All that certain lot, tract or parcel of land situated in the E.P. GAINES CHISUM SURVEY, ABSTRACT NO. 64, City of Rockwall, Rockwall County, Texas, and being all of Lot 1, Block A of BERNICE SUBDIVISION, an Addition to the City of Rockwall, Texas, according to the Plat thereof recorded in Cabinet A, Slide 395 of the Plat Records of Rockwall County, Texas, and being Lot 1, Block A of LAKESIDE BATTING PARK ADDITION, an Addition to the City of Rockwall, Texas, according to the Plat thereof recorded in Cabinet C, Slide 349 of the Plat Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod found for corner in the South right-of-way line of Interstate Highway 30, at the Northeast corner of said Bernice Subdivision, and also being at the Northwest corner of ROCKWALL MARKET CENTER EAST, an Addition to the City of Rockwall, Texas, according to the Plat thereof recorded in Cabinet D, Slide 189-190 of the Plat Records of Rockwall County, Texas;

THENCE S. 21 deg. 17 min. 31 sec. E. along the common line between said additions, at 245.00 feet pass a 1/2" iron rod found at the Southeast corner of said Bernice Subdivision, and at the Northeast corner of said Lakeside Batting Park Addition, and continuing for a distance of 651.94 feet to a 60d nail found for corner in the Northwest right-of-way line of Tubbs Road;

THENCE S. 43 deg. 45 min. 00 sec. W. along said right-of-way line, a distance of 171.60 feet to a 1/2" iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" found for corner in the Southwest line of said Lakeside Batting Park Addition;

THENCE N. 21 deg. 01 min. 32 sec. W., at 478.3 feet pass a 1/2" iron rod found for corner at the Northwest corner of said Lakeside Batting Park Addition, and the Southwest corner of said Bernice Subdivision, and continuing for a total distance of 724.14 feet to a 1/2" iron rod with yellow plastic cap stamped "R.S.C.I. RPLS 5034" found for corner in the Southeast right-of-way line of Interstate Highway 30;

THENCE in a Northeasterly direction along a curve to the left having a central angle of 02 deg. 11 min. 49 sec., a radius of 3969.72 feet, a tangent of 76.12 feet, a chord of N. 68 deg. 37 min. 38 sec. E., 152.21 feet, along said right-of-way line, an arc distance of 152.22 feet to the POINT OF BEGINNING and containing 2.43 acres of land or 105,747 square feet of land.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

I the undersigned owner of the land shown on this plat, and designated herein as LAKESIDE VETERINARY CLINIC ADDITION, LOT 3 AND LOT 4, BLOCK A, an Addition to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains,easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in the subdivision have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same.

We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of th eir respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maint aining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Roc kwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, sto rm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer an d/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as p rogress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City. We , our successors and assigns hereby waive any claim, damage, or cause of action that We may have as a result of the dedication of exaction's made herein.

CITY OF ROCKWALL, TEXAS
FIRE DEPARTMENT
MEMORANDUM

DATE: **August 18, 2015**

TO: **Mayor & City Council Members**

FROM: **Mark Poindexter, Fire Chief**

SUBJECT: **Inter-local Agreement with Rockwall County for Fire Protection Service**

Background:

Attached you will find the Inter-local Agreement with Rockwall County for fire protection. The agreement covers fires and emergency calls for service within the unincorporated portions of the County. The attached agreement is exactly the same as our current approved agreement for 2014-2015. The amount of revenue provided under this agreement is $58,250.00.

Request:

Staff is available to answer any questions you may have.

STATE OF TEXAS §
COUNTY OF ROCKWALL §
CITY OF ROCKWALL §

INTERLOCAL AGREEMENT FOR FIRE PROTECTION SERVICES

THIS AGREEMENT is made and entered into by and between the County of Rockwall, Texas, hereinafter referred to as "County" and the City of Rockwall, Texas, hereinafter referred to as "City" or "Rockwall".

WITNESSETH:

WHEREAS, pursuant to §352.001(b)(3) of the Texas Local Government Code, a county is authorized to execute interlocal agreements with any city, town or village within such county to provide fire protection services to the citizens of any such county residing outside the corporate limits of any city, town or village; and

WHEREAS, pursuant to Chapter 791 of the Texas Government Code, the City is authorized to execute interlocal agreements with a county to provide governmental services and functions such as fire protection; and

WHEREAS, the City is the owner of certain trucks and other equipment designed for and capable of being used in the protection of persons and property from and in the suppression and fighting of fires; and

WHEREAS, the County desires to obtain such services for its citizens residing in unincorporated areas of the County, and the City is willing to provide such services as hereinafter set forth and provided.

NOW, THEREFORE, it is mutually agreed by and between the parties hereto as follows:

Section 1. That the recitals set forth above are true and correct and incorporated herein.

Section 2. Definitions. The following words shall have the following meanings when used in this Agreement:

a) "Call" means each response by the City of Rockwall Fire Department to rescues, auto accidents, actual fire, false alarms, fires to be found extinguished on arrival of the City's fire unit or units, potential fire situations or emergencies.

b) "Chief Administrative Officer" means the Mayor or City Manager of the City.

c) "District" means the area within the boundaries of Rockwall County, Texas, for which the City of Rockwall Fire Department has permanent responsibility for first alarm response to fires in such district. This includes Public Protected Classification, outside protected areas, and Fire Districts defined by the Texas Department of Insurance.

d) "Employed" means a fire fighter who is paid a salary by the City, or volunteer fire fighter.

e) "Fire Chief" means the Fire Chief of the City or his duly authorized designees.

f) "Fire Fighter" means a fire fighter of the City.

g) "Requesting Party" means the entity requesting fire protection assistance from the City for fire services for residents of the County, but not living within any city's incorporated limit.

Section 3. The parties hereto hereby agree that the City will provide fire equipment and services to points in the County which are outside the corporate limits of any city in the County, but inside the boundary limits known as First Alarm County District for the City. Areas outside such boundary shall be known as the Second Alarm County District for the City, and a closer fire department shall be notified for first response.

Section 4. In consideration of such service, the County will pay to the City the sum of Fifty-Eight Thousand Two Hundred and Fifty (58,250.00) dollars for calls outside the corporate limits of any city in the County subject to annual funding approval by the Rockwall County Commissioner's Court during the regular budget process. Said payment shall be made on an annual basis upon written request from the City to the Rockwall County Auditor and will be payable within thirty (30) days after receipt of such, by the Auditor's Office.

Section 5. County hereby gives and grants to the City full and complete authority to operate its fire fighting vehicles on and over public roads, highways, and other thoroughfares of the County and other public places.

Section 6. City shall, at its own cost and expense, purchase and keep in force at all times insurance for the minimum amount of liability under the Texas Tort Claims Act. City agrees to provide copies of such policy or policies of insurance and/or other evidence satisfactory to the County Auditor of Rockwall County, Texas.

Section 7. The Fire Chief shall be the sole judge of the amount and type of equipment and number of personnel dispatched to calls made pursuant to this Agreement. Said Fire Chief, or his designee, shall be in charge of the firefighting techniques used in response to any calls.

For each call made pursuant to this Agreement, the Fire Chief shall prepare a report showing the date, location, and description of the call. True copies of such reports shall be on file with the Fire Chief and available for review by the County Auditor or Commissioner's Court of the County.

Section 8. City hereby agrees to render services to other Fire Districts within the County if backup emergency assistance is requested. The City's fire fighters shall report to the Requesting Party's Officer In Control at the location to which they have been assigned, and shall be under the command of the Requesting Party's Fire Chief and will be released when their services are no longer required.

Calls for assistance may be aborted only by (1) another Fire Department at the scene; (2) an officer of the Sheriff's Department at the scene; (3) a State Department of Public Safety Officer at the scene; (4) the responding department's Fire Chief or designee; (5) or Dispatch.

Section 9. While any fire fighter, regularly employed as such by the City, is in the service of the Requesting Party, such fire fighter shall be a fire fighter of the Requesting Party and be under the command of the Requesting Party's Chief, with all the powers of a regular fire fighter of the Requesting Party, as fully as if such fire fighter were within the territorial limits of the governmental entity where such fire fighter is regularly employed. A fire fighter's qualifications for employment by the governmental entity by which he or she is regularly employed shall constitute such fire fighter's qualifications for such position within the territorial limits of the Requesting Party, and no other oath, bond or compensation need be made.

Section 10. Each party to this Agreement expressly waives the right to recovery from the other party for reimbursement of wages, disability, pension payments, damages to equipment and clothing, medical expenses, travel, food and lodging expenses.

Section 11. Any fire fighter or other person who is assigned, designated or ordered by the Fire Chief of the party which regularly employs such, to perform duties pursuant to this Agreement, shall receive the same wages, salary, pension, compensation and all other rights for such service, including injury benefits, death benefits, and worker's compensation benefits, as if the service had been rendered within the territorial limits of the party where such fire fighter is regularly employed. Moreover, all wage and disability payments, including worker's compensation benefits, pension payments, damage to equipment and clothing, medical expenses, and expenses of travel, food and lodging, shall be paid by the party which regularly employs such person in the same manner as if the service had been rendered within the territorial limits of the party where such fire fighter is regularly employed.

Section 12. In the event that any person performing fire fighting services pursuant to this Agreement shall be cited as a party to any civil lawsuit, state or federal, arising out of the performance of those services, such fire fighter shall be entitled to the same benefits that he or she would be entitled to receive if such civil action had arisen out of the performance of such person's

duties as a member of the department where and in the jurisdiction of the party where such person is regularly employed.

Section 13. Each party to this Agreement expressly waives all claims against the other party for compensation arising from loss, damage, personal injury or death occurring as a consequence of the performance of this Agreement.

Section 14. Third party claims against parties hereto shall be governed by the Texas Tort Claims Act or other appropriate statutes, charters and ordinances of the parties.

Section 15. It is expressly understood and agreed that by executing this Agreement, neither party waives, nor shall be deemed hereby to waive, any immunity or defense that would otherwise by available to it, against claims arising in the exercise of governmental powers and functions.

Section 16. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives, successors and assigns.

Section 17. This Agreement shall be governed by and constructed in accordance with the laws of the State of Texas. Venue shall be in Rockwall County, Texas.

Section 18. If any one or more of the provisions contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity or illegality shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein, and shall not render the entire Agreement invalid.

Section 19. This Agreement constitutes the entire Agreement and understanding between parties. Any modification, change or amendment to this Agreement shall be in writing and approved by both parties.

Section 20. This Agreement shall become effective as of October 1, 2015 and shall continue through September 30, 2016

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed under authority of appropriate action taken by their respective governing bodies.

Texas Air Center

1701 Airport Road
Rockwall, Texas 75087
Ph: 972.771.0151
E-Mail: tparks@texasaircenter.com

Council Members and Mayor;

On August 17th I met with the airport advisory committee to discuss Texas Air Center's request to modify the operating hours of the FBO. It is my understanding that each of you have been provided fuel sales data detailing fuel sales for each Sunday dating back to April 1st of 2014. The data depicts gross margin dollars and labor costs for each Sunday and highlights a loss of approximately $8300.00 directly attributable to historical and present day demand for services provided on Sundays. Additionally it should be noted that the airport faces low demand for line services in general as detailed in the annual report submitted to council in April of 2015. GIven the low demand for line services we are requesting that you approve changes to the FBO operating hours as follows;

Monday through Friday - change opening time from 7:00 AM to 8:00 AM and closing time from 7:00 PM to 5:00 PM

Saturday - Change opening time from 7:00 AM to 8:00 AM and closing time from 7:00 PM to 4:00 PM.

Sunday - We currently open at 7:00 AM and close at 7:00 PM. We are requesting that the FBO be closed on Sundays.

The airport will remain open to air traffic and, if the council wishes, we can also provide access to the terminal on a 24 hour basis through the installation of coded locks. This would actually increase based and transient user's access to the terminal lobby, restrooms and flight planning facilities. Security would continue to be provided by the Rockwall police department and our recommendation would be to request additional drive through patrols of the airport at random times during the evening. To date we have not had problems with theft or vandalism at the airport. The cost to the city for the proposed changes to the FBO operating hours would be minimal and within budgeted amounts for airport facility repairs. These costs would include the installation of the coded locks which run anywhere from $125.00 to $200.00 each plus installation. Higher end commercial locks are available as well but at substantially more cost.

Texas Air Center's staff have worked diligently to provide the flying public with the best possible support. Based on current demand the changes we are proposing will have substantially no impact on user's ability to operate into and out of the airport. If approved the changes will be announced to airport tenants by e-mail and mailed correspondence detailing the new hours. Customers will be encouraged to make

Texas Air Center

arrangements for fuel before hand if they anticipate departing outside the proposed operating hours. For those needing fuel after hours we will provide call out services on a fee basis.

Our business and the general aviation industry as a whole face significant challenges. A relatively flat economy, low oil prices, weather, and operating costs all play a role in the industry's profitability. We will survive by insuring that our operating expenses are kept as low as possible while maintaining the highest levels of service possible. Your approval of this request will help insure that Texas Air Center remains financially stable and able to meet the expectations of airport users and city management for the remainder of the FBO contract. If I can answer any questions or address any concerns please let me know. We are eager to provide each council member the information they need to make decisions regarding the airports operation and future use.

Bets Regards,

Todd Parks
Managing Partner

Yes, please setup the "appointment" for the council meeting.

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **September 3, 2015**

SUBJECT: **Fiscal Year 2016 Ad Valorem Taxes and Proposed Budget**

The Council held the budget work session on August 31 and reviewed the Proposed FY16 Budget in detail. The Proposed budget includes the following highlighted items, which will be covered in the staff commentary prior to the Public Hearing.

- 4 additional personnel including Public Relations/Marketing Manager, a Dispatcher, part-time Bailiff and a part time AP Clerk.
- $1million dollars in street repair materials
- Equipment used for Street Maintenance totaling more than $400,000
- Fire Department equipment including full replacement of SCBA airpacks and replacement of a Pumper
- Youth Explorer Program in the Police Department and other organizational changes in the department which will enhance community connections

Prior to adoption of the budget, the Charter requires a public hearing. The budget is based on the Effective Tax rate so additional public hearings are not required although the tax rate itself is certainly a subject that may be discussed during the Public Hearing.

STAR Transit

Funding for STAR Transit is still left to be determined in the proposed budget. We were told as much as $177,000 would be needed from City of Rockwall during the second 6 months of the budget year but after further talks with our consultants and the County having had discussions with STAR this may significantly lower. That information is still being developed and will be presented at the work session on Tuesday.

195

Fire Department

At the close of the budget work session, management staff was asked to consider how the Fire Department overtime might be impacted by the addition of 1 – 2 – 3 additional firefighters as were requested and disapproved in the budget. As proposed, the additional firefighters would increase the minimum staffing in a fire station and cause an increase in overtime in order to cover shifts when one of them was off duty for any reason. Current firefighter shifts, which are all considered in minimum staffing, are filled with either part time or full time staff on overtime when someone is off for a day

After review and meeting with Chief Poindexter and Battalion Chief Merritt, we were able to determine that 3 new firefighters could be added with a corresponding reduction of overtime of approximately $130,000. We can achieve overtime savings if we do not add to the new firefighters to minimum staffing and assume each new firefighter is assigned to A-B-C shifts to then cover days off for other firefighters who are included in minimum staff and for which we currently pay overtime to cover their days off. Each new firefighter would not be assigned to a particular station but would instead float between stations to fill open shifts. On those days when no other firefighters were off then the new person would be an additional firefighter on duty. Best case scenario this could be as much as 1/3 of the time. The budget proposal was $295,614 and the calculated best-case reduction of overtime is $130,000 leaving a net cost to be funded of $165,000 for 3 firefighters, which includes $27,000 of first year cost such as recruiting and equipment.

Conclusions

As the proposed budget was prepared, we left approximately $240,000 of current revenues unallocated in order to address any proposals, which might merit funding and arise during the process of budget consideration.

Council will need to hold the Public Hearing and provide staff direction on the above Fire Department and STAR Transit items.

The proposed budget will be considered for adoption at the September 21st meeting.

MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **September 4, 2015**

SUBJECT: **Fire Department Call Volume**

In an effort to provide the City Council with additional information that may be considered with the adoption of the FY 15-16 budget, the following data was collected from the CAD (Computer Aided Dispatch) system regarding the number and type of call runs made from each of the four fire stations. The time period for the data collected was June 24, 2014 through June 24, 2015.

Call Runs:

The fire department responded to close to 1,000 calls per year and approximately 50% of the calls have more than one station responding. During the period from which the data was collected, the call volume corresponded to 1,475 station runs. Copies of the Station Runs by Incident Type has been attached for each station and the total for all stations

Station 1: Station 1 made the most runs of the four stations with 540 station runs. This equates to 1.48 runs per 24 hour shift.

Station 2: Station 2 made 424 runs for the 12 month period and is the second busiest station. Station 2 personnel responded to an average of 1.16 calls per 24 hour shift.

Station 3: Station 3 made 253 runs between June 2014 and June of 2015. On average, Station 2 personnel made .69 runs per 24 hour shift or roughly 2 runs every three 24 shifts.

Station 4: Station 4 numbers are equal to Station 3 numbers with 253 runs during the same time period. Station personnel can expect to make two runs every three 24 hour shifts.

Total: Between the four stations, there were 1,475 station runs based on roughly 1,000 calls averaging 4 runs per day between the four stations.

Call Types:

When examining the Station Runs by Incident Type data, of the 1,475 station runs, a sampling of the type of calls and the number during the 12 month period are reflected below:

Public Service/Non-Paged	130
No Incident Found on Arrival	58
Dispatched and cancelled Enroute	51
Alarm System Activated/No Fire	120
Detector Activated/No Fire	20
Smoke Detector Activated/No Fire	79
Smoke Detector Activation Malfunction	58
False Alarm/False Call	29
Building Fire	24
Grass Fire	29

It is important to remember that the fire department's value cannot be judged solely on the type and volume of calls that are directed towards them. The value must include the "readiness factor" which is the ability to handle a situation with the available resources such as manpower and equipment and other factors such as communication tools, water availability and mutual aid agreements. We are very fortunate to have a well trained group of volunteers/part time firefighters that provide assistance to our full time staff when the need arises.

MEMORANDUM

TO: **City Council**

FROM: **Joey Boyd, Director of Internal Operations**

DATE: **August 10, 2015**

SUBJECT: **Renaming of Camelot Court**

The Council Naming Subcommittee (Councilmen White, Hohenshelt, and Milder) recently discussed the renaming of the residential street, Camelot Court, to Lynch Court in honor of Joseph P. Lynch, Sr. Mr. Lynch is one of four homeowners on this street.

Joseph P. Lynch was born in Boston, Massachusetts in 1949. He is the second oldest of fifteen children (three boys, twelve girls). He went to South Boston High School. Mr. Lynch enlisted in the U.S. Army in 1966 and served in Vietnam from 1967-1969 as a Helicopter Machine Gunner (SP5 E-5).

He spent seven month in 1969 at Chelsea Naval Hospital recovering from wounds. Mr. Lynch remained in the Army Reserve from 1969-1971 when he reentered the Army, 82nd Airborne Division, 1971-1979. In 1978, he received a Direct Commission to Warrant Officer one (W-1) and was stationed in both the United States and Germany until his retirement at the rank of Chief Warrant Officer in 1989.

Mr. Lynch moved his family to Rockwall in 2004. He has been married to his wife Connie for 46 years, has 4 sons, and 7 grandchildren. Mr. Lynch's volunteerism includes:

- Volunteer at Lake Point Hospital for two years, Radiology Department
- Volunteer at Dallas Veterans Court for four years, Mentor Coordinator
- Presently Volunteering at the Rockwall Veterans Court as a Mentor

Military Decorations include: Silver Star, Legion of Merit, Purple Heart, Air Medal with Combat V for Heroism, Army Commendation with Combat V for Heroism, Master Parachutist & Air Crew Member Badge

The Subcommittee members and city staff will be available to discuss this request at the meeting. A Resolution formally renaming this roadway is attached for the City Council's consideration as well as a map showing the street is included as an exhibit.

Joseph P. Lynch, Sr.

Joseph P. Lynch was born in Boston, Massachusetts in 1949. He is the second oldest of fifteen children (three boys, twelve girls). He went to South Boston High School. Mr. Lynch enlisted in the U.S. Army in 1966 and served in Vietnam from 1967-1969 as a Helicopter Machine Gunner (SP5 E-5).

He spent seven month in 1969 at Chelsea Naval Hospital recovering from wounds. Mr. Lynch remained in the Army Reserve from 1969-1971 when he reentered the Army, 82nd Airborne Division, 1971-1979. CITY OF ROCKWALL, TEXAS
RESOLUTION NO. 15-24

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, RENAMING A CERTAIN ROADWAY WITHIN THE CITY OF ROCKWALL, TEXAS; PROVIDING FOR EFFECTIVE DATE.

WHEREAS, the City of Rockwall has received a request to consider the renaming of Camelot Court; and

WHEREAS, Specialist Five Joseph P. Lynch, Sr. was awarded the Silver Star for gallantry in action while engaged in military operations involving conflict with an armed hostile force in the Republic of Vietnam during the Vietnam War; and

WHEREAS, on April 17, 1968, while serving as a crew chief of an armed helicopter during a combat mission near Khe Sanh, Republic of Vietnam, Specialist Lynch distinguished himself with exceptionally valorous action; and

WHEREAS, upon receiving a request for the evacuation of a wounded comrade in enemy controlled terrain, Specialist Lynch exposed himself to intense hostile ground fire as he placed accurate suppression fire on the insurgent's emplacements; and

WHEREAS, with enemy positions within close proximity, Specialist Lynch left the aircraft to aid the injured Marine to the helicopter; and

WHEREAS, Lynch's actions were directly responsible for saving the life of the Marine, and his gallant action was in keeping with the highest tradition of the military service, reflecting great credit upon himself, his unit, and the United States Army; and

WHEREAS, the Rockwall City Council wishes to honor Joseph P. Lynch, Sr., who is currently a resident of the City of Rockwall, by renaming a particular residential street; and

WHEREAS, the Rockwall City Council believes said street renaming to be a fitting and honorary recognition of Specialist Five Joseph P. Lynch, Sr. for this act of valor and for his military service to our country.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. Beginning September 18, 2015, the residential roadway currently known as Camelot Court shall become known as Lynch Court, a map of which is attached hereto as "Exhibit A;" and

Section 2. That adoption of this resolution shall take effect immediately from and after its passage and it is so resolved.

PASSED AND APPROVED by the City Council of Rockwall, Texas, this 8th day of September, 2015.

APPROVED:

_____
Jim Pruitt, Mayor

ATTEST:

_____
Kristy Cole, City Secretary

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **September 3, 2015**

SUBJECT: **Solid Waste Services Contract Action Item**

The City Council will hear Republic Waste proposal for contract renewal during work session on September 8th. Following that discussion the City Council will have an item on the 6pm agenda to allow actions to be taken on the proposal and approaching contract expiration date of December 31, 2015.

Council is asked to consider taking one of the following actions:

Authorize the City Manager to execute contract renewal documents with Republic Waste and bring the corresponding Rate Resolution back for Council action at a later date.

Authorize the City Manager to continue negotiations with Republic Waste with corresponding direction from the Council as to goals of the negotiation. Please note this would not allow time to go out to bid if this action is taken although we could perhaps work out a month-to-month contract to bridge the time gap.

Authorize the City Manager to seek bids from solid waste providers with the contract term to begin January 1.

Staff is prepared to answer any questions the Council may have and representatives from Republic Waste will be present at both the work session and during the action agenda.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manger*
Brad Griggs, *Assistant City Manager*

FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: September 8, 2015

SUBJECT: MIS2015-006; *H&G Supply Co. Parking Variance*

On July 15, 2015, the Planning and Zoning Commission approved a site plan (*Case No. SP2015*-015) for a 6,800 SF restaurant facility on the subject property at 2651 Sunset Ridge Drive (*i.e. the southeast corner of the IH-30 Frontage Road and Sunset Ridge Drive*). The subject property is zoned Planned Development District 32 (PD-32) and situated within the *Summit Office Subdistrict* of the Harbor District, which requires a minimum of one (1) parking space per 100 SF of building area for restaurants. To satisfy the requirement the site plan indicated that 68 parking spaces would be provided (*i.e. 53 surface parking spaces and 15 parking spaces in the Trend Tower parking garage*). Since this approval the applicant, Elias Pope of 8020 Restaurants, LLC, has submitted a request for the approval of a variance to the required number of parking spaces for the purpose of waiving the 15 parking spaces proposed to be located within the Trend Tower parking garage. Mr. Pope has indicated to staff that he is requesting relief to the parking requirements on the grounds that sufficient public parking has been provided. Currently, within the *Summit Office Subdistrict* ~37 on-street/surface parking spaces and a portion of the 441 parking spaces in the Trend Tower parking garage have been dedicated to public parking.

Provided in the attached packet is a copy of the applicant's email requesting the variance, a location map, and the approved site plan. Staff will be available to answer any questions.

Miller, Ryan

Ryan,

Thanks again for meeting with us. I am reaching out to request relief by reducing the required parking by 15 spaces in regards to our proposed restaurant next to Trend Tower. We are excited to bring out concepts to Rockwall and can't wait to get started.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 09/08/2015

APPLICANT: Duane and Jennifer Piercy

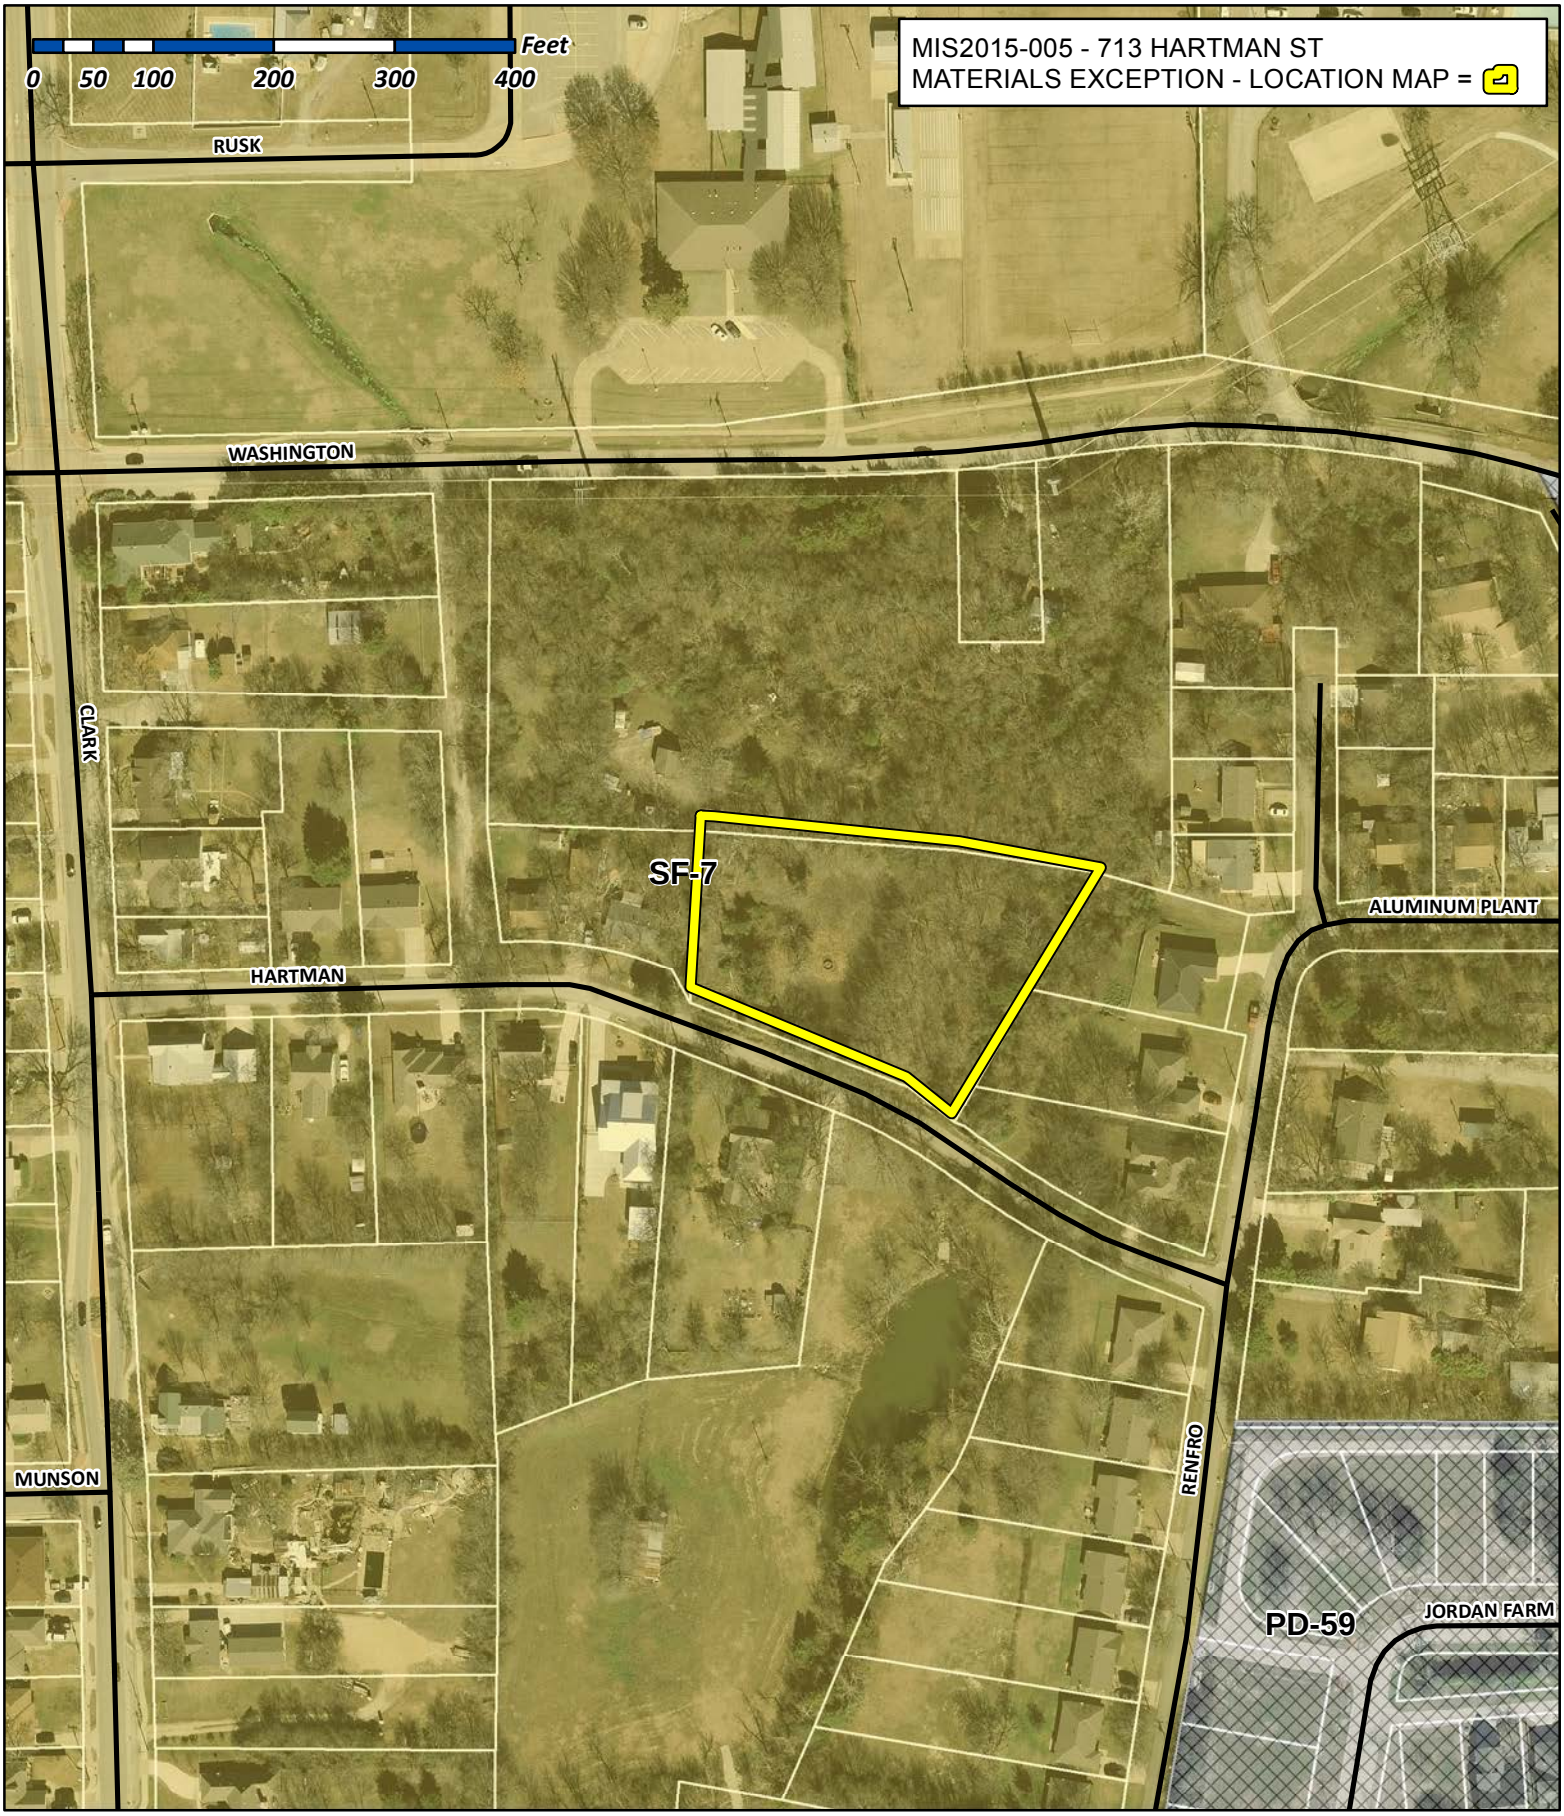
AGENDA ITEM: **MIS2015-005**; *Masonry Exception (713 Hartman Street)*

SUMMARY:

Discuss and consider a request by Duane and Jennifer Piercy for the approval of an exception to the minimum masonry requirements stipulated in Section 3.1, *General Residential District Standards*, of Article V, *District Development Standards*, of the Unified Development Code, for a 1.21-acre tract of land identified as Lot 1, Block A, Piercy Place Addition, City of Rockwall, Rockwall County, Texas, zoned Single Family 7 (SF-7) District, addressed as 713 Hartman Street, and take any action necessary.

CHARACTERISTICS OF REQUEST:

The applicants, Duane and Jennifer Piercy, are requesting an exception to the masonry requirements for the purpose of constructing a residential home that will have an exterior cladding of 100% cementaceous lap siding. According to Section 3.1, *General Residential District Standards*, of Article V, *District Development Standards*, of the Unified Development Code the minimum masonry (*i.e. brick, stone -- natural, cast or cultured -- glass block, tile and/or CMU*) requirement for exterior walls on structures that are 120 square feet or greater is 80%; with a maximum of 50% of this masonry requirement being permitted to be Hardy Plank®, stucco or a similar cementaceous material. Additionally, the code states that, "(e)xceptions to these requirements … may be permitted on a case-by-case basis by the [*city*] council upon submission and approval of elevation drawings of the subject structure, and materials samples." The applicants have submitted building elevations and renderings showing the proposed single family home, and state in a letter submitted to staff that the purpose of requesting the masonry exception is to match the materials and architectural style of the adjacent properties. The subject property is directly adjacent to the Old Town Rockwall Historic District, which has several properties that have utilized cementaceous, vinyl or wood siding in excess of 50%.



RECOMMENDATIONS:

If the City Council choose to approve the applicant's request staff would recommend the following conditions:

1) Any construction or building allowed by this request must conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On August 25, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the exception to the minimum masonry requirements by a vote of 6-0, with one vacancy on the Commission.

227

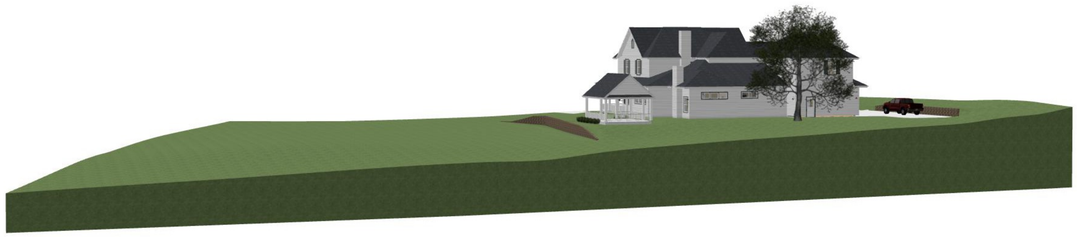
Rockwall Variance Request
713 Hartman St.

Duane and Jennifer Piercy are respectfully requesting a variance to the SF7 code requirement for 80% Masonry requirement.

We are building an early century Craftsman style house to be covered in Hardie-board style siding to be painted with early century paint scheme.

Our intention is to build a house that blends in well with the local architecture already in place. Our lot is Historic District Adjacent, and our house will be located directly across the street from one of the oldest houses in Rockwall. The house next to the aforementioned is located in the historic district and is also sided with Hardie board and is painted with and early century color scheme.

There are four other houses on Hartman St. that are sided, and only three that are bricked.
Additionally, we are less than a block as the crow flies from Park Place, which is 100% craftsman style.



Renfro St. and Clark St. bookend Hartman St, and those houses are a majority Sided houses.

Please see the pictures below to get an idea of the look of our house:

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Mayor and City Council**

FROM: **Rick Crowley, City Manager**

DATE: **September 3, 2015**

SUBJECT: **212 Agreement**

At the August 3 City Council meeting the staff presented and the Council approved and authorized my signature on a 212 Agreement with Joey Howell related to property east of the current city limit and in the city's ETJ.

The 212 Agreement obligated Mr. Howell and his development group to construct homes on the property which essentially meet the same construction standards as those currently being built in Stone Creek on one acre lots.

The County's development standards require 1.5 acre lots – a standard that the City is obligated to the County by Interlocal Agreement to enforce at the time of platting unless the 1.5 acre standard is waived by Rockwall County. Robert LaCroix and Mr. Howell had met with the Commissioners Court to discuss the 212 Agreement prior to that agreement coming before the City Council for consideration.

Quite honestly (based on discussions after that first Commissioners Court meeting with Robert LaCroix), I was under the impression that the County was "on board" with this development proposal, and, thus, the 212 Agreement was placed on the Council agenda. After that agreement was approved, it has become clear that the County was/is not "on board".

Mayor Pruitt and I met with County representatives after the 212 Agreement approval at which time it became clear that the Commissioners Court had taken no official action on the matter and that there was some likelihood that the variance to the 1.5 acre lot standard would not be approved by the Court. Given our Interlocal Agreement with Rockwall County (attached), if no such variance to lot size is granted by the County, an ETJ plat could not be approved by the City at the time of platting for lots of less than 1.5 acres without a County variance. The 212 Agreement would then have no practical relevance in that circumstance. Mayor Pruitt and I advised County officials that we would await their determination as to the lot size variance and return the 212 Agreement to the Council for consideration.

The Council had no way of knowing (at the time that the 212 Agreement came before you) that the County had requested that the agreement be drafted and returned to them for consideration before it was approved by the City. Having since spoken to both Mr. Howell and Mr. LaCroix, they both indicate that they left the County meeting with the impression that they should get the 212 Agreement approved at the City and then take it back to the County. Since the County

representatives were at the meeting and have reviewed recordings of the meeting, they have indicated that it is clear that both Mr. LaCroix and Mr. Howell must have misunderstood.

The week following the meeting that Mayor Pruitt and I had with County officials, the Commissioners Court took action to NOT approve the lot size variance (3-2) for this development. As indicated above, the lack of an approved lot size variance would preclude any significant materiality of the other standards outlined in the 212 Agreement. This all being the case, the reconsideration of the 212 Agreement and an item to rescind my authority to sign the 212 Agreement is on the agenda for the meeting Tuesday evening.

While I typically execute any agreement authorized by the Council as soon as practicable, I did not move quickly for several reasons to execute this particular agreement, and since the issue related to County concurrence has arisen, I have not since executed the agreement on behalf of the City due to the possibility that the Council might reconsider the matter.

Mr. Howell has submitted the attached email related to the Council's consideration of the two related items on the agenda for Tuesday. He is requesting to address the Council at the meeting for the purpose of asking the Council to table reconsideration of the 212 Agreement pending his future request that the Commissions Court reconsider the lot size variance. Mr. Howell has also requested copy of this packet memorandum and related materials which I will provide to him.

My view is that it appears that a misunderstanding from the first County Commissions Court meeting led us to put the 212 Agreement on the City Council agenda before it should have been placed on that agenda. It was approved; however, it has not been executed. Since that time the relevance of the agreement has been nullified by the Commissions Court action to NOT approve the lot size variance. That action stands unless it is changed by the Commissioners Court. This all being the case, it appears to me that reconsideration of the 212 Agreement should occur – this time with the Council having the information that was not available to you at the last meeting.

To be clear Rockwall County is in the position to determine whether a lot size variance is to be granted, and, thus, whether a 212 Agreement involving the city has any significance. Further, the Staff should have been clear in our understanding of the outcome of the first Commissioners Court meeting before we put the Council in the position of considering the 212 Agreement at the last meeting.

>
> **Subject: RE: Agenda item - 212 Agreement on 98 acres**
>
> Thank you very much for letting me know Rick and for all that you all have done in working with us on this project.
>
> As I said in our call, I'd appreciate the City giving us the opportunity to have the time to work with the County to obtain the variance request and pending that, to not take action that would change the status of the 212 agreement, as that could be detrimental to obtaining the approval from the County. When I first heard about this from the City staff, they didn't have the details on this agenda item but thought that it might be just to authorize you to not sign the 212 agreement, pending a resolution of this with the County; and I'd appreciate any action just being along that line, so that we are able to effectively move forward on the variance request by the County.
>
> Both Judge Sweet and Commissioner Bailey voted for the variance from the minimum 1.5 acre lot rule because of the City's 212 agreement, and they both encouraged us to get with Commissioners Sevier and Gilbert to bring it back to the Commissioners Court for reconsideration, as they had expected at least one of them to vote for it. We and some City Councilmen are requesting that such Commissioners do that and that one of them put this back on the agenda, which we are hopeful that they will do on this coming Tuesday (but it might get delayed to the next meeting, 2 weeks thereafter).
>
> The City Council voted for the 212 agreement unanimously for this and many of them are working with us to have the variance approved by the County, so we'd appreciate the City Council either tabling this until we work this back through the County or only taking action that allows us to proceed to obtain the variance. Please send this request to the City Councilmen as part of their meeting package for next Tuesday's meeting.
> We would also appreciate you sending me anything that is sent out to the City Council for review with this agenda item and to have the opportunity to address the Council in connection with whatever action is being considered.

Thank you very much all for the consideration of this request.

Subject: Agenda item

Joey

Follow up from your call yesterday:

Mayor Pruitt has requested that the 212 agreement discussion should be returned for reconsideration by the Council. I concur that the recent action by Rockwall County warrants that reconsideration. It will be on the Council agenda for the meeting this coming Tuesday.

If you have any questions which we did not discuss yesterday, please let me know.

Thanks,
Rick

CHAPTER 212 TEXAS LOCAL GOVERNMENT CODE
DEVELOPMENT AGREEMENT

This Agreement is entered into pursuant to Section 212.172 Texas Local Government Code by and between the City of Rockwall, Texas [*the 'City'*] and **TERRAVISTA INVESTORS, LLC**, [*'Owner's'*] the property owners of the hereinafter described property [*the 'Property'*] in Rockwall County, Texas, sometimes individually or collectively referred to as *Party* or *Parties*:

> That property described in a deed to **TERRAVISTA INVESTORS, LLC** which is recorded at *Volume 7283 Page 108* of the Deed Records of Rockwall County, Texas, and commonly known as *Tax Parcel No.* **0142-0000-0018-01-0R & 0142-0000-0018-00-0R**, which is attached hereto as *Exhibit 'A'*, consisting of approximately **97.2821** acres of land.

WHEREAS, *Owners* represent that the *Property* is within the *City's* existing extraterritorial jurisdiction ("ETJ") and more particularly described in ***Exhibit 'A'***; and

WHEREAS, *Owners* desire that the *Property* remain in the *City's* extraterritorial jurisdiction for the term of this Agreement;

WHEREAS, *Owners* and the *City* acknowledge that this Agreement between them is binding upon the *City* and the *Owners* and their respective successors and assigns for the term of the Agreement;

WHEREAS, *Owners* represent that it is their intention to develop the *Property* during the term of this Agreement in accordance with the Concept Plan, as set forth and described in *Exhibit 'B'* attached hereto; and

WHEREAS, this Agreement is to be recorded in the Real *Property* Records of Rockwall County;

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the Parties hereto agree as follows:

SECTION 1.

Continuation of ETJ Status. The *City* guarantees the continuation of the ETJ status of the Property and agrees not to annex the *Property* for the term of this Agreement, as hereinafter defined, and any subsequent renewals as may be agreed upon by the Parties, subject, however, to the provisions of this Agreement.

SECTION 2.

Concept Plan. The *Owners* covenant and agree that use of the *Property* for the term of this Agreement and any extensions agreed to by the Parties shall be limited to those uses described on a concept plan prepared by the landowner and approved by the *City* of Rockwall and herein attached as ***Exhibit 'B'***. Such uses and activities constitute the Concept Plan for the *Property* in satisfaction of Texas Local Government Code *Section*

212.172(b). The *City* hereby approves the use and development of the *Property* in accordance with the Concept Plan, and, specifically approves the land use as described and identified in the Concept Plan. The Concept Plan may be amended from time to time by written agreement between the Parties.

SECTION 3.

Governing Regulations

(A) To the extent not inconsistent with the approved Concept Plan, the following Rockwall regulations shall apply to any development of the *Property*, as may be amended from time to time, provided that the application of such regulations does not prevent the continuation of a use established prior to the effective date of this Agreement and which remains lawful at the time the Agreement is executed:

(1) The Rockwall Unified Development Code Ordinance [*Ordinance No. 04-38*] as amended; for purposes of evaluating any proposed development of the *Property* under the Unified Development Code.

(2) The Subdivision Regulations, Chapter 24 of the Code of Ordinances and as amended, together with Standards of Design and Construction, City of Rockwall Texas, as supplemented by the North Central Texas Council of Governments Standard Specifications for Public Works Construction, North Central Texas, 3rd Ed. 1998 (NCTCOG Manual).

(3) The Building Codes, [*Ordinance No. 12-02*], adopting:

a. *International Building Code, 2009 Edition with amendments;*

b. *International Residential Code, 2009 Edition with amendments;*

c. *The International Fire Code, 2009 Edition with amendments;*

d. *International Plumbing Code, 2009 Edition with amendments;*

e. *International Fuel Gas Code, 2009 Edition with amendments;*

f. *Rockwall Code of Ordinances, Property Maintenance Code, with amendments;*

g. *Uniform Swimming Pool Code, 2009 Edition with amendments; and*

h. *International Energy Conservation Code, 2009 Edition with amendments.*

i. *National Electric Code, 2008 Edition with amendments.*

j. *Rockwall Code of Ordinances, Fences, with amendments;*

k. *Rockwall Code of Ordinances, Dangerous Buildings, with amendments;*

l. *Rockwall Code of Ordinances, Moving of Buildings, with amendments.*

(4) *The Sign Regulations, Section 15-232 (B)* [*Ordinance 10-07*].

(B) If, pursuant to this Agreement or following termination of the Agreement, portions of the *Property* are annexed to the City, the Parties further covenant and agree that the use and development of such land thereupon shall be subject to the regulations of the lowest intensity single-family residential district and the subdivision regulations then in effect. In the event any portion of the *Property* is developed in compliance with this Agreement, then following annexation the *Property* will be rezoned consistent with the City's approved Comprehensive Plan so that development pursuant to this Agreement does not result in a nonconforming use of the *Property* and the future use and development of such land shall be governed by the regulations of the zoning district to which the land is reclassified and the subdivision regulations in effect at the time of approval of such rezoning.

SECTION 4.

Agreement Deemed Void in Part; Voluntary Annexation.

(A) If an *Owner* files any application for or otherwise commences development of any portion of the *Property* inconsistent with the concept plan provided in Section 2, Sections 1 and 3 of this Agreement shall become null and void, except as herein expressly provided for.

(B) Thereafter the City may initiate annexation of the *Property* pursuant to Texas Local Government Code Subchapter C-1, or other such other provisions governing voluntary annexation of land as may then exist. *Owners* expressly and irrevocably consent to annexation of the *Property* under such circumstances. The *Owners* further agree that such annexation by the City shall be deemed voluntary, and not subject to the requirements and procedures for an annexation plan, as required by Texas Local Government Code Section 43.052, or successor statute.

(C) Any development application that is submitted to the City for the *Property* during the term of this Agreement or during any extension, that is inconsistent with the concept plan and governing regulations, shall be denied based upon such plan and governing regulations, which collectively shall constitute regulations in effect at the time such application is submitted. The *Owners* expressly waive any vested rights that might otherwise arise under Texas Local Government Code Section 43.002 or Chapter 245 of the Texas Local Government Code, or successor statute, from the submittal of such inconsistent development application. The *Owners* further agree that no use commenced or completed on the *Property* that is inconsistent with the Concept Plan shall be considered established or in existence prior to the date that the City annexes the *Property* pursuant to this section.

(D) If the City's right to annex, as of the date of this Agreement, is in any way diminished by a subsequent act by the Legislature of the State of Texas during the one year period or any additional period, that this Agreement is in effect, then such act shall be considered as a voluntary petition to annex.

SECTION 5.

Notice of Sale. If the *Owner* sells or conveys any portion of the *Property*, prior to such sale or conveyance, *Owner* shall give 30 days written notice of this Agreement to the prospective purchaser or grantee and the prospective purchaser or grantee acknowledge the City's rights under the terms of this Agreement. A copy of said notice and acknowledgement shall be forwarded to the City at the following address:

Attn: City Manager
City of Rockwall
City Hall
305 S. Goliad Street
Rockwall, Texas 75087

SECTION 6.

Recording. This Agreement is to run with the *Property* and be recorded in the real property records, Rockwall County, Texas.

SECTION 7.

Severability. Invalidation of any provision of this Agreement by judgment or court order shall not invalidate any of the remaining provisions which shall remain in full force and effect. It is the intent of the parties that, should it be determined that any portion of the *Property* was outside of the City's then existing ETJ at the time this Agreement took effect, the provisions of this Agreement shall apply to the remainder of the *Property* located within the City's extraterritorial jurisdiction.

SECTION 8.

Remedies. This Agreement may be enforced by either *Owners* or the City by any proceeding at law or in equity. Failure to do so shall not be deemed a waiver to enforce the provisions of this Agreement thereafter. Entry into this Agreement by *Owners* waive no rights as to matters not addressed in this Agreement.

SECTION 9.

Change in Law. No subsequent change in the law regarding annexation shall affect the enforceability of this Agreement or the City's ability to annex the properties covered herein pursuant to Section 3.

SECTION 10.

Venue. Venue for this Agreement shall be in Rockwall County, Texas.

SECTION 11.

Execution in Multiple Copies. This Agreement may be separately executed in individual counterparts and, upon execution, shall constitute one and same instrument.

SECTION 12.

Term and Extension. The initial term of this Agreement shall be for a period of fifteen (15) years from the Effective Date (*the 'Term'*). The Effective Date of the Agreement shall be the date the Agreement is executed by the City. Within 180 days prior to end of the Term of the Agreement, the City shall notify the *Owners* in writing that the Agreement is due to expire. If *Owners* desire to extend the operation of this Agreement beyond its Term, the *Owners*, at least 150 days prior to the end of the Term, shall submit a written request to the City for such an extension (*an 'Extension Request'*). The City, at least 90 days prior to the end of the Term shall notify *Owners* in writing, delivered by certified mail, with respect to its decision whether to extend this Agreement for an additional one (1) year term (*referred to as a 'Subsequent Term'*). In the event such written notice from the City of its decision is not received by the *Owners* at least 90 days prior to the end of that Term such Extension Request is deemed granted and this Agreement continues for another Subsequent Term.

SECTION 13.

Termination. If the *Owners* do not provide an Extension Request pursuant to Section 12, or upon a written decision by the City not to extend the term of this Agreement for a Subsequent Term following the Term, then *Owners* shall be deemed to have filed a petition for voluntary annexation as of the end of the Term of this Agreement. If *Owners* submitted an Extension Request, then a notice pursuant to Section 13 by the City that it has decided not to extend the Term of this Agreement shall also include a notification whether it intends, subject to the procedures required by law, to accept the petition for voluntary annexation. If *Owners* did not submit an Extension request then the City, at least 90 days prior to the end of the Initial Term, shall provide a written notification to *Owners*, by certified mail, whether it intends, subject to the procedures required by law, to accept the petition for voluntary annexation. Any annexation proceedings pursuant to this section shall be commenced within 180 days after the end of the Term.

SECTION 14.

Negotiations. Upon termination of this Agreement and the decision by the City to accept the petition for voluntary annexation by the *Owners*, as provided in Section 12 or Section 13, then *Owners* and the City will enter into good faith negotiations regarding the service plan to be implemented, provided that, unless the parties agree otherwise, the service plan for such land shall conform to, and be implemented in accordance with the City's then existing adopted comprehensive and utility master plans. Upon annexation, the zoning shall initially be a use consistent with development of the *Property* consistent with the Concept Plan or if the *Property* has not been developed, the lowest intensity residential district, until an appropriate change in zoning is made pursuant to Chapter 211, Texas Local Government Code or successor statute. In connection with annexation pursuant to this section, the *Owner* hereby waives any and all vested rights and claims that he may have under Section 43.002(a)(2) and Chapter 245 Texas Local Government Code that would otherwise exist by virtue of any actions *Owners* may take between the termination of this Agreement and the completion of annexation proceedings by the City. Unless the City declines to annex the *Property* on the petition of the property *Owner*, the Concept Plan and governing regulations

consistent with the Concept Plan shall apply to any proposed development application prior to completion of annexation proceedings and the adoption of permanent zoning regulations for the *Property*, and the Concept Plan and governing regulations consistent with the Concept Plan shall be kept in effect for such purposes.

SECTION 15.

Survival of Covenants. The covenants in Sections 2, 4, 14, and 15 shall survive termination of this Agreement, together with any other provisions, as may be necessary for the implementation of those sections.

The Parties hereto have executed this agreement as of _____.

Exhibit 'A'
Legal Description

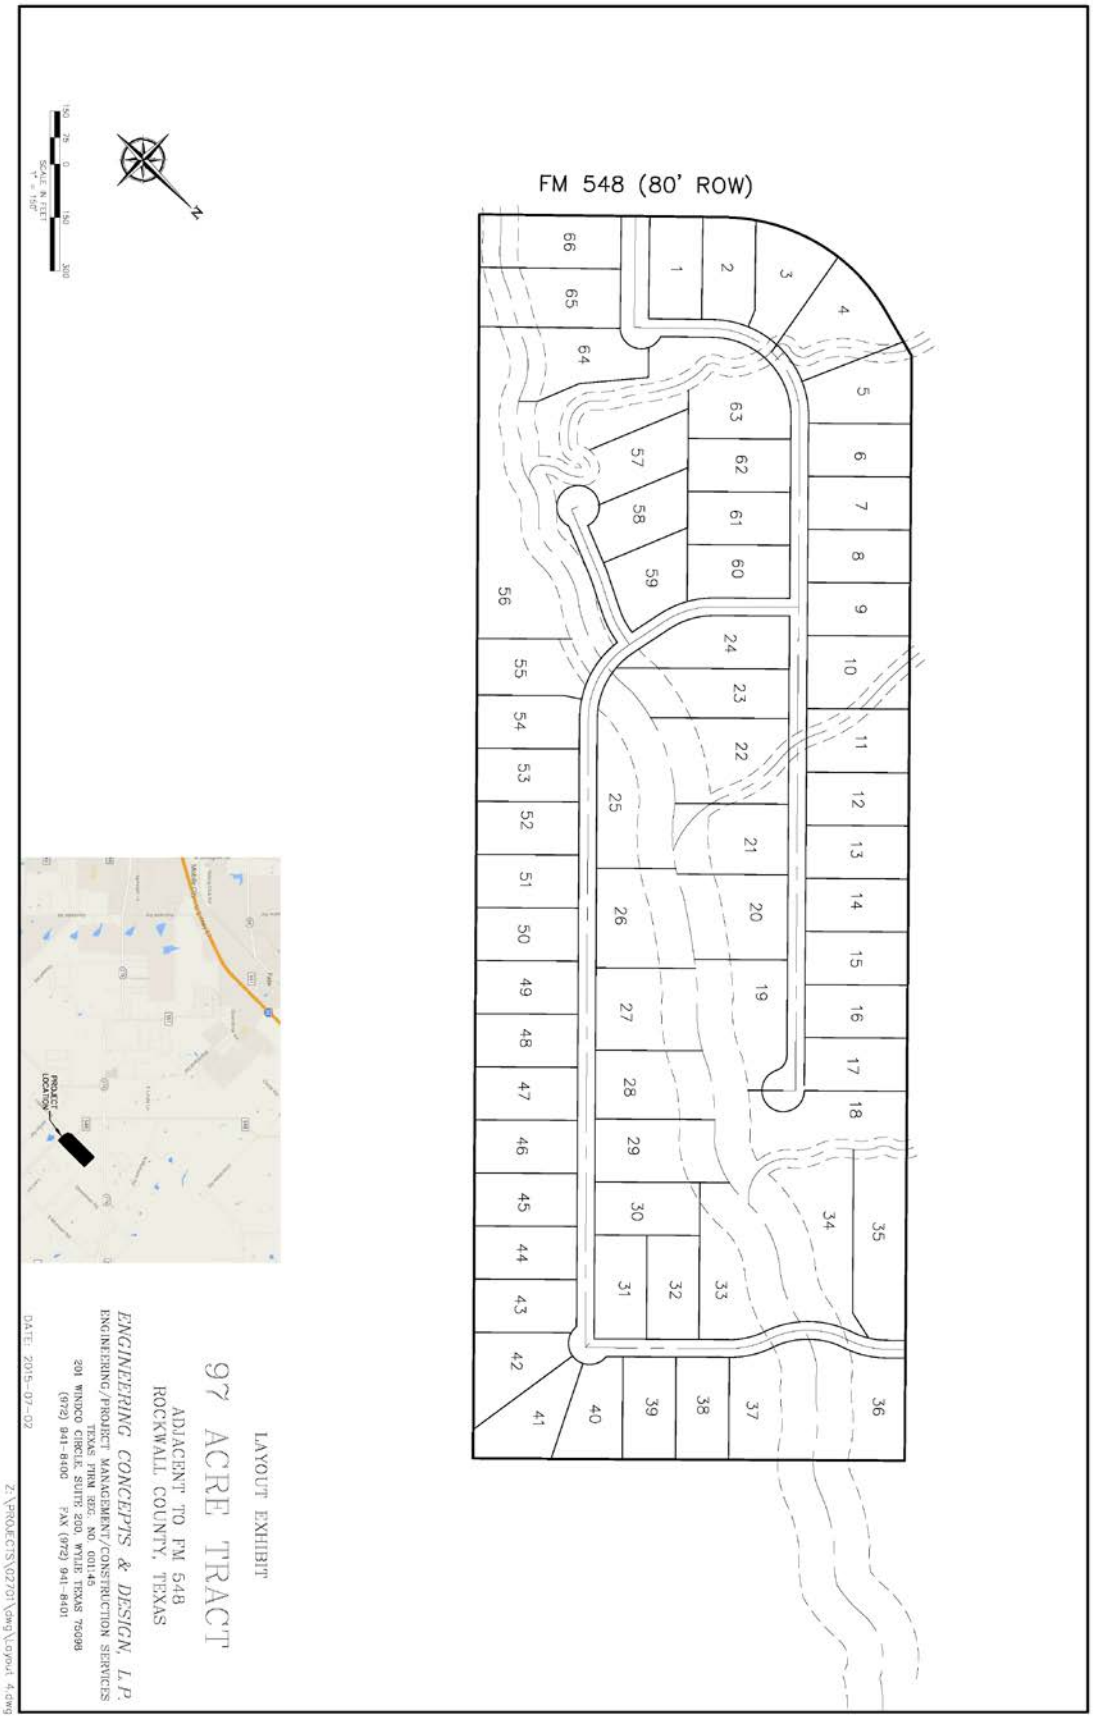
TRACT 1:

PART of the S. McFadgin Survey, Abstract No. 142, situated in Rockwall County, Texas, being the same tract of land described by Substitute Trustee's deed to Meridian Bank Texas (Tract 1) recorded in Volume 6659, Page 53 of the Real Property Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2 inch iron rod found for the west corner of said Meridian tract, also for the west corner of a tract of land described by deed to Nan B. Miller recorded in Volume 7042, Page 75 of the Real Property Records of Rockwall County, Texas, also lying on the easterly line of Farm Market Road 548, an 80.00 feet wide right-of-way;

THENCE North 45 degrees 21 minutes 36 seconds East, along the northwest line of said Meridian tract and the southeast line of said Miller tract, along a wire fence, passing at a distance of 319.42 feet a 1/2 inch iron rod found for the east corner of said Miller tract and the west corner of the remainder tract to Glenn R. Robinson and wife, Gay L. Robinson recorded in Volume 532, Page 176 of the Deed Records of Rockwall County, Texas, and continuing along the northwest line of said Meridian tract and said wire fence, passing at a distance of 2,956.48 feet a 1/2 inch iron rod found for the east corner of a tract described by deed to Ronald Adley recorded in Volume 3774, Page 118 of the Real Property Records of Rockwall County, Texas, same being the most westerly corner of a 15.00 acre tract described by deed to Paul Bennett and Dorothy Alexander recorded in Volume 168, Page 711 of the Deed Records of Rockwall County, Texas, and continuing along the northwest line of said Meridian tract and a southeast line of said Bennett tract, and said wire fence, for a total distance of 3,127.32 feet to a 1/2 inch iron rod found for the north corner of said Meridian tract and an ell corner of said Bennett tract, from which a 1/2 inch iron rod found bears North 49 degrees 07 minutes 01 second West, 1.13 feet;

THENCE South 44 degrees 41 minutes 35 seconds East, along the northeast line of said Meridian tract and along a wire fence, a distance of 1,219.13 feet to a 1/2 inch iron rod found for the east corner of same, also for the north corner of a tract of land described by deed to Glenn Chadwell Turner and Kimberly Michelle Turner recorded in Volume 1676, Page 278 of the Deed Records of Rockwall County, Texas;



THENCE South 45 degrees 17 minutes 01 seconds West, along the southeast line of said Meridian tract, and the northwest line of said Turner tract, also along a wire fence, passing at a distance of 363.02 feet a 1/2 inch iron rod found for the west corner of said Turner tract, and the north corner of a tract of land described by deed to Dwane Turner recorded in Volume 1676, Page 267 of the Deed Records of Rockwall County, Texas, and continuing along the southeast line of said Meridian tract and the northwest line of said Dwane Turner tract, continuing along said wire fence, passing at a distance of 1,196.66 feet a 1/2 inch iron rod with cap stamped "R.P.L.S. 2291" found for the west corner of said Dwane Turner tract and the north corner of a tract of land described by deed to Crowell Development, Co., Inc. recorded in Volume 4417, Page 152 of the Real Property Records of Rockwall County, Texas, and continuing along the southeast line of said Meridian tract and the northwest line of said Crowell Development tract, continuing along said wire fence, for a total distance of 3,521.25 feet to a 1/2 inch iron rod with cap stamped "TIPTON" found for the south corner of said Meridian tract and the west corner of said Crowell Development tract, also lying on the northeast line of the aforementioned Farm Market Road 548;

THENCE North 44 degrees 19 minutes 08 seconds West, along the northeast line of said Farm Market Road 548, a distance of 692.70 feet to a 1/2 inch iron rod found for the beginning of a curve to the right having a radius of 533.69 feet, a central angle of 59 degrees 13 minutes 01 second, and a chord which bears North 14 degrees 43 minutes 13 seconds West, 527.36 feet;

THENCE along the northeast line of said Farm Market Road 548, and said curve to the right in a northwesterly direction, an arc distance of 551.58 feet to a 1/2 inch iron rod found at the end of said curve;

THENCE North 14 degrees 53 minutes 23 seconds East, continuing along the northeast line of said Farm Market Road 548, a distance of 146.05 feet to the PLACE OF BEGINNING and containing 4,237,610 square feet or 97.282 acres of land.

Exhibit 'B'
Concept Plan

Development Standards.

1. *Permitted Uses.* Unless specifically provided by this agreement, only those uses permitted within the Single Family 1 (SF-1) District, as stipulated by the *Permissible Use Charts* contained in Article IV, *Permissible Uses*, of the Unified Development Code (UDC), are allowed on the *Subject Property*.

2. *Density and Dimensional Requirements.* The maximum permissible density for the *Subject Property* shall not exceed one (1) dwelling unit per gross acre of land; however, in no case should the proposed development exceed 66 units. All lots shall conform to the standards depicted in *Table 1* below unless specifically provided for in *Table 2* below.

Table 1: Lot Dimensional Requirements

Minimum Lot Width [1]	150'
Minimum Lot Depth	250'
Minimum Lot Area [6]	43,560 SF
Minimum Front Yard Setback [2]	40'
Minimum Side Yard Setback [7]	15'
Minimum Side Yard Setback (Adjacent to a Street) [7]	20'
Minimum Length of Driveway Pavement (Rear and Side Yard Only)	25'
Maximum Height [3]	36'
Minimum Rear Yard Setback [4]	20'
Minimum Area/Dwelling Unit (SF) [5]	2,600 SF
Maximum Lot Coverage	45%
Minimum Number of Paved Off-Street Parking Spaces	2 Spaces
Minimum Distance Between Buildings	10'

General Notes:

[1]: The minimum lot width shall be measured at the *Front Yard Building Setback*. The Director of Planning or his designee may grant a reduction in the required lot width by up to 10% of the required width if deemed necessary to the design of the lot.

[2]: The location of the *Front Yard Building Setback* as measured from the front property line.

[3]: The *Maximum Height* shall be measured to the eave or top plate (whichever is greater) of the single family home.

[4]: As measured from the rear yard property line.

[5]: The minimum area/dwelling unit only includes air conditioned square space.

[6]: The minimum lot area refers to area outside of the floodplain, as defined per the City's regulations.

[7]: Masonry wing walls may extend five (5) feet beyond the applicable side yard setback.

3. *Building Standards.* All development shall adhere to the following building standards:

(a) *Masonry Requirement.* The minimum masonry requirement for the exterior façades of all primary structures (*i.e. dwelling units only*) shall be 80%. For the purposes of this agreement the masonry requirement shall be limited to full width brick, natural stone, cast stone, cementaceous fiberboard horizontal lap-siding (*e.g. HardiBoard or Hardy Plank*), and stucco (*i.e. three [3] part stucco or a comparable -- to be determined by staff*). Cementaceous products (*e.g. HardiBoard, Hardy Plank, Stucco, etcetera)* shall be limited to 50% of the masonry requirement.

(b) *Roof Pitch.* A minimum of an *8:12* roof pitch is required on all structures with the exception of porches, which shall have a minimum of a *4:12* roof pitch.

(c) Garage Orientation. Garages shall be accessed from a traditional *'J'-Swing* or *Swing* type driveway arrangement. A second, single garage door facing the street is permitted behind the width of the required double door garage that is accessed from a traditional *'J'-Swing* or *Swing* configuration.

4. Anti-Monotony Restrictions. The development shall adhere to the following *Anti-Monotony* restrictions (*for spacing requirements see the illustration below*):

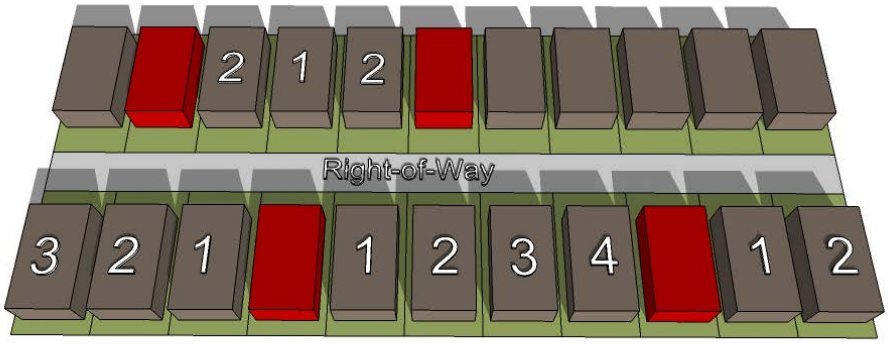
(1) Exterior wall materials must comply with the *Masonry Requirements* listed in *Section 3.(a)*. Additionally, all chimneys are required to utilize masonry materials.
(2) Identical brick blends or paint colors may not occur on adjacent (side-by-side) properties along any block face without at least four (4) intervening homes of differing materials on the same side of the street beginning with the adjacent property and two (2) intervening homes of differing materials on the opposite side of the street.
(3) Front building elevations shall not repeat along any block face without at least four (4) intervening homes of differing appearance on the same side of the street and two (2) intervening homes of differing appearance on the opposite side of the street. The rear elevation of homes backing to open spaces or on FM-548 shall not repeat without at least two (2) intervening homes of differing appearance. Homes are considered to have a differing appearance if any of the following two (2) items deviate:

(a) Number of Stories
(b) Garage Location
(c) Roof Type and Layout
(d) Articulation of the Front Façade

(4) Crown molding will be installed in all living and family rooms, unless vaulted or pop-up ceilings are utilized. No *Formica* countertops may be installed in kitchens and/or bathrooms, and vinyl flooring and blown acoustic ceilings are prohibited.
(5) Each phase of the subdivision will allow for a maximum of four (4) compatible roof colors, and all roof shingles shall be an architectural or dimensional shingle (*3-Tab Roofing Shingles are prohibited*). Alternatively, a tile, metal or other higher quality may be utilized as a roofing material pending it conform to the *Anti-Monotony Restrictions* stated in this section.

See the Illustrations on the following page.

Illustration 1: Properties line up on the opposite side of the street. Where RED are the same.



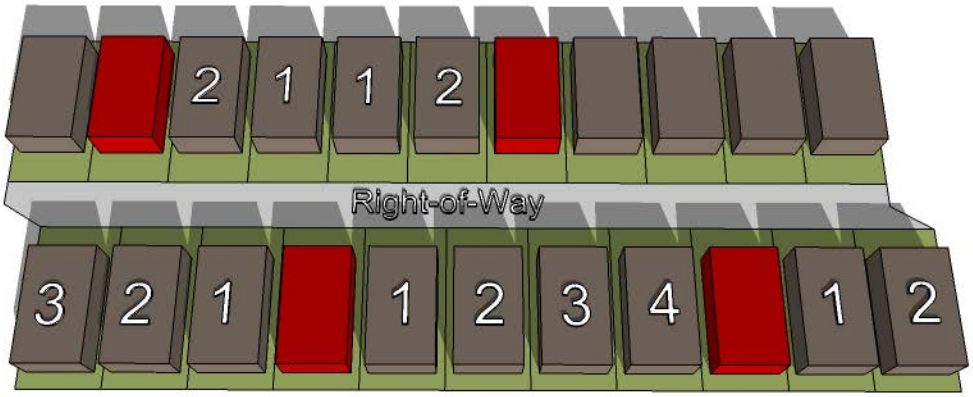


Illustration 2: Properties do not line up on opposite side of the street. Where RED are the same.

5. *Fencing Standards.* Fences are not mandatory for any lot within this subdivision; however, if a property owner chooses to construct a fence it will need to adhere to the following standards:

   (a) Solid Residential Fencing. All solid residential fencing shall be cedar standard fencing material (minimum ½" thickness) or better (*spruce fencing is not allowed*). All cedar pickets shall be placed on the *public side* facing the street or neighboring property.
   (b) Wrought-Iron/Tubular Steel Fencing. Lots located along perimeter roadways (*i.e. FM-548*) and abutting open spaces, greenbelts and/or a park [*if* any] -- *excluding, land abutting development land or yard areas of adjacent properties/homes* -- shall be required to install tubular steel or wrought-iron fencing.
   (c) Common Area Fencing. All common areas and perimeter fencing shall be maintained by a Homeowners Association (HOA) as specified by the *Subdivision Regulations* contained in *Chapter 38* of the City's *Municipal Code of Ordinances*. Common area fencing shall be constructed of tubular steel or wrought-iron and not exceed six (6) feet in height.

6. *Landscaping.* At the time of final inspection of the finished home, all single-family lots shall be landscaped with large canopy trees as follows:

   (a) Two (2) minimum three (3) inch caliper trees, as measured six (6) inches above the root ball, shall be planted in the front yard of all interior lots.

(b) Two (2) minimum three (3) inch caliper trees, as measured six (6) inches above the root ball, shall be planted in the front yard of all corner lots and two (2) additional trees shall be planted in the side yard facing the street.

Note. Any existing trees that are in conformance with the tree mitigation requirements stipulated by Article IX, Tree Preservation, of the Unified Development Code, which can be preserved, will be counted as credits towards all required landscaping requirements.

7. *Lighting.* Light poles shall not exceed 20-feet in total height (*i.e. base and lighting standard*). All fixtures shall be directed downward and be positioned to contain all light within the development area.

8. *Streets.* The street cross sections shall be as depicted within *Exhibit 'B'* of this agreement. The property owner (with direct adjacency) shall be responsible for maintaining the area between edge of pavement and their property line (*i.e. the bar ditches/drainage areas*).

9. *On-Site Sewage Facilities. Septic Systems* are permitted on all lots within this subdivision pending conformance to the following standards:

   (a) All *Septic Systems* shall be designed by a licensed *On-Site Sewage Facility (OSSF)* professional (*e.g. licensed engineer, sanitarian, and etcetera*).
   (b) A stamped and signed copy of the *Septic System* plans indicating the full limits of the septic field shall be submitted to the city at the time of construction on a *lot-by-lot* basis.
   (c) All *Septic Systems* shall be inspected and approved by the City's chosen inspector.

10. *Buried Utilities.* New distribution power-lines required to serve the *Subject Property* shall be placed underground, whether such lines are located internally or along the perimeter of the *Subject Property*, unless otherwise authorized by the City Council. New transmission power-lines, or distribution lines of a size not typically or cost effectively placed underground (*3-phase lines*), or additional lines that are added to existing poles, may be above ground, if located along the perimeter of the *Subject Property*. The *Developer* shall not be required to relocate existing overhead power-lines along the perimeter of the *Subject Property*.

11. *Neighborhood Signage.* Permanent subdivision identification signage shall be permitted at all major entry points for the proposed subdivision. Final design and location of any entry features shall be reviewed and approved with the final plat.

12. *Homeowner's Association (HOA).* A Homeowner's Association shall be created to enforce the restrictions established in accordance with the requirements of *Section 38-15* of the *Subdivision Regulations* contained within the *Municipal Code of Ordinances* of the City of Rockwall. The HOA shall also maintain all neighborhood parks, trails, open space and common areas, irrigation, landscaping, screening fences associated with this development.

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Cole, Assistant to the City Manager / City Secretary**

DATE: **September 3, 2015**

SUBJECT: **Boards & Commissions (Re)Appointments**

Since the last council meeting, staff has received feedback from various council members concerning board & commission appointments.

Regarding the **Animal Adoption Center/Shelter Advisory Committee**, Councilmember Fowler is recommending reappointment of the following board members:

- **Ken Dickson**
- **Dr. Kurt Avery and**
- **Sandra Solomon**

Regarding the **Architectural Review Board**, Councilmember Fowler is recommending that the council consider replacing current board member Engiell Tomaj with new appointee, **Ralph Chizzonite**. Councilman Fowler is also recommending reappointment of the following board members through August 2017:

- **Enid Reyes**
- **Ashlei Neil and**
- **Jimmy Strohmeyer**

Regarding the **Historic Preservation Advisory Board**, Mayor Pruitt is recommending that the Council consider reappointing the following board members through August 2017:

- **Mike Mishler** and
- **Carolyn Francisco**

Furthermore, he recommends replacing current board members Glen Turbyfill and Michael Keegan with new appointees, **Daniel Nichols** and **Gabriel Castro.**

Regarding the **Board of Adjustments**, Council is asked to consider reappointing:

- **Stephen Geiger** and
- **Martin Musser**

Regarding the **Building & Standards Commission**, Council is asked to consider reappointing:

- **Dennis Dayman** and
- **Freddie Jackson**

One new, 'outright' appointment/appointee is still needed for this board (BSC), as an existing member (Glenn Carr) is 'termed out.'

Regarding the **Youth Advisory Council (YAC),** Councilmembers White and Fowler, along with three existing YAC students, City Secretary Kristy Cole and RHS Geography Teacher Brandy Glover met September 2 to interview twelve applicants to fill vacancies for this school year's program. The interview panel is recommending that Council consider appointing the following slate of students to YAC for the 2015-16 school year:

1. Beth Naylor (re-appointment) – Senior, homeschool
2. Isabella Burzair (re-appointment) – Senior, RHHS
3. Baldwin Bakkal (re-appointment) – Senior, RHHS
4. Derek "Gunner" Avenetti (re-appointment) – Senior, RHS
5. Cate Ghormley (re-appointment) – Senior, RHS
6. Logan Peet (re-appointment) – Senior, RHHS

7. Jake Mirelez (re-appointment) – Senior, RHS
8. Reid Rakow (re-appointment) – Junior, RHS
9. Bethany Villalobos (re-appointment) – Sophomore, RHS
10. Lanson Bennett (new appointment) – Senior, Heritage Christian Academy
11. Avery Dalfrey (new appointment) – Junior, RHHS
12. Zully Zavala (new appointment) – Junior, RHS
13. Caleb Davis (new appointment) – Freshman, homeschool

All of the above students are Rockwall residents except Caleb Davis and Jake Mirelez. Fate City Manager, Michael Kovacs, has agreed to financially sponsor both of these students to participate in Rockwall's YAC program this school year.

Re: July Structure fire report
Date: August 18, 2015

109 N. Goliad

We responded to a report of a possible structure fire on July 26, 2015. Upon arrival, Ladder 1 checked on scene with nothing showing from the front of the building. A police officer met Ladder 1 personnel to advise them the building was full of smoke and the glass storefront was hot to the touch. Ladder 1 Officer along with 2 other firefighters made a forced entry into the building and were met with heavy smoke conditions. Upon my arrival I quickly made the decision to have firefighters make entry into the building to the South of the fire building, which is 107 S. Goliad, and take a hose line to check to see if the fire had spread to that location and if it had not make sure that it did not get into that building. One of the ladder trucks was raised and ready to operate at this point also. My major goal at this incident was to ensure that the fire was contained to as small of an area as possible and minimize damage to the downtown area. The firefighters on the initial attack were able to locate and extinguish the fire quickly. Due to their being no back door in the fire building we had to cut a hole in the roof in order to assist in removing the smoke and heat from the building. It appeared that the fire inside the location had been burning for quite a while and had pretty much burned itself out by the time we arrived. The interior of the building sustained major damage from heat, smoke and water. The interior of the building at 107 had a significant amount of smoke inside but received no fire or water damage. There was a potential for a large fire on this incident but thanks to an alert citizen and police officer and a quick interior attack by our firefighters this did not happen.

There were no civilian injuries and no firefighter injuries on this incident.

Dispatch time: 23:17.11
Enroute time: 23:18.34
On scene time: 23:21.46
Clear time: 02:25.34

We had a total of 2 Engines, 2 Ladders, 7 Full time, 2 off duty, 13 volunteers, 2 Investigators and 2 Chiefs on this incident.

206 Storrs

We responded to a report of an unknown fire at 206 Storrs on July 24, 2015. The first unit on scene reported no smoke showing from the outside. They were met by employees that advised them that a patient had been smoking in their room and put a cigarette in drawer and caught the drawer on fire. Staff removed the drawer and extinguished the fire prior to FD arrival. Firefighters removed the remainder of the dresser from the building and helped removed a small amount of smoke from the room. No damage was done to the structure.

Dispatch time: 16:30.21
Enroute time: 16:31.38
On scene time: 16:33.25
Clear time: 17:12.01

We had 2 Engines, 2 Ladders, 7 full time, 7 volunteers respond to this incident.

Managing Director - Texas Air Center, LLC

City of Rockwall
The New Horizon

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Joey Boyd, Director of Internal Operations

DATE: September 1, 2015

SUBJECT: **Ralph M. Hall / Rockwall Municipal Airport**
Airport Development Plan Update

The City of Rockwall was notified in August 2015 that TXDOT Aviation has finalized their review of the Airport Development Plan and has indicated that the final draft of the Airport Development Plan report can be published; however, the new Airport Layout Plan is still pending airspace analysis review at the FAA.

The City's consultant, Garver, submitted the ALP for review on August 13, 2015 and indicated that the City should expect a response from the FAA within the following 45-90 days.

Links to the Airport Development Plan is on the city management page of the City's website.

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **September 16, 2015**

SUBJECT: **Environmental Protection Agency Site Review**

The United States Environmental Protection Agency (USEPA) Reconnaissance Sanitary Sewer System Compliance Inspection was performed at the City of Rockwall, Texas on March 5, 2015. The inspection was conducted in the guidance established by the USEPA under the National Pollutant Discharge Elimination System. The purpose of this targeted site visit was to evaluate the City of Rockwall's operations and maintenance of their wastewater collection system and their reporting procedures as implemented under the Texas Water Code, Texas Administrative Code, the Clean Water Act, and the Code of Federal Regulations.

The results of the site visit were provided to staff via email dated August 5, 2015. Attached is a copy of the EPA's finding without the attachments.

Staff will discuss the report during the September 21, 2015 City Council Work Session and the actions taken to date to address the EPA's areas of concerns.

If you have any questions, please advise.

Section I - INTRODUCTION

PURPOSE OF THE INSPECTION

A U.S. Environmental Protection Agency (USEPA) reconnaissance Sanitary Sewer System Compliance Inspection, in conjunction with PG Environmental, LLC, a USEPA contractor, was performed at the City of Rockwall, Texas on March 5, 2015. The inspection was conducted in the guidance established by the USEPA under the National Pollutant Discharge Elimination System (NPDES). The purpose of this targeted site visit was to evaluate the City of Rockwall's operations and maintenance of their collection system and their reporting procedures as implemented under the Texas Water Code (TWC), Texas Administrative Code (TAC), the Clean Water Act (CWA), and the Code of Federal Regulations (CFR). An entry briefing was conducted by EPA inspector James Zimny, an the inspector met with various City of Rockwall personnel including Timothy Tumulty - Director of Public Works, Rich Sherer - Water/Wastewater Manager, Jerry Strouse - Field Operations Supervisor, and Steve Clawson - Field Operations Manager.

BACKGROUND

The City of Rockwall's collection system services approximately 40,000 residents. The collection system is primarily operated and maintained by the Water and Wastewater Division and the Production Tech Division of the City's Public Works Department. The City is divided into two main sewer drainage basins. All City sewage eventually flows into the NTMWD interceptor system and to one of the three NTMWD-owned and operated WWTP's, two of which, the Squabble Creek and Buffalo Creek WWTP's, are located in the City limits. The third WWTP is the South Mesquite Creek Regional WWTP, located in Mesquite.

Section II - OBSERVATION

Reference Appendix 1- Sanitary Sewer System Compliance Inspection - City of Forney, Texas

Section III – AREAS OF CONCERN

As a result of this inspection, and as detailed in "Appendix 1", the following observations are noted:

1. Findings of potential noncompliance

    a. Failure to implement proper O&M of the collection system as stipulated in Title 30 of TAC § 291.94 (C)(1); Title 30 of TAC § 305.125(5); and 40 CFR § 122.41(e).

    b. Failure to prevent unauthorized/unpermitted discharges as stipulated in TWC § 26.121(a); TWC § 26.039(b); Section 301 of the CWA; and 40 CFR § 122.1(b).

2. Additional Concerns

   a. SSO reporting and documentation

      i. The EPA Inspection Team reviewed sewer-related work orders provided by the City. Several of the comments from the work order appear to identify sewage releases from sewer manholes, private cleanouts, and into homes due to blockages within the City's sewer main. These SSO's were not reported to TCEQ. The City's lack of standard field and documentation practices made it difficult to determine whether an overflow occurred, root cause(s), immediate corrective actions, and if proper reporting had taken place for SSO's, when applicable.

1. INTRODUCTION

On March 5, 2015, the U.S. Environmental Protection Agency (EPA), with assistance from PG Environmental, LLC, an EPA contractor (collectively the EPA Inspection Team), evaluated the City of Rockwall's (City's) compliance as it relates to the operation and maintenance of the City's collection system, as well as reporting procedures. The compliance inspection consisted of the following:

- Discussions with representatives from the City regarding the operation and maintenance (O&M) of the collection system, reporting procedures, the collection system plans and manuals, and the capital improvement program (CIP).
- Examination of the City's collection system operation, maintenance, and reporting records.
- Review of the City's data warehousing systems and collection of datasets and documents relevant to the inspection.

The City's wastewater collection system is regulated under the *Texas Water Code* (TWC), *Texas Administrative Code* (TAC), the *Texas Health and Safety Code*, the *Clean Water Act* (CWA), and the *Code of Federal Regulations* (CFR). Flows from the City are discharged to the North Texas Municipal Water District (NTMWD) interceptor system, and eventually to the Buffalo Creek Wastewater Treatment Plant (WWTP), the Squabble Creek WWTP, or the South Mesquite Creek Regional WWTP. The Buffalo Creek WWTP is regulated under National Pollutant Discharge Elimination System (NPDES) Permit No. TX0078565, Squabble Creek WWTP is regulated under NPDES Permit No. TX0022241, and the South Mesquite Creek Regional WWTP is regulated under NPDES Permit No. TX0047431.

The following personnel were involved in the inspection of the City's sewer collection and conveyance system:

City Representatives:	Timothy Tumulty, Director of Public Works/City Engineer Rick Sherer, Water/Wastewater Manager Jerry Strouse, Field Operations Supervisor Steve Clawson, Field Operations Supervisor
EPA Inspection Team:	James Zimny, EPA Water Enforcement Division Danny O'Connell, PG Environmental, LLC Jake Albright, PG Environmental, LLC

The EPA Inspection Team identified two findings of potential noncompliance with Federal and State regulations. Table 1 provides a summary of these findings of potential noncompliance. Table 2 provides a summary of one additional concern identified during the inspection.

Table 1. Findings of Potential Noncompliance

Requirement	Potential Noncompliance
Finding 1. Failure to implement proper O&M of the collection system	Title 30 of TAC § 291.94(C)(1) Title 30 of the TAC § 305.125(5) 40 CFR § 122.41(e)
Finding 2. Failure to prevent unauthorized/unpermitted discharges	TWC § 26.121(a) TWC § 26.039(b) Section 301of the CWA 40 CFR § 122.1(b)

Table 2. Additional Concern Identified During the Inspection

Additional Concern	Comment
SSO reporting and documentation	The EPA Inspection Team reviewed sewer-related work orders provided by the City. Several of the comments from the work order appear to identify sewage releases from sewer manholes, private cleanouts, and into homes due to blockages within the City's sewer main. These SSOs were not reported to TCEQ. The City's lack of standard field and documentation practices made it difficult to determine whether an overflow occurred, root cause(s), immediate corrective actions, and if proper reporting had taken place for SSOs when applicable.

II. OVERVIEW OF WASTEWATER SYSTEM

The information presented below is based on documents and presentations provided by the City. The EPA Inspection Team was unable to conduct outdoor field activities due to inclement weather (i.e., an ice and snow storm) encountered on the day of the inspection. The weather conditions created traffic and general safety hazards due to the ice and snow on roads and City assets.

A. Wastewater System Background

The City's service area is approximately 29.8 square miles; the collection system services approximately 40,000 residents. The collection system is primarily operated and maintained by the Water and Wastewater Division and the Production Tech Division of the City's Public Works Department. The collection system is composed of approximately 234 miles of sewer pipe, which includes 6.4 miles of sewer in the recently acquired Lake Rockwall Estates development (previously serviced by Aqua–Texas). Approximately 24 miles of the collection system is force mains, and the rest is gravity. Approximately 11 miles of the sewer pipes are vitrified clay and the majority of the rest (approximately 93 percent) are polyvinyl chloride (PVC). More than 50 percent of the sewer lines in the City were installed after the year 2000. The City operates and maintains 39 lift stations; all are linked to the City's supervisory control and data acquisition (SCADA) system. One NTMWD lift station (i.e., the Turtle Cove Lift Station) and eight privately owned and operated lift stations are located within the City's limits and discharge into the City's collection system.

The City is divided into two main sewer drainage basins. All City sewage eventually flows into the NTMWD interceptor system and to one of three NTMWD-owned and operated WWTPs, two of which, the Squabble Creek and Buffalo Creek WWTPs, are located in the City limits. The third WWTP is the South Mesquite Creek Regional WWTP, located in Mesquite. The City has seven separate agreements with NTMWD for the conveyance and treatment of wastewater. The City also has an agreement with the City of McLendon-Chisholm to allow flow from McLendon-Chisholm to pass through the City's system to the NTMWD interceptor system, and eventually to the South Mesquite Regional WWTP. Flow entering the NTMWD interceptor system is monitored by NTMWD at several locations near the City's connections. Refer to Exhibit 1 for maps of the City's drainage basins, sewer lines, and NTMWD connections and interceptors.

City representatives stated that the City had not developed a flow/capacity model for the collection systems; they added the City was close to initiating a flow study at the time of the inspection. They stated that the City Council had approved $300,000 in funding on March 2, 2015 for a flow monitoring study. The study will help the City to develop a calibrated system model to identify areas where sewer capacity may be an issue due to increased flow volume attributed to development and/or inflow and infiltration. At the time of the inspection, the City was using an estimated model based on another city with similar size/characteristics.

B. Collection System Mapping and Work Order System

The City had a geographic information system-based (GIS-based) map, which depicted assets such as sewer lines, manholes, and lift stations. The GIS included information on asset age, material (in the case of pipes and manholes), size, and related equipment (e.g., number and types of pumps installed at a lift station). The GIS also included the location of NTMWD interceptors, connections, and the Turtle Cove Lift Station.

The City was utilizing an electronic work order system at the time of the inspection. The work order system primarily tracked assets by address, not by asset identification number. Further, the City's work order system was primarily used for tracking employee time and specific materials needed to complete a task rather than the unique work history for a specific asset. City representatives stated that they populate some information in the system, including the category label for each issue, using drop-down menus to promote consistency. The drop-down menus included numerous labels, including one for "preventive maintenance." Relevant details concerning the City's work order system are discussed where applicable throughout this report.

C. Receiving and Responding to Service Requests

The EPA Inspection Team reviewed the City's system for receiving and responding to customer service requests. During business hours (i.e., 8:00 a.m. to 5:00 p.m., Monday through Friday) the City receives calls at its service center on Airport Road. After normal business hours, calls come in to the police department and are forwarded to on-call personnel. There is always one employee on call to cover any emergency calls for the Water and Wastewater Division, as well as one staff member from the Production Tech Division. The on-call staff members are responsible for generating work orders related to after-hours calls.

A possible wastewater overflow called in by a customer or an overflow detected by the City's personnel is supposed to be reported immediately to the wastewater field supervisor and the production tech field supervisor. The Production Tech Division is mobilized for any pump failures, power outages, or high-level alarms through the City's SCADA system. Operators are notified by pagers of any possible problem. If the initial page is not answered, the SCADA system continues to page other production tech employees until the alarm is addressed. The wastewater team is dispatched to mitigate overflows.

The City provided the EPA Inspection Team with its *Sanitary Sewer Overflow Response Plan* (SSORP), which was dated March 2015 (refer to Exhibit 2). The City had not implemented the document or provided SSORP training to personnel as of the date of the inspection.

D. Collection System Maintenance

City representatives stated that the City had one jet truck, one trailer-mounted jetting unit, and one 1,000-gallon trailer-mounted vacuum unit (used for sewer work and hydroexcavation). City representatives stated that operators typically jet lines during routine cleaning and use the vacuum unit only as needed. The City does not own a closed circuit television (CCTV) truck, but does have a push camera for televising laterals when needed. The City does not have a routine CCTV program. The collection system is televised by a contractor as needed.

City representatives stated that the City has a "hot spot" cleaning program, with approximately 11 locations receiving weekly flushing and 4 locations receiving monthly flushing. A review of the data provided by the City at the time of the inspection indicated that the City had added some locations and had removed others from the program between 2012 and the date of the inspection. City representatives stated that most hot spots are areas where the line is flat or settled, causing grease and debris to accumulate. They added that if operators are not conducting hot spot cleaning, they are responding to

customer calls. The City did not have a maintenance program in place with the goal of cleaning or televising the entire collection system. City representatives stated that they hope to move to a preventive program in the near future.

Collection system operation and maintenance is described in more detail in section III, Finding 1 of this report.

E. Lift Stations

At the time of the inspection, the City had 39 lift stations. All lift stations were linked to the City's SCADA system for wet-well monitoring and pump-runtime trending. The SCADA system polls the lift stations every seven minutes. It alerts operators of alarms, but does not allow for remote adjustment of operations. All of the operational control activities needed to be done onsite. Notification of alarms at the lift stations were sent to operators' pagers or cellular phones. City representatives stated that 35 lift stations had redundant pumping capacity, and the remaining 4 only had one pump each. They stated that the City had two small backup pumps that could be installed during an emergency. City representatives stated that most of the lift stations are can-style stations, which require confined space entry permits for entry.

City representatives stated that two teams of two operators each conducted 3–4 general lift station inspections per day per team. The City did not have a formal preventive maintenance process for lift stations or standard operating procedures (SOPs) for lift station-related O&M tasks. City representatives stated that operators looked for grease accumulation during inspections and cleaned the wet wells as needed. Most lift station maintenance was reactive. The City did not have onsite backup power capability for 30 of the 39 lift stations. The City does have two trailer generators rated at 200 kilowatts each to cover outages for the 30 lift stations without onsite backup power. City representatives stated that they had estimated the detention time for some wet wells in order to determine how much response time they had in an emergency, but they had not performed these calculations for all lift stations. Lift station maintenance and backup power is described in more detail in section III, Finding 1 of this report.

City representatives stated that the City-owned Squabble Creek Lift Station is used to divert high flows from the Squabble Creek WWTP into the NTMWD-owned Rockwall/Heath Regional Trunk Sewer, which conveys flow to the South Mesquite Regional WWTP. City representatives stated that NTMWD operators have access to the lift station and are the ones who manually activate the diversion mechanism based on flows to the NTMWD-owned Squabble Creek WWTP. The Squabble Creek WWTP has an average daily flow of 1 million gallons per day (mgd), with peaks of up to 4 mgd. The lift station can pump approximately 7 mgd into the trunk sewer. Literature provided by the City (refer to Exhibit 3) indicates that peak wet-weather flows to the WWTP may reach 14 mgd when the service area is fully developed. Further, the City is planning construction of a second lift station in the area, as the Squabble Creek WWTP may be decommissioned in the future. The status of the project was unclear at the time of the inspection.

III. ASSESSMENT OF COMPLIANCE

Based on discussions conducted during the inspection, and a review of documents and data collected during the inspection, the EPA Inspection Team noted the following findings of potential noncompliance:

Finding 1. Failure to implement proper O&M of the collection system

Specifically, Title 30 of TAC § 291.94(C)(1) states:

> *The retail public utility shall maintain its collection system and appurtenances to minimize blockages.*

Title 30 of the TAC § 305.125(5) states:

> *The permittee shall at all times properly operate and maintain all facilities and systems of treatment and control (and related appurtenances) installed or used by the permittee to achieve compliance with the permit conditions. For Underground Injection Control permits proper operation and maintenance includes effective performance, adequate funding, adequate operator staffing and training, and adequate laboratory and process controls, including appropriate quality assurance procedures. This provision requires the operation of back-up or auxiliary facilities or similar systems only when necessary to achieve compliance with the permit conditions.*

Similar language is also included in 40 CFR § 122.41(e).

At the time of the inspection, the City's collection system O&M activities were not structured or managed to minimize blockages. Efforts needed to minimize blockages (partial or total) include a regular review of maintenance activities and management practices. For this to occur, management systems must be employed and must be properly populated with maintenance activities and findings. Regular reviews allow personnel to determine proactive cleaning and maintenance frequencies. This structured approach needs to be applied to the decision-making process for determining which assets should be rehabilitated or replaced. The City did not have a formalized maintenance approach to ensure the entire collection system was operating properly. City representatives stated that the City performs high frequency (i.e., hot spot) cleaning in certain areas; however, the City does not have a set cycle for cleaning or televising the entire sewer system. City representatives stated that when operators are not performing hot spot cleaning, they are responding to customer complaints. City representatives stated that a contractor conducts CCTV inspections as the City needs them.

Proper operation and maintenance of a collection system also relies, in part, on maintaining accurate, up-to-date information in an accessible format. This information includes collection system data, field documentation, and task-specific written SOPs to ensure that maintenance activities are properly conducted, verified, and populated into the City's information custodian system. Field observations are critical to the proper operation and maintenance of the collection system and should document the uniqueness of the field activity performed. This includes recording detailed and complete observations, such as how much and what type of debris was removed from a sewer segment or wet well during cleaning, and the specific observed condition of an asset at the time of inspection or maintenance activities.

The City had an electronic work order system, but it was mainly used to track employee hours and cost of materials for work completed in order to support budget and financial needs, not for facilitating a preventive maintenance approach. The City was not tracking the total linear footage of sewer cleaned or inspected, making it impossible to determine how much of the system had been cleaned. City representatives stated that operators may report the presence of grease and debris observed while performing maintenance and repairs; however, the City did not quantify or classify the amount of debris encountered during sewer cleaning in order to benchmark normal conditions and to identify potential problems upstream. The City did not have an SOP for sewer cleaning.

Keeping detailed datasets in a centralized database (the custodian of O&M records) enables operators to refine maintenance frequencies and to better employ predictive maintenance strategies, not just preventive strategies. The proper application of an O&M plan requires evaluating pertinent, validated field documentation so that maintenance activities can be budgeted and scheduled s to ensure proper operation of assets and prevent sewer backup issues. The documentation process also supports proper planning, budgeting, and scheduling for CIP projects.

The City had 39 lift stations at the time of the inspection. City representatives stated that a formal preventive maintenance schedule had not been established for critical components of the City's lift stations. Further, they stated that the only routine maintenance performed at City lift stations was monthly wet well inspections for grease; if the inspection results indicated a need the wet wells were cleaned.

Thirty of the City's 39 lift stations did not have onsite backup power, and the City only had two portable 200-kilowatt generators. City representatives stated that the lift stations without onsite backup power did not have quick-connect sockets for the portable generators, and the portable generators would need to be hard-wired into the stations' breaker panels. Texas wastewater system design requirements included in Chapter 217 of the TAC require lift stations without onsite backup power to be equipped with a tested quick-connect mechanism or a transfer switch properly sized to connect to a portable generator. Further, the retention capacity in a lift station's wet well and incoming gravity pipes must prevent discharges of untreated wastewater at the lift station or any point upstream for a period of time equal to the longest electrical outage recorded during the past 24 months, but not less than 20 minutes. Failure to pump a lift station's wet well at the proper frequency can lead to overflows.

City representatives stated that they had recently estimated the detention times (i.e., time a station could go without pumping before overflowing the wet well or points upstream) for 18 of the City's lift station wet wells. Holding times for some stations without onsite backup power were estimated as low as 20 minutes, meaning it would be difficult for two portable generators to be effectively used at multiple stations during widespread simultaneous outages/failures. The City should determine detention times for the other 21 lift stations. A list of City lift stations along with detention time information is included in Exhibit 4. City representatives stated that all stations are connected to a SCADA system for monitoring levels and alarms. They stated that all lift stations have a 30-minute backup battery for the SCADA system telemetry. After a 30-minute power failure, 30 of the 39 lift stations would have to be manually checked for operational variables (e.g., wet well level).

The City provided a list of work orders generated between April 5, 2010 and July 22, 2014 (refer to Exhibit 5). The list contained 166 work order references categorized as "pump failure" and 148 labeled as "power loss." The work order entries had been sorted in such a way that the issue category did not match the correct date, location, and problem description. This made it impossible for the EPA Inspection Team to determine the exact nature and date of each event or the impacts of the events on the environment or human health.

Finding 2. Failure to prevent unauthorized/unpermitted discharges

Specifically, TWC section 26.121(a) states:

> *Except as authorized by the commission, no person may:*
>
> *(1) discharge sewage, municipal waste, recreational waste, agricultural waste, or industrial waste into or adjacent to any water in the state;*
>
> *(2) discharge other waste into or adjacent to any water in the state which in itself or in conjunction with any other discharge or activity causes, continues to cause, or will cause pollution of any of the water in the state.*

In addition, section 301 of the CWA states:

> *a. Except as in compliance with this section and sections 302, 306, 307, 318, 402, and 404 of this Act, the discharge of any pollutant by any person shall be unlawful.*

Further, 40 CFR section 122.1(b) states:

> *(1) The NPDES program requires permits for the discharge of "pollutants" from any "point source" into "waters of the United States."*

It should be noted that TWC section 26.039(b) states:

> *Whenever an accidental discharge or spill occurs at or from any activity or facility which causes or may cause pollution, the individual operating, in charge of, or responsible for the activity or facility shall notify the commission as soon as possible and not later than 24 hours after the occurrence. The individual's notice to the commission must include the location, volume, and content of the discharge or spill.*

The City provided the EPA Inspection Team with records of 19 SSO events reported to the Texas Commission of Environmental Quality (TCEQ) between 2011 and the date of the inspection (refer to Exhibit 6) as well as a map showing the locations of those SSOs (refer to Exhibit 7). SSOs were reported to have been caused by such issues as pump failure, grease/debris, and construction material in the sewer. At least 4 events in the 19 reports were caused by failures at the Turtle Cove Lift Station, which is owned and operated by NTMWD. All four events happened in 2012. Three separate SSOs were reported for March 20, 2012, and one was reported for January 26, 2012. In each case, the pumps at the station clogged during a heavy rain event, causing sewage to spill out of a manhole and ultimately end up in Lake Ray Hubbard. It was unclear whether NTMWD also reported these events to TCEQ or if any other SSO events linked to the Turtle Cove Lift Station had occurred and been reported by NTMWD (i.e., events that may not have shown up in City records). In addition to the issues linked to the Turtle Cove Lift Station, the City also reported six SSOs linked to failures and grease buildup at City-owned and operated lift stations. For example, an SSO was reported at 501 Quail Run Road (the address of the Quail Run Lift Station) on May 9, 2012 as a result of a "lift station getting caught on grease causing manhole to overflow." It was unclear if cleaning had ever been conducted in the area.

The City provided a list of all work orders generated between April 5, 2010 and July 22, 2014 (refer to Exhibit 5). The list contained 24 work order references labeled "manhole overflow." The entries had been sorted in such a way that the issue category did not match the correct date, location, and problem description. This made it impossible for the EPA Inspection Team to determine the nature of each overflow event, and if any of the entries corresponded to the 19 SSOs (mentioned above) that had been reported to TCEQ.

The City does not report private sewer backups to TCEQ; however, a sewage release occurring on private property that is caused by an issue or failure in the City-owned portion of the collection system is an SSO. The City provided a map of "sewer stop" work orders issued between 2010 and 2014 (refer to Exhibit 8). The map indicated numerous sewer stoppages had occurred in the time period; however, the dataset did not indicate any details other than location. The EPA Inspection Team could not determine which entity, the City or the property owner, was responsible for any of the events. The EPA Inspection Team also could not determine the exact number of events represented on the map, based on the information provided.

After the inspection, the City provided a list of sewer-related work orders for 2012 and 2013 (refer to Exhibit 9). The dataset indicated 144 work orders labeled as "sewer stop" and 11 work orders labeled as "sewer manhole overflow" in 2012. The 2013 data indicated 249 "sewer stop" and 4 "sewer manhole overflow" work orders. All of the 2012 SSOs reported to TCEQ (see above) appeared to be categorized as either sewer stops or manhole overflows; however, neither of the 2013 events appeared to be included in the dataset provided. Further, the dataset indicated numerous other occurrences of either backups or overflows in the collection system or sewage releases to private property. In some cases, the provided data made it clear which entity, the City or a private property owner, was at fault; however, many times there was too little detail to diagnose the exact nature of the event, who was responsible for the

overflow/backup (i.e., public or private), or the extent of the release of raw sewage. Refer to section IV.A for additional details about the City's SSO reporting and documentation.

City representatives stated that when operators respond to calls for homeowner backups, they typically jet the lateral from the customer's cleanout and calculate the approximate distance of the blockage from the house/property based on the length of hose used. City representatives stated that some properties have a cleanout at the property line, making it easier to determine who has responsibility for the backup (the City or the private owner). They stated that if the City side of the cleanout was clear, the City most likely would not jet the lateral.

As mentioned previously, the City had an SSORP, which was dated in March 2015 (refer to Exhibit 2); however, the SSORP had not been implemented and personnel had not been trained on it as of the date of the inspection.

IV. ADDITIONAL CONCERNS

In addition to the findings described above, the EPA Inspection Team also identified one area of concern based on conversations with City staff and observations made during document review and field activities.

A. SSO Reporting and Documentation

As stated in Finding 2, Failure to prevent unauthorized/unpermitted discharges, the EPA Inspection Team was unable to verify whether or not some callout records and work orders indicated the occurrence of SSOs. The City's field and documentation practices made it difficult or impossible to determine whether and overflow occurred, root cause(s), immediate corrective actions, modifications of maintenance approaches and frequencies, and if proper reporting had taken place for SSOs when applicable.

The City provided a list of sewer-related work orders for 2012 and 2013 (refer to Exhibit 9). The dataset indicated a total of 393 work orders labeled as "sewer stop" and 15 work orders labeled as "sewer manhole overflow." In most cases, it was difficult to determine the exact nature of the event included in each entry (e.g., cause, responsibility, and corrective action); however, there were several entries that indicated an SSO had occurred as a result of an issue/failure in a City-owned asset. Further, the data seemed to indicate there were multiple occasions where SSOs had occurred and not been reported to TCEQ. The list below describes four examples from the City-provided data where an SSO appeared to have occurred, but was not reported to TCEQ (Note: There may be other instances not identified as of the date of this report):

1. **June 25, 2013 at 1954 Signal Ridge Place** – The main was stopped up with grease and sewage was coming out of the cleanout. The City cleared the blockage.
2. **April 6, 2013 at Pompeii Court and Mediterranean Drive** –Manhole was overflowing. Tried to unblock it with the big hose and got the hose stuck, then got the little hose stuck. Got everything unstuck and then unblocked the sewer line. Had to use the Vac Trailer.
3. **December 3, 2012 at Rusk Street and Ross** – Main line was stopped up. The driveway off of Clark on Rusk going into Dobbs Elementary was overflowing. The City unstopped the line and called in to report the work was completed.
4. **May 24, 2012 at East IH 30** – The manhole in front of Joe Willies had grease in the main line. That made the four manholes up stream to back up and the manhole at Rockwall Dodge was overflowing. Did clean up when finished.

V. RECOMMENDED REFERENCE MATERIALS

The EPA Inspection Team emphasizes the need for a more structured preventive sewer maintenance and cleaning program. The City's preventive sewer maintenance and cleaning program should be supported by field observations and documentation. Observations and documentation should be reviewed with appropriate satellite communities so coordinated activities and resources can be maximized. The EPA Inspection Team recommends the City develop and implement structured, written SOPs for any sewer maintenance and cleaning performed by the City and its contractors.

The SOPs should include detailed, step-by-step procedures for conducting the maintenance and cleaning activities, including the following pipe maintenance activities: (1) preventive maintenance cleaning and blockage removal; (2) types of equipment to be used ("tiger tails," nozzles, screens/rakes, etc.); (3) guidelines and/or reference tables for appropriate jetting pressures and flows based on the type of jetting activity, type of pipe, size of pipe, age of pipe, and known condition of pipe; and (4) requirements for formally documenting pipe conditions, materials removed during cleaning, and other findings so the results can be reviewed, and if needed, evaluated by managerial staff. Maintenance activities and frequencies may need to be modified based on the review and evaluation of findings. The operation of high pressure sewer equipment without formal training and without SOPs can create serious safety issues and may significantly damage the structural integrity of the sewer pipe. Reference materials to support the development of the SOPs are available from various sources (equipment manufacturers, equipment vendors, professional associations, etc.), including references such as the National Association of Sewer Service Companies' *Jetter Code of Practices* (http://nassco.org/publications/p_techman.html), which provides guidelines for the proper operation of sewer jetter equipment.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Mayor and City Council**

FROM: **Rick Crowley, City Manager**

DATE: **September 18, 2015**

SUBJECT: **Ambulance Ordinance - Exclusivity Repeal**

This item has been placed on the agenda for action Monday evening. As of the time of packet distribution, the draft ordinance is not available. My being out of town has contributed to the delay in preparation, and Frank is researching several legal questions that the Mayor has requested.

Frank will want to discuss direction from the Council, so this item will be read for consideration first in Executive Session. Based on the direction that I think I heard from the Council at the last meeting, I have asked that Frank not prepare a Franchise Ordinance, but that the Ordinance be prepared to:

1. Repeal the exclusivity aspect of the current ordinance
2. Require that ambulance companies desiring to do business in the City, as a single requirement, register with the City and provide proof that they are licensed by the State of Texas to operate their business in Texas.

I understand that there may still be discussion on the matter Monday evening. Frank will provide legal consultation first in Executive Session.

Rockwall, Texas

Proclamation

Whereas, the City of Rockwall Water Department employees provide safe clean drinking water that define the quality of life for residents and commercial organizations in the community; and

Whereas, water utility professionals must undergo extensive training and testing to ensure that proper procedures, testing, and methodology are used to ensure the water systems in our community are safe and have no threat to human life; and

Whereas, committed professionals in the water industry help in the establishment of a participatory, collaborative organization dedicated to continual learning and improvement; and

Whereas, committed employees such as Shon Bellah continually seek to improve their knowledge, helping to maintain a workforce that is competent, motivated, adaptive, and safe; and

Whereas, the State of Texas currently has 9,315 licensed operators to perform various water quality functions, with only 1,023 individuals having achieved a Class A certification.

Now, Therefore, I, Jim Pruitt, Mayor of the City of Rockwall, Texas, do hereby recognize

SHON BELLAH

Crew Leader in the City of Rockwall's Water Operations Division for his noteworthy accomplishment in attaining his "Class A" license and urge all citizens to applaud Mr. Bellah for his hard work and dedication to our citizens and our city.

In Witness Whereof, I hereunto set my hand and official seal this 21th day of September, 2015.

_____

Jim Pruitt, Mayor

31

MINUTES
ROCKWALL CITY COUNCIL
Tuesday, September 08, 2015
4:00 p.m. Regular City Council Meeting
City Hall - 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pruitt called the meeting to order at 4:00 p.m. Present were Mayor Jim Pruitt, Mayor Pro Tem Dennis Lewis and City Council Members David White, Mike Townsend, Scott Milder and Kevin Fowler. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Brad Griggs, and City Attorney (fill-in) Patrick Lindner. Councilmember Hohenshelt joined the meeting at 4:06 p.m. as reflected during Work Session item #1 noted below.

II. WORK SESSION

1. HOLD WORK SESSION TO HEAR AND DISCUSS PRESENTATION BY AECOM REGARDING PUBLIC TRANSPORTATION STUDY FINDINGS, AND TAKE ANY ACTION NECESSARY.

Jerry Smiley
AECOM
1950 N. Stemmons Freeway
Dallas, Texas

Mr. Smiley explained that he is Vice President of AECOM and Business Unit Leader for Transit and Environmental Services and is out of the Dallas office. He introduced Kristen Lucan, Senior Planner, with AECOM and Andrew Idickson, Department Manager for Transit Planning with AECOM, who also spoke during the presentation.

John Hohenshelt arrived to the meeting at 4:06 p.m.

Ms. Lucan came forth and shared data concerning a peer comparison of seven other transportation service providers in Texas and one in Oklahoma. Consultant speakers from AECOM went on to share information on ridership and trending for Rockwall County as well as various service level and service type considerations. They also briefly touched on recommendations related to contracting for public transit services and monitoring said services. They indicated that AECOM representatives plan to hold a stakeholder meeting with STAR representatives and gather more data that is specific to Rockwall County to help the city make more informed decisions moving forward.

After brief comments by council members, Mr. Crowley indicated that it appears as though further analysis of STAR transit will not be able to conclude before it is time for both the city and county to adopt their upcoming fiscal year budgets. However, he indicated that the City of Rockwall will need to make some sort of cost-related budget decisions either this evening or at the September 21 council meeting before the fiscal year budget can be approved.

2. HOLD WORK SESSION TO DISCUSS THE CURRENT SOLID WASTE COLLECTION CONTRACT RENEWAL NEGOTIATIONS WITH REPUBLIC WASTE (ALLIED WASTE) AND TAKE ANY ACTION NECESSARY

Rick Burnis with Republic Waste came forth and briefed the council on a proposal currently being put forth regarding renewing the contract with his company for a period of an additional five years. Various comments were made regarding the city's current recycling program, including the more than 50% of residents who participate in recycling as well as current costs associated with the program. Discussion took place concerning the additional tonnage of garbage that might result if the recycling program went away entirely, as well as the need to consider associated cost implications that may result.

3. HOLD WORK SESSION TO DISCUSS AND CONSIDER LOCAL REGULATIONS REGARDING NON-EMERGENCY AMBULANCE SERVICES AND ASSOCIATED TRANSPORTS, AND TAKE ANY ACTION NECESSARY.

City Manager Rick Crowley indicated that the council had previously instructed staff to come back with an ordinance to become effective November 1, 2015 to essentially do away with exclusivity of non-emergency EMS transfer services in the city. He went on to explain that the city council may or may not wish to consider also adopting an ordinance to establish a franchise agreement with non-emergency transport service EMS providers doing business in the city. He explained that the council must find that a public necessity exists in order to enter into those sorts of ordinance-based franchise agreements. Crowley indicated that associated with these sorts of franchise agreements would be payment to the city from ambulance providers that equates to about 3.5-3.6% of their gross revenue. This amount is somewhat of an industry standard, and would be owed to the city for the purpose of utilizing streets and roadways. The council may or may not have an interest in these sorts of franchise agreements and may or may not wish to regulate these providers. Staff is seeking direction from the council at this time.

Mayor Pro Tem Lewis indicated that he is not necessarily interested in entering into franchise agreements; however, he does wish to ensure that providers that may be operating in the city are qualified. Mr. Crowley indicated that the State already regulates EMS service providers; however, the Council may or may not wish to do some sort of regulating of its own. Brief discussion took place related to how and to what extent providers may be regulated.

Councilmember White indicated that he is against any sort of franchise fee, and he does not feel that the city should get involved in regulating ambulances since the state already licenses and regulates them.

Councilmember Hohenshelt asked if the city would take any steps, as far as regulation is concerned, beyond that which the state would already take to regulate such companies. Mr. Crowley indicated that all that a franchise agreement would do is to allow the city to keep track of those companies doing business in our city, and a fee would be collected. Mayor Pruitt also indicated that the companies that would be performing non-emergency transport services in our city will also potentially impact the amount of annual funding the city will end up paying to the County of Rockwall Emergency Services Corporation (ESC) for the annual 'emergency transport' services contract in place and managed through the ESC.

Mayor Pro Tem Lewis indicated that he would like to hear some additional information from city attorney, Frank Garza, before making any sort of definitive decision on this topic. Councilmember Hohenshelt indicated that he would also like to better understand the cost implications, if possible.

Councilmember Fowler indicated that he believes the council should care, to some extent, which providers are operating in our city, so he would like some additional information before making any decisions as well.

Mr. Crowley briefly explained the potential cost implications on annual subsidy paid to the ESC and ultimately passed on to the ambulance provider on contract with the ESC. He shared that it will be difficult to determine cost implications, explaining that it will depend on how often and to what extent businesses, such as the local hospitals and nursing homes, continue to call the existing contractor to perform non-emergency transports versus how often and to what extent they start calling other providers to perform those services. He cautioned that if the council chooses to initiate a franchise agreement type of ordinance, then the previously expressed November 1 deadline for implementation may need to be delayed. The council took no action related to this work session item at this time, indicating they have a desire to hear more input from the city attorney concerning what other cities have done, and to receive more information overall.

III. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding legal claim: Larena Gail Boyd v. City of Rockwall and Rockwall Harbor Corporation pursuant to Sec. 551.071 (Consultation with Attorney)
2. Discussion regarding dangerous dog claim legal pursuant to Section 551.071 (Consultation with Attorney)
3. Discussion regarding (re)appointments to city regulatory boards, commissions, and committees including the Building and Standards Commission, Planning & Zoning Commission, and Board of Adjustments pursuant to Section 551.074 (personnel matters)

IV. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 5:42 p.m.

V. RECONVENE PUBLIC MEETING

Mayor Pruitt reconvened the public meeting at 6:01 p.m.

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Pruitt indicated that no action is needed at this time.

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER TOWNSEND

Councilmember Townsend delivered the invocation and led the Pledge of Allegiance.

VIII. PROCLAMATIONS / AWARDS

1. Constitution Week

The Mayor called forth two representatives of the Daughters of the American Revolution, who spoke a few moments about the U.S. Constitution, including some facts about it and its importance. Mayor Pruitt then read and presented the proclamation for Constitution Week.

2. Recognition of Mr. Jeffrey McLeod, Rockwall Police Officer Gary North, and Rockwall Fire Department staff and volunteers regarding July fire in downtown Rockwall

Mayor Pruitt read and presented a proclamation to Mr. McLeod to recognize and thank him for his efforts in helping alert a Rockwall police officer of a fire in the downtown area back in July. He then called Police Officer North and members of the Rockwall Fire Department forward to recognize them for their efforts related to the fire as well.

3. Recognition of Sikder Rahman and Jackson Ikechukwn regarding August fire at Rockwall Nursing Care Center

Fire Chief Mark Poindexter explained that these two gentleman work at the nursing home, and they were instrumental in extinguishing a fire that had started in a resident's room. Mayor Pruitt read and presented an honorary proclamation to each of them, expressing gratitude for their life-saving efforts.

IX. OPEN FORUM

Mayor Pruitt explained how Open Forum is conducted and asked if anyone would like to come forth to speak. There being no one, Mayor Pruitt then closed the Open Forum.

X. CONSENT AGENDA

1. Consider approval of the minutes from the August 17, 2015 regular city council meeting, and taken any action necessary.

2. Consider approval of the minutes from the August 31, 2015 budget work session, and taken any action necessary.

3. Consider awarding the Lake Forest Erosion Control Improvements project construction contract to Environmental Safety Services, Inc. in the amount of $348,650.00 and take any necessary action.

4. Consider authorizing the city manager to execute a professional engineering services contract with Teague, Nall and Perkins, Inc. to perform the engineering design plans and specifications for the Stonebridge Drive Sanitary Sewer Lift Station Rehabilitation project in the

amount of $67,800.00 to be funded out of 2015 Water and Sewer Revenue Bonds, and take any action necessary.

5. Consider authorizing the city manager to execute an amendment to the professional services contract with LaTerra Studio, Inc. related to professional services associated with the downtown project regarding a change order in the amount of $33,538 to be funded out of 2012 downtown bond proceeds, and take any action necessary.

6. Consider authorizing the city manager to execute a Memorandum of Understanding with the cities of Allen, Forney, Frisco, Heath, McKinney, Mesquite, Plano, Princeton, Richardson, Seagoville and the Town of Prosper, regarding development of a regional capacity, management, operations and maintenance program (CMOM) pertaining to North TX Municipal Water District (NTMWD) wastewater treatment systems, and take any action necessary.

7. Consider approval of a resolution related to a grant through the Texas Parks and Wildlife Department pertaining to construction of a boating access facility on Lake Ray Hubbard near SH-66 and N. Lakeshore Drive, and authorize the city manager to execute associated project agreement, and take any action necessary.

8. Consider authorizing the city manager to execute a professional services contract with for EJES, Inc. to perform the engineering design services and specifications for the East Boydstun Avenue Reconstruction Project from South Goliad St. to Clark Street in the amount not to exceed $440,228.40 to be funded out of the 2012 bond proceeds, and take any action necessary.

9. Consider authorizing the city manager to execute a professional services contract with Freese and Nichols, Inc. to perform the engineering design services and specifications for the County Line Roadway Reconstruction Project from Horizon Road (FM 3097) to Renee Drive in an amount not to exceed $580,440 to be funded out of 2012 bond proceeds, and take any action necessary.

10. Consider authorizing the city manager to execute a professional services contract for Cobb, Fendley & Associates, Inc. to perform the engineering design services and specifications for the Throckmorton Street Reconstruction Project from East Boydstun Avenue to East Bourn Street in an amount not to exceed $187,695.00 to be funded out of 2012 bond proceeds, and take any action necessary.

11. P2015-035 - Consider approval of a request by Archie Underwood and Dan Walker for the approval of a replat for Lots 1 & 2, Block A, Lakeside Veterinary Clinic Addition being a replat of two (2) parcels being 2.43-acres of land identified as Lot 1, Block A, Bernice Addition and Lakeside Batting Park Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 801 & 801B E. IH-30, and take any action necessary.

12. Consider authorizing the Mayor to execute an interlocal agreement with Rockwall County to provide fire protection services within unincorporated areas of the county for the year 2015-2016, and take any action necessary.

Councilmember Lewis pulled item #5 for further discussion. Councilmember Milder then made a motion to approve all remaining consent agenda items (except item #5) (#1, 2, 3, 4, 6, 7, 8, 9, 10, 11, and 12). Councilmember Hohenshelt seconded the motion, which passed by a vote of 7 ayes to 0 nays.

Regarding Consent Agenda item #5, Councilmember Lewis asked if LaTerra has had any delays in responding to the city throughout the course of the project. Mr. Tumulty, City Engineer, indicated that he is not aware of any such delays, noting that the only delays he is aware of have been related to bad weather. Councilmember Lewis questioned if it is necessary to pay LaTerra a continued monthly fee for an additional five month period, or if perhaps staff may be able to handle the architectural oversight instead for that period. Lewis generally indicated that he is not in favor of extending the oversight period.

Mayor Pro Tem Lewis made a motion to instruct staff to handle the disputed claim and settle it; however, he does not wish to authorize continuation of $3,300 / month for FIVE additional months. Councilmember Townsend seconded the motion. After various comments by council and staff, Councilmember Lewis repeated his motion – to offer La Terra Studio the amount of $17,038.63 to settle the disputed amount due caused by ambiguous language in the existing contract and to not pay the additional $16,500 ($3,300 for five additional months) for monthly, architectural oversight of the project.

After brief comments, the motion passed by a vote of 6 in favor with 1 against (Fowler).

Open Forum was addressed next by the Mayor and Council.

XI. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Chairman, Craig Renfro, came forth and briefed the council on Planning-related items on tonight's agenda, including recommendations of the Commission relative to those items. He mentioned that P&Z board member, Wendi Conley, recently resigned. After his remarks, the council took no action concerning this appointment item.

2. Appointment with Todd Parks, Fixed Based Operator of the Ralph M. Hall / Rockwall Municipal Airport, to consider a request regarding modification of operating hours, and take any action necessary.

Mr. Parks came forth and indicated that he is requesting that the council consider allowing him to adjust airport operating hours to be more in line with when demand for use of the airport is actually present versus when demand is negligible. If the adjusted hours are approved this evening, Mayor Pruitt encouraged Mr. Parks to come back to the council to further adjust the hours of operation should trends in demand change over time. Mr. Parks' written request to the Council indicated that he would like consideration to change the operating hours as follows:

Monday through Friday - change opening time from 7:00 AM to 8:00 AM and closing time from 7:00 PM to 5:00 PM

Saturday - Change opening time from 7:00 AM to 8:00 AM and closing time from 7:00 PM to 4:00 PM.

Sunday - We currently open at 7:00 AM and close at 7:00 PM. We are requesting that the FBO be closed on Sundays.

Mayor Pruitt made a motion to approve the request to adjust operating hours as presented. Councilmember White seconded the motion, which, after brief comments, passed by a vote of 7 in favor with 0 against.

3. Appointment with Rockwall resident Jim Smith to hear concerns related to drones, and take any action necessary.

Mr. Smith came forth and thanked the council for their tireless work on behalf of citizens. He went on to share that he was sitting on his back porch recently, and a drone flew into the air space over his back yard. He expressed that he wishes to not address or attempt to have the city regulate government or commercial drone use, but rather drones used for hobby or recreational purposes (aka 'model aircraft'). He spoke to some of the existing Federal Aviation Administration (FAA) 'guidelines' he has researched and found to be in place, sharing that they are guidelines rather than regulations and that they seem to still be evolving. He also has concerns about people using recreational drones (unmanned aircraft) for the purpose of taking photos without someone's permission and perhaps distributing those photos. He wants to maintain serenity and peacefulness in Rockwall resident's back yards. He pointed out an existing section of the city's Code of Ordinances (Chapter 8. Aviation, Article II. Airport) that he feels could be used to prohibit the use of recreational drones (aircraft). He also believes that Ch. 16 (Environment), Article IV. (Noise) of the Code might also have some provisions that could be applied to help regulate drones and maintain quite, peace and serenity in residents' back yards, for example. Mr. Smith asked the council, staff and city attorney a series of questions, including inquiries regarding if these sections of the Code of Ordinances mean that the city already regulates drones, or if additional regulations should be established.

Following Mr. Smith's presentation, Mayor Pruitt thanked him for his comments, and the city council took no action concerning this appointment item.

XII. PUBLIC HEARING ITEMS

1. Hold a public hearing to receive comments regarding the proposed FY 2015-2016 City of Rockwall budget, and take any action necessary.

Mr. Crowley provided the Council with a broad overview of some of the various recurring and one-time expenses that are proposed to be funded in this upcoming budget, including staff, programs and equipment. He explained that the proposed budget assumes adoption of the effective tax rate. Mrs. Smith provided a brief overview of a meeting recently held with staff, including herself, Brad Griggs, (Fire) Chief Poindexter and Battalion Chief Merritt. She shared some information concerning how it may be

possible to lower the Fire Department's overtime budget to free up some funds to hire some additional, full-time, paid staff. After lengthy discussion, Mayor Pruitt opened the public hearing and asked if anyone would like to come forth and speak at this time. There being no one, Mayor Pruitt then closed the public hearing. He indicated that Council will take formal action to adopt the budget at its September 21st meeting.

XIII. ACTION ITEMS

1. Discuss and consider a recommendation of the City Council's Naming Sub-Committee regarding approval of a resolution renaming Camelot Court to Lynch Court, and take any action necessary.

Mayor Pruitt addressed this agenda item next, following the Proclamations portion of the public meeting agenda. He called forth Mr. Lynch and his wife, introducing them and sharing a detailed history of both Mr. Lynch's current volunteer involvement in the community and to veterans, as well as his past military service to our country while serving in the U.S. Army. He shared that there are four homes located on what is now known as Camelot Court, and all of the residents who live on that street have indicated support for changing the name of the street to Lynch Court to honor Specialist Five Joseph P. Lynch, Sr.

Councilmember Lewis made a motion to move forward with changing the name of Camelot Court to Lynch Court. Councilmember Milder seconded the motion, which passed unanimously of council (7 ayes to 0 nays).

2. Discuss and consider possible options for the solid waste contract, and take any action necessary.

Mr. Crowley provided background information related to this agenda item, reminding the Council and the public that this agenda item was discussed at greater length during a work session that was held earlier this afternoon.

Councilmember Milder indicated that he does not personally have any problem with the current service provider; however, he does feel that it is prudent to periodically go out for bid to explore other options in order to compare and ensure we are getting the best value for our dollars spent.

Mayor Pro Tem Lewis shared that he has heard only one or two complaints about bulk trash pick-up; however, he believes these issues have been addressed. He shared that fuel costs and costs of things like tires are 'up' quite significantly lately.

Mayor Pro Tem Lewis then made a motion to authorize the City Manager to execute contract renewal documents with Republic Waste and bring back a corresponding rate resolution for Council action at a later date. Councilmember Townsend seconded the motion, which passed by a vote of 6 in favor with 1 against (Milder).

3. MIS2015-006 - Discuss and consider a request by Elias Pope of 8020 Restaurants, LLC for the approval of a variance to the parking requirements in conjunction with an approved site plan for a restaurant on a 0.90-acre parcel of land identified as Lot 3, Block A, Harbor District Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 32 (PD-32), situated within the IH-30 Overlay (IH-30

OV) District, located at the southeast corner of the IH-30 Frontage Road and Sunset Ridge Drive, and take any action necessary.

Planning Director Ryan Miller provided a brief synopsis of this agenda item and the associated request. He stated that this item is associated with a 6,800 square foot restaurant facility just north of Trend Tower. The applicant is showing 68 parking spaces being provided with 53 being provided on site and an additional fifteen being provided offsite in the Trend Tower parking garage. The applicant is now requesting that the council consider waiving the additional 15, off-site parking spaces at Trend Tower, citing that sufficient public parking is available within the sub-district. Councilmember Lewis asked when public access to spaces located in Trend Tower begins. Mr. Crowley clarified that it starts at 5:00 p.m. Mr. Crowley clarified that the applicant is requesting to be able to count "on street" and other public parking spaces towards his required number of spaces. After brief comments, Councilmember White made a motion to approve the variance request for MIS2015-006. Mayor Pro Tem Lewis seconded the motion, which passed by a vote of 7 ayes to 0 nays.

4. MIS2015-005 - Discuss and consider a request by Duane and Jennifer Piercy for the approval of an exception to the minimum masonry requirements stipulated in Section 3.1, General Residential District Standards, of Article V, District Development Standards, of the Unified Development Code, for a 1.21-acre tract of land identified as Lot 1, Block A, Piercy Place Addition, City of Rockwall, Rockwall County, Texas, zoned Single Family 7 (SF-7) District, addressed as 713 Hartman Street, and take any action necessary.

Mr. Miller provided brief background information related to this agenda item, indicating that the applicant would like to request a variance to allow him/her to utilize 100% hardy plank material instead of the city's current masonry standards (required to use 80% masonry with a maximum of 50% being dedicated to hardy plank, stucco or other cement-like materials). However, the code does allow for the council to grant variances at its discretion. He explained that this home is located near the adjacent historic district, so it would be in line with some of the other homes in the area. The P&Z Commission has recommended approval of this agenda item. Councilmember White made a motion to approve the variance request for MIS2015-005. Mayor Pro Tem Lewis seconded the motion, which passed by a vote of 7 ayes to 0 nays.

Regarding the next two agenda items (Action item #5 and #6), Mayor Pruitt announced that Councilmember Hohenshelt has recused himself and has filed an affidavit, as required, with the City Secretary.

5. Discuss and consider a motion for reconsideration regarding the Chapter 212 Development Agreement approved with Joey Howell on August 3, 2015 for the property within the City of Rockwall's Extraterritorial Jurisdiction (ETJ), located south of SH-276 on the east side of FM-548, being a ~98-acre tract of land, and take any action necessary.

Mr. Crowley, City Manager, provided some background information related to this agenda item, generally summarizing his memo and pointing out that Mr. Howell submitted an e-mail that has been included in council members' informational meeting packet. He summarized that the County has expressed some opposition to approval of this 212 Development Agreement on the part of the city. He further indicated that the County recently disapproved Mr. Howell's variance request. As such, City Manager

Crowley explained that, although the council had authorized him to execute the 212 agreement at a previous council meeting, he did not yet move forward with signing said document. At this point, since there seems to be some opposition from the County, as well as some unknown eventual outcomes at the county level concerning this topic, Mr. Howell came forth and indicated that he is in support of the city council rescinding its previous action whereby it authorized the city manager to execute the 212 agreement.

Councilmember White made a motion for reconsideration of the 212 agreement. Councilmember Townsend seconded the motion, which, after brief comments, passed by a vote of 6 in favor with 1 recusal (Hohenshelt).

6. Discuss and consider terminating the authorization to approve the Chapter 212 Development Agreement with Joey Howell for a property identified as Tract 18 & 18-01 of the S. McFadgin Survey, Abstract No. 142, Rockwall County, Texas, being a ~98-acre tract of land situated within the City of Rockwall's Extraterritorial Jurisdiction (ETJ), located south of SH-276 on the east side of FM-548, and take any action necessary.

Councilmember Townsend made a motion to terminate the previously granted authorization associated with the city manager executing the 212 development agreement with Joey Howell. Councilmember Milder seconded the motion, which passed by a vote of 6 ayes with 1 recusal (Hohenshelt).

7. Discuss and consider (re)appointments to city advisory boards, including the Animal Adoption Center/Shelter Advisory Committee, the Architectural Review Board, the Historic Preservation Advisory Board, and the Youth Advisory Council, and take any action necessary.

Councilmember White made a motion to reappoint the following students to serve on the the YAC this school year:

1. **Beth Naylor (re-appointment) – Senior, homeschool**
2. **Isabella Burzair (re-appointment) – Senior, RHHS**
3. **Baldwin Bakkal (re-appointment) – Senior, RHHS**
4. **Derek "Gunner" Avenetti (re-appointment) – Senior, RHS**
5. **Cate Ghormley (re-appointment) – Senior, RHS**
6. **Logan Peet (re-appointment) – Senior, RHHS**
7. **Jake Mirelez (re-appointment) – Senior, RHS**
8. **Reid Rakow (re-appointment) – Junior, RHS**
9. **Bethany Villalobos (re-appointment) – Sophomore, RHS**

and to newly appoint the following students:

10. **Lanson Bennett (new appointment) – Senior, Heritage Christian Academy**
11. **Avery Dalfrey (new appointment) – Junior, RHHS**
12. **Zully Zavala (new appointment) – Junior, RHS**
13. **Caleb Davis (new appointment) – Freshman, homeschool**

Councilmember Fowler seconded the motion, which passed by a vote of 7 ayes to 0 nays.

Regarding the Animal Adoption Center / Shelter Advisory Committee, Councilmember Fowler made a motion to reappoint Ken Dickson, Dr. Kurt Avery and Sandra Solomon to continue serving. Mayor Pro Tem Lewis seconded the motion, which passed unanimously (7 ayes to 0 nays).

Regarding the Architectural Review Board, Councilmember Folwer made a motion to replace Engiell Tomaj with new board member Ralph Chizzonite and to reappoint Enid Reyes, Ashlei Neil and Jimmy Strohmeyer to serve an additional term (thru August of 2017). Councilmember White seconded the motion, which passed by a vote of 7 ayes to 0 nays.

Regarding the Historic Preservation Advisory Board, Mayor Pruitt made a motion to reappoint Mike Mishler and Carolyn Francisco (to serve through August 2017) and to newly appoint Daniel Nichols and Gabriel Castro (replacing former members, Keegan and Turbyfill). Mayor Pro Tem Lewis seconded the motion, which passed by a vote of 7 ayes to 0 nays.

Mayor Pro Tem Lewis made a motion to reappoint Stephen Geiger and Martin Musser to the Board of Adjustments (through August of 2017). Councilmember White seconded the motion, which passed unanimously of those present (7 ayes to 0 nays).

Mayor Pro Tem Lewis made a motion to reappoint Dennis Dayman and Freddie Jackson to the Building and Standards Commission (through August of 2017). Councilmember White seconded the motion, which passed unanimously of council (7 ayes to 0 nays).

Mayor Pro Tem Lewis made a motion to appoint a new member, Jerry Welch, to serve on the Building and Standards Commission (through August of 2017). Councilmember White seconded the motion, which passed unanimously (7 ayes to 0 nays).

XIV. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports
Building Inspections Monthly Report - July & Aug. 2015
Fire Dept. Monthly Reports - July 2015
GIS Department Monthly Report - July 2015
Harbor PD Monthly Report - July 2015
Internal Operations Department Monthly Report - July 2015
Police Department Monthly Report - July 2015
Recreation Monthly Report - July 2015
Rockwall Animal Adoption Center Monthly Report - July 2015

2. City Manager's Report

Mr. Crowley attempted to clarify a few, budget-related topics, specifically related to STAR Transit and the potential of adding firefighter positions. Councilmember White requested that, if STAR Transit is included in the budget, he would like the ability to vote on it as a separate item, apart from the budget as a whole, because he has no intention of voting "for" it. Regarding the firefighter positions, Councilmember Milder requested the ability to also vote on this expense separately from the rest of the budget as a whole, as he

does not support a budget that does not include increased staffing in the Fire Department.

Mr. Crowley indicated that the city has been trapping and testing mosquitos for the West Nile Virus for number of years. Recently, a mosquito that was trapped tested positive for the virus. As a result and in accordance with the recommendation of the city's health official, staff will be spraying within a one mile radius of where this mosquito was recently trapped.

XV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding legal claim: Larena Gail Boyd v. City of Rockwall and Rockwall Harbor Corporation pursuant to Sec. 551.071 (Consultation with Attorney)
2. Discussion regarding dangerous dog legal claim pursuant to Section 551.071 (Consultation with Attorney).
3. Discussion regarding (re)appointments to city regulatory boards, commissions, and committees including the Building and Standards Commission, Planning & Zoning Commission, and Board of Adjustments pursuant to Section 551.074 (personnel matters)

XVI. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

The city council did not return to Executive Session following the close of the public meeting agenda.

XVII. ADJOURNMENT

Mayor Pruitt adjourned the meeting at 7:51 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS 21st DAY OF SEPTEMBER, 2015.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **September 18, 2015**

SUBJECT: **TPWD Grant Resolution and Application**

Staff requests an amendment to resolution 15-25 that was approved by City Council at the September 8th meeting. The amended language clarifies that the resolution authorizes the City Manager to act on behalf of the City in dealing with the Texas and Parks and Wildlife Department regarding the program assurances and grant contracts. This amendment is necessary to ensure that signature authorities are appropriately delegated and authorized going forward regarding the grant program process.

CITY OF ROCKWALL
RESOLUTION NO. 15-25

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AFFIRMING APPLICATION FOR GRANT FUNDING THROUGH THE TEXAS PARKS AND WILDLIFE DEPARTMENT FOR CONSTRUCTION OF A BOATING ACCESS FACILITY ON LAKE RAY HUBBARD NEAR SH-66 AND N. LAKESHORE DRIVE; DESIGNATING CERTAIN OFFICIALS AS BEING RESPONSIBLE FOR, ACTING FOR, AND ON BEHALF OF THE "SPONSOR" IN DEALING WITH THE TEXAS PARKS & WILDLIFE DEPARTMENT; PROVIDING FOR APPROPRIATIONS AND MATCHING FUNDS; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Rockwall, Texas (hereinafter the "Sponsor"), is desirous of providing for the construction of a boating access facility on Lake Ray Hubbard at a location near SH-66 and N. Lakeshore Drive; and

WHEREAS, the State of Texas, acting through the Texas Parks and Wildlife Department (hereinafter the "Department"), under the authority of Section 11.033 and 31.141 of the Parks & Wildlife Code, would provide funding for such construction, and;

WHEREAS, construction of such a facility would be of benefit to the citizens of the City of Rockwall, Rockwall County as well as transient recreational boaters from the State and other states; and

WHEREAS, the "Sponsor" is desirous of authorizing an official to represent and act for the "Sponsor" in dealing with the "Department" concerning the "Program."

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THAT:

Section 1. the Rockwall City Council, in meeting this 8th day of September, 2015, is hereby eligible for assistance and will enter into a project agreement with the Department to provide for said construction on a reimbursement basis, with the Sponsor providing 25% by appropriations or in-kind services, and the Department providing 75% matching funds for work accomplished; and

Section 2. that the "Sponsor" hereby authorizes and directs its City Manager, Rick Crowley, to act for the "Sponsor" in dealing with the "Department" for the purpose of the "Program," and Rick Crowley is hereby officially designated as the representative in this regard; and

Section 3. the Sponsor has matching funds available; and

Section 4. the Sponsor will operate said facility; perform all necessary maintenance and repairs to ensure public use, health and safety; and provide security surveillance to eliminate creations of nuisance or hazard to the public or adjacent property owners for the life of the facility (minimum 25 years); and

Section 5. said facility will be open at all reasonable times to the public, and that revenue from any user fees will only be used to offset operation and maintenance costs of any supported facilities.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 21st DAY OF September, 2015.

City of Rockwall
The New Horizon

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Timothy M. Tumulty, Director of Public Works/City Engineer

DATE: September 18, 2015

SUBJECT: Engineering Flood Study Review Contract Extension

The City of Rockwall's storm drainage system encompasses 14 separate watersheds (52 stream miles) located totally or partially within the corporate limits of the City. These watersheds have been analyzed for existing and fully developed conditions. Whenever a development occurs that potentially impacts any floodplain area, development standards requires a registered engineer to perform a flood study to determine the impacts to the floodplain and an engineering solution that minimizes the increase of water surface elevations and velocities. A flood study review fee was implemented in 2013 by the City for developments requiring a flood study to recoup our review cost. The City uses Hydrological Support Services, LLC. to perform reviews to verify City drainage requirement compliance. Their contract expires on September 30, 2015. Staff has been satisfied with their service and recommends extending the contract another year.

Staff requests consideration of approval of the engineering services contract with Hydrological Support Services, LLC to perform flood study reviews for developments within the City in an amount not to exceed $40,000.00. Funding will be provided from the FY 2015-16 Department Operations Budget and developer reimbursement. If you have any questions, please advise.

STATE OF TEXAS ♦

♦

COUNTY OF ROCKWALL ♦

PROFESSIONAL ENGINEERING SERVICES CONTRACT

This Agreement is made and entered into in Rockwall County, Texas, between City of Rockwall, Texas ("CITY"), a municipal corporation and political subdivision of the State of Texas, acting by and through its City Manager and HydroLogical Support Services, LLC, ("ENGINEER"), located at 97 Old Turkey Farm Rd, Denison, Texas, Engineer duly licensed and practicing under the laws of the State of Texas.

WHEREAS, CITY desires to engage Engineer as an independent contractor to render certain technical and professional services necessary for performing:

PROFESSIONAL ENGINEERING SERVICES for Miscellaneous Consulting Services.

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements contained herein, the Parties hereby agree as follows:

1. Scope of Work

Engineer agrees to perform professional engineering services as specifically defined in this Contract as Exhibit "A" and as authorized by CITY. Specifically, Engineer shall perform Professional services as requested by CITY and detailed in Exhibit "A".

The Parties by mutual agreement through contract amendments may provide for additional technical and professional services to be performed under the basic general terms and conditions of this Contract. CITY reserves the right to enter into another agreement with other engineering firms to provide the same or similar professional services during the term of this Contract for different projects.

2. Compensation & Term of Agreement

Cost for such services will be an annual amount not to exceed forty thousand dollars ($40,000.00) and billed as an hourly basis per rates provided in Exhibit "B". Engineer is not authorized to perform any work beyond the limited not to exceed amount without authorized written approval by CITY.

The term of this Agreement shall commence upon execution of this agreement and follow the schedule described in Exhibit "C". In the event of termination, Engineer will assist the CITY in

arranging a smooth transition process. However, Engineer's obligation to provide services to the CITY will cease upon the effective date of termination, unless otherwise agreed in writing.

3. Method of Payment

CITY shall pay Engineer its fees based on the presentation by Engineer to CITY of a correct monthly statement for all the amounts earned under the Contract together with reasonable supporting documentation verifying the accuracy of the fees and expenses. CITY shall then pay Engineer its fee within thirty (30) days after presentation of the accurate monthly statement by Engineer to CITY. CITY is a State sales and use tax exempt political subdivision of the State of Texas. All records supporting payment shall be kept in the offices of Engineer for a period of not less than three (3) years and shall be made available to CITY for inspection, audit or copying upon reasonable request.

4. Engineer's Standard of Care

Engineer shall provide its services under this Contract with the same degree of care, skill and diligence as is ordinarily provided by a professional Engineer under similar circumstances for a similar project. Engineer represents that it has the capability, experience, available personnel, and means required to perform the services contemplated by this Contract. Services will be performed using personnel and equipment qualified and/or suitable to perform the work requested by the CITY. CITY retains the right to report to Engineer any unsatisfactory performance of Engineer personnel for appropriate corrective action. Engineer shall comply with applicable federal, state, and local laws in connection with any work performed hereunder.

Engineer will seek written CITY approval to accept any contract or perform any services for any person, entity, or business that has an agreement or is in negotiations of an agreement with CITY. CITY may waive this conflict, but such waiver is at CITY's sole discretion and its decision shall be final.

5. Ownership of Documents

As part of the total compensation which CITY has agreed to pay Engineer for the professional services to be rendered under this Contract, Engineer agrees that hard copies of all finished and unfinished documents, data, studies, surveys, drawings, specifications, field notes, maps, models, photographs, preliminary reports, reports, bid packet/construction contract documents/advertisement for bids incorporating any CITY standard provisions provided by Engineer, will remain the property of the CITY. Engineer will furnish CITY with paper and electronic copies, to the extent they are available, of all of the foregoing to facilitate coordination; however, ownership of the underlying work product shall remain the intellectual property of the Engineer. Engineer shall have the right to use such work products for Engineer's purposes. However, such documents are not intended to be suitable for reuse by CITY or others on extension of the Project or on any other project. Any reuse without the express written consent of the Engineer will

be at reuser's sole risk and without liability or legal exposure to the Engineer, and CITY to the extent allowed by law, shall hold harmless the Engineer from all claims, damages, losses, expenses, and costs, including attorneys' fees arising out of or resulting from the reuse of said documents without the Engineer's consent. The granting of such consent will entitle the Engineer to further compensation at rates to be agreed upon by CITY and the Engineer. The above notwithstanding, Engineer shall retain all rights in its standard drawing details, designs, specifications, databases, computer software and any other proprietary and intellectual property information provided pursuant to this Contract, whether or not such proprietary information was modified during the course of providing the services.

6. Insurance

A. Engineer agrees to maintain Worker's Compensation and Employer's Liability Insurance to cover all of its own personnel engaged in performing services for CITY under this Contract in at least the following amounts:

Workmen's Compensation – Statutory
Employer's Liability – $100,000.00
Bodily Injury by Disease - $500,000 (policy limits)
Bodily Injury by Disease - $100,000 (each employee)

B. Engineer also agrees to maintain Commercial General Liability, Business Automobile Liability, and Umbrella Liability Insurance covering claims against Engineer for damages resulting from bodily injury, death or property damages from accidents arising in the course of work performed under this Contract in not less than the following amounts:

$2,000,000.00 General aggregate limit

$1,000,000.00 each occurrence sub-limit for all bodily injury or property damage incurred all in one occurrence

$1,000,000.00 each occurrence sub-limit for Personal Injury and Advertising

C. Engineer shall add CITY, its City Council members and employees, as an additional insureds on all required insurance policies, except worker's compensation, employer's liability and errors and omissions insurance. The Commercial General Liability Policy and Umbrella Liability Policy shall be of an "occurrence" type policy.

D. Engineer shall furnish CITY with an Insurance Certificate on the date this Contract is executed and accepted by CITY, which confirms that all above required insurance policies are in full force and effect.

E. Engineer agrees to maintain errors and omissions professional liability insurance in the amount of not less than one million dollars ($1,000,000) annual aggregate, on a claims made basis for a period of two years after termination of this contract, as long as reasonably available under standard policies.

7. **INDEMNIFICATION**

ENGINEER SHALL INDEMNIFY AND SAVE HARMLESS THE CITY AND ITS CITY COUNCIL MEMBERS AND EMPLOYEES FROM SUITS, ACTIONS, LOSSES, DAMAGES, CLAIMS, OR LIABILITY, INCLUDING WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, ALL EXPENSES OF LITIGATION, COURT COSTS, AND REASONABLE ATTORNEY'S FEES FOR INJURY OR DEATH TO ANY PERSON, OR INJURY TO ANY PROPERTY, RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY, TO THE EXTENT CAUSED BY THE NEGLIGENT ACTS OF ENGINEER OR EMPLOYEES OR ANYONE FOR WHOM THE ENGINEER IS LEGALLY LIABLE FOR, IN THE EXECUTION OF PERFORMANCE OF THIS CONTRACT.

ENGINEER'S TOTAL LIABILITY TO CITY FOR ANY LOSS OR DAMAGES FROM CLAIMS ARISING OUT OF, OR IN CONNECTION WITH, THIS CONTRACT FROM ANY CAUSE INCLUDING ENGINEER'S STRICT LIABILITY, BREACH OF CONTRACT, OR PROFESSIONAL NEGLIGENCE, ERRORS AND OMISSIONS SHALL NOT EXCEED ONE MILLION DOLLARS ($1,000,000.00). NEITHER PARTY TO THIS AGREEMENT SHALL BE LIABLE TO THE OTHER PARTY OR ANY THIRD PARTY CLAIMING THROUGH THE OTHER RESPECTIVE PARTY, FOR ANY SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE, LIQUIDATED, DELAY OR CONSEQUENTIAL DAMAGES OF ANY KIND INCLUDING BUT NOT LIMITED TO LOST PROFITS OR USE OF PROPERTY, FACILITIES OR RESOURCES, THAT MAY RESULT FROM THIS AGREEMENT, OR OUT OF ANY GOODS OR SERVICES FURNISHED HEREUNDER.

Denison, TX 75021

All notices and communications under this Contract shall be mailed or delivered to **CITY** and **Engineer** at the above addresses.

9. Successors and Assigns

CITY and Engineer each binds itself and its successors, executors, administrators and assigns to the other parties of this Contract and to the successors, executors, administrators and assigns of such other parties, in respect to all covenants of this Contract. Except as noted in the first part of this Paragraph, neither CITY nor Engineer shall assign, sublet or transfer its interest in this Contract without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer, council member, employee or agent of any public body which is a party hereto.

10. Termination for Convenience of the Parties

Engineer and CITY may terminate this Contract for their convenience at any time by giving at least thirty (30) days notice in writing to each other. If the Contract is terminated by CITY and/or Engineer as provided herein, Engineer will be paid for the Work provided and expenses incurred up to the termination date, if such final compensation is approved by CITY, in its sole discretion. If this Contract is terminated due to the fault of Engineer, Paragraph 10 hereof, relative to Termination for Cause, shall apply.

11. Changes

CITY may, from time to time, request changes in the Scope of Work of **Engineer** to be performed hereunder. Such changes, including any increase or decrease in the amount of **Engineer's** compensation, or time for performance, which are mutually agreed upon by and between **CITY** and **Engineer**, shall be incorporated in written amendments to this Contract. Any subsequent contract amendments shall be executed by the City Manager or other authorized representative as designated by the City Manager or City Council.

Any alterations, additions or deletions to the terms of this Contract, including the scope of work, shall be by amendment **in writing** executed by both CITY and Contractor.

13. Reports and Information

Engineer, at such times and in such forms as **CITY** may reasonably require, and as specified in the Scope of Work or in additional Contract Amendments shall furnish **CITY** periodic reports pertaining to the Work or services undertaken pursuant to this Contract, the cost and obligations incurred, or to be incurred in connection therewith, and any other matter covered by this Contract.

14. Entire Agreement

This Contract and its Exhibits and any future Contract Amendments constitute the entire agreement, and supersede all prior agreements and understandings between the parties concerning the subject matter of this Contract.

15. Waiver

The failure on the part of either party herein at any time to require the performance by the other party, of any portion of this Contract, shall not be deemed a waiver of, or in any way affect that party's rights to enforce such provision, or any other provision. Any waiver by any party herein of any provision hereof, shall not be taken or held to be a waiver of any other provision hereof, or any other breach hereof.

16. Severability

The invalidity or unenforceability of any provision of this Contract shall not affect the validity or enforceability of any other provision of this Contract.

17. Survival

Any and all representations, conditions and warranties made by Engineer under this Contract are of the essence of this Contract and shall survive the execution, delivery and termination of it.

18. Governing Powers and Law

Both Parties agree and understand that the City does not waive or surrender any of its governmental powers by execution of this Agreement. To that end, the parties further understand that this agreement shall not be considered a contract for goods or services under Texas Local Government Code, Section 271.151 and Contractor waives any right or entitlement granted said provisions. This Contract is governed by the laws of the State of Texas and all obligations of the parties under this Contract are performable in Rockwall County, Texas.

19. Attorney's Fees

If it is necessary for either Party herein to file a cause of action at law or in equity against the other Party due to: (a) a breach of this Contract by the other Party and/or (b) any intentional and/or negligent act or omission by the other Party arising out of this Contract, the non-breaching or non-negligent Party shall be entitled to reasonable attorney's fees and costs, and any necessary disbursements, in addition to any other relief to which it is legally entitled.

20. State or Federal Laws

This Contract is subject to all applicable federal and state laws, statutes, codes, and any applicable permits, ordinances, rules, orders and regulations of any local, state or federal government authority having or asserting jurisdiction, but nothing contained herein shall be construed as a waiver of any right to question or contest any such law, ordinance, order, rule or regulation in any forum having jurisdiction.

EXHIBIT "A"

HydroLogical Support Services, LLC

Scope of Services

Miscellaneous Consulting Services

The scope of services for this contract is for HydroLogical Support Services, LLC (HSS) to provide miscellaneous consulting services on an as-needed basis for issues related to stormwater and other water resources matters, which may be requested from time to time by, or approved by, the City of Rockwall's City Engineer/Public Works Director, or by the City Engineer's/Public Works Director's representative(s) or assistant(s). Such services are anticipated to typically consist of the following:

1. Review of proposed development projects and other proposed construction within the City on issues related to drainage, flood hazard potential, and regulatory issues, and provide review comments to the City.

2. Consultation or coordination with project owners and their representatives, and provide readily-available City data and other information pertinent to general location of their proposed or existing projects.

3. Provide opinions, advice, recommendations and other miscellaneous assistance to the City regarding drainage, flood hazard protection, and regulatory issues related to water resources.

4. Other miscellaneous services as requested by the City and agreed by HSS provided that such services are within the field of expertise of HSS.

Exclusions: Engineering design, design plans, construction plans, construction inspection, construction administration, surveying, geotechnical services, environmental services, groundwater services, water quality services, and any other services which are not within the field of expertise or services offered by HSS are specifically excluded from this scope of services.

This scope of services is to be provided on a time and materials cost basis in accordance with attached rate schedule (Exhibit "B"). The termination date of this contract is September 30, 2016, unless agreed in writing by both parties to extend this contract, or unless either party gives notice to other party to terminate this contract prior to this termination date.

57

EXHIBIT "B"

HydroLogical Support Services, LLC

Special Rate Schedule and Compensation for Miscellaneous Consulting Services for the City of Rockwall, Texas

Personnel costs for time-and-materials services will be invoiced on an hourly basis in accordance with the following rate schedule:

Principal Engineer	$158 - 195/hr
Senior Engineer	$135 - 175/hr
Project Engineer	$ 85 - 145/hr
Engineer-in-Training	$ 55 - 95/hr
CADD Support/Technician	$ 45 – 95/hr
Clerical/Administrative Support	$ 28 – 55/hr

Rates for expert consulting, witness, and/or testimony services related to depositions, court, hearings, arbitration dispute negotiations, meetings with opposing parties, and preparation with legal representation for deposition and/or trial are billed at personnel costs plus 35% and include all time away from the office on the date(s) of such services on behalf of the client. Personnel rates are effective through September 30, 2016, and may be renegotiated for services performed thereafter.

