 minutes 19 seconds East, a distance of 113.06 feet to a point from which a found 5/8-inch iron rod bears North 02 degrees 54 minutes 26 seconds East, a distance of 31.67 feet;

North 30 degrees 51 minutes 27 seconds East, a distance of 72.24 feet;

North 69 degrees 46 minutes 15 seconds East, a distance of 98.85 feet;

North 86 degrees 17 minutes 03 seconds East, a distance of 67.89 feet to a point from which a found 1/2-inch iron rod bears North 07 degrees 24 minutes 57 seconds East, a distance of 4.98 feet, said point being the common corner of aforesaid Utley tract (2006-00358812) and that certain tract of land described in deed to Lonnie L. Gideon, as recorded in Volume 307, Page 259, aforesaid Deed Records and that certain tract of land described in deed to Hilda Kouvelis and husband, Peter Kouvelis, as recorded in Volume 1881, Page 115, said Deed Records;

THENCE South along the common line of said Utley tract (2006-00358812) and said Gideon tract (307/259), passing a found 1/2-inch iron rod at the common east corner of said Utley tracts at a distance of 473.91 feet and continuing along the common line of said Utley tract (3555/93) and said Gideon tract (307/259) a total distance of 916.66 feet to a point from which a found 1/2-inch iron rod bears North 57 degrees 25 minutes 40 seconds West, a distance of 0.69 of one foot, said point being the common east corner of said Utley tract (3555/93) and aforesaid Lot 1;

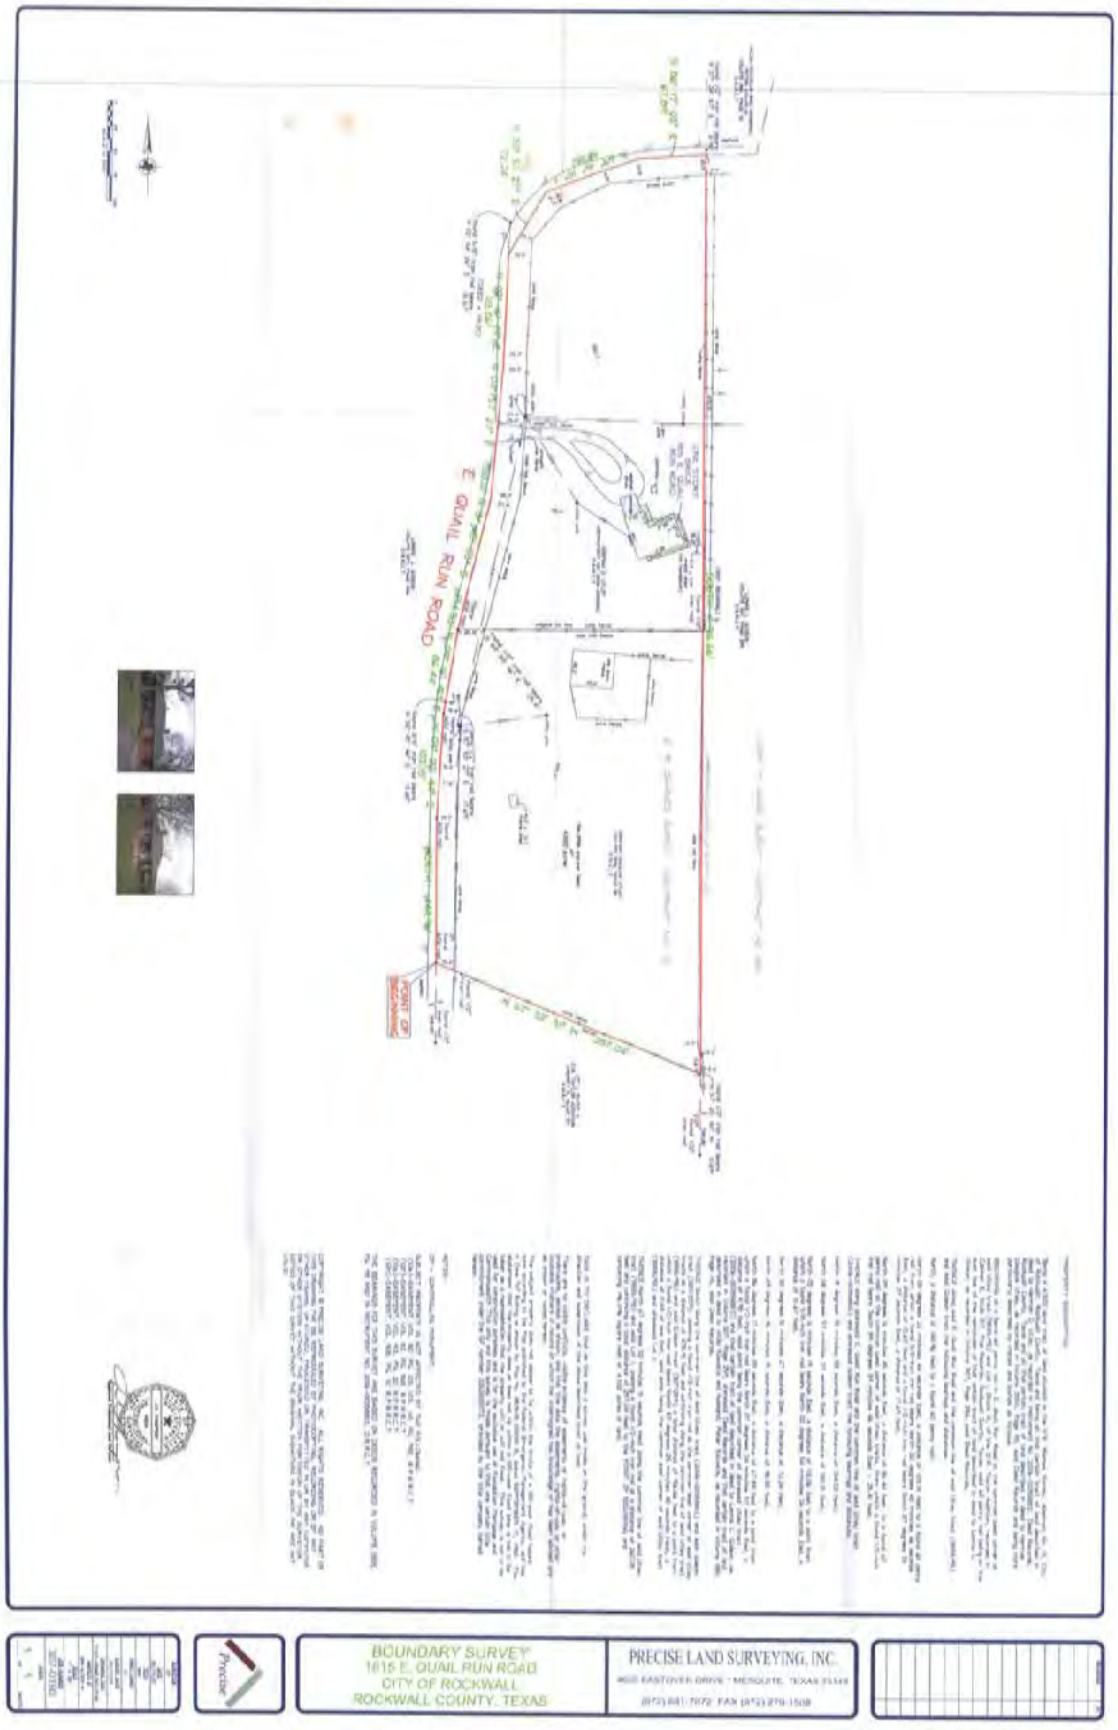
THENCE North 67 degrees 32 minutes 31 seconds West along the common line of said Utley tract (3555/93) and said Lot 1, passing a found 1/2-inch iron rod at a distance of 260.05 feet and continuing a total distance of 287.04 feet to the POINT OF BEGINNING and containing 196,096 square feet or 4.502 acres of land.

THIS IS TO DECLARE that on this date a survey was made on the ground, under my direction and supervision of the above described tract of land.

There are no visible conflicts, visible evidence of easements or rights-of-way, or protrusions, except as shown, and that this date the easements, rights-of-way or other locatable matters of record of which the undersigned has knowledge or has been advised are as shown or noted hereon.

The subject property does not appear to lie within the limits of a 100-year flood hazard zone according to the Map published by the Federal Emergency Management Agency, and has a Zone "X" Rating as shown by Map No. 480543 00030 B, dated SEPTEMBER 17, 1980. The statement that the property does or does not lie within a 100-year flood zone is not to be taken as a representation that the property will or will not flood. This survey is not to be used for construction purposes and is for the exclusive use of Foundation Mortgage and Commonwealth Title only and this survey is made pursuant to that one certain title commitment under the GF number 2252000072, provided by the title company named hereon.

NOTES:



CM = CONTROLLING MONUMENT.

SUBJECT PROPERTY IS NOT AFFECTED BY THE FOLLOWING:
(10e)-EASEMENT, VOL. 80, PG. 123, VOL. 110, PG. 792, R.P.R.R.C.T.

CITY OF ROCKWALL

ORDINANCE NO. 15-18

SPECIFIC USE PERMIT NO. S-138

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) ALLOWING FOR A COMMERCIAL AMUSEMENT/RECREATION FACILITY (OUTDOOR) AND MORE SPECIFICALLY A BASEBALL TRAINING FACILITY, WITHIN A COMMERCIAL (C) DISTRICT, BEING A SIX (6) ACRE TRACT OF LAND IDENTIFIED AS TRACT 4-07 OF THE N. BUTLER SURVEY, ABSTRACT NO. 20, AND GENERALLY LOCATED ON THE NORTHWEST QUADRANT OF AIRPORT ROAD AND JOHN KING BOULEVARD, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A' AND AS DEPICTED IN EXHIBIT 'B'; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Jonathan Hake of Cross Engineering Consultants, Inc. on behalf of the owner Kenneth R. Smith of K. R. Smith Holdings, LLC for the approval of a Specific Use Permit (SUP) allowing for a *Commercial Amusement/Recreation Facility (Outdoor)* and more specifically a baseball training facility, within a Commercial (C) District, being a six (6) acre tract of land identified as Tract 4-07 of the N. Butler Survey, Abstract No. 20, and generally located on the northwest quadrant of Airport Road and John King Boulevard, City of Rockwall, Rockwall County, Texas, and more specifically described in Exhibit 'A' and as depicted in Exhibit 'B' of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code [Ordinance No. 04-38] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit

(SUP) allowing for a *Commercial Amusement/Recreation Facility (Outside)* and more specifically a baseball training facility within a Commercial (C) District for the *Subject property*; and

Section 2. That the S*ubject Property* shall be used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance granted herein and shall be subject to the conditions set forth in *Article IV, Permissible Uses, Section 2.1.5 Recreation, Entertainment and Amusement Use Conditions,* and *Article V, District Development Standards, Section 4.5 Commercial (C) District, of the City of Rockwall Unified Development Code [Ordinance No. 04-38]* as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following conditions:

2.1 Operational Conditions

The following conditions pertain to the operation of the Commercial Amusement/Recreation Facility (Outdoor) on the Subject Property and conformance to these stipulations is required for continued operations:

1) That adherence to Engineering and Fire Department standards is required.

2) That the lighting levels are generally not to exceed the levels established in the preliminary photometric plan submitted for this site in order to contain spill over lighting and glare on adjacent properties, and that the illumination will generally not exceed an average of 50-FC as indicated on such plan.

3) That the heights for the lighting pole standards are not to exceed a maximum overall height of 50-ft (includes pole, base, fixtures, etc.).

4) That submittal and approval of a site plan (to include approval of a photometric plan), engineering plans, and final plat are required prior to issuance of a certificate of occupancy.

5) That written clearance from the Federal Aviation Administration (FAA) shall be provided to the City indicating approval of the maximum height for the light pole standards, the maximum intensity regarding glare produced from the lighting, and any other requirement deemed necessary for the safety of air traffic to and from the Rockwall Municipal Airport.

6) That the City Council reserves the right to review the Specific Use Permit (SUP) any time after the effective date of this ordinance.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every

day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 6th DAY OF July, 2015.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 07/06/2015

APPLICANT: Harold Fetty, *H. D. Fetty Land Surveyor, LLC*

AGENDA ITEM: **P2015-019**; *Lots 1 & 2, Block A, Utley Addition*

SUMMARY:

Discuss and consider a request by Harold Fetty of H. D. Fetty Land Surveyor, LLC on behalf of the owner Doug Utley for the approval of a final plat for Lots 1 & 2, Block A, Utley Addition 4.49-acre parcel of land currently identified as Tract 1 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, zoned Single Family Estate 2.0 (SFE-2.0) District, situated within the SH-205 By-Pass Overlay (SH 205 BY-OV) District, addressed as 1751 & 1815 E. Old Quail Run Road, and take any action necessary.

PLAT COMMENTS:

- ✓ The objective of this request is to subdivide a 4.49-acre tract of land into two (2) residential parcels of land. After the required roadway dedication of 0.55-acres, the parcels will be 1.82-acres and 2.12-acres. Both parcels will conform to the standards of the Single Family Estate 1.5 (SFE-1.5) District.
- ✓ The second reading for a zoning ordinance (*i.e. Case No. Z2014-018*) that will change the zoning of the subject property from Single Family Estate 2.0 (SFE-2.0) to Single Family Estate 1.5 (SFE-1.5) is scheduled to be on the consent agenda at the July 6, 2015 City Council meeting. This plat will be placed on the action items agenda at the same meeting to ensure that the approvals for this case are chronologically correct.
- ✓ The surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for final plats as stated in the *Subdivision Ordinance* in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.
- ✓ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

RECOMMENDATIONS:

Staff recommends approval of the final plat for *Lots 1 & 2, Block A, Utley Addition* in conformance with the following conditions of approval:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;

2) Any construction resulting from the approval of this *final plat* shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On June 30, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the final plat by a vote of 5-0, with Commissioners Conley and Logan absent.

P2015-019 (Lots 1 & 2, Block A, Utley Addition): Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 This is a request for the approval of a final plat for Lots 1 & 2, Block A, Utley Addition being a 4.49-acre tract of land identified as Tract 1 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas, zoned Single-Family Estate 2.0 (SFE-2.0) District, situated within the SH-205 By-Pass Corridor Overlay (SH-205 BY-OV) District, and located on property currently addressed as 1815 E. Old Quail Run Road.
I.2 For questions or comments concerning this case please contact Ryan Miller in the Planning Department at (972) 772-6441 or email rcmiller@rockwall.com.
M.3 For reference, include the case number (P2015-019) in the lower right hand corner of all pages on future submittals.
M.4 Please change the title block as follows:

Final Plat
Utley Addition
Lots 1 & 2, Block A
Two (2) Lot Being
4.49-Acres or 195,661 SF
Situated Within the SR Barnes Survey, Abstract No. 13
City of Rockwall, Rockwall County, Texas

M.5 The location of the development is required to be tied to a Rockwall monument, or tie two (2) corners to state plane coordinates (NAD 83 State Plane Texas, North Central [7202] US Survey Feet).
M.6 Indicate the site location on the vicinity map.
M.7 Indicate a 50-foot minimum front yard building setback.
M.8 Indicate the points for the line segments for the adjust property line (i.e. after dedication).
M.9 Check legal description. I think that the fourth paragraph of the legal description where 442.75 is referenced that it is actually referring to 449.04.
I.10 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested. Revisions for this case will be due on June 30, 2015; however, it is encouraged for applicants to submit revisions as soon as possible to give staff ample time to review the case prior to the June 30, 2015 Planning & Zoning Meeting.
I.11 The projected City Council Meeting date and subsequent approval for this plat is July 6, 2015.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

I the undersigned owner of the land shown on this plat, and designated herein as UTLEY ADDITION, an Addition to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the subdivision have been notified and signed this plat.

I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same.

I also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of th eir respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maint aining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, sto rm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer an d/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as p rogress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I, my successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exaction's made herein.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 07/06/2015

APPLICANT: Caprice Michelle, *Rustic Ranch, LLC*

AGENDA ITEM: **P2015-020**; *Lot 1, Block A, Rockwall Rustic Ranch Addition*

SUMMARY:

Discuss and consider a request by Caprice Michelle of Rockwall Rustic Ranch, LLC for the approval of a replat for Lot 1, Block A, Rockwall Rustic Ranch Addition being a 0.53-acre parcel of land currently identified as Lot B, Block 123, B. F. Boydston Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential Office (RO) District uses, situated within the North Goliad Corridor Overlay (NGC OV) District, addressed as 406 N. Goliad Street, and take any necessary.

PLAT COMMENTS:

- ✓ The objective of this request is to plat a 0.53-acre tract of land for the purpose of finalizing the rehabilitation of 406 N. Goliad Street. On October 6, 2014, the City Council approved *Ordinance No. 14-44* (*SUP-127*) [*Case No. Z2014-026*] allowing for a *Restaurant (Less Than 2,000 SF*) to be established on the subject property. Additionally, Planned Development District 50 (PD-50) allows all uses permitted within a Residential-Office (RO) District. Currently, the applicant has not identified the proposed use for the subject property. A site plan [*Case No. SP2014-016*] for this facility changing the use from residential to commercial as required by Planned Development District 50 (PD-50) was approved by the Planning and Zoning Commission on August 12, 2014.

- ✓ At the Planning and Zoning Commission Work Session meeting held on May 26, 2015 the applicant expressed a desire to request a waiver to the cross access requirements stipulated by Planned Development District 50 (PD-50). Since this meeting, the applicant has withdrawn that request and has submitted a replat demonstrating conformance to all the technical requirements.

- ✓ The surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for replats as stated in the *Subdivision Ordinance* in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ✓ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

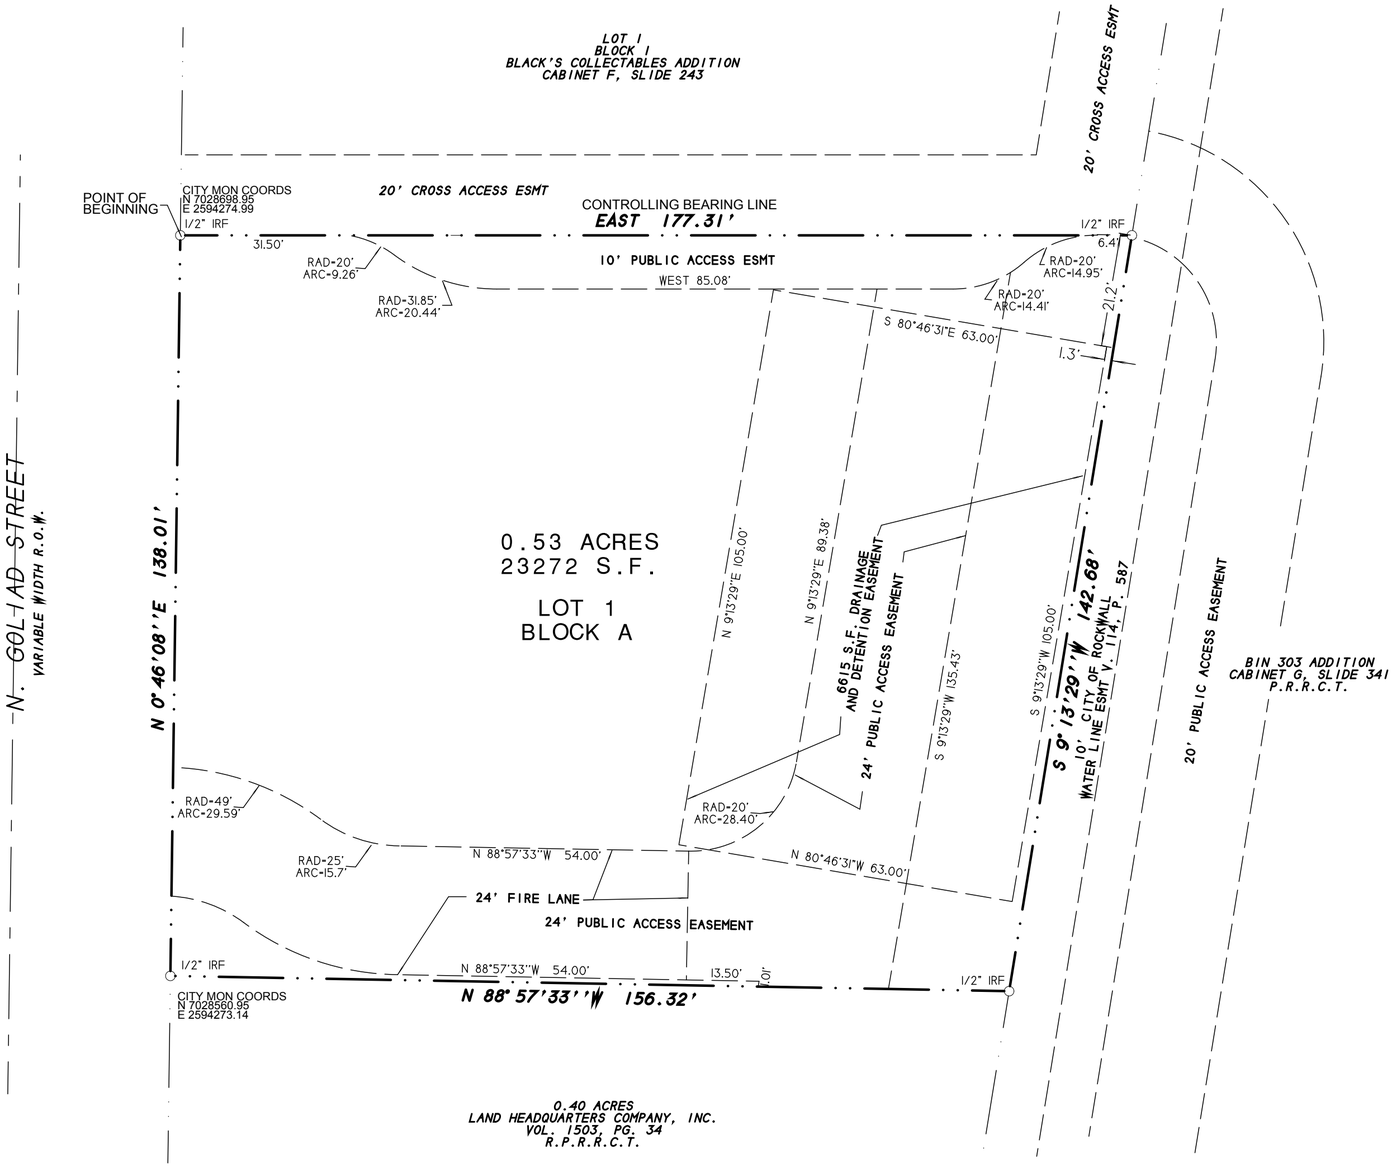
With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

RECOMMENDATIONS:

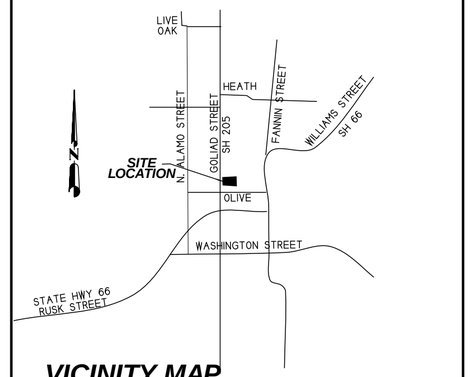
Staff recommends approval of the replat for *Lot 1, Block A, Rockwall Rustic Ranch Addition* in conformance with the following conditions of approval:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;

2) Any construction resulting from the approval of this *replat* shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.



PLANNING AND ZONING COMMISSION:



On June 30, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the replat by a vote of 5-0, with Commissioners Conley and Logan absent.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 07/06/2015

APPLICANT: Jimmy Strohmeyer of Strohmeyer Architects, Inc.

AGENDA ITEM: **P2015-027** (Ridge/Summer Lee Addition – Replat)

SUMMARY:

Discuss and consider a request by Jimmy Strohmeyer of Strohmeyer Architects, Inc. on behalf of Dr. Umar Burney of the North Dallas Rockwall Land Investors, LLC for the approval of a replat for Lot 3, Block A, Ridge/Summer Lee Addition being a replat of 1.6121-acre tract of land identified as Lot 2, Block A, Ridge/Summer Lee Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 9 (PD-9) for General Retail (GR) District land uses, located at the southwest corner of the intersection of Oak Drive and Summer Lee Drive, and take any action necessary.

COMMENTS:

- The objective of the request is to replat a 1.6121-acre tract of land to establish the necessary easements in order to accommodate the development of this site.

- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions listed in the Recommendations section below.