Non-labor expenses (including sub-contractual services, if any) will be invoiced at cost plus 8%. Mileage costs will be at the same rate as established by the Internal Revenue Service at the time of occurrence. In-office black-and-white photocopies directly related to a project or task and exceeding more than 50 pages will be at a cost of 10 cents each. Color copies will be at a cost of 25 cents each for 8.5x11 size and 50 cents each for 11x17 size.

Invoices will be submitted to the City typically at the end of the month and on a monthly basis.. However, the final invoice will be submitted upon termination of this contract. Payment for each invoice is due "net 30" days following date of the invoice. Delayed payment of any invoice may result in delays of the contracted services (Exhibit "A").

Unless otherwise agreed in writing to extend this contract, or unless either party to this contract gives notice to terminate, this contract will terminate on September 30, 2016.

EXHIBIT "C"

HydroLogical Support Services, LLC

Term of Agreement and

Schedule for

Miscellaneous Consulting Services

The term of this agreement shall commence upon execution of the agreement by both parties and will extend through September 30, 2016, unless otherwise terminated or extended as agreed in writing. Consulting services listed in Exhibit A will be scheduled on an as-needed basis during the term of contract and any extension as agreed. Consulting services will end immediately upon termination of the contract.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Brad Griggs, *Assistant City Manager*
Tim Tumulty, *Director of Public Works/City Engineer*

FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: September 21, 2015

SUBJECT: City Pride Agreement with TxDOT

Earlier this year the City of Rockwall was approved as a *Preserve America Community* by the *Advisory Council on Historic Preservation*, which administers the *Preserve America* program for the Department of the Interior. In recognition of this achievement, the City of Rockwall received an official roadway sign indicating this designation. In order to install the signage along SH-66 [*W. Rusk Street*] the City will need to enter into an agreement with the Texas Department of Transportation (TxDOT) through the City Pride Program. As part of this agreement, it will be the responsibility of the City to provide and install the signage, pole and base once the proposed locations have been approved by TxDOT. Attached to this email is a copy of the City Pride Program agreement, a map showing the proposed location for the new signage, and TxDOT's standard signage plans.

The Engineering Department estimates the cost of installing the sign at approximately ~$250.00. Should the City Council consider authorizing the City Manager to enter into an agreement with TxDOT under the City Pride Program, staff will complete and submit the attached agreement to the state for consideration.

Agreement No._____

STATE OF TEXAS §

COUNTY OF TRAVIS §

CITY PRIDE SIGN AGREEMENT

THIS AGREEMENT, made on the dates hereinafter shown, by and between the State of Texas, hereinafter called the "State," represented by the Executive Director of the Texas Department of Transportation, acting for and in behalf of the Texas Transportation Commission, and the City of _____, hereinafter called the "City."

W I T N E S S E T H

WHEREAS, the State owns, operates, and maintains a system of highways for public use and benefit, in the City of _____; and

WHEREAS, the City desires and has requested authority to construct or have reconstructed the City Pride Sign along the roadway(s) of:

_____,
_____,
_____,
_____,
_____, and
_____

at the location(s) shown on construction plans, attached hereto and made part of this Agreement.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements of the parties hereto, to be by them respectively kept and performed as hereinafter set forth, and in accordance with Title 43, Texas Administrative Code, Chapter 25, Subchapter H, it is agreed as follows:

A G R E E M E N T

Article 1. General

The State grants to the City permission to construct or to have reconstructed, the City Pride Sign(s) within the right-of-way as shown on construction plans and to be maintained by the City as stipulated in the Municipal Maintenance Agreement with the City of _____, dated _____, 20____.

Article 2. Plans, Specifications and Construction Procedures

A. The City, at no cost to the State, shall prepare or have prepared, complete construction drawings, plans and specifications for the proposed City Pride Sign(s), State approved breakaway sign supports, foundations, appurtenances, and incidental items. No construction work shall be performed on highway right-of-way until these plans and specifications have been approved in writing by the State. After such approval has been given, no changes or alterations shall be made without the written approval of the State.

B. The plans and specifications shall be submitted to the District Engineer, Texas Department of Transportation, (TxDOT District), Texas for approval. Any changes or alterations which become necessary during the course of the work shall also be submitted to the District Engineer for approval.

C. The City, its contractor(s), or agents shall submit a traffic control plan as required and in accordance with the Texas Manual on Uniform Traffic Control Devices to direct and

protect vehicular and pedestrian traffic while construction work, including related activities, is in progress. Details and descriptions of these traffic handling measures shall be included in the plans and specifications when submitted for approval. If, during construction, it becomes necessary or desirable to modify the traffic control measures as specified, prior approval must be obtained from the State's District Engineer in (TxDOT District).

D. The City shall construct, or have constructed, at its entire cost and expense, the proposed City Pride Sign(s) and incidental items referred to in paragraph 1 and 2 above. The State shall have the right to inspect the work on highway right-of-way at any time during the progress of the work, and to make final inspection upon completion. Construction operations will be conducted in a manner acceptable to the District Engineer or their authorized representative. The City, its contractor(s) or agents shall correct any deficiencies revealed by the State's inspection of the work or of the traffic control and protection measures, where such deficiencies could have an adverse affect on public use of the highway or the safety and convenience of the traveling public.

E. Upon completion of the work authorized herein, the City shall submit copies of the as-built plans and specifications, including any changes or alterations, showing the City Pride Sign(s) in their completed state within 45 days to the State's District Engineer in (TxDOT District) for permanent records of the State.

F. The City agrees to pay all damages accruing to the State, by reason of injuries to the right-of-way, roadbed, pavement, and/or bridge owned by the State, when such damages are caused by the city's construction, operations, maintenance or rehabilitation on said roadway. Whenever funds are paid by the City to the State under this Agreement, the City shall remit a check or warrant made payable to the "Texas Department of Transportation Trust Fund." To the extent allowed by law, the City also agrees to indemnify and save harmless the State from any and all claims, demands, actions or causes of action, due to damage to property or injury to or death of persons arising from or growing out of or in any manner connected with work on said roadway project including, but not limited to, all court costs, attorney fees and other expenses incurred in connection with suits for such damage and shall, if so requested in writing, assist or relieve the State from defending any such suits brought against it. In addition, the City shall require its contractor(s) and subcontractor(s) to secure a policy of insurance in the maximum statutory limits for tort liability, naming the State as an additional insured under its terms, and maintain the required insurance coverages in full force and effect during any period that work is performed on the State right-of-way. Adequate insurance, as a minimum, shall mean the City contractor(s) shall furnish the State with the Texas Department of Transportation's Certificate of Insurance covering the below listed insurance coverages.

1) Worker's Compensation Insurance Amount – Statutory
2) Comprehensive General Liability Insurance

Amounts	Bodily Injury Property Damage	$600,000 combined single limit each occurrence and in the aggregate

OR

Commercial General Liability Insurance

Amounts	Bodily Injury	$250,000 each person
	Property Damage	$100,000 each occurrence

3) Texas Business Automobile Policy

Amounts	Bodily Injury	$250,000 each person
	Property Damage	$100,000 each occurrence

The State shall be included as an "Additional Insured" by Endorsement to policies issued for coverages listed in B and C above. A "Waiver of Subrogation Endorsement" in favor of the State shall be a part of each policy for coverages listed in A, B, and C above. A certified copy of these endorsements shall be submitted to the State with the evidence of coverage. The City and/or its contractor(s) shall be responsible for any deductions stated in the policy.

Article 3. Location

A. One City Pride and/or a Texas Commission on Environmental Quality (TCEQ), Texas Historical Commission (THC), Keep Texas Beautiful (KTB) Sign shall be allowed per eligible highway entrance to the City. A City Pride Sign shall be located on the right-hand side of the roadway unless otherwise approved in writing by the State. A City Pride Sign shall be located between 300 and 800 feet of the city limits at a location approved by the State. A City Pride Sign shall take advantage of the natural terrain, have the least impact on the scenic environment, avoid visual conflict within the State highway right-of-way, have a lateral offset greater than existing guide signs, not block the motorist's view of existing traffic control signs, and be placed in locations other than hanging above the highway.

B. A City Pride Sign shall not be located adjacent to the main lanes of full controlled access highway; however, a City Pride Sign may be located on the right-hand side of the access road.

C. The city may landscape the area adjacent to the City Pride Sign(s) upon written approval of the plans by the State's District Engineer in the (TxDOT District) District. Only small plants, flowers, and shrubbery will be allowed. Permanent structures or items such as large stones, masonry, berms, landscape timbers, etc. shall not be allowed. The State assumes no responsibility for watering, maintenance or damage due to State maintenance and construction activities, fire, theft or vandalism.

Article 4. City Pride Sign

A. The sign face of a City Pride Sign or the combined total area of the attachment signs displayed shall not exceed 80 square feet total. A City Pride Sign shall not contain words, symbols, or messages that:

1) May be construed as advertising, including, but not limited to, the offering of products and services.
2) Contain notification of municipal ordinances or regulations, or
3) Resemble official traffic control devices.

B. Banners, flags, streamers, flashing lights, or other appurtenances shall not be attached to a City Pride Sign or sign supports. Sign supports shall be galvanized metal or painted solid white.

C. A City Pride Sign shall not be illuminated internally or externally.

D. A City pride Sign may contain the name of the city, message, or slogan no greater than eight inches in height. The City may include a seal or symbol that is commonly used to represent the City.

E. If a City Pride Sign requires background material, it shall be painted brown (Sherwin Williams #2315 or equivalent) or have brown reflective material affixed to the sign face meeting State specifications. Lettering upon the brown background shall be white and may be any script or font. A white 2 inch border is optional. Lettering and border shall be

painted white (Sherwin Williams #2130 or equivalent) or have white reflective material affixed to the sign face meeting State specifications.

Article 5. Attachment Signs

A. Attachment signs or civic information signs are provided by a non-profit civic organization or governmental entity that display points of interest or geographical, recreational, cultural, or civic information. A civic organization must be located within or have a member who resides in the City, and complies with all applicable law concerning the provisions of public accommodation without regard to race, religion, color, sex, or national origin.

B. Attachment signs may be any color or combination of colors and may be in any design or shape. Attachment signs shall not be greater than 48 inches in width and 36 inches in height, and shall not consist of text, symbols, trademarks or a legend message identifying the name or abbreviation of a commercial establishment, service or product, or contain supplemental address or directional information such as meeting dates or locations.

C. A civic organization shall apply to the City for permission to display an attachment sign upon the City Pride Sign. The City shall notify/contact the civic organization in writing if the civic organization does not meet the requirements of eligibility as stated herein. The civic organization shall have 30 calendar days after written notification to meet the requirements herein.

D. The City shall approve all attachment signs and determine the order, arrangement, and duration of display. Attachment signs shall be placed upon a City Pride Sign and shall not overlap.

E. A civic organization shall have only one attachment sign per City Pride Sign unless the City and civic organization agree to said organization's multiple attachment signs upon a City Pride Sign.

F. The City shall remove an attachment sign of a participating civic organization if the civic organization ceases to exist, does not meet the requirements stated herein, or has not provided a replacement sign after 60 days of the City or State's written notification that the attachment sign is damaged, broken, faded, or has become a hazard due to failure to build to specifications, inclement weather, inadequate maintenance, accidental damage, or other cause.

Article 6. Miscellaneous

A. Signs from the TCEQ, THC, or KTB, Proud Community Program signs, shall be erected and maintained to State specifications at the sole expense of the City. Signs shall not be allowed as attachments to State signs or sign supports.

B. Attachment signs not relocated to a City Pride Sign, TCEQ, THC, or KTB signs or other approved locations will be removed by the State at the expense of the City.

C. The State shall not require fees from the City for participating in the City Pride Sign Program. The city shall not require fees from the civic organizations or governmental entities for display upon a City Pride Sign.

D. While installing or maintaining a City Pride Sign, the City shall cooperate with any State contractor working on the State highway system at that location.

E. In the event that the State determines that it is necessary to repair, construct, reconstruct and/or make any changes in the highway facility for reasons other than those specified herein, the City shall be responsible for all costs necessary for removal and relocation of the City Pride Sign.

F. The City shall remove a City Pride Sign if it has not provided a replacement sign within 60 calendar days of written notification from the State that the sign is damaged, broken, faded or has become a hazard due to failure to build to specifications, inclement weather, inadequate maintenance, accidental or other cause. After 60 days, the City Pride Sign not removed or replaced will be removed by the State at the expense of the city. The State may terminate this agreement upon default of the city.

G. This Agreement shall bind, and shall be for the sole and exclusive benefit of the respective parties and their legal successors.

IN TESTIMONY WHEREOF, the parties hereto have affixed their signatures, the City of _____ on the ____ day of _____, 20____, and the State on the ____ day of _____, 20____.

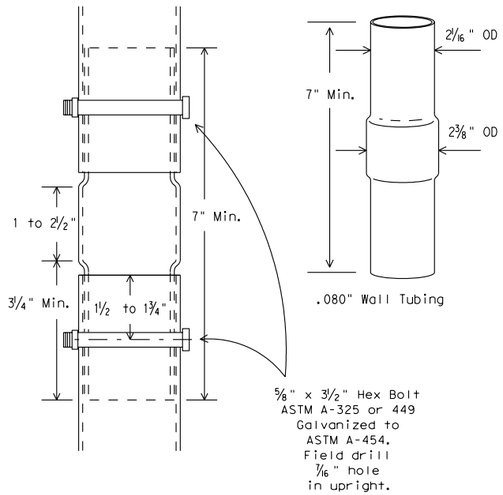
GENERAL NOTES



OPTIONS A and B

1. A City Pride Sign shall not contain words, symbols, or messages that may be construed as advertising, including, but not limited to, the offering of products and services, notification of municipal ordinances or regulations, or resemble official traffic control devices.
2. Banners, flags, streamers, flashing lights, or other appurtenances shall not be attached to a City Pride Sign or sign supports.
3. City name, symbol, slogan or combination thereof may be an attachment sign.
4. Attachment signs may be any color or combination of colors and may be of any design or shape. Attachment signs shall not be greater than 48 inches in width and 36 inches in height, and shall not consist of text, symbols, trademarks or a legend message identifying the name or abbreviation of a commercial establishment, service or product, or contain supplemental address or directional information such as meeting dates or locations.
5. A City Pride Sign shall not be illuminated internally or externally.
6. Support and design shall conform with AASHTO Standard Specifications for structural supports of Highway signs, luminaires and traffic signals with a design wind speed of 60 mph.
7. Steel pipe sign supports shall be galvanized in accordance to ASTM Designation A123.
8. The minimum sign height from the ground shall be 7 feet.
9. Where solid rock is encountered at ground level the foundation shall be a minimum depth of 18 inches. When solid rock is encountered below ground level the foundation shall extend into the solid rock a minimum depth of 18 inches or provide a minimum foundation depth of 30 inches. Only concrete foundations shall be used in rock.

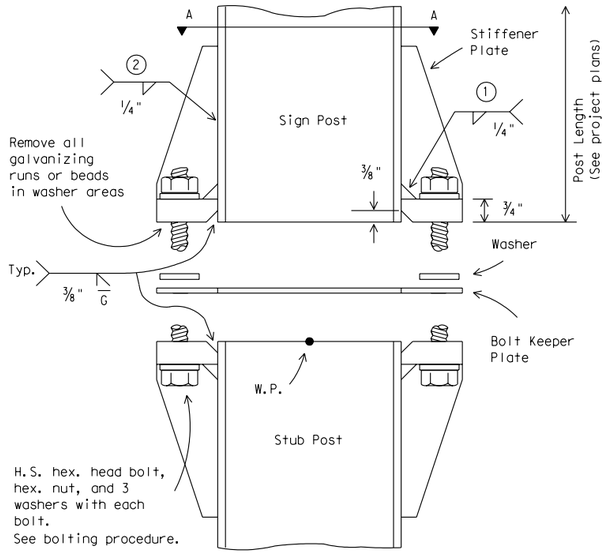
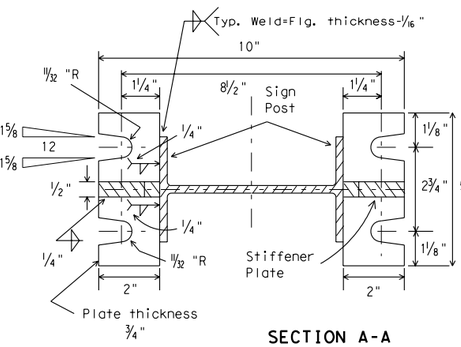
Option C
Two Post/Solid Background
Max. 80 sq. ft.



TYPICAL SIGN INSTALLATION AND LOCATION

OPTION C (Two Post)

10. Lateral clearances of signs mounted on median side of main lanes are the same as shown above where space will permit.
11. Where a sign is to be located behind guardrail, an allowable minimum clearance of two feet may be used, measured from the face of the guardrail to the near edge of sign.
12. 6 foot minimum and desirable may be used only in areas of limited lateral clearance and when approved by the Engineer.
13. Post spacing on a two post sign may vary a maximum of plus or minus 10% of total sign width to fit field conditions.
14. Typical maximum dimensions are 10 foot width by 8 foot height, however, TxDOT will consider other shapes and designs upon request. Maximum size of sign face shall not exceed 80 square feet.
15. Background shall be brown in color. If painted it shall match Sherwin Williams #2315 (or equivalent). If reflective sheeting is used it shall meet TxDOT Material Specification D-9-8300.
16. Optional City name, symbols, slogan or combination thereof may be an attachment sign or lettering on the sign face. Lettering may be any style or font, but shall not be greater than 8 inches in height. Lettering and or optional 2 inch border shall be white in color. Paint shall match Sherwin Williams #2130 (or equivalent), if sheeting is used it shall meet TxDOT Material Specification D-9-8300.



FOUNDATION DETAIL

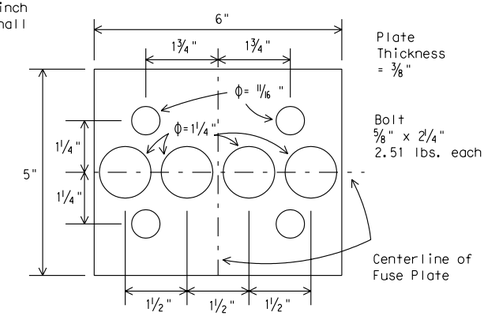
(2) Weld W may be continued across clips to seal joint

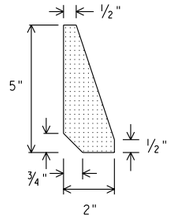
W6x15 SIGN POST AND STUB POST

SECTION A-A



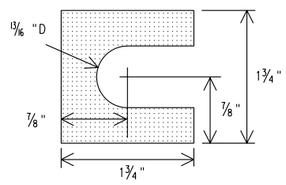
BOLT KEEPER PLATE

30 Ga galv. sheet steel



BOLTING PROCEDURE FOR ASSEMBLY OF BASE CONNECTION:

1. Assemble sign post, BOLT KEEPER PLATE and stub post with bolts and three flat washers per bolt as shown.
2. Shim as required to plumb post.
3. Tighten all bolts the maximum possible with a 12 to 15 inch wrench to blean bolt threads and to bed washers and shims.
4. Loosen each bolt in sequence and retighten bolts in a systematic order to the prescribed torque. Do not overtighten.
5. To prevent nut loosening, burr threads of bolt at junction with nut using a center punch.



PERFORATED FUSE PLATE DETAIL

Use H.S. hex head bolts, hex head nut and bevel or flat washer (where req'd) under nut. All holes shall be drilled. All plate cuts shall preferably be saw cuts. However; flame cutting will be permitted provided all edges are ground. Metal projecting beyond the plane of the plate face will not be permitted. Steel fuse plates shall conform to the requirements of ASTM A36. ASTM A572 Grade 50 or ASTM A588 may be substituted for A36 at the option of the fabricator. Mill test reports shall be submitted for Fuse Plates. Steel used shall have an ultimate tensile strength not to exceed 80 KSI.

STIFFENER PLATE DETAIL

Steel Plate (thickness = 1/2")

SHIM DETAIL

Furnish two .012"+ thick and two .032"+ thick shims per post. Shims shall be fabricated from brass shim stock or strip conforming to ASTM B36.

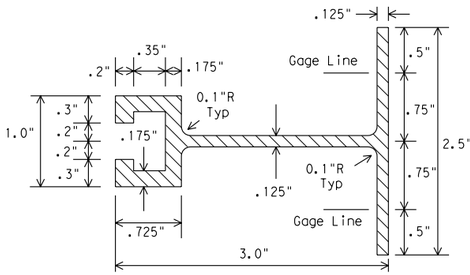
TYPICAL PLYWOOD SIGN ASSEMBLY DETAILS

REAR VIEW

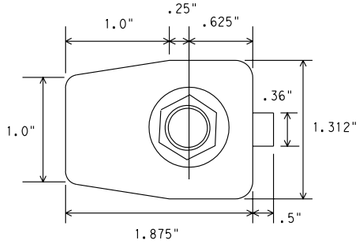


SIDE VIEW

NOTES:

1. A tolerance of plus or minus 1/4 inch will be permitted in the plan dimensions for fabrication of each single increment sign panel when necessary for squaring. A tolerance of plus or minus 1/4 inch will be permitted for each increment of a multi-increment sign panel where necessary to secure square, tight-fitting joints.
2. Plywood bolts shall be 5/16" x 1 1/2" elevator type steel with flat or slightly hemispherical head and 3/4" minimum thread length. The head shall have a minimum diameter of 11/16" and a minimum of two fins on the underside. Each bolt shall be provided with one 5/16" steel hex nut, one 5/16" steel flat washer, and one 5/16" steel lock washer. Bolts, nuts and washers shall be galvanized in accordance with ASTM Designation: B695, Class 50, or A153 Class C or D.
3. Splice bars shall be secured with 5/8" long x #10 round head, stainless steel wood screws spaced at 6" maximum along double row spacing with the exception at extreme ends of splice bars, along outside edge of sign, where plywood bolts shall be used as shown. A maximum of one horizontal joint per vertical section will be permitted using a 1/8" gap between panels.
4. Splices shall be kept to a minimum. Panels 4'x8' or larger shall be used to the maximum extent possible in the fabrication of any sign. Signs or sign sections which cannot be fabricated from at least a 4'x8' panel shall be of one piece construction.

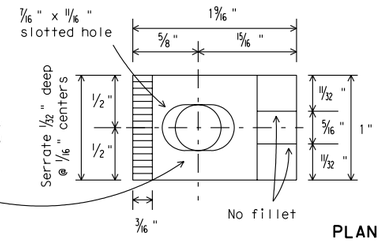
1. Approximately equal spacing, fabricator may vary spacing for least interference with message and to utilize wind beam for horizontal splice. Wind beam spacing will not exceed the maximum shown in table on sheet SMD(2-1). Staggered arrangement of horizontal splices as shown is preferred. However, a single horizontal joint across the sign face is permissible.
2. For signs 4'-0" or less in height the plywood panel may exceed 4'-0" in width.
3. Extruded aluminum wind beams shall be continuous with no splices. (see sheet SMD(2-1).
4. Aluminum Z will be provided unless stated otherwise in the plans. If noted elsewhere in the plans, 1.175 lb/ft extruded aluminum windbeam may be used.



Windbeam to be extruded aluminum (1.175 lbs/ft)

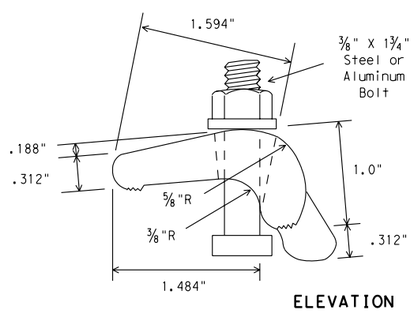
WINDBEAM CROSS SECTION

SPECIFICATION REFERENCE TABLE MATERIALS AND TESTS DIVISION SPECIFICATIONS SIGN HARDWARE	D-9-7120



GENERAL NOTES:

1. Design conforms with AASHTO Specifications for the design and construction of structural supports for highway signs.
2. Materials and fabrication shall conform to the requirements of the Department material specifications.
3. Structural steel shall be high strength steel (HS) in accordance with the Item 442, "Metal For Structures."
4. Parts shall be saw cut either before galvanizing and the galvanized cut cleaned of zinc build-up, or saw cut after galvanizing and the cut surface treated with zinc-based solder or zinc-rich paint in accordance with ASTM A780. (Cut surface will not be treated until plate is installed and all bolts fully tightened.)



PLAN

NOTE: centerline of hole for 3/8" diameter squarehead bolt x 2 1/4" long with a flat washer and self-locking nut, or lock washer and hex. nut. Bolt head dimensions shall be in accordance with ANSI B 18.2.1 as referred to in the AISC Manual of steel construction. Bolt assembly shall be galvanized.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **September 14, 2015**

SUBJECT: **Honda of Rockwall Easement Abandonment**

Honda of Rockwall has requested that a 608 square foot utility easement located at the southeastern corner of the building be abandoned. The abandonment request is due to the electrical transformer and service being relocated to a different location during construction and this easement was not adjusted to the new transformer location on the final plat. Honda has provided a different easement on this site for the electrical equipment. Staff has received letters of abandonment approval from Atmos, ONCOR, AT&T, and Charter. This abandonment of this easement will not impact City facilities.

Staff supports the abandonment of this utility easement. If you have any questions, please advise.

Re: Honda of Rockwall easement abandonment

Per our records, at&t shows to be clear of the easement in question at the southeast corner of the building. Our records indicate that we access the property via a customer owned conduit that was placed by the customer. This conduit runs from the north end of the building and goes directly across the north parking lot and out to the TXDOT Right of Way.

Please call or email me, should you have any questions.

Sincerely,

Scott Ulrich

CITY OF ROCKWALL, TEXAS
RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ABANDONING A UTILITY EASEMENT AS MORE SPECIFICALLY DESCRIBED ON THE EXHIBIT ATTACHED HERETO; AUTHORIZING THE MAYOR TO ISSUE A QUITCLAIM DEED TO THE LANDOWNERS; PROVIDING AN EFFECTIVE DATE.

WHEREAS, Section 272.001 Texas Local Government Code provides for the release of easements to the abutting owners; and

WHEREAS, the City Council of the City of Rockwall has been requested to abandon a Utility Easement (608 Square Feet), more specifically described and shown on the exhibit attached hereto for all purposes;

WHEREAS, Realty Holdings of Rockwall, LLC has provided another easement to place the electric transformer and appurtenances in; and

WHEREAS, this portion of the easement is no longer needed for utilities by the City or other private utilities, and the City Council has determined that the provision of Section 272.001 Texas Local Government Code requiring an appraisal shall not be necessary;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the above recitals have been found to be true and correct.

Section 2. That the City Council does hereby authorize the abandonment of a utility easement to the abutting landowner, Realty Holdings of Rockwall, LLC, the Utility Easement more specifically shown on the exhibit attached hereto and made a part hereof for all purposes.

Section 3. That the Mayor is hereby authorized to issue and sign a quitclaim deed to the abutting landowner who last appears on the current tax rolls of the City.

Section 4. That this resolution shall take effect immediately after its passage and approval and it is so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this _____ of _____, 2015.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **September 10, 2015**

SUBJECT: **Signal Ridge Sanitary Sewer Pipe-Bursting Project**

Signal Ridge sanitary sewer line carries flow from the PD-32 development to the Buffalo Creek Sanitary Sewer Trunk Main. As a part of the Wastewater Impact Fee Update Process and the Master Wastewater Study, a 1075 linear foot section of the Signal Ridge 10 inch diameter sanitary sewer line requires upsizing to a 14 inch diameter line to handle future flows. With the improvements occurring to the Signal Ridge Lift Station in the very near future to meet future development, this line needs to be increased at this time.

Staff requested a proposal from Grantham & Associates, Inc. to provide the engineering design and specifications for the replacement of this sanitary sewer line. The method of replacement to increase line capacity will be the pipe-bursting method. This method is considered a trenchless form of construction and should expedite construction if the existing line is on-grade and has limited number of sanitary sewer service connections.

The preliminary cost estimate to reconstruct this section of sanitary sewer line is $229,500 with an engineering fee of $27,480. Funds are available from the 2016 water and sewer revenue bonds. Staff recommends City Council consideration to award a professional services contract to Grantham & Associates, Inc. to perform the engineering design services and specifications for the Signal Ridge Sanitary Sewer Pipe Bursting Project in an amount of $27,480.00 and take any action necessary. If you have any questions, please advise.

STATE OF TEXAS ♦

♦

COUNTY OF ROCKWALL ♦

PROFESSIONAL ENGINEERING SERVICES CONTRACT

This Agreement is made and entered into in Rockwall County, Texas, between City of Rockwall, Texas ("CITY"), a municipal corporation and political subdivision of the State of Texas, acting by and through its City Manager and Grantham & Associates, Inc., ("ENGINEER"), located at 6570 Naaman Forest Boulevard, Suite 200, LB 2, Garland, Texas 75044, Engineers duly licensed and practicing under the laws of the State of Texas.

WHEREAS, CITY desires to engage Engineer as an independent contractor to render certain technical and professional services necessary for performing:

PROFESSIONAL ENGINEERING SERVICES for SIGNAL RIDGE SANITARY SEWER PIPE BURSTING

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements contained herein, the Parties hereby agree as follows:

1. Scope of Work

Engineer agrees to perform professional engineering services as specifically defined in this Contract as Exhibit "A" and as authorized by CITY. Specifically, Engineer shall perform Professional services as requested by CITY and detailed in Attachment "A".

The Parties by mutual agreement through contract amendments may provide for additional technical and professional services to be performed under the basic general terms and conditions of this Contract. CITY reserves the right to enter into another agreement with other engineering firms to provide the same or similar professional services during the term of this Contract for different projects.

2. Compensation & Term of Agreement

Cost for such services will be an annual amount not to exceed twenty nine thousand, nine hundred and twenty dollars ($29,920.00) and billed as an hourly basis per rates provided in Attachment "A". Engineer is not authorized to perform any work beyond the limited not to exceed amount without authorized written approval by CITY.

The term of this Agreement shall commence upon execution of this agreement and follow the

schedule described in Attachment "B". In the event of termination, Engineer will assist the CITY in arranging a smooth transition process. However, Engineer's obligation to provide services to the CITY will cease upon the effective date of termination, unless otherwise agreed in writing.

3. Method of Payment

CITY shall pay Engineer its fees based on the presentation by Engineer to CITY of a correct monthly statement for all the amounts earned under the Contract together with reasonable supporting documentation verifying the accuracy of the fees and expenses. CITY shall then pay Engineer its fee within thirty (30) days after presentation of the accurate monthly statement by Engineer to CITY. CITY is a State sales and use tax exempt political subdivision of the State of Texas. All records supporting payment shall be kept in the offices of Engineer for a period of not less than three (3) years and shall be made available to CITY for inspection, audit or copying upon reasonable request.

4. Engineer's Standard of Care

Engineer shall provide its services under this Contract with the same degree of care, skill and diligence as is ordinarily provided by a professional Engineer under similar circumstances for a similar project. Engineer represents that it has the capability, experience, available personnel, and means required to perform the services contemplated by this Contract. Services will be performed using personnel and equipment qualified and/or suitable to perform the work requested by the CITY. CITY retains the right to report to Engineer any unsatisfactory performance of Engineer personnel for appropriate corrective action. Engineer shall comply with applicable federal, state, and local laws in connection with any work performed hereunder.

Engineer will seek written CITY approval to accept any contract or perform any services for any person, entity, or business that has an agreement or is in negotiations of an agreement with CITY. CITY may waive this conflict, but such waiver is at CITY's sole discretion and its decision shall be final.

5. Ownership of Documents

As part of the total compensation which CITY has agreed to pay Engineer for the professional services to be rendered under this Contract, Engineer agrees that hard copies of all finished and unfinished documents, data, studies, surveys, drawings, specifications, field notes, maps, models, photographs, preliminary reports, reports, bid packet/construction contract documents/advertisement for bids incorporating any CITY standard provisions provided by Engineer, will remain the property of the CITY. Engineer will furnish CITY with paper and electronic copies, to the extent they are available, of all of the foregoing to facilitate coordination, however, ownership of the underlying work product shall remain the intellectual property of the Engineer. Engineer shall have the right to use such work products for Engineer's purposes. However, such documents are not intended to be suitable for reuse by CITY or others on extension of the

Project or on any other project. Any reuse without the express written consent of the Engineer will be at reuser's sole risk and without liability or legal exposure to the Engineer, and CITY to the extent allowed by law, shall hold harmless the Engineer from all claims, damages, losses, expenses, and costs, including attorneys' fees arising out of or resulting from the reuse of said documents without the Engineer's consent. The granting of such consent will entitle the Engineer to further compensation at rates to be agreed upon by CITY and the Engineer. The above notwithstanding, Engineer shall retain all rights in its standard drawing details, designs, specifications, databases, computer software and any other proprietary and intellectual property information provided pursuant to this Contract, whether or not such proprietary information was modified during the course of providing the services.

6. Insurance

A. Engineer agrees to maintain Worker's Compensation and Employer's Liability Insurance to cover all of its own personnel engaged in performing services for CITY under this Contract in at least the following amounts:

Workmen's Compensation – Statutory
Employer's Liability – $100,000.00
Bodily Injury by Disease - $500,000 (policy limits)
Bodily Injury by Disease - $100,000 (each employee)

B. Engineer also agrees to maintain Commercial General Liability, Business Automobile Liability, and Umbrella Liability Insurance covering claims against Engineer for damages resulting from bodily injury, death or property damages from accidents arising in the course of work performed under this Contract in not less than the following amounts:

$2,000,000.00 General aggregate limit

$1,000,000.00 each occurrence sub-limit for all bodily injury or property damage incurred all in one occurrence

$1,000,000.00 each occurrence sub-limit for Personal Injury and Advertising

C. Engineer shall add CITY, its City Council members and employees, as an additional insureds on all required insurance policies, except worker's compensation, employer's liability and errors and omissions insurance. The Commercial General Liability Policy and Umbrella Liability Policy shall be of an "occurrence" type policy.

D. Engineer shall furnish CITY with an Insurance Certificate on the date this Contract is executed and accepted by CITY, which confirms that all above required insurance policies are in full force and effect.

E. Engineer agrees to maintain errors and omissions professional liability insurance in the amount of not less than one million dollars ($1,000,000) annual aggregate, on a claims made basis, as long as reasonably available under standard policies.

7. **INDEMNIFICATION**

ENGINEER SHALL INDEMNIFY AND SAVE HARMLESS THE CITY AND ITS CITY COUNCIL MEMBERS AND EMPLOYEES FROM SUITS, ACTIONS, LOSSES, DAMAGES, CLAIMS, OR LIABILITY, INCLUDING WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, ALL EXPENSES OF LITIGATION, COURT COSTS, AND REASONABLE ATTORNEY'S FEES FOR INJURY OR DEATH TO ANY PERSON, OR INJURY TO ANY PROPERTY, RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY, TO THE EXTENT CAUSED BY THE NEGLIGENT ACTS OF ENGINEER OR ITS AGENTS OR EMPLOYEES, IN THE EXECUTION OF PERFORMANCE OF THIS CONTRACT.

ENGINEER'S TOTAL LIABILITY TO CITY FOR ANY LOSS OR DAMAGES FROM CLAIMS ARISING OUT OF, OR IN CONNECTION WITH, THIS CONTRACT FROM ANY CAUSE INCLUDING ENGINEER'S STRICT LIABILITY, BREACH OF CONTRACT, OR PROFESSIONAL NEGLIGENCE, ERRORS AND OMISSIONS SHALL NOT EXCEED ONE MILLION DOLLARS ($1,000,000.00). NEITHER PARTY TO THIS AGREEMENT SHALL BE LIABLE TO THE OTHER PARTY OR ANY THIRD PARTY CLAIMING THROUGH THE OTHER RESPECTIVE PARTY, FOR ANY SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE, LIQUIDATED, DELAY OR CONSEQUENTIAL DAMAGES OF ANY KIND INCLUDING BUT NOT LIMITED TO LOST PROFITS OR USE OF PROPERTY, FACILITIES OR RESOURCES, THAT MAY RESULT FROM THIS AGREEMENT, OR OUT OF ANY GOODS OR SERVICES FURNISHED HEREUNDER.

8. Addresses for Notices and Communications

CITY
City Manager
City of Rockwall
385 S. Goliad Street
Rockwall, TX 75087

Engineer
Bruce Grantham, P.E.
Grantham & Associates, Inc.
6570 Naaman Forest Boulevard, Suite 200, LB 2,
Garland, Texas 75044

All notices and communications under this Contract shall be mailed or delivered to **CITY** and **Engineer** at the above addresses.

9. Successors and Assigns

CITY and Engineer each binds itself and its successors, executors, administrators and assigns to the other parties of this Contract and to the successors, executors, administrators and assigns of such other parties, in respect to all covenants of this Contract. Except as noted in the first part of this Paragraph, neither CITY nor Engineer shall assign, sublet or transfer its interest in this Contract without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer, council member, employee or agent of any public body which is a party hereto.

10. Termination for Convenience of the Parties

Engineer and CITY may terminate this Contract for their convenience at any time by giving at least thirty (30) days notice in writing to each other. If the Contract is terminated by CITY and/or Engineer as provided herein, Engineer will be paid for the Work provided and expenses incurred up to the termination date, if such final compensation is approved by CITY, in its sole discretion. If this Contract is terminated due to the fault of Engineer, Paragraph 10 hereof, relative to Termination for Cause, shall apply.

11. Changes

CITY may, from time to time, request changes in the Scope of Work of **Engineer** to be performed hereunder. Such changes, including any increase or decrease in the amount of **Engineer's** compensation, or time for performance, which are mutually agreed upon by and between **CITY** and **Engineer**, shall be incorporated in written amendments to this Contract. Any subsequent contract amendments shall be executed by the City Manager or other authorized representative as designated by the City Manager or City Council.

Any alterations, additions or deletions to the terms of this Contract, including the scope of work, shall be by amendment **in writing** executed by both CITY and Contractor.

13. Reports and Information

Engineer, at such times and in such forms as **CITY** may reasonably require, and as specified in the Scope of Work or in additional Contract Amendments shall furnish **CITY** periodic reports pertaining to the Work or services undertaken pursuant to this Contract, the cost and obligations incurred, or to be incurred in connection therewith, and any other matter covered by this Contract.

14. Entire Agreement

This Contract and its Exhibits and any future Contract Amendments constitute the entire agreement, and supersede all prior agreements and understandings between the parties concerning the subject matter of this Contract.

15. Waiver

The failure on the part of either party herein at any time to require the performance by the other party, of any portion of this Contract, shall not be deemed a waiver of, or in any way affect that party's rights to enforce such provision, or any other provision. Any waiver by any party herein of any provision hereof, shall not be taken or held to be a waiver of any other provision hereof, or any other breach hereof.

16. Severability

The invalidity or unenforceability of any provision of this Contract shall not affect the validity or enforceability of any other provision of this Contract.

17. Survival

Any and all representations, conditions and warranties made by Engineer under this Contract are of the essence of this Contract and shall survive the execution, delivery and termination of it.

18. Governing Powers and Law

Both Parties agree and understand that the City does not waive or surrender any of its governmental powers by execution of this Agreement. To that end, the parties further understand that this agreement shall not be considered a contract for goods or services under Texas Local Government Code, Section 271.151 and Contractor waives any right or entitlement granted said provisions. This Contract is governed by the laws of the State of Texas and all obligations of the parties under this Contract are performable in Rockwall County, Texas.

19. Attorney's Fees

If it is necessary for either Party herein to file a cause of action at law or in equity against the other Party due to: (a) a breach of this Contract by the other Party and/or (b) any intentional and/or negligent act or omission by the other Party arising out of this Contract, the non-breaching or non-negligent Party shall be entitled to reasonable attorney's fees and costs, and any necessary disbursements, in addition to any other relief to which it is legally entitled.

20. State or Federal Laws

This Contract is subject to all applicable federal and state laws, statutes, codes, and any applicable permits, ordinances, rules, orders and regulations of any local, state or federal government authority having or asserting jurisdiction, but nothing contained herein shall be construed as a waiver of any right to question or contest any such law, ordinance, order, rule or regulation in any forum having jurisdiction.

Re: Proposal for Engineering and Surveying Services – Signal Ridge Sanitary Sewer Pipe Burst

Dear Tim:

Grantham & Associates, Inc. (G&A) is pleased to provide this proposal for engineering and surveying services for the pipe bursting of a 10" sanitary sewer line to a 14" pipe. This line begins at the lift station on the south side of the Water's Edge Condominiums and extends approximately 1,075 feet to just north of the Harbor Hotel and Conference Center. G&A's scope of services is summarized below.

BASIC SERVICES

Surveying

- Establish survey control for design and construction.
- Perform a limited topographic survey of around manholes and along the pipe centerline.
- Tie property corners and utility markings. DIGTESS will be called to locate underground utilities in serviced locations where excavation may occur during construction.

Engineering

- Coordinate with the City and franchise utility companies regarding the location of underground utilities in the vicinity of each excavation location.
- Review the design improvements and construction specifications with City staff.
- Prepare 30%, 90% and 100% submittals including any special construction details.
- Prepare an Engineer's Opinion of Probable Cost based upon the final design.

Bidding and Construction

- Distribute drawings and contract documents for bidding purposes from G&A's office.
- Respond to contractor questions during bidding by issuing addenda.
- Attend a prebid conference.
- Assist the City in opening, tabulating, and analyzing of bids, check references for the low bidder, and prepare a recommendation of award letter.
- Attend a preconstruction conference and furnish ten (10) sets of conformed drawings that include any addenda revisions.
- Make two (2) site visits during construction and perform a final walk through with the City.
- Respond to contractor questions during construction.
- Review contractor pay requests for mathematical correctness.
- Furnish the City with Record Drawings in digital format based on Contractor and City inspector markups.

SPECIAL SERVICES

Geotechnical Boring

- Obtain one test hole from GME Consulting Services, Inc. to determine the soil conditions and whether or not there is rock present at the pipe bursting depth.

Clean and Television Inspection

- Clean and television inspection of the existing 10" sanitary sewer by Acme Television Company, Inc. to determine the pipe condition and whether or not there is any joint separation.

FEE

G&A's proposed fee schedule is provided below. Attachment A contains an engineering cost based on a summary of sheets and a comparison with TSPE Curve A. Attachment B contains an Opinion of Probable Construction Cost (OPCC) of $229,650. Attachment C contains a manhour spreadsheet fee for the surveying, bidding and construction, and temporary construction easement services.

BASIC SERVICES		
• Topographic Survey/Control	$	3,650 (Fixed Fee)
• Engineering (includes 1 plan sheet @ 1" = 30' scale, no profile)	$	11,500 (Fixed Fee)
• Bidding and Construction Services	$	4,380 (Fixed Fee)
• Reimbursable Expenses	$	250 (Fixed Fee)
SUBTOTAL – Basic Services	$	19,780
SPECIAL SERVICES		
• Add pipe profile to plan (add 1 sheet @ 1"= 30' scale)	$	2,200 (Fixed Fee)
• Geotechnical Boring Allowance	$	1,700 (Cost Plus)
• Cleaning & Television Inspection Allowance	$	3,800 (Cost Plus)
SUBTOTAL – Special Services	$	7,700
Total Fee	**$**	**27,480**

We have assumed that the City will coordinate with the affected property owners for access to the site during design and construction, and with the City of Dallas regarding their requirements if any. The cleaning allowance assumes that the City will furnish a meter to the contractor if one is required and that there is no heavy pipe cleaning.

If you have any questions or would like to discuss this proposal further, please do not hesitate to call.

Very truly yours,

Bruce Grantham, P.E.
President

2015 STANDARD RATE SCHEDULE
Grantham & Associates, Inc.

Personnel:

Personnel cost is calculated using a multiplier of 2.483 applied to salary cost. Salary cost is calculated by using a multiplier of 1.3325 for employee benefits applied to the actual hourly wage. Ranges of salary cost for various personnel classifications are provided below:

	Salary Cost Ranges
Principal	$55.00 to $82.00
Management Staff	$30.00 to $65.00
Professional Staff	$35.00 to $50.00
Project Staff	$15.00 to $27.00
Technical Support	$10.00 to $24.00
Administrative Support	$10.00 to $36.00

The multiplier will be reviewed and updated if necessary on January 1st of each year.

Surveying services performed on a time and materials basis are billed at the hourly crew rates shown below:

Survey Crew (One Man)	$ 115.00
Survey Crew (Two Man)	$ 145.00

The hourly crew rates will be reviewed and updated if necessary on January 1st of each year.

Travel and Subsistence:

A 10% handling charge will be added to all travel and subsistence expenses. The prevailing rate designated by the U.S. Internal Revenue Service will be used in determining the cost of mileage for all private vehicles.

Purchased Services:

A 10% handling charge will be added to all purchased services including but not limited to reproduction, long distance and cellular telephone, rented or leased equipment, and expendable supplies. No handling charge will be added to subcontract service; these services will be billed at actual cost.

Terms:

Invoices for services rendered will be submitted on a monthly basis and are payable within 30 days.

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **September 17, 2015**

SUBJECT: **Approve City Depository**

As required by State Statutes, the City must designate a City Depository. Local Government Code Section 105.017 allows the depository services contract to extend up to five years. The City has had a long-standing depository relationship with American National Bank spanning more than 29 years.

The City requested proposals for depository services and received only one response; American National Bank. The RFP document required the bank to have at least one branch in the corporate limits of Rockwall and each of the 14 banks fitting that criteria s was sent a request for proposal package.

ANB meets all requirements of the state statute and offers a wide range of beneficial services to the City. All of the current online banking and branch services are continued in the proposal. ANB is required to ensure that all funds are fully collateralized at all times. City accounts are monitored daily by the bank to ensure full collateralization. The designation of ANB as the City depository does not preclude city management from using the services of other entities or advisors for financial services.

The depository arrangement with ANB is being prepared by ANB staff and the proposal terms were favorable to the city; staff therefore requests Council consider authorizing the City Manager to execute a contract agreement with ANB for the five-year period.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **September 16, 2015**

SUBJECT: **Damascus Road Pro-Rata Facility Agreement Extension**

Our Lady of the Lake Catholic Church widened Damascus Road back in 2010 to improve access to the Church and Heritage Christian Academy. The City Subdivision Ordinance required that adjacent properties along an unimproved road construct the road to City Standards at the time of development. These improvements would have been the responsibility of the Heritage Christian Academy and the undeveloped property owner along Damascus Road. The City approved a Pro-Rata Facility Agreement with the church on October 4, 2010 to address the future reimbursement.

The original agreement was for a term of five-years. This agreement will expire later this year and the church has requested the City to extend the agreement. Attached is a revised Facility Agreement for the Damascus Road Pro-Rata agreement extending the reimbursement period for consideration.

If you have any questions, please advise.

Rockwall, Texas 75087

Hand-Delivered

Re: Heritage Christian Academy, 1408 S. Goliad Street, Rockwall, Texas

Dear Mr. Gonzales:

Thank you for visiting with me recently about our discovery of the "Facility Agreement" between the City of Rockwall and Our Lady of the Lake Catholic Church, dated October 18, 2010, regarding improvements to Damascus Road. As I had stated to you, we were unaware of the existence of the Agreement until it came up in a pre-planning meeting our contractor, Matt Mulliken, was having with your department regarding a possible parking lot project on our property in the future. Thank you for providing him with a copy.

We still do not understand how an Agreement that encumbered our property and imposed financial obligations on us was entered into and filed of record without us being a party to the agreement, or receiving any notice. We had no opportunity to oppose it or protect the rights that exist on our property.

According to the "Agreement" it has a term of 5 years, but can be extended by the parties. You said that we would be notified if that was being considered.

Please be advised that Heritage Christian Academy opposes the existence, and possible extension, of the "Agreement". If any such extension is requested or considered, we request that we be given Notice of the time and place, as well as an opportunity to appear and be heard at any such meeting or hearing.

Please forward this request to all relevant departments and persons within the City of Rockwall to ensure that we will be notified as requested above. Feel free to contact us should you have any questions or need any additional information.

Once again, thank you for your assistance and professionalism in helping us with these issues.

Respectfully,

Robert Huckabee
Assistant Headmaster

STATE OF TEXAS)

COUNTY OF ROCKWALL)

CITY OF ROCKWALL)

FACILITY AGREEMENT
DAMASCUS ROAD PRO-RATA

This Agreement is entered into on the 18th day of October, 2010, by and between the City of Rockwall, Texas ("City") and Our Lady of the Lake Catholic Church ("Church").

Whereas, Damascus Road currently provides sole access to Our Lady of the Lake Church, Heritage Christian Academy and an undeveloped 8.85 acre tract;

Whereas, Our Lady of the Lake Church is building a portion of Damascus Road;

Whereas, the City of Rockwall is to put forth a good faith effort to collect and pay to the Church the funds collected;

WITNESSETH:

That in consideration of the Damascus Road construction adjacent to the property owned by the Heritage Christian Academy (HCA), located in Rockwall, Texas, the parties agree as follows:

Section 1. Church agrees to the following:

1. Church agrees to construct the approximately 1000 foot portion of Damascus Road that is not currently constructed (18' wide with 6" curb); including the 40-foot radius cul-de-sac, as shown on the plans prepared by Helmberger and Associates dated July 29, 2009 (Area "D" on the attached Exhibit A).

2. The cost of the above referenced Damascus Improvements, including design, construction and City inspection (2% of construction cost) totals $173,024.45.

Section 2. The City agrees to the following:

1. City will collect, from the developer, or owners, of the property adjacent to the section of Damascus Road constructed by the Church ("B" on the attached Exhibit A), the "proportional" share of the cost of the

above improvements (as determined by the appropriate sections of the City of Rockwall Subdivision Regulations), up to $118,146.80. These funds will be collected when the undeveloped land adjacent to the improved Damascus Road is platted and prior to start of improvements on the property (and after the Damascus Road improvements are completed and accepted by the City).

2. The City will collect from HCA ("A" on the attached Exhibit A) the cost of 4-feet of the 18-feet of pavement, constructed by the Church (Section 1.1, above), and not paid by the adjacent property owner per Section 2.1, above, up to $25,281.89. These funds will be collected when HCA expands its existing facility.

3. The City will pay the monies collected for the improvements as outlined in Sections 2.1 and 2.2 above, to the Church, within 15 business days of the receipt of the funds.

4. The City will not charge Heritage Christian Academy or Our Lady of the Lake Catholic Church, any pro-rata for the construction costs for the relocation of the Damascus and SH-205 intersection (which provides access to the Church and HCA), paid by the City.

5. Nothing in this agreement shall obligate the City to pay any monies other than those collected pursuit to this agreement in satisfaction of obligations herein stated. Failure of the City, for whatever reason, to collect associated fees shall not obligate the City to pay any monies to Our Lady of the Lake Catholic Church from any other City funding source.

Section 3. The City agrees that along with the widening of Damascus Road (to a minimum of 24-feet face of curb to face of curb, at this time), one additional point of access or emergency access, constructed in accordance with City Standards, will meet the City's requirement for the Church to obtain secondary access for current and future site development (as it relates to church expansion) for Lot 1, Block A, Our Lady of the Lake Catholic Church Addition ("C" on the attached Exhibit A).

Section 4. Nothing contained herein shall be considered as a waiver of the provisions of the City's Comprehensive Zoning Ordinance and Subdivision Regulations as the case may be.

Section 5. This Agreement shall remain in effect for a period of 5 years from the date of execution by both parties. If no payment is received from HCA or the owner of the undeveloped property by 180 days before the 5 years, the parties may by mutual written consent, extend the term for an additional period of time to be determined by the parties.

Section 6. Venue for this Agreement shall be in Rockwall County, Texas.

Section 7. Notice of this Agreement shall be in writing and addressed to the following:

City of Rockwall

385 S. Goliad
Rockwall, Texas 75087
Attn: City Manager

Our Lady of the Lake Catholic Church
1305 Damascus Road

FACILITY AGREEMENT
DAMASCUS ROAD PRO-RATA

This Agreement is entered into on the _____ day of _____, 2015, by and between the City of Rockwall, Texas ("City") and Most Reverend Kevin J. Farrell, D.D., Bishop of the Roman Catholic Diocese of Dallas, and his successors in office, for the exclusive benefit of Our Lady of the Lake Parish (Rockwall) ("Church").

Whereas, Damascus Road currently provides sole access to the Church, Heritage Christian Academy (HCA) and an undeveloped 8.85 acre tract;

Whereas, The Church built a portion of Damascus Road described more particularly as paragraph 1 of Section 1, below;

Whereas, the City of Rockwall is to put forth a good faith effort to collect and pay to the Church the funds collected pursuant to Section 2, below;

WITNESSETH:

That in consideration of the mutual covenants and agreements contained herein, the parties agree as follows:

Section 1. Church agrees to the following:

1. Church constructed the approximately 1000 foot portion of Damascus Road (18' wide with 6" curb); including the 40-foot radius cul-de-sac, as shown on the plans prepared by Helmberger and Associates dated July 29, 2009 (Area "D" on the attached Exhibit A the "Road Segment").

2. The cost of the above referenced Damascus Improvements, including design, construction and City inspection (2% of construction cost) totals $173,024.45.

Section 2. The City agrees to the following:

1. City will collect, from each developer, or owners, of the property adjacent to the Road Segment ("B" on the attached Exhibit A), the "proportional" share of the cost of the Road Segment (as determined by the appropriate sections of the City of Rockwall Subdivision

Regulations), up to $118,146.80. These funds will be collected when the undeveloped land adjacent to the Road Segment is platted and prior to start of improvements on the adjacent property.

2. The City will collect from HCA ("A" on the attached Exhibit A) the cost of 4-feet of the 18-feet of pavement, constructed by the Church (Section 1.1, above), and not paid by the adjacent property owner per Section 2.1, above, up to $25,281.89. These funds will be collected when HCA expands its existing facility.

3. The City will pay the monies collected as outlined in Sections 2.1 and 2.2 above, to the Church, within 15 business days of the receipt of the funds.

4. The City will not charge Heritage Christian Academy or the Church, any pro-rata for the construction costs for the relocation of the Damascus and SH-205 intersection (which provides access to the Church and HCA), paid by the City.

5. Nothing in this agreement shall obligate the City to pay any monies other than those collected pursuant to this agreement in satisfaction of obligations herein stated. After diligent effort to collect payments, failure of the City, for whatever reason, to collect funds pursuant to sections 2.1 and 2.2 shall not obligate the City to pay any monies to the Church from any other City funding source.

Section 3. The City agrees that along with the widening of Damascus Road (to a minimum of 24-feet face of curb to face of curb, at this time), one additional point of access or emergency access, constructed in accordance with City Standards, will meet the City's requirement for the Church to obtain secondary access for current and future site development (as it relates to church expansion) for Lot 1, Block A, Our Lady of the Lake Catholic Church Addition ("C" on the attached Exhibit A).

Section 4. Nothing contained herein shall be considered as a waiver of the provisions of the City's Comprehensive Zoning Ordinance and Subdivision Regulations as the case may be.

Section 5. This Agreement replaces the orginal Facilities Agreement dated October 18, 2010 and shall remain in effect for a period of ten (10) years from the date of execution by both parties. If no payment is received from HCA or the owner of the undeveloped property by 180 days before the ten (10) years, the parties may by mutual written consent, extend the term for an additional period of time to be determined by the parties.

Section 6. Venue for this Agreement shall be in Rockwall County, Texas.

Section 7. Notice of this Agreement shall be in writing and addressed to the following:

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 09/21/2015

APPLICANT: Sam Ellis of Dallas Design Build

AGENDA ITEM: **SP2015-020;** Children's Lighthouse Daycare – Certain Variances

---

SUMMARY:

Discuss and consider a request by Sam Ellis of Dallas Design Build on behalf of the owner Amalraj Fernando of MREA Properties-2, LLC for the approval of variances associated with articulation, screening and landscape buffers as stipulated by Articles V & VIII of the Unified Development Code (UDC) in conjunction with an approved site plan for a daycare facility on a two (2) acre parcel of land identified as Lot 1 of the Dewoody Addition, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the North SH-205 Corridor Overlay (N SH-205 OV) District, addressed as 3011 N. Goliad Street [SH-205], and take any action necessary.

PURPOSE:

The applicant is requesting approval of certain variances as outlined below in conjunction with an approved site plan for the purpose of new construction of an approximately 7,828 sq. ft. daycare facility on a two (2) acre parcel of land. The applicant intends to combine the proposed two (2) acre property and the existing Children's Lighthouse that is adjacent (south) for the purpose of expanding the business operations. The property is zoned *Agricultural (AG) District* and has been granted a Specific Use Permit [*SUP Ord. No. 15-22*] on August 3, 2015 to allow for a daycare development. The property is also within the *North SH-205 Corridor Overlay* (N SH-205 OV) *District* and is generally located on the west side of North Goliad Street, north of the intersection of Pecan Valley Drive and North Goliad Street.

VARIANCE REQUESTS:

The applicant is requesting variances to the *Unified Development Code* (UDC) for certain sections as outlined below. As a note, a variance request to the UDC requires passage of a simple majority vote of Council for approval; however, a variance to the *North SH-205 Corridor Overlay (N SH-205 OV) District* requires passage by a ¾ majority vote of those council members present. The requests are as follows:

a) *Article V, Section 4.1 General Commercial District Standards* - to allow for not meeting the Horizontal Articulation requirements as established in *Art. V, Sec. 4.1, C.1.a*. and as depicted in the Building Elevations as submitted. ***(Simple majority vote)***

b) *Article VIII, Landscape Standards* - to allow for not meeting the screening standards as established in *Art. VIII, Sec. 5.6 Screening from Residential Uses* which requires a minimum 6-ft high masonry screening fence. The applicant is requesting a 6-ft wrought iron fence that will be constructed atop the retaining wall at the rear of the property, but will not provide the required screening; however, the property is considered to be heavily treed and is screened by the existing trees**. *(Simple majority vote)***

c) *Article V, Sec. 6.11 North SH-205 Corridor Overlay District* – to allow for not meeting the minimum 20-ft landscape buffer strip as established in Art. V, Sec. 6.11, E., 1 by

allowing nine (9) parking spaces to encroach the landscape buffer strip. ***(¾ majority vote)***

ARCHITECTURAL REVIEW BOARD RECOMMENDATION:

On August 25, 2015, the Architectural Review Board (ARB) reviewed the proposed building elevations for the site. The board expressed concern with the lack of horizontal articulation at the rear of the building, the gabled roof of the north and south elevations being highly visible and having no additional elements or interest, and the amount of stucco proposed compared to the existing buildings' use of primarily stone. The board suggested the building have more of a "campus" feel.

To address these concerns the board recommended that the applicant use hip roof elements and dormers on the north and south elevations to match the existing structure or to provide an overhang creating a "porch" effect as an additional architectural feature. The board also requested the use of more stone to match the existing building and wanted to see columns incorporated supporting the overhang at the rear of the property.

The applicant has revised the elevations and has incorporated stone columns along the rear, the addition of standing seam metal roof elements supported by cedar columns on the north and south elevations that project 8-ft from the building and create a covered area, increased the stone for the north and south elevation replacing the stucco, and incorporate a second stone product used as a wainscot around the building. The stone and stucco applied to the new building will match the existing Children's Lighthouse per the revised plans.

On September 15, 2015, the ARB reviewed the changes and requested the applicant change the north elevations' projecting element and provide articulation similar to the quality presented on the front (east facing) elevation. The ARB also included a recommendation of approval of the variance to the horizontal articulation standards.

RECOMMENDATIONS:

The site plan submitted by the applicant meets all the technical criteria stipulated by the *UDC* and *N SH-205 OV*, with the exception of the variances requested and the items listed below. Should the Planning and Zoning Commission choose to approve the applicant's request, then the following conditions of approval should be adopted with this case:

1) All staff comments (*Project Plan Review History)* provided by the Planning, Engineering and Fire Department must be addressed prior to the submittal of a building permit and to include the following additional Planning comments;

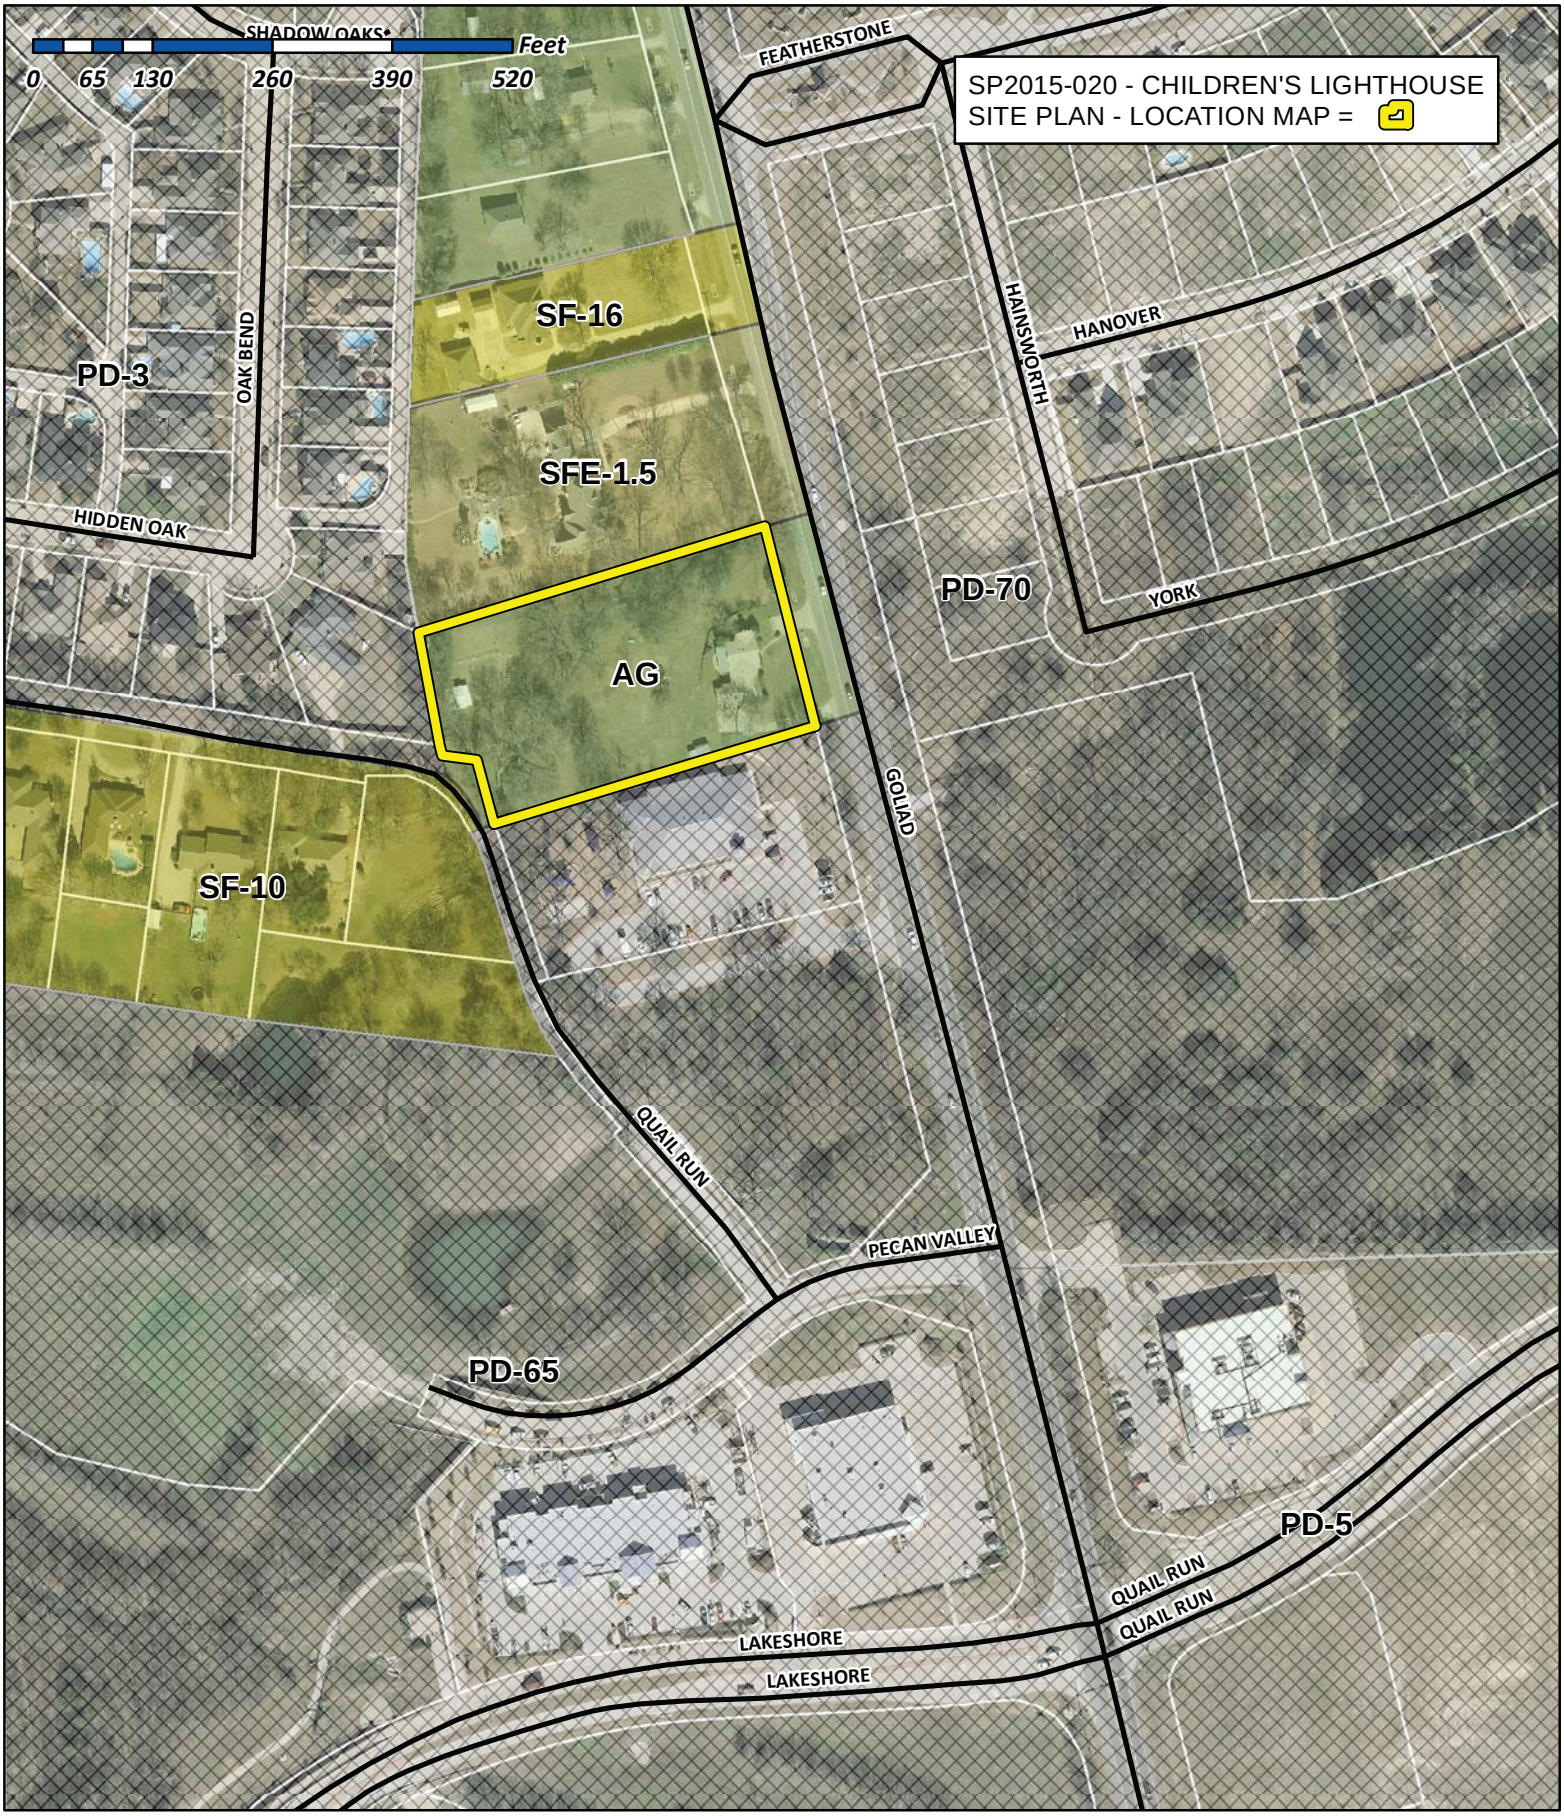
   a. Adherence to Engineering and Fire Department standards shall be required.

   b. All exterior signage requires submittal and approval of a separate permit through the Building Inspections Department

   c. Submittal, approval, and filing of a final plat incorporating the existing Children's Lighthouse located adjacent to the property identified in this request prior to the issuance of a Certificate of Occupancy.

   d. All exterior light sources are not to exceed 0.2-FC along the property line. The readings along the front property line (SH-205) as per the submitted plan exceed 0.2-FC at the property line. Make necessary adjustments and provide an updated plan indicating compliance.

e. Approval of the variances requested from the City Council for not meeting the standards established in the *Unified Development Code* as noted in this report as follows:

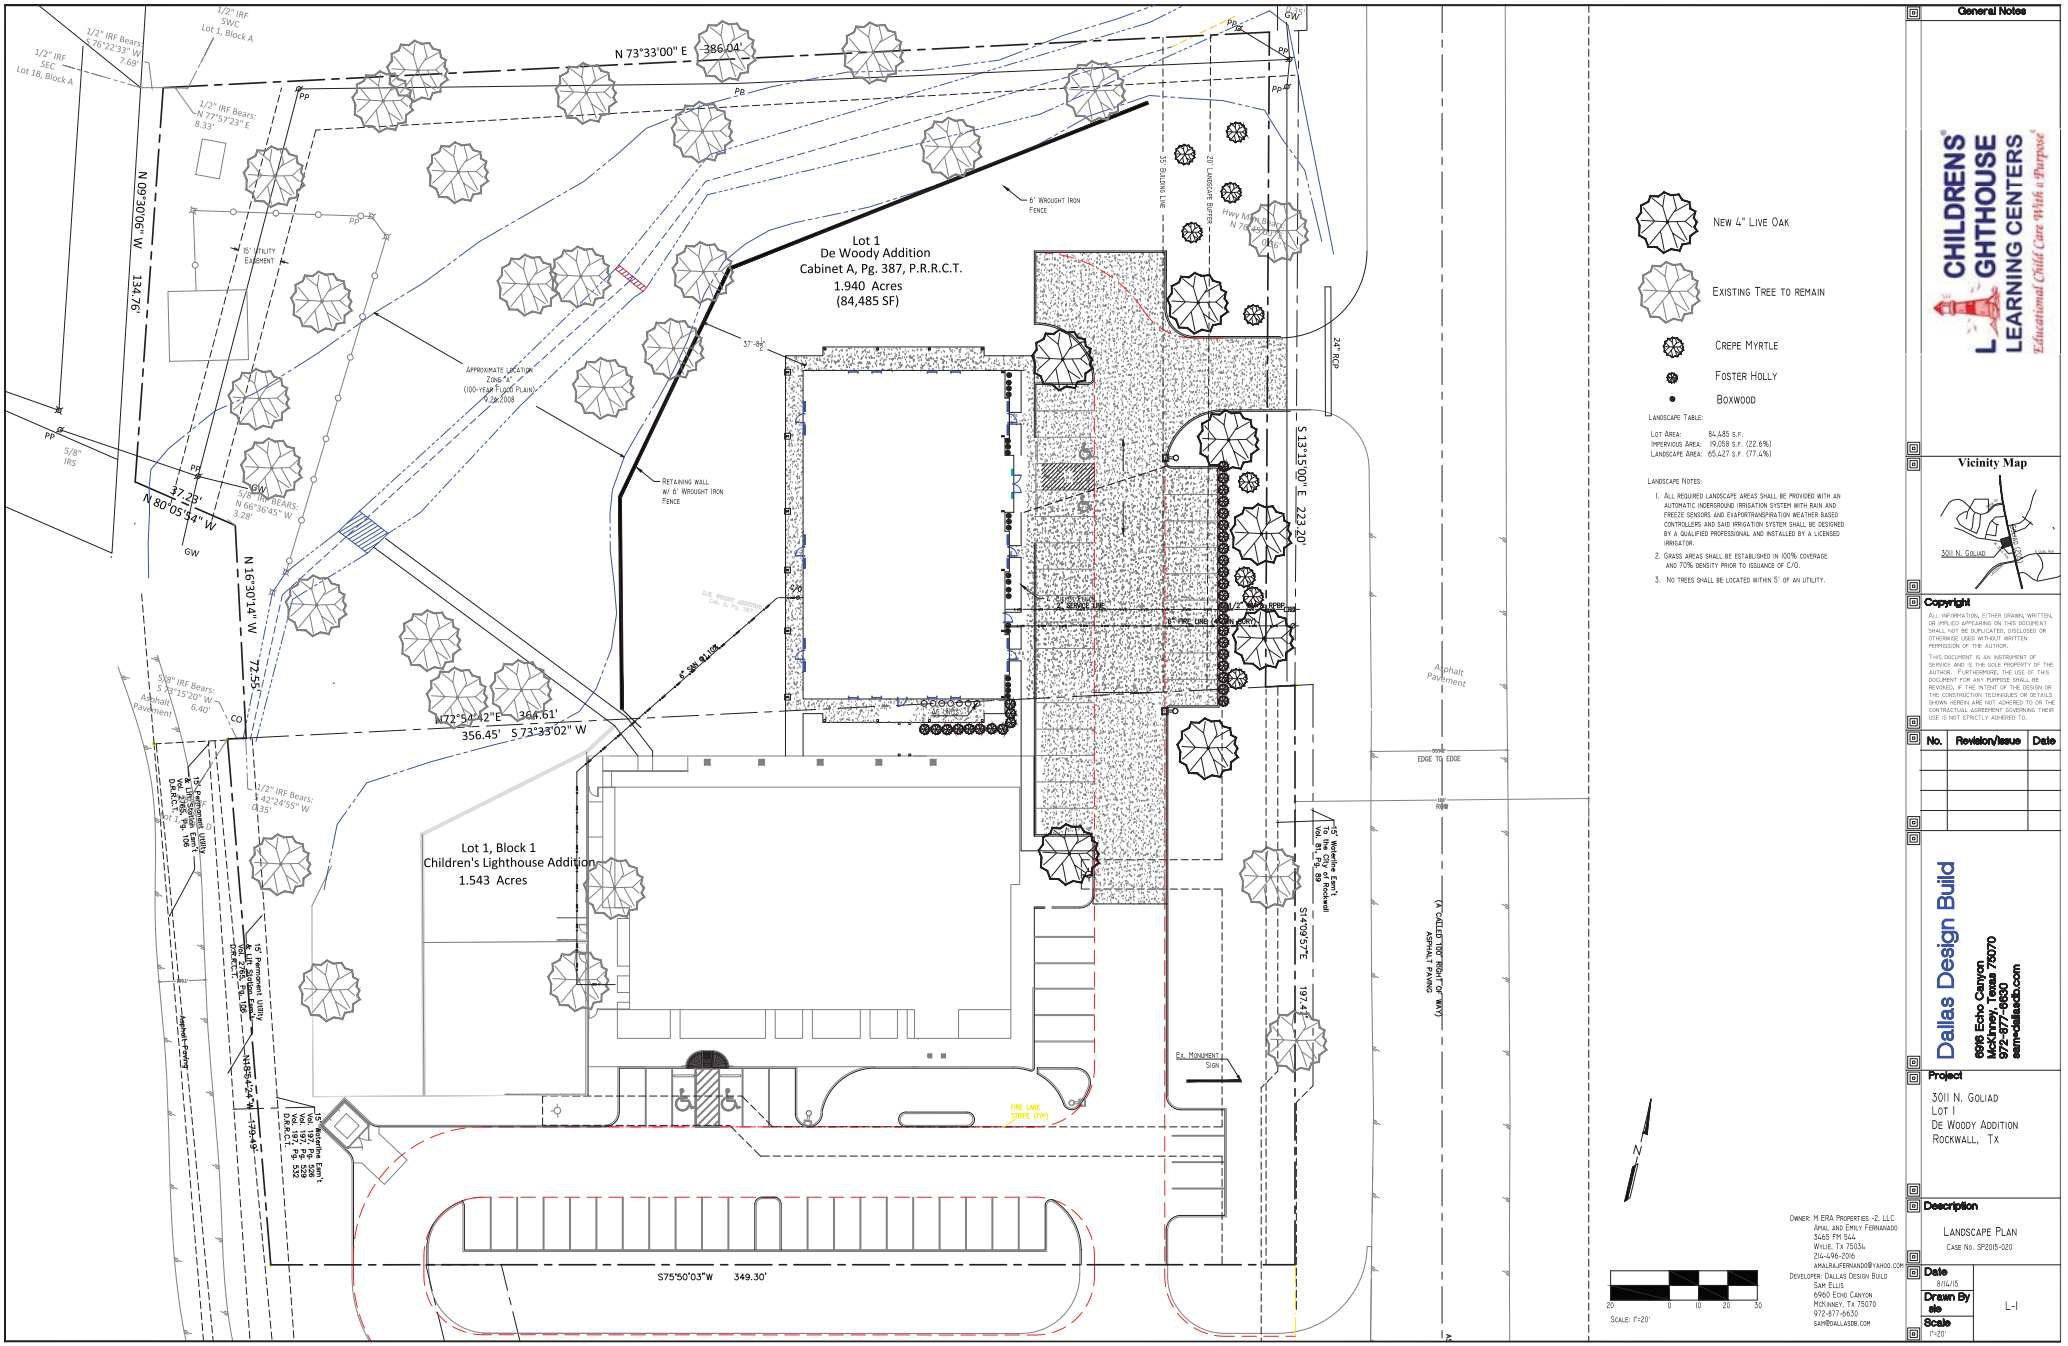


a) the horizontal articulation standards,
b) the requirements for screening from residential uses,
c) by allowing parking spaces to encroach into the landscape buffer.

2) Any construction or building necessary to complete this *Site Plan* request must conform to the requirements set forth by the UDC, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION RECOMMENDATION:

On September 15, 2015, the Planning and Zoning Commission approved the site plan with staff conditions by a vote of 4 to 0 with Commissioners Renfro and Logan absent and one vacancy. The Planning Commission also recommended approval of the following variances by a vote of 4 to 0:



a) A variance to the horizontal articulation standards as outlined in staff's report, including ARB's recommendation; and,
b) A variance to the 6-ft masonry screening wall requirements as outlined in staff's report; and,
c) A variance to allow for parking spaces in the landscape buffer as outlined in staff's report.

Re: Childrens Lighthouse Addition

David,

Thank you your help with this project. In regard to the Material Board, please be advise that we will be matching the same stone, stucco, roof and colors of the existing facility. If you need anything further, please advise.

Thanks

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **September 17, 2015**

SUBJECT: **Temporary Outdoor Storage**

The Wal-Mart located on the north side of I-30 between FM 740 and SH 205 has requested additional outdoor storage of goods in preparation for the Christmas season. In 2012, Wal-Mart requested permission for additional semi-trailers to be parked on their grounds for the storage of merchandise and was granted permission to use a maximum of eight semi-trailers between the first week of November and December 10 plus an additional seven storage containers which could be used between the first week of November and January 10.

For the upcoming Christmas season, Wal-Mart has requested permission to use 26 semi-trailers for merchandise storage between October 1 and January 1. A layout of the proposed location is attached for your review. Although this is significantly above what they have used in the past, the manager has informed us that they ran out of merchandise and had customer complaints.

With this request being brought to the City Council, the staff also requests direction in handling these requests in the future. If the Council desires, similar future requests may be handled administratively or we can continue to present them to the City Council.

Perez, Laura

Subject: FW:

From: Jason Kelley - jrkelle.s00259 <jrkelle.s00259.us@wal-mart.com>
Date: September 17, 2015 at 3:10:47 PM CDT
To: "Griggs, Brad" <BGriggs@rockwall.com>

Brad,

The trailers will be used for storage during our Holiday peak season, specifically our "Event" (Black Friday). These trailers are crucial for ensuring we have storage space for the amount of product we will need to have on hand to serve the Rockwall community throughout the holiday season. The dates we will need these trailers will be October 1st through December 1st for side parking lot trailers, which will hold all our our sale merchandise, and October 1st through January 1st for the trailers in the back of the store which will be used to hold our layaway and DOT COM orders that we receive through the holidays. This request is relatively the same as a few years ago when we went through a remodel. Last year we had issues with supply and our customers were unable to get what they wanted, which is why we requested more trailers this year to make sure we take strides to take care of our customers and community.

Thank you,

Jason Kelley

Store Manager

RE: Storage of semi-trailers and storage containers

Ms. Shaikh:

Following our meeting on site with you, the City of Rockwall can grant permission for the following:

1. **Beginning the first week in November, semi-trailers for storage use on the premises (8 maximum) are allowed and shall be removed by December 10th and;**
2. **Storage containers (7 maximum) located behind the building for layaway and Christmas storage are allowed and shall be removed by January 10th.**

Please contact the City of Rockwall Planning staff at (972) 771-7745 or at the address below with any questions or concerns regarding this matter.

Sincerely yours,

Robert LaCroix

137

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manger*
Brad Griggs, *Assistant City Manager*

FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: September 21, 2015

SUBJECT: Landscape Ordinance Review Committee

As part of the *New Volunteer Opportunity Program* initiated by the City Manager's office, the Planning Department was tasked with leading a group of citizens through a comprehensive review of the City's landscape ordinances. The purpose of this exercise was to use local experts and interested citizens to make recommendations to ensure that the ordinances were conservation minded with regard to water usage requirements and policies. Committee members included Tim Nichols, Jan Self, John Thomas and Marcus Yarborough and City Staff members Andy Hesser and Ryan Miller. Through this process, the *Landscape Ordinance Review Committee* identified the following recommendations that could improve water usage with regard to landscaping throughout the City:

1) Smart irrigation meters should be required for all new commercial developments.

2) The planting requirements for the City's Overlay Districts should be reduced from three (3) canopy trees and four (4) accent trees per 100-linear feet to two (2) canopy trees and four (4) accent trees per 100-linear feet.

3) The City's list of acceptable trees, trees to be planted within the landscape buffers of the City's Overlay Districts, and as replacement trees for tree preservation should be changed as stated in the attached packet.

4) An appendix should be added to the Unified Development Code that includes recommended planting lists for trees, shrubs, grasses etc.

5) Xeriscaping standards should be established as an alternative to conventional landscaping standards for the purpose of incorporating low water use plants and/or pervious hardscapes. Additionally, xeriscaping should be incentivized by allowing a 2.5% reduction in the overall required landscaping percentage for the purpose of making it a more attractive option to developers.

6) The screening required of a commercial development when adjacent to a residential development should be changed to include an option to allow a wrought iron fence with landscape screening where applicable.

In addition, City staff would recommend adding the following additional recommendation to address the installation of commercial landscaping during drought conditions:

7) During drought or water emergency response stages the Director of Planning and Zoning or his designee can grant an applicant permission to delay the installation of required landscaping to a specified time and date.

In response to the *Landscape Ordinance Review Committee's* recommendations, staff has prepared code amendments showing the proposed changes for the City Council's review. If the City Council chooses to accept the *Landscape Ordinance Review Committee's* recommendations staff will prepare a zoning case in conformance to the procedures stipulated by Section 4, *Unified Development Code Text Amendments*, of Article XI, *Zoning Related Applications*, of the Unified Development Code.

Recommendation 1: Smart irrigation meters should be required for all new commercial developments.

Municipal Code of Ordinances
Chapter 10. Buildings and Buildings Regulations
Article XVI. Irrigation Code

Division 1. Generally

Section 10-673: Definitions.

Smart irrigation controller means a signal based device that is capable of automatically adjusting irrigation patterns in response to weather data by monitoring moisture, temperature, humidity and other various environmental conditions.

Division 2. Design, Use and Compliance Standards

Section 10-699: Minimum Standards-Irrigation Plan Design.

(c) All irrigation plans used for construction must be drawn to scale. The plan must include, at a minimum, the following information:
  (1) The irrigator's seal, signature, and date of signing;
  (2) All major physical features and the boundaries of the areas to be watered;
  (3) A north arrow;
  (4) A legend;
  (5) The zone flow measurement for each zone;
  (6) The location and type of each:
    a. ***Smart Irrigation/Irrigation*** Controller; and
    b. Sensor, including, but not limited to, rain, moisture, wind, flow, or freeze;
  (7) The location, type, and size of each:
    a. Water source, such as, but not limited to, a water meter and point of connection;
    b. Backflow prevention device;
    c. Water emission device, including, but not limited to, spray heads, rotary sprinkler heads, quick-couplers, bubblers, drip, or micro-sprays;
    d. Valve, including, but not limited to, zone valves, master valves, and isolation valves;
    e. Pressure regulation component; and
    f. Main line and lateral piping;
  (8) The scale used; and
  (9) The design pressure.

Section 10-700: Minimum Standards-Design and Installation.

(A) All new commercial irrigation systems must include a smart irrigation controller that is capable of monitoring weather patterns and adjusting the frequency and/or duration of watering in response to changing weather conditions.

Recommendation 2: The planting requirements for the City's Overlay Districts should be reduced from three (3) canopy trees and four (4) accent trees per 100-linear feet to two (2) canopy trees and four (4) accent trees per 100-linear feet.

F.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the FM 740 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in subsections F.3 and F.4.

Section 6.9. SH-66 Overlay (SH-66 OV) District

F.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the SH 66 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in subsections F.3 and F.4.

Section 6.10. 205 By-Pass Corridor Overlay (205 BY-OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the John King Blvd. right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in section E — (3) and (4). The area of John King Blvd. from Quail Run Road to SH 205 North shall include an average of one cedar tree for each 100 feet of frontage planted in clusters of three to five trees.

Section 6.11. North SH-205 Corridor Overlay (N-SH 205 OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the SH 205 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in section E — (3) and (4).

Section 6.12. East SH-66 Corridor Overlay (E-SH 66 OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the East SH 66 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in section E — (3) and (4). The East SH 66 Corridor Overlay shall include an average of one cedar tree for each 100 feet of frontage planted in clusters of three to five trees.

Section 6.13. FM-549 Corridor Overlay (FM-549 OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the FM 549 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in section E — (3) and (4). The area of the FM 549 Corridor Overlay from Airport Road to SH 66 shall include an average of one cedar tree for each 100 feet of frontage planted in clusters of three to five trees.

Section 6.14. SH-276 Corridor Overlay (SH-276 OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the SH 276 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in section E — (3) and (4).

Recommendation 3: The City's list of acceptable trees, trees to be planted within the landscape buffers of the City's Overlay Districts and as replacement trees for tree preservation should be changed as follows:

Unified Development Code
Article V. District Development Standards

Section 6.6. IH-30 Overlay (IH-30 OV) District

E.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine, Bald Cypress,*** Bur Oak, Cedar Elm, ***Eastern Red Cedar, Homestead Elm, Lacebark Elm, Little Gem Magnolia,*** Live Oak, ***October Glory Maple,*** Red Oak, ***Texas Ash, Texas Red Oak ~~Leyland Cypress~~***.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly. ~~Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.~~***

Section 6.7. SH-205 Overlay (SH-205 OV) District

E.3 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine,*** Bur Oak, ***Caddo Maple,*** Cedar Elm, Lacebark Elm, Leyland Cypress, ***Little Gem Magnolia,*** Live Oak, ***October Glory Maple ~~Red Oak~~***.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly. ~~Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.~~***

Section 6.8. Scenic Overlay (SOV) District

F.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine,*** Bur Oak, ***Caddo Maple,*** Cedar Elm, Lacebark Elm, Leyland Cypress, ***Little Gem Magnolia***, Live Oak, ***October Glory Maple ~~Red Oak~~***.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly. ~~Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.~~***

Section 6.9. SH-66 Overlay (SH-66 OV) District

F.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine,*** Bur Oak, Cedar Elm, Lacebark Elm, ***~~Leyland Cypress,~~ Little Gem Magnolia,*** Live Oak, ***October Glory Maple,*** Red Oak, ***Texas Ash, Texas Red Oak***.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Section 6.10. 205 By-Pass Corridor Overlay (205 BY-OV) District

E.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine, Bald Cypress,*** Bur Oak, Cedar Elm, ***Eastern Red Cedar, Homestead Elm,*** Lacebark Elm, ~~***Leyland Cypress,***~~ ***Little Gem Magnolia,*** Live Oak, ***October Glory Maple***, Red Oak, ***Texas Ash, Texas Red Oak***.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Section 6.11. North SH-205 Corridor Overlay (N-SH 205 OV) District

E.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine,*** Bur Oak, ***Caddo Maple,*** Cedar Elm, Lacebark Elm, Leyland Cypress, ***Little Gem Magnolia,*** Live Oak, ***October Glory Maple*** ~~***Red Oak***~~.

Article VIII. Landscape Standards
Section 5.3. Acceptable Landscape Materials

E. Trees allowed in street landscape buffer areas. The following trees are allowed within the street landscape buffers along public streets:

1. Afghan Pine.
2. Bald Cypress.
3. Burr Oak.
4. Caddo Maple.
5. Cedar Elm.
6. Chinquapin Oak.
7. Eastern Red Cedar.
8. Homestead Elm.
9. Lace Bark Elm.
10. Leyland Cypress.
11. Little Gem Magnolia.
12. Live Oak.
13. October Glory Maple.
14. Pecan.
15. Red Oak.
16. Texas Ash.
17. Texas Red Oak.
~~***18. Chinese Pistachio.***~~

and various native understory trees such as:

1. Desert Willow
2. Downy Hawthorn.
3. Eastern Redbud
4. Eve's Necklace
5. Mexican Buckeye
6. Possumhaw Holly
7. Shantung Maple
8. Yaupon Holly
~~***9. Texas Redbud.***~~
~~***10. Mexican Plum.***~~
~~***11. Wax Myrtle.***~~
~~***12. Yaupon.***~~

~~***13. Deciduous Yaupon.***~~

Article IX. Tree Preservation
Section 7. Tree Replacement Credits

D. Types of trees. Replacement trees shall be selected from the following list and shall be a minimum of three caliper inches as measured six inches above the root ball.

Canopy Trees:

1. ***Afghan Pine.***
2. ***Bald Cypress.***
3. ***Burr Oak.***
4. ***Caddo Maple.***
5. ***Cedar Elm.***
6. ***Chinquapin Oak.***
7. ***Eastern Red Cedar.***
8. ***Homestead Elm.***
9. ***Lace Bark Elm.***
10. ***Leyland Cypress.***
11. ***Little Gem Magnolia.***
12. ***Live Oak.***
13. ***October Glory Maple.***
14. ***Pecan.***
15. ***Red Oak.***
16. ***Texas Ash.***
17. ***Texas Red Oak.***

Accent Trees:

1. ***Desert Willow***
2. Downy Hawthorn.
3. ***Eastern Redbud***
4. ***Eve's Necklace***
5. ***Mexican Buckeye***
6. ***Possumhaw Holly***
7. ***Shantung Maple***
8. ***Yaupon Holly***

~~***Evergreen.***~~
- ~~***Afghan Pine.***~~
- ~~***Eastern Red Cedar.***~~
- ~~***Japanese Black Pine.***~~
- ~~***Live Oak.***~~

- ~~***Burr Oak.***~~
- ~~***Cedar Elm.***~~
- ~~***Chinese Pistachio.***~~

~~*Chinquapin Oak.*~~
~~*Eve's Necklace.*~~
~~*Lace Bark Elm.*~~
~~*Aristocrat Pear.*~~
~~*Pecan.*~~
~~*Sweet Gum.*~~
~~*Sycamore.*~~
~~*Texas Ash.*~~
~~*Texas Red Oak.*~~
~~*Possumhaw Holly.*~~

Recommendation 4: An appendix should be added to the Unified Development Code that includes recommended planting lists for trees, shrubs, grasses etc.

(See Appendix F, Landscape Guidelines and Requirements, of the UDC attached to this Memorandum)

Recommendation 5: Xeriscaping standards should be established as an alternative to conventional landscaping standards for the purpose of incorporating low water use plants and/or pervious hardscapes. Additionally, xeriscaping should be incentivize by allowing a 2.5% reduction in the overall required landscaping percentage for the purpose of making it a more attractive option to developers.

Unified Development Code
Article VIII. Landscape Standards

Section 3. Definitions

Xeriscaping **means type of landscaping design that uses a combination of native plants and grasses, approved hardscapes and drought tolerant ground covers and planting materials for the purpose of conserving water and protecting the local environment.**

Section 5.3 Acceptable Landscape Materials

A. Plant materials used to satisfy the requirements of this article must comply with the following minimum size requirements at the time of installation:

- ☑ Large trees must have a minimum caliper of three inches, or a minimum height of six feet, depending on the standard measuring technique for the species.
- ☑ **Shrubs shall be a minimum of three (3) gallons in size.**

E. As an alternative, the xeriscaping standards in Section 5.10 of this Article have been adopted to encourage new and existing developments to implement landscaping standards targeted at reducing water usage by using drought tolerant plantings and plans.

Section 5.10 ***~~Deleted.~~ Xeriscaping Standards.***

A. *Purpose.* The purpose of this section is to promote the establishment of water conscious landscaping through the implementation of xeriscaping principles. Additionally, this section is intended to provide an alternative to the typical landscape requirements for commercial properties.

B. *Principles*. All xeriscaping plans submitted to the city should demonstrate conformance with the following principles:

1. ***Planning and Design.*** **Landscape designs and plans should take into account the regional and microclimatic conditions of the site, its existing vegetation and topographical conditions, the intended use, and the zoning (*i.e. vegetation zone*) of plant materials according to their unique water needs. Plans should take into account the various heights of landscaping materials. If the landscape plan is proposed in phases, to account for optimum planting times, all future phases should be included on the submitted landscape plan. In reviewing plans to ensure proper site planning and design, staff shall ensure that the plan: 1) preserves and protects existing vegetation, 2) preserves and protects topsoil, 3) stabilizes and covers all bare soil areas, and 4) incorporates energy/water conservation.**
2. ***Soil Improvement.*** **Since soil tends to vary from site to site all soil should be analyzed to determine what plants are suitable to include on the landscape plan and if any soil amendments are required. Soil may require additional organic material be added to ensure the continued health of plants.**
3. ***Appropriate Plant Selection.*** **Plant selection should be based on the plant's adaptability to the existing site conditions and need for supplemental watering. Most xeriscape plants**

will not require supplemental watering. In selecting plant materials, mature plants and shrubs should be used to ensure establishment after installation. A list of plants that are native and acceptable within the City of Rockwall has been provided in Appendix F, ***Recommended Plantings***, of the Unified Development Code; however, staff may approve alternate plantings if they are deemed appropriate for the site. In reviewing plans for conformance to this principle staff will consider the: 1) diversity of the plant species being proposed, 2) size, maturity and water requirements of the selected plantings, and 3) variation of height, spread and color.

4. ***Practical Turf Areas.*** The type and location of turf areas are considered to be a major design element in xeriscape plans. Turf in this case involves typical varieties of Bermuda, St. Augustine, Ryegrass blends, etc. The maintenance needs of turf can be minimized by the shape, area, irrigation equipment, and turf type selected. Drainage areas and sloped areas are especially suited to the use of native grasses as opposed to turf. In reviewing plans to ensure that the turf areas being proposed are practical staff will review: 1) the design of the turf areas [***with rounded, compact turf areas being more efficient***], 2) turf areas should be designed to be on a separate zone from other landscaping, 3) turf should be appropriate for the selected location, 4) turf should be avoided on slopes and drainage areas in favor of native grasses, and 5) minimize turf areas by using native grasses, hardscape elements and alternatives.
5. ***Efficient Irrigation.*** All landscaping is required to have an irrigation system that is designed by a licensed irrigator. Additionally, all irrigation systems should be designed to be water efficient utilizing low-flow irrigation equipment. The plan should show that turf areas should be watered separately, and plants should be grouped in separate zones based on water need. Finally, all irrigation systems are required to be maintained in proper working order.
6. ***Use of Mulches.*** Mulches minimize evaporation, reduce weed growth, slow erosion and help maintain soil temperature. In reviewing the use of mulches in xeriscape plans staff shall ensure: 1) the use of a deep layer of mulch in planting beds [***typically 3-4 inches***] is utilized, and 2) mulches should be locally or regionally derived materials. Additionally, mulches may include the use of pea gravel, crushed granite, rock or pebbles in unplanted areas.
7. ***Appropriate Maintenance.*** Proper pruning, weeding and fertilization as required with all landscape plans shall be required. Typically, xeriscape plans require less maintenance, fertilizer and other chemicals and pesticides.

C. ***Standards***.

1. If approved with a Landscape Plan native grasses shall be exempt from the rules and requirements of Section 16-43, ***Weeds, Brush and Grass***; however, the grass should be maintained to a height typical for the particular native grass.
2. Drainage or detention areas that utilize native grasses in lieu of turf shall be exempt from the requirements stipulated by Section 5.12.C (***i.e. one [1] tree per every 750 square feet of dry land area***). Instead, a shrub or ornamental grass per every 1,500 square feet of dry land area shall be required to be planted on the site or around the detention area.
3. A maximum of 30% mulches or hardscape is permitted to be incorporated into all xeriscape plans. This may be increased by the Planning & Zoning Commission if deemed appropriate and necessary for the proposed plan.

D. ***Approval of Xeriscape Plans***. All xeriscape plans shall require approval by the Planning & Zoning Commission, upon a recommendation by staff concerning conformance to the requirements of this section, at the time of site plan approval.

~~*(Ord. No. 06-14, 4-17-2006)*~~

Section 6.4 Credit for Xeriscaping.

The overall landscaping requirement may be reduced by 2.5 percent when the Planning Director or his/her designee determines that the standards stipulated by Section 5.10, *Xeriscaping Standards*, of this Article have been satisfied.

Recommendation 6: The screening required of a commercial development when adjacent to a residential development should be changed to include an option to allow a wrought iron fence and landscape screening where applicable.

Unified Development Code
Article VIII. Landscape Standards
Section 5. Mandatory Provisions

Section 5.6. Screening from Residential Uses

A. Any commercial or industrial use or parking lot that has a side or rear contiguous to any residential district, or any multi-family use with more than five dwelling units or parking lot that has a side or rear contiguous to any single-family, townhouse, or duplex district, shall be screened with a masonry fence (~~***excluding***~~ tilt wall or concrete block ***are prohibited; however, precast walls may be approved by the Planning and Zoning Commission~~ ***unless approved by the city council***~~***~~), six ***(6)*** feet in height~~***, unless otherwise approved by the city council***~~. As an alternative, berms in conjunction with a ***minimum of a six (6) foot wrought fence*** and a combination of trees and shrubs can be utilized to meet ~~***this***~~ the screening requirement***s if the Planning & Zoning Commission determines that the proposed alternative will provide sufficient screening***. The screen shall be located no closer to the street than the property line. Any ordinances concerning sight obstructions of intersections shall be applicable to the screen where it is intersected by a street or driveway.

B. Prior to construction of any required screens, complete plans showing type of material, depth of beam, and structural support shall be analyzed by the building permit office to determine whether or not:

   1. The screen will withstand the pressures of time and nature;
   2. The screen adequately accomplishes the purpose for which it was intended;
   3. Plans shall be sealed by a registered engineer or they shall conform to the city's standard design for screening walls.

C. Such screen shall be constructed prior to the issuance of a certificate of occupancy for any building or portion thereof.

D. The areas adjacent to the required screening wall, or areas adjacent to a public street or right-of-way, shall be maintained by the property owner in a clean and orderly condition, free of debris and trash in accordance with the applicable codes of the city.

Recommendation 7: During drought or water emergency response stages the Director of Planning and Zoning or his designee can grant an applicant permission to delay the installation of required landscaping to a specified time and date.

Unified Development Code
Article VIII. Landscape Standards
Section 7. Completion of Landscaping

Section 7.1. In Accordance with Approved Plans.

Except as otherwise provided in Subsection 7.2, all landscaping must be completed in accordance with the approved landscape plan before a Certificate of Occupancy may be issued for any building on the lot. ***; however, during drought or water emergency response stages the Director of Planning and Zoning or his designee can grant an applicant permission to delay the installation of required landscaping (independent of Subsection 7.2) upon receipt of a letter from the applicant stating that the landscaping will be installed by a specific date that is within a reasonable time period not to exceed six (6) months. The Director of Planning and Zoning may extend the agreement for successive terms if the City is still under drought or water emergency response stages.***

TABLE OF CONTENTS

Section. F.1. Introduction.
Section. F.2. District Landscaping Requirements.
Section. F.3. Tree Planting Guidelines & Requirements.
Section. F.4. Recommended Tree Varieties (*Canopy and Accent*)
Section. F.5. Recommended Shrub Varieties
Section. F.6. Recommended Grass Varieties

F.1. INTRODUCTION.

These guidelines were drafted by the citizens and local experts for the purpose of outlining the requirements of Article VIII, *Landscape Standards*, of the Unified Development Code, and to provide guidelines for plantings that are appropriate within the City of Rockwall.

F.2. PURPOSE.

The purpose of the following appendix is to provide a general reference guide for meeting the requirements of Article VIII, *Landscape Standards*, of the Unified Development Code. This appendix is not intended to be a comprehensive list of all plant materials that can be utilized for development within the City of Rockwall. The Director of Planning or his designee can approve a landscape plan that includes tree, shrub, and grass varieties not indicated in this appendix upon a finding that the proposed planting is appropriate for the development.

F.4. RECOMMENDED TREE VARIETIES (CANOPY AND ACCENT TREES).

The following information concerning the City's recommended trees was obtained from the Texas A&M Forest Service, *Texas Tree Planting Guide* and all illustrations were provided courtesy of Texas A&M Forest Service *Copyright by Robert O'Brien*.

Afghan Pine

Latin Name: Pinus Eldarica
Secondary Names: Eldarica Pine, Mondel Pine

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *35' to 50'*
- ✓ Leaf Type: *Evergreen*
- ✓ Growth Rate: Rapid
- ✓ Native: Afghanistan and Central Asia
- ✓ Soil Needs: Requires Well Drained, Dry Soils
- ✓ Tolerances: Salty Soil, Drought, Alkaline Soils [*PH > 7.5*]
- ✓ Features: Soft, Green Needles form a Dense Canopy
- ✓ Uses: Screening and Windbreaks
- ✓ Firewise: No
- ✓ Issues: The pine tip moth can kill new shoots and ruin the shape of the tree. The tree is not tolerant of wet sites.
- ✓ Similar Species: Aleppo Pine (*Pinus Halapensis*)

Bald Cypress

Latin Name: Taxodium Distichum
Secondary Names: Baldcypress

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *50' to 70'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Will Grow in a Variety of Soils
- ✓ Tolerances: Drought and Poorly Drained Sites
- ✓ Features: Deciduous Conifer with Feather-Like Leaves, Round Seed Balls, and Fibrous Bark
- ✓ Uses: Detention Areas and Poorly Drained Areas
- ✓ Firewise: Yes
- ✓ Issues: Woody 'Knees' and Bagworms
- ✓ Similar Species: Montezuma Balcypress (*Taxodium Mucronatum*)

Bur Oak

Latin Name: Quercus Macrocarpa
Secondary Names: Mossy Cup Oak

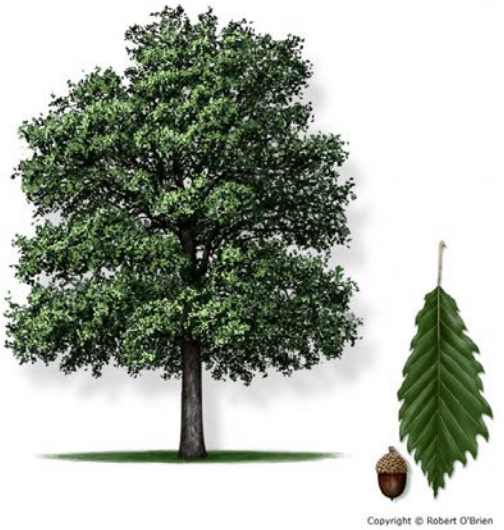
- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *40' to 60'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate to Rapid
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable, Prefers Deeper Soil
- ✓ Tolerances: Salty Soil, Drought, Alkaline Soils [*PH > 7.5*]
- ✓ Features: Unique Leaf Shape, Largest Acorn of any Oak
- ✓ Uses: Drought Tolerant Tree
- ✓ Firewise: Yes
- ✓ Issues: Acorns and leaves can create significant clean-up.
- ✓ Similar Species: White Oak (Quercus Alba)

Caddo Maple

Latin Name: Acer saccharum 'Caddo'
Secondary Names: Eldarica Pine, Mondel Pine

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *50' to 60'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Slow to Medium
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable
- ✓ Tolerances: Rocky & Alkaline Soils and Drought Tolerant
- ✓ Features: Medium tree with a rounded appearance, dark green foliage that changes to a golden color in the fall.
- ✓ Firewise: Yes
- ✓ Issues: Availability
- ✓ Similar Species: Sugar Maple (A. saccharum)

Cedar Elm

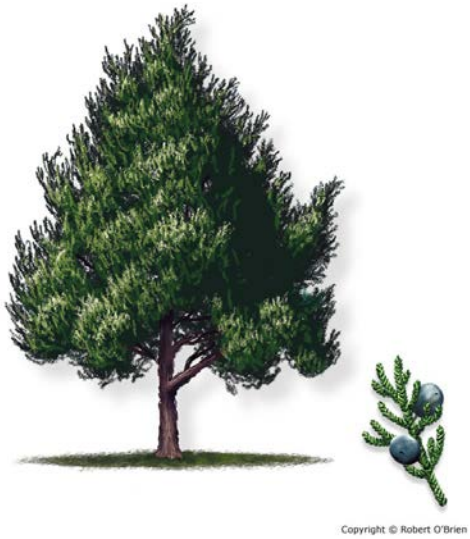


Latin Name: Ulmus Crassifolia
Secondary Names: Texas Elm

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *70' to 90'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Alkaline Adaptable
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Lustrous Dark Green Leaves that are Stiff and Rough to the Touch
- ✓ Uses: Generally a Landscape Tree
- ✓ Firewise: Yes
- ✓ Issues: Aphids, Minor Leaf Beetle & Dutch Elm Disease
- ✓ Similar Species: Winged Elm (*Ulmus Alata*)

Chinquapin Oak

Latin Name: Quercus Muehlenbergii
Secondary Names: Chinkapin Oak



- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *40' to 50'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Slow to Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable, Alkaline Soils
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Yellow-Green Leaves w/ Small Acorns (~3/4" Long)
- ✓ Uses: Shade Tree
- ✓ Firewise: Yes
- ✓ Issues: Sensitive root system; as little as 1" of fill dirt can hurt the tree.
- ✓ Similar Species: Swamp Chestnut Oak (Quercus Michauxii)

Eastern Red Cedar

Latin Name: Juniperus virginiana var. virginiana
Secondary Names: Pencil Cedar

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *30' to 50'*
- ✓ Leaf Type: *Evergreen*
- ✓ Growth Rate: Medium
- ✓ Native: Eastern North America
- ✓ Soil Needs: Acidic, Alkaline, Loamy, Well-Drained and Clay
- ✓ Tolerances: Drought, Erosion, Dry Soil, Shallow Rocky Areas
- ✓ Features: Scale-like evergreen leaves compacted to form rounded 4-sided branclets.
- ✓ Uses: Windbreaks and Fence Rows
- ✓ Firewise: No
- ✓ Issues: Cedar apple rust and bagworms.
- ✓ Similar Species: Southern redcedar (Juniperus virginiana var. silicicola) and Rocky Mountain juniper (J. scopulorum)

Homestead Elm

Latin Name: Ulmus 'Homestead'
Secondary Names: N/A

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *50' to 60'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Dark green leaves that turn bleach yellow in the fall and greenish tiny multi flowered pendulous racemes in spring.
- ✓ Uses: Shade Tree
- ✓ Firewise: Yes
- ✓ Issues: Resistant to Dutch Elm Disease but Susceptible to Elm Leaf Beatle.
- ✓ Similar Species: N/A. The Homestead Elm is a Hybrid.

Lacebark Elm

Latin Name: Ulmus Parvifolia
Secondary Names:

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *35' to 50'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid
- ✓ Native: China, Japan and Korea
- ✓ Soil Needs: Adaptable, Prefers Well Drained Soils
- ✓ Tolerances: Drought, Alkaline Soils [*PH > 7.5*]
- ✓ Features: Variable fall color; interesting bark texture.
- ✓ Firewise: Yes
- ✓ Issues: Requires pruning to develop a strong branch structure.
- ✓ Similar Species: Siberian Elm (*Ulmus Pumila*) and Japanese Zelkova (*Zelkova Serrata*)

Leyland Cypress

Latin Name: x Cupressocyparis leylandii
Secondary Names: Cypress

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *60' to 70'*
- ✓ Leaf Type: *Evergreen*
- ✓ Growth Rate: Rapid
- ✓ Native: England and Europe
- ✓ Soil Needs: Adaptable
- ✓ Tolerances: Drought and Poor Soil
- ✓ Features: Deciduous Conifer with Feather-Like Leaves, Round Seed Balls, and Fibrous Bark
- ✓ Uses: Screening, Windbreaks, and Non-Residential Landscaping
- ✓ Firewise: No
- ✓ Issues: Bagworms and Spider mites
- ✓ Similar Species: Montezuma baldcypress (Taxodium mucronatum)

Little Gem Magnolia

Latin Name: Magnolia grandiflora 'Little Gem'
Secondary Names: Large-Flowered Magnolia

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *15' to 20'*
- ✓ Leaf Type: *Evergreen*
- ✓ Growth Rate: Moderate
- ✓ Native: Southeast United States
- ✓ Soil Needs: Well Drained Soil
- ✓ Tolerances: Moderate Drought, Salt and Soil Variation
- ✓ Features: Large leathery, dark green and glossy leaves with cup shaped, white flowers and oval aggregation of seed pods 3"-4" long.
- ✓ Uses: Shade and Landscape Tree
- ✓ Firewise: Yes
- ✓ Issues: No Major Problems
- ✓ Similar Species: Sweetbay magnolia (Magnolia virginiana)

Live Oak

Latin Name: Quercus Virginiana
Secondary Names: Coast Live Oak, Southern Live Oak

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *40' to 50'*
- ✓ Leaf Type: *Evergreen/Semi Evergreen*
- ✓ Growth Rate: Moderately Fast
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable, Acidic, Alkaline, Clay, Loamy and Well Drained
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Green to dark green leaves with small acorns about ¾-inch long and borne singly or in clusters up to five.
- ✓ Firewise: Yes
- ✓ Issues: Leaf Blister and Fungal Gall
- ✓ Similar Species: Texas live oak (Quercus fusiformis)

October Glory Maple

Latin Name: Acer rubrum 'October Glory'
Secondary Names:

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *40' to 50'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate to Rapid
- ✓ Native: North America
- ✓ Soil Needs: Adaptable; Prefers Slightly Acidic Soil
- ✓ Tolerances: Moderate Drought Tolerance
- ✓ Features: Soft, Green Needles form a Dense Canopy
- ✓ Uses: Shade Tree
- ✓ Firewise: Yes
- ✓ Issues: Aphids and Leaf Scorch
- ✓ Similar Species: Chalk maple (Acer leucoderme)

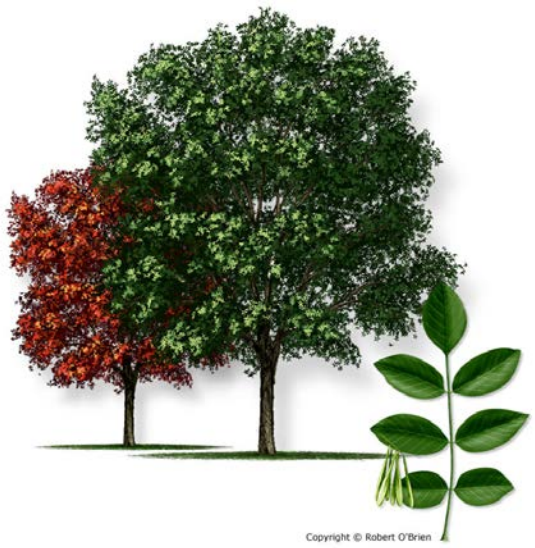
Pecan

Latin Name: Carya Illinoinensis
Secondary Names: Pecan Hickory

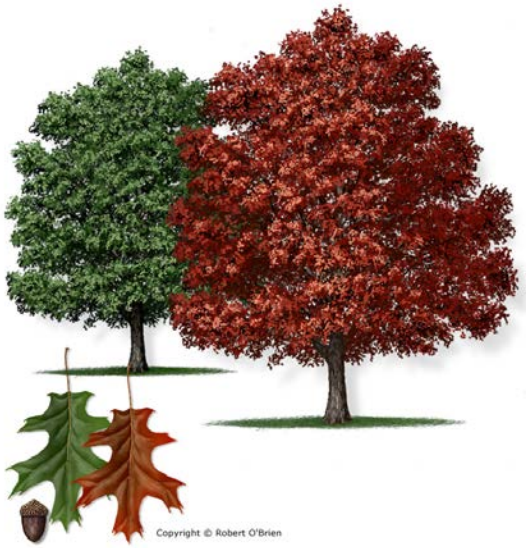
- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *50' to 70'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable, Prefers Deep Moist Soil
- ✓ Tolerances: Drought, Salty Soil, Poorly Drained Soil, Alkaline Soils [*PH>7.5*]
- ✓ Features: Nuts are in important wildlife food; mature crown is open and airy.
- ✓ Uses: Generally a Landscape Tree
- ✓ Firewise: Yes
- ✓ Issues: Aphids, Brittle Wood; Susceptible to Insects
- ✓ Similar Species: Water hickory (Carya aquatica) & black walnut (Juglans nigra)

Red Oak

Latin Name: Quercus Falcata
Secondary Names: Southern Red Oak



- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *30' to 55'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid
- ✓ Native: Texas
- ✓ Soil Needs: Avoid PH>7.5; Any Texture; Prefers Good Drainage
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Young Trees Have 'Candleabra' Shape; Fall Color is Organge to Deep Red
- ✓ Firewise: Yes
- ✓ Issues: Oak Wilt
- ✓ Similar Species: Black oak (Quercus velutina)



Texas Ash

Latin Name: Fraxinus texensis
Secondary Names: Mountain Ash

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *35' to 50'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid (but Variable)
- ✓ Native: East and Central Texas
- ✓ Soil Needs: Adaptable
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Medium sized tree with green or purple flowers and small woody winged samara in long panicles.
- ✓ Firewise: Yes
- ✓ Issues: Poor Drainage Leads to Root Diseases
- ✓ Similar Species: Carolina ash (Fraxinus caroliniana) and Gregg ash (F. greggii)

Texas Red Oak

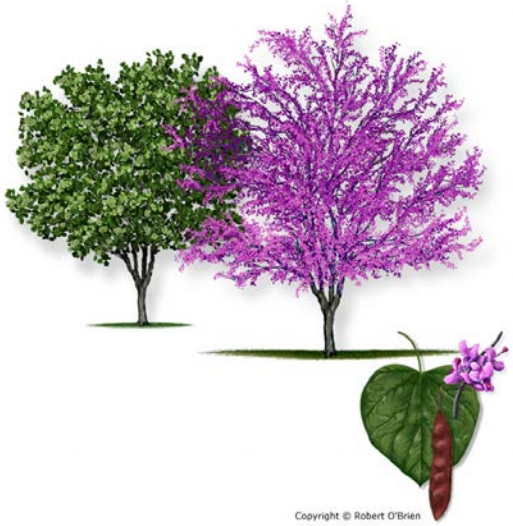
Latin Name: Quercus buckleyi
Secondary Names: Buckley Oak, Texas Red Oak, Spanish Oak

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *30' to 55'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid
- ✓ Native: Central Texas
- ✓ Soil Needs: Alkaline Adaptable
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Medium tree with reddish-brown catkins/acorns and slender, dark green leaves that turn red in the fall.
- ✓ Firewise: Yes
- ✓ Issues: Oak Wilt
- ✓ Similar Species: Shumard oak (Quercus shumardii)

Desert Williow

Latin Name: Chilopsis Linearis
Secondary Names: Desert-Willow

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *15' to 20'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Medium
- ✓ Native: West Texas
- ✓ Soil Needs: Adaptable, Acidic, Loamy and Well Drained Soil
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Multi-Trunked, Well Branched and Thick Growth
- ✓ Uses: Primarily a Landscape Tree; Xeriscaping
- ✓ Firewise: Yes
- ✓ Issues: Susceptible to Alterneria Leaf Spot
- ✓ Similar Species: Flowering Willow, Willowleaf Catalpa, Desert Catalpa, Flor de Mimbre, Mimbre, Bow Willow



Downy Hawthorn

Latin Name: Crataegus mollis
Secondary Names: A Variety Of Common Names Often Ending In "Haw" – Are Used For the Individual Hawthorn Species

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *20' to 30'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Slow
- ✓ Native: Eastern and Central United States and Canada
- ✓ Soil Needs: Requires Well Drained, Dry Soils
- ✓ Tolerances: Dry Soil and Drought
- ✓ Features: Small tree with clusters of white flowers and bright red berry fruit.
- ✓ Uses: Landscaping
- ✓ Firewise: Yes
- ✓ Issues: Susceptible to Several Leaf Diseases
- ✓ Similar Species: River birch (Betula nigra) & Gum Bully (Sideroxylon lanuginosum)

Eastern Redbud

Latin Name: Cercis canadensis var. canadensis
Secondary Names: Judas-Tree

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *20' to 30'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Medium
- ✓ Native: East Texas
- ✓ Soil Needs: Alkaline, Acidic, Loamy, Sandy and Well Drained
- ✓ Tolerances: Clay Soils and Very High Heat
- ✓ Features: Small tree with pink and purple, rose-purple or white blooms and small flattened pods with brown seeds.
- ✓ Uses: Wildlife and Landscaping
- ✓ Firewise: Yes
- ✓ Issues: Leaf Spots, Dieback/Canker, and Verticillium Wilt
- ✓ Similar Species: Redbud

Eve's Necklace

Latin Name: Sophora affinis
Secondary Names: Texas Sophora, Eve's-Necklacepod

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *15' to 35'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Fast (*Generally Slows at 15'*)
- ✓ Native: Central Texas
- ✓ Soil Needs: Alkaline Adaptable
- ✓ Tolerances: Very High Heat
- ✓ Features: Small tree with pale to rosy pink flowers that bloom in the spring and long black segmented seedpods.
- ✓ Uses: Landscape Tree
- ✓ Firewise: Yes
- ✓ Issues: No Problems Reported
- ✓ Similar Species: Black locust (Robinia pseudoacacia)

Mexican Buckeye

Latin Name: Ungnadia Speciosa
Secondary Names:

- ✓ City Tree Classification: *AccentTree*
- ✓ Mature Height: *15' to 30'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Neutral Alkaline
- ✓ Tolerances: Drought, Alkaline Soils [*PH > 7.5*]
- ✓ Features: Pink flowers appear with new leaves; brown fruit husks remain through winter.
- ✓ Uses: Generally a Landscape or Specimen Tree
- ✓ Firewise: Yes
- ✓ Issues: Requires pruning to develop one or more trunks.
- ✓ Similar Species: Monillo, Mona, Texas Buckeye, Spanish Buckeye, False Buckeye, Canyon Buckeye

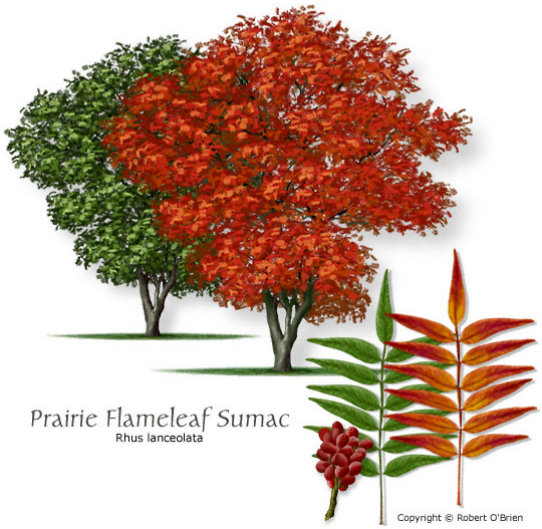
Possumhaw Holly

Latin Name: Ilex Decidua
Secondary Names: Possumhaw (Deciduous Holly)

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *8' to 10' (Occasionally 20')*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Slow
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable
- ✓ Tolerances: Drought, Poorly Drained Sites, Alkaline Soils [*PH>7.5*]
- ✓ Features: Orange or red berries on gray branches.
- ✓ Uses: Generally a Landscape Tree and Detention Tree
- ✓ Firewise: Yes
- ✓ Issues: Thin Bark Susceptible to Injury
- ✓ Similar Species: Bearberry, Meadow Holly, Prairie Holly, Swamp Holly, Welk Holly, Winterberry

Shantung Maple

Latin Name: Acer truncatum
Secondary Names: Shandong Maple, Purpleblow Maple



- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *25' to 35'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid
- ✓ Native: Northern China
- ✓ Soil Needs: Loam, Sandy and Clay (Adaptable)
- ✓ Tolerances: Moderate Drought
- ✓ Features: Medium sized tree with dark green, glossy leaves that change to yellow orange/bright red in the fall.
- ✓ Firewise: No
- ✓ Issues: Leaf Spot and Leaf Scorch
- ✓ Similar Species: Japanese Maples

Flameleaf Sumac

Latin Name: Rhus lanceolata
Secondary Names: Prairie Sumac, Prairie Flameleaf Sumac

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *40' to 50'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Neutral Alkaline
- ✓ Tolerances: Drought, Alkaline Soils [*PH > 7.5*]
- ✓ Features: Compound leaves turn bright red in fall; white flower spikes bear red clusters of berries.
- ✓ Uses: Generally a Landscape Tree
- ✓ Firewise: Yes
- ✓ Issues: Requries pruning to develop one or more trunks.
- ✓ Similar Species: Texas Sumac, Lance-Leaved Sumac, Limestone Sumac and Prairie Shining Sumac

Yapon Holly

Latin Name: Ilex vomitoria
Secondary Names: Yaupon, Cassina

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *10' to 20'*
- ✓ Leaf Type: *Evergreen*
- ✓ Growth Rate: Slow
- ✓ Native: Southeast United States (Texas)
- ✓ Soil Needs: Well Drained, Sandy, Loamy, Clay and Limestone
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Small tree with inconspicuous light green blooms and red berry like drupe.
- ✓ Uses: Landscape Tree
- ✓ Firewise: Yes
- ✓ Issues: Aphids, Minor Leaf Beetle & Dutch Elm Disease
- ✓ Similar Species: Evergreen Cassena, Emetic Holly, Indian Black Drink

F.5. RECOMMENDED SHRUB VARIETIES

The following are the City of Rockwall's recommended shrub varieties.

	Shrub	Scientific Name	SCR	XERI
1	Agarita	Mahonia Trifoliolata		X
2	Barberry	Berberis Atropurpurea 'Rose Glow'		
3	Barberry	Berberis Thumbergii 'Crimson Pygmy'		
4	Bridal Wreath Spirea	Spiraea Cantoniensis	X	X
5	Cenizo (Texas Sage)	Leucophyllum Sp.	X	X
6	Chinese Fringe	Loropetalum Chinense	X	
7	Dwarf Burford Holly	Ilex Cornuta 'Burfordii Nana'	X	
8	Dwarf Yaupon Holly	Ilex Vomitoria 'Nana'		
9	Elaegnus	Elaeagnus x Ebbingei	X	
10	Elbow Bush	Forestiera		
11	Evergreen Sumac	Rhus Virens		
12	Forsythia	Forsythia Intermedia 'Spectabilis'		
13	Glossy Abelia	Abelia x Gradiflora		
14	Hogplum	Colubrina Texensis		
15	Indian Hawthorn	Raphiolepis Indica		
16	Juniper	Juniperus Sp.		
17	Japanese Boxwood	Buxus Japonica		
18	Japanese Cleyera	Cleyera Ternstroemia Gymnanthera		
19	Japanese Quince	Chaenomeles Japonica		
20	Mexican Oregano	Poliomentha Longiflora		
21	Nellie Stevens Holly	Ilex 'Nellie R. Stevens'	X	
22	Oleander	Nerium Oledander	X	
23	Pearl Bush	Exochorda Giraldii Wilsonii		
24	Red Yucca	Hesperaloe Parvifolia		X
25	Rock Rose	Pavonia Lasiopetala		X
26	Rose of Sharon	Hibiscus Syriacus	X	
27	Rosemary	Rosmarinus Officinalis		X
28	Virginia Sweetspire	Itea Virginica		
29	Yucca	Yucca Sp.		X

F.6. RECOMMENDED GRASSES

The following are the City of Rockwall's recommended shrub varieties.

	Shrub	Scientific Name	XERI
1	Bermuda Grass	Cynodon Dactylon	
2	Big Bluestem	Andropogon Gerardii	X
3	Buffalo Grass	Buchloe Dactyloides	X
4	Deer Muhly	Muhlenbergia Rigens	
5	Eastern Gamagrass	Tripsacum Dactyloides	X
6	Fountain Grass	Pennisetum Alopercuroides 'Hamelin'	
7	Feather Reed Grass	Calamagrostis Acutiflora 'Karl Foerster'	
8	Inland Seaoats	Chasmanthium Latifolium	X
9	Japanses Blood Grass	Imperata Cylindrica 'Red Baron'	
10	Little Bluestem	Schixachyrium Scoparium	X
11	Maiden Grass	Adagio, Cabaret, Gracillimus, Morining Light, Varigatus, Zebra Grass	X
12	Mexican Feather Grass	Stipa Tenuissima 'Pony Tails'	X
13	Muhly Grass	Muehelenbergia Lindheimeri	X
14	Prairie Mix	N/A	X
15	Prairie Dropseed	Sporobolus Heterolepsis	
16	St. Augustine Grass	Stenotaphrum Secundatum	X
17	Switch Grass	Panicum Virgatum	X
18	Weeping Love Grass	Eragrostis Curvula	X

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **September 18, 2015**

SUBJECT: **REDC Budget**

The Rockwall Economic Development Corporation Board approved the attached budget at their Board meeting on September 17, 2015.

The budget is largely unchanged from this fiscal year's base budget. The EDC having completed the infrastructure and Justin Road projects this summer did not include any major projects in the budget. About $1million of bond proceeds from 2013 remain which can be used for similar projects. A number of previously contracted incentives are due to be paid in fiscal year 2016. The EDC's unallocated operating reserves will remain $2.4 million dollars after those payments and operating expenses.

REDC President, Sheri Franza, will be available at the Council meeting to present aspects of the budget and answer any questions.

The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **September 18, 2015**

SUBJECT: **RTPA Budget**

The Rockwall Technology Park Association Board met Thursday September 18, 2015 to approve the budget for maintenance of the Tech Park. The budget includes a slight increase in the park maintenance budget to reflect more frequent mowing intervals on the former Hitt property and a reserve for irrigation system repairs.

REDC President, Sheri Franza, will be available at the Council meeting to answer any questions about the proposed budget.

City of Rockwall
The New Horizon

MEMORANDUM

TO: Hotel Occupancy Tax Sub-committee Members

FROM: Mary Smith, Assistant City Manager

DATE: September 2, 2015

SUBJECT: Request for Funding Allocation – Multiple Projects

The City received a supplemental funding request for hotel occupancy tax revenues from The Colbert Project. Copies of the Funding Request Questionnaire and supporting narrative is attached for your review. Their request totals $40,000 for promotion of their fourth annual Firefighters Ball, which was held at the Hilton on August 29. The subcommittee recommends $6,700 award for promotional expenses.

In addition, Musicfest requested more funds for the 2015 Labor Day concert. The original application was for $18,000 and the Council awarded $8,000. The City Recreation staff has been asked to assist with coordination of the event – in a similar manner as they did for the Memorial Day concert. A supplemental request for an additional $4,860 has been submitted and is recommended for funding.

Also, in 2014 the City hosted "Rib, Rub and Run" received hotel tax funding. This event was in transition from the Mainstreet program to the Recreation department at the time and a request for 2015 hotel tax funding was inadvertently not prepared. The event brings many people to the downtown area and to area hotels. Funding is requested in the amount of $10,000 and is recommended by the subcommittee. In addition, the City is hosting the TAAF conference at the Hilton next week. Having originally allocated $6,000, the committee is recommending an additional $3,000 for conference expenses.

Included in the Chamber of Commerce report for fiscal year 2015, which is attached in the Council packet, is a request to reallocate $37,590 of previously allocated funding for the Chamber's boat show, which had to be cancelled for 2014 due to low lake levels. The Chamber has been paid the funds, has retained them, and is now asking to be allowed to use the funds for the purpose to support, produce, publish and distribute three Rockwall-centric magazines. The subcommittee is not recommending funding and instead is requesting the funds be netted against the payment to be allocated for fiscal year 2016.

Prior to Council action on the above, the Hotel Occupancy Tax budget is as follows:

Fund Balance carried forward	**$ 144,140**
Amended Revenues	**325,000**
Previously Allocated Funding	**(333,765)**
Projected Fund Balance	**$ 135,375**

- COMPLETE AN APPLICATION FOR EACH EVENT/PROGRAM/EXHIBIT REQUESTING FUNDS
- INCOMPLETE APPLICATIONS WILL NOT BE FORWARDED TO THE COUNCIL SUBCOMMITTEE

185

1. Mark an "X" next to the category or categories that your organization is requesting funds in the attached budget request.

X **Advertising/Tourism** **Requested funding amount** *$41,437.71*

Conducting solicitation or promotional programs that encourage tourists and delegates to come to the City of Rockwall.

Arts **Requested funding amount $**
Providing encouragement, promotion, improvement and application of the arts as it relates to the presentation, performance execution or exhibition of the major art forms in the City of Rockwall.

Historical **Requested funding amount $**
Providing historical restoration, preservation, programs and encouragement to visit preserved historic sites or museums located in the City of Rockwall.

2. Briefly state the purpose of your organization/mission statement:
Our mission is to provide financial assistance to fire families who have found themselves facing financial strife brought on by illness or off duty injury.

3. Does your organization have paid staff? *No*
Full-Time # Part-Time

4. Does your organization use volunteers? *Yes*
Approximately how many? ***25-50***

5. Is the event/program that the organization is requesting Hotel Tax funds held in/on City-owned property? Yes
Name location: ***Hilton Bella Harbor in Rockwall off of Lake Ray Hubbard***

If you are holding your event in/on city-owned property, the City may, in lieu of funds, donate the cost of the facility/property rental for that event.

6. Will your event be held in *"The Downtown"* or adjacent to *Lake Ray Hubbard*?
Name location: ***adjacent to Lake Ray Hubbard***

7. Will your organization provide special event insurance coverage for the event/ program if held on City property?
Name of Insurance Company:

8. List all other sources of funding your organization receives for this event. Include event budget (use the required budget form attached). ***We currently receive funding to hold our event through multi level sponsorship opportunities.***

9. List the programs, activities, exhibits, or event for the upcoming fiscal year (Oct. 1, 2014-Sept. 30, 2015) that the requested Hotel funding will support partially or in full. ***At this time we have put our main focus to our annual event, the Firefighter's Ball. As more departments and individuals become aware of our foundation and***

186

mission it is our hope to add additional fundraising events. We have discussed adding a department chili cook off. However, there are no dates for this at this time as location will be key in planning such endeavor.

10. Provide 3 years attendance history for the above listed programs, activities, exhibits or event in #9 above.

Event	Year	Event Duration (in Days)	Audience Size	# of Attendees in hotel rooms
2013 Firefighter's Ball	2013	1	589	200
2014 Firefighter's Ball	2014	1	568	200
2015 Firefighter's Ball August 29, 2015	2015	1	650	200

11. How do the requested budget expenditures meet the definition of the categories marked in #1? Advertising/Tourism, Arts, Historical

Funding will be utilized for a multitude of ways to advertise and promote our event. In doing this we continue to host an annual sold out event in the city of Rockwall. *Advertisement is our direct tool for our guests to know information pertaining to our event as well as date. Because we host the event at the Hilton majority of our guests attending will not only be present for our fundraising efforts but will also be booking rooms to stay overnight following event.*

12. What specific market will you target with the event/program's marketing plan? Attach up to 3 examples and evidence of marketing area and readership (Label Exhibit C). *Local and surrounding fire departments along with non fire service attendees through use of print media, social media and new to us this year our website*

13. Describe in detail how your event/program will promote tourism and the hotel industry in Rockwall. *During our event we average 550-650 guests in one day. We see this as a direct way for individuals who may not otherwise come to the Rockwall area to see the wonderful amenities within our community. In hosting such a large and diverse event in Rockwall our guests get the exposure of our wonderful community, shops and restaurants. Many of these local shops and restaurants continue to be supporters in our efforts by providing items to our live*

187

and silent auctions. It is our goal in hosting this event to not only raise funds for our recipient but promote to buy from small business and purchase local.

14. Describe the organization's long-term plan (3-5 year) in regard to the program/ event that funds are being requested. *To be able to continue growing awareness of our foundation, its mission and services provided.*

15. The City of Rockwall must require segregated accounting of its Hotel funds. Organizations must maintain and account for revenue provided from the tax authorized by section 351.101(a) within one of the two options listed below.

a) Separate checking account without combining with any other revenues or maintained in any other bank account or

b) Maintain a line item accounting, whereby the Hotel revenues may not be combined with any other revenues or expenditures. The funds may be maintained in the same bank account, provided they are reported as a separate line item in the organization's budget. Interest earned on the Hotel revenues must be used to support the event/program as well.

Will the organization be able to segregate the accounting process in either a) or b) above? *YES*

16. Provide all of the following documentation with this application and label each as outlined below.

Exhibit A	Proposed budget for each event/program using attached form
Exhibit B	Letter of determination certifying federal tax exempt 501(c)(3) status
Exhibit C	Examples and evidence of marketing area and readership (limit 3)
Exhibit D	List members of the governing body including name, position, mailing address and phone number

We certify, to the best of our ability, that the information in this application, including all exhibits and supporting documentation is true and correct to the best of our knowledge. It is understood and agreed that any funds awarded as a result of this application will be used for the purpose set for herein and the program guidelines.

Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. We determined that you are a public charity under the Code section(s) listed in the heading of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Enter "4221-PC" in the search bar to view Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, which describes your recordkeeping, reporting, and disclosure requirements.

Letter 947

COLBERT PROJECT

We have sent a copy of this letter to your representative as indicated in your power of attorney.

Sincerely,

Tamera Ripperda

- ► COMPLETE AN APPLICATION FOR EACH EVENT/PROGRAM/EXHIBIT REQUESTING FUNDS
- ► INCOMPLETE APPLICATIONS WILL NOT BE FORWARDED TO THE COUNCIL SUBCOMMITTEE

1. Mark an "X" next to the category or categories that your organization is requesting funds in the attached budget request.

☒ **Advertising/Tourism** **Requested funding amount $ 10,500.00**
Conducting solicitation or promotional programs that encourage tourists and delegates to come to the City of Rockwall.

☐ **Arts** **Requested funding amount $**
Providing encouragement, promotion, improvement and application of the arts as it relates to the presentation, performance execution or exhibition of the major art forms in the City of Rockwall.

☐ **Historical** **Requested funding amount $**
Providing historical restoration, preservation, programs and encouragement to visit preserved historic sites or museums located in the City of Rockwall.

2. Briefly state the purpose of your organization/mission statement:
Vision Statement
We envision historic downtown Rockwall as a safe, attractive and thriving business, retail, residential, entertainment and community celebration district.

Mission Statement
The mission of the Rockwall Main Street is to create an inviting, historic downtown district that serves as a center for recreational, economic and cultural activity for residents and visitors of downtown Rockwall utilizing the four point approach of organization, promotions, design and economic restructuring.

3. Does your organization have paid staff?
Yes 1 # Full-Time # Part-Time

4. Does your organization use volunteers?
Yes Approximately how many? 50

5. Is the event/program that the organization is requesting Hotel Tax funds held in/on City-owned property?
No Name location: *"The Downtown"*

If you are holding your event in/on city-owned property, the City may, in lieu of funds, donate the cost of the facility/property rental for that event.

6. Will your event be held in *"The Downtown"* or adjacent to *Lake Ray Hubbard*?
Yes Name location: *"The Downtown"*

7. Will your organization provide special event insurance coverage for the event/program if held on City property?
Yes Name of Insurance Company: TML

8. List all other sources of funding your organization receives for this event. Include event budget (use the required budget form attached).
Sponsorships, sales and budgeted promotions

9. List the programs, activities, exhibits, or event for the upcoming fiscal year (Oct. 1, 2013-Sept. 30, 2014) that the requested Hotel funding will support partially or in full.
6th Annual Rockwall Rib Rub & Run

200

10. Provide 3 years attendance history for the above listed programs, activities, exhibits or event in #9 above.

Event	Year	Event Duration (in Days)	Audience Size	# of Attendees in hotel rooms
Rib Rub BBQ Comp & 5k Run 14 BBQ Teams/100 Runners	2009	1	1000	2
Rib Rub BBQ Comp & 5k Run 53 BBQ Teams/150 Runners	2010	1	3000	16
Rib Rub BBQ Comp & 5k Run 35 BBQ Teams/200 Runners	2011	1	3000	16
Rib Rub BBQ Comp & 5k Run 35 BBQ Teams/225 Runners	2012	1	4000	20
Rib Rub BBQ Comp & 5k Run 35 BBQ Teams/200 Runners	2014	1	4000	20

11. How do the requested budget expenditures meet the definition of the categories marked in #1?
Advertising/Tourism, Arts, Historical

BBQ competitions are a huge draw for barbecue enthusiasts, backyard amateurs and foodies. This event is successful because a) people love food and b) people love talking about food. While the competition is serious business for competitors they also enjoy "cooking for the crowd" with 90% participating in the People's Choice Wing Tasting Competition. The crowd purchases taste tickets and vote for their favorite. With their elaborate rigs and their festive spirit, the cook's engage the crowd.

12. What specific market will you target with the event/program's marketing plan?
Attach up to 3 examples and evidence of marketing area and readership (Label Exhibit C).

Barbecue competitors travel all over the country to compete in events. The competition is sanctioned by the International Barbecue Cookers Association and they advertise the event on their website as well as BBQ forums and blogs.

The 5k run and car show will provide two different attractions that are intended to draw individuals to event throughout the day.

We also plan to advertise the Rib Rub in: 3 web based outlets, 4 regional newspapers, and Facebook (paid). Other media outlets include Facebook, downtown merchant websites, public websites and Snap Retail.

13. Describe in detail how your event/program will promote tourism and the hotel industry in Rockwall.

Barbecue competitors, runners and visitors will stay in Rockwall hotels/motels.

14. Describe the organization's long-term plan (3-5 year) in regard to the program/ event that funds are being requested.

The 3-5 year plan is to grow the attendance and the quality of the event as well as showcase Downtown Rockwall as a destination center. In addition the special events committee plans to:

1. introduce car show as additional draw
2. include more "tasting events" or "people's choice"
3. increase our BBQ teams from 35 to 45
4. step up downtown restaurant participation regarding food/beverage sales
5. increase crowd from 4k to 10k (increase overnight guests)
6. gain name/event recognition for "best bbq contest"
7. continue to obtain sponsorships and increase ticket sales to offset expenses

15. The City of Rockwall must require segregated accounting of its Hotel funds. Organizations must maintain and account for revenue provided from the tax authorized by section 351.101(a) within one of the two options listed below.

a) Separate checking account without combining with any other revenues or maintained in any other bank account or

b) Maintain a line item accounting, whereby the Hotel revenues may not be combined with any other revenues or expenditures. The funds may be maintained in the same bank account, provided they are reported as a separate line item in the organization's budget. Interest earned on the Hotel revenues must be used to support the event/program as well.

Will the organization be able to segregate the accounting process in either a) or b) above?
Yes

16. Provide all of the following documentation with this application and label each as outlined below.

Exhibit A	Proposed budget for each event/program using attached form
Exhibit B	Letter of determination certifying federal tax exempt 501(c)(3) status
Exhibit C	Examples and evidence of marketing area and readership (limit 3)
Exhibit D	List members of the governing body including name, position, mailing address and phone number

We certify, to the best of our ability, that the information in this application, including all exhibits and supporting documentation is true and correct to the best of our knowledge. It is understood and agreed that any funds awarded as a result of this application will be used for the purpose set for herein and the program guidelines.

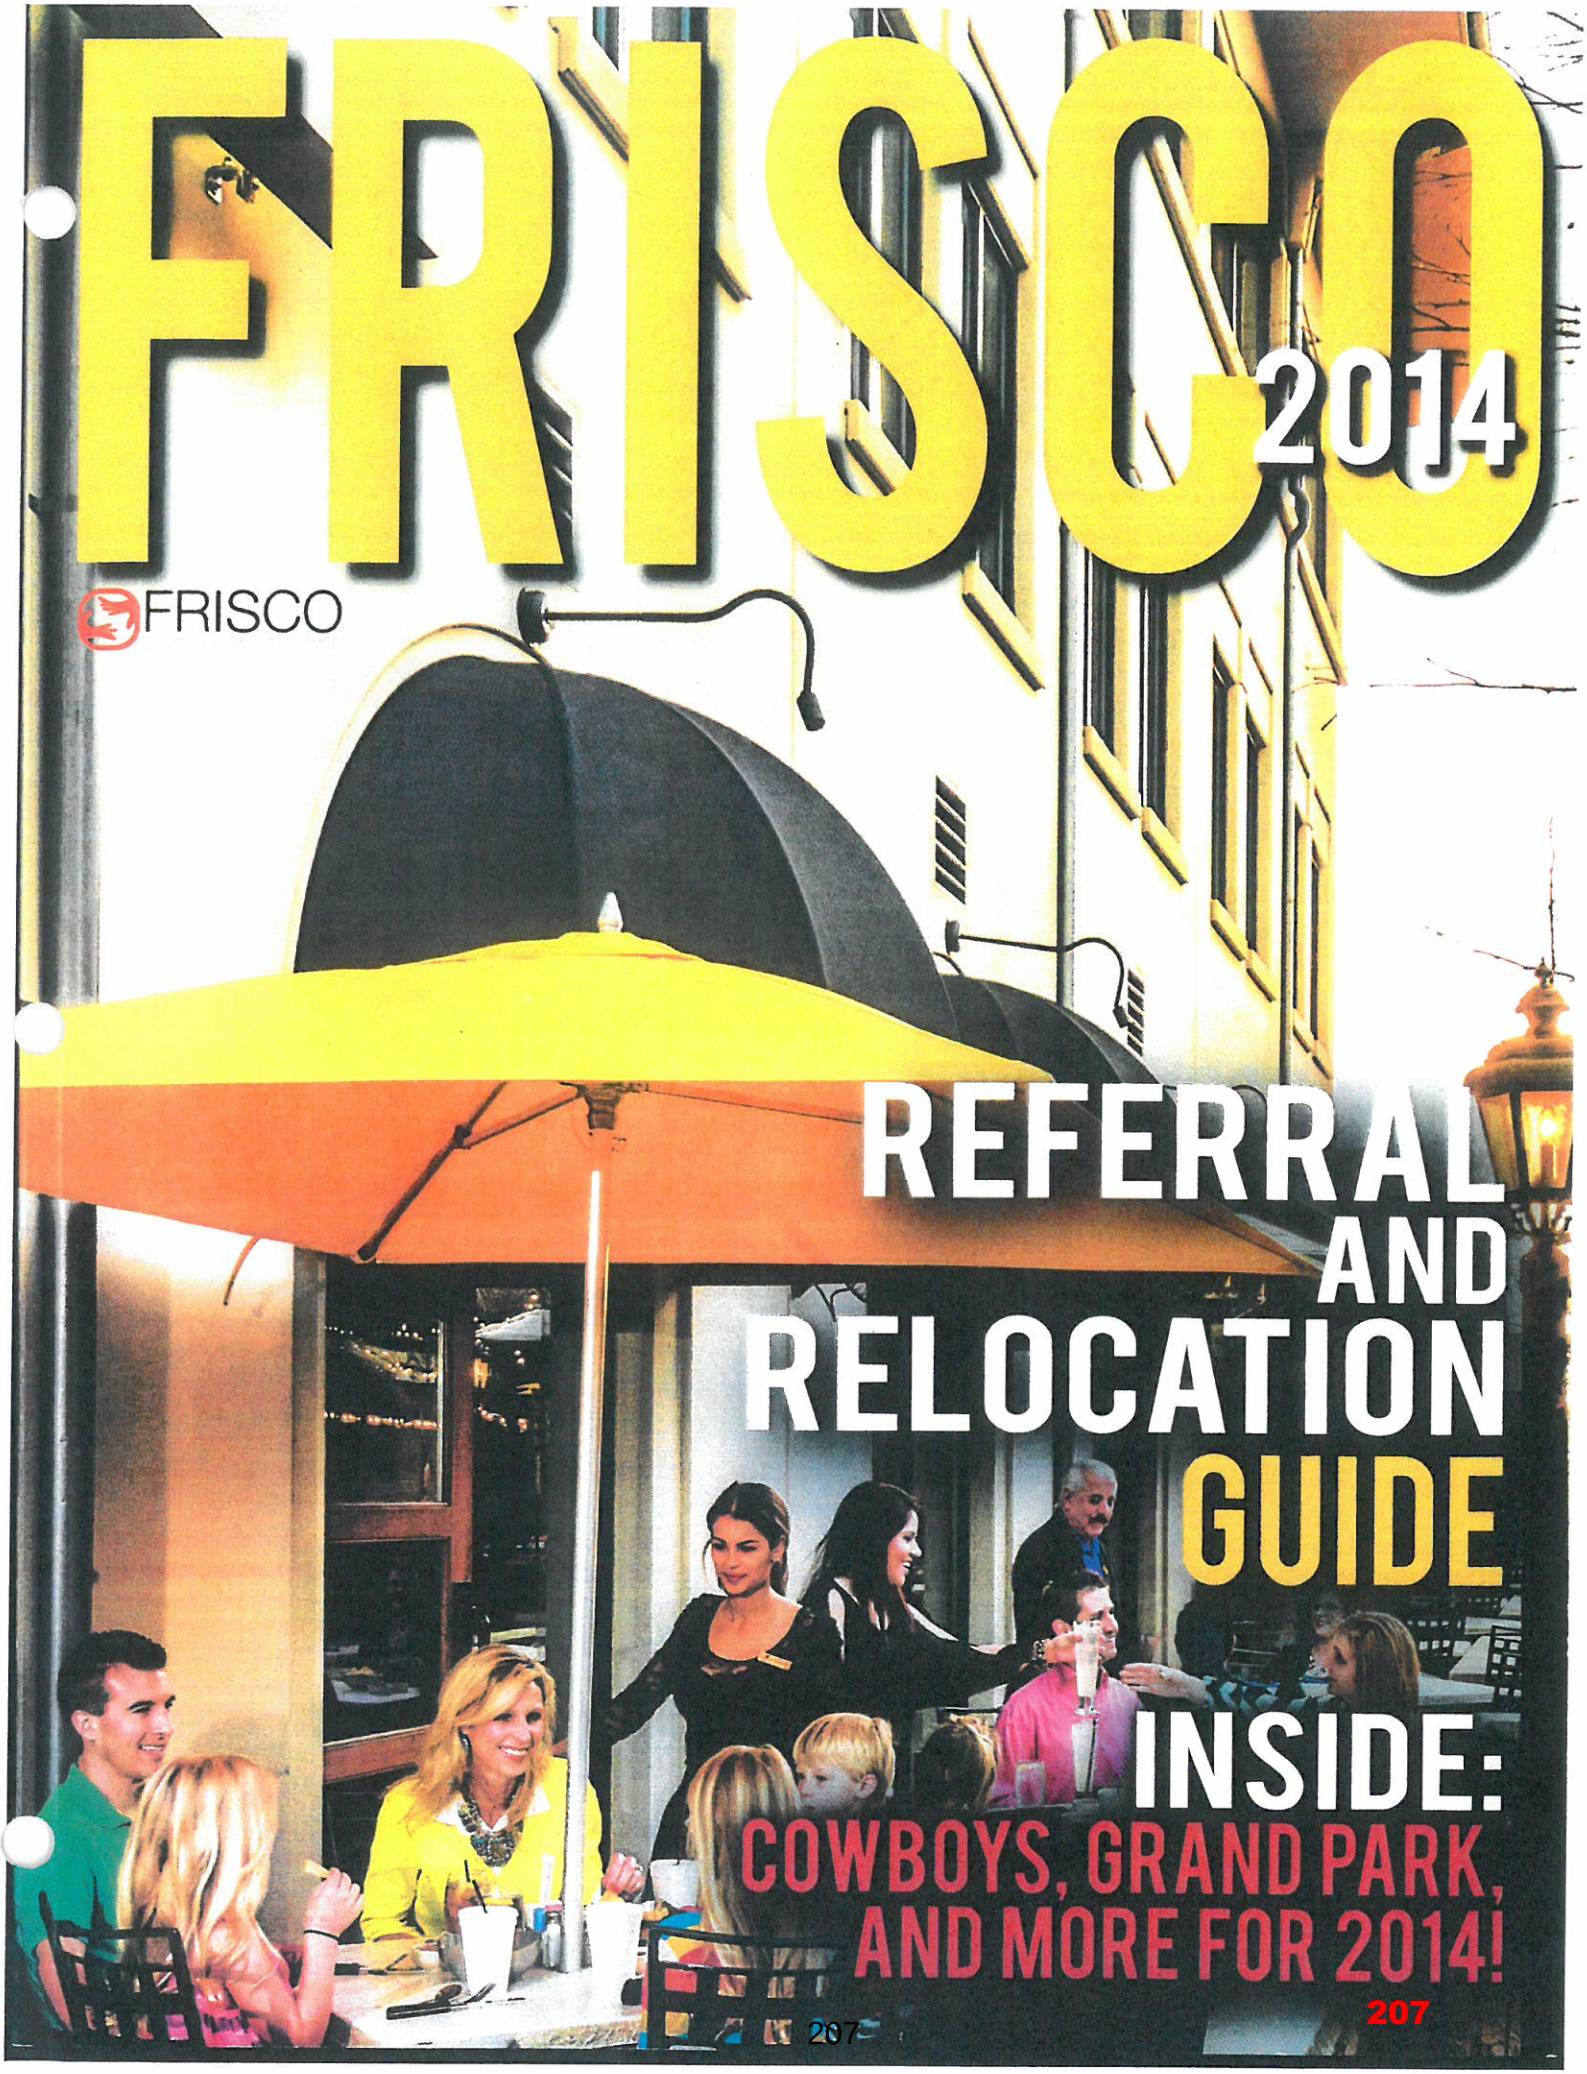
Recommendation:

Move outstanding funds and transfer to a new program for the purpose to support, produce, publish and distribute (3) three high-gloss, expertly written lifestyle Rockwall-centric magazines. (see attached samples) This print media publication would be used to inform visitors, potential residents about our community. The benefits would be:

- Building a strong community brand
  Each publication would include the following:
  1) City of Rockwall
  2) REDC
  3) Pull-out Map
  4) Listing of community events, tourism and Shop Local messages
- Creating a relationship with visitors and residents alike; utilizing visitor request- mailings
- Communicating the excellence of Rockwall and the reasons to visit and relocate
- Merging content and commerce
- Inform, inspire, educate and entertain



Income:	Advertising- (unknown) Per magazine- conservatively	$7,000-10,000
Expense:	Administrative (per magazine)	$ 2,097
	Staff Support (per magazine)	$ 779
	Professional Services (per magazine)	$ 4,061
	Production/Promotion (per magazine)	$ 7,890
	Circulation (per magazine)	$ 1,775
	Sub-total- per magazine	**$16,602**
	Total for all 3 magazines	**$49,806**

Distributed 5000 per
December 2015
March 2016
August 2016

It is the intent and belief of the Chamber that the difference of $12,216 would be met by the reflected advertising income and we're comfortable with taking this risk.
Added Notes:
The Frisco Chamber and others I've met with who've utilized this type of advertising medium have positive comments about this vehicle within their community and as it relates to tourism and community awareness. Research has shown that people are more focused when reading print than when listening to radio or watching TV. Communications are the cornerstone of the Visitor Center and the Chamber and we want to continue to deliver a product of excellence that supports our community.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **September 16, 2015**

SUBJECT: **Hotel/Motel Funding Recommendation**

The Hotel / Motel subcommittee comprised of Council members White, Lewis and Milder met to discuss funding requests for budget year 2015-2016. The Council received a notebook including the organization's requests along with their required reporting for this year's funded events. Attached is a summary of the requests with the previous year's allocations to the organizations. This summary also includes the subcommittee recommendations as to funding for the coming budget year.

Revenues and Fund Balance

Staff continues to be conservative in the projection of revenues. With that said, revenues increased by 6.5% during the current year and are expected to maintain that level for fiscal year 2016. We expect to receive $350,000 in hotel tax revenues and to finish fiscal year 2015 with a fund balance of $110,000. The committee chose to maintain a healthy fund balance in order to allow flexibility in meeting supplemental requests during the year.

Funding Levels

Funding requests for fiscal year 2015 totaled $483,170 which is a 10% increase from the current year's requests. Each specific application was discussed and whether they met our stated purposes and the state statute's requirement for "heads in beds". The subcommittee's recommendations for funding are attached. The subcommittee chose to fund events as funding allowed with most organizations receiving less than they requested due to a lack of sufficient revenues. One program request from the Chamber of Commerce for monument signage was specifically not recommended for funding and is are noted on the accompanying spreadsheet.

Contract Language/Documentation

Each organization will continue to be required to provide documentation such as a log, guestbook, registration list or other documentation that specifically notes if each person is spending the night in a hotel establishment. The City provides a link which must be included in each printed ad or event website with contact information for the hotels.

Staff will be available at the Council meeting to answer any questions.

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **September 15, 2015**

SUBJECT: **Amending the Fiscal Year 2015 Budget**

The final General fund budget summary sheets for the fiscal year 2015 amended and fiscal year 2016 proposed budget are included in the Council packet with the budget adoption agenda item. The amended budget was not changed during budget discussions.

CITY OF ROCKWALL, TEXAS

ORDINANCE NO.

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE BUDGET OF THE CITY FOR THE FISCAL YEAR OCTOBER 1, 2014 THROUGH SEPTEMBER 30, 2015; PROVIDING FOR AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the budget of the City Council of the City of Rockwall for the fiscal year October 1, 2014, through September 30, 2015, be and the same is hereby amended and such amendments are indicated and shown on **Exhibit "A"** attached hereto and made a part hereof for all purposes.

Section 2. This ordinance shall take effect immediately from and after its passage.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 21st day of September, 2015.

ATTEST: **Jim Pruitt, Mayor**

Kristy Ashberry, City Secretary

APPROVED AS TO FORM:

The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **September 16, 2015**

SUBJECT: **Adopting the Fiscal Year 2016 Budget**

Notebook. It is included by reference only, rather than presented again in its entirety.

General Fund

The General Fund as adopted will anticipate tax collections based on a 48.53 cent tax rate with expenditures adjusted as discussed at the previous Council meetings.

The budget as included in the Council packet includes funding for Meals on Wheels Senior Services in the amount of $30,000. Council member White has requested a separate vote on this funding from which he will recuse himself. STAR Transit is included in the amount of $55,201.50 as discussed at the September 8th Council meeting. Councilmember White requested a separate vote on that funding as well.

If further discussion of any specific appropriation is needed it should take place prior to the vote on the budget ordinance.