- With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the request for final plat, staff would recommend the following conditions of approval:

A) All the technical comments from the Planning, Engineering and Fire Departments shall be addressed prior to the filing of this plat, including the following comments;

1. Adherence to Engineering and Fire Department standards.
2. Address all staff comments as listed in the Project Plan Review (see attached).

B) Any construction resulting from the approval of this final plat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On June 30, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the replat by a vote of 5-0, with Commissioners Conley and Logan absent.

OWNERS DEDICATION

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS}
COUNTY OF ROCKWALL}

That we the undersigned owner's of the land shown on this plat, and designated herein as the **REPLAT OF THE RIDGE/SUMMER LEE ADDITION, LOT 2, BLOCK A** to the City of Rockwall, Texas, and whose name's are subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. we further certify that all other parties who have a mortgage or lien interest in the REPLAT OF THE **RIDGE/SUMMER LEE ADDITION, LOT 2, BLOCK** A have been notified

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwalls West regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall, or until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; We and our successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exactions made herein.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 07/06/2015

APPLICANT: David Greer, *Bannister Engineering*

AGENDA ITEM: **P2015-028**; *Lot 1, Block A, Hazel and Olive Addition*

SUMMARY:

Discuss and consider a request by David Greer of Bannister Engineering on behalf of Ben McMillian of Ben McMillian Properties, LLC for the approval of a replat for Lot 1, Block A, Hazel and Olive Addition being a 0.421-acre tract of land composed of two (2) parcels of land identified as Block 19A & 19B, Amick Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, addressed as 503 N. Goliad Street [SH-205], and take any action necessary.

PLAT COMMENTS:

- ✓ The objective of this request is to plat a 0.421-acre tract of land for the purpose of constructing a general retail store, photography studio and office building on the subject property at 503 N. Goliad Street. On February 2, 2015, the City Council approved *Ordinance No. 15-03* (*SUP-130*) [*Case No. Z2014-038*] allowing for a *General Retail Store* to be established on the subject property. Additionally, the Planning and Zoning Commission approved a site plan request [*Case No. SP2015-011*] on May 12, 2015.

- ✓ The surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for replats as stated in the *Subdivision Ordinance* in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ✓ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

RECOMMENDATIONS:

Staff recommends approval of the final plat for *Lot 1, Block A, Hazel and Olive Addition* in conformance with the following conditions of approval:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;

2) Any construction resulting from the approval of this *replat* shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On June 30, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the final plat by a vote of 5-0, with Commissioners Conley and Logan absent.

P2015-028 (Lot 1, Block A, Hazel & Olive Addition): Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 This is a request for the approval of a replat for Lot 1, Block A, Hazel and Olive Addition being a 0.421-acre tract of land composed of two (2) parcels of land identified as Block 19A & 19B, Amick Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, and addressed as 503 N. Goliad Street [SH-205].
I.2 For questions or comments concerning this case please contact Ryan Miller in the Planning Department at (972) 772-6441 or email rcmiller@rockwall.com.
M.3 For reference, include the case number (P2015-028) in the lower right hand corner of all pages on future submittals.
M.4 Please change the title block as follows:

Replat
Hazel and Olive Addition
Lot 1, Block A
Being a Replat of
Block 19A & 19B, Amick Addition
0.421-Acres or 18,355 SF
Situated Within the Benjamin F. Boydstun Survey, Abstract No. 14
City of Rockwall, Rockwall County, Texas

M.5 The shape used in the vicinity map does not match the subject property. Please make the necessary corrections.
M.6 Change all references of “Amicks” to “Amick”.
M.7 Remove all building setbacks from the replat.
M.8 The public access easement needs to extend to the property to the north (i.e. Block 20B, Amick Addition) as required by the site plan case (i.e. SP2015-011).
M.9 Move all text impairing the visibility of the boundaries of the easements.
M.10 Indicate the centerline of all adjacent right-of-ways.
M.11 Add the total distance of the line segment in paragraph five (5) of the legal description (i.e. 203.79’).
M.12 Change the signature block from the administrative approval signature block to the standard city signature block.
I.13 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested. The Planning & Zoning meeting date for this case will be June 30, 2015.
I.14 The projected City Council meeting date and subsequent approval for this plat is July 6, 2015.

GENERAL NOTES:

1. It shall be the policy of the City of Rockwall to withhold issuing building permits until all streets, water, sewer and storm drainage systems have been accepted by the City. The approval of a plat by the City does not constitute any representation, assurance or guarantee that any building within such plat shall be approved, authorized or permit therefore issued, nor shall such approval constitute any representation, assurance or guarantee by the City of the adequacy and availability for water for personal use and fire protection within such plat, as required under Ordinance 83 -54.

2. According to surveyor's interpretation of information shown on the National Flood Insurance Program (NFIP) "Flood Insurance Rate Map" (FIRM), Community Panel No. 48397C0040L, dated September 26, 2008.. The property appears to lie within Zone "X" and the entire property lies within a "Areas determined to be outside the 0.2% annual chance floodplain" zone as defined by the U.S. Department of Housing and Urban Development, Federal Insurance Administration, or the Federal Emergency Management Agency.

3. The above referenced "FIRM" map is for use in administering the "NFIP"; it does not necessarily show all areas subject to flooding, particularly from local sources of small size, which could be flooded by severe, concentrated rainfall coupled with inadequate local drainage systems. There may be other streams, creeks, low areas, drainage systems or other surface or subsurface conditions existing on or near the subject property which are not studied or addressed as a part of the "NFIP".

4. All iron rods set (IRS) are 5/8-inch with a plastic cap stamped "RPLS 4838".

5. All coordinates and bearings shown herein are Texas State Plane Coordinate System, NAD83 (2011), Texas North Central Zone (4202). All distances shown herein are surface distances.

6. SOURCE BENCHMARK: City of Rockwall monument No. Reset R005-1, Concrete monument with a brass cap Stamped "Reset R005-1" found in the median of Summit Ridge Drive at the intersection of Summit Ridge Drive and F.M. Highway No. 740

STATE OF TEXAS
COUNTY OF ROCKWALL

WHEREAS DATAR CORPORATION, BEING THE OWNER OF A TRACT OF land in the County of Rockwall, State of Texas, said tract being described as follows:

BEING 0.421 acre or (18,355 square feet) of land in the Benjamin F. Boydstun Survey, Abstract No. 14, City of Rockwall, Rockwall County, Texas; said 0.421 acre or (18,355 square feet) of land being a portion of that certain tract of land known as Block 19A (East) and Block 19B, AMICK SUBDIVISION (Unrecorded subdivision), (hereinafter referred to as Block 19A (East) and/or Block 19B); said 0.421 acre or (18,355 square feet) of land being all of that certain tract of land described in a General Warranty Deed to Datar Corporation, as recorded in Volume 6379, Page 17, Deed Records, Rockwall County, Texas (D.R.R.C.T.); and all of that certain tract of land described in a General Warranty Deed to Datar Corporation (collectively hereinafter referred to as Datar tract), as recorded in Volume 6379, Page 13, D.R.R.C.T.; said 0.421 acre or (18,355 square feet) of land being more particularly described, by metes and bounds, as follows:

BEGINNING at a five-eighths inch iron rod with plastic cap stamped "RPLS 4838" set for the Northeast corner of said Datar tract, same being the Southeast corner of that certain tract of land described in a Correction Warranty Deed to Stained Glass Creations, Inc. (hereinafter referred to as Stained Glass Creations tract), as recorded in Volume 4754, Page 130, D.R.R.C.T., same also being the existing West right-of-way line of North Goliad Street, also known as State Highway 205, (Variable width right-of-way), as recorded in Volume 4669, Page 16, D.R.R.C.T.;

THENCE South 00 degrees 20 minutes 39 seconds West with the common line between said Datar tract and the existing West right-of-way line of said North Goliad Street, passing at a distance of 78.93 feet, the common line between said Block 19A (East) and said Block 19B and continue with said course for a total distance of 130.59 feet to a five-eighths inch iron rod with plastic cap stamped "RPLS 4838" set for the Southeast corner of said Datar tract, same being the North line of that certain tract of land described in a deed to the State of Texas (hereinafter referred to as State of Texas tract), as recorded in Volume 4702, Page 8, D.R.R.C.T.;

THENCE North 89 degrees 29 minutes 36 seconds West, departing the existing West right-of-way line of said North Goliad Street and with the common line between said Datar tract and the North line of said State of Texas tract, passing at a distance of 121.40 feet, a Texas Department of Transportation concrete monument (TXDOT) found for the Northwest corner of said State of Texas tract, same ostensibly being the Northeast corner of that certain tract of land described in a deed to Aracelia Tamez and Silveno Tamez, as recorded in Volume 327, Page 145, D.R.R.C.T. (hereafter referred to as Tamez tract) and continuing with said course and the common line between said Datar tract and said Tamez tract to a five-eighths inch iron rod with plastic cap stamped "RPLS 4838" set for the Southwest corner of said Datar tract, same ostensibly being the Northwest corner of said Tamez tract, same also being the existing East right-of-way line of North Alamo Street (a variable width right-of-way);

THENCE North 00 degrees 20 minutes 39 seconds East with the common line between said Datar tract and the existing East right-of-way line of said North Alamo Street, a distance of 48.38 feet to a five-eighths inch iron rod with plastic cap stamped "RPLS 4838" set for the Westerly Northwest corner of said Datar tract, same being the Southwest corner of that certain tract of land described in a General Warranty Deed to Larry Sarratt, (hereinafter referred to as Sarratt tract), as recorded in Volume 5187, Page 201, D.R.R.C.T., from which an 1" Axle found bears South 86 degrees 48 minutes 58 seconds West, a distance of 0.50 feet;

THENCE North 86 degrees 48 minutes 58 seconds East, departing the existing East right-of-way line of said North Alamo Street and with the common line between said Datar tract and said Sarratt tract, a distance of 73.10 to a five-eighths inch iron rod with plastic cap stamped "RPLS 4838" set for an angle point in the South line of said Sarratt tract;

THENCE South 88 degrees 56 minutes 56 seconds East continuing with the common line between said Datar tract and said Sarratt tract, a distance of 30.19 feet to a one-half inch iron rod with plastic cap stamped "RPLS 4888" found for the Southeast corner of said Sarratt tract, same being an inner-ell corner of said Datar tract;

THENCE North 00 degrees 05 minutes 55 seconds West, continuing with the common line between said Datar tract and said Sarratt tract, a distance of 75.60 feet to a five-eighths inch iron rod with plastic cap stamped "RPLS 4838" set for the Northerly Northwest corner of said Datar tract, same being the Northeast corner of said Sarratt tract, same also being the South line of the aforesaid Stained Glass Creations tract;

THENCE North 89 degrees 15 minutes 42 seconds East with the common line between said Datar tract and said Stained Glass Creations, Inc tract, a distance of 101.25 feet to the PLACE OF BEGINNING, and containing a calculated area of 0.421 acre or (18,355 square feet) of land.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

We the undersigned owner of the land shown on this plat, and designated herein as the HAZEL AND OLIVE ADDITION, an addition to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in the HAZEL AND OLIVE ADDITION have been notified and signed this plat. We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; We, our successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exactions made herein.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **July 1, 2015**

SUBJECT: **HARBOR BOAT DOCK STORM DAMAGE**

The boat docks at The Harbor sustained significant structural damage as a result of storms the week of May 18th and again the week of June 21st. Winds were reported to have reached 40 – 50 mph for several hours. Another storm hit shortly afterwards that had winds reported above 60 mph.

Staff immediately contacted Bellingham Marine, the original manufacturer and installer of the boat dock system. They sent a representative out to assess the damage and provide cost estimates for repairs. The repair costs are estimated to be approximately $195,955.00 at this time. Funds for the repair would be covered by insurance, less a $2,500 deductible. Contingent on Council approval, Bellingham Marine would begin manufacturing the floats and necessary parts to make the repairs and begin work within four to six weeks. Bellingham Marine estimates that it will take about two to three weeks to complete the work once on site, contingent on weather.

Approximately $55,000 of the insurance funds have been received. Staff requests that Council consider authorizing the City Manager to enter into an agreement with Bellingham Marine to complete the Harbor boat dock repairs, establishing a $10,000 contingency for any potential hidden damages.

Initials _____ / _____
Owner BMI

Prices are contingent upon receipt of all plans, specifications, data and/or other reports issued pertaining to the project.

The Owner and the Contractor agree as follows:

1. The following services are included in this Agreement:

   1.1 **Attenuator Dock Repairs –** The repair materials include the following:
   - 6 each 11' x 10' Concrete Float Modules (Main Walkways Floats)
   - 5 each 3' x 23' Concrete Float Modules (25' Finger Piers)
   - 1,460' – 3" x 17 5/8" Glulam Walers
   - 700' – 2" x 8" Cover Board
   - 700' – 2" x 12" Cover Board
   - 7 each 3' finger end pile guide frames
   - 100 each 12'-2½" Thru-rods
   - 100 each 3'-6½" Thru-rods
   - 14 each 14" HDG Mooring Cleats
   - Misc Hardware & Roller Assemblies
   - Vinyl Fendring – Grey – 1,100'

   1.2 **Interior Dock Repairs –** The repair materials include the following:
   - 40 each 8'-0½" Thru-rods
   - 80' – 3" x 10" Walers
   - 40' – 2" x 10" Cover Boards
   - Vinyl Fendering - Grey

   1.3 **Repair Labor** – includes a 3 man crew for 2 weeks.

   1.4 **Freight to the Jobsite.**

2. Services and items not specifically included in Section 1 above are **specifically excluded from this Agreement. Excluded** items include, but are not limited to, the following:

   2.1 Sales or Use Taxes.
   2.2 Disposal or removal from the site of the damaged concrete float modules.
   2.3 Maintenance or repairs to fire systems, electrical systems, potable water systems or other utility systems.
   2.4 Any dock hardware (except as listed), major structural repairs (except as listed), patching, deck treatment, supplemental floatation, gangways, gates, or piers.
   2.5 Building Permits.
   2.6 Bonds.
   2.7 Signed or Sealed Drawings or Calculations.

3. **Schedule.** The Contractor shall begin the maintenance work on or about (a date to be determined).

Initials _____ / _____
Owner *BMI*

4. **Fees.** The fee for the replacement work set forth by this contract is **$195,955.00** (One Hundred Ninety Five Thousand Nine Hundred Ninety Five Dollars). Maintenance services performed and Maintenance materials supplied outside the scope of Article 1 herein may only be performed and supplied, respectively, by mutual written agreement. Maintenance services excluded from this Agreement will be billed at the rate of $150.00 per man hour. Maintenance materials will be billed at cost plus 20%.

5. **Payment.** 50% Deposit with the balance due upon completion. Payment shall be due net cash ten (10) days from receipt of invoice. Method of payment to be approved by Contractor's credit department prior to commencement of services. Interest will be charged on past due accounts at 12% per annum, or at the highest non-usurious commercial rate allowable by state law or provided by state statute, whichever is less. If Contractor is required to employ an attorney to collect any amount due as a result of the default of Owner, the Owner shall pay all costs of collection, including reasonable attorney's fees and court costs.

6. **Materials Supplied.** All parts, components, and supplies supplied hereunder to maintain the facility shall be furnished by Contractor on an exchange basis, and the removed parts and/or components shall become the property of Contractor upon removal. Any parts, components, equipment, or supplies supplied by Contractor hereunder may, at Contractor's option, be either new or reconditioned, but in any case, they shall meet or exceed the specifications for the replaced part, component, equipment, or supply.

7. **Warranty.** Contractor warrants to Owner that all services will be performed in a good, workmanlike manner and that repaired or replaced parts or components will be free from defects in material and workmanship until the termination of this Agreement or one (1) year from the date of the service, whichever occurs first. Contractor's sole obligation under this warranty shall be to repair any item in the Facility which is covered by this warranty that is repairable, or, at its option, to refurbish, overhaul, rebuild, replace, or issue a credit or refund for any item in the Facility which is covered by this warranty that has been reported to Contractor as defective in material or workmanship by Owner and which has been determined by Contractor to be defective, provided that the Owner has complied with all of the terms and conditions of this Agreement. Failure of the Owner to promptly notify Contractor of a defect or malfunction will void the warranty, as will product misuse or neglect, use that is not considered "normal" under this Agreement, or if any other terms or conditions of this Agreement are violated. THE ABOVE IS A LIMITED WARRANTY AND IT IS THE ONLY WARRANTY MADE BY CONTRACTOR. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY: (A) IMPLIED WARRANTY OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE; OR (B) IMPLIED WARRANTY OR CONDITION ARISING FROM COURSE OF PERFORMANCE, COURSE OF DEALING, OR USAGE OF TRADE. UNDER NO CIRCUMSTANCES SHALL CONTRACTOR HAVE ANY LIABILITY FOR CONSEQUENTIAL, EXEMPLARY, OR INCIDENTAL DAMAGES, OR FOR LOSS OF PROFITS OR ANY SIMILAR DAMAGES, EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. CONTRACTOR SHALL NOT BE LIABLE FOR ANY DAMAGE CAUSED BY A DELAY IN FURNISHING OF MAINTENANCE OR INSPECTION SERVICES UNDER THIS AGREEMENT. Owner specifically acknowledges and agrees that Contractor's obligations hereunder are strictly that of a provider of services, and not as a vendor of goods or as a merchant.

Initials _____ / _____
Owner *BMI*

8. **Limitation of Liability and Hold Harmless:** Unless otherwise expressly stated, these Services do not include testing or inspection intended to discover or analyze soil or water conditions, hazardous materials, electrical or mechanical systems, sewage disposal or water systems, or the suitability of the design and construction of the marina to withstand fire, flood, windstorm and wave action or other casualty, and we disclaim any responsibility to advise you of any conditions related thereto. Services performed hereunder do not constitute a warranty or guarantee concerning any condition, and BMI's fee for services has been determined accordingly. If Owner or any third party claims that BMI is liable for negligent performance of Services hereunder or for any other reason Owner claims that BMI has not fully satisfied its obligations under this Agreement, it is expressly agreed that BMI's liability to Owner is exclusively limited to the Fee paid under this Agreement. The Services performed hereunder are not intended to be performed for the benefit or use of any party other than the Owner, and Owner agrees to indemnify and hold Contractor harmless from any claim made by any third party relating in any way to the Service provided hereunder.

9. **Modifications or Damage to the Facility.** Owner shall be responsible for use, care, and cleaning of the Facility in accordance with instructions provided. All risk of loss or damage to the Facility, except that caused by the negligence of Contractor, shall be the responsibility of Owner at all times. If the Facility is changed, modified, altered, or damaged in any respect by any party other than as a result of Contractor's negligence during the term of this Agreement, then, at the option of Contractor, this Agreement shall be terminated. Absent such termination, Contractor shall give Owner written notice of the change, modification, alteration, or damage, and Owner shall promptly correct the change, modification, alternation, or damage, or adjust the price payable hereunder to cover any increased costs to Contractor.

10. **Access.** During the term of this Agreement, Owner will allow access to all of the Facility and to all devices which are part of or associated with the Facility. Contractor will use its best efforts to coordinate annual inspection visits with Owner to minimize operational interruptions. In the event Contractor is denied or prevented from gaining access to the Facility, Contractor's obligations under this Agreement shall be suspended until the act, omission, or condition affecting access is remedied. If Contractor is denied or prevented from gaining access to the Facility as a result of an act or omission of Owner, Contractor shall be entitled to be paid for any visit which it is required to make as a result of such denial or prevention at its then standard rate for labor, material, and travel.

11. **Assessment and Adjustments.** Owner agrees to assume full responsibility for any present or future taxes or any other government charges now or hereafter imposed by existing or future laws in connection with the transfer, use, ownership, or possession of any of the Facility.

12. **Additional Devices.** Owner agrees not to employ additional attachments, features, or devices to the Facility, make alterations to the Facility, or permit the maintenance of the Facility by other than Contractor's personnel without the written consent of Contractor. Contractor shall not be liable for loss or damage to Owner resulting from unauthorized additional attachments and Owner shall be liable to Contractor for any repair or damage costs incurred by Contractor as a result of the addition of unauthorized attachments. In addition, the warranty contained herein shall be null and void and of no force and effect if any provision of this paragraph is violated.

Initials _____ / _____
Owner *BMI*

13. **Arbitration.** All controversies, disputes, or claims of whatever nature arising out of, in connection with, or in relation to the interpretation, from performance or breach of this Agreement, including any claim based on contract, tort, or statute, shall be resolved, at the request of either BMI or Owner, by final and binding arbitration administered by and in accordance with the then existing Construction Industry Rules of the American Arbitration Association, and judgment upon any award rendered by the Arbitrator(s) may be entered by any state or federal court having jurisdiction thereof. The arbitrator shall determine which is the prevailing party and shall include in the award that party's reasonable attorney's fees and costs.

14. **Agreement.** This Agreement represents the entire agreement between the parties hereto and supersedes prior negotiations, representations, or agreements, either written or oral.

This Agreement entered into as of the day and year first contract is executed between both parties.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **July 1, 2015**

SUBJECT: **RECREATION PROGRAM AND FACILITY SOFTWARE UPGRADE**

At the June 15th meeting, City Council heard a presentation from Park Board Chairman Brad Bassett during a joint work session meeting to hear recommendations regarding the Parks and Recreation Business Plan strategic initiatives. 15 initiatives were presented. Council unanimously approved moving forward with all 15 items presented.

During the public awareness campaign portion of the presentation, Mr. Bassett requested consideration of moving forward with a budget amendment to purchase recreation program and facility reservation software to upgrade the current software. Support for our current software is being phased out in 2016. Council voted unanimously to move forward with the budget amendment for the purchase of the software.

The cost is $18,764.62 for the service agreement. The agreement covers the services necessary for data base setup, staff training and testing prior to launch. There are no annual maintenance fees due to the fact that the system is entirely hosted off-site and is accessible through any web browser. Once the system is up and running a “per transaction fee” not to exceed 5% is included with each registration or reservation. This fee covers the credit card processing fees and access to the browser based software. This fee will be incorporated into an updated pricing for each program offered. The initial agreement is for three years, with automatic annual renewals.

Available funds will come from the recreation development fund. This account is funded by program registration fees collected from program participants.

Implementation of the new system will take approximately 14 to 16 weeks. Our goal is to be prepared to advertise to residents and implement the ability to register for programs and reserve facilities online by February of 2016. This is the time of year that our spring and summer programs, events and facilities are released in the Fun Guide brochure.

Service Agreement
Contract # 65365

This Service Agreement ("Agreement") is made effective as of July 7, 2015 (the "Effective Date") and entered into between Active Network, LLC ("Active" or "we" or "us") and the City of Rockwall ("you" or "your" or "Client"). The parties agree as follows:

1. Services. Active will provide services and support ("Services") related to events, camps, licenses, classes, tickets, contests, permits, facility/equipment use, transactions, sales, memberships, reservations, donations, and/or activities (together, "Events"), including without limitation access to its software as a solution product ("Software"). The features, services, options, and fees may be described more fully on web pages describing the Software and Services, and/or in an applicable schedule, quote, pricing form, order form, or similar document (each, a "Schedule"). From time to time, the parties may enter into new Schedules. Each Schedule will be generated by Active, reference this Agreement or the Contract Number above (if applicable), must be signed by Client, and will be governed by and incorporated into this Agreement. You agree to cooperate with us and to provide us with certain information relating to your organization as necessary for us to provide the Software and Services. Software provided under this Agreement is deemed delivered when access is made available to you.