Water – Sewer Fund

The budget as proposed reflected increased sales revenue from a rate increase. The associated rate resolution will be presented to Council shortly with the new rates to be effective on January 1st.

Budget Cover Wording

Senate Bill 656 effective for budgets adopted after September 1, 2013 requires specific wording is included in the adopted budget document. The following statement will appear on the cover of the document and be published on the City's website for one year:

"This budget will raise the same amount of revenue from property taxes as last year's budget. The property tax revenue to be raised from new property added to the tax roll this year is $511,174."

Staff proposes Council have the statement read into the record prior to the Council's vote on the ordinance adopting the budget.

CITY OF ROCKWALL

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, APPROVING AND ADOPTING A BUDGET FOR THE CITY FOR THE FISCAL YEAR OCTOBER 1, 2015, THROUGH SEPTEMBER 30, 2016; PROVIDING THAT EXPENDITURES FOR SAID FISCAL YEAR SHALL BE MADE IN ACCORDANCE WITH THE SAID BUDGET; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Manager of the City of Rockwall, Texas has heretofore filed with the City Secretary a proposed General Budget for the City covering the fiscal year aforesaid, and

WHEREAS, the governing body of the City has concluded its public hearing on said budget,

WHEREAS, in accordance with Section 7.06 of the City Charter, the budget for fiscal year 2015-16 is being adopted in a timely manner,

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That said budget for the fiscal year October 1, 2015, through September 30, 2016, be and the same is hereby attached to this ordinance and made a part hereof for all purposes and marked **"Exhibit A".**

Section 2. That said budget attached hereto and marked **"Exhibit A"** be, and the same hereby is, approved and adopted by the City Council as the official budget for the City for the fiscal year aforesaid.

Section 3. That expenditures during the fiscal year shall be made in accordance with the budget approved by this ordinance unless otherwise amended by a duly enacted ordinance of the city.

Section 4. This ordinance shall take effect immediately from and after its passage.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **September 15, 2015**

SUBJECT: **Tax Rate Adoption**

The Council agenda for Monday September 21, 2015 includes the ordinance to adopt the Ad Valorem tax rate of 48.53 cents per one hundred dollars of assessed value. Specific language in the motion is not required this year since we are adopting the Effective tax rate.

225

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, LEVYING THE AD VALOREM TAXES FOR THE YEAR 2015 AT A RATE OF $.4853 PER ONE HUNDRED DOLLARS ($100.00) ASSESSED VALUATION ON ALL TAXABLE PROPERTY WITHIN THE CORPORATE LIMITS OF THE CITY AS OF JANUARY 1, 2015 TO PROVIDE REVENUES FOR THE PAYMENT OF CURRENT EXPENSES AND TO PROVIDE AN INTEREST AND SINKING FUND ON ALL OUTSTANDING DEBTS OF THE CITY; PROVIDING FOR DUE AND DELINQUENT DATES, TOGETHER WITH PENALTIES AND INTEREST; APPROVING THE 2015 TAX ROLL; PROVIDING FOR EXEMPTIONS OF PERSONS OVER SIXTY-FIVE (65) YEARS; PROVIDING AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That there be and is hereby levied for the year 2015 on all taxable property, real, personal and mixed, situated within the limits of the City of Rockwall, Texas, and not exempt by the Constitution of the state and valid State Laws, a tax of $.4853 on each **ONE HUNDRED DOLLARS** ($100.00) assessed value of taxable property and shall be apportioned and distributed as follows:

a. For the purpose of defraying the current expenses of municipal government of the City, a tax of $..2342 each ONE HUNDRED DOLLARS ($100.00) assessed value of all taxable property.

b. For the purpose of creating a sinking fund to pay the interest and principal on all outstanding bonds of the City not otherwise provided for, a tax of $.2511 each ONE HUNDRED DOLLARS ($100.00) assessed value of all taxable property, within the city which shall be applied to the payment of such interest and maturities of all outstanding bonds.

Section 2. That all ad valorem taxes shall become due and payable on October 1, 2015, and all ad valorem taxes for the year shall become delinquent after January 31, 2016. If any person fails to pay the ad valorem taxes on or before the 31st of January, 2016, the following penalties shall be payable thereon, to wit:

During the month of February, six percent (6%); during the month of March, seven percent (7%); during the month of April, eight percent (8%); during the month of May, nine percent (9%); during the month of June, ten percent (10%); and on or after the first day of July, twelve percent (12%).

Section 3. Taxes are payable in Rockwall, Texas, at the office of the designated Tax Collector. The City shall have available all rights and remedies provided by law for the enforcement of the collection of taxes levied under this ordinance.

Section 4. All delinquent taxes shall bear the maximum rate of interest per annum as provided by law, in addition to the penalties provided herein.

Section 5. All taxes for the year 2015 which remain delinquent on July 1, 2016 shall incur an additional penalty of twenty percent (20%) of the amount of taxes, penalty and interest due to defray cost of collection.

Section 6. That pursuant to Article VIII-1b of the Constitution of Texas, $60,000 of the appraised value of residence homesteads of any married or unmarried persons, including those living alone, who were sixty-five (65) years of age or older on January 1, 2005, shall be exempt from ad valorem taxes.

Section 7. This ordinance is enacted in order to authorize the collection of ad valorem taxes for the year 2015 and shall take effect immediately from and after its passage.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 21st day of September, 2015.

Jim Pruitt, Mayor

ATTEST:

Kristy Ashberry, City Secretary

APPROVED AS TO FORM:

Frank Garza, City Attorney

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Mayor and City Council**

FROM: **Rick Crowley, City Manager**

DATE: **September 18, 2015**

SUBJECT: **Ambulance Ordinance - Exclusivity Repeal**

This item has been placed on the agenda for action Monday evening. As of the time of packet distribution, the draft ordinance is not available. My being out of town has contributed to the delay in preparation, and Frank is researching several legal questions that the Mayor has requested.

Frank will want to discuss direction from the Council, so this item will be read for consideration first in Executive Session. Based on the direction that I think I heard from the Council at the last meeting, I have asked that Frank not prepare a Franchise Ordinance, but that the Ordinance be prepared to:

1. Repeal the exclusivity aspect of the current ordinance
2. Require that ambulance companies desiring to do business in the City, as a single requirement, register with the City and provide proof that they are licensed by the State of Texas to operate their business in Texas.

I understand that there may still be discussion on the matter Monday evening. Frank will provide legal consultation first in Executive Session.

XIV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding process and appointment to Rockwall Central Appraisal District Board pursuant to Section 551.074 (personnel matters)

2. Discussion regarding appointments to city regulatory boards, commissions, or committees - interview candidates: Planning & Zoning Commission vacancy - pursuant to Section 551.074 (personnel matters)

XV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

XVI. ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 771-7700 or FAX (972) 771-7727 for further information.
The City of Rockwall City Council reserves the right to adjourn into executive session at any time to discuss any of the matters listed on the agenda above, as authorized by Texas Government Code § 551.071 (Consultation with Attorney) § 551.072 (Deliberations about Real Property) § 551.074 (Personnel Matters) and § 551.086 (Economic Development)
I, Kristy Cole, City Secretary for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 2nd day of October, 2015 at 4:00 p.m. and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Cole, Assistant to the City Manager / City Secretary**

DATE: **October 2, 2015**

SUBJECT: **S. Lakeshore / Summit Ridge roadway improvements project**

The city manager would like to have an additional, brief discussion with the Council on Monday regarding preliminary planning for the design of the S. Lakeshore / Summit Ridge roadway improvements project. Narrowing the roadway and the potential for including sidewalks has been previously discussed with Council concerning this project. In addition, the importance of gleaning input from affected property owners/residents living along the roadway and within the neighborhood has also been a part of past discussions. Additional input from council is prudent before staff begins gathering citizen input and prior to other, preliminary work beginning on this project.

Proclamation

Rockwall, Texas

Whereas, Hispanics have been present throughout the History of the Continent, Country and State, Hispanics and their descendants have had a profound and lasting influence on American history, values, and culture and

Whereas, Hispanic people have come to the United States from Mexico, Panama, Cuba, Columbia, Puerto Rico among others in search of opportunity, freedom, and a more prosperous future bringing with them a rich heritage, a deep commitment to family and community, a strong work ethic, and unwavering belief in the American Dream; and

Whereas, this month, as we acknowledge with gratitude the many gifts that Hispanic Americans bring to so many aspects of our daily lives, let us reaffirm our mutual respect and support for Hispanic American families so that they are afforded opportunities in achieving the American Dream and make the most of their lives; and

Whereas, working together, we can meet the needs of the 21st century in a way that will celebrate our differences and unite us around our common values.

Now, Therefore, I, Jim Pruitt, Mayor of the City of Rockwall, Texas, do hereby proclaim the month of September 15th – October 15th, 2015 as

HISPANIC HERITAGE MONTH

in the City of Rockwall and encourage all citizens to celebrate the history and heritage of the Hispanic people and recognize their lasting contributions to the growth and development of this community, state and country.

In Witness Whereof, I hereunto set my hand and official seal this 5th day of October, 2015.

_____

MINUTES
ROCKWALL CITY COUNCIL
Monday, September 21, 2015
4:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pruitt called the meeting to order at 4:00 p.m. Present were Mayor Jim Pruitt, Mayor Pro Tem Dennis Lewis and City Council Members David White, Mike Townsend, John Hohenshelt, Scott Milder and Kevin Fowler. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Brad Griggs, and City Attorney Frank Garza.

II. WORK SESSION

1. Hold work session to discuss the United States Environmental Protection Agency's (EPA) Sanitary Sewer System compliance inspection report, including addressing any areas of concern, and take any action necessary.

City Engineer Tim Tumulty explained that on March 5, 2015, the EPA made a site visit to Rockwall to conduct a compliance inspection report on the city's wastewater system and associated maintenance. He indicated that the report was received by the city in early August, and it was dated June 2nd. He explained that the report indicates some relatively minor areas of possible non-compliance and/or areas of concern. He went on to explain what the EPA's expectations are as well as what steps the city plans to take in order to address any noted areas of concern.

2. Hold work session to discuss and consider local regulations regarding non-emergency ambulance services and associated transports, and take any action necessary.

City Manager Rick Crowley provided brief background information concerning this item, recapping what was discussed at the last council meeting concerning this topic. Based on those discussions, he asked the city attorney to draft a new ordinance to repeal exclusivity of the current ordinance provisions related to non-emergency transport services and to implement a simple registration and permitting process for ambulance providers who would potentially operate in our city in the future to provide non-emergency transport services. Mr. Garza, the city attorney, then went on to briefly explain the ordinance he drafted for this purpose.

Councilmember Hohenshelt indicated that he is generally not in favor of instituting franchise agreements/ordinances. However, he remains concerned about the impact that the potential loss of revenue may have on the ES Corporation, and ultimately the city, after exclusivity is revoked. It was explained that this revocation could fiscally impact the current EMS service provider due to potential loss of non-emergency transport business and associated revenue that previously went entirely to them. However, Mr. Crowley explained that the exact financial impact is impossible to determine at this time. Mayor Pruitt followed up by explaining that EMS related subsidy funding requests have already been submitted and the ES Corporation board recently approved its upcoming fiscal year budget. In addition, the current EMS contract is only in place for about

another year to year-and-a-half. So, any subsidy impact would only potentially affect one service year that is left under the existing EMS contract.

Various comments were made concerning the EMS subsidy and how it is arrived at year-by-year as well as the interest or non-interest the council members may have regarding regulating non-emergency transport service providers operating in the city. Following these discussions, the council took no formal action concerning this work session item.

Mayor Pruitt the read the below listed discussion items into the record before recessing the public meeting into Executive Session at 4:43 p.m.

III. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding (re)appointments to city regulatory boards, commissions, or committees - Planning & Zoning Commission vacancy- pursuant to Section 551.074 (personnel matters)

Action Item 11 on public meeting agenda: Discuss and consider approval of an ordinance amending the provisions of Chapter 12. Businesses & Sales, Article XII. Ambulance Service of the Code of Ordinances, specifically pertaining to exclusivity provisions expressed in Sec. 12-1251, and take any action necessary. (1st reading)

IV. ADJOURN EXECUTIVE SESSION

Executive session was adjourned at 5:45 p.m.

V. RECONVENE PUBLIC MEETING

Mayor Pruitt reconvened the public meeting at 6:00 p.m. with all seven city councilmembers present.

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

It was announced that no action would be taken as a result of Executive Session.

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER HOHENSHELT

Councilmember Hohenshelt delivered the invocation and led the Pledge of Allegiance.

VIII. PROCLAMATIONS / AWARDS

1. Shon Bellah Recognition

City Engineer Tim Tumulty provided brief details about Shon Bellah, City of Rockwall Water Department employee, who recently earned his Class A license, which is something that is not easy to achieve and is very valuable to the city and its residents.

Mayor Pruitt then read and presented a proclamation to Mr. Bellah, recognizing him for this accomplishment.

2. Retirement Service Recognition – Ken Keeton

Mr. Keeton came forward and introduced his wife. Mayor Pruitt read and presented Mr. Keeton with a proclamation to recognize his fourteen years of service to the residents and business of Rockwall while working at the Rockwall Economic Development Corporation (REDC).

IX. OPEN FORUM

Robert Huckabee
Assistant Head Master and High School Principal at Heritage Christian Academy
1408 South Goliad
Rockwall, TX

Mr. Huckabee explained that he has been a Rockwall resident for over twenty years, and HCA has been at its current location for twelve years. He spoke regarding Action Item #1 regarding extending an agreement with Our Lady of the Lake Catholic Church that was entered into five years ago. He explained that the agreement made at that time affected HCA's property, but HCA had no knowledge of it until recently. He explained that previously the church had asked HCA if it could expand Damascus Road at no cost to HCA. Subsequently, after the expansion and addition to Damascus Road, the City of Rockwall entered into an agreement with the Catholic Church that essentially obligated HCA to pay back a portion of that road expense if HCA ever does any sort of expansion of its own on its property. He explained that HCA was not a party to that agreement, it had no knowledge of it, and it only learned of the agreement six weeks ago when its builders approached the city about a potential parking lot expansion project next year. He explained that HCA has serious concerns about the agreement and have sought legal counsel. He is concerned about having his property unknowingly being encumbered with $143,000 in obligations and believes it is inexcusable. He expressed that he did not even know renewal of the agreement was on tonight's agenda for consideration until this morning. He asked that the Council take no action on Action Item #1 this evening to allow an opportunity for all parties involved to sit down and work through some of the concerns.

Michael Wagoner came forth explaining that he is a legal advisor and serves on Board of Directors for the Rockwall Habitat for Humanity. He expressed that the organization has had significant cooperation from various city staff members associated with a project they are working on to find some additional land. He thanked the city for this cooperation.

Jim Dula
9018 Lakepointe Avenue
Rowlett, TX 75088

Mr. Dula came forth and indicated that he is speaking as a representative of Our Lady of the Lake Catholic Church and that several members of the parish are here this evening. He stressed the importance of the agreement renewal associated with Action Item #1 on tonight's agenda. He understands HCA's position with regards to no notification or slow

notification about the matter. He explained that the facilities agreement is important to the church's long term financial success. He explained that at the time, public safety and access was important. The church had approached HCA to ask them to partner with them on the project; however, when they declined, the church worked with the city to secure the facilities agreement. He again stressed the importance of this agreement and its financial implications, as the church is a non-profit organization.

John White
1929 S. Lakeshore
Rockwall, TX

Mr. White came forth and expressed his appreciation for City Engineer Tim Tumulty and his staff. He explained that recently he was out for a morning walk when he noticed a small piece of rebar poking out from the concrete. He took a photo and sent it to Tim, and, within twenty-four hours, staff replied back to him, letting him know that the rebar had been cut out and the concrete had been patched. He thanked Tim and the city staff.

There being no one else wishing to come forth, Mayor Pruitt then closed Open Forum.

X. CONSENT AGENDA

1. Consider approval of the minutes from the September 8, 2015 regular city council meeting, and take any action necessary.
2. Consider approval of a resolution related to a grant through the Texas Parks and Wildlife Department pertaining to construction of a boating access facility on Lake Ray Hubbard near SH-66 and N. Lakeshore Drive, and authorize the city manager to execute associated project agreement, and take any action necessary.
3. Consider approval of the engineering services contract with Hydrological Support Services, LLC to perform flood study reviews for developments within the City in an amount not to exceed $40,000.00 provided from the FY 2015-16 Department Operations Budget and developer reimbursement, and take any action necessary.
4. Consider authorizing the City Manager to enter into an agreement with the Texas Department of Transportation (TxDOT) under the City Pride Program for installation of signage along W. Rusk Street [SH-66] west of S. Lakeshore Drive, and take any action necessary.
5. Consider approval of a resolution for an easement abandonment associated with an existing 608 square foot utility easement generally located at the southeastern building corner of what is currently Honda of Rockwall, and take any action necessary.
6. Consider award of a professional services contract to Grantham & Associates, Inc. and authorize the city manager to execute associated documents for performing the engineering design services and specifications for the Signal Ridge Sanitary Sewer Pipe Bursting Project in an amount of $27,480.00 to be funded by 2016 water and sewer revenue bonds, and take any action necessary.
7. Consider approval of American National Bank as the City's depository and take any action necessary.

Mayor Pro Tem Lewis made a motion to approve the entire Consent Agenda (#1, 2, 3, 4, 5, 6, and 7). Councilmember White seconded the motion, which passed unanimously.

XI. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

The Chairman was not present, so this item was not discussed / addressed.

XII. ACTION ITEMS

1. Discuss and consider extending the existing Facilities Agreement associated with reimbursement for the construction of Damascus Road to the Roman Catholic Diocese for ten years, and take any necessary action.

City Engineer Tim Tumulty provided background information concerning this agenda item, indicating that this is a pro rata facilities agreement that deals with costs associated with building a portion of Damascus Road. He explained that it was originally put in place after it was adopted by the Council in October 2010. He was informed by the Catholic church earlier this year, around April, that it was set to expire in October, and he has since learned that HCA is not in support of the agreement, as expressed in a recent letter sent to the city. He shared that he is personally to blame for the late notification to HCA because he did not call them until this morning even though he believes their letter clearly explained that they wanted an opportunity to speak about the agreement. He agreed that staff is willing to do whatever is needed to work through this.

Mayor Pruitt asked if the road were being built today, would this same type of agreement be the type of agreement that would be entered into now like it was five years ago. Mr. Tumulty indicated that he believes so, as it is very similar to a more recent roadway project on Summer Lee that dealt with property owners paying their pro rata share.

Councilmember White expressed concern about HCA being made a party to the facilities agreement when the only party that signed it five years ago was the Catholic church. City Manager Rick Crowley indicated that he is happy to go back and research the city's files to try and better determine what process took place five years ago that led to the agreement being put into place.

Mayor Pruitt asked the city attorney if there is anything wrong, legally, with these types of agreements. Mr. Garza explained that there is nothing wrong with these types of agreements and that they are allowed under the law. He expressed that typically these types of agreements are commonly created when a city wants to expand or rebuild a street, so they do, and then the put provisions into an agreement that stipulate that adjacent property owners must pay a pro rata share of those costs to pay back the city. In this instance, the circumstances were a little different, though, in that the city had no plans to extend the street. Instead, the Catholic church requested the street expansion, and it paid for that expansion. Mr. Garza went on to explain that, although all adjacent property owners are generally not part of executing an actual agreement like this (re: pro rata repayment of expansion of improvement of a street), they are usually at least made aware that the agreement is going to be executed prior to it actually being signed (not for their approval, but, rather, only so that they have been notified and are aware). It was explained that if HCA had never wished to make any improvements to their own property, then they would have never had to (re)pay a portion of the development costs associated

with the road and described in this agreement. However, if HCA had at some point come forward wanting to make improvements to their property, then the roadway would have been a development cost to them. General discussion took place with it being expressed that the ultimate outcome associated with HCA having to pay a portion of the roadway improvement will not change in the end. However, staff is willing to sit down with HCA to better explain and go over the details and issues.

Councilmember Townsend made a motion to delay action on this item for two weeks. Mayor Pro Tem Lewis seconded the motion, which passed unanimously.

2. SP2015-020 - Discuss and consider a request by Sam Ellis of Dallas Design Build on behalf of the owner Amalraj Fernando of MREA Properties-2, LLC for the approval of variances associated with articulation, screening and landscape buffers as stipulated by Articles V & VIII of the Unified Development Code (UDC) in conjunction with an approved site plan for a daycare facility on a two (2) acre parcel of land identified as Lot 1 of the Dewoody Addition, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the North SH-205 Corridor Overlay (N SH-205 OV) District, addressed as 3011 N. Goliad Street [SH-205], and take any action necessary.

Ryan Miller, Planning Director, provided information concerning this agenda item, indicating that the applicant is requesting three variances as follows:

a) *Article V, Section 4.1 General Commercial District Standards* - to allow for not meeting the Horizontal Articulation requirements as established in *Art. V, Sec. 4.1, C.1.a*. and as depicted in the Building Elevations as submitted. (*Simple majority vote of council is required)*

b) *Article VIII, Landscape Standards* - to allow for not meeting the screening standards as established in *Art. VIII, Sec. 5.6 Screening from Residential Uses* which requires a minimum 6-ft high masonry screening fence. The applicant is requesting a 6-ft wrought iron fence that will be constructed atop the retaining wall at the rear of the property, but will not provide the required screening; however, the property is considered to be heavily treed and is screened by the existing trees. (*Simple majority vote of council is required)*

c) *Article V, Sec. 6.11 North SH-205 Corridor Overlay District* – to allow for not meeting the minimum 20-ft landscape buffer strip as established in Art. V, Sec. 6.11, E., 1 by allowing nine allowing nine (9) parking spaces to encroach the landscape buffer strip. (¾ majority vote of council is required).

Councilmember White made a motion to approve the variance for SP2015-020 related to the horizontal articulation requirements. Mayor Pro Tem Lewis seconded the motion, which passed unanimously.

Councilmember White made a motion to approve the variance request regarding not meeting the 6' masonry screening requirement. Mayor Pro Tem Lewis seconded the

motion. After clarifying comments, the motion passed by a vote of 7 in favor with 0 against.

Councilmember White made a motion to approve the variance associated with allowing 9 parking spaces that encroach on the landscape buffer. Mayor Pro Tem Lewis seconded them motion, which passed by a unanimous vote of council.

3. Discuss and consider Wal-Mart Supercenter temporary storage of merchandise, and take any action necessary.

Councilmember White made a motion to approve the temporary storage request for Wal-Mart Supercenter. Councilmember Milder seconded the motion, which passed by a vote of 6 in favor with 1 against (Fowler).

Staff asked council members if they prefer that staff handle these sorts of requests administratively in the future, or if the council would prefer these sorts of requests to be brought before them for consideration each time they arise. Mr. Crowley indicated that, generally speaking, retailers have indicated that they have a need about five months out of the year for seasonal or temporary outside display of merchandise. Indication was given that Council would like staff to bring back a policy to review related to temporary or seasonal outside storage.

4. Discuss and consider recommendations by the Landscape Review Committee for code amendments to the Unified Development Code (UDC) and Municipal Code of Ordinances that relate to water conservation and drought management, and take any action necessary.

Mr. Miller, Planning Director, indicated that City volunteers recently went through a process with staff to review the city's landscape ordinance to ensure the provisions were conservation conscious and "water wise." After explaining the various recommendations of the committee, Mr. Miller indicated that if council would like to move forward, staff will proceed with advertising this proposed change in the city's UDC and Code of Ordinances and take this issue through the Planning & Zoning Commission process for review and consideration. Mr. Miller thanked members of the citizen review committee including Tim Nichols, Jan Self, John Thomas, Marcus Yarborough and city staff member, Andy Hesser, for their work and efforts.

During the discussion, indication was given that White and Pruitt are not in favor of requiring smart meters. Assistant City Manager Brad Griggs shared that smart meters cost about $100 for a typical, average size residential irrigation / sprinkler system and that the price increases as the size of the system increases (i.e. with larger commercial irrigation systems, smart meters become more costly).

Indication was given that Council does not mind 'encouraging' smart meters, but they do not want to require them. Regarding the planting requirements for the City's Overlay Districts being reduced from three (3) canopy trees and four (4) accent trees per 100-linear feet to two (2) canopy trees and four (4) accent trees per 100-linear feet, council indicated they are ok with this adjustment.

Council gave indication that they are generally ok with the following recommendations:

- **The City's list of acceptable trees, trees to be planted within the landscape buffers of the City's Overlay Districts, and as replacement trees for tree preservation should be changed.**
  An appendix should be added to the Unified Development Code that includes recommended planting lists for trees, shrubs, grasses etc.
- **Xeriscaping standards should be established as an alternative to conventional landscaping standards for the purpose of incorporating low water use plants and/or pervious hardscapes. Additionally, xeriscaping should be incentivized by allowing a 2.5% reduction in the overall required landscaping percentage for the purpose of making it a more attractive option to developers.**
- **The screening required of a commercial development when adjacent to a residential development should be changed to include an option to allow a wrought iron fence with landscape screening where applicable.**
- **During drought or water emergency response stages the Director of Planning and Zoning or his designee can grant an applicant permission to delay the installation of required landscaping to a specified time and date.**

The Council took no formal action related to this agenda item.

5. Discuss and consider approval of the Rockwall Economic Development Corporation (REDC) budget for fiscal year 2016 and amended budget for fiscal year 2015, and take any action necessary.

Sheri Franza, CEO and President of the REDC, came forth and briefly summarized for Council the amended budget for FY15 and the proposed budget for FY16. Mayor Pro Tem Lewis made a motion to approve the REDC amended budget for FY15 and the proposed budget for FY16. Councilmember White seconded the motion, which passed unanimously of Council.

6. Discuss and consider approval of the Rockwall Technology Park Association budget for fiscal year 2016 and amended budget for fiscal year 2015, and take any action necessary.

Mrs. Franza briefed the Council on the FY16 proposed budget as well as the amended budget for FY15. Mayor Pro Tem Lewis made a motion to approve the FY15 amended budget and the proposed FY16 budget. Councilmember White seconded the motion, which passed by a vote of 7 ayes to 0 nays.

7. Discuss and consider the Hotel tax subcommittee recommendations for supplemental funding allocations in fiscal year 2015 and proposed funding allocations in fiscal year 2016, including authorizing the City Manager to execute associated funding agreements, and take any action necessary.

Assistant City Manager Mary Smith provided brief information concerning this agenda item. Councilmember Fowler indicated that he will be recusing himself from the vote on the Lonestar CASA, Music Fest and Summer Musicals funding requests because he serves on those boards. Mayor Pruitt made a motion to approve the funding requests for CASA, Music Fest and Summer Musicals. Councilmember White seconded the motion, which passed by a vote of 6 in favor with 1 abstention (Fowler).

Councilmember Townsend made a motion to approve the subcommittee's recommendations associated with the remainder of the funding allocation requests. Mayor Pro Tem Lewis seconded the motion. Mayor Pruitt indicated that, within the next two years or so, the council may not be funding these organizations to the extent that they have been funded in past years, so he wants them to be aware of this and be cognizant of it when planning future year's events. After brief comments, the motion passed by a vote of 7 ayes to 0 nays.

8. Discuss and consider approval of an ordinance amending the budget for fiscal year 2015, and take any action necessary.

City Manager Rick Crowley provided brief comments related to this agenda item. Mayor Pro Tem Lewis made a motion to approve the ordinance amending the FY15 budget. Councilmember Milder seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL, TEXAS

ORDINANCE NO. 15-25

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE BUDGET OF THE CITY FOR THE FISCAL YEAR OCTOBER 1, 2014 THROUGH SEPTEMBER 30, 2015; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed unanimously of Council present (7 ayes to 0 nays).

9. Discuss and consider the proposed budget for fiscal year 2016 and approval of an ordinance adopting the proposed budget, and take any action necessary.

Regarding the funding request associated with STAR Transit, Councilmember White requested that funding for STAR Transit be voted on separately. Councilmember Townsend made a motion to approve the funding allocation for STAR Transit for FY2016. Mayor Pro Tem Lewis seconded the motion. Councilmember White indicated that he is very strongly opposed to approving this funding request and will be voting "no." Mayor Pruitt clarified that this particular vote is in no way an indication of how much the city might fund for this organization in the future on a permanent basis. The motion passed by a vote of 5 in favor with 2 against (Milder and White).

Councilmember White recused himself from the Meals on Wheels funding allocation included in the proposed budget because he serves on the organization's board. Mayor Pro Tem Lewis made a motion to approve this funding in the budget. Mayor Pruitt seconded the motion, which passed by a vote of 6 ayes with 1 recusal (White).

Mayor Pro Tem Lewis made a motion to accept the budget proposal and approve the ordinance adopting the proposed budget. Mayor Pruitt seconded the motion. Councilmember Milder clarified that this budget proposal does not include any funding for additional, full-time paid firefighter positions. He strongly believes that additional paid fire staff is prudent and necessary. Councilmember Hohenshelt indicated that he is willing to discuss the possibility of additional paid firefighters in the future but that the discussion must be focused on strategic goals associated with possibly adding new staff. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-26

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, APPROVING AND ADOPTING A BUDGET FOR THE CITY FOR THE FISCAL YEAR OCTOBER 1, 2015, THROUGH SEPTEMBER 30, 2016; PROVIDING THAT EXPENDITURES FOR SAID FISCAL YEAR SHALL BE MADE IN ACCORDANCE WITH THE SAID BUDGET; AND PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 7 ayes on 0 nays.

10. Discuss and consider approval of an ordinance levying ad valorem taxes for the tax year 2015, and take any action necessary.

Mayor Pro Tem Lewis made a motion to approve the ordinance as presented. Councilmember White seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. 15-27

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, LEVYING THE AD VALOREM TAXES FOR THE YEAR 2015 AT A RATE OF $.4853 PER ONE HUNDRED DOLLARS ($100.00) ASSESSED VALUATION ON ALL TAXABLE PROPERTY WITHIN THE CORPORATE LIMITS OF THE CITY AS OF JANUARY 1, 2015 TO PROVIDE REVENUES FOR THE PAYMENT OF CURRENT EXPENSES AND TO PROVIDE AN INTEREST AND SINKING FUND ON ALL OUTSTANDING DEBTS OF THE CITY; PROVIDING FOR DUE AND DELINQUENT DATES, TOGETHER WITH PENALTIES AND INTEREST; APPROVING THE 2015 TAX ROLL; PROVIDING FOR EXEMPTIONS OF PERSONS OVER SIXTY-FIVE (65) YEARS; PROVIDING AN EFFECTIVE DATE.

The motion passed unanimously (7 ayes to 0 nays).

11. Discuss and consider approval of an ordinance amending the provisions of Chapter 12. Businesses & Sales, Article XII. Ambulance Service of the Code of Ordinances, specifically pertaining to exclusivity provisions expressed in Sec. 12-1251, and take any action necessary. (1st reading)

Mayor Pro Tem Lewis made a motion to authorize the city attorney to prepare an ordinance concerning non-emergency ambulance service providers operating within the city limits of Rockwall, stipulating that they must meet all State requirements but that no city permit will be required. Councilmember White seconded the motion, which passed unanimously of council (7 ayes to 0 nays).

XIII. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding (re)appointments to city regulatory boards, commissions, or committees - Planning & Zoning Commission vacancy- pursuant to Section 551.074 (personnel matters)

XIV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

Council did not recess into Executive Session at the end of the public meeting agenda.

XV. ADJOURNMENT

The meeting was adjourned at 7:29 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS 5th DAY OF OCTOBER, 2015.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Richard Crowley, City Manager**

FROM: **Lea Ann Ewing, Purchasing Agent**

DATE: **October 1, 2015**

SUBJECT: **Purchase of a New Toro Sand Pro Infield Groomer for Ballfield Maintenance**

Approved in the General Fund, Parks Operations budget is $28,750 to purchase a new Infield Groomer. This equipment will aid in maintaining a safe and attractive infield by utilizing its grass lip edge, rotary broom and rear mounted leveling box blade.

Funds to buy the new Groomer will come from General Fund Reserves.

This equipment is available from Professional Turf Products through the BuyBoard purchasing cooperative contract #447-14. As a member and participant in this cooperative, the City has met all formal bidding requirements pertaining to the purchase of this new Groomer.

For Council consideration is the bid award to Professional Turf Products for $28,721.32 and authorizes the City Manager to execute a purchase order for this new Groomer.

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **September 29, 2015**

SUBJECT: **Quail Run/Squabble Creek Lift Station Improvements**

Quail Run Lift Station receives sanitary sewer flow from upstream developments from Stone Creek, Breezy Hill, Castle Ridge and other developments north of SH 205/Quail Run Drive/North Lakeshore Drive. The flow from this lift station is pumped into the Squabble Creek Wastewater Treatment Plant (WWTP) maintained by North Texas Municipal Water District (NTMWD). The Squabble Creek WWTP has a limited treatment capacity. The current capacity is 1.8 million gallons per day (mgd). Any flow above that amount is diverted to the Squabble Creek Lift Station and sent to NTMWD's South Mesquite WWTP. As the northern portion of the City continues to grow, more flow will be diverted to the Squabble Creek Lift Station and eventually to the South Mesquite WWTP. With the Lakeview Summit Phase 4 development currently underway and being adjacent to the Squabble Creek WWTP, staff anticipates that odor complaints will begin to occur as new homeowners occupy their new homes in this subdivision.

Staff has evaluated the existing sanitary sewer system against future demands. With the Squabble Creek drainage basin proposed build-out capacity of 18.38 mgd, staff recommends that the Squabble Creek WWTP be de-commissioned and all flows be diverted to the South Mesquite WWTP. In this same area, the existing Quail Run Lift Station can be taken out of service once a gravity flow line is constructed between the Quail Run Lift Station and the Squabble Creek Lift Station. The Squabble Creek Lift Station will require major rehabilitation to handle the additional sanitary sewer flows created by the existing and proposed developments.

Staff requested our wastewater consultant, Birkhoff, Hendricks and Carter, LLP to provide a scope of services for the gravity line and the Squabble Creek Lift Station improvements. The cost to complete the engineering design for these improvements is $220,500.00. Staff request City Council consideration to approve a professional services contract with Birkhoff, Hendricks and Carter, LLP to perform engineering design services for the Quail Run Gravity Flow Line and the Squabble Creek Lift Station Improvements in an amount of $220,500.00 and funded with 2015 Water and Sewer Bonds.

STATE OF TEXAS ♦

♦

COUNTY OF ROCKWALL ♦

PROFESSIONAL ENGINEERING SERVICES CONTRACT

Squabble Creek Wastewater Treatment Plant Improvements

This Agreement is made and entered into in Rockwall County, Texas, between City of Rockwall, Texas ("CITY"), a municipal corporation and political subdivision of the State of Texas, acting by and through its City Manager and Birkhoff, Hendricks & Carter, LLP, ("ENGINEER"), located at 11910 Greenville Ave, Suite 600 Dallas, Texas, Engineers duly licensed and practicing under the laws of the State of Texas.

WHEREAS, CITY desires to engage Engineer as an independent contractor to render certain technical and professional services necessary for performing:

PROFESSIONAL ENGINEERING SERVICES for Squabble Creek Lift Station Improvements and Quail Run Bypass Trunk Sewer.

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements contained herein, the Parties hereby agree as follows:

1. Scope of Work

Engineer agrees to perform professional engineering services as specifically defined in this Contract as Exhibit "A" and as authorized by CITY. Specifically, Engineer shall perform Professional services as requested by CITY and detailed in Exhibit "A".

The Parties by mutual agreement through contract amendments may provide for additional technical and professional services to be performed under the basic general terms and conditions of this Contract. CITY reserves the right to enter into another agreement with other engineering firms to provide the same or similar professional services during the term of this Contract for different projects.

2. Compensation & Term of Agreement

Cost for such services will be an annual amount not to exceed Two Hundred Twenty Thousand Five Hundred dollars ($220,500.00) and billed on a lump sum basis for Basic Services and on an hourly basis per rates for Special Services provided in Attachment "B". Engineer is not authorized to perform any work beyond the limited not to exceed amount without authorized written approval by CITY.

The term of this Agreement shall commence upon execution of this agreement and follow the schedule described in Exhibit "C". In the event of termination, Engineer will assist the CITY in arranging a smooth transition process. However, Engineer's obligation to provide services to the CITY will cease upon the effective date of termination, unless otherwise agreed in writing.

3. Method of Payment

CITY shall pay Engineer its fees based on the presentation by Engineer to CITY of a correct monthly statement for all the amounts earned under the Contract together with reasonable supporting documentation verifying the accuracy of the fees and expenses. CITY shall then pay Engineer its fee within thirty (30) days after presentation of the accurate monthly statement by Engineer to CITY. CITY is a State sales and use tax exempt political subdivision of the State of Texas. All records supporting payment shall be kept in the offices of Engineer for a period of not less than three (3) years and shall be made available to CITY for inspection, audit or copying upon reasonable request.

4. Engineer's Standard of Care

Engineer shall provide its services under this Contract with the same degree of care, skill and diligence as is ordinarily provided by a professional Engineer under similar circumstances for a similar project. Engineer represents that it has the capability, experience, available personnel, and means required to perform the services contemplated by this Contract. Services will be performed using personnel and equipment qualified and/or suitable to perform the work requested by the CITY. CITY retains the right to report to Engineer any unsatisfactory performance of Engineer personnel for appropriate corrective action. Engineer shall comply with applicable federal, state, and local laws in connection with any work performed hereunder.

Engineer will seek written CITY approval to accept any contract or perform any services for any person, entity, or business that has an agreement or is in negotiations of an agreement with CITY. CITY may waive this conflict, but such waiver is at CITY's sole discretion and its decision shall be final.

5. Ownership of Documents

As part of the total compensation which CITY has agreed to pay Engineer for the professional services to be rendered under this Contract, Engineer agrees that hard copies of all finished and unfinished documents, data, studies, surveys, drawings, specifications, field notes, maps, models, photographs, preliminary reports, reports, bid packet/construction contract documents/advertisement for bids incorporating any CITY standard provisions provided by Engineer, will remain the property of the CITY. Engineer will furnish CITY with paper and electronic copies, to the extent they are available, of all of the foregoing to facilitate coordination, however, ownership of the underlying work product shall remain the intellectual property of the

Engineer. Engineer shall have the right to use such work products for Engineer's purposes. However, such documents are not intended to be suitable for reuse by CITY or others on extension of the Project or on any other project. Any reuse without the express written consent of the Engineer will be at reuser's sole risk and without liability or legal exposure to the Engineer, and CITY to the extent allowed by law, shall hold harmless the Engineer from all claims, damages, losses, expenses, and costs, including attorneys' fees arising out of or resulting from the reuse of said documents without the Engineer's consent. The granting of such consent will entitle the Engineer to further compensation at rates to be agreed upon by CITY and the Engineer. The above notwithstanding, Engineer shall retain all rights in its standard drawing details, designs, specifications, databases, computer software and any other proprietary and intellectual property information provided pursuant to this Contract, whether or not such proprietary information was modified during the course of providing the services.

6. Insurance

A. Engineer agrees to maintain Worker's Compensation and Employer's Liability Insurance to cover all of its own personnel engaged in performing services for CITY under this Contract in at least the following amounts:

Workmen's Compensation – Statutory
Employer's Liability – $100,000.00
Bodily Injury by Disease - $500,000 (policy limits)
Bodily Injury by Disease - $100,000 (each employee)

B. Engineer also agrees to maintain Commercial General Liability, Business Automobile Liability, and Umbrella Liability Insurance covering claims against Engineer for damages resulting from bodily injury, death or property damages from accidents arising in the course of work performed under this Contract in not less than the following amounts:

$2,000,000.00 General aggregate limit

$1,000,000.00 each occurrence sub-limit for all bodily injury or property damage incurred all in one occurrence

$1,000,000.00 each occurrence sub-limit for Personal Injury and Advertising

C. Engineer shall add CITY, its City Council members and employees, as an additional insureds on all required insurance policies, except worker's compensation, employer's liability and errors and omissions insurance. The Commercial General Liability Policy and Umbrella Liability Policy shall be of an "occurrence" type policy.

D. Engineer shall furnish CITY with an Insurance Certificate on the date this Contract is executed and accepted by CITY, which confirms that all above required insurance policies are in full

force and effect.

E. Engineer agrees to maintain errors and omissions professional liability insurance in the amount of not less than one million dollars ($1,000,000) annual aggregate, on a claims made basis, as long as reasonably available under standard policies.

7. **INDEMNIFICATION**

ENGINEER SHALL INDEMNIFY AND SAVE HARMLESS THE CITY AND ITS CITY COUNCIL MEMBERS AND EMPLOYEES FROM SUITS, ACTIONS, LOSSES, DAMAGES, CLAIMS, OR LIABILITY, INCLUDING WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, ALL EXPENSES OF LITIGATION, COURT COSTS, AND REASONABLE ATTORNEY'S FEES FOR INJURY OR DEATH TO ANY PERSON, OR INJURY TO ANY PROPERTY, RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY, TO THE EXTENT CAUSED BY THE NEGLIGENT ACTS OF ENGINEER OR ITS AGENTS OR EMPLOYEES, IN THE EXECUTION OF PERFORMANCE OF THIS CONTRACT.

ENGINEER'S TOTAL LIABILITY TO CITY FOR ANY LOSS OR DAMAGES FROM CLAIMS ARISING OUT OF, OR IN CONNECTION WITH, THIS CONTRACT FROM ANY CAUSE INCLUDING ENGINEER'S STRICT LIABILITY, BREACH OF CONTRACT, OR PROFESSIONAL NEGLIGENCE, ERRORS AND OMISSIONS SHALL NOT EXCEED ONE MILLION DOLLARS ($1,000,000.00). NEITHER PARTY TO THIS AGREEMENT SHALL BE LIABLE TO THE OTHER PARTY OR ANY THIRD PARTY CLAIMING THROUGH THE OTHER RESPECTIVE PARTY, FOR ANY SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE, LIQUIDATED, DELAY OR CONSEQUENTIAL DAMAGES OF ANY KIND INCLUDING BUT NOT LIMITED TO LOST PROFITS OR USE OF PROPERTY, FACILITIES OR RESOURCES, THAT MAY RESULT FROM THIS AGREEMENT, OR OUT OF ANY GOODS OR SERVICES FURNISHED HEREUNDER.

8. Addresses for Notices and Communications

CITY
Mary Smith
City of Rockwall
385 S. Goliad
Rockwall, Texas 75087

Engineer
Matt Hickey, P.E.
Birkhoff, Hendricks & Carter, LLP
11910 Greenville Ave. Suite 600
Dallas, Texas 75243

All notices and communications under this Contract shall be mailed or delivered to **CITY** and **Engineer** at the above addresses.

9. Successors and Assigns

CITY and Engineer each binds itself and its successors, executors, administrators and assigns to the other parties of this Contract and to the successors, executors, administrators and assigns of such other parties, in respect to all covenants of this Contract. Except as noted in the first part of this Paragraph, neither CITY nor Engineer shall assign, sublet or transfer its interest in this Contract without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer, council member, employee or agent of any public body which is a party hereto.

10. Termination for Convenience of the Parties

Engineer and CITY may terminate this Contract for their convenience at any time by giving at least thirty (30) days notice in writing to each other. If the Contract is terminated by CITY and/or Engineer as provided herein, Engineer will be paid for the Work provided and expenses incurred up to the termination date, if such final compensation is approved by CITY, in its sole discretion. If this Contract is terminated due to the fault of Engineer, Paragraph 10 hereof, relative to Termination for Cause, shall apply.

11. Changes

CITY may, from time to time, request changes in the Scope of Work of **Engineer** to be performed hereunder. Such changes, including any increase or decrease in the amount of **Engineer's** compensation, or time for performance, which are mutually agreed upon by and between **CITY** and **Engineer**, shall be incorporated in written amendments to this Contract. Any subsequent contract amendments shall be executed by the City Manager or other authorized representative as designated by the City Manager or City Council.

Any alterations, additions or deletions to the terms of this Contract, including the scope of work, shall be by amendment **in writing** executed by both CITY and Contractor.

13. Reports and Information

Engineer, at such times and in such forms as **CITY** may reasonably require, and as specified in the Scope of Work or in additional Contract Amendments shall furnish **CITY** periodic reports pertaining to the Work or services undertaken pursuant to this Contract, the cost and obligations incurred, or to be incurred in connection therewith, and any other matter covered by this Contract.

14. Entire Agreement

This Contract and its Exhibits and any future Contract Amendments constitute the entire agreement, and supersede all prior agreements and understandings between the parties concerning the subject matter of this Contract.

15. Waiver

The failure on the part of either party herein at any time to require the performance by the other party, of any portion of this Contract, shall not be deemed a waiver of, or in any way affect that party's rights to enforce such provision, or any other provision. Any waiver by any party herein of any provision hereof, shall not be taken or held to be a waiver of any other provision hereof, or any other breach hereof.

16. Severability

The invalidity or unenforceability of any provision of this Contract shall not affect the validity or enforceability of any other provision of this Contract.

17. Survival

Any and all representations, conditions and warranties made by Engineer under this Contract are of the essence of this Contract and shall survive the execution, delivery and termination of it.

18. Governing Powers and Law

Both Parties agree and understand that the City does not waive or surrender any of its governmental powers by execution of this Agreement. To that end, the parties further understand that this agreement shall not be considered a contract for goods or services under Texas Local Government Code, Section 271.151 and Contractor waives any right or entitlement granted said provisions. This Contract is governed by the laws of the State of Texas and all obligations of the parties under this Contract are performable in Rockwall County, Texas.

19. Attorney's Fees

If it is necessary for either Party herein to file a cause of action at law or in equity against the other Party due to: (a) a breach of this Contract by the other Party and/or (b) any intentional and/or negligent act or omission by the other Party arising out of this Contract, the non-breaching or non-negligent Party shall be entitled to reasonable attorney's fees and costs, and any necessary disbursements, in addition to any other relief to which it is legally entitled.

20. State or Federal Laws

This Contract is subject to all applicable federal and state laws, statutes, codes, and any applicable permits, ordinances, rules, orders and regulations of any local, state or federal government authority having or asserting jurisdiction, but nothing contained herein shall be construed as a waiver of any right to question or contest any such law, ordinance, order, rule or regulation in any forum having jurisdiction.

EXHIBIT "A"

GENERAL PROJECT DESCRIPTION

The proposed Squabble Creek Lift Station Rehabilitation project includes replacement of the existing Pump 2 and Pump 3 (160-hp) and empty Pump Slot 1 with three (3) 300-hp submersible lift station pumps, new pump starters and electrical room, upgrade of the existing transformer and a new 750-kw generator. The existing Squabble Creek Lift Station 500-kw generator will be relocated to the Heath Street Pump Station to replace the existing generator. The project also includes the design of 2,225-LF of a 30-inch to 36-inch bypass trunk sewer from the Quail Run Lift Station to the Squabble Creek Lift Station. The project will include details to abandon the existing Quail Run Lift Station once the bypass trunk sewer and lift station improvements are in service.

PART A PRELIMINARY DESIGN

1. Two site visits. One at the Squabble Creek Lift Station (LS) and one at the Heath Street Pump Station to review existing utility and electrical systems.
2. Develop preliminary site plan showing location of proposed improvements at both the Squabble Creek LS and the Heath Street Pump Station. The preliminary design submittal shall include:

   A. Squabble Creek Lift Station upgrade preliminary design:

      i. Obtain existing Squabble Creek LS record drawings

      ii. Prepare report that includes the Squabble Creek LS system curve, pump and motor selection, calculated cycle times, calculated float on/off settings and TCEQ lift station requirements.

      iii. Preliminary electrical one line diagrams, controls and details

      iv. Size soft starter for new pump and motors

      v. Size switchgear and confirm size of proposed emergency generator

      vi. Coordinate and define City SCADA upgrades required for the lift station with the City's integrator Kimark.

      vii. Lay out of new skid mounted prefabricated electrical building.

      viii. Coordinate with Oncor to upgrade the existing transformer

   B. Relocation of existing Squabble LS generator to Heath Street Pump Station

      i. This will be bid as an additive alternate to the lift station improvements

      ii. Coordinate with the City and TXDOT on a preferred oversized truck route from the Squabble LS to the Heath Street Pump Station.

C. Quail Run Bypass Trunk Sewer preliminary design

i. Incorporate additional topographical survey to the surveys completed with the bypass trunk sewer feasibility study

ii. Prepare preliminary plan profile for the bypass trunk sewer

iii. Review aerial crossing option of Squabble Creek with the City

iv. Complete a Tree Survey through the City's park land

D. Prepare preliminary plans, details, phasing and specifications to abandon the Quail Run Lift Station

3. Prepare a preliminary opinion of probable construction cost for proposed improvements.

4. Meet with the City to review preliminary design and budget

PART B **FINAL DESIGN**

1. Prepare construction plan cover sheet, location map and sheet index sheet for two bid packages. Bid package 1 will include the Squabble Creek LS, the Heath Street Pump Station generator and the abandonment of the Quail Run Lift Station. Bid Package 2 will include the Quail Run Bypass Trunk Sewer.

2. Prepare final site plan sheets for both the Squabble Creek LS and Heath Street Pump Station generator modifications

3. Prepare section of existing wet well and valve vault piping.

4. Prepare section of proposed valve vault piping improvements.

5. Prepare final electrical drawings for the Squabble Creek LS and Heath Street Pump Station generator improvements. Electrical drawings shall include:

a. One Line Diagrams

b. Motor Control Center Sections

c. Electrical Schedules

d. Control Schematics

e. Lift Station Electrical Room Plan

f. Control Block Diagram

g. Electrical Standard Details Related to Project

6. Structural design a foundation for a prefabricated electrical room and Squabble Creek LS generator foundation and Heath Street Pump Station generator foundation by our sub-consultant Ronald A. Roberts Associates, Inc.

7. Coordinate with electric service provider on transformer requirements.
8. Preparation of construction Plan-Profile sheets prepared at a scale of not less than 1" = 40' for 2,225-LF of 30 to 36-inch gravity sewer from S.H. 205 at the Quail Run lift station to the manhole upstream of the Squabble Creek LS.
9. Prepare final plans, details, phasing and specifications to abandon the Quail Run Lift Station
10. Prepare bid schedule and technical specifications for inclusion into City construction contract and specifications.
11. Submit two sets of 90% preliminary plans (11" x 17" maximum sheet size), bid schedule and technical specifications for the City review.
12. Meet with the City of Rockwall to discuss the City's comments.
13. Revise and finalize 90% plan sheets and technical specifications, incorporating City comments.
14. Formulate opinion of probable construction cost based on final plans.
15. Prepare final bid documents including bid proposal forms, construction plans and technical specifications. Contract documents, general conditions and special conditions will be provided by City of Rockwall.
16. Conduct an interoffice quality assurance and quality control review of the construction plans and specifications prior to advertising the project for bidding.

PART C BIDDING PHASE

Two projects will be bid. One bid for the Squabble Lift Station Improvement, relocation of the existing Squabble LS generator and abandonment of the Quail Run Lift Station. The second bid is for the Quail Run Bypass Trunk Sewer. For each of the bids, the following scope applies:

1. Assist the City of Rockwall staff in advertising for bids. This will include providing City with Notice to Contractors for their use in publicly advertising project. Birkhoff, Hendricks & Carter L.L.P. will e-mail notices to Publishers and to Contractors experienced in lift station and utility construction.

2. Sell bidding documents to potential proposers, suppliers and other parties. Maintain a log of the plan holders.

3. Attend City's Pre-bid Conference at City facilities for the Squabble Creek LS improvements.

4. Assist City of Rockwall during opening of proposals and provide bid tabulation summary sheets.

5. Provide bid tabulation to City and contractors (by email) who submit bids.

6. Check references provided for apparent low bidder.

PART D CONSTRUCTION PHASE

Construction contract administration will apply to the Squabble LS improvements and the Quail Run Bypass Trunk Sewer projects.

1. Attend City's Pre-Construction Conference at City facilities.

2. Attend up to twelve coordination meetings, six for the lift station and six for the bypass trunk sewer, with the contractor, quality control personnel and City representatives to discuss strategy, problem areas, progress, and any required coordination.

3. Review shop drawings and other submittal information which the Contractor submits. This review is for the benefit of the Owner and covers only general conformance with information given by the Contract Documents. The contractor is to review and stamp their approval on submittals prior to submitting to the Engineer. Review of shop drawing submissions is solely for their conformance with the design intent and conformance with information given in the construction documents. Birkhoff, Hendricks & Carter L.L.P. shall not be responsible for any aspects of a shop drawing submission that affect or are affected by the means, methods, techniques, sequences and operation of construction, safety precautions and programs incidental thereto, all of which are the Contractors responsibility. Electronic pdf copies of acceptable shop drawings will be provided to the City.

4. Provide written responses to requests for information or clarification.

5. Prepare routine change orders.

6. Accompany the City during their final inspection of each project.

7. Recommend acceptance of work based on information from City's on-site representative for each project.

8. Prepare record drawings utilizing City and Contractor construction record information. Provide record drawings to the City in pdf format and two 11"X17" black line paper copies.

PART E SPECIAL SERVICES

1. Field Survey for Design and Construction

   a. Establish a horizontal and vertical control network and project control baseline for the project. Field surveys will be completed with GPS and Total Station equipment.

   b. Horizontal and vertical location of the existing facilities, including existing pavement, fences, and utility appurtenances such as water valves, fire hydrants and manholes

   c. Field survey for the Quail Run Bypass Trunk Sewer will include trees with calipers 6-inches and greater for a 75-ft width along the proposed route. Surveyed trees will appear on the trunk sewer plan and profile sheets.

   d. Recipients of professional land surveying services under this agreement may direct complaints regarding such services to the Texas Board of Professional Land Surveying, 12100 Park 35 Circle, Building A, Suite 156, MC 230, Austin, TX 78753, Phone (512) 239-5263, Fax (512) 239-5253.

2. Reproduction

   a. Furnish 2-sets of 60% and 2-sets of 90% preliminary plans and 3-sets of final plans (11" X 17") and specifications for review by the City (5 Sets Total) for each project.

   b. After award of a construction contract by the City, furnish 10-sets of (11" X 17") conformed plans and specifications to the City for each project. Five sets for the City's use during construction and five sets for the contractor during construction.

3. Easement Plat & Field Note Descriptions

   c. Two easement plat and field note descriptions for the proposed Quail Run Bypass Trunk Sewer.

4. Geotechnical (Henley-Johnston & Associates, Inc.)

   The geotechnical analysis shall include the following:

   (a) Subsurface exploration, including one (1) boring at the general location of the proposed lift station for the foundations of the proposed electrical room and proposed generator and one (1) soil boring in the vicinity of the aerial crossing on the Quail Run Bypass Trunk Sewer.

   (b) Laboratory tests for classification purposes and strength characteristics.

   A geotechnical report will be furnished, by the geotechnical engineer, summarizing the results of the field and laboratory data. The report will contain analyses and recommendations. The data contained in the geotechnical report will be made available to contractors during the bidding process for information purposes.

PART F EXCLUSIONS

Services specifically excluded from the scope of services include, but are not necessarily limited to the following:

1. Providing an on-site representative.
2. Environmental impact statements and assessments.
3. Fees for permits or advertising.
4. Certification that work is in accordance with plans and specifications.
5. Environmental cleanup.
6. Quality control and testing services during construction.
7. Phasing of Contractors work.
8. On-site safety precautions, programs and responsibility.
9. Fiduciary responsibility to the City.

Exhibit "B" to Agreement between the City of Rockwall, Texas (CITY) and Birkhoff, Hendricks & Carter, L.L.P, (ENGINEER) for Professional Services: Dated _____, 2015

EXHIBIT "B"

PAYMENT SCHEDULE FOR BASIC SERVICES

Compensation for basic engineering services under Exhibit A, Part A, B, C and D, shall be on a lump sum basis. The tabulation below establishes the not to exceed amount for each category of contract service:

	Squabble LS, Heath St Generator & Abandon Quail Run LS	Quail Run Bypass Trunk Sewer	Total
BASIC SERVICES			
Part A. Preliminary Design	$55,400	$12,400	$67,800
Part B. Final Design	$50,000	$17,300	$67,300
Part C. Bidding Phase	$6,000	$4,300	$10,300
Part D. Construction Administration	$34,600	$13,200	$47,800
Subtotal (Basic Services)	**$146,000**	**$47,200**	**$193,200**

PAYMENT SCHEDULE FOR SPECIAL SERVICES

Compensation for engineering services under Exhibit A, Part E, Special Services, shall be at salary cost times 2.40, with expenses at actual invoice amount times 1.15. Field Survey Crew rate is $165.00 per hour and mileage is charged at current IRS rates.

	Squabble LS, Heath St Generator & Abandon Quail Run LS	Quail Run Bypass Trunk Sewer	Total
SPECIAL SERVICES			
Survey (Design, Boundary and Construction Surveys)	$ 4,900.00	$ 9,800.00	$ 14,700.00
Preparation of ROW Documents (2)	$ -	$ 6,100.00	$ 6,100.00
Printing of Plans and Specifications	$ 750.00	$ 750.00	$ 1,500.00
Geotechnical Evaluation, Pavement Design & Report	$ 2,500.00	$ 2,500.00	$ 5,000.00
Subtotal (Special Services)	**$ 8,150.00**	**$ 19,150.00**	**$ 27,300.00**

Invoices will be posted monthly based upon estimate of work complete for Lump Sum and hourly for Special Services plus expenses. Payment is due upon receipt of invoice.

Not to exceed amount for Basic and Special Services is $220,500.00.

City of Rockwall
The New Horizon

MEMORANDUM

TO: Rick Crowley, City Manager

FROM: Timothy M. Tumulty, Director of Public Works/City Engineer

DATE: September 28, 2015

SUBJECT: North Lakeshore Drive/Masters Boulevard Traffic Signal

Staff received a complaint from a resident on May 21, 2015 regarding a visibility issue at the intersection of North Lakeshore Drive and Masters Boulevard. The complainant stated the northbound left turn movement from North Lakeshore Drive onto Master Boulevard was difficult to make safely due to the horizontal and vertical curvature of the existing roadway. Upon receiving the complaint, staff obtained the services of Kimley-Horn and Associates, Inc. Consulting Engineers to perform a traffic signal warrant study for this intersection. The Texas Manual on Uniform Traffic Control Devices provides guidelines for performing a signal warrant analysis. A traffic signal may be warranted based on traffic volumes, school crossing, vehicle progression, crash history, roadway network or nearby grade crossings. This study evaluated all signal warrant criteria. The intersection was observed to have insufficient sight and stopping sight distance along with meeting three other warrants.

During the FY 2015-16 budget discussion with the City Council, the staff was directed to proceed with the design and construction of a new traffic signal at the intersection of North Lakeshore Drive and Masters Boulevard. Staff has negotiated a professional services contract with Kimley-Horn and Associates, Inc. Consulting Engineers to perform the traffic signal design. Staff request City Council consideration to approve a professional services contract with Kimley-Horn and Associates, Inc. Consulting Engineers to perform the traffic signal design at the intersection of North Lakeshore Drive and Masters Boulevard in an amount not to exceed $36,500.

STATE OF TEXAS ♦

♦

COUNTY OF ROCKWALL ♦

PROFESSIONAL ENGINEERING SERVICES CONTRACT

This Agreement is made and entered into in Rockwall County, Texas, between City of Rockwall, Texas ("CITY"), a municipal corporation and political subdivision of the State of Texas, acting by and through its City Manager and Kimley-Horn and Associates, Inc. ("ENGINEER"), Engineers duly licensed and practicing under the laws of the State of Texas.

WHEREAS, CITY desires to engage Engineer as an independent contractor to render certain technical and professional services necessary for performing:

PROFESSIONAL ENGINEERING SERVICES for the Traffic Signal Design at the Intersection of Lakeshore Drive and Masters Boulevard project.

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements contained herein, the Parties hereby agree as follows:

1. Scope of Work

Engineer agrees to perform professional engineering services as specifically defined in this Contract as Exhibit "A" and as authorized by CITY. Specifically, Engineer shall perform Professional services as requested by CITY and detailed in Exhibit "A".

The Parties by mutual agreement through contract amendments may provide for additional technical and professional services to be performed under the basic general terms and conditions of this Contract. CITY reserves the right to enter into another agreement with other engineering firms to provide the same or similar professional services during the term of this Contract for different projects.

2. Compensation & Term of Agreement

Engineer will perform the tasks identified in Exhibit "A" on a lump sum and reimbursable/hourly basis for a total fee not to exceed thirty-six thousand five hundred dollars ($36,500.00), inclusive of expenses, as specifically defined in this Contract as Exhibit "B". Lump sum fees will be invoiced monthly based upon the overall percentage of services performed. Reimbursable fees will be invoiced monthly based on the actual amount of services performed and expenses incurred. Engineer is not authorized to perform any work beyond the total not to exceed amount without authorized written approval by CITY.

The term of this Agreement shall commence upon execution of this agreement. In the

event of termination, Engineer will assist the CITY in arranging a smooth transition process. However, Engineer's obligation to provide services to the CITY will cease upon the effective date of termination, unless otherwise agreed in writing.

3. Method of Payment

CITY shall pay Engineer its fees based on the presentation by Engineer to CITY of a correct monthly statement for all the amounts earned under the Contract together with reasonable supporting documentation verifying the accuracy of the fees and expenses. CITY shall then pay Engineer its fee within thirty (30) days after presentation of the accurate monthly statement by Engineer to CITY. CITY is a State sales and use tax exempt political subdivision of the State of Texas. All records supporting payment shall be kept in the offices of Engineer for a period of not less than three (3) years and shall be made available to CITY for inspection, audit or copying upon reasonable request.

4. Engineer's Standard of Care

Engineer shall provide its services under this Contract with the same degree of care, skill and diligence as is ordinarily provided by a professional Engineer under similar circumstances for a similar project. Engineer represents that it has the capability, experience, available personnel, and means required to perform the services contemplated by this Contract. Services will be performed using personnel and equipment qualified and/or suitable to perform the work requested by the CITY. CITY retains the right to report to Engineer any unsatisfactory performance of Engineer personnel for appropriate corrective action. Engineer shall comply with applicable federal, state, and local laws in connection with any work performed hereunder.

Engineer will seek written CITY approval to accept any contract or perform any services for any person, entity, or business that has an agreement or is in negotiations of an agreement with CITY. CITY may waive this conflict, but such waiver is at CITY's sole discretion and its decision shall be final.

5. Ownership of Documents

As part of the total compensation which CITY has agreed to pay Engineer for the professional services to be rendered under this Contract, Engineer agrees that hard copies of all finished and unfinished documents, data, studies, surveys, drawings, specifications, field notes, maps, models, photographs, preliminary reports, reports, bid packet/construction contract documents/advertisement for bids incorporating any CITY standard provisions provided by Engineer, will remain the property of the CITY. Engineer will furnish CITY with paper and electronic copies, to the extent they are available, of all of the foregoing to facilitate coordination, however, ownership of the underlying work product shall remain the intellectual property of the Engineer. Engineer shall have the right to use such work products for Engineer's purposes. However, such documents are not intended to be suitable for reuse by CITY or others on extension of the Project or on any other project. Any reuse without the express written

consent of the Engineer will be at re-user's sole risk and without liability or legal exposure to the Engineer, and CITY to the extent allowed by law, shall hold harmless the Engineer from all claims, damages, losses, expenses, and costs, including attorneys' fees arising out of or resulting from the reuse of said documents without the Engineer's consent. The granting of such consent will entitle the Engineer to further compensation at rates to be agreed upon by CITY and the Engineer. The above notwithstanding, Engineer shall retain all rights in its standard drawing details, designs, specifications, databases, computer software and any other proprietary and intellectual property information provided pursuant to this Contract, whether or not such proprietary information was modified during the course of providing the services.

6. Insurance

A. Engineer agrees to maintain Worker's Compensation and Employer's Liability Insurance to cover all of its own personnel engaged in performing services for CITY under this Contract in at least the following amounts:

Workmen's Compensation – Statutory
Employer's Liability – $100,000.00
Bodily Injury by Disease - $500,000 (policy limits)
Bodily Injury by Disease - $100,000 (each employee)

B. Engineer also agrees to maintain Commercial General Liability, Business Automobile Liability, and Umbrella Liability Insurance covering claims against Engineer for damages resulting from bodily injury, death or property damages from accidents arising in the course of work performed under this Contract in not less than the following amounts:

$2,000,000.00 General aggregate limit

$1,000,000.00 each occurrence sub-limit for all bodily injury or property damage incurred all in one occurrence

$1,000,000.00 each occurrence sub-limit for Personal Injury and Advertising

C. Engineer shall add CITY, its City Council members and employees, as an additional insured on all required insurance policies, except worker's compensation, employer's liability and errors and omissions insurance. The Commercial General Liability Policy and Umbrella Liability Policy shall be of an "occurrence" type policy.

D. Engineer shall furnish CITY with an Insurance Certificate on the date this Contract is executed and accepted by CITY, which confirms that all above required insurance policies are in full force and effect.

E. Engineer agrees to maintain errors and omissions professional liability insurance in the amount of not less than one million dollars ($1,000,000) annual aggregate, on a claims made basis for a period of two years after termination of this contract, as long as reasonably

available under standard policies.

7. **INDEMNIFICATION**

ENGINEER SHALL INDEMNIFY AND SAVE HARMLESS THE CITY AND ITS CITY COUNCIL MEMBERS AND EMPLOYEES FROM SUITS, ACTIONS, LOSSES, DAMAGES, CLAIMS, OR LIABILITY, INCLUDING WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, ALL EXPENSES OF LITIGATION, COURT COSTS, AND REASONABLE ATTORNEY'S FEES FOR INJURY OR DEATH TO ANY PERSON, OR INJURY TO ANY PROPERTY, RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY, TO THE EXTENT CAUSED BY THE NEGLIGENT ACTS OF ENGINEER OR EMPLOYEES OR ANYONE FOR WHOM THE ENGINEER IS LEGALLY LIABLE FOR, IN THE EXECUTION OF PERFORMANCE OF THIS CONTRACT.

ENGINEER'S TOTAL LIABILITY TO CITY FOR ANY LOSS OR DAMAGES FROM CLAIMS ARISING OUT OF, OR IN CONNECTION WITH, THIS CONTRACT FROM ANY CAUSE INCLUDING ENGINEER'S STRICT LIABILITY, BREACH OF CONTRACT, OR PROFESSIONAL NEGLIGENCE, ERRORS AND OMISSIONS SHALL NOT EXCEED ONE MILLION DOLLARS ($1,000,000.00). NEITHER PARTY TO THIS AGREEMENT SHALL BE LIABLE TO THE OTHER PARTY OR ANY THIRD PARTY CLAIMING THROUGH THE OTHER RESPECTIVE PARTY, FOR ANY SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE, LIQUIDATED, DELAY OR CONSEQUENTIAL DAMAGES OF ANY KIND INCLUDING BUT NOT LIMITED TO LOST PROFITS OR USE OF PROPERTY, FACILITIES OR RESOURCES, THAT MAY RESULT FROM THIS AGREEMENT, OR OUT OF ANY GOODS OR SERVICES FURNISHED HEREUNDER.

8. Addresses for Notices and Communications

CITY
City Manager
City of Rockwall
City Hall

Rockwall, TX 75087
972-771-7700

Engineer
Tom Grant, P.E.
Kimley-Horn and Associates, Inc.
2201 West Royal Lane, Suite 275
Irving, TX 75063
214-420-5600

All notices and communications under this Contract shall be mailed or delivered to CITY and Engineer at the above addresses.

9. Successors and Assigns

CITY and Engineer each binds itself and its successors, executors, administrators and assigns to the other parties of this Contract and to the successors, executors, administrators and assigns of such other parties, in respect to all covenants of this Contract. Except as noted in the first part of this Paragraph, neither CITY nor Engineer shall assign, sublet or transfer its interest in this Contract without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer, council member, employee or agent of any public body which is a party hereto.

10. Termination for Convenience of the Parties

Engineer and CITY may terminate this Contract for their convenience at any time by giving at least thirty (30) days notice in writing to each other. If the Contract is terminated by CITY and/or Engineer as provided herein, Engineer will be paid for the Work provided and expenses incurred up to the termination date, if such final compensation is approved by CITY, in its sole discretion. If this Contract is terminated due to the fault of Engineer, Paragraph 10 hereof, relative to Termination for Cause, shall apply.

11. Changes

CITY may, from time to time, request changes in the Scope of Work of Engineer to be performed hereunder. Such changes, including any increase or decrease in the amount of Engineer's compensation, or time for performance, which are mutually agreed upon by and between CITY and Engineer, shall be incorporated in written amendments to this Contract. Any subsequent contract amendments shall be executed by the City Manager or other authorized representative as designated by the City Manager or City Council.

Any alterations, additions or deletions to the terms of this Contract, including the scope of work, shall be by amendment in writing executed by both CITY and Contractor.

13. Reports and Information

Engineer, at such times and in such forms as CITY may reasonably require, and as specified in the Scope of Work or in additional Contract Amendments shall furnish CITY periodic reports pertaining to the Work or services undertaken pursuant to this Contract, the cost and obligations incurred, or to be incurred in connection therewith, and any other matter covered by this Contract.

14. Entire Agreement

This Contract and its Exhibits and any future Contract Amendments constitute the entire agreement, and supersede all prior agreements and understandings between the parties concerning the subject matter of this Contract.

15. Waiver

The failure on the part of either party herein at any time to require the performance by the other party, of any portion of this Contract, shall not be deemed a waiver of, or in any way affect that party's rights to enforce such provision, or any other provision. Any waiver by any party herein of any provision hereof, shall not be taken or held to be a waiver of any other provision hereof, or any other breach hereof.

16. Severability

The invalidity or unenforceability of any provision of this Contract shall not affect the validity or enforceability of any other provision of this Contract.

17. Survival

Any and all representations, conditions and warranties made by Engineer under this Contract are of the essence of this Contract and shall survive the execution, delivery and termination of it.

18. Governing Powers and Law

Both Parties agree and understand that the City does not waive or surrender any of its governmental powers by execution of this Agreement. To that end, the parties further understand that this agreement shall not be considered a contract for goods or services under Texas Local Government Code, Section 271.151 and Contractor waives any right or entitlement granted said provisions. This Contract is governed by the laws of the State of Texas and all obligations of the parties under this Contract are performable in Rockwall County, Texas.

19. Attorney's Fees

If it is necessary for either Party herein to file a cause of action at law or in equity against the other Party due to: (a) a breach of this Contract by the other Party and/or (b) any intentional and/or negligent act or omission by the other Party arising out of this Contract, the non-breaching or non-negligent Party shall be entitled to reasonable attorney's fees and costs, and any necessary disbursements, in addition to any other relief to which it is legally entitled.

20. State or Federal Laws

This Contract is subject to all applicable federal and state laws, statutes, codes, and any applicable permits, ordinances, rules, orders and regulations of any local, state or federal government authority having or asserting jurisdiction, but nothing contained herein shall be construed as a waiver of any right to question or contest any such law, ordinance, order, rule or regulation in any forum having jurisdiction.

EXHIBIT A – SCOPE OF SERVICES

PROJECT OVERVIEW

CITY has requested the ENGINEER to prepare design plans for a new traffic signal at the intersection of Lakeshore Drive and Masters Boulevard. Below is the detailed description of the tasks:

Task 1: Basic Services – Survey, Meetings, and Construction Plans

This task includes the design of a new traffic signal installation at the intersection of Lakeshore Drive and Masters Boulevard. This design will consist of plans and specifications related to the installation of the traffic signal, required pedestrian curb ramps/sidewalk modifications if necessary, and revised pavement markings. This task includes the following:

a.) Project meetings
- The ENGINEER will meet with CITY staff to discuss CITY design preferences, identify the proposed controller location, and identify potential design issues.
- The ENGINEER will coordinate with the local electric service provider to determine a service location to power the proposed traffic signal. The ENGINEER will fill out the service provider load forms if requested.
- If requested, the ENGINEER will prepare for and attend a meeting with the CITY after the preliminary submittal to discuss the plans and CITY comments.

b.) Base Map and Specifications Assembly
- The ENGINEER will assemble applicable design standards and specifications from the CITY and TxDOT.
- ENGINEER will perform field survey to collect information needed by the ENGINEER for design and preparation of plans for the project. Information gathered during the survey shall include topographic data, structures, utilities, pavement curb lines, driveways, trees, right-of-way and easements, and other features relevant to the final plan sheets. The survey will rely on field locates by 1-800-Dig-Tess and underground utility record drawings provided by the CITY for utility information prior to field survey. If ENGINEER is requested to provide horizontal and vertical subsurface utility engineering, it will be provided as an additional service.

c.) Preliminary Plans
- The ENGINEER will prepare the traffic signal design for the project intersection. The basic design parameters will be based on discussions with the CITY. The ENGINEER will produce, provide internal quality control/quality assurance for, and submit preliminary plans and specifications. Existing utility information will be addressed on the plans, in the general notes, and specifications. The plans will require that the Contractor call the utility-locate phone number to have the utilities field-located prior to construction to assure the surveyed locations.
- It is assumed that the plan set for this construction contract will contain a title sheet; quantity summary sheet; two layout sheets showing the traffic signal improvements and signing improvements with the appropriate conduit/cable schedule, signal sequence chart, signal cable termination chart; traffic signal foundation and hardware

detail sheets; curb ramp design and pavement markings sheet; and standard detail sheets. Design assumptions are as follows for the intersection:

- Three legged intersection
- TxDOT standard steel pole/mast arm assemblies
- Internally illuminated street signs
- Opticom system
- Video vehicle detection (VIVDS)
- Pedestrian countdown heads (but not audible system)
- New ADA compliant curb ramps
- Revised pavement markings to reflect the proposed stop bars and crosswalks
- Record drawings provided by the CITY for existing utility information

- The ENGINEER will submit preliminary plans to the CITY for review and comment.

d.) Final Plans

- The ENGINEER will incorporate one round of CITY comments and produce the final plans, specifications, and ENGINEER's opinion of probable construction cost.
- The ENGINEER will create a timing plan and basic signal timing parameters for the traffic signal for up to three (3) time periods. The contractor will be responsible for implementing the traffic signal timing plan during construction. Additional timing plans and field modifications are included under Task 3.
- The ENGINEER will furnish up to 10 hard copies of the final 11"x17" plans and specifications to the CITY for their use along with electronic copy in .pdf format.

e.) The deliverables will include:

- Final Signed and Sealed Plan Sets (11X17);
- Project Manual if project is public bid (to be prepared under Task Two)
- Opinion of Probable Construction Costs.

Task 2: Special Services – Bidding Phase Services

This task includes up to 35 hours, and may include the following as requested by the CITY.

- ENGINEER will prepare a Project Manual for public bidding.
- ENGINEER will print sets for bidder distribution. A non-refundable deposit will be collected from plan holders to pay for printing costs.
- ENGINEER will issue bid documents to prospective bidders and maintain a list of bidders to whom bidding documents have been issued.
- Issue addenda as appropriate to interpret, clarify, or expand the bidding document
- Attend the Bid Opening
- Tabulate the bids received and evaluate the compliance of the bids received with the bidding document
- Prepare a written summary of this tabulation and evaluation together with a letter addressing the award of the construction contract
- The ENGINEER will coordinate with the low bidder and prepare the contract documents for execution (including printing up to six (6) plan sets)
- Attend the Pre-Construction meeting and review Shop Drawings for conformance to the contract requirements.

Task 3: Special Services – Construction Phase Services

This task includes up to 25 hours, and may include the following as requested by the CITY.

- ***Visits to Site and Observation of Construction.*** ENGINEER will provide on-site construction observation services during the construction phase. ENGINEER will make visits at intervals as directed by CITY in order to observe the progress of the Work. Such visits and observations by ENGINEER are not intended to be exhaustive or to extend to every aspect of Contractor's work in progress. Observations are to be limited to spot checking, selective measurement, and similar methods of general observation of the Work based on ENGINEER's exercise of professional judgment. Based on information obtained during such visits and such observations, ENGINEER will evaluate whether Contractor's work is generally proceeding in accordance with the Contract Documents, and ENGINEER will keep CITY informed of the general progress of the Work. The purpose of ENGINEER's site visits will be to enable ENGINEER to better carry out the duties and responsibilities specifically assigned in this Agreement to ENGINEER, and to provide CITY a greater degree of confidence that the completed Work will conform in general to the Contract Documents. ENGINEER shall not, during such visits or as a result of such observations of Contractor's work in progress, supervise, direct, or have control over Contractor's work, nor shall Kimley-Horn have authority over or responsibility for the means, methods, techniques, equipment choice and usage, sequences, schedules, or procedures of construction selected by Contractor, for safety precautions and programs incident to Contractor's work, nor for any failure of Contractor to comply with laws and regulations applicable to Contractor's furnishing and performing the Work. Accordingly, ENGINEER neither guarantees the performance of any Contractor nor assumes responsibility for any Contractor's failure to furnish and perform its work in accordance with the Contract Documents.
- ***Visits to Site and Observation and Modification of Signal Timings.*** ENGINEER will provide initial signal timings for three time periods based on traffic counts previously collected for the traffic signal warrant under Task 1. Additional site visits and/or signal timing modifications are included in this task.
- ***Recommendations with Respect to Defective Work.*** ENGINEER will recommend to CITY that Contractor's work be disapproved and rejected while it is in progress if, on the basis of such observations, ENGINEER believes that such work will not produce a completed Project that conforms generally to Contract Documents.
- ***Clarifications and Interpretations.*** ENGINEER will respond to reasonable and appropriate Contractor requests for information and issue necessary clarifications and interpretations of the Contract Documents to CITY as appropriate to the orderly completion of Contractor's work. Any orders authorizing variations from the Contract Documents will be made by CITY.
- ***Change Orders.*** ENGINEER may recommend Change Orders to CITY, and will review and make recommendations related to Change Orders submitted or proposed by the Contractor.
- ***Shop Drawings and Samples.*** ENGINEER will review and approve or take other appropriate action in respect to Shop Drawings and Samples and other data which Contractor is required

to submit, but only for conformance with the information given in the Contract Documents. Such review and approvals or other action will not extend to means, methods, techniques, equipment choice and usage, sequences, schedules, or procedures of construction or to related safety precautions and programs.

- ***Substitutes and "or-equal."*** Evaluate and determine the acceptability of substitute or "or-equal" materials and equipment proposed by Contractor in accordance with the Contract Documents, but subject to the provisions of applicable standards of state or local government entities.
- ***Inspections and Tests.*** ENGINEER may require special inspections or tests of Contractor's work as ENGINEER deems appropriate, and may receive and review certificates of inspections within ENGINEER's area of responsibility or of tests and approvals required by laws and regulations or the Contract Documents. ENGINEER's review of such certificates will be for the purpose of determining that the results certified indicate compliance with the Contract Documents and will not constitute an independent evaluation that the content or procedures of such inspections, tests, or approvals comply with the requirements of the Contract Documents. ENGINEER shall be entitled to rely on the results of such tests and the facts being certified.
- ***Disagreements between CITY and Contractor***. ENGINEER will, if requested by CITY, render written decision on all claims of CITY and Contractor relating to the acceptability of Contractor's work or the interpretation of the requirements of the Contract Documents pertaining to the progress of Contractor's work. In rendering such decisions, ENGINEER shall be fair and not show partiality to CITY or Contractor and shall not be liable in connection with any decision rendered in good faith in such capacity.
- ***Applications for Payment***. Based on its observations and on review of applications for payment and accompanying supporting documentation, ENGINEER will determine the amounts that ENGINEER recommends Contractor be paid. Such recommendations of payment will be in writing and will constitute ENGINEER's representation to CITY, based on such observations and review, that, to the best of ENGINEER's knowledge, information and belief, Contractor's work has progressed to the point indicated and that such work-in-progress is generally in accordance with the Contract Documents subject to any qualifications stated in the recommendation. In the case of unit price work, ENGINEER's recommendations of payment will include determinations of quantities and classifications of Contractor's work, based on observations and measurements of quantities provided with pay requests. By recommending any payment, ENGINEER shall not thereby be deemed to have represented that its observations to check Contractor's work have been exhaustive, extended to every aspect of Contractor's work in progress, or involved detailed inspections of the Work beyond the responsibilities specifically assigned to ENGINEER in this Agreement. It will also not impose responsibility on ENGINEER to make any examination to ascertain how or for what purposes Contractor has used the moneys paid on account of the Contract Price, nor to determine that title to any portion of the work in progress, materials, or equipment has passed to CITY free and clear of any liens, claims, security interests, or encumbrances, nor that there may not be other matters at issue between CITY and Contractor that might affect the amount that should be paid.

- ***Substantial Completion***. ENGINEER will, promptly after notice from Contractor that it considers the entire Work ready for its intended use, in company with CITY and Contractor, conduct a site visit to determine if the Work is substantially complete. Work will be considered substantially complete following satisfactory completion of all items with the exception of those identified on a final punch list. If after considering any objections of CITY, ENGINEER considers the Work substantially complete, ENGINEER will notify CITY and Contractor.
- ***Final Notice of Acceptability of the Work***. ENGINEER will conduct a final site visit to determine if the completed Work of Contractor is generally in accordance with the Contract Documents and the final punch list so that ENGINEER may recommend, in writing, final payment to Contractor. Accompanying the recommendation for final payment, ENGINEER shall also provide a notice that the Work is generally in accordance with the Contract Documents to the best of ENGINEER's knowledge, information, and belief based on the extent of its services and based upon information provided to ENGINEER upon which it is entitled to rely.
- ***Limitation of Responsibilities*.** ENGINEER shall not be responsible for the acts or omissions of any Contractor, or of any of their subcontractors, suppliers, or of any other individual or entity performing or furnishing the Work. ENGINEER shall not have the authority or responsibility to stop the work or direct Contractor.

Information provided by the CITY: Record drawings for existing utility information.

Kimley»Horn

EXHIBIT B – COMPENSATION and SCHEDULE

Method of Compensation:

Task 1: Survey, Meetings, and Construction Plans	$24,000
Lump sum fee of	$24,000
Task 2: Bidding Phase Services	$7,500
Task 3: Construction Phase Services	$5,000
Reimbursable/Hourly	$12,500

ENGINEER will provide the Lump Sum task identified in the Scope of Services for Task 1 for the total lump sum fee listed above. All permitting, application, and similar project fees will be paid directly by the CITY. Lump Sum fees will be invoiced monthly based upon the percentage of services performed as of the invoice date.

ENGINEER will provide the Reimbursable/Hourly tasks identified in the Scope of Services for Task 2 and Task 3 on a labor fee plus expense basis. For your budgeting purposes, we recommend allocating $12,500 for the Reimbursable/Hourly task. The budget fee indicated in Task 2 and Task 3 includes up to 60 hours of ENGINEER effort. The budgeted amount, inclusive of allocation and direct expenses, will not be exceeded without the CITY's prior written approval. Labor fees will be billed in accordance with our then current hourly rates. For the Reimbursable/Hourly task, direct reimbursable expenses such as express delivery services, fees, and other direct expenses will be billed at 1.15 times cost and 6% of labor fee will be added to each invoice to cover certain other expenses such as telecommunications, in-house reproduction, postage, supplies, project related computer time, and local mileage.

All permitting, application, and similar project fees will be paid directly by the CITY. Reimbursable fees will be invoiced monthly based on the actual amount of services performed and expenses incurred.

Schedule

We will provide our services as expeditiously as possible with the goal of meeting the following schedule:

Task 1: Survey, preliminary plans, and final plans	3 months
Tasks 2 and 3: Bidding and Construction Phase	Dependent on others

City of Rockwall
The New Horizon

MEMORANDUM

TO: Mayor and Council

FROM: Joey Boyd, Director of Internal Operations

DATE: October 1, 2015

SUBJECT: Routine Airport Maintenance Program Grant Agreement

As part of the budget process, the City Council approved funds for maintenance and improvements at the Ralph M. Hall / Rockwall Municipal Airport. The Routine Airport Maintenance Program grant funds up to $100,000.00 per year for each general aviation airport and reimburses local governments 50% of the cost of these smaller projects.

The approved budget includes maintenance of the AWOS - Automated Weather Observation System, silt fencing, asphalt repair, and any other smaller projects that may be necessary.

Attached is the FY 2016 RAMP grant agreement for the Ralph M. Hall / Rockwall Municipal Airport for consideration. The City Council is asked to consider the proposed contract and authorize the City Manager to enter into an agreement with the Texas Department of Transportation – Aviation Division for the City of Rockwall to participate in the Routine Airport Maintenance Program.

Texas Department of Transportation

AVIATION DIVISION
125 E. 11TH STREET • AUSTIN, TEXAS 78701-2483 • 512/416-4500 • FAX 512/416-4510

September 1, 2015

Mr. Joey Boyd, Assistant City Manager
The City of Rockwall
385 S. Goliad Street
Rockwall, Texas 75087

TxDOT CSJ No.: M1618RCKW
Fund Source: 36300

Dear Mr. Boyd:

A FY2016 Routine Airport Maintenance Grant is enclosed for the Ralph M Hall/Rockwall Municipal Airport. The City of Rockwall has participated in the Routine Airport Maintenance Program in past years, and the 2016 grant is provided to continue your maintenance efforts.

The TxDOT CSJ No. M1618RCKW grant for airport maintenance between the City of Rockwall, as airport sponsor, and the Texas Department of Transportation is attached as an Adobe Acrobat document.

The amount of the FY2016 grant is based on previous year grant expenditures - if the amount needs to be adjusted, please let me know. An airport General Maintenance description has been included on Attachment-A Scope of Services so that grant funds can be used for these types of items without having to amend the grant as projects come up. Amendments can be done at your request any time after execution to add special projects or to increase the grant amount.

Please print out the grant and however many additional copies the City of Rockwall may need for retained paper records and execute the Agreement, complete the Certifications, and return the accepted grant as soon as possible. It will be necessary for your attorney to endorse your acceptance of the Agreement to assure that it has been accepted in accordance with local laws. The Grant Agreement and Certifications should have original signatures for acceptance.

TxDOT will be retaining the grant file electronically and will not retain a paper record copy of your executed grant.

If you **do not need a paper copy** of the executed grant returned to you, please scan the fully signed and witnessed grant document and e-mail it to me at megan.caffall@txdot.gov. I will have the grant executed by the state and return an electronic copy of the executed grant to you by e-mail.

If you **need a paper copy(ies)** of the executed grant, please return **all** copies of the fully signed and witnessed documents to:

Mailing Address - ***TxDOT Aviation Division***
125 E. 11th Street
Austin, Texas 78701-2483.

Overnight Address - ***TxDOT Aviation Division***
200 E. Riverside Drive
Austin TX 78704

If you have any questions, or need additional information please contact me at 1-800-687-4568 or megan.caffall@txdot.gov. The Texas Department of Transportation Aviation Division appreciates your participation in preserving and improving the Texas Airport System, and looks forward to working with you at the Ralph M Hall/Rockwall Municipal Airport.

Sincerely,

Megan Caffall

TEXAS DEPARTMENT OF TRANSPORTATION
GRANT FOR ROUTINE AIRPORT MAINTENANCE PROGRAM

(State Assisted Airport Routine Maintenance)

TxDOT CSJ No.: M1618RCKW

Part I - Identification of the Project

TO: The City of Rockwall, Texas

FROM: The State of Texas, acting through the Texas Department of Transportation

This Grant is made between the Texas Department of Transportation, (hereinafter referred to as the "State"), on behalf of the State of Texas, and the City of Rockwall, Texas, (hereinafter referred to as the "Sponsor").

This Grant Agreement is entered into between the State and Sponsor shown above, under the authority granted and in compliance with the provisions of the Transportation Code Chapter 21.

The project is for **airport maintenance** at the Ralph M Hall/Rockwall Municipal Airport.

Part II - Offer of Financial Assistance

1. For the purposes of this Grant, the annual routine maintenance project cost, Amount A, is estimated as found on Attachment A, Scope of Services, attached hereto and made a part of this grant agreement.

   State financial assistance granted will be used solely and exclusively for airport maintenance and other incidental items as approved by the State. Actual work to be performed under this agreement is found on Attachment A, Scope of Services. State financial assistance, Amount B, will be for fifty percent (50%) of the eligible project costs for this project or $50,000.00, whichever is less, per fiscal year and subject to availability of state appropriations.

   Scope of Services, Attachment A, of this Grant, may be amended, subject to availability of state funds, to include additional approved airport maintenance work. Scope amendments require submittal of an Amended Scope of Services, Attachment A.

   Services will not be accomplished by the State until receipt of Sponsor's share of project costs.

Only work items as described in Attachment A, Scope of Services of this Grant are reimbursable under this grant.

Work shall be accomplished by August 31, 2016, unless otherwise approved by the State.

2. The State shall determine fair and eligible project costs for work scope. Sponsor's share of estimated project costs, Amount C, shall be as found on Attachment A and any amendments.

It is mutually understood and agreed that if, during the term of this agreement, the State determines that there is an overrun in the estimated annual routine maintenance costs, the State may increase the grant to cover the amount of the overrun within the above stated percentages and subject to the maximum amount of state funding.

The State will not authorize expenditures in excess of the dollar amounts identified in this Agreement and any amendments, without the consent of the Sponsor.

3. Sponsor, by accepting this Grant certifies and, upon request, shall furnish proof to the State that it has sufficient funds to meet its share of the costs. The Sponsor grants to the State the right to audit any books and records of the Sponsor to verify expended funds.

Upon execution of this Agreement and written demand by the State, the Sponsor's financial obligation (Amount C) shall be due in cash and payable in full to the State. State may request the Sponsor's financial obligation in partial payments. Should the Sponsor fail to pay their obligation, either in whole or in part, within 30 days of written demand, the State may exercise its rights under Paragraph V-3. Likewise, should the State be unwilling or unable to pay its obligation in a timely manner, the failure to pay shall be considered a breach and the Sponsor may exercise any rights and remedies it has at law or equity.

The State shall reimburse or credit the Sponsor, at the financial closure of the project, any excess funds provided by the Sponsor which exceed Sponsor's share (Amount C).

4. The Sponsor specifically agrees that it shall pay any project costs which exceed the amount of financial participation agreed to by the State. It is further agreed that the Sponsor will reimburse the State for any payment or payments made by the State which are in excess of the percentage of financial assistance (Amount B) as stated in Paragraph II-1.

5. Scope of Services may be accomplished by State contracts or through local contracts of the Sponsor as determined appropriate by the State. All locally contracted work must be approved by the State for scope and reasonable cost. Reimbursement requests for locally contracted work shall be submitted on forms provided by the State and shall include copies of the invoices for materials or services. Payment shall be made for no more than 50% of allowable charges.

The State will not participate in funding for force account work conducted by the Sponsor.

6. This Grant shall terminate upon completion of the scope of services.

Part III - Sponsor Responsibilities

1. In accepting this Grant, if applicable, the Sponsor guarantees that:

a. it will, in the operation of the facility, comply with all applicable state and federal laws, rules, regulations, procedures, covenants and assurances required by the State in connection with this Grant; and

b. the Airport or navigational facility which is the subject of this Grant shall be controlled by the Sponsor for a period of at least 20 years; and

c. consistent with safety and security requirements, it shall make the airport or air navigational facility available to all types, kinds and classes of aeronautical use without discrimination between such types, kinds and classes and shall provide adequate public access during the period of this Grant; and

d. it shall not grant or permit anyone to exercise an exclusive right for the conduct of aeronautical activity on or about an airport landing area. Aeronautical activities include, but are not limited to scheduled airline flights, charter flights, flight instruction, aircraft sales, rental and repair, sale of aviation petroleum products and aerial applications. The landing area consists of runways or landing strips, taxiways, parking aprons, roads, airport lighting and navigational aids; and

e. it shall not enter into any agreement nor permit any aircraft to gain direct ground access to the sponsor's airport from private property adjacent to or in the immediate area of the airport. Further, Sponsor shall not allow aircraft direct ground access to private property. Sponsor shall be subject to this prohibition, commonly known as a "through-the-fence operation," unless an exception is granted in writing by the State due to extreme circumstances; and

f. it shall not permit non-aeronautical use of airport facilities without prior approval of the State; and

g. the Sponsor shall submit to the State annual statements of airport revenues and expenses when requested; and

h. all fees collected for the use of the airport shall be reasonable and nondiscriminatory. The proceeds from such fees shall be used solely for the development, operation and maintenance of the airport or navigational facility; and

i. an Airport Fund shall be established by resolution, order or ordinance in the treasury of the Sponsor, or evidence of the prior creation of an existing airport fund or a properly executed copy of the resolution, order, or ordinance creating such a fund, shall be submitted to the State. The fund may be an account as part of another fund, but must be accounted for in such a manner that all revenues, expenses, retained earnings, and balances in the account are discernible from other types of moneys identified in the fund as a whole. All fees, charges, rents, and money from any source derived from airport operations must be deposited in the Airport Fund and shall not be diverted to the general revenue fund or any other revenue fund of the Sponsor. All expenditures from the Airport Fund shall be solely for airport purposes. Sponsor shall be ineligible for a subsequent grant or loan by the State unless, prior to such subsequent approval of a grant or loan, Sponsor has complied with the requirements of this subparagraph; and

j. the Sponsor shall operate runway lighting at least at low intensity from sunset to sunrise; and

k. insofar as it is reasonable and within its power, Sponsor shall adopt and enforce zoning regulations to restrict the height of structures and use of land adjacent to or in the immediate vicinity of the airport to heights and activities compatible with normal airport operations as provided in Tex. Loc. Govt. Code Ann. Sections 241.001 et seq. (Vernon and Vernon Supp.). Sponsor shall also acquire and retain aviation easements or other property interests in or rights to use of land or airspace, unless sponsor can show that acquisition and retention of such interest will be impractical or will result in undue hardship to Sponsor. Sponsor shall be ineligible for a subsequent grant or loan by the State unless Sponsor has, prior to subsequent approval of a grant or loan, adopted and passed an airport hazard zoning ordinance or order approved by the State.

l. mowing services will not be eligible for state financial assistance. Sponsor will be responsible for 100% of any mowing services.

2. The Sponsor, to the extent of its legal authority to do so, shall save harmless the State, the State's agents, employees or contractors from all claims and liability due to activities of the Sponsor, the Sponsor's agents or employees performed under this agreement. The Sponsor, to the extent of its legal authority to do so, shall also save harmless the State, the State's agents, employees or contractors from any and all expenses, including attorney fees which might be incurred by the State in litigation or otherwise resisting claim or liabilities which might be imposed on the State as the result of those activities by the Sponsor, the Sponsor's agents or employees.

3. The Sponsor's acceptance of this Offer and ratification and adoption of this Grant shall be evidenced by execution of this Grant by the Sponsor. The Grant shall comprise a contract, constituting the obligations and rights of the State of Texas and the Sponsor with respect to the accomplishment of the project and the operation and maintenance of the airport.

If it becomes unreasonable or impractical to complete the project, the State may void this agreement and release the Sponsor from any further obligation of project costs.

4. Upon entering into this Grant, Sponsor agrees to name an individual, as the Sponsor's Authorized Representative, who shall be the State's contact with regard to this project. The Representative shall receive all correspondence and documents associated with this grant and shall make or shall acquire approvals and disapprovals for this grant as required on behalf of the Sponsor, and coordinate schedule for work items as required.

5. By the acceptance of grant funds for the maintenance of eligible airport buildings, the Sponsor certifies that the buildings are owned by the Sponsor. The buildings may be leased but if the lease agreement specifies that the lessee is responsible for the upkeep and repairs of the building no state funds shall be used for that purpose.

6. Sponsor shall request reimbursement of eligible project costs on forms provided by the State. All reimbursement requests are required to include a copy of the invoices for the materials or services. The reimbursement request will be submitted no more than once a month.

7. The Sponsor's acceptance of this Agreement shall comprise a Grant Agreement, as provided by the Transportation Code, Chapter 21, constituting the contractual obligations and rights of the State of Texas and the Sponsor with respect to the accomplishment of the airport maintenance and compliance with the assurances and conditions as provided. Such Grant Agreement shall become effective upon the State's written Notice to Proceed issued following execution of this agreement.

PART IV - Nomination of the Agent

1. The Sponsor designates the State as the party to receive and disburse all funds used, or to be used, in payment of the costs of the project, or in reimbursement to either of the parties for costs incurred.

2. The State shall, for all purposes in connection with the project identified above, be the Agent of the Sponsor. The Sponsor grants the State a power of attorney to act as its agent to perform the following services:

   a. accept, receive, and deposit with the State any and all project funds granted, allowed, and paid or made available by the Sponsor, the State of Texas, or any other entity;

   b. enter into contracts as necessary for execution of scope of services;

   c. if State enters into a contract as Agent: exercise supervision and direction of the

project work as the State reasonably finds appropriate. Where there is an irreconcilable conflict or difference of opinion, judgment, order or direction between the State and the Sponsor or any service provider, the State shall issue a written order which shall prevail and be controlling;

d. receive, review, approve and pay invoices and payment requests for services and materials supplied in accordance with the State approved contracts;

e. obtain an audit as may be required by state regulations; the State Auditor may conduct an audit or investigation of any entity receiving funds from TxDOT directly under this contract or indirectly through a subcontract under this contract. Acceptance of funds directly under this contract or indirectly through a subcontract under this contract acts as acceptance of the authority of the State Auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. An entity that is the subject of an audit or investigation must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit.

f. reimburse sponsor for approved contract maintenance costs no more than once a month.

PART V - Recitals

1. This Grant is executed for the sole benefit of the contracting parties and is not intended or executed for the direct or incidental benefit of any third party.

2. It is the intent of this grant to not supplant local funds normally utilized for airport maintenance, and that any state financial assistance offered under this grant be in addition to those local funds normally dedicated for airport maintenance.

3. This Grant is subject to the applicable provisions of the Transportation Code, Chapters 21 and 22, and the Airport Zoning Act, Tex. Loc. Govt. Code Ann. Sections 241.001 et seq. (Vernon and Vernon Supp.). Failure to comply with the terms of this Grant or with the rules and statutes shall be considered a breach of this contract and will allow the State to pursue the remedies for breach as stated below.

   a. Of primary importance to the State is compliance with the terms and conditions of this Grant. If, however, after all reasonable attempts to require compliance have failed, the State finds that the Sponsor is unwilling and/or unable to comply with any of the terms of this Grant, the State, may pursue any of the following remedies: (1) require a refund of any financial assistance money expended pursuant to this Grant, (2) deny Sponsor's future requests for aid, (3) request the Attorney General to bring suit seeking reimbursement of any financial assistance money expended on the project pursuant to this Grant, provided however, these

remedies shall not limit the State's authority to enforce its rules, regulations or orders as otherwise provided by law, (4) declare this Grant null and void, or (5) any other remedy available at law or in equity.

b. Venue for resolution by a court of competent jurisdiction of any dispute arising under the terms of this Grant, or for enforcement of any of the provisions of this Grant, is specifically set by Grant of the parties in Travis County, Texas.

4. The State reserves the right to amend or withdraw this Grant at any time prior to acceptance by the Sponsor. The acceptance period cannot be greater than 30 days after issuance unless extended by the State.

5. This Grant constitutes the full and total understanding of the parties concerning their rights and responsibilities in regard to this project and shall not be modified, amended, rescinded or revoked unless such modification, amendment, rescission or revocation is agreed to by both parties in writing and executed by both parties.

6. All commitments by the Sponsor and the State are subject to constitutional and statutory limitations and restrictions binding upon the Sponsor and the State (including Sections 5 and 7 of Article 11 of the Texas Constitution, if applicable) and to the availability of funds which lawfully may be applied.

Part VI - Acceptances

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 10/05/2015

APPLICANT: Jennifer Garcia

AGENDA ITEM: **P2015-037** (HJG Plaza Addition – Replat)

SUMMARY:

Discuss and consider a request by Jennifer Garcia of KBGE on behalf of Collins Hartzog of Rockwall Texas 2015, LLC for the approval of a replat for Lot 3, Block 1, HJG Plaza Addition being a 0.91-acre tract of land identified as Lot 2, Block 1, HJG Plaza Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the SH-205 Overlay (SH-205 OV) District, located on the east side of SH-205 [*S. Goliad Street*] north of the intersection of SH-205 and Yellow Jacket Lane, and take any action necessary.

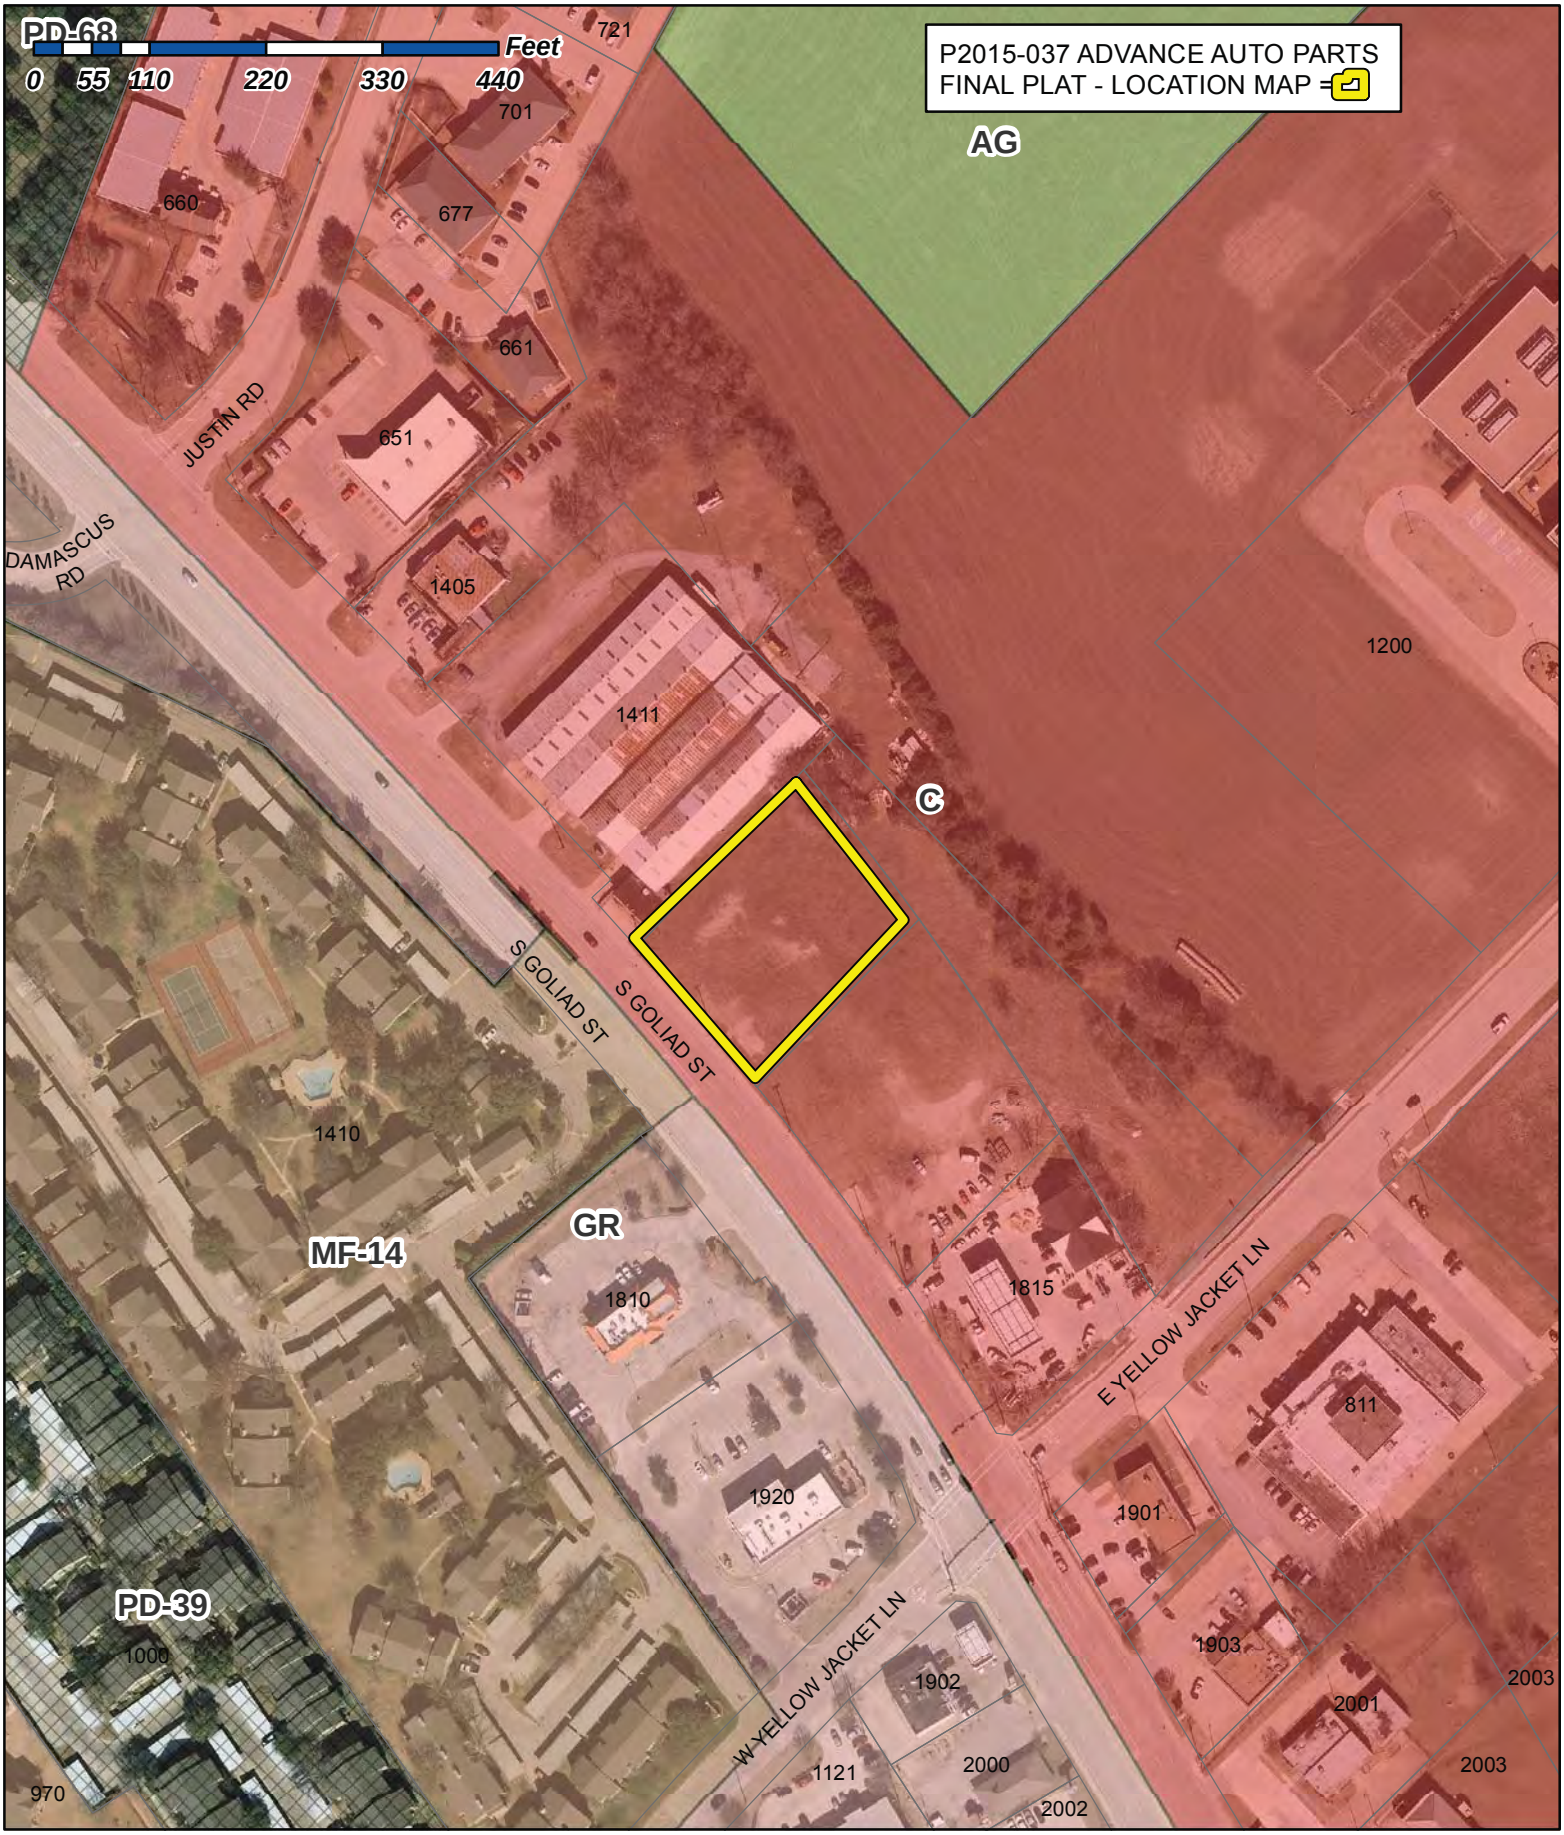
COMMENTS:

- The objective of the request is to replat a 0.91-acre tract of land for the purpose of constructing a 6,889 sq. ft. general retail facility and to establish easements that are necessary for fire lane, access and drainage/detention for the property. A site plan was approved in May of this year for an Advance Auto Care facility.

- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions listed in the Recommendations section below.

- With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

RECOMMENDATIONS:



If the Planning & Zoning Commission and City Council choose to approve the request for final plat, staff would recommend the following conditions of approval:

A) All the technical comments from the Planning, Engineering and Fire Departments shall be addressed prior to the filing of this plat, including the following comments;

1. Adherence to Engineering and Fire Department standards.

B) Any construction resulting from the approval of this final plat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

On September 29, 2015, the Planning and Zoning Commission recommended approval of the plat with staff conditions by a vote of 4 to 0 with Commissioners Renfro and McCutcheon absent and one vacancy.

FINAL PLAT

HJG Plaza Addition

LOT 3, BLOCK 1 - BEING A REPLAT OF LOT 2,
0.910 ACRES OUT OF THE B.J.T. LEWIS A-225
CITY OF ROCKWALL
ROCKWALL COUNTY, TEXAS

DRAWN BY: C.H.J.	DATE: AUGUST 6, 2015
SHEET 1 OF 2	JOB NO.: J10951
J10951\REPLAT & EASEMENT	CASE NO.: P2015-037

STATE OF TEXAS}
COUNTY OF ROCKWALL}

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS.

We _____ the undersigned owners of the land shown on this plat, and designated herein as the HJG Plaza subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in the HJG PLAZA ADDITION subdivision have been notified and signed this plat. We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement stripes for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner had complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to the pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence or work done; or

Until the developer and/or owner files a corporate surety bond with the city of secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exactions made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; My successors and assigns hereby waive any claim, damage, or cause of action that I may have as a result of the dedication of exactions made herein.

CITY OF ROCKWALL, TEXAS
FIRE DEPARTMENT
MEMORANDUM

DATE: **September 24, 2015**

TO: **Mayor and City Council**

FROM: **Paul Ayres, CERT Program Manager**

SUBJECT: **Citizen Corps Trailer Grant**

In June of 2015, Rockwall CERT applied for a grant from Texas Association of Regional Councils for a Citizen Corps Trailer. I am pleased to announce that we were selected as the recipient of one of two trailers available in the State of Texas. The grant is for a 6x10 Cargomate trailer with custom Citizen Corps wrap. As you can see from the photos below, the trailers are not only useful for storing and hauling equipment and supplies, but will also offer great visibility for our CERT program.

BACKGROUND

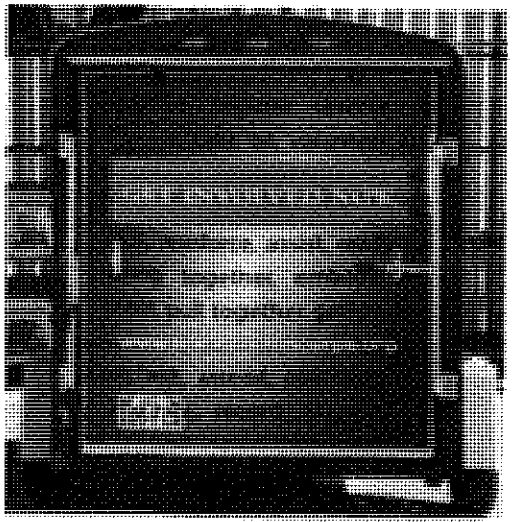
Since 2013, the Rockwall CERT program has been growing non-stop. We have doubled our membership since 2013 and more than doubled the number of emergency responses in 2014. These deployments are in addition to over forty (40) community events planned throughout the year. In the first three quarters of 2015 alone, our members have volunteered nearly 750 hours, which, according to Independent Sector's *Value of Volunteer Time*, totals over $17,000.

As the program grows and we respond to more requests for assistance from public service agencies, we are consistently finding better ways to operate and discovering equipment that will help us provide services with more efficiency. The leadership committee of Rockwall CERT recognized the need for additional space for equipment and the ability for the equipment to be mobile and accessible. As a result, the leadership committee decided to move forward with applying for the Citizen Corps Trailer Grant.

GRANT DESCRIPTION

Trailer Specifications:

- 6x10 trailer, single axel with rear ramp door and side door
- (1) Spare tire mount
- (1) E-Track and E-Track tie-down clips
- (1) Trailer coupler lock
- (1) Coupler lock
- (3) disk storage locks
- Floor coating
- Custom Citizen Corps graphic vinyl wrap
- (1) Standard Texas Exempt License Plate registered in Travis County



If we choose to accept the grant, the City of Rockwall will be required to:

1. Obtain and maintain full coverage insurance or present proper documentation claiming exemption from the compulsory Liability Insurance Law for the life of the trailer. Proof of that insurance or exemption must be provided when receiving awarded trailer and upon request following initial proof;
2. Maintain all license plates and inspections required by the Texas Department of Public Safety and the local jurisdiction of record;
3. Maintain the trailer in good working order;
4. Use the trailer only for permitted purposes, including all Citizen Corps programs, other permitted homeland security trainings, exercises, approved community events and CCP activations by the local jurisdiction's Emergency Management Authority or the State of Texas;
5. Return the trailer to the Texas Association of Regional Councils if deemed no longer needed or no longer being used according to FY2011 Citizen Corps Program Grant Guidance.

IMPLEMENTATION PLAN

The Rockwall CERT program's current vehicle, a Ford F150, has been a great asset for the team to respond to various incidents in the community; however, it has limited space for equipment. As a result, our team has had to select which equipment to bring to an incident and which equipment to leave behind. Our plan for the trailer is to re-organize our inventory, placing long-term incident equipment in the trailer and utilizing the Ford F-150 without the trailer for smaller incidents such as blocking roads during recent flooding. When Rockwall CERT is deployed to an incident that has potential to be long-lasting, such as large structure fires or wide-area searches, the trailer will be brought to the scene. The trailer will be a better location to store a temporary shelter/tent, chairs and fans for firefighter rehab, and a generator to power rehab fans and scene lighting. In addition, all of this equipment will be mobilized easily when it needs to be deployed.

TEXAS ASSOCIATION OF REGIONAL COUNCILS

September 22, 2015

The Honorable Jim Pruitt
Rockwall City Hall
385 South Goliad
Rockwall, Texas 75087

Dear Mayor Pruitt,

On behalf of the Texas Association of Regional Councils and the State Citizen Corps Council, I want to offer my sincere congratulations to the City of Rockwall for being selected as the recipient of a Texas Citizen Corps Custom Trailer. The City of Rockwall has been recognized by the Texas Citizen Corps Council as having outstanding programs and for their Citizen Corps and CERT service and outreach efforts.

Please take a few moments to review and sign the enclosed packet of information regarding the trailer and its use. Enclosed you will find a Memorandum of Understanding, SAA Information Bulletin No. 11-001, the Property Transfer Record Agreement and the Property Permanent Loan Form that will need to be signed by the authorized persons. Once all the paperwork is signed, please return the original signed copy to our office. Please arrange to pick up the awarded trailer by contacting Uryan Nelson, Texas Citizen Corps Manager at 512-478-4715.

Sincerely,

Penny Redington
Executive Director

MEMORANDUM OF UNDERSTANDING (MOU)

AGREEMENT FOR LOAN OF TRAILER PURCHASED WITH HOMELAND SECURITY FUNDS

This Loan Agreement (the "Agreement") is entered into by and between the Texas Association of Regional Councils ("TARC") and the City of Rockwall and the City of Rockwall Community Emergency Response Team ("City of Rockwall or City of Rockwall CERT") (also, individually, a "Party" or, collectively, the "Parties"). The purpose of this Agreement is to set out the terms and conditions under which TARC will loan the Trailer to the City of Rockwall CERT.

RECITALS

TARC has procured the trailer, accessories, and the Standard Texas Exempt License Plates described below (both individually and collectively, the "Trailer") with FY 2011, Texas Homeland Security funds:

1 CargoMate Blazer, 6' X 10' trailer

Accessories include:

1 Spare Tire Mount
1 E-track Installed
1 Rear Ramp Door
8 E-Track Tie Down Clips
1 Trailer Coupler Lock
1 Tri Max Univ. Coupler Lock
3 Master Lock Solid Disk
1 Line-X Floor Coating

1 Standard Texas Exempt License Plates registered in Travis County

Item Control Number
Serial Number/VIN: 5NHUBL016FY069869
Model Number: TXBL610SA
Acquisition Date: 08/21/2014
Total Retail Value of Trailer with Accessories and Graphics: $4,242.14

ARTICLE I
TERM

1.01 The term of this Agreement shall begin when the Agreement is fully executed and will be indefinite, unless terminated earlier pursuant to 1.02 below.

1.02 TARC may terminate this Agreement at any time with express 30-day notice to the City of Rockwall.

ARTICLE II
LICENSE TO USE TRAILER GRANTED

2.01 TARC will loan the Trailer to the City of Rockwall for the purpose of furthering the goals of Rockwall CERT, Texas CERT and Texas Homeland Security Strategy. In consideration for the loan of the Trailer, the City of Rockwall will:

A. Obtain and maintain full coverage insurance for the life of the Trailer, and provide proof of that insurance at time of receiving awarded trailer and upon request following initial proof;

B. Maintain all license plates and inspections required by the Texas Department of Public Safety and the local jurisdiction of record;

C. Maintain the Trailer in good working order;

D. Use the Trailer only for permitted purposes, including all Community Emergency Response Team programs, other permitted homeland security trainings, exercises, approved community events, and any CERT activation(s) by the local jurisdiction's Emergency Management Authority or the State of Texas;

E. Return the Trailer to TARC if deemed no longer needed or no longer being used according to FY 2011 Homeland Security Grant Program Guidance; and

F. Comply with all terms of this Agreement.

ARTICLE III
COMPLIANCE WITH LAW

3.01.1 The City of Rockwall certifies that it will comply with the Permanent Loan Guidelines promulgated by the State Administrative Agency (SAA), Information Bulletin No.11-001, March 02, 2011(*Attached*).

ARTICLE IV
INSPECTION OF TRAILER AND PERFORMANCE REPORTS

4.01.1 TARC, along with the designated State Administrative Agency (SAA), reserves the right to perform periodic on-site monitoring and inspection of the trailer. The City of Rockwall shall make the trailer available for inspection by the SAA and/or TARC or any of its authorized representatives and shall make available any performance records as deemed pertinent by the

SAA and/or TARC.

ARTICLE V
WAIVER AND HOLD HARMLESS AGREEMENT

5.01 In consideration of the permanently loaned trailer, the City of Rockwall waives, releases, and discharges TARC and any of its officers and/or employees from any claims, demands, and causes of action arising from use of the trailer. The City of Rockwall shall maintain financial liability for loss or damage to grant funded assets. The City of Rockwall must exercise reasonable care to safeguard assets from negligence and abuse, while providing proper maintenance as required.

ARTICLE VI
OTHER TERMS AND CONDITIONS

6.01 **Entire Agreement**. This Agreement and its attachments constitute the entire agreement between the Parties and contain all of the terms and conditions agreed upon. No other agreement, oral or otherwise, regarding the subject matter of this Agreement shall bind the Parties unless it is in writing, dated subsequent to the date hereof and duly executed by the Parties.

6.02 **Interpretation**. In the event any disagreement or dispute should arise between the Parties pertaining to the interpretation or meaning of any part of this Agreement or its governing rules, regulations, laws, codes or ordinances, TARC, as the Party responsible for compliance with the requirements of the State Homeland Security Grant Program, shall have the final authority to render or secure an interpretation.

6.03 **Notices**. For purposes of this Agreement, all official communications and notices among the Parties shall be deemed sufficient if in writing and mailed, registered or certified mail, postage prepaid, to the following addresses:

City of Rockwall:
The Honorable Jim Pruitt
City of Rockwall, Mayor
Rockwall City Hall
385 South Goliad
Rockwall, Texas, 75087

TARC:
Penny Redington
Executive Director
Texas Association of Regional Councils
701 Brazos, Suite 780
Austin, TX 78701

Notice of changes of address by either Party must be made in writing delivered to the other party's last known address within five (5) business days of such change.

6.04 **Parties Bound**. This Agreement shall be binding on the Parties of the agreement and their respective, administrators, legal representatives, successors and assigns, except as otherwise expressly provided herein.

6.05 **Relationship of Parties**. Nothing contained herein shall be deemed or construed by the Parties, or by any third party, as creating the relationship of principle and agent, partners, joint ventures or any other similar such relationship between the Parties.

6.06 **Texas Law to Apply**. This Agreement shall be construed under and in accordance with the laws of the State of Texas, and all obligations of the Parties created hereunder are performable in the City of Rockwall, Texas.

6.07.1 **Captions**. The captions contained in this Agreement are for convenience of reference only, and in no way limit or enlarge the terms and/or conditions of this Agreement.

6.07.2 **Recitals**. The Recitals at the beginning of this Agreement are incorporated into the Agreement and shall be binding on the Parties.

EXECUTED this the 23rd day of September, 2015.

This is to certify that the property described below was acquired by the expenditure of 2011 State Homeland Security Program grant funds awarded to the above named Homeland Security Grant Sub-Recipient (TARC). The jurisdiction/organization receiving the property (Rockwall, TX) certifies they have knowledge of the laws, rules and regulations of the aforementioned grant for the year of the award. The Grantee further certifies that they agree to be bound by all the contract covenants and exhibits to the Grantor's Sub-Recipient agreement and any modifications or amendments to that agreement as if they were written here. The Grantor and Grantee further certify that they are duly authorized and empowered by their governing body to enter into this agreement. The Grantor further certifies that the Grantee has complied with all State and Federal eligibility requirements.

The original subrecipient maintains financial liability for loss or damage to grant funded assets. Subrecipients must exercise reasonable care to safeguard assets from negligence and abuse, while providing proper maintenance as required. It is the original subrecipient's responsibility to complete the paperwork for the permanent loan and to follow the grant's disposal procedures. Receiving agencies acknowledge compliance with Texas Department of Public Safety, Homeland Security, State Adminstrative Agency and Department of Homeland Security grant and eligibility requirements as noted in the Sub-Recipient Agreement. It is the responsibility of the subrecipient of grant funds to ensure the receiving agency has met those eligilibility requirements before loan of equipment.

SAA Information Bulletin
No. 11-001, March 02 2011

To: Texas Regional Councils
Texas Association of Regional Councils

From: Machelle Pharr
Deputy Assistant Director

Subject: Guidance for Non-governmental Entity Receipt of HSGP Funded Equipment

Attachment: (1) Property Permanent Loan Form
(2) Property Temporary Loan Form

Purpose: This information bulletin is to replace GDEM –SAA Information bulletin No. 8 issued June 9, 2008. Some governmental agencies in the State of Texas find it necessary in the furtherance of their Emergency Operations Plan to loan equipment to other non-governmental responding entities. In consultation with Department of Homeland Security, the following guidance is provided.

"In accordance with HSPD-5, Management of Domestic Incidents, the adoption of the National Incident Management system (NIMS) is a requirement to receive Federal preparedness assistance through grants, contracts, and other activities. The NIMS provides a consistent nationwide template to enable all levels of government, tribal nations, nongovernmental organizations, and private sector partners to work together to prevent, protect against, respond to, recover from, and mitigate the effects of incidents, regardless of cause, size, location or complexity."

Because the spirit of the NIMS Program is not meant to be punitive, it is allowable for a NIMS compliant organization to purchase equipment which is then used by others via a Memorandum of Understanding. Such an arrangement would be appropriate when a governmental entity wants to ensure that its organizations, included in their Emergency Operations Plan, with fewer resources can still effectively respond. The entities receiving property should have a plan showing how they will meet the NIMS requirements, if they have not already done so.

In addition to the information provided above, the Property Permanent Loan Form and the Property Temporary Loan Form have been updated to reflect the State Administrative Agency (SAA) as the compliance entity for the State.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **September 30, 2015**

SUBJECT: **Damascus Road Pro-Rata Facility Agreement Extension**

Our Lady of the Lake Catholic Church widened Damascus Road back in 2010 to improve access to the Church and Heritage Christian Academy. The City Subdivision Ordinance required that adjacent properties along an unimproved road construct the road to City Standards at the time of development. These improvements would have been the responsibility of the Heritage Christian Academy and the undeveloped property owner along Damascus Road. The City approved a Pro-Rata Facility Agreement with the church on October 4, 2010 to address the future reimbursement.

The original agreement was for a term of five-years. This agreement will expire later this year and the church has requested the City to extend the agreement. Attached is a revised Facility Agreement for the Damascus Road Pro-Rata agreement extending the reimbursement period for consideration.

If you have any questions, please advise.

STATE OF TEXAS)

COUNTY OF ROCKWALL)
CITY OF ROCKWALL)

FACILITY AGREEMENT
DAMASCUS ROAD PRO-RATA

This Agreement is entered into on the _____ day of _____, 2015, by and between the City of Rockwall, Texas ("City") and Most Reverend Kevin J. Farrell, D.D., Bishop of the Roman Catholic Diocese of Dallas, and his successors in office, for the exclusive benefit of Our Lady of the Lake Parish (Rockwall) ("Church").

Whereas, Damascus Road currently provides sole access to the Church, Heritage Christian Academy (HCA) and an undeveloped 8.85 acre tract;

Whereas, The Church built a portion of Damascus Road described more particularly as paragraph 1 of Section 1, below;

Whereas, the City of Rockwall is to put forth a good faith effort to collect and pay to the Church the funds collected pursuant to Section 2, below;

WITNESSETH:

That in consideration of the mutual covenants and agreements contained herein, the parties agree as follows:

Section 1. Church agrees to the following:

1. Church constructed the approximately 1000 foot portion of Damascus Road (18' wide with 6" curb); including the 40-foot radius cul-de-sac, as shown on the plans prepared by Helmberger and Associates dated July 29, 2009 (Area "D" on the attached Exhibit A the "Road Segment").

2. The cost of the above referenced Damascus Improvements, including design, construction and City inspection (2% of construction cost) totals $173,024.45.

Section 2. The City agrees to the following:

1. City will collect, from each developer, or owners, of the property adjacent to the Road Segment ("B" on the attached Exhibit A), the "proportional" share of the cost of the Road Segment (as determined by the appropriate sections of the City of Rockwall Subdivision

94

Regulations), up to $118,146.80. These funds will be collected when the undeveloped land adjacent to the Road Segment is platted and prior to start of improvements on the adjacent property.

2. The City will collect from HCA ("A" on the attached Exhibit A) the cost of 4-feet of the 18-feet of pavement, constructed by the Church (Section 1.1, above), and not paid by the adjacent property owner per Section 2.1, above, up to $25,281.89. These funds will be collected when HCA expands its existing facility.

3. The City will pay the monies collected as outlined in Sections 2.1 and 2.2 above, to the Church, within 15 business days of the receipt of the funds.

4. The City will not charge Heritage Christian Academy or the Church, any pro-rata for the construction costs for the relocation of the Damascus and SH-205 intersection (which provides access to the Church and HCA), paid by the City.

5. Nothing in this agreement shall obligate the City to pay any monies other than those collected pursuant to this agreement in satisfaction of obligations herein stated. After diligent effort to collect payments, failure of the City, for whatever reason, to collect funds pursuant to sections 2.1 and 2.2 shall not obligate the City to pay any monies to the Church from any other City funding source.

Section 3. The City agrees that along with the widening of Damascus Road (to a minimum of 24-feet face of curb to face of curb, at this time), one additional point of access or emergency access, constructed in accordance with City Standards, will meet the City's requirement for the Church to obtain secondary access for current and future site development (as it relates to church expansion) for Lot 1, Block A, Our Lady of the Lake Catholic Church Addition ("C" on the attached Exhibit A).

Section 4. Nothing contained herein shall be considered as a waiver of the provisions of the City's Comprehensive Zoning Ordinance and Subdivision Regulations as the case may be.

Section 5. This Agreement replaces the orginal Facilities Agreement dated October 18, 2010 and shall remain in effect for a period of ten (10) years from the date of execution by both parties. If no payment is received from HCA or the owner of the undeveloped property by 180 days before the ten (10) years, the parties may by mutual written consent, extend the term for an additional period of time to be determined by the parties.

Section 6. Venue for this Agreement shall be in Rockwall County, Texas.

Section 7. Notice of this Agreement shall be in writing and addressed to the following:

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 10/05/2015

APPLICANT: Michael Hunter, *Rockwall Housing Development Corporation*

AGENDA ITEM: **MIS2015-007**; *Special Request (Ross Street @ Peters Colony)*

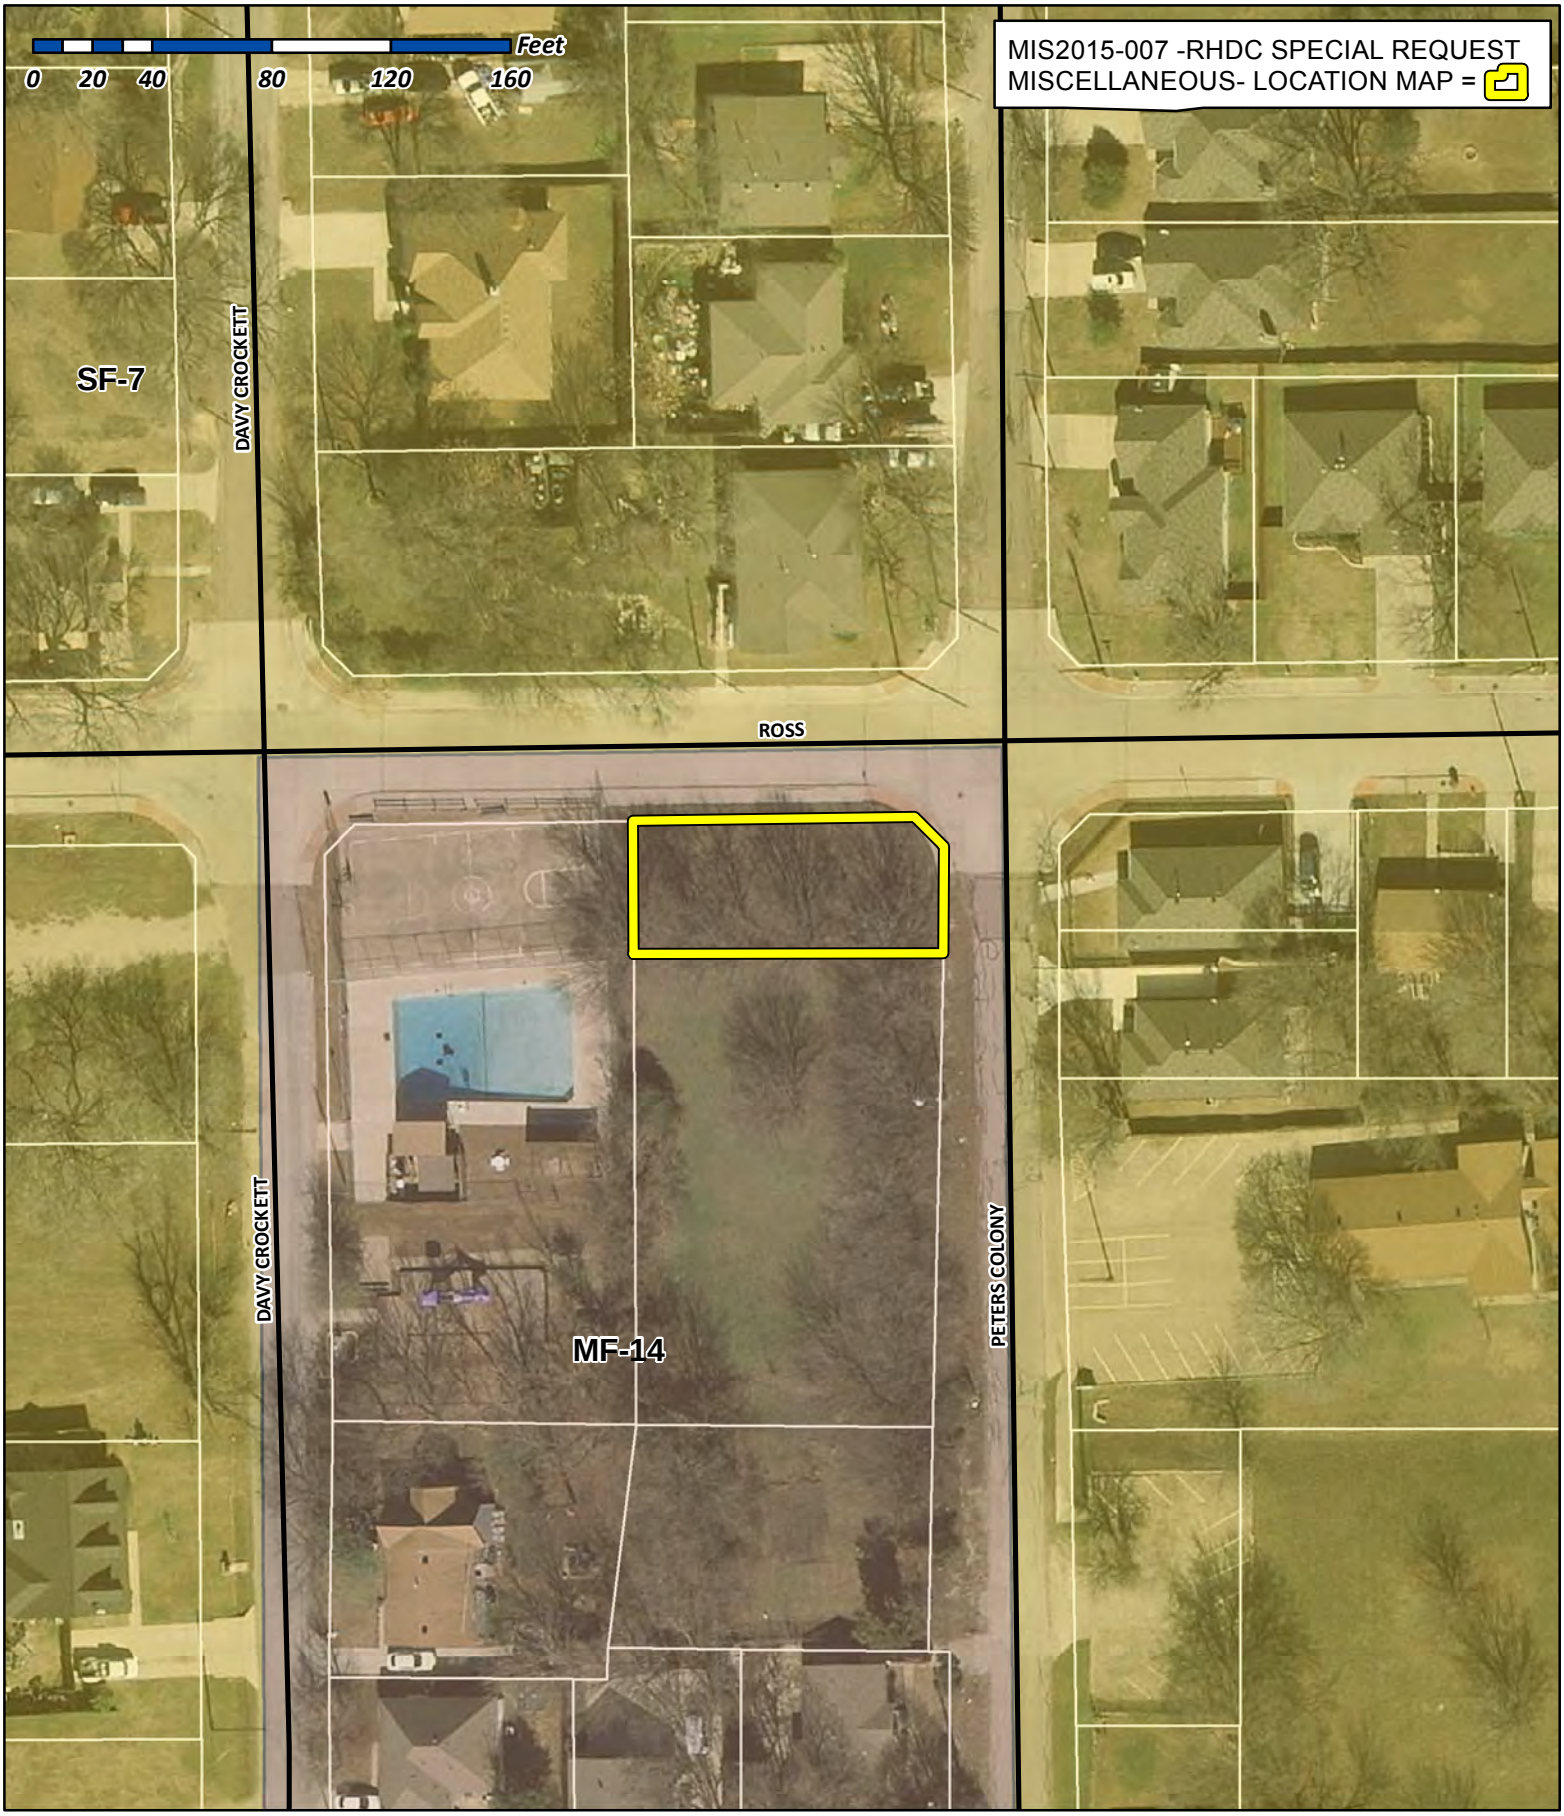
SUMMARY:

Discuss and consider the approval of a special request by Michael Hunter of the Rockwall Housing Development Corporation (RHDC) on behalf of the owner Jacquelyn W. Coleman for an exception to the masonry requirements and a waiver to building setback requirements for the purpose of constructing a duplex on a 0.09-acre parcel of land identified as Lot 1B, Block H, Sanger Addition, City of Rockwall, Rockwall County, Texas, being zoned Multi-Family 14 (MF-14) District, situated within the Southside Residential Neighborhood Overlay (SRO) District, located at the southwest corner of the intersection of Ross Street and Peters Colony, and take any action necessary.

CHARACTERISTICS OF REQUEST:

Michael Hunter of the Rockwall Housing Development Corporation (RHCD) has submitted a special request concerning the property at the corner of the intersection of Peters Colony and Ross Street. The property is zoned Multi-Family 14 (MF-14) District and is located within the Southside Residential Neighborhood Overlay (SRO) District. Mr. Hunter is proposing to construct a two (2) story duplex on the subject property, which is permitted by-right within the Multi-Family 14 (MF-14) District; however, the property being 40-feet wide and on a corner lot, (*i.e. increased side yard setback of 15-feet*) has a reduced building envelop of 19-feet by 70-feet. Due to the limited width of the building envelop the applicant is requesting to reduce the building setback adjacent to Ross Street to ten (10) feet, which will increase the building envelop to 24-feet by 70-feet. Section 6.4, *Southside Residential Neighborhood Overly (SRO) District*, of Article V, *District Development Standards*, of the Unified Development Code (UDC) grants the City Council the ability to consider special requests within the district -- *including the ability to vary setbacks* -- "…in [the] furtherance of neighborhood preservation and enhancement …" Typically, properties within the Southside Residential Neighborhood Overlay (SRO) District require a minimum of 50-feet of street frontage; however, the subject property being annexed prior to 1959 and being platted prior to 1983 is consider to be a *Lot of Record*, "…or a parcel of land not a part of an urban or town lot subdivision, the deed of which has been recorded in the office of the county clerk of Rockwall County prior to the adoption date of the ordinance [*1983*] from which this [*the*] Unified Development Code (UDC) is derived which has not been divided since recording."

In addition, the applicant is requesting an exception to clad the proposed duplex in 100% hardieplank lap-siding. According to Section 3.1 of Article V, *District Development Standards*, of the UDC, all residential structures 120 SF or greater shall be constructed of 80% masonry materials with 50% of the masonry requirement permitted to be hardieplank or a similar cemetaceous material. The code goes on to state that the City Council can grant exceptions to this requirement on a case-by-case basis after reviewing the building elevations of the proposed structure. *The applicant has submitted building elevations and a site plan for the proposed property that staff has included in the attached packet.*



RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the applicant's request staff would recommend the following conditions:

1) Any construction or building allowed by this request must conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On September 29, 2015, the Planning and Zoning Commission passed a motion to recommend approval of the applicant's request for an exception to the masonry requirements and a waiver to building setback requirements by a vote of 4-0, with Commissioners Renfro and McCuthcheon absent and one vacant seat.

Ryan Miller
Director
City of Rockwall
Planning and Zoning
Rockwall, Texas 75087

RE: Request for variances on a Property Identified as Sanger, Block H, Lot 1B Located within the Southside Overlay District

Mr. Miller:

The Rockwall Housing Development Corporation is representing Ms. Jacqueline Coleman, owner of the above identified property, in a request for variances on lot size and setbacks and an exception to the masonry requirements incorporated in the Southside Overlay District in order to construct a duplex housing structure on the above mentioned property.

I have attached a rough site plan, elevations and floor plans for the structure we are intending to build. The requests we are making will enable the lot to be placed back into use providing housing to families living in the Southside neighborhood. The structure we are proposing will allow us to provide housing to two families. Each unit will include a spacious living room and kitchen, 3 bedrooms, 1 full bath, 1 three quarter bath and 1 half bath.

Rockwall housing Development Corporation currently has over 150 families looking for rental housing on its waiting list. The need for additional, well-constructed and well-maintained, affordable rental housing in Rockwall is acute. Approving this request will help us continue to meet the growing need for affordable housing for our working class Rockwall residents.

Please call me if you need any additional information.

Thank you,

Michael Hunter
Executive Director

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 10/05/2015

APPLICANT: Michael Hunter, *Rockwall Housing Development Corporation*

AGENDA ITEM: **MIS2015-008**; *Special Request (112 Chris Drive)*

SUMMARY:

Discuss and consider the approval of a special request by Michael Hunter on behalf of the Rockwall Housing Development Corporation (RHDC) for waivers to the requirements stipulated in *Exhibit 'C'* of Planned Development District 75 (PD-75) [*Ordinance No. 09-37*] to allow the construction of two (2) single-family attached homes on a 0.27-acre parcel of land identified as Lot 984A of the Rockwall Lake Estates #2 Subdivision, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 75 (PD-75) for Single Family-7 (SF-7) District land uses, located at 112 Chris Street, and take any action necessary.

CHARACTERISTICS OF REQUEST:

On behalf of the Rockwall Housing Development Corporation (RHDC), Michael Hunter, *RHDC Executive Director* has submitted a special request to the standards of Planned Development District 75 (PD-75) for the purpose of constructing a single-family attached structure on two (2) lots within *Area 2* of the Lake Rockwall Estates subdivision. The subject property at 112 Chris Street will be subdivided creating two (2), ~5,400 SF (*i.e. 45' x 120'*) lots. A two (2) story, 2,724 SF single-family attached unit will be constructed on each lot and share an adjoining wall with the adjacent property. Additionally, the lot at the corner of the intersection of Chris Drive and County Line Road will incorporate a 900 SF metal garage that will be accessible from County Line Road. As part of this proposal the applicant is requesting the following waivers and exception to the development and land use standards stipulated by *Ordinance No. 09-37*:

1) *Single-Family Attached*. The development standards for *Area 2* contained in *Exhibit 'C'* of *Ordinance No. 09-37* require that all property within *Area 2* be subject to the land uses permitted for a Single-Family 7 (SF-7) District. According to Article IV, *Permissible Uses*, of the Unified Development Code (UDC) a single-family attached structure is not a permitted land use within a Single-Family 7 (SF-7) District.

2) *Lot Frontage.* The development standards for *Area 2* contained in *Exhibit 'C'* of *Ordinance No. 09-37* stipulate a minimum lot frontage of 50-feet on a public street. In this case the applicant is requesting to reduce this to 45-feet.

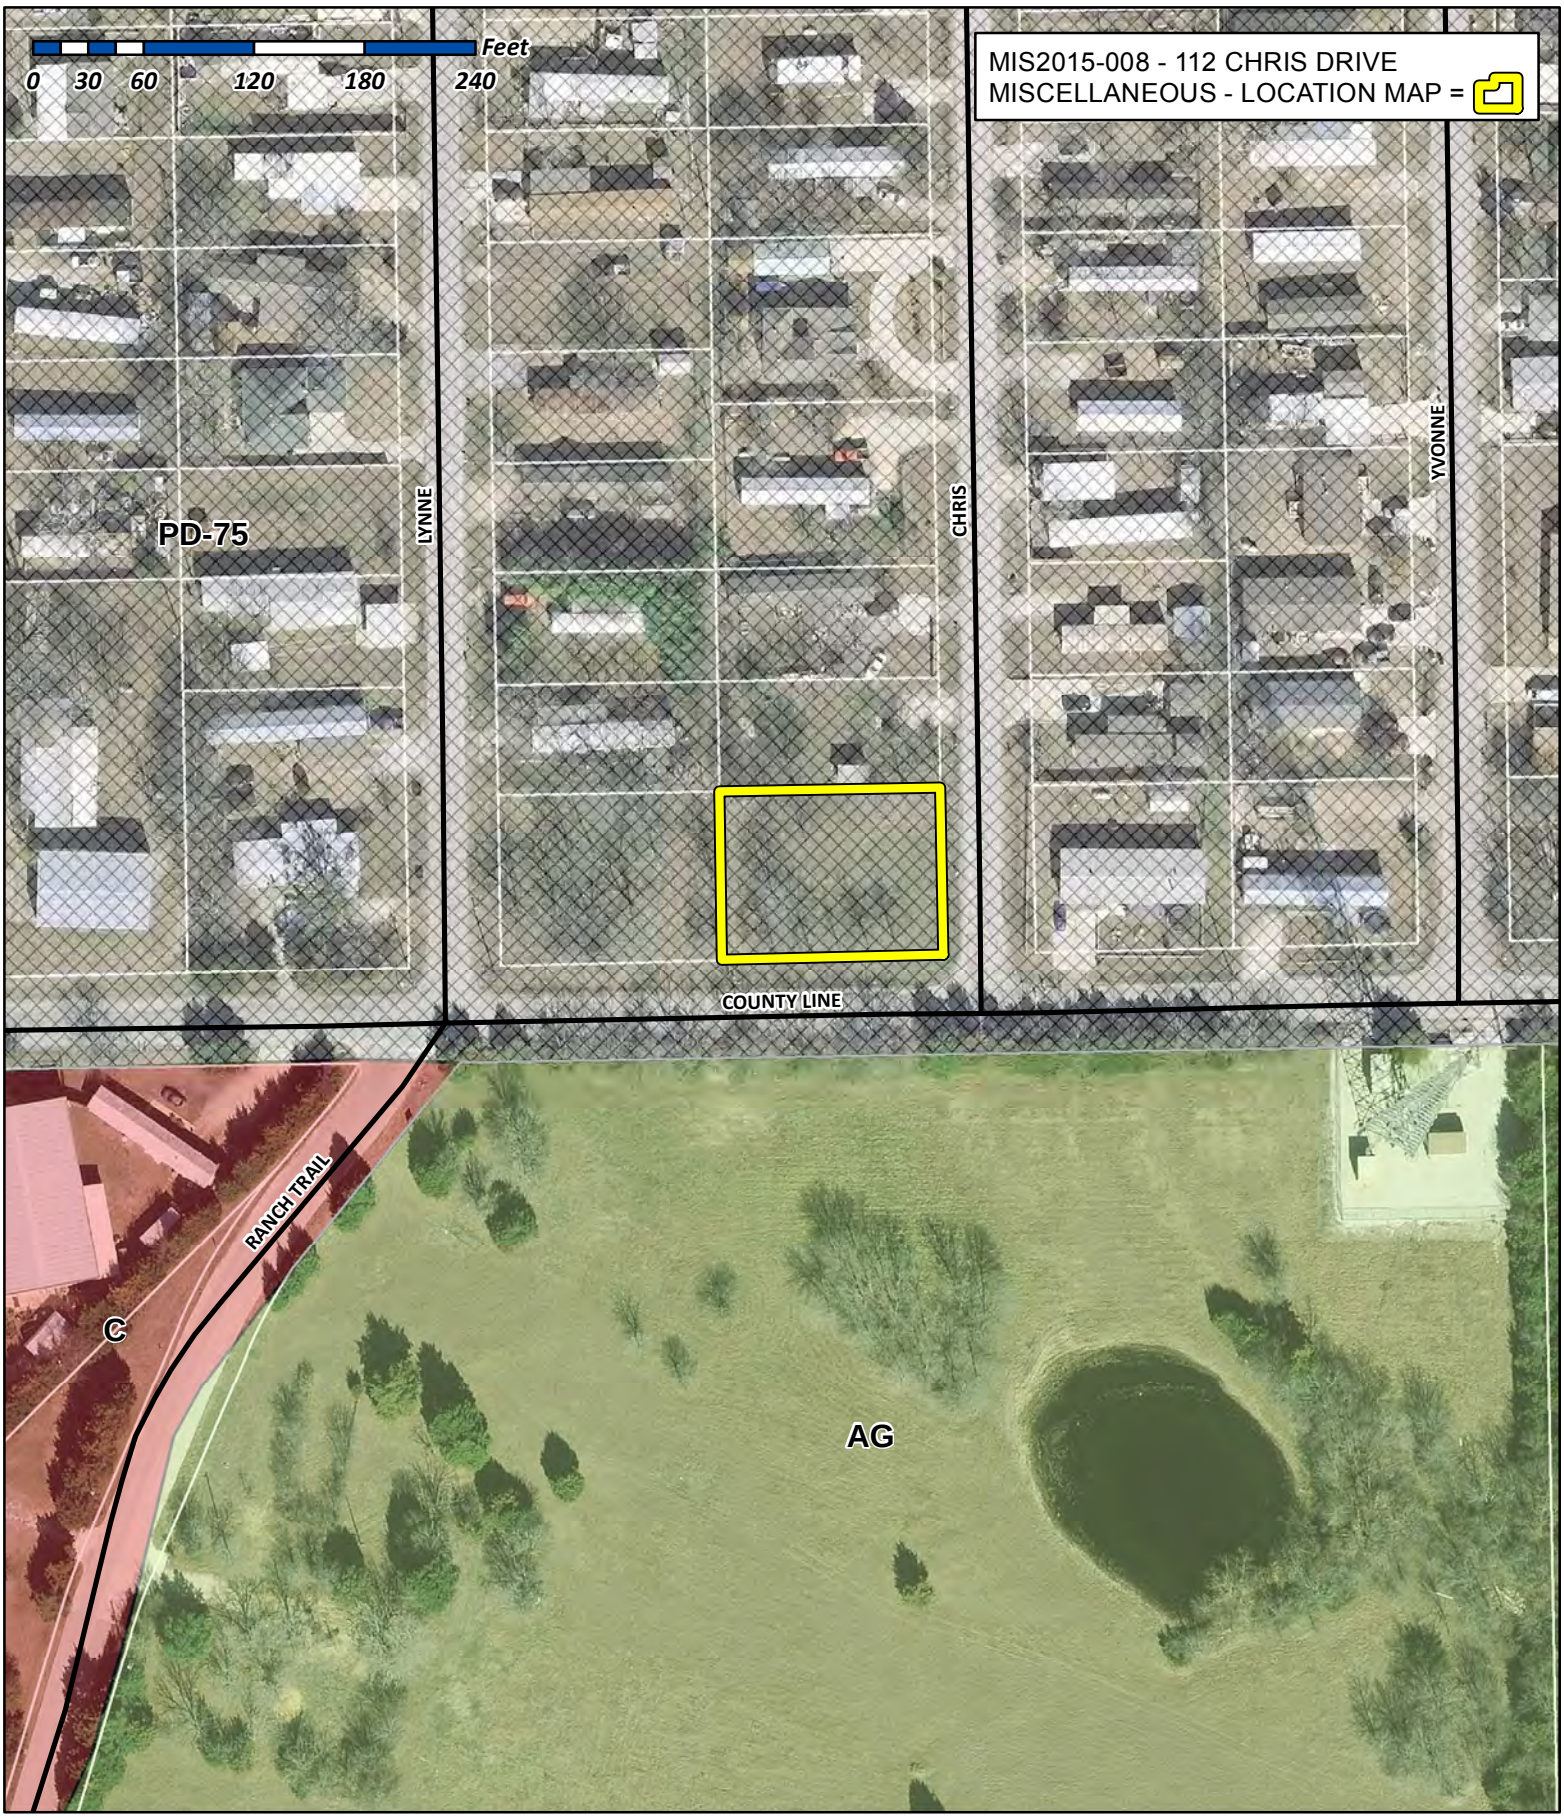
3) *Side Yard Setback.* The development standards for *Area 2* contained in *Exhibit 'C'* of *Ordinance No. 09-37* require a minimum side yard setback of five (5) feet. Since the structures will share a common wall the minimum side yard setback will be required to be reduced to zero along the property line containing the common wall.

4) *Masonry Requirement*. According to Section B, *Exterior Wall Materials*, of *Exhibit 'C'* of *Ordinance No. 09-37* all residential buildings 120 SF or more and over ten (10) feet in height shall have a minimum of 80% masonry exterior walls, with up to 50% of the masonry requirements permitted to be Hardie Board or a similar cementaceous material. The applicant is requesting an exception to the masonry requirements for the purpose of utilizing

100% hardieplank lap-siding on both single-family attached structures. Additionally, the garage will require an exception since the materials being proposed (*i.e. metal*) does not match the materials utilized on the primary structure. *The applicant has submitted building elevations of the proposed structure for the Planning and Zoning Commission and City Council's review.*

According to Section C, *Consideration of Special* Request, of *Exhibit 'C'* of Planned Development District 75 (PD-75) [*Ordinance No. 09-37*], "(t)he City Council may consider special requests … (s)uch requests may include, but not necessarily be limited to the use of building materials not otherwise allowed, authorization of specific land uses not otherwise allowed, or other requests submitted for consideration." The approval of any special request shall preempt any other underlying zoning restrictions stipulated by the zoning ordinance. With the exception of the abovementioned waivers and exception the proposed development meets the requirements of *Ordinance No. 09-37*.

It should be noted that if the City Council chooses to approve the applicant's request, Mr. Hunter has submitted a letter stating that the RHDC will withdraw *Case No. MIS2015-004*. This case -- *requesting the replacement of a manufactured home within a floodplain* -- was submitted by the RHDC on behalf of Jose Contreras (*i.e. the property owner of 142 Rene Drive*) after his property sustain considerable damage due to flooding in the Lake Rockwall Estates subdivision. It is the RHDC's intent to offer one of the proposed single-family attached units to Mr. Contreras, in exchange for the property at 142 Rene Drive. This would guarantee that no new structure could be placed on 142 Rene Drive, and that the existing mobile home would not be rehabilitated/repurposed; effectively removing a structure within the 100-year floodplain. Additionally, Mr. Hunter's letter states that the remaining unit will be offered to a family that is currently living in a sub-standard structure in the Lake Rockwall Estates subdivision. *A copy of Staff's case memo for Case No. MIS2015-004 has been provided in the attached packet.*



RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the applicant's request staff would recommend the following conditions:

1) Any construction or building allowed by this request must conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On September 29, 2015, the Planning and Zoning Commission passed a motion to recommend approval of the applicant's request for waivers to the requirements stipulated in Planned Development District 75 (PD-75) by a vote of 4-0, with Commissioners Renfro and McCuthcheon absent and one vacant seat.

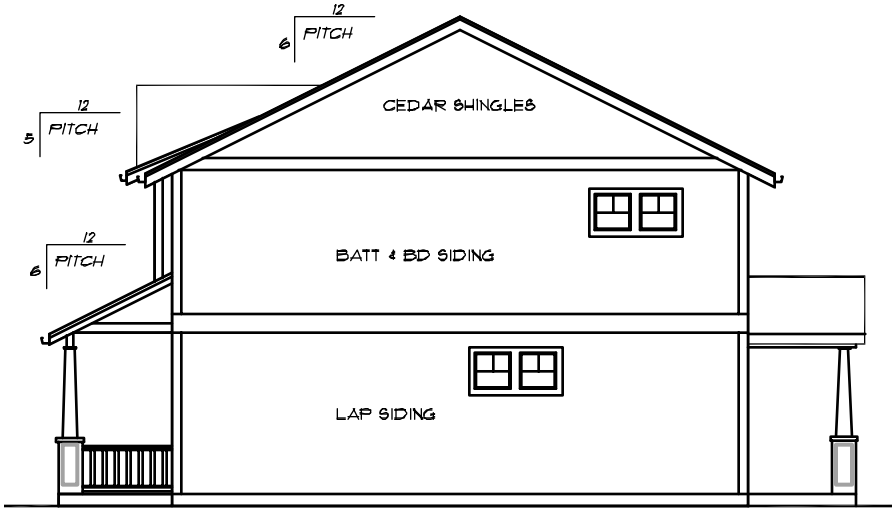
Ryan Miller
Director
City of Rockwall Planning and Zoning
Rockwall, Texas 75087

RE: Special Request Sub-Divide Lot at 112 Chris Located Within PD 75

Mr. Miller:

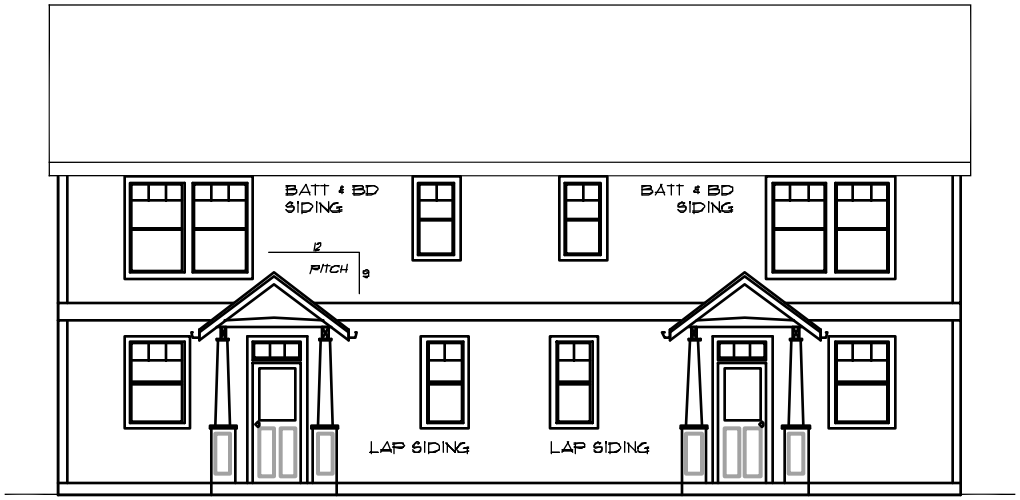
The Rockwall Housing Development Corporation ("the Corporation") owns 112 Chris Drive, Rockwall Texas 75032 which is located in Lake Rockwall Estates ("LRE") and is part of PD 75. The Corporation in its efforts to assist those Rockwall families affected by this year's flooding of Lake Wallace is requesting to build two (2) single family attached houses on the identified lot.

By allowing the Corporation to build two single family attached houses on the above identified property, the Corporation will be able to assist two families already living in Lake Rockwall Estates (the mobile home side) one of whom was living in property located in the flood plain which was severely damage as a result of the flood. Building these houses would provide a permanent solution to the flood plain issue for one family and, for another, move them out of a mobile home that is critically substandard. Each house we are proposing to build will include a spacious living room and kitchen, 3 bedrooms, 2 1/2 baths and an enclosed 1 car garage. In order to ensure the houses are affordable for the very low income families we wish to assist, we are also asking for an exemption to masonry requirements.



If this request is approved, we plan on withdrawing request MIS 2015-004, previously submitted. I have attached a rough site plan, elevations and floor plans for the attached single family houses we are intending to build. Approval of this request will enable the Corporation to help two families significantly improve their living conditions while improving the LRE area.

Please call me if you need any additional information.



Thank you,

Michael Hunter
Executive Director

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 08/11/2015

APPLICANT: David Smith, *Rockwall Housing Development Corporation*

AGENDA ITEM: **MIS2015-004**; *Manufactured Home Replacement (142 Rene Drive)*

SUMMARY:

Discuss and consider the approval of a special request by David Smith on behalf of the owner Jose Contreras for a waiver to the Manufactured Home Replacement Minimum Standards as set forth in Exhibit 'C' of Planned Development District 75 (PD-75) [*Ordinance No. 09-37*] to allow a new manufactured home to be located within the floodplain on a 0.17-acre property identified as Lot 1376, Rockwall Lake Estates #2, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 75 (PD-75) for Single Family-7 (SF-7) District land uses, located at 142 Rene Drive, and take any action necessary.

CHARACTERISTICS OF REQUEST:

On behalf of the owner the applicant, David Smith with the Rockwall Housing Development Corporation (RHDC), has submitted a special request to the requirements stipulated for *Manufactured Home Replacement Minimum Standards* outline in *Exhibit 'C'* of Planned Development District 75 (PD-75) [*Ordinance No. 09-37*]. According to this section, if an existing property has a manufactured home situated on it then the property owner is eligible for a one (1) time replacement of said manufactured home pending the replacement home meets the following criteria:

1) The replacement manufactured home shall be permanently affixed to a concrete foundation.
2) The replacement manufactured home shall have a minimum of a 3:12 roof pitch.
3) The replacement manufactured home shall be constructed of a minimum of 90% masonry materials on the exterior of the structure (excluding windows and doors; including the skirting material). This includes Hardiboard lap siding, "Cemplank" lap siding, or a similar cementaceous durable lap siding material that has a minimum width of 6¼-inches.
4) The replacement manufactured home shall be a newer manufactured home and contain at least the same living space/square footage as the previous manufactured home.

The property at 142 Rene Drive currently has an older manufactured home on the subject property that sustained considerable damage with the flooding in Lake Rockwall Estates earlier this spring (*see attached Inspection Report in the attached packet*). The RHDC did attempt to allow the applicant to build on land owned by the RHDC, but according to Mr. Smith's email this proved to be economically infeasible. At this point, the property at 142 Rene Drive is eligible for a one (1) time replacement subject to the requirements listed above; however, the property is located within the 100-year floodplain and does not meet the fire hydrant coverage requirements (*see staff's comments in the attached packet*). Mr. Smith has indicated that the RHDC is willing to assist the owner of the property in removing the existing manufactured home and securing a new manufactured home that will meet all the above mentioned criteria with the exception of the masonry requirements; however, in doing this he is asking that the City Council grant the following waivers/variances: 1) waiver of the masonry requirements, 2) allow construction within a 100-year floodplain, and 3) grant a variance to the fire hydrant coverage requirements. To off-

TABLED 08.04.15

set construction within the floodplain Mr. Smith has stated that the new manufactured home will be on a 24-inch engineered manufactured home foundation (the flooding was measured at 18-20 inches). The finished floor elevation of the property is estimated to be around 516'-518', approximately four (4) to six (6) feet below the 100-year floodplain elevation (~522'). With this being said it should be mentioned that the applicant does have the ability to rehabilitate the current structure, which would exempt him from all the waivers and variances requested.

According to Section C, *Consideration of Special Request*, of *Exhibit 'C'* of PD-75, the City Council may consider special requests on a case-by-case basis for properties located within the Lake Rockwall Estates subdivision pending a recommendation from the Planning and Zoning Commission. The approval of any special request shall preempt any other underlying zoning restrictions stipulated by the zoning ordinance. Additionally, City Council does have the authority to grant a waiver/variance for allowing a manufactured home to be placed on the subject property.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the applicant's request staff would recommend the following conditions:

1) Any construction or building allowed by this request must conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 10/05/2015

APPLICANT: Dub Douphrate, *Douphrate & Associates, Inc.*

AGENDA ITEM: **P2015-036**; *Lot 1, Block A, Our House Addition*

SUMMARY:

Discuss and consider a request by Dub Douphrate of Douphrate & Associates, Inc. on behalf of the owners Scott and Leslie Milder for the approval of a replat for Lot 1, Block A, Our House Addition being a 0.75-acre tract of land currently identified as Blocks 24A & 24C, Amick Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, addressed as 803 N. Goliad Street, and take any action necessary.

PLAT COMMENTS:

- ✓ The objective of this request is to replat two (2) existing parcels of land into one (1), 0.75-acre parcel of land for the purpose of rehabilitating an existing 1,738 SF single-family home and converting it into a banquet facility with office space. The proposed plat conforms to the site plan that was approved by the Planning & Zoning Commission on October 14, 2014 under *Case No. SP2014-026*.
- ✓ As part of this replat the applicant will be dedicating the remainder of the right-of-way needed for Lakefront Trail and Harbor Heights Drive.
- ✓ The surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for replats as stated in the *Subdivision Ordinance* in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.
- ✓ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

RECOMMENDATIONS:

Staff recommends approval of the final plat for *Lot 1, Block A, Our House Addition* in conformance with the following conditions of approval:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;
2) Any construction resulting from the approval of this *replat* shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On September 29, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the replat by a vote of 4-0, with Commissioners Renfro and McCuthcheon absent and one seat vacant.

P2015-036 (Lots 1, Block A, Our House Addition): Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 This is a request for the approval of a replat for Lot 1, Block A, Our House Addition being a 0.75-acre tract of land currently identified as Blocks 24A & 24C, Amick Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, and addressed as 803 N. Goliad Street.
I.2 For questions or comments concerning this case please contact Ryan Miller in the Planning Department at (972) 772-6441 or email rcmiller@rockwall.com.
M.3 For reference, include the case number (P2015-036) in the lower right hand corner of all pages on future submittals.
M.4 Please change the title block as follows:

Replat
Our House Addition
Lots 1, Block A
Being a Replat of Blocks 24A & 24C, Amick Addition
Being 0.75-acres
Situated Within the Benjamin F. Boydston Survey, Abstract No. 14
City of Rockwall, Rockwall County, Texas

I.5 The minimum depth of the front yard setback shall be 25-feet (from future right-of-way as shown on the adopted thoroughfare plan or as actually exists, whichever is greater) in those instances where an existing structure is converted into an office use.
M.6 Please indicate the front yard building setback.
M.7 Please indicate a rear yard of 30-feet per the Residential-Office (RO) District requirements.
M.8 Please indicate and label the street centerlines for N. Alamo Street and N. Goliad Street (State Highway 205 [SH-205]).
M.9 The acreage in the legal description does not match the acreage indicated on the plat diagram.
M.10 Please provide staff with a digital/PDF copy of the plat.
I.11 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested. The Planning & Zoning meeting date for this case will be September 29, 2015.
I.12 The projected City Council meeting date and subsequent approval for this plat is October 5, 2015.

RECOMMENDED FOR FINAL APPROVAL

_____ _____
Chairman, Planning & Zoning Commission *Date*

I hereby certify that the above and foregoing plat of Our House Addition, Lot 1, Block A to the City of Rockwall, Texas was approved by the Mayor of the City of Rockwall on the _____ day of _____, 2015.

This approval shall be invalid unless the approved Plat for such Addition is recorded in the office of the County Clerk of Rockwall County, Texas, within one year from said date of final approval. An extension may be granted by the City Council.

Said Addition shall be subject to all the requirements of the Platting Ordinance of the City of Rockwall.

Witness my hand this the _____ day of _____, 2015.

_____ _____ _____ _____
Mayor, City of Rockwall *Date* *City Secretary, City of Rockwall* *Date*

_____ _____
City Engineer, City of Rockwall *Date*

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS}
COUNTY OF ROCKWALL}

We, Scott Milder and Leslie Milder, the owners of the land shown on this plat, and designated herein as Lot 1, Block A, Our House Addition, an addition to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.
2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.
3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.
4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.
5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.
6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Addition upon the public services required in order that the development will comport with the present and future growth needs of the City; we, our successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exactions made herein.

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **October 2, 2015**

SUBJECT: **Facilities Agreement – Springhill Suites Development**

Staff received a request from Mr. Tom Kirkland of Tekmak Development Company to delay the construction of Harbor Heights Drive between Shoreline Drive and Lakefront Trail. The construction of this roadway is a requirement of this development.

Mr. Kirkland has requested the delay due to the cost of construction at this time. The attached Facilities Agreement has been prepared to allow the requested delay with restrictions. The construction could be delayed until the commencement of any construction/development of the property adjacent to the Cinemark Theater (known as Lot 7, Block A, Harbor-Rockwall Addition) or 36 months from the date of execution of this Facilities Agreement whichever occurs first. Should the Developer fail to comply with those restrictions, the Hotel Motel Tax Rebate could be denied and eliminated.

Staff requests City Council consideration to delay the construction of Harbor Heights Drive between Shoreline Drive and Lakefront Trail as a part of the Springhill Suites Development in accordance with the conditions established in the Facilities Agreement.

CITY OF ROCKWALL)

FACILITY AGREEMENT

This Agreement is entered into on the *5th* day of *October, 2015*, by and between the ***City of Rockwall, Texas*** (the *City*) and ***Tekmak Development Company***, (the *Developer*).

WITNESSETH:

Section 1. That in consideration of the delay for the construction of a 24-foot reinforced, concrete roadway (*Harbor Heights Drive*) -- which is depicted in *Exhibit 'A'* of this agreement -- to serve the property along 2601 Lakefront Trail located in Rockwall, Texas, the *City* and the *Developer* agree to the following:

The *Developer* agrees to the following:

(a) The *Developer* agrees to construct the 24-foot reinforced concrete roadway (*Harbor Heights Drive*) between *Shoreline Drive* and *Lakefront Trail*.
(b) The *Developer* agrees to fund the entire construction of this roadway.
(c) Failure to comply with the established timeframes stated in *Section 2(a.)* of this agreement will result in the loss of the *Hotel/Motel Tax Rebate*.

Section 2. The *City* agrees to the following:

(a) The *City* agrees to allow the construction of the 24-foot reinforced, concrete roadway (*Harbor Heights Drive*) to be delayed until either:

1) The commencement of any construction/development on the property identified as *Lot 7, Block A, The Harbor – Rockwall Addition* (depicted in *Exhibit 'B'* of this ordinance), or
2) The expiration of 36 months from the date of execution of this *Facilities Agreement* (i.e. October 4, 2018), whichever occurs first.

Section 3. Nothing contained herein shall be considered as a waiver of the provisions of the City's Comprehensive Zoning Ordinance and subdivision regulations as the case may be.

Section 4. Severability Clause. If any section or provisions of this Ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation, or circumstance, and the City Council

declares that it would have adopted the valid portions and applications of the Ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 5. Venue for this agreement shall be in Rockwall County, Texas.

Section 6. Notice of this Agreement shall be in writing and addressed to the following:

MEMORANDUM

TO: **Mayor and Council**

FROM: **Joey Boyd, Director of Internal Operations**

DATE: **October 1, 2015**

SUBJECT: **Contract with Meals On Wheels Senior Services**

As part of the budget process, Margie VerHagen, Executive Director of Meals On Wheels Senior Services, requested funding for nutritional / senior service programs provided in Rockwall.

Meals On Wheel's request of $30,000 was approved in the operating budget for this fiscal year. Attached for the Council's review is a contract with Meals On Wheels for 2015-2016.

The City Council is asked to consider the proposed contract and authorize the City Manager to enter into an agreement with Meals On Wheels Senior Services for nutritional and senior service programs in the City of Rockwall.

AGREEMENT FOR NUTRITIONAL PROGRAMS FOR THE ELDERLY AND DISABLED

STATE OF TEXAS §
COUNTY OF ROCKWALL § **KNOW ALL MEN BY THESE PRESENTS:**

THIS AGREEMENT is entered into by the **CITY OF ROCKWALL, COUNTY OF ROCKWALL, TEXAS (hereinafter referred to as "City"),** a municipal corporation, acting by and through Rick Crowley, City Manager, its duly authorized representative and **MEALS ON WHEELS SENIOR SERVICES, a nonprofit Texas corporation**, acting by and through Margie VerHagen, its duly authorized representative. The parties do hereby covenant and agree as follows:

Section 1. **Grant**. For and in consideration of compliance by Meals On Wheels Senior Services with covenants and conditions herein set forth, and the ordinances and regulations of the City, the City hereby contracts with Meals On Wheels Senior Services to provide certain nutritional programs to the elderly and disabled within the corporate limits of the City.

Meals On Wheels Senior Services shall conduct operations in accordance with all federal, state and local laws that exist at the time of the execution of this agreement and any additional laws, regulations, or requirements that may become effective during the term of this agreement. In addition, Meals On Wheels Senior Services agrees to conduct operations in accordance with the description of services outlined in Attachment "A" attached hereto and made a part hereof for all purposes. Meals On Wheels Senior Services shall be responsible for obtaining any permits or licenses required to fulfill its obligations under this agreement.

Section 2. **Payment.** City agrees to pay Meals On Wheels Senior Services the sum of **Thirty Thousand Dollars and No/Cents ($30,000.00)** for the provision of certain nutritional / service programs to the elderly and disabled. Said payments shall be made on the following dates: **December 31, 2015 for 1st Quarter, March 31, 2016 for 2nd Quarter, June 30, 2016 for 3rd Quarter, and September 30, 2016 for 4th Quarter Upon Receiving a Quarterly Report and Invoice.**

Section 3. **Term**. This agreement is to take effect and continue and remain in full force and effect for a period to expire on September 30, 2016.

Section 4. **Scope and Nature of Operation.** It is expressly agreed and understood that Meals On Wheels Senior Services shall provide the services as outlined in Attachment "A" continuously during the contract period.

Section 5. **Surety and Cancellation.** If at any time, the City Council determines that Meals On Wheels Senior Services has failed to perform, or performed in an unacceptable manner, any of the terms, covenants or conditions herein set forth, the City may revoke and cancel this agreement. The City Council shall be the sole judge of whether Meals On Wheels Senior Services has failed to perform. Meals On Wheels Senior Services shall be given written notice at least 10 days prior to consideration by the City Council of such action. Should the City Council revoke this agreement, Meals On Wheels Senior Services shall be responsible for reimbursing the City on a pro-rata basis any unearned funds paid by the City.

Section 6. **Complaint Handling by Meals On Wheels Senior Services.** Meals On Wheels Senior Services shall, at its own expense, provide a locally accessible telephone number and will answer calls from 8:00 a.m. until 5:00 p.m. daily, Monday through Friday, excluding such holidays as may be approved by the City, for the purpose of handling complaints and other calls regarding services provided by Meals On Wheels Senior Services. Meals On Wheels Senior Services shall maintain a log of all complaints and disposition of the complaints. This log shall be submitted to the City on a monthly basis. All complaints shall be given prompt and courteous attention and when possible, shall be resolved within a 24-hour period.

Section 7. **Vehicular Identification.** There are no vehicle identification requirements at this time. Provided that such markings or identification becomes necessary during the term of this agreement, the parties agree to implement such markings, and if so, will be the responsibility of Meals On Wheels Senior Services.

Section 8. **Reporting.** Meals On Wheels Senior Services shall provide quarterly reports to the City detailing the following:

Nutritional Programs for the Elderly and Disabled

a. Number of users – average daily and monthly totals

b. Type of services provided

c. Complaint logs

Section 9. **Books and Records.** Meals On Wheels Senior Services agrees to maintain adequate books and records relating to their performance under the provisions of the Agreement. The City may request from Meals On Wheels Senior Services specific periodic reports containing information deemed necessary by the City. The records of Meals On Wheels Senior Services applicable to the performance of this agreement shall and will be available when wanted for inspection by the City at any time during normal working hours upon 10 days written request.

Section 10. **Indemnification Insurance.** Meals On Wheels Senior Services assumes risk of loss or injury to property or persons arising from any of its operations under this agreement and agrees to indemnify and hold harmless the City from all claims, demands, suits, judgments, costs or expenses, including expenses of litigation and attorney's fees, arising from any such loss or injury. It is expressly understood that the foregoing provisions shall not in any way limit the liability of Meals On Wheels Senior Services. Meals On Wheels Senior Services shall require that all drivers carry at all times, in the vehicle, insurance certificates of financial responsibility.

Section 11. **Assignment.** No assignment, transfer, subletting, conveyance or disposition of this agreement or any right occurring under it shall be made in whole or in party by Meals On Wheels Senior Services without the prior written consent of the City Council. In the event Meals On Wheels Senior Services assigns, transfers, sublets, conveys, or disposes of this agreement without the prior consent of the City Council, the City may, at its discretion, terminate this agreement.

Section 12. **Venue.** This agreement shall be considered consummated in Rockwall County, Texas. All actions brought hereunder shall be brought in Rockwall County, Texas.

Section 13. **Modification.** This agreement constitutes the entire agreement and understanding between the parties hereto, and it shall not be considered modified, altered, changed, or amended in any respect unless modified by approval of the City Council as provided herein.

Section 14. **Right to Require Performance.** The failure of the City at any time to require performance by Meals On Wheels Senior Services of any provisions hereof shall in no way affect the rights of the City thereafter to enforce the same. No waiver by the City of any breach of any provisions hereof shall be taken or held to be a waiver of any provision itself.

Section 15. **Illegal Provisions.** If any provision of this agreement shall be declared illegal, void or unenforceable, the other provisions shall not be affected and shall remain in full force and effect.

Section 16. **Notices.** Any notice required or permitted to be delivered hereunder shall be in writing and shall be deemed to be delivered, whether or not actually received, when deposited in the United States Mail, postage prepaid, certified mail, return receipt requested, addressed to a respective party at the addresses set forth below:

If intended for the City:

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Cole, Assistant to the City Manager / City Secretary**

DATE: **October 2, 2015**

SUBJECT: **Ambulance-related ordinance**

In recent weeks, Council has had extensive discussions concerning what is essentially an "exclusivity" ordinance provision that has been in place in the City of Rockwall for some time now and is related to non-emergency ambulance transports. After lengthy discussion at the Sept. 21st meeting, Council provided direction to the city attorney to draft an ordinance for consideration to essentially repeal the (non-emergency transport) exclusivity provisions, effective Nov. 1st, while, at the same time not placing additional regulations on non-emergency ambulance service providers operating in the city beyond those which the State of Texas already imposes via state licensing. Included in your informational packet for consideration is a draft of this ordinance, which staff believes accomplishes the expressed desires of Council.

CITY OF ROCKWALL

ORDINANCE NO. 15-___

AN ORDINANCE OF THE CITY OF ROCKWALL, TEXAS, AMENDING CHAPTER 12, ARTICLE XII, SECTION 12 BY ADDING AND AMENDING SECTIONS 12-1250 THROUGH 12-1253 OF THE CODE OF ORDINANCES, REGULATING AMBULANCE SERVICES IN THE CITY; PROVIDING A SEVERABILITY CLAUSE; PROVIDING AN EFFECTIVE DATE AND PROVIDING FOR RELATED MATTERS.

WHEREAS, the City of Rockwall (the "City"), a Home Rule City and by State law and City Charter is permitted to establish ordinances to protect the health, safety and general welfare of its residents; and

WHEREAS, the City is a member of the "Sponsoring Local Governments" that established the County of Rockwall Emergency Services Corporation ("ESC") to contract with a provider to provide exclusive emergency ambulance service; and

WHEREAS, the City's current ordinance also provides for exclusive use by the ESC contractor for non-emergency ambulance transports, even though most of the other Sponsoring Local Governments do not require exclusive use of the ESC contractor for non-emergency ambulance transports; and

WHEREAS, the City Council continues to encourage the use of ESC contractor for non-emergency ambulance transports but the Council has determined that allowing residents and health care businesses to utilize their choice for non-emergency transports is necessary to protect the health, safety and general welfare of its residents;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THAT;

SECTION 1. FINDINGS. The foregoing recitals are hereby found to be true and correct and are hereby adopted by the City Council and made a part hereof for all purposes as findings of fact.

SECTION 2. AMENDMENT. Chapter 12, ArticleXII, Sections 12-1250 to 12-1253 are hereby amended to Chapter 12 and should read as follows:

ARTICLE XII. AMBULANCE SERVICE

- **Sec. 12-1250. - Definitions.**

DRAFT

145

- ***Ambulance***. Any privately or publicly owned motor vehicle that is specially designed, constructed, or modified and equipped; and is intended to be used for and is maintained or operated, for the transportation, on the streets or highways of this state; of persons who are sick, injured, wounded, or otherwise incapacitated or helpless.

- ***Emergency Ambulance Services.*** The operation of an ambulance for transportation in response to a 9-1-1 call to transport a sick or injured person in an ambulance after the sudden onset of a medical condition manifesting itself by acute symptoms of such severity that the absence of immediate medical attention could reasonably be expected to result in placing the patient's health in serious jeopardy, serious impairment to bodily functions, or serious dysfunction of any bodily organ.

- ***Non-Emergency Ambulance Services.*** The operation of an ambulance for any purpose other than providing emergency ambulance services.

Sec. 12-1251. - Contract required.

A. No person shall operate or cause to be operated a vehicle for emergency ambulance purposes nor furnish, conduct, maintain, advertise or otherwise be engaged in the business or service of the transportation of emergency ambulance patients within the city unless such person is the emergency ambulance service provider currently under contract with the County of Rockwall Emergency Services Corporation to provide emergency ambulance service within Rockwall County.

B. No person shall knowingly solicit ambulance services contrary to the regulations in this article.

Sec. 12-1252. - Applicability.

The provisions of section 12-1251 shall not apply to:

A. Rendering assistance to patients in the case of a major catastrophe or emergency with which the contractor's ambulances or approved franchises are insufficient or unable to cope with the major catastrophe or emergency;

B. Transporting a patient picked up outside of the county, traveling through the city to a destination outside of the county.

Sec. 12-1253. Non-Emergency Ambulance Service.

It shall be unlawful for any person to furnish, operate or otherwise engage in the operation of non-emergency ambulance transfer service from a point originating and ending within the streets of the City without a license or certification as an emergency medical services provider issued by the State of Texas.

SECTION 3 REPEALING ORDINANCES IN CONFLICT. All ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of such conflict.

SECTION 4 SEVERABILITY.
If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be unconstitutional or illegal, such decision shall not affect the validity of the remaining sections of this ordinance. The City Council hereby declares that it would have passed this ordinance, and each section, subsection, clause, or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared void.

SECTION 5 SAVINGS CLAUSE.
All ordinances or parts of ordinances, in conflict herewith are to the extent of such conflict hereby repealed. The balance of such ordinance is hereby saved from repeal.

SECTION 6. EFFECTIVE DATE. The Ordinance shall become effective on November 1, 2015 following its publication in the local newspaper as required by the Texas Local Government Code.

PASSED AND APPROVED BY THE CITY COUNCIL OF ROCKWALL TEXAS, this ___ _____ day of September, 2015.

Re: 206 Storrs Rockwall Nursing Care Center
Date: August 6, 2015

We responded to a report of a fire on August 04, 2015. The first unit on scene was met by a staff member outside and was directed to the affected room and told that a TV inside the room was on fire. Upon entry into the room the firefighter found that the TV had been extinguished by a staff member with a fire extinguisher however there was a significant amount of smoke throughout a majority of the building. All patients in the building with the exception of the Alzheimer's wing were evacuated from the building due to the smoke which had spread throughout the building. Below is a timeline of events that were recorded by dispatch and on the radio:

Dispatch time:	21:56.32
Enroute time:	21:57.45
On Scene time:	L-1 21:59.44
	817 22:01.39
	E-3 22:02.00
	810 22:02.52
	E-4 22:03.00
	L-2 22.03 59

Fire Investigator requested:	22:06.15
All occupants out of wing closest to fire and wing North of fire:	22:08.58
Decision made to evacuate 300 wing:	22:10.54
All patients evacuated:	22:15.44
27 patients evacuated:	22:19.16
35 patients were left sheltered in place:	22:34.24
840 on scene:	22:35.03
841 on scene:	23:12.11
17 patients relocated to Lake Pointe	00:47.44

Total personnel on scene: 2 Chiefs, 7 on duty personnel, 1 full time off duty, 13 Volunteers, 2 Fire Investigators.

Key Projects.

(1) ***New Internet Maps***. Continue development of new suite of internet maps. (90%)

(2) ***911 Addressing***. Assigned addresses to new homes, businesses, and parks.

(3) ***Screening Wall Project***. Began new GPS project locating all screening walls and collecting their condition, materials, and photos.

(4) ***Utility Network Update***. Updated all new development projects utilities via GPS location and input into GIS.

(5) ***Habitat for Humanity***. Developed 3D exhibits for elevation study for proposed home sites.

(6) ***NCTCOG Next Generation 911***. Quality checked GIS data for migration to new NG911 mapping system.

(7) ***Storm Shelter Registry***. Developed database and online application to allow citizens to register their storm shelters or safe rooms.

AGENDA
ROCKWALL CITY COUNCIL
Monday, October 19, 2015
4:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

II. WORK SESSION

1. Hold work session with the Rockwall Housing Development Corporation (RHDC) to discuss development-related issues in Planned Development 75 (PD-75), and take any action necessary.

III. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding Economic Development prospects pursuant to Section 551.087 (Economic Development)
2. Discussion regarding legal matters related to land lease operations at Ralph Hall Municipal Airport pursuant to Section 551.071 (Consultation with Attorney).
3. Discussion regarding appointments to city regulatory boards, commissions, or committees - interview candidates: Planning & Zoning Commission vacancy - pursuant to Section 551.074 (personnel matters)
4. Discussion regarding process associated with City Manager performance evaluation pursuant to Section 551.074 (personnel matters)

IV. ADJOURN EXECUTIVE SESSION

AGENDA
ROCKWALL CITY COUNCIL
Monday, October 19, 2015
6:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

V. RECONVENE PUBLIC MEETING

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER MILDER

VIII. PROCLAMATIONS / AWARDS

p.10 **1.** Bullying Prevention Month Proclamation

IX. OPEN FORUM

X. CONSENT AGENDA

p.12 **1.** Consider approval of the minutes from the October 5, 2015 regular city council meeting, and take any action necessary.

p.23 **2.** Consider authorizing a change order to Hill & Wilkinson Construction Group in the amount of $75,587.79 to be funded from the 2008 water and Sewer Revenue bonds to replace the sanitary sewer line along Kaufman Street from San Jacinto Street to Fannin Street, and take any action necessary.

p.26 **3.** Consider awarding a bid to Holt CAT and authorizing the City Manager to execute a Purchase Order for a new Backhoe in the amount of $127,320 to be funded out of the Water and Sewer Fund, Water Operations Budget, and take any action necessary.

p.28 **4.** Consider awarding a bid to Holt CAT and authorizing the City Manager to execute a Purchase Order for a new Skid Steer Loader in the amount of $37,568 to be funded out of the General Fund Streets Operations Budget, and take any action necessary.

p.30 **5.** Consider awarding a bid to CUES and Caldwell Country Chevrolet and authorizing the City Manager to execute Purchase Orders for a new CCTV Inspection Van totaling $219,855 to be funded out of the Water and Sewer Fund, Sewer Operations Budget, and take any action necessary.

p.32 **6.** Consider award a bid to Freightliner/CLS and authorizing the City Manager to execute a Purchase Order for a new VACCON Truck in the amount of $317,257.75 to be funded out of the Water and Sewer Fund, Sewer Operations Budget, and take any action necessary.

p.34 **7.** Consider authorizing the city manager to execute a Construction Manager at Risk contract with Dean Construction for construction associated with the Park at Stone Creek, with grant matching funds being provided by developer contributions in that park district, and take any action necessary.

p.82 **8.** Consider approval of a resolution supporting Statewide Proposition 7 for increased state funding for transportation in Texas, and take any action necessary.

XI. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

p.87 **2.** Appointment with Kim Lovett, Marketing Director, and Silvana Garcia, Property Manager, for The Harbor Rockwall to hear request concerning hosting of a Fox 4 Toys For Tots televised donation event at The Harbor on December 4th, and take any action necessary.

XII. PUBLIC HEARING ITEMS

p.91 **1.** **Z2015-025** - Hold a public hearing to discuss and consider a request by Bill K. Ryan for the approval of an **ordinance** for a zoning change from an Agricultural (AG) District to a Single Family One (SF-1) District for a 1.02-acre tract of land identified as Tract 11-2 of the D. Harr Survey Abstract, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the East SH-66 Overlay (E. SH-66 OV) District, addressed as 770 Davis Drive, and take any action necessary **(1st Reading).**

p.105 **2.** **Z2015-026** - Hold a public hearing to discuss and consider a request by Randy Kopplin of Stone Creek Real Estate Partners, LLC on behalf of the owner Arkoma Development, LLC for the approval of an **ordinance** amending Planned Development District 65 (PD-65) [Ordinance No. 08-02] to allow for a ~74,000 SF Assisted Living Facility to be established on a 5.507-acre portion of a larger 11.723-acre tract of land identified as Tract 5 of the S. King Survey, Abstract No. 131, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 65 (PD-65) for General Retail (GR) District land uses, located west of the intersection of N. Goliad Street [SH-205] and Pecan Valley Drive, and take any action necessary **(1st Reading)**.

XIII. ACTION ITEMS

p.132 **1.** Discuss and consider authorizing the city manager to execute an agreement with Paul Davis for through-the-fence access from private property onto the Ralph M. Hall / Rockwall Municipal Airport, and take any action necessary.

p.142 **2.** **SP2015-022** - Discuss and consider a request by Jonathan Hake of Cross Engineering on behalf of the owner Kenneth R. Smith of K. R. Smith Holdings, LLC for the approval of an exception to allow tilt-wall construction and variances to the articulation, architectural and material requirements for an approved site plan for an indoor/outdoor baseball training facility on a six (6) acre tract of land identified as Tract 4-07 of the N. Butler Survey, Abstract No. 20, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the SH-205 By-Pass Corridor Overlay (SH-205 BY-OV) District, located on the north side of Airport Road west of the intersection of Airport Road and John King Boulevard, and take any action necessary.

p.153 **3.** Discuss and consider a request by Michael M. Caffey for the approval of a structure preservation tax exemption application seeking to have the assessed value for ad valorem taxation fixed for a period of seven (7) years on the subject property at 311 S. Fannin Street, further identified as Lot 9 & 10, Block C of the Eppstein Addition, City of Rockwall, Rockwall County, Texas, zoned Single Family 7 (SF-7) District, located within the Old Town Rockwall (OTR) Historic District, and take any action necessary.

p.176 **4.** Discuss and consider various zoning provisions pertaining to Planned Development District 75 (PD-75) including sections dealing with consideration of special requests, and take any action necessary.

p.191 **5.** Discuss and consider potential regulation of non-emergency ambulance (transport) service providers operating within the city, and take any action necessary.

p.193 **6.** Discuss and consider approval of an **ordinance** amending the Code of Ordinances in Chapter 12. Businesses & Sales, Article XII. Ambulance Service by adding and amending Sections 12-1250 through 12-1253 regulating ambulance services and providers in the City, and take any action necessary. **(2nd reading)**

p.197 **7.** Discuss and consider approval of a policy for seasonal outside storage of shipping containers and/or similar storage containers for commercial land uses, and take any action necessary.

XIV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding Economic Development prospects pursuant to Section 551.087 (Economic Development)
2. Discussion regarding legal matters related to land lease operations at Ralph Hall Municipal Airport pursuant to Section 551.071 (Consultation with Attorney).

3. Discussion regarding appointments to city regulatory boards, commissions, or committees - interview candidates: Planning & Zoning Commission vacancy - pursuant to Section 551.074 (personnel matters)

4. Discussion regarding process associated with City Manager performance evaluation pursuant to Section 551.074 (personnel matters)

XV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

XVI. ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 771-7700 or FAX (972) 771-7727 for further information.

The City of Rockwall City Council reserves the right to adjourn into executive session at any time to discuss any of the matters listed on the agenda above, as authorized by Texas Government Code § 551.071 (Consultation with Attorney) § 551.072 (Deliberations about Real Property) § 551.074 (Personnel Matters) and § 551.086 (Economic Development)

I, Kristy Cole, City Secretary for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 16th day of October, 2015 at 4:00 p.m. and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

Kristy Cole, City Secretary — Date Removed

Jacky Casey, Assistant Secretary

Rockwall, Texas

Proclamation

Whereas, bullying is physical, verbal, sexual, or emotional harm or intimidation intentionally directed at a person or group of people; and

Whereas, bullying may occur in neighborhoods, playgrounds, schools, and through technology, such as the internet and cell phones; and

Whereas, various researchers have concluded that bullying is the most common form of violence, affecting millions of American children and adolescents annually, including many living right here in Rockwall; and

Whereas, studies show that targets of bullying are more likely to acquire physical, emotional, and learning problems, and students who are repeatedly bullied often fear activities such as riding the bus, going to school, and attending community activities; and

Whereas, children who bully are at greater risk of engaging in more serious violent behaviors, and those whom they bully often feel less secure, more fearful, and intimated.

Now, Therefore, I, Jim Pruitt, Mayor of the City of Rockwall, Texas, do hereby proclaim the month of October, 2015 as

BULLYING PREVENTION MONTH

in the City of Rockwall and urge all citizens to support awareness and prevention activities designed to make our city safer for all children and adolescents and to join our city's Youth Advisory Council and me in encouraging kindness and respect towards others.

In Witness Whereof, I hereunto set my hand and official seal this 19th day of October, 2015.

Jim Pruitt, Mayor

THIS PAGE INTENTIONALLY LEFT BLANK

11

MINUTES
ROCKWALL CITY COUNCIL
Monday, October 05, 2015
4:00 p.m. Regular City Council Meeting
City Hall - 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pruitt called the public meeting to order at 4:00 p.m. Present were Mayor Jim Pruitt, Mayor Pro Tem Dennis Lewis and City Council Members David White, Mike Townsend, and Scott Milder. Also present were City Manager Rick Crowley, Assistant City Manager Brad Griggs and City Attorney Frank Garza. Council Members Kevin Fowler and John Hohenshelt, as well as Assistant City Manager Mary Smith, were absent from the meeting.

II. WORK SESSION

1. Hold work session to discuss preliminary planning associated with the design of S. Lakeshore / Summit Ridge roadway improvements, and take any action necessary.

Mr. Crowley began discussion of this work session item. This particular, upcoming project will involve improvements to S. Lakeshore and Summit Ridge from SH-66 to FM-740. He indicated that traffic calming devices such as road humps and other pavement markings and signage have been added over the years in an effort to slow traffic and reduce the volume of traffic in these areas. He explained that gleaning feedback, first from those who live along the roadway and then perhaps broadening the scope of input sought, is likely a viable place to start before moving forward with preliminary design of the roadway. He explained that staff will begin with mailing a survey to those who live along the roadway. Also, he indicated that he may employ an engineer to evaluate some aspects of how sidewalks may be worked in with a narrowed roadway and what the costs would be, as well as what affect it would have on 'traffic calming' through the neighborhood. He understands that this stretch of road is often utilized as a cut through from Ridge Road over to SH-66 for many drivers, including those who do not live on this road or within the neighborhood at all. Mr. Crowley explained that the possibility of narrowing the roadway and adding sidewalks has been discussed in the past.

City Engineer Tim Tumulty indicated that over the years, some residents have been in favor of the traffic humps, while others have wanted them to be removed. General discussion took place regarding what options may be possible regarding re-doing this stretch of road and what the associated goals may be (i.e. discouraging its utilization as a 'cut through,' making it safe, slowing driving speeds down, and making the roadway look good). Mayor Pruitt expressed concern about school buses currently having to stop on the road itself to let out children, who then walk in the street because there are no sidewalks.

Mr. Crowley expressed that he would like to know if city council members have any negative feelings regarding the possibility of reducing the width of the roadway and adding sidewalks. It was clarified that it is possible that S. Lakeshore would be narrowed to be the same width as Summit Ridge. Mayor Pro Tem Lewis indicated that he likes the idea of narrowing the roadway and putting in sidewalks. No one on Council seemed to express any opposition to this idea at this time.

Mr. Crowley shared that attendance at city council meetings held years ago when road humps were discussed was in the 100's.

Mayor Pruitt then read the below listed items into the public record before recessing the meeting into Executive Session at 4:21 p.m.

III. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding process and appointment to Rockwall Central Appraisal District Board pursuant to Section 551.074 (personnel matters)
2. Discussion regarding appointments to city regulatory boards, commissions, or committees - interview candidates: Planning & Zoning Commission vacancy - pursuant to Section 551.074 (personnel matters)
3. **From Public Meeting Agenda – Action Item #7:** Discuss and consider approval of an ordinance amending the Code of Ordinances in Chapter 12. Businesses & Sales, Article XII. Ambulance Service by adding and amending Sections 12-1250 through 12-1253 regulating ambulance services and providers in the City, and take any action necessary. (1st reading)

IV. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 5:55 p.m.

V. RECONVENE PUBLIC MEETING

Mayor Pruitt reconvened the public meeting at 6:00 p.m. with five of the seven council members being present. Kevin Fowler and John Hohenshelt were absent.

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Pro Tem Lewis made a motion to approve Resolution #15-27 concerning submission of names for board member nominations to the Rockwall Central Appraisal District Board for 2016. Councilmember White seconded the motion, which passed by a vote of 5 ayes to 0 nays with 2 absent (Fowler and Hohenshelt).

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – MAYOR PRUITT

Mayor Pruitt delivered the invocation and led the Pledge of Allegiance.

VIII. PROCLAMATIONS / AWARDS

1. Proclamation - Hispanic Heritage Month

Mayor Pruitt called a few citizens forward. He then read and presented a proclamation declaring October 2015 as Hispanic Heritage Month.

IX. OPEN FORUM

Mayor Pruitt explained how Open Forum is conducted and asked if anyone would like to come forth and speak at this time.

Pastor Joe Robbins
St. Paul AME Church
805 Peters Colony
Rockwall, TX

Pastor Robbins came forth and indicated that he would like the city council to not approve a waiver to the masonry requirements being requested in Action Item #2. He explained that notice was not given by the city concerning this agenda item, but he is opposed to it. Planning Director Ryan Miller indicated that it is not a zoning case, so no public notice was required.

Mitch Ownby
Rockwall County EMS
809 S. Goliad
Rockwall, TX

Mr. Ownby came forth and briefly updated staff and council on the previously "rocky" relations with Presbyterian Hospital of Rockwall, generally indicating that he believes relations have been improving on an ongoing basis through a series of meetings between the two parties.

Reverend George P. Monaghan
1423 Murphy Road
Our Lady of the Lake Catholic Church
1305 Damascus Road
Rockwall, TX

Father Monaghan came forth and indicated that he represents 3,800 families and over 14,000 individuals in the parish. In addition, he has over 1,000 students in the school, mostly 1st through 12th graders. There are five weekend masses and eight during the week, and these do not include other ceremonies such as weddings, funerals, etc. They are currently working with an architect to reconfigure the church's space and add between 15,000-20,000 square feet. He proceeded to shared comments with the City Council concerning the pro rata facilities agreement regarding past improvements the church made to Damascus Road. He shared that if the church had not made improvements to the roadway when they did, the costs today for the same improvements could have been 50-60% more than it cost then. He went on to explain some of the specific terms outlined in the existing facilities agreement. He understands that recently there have been some discussions, ones he has not been privy to, concerning reassessing the proportional share currently mentioned in Section 2 within the facilities agreement. He encouraged the city council to move forward with granting an additional five year extension.

Richard Archibald
(no address given)

Mr. Archibald came forth and indicated that he represents the interests of Heritage Christian Academy (HCA). He shared that he recently met with city staff to discuss some of the

issues surrounding the pro rata facilities agreement. He expressed a desire to approach the matter fairly. He explained that the archdiocese constructed the road in accordance with city standards at the time. He explained that an easement that goes through what is now Damascus Road was granted and that the party granting that easement was to not have any associated responsibility. He explained that HCA was operating under that premise when they were asked by the Catholic Church to participate in widening the road, and since they did not have funds at the time to do so, they declined. He understood that there were no conditions as related to any project development. He explained that an exaction was placed upon HCA without a rough proportionality study, which he has come to understand is required under Texas Supreme Court authority. He shared that the study should not be based upon how much property frontage abuts the roadway but rather the impact involved. He said that one was not required, to his knowledge, five years ago, but that a requirement for conducting such study has arisen since that time. He generally encouraged the city to conduct such a study before moving forward with any extension of the pro rata facilities agreement.

Mayor Pruitt asked if anyone else would like to come forth and speak. There being no such indication, he then closed Open Forum.

X. CONSENT AGENDA

1. Consider approval of the September 21, 2015 City Council minutes, and take any action necessary.

2. Consider awarding the bid and authorizing the city manager to execute a Purchase Order to Professional Turf Products for the purchase of a Toro Infield Groomer in the amount of $28,721.32 to be funded out of the General Fund - Parks Operations Budget, and take any action necessary.

3. Consider authorizing the city manager to execute a professional services contract with Birkhoff, Hendricks and Carter, LLP to perform engineering design services for the Quail Run Gravity Flow Line and the Squabble Creek Lift Station Improvements in an amount of $220,500.00 to be funded with 2015 Water and Sewer Revenue Bonds, and take any action necessary.

4. Consider authorizing the city manager to execute a professional services contract with Kimley-Horn and Associates, Inc. Consulting Engineers to perform the traffic signal design at the intersection of North Lakeshore Drive and Masters Boulevard in an amount not to exceed $36,500 to be funded out of the FY2015-16 Street Operations Budget, and take action necessary.

5. Consider authorizing the City Manager to execute a contract with the Texas Department of Transportation, Aviation Division for participation in the Routine Airport Maintenance Program (RAMP) at the Ralph M. Hall / Rockwall Municipal Airport, with matching funds for the grant to be provided by the Airport Operating Budget, and take any action necessary.

6. **P2015-037** - Consider approval of a request by Jennifer Garcia of KBGE on behalf of Collins Hartzog of Rockwall Texas 2015, LLC for the approval of a replat for Lot 3, Block 1, HJG Plaza Addition being a 0.91-acre tract of land identified as Lot 2, Block 1, HJG Plaza Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the SH-205 Overlay (SH-205 OV) District, located on the east side of SH-205 [S. Goliad Street] north of the intersection of SH-205 and Yellow Jacket Lane, and take any action necessary.

7. Consider, accept and authorize the Mayor to execute the Citizen Corps Trailer Grant Agreement, and take any action necessary.

Councilmember White made a motion to approve the entire Consent Agenda (#s 1, 2, 3, 4, 5, 6 and 7). Councilmember Townsend seconded the motion, which passed by a vote of 5 ayes with 2 absent (Fowler and Hohenshelt).

XI. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Mayor Pruitt indicated that this item would not be discussed since Chairman Renfro is not present and was unable to attend this evening.

XII. ACTION ITEMS

1. Discuss and consider extending the existing Facilities Agreement with the Roman Catholic Diocese of Dallas for a period of ten years regarding pro-rata reimbursement for the construction of Damascus Road, and take any necessary action.

City Engineer Tim Tumulty generally indicated that the issue of proportionality was recently brought up during a meeting between Heritage Christian Academy representatives and the city attorney, Frank Garza. The City Attorney has advised that a proportionality study is now in order, under the circumstances, and considering that one was not conducted back in 2009. It was also explained that a Supreme Court case pertaining to the City of Flower Mound is applicable to this particular circumstance, and that court case transpired after the time that the original facilities agreement was established. Also, after the Flower Mound case, state law changed, so currently, if this same situation were to transpire today, a proportionality analysis would be required. As such, staff, including the city attorney, is recommending this evening that the city council consider extending the existing facilities agreement for a period of 90 days to allow time for a proportionality study to be performed. Mr. Garza further explained that proportionality should be tied to 'usage,' and, since one was never performed prior to the facilities agreement being put in place, it is prudent to conduct one now in order to determine appropriate costs. Mr. Garza went on to explain that these sorts of pro rata facilities agreements are more often than not put in place when a developer needs to build a roadway and additional development is expected to occur along that roadway fairly soon afterwards. Typically, in those situations, these funds are repaid very quickly. However, this case is unique because if HCA never decided to do any improvements on its property such as expanding its parking lot, then HCA would never end up having to repay the funds associated with the roadway improvements. He suggested moving forward with a proportionality study to determine usage and then sit down with both parties to go over it and discuss it.

Councilmember Townsend made a motion to extend the existing facilities agreement for a period of 90 days to allow staff time needed to have a proportionality study performed. Councilmember Milder seconded the motion.

General discussion took place regarding a large piece of the roadway that has abutting property that is not yet developed and how that piece of property would be accounted for in the proportionality analysis. Mr. Crowley explained that the undeveloped property is still

zoned, so that zoning classification would be a driving factor. When asked, indication was given that existing city engineering staff will be conducting the study.

The motion passed by a vote of 5 ayes with 2 absent (Fowler and Hohenshelt).

2. **MIS2015-007** - Discuss and consider the approval of a special request by Michael Hunter of the Rockwall Housing Development Corporation (RHDC) on behalf of the owner Jacquelyn W. Coleman for an exception to the masonry requirements and a waiver to building setback requirements for the purpose of constructing a duplex on a 0.09-acre parcel of land identified as Lot 1B, Block H, Sanger Addition, City of Rockwall, Rockwall County, Texas, being zoned Multi-Family 14 (MF-14) District, situated within the Southside Residential Neighborhood Overlay (SRO) District, located at the southwest corner of the intersection of Ross Street and Peters Colony, and take any action necessary.

Mr. Miller explained that the property is located on the southwest corner of Peters Colony and Ross Street and is zoned multi-family 14 district and is located in the Southside Residential Overlay district. Mr. Hunter is proposing to construct a two story duplex structure, which is a use that is permitted 'by right' under this zoning. However, he generally explained that the lot size is smaller, so the applicant is asking for an exception to be granted concerning the 5' side yard setback requirement on Ross Street. He went on to explain that the applicant would also like to request a waiver that would essentially allow him to utilize 100% hardie plank on the structure in lieu of adding any masonry that would otherwise be required. The code does allow waivers to be granted by city council for these two issues on a case-by-case basis. He explained that the Planning & Zoning Commission recently voted to recommend approval of the waivers by a vote of 4 in favor with 0 against (two commissioners absent and one vacant seat).

Mr. Michael Hunter
Resides at: 220 W. Quail Run Road
Executive Director of the Rockwall Housing Development Corporation
(501 c-3 corporation housed at 787 Hail Drive)
Rockwall, TX

Mr. Hunter came forth and provided various comments related to the proposed design of this structure, sharing that whether you look at it from Ross Street or from Peters Colony, it will be designed as though the person is viewing the front of the house. He briefly mentioned the desired waiver that is being requested related to the side yard setback. Furthermore, concerning the masonry waiver, he generally explained that this request is being made in an effort to keep the building costs minimal to allow for whoever may rent this property in the future to be able to afford to live there by keeping it within their budget.

After additional comments, Councilmember White made a motion to approve MIS2015-007 related to the setback requirements waiver. Mayor Pro Tem Lewis seconded the motion, which passed by a vote of 4 in favor, 1 against (Milder) and 2 absent (Fowler and Hohenshelt).

Councilmember White made a motion to approve MIS2015-007 in regards to the masonry requirement waiver. There being no second to the motion, the motion died. No further motions or action took place concerning this agenda item.

3. **MIS2015-008** - Discuss and consider the approval of a special request by Michael Hunter on behalf of the Rockwall Housing Development Corporation (RHDC) for waivers to the requirements stipulated in Exhibit 'C' of Planned Development District 75 (PD-75) [Ordinance No. 09-37] to allow the construction of two (2) single-family attached homes on a 0.27-acre parcel of land identified as Lot 984A of the Rockwall Lake Estates #2 Subdivision, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 75 (PD-75) for Single Family-7 (SF-7) District land uses, located at 112 Chris Street, and take any action necessary.

Planning Director Ryan Miller indicated that this property is located with Planned Development District 75 within Lake Rockwall Estates. The applicant is requesting to subdivide the property into two roughly 5,400 square foot lots and construct two single-family, attached units. It is similar to a duplex; however, each lot will be an individual lot, they would share a common wall and have single ownership. He indicated that the applicant is asking the city council to grant various special exceptions to PD-75 as follows:

1) **Single-Family Attached. The development standards for Area 2 contained in Exhibit 'C' of Ordinance No. 09-37 require that all property within Area 2 be subject to the land uses permitted for a Single-Family 7 (SF-7) District. According to Article IV, Permissible Uses, of the Unified Development Code (UDC) a single-family attached structure is not a permitted land use within a Single-Family 7 (SF-7) District.**

2) **Lot Frontage. The development standards for Area 2 contained in Exhibit 'C' of Ordinance No. 09-37 stipulates a minimum lot frontage of 50-feet on a public street. In this case the applicant is requesting to reduce this to 45-feet.**

3) **Side Yard Setback. The development standards for Area 2 contained in Exhibit 'C' of Ordinance No. 09-37 require a minimum side yard setback of five (5) feet. Since the structures will share a common wall the minimum side yard setback will be required to be reduced to zero along the property line containing the common wall.**

4) **Masonry Requirement. According to Section B, Exterior Wall Materials, of Exhibit 'C' of Ordinance No. 09-37 all residential buildings 120 SF or more and over ten (10) feet in height shall have a minimum of 80% masonry exterior walls, with up to 50% of the masonry requirements permitted to be Hardie Board or a similar cementaceous material. The applicant is requesting an exception to the masonry requirements for the purpose of utilizing**

The mayor confirmed with the applicant that this structure would not be a pre-manufactured home but, rather, it would be built from the ground up. Also, he confirmed with Mr. Hunter that approval of this item would go along with the city council's goal to avoid having structures rebuilt within this area after they have previously been flooded (due to heavy rainfall). Mayor Pruitt then made a motion to approve MIS2015-008 concerning exception #1 pertaining to the land use. Mayor Pro Tem Lewis seconded the motion. Councilmember Lewis asked some questions related to the two garages that are being proposed. Councilmember White shared that he would like to remind the city council that this request goes against the intention of the zoning, which is to not turn Lake Rockwall Estates into multi-family zoning. He expressed that past public meetings were well attended with residents from the neighborhood who expressed opposition to multi-family housing. After various comments, the motion failed by a vote of 2 in favor, 3 against (White, Townsend and Milder) and 2 absent (Fowler and Hohenshelt).

Mayor Pruitt made a motion to approve the special requests associated with lot frontage, side yard setback and masonry standards. The motion passed by a vote of 3 in favor, 2 against (Townsend and Milder) and 2 absent (Fowler and Hohenshelt).

4. **P2015-036** - Discuss and consider approval of a request by Dub Douphrate of Douphrate & Associates, Inc. on behalf of the owners Scott and Leslie Milder for the approval of a replat for Lot 1, Block A, Our House Addition being a 0.75-acre tract of land currently identified as Blocks 24A & 24C, Amick Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, addressed as 803 N. Goliad Street, and take any action necessary.

Mayor Pruitt indicated that Councilman Milder has recused himself from this item and has filed appropriate paperwork with the City Secretary since he is the property owner associated with this case.

Mayor Pro Tem Lewis made a motion to approve P2015-036. Councilmember White seconded the motion, which passed by a vote of 4 ayes, 1 recusal (Milder) and 2 absent (Fowler and Hohenshelt).

5. Discuss and consider delaying the construction of Harbor Heights Drive between Shoreline Drive and Lakefront Trail as a part of the Springhill Suites Development in accordance with the conditions established in the Facilities Agreement, and take necessary action.

Mr. Crowley explained that the applicant, Mr. Kirkland recently visited with city staff concerning the possibility of delaying construction of this roadway. City Engineer Tim Tumulty went on to explain that construction costs have been increasing quite a bit lately. So, the applicant has asked the city if it would consider allowing construction of the roadway to be delayed for a period of time. Indication was given that staff does not foresee any issue with granting said request.

Mayor Pruitt made a motion to approve delay of the construction as requested in accordance with the conditions outlined in the facilities agreement. Councilmember White seconded the motion, which passed by a vote of 5 ayes with 2 absent (Fowler and Hohenshelt).

6. Discuss and consider authorizing the city manager to execute a contract with Meals on Wheels Senior Services for certain nutritional and senior service programs in the amount of $30,000.00 to be funded from the Administration Department Operating Budget, and take any action necessary.

Mayor Pruitt indicated that Councilmember White will be recusing himself from this agenda item, as he is currently the Chairman of the Meals on Wheels organization.

Councilmember Townsend made a motion to authorize the city manager to execute the contract as requested. Mayor Pro Tem Lewis seconded the motion, which passed by a vote of 4 ayes, 1 abstention (White) and 2 absent (Fowler and Hohenshelt).

At 7:05 p.m. Mayor Pruitt then read Action Item #7 below into the public record before recessing the meeting into Executive Session as authorized by Texas Government Code § 551.071 (Consultation with Attorney).

7. Discuss and consider approval of an **ordinance** amending the Code of Ordinances in Chapter 12. Businesses & Sales, Article XII. Ambulance Service by adding and amending Sections 12-1250 through 12-1253 regulating ambulance services and providers in the City, and take any action necessary. **(1st reading)**

Mayor Pruitt reconvened the public meeting at 7:33 p.m. Mayor Pro Tem Lewis made a motion to approve the ordinance. Councilmember Milder seconded the motion. City Attorney Frank Garza clarified that this ordinance formally repeals exclusivity of non-emergency ambulance transport services in the city and stipulates that providers of non-emergency transports must meet all state requirements. The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-28

AN ORDINANCE OF THE CITY OF ROCKWALL, TEXAS, AMENDING CHAPTER 12, ARTICLE XII, SECTION 12 BY ADDING AND AMENDING SECTIONS 12-1250 THROUGH 12-1253 OF THE CODE OF ORDINANCES, REGULATING AMBULANCE SERVICES IN THE CITY; PROVIDING A SEVERABILITY CLAUSE; PROVIDING AN EFFECTIVE DATE AND PROVIDING FOR RELATED MATTERS.

The motion passed by a vote of 5 ayes with 2 absent (Fowler and Hohenshelt).

XIII. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports
Fire Dept. Monthly Reports - August 2015
GIS Department Monthly Report - August 2015
Harbor PD Monthly Report - August 2015
Internal Operations Department Monthly Report - August 2015
Police Department Monthly Reports - August 2015
Recreation Monthly Report - August 2015
Rockwall Animal Adoption Center Monthly Report - August 2015

2. City Manager's Report

Mayor Pruitt thanked the city's Parks & Recreation Department for hosting a successful Rib, Rub and Run event this past Saturday. Also, over 950 hamburgers were served at the Fire Department Open House that took place over the weekend, an event that was also a large success. Mr. Crowley reminded everyone that the police department's Texas Night Out is scheduled in neighborhoods all around the city tomorrow night.

The city council did not recess into Executive Session following the conclusion of the public meeting agenda.

XIV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding process and appointment to Rockwall Central Appraisal District Board pursuant to Section 551.074 (personnel matters)

2. Discussion regarding appointments to city regulatory boards, commissions, or committees - interview candidates: Planning & Zoning Commission vacancy - pursuant to Section 551.074 (personnel matters)

XV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

The city council did not recess into Executive Session following the conclusion of the public meeting agenda.

XVI. ADJOURNMENT

The meeting was adjourned at 7:38 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS 19th DAY OF OCTOBER, 2015.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **October 16, 2015**

SUBJECT: **Rockwall Downtown Project Change Order Request**

As the reconstruction of the Downtown Project nears completion, the Contractor is working on the section of Kaufman Street between San Jacinto Street and Fannin Street. While the engineering/architectural plans do not include replacement of City utilities in this area, the sanitary sewer line is in bad condition and needs to be replaced prior to replacing the concrete pavement over it.

Hill & Wilkinson Construction Group is the contractor for this project. There sub-contractor has quoted a cost of $75,587.79 to replace this section of sanitary sewer line. Staff requests City Council consideration to approve the charge order in the amount of $75,587.79 to Hill & Wilkinson Construction Group to replace the sanitary sewer line along Kaufman Street from San Jacinto Street to Fannin Street and take any action necessary. Funding will be taken from the 2008 water and Sewer Revenue bonds.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Richard Crowley, City Manager**

FROM: **Lea Ann Ewing, Purchasing Agent**

DATE: **October 12, 2015**

SUBJECT: **Purchase of a New Backhoe Loader for Water Department**

Approved in the Water and Sewer Fund, Water Operating budget, is $148,510 to purchase a new backhoe and trailer.

Budget is adequate to cover the cost of the Caterpillar Backhoe for a total price of $127,320. Once the Backhoe is delivered, the remaining budget will be used to buy the trailer to haul it.

This equipment is available from Holt CAT through the BuyBoard purchasing cooperative contract #424-13. As a member and participant in this cooperative, the City has met all formal bidding requirements pertaining to the purchase of this new equipment.

For Council consideration is the Backhoe bid award to Holt CAT for $127,320 and authorizes the City Manager to execute a purchase order for this new equipment.

33

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Brad Griggs, Assistant City Manager

FROM: Andy Hesser, Parks and Recreation Manager

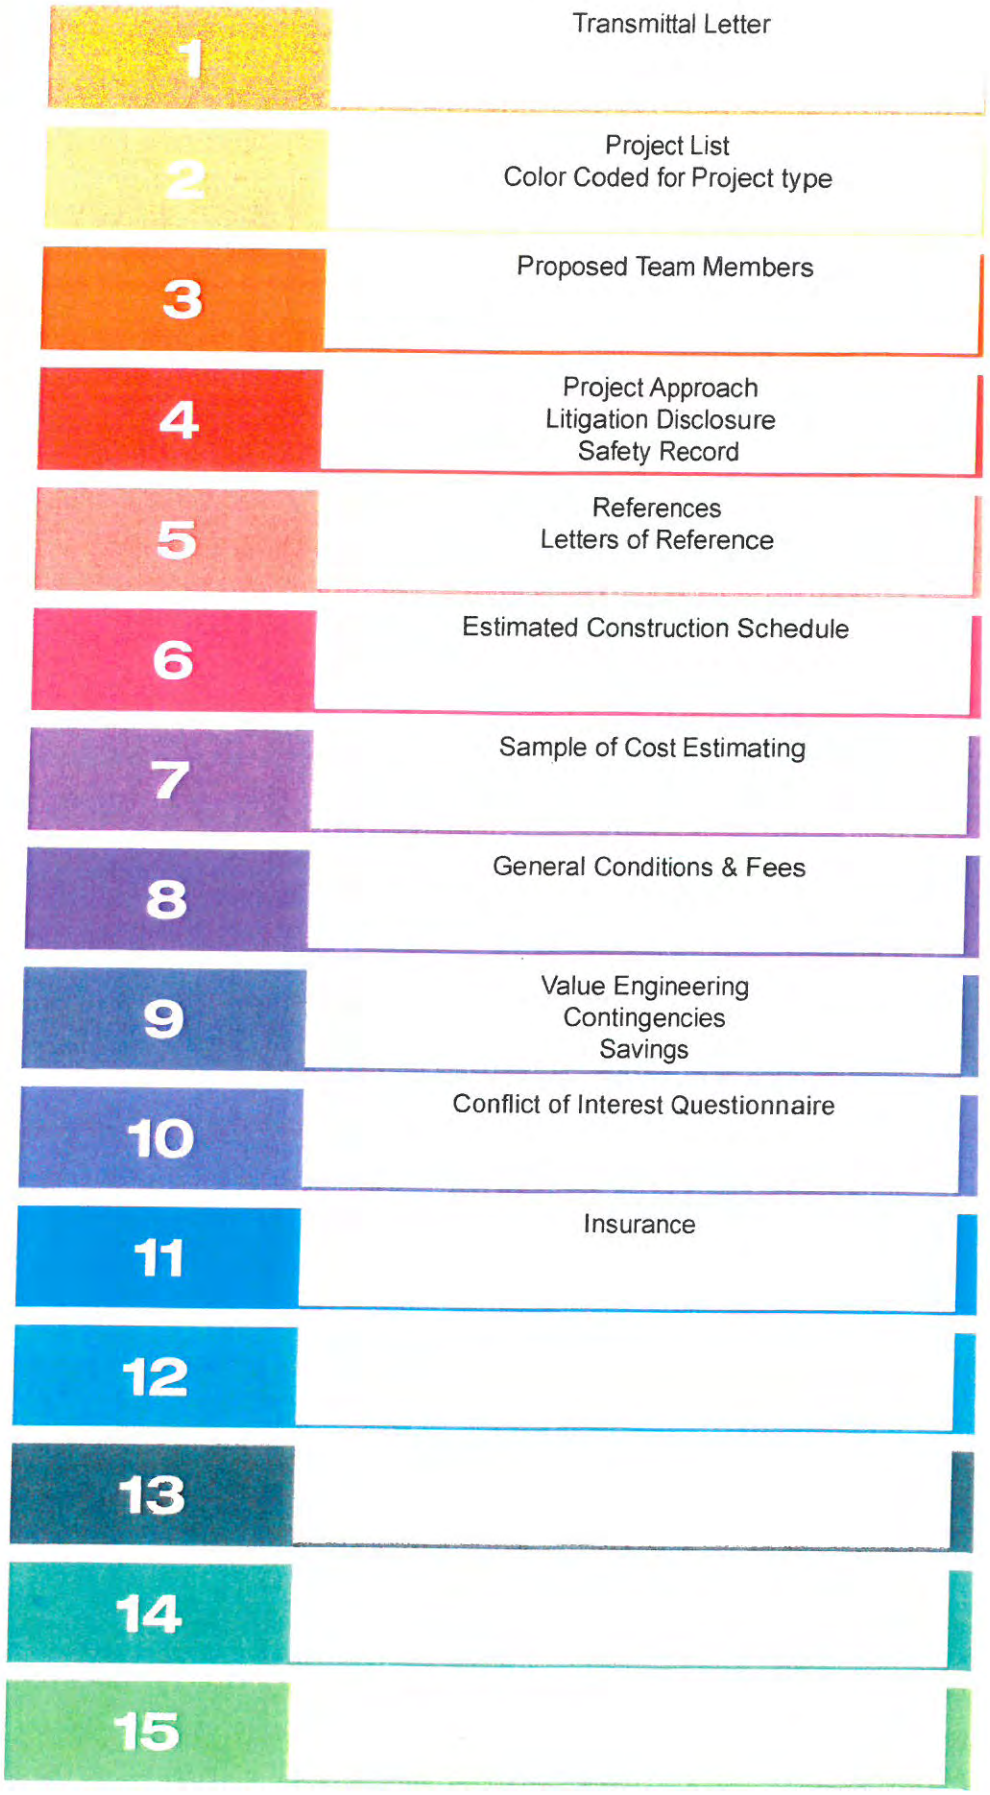
DATE: October 14, 2015

SUBJECT: CONSTRUCTION MANAGER AT RISK CONTRACT FOR THE PARK AT STONE CREEK

On August 27, 2015, the City issued a public notice for a Request for Qualifications (RFQ) for qualified general contractors to provide Construction Manager at Risk (CMAR) services for the construction of The Park at Stone Creek. The CMAR process is a one that the City has used on many facility and park construction projects and has been very successful.

The total project budget is $647,800, of which $400,000 will be reimbursed from the Texas Parks and Wildlife Local Parks Grant funds. The remaining portion is funded by developer contributions in that park district.

The deadline for receiving RFQ responses was on September 11, 2015. The City also sent specific notices or invitations to contractors that we have worked with in the past or that were recommended by the project designer, MHS Planning and Design. At the deadline, the City received one qualified response from Dean Construction. Dean Construction has been in business over 24 years and has an impeccable reputation throughout Texas in the parks and recreation industry.



A copy of the RFQ, project budget and Dean Construction's proposal is included in your packet for review. The RFQ asks for experience on similar projects, references, as well as experience and approach to estimating and scheduling. It also asks for a proposed preconstruction services fee and General Conditions cost.

The Dean Construction proposed a 6% preconstruction services fee that provides scheduling, design and constructability recommendations during the design process and a guaranteed maximum price (GMP) to construct. The proposed general conditions cost is $42,800. Once a GMP is agreed upon, the contractor will proceed as scheduled.

The City Attorney is currently reviewing a draft of the CMAR contract. If the contractor successfully completes The Park at Stone Creek, the RFQ and contract includes a provision to award future similar projects such as The Park at Breezy Hill under the CMAR format. The timing of the completion of Stone Creek could coincide well with the beginning of The Park at Breezy Hill construction, thereby possibly minimizing mobilization and general conditions costs.

At the October 6th meeting, Park Board voted unanimously to recommend to City Council that they consider authorizing the City Manager to negotiate a Construction Manager at Risk contract with Dean Construction for the construction of The Park at Stone Creek.

Contingent on Council approval, the construction schedule would begin in December and be completed in May or June of 2016, weather permitting.

Rockwall, TX 75087

Dear Ms. Ewing,

We are honored to be considered for Construction Manager at Risk for Neighborhood Park Conctruction.

The proposal and statement of qualifications is offered for your consideration. We are certain you will find Dean Construction meets and exceeds your criteria for selection.

The proposal enclosed will remain in effect for a period of 90 days from September 18, 2015. I am looking forward to the opportunity of working with the City of Rockwall.

Sincerely,

Gregory Firebaugh

SURVEYOR • SUPERVISOR

Professionally trained and experienced land surveyor. Provide all land surveying services relating to boundaries, design, construction, and mapping. Typical services include corner searches, parcel maps, subdivisions, lot line adjustments, line staking, easement surveys/analysis, boundary agreements, boundary surveys, topographic mapping, commercial/ industrial surveys, global positioning surveys (GPS), and watercourse boundaries. Interprets blueprints and schematics; maintains impeccable records.

Skilled at supervising and assuring quality work of field surveyors; excellent employee relations.

Computer expertise includes Microsoft Office Suite, TDS Foresight, and Trimble software.

WORK EXPERIENCE

Dean Construction – Cedar Hill, Texas 2007 to Present

Supervisor/Construction Lay-out

Supervise projects on-site; coordinate work assignments with surveyor and subcontractors. Assure accurate measurements and accurate construction work.

Nathan D. Maier Consulting Engineers, Inc. – Dallas, Texas 1997 to 2007

Field Supervisor

Supervised three crews for new construction and addition projects; demonstrated and operated all GPS equipment; set up jobs; coordinated construction site requirements with contractors. Monitor plan preparation and specifications for approximately 30 water Treatment Plants and City Parks projects in Frisco, McKinney, Duncanville, Waxahachie and Colleyville.

Conducted all major boundary work, topographical surveys and construction layouts; monitored plan preparation and specifications for subdivisions, schools and parks.

TRAINING AND CERTIFICATION

Tyler Junior College – Surveyor Course

53

Victor Del Rio
1508 Lilac LN
Plano, TX 75074

Professional Experience

Construction Supervisor – Dean Construction, Cedar Hill, Texas (2014 to present)

- Schedule and assign personnel to projects.
- Responsible for company policy enforcement and safety procedure implementation.
- Direct and operate as required all construction equipment (backhoes, motor graders, box blades, trackhoe, scrapers, etc…).
- Schedule and order equipment rentals and materials.
- Conduct initial site assessments.
- Coordinate project management meetings.

Foreman – Dean Construction, Cedar Hill, Texas (2006 to 2014)

- Manage construction crews of up to 10 finishers, form setters, concrete place and finishers and other labor personnel.
- Performed all duties of crew supervisor and equipment operation
- Scheduling, instruction and training of all field personnel
- Responsible for company policy enforcement and safety procedure implementation.

54

Project Approach, Litigation disclosure & Safety record

Dean Construction has over 24 years of experience. Our philosophy is to deliver the highest level of quality within the industry both on-time and within budget, and to assure that the standards of today's construction meet the stringent requirements set forth by the company's founder.

Our pre-construction staff provides clients with a wide variety of services from the earliest design stages through completed project design and beyond. An up-to-date cost database allows our preconstruction staff to develop an accurate project budget early in the design phase and maintain the given budget through design completion. Once plans have reached 50%, 75% and 100% we will provide a detail budget, at those times we will provide any cost saving construction solutions. Utilizing our own in-house expertise, we can also provide systems analysis, value engineering, and detailed document review/coordination to ensure the most cost-efficient and timely design.

Once plans are 100% with an agreeable budget, the next phase will commence. Design team or Dean will draft a bid form for subcontractors to bid on. Dean will advertise with local newspaper for two weeks before distributing plans for a bid. We will also be bidding on portions of the bid items ourselves. This process can save cities thousands of dollars and keep pricing competitive. We prefer and encourage clients to host bid opening at their facility. Once bids are in, the design team & Dean will work together to achieve GMP.

Dean has implemented this same process over 20 times in municipalities in the DFW area with very successful outcomes. We have never failed to reach a GMP or complete a project. We are a recognized leader in park construction and enjoy repeat invitations from the cities where we have previously worked. The municipalities in the DFW area realize building parks is our only business, and welcome our bids and/or proposals.

Dean Construction has never been involved in any litigation, debarment, suits or claims.

Dean Construction's accident frequency rate and modifier is .78 for the past five years. We have not been cited by OSHA or had any deaths.

CITY OF
SOUTHLAKE

Department of Community Services

September 10, 2015

To Whom It May Concern:

The City of Southlake prides itself on quality throughout all its development projects. That quality starts with the people it employs and the contractors with which it works. I have the utmost respect for Dean Construction. The character of the staff is exceptional. The caliber of their people and thoroughness of the construction crews are outstanding. Dean Construction is very diligent and conscientious in all the work it does. Even when design firms ignore owner recommendations, make serious mistakes, or omit important details, I have confidence the project will be completed successfully when Dean Construction is involved.

Dean Construction has worked on several projects within Southlake and each has resulted in many accolades from the residents. Dean Construction responded quickly to many concerns and provided unique solutions to any issues that arose.

Dean Construction works extremely well with engineers and cooperates very professionally with owners to achieve an excellent project that is within budget.

If you should have any questions regarding the qualifications of Dean Construction, I would be happy to ensure you that they will provide the best work possible.

Sincerely,

Peter Kao, P.E.
Construction Project Manager

SOUTHWEST ASSURANCE GROUP, INC.

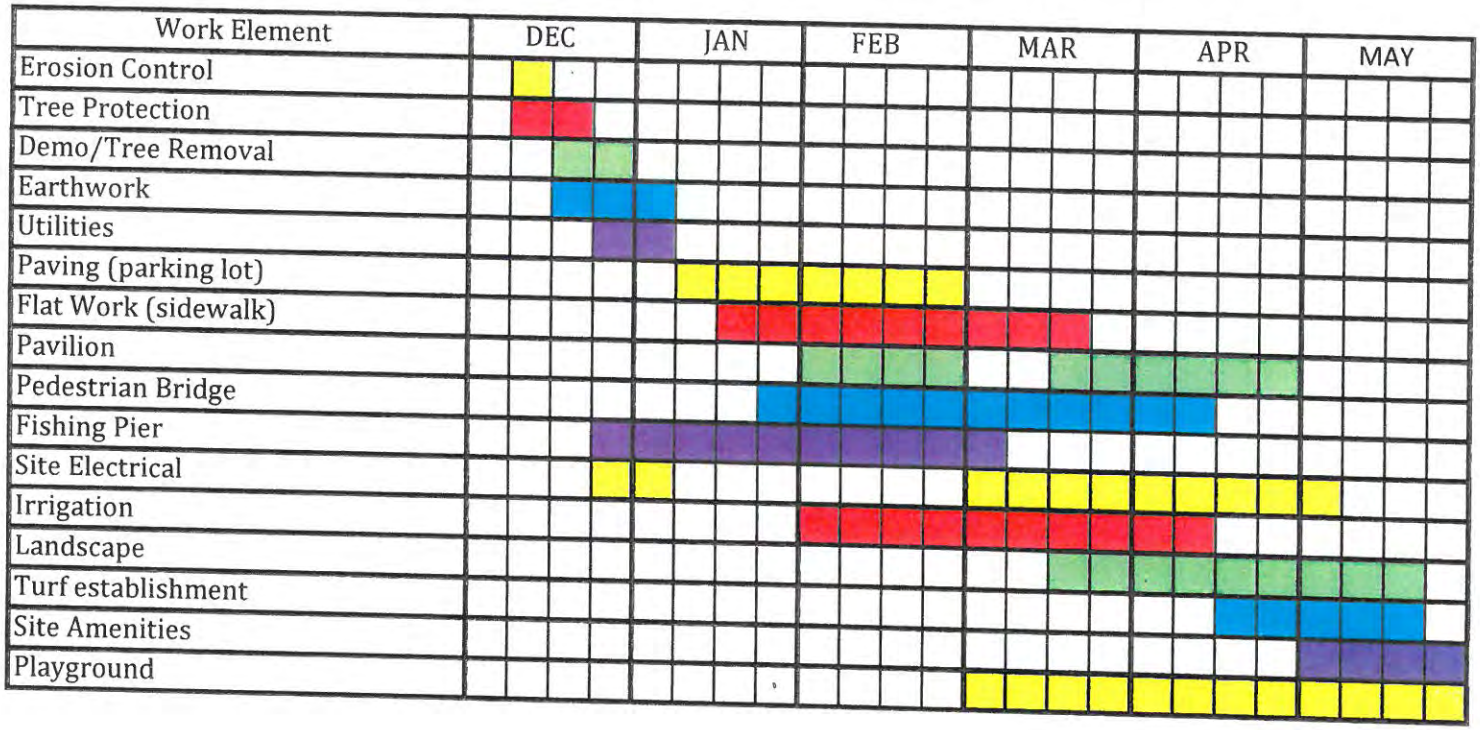
K & S Group, Member

September 1, 2015

To whom it may concern:

We have serviced the bonding requirements of Dean Construction for over 30 years. The company has a well-earned reputation for integrity and quality and has received praise from municipalities, architects and subcontractors for taking the high road in all relationships.

Needless to say, we certainly recommend positive consideration of Dean Construction for your upcoming project.



Very truly yours,

Steve Rickenbacher

Value Engineering, Contingencies & Savings

While Dean reviews the plans for budgeting, we will also identify and propose removal of any unnecessary expenditures. Thereby increasing the value for city and/ or the citizens. One of the most common examples of cutting expense is adding two inches of concrete to parking lot in lieu of cement or lime stabilization. By accepting this design change the client general finds themselves saving half the cost of stabilization.

Contingencies are for additional work or changes to the plans only. Any unused contingencies are returned to the Owner.

If any saving is realized during the construction phase of this project, Dean will notify design team and city. We will return any and all funds to the owner.

63

CONFLICT OF INTEREST QUESTIONNAIRE — FORM CIQ

For vendor or other person doing business with local governmental entity

This questionnaire reflects changes made to the law by H.B. 1491, 80th Leg., Regular Session.

This questionnaire is being filed in accordance with Chapter 176, Local Government Code by a person who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the person meets requirements under Section 176.006(a).

By law this questionnaire must be filed with the records administrator of the local governmental entity not later than the 7th business day after the date the person becomes aware of facts that require the statement to be filed. *See* Section 176.006, Local Government Code.

A person commits an offense if the person knowingly violates Section 176.006, Local Government Code. An offense under this section is a Class C misdemeanor.

OFFICE USE ONLY

Date Received

1 Name of person who has a business relationship with local governmental entity.

N/A

2 ☐ Check this box if you are filing an update to a previously filed questionnaire.

(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7th business day after the date the originally filed questionnaire becomes incomplete or inaccurate.)

3 Name of local government officer with whom filer has employment or business relationship.

N/A

Name of Officer

This section (item 3 including subparts A, B, C & D) must be completed for each officer with whom the filer has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the filer of the questionnaire?

☐ Yes ☐ No

B. Is the filer of the questionnaire receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer named in this section AND the taxable income is not received from the local governmental entity?

☐ Yes ☐ No

C. Is the filer of this questionnaire employed by a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership of 10 percent or more?

☐ Yes ☐ No

D. Describe each employment or business relationship with the local government officer named in this section.

4

COMMENTS/REMARKS

NAMED INSURED: Dean Electric, Inc. dba Dean Construction
POLICY TERM: March 31, 2015 to March 31, 2016

ADDITIONAL INSURED -
The policies include a blanket automatic additional insured endorsement that provides additional insured status only when there is a written contract that requires such status. The additional insured status is provided to those parties listed in the contract requiring such. Listed are the forms that are attached to the named insured's policies. Additional Insured coverage is provided per the terms and conditions of these forms.
•General Liability - #CG7482.3 1-08
•Auto Liability - #CA7270 3-07
•Umbrella Liability - #GAI 6079 10 98

WAIVER OF SUBROGATION -
The policies include a blanket automatic waiver of subrogation endorsement that affords a waiver of subrogation only when there is a written contract that requires such status. A waiver of subrogation is afforded to those parties listed in the contract requiring such. Listed are the forms that are attached to the named insured's policies. Waiver of subrogation coverage is provided per the terms and conditions of these forms.
•Workers' Compensation - #WC 42 03 04 A
•General Liability - #CG7555 11-04
•Auto Liability - #CA7218 8-99
•Umbrella Liability - Follow Form

OTHER COVERAGES must be required by a written contract -
•PRIMARY/NONCONTRIBUTORY COVERAGE for ongoing and completed operations per the terms and conditions of #CG7482.3 1-08.
•PER PROJECT GENERAL AGGREGATE LIMIT is provided per the terms and conditions of Form #CG7429 11-98.
•X,C & U (EXPLOSION, COLLAPSE & UNDERGROUND) is not excluded from the General Liability policy and is per the terms and conditions of General Liability Coverage Form #CG 00 01 12 07.
CONTRACTUAL LIABILITY coverage is standard and may not cover all liabilities assumed by the named insured under its contract with you and is per the terms and conditions of General Liability Coverage Form #CG 00 01 12 07.

When contract documents are provided for review, only the insurance requirements contained in the contract are reviewed. The scope of our review is to determine if the current insurance program in place for the named insured addresses the types and amounts of insurance coverage referenced by the contract. We identified the significant insurance obligations. Our agency is not providing legal advice or a legal opinion concerning any portion of the contract. In addition, our agency is not undertaking to identify all potential liabilities that may arise under this contract. The review is provided for the information of the named insured and should not be relied upon by third parties. Any descriptions of insurance coverages are subject to the terms, conditions, exclusions and other provisions of the policy and any applicable regulations, rating rules or plans.

CITY OF ROCKWALL
REQUEST FOR QUALIFICATIONS

Construction Manager at Risk for Neighborhood Park Construction

Response Submittal Deadline: September 18, 2015
Prior to 4:00 PM CST

67

SECTION 1 – Request for Qualifications

PURPOSE

The City of Rockwall ("The City") a local City of the State of Texas, established under Chapter 379B of the Texas Local Government Code is soliciting Requests for Qualifications (RFQ) under both the Texas Professional Services Procurement Act "TPSPA", Government Code Chapter 2254 and Texas Government Code Chapter 2269, to qualify contractors for the construction of neighborhood park facilities is being used as the basis for the selection of the Construction Manager at Risk (CM at Risk).

This will be a **"one-step"** procurement pursuant to Texas Government Code Chapter 2269, Sections 2269.253 and 2269.254. It is the sole initial intent of this RFQ to determine only the most qualified construction firm to which the City could then negotiate with to contract for these varied construction manager-at-risk services for current and future like projects. Qualifications Proposals shall be accepted until September 18, 2015 at the following: City Hall 385 S. Goliad St. Rockwall Texas 75087.

1.1 General Instructions

Request for Qualifications for Construction Manager at Risk for neighborhood park construction services.

The City is requesting responses from qualified General Contractors to provide pre-construction services (i.e., budget estimates, constructability and value engineering suggestions, construction schedules, etc.) during the design phase and, upon completion of the design, provide a Guaranteed Maximum Price (GMP) and act as General Contractor for the construction of an 11 acre neighborhood park.

The awarded firm/team may be required to coordinate with the City and/or its consultants for all project related activities during the various assignments associated with this contract.

A Pre-proposal Conference is scheduled for September 11, 2015, 9:00 AM CST in the Council Conference Room at 385 S. Goliad St. Rockwall Texas. A related site visit will follow the Pre-proposal Conference. Interested Contractors are encouraged to attend.

Responses to this RFQ must be received by the City, Attn: Lea Ann Ewing, PRIOR TO 4:00 PM CST, September 18, 2015. Any Response received after this time shall not be considered and will not be opened. The mailing address is as follows:

Attn: Lea Ann Ewing, Purchasing Agent
City of Rockwall
385 S. Goliad St.
Rockwall TX, 75087

Please submit one (1) original and six (6) copies of the RFQ response, and identify each as an original or copy accordingly. Responses sent to the City are subject to disclosure pursuant to the Open Records Act, Government Code, Chapter 552. All timely responses become the property of the City upon receipt and shall not be returned. Any information deemed to be confidential by Respondent should be clearly noted on the page(s) where the confidential information is contained. The City, however, cannot guarantee that it will not be compelled to disclose all or part of any public record under the Texas Public Information Act, since information deemed to be confidential by the Respondent may not be considered confidential under Texas law, or pursuant to a Court Order. The materials submitted must be enclosed in a sealed envelope box or container; the package must show clearly the submittal deadline; and the name and the return address of the Respondent must be clearly visible.

Respondents submitting qualifying responses, including their agents and representatives, shall not lobby or contact any member of the City Council or City Staff except in the course of the City-sponsored inquiries, briefing, interviews and presentations between the qualification statement submission date and award by the City Board of Directors. Questions regarding this solicitation will be directed, in writing only, to the Purchasing Department, and may be submitted by email to: Lewing@rockwall.com; or by Fax to: 972-771-7728. Include the title of this RFQ (Neighborhood Park Construction). Verbal questions are not permitted other than during City-sponsored inquiries, briefings, interviews and presentations. Any violation of this provision may result in disqualification of the submitting firm. Questions concerning the projects included in this RFP are to be submitted in writing no later than 4:00PM CST, September 18, 2015.

Entities submitting qualifying responses shall execute by signature the attached Non-Conflict of Interest and return the signed affidavit with their response.

The selected Firm/Team will be required to execute a Construction Manager at Risk services agreement with the City.

The selected Firm shall carry insurance in the types and amounts specified by the City for the duration of the Agreement, and furnish certificates of insurance along with copies of policy declaration pages and policy endorsements as evidence thereof.

Respondent understands and agrees that this RFQ is issued predicated on anticipated requirements for the *Neighborhood Park Construction,* and that the City has made no representation, written or oral, that any such requirements be furnished under a Contract arising from this RFP. Furthermore, Respondent recognizes and understands that any cost borne by the Respondent which arises from Respondent's performance hereunder shall be at the sole risk and responsibility of Respondent.

1.2 City Rights

A. If only one or no submittal is received by "submission date", the City has the right to reject, re-propose, accept and/or extend the RFQ by up to an additional two (2) weeks from original submission date.
B. The right to reject any/or all submittals and to make award as they may appear to be advantageous to the City.

C. The right to hold any submittals for 90 days from submission date without action, and to waive all formalities in RFQ, and any submittal irregularities.
D. The right to extend the time for award beyond the original 90-day period, if agreed upon in writing by both parties and if Proposal is held firm.
E. The right, in any resulting contract, to terminate all or any part of the unfinished portion of any awarded work resulting from this solicitation with advanced thirty (30) days written notice; upon default by the firm, for delay or non-performance by the firm, or if it is deemed in the best interest of City for convenience.
F. The City reserves the right to request additional information, clarification of information submitted or to meet with representatives from responding organizations to discuss Qualifications after submission, any and all of which may be used in forming a staff recommendation to the Board for selection.

1.3 Addendum

Any City interpretation, correction, or change of the RFQ will be made by ADDENDUM. Changes or corrections will be issued by the Purchasing Agent. Addenda will be emailed to all who have returned the RFQ Acknowledgement Form. Addenda will be issued as expeditiously as possible. It is the responsibility of the proposers to determine whether all addenda have been received. It will be the responsibility of all respondents to contact the City prior to submitting a response to the RFQ to ascertain if any addenda have been issued, and to obtain any and or all addenda(s), execute them, and return addenda with the response to the RFQ.

Section 1.4 The City's Approach

The Neighborhood Park Construction project is being used as the basis for the selection of the CM @ Risk. However, it is the City's intention to give the selected CM @ Risk the opportunity to participate in a similar role on similar types of projects.

The following steps will be taken if the CM @ Risk is selected based upon the criteria stated in Section 4:

1. The initial project budget will be established using the funds available for each neighborhood park construction project.
2. The CM @ Risk will continue to provide preconstruction services (i.e., budget estimates, value engineering, constructability reviews, etc.) through the Design Development and Construction Document Phases to keep the project within the established budget.
3. Upon completion of the bid documents, the CM @ Risk will bid out, with the City's oversight, the costs of the work to subcontractors in accordance with Government Code Section 2269.255.
4. Upon identification of the qualified bidder for each trade package, the CM@R will total up the costs of the work, add in the predetermined general conditions costs and apply the CM@R's predetermined fee.
5. Exhibit A – Site Plan
6. Exhibit B – Project Budget

SECTION 2 - Notice to Respondents

City is accepting proposals from qualified firms in accordance with the terms, conditions and requirements set forth in this Request for Qualifications ("RFQ"). This RFQ provides sufficient information for interested parties to prepare and submit responses for consideration by the City. All provisions in Respondent's qualifications statement, shall remain valid for ninety (90) days following the deadline for submissions or, if a response is accepted, throughout the entire term of the contract.

RESPONDENTS ARE CAUTIONED TO READ THE INFORMATION CONTAINED IN THIS RFP CAREFULLY AND TO SUBMIT A COMPLETE RESPONSE TO ALL REQUIREMENTS AND QUESTIONS AS DIRECTED.

SECTION 3 – Commitment

Respondent understands and agrees that this RFQ is issued predicated on anticipated requirements for the CM @ Risk and that the City has made no representation, written or oral, that any such requirements be furnished under a Contract arising from this RFQ. Furthermore, Respondent recognizes and understands that any cost borne by the Respondent which arises from Respondent's performance hereunder shall be at the sole risk and responsibility of Respondent.

SECTION 4 – Selection Criteria

4.1 Selection Criteria

The City will conduct a comprehensive, fair and impartial evaluation of all responses received in response to this RFP. Responses will be evaluated by the appropriate City staff for the purpose of seeking the proposal that provides the best overall value to the City. The criteria for evaluation of responses, and selection of the qualified respondent(s), will be based on the factors listed below. If the City elects to conduct interviews, Respondents may be interviewed and re-scored based upon these same criteria. The City may also request additional information from Respondents at any time prior to final approval of a selected Respondent. Respondents are requested to submit a complete response to each of the following Criteria. Responses requiring additional space should be brief and submitted as an attachment to your submittal package. Please reference each response by its corresponding item number. ***City reserves the right to select one or more, or none of the Respondents to provide the services.*** **Final approval of a selected Respondent is subject to the action of the City Council.**

Note: Please divide your proposal into the following sections.

No. 1 - CRITERION: Qualifications and Experience (maximum points – 50)

a. Within the last seven (7) years, provide list of similar types of projects (i.e. public park construction that generally includes site grading, concrete trails, electrical, picnic structures, playground installation, electrical, irrigation, turf grass, trees and native plant establishment, etc.). Include references with complete contact information of owners, architects, engineers, and size of project.
b. Provide list of projects in which similar types of Construction Manager at Risk with a Guaranteed Maximum Price service were provided (i.e., estimating, value engineering, constructability reviews, scheduling, etc.). Include references with complete contact information.
c. Provide list of the proposed Team Members, resumes and length of service with firm. City will evaluate the FIRM's personnel experience of the key management staffing that will be used on this Project as it relates to the FIRM's understanding and capability of successfully staffing and managing the project to completion.
d. Summarize the project approach used to provide cost effective construction solutions.
e. Litigation and debarment disclosure.
f. Safety record.
g. References. FIRM's submitting a Response shall provide a list of Owner references complete with names and telephone numbers where CM@Risk projects similar to that described herein have been completed. At least five (5) of the Owner references should be from projects listed in the "Past Performance" section of the RFQ. City intends to call some or all of the references submitted.

No. 2 - CRITERION: Estimating and Scheduling Expertise (maximum points – 50)

1. In order to demonstrate the Contractor's expertise in providing cost effective construction of this type of project the following items should be prepared based upon schematic design plans for the Park at Stone Creek:
    a. Sample of Construction Schedule.
    b. Sample of Cost Estimates – the intent is to see the nature and format of the cost information provided to the Owner.
        i. Cost Estimates – provide an example of cost estimates typically prepared during the design phase of a project and the construction phase.
            1. Labor costs should be based upon prevailing wages.
            2. Material costs should exclude sales tax.
        ii. General Conditions costs based upon project scope and schedule.
        iii. Fees as a % of total estimated costs.
        iv. Value Engineering approach including examples proposed for this project or on prior similar projects.
        v. Contingencies – describe your FIRM's approach for cost contingencies during design and during construction. What is your approach for the disposition of contingency funds after project completion?
    c. Savings – describe your FIRM's concept for the disposition of savings realized during construction.

A City Selection Review Committee intends to use the qualifications submitted by interested companies to initially pre-qualify not more than five (5) companies for the next interview phase of the Procurement. Based on the submittals and Interviews, the City staff will make a recommendation to the City Council.

City of Rockwall
Minimum Insurance Requirements

Requirements

Contractors performing work on City property or public right-of-way for the City of Rockwall shall provide the City a certificate of insurance evidencing the coverages and coverage provisions identified herein. Contractors shall provide the City evidence that all subcontractors performing work on the project have the same types and amounts of coverages as required herein or that the subcontractors are included under the contractor's policy. The City, at its own discretion, may require a certified copy of the policy.

All insurance companies and coverages must be authorized by the Texas Department of Insurance to transact business in the State of Texas and must be acceptable to the City of Rockwall.

Listed below are the types and amounts of insurance required. The City reserves the right to amend or require additional types and amounts of coverages or provisions depending on the nature of the work.

Type of Insurance	Amount of Insurance	Provisions
1. Commercial General (Public) Liability to include coverage for: a) Premises/Operations b) Products/Completed Operations c) Independent Contractors d) Personal Injury e) Contractual Liability	$500,000 each occurrence, $1,000,000 general aggregate; Or $1,000,000 combined single limits	City to be listed as additional insured and provided 30-day notice of cancellation or material change in coverage. City prefers that insurer be rated B+VI or higher by A.M. Best or A or higher by Standard & Poors
1. Business Auto Liability	As required by State of Texas	
Workers' Compensation & Employers' Liability	Statutory Limits $100,000 each accident	City to be provided a waiver of subrogation

Questions regarding this insurance should be directed to the City of Rockwall Purchasing Department at (972) 772-6418.

A PURCHASE ORDER WILL NOT BE ISSUED OR CONTRACT EXECUTED WITHOUT EVIDENCE OF INSURANCE.

INSURANCE REQUIREMENT AFFIDAVIT
(SUPPLEMENTAL INFORMATION)

(To be completed by appropriate Insurance Agent)

I, the undersigned agent, certify that the insurance requirements contained in this proposal document have been reviewed by me with the below identified vendor. If the below identified vendor is awarded this contract by the City of Rockwall, I will be able, within ten (10) working days after being notified of such potential award, to furnish a valid insurance certificate to the City meeting all of the requirements contained in this proposal.

NOTE TO AGENT:
IF THIS TIME REQUIREMENT IS NOT MET, THE CITY HAS THE RIGHT TO DECLARE THIS VENDOR NON-RESPONSIVE AND AWARD THE CONTRACT TO THE NEXT LOWEST PROPOSER MEETING THE SPECIFICATIONS. IF YOU HAVE ANY QUESTIONS CONCERNING THESE REQUIREMENTS, PLEASE CONTACT THE CITY OF ROCKWALL PURCHASING OFFICE AT 972-772-6418.

City of Rockwall
Minimum Bonding Requirements

Contracts for construction work must be accompanied by an approved Bond(s) underwritten by a surety name in the current list of "Surety Companies Acceptable on Federal Bonds" as published in the Federal Register by the Audit Staff Bureau of Accounts, U.S. Treasury Department. Contractor when entering into a Contract will execute Performance, Payment and Maintenance Bonds in 100% of the contract total amount. Contractor shall furnish such bonds as security for the faithful performance, payment and maintenance of all his obligations under the Contract Documents. These Bonds shall be in amounts at least equal to the Contract Price, in such form as set forth in the Contract Documents and with such corporate sureties as are licensed to conduct business in the state where the work is located and are named in the current list of "Surety Companies Acceptable on Federal Bonds" as published in the Federal Register by the Audit Staff Bureau of Accounts, U.S. Treasury Department. The performance, payment and maintenance bonds shall be extended to include any contract extension.

Prior to delivery of the executed Agreement by City to the Contractor, City may require the Contractor to furnish such other Bonds and such additional insurance, in such form and with such sureties or insurers as the City may require.

CONFLICTS OF INTEREST

DISCLOSURE OF CERTAIN RELATIONSHIPS (HB 914). Chapter 176 of the Texas Local Government Code requires that any vendor or person considering doing business with a local government entity disclose in the Questionnaire Form CIQ, the vendor or person's affiliation or business relationship that might cause a conflict of interest with a local government entity. By law, this questionnaire must be filed with the records administrator of the City of Rockwall not later than the 7th business day after the date the person becomes aware of facts that require the statement to be filed. See Section 176.006, Local Government Code. A person commits an offense if the person violates Section 176.006, Local Government Code. An offense under this section is a Class C misdemeanor.

CONFLICT OF INTEREST QUESTIONNAIRE

FORM CIQ

For vendor or other person doing business with local governmental entity

This questionnaire reflects changes made to the law by H.B. 1491, 80th Leg., Regular Session.

This questionnaire is being filed in accordance with Chapter 176, Local Government Code by a person who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the person meets requirements under Section 176.006(a).

By law this questionnaire must be filed with the records administrator of the local governmental entity not later than the 7th business day after the date the person becomes aware of facts that require the statement to be filed. *See* Section 176.006, Local Government Code.

A person commits an offense if the person knowingly violates Section 176.006, Local Government Code. An offense under this section is a Class C misdemeanor.

OFFICE USE ONLY

Date Received

1 **Name of person who has a business relationship with local governmental entity.**

2 ☐ **Check this box if you are filing an update to a previously filed questionnaire.**

(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7th business day after the date the originally filed questionnaire becomes incomplete or inaccurate.)

3 **Name of local government officer with whom filer has employment or business relationship.**

_____

Name of Officer

This section (item 3 including subparts A, B, C & D) must be completed for each officer with whom the filer has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the filer of the questionnaire?

☐ Yes ☐ No

B. Is the filer of the questionnaire receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer named in this section AND the taxable income is not received from the local governmental entity?

☐ Yes ☐ No

C. Is the filer of this questionnaire employed by a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership of 10 percent or more?

☐ Yes ☐ No

D. Describe each employment or business relationship with the local government officer named in this section.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Cole, Assistant to the City Manager / City Secretary**

DATE: **October 16, 2015**

SUBJECT: **Agenda item – resolution of support of Prop. 7 for statewide transportation funding**

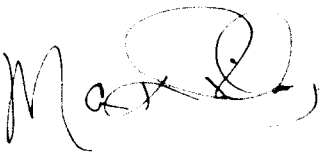
Mayor Pruitt has requested this agenda item and consideration of the proposed resolution for the October 19th city council meeting.

Regional Transportation Council

The Transportation Policy Body for the North Central Texas Council of Governments
(Metropolitan Planning Organization for the Dallas-Fort Worth Region)

TO: County Judges and Commissioners
City Mayors, Administrators, and Managers

DATE: October 9, 2015



FROM: Mark Riley
Chair, Regional Transportation Council
County Judge, Parker County

SUBJECT: Regional Transportation Council Position Statement on Statewide Proposition 7

Senate Joint Resolution 5, approved by the 84th Texas Legislature, proposes a constitutional amendment that will appear on the November 3, 2015, ballot for voter approval. The proposed amendment, Proposition 7, would result in an additional $3 billion per year for the State Highway Fund by 2020. Although this would not fully fund the State's overall transportation needs, it would be a key step toward securing critical funding for transportation projects in Texas.

In advance of this election, the Regional Transportation Council (RTC) adopted a position statement expressing support for Proposition 7. A copy of the position statement is enclosed. On behalf of the RTC, please encourage your City Council or Commissioners Court to pass a resolution supporting Proposition 7; a template resolution is enclosed.

On behalf of the RTC, thank you for being involved with this important transportation issue. If you have any questions or concerns, please feel free to call Michael Morris, P.E., Director of Transportation for the North Central Texas Council of Governments, at (817) 695-9241.

Mark Riley

September 2015

NORTH CENTRAL TEXAS COUNCIL OF GOVERNMENTS
Regional Transportation Council

November 3, 2015
Constitutional Amendment Election
Regional Transportation Council Position Statement

Statewide Proposition 7

The constitutional amendment dedicating certain sales and use tax revenue and motor vehicle sales, use, and rental tax revenue to the state highway fund to provide funding for nontolled roads and the reduction of certain transportation-related debt.

The Regional Transportation Council **supports** Proposition 7. If approved by voters, Proposition 7 would require the Comptroller of Public Accounts to deposit portions of the State sales tax revenue and the motor vehicle sales tax revenue that exceed certain amounts to the State Highway Fund to be used for non-tolled roadway projects and to repay principal and interest on general obligation bonds issued by the State. Although this would not fully fund the State's overall transportation needs, it represents a key step toward securing funding for transportation projects in Texas.

RTC
Regional Transportation Council

North Central Texas
Council of Governments

CITY OF ROCKWALL
RESOLUTION NO. 15-28

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, EXPRESSING SUPPORT FOR INCREASED STATE FUNDING FOR TRANSPORTATION PROJECTS IN TEXAS; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the 84TH Texas Legislature authorized a constitutional amendment for increased transportation funding to be on the November 3, 2015, statewide ballot; and

WHEREAS, Proposition 7 is "the constitutional amendment dedicating certain sales and use tax revenue and motor vehicle sales, use and rental tax revenue to the state highway fund to provide funding for non-tolled roads and the reduction of certain transportation-related debt;" and

WHEREAS, if approved by voters, Proposition 7 would result in increased state funding for transportation to be used for non-tolled roadway projects and to replay principal and interest on general obligation bonds issued by the State; and

WHEREAS, although this would not fully fund the state's overall transportation needs, it would be a key step towards securing funding for transportation projects in Texas.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THAT:

Section 1. the City of Rockwall supports Proposition 7, the proposed amendment to the November 3, 2015 ballot to address Texas' transportation needs; and

Section 2. this Resolution shall become effective from and after its adoption and it is so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 19th DAY OF October, 2015.

ATTEST: **Jim Pruitt, Mayor**

Cole, Kristy

From: Kim Lovett
Sent: Friday, October 16, 2015 8:56 AM
To: Cole, Kristy
Cc: sgarcia@ ; Madeline Haddad; Smith, Mary
Subject: RE: Council Presentation

Importance: High

Thanks for getting back to me Kristy.

Basically, we would want to include just general information/key points about the annual Fox 4 Toys For Tots event which includes:

Fox 4's 5th Annual Toys For Tots Donation Drive at The Harbor Rockwall
This is one of Fox 4's most successful stops for their Toys For Tots Drive
It typically runs from 4 pm - 10 pm with broadcasting and interviews during applicable live broadcasts throughout the evening with Heather Hays

This year we would like to increase holiday attractions to make the event more interesting for the broadcast and give Fox 4 some festive items as a backdrop and to talk about. Plus, give patrons holiday fun to enjoy as they come by to drop of their donated items. We want to strive to represent The Harbor in a great way as the broadcast happens, and allow for viewers to see the beauty of the area and get a snapshot of the family friendly atmosphere.

We'd like to include:

Santa on property
Live holiday entertainment, ie. musical entertainment, holiday characters, and Holiday Express train rides, as we've incorporated at Harbor holiday events in the past.

Please let me know if you need any information from me for Monday.

Thanks,

Kim

> I was given indication that you do need to appear before city council. I'm happy to place you on the agenda today for Monday's mtg. What, if anything, will you be submitting to me for inclusion today in the council member's informational packet? I'll need it by about noon-1PM if you have anything.

> This is Kim Lovett, Marketing Director for The Harbor Rockwall. I'm reaching out to you to inquire about us getting with the council about additional items that we'd like to add to the annual Fox 4 Toys For Tots televised donation event that is held at The Harbor. This year is it will be held on December 4th.
>
> We want to add more holiday entertainment and attractions to the existing event. It will be a better back drop and a more aesthetically pleasing representation of The Harbor, as Fox 4 broadcasts throughout the evening and it will provide fun family holiday activities as patrons drop off their donations...And we of course want their Rockwall donation point to be their best and look great for viewers! Fox 4 has expressed to us in past years that they prefer that we have additional attractions going on as it allows for a more interesting and entertaining broadcast.
>
> We'd like to have Santa on property, holiday themed entertainment and possibly the Choo Choo Express train running as we've had at past holiday events.
>
> In 2014, we had to appear in front of council at a the council meeting to get approval for Harbor events. So,

my question is, given that this is a Fox 4 event that we are complimenting with additional holiday themed activities & entertainment, would we still indeed need to appear & then proceed through the typical permit process? And if we are required to appear before applying for the permit, we'd like to request to be added to the upcoming Monday's agenda.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 10/19/2015

APPLICANT: Bill K. Ryan

AGENDA ITEM: **Z2015-025**; *770 Davis Drive (AG to SF-1)*

SUMMARY:

Hold a public hearing to discuss and consider a request by Bill K. Ryan for the approval of a zoning change from an Agricultural (AG) District to a Single Family One (SF-1) District for a 1.02-acre tract of land identified as Tract 11-2 of the D. Harr Survey, Abstract No. 102, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the East SH-66 Overlay (E. SH-66 OV) District, addressed as 770 Davis Drive, and take any action necessary.

PURPOSE:

The subject property is a 1.02-acre tract of land identified as Tract 11-2 of the D. Harr Survey, Abstract No. 102. The applicant, Bill K. Ryan, is requesting to rezone the property from an Agricultural (AG) District to a Single-Family One (SF-1) District for the purpose of allowing a horse to be fenced on the property. According to Section 6-162, *Keeping, Confining and Breeding Regulations*, of Article VI, *Livestock and Other Farm Animals*, of the *Municipal Code of Ordinances*, "(n)o person shall engage in keeping livestock within the corporate limits of the city except on tracts of land five [*5*] acres and larger, on property zoned agricultural or in accordance with Article IV [*Permissible Uses*], Section 3 of the Unified Development Code," which allows properties within a SF-1 District to keep "… grazing animals 500 pounds or greater including horses and cattle … [*as long as they*] have a minimum fenced area of 40,000 SF per animal." In this case, the applicant's property would allow them to have one (1) horse or other grazing animal if approved for Single-Family One (SF-1) District zoning. Currently, the subject property has an existing single-family home constructed on it that was annexed into the City on March 16, 1998 by *Ordinance No. 98-10*.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is SH-66, which is identified as a M4D (*minor arterial, four [4] lane, divided* roadway) according to the City's Master Thoroughfare Plan. Beyond this roadway is a 4.07-acre tract of land zoned Agricultural (AG) District that has a single-family home constructed on it.

South: Directly south of the subject property are several tracts of land adjacent to Davis Drive with single-family homes constructed on them. All these properties are zoned Agricultural (AG) District.

East: Directly east of the subject property is a 25.87-acre portion of a larger 66.406-acre tract of land that is vacant and zoned Agricultural (AG) District. Beyond this are several parcels of land zoned Agricultural (AG) District, which front on to FM-3549.

West: Directly west of the subject property is the remainder of the single-family homes that front onto Davis Drive. All these properties are zoned Agricultural (AG) District.

CONFORMANCE WITH THE COMPREHENSIVE PLAN:

The Future Land Use Map, adopted with the Comprehensive Plan, designates the subject property for *Low Density Residential* land uses, which is defined as less than two (2) single-family units per acre. This designation is in conformance with the applicant's request to rezone the subject property to a Single-Family One (SF-1) District.

NOTIFICATION:

On October 29, 2015, staff mailed 25 notices to property owners and residents within 500-feet of the subject property. Additionally, staff posted a sign along *SH-66*, and advertised the public hearings in the Rockwall Harold Banner as required by the Unified Development Code (UDC). At the time this case memo was drafted no responses were received by staff.

PLANNING AND ZONING COMMISSION:

On October 13, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the applicant's request by a vote of 6-0, with one (1) seat vacant.

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2015-025:

(9/30/2015 11:13 AM LM)
Z2015-025 Change zoning from AG to SF-1
Hold a public hearing to discuss and consider a request by Bill K. Ryan for the approval of a zoning change from an Agricultural (AG) District to a Single Family One (SF-1) District for a 1.02-acre tract of land identified as Tract 11-2 of the D. Harr Survey, Abstract No. 102, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the East SH-66 Overlay (E. SH-66 OV) District, addressed as 770 Davis Drive, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 10/13/2015 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 10/19/2015 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

Ryan Miller
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **10/19/2015** to ensure they are included in the information provided to the City Council.

Sincerely,

Ryan Miller, AICP
Director of Planning & Zoning

CITY OF ROCKWALL

ORDINANCE NO. 15-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A SINGLE-FAMILY ONE (SF-1) DISTRICT FOR A 1.02-ACRE TRACT OF LAND IDENTIFIED AS TRACT 11-2 OF THE D. HARR SURVEY, ABSTRACT NO. 102, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN *EXHIBIT 'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Bill K. Ryan for the approval of an amendment to the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall to adopt a change in zoning from an Agricultural (AG) District to a Single-Family One (SF-1) District for a 1.02-acre tract of land identified as Tract 11-2 of the David Harr Survey, Abstract No. 102, City of Rockwall, Rockwall County, Texas, and more specifically described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning of the *Subject Property* from an Agriculture (AG) District to a Single-Family One (SF-1) District; and

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes provided for a *Single-Family One (SF-1) District* in *Section 1.1, "Use of Land and Buildings,"* of *Article IV, "Permissible Uses"* and *Section 3.2-1, "Single-Family One (SF-1) District",* of *Article V, "District Development Standards",* of the *Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future;

Section 3. That the official zoning map of the City be corrected to reflect the changes in the zoning described herein.

DRAFT ORDINANCE 10-13-15

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ON THIS THE 2ND DAY OF NOVEMBER, 2015.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Brad Griggs, *Assistant City Manager*

FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: October 19, 2015

SUBJECT: Z2015-026; *Stonecreek Assisted Living Facility*

On October 15, 2015, the applicant, Randy Kopplin of StoneCreek Retal Estate Partners, LLC, requested to withdraw *Case No. Z2015-026*. According to Section 5, *Application Withdrawal*, of the Article II, *Authority and Administrative Procedures*, of the Unified Development Code (UDC), any case that has been published in the paper and notifications of a public hearing sent out must be placed on the public hearing agenda and acted upon by the applicable body.

Miller, Ryan

To: Randy Kopplin
Subject: RE: Project Comments: Z2015-026

From: Randy Kopplin [redacted]
Sent: Wednesday, October 14, 2015 8:46 PM
To: Miller, Ryan
Cc: Nick Craig
Subject: Re: Project Comments: Z2015-026

Ryan,

Unfortunately, we made the decision today not proceed with the Oaks at Rockwall Assisting Living Facility. We therefore withdraw our request for the Zoning Change amendment to PD – 65.

We wish to thank you and your staff for all of your help and assistance that you have provided through this process. We hope we are able to work with the City of Rockwall on future projects.

Regards,

Randy Kopplin, AIA
StoneCreek Real Estate Partners, LLC

1

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 10/19/2015

APPLICANT: Randy Kopplin, *StoneCreek Real Estate Partners, LLC*

AGENDA ITEM: **Z2015-026**; *Stonecreek Assisted Living Facility*

SUMMARY:

Hold a public hearing to discuss and consider a request by Randy Kopplin of StoneCreek Real Estate Partners, LLC on behalf of the owner Arkoma Development, LLC for the approval of amendments to Planned Development District 65 (PD-65) [*Ordinance No. 08-02*] to allow for a ~74,000 SF Assisted Living Facility to be established on a 5.507-acre portion of a larger 11.723-acre tract of land identified as Tract 5 of the S. King Survey, Abstract No. 131, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 65 (PD-65) for General Retail (GR) District land uses, located west of the intersection of N. Goliad Street [SH-205] and Pecan Valley Drive, and take any action necessary.

PURPOSE AND CHARACTERISTICS OF THE REQUEST:

The applicant, Randy Kopplin of StoneCreek Real Estate Partners, LLC, is requesting to amend Planned Development District 65 (PD-65) [*Ordinance No. 08-02*] to accommodate the construction of a ~74,000 SF *Assisted Living Facility*. Currently, *Ordinance No. 08-02* allows for the development of a 50,000 SF *Assisted Living Facility* (*40,000 SF if the structure exceeds 28-feet*) *by-right* on the subject property. In addition, the concept plan submitted by the applicant shows that Pecan Valley Drive -- which is currently identified as a *Minor Collector* on the City's Master Thoroughfare Plan -- would terminate into a cul-de-sac in front of the subject property. The current concept plan in *Ordinance No. 08-02* shows Pecan Valley Drive extending through the site and connecting with the future extension of Random Oaks Drive (*also identified as a Minor Collector on the City's Master Thoroughfare Plan*). If the applicant's request is approved, Pecan Valley Drive and Random Oaks Drive would need to be removed from the City's Master Thoroughfare Plan. This has been added as a condition of approval of this request.

The building elevations submitted with the concept plan show conformance to the requirements of the Unified Development Code and have been included within the Planned Development District Ordinance. Additionally, conformance to these elevations is a condition of approval for this case. With the exception of the increased building footprint, the use and the building generally meet the intent of the zoning district; however, approval of this request is discretionary to the City Council. *Staff has included a copy of the current concept plan in the attached packet for review in comparison to the concept plan being proposed by the applicant.*

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property are five (5) single-family homes facing onto W. Quail Run Road and zoned Single Family-10 (SF-10) District. Beyond this is the Random Oaks Subdivision, which is composed of 75 lots on 25.46-acres. The property is zoned Planned Development District 3 (PD-3) for single-family residential land uses.

South: Directly south of the subject property is 8.93-acre vacant tract of land, owned by the City of Rockwall, and zoned Planned Development District 65 (PD-65). Beyond this is a 31.656-acre vacant tract of land zoned Planned Development District 29 (PD-29), which is also owned by the City of Rockwall.

East: Directly east of the subject property is the regional detention pond for the Planned Development District 65 (PD-65) development area. Beyond this are three (3) parcels of land, zoned Planned Development District 65 (PD-65) for General Retail (GR) District land uses.

West: Directly west of the subject property is a 25.6-acre vacant tract of land zoned Single Family 10 (SF-10) District.

CONFORMANCE WITH THE COMPREHENSIVE PLAN:

The Future Land Use Map contained within the Comprehensive Plan designates the subject property for *Commercial* land uses. The current zoning -- which allows for an *Assisted Living Facility* on the subject property -- is considered to be conforming with regard to this land use designation. If approved the applicant's request will not change the use or the conformity of the property with the Comprehensive Plan.

NOTIFICATION:

On September 25, 2015, staff mailed 26 notices to property owners and residents within 500-feet of the subject property. Staff also emailed notices to the Stone Creek, Lakeview Summit, Shores at Lake Ray Hubbard and Random Oaks/Shores Homeowner's Associations (HOA's), which are the only HOA's located within 1,500 feet of the subject property. Additionally, staff posted a sign in front of the subject property at the end of Pecan Valley Drive, and advertised the public hearings in the Rockwall Harold Banner as required by the Unified Development Code (UDC). At the time this case memo was drafted no responses were received by staff.

RECOMMENDATIONS:

If the Planning and Zoning Commission recommends approval of the applicant's request to amend Planned Development District 65 (PD-65) [*Ordinance No. 08*-02] then staff would propose the following conditions of approval:

1) The applicant shall be responsible for maintaining compliance with the conditions contained within the Planned Development District ordinance;

2) The proposed development shall generally be in accordance with the *Planned Development Concept Plan* and the *Concept Building Elevations* contained within the Planned Development District ordinance;

3) The City's Master Thoroughfare Plan should be revised to reflect the changes proposed by the *Planned Development District Concept Plan* (*i.e. remove Pecan Valley Drive and Random Oaks Drive*);

4) That any development of the subject property shall first require approval of a *PD Site Plan* that is reviewed by the Architectural Review Board (ARB), Planning and Zoning Commission and City Council [*if necessary*]; and

5) Any construction resulting from the approval of this *zoning amendment* shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On October 13, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the applicant's request per staff's recommendations by a vote of 6-0, with one (1) seat vacant.

DESCRIPTION

All that certain lot, tract or parcel of land situated in the J.H.B. Jones Survey, Abstract No. 124 and the S. King Survey, Abstract No. 131, City of Rockwall, Rockwall County, Texas, and being part of that tract of land described in a Deed from Arkoma Realty, Ltd., to Arkoma Development, L.L.C., as recorded in Volume 4247, Page 95 of the Real Property Records of Rockwall County, Texas (hereinafter called Subject Tract), and being more particularly described as follows:

BEGINNING at a 1/2" iron rod with plastic cap stamped "STOVALL & ASSOC." set (hereinafter called 1/2" iron rod set) for corner in a North line of that tract of land described as Tract 2 in a Deed from Arkoma Development, L.L.C., to the City of Rockwall, Texas, as recorded in Volume 5670, Page 162 of the Real Property Records of Rockwall County, Texas (hereinafter called The City Tract), at a West corner of the Final Plat of North Lakeshore Valley, Lots 1 & 2, Block B, an Addition to the City of Rockwall, according to the Plat thereof recorded in Cabinet G, Slide 281 of the Plat Records of Rockwall County, Texas, said point also being at the beginning of a curve to the right, said point also being at the Southwest corner of Pecan Valley Drive (50' right-of-way per plat recorded in Cabinet G, Slide 281, Plat Records of Rockwall County, Texas);

THENCE in a Northwesterly direction with a North line of The City Tract and with said curve to the right having a central angle of 16 deg. 20 min. 41 sec., a radius of 275.00 feet, a chord bearing of N. 59 deg. 23 min. 12 sec. W., a chord distance of 78.18 feet and an arc length of 78.45 feet to a 1/2" iron rod set for corner at a North corner of The City Tract;

THENCE in a Westerly direction with the North line of The City Tract the following:

S. 38 deg. 47 min. 07 sec. W. a distance of 169.83 feet to a 1/2" iron rod set for corner;
N. 85 deg. 27 min. 52 sec. W. a distance of 78.82 feet to a 1/2" iron rod set for corner;
N. 76 deg. 44 min. 54 sec. W. a distance of 144.35 feet to a 1/2" iron rod set for corner;
N. 57 deg. 21 min. 09 sec. W. a distance of 60.80 feet to a 1/2" iron rod set for corner;
N. 63 deg. 58 min. 26 sec. W. a distance of 146.84 feet to a 5/8" iron rod found for corner;
N. 45 deg. 32 min. 48 sec. W. a distance of 94.99 feet to a 1/2" iron rod set for corner;
N. 32 deg. 32 min. 55 sec. W. a distance of 52.94 feet to a 5/8" iron rod found;
N. 47 deg. 01 min. 28 sec. W. a distance of 16.40 feet to a 1/2" iron rod set for corner;

THENCE N. 09 deg. 13 min. 46 sec. E. leaving the North line of The City Tract, a distance of 310.04 feet to a 1/2" iron rod set for corner;

THENCE S. 80 deg. 46 min. 14 sec. E. a distance of 197.67 feet to a 1/2" iron rod set for corner at the beginning of a curve to the right;

THENCE in a Southeasterly direction with said curve to the right having a central angle of 39 deg. 04 min. 23 sec., a radius of 375.00 feet, a chord bearing of S. 61 deg. 14 min. 03 sec. E., a chord distance of 250.81 feet and an arc length of 255.73 feet to a 1/2" iron rod set for corner;

THENCE S. 41 deg. 41 min. 51 sec. E. a distance of 80.58 feet to a 1/2" iron rod set for corner at the beginning of a curve to the right;

THENCE in a Southeasterly direction with said curve to the right having a central angle of 15 deg. 03 min. 37 sec., a radius of 425.00 feet, a chord bearing of S. 34 deg. 10 min. 03 sec. E., a chord distance of 111.39 feet and an arc length of 111.71 feet to a 1/2" iron rod set for corner;

THENCE S. 26 deg. 38 min. 14 sec. E. a distance of 16.01 feet to a 1/2" iron rod set for corner at the beginning of a curve to the left;

THENCE in a Southeasterly direction with said curve to the left having a central angle of 40 deg. 55 min. 19 sec., a radius of 225.00 feet, a chord bearing of S. 47 deg. 05 min. 53 sec. E., a chord distance of 157.31 feet and an arc length of 160.70 feet to a 1/2" iron rod set for corner at a Northwest corner of Pecan Valley Drive;

THENCE S. 22 deg. 26 min. 27 sec. W. with the West line of Pecan Valley Drive a distance of 50.00 feet to the POINT OF BEGINNING and containing 5.507 acres or 239,903 square feet of land.

To BT Investments, LLC, First American Title Insurance Company:

This is to certify that this map or plat and the survey on which it is based were made in accordance with the 2011 Minimum Standard Detail Requirements for ALTA/ACSM Land Title Surveys, jointly established and adopted by ALTSA and NSPS, and includes Items 1, 2, 3, 4, 7(a), 8, 9 and 11 of Table A thereof. The fieldwork was completed on August 31, 2015.

Date of Plat or Map: August 31, 2015

CITY OF ROCKWALL

ORDINANCE NO. 15-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] AND PLANNED DEVELOPMENT DISTRICT 65 (PD-65) OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO AMEND PLANNED DEVELOPMENT DISTRICT 65 (PD-65) [*ORDINANCE NO. 08-20*] TO ALLOW A 74,000 SF ASSISTED LIVING AND MEMORY CARE FACILITY ON A 5.507-ACRE PORTION OF THE LARGER 11.723-ACRE TRACT OF LAND IDENTIFIED AS TRACT 5 OF THE S. KING SURVEY, ABSTRACT NO. 131, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED HEREIN BY *EXHIBIT 'A' & EXHIBIT 'B'*; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request by the Randy Kopplin of Stone Creek Real Estate Partners, LLC on behalf of the owner Arkoma Development, LLC for an amendment to Planned Development District 65 (PD-65) [*Ordinance No. 08-20*] to allow for a 74,000 SF Assisted Living and Memory Care Facility on a 5.507-acre portion of a larger 11.723-acre tract of land identified as Tract 5 of the S. King Survey, Abstract No. 131, City of Rockwall, Rockwall County, Texas, further identified as *Parcel 2* in Ordinance No. 08-20, and more fully described in *Exhibits 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that Planned Development District 65 (PD-65) [*Ordinance No. 08-20*] and the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the *Subject Property* shall be used only in the manner and for the purposes authorized by this Planned Development District Ordinance, Planned Development District 65 (PD-65) [*Ordinance No. 08-20*], and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting this zoning change, and as maybe amended in the future;

Section 2. That development of the *Subject Property* shall generally be in accordance with the *Planned Development Concept Plan* and the *Concept Building Elevation*, described in *Exhibit 'B' & 'C'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'B' & 'C'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

DRAFT ORDINANCE 10.13.2015

Section 3. That the development of the *Subject Property* shall require a *PD Site Plan* to be approved by the Planning and Zoning Commission upon recommendation by the Architectural Review Board (ARB). All variances, waivers and exceptions will require approval by the City Council upon recommendation by the Planning and Zoning Commission.

Section 4. That the *Subject Property* shall be developed in accordance to the standards provided for in *Section 4.1, "General Commercial District Standards," Section 4.4, "General Retail (GR) District,"* and *Section 6.11, "North SH-205 Corridor Overlay (SH-205 BY-OV) District,"* of *Article V, "District Development Standards,"* of the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future.

Section 5. That the official zoning map of the City be corrected to reflect the changes in zoning described in this Planned Development District Ordinance.

Section 6. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 7. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 8. The standards in this ordinance shall control in the event of a conflict between this ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development Code*), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

Section 9. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 2ND DAY OF NOVEMBER, 2015.

DRAFT ORDINANCE 10.13.2015

Exhibit 'A':
Legal Description & Survey

All that certain lot, tract or parcel of land situated in the J.H.B. Jones Survey, Abstract No. 124 and the S. King Survey, Abstract No. 131, City of Rockwall, Rockwall County, Texas, and being part of that tract of land described in a Deed from Arkoma Realty, Ltd., to Arkoma Development, L.L.C., as recorded in Volume 4247, Page 95 of the Real Property Records of Rockwall County, Texas (hereinafter called Subject Tract),and being more particularly described as follows:

BEGINNING at a 1/2" iron rod with plastic cap stamped "STOVALL &: ASSOC." set (hereinafter called 1/2" iron rod set) for corner in a North line of that tract of land described as Tract 2 in a Deed from Arkoma Development, LL.C., to the City of Rockwall, Texas, as recorded in Volume 5670, Page 162 of the Real Property Records of Rockwall County, Texas (hereinafter called The City Tract), at a West corner of the Final Plat of North Lakeshore Valley, Lots 1 &: 2, Block B, an Addition to the City of Rockwall, according to the Plat thereof recorded in Cabinet G, Slide 281 of the Plat Records of Rockwall County, Texas, said point also being at the beginning of a curve to the right, said point also being at the Southwest corner of Pecan Valley Drive (50' right-of-way per plat recorded in Cabinet G, Slide 281, Plat Records of Rockwall County, Texas);

THENCE in a Northwesterly direction with a North line of The City Tract and with said curve to the right having a central angle of 16 deg. 20 min. 41 sec., a radius of 275.00 feet, a chord bearing of N. 59 deg. 23 min. 12 sec. W., a chord distance of 78.18 feet and an arc length of 78.45 feet to a 1/2" iron rod set for corner at a North corner of The City Tract;

THENCE in a Westerly direction with the North line of The City Tract the following:

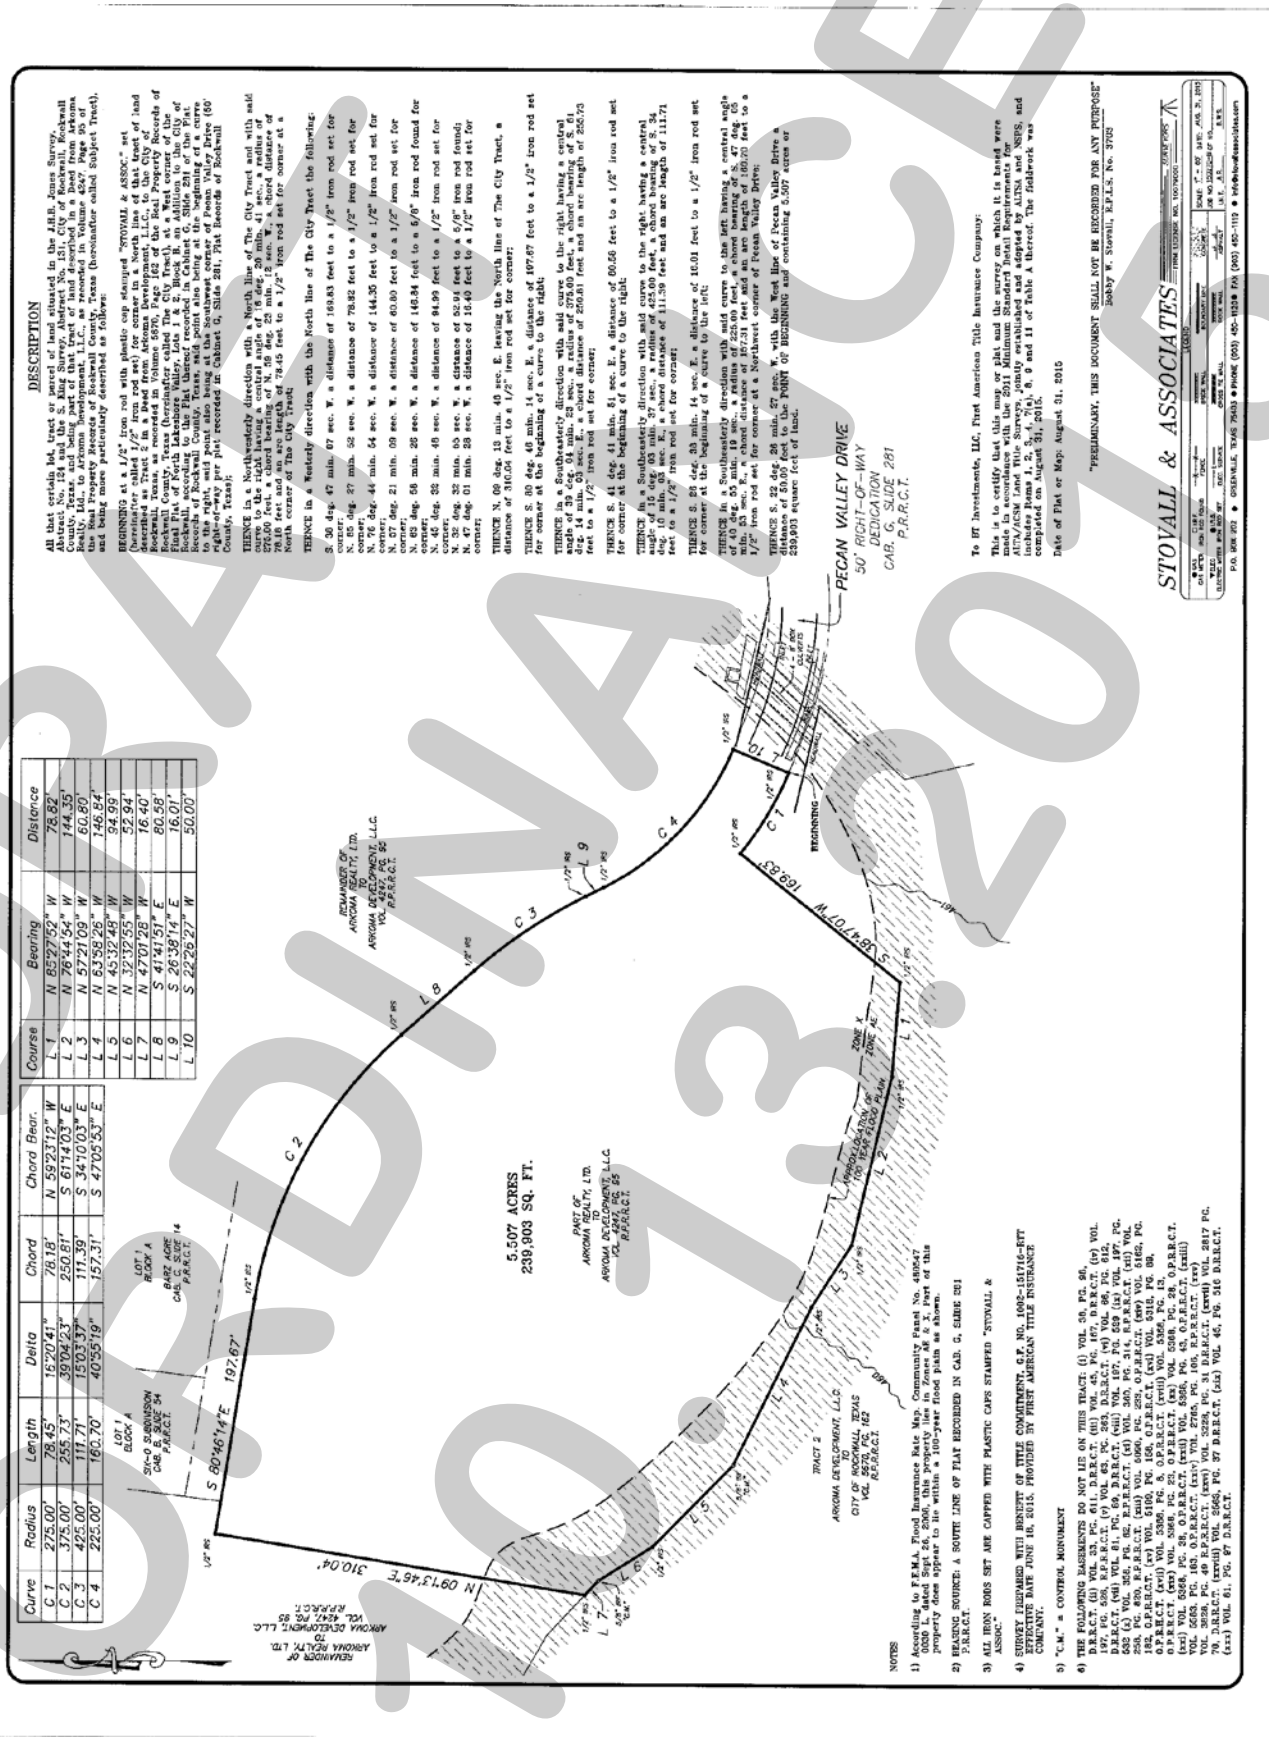
S. 38 deg. 47 min. 07 sec. W. a distance of 169.83 feet to a 1/2" iron rod set for corner;
N. 85 deg. 27 min. 52 sec. w. a distance of 78.82 feet to a 1/2" iron rod set for corner;
N. 76 deg. 44 min. 54 sec. w. a distance of 144.35 feet to a 1/2" iron rod set for corner;
N. 57 deg. 21 min. 09 sec. w. a distance of 60.80 feet to a 1/2" iron rod set for corner;
N. 63 deg. 58 min. 26 sec. w. a distance of 146.84 feet to a 5/8" iron rod found for corner;
N. 45 deg. 32 min. 48 sec. w. a distance of 94.99 feet to a 1/2" iron rod set for corner;
N. 32 deg. 32 min. 55 sec. w. a distance of 52.94 feet to a 5/8" iron rod found;
N. 47 deg. 01 min. 28 sec. w. a distance of 16.40 feet to a 1/2" iron rod set for corner;

THENCE N. 09 de1. 13 min. 46 sec. E. leaving the North line of The City Tract, a distance of 310.04 feet to a 1/2" iron rod set for corner;

THENCE S. 80 deg. 46 min. 14 sec. E. a distance of 197.67 feet to a 1/2" iron rod set for corner at the beginning of a curve to the right;

THENCE in a Southeasterly direction with said curve to the right having a central angle of 39 deg. 04 min. 23 sec., a radius of 375.00 feet, a chord bearing of S. 61 deg. 14 min. 03 sec. E., a chord distance of 250.81 feet and an arc length of 255.73 feet to a 1/2" iron rod set for corner;

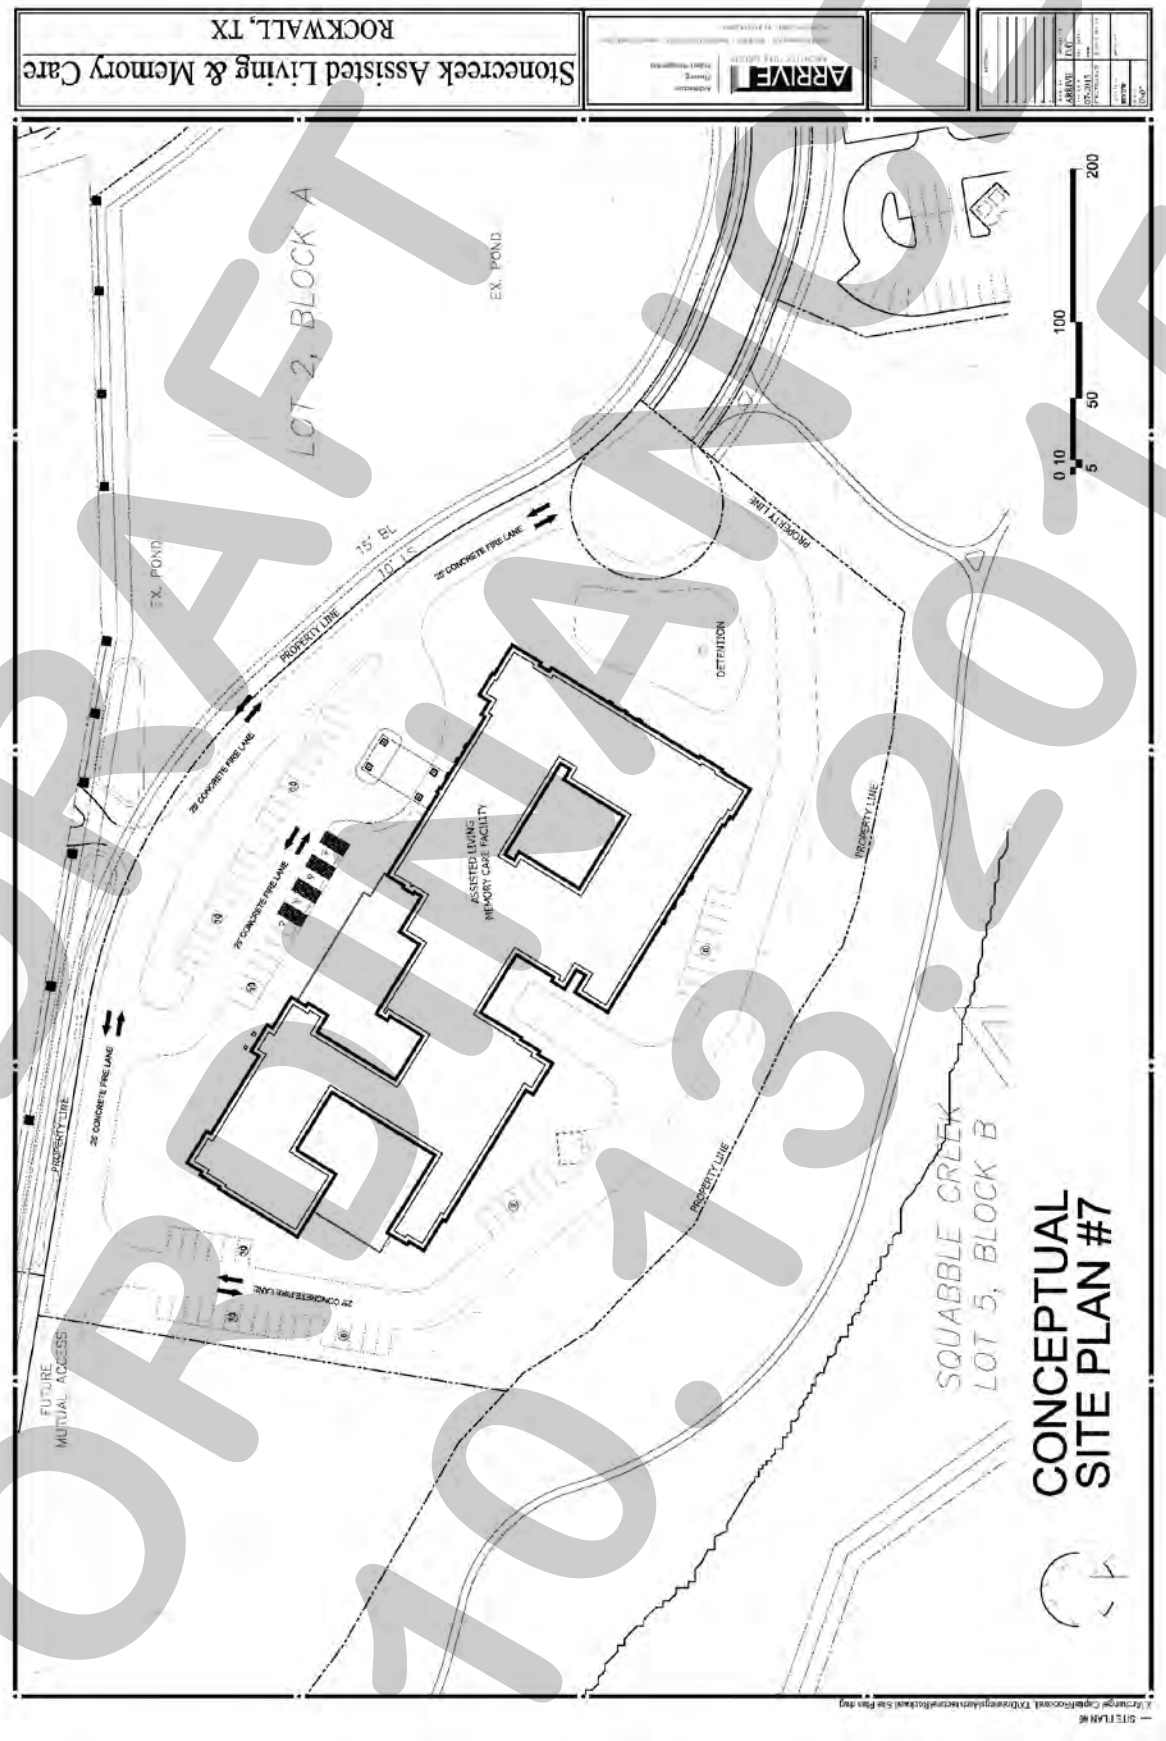
THENCE S. 41 deg. 41 min. 51 sec. E. a distance of 80.58 feet to a 1/2" iron rod set for corner at the beginning of a curve to the right;



THENCE in a Southeasterly direction with said curve to the right having a central angle of 15 deg. 03 min. 37 sec., a radius of 425.00 feet, a chord bearing of S. 34 deg. 10 min. 03 sec. E., a chord distance of 111.39 feet and an arc length of 111.71 feet to a 1/2" iron rod set for corner;

THENCE S. 26 deg. 38 min. 14 sec. E. a distance of 16.01 feet to a 1/2" iron rod set for corner at the beginning of a curve to the left;

THENCE in a Southeasterly direction with said curve to the left having a central angle of 40 deg. 55 min. 19 sec., a radius of 225.00 feet, a chord bearing of S. 4 7 deg. 05 min. 53 sec. E., a chord distance of 157.31 feet and an arc length of 160.70 feet to a 1/2" iron rod set for corner at a Northwest corner of Pecan Valley Drive;



THENCE S. 22 deg. 26 min. 27 sec. W. with the West line of Pecan Valley Drive a distance of 50.00 feet to the POINT OF BEGINNING and containing 5.507 acres or 239,903 square feet of land.

City of Rockwall
The New Horizon

MEMORANDUM

TO: City Council

FROM: Joey Boyd, Director of Internal Operations

DATE: October 16, 2015

SUBJECT: Through The Fence Agreement

Paul Davis has privately owned the property adjacent to the Ralph M. Hall / Rockwall Municipal Airport on the northwest corner for many years. (two north buildings with white roofs). See attached aerial.

Mr. Davis' hangars have access from a common taxiway onto the runway. David Block has the same access point from his two hangars (silver roof and blue roof). Mr. Block has a formal through-the-fence agreement with the City but a review of our records shows that no formal access agreement exists between the City and Mr. Davis, nor the previous owner of the property to use this access point to get onto public property.

Attached for the City Council's consideration is a through-the-fence agreement that formalizes the access between the two parties. The City Council is asked to authorize the City Manager to execute the agreement between the City of Rockwall and Paul Davis.

Through The Fence Agreement

This agreement is for a through-the-fence taxiway access from private property to the Rockwall Municipal Airport.

STATE OF TEXAS)
) KNOW ALL PERSONS BY THESE PRESENTS:
CITY OF ROCKWALL)

This agreement is entered into this 14th day of October, 2015, between the City of Rockwall, which is the owner of the Rockwall Municipal Airport, hereinafter referred to as the "Owner", hereinafter referred to as "Airport" and Texas Specialty Underwriters, Inc., Paul Davis and/or PSB Family Trust and/or it's assignee (a corporation, partnership, or sole proprietor), hereinafter referred to as "User" who covenant and agree as follows:

WHEREAS, Owner and User are committed to the proper operation, improvement, and continued development of the airport; and

WHEREAS, User is the owner of real property immediately adjacent to the physical property of the Airport and has owned and operated that property for aviation purposes since September 1994 (and before that time by the previous owners) with full agreement of the Owner for a total of more than thirty-five years on which basis the User is declared to be and remain a "Grandfathered" User; and further that User agrees to future annual "Use" payments as indicated below of $600.00.

WHEREAS, User has, with full knowledge and agreement of the Owner, made taxiway improvements for ingress and egress to the Airport and continues to be one of the largest purchasers of fuel and services from the Airport; and

WHEREAS, Owner deems it advantageous to itself and to the operation of the Airport to continue to allow User certain taxiway access;

NOW THEREFORE, in consideration of the terms, considerations, and privileges listed herein, Owner and User covenant and agree as follows:

Definitions.

Taxiway Access – means an aircraft taxiway, further described and defined below as the Land, located on private property owned by Owner adjacent to the Rockwall Municipal Airport that connects or feeds into a taxiway on the Airport and that is constructed for or intended use for the principal purpose of allowing aircraft to taxi between the Airport and one or more private properties owned by User off site, and is approved as an existing and continuing access taxiway by the City of Rockwall.

Airport – means the area known as the Ralph Hall, Rockwall Municipal Airport.

Section 1. USED Area

Owner does hereby enter into formal agreement to acknowledge and continue the Grandfathered lease or rights of use to User, effective on the date above stated, the existing Taxiway between the current property owned by User adjacent to the Airport for the sole purposes of aircraft taxi "through-the-fence" to the Airport and to the runways and taxiway system of the Airport.

Section 2. Term

This agreement shall be for the term of thirty (30) years, and may be extended for additional thirty year terms after the initial term upon giving of written notice by User to Owner not more than one hundred eighty (180) nor less than sixty (60) days prior to the expiration of the preceding 30 (thirty) year lease term under the terms specified in the next section of this agreement.

Section 3. Consideration

A. In consideration for the lease or use of the Land as referenced herein, Owner acknowledges the substantial revenue that User has and will continue to generate to the Owner in the form of purchased fuel, property taxes, and further that User agrees to future annual "Use" payments of $600.00. The first of these annual payments will be due within five (5) days of the effective date of this agreement and thereafter on the yearly anniversary of the effective date of this agreement.

B. User agrees that he will at all times refrain from littering on or wasting the premises of the taxiway access and will not place trash, litter, junked automobiles, or scrap aircraft parts on the taxiway access. User shall abide by all applicable rules and recommendations of the Environmental Protection Agency, the Texas Commission on Environmental Quality, the Texas Department of Agriculture, the Texas Department of Transportation, and any other public agency concerning the use, storage, and disposal of hazardous chemicals, fuel, and/or oil on the Land. User further agrees to abide by the manufacturer's directions in regards to the use, storage, and disposal of all pesticides, herbicides, and other chemicals plus their containers used at the airport on the land. Should User fail to keep the leased area free of hazards caused or created by User, Owner may, after 30 days written notice, arrange for the cleanup of the littered of hazardous area. Such cleanup, to the extent caused or created by User, shall be charged to User and payable on demand. Failure to render proper payment for such cleanup and/or general disregard for the considerations and restrictions listed in this lease agreement are grounds for Owner to terminate this lease as provided herein.

C. Taxes, Fees, Insurance, and Bond – User shall be liable for all taxes and fees owed on or by his personal business or himself. Under no circumstances shall Owner be liable for or be required to pay any tax or fee owned by User, nor shall User be liable for taxes or fees relating to the Land or Airport. User should provide his own insurance coverage for any personal property located in or on the leased area.

D. All improvements made by the User on the Airport property shall become property of the City of Rockwall at the time of expiration or termination of this agreement unless otherwise approved in writing by the City Manager. The City shall not be required to pay the User for any such improvements made unless specifically stated in writing by the City Manager.

Section 4. Permitted Use

All uses otherwise permitted by existing zoning ordinances within the boundaries of the existing airport Overlay District and as it may be amended in the future, except where there is a conflict between the Airport Overlay District and existing zoning ordinances. Where the provisions of the Airport Overlay district are more restrictive, the provisions of the Airport Overlay District shall govern.

Section 5. Restricted Use

A. User agrees that he/she will not store or permit the storage of any fuel or hazardous, volatile, and/or dangerous chemicals on the taxiway access except as generally allowed for and/or associated with the uses of the Land and Airport authorized herein without the written consent of Owner.

B. User agrees not to make any additions or modifications to the taxiway access except as agreed upon by both parties in writing. In the case of such consent and unless agreed to the contrary in writing, all improvements or modifications shall be made at the expense of User and, at the expiration of this Lease and any extensions to this lease, shall become the property of the Owner.

C. User agrees that he will access any and all hangers located on his private property from public access from Williams Road off of Airport Road.

Section 6. Unrestricted Uses

The following uses of the Land and User's adjacent property shall be unrestricted by Owner: personal aeronautical use; flight school training; fly for hire; fuel storage for personal use; purchase, sale and/or lease of aircraft and aeronautical equipment; maintenance on aircraft and/or aeronautical equipment owned, leased or leasing space from User; sale or lease of User property and/or improvements; constructions, improvement and/or maintenance to the property owned, leased or controlled by the User; and all uses not exclusively reserved by and for the benefit of the Fixed Base Operator for the Airport pursuant to the terms of that FBO/Airport Management Agreement dated March 20, 2014 so long as said agreement is in force and effect and is binding on Owner and after the expiration and/or termination of said FBO/Airport Management Agreement said uses previously exclusively reserved shall also be unrestricted uses hereunder. However, pursuant to the above listed FBO Agreement provisions set forth in in SECTION 1, subsection B.; the property that is the subject matter of this Agreement also falls within the Exhibit B designation and has no less rights and uses than those provided to David Block and referenced in above referenced Section 1 and as referring to Exhibit B in that Agreement.

Section 7. Sublease, Assignment, or Sale

The User may sublease, assign, sell or transfer User's property adjacent to the taxiway access and/or User's rights and obligations given by this agreement upon 15 days written notice to Owner and in such case the assignor shall be relieved of liability for the obligations assumed; provided that User may sublease, assign and/or transfer without notice to any entity owned or controlled by User, a family member, an heir, or a trust created for the benefit of an heir or family member.

Section 8. Termination

A. This contract agreement may be terminated, prior to its term, by Owner or User if either fails to abide by the material terms and conditions expressed herein and due the complainant and so decreed by a court of competent jurisdiction. In the event User fails to make timely payment as required herein, uses the Airport property or permits the Airport to be used for any illegal or unauthorized purpose, abandons or leaves the property vacant or unoccupied for 180 consecutive days, or violates any of the material terms and conditions of this contract agreement, Owner has the right to terminate this contract agreement and retake possession of any Airport property leased to or under the control of User upon ten (10) days written notice delivered to User; provided that notwithstanding any other provision to the contrary, prior to notice of default and right to termination or exercise of other remedy, Owner shall deliver written notice to User stating with reasonable particularity the facts supporting the claimed

default and actions necessary to cure same and User shall have thirty (30) days opportunity to cure said default. In the event that said default cannot reasonably be cured within said cure period but User is acting with reasonable diligence to accomplish such said cure, said cure period shall be extended another thirty (30) days.

B. User agrees and understands that Owner reserves the right to further expand, develop, or improve the airport, including the termination or modification of this lease agreement, in such instance that the continued leasing of the taxiway access would prevent any proposed development or improvements at the Airport; provided that in determining whether this lease agreement would prevent any proposed development or improvements at the Airport, all development and improvement alternatives shall be taken into consideration; and further provided that in any event this Lease Agreement may not be terminated for the cause outlined in this sentence prior to the thirtieth year after this lease agreement is signed. In the event that termination is authorized by the proceeding sentence, this contract agreement may be terminated regardless of the desires, wishes, or views of User and without interference or hindrance from User, but only so long as such expansion, development, or improvements are shown on a Texas Department of Transportation and/or FAA approved Airport Layout Plan or Master Plan and in a manner consistent with the preceding sentence and upon reasonable written notice given the circumstances and investment of User.

C. This contract may be prematurely terminated by mutual agreement and consent of both parties in writing. Such termination by mutual agreement shall cause both Owner and User to be free of any and all requirements of this contract, and neither Owner nor User shall have any derogatory remarks or entries made upon their resumes or upon any public or private records, which would indicate failure to successfully fulfill the conditions of this contract.

D. At the termination of this contract agreement consistent with the provisions herein, either by normal expiration, premature termination, or mutual agreement, User shall peaceably surrender this agreement.

Section 9. Hold Harmless

User agrees to save, hold harmless and indemnify Owner and its agents, servants, and employees of and from any and all liabilities, expenses, causes of action, or damages, resulting from any negligent act or omission of User or User's agents, servants, or employees on the Land as defined herein.

Section 10. Maintenance of Landing Area

User understands and agrees that Owner reserves the right, but not the obligation, to maintain the Airport to at least the minimum standards as recommended by the FAA and/or the Texas Department of Transportation. Such right includes the right to maintain and keep in repair all

public use areas at the Airport and the right to direct and control all activities as necessary at the Airport.

Section 11. Miscellaneous

A. This contract agreement and the exhibits referenced herein embraces the entire lease agreement of the parties mentioned herein pertaining to the taxiway access and no statement, remark, agreement, or understanding, either oral or written, not contained herein or in an exhibit hereto shall be recognized or enforced as it pertains to the lease or use of the taxiway access, except that this contract agreement may be modified by written addendum agreed to and signed by all pertinent parties and attached hereto.
B. For the purpose of this contract agreement, the singular number shall include the plural and the masculine shall include the feminine and vise-versa, whenever the context so admits or requires.
C. The "Section" captions and headings are inserted solely for the convenience of reference and are not part of nor intended to govern, limit, or aid in the construction of any provision hereof.
D. The parties to this contract agreement hereby acknowledge and agree that they are the principals to the contract agreement and have the power, right, and authority to enter into this contract agreement and are not acting as an agent for the benefit of any third party, except that the Owner is acting on behalf of the City of Rockwall.
E. This contract agreement shall be governed by the laws of the State of Texas and construed thereunder and venue of any action brought under this contract agreement shall be in Rockwall County, Texas.
F. If any section, paragraph, sentence, or phrase entered in this contract agreement is held to be illegal or unenforceable by a court of competent jurisdiction, such illegality or unenforceability shall not affect the remainder of this contract agreement and, to this end, the provisions of this contract agreement are declared to be severable.
G. User also understands that this lease does not obligate the Owner to continue operating the Airport as an airport. Further, User understands and agrees that if the Owner decides to close the Airport then User will not be entitled to any damages or monies or other compensation from the Owner as a result of this Agreement.

Section 12. Notification

Any notice given by one party to the other in connection with this agreement shall be in writing and shall be delivered (and shall be deemed delivered three days after deposit with the U.S. Mail service with proper postage if sent certified mail, return receipt requested) to:

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 10/19/2015

APPLICANT: Jonathan Hake of Cross Engineering

AGENDA ITEM: **SP2015-022;** Crush It Sport, *Airport Road*

SUMMARY:

Discuss and consider a request by Jonathan Hake of Cross Engineering on behalf of the owner Kenneth R. Smith of K. R. Smith Holdings, LLC for the approval of an exception to allow tilt-wall construction and variances to the articulation, architectural and material requirements for an approved site plan for an indoor/outdoor baseball training facility on a six (6) acre tract of land identified as Tract 4-07 of the N. Butler Survey, Abstract No. 20, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the SH-205 By-Pass Corridor Overlay (SH-205 BY-OV) District, located on the north side of Airport Road west of the intersection of Airport Road and John King Boulevard, and take any action necessary.