2. License to Intellectual Property/Promotion. a) Active retains all right, title, and interest in and to its Software and Services and any underlying software subject to the limited license in this Agreement.

b) Active hereby grants to you a limited, non-exclusive, non-transferable, non-sublicensable license during the term of this Agreement (i) to use the Software and Services for the purposes of offering, promoting, managing, tracking, and collecting fees in connection with your Event(s) solely in accordance with the Schedule and this Agreement, and (ii) to display, reproduce, distribute, and transmit in digital form Active's name and logo solely for the purposes set forth in this Section 2. You hereby grant to Active a limited license to use information provided by you relating to your organization and Event, which may include content regarding the Event, your organization's name, trademarks, service marks, and logo, solely in connection with the promotion of your organization or Events and the Services that we provide. All rights not expressly granted herein are reserved.

c) You will make reasonable efforts to promote and encourage the use and availability of the Software in connection with the promotion of Events. You will include Active's name and logo in newsletters, printed registration forms or mailings provided by you to prospective participants (e.g., by inserting the following statement in any online or print media related to your Event: "Online Registration by Active.com"). During the term of this Agreement, Active will be the sole and exclusive provider of registration software and other services similar to the Software and Services provided to Client hereunder for all of Client's Events for which registration begins during the term of this Agreement. Client expressly understands and agrees that the exclusivity set forth in this Section is consideration in exchange for the pricing and other benefits being provided to Client hereunder. In the event that Client breaches its exclusivity obligations under this Section, Client agrees to pay the Liquidated Damage Amount (as defined below) related to the breach of exclusivity.

d) You agree to receive notifications regarding free product, promotional items, and giveaways at your Event(s) or facility(ies), but you may opt not to receive the items. Users who register for, sign up, or otherwise use the Services in connection with Events ("End Users") may opt-in to receive information, items, or promotions/deals from Active or other third parties, in which case, Active or such third party will be responsible for fulfillment and for providing customer service for any such offers.

e) Client shall: (i) not reverse engineer, disassemble, modify, incorporate into or with other software, or decompile any Software or prepare derivative works thereof; (ii) not copy, modify, transfer, display, or use any portion of the Software or Services except as expressly authorized in this Agreement or in the applicable documentation; (iii) not contest or do or aid others in contesting or doing anything which impairs the validity of any proprietary or intellectual property rights, title, or interest of Active in and to any Software or Services; (iv) not use the Software to transmit, publish, or distribute any material or information: (1) for which Client does not have all necessary rights and licenses, including any material or information that infringes, violates, or misappropriates the intellectual property rights of any third party; (2) that contains a computer virus or other code, files, or programs designed to disrupt or interfere with the functioning of the Software; (3) that is inaccurate or misleading; or (4) that is or that may reasonably be perceived as being harmful, threatening, offensive, obscene, or otherwise objectionable; (v) not attempt to gain access to any systems or networks that connect thereto except for the express purpose of using the Software for their intended use; (vi) not rent, lease, sublicense, resell, or provide access to the Software on a time-share or service bureau basis; (vii) not engage in any activity that interferes with or disrupts the Software or Services; (vii) not obliterate, alter, or remove any proprietary or intellectual property notices from the Software or Services; (ix) use the Software and Services exclusively for authorized and legal purposes, consistent with all applicable laws, regulations, and the rights of others; (x) not take any steps to avoid or defeat the purpose of security measures associated with the Software and Service, such as sharing of login and password information, or attempt to circumvent any use restrictions.

f) The Software may include encryption software or other encryption technologies that may be controlled for import, export, or purposes under the laws and regulations of the countries and/or territories in which the Software and Services are used ("Applicable Law"). Client may not export, re-export, or assist or facilitate in any manner the export or re-export of, any portion of the Software, as determined by Applicable Law under which Client operates: (i) to any country on Canada's Area Control List; (ii) to any country subject to UN Security Council embargo or action; (iii) contrary to Canada's Export Control List Item 5505; (iv) to countries subject to U.S. economic sanctions and embargoes; and (v) to persons or entities prohibited from receiving U.S. exports or U.S.-origin items, including, to any person or entity appearing on the Office of Foreign Assets Control's Specially Designated Nationals and Blocked Persons List or the Bureau of Industry and Security's Denied Persons List. Client hereby represents and covenants that: (a) to the best of Client's knowledge, Client is eligible to access the Software under Applicable Law; (b) Client will import, export, or re-export the Software to, or use or access the Software in, any country or territory only in accordance with Applicable Law; and (c) Client will ensure that End Users use the Software in accordance with the foregoing restrictions.

3. Information Collection. Active collects certain information from End Users. You may login to our data management system to access End User information relevant to an Event. You are responsible for the security of your login information and for the use or misuse of such information. You will immediately disable a user's access who is using the Software or Services on your behalf or notify Active in writing if any such user is no longer authorized or is using such information without your consent. Active may rely, without independent verification, on such notice, and Client, inclusive of Client's parent, subsidiary and affiliated entities, as applicable, and each of their respective officers, directors, managers, shareholders, owners, agents, employees, contractors, and representatives covenant not to sue and agree to defend, indemnify, and hold harmless Active from any claims arising from Active providing, denying, suspending, or modifying access to or use of the Software and Services of any individual as directed by Client or by someone who Active reasonably, under the circumstances, believes is authorized to act on behalf of Client. In the event of any dispute between two or more parties as to account ownership, you agree that Active will be the sole arbiter of such dispute in its sole discretion and that Active's decision (which may include termination or suspension of any account subject to dispute) will be final and binding on all parties. You agree not to use the Software or Services to collect or elicit (a) any special categories of data (as defined in the European Union Data Protection Directive, as may be amended from time to time), including, but not limited to, data revealing racial or ethnic origin, political opinions, or religious or other beliefs, trade-union membership, as well as personal data concerning health or sexual life or criminal convictions other than as expressly directed by Active, and in such event, only in pre-defined fields within the Software that are intended for that purpose; or (b) credit card information other than in pre-defined fields within the Software that are intended for that purpose. Both parties agree to use the collected information in compliance with (i) all applicable laws, rules and regulations, including, without limitation, those governing privacy (e.g., by including an appropriate CAN-SPAM opt out mechanism in email communications)

and the use of credit card data (e.g., using credit card information only for purposes authorized by the cardholder); (ii) applicable credit card network rules and Payment Card Industry Data Security Standards; and (iii) Active's privacy policy, as published on its website or otherwise provided by Active from time to time.

4. Fees. a) Client will pay the fees as more fully described in the applicable Schedule. Unless otherwise set forth on the applicable Schedule, Active will charge registration fees to individuals who register for the Events online, and will process and collect such fees as a merchant of record according to the card networks. On a bi-weekly basis, unless otherwise set forth in the applicable Schedule, Active will pay you sums due you based on the total fees collected, net of Active's service fees as set forth in the applicable Schedule and any other deductions provided herein. The applicable currency will be set forth on the Schedule.

b) Active may suspend its performance hereunder, including remitting payments, or terminate this Agreement in the event it reasonably believes that your use of the Software or Services is not in compliance with applicable law or this Agreement, is fraudulent, or is otherwise suspect, or if there is a dispute as to the legal authority of a Customer-associated party to perform hereunder. If Active reasonably believes that a transaction may be fraudulent or otherwise contrary to law, Active may issue an invoice or offset an equivalent amount from your account or any payment Active owes to you and return the value to the End User (as set forth below) and if sufficient funds are not available, you must reimburse Active on demand. Active will notify you of the reason for such offset provided that it is lawful to do so.

c) Any minimum volume commitment will be set forth in the applicable Schedule. The minimum volume calculation will begin on the date of the first live operational use of the Software for the Event(s) ("Go-Live Date"). If the Schedule indicates that you are paying on a subscription basis, you will be invoiced for the first year of subscription fees upon the Go-Live Date, with subsequent annual subscription fees being invoiced upon each anniversary of Go-Live Date.

d) If (i) you fail to meet an agreed upon minimum volume commitment as set forth in a Schedule; (ii) there are any overdue amounts owed by you; or (iii) there are returned charges or items, including those resulting from any error or complaint related to an Event, Active has the right to charge fees owed to Active by you by issuing an invoice, or by offsetting the deficiency from any account balance you maintain with Active or any payment Active owes you.

e) All amounts owed by you that are not directly collected by Active from End Users are due from you within thirty (30) days from either (i) the end of the remittance cycle during which the fees accrued (if related to registrations) or (ii) the date of the applicable invoice. These fees are displayed on your account statement. Past due fees shall accrue interest at the lesser of the annual rate of ten percent (10%) per annum or the maximum amount permitted by applicable law. In the event of delay in paying a fee, you agree to reimburse Active for any fees incurred in its collection efforts. Active may suspend or deactivate your account, including suspending its performance and obligation to remit payments hereunder, if your account is more than thirty (30) days past due.

f) Active may modify the fees once per calendar year, provided that any increase will not exceed twelve and a half percent (12.5%) over the then-current fees.

g) You are solely responsible for, and will pay, any and all use, excise, sales or privilege taxes, duties, value added taxes, fees, assessments, or similar liabilities, chargeable by a governmental authority (collectively, "Taxes") as a result of any Software or Service provided under this Agreement. Taxes on Active's net income are excluded. h) All fees described in the applicable Schedule are in consideration of the Software and Services that Active provides. Active and Client acknowledge that certain credit card network rules and laws prohibit imposing a surcharge that is based on the type of payment method used (e.g., having a different fee for the use of a credit card vs. debit card), and therefore, each agrees not to impose such a surcharge on any end user.

i) In the event you are entering into this Agreement and using the Services for the benefit of a third-party Event or organization ("Third Party Beneficiary"), you agree that we may remit amounts directly to the Third Party Beneficiary identified by you. In addition, you agree to include provisions in your agreement with such Third Party Beneficiary that are at least as protective of Active as Sections 5 and 6 herein. Should you fail to include such provisions in your contract with the Third Party Beneficiary and the failure results in costs or damages to Active, you agree to defend, indemnify, and hold Active harmless from any such costs and damages, including, without limitation, reasonable attorneys' fees. In addition, you agree to be responsible and liable for each Third Party Beneficiary's compliance with the terms and conditions of this Agreement.

j) It is your responsibility to notify End Users of your refund policy. You must ensure that your refund policies are consistent with this Agreement. You agree that all fees for a given Event are earned by you only following either the conclusion or delivery of the applicable Event (as applicable) and all amounts ultimately due to you will be net of all service fees, reversals, refunds, disputed charges, chargebacks and other deductions, whether due to customer complaints, allegations of fraud, discrepancies related to the applicable Event or otherwise. No payments shall be made to you with respect to any Event that is cancelled. If payments have already been made by Active to you for a cancelled Event or if Active reasonably determines that it is prudent or otherwise necessary to pay a refund to or honor a chargeback request from an End User, Active may issue an invoice or offset an equivalent amount from your account or payment owed by Active to you and return the value to the End User, and if sufficient funds are not available, you must reimburse Active on demand. Active will notify you of the reason for such offset provided that it is lawful to do so.

5. Disclaimer of Warranty/Limitation of Liability. **ACTIVE EXPRESSLY DISCLAIMS ANY WARRANTY THAT THE USE OF THE SOFTWARE OR SERVICES WILL BE UNINTERRUPTED OR ERROR FREE OR THAT THE SOFTWARE OR SERVICES WILL MEET YOUR REQUIREMENTS. SOFTWARE AND SERVICES ARE PROVIDED TO YOU ON AN "AS-IS" BASIS WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. ACTIVE SHALL NOT BE LIABLE FOR INDIRECT DAMAGES OR LOSSES (IN CONTRACT, TORT, OR OTHERWISE), INCLUDING BUT NOT LIMITED TO DAMAGES FOR LOST PROFITS, LOST SAVINGS, COST OF REPLACEMENT SERVICES, LOST DATA, LOSS OF USE OF INFORMATION OR SERVICES, OR ANY INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, PUNITIVE, OR SPECIAL DAMAGES. ACTIVE'S TOTAL AGGREGATE LIABILITY FOR ALL MATTERS ARISING FROM OR RELATED TO THIS AGREEMENT IS LIMITED TO THE AMOUNT OF FEES ACTUALLY PAID BY YOU AS CONSIDERATION FOR THE SOFTWARE AND SERVICES GIVING RISE TO SUCH CLAIMS DURING THE TWELVE (12) MONTH PERIOD PRECEDING THE DATE ON WHICH THE FIRST CAUSE OF ACTION AROSE.**

6. Indemnification. a) Active shall defend, settle, and pay damages (including reasonable attorneys' fees) ("Damages") relating to any third party claim, demand, cause of action or proceedings (whether threatened, asserted, or filed) ("Claims") against Client to the extent that such Claim is based upon Active's proprietary Software infringing a United States patent, registered copyright, or registered trademark provided that the Software is used in accordance with this Agreement.

b) You shall defend, settle, and pay Damages relating to Claims to the extent based on (i) injury or death to a person or damage to property resulting from the participation in an Event operated by you in connection with the Software and/or Services; (ii) your provision of materials, products, or services as part of your obligations hereunder that infringe the intellectual property rights of any third party provided that such materials, products, or services are used by Active in accordance with this Agreement; (iii) your use of the Software and/or Services in violation of Section 2(e); (iv) any claims for refunds, reversals, or chargeback requests from End Users; and/or (iv) brought by a Third Party Beneficiary or brought in connection with Active's payment to a Third Party Beneficiary of any fees due hereunder in accordance with this Agreement. For the purposes of Sections 5 and 6, reference to Active shall also include its suppliers and licensors.

7. Term and Termination. The term of this Agreement shall be for three (3) years from the Effective Date with automatic renewals for three (3) year terms thereafter, unless either party gives written notice to the other party to terminate this Agreement no less than twelve (12) months prior to the expiration of the then-current term. Either party may terminate this Agreement: (a) upon a material breach by the other party, if such breach is not cured within thirty (30) days following written notice to the breaching party; or (b) where the other party becomes unable to fulfill its payment obligations generally or is subject to a filed bankruptcy petition or formal insolvency proceeding that is not dismissed within thirty (30) days. Notwithstanding the termination or expiration of this Agreement under any circumstance other than in the event of Active's breach of the Agreement, the parties agree that Active will continue to be the exclusive provider of registration software and other services similar to the Software and Services provided to Client hereunder for all of Client's Events for which registration begins during the term of this Agreement until the Event occurs or registration or similar services are no longer needed.

8. Assignment. a) Active may assign any of its rights or obligations under this Agreement. Client may not resell, assign, or transfer any of its rights or obligations hereunder except as expressly provided herein, and any attempt to resell, assign, or transfer such rights or obligations without Active's prior written approval will be null and void.
b) Except for Retained Assets (as defined below), Client shall cause each Schedule hereunder to be assigned to (i) the purchaser of all or substantially all of Client's assets or equity securities or (ii) to any successor by way of merger, consolidation, or other corporate reorganization of Client ((i) and (ii) together, a "Change of Control").
c) In addition, if Client seeks to sell, assign or otherwise transfer any Events which are the underlying subject matter of any Schedule (the "Subject Assets") regardless of whether such sale, assignment or transfer constitutes a Change of Control (any such transaction, a "Transfer"), Client shall cause the portion of the applicable Schedule relating to such Event(s) to be assigned to the purchaser or assignee of the Subject Assets (i.e. Client shall require the purchaser to assume Client's obligations under the applicable Schedule and this Agreement relating to such Event); provided however, in the event Client seeks to consummate a Transfer or enters into a Change of Control, but Client retains assets (i.e. Events) which are the underlying subject matter of a Schedule ("Retained Assets"), Client shall cause the applicable portion of the Schedule relating to the Subject Assets to be assigned to the purchaser or assignee of the Subject Assets, and Client shall retain its obligations under this Agreement and the Schedule(s) relating to the Retained Assets. Client shall be responsible for any and all costs incurred by it in connection with any such assignment. In the event that Client fails to cause an assignment as specified above, to the extent that there is a line item in the Schedule(s) entitled "Projected Contract Value," Client agrees to pay the amount of the Projected Contract Value related to such failed assignment as liquidated damages to Active, minus the amount of revenue already paid to Active net of all refunds, credit card chargebacks, and all other deducted amounts (the "Liquidated Damage Amount").
d) In the event that Client plans to enter into a Change of Control or otherwise consummate a Transfer, Client agrees to provide prior written notice to Active of the contemplated transaction. Within the thirty (30) day period following such transaction, Active shall have the right to immediately terminate each applicable Schedule if Active determines, in its reasonable good faith discretion that the purchaser or assignee of the Subject Assets is a competitor of Active or a party with whom Active does not want to do business. In the event of such termination by Active, Client will pay the Liquidated Damage Amount.
e) Client agrees (i) to require that the assignee (as outlined in this Section 8) agree, in writing, to be bound by the terms and conditions of the Agreement and each applicable Schedule; (ii) that Active may offset any Liquidated Damages Amount set forth in this Agreement from any account balance you maintain with Active or any payment Active owes you; (iii) all Liquidated Damage Amounts set forth in this Agreement will automatically reset during each renewal term; and (iv) because of the difficulty in making a precise determination of actual damages incurred by Active in the event that Client breaches its exclusivity obligations in Section 2(c), fails to cause an assignment pursuant to Section 8(c), or if Active terminates this Agreement pursuant to Section 8(d), the Liquidated Damage Amount will be assessed, not as a penalty, but as a reasonable approximation of costs incurred by Active and Active's loss of revenue; and (iv) that in any suit or other action or proceeding involving the assessment or recovery of liquidated damages, the reasonableness of the Liquidated Damage Amount shall be presumed and the liquidated damages assessed will be in addition to every other remedy now or hereinafter enforceable at law, in equity, by statute, or under the Agreement.
9. Miscellaneous. a) Any notices required to be given under this Agreement shall be in writing sent to the address set forth below for Client or, in the case of Active, to the address set forth above to the attention of Chief Legal Officer. Notices will be deemed received the next day if sent via overnight mail or courier with confirmation of receipt, or three (3) days after deposited in the mail sent certified or registered.
b) This Agreement shall be governed by the laws of the State of Delaware, without giving effect to the conflict of laws provisions thereof. Neither the United Nations Convention of Contracts for the International Sale of Goods nor the Uniform Computer Information Transactions Act shall apply to this Agreement. The parties irrevocably agree that any legal action or proceeding relating to this Agreement shall be instituted only in any state or federal court in Delaware.
c) This Agreement contains the entire understanding of the parties regarding the subject matter hereof and can only be modified or amended by a subsequent written agreement executed by both parties. This Agreement supersedes and replaces all oral or written RFPs, proposals, prior agreements, and other prior or contemporaneous communications between the parties concerning the subject matter of this Agreement.
d) Sections 2, 3, 5, 6, and 9 of this Agreement and any fees owed by you shall survive any termination or expiration of this Agreement.
e) If any provision of this Agreement is held to be unenforceable by a court of competent jurisdiction for any reason whatsoever, (i) the validity, legality, and enforceability of the remaining provisions of this Agreement (including without limitation, all portions of any provisions containing any such unenforceable provision that are not themselves unenforceable) shall not in any way be affected or impaired thereby, and (ii) to the fullest extent possible, the unenforceable provision shall be deemed modified and replaced by a provision that approximates the intent and economic effect of the unenforceable provision and the Agreement shall be deemed amended accordingly.
f) No waiver of any provision of this Agreement or any attachment shall be effective unless it is in writing and signed by the party against which it is sought to be enforced.
g) Neither party will be deemed to be in default hereunder, or will be liable to the other, for delay or failure to perform any of its obligations under this Agreement to the extent that such delay or failure results from any event or circumstance beyond that party's reasonable control, including without limitation, delays or failures of any Internet service provider, third-party payment processor or other third party.
h) Client has not received or been offered any illegal or improper bribe, kickback, payment, gift, or thing of value from an Active employee or agent in connection with this Agreement.
i) The Software is provided with restricted rights. Use, duplication, or disclosure by the U.S. Government is subject to restrictions as set forth in subparagraph (c) of The Rights in Technical Data and Computer Software clause at DFARS 252.227-7013, or subparagraphs (b)(1) and (2) of the Commercial Computer Software - Restricted Rights at 48 CFR 52.227-19, as applicable. The Manufacturer is Active Network, LLC or one of its affiliates or subsidiaries.
j) This Agreement may be executed in separate counterparts and delivered by facsimile or such other electronic means as are available to the parties. Such counterparts taken together shall constitute one and the same original document.

SUPPORT AND MAINTENANCE HANDBOOK

SUPPORT AND MAINTENANCE

The following supplies and services are included in Support and Maintenance:

- Unlimited technical support between 5:00am and 6:00pm Pacific Time, Monday through Friday via telephone (800.663.4991), email or web portal (http://support.theactivenetwork.com)
- Unlimited phone support for System Down issues on a **24 hours x 7 days a week** basis, provided that:
    - If self-hosted, the site must have remote access and Internet email capability for extended support hours
    - Support calls placed during extended support hours must be placed by an authorized contact person
    - The type of support call is an urgent issue that includes site down, revenue impacting, or customer facing issues that have no reasonable work-around
- Access to Active's secure customer care web portal, discussion forums, knowledgebase and online training materials
- Regular documentation and communication
- **Support also includes, if such assistance can be provided in 15 minutes or less:**
    - Assistance troubleshooting Third Party Products (e.g., Crystal Reports, Citrix client)
    - Assistance to isolate and/or troubleshoot difficulties resulting from sources other than Active Network products and services, such as:
        - General network/internet support (e.g., network access, printing, internet access)
        - PC hardware troubleshooting
        - PC setup, configuration and optimization
        - Network operating system configuration and functionality
        - Basic Microsoft Windows functionality (i.e. Windows Explorer or Internet Explorer)
        - Loss of supervisor or other password

ANNUAL SUPPORT AND MAINTENANCE FOR NON-HOSTED CUSTOMERS

The following supplies and services are included in Support and Maintenance for non-hosted customers:

- New releases and version of the Software and free assistance in planning upgrades

SUPPORT AND MAINTENANCE FOR HOSTED CUSTOMERS

The following supplies and services are included in Support and Maintenance:

- Installation of new Software releases
- Monitoring of connectivity and critical functionality at all times (24hr x 365 days/year) by skilled personnel using an extensive series of automated probes from multiple locations
- Response to site-down/critical issues within one hour, with reasonable efforts to advise your organization of the current status and expected resolution time
- Service agreements between Active and critical vendors essential to the continuing successful operation of the hosted environment
- Scheduled maintenance to increase performance, fix defects or update applications, with reasonable efforts to notify your organization of scheduled maintenance times and potential impacts to service
- Urgent maintenance (done to correct network, hardware or Software issues that are likely to cause significant service disruption and that require immediate action), which may temporarily degrade service or cause outages. Active may undertake urgent maintenance at any time deemed necessary and shall provide status updates to your organization as soon as possible.

SUPPORT ISSUE PRIORITIES AND TIMELINES

TICKET RESOLUTION TARGETS

- New support incidents are assigned one of the following levels, each with its respective standard ticket resolution target:

Call Priority Level	Description	Standard Completion Target
Priority 1 – System Outage	Fatal issues that result in the customer's inability to fulfill critical business functions (i.e., those pertaining to core functionality such as processing registrations, memberships, rentals) and that have no reasonable work-around	1 business Day
Priority 2 – High Business Impact	Serious issues significantly impacting use of the system but do not prevent core functions from being fulfilled (i.e., Customer cannot perform critical business functions; Customer experiences severe site degradation)	2 business day
Priority 3 – Medium Business Impact	All other issues, except those classified as low; (e.g., how-to questions, reporting/reconciliation issues, general questions, work around options)	3 business days
Priority 4 – Low Business Impact	Issues that are not time-sensitive or may be undertaken as customer service initiatives outside the scope of this Agreement (i.e., feature requests or low priority questions)	None
Guaranteed Uptime	For clients licensing Hosted Software	99%

SERVICES NOT INCLUDED
The following supplies and services are excluded from Support and Maintenance: • Services required to remedy problems that stem from changes to or defects in system configuration upon which the Software was originally installed • Services required to remedy problems which do not stem from any defect in the Software • Services required to remedy problems caused by lack of training of Client's personnel • Improper treatment or use of the Software • Onsite or remote training services • Full report customization service • Database-specific services or assistance

RESTRICTIONS
The following actions will void Active's obligations under this Support and Maintenance Handbook: • The use of any other application that modifies data in the database, whether created by you or otherwise • The use or creation of third party applications that work in connection with Active's application or application database without prior written notification and consent from Active

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **July 1, 2015**

SUBJECT: **Greencrest Drive Water Line Replacement Project**

Greencrest Drive currently has a 16 inch diameter water line located behind the back of curb from Yellow Jacket Lane to the westbound IH 30 frontage road. This section of water line is a major component of the water distribution system. This line has experienced several small leaks over the past year. The pipe material for the water line is reinforced concrete steel cylinder and was installed in 1984. When any repair is required for this line, staff must hire a specialized company to mobilize on site and weld the repairs.

The last leak on this line triggered further discussions regarding the appropriate repair. The welder was unable to find a good section of steel cylinder pipe to weld the repairs without creating additional leaks. A suggestion was made to replace a 32 foot section(s) until the proper steel thickness of the pipe is located to allow repairs. There are not any guarantees that good sections of pipe will be found. Since repairs were unable to be made, Staff isolated this section of pipe and shut it down along Greencrest Drive as a temporary measure. The current location of the pipe makes the excavation a deep cut on the slope of the hill adjacent to the retaining walls for the Walmart development. Even this suggested repair would require the use of a private contractor to perform this construction.

Staff has evaluated another option that includes the replacement of the existing 16 inch diameter pipe along Greencrest Drive. Staff is considering utilizing PVC pipe as a replacement pipe material. The benefits to using PVC includes easier installation, repairs can be done by in-house staff, should cost less than the reinforced concrete steel cylinder and/or ductile iron pipe and is comparable to other pipe materials. The new line will be placed under the existing concrete pavement in Greencrest Drive making the installation and future maintenance less complicated.