PURPOSE:

The applicant is requesting approval of a certain variances as outlined below in conjunction with an approved site plan for the purpose of constructing a 2-story indoor baseball facility that will be approximately 42,077 sq. ft. of gross building area on a six (6) acre tract of land. The site will include an indoor baseball facility, a practice field, and a full sized baseball field that will provide consumer based recreational activities for the public. The indoor facility will be generally equipped with batting cages, practice cages, virtual video cages, concessions, arcade games, a workout facility, a meeting room, a pro shop and business office. The baseball field and practice fields will be available for rental, select team use, and tournament play.

The property is zoned *Commercial (C) District* and has been granted a Specific Use Permit [*SUP Ord. No. 15-18*] on July 6, 2015 to allow for the development of an indoor/outdoor baseball training facility. The property is also within the *205 By-Pass Corridor Overlay (205 BY-OV) District* and is generally located on the north side of Airport Road, west of the intersection of Airport Road and John King Boulevard, across from the Leon Tuttle Athletic Complex.

VARIANCES AND EXCEPTIONS REQUESTS:

The applicant is requesting variances to the *Unified Development Code* (UDC) for the sections outlined below. As a note, a variance request to the UDC requires passage of a simple majority vote by the City Council for approval; however, a variance to the *205 BY-Pass Corridor Overlay (205 BY-OV) District* requires passage by a ¾ majority vote of those City Council members present. The requests are as follows:

a) *Article V, Section 4.1 General Commercial District Standards* – According to *Art. V, Sec. 4.1, A* the City Council can grant an exception to allow concerte tilt-up walls on a case-by-case basis after reviewing the building elevations and material samples. In this case the applicant is proposing concrete tilt wall panels that will be visible on all four (4) sides of the structure (*i.e. East: 70%; South: 33%; West: 64%; North: 94%*). ***[Simple Majority Vote]***

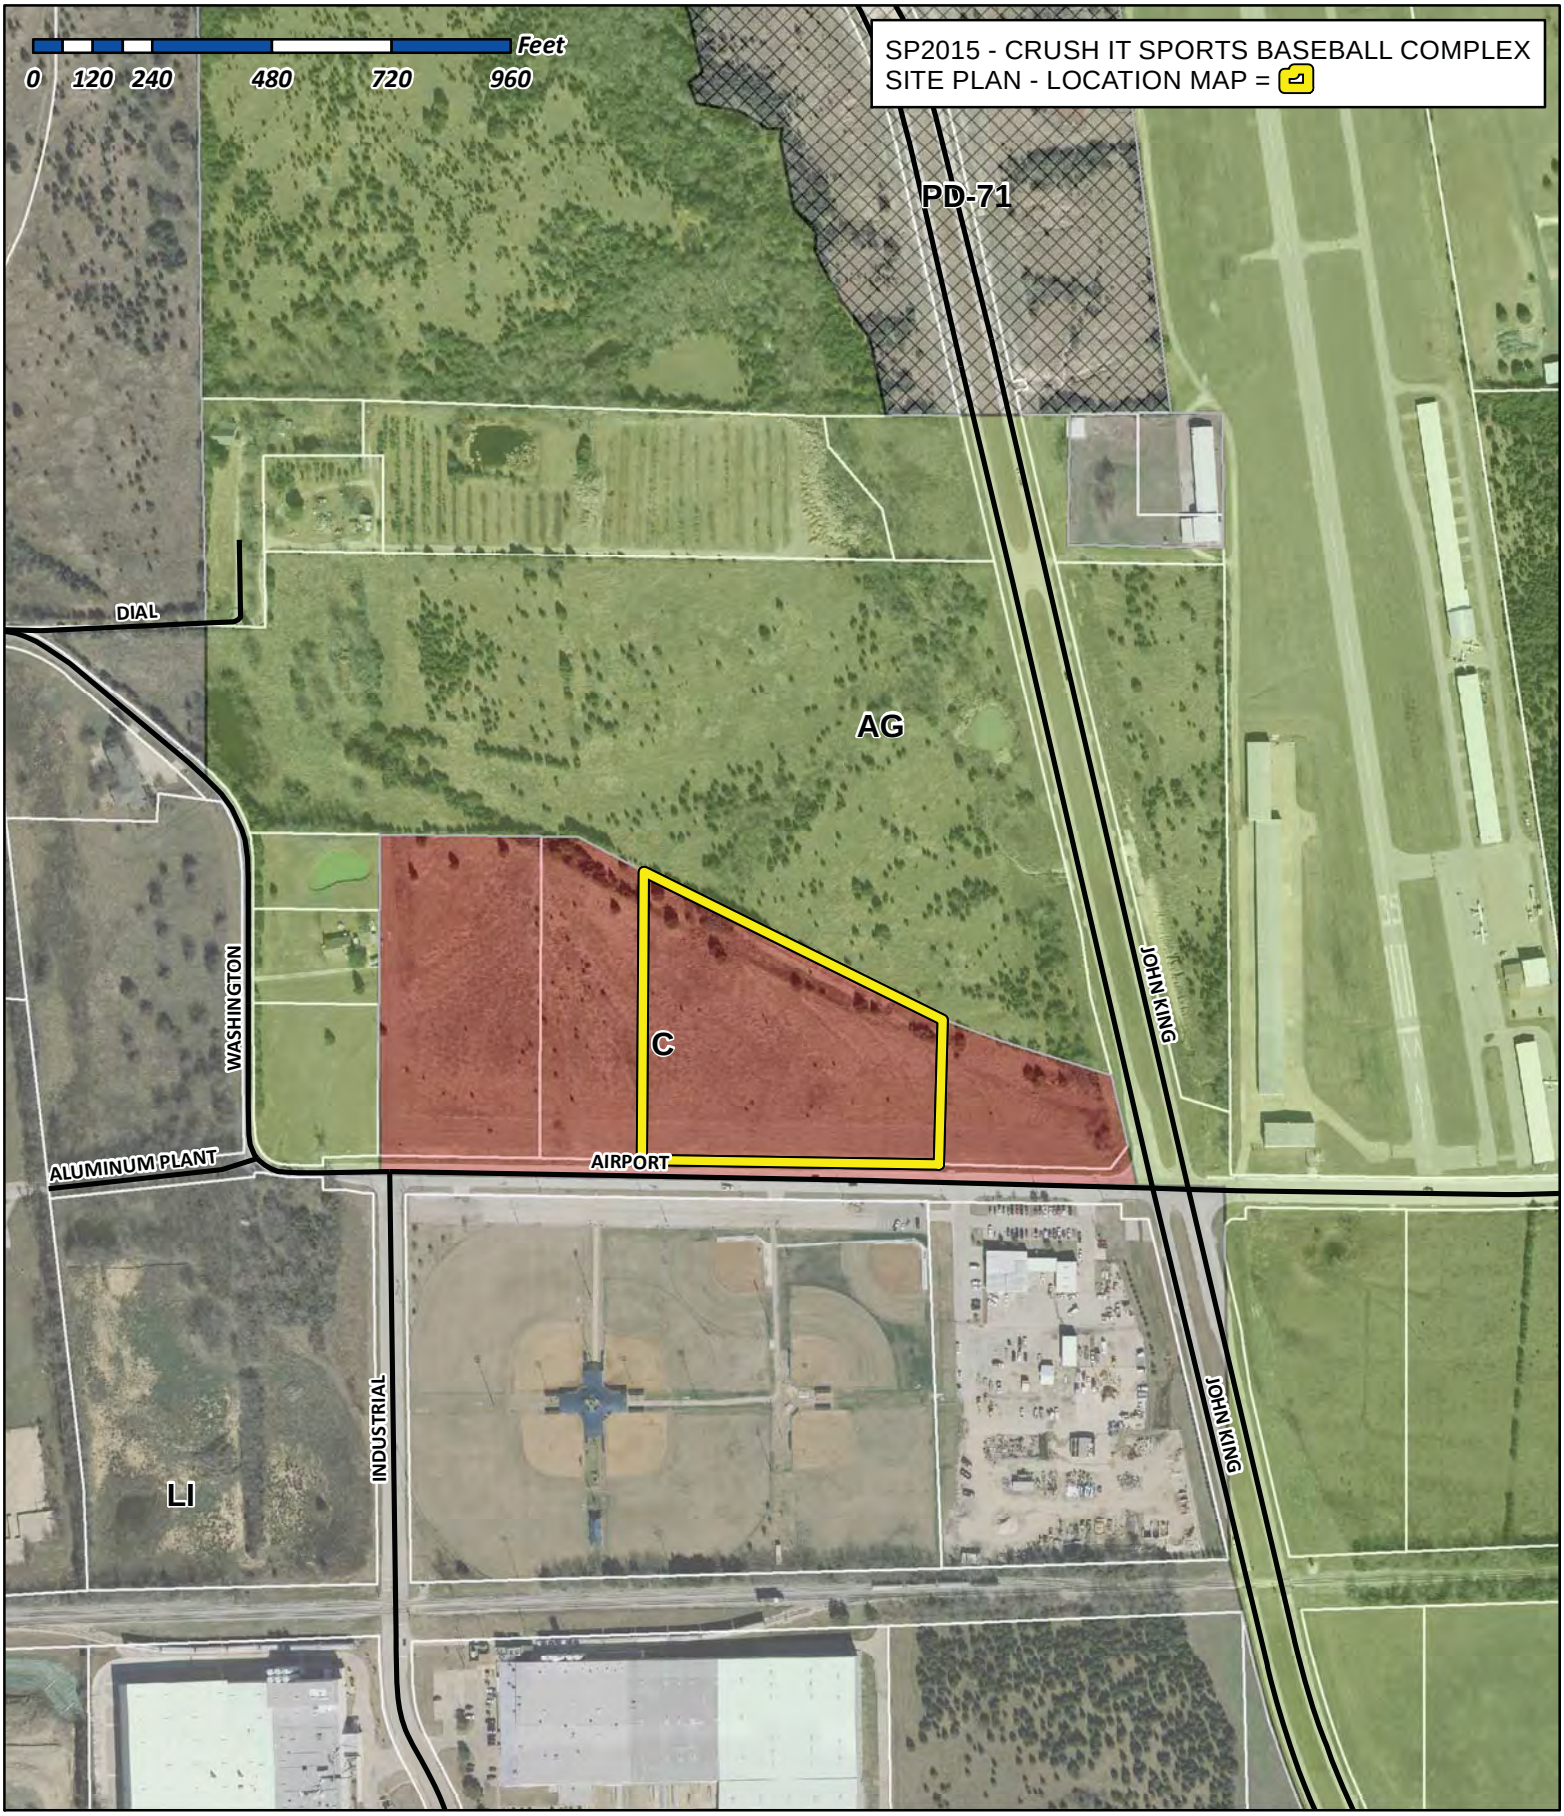
b) *Article V, Section 4.1 General Commercial District Standards* – A variance to allow for not meeting the Building Articulation requirements for horizontal and vertical articulation as established in *Art. V, Sec. 4.1, C.1.a*. & b. ***[Simple Majority Vote]***

c) *Article V, Sec. 6.10 205 By-Pass Corridor Overlay District* – A variance to allow for not meeting the minimum 20% natural or quarried stone requirement for the north and east elevation as established in *Art. V, Sec. 6.10, C.1* (i.e. (*i.e. East: 17%; South: 35%; West: 35%; North: 3.8%*). ***[¾ Majority Vote]***

d) *Article V, Sec. 6.10 205 By-Pass Corridor Overlay District* – A variance to allow for exceeding the maximum 10% secondary materials requirement as established in *Art. V, Sec. 6.10, C.1.b* for the elevations as generally submitted (*i.e. MBCI [Metal Panel] East: 13%; South: 20%; West: 0%; North: 0%*). ***(¾ majority vote)***

e) *Article V, Sec. 6.10 205 By-Pass Corridor Overlay District* – A variance to allow for not meeting the architectural finishing of all four (4) sides with same materials, detailing, and features as established in *Art. V, Sec. 6.10, C.5* by allowing the elevations as generally submitted. ***[¾ majority vote]***

ARCHITECTURAL REVIEW BOARD RECOMMENDATION:



On September 29, 2015, the Architectural Review Board (ARB) reviewed the proposed building elevations for the site. The board expressed concern with the thematic appearance of the structure and site by using "baseball bats" as structural supports for the overhang and large "baseballs" near the entrance. The ARB also requested the applicant include windows or a clerestory for the west elevation along the portion of the building closest to Airport Road. Finally, the ARB recommended the applicant include additional architectural elements for the rear (north) elevation.

The applicant has submitted updated building elevations that show the incorporation of the clerestory along the western elevation and window elements along the northern elevation; however, the revised elevations do not address the boards concerns with regard to the thematic appearance of the structure.

On October 13, 2015, the ARB revisited the appearance of the "baseball bat" supports. After discussing the weathering and maintenance of the supports, the ARB recommended approval of the elevations as presented.

PLANNING AND ZONING RECOMMENDATION:

On October 13, 2015, the Planning and Zoning Commission approved the site plan with ARB recommendations and staff conditions by a vote of 6 to 0 with one vacancy. During the same motion, the Planning Commission also recommended approval of the variances requested to allow for concrete tilt-up wall construction, and for not meeting the architectural and material requirements as outlined in staff's report.

Response to P & Z and Architectural Review Board Comments

Partners In Architecture will address those items that pertain to the architectural comments only.

Site Plan:

1. *Based on Buildings footprint, the horizontal articulation is not meeting the standards established in the UDC* and requires a variance as indicated above.
   Response: Refer to Request for Variance below.
2. *Remove label "Construction Type 2B" from proposed building. Construction type to be approved by the Building Inspection Department at the time of building permit.*
   Response: This label has been removed.
3. *Ground mounted units (HVAC) located on the north elevation require screening from adjacent properties. Provide detail of screening mechanism to be used.*
   Response: Refer to Landscape Plan L1.01
4. *What is the dashed line with X's along the north boundary? This is not identified on the legend and not labeled.*
   Response: Refer to Cross Engineering Site Plan Documents.
5. *Label 24-ft Firelane as "24-ft Firelane and Public Access Easement." Also, where applicable include "Utility Easement."*
   Response: Refer to Cross Engineering Site Plan Documents.
6. *Dumpster enclosure wall are to be a minimum of 8-ft with materials to match the primary structure. Provide detail. Also, change label to indicate 8-ft Masonry Dumpster Screen.*
   Response: Refer to corrected Site plans provided by Cross Engineering and details attached.

145

7. *Dumpster to include self-latching mechanism, please indicate on plans.*
   Response: Refer to attached detail.

8. *Unwritten suggestion by the Architectural Review Committee (9/29/2015). The proposed GFRP (Glass Fiber Reinforced Polymer) "baseball bat" column covers over the tube steel columns are two "thememe"*

Response:

The owner K. R. Smith Holdings, LLC, requested this unique architectural design feature and believes that it represents what his baseball training facility is all about and will bring success to the project as well as recognition for his brand.

Request for Variance

On behalf of the owner K. R. Smith Holdings, LLC, Partners In Architecture request considering for variances to the Architectural Standards as noted below.

1. Variance to the Vertical & Horizontal Articulation Standards – *based on the building's foot print and elevations as submitted are not meeting the minimum standard established in the General Commercial District Standards for articulation.*

Response:

South Wall: Because the wall varies in height from 36' to 40' at the high wall the average height used in the wall calculation is 38'. The total allowable length of wall allowed is 38' x 3 = 114'. The total wall length is 91'-5" with 16'-8" portion being at a lower roof level of 24'-0". This elevation complies with the intents of the Standards.

West Wall: The total wall length for this elevation is 189'. Based on the wall height of 38', the total allowable length before an off set is 114'-0". However, a portion of this elevation has a reduced wall height of 24'-0" and is 56'-9" long. The balance of the wall length is 132'-5". While wall length is greater than the allowable length, at the recommendation of the Architectural Review Board, we have added additional stone pilasters at the corners of the high wall and added additional window fenestration on the upper wall above the low wall creating a clear story.

East Wall: The total wall length is 152'-7". The height of the wall is 40'. The total allowable length before an off set is 120'-0". While the length of wall exceeds the allowable, the wall has been broken up with a second story balcony, and a portion of wall that frames a second balcony at the entrance and varies 8' to 11' from the main wall plane. This secondary wall also has a void opening 11'-6" high x 8'-0" wide creating interest and additional views from the entrance balcony. The pairs of diagonal columns supporting the large roof overhand also help break up the expanse of wall.

North Wall: The north wall height is an average of 38'-0" and length is 158'-0". Therefore the allowable length to height ratio is 114'-0". While this wall exceeds the allowable length, at the recommendation of the Architectural Review Board we added the stone pilaster at the corners.

After reviewing the criteria for Vertical and Horizontal Building Articulation and the examples given in the Standards for Commercial Districts, the intent is to break up large expanses of wall that are normally found in "Big Box" and "Life Style" shopping centers where there are multiple tenants. Because Crush It Sports is a single tenant, in the opinion of Partners In Architecture, the spirit and intent of the standard has been met by creating interest in the fenestration, balcony projections, large roof overhangs, diagonal columns, materials and textures.

2. Variance to the Architectural Standards of the 205 By-Pass Corridor Overlay (205 BY-OV) District for the building's design as follows:

a. *For the building not meeting the masonry requirements as follows:*

1. to allow for tilt wall construction, and

Response:

The concept of Crush It Sports is to provide a baseball training facility for youth baseball and potentially other sports. As such, the activities provided inside and outside of the building are focused on the training of the youth in their sport. In door batting cages, pro shop, concession stand and restrooms are on the first floor. Second floor provides for pitching cages, video cages, party rooms, dressing rooms, restrooms a trainer/rehab office and weight, cardio rooms and a coffee area for waiting parents. It is the developer/owner's desire to provide a facility that was high tech in appearance and visually pleasing by using a variety of materials. The tilt wall construction was chosen as the primary construction method due to its economy of scale, reduced labor costs, lower capital costs, reduced energy costs and lower maintenance costs. With the inclusion of the stone veneer over the concrete panels, the reveals placed in the panels to complement the horizontal storefront mullions and other building projections such as the balconies, the diagonal columns supporting a large roof overhang, the tilt panels are sufficiently broken up to create the interest and high tech appearance desired.

2. to allow for the east elevation to have less than 20% stone.

Response:

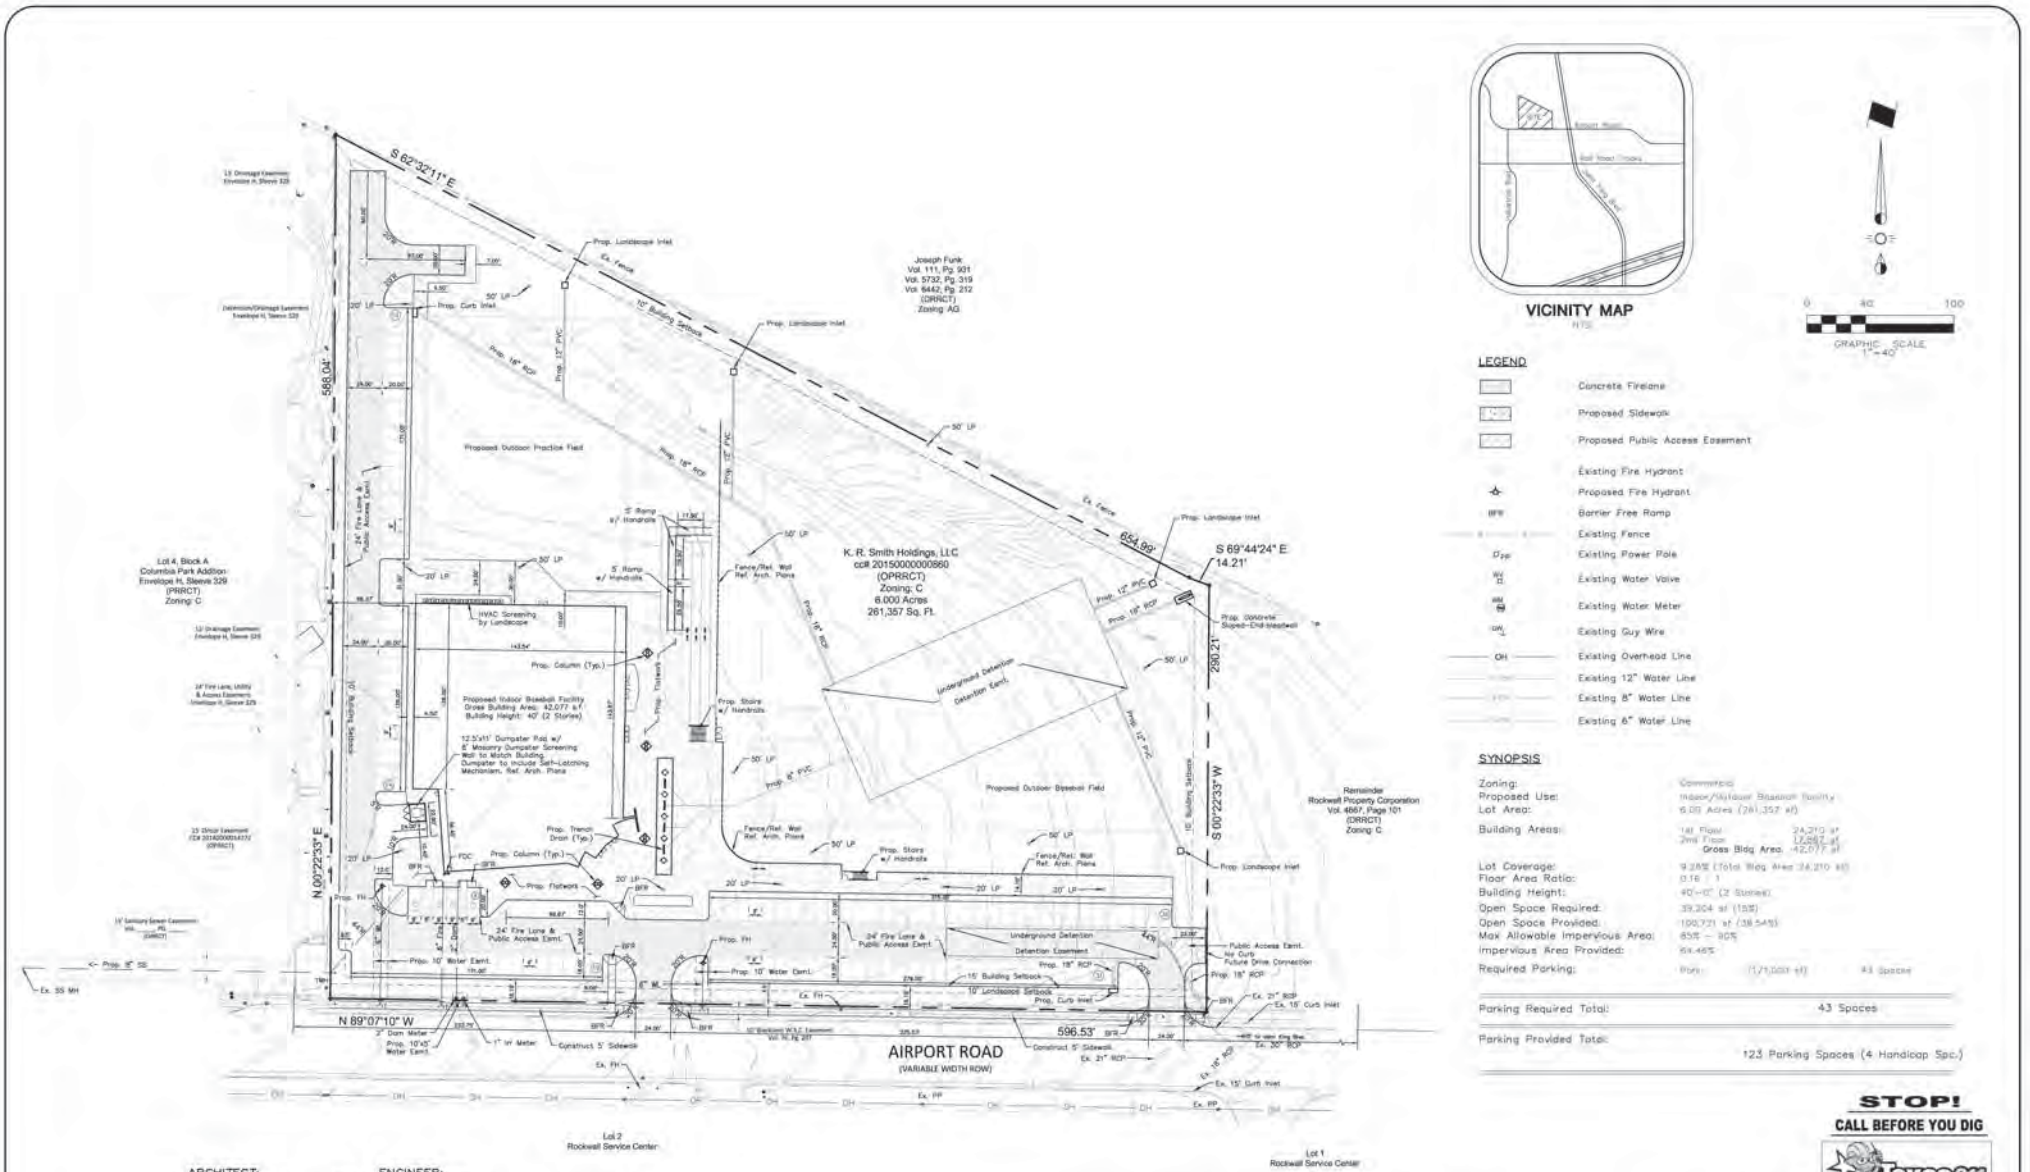
The east elevation has 17% stone veneer. The height of the stone is 7'-2 ½" with correlates with the horizontal mullions of the storefront and the reveals in the tilt wall panels. The south and west elevations exceed with 20% criteria with 35% stone veneer which is due to the correlation of the existing wall height and added stone pilasters at the corners discussed in the West Elevation above.

3. to allow for secondary materials to exceed 10% of the masonry standards (i.e. corrugated metal)

Response:

The corrugated metal panels on the south elevation, over the main entrance balcony and the east entrance balcony facing the game field represent percentages of 20% on the south elevation and 13% on the east elevation. The south elevations % was reduced by 5% from the previous submittal due to inclusion of the material in both the south and east elevations.

The use of the corrugated metal is to provide an architectural feature high tech in appearance to correspond to the exposed painted steel structure supporting the roof overhang. The metal panels also help provide a contrast between the stone and tilt wall materials.



b. *For the building not being architecturally finished on all four sides with the same materials, detailing and features.*

Response:

The north elevation is not finished the same as the other three sides because there are only two north facing windows and they did not require a large expanse of roof overhang to protect from the sun. Therefore the pairs of supporting diagonal columns were not necessary. The north wall has a small percentage of stone veneer and fronts the proposed soccer practice field. A stone pilaster was added at the northwest corner as part of the articulation to compliment the west elevation.

CITY OF ROCKWALL, TEXAS
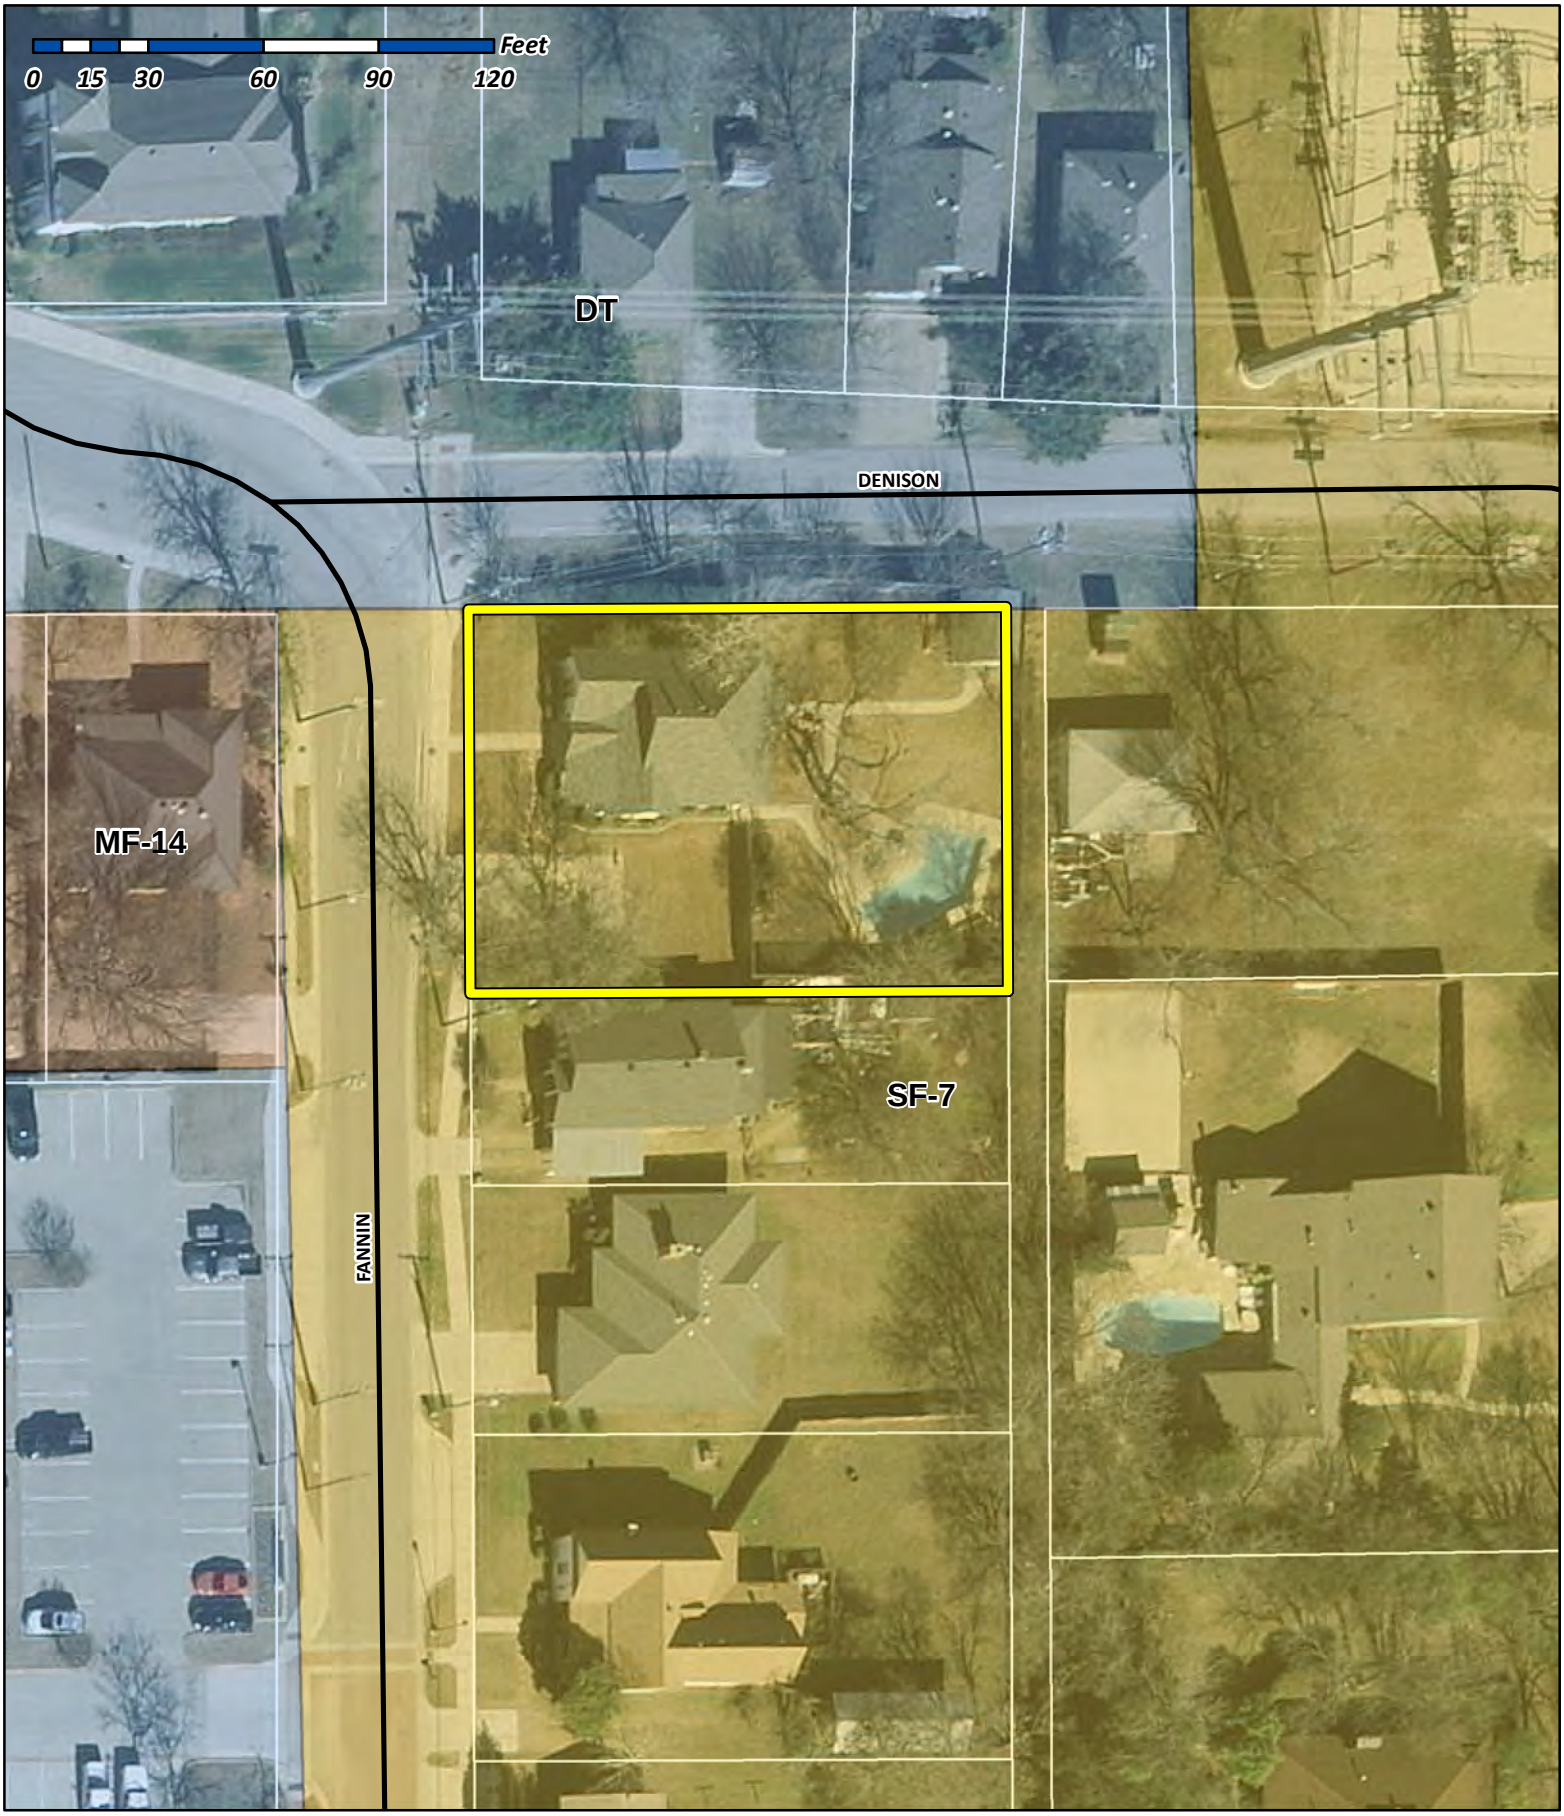
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Brad Griggs, *Assistant City Manager*

FROM: Ryan Miller, *Director of Planning and Zoning*



DATE: October 19, 2015

SUBJECT: Structure Preservation Tax Exemption (*311 S. Fannin Street*)

Ordinance No. 03-28 was drafted in 2003 with the intent of providing an incentive program for redevelopment within the *"Old Town" Rockwall (OTR) Historic District*, *Southside Residential Neighborhood Overlay (SRO) District* and designated *Landmark* properties. In accordance with this ordinance the applicant, Michael M. Caffey, is requesting to have the assessed value for ad valorem taxation "frozen" for a period of seven (7) years on the subject property at 311 S. Fannin Street for the purpose of renovating/rehabilitating the existing single-family home and constructing an addition to the structure. Specifically, the applicant has submitted paper work indicating that an investment of ~$127,848.73 (*i.e. exterior renovations of ~$71,774.75 and interior renovations of ~$56,073.98; plus additional undefined costs*) into the property in order to make the following improvements: 1) renovations to the floors, ceilings, kitchen, bath, electrical and plumbing of the existing single-family home, and 2) construct an ~924 SF addition to the (southern) side of the home (*a complete set of plans has been provided in the attached packet*). On June 18, 2015, the applicant received approval from the Historic Preservation Advisory Board (HPAB) for a Certificate of Appropriateness (COA) [*Case No. H2015-005*] for the proposed rehabilitation and addition to the home. The board approved the request finding that the proposed scope of work would not have an adverse impact on the essential character of the neighborhood, nor would it have a negative impact on the historic nature of the subject property or its adjacent properties.

According to Ordinance No. 03-28 a tax abatement of seven (7) years can be approved, "…if the amount of the increment project is equal to or exceeds 25% of the assessed value of the improvement on January 1st of the year the increment project was completed." In this case, the current taxable value of the subject property is $122,940.00 for which the proposed investment represents greater than 100% of this value. If the City Council chooses to approve the applicants' request then the effective tax rate for the subject property would be fixed at $122,940.00 for a period of seven (7) years. The applicant has provided all required supporting information stipulated by the ordinance including a legal description, proof of title, an owner's affidavit, and a tax certificate verifying that all current taxes have been paid. Should the request be approved the applicant would be required to submit a sworn statement of completion, at the conclusion of the proposed work, acknowledging that the property has been restored in compliance with the plans submitted to staff. Additionally, the applicant shall be required to provide staff with documentation verifying the total cost of all improvements. All information will be verified prior to staff notifying the Rockwall County Central Appraisal District's (RCAD's) Chief Appraiser of the applicable ad valorem tax exemption. In the event of default, the applicant will be required to fill out and sign a "Repay Certificate."

Should the City Council have any questions concerning the scope of work the applicant will be present at the meeting. Staff will also be available to answer any technical questions concerning the request.

Structure Preservation Tax Exemption
Planning and Zoning Department
City of Rockwall, TX
385 S. Goliad
Rockwall, TX 75087

To Whom It May Concern:

I, Michael M. Caffey, are respectfully requesting consideration for structure preservation tax exemption for my property at 311 S. Fannin, Rockwall, TX 75087, Block C, Lot 9 and 10 of the Eppstein Addition. The house in question is considered a high contributing property within the historic district of the City of Rockwall. In order to preserve the integrity of the house and its history, it needs a significant financial commitment to renovation including, floors, ceiling, kitchen, bath, plumbing and electrical. The existing house will undergo upgrades and renovation consistent with the age of the house. We also plan to add an additional 914 square feet as well. The house appearance will be consistent as the addition will not take away from it's appearance. The plan has been approved for construction by the historical advisory board of the city. The project will cost at least $100,000, and most likely more.

We are ready to break ground upon approval of our tax exempt request. The completion date should be 3-6 months from the beginning of the remodel. Thus, I expect a completion date no later than June 15, 2016. We will be informing the City of Rockwall upon completion and will turn in a signed completion affidavit.

Upon completion of the project, we will be using this property as our primary residence with no intent of selling or moving.

Thank you for your consideration. Feel free to contact me directly if you have any questions or would like more information.

Sincerely,

Michael M. Caffey
311 S. Fannin, Rockwall TX 75087

Structure Preservation Tax Exemption

Planning & Zoning Department

State of Texas

County of Rockwall

Before me, Cindy A. Kindred, on this day personally appeared Michael M. Caffey, known to me to be the person whose name is subscribed to the foregoing instrument and acknowledged to me that he executed the same for the purposes and consideration therein expressed.

Given under my hand and seal of office this 9th day of October, 2015.

Cindy Ann Kindred

Notary Public's Signature

SPECIAL WARRANTY DEED

DATE: June 1st, 2004

GRANTOR: Regina Kay Caffey

GRANTOR'S MAILING ADDRESS (INCLUDING COUNTY): 1124 Signal Ridge Place, Rockwall, Rockwall County, Texas 75032

GRANTEE: Michael Mapes Caffey

GRANTEE'S MAILING ADDRESS (INCLUDING COUNTY): 311 S. Fannin, Rockwall, Rockwall County, Texas 75087

CONSIDERATION:

The division of property and confirmation of separate property in Cause No.1-04-237, styled "In the Matter of the Marriage of Michael Mapes Caffey, Petitioner, and Regina Kay Caffey, Respondent ," entered in the 382nd Judicial District Court of Rockwall County, Texas, and ten dollars and other valuable consideration paid by Grantee. Grantor assigns to Grantee the casualty insurance policy on the property, all utility deposits for utility service at the property, and all funds held in escrow for payment of taxes and insurance premiums.

PROPERTY (INCLUDING ANY IMPROVEMENTS):

The Property located at 311 S. Fannin, Rockwall County, Rockwall, Texas 75087, known more formally as:

BEING LOT 9, AND LOT 10, BLOCK C, OF EPPSTEIN ADDITION, AN ADDITION TO THE CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, ACCORDING TO THE MAP OR PLAT THEREOF RECORDED IN VOLUME L, PAGE 386, DEED RECORDS OF ROCKWALL COUNTY, TEXAS.

RESERVATION FROM AND EXCEPTIONS TO CONVEYANCE AND WARRANTY:

This deed is subject to all easements, restrictions, conditions, covenants, and other instruments of record.

Grantor, for the consideration and subject to the reservations from and exceptions to conveyance and warranty, grants, sells, and conveys to Grantee all of Grantor's interest in the property, together with all and singular the rights and appurtenances thereto in any wise belonging, to have and hold it to Grantee, Grantee's heirs, executors, administrators, successors, or assigns forever. Grantor binds Grantor and Grantor's heirs, executors, administrators, and successors to warrant and forever defend all and singular the property to Grantee and Grantee's heirs, executors,

administrators, successors, and assigns against every person whomsoever lawfully claiming or to claim the same or any part thereof, except as to the reservations from and exceptions to conveyance and warranty, when the claim is by, through, or under Grantor but not otherwise.

When the context requires, singular nouns and pronouns include the plural.

Grantee assumes all ad valorem taxes due on the property for the current year.

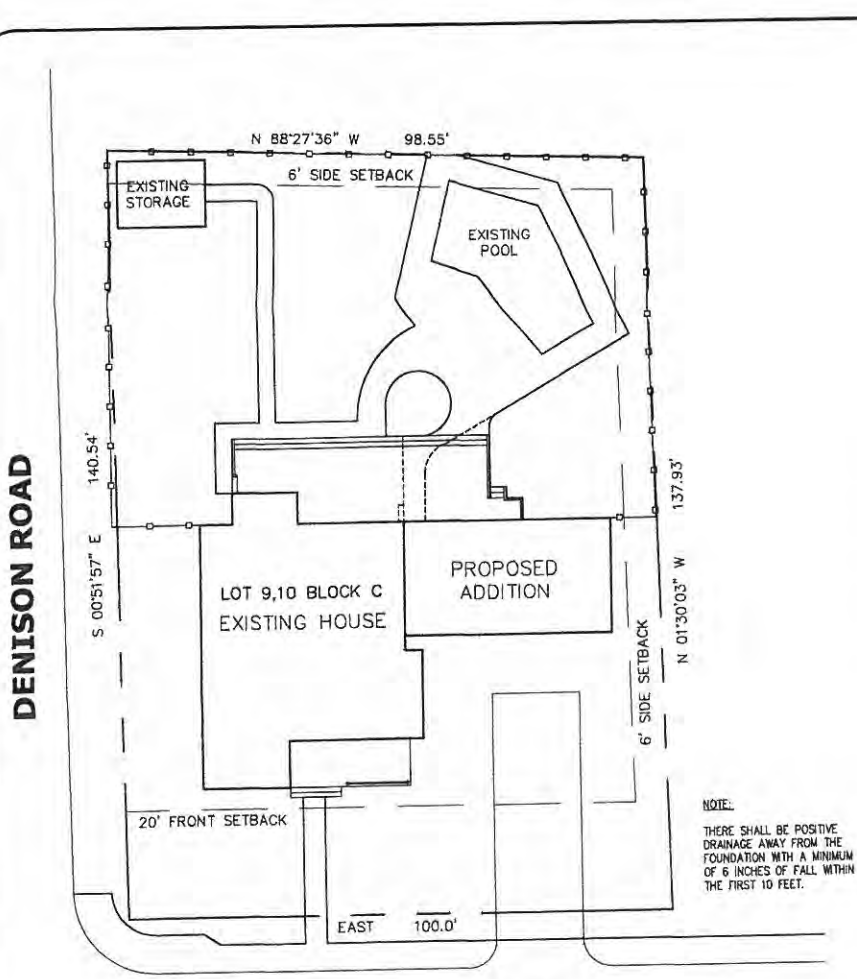
Tax Certificate Issued for:	Taxes Paid in 2015
CITY OF ROCKWALL	0.00
ROCKWALL COUNTY	0.00
ROCKWALL ISD	0.00

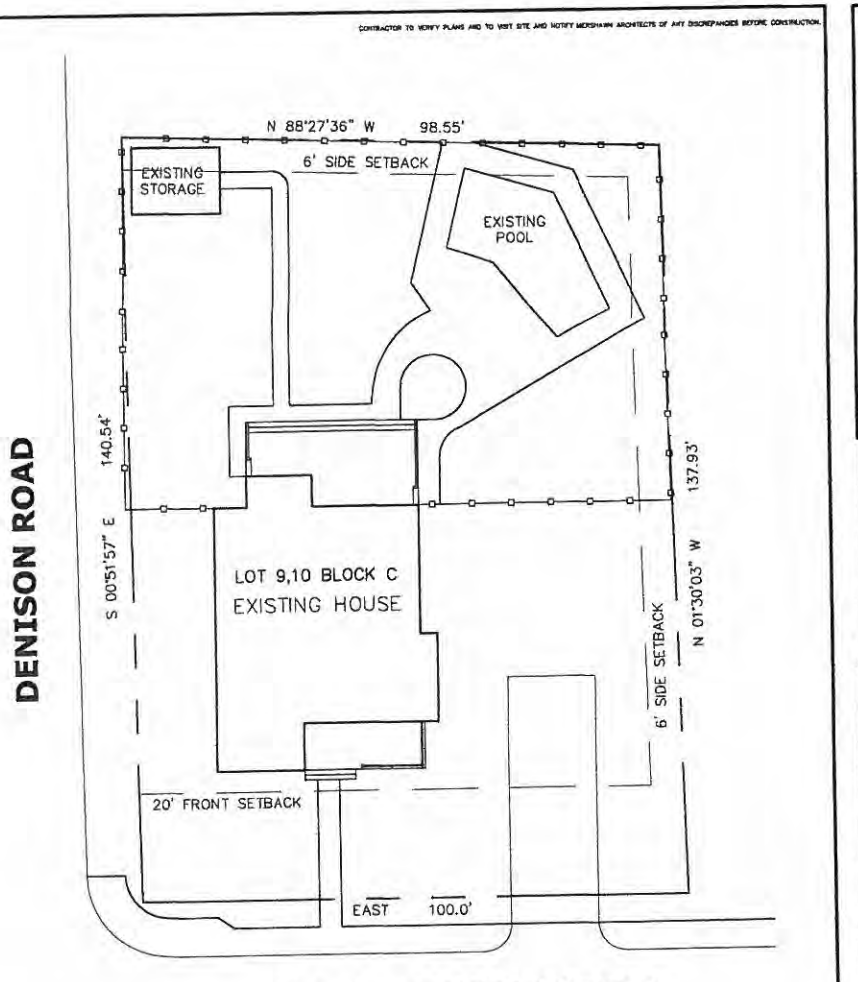
If applicable, the above-described property has/is receiving special appraisal based on its use, and additional rollback taxes may become due based on the provisions of the special appraisal (Comptroller Rule 9.3040) or property omitted from the appraisal roll as described under Tax Code Section 25.21 is not included in this certificate [Tax Code Section 31.08(b)].

Pursuant to Tax Code Section 31.08, if a person transfers property accompanied by a tax certificate that erroneously indicates that no delinquent taxes, penalties or interest are due a taxing unit on the property or that fails to include property because of its omission from an appraisal roll, the unit's tax lien on the property is extinguished and the purchaser of the property is absolved of liability to the unit for delinquent taxes, penalties or interest on the property or for taxes based on omitted property. The person who was liable for the tax for the year the tax was imposed or the property was omitted remains personally liable for the tax and for any penalties or interest.



A tax certificate issued through fraud or collusion is void.

This certificate does not clear abuse of granted exemptions as defined in Section 11.43 Paragraph(1) of the Texas Property Tax Code.



May Be Subject to Court Costs if Suit is Pending

CITY OF ROCKWALL

ORDINANCE NO. 03-28

AN ORDINANCE OF THE CITY OF ROCKWALL, TEXAS AMENDING THE ROCKWALL CODE OF ORDINANCES TO PROVIDE AN AD VALOREM TAX EXEMPTION FOR STRUCTURES IN NEED OF TAX RELIEF TO ENCOURAGE THEIR ENHANCEMENT AS HEREIN DEFINED; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; AND PROVIDING A PENALTY OF A FINE OF $500.00 FOR EACH OFFENSE; PROVIDING AN EFFECTIVE DATE.

WHEREAS, the 65th Legislature in June 1977 passed S.B. 595 amending Title 122, Revised Civil Statues of Texas (1925), by adding Article 7150i authorizing the governing body of a political subdivision to exempt historic sites from certain property taxation; and

WHEREAS, Article 7150i was made effective upon adoption of Section 1-f to Article VIII of the Texas Constitution which authorized the State Legislature to allow political subdivisions to exempt historical sites from certain property taxation; and

WHEREAS, Texas voters on November 7, 1977, amended Article VIII of the Texas Constitution by adding Section 1-f; and

WHEREAS, effective January 1, 1980, the 66th Legislature codified Section 7150i as Section 11.24 of the Property Tax Code (1979); and

WHEREAS, there has been adopted in the City of Rockwall certain historic overlay districts which are in need of tax relief to encourage enhancement of structures as herein defined;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. Chapter 25 of the Code of Ordinances is amended to add a new Article III to read as follows:

"ARTICLE III

EXEMPTION FOR HISTORICALLY SIGNIFICANT SITES

SECTION 25 - 38: DEFINITIONS

As used in this Article, the following terms shall have the meanings described herein:

A. "Assessed Value Prior to Preservation" means the value assessed by the Rockwall County Appraisal District for the tax year of verification.

B. "Certification" means the attestation by the Director of Community Development that the structure in question is a

structure located in the boundaries of the Old Town Rockwall Historic District or a Landmark Property as defined herein, in need of tax relief to encourage enhancement of structures and that the plans submitted will meet the definition of enhancement of a structure as defined herein.

C. "Enhancement of a Structure" means the completion of a building project to improve a structure and the certifiable expenditure of at least $5,000 for that project which has occurred after the adoption of this ordinance.

D. "Historic District" includes the Old Town Rockwall Historic District, the Southside Overlay District, designated Landmark Properties, and such historic districts that may be adopted by the City in the future.

E. "Increment Project" shall mean the monetary amount invested by the property owner in enhancing the subject structure (i.e. improvement) located within an official Historic Overlay District, which shall include the Old Town Rockwall Historic District, Southside Overlay District, designated Landmark Properties, and such historic districts that may be adopted by the City subsequent to the adoption of this ordinance.

F. "The Improvement" shall mean the monetary value of the property minus the value of the land upon which property taxes are levied by the City.

G. "Landmark Property" shall mean a property or structure(s), not contiguous to or part of an existing historic district, that is deemed worthy of preserving.

H. "Property in need of tax relief to encourage enhancement of a structure" shall mean any structure located in the Old Town Rockwall Historic District, Southside Overlay District, designated Landmark Properties, and any such historic districts that may be adopted by the City subsequent to the adoption of this ordinance.

I. "Property" shall mean the monetary value of the land plus the value of the improvement.

J. "Structure" is defined herein as a building located in an official historic district, which shall include the Old Town Rockwall Historic District, Southside Overlay District, designated Landmark Properties, and such historic districts that may be adopted by the City subsequent to the adoption of this ordinance within the City of Rockwall.

SECTION 25 - 39: STRUCTURE PRESERVATION TAX EXEMPTION

A residential building or designated landmark property which meets the requirements of this ordinance shall be certified by the Director of Community Development to have the assessed value for ad valorem taxation "frozen" as described and listed below in order to qualify for ad valorem tax exemption. The assessed value shall be frozen at the value for the tax year in which the increment project was completed. The assessed value of the improvement shall be so "frozen" in accordance with the schedule below:

The period of the tax abatement shall be five (5) years if the amount of the increment project is $5,000 or greater; or

The period of the tax abatement shall be seven (7) years if the amount of the increment project is equal to or exceeds 25% of the assessed value of the improvement on January 1st of the year the increment project was completed.

Furthermore, this exemption shall begin on the first day of the next tax year after verification of completion of the preservation required for certification; provided that: The building shall comply with the applicable zoning regulations for its use and location; and

SECTION 25 - 40: APPLICATION PROCESS

Applications for an ad valorem tax exemption pursuant to this ordinance are to be filed with the Community Development Department. Each application shall be signed and sworn to by the owner of the property and shall:

A. State the legal description of the property proposed for certification;

B. Provide proof of title in the applicant to the property proposed for certification;

C. Include an affidavit by the owner describing the structure in need of tax relief and its compliance with the requirements of Section 25 - 39 herein;

D. Provide proof that taxes or other assessments are not delinquent on the property;

E. Include a final complete set of plans for the structure's enhancement as required to secure a building permit;

F. Include a statement of costs for the restoration or rehabilitation work;

G. Include a projection of the estimated construction time and predicted completion date of the restoration or rehabilitation;

H. Authorize representatives of the City of Rockwall to visit and inspect the property and the records and books of the owner as necessary to certify that the property in question is in substantial need of restoration or rehabilitation;

I. Include a detailed statement of the proposed use for the property; and

J. Provide any additional information that the owner deems relevant.

K. Provide such other information as may be required by the Director of Community Development to properly consider certification of the project.

L. Provide a written acknowledgement by the property owner acknowledging the owners future obligation to notify the Director of Community Development upon completion of the increment project. This will begin the verification process noted in Section 25 - 42 below.

Each application shall contain documentation confirming or supporting the information submitted.

SECTION 25 - 41: CERTIFICATION PROCESS

Within 30 days after receipt of the properly completed application, the City shall make an investigation of the property and shall certify the facts to the Director of Community Development along with the documentation and recommendation for approval or disapproval.

Upon receipt of a recommendation, the Director of Community Development shall immediately forward the application to the Rockwall City Council and, within thirty (30) days, the Council shall consider approval or disapproval eligibility of the property for tax relief pursuant to this ordinance. In determining eligibility, the City Council shall first determine that all the requirements of this ordinance have been met and that only the structure is to be provided favorable tax relief as provided in Section II herein. Written notice of the determination shall be sent to the applicant.

SECTION 25 - 42: VERIFICATION PROCESS

Upon completion of the enhancement of a structure, the certified applicant shall submit a sworn statement of completion acknowledging that the property has been substantially rehabilitated or restored. Within (30) days after receipt of the sworn statement of completion, the Director of Community Development shall make an investigation of the property and shall determine if the enhancement has been completed as required for certification. If the enhancement is deemed incomplete, the applicant shall be required to complete the enhancement in order to secure the tax exemption. If the enhancement is determined to be complete, the Director of Community Development shall notify the Chief Appraiser of the

Rockwall County Central Appraisal District in writing that the applicable ad valorem tax exemption shall apply.

Thereafter, the Chief Appraiser of the Rockwall County Central Appraisal District shall provide the property with the tax exemption provided in Section 25 - 39 herein."

Section 2. That any person who violates any provision of this ordinance shall, upon conviction, be subject to a fine in accordance with the general provisions of the Code of Ordinances, and that each day in violation shall constitute a separate offence.

Section 3. The provisions of this ordinance are severable. If any provision of this ordinance or the application thereof to any person or circumstances shall be held to be invalid or unconstitutional, the remainder of this ordinance shall nevertheless be valid.

Section 4. That all ordinances or part of ordinances in conflict herewith are repealed to the extent of the conflict only.

Section 5. This ordinance shall become effective from and after its adoption, and it is so ordained.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 2nd day of September, 2003.

Ken Jones, Mayor

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **October 14, 2015**

SUBJECT: **Proposed Recommendation to P & Z regarding PD-75**

Councilmember White has submitted an agenda item regarding a potential amendment to PD-75 concerning the "Consideration of Special Request" allowed by the ordinance for properties within the Lake Rockwall Estates subdivision. When the Lake Rockwall Estates area was annexed, a Planned Development district was created after considerable public input. The PD language is based on Single Family detached zoning as SF-7. The public input records clearly demonstrate that the residents had very little, if any interest in any form of MF zoning, single family attached or similar land uses.

When the PD ordinance was passed, there was a section in the zoning that reads as follows:

> ***C. Consideration of Special Request***
> *The City Council may consider special requests in the Lake Rockwall Planned Development District in Areas 1 and 2. Such requests may include, but not necessarily be limited to, the use of building materials not otherwise allowed, authorization of specific land uses not otherwise allowed, or other requests submitted for consideration.*
>
> *Upon receipt of such special requests, the Planning and Zoning Commission shall review the same and forward its recommendation to the City Council for consideration. The City Council may approve special requests and any such approval shall preempt any other underlying zoning restrictions in the Zoning Ordinance. Such special requests may be denied by the City Council by passage of a motion to deny.*

Councilmember White desires to remove the section so that no other land uses can be permitted other than what was intended with the underlying zoning, which is SF-7. If the recommendation is approved by the City Council, staff will prepare an ordinance and forward the recommendation to the Planning and Zoning Commission for public input and a recommendation back to the City Council. The Council would then conduct a public hearing and vote on the proposed changes.

History of LRE Zoning.

Prior to annexation the city of Rockwall formed an Annexation Task Force to address many issues that city would be challenged with once LRE was integrated into city. It was comprised of about 50 people from around the community. The group was divided into various subcommittees, one of which was one to address future zoning.

I along with another resident (James Merkel) served on the zoning subcommittee with about 10 others. The majority of the committee kept pushing for the inclusion of multifamily housing (duplex, triplex, and quadplex). Jim Merkel and I, along with one other member opposed multifamily being considered. Renters and slumlords have not had a good reputation as good neighbors and good stewards. Despite objections, the subcommittee and task force recommended that multifamily be an allowed use.

The city did a series of "town halls" to address annexation concerns. During these meetings, residents objected to multifamily being an allowed use. No resident ever spoke in favor. These meetings attracted 50+ each time.

During a work session on 7-28-09 at Planning and Zoning, The Director of Planning and zoning echoed the concerns of residents and stated residents only wanted single family homes. One commissioner stated support for multifamily.

At the Public Hearing on 8-11-09 the Planning Director noted the opposition by residents to anything other than single family detached. Staff kept multifamily in proposed zoning because the council subcommittee (absent public input) and task force recommended it.

During public comment, citizens spoke in opposition to any multifamily housing.

After discussion among commissioners, the ordinance was approved 7-0 with the provision to "Remove all other housing types" other than single family detached.

On 9-9-2009, City Council held final public hearing. The Director of Planning explained the process and feedback of the zoning, but still staff recommended allowing multifamily housing "with approval of a Specific Use Permit (SUP)". Again, multiple residents again spoke in opposition to multifamily.

During discussion it was stated by council that "multifamily zoning is not wanted in LRE." The motion to approve with "all staff and P&Z recommendations and with no multifamily components to zoning" passed 7-0. ***A provision to grant council authority to grant any type of land use without public input was never openly discussed.***

The adopted ordinance was either intentionally or erroneously passed with a loophole allowing for multifamily housing. At best, staff recommendation requiring an SUP (and public hearing) was left out of ordinance. In the interest of open, transparent and ethical government, the ordinance should be changed to reflect the will of the people who live there with the expectation of maintaining LRE as a single family detached housing neighborhood.

David White, Councilman Place 1

P+Z work session

***Discuss* and consider a request by Heritage Christian Academy for approval of a Specific Use Permit (SUP) to allow for "Private School Temporary Education Buildings" within the (MF-14) Multi-Family Residential district on Lot 1, Block A, Heritage Christian Academy Addition, being 6.64-acres and located at 1408 South Goliad.**

Hampton gave a brief outline of the request, and explained the previous Conditional Use Permits that were approved for the property for the existing temporary portable buildings. The applicant was not present at the work session, and the Commission directed staff to communicate to the school that they would like information about their school's long-range plans. Hampton stated he would contact the applicant and let them know to be prepared to address the Commission's questions at the August 11th public hearing.

5. **P2009-015**
Discuss and consider a request by Austin J. Bedford of AJ Bedford Group, Inc., for approval of a replat of Lots 5 and 6, Block 1, Rockwall Centre Corners Addition, being 3.734-acres zoned (C) Commercial district and situated at the southeast corner of SH 205 and IH-30.

Spencer briefly discussed that staff had forwarded comments to the applicant, primarily relating to technical corrections to the plat. The Commission has approved a site plan for this site earlier this year.

6. **P2009-016**
Discuss and consider a request by Adam Crump of Douphrate & Associates, Inc., for approval of a replat of Lot 1, Block A, Quail Run Retail Addition, being 11.2825-acres zoned (PD-5) Planned Development No. 5 district and situated along the east side of SH 205 (North Goliad), south of Quail Run Road and north of Memorial Drive.

Spencer briefly discussed that staff had forwarded comments to the applicant, and also discussed the facilities agreement that will be required for the detention structures and tree mitigation requirements affiliated with the project. The Commission approved a site plan for a 10,000-sf medical facility on this property earlier this year.

7. **P2009-017**
Discuss and consider a request by Todd Wintters of Engineering Concepts & Design for approval of a replat of Lots 4 and 5, Block A, Presbyterian Hospital of Rockwall Addition, being 2.253-acres zoned (PD-9) Planned Development No. 9 District and situated along the southwest side of FM 3097 (Horizon Road) north of Tubbs Road.

Gonzales briefly outlined the replat request and discussed the needed revisions that the applicant will be making before the next meeting on August 11th.

8. **Z2009-008**
***Discuss* and consider a City-initiated request for a change in zoning from (Ag) Agricultural district to (PD) Planned Development district on approximately 329.53-acres known as "Lake Rockwall Estates," located along the south side of Tubbs Road, east side of Horizon Road (FM 3097), and north side of County Line Road.**

LaCroix gave the background of the subcommittee meetings and the public meetings that have taken place regarding the rezoning of Lake Rockwall Estates. He stated that one of the biggest issues for the residents is their water bill through Aqua Source. LaCroix further stated that multi-family housing is a big concern for the residents. He stated that the impact on density and parking that multi-family housing would bring is a concern to the residents. LaCroix stated that the residents would like only to see single-family housing allowed.

LaCroix discussed the lot size that would be needed for multi-family housing. He stated the way it is now, density is an issue because there are multiple structures or homes on single lots.

LaCroix further stated that with the way the city zoning is now it may create less density with multi-family homes due to the requirement of the lot size.

LaCroix listed the zoning requirements in Lake Rockwall Estates for the new Planning and Zoning Commission members that were present. He described, using a map, where Areas I, II and III are located. LaCroix discussed Phase II and the proposal from the subcommittee and staff for the proposed requirements or multi-family homes. LaCroix stated Area I is proposed to be single-family zoning. LaCroix further explained that Area III is floodplain and cannot be built in.

LaCroix stated that Area II is predominantly mobile homes or manufactured homes. LaCroix discussed a previous case that came in requesting the replacement of a manufactured home. He discussed the special exception that the applicant was allowed to request to the masonry requirements and other standards that went along with that case. LaCroix discussed in detail the requirements for replacing a manufactured home. LaCroix discussed the front yard fence requirements.

Bricker inquired about a traffic-impact study. LaCroix stated that it is not warranted and it would not be informative for the area. There was discussion regarding cementious siding versus vinyl siding. There was discussion regarding a garage requirement on multi-family homes. Bricker stated that he is in favor of the multi-family units because he feels that it would be an upgrade to the community. LaCroix stated that anything larger than a duplex would require fire protection to be installed.

There was discussion regarding the floodplain and commercial zoning. Hunter clarified that there is commercial use in the area now. LaCroix stated that that came in prior to the annexation into the city and that they will become nonconforming uses. Hunter inquired whether there could be manufactured housing duplexes. LaCroix stated if they meet the requirements they can. There was further discussion regarding the zoning for duplexes and triplexes with manufactured buildings. There was discussion regarding the population in Area I, Area II and Area III.

Milner commented on the water situation with Aqua Source and inquired how long it will take for the city to take over the water service. LaCroix stated that that is a negotiation situation. He stated that it could take years to resolve. Milner stated if a developer comes in, the city needs to hold them to a standard and make sure that they build to a standard that Rockwall requires. He encouraged the board to hold the developer to a certain standard and to do it right.

Hunter inquired whether there is a maximum size house that can be built. LaCroix stated the house size can take up to 45% of the lot size. Hunter inquired whether a two-story manufactured home is okay. LaCroix stated if it met the height requirements, yes. There was discussion on the fence requirement. LaCroix stated if there is a repair made to a fence, it can be repaired with the same material. He further stated if they replace the fence, it has to meet the fence standard for the city. LaCroix discussed the other standards and other exceptions for front yard fences.

There was discussion regarding drainage issues and the maintenance of the streets. LaCroix stated that the streets will be maintained like any other street in Rockwall. He stated that there are other places in the city with older streets and those streets are patched when there is an issue with the road.

Hunter inquired whether Aqua Source has to meet city standards for water pressure and the other standards that the city has. LaCroix stated that they do not have to meet any city standards, but they do have to meet whatever state standards are in place. There was discussion regarding fire protection.

Buchanan inquired about code enforcement and the area coming into compliance. He inquired whether anyone has contacted other cities to find out how they were successful with transition with an annexation of this kind. LaCroix stated that he has not contacted any other cities. He

stated that this area has a multitude of challenges with the density of the area and the floodplain that he has never dealt with before. He stated that they are just going to work through it.

Milner inquired about the insurance rating for the city with the challenges for fire protection. LaCroix stated he does not know how it will impact our rating as a city. He stated that the Fire Chief would have to be asked that question.

Bricker stated that other cities have duplexes and single family homes coexisting. He stated the conditions in the code that would make it difficult to have a manufactured duplex or triplex and meet the code. Bricker stated that, under those circumstances, he thinks bringing in duplexes and triplexes into the area would increase its value. He stated that he is in favor of multi-family living. Bricker discussed the impact fees that will come into the city with new development versus replacement of existing homes.

LaCroix clarified that the Commission is asking for attached garages to be required on any multi-family structures. Bricker stated that, yes that is what they are suggesting.

Milner said good-bye.

Bricker said good-bye.

ADJOURNMENT

The meeting adjourned at 8:59 p.m.

PASSED AND APPROVED BY THE PLANNING & ZONING COMMISSION OF THE CITY OF ROCKWALL, Texas, this 25th day of August, 2009.

Michael Hunter, Chairman

ATTEST:

Aug 11 PdZ Public Hearing

3. All building and fire code requirements shall be met prior to occupancy of the portable buildings.

Dean Cathey, 3066 Rochelle Rd (applicant representative), was present to answer questions.

Herbst asked what the school's plans were for finishing out the existing building. Mr. Cathey replied that the plan is basically year-to-year. He stated that one of the buildings was on the property when the school bought the property, but was moved to the back to get it out of the firelane.

Hunter opened the public hearing at 6:17 pm.

There being no public input, the public hearing was closed at 6:17 pm.

Herbst stated he was still uncomfortable with uncertainty of the school's future plans.

Minth asked if and how the requirement for the skirting can be tied to permit. Hampton replied that it would be a requirement that staff or building inspectors would look for before the building was approved for occupancy.

Buchanan asked if the SUP could be tied to the occupancy of the 2-story building. That is, the SUP be good for 3 years or upon completion of the 2nd floor, whichever were to occur first. LaCroix stated it would be better to include the time frame in the SUP, and hopefully that would be incentive enough for the school to work towards finishing out the 2nd floor.

Jackson stated that most of the public school sites in the community have these types of buildings, and that the current economy is tough, so she is in favor of the three year SUP.

Mr. Cathey stated they have estimated that finishing out the 2nd floor would be around $600,000, which the school simply does not have available. However, there is a need for extra classroom space to accommodate a new learning lab.

After further discussion, Commissioner Herbst made a motion to approve Z2009-015, a request by Heritage Christian Academy for approval of a Specific Use Permit (SUP) to allow for "Private School Temporary Education Buildings" within the (MF-14) Multi-Family Residential district on Lot 1, Block A, Heritage Christian Academy Addition, being 6.64-acres and located at 1408 South Goliad, with staff recommendations.

Commissioner Jackson seconded the motion.

It was voted on and passed 7 to 0.

5. **Z2009-008**

Hold a public hearing and consider a City-initiated request for a change in zoning from (Ag) Agricultural district to (PD) Planned Development district on approximately 329.53-acres known as "Lake Rockwall Estates," located along the south side of Tubbs Road, east side of Horizon Road (FM 3097), and north side of County Line Road, and take any action necessary.

Note: Enid Reyes (from Lakepointe / Lake Rockwall Estates Community Center) was present to translate the staff's presentation for Spanish-speaking members in the audience.

LaCroix outlined that the City has drafted a Planned Development district ordinance as a zoning proposal for the area commonly known as Lake Rockwall Estates. A copy of the proposed zoning map exhibit was shown. The PD is divided into Area 1 (west side of Lake Rockwall comprised mostly of "stick-built" SF housing); Area 2 (east side of Lake Rockwall comprised of mixture of housing types including manufactured and mobile homes); and Area 3 (open space and drainage

areas). The proposed plan for the area is for a Single-Family residential zoning. No Commercial zoning is proposed for the PD.

The underlying zoning for the area is the (SF-7) Single Family Residential district. Staff has proposed that a minimum lot size of 5,000-sf be utilized to accommodate the typical lot patterns that exist in both Areas 1 and 2. The masonry standards for Areas 1 and 2 are proposed to be the same as the rest of the City, including a minimum 80% masonry requirement and a maximum 50% of cementaceous materials (e.g. stucco, Hardiboard, etc). The staff has proposed that the PD include provisions for front yard fences that would not require City Council approval unless an exception is requested. There is also a provision for owners to make an exception request to City Council about such things as building setbacks, lot frontage or depth requirements, use of building materials not otherwise allowed, and other special requests.

The proposed PD standards also include special provisions for Area 2. First, the PD proposal allows for up to 250 overall units of alternative housing types – including duplex, triplex, fourplex, townhomes and zero-lot line development. A builder/developer would have to seek approval of a Specific Use Permit (SUP) from the Planning Commission and City Council to construct these units. Additionally, there are higher standards for these types of units such as larger lot size requirements, minimum garage requirements, minimum unit sizes and masonry construction requirements.

An additional proposal for Area 2 is the one-time replacement clause for manufactured housing. Under the proposal, existing mobile homes or manufactured homes in Area 2 could be replaced one time provided that the following conditions are met:

- Home must be permanently attached to an engineered, concrete foundation
- Primary roof pitch must be at least 3:12 inches.
- Minimum 90% masonry requirement, which can be met with Hardiboard lap siding, "Cemplank" lap siding or a similar cementaceous lap siding material
- Replacement home shall be a HUD-code manufactured home that is newer and at least as large in living space as the prior home

Area 3 is restricted to open space, and because of floodplain this area

Lacroix also reported that during public meetings held at both City Hall and the Lake Rockwall Estates Community Center, many residents have voiced various concerns about allowing for additional housing types beyond detached single-family housing. However, staff has kept the proposal intact since the subcommittee and task force recommended it. We also feel consideration of some (if not all) of these housing types should be given to allow for some flexibility and potential incentives for redevelopment of vacant or abandoned properties. The controls are in the PD standards that would ensure that these housing types – if approved by an SUP – are of high quality. We also feel like the proposal fits the guidelines of the City's Comprehensive Plan, particularly those that call for a mixture of housing types.

In accordance with State law, staff has mailed notices of the P&Z public hearing to property owners both within the proposed PD (1085 owners) and within 200-ft of the proposed PD (73 owners). As of the meeting, staff has received the following responses:

<u>Within proposed PD</u>
13 "in favor"
5 notices "in opposition"

<u>Within 200-ft of proposed PD</u>
4 "in favor"
0 "in opposition"

Buchanan inquired about how the other housing types were counted – for example, if a fourplex counted as four units or one unit. LaCroix stated a fourplex would count as four (4) units.

Herbst inquired about the availability of sewer in Area 2. LaCroix stated there are some streets (e.g. Renee, Nicole, etc) that do not have sewer service. Herbst asked for clarification on the restrictions against new development on lots without sewer. LaCroix stated new septic systems are not being permitted on vacant, single lots. LaCroix stated the County is doing the inspections/permitting for septic systems. Buchanan asked about the State requirements for septic systems. LaCroix believes the state requirement is 1/2-acre, and the County and City requires 1 ½ acres. Two lots in this area do not typically result in ½ acre, but he believes the County has approved these in the past.

Hunter asked for clarification on the 250-unit maximum. LaCroix stated all of the proposed housing types would count towards the 250 count. He added that since the last work session a requirement for garages has also been added for duplexes, triplexes and quadplexes. Hunter clarified that garages are not required for single-family housing, which LaCroix replied is correct.

Hunter clarified that if any other housing types were requested, there would be another public hearing required. LaCroix stated that with the SUP requirement, there are public hearings required for the P&Z and City Council.

Minth asked how many units were in the area now. LaCroix stated staff estimates there are 639 units in Area 2, but we do not know exactly what types of units all of these lots have, or how many existing duplexes, etc there are. Herbst stated that his notes from previous meetings showed 640 lots, 429 property owners and 181 vacant lots. In Area 1, there are 443 lots and 68 vacant lots.

LaCroix stated that when you figure in the land area, staff determined there is enough land for almost 1000 single-family lots. Ultimately, staff estimated that 12 to 15% of the total land area could be utilized for the alternative housing types using the 250 maximum count. He further stated that the subcommittee who came up with the 250-unit provision recognized that this could be an incentive for developers to bring in more fire protection, water or sewer service into the area.

Hayes asked for clarification on the 1000 lots. LaCroix stated that staff has calculated there is enough land area in Area 2 to accommodate up to 940 single-family lots, based on an average 6000-sf lot size. This is essentially an increase of 300 of what is out there today, so an increase in density is potential even without the alternative housing types. Staff saw the 250-unit provision as an incentive for more redevelopment to occur.

Hunter opened the public hearing at 7:13 pm.

Norm Mastalarz, 514 Lakeside Dr, addressed the Commission and asked about the floodplain shown on the map. His home is in the floodplain now, but apparently was not at the time it was built. LaCroix stated the Corps of Engineers has adopted the City's recent flood study, which is where these floodplains came from. Mr. Mastalarz also stated concerns about taxes and the need for a special permit for setbacks.

Gigi James, 445 Lakeside Drive, addressed the Commission and stated concerns about her property within Area 3. She owns the property at the corner of Tubbs and Horizon, and pays a lot annually in taxes and maintenance. She is in favor of the proposal overall, but is worried about the no development being allowed on her property shown in Area 3.

James Merkel, 420 Wayne, addressed the Commission and stated he was on the masterplanning task force, during which time he was opposed to the multi-family housing types. He believes the area should be single-family dwellings, and that any existing duplexes were built prior to annexation. Mr. Merkel also stated there are deed restrictions for the neighborhood that are being ignored. He stated he was concerned about the front yard fence restrictions, and would prefer that chain linked fences be considered. Stubbs asked which part of the deed restrictions are in conflict with the proposed requirements.

Mr. Merkel stated the primary thing is that only single-family dwellings are allowed in the Deed restrictions, though it has not been enforced in the past.

John White, 1929 S. Lakeshore Drive, and who owns a company in the area, addressed the Commission and stated he felt like to this point the opposition to multi-family has been unanimous in previous meetings. He stated that chain link is the dominant fence type in the community. The City has done some things to help the community continue its self-renewal such as animal control, code enforcement, etc. He outlined his concerns about the duplexes and other multi-family dwellings such as small unit sizes, impacts on schools, etc.

Mary Garza, 482 Eva Place, addressed the Commission and stated she is also opposed to the multi-family dwellings. The roads are too narrow to accommodate the extra density.

Joan Stanley, 298 Wayne Drive, addressed the Commission and stated she was glad to be annexed, but is opposed to the multi-family units. She said the owners have not been able to enforce the deed restriction because of funding issues. She witnessed a bunch of duplexes being built right before annexation, and hoped that after the annexation the City would put a stop to it.

Stubbs asked if there was any clarifications necessary on the fencing questions posed earlier in the hearing.

Gigi James reappeared and stated she believes the chain-linked fences are used by the residents for safety reasons and to contain their dogs. LaCroix stated the Commission can propose a different requirement for fencing if they see fit.

LaCroix also commented on the proposed alternative housing types, and that the proposal is based on recommendations of the overall Task Force that met and discussed the future land use planning efforts for 12-18 months.

Randolph Sullivan, 186 Chris Drive, addressed the Commission and asked for more clarifications on the fence requirements, specifically what the height and materials requirements are for back yards. LaCroix stated the maximum height for fences is 8-ft.

With no further input, the public hearing was closed at 7:59 pm.

Minth asked if existing fences that do not meet current City requirements would be grandfathered, which LaCroix stated they would be. They could be repaired, but would have to be replaced with a fence that meets City standards.

Herbst stated he believes the multi-family housing types would encourage more investors and rental units, and cannot support this provision.

Hunter called for a 10-minute break at 8:01 pm.

The meeting reconvened at 8:11 pm.

Buchanan clarified if the current proposal was an all or nothing deal. LaCroix stated the Commission and Council can adjust as they see fit. Buchanan stated he was in favor of the annexation from the beginning, and that his idea about what the annexation meant was to improve the area. He feels the multi-family provisions may provide a short-term improvement, but do not offer long term improvements. He is also not in favor of the one-time replacement clause proposed in the PD.

Minth asked if the one-time replacement is a State requirement. LaCroix stated the proposal is based on a State requirement. She also clarified if the parking and driveway requirements, and why a

garage is not required on a single-family home in the proposal. LaCroix stated a garage is not required for any of our single-family districts throughout the City, though some of the newer Planned Developments and/or deed restrictions require garages.

Minth also asked about exterior wall materials and for clarification on the 120-sf and 10-ft height requirements. Is this a loophole for an owner to construct a small dwelling unit? Hampton stated all single-family lots in the City are allowed to have one portable building less than 120-sf, which does not have to be masonry construction. Anything larger – such as an accessory building, detached garage, etc – must meet the masonry standards. But the minimum housing size is still 1100-sf in the SF-7 zoning district, so any new homes would have to comply with that.

Hunter clarified that the City could require a garage for any new single-family district, which LaCroix stated the Commission could recommend that. On the multi-family piece, Hunter stated there are a couple of things that bother him. One, even if the approved PD for this area does not allow multi-family, it does not mean there will not be any rental property. If multi-family were allowed, does the City have any rights to inspect rental property to make sure it meets health and safety codes? In other cities, inspectors go out on an annual basis and inspect multi-family properties. Very few however inspect single-family rental house. LaCroix stated that the City had never done this to his knowledge.

Stubbs asked about what options there are for fence requirements. He stated he thinks that chain linked fences are fairly common in the area, and that it may be worthwhile to consider allowing for these by right instead of having to set them off all property lines 10-ft or install landscaping to screen them.

Buchanan stated the SUP provision would result in some multi-family being approved, and he is simply against it. Minth agreed, and stated that while she sees some value in having different opportunities available, the City has already heard the outcry from residents opposing such units and questioned why we would want to have future zoning cases to hear it again if they've already stated their position.

Hayes stated he agrees on the Commission's statements thus far about not allowing for the other housing types. He proposed that a time limit be added to the PD that would allow for replacement of fences for a specific time, and then subsequently everyone must follow current City standards.

LaCroix outlined some of staff's concerns about potential issues with businesses and storage yards that would crop up if we were to be too permissive on the fence requirements, especially in the front yards.

Herbst asked if there is a way to differentiate between businesses and residential fences. LaCroix stated it will be difficult. Herbst clarified at what point you would have to comply with the new standards. LaCroix stated that staff would have to work with residents or contractors to determine what is considered a repair job versus a replacement, but typically if the entire fence is being removed and replaced they would have to comply with current city standards.

Hunter stated that the area has come in, is already developed, and that one of the things we are trying to do is ensure they have some of the same standards used elsewhere in the City.

Herbst stated he is prepared to offer a motion. Hunter asked if the Commission is prepared to vote tonight. Each of the members stated they were prepared to vote on the proposal.

Commissioner Herbst made a motion to approve Z2009-008, a request for a change in zoning from (Ag) Agricultural district to (PD) Planned Development district on approximately 329.53-acres known as "Lake Rockwall Estates," located along the south side of Tubbs Road, east side of Horizon Road (FM 3097), and north side of County Line Road, with staff recommendations except for the following changes:

1. **Remove all other housing types**
2. **Add a provision that would allow chain link fencing along the side and rear property lines.**

Commissioner Hayes seconded the motion.

It was voted on and passed 7 to 0.

ADDITIONAL DISCUSSION ITEMS

- Planning Director's Report on the following Planning and Zoning Commission matters that have been recently acted on by City Council:
  a) **MIS2009-002:** Planned Development (PD) Review

  LaCroix updated the Commission about the Council's approval to proceed with a PD amendment to PD-14 and PD-35. These zoning cases will be reviewed over the next cycle.

ADJOURNMENT

The meeting adjourned at 8:54 p.m.

PASSED AND APPROVED BY THE PLANNING & ZONING COMMISSION OF THE CITY OF ROCKWALL, Texas, this 25th day of August, 2009.

Michael Hunter, Chairman

ATTEST:

Ag to P-H

2. Z2009-008 - Hold a public hearing and consider approval of an **ordinance** for a City-initiated request for a change in zoning from (Ag) Agricultural district to (PD) Planned Development district on approximately 329.53-acres known as "Lake Rockwall Estates," located along the south side of Tubbs Road, east side of Horizon Road (FM 3097), and on the north side of County Line Road, and take any action necessary. (1st Reading)

Mayor Cecil offered information to those present related to how the public hearing will be conducted. He also indicated that the purpose of this particular public hearing is to hear commentary related specifically to the zoning of Lake Rockwall Estates (LRE). Planning Director Robert LaCroix then began the discussion by offering background information related to this item. He explained that the area was automatically zoned "Agricultural" when it was annexed into the City. It is now time to establish more specific zoning in LRE. He expressed that LRE has been divided into 3 different areas for the purpose of establishing zoning. LaCroix stated that Single Family Residential zoning is being proposed for LRE at this time and that no commercial zoning is being proposed for this PD. LaCroix indicated that city staff has identified potential businesses in the area that would be considered legal non-conforming uses (will be "Grandfathered") once the zoning is established for the area. LaCroix then offered information related to the requirements associated with minimum lot sizes, set backs, and masonry requirements. He also offered information related to proposed fence requirements for LRE. The Planning & Zoning Commission has recommended that chain link fences be allowed along the side and rear property lines. LaCroix then shared information related to the proposed minimum standards for replacement of manufactured homes. He expressed that staff recommends consideration of allowing additional housing types including zero lot lines, duplexes, triplexes, fourplexes and townhome/single-family attached homes with approval of a Specific Use Permit (SUP) issued by the City Council. Notices were mailed out to property owners within 200 feet of the proposed PD. At the time this report was written, within the PD, 41 responses were received back "in favor" of the zoning change and 10 responses were received back expressing they are "opposed" to the zoning change. Outside of the property but within 200 feet of the proposed PD, 6 notices were returned 'in favor' and 0 were returned 'in opposition.' LaCroix then offered a history of the various meetings, work sessions and public hearings that have taken place related to the proposed zoning of LRE.

Mayor Cecil then moved to open the Public Hearing to receive comments from those present.

Joan Stanley
298 Wayne Drive

Ms. Stanley indicated that she moved to LRE in 1969. In general, she expressed that she is not in favor of multifamily housing in the LRE neighborhood. She indicated that allowing multifamily developments would bring more crime and fire related concerns. She encouraged the Council to vote 'no' to multifamily housing in LRE.

Jim Shields
3212 Cantura Drive
Mesquite, TX 75181

Mr. Shields indicated that his property is located in "Area 2," which is mostly mobile homes. Mr. Shields indicated that he is renting his mobile home to a tenant who has lived there since 1986. He asked if there will be any 'special assessments' such as those associated with putting in driveways. Planning Director Robert LaCroix indicated that no assessments are being proposed by the city at this time.

Mary Garza
482 Eva Place
"Area 2" in LRE

Ms. Garza expressed that she was in favor of the City annexing LRE. However, she expressed that she is not favor of allowing multifamily housing in LRE and would like the Council to only allow single family housing in the area.

Debbie Adams
485 Eva Place

Ms. Adams expressed that she believes the mobile homes in the area are dilapidated and need to be removed or renovated. In general, she expressed that she is not in favor of allowing multifamily housing in LRE. She is only in favor of single family housing.

Marilyn Hays
303 Tubbs Road
"Area 1"

Ms. Hays indicated that she resides in the housing side of LRE and that she moved to the area from New York City. She expressed that she would like the city to only allow single family housing in the area.

Maria Gallegos
552 Russell Drive

Ms. Gallegos moved to LRE nine years ago. She expressed that she would like only single family housing in the area. She believes that multifamily housing would result in more cars and more people living in one unit.

There being no one else to come forth and speak at the public hearing, Mayor Cecil then closed the public hearing.

Councilmember Scott expressed that there has been a lot of misinformation going around about this process, including some people stating that there is a 'push' for multifamily housing in Lake Rockwall Estates. Scott then offered some general background information related to the history of annexation of the area and to the Council's desires regarding multifamily and single family development in LRE. Scott indicated that he is personally not in favor of multifamily zoning; however, he may be willing to vote for multifamily zoning in LRE if it is needed and wanted by those who reside there. Scott indicated that he has clearly heard that multifamily zoning is not wanted in LRE.

Councilmember Scott made a motion to approve Z2009-008 with all staff recommendations and P&Z recommendations and with no multifamily components to the

zoning. After some additional, brief comments, Mayor Pro Tem Sweet seconded the motion.

Councilmember Russo then offered commentary, indicating that he is in support of the LRE area and wants the best for all LRE residents, residents who are now part of the City of Rockwall.

Councilmember Sevier thanked Margo Nielsen for taking him on a tour to look at multifamily housing throughout the City of Rockwall. Sevier indicated that Nielsen wanted to show him areas of the city where multifamily units fit very well and make sense. Sevier then asked staff for some general clarification related to the recommended masonry requirements.

Councilmember Farris then offered brief commentary and expressed that he is in support of the motion.

The ordinance was read as follows:

CITY OF ROCKWALL

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL AS PREVIOUSLY AMENDED SO AS TO APPROVE A CHANGE IN ZONING FROM (AG) AGRICULTURAL DISTRICT TO (PD-75) PLANNED DEVELOPMENT DISTRICT NO. 75, ON A TRACT OF LAND CONTAINING APPROXIMATELY 329.53-ACRE AND KNOWN AS LAKE ROCKWALL ESTATES, LOCATED ALONG THE SOUTH SIDE OF TUBBS ROAD, EAST SIDE OF HORIZON ROAD (FM 3097) AND NORTH SIDE OF COUNTY LINE ROAD ACRES AND MORE SPECIFICALLY DESCRIBED HEREIN AS EXHIBIT "A"; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 7 ayes to 0 nays.

The Mayor then addressed Public Hearing item #1.

VIII. ACTION ITEMS

1. Discuss and consider approval of a setback variance request for a new monument sign to be located at 1005 Ralph Hall Parkway and take any action necessary.

Building Official Jeffrey Widmer provided background information related to this item. He described the monument sign and the proposed location of the sign.

CITY OF ROCKWALL

ORDINANCE NO. 15-28

AN ORDINANCE OF THE CITY OF ROCKWALL, TEXAS, AMENDING CHAPTER 12, ARTICLE XII, SECTION 12 BY ADDING AND AMENDING SECTIONS 12-1250 THROUGH 12-1253 OF THE CODE OF ORDINANCES, REGULATING AMBULANCE SERVICES IN THE CITY; PROVIDING A SEVERABILITY CLAUSE; PROVIDING AN EFFECTIVE DATE AND PROVIDING FOR RELATED MATTERS.

WHEREAS, the City of Rockwall (the "City"), a Home Rule City and by State law and City Charter is permitted to establish ordinances to protect the health, safety and general welfare of its residents; and

WHEREAS, the City is a member of the "Sponsoring Local Governments" that established the County of Rockwall Emergency Services Corporation ("ESC") to contract with a provider to provide exclusive emergency ambulance service; and

WHEREAS, the City's current ordinance also provides for exclusive use by the ESC contractor for non-emergency ambulance transports, even though most of the other Sponsoring Local Governments do not require exclusive use of the ESC contractor for non-emergency ambulance transports; and

WHEREAS, the City Council continues to encourage the use of ESC contractor for non-emergency ambulance transports but the Council has determined that allowing residents and health care businesses to utilize their choice for non-emergency transports is necessary to protect the health, safety and general welfare of its residents;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THAT;

SECTION 1. FINDINGS. The foregoing recitals are hereby found to be true and correct and are hereby adopted by the City Council and made a part hereof for all purposes as findings of fact.

SECTION 2. **AMENDMENT.** Chapter 12, ArticleXII, Sections 12-1250 to 12-1253 are hereby amended to Chapter 12 and should read as follows:

ARTICLE XII. AMBULANCE SERVICE

- **Sec. 12-1250. - Definitions.**

  - ***Ambulance***. Any privately or publicly owned motor vehicle that is specially designed, constructed, or modified and equipped; and is intended to be used for and is maintained or operated, for the transportation, on the streets or highways of this state; of persons who are sick, injured, wounded, or otherwise incapacitated or helpless.

  - ***Emergency Ambulance Services.*** The operation of an ambulance for transportation in response to a 9-1-1 call to transport a sick or injured person in an ambulance after the sudden onset of a medical condition manifesting itself by acute symptoms of such severity that the absence of immediate medical attention could reasonably be expected to result in placing the patient's health in serious jeopardy, serious impairment to bodily functions, or serious dysfunction of any bodily organ.

  - ***Non-Emergency Ambulance Services.*** The operation of an ambulance for any purpose other than providing emergency ambulance services.

- **Sec. 12-1251. - Contract required.**

  A. No person shall operate or cause to be operated a vehicle for emergency ambulance purposes nor furnish, conduct, maintain, advertise or otherwise be engaged in the business or service of the transportation of emergency ambulance patients within the city unless such person is the emergency ambulance service provider currently under contract with the County of Rockwall Emergency Services Corporation to provide emergency ambulance service within Rockwall County.

  B. No person shall knowingly solicit ambulance services contrary to the regulations in this article.

- **Sec. 12-1252. - Applicability.**

The provisions of section 12-1251 shall not apply to:

A. Rendering assistance to patients in the case of a major catastrophe or emergency with which the contractor's ambulances or approved franchises are insufficient or unable to cope with the major catastrophe or emergency;

B. Transporting a patient picked up outside of the county, traveling through the city to a destination outside of the county.

Sec. 12-1253. Non-Emergency Ambulance Service.

It shall be unlawful for any person to furnish, operate or otherwise engage in the operation of non-emergency ambulance transfer service from a point originating and ending within the streets of the City without a license or certification as an emergency medical services provider issued by the State of Texas.

SECTION 3 REPEALING ORDINANCES IN CONFLICT. All ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of such conflict.

SECTION 4 SEVERABILITY.
If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be unconstitutional or illegal, such decision shall not affect the validity of the remaining sections of this ordinance. The City Council hereby declares that it would have passed this ordinance, and each section, subsection, clause, or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared void.

SECTION 5 SAVINGS CLAUSE.
All ordinances or parts of ordinances, in conflict herewith are to the extent of such conflict hereby repealed. The balance of such ordinance is hereby saved from repeal.

SECTION 6. EFFECTIVE DATE. The Ordinance shall become effective on November 1, 2015 following its publication in the local newspaper as required by the Texas Local Government Code.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL TEXAS, THIS THE 19th DAY OF October, 2015.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Brad Griggs, *Assistant City Manager*

FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: October 19, 2015

SUBJECT: Policy for the Seasonal Outside Storage of Shipping Containers and/or Similar Storage Containers for Commercial Uses

At the last City Council meeting on September 21, 2015, the City Council directed staff to prepare a policy to address seasonal outside storage of shipping containers and/or similar storage containers. This was in response to a request by the Wal-Mart Supercenter (*on the north side of HI-30 between FM-740 & SH-205*) for the storage of 26 shipping containers between October 1st and January 1st. In response to Council's directive staff has prepared the following policy to address *Seasonal Outside Storage*:

Seasonal Outside Storage Policy

The Director of Planning & Zoning or his designee can grant temporary seasonal outside storage on a case-by-case basis upon the submission and approval of a letter and site plan from the applicant outlining the time period and location for the temporary outside storage. In approving these requests, the Director of Planning & Zoning or his designee shall consider the following:

1) *The proposed location of the outside storage. All outside storage should be as visibly screened as possible from public rights-of-way and adjacent properties, and should generally be located behind the building unless approved otherwise. Additionally, the storage containers should not be situated on existing utility lines or disrupt the flow of drainage on the site.*
2) *The time-period of the proposed outside storage. Requests for seasonal outside storage should be of a reasonable time-period not to exceed 75 days.*
3) *The amount of outside storage being requested. Outside storage shall be limited to 7.5% of the total building area divided by 424 SF (i.e. 53-foot by 8-feet which is the typical SF of a standard truck trailer).*

Should the proposed request not meet the above guidelines or if a request is denied by the Director of Planning & Zoning or his designee the applicant may appeal the decision to the City Council for approval of a waiver to allow the storage to exceed the time-period or quantity allowed by the aforementioned policy.

Considering this policy, staff would be able to administratively approve the Wal-Mart Supercenter for 35 shipping containers (*see formula below*) for a time-period of November 1, 2015 through January 15, 2016.

Formula:

(Building SF x 7.5%)/424 SF = Number of Shipping Containers
202,607 SF x 7.5% = 15,195.525 SF / 424 SF = 35.8385 or 35 Shipping Containers

Staff will be available at the meeting to answer any questions or receive further direction from the City Council concerning the proposed policy.

ROCKWALL CITY COUNCIL
Monday, November 02, 2015
4:00 p.m. Regular City Council Meeting
City Hall - 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

II. WORK SESSION

p.8 **1.** Hold a work session to hear an update from the GIS Department concerning the release of the City's new suite of interactive maps, and take any action necessary.

p.10 **2.** Hold a work session to discuss and consider a resolution regarding the power of the city council to appoint and remove its board and commission member appointees, including those to the North Texas Municipal Water District Board (NTMWD), and take any action necessary.

III. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding Economic Development incentives, procedures and possible projects pursuant to Section 551.087 (Economic Development)

2. Discussion regarding legal claim: Timothy Headley v. City of Rockwall pursuant to Section 551.071 (Consultation with Attorney)

3. Discussion regarding (re)appointments to city regulatory boards, commissions, and committees - Rockwall Economic Development Corporation (REDC) Board - pursuant to Section 551.074 (personnel matters)

4. Discussion regarding process associated with City Manager performance evaluation pursuant to Section 551.074 (personnel matters)

IV. ADJOURN EXECUTIVE SESSION

AGENDA
ROCKWALL CITY COUNCIL
Monday, November 02, 2015
6:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

V. RECONVENE PUBLIC MEETING

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER FOWLER

VIII. PROCLAMATIONS / AWARDS

p.14 **1.** GIS Day Proclamation

IX. OPEN FORUM

X. CONSENT AGENDA

p.16 **1.** Consider approval of the minutes from the October 19, 2015 regular city council meeting, and take any action necessary.

p.26 **2.** Consider awarding the bid to Morrow Construction Company and authorizing the city manager to execute a contract for the Rockwall Police Driveway Project in the amount of $72,056.00 to be funded out of General Fund Reserves, and take any action necessary.

p.29 **3.** Consider authorizing the city manager to execute a contract with Great Midwest Insurance Company to secure reinsurance/stop loss coverage for the City's health insurance plans, applying to claims exceeding $100,000, and take any action necessary.

p.31 **4.** Consider awarding a bid to Bergkamp Pavement Solutions and authorizing the City Manager to execute a Purchase Order for a new Pothole Patcher in the amount of $152,640 to be funded out of the General Fund, Streets Operating Budget, and take any action necessary.

p.33 **5.** Consider awarding a bid to Caldwell Country Chevrolet and authorizing the City Manager to execute a Purchase Order for 2016 model year Police Pursuit Tahoes in the amount of $107,355 to be funded out of the General Fund, Patrol Budget, and take any action necessary.

p.35 **6.** Consider awarding a bid to Holt CAT and authorizing the City Manager to execute a Purchase Order for a new Compact Excavator in the amount of $65,904 to be funded out of the Water and Sewer Fund, Water Operating Budget, and take any action necessary.

p.37 **7.** Consider awarding a bid to Holt CAT and authorizing the City Manager to execute a Purchase Order for a new Backhoe in the amount of $128,388 to be funded out of the General Fund, Streets Operating Budget, and take any action necessary.

p.39 **8.** **P2015-039** - Consider approval of a request by John Arnold of the Skorburg Company (BH Phase IIB SF, LTD) for the approval of a replat of Lots 51-57, Block D, Breezy Hill, Phases IIA & IIB, being a 2.722-acre portion of land that is currently identified as Lots 24-26 & 50, Block D, Breezy Hill, Phases IIA & IIB, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74) for residential land uses, generally located north of the intersection of FM-552 and John King Boulevard, and take any action necessary.

p.46 **9.** **P2015-038** - Consider approval of a request by Pastor Rex Walker on behalf of Life Spring Church for the approval of a final plat for Lot 1, Block 1 and Lots 1 & 2, Block 2, Life Spring Church Addition being a 30.3403-acre tract of land currently identified 15-01 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated with the SH-205 By Pass Corridor Overlay (SH-205 BY OV) District, located on the north side of John King Boulevard east of the intersection of SH-205 and John King Boulevard, and take any action necessary.

p.55 **10.** **Z2015-025** - Consider approval of request by Bill K. Ryan for the approval of an **ordinance** for a zoning change from an Agricultural (AG) District to a Single Family One (SF-1) District for a 1.02-acre tract of land identified as Tract 11-2 of the D. Harr Survey Abstract, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the East SH-66 Overlay (E. SH-66 OV) District, addressed as 770 Davis Drive, and take any action necessary **(2nd Reading)**.

XI. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

p.60 **2.** Appointment with Tammy Sharp of the Downtown Merchants' Association to discuss and consider partnering with the city for an upcoming Downtown Grand Opening Celebration, and take any action necessary.

XII. ACTION ITEMS

p.62 **1.** Discuss and consider appointing members of the city's Art Review Team to also serve on the Art Committee, and take any action necessary.

p.86 **2.** Hear update from Emergency Services Corporation (ESC) representatives concerning the countywide contract for Emergency Medical Services (EMS), and take any action necessary.

XIII. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports
Building Inspections Monthly Report - September 2015

Fire Department Monthly Report - September 2015
GIS Department Monthly Report - September 2015
Harbor PD Monthly Report - September 2015
Internal Operations Department Monthly Report - September 2015
Police Department Monthly Reports - September 2015
Recreation Monthly Report - Sep 2015
Rockwall Animal Adoption Center Monthly Report - September 2015

2. City Manager's Report

XIV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding Economic Development incentives, procedures and possible projects pursuant to Section 551.087 (Economic Development)
2. Discussion regarding legal claim: Timothy Headley v. City of Rockwall pursuant to Section 551.071 (Consultation with Attorney)
3. Discussion regarding (re)appointments to city regulatory boards, commissions, and committees - Rockwall Economic Development Corporation (REDC) Board - pursuant to Section 551.074 (personnel matters)
4. Discussion regarding process associated with City Manager performance evaluation pursuant to Section 551.074 (personnel matters)

XV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

XVI. ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 771-7700 or FAX (972) 771-7727 for further information.

The City of Rockwall City Council reserves the right to adjourn into executive session at any time to discuss any of the matters listed on the agenda above, as authorized by Texas Government Code § 551.071 (Consultation with Attorney) § 551.072 (Deliberations about Real Property) § 551.074 (Personnel Matters) and § 551.086 (Economic Development)

I, Kristy Cole, City Secretary for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 30th day of October, 2015 at 4:00 p.m. and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Brad Griggs, *Assistant City Manager*

FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: November 2, 2015

SUBJECT: Internet Mapping Demonstration (*GIS Department*)

The GIS Department's current interactive mapping site was developed *in-house* in 2010 based off the open-source framework Adobe Flex. This mapping tool has served the city well over the years, but in 2014 our software provider, Environmental Systems Research Institute (ESRI), dropped support for the software in favor of newer, mobile compliant technology. As a result, the GIS Department began to seek new alternatives for an internet map. Coincidently, the City's EPA wastewater inspection recommended that the online map be tied to the City's utility work order system. In order to achieve this the GIS Department contracted with Alexander Open Systems (AOS) for assistance with the MapAnalytix application. Utilizing AOS's expertise and ESRI's new mobile compliant mapping software, the GIS Department has developed a new suite of internet maps. This includes several maps that range from an all-inclusive format to a simpler design aimed at achieving a particular task (*e.g. property owners, zoning, etc.*). By utilizing this format, it should be easier for the general public to utilize the potential of the City's GIS data.

The following is a summary of the achievements of this project:

- ☑ The GIS Department created a new interactive map solution for our current outdated online map.
- ☑ The new map is completely mobile device compliant (*our current version is not*).
- ☑ The new map meets the EPA's requirements for work order system GIS connection.
- ☑ The new map is built with new Java/HTML5 code, which is much faster and has greater performance than the previous online map.
- ☑ There was a significant ROI savings, as staff does not have to program the maps from scratch.
- ☑ There is built in security features.
- ☑ The maps are more robust and user-friendly.
- ☑ The new maps can be installed on our GIS server and allow staff full control and customization.
- ☑ There are now 15 new interactive maps that can be accessed from one portal location.
- ☑ The new maps include an administration system health dashboard and use analytics information.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Mayor and City Council**

FROM: **Rick Crowley, City Manager**

DATE: **October 30, 2015**

SUBJECT: **North Texas Municipal Water District**

The attached resolution has been drafted to closely follow a resolution prepared and distributed by the City of Plano related to a current issue among member cities of the NTMWD. At a recent meeting hosted by the Mayor of Garland, attended by ten of the thirteen member cities, this "governance issue" (among others) was discussed. Although none of the member cities Councils had considered or adopted the resolution it did appear from the discussion that there was considerable interest in favor of such a resolution. Since that meeting, I have been told that Plano, Garland, and McKinney will consider similar resolutions in the month of November. Again, if the discussion at the meeting is any indication, I would expect that many or all of the other cities present at the meeting will also consider the matter.

The resolution supports the concept that a City Council of a member city that appoints members to the NTMWD Board of Directors should have the ability to replace its appointed members at the "will" of the appointing City Council in advance of the expiration of an appointed NTMWD Board Member's two-year term without have to establish "cause." In essence the resolution supports the idea that the appointees should serve at the will of the City Council.

While there has been NO indication that the City of Rockwall has ANY disappointment with Rockwall's appointed NTMWD Board members, the matter became an issue when the City Council of Plano attempted to replace one of its appointed NTMWD Board Members prior to the expiration of that member's two-year term. NTMWD cited the enabling legislator that created the district and several other legal arguments (including a prior Texas Attorney General Opinion) that indicated that such an action by the Plano City Council could not be taken unless the City of Plano established "cause" for the removal of the sitting Board member.

Plano sought legislation in the last Legislative session which would have changed the ability of a City Council to make such a replacement without cause. Partially due to the late start that Plano got in proposing the legislation, no such legislation was passed. For the upcoming

session, the City of Plano has been successful in getting this issue included as a part of the Texas Municipal League's Legislature Agenda.

Although likely an over simplification, the resolution supports the idea that a City Council should have the ability to replace an appointed board member without specific cause in advance of the expiration of the member's appointed term and that the board member's primary responsibility should be to represent the City that made the appointment. Those who have indicated concern about the resolution seem to indicate that, once appointed, a board member's primary responsibility is to the district. Arguments have also included that of "at least a two year" continuity of service of value to the district.

The Mayor, Mary Smith, Tim Tumulty and I attended the meeting by invitation of the Mayor of Garland and would be pleased to answer any questions that you may have.

CITY OF ROCKWALL
RESOLUTION NO. 15-29

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS RELATING TO THE POWER OF THE CITY OF ROCKWALL CITY COUNCIL TO APPOINT AND REMOVE ITS BOARD AND COMMISSION APPOINTEES; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, cities regularly appoint community representatives to serve on boards and commissions, both internal and external to the City; and

WHEREAS, the power to appoint representatives assists City Councils in their ability to effectively govern their communities; and

WHEREAS, the power to appoint and remove board or commission members appointed by the Rockwall City Council is specifically provided in Article VIII of the City of Rockwall home rule charter; and

WHEREAS, situations arise occasionally where it is in the best interest of the City for the City Council to remove its appointed representatives from boards and commissions whether serving as internal or external representatives; and

WHEREAS, it is in the best interest of the City of Rockwall, as a Member City of North Texas Municipal Water District (NTMWD), to clarify the governance issue by and between Rockwall, the NTMWD and other NTMWD Member Cities; and

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THAT:

Section I. The recitals set forth above are adopted herein as if fully set forth at length.

Section II. The City of Rockwall City Council proclaims that all board and commission appointees of the Rockwall City Council, including its appointees to the North Texas Municipal Water District Board of Directors, serve at the will of the City Council; and

Section III. The City of Rockwall City Council requests that the North Texas Municipal Water District Board (the NTMWD Board) place an item on their agenda for consideration and approval at their December 2015 regular meeting acknowledging that the NTMWD Board Members serve at the will of their respective appointing Member Cities.

Section IV. This Resolution shall become effective immediately after its passage.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS ON THIS THE 2ND DAY OF NOVEMBER, 2015.

ATTEST: Jim Pruitt, Mayor

Kristy Cole, City Secretary

Rockwall, Texas

Proclamation

Whereas, Geographic Information Systems (GIS) is designed to capture, store, manipulate, analyze, manage, and present all types of spatial or geographical data; and

Whereas, the City of Rockwall's GIS Department will soon be hosting its 2nd Annual GIS Day event; and

Whereas, GIS Day is an international event that showcases how GIS is used and what the technology offers; and

Whereas, Rockwall's event coincides with National Geography Awareness Week, a geographic literacy initiative sponsored by the National Geographic Society; and

Whereas, at this event, Rockwall's GIS Department will display a map gallery, educational videos, GIS technology, and GPS equipment.

Now, Therefore, I, Jim Pruitt, Mayor of the City of Rockwall, Texas, do hereby proclaim **WEDNESDAY, NOVEMBER 18, 2015** as

GIS DAY

in the City of Rockwall and urge all citizens to come out and enjoy this event, which will be open to the public in the Council Chambers of City Hall from 1:00 p.m. to 6:00 p.m. on that day.

In Witness Whereof, I hereunto set my hand and official seal this 2nd day of November, 2015.

_____

Jim Pruitt, Mayor

THIS PAGE INTENTIONALLY LEFT BLANK

15

MINUTES
ROCKWALL CITY COUNCIL
Monday, October 19, 2015
4:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pruitt called the public meeting to order at 4:00 p.m. Present were Mayor Jim Pruitt, Mayor Pro Tem Dennis Lewis and City Council Members David White, Mike Townsend, Scott Milder, Kevin Fowler, and John Hohenshelt. Also present were City Manager Rick Crowley, Assistant City Manager Brad Griggs, Assistant City Manager Mary Smith and City Attorney Frank Garza.

II. WORK SESSION

1. Hold work session with the Rockwall Housing Development Corporation (RHDC) to discuss development-related issues in Planned Development 75 (PD-75), and take any action necessary.

City Manager Rick Crowley explained that David Smith with the Rockwall Housing Development Corporation (RHDC) would like to visit with council to talk about what the options might be moving forward regarding this item.

David Smith came forth to address council regarding this item. He briefly explained that after speaking with P&Z and staff that he had another option for the families affected by the recent flooding in LRE. Mr. Smith explained that the utilities on a large lot could be split and that two potential homes could be placed on one lot. He could work within all abilities to come up with a plan to build a single family attached dwelling at a much cheaper cost and that both homes would be attached by a joining wall and that the structure would be more appealing than the trailer homes.

City Manager Rick Crowley stated that there was a provision in the ordinance which gives council the wide latitude with considering land use without it having to go back through the planning and zoning commission.

Councilmember David White stated that several years ago council held public hearings regarding the zoning of PD-75 and many citizens showed up in opposition of this type of housing. The city council and P&Z members voted to not have that language in the final draft, however, there was a provision added at some point that gave council the ability to approve various land uses without public input. He would like to have public input regarding whether or not they would like to have this type of housing structure in this neighborhood. When the zoning was passed it was not passed to allow for single family-attached structures.

City Manager Rick Crowley reconfirmed that council's direction would be to bring back Mr. Smith's request but advertise the case in the same manner as required for zoning cases. Planning Director Ryan Miller stated that notices for a public hearing could be sent out and the public hearing could take place at the November 10th Planning and

Zoning meeting and on the council agenda for the 2nd meeting in December. No further action was taken.

Mayor Pruitt then read the below listed items into the public record before recessing the meeting into Executive Session at 4:40 p.m.

III. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding Economic Development prospects pursuant to Section 551.087 (Economic Development)
2. Discussion regarding legal matters related to land lease operations at Ralph Hall Municipal Airport pursuant to Section 551.071 (Consultation with Attorney).
3. Discussion regarding appointments to city regulatory boards, commissions, or committees - interview candidates: Planning & Zoning Commission vacancy - pursuant to Section 551.074 (personnel matters)
4. Discussion regarding process associated with City Manager performance evaluation pursuant to Section 551.074 (personnel matters)

IV. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 6:00 p.m.

V. RECONVENE PUBLIC MEETING

Mayor Pruitt reconvened the public meeting at 6:00 p.m. with all councilmembers present.

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Pro Tem Lewis made a motion to appoint Patrick Trowbridge to the Planning and Zoning Commission to fill an unexpired term. Councilmember White seconded the motion. Motion passed unanimously of council.

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER MILDER

Councilmember Milder delivered the invocation and led the Pledge of Allegiance. Mayor Pruitt then announced that members of the city's Youth Advisory Council (YAC) are present to observe the council meeting this evening, and each of them introduced themselves.

VIII. PROCLAMATIONS / AWARDS

1. Bullying Prevention Month Proclamation

Mayor Pruitt called a few members of the Rockwall Youth Advisory Council forth. He then read and presented a proclamation declaring October 2015 as Bullying Prevention Month.

IX. OPEN FORUM

Mayor Pruitt explained how Open Forum is conducted and asked if anyone would like to come forth and speak. There being no one, he then closed the Open Forum.

X. CONSENT AGENDA

1. Consider approval of the minutes from the October 5, 2015 regular city council meeting, and take any action necessary.

2. Consider authorizing a change order to Hill & Wilkinson Construction Group in the amount of $75,587.79 to be funded from the 2008 water and Sewer Revenue bonds to replace the sanitary sewer line along Kaufman Street from San Jacinto Street to Fannin Street, and take any action necessary.

3. Consider awarding a bid to Holt CAT and authorizing the City Manager to execute a Purchase Order for a new Backhoe in the amount of $127,320 to be funded out of the Water and Sewer Fund, Water Operations Budget, and take any action necessary.

4. Consider awarding a bid to Holt CAT and authorizing the City Manager to execute a Purchase Order for a new Skid Steer Loader in the amount of $37,568 to be funded out of the General Fund Streets Operations Budget, and take any action necessary.

5. Consider awarding a bid to CUES and Caldwell Country Chevrolet and authorizing the City Manager to execute Purchase Orders for a new CCTV Inspection Van totaling $219,855 to be funded out of the Water and Sewer Fund, Sewer Operations Budget, and take any action necessary.

6. Consider award a bid to Freightliner/CLS and authorizing the City Manager to execute a Purchase Order for a new VACCON Truck in the amount of $317,257.75 to be funded out of the Water and Sewer Fund, Sewer Operations Budget, and take any action necessary.

7. Consider authorizing the city manager to execute a Construction Manager at Risk contract with Dean Construction for construction associated with the Park at Stone Creek, with grant matching funds being provided by developer contributions in that park district, and take any action necessary.

8. Consider approval of a resolution supporting Statewide Proposition 7 for increased state funding for transportation in Texas, and take any action necessary.

Mayor Pro Tem Lewis made a motion to approve the entire Consent Agenda (#1, 2, 3, 4, 5, 6, 7, and 8). Councilmember Milder seconded the motion, which passed unanimously of council.

XI. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Chairman of the Planning & Zoning Commission, Craig Renfro, came forth and briefed the Council on recommendations of the Commission relative to planning-related items on tonight's city council meeting agenda.

2. Appointment with Kim Lovett, Marketing Director, and Silvana Garcia, Property Manager, for The Harbor Rockwall to hear request concerning hosting of a Fox 4 Toys For Tots televised donation event at The Harbor on December 4th, and take any action necessary.

Property Manager Silvana Garcia came forward and gave a brief description and some background information related to the event.

Mayor Pruitt explained that he was at the Harbor the weekend prior for an event and noticed that there were several areas of concern regarding the landscaping and overall condition of the common areas. Mayor Pruitt also had several photographs to show Ms. Garcia that revealed several areas that needed to be addressed and stated that these conditions are not something that the city would be proud to showcase with a camera crew present.

Ms. Garcia explained that the plants at the Harbor were taken out because fall plants will be going in. Ms. Garcia stated that she would be more than happy to speak with the Mayor at another time regarding the plans for the landscaping at the Harbor, but was unprepared to do so at this time. Mayor Pruitt responded and asked why his numerous letters and phone calls had gone unanswered and not returned regarding these issues. Ms. Garcia explained that she has never gotten a message or letter from anyone at the city and would be willing to talk with them if necessary. She further went on to say that the landscaping at the Harbor was under irrigation repairs for some time delaying the planting of new landscaping. Mayor Pruitt stated that he would be willing to send her copies of the multiple letters that were sent to the property management company.

Mayor Pruitt made a motion to deny the request. The motion failed for a lack of a second.

Mayor Pro Tem Lewis corrected Ms. Garcia by reminding her that he too has made phone calls and left messages that went unreturned. Mayor Pro Tem Lewis made a motion to approve the event request. Councilmember White seconded. The motion passed by a vote of 6 in favor, 1 against (Pruitt).

Mayor Pruitt added that he would like to contact the Fox 4 new station to see if Downtown Rockwall would be a location option for the Toys for Tots event.

XII. PUBLIC HEARING ITEMS

1. **Z2015-025** - Hold a public hearing to discuss and consider a request by Bill K. Ryan for the approval of an **ordinance** for a zoning change from an Agricultural (AG) District to a Single Family One (SF-1) District for a 1.02-acre tract of land identified as Tract 11-2 of the D. Harr Survey Abstract, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG)

District, situated within the East SH-66 Overlay (E. SH-66 OV) District, addressed as 770 Davis Drive, and take any action necessary **(1st Reading).**

Planning Director Ryan Miller gave brief background on this item. He explained that, in this case, the applicant is requesting to change the zoning from Agricultural to Single Family One, which requires a minimum lot size of 1 acre and allows one grazing animal per 40,000 sf. Mr. Miller stated that the request does conform to the future land use map. Notifications were sent out to 25 property owners and residents. One notice was received back in favor of the request. The Planning and Zoning Commission did approve the request by a unanimous vote.

The applicant, Bill Ryan, came forward to address council and gave background information on the history of his property and his horse.

Mayor Pruitt opened the public hearing and asked if anyone would like to come forth and speak. There being no one, the public hearing was closed. Councilmember Milder made a motion to approve the ordinance. Councilmember White seconded the motion. The ordinance was read as follows:

ORDINANCE NO. 15-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A SINGLE-FAMILY ONE (SF-1) DISTRICT FOR A 1.02-ACRE TRACT OF LAND IDENTIFIED AS TRACT 11-2 OF THE D. HARR SURVEY, ABSTRACT NO. 102, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN *EXHIBIT 'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed unanimously of council.

2. **Z2015-026** - Hold a public hearing to discuss and consider a request by Randy Kopplin of Stone Creek Real Estate Partners, LLC on behalf of the owner Arkoma Development, LLC for the approval of an **ordinance** amending Planned Development District 65 (PD-65) [Ordinance No. 08-02] to allow for a ~74,000 SF Assisted Living Facility to be established on a 5.507-acre portion of a larger 11.723-acre tract of land identified as Tract 5 of the S. King Survey, Abstract No. 131, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 65 (PD-65) for General Retail (GR) District land uses, located west of the intersection of N. Goliad Street [SH-205] and Pecan Valley Drive, and take any action necessary **(1st Reading)**.

Planning Director Ryan Miller explained that the applicant had requested to withdraw this case, but because it was published already, the public hearing must still be acted upon.

Mayor Pruitt opened the public hearing and asked if anyone would like to come forth and speak. There being no one, the public hearing was closed. Mayor Pruitt made a motion to

withdraw the request. Mayor Pro Tem Lewis seconded the motion. The motion passed unanimously of council.

XIII. ACTION ITEMS

1. Discuss and consider authorizing the city manager to execute an agreement with Paul Davis for through-the-fence access from private property onto the Ralph M. Hall / Rockwall Municipal Airport, and take any action necessary.

Internal Operations Director Joey Boyd gave brief background information regarding this action item.

Mayor Pro Tem Lewis made a motion to authorize the city manager to execute the agreement with Paul Davis. Councilmember Townsend seconded the motion. The motion passed unanimously of council.

2. **SP2015-022** - Discuss and consider a request by Jonathan Hake of Cross Engineering on behalf of the owner Kenneth R. Smith of K. R. Smith Holdings, LLC for the approval of an exception to allow tilt-wall construction and variances to the articulation, architectural and material requirements for an approved site plan for an indoor/outdoor baseball training facility on a six (6) acre tract of land identified as Tract 4-07 of the N. Butler Survey, Abstract No. 20, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the SH-205 By-Pass Corridor Overlay (SH-205 BY-OV) District, located on the north side of Airport Road west of the intersection of Airport Road and John King Boulevard, and take any action necessary.

Planning Director Ryan Miller gave brief background information on this item. All of the requested variances relate to the exterior of the building itself related to tilt wall construction, horizontal and vertical building articulation, the 20% natural stone requirement and secondary materials, and the four sided building requirement of the overlay district. The ARB Board and P&Z Board did recommend full approval of the variances.

Councilmember White made a motion to approve the 1st variance for the tilt wall construction. Councilmember Fowler seconded the motion. The motion passed unanimously of council.

Councilmember Milder made a motion to approve the 2nd variance for horizontal and vertical articulation requirements. Mayor Pro Tem Lewis seconded the motion. The motion passed unanimously of council.

Councilmember White made a motion to approve the 3rd variance for less than 20% natural stone. Mayor Pruitt seconded the motion. The motion passed unanimously of council.

Councilmember White made a motion to approve the 4th variance for an excess of 10% secondary materials. Mayor Pro Tem seconded the motion. The motion passed unanimously of council.

Councilmember Townsend made a motion to approve the 5th variance for not meeting the four sided architectural requirements. Councilmember White seconded the motion. The motion failed to get a ¾ majority vote by 5 ayes and 2 nays (Milder and Fowler).

3. Discuss and consider a request by Michael M. Caffey for the approval of a structure preservation tax exemption application seeking to have the assessed value for ad valorem taxation fixed for a period of seven (7) years on the subject property at 311 S. Fannin Street, further identified as Lot 9 & 10, Block C of the Eppstein Addition, City of Rockwall, Rockwall County, Texas, zoned Single Family 7 (SF-7) District, located within the Old Town Rockwall (OTR) Historic District, and take any action necessary.

Planning Director Ryan Miller gave brief background on this agenda item. He explained that the request was reviewed and approved by the Historic Preservation Board and that the recommendation to the Rockwall Central Appraisal District would only be sent after the improvements to the home have been completed.

Councilmember White made a motion to approve the request. Mayor Pro Tem Lewis seconded the motion. The motion passed unanimously of council.

4. Discuss and consider various zoning provisions pertaining to Planned Development District 75 (PD-75) including sections dealing with consideration of special requests, and take any action necessary.

Councilmember White gave a brief history of this item stating that the area was annexed in February of 2009 and that a few months later the city began zoning of the Lake Rockwall Estates neighborhood. There were several town hall meetings that took place with the surrounding citizens, and there was an overwhelming objection to multifamily type uses. He explained that the city council and the P&Z commission both voted against allowing multifamily zoning, however the ordinance was written to allow it at council's discretion. Councilmember White stated that he would like for the P&Z commission to take under advisement the opinions of the citizens that spoke out against this zoning change many years prior, and consider changing the current provisions of the ordinance as it reads today.

Mayor Pruitt stated that he would like to hear citizen input concerning the proposed changes.

Councilmember White made a motion to direct staff to initiate a zoning case to amend PD-75 to remove the clause that allows council to consider allowing land uses other than those allowed by the current zoning without public input. This will require notification of all property owners within the Lake Rockwall Estates subdivision. Mayor Pruitt seconded the motion. The motion passed unanimously of council.

5. Discuss and consider potential regulation of non-emergency ambulance (transport) service providers operating within the city, and take any action necessary.

Councilmember Townsend spoke regarding concern with the way the current proposed ordinance is written. His concern is that anyone can get the license and file the appropriate paperwork and operate in the city no matter what tier of service they provide. He went on to say that, although the state issues the licenses, they aren't as strict as the city might be, and he feels the city could be taking a risk to allow several ambulance providers.

Councilmember White asked the City Manager and the City Attorney what the risk might be for allowing other ambulance services to transport in the City of Rockwall. City

Manager Rick Crowley explained that there wasn't necessarily a legal risk for the city. However, deciding on the extent of regulating them is necessary to meet an obligation to the residents that want other transport options and to clarify what the city is willing to allow. Councilmember White explained that he didn't think the city is qualified to regulate ambulances services and still thinks that it's the responsibility of the facilities using other ambulance services that would need to answer to the patients. Rick Crowley stated that if the council would like to pass an ordinance stating that they would like for outside ambulance companies to be regulated, the City of Rockwall would be contracting outside for those inspection purposes.

General discussion took place, and no formal action was taken on this item.

6. Discuss and consider approval of an **ordinance** amending the Code of Ordinances in Chapter 12. Businesses & Sales, Article XII. Ambulance Service by adding and amending Sections 12-1250 through 12-1253 regulating ambulance services and providers in the City, and take any action necessary. **(2nd reading)**

Mayor Pro Tem Lewis made a motion to approve the ordinance. Mayor Pruitt seconded the motion. The ordinance was read as follows:

ORDINANCE NO. 15-28

AN ORDINANCE OF THE CITY OF ROCKWALL, TEXAS, AMENDING CHAPTER 12, ARTICLE XII, SECTION 12 BY ADDING AND AMENDING SECTIONS 12-1250 THROUGH 12-1253 OF THE CODE OF ORDINANCES, REGULATING AMBULANCE SERVICES IN THE CITY; PROVIDING A SEVERABILITY CLAUSE; PROVIDING AN EFFECTIVE DATE AND PROVIDING FOR RELATED MATTERS.

Mayor Pruitt stated for the record that, although a vote is being taken at this time, further discussion regarding a change from this ordinance can take place at any time.

The motion passed by a vote of 5 ayes and 2 nays (Fowler and Townsend).

7. Discuss and consider approval of a policy for seasonal outside storage of shipping containers and/or similar storage containers for commercial land uses, and take any action necessary.

Planning Director Ryan Miller gave brief background on this item.

Councilmember Hohenshelt stated that he would like this policy to state that this type of temporary storage may only be approved for retail facilities.

Councilmember White made a motion to approve the policy as written with the exception of adding that it would only be for retail facilities during seasonal months. Councilmember Hohenshelt seconded the motion. The motion passed unanimously of council.

Mayor Pruitt read all items into the record before recessing the meeting into Executive Session at 8:00 p.m.

XIV. EXECUTIVE SESSION (8PM)

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding Economic Development prospects pursuant to Section 551.087 (Economic Development)
2. Discussion regarding legal matters related to land lease operations at Ralph Hall Municipal Airport pursuant to Section 551.071 (Consultation with Attorney).
3. Discussion regarding appointments to city regulatory boards, commissions, or committees - interview candidates: Planning & Zoning Commission vacancy - pursuant to Section 551.074 (personnel matters)
4. Discussion regarding process associated with City Manager performance evaluation pursuant to Section 551.074 (personnel matters)

XV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

Mayor Pruitt reconvened the public meeting at 8:22 p.m. and there was no action taken.

XVI. ADJOURNMENT

Mayor Pruitt adjourned the meeting at 8:22 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS,

THIS 2nd DAY OF November, 2015.

The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **October 30, 2015**

SUBJECT: **Police Department Driveway Access**

The existing parking lot for the Police Department has ingress/egress onto Washington Street (SH 66). The existing driveway is located in the near vicinity of the Washington Street/South Alamo Street intersection. It is difficult to exit the parking lot due to the traffic back-up on Washington Street throughout the entire day.

Staff has discussed and evaluated the construction of an additional access point to the parking lot from South Alamo Street. The access drive can be constructed in the old Houston Street right-of-way and provide a secondary ingress/egress point to this parking lot.

The City received two bids on October 22, 2015 for the construction of the Rockwall Police Driveway project. The low bid was submitted by Morrow Construction Company in the amount of $72,056.00. Morrow Construction Company has performed work for the City of Rockwall previously and completed the work on time and as per plan. Funding is available in General Fund Reserves.

Staff requests City Council consideration to award the bid for the Rockwall Police Driveway Project to Morrow Construction Company in an amount of $72,056.00 and take any action necessary.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**
Mary Smith, Asst. City Manager

FROM: **Cheryl Dunlop**
Director, Administrative Services

DATE: **October 29, 2015**

SUBJECT: **City's Employee Health Stop Loss Insurance Renewal**

The City self-insures employee health coverage which provides an opportunity for cost and benefit management of this important program. One element of the management plan is the *reinsurance/stop loss coverage* which the City has secured since 1987. Bids for this coverage have been received, and the staff and the City's consultant are asking the Council to consider authorizing the City Manager to execute a contract with **Great Midwest Insurance Company** to secure this coverage. Their bid was 5% under our current rate and maintains our *individual stop loss* (ISL) coverage applied to claims exceeding $100,000.

Holmes Murphy, the City's consultant, requested bids from 12 different vendors (including the current provider) with various stop loss levels for this coverage. Only 2 vendors out of the 12 provided offers, with the remaining 10 declining to quote stating that they could not be competitive vs the current rates so they did not offer a bid at all. Renewal with the current provider **Transamerica Life Insurance Company** would result in a *total annual fixed cost* increase of 1% above our current rate and an increase in our ISL to $110,000. The **Great Midwest Insurance Company** bid provides for the most competitive overall cost and least liability to the City.

The plan cost projections that are made by the stop loss insurance companies are made up of the following items:

- the actual paid claim experience results for the medical plan during the past 24 months;
- the current enrollment of employees and dependents in each of the two (2) health plan choices (Standard and Premium plans);
- the changes in the average age and gender mix of the enrollment this year compared to the prior year;
- any potential large claims that are considered to be ongoing in nature;
- the anticipated health care cost inflationary trend (the estimated charges by health care providers to provide services over the next 12 months compared to those costs for the same services over the previous 12 months).

Council is asked to consider authorizing the City Manager to execute the appropriate contract documents to secure the stop-loss coverage.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Richard Crowley, City Manager**

FROM: **Lea Ann Ewing, Purchasing Agent**

DATE: **October 22, 2015**

SUBJECT: **Purchase of a New Pothole Patcher for Streets Department**

Approved in the General Fund Streets Operating budget, is $152,650 to purchase a new Pothole Patcher.

Budget is adequate to cover the cost of the Bergkamp FP5 Patcher unit for a total price of $152,640. This equipment is available from Bergkamp Pavement Solutions through the BuyBoard purchasing cooperative contract #424-13. As a member and participant in this cooperative, the City has met all formal bidding requirements pertaining to the purchase of this new equipment.

For Council consideration is the Pothole Patcher bid award to Bergkamp for $152,640 and authorize the City Manager to execute a purchase order for this new equipment.

MEMORANDUM

TO: **Richard Crowley, City Manager**

FROM: **Lea Ann Ewing, Purchasing Agent**

DATE: **October 26, 2015**

SUBJECT: **Purchase of 2016 Model Police Pursuit Tahoes for Patrol**

Three (3) SUV's are approved in the General Fund, Police Patrol budget. The total budget for these vehicles including safety and communication equipment is $153,000. The Tahoe with pursuit package (PPV) is available from Caldwell County Chevrolet through the Texas Association of School Boards (Buy Board) purchasing cooperative contract #430-13. The Tahoe cost is $35,785 each and total bid award for three (3) is $107,355.

As a member and participant in the BuyBoard cooperative program, the City has met all formal bidding requirements pertaining to the purchase of these new vehicles.

The remaining budget dollars would be used to buy an equipment package costing approximately $15,000 for each Tahoe. Equipment includes the purchase of lights, decals, console, microphones, gun racks, power pack, mounting brackets and installation of these items as well as wiring for and install of the radio, audio video system and computer. Total cost of equipment is estimated to be $45,000. This equipment will be purchased and installed once we receive the vehicles.

For Council consideration is the Tahoe PPV bid award to Caldwell Country Chevrolet for $107,355 and authorize the City Manager to execute a purchase order for these new vehicles.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 11/02/2015

APPLICANT: John Arnold, *Skorburg Company (BH Phase IIB SF, LTD)*

AGENDA ITEM: **P2015-039**; *Lots 51-57, Block D, Breezy Hill, PH IIA & IIB*

SUMMARY:

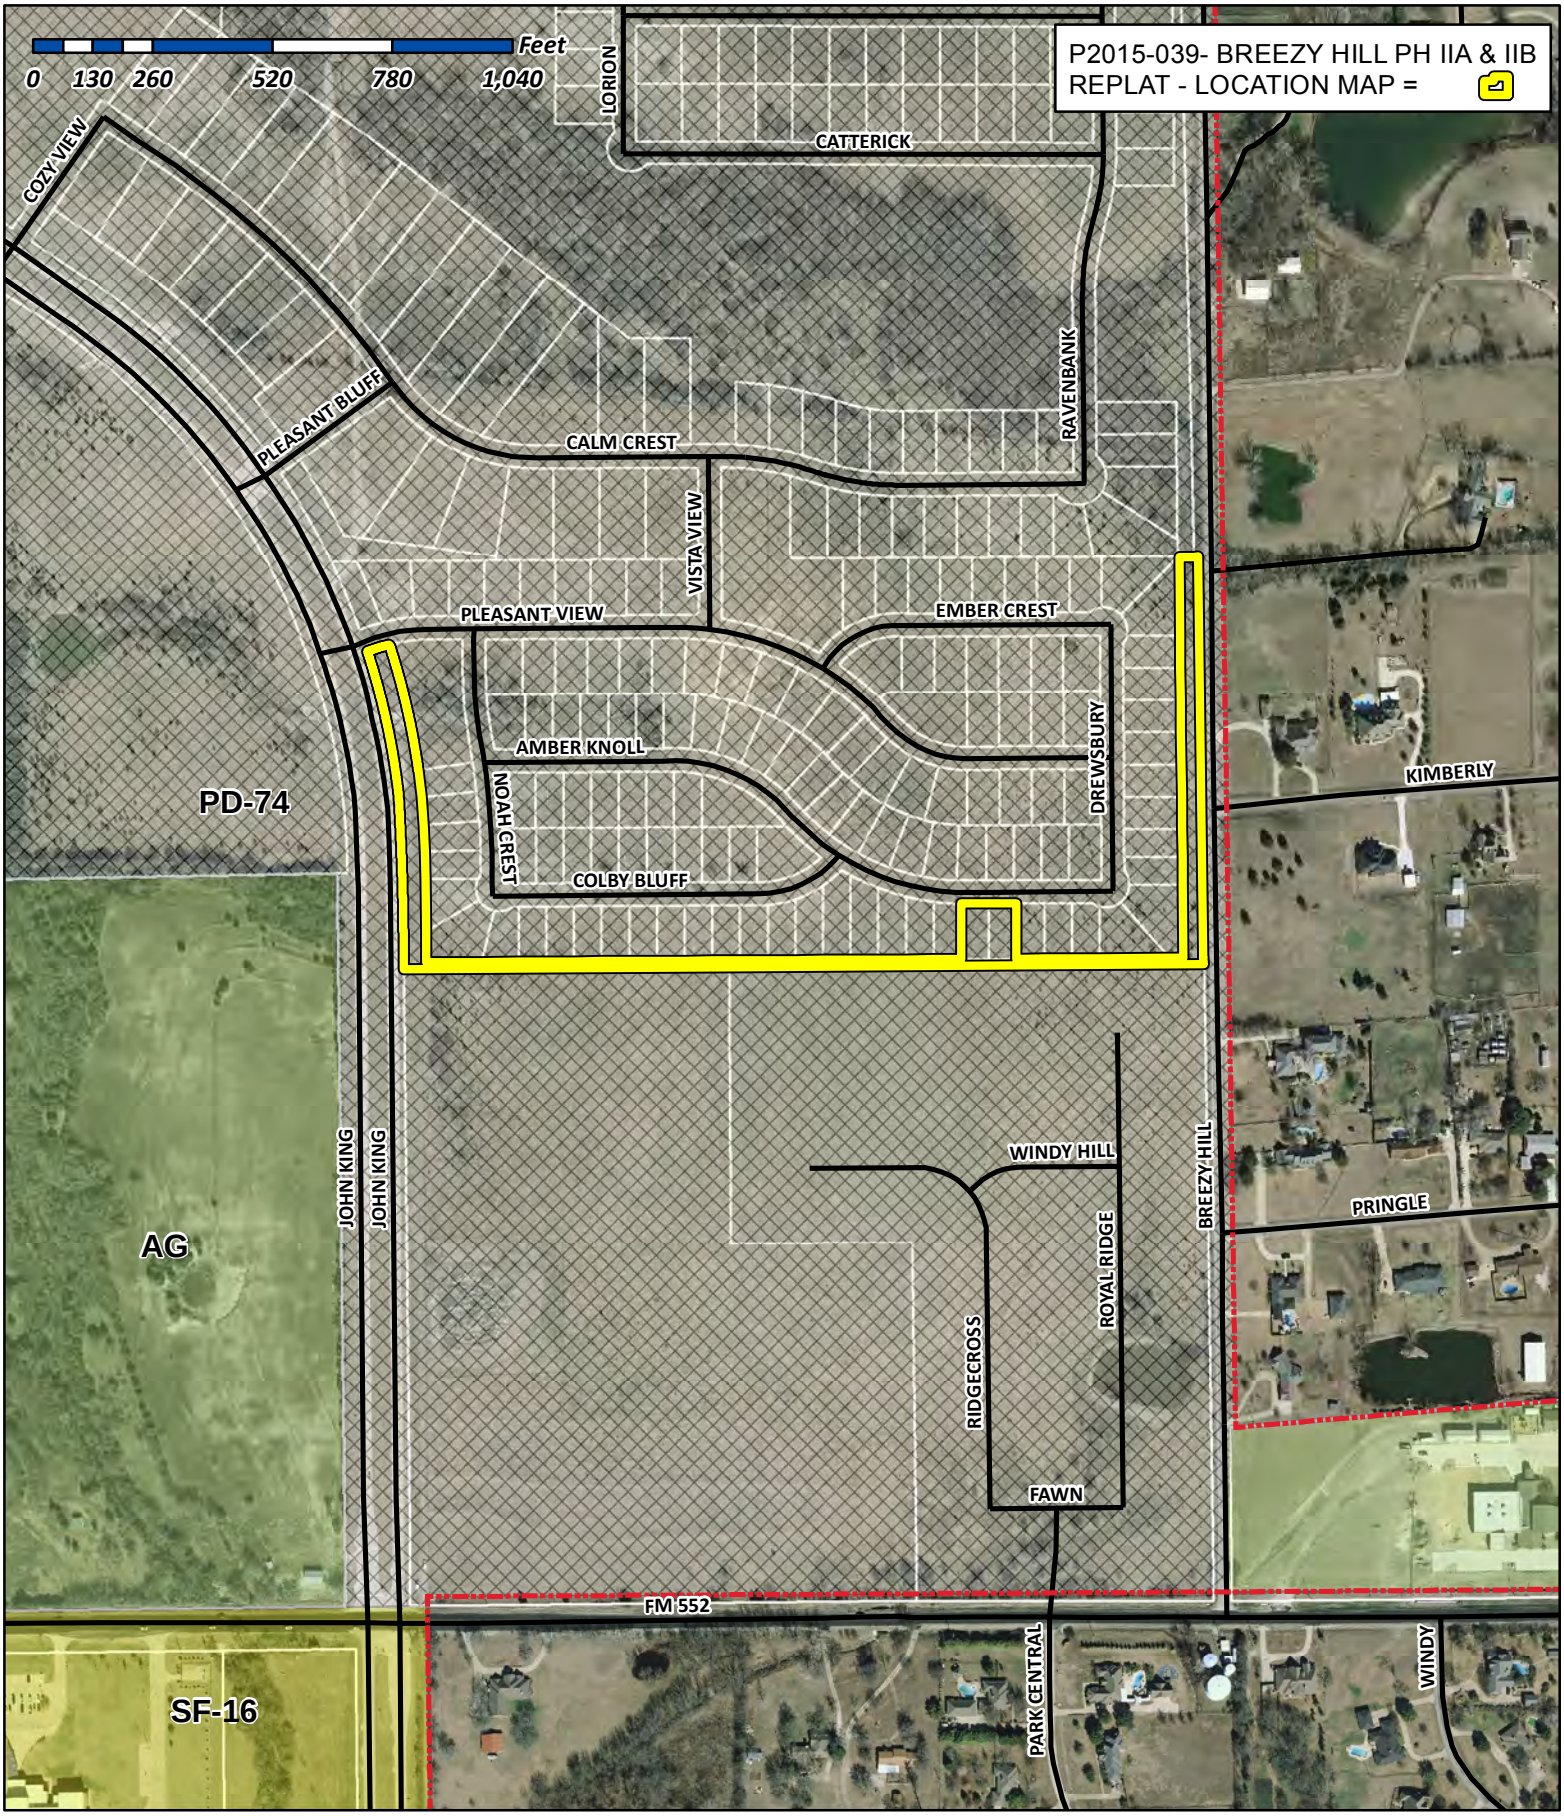
Discuss and consider a request by John Arnold of the Skorburg Company (BH Phase IIB SF, LTD) for the approval of a replat of Lots 51-57, Block D, Breezy Hill, Phases IIA & IIB, being a 2.722-acre portion of land that is currently identified as Lots 24-26 & 50, Block D, Breezy Hill, Phases IIA & IIB, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74) for residential land uses, generally located north of the intersection of FM-552 and John King Boulevard, and take any action necessary.

PLAT COMMENTS:

- ✓ The objective of this request is to replat Lots 24-26 & 50 of Block D to establish Kitts Drive, which will serve as a connecting roadway between Phase IIA & IIB and Phase 9B. This plat involves replatting a 2.722-acre portion of Phase IIA & IIB, and will result in reducing the phases' lot count by one (1).
- ✓ The surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for replats as stated in the *Subdivision Ordinance* in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.
- ✓ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

RECOMMENDATIONS:



Staff recommends approval of the final plat for *Lot 51-57, Block D, Breezy Hill, Phase IIA & IIB Addition* in conformance with the following conditions of approval:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;

2) Any construction resulting from the approval of this *replat* shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On October 27, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the final plat by a vote of 6-0, with Commissioner McCutcheon absent.

Notes: P2015-039 (Lots 51-57, Block D, Breezy Hill, Phases IIA &IIB): Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 This is a request for the approval of a replat of Lots 51-57, Block D, Breezy Hill, Phases IIA & IIB, being a 2.722-acre portion of land that is currently identified as Lots 24-26 & 50, Block D, Breezy Hill, Phases IIA & IIB, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74) for residential land uses, and generally located north of the intersection of FM-552 and John King Boulevard.
I.2 For questions or comments concerning this case please contact Ryan Miller in the Planning Department at (972) 772-6441 or email rcmiller@rockwall.com.
M.3 For reference, please include the case number (P2015-039) in the lower right hand corner of all pages on future submittals.
M.4 Please change the lot and block information to be the next sequential lot (i.e. Lot 51). Additionally, correct the lot information for all the proposed lots (i.e. Lots 51-57).
M.5 Change the title block to reference all the newly created lots.
I.6 Please resubmit one (1) digital copy with the resubmittal.
I.7 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested. Revisions for this case will be due as soon as possible to give staff ample time to review the case prior to the October 27, 2015 Planning & Zoning Meeting.
I.8 The projected City Council Meeting date and subsequent approval for this plat is November 2, 2015.

LEGAL DESCRIPTION

WHEREAS, BH PHASE IIB SF, LTD., is the owner of a tract of land situated in the J. Strickland Survey, Abstract No. 187 in the City of Rockwall, Rockwall County, Texas, being all of Lots 24-26 & 50 Block D out of Breezy Hill Phases IIA & IIB, an addition to the City of Rockwall, as described in Vol. H, Pg. 397 in the Plat Records of Rockwall County, Texas being more particularly described as follows:

BEGINNING, at a ½ inch iron rod found at the southwest corner of said Breezy Hill Phase IIA & IIB, being in the east line of John King Boulevard (120' R.O.W.);

THENCE, North 00° 23'34" East, along the west line of said Breezy Hill Phases IIA & IIB and being in east line of said John King Boulevard, for a distance of 219.50 feet, to a ½ inch iron rod found at the point of curvature of a curve to the left, having a radius of 1560.00 feet, a central angle of 17° 35'11", and a tangent of 241.31 feet;

THENCE, continuing along said east and west lines and with said curve to the left, for an arc distance of 478.83 feet (Chord Bearing North 08° 24'01" West - 476.95 feet), to a ½ inch iron rod found at the northwest corner of said Lot 50;

THENCE, North 71° 53'18" East, departing said east and west lines and along the north line of said Lot 50, for a distance of 14.00 feet, to a ½ inch iron rod found at the point of curvature of a curve to the right, having a radius of 375.00 feet, a central angle of 05° 30'19", and a tangent of 18.30 feet;

THENCE, continuing along said north line and with said curve to the right for an arc distance of 36.30 feet (Chord Bearing North 74° 38'27" East - 36.02 feet), to a ½ inch iron rod found at the northeast corner of said Lot 50 and being the northwest corner of Lot 1 Block D out of said Breezy Hill Phases IIA & IIB, same being on a curve to the right, having a radius of 1610.00 feet, a central angle of 17° 33'12", and a tangent of 248.57 feet;

THENCE, along the east line of said Lot 50 and with said curve to the right for an arc distance of 493.24 feet (Chord Bearing South 08° 23'02" East - 491.32 feet), to a ½ inch iron rod found at the point of tangency;

THENCE, South 00° 23'34" West, continuing along said east line, for a distance of 204.82 feet, to a ½ inch iron rod found at the most southerly southwest corner of Lot 7 Block D, out of said Breezy Hill Phases IIA & IIB;

THENCE, South 89° 33'00" East, along the north line of said Lot 50, for a distance of 1101.28 feet, to a ½ inch iron rod found at the southeast corner of Lot 23 Block D out of said Breezy Hill Phases IIA & IIB;

THENCE, North 00° 27'00" East, departing the north line of said Lot 50 and with the west line of said Lot 23, for a distance of 125.31 feet, to a ½ inch iron rod found at the northeast corner of said Lot 23, being in the south line of Amber Knoll Drive (50' R.O.W.), being on a curve to the left, having a radius of 540.00 feet, a central angle of 08° 02'37", and a tangent of 37.97 feet;

THENCE, along the south line of said Amber Knoll Drive with said curve to the left for an arc distance of 75.81 feet (Chord Bearing South 85° 31'42" East - 75.75 feet), to a ½ inch iron rod found at the point of tangency;

THENCE, South 89° 33'00" East, continuing along said south line, for a distance of 104.44 feet, to a ½ inch iron rod found at the northwest corner of Lot 27 Block B out of said Breezy Hill Phases IIA & IIB;

THENCE, South 00° 27'00" West, departing the south line of said Amber Knoll Drive and along the west line of said Lot 27, for a distance of 120.00 feet, to a ½ inch iron rod found at the southwest corner of said Lot 27 and being in the north line of said Lot 50;

THENCE, South 89° 33'00" East, along the north line of said Lot 50, for a distance of 362.10 feet, to a ½ inch iron rod found at the most easterly southeast corner of Lot 31 Block D out of said Breezy Hill Phases IIA & IIB;

THENCE, North 00° 11'51" East, along a west line of said Lot 50, for a distance of 819.32 feet, to a ½ inch iron rod found;

THENCE, North 00° 17'23" East, continuing along said west line, for a distance of 50.59 feet, to a ½ inch iron rod found at the most northerly northeast corner of Lot 41 Block D out of said Breezy Hill Phases IIA & IIB, being in the north line of said Breezy Hill Phase IIA & IIB;

THENCE, South 89° 33'00" East, along the north line of said Breezy Hill Phases IIA & IIB, for a distance of 40.00 feet, to a ½ inch iron rod found at the most easterly northeast corner of said Lot 50;

THENCE, South 00° 17'23" West, along the east line of said Lot 50, for a distance of 50.48 feet, to a ½ inch iron rod found;

THENCE, South 00° 11'51" West, continuing along the east line of said Lot 50, for a distance of 836.46 feet, to a ½ inch iron rod found at the most easterly southeast corner of said Lot 50 also being the south line of said Breezy Hill Phases IIA & IIB;

THENCE, North 89° 28'34" West, along the south line of said Lot 50 and the south line of said Breezy Hill Phases IIA & IIB, for a distance of 1733.44 feet, to the POINT OF BEGINNING and containing 2.722 acres of land.

OWNER'S CERTIFICATE

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:
STATE OF TEXAS
COUNTY OF ROCKWALL
We the undersigned owner"s" of the land shown on this replat, and designated herein as the LOTS 55 & 56 BLOCK D out of BREEZY HILL PHASES IIA & IIB, subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in the LOTS 55 & 56 BLOCK D out of BREEZY HILL PHASE IIA & IIB, subdivision have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; we, our successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exactions made herein.

CASE #P2014-026
SHEET 2 OF 2

THIS PAGE INTENTIONALLY LEFT BLANK

45

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 11/02/2015

APPLICANT: Pastor Rex Walker

AGENDA ITEM: **P2015-038** (Life Spring Church – Final Plat)

SUMMARY:

Discuss and consider a request by Pastor Rex Walker on behalf of Life Spring Church for the approval of a final plat for Lot 1, Block 1 and Lots 1 & 2, Block 2, Life Spring Church Addition being a 30.3403-acre tract of land currently identified 15-01 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated with the SH-205 By Pass Corridor Overlay (SH-205 BY OV) District, located on the north side of John King Boulevard east of the intersection of SH-205 and John King Boulevard, and take any action necessary.

COMMENTS:

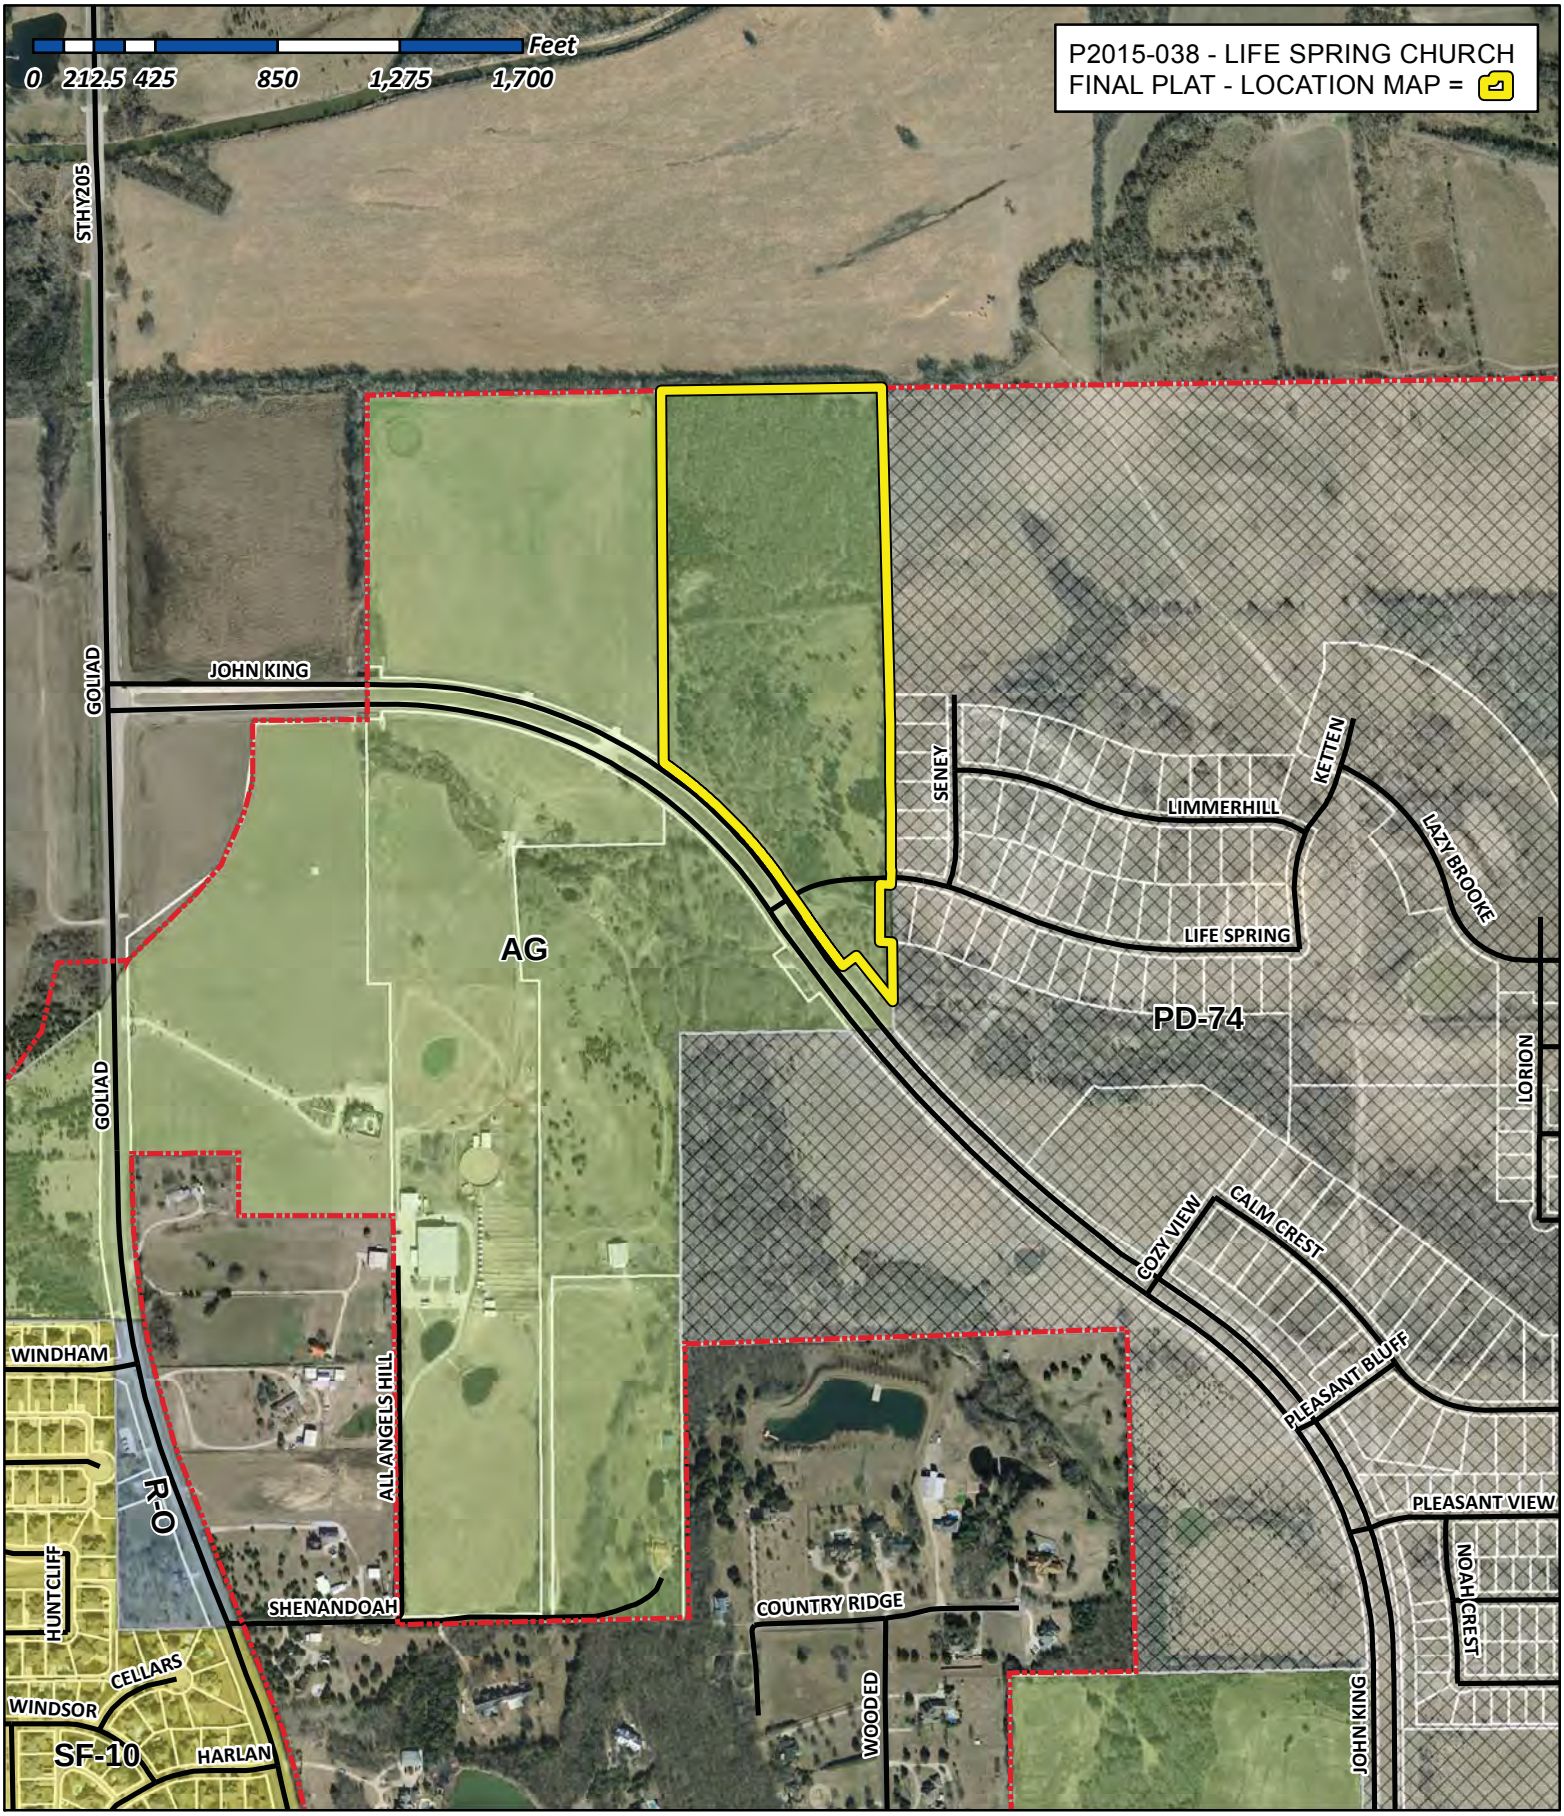
- The objective of the request is to subdivide a 30.34-acre tract of land into three separate lots and prepare a final plat. The final plat will establish the necessary fire lane, access, detention and drainage easements for new development of the Life Springs Church on Lot 1, Block 2. A site plan was approved in August of this year for a 25,433 sq. ft. church facility.

- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions listed in the *Recommendations* section below.

- With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the request for final plat, staff would recommend the following conditions of approval:



A) All the technical comments from the Planning, Engineering and Fire Departments shall be addressed prior to the filing of this plat, including the following comments;

1. Adherence to Engineering and Fire Department standards.
2. Address all staff comments as listed in the *Project Plan Review* (see attached).

B) Any construction resulting from the approval of this final plat shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On October 27, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the final plat by a vote of 6-0, with Commissioner McCutcheon absent.

Discuss and consider a request by Pastor Rex Walker on behalf of Life Spring Church for the approval of a final plat for Lot 1, Block 1 and Lots 1 & 2, Block 2, Life Spring Church Addition being a 30.3403-acre tract of land currently identified 15-01 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated with the SH-205 By Pass Corridor Overlay (SH-205 BY OV) District, located on the north side of John King Boulevard east of the intersection of SH-205 and John King Boulevard, and take any action necessary.

The following staff comments are to be addressed and resubmitted no later than Tuesday, November 3rd, 2015. Please provide three large copies [18" X 24" FOLDED] and one PDF version for a subsequent review by staff:

1. Adherence to all Engineering and Fire Department standards shall be required.
2. Provide a label indicating "Case No. P2015-038" on the lower right corner on all pages of the plat.
3. Change title block to include the total number of acres being platted to read similarly as follows: "...& Lots 1 & 2, Block 2, being a total of 30.34-acrs and,..."
4. Remove the setbacks indicated on Lot 1, Block 1 (1.4596-acre tract). This tract remains AG zoned, therefore does not have setbacks established for the lot.
5. Verify and correct the distance for bearing S 00.52.30 E along the west line of tract 1 in the Owners Certificate vs. Plat. Indicates distances of 1,109.65 (cert) & 1,120.07 (plat) that do not match.
6. Verify and correct chord bearing direction to table for Curve Data C3.
7. Surveyor's Certificate - Notary not necessary when stamped by surveyor.

** As a note, this case will be placed on the Consent Agenda for approval by the Planning Commission and City Council; however, staff comments are to be addressed and all revisions resubmitted and approved by staff prior to plat submitlon on mylar for filing purposes. **

OWNER'S CERTIFICATE

State of Texas
County of Rockwall

WHEREAS LIFE SPRING CHURCH, a Texas nonprofit corporation, is the owner of a tract of land situated in the JOSEPH STRICKLAND SURVEY, ABSTRACT NO. 187, Rockwall, Rockwall County, Texas, and being part of that certain 31.012 acre tract of land conveyed from Bruce A. Clark and Rose R. Clark to Life Spring Church, a Texas nonprofit corporation, by Warranty Deed With Vendor's Lien ("LSWD") recorded in Volume 6934, Page 206 of the Official Public Records of Rockwall County, Texas ("OPRRCT"), and being more particularly described as follows:

TRACT ONE

BEGINNING at a 1/2 inch iron rod with yellow plastic cap stamped "RPLS 5034" found for the most southerly corner of said 31.012 acre tract as described in said LSWD, said rod being in the northeasterly right-of-way line of John King Boulevard (120' R.O.W.) as described in Warranty Deed to the City of Rockwall, Texas, recorded in Volume 5364, Page 123 of the OPRRCT, and also being in a curve to the right and concave to the northeast, said curve having a central angle of 02°20'16", a radius of 4,880.00', and a chord which bears N 38°27'54" W a distance of 199.11';

THENCE northwesterly with said curve to the right and northeasterly right-of-way line an arc distance of 199.12 feet to point for corner from which a 1/2 inch iron rod with yellow plastic cap stamped "RPLS 5034" found bears S 88°22'04" E a distance of 0.56';

THENCE South 52 deg. 42 min. 14 sec. West with a northwesterly right-of-way line of John King Boulevard (120' R.O.W.) a distance of 60.00 feet to a 5/8" iron rod with yellow plastic cap stamped "RPLS 5405" ("5/8" YCIRS") set for corner, said rod being in the northeasterly right-of-way line of John King Boulevard (120' R.O.W.), and being in a curve to the right and concave to the northeast, said curve having a central angle of 02°40'18", a radius of 4940.00', and a chord which bears N 35°57'36" W a distance of 230.32';

THENCE with said curve to the right and northeasterly right-of-way line an arc distance of 230.34 feet to a 5/8" YCIRS at the southerly terminus of a right-of-way clip of Life Spring Drive (variable R.O.W.) as described in Right-Of-Way Plat of Life Spring Drive, recorded in County Clerk Instrument No. 20140000004816 of the OPRRCT;

THENCE North 11 deg. 13 min. 10 sec. East with said right-of-way clip of Life Spring Drive 41.95 feet to a 5/8" YCIRS for corner, said corner being the beginning of a curve to the right, said curve having a central angle of 08°09'12", a radius of 211.00', and a chord which bears N 64°25'58" E a distance of 30.00';

THENCE northeasterly with said curve to the right and right-of-way of Life Spring Drive an arc distance of 30.03 feet to a 5/8" YCIRS for corner and point of a reverse curve to the left, said curve being concave to the northwest and having a central angle of 13°33'08", a radius of 109.50', and a chord which bears N 61°43'57" E a distance of 25.84 feet;

THENCE northeasterly with said curve to the left and right-of-way of Life Spring Drive an arc distance of 25.90 feet to a 5/8" YCIRS for corner and point of reverse curve to the right, said curve being concave to the southeast and having a central angle of 34°17'31", a radius of 90.50, and a chord which bears N 72°06'04" E a distance of 53.36';

THENCE northeasterly with said curve to the right and right-of-way of Life Spring Drive an arc distance of 54.16 feet to a 5/8" YCIRS and PT of curve;

THENCE North 89 deg. 14 min. 49 sec. East with the south right-of-way line of Life Spring Drive (50' R.O.W. at this point) a distance of 153.08 feet to a 5/8" YCIRS for corner in the west line of Breezy Hill Phase IV, an addition to the City of Rockwall, Texas, as recorded in County Clerk File No. 20150000003964 of the OPRRCT, and also being the northwest corner of a 0.180 acre tract of land conveyed from Life Spring Church, a Texas nonprofit corporation, to BH Phase IV SF, Ltd., a Texas limited partnership, by Special Warranty Deed recorded in County Clerk Instrument No. 20140000004551 of the OPRRCT;

THENCE South 00 deg. 45 min. 11 sec. East with the west line of said 0.180 acre tract and Breezy Hill Phase IV a distance of 200.00 feet to a 5/8" YCIRS for corner and being in a curve to the right, said curve being concave to the south and having a central angle of 03°46'17", a radius of 600.00', and a chord which bears S 88°52'03" E a distance of 39.49;

THENCE easterly with said curve to the right and southerly line of said 0.180 acre tract and Breezy HIII Phase IV an arc distance of 39.49 feet to a 5/8" YCIRS for southeast corner of same;

THENCE South 00 deg. 52 min. 30 sec. with the east line of said 31.012 acre tract and Breezy Hill Phase IV a distance of 189.97 to the PLACE OF BEGINNING, and containing 63,581 square feet or 1.4596 acres of land, more or less.

TRACT TWO

BEGINNING at 5/8" iron rod with yellow plastic cap set ("5/8" YCIRS") for corner in the northeasterly right-of-way line of John King Boulevard (120' R.O.W.) as described in Warranty Deed to the City of Rockwall, Texas, recorded in Volume 5364, Page 123 of the OPRRCT, and also being in a curve to the left and concave to the southwest, said curve having a central angle of 20°02'00", a radius of 1,660.00', and a chord which bears N 45°16'23" W a distance of 577.46';

THENCE northwesterly with said curve to the left and northeasterly right-of-way line an arc distance of 580.41 feet to a 5/8" YCIRS for corner, from which a 1/2 inch iron rod with yellow plastic cap stamped "RPLS 5034" found bears S 71°21'15" E a distance of 1.47';

THENCE North 00 deg. 54 min. 03 sec. West with the west line of said 31.012 acre tract 1321.62 feet to a 3/8" iron rod found in barbed-wire fence line for the northwest corner of same as described in LSWD, as described in the Deed In Lieu Of Foreclosure to Bruce A. Clark and wife Rose R. Clark, recorded in Volume 5667, Page 135, and as described in Warranty Deed to Shennendoah Real Estate Partners, LP, a Texas limited partnership, recorded in Volume 3351, Page 114, of the OPRRCT;

THENCE North 89 deg. 15 min. 55 sec. East with the north line of said 31.012 acre tract 782.50 feet to a leaning 5/8" iron rod with yellow plastic cap stamped "DCA" found for the northeast corner, taken to be the same rod described in said LSWD, and being that same rod described as the northwest corner of Tract 1 in Special Warranty Deed With Vendor's Lien to BH Balance III LLC, a Texas limited liability company, recorded in County Clerk Instrument No. 20130000498889 of the OPRRCT;

THENCE South 00 deg. 52 min. 30 sec. East with the east line of said 31.012 acre tract and west line of said Tract 1, at a distance of 1,109.65 pass the northwest corner of Block D of Breezy Hill Phase IV, an addition to the City of Rockwall, Texas as recorded in County Clerk Instrument No. 20150000003964, and continuing with same for a total distance of 1,717.69 feet to a 5/8" YCIRS for corner in the north right-of-way line of Life Spring Drive (variable R.O.W.) as described in Right-Of-Way Plat of Life Spring Drive, recorded in County Clerk Instrument No. 20140000004816 of the OPRRCT, said rod corner being in a curve to the left, said curve being concave to the south and having a central angle of 02°37'29", a radius of 850.00', and a chord which bears N 89°26'27" W a distance of 38.93';

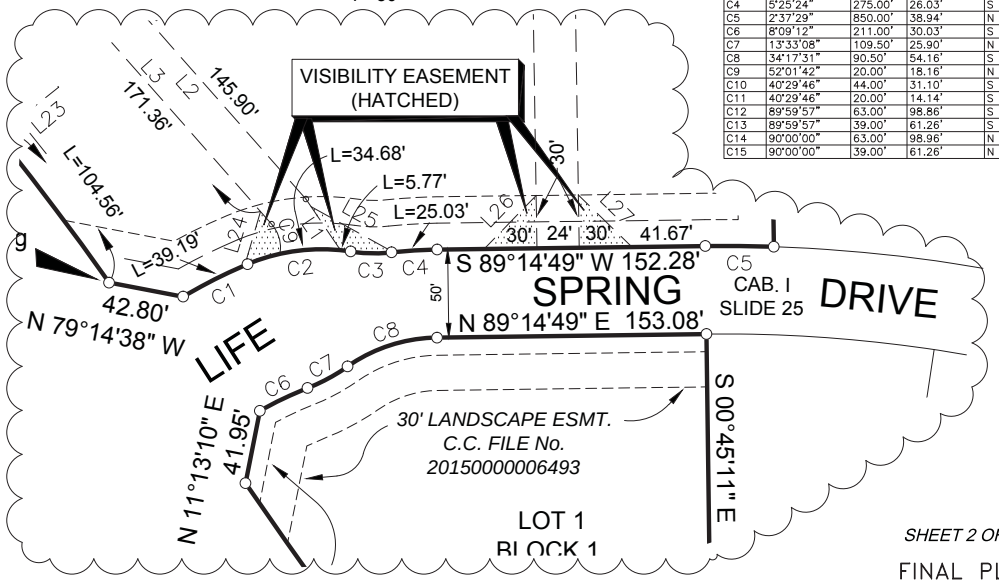
THENCE westerly with said curve to the left and north right-of-way line an arc distance of 38.94 feet to a 5/8" YCIRS for corner and PT of said curve;

THENCE South 89 deg. 14 min. 49 sec. West with said north right-of-way line 152.28 feet to a 5/8" YCIRS for corner and PC of a curve to the left, said curve being concave to the south and having a central angle of 5°25'24", a radius of 275.00', and a chord which bears S 86°32'09" W a distance of 26.02';

THENCE westerly with said curve to the left and north right-of-way line an arc distance of 26.03 feet to a 5/8" YCIRS for corner and point of reverse curve to the right, said curve being concave to the north and having a central angle of 14°46'00", a radius of 90.50', and a chord which bears N 88°47'28" W a distance of 23.26';

THENCE westerly with said curve to the right and north right-of-way line an arc distance of 23.32 feet to a 5/8" YCIRS for corner and point of reverse curve to the left, said curve being concave to the southeast and having a central angle of 31°16'08", a radius of 109.50', and a chord which bears S 82°57'31" W a distance of 59.02';

THENCE southwesterly with said curve to the left and northerly right-of-way line an arc distance of 59.76 feet to a 5/8" YCIRS for corner and point of compound curve to the left, said curve being concave to the southeast and having a central angle of 08°07'31", a radius of 289.00', and a chord which bears S 63°15'40" W a distance of 40.95';



THENCE southwesterly with said curve to the left and northerly right-of-way line an arc distance of 40.98 feet to a 5/8" YCIRS for corner and easterly terminus of a northerly right-of-way clip;

THENCE North 79 deg. 14 min. 38 sec. West with the said northerly right-of-way clip 42.80 feet to the PLACE OF BEGINNING, and containing 1,258,048 square feet or 28.8808 acres of land, more or less.

CITY CASE No. _____

OWNER'S DEDICATION

NOW, THEREFORE, KNOW ALL BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

I, the undersigned owner of the land shown on this plat, and designated herein as the LIFE SPRING CHURCH subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, watercourses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the LIFE SPRING CHURCH subdivision have been notified and signed this plat.

I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. I also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I, my successors and assigns hereby waive any claim, damage, or cause of action that I may have as a result of the dedication of exactions made herein.

CITY OF ROCKWALL

ORDINANCE NO. 15-29

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A SINGLE-FAMILY ONE (SF-1) DISTRICT FOR A 1.02-ACRE TRACT OF LAND IDENTIFIED AS TRACT 11-2 OF THE D. HARR SURVEY, ABSTRACT NO. 102, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN *EXHIBIT 'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Bill K. Ryan for the approval of an amendment to the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall to adopt a change in zoning from an Agricultural (AG) District to a Single-Family One (SF-1) District for a 1.02-acre tract of land identified as Tract 11-2 of the David Harr Survey, Abstract No. 102, City of Rockwall, Rockwall County, Texas, and more specifically described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning of the *Subject Property* from an Agriculture (AG) District to a Single-Family One (SF-1) District; and

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes provided for a *Single-Family One (SF-1) District* in *Section 1.1, "Use of Land and Buildings,"* of *Article IV, "Permissible Uses"* and *Section 3.2-1, "Single-Family One (SF-1) District",* of *Article V, "District Development Standards",* of the *Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future;

Section 3. That the official zoning map of the City be corrected to reflect the changes in the zoning described herein.

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ON THIS THE 2ND DAY OF NOVEMBER, 2015.

Subject: City Council Agenda

Good afternoon!

My name is Tammy Sharp (T&T Color Supply) and I am coordinating the Downtown Grand Opening Celebration. I met with Rick, Brad, Andy and Bethany last week. Rick asked that I get on the next agenda to present my plans to the Mayor and Council. I am hoping to coordinate an event together with the City (like I did last year at Christmas). Rick is excited about it and would like me to present.

Please let me know what I need to do. I only need 5 minutes. I have left Jim a message to give him a heads up as well.

Thanks in advance!
Tammy

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **October 30, 2015**

SUBJECT: **Art Review Team Appointments**

The City Council recently appointed the remaining members of the Art Review Team and they will meet in the very near future. In reviewing the ordinance that creates the committee, it references a second group called the Art Committee. The sole purpose of the Art Committee is to create the Art in Public Places Master Plan which has been completed.

In the review of the Art in Public Places Master Plan, there is an opportunity to update the Master Plan. According to the ordinance, the updating on the Master Plan would require the appointment of the Art Committee. In lieu of appointing five members to a committee that will sunset within a few months, the staff would like the City Council to consider appointing the members of the Art Review Team to the Art Committee.

Contingent of the above referenced action, the Art Review Team will meet within the next two weeks and begin the procedures outlined in the ordinance. The first actions to address will be appointing a Chair and Vice Chair, setting meeting dates, review of the Art in Public Places Master Plan, reviews of the ordinances and charges to the Team, etc. Bethany Browning has been assigned to be the staff liaison to the committee.

The committee has approximately $74,000 to work with related to the downtown project that was collected following the 2012 CIP program. The committee will have roughly $175,000 - $190,000 for public art related to the street project items approved by the voters in the same election. According to our ordinance, 1% of the CIP project costs excluding land acquisition and utilities will be designated to provide public art.

<u>Current Members of the ART Commission:</u>

David Sweet
Kathleen Morrow
Betty Jean Hoaglund
Jane Braddock
Doug Agee

CITY OF ROCKWALL

ORDINANCE NO. 14-48

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE CODE OF ORDINANCES IN CH. 36. STREETS, SIDEWALKS AND PUBLIC PLACES; ARTICLE IV. ART IN PUBLIC PLACES MASTER PLAN; DIVISION 2. ART REVIEW TEAM (ART) COMMISSION; SECTION 33-77. ESTABLISHED, SUBSECTION (a)(1). COMPOSITION TO CHANGE THE REQUIRED COMPOSITION OF THE FIVE (5) MEMBER COMMISSION; PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Rockwall City Council, in order to facilitate more inclusionary participation by members of the public who may wish to serve, has determined that the following composition for the city's Art Review Team (ART) Commission is in the best interest of the public;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Code of Ordinances in Chapter 36. Streets, Sidewalks, and Public Places; Article IV. Art in Public Places Master Plan; Division 2. Art Review Team (ART) Commission; Section 33-77. Established; Subsection (a)(1). Composition is hereby amended to henceforth read in its entirety as follows:

(a) (1) The art review team (ART) commission shall consist of five members, who shall all be "interested citizens" appointed by the city council. ~~The team members will include two visual arts professionals, two members of the business community who will be representative of the environmental design fields (architecture, landscape architecture, urban planning/design), and one resident of the community. Selection of the team will reflect ethnic, artistic, economic and demographic diversity of the community.~~ All team members ~~must~~ should possess knowledge of, or have an interest in contemporary, visual art, artistic principles and art media. ~~A board member of the Rockwall Alliance for the Arts and the director of parks and recreation or his designee will serve as ex officio (nonvoting) members.~~

a. The art review team (ART) commission shall consist of five regular members appointed by a majority of the city council. ~~The ex officio member from the Rockwall Alliance for the Arts will also be appointed by the city council. The ex officio member from the parks and recreation department~~ A staff liaison will be appointed by the city manager.

b. In the case of a vacancy of the commission, the city council, by a majority vote, may appoint a replacement member to the commission. Any person appointed shall serve until the expiration of the term of office of the vacated position.

c. Each member of the commission shall be a resident citizen and qualified voter of the city.

d. Upon the initial appointment of the commission by the city council, members shall draw lots for three two-year terms and ~~three~~ two one-year terms of service. Thereafter, the term of office of members of the commission shall be for two years. Members may be removed, as determined by the city council.

e. Members shall serve without compensation.

Section 2. That all ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of such conflict;

Section 3. That if any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be unconstitutional or illegal, such decision shall not affect the validity of the remaining sections of this ordinance. The City Council hereby declares that it would have passed this ordinance, and each section, subsection, clause, or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared void;

Section 4. That all ordinances or parts of ordinances, in conflict herewith are to the extent of such conflict hereby repealed. The balance of such ordinance is hereby saved from repeal;

Section 5. That this Ordinance shall become effective immediately upon passage and approval and it is so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 17th day of November, 2014.

David Sweet, Mayor

ARTICLE IV. - ART IN PUBLIC PLACES MASTER PLAN
DIVISION 1. - GENERALLY
Sec. 36-56. - Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Art committee means five members, appointed by the city council, to conduct an analysis of the concept of the art in public places program and develop a comprehensive master plan.

Art review team (ART) commission means the commission responsible for the review and approval of public art applications and/or projects according to the process outlined in this master plan.

Artist means a practitioner in the visual arts generally recognized by critics and peers as a professional possessing serious intent and ability.

Construction project means any capital project paid for wholly, or in part, by the city to construct or remodel any building, park or parking facility.

Coordinator means the staff person appointed by the city manager to coordinate and facilitate the implementation of this article and the master plan as adopted by the city council.

Eligible project means a construction or remodeling project, as defined in this section, for which the source of funds is not restricted by law or regulation as to its use for artworks.

Project consultant means an individual working for the artist, the city, or the construction company.

Visual arts professional means an artist, arts educator, art critic, arts administrator, arts dealer, designer, art historian, curator, fine art collector, architect, urban planner or landscape architect who is well respected in his field, knowledgeable with regards to multiple disciplines and styles of visual art and willing to participate effectively in a review process without conflict of interest.

Work of art means tangible creations by artists exhibiting the highest quality of skill and aesthetic principles including, but not limited to, paintings, sculptures, stained glass, engravings, mosaics, carvings, etchings, frescoes, mobiles, murals, collages, tapestries, memorials, environmental, photographs, drawings, monuments, fountains, or utilitarian/functional works.

(Ord. No. 06-17, § 1(23-32), 6-5-2006)

Sec. 36-57. - Purpose; established.

(a) It is the intention of the city to contribute to the cultural and artistic nature of this area by establishing a public art program which will:
  (1) Foster development of cultural awareness and enrich the public environment for both residents and visitors through the visual arts;
  (2) Celebrate the cultural, topographic and historical aspects of the area as well as the quality of life, lifestyle and diverse character of our community;
  (3) Integrate the work and thinking of artists into the planning, design and construction of public buildings and spaces;
  (4) Contribute a sense of ownership and civic pride in public facilities and spaces to citizens;

(5) Support, educate and assist citizens with their community activities in which public art plays a part; and

(6) Support a variety of artistic expressions and the visual arts.

(b) In an effort to accomplish the goals of the public art program, the council-appointed arts committee has developed a master plan to establish a process, which could include the selection, purchase, commission, placement, funding, maintenance and insurance of works of art on city-owned or city-controlled property.

(Ord. No. 06-17, § 1(23-31), 6-5-2006)

Sec. 36-58. - Appropriate forms of public art.

(a) The following are considered appropriate forms of public art:

(1) Works of art that reflect the purposes of the art in public places program, always aiming to achieve the highest aesthetic quality.

(2) Works of art that give due consideration to the proposed design in terms of scale, form and content with respect to its immediate and general, social and physical environment.

(3) Works of art that give due consideration to materials and construction for questions of durability, maintenance, public access, appropriateness, safety and security.

(4) Works of art that seek to reflect enduring artistic concepts, not transitory ones.

(b) Items not to be considered as works of art:

(1) Directional elements such as signage, except where these elements are integral parts of the original works of art.

(2) Art objects which are mass produced from a standard design, such as playground equipment or fountains.

(3) Reproductions of original art works.

(4) Decorative, ornamental or functional elements, including signage, which are designed by the building architect as opposed to an artist commissioned for the purpose of creating the art work.

(5) Landscape architecture and landscape gardening except where these elements are designed for and recognized by the ART commission as an integral part of the work of art.

(Ord. No. 06-17, § 1(23-33), 6-5-2006)

Sec. 36-59. - Appropriation; allocation and management of funds.

(a) Potential sources of funding to be considered:

(1) City-budgeted funds;

(2) Individual donations;

(3) Receiving grant monies; and

(4) Sale of tiles or plaques for recognition purposes.

(b) Recognition for sizable donations could be given by placing plaques in conjunction with the artwork.

(c) Management of the art in public places fund will be administered by the city manager or his designee.

(Ord. No. 06-17, § 1(23-34), 6-5-2006)

Sec. 36-60. - Funding of the public art program.

(a) *Appropriations.* Beginning with the 2011-12 fiscal year, all appropriations for city capital improvement projects, whether financed with city bond proceeds or city monies from any other source, shall include an amount equal to 1.0 percent of the total capital improvement project appropriation, to be used for design services of artists, for the selection, acquisition, commissioning, and display of artworks, and for administration of the public art projects. Such appropriations shall apply to a capital improvement project financed with proceeds from general obligation bonds authorized by the voters beginning with the 2011-12 fiscal year; or revenue bonds, certificates, notes, or other obligations authorized by the city council beginning with the 2011-12 fiscal year. Monies appropriated as part of one project, but not deemed necessary by the city council in total or in part for

the project, may be expended on other projects approved under the annual public art projects plan; provided that proceeds from bonds issued and authorized for a particular use or purpose shall not be used or diverted for a different use or purpose.

(b) *Grants and contributions from non-city sources.* Beginning with the 2011-12 fiscal year, each city department shall include in every application to a granting authority for a capital improvement project grant an amount for artists' services and artworks in accordance with this article. The public art appropriation shall apply to all capital improvement projects financed with grants or contributions from private persons or governmental or public agencies, subject to conditions of the granting or contributing person or agency. If the public art appropriation is not allowed as a reimbursable expense, only the city-funded portion of the project is subject to the public art appropriation.

(c) *Method of calculation.* The minimum amount to be appropriated for artists' services and artworks is equal to the total city capital improvement project appropriation multiplied by 0.010; provided that amounts budgeted for real property acquisition costs, demolition costs, equipment costs, normal major maintenance costs, financing costs, costs paid for from the contingency reserve fund, capital reserve funds, or interest earnings on city bond proceeds, costs of any below-grade water or wastewater improvements, and costs of resurfacing or repair of existing streets, sidewalks, and appurtenant drainage improvements are not subject to the calculation.

(d) *Public art accounts.* Amounts appropriated pursuant to this article shall be established by the city manager, or his designee, in a public art account within each capital improvement project fund.

(e) *City bond proceeds.*

(1) If a city capital improvement project is financed with city bond proceeds, the use of any amounts appropriated for artists' services and works of art in accordance with this article must be consistent with any voted proposition approved by the voters of the city, any resolution or ordinance adopted by the city council authorizing issuance of the bonds, and applicable state or federal law. In no event shall city bond proceeds be used for public art maintenance purposes.

(2) This section shall not apply to any refunding bond proceeds.

(3) This section shall not apply to any capital improvement project financed with water utility revenues that is located outside the city limits; or any below-grade capital improvement financed with water utility revenues, whether or not the below-grade improvement is part of a city capital improvement project that involves at-grade or above grade improvements.

(f) *City council exclusions.* When considering the capital improvements plan, or any amendment thereto, the city council may exclude individual city capital improvement projects from the application of this section.

(Ord. No. 11-10, § 1(23-45), 3-7-2011)

Secs. 36-61—36-76. - Reserved.

DIVISION 2. - ART REVIEW TEAM (ART) COMMISSION

Sec. 36-77. - Established.

(a) *Composition; appointment of members; term; compensation.* There is hereby created a commission known as the art review team (ART) commission. The commission shall be organized as follows:

(1) The art review team (ART) commission shall consist of five members, who shall all be "interested citizens" appointed by the city council. All team members should possess knowledge of, or have an interest in contemporary, visual art, artistic principles and art media.

a. The art review team (ART) commission shall consist of five regular members appointed by a majority of the city council. A staff liaison will be appointed by the city manager.

b.

In the case of a vacancy of the commission, the city council, by a majority vote, may appoint a replacement member to the commission. Any person appointed shall serve until the expiration of the term of office of the vacated position.

c. Each member of the commission shall be a resident citizen and qualified voter of the city.

d. Upon the initial appointment of the commission by the city council, members shall draw lots for three two-year terms and two one-year terms of service. Thereafter, the term of office of members of the commission shall be for two years. Members may be removed, as determined by the city council.

e. Members shall serve without compensation.

(b) *Meetings.* The commission shall hold its meetings on the call of the chairperson, or at such other times as the commission may determine. All meetings shall be open to the public.

(c) *Quorum.* All cases to be heard by the commission must be heard by at least four members.

(d) *Chairperson and vice-chairperson.* A chairperson and vice-chairperson shall be elected by the members of the commission at the first meeting following the annual appointment of the new members.

(e) *Records.* The commission shall keep minutes of its proceedings, showing the vote of each member upon each question, or, if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the commission and shall be a public record.

(f) *Vote.* The concurring vote of four members of the commission shall be necessary for the approval of any application. Only the members of the commission present shall have voting privileges.

(g) *Rules and regulations.* The commission shall adopt rules in accordance with this article.

(Ord. No. 06-17, § 1(23-35), 6-5-2006; Ord. No. 14-48, § 1, 11-17-2014)

Sec. 36-78. - Duties and responsibilities regarding education and public relations.

(a) The art review team (ART) commission shall promote the art in public places master plan.

(b) The art review team (ART) commission shall develop, evaluate and recommend projects in accordance with these guidelines:

(1) Press releases to all applicable news sources;

(2) Presentations to local civic organizations and area schools;

(3) Fundraising efforts for the art in public places fund;

(4) Grant applications for the art in public places program or its proposed projects; and

(5) Public forum.

(c) The art review team (ART) commission shall promote the art in public places master plan by various means, including:

(1) Acquiring suitable speakers to make presentations;

(2) Scheduling presentations; and

(3) Providing a copy of the information to outside sources wishing to use it to promote and further the art in public places master plan.

(d) The art review team (ART) commission, on an ongoing basis, shall actively explore potential sites for art in public places projects. In this, the commission shall seek the input of various city departments, as well as the community at large, to identify both future planned and existing sites. Upon development of an art project, information will be disseminated, as appropriate, through various mediums well in advance of the selection process to provide adequate time for applicants to prepare submissions. The coordinator will promote communication between the artist, art review team (ART) commission, city departments and any contractor or consultant involved with the project.

(Ord. No. 06-17, § 1(23-36), 6-5-2006)

Secs. 36-79—36-99. - Reserved.

DIVISION 3. - APPLICATIONS

Sec. 36-100. - Development of an art in public places project.

An art in public places project may originate from a number of sources:

(1) *City initiated.* City-initiated projects shall be given due consideration and the $150.00 application fee shall be waived. All other requirements of the application process shall apply.

(2) *Externally initiated.* Individuals, businesses and/or organizations wishing to submit a proposal for a project.

(Ord. No. 06-17, § 1(23-37), 6-5-2006)

Sec. 36-101. - Procedure; eligibility requirements.

(a) When the idea for placing a work of art is developed, the idea should be submitted in a "letter of intent" to the commission for consideration.

(b) The city will provide the following to all applicants for the art in public places program:

(1) A copy of the art in public places master plan; and

(2) An application form, which (at a minimum) will request the following information (if available at the time of submittal of the application):

a. Artist's name and resume;

b. Photos, slides, renderings, scaled models or other illustrations of work;

c. Requested location;

d. Processing fee of $150.00;

e. Size and material specifications;

f. Scope and schedule of work;

g. Lighting specifications, if applicable;

h. Estimated cost; and

i. Any additional information deemed necessary.

(c) The application, along with any other pertinent information, must be submitted to the coordinator for consultation by the commission.

(d) In order to foster community awareness of the art in public places master plan, appreciation of the visual arts, its potential for the enhancement of the public environment and to maximize its positive effect on the community, applications must include educational information as to the nature of the project. Information will include, but not be limited to, the following:

(1) The artistic intention or goal of the project;

(2) The artist's statement;

(3) The artist's background information;

(4) Information on the artistic discipline, style, medium, technique and creative process, including their relative historical information; and

(5) Any other informative document relative to the educational aspect of the project.

(Ord. No. 06-17, § 1(23-38), 6-5-2006)

Sec. 36-102. - Approval.

(a) *Criteria.* The art review team (ART) commission will evaluate the project based on the following criteria:

(1) Health, safety and public welfare.

(2) Appropriateness to the site:

a. Size and scale;

b. Color scheme;
c. Theme; and
d. Materials.

(3) Size relative to the site and surroundings.
(4) Potential longevity:
a. Resistance to elements; and
b. Theme.
(5) Maintenance requirements.
(6) Aesthetic value.

(b) *Review and hearing.* After their review and approval, the art review team (ART) commission will then forward the application and its recommendations to the city council for review. If appropriate, the city council will hold a public hearing to assess public opinion of a proposal, deny the request, or approve the application. The council may give direction to and ask the art review team (ART) commission to continue to work with the applicant and/or project.

(c) *Denial; appeals made to council.* In the event the art review team (ART) commission determines a project is not suitable, the applicant may appeal their decision to the city council within 30 days of the denial. The appeal must be made through the coordinator and placed on the city council agenda.

(Ord. No. 06-17, § 1(23-39), 6-5-2006)

Secs. 36-103—36-132. - Reserved.

DIVISION 4. - PROCEDURE FOLLOWING APPROVAL

Sec. 36-133. - Project implementation and coordination.

(a) Once a project is approved, the art review team (ART) commission, in conjunction with the coordinator, shall make recommendations to the city council regarding the details of completion, which could include the following methods of implementation:

(1) *Open entry competition.* Any artist is eligible to enter. The site proposal will be appropriately advertised. Artists may be asked to submit slides of their past work, resumes and letters of intent related to the specific project or specific proposals for the project under review.
(2) *Limited entry competition.* The art review team (ART) commission invites a limited number of artists to participate in the selection process. The artists selected may be asked to submit slides of past work or proposals based on the proposed project. The names of the artists invited to participate shall be publicly announced upon receipt of written acceptance of the invitation.
(3) *Direct selection of artist.* An artist is invited to participate in the project and may be asked to develop a proposal for the project. If desired, a team of several artists may be put together.
(4) *Direct purchase of existing artwork.* A completed work of art is purchased.

(b) Upon approval of the art review team (ART) commission's recommendation by the city council, the city shall contract with the artist for services or for the purchase and installation of a specific artwork. In general, art in public places project contracts shall require the artist to produce, deliver, and install a work of art for a guaranteed maximum cost and by a predetermined time. Depending on the nature of the project, performance by the artist may be contractually ensured through phased payment for work completed and/or professional liability coverage. The coordinator shall work with the artist to determine the appropriate budget for each project to ensure that all necessary costs are met. Council approval of the budget for an art in public places project is a prerequisite for the project's final approval. In addition, the artist may be asked to make a public presentation at an appropriate time and in an appropriate forum in the community, possibly where the work is to be sited.

(c)

In the case of an artist who has contracted with the city to produce a specific work of art, approval of the design prior to the signing of that contract shall be considered sufficient. If, however, the design changes substantially from that which was initially approved, the artist must return to the art review team (ART) commission for subsequent review. Any design changes approved by the art review team (ART) commission must be presented to the city manager or his designee for approval.

(d) In the case of a design team approach, it shall be the primary responsibility of the artist and the project consultant to collaborate on the design of the artwork and its relationship with the site. They shall be required to bring the design, in its formative stages, back to the art review team (ART) commission for review. The stage at which final approval of the design occurs will vary from project to project, as specifically stated in the artist's contractual agreement with the city.

(e) All project consultants expressing interest in an eligible construction or renovation project shall be advised of the art in public places program requirements and guidelines. The selected consultant and appropriate city representatives shall work closely with the coordinator in the development of the artwork project and with the art review team (ART) commission in selection of the artist/artwork. The project consultant shall incorporate the requirements of the work of art into the construction documents, including time of delivery and installation.

(f) On-site activity in connection with installation of artwork shall be handled by the artist, coordinator, and appropriate city representatives within the departments having jurisdiction over the site and/or construction.

(g) The coordinator shall function as a liaison between the artist and the various city departments involved in the completion of each artwork project. In instances where construction matters cannot be resolved between the artist and the consultant, the city shall have final authority.

(h) The coordinator shall establish and maintain appropriate records of each project, which shall include the contract with the artist, records of the art commission and council's actions, interdepartmental agreements, all billings made in connection with the project and all related correspondence. In addition, the coordinator shall maintain records particular to the project to ensure adequate standards of documentation, registration, care, and installation of the artwork.

(Ord. No. 06-17, § 1(23-40), 6-5-2006)

Sec. 36-134. - Maintenance, insurance and repair of public art.

(a) The art review team (ART) commission shall make an annual review of the city's art in public places collection for the purposes of a maintenance needs assessment. The art review team (ART) commission shall communicate those needs and the appropriate actions to the coordinator.

(b) The works of art acquired through the art in public places program become the property of the city and are held in trust by the city. Therefore, the expenses associated with the routine maintenance and operation of each artwork shall be incurred by the city. Routine maintenance shall be understood to include such things as the periodic cleaning and the operational costs of a work. Any substantive repair of the work, such as structural repair, or major maintenance, shall be considered to be an expense of the related art in public places fund.

(c) So far as is practical, in the event repair of the artwork is required, the city shall give the artist the opportunity to do that work for a reasonable fee. Disputes concerning what constitutes a reasonable fee shall be settled by a panel of three visual art professionals with knowledge of curatorial concerns, to be appointed by the art review team (ART) commission. If the artist declines to perform the needed repairs for such a fee, the city may solicit proposals from qualified conservators.

(Ord. No. 06-17, § 1(23-41), 6-5-2006)

Sec. 36-135. - Eligible costs for art in public places funds.

(a)

All art in public places contracts shall require the artist to design, produce, deliver and install a work of art for a guaranteed maximum cost. This cost may include the cost of the work itself and any associated costs which may be required by the city or inherently related to the implementation of the project. Therefore, the following costs are eligible expenditures for the monies included in the total project commission:

(1) The work of art itself including, but not limited to:
   a. The artist's design fee;
   b. Additional labor, materials and contracted services required for the production and installation of the work;
   c. Transportation of the work to the site; and
   d. Installation of the work.

(2) Identification plaques and labels.

(3) Frames, mats, mountings, anchorages, containments, pedestals, or materials necessary for the installation, location or security of the work of art.

(4) Photographs or slides of the completed work for the purposes of routine documentation of the project.

(5) Permits or fees necessary for the installation of the work of art.

(6) Legal costs incurred by the city, directly related to the project.

(7) Associated administrative costs incurred by the city.

(8) Other types of expenses specifically provided for in the contract and approved by the council.

(b) In addition to the actual costs associated with an art in public places project, the monies are to be used for the selection, acquisition, and substantive maintenance of the work of art commissioned or purchased through the art in public places program. Therefore, the following items are eligible expenditures of the monies:

(1) The project specific costs of the art in public places program associated with the selection and acquisition of the artwork.

(2) Substantive structural repair and maintenance of the works of art commissioned through the art in public places program.

(Ord. No. 06-17, § 1(23-42), 6-5-2006)

Sec. 36-136. - Ineligible costs for art in public places funds.

The following are ineligible costs for art in public places funding:

(1) Services or utilities needed to routinely operate or maintain the artwork.

(2) Modifications in or improvements to building surfaces or structural elements of the building.

(Ord. No. 06-17, § 1(23-43), 6-5-2006)

Sec. 36-137. - Relocation and removal of art.

(a) The following policy has been included to provide a consistent method for determining if a work has remained relevant and/or useful in the context of its original purpose. It also provides a mechanism for the proper removal of a work of art that has deteriorated or has been damaged beyond repair. In this document, the term "removal" means permanent removal of a work of art, and relocation means reinstallation of a work of art at a new site. Works of art may be considered for removal only after five years have passed from the date of the acquisition, unless the installation site has been substantially altered, or the work has deteriorated or been damaged, or the council otherwise determines that circumstances warrant the need for removal or relocation.

(b) Requests for removal or relocation shall be acted on through the following process:

(1) Requests for removal or relocation may be city or externally initiated (i.e., by a recognized civic group with evidence of community support). These requests must be submitted through the coordinator.

(2) The coordinator shall review the request and forward it to the art review team (ART) commission. The art review team (ART) commission will evaluate the request and make a formal recommendation to the council. In evaluating a relocation or removal request, the art review team (ART) commission shall apply the following criteria:

a. Visual record of alteration, damage to, or deterioration of the site or work of art;

b. Cost estimates for repair, relocation or disposal; and

c. A new site plan for relocation.

(3) The city council will ultimately determine if an art in public places piece should be relocated.

(4) The city council will not generally consider removing an art in public places piece before five years unless there are extenuating circumstances involved.

(Ord. No. 06-17, § 1(23-44), 6-5-2006)

Secs. 36-138—36-157. - Reserved.

Art in Public Places Master Plan Outline

Submitted by the Arts Committee

Purpose of the Public Art Master Plan

It is the intention of the City of Rockwall to contribute to the cultural and artistic nature of this area by establishing a Public Art Program which will:

- Foster development of cultural awareness and enrich the public environment for both residents and visitors through the visual arts;
- Celebrate the cultural, topographic and historical aspects of the area as well as the quality of life, lifestyle and diverse character of our community;
- Integrate the work and thinking of artists into planning, design and construction of public buildings and spaces;
- Mitigate adverse impacts of construction;
- Contribute a sense of ownership and civic pride in public facilities and spaces to citizens;
- Support, educate and assist citizens with their community activities in which public art plays a part; and
- Support a variety of artistic expressions and the visual arts.

In an effort to accomplish the goals of the Public Art Program, The Council-appointed Arts Committee has developed a Master Plan to establish a process for the selection, purchase, commission, placement, funding, maintenance and insurance of works of art on City-owned or City-controlled property.

I. Definitions

A. Art Assessment Fee – Fees determined by City Council and placed on construction projects to help fund the Art in Public Places Program.

B. Artist - A practitioner in the visual arts generally recognized by critics and peers as a professional possessing serious intent and ability.

C. Art Review Tear (ART) Commission – The commission responsible for the review and approval of public art applications and/or projects according to the process outlined in this Master Plan.

D. Art Commission - Five (5) members, appointed by the City Council, to conduct an analysis of the concept of the Art in Public Places Program and develop a Comprehensive Master Plan.

E. Construction Project – Any capital project paid for wholly, or in part, by the City of Rockwall to construct or remodel any building, park or parking facility.

F. Coordinator – The staff person appointed by the City of Rockwall to coordinate and facilitate the implementation of the Art in Public Places Ordinance and its Master Plan as adopted by the City Council.

G. Eligible Project – A construction or remodeling project, as defined above, for which the source of funds is not restricted by law or regulation as to its use for artworks.

H. Project Consultant – Individual working for the artist, the City or the construction company.

I. Visual Arts Professional – An artist, arts educator, art critic, arts administrator, arts dealer, designer, art historian, curator, fine art collector, architect, urban planner or landscape architect who is well respected in his/her field, knowledgeable with regards to multiple disciplines and styles of visual art and willing to participate effectively in a review process without conflict of interest.

J. Work of Art – Tangible creations by artists exhibiting the highest quality of skill and aesthetic principles, including, but not limited to: paintings, sculptures, stained glass, engravings, mosaics, carvings, etchings, frescoes, mobiles, murals, collages, tapestries, memorials, environmental, photographs, drawings, monuments, fountains, or utilitarian/functional works.

II. Appropriate Forms of Public Art

A. Works of art that reflect the purposes of the Art in Public Places Program, always aiming to achieve the highest aesthetic quality.

B. Works of art that give due consideration to the proposed design in terms of scale, form, content and design with respect to its immediate and general, social and physical environment.

C. Works of art that give due consideration to materials and construction for questions of durability, maintenance, public access, appropriateness, safety and security.

D. Works of art that seek to reflect enduring artistic concept, not transitory ones.

Items not to be considered as works of art:

1. Art objects which are mass produced from a standard design.

2. Reproductions of original art works.

3. Decorative, ornamental or functional elements, including signage, which are designed by the building architect as opposed to an artist commissioned for the purpose of creating the art work.

4. Landscape architecture and landscape gardening expect where these elements are designed or approved by the artist and are an integral part of the work of art.

III. Appropriation, Allocation and Management of Funds

Potential sources of funding to be considered:

1. Hotel/Motel Tax;
2. City budgeted funds;
3. Individual donations;
4. Receiving grant monies;
5. Sale of tiles or plaques for recognition purposes; and
6. Working in conjunction with our Tree Preservation Ordinance. Once the ordinance requirements are met, monies otherwise spent on tree replacement could be re-directed to the Public Art Fund.

Recognition for sizable donations could be given by placing plaques in conjunction with the artwork.

Management of the Art in Public Places Fund will be administered by the City Manager or his/her designee.

IV. Composition of Art Review Team (ART)

A. The ART Commission shall consist of five (5) members, appointed by the City Council. The Team Members will include two (2) visual arts professionals, two (2) members of the business community who will be representative of the environmental design fields (architecture, landscape architecture, urban planning/design), and one (1) resident of the community. Selection of the team will reflect ethnic, artistic, economic and demographic diversity of the community. All Team Members must possess knowledge of, or have an interest in contemporary, visual art, artistic principles and art media. A Board Member of the Rockwall Alliance for the Arts and the Director of Parks and Recreation (or his designee) will serve as ex-officio (non-voting) members. Of the two ex-officio members, only one may be from the Rockwall Alliance of the Arts.

1. Creation and Organization

There is hereby created a commission knows as the ART Commission. The rules shall be organized as follows:

a. The ART Commission shall consist of five (5) regular members appointed by a majority of the City Council.

b. In the case of a vacancy of the Commission, the City Council, by a majority vote, may appoint a replacement member to the Commission. Any person appointed shall serve until the expiration of the term of office of the vacated position.

c. Each member of the Commission shall be a resident citizen and qualified voter of the City of Rockwall, Texas.

d. Upon the initial appoint of the Commission by the City Council, members shall draw lots for three (3) two-year terms and two (2) one-year terms of service. Therefore, the term of office of members of the Commission shall be for two (2) years. Members may be removed before their terms of office expire as provided herein.

e. Members shall serve without compensation.

f. Council may remove a member for cause on a written charge. Before a decision regarding a removal is made, the Council must hold a public hearing on the matter if requested by the Commission member subject to the removal action.

2. Meetings

The Commission shall hold meetings on the call of the Chairman, or at such other times as the Board may determine. All meetings shall be open to the public.

3. Quorum

All cases to be heard by the Commission must be heard by at least four (4) members.

4. Chairman and Vice-Chairman

A Chairman and a Vice-Chairman shall be elected by the members of the Commission at the first meeting following the annual appointment of the new members.

5. Records

The Commission shall keep minutes of its proceedings, showing the vote of each member upon each question, or, if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the Commission and shall be a blic record.

6. Vote

The concurring vote of four (4) members of the Commission shall be necessary for the approval of any application. Only the members of the Commission present shall have voting privileges.

7. Rules and Regulations

The Commission shall adopt rules in accordance with this article.

V. Application Process and Eligibility Requirements

A. When the idea for placing a work of art originates from a source other than the City, the idea should be submitted in a "Letter of Intent" to the City for consideration.

B. The City will provide the following to all applicants for the Art in Public Places Program:

1. Copy of the Art in Public Places Master Plan; and

2. Application Form, which will request a minimum of the following:

   a. Artist's name and resume;
   b. Photos, slides, renderings, scaled models or other illustrations of work;
   c. Requested location;
   d. Processing fee - $150.00;
   e. Size and material specifications;
   f. Scope and schedule of work;
   g. Lightning specs (if applicable);
   h. Estimated cost; and
   i. Any additional information deemed necessary.

VI. Education and Public Relations

In order to foster community awareness of the Art in Public Places Master Plan, appreciation of the visual arts, its potential for the enhancement of the public environment and to maximize its positive effect on the community, applications must include educational information as to the nature of the project. Information included, but not limited to, the following:

1. The artistic intention or goal of the project;
2. The artist's statement;
3. The artist's background information;
4. Information on the artistic discipline, style, medium, technique and creative process, including their relative historical information; and
5. Any other informative document relative to the educational aspect of the project.

The ART Commission, or their designee(s), will use the information provided to create a presentation to be used for educational and public relations purposes in, but not limited to, the following ways:

1. Press releases to all applicable news sources;
2. Presentations to local civic organizations and area schools;
3. Fund Raising efforts for the Art in Public Places Fund;
4. Grant applications for the Art in Public Places Master Plan or its proposed projects; and
5. Public forum.

The ART Commission should make a diligent and timely effort in completion of the Art Project Presentation and will be responsible for its use including:

1. Acquiring suitable speakers to make presentations;
2. Scheduling presentations; and
3. Providing a copy of the information to outside sources wishing to use it to promote and further the Art in Public Places Master Plan.

VII. Development of an Art in Public Places Project

A. The ART Commission, on an ongoing basis, will actively explore potential sites for Art in Public Places Projects. In this, the Commission shall seek the input of various City Departments, as well as the community at large, to identify both future planned and existing sites. Upon development of an art project, information will be disseminated, as appropriate, through various mediums well in advance of the selection process to provide adequate time for applicants to prepare submissions. The Coordinator will promote communication between the artist, ART Commission, City Departments and any contractor or consultant involved with the project.

B. Art in Public Places Projects may originate from a number of sources:

1. City Initiated – City initiated projects shall be given due consideration and the $150 application fee shall be waived. All other requirements of the application process shall apply.

2. New Construction – For sites under development, it is preferable to involve the designated artist in the earliest phases of the design process to ensure a totally integrated solution. Therefore, the Project Coordinator will be informed of any and all considerations of this process. The City Department responsible for an eligible construction project shall subsequently keep the Project Coordinator apprised of the selection of the Construction Consultant. Additionally, provisions of the artwork project shall be appropriately included in the design process of the construction project.

3. Externally Initiated – Individuals, businesses and/or organizations wishing to submit a proposal for a project.

C. Once a project is identified, the ART Commission, in conjunction with the Coordinator, shall make recommendations to the City Council regarding the details of the project. This proposal can provide for:

1. Open Entry Competition – Any artist is eligible to enter. The site proposal will be appropriately advertised. Artists may be asked to submit slides of their past work, resumes and letters of intent related to the specific project or specific proposals for the project under review.

2. Limited Entry Competition – The ART Commission invites a limited number of artists to participate in the selection process. The artists selected may be asked to submit slides of past work or proposals based on the proposed project. The names of the artists invited to participate shall be publicly announced upon receipt of written acceptance of the invitation.

3. Direct Selection of the Artist – An artist is invited to participate in the project and may be asked to develop a proposal for the project. If desired, a team of several artists may be put together.

4. Direct Purchase of an Existing Artwork – A completed work of art is purchased.

VIII. Approval Process

The City will provide the ART Commission with the required data for analysis and recommendations. The ART Commission will evaluate the project based on the following criteria:

A. Health, Safety and the Public Welfare.

B. Appropriateness to the Site:

1. Size and scale;
2. Color scheme;
3. Theme; and
4. Materials.

C. Size relative to the site and surroundings.

D. Potential Longevity:

1. Resistance to elements; and
2. Theme.

E. Maintenance Requirements.

F. Aesthetic Value.

After their review and approval, the ART Commission will then forward the application and its recommendations to the City Council for review. If appropriate, the City Council will hold a public hearing to assess public opinion of a proposal, deny the request, or approve the application. The Council may give direction to and ask the ART Commission to continue to work with the applicant and/or project.

In the event the ART Commission determines a project is not suitable, the applicant may appeal their decision to the City Council. The appeal must be made through the Coordinator and placed on the City Council agenda.

IX. Project Implementation and Coordination

A. Upon approval of the ART Commission's recommendation by the City Council, the City of Rockwall shall contract with the artist(s) for services or for the purchase and installation of a specific artwork. In general, Art in Public Places Project contracts shall require the artist(s) to produce, deliver, and install a work of art for a guaranteed maximum cost and by a predetermined time, which is in keeping with the construction project schedule. Depending on the nature of the project, performance by the artist may be contractually ensured through phased payment for work completed and/or professional liability coverage. The Coordinator shall work with the artist to determine the appropriate budget for each project to ensure that all necessary costs are met. Council approval of the budget for an Art in Public Places Project is a prerequisite for the project's final approval. In addition, the artist may be asked to make a public presentation at an appropriate time and in an appropriate forum in the community where the work is to be sited.

B. In the case of an artist who has contracted with the City of Rockwall to produce a specific work of art, approval of the design prior to the signing of that contract shall be considered sufficient. If, however, the design changes substantially from that which was initially approved, the artist must return to the ART Commission for subsequent review. Any design changes approved by the ART Commission must be presented to the City Manager or his/her designee for approval.

C. In the case of a design team approach, it shall be the primary responsibility of the artist and the project consultant to collaborate on the design of the artwork and its relationship with the site. They shall be required to bring the design, in its formative stages, back to the ART Commission for review. The stage at which final approval of the design occurs will vary from project to project, as specifically stated in the artist's contractual agreement with the City of Rockwall.

D. All project consultants expressing interest in an eligible construction or renovation project shall be advised of the Art in Public Places Program requirements and guidelines. The consultant selected and appropriate City representatives shall work closely with the Coordinator in the development of the artwork project and with the ART Commission in selection of the artist/artwork. The consultant shall incorporate the requirements of the work of art into the construction documents, including time of delivery and installation.

E. On site activity in connection with installation of artwork shall be handled by the artist, Coordinator, and appropriate City representatives within the departments having jurisdiction over the site and/or construction.

F. The Coordinator shall function as a liaison between the artist and the various City Departments involved in the completion of each artwork project. In instances where construction matters cannot be resolved between the artist and the consultant, the City of Rockwall shall have final authority.

G. The Coordinator shall establish and maintain appropriate records of each project, which shall include the contract with the artist, records of the Art Commission and Council's actions, interdepartmental agreements, all billings made in connection with the project and all related correspondence. In addition, the Coordinator shall maintain records particular to the project to ensure adequate standards of documentation, registration, care, and installation of the artwork.

Maintenance, Insurance and Repair of Public Art

A. The ART Commission shall make an annual review of the City's Public Art Collection for the purposes of a maintenance needs assessment. The ART Commission shall communicate those needs and the appropriate actions to the Coordinator.

B. The works of art acquired through the Art in Public Places Program become the property of the City of Rockwall and are held in trust by the City of Rockwall. Therefore, the expenses associated with the routine maintenance and operation of each artwork shall be incurred by the City of Rockwall. Routine maintenance shall be understood to include such things as the periodic cleaning and the operational costs of a work. Any substantive repair of the work, such as structural repair, shall be considered to be an expense of the related Art in Public Places Fund. Additionally,

the City shall not move any work of art from the site for which it was selected, nor remove it from display, without the prior written consent of the ART Commission and in conformance with legal restrictions regarding the source of funds for that work of art.

C. So far as is practical, in the event repair of the artwork is required, the City shall give the artist the opportunity to do that work for a reasonable fee. Disputes concerning what constitutes a reasonable fee shall be settled by a panel of three (3) visual art professionals with knowledge of curatorial concerns, to be appointed by the ART Commission. If the artist declines to perform the needed repairs for such a fee, the City may solicit bids from qualified conservators and award a contract to the conservator presenting the lowest and most responsible bid, if the fee is in excess of Five Thousand Dollars ($5,000.00).

XI. Eligible Costs for Art in Public Places Funds

A. All Art in Public Places contracts shall require the artist to design, produce, deliver and install a work of art for a guaranteed maximum cost. This cost may include the cost of the work itself and any associated costs which may be required by the City of Rockwall or inherently related to the implementation of the project. Therefore, the following costs are eligible expenditures for the monies included in the total project commission:

1. The work of art itself including, but not limited to:

    a. Artist's design fee;
    b. Additional labor, materials and contracted services required for the production and installation of the work;
    c. Transportation of the work to the site; and
    d. Installation of the work.

2. Identification plaques and labels.

3. Frames, mats, mountings, anchorages, containments, pedestals, or materials necessary for the installation, location or security of the work of art.

4. Photographs or slides of the completed work for the purposes of routine documentation of the project.

5. Permits or fees necessary for the installation of the work of art.

6. Legal costs incurred by the City, directly related to the project.

7. Associated administrative costs incurred by the City.

8. Other types of expenses specifically provided for in the contract and approved by the Council.

B. In addition to the actual costs associated with an Art in Public Places Project, the monies are to be used for the selection, acquisition, and maintenance of the work of art commissioned or purchased through the Art in Public Places Program. Therefore, the following items are eligible expenditures of the monies:

1. The project specific costs of the Art in Public Places Program associated with the selection and acquisition of the artwork.

2. Substantive structural repair and maintenance of the works of art commissioned through the Art in Public Places Program.

XII. Ineligible Costs for art in Public Places Funds

A. Directional elements such as signage, except where these elements are integral parts of the original works of art.

B. Art objects which are mass-produced of standard design such as playground equipment or fountains.

C. Decorative, ornamental, or functional elements which are designed by the building consultant, as opposed to an artist commissioned for the purpose.

D. Landscape architecture and landscape gardening except where these elements are designed by the artist and recognized by the ART Commission as an integral part of the work of art.

E. Services or utilities needed to routinely operate or maintain the artwork over time.

F. Modifications in or improvements to building surfaces or structural elements of the building.

XIII. Relocation and Removal of Art

A. Adjunct to the acquisition of works of art is the deaccession and relocation of such works. The following policy has been included to provide a consistent method for determining if a work has remained relevant and/or useful in the context of its original purpose. It also provides a mechanism for the proper removal of a work of art that has deteriorated or has been damaged beyond repair. In this document, deaccession means permanent removal of a work of art, and relocation means reinstallation of a work of art at a new site. Works of art may be considered for deaccession only after five (5) years have passed from the date of the acquisition, unless the installation site has been substantially altered, or the work has deteriorated or been damaged.

B. Requests for deaccession or relocation shall be acted on through the following process:

1. Requests for deaccession or relocation may be City or externally initiated (i.e. – by a recognized civic group with evidence of community support). These requests must be submitted through the Coordinator.

2. The Coordinator shall review the request and forward it to the ART Commission. The ART Commission will evaluate the request and make a formal recommendation to the Council. In evaluating a relocation or deaccession request, the ART Commission shall apply the following criteria:

   A. Visual record of alteration, damage to, or deterioration of the site or work of art;
   B. Cost estimates for repair, relocation or disposal; and
   C. A new site plan for relocation.

MEMORANDUM

TO: **Mayor and City Council**

FROM: **Rick Crowley, City Manager**

DATE: **October 30, 2015**

SUBJECT: **Emergency Services Corporation Status Report**

Mayor Pruitt and Mayor Pro Tem Lewis serve as the City's representatives to the Rockwall County Emergency Services Board. This item has been placed on the agenda so that the Council can be briefed on information provided to the Board at its meeting this week. The presentation provided to the Board will be scanned and provided to you under separate cover by email.

Re: Structure Fire
Date: September 28, 2015

790 Barrymore

We responded to a report of a structure fire on Friday night September 25, 2015 at 790 Barrymore. Large flames could be seen by all incoming units while enroute to the location. The first unit on arrived on scene and confirmed a one story house with heavy flames showing from the roof. The home was determined to be under construction and unoccupied. The decision was made to make a defensive attack and all firefighters were kept from entering the structure and the fire was controlled from the exterior. Precautions were also taken to make sure that no surrounding structures were affected by this fire. The initial home was a total loss and no other structures were damaged.

Dispatch Time: 23:26.04
Enroute Time: 23:27.04
On Scene Time: 23:31.05
Clear Time: 01:30.59

4 Men on Scene 23:34.12
8 Men on Scene 23:36.21
12 Men on Scene 23:39.17

Total personnel on scene: 2 Chiefs, 5 on duty personnel, 1 full time off duty, 13 Volunteers, 2 Fire Investigators.

114

506 N. Goliad

We responded to a smoke investigation on September 09, 2015. The First engine and Chief Poindexter arrived on scene and observed smoke coming from the roof of the structure. Upon entry into the structure the fire was located upstairs in a room used as an office area. The fire extended partially into a second room upstairs and partially into the attic. The fire was extinguished and there was significant damage as a result of fire, smoke and water. There were no injuries to fire or civilian personnel.

Dispatch Time: 10:28
Enroute Time: 10:28
On Scene Time: 10:31
Clear Time: 11:55
4 men on scene 10:36
12 men on scene 10:39

Total personnel on scene: 5 on duty shift personnel, 3 off duty shift personnel, 6 volunteers, 3 fire marshal staff and 1 chief for a total of 18 personnel on scene.

2065 Kristy Lane

We responded to a report of a commercial fire at unknown address on Kristy Lane. Units were notified Enroute that the address was 2065 Kristy Lane. The first unit on scene arrived and reported heavy smoke showing from the front of the building. Upon entry into the building it was determined that the fire was contained was contained within a large oven inside of the building. The fire was extinguished and no damage was done to the structure of the building. There were no injuries to fire or civilian personnel.

Dispatch Time: 06:56
Enroute Time: 06:57
On Scene Time: 07:01
Clear Time 08:08

4 Men on Scene 07:03
8 Men on Scene 07:05

Total personnel on scene: 4 on duty shift personnel, 4 off duty shift personnel, 11 volunteers, 2 fire investigators and 2 Chiefs for a total of 23 personnel.

Total:	152	185	265	330	376	331	325	353	319		

Key Projects:

(1) ***New Internet Maps.*** Continue development of new suite of internet maps. (100%)

(2) ***911 Addressing.*** Assigned addresses to new homes, businesses, and utilities. Updated state database.

(3) ***GPS Projects.*** New GPS projects locating all Screening Walls, Utility updates, Air Release Valves, and Grease Traps.

(4) ***Lidar Data.*** Utilized new Lidar 3D data for airport and other engineering projects. Developed Slope Maps, Digital Elevation Models, Hillshades, TIN and Contours.

(5) ***GIS Infrastructure.*** Met with consultants to discuss City's current GIS software and hardware capabilities and discussed future GIS Health Check reports.

Year to Date Project Request by Department:

Admin / HR / Internal Ops	1
Building Inspections	1
Citizen Request	1
City Council	1
City Manager's Office	2
Neighborhood Improvement Services	1
Engineering / Public Works	6
Finance / Utilities	0
Fire Department	1
GIS (Citywide Projects)	11
IT	0
Main Street Program	2
Outside Agencies	1
Parks and Recreation	8
Planning	9
Police Department	0
REDC	5
Total	50

(6) ***NCTCOG Next Generation 911.*** Rockwall GIS 911 data is now connected to NCTCOG NG911 mapping system. Police Dispatch system migration still in progress.

(7) ***Missing Tax Lots.*** Checked all city parcels to ensure property taxes were being collected as 'Inside City'. Identified 4 missing tracts (19ac) equating to approx. $5138 / yr. Notified RCAD.

(8) ***REDC Marketing Maps and Brochure.*** Created various rail, industrial site, and retail marketing planning maps for REDC use.

(9) ***Event Maps.*** Created various event maps for Main Street program, Police Dept, Parks, and Impact.

(10) ***Downtown Directory Signage.*** Began new project for citizen directory kiosk signage in downtown.

Table of Contents

Agenda 5

Hold a work session with Gene Babb regarding potential development of property located on La Jolla Pointe Drive west of Ridge Road, and take any action necessary.

- Memo (Babb) 10
- Blank Page 11

Hold work session to discuss and consider the results of a Public Input Survey distributed to residents adjacent to South Lakeshore Drive / Summit Ridge Drive in connection with a future roadway reconstruction project, and take any action necessary.

- City Manager Memo 12
- Survey Results 13
- Blank Page 21

Hold work session to discuss and consider additional sidewalk improvements in the downtown area, specifically those located in the walkway/store front area along Goliad Street between Washington and Rusk Streets, and take any action necessary.

- Memo (downtown sidewalks) 22
- Blank Page 23

Hold work session to discuss The Harbor's Tax Increment Financing District (TIF), and take any action necessary.

- Memo (TIF) 24
- Blank Page 25

Discussion regarding ballot voting associated with appointments to the Rockwall Central Appraisal District Board pursuant to Section 551.074 (personnel matters)

- (Amended) Ballot and Instructions 26
- Resolution to cast ballot 28
- Blank Page 30

American Diabetes Month

- Proclamation 31
- Blank Page 32

Consider approval of the minutes from the November 2, 2015 regular city council meeting, and take any action necessary.

- 11/02 cc mtg mins 33
- Blank Page 39

Consider granting a 15 foot electric easement across the City of Rockwall Eastside Pump Station property to Farmers Electric Cooperative, and take any action necessary.

- City Manager Memo 40
- Easement Document 41
- Blank Page 44

Consider authorizing the City Manager to execute a Facilities Agreement with Master Developer – SNB, LLC to reconstruct 666 linear feet of existing sanitary sewer line within the first phase of The Preserve development in an amount not to exceed $65,245.10 to be funded from 2008 Revenue Bonds, and take any action necessary.

City Manager Memo . . . 45
Facilities Agreement . . . 46
Sanitary Sewer Map . . . 50
Blank Page . . . 51

Consider awarding a bid to MHC Kenworth and authorizing the City Manager to execute a Purchase Order for two new 12 yard dump trucks in the amount of $218,214 to be funded out of the General Fund Reserves and Water Sewer Fund, and take any action necessary.

Memo . . . 52
Blank Page . . . 53

Consider awarding a bid to Silsbee Ford and authorizing the City Manager to execute a Purchase Order for a new service trucks in the amount of $474,669 to be funded out of the General and Water Sewer Funds, and take any action necessary.

Memo . . . 54
Spreadsheet . . . 55
Blank Page . . . 56

Consider awarding a bid to Holt CAT and authorizing the City Manager to execute a Purchase Order for a new Steel Wheel Roller in the amount of $41,690 to be funded out of the General Fund Streets Operations Budget, and take any action necessary.

Memo . . . 57
Blank Page . . . 58

Consider awarding a bid to Freedom CDJ (Dodge) and authorizing the City Manager to execute a Purchase Order for three (3) new Police Patrol Dodge Chargers in the amount of $79,020 to be funded out of the General Fund Police Patrol Budget, and take any action necessary.

memo . . . 59
Blank Page . . . 60

Consider awarding a bid to Government Sales Freedom Auto Group and authorizing the City Manager to execute a purchase order for a Dodge Charger (including safety equipment) in the amount of $21,500 to be used by Citizens on Patrol and to be funded from the Police Department seized asset account, and take any action necessary.

Vehicle Memo . . . 61
Blank Page . . . 62

Consider awarding a bid to Caldwell Country Chevrolet and authorizing the City Manager to execute a purchase order for a Chevy Suburban including safety equipment in the amount of $41,500 to be used by the Community Service Unit and to be funded from the Police Department seized asset account, and take any action necessary.

Vechicle memo . . . 63
Blank Page . . . 64

Consider authorizing the City Manager to execute a Facility Agreement with Dewayne Cain of Cain Cemetery Corporation to allow for the delay of the required fire protection requirements for buildings on a 40.57-acre tract of land identified as a portion of Tracts 11 & 12 and all of Tracts 1, 2-1 & 11-1 of the W. M. Dalton Survey, Abstract No. 72, City of Rockwall, Rockwall County, Texas, addressed as 2500 SH-66, and take any action necessary.

Memorandum . . . 65
Blank Page . . . 76

Consider approval of a resolution expressing support for and reinforcing the importance of the North Texas Municipal Water District's Lower Bois d'Arc Creek Reservoir (LBCR) project, including its timeliness as it pertains to the critical mission of delivering water to the region by the year 2020, and take any action necessary.

Memo (LBCR NTMWD) . . . 77
Resolution . . . 78

X. CONSENT AGENDA

p.33 **1.** Consider approval of the minutes from the November 2, 2015 regular city council meeting, and take any action necessary.

p.40 **2.** Consider granting a 15 foot electric easement across the City of Rockwall Eastside Pump Station property to Farmers Electric Cooperative, and take any action necessary.

p.45 **3.** Consider authorizing the City Manager to execute a Facilities Agreement with Master Developer – SNB, LLC to reconstruct 666 linear feet of existing sanitary sewer line within the first phase of The Preserve development in an amount not to exceed $65,245.10 to be funded from 2008 Revenue Bonds, and take any action necessary.

p.52 **4.** Consider awarding a bid to MHC Kenworth and authorizing the City Manager to execute a Purchase Order for two new 12 yard dump trucks in the amount of $218,214 to be funded out of the General Fund Reserves and Water Sewer Fund, and take any action necessary.

p.54 **5.** Consider awarding a bid to Silsbee Ford and authorizing the City Manager to execute a Purchase Order for a new service trucks in the amount of $474,669 to be funded out of the General and Water Sewer Funds, and take any action necessary.

p.57 **6.** Consider awarding a bid to Holt CAT and authorizing the City Manager to execute a Purchase Order for a new Steel Wheel Roller in the amount of $41,690 to be funded out of the General Fund Streets Operations Budget, and take any action necessary.

p.59 **7.** Consider awarding a bid to Freedom CDJ (Dodge) and authorizing the City Manager to execute a Purchase Order for three (3) new Police Patrol Dodge Chargers in the amount of $79,020 to be funded out of the General Fund Police Patrol Budget, and take any action necessary.

p.61 **8.** Consider awarding a bid to Government Sales Freedom Auto Group and authorizing the City Manager to execute a purchase order for a Dodge Charger (including safety equipment) in the amount of $21,500 to be used by Citizens on Patrol and to be funded from the Police Department seized asset account, and take any action necessary.

p.63 **9.** Consider awarding a bid to Caldwell Country Chevrolet and authorizing the City Manager to execute a purchase order for a Chevy Suburban including safety equipment in the amount of $41,500 to be used by the Community Service Unit and to be funded from the Police Department seized asset account, and take any action necessary.

p.65 **10.** Consider authorizing the City Manager to execute a Facility Agreement with Dewayne Cain of Cain Cemetery Corporation to allow for the delay of the required fire protection requirements for buildings on a 40.57-acre tract of land identified as a portion of Tracts 11 & 12 and all of Tracts 1, 2-1 & 11-1 of the W. M. Dalton Survey, Abstract No. 72, City of Rockwall, Rockwall County, Texas, addressed as 2500 SH-66, and take any action necessary.

p.77 **11.** Consider approval of a resolution expressing support for and reinforcing the importance of the North Texas Municipal Water District's Lower Bois d'Arc Creek Reservoir (LBCR) project, including its timeliness as it pertains to the critical mission of delivering water to the region by the year 2020, and take any action necessary.

p.83 **12.** Consider authorizing the City Manager to execute an additional services agreement (contract amendment) with La Terra Studio, Inc. to provide for the design of the walkway/store front area along Goliad Street between Washington and Rusk Streets to match the design in the Downtown area in the amount of $50,500, and take any action necessary.

XI. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

XII. PUBLIC HEARING ITEMS

p.89 **1.** **MIS2015-009** - Hold a public hearing to discuss and consider the approval of a special request by Michael Hunter on behalf of the Rockwall Housing Development Corporation (RHDC) to allow the construction of two (2) single-family attached homes on a 0.27-acre parcel of land identified as Lot 984A of the Rockwall Lake Estates #2 Subdivision, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 75 (PD-75) for Single Family-7 (SF-7) District land uses, located at 112 Chris Street, and take any action necessary.

p.121 **2.** **Z2015-027** - Hold a public hearing to discuss and consider a request by Bobby Dale and Bretta Price for the approval of an **ordinance** for a zoning change from an Agricultural (AG) District to a Single Family Estate 2.0 (SFE-2.0) District for a 5.5-acre tract of land identified as Tract 17-7 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, addressed as 453 Cullins Road, and take any action necessary **[1st Reading].**

p.135 **3.** **Z2015-029** - Hold a public hearing to discuss and consider a City initiated zoning request for the approval of an **ordinance** for a text amendment to various sections of Article V, District Development Standards, Article VIII, Landscaping Standards, and Article IX, Tree Preservation, and to create Appendix F, Landscaping Guidelines, of the Unified Development Code [Ordinance No. 04-38] for the purpose of incorporating recommendations made by the Landscape Ordinance Review Committee, and take any action necessary **[1st Reading].**

XIII. ACTION ITEMS

p.189 **1.** Discuss and consider approval of a variance request from Spiars Engineering associated with the city's ordinance provisions related to standards for design of development within subdivisions, specifically pertaining to retaining walls in detention areas within Phase One of the Preserve, and take any action necessary.

p.195 **2.** Discuss and consider adoption of an **ordinance** authorizing the issuance of City of Rockwall, Texas, General Obligation Refunding Bond, Series 2015; establishing procedures and delegating authority for the sale and delivery of the bond; providing for the security for and payment of said bond; providing an effective date; enacting other provisions relating to the subject and take any action necessary.

p.219 **3.** Discuss and consider appointment to fill a vacancy on the Main Street Advisory Board, and take any action necessary.

XIV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding ballot voting associated with appointments to the Rockwall Central Appraisal District Board pursuant to Section 551.074 (personnel matters)

2. Discussion regarding legal advice associated with homeowners association (HOA) regulations within the city pursuant to Section 551.071 (Consultation with Attorney).

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, P.E., Director of Public Works/City Engineer**

DATE: **November 10, 2015**

SUBJECT: **Public Input Survey Results**
S. Lakeshore Dr./Summit Ridge Dr. Reconstruction Project

A Public Input Survey for the S. Lakeshore Dr./Summit Ridge Dr. Reconstruction Project was mailed on Tuesday October 13, 2015 to the property owners that front or side S. Lakeshore Dr./Summit Ridge Dr. from SH 66 to FM 740. Property owners had the option of mailing the survey back to the City Hall or taking an online version of the survey. The property owners where given two and half weeks to complete the survey and return by October 31, 2015.

The Engineering Department received a total of 33 responses of the 93 properties surveyed. This resulted in a 35% response rate. The results of each survey question are given in the attached below.

A Public Meeting to go over the survey results and to collect further public input is currently scheduled for December 9, 2015 from 7pm-9pm in the City Council Chambers.

Please let me know if you have any questions.

Note:
Survey Responses provided in COLOR

1. During a large rainfall event, how would you rate the current Drainage Facilities (i.e. Storm Drain Inlets, Flumes, etc.)?

   Poor (21.2%) Fair (15.2%) Good (42.4%) Excellent (18.2%)

   If not excellent, what improvements do you recommend?

   _____

2. How would you rate the driving experience as you travel along S. Lakeshore Drive and Summit Ridge Drive?

   Poor (33.3%) Fair (48.5%) Good (6.1%) Excellent (6.1%)

   Please rank the following improvements in order of preference that would provide the most improvement to your answer to Question 2. (1 – Most Important / 5 – Least Important)

   1 Implementation of Sidewalks
   2 Implementation of Traffic Calming Techniques (i.e. Speed Bumps, Narrower Lanes, Roundabouts, etc.)
   3 Implementation of On-Street Parking
   4 Implementation of Bike Lanes
   5 Driving Lane Width

3. How would you rate your experience as a pedestrian/cyclist traveling along S. Lakeshore Drive?

   Poor (39.4%) Fair (33.3%) Good (15.2%) Excellent (6.1%)

   Please rank the following improvements in order of preference that would provide the most improvement to your answer to Question 3. (1 – Most Important / 5 – Least Important)

   1 Implementation of Sidewalks
   2 Implementation of Traffic Calming Techniques (i.e. Speed Bumps, Narrower Lanes, Roundabouts, etc.)
   3 Implementation of Pedestrian Crosswalks
   4 Implementation of Bike Lanes
   5 Speed Limit

Note:
Survey Responses provided in COLOR

Question #1 Feedback:

During a large rainfall event, how would you rate the current Drainage Facilities (i.e. Storm Drain Inlets, Flumes, etc.)? What improvements do you recommend?

- Drainage from Forest Trace is inadequate
- Higher Curb
- I would need an Engineer to recommend improvements, so I am satisfied as is.
- More Storm Drain
- I'm at the top of Summit & Alamo – No problem w/ drainage
- Large amounts of rain are not too often. No storm drains along Summit Ridge
- Need to keep water off the roads
- Storm drains needed on Summit Ridge
- Larger drain openings
- Since most of the water comes from uphill from us, should be able to catch more before it reaches Lakeshore
- My home flooded this past April because there is inadequate run off during large rains. This is the second time. I had to spend significant dollars in repairs and now adding French drains, all because the city didn't plan properly and our neighbor's yards for three streets behind us drain down into ours.
- More storm drain
- More Storm Drains addressing the water rushing down the hilly part of the street, especially at the curve. It runs into my yard over the curb and washes out the landscaping.
- In some areas, street needs to be sloped so water runs to storm drain and doesn't pool.
- Eliminate low spots in pavement to prevent pooling in streets and gutters
- We desperately need additional storm drains on Lakeshore Dr and surrounding streets. In addition to our own drainage issues (our house has flooded twice since we purchased in May 2015), I am aware of many other homes with similar issues.
- Lakeshore Dr is impacted during heavy rains. A study would have to be done relative to the details and an appropriate engineered fix. In addition, there is a grade issue at Summit Ridge and Springcreek where there is always standing water.
- There seems to be a low spot about two block north. It looks like the houses have sandbags on their porch to keep the water out.

Note:
Survey Responses provided in COLOR

Question #7 Feedback:

Any other recommendations?

Traffic Calming Recommendations:

- Chicane
- Speed Bumps
- Stop Signs
- Speed Bumps
- Speed Bumps
- On-Street Bike Lanes - Possibly - If you can give it a residential look. Sidewalks - Watch the Pedestrians. That will tell who uses the street or lawns.
- Center Turn lanes or On Street Parking; or combination which alternates.
- Stop Sign on Summit Ridge & Spring Creek & speed bumps on Summit Ridge speed bumps
- Street Bumps
- Roundabouts, Speed Bumps
- More Stop Signs. Even people who speed, still seem to stop at the stop signs that are currently in place. Roundabouts with speed bumps. I would be happy with any measure possible to discourage cut through traffic.
- Slow traffic as much as possible around the curve and on the hill. Please lose control when its wet and slippery.
- Provide wider lanes in some areas where very narrow for walking and biking. Need lanes for above on Summit Ridge
- Maybe one more STOP sign along the street at some point. If pedestrian crossing is implemented, the corner of Lakeshore/Summit Ridge at the STOP sign would be a great place. If adding Add'l speed bumps, the area around Summit Ridge and Spring Creek would be a good place. Cars tend to be flying down that hill. Thanks!
- Narrow Lanes
- Speed Bumps
- Roundabouts, Speed Bumps
- Both, This had success in the early 90s when I was on the traffic task force for this issue.
- Roundabouts, hated speed humps but, gated access

Other Comments:

- Resurfacing the road is most urgent problem.
- Improvement of the overall quality of the road surface. In addition, enforcement of the speed limit by the local police department.

Note:
Survey Responses provided in COLOR

Question #8 Feedback:

Is there anything else you want the City to consider? Please provide comments below:

- Permanent speed radars showing your speed
- Crumbling Curbs - Mine at Mailbox (312) is in pieces and I fear a Delivery Person, Company, or Me may fall.
- Improve the East bound 66-205 intersection with an additional turn lane.
- If you maintain the existing speed limit - people unlawfully pass you. None resident traffic early AM and PM using street to avoid traffic pass thru.
- Creating another alternate route from I-30 to Hwy 66 would be very good. Resurfacing most important! Sidewalk and street parking would be a vast improvement! At night, hard to see because of inadequate street lights.
- Alternate route could be John King Blvd. Electronic Signs alert of accident ahead.
- Enforcement of existing speed limit
- Biggest Issue!! I-30 back-up west or east bound. Most people use to connect w/ 60 or I-30
- More Lighting would give appearance Summit Ridge is a thoroughfare and the same for Lake Shore. This route is not a boulevard. Unless you build it which would increase the residential traffic.
- That this is good start to improve these two residential streets. Less thru traffic would be very beneficial to less street/roadway damages conditions.
- How about routine maintenance? The road is in terrible shape. Lots of potholes
- A traffic reroute system when there is an accident on I-30. Or make LSD 4 lanes, Summit Ridge 3 (center lane), Forest Trace/Boydstun 3 and Lake Meadows 3 to ease congestion. Retime the Boydstun/Ridge traffic light during I30 accidents.
- Lawn workers blow leaves & lawn debris into street instead of bagging up which causes further problems with drainage. Ordinance to mandate lawn materials must be bagged up!
- Speed could be controlled by enforcement. In 20+ years at this address, I have observed police enforcement on this street once.
- Please resurface the entire roadway-repair holes, cracks, and crumbled pavement. Make sure the work is permanent and not just a temporary fix soon to wear out.
- Also when I30 traffic backs up, Summit Ridge becomes bumper to bumper traffic and people turn around in my circle drive and often drive into my yard, knocking over potted plants and breaking sprinkler heads.
- Sidewalks would be nice but probably too expensive and up driveways.
- Just please be mindful of all the beautiful trees so that they will not be destroyed with any "improvements". Add'l lighting near ally entrances might be a good idea.
- Would like to see drainage plans and hear what others think about drainage if the City is considering any improvements. I would like to know what the overall plan is for access to 66. South of 66 in the proposed area is all residential, no schools or retail like the North side of 66.

Note:
Survey Responses provided in COLOR

Question #8 Feedback Continued:

- I would be willing to share what was learned in 1993-1994 when we implemented traffic calming on Summit Ridge/Lakeshore. I was on the task force committee.
- Traffic is only going to get worse. Lakeshore has become a bypass.
- Fill Potholes
- More Police patrolling against DUI's, Speeders ignoring existing speed limit signs, tailgaters, folks passing on Summit Ridge Dr. when you are observing speed limits - even 18-wheeled trucks!

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Cole, Assistant to the City Manager / City Secretary**

DATE: **November 13, 2015**

SUBJECT: **Work Session item re: additional sidewalk improvements in the Downtown**

Staff will be discussing with Council consideration of additional work in Downtown for the walkway/store front areas along Goliad between Washington and Rusk Streets. A related Consent Agenda item has been placed on the 11/16 meeting agenda that will allow Council an opportunity to move forward with the design phase of these additions if Council so chooses. Mrs. Smith will be prepared to discuss funding options with the Council, and staff will be prepared to answer any questions the Council may have.

CITY OF ROCKWALL
RESOLUTION NO. 15-27

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, PROVIDING FOR THE CASTING OF VOTES AND SUBMISSION OF THE OFFICIAL VOTING BALLOT TO THE ROCKWALL CENTRAL APPRAISAL DISTRICT (CAD) FOR THE 2016-2017 APPRAISAL DISTRICT BOARD OF DIRECTORS; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Texas Property Code Sec. 6.03 (a) provides that a board of directors governs the central appraisal district (CAD); and

WHEREAS, state law requires board of director appointments to the Rockwall CAD Board every odd numbered year to take office in even numbered years; and

WHEREAS, the City of Rockwall, an eligible taxing unit, has participated in the appointment process by nominating up to five candidates for service consideration and submitting those names to the chief appraiser by October 15 through recent passage and submission of Resolution #15-27; and

WHEREAS, the chief appraiser then prepared a ballot of all nominees and mailed it to the City of Rockwall and other taxing units for voting by October 30; and

WHEREAS, the City of Rockwall's entitlement has been determined by dividing the total dollar amount of property taxes imposed in the district by the taxing unit for the preceding tax year by the sum of the total dollar amount of property taxes imposed in the district for that year by each taking unit entitled to vote, by multiplying the quotient by 1,000; and

WHEREAS, according to information provided to the City of Rockwall by the appraisal district, the City of Rockwall has 562 votes to cast for 2016-2017.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THAT:

Section 1. the Rockwall City Council, as a result of the Executive Session held at its regular city council meeting on the 16th day of November, 2015 hereby casts and submits its ballot to the Rockwall Central Appraisal District Board as specified in and attached hereto as "Exhibit A;"

Section 2. this Resolution shall become effective from and after its adoption and it is so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 16th DAY OF November, 2015.

Rockwall, Texas

Proclamation

Whereas, in the United States, nearly 30 million people – including 400,000 in North Texas – have diabetes, a serious disease with potentially life-threatening complications such as heart disease, stroke, blindness, kidney disease and amputation; and

Whereas, an additional 86 million people in the United States are at risk for developing type 2 diabetes; and

Whereas, recent estimates project that as many as one in three American adults will have diabetes by 2050 if current trends continue; and

Whereas, an increase in community awareness is necessary to put a stop to the diabetes epidemic; and

Whereas, this year's American Diabetes Month theme - "Eat Well, America" - will empower people to plan healthy, budget-friendly meals, cook with tools and techniques for success and plate and serve food that is nutritious and appealing by providing healthy tips and recipes.

Now, Therefore, I, Jim Pruitt, Mayor of the City of Rockwall, Texas, do hereby proclaim the month of November, 2015 as

AMERICAN DIABETES MONTH

in the City of Rockwall and encourage all citizens to consider participating in the Association's "Stop Diabetes" movement to confront, fight and, most importantly, change the future of this deadly disease.

In Witness Whereof, I hereunto set my hand and official seal this 16th day of November, 2015.

Jim Pruitt, Mayor

MINUTES
ROCKWALL CITY COUNCIL
Monday, November 02, 2015
4:00 p.m. Regular City Council Meeting
City Hall - 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pruitt called the public meeting to order at 4:00 p.m. Present were Mayor Jim Pruitt, Mayor Pro Tem Dennis Lewis and Council Members David White, Mike Townsend, and Kevin Fowler. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Brad Griggs and City Attorney Frank Garza. Council Members John Hohenshelt and Scott Milder were both absent from the meeting at this time.

II. WORK SESSION

1. Hold a work session to hear an update from the GIS Department concerning the release of the City's new suite of interactive maps, and take any action necessary.

Planning Director, Ryan Miller, introduced Lance Singleton and Lindsay Gnann of the GIS division of the Planning Department. Mr. Singleton and Ms. Gnann then came forth and briefed the city council on various maps and mapping capabilities available on the City of Rockwall's website. Indication was given that this new suite of internet mapping applications will be released on the city's website in the coming weeks. The Council took no action following the presentation.

2. Hold a work session to discuss and consider a resolution regarding the power of the city council to appoint and remove its board and commission member appointees, including those to the North Texas Municipal Water District Board (NTMWD), and take any action necessary.

City Manager Rick Crowley briefed the city council on this topic, indicating that member cities of the NTMWD are joining together in an effort to have the various member cities pass this resolution. This topic was recently raised at a meeting that the City of Plano hosted with ten of the thirteen member cities present. For the record, Mayor Pruitt clarified that there is no dissatisfaction on the part of the City of Rockwall with its two representatives who currently serve on the NTMWD board (Bill Lofland and Larry Parks). They do a great job, are good about keeping the city informed and have no problem taking direction from the Rockwall City Council. However, it should be a city's right to remove an appointee to this and other boards at its own discretion, and lately the NTMWD board has given some indication otherwise. Also, the NTMWD has given some indication that a change in its policies currently under consideration would make it almost impossible for member cities to place things on future agendas to be heard and discussed by its full board.

After brief clarification from City Attorney Frank Garza, Mayor Pro Tem Lewis made a motion to approve a resolution regarding the power of the City Council to appoint and remove its appointees to boards and commissions, including those to the NTMWD Board and excluding those appointed to the Board of Adjustments (BOA) per state law and excluding the Housing Authority. Councilmember White seconded the motion, which passed unanimously of Council present (Milder and Hohenshelt absent).

III. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding Economic Development incentives, procedures and possible projects pursuant to Section 551.087 (Economic Development)
2. Discussion regarding legal claim: Timothy Headley v. City of Rockwall pursuant to Section 551.071 (Consultation with Attorney)
3. Discussion regarding (re)appointments to city regulatory boards, commissions, and committees - Rockwall Economic Development Corporation (REDC) Board - pursuant to Section 551.074 (personnel matters)
4. Discussion regarding process associated with City Manager performance evaluation pursuant to Section 551.074 (personnel matters)

IV. ADJOURN EXECUTIVE SESSION

Executive Session as adjourned at 5:50 p.m.

V. RECONVENE PUBLIC MEETING

Mayor Pruitt called the public meeting back to order with all Council Members except for Hohenshelt being present at the conclusion of the public meeting. (Milder joined Executive Session late and then stayed for the duration of the Council meeting).

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Pro Tem Lewis announced that no action is needed as a result of Executive Session.

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER FOWLER

Councilman Fowler delivered the invocation and led the Pledge of Allegiance.

VIII. PROCLAMATIONS / AWARDS

1. GIS Day Proclamation

Mayor Pruitt introduced members of the city's Geographic Information Systems (GIS) division within the Planning Department. He then read and presented a proclamation for "GIS Day," which will be hosted at City Hall in the Council Chambers on Wednesday, November 18, 2015 from 1:00 p.m. until 6:00 p.m.

IX. OPEN FORUM

Mayor Pruitt explained how Open Forum is conducted. He introduced and recognized Tammy Sharp, County Judge David Sweet's sister, and County Judge David Sweet in the audience this evening.

Mayor Pruitt then read the following, short statement concerning the upcoming school district bond election:

> ***The Rockwall community has experienced tremendous growth over the last several years but is still a small town in many ways. A majority of our families know each other through work, church, youth sports, volunteerism, or in the common neighborhoods in which we live. It's easy to misinterpret what an individual says and attribute that to a group of people.***
>
> ***For this reason, the Rockwall City Council is clarifying, as a group, that it has no official stance on the bond election put forth to voters by the Rockwall Independent School District. While each member of our community has a right to his or her own opinion of the merits of this bond election, the City Council, as an elected body, has not and will not take a position on the election on Tuesday, November 3, 2015.***

Following his statement, Mayor Pruitt asked if anyone would like to come forward and speak during this time. There being no indication of such, he then closed the Open Forum

X. CONSENT AGENDA

1. Consider approval of the minutes from the October 19, 2015 regular city council meeting, and take any action necessary.

2. Consider awarding the bid to Morrow Construction Company and authorizing the city manager to execute a contract for the Rockwall Police Driveway Project in the amount of $72,056.00 to be funded out of General Fund Reserves, and take any action necessary.

3. Consider authorizing the city manager to execute a contract with Great Midwest Insurance Company to secure reinsurance/stop loss coverage for the City's health insurance plans, applying to claims exceeding $100,000, and take any action necessary.

4. Consider awarding a bid to Bergkamp Pavement Solutions and authorizing the City Manager to execute a Purchase Order for a new Pothole Patcher in the amount of $152,640 to be funded out of the General Fund, Streets Operating Budget, and take any action necessary.

5. Consider awarding a bid to Caldwell Country Chevrolet and authorizing the City Manager to execute a Purchase Order for 2016 model year Police Pursuit Tahoes in the amount of $107,355 to be funded out of the General Fund, Patrol Budget, and take any action necessary.

6. Consider awarding a bid to Holt CAT and authorizing the City Manager to execute a Purchase Order for a new Compact Excavator in the amount of $65,904 to be funded out of the Water and Sewer Fund, Water Operating Budget, and take any action necessary.

7. Consider awarding a bid to Holt CAT and authorizing the City Manager to execute a Purchase Order for a new Backhoe in the amount of $128,388 to be funded out of the General Fund, Streets Operating Budget, and take any action necessary.

8. **P2015-039** - Consider approval of a request by John Arnold of the Skorburg Company (BH Phase IIB SF, LTD) for the approval of a replat of Lots 51-57,

Block D, Breezy Hill, Phases IIA & IIB, being a 2.722-acre portion of land that is currently identified as Lots 24-26 & 50, Block D, Breezy Hill, Phases IIA & IIB, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 74 (PD-74) for residential land uses, generally located north of the intersection of FM-552 and John King Boulevard, and take any action necessary.

9. **P2015-038** - Consider approval of a request by Pastor Rex Walker on behalf of Life Spring Church for the approval of a final plat for Lot 1, Block 1 and Lots 1 & 2, Block 2, Life Spring Church Addition being a 30.3403-acre tract of land currently identified 15-01 of the J. Strickland Survey, Abstract No. 187, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated with the SH-205 By Pass Corridor Overlay (SH-205 BY OV) District, located on the north side of John King Boulevard east of the intersection of SH-205 and John King Boulevard, and take any action necessary.

10. **Z2015-025** - Consider approval of request by Bill K. Ryan for the approval of an **ordinance** for a zoning change from an Agricultural (AG) District to a Single Family One (SF-1) District for a 1.02-acre tract of land identified as Tract 11-2 of the D. Harr Survey Abstract, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the East SH-66 Overlay (E. SH-66 OV) District, addressed as 770 Davis Drive, and take any action necessary **(2nd Reading)**.

Councilman Fowler pulled item #2 for discussion. Mayor Pro Tem Lewis made a motion to approve the remainder of the Consent Agenda items (#1, 3, 4, 5, 6, 7, 8, 9, and 10). Councilmember Milder seconded the motion. The ordinance for item #10 was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-29

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A SINGLE-FAMILY ONE (SF-1) DISTRICT FOR A 1.02-ACRE TRACT OF LAND IDENTIFIED AS TRACT 11-2 OF THE D. HARR SURVEY, ABSTRACT NO. 102, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN *EXHIBIT 'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 6 ayes with 1 absent (Hohenshelt).

Regarding Consent Agenda item #2, Councilmember Fowler indicated that he would like some additional information regarding this agenda item and associated expense, explaining that he believes it seems to be a fairly large cost. After clarification from staff who indicated that adding this driveway will help improve traffic flow in and out of the police department parking lot, Councilmember Fowler then made a motion to approve Consent Agenda item #2 as presented. Councilmember Milder seconded the motion which, after brief comments, passed unanimously of those present (Hohenshelt absent).

XI. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Indication was given that Mr. Renfro was not present, as there is nothing on tonight's meeting agenda for which he needed to provide an update to Council.

2. Appointment with Tammy Sharp of the Downtown Merchants' Association to discuss and consider partnering with the city for an upcoming Downtown Grand Opening Celebration, and take any action necessary.

Mrs. Sharp came forth and explained that she and her husband own T&T Color Supply on North Fannin Street in downtown. She explained that she is speaking on behalf of the Downtown Merchants' Association. She went on to thank the council and staff for all of their efforts and assistance with helping to work through issues associated with the downtown improvements and ongoing construction. She explained that Kevin Leferre, owner of Zanata and current president of the Downtown Association, has appointed her and Christi Foster of Groovy's to begin planning a downtown grand opening event. Tentatively, the date of April 16, 2016 has been identified. She requested that the city council consider partnering with her organization to hold this grand opening event.

Mayor Pruitt made a motion to partner with the Downtown Merchants' Association for the purpose of a ribbon cutting and grand opening associated with completion of the downtown construction improvements project to be held on April 16 as long as that date is agreeable to everyone. Councilman White seconded the motion, which passed unanimously of those present (Hohenshelt absent).

XII. ACTION ITEMS

1. Discuss and consider appointing members of the city's Art Review Team to also serve on the Art Committee, and take any action necessary.

Councilmember White made a motion to appoint the Art Review Team members to also serve as the city's Art Committee. Mayor Pruitt seconded the motion, which passed unanimously of council present (Hohenshelt absent).

2. Hear update from Emergency Services Corporation (ESC) representatives concerning the countywide contract for Emergency Medical Services (EMS), and take any action necessary.

Mayor Pruitt announced that no discussion or action is needed concerning this item at this time.

XIII. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports
Building Inspections Monthly Report - September 2015
Fire Department Monthly Report - September 2015
GIS Department Monthly Report - September 2015
Harbor PD Monthly Report - September 2015
Internal Operations Department Monthly Report - September 2015
Police Department Monthly Reports - September 2015
Recreation Monthly Report - Sep 2015

Rockwall Animal Adoption Center Monthly Report - September 2015

2. City Manager's Report

City Manager Rick Crowley offered brief comments, indicating that staff is available to answer any questions of Council concerning the monthly reports. There being none, no further discussion took place.

XIV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding Economic Development incentives, procedures and possible projects pursuant to Section 551.087 (Economic Development)
2. Discussion regarding legal claim: Timothy Headley v. City of Rockwall pursuant to Section 551.071 (Consultation with Attorney)
3. Discussion regarding (re)appointments to city regulatory boards, commissions, and committees - Rockwall Economic Development Corporation (REDC) Board - pursuant to Section 551.074 (personnel matters)
4. Discussion regarding process associated with City Manager performance evaluation pursuant to Section 551.074 (personnel matters)

XV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

The mayor and council did not return to Executive Session following the close of the public meeting agenda.

XVI. ADJOURNMENT

Mayor Pruitt adjourned the meeting at 6:20 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS 16th day of November, 2015.

MEMORANDUM

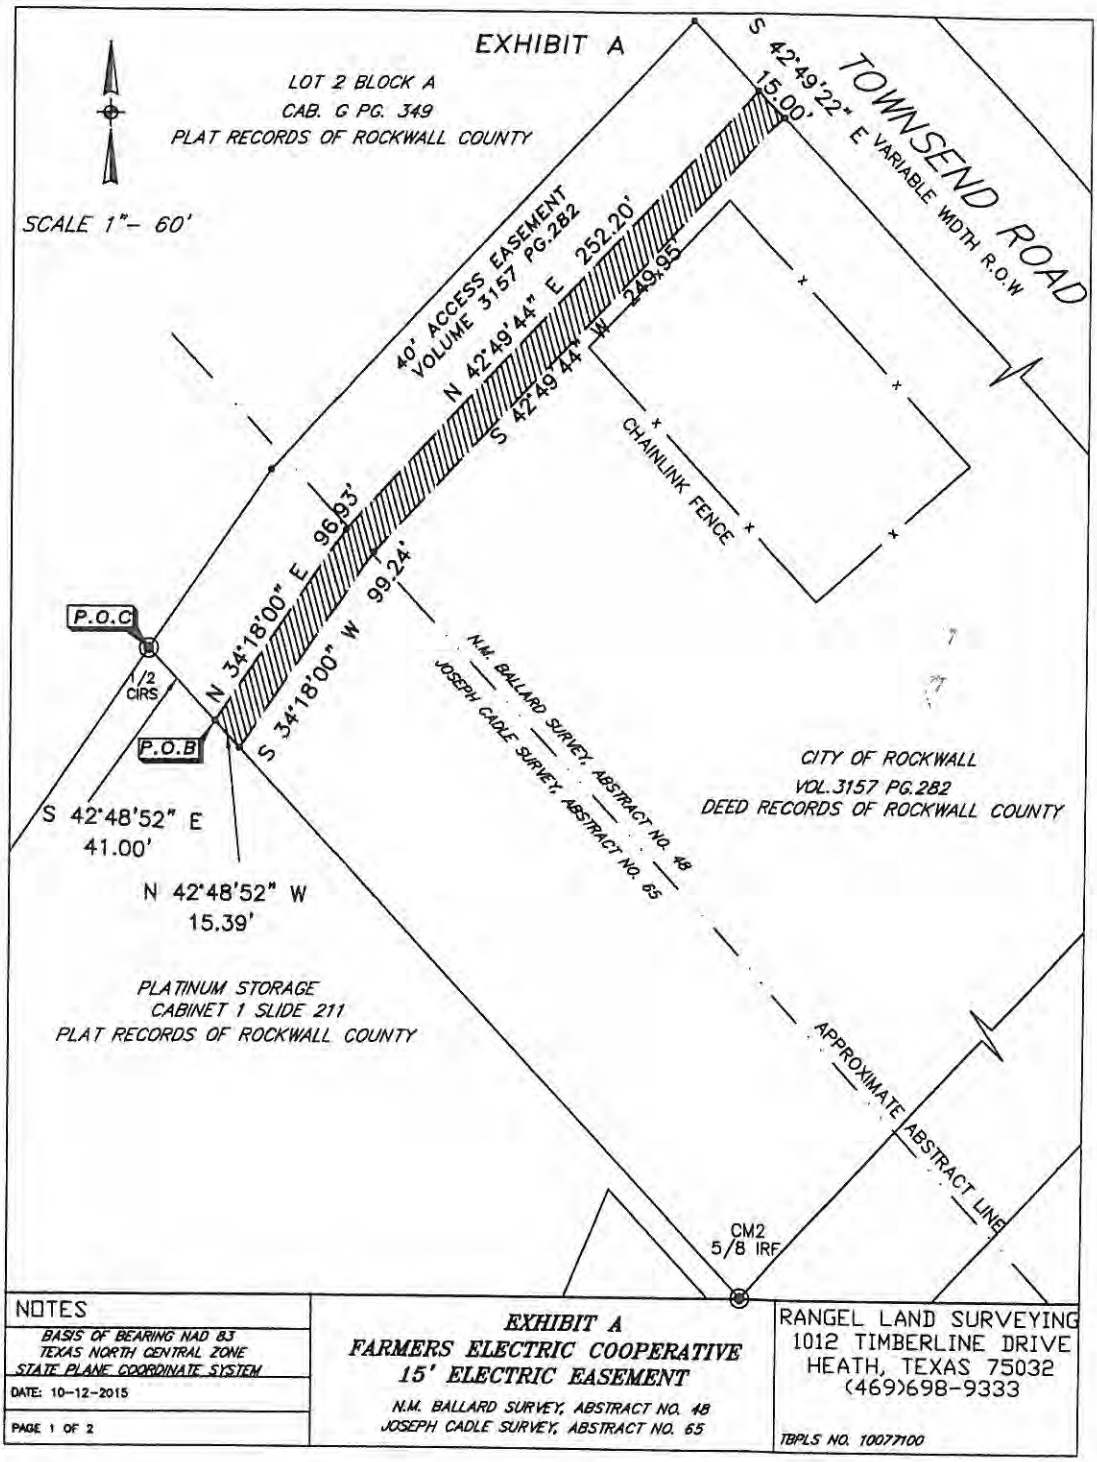
TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **November 12, 2015**

SUBJECT: **Electric Easement Request- Farmers Electric Cooperative**

City Staff has been approached by Farmer's Electric Cooperative to obtain a 15 foot electric easement to serve a business between the Eastside Pump Station and Costco. Attached is a copy of a survey showing the proposed 15 foot electric easement across our Eastside Pump Station tract located on the west side of T L Townsend. The proposed electric line will serve the new Platinum Storage facility located west of T L Townsend. The proposed easement will be placed adjacent to the existing concrete paved access pavement in the existing 40 foot access easement.



City Council is required to approve the acceptance of an easement across all City property. Staff requests City Council consideration to allow a 15 foot electric easement across the City of Rockwall Eastside Pump Station to Farmers Electric Cooperative as shown on the attached easement document.

UTILITY EASEMENT AND COVENANT OF ACCESS

Farmers Electric Cooperative
A Tradition Since Corporation

NAME: Ron Valk/Platinum Storage

GRID: 3332040740014

SERVICE ORDER NO.: 1507003320.12

STATE OF TEXAS
COUNTY OF Rockwall

KNOW ALL MEN BY THESE PRESENTS:

That the undersigned hereinafter called "Grantor" (whether one or more) for good and valuable consideration, which may include approval and execution of an Electric Service Agreement by **FARMERS ELECTRIC COOPERATIVE, INC., 2000 East Interstate 30, Greenville, Texas, 75402** (hereinafter called the "Cooperative"), does hereby covenant access to and grant, sell and convey unto the Cooperative an easement and right-of-way upon and across the following described property of grantor:

As shown on Exhibit "A" attached hereto and made a part hereof

~~Being _____ acres of land in the _____ Survey, Abstract Number _____ in _____ County and fully described by metes and bounds in that instrument which is recorded in Volume _____ Page _____ of the _____ Records of _____ County, Texas.~~

The easement, right-of-way, rights and privileges herein granted shall be used for electric power lines and other utility lines (overhead and/or underground) consisting of poles, conductors, guy wires, anchors and associated overhead appurtenances and/or underground cable, surface mounted equipment, associated underground appurtenances, including constructing, operating, maintaining, inspecting, rebuilding, replacing, removing and relocating electric lines, transmission and distribution facilities or equipment, other utility lines, as well as reading any meter or performing any act related to the provision of utility service. The Cooperative is specifically granted pedestrian and vehicular ingress and egress.

The easement rights herein described shall be no broader than reasonably necessary to provide electric and other utility service. The width of the easement shall be **fifteen (15) feet**, one-half (1/2) of such distance on either side of Cooperative's overhead and/or underground facilities. The height of the easement shall be from fifteen (15) feet beneath the surface of the ground to a height of seventy (70) feet above the ground.

The easement, right and privilege herein granted shall be perpetual, appurtenant to the land, and shall inure to the benefit of the Cooperative's successors and assigns. Grantor represents that he/she is the owner of the above described tract of land and binds himself/herself, his/her heirs, assigns and legal representatives to warrant and forever defend the easement and rights described herein to the Cooperative, its successors and assigns.

The Cooperative shall have the right to use so much of the surface of the herein described property of Grantor as may be reasonably necessary to construct and install within the right-of-way granted hereby, the facilities that may at any time be necessary for the purposes herein specified.

The Cooperative shall have the right to clear the right-of-way of all obstructions, to cut and trim trees within the right-of-way or use other methods as it deems necessary to clear the right-of-way.

Grantor further covenants that Grantor, his/her heirs, successors and assigns shall facilitate and assist Cooperative personnel in exercising their rights and privileges herein described at all reasonable times and shall not build, construct or cause to be erected any building or other structure that may interfere with the provision of electric service or the exercise of the right granted to the Cooperative herein.

The undersigned agrees that all electric power lines and other utility lines (overhead and/or underground) including any main service entrance equipment, installed on the above described lands at the Cooperative's expense shall remain the property of the Cooperative, removable at the option of the Cooperative, should said lines be abandoned.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **November 12, 2015**

SUBJECT: **Facility Agreement**
Sanitary Sewer Replacement Project

The Preserve, Phase One subdivision is currently under design and will be beginning construction once the engineering plans are approved by the City. The Preserve, Phase One is located between SH 205 and Highland Drive and south of East Fork Drive. This subdivision will generate 132 single-family lots. During the design plan review, staff recognized that the existing eight inch diameter sanitary sewer line in the Squabble Creek Tributary E is clay tile pipe, is deteriorated and near the end of its design life.

Staff requested the Developer's engineer to re-design a portion of the sanitary sewer line to utilize new PVC pipe and to be installed with the proposed subdivision construction. The remaining section of clay tile can be eliminated and taken out of service. The Developer's engineer has quoted a cost of $65,245.10 to construct 666 feet of new sanitary sewer line. State Law allows the City to participate with a development as long as the City's amount does not exceed 30 percent of the construction cost. This amount will not exceed the 30 percent restriction. Our funding will be provided by the 2015 Water and Sewer Bond Sale.

Staff requests City Council consideration to approve the Facilities Agreement with Master Developer – SNB, LLC to reconstruct 666 linear feet of existing sanitary sewer line within the first phase of The Preserve development in an amount not to exceed $65,245.10 and take any action necessary.

FACILITIES AGREEMENT
Preserve Phase 1

This Agreement is entered into on the _____ day of _____, 2015, by and between the City of Rockwall, Texas ("City") and Master Developer-SNB, LLC, a Texas Limited Liability Company. ("Developer").

WITNESSETH:

Section 1. That in consideration of the Preserve Phase 1 Development, located along East Fork Drive, the parties agree as follows:

Developer agrees to the following:

a. To abandon the existing 8" clay tile sanitary sewer line in the Squabble Creek Tributary E and relocate the sanitary sewer line within the proposed street in Preserve Phase 1 per approved plans.

City agrees to the following:

a. Reimburse the Developer, the design and construction of the abandonment of the existing 8" clay tile sanitary sewer line when the existing sanitary sewer line is fully abandoned and accepted by the City.

b. Reimburse the Developer, the design and construction of the additional 8" PVC sanitary sewer line when it is fully installed per approved plan and accepted by the City. The Participation Breakdown Worksheet, Exhibit A, is attached and made part of this Agreement.

Section 2. Nothing contained herein shall be considered as a waiver of the provisions of the City's Comprehensive Zoning Ordinance and subdivision regulations as the case may be.

Section 3. Severability Clause. If any section or provision of this Agreement or the application of that section or provision to any person, firm, corporation, situation or circumstance is for reason judged invalid, the adjudication shall not affect any other section or provision of this Agreement or the application of any other section or provision to any other person, firm, corporation, situation, or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the Agreement without

the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 4. Venue for this Agreement shall be in Rockwall County, Texas.

Section 5. Notice of this Agreement shall be in writing and addressed to the following:

MEMORANDUM

TO: **Richard Crowley, City Manager**

FROM: **Lea Ann Ewing, Purchasing Agent**

DATE: **October 30, 2015**

SUBJECT: **Purchase of New 12 Yard Dump Trucks**

Approved in the General and Water & Sewer Funds, Streets and Water Operating budgets are funds to purchase 12 yard dump trucks, one for each department respectively.

Dept.	Truck	Cost	Budget
Streets	- Kenworth 12 yd Dump Truck with Sand Spreader	$116,507	$116,140
Water	- Kenworth 12 yd Dump Truck	$101,707	$102,620

This equipment is available from MHC Kenworth through the BuyBoard purchasing cooperative contract #430-13. As a member and participant in this cooperative, the City has met all formal bidding requirements pertaining to the purchase of these new trucks.

For Council consideration is the bid award to MHC Kenworth for 2 dump trucks totaling $218,214 and authorize the City Manager to execute a purchase order for these new trucks.

SUBJECT: **Purchase of 2016 Model Police Pursuit Chargers for Patrol**

Three (3) Police Pursuit Sedans are approved in the General Fund, Police Patrol budget. The total budget for these vehicles including safety and communication equipment is $97,000. The Dodge Charger with pursuit package (PPV) is available from Freedom Dodge through the Houston-Galveston Area Council of Governments (H-GAC) purchasing cooperative contract #VE11-13. The cost is $26,340 each and total bid award for three (3) is $79,020.

As a member and participant in the H-GAC cooperative program, the City has met all formal bidding requirements pertaining to the purchase of these new vehicles.

The remaining budget dollars would be used to buy an equipment package costing approximately $5,990 for each Charger. Equipment includes the purchase of lights, decals, console, microphones, gun racks, power pack, mounting brackets and installation of these items as well as wiring for and install of the radio, audio video system and computer. Total cost of equipment is estimated to be $17,970. This equipment will be purchased and installed once we receive the vehicles.

For Council consideration is the Charger PPV bid award to Freedom Dodge for $79,020 and authorize the City Manager to execute a purchase order for these new vehicles.

MEMORANDUM

To: **Rick Crowley, City Manager**

From: **Kirk Riggs, Chief of Police**

Date: **November 9, 2015**

Subject: **Purchase of 2015 Dodge Charger for our Citizens on Patrol**

The members of our Citizens on Patrol, (COP), are an exceptional group of individuals that volunteer their time to assist the Police Department throughout the year. They have assisted us with over 75 events this year and have saved the department an estimated $95,000 in salary. The COP's are a valuable component of our department, who provide crime prevention and other services to our city. Some of the various duties they perform on an annual basis include: traffic assistance at football games, parades, and special events, (Concert on the Lake, Founders Day, Hot Rocks, Rib Run, 4th of July, etc.). In addition to assisting us with special events, these 40 volunteers have logged thousands of hours patrolling our businesses, parks and neighborhoods. The retired police vehicles they are currently using to patrol our city are less reliable and need to be replaced. We would like to implement a four year replacement program that would allow us to replace one aging vehicle a year utilizing our seized funds account to accomplish this goal. This year, we were able to locate a 2015 Dodge Charger with low mileage that already comes equipped with a safety package for $21,500.

This 2015 model Charger is available for purchase through the BuyBoard purchasing cooperative contract #430-13 from Government Sales Freedom Auto Group. As a member and participant in this cooperative program, the City has met all formal bidding requirements pertaining to the purchase of this vehicle.

For Council consideration is the Charger bid to be awarded to Government Sales Freedom Auto Group and safety equipment for $21,500 and to authorize the City Manager to execute a purchase order for this vehicle from the Police Department seized asset account.

The New Horizon

MEMORANDUM

To: **Rick Crowley, City Manager**

From: **Kirk Riggs, Chief of Police**

Date: **November 9, 2015**

Subject: **Purchase of 2016 Chevrolet Suburban for Community Service**

The Community Services Unit has had a substantial increase in the number of events and programs being requested, scheduled, and taught within the community. Each of these events or programs requires large quantities of literature (brochures, safety materials, etc.) visual aids (power point, overhead projector, etc.), display devices (tables, pop up tent, tri-pods, boards, etc.) and safety equipment. Officers have found that the typical patrol vehicle does not afford them with the room necessary to carry and transport the items required for the programs and events we are currently being asked to teach. A larger vehicle would provide the Crime Prevention Officers with all the necessary room to keep basic information on hand when out in the community and provide a platform for transporting larger quantities of materials and devices.

This 2016 model Suburban is available for purchase through the BuyBoard purchasing cooperative contract #430-13 from Caldwell Country Chevrolet. As a member and participant in this cooperative program, the City has met all formal bidding requirements pertaining to the purchase of this new vehicle.

For Council consideration is the Suburban bid to be awarded to Caldwell Country Chevrolet and safety equipment for $41,500 and to authorize the City Manager to execute a purchase order for this vehicle from the Police Department seized asset account.

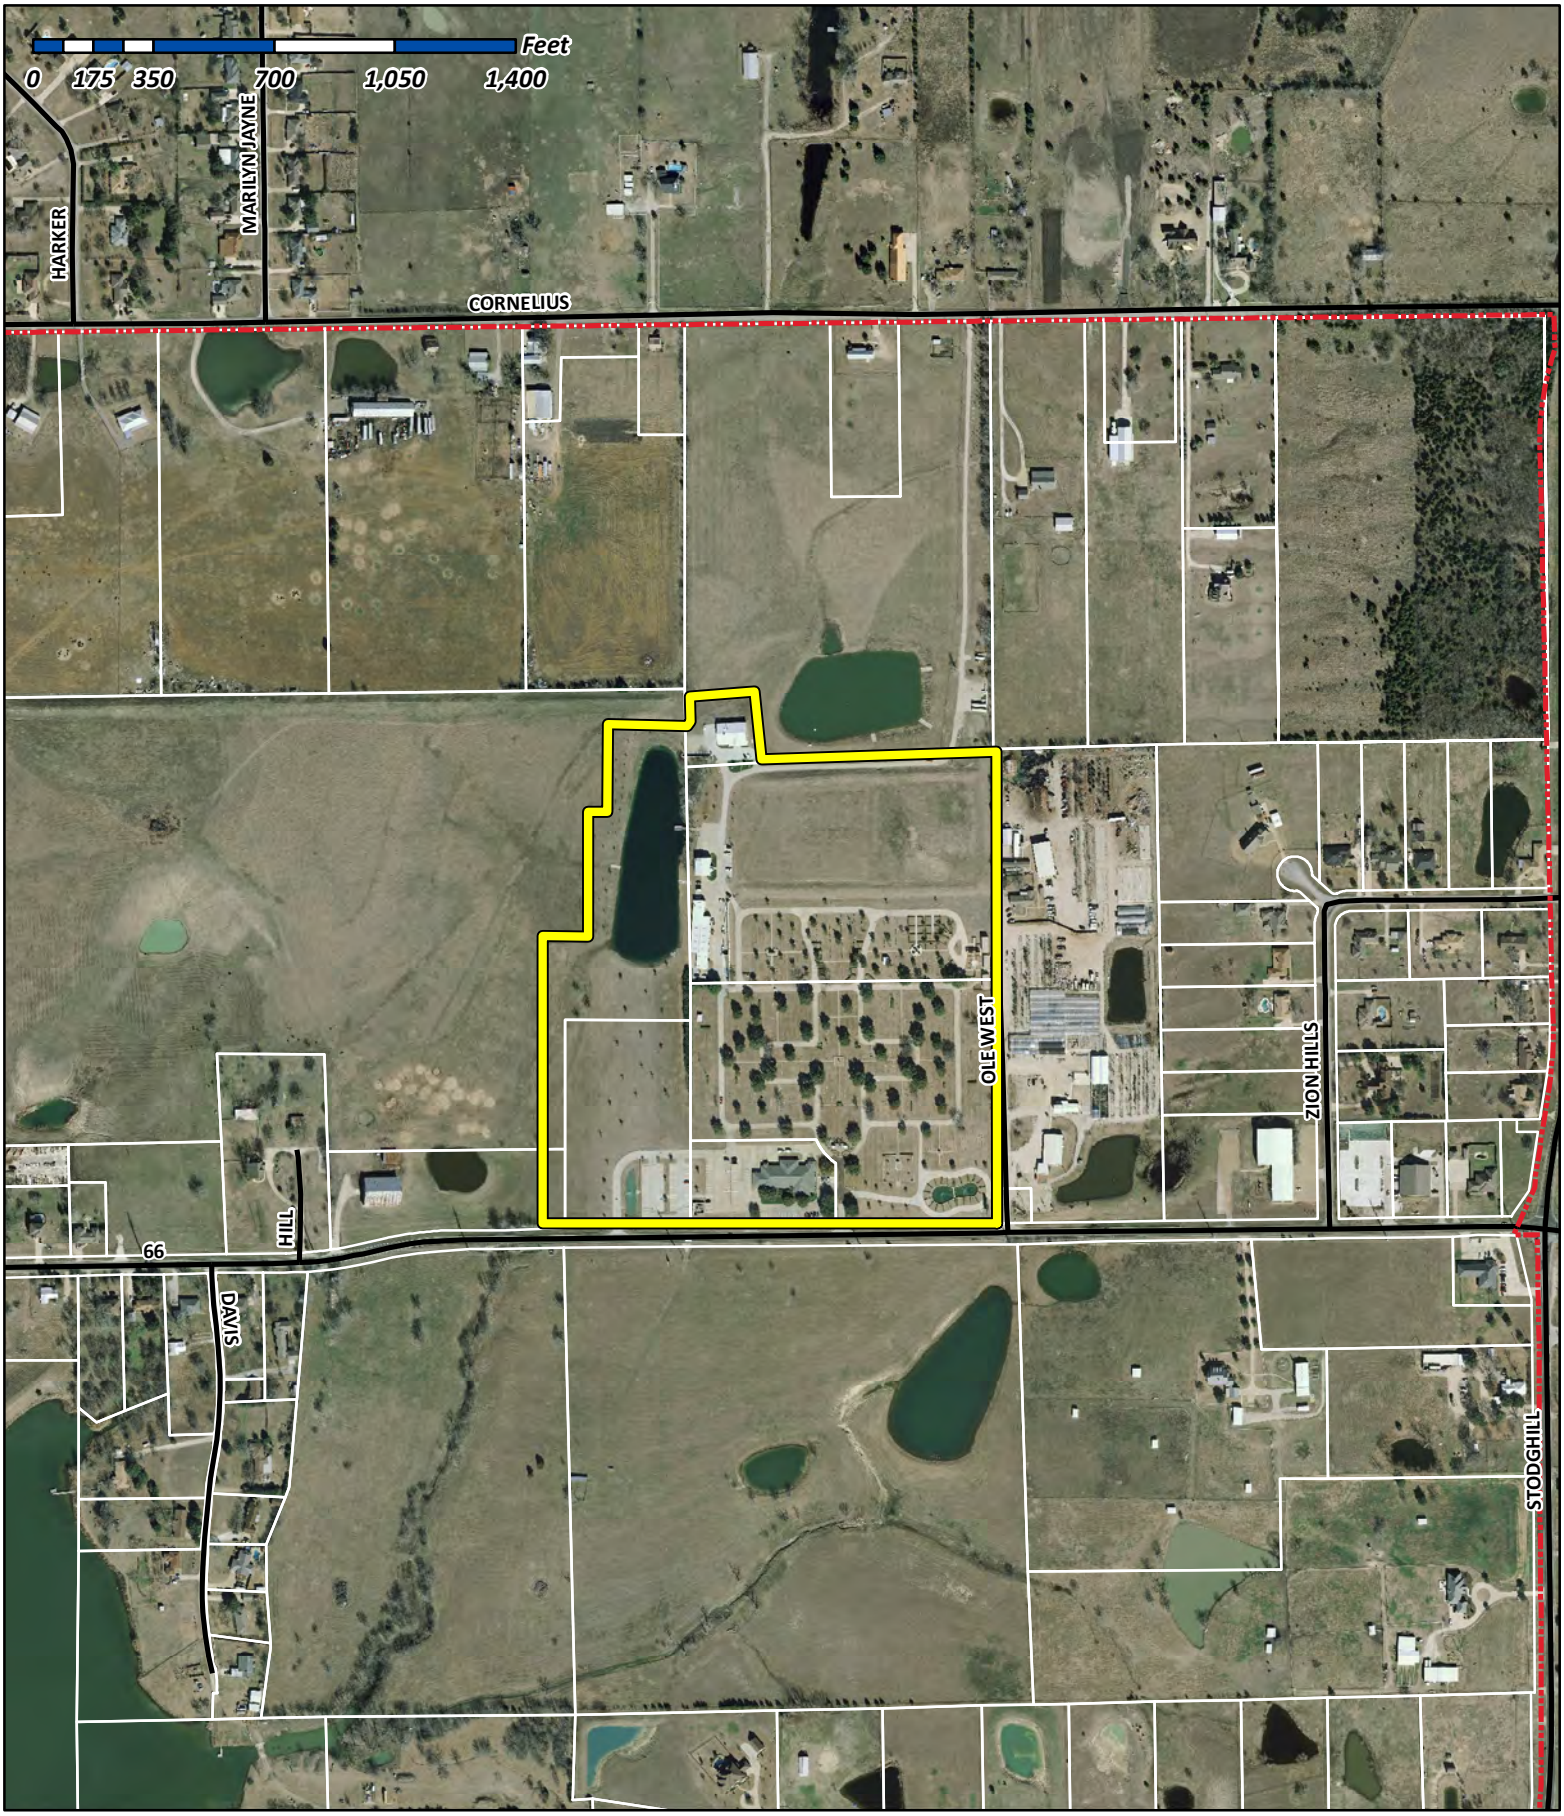
CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Brad Griggs, *Assistant City Manager*
Tim Tumulty, *Director of Public Works/City Engineer*
Mark Poindexter, *Fire Chief*

FROM: Ryan Miller, *Director of Planning and Zoning*



DATE: November 16, 2015

SUBJECT: Facility Agreement for *Resthaven Funeral Home and Memorial Park*

At the October 6, 2014 City Council meeting, Dewayne Cain of Cain Cemetery Corporation [*Rest Haven Funeral Home and Memorial Park*] requested a delay in the construction of the fire suppression system/requirements for the purpose of expanding the main structure on the subject property at 2500 SH-66. The reason for the request as explained by Mr. Cain in the meeting was the lack of City services (*i.e. sewer and water*) and the inability of the current water supplier, Mt. Zion, to provide sufficient capacity/water flow to supply a fire suppression system. A motion to direct staff to prepare the contract and bring it back before the City Council was approved by a vote of 5-0 (*with Council Members Daniels and Lewis absent*); however, Mr. Cain abandon the project and staff did not proceed with preparing the *Facility Agreement*.

On October 8, 2015, Mr. Cain submitted for a building permit proposing the construction of a mausoleum. As part of this review, the Fire Department stipulated that the building meet fire hydrant coverage or that a *Facility Agreement* be approved by the City Council. As a result, staff has drafted the attached *Facility Agreement* that will allow Mr. Cain to develop the property in accordance with the attached master plan. The agreement does stipulate that once City water has been extended within 100-feet of the subject property that Mr. Cain will have three (3) years to: 1) extend the water line across the frontage of his property and 2) upgrade the existing building to ensure that they have fire sprinklers (*if needed*), needed fire flow, and fire hydrant coverage. All other building and fire code requirements will be reviewed through the building permit process.

Staff request City Council consideration to delay the construction of the fire suppression system/requirements for the subject property in accordance with the conditions stipulated in the attached *Facility Agreement*.

66

typically received from Suntex associated with this concessions agreement are about $100,000 per year.

Mr. Petty offered general comments related to the lake levels and varying circumstances related to individual boat slips at the marina as well as individual contracts with boat owners related to lease of those slips. He indicated that dredging in, around and under the slips at the marina has been challenging.

Councilmember White asked what percentage of revenue has been lost due to tenants pulling out, cancelling their membership and docking their boats elsewhere. Mr. Petty indicated that revenue has declined about 33% due to "rent relief" arrangements that have been negotiated between tenants and the marina and/or due to those who've cancelled and moved their boats elsewhere entirely.

Mr. Griggs indicated that money received from this concessions agreement is deposited into the city's Recreational Development Fund, and the money is used to fund recreational projects for city residents (example: most recently used to renovate Tuttle and Yellow Jacket ball fields). Also, part of the revenues anticipated to be received by the city from this concessions agreement has been budgeted in the 2015 fiscal year for upcoming projects.

Councilmember Milder pointed out that the City of Rockwall is also feeling a lot of stress and financial strain due to the drought and the lack of water sales. So, as a result, he expressed an uncertainty about the city's ability to grant the company's request for relief this evening. Mr. Petty indicated that the company operates twenty-two other marinas elsewhere outside of Rockwall. Councilmember Milder suggested the company consider seeking financial relief from elsewhere within the company itself so that Rockwall taxpayers do not have to bail out the company.

Councilmember Townsend expressed that their concessions agreement is based on a percentage of sales. His struggle is that the company is still charging Rockwall citizens associated with the boat docks, yet then the company wants the city to not charge the company associated with the concessions agreement and the associated financial obligations. He has a problem with the company charging Rockwall residents for boat dock slips they are unable to utilize due to the drought. Mayor Sweet generally echoed Councilmember Townsend's concerns.

Councilmember White asked if the company has sales other than slip rentals. Mr. Petty indicated that the rentals makes up a majority of the sales (about 85%).

Mr. Petty offered brief, closing remarks, indicating that his company may be able to partner with the City in the future to come up with and execute a long term plan which may be beneficial to both the company and the citizens of Rockwall, for example with regards to future dredging operations and green space for residents (using backfill/dredged material).

The council took no action related to this agenda item.

4. Appointment with Dewayne Cain regarding Rest Haven Funeral Home expansion, and take any action necessary.

Dewayne Cain
305 Stonebridge
Rockwall, TX

Mr. Cain came forth and indicated he owns the Rest Haven Funeral Home and Memorial Park in Rockwall, a building which has never been expanded since it was originally constructed in 1992. There is now a tremendous need to expand, adding about 1,500 square feet. He would like the city council to consider a temporary postponement associated with the requirement that the new construction and existing construction be equipped with a fire sprinkler suppression system. He explained that his business was annexed into the city several years ago, and, since that time, no city water or sewer lines have been extended to his particular business. He explained that his existing water line is a small line from Mt. Zion Water Supply that comes from Cornelius Street; however, it does not have the capacity to supply sufficient water to service a fire sprinkler system. He explained that he is requesting that the council consider allowing him to go ahead and proceed with construction of the building expansion but defer the fire sprinkler system requirement for a period of time. He suggested that his company could enter into a legal contract with the city that would postpone putting the fire system in until such time as the city extends water to his business. He explained that he is willing to include with the building expansion/construction the fire suppression lines needed to activate the system once city water lines have been extended to his property. After brief discussion, Councilmember Pruitt made a motion for the City to enter into a contract with Dewayne Cain on behalf of Rest Haven Funeral Home to delay installation of the fire sprinkler system until which time as the city extends the water line to his business so he may tie into it and activate the sprinkler system at that future date. Councilmember Townsend seconded the motion. The motion passed by a vote of 5 ayes with 2 absent (Daniels and Lewis).

Staff indicated that a contract will be drawn up and brought back to the City Council for review and final approval at a future date.

5. Appointment with Mark Spencer to discuss and consider the master plan for the Park at Stone Creek, and take any action necessary.

Assistant City Manager Brad Griggs provided brief introductory comments related to this agenda item, indicating that the city authorized submission of a grant application to the Texas Department of Parks and Wildlife to assist with development of this park. The Park Board voted unanimously on August 5 to approve the master plan for the Park at Stone Creek.

Mr. Spencer with MHS Planning and Design then came forth to address council. He indicated that this park is located on the northwest corner of Featherstone and John King Boulevard next to a middle school. He indicated that a portion of a flood plain is included in this tract, and some sort of a water works play area may be incorporated there. The master plan for this park includes a playground area, a 1/3 mile trail loop, a 9-hole executive disc golf area, a basketball court, plaza with covered pavilion, open lawn area, 1 acre pond, fishing pier, nature area with native grasses and trees and a bike rest stop along the trail along John King. Two parking lots are included for this particular park. About 3.5 acres will be irrigated (out of about 16-17 total acres). He indicated that the play area in this particular park will have about twice as much funding devoted to the playground area than that which has been devoted in other neighborhood parks in Rockwall because a lot of young families live in this particular area.

Mr. Griggs indicated that this park land came about through the city's mandatory park land dedication policy which calls for a developer to either dedicate open space land for parks or pay cash in lieu of land. In this case, the developer dedicated actual land to the city (11.88 acres) for future development of a park. In addition, the developer pays pro rata equipment fees, and those have been collected in the first five phases of the developer's development. Those funds will be utilized as the "matching funds" if the city is awarded the grant for which it has applied. If the grant does not come to fruition, the city will plan to utilize those funds to develop the park more slowly over time in phases and will reapply for a grant again later on.

STATE OF TEXAS)

COUNTY OF ROCKWALL)

CITY OF ROCKWALL)

FACILITY AGREEMENT

This Agreement is entered into on the *19th* day of *October 2015*, by and between the *City of Rockwall, Texas* (the *City*) and *Dewayne Cain* of *Cain Cemetery Corporation*, (the *Developer*).

WITNESSETH:

Section 1. That in consideration of delaying the construction of the required fire protection requirements (*i.e. fire sprinklers [if applicable], needed fire flow and fire hydrant coverage*) for the buildings on the *Subject Property*, -- which is described in *Exhibit 'A'* and depicted in *Exhibit 'B'* of this agreement, and incorporated by reference herein -- located within the City of Rockwall, Texas, the *City* and the *Developer* agree to the following:

The *Developer* agrees to the following:

(a) The *Developer* agrees that in accordance with Section 44-31, *Extension of Water and Sewer Lines - Generally*, of Article II, *Main Extensions*, of the *Municipal Code of Ordinances,* when water service has been extended within 100-feet of the limits of the subject property that the developer shall be responsible for completing the following within a three (3) year time period:

(1) The *Developer* shall connect and extend the water line across the frontage of the *Subject Property*.

(2) The *Developer* shall upgrade the existing buildings to ensure that they meet the fire sprinklers (*if applicable*), needed fire flow, and fire hydrant coverage.

(b) Failure to comply with the established timeframes stated in *Section 1(a.)* of this agreement will result in the potential revocation of *Ordinance No. 10-34 [SUP No. 77]*.

Section 2. The *City* agrees to the following:

(a) The *City* agrees to allow the delay of the construction of the required fire protection requirements (*i.e. fire sprinklers [if applicable] and fire hydrant coverage*) for the time period established in Section 1(a.) of this agreement and to allow new construction in accordance with the Master Plan contained in *Exhibit 'B'* of this agreement and in conformance with the requirements stipulated in *Ordinance No. 10-34 [SUP No. 77]*.

Section 3. Nothing contained herein shall be considered as a waiver of the provisions of the City's Comprehensive Zoning Ordinance and subdivision regulations as the case may be.

Section 4. *Severability Clause*. If any section or provisions of this Ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation, or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the Ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 5. Venue for this agreement shall be in Rockwall County, Texas.

Section 6. Notice of this Agreement shall be in writing and addressed to the following:

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Cole, Assistant to the City Manager / City Secretary**

DATE: **November 13, 2015**

SUBJECT: **Resolution of Support – NTMWD's Lower Bois D'Arc Creek Reservoir**

Tom Kula, Executive Director of the North Texas Municipal Water District, is seeking assistance from member cities related to the Lower Bois D'Arc Creek Reservoir project and associated permitting process. Included on the November 16 agenda for Council's consideration is a resolution of support for the project and associated permitting that NTMWD is attempting to secure. In addition to outlining support for the reservoir project, the resolution requests the Mayor to draft and send a letter to Congressman Ratcliffe to ask that he and his fellow Congressmen do whatever is needed to expedite needed permitting. Also included in the packet is a sample, draft letter provided by Mr. Kula that Rockwall may wish to utilize for this purpose as well as a November 6th press release from Congressman Ratcliffe's office. The sample letter provided by Mr. Kula may be sent 'as is' or modified in any way the Mayor and/or Council may wish. Staff will be available to answer any questions Council may have concerning this issue.

CITY OF ROCKWALL
RESOLUTION NO. 15-31

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, EXPRESSING SUPPORT FOR THE NORTH TEXAS MUNCIPAL WATER DISTRICT'S (NTMWD) PLANNING, PERMITTING AND CONSTRUCTION OF THE LOWER BOIS D'ARC CREEK RESERVOIR (LBCR) PROJECT; AUTHORIZING THE MAYOR TO SUBMIT AN ASSOCIATED LETTER OF SUPPORT TO ROCKWALL'S CONGRESSMAN; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, over the last ten years, the NTMWD and its Member Cities have been investing considerable time and resources for the required planning and permitting to construct the Lower Bois d'Arc Creek Reservoir (LBCR); and

WHEREAS, this project has been identified as a necessity in order to meet the North Texas region's short-term and long-term water needs; and

WHEREAS, while the NTMWD and its member cities have and will continue to concentrate on water conservation efforts, conservation alone cannot meet our residents' needs in the year 2020 and beyond; and

WHEREAS, although the NTMWD has received the required State permit and the U.S. Army Corps. Of Engineers has issued its Draft Environmental Impact Statement, the NTMWD and the City of Rockwall are concerned that the final federal permit could be delayed beyond 2016; and

WHEREAS, the City of Rockwall is counting on additional water supply from the LBCR to become available as early as 2020 and is poised to being construction as soon as the Army Corps. of Engineers issues the 404 Clean Water Act Permit; and

WHEREAS, delays in the Corps issuing this much needed permit may not only limit the availability of water for our citizens, but also add costs to what is already a $1 billion investment.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Rockwall City Council hereby requests the Rockwall Mayor to draft and send a letter to U.S. Congressman John Ratcliffe to ask him and his fellow Congressmen to do whatever possible to expedite completion of the federal permitting associated with the LBCR project; and

Section 2. That this Resolution shall become effective from and after its adoption and it is so resolved.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 16th DAY OF November, 2015.

ATTEST: **Jim Pruitt, Mayor**

Kristy Cole, City Secretary

Congressman,

On behalf of the City of _____, thank you for working diligently to ensure the citizens of North Texas have the vital water resources needed to support our growing region.

As you know, water has provided the essential foundation for our community to grow over the last several decades and a reliable water supply is critical to meet the needs of our children and grandchildren, as well as to support businesses, jobs and economic prosperity in our city.

Over the last 10 years, the North Texas Municipal Water District (NTMWD) and its Member Cities have been investing considerable time and resources for the required planning and permitting to construct the Lower Bois d'Arc Creek Reservoir (LBCR) to provide much needed additional water supplies for existing and future residents in North Texas. This project is absolutely key to meeting our short-term and long-term water needs.

While we must pursue new resources, our City recognizes the importance of maximizing current available water supplies. Our region has been responsible with its limited supplies during the past several years and will continue to be leaders in water conservation. Yet, conservation alone cannot meet our residents' needs in 2020 and beyond. We can't emphasize enough how important it is to have adequate water to help protect us from the significant effects of drought that we have experienced more frequently over the last decade. We can't afford to continue to experience years of limited supplies, particularly as watering restrictions place a considerable burden on our citizens and may stifle future economic growth.

We were pleased that the NTMWD received the required State permit for the LBCR project last summer and that the U.S. Army Corps of Engineers (Corps) has issued its Draft Environmental Impact Statement after years of rigorous analysis and studies. However, we are very concerned that the final federal permit could be delayed beyond 2016.

Our City is counting on that additional supply being available as early as 2020. The NTMWD has worked closely in support of the federal agencies throughout the permitting process and is poised to begin construction as soon as the 404 Clean Water Act Permit is issued by the Corps. Delays in receiving the final permit may not only limit the availability of water for our citizens, but also add costs to what is already a $1-billion investment.

For these reasons, we implore you and your fellow Congressmen to do whatever possible to expedite the completion of the federal permitting for the LBCR. The process has already taken nearly a decade and the citizens of North Texas deserve more certainty when it comes to something as important as the water supply that is essential for the public health, safety and economic viability of the entire region.

Respectfully,

Mayor, City of _____

DRAFT

Cole, Kristy

Subject: Lower Bois d'Arc - Congressman Ratcliffe Position and Letter

From: Grinnan, Lorie
Sent: Thursday, November 12, 2015 2:17 PM
To: Crowley, Rick
Subject: Lower Bois d'Arc - Congressman Ratcliffe Position and Letter

Rick,

The below is the press release for the Lower Bois d'Arc Reservoir and the link to the letter from Representatives Sessions, Johnson, and Ratcliffe. Thank you for contacting me regarding the city council agenda item, and I plan to attend the meeting.

Lorie

TEXAS CONGRESSMEN SUPPORT CONSTRUCTION OF THE LOWER BOIS D'ARC CREEK RESERVOIR

November 6, 2015
Press Release
WASHINGTON, DC - U.S. Congressman John Ratcliffe (TX-4), U.S. Congressman Pete Sessions (TX-32) and U.S. Congressman Sam Johnson (TX-3), released the following statement regarding their joint letter on behalf of the North Texas Municipal Water District to the United States Army Corps of Engineers (USACE) and the Environmental Protection Agency (EPA) urging them to issue a necessary permit to build the Lower Bois d'Arc Creek Reservoir:

The North Texas Municipal Water District (NTMWD) currently serves 1.6 million people in one of the fastest growing areas in Texas. The NTMWD has projected that water demands will drastically increase from 420,000 acre-feet per year in 2020 to 626,400 acre-feet per year by 2060. Due to the growing demands, it is imperative that the Lower Bois d'Arc Creek Reservoir permits be approved no later than June 1, 2016 to ensure construction is completed by 2020. Water resources, including the construction of this reservoir, are the key to sustaining North Texas' burgeoning economic and population growth.

"I'm grateful to join with Congressman Pete Sessions and Congressman Sam Johnson to demand answers on behalf of our constituents in Northeast Texas. Many folks in Texas' Fourth Congressional District have reached out to my office with concern about the permitting timeline for the Lower Bois d'Arc Creek Reservoir," said Ratcliffe. "It's time that the EPA and USACE take this process seriously and do everything within their power to move the process along, so the people of Northeast Texas can benefit from the region's continued economic growth."

"As our region continues to expand, it is imperative that we take effective measures to ensure North Texas families have access to this critical water supply," Sessions said. "I join my colleagues in urging the EPA

and USACE to recognize the urgency of this situation, remove the bureaucratic hurdles, quickly conclude the permitting process, and issue the necessary permits so we can begin construction on this vital Reservoir."

"Texans are no strangers to drought, which is why water is one of the most important issues for folks in North Texas – particularly as our community continues to grow," said Johnson. "That's why, a few years ago, I worked to help the NTMWD resume pumping after it had been shut down due to a Zebra Mussel infestation. But I've also been working hard with my colleagues Congressman Sessions and Ratcliffe to get *new reservoirs* for our area approved. We've been working closely with the Army Corps of Engineers, and we also helped pass the RAPID Act (H.R. 348) to help expedite the approval of new water projects like the Lower Bois d'Arc Creek Reservoir. It's high time this necessary reservoir's permit was granted, and North Texans can rest assured we'll continue to fight to see that their water needs are met."

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **November 12, 2015**

SUBJECT: **Downtown Reconstruction Improvements**

The Downtown Reconstruction Project was approved by our voters in 2012. The project design was performed by La Terra Studio, Inc. and is being constructed at this time by Hill-Wilkinson General Contractors. The contractor is nearing the completion of the project. The section of Goliad Street between Washington and Rusk Streets was not included in the original design and construction.

Staff was asked to provide a cost to include the design for Goliad Street between Washington and Rusk Streets. La Terra Studio, Inc. has submitted an Additional Services Request (Number One) to design the rehabilitation of this section to match the other areas of our Downtown. Their cost to perform this design is $50,500.00. Their design of the additional area should be completed in time to avoid an additional mobilization cost from our contractor.

Staff requests City Council consideration to approve the attached additional services contract amendment with La Terra Studio, Inc. to provide the design for the walkways/store front area along Goliad Street between Washington and Rusk Streets to match the design in the Downtown area in an amount of $50,500 and take any action necessary. Funding will be taken out of the Downtown Projects funding account.

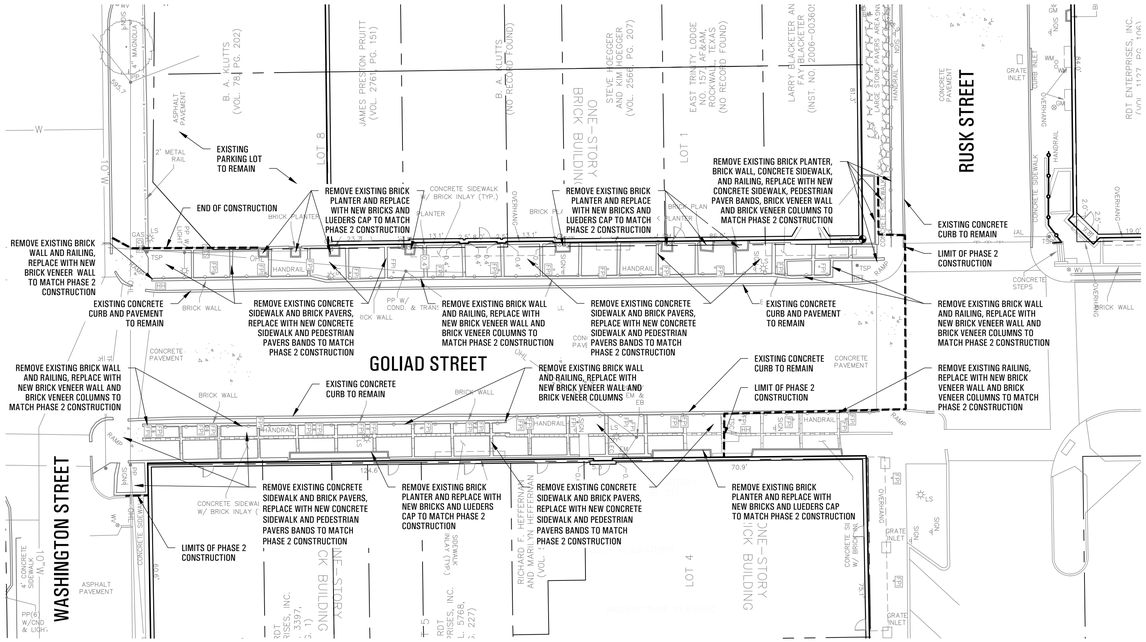
RE: Additional Services Request # 1
Downtown Improvements – Goliad Street (Washington to Rusk)

Dear Mr. Tumulty:

la terra studio, inc. would like to offer additional professional services for the design of improvements along Goliad Street between Washington Street and Rusk Street in association with the current downtown construction project. We propose the following additional services in order to provide pricing documents to Hill Wilkinson (Construction Contractor) on or before December 11th, 2015.

- Site Preparation (Demolition) Plan
- Traffic Control Plan
- Erosion Control Plan
- Site Plan
- Grading Plan
- Subsurface Drainage Plan (Planters)
- Irrigation Plan
- Landscape Plan
- Site Details
- Electrical Plan
- Structural/Foundation Plan and Details
- Construction Phase Services (To be Billed Hourly as requested by the City)

la terra studio will provide Construction Documents by January 13th, 2016. The items listed above are to be provided in accordance with the original contract terms (dated: August 7th, 2012)



Pricing Drawings	$42,500
Final Construction Drawings	$ 8,000
Construction Phase Services	$ Hourly
Total additional services	$50,500

Respectfully,

michael t black, CLARB|ASLA|PLA

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manger*
Brad Griggs, *Assistant City Manager*

FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: November 16, 2015

SUBJECT: MIS2015-009; *Special Request for 112 Chris Drive*

At the October 5, 2015 City Council meeting the Rockwall Housing Development Corporation (RHDC) presented a proposal for a *Special Request* to allow the construction of two (2) single-family attached structures on two (2) lots at 112 Chris Drive in *Area 2* of the Lake Rockwall Estates subdivision. The purpose of this case was to provide an alternative to *Case No. MIS2015-004*, which involved a request to replace a manufactured home that sustained considerable damage as a result of the flooding in the Lake Rockwall Estates subdivision earlier this spring. The property for this case was located at 142 Rene Drive and is located within the 100-year floodplain. In response to *Case No. MIS2015-008*, the City Council approved a motion to deny the single-family attached land use by a vote of 2-3 (*with Council Members Milder, Townsend and White dissenting and Council Members Fowler and Hoenshelt absent*); however, the City Council did vote to approve an exception to the masonry requirements and a variance to the lot frontage requirements -- *also requested by this case* -- by a vote of 3-2 (*with Council Members Townsend and Milder dissenting and Council Members Fowler and Hoenshelt absent*).

The case returned to the City Council at their work session on October 19, 2015 where the City Council directed staff to bring the case back under the *Special Exceptions* clause contained in *Exhibit 'C'* of Planned Development District 75 (PD-75) [*Ordinance No. 09-37*]. As part of this directive, the case was to be advertised in the same manner as required for zoning cases as stipulated by Section 6.1, *Notice of Public Hearing*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code. In response to this request, staff mailed out 94 notices to residents and property owners within 500-feet of the subject property on October 30, 2015. Additionally, staff posted a sign at the northwest corner of the intersection of Chris Drive and Countyline Road (*i.e. on the subject property*), and advertised the public hearings in the Rockwall Harold Banner. At the time this memorandum was drafted no responses were received by staff.

On November 10, 2015, the Planning and Zoning Commission approved a motion to recommend denial of the applicant's request by a vote of 3-2, with Commissioners McCutcheon and Logan dissenting and Commissioners Jusko and Fishman absent. Provided in this packet are staff's case memos for *Case No.'s MIS2015-004 & MIS2015-008*, a time-line of events that includes all voting results, and all pertinent information concerning the current request. Should the City Council have any questions staff will be available to answer them at the work session.

Timeline of Events.

- ☑ On June 21, 2015, the Lake Rockwall Estates Subdivision experienced flooding along County Line Road and extending into portions of Renee Drive, Nicole Drive and Russel Drive. The flooding impacted four (4) manufactured homes located within the 100-year floodplain in these areas.

- ☑ On July 31, 2015, David Smith submitted *Case No. MIS2015-004* on behalf of the property owner at 142 Renee Drive, Mr. Contreras. This case was a request to allow a replacement manufactured home to be placed within a floodplain at 142 Renee Drive. The alternative to this case was to allow the applicant to rehabilitate the existing flood damage structure. *A report on the extent of the damage has been provided in the attached packet.*

- ☑ On August 11, 2015, the Planning and Zoning Commission approved a motion to recommend approval of *Case No. MIS2015-004* by a vote of 4-2, with Commissioners Logan and Jusko dissenting and Commissioner Fishman absent.

- ☑ On August 17, 2015, David Smith sent a request to table *Case No. MIS2015-004* indefinitely. This request came in response to a meeting between Mr. Smith and the City where both parties agreed to examine possible alternatives to the proposed manufactured home replacement. At the time, the only alternative to the case was to allow Mr. Contreras to rehab the existing structure, which did not alleviate the problems with having a structure located within the 100-year floodplain.

- ☑ On August 19, 2015, Michael Hunter submitted a special request on behalf of the Rockwall Housing Development Corporation requesting to subdivide the lot at 112 Chris Drive and place a single-family attached structure on the property. This case was brought forward as *Case No. MIS2015-008*. This alternative plan allowed Mr. Contreras and one other family living in a substandard structure to have a new *stick-built* home in a close proximity to their existing lots. From the City's standpoint, this case had the potential to take two (2) structures out of the 100-year floodplain.

- ☑ On September 29, 2015, the Planning and Zoning Commission voted 4-0 (*with Commissioners Renfro and McCuthcheon absent and one seat vacant*) to approve *Case No. MIS2015-008*.

- ☑ On October 5, 2015, the City Council voted to deny the single-family attached land use requested by *Case No. MIS2015-008* by a vote of 2-3 (*with Council Members Milder, Townsend and White dissenting and Council Members Fowler and Hoenshelt absent*); however, the City Council did vote to approve an exception to the masonry requirements and a variance to the lot frontage requirements --*also requested by this case* -- by a vote of 3-2 (*with Council Members Townsend and Milder dissenting and Council Members Fowler and Hoenshelt absent*).

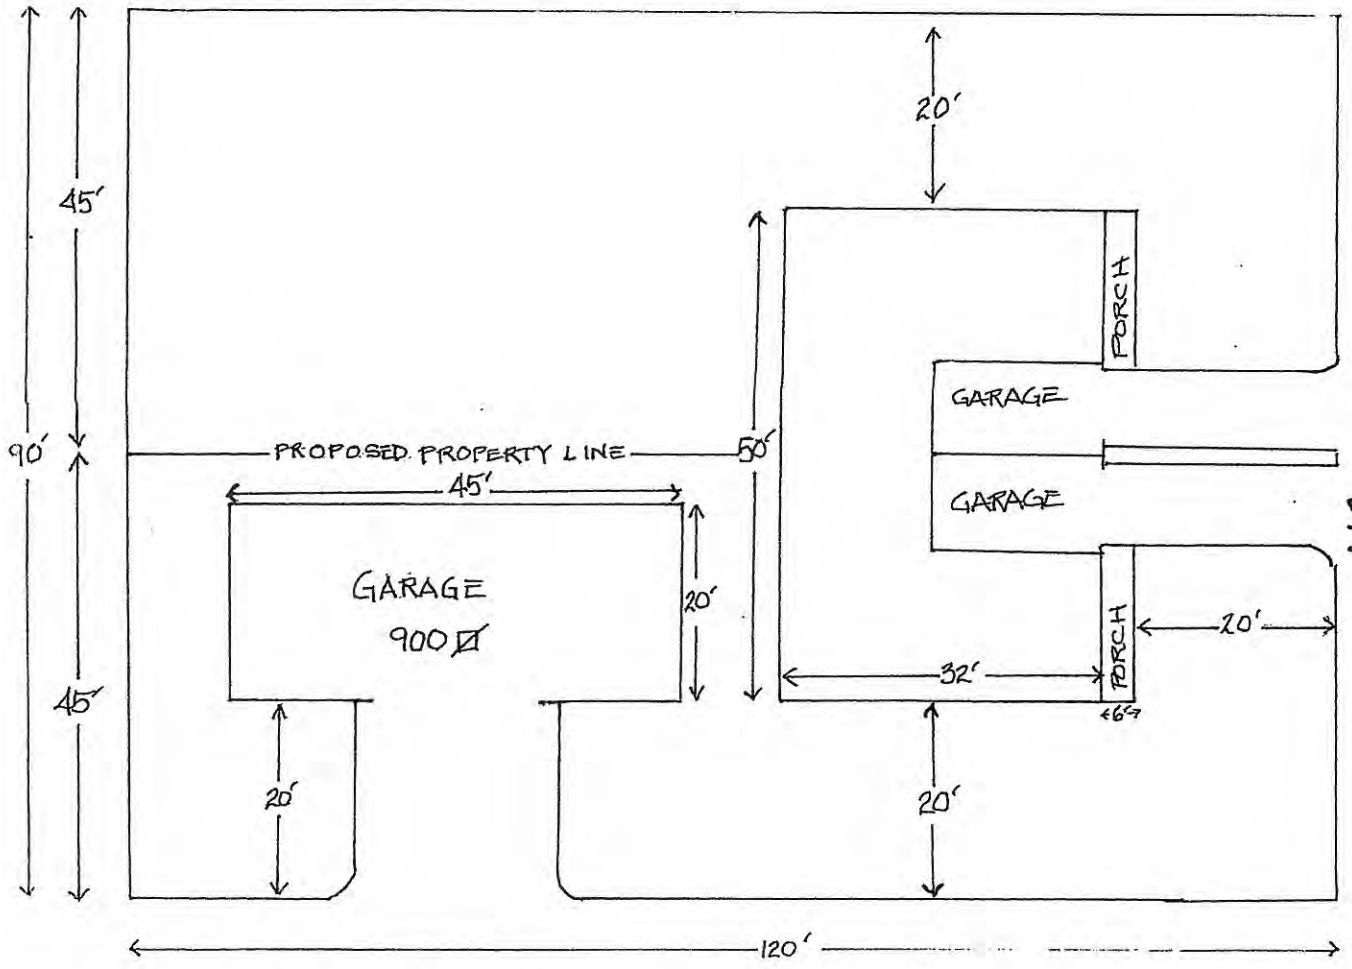
- ☑ On October 19, 2015, at the City Council work session the City Council directed staff to bring the requested land use back under the *Special Exceptions* clause contained in *Exhibit 'C'* of Planned Development District 75 (PD-75) [*Ordinance No. 09-37*]. As part of this directive, the case is to be advertised in the same manner as required for zoning cases as stipulated by Section 6.1, *Notice of Public Hearing*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code.

- ☑ On November 11, 2015, the Planning and Zoning Commission approved a motion to recommend denial of *Case No. MIS2015-009* by a vote of 3-2, with Commissioners McCutcheon and Logan dissenting and Commissioners Jusko and Fishman absent.

From: G. David Smith
To: Miller, Ryan
Cc: Michael Hunter; Sandy Douthey
Subject: Request of Rockwall Housing Development Corp. for Construction Approval
Date: Tuesday, October 20, 2015 4:00:40 PM
Attachments: image001.png

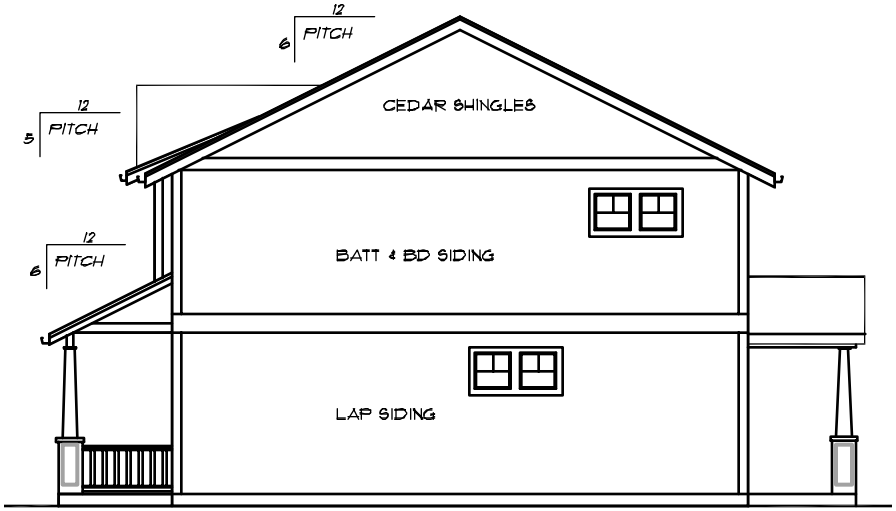
Dear Mr. Miller:

On behalf of the Rockwall Housing Development Corporation, I am making request for consideration of approval of construction of two single family attached dwellings in Lake Rockwall Estates as more particularly described in Case No. MIS 2015 008. I ask that this be placed on the agenda on November 10, 2015.