Staff has discussed this matter with a consulting engineer. The preliminary cost estimate to reconstruct the water line is $450,000 with an engineering fee of $49,070. Staff recommends that the engineering design get underway as soon as possible. There are funds available from the remaining 2008 water and revenue bonds. Staff recommends City Council consideration for hiring Binkley & Barfield•C&P, Inc. to perform the engineering design services for this project. If you have any questions, please advise.

STATE OF TEXAS ♦

COUNTY OF ROCKWALL ♦

PROFESSIONAL ENGINEERING SERVICES CONTRACT

BBCPI #15018
GREENCREST 16" WATER LINE

This Agreement is made and entered into in Rockwall County, Texas, between City of Rockwall, Texas ("CITY"), a municipal corporation and political subdivision of the State of Texas, acting by and through its City Manager and Binkley & Barfield • C&P, Inc. ("ENGINEER"), located at 1801 Gateway Boulevard, Suite 101, Richardson, Texas 75080, Engineers duly licensed and practicing under the laws of the State of Texas.

WHEREAS, CITY desires to engage Engineer as an independent contractor to render certain technical and professional services necessary for performing:

PROFESSIONAL ENGINEERING SERVICES for design of a 16" water line in Greencrest Blvd. from Yellow Jacket Drive to IH 30 Service Road.

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements contained herein, the Parties hereby agree as follows:

1. Scope of Work

Engineer agrees to perform professional engineering services as specifically defined in this Contract as Exhibit "A" and as authorized by CITY. Specifically, Engineer shall perform Professional services as requested by CITY and detailed in Exhibit "A".

The Parties by mutual agreement through contract amendments may provide for additional technical and professional services to be performed under the basic general terms and conditions of this Contract. CITY reserves the right to enter into another agreement with other engineering firms to provide the same or similar professional services during the term of this Contract for different projects.

2. Compensation & Term of Agreement

Cost for such services will be an amount not to exceed forty nine thousand seventy dollars and no cents ($49,070.00), as shown in Exhibit "B". Engineer is not authorized to perform any work beyond the limited not to exceed amount without authorized written approval by CITY.

The term of this Agreement shall commence upon execution of this agreement and follow the schedule described in Exhibit "C". In the event of termination, Engineer will assist the CITY in arranging a smooth transition process. However, Engineer's obligation to provide services to the CITY will cease upon the effective date of termination, unless otherwise agreed in writing.

3. Method of Payment

CITY shall pay Engineer its fees based on the presentation by Engineer to CITY of a correct monthly statement for all the amounts earned under the Contract together with reasonable supporting documentation verifying the accuracy of the fees and expenses. CITY shall then pay Engineer its fee

within thirty (30) days after presentation of the accurate monthly statement by Engineer to CITY. CITY is a State sales and use tax exempt political subdivision of the State of Texas. All records supporting payment shall be kept in the offices of Engineer for a period of not less than three (3) years and shall be made available to CITY for inspection, audit or copying upon reasonable request.

4. Engineer's Standard of Care

Engineer shall provide its services under this Contract with the same degree of care, skill and diligence as is ordinarily provided by a professional Engineer under similar circumstances for a similar project. Engineer represents that it has the capability, experience, available personnel, and means required to perform the services contemplated by this Contract. Services will be performed using personnel and equipment qualified and/or suitable to perform the work requested by the CITY. CITY retains the right to report to Engineer any unsatisfactory performance of Engineer personnel for appropriate corrective action. Engineer shall comply with applicable federal, state, and local laws in connection with any work performed hereunder.

Engineer will seek written CITY approval to accept any contract or perform any services for any person, entity, or business that has an agreement or is in negotiations of an agreement with CITY. CITY may waive this conflict, but such waiver is at CITY's sole discretion and its decision shall be final.

5. Ownership of Documents

As part of the total compensation which CITY has agreed to pay Engineer for the professional services to be rendered under this Contract, Engineer agrees that hard copies of all finished and unfinished documents, data, studies, surveys, drawings, specifications, field notes, maps, models, photographs, preliminary reports, reports, bid packet/construction contract documents/advertisement for bids incorporating any CITY standard provisions provided by Engineer, will remain the property of the CITY. Engineer will furnish CITY with paper and electronic copies, to the extent they are available, of all of the foregoing to facilitate coordination. However, ownership of the underlying work product shall remain the intellectual property of the Engineer. Engineer shall have the right to use such work products for Engineer's purposes. However, such documents are not intended to be suitable for reuse by CITY or others on extension of the Project or on any other project. Any reuse without the express written consent of the Engineer will be at reuser's sole risk and without liability or legal exposure to the Engineer, and CITY to the extent allowed by law, shall hold harmless the Engineer from all claims, damages, losses, expenses, and costs, including attorneys' fees arising out of or resulting from the reuse of said documents without the Engineer's consent. The granting of such consent will entitle the Engineer to further compensation at rates to be agreed upon by CITY and the Engineer. The above notwithstanding, Engineer shall retain all rights in its standard drawing details, designs, specifications, databases, computer software and any other proprietary and intellectual property information provided pursuant to this Contract, whether or not such proprietary information was modified during the course of providing the services.

6. Insurance

A. Engineer agrees to maintain Worker's Compensation and Employer's Liability Insurance to cover all of its own personnel engaged in performing services for CITY under this Contract in at least the following amounts:

Workmen's Compensation – Statutory
Employer's Liability – $100,000.00
Bodily Injury by Disease - $500,000 (policy limits)
Bodily Injury by Disease - $100,000 (each employee)

B. Engineer also agrees to maintain Commercial General Liability, Business Automobile Liability, and Umbrella Liability Insurance covering claims against Engineer for damages resulting from bodily injury, death or property damages from accidents arising in the course of work performed under this Contract in not less than the following amounts:

$2,000,000.00 General aggregate limit
$1,000,000.00 each occurrence sub-limit for all bodily injury or property damage incurred all in one occurrence
$1,000,000.00 each occurrence sub-limit for Personal Injury and Advertising

C. Engineer shall add CITY, its City Council members and employees, as an additional insureds on all required insurance policies, except worker's compensation, employer's liability and errors and omissions insurance. The Commercial General Liability Policy and Umbrella Liability Policy shall be of an "occurrence" type policy.

D. Engineer shall furnish CITY with an Insurance Certificate on the date this Contract is executed and accepted by CITY, which confirms that all above required insurance policies are in full force and effect.

E. Engineer agrees to maintain errors and omissions professional liability insurance in the amount of not less than one million dollars ($1,000,000) annual aggregate, on a claims made basis, as long as reasonably available under standard policies.

7. **INDEMNIFICATION**

ENGINEER SHALL INDEMNIFY AND SAVE HARMLESS THE CITY AND ITS CITY COUNCIL MEMBERS AND EMPLOYEES FROM SUITS, ACTIONS, LOSSES, DAMAGES, CLAIMS, OR LIABILITY, INCLUDING WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, ALL EXPENSES OF LITIGATION, COURT COSTS, AND REASONABLE ATTORNEY'S FEES FOR INJURY OR DEATH TO ANY PERSON, OR INJURY TO ANY PROPERTY, RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY, TO THE EXTENT CAUSED BY THE NEGLIGENT ACTS OF ENGINEER OR ITS AGENTS OR EMPLOYEES, IN THE EXECUTION OF PERFORMANCE OF THIS CONTRACT.

ENGINEER'S TOTAL LIABILITY TO CITY FOR ANY LOSS OR DAMAGES FROM CLAIMS ARISING OUT OF, OR IN CONNECTION WITH, THIS CONTRACT FROM ANY CAUSE INCLUDING ENGINEER'S STRICT LIABILITY, BREACH OF CONTRACT, OR PROFESSIONAL NEGLIGENCE, ERRORS AND OMISSIONS SHALL NOT EXCEED ONE MILLION DOLLARS ($1,000,000.00). NEITHER PARTY TO THIS AGREEMENT SHALL BE LIABLE TO THE OTHER PARTY OR ANY THIRD PARTY CLAIMING THROUGH THE OTHER RESPECTIVE PARTY, FOR ANY SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE, LIQUIDATED, DELAY OR CONSEQUENTIAL DAMAGES OF ANY KIND INCLUDING BUT NOT LIMITED TO LOST PROFITS OR USE OF PROPERTY, FACILITIES OR RESOURCES, THAT MAY RESULT FROM THIS AGREEMENT, OR OUT OF ANY GOODS OR SERVICES FURNISHED HEREUNDER.

8. Addresses for Notices and Communications

CITY:

Richard Crowley
City Manager
City of Rockwall
385 South Goliad
Rockwall, Texas 75087

ENGINEER:

Binkley & Barfield I C&P, Inc.
1801 Gateway Boulevard
Suite 101
Richardson, Texas 75080

All notices and communications under this Contract shall be mailed or delivered to **CITY** and **Engineer** at the above addresses.

9. Successors and Assigns

CITY and Engineer each binds itself and its successors, executors, administrators and assigns to the other parties of this Contract and to the successors, executors, administrators and assigns of such other parties, in respect to all covenants of this Contract. Except as noted in the first part of this Paragraph, neither CITY nor Engineer shall assign, sublet or transfer its interest in this Contract without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer, council member, employee or agent of any public body which is a party hereto.

10. Termination for Convenience of the Parties

Engineer and CITY may terminate this Contract for their convenience at any time by giving at least thirty (30) days notice in writing to each other. If the Contract is terminated by CITY and/or Engineer as provided herein, Engineer will be paid for the Work provided and expenses incurred up to the termination date, if such final compensation is approved by CITY, in its sole discretion. If this Contract is terminated due to the fault of Engineer, Paragraph 10 hereof, relative to Termination for Cause, shall apply.

11. Changes

CITY may, from time to time, request changes in the Scope of Work of **Engineer** to be performed hereunder. Such changes, including any increase or decrease in the amount of **Engineer's** compensation, or time for performance, which are mutually agreed upon by and between **CITY** and **Engineer**, shall be incorporated in written amendments to this Contract. Any subsequent contract amendments shall be executed by the City Manager or other authorized representative as designated by the City Manager or City Council.

Any alterations, additions or deletions to the terms of this Contract, including the scope of work, shall be by amendment **in writing** executed by both CITY and Contractor.

12. Reports and Information

Engineer, at such times and in such forms as **CITY** may reasonably require, and as specified in the Scope of Work or in additional Contract Amendments shall furnish **CITY** periodic reports pertaining to the Work or services undertaken pursuant to this Contract, the cost and obligations incurred, or to be incurred in connection therewith, and any other matter covered by this Contract.

13. Entire Agreement

This Contract and its Exhibits and any future Contract Amendments constitute the entire agreement, and supersede all prior agreements and understandings between the parties concerning the subject matter of this Contract.

14. Waiver

The failure on the part of either party herein at any time to require the performance by the other party, of any portion of this Contract, shall not be deemed a waiver of, or in any way affect that party's rights to enforce such provision, or any other provision. Any waiver by any party herein of any provision hereof, shall not be taken or held to be a waiver of any other provision hereof, or any other breach hereof.

15. Severability

The invalidity or unenforceability of any provision of this Contract shall not affect the validity or enforceability of any other provision of this Contract.

16. Survival

Any and all representations, conditions and warranties made by Engineer under this Contract are of the essence of this Contract and shall survive the execution, delivery and termination of it.

17. Governing Powers and Law

Both Parties agree and understand that the City does not waive or surrender any of its governmental powers by execution of this Agreement. To that end, the parties further understand that this agreement shall not be considered a contract for goods or services under Texas Local Government Code, Section 271.151 and Contractor waives any right or entitlement granted said provisions. This Contract is governed by the laws of the State of Texas and all obligations of the parties under this Contract are performable in Rockwall County, Texas.

18. Attorney's Fees

If it is necessary for either Party herein to file a cause of action at law or in equity against the other Party due to: (a) a breach of this Contract by the other Party and/or (b) any intentional and/or negligent act or omission by the other Party arising out of this Contract, the non-breaching or non-negligent Party shall be entitled to reasonable attorney's fees and costs, and any necessary disbursements, in addition to any other relief to which it is legally entitled.

19. State or Federal Laws

This Contract is subject to all applicable federal and state laws, statutes, codes, and any applicable permits, ordinances, rules, orders and regulations of any local, state or federal government authority having or asserting jurisdiction, but nothing contained herein shall be construed as a waiver of any right to question or contest any such law, ordinance, order, rule or regulation in any forum having jurisdiction.

EXHIBIT "A"

SCOPE OF WORK

Exhibit "A" further outlines the proposed scope of work to be performed by Binkley & Barfield-C&P, Inc. (BBCPI). BBCPI shall perform engineering design and shall develop construction plans for review, permitting, bidding, construction, inspection and record keeping. These plans and design shall be consistent with normal industry practice for projects of this nature. The project services are defined as follows:

A. Preliminary – Meet with City staff and go over project and establish a "very preliminary opinion of probable cost".

B. Design Survey:

1. Establish a horizontal and vertical control network and project control baseline for the project area. Existing topographic data in the area will be merged with the obtained data to obtain the best fit existing surface;
2. Establish horizontal and vertical project control monumentation;
3. Tie ROW lines, easements and corners that can be found via pin finder, property lines and corners/monuments, buildings, fence lines, mailboxes, trees 4-inches in diameter and larger, edges of pavements and all other visible surface features to the project control baseline. This is not a property or ROW Survey. Existing visible above ground utility structures shall be located and referenced by utility name (i.e. Oncor Elec., Verizon Telephone, Atmos Gas, Etc.);
4. Vertical topographic information tying pavement, drives, walls, manholes (top and inverts), storm drain inlets (top and inverts), culverts (flowline and top of pipe or headwall), water meters (top of meter box), water valves (top of valve box), clean outs (top and invert), and other improvements as needed within the project areas for the design;
5. Contacting Texas 811 prior to topographic survey to request field locates of existing underground utilities within the project limits (Not Level B SUE).

C. Design Phase:

I. Preliminary Design

1. Attend kick off meeting with the City of Rockwall to discuss project schedule and preliminary alignment as necessary to facilitate design;
2. Meet with City of Rockwall engineering staff and obtain design criteria, pertinent utility plans, street plans, plats and ROW maps, existing easement information, recent bid tabulations from projects similar in scope and other information available for the project area;
3. Conduct an on-site review and walk through of project locations;
4. Meet with the City Staff to confirm easement and/or right of way requirements (none anticipated for this project.);
5. Prepare preliminary construction plans. Prepare the following sheets (22" x 34") at the engineering scale indicated:
   a. Cover Sheet
   b. General Notes Sheet
   c. Quantity Sheet (sheet by sheet breakdown of all quantities)

d. Project Layout Control Sheet, Scale 1"= 100'
e. Typical Sections and Details Sheet
f. Waterline Replacement Plan/Profile Sheets, Scale 1"=40'

6. Erosion Control will be incorporated into the construction plans as needed;
7. Prepare outline of any special technical specifications needed for the project (if any);
8. Prepare an estimate of construction quantities and develop the preliminary statement of probable construction cost;
9. Submit two (2) sets of preliminary plans, and two (2) sets of outline of special technical specifications and preliminary statement of probable construction cost to the City for review (60% Submittal).

II. Begin Final Design

1. Meet with City of Rockwall staff to discuss City comments on preliminary plans, specifications and cost estimates;
2. Revise preliminary plans incorporating comments from the City of Rockwall;
3. Finalize construction plans for proposed replacements/improvements;
4. Finalize technical specifications and special conditions (if any);
5. Prepare bid documents for construction (as required by the City of Rockwall);
6. Incorporate City of Rockwall Standard Details into the construction plans and prepare additional details as required;
7. Finalize construction quantities and revise engineer's estimate of probable construction cost;
8. Submit two (2) sets of construction plans and one (1) set of special technical specifications, draft bid schedule and final statement of probable construction cost to the City for review (90% Submittal).

III. Final Design

1. Meet with City of Rockwall staff to discuss City final comments on construction plans, specifications, bid schedule and cost estimates;
2. Revise construction plans incorporating final comments from the City of Rockwall;
3. Revise bid documents, technical specifications and special conditions (as needed per final comments from the City of Rockwall);
4. Revise construction quantities and revise engineer's estimate of probable construction cost (as needed per final comments from the City of Rockwall);
5. Submit one (1) set of final black/blue line prints, one (1) bound copy of the bid documents and two (2) unbound original bid documents with special technical specifications to the City of Rockwall (100% Submittal).

D. Bid Phase

1. Assist the City staff in advertising for bids;
2. Furnish plans and specifications for bidding (25 sets) and distribute from BBCPI office. Maintain a list of plan holders;
3. Furnish plans and bid documents to plan review rooms. These documents are to be furnished at no cost to the plan review rooms;
4. Assist City staff in conducting a pre-bid conference, if required;
5. Provide written responses to requests for information or clarifications;

6. Address technical questions and prepare draft addenda, if necessary;
7. Assist City staff as required in bid opening.
8. Provide bid tabulation to the City within four working days of the bid letting (if requested);
9. Evaluate the low and second low bidders. Prepare letter of recommendation to the City of Rockwall for awarding a contract to the lowest responsible bidder within four working days of the bid letting (if requested).

E. Construction Phase

1. Assist City staff in obtaining completed contract documents from approved contractor;
2. Assist City staff in a pre-construction conference;
3. Review and approval of shop drawings and other submittals;
4. Provide written responses for construction questions;
5. Provide periodic site visits by the design engineer, at least two (2) times per month during construction;
6. Prepare plan and quantity revisions as required for change orders;
7. Perform a final walk-through inspection and prepare a written final punch list;
8. Prepare construction “Record Drawings” based upon mark-ups and information provided by the construction contractor(s). Submit one black-line set to the City and two (2) CD-ROM disks containing AutoCAD drawing files and scanned images of the 34" x 22" final "Record Drawings” (with "As-Built” stamps bearing the signature of the Engineer with the current date). The drawings shall be scanned 1 to 1 as an Adobe Acrobat Document (PDF File) at a minimum resolution of 200 dots per inch and a maximum resolution of 400 dots per inch. The PDF files shall be legible and shall include any post processing that may be required to enhance image quality (e.g., de-speckling, de-shading, de-skewing, etc.). Each file shall be named in numeric order. AutoCAD drawing files will be saved to the latest version of AutoCAD as specified by the City of Rockwall.

F. Franchise Utility Coordination

1. Contacting franchise utility companies regarding the location of their facilities in the area (with City’s assistance). City to furnish contact information.
2. Send preliminary and final plans to utility companies and request their review for possible conflicts with their facilities (with City’s assistance);
3. Reflect the utility locations on the construction documents;
4. Assist the City in preparing any exhibits necessary for obtaining franchise utility company approval.

EXHIBIT "B"
COMPENSATION
Waterline Replacement Project

Exhibit "B" further outlines the basis of compensation to Binkley & Barfield-C&P, Inc. for services provided.

Basic Fee Services: The basic fee for the services outlined in this agreement is $49,070.00.

The basis of compensation for the Basic Fee services shall be as follows:

A. Preliminary $750.00
B. Design Survey $6,640.00
C. Design Phase $33,725.00
D. Bid Phase $2,500.00
E. Construction Phase $1,100.00
F. Franchise utility Coordination $1,800.00

Engineering/Surveying $46,515.00

Prints, Plots, Deliveries, Mileage $2,555.00
(Estimated)

Total $49,070.00

These items will be billed lump sum monthly based on percent completion of the design tasks. Any taxes will be additional.

Total compensation for Basic Fee Services is $49,070.00

ADDITIONAL SERVICES

The intent of this scope of services is to include only the services specifically listed herein and none others. Services specifically excluded from this scope of services include, but are not necessarily limited to the following:

1. Horizontal and Vertical control stakes for construction;
2. Construction Materials Testing;
3. Geotech Investigation of the project site;
4. Trench Safety Design;
5. SWPPP sheets meeting TCEQ and City of Rockwall requirements will not be required. (Estimated Project Site < 1 Acre)

				15% Contingency	$72,694.89
					$436,169.31

EXHIBIT "C"
SCHEDULE
Waterline Replacement Project

BINKLEY & BARFIELD-C&P, INC. agrees to perform engineering and surveying services in accordance with the outline below, to the extent over which BBCPI has control.

- **Commencement of Work** - The City agrees to issue a Notice to Proceed as soon as practical after approval by the Rockwall City Council. BBCPI agrees to begin work within five (5) working days following the issuance of a Notice to Proceed.

- **Time Line** – The following time line shall govern the completion of the indicated items.
  1. Completion/Furnishing 60% preliminary plans for forwarding to utility companies to plan adjustments: 75 calendar days from date of authorization, exclusive of City review time.

  2. Completion/Furnishing 90% final plans, specifications, bid quantities, and construction cost estimates: 120 calendar days from date of authorization.

  3. Completion/Furnishing 100% final plans, specifications, bid quantities, and construction cost estimate: 145 calendar days from date of authorization.

  4. Bidding and Construction Services shall correspond to City's schedule and construction time.

  5. Closure: 30 calendar days from the date of construction completion.

MEMORANDUM

TO: **Honorable Mayor and City Council**

FROM: **Kristy Ashberry, City Secretary**

SUBJECT: **Item to be added Friday**

Supplemental information for this item will be added to the packet this Friday.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Robert LaCroix, *Director of Planning and Zoning*

FROM: Ryan Miller, *Planning Manager*

DATE: July 6, 2015

SUBJECT: Z2015-016, *Discovery Lakes (AG to PD)*

At their regularly scheduled meeting on June 30, 2015, the Planning and Zoning Commission approved a motion to table the proposed zoning case to the July 14, 2015 meeting. The motion was approved by a vote of 3-2, with Chairman Renfro and Commissioner McCutcheon dissenting and Commissioners Conley and Logan absent. This means that the projected City Council public hearing will be held at the July 20, 2015 meeting. According to Section 6.2, *Public Hearing Postponements, Recess, and Continuations*, of the Article II of the Unified Development Code (UDC), a public hearing may be postponed by announcing the postponement at the public hearing and indicating the time and place the new hearing is scheduled to begin; however, the date and time of the postponed public hearing cannot be greater than 60 days from the original public hearing date. The announcement of a postponement shall be sufficient notice and no additional notice shall be required.

CITY OF ROCKWALL

ORDINANCE NO. 15-20

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO CHANGE THE ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO PLANNED DEVELOPMENT DISTRICT 77 (PD-77) FOR SINGLE FAMILY 10 (SF-10) DISTRICT LAND USES ON THE SUBJECT PROPERTY, BEING A 29.192-ACRE TRACT OF LAND IDENTIFIED AS A PORTION OF TRACT 1-01 OF THE S. R. BARNES SURVEY, ABSTRACT NO. 13, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED HEREIN BY *EXHIBIT 'A'*; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request by the Cole Franklin of the Skorburg Company on behalf of the owner of the property, Lonnie Gideon, for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 10 (SF-10) District land uses, on a 29.192-acre tract of land identified as a portion of Tract 1-01 of the S. R. Barnes Survey, Abstract No. 13, City of Rockwall, Rockwall County, Texas and more fully described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the *Subject Property* shall be used only in the manner and for the purposes authorized by this Planned Development District Ordinance and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting this zoning change, and as maybe amended in the future;

Section 2. That development of the *Subject Property* shall generally be in accordance with the *Planned Development Concept Plan*, described in *Exhibit 'B'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'B'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 3. That development of the *Subject Property* shall generally be in accordance with the *Development Standards*, described in *Exhibit 'C'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'C'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 4. That a master parks and open space plan for the Property, prepared in accordance with this ordinance and consistent with the *Planned Development Concept Plan*, (*Open Space Master Plan*) shall be considered for approval by the City Council following recommendation of the Parks and Recreation Board.

Section 5. That development of the *Subject Property* shall be in conformance with the schedule listed below (*except as set forth below with regard to simultaneous processing and approvals*).

(a) The procedures set forth in the City's subdivision regulations on the date this ordinance is approved by the City, as amended by this ordinance (*including Subsections 5(b) through 5(e) below*), shall be the exclusive procedures applicable to the subdivision and platting of the Property.

(b) The following plans and plats shall be required in the order listed below (*except as set forth below with regard to simultaneous processing and approvals*). The City Council shall act on an application for an *Open Space Master Plan* in accordance with the time period specified in *Section 212.009* of the *Texas Local Government Code*.

(1) Open Space Master Plan
(2) Master Plat
(3) PD Site Plan
(4) Preliminary Plat
(5) Final Plat

(c) *PD Site Plan.* A *PD Site Plan* covering all of the *Subject Property* shall be submitted and shall identify all site/landscape/hardscape plan(s) for all open space, neighborhood parks, trail systems, street buffers and entry features. A *PD Site Plan* application may be processed by the City concurrently with a *Preliminary Plat Application* for the development.

(d) *Preliminary Plat.* A *Preliminary Plat* covering all of the *Subject Property* shall be submitted and shall include a *Treescape Plan*. A *Preliminary Plat Application* may be processed by the City concurrently with a *PD Site Plan Application* for the development.

(e) *Final Plat.* Prior to the issuance of any building permits, a *Final Plat*, conforming to the *Preliminary Plat*, for all of the *Subject Property* shall be submitted for approval.

Section 7. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 8. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 9. The standards in this ordinance shall control in the event of a conflict between this ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development*

Code), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

Section 10. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 6th DAY OF JULY, 2015.

Exhibit 'A':
Legal Description

BEING a 29.192-acre tract out of the S. R. Barnes Survey, Abstract No. 13, Rockwall County, Texas being part of the following described 80-acre tract of land:

80-acres of land, more or less, out of the S. R. Barnes Survey, Abstract No. 13, Rockwall County, Texas, and more particularly described by metes and bounds as follows:

BEGINNING at the Southwest corner of said S. R. Barnes Survey;

THENCE North 940 varas to a point for the Northwest corner of this tract;

THENCE East 475 varas to a point for the Northeast corner of this tract;

THENCE South 940 varas to a point for the Southeast corner of this tract;

THENCE West 475 varas to the PLACE OF BEGINNING

and being the same land's described as Tract 1 in a deed dated March 11, 1940, from M. M. Mccurry, et ux, et al, to Joe W. Gideon et ux, Katherine Gideon, and recorded in Volume 35, Page 591, Deed Records of Rockwall County, Texas,

SAVE AND EXCEPT FROM SAID 80-ACRES THE FOLLOWING FOUR TRACTS OF LAND:

SAVE and EXCEPT TRACT 1:

1.5034435-acres of land, more or less, out of the S. R. Barnes Survey, Abstract No. 13, Rockwall County, Texas, and more particularly described by metes and bounds as follows, to-wit:

BEGINNING at a point in the middle of a public road on the East boundary line of the afore described 80-acre tract, said point being 346 varas South of the Northeast corner of said 80-acre tract and being the Northeast corner of this 1.5034435-acre tract;

THENCE West along the middle of a public road 63.699 varas to a point in the middle of the intersection of two public roads for the Northwest corner of this 1.5034435-acre tract;

THENCE South along the middle of a public road 133.093 varas to a point for the Southwest corner of this 1.5034435-acre tract;

THENCE East 63.699 varas to a point on the East boundary line of the aforedescribed 80-acre tract for the Southeast corner of this 1.5034435-acre tract;

THENCE North 133.093 varas along the East boundary line of the aforedescribed 80-acre tract to the place of beginning.

SAVE and EXCEPT TRACT 2:

7.170-acres conveyed in a Warranty Deed from Lonnie L. Gideon, a single person, both Individually and as Trustee of the Bradley Joe Gideon Trust, to Donald R. Taylor, dated May 5, 1994, filed May 11, 1994, recorded in Volume 902, Page 141, Deed Records, Rockwall County, Texas.

SAVE and EXCEPT TRACT 3:

2.172-acres conveyed in a Warranty Deed from Lonnie Leo Gideon, Individually and as Independent Executor of the Estate of Joe Wilson Gideon, Deceased, and as Trustee of the Bradley Joe Gideon Trust, to James T. Bradley and wife, Brenda J. Bradley, dated May 31, 1994, filed June 2, 1994, recorded in Volume 908, Page 10, Deed Records, Rockwall County, Texas.

SAVE and EXCEPT TRACT 4:

8.466-acres vested in the City of Rockwall, Texas pursuant to Agreed Judgment of Court Granting Right-of-Way and Easement under Cause No. 1-07-552, District Court, Rockwall County, certified copy filed October 30, 2009, recorded in Volume 5951, Page 84, Official Public Records, Rockwall County, Texas.

Exhibit 'B':
Concept Plan

Exhibit 'C':
PD Development Standards

A. GENERAL REQUIREMENTS

Development Standards.

1. *Permitted Uses.* Unless specifically provided by this Planned Development ordinance, only those uses permitted within the Single Family 10 (SF-10) District, as stipulated by the *Permissible Use Charts* contained in Article IV, *Permissible Uses*, of the Unified Development Code (UDC), are allowed on the *Subject Property*.

2. *Lot Composition and Layout.* The lot layout and composition shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* and stated in *Table 1*, which is as follows:

Table 1: Lot Composition

Lot Type	*Minimum Lot Size (FT)*	*Minimum Lot Size (SF)*	*Dwelling Units (#)*	*Dwelling Units (%)*
A	80' x 125'	10,000 SF	45	62.50%
B	100' x 150'	15,000 SF	27	37.50%
	Average Lot Size:	10,000 SF		
		Maximum Permitted Units:	*72*	*100.00%*

3. *Density and Dimensional Requirements.* Unless specifically provided by this Planned Development ordinance, the development standards stipulated by the Single Family 10 (SF-10) District, as specified by Article V, *District Development Standards*, of the Unified Development Code are applicable to all development on the *Subject Property.* The maximum permissible density for the *Subject Property* shall not exceed *2.50* dwelling units per gross acre of land; however, in no case should the proposed development exceed *72* units. All lots shall conform to the standards depicted in *Table 2*, which is as follows:

Table 2: Lot Dimensional Requirements

Lot Type (see Concept Plan) ►	***A***	***B***
Minimum Lot Width/Frontage [1]	80'	100'
Minimum Lot Depth	125'	150'
Minimum Lot Area	10,000 SF	15,000 SF
Minimum Front Yard Setback [3]	20'	20'
Minimum Side Yard Setback	5'	7'
Minimum Side Yard Setback (Adjacent to a Street)	10'	10'
Minimum Length of Driveway Pavement	20'	20'
Maximum Height	36'	36'
Minimum Rear Yard Setback	15'	15'
Minimum Area/Dwelling Unit (SF) [2]	2,600 SF	3,000 SF
Maximum Lot Coverage	65%	70%

General Notes:

[1]: Lots fronting onto curvilinear streets, cul-de-sacs and eyebrows may have the front lot width reduced by 20% as measured at the front property line provided that the lot width will be met at the front building line. Additionally, the lot depth on lots fronting onto curvilinear streets, cul-de-sacs and eyebrows may be reduced by up to 10%, but shall meet the minimum lot size for each lot type as referenced within *Table 1*.

[2]: A maximum of 20% of the lots may have homes not less than 2,500 SF.

[3]: The Director of Planning or his designee may grant a reduction in the required 20-foot front yard building setback of up to five (5) feet for lots situated along cul-de-sacs or curvilinear streets, or where a 20-foot front yard building setback would create an undue hardship on the property.

4. *Building Standards.* All development shall adhere to the following building standards:

(a) Masonry Requirement. The minimum masonry requirement for the exterior façades of all buildings shall be 90%. For the purposes of this ordinance the masonry requirement shall be limited to full width brick, natural stone, cast stone, cementaceous fiberboard horizontal lap-siding (*e.g. HardiBoard or Hardy Plank*) and, stucco (*i.e. three [3] part stucco or a comparable -- to be determined by staff*).

(b) Roof Pitch. A minimum of an *8:12* roof pitch is required on all structures with the exception of sunrooms and porches, which shall have a minimum of a *4:12* roof pitch.

(c) Garage Orientation. Garages shall oriented in a *traditional swing* (or *j-swing*) or in a front entry configuration. If a front entry garage configuration is utilized that garage shall be located at least 20-feet behind the front building façade. On *traditional swing* (or *j-swing*) garages a second single garage door facing the street is permitted if it is located behind the width of the double garage door.

5. *Anti-Monotony Restrictions.* The development shall adhere to the *Anti-Monotony Matrix* depicted in *Table 3* below (*for spacing requirements see the illustration below*).

Table 3 : Anti-Monotony Matrix

Lot Type	*Minimum Lot Size*	*Elevation Features*
A	80' x 125'	(1), (2), (3)
B	100' x 150'	(1), (2), (3)

(1) Identical brick blends or paint colors may not occur on adjacent (*side-by-side*) properties along any block face without at least four (4) intervening homes of differing materials on the same side of the street beginning with the adjacent property and two (2) intervening homes of differing materials on the opposite side of the street.

(2) Front building elevations shall not repeat along any block face without at least four (4) intervening homes of differing appearance on the same side of the street and two (2) intervening homes of differing appearance on the opposite side of the street. The rear elevation of homes backing to open spaces or on John King Boulevard shall not repeat without at least five (5) intervening homes of differing appearance. Homes are considered to have a differing appearance if any of the following two (2) items deviate:

(a) Number of Stories
(b) Permitted Encroachment Type and Layout
(c) Roof Type and Layout
(d) Articulation of the Front Façade

(3) Each phase of the subdivision will allow for a maximum of four (4) compatible roof colors, and all roof shingles shall be an architectural or dimensional shingle (*3-Tab Roofing Shingles are prohibited*).

See the Illustrations on the following page.

Illustration 1: Properties line up on the opposite side of the street. Where RED are the same.

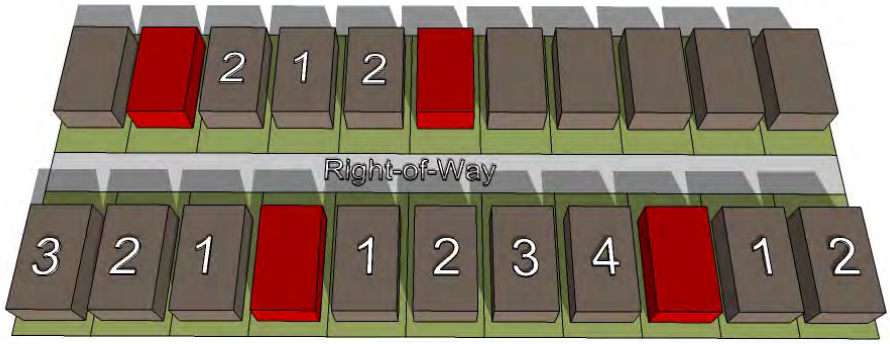

Illustration 2: Properties do not line up on opposite side of the street. Where RED are the same.

6. *Fencing Standards.* All individual residential fencing and walls shall be architecturally compatible with the design, materials and colors of the primary structure on the same lot, and meet the following standards:

(a) Wood Fences. All wood fences shall be constructed of a standard fencing material (*minimum of ½" thickness or better; spruce fencing will not be allowed*), and use fasteners that are hot dipped galvanized or stainless steel. Wood fences facing onto a street shall be painted and/or stained and sealed with all pickets being placed on the *public side* facing the street. All wood fences shall be smooth-finished, free of burs and splinters, and be a maximum of six (6) feet in height.

(b) Wrought Iron/Tubular Steel. Lots located along the perimeter of roadways, abutting open spaces, greenbelts and parks shall be required to install a wrought iron or tubular steel fence. Wrought iron/tubular steel fences can be a maximum of six (6) feet in height.

(c) Corner Lots. Corner lots fences (*i.e. adjacent to the street*) shall provide masonry columns at 45-feet off center spacing that begins at the rear of the property line. A maximum of six (6) foot solid *board-on-board panel* fence constructed utilizing cedar fencing shall be allowed between the masonry columns along the side and/or rear lot adjacent to a street. In addition, the fencing shall be setback from the side property line

adjacent to a street a minimum of five (5) feet. The property owner shall be required to maintain both sides of the fence.

(d) Solid Fences (including Wood Fences). All solid fences shall incorporate a decorative top rail or cap detailing into the design of the fence.

7. Landscape and Hardscape Standards.

(1) *Landscape.* Landscaping shall be reviewed and approved with the PD Site Plan. All *Canopy/Shade Trees* planted within this development, unless specifically provided by this PD Ordinance, shall be a minimum of four (4) caliper inches in size and all *Accent/Ornamental/Under-Story Trees* shall be a minimum of four (4) feet in total height. The following tree species are approved for planting within this subdivision:

(a) Canopy/Shade Trees. Bald Cyprus, Cedar Elm, Texas Red Oak, Homestead Elm, Lace Bark Elm, Alle Elm, Chinese Pistachio, Shumard Oak, Sycamore, and Burr Oak.

(b) Accent/Ornamental/Under-Story Trees. Texas Redbud, Eve's Necklace, Mexican Plum, Downy Hawthorn, Crepe Myrtle, Texas Mountain Laurel, Vitex, and Desert Willow.

(2) *Landscape Buffers.* All landscape buffers and plantings located within the buffers shall be maintained by the Homeowner's Association (HOA).

(a) Landscape Buffer and Sidewalks (John King Boulevard). A minimum of a 50-foot landscape buffer shall be provided along the frontage of John King Boulevard (*outside of and beyond any required right-of-way dedication*), and shall incorporate ground cover, a *built-up* berm and/or shrubbery or a combination thereof along the entire length of the frontage. Berms and/or shrubbery shall have a minimum height of 30-inches and a maximum height of 48-inches. In addition, three (3) canopy trees and four (4) accent trees shall be planted per 100-feet of linear frontage. The developer shall also be responsible for the construction of a ten (10) foot sidewalk situated within the 50-foot landscape buffer adjacent to John King Boulevard.

(b) Landscape Buffer (Quail Run Road). A minimum of a 20-foot landscape buffer shall be provided along the frontage of Quail Run Road (*outside of and beyond any required right-of-way dedication*), and shall incorporate ground cover, a *built-up* berm and/or shrubbery or a combination thereof along the entire length of the frontage. Berms and/or shrubbery shall have a minimum height of 30-inches and a maximum height of 48-inches. In addition, at least one (1), three (3) inch canopy tree shall be planted per 50-feet of linear frontage.

(3) *Streetscape Landscaping.* Prior to the issuance of a Certificate of Occupancy (CO), all residential, single family lots situated within the proposed subdivision shall be landscaped with canopy trees from the list stipulated by *Section 7(1)* of this ordinance in the following sizes and proportions:

(i) Two (2), three (3) inch trees measured six (6) inches above the root ball shall be planted in the front yard of an interior lot.

(ii) Two (2), three (3) inch trees measured six (6) inches above the root ball shall be planted in the front yard of a corner lot and two (2), three (3) inch caliper trees shall be planted in the side yard facing the street.

Note: For the purposes of this section only [i.e. Section 7(3)], the term "front yard" includes the area within the dedicated right-of-way for a parkway immediately adjoining the front yard of the lot.

(4) *Irrigation Requirements*. Irrigation shall be installed for all required landscaping located within common areas, landscape buffers and/or open space. Irrigation installed in these areas shall be designed by a Texas licensed irrigator or landscape architect and shall be maintained by the Homeowner's Association.

(5) *Hardscape.* Hardscape plans indicating the location of all sidewalks and trails shall be reviewed and approved with the PD Site Plan.

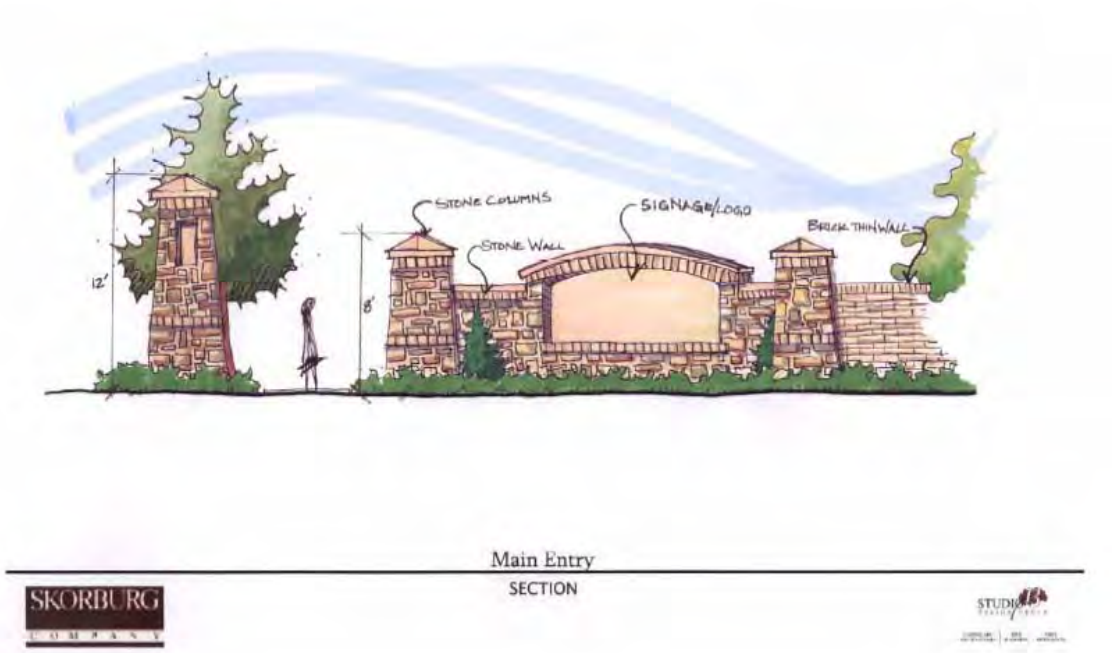
8. *Street.* All streets (*excluding drives, fire lanes and private parking areas*) shall be built according to City street standards.

9. *Lighting.* Light poles shall not exceed 20-feet in total height (*i.e. base and lighting standard*). All fixtures shall be directed downward and be positioned to contain all light within the development area.

10. *Sidewalks.* At a minimum, all sidewalks located on lay down curb section streets shall begin four (4) feet behind the back of curb and be five (5) feet in overall width.

11. *Buried Utilities.* New distribution power-lines required to serve the *Subject Property* shall be placed underground, whether such lines are located internally or along the perimeter of the *Subject Property*, unless otherwise authorized by the City Council. New transmission power-lines, or distribution lines of a size not typically or cost effectively placed underground (*i.e. 3-phase lines*), or additional lines that are added to existing poles, may be above ground, if located along the perimeter of the *Subject Property*, except along John King Boulevard. The *Developer* shall not be required to re-locate existing overhead power-lines along the perimeter of the *Subject Property*. Temporary power-lines constructed across undeveloped portions of the *Subject Property* to facilitate development phasing and looping may be allowed above ground, but shall not be considered *existing lines* at the time the area is developed, and if they are to become permanent facilities, such lines shall be placed underground pursuant to this paragraph. Franchise utilities shall be placed within a ten (10) foot public utility easement behind the sidewalk, between the home and the property line.

12. *Open Space.* The development shall consist of a minimum of *9.56%* open space (*or 2.79-acres*), and generally conform to the *Open Space Plan* contained in *Exhibit 'B'* of this ordinance. All open space areas shall be maintained by the Homeowner's Association (HOA).



13. *Neighborhood Signage.* Permanent subdivision identification signage shall be permitted at all major entry points for the proposed subdivision and shall generally conform to the signage depicted in *Figures 1 & 2* (*below*). Final design and location of any entry features shall be reviewed and approved with the *PD Site Plan*.

See the Illustrations on the following page.

Figure 2: *Example of Subdivision Signage Locations*

Figure 3: *Example of Subdivision Signage Design Standard*

14. *Amenity Center.* A site plan, landscape plan and building elevations for the Amenity Center shall be subject to site plan approval by the Planning and Zoning Commission prior to construction.

15. *Homeowner's Association (HOA)*. A Homeowner's Association shall be created to enforce the restrictions established in accordance with the requirements of *Section 38-15* of the *Subdivision Regulations* contained within the *Municipal Code of Ordinances* of the City of Rockwall. The HOA shall also maintain all neighborhood parks, trails, open space and common areas, irrigation, landscaping, amenity centers, screening fences associated with this development.

16. *Variances*. The variance procedures and standards for approval that are set forth in the Unified Development Code shall apply to any application for variances to this ordinance.

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Ashberry, City Secretary / Assistant to the City Manager**

SUBJECT: **Agenda item re: draft golf carts ordinance**

DATE: **July 2, 2015**

The topic of a 'golf carts' ordinance to regulate their use was discussed at the June 15 city council meeting, and public input on the subject was heard by Council. City Attorney Frank Garza has drafted the attached ordinance for council consideration, and has indicated that this version incorporates some, but not all, of the recommended changes voiced by the gentleman who spoke on June 15. Mr. Garza will be available to answer any questions the council may have on Monday.

121

ORDINANCE NO. ____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS ADDING SECTIONS 26-290 TO 260-297~~6~~ *OPERATION OF GOLF CARTS* TO CHAPTER 26, *MOTOR VEHICLES AND TRAFFIC*, ARTICLE IV, *BICYCLES, GOLF CARTS AND PLAY VEHICLES*, DIVISION 5 OF THE MUNICIPAL CODE OF ORDINANCES TO AUTHORIZE THE OPERATION OF GOLF CARTS WITHIN THE CITY LIMITS; AUTHORIZING THE CITY TO TAKE ALL NECESSARY STEPS TO IMPLEMENT THE PROVISIONS OF THIS ORDINANCE; PROVIDING A PENALTY; INCORPORATING RECITALS; PROVIDING FOR SEVERABILITY; REPEALING ANY OTHER CODE PROVISIONS, ORDINANCES, OR PARTS OF ORDINANCES, AND OTHER PROVISIONS IN CONFLICT HEREWITH; REQUIRING PUBLICATION AND SETTING AN EFFECTIVE DATE.

WHEREAS, the City of Rockwall is a Home Rule Municipality duly formed under the Constitution and the laws of the State of Texas; and

WHEREAS, the regulation of traffic is essential to the furtherance of public health, safety and welfare; and

WHEREAS, the Texas Transportation Code authorizes the governing body of a municipality to regulate and control the operation of Motorized Carts (golf carts only) within the city's legal boundaries and on its public Streets to ensure the public safety of the community; and

WHEREAS, the Rockwall City Council, deems it to be in the best interest and safety of the citizens to regulate and control the operation of Motorized Carts (golf carts only) within the Town's legal boundaries and on its public Streets; and

WHEREAS, the City Council determines that regulating the operation of Motorized Carts upon public streets within the Town is necessary in the interest of the health, safety and welfare of the public.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THAT:

SECTION ONE. **AMENDMENT.** Sections 26-290 to 260-297, Operation *of Golf Carts* are added to Chapter 26 *Motor Vehicles and Traffic*, Article IV, *Bicycles, Golf Carts and Play Vehicles Division 5* of the Municipal Code of Ordinances to read as follows:

CHAPTER 26, *MOTOR VEHICLES AND TRAFFIC*,
ARTICLE IV - *BICYCLES, GOLF CARTS AND PLAY VEHICLES*,
DIVISION 5

SEC. 26-290. .DEFINITIONS

A. (*Driver's license* means an authorization issued by the department of public safety for operation of a motor vehicle. The term includes a temporary license or instruction permit and an occupational license.

B. *Golf cart* shall have the meaning assigned by the V.T.C.A., Transportation Code § 502.001, as amended, and means a motor vehicle commonly referred to as a golf cart which must have a minimum of four wheels and has an attainable top speed not greater than 25 miles per hour on a paved level surface and which is manufactured primarily for transporting persons on a golf course and in compliance with those federal motor vehicle safety standards for low-speed vehicles. Specifically excluded from this definition are those motorized conveyances commonly referred to as all-terrain vehicles ("ATVs"), off-road vehicles, four-wheelers, Mules~~,~~ and Gators~~. and design-altered golf carts which have been altered to allow them to travel at a speed greater than 25 miles per hour?~~

C. *Driver Safety Course* shall mean a basic safety course conducted by the City's Park and Recreation Department on the proper handling of a golf cart on public streets for unlicensed drivers that are 14 years or older.

~~C.~~D. *Night-time* shall have the meaning assigned by V.T.C.A., Transportation Code § 541.401(5) and means the period beginning one-half hour after sunset and ending one-half hour before sunrise.

~~D.~~E. *Operator* means any person driving and having physical control over the golf cart.

~~E.~~F. *Park* or *parking* means the standing of a vehicle, whether occupied or not, otherwise than temporarily for the purpose of, and while actually engaged in, loading or unloading merchandise or passengers.

~~F.~~G. *Parking area* means those areas accessible to the public by motor vehicular traffic and which are designated for temporary parking of motor vehicles, usually in places referred to as parking lots.