Thank you for your attention to this matter. Please call if you have any questions.

Yours truly,



G. David Smith

Have a Question?

CITY OF ROCKWALL
PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 08/11/2015

APPLICANT: David Smith, *Rockwall Housing Development Corporation*

AGENDA ITEM: **MIS2015-004**; *Manufactured Home Replacement (142 Rene Drive)*

SUMMARY:

Discuss and consider the approval of a special request by David Smith on behalf of the owner Jose Contreras for a waiver to the Manufactured Home Replacement Minimum Standards as set forth in Exhibit 'C' of Planned Development District 75 (PD-75) [*Ordinance No. 09-37*] to allow a new manufactured home to be located within the floodplain on a 0.17-acre property identified as Lot 1376, Rockwall Lake Estates #2, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 75 (PD-75) for Single Family-7 (SF-7) District land uses, located at 142 Rene Drive, and take any action necessary.

CHARACTERISTICS OF REQUEST:

On behalf of the owner the applicant, David Smith with the Rockwall Housing Development Corporation (RHDC), has submitted a special request to the requirements stipulated for *Manufactured Home Replacement Minimum Standards* outline in *Exhibit 'C'* of Planned Development District 75 (PD-75) [*Ordinance No. 09-37*]. According to this section, if an existing property has a manufactured home situated on it then the property owner is eligible for a one (1) time replacement of said manufactured home pending the replacement home meets the following criteria:

1) The replacement manufactured home shall be permanently affixed to a concrete foundation.
2) The replacement manufactured home shall have a minimum of a 3:12 roof pitch.
3) The replacement manufactured home shall be constructed of a minimum of 90% masonry materials on the exterior of the structure (excluding windows and doors; including the skirting material). This includes Hardiboard lap siding, "Cemplank" lap siding, or a similar cementaceous durable lap siding material that has a minimum width of 6¼-inches.
4) The replacement manufactured home shall be a newer manufactured home and contain at least the same living space/square footage as the previous manufactured home.

The property at 142 Rene Drive currently has an older manufactured home on the subject property that sustained considerable damage with the flooding in Lake Rockwall Estates earlier this spring (*see attached Inspection Report in the attached packet*). The RHDC did attempt to allow the applicant to build on land owned by the RHDC, but according to Mr. Smith's email this proved to be economically infeasible. At this point, the property at 142 Rene Drive is eligible for a one (1) time replacement subject to the requirements listed above; however, the property is located within the 100-year floodplain and does not meet the fire hydrant coverage requirements (*see staff's comments in the attached packet*). Mr. Smith has indicated that the RHDC is willing to assist the owner of the property in removing the existing manufactured home and securing a new manufactured home that will meet all the above mentioned criteria with the exception of the masonry requirements; however, in doing this he is asking that the City Council grant the following waivers/variances: 1) waiver of the masonry requirements, 2) allow construction within a 100-year floodplain, and 3) grant a variance to the fire hydrant coverage requirements. To off-

set construction within the floodplain Mr. Smith has stated that the new manufactured home will be on a 24-inch engineered manufactured home foundation (the flooding was measured at 18-20 inches). The finished floor elevation of the property is estimated to be around 516'-518', approximately four (4) to six (6) feet below the 100-year floodplain elevation (~522'). With this being said it should be mentioned that the applicant does have the ability to rehabilitate the current structure, which would exempt him from all the waivers and variances requested.

According to Section C, *Consideration of Special Request*, of *Exhibit 'C'* of PD-75, the City Council may consider special requests on a case-by-case basis for properties located within the Lake Rockwall Estates subdivision pending a recommendation from the Planning and Zoning Commission. The approval of any special request shall preempt any other underlying zoning restrictions stipulated by the zoning ordinance. Additionally, City Council does have the authority to grant a waiver/variance for allowing a manufactured home to be placed on the subject property.

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the applicant's request staff would recommend the following conditions:

1) Any construction or building allowed by this request must conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 10/05/2015

APPLICANT: Michael Hunter, *Rockwall Housing Development Corporation*

AGENDA ITEM: **MIS2015-008**; *Special Request (112 Chris Drive)*

SUMMARY:

Discuss and consider the approval of a special request by Michael Hunter on behalf of the Rockwall Housing Development Corporation (RHDC) for waivers to the requirements stipulated in *Exhibit 'C'* of Planned Development District 75 (PD-75) [*Ordinance No. 09-37*] to allow the construction of two (2) single-family attached homes on a 0.27-acre parcel of land identified as Lot 984A of the Rockwall Lake Estates #2 Subdivision, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 75 (PD-75) for Single Family-7 (SF-7) District land uses, located at 112 Chris Street, and take any action necessary.

CHARACTERISTICS OF REQUEST:

On behalf of the Rockwall Housing Development Corporation (RHDC), Michael Hunter, *RHDC Executive Director* has submitted a special request to the standards of Planned Development District 75 (PD-75) for the purpose of constructing a single-family attached structure on two (2) lots within *Area 2* of the Lake Rockwall Estates subdivision. The subject property at 112 Chris Street will be subdivided creating two (2), ~5,400 SF (*i.e. 45' x 120'*) lots. A two (2) story, 2,724 SF single-family attached unit will be constructed on each lot and share an adjoining wall with the adjacent property. Additionally, the lot at the corner of the intersection of Chris Drive and County Line Road will incorporate a 900 SF metal garage that will be accessible from County Line Road. As part of this proposal the applicant is requesting the following waivers and exception to the development and land use standards stipulated by *Ordinance No. 09-37*:

1) *Single-Family Attached*. The development standards for *Area 2* contained in *Exhibit 'C'* of *Ordinance No. 09-37* require that all property within *Area 2* be subject to the land uses permitted for a Single-Family 7 (SF-7) District. According to Article IV, *Permissible Uses*, of the Unified Development Code (UDC) a single-family attached structure is not a permitted land use within a Single-Family 7 (SF-7) District.

2) *Lot Frontage.* The development standards for *Area 2* contained in *Exhibit 'C'* of *Ordinance No. 09-37* stipulate a minimum lot frontage of 50-feet on a public street. In this case the applicant is requesting to reduce this to 45-feet.

3) *Side Yard Setback.* The development standards for *Area 2* contained in *Exhibit 'C'* of *Ordinance No. 09-37* require a minimum side yard setback of five (5) feet. Since the structures will share a common wall the minimum side yard setback will be required to be reduced to zero along the property line containing the common wall.

4) *Masonry Requirement*. According to Section B, *Exterior Wall Materials*, of *Exhibit 'C'* of *Ordinance No. 09-37* all residential buildings 120 SF or more and over ten (10) feet in height shall have a minimum of 80% masonry exterior walls, with up to 50% of the masonry requirements permitted to be Hardie Board or a similar cementaceous material. The applicant is requesting an exception to the masonry requirements for the purpose of utilizing

100% hardieplank lap-siding on both single-family attached structures. Additionally, the garage will require an exception since the materials being proposed (*i.e. metal*) does not match the materials utilized on the primary structure. *The applicant has submitted building elevations of the proposed structure for the Planning and Zoning Commission and City Council's review.*

According to Section C, *Consideration of Special* Request, of *Exhibit 'C'* of Planned Development District 75 (PD-75) [*Ordinance No. 09-37*], "(t)he City Council may consider special requests … (s)uch requests may include, but not necessarily be limited to the use of building materials not otherwise allowed, authorization of specific land uses not otherwise allowed, or other requests submitted for consideration." The approval of any special request shall preempt any other underlying zoning restrictions stipulated by the zoning ordinance. With the exception of the abovementioned waivers and exception the proposed development meets the requirements of *Ordinance No. 09-37*.

It should be noted that if the City Council chooses to approve the applicant's request, Mr. Hunter has submitted a letter stating that the RHDC will withdraw *Case No. MIS2015-004*. This case -- *requesting the replacement of a manufactured home within a floodplain* -- was submitted by the RHDC on behalf of Jose Contreras (*i.e. the property owner of 142 Rene Drive*) after his property sustain considerable damage due to flooding in the Lake Rockwall Estates subdivision. It is the RHDC's intent to offer one of the proposed single-family attached units to Mr. Contreras, in exchange for the property at 142 Rene Drive. This would guarantee that no new structure could be placed on 142 Rene Drive, and that the existing mobile home would not be rehabilitated/repurposed; effectively removing a structure within the 100-year floodplain. Additionally, Mr. Hunter's letter states that the remaining unit will be offered to a family that is currently living in a sub-standard structure in the Lake Rockwall Estates subdivision. *A copy of Staff's case memo for Case No. MIS2015-004 has been provided in the attached packet.*

RECOMMENDATIONS:

If the Planning & Zoning Commission and City Council choose to approve the applicant's request staff would recommend the following conditions:

1) Any construction or building allowed by this request must conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On September 29, 2015, the Planning and Zoning Commission passed a motion to recommend approval of the applicant's request for waivers to the requirements stipulated in Planned Development District 75 (PD-75) by a vote of 4-0, with Commissioners Renfro and McCuthcheon absent and one vacant seat.

PROPERTY INSPECTION REPORT

Prepared For: City of Rockwall, jwidmer@rockwall.com

Concerning: 142 Renee Dr, Rockwall, TX 75032

By: Uriah Shockley TREC # 9413 06/10/2015
(Name and License Number of Inspector) (Date)

PURPOSE, LIMITATIONS AND INSPECTOR / CLIENT RESPONSIBILITIES

This property inspection report may include an inspection agreement (contract), addenda, and other information related to property conditions. If any item or comment is unclear, you should ask the inspector to clarify the findings. It is important that you carefully read ALL of this information.

This inspection is subject to the rules ("Rules") of the Texas Real Estate Commission ("TREC"), which can be found at www.trec.texas.gov.

The TREC Standards of Practice (Sections 535.227-535.233 of the Rules) are the minimum standards for inspections by TREC licensed inspectors. An inspection addresses only those components and conditions that are present, visible, and accessible at the time of the inspection. While there may be other parts, components or systems present, only those items specifically noted as being inspected were inspected. The inspector is NOT required to turn on decommissioned equipment, systems, utility services or apply an open flame or light a pilot to operate any appliance. The inspector is NOT required to climb over obstacles, move furnishings or stored items. The inspection report may address issues that are code-based or may refer to a particular code; however, this is NOT a code compliance inspection and does NOT verify compliance with manufacturer's installation instructions. The inspection does NOT imply insurability or warrantability of the structure or its components. Although some safety issues may be addressed in this report, this inspection is NOT a safety/code inspection, and the inspector is NOT required to identify all potential hazards.

In this report, the inspector shall indicate, by checking the appropriate boxes on the form, whether each item was inspected, not inspected, not present or deficient and explain the findings in the corresponding section in the body of the report form. The inspector must check the Deficient (D) box if a condition exists that adversely and materially affects the performance of a system or component or constitutes a hazard to life, limb or property as specified by the TREC Standards of Practice. General deficiencies include inoperability, material distress, water penetration, damage, deterioration, missing components, and unsuitable installation. Comments may be provided by the inspector whether or not an item is deemed deficient. The inspector is not required to prioritize or emphasize the importance of one deficiency over another.

Some items reported may be considered life-safety upgrades to the property. For more information, refer to Texas Real Estate Consumer Notice Concerning Recognized Hazards or Deficiencies below.

THIS PROPERTY INSPECTION IS NOT A TECHNICALLY EXHAUSTIVE INSPECTION OF THE STRUCTURE, SYSTEMS OR COMPONENTS. The inspection may not reveal all deficiencies. A real estate inspection helps to reduce some of the risk involved in purchasing a home, but it cannot eliminate these risks, nor can the inspection anticipate future events or changes in performance due to changes in use or occupancy. It is recommended that you obtain as much information as is available about this property, including any seller's disclosures, previous inspection reports, engineering reports, building/remodeling permits, and reports performed for or by relocation companies, municipal inspection departments, lenders, insurers, and appraisers. You should also attempt to determine whether repairs, renovation, remodeling, additions, or other such activities have taken place at this property. It is not the inspector's responsibility to confirm that information obtained from these sources is complete or accurate or that this inspection is consistent with the opinions expressed in previous or future reports.

ITEMS IDENTIFIED IN THE REPORT DO NOT OBLIGATE ANY PARTY TO MAKE REPAIRS OR TAKE OTHER ACTIONS, NOR IS THE PURCHASER REQUIRED TO REQUEST THAT THE SELLER TAKE ANY ACTION. When a deficiency is reported, it is the client's responsibility to obtain further evaluations and/or cost estimates from qualified service professionals. Any such follow-up should take place prior to the expiration of any time limitations such as option periods

I	NI	NP	D	Inspection Item

Evaluations by qualified tradesmen may lead to the discovery of additional deficiencies which may involve additional repair costs. Failure to address deficiencies or comments noted in this report may lead to further damage of the structure or systems and add to the original repair costs. The inspector is not required to provide follow-up services to verify that proper repairs have been made.

Property conditions change with time and use. For example, mechanical devices can fail at any time, plumbing gaskets and seals may crack if the appliance or plumbing fixture is not used often, roof leaks can occur at any time regardless of the apparent condition of the roof, and the performance of the structure and the systems may change due to changes in use or occupancy, effects of weather, etc. These changes or repairs made to the structure after the inspection may render information contained herein obsolete or invalid. This report is provided for the specific benefit of the client named above and is based on observations at the time of the inspection. If you did not hire the inspector yourself, reliance on this report may provide incomplete or outdated information. Repairs, professional opinions or additional inspection reports may affect the meaning of the information in this report. It is recommended that you hire a licensed inspector to perform an inspection to meet your specific needs and to provide you with current information concerning this property.

TEXAS REAL ESTATE CONSUMER NOTICE CONCERNING HAZARDS OR DEFICIENCIES

Each year, Texans sustain property damage and are injured by accidents in the home. While some accidents may not be avoidable, many other accidents, injuries, and deaths may be avoided through the identification and repair of certain hazardous conditions. Examples of such hazards include:

- malfunctioning, improperly installed, or missing ground fault circuit protection (GFCI) devices for electrical receptacles in garages, bathrooms, kitchens, and exterior areas;
- Malfunctioning arc fault protection (AFCI) devices;
- Ordinary glass in locations where modern construction techniques call for safety glass;
- Malfunctioning or lack of fire safety features such as smoke alarms, fire-rated doors in certain locations, and functional emergency escape and rescue openings in bedrooms;
- Malfunctioning carbon monoxide alarms;
- Excessive spacing between balusters on stairways and porches;
- Improperly installed appliances;
- Improperly installed or defective safety devices; and
- Lack of electrical bonding and grounding.

To ensure that consumers are informed of hazards such as these, the Texas Real Estate Commission (TREC) has adopted Standards of Practice requiring licensed inspectors to report these conditions as “Deficient” when performing an inspection for a buyer or seller, if they can be reasonably determined.

These conditions may not have violated building codes or common practices at the time of the construction of the home, or they may have been “grandfathered” because they were present prior to the adoption of codes prohibiting such conditions. While the TREC Standards of Practice do not require inspectors to perform a code compliance inspection, TREC considers the potential for injury or property loss from the hazards addressed in the Standards of Practice to be significant enough to warrant this notice.

Contract forms developed by TREC for use by its real estate licensees also inform the buyer of the right to have the home inspected and can provide an option clause permitting the buyer to terminate the contract within a specified time. Neither the Standards of Practice nor the TREC contract forms require a seller to remedy conditions revealed by an inspection. The decision to correct a hazard or any deficiency identified in an inspection report is left to the parties to the contract for the sale or purchase of the home.

INFORMATION INCLUDED UNDER "ADDITIONAL INFORMATION PROVIDED BY INSPECTOR", OR PROVIDED AS AN ATTACHMENT WITH THE STANDARD FORM, IS NOT REQUIRED BY THE COMMISSION AND MAY CONTAIN CONTRACTUAL TERMS BETWEEN THE INSPECTOR AND YOU, AS THE CLIENT. THE COMMISSION DOES NOT REGULATE CONTRACTUAL TERMS BETWEEN PARTIES. IF YOU DO NOT UNDERSTAND THE EFFECT OF ANY CONTRACTUAL TERM CONTAINED IN THIS SECTION OR ANY ATTACHMENTS, CONSULT AN ATTORNEY

Promulgated by the Texas Real Estate Commission (TREC) P.O. Box 12188, Austin, TX 78711-2188 (512) 936-3000

I	NI	NP	D	Inspection Item

ADDITIONAL INFORMATION PROVIDED BY INSPECTOR

Flood inspection for manufactured home, single wide, 3 bedroom, 1 bath (2nd bathroom converted into closet)fireplace, detached garage and garage port, sunny, 93 degrees, standing water on two side of house and under house.

Home and garage appear to have been fully furnished, occupied, and all utilities on during time of flood with all family belonging in house and garage damaged or lost. Water mark for exterior wall from grade was 48" inches, water mark inside was measured from floor 21" inches with moisture wicked from walls to ceiling due to the duration structure was submerged under water. Water entered structure as high as 4" inches above windows ceils. Total replacement of floors, sub-floors, all interior wall sheetrock, insulation, ceiling sheet rock, appliances, Parts of HVAC system, and sink cabinets should be anticipated due to water damage.

Due to location (appears to be in a flood plain), age, construction and amount of water/flood damage the replacement of entire structure may be less expensive than taking on repairs. Any attempted replacement should be consulted with a structural engineer with an emphasis on grading and drainage for current location.

Correction: Grounding wire for interior breaker panel is not connected to grounding wire. Fix or repair by a licensed electrician,

I=Inspected NI=Not Inspected NP=Not Present D=Deficiency

I	NI	NP	D	Inspection Item

I. STRUCTURAL SYSTEMS

☑ ☐ ☐ ☑ **A. Foundations**

Type of Foundation(s): Metal trailer frame with wheels removed. Existing axle and bearings appear non functional due to age, rust and corrosion.

Comments:

The foundation is performing as intended at time of inspection, however;

Number and spacing of metal tie down straps are marginal with several missing, unsecured, and excessive slack in existing metal tie downs. Trailer frame should be leveled and tie down straps re-tightened by a qualified licensed manufacturer home installer. Fix or repair

Some piers visible under structure are sinking or leaning. Further investigation and repair needed.

Insulation under trailer frame is water damaged and falling off and needs to be removed. Fix or repair.

Some minor slopping of floors observed throughout house is common for structures of similar, age location and construction. Condition is not uncommon. Fix or repair,

Doors are out of square and can't close and lock properly. Fix or repair

Ventilation of the crawl space is insufficient for the amount of water damage and water contact with structure; a minimum one (1) square foot of free vent area should be provided for every five hundred (500) square feet of crawl space. Proper ventilation will help to control humidity and reduce the potential for rot. Recommend removing all siding so that crawl space can air out due to the amount of moisture (water) around and under house.

Note: Not all parts of crawl space were accessible due to high water underneath structure and large amount of personal belonging and debris around sides of home.

☑ ☐ ☐ ☑ **B. Grading & Drainage** *Comments:*

The lot appears to be at the bottom of a hill in a flood prone area. The general topography of the area is such that it will be difficult to control storm water from rising lake. Recommend a qualified licensed engineer evaluate property and remedies for repair to prevent future flood damage.

I	NI	NP	D	Inspection Item

Excessive amount of debris and personal belonging should be removed from sides of house to prevent the harboring of pests and vermin. Condition is also conducive to several varieties of venomous snakes.

Trees in contact with structure, leaning towards structure, or hanging over structure should be removed to prevent any further damage to structure due to the perils of nature.

☑ ☐ ☐ ☑ **C. Roof Covering Materials**

Type(s) of Roof Covering: Metal Roofing Material with several past repairs.
Viewed From: Inspected from drip edge with ladder.
Comments:

Roofing material is considered to be in poor condition.
Roofing material has signs of past repairs with temporary solutions. Further investigation warranted by a manufacturer home certified and/or licensed roofer for remedies for repair due to past water stains and recent water stains/mold on ceilings.
Roof appears to be leaking. Fix or repair.

☑ ☐ ☐ ☑ **D. Roof Structure & Attic**

Viewed From: Attic was not accessible.
Approximate Average Depth of Attic Insulation: Undetermined
Approximate Average Thickness of Vertical Insulation: 3"-4" inches rolled insulation severely water damaged should be removed to prevent rot and structural support wall damage as soon as possible. Fix or repair.
Crawl space insulation under house needs replacement due to water damage. Fix or repair
Comments:
Due to water damage it is wise to remove insulation from inside exterior wall and ceiling attic space to prevent mold, rot and ultimate structural damage to exterior support walls and rafters.
Note: attic could not be evaluated since no attic access was available. Inspector suspects that there are several water leaks in roof structure due to evidence of past ceiling stains, recent stains and mold.
Roofing material should be evaluated along with remedies for repair by a manufacture home repair professional.
Debris on roof needs to be removed

☑ ☐ ☐ ☑ **E. Walls (Interior & Exterior)** *Comments:*

Water damaged interior walls need total sheet rock and insulation replacement to prevent mold, rot and structural wall problems Fix or repair.

☑ ☐ ☐ ☑ **F. Ceilings & Floors** *Comments:*

Signs of new and past water stains observed on ceiling along with mold due water penetration and high level of moisture inside home. Ceiling sheet rock will need replacement for a large majority of ceiling.

Plywood sub-floors are saturated and replacement should be anticipated due to warping from moisture damage.

Carpet and laminate floors need total replacement due to moisture damage.

☑ ☐ ☐ ☑ **G. Doors (Interior & Exterior)** *Comments:*

Doors are warped due to moisture damage and do not close, total replacement should be anticipated due to moisture damage.

I	NI	NP	D	Inspection Item
☑	☐	☐	☐	**H. Windows** *Comments:* Single pane windows are performing as intended.
☑	☐	☐	☑	**I. Stairways (Interior & Exterior)** *Comments:* Steps for side patio needs to be secured to deck.
☑	☐	☐	☑	**J. Fireplace/Chimney** *Comments:* Fire box is dirty with debris from flood water. Fix or repair.
☑	☐	☐	☑	**K. Porches, Balconies, Decks, and Carports** *Comments:* Carport/garage was submerged under 48" inches of water. Due to the amount of equipment in garage not all parts of garage could be inspected.

II. ELECTRICAL SYSTEMS

☑	☐	☐	☑	**A. Service Entrance and Panels** *Comments:* Overhead electrical service lines are in contact with trees. Fix or repair by a current licensed electrician. **Correction: Grounding wire for interior breaker panel is not connected to grounding rod. Fix or repair by a licensed electrician.** Missing Arc Fault Circuit Interrupter (AFCI) breakers for bedrooms. Not required when home was built. Fix or repair. Missing GFCI outlets for bathrooms, kitchen and garage. Fix or repair. Exterior disconnect breaker (located on outside meter pole)was submerged under flood water and should be replaced by a current licensed electrician to assure safe and reliable working order. Fix or repair. Interior branch circuit breaker panel is located in master bedroom and considered a hazard by today's standards. Recommend relocating breaker panel. Interior branch circuit breaker panel was not submerged by water, however, breaker panel is extremity dirty inside and should be professionally cleaned by a qualified licensed electrician to assure safe and proper working order.
☑	☐	☐	☑	**B. Branch Circuits, Connected Devices, and Fixtures** *Type of Wiring:* Copper *Comments:* All plug outlets for house and garage should be replaced to assure safe and proper working order since they all were submerged under water. Improper wiring was observed on water heater, further investigation and repair required by a licensed electrician or qualified plumber

III. HEATING, VENTILATION AND AIR CONDITIONING SYSTEMS

☑	☐	☐	☐	**A. Heating Equipment** *Type of System:* Central Forced Air Furnace *Energy Source:* Electricity *Comments:*

I	NI	NP	D	Inspection Item

Blower and heating elements were submerged under water. Repair or replacement should be anticipated due to water damage. Further investigation warranted by a licensed HVAC professional when power is turned on.

☑ ☐ ☐ ☑ **B. Cooling Equipment**
Type of System: Central Forced Air System
Comments: AC coils are old with signs of heavy rust buildup
Condenser was completely submerged under water warranting further investigation by a current licensed HVAC professional when power is on
Due to water damage it is recommended that a licensed HVAC professional evaluate entire HVAC l system further to assure proper working order. Repairs should be anticipated.

☑ ☐ ☐ ☑ **C. Duct System, Chases, and Vents** *Comments:*
Metal ducts were submerged under water. Replacement should be anticipated due to health concerns of mold inside ducts.

IV. PLUMBING SYSTEM

☑ ☐ ☐ ☐ **A. Water Supply System and Fixtures**
Location of water meter: Right side of driveway.
Location of main water supply valve: Emergency main water shutoff valve was not present, recommend that main water shut off valve be installed next to house for emergency access.
Static water pressure reading: 65 psi (acceptable range 40-80psi)
Comments:
Missing water shutoff valves under all sinks. Fix or repair.

☑ ☐ ☐ ☑ **B. Drains, Wastes, and Vents** *Comments:*
It appears that toilet drain line has been disconnected allowing toilet waste water to terminate under house. Fix or repair (note: this may indicate that there was some movement of entire structure due to rising flood water).
Waste drains under kitchen sink are held together with duct tape. Further investigation and repair required by a licensed plumber

☑ ☐ ☐ ☑ **C. Water Heating Equipment**
Energy Source: Electricity
Capacity: 50gls.
Comments:
Water heater is at or exceeded estimated life expectancy with evidence of severe rust on unit.
Improper wiring should be evaluated by a qualified plumber or licensed electrician.

V. APPLIANCES

☑ ☐ ☐ ☐ **A Dishwasher** *Comments:* N/A

☐ ☐ ☑ ☐ **B. Food Waste Disposer** *Comments:* N/A

☐ ☑ ☐ ☐ **C. Range Exhaust Vent** *Comments:* performance could not be determined since power was off

☐ ☑ ☐ ☐ **D. Ranges, Cooktops, and Ovens** *Comments:*

I	NI	NP	D	Inspection Item

Oven range was removed, condition is undetermined. Unit was in the street

☐ ☐ ☑ ☐ **E. Microwave Oven** *Comments:* N/A

☐ ☐ ☑ ☐ **F. Trash Compactor** *Comments:* N/A

☐ ☐ ☑ ☐ **G. Mechanical Exhaust Vents and Bathroom Heaters** *Comments:*
Performance undetermined since electricity was off

☐ ☐ ☑ ☐ **H. Garage Door Operator(s)** *Comments:* N/A

☐ ☐ ☑ ☐ **I. Doorbell and Chimes** *Comments:* N/A

☐ ☐ ☑ ☐ **J. Dryer Vents** *Comments:* undetermined. Appears dryer vent terminates underneath house

☐ ☐ ☑ ☐ **K. Washer and Dryer** *Comments* Washer and dryer were totally submerged under water:

☐ ☐ ☑ ☐ **L. Refrigerator:** Refrigerator was removed and in street. Condition undetermined.

VI. OPTIONAL SYSTEMS

☑ ☐ ☐ ☑ **A. Private Sewage Disposal (Septic) Systems**
Type of System: Conventional Drip Septic System
Location of Drain Field: In back of house
Comments:
Septic system and drain field were still submerged under water, recommend a licensed septic representative evaluate system when water recedes.

☐ ☐ ☑ ☐ **B. Smoke Detectors** *Comments:* Smoke detectors not present

I	NI	NP	D	Inspection Item

ADDENDUM: REPORT SUMMARY

The following is a synopsis of the potentially significant improvements that should be budgeted for over the short term. Other significant improvements, outside the scope of this inspection, may also be necessary. Please refer to the body of this report for further details on these and other recommendations.

For your convenience, the following conventions have been used in this summary addendum.

Major Concerns: *a system or component which is considered significantly deficient or is unsafe. Significant deficiencies need to be corrected and, except for some safety items, are likely to involve significant expense.*

Safety Issues: *denotes a condition that is unsafe and in need of prompt attention.*

Repair Items: *denotes a system or component which is missing or which needs corrective action to assure proper and reliable function.*

Improvement Items: *denotes improvements which are recommended but not required.*

Items To Monitor: *denotes a system or component needing further investigation and/or monitoring in order to determine if repairs are necessary.*

Deferred Cost Items: *denotes items that have reached or are reaching their normal life expectancy or show indications that they may require repair or replacement anytime during the next five (5) years.*

MAJOR CONCERNS

The inspection of the property listed above must be performed in compliance with the rules of the Texas Real Estate Commission (TREC).

SAFETY ISSUES

Smoke detectors not present

Overhead electrical service lines are in contact with trees. Fix or repair by a current licensed electrician.

REPAIR ITEMS

Number and spacing of metal tie down straps are marginal with several missing, unsecured, and excessive slack in existing metal tie downs. Trailer frame should be leveled and tie down straps re-tightened by a qualified licensed manufacturer home installer. Fix or repair

Some piers visible under structure are sinking or leaning. Further investigation and repair needed.

Insulation under trailer frame is water damaged and falling off and needs to be removed. Fix or repair

Excessive amount of debris and personal belonging should be removed from sides of house to prevent the harboring of pests and vermin. Condition is also conducive to several varieties of venomous snakes.

Trees in contact with structure, leaning towards structure, or hanging over structure should be removed to prevent any further damage to structure due to the perils of nature.

Roofing material has signs of past repairs with temporary solutions. Further investigation warranted by a manufacturer home certified and/or licensed roofer for remedies for repair due to past water stains and recent water stains/mold on ceilings

3”-4” inches rolled insulation severely water damaged should be removed to prevent rot and structural support wall damage as soon as possible. Fix or repair.

Crawl space insulation under house needs replacement due to water damage. Fix or repair

I	NI	NP	D	Inspection Item

Due to water damage it is wise to remove insulation from inside exterior wall and ceiling attic space to prevent mold, rot and ultimate structural damage to exterior support walls and rafters.

Water damaged interior walls need total sheet rock and insulation replacement to prevent mold, rot and structural wall problems Fix or repair

Signs of new and past water stains observed on ceiling along with mold due water penetration and high level of moisture inside home. Ceiling sheet rock will need replacement for a large majority of ceiling.

Plywood sub-floors are saturated and replacement should be anticipated due to warping from moisture damage.

Carpet and laminate floors need total replacement due to moisture damage.

Doors are warped due to moisture damage and do not close, total replacement should be anticipated due to moisture damage

Main disconnect breaker was submerged under flood water and should be replaced by a current licensed electrician to assure safe and reliable working order. Fix or repair.

Main disconnect breaker was submerged under flood water and should be replaced by a current licensed electrician to assure safe and reliable working order. Fix or repair.

All plug outlets for house and garage should be replaced to assure safe and proper working order since they all were submerged under water.

Improper wiring was observed on water heater, further investigation and repair required by a licensed electrician or qualified plumber

Blower and heating elements were submerged under water. Repair or replacement should be anticipated due to water damage. Further investigation warranted by a licensed HVAC professional when power is turned on.

Condenser was completely submerged under water warranting further investigation by a current licensed HVAC professional

Metal ducts were submerged under water. Replacement should be anticipated due to health concerns of mold inside ducts.

Missing water shutoff valves under all sinks. Fix or repair.

It appears that toilet drain line has been disconnected allowing toilet waste water to terminate under house. Fix or repair (note: this may indicate that there was some movement of entire structure due to rising flood water).

Waste drains under kitchen sink are held together with duct tape. Further investigation and repair required by a licensed plumber

Water heater is at or exceeded estimated life expectancy with evidence of severe rust on unit.

Improper wiring should be evaluated by a qualified plumber or licensed electrician.

Large amount of cleaning and debris removal due to flood water is needed.

IMPROVEMENT ITEMS

Missing Arc Fault Circuit Interrupter (AFCI) breakers for bedrooms. Not required when home was built. Fix or repair.

Missing GFCI outlets for bathrooms, kitchen and garage. Fix or repair.

Main breaker panel is located in master bedroom and considered a hazard by today's standards. Recommend relocating breaker panel.

Main breaker panel was not submerged by water, however, breaker panel is extremity dirty inside and should be professionally cleaned by a qualified licensed electrician to assure safe and proper working order.

Emergency main water shutoff valve was not present

ITEMS TO MONITOR

Oven range was removed, condition is undetermined. Unit was in the street
Refrigerator was removed and in street. Condition undetermined.
Washer and dryer were totally submerged under water:
Past repairs to drain lines under house were observed by inspector.

DEFERRED COST ITEMS

Condenser was completely submerged under water warranting further investigation by a current licensed HVAC professional when power is on

I=Inspected NI=Not Inspected NP=Not Present D=Deficiency

I	NI	NP	D	Inspection Item

Due to water damage it is recommended that a licensed HVAC professional evaluate entire HVAC l system further to assure proper working order. Repairs should be anticipated.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 11/16/2015

APPLICANT: Bobby Dale & Bretta Price

AGENDA ITEM: **Z2015-027**; 453 E. Cullins Rd. *(AG to SFE-2.0)*

SUMMARY:

Hold a public hearing to discuss and consider a request by Bobby Dale and Bretta Price for the approval of a zoning change from an Agricultural (AG) District to a Single Family Estate 2.0 (SFE-2.0) District for a 5.5-acre tract of land identified as Tract 17-7 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, addressed as 453 Cullins Road, and take any action necessary.

PURPOSE:

The subject property is a 5.5-acre tract of land identified as Tract 17-7 of the W. W. Ford Survey, Abstract No. 80. The applicants, Bobby Dale & Bretta Price, are requesting to rezone the property from an Agricultural (AG) District to a Single Family Estate (SFE 2.0) District for the purpose of constructing a combination mother-in-law suite and garage space. Based on the applicant's letter of request, the size of the new structure would exceed what the Unified Development Code would allow as an accessory use and would require a Specific Use Permit (SUP). Should the zoning request be approved, the applicant's intention will be to apply for an SUP in order to construct the new accessory building. The subject property is located on the northeast corner of FM-549 and Cullins Road.

With the exception of the Oaks of Buffalo Way residential subdivision (SFE-1.5), the majority of the surrounding properties are zoned AG and have single family homes. Within approximately 315 feet of the subject property there are two (2) properties that have been rezoned from AG to SFE-2.0 and a third property approximately 1,500 feet away designated as SFE-2.0. Based on this, a Single Family Estate (SFE-2.0) District may be considered an appropriate zoning district for the property; however, a zoning change request is a discretionary act reserved for the Planning and Zoning Commission and City Council to consider.

In your packet is a letter requesting the zoning change, a legal description and boundary survey indicating the area to be zoned for your review and consideration.

ADJACENT PROPERTIES ZONING DISTRICTS:

The zoning adjacent to the subject property is as follows:

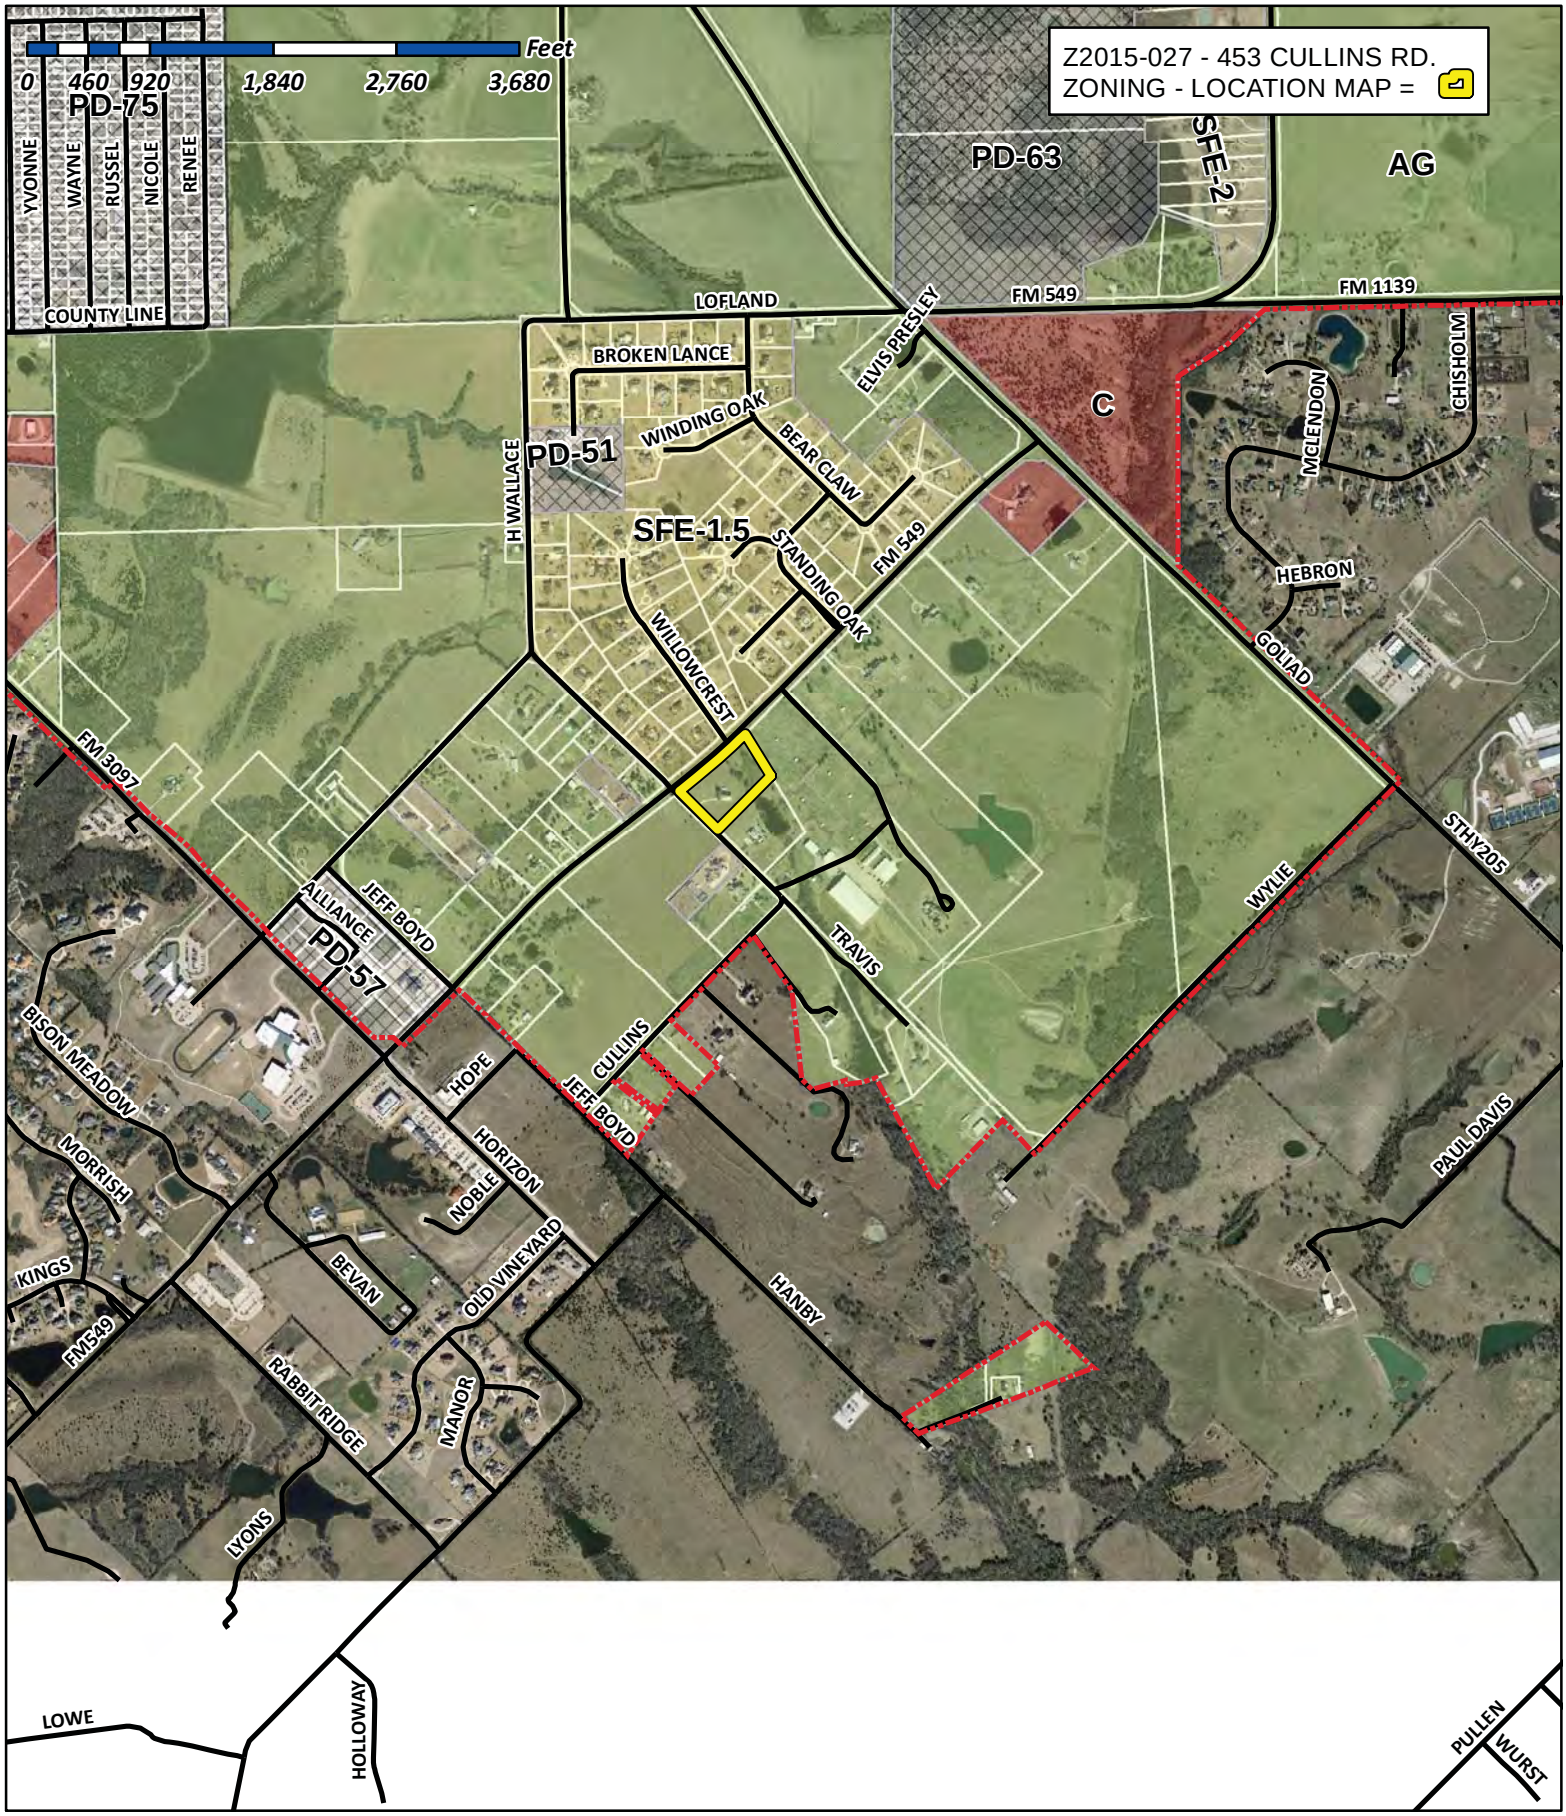
North: The zoning north of the subject property is (SFE-1.5) Single Family Estate District.

South: The zoning south of the subject property is (AG) Agricultural District.

East: The zoning east of the subject property is (AG) Agricultural District.

West: The zoning west of the subject property is (AG) Agricultural District.

CONFORMANCE WITH THE COMPREHENSIVE PLAN:



The Future Land Use Map, adopted with the Comprehensive Plan, designates the subject property for *Low Density Residential* land uses, which is defined as less than two (2) single-family units per acre. This designation is in conformance with the applicant's request to rezone the subject property to a Single-Family Estate (SFE-2.0) District.

NOTIFICATION:

Staff mailed nineteen (19) notices to property owners within 500 feet of the subject property. Staff also notified one (1) HOA/Neighborhood Organization (Oaks of Buffalo Way) that is within 1,500 feet and participating in the notification program. Additionally, staff posted a sign on the property as required by the Unified Development Code (UDC). At the time this report was drafted, staff has received one notice "in favor of" the zoning change requested.

PLANNING AND ZONING RECOMMENDATION:

On November 10, 2015, the Planning and Zoning Commission recommended approval of the zoning change request by a vote of 5 to 0 with Commissioner's Fishman and Jusko absent.

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2015-027: 453 Cullins Rd.

Hold a public hearing to discuss and consider a request by Bobby Dale and Bretta Price for the approval of a zoning change from an Agricultural (AG) District to a Single Family Estate 2.0 (SFE-2.0) District for a 5.5-acre tract of land identified as Tract 17-7 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, addressed as 453 Cullins Road, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 11/10/2015 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 11/16/2015 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **11/16/2015** to ensure they are included in the information provided to the City Council.

Sincerely,

Ryan Miller, AICP
Director of Planning & Zoning

Mr. David Gonzales
Senior Planner
Planning and Zoning Division
City of Rockwall
385 S. Goliad St
Rockwall TX 75087

Dear Mr. Gonzales:

This letter is to request re-zoning for our current residence at 453 Cullins Rd., Rockwall TX 75032. The re-zoning will be for a new structure to be built on the site which contains approximately 648 square feet for mother-in-law suite and a garage space of approximately 1,793 square feet. The proposed building is a one story building.

The zoning currently is for Agricultural. We would like to request zoning for SF-4.

Please let me know if you require additional information.

Thank you.

Bretta Price
453 Cullins Rd.
Rockwall TX 75032

CITY OF ROCKWALL

ORDINANCE NO. 15-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A SINGLE-FAMILY ESTATE 2.0 (SFE-2.0) DISTRICT FOR A 5.50-ACRE TRACT OF LAND IDENTIFIED AS TRACT 17-7 OF THE W.W. FORD SURVEY, ABSTRACT NO. 80, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN *EXHIBIT 'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Bobby Dale and Bretta Price for the approval of an amendment to the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall to adopt a change in zoning from an Agricultural (AG) District to a Single-Family Estate 2.0 (SFE-2.0) District for a 5.50-acre tract of land identified as Tract 17-7 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, and more specifically described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning of the *Subject Property* from an Agricultural (AG) District to a Single-Family Estate 2.0 (SFE-2.0) District; and

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes provided for a *Single-Family Estate (SF-E) District* in *Section 1.1, "Use of Land and Buildings,"* of *Article IV, "Permissible Uses"* and *Section 3.2, "Single-Family Estate (SF-E/2.0) District",* of *Article V, "District Development Standards",* of the *Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future;

Section 3. That the official zoning map of the City be corrected to reflect the changes in the

zoning described herein.

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ON THIS THE _____ DAY OF _____, 2015.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manger*
Brad Griggs, *Assistant City Manager*

FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: November 16, 2015

SUBJECT: *Z2015-029; Amendments to the Landscaping Requirements*

As part of the *New Volunteer Opportunity Program* initiated by the City Manager's office, the Planning Department was tasked with leading a group of citizens through a comprehensive review of the City's landscape ordinances. The purpose of this exercise was to use local experts and interested citizens to make recommendations to ensure that the ordinances were conservation minded with regard to water usage requirements and policies. At the September 21, 2015 City Council meeting, staff presented the Committee's recommendations to the City Council. The Council directed staff to prepare text amendments to address six (6) of the seven (7) recommendations. The recommendations being sent forward are as follows:

1) *The planting requirements for the City's Overlay Districts should be reduced from three (3) canopy trees and four (4) accent trees per 100-linear feet to two (2) canopy trees and four (4) accent trees per 100-linear feet.*

2) *The City's list of acceptable trees, trees to be planted within the landscape buffers of the City's Overlay Districts, and as replacement trees for tree preservation should be changed as stated in the attached packet.*

3) *An appendix should be added to the Unified Development Code that includes recommended planting lists for trees, shrubs, grasses etc.*

4) *Xeriscaping standards should be established as an alternative to conventional landscaping standards for the purpose of incorporating low water use plants and/or pervious hardscapes. Additionally, xeriscaping should be incentivized by allowing a 2.5% reduction in the overall required landscaping percentage for the purpose of making it a more attractive option to developers.*

5) *The screening required of a commercial development when adjacent to a residential development should be changed to include an option to allow a wrought iron fence with landscape screening where applicable.*

6) *During drought or water emergency response stages the Director of Planning and Zoning or his designee can grant an applicant permission to delay the installation of required landscaping to a specified time and date.*

In accordance, with Section 4.2 of Article XI, *Zoning Related Applications*, of the UDC staff brought the proposed amendments forward to the Planning and Zoning Commission for a public hearing and a recommendation to the City Council on November 10, 2015. At this meeting, the Planning and Zoning Commission approved a motion to recommend approval of the text amendment by a vote of 5-0, with Commissioners Jusko and Fishman absent. Attached to this memorandum are copies of the proposed text amendments and a draft ordinance.

Section 6. Overlay District Standards

Section 6.6. IH-30 Overlay (IH-30 OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the IH-30 right-of-way as set out below.

E.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine, Bald Cypress,*** Bur Oak, Cedar Elm, ***Eastern Red Cedar, Homestead Elm, Lacebark Elm, Little Gem Magnolia,*** Live Oak, ***October Glory Maple,*** Red Oak, ***Texas Ash, Texas Red Oak*** ~~***Leyland Cypress***~~.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Section 6.7. SH-205 Overlay (SH-205 OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the SH 205 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in subsections E.3 and E.4.

E.3 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine,*** Bur Oak, ***Caddo Maple,*** Cedar Elm, Lacebark Elm, Leyland Cypress, ***Little Gem Magnolia,*** Live Oak, ***October Glory Maple*** ~~***Red Oak***~~.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Section 6.8. Scenic Overlay (SOV) District

F.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the FM 740 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in subsections F.3 and F.4.

F.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine,*** Bur Oak, ***Caddo Maple,*** Cedar Elm, Lacebark Elm, Leyland Cypress, ***Little Gem Magnolia***, Live Oak, ***October Glory Maple*** ~~***Red Oak***~~.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Section 6.9. SH-66 Overlay (SH-66 OV) District

F.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the SH 66 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in subsections F.3 and F.4.

F.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine,*** Bur Oak, Cedar Elm, Lacebark Elm, ~~***Leyland Cypress,***~~ ***Little Gem Magnolia,*** Live Oak, ***October Glory Maple,*** Red Oak, ***Texas Ash, Texas Red Oak***.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Section 6.10. 205 By-Pass Corridor Overlay (205 BY-OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the John King Blvd. right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in section E — (3) and (4). The area of John King Blvd. from Quail Run Road to SH 205 North shall include an average of one cedar tree for each 100 feet of frontage planted in clusters of three to five trees.

E.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine, Bald Cypress,*** Bur Oak, Cedar Elm, ***Eastern Red Cedar, Homestead Elm,*** Lacebark Elm, ~~***Leyland Cypress,***~~ ***Little Gem Magnolia,*** Live Oak, ***October Glory Maple***, Red Oak, ***Texas Ash, Texas Red Oak***.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Section 6.11. North SH-205 Corridor Overlay (N-SH 205 OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the SH 205 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in section E — (3) and (4).

E.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine,*** Bur Oak, ***Caddo Maple,*** Cedar Elm, Lacebark Elm, Leyland Cypress, ***Little Gem Magnolia,*** Live Oak, ***October Glory Maple*** ~~***Red Oak***~~.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Section 6.12. East SH-66 Corridor Overlay (E-SH 66 OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the East SH 66 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in section E — (3) and (4). The East SH 66 Corridor Overlay shall include an average of one cedar tree for each 100 feet of frontage planted in clusters of three to five trees.

E.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine,*** Bur Oak, ***Caddo Maple,*** Cedar Elm, Lacebark Elm, Leyland Cypress, ***Little Gem Magnolia,*** Live Oak, ***October Glory Maple*** ~~***Red Oak***~~.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Section 6.13. FM-549 Corridor Overlay (FM-549 OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the FM 549 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in section E — (3) and (4). The area of the FM 549 Corridor Overlay from Airport Road to SH 66 shall include an average of one cedar tree for each 100 feet of frontage planted in clusters of three to five trees.

E.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine, Bald Cypress,*** Bur Oak, ***Caddo Maple,*** Cedar Elm, ***Lacebark Elm, Leyland Cypress, Little Gem Magnolia,*** Live Oak, ***October Glory Maple,*** Red Oak, ***Texas Ash, Texas Red Oak***.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Section 6.14. SH-276 Corridor Overlay (SH-276 OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the SH 276 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in section E — (3) and (4).

E.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine, Bald Cypress,*** Bur Oak, Cedar Elm, ***Eastern Red Cedar, Homestead Elm, Lacebark Elm, Little Gem Magnolia,*** Live Oak, ***October Glory Maple,*** Red Oak, ~~***Leyland Cypress***~~.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Article VIII. Landscape Standards

Section 3. Definitions

Xeriscaping **means type of landscaping design that uses a combination of native plants and grasses, approved hardscapes and drought tolerant ground covers and planting materials for the purpose of conserving water and protecting the local environment.**

Section 5 Mandatory Provisions
Section 5.3. Acceptable Landscape Materials

A. No artificial plant materials may be used to satisfy the requirements of this article.

B. Plant materials used to satisfy the requirements of this article must comply with the following minimum size requirements at the time of installation:

☑ Large trees must have a minimum caliper of three inches, or a minimum height of six feet, depending on the standard measuring technique for the species.
☑ **Shrubs shall be a minimum of three (3) gallons in size.**

C. For purposes of this section, "height" is measured from the root crown or, if the plant is in a container, from the soil level in the container.

D. In satisfying the landscaping requirements of this article, the use of high-quality, hardy plant materials on the approved plant list below is recommended and encouraged. Plants found on the disapproved plant list below shall not be placed within the right-of-way or within the required building setback along a street.

(Ord. No. 06-14, 4-17-2006)

E. As an alternative, the xeriscaping standards in Section 5.10 of this Article have been adopted to encourage new and existing developments to implement landscaping standards targeted at reducing water usage by using drought tolerant plantings and plans.

F. Trees allowed in street landscape buffer areas. The following trees are allowed within the street landscape buffers along public streets:

1. Afghan Pine.
2. Bald Cypress.
3. Burr Oak.
4. Caddo Maple.
5. Cedar Elm.
6. Chinquapin Oak.
7. Eastern Red Cedar.
8. Homestead Elm.
9. Lace Bark Elm.
10. Leyland Cypress.
11. Little Gem Magnolia.
12. Live Oak.
13. October Glory Maple.

14. Pecan.
15. Red Oak.
16. Texas Ash.
17. Texas Red Oak.
~~18. Chinese Pistachio.~~

and various native understory trees such as:

1. Desert Willow
2. Downy Hawthorn.
3. Eastern Redbud
4. Eve's Necklace
5. Mexican Buckeye
6. Possumhaw Holly
7. Shantung Maple
8. Yaupon Holly
~~9. Texas Redbud.~~
~~10. Mexican Plum.~~
~~11. Wax Myrtle.~~
~~12. Yaupon.~~
~~13. Deciduous Yaupon.~~

Section 5.6. Screening from Residential Uses

A. Any commercial or industrial use or parking lot that has a side or rear contiguous to any residential district, or any multi-family use with more than five dwelling units or parking lot that has a side or rear contiguous to any single-family, townhouse, or duplex district, shall be screened with a masonry fence (***~~excluding~~*** tilt wall or concrete block ***are prohibited; however, precast walls may be approved by the Planning and Zoning Commission ~~unless approved by the city council~~***), six ***(6)*** feet in height***~~, unless otherwise approved by the city council~~***. As an alternative, berms in conjunction with a ***minimum of a six (6) foot wrought fence*** and a combination of trees and shrubs can be utilized to meet ***~~this~~*** the screening requirement***s if the Planning & Zoning Commission determines that the proposed alternative will provide sufficient screening***. The screen shall be located no closer to the street than the property line. Any ordinances concerning sight obstructions of intersections shall be applicable to the screen where it is intersected by a street or driveway.

B. Prior to construction of any required screens, complete plans showing type of material, depth of beam, and structural support shall be analyzed by the building permit office to determine whether or not:

1. The screen will withstand the pressures of time and nature;
2. The screen adequately accomplishes the purpose for which it was intended;
3. Plans shall be sealed by a registered engineer or they shall conform to the city's standard design for screening walls.

C. Such screen shall be constructed prior to the issuance of a certificate of occupancy for any building or portion thereof.

D. The areas adjacent to the required screening wall, or areas adjacent to a public street or right-of-way, shall be maintained by the property owner in a clean and orderly condition, free of debris and trash in accordance with the applicable codes of the city.

Section 5.10. ***~~Deleted.~~ Xeriscaping Standards.***

A. *Purpose.* The purpose of this section is to promote the establishment of water conscious landscaping through the implementation of xeriscaping principles. Additionally, this section is intended to provide an alternative to the typical landscape requirements for commercial properties.

B. *Principles*. All xeriscaping plans submitted to the city should demonstrate conformance with the following principles:

1. *Planning and Design.* Landscape designs and plans should take into account the regional and microclimatic conditions of the site, its existing vegetation and topographical conditions, the intended use, and the zoning (*i.e. vegetation zone*) of plant materials according to their unique water needs. Plans should take into account the various heights of landscaping materials. If the landscape plan is proposed in phases, to account for optimum planting times, all future phases should be included on the submitted landscape plan. In reviewing plans to ensure proper site planning and design, staff shall ensure that the plan: 1) preserves and protects existing vegetation, 2) preserves and protects topsoil, 3) stabilizes and covers all bare soil areas, and 4) incorporates energy/water conservation.

2. *Soil Improvement.* Since soil tends to vary from site to site all soil should be analyzed to determine what plants are suitable to include on the landscape plan and if any soil amendments are required. Soil may require additional organic material be added to ensure the continued health of plants.

3. *Appropriate Plant Selection.* Plant selection should be based on the plant's adaptability to the existing site conditions and need for supplemental watering. Most xeriscape plants will not require supplemental watering. In selecting plant materials, mature plants and shrubs should be used to ensure establishment after installation. A list of plants that are native and acceptable within the City of Rockwall has been provided in Appendix F, *Recommended Plantings*, of the Unified Development Code; however, staff may approve alternate plantings if they are deemed appropriate for the site. In reviewing plans for conformance to this principle staff will consider the: 1) diversity of the plant species being proposed, 2) size, maturity and water requirements of the selected plantings, and 3) variation of height, spread and color.

4. *Practical Turf Areas.* The type and location of turf areas are considered to be a major design element in xeriscape plans. Turf in this case involves typical varieties of Bermuda, St. Augustine, Ryegrass blends, etc. The maintenance needs of turf can be minimized by the shape, area, irrigation equipment, and turf type selected. Drainage areas and sloped areas are especially suited to the use of native grasses as opposed to turf. In reviewing plans to ensure that the turf areas being proposed are practical staff will review: 1) the design of the turf areas [*with rounded, compact turf areas being more efficient*], 2) turf areas should be designed to be on a separate zone from other landscaping, 3) turf should be appropriate for the selected location, 4) turf should be avoided on

slopes and drainage areas in favor of native grasses, and 5) minimize turf areas by using native grasses, hardscape elements and alternatives.

5. ***Efficient Irrigation.*** **All landscaping is required to have an irrigation system that is designed by a licensed irrigator. Additionally, all irrigation systems should be designed to be water efficient utilizing low-flow irrigation equipment. The plan should show that turf areas should be watered separately, and plants should be grouped in separate zones based on water need. Finally, all irrigation systems are required to be maintained in proper working order.**
6. ***Use of Mulches.*** **Mulches minimize evaporation, reduce weed growth, slow erosion and help maintain soil temperature. In reviewing the use of mulches in xeriscape plans staff shall ensure: 1) the use of a deep layer of mulch in planting beds [*typically 3-4 inches*] is utilized, and 2) mulches should be locally or regionally derived materials. Additionally, mulches may include the use of pea gravel, crushed granite, rock or pebbles in unplanted areas.**
7. ***Appropriate Maintenance.*** **Proper pruning, weeding and fertilization as required with all landscape plans shall be required. Typically, xeriscape plans require less maintenance, fertilizer and other chemicals and pesticides.**

C. *Standards*.

1. **If approved with a Landscape Plan native grasses shall be exempt from the rules and requirements of Section 16-43, *Weeds, Brush and Grass*; however, the grass should be maintained to a height typical for the particular native grass.**
2. **Drainage or detention areas that utilize native grasses in lieu of turf shall be exempt from the requirements stipulated by Section 5.12.C (*i.e. one [1] tree per every 750 square feet of dry land area*). Instead, a shrub or ornamental grass per every 1,500 square feet of dry land area shall be required to be planted on the site or around the detention area.**
3. **A maximum of 30% mulches or hardscape is permitted to be incorporated into all xeriscape plans. This may be increased by the Planning & Zoning Commission if deemed appropriate and necessary for the proposed plan.**

D. *Approval of Xeriscape Plans*. All xeriscape plans shall require approval by the Planning & Zoning Commission, upon a recommendation by staff concerning conformance to the requirements of this section, at the time of site plan approval.

~~(Ord. No. 06-14, 4-17-2006)~~

Section 6 Landscape Credits
Section 6.4 Credit for Xeriscaping.

The overall landscaping requirement may be reduced by 2.5 percent when the Planning Director or his/her designee determines that the standards stipulated by Section 5.10, *Xeriscaping Standards*, of this Article have been satisfied.

Section 7. Completion of Landscaping
Section 7.1. In Accordance with Approved Plans.

Except as otherwise provided in Subsection 7.2, all landscaping must be completed in accordance with the approved landscape plan before a Certificate of Occupancy may be issued for any building on the lot~~.~~ ***; however, during drought or water emergency response stages***

the Director of Planning and Zoning or his designee can grant an applicant permission to delay the installation of required landscaping (independent of Subsection 7.2) upon receipt of a letter from the applicant stating that the landscaping will be installed by a specific date that is within a reasonable time period not to exceed six (6) months. The Director of Planning and Zoning may extend the agreement for successive terms if the City is still under drought or water emergency response stages.

Section 7. Tree Replacement Credits

D. Types of trees. Replacement trees shall be selected from the following list and shall be a minimum of three caliper inches as measured six inches above the root ball.

Canopy Trees:

1. Afghan Pine.
2. Bald Cypress.
3. Burr Oak.
4. Caddo Maple.
5. Cedar Elm.
6. Chinquapin Oak.
7. Eastern Red Cedar.
8. Homestead Elm.
9. Lace Bark Elm.
10. Leyland Cypress.
11. Little Gem Magnolia.
12. Live Oak.
13. October Glory Maple.
14. Pecan.
15. Red Oak.
16. Texas Ash.
17. Texas Red Oak.

Accent Trees:

1. Desert Willow
2. Downy Hawthorn.
3. Eastern Redbud
4. Eve's Necklace
5. Mexican Buckeye
6. Possumhaw Holly
7. Shantung Maple
8. Yaupon Holly

TABLE OF CONTENTS

Section F.1. Introduction.
Section F.2. District Landscaping Requirements.
Section F.3. Tree Planting Guidelines & Requirements.
Section F.4. Recommended Tree Varieties (*Canopy and Accent*)
Section F.5. Recommended Shrub Varieties
Section F.6. Recommended Grass Varieties
Section F.7. Alternative Plantings List

F.1. INTRODUCTION.

These guidelines were drafted by the citizens and local experts for the purpose of outlining the requirements of Article VIII, *Landscape Standards*, of the Unified Development Code, and to provide guidelines for plantings that are appropriate within the City of Rockwall.

F.2. PURPOSE.

The purpose of the following appendix is to provide a general reference guide for meeting the requirements of Article VIII, *Landscape Standards*, of the Unified Development Code. This appendix is not intended to be a comprehensive list of all plant materials that can be utilized for development within the City of Rockwall. The Director of Planning or his designee can approve a landscape plan that includes tree, shrub, and grass varieties not indicated in this appendix upon a finding that the proposed planting is appropriate for the development.

F.3. DISTRICT LANDSCAPING REQUIREMENTS

- ☑ Cottonwood, Poplar (Populus sp.).
- ☑ Willows (Salix sp.).
- ☑ American Elm (Ulmus Americana).
- ☑ Siberian Elm (Ulmus Pumilia).
- ☑ Jerusalem Thorn/Petuma (Parkinsonia Aculeata).
- ☑ Bois D'Arc (Maclura Pomifera).
- ☑ Flowering Crabapple varieties (Malus sp.).
- ☑ Ginko Tree (Ginko Biloba).
- ☑ Peach/Plum varieties.
- ☑ Mulberry varieties (Morus sp.).
- ☑ Texas Mountain Laurel (Sophora Secundiflora).
- ☑ Lilac Chaste Tree (Vitex Agnuscastus).
- ☑ Pine Tree Varieties (Pinus So.)

F.4. RECOMMENDED TREE VARIETIES (CANOPY AND ACCENT TREES).

The following information concerning the City's recommended trees was obtained from the Texas A&M Forest Service, *Texas Tree Planting Guide* and all illustrations were provided courtesy of Texas A&M Forest Service *Copyright by Robert O'Brien*.

Afghan Pine

Latin Name: Pinus Eldarica
Secondary Names: Eldarica Pine, Mondel Pine

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *35' to 50'*
- ✓ Leaf Type: *Evergreen*
- ✓ Growth Rate: Rapid
- ✓ Native: Afghanistan and Central Asia
- ✓ Soil Needs: Requires Well Drained, Dry Soils
- ✓ Tolerances: Salty Soil, Drought, Alkaline Soils [*PH > 7.5*]
- ✓ Features: Soft, Green Needles form a Dense Canopy
- ✓ Uses: Screening and Windbreaks
- ✓ Firewise: No
- ✓ Issues: The pine tip moth can kill new shoots and ruin the shape of the tree. The tree is not tolerant of wet sites.
- ✓ Similar Species: Aleppo Pine (*Pinus Halapensis*)

Bald Cypress

Latin Name: Taxodium Distichum
Secondary Names: Baldcypress

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *50' to 70'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Will Grow in a Variety of Soils
- ✓ Tolerances: Drought and Poorly Drained Sites
- ✓ Features: Deciduous Conifer with Feather-Like Leaves, Round Seed Balls, and Fibrous Bark
- ✓ Uses: Detention Areas and Poorly Drained Areas
- ✓ Firewise: Yes
- ✓ Issues: Woody 'Knees' and Bagworms
- ✓ Similar Species: Montezuma Balcypress (*Taxodium Mucronatum*)

Bur Oak

Latin Name: Quercus Macrocarpa
Secondary Names: Mossy Cup Oak

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *40' to 60'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate to Rapid
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable, Prefers Deeper Soil
- ✓ Tolerances: Salty Soil, Drought, Alkaline Soils [*PH > 7.5*]
- ✓ Features: Unique Leaf Shape, Largest Acorn of any Oak
- ✓ Uses: Drought Tolerant Tree
- ✓ Firewise: Yes
- ✓ Issues: Acorns and leaves can create significant clean-up.
- ✓ Similar Species: White Oak (Quercus Alba)

Caddo Maple

Latin Name: Acer saccharum 'Caddo'
Secondary Names: Eldarica Pine, Mondel Pine

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *50' to 60'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Slow to Medium
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable
- ✓ Tolerances: Rocky & Alkaline Soils and Drought Tolerant
- ✓ Features: Medium tree with a rounded appearance, dark green foliage that changes to a golden color in the fall.
- ✓ Firewise: Yes
- ✓ Issues: Availability
- ✓ Similar Species: Sugar Maple (A. saccharum)

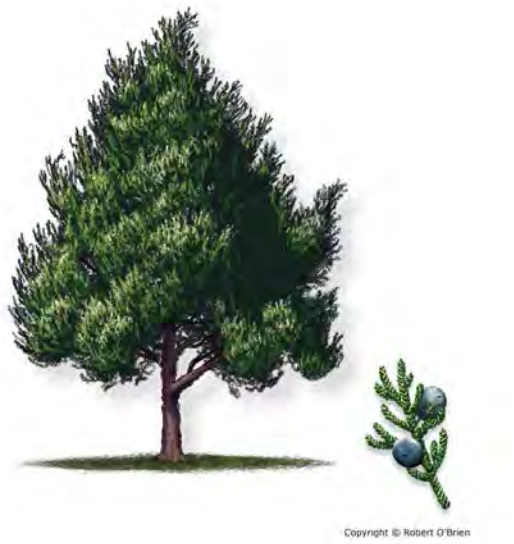
Cedar Elm

Latin Name: Ulmus Crassifolia
Secondary Names: Texas Elm

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *70' to 90'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Alkaline Adaptable
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Lustrous Dark Green Leaves that are Stiff and Rough to the Touch
- ✓ Uses: Generally a Landscape Tree, Parking Lot/Street Tree
- ✓ Firewise: Yes
- ✓ Issues: Aphids, Minor Leaf Beetle & Dutch Elm Disease
- ✓ Similar Species: Winged Elm (*Ulmus Alata*)

Chinquapin Oak

Latin Name: Quercus Muehlenbergii
Secondary Names: Chinkapin Oak



- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *40' to 50'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Slow to Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable, Alkaline Soils
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Yellow-Green Leaves w/ Small Acorns (~3/4" Long)
- ✓ Uses: Shade Tree
- ✓ Firewise: Yes
- ✓ Issues: Sensitive root system; as little as 1" of fill dirt can hurt the tree.
- ✓ Similar Species: Swamp Chestnut Oak (Quercus Michauxii)

Eastern Red Cedar

Latin Name: Juniperus virginiana var. virginiana
Secondary Names: Pencil Cedar

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *30' to 50'*
- ✓ Leaf Type: *Evergreen*
- ✓ Growth Rate: Medium
- ✓ Native: Eastern North America
- ✓ Soil Needs: Acidic, Alkaline, Loamy, Well-Drained and Clay
- ✓ Tolerances: Drought, Erosion, Dry Soil, Shallow Rocky Areas
- ✓ Features: Scale-like evergreen leaves compacted to form rounded 4-sided branclets.
- ✓ Uses: Windbreaks and Fence Rows, Screening Tree
- ✓ Firewise: No
- ✓ Issues: Cedar apple rust and bagworms.
- ✓ Similar Species: Southern redcedar (Juniperus virginiana var. silicicola) and Rocky Mountain juniper (J. scopulorum)

Homestead Elm

Latin Name: Ulmus 'Homestead'
Secondary Names: N/A

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *50' to 60'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Dark green leaves that turn bleach yellow in the fall and greenish tiny multi flowered pendulous racemes in spring.
- ✓ Uses: Shade Tree
- ✓ Firewise: Yes
- ✓ Issues: Resistant to Dutch Elm Disease but Susceptible to Elm Leaf Beatle.
- ✓ Similar Species: N/A. The Homestead Elm is a Hybrid.

Lacebark Elm

Latin Name: Ulmus Parvifolia
Secondary Names:

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *35' to 50'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid
- ✓ Native: China, Japan and Korea
- ✓ Soil Needs: Adaptable, Prefers Well Drained Soils
- ✓ Tolerances: Drought, Alkaline Soils [*PH > 7.5*]
- ✓ Features: Variable fall color; interesting bark texture.
- ✓ Firewise: Yes
- ✓ Issues: Requires pruning to develop a strong branch structure.
- ✓ Similar Species: Siberian Elm (*Ulmus Pumila*) and Japanese Zelkova (*Zelkova Serrata*)

Leyland Cypress

Latin Name: x Cupressocyparis leylandii
Secondary Names: Cypress

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *60' to 70'*
- ✓ Leaf Type: *Evergreen*
- ✓ Growth Rate: Rapid
- ✓ Native: England and Europe
- ✓ Soil Needs: Adaptable
- ✓ Tolerances: Drought and Poor Soil
- ✓ Features: Deciduous Conifer with Feather-Like Leaves, Round Seed Balls, and Fibrous Bark
- ✓ Uses: Screening, Windbreaks, and Non-Residential Landscaping
- ✓ Firewise: No
- ✓ Issues: Bagworms and Spider mites
- ✓ Similar Species: Montezuma baldcypress (Taxodium mucronatum)

Little Gem Magnolia

Latin Name: Magnolia grandiflora 'Little Gem'
Secondary Names: Large-Flowered Magnolia

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *15' to 20'*
- ✓ Leaf Type: *Evergreen*
- ✓ Growth Rate: Moderate
- ✓ Native: Southeast United States
- ✓ Soil Needs: Well Drained Soil
- ✓ Tolerances: Moderate Drought, Salt and Soil Variation
- ✓ Features: Large leathery, dark green and glossy leaves with cup shaped, white flowers and oval aggregation of seed pods 3"-4" long.
- ✓ Uses: Shade and Landscape Tree
- ✓ Firewise: Yes
- ✓ Issues: No Major Problems
- ✓ Similar Species: Sweetbay magnolia (Magnolia virginiana)

Live Oak

Latin Name: Quercus Virginiana
Secondary Names: Coast Live Oak, Southern Live Oak

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *40' to 50'*
- ✓ Leaf Type: *Evergreen/Semi Evergreen*
- ✓ Growth Rate: Moderately Fast
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable, Acidic, Alkaline, Clay, Loamy and Well Drained
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Green to dark green leaves with small acorns about ¾-inch long and borne singly or in clusters up to five.
- ✓ Firewise: Yes
- ✓ Issues: Leaf Blister and Fungal Gall
- ✓ Similar Species: Texas live oak (Quercus fusiformis)

October Glory Maple

Latin Name: Acer rubrum 'October Glory'
Secondary Names:

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *40' to 50'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate to Rapid
- ✓ Native: North America
- ✓ Soil Needs: Adaptable; Prefers Slightly Acidic Soil
- ✓ Tolerances: Moderate Drought Tolerance
- ✓ Features: Soft, Green Needles form a Dense Canopy
- ✓ Uses: Shade Tree
- ✓ Firewise: Yes
- ✓ Issues: Aphids and Leaf Scorch
- ✓ Similar Species: Chalk maple (Acer leucoderme)

Pecan

Latin Name: Carya Illinoinensis
Secondary Names: Pecan Hickory

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *50' to 70'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable, Prefers Deep Moist Soil
- ✓ Tolerances: Drought, Salty Soil, Poorly Drained Soil, Alkaline Soils [*PH>7.5*]
- ✓ Features: Nuts are in important wildlife food; mature crown is open and airy.
- ✓ Uses: Generally a Landscape Tree
- ✓ Firewise: Yes
- ✓ Issues: Aphids, Brittle Wood; Susceptible to Insects
- ✓ Similar Species: Water hickory (Carya aquatica) & black walnut (Juglans nigra)

Red Oak

Latin Name: Quercus Falcata
Secondary Names: Southern Red Oak

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *30' to 55'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid
- ✓ Native: Texas
- ✓ Soil Needs: Avoid PH>7.5; Any Texture; Prefers Good Drainage
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Young Trees Have 'Candleabra' Shape; Fall Color is Organge to Deep Red
- ✓ Firewise: Yes
- ✓ Issues: Oak Wilt
- ✓ Similar Species: Black oak (Quercus velutina)

Texas Ash

Latin Name: Fraxinus texensis
Secondary Names: Mountain Ash

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *35' to 50'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid (but Variable)
- ✓ Native: East and Central Texas
- ✓ Soil Needs: Adaptable
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Medium sized tree with green or purple flowers and small woody winged samara in long panicles.
- ✓ Firewise: Yes
- ✓ Issues: Poor Drainage Leads to Root Diseases
- ✓ Similar Species: Carolina ash (Fraxinus caroliniana) and Gregg ash (F. greggii)

Texas Red Oak

Latin Name: Quercus buckleyi
Secondary Names: Buckley Oak, Texas Red Oak, Spanish Oak

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *30' to 55'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid
- ✓ Native: Central Texas
- ✓ Soil Needs: Alkaline Adaptable
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Medium tree with reddish-brown catkins/acorns and slender, dark green leaves that turn red in the fall.
- ✓ Firewise: Yes
- ✓ Issues: Oak Wilt
- ✓ Similar Species: Shumard oak (Quercus shumardii)

Desert Willow

Latin Name: Chilopsis Linearis
Secondary Names: Desert-Willow

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *15' to 20'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Medium
- ✓ Native: West Texas
- ✓ Soil Needs: Adaptable, Acidic, Loamy and Well Drained Soil
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Multi-Trunked, Well Branched and Thick Growth
- ✓ Uses: Primarily a Landscape Tree; Xeriscaping
- ✓ Firewise: Yes
- ✓ Issues: Susceptible to Alterneria Leaf Spot
- ✓ Similar Species: Flowering Willow, Willowleaf Catalpa, Desert Catalpa, Flor de Mimbre, Mimbre, Bow Willow

Downy Hawthorn

Latin Name: Crataegus mollis
Secondary Names: A Variety Of Common Names Often Ending In "Haw" – Are Used For the Individual Hawthorn Species

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *20' to 30'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Slow
- ✓ Native: Eastern and Central United States and Canada
- ✓ Soil Needs: Requires Well Drained, Dry Soils
- ✓ Tolerances: Dry Soil and Drought
- ✓ Features: Small tree with clusters of white flowers and bright red berry fruit.
- ✓ Uses: Landscaping
- ✓ Firewise: Yes
- ✓ Issues: Susceptible to Several Leaf Diseases
- ✓ Similar Species: River birch (Betula nigra) & Gum Bully (Sideroxylon lanuginosum)

Eastern Redbud

Latin Name: Cercis canadensis var. canadensis
Secondary Names: Judas-Tree

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *20' to 30'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Medium
- ✓ Native: East Texas
- ✓ Soil Needs: Alkaline, Acidic, Loamy, Sandy and Well Drained
- ✓ Tolerances: Clay Soils and Very High Heat
- ✓ Features: Small tree with pink and purple, rose-purple or white blooms and small flattened pods with brown seeds.
- ✓ Uses: Wildlife and Landscaping
- ✓ Firewise: Yes
- ✓ Issues: Leaf Spots, Dieback/Canker, and Verticillium Wilt
- ✓ Similar Species: Redbud

Eve's Necklace

Latin Name: Sophora affinis
Secondary Names: Texas Sophora, Eve's-Necklacepod

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *15' to 35'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Fast (*Generally Slows at 15'*)
- ✓ Native: Central Texas
- ✓ Soil Needs: Alkaline Adaptable
- ✓ Tolerances: Very High Heat
- ✓ Features: Small tree with pale to rosy pink flowers that bloom in the spring and long black segmented seedpods.
- ✓ Uses: Landscape Tree
- ✓ Firewise: Yes
- ✓ Issues: No Problems Reported
- ✓ Similar Species: Black locust (Robinia pseudoacacia)

Mexican Buckeye

Latin Name: Ungnadia Speciosa
Secondary Names:

- ✓ City Tree Classification: *AccentTree*
- ✓ Mature Height: *15' to 30'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Neutral Alkaline
- ✓ Tolerances: Drought, Alkaline Soils [*PH > 7.5*]
- ✓ Features: Pink flowers appear with new leaves; brown fruit husks remain through winter.
- ✓ Uses: Generally a Landscape or Specimen Tree
- ✓ Firewise: Yes
- ✓ Issues: Requires pruning to develop one or more trunks.
- ✓ Similar Species: Monillo, Mona, Texas Buckeye, Spanish Buckeye, False Buckeye, Canyon Buckeye

Possumhaw Holly

Latin Name: Ilex Decidua
Secondary Names: Possumhaw (Deciduous Holly)

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *8' to 10' (Occasionally 20')*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Slow
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable
- ✓ Tolerances: Drought, Poorly Drained Sites, Alkaline Soils [*PH>7.5*]
- ✓ Features: Orange or red berries on gray branches.
- ✓ Uses: Generally a Landscape Tree and Detention Tree
- ✓ Firewise: Yes
- ✓ Issues: Thin Bark Susceptible to Injury
- ✓ Similar Species: Bearberry, Meadow Holly, Prairie Holly, Swamp Holly, Welk Holly, Winterberry

Shantung Maple

Latin Name: Acer truncatum
Secondary Names: Shandong Maple, Purpleblow Maple

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *25' to 35'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid
- ✓ Native: Northern China
- ✓ Soil Needs: Loam, Sandy and Clay (Adaptable)
- ✓ Tolerances: Moderate Drought
- ✓ Features: Medium sized tree with dark green, glossy leaves that change to yellow orange/bright red in the fall.
- ✓ Firewise: No
- ✓ Issues: Leaf Spot and Leaf Scorch
- ✓ Similar Species: Japanese Maples

Flameleaf Sumac

Latin Name: Rhus lanceolata
Secondary Names: Prairie Sumac, Prairie Flameleaf Sumac

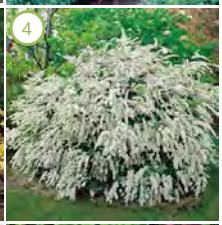
- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *40' to 50'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Neutral Alkaline
- ✓ Tolerances: Drought, Alkaline Soils [*PH > 7.5*]
- ✓ Features: Compound leaves turn bright red in fall; white flower spikes bear red clusters of berries.
- ✓ Uses: Generally a Landscape Tree
- ✓ Firewise: Yes
- ✓ Issues: Requries pruning to develop one or more trunks.
- ✓ Similar Species: Texas Sumac, Lance-Leaved Sumac, Limestone Sumac and Prairie Shining Sumac

Yapon Holly

Latin Name: Ilex vomitoria
Secondary Names: Yaupon, Cassina

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *10' to 20'*
- ✓ Leaf Type: *Evergreen*
- ✓ Growth Rate: Slow
- ✓ Native: Southeast United States (Texas)
- ✓ Soil Needs: Well Drained, Sandy, Loamy, Clay and Limestone
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Small tree with inconspicuous light green blooms and red berry like drupe.
- ✓ Uses: Landscape Tree
- ✓ Firewise: Yes
- ✓ Issues: Aphids, Minor Leaf Beetle & Dutch Elm Disease
- ✓ Similar Species: Evergreen Cassena, Emetic Holly, Indian Black Drink

F.5. RECOMMENDED SHRUB VARIETIES



The following are the City of Rockwall's recommended shrub varieties.

	Shrub	Scientific Name	SCR	XERI
3	Barberry	Berberis Thumbergii 'Crimson Pygmy'		
8	Dwarf Yaupon Holly	Ilex Vomitoria 'Nana'		
10	Yucca	Yucca Sp.		X
16	Juniper	Juniperus Sp.		
17	Japanese Boxwood	Buxus Japonica		
20	Mexican Oregano	Poliomentha Longiflora		
24	Red Yucca	Hesperaloe Parvifolia		X
25	Rock Rose	Pavonia Lasiopetala		X
1	Agarita	Mahonia Trifoliolata		X
2	Barberry	Berberis Atropurpurea 'Rose Glow'		
5	Cenizo (Texas Sage)	Leucophyllum Sp.	X	X
7	Dwarf Burford Holly	Ilex Cornuta 'Burfordii Nana'	X	
14	Hogplum	Colubrina Texensis		
15	Indian Hawthorn	Raphiolepis Indica		
19	Japanese Quince	Chaenomeles Japonica		
23	Pearl Bush	Exochorda Giraldii Wilsonii		
27	Rosemary	Rosmarinus Officinalis		X
28	Virginia Sweetspire	Itea Virginica		
4	Bridal Wreath Spirea	Spiraea Cantoniensis	X	X
6	Chinese Fringe	Loropetalum Chinense	X	
9	Elaegnus	Elaeagnus x Ebbingei	X	
11	Evergreen Sumac	Rhus Virens		
12	Forsythia	Forsythia Intermedia 'Spectabilis'		
13	Glossy Abelia	Abelia x Gradiflora		
18	Japanese Cleyera	Cleyera Ternstroemia Gymnanthera		
21	Nellie Stevens Holly	Ilex 'Nellie R. Stevens'	X	
22	Oleander	Nerium Oledander	X	
26	Rose of Sharon	Hibiscus Syriacus	X

F.6. RECOMMENDED GRASSES

The following are the City of Rockwall's recommended grass varieties.

	Grass	Scientific Name	XERI
1	Bermuda Grass	Cynodon Dactylon	
2	Big Bluestem	Andropogon Gerardii	X
3	Buffalo Grass	Buchloe Dactyloides	X
4	Deer Muhly	Muhlenbergia Rigens	
5	Eastern Gamagrass	Tripsacum Dactyloides	X
6	Fountain Grass	Pennisetum Alopercuroides 'Hamelin'	
7	Feather Reed Grass	Calamagrostis Acutiflora 'Karl Foerster'	
8	Inland Seaoats	Chasmanthium Latifolium	X
9	Japanses Blood Grass	Imperata Cylindrica 'Red Baron'	
10	Little Bluestem	Schixachyrium Scoparium	X
11	Maiden Grass	Adagio, Cabaret, Gracillimus, Morining Light, Varigatus, Zebra Grass	X
12	Mexican Feather Grass	Stipa Tenuissima 'Pony Tails'	X
13	Muhly Grass	Muehelenbergia Lindheimeri	X
14	Prairie Mix	N/A	X
15	Prairie Dropseed	Sporobolus Heterolepsis	
16	St. Augustine Grass	Stenotaphrum Secundatum	X
17	Switch Grass	Panicum Virgatum	X
18	Weeping Love Grass	Eragrostis Curvula	X

☑ XERI: Xeriscaping

F.7. ALTERNATIVE PLANTING LIST

The following list shows all alternative plant types permitted by the City of Rockwall since the adoption of this Appendix F, Landscape Guidelines, of the Unified Development Code.

Trees.	*Shrubs.*	*Grasses.*

CITY OF ROCKWALL

ORDINANCE NO. 15-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, BY AMENDING SECTION 6 OF ARTICLE V, *DISTRICT DEVELOPMENT STANDARDS*; SECTIONS 3, 5, 6 & 7 OF ARTICLE VIII, *LANDSCAPE STANDARDS*; SECTION 7 OF ARTICLE IX, *TREE PRESERVATION*; AND TO CREATE APPENDIX F, *LANDSCAPE GUIDELINES*; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, an amendment to the City of Rockwall's Unified Development Code [*Ordinance No. 04-38*] has been initiated by the City Council of the City of Rockwall to amend Section 6, *Overlay Districts*, of Article V, *District Development Standards*; Section 3, *Definitions*, Section 5, *Mandatory Provisions*, Section 6, *Landscape Credits*, and Section 7, *Completion of Landscaping*, of Article VIII, *Landscape Standards*; Section 7, *Tree Replacement Credits*, of Article IX, *Tree Preservation*; and, create Appendix F, *Landscaping Guidelines*, of the Unified Development Code [*Ordinance No. 04-38*] for the purposes of incorporating recommendations made by the *Landscape Ordinance Review Committee*; and,

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the city's corporate boundaries, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That Section 6, *Overlay Districts*, of Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended as specifically described in *Exhibits 'A'* of this ordinance;

Section 2. That Section 3, *Definitions*, Section 5, *Mandatory Provisions*, Section 6, *Landscape Credits*, and Section 7, *Completion of Landscaping*, of Article VIII, *Landscape Standards*, of the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended as specifically described in *Exhibits 'B'* of this ordinance;

Section 3. That Section 7, *Tree Replacement*, of Article IX, *Tree Preservation*, of the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended as specifically described in *Exhibits 'C'* of this ordinance;

Section 4. That a landscape appendix should be established as Appendix F, *Landscape Standards*, of the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as established herein, and as specifically described in *Exhibits 'D'* of this ordinance;

PLANNING ORDINANCE 02.15

Section 5. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 6. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 7TH DAY OF DECEMBER, 2015.

_____
Jim Pruitt, *Mayor*

ATTEST:

_____
Kristy Ashberry, *City Secretary*

APPROVED AS TO FORM:

_____
Frank J. Garza, *City Attorney*

DRAFT ORDINANCE 11.10.2015

Section 6. Overlay District Standards

Section 6.6. IH-30 Overlay (IH-30 OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the IH-30 right-of-way as set out below.

E.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine, Bald Cypress,*** Bur Oak, Cedar Elm, ***Eastern Red Cedar, Homestead Elm, Lacebark Elm, Little Gem Magnolia,*** Live Oak, ***October Glory Maple,*** Red Oak, ***Texas Ash, Texas Red Oak*** ~~***Leyland Cypress***~~.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Section 6.7. SH-205 Overlay (SH-205 OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the SH 205 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in subsections E.3 and E.4.

E.3 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine,*** Bur Oak, ***Caddo Maple,*** Cedar Elm, Lacebark Elm, Leyland Cypress, ***Little Gem Magnolia,*** Live Oak, ***October Glory Maple*** ~~***Red Oak***~~.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Section 6.8. Scenic Overlay (SOV) District

F.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the FM 740 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in subsections F.3 and F.4.

F.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine,*** Bur Oak, ***Caddo Maple,*** Cedar Elm, Lacebark Elm, Leyland Cypress, ***Little Gem Magnolia***, Live Oak, ***October Glory Maple*** ~~***Red Oak***~~.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

DRAFT ORDINANCE 10-05-15

Section 6.9. SH-66 Overlay (SH-66 OV) District

F.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the SH 66 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in subsections F.3 and F.4.

F.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine,*** Bur Oak, Cedar Elm, Lacebark Elm, ~~***Leyland Cypress,***~~ ***Little Gem Magnolia,*** Live Oak, ***October Glory Maple,*** Red Oak, ***Texas Ash, Texas*** ~~***Red Oak***~~.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Section 6.10. 205 By-Pass Corridor Overlay (205 BY-OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the John King Blvd. right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in section E — (3) and (4). The area of John King Blvd. from Quail Run Road to SH 205 North shall include an average of one cedar tree for each 100 feet of frontage planted in clusters of three to five trees.

E.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine, Bald Cypress,*** Bur Oak, Cedar Elm, ***Eastern Red Cedar, Homestead Elm,*** Lacebark Elm, ~~***Leyland Cypress,***~~ ***Little Gem Magnolia,*** Live Oak, ***October Glory Maple***, Red Oak, ***Texas Ash, Texas*** ~~***Red Oak***~~.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Section 6.11. North SH-205 Corridor Overlay (N-SH 205 OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the SH 205 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in section E — (3) and (4).

E.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine,*** Bur Oak, ***Caddo Maple,*** Cedar Elm, Lacebark Elm, Leyland Cypress, ***Little Gem Magnolia,*** Live Oak, ***October Glory Maple*** ~~***Red Oak***~~.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

DRAFT ORDINANCE

Section 6.12. East SH-66 Corridor Overlay (E-SH 66 OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the East SH 66 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in section E — (3) and (4). The East SH 66 Corridor Overlay shall include an average of one cedar tree for each 100 feet of frontage planted in clusters of three to five trees.

E.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine,*** Bur Oak, ***Caddo Maple,*** Cedar Elm, Lacebark Elm, Leyland Cypress, ***Little Gem Magnolia,*** Live Oak, ***October Glory Maple*** ~~***Red Oak***~~.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Section 6.13. FM-549 Corridor Overlay (FM-549 OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the FM 549 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in section E — (3) and (4). The area of the FM 549 Corridor Overlay from Airport Road to SH 66 shall include an average of one cedar tree for each 100 feet of frontage planted in clusters of three to five trees.

E.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine, Bald Cypress,*** Bur Oak, ***Caddo Maple,*** Cedar Elm, ***Lacebark Elm, Leyland Cypress, Little Gem Magnolia,*** Live Oak, ***October Glory Maple,*** Red Oak, ***Texas Ash, Texas Red Oak***.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Section 6.14. SH-276 Corridor Overlay (SH-276 OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the SH 276 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in section E — (3) and (4).

E.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine, Bald Cypress,*** Bur Oak, Cedar Elm, ***Eastern Red Cedar, Homestead Elm, Lacebark Elm, Little Gem Magnolia,*** Live Oak, ***October Glory Maple,*** Red Oak, ~~***Leyland Cypress***~~.

DRAFT ORDINANCE 11.10.2015

Article VIII. Landscape Standards

Section 3. Definitions

Xeriscaping means type of landscaping design that uses a combination of native plants and grasses, approved hardscapes and drought tolerant ground covers and planting materials for the purpose of conserving water and protecting the local environment.

Section 5 Mandatory Provisions
Section 5.3. Acceptable Landscape Materials

A. No artificial plant materials may be used to satisfy the requirements of this article.

B. Plant materials used to satisfy the requirements of this article must comply with the following minimum size requirements at the time of installation:

☑ Large trees must have a minimum caliper of three inches, or a minimum height of six feet, depending on the standard measuring technique for the species.
☑ **Shrubs shall be a minimum of three (3) gallons in size.**

C. For purposes of this section, "height" is measured from the root crown or, if the plant is in a container, from the soil level in the container.

D. In satisfying the landscaping requirements of this article, the use of high-quality, hardy plant materials on the approved plant list below is recommended and encouraged. Plants found on the disapproved plant list below shall not be placed within the right-of-way or within the required building setback along a street.

(Ord. No. 06-14, 4-17-2006)

E. As an alternative, the xeriscaping standards in Section 5.10 of this Article have been adopted to encourage new and existing developments to implement landscaping standards targeted at reducing water usage by using drought tolerant plantings and plans.

_F._ Trees allowed in street landscape buffer areas. The following trees are allowed within the street landscape buffers along public streets:

1. Afghan Pine.
2. Bald Cypress.
3. Burr Oak.
4. Caddo Maple.
5. Cedar Elm.
6. Chinquapin Oak.
7. Eastern Red Cedar.
8. Homestead Elm.
9. Lace Bark Elm.
10. Leyland Cypress.
11. Little Gem Magnolia.
12. Live Oak.
13. October Glory Maple.

DRAFT ORDINANCE 11.10.2015

14. Pecan.
15. Red Oak.
16. Texas Ash.
17. Texas Red Oak.
~~18. Chinese Pistachio.~~

and various native understory trees such as:

1. Desert Willow
2. Downy Hawthorn.
3. Eastern Redbud
4. Eve's Necklace
5. Mexican Buckeye
6. Possumhaw Holly
7. Shantung Maple
8. Yaupon Holly
~~9. Texas Redbud.~~
~~10. Mexican Plum.~~
~~11. Wax Myrtle.~~
~~12. Yaupon.~~
~~13. Deciduous Yaupon.~~

Section 5.6. Screening from Residential Uses

A. Any commercial or industrial use or parking lot that has a side or rear contiguous to any residential district, or any multi-family use with more than five dwelling units or parking lot that has a side or rear contiguous to any single-family, townhouse, or duplex district, shall be screened with a masonry fence (***~~excluding~~*** tilt wall or concrete block ***are prohibited; however, precast walls may be approved by the Planning and Zoning Commission ~~unless approved by the city council~~***), six ***(6)*** feet in height***~~, unless otherwise approved by the city council~~***. As an alternative, berms in conjunction with a ***minimum of a six (6) foot wrought fence*** and a combination of trees and shrubs can be utilized to meet ***~~this~~*** the screening requirement***s if the Planning & Zoning Commission determines that the proposed alternative will provide sufficient screening***. The screen shall be located no closer to the street than the property line. Any ordinances concerning sight obstructions of intersections shall be applicable to the screen where it is intersected by a street or driveway.

B. Prior to construction of any required screens, complete plans showing type of material, depth of beam, and structural support shall be analyzed by the building permit office to determine whether or not:

1. The screen will withstand the pressures of time and nature;
2. The screen adequately accomplishes the purpose for which it was intended;
3. Plans shall be sealed by a registered engineer or they shall conform to the city's standard design for screening walls.

C. Such screen shall be constructed prior to the issuance of a certificate of occupancy for any building or portion thereof.

DRAFT ORDINANCE 2015

D. The areas adjacent to the required screening wall, or areas adjacent to a public street or right-of-way, shall be maintained by the property owner in a clean and orderly condition, free of debris and trash in accordance with the applicable codes of the city.

Section 5.10. ***~~Deleted.~~ Xeriscaping Standards.***

A. *Purpose.* The purpose of this section is to promote the establishment of water conscious landscaping through the implementation of xeriscaping principles. Additionally, this section is intended to provide an alternative to the typical landscape requirements for commercial properties.

B. *Principles*. All xeriscaping plans submitted to the city should demonstrate conformance with the following principles:

1. *Planning and Design.* Landscape designs and plans should take into account the regional and microclimatic conditions of the site, its existing vegetation and topographical conditions, the intended use, and the zoning (*i.e. vegetation zone*) of plant materials according to their unique water needs. Plans should take into account the various heights of landscaping materials. If the landscape plan is proposed in phases, to account for optimum planting times, all future phases should be included on the submitted landscape plan. In reviewing plans to ensure proper site planning and design, staff shall ensure that the plan: 1) preserves and protects existing vegetation, 2) preserves and protects topsoil, 3) stabilizes and covers all bare soil areas, and 4) incorporates energy/water conservation.

2. *Soil Improvement.* Since soil tends to vary from site to site all soil should be analyzed to determine what plants are suitable to include on the landscape plan and if any soil amendments are required. Soil may require additional organic material be added to ensure the continued health of plants.

3. *Appropriate Plant Selection.* Plant selection should be based on the plant's adaptability to the existing site conditions and need for supplemental watering. Most xeriscape plants will not require supplemental watering. In selecting plant materials, mature plants and shrubs should be used to ensure establishment after installation. A list of plants that are native and acceptable within the City of Rockwall has been provided in Appendix F, *Recommended Plantings*, of the Unified Development Code; however, staff may approve alternate plantings if they are deemed appropriate for the site. In reviewing plans for conformance to this principle staff will consider the: 1) diversity of the plant species being proposed, 2) size, maturity and water requirements of the selected plantings, and 3) variation of height, spread and color.

4. *Practical Turf Areas.* The type and location of turf areas are considered to be a major design element in xeriscape plans. Turf in this case involves typical varieties of Bermuda, St. Augustine, Ryegrass blends, etc. The maintenance needs of turf can be minimized by the shape, area, irrigation equipment, and turf type selected. Drainage areas and sloped areas are especially suited to the use of native grasses as opposed to turf. In reviewing plans to ensure that the turf areas being proposed are practical staff will review: 1) the design of the turf areas [*with rounded, compact turf areas being more efficient*], 2) turf areas should be designed to be on a separate zone from other landscaping, 3) turf should be appropriate for the selected location, 4) turf should be avoided on

slopes and drainage areas in favor of native grasses, and 5) minimize turf areas by using native grasses, hardscape elements and alternatives.

5. ***Efficient Irrigation.*** **All landscaping is required to have an irrigation system that is designed by a licensed irrigator. Additionally, all irrigation systems should be designed to be water efficient utilizing low-flow irrigation equipment. The plan should show that turf areas should be watered separately, and plants should be grouped in separate zones based on water need. Finally, all irrigation systems are required to be maintained in proper working order.**
6. ***Use of Mulches.*** **Mulches minimize evaporation, reduce weed growth, slow erosion and help maintain soil temperature. In reviewing the use of mulches in xeriscape plans staff shall ensure: 1) the use of a deep layer of mulch in planting beds [*typically 3-4 inches*] is utilized, and 2) mulches should be locally or regionally derived materials. Additionally, mulches may include the use of pea gravel, crushed granite, rock or pebbles in unplanted areas.**
7. ***Appropriate Maintenance.*** **Proper pruning, weeding and fertilization as required with all landscape plans shall be required. Typically, xeriscape plans require less maintenance, fertilizer and other chemicals and pesticides.**

C. *Standards*.

1. **If approved with a Landscape Plan native grasses shall be exempt from the rules and requirements of Section 16-43, *Weeds, Brush and Grass*; however, the grass should be maintained to a height typical for the particular native grass.**
2. **Drainage or detention areas that utilize native grasses in lieu of turf shall be exempt from the requirements stipulated by Section 5.12.C (*i.e. one [1] tree per every 750 square feet of dry land area*). Instead, a shrub or ornamental grass per every 1,500 square feet of dry land area shall be required to be planted on the site or around the detention area.**
3. **A maximum of 30% mulches or hardscape is permitted to be incorporated into all xeriscape plans. This may be increased by the Planning & Zoning Commission if deemed appropriate and necessary for the proposed plan.**

D. *Approval of Xeriscape Plans*. All xeriscape plans shall require approval by the Planning & Zoning Commission, upon a recommendation by staff concerning conformance to the requirements of this section, at the time of site plan approval.

~~***(Ord. No. 06-14, 4-17-2006)***~~

Section 6 Landscape Credits
Section 6.4 Credit for Xeriscaping.

The overall landscaping requirement may be reduced by 2.5 percent when the Planning Director or his/her designee determines that the standards stipulated by Section 5.10, *Xeriscaping Standards*, of this Article have been satisfied.

Section 7. Completion of Landscaping
Section 7.1. In Accordance with Approved Plans.

Except as otherwise provided in Subsection 7.2, all landscaping must be completed in accordance with the approved landscape plan before a Certificate of Occupancy may be issued for any building on the lot~~.~~ ***; however, during drought or water emergency response stages***

DRAFT ORD. NO.

the Director of Planning and Zoning or his designee can grant an applicant permission to delay the installation of required landscaping (independent of Subsection 7.2) upon receipt of a letter from the applicant stating that the landscaping will be installed by a specific date that is within a reasonable time period not to exceed six (6) months. The Director of Planning and Zoning may extend the agreement for successive terms if the City is still under drought or water emergency response stages.

DRAFT ORDINANCE 11.10.2015

Section 7. Tree Replacement Credits

D. Types of trees. Replacement trees shall be selected from the following list and shall be a minimum of three caliper inches as measured six inches above the root ball.

Canopy Trees:

1. Afghan Pine.
2. Bald Cypress.
3. Burr Oak.
4. Caddo Maple.
5. Cedar Elm.
6. Chinquapin Oak.
7. Eastern Red Cedar.
8. Homestead Elm.
9. Lace Bark Elm.
10. Leyland Cypress.
11. Little Gem Magnolia.
12. Live Oak.
13. October Glory Maple.
14. Pecan.
15. Red Oak.
16. Texas Ash.
17. Texas Red Oak.

Accent Trees:

1. Desert Willow
2. Downy Hawthorn.
3. Eastern Redbud
4. Eve's Necklace
5. Mexican Buckeye
6. Possumhaw Holly
7. Shantung Maple
8. Yaupon Holly

DRAFT ORDINANCE 11.10.2015

APPENDIX F. LANDSCAPING GUIDELINES & REQUIREMENTS

TABLE OF CONTENTS

Section F.1. Introduction.
Section F.2. District Landscaping Requirements.
Section F.3. Tree Planting Guidelines & Requirements.
Section F.4. Recommended Tree Varieties (*Canopy and Accent*)
Section F.5. Recommended Shrub Varieties
Section F.6. Recommended Grass Varieties
Section F.7. Alternative Plantings List

F.1. INTRODUCTION.

These guidelines were drafted by the citizens and local experts for the purpose of outlining the requirements of Article VIII, *Landscape Standards*, of the Unified Development Code, and to provide guidelines for plantings that are appropriate within the City of Rockwall.

F.2. PURPOSE.

The purpose of the following appendix is to provide a general reference guide for meeting the requirements of Article VIII, *Landscape Standards*, of the Unified Development Code. This appendix is not intended to be a comprehensive list of all plant materials that can be utilized for development within the City of Rockwall. The Director of Planning or his designee can approve a landscape plan that includes tree, shrub, and grass varieties not indicated in this appendix upon a finding that the proposed planting is appropriate for the development.

DRAFT ORDINANCE 10.07.15

APPENDIX F. LANDSCAPING GUIDELINES & REQUIREMENTS

F.4. RECOMMENDED TREE VARIETIES (CANOPY AND ACCENT TREES).

The following information concerning the City's recommended trees was obtained from the Texas A&M Forest Service, *Texas Tree Planting Guide* and all illustrations were provided courtesy of Texas A&M Forest Service *Copyright by Robert O'Brien.*

Afghan Pine

Latin Name: Pinus Eldarica
Secondary Names: Eldarica Pine, Mondel Pine

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *35' to 50'*
- ✓ Leaf Type: *Evergreen*
- ✓ Growth Rate: Rapid
- ✓ Native: Afghanistan and Central Asia
- ✓ Soil Needs: Requires Well Drained, Dry Soils
- ✓ Tolerances: Salty Soil, Drought, Alkaline Soils [*PH > 7.5*]
- ✓ Features: Soft, Green Needles form a Dense Canopy
- ✓ Uses: Screening and Windbreaks
- ✓ Firewise: No
- ✓ Issues: The pine tip moth can kill new shoots and ruin the shape of the tree. The tree is not tolerant of wet sites.
- ✓ Similar Species: Aleppo Pine (*Pinus Halapensis*)

Bald Cypress

Latin Name: Taxodium Distichum
Secondary Names: Baldcypress

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *50' to 70'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Will Grow in a Variety of Soils
- ✓ Tolerances: Drought and Poorly Drained Sites
- ✓ Features: Deciduous Conifer with Feather-Like Leaves, Round Seed Balls, and Fibrous Bark
- ✓ Uses: Detention Areas and Poorly Drained Areas
- ✓ Firewise: Yes
- ✓ Issues: Woody 'Knees' and Bagworms
- ✓ Similar Species: Montezuma Balcypress (*Taxodium Mucronatum*)

Bur Oak

Latin Name: Quercus Macrocarpa
Secondary Names: Mossy Cup Oak

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *40' to 60'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate to Rapid
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable, Prefers Deeper Soil
- ✓ Tolerances: Salty Soil, Drought, Alkaline Soils [*PH > 7.5*]
- ✓ Features: Unique Leaf Shape, Largest Acorn of any Oak
- ✓ Uses: Drought Tolerant Tree
- ✓ Firewise: Yes
- ✓ Issues: Acorns and leaves can create significant clean-up.
- ✓ Similar Species: White Oak (Quercus Alba)

CITY OF ROCKWALL PAGE 3 APPENDIX F: LANDSCAPING GUIDELINES

DRAFT ORDINANCE 10.19.2015

APPENDIX F. LANDSCAPING GUIDELINES & REQUIREMENTS

Caddo Maple

Latin Name: Acer saccharum 'Caddo'
Secondary Names: Eldarica Pine, Mondel Pine

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *50' to 60'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Slow to Medium
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable
- ✓ Tolerances: Rocky & Alkaline Soils and Drought Tolerant
- ✓ Features: Medium tree with a rounded appearance, dark green foliage that changes to a golden color in the fall.
- ✓ Firewise: Yes
- ✓ Issues: Availability
- ✓ Similar Species: Sugar Maple (A. saccharum)

Cedar Elm

Latin Name: Ulmus Crassifolia
Secondary Names: Texas Elm

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *70' to 90'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Alkaline Adaptable
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Lustrous Dark Green Leaves that are Stiff and Rough to the Touch
- ✓ Uses: Generally a Landscape Tree, Parking Lot/Street Tree
- ✓ Firewise: Yes
- ✓ Issues: Aphids, Minor Leaf Beetle & Dutch Elm Disease
- ✓ Similar Species: Winged Elm (*Ulmus Alata*)

Chinquapin Oak

Latin Name: Quercus Muehlenbergii
Secondary Names: Chinkapin Oak

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *40' to 50'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Slow to Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable, Alkaline Soils
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Yellow-Green Leaves w/ Small Acorns (~3/4" Long)
- ✓ Uses: Shade Tree
- ✓ Firewise: Yes
- ✓ Issues: Sensitive root system; as little as 1" of fill dirt can hurt the tree.
- ✓ Similar Species: Swamp Chestnut Oak (Quercus Michauxii)

APPENDIX F: LANDSCAPING GUIDELINES PAGE 4 CITY OF ROCKWALL

DRAFT ORDINANCE 10.2015

APPENDIX F. LANDSCAPING GUIDELINES & REQUIREMENTS

Eastern Red Cedar

Latin Name: Juniperus virginiana var. virginiana
Secondary Names: Pencil Cedar

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *30' to 50'*
- ✓ Leaf Type: *Evergreen*
- ✓ Growth Rate: Medium
- ✓ Native: Eastern North America
- ✓ Soil Needs: Acidic, Alkaline, Loamy, Well-Drained and Clay
- ✓ Tolerances: Drought, Erosion, Dry Soil, Shallow Rocky Areas
- ✓ Features: Scale-like evergreen leaves compacted to form rounded 4-sided branclets.
- ✓ Uses: Windbreaks and Fence Rows, Screening Tree
- ✓ Firewise: No
- ✓ Issues: Cedar apple rust and bagworms.
- ✓ Similar Species: Southern redcedar (Juniperus virginiana var. silicicola) and Rocky Mountain juniper (J. scopulorum)

Homestead Elm

Latin Name: Ulmus 'Homestead'
Secondary Names: N/A

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *50' to 60'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Dark green leaves that turn bleach yellow in the fall and greenish tiny multi flowered pendulous racemes in spring.
- ✓ Uses: Shade Tree
- ✓ Firewise: Yes
- ✓ Issues: Resistant to Dutch Elm Disease but Susceptible to Elm Leaf Beatle.
- ✓ Similar Species: N/A. The Homestead Elm is a Hybrid.

Lacebark Elm

Latin Name: Ulmus Parvifolia
Secondary Names:

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *35' to 50'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid
- ✓ Native: China, Japan and Korea
- ✓ Soil Needs: Adaptable, Prefers Well Drained Soils
- ✓ Tolerances: Drought, Alkaline Soils [*PH > 7.5*]
- ✓ Features: Variable fall color; interesting bark texture.
- ✓ Firewise: Yes
- ✓ Issues: Requires pruning to develop a strong branch structure.
- ✓ Similar Species: Siberian Elm (*Ulmus Pumila*) and Japanese Zelkova (*Zelkova Serrata*)

CITY OF ROCKWALL PAGE 5 APPENDIX F: LANDSCAPING GUIDELINES

DRAFT ODINANCE 10.2015

APPENDIX F. LANDSCAPING GUIDELINES & REQUIREMENTS

Leyland Cypress

Latin Name: x Cupressocyparis leylandii
Secondary Names: Cypress

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *60' to 70'*
- ✓ Leaf Type: *Evergreen*
- ✓ Growth Rate: Rapid
- ✓ Native: England and Europe
- ✓ Soil Needs: Adaptable
- ✓ Tolerances: Drought and Poor Soil
- ✓ Features: Deciduous Conifer with Feather-Like Leaves, Round Seed Balls, and Fibrous Bark
- ✓ Uses: Screening, Windbreaks, and Non-Residential Landscaping
- ✓ Firewise: No
- ✓ Issues: Bagworms and Spider mites
- ✓ Similar Species: Montezuma baldcypress (Taxodium mucronatum)

Little Gem Magnolia

Latin Name: Magnolia grandiflora 'Little Gem'
Secondary Names: Large-Flowered Magnolia

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *15' to 20'*
- ✓ Leaf Type: *Evergreen*
- ✓ Growth Rate: Moderate
- ✓ Native: Southeast United States
- ✓ Soil Needs: Well Drained Soil
- ✓ Tolerances: Moderate Drought, Salt and Soil Variation
- ✓ Features: Large leathery, dark green and glossy leaves with cup shaped, white flowers and oval aggregation of seed pods 3"-4" long.
- ✓ Uses: Shade and Landscape Tree
- ✓ Firewise: Yes
- ✓ Issues: No Major Problems
- ✓ Similar Species: Sweetbay magnolia (Magnolia virginiana)

Live Oak

Latin Name: Quercus Virginiana
Secondary Names: Coast Live Oak, Southern Live Oak

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *40' to 50'*
- ✓ Leaf Type: *Evergreen/Semi Evergreen*
- ✓ Growth Rate: Moderately Fast
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable, Acidic, Alkaline, Clay, Loamy and Well Drained
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Green to dark green leaves with small acorns about ¾-inch long and borne singly or in clusters up to five.
- ✓ Firewise: Yes
- ✓ Issues: Leaf Blister and Fungal Gall
- ✓ Similar Species: Texas live oak (Quercus fusiformis)

APPENDIX F: LANDSCAPING GUIDELINES PAGE 6 CITY OF ROCKWALL

DRAFT NOT FOR ORDINANCE 10.2015

APPENDIX F. LANDSCAPING GUIDELINES & REQUIREMENTS

October Glory Maple

Latin Name: Acer rubrum 'October Glory'
Secondary Names:

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *40' to 50'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate to Rapid
- ✓ Native: North America
- ✓ Soil Needs: Adaptable; Prefers Slightly Acidic Soil
- ✓ Tolerances: Moderate Drought Tolerance
- ✓ Features: Soft, Green Needles form a Dense Canopy
- ✓ Uses: Shade Tree
- ✓ Firewise: Yes
- ✓ Issues: Aphids and Leaf Scorch
- ✓ Similar Species: Chalk maple (Acer leucoderme)

Pecan

Latin Name: Carya Illinoinensis
Secondary Names: Pecan Hickory

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *50' to 70'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable, Prefers Deep Moist Soil
- ✓ Tolerances: Drought, Salty Soil, Poorly Drained Soil, Alkaline Soils [*PH>7.5*]
- ✓ Features: Nuts are in important wildlife food; mature crown is open and airy.
- ✓ Uses: Generally a Landscape Tree
- ✓ Firewise: Yes
- ✓ Issues: Aphids, Brittle Wood; Susceptible to Insects
- ✓ Similar Species: Water hickory (Carya aquatica) & black walnut (Juglans nigra)

Red Oak

Latin Name: Quercus Falcata
Secondary Names: Southern Red Oak

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *30' to 55'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid
- ✓ Native: Texas
- ✓ Soil Needs: Avoid PH>7.5; Any Texture; Prefers Good Drainage
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Young Trees Have 'Candleabra' Shape; Fall Color is Organge to Deep Red
- ✓ Firewise: Yes
- ✓ Issues: Oak Wilt
- ✓ Similar Species: Black oak (Quercus velutina)

CITY OF ROCKWALL PAGE 7 APPENDIX F: LANDSCAPING GUIDELINES

DRAFT ORDINANCE 10.19.2015

APPENDIX F. LANDSCAPING GUIDELINES & REQUIREMENTS

Texas Ash

Latin Name: Fraxinus texensis
Secondary Names: Mountain Ash

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *35' to 50'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid (but Variable)
- ✓ Native: East and Central Texas
- ✓ Soil Needs: Adaptable
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Medium sized tree with green or purple flowers and small woody winged samara in long panicles.
- ✓ Firewise: Yes
- ✓ Issues: Poor Drainage Leads to Root Diseases
- ✓ Similar Species: Carolina ash (Fraxinus caroliniana) and Gregg ash (F. greggii)

Texas Red Oak

Latin Name: Quercus buckleyi
Secondary Names: Buckley Oak, Texas Red Oak, Spanish Oak

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *30' to 55'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid
- ✓ Native: Central Texas
- ✓ Soil Needs: Alkaline Adaptable
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Medium tree with reddish-brown catkins/acorns and slender, dark green leaves that turn red in the fall.
- ✓ Firewise: Yes
- ✓ Issues: Oak Wilt
- ✓ Similar Species: Shumard oak (Quercus shumardii)

Desert Williow

Latin Name: Chilopsis Linearis
Secondary Names: Desert-Willow

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *15' to 20'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Medium
- ✓ Native: West Texas
- ✓ Soil Needs: Adaptable, Acidic, Loamy and Well Drained Soil
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Multi-Trunked, Well Branched and Thick Growth
- ✓ Uses: Primarily a Landscape Tree; Xeriscaping
- ✓ Firewise: Yes
- ✓ Issues: Susceptible to Alterneria Leaf Spot
- ✓ Similar Species: Flowering Willow, Willowleaf Catalpa, Desert Catalpa, Flor de Mimbre, Mimbre, Bow Willow

APPENDIX F: LANDSCAPING GUIDELINES PAGE 8 CITY OF ROCKWALL

DRAFT 10.2015

APPENDIX F. LANDSCAPING GUIDELINES & REQUIREMENTS

Downy Hawthorn

Latin Name: Crataegus mollis
Secondary Names: A Variety Of Common Names Often Ending In "Haw" – Are Used For the Individual Hawthorn Species

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *20' to 30'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Slow
- ✓ Native: Eastern and Central United States and Canada
- ✓ Soil Needs: Requires Well Drained, Dry Soils
- ✓ Tolerances: Dry Soil and Drought
- ✓ Features: Small tree with clusters of white flowers and bright red berry fruit.
- ✓ Uses: Landscaping
- ✓ Firewise: Yes
- ✓ Issues: Susceptible to Several Leaf Diseases
- ✓ Similar Species: River birch (Betula nigra) & Gum Bully (Sideroxylon lanuginosum)

Eastern Redbud

Latin Name: Cercis canadensis var. canadensis
Secondary Names: Judas-Tree

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *20' to 30'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Medium
- ✓ Native: East Texas
- ✓ Soil Needs: Alkaline, Acidic, Loamy, Sandy and Well Drained
- ✓ Tolerances: Clay Soils and Very High Heat
- ✓ Features: Small tree with pink and purple, rose-purple or white blooms and small flattened pods with brown seeds.
- ✓ Uses: Wildlife and Landscaping
- ✓ Firewise: Yes
- ✓ Issues: Leaf Spots, Dieback/Canker, and Verticillium Wilt
- ✓ Similar Species: Redbud

Eve's Necklace

Latin Name: Sophora affinis
Secondary Names: Texas Sophora, Eve's-Necklacepod

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *15' to 35'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Fast (*Generally Slows at 15'*)
- ✓ Native: Central Texas
- ✓ Soil Needs: Alkaline Adaptable
- ✓ Tolerances: Very High Heat
- ✓ Features: Small tree with pale to rosy pink flowers that bloom in the spring and long black segmented seedpods.
- ✓ Uses: Landscape Tree
- ✓ Firewise: Yes
- ✓ Issues: No Problems Reported
- ✓ Similar Species: Black locust (Robinia pseudoacacia)

CITY OF ROCKWALL PAGE 9 APPENDIX F: LANDSCAPING GUIDELINES

Mexican Buckeye

Latin Name: Ungnadia Speciosa
Secondary Names:

- ✓ City Tree Classification: *AccentTree*
- ✓ Mature Height: *15' to 30'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Neutral Alkaline
- ✓ Tolerances: Drought, Alkaline Soils [*PH > 7.5*]
- ✓ Features: Pink flowers appear with new leaves; brown fruit husks remain through winter.
- ✓ Uses: Generally a Landscape or Specimen Tree
- ✓ Firewise: Yes
- ✓ Issues: Requires pruning to develop one or more trunks.
- ✓ Similar Species: Monillo, Mona, Texas Buckeye, Spanish Buckeye, False Buckeye, Canyon Buckeye

Possumhaw Holly

Latin Name: Ilex Decidua
Secondary Names: Possumhaw (Deciduous Holly)

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *8' to 10' (Occasionally 20')*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Slow
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable
- ✓ Tolerances: Drought, Poorly Drained Sites, Alkaline Soils [*PH>7.5*]
- ✓ Features: Orange or red berries on gray branches.
- ✓ Uses: Generally a Landscape Tree and Detention Tree
- ✓ Firewise: Yes
- ✓ Issues: Thin Bark Susceptible to Injury
- ✓ Similar Species: Bearberry, Meadow Holly, Prairie Holly, Swamp Holly, Welk Holly, Winterberry

Shantung Maple

Latin Name: Acer truncatum
Secondary Names: Shandong Maple, Purpleblow Maple

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *25' to 35'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid
- ✓ Native: Northern China
- ✓ Soil Needs: Loam, Sandy and Clay (Adaptable)
- ✓ Tolerances: Moderate Drought
- ✓ Features: Medium sized tree with dark green, glossy leaves that change to yellow orange/bright red in the fall.
- ✓ Firewise: No
- ✓ Issues: Leaf Spot and Leaf Scorch
- ✓ Similar Species: Japanese Maples

APPENDIX F: LANDSCAPING GUIDELINES PAGE 10 CITY OF ROCKWALL

APPENDIX F. LANDSCAPING GUIDELINES & REQUIREMENTS

Flameleaf Sumac

Latin Name: Rhus lanceolata
Secondary Names: Prairie Sumac, Prairie Flameleaf Sumac

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *40' to 50'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Neutral Alkaline
- ✓ Tolerances: Drought, Alkaline Soils [*PH > 7.5*]
- ✓ Features: Compound leaves turn bright red in fall; white flower spikes bear red clusters of berries.
- ✓ Uses: Generally a Landscape Tree
- ✓ Firewise: Yes
- ✓ Issues: Requries pruning to develop one or more trunks.
- ✓ Similar Species: Texas Sumac, Lance-Leaved Sumac, Limestone Sumac and Prairie Shining Sumac

Yapon Holly

Latin Name: Ilex vomitoria
Secondary Names: Yaupon, Cassina

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *10' to 20'*
- ✓ Leaf Type: *Evergreen*
- ✓ Growth Rate: Slow
- ✓ Native: Southeast United States (Texas)
- ✓ Soil Needs: Well Drained, Sandy, Loamy, Clay and Limestone
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Small tree with inconspicuous light green blooms and red berry like drupe.
- ✓ Uses: Landscape Tree
- ✓ Firewise: Yes
- ✓ Issues: Aphids, Minor Leaf Beetle & Dutch Elm Disease
- ✓ Similar Species: Evergreen Cassena, Emetic Holly, Indian Black Drink

F.5. RECOMMENDED SHRUB VARIETIES

The following are the City of Rockwall's recommended shrub varieties.

	Shrub	Scientific Name	SCR	XERI
3	Barberry	Berberis Thumbergii 'Crimson Pygmy'		
8	Dwarf Yaupon Holly	Ilex Vomitoria 'Nana'		
10	Yucca	Yucca Sp.		X
16	Juniper	Juniperus Sp.		
17	Japanese Boxwood	Buxus Japonica		
20	Mexican Oregano	Poliomentha Longiflora		
24	Red Yucca	Hesperaloe Parvifolia		X
25	Rock Rose	Pavonia Lasiopetala		X
1	Agarita	Mahonia Trifoliolata		X
2	Barberry	Berberis Atropurpurea 'Rose Glow'		
5	Cenizo (Texas Sage)	Leucophyllum Sp.	X	X
7	Dwarf Burford Holly	Ilex Cornuta 'Burfordii Nana'	X	
14	Hogplum	Colubrina Texensis		
15	Indian Hawthorn	Raphiolepis Indica		
19	Japanese Quince	Chaenomeles Japonica		
23	Pearl Bush	Exochorda Giraldii Wilsonii		
27	Rosemary	Rosmarinus Officinalis		X
28	Virginia Sweetspire	Itea Virginica		
4	Bridal Wreath Spirea	Spiraea Cantoniensis	X	X
6	Chinese Fringe	Loropetalum Chinense	X	
9	Elaegnus	Elaeagnus x Ebbingei	X	
11	Evergreen Sumac	Rhus Virens		
12	Forsythia	Forsythia Intermedia 'Spectabilis'		
13	Glossy Abelia	Abelia x Gradiflora		
18	Japanese Cleyera	Cleyera Ternstroemia Gymnanthera		
21	Nellie Stevens Holly	Ilex 'Nellie R. Stevens'	X	
22	Oleander	Nerium Oledander	X	
26	Rose of Sharon	Hibiscus Syriacus	X	

Abbreviations:
- ☑ XERI: Xeriscaping
- ☑ SCR: Screening

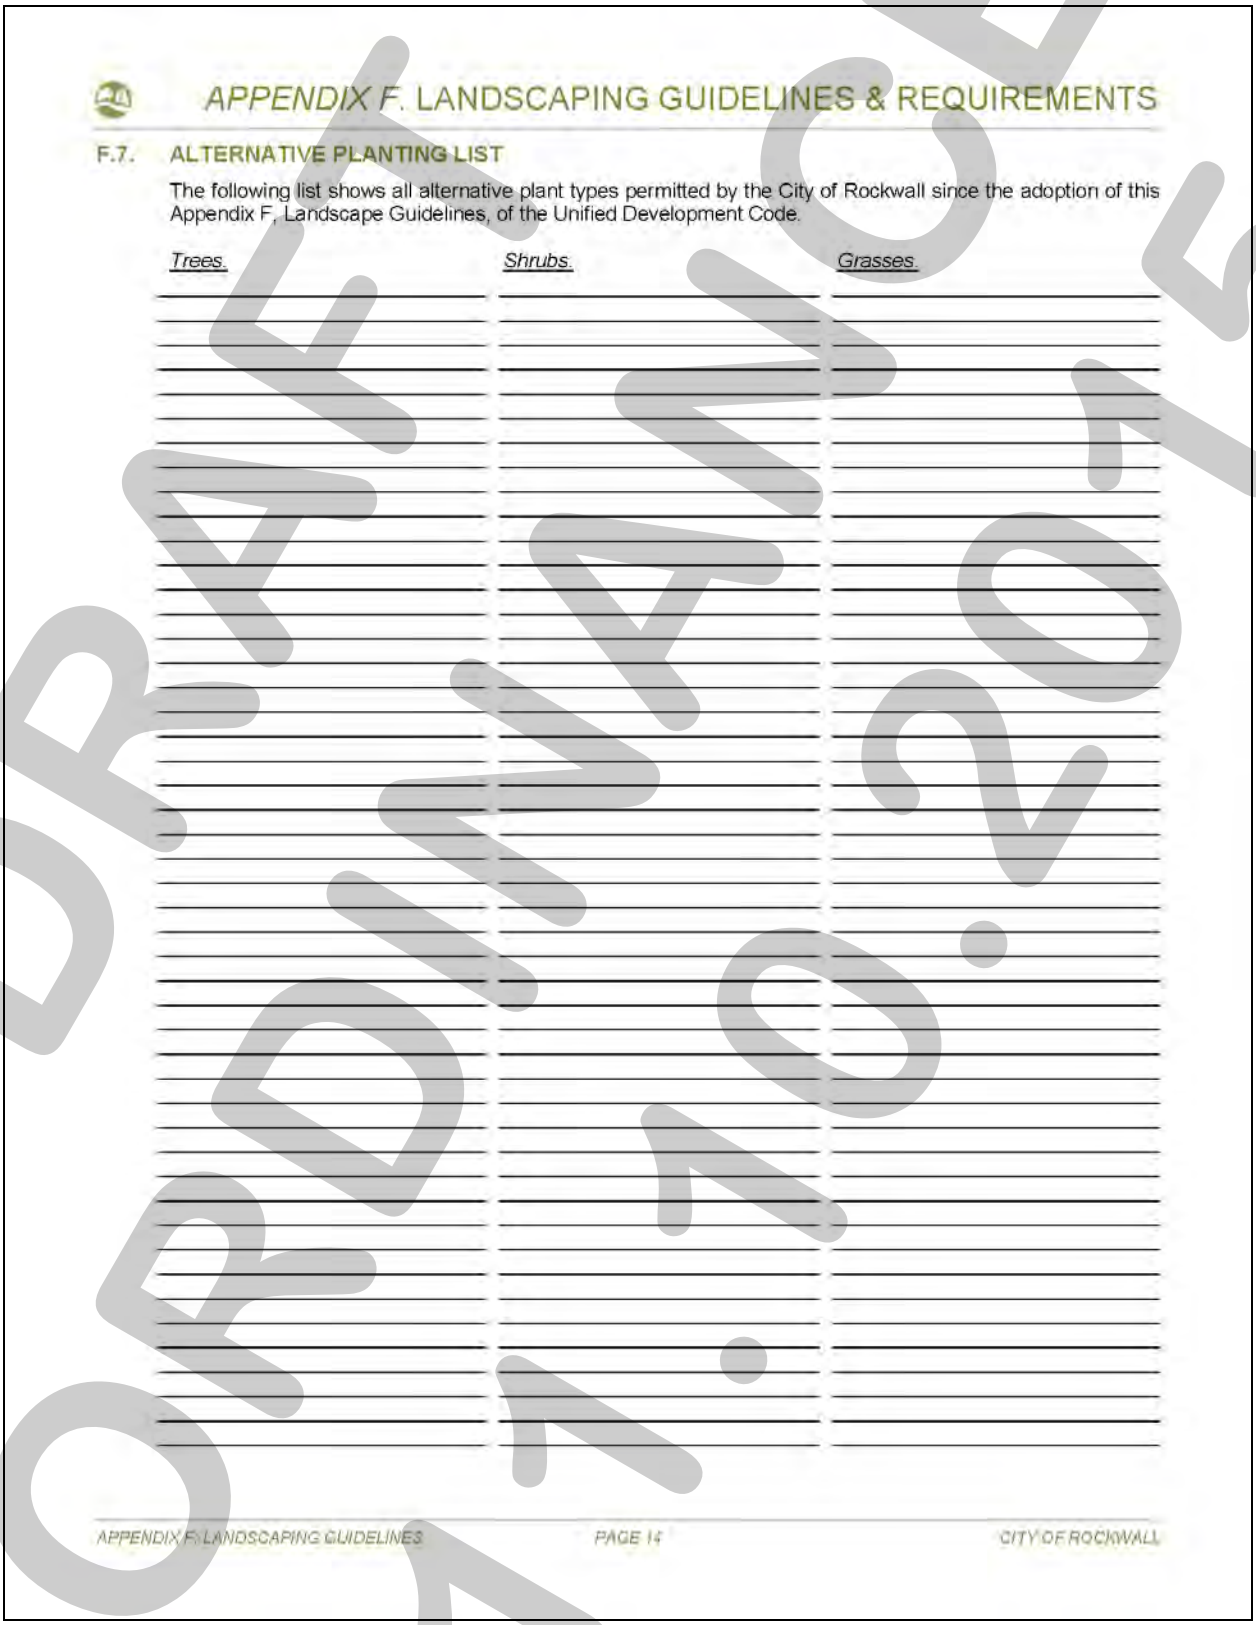
F.6. RECOMMENDED GRASSES

The following are the City of Rockwall's recommended grass varieties.

	Grass	Scientific Name	XERI
1	Bermuda Grass	Cynodon Dactylon	
2	Big Bluestem	Andropogon Gerardii	X
3	Buffalo Grass	Buchloe Dactyloides	X
4	Deer Muhly	Muhlenbergia Rigens	
5	Eastern Gamagrass	Tripsacum Dactyloides	X
6	Fountain Grass	Pennisetum Alopercuroides 'Hamelin'	
7	Feather Reed Grass	Calamagrostis Acutiflora 'Karl Foerster'	
8	Inland Seaoats	Chasmanthium Latifolium	X
9	Japanses Blood Grass	Imperata Cylindrica 'Red Baron'	
10	Little Bluestem	Schixachyrium Scoparium	X
11	Maiden Grass	Adagio, Cabaret, Gracillimus, Morining Light, Varigatus, Zebra Grass	X
12	Mexican Feather Grass	Stipa Tenuissima 'Pony Tails'	X
13	Muhly Grass	Muehelenbergia Lindheimeri	X
14	Prairie Mix	N/A	X
15	Prairie Dropseed	Sporobolus Heterolepsis	
16	St. Augustine Grass	Stenotaphrum Secundatum	X
17	Switch Grass	Panicum Virgatum	X
18	Weeping Love Grass	Eragrostis Curvula	X



Abbreviations:
☑ XERI: Xeriscaping

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **November 13, 2015**

SUBJECT: **Drainage Ordinance Variance Request**

Staff received a request from Spiars Engineering, Inc. (Engineer for The Preserve, Phase One development) requesting a variance from our Drainage Ordinance related to the detention requirements. They are requesting a variance to the Ordinance restricting the construction of retaining walls in the detention area. The ordinance requires developments with detention basins over one-half acre in size to have a minimum side slope of 5:1 or less.

In the past years, retaining walls were allowed in the detention areas. The engineer stated that because of the limited area and constraints within the proposed development, meeting the intent of the ordinance will be extremely difficult.

Discuss and consider approval of a variance request from Spiars Engineering associated with the city's ordinance provisions related to standards for design of development within subdivisions, specifically pertaining to construction of retaining walls in detention areas within Phase One of the Preserve, and take any action necessary.

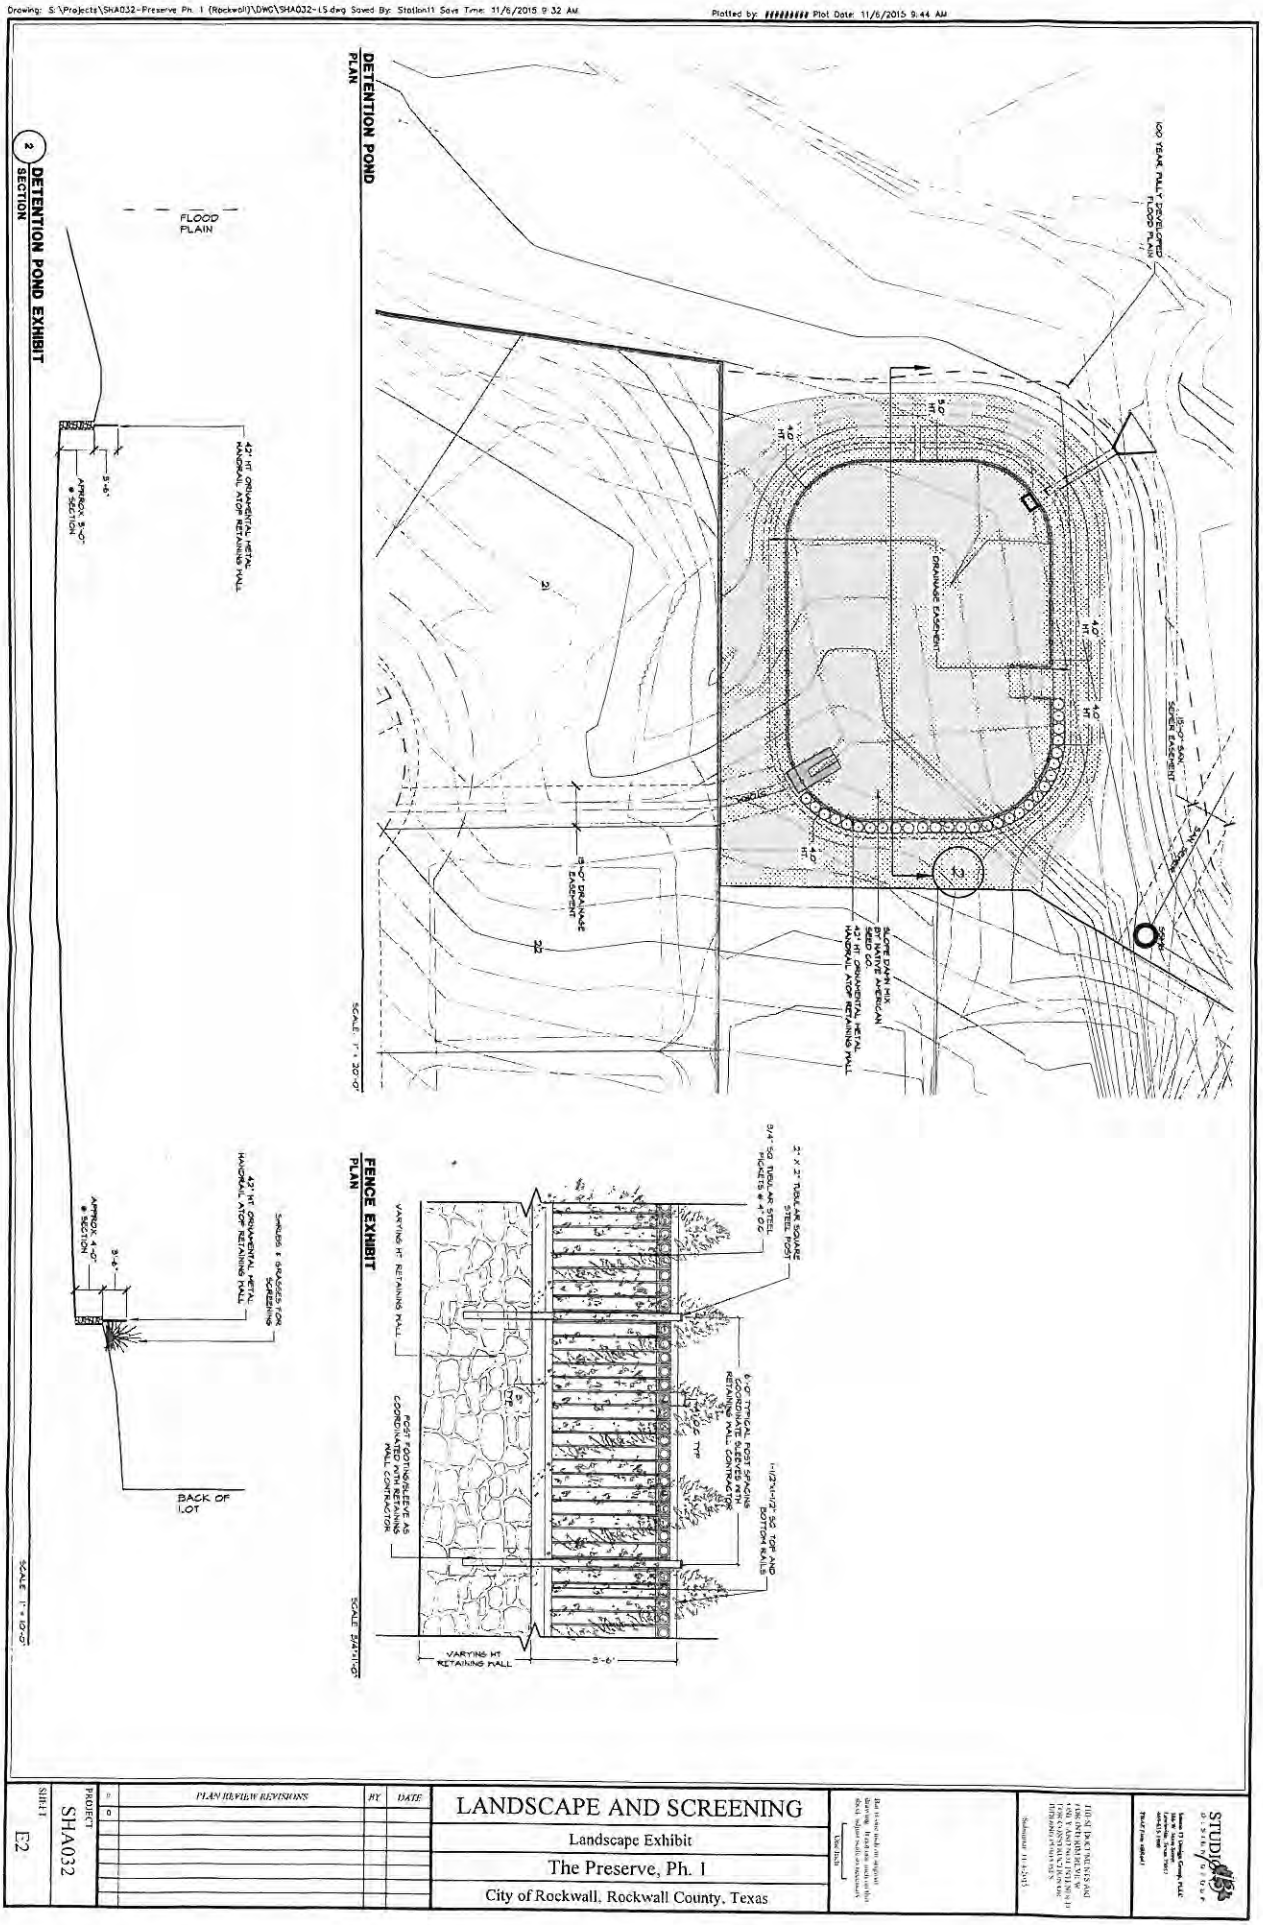
Re: Variance Letter (Retaining Walls in Detention Areas)
The Preserve Phase 1
Rockwall, Texas
SEI Project No.: 13-141

Dear Ms. Williams:



I would like to respectfully request a variance to the Ordinance restricting retaining walls in detention areas. Originally, the detention areas had sloped sides, but due to the unique requirements (a different hydrological method) of the flood study for Squabble Creek, it was necessary to increase the detention volumes. Because of the limited area and surrounding constraints (gas main location, sanitary sewer main location, floodplain, and trees), stone retaining walls with a random mosaic pattern have been proposed around the detention areas. These retaining walls will match the retaining walls throughout the subdivision. If the City is concerned about screening the detention areas, a masonry wall or live screening can be added. I feel that this variance is needed for the proper development of the site.

Furthermore, the strict application of the provisions of this Ordinance would deprive the applicant of the reasonable use of his land. Finally, the granting of this variance, in my professional opinion, will not be detrimental to the public health, safety or welfare or injurious to other property in the area.

Please give me a call me if you have any questions.

Sincerely,
SPIARS ENGINEERING, INC.

Greg T. Helsel, P.E.

3. STORM DRAINAGE FACILITIES

3.3 Detention:

A. Intent: It is the City's intent to utilize detention (or detention/retention) of storm water runoff as a solution towards control of potential hazards created by storm water runoff including; reduction in the impact on downstream storm water facilities, prevention of erosive conditions in water drainage ways, and preservation of existing floodplains along major creeks. Detention basins may also improve water quality by allowing some sediment to settle out.

B. All non-residential development (not within the Downtown Zoning District or other redevelopment areas that will not impact the storm water flow) shall construct detention facilities. The Modified Rational Method (see H below- example calculations) shall be utilized to determine detention volume. Residential developments shall construct detention facilities if it is determined that the downstream system does not have capacity for the developed flow and the capacity of the downstream storm sewer system cannot be increased to allow the conveyance of the developed flows. *All development within the Squabble Creek drainage basin will construct detention facilities and model Squabble Creek utilizing HEC-2, to ensure no impact on flows or water surface elevation.

C. The following detention facilities are to be utilized for detention:

AREA	TYPE OF FACILITY
½ Acre or Less	**A. Underground**
	B. On Concrete Parking Surface (max. 1-foot water depth)
Greater Than ½ Acre, On-site	**A. Underground**
	B. On Concrete Parking Surface (max. 1-foot water depth)
	C. Detention Basin
	Side Slopes 5 to 1, or Less (no fencing allowed)
	Area to be Landscaped
	Maintained by Developer
	Additional Amenities Preferred
	Ownership Stays With Property Owner
Greater Than ½ Acre, Off-site Shared	**A. Detention Basin Shared with Other Development/s**
	May Expand Existing Pond
	No Increase in 100-year Flood Plain Elevation
	Capacity Expanded Above Existing Water Surface
	Need Engineering Study

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **November 13, 2015**

SUBJECT: **Intent to Refund/Refinance Debt**

The bond market now is such that the City can refund (refinance) approximately $3,235,000 of water/sewer revenue bonds issued in 2005 and $5,620,000 of certificates of obligation debt issued in 2006 in order to save an estimated $1,027,000 in interest over the remaining life of the these bonds. Interest rates at the time were in the 4.0 – 4.5% range and are significantly lower now. The issuance will be accomplished as "bank qualified" which results in savings of issuance costs as well. The debt will be repaid in the same length of time but at a lower interest rate of about 2.01%. This refunding will not generate new dollars.

We may issue up to $10million in bank-qualified debt this year. We can only do bank qualifying debt when that is all the debt we would be issuing that year though.

David Medanich, First Southwest Company, has evaluated the issuance of the bonds and the savings potential. His firm will make contact with local financial institutions to seek pricing for refunding opportunities to generate a savings at or exceeding current projections.

Adoption of Ordinances

Section 3.11 of the City's Charter provides that ordinances shall be read at two meetings. In past years, a bond ordinance would be considered at two meetings, with the sale and final adoption of the bond ordinance occurring at the second meeting. However, Section 1201.028, Texas Government Code provides that a public security authorization becomes effective immediately upon adoption. This section was added to the Code during the legislative session in 2001, became effective September 1, 2001, and specifically provides that it supersede a charter provision to the contrary.

In order to issue bank-qualified debt, yet this calendar year, we would have to follow state statute and only read the ordinance one time rather than the two readings spelled out in the Charter. There would not be sufficient time to have the second reading of the ordinance, get pricing, AG and Comptroller approval and close the issue with all of the scheduled days off for holidays in the next few weeks. Frank Garza will answer questions from Council regarding this matter but agreed with Bond Counsel that the single reading in this situation would be most appropriate. The difference in savings between bank qualified and a standard refinancing is projected to be $265,000 of additional savings that would not materialize if we wait to do all of the refinancing together next year.

The accompanying ordinance for Council consideration provides parameters under which the City Manager can agree to terms of the refinancing. First Southwest and a placement agent will work with local banks to seek pricing that falls within the parameters set by Council and make recommendation to the City Manager as to which offer is most advantageous to the City. The City Manager would then execute the sale documents.

2016 Debt Issuance Overview

In addition, in early 2016, we expect to bring forward the remaining refunding opportunities ranging from $32 - $54 million depending on market conditions at the time. The refunding would be to generate interest savings over the remaining life of those bond issues. We will also have new money issuance for voter approved roadway projects and water and sewer infrastructure projects and equipment. The issuance size is being finalized but will likely be about $9million of voter approved debt and $6million for the utility projects and equipment.

Staff asks Council consider adoption of the accompanying parameters ordinance on one reading.

ORDINANCE NO. ____

ORDINANCE AUTHORIZING THE ISSUANCE OF CITY OF ROCKWALL, TEXAS, GENERAL OBLIGATION REFUNDING BOND, SERIES 2015; ESTABLISHING PROCEDURES AND DELEGATING AUTHORITY FOR THE SALE AND DELIVERY OF THE BOND; PROVIDING FOR THE SECURITY AND PAYMENT OF SAID BOND; PROVIDING AN EFFECTIVE DATE; AND ENACTING OTHER PROVISIONS RELATING TO THE SUBJECT

WHEREAS, there are presently the outstanding obligations of the City of Rockwall, Texas (the "Issuer"), described in Schedule I attached hereto, collectively, the "Eligible Refunded Obligations";

WHEREAS, the Issuer now desires to refund all or part of the Eligible Refunded Obligations, and those Eligible Refunded Obligations designated by the Pricing Officer in the Pricing Certificate, each as defined below, to be refunded are herein referred to as the "Refunded Obligations";

WHEREAS, Chapter 1207, Texas Government Code, authorizes the Issuer to issue refunding bonds and to deposit the proceeds from the sale thereof, together with any other available funds or resources, directly with a paying agent for any of the Refunded Obligations or a trust company or commercial bank that does not act as a depository for the Issuer and is named in these proceedings, and such deposit, if made before the payment dates of the Refunded Obligations, shall constitute the making of firm banking and financial arrangements for the discharge and final payment of the Refunded Obligations;

WHEREAS, Chapter 1207, Texas Government Code, further authorizes the Issuer to enter into an escrow agreement with such paying agent for the Refunded Obligations or trust company or commercial bank with respect to the safekeeping, investment, reinvestment, administration and disposition of any such deposit, upon such terms and conditions as the Issuer and such paying agent or trust company or commercial bank may agree;

WHEREAS, this City Council hereby finds and determines that it is a public purpose and in the best interests of the Issuer to refund the Refunded Obligations in order to achieve a present value debt service savings of at least 5.00% (net of any Issuer contribution), with such savings, among other information and terms to be included in a pricing certificate (the "Pricing Certificate") to be executed by the Pricing Officer (hereinafter designated), all in accordance with the provisions of Section 1207.007, Texas Government Code;

WHEREAS, all the Refunded Obligations mature or are subject to redemption prior to maturity within 20 years of the date of the bond hereinafter authorized;

WHEREAS, the bond hereafter authorized is being issued and delivered pursuant to said Chapter 1207, Texas Government Code; and

WHEREAS, it is officially found, determined, and declared that the meeting at which this Ordinance has been adopted was open to the public and public notice of the time, place and subject matter of the public business to be considered and acted upon at said meeting, including this Ordinance, was given, all as required by the applicable provisions of Tex. Gov't Code Ann. ch. 551; Now, Therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. RECITALS, AMOUNT, PURPOSE AND DESIGNATION OF THE BOND.

(a) The recitals set forth in the preamble hereof are incorporated herein and shall have the same force and effect as if set forth in this Section.

(b) The bond of the City of Rockwall, Texas (the "Issuer"), is hereby authorized to be issued and delivered in the aggregate principal amount hereinafter provided for the public purpose of providing funds to refund a portion of the Issuer's outstanding indebtedness and to pay the costs incurred in connection with the issuance of the Bond.

(c) Each bond issued pursuant to this Ordinance shall be designated: "CITY OF ROCKWALL, TEXAS, GENERAL OBLIGATION REFUNDING BOND, SERIES 2015", and initially there shall be issued, sold, and delivered hereunder one fully registered Bond, without interest coupons, payable to the respective registered owners thereof (with the initial bond being made payable to the initial purchaser as described in Section 10 hereof), or to the registered assignee or assignee of said bond or any portion or portions thereof (in each case, the "Registered Owner"). The Bond shall be in the respective denomination and principal amounts, shall be numbered, shall mature and be payable on the date or dates in each of the years and in the principal amounts, and shall bear interest to their respective dates of maturity or redemption prior to maturity at the rates per annum, as set forth in the Pricing Certificate.

Section 2. DELEGATION TO PRICING OFFICER.

(a) As authorized by Section 1207.007, Texas Government Code, as amended, the City Manager and the Assistant City Manager/Director of Finance (each a "Pricing Officer") are each hereby authorized to act on behalf of the Issuer in selling and delivering the Bond, determining which of the Eligible Refunded Obligations shall be refunded and carrying out the other procedures specified in this Ordinance, including, determining the date of the Bond, any additional or different designation or title by which the Bond shall be known, the price at which the Bond will be sold, the years in which the Bond will mature, the principal amount to mature in each of such years, the rate of interest to be borne by each such maturity, the interest payment and record dates, the price and terms upon and at which the Bond shall be subject to redemption prior to maturity at the option of the Issuer, as well as any mandatory sinking fund redemption provisions, and all other matters relating to the issuance, sale, and delivery of the Bond and the refunding of the Refunded Obligations, including without limitation establishing the redemption dates for and effecting the redemption of the Refunded Obligations and obtaining municipal bond insurance for all or any portion of the Bond and providing for the terms and provisions thereof applicable to the Bond, including the execution of any commitment agreements, membership agreements in mutual insurance companies, and other similar agreements, all of which shall be specified in the Pricing Certificate; provided that:

(i) the aggregate original principal amount of the Bond authorized pursuant to this Ordinance shall not exceed $8,940,000;

(ii) the refunding must produce a present value debt service savings of at least 5.00% (net of any Issuer contribution);

(iii) the true interest cost of the Bond shall not exceed 2.75% per annum provided that the net effective interest rate on the Bond shall not exceed the maximum rate set forth in Chapter 1204, Texas Government Code, as amended;

(iv) the final maturity of the Bond shall not be later than August 1, 2026; and

(v) the delegation made hereby shall expire if not exercised by the Pricing Officer on or before May 14, 2016.

(b) In establishing the aggregate principal amount of the Bond, the Pricing Officer shall establish an amount not exceeding the amount authorized in Subsection (a) hereof, which shall be sufficient in amount to provide for the purposes for which the Bond is authorized and to pay costs of issuing the Bond. The Pricing Officer shall determine whether the Bond wil be sold by private placement or negotiated or competitive sale. The Bond shall be sold with and subject to such terms as set forth in the Pricing Certificate.

Section 3. CHARACTERISTICS OF THE BOND.

(a) Registration, Transfer, Conversion and Exchange. The selection and appointment of the paying agent/registrar for the Bond (the "Paying Agent/Registrar") shall be as provided in the Pricing Certificate. The Mayor or the City Manager is authorized and directed to execute and deliver in the name and on behalf of the Issuer a Paying Agent/Registrar Agreement with the Paying Agent/Registrar in substantially the form presented at this meeting.

(b) Registration, Transfer, Conversion and Exchange. The Issuer shall keep or cause to be kept at the corporate trust office of the Paying Agent/Registrar books or records for the registration of the transfer, conversion and exchange of the Bond (the "Registration Books"), and the Issuer hereby appoints the Paying Agent/Registrar as its registrar and transfer agent to keep such books or records and make such registrations of transfers, conversions and exchanges under such reasonable regulations as the Issuer and Paying Agent/Registrar may prescribe; and the Paying Agent/Registrar shall make such registrations, transfers, conversions and exchanges as herein provided within three days of presentation in due and proper form. The Paying Agent/Registrar shall obtain and record in the Registration Books the address of the registered owner of each Bond to which payments with respect to the Bond shall be mailed, as herein provided; but it shall be the duty of each registered owner to notify the Paying Agent/Registrar in writing of the address to which payments shall be mailed, and such interest payments shall not be mailed unless such notice has been given. The Issuer shall have the right to inspect the Registration Books during regular business hours of the Paying Agent/Registrar, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity. The Issuer shall pay the Paying Agent/Registrar's standard or customary fees and charges for making such registration, transfer, conversion, exchange and delivery of a substitute Bond or Bonds. Registration of assignments, transfers, conversions and exchanges of Bonds shall be made in the manner provided and with the effect stated in the FORM OF BOND set forth in this Ordinance. Each substitute Bond shall bear a letter and/or number to distinguish it from each other Bond.

(c) Authentication. Except as provided in subsection (h) of this section, an authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Bond, date and manually sign said Bond, and no such Bond shall be deemed to be issued or outstanding unless such Bond is so executed. The Paying Agent/Registrar promptly shall cancel any paid Bond and any Bond surrendered for conversion and exchange. No additional ordinances, orders or resolutions need be passed or adopted by the governing body of the Issuer or any other body or person so as to accomplish the foregoing conversion and exchange of any Bond or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution and delivery of the substitute Bond in the manner prescribed herein. Pursuant to Subchapter D, Chapter 1201, Texas Government Code, the duty of conversion and exchange of a Bond as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of said Bond, the converted and exchanged Bond shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Bond which initially was issued and delivered pursuant to this Ordinance, approved by the Attorney General, and registered by the Comptroller of Public Accounts.

(d) Payment of Principal and Interest. The Issuer hereby further appoints the Paying Agent/Registrar to act as the paying agent for paying the principal of and interest on the Bond, all as provided in this Ordinance. The Paying Agent/Registrar shall keep proper records of all payments made by the Issuer and the Paying Agent/Registrar with respect to the Bond, and of all conversions and exchanges of Bond, and any replacement of a Bond, as provided in this Ordinance. However, in the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the Issuer. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of the registered owner appearing on the Registration Books at the close of business on the last business day next preceding the date of mailing of such notice.

(e) Payment to Registered Owner. Notwithstanding any other provision of this Ordinance to the contrary, the Issuer and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Registration Books as the absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Bond only to or upon the order of the registered owner, as shown in the Registration Books as provided in this Ordinance, or its respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to payment of principal of and interest on the Bond to the extent of the sum or sums so paid. No person other than a registered owner, as shown in the Registration Books, shall receive a Bond certificate evidencing the obligation of the Issuer to make payments of principal and interest pursuant to this Ordinance.

(f) Paying Agent/Registrar. The Issuer covenants with the registered owner of the Bond that at all times while the Bond is outstanding the Issuer will provide a competent and legally qualified bank, trust company, financial institution or other agency to act as and perform the services of Paying Agent/Registrar for the Bond under this Ordinance, and that the Paying Agent/Registrar will be one entity. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Ordinance, and a certified copy of this Ordinance shall be delivered to each Paying Agent/Registrar.

(g) Substitute Paying Agent/Registrar. The Issuer reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than 120 days written notice to the Paying Agent/Registrar, to be effective not later than 60 days prior to the next principal or interest payment date after such notice. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the Issuer covenants that promptly it will appoint a competent and legally qualified bank, trust company, financial institution, or other agency to act as Paying Agent/Registrar under this Ordinance. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Bond, to the new Paying Agent/Registrar designated and appointed by the Issuer. Upon any change in the Paying Agent/Registrar, the Issuer promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each registered owner of the Bonds, by United States mail, first-class postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar.