~~G.~~H. *Street* means a public roadway of the City of Rockwall, Texas by whatever name (e.g., road, alley, avenue, highway, route, boulevard, etc.) that:

(1) Provides for no more than two lanes of vehicular traffic per direction; or

(2) Is not designated as part of either the state or federal highway system

SEC. 26-291. PERMITTED LOCATIONS OF OPERATION

- Golf carts are permitted to be operated on:

A. Streets ("permitted streets") where the posted speed limit is 30 miles per hour or less, and the street is not designated as part of a state highway system, including Interstate Highway 30;

B. A "public highway" as defined by the V.T.C.A., Transportation Code § 502.001, if the public highway is in the corporate limits of the City; and,

C. A parking area as defined by this ordinance.

~~**SEC. 26-292. REGISTRATION PERMIT**~~

~~Before any golf cart may be operated on any permitted street, public highway, or parking area of the city ("permitted locations"), it must be registered by the Texas Department of Motor Vehicles and display the license plate as mandated by the V.T.C.A., Transportation Code § 551.402.~~

SEC. 26-29~~2~~3. REQUIRED EQUIPMENT

A. A golf cart ~~properly registered under section 26-292~~ must be equipped with the following equipment as mandated by the V.T.C.A., Transportation Code § 551.404(a), as amended, and/or required by the city to operate on permitted locations:

(1) Operational headlamps;

(2) Operational tail lamps;

(3) Side reflectors;

(4) Operational parking brake; and

(5) Rear-view mirror(s)

B. A golf cart that is operated at a speed of not more than 25 miles per hour shall display a slow-moving-vehicle emblem when it is operated on a public highway, as defined by V.T.C.A., Transportation Code § 502.001.

C. Additionally, golf carts driven during the night time shall be equipped with the following:

(1) Turn signals;

(2) Horn; and

(3) Brake lights.

D. Equipment and its installation must meet standards provided by Texas Transportation Code, as amended.

E. All such safety equipment shall be maintained as required by state law.

SEC. 26-29~~3~~4. OPERATION REGULATIONS

A. All ~~registered~~ operators of golf carts shall:

(1) Be either licensed to operate a motor vehicle as provided by V.T.C.A., Transportation Code § 521.021, ~~as amended,~~ and carry a valid driver's license as provided by V.T.C.A., Transportation Code § 521.025, ~~and all driver's license permissions and restrictions shall apply to the operating of a golf cart~~ of have taken the Driver Safety Course.~~;~~

(2) Abide by all traffic regulations applicable to vehicular traffic when operating a golf cart in the city.

(3) Use standard hand signals for turning during daylight if the operator's golf cart is not equipped with turn signals;

(4) Not operate or park a golf cart on a sidewalk, pedestrian walkway, jogging path, park trail or any location normally used for pedestrian traffic at any time unless such operation is by Police or authorized City personnel acting in an official capacity and performing an official duty;

(5) Not pull any object or person with a golf cart in a permitted location;

(6) Maintain financial responsibility as required for other passenger vehicles in the V.T.C.A., Transportation Code § 601.051;

(7) Not intentionally or knowingly allow an unlicensed operator or ~~unregistered~~ operator who has not taken the driver safety course to operate a golf cart in violation of this chapter;

(8) Not exceed the seating capacity of the golf cart as designed by the manufacturer;

(9) Be allowed to cross streets which are otherwise not permitted locations under this article.

B. Operators and passengers of golf carts shall:

(1)Remain seated at all times while the golf cart is in motion;

(2)Be three years old or older.

SEC. 26-~~295~~294. EXEMPTIONS

The following uses of a golf cart are exempt from requiring a permit or other regulations within the ordinance:

A. Golf Course – golf carts are allowed for use on the golf course or to cross a roadway from one section of the golf course to another section of the same course.
B. Gated or Private Planned Community – The ordinance does not apply to golf cart drivers utilizing the cart in a gated or private neighborhood.
C. Official City Business – golf carts are allowed for official City of Rockwall business.
D. Transportation to/from Golf Course (Daytime only) – golf carts are allowed on a public street if the golf cart complies with all requirements of the Texas Transportation Code, is operated during the daytime only and cannot be driven more than two (2) miles from the location where the golf cart is usually parked and is used for transportation to or from the golf course only.

E. Parade, Festival or Special Event – golf carts are allowed for use in a parade, festival or other town sponsored special event.

SEC. 26-~~296~~295. FINANCIAL RESPONSIBILITY

All golf carts operated in the City shall provide proof of financial responsibility (liability insurance) meeting the minimum state requirements for liability insurance for motor vehicles. It shall be a violation for a person to operate a ~~G~~golf ~~C~~cart on a street without current valid financial responsibility meeting the minimum state requirements for motor vehicle.

SEC. 26-~~297~~296. LIABILITY

A. Nothing in this Article shall be construed as an assumption of liability by the City of Rockwall for any injuries (including death) to persons, pets or property which may result from the operation of a golf cart by an authorized driver; and

B. Owners are fully liable and accountable for the action of any individual that they provide permission to operate and drive said golf cart, both on personal and/or any authorized public streets, parking areas and traffic ways. This described liability responsibility especially applies to personal injuries (including death) or property damage resulting from golf cart drivers who are minors under the age eighteen (18) with or without a current and valid driver's license.

SECTION TWO. AUTHORIZATION. The City Council of the City of Rockwall authorizes the Mayor to take all necessary steps to implement the provisions of this Ordinance.

SECTION THREE. PENALTY. Any person operating a golf cart within the City in violation of this Ordinance shall be guilty of a misdemeanor and punished by a fine in the municipal court of no more than $200.00 per offense.

SECTION FOUR. FINDINGS. The City Council finds all of the above recitals to be true and correct and incorporates the same in this Ordinance as findings of fact.

SECTION FIVE. SEVERABILITY. If any section, subsection, sentence, clause, or phrase of this Ordinance is for any reason held to be unconstitutional or illegal, such decision shall not affect the validity of the remaining sections of this Ordinance. The City Council hereby declares that it would have passed this Ordinance, and each section, subsection, clause, or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared void.

SECTION SIX. EFFECTIVE DATE. This Ordinance shall be effective upon approval by the City Council and publication in the Rockwall Echo in the manner prescribed by Tex. Loc. Gov't Code Ann. § 52.011.

PASSED AND APPROVED this _____ day of June, 2015.

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Ashberry, City Secretary / Assistant to the City Manager**

SUBJECT: **Agenda item re: ambulance service ordinance provisions**

Mayor Pruitt requested that an agenda item regarding these ordinance regulations be placed on the June 15 city council meeting agenda. Since Mayor Pro Tem Lewis, who serves alongside Mayor Pruitt on the countywide Emergency Services Corporation Board, was absent from the June 15 meeting, discussion of this item was deferred until July 6.

A copy of the regulations, as contained in our Code of Ordinances, is included in your informational meeting packet for reference.

ARTICLE XII. - AMBULANCE SERVICE

Sec. 12-1251. - Contract required.

No person shall operate or cause to be operated a vehicle for ambulance purposes nor furnish, conduct, maintain, advertise or otherwise be engaged in the business or service of the transportation of ambulance patients within the city unless such person is the ambulance service provider currently under contract with the County of Rockwall Emergency Services Corporation to provide ambulance service within the county. No person shall knowingly solicit ambulance services regulated in this article except from the ambulance service provider.

(Code 1982, § 18-51; Ord. No. 93-41, § 1, 10-18-1993)

Sec. 12-1252. - Applicability.

The provisions of section 18-166 shall not apply to:

(1) Rendering assistance to patients in the case of a major catastrophe or emergency with which the contractor's ambulances are insufficient or unable to cope;
(2) Transporting a patient from outside of the county to a point within the city; or
(3) Transporting a patient picked up outside of the county, traveling through the city to a destination outside of the county.

(Code 1982, § 18-52; Ord. No. 93-41, § 2, 10-18-1993)

Sec. 12-1253. - Violations.

Violations of this article are hereby declared to be public nuisances and shall be prohibited and abated in actions at law or in equity.

(Code 1982, § 18-53; Ord. No. 93-41, § 3, 10-18-1993)

MEMORANDUM

TO: **Mayor and City Council**

FROM: **Rick Crowley, City Manager**

DATE: **July 2, 2015**

SUBJECT: **Animal Surrenders at the Rockwall Animal Adoption Center**

Several Councilmembers may have previously received correspondence from Molly Peterson with Legacy Humane Society (formerly Collin County Humane Society of Rockwall), the contractor that operates the Rockwall Animal Adoption Center for the City. The Rockwall Animal Adoption Center operates as a "90% live outcome" operation for animals that are received there. This makes the shelter highly preferred by many who want to surrender an animal for whatever reason.

The free animal surrender service is available to residents of Rockwall and Heath (since Heath pays for that service for their residents). The Center does not accept surrendered animals from other cities or unincorporated areas. The operational problem currently being encountered at the adoption center according to Legacy involves possible misrepresentation as to where animals may be coming from by some who seek to surrender animals. As the contractors for the city, Legacy is required to accept only animals from Rockwall and Heath for surrender. Legacy is of the opinion that an ordinance provision prohibiting misinterpretation at the time of surrender would be beneficial to them in performing the contractual obligations that it has with the city.

Mayor Pruitt has requested that this item be placed on the agenda for Council consideration, and he may have additional thoughts to provide at the meeting on Monday. Quite frankly I did not get the information to City Attorney Garza in sufficient time for him to draft a proposed ordinance, or that would have been available for you to consider on Monday night. Given that, after discussion of the problem and the requested solution, the Council may want to consider directing the preparation of an ordinance with any other specific provisions that may be applicable.

MEMORANDUM

TO: City Council

FROM: Robert LaCroix, Director of Planning & Zoning

DATE: July 1, 2015

SUBJECT: Policy for constructing boat related structures including dock decks, fixed piers and boathouses in Lake Ray Hubbard

Over the last several years the staff has issued building permits for the construction of boathouses, dock decks and fixed piers in Lake Ray Hubbard. The ability for a property owner to construct one of these structures in the lake depends on their eligibility to lease the 'take line' area adjacent to their property. All eligible properties were initially surveyed and identified along the perimeter of the lake prior to establishing the 'Take Line Overlay District' creating the requirements and standards for the take line area. The setback requirements for structures in the leased 'take line' area are measured from the extension of the side property lines as indicated on the survey. However, the forty (40') feet of area into the lake, beyond the leased 'take line', that is allowed to be used for boathouses and docks was not clearly determined in measuring setback requirements. Generally staff has extended those imagery survey lines from each survey into the unleased lake area to determine the location of boathouses for construction. However, this practice has presented problems with certain properties that are allowed to lease but due to the extension of the survey lines into the lake has narrowed their building area to the point of having to reduce the size of their boathouse or completely eliminate the ability to build a boathouse. The intent of the 'Take Line Overlay District' was to establish consistency for all structures on the lake with similar materials and appearance and to allow property owners to enjoy and invest in their lake property and in so doing provide the needed erosion control that preserves the shoreline. The staff is seeking some policy direction to have the flexibility to establish the imagery survey lines into lake that will allow all property owners the ability to build structures i.e. boathouses and docks. Staff would suggest a policy that would establish the imagery survey lines into the lake utilizing a construction survey that would also indicate both adjacent properties showing those areas where construction could occur or where a boathouse or dock already exists. This survey, indicating the three properties would allow staff to ensure that no single structure would impede the ability of the adjacent property owners from the ability to construct a boathouse or dock. If the survey presented any issues for the other adjoining properties, then staff would not issue a construction permit.

MEMORANDUM

TO: **Mayor and City Council**

FROM: **Rick Crowley, City Manager**

DATE: **July 1, 2015**

SUBJECT: **Thoroughfare Planning Agenda Item**

Please find the information provided by Tim Tumulty related to this item. Tim reviewed the County Thoroughfare Plan results with the Council at the last meeting. The comments to the County Plan were largely minor "map clean up items" that were discussed at that time.

As the City's Thoroughfare Plan is updated to reflect the changes noted in the County Plan, there are several update items that also need to be addressed in that document. Tim will discuss these with the Council on Monday, and they are noted in Ryan Miller's memorandum which is also attached. You will note that there are several changes related to previous and future development in the north part of the city. Tim and Ryan can address those more specifically on Monday.

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Timothy M. Tumulty, Director of Public Works/City Engineer

DATE: July 1, 2015

SUBJECT: Rockwall County/City of Rockwall Master Thoroughfare Plan Amendments

The Cities of Rockwall, Fate, Royse City, McLendon-Chisholm and Heath have been working with the Rockwall County Commissioners to evaluate and revise the County Master Thoroughfare Plan. The North Central Texas Council of Governments (NCTCOG) is assisting Rockwall County to evaluate roadway lane requirements of major arterial roadways needed to meet the population demands in the year 2035. NCTCOG has completed their analysis of the future roadway needs and provided a draft copy to the Rockwall County cities for their review and comment. This plan also addresses the impact to SH 205 through our City. Our staff completed the review of the proposed plan and met with Rockwall County's Consultant on Tuesday, June 16, 2015 to discuss our comments. After their Consultant makes the requested changes, the Rockwall County Commissioner's Court will review and adopt the revised Master Thoroughfare Plan. Once that action has occurred, the Commissioner's Court expects all Rockwall County cities to incorporate these changes into their plans and have their City Council adopt the document.

With the review of the Rockwall County Master Thoroughfare Plan, City Staff began review of our own Master Thoroughfare Plan and has identified several adjustments to local roadways that should be considered for adoption for current and future development. Attached is a Memorandum from Ryan Miller, Planning Manager, explaining suggested changes.

Staff wishes to discuss these suggested changes with the City Council during the Work Session. If you have any questions, please advise.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Planning and Zoning Commission

CC: Robert LaCroix, *Director of Planning and Zoning*
Tim Tumulty, *Director of Public Works*

FROM: Ryan Miller, *Planning Manager*

DATE: June 30, 2015

SUBJECT: MIS2015-003; *Amendment to Master Thoroughfare Plan*

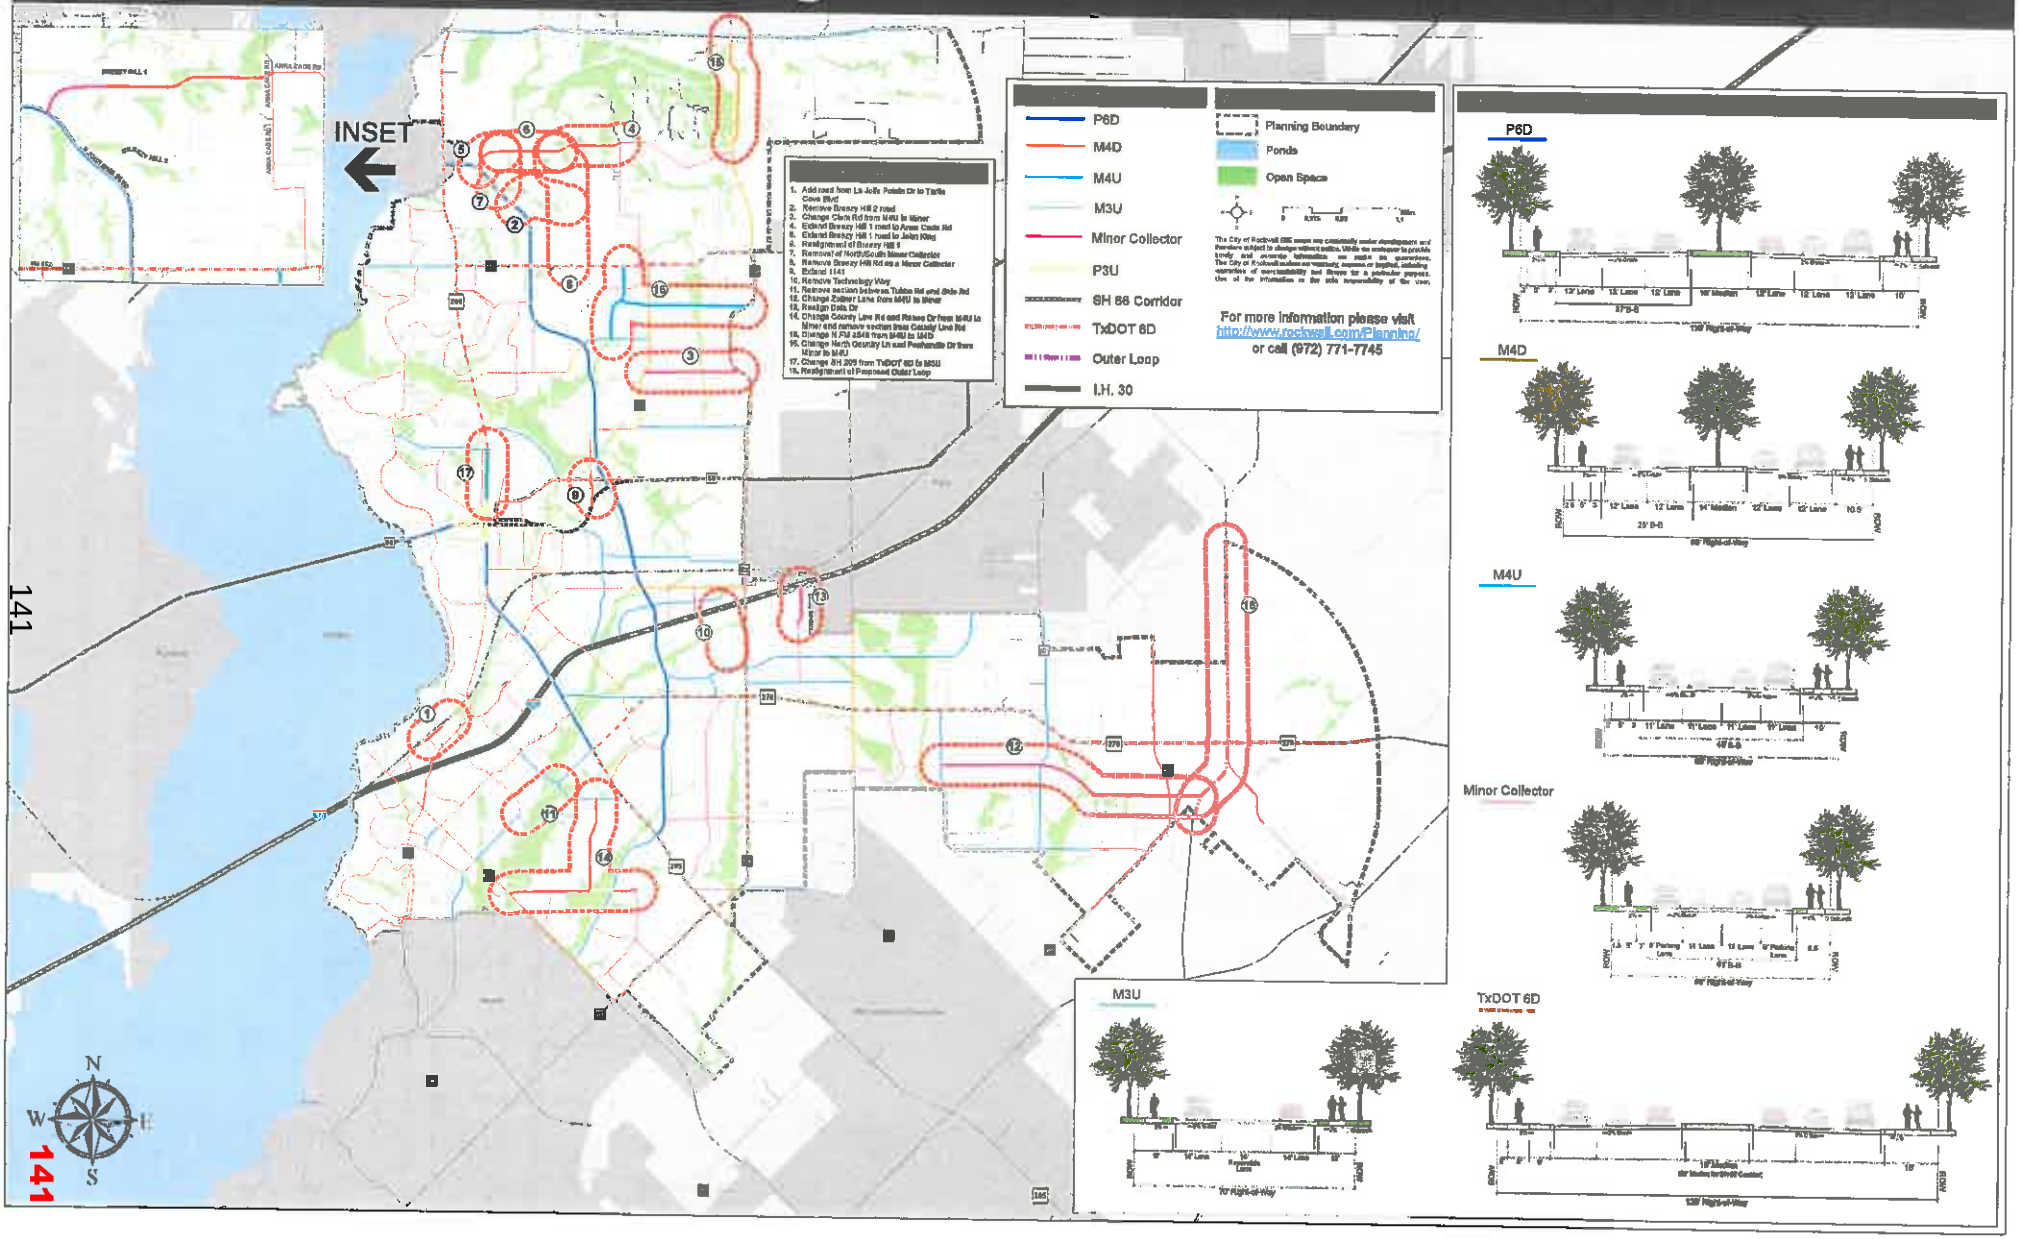
In May 2014, Rockwall County initiated a review of the *County Master Thoroughfare Plan* with the assistance of city staff. During this time staff was also assisting the North Central Texas Council of Governments (NCTCOG) with the *2014 Amendment* to the *Mobility 2035* study. Through these reviews and a review of the current *Master Thoroughfare Plan*, staff has identified several adjustments to local roadways that should be adopted to account for current and future development. Staff should mention that future changes beyond the proposed changes might be necessary when Rockwall County finalizes the *County Master Thoroughfare Plan*. A summary of the proposed changes corresponding to the attached map is as follows:

1) *Add a minor collector extending from La Jolla Pointe Drive to Turtle Cove Boulevard.* The City currently has a facilities agreement with the adjacent property owner allowing the construction of a portion of this roadway should the adjacent property be developed. This roadway would connect to Turtle Cove Boulevard south of the railroad right-of-way (*i.e. on the opposite side of the Turtle Cove Subdivision*).
2) *Remove Breezy Hill Road #2.* The City Council waived Breezy Hill #2 when the concept plan for the Breezy Hill subdivision was approved.
3) *Change Clem Road from an M4U to a Minor Collector.*
4) *Extend Breezy Hill #1 to Anna Cade Road.* This extension is required to provide an east/west connection north of FM-552.
5) *Extend Breezy Hill #1 to John King Boulevard.* This extension is required to provide an east/west connection north of FM-552.
6) *Realignment of Breezy Hill #1.* This extension is required to provide an east/west connection north of FM-552.
7) *Remove north/south minor collector extending from John King Boulevard to Breezy Hill #1.* The City Council waived this minor collector when the concept plan for the Breezy Hill subdivision was approved.
8) *Remove Breezy Hill Road as a Minor Collector.* The City does not currently have access to the right-of-way required to complete this roadway.
9) *Extend FM-1141 from E. SH-66 to the realignment of SH-66.* This extension is required to account for the future realignment of SH-66.
10) *Remove Technology Way.* This change was waived with the approval of S-126 [*Ordinance No. 14-43; Case No. Z2014-024*].
11) *Remove the section of roadway between Tubbs Road and Sids Road.* This area of the roadway is within the 100-year floodplain.
12) *Change Zollner Lane from a M4U to a Minor Collector.* This change was approved with the approval of Planned Development District 76 (PD-76) [*Ordinance No. 14-50; Case No. Z2014-030*].
13) *Realign Data Drive.* Realign Data Drive to be split by the adjacent parcel.
14) *Change County Line Road and Renee Drive (Wilson Road) from an M4U to a Minor Collector and remove a section of County Line Road.*
15) *Change N. FM-3549 from a M4U to a M4D.* Change N. FM-3549 from the Collin County boundary line north to the limits of the City's Extraterritorial Jurisdiction (ETJ) for the purpose of matching the existing FM-3549 south of the Collin County boundary line.
16) *Change North Country Lane and Panhandle Drive from a Minor Collector to a M4U.*

17) *Change SH-205 from a TxDOT 6D to a M3U.* Change SH-205 from East Fork Road to the downtown couplet to an M3U, or other alternative to be discussed.
18) *Realignment of the Proposed Outer Loop.* Realign the Outer Loop along FM-548 to match the alignment established by Rockwall County.

In addition, a new roadway cross section is being proposed for the area between East Fork Drive and the SH-205 couplet in the downtown area. This new roadway cross section is identified as a M3U (*minor arterial, three [3] lane, undivided roadway*], which will consist of 70-feet of right-of-way (*i.e. two (2), 14-foot travel lanes; one (1), 16-foot reversible lane; and two (3), 13-foot parkways which include the one [1] foot curbs*). As an alternative, this section of roadway could be designated as a M4U (*minor arterial, four [4] lane, undivided roadway*), which requires a 65-foot right-of-way.

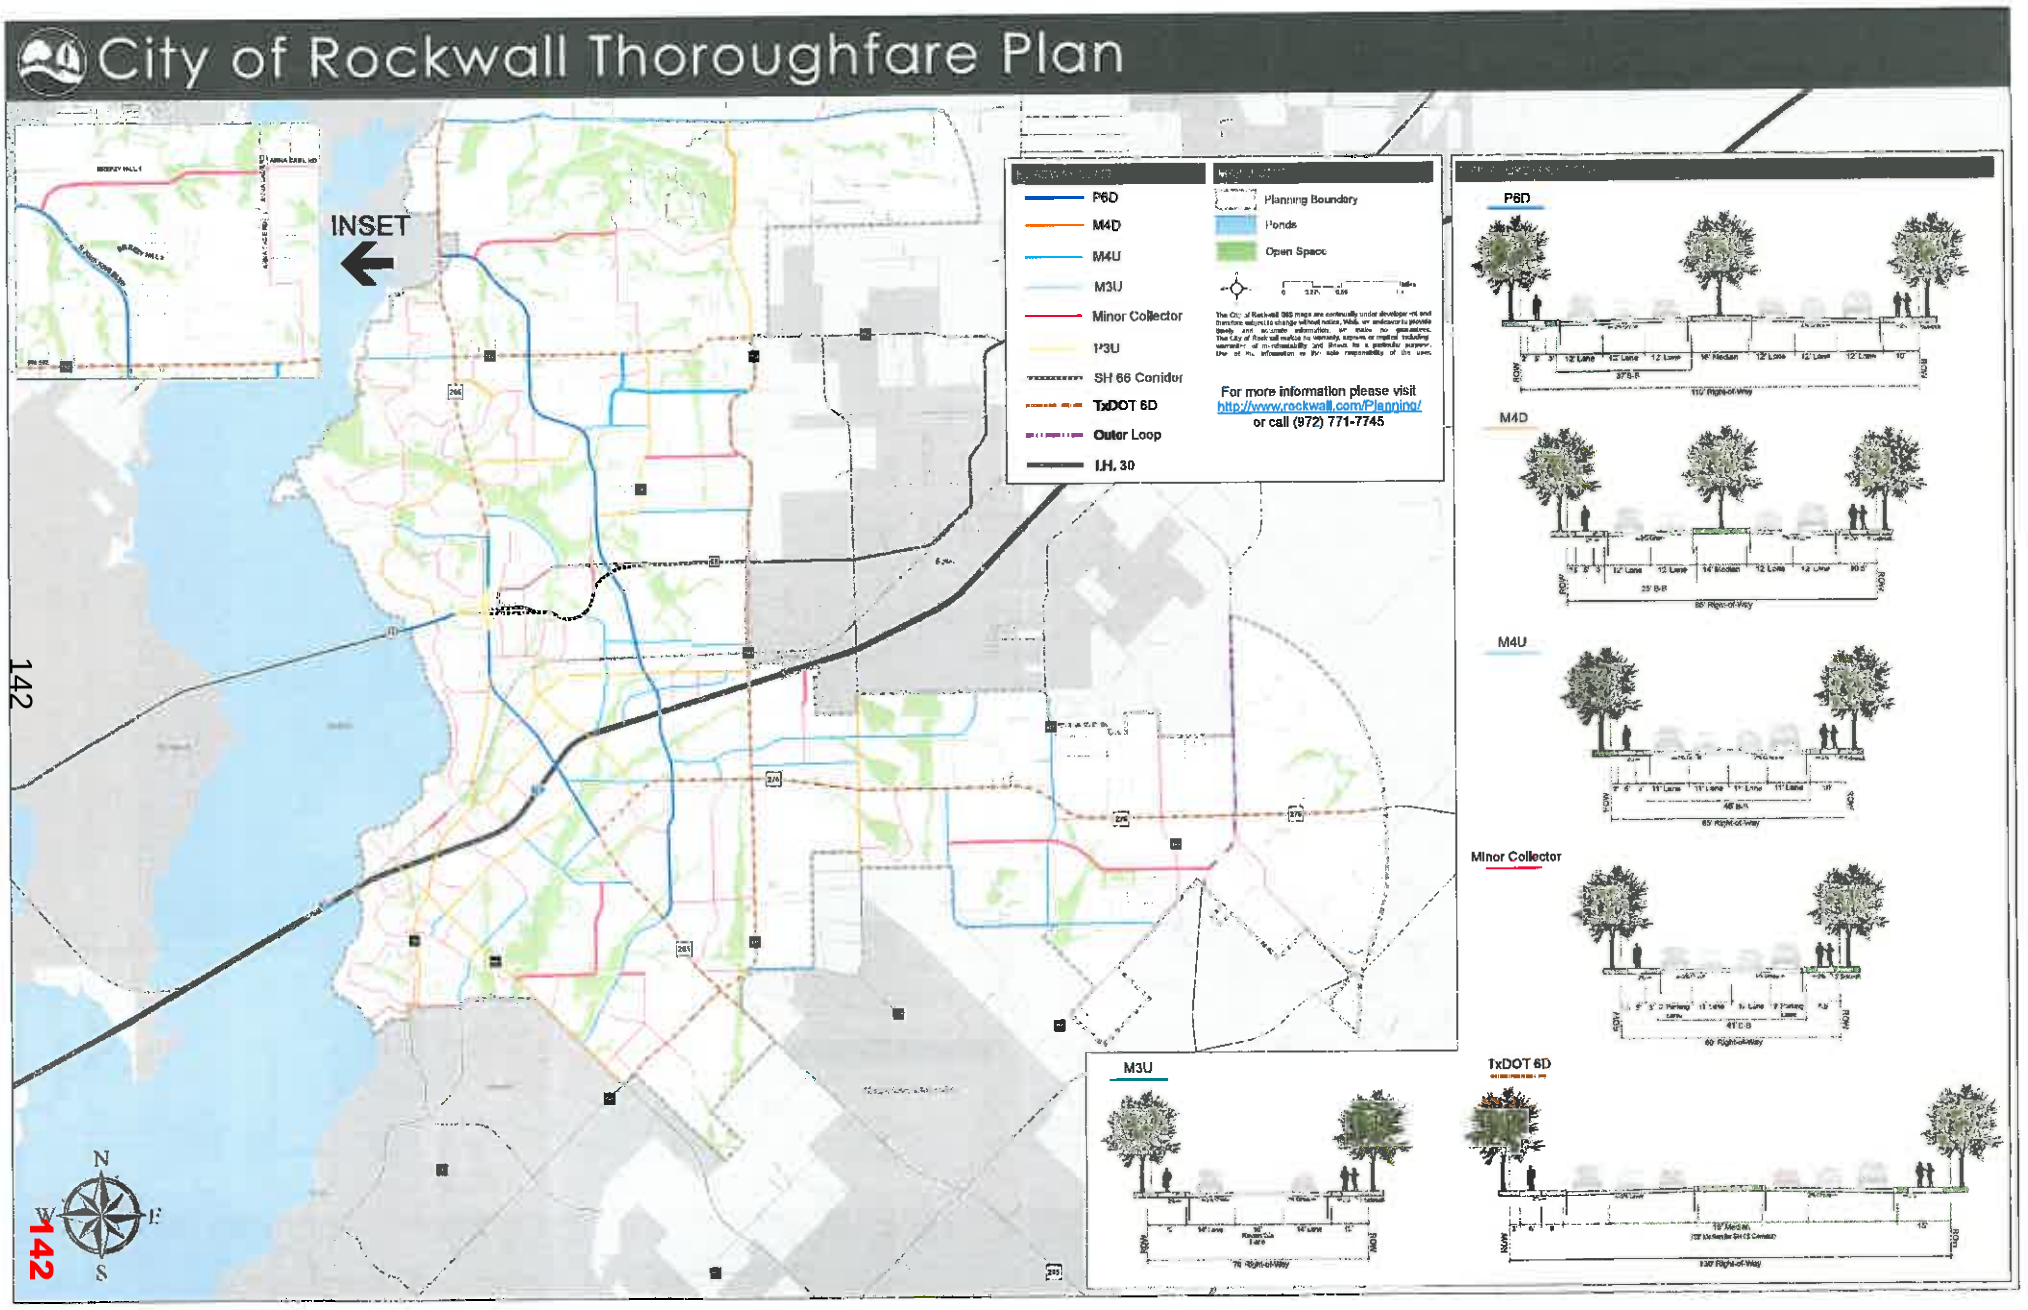
According to Section 213.003 of the *Texas Local Government Code*, "(a) comprehensive plan may be adopted or amended by ordinance following:



1) A hearing at which the public is given the opportunity to give testimony and present written evidence; and
2) Review by the municipality's planning commission or department, if one exists."

Additionally, Section 9.03 of the City's *Home Rule Charter* states that "(r)ecommended changes to the Master Plan shall be submitted to the City Manager after the Planning and Zoning Commission holds at least one public hearing on the proposed change." Furthermore, Section 9.04 states that the "City Manager shall submit the proposed changes to the Council, together with any recommendations. The Council, after a public hearing, shall adopt or reject such proposed revision or any part thereof as submitted within sixty (60) days following its submission by the City Manager. If the proposed revision or part thereof should be rejected by the Council, the Planning and Zoning Commission may make modifications and again forward it to the City Manager for submission to the Council."

The projected meeting dates for this case are as follows:



Planning and Zoning Commission Work Session: June 30, 2015
Planning and Zoning Commission Public Hearing: July 14, 2015
City Council Public Hearing/1st Reading: July 20, 2015
City Council 2nd Reading: August 3, 2015

Re: May Structure fire report
Date: June 16, 2015

1935 Evergreen

We responded to a report of a possible structure fire on May 10, 2015. The first unit on scene reported a slight haze of smoke in the entry and living room. Upon further investigation it was determined that the residence had most likely been struck by lightning and a gas line in the attic had ruptured and caused a small fire behind the wall in the entry hall. No major damage was done to the structure. There were no civilian injuries and one firefighter suffered an injury on this incident.

Dispatch time: 09:38.48
Enroute time: 09:40.17
On scene time: 09:45.38
Clear time: 10:57.55

No crew times were reported on this incident due to delayed responses due to weather at the time and multiple calls going on at the same time man power was limited.

The actual number of personnel on scene of this incident cannot be truly recorded due to multiple incidents taking place at the same time and personnel on all incidents were recorded on this incident sheet.

3. Discussion regarding possible legal claim related to Oncor pursuant to Section 551.071 (Consultation with Attorney)

4. Discussion regarding (re)appointments to city regulatory boards, commissions, and committees including the Building and Standards Commission, Planning & Zoning Commission, and Board of Adjustments pursuant to Section 551.074 (personnel matters)

IV. ADJOURN EXECUTIVE SESSION

AGENDA
ROCKWALL CITY COUNCIL
Monday, July 20, 2015
6:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

V. RECONVENE PUBLIC MEETING

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER FOWLER

VIII. OPEN FORUM

IX. CONSENT AGENDA

p.177 **1.** Consider approval of the minutes from the July 6, 2015 regular city council meeting, and take any action necessary.

p.191 **2.** Consider approval of a resolution authorizing the City Manager to execute an Interlocal Purchasing Agreement with the City of Midlothian, and take any action necessary

p.197 **3.** Consider approval of a resolution allowing a temporary partial closure of FM 552 (John King Boulevard to the Rockwall East City Limits), FM 549 (FM 3097 to SH 205) and SH 205 (FM 549 to South John King Boulevard) for the Hot Rocks Bike Ride on Saturday, August 8, 2015 from 6:30 AM to 3:00 PM, and take any action necessary.

p.213 **4.** Consider approval of a resolution authorizing the City Manager to execute an Interlocal Purchasing Agreement with the City of Frisco, and take any action necessary.

p.219 **5.** **P2015-023** - Consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of John Arnold of BH 60's Pod, LTD for the approval of a final plat for Phase IXA of the Breezy Hill Subdivision, consisting of 55 single family lots on a 16.805-acre tract of land identified as Tract 7-13 of the T. R. Bailey Survey, Abstract No. 30 and J. Simmons Survey, Abstract No. 190, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74) for Single Family 10 (SF-10) District land uses, located at the northwest corner of the intersection of FM-552 and Breezy Hill Lane, and take any action necessary.

p.225 **6.** **P2015-024** - Consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of Matt Alexander of the Cambridge Company, Inc. for the approval of a final plat for Phase 2 of the Rockwall Downes Subdivision, consisting of 30 single family lots on a 11.923-acre tract of land identified as a portion of Tract 3 of the J. M. Allen Survey, Abstract No. 2, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 10 (PD-10) for residential land uses, located at the northeast corner of the intersection of John King Boulevard and Discovery Boulevard, and take any action necessary.

p.231 7. **P2015-025** - Consider a request by Chase Finch of Corwin Engineering, Inc. on behalf of Matt Alexander of the Cambridge Company, Inc. for the approval of a final plat for Phase 3 of the Rockwall Downes Subdivision, consisting of 26 single family lots on a 8.559-acre tract of land identified as a portion of Tract 3 of the J. M. Allen Survey, Abstract No. 2, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 10 (PD-10) for residential land uses, located at the northwest corner of the intersection of John King Boulevard and Discovery Boulevard, and take any action necessary.

X. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

p.237 2. Appointment with Jim Lambeth of Linebarger, Goggan, Blair & Sampson LLP to present information regarding a bid received for delinquent property taxes at 464 Evans at an amount less than the outstanding taxes, and take any action necessary.

p.244 3. Appointment with Joey Howell to discuss and consider initiating a development agreement, in accordance with Chapter 212 of the Texas Local Government Code, for a property identified as Tract 18 & 18-01 of the S. McFadgin Survey, Abstract No. 142, Rockwall County, Texas, being a ~98-acre tract of land situated within the City of Rockwall's Extraterritorial Jurisdiction (ETJ), located south of SH-276 on the east side of FM-548, and take any action necessary.

XI. PUBLIC HEARING ITEMS

p.259 1. **Z2015-015** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Rich Darragh of the Skorburg Company on behalf of the owner William Audy Riggs, SR Estate for a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 10 (SF-10) District land uses, on a 93.00-acre tract of land identified as Tract 33 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, located on the east side of Breezy Hill Road north of FM-552, and take any action necessary.**(1st Reading)** ***(Applicant has requested to withdraw)***

p.314 2. **Z2015-020** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Wayne Mershawn of Mershawn Architects on behalf of Rex Walker of Life Springs Church for a Specific Use Permit (SUP) for a church in an Agricultural (AG) District for a seven (7) acre portion of a larger 28.881-acre tract of land identified as Tract 15-01 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Corridor Overlay (SH 205 BY-OV) District, located on the north side of John King Boulevard east of the intersection of John King Boulevard and SH-205, and take any action necessary. **(1st Reading)**

p.329 **3.** **Z2015-021** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Sam Ellis on behalf of the owner, the George Dewoody Estate, for a Specific Use Permit (SUP) for a daycare facility in an Agricultural (AG) District for a two (2) acre parcel of land identified as Lot 1 of the Dewoody Addition, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the North SH-205 Corridor Overlay (N SH-205 OV) District, addressed as 3011 N. Goliad Street [SH-205], and take any action necessary. **(1st Reading)**

p.350 **4.** **Z2015-022** - Hold a public hearing to discuss and consider approval of an **ordinance** for modifications to Article IV, Permissible Uses, and Article V, District Development Standards, of the Unified Development Code for the purposes of creating a standard for cultured stone, and adding standards for a Portable Beverage or Food Facility, and take any action necessary. **(1st Reading)**

p.376 **5.** **Z2015-016** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Stacey McVey of Double Eagle Properties on behalf of the owner 308 ON 276 LP for a zoning change from an Light Industrial (LI) District to a Planned Development District for Single Family 10 (SF-10) and General Retail (GR) District land uses, on a 316.315-acre tract of land identified as Tract 1 of the M. E. Hawkins Survey, Abstract No. 100, City of Rockwall, Rockwall County, Texas, zoned Light Industrial (LI) District, located at the northeast corner of the intersection of Rochelle Road and SH-276, and take any action necessary. **(1st Reading)** ***(Applicant has requested to postpone to the Aug. 3, 2015 regular cc mtg.)***

XII. ACTION ITEMS

1. Discuss and consider a request from Dr. Umar Burney for waiver of fees owed on a development which includes a medical office building (Ortho Specialists of Dallas) located on Summer Lee Drive behind the Aldi building, and take any action necessary.

p.420 **2.** **SP2015-015** - Discuss and consider a request by Jimmy Strohmeyer of Strohmeyer Architects, Inc. on behalf of Elias Pope of 8020 Restaurants, LLC for the approval of variances to the natural stone and masonry material requirements stipulated by Article V, District Development Standards, of the UDC in conjunction with an approved site plan for a restaurant on a 0.90-acre parcel of land identified as Lot 3, Block A, Harbor District Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the IH-30 Overlay (IH-30 OV) District, located at the southeast corner of the IH-30 Frontage Road and Sunset Ridge Drive, and take any action necessary.

p.429 **3.** **A2015-001** - Discuss and consider the expiration of an existing 212 Development Agreement for four (4) tracts of land contiguous with the City of Rockwall's city limits and being identified as approximately 94.05-acres of land situated within the City's Extraterritorial Jurisdiction (ETJ), generally located south of SH-276 along Zollner Road, and take any action necessary.

p.462 **4.** Discuss and consider status of Franchise Agreement with Legends Batting Cages, and take any action necessary.

p.477 **5.** Discuss and consider approval of a policy for the construction of structures, including a dock deck, fixed pier or boathouse within Lake Ray Hubbard for properties eligible to lease the Lake Ray Hubbard Takeline adjacent to the property, and take any action necessary.

XIII. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding status of Rockwall Harbor Landing, Inc. vs. City of Rockwall pursuant to Section 551.071 (Consultation with Attorney)
2. Discussion regarding the city's concession agreement with Suntex Marina / Suntex RHCL Marina, LLC pursuant to Section § 551.071 Consultation with Attorney)
3. Discussion regarding possible legal claim related to Oncor pursuant to Section 551.071 (Consultation with Attorney)
4. Discussion regarding (re)appointments to city regulatory boards, commissions, and committees including the Building and Standards Commission, Planning & Zoning Commission, and Board of Adjustments pursuant to Section 551.074 (personnel matters)

XIV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

XV. ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 771-7700 or FAX (972) 771-7727 for further information.

The City of Rockwall City Council reserves the right to adjourn into executive session at any time to discuss any of the matters listed on the agenda above, as authorized by Texas Government Code § 551.071 (Consultation with Attorney) § 551.072 (Deliberations about Real Property) § 551.074 (Personnel Matters) and § 551.086 (Economic Development)

I, Kristy Ashberry, City Secretary for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 17th day of July, 2015 at 4:00 p.m. and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Ashberry, City Secretary / Assistant to the City Manager**

SUBJECT: **07/20 Work Session re: ambulance exclusivity ordinance**

DATE: **July 15, 2015**

The topic of the city's current ordinance that essential creates "exclusivity" of ambulance service provision within the City of Rockwall was discussed at the July 6 regular city council meeting as an Action Item. As a result of that discussion, several members of Council generally expressed a desire to review some additional information pertaining to the Emergency Services Corporation, the EMS contract, 'exclusivity,' budget/financials, complaints, etc. I have assimilated several documents, some of which may be more useful to you than others. While it is a lot of information, staff wanted to provide Council with as much information as possible. As such, included for your review are the following documents:

1) City of Rockwall's current ordinance
2) Information submitted on 07/15/15 by Medic Rescue/Rockwall County EMS (current provider under contract in the County via the Emergency Services Corp. Board) germane to the discussion had at the 07/06 cc. mtg.
3) E-mail correspondence from representative of Baylor Rockwall re: Rockwall County EMS' service
4) Memo from EMS consultant to the ES Corp. Board, Steve Athey of Healthcare Visions, pertaining to (1) "exclusivity," and (2) Senate Bill 8 (in part pertaining to ambulance providers w/in a city/county)
5) Current EMS contract (signed in 2007) between Medic Rescue (dba Rockwall County EMS) and the ES Corp.
6) Current FY-15 ambulance services budget (of the ES Corp.)
7) Proposed ambulance budget for FY-16

8) ES Corp. Articles of Incorporation
9) Subsequent amendment to Articles of Incorporation
10) ES Corp. Bylaws
11) Contract with Steve Athey of Healtcare Visions and the ES Corp.
12) ES Corp.'s complaints procedure/policy re: ambulance service
13) Summary of known EMS related complaints over the years

In addition to my contacting Medic Rescue (Rockwall Co. EMS) and Baylor, Mary Smith reached out to Presbyterian Hospital Rockwall to solicit any written documentation they may wish to submit for council review prior to the July 20 work session; however, no information has been received thus far. Medic Rescue, Presby and Baylor have all been informed that a work session is scheduled at 4:00 p.m. on Mon., July 20 and that they are welcome to attend if they so desire.

14

ARTICLE XII. - AMBULANCE SERVICE

Current City of Rockwall Ordinance (as of July 15, 2015)

Sec. 12-1251. - Contract required.

No person shall operate or cause to be operated a vehicle for ambulance purposes nor furnish, conduct, maintain, advertise or otherwise be engaged in the business or service of the transportation of ambulance patients within the city unless such person is the ambulance service provider currently under contract with the County of Rockwall Emergency Services Corporation to provide ambulance service within the county. No person shall knowingly solicit ambulance services regulated in this article except from the ambulance service provider.

(Code 1982, § 18-51; Ord. No. 93-41, § 1, 10-18-1993)

Sec. 12-1252. - Applicability.

The provisions of section 18-166 shall not apply to:

(1) Rendering assistance to patients in the case of a major catastrophe or emergency with which the contractor's ambulances are insufficient or unable to cope;
(2) Transporting a patient from outside of the county to a point within the city; or
(3) Transporting a patient picked up outside of the county, traveling through the city to a destination outside of the county.

(Code 1982, § 18-52; Ord. No. 93-41, § 2, 10-18-1993)

Sec. 12-1253. - Violations.

Violations of this article are hereby declared to be public nuisances and shall be prohibited and abated in actions at law or in equity.

(Code 1982, § 18-53; Ord. No. 93-41, § 3, 10-18-1993)

Rockwall County EMS
809 South Goliad
Rockwall, Texas 75087

Date: July 14, 2015

To: The Honorable Jim Pruitt, Mayor of Rockwall
Members of the Rockwall City Council

Re: Response to Questions Arising from July 4, 2015 City Council Meeting; Chapter 12. Businesses & Sales, Article XII. Ambulance Service of the Code of Ordinances

Gentlemen:

In response to questions that arose during discussion regarding the City Ordinance related to ambulance service exclusivity and for the purpose of clarification, the following is some additional information and related facts.

Intent of Ordinance: This ordinance was put in place in 1993 for the sole purpose of protecting the contracted EMS's ability to perform its duties in the manner intended, the duties outlined in the contract for ambulance services between Rockwall County and the then-contracted EMS. It provided the added benefit that all ambulance responses within the city would be performed by a vetted ambulance service, the contracted provider. LakePointe Medical Center was built in Rockwall County in 1987. The ordinance had no effect on patient destinations or the time required to transport citizens to Dallas.

Two Types of Ordinances: Given there are two basic EMS models, a 911-only and a public utility model, two types of city ordinances also exist. Rockwall County's EMS system design, a public utility model, is predicated on ordinances that provide exclusivity for both emergency and non-emergency transports. Rockwall Emergency Services Corporation (ESC) contract language is as follows:

> "Exclusive Service Agreement. Participating jurisdictions agree to utilize the Contractor solely within their jurisdictions. Exclusive service agreement shall include all requests for emergency and non-emergency transports and requests, including requests originating from nursing homes, hospice, and other long-term medical health care facilities. Member Jurisdictions are encouraged, through contacts with the Corporation, to exclusively use the Contractor's EMS services and to that end develop and employ "City Ordinances" whenever possible."

Without the protection of the non-emergency transport income or additional subsidization, the EMS budget would not allow for the additional ambulances when the system becomes busy. Without further government oversight, unvetted EMS providers would be allowed to respond to any calls within the city limits.

Currently only 1 facility, an extended-care facility, is located outside of the city limits of Rockwall. There has not been an overwhelming need to have exclusive ordinances in any city other than Rockwall. Rockwall and Heath currently have such ordinances. Heath's ordinance is attached. McLendon-Chisholm has one before its City Attorney.

System Funding: The county-wide EMS budget of roughly $3M is primarily funded through user fees, from both 911 requests for service and non-emergency transports, and subsidies. User fees and other AR make up roughly $2.5M and current annual EMS subsidy is $497,104.

The AR generated by the non-emergency transports in the city of Rockwall in 2014 is approximately $1,181,488 (3014 trips at $392 per trip), or 39.4% of the annual budget. The AR generated from the transfers out of Presbyterian Rockwall alone in 2014 is as follows:

Payments for Dates Of Service of 2014 picked up at Presbyterian Rockwall 2265 or 3150.

DOSYM	Total
2014-01	$ 50,704
2014-02	$ 49,785
2014-03	$ 41,219
2014-04	$ 42,438
2014-05	$ 44,714
2014-06	$ 48,393
2014-07	$ 53,438
2014-08	$ 55,063
2014-09	$ 59,072
2014-10	$ 48,942
2014-11	$ 41,660
2014-12	$ 30,129
Grand Total	$565,557

We are experiencing a 13.4% trip-per-month increase annually which would estimate AR generated from Presbyterian Rockwall transfers alone in FY 2015 at $641,342.

With respect to the subsidy portion, Rockwall County pays 50% and each participating cities pay the balance based on population percentage. FY 15-16 subsidy will be $427,460. FY 16-17 subsidy will be $398,575. The current (FY 14-15) City of Rockwall portion is $150, 922.92.

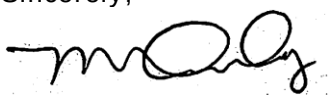
Survey-based Reimbursement: Concerns have been raised regarding response times to non-emergency transfers and its potential effect on potential Centers for Medicare and Medicaid Services (CMS) incentives. CMS uses an incentive program know as the Hospital Value-Based Purchasing (VBP) Program that rewards hospitals with incentive payments for the quality of care they provide to Medicare patients based on patient satisfaction surveys. The survey is a national, standardized survey that asks adult patients about their experiences during a recent hospital stay encompassing 8 important aspects of hospital quality. A CMS VBP fact sheet has been attached. Presbyterian's actual (2015) incentives can be found at http://globe1234.org/cost.xlsx, their Hospital ID is 670044. Columns T-W speak to the incentives specifically, including the most-important readmit penalties.

Contractually, Presbyterian is supplied a monthly report including response times. The last 6 monthly reports are attached and a summary follows:

Transfers Made from Presbyterian January thru June 2015	
Total Calls	651
Total Late Calls	83
< 15 Minutes Late	31
15 Minutes - 1 Hour Late	38
1 Hour - 2 Hours Late	12
2 Hours - 3 Hours Late	2
> 3 Hours Late	0

Of those 651 calls, to provide better ETAs, 163 calls, or 25%, were done by services other than Rockwall County EMS.

Ambulance Services Agreement (Presbyterian and Rockwall County EMS): Texas Health Presbyterian Rockwall contracted with Rockwall County EMS in 2013. This contract allows them greatly reduced prime vendor pricing and provides clearinghouse services, or one phone number to call to arrange for ambulance transport. This relinquishes their staff from having to 'shop' ambulance ETAs - EMS dispatch makes all arrangements. If Rockwall County EMS cannot meet the desired response time, the best ETA from 4 Presbyterian-recognized providers is obtained and that service is sent on the transport.



Some confusion exists as to whether this provision of the contract circumvents the Rockwall exclusivity ordinance.

> "No person shall operate or cause to be operated a vehicle for ambulance purposes nor furnish, conduct, maintain, advertise or otherwise be engaged in the business or service of the transportation of ambulance patients within the city unless such person is the ambulance service provider currently under contract with the County of Rockwall Emergency Services Corporation to provide ambulance service within the county…"

By virtue of EMS dispatch making the arrangements for all transports, Rockwall County EMS is the ambulance service provider causing a vehicle to be operated for ambulance purposes, even when it becomes necessary to engage a different provider for the transport. Therefore, the contract between Rockwall County EMS and Presbyterian does not violate or circumvent the Rockwall exclusivity ordinance.

I hope this adds sufficient clarity to aid in this very important decision. If any additional questions should exist, I invite the opportunity to further discuss this matter at your convenience.

Sincerely,

Mitch Ownby, EMS Chief

CHAPTER 113: AMBULANCE SERVICE

Section

113.01 Operating prohibited without contract

113.02 Exceptions

§ 113.01 OPERATING PROHIBITED WITHOUT CONTRACT.

(A) No person shall operate or cause to be operated an ambulance vehicle as that term is defined in TDH regulations, nor furnish, conduct, maintain, advertise or otherwise be engaged in the business or service of the transportation of patients in an ambulance within the City of Heath unless that person is the ambulance service provider currently under contract with Rockwall County to provide ambulance service within the county.

(B) No person shall knowingly solicit ambulance services regulated herein except from the ambulance service provider.

(2005 Code, § 6-5-1) (Ord. 980820B, passed - -) Penalty, see § 10.99

§ 113.02 EXCEPTIONS.

The provisions of § 113.01 above shall not apply to:

(A) Rendering assistance to patients in the case of a major catastrophe or emergency with which the contractor's ambulances are insufficient or unable to cope;

(B) Transporting a patient from outside of Rockwall County to a point within the City of Heath; or

(C) Transporting a patient picked up outside of Rockwall County, traveling through the City of Heath to a destination outside of Rockwall County.

(2005 Code, § 6-5-2) (Ord. 980820B, passed - -)

Hospital Value-Based Purchasing Program

Introduction

The Hospital Value-Based Purchasing (VBP) Program is a Centers for Medicare & Medicaid Services (CMS) initiative that rewards acute-care hospitals with incentive payments for the quality of care they provide to people with Medicare. This fact sheet explains how the VBP Program works, how hospital performance is measured and scored, and provides a preview of changes in future VBP Program years.

> "Changing the way we pay hospitals will improve the quality of care for seniors and save money. Under this initiative, Medicare will reward hospitals that provide high quality care and keep their patients healthy. It's an important part of our work to improve the health of our nation and drive down costs."
>
> 
>
> Kathleen Sebelius, Secretary of the U.S. Department of Health and Human Services (HHS)
>
> April 29, 2011

How Does Hospital Value-Based Purchasing Work?

CMS rewards hospitals based on the **quality** of care provided to Medicare patients, how closely best clinical practices are followed, and how well hospitals enhance patients' experiences of care during hospital stays. Hospitals are no longer paid solely based on the **quantity** of services they provide.

The Affordable Care Act of 2010 established the Hospital VBP Program, which applies to payments beginning in Fiscal Year (FY) 2013, on or after October 1, 2012, and affects payment for inpatient stays in 2,985 hospitals across the country.

Under the Hospital VBP Program, Medicare makes incentive payments to hospitals based on either:

1) How well they perform on each measure, or
2) How much they improve their performance on each measure compared to their performance during a baseline period.

How Is Hospital Performance Measured?

CMS bases hospital performance on an approved set of **measures** and **dimensions**, grouped into specific quality **domains**. Different domains apply depending on the FY 2013 – 2015. Table 1 provides the applicable domains for FY 2013 – 2015.

Table 1. Applicable Domains, FY 2013 – 2015

Fiscal Year	Applicable Domains
2013	Clinical Process of Care Domain Patient Experience of Care Domain
2014	Clinical Process of Care Domain Patient Experience of Care Domain Outcome Domain
2015	Clinical Process of Care Domain Patient Experience of Care Domain Outcome Domain Efficiency Domain

Clinical Process of Care Domain

Table 2 lists the Clinical Process of Care domain measures for FY 2013 – 2015.

Table 2. Clinical Process of Care Measures, FY 2013 – 2015

Measure ID	Measure Description
AMI-7a	Fibrinolytic Therapy Received Within 30 Minutes of Hospital Arrival
AMI-8a	Primary PCI Received Within 90 Minutes of Hospital Arrival
HF-1	Discharge Instructions
PN-3b	Blood Cultures Performed in the Emergency Department (ED) Prior to Initial Antibiotic Received in Hospital
PN-6	Initial Antibiotic Selection for Community-Acquired Pneumonia (CAP) in Immunocompetent Patients
SCIP-Inf-1	Prophylactic Antibiotic Received Within One Hour Prior to Surgical Incision
SCIP-Inf-2	Prophylactic Antibiotic Selection for Surgical Patients

Table 2. Clinical Process of Care Measures, FY 2013 – 2015 (cont.)

Measure ID	Measure Description
SCIP-Inf-3	Prophylactic Antibiotics Discontinued Within 24 Hours After Surgery End Time
SCIP-Inf-4	Cardiac Surgery Patients with Controlled 6:00 a.m. Postoperative Serum Glucose
SCIP-Inf-9 (for FY 2014 – 2015 only)	Urinary Catheter Removal on Postoperative Day 1 or Postoperative Day 2
SCIP-Card-2	Surgery Patients on a Beta-Blocker Prior to Arrival Who Received a Beta-Blocker During the Perioperative Period
SCIP-VTE-1 (for FY 2013 – 2014 only)	Surgery Patients with Recommended Venous Thromboembolism Prophylaxis Ordered
SCIP-VTE-2	Surgery Patients Who Received Appropriate Venous Thromboembolism Prophylaxis Within 24 Hours Prior to Surgery to 24 Hours After Surgery

Patient Experience of Care Domain

The dimensions of the Patient Experience of Care domain for FY 2013 – 2015 are listed below.

1) Nurse Communication
2) Doctor Communication
3) Hospital Staff Responsiveness
4) Pain Management
5) Medicine Communication
6) Hospital Cleanliness and Quietness
7) Discharge Information
8) Overall Hospital Rating

Outcome Domain

Table 3 lists the Outcome domain measures for FY 2014 – 2015.

Table 3. Outcome Measures, FY 2014 – 2015

Measure ID	Measure Description
MORT-30-AMI	Acute Myocardial Infarction (AMI) 30-Day Mortality Rate
MORT-30-HF	Heart Failure (HF) 30-Day Mortality Rate
MORT-30-PN	Pneumonia (PN) 30-Day Mortality Rate
AHRQ PSI-90 composite (for FY 2015 only)	Complication/Patient Safety for Selected Indicators (composite)
CLABSI (for FY 2015 only)	Central Line-Associated Blood Stream Infection

Efficiency Domain

Table 4 lists the Efficiency domain measure, effective for FY 2015.

Table 4. Efficiency Measures, FY 2015

Measure ID	Measure Description
MSPB-1	Medicare Spending per Beneficiary (MSPB)

The MSPB measure assesses Medicare Part A and Part B payments for services provided to a Medicare beneficiary during a spending-per-beneficiary episode that spans from 3 days prior to an inpatient hospital admission through 30 days after discharge. The payments included in this measure are price-standardized and risk-adjusted.

How Is Hospital Performance Scored?

CMS assesses each hospital's total performance by comparing its **Achievement** and **Improvement** scores for each applicable Hospital VBP measure. CMS uses a threshold (50th percentile) and benchmark (mean of the top decile) to determine how many points are awarded for the Achievement and Improvement scores. CMS compares the Achievement and Improvement scores and only uses whichever is greater.

To determine the Clinical Process of Care and Outcome domain scores, points are added across all measures.

The Patient Experience of Care domain score is the sum of a hospital's Hospital Consumer Assessment of Healthcare Providers and Suppliers (HCAHPS) base score and that hospital's HCAHPS **Consistency** score.

- **Achievement points** are awarded by comparing a hospital's rates during the performance period with all hospitals' rates from a baseline period:
  - Hospital rates at or above benchmark = 10 Achievement points
  - Hospital rates below the Achievement threshold = 0 Achievement points
  - If the rate is equal to or greater than the Achievement threshold and less than the benchmark = 1 – 10 Achievement points
- **Improvement points** are awarded by comparing a hospital's rates during the performance period to that same hospital's rates from a baseline period:
  - Hospital rates at or above benchmark = 9 Improvement points
  - Hospital rates at or below baseline period rate = 0 Improvement points
  - If the hospital's rate is between the baseline period rate and the benchmark = 0 – 9 Improvement points
- **Consistency points** are awarded by comparing a hospital's Patient Experience of Care dimensions rates during the performance period with all hospitals' Patient Experience of Care rates from a baseline period:
  - If all dimension rates are at or above Achievement threshold = 20 Consistency points
  - If any dimension rate is at or below worst-performing hospital dimension baseline period rate = 0 Consistency points
  - If the lowest dimension rate is greater than the worst-performing hospital's rate but less than the Achievement threshold = 0 – 20 Consistency points

CMS calculates a hospital's **Total Performance Score** by:

1) Combining the greater of either the hospital's Achievement or Improvement points for each measure to determine a score for each domain;
2) Then multiplying each domain score by a specified "weight" (percentage); and
3) Then adding together the weighted domain scores.

5

The domain weights for FY 2013 – 2015 are listed in Table 5.

Table 5. Weighted Value of Each Domain, FY 2013 – 2015

Domain	FY 2013 Weight	FY 2014 Weight	FY 2015 Weight
Clinical Process of Care	70%	45%	20%
Patient Experience of Care	30%	30%	30%
Outcome	N/A	25%	30%
Efficiency	N/A	N/A	20%

What Are the Hospital VBP Program Periods?

A Hospital VBP Program **performance period** is a designated time span used to capture data that shows how well a hospital is performing. CMS compares data collected during the performance period to data collected for each participating hospital during a **baseline period**. Table 6 provides baseline and performance period dates for FY 2013 – 2015.

Table 6. Baseline and Performance Periods, FY 2013 – 2015

Domain	FY 2013	FY 2014	FY 2015
Clinical Process of Care Measure(s)	**Baseline Period:** July 1, 2009 – March 31, 2010 **Performance Period:** July 1, 2011 – March 31, 2012	**Baseline Period:** April 1, 2010 – December 31, 2010 **Performance Period:** April 1, 2012 – December 31, 2012	**Baseline Period:** January 1, 2011 – December 31, 2011 **Performance Period:** January 1, 2013 – December 31, 2013
Patient Experience of Care Dimension(s)	**Baseline Period:** July 1, 2009 – March 31, 2010 **Performance Period:** July 1, 2011 – March 31, 2012	**Baseline Period:** April 1, 2010 – December 31, 2010 **Performance Period:** April 1, 2012 – December 31, 2012	**Baseline Period:** January 1, 2011 – December 31, 2011 **Performance Period:** January 1, 2013 – December 31, 2013
Mortality Outcome Measure(s)	N/A	**Baseline Period:** July 1, 2009 – June 30, 2010 **Performance Period:** July 1, 2011 – June 30, 2012	**Baseline Period:** October 1, 2010 – June 30, 2011 **Performance Period:** October 1, 2012 – June 30, 2013
AHRQ PSI composite Outcome Measure(s)	N/A	N/A	**Baseline Period:** October 15, 2010 – June 30, 2011 **Performance Period:** October 15, 2012 – June 30, 2013
CLABSI Outcome Measure(s)	N/A	N/A	**Baseline Period:** January 1, 2011 – December 31, 2011 **Performance Period:** February 1, 2013 – December 31, 2013
Efficiency Measure(s)	N/A	N/A	**Baseline Period:** May 1, 2011 – December 31, 2011 **Performance Period:** May 1, 2013 – December 31, 2013

How Are Hospitals Rewarded?

The Hospital VBP Program is funded by a percentage withheld from participating hospitals' Diagnosis-Related Group (DRG) payments. This applicable percentage varies until FY 2017. Table 7 lists these applicable percentages.

Table 7. Applicable Percentages, FY 2013 – 2017

Fiscal Year	Applicable Percentage
2013	1.0%
2014	1.25%
2015	1.50%
2016	1.75%
2017 and subsequent years	2.0%

Other funding specifics for the program include:

- The law requires the total amount of value-based incentive payments in aggregate be equal to the amount available for value-based incentive payments.
- CMS finalized a linear exchange function to translate Total Performance Scores into value-based incentive payments.

Ms. Everett,

Please see below email that Mr. Crowley sent to me a bit ago.

Again, thank you so much for your thoughts/input.

Regards,
Kristy Ashberry Cole

Kristy

Please let Ms. Everett know that we will provide her email to the Council and that she is correct that the meeting I had with her was as she described it, a part of my reaching out to businesses. If I did not accurately characterize her thoughts when I advised the EMS company that they should consider the level of service satisfaction experienced by

Baylor, certainly her email has corrected any inaccuracy in my passing that along. If there has been an issue with service, I am pleased that the two companies have resolved any issue that existed.

Thanks,
Rick

A final meeting agenda will be posted to our city website at http://www.rockwall.com/meetings/ late afternoon/early evening on July 17. You are certainly invited and welcome to attend the work session I believe will be planned for 4PM on Mon., 07/20.

Subject: issues regarding Rockwall EMS

Hello. I appreciate that you and your team have reached out to our hospital in regards to concerns surrounding EMS transfers. I have given this some thought over the past few days since you initiated a phone call on Monday. I want to start out by saying that I have never put in a formal complaint or grievance against Rockwall EMS. I have heard that there was some misconception about this, and I wanted to make sure to clear this up. We strive to be a Community Hospital, and truly want what is best for our patients and the City of Rockwall. The City Manager requested a meeting with me and our hospital a few months ago. It was presented to me that the City Manager likes to meet with all new businesses, and was the purpose of the meeting. During our meeting, the Rockwall EMS service was discussed. My concern that I shared with the City Manager was in regards to the inadequate amount of EMS trucks that were in the county and the amount of EMS trucks that could leave the county at one time. At the time, the lack of adequate EMS transportation was causing concern for our facility. I also expressed concern due to the growing city population, and consequently the growing hospital and urgent care centers being established within the city. I questioned the non-exclusivity clause to gain insight as to how Rockwall EMS operates, and why the clause was in place. I have spoken with Martine Ramirez at Rockwall EMS. Martin and I established a healthy working relationship several years ago when Baylor Emergency Medical Center was in the beginning stages. Martin has assured me that Rockwall EMS has now added more trucks to their fleet, and this will allow for quicker turn-around times

for our transports. Over the past year and a half, we've encountered 6-8 instances of severe long waits for an ambulance. I have discussed the issues with Martin, and together, I believe that we have developed a plan to address most of the issues. I am confident that Rockwall EMS can deliver quality care to our hospital and to our patients. I/we have no vested interest whether the city ordinance is lifted or remains. I/we want a healthy relationship with all Rockwall services and organizations. If Rockwall EMS can provide services for our facility in a professional and timely manner, as I believe that they can, then our hospital sees no need at this time speaking against Rockwall EMS in any entity or capacity. I appreciate the City's diligence and attention to this matter. Thank you for considering and listening to our concerns. Please feel free to share this with the City Council Members, and also to reach out for any and all questions and assistance. Thank you and have a great day.

SUBJECT: Discussion Items

DATE: December 10, 2014

This report will cover two items of discussion (1) exclusivity in the service area, and (2) the local impact of Senate Bill 8.

1. **Exclusivity**

The current agreement between the Corporation and Medic Rescue states in Section VI. Financial Provisions, D. Exclusive Service Agreement, "Participating jurisdictions agree to utilize the Contractor solely within their jurisdictions. Exclusive service agreement shall include all requests for emergency and non emergency transports and requests, including all requests originating from nursing homes, hospice, and other long-term medical health facilities. Member jurisdictions are encouraged, through contracts with the Corporation, to exclusively use the Contractors EMS services and to that end develop and employ "City Ordinances" whenever possible."

This language has been in the agreement since its inception and has resulted in the service area being served exclusively for *all* ground ambulance transports by a single provider. This is a sound policy, both structurally and financially, allowing the Corporation to set policies and standards for operations with a single provider and allowing for all potential system revenue to be utilized for the betterment of the overall system, thereby reducing required tax-based subsidy.

The Texas Health and Safety Code provides language that addresses city's and county's rights (Sec. 773.051, 774.003) regarding Emergency Medical Services. Cities and counties cite these regulations in the development of their exclusive EMS systems; however neither section is crystal clear regarding the rights to grant exclusivity for non-emergency ambulance services even though many compelling arguments exist for such a move.

Developing and defending an exclusive operating area for emergency and non emergency ambulance services appears easier for cites than counties and I have included two examples of ordinances used for those purposes (Arlington, Texas and 13 cities in the MedStar system).

The state regulation addressing counties (below) is not clear regarding exclusivity for all ambulance services.

> *§ 774.003. EMERGENCY AMBULANCE SERVICE PROVIDED BY COUNTIES.*
>
> *(a) The commissioners court of a county may provide for emergency ambulance service in the county, including the provision of necessary equipment, personnel, and maintenance for the service.*
> *(b) In providing for the services authorized by Subsection (a), a commissioners court may enter into exclusive agreements with any municipality, hospital district, sheriff's office, fire department, private ambulance service, or other agency or entity that the commissioners court finds to be suitably organized to provide efficient emergency ambulance service in the county. The governing body of a municipality or hospital district in which emergency ambulance service is to be rendered must approve an agreement made with the commissioners court to provide that service in the municipality or hospital district.*

Texas law gives broad authority to the Commissioners Court in each County to assign market rights and does not require the use a competitive process to establish exclusive emergency ambulance services. A contractual relationship is all that is required to establish exclusivity for emergency ambulance service. Health and Safety Code Section 774.003 refers to the provision of "emergency ambulance service within the county." Inter-facility and convalescent ambulance transports and are often referred to as "non-emergency" ambulance services. We do not know if the Texas Legislature intended to exclude this segment of the market when it adopted Section 774.003. However, several reasonable arguments exist in favor of including this portion of the ambulance service market in any exclusive market rights that are awarded by the Commissioners Court.

---

2. Local Impact of Senate Bill 8

Over the last several weeks city and county officials have been contacted by potential ambulance operators asking for a "letter from the County" granting permission for their company to "operate in Rockwall County". These callers have cited "Senate Bill 8" as their reason for calling, prompting this discussion.

In 2013 Senate Bill 8 was enacted into law. This Bill was originally designed and promulgated in an attempt to prevent fraud, waste and abuse in the state Medicaid program. This Bill has several components that were intended to slow the proliferation of new ambulance services in the state, as the issuance of new ambulance licenses without real need or oversight was believed to add to the growing problem of Medicaid/Medicare fraud and abuse especially in the urban areas.

In part Senate Bill 8:

- Amends the Health and Safety Code

- Establishes a data analysis unit within the state
- Limits certain marketing activities of providers
- Adds rules to the state managed transportation programs, and
- Adds significant ambulance licensing requirements.

New applicants (with exceptions) now have to provide a letter of credit, and have an approved and trained Administrator of Record. They must also comply with the following: "the applicant holds a letter of approval issued under Section 773.0573 by the governing body of the municipality or the commissioners court of the county in which the applicant is located and is applying to provide emergency medical services, as applicable…" Without this letter a potential provider will be denied a provider licensee by the state.

The purpose of this section was to limit new provider licenses in areas where they are not needed. I spoke to the author of this section who stated they added the section about the applicant being "located" in the area in which they are applying to avoid "shopping". It was believed that potential applicants would "shop" for any letter they could obtain one and then go operate in some more lucrative market area. Under this provision they must operate in the area they receive the letter for two years.

The entity, city of county, has ***no obligation*** to write these letters conferring "permission" to these potential providers. In our case, I think one of two things is occurring. (1) existing Texas providers are seeking letters in error, or (2) potential new providers are "shopping" for letters to obtain their initial state license.

ARTICLE IV
AMBULANCE SERVICE

Section 4.01 Policy

To lessen congestion caused by emergency vehicles on the public streets, safeguard the public health and well-being and to facilitate the prompt dispatch of appropriately equipped and staffed ambulances when needed to protect life and health, it is hereby determined that the City Council may designate one ambulance provider to provide all ambulance service, including special event and standby ambulance services. No other ambulance service provider shall operate an ambulance within the City of Arlington except in the situations described in this Chapter or upon consent of the Fire Chief or his designee. It is the intent of this policy that no ambulance patient be transported by ground transportation unless in compliance with this ordinance and the Texas Health & Safety Code. (Amend Ord 08-069, 8/19/08)

Section 4.02 Contract Required

No person shall operate an ambulance for hire on any street of the City without first having obtained a contract from the City Council, except as provided below:

A. Renders assistance during any catastrophe or major emergency when the ambulances authorized to operate in the City by contract are either insufficient in number or inadequate for any other reason, as determined by the EMS Dispatch Center;

B. Operates from a location outside the City and transports any patient from a point of origin outside the City to a destination inside the City;

C. Operates an ambulance brought into the City solely for the purpose of a drill or training exercise;

D. Operates any ambulance rendering requested assistance to ambulances currently authorized by the City in cases of disaster or major emergency pursuant to provisions of a "mutual aid agreement" approved by the City;

E. Operates a hospital operated pediatric/neonatal transport service with ambulances modified for pediatric/neonatal transport and staffed at least by registered nurses.