(h) General Characteristics of the Bond. The Bond (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on such Bond to be payable only to the Registered Owner thereof, (ii) may and shall be redeemed prior to their scheduled maturities, (iii) may be transferred and

assigned, (iv) may be converted and exchanged for other Bonds, (v) shall have the characteristics, (vi) shall be signed, sealed, executed and authenticated, (vii) the principal of and interest on the Bond shall be payable, and (viii) shall be administered and the Paying Agent/Registrar and the Issuer shall have certain duties and responsibilities with respect to the Bond, all as provided, and in the manner and to the effect as required or indicated, in the FORM OF BOND set forth in this Ordinance. The Bond initially issued and delivered pursuant to this Ordinance is not required to be, and shall not be, authenticated by the Paying Agent/Registrar, but on each substitute Bond issued in conversion of and exchange for any Bond or Bonds issued under this Ordinance the Paying Agent/Registrar shall execute the Paying Agent/registrar's Authentication Bond, in the FORM OF BOND set forth in this Ordinance.

(i) Delivery of Initial Bond. On the closing date, one initial Bond representing the entire principal amount of the Bond, payable in stated installments to the order of the initial purchaser of the Bond or its designee, executed by manual or facsimile signature of the Mayor and City Secretary, approved by the Attorney General of Texas, and registered and manually signed by the Comptroller of Public Accounts of the State of Texas, will be delivered to such purchaser or its designee.

Section 4. FORM OF BOND. The form of the Bond, including the form of Paying Agent/Registrar's Authentication Certificate, the form of Assignment and the form of Registration Certificate of the Comptroller of Public Accounts of the State of Texas to be attached to the Bond initially issued and delivered pursuant to this Ordinance, shall be, respectively, substantially as follows, with such appropriate variations, omissions or insertions as are permitted or required by this Ordinance, and with the Bond to be completed with information set forth in the Pricing Certificate.

(a) Form of Bond.

NO. R-

PRINCIPAL AMOUNT
$_____

UNITED STATES OF AMERICA
STATE OF TEXAS

CITY OF ROCKWALL, TEXAS
GENERAL OBLIGATION REFUNDING BOND
SERIES 2015

Interest Rate	Delivery Date
As shown below	_____

REGISTERED OWNER:

PRINCIPAL AMOUNT:

The City of Rockwall, Texas (the "Issuer"), being a political subdivision of the State of Texas located in Rockwall County, Texas, for value received, promises to pay, from the sources described herein, to the

registered owner specified above, or registered assign (hereinafter called the "Registered Owner"), the principal amount specified above, and to pay interest thereon, from the Delivery Date set forth above, on the balance of said principal amount from time to time remaining unpaid, at the rates per annum set forth in the table below, calculated on the basis of a 360-day year of twelve 30-day months. The unpaid principal of this Bond shall mature and shall be paid in installments on the dates and in the amounts set forth in the table below:

Payment Date	Principal Installment	Interest Rate
	$	%

[Information From Pricing Certificate to be Inserted]

THE PRINCIPAL OF AND INTEREST ON THIS BOND are payable in lawful money of the United States of America, without exchange or collection charges. The Issuer shall pay interest on this Bond on _____, and on each _____and _____thereafter to the date of maturity or redemption prior to maturity. The last principal installment of this Bond shall be paid to the Registered Owner hereof upon presentation and surrender of this Bond at maturity, or upon the date fixed for its redemption prior to maturity, at the principal office of _____, Texas, which is the "Paying Agent/Registrar" for this Bond. The payment of all other principal installments of and interest on this Bond shall be made by the Paying Agent/Registrar to the Registered Owner hereof on each principal and interest payment date by check or draft, dated as of such principal and interest payment date, drawn by the Paying Agent/Registrar on, and payable solely from, funds of the Issuer required by the Bond Ordinance to be on deposit with the Paying Agent/Registrar for such purpose as hereinafter provided; and such check or draft shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, on each such interest payment date, to the Registered Owner hereof, at its address as it appeared on the fifteenth day of the month next preceding each such date (the "Record Date") on the Registration Books kept by the Paying Agent/Registrar, as hereinafter described. In addition, principal and interest may be paid by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the Registered Owner.

ANY ACCRUED INTEREST due in connection with the final installment of principal of this Bond or upon redemption of this Bond in whole at the option of the Issuer prior to maturity as provided herein shall be paid to the Registered Owner upon presentation and surrender of this Bond for payment at the principal corporate trust office of the Paying Agent/Registrar. The Issuer covenants with the Registered Owner of this Bond that on or before each principal payment date and interest payment date for this Bond it will make available to the Paying Agent/Registrar, from the "Interest and Sinking Fund" created by the Bond Ordinance, the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Bond, when due.

IF THE DATE for the payment of the principal of or interest on this Bond shall be a Saturday, Sunday, a legal holiday or a day on which banking institutions in the city where the principal corporate trust office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day that is not such a Saturday, Sunday, legal holiday or day on which banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

THIS BOND is dated _____, authorized in accordance with the Constitution and laws of the State of Texas in the principal amount of $_____ for the public purpose of refunding certain outstanding obligations of the Issuer set forth in the Pricing Certificate, and to pay the costs incurred in connection with the issuance of the Bond.

ON _____, or any date thereafter, the principal installments of this Bond may be redeemed prior to their scheduled maturities, at the option of the Issuer, with funds derived from any available and lawful source, as a whole, or in part, and, if in part, the particular principal installments or portions thereof, to be redeemed shall be selected and designated by the Issuer, at a redemption price equal to the principal amount to be redeemed plus accrued interest to the date fixed for redemption.

AT LEAST 20 days prior to the date fixed for any optional redemption of the Bond or portions thereof prior to maturity a written notice of such redemption shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, to the Registered Owner of the Bond at its address as it appeared on the Registration Books on the day such notice of redemption is mailed; provided, however, that the failure of the Registered Owner to receive such notice, or any defect therein or in the sending or mailing thereof, shall not affect the validity or effectiveness of the proceedings for the redemption of this Bond. By the date fixed for any such redemption, due provision shall be made with the Paying Agent/Registrar for the payment of the required redemption price for the Bond or portions thereof which are to be so redeemed. If such written notice of redemption is sent and if due provision for such payment is made, all as provided above, the Bond or portions thereof which are to be so redeemed thereby automatically shall be treated as redeemed prior to its scheduled maturity, and shall not bear interest after the date fixed for redemption, and shall not be regarded as being outstanding except for the right of the Registered Owner to receive the redemption price from the Paying Agent/Registrar out of the funds provided for such payment.

IF AT THE TIME OF MAILING of notice of optional redemption there shall not have either been deposited with the Paying Agent/Registrar or legally authorized escrow agent immediately available funds sufficient to redeem the Bond called for redemption, such notice must state that it is conditional, and is subject to the deposit of the redemption moneys with the Paying Agent/Registrar or legally authorized escrow agent at or prior to the redemption date, and such notice shall be of no effect unless such moneys are so deposited on or prior to the redemption date.

UPON THE PAYMENT of principal on this Bond, or partial redemption of this Bond, the Paying Agent/Registrar, shall note in the Payment Record appearing on this Bond the amount of such prepayment, the date said payment was made and the remaining unpaid principal balance of this Bond and shall then have said entry signed by an authorized official of the Paying Agent/Registrar. The Paying Agent/Registrar shall also record such information in the Bond Registration Books, and the Paying Agent/Registrar shall also record in the Bond Registration Books all payments of principal installments on such Bond when made on their respective due dates.

THIS BOND IS ISSUABLE IN THE FORM of one fully-registered Bond without coupons in the denomination of $_____. This Bond may be transferred or exchanged as provided in the Bond Ordinance, only upon the registration books kept for that purpose at the above-mentioned office of the Paying Agent/Registrar upon surrender of this Bond together with a written instrument of transfer or authorization for exchange satisfactory to the Paying Agent/Registrar and duly executed by the Registered Owner or his duly authorized attorney, and thereupon a new Bond of the same maturity and in the same aggregate principal amount shall be issued by the Paying Agent/Registrar to the transferee in exchange therefor as provided in the Bond Ordinance, and upon payment of the charges therein prescribed. The Issuer and the Paying Agent/Registrar may deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and

interest due hereon and for all other purposes. The Paying Agent/Registrar shall not be required to make any such transfer or exchange (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or interest payment date, or (ii) within 30 days prior to a redemption date.

IN THE EVENT any Paying Agent/Registrar for this Bond is changed by the Issuer, resigns, or otherwise ceases to act as such, the Issuer has covenanted in the Bond Ordinance that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the Registered Owner of the Bond.

THIS BOND shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Bond Ordinance until the Certificate of Authentication shall have been executed by the Paying Agent/Registrar or the Comptroller's Registration Certificate hereon shall have been executed by the Texas Comptroller of Public Accounts.

IT IS HEREBY certified, recited and covenanted that this Bond has been duly and validly authorized, issued and delivered; that all acts, conditions and things required or proper to be performed, exist and be done precedent to or in the authorization, issuance and delivery of this Bond have been performed, existed and been done in accordance with law; and that annual ad valorem taxes sufficient to provide for the payment of the interest on and principal of this Bond, as such interest comes due and such principal matures, have been levied and ordered to be levied against all taxable property in said Issuer, and have been pledged for such payment, within the limit prescribed by law.

THE ISSUER HAS RESERVED THE RIGHT to amend the Bond Ordinance as provided therein, and under some (but not all) circumstances amendments thereto must be approved by the Registered Owner of the Bond.

BY BECOMING the Registered Owner of this Bond, the Registered Owner thereby acknowledges all of the terms and provisions of the Bond Ordinance, agrees to be bound by such terms and provisions, acknowledges that the Bond Ordinance is duly recorded and available for inspection in the official minutes and records of the governing body of the Issuer, and agrees that the terms and provisions of this Bond and the Bond Ordinance constitute a contract between each Registered Owner hereof and the Issuer.

IN WITNESS WHEREOF, the Issuer has caused this Bond to be signed with the manual or facsimile signature of the Mayor of the Issuer and countersigned with the manual or facsimile signature of the City Secretary of said Issuer, and has caused the official seal of the Issuer to be duly impressed, or placed in facsimile, on this Bond.

Section 5. INTEREST AND SINKING FUND.

(a) A special "Interest and Sinking Fund" is hereby created and shall be established and maintained by the Issuer as a separate fund or account and the funds therein shall be deposited into and held in an account at an official depository bank of said Issuer. Said Interest and Sinking Fund shall be accounted for separate and apart from all other funds and accounts of said Issuer, and shall be used only for paying the interest on and principal of said Bond. All amounts received from the sale of the Bond as accrued interest shall be deposited upon receipt to the Interest and Sinking Fund, and all ad valorem taxes levied and collected for and on account of said Bond shall be deposited, as collected, to the credit of said Interest and Sinking Fund. During each year while the Bond is outstanding and unpaid, the governing body of said Issuer shall compute and ascertain a rate and amount of ad valorem tax that will be sufficient to raise and produce the money

required to pay the interest on said Bond as such interest comes due, and to provide and maintain a sinking fund adequate to pay the principal of said Bond as such principal matures (but never less than 2% of the original amount of said Bond as a sinking fund each year); and said tax shall be based on the latest approved tax rolls of said Issuer, with full allowances being made for tax delinquencies and the cost of tax collection. Said rate and amount of ad valorem tax is hereby levied, and is hereby ordered to be levied, against all taxable property in said Issuer, for each year while any of said Bond is outstanding and unpaid, and said tax shall be assessed and collected each such year and deposited to the credit of the aforesaid Interest and Sinking Fund. Said ad valorem taxes sufficient to provide for the payment of the interest on and principal of said Bond, as such interest comes due and such principal matures, are hereby pledged for such payment, within the limit prescribed by law. If lawfully available moneys of the Issuer are on deposit in the Interest and Sinking Fund in advance of the time when ad valorem taxes are scheduled to be levied for any year, then the amount of taxes that otherwise would have been required to be levied pursuant to this Section may be reduced to the extent and by the amount of the lawfully available funds then on deposit in the Interest and Sinking Fund.

(b) Article 1208, Government Code, applies to the issuance of the Bond and the pledge of the taxes granted by the Issuer under this Section and is therefore valid, effective, and perfected. Should Texas law be amended at any time while the Bond is outstanding and unpaid, the result of such amendment being that the pledge of the taxes granted by the Issuer under this Section is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, in order to preserve to the registered owners of the Bond a security interest in said pledge, the Issuer agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing of a security interest in said pledge to occur.

Section 6. DEFEASANCE OF BONDS.

(a) Any Bond and the interest thereon shall be deemed to be paid, retired and no longer outstanding (a "Defeased Bond") within the meaning of this Ordinance, except to the extent provided in subsection (d) of this Section, when payment of the principal of such Bond, plus interest thereon to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with an escrow agreement or other instrument (the "Future Escrow Agreement") for such payment (1) lawful money of the United States of America sufficient to make such payment or (2) Defeasance Securities that mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the Issuer with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable. At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes herein levied and pledged as provided in this Ordinance, and such principal and interest shall be payable solely from such money or Defeasance Securities. Notwithstanding any other provision of this Ordinance to the contrary, it is hereby provided that any determination not to redeem Defeased Bonds that is made in conjunction with the payment arrangements specified in subsection (a)(i) or (ii) of this Section shall not be irrevocable, provided that: (1) in the proceedings providing for such payment arrangements, the Issuer expressly reserves the right to call the Defeased Bonds for redemption; (2) gives notice of the reservation of that right to the owners of the Defeased Bonds immediately following the making of the payment arrangements; and (3) directs that notice of the reservation be included in any redemption notices that it authorizes.

(b) Any moneys so deposited with the Paying Agent/Registrar may at the written direction of the Issuer be invested in Defeasance Securities, maturing in the amounts and times as hereinbefore set forth, and all income from such Defeasance Securities received by the Paying Agent/Registrar that is not required for

the payment of the Bond and interest thereon, with respect to which such money has been so deposited, shall be turned over to the Issuer, or deposited as directed in writing by the Issuer. Any Future Escrow Agreement pursuant to which the money and/or Defeasance Securities are held for the payment of Defeased Bonds may contain provisions permitting the investment or reinvestment of such moneys in Defeasance Securities or the substitution of other Defeasance Securities upon the satisfaction of the requirements specified in subsection (a)(i) or (ii) of this Section. All income from such Defeasance Securities received by the Paying Agent/Registrar which is not required for the payment of the Defeased Bonds, with respect to which such money has been so deposited, shall be remitted to the Issuer or deposited as directed in writing by the Issuer.

(c) The term "Defeasance Securities" means any securities and obligations now or hereafter authorized by State law that are eligible to discharge obligations such as the Bond.

(d) Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the Issuer shall make proper arrangements to provide and pay for such services as required by this Ordinance.

(e) In the event that the Issuer elects to defease less than all of the principal amount of Bonds of a maturity, the Paying Agent/Registrar shall select, or cause to be selected, such amount of Bonds by such random method as it deems fair and appropriate.

Section 7. DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS.

(a) Replacement Bonds. In the event any outstanding Bond is damaged, mutilated, lost, stolen or destroyed, the Paying Agent/Registrar shall cause to be printed, executed and delivered, a new Bond of the same principal amount, maturity and interest rate, as the damaged, mutilated, lost, stolen or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) Application for Replacement Bonds. Application for replacement of damaged, mutilated, lost, stolen or destroyed Bonds shall be made by the registered owner thereof to the Paying Agent/Registrar. In every case of loss, theft or destruction of a Bond, the registered owner applying for a replacement Bond shall furnish to the Issuer and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft or destruction of a Bond, the registered owner shall furnish to the Issuer and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft or destruction of such Bond, as the case may be. In every case of damage or mutilation of a Bond, the registered owner shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this , in the event any such Bond shall have matured, and no default has occurred that is then continuing in the payment of the principal of, redemption premium, if any, or interest on the Bond, the Issuer may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section.

(d) Charge for Issuing Replacement Bonds. Prior to the issuance of any replacement Bond, the Paying Agent/Registrar shall charge the registered owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement Bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen or destroyed shall constitute a contractual obligation of the Issuer whether or not the lost, stolen or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Ordinance.

(e) Authority for Issuing Replacement Bonds. In accordance with Sec. 1206.022, Government Code, this Section 7 of this Ordinance shall constitute authority for the issuance of any such replacement Bond without necessity of further action by the governing body of the Issuer or any other body or person, and the duty of the replacement of such Bond is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Bond in the form and manner and with the effect, as provided in Section 3(a) of this Ordinance for a Bond issued in conversion and exchange for another Bond.

Section 8. CUSTODY, APPROVAL, AND REGISTRATION OF BONDS; BOND COUNSEL'S OPINION; CUSIP NUMBERS AND CONTINGENT INSURANCE PROVISION, IF OBTAINED; ENGAGEMENT OF BOND COUNSEL.

(a) The Mayor of the Issuer and each of the Pricing Officers are hereby authorized to have control of the Bond initially issued and delivered hereunder and all necessary records and proceedings pertaining to the Bond pending its delivery and investigation, examination, and approval by the Attorney General of the State of Texas, and its registration by the Comptroller of Public Accounts of the State of Texas. Upon registration of the Bond said Comptroller of Public Accounts (or a deputy designated in writing to act for said Comptroller) shall manually sign the Comptroller's Registration Certificate attached to such Bond, and the seal of said Comptroller shall be impressed, or placed in facsimile, on such Bond. The approving legal opinion of the Issuer's Bond Counsel and the assigned CUSIP numbers, if any, may, at the option of the Issuer, be printed on the Bond issued and delivered under this Ordinance, but neither shall have any legal effect, and shall be solely for the convenience and information of the registered owners of the Bond. In addition, if bond insurance is obtained, the Bond may bear an appropriate legend as provided by the insurer.

(b) The obligation of the initial purchaser to accept delivery of the Bond is subject to the initial purchaser being furnished with the final, approving opinion of McCall, Parkhurst & Horton L.L.P., bond counsel to the Issuer, which opinion shall be dated as of and delivered on the date of initial delivery of the Bond to the initial purchaser. The engagement of such firm as bond counsel to the Issuer in connection with issuance, sale and delivery of the Bond is hereby approved and confirmed. The execution and delivery of an engagement letter between the Issuer and such firm, with respect to such services as bond counsel, is hereby authorized in such form as may be approved by the Mayor, and the Mayor is hereby authorized to execute such engagement letter.

Section 9. COVENANTS REGARDING TAX EXEMPTION OF INTEREST ON THE BONDS.

(a) Covenants. The Issuer covenants to take any action necessary to assure, or refrain from any action that would adversely affect, the treatment of the Bonds as Obligation described in section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the Issuer covenants as follows:

(1) to take any action to assure that no more than 10 percent of the proceeds of the Bonds (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds or the projects financed or refinanced therewith (the "Projects") are so used, such amounts, whether or not received by the Issuer, with respect to such private business use, do not, under the terms of this Ordinance or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bond, in contravention of section 141(b)(2) of the Code;

(2) to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Bond or the projects financed

therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" that is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(3) to take any action to assure that no amount that is greater than the lesser of $5,000,000, or 5 percent of the proceeds of the Bond (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(4) to refrain from taking any action that would otherwise result in the Bond being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(5) to refrain from taking any action that would result in the Bond being "federally guaranteed" within the meaning of section 149(b) of the Code;

(6) to refrain from using any portion of the proceeds of the Bond, directly or indirectly, to acquire or to replace funds that were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) that produces a materially higher yield over the term of the Bond, other than investment property acquired with –

(A) proceeds of the Bond invested for a reasonable temporary period of 3 years or less or, in the case of an advance refunding bond, for a period of 30 days or less until such proceeds are needed for the purpose for which the bonds are issued, and in the case of a current refunding bond, for a period of 90 days or less,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Treasury Regulations, and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bond;

(7) to otherwise restrict the use of the proceeds of the Bond or amounts treated as proceeds of the Bond, as may be necessary, so that the Bond does not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage) and, to the extent applicable, section 149(d) of the Code (relating to advance refundings); and

(8) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Bond) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Bond has been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code.

(b) Rebate Fund. In order to facilitate compliance with the above covenant (a)(8), a "Rebate Fund" is hereby established by the Issuer for the sole benefit of the United States of America, and such Fund shall not be subject to the claim of any other person, including without limitation the Bondholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(c) Use of Proceeds. For purposes of the foregoing covenants (a)(1) and (a)(2), the Issuer understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the Refunded Obligations expended prior to the date of issuance of the Bond. It is the understanding of the Issuer that the covenants

contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated that modify or expand provisions of the Code, as applicable to the Bond, the Issuer will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bond under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated that impose additional requirements applicable to the Bond, the Issuer agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bond under section 103 of the Code. In furtherance of such intention, the Issuer hereby authorizes and directs the Mayor and each Pricing Officer to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the Issuer, that may be permitted by the Code as are consistent with the purpose for the issuance of the Bond.

(d) Disposition of Projects. The Issuer covenants that the property constituting the Projects will not be sold or otherwise disposed in a transaction resulting in the receipt by the Issuer of cash or other compensation, unless any action taken in connection with such disposition will not adversely affect the tax-exempt status of the Bond. For purpose of the foregoing, the Issuer may rely on an opinion of nationally-recognized bond counsel that the action taken in connection with such sale or other disposition will not adversely affect the tax-exempt status of the Bond. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the Issuer shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(e) Designation as Qualified Tax-Exempt Obligations. If so designated in the Pricing Certificate, the Bond shall be designated as "qualified tax-exempt obligations" as defined in section 265(b)(3) of the Code. In furtherance of such designation, the Issuer represents, covenants and warrants the following: (a) that during the calendar year in which the Bond is issued, the Issuer (including any subordinate entities) has not designated nor will designate obligations that when aggregated with the Bond, will result in more than $10,000,000 of "qualified tax-exempt obligations" being issued; (b) that the Issuer reasonably anticipates that the amount of tax-exempt obligations issued, during the calendar year in which the Bond is issued, by the Issuer (or any subordinate entities) will not exceed $10,000,000; and, (c) that the Issuer will take such action or refrain from such action as necessary, and as more particularly set forth in this Section, hereof, in order that the Bond will not be considered "private activity bonds" within the meaning of section 141 of the Code.

Section 10. SALE OF BONDS; FURTHER PROCEDURES.

(a) The Bond shall be sold and delivered subject to the provisions of Section 1 and Section 3 and pursuant to the terms and provisions of a purchase agreement, bid form or purchase letter (the "Purchase Agreement") which the Pricing Officer is hereby authorized to execute and deliver and in which the purchaser or purchasers of the Bond shall be designated. The Bond shall initially be registered in the name of the purchaser thereof as set forth in the Pricing Certificate.

(b) The Mayor and Mayor Pro Tem, the City Secretary and each Pricing Officer shall be and they are hereby expressly authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and on behalf of the Issuer such documents, certificates and other instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance, the Pricing Certificate, the Bond, and the sale of the Bond. In case any officer whose signature shall appear on any Bond shall cease to be such

officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

Section 11. NO RULE 15c2-12 UNDERTAKING. The Issuer has not made an undertaking in accordance with Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") in connection with the Bond. The Issuer is not, therefore, obligated pursuant to the Rule to provide any on-going disclosure relating to the Issuer or the Bond in connection with the issuance of the Bond. To the extent any changes to this Section are necessary in connection with the issuance and sale of the Bond, the Pricing Officer will include such changes in the Pricing Certificate.

Section 12. METHOD OF AMENDMENT. The Issuer hereby reserves the right to amend this Ordinance subject to the following terms and conditions, to-wit:

(a) The Issuer may from time to time, without the consent of any holder, except as otherwise required by paragraph (b) below, amend or supplement this Ordinance in order to (i) cure any ambiguity, defect or omission in this Ordinance that does not materially adversely affect the interests of the holders, (ii) grant additional rights or security for the benefit of the holders, (iii) add events of default as shall not be inconsistent with the provisions of this Ordinance and that shall not materially adversely affect the interests of the holders, (iv) qualify this Ordinance under the Trust Indenture Act of 1939, as amended, or corresponding provisions of federal laws from time to time in effect, or (v) make such other provisions in regard to matters or questions arising under this Ordinance as shall not be inconsistent with the provisions of this Ordinance and that shall not in the opinion of nationally recognized bond counsel materially adversely affect the interests of the holders.

(b) Except as provided in paragraph (a) above, the Registered Owner of the Bond shall have the right from time to time to approve any amendment hereto that may be deemed necessary or desirable by the Issuer; provided, however, that without the consent of the Registered Owner, nothing herein contained shall permit or be construed to permit amendment of the terms and conditions of this Ordinance or the Bond so as to:

(1) Make any change in the maturity of the Bond;

(2) Reduce the rate of interest borne by the Bond;

(3) Reduce the amount of the principal of, or redemption premium, if any, payable on the Bond;

(4) Modify the terms of payment of principal or of interest or redemption premium on the Bond or impose any condition with respect to such payment; or

(5) Change the requirement with respect to Registered Owner consent to such amendment.

(c) If at any time the Issuer shall desire to amend this Ordinance under this Section, the Issuer shall send by U.S. mail to the Registered Owner of the Bond a copy of the proposed amendment.

(d) Whenever at any time within one year from the date of mailing of such notice the Issuer shall receive an instrument or instruments executed by the Registered Owner of the Bond, which instrument or instruments shall refer to the proposed amendment and that shall specifically consent to and approve such amendment, the Issuer may adopt the amendment in substantially the same form.

(e) Upon the adoption of any amendatory Ordinance pursuant to the provisions of this Section, this Ordinance shall be deemed to be modified and amended in accordance with such amendatory Ordinance, and

the respective rights, duties, and obligations of the Issuer and the Registered Owner of the Bond shall thereafter be determined, exercised, and enforced, subject in all respects to such amendment.

(f) Any consent given by the Registered Owner of a Bond pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of the mailing of the notice provided for in this Section, and shall be conclusive and binding upon all future holders of the same Bond during such period. Such consent may be revoked at any time after six months from the date of mailing said notice by the Registered Owner, or by a successor in title, by filing notice with the Issuer.

For the purposes of establishing ownership of the Bond, the Issuer shall rely solely upon the registration of the ownership of such Bond on the registration books kept by the Paying Agent/Registrar.

Section 13. DEFAULT AND REMEDIES.

(a) Events of Default. Each of the following occurrences or events for the purpose of this Ordinance is hereby declared to be an Event of Default:

(i) the failure to make payment of the principal of or interest on the Bond when the same becomes due and payable; or

(ii) default in the performance or observance of any other covenant, agreement or obligation of the Issuer, the failure to perform which materially, adversely affects the rights of the Registered Owners of the Bond, including, but not limited to, their prospect or ability to be repaid in accordance with this Ordinance, and the continuation thereof for a period of 60 days after notice of such default is given by any Registered Owner to the Issuer.

(b) Remedies for Default. Upon the happening of any Event of Default, then and in every case, any Registered Owner or an authorized representative thereof, including, but not limited to, a trustee or trustees therefor, may proceed against the Issuer for the purpose of protecting and enforcing the rights of the Registered Owners under this Ordinance, by mandamus or other suit, action or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief permitted by law, including the specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the Registered Owners hereunder or any combination of such remedies.

(c) Remedies Not Exclusive.

(i) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Bond or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Ordinance, the right to accelerate the debt evidenced by the Bonds shall not be available as a remedy under this Ordinance.

(ii) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

(iii) By accepting the delivery of a Bond authorized under this Ordinance, such Registered Owner agrees that the certifications required to effectuate any covenants or representations contained in this Ordinance do not and shall never constitute or give rise to a personal or pecuniary liability or charge against the officers or employees of the Issuer or the City Council.

Section 14. APPROVAL OF ESCROW AGREEMENT AND TRANSFER OF FUNDS. In furtherance of authority granted by Section 1207.007(b), Texas Government Code, the Mayor or City Manager are further authorized to enter into and execute on behalf of the Issuer with the escrow agent named therein, an escrow or similar agreement, in the form and substance as shall be approved by the Pricing Officer, which agreement will provide for the payment in full of the Refunded Obligations. In addition, the Mayor or the Pricing Officer is authorized to purchase such securities, to execute such subscriptions for the purchase of the Escrowed Securities (as defined in the agreement), if any, and to authorize such contributions for the escrow fund as provided in the agreement.

Section 15. REDEMPTION OF REFUNDED OBLIGATIONS.

(a) Subject to execution and delivery of the Purchase Agreement with the Purchaser, the Issuer hereby directs that the Refunded Obligations be called for redemption on the dates and at such prices as set forth in the Pricing Certificate. The Pricing Officer is hereby authorized and directed to issue or cause to be issued a notice of redemption of the Refunded Obligations, completed with information from the Pricing Certificate, to the paying agent for the Refunded Obligations.

(b) In addition, the paying agent for the Refunded Obligations is hereby directed to provide the appropriate notices of redemption and defeasance as specified by the ordinances authorizing the issuance of Refunded Obligations and is hereby directed to make appropriate arrangements so that the Refunded Obligations may be redeemed on their redemption dates. The Refunded Obligations shall be presented for redemption at the paying agent therefor, and shall not bear interest after the date fixed for redemption.

(c) If the redemption of the Refunded Obligations results in the partial refunding of any maturity of the Refunded Obligations, the Pricing Officer shall direct the paying agent/registrar for the Refunded Obligations to designate at random and by lot which of the Refunded Obligations will be payable from and secured solely from ad valorem taxes of the Issuer pursuant to the ordinance of the Issuer authorizing the issuance of such Refunded Obligations (the "Refunded Bond Ordinance"). The paying agent/registrar shall notify by first-class mail all registered owners of all affected bonds of such maturities that: (i) a portion of such bonds have been refunded and are secured until final maturity solely with cash and investments maintained by the Escrow Agent in the Escrow Fund, (ii) the principal amount of all affected bonds of such maturities registered in the name of such registered owner that have been refunded and are payable solely from cash and investments in the Escrow Fund and the remaining principal amount of all affected bonds of such maturities registered in the name of such registered owner, if any, have not been refunded and are payable and secured solely from ad valorem taxes or other revenues of the Issuer described in the applicable Refunded Obligation Ordinance, (iii) the registered owner is required to submit his or her Refunded Obligations to the paying agent/registrar, for the purposes of re-registering such registered owner's bonds and assigning new CUSIP numbers in order to distinguish the source of payment for the principal and interest on such bonds, and (iv) payment of principal of and interest on such bonds may, in some circumstances, be delayed until such bonds have been re-registered and new CUSIP numbers have been assigned as required by (iii) above.

(d) The source of funds for payment of the principal of and interest on the Refunded Obligations on their respective maturity or redemption dates shall be from the funds deposited with the Escrow Agent pursuant to the Escrow Agreement approved in Section 14 of this Ordinance.

Section 16. APPROPRIATION. To pay the debt service coming due on the Bond, if any (as determined by the Pricing Certificate) prior to receipt of the taxes levied to pay such debt service, there is hereby appropriated from current funds on hand, which are hereby certified to be on hand and available for such purpose, an amount sufficient to pay such debt service, and such amount shall be used for no other purpose.

Section 17. SEVERABILITY. If any section, article, paragraph, sentence, clause, phrase or word in this Ordinance, or application thereof to any persons or circumstances is held invalid or unconstitutional by a court of competent jurisdiction, such holding shall not affect the validity of the remaining portion of this Ordinance, despite such invalidity, which remaining portions shall remain in full force and effect.

Section 18. EFFECTIVE DATE. In accordance with the provisions of V.T.C.A., Government Code, Section 1201.028, this Ordinance shall be effective immediately upon its adoption by the City Council.

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Cole, Assistant to the City Manager / City Secretary**

DATE: **November 13, 2015**

SUBJECT: **Main Street Advisory Board (MSAB) Appointment**

As the Council is aware, Jenniffer Norman recently resigned from the Main Street Advisory Board. Councilmember Milder is the council liaison to this board and will be putting forth a recommendation to Council to consider appointing Mr. Gene Stroman to fill this vacancy. I'm including Mr. Stroman's application for Council's review. This would normally be a partial term appointment that runs through January of 2016 to fulfill the remainder of Mrs. Norman's term. However, if the Council so desires, consideration may be given to having Mr. Stroman's initial term expire in January of 2018 instead since fulfillment of the Jan. 2016 term will be 'up' in about 7 weeks.

AGENDA
ROCKWALL CITY COUNCIL
Monday, December 07, 2015
4:00 p.m. Regular City Council Meeting
City Hall - 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

II. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding land acquisition for South Community Park pursuant to Section § 551.072 (Real Property).
2. Discussion regarding purchase or lease of real property / land acquisition in the vicinity of the downtown area pursuant to Section § 551.072 (Real Property).
3. Discussion regarding legal advice associated with homeowners association (HOA) regulations within the city pursuant to Section 551.071 (Consultation with Attorney).
4. Discussion regarding process associated with City Manager performance evaluation pursuant to Section 551.074 (personnel matters)

III. ADJOURN EXECUTIVE SESSION

IV. WORK SESSION

p.9 **1.** Hold work session with Christopher Jackson - Wynne/Jackson Inc. to discuss potential development generally located in the vicinity of FM-3097 and FM-549.

p.12 **2.** Hold work session to hear and discuss a final report by AECOM regarding public transportation, and take any action necessary.

AGENDA
ROCKWALL CITY COUNCIL
Monday, December 07, 2015
6:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

V. RECONVENE PUBLIC MEETING

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER WHITE

VIII. PROCLAMATIONS / AWARDS

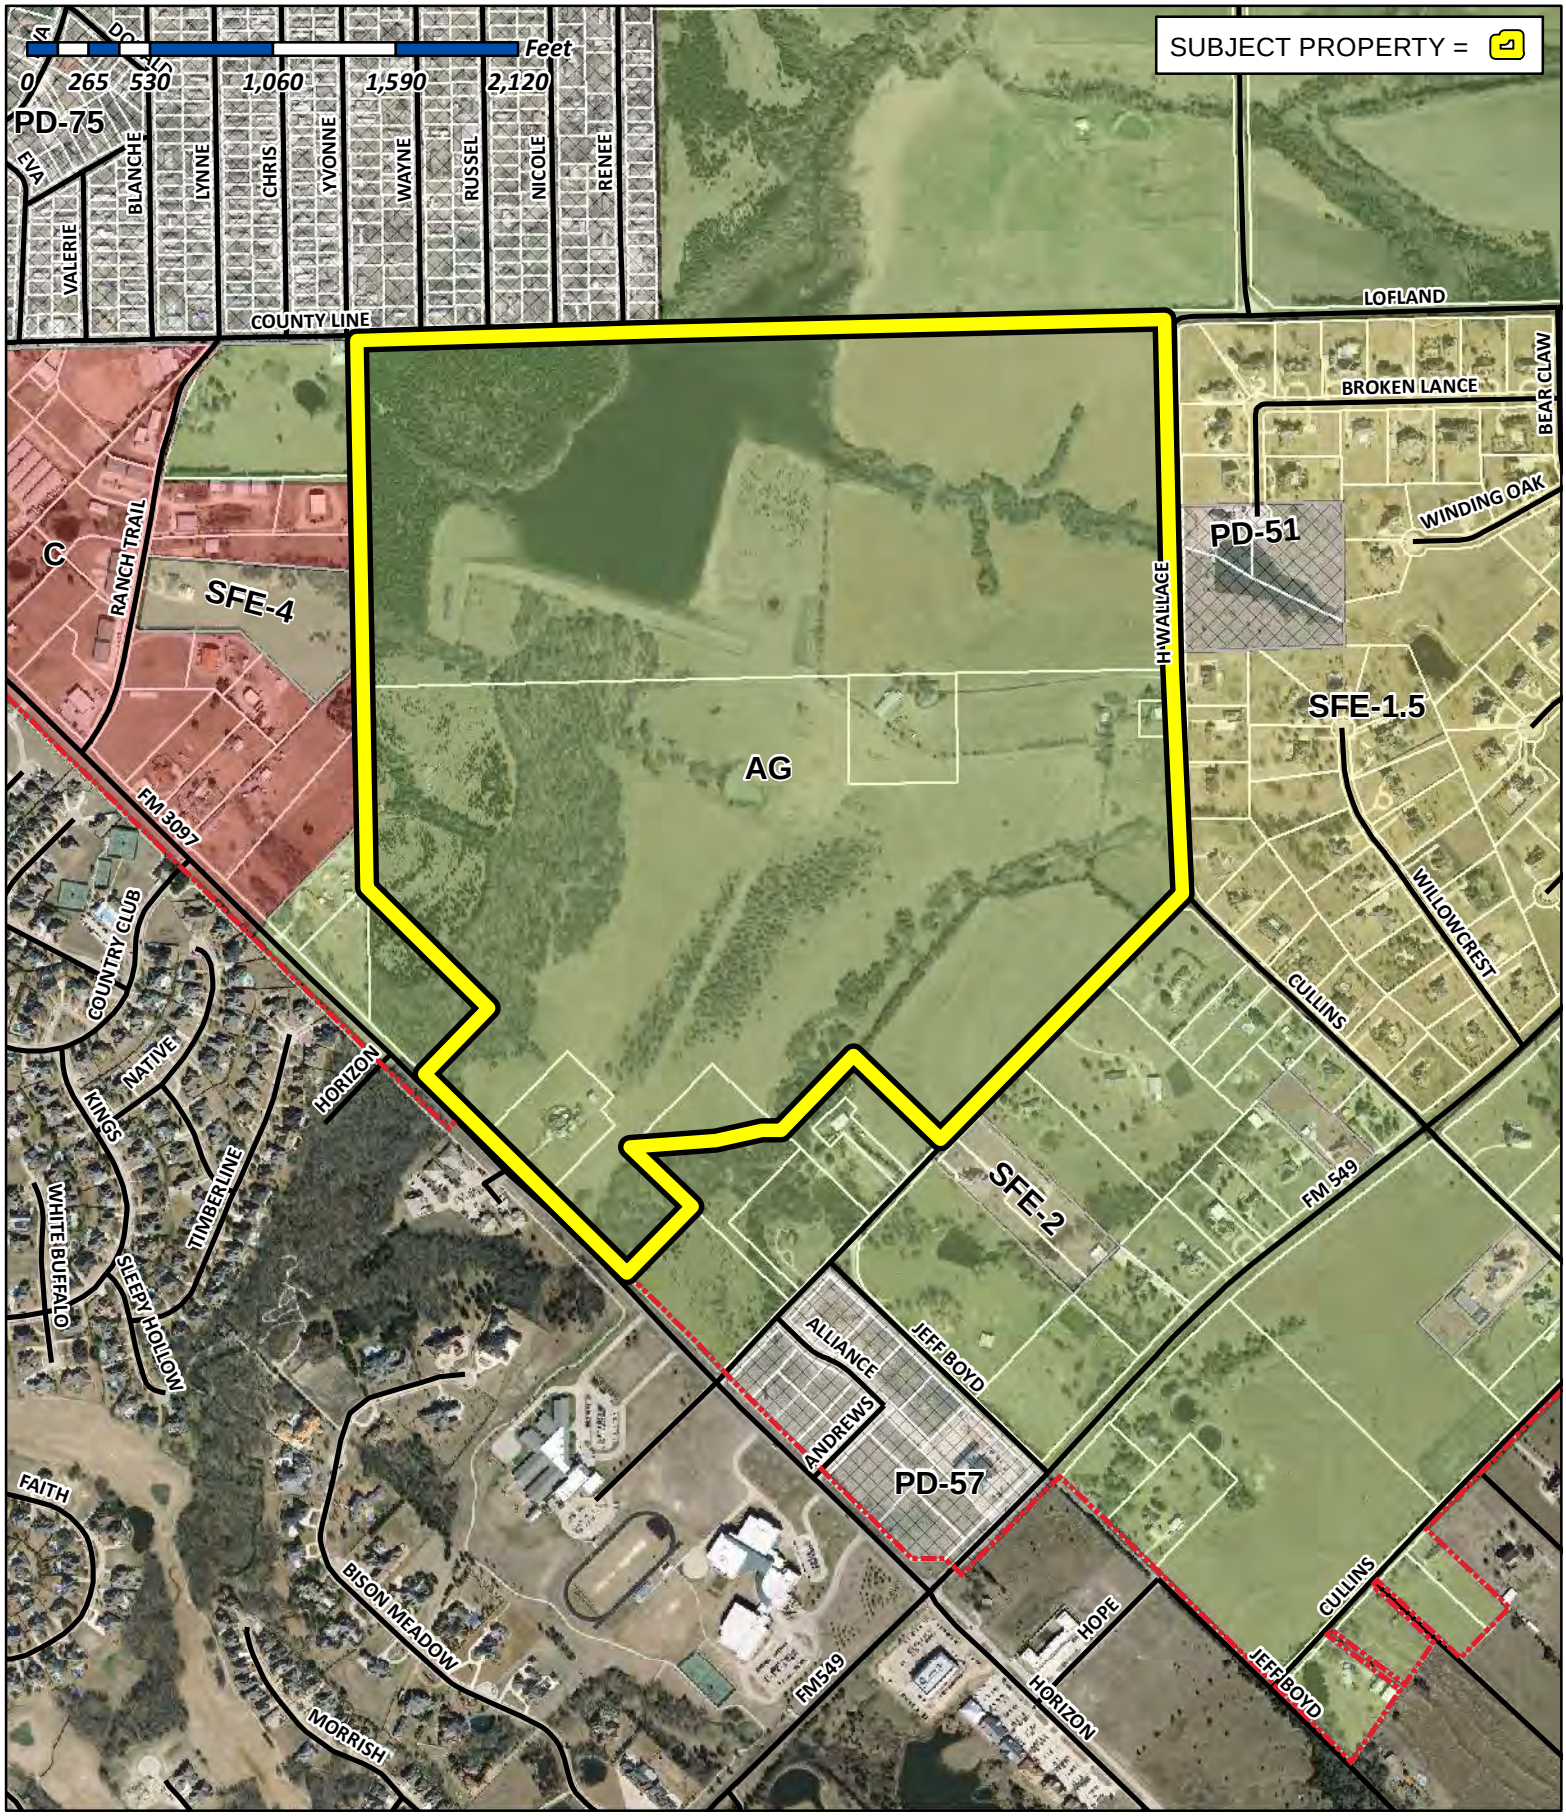
CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Brad Griggs, *Assistant City Manager*

FROM: Ryan Miller, *Director of Planning and Zoning*



DATE: December 7, 2015

SUBJECT: Appointment with Wynne/Jackson Inc.; *Wallace Property*

Christopher Jackson of Wynne/Jackson Inc. has scheduled an appointment with the City Council at the work session on December 7, 2015 to discuss a potential single-family development. The subject property is located on the north side of Horizon Road [*FM-3097*], north of Wallace Lane and is bounded by the Lake Rockwall Estates Subdivision to the north, Wallace Lane to the east, Horizon Road to the south and various properties east of Ranch Trail Road to the west. The property is also identified as the *Wallace Property* (*attached to this memorandum is a location map*).

Mr. Jackson will be providing the City Council with a concept plan for the area at the work session. In the meantime, he has asked staff to provide the City Council with a link (*below*) to the Wynne/Jackson Inc. website, which has examples of single-family developments they have built in other cities.

City of Rockwall
The New Horizon

MEMORANDUM

TO: City Council

FROM: Joey Boyd, Director of Internal Operations

DATE: December 1, 2015

SUBJECT: Transportation Study

The City of Rockwall hired Aecom's Transit Division to review information provided by STAR Transit related to their request for funding. Aecom has collected data from STAR Transit, the North Central Texas Council of Governments, and held stakeholder's meetings with the City and Rockwall County.

Included in the City Council packet is a final report for your review. Representatives from Aecom will be at the work session on Monday to provide their final report on their evaluation of STAR Transit and to answer any questions the City Council might have related to the study.

1.0 INTRODUCTION

1.1 Background

The City of Rockwall is a community of 41,000 residents located in Rockwall County in the northeast part of the Dallas-Fort Worth (DFW) metropolitan area. Demand-responsive transit services are provided throughout Rockwall County by STAR Transit under a variety of local and private contracts. STAR Transit also provides demand response services in Kaufman County, the cities of Mesquite, Balch Springs, and Seagoville, and for limited medical trips throughout the region.

As a result of the 2000 Census, parts of Rockwall County (primarily within the cities of Rockwall and Heath) were designated as part of the DFW-Arlington urbanized area. Because STAR Transit provides services in both urbanized and rural areas, this change did not significantly affect the amount of federal funding available for transit services in Rockwall County until the Moving Ahead for Progress in the 21st Century Act (MAP-21) was enacted in 2013. MAP-21 shifted federal funding to a formula-driven allocation, with rural §5311 funding tied directly to service measures and population in rural areas. Urban §5307 funding for operating expenses in large urban areas is limited to Job access and reverse commute (JARC) programs.

As a result of these changes and the resulting decrease in available federal funding to STAR Transit, the service provider has had to explore opportunities for increased local funding, including raising the contract payments from participating local governments such as the City of Rockwall and Rockwall County.

In addition to increases needed to cover shrinking costs, STAR proposed an increase in service from seven to eight demand-response buses. This proposal was estimated to provide 64 hours of transit service per day at a cost of $812,160 annually. After paying 50% through remaining grants and apportioning to the county and cities based on trip origin, the City of Rockwall's share for FY16 was estimated at approximately $172,500.

This cost represents a significant increase over previous transit contributions. As such, the purpose of this study is to provide an assessment of the projected costs and review existing demand response services in Rockwall for efficiency and cost effectiveness. This assessment is based on a review of available information from the National Transit Database (NTD), STAR Transit, and local stakeholder interviews. The following sections include the results of a peer comparison, an analysis of Rockwall County service data, and guidance regarding future transit partnerships.

2.0 PEER COMPARISON (SYSTEM-WIDE)

2.1 Peer Selection

The peer review is based on service data from the 2013 National Transit Database. The data from the full set of national transit providers was downloaded and sorted across several measures for comparison to STAR Transit. Texas and Oklahoma Transit agencies were selected if they met the following criteria:

- Provided direct operation of some demand response service
- Operated between 10 and 100 vehicles during maximum service
- Have a service area population at least 50,000, but less than 1,000,000.

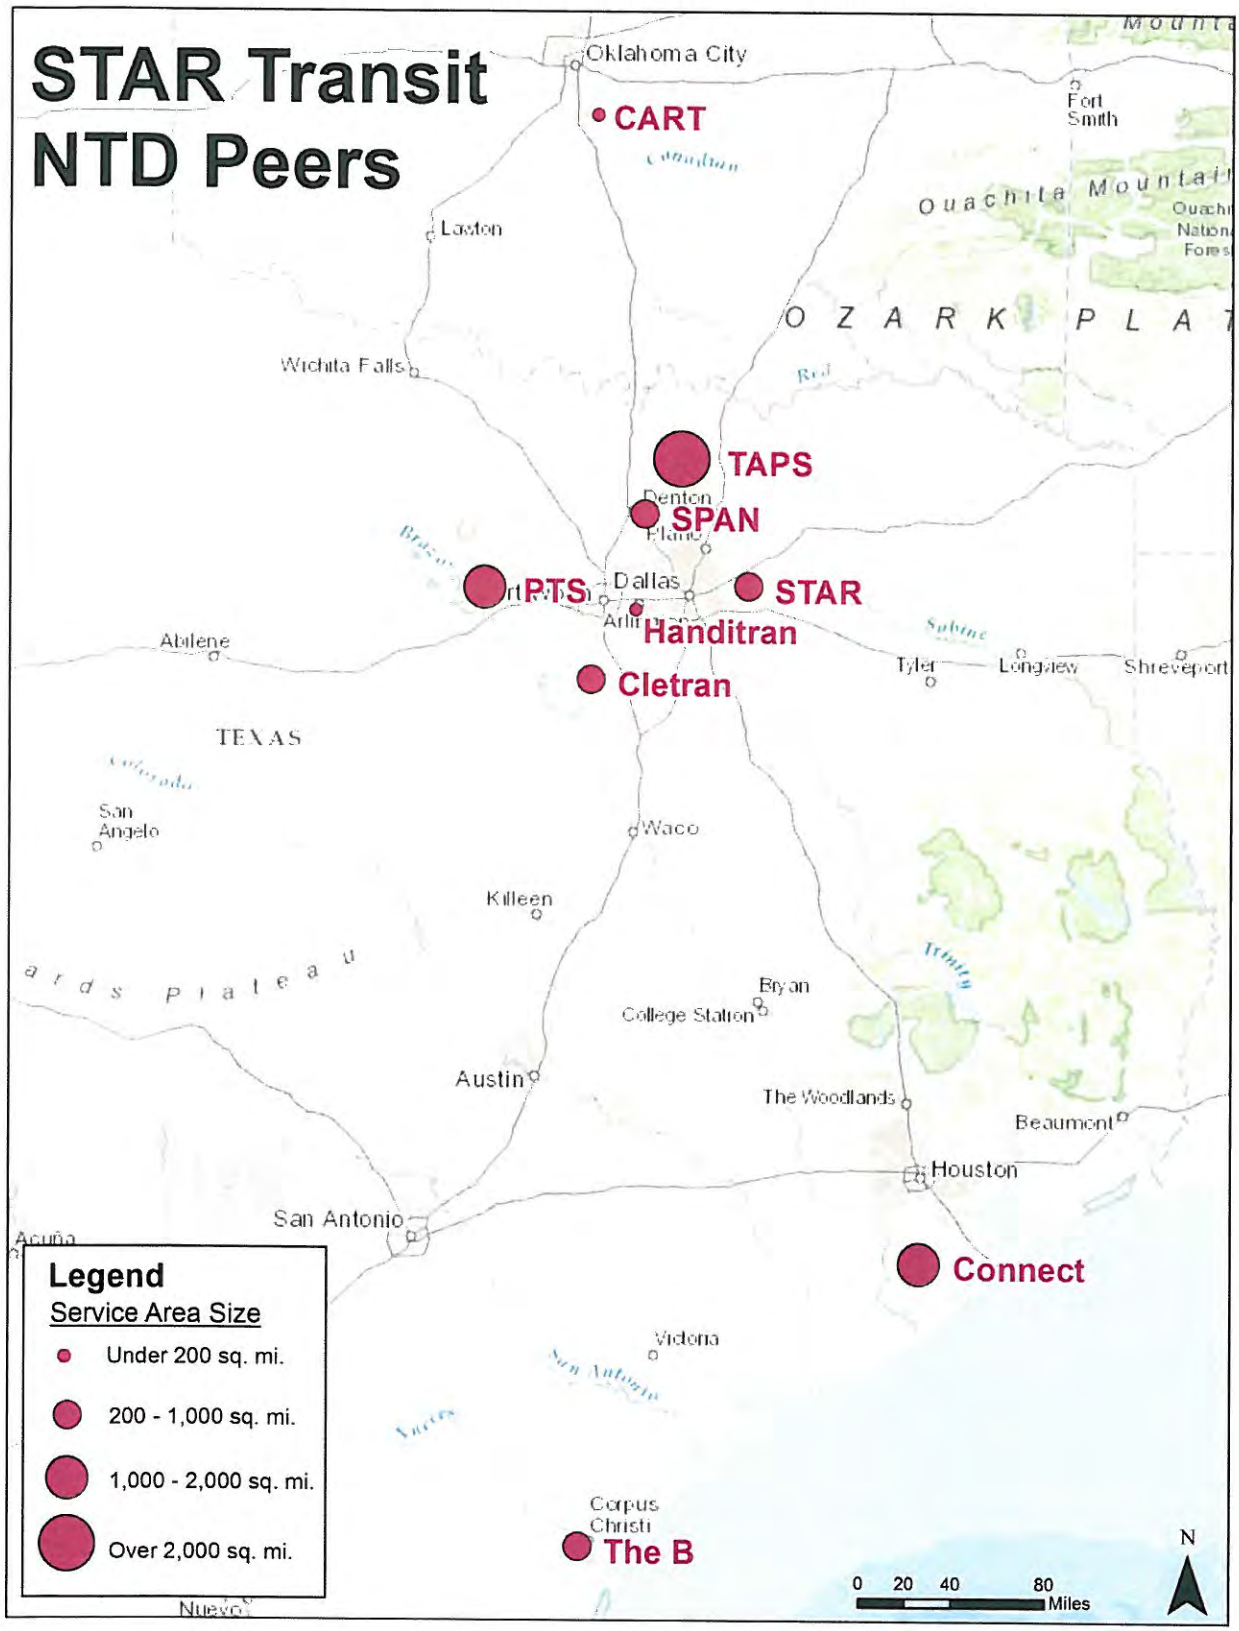

Table 1 shows the agencies selected for the peer analysis and an overview of similar and distinguishing characteristics as compared to STAR Transit. **Figure 1** shows the location and relative size of selected peer providers.

Table 1: Selected Peer Transit Providers

Agency	Distinguishing Features	Service Area mi.^{2}	Service Area Pop.
Handitran Special Transit Division - City of Arlington	Smaller, but more dense service area. Available only to seniors and persons with a disability	199	368,216
Corpus Christi RTA (The B)*	Similarly sized, but more dense service area. Operates more fixed route service. Majority of demand-response trips are contracted out.	841	342,412
The Gulf Coast Center (Connect Transit)	Larger service area operating more fixed route service.	1,784	437,155
Cleveland Area Rapid Transit (CART)	Smaller but more dense service area. Oklahoma provider governed by different state regulations and funding allocations.	27	52,826
Texoma Area Paratransit System, Inc. (TAPS)	Much larger service area, primarily rural.	6,295	804,455
City of Cleburne (CCT/Cletran)	Similarly sized service area.	725	153,441
STAR Transit		908	184,648
Public Transit Services (PTS)*	Larger, more rural service area.	1,855	147,568
Special Programs for Aging Needs (SPAN)	Similarly sized, but more dense service area. Only serves rural areas not served by DCTA.	878	707,304

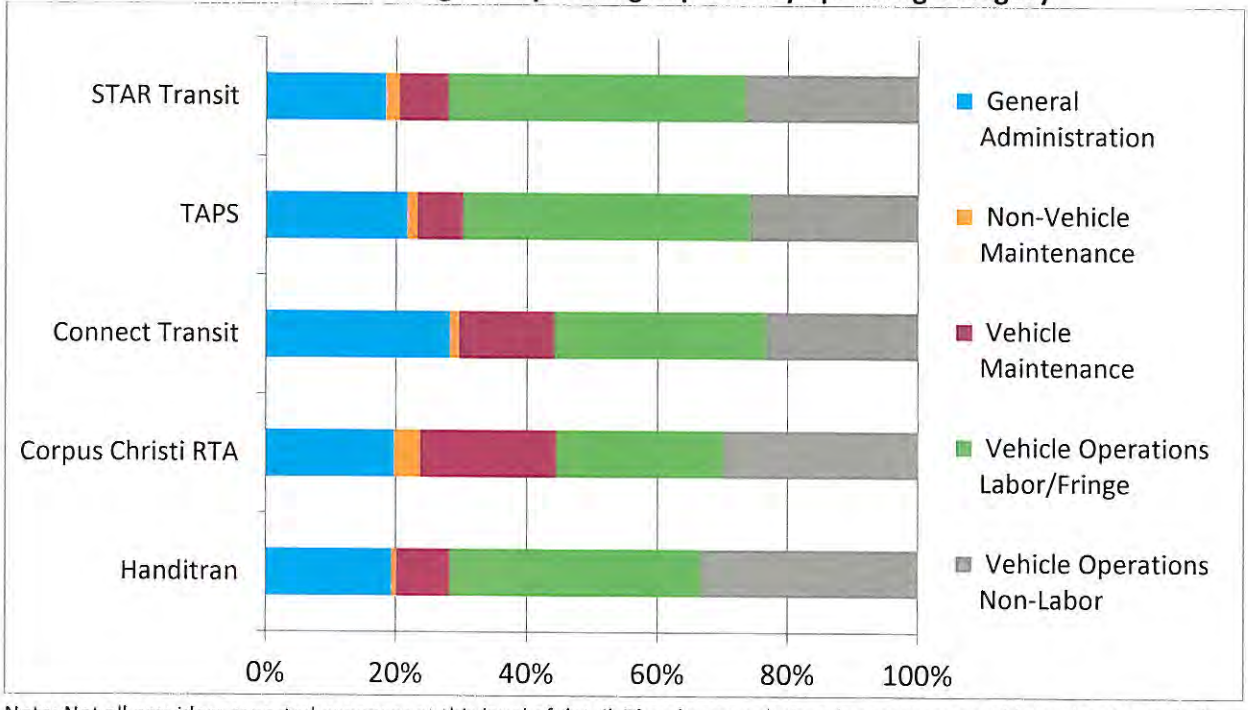
* For comparison purposes, only directly-operated demand response services are included in the measures above.
Source: NTD 2013 Data Tables

Figure 1: Peer Transit Providers Selected For NTD Analysis

2.2 Findings

Traditional service measures such as revenue hours, revenue miles, and operating and maintenance costs vary widely from system to system, due to the differences in service area size and population served. However, by looking at comparative metrics like cost per revenue hour, for example, STAR Transit's service efficiency and cost effectiveness can be evaluated against its peers. **Table 2** below shows these metrics across all peer transit providers.

Table 2: Peer Provider Service Metrics



Agency	Avg. Trip Length	Cost per Trip *	Cost per Hour *	Cost per Mile *	Trips per Hour*	Trips per Mile*	Service Hrs. per capita
Handitran Special Transit Division - City of Arlington	11.9 mi.	$ 27.68	$ 59.54	$ 4.54	2.15	0.16	0.07
Corpus Christi RTA (The B)*	32.2 mi.	$ 38.91	$ 70.32	$ 3.72	1.81	0.10	0.01
The Gulf Coast Center (Connect Transit)	17.8 mi.	$ 39.61	$ 93.33	$ 4.33	2.36	0.11	0.03
Cleveland Area Rapid Transit (CART)	N/A	$ 17.84	$ 48.77	$ 4.44	2.73	0.25	0.12
Texoma Area Paratransit System, Inc. (TAPS)	13.9 mi.	$ 13.73	$ 38.49	$ 2.05	2.80	0.15	0.14
City of Cleburne (CCT/Cletran)	N/A	$ 27.91	$ 46.16	$ 3.12	1.65	0.11	0.15
STAR Transit	7.3 mi.	$ 21.63	$ 50.95	$ 3.05	2.36	0.14	0.32
Public Transit Services (PTS)*	N/A	$ 22.97	$ 44.67	$ 2.36	1.94	0.10	0.25
Special Programs for Aging Needs (SPAN)	N/A	$ 22.76	$ 48.41	$ 2.64	2.13	0.12	0.05
Straight Average of Peers	**19.0 mi.**	**$ 26.43**	**$ 56.21**	**$ 3.40**	**2.20**	**0.14**	**0.10**

* For comparison purposes, only directly-operated demand response services are included in the measures above.
Source: NTD 2013 Data Tables

STAR Transit's cost effectiveness, as shown by the per-hour and per-mile costs, is slightly better than average compared to similarly situated transit providers. The cost per hour of $50.76 used as a basis for the contract price is also within this range. Service efficiency, reflective of trips per hour and trips per mile, is also about average. The key area of difference is that, relative to service area population, STAR Transit is providing more service per capita than any other peer provider.

As part of the peer analysis, service costs across spending categories were also analyzed. As shown in **Figure 2**, STAR Transit is spending less on general administration and maintenance than its peers, and the majority of expenses are for vehicle operation.

Figure 2: Percentage of Operating Expense by Spending Category

Note: Not all providers reported expenses at this level of detail. The above analysis only compares providers who responded.
Source: NTD 2013 Data Tables

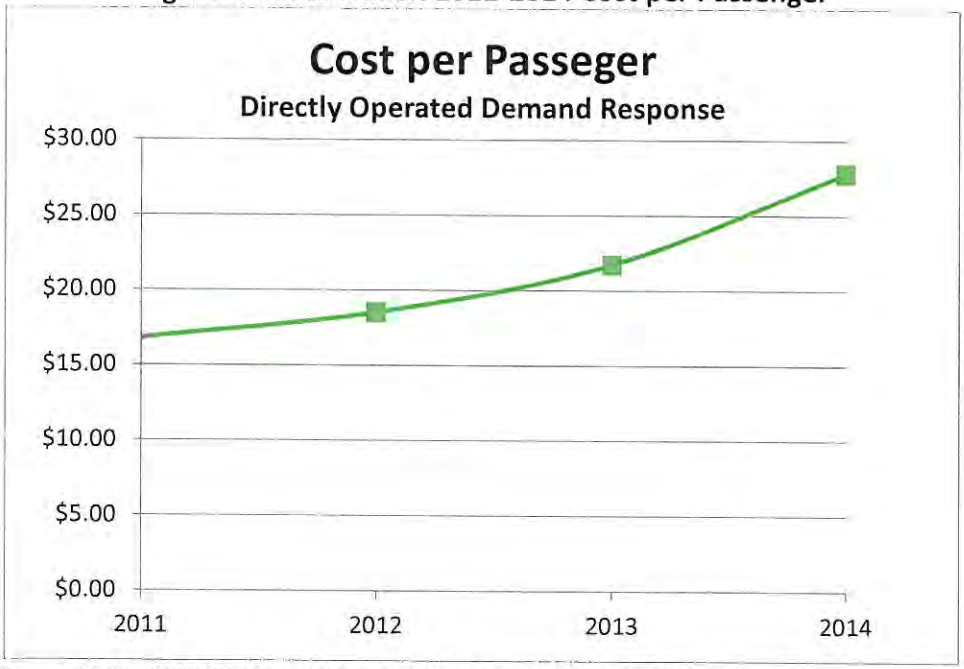
Overall, the peer analysis does not reveal any imbalanced expenditures or inappropriate costs for STAR Transit. Rather, the higher costs per capita in the STAR Transit service area are most appropriately attributed to the greater level of hours and miles of service being provided.

3.0 EXISTING CONDITIONS

3.1 Historical Context

Historical NTD Data for the STAR service area was also evaluated from previous years to understand trends. **Table 3** shows a variety of NTD service metrics across a four-year period from 2011 to 2014.

Table 3: STAR Transit System-wide NTD metrics, 2011-2014



Measure	FY 11 (NTD)	FY 12 (NTD)	FY 13 (NTD)	FY 14 (NTD)
Operating Costs	$2,570,827	$2,655,982	$3,008,399	$3,878,837
Revenue Hours	49,285	60,707	59,047	68,816
Revenue Miles	1,204,267	1,283,059	985,510	1,244,927
Unlinked Passenger Trips	153,149	143,508	138,538	139,548
Farebox Revenues	$63,223	$68,047	$95,152	$134,025
Cost per Passenger	$16.79	$18.51	$21.72	$27.80
Cost per Revenue Hour	$52.16	$43.75	$50.95	$56.37
Cost per Revenue Mile	$2.13	$2.07	$3.05	$3.12
Average fare per boarding	$0.41	$0.47	$0.69	$0.96
Farebox Recovery Ratio	2.46%	2.56%	3.16%	3.46%

Note: 2012 NTD-reported farebox revenue also included $1,349,342 in purchased transportation contract relationships, which are not included here in order to provide a more consistent approach across years.
Note: All numbers reflect STAR's directly operated demand response service only. Fixed route service is excluded.
Source: 2011 – 2013 NTD Data Tables, 2014 STAR Transit NTD Submittal

As shown, there has been a general upward trend in operating costs, hours, and miles. The context of system expansion into Mesquite may help explain some of the larger increases between 2013 and 2014. However, it should be noted that total unlinked passenger trips have been declining since 2011, and remained flat during the expansion into Mesquite.

Although STAR Transit's current service efficiency and cost effectiveness metrics are good in relation to its peers, they are not as strong as they have been in previous years. As shown in **Figure 3**, the increasing costs combined with declining ridership results in an increasing cost per passenger.

Figure 3: STAR Transit 2011-2014 Cost per Passenger

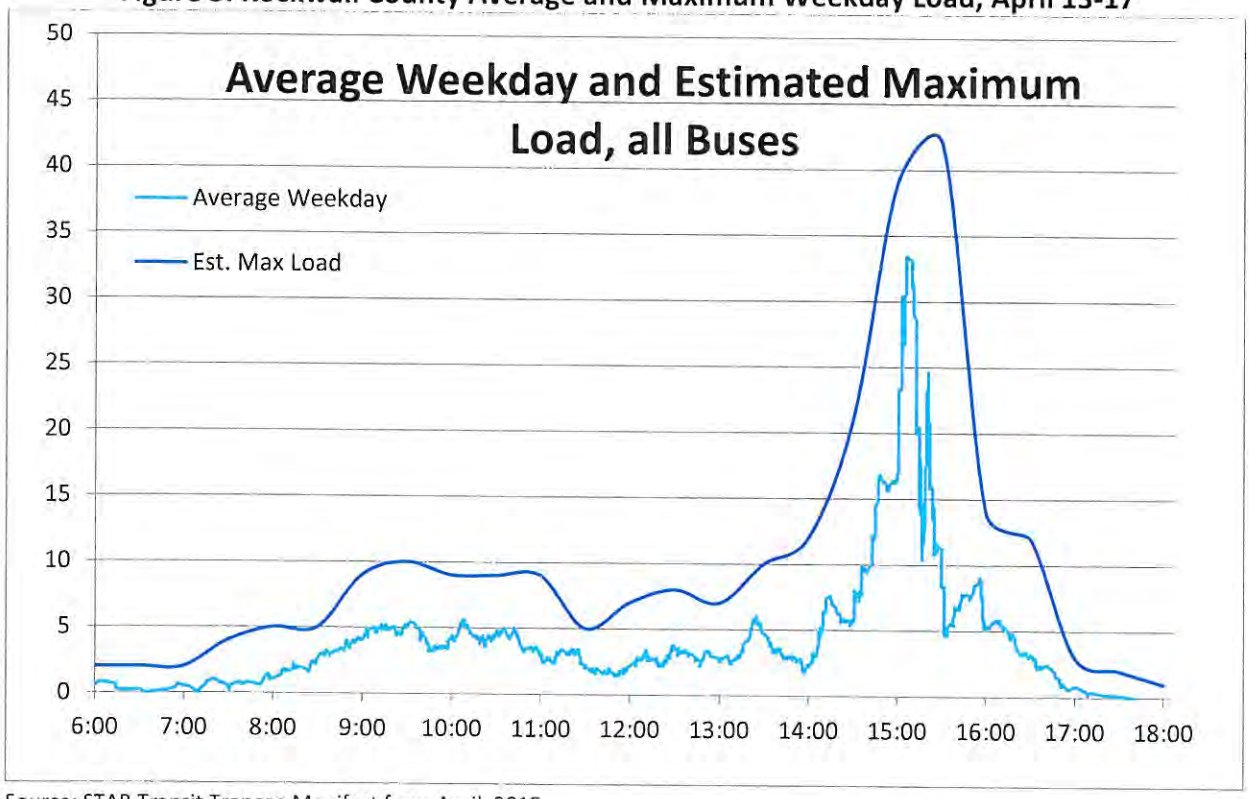
3.2 Rockwall County Service Data

The analysis of data specific to Rockwall County comes from the driver manifests provided by STAR Transit for the month of April 2015. April and October are typically ideal months for evaluating transit needs (school in session, ideal weather conditions, etc.) and typically reflect the highest transit ridership for the year. The week of April 13-17 was found to carry the highest ridership in April and was selected for detailed analysis.

Boardings and alightings for each bus across all five days were processed to reflect how many riders are on Rockwall's designated buses at any given time. This analysis does not represent the total trips served each hour, but rather takes trip length into account to get a sense of the typical load on the bus system across the service day. **Figure 4** shows the daily load across all Rockwall buses in operation (typically spread across 5-6 buses, tapering down in the early morning and evening).

Figure 4: Rockwall County Daily Load, April 13-17

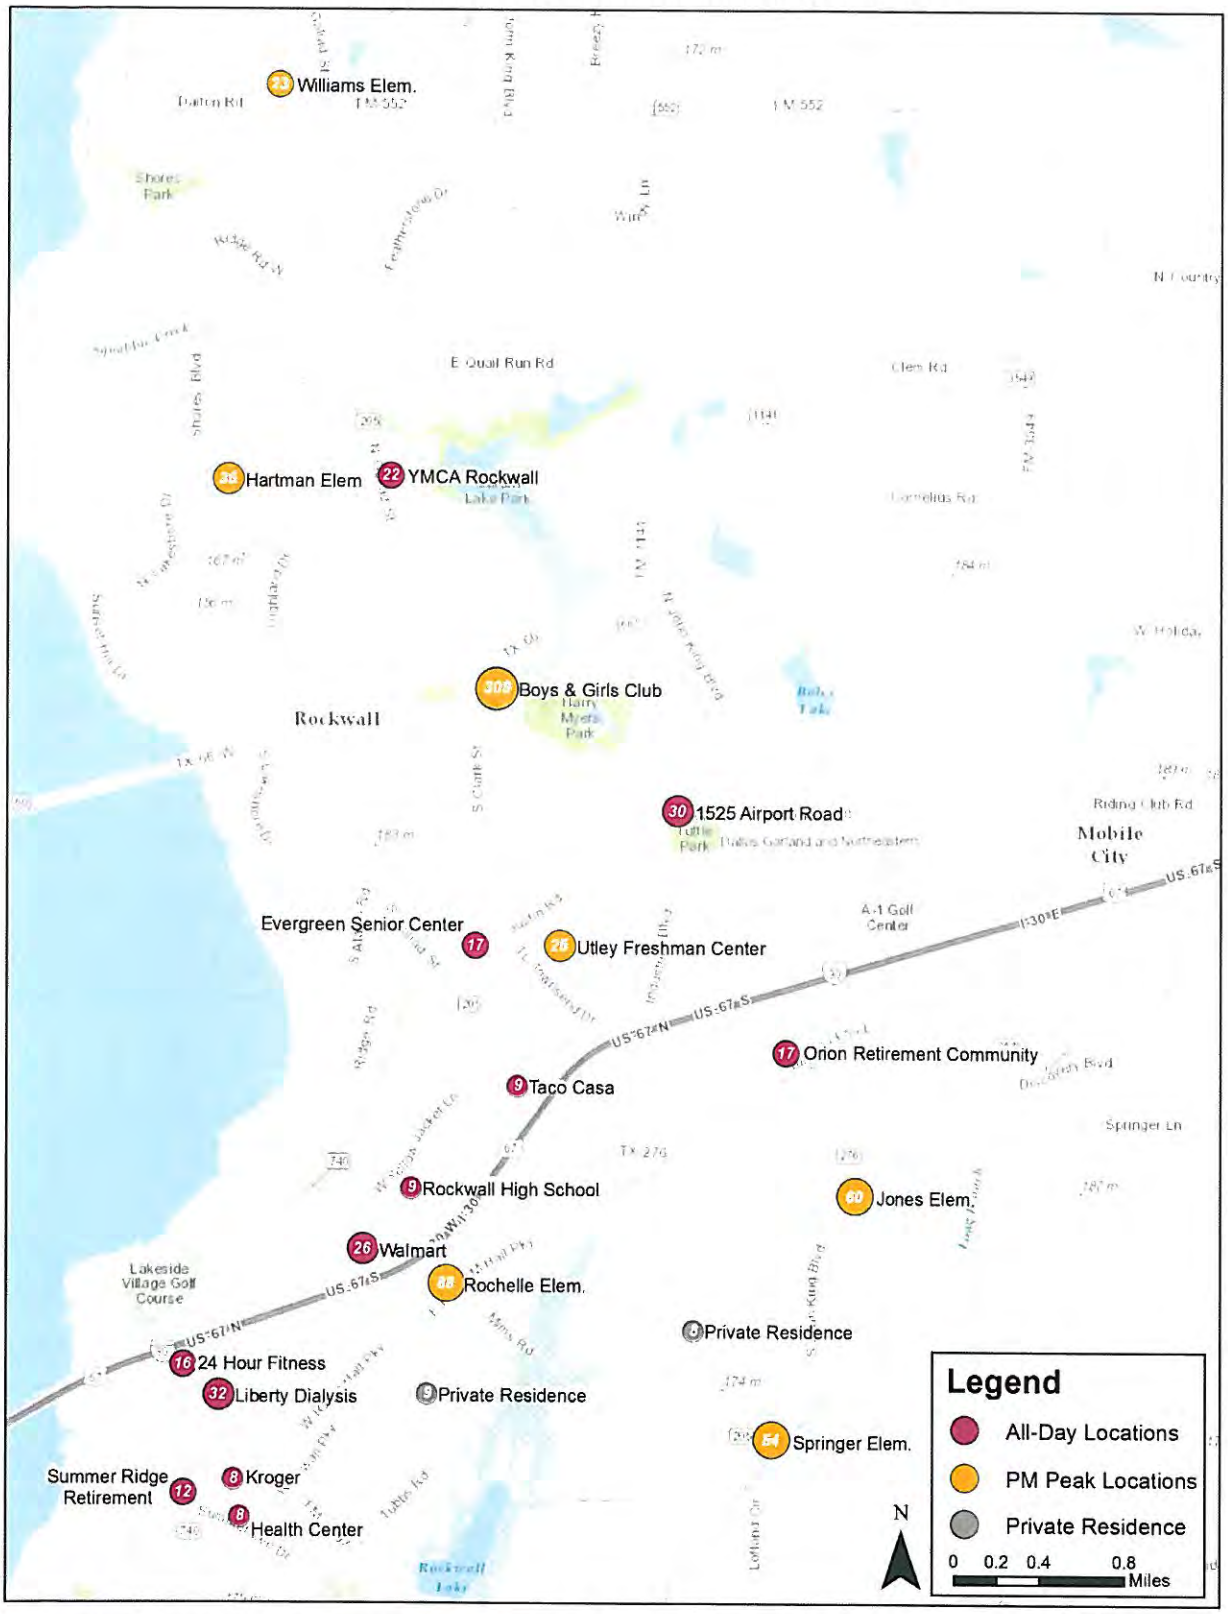


Source: STAR Transit Trapeze Manifest from April, 2015

Each day reflected a similar pattern of trip density, with low volumes in the morning and a spike in mid-afternoon. No anomalies were identified between different days of the week, and given the nature of weekday service to the Rockwall Boys & Girls Club, this data is believed to be a good representation of service generally.

Figure 5 shows the average of these five weekdays as well as the estimated maximum load. The maximum load is meant to capture, for each time period, the highest spike across all five days evaluated. For example, while the average weekday shows a distinct spike at 3:00 p.m., the estimated max load line reflects day-to-day variability showing a wider window (from about 2:00 p.m. to 4:00 p.m.) when buses may be responding to Boys & Girls Club trips. Similarly, more day-to-day variability in the 9:00 a.m. to 11:00 a.m. time frame results in a higher estimated maximum load than for the 11:00 a.m. to noon hour, which is consistently low.

Figure 5: Rockwall County Average and Maximum Weekday Load, April 13-17



Source: STAR Transit Trapeze Manifest from April, 2015

It was not clear from the driver manifest data when a driver's designated break time occurred. The analysis shows that service to the Boys & Girls Club is driving the demand for vehicles in the afternoon, while many buses are running light loads the remainder of the day.

The second task of the current service analysis was to identify higher yield destinations that may be more efficiently served through fixed route service. **Figure 6** reflects the top origins and destinations during the week of April 13-17[1]. This data includes locations where customers were both picked up and dropped off, so every ten boardings and alightings would represent an average of one round trip per day. Two private residences are mapped (in grey) to the nearest street corner for privacy considerations. It should be noted that for many demand-response systems, the residents with the highest need for the system can shift as circumstances (employment, vehicle availability, temporary disability, etc) change. Therefore these residences may not be as reflective of long-term transportation needs as other locations. Locations associated with Boys & Girls Club that occur consistently during the 3:00 p.m. spike are shown in orange. Locations that occur at high frequency throughout the day are shown in purple.

[1] A three-way tie resulted in 21 "top" locations, with counts of eight or more.

Figure 6: Most Frequented Locations, April 13-17

Note: Numbers reflect the total boardings and alightings made to each location during the week of April 13-17, 2015
Source: STAR Transit Trapeze Manifest from April, 2015

4.0 STAKEHOLDER INTERVIEWS

As part of the service review, a series of stakeholder interviews were conducted with NCTCOG staff, Rockwall County Officials, and a representative of STAR transit. A phone interview was conducted with Sarah Chadderton of NCTCOG. She explained that NCTCOG's role in the FTA federal funding process is to pass through funding to whatever service providers have been designated by local authorities. She provided insight into MAP-21 changes and noted that STAR's experience of decreasing funding for demand-response services is common among other providers.

An in person meeting was held with Rockwall County Judge David Sweet and Rockwall County Commissioner and STAR Board representative David Magness. As a result of this discussion, County Commissioner Magness met with STAR Transit representatives to negotiate an interim contract that reflected Rockwall's need for a lower cost while still maintaining level of service.

Finally, the consultant team met with Mike Sims in his role as consultant to STAR Transit. Mr. Sims explained his role for STAR Transit is to negotiate with NCTCOG and FTA and engage local government representatives in transit planning. He confirmed the interim agreement between STAR and Rockwall County would be for a 10,000 hour per year system utilizing five buses. He recommended two methods for obtaining additional funding in order to alleviate the total needed from the City of Rockwall. The first is to pursue a fixed route bus that targets job-access and reverse-commute trips, which would qualify for additional Federal FTA funding under the §5307 urban formula program. The second strategy is to pursue more standalone contracts with other local, non-governmental stakeholders. Any contracted revenue from entities in Rockwall County would contribute to the total local match required.

5.0 NEXT STEPS AND RECOMMENDATIONS

5.1 Contract Assessment

After reviewing the preliminary data associated with this study, county and city officials met with representatives of STAR Transit to negotiate an interim agreement for service over the next year. This plan reduces the buses allocated to Rockwall from seven demand response to four demand response plus one fixed route bus.

During that time, it is recommended that Rockwall evaluate how well the new service meets the needs of the community. It will be imperative that data analysis and financial records be kept and freely communicated between all local stakeholders. The following factors should be tracked on a monthly basis in order to enable Rockwall to evaluate the service provided:

- Ridership for the City of Rockwall and Rockwall County
- Origin and destination information for City of Rockwall trips
- Service metrics including passengers per revenue hour, cost per revenue hour and cost per passenger
- Record of total service hours provided

- On-time performance
- Load factors
- Missed trips

Timely communication of service metrics and detailed accounting reports should be a requirement of any service contracts going forward. In addition, it is recommended that the city and county work together with STAR Transit to develop a set of minimum performance standards, as well as preferred remedies for addressing under-performing routes or unmet community needs. The service contract should also include detailed information regarding the responsibilities, powers, and liabilities of all involved parties.

5.2 Logisticare Allocations

According to data provided by STAR Transit, Logisticare services occurring in Rockwall County generated approximately $15,000 for the month of October 2015. Logisticare trips are served under a separate contract with STAR Transit, and the revenue generated under this contract is not eligible to be used as a local match source. However, the revenue generated compared to the number of trips provided under the Logisticare contract (204 trips in October) would indicate more than enough revenue to cover the per-hour expenses associated with those trips[2]. As such, service metrics reported under the Rockwall County contract should reflect a reduction of total trips and revenue hours provided in the county to account for trips provided under the Logisticare contract.

In October, approximately 8% of trips in Rockwall County were associated with the Logisticare program. STAR Transit's preferred policy is to provide additional service in Rockwall County to account for Logisticare needs above the level of service agreed to under the contract with Rockwall County. However, the data currently available analyzed for this report does not distinguish between Logisticare and non-Logisticare revenue hours and no evidence has been provided that demonstrates service provided under the Rockwall County contract meets the service levels used to calculate the costs to Rockwall County and its partners. Moving forward, separate record-keeping by STAR for these two contracts will be necessary for Rockwall to make informed choices about the amount of service needed and to clearly understand the costs associated with those services. If revenue hours for Logisticare trips cannot be distinguished from other revenue hours provided in the county, then other remedies should be discussed and incorporated into the contract:

1. Determine a formula to allocate Logisticare services based on number of trips that is agreeable to all parties, and use this as a basis for reporting service statistics provided under the Rockwall and Logisticare contracts separately.

[2] A percentage based approximation of hours associated with Logisticare trips results in 65 revenue hours of service in October, for approximately $230 in revenue generated for each service hour provided. This estimate may not completely account for potential trip-sharing between Logisticare and non-Logisticare riders. However, even a very conservative estimate of 1 revenue hour per Logisticare trip would yield approximately $75 in revenue per service hour (compared to STAR's cost of $50.76 per revenue hour.

2. Base payment formula on a service metric that can be distinguished between the Logisticare and Rockwall County contracts, such as a per-trip or per-passenger cost.

5.3 Fixed Route Service

The fixed route service should be developed through a combination of demand-response origin and destination information as well as community input. The top destinations provided above are a first-step; however, a better understanding of the relationship between origins and destinations will be necessary to fully structure a route. Stakeholder and community input are recommended to ensure that the transit needs of under-served or transit dependent communities are particularly understood.

Ideally, a fixed route that serves multiple functions throughout the day will perform better. For example, a route with the flexibility to serve some of the Boys & Girls Club demand in the afternoon could do a lot to alleviate the need for demand response trips at that time.

Other service delivery options may provide a potential cost-savings going forward. FLEX routes provide a hybrid of fixed route reliability while also providing limited deviations to serve customers who may otherwise need or prefer demand response. More focused analysis of driver's schedules may help to target service when it is most needed and either reduce costs during the morning and evening, or spread existing hours over a longer span. (I.e. overlapping two 8:00 a.m-4:00 p.m. and two 2:00 p.m.-10:00 p.m. shifts would provide the same four demand response buses during peak demand, but offer a longer span of service.) Finally, innovative scheduling may help target long-haul trips to certain days of the week or time of day to help encourage more efficient trip bundling.

Rockwall, Texas

Proclamation

Whereas, since its inception in 2006, Snowball Express has been providing hope and new happy memories for children of fallen military heroes who have died since 9/11 while on active duty; and

Whereas, the organization's mission is to "Honor America's fallen military service members who have made the ultimate sacrifice since 9/11 by humbly serving the families they left behind, championing their children's future success by creating opportunities for joy, friendship, education, and communal healing, by connecting these families to one another;" and

Whereas, Snowball Express brings children together from all over the world for a five-day experience filled with fun activities, sporting events, dances, music events, and more; and

Whereas, these children are often reserved, withdrawn or unwilling to talk about their loss, but by participating in Snowball Express, each child is made to feel special and given an opportunity to share their feelings about losing their parent; and

Whereas, on December 14th, Shenaniganz in Rockwall will be providing these kids with a fun-filled day of activities and lots of laughter.

Now, Therefore, I, Jim Pruitt, Mayor of the City of Rockwall, Texas, do hereby proclaim **December 14, 2015** as

SNOWBALL EXPRESS CELEBRATION DAY

in the City of Rockwall and urge all citizens to join in the celebration by helping to welcome these kids and their families to our community for an awesome, memorable experience.

In Witness Whereof, I hereunto set my hand and official seal this 7th day of December, 2015.

_____

Jim Pruitt, Mayor

30

MINUTES
ROCKWALL CITY COUNCIL
Monday, November 16, 2015
4:00 p.m. Regular City Council Meeting
City Hall, 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pruitt called the meeting to order at 4:00 p.m. Present were Mayor Jim Pruitt, Mayor Pro Tem Dennis Lewis and Council Members David White, Mike Townsend, John Hohenshelt, Scott Milder and Kevin Fowler. City Manager Rick Crowley, Assistant City Managers Mary Smith and Brad Griggs and City Attorney Frank Garza were also present.

II. WORK SESSION

1. Hold a work session with Gene Babb regarding potential development of property located on La Jolla Pointe Drive west of Ridge Road, and take any action necessary.

Mayor Pruitt explained that this will not be a public hearing or opportunity for public comment, but, rather it will be a chance for Mr. Babb and his associated to share with the city council information about their potential project.

Mr. Fred Hazel
Davis Development
403 Corporate Center Drive
McDonough, GA 30252

Mr. Hazel came forth and introduced himself and Mr. Babb, the company's head of the Dallas market. His company develops luxury multifamily communities throughout the Southeast and Southwest. He then passed around a site plan. He indicated that the project would have a total of eight buildings, made up of one, two and three bedroom units on La Jolla Pointe Drive. There would be primarily three story buildings with some four story ones too. The buildings would be terraced down the hill to go along with the topography of the site. There would be two entry points, and two onsite detention areas would be maintained. He explained that additional storm water studies would be done to ensure sufficiency, but an engineer has looked at the site to gain a preliminary understanding in order to put together a site plan. The exterior of the buildings would be a mixture of stone, brick and stucco. He explained that his company is a small company out of Georgia, with the board of directors being a couple of family members and himself. So there are not a lot of other decision makers outside of him. He briefly touched on the amenities that would be included, such as a pool, fitness center, computer area, common areas, and coffee room.

Mr. Babb indicated that about a month ago, Mayor Pruitt requested that they meet with the Turtle Cove and Lakeside Village HOAs, which they have done. Mr. Hazel pointed out that the development will have some attached garages. Also, there is an interior corridor associated with those, so any of the garages can be leased to any of the residents. Also, elevators have been added to the buildings to accommodate elderly and other clients who may not be able to utilize stairs.

Mayor Pruitt asked what sort of price point these units would have per units. The developer answered that there would be about 100 one bedrooms, 135 two bedrooms, and the balance would be about 43 three bedrooms. The smallest one bedroom would be right under 700 square feet, and they would be about $1.40-$1.50/square feet for a total of about $1000 per month. Then, the three bedroom / 2 baths in the 1,400 square foot range would be about $1,500 or more / month.

Mayor Pro Tem Lewis asked what sort of response Mr. Babb and Mr. Hazel received from residents nearby with whom they recently met to discuss this possible project. The developer indicated that residents had a variety of questions. He indicated that, after resident's questions were answered, he believes they felt satisfied with the answers as to the product.

Councilman Milder asked how they became interested in Rockwall. Mr. Babb explained that he previously looked at Rockwall years ago but did not find any properly zoned land available at that time. This time, however, he did find this particular piece of property, and they believe it is attractive for several reasons, including that it is in a great ISD. They believe it is a good location and has positive retail nearby. Additionally, he believes the product caters to an underserved market. He explained that there would be an average of two residents per unit. Councilmember Fowler asked some questions about population estimates that may accompany this project, as well as what sort of impact it may have on the school district (i.e. about how many school aged children). The developer indicated that there would be, on average, about two residents per unit on the whole. He approximated that there would be about 500-600 residents total. Also, he guessed that there may be about 30-40 students living in the development; however, he cautioned that this is only a guess. Mayor Pruitt asked how much ad valorem tax value might result from a development like this. Mr. Hazel explained that, once the product is on the ground and is fully operational, these sorts of developments sell for about $140,000 - $175,000 per unit in the open market. So, a tax assessor may assume about an 80-85% tax appraisal off of that market street value.

Councilman Milder asked what kind of interest there has been from developers concerning this particular piece of property. Mr. Crowley recalled that the city was last aware of someone who potentially wanted to propose a similar development on this particular property. However, as he recalled, they were not respecting the need for drainage detention and a few other things that caused it to not come to fruition. It would have also required a zoning change like this one would.

Councilmember Townsend expressed that this property sits on a major hill. He is concerned about the impact that these units would have on the view from Ridge Road or IH-30. He is concerned about people seeing massive "apartment type complexes" when looking in that direction from some of these major roadways. Mr. Hazel indicated that they have not necessarily looked into this particular aspect of the development.

Councilmember Milder asked what would prevent this development from essentially becoming a run-down eyesore years down the road, over time. Mr. Hazel indicated that a lot of that has to do with the quality of product that is put on the ground to begin with, indicating that they utilize nice "everything" in their developments, including the highest finishes. Also, the asset must be well maintained over time.

Mayor Pro Tem Lewis suggested that the developer may want to consider conducting a sight / view corridor study from Ridge Road and from IH-30.

Mr. Crowley asked for clarification on the 20 units per acre, asking if some sort of "PD zoning" would need to transpire. Mr. Miller, Planning Director, clarified that, yes, it would require creation of a planned development. Mr. Crowley asked if this would be 'phased,' or if it would be built in one installment. Mr. Hazel indicated it would be constructed in 'one installment.'

Mayor Pruitt thanked Mr. Babb and Mr. Hazel for their presentation, indicating that staff would be in touch with them shortly. The Council took no action concerning this agenda item.

2. Hold work session to discuss and consider the results of a Public Input Survey distributed to residents adjacent to South Lakeshore Drive / Summit Ridge Drive in connection with a future roadway reconstruction project, and take any action necessary.

Tim Tumulty, City Engineer, provided brief introductory comments, indicating that staff has secured assistance from consultants with Kimley Horn to conduct a survey and solicit input from residents along this street. A public meeting will be held with residents of this street on December 9th. Brad Tribble, P.E. and Jacob Reinig, P.E. with Kimley Horn then came forth and presented results of the survey that was conducted. Indication was given that houses were contacted along S. Lakeshore and Summit Ridge, resulting in 93 residents being contacted with 33 total respondents (20 on Lakeshore and 13 on Summit Ridge). The following topics were included in the survey and reported to Council during the presentation: drainage; the driving experience along the roadway; the pedestrian/bicyclist experience; utilization of the street as a cut through from SH-66 over to Ridge Road; the aesthetics; sidewalks; and the use of / desire for traffic calming devices/techniques. In general, residents expressed they'd like to see sidewalks as well as street lighting, bike lanes, and traffic calming techniques in order to improve these roadways. Indication was given that, overall, residents do not feel as though there is a major drainage problem along the roadway; however, there are a few, select residents who do have a significant drainage problem. The consultant indicated that there are beautiful trees along the roadway. When residents indicate a desire for sidewalks, these trees and the need for about 10' from the curb up into what is essentially the residents' front yards will need to be considered. Also, having a shared bike lane versus having a dedicated bike lane will need to be considered, especially pertaining to the more narrow portions of the roadways. Discussion took place related to various 'traffic calming' techniques that could be utilized in order to discourage cut through traffic. Mr. Tumulty also offered comments related to improvements or changes outside of these two roadways that could be evaluated and considered in order to discourage drivers from ever even considering this as a cut through when, for example, traffic on IH-30 is stopped or significantly backed up.

Mr. Crowley indicated that sometimes residents express that they would like sidewalks; however, later on, once they realize what impact sidewalks would have on their front yards and lawns, they change their minds regarding the idea of adding them.

The council took no action as a result of this discussion.

3. Hold work session to discuss and consider additional sidewalk improvements in the downtown area, specifically those located in the walkway/store front area along Goliad Street between Washington and Rusk Streets, and take any action necessary.

City Engineer Tim Tumulty indicated that this section of sidewalk was not included with the original bond / downtown improvements project. However, staff has asked the contractor and architect for cost estimates associated with completing both the design and construction associated with finishing out this particular section. Mr. Tumulty indicated that about $727,000 is the estimated cost that has been provided by Hill Wilkinson (contractor), and about $50,000 is the cost quoted by La Terra for the design work. Mrs. Smith briefed the city council on possible funding options if the city council would like to proceed.

Mayor Pruitt expressed a desire for consideration to be given to the possible need for improvements to be made to the existing gas lines that run underneath this sidewalk area before, or along with, any improvements that might be made. Mr. Tumulty indicated that staff will reach out to Atmos to let them know of this concern.

Council took no formal action concerning this agenda item.

4. Hold work session to discuss The Harbor's Tax Increment Financing District (TIF), and take any action necessary.

Mr. Crowley indicated that Mayor Pruitt had requested this agenda item. He understands that the mayor would like to approach Rockwall County about continued participation in the TIF upon expiration of their commitment. Mrs. Smith, Assistant City Manager and Finance Director, then briefed the Council on specific details regarding the financials associated with the county's past and possible future involvement in the TIF. Indication was given that the County's initial obligation regarding participating in the TIF began in the year 2004 and is set to expire in the year 2016. Several new projects are coming up in the area of the TIF zone, including Condos south of Summer Lee, the Springhill Suites and HG Sply. Mayor Pruitt indicated that he hopes the county will choose to continue participating in the TIF, in some form, for at least an additional five years, especially since The Harbor will soon be competing with the new development going on across the lake near Dalrock and IH-30. Councilmember White asked what the burden on the city would be if the County drops out of participating in the year 2016. Mrs. Smith indicated that the burden would be roughly $250,000, and we would have to come up with that money via some other source. White then indicated that he is in favor of the County continuing its participation. Mrs. Smith indicated that the initial debt in the TIF was issued for 20 years; however, it can last up to 40 years without any additional action from the Council.

At 5:15 p.m., Mayor Pruitt read the below listed discussion items into the public record before recessing the meeting into Executive Session.

III. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding ballot voting associated with appointments to the Rockwall Central Appraisal District Board pursuant to Section 551.074 (personnel matters)

2. Discussion regarding legal advice associated with homeowners association (HOA) regulations within the city pursuant to Section 551.071 (Consultation with Attorney).

3. Discussion regarding legal matters related to land lease operations at Ralph Hall Municipal Airport pursuant to Section 551.071 (Consultation with Attorney).

4. Discussion regarding (re)appointments to city regulatory boards, commissions, and committees - Rockwall Economic Development Corporation (REDC) Board - pursuant to Section 551.074 (personnel matters)

5. Discussion regarding process associated with City Manager performance evaluation pursuant to Section 551.074 (personnel matters)

IV. ADJOURN EXECUTIVE SESSION

Executive Session was adjourned at 5:55 p.m.

V. RECONVENE PUBLIC MEETING

The public meeting was reconvened at 6:00 p.m. with all seven city council members being present.

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Pro Tem Lewis made a motion to reappoint the following individuals to the Rockwall Economic Development Corporation (REDC) for the below specified terms:

- **Reappoint Rick Carroll to serve his first, full (two year) term (expiring December 2017);**
- **Reappoint Chip Imrie for the last remaining (one) year he is able to serve (expiring December 2016);**
- **To reappoint Stewart Storms and Bob Amick, both to two year terms (expiring December 2017).**

Councilmember Milder seconded the motion, which passed by a vote of 7 ayes to 0 nays.

Mayor Pro Tem Lewis made a motion to cast the City of Rockwall's ballot to the Rockwall Central Appraisal district board, dividing up its 562 votes as specified by the following distribution of votes:

- **Ben Weible – 362 votes**
- **Mark Moeller – 101 votes**
- **John Hohenshelt – 99 votes**

Councilmember Milder seconded the motion, which passed by a vote of 7 ayes to 0 nays.

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – MAYOR PRO TEM LEWIS

Mayor Pro Tem Lewis delivered the invocation and led the Pledge of Allegiance.

VIII. PROCLAMATIONS / AWARDS

1. American Diabetes Month

Mayor Pruitt asked if any representative from the American Diabetes Association was present in the audience. There being no one indicating such, he then read the proclamation into the public record.

IX. OPEN FORUM

Mayor Pruitt explained how Open Forum is conducted and asked if anyone would like to come forth and speak. There being no one, he closed the Open Forum.

Mayor Pruitt recognized a few Boy Scouts in the audience this evening, indicating that they are here to observe the city council meeting.

X. CONSENT AGENDA

1. Consider approval of the minutes from the November 2, 2015 regular city council meeting, and take any action necessary.

2. Consider granting a 15 foot electric easement across the City of Rockwall Eastside Pump Station property to Farmers Electric Cooperative, and take any action necessary.

3. Consider authorizing the City Manager to execute a Facilities Agreement with Master Developer – SNB, LLC to reconstruct 666 linear feet of existing sanitary sewer line within the first phase of The Preserve development in an amount not to exceed $65,245.10 to be funded from 2008 Revenue Bonds, and take any action necessary.

4. Consider awarding a bid to MHC Kenworth and authorizing the City Manager to execute a Purchase Order for two new 12 yard dump trucks in the amount of $218,214 to be funded out of the General Fund Reserves and Water Sewer Fund, and take any action necessary.

5. Consider awarding a bid to Silsbee Ford and authorizing the City Manager to execute a Purchase Order for a new service trucks in the amount of $474,669 to be funded out of the General and Water Sewer Funds, and take any action necessary.

6. Consider awarding a bid to Holt CAT and authorizing the City Manager to execute a Purchase Order for a new Steel Wheel Roller in the amount of $41,690 to be funded out of the General Fund Streets Operations Budget, and take any action necessary.

7. Consider awarding a bid to Freedom CDJ (Dodge) and authorizing the City Manager to execute a Purchase Order for three (3) new Police Patrol Dodge Chargers in the amount of $79,020 to be funded out of the General Fund Police Patrol Budget, and take any action necessary.

8. Consider awarding a bid to Government Sales Freedom Auto Group and authorizing the City Manager to execute a purchase order for a Dodge Charger (including safety equipment) in the amount of $21,500 to be used

by Citizens on Patrol and to be funded from the Police Department seized asset account, and take any action necessary.

9. Consider awarding a bid to Caldwell Country Chevrolet and authorizing the City Manager to execute a purchase order for a Chevy Suburban including safety equipment in the amount of $41,500 to be used by the Community Service Unit and to be funded from the Police Department seized asset account, and take any action necessary.

10. Consider authorizing the City Manager to execute a Facility Agreement with Dewayne Cain of Cain Cemetery Corporation to allow for the delay of the required fire protection requirements for buildings on a 40.57-acre tract of land identified as a portion of Tracts 11 & 12 and all of Tracts 1, 2-1 & 11-1 of the W. M. Dalton Survey, Abstract No. 72, City of Rockwall, Rockwall County, Texas, addressed as 2500 SH-66, and take any action necessary.

11. Consider approval of a resolution expressing support for and reinforcing the importance of the North Texas Municipal Water District's Lower Bois d'Arc Creek Reservoir (LBCR) project, including its timeliness as it pertains to the critical mission of delivering water to the region by the year 2020, and take any action necessary.

12. Consider authorizing the City Manager to execute an additional services agreement (contract amendment) with La Terra Studio, Inc. to provide for the design of the walkway/store front area along Goliad Street between Washington and Rusk Streets to match the design in the Downtown area in the amount of $50,500, and take any action necessary.

Councilmember White pulled item #12 for further discussion. Councilmember White then made a motion to approve the remaining items (#s 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, and 11). Mayor Pro Tem Lewis seconded the motion. Mayor Pruitt commented that he is very proud of our Police Department for expending funds to purchase vehicles for the Citizens on Patrol volunteers who really do a lot to give back to our community. The motion passed unanimously of Council (7 ayes to 0 nays).

Councilman White indicated that he has no intention of voting in favor of item #12. Councilmember Milder made a motion to approve Consent Agenda item #12. Councilmember Fowler seconded the motion, which failed by a vote of 3 in favor with 4 against (White, Townsend, Hohenshelt, Pruitt).

XI. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Chairman of the Planning and Zoning (P&Z) Commission, Craig Renfro, came forth and briefed the city council members on recommendations of the Commission relative to items on tonight's city council meeting agenda. He explained that on case number MIS2015-009, he personally inadvertently voted differently than the way he intended to vote had he better understood what he was voting on. Therefore, he explained, this case should be coming before the city council with a recommendation to approve it, and his

dissenting vote should not have been so. After Mr. Renfro's comments, the Council took no formal action.

XII. PUBLIC HEARING ITEMS

1. **MIS2015-009** - Hold a public hearing to discuss and consider the approval of a special request by Michael Hunter on behalf of the Rockwall Housing Development Corporation (RHDC) to allow the construction of two (2) single-family attached homes on a 0.27-acre parcel of land identified as Lot 984A of the Rockwall Lake Estates #2 Subdivision, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 75 (PD-75) for Single Family-7 (SF-7) District land uses, located at 112 Chris Street, and take any action necessary.

Mayor Pruitt indicated that Laura Morales, a member of the city's Planning Department, is here this evening to provide Spanish translation associated with this particular Public Hearing case. The City's Planning Director, Ryan Miller, indicated that this item is being brought back before the City Council at this time following it being remanded back to the Planning & Zoning Commission for public hearings to be held. Mr. Miller stated that two people expressed being in favor of this request, and two people expressed being against it.

Mayor Pruitt explained that after the first time this item was heard at City Council meeting, it was discovered that certain deed restrictions are in place within the Lake Rockwall Estates neighborhood that essentially inhibit 'attached housing.' He explained that, although he previously voted for this item to be approved, had he known that these deed restrictions were in place, he would not have voted the way he did.

G. David Smith, an attorney who has been working with the Rockwall Housing Development Corporation and the homeowners, came forth and spoke concerning this request. He indicated that only one property in LRE currently has sewer service in place. He strongly encouraged the city to kick their efforts into high gear in order to get sewage services to the remaining properties in LRE. He went on to explain that on the one lot in LRE that does have water and sewer, they have devised a proposed plan to put two homes on it with one, shared wall. He explained that all of the expense associated with building this structure would be coming out of the non-profit organization's pocket, and it will be set up as a 're-sell' to the occupants who will benefit from it. He explained that this would be a home that these occupants would be able to afford. He went on to strongly encourage the city council to approve this proposed construction, reiterating that this proposal is likely the best that can be done in order to help these individuals. He explained that having the two lots but the structures being "single family attached" will help them save a lot of money on the construction. He went on to share that it is not a duplex, but, rather, a townhome. He shared that he has read the deed restrictions, and he knows there was one gentleman who brought those up when speaking against this proposal. He explained that Mr. and Mrs. Conteras' home was totally destroyed in the recent flood and that they have been living in a travel trailer. He explained that another couple who lives on the other side of LRE lives in a structure that repeatedly has to be jacked up in order to hold it together due to such a large crack being present. He expressed that if the Council will not approve the 'single family attached,' he is hoping the Council will grant a 7' setback from the sideline along County Line Road, along with the other council-approved conditions, and they will build two single-family, detached

dwellings that will comply with the deed restrictions and the other conditions otherwise approved by the city. However, he expressed that his preference is to have the single family, attached proposal approved by Council. He went on to say that there are eleven other structures along County Line Road that sit right on the property line. Granting the 7' setback would mean this particular structure would actually be set back farther that a lot of the other structures along the roadway. He also asked the city to consider waiving the permit fees and the impact fees because these can be expensive, and every penny counts. Mr. Michael Hunter with the RHDC came forth and offered brief comments related to setbacks and the proposed design.

Jose Contreras Junior
(son of Jose and Martha Contreras at 142 Renee Drive in Rockwall, TX)

Mr. Contreras expressed that his parents were one of the victims of flooding at their home located at 142 Renee Drive. He expressed appreciation for the trailer home that his parents are staying in right now. He shared that he was raised in Rockwall. He generally expressed love for Rockwall and pride in calling the city 'home.' He stated that he does not live there with his parents. He shared that it is very muddy where his parents live, and his mother has to put Walmart grocery sacks over her shoes in order to walk out to his father's car and have him take her to work. She is unable to get her car out of the mud in order to drive herself to work. He expressed that his parents living in the little bitty space of the travel trailer wears on them, but they are, at the same time, very appreciative of having the trailer as a temporary living space.

Maria Guillen
382 Eagle Place
Rockwall, TX

Mrs. Guillen came forth and indicated that she and her husband live in the home that Mr. Smith was referring to (the one that is falling apart). She explained that her husband has to go underneath the home about once every two weeks to jack it up to hold it together because it is falling apart. She explained that they have four kids who have been being raised in Rockwall, they enjoy calling Rockwall "home," and they do not want to leave Rockwall. She explained that if it were not for this opportunity that would enable her to own a home in Rockwall, she would not be able to afford to do so without this type of approval and assistance. She stated that her son is in the advanced classes program in RISD, and they truly do not want to leave Rockwall. She strongly urged the council to grant

James Merkel
420 Wayne
Rockwall, TX 75032

Mr. Merkel came forth and indicated that the intention of the deed restrictions in LRE are to not allow for multifamily housing like what is being proposed with this concept. High density living was not the intent. Rather, less density was and is desired in order to allow for room for kids to play in the neighborhood. He encouraged that these structures be built as two separate homes after splitting the lot, even though he is really not in favor of splitting the lots because the structures and the space would be quite small. Mr. Merkel explained that he personally knows Jose and does believe that he is a good person who does need some help. He explained that Jose currently runs a business out

of his home, and he is 'grandfathered' which allows him to currently do so. However, if he were to move into this proposed home, then he could no longer run his business out of his new home, and he would have to find another place to store his equipment. This would result in additional expense for him. Also, he believes that the traffic counts along this stretch of roadway (about 6,000 cars per 24 hour period along County Line) would be dangerous to Jose's attempts to store and take out his equipment on a daily basis. Mr. Merkel generally spoke against Council approving this request.

Freddie Jackson
1812 Bristol Lane
Rockwall, TX 75087

Mr. Jackson came forth and indicated that the Council has a unique opportunity to develop the neighborhood in the way it sees fit. He explained that no matter what the council allows to be built, people will come to Rockwall to move into those homes because Rockwall is such a desirable place to be. He expressed the belief that homes can be built in the upper $90,000's or lower $100,000's.

Marta Conteras
142 Renee Drive
Rockwall, TX

Mrs. Contreras explained that she is one of the flood victims who will benefit from this home if it is approved. She urged the Council to please approve it because she enjoys living here.

Mr. Contreras Junior came forth again and recalled Mr. Smith's comments pertaining to keeping the cost down. He explained that his family knows a lot of construction workers, including builders, framers, roofers, foundation and concrete people as well as laborers who live within the community and would be willing to help in order to keep costs down.

Mr. Michael Hunter, the applicant, came forth and indicated that he is requesting a setback variance for the house. He explained that the hope is that these structures / homes could someday be expanded in the rear, if the homeowner desires to do so in the future. Mr. Smith indicated that these setbacks being requested do comply with the deed restrictions. He stated that construction costs associated with this home would be under $100k. It would hopefully be closer to $80k because of so many in the community who have expressed a willingness and desire to help.

Councilmember Hohenshelt asked the City Attorney for clarification regarding the council's leeway in casting a vote for the alternative being proposed this evening. Mr. Garza indicated that the Council couldn't put "multi-family," but it could do most anything within reason.

Councilmember Townsend made a motion to allow for the lot to be separated, to allow for the two separate houses to be built with the 7' setback, and to waive the building permit fees, and associated impact fees. Councilmember Milder seconded the motion. Mr. Crowley indicated that there would normally be a roadway impact fee due, and currently the Council does not have the authority to waive the fee; however, staff can speak with the RHDC about this cost.

Mr. Smith indicated that the Rockwall Housing Development Corporation will essentially do the interim, the construction and then partner with the owner.

Councilmember Fowler clarified that "option 1" is the RHDC's preference. He asked for clarification regarding what benefits or hindrances would be associated with "option 2." Mr. Smith generally indicated that Option #1 is preferred because it is thought to be the less expensive option of the two. Councilmember Fowler asked if Councilman Townsend would consider withdrawing his motion to see if option 1 would pass instead. Then, if it does not pass, Option 2 could be put forth for approval in the form of a motion. Mayor Pruitt expressed concern about the Council possibly approving Option 1 and then a property owner filing an injunction in court in order to try and have the LRE deed restrictions enforced. Mr. Garza clarified that this could possibly happen with Option #1; however, that would not occur if Option #2 were approved.

City Attorney Frank Garza indicated that while the city does not enforce deed restrictions, it does not stop an individual property owner from filing a motion to enforce those restrictions.

Councilmember White provided comments, generally indicating that the residents in the LRE subdivision expressed a long time ago (when annexation occurred and zoning was put into place) that they do not desire to have this type of multifamily housing. Because of this reason, he could only support Option #2. Councilmember Fowler indicated that since not many showed up to speak at the P&Z public hearing, it seems like perhaps there may not be as much interest in this type of housing proposal, either "for" or "against" currently.

The motion on the floor passed by a vote of 7 in favor with 0 against.

Councilmember Townsend left the remainder of the meeting at this point (at 7:11 p.m.).

2. **Z2015-027** - Hold a public hearing to discuss and consider a request by Bobby Dale and Bretta Price for the approval of an **ordinance** for a zoning change from an Agricultural (AG) District to a Single Family Estate 2.0 (SFE-2.0) District for a 5.5-acre tract of land identified as Tract 17-7 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, addressed as 453 Cullins Road, and take any action necessary **[1st Reading].**

Planning Director Ryan Miller provided background information related to this agenda item. He indicated that this is being proposed so that the applicant may construct a "mother-in-law suite" with a garage attached to it. Nineteen notices were mailed out to property owners located within 500' and the Oaks of Buffalo Way Homeowners Association was notified as well. Two notices have been received back in favor, and the P&Z Commission has recommended approval of this request. Mayor Pruitt opened the public hearing and asked if anyone would like to come forth and speak. There being no one indicating such, he then closed the public hearing. Councilmember Hohenshelt made a motion to approve Z2015-027. Mayor Pro Tem Lewis seconded the motion, which passed by a vote of 6 in favor with 1 absent (Townsend).

3. **Z2015-029** - Hold a public hearing to discuss and consider a City initiated zoning request for the approval of an **ordinance** for a text amendment to

various sections of Article V, District Development Standards, Article VIII, Landscaping Standards, and Article IX, Tree Preservation, and to create Appendix F, Landscaping Guidelines, of the Unified Development Code [Ordinance No. 04-38] for the purpose of incorporating recommendations made by the Landscape Ordinance Review Committee, and take any action necessary **[1st Reading].**

Mr. Miller provided background information related to this agenda item. The P&Z Commission has voted 5-0 to recommend approval of this item to the city council. Mayor Pruitt opened the public hearing, asking if anyone would like to come forth and speak at this time. There being no one indicating such, he then closed the public hearing.

Councilmember White made a motion to approve Z2015-029. Councilmember Hohenshelt seconded the motion. Councilmember Milder comment that it seems like we are reducing the burden on property owners, which is something he is in favor of doing. Mayor Pruitt indicated that he disagrees with some parts of this, including reducing the number of canopy trees so that the signage could be better seen. Also, using wrought iron fences and plants in lieu of masonry walls are things Mayor Pruitt expressed he is against as well.

The ordinance was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, BY AMENDING SECTION 6 OF ARTICLE V, *DISTRICT DEVELOPMENT STANDARDS*; SECTIONS 3, 5, 6 & 7 OF ARTICLE VIII, *LANDSCAPE STANDARDS*; SECTION 7 OF ARTICLE IX, *TREE PRESERVATION*; AND TO CREATE APPENDIX F, *LANDSCAPE GUIDELINES*; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 5 in favor, 1 against (Pruitt) and 1 absent (Townsend).

XIII. ACTION ITEMS

1. Discuss and consider approval of a variance request from Spiars Engineering associated with the city's ordinance provisions related to standards for design of development within subdivisions, specifically pertaining to retaining walls in detention areas within Phase One of the Preserve, and take any action necessary.

Mr. Greg Helsel, P.E. with Spiars Engineering out of Plano, TX came forth and explained that he represents the owner, and they are requesting that the city grant a variance to allow vertical retaining walls to be constructed in the detention areas. He explained that this is a unique drainage basin that will, according to the flood study, require more volume in the detention ponds. He explained that due to the constraints on the site

(existing flood plain, trees, and underground utilities), the only option is to go vertical with walls in order to get the volume needed for the flood study to be approved. Therefore, they are requesting a variance to allow for the vertical walls. They are willing to screen the detention areas with trees and shrubs so that it is not an eyesore.

Mayor Pruitt asked what would happen if this variance were not granted. Mr. Tumulty indicated that the applicant would have to find somewhere to expand to meet the detention requirements, and it would start encroaching on some of their lots. He indicated that council and staff spoke about this possibility at a retreat a couple of years ago and agreed that these requests would be evaluated and considered on a case-by-case basis. Mr. Tumulty answered Mr. Lewis' question, indicating that the homeowners association would ultimately be responsible for maintenance of this area.

Mayor Pro Tem Lewis made a motion to approve the variance request. Councilmember White seconded the motion, which passed by a vote of 4 in favor, 2 against (Milder and Fowler) and 1 absent (Townsend).

2. Discuss and consider adoption of an **ordinance** authorizing the issuance of City of Rockwall, Texas, General Obligation Refunding Bond, Series 2015; establishing procedures and delegating authority for the sale and delivery of the bond; providing for the security for and payment of said bond; providing an effective date; enacting other provisions relating to the subject and take any action necessary.

Mrs. Smith indicated that an opportunity has arisen that will allow the city to refinance 2005 and 2006 bonds, which will result in a significant savings. Mayor Pruitt made a motion to approve refinancing. Councilmember Hohenshelt seconded the motion. The ordinance was read as follows:

CITY OF ROCKWALL, TEXAS
ORDINANCE NO. ____

ORDINANCE AUTHORIZING THE ISSUANCE OF CITY OF ROCKWALL, TEXAS, GENERAL OBLIGATION REFUNDING BOND, SERIES 2015; ESTABLISHING PROCEDURES AND DELEGATING AUTHORITY FOR THE SALE AND DELIVERY OF THE BOND; PROVIDING FOR THE SECURITY AND PAYMENT OF SAID BOND; PROVIDING AN EFFECTIVE DATE; AND ENACTING OTHER PROVISIONS RELATING TO THE SUBJECT

The motion passed by a vote of 6 in favor with 1 absent (Townsend).

3. Discuss and consider appointment to fill a vacancy on the Main Street Advisory Board, and take any action necessary.

Councilmember Milder made a motion to recommend Gene Stroman to serve on the city's Main Street Advisory Board to serve a term that will expire in January of 2018. Mayor Pro Tem Lewis seconded the motion, which passed by a vote of 6 in favor with 1 absent (Townsend).

XIV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding ballot voting associated with appointments to the Rockwall Central Appraisal District Board pursuant to Section 551.074 (personnel matters)

2. Discussion regarding legal advice associated with homeowners association (HOA) regulations within the city pursuant to Section 551.071 (Consultation with Attorney).

3. Discussion regarding legal matters related to land lease operations at Ralph Hall Municipal Airport pursuant to Section 551.071 (Consultation with Attorney).

4. Discussion regarding (re)appointments to city regulatory boards, commissions, and committees - Rockwall Economic Development Corporation (REDC) Board - pursuant to Section 551.074 (personnel matters)

5. Discussion regarding process associated with City Manager performance evaluation pursuant to Section 551.074 (personnel matters)

XV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

The Council did not reconvene in Executive Session at the conclusion of the public meeting agenda.

XVI. ADJOURNMENT

The meeting was adjourned at 7:32 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS 7th day of December, 2015.

CITY OF ROCKWALL

ORDINANCE NO. 15-31

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A SINGLE-FAMILY ESTATE 2.0 (SFE-2.0) DISTRICT FOR A 5.50-ACRE TRACT OF LAND IDENTIFIED AS TRACT 17-7 OF THE W.W. FORD SURVEY, ABSTRACT NO. 80, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN *EXHIBIT 'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request from Bobby Dale and Bretta Price for the approval of an amendment to the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall to adopt a change in zoning from an Agricultural (AG) District to a Single-Family Estate 2.0 (SFE-2.0) District for a 5.50-acre tract of land identified as Tract 17-7 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, and more specifically described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning of the *Subject Property* from an Agricultural (AG) District to a Single-Family Estate 2.0 (SFE-2.0) District; and

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes provided for a *Single-Family Estate (SF-E) District* in *Section 1.1, "Use of Land and Buildings,"* of *Article IV, "Permissible Uses"* and *Section 3.2, "Single-Family Estate (SF-E/2.0) District",* of *Article V, "District Development Standards",* of the *Unified Development Code* of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future;

Section 3. That the official zoning map of the City be corrected to reflect the changes in the zoning described herein.

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of two thousand dollars ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ON THIS THE 7th DAY OF December, 2015.

EXHIBIT "A"

Legal Description

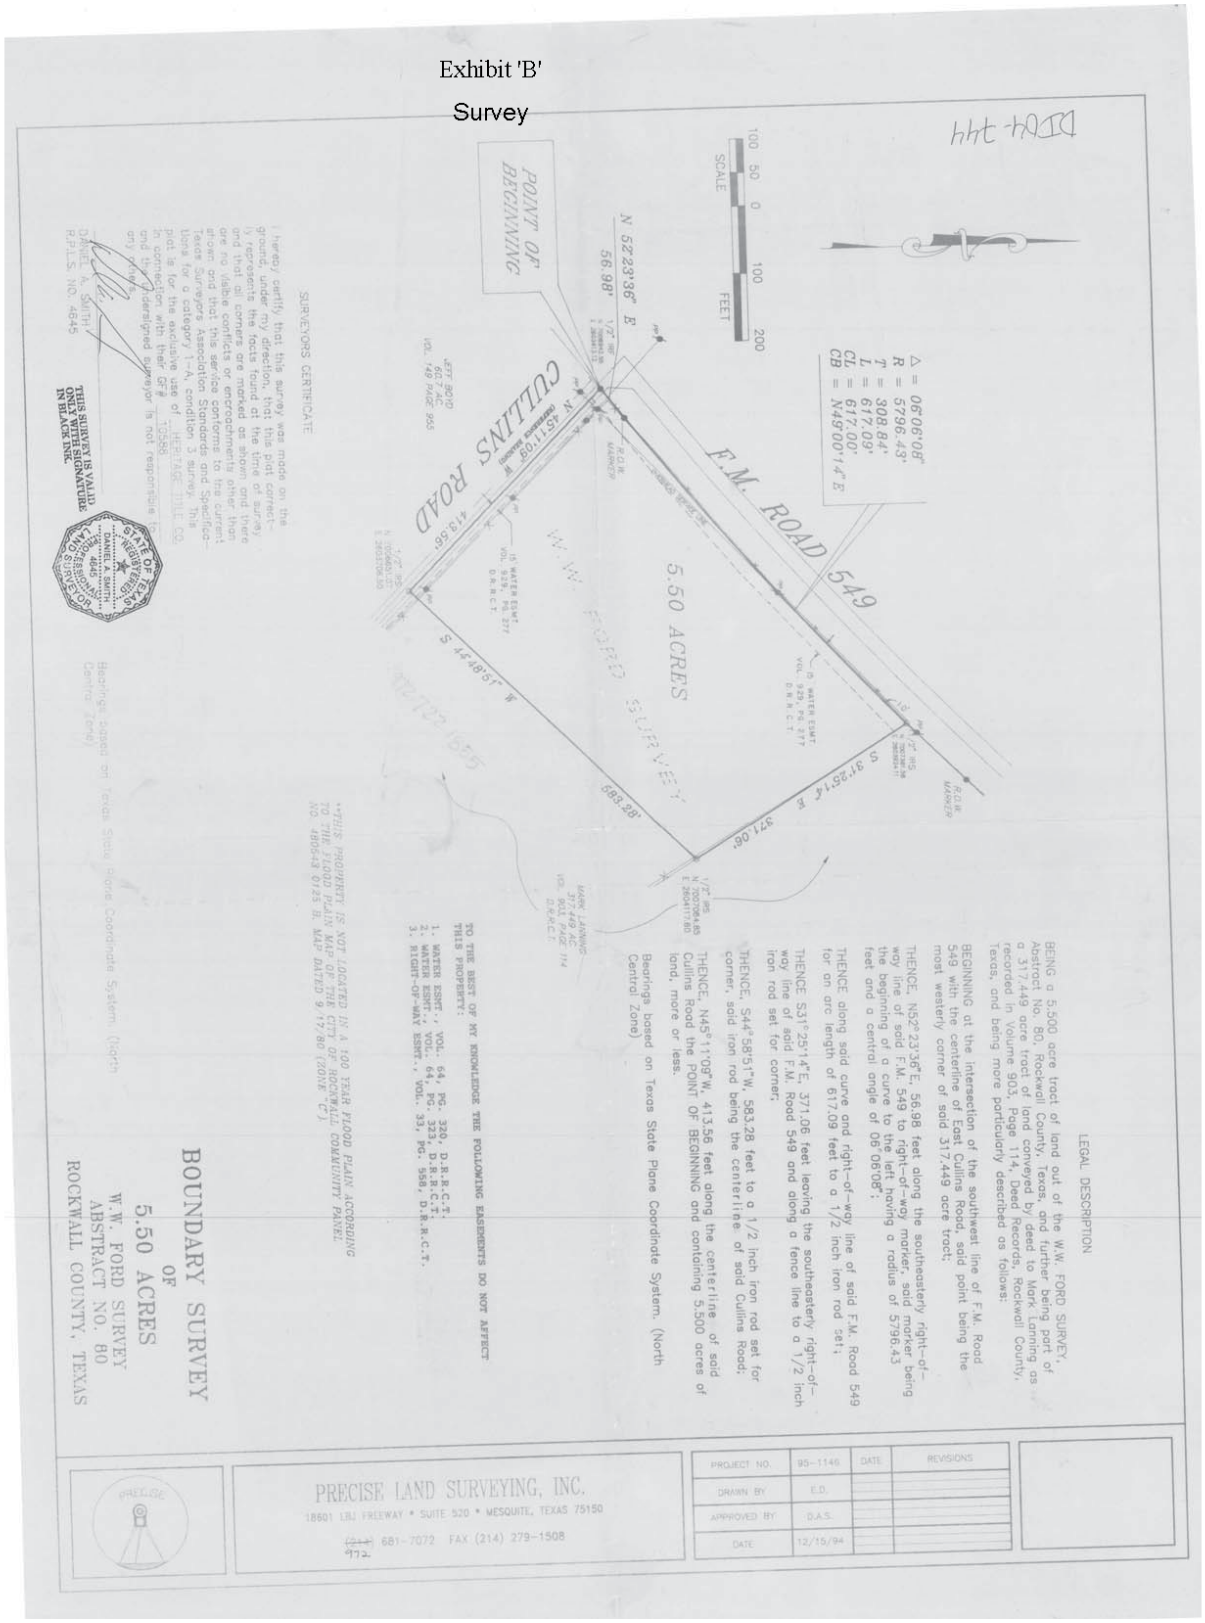
BEING a 5.500 acre tract of land out of the W.W. FORD SURVEY, Abstract No. 80, Rockwall County, Texas, and further being part of a 317.449 acre tract of land conveyed by deed to Mark Lanning as recorded in Volume 903, Page 114, Deed Records, Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at the intersection of the southwest line of F.M. Road 549 with the centerline of East Cullins Road, said point being the most westerly corner of said 317.449 acre tract;

THENCE, N52°23'36"E, 56.98 feet along the southeasterly right-of-way line of said F.M. 549 to right-of-way marker, said marker being the beginning of a curve to the left having a radius of 5796.43 feet and a central angle of 06°06'08";

THENCE along said curve and right-of-way line of said F.M. Road 549 for an arc length of 617.09 feet to a 1/2 inch iron rod set;

THENCE S31°25'14"E, 371.06 feet leaving the southeasterly right-of-way line of said F.M. Road 549 and along a fence line to a 1/2 inch iron rod set for corner;



THENCE, S44°58'51"W, 583.28 feet to a 1/2 inch iron rod set for corner, said iron rod being the centerline of said Cullins Road;

THENCE, N45°11'09"W, 413.56 feet along the centerline of said Cullins Road the POINT OF BEGINNING and containing 5.500 acres of land, more or less.

CITY OF ROCKWALL

ORDINANCE NO. 15-32

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, BY AMENDING SECTION 6 OF ARTICLE V, *DISTRICT DEVELOPMENT STANDARDS*; SECTIONS 3, 5, 6 & 7 OF ARTICLE VIII, *LANDSCAPE STANDARDS*; SECTION 7 OF ARTICLE IX, *TREE PRESERVATION*; AND TO CREATE APPENDIX F, *LANDSCAPE GUIDELINES*; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, an amendment to the City of Rockwall's Unified Development Code [*Ordinance No. 04-38*] has been initiated by the City Council of the City of Rockwall to amend Section 6, *Overlay Districts*, of Article V, *District Development Standards*; Section 3, *Definitions*, Section 5, *Mandatory Provisions*, Section 6, *Landscape Credits*, and Section 7, *Completion of Landscaping*, of Article VIII, *Landscape Standards*; Section 7, *Tree Replacement Credits*, of Article IX, *Tree Preservation*; and, create Appendix F, *Landscaping Guidelines*, of the Unified Development Code [*Ordinance No. 04-38*] for the purposes of incorporating recommendations made by the *Landscape Ordinance Review Committee*; and,

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the city's corporate boundaries, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That Section 6, *Overlay Districts*, of Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended as specifically described in *Exhibits 'A'* of this ordinance;

Section 2. That Section 3, *Definitions*, Section 5, *Mandatory Provisions*, Section 6, *Landscape Credits*, and Section 7, *Completion of Landscaping*, of Article VIII, *Landscape Standards*, of the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended as specifically described in *Exhibits 'B'* of this ordinance;

Section 3. That Section 7, *Tree Replacement*, of Article IX, *Tree Preservation*, of the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended as specifically described in *Exhibits 'C'* of this ordinance;

Section 4. That a landscape appendix should be established as Appendix F, *Landscape Standards*, of the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as established herein, and as specifically described in *Exhibits 'D'* of this ordinance;

Section 5. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 6. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

F.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the SH 66 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in subsections F.3 and F.4.

F.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine,*** Bur Oak, Cedar Elm, Lacebark Elm, ~~***Leyland Cypress,***~~ ***Little Gem Magnolia,*** Live Oak, ***October Glory Maple,*** Red Oak, ***Texas Ash, Texas Red Oak***.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Section 6.10. 205 By-Pass Corridor Overlay (205 BY-OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the John King Blvd. right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in section E — (3) and (4). The area of John King Blvd. from Quail Run Road to SH 205 North shall include an average of one cedar tree for each 100 feet of frontage planted in clusters of three to five trees.

E.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine, Bald Cypress,*** Bur Oak, Cedar Elm, ***Eastern Red Cedar, Homestead Elm,*** Lacebark Elm, ~~***Leyland Cypress,***~~ ***Little Gem Magnolia,*** Live Oak, ***October Glory Maple***, Red Oak, ***Texas Ash, Texas Red Oak***.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Section 6.11. North SH-205 Corridor Overlay (N-SH 205 OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the SH 205 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in section E — (3) and (4).

E.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine,*** Bur Oak, ***Caddo Maple,*** Cedar Elm, Lacebark Elm, Leyland Cypress, ***Little Gem Magnolia,*** Live Oak, ***October Glory Maple*** ~~***Red Oak***~~.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Section 6.12. East SH-66 Corridor Overlay (E-SH 66 OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the East SH 66 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in section E — (3) and (4). The East SH 66 Corridor Overlay shall include an average of one cedar tree for each 100 feet of frontage planted in clusters of three to five trees.

E.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine,*** Bur Oak, ***Caddo Maple,*** Cedar Elm, Lacebark Elm, Leyland Cypress, ***Little Gem Magnolia,*** Live Oak, ***October Glory Maple*** ~~***Red Oak***~~.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Section 6.13. FM-549 Corridor Overlay (FM-549 OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the FM 549 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in section E — (3) and (4). The area of the FM 549 Corridor Overlay from Airport Road to SH 66 shall include an average of one cedar tree for each 100 feet of frontage planted in clusters of three to five trees.

E.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine, Bald Cypress,*** Bur Oak, ***Caddo Maple,*** Cedar Elm, ***Lacebark Elm, Leyland Cypress, Little Gem Magnolia,*** Live Oak, ***October Glory Maple,*** Red Oak, ***Texas Ash, Texas Red Oak***.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Section 6.14. SH-276 Corridor Overlay (SH-276 OV) District

E.2 Buffer-strip plantings. ~~***Three***~~ ***Two (2)*** canopy trees, along with four ***(4)*** accent trees shall be required per 100 feet of the SH 276 right-of-way. Canopy trees, accent trees, and shrubs as defined, along with sizes and types are included in section E — (3) and (4).

E.4 Plant material selections. The following materials are recommended for planting in the buffer-strip; however, other materials may be acceptable:

Canopy trees: ***Afghan Pine, Bald Cypress,*** Bur Oak, Cedar Elm, ***Eastern Red Cedar, Homestead Elm, Lacebark Elm, Little Gem Magnolia,*** Live Oak, ***October Glory Maple,*** Red Oak, ~~***Leyland Cypress***~~.

Accent trees: ***Desert Willow, Eastern Redbud, Eves Necklace, Mexican Buckeye, Possumhaw Holly, Shangtung Maple, Yaupon Holly.*** ~~***Tree Yaupon, Red Bud, Eldarica Pine, Wax Myrtle, Ornamental Pear, Mexican Plum, Possumhaw.***~~

Article VIII. Landscape Standards

Section 3. Definitions

Xeriscaping **means type of landscaping design that uses a combination of native plants and grasses, approved hardscapes and drought tolerant ground covers and planting materials for the purpose of conserving water and protecting the local environment.**

Section 5 Mandatory Provisions
Section 5.3. Acceptable Landscape Materials

A. No artificial plant materials may be used to satisfy the requirements of this article.

B. Plant materials used to satisfy the requirements of this article must comply with the following minimum size requirements at the time of installation:

☑ Large trees must have a minimum caliper of three inches, or a minimum height of six feet, depending on the standard measuring technique for the species.
☑ **Shrubs shall be a minimum of three (3) gallons in size.**

C. For purposes of this section, "height" is measured from the root crown or, if the plant is in a container, from the soil level in the container.

D. In satisfying the landscaping requirements of this article, the use of high-quality, hardy plant materials on the approved plant list below is recommended and encouraged. Plants found on the disapproved plant list below shall not be placed within the right-of-way or within the required building setback along a street.

(Ord. No. 06-14, 4-17-2006)

E. As an alternative, the xeriscaping standards in Section 5.10 of this Article have been adopted to encourage new and existing developments to implement landscaping standards targeted at reducing water usage by using drought tolerant plantings and plans.

F. Trees allowed in street landscape buffer areas. The following trees are allowed within the street landscape buffers along public streets:

1. Afghan Pine.
2. Bald Cypress.
3. Burr Oak.
4. Caddo Maple.
5. Cedar Elm.
6. Chinquapin Oak.
7. Eastern Red Cedar.
8. Homestead Elm.
9. Lace Bark Elm.
10. Leyland Cypress.
11. Little Gem Magnolia.
12. Live Oak.
13. October Glory Maple.

14. Pecan.
15. Red Oak.
16. Texas Ash.
17. Texas Red Oak.
~~18. Chinese Pistachio.~~

and various native understory trees such as:

1. Desert Willow
2. Downy Hawthorn.
3. Eastern Redbud
4. Eve's Necklace
5. Mexican Buckeye
6. Possumhaw Holly
7. Shantung Maple
8. Yaupon Holly
~~9. Texas Redbud.~~
~~10. Mexican Plum.~~
~~11. Wax Myrtle.~~
~~12. Yaupon.~~
~~13. Deciduous Yaupon.~~

Section 5.6. Screening from Residential Uses

A. Any commercial or industrial use or parking lot that has a side or rear contiguous to any residential district, or any multi-family use with more than five dwelling units or parking lot that has a side or rear contiguous to any single-family, townhouse, or duplex district, shall be screened with a masonry fence (***~~excluding~~*** tilt wall or concrete block ***are prohibited; however, precast walls may be approved by the Planning and Zoning Commission ~~unless approved by the city council~~***), six ***(6)*** feet in height***~~, unless otherwise approved by the city council~~***. As an alternative, berms in conjunction with a ***minimum of a six (6) foot wrought fence*** and a combination of trees and shrubs can be utilized to meet ***~~this~~*** the screening requirement***s if the Planning & Zoning Commission determines that the proposed alternative will provide sufficient screening***. The screen shall be located no closer to the street than the property line. Any ordinances concerning sight obstructions of intersections shall be applicable to the screen where it is intersected by a street or driveway.

B. Prior to construction of any required screens, complete plans showing type of material, depth of beam, and structural support shall be analyzed by the building permit office to determine whether or not:

1. The screen will withstand the pressures of time and nature;
2. The screen adequately accomplishes the purpose for which it was intended;
3. Plans shall be sealed by a registered engineer or they shall conform to the city's standard design for screening walls.

C. Such screen shall be constructed prior to the issuance of a certificate of occupancy for any building or portion thereof.

D. The areas adjacent to the required screening wall, or areas adjacent to a public street or right-of-way, shall be maintained by the property owner in a clean and orderly condition, free of debris and trash in accordance with the applicable codes of the city.

Section 5.10. ***~~Deleted.~~ Xeriscaping Standards.***

A. *Purpose.* The purpose of this section is to promote the establishment of water conscious landscaping through the implementation of xeriscaping principles. Additionally, this section is intended to provide an alternative to the typical landscape requirements for commercial properties.

B. *Principles*. All xeriscaping plans submitted to the city should demonstrate conformance with the following principles:

1. *Planning and Design.* Landscape designs and plans should take into account the regional and microclimatic conditions of the site, its existing vegetation and topographical conditions, the intended use, and the zoning (*i.e. vegetation zone*) of plant materials according to their unique water needs. Plans should take into account the various heights of landscaping materials. If the landscape plan is proposed in phases, to account for optimum planting times, all future phases should be included on the submitted landscape plan. In reviewing plans to ensure proper site planning and design, staff shall ensure that the plan: 1) preserves and protects existing vegetation, 2) preserves and protects topsoil, 3) stabilizes and covers all bare soil areas, and 4) incorporates energy/water conservation.

2. *Soil Improvement.* Since soil tends to vary from site to site all soil should be analyzed to determine what plants are suitable to include on the landscape plan and if any soil amendments are required. Soil may require additional organic material be added to ensure the continued health of plants.

3. *Appropriate Plant Selection.* Plant selection should be based on the plant's adaptability to the existing site conditions and need for supplemental watering. Most xeriscape plants will not require supplemental watering. In selecting plant materials, mature plants and shrubs should be used to ensure establishment after installation. A list of plants that are native and acceptable within the City of Rockwall has been provided in Appendix F, *Recommended Plantings*, of the Unified Development Code; however, staff may approve alternate plantings if they are deemed appropriate for the site. In reviewing plans for conformance to this principle staff will consider the: 1) diversity of the plant species being proposed, 2) size, maturity and water requirements of the selected plantings, and 3) variation of height, spread and color.

4. *Practical Turf Areas.* The type and location of turf areas are considered to be a major design element in xeriscape plans. Turf in this case involves typical varieties of Bermuda, St. Augustine, Ryegrass blends, etc. The maintenance needs of turf can be minimized by the shape, area, irrigation equipment, and turf type selected. Drainage areas and sloped areas are especially suited to the use of native grasses as opposed to turf. In reviewing plans to ensure that the turf areas being proposed are practical staff will review: 1) the design of the turf areas [*with rounded, compact turf areas being more efficient*], 2) turf areas should be designed to be on a separate zone from other landscaping, 3) turf should be appropriate for the selected location, 4) turf should be avoided on

slopes and drainage areas in favor of native grasses, and 5) minimize turf areas by using native grasses, hardscape elements and alternatives.

5. ***Efficient Irrigation.*** **All landscaping is required to have an irrigation system that is designed by a licensed irrigator. Additionally, all irrigation systems should be designed to be water efficient utilizing low-flow irrigation equipment. The plan should show that turf areas should be watered separately, and plants should be grouped in separate zones based on water need. Finally, all irrigation systems are required to be maintained in proper working order.**
6. ***Use of Mulches.*** **Mulches minimize evaporation, reduce weed growth, slow erosion and help maintain soil temperature. In reviewing the use of mulches in xeriscape plans staff shall ensure: 1) the use of a deep layer of mulch in planting beds [*typically 3-4 inches*] is utilized, and 2) mulches should be locally or regionally derived materials. Additionally, mulches may include the use of pea gravel, crushed granite, rock or pebbles in unplanted areas.**
7. ***Appropriate Maintenance.*** **Proper pruning, weeding and fertilization as required with all landscape plans shall be required. Typically, xeriscape plans require less maintenance, fertilizer and other chemicals and pesticides.**

C. *Standards*.

1. **If approved with a Landscape Plan native grasses shall be exempt from the rules and requirements of Section 16-43, *Weeds, Brush and Grass*; however, the grass should be maintained to a height typical for the particular native grass.**
2. **Drainage or detention areas that utilize native grasses in lieu of turf shall be exempt from the requirements stipulated by Section 5.12.C (*i.e. one [1] tree per every 750 square feet of dry land area*). Instead, a shrub or ornamental grass per every 1,500 square feet of dry land area shall be required to be planted on the site or around the detention area.**
3. **A maximum of 30% mulches or hardscape is permitted to be incorporated into all xeriscape plans. This may be increased by the Planning & Zoning Commission if deemed appropriate and necessary for the proposed plan.**

D. *Approval of Xeriscape Plans*. All xeriscape plans shall require approval by the Planning & Zoning Commission, upon a recommendation by staff concerning conformance to the requirements of this section, at the time of site plan approval.

~~(Ord. No. 06-14, 4-17-2006)~~

Section 6 Landscape Credits
Section 6.4 Credit for Xeriscaping.

The overall landscaping requirement may be reduced by 2.5 percent when the Planning Director or his/her designee determines that the standards stipulated by Section 5.10, *Xeriscaping Standards*, of this Article have been satisfied.

Section 7. Completion of Landscaping
Section 7.1. In Accordance with Approved Plans.

Except as otherwise provided in Subsection 7.2, all landscaping must be completed in accordance with the approved landscape plan before a Certificate of Occupancy may be issued for any building on the lot~~.~~ ***; however, during drought or water emergency response stages***

the Director of Planning and Zoning or his designee can grant an applicant permission to delay the installation of required landscaping (independent of Subsection 7.2) upon receipt of a letter from the applicant stating that the landscaping will be installed by a specific date that is within a reasonable time period not to exceed six (6) months. The Director of Planning and Zoning may extend the agreement for successive terms if the City is still under drought or water emergency response stages.

Section 7. Tree Replacement Credits

D. Types of trees. Replacement trees shall be selected from the following list and shall be a minimum of three caliper inches as measured six inches above the root ball.

Canopy Trees:

1. Afghan Pine.
2. Bald Cypress.
3. Burr Oak.
4. Caddo Maple.
5. Cedar Elm.
6. Chinquapin Oak.
7. Eastern Red Cedar.
8. Homestead Elm.
9. Lace Bark Elm.
10. Leyland Cypress.
11. Little Gem Magnolia.
12. Live Oak.
13. October Glory Maple.
14. Pecan.
15. Red Oak.
16. Texas Ash.
17. Texas Red Oak.

Accent Trees:

1. Desert Willow
2. Downy Hawthorn.
3. Eastern Redbud
4. Eve's Necklace
5. Mexican Buckeye
6. Possumhaw Holly
7. Shantung Maple
8. Yaupon Holly

APPENDIX F. LANDSCAPING GUIDELINES & REQUIREMENTS

TABLE OF CONTENTS

Section F.1. Introduction.
Section F.2. District Landscaping Requirements.
Section F.3. Tree Planting Guidelines & Requirements.
Section F.4. Recommended Tree Varieties (*Canopy and Accent*)
Section F.5. Recommended Shrub Varieties
Section F.6. Recommended Grass Varieties
Section F.7. Alternative Plantings List

F.1. INTRODUCTION.

These guidelines were drafted by the citizens and local experts for the purpose of outlining the requirements of Article VIII, *Landscape Standards*, of the Unified Development Code, and to provide guidelines for plantings that are appropriate within the City of Rockwall.

F.2. PURPOSE.

The purpose of the following appendix is to provide a general reference guide for meeting the requirements of Article VIII, *Landscape Standards*, of the Unified Development Code. This appendix is not intended to be a comprehensive list of all plant materials that can be utilized for development within the City of Rockwall. The Director of Planning or his designee can approve a landscape plan that includes tree, shrub, and grass varieties not indicated in this appendix upon a finding that the proposed planting is appropriate for the development.

- ☑ Pine Tree Varieties (Pinus So.)

APPENDIX F. LANDSCAPING GUIDELINES & REQUIREMENTS

F.4. RECOMMENDED TREE VARIETIES (CANOPY AND ACCENT TREES).

The following information concerning the City's recommended trees was obtained from the Texas A&M Forest Service, *Texas Tree Planting Guide* and all illustrations were provided courtesy of Texas A&M Forest Service *Copyright by Robert O'Brien.*

Afghan Pine

Latin Name: Pinus Eldarica
Secondary Names: Eldarica Pine, Mondel Pine

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *35' to 50'*
- ✓ Leaf Type: *Evergreen*
- ✓ Growth Rate: Rapid
- ✓ Native: Afghanistan and Central Asia
- ✓ Soil Needs: Requires Well Drained, Dry Soils
- ✓ Tolerances: Salty Soil, Drought, Alkaline Soils [*PH > 7.5*]
- ✓ Features: Soft, Green Needles form a Dense Canopy
- ✓ Uses: Screening and Windbreaks
- ✓ Firewise: No
- ✓ Issues: The pine tip moth can kill new shoots and ruin the shape of the tree. The tree is not tolerant of wet sites.
- ✓ Similar Species: Aleppo Pine (*Pinus Halapensis*)

Bald Cypress

Latin Name: Taxodium Distichum
Secondary Names: Baldcypress

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *50' to 70'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Will Grow in a Variety of Soils
- ✓ Tolerances: Drought and Poorly Drained Sites
- ✓ Features: Deciduous Conifer with Feather-Like Leaves, Round Seed Balls, and Fibrous Bark
- ✓ Uses: Detention Areas and Poorly Drained Areas
- ✓ Firewise: Yes
- ✓ Issues: Woody 'Knees' and Bagworms
- ✓ Similar Species: Montezuma Balcypress (*Taxodium Mucronatum*)

Bur Oak

Latin Name: Quercus Macrocarpa
Secondary Names: Mossy Cup Oak

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *40' to 60'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate to Rapid
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable, Prefers Deeper Soil
- ✓ Tolerances: Salty Soil, Drought, Alkaline Soils [*PH > 7.5*]
- ✓ Features: Unique Leaf Shape, Largest Acorn of any Oak
- ✓ Uses: Drought Tolerant Tree
- ✓ Firewise: Yes
- ✓ Issues: Acorns and leaves can create significant clean-up.
- ✓ Similar Species: White Oak (Quercus Alba)

CITY OF ROCKWALL PAGE 3 APPENDIX F: LANDSCAPING GUIDELINES

APPENDIX F. LANDSCAPING GUIDELINES & REQUIREMENTS

Caddo Maple

Latin Name: Acer saccharum 'Caddo'
Secondary Names: Eldarica Pine, Mondel Pine

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *50' to 60'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Slow to Medium
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable
- ✓ Tolerances: Rocky & Alkaline Soils and Drought Tolerant
- ✓ Features: Medium tree with a rounded appearance, dark green foliage that changes to a golden color in the fall.
- ✓ Firewise: Yes
- ✓ Issues: Availability
- ✓ Similar Species: Sugar Maple (A. saccharum)

Cedar Elm

Latin Name: Ulmus Crassifolia
Secondary Names: Texas Elm

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *70' to 90'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Alkaline Adaptable
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Lustrous Dark Green Leaves that are Stiff and Rough to the Touch
- ✓ Uses: Generally a Landscape Tree, Parking Lot/Street Tree
- ✓ Firewise: Yes
- ✓ Issues: Aphids, Minor Leaf Beetle & Dutch Elm Disease
- ✓ Similar Species: Winged Elm (*Ulmus Alata*)

Chinquapin Oak

Latin Name: Quercus Muehlenbergii
Secondary Names: Chinkapin Oak

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *40' to 50'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Slow to Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable, Alkaline Soils
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Yellow-Green Leaves w/ Small Acorns (~3/4" Long)
- ✓ Uses: Shade Tree
- ✓ Firewise: Yes
- ✓ Issues: Sensitive root system; as little as 1" of fill dirt can hurt the tree.
- ✓ Similar Species: Swamp Chestnut Oak (Quercus Michauxii)

APPENDIX F: LANDSCAPING GUIDELINES PAGE 4 CITY OF ROCKWALL

APPENDIX F. LANDSCAPING GUIDELINES & REQUIREMENTS

Eastern Red Cedar

Latin Name: Juniperus virginiana var. virginiana
Secondary Names: Pencil Cedar

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *30' to 50'*
- ✓ Leaf Type: *Evergreen*
- ✓ Growth Rate: Medium
- ✓ Native: Eastern North America
- ✓ Soil Needs: Acidic, Alkaline, Loamy, Well-Drained and Clay
- ✓ Tolerances: Drought, Erosion, Dry Soil, Shallow Rocky Areas
- ✓ Features: Scale-like evergreen leaves compacted to form rounded 4-sided branclets.
- ✓ Uses: Windbreaks and Fence Rows, Screening Tree
- ✓ Firewise: No
- ✓ Issues: Cedar apple rust and bagworms.
- ✓ Similar Species: Southern redcedar (Juniperus virginiana var. silicicola) and Rocky Mountain juniper (J. scopulorum)

Homestead Elm

Latin Name: Ulmus 'Homestead'
Secondary Names: N/A

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *50' to 60'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Dark green leaves that turn bleach yellow in the fall and greenish tiny multi flowered pendulous racemes in spring.
- ✓ Uses: Shade Tree
- ✓ Firewise: Yes
- ✓ Issues: Resistant to Dutch Elm Disease but Susceptible to Elm Leaf Beatle.
- ✓ Similar Species: N/A. The Homestead Elm is a Hybrid.

Lacebark Elm

Latin Name: Ulmus Parvifolia
Secondary Names:

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *35' to 50'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid
- ✓ Native: China, Japan and Korea
- ✓ Soil Needs: Adaptable, Prefers Well Drained Soils
- ✓ Tolerances: Drought, Alkaline Soils [*PH > 7.5*]
- ✓ Features: Variable fall color; interesting bark texture.
- ✓ Firewise: Yes
- ✓ Issues: Requires pruning to develop a strong branch structure.
- ✓ Similar Species: Siberian Elm (*Ulmus Pumila*) and Japanese Zelkova (*Zelkova Serrata*)

CITY OF ROCKWALL PAGE 5 APPENDIX F: LANDSCAPING GUIDELINES

APPENDIX F. LANDSCAPING GUIDELINES & REQUIREMENTS

Leyland Cypress

Latin Name: x Cupressocyparis leylandii
Secondary Names: Cypress

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *60' to 70'*
- ✓ Leaf Type: *Evergreen*
- ✓ Growth Rate: Rapid
- ✓ Native: England and Europe
- ✓ Soil Needs: Adaptable
- ✓ Tolerances: Drought and Poor Soil
- ✓ Features: Deciduous Conifer with Feather-Like Leaves, Round Seed Balls, and Fibrous Bark
- ✓ Uses: Screening, Windbreaks, and Non-Residential Landscaping
- ✓ Firewise: No
- ✓ Issues: Bagworms and Spider mites
- ✓ Similar Species: Montezuma baldcypress (Taxodium mucronatum)

Little Gem Magnolia

Latin Name: Magnolia grandiflora 'Little Gem'
Secondary Names: Large-Flowered Magnolia

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *15' to 20'*
- ✓ Leaf Type: *Evergreen*
- ✓ Growth Rate: Moderate
- ✓ Native: Southeast United States
- ✓ Soil Needs: Well Drained Soil
- ✓ Tolerances: Moderate Drought, Salt and Soil Variation
- ✓ Features: Large leathery, dark green and glossy leaves with cup shaped, white flowers and oval aggregation of seed pods 3"-4" long.
- ✓ Uses: Shade and Landscape Tree
- ✓ Firewise: Yes
- ✓ Issues: No Major Problems
- ✓ Similar Species: Sweetbay magnolia (Magnolia virginiana)

Live Oak

Latin Name: Quercus Virginiana
Secondary Names: Coast Live Oak, Southern Live Oak

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *40' to 50'*
- ✓ Leaf Type: *Evergreen/Semi Evergreen*
- ✓ Growth Rate: Moderately Fast
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable, Acidic, Alkaline, Clay, Loamy and Well Drained
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Green to dark green leaves with small acorns about ¾-inch long and borne singly or in clusters up to five.
- ✓ Firewise: Yes
- ✓ Issues: Leaf Blister and Fungal Gall
- ✓ Similar Species: Texas live oak (Quercus fusiformis)

APPENDIX F: LANDSCAPING GUIDELINES PAGE 6 CITY OF ROCKWALL

APPENDIX F. LANDSCAPING GUIDELINES & REQUIREMENTS

October Glory Maple

Latin Name: Acer rubrum 'October Glory'
Secondary Names:

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *40' to 50'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate to Rapid
- ✓ Native: North America
- ✓ Soil Needs: Adaptable; Prefers Slightly Acidic Soil
- ✓ Tolerances: Moderate Drought Tolerance
- ✓ Features: Soft, Green Needles form a Dense Canopy
- ✓ Uses: Shade Tree
- ✓ Firewise: Yes
- ✓ Issues: Aphids and Leaf Scorch
- ✓ Similar Species: Chalk maple (Acer leucoderme)

Pecan

Latin Name: Carya Illinoinensis
Secondary Names: Pecan Hickory

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *50' to 70'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable, Prefers Deep Moist Soil
- ✓ Tolerances: Drought, Salty Soil, Poorly Drained Soil, Alkaline Soils [*PH>7.5*]
- ✓ Features: Nuts are in important wildlife food; mature crown is open and airy.
- ✓ Uses: Generally a Landscape Tree
- ✓ Firewise: Yes
- ✓ Issues: Aphids, Brittle Wood; Susceptible to Insects
- ✓ Similar Species: Water hickory (Carya aquatica) & black walnut (Juglans nigra)

Red Oak

Latin Name: Quercus Falcata
Secondary Names: Southern Red Oak

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *30' to 55'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid
- ✓ Native: Texas
- ✓ Soil Needs: Avoid PH>7.5; Any Texture; Prefers Good Drainage
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Young Trees Have 'Candleabra' Shape; Fall Color is Organge to Deep Red
- ✓ Firewise: Yes
- ✓ Issues: Oak Wilt
- ✓ Similar Species: Black oak (Quercus velutina)

CITY OF ROCKWALL PAGE 7 APPENDIX F: LANDSCAPING GUIDELINES

APPENDIX F. LANDSCAPING GUIDELINES & REQUIREMENTS

Texas Ash

Latin Name: Fraxinus texensis
Secondary Names: Mountain Ash

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *35' to 50'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid (but Variable)
- ✓ Native: East and Central Texas
- ✓ Soil Needs: Adaptable
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Medium sized tree with green or purple flowers and small woody winged samara in long panicles.
- ✓ Firewise: Yes
- ✓ Issues: Poor Drainage Leads to Root Diseases
- ✓ Similar Species: Carolina ash (Fraxinus caroliniana) and Gregg ash (F. greggii)

Texas Red Oak

Latin Name: Quercus buckleyi
Secondary Names: Buckley Oak, Texas Red Oak, Spanish Oak

- ✓ City Tree Classification: *Canopy Tree*
- ✓ Mature Height: *30' to 55'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid
- ✓ Native: Central Texas
- ✓ Soil Needs: Alkaline Adaptable
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Medium tree with reddish-brown catkins/acorns and slender, dark green leaves that turn red in the fall.
- ✓ Firewise: Yes
- ✓ Issues: Oak Wilt
- ✓ Similar Species: Shumard oak (Quercus shumardii)

Desert Williow

Latin Name: Chilopsis Linearis
Secondary Names: Desert-Willow

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *15' to 20'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Medium
- ✓ Native: West Texas
- ✓ Soil Needs: Adaptable, Acidic, Loamy and Well Drained Soil
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Multi-Trunked, Well Branched and Thick Growth
- ✓ Uses: Primarily a Landscape Tree; Xeriscaping
- ✓ Firewise: Yes
- ✓ Issues: Susceptible to Alterneria Leaf Spot
- ✓ Similar Species: Flowering Willow, Willowleaf Catalpa, Desert Catalpa, Flor de Mimbre, Mimbre, Bow Willow

APPENDIX F. LANDSCAPING GUIDELINES & REQUIREMENTS

Downy Hawthorn

Latin Name: Crataegus mollis
Secondary Names: A Variety Of Common Names Often Ending In "Haw" – Are Used For the Individual Hawthorn Species

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *20' to 30'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Slow
- ✓ Native: Eastern and Central United States and Canada
- ✓ Soil Needs: Requires Well Drained, Dry Soils
- ✓ Tolerances: Dry Soil and Drought
- ✓ Features: Small tree with clusters of white flowers and bright red berry fruit.
- ✓ Uses: Landscaping
- ✓ Firewise: Yes
- ✓ Issues: Susceptible to Several Leaf Diseases
- ✓ Similar Species: River birch (Betula nigra) & Gum Bully (Sideroxylon lanuginosum)

Eastern Redbud

Latin Name: Cercis canadensis var. canadensis
Secondary Names: Judas-Tree

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *20' to 30'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Medium
- ✓ Native: East Texas
- ✓ Soil Needs: Alkaline, Acidic, Loamy, Sandy and Well Drained
- ✓ Tolerances: Clay Soils and Very High Heat
- ✓ Features: Small tree with pink and purple, rose-purple or white blooms and small flattened pods with brown seeds.
- ✓ Uses: Wildlife and Landscaping
- ✓ Firewise: Yes
- ✓ Issues: Leaf Spots, Dieback/Canker, and Verticillium Wilt
- ✓ Similar Species: Redbud

Eve's Necklace

Latin Name: Sophora affinis
Secondary Names: Texas Sophora, Eve's-Necklacepod

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *15' to 35'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Fast (*Generally Slows at 15'*)
- ✓ Native: Central Texas
- ✓ Soil Needs: Alkaline Adaptable
- ✓ Tolerances: Very High Heat
- ✓ Features: Small tree with pale to rosy pink flowers that bloom in the spring and long black segmented seedpods.
- ✓ Uses: Landscape Tree
- ✓ Firewise: Yes
- ✓ Issues: No Problems Reported
- ✓ Similar Species: Black locust (Robinia pseudoacacia)

CITY OF ROCKWALL PAGE 9 APPENDIX F: LANDSCAPING GUIDELINES

Mexican Buckeye

Latin Name: Ungnadia Speciosa
Secondary Names:

- ✓ City Tree Classification: *AccentTree*
- ✓ Mature Height: *15' to 30'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Neutral Alkaline
- ✓ Tolerances: Drought, Alkaline Soils [*PH > 7.5*]
- ✓ Features: Pink flowers appear with new leaves; brown fruit husks remain through winter.
- ✓ Uses: Generally a Landscape or Specimen Tree
- ✓ Firewise: Yes
- ✓ Issues: Requires pruning to develop one or more trunks.
- ✓ Similar Species: Monillo, Mona, Texas Buckeye, Spanish Buckeye, False Buckeye, Canyon Buckeye

Possumhaw Holly

Latin Name: Ilex Decidua
Secondary Names: Possumhaw (Deciduous Holly)

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *8' to 10' (Occasionally 20')*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Slow
- ✓ Native: Texas
- ✓ Soil Needs: Adaptable
- ✓ Tolerances: Drought, Poorly Drained Sites, Alkaline Soils [*PH>7.5*]
- ✓ Features: Orange or red berries on gray branches.
- ✓ Uses: Generally a Landscape Tree and Detention Tree
- ✓ Firewise: Yes
- ✓ Issues: Thin Bark Susceptible to Injury
- ✓ Similar Species: Bearberry, Meadow Holly, Prairie Holly, Swamp Holly, Welk Holly, Winterberry

Shantung Maple

Latin Name: Acer truncatum
Secondary Names: Shandong Maple, Purpleblow Maple

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *25' to 35'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Rapid
- ✓ Native: Northern China
- ✓ Soil Needs: Loam, Sandy and Clay (Adaptable)
- ✓ Tolerances: Moderate Drought
- ✓ Features: Medium sized tree with dark green, glossy leaves that change to yellow orange/bright red in the fall.
- ✓ Firewise: No
- ✓ Issues: Leaf Spot and Leaf Scorch
- ✓ Similar Species: Japanese Maples

APPENDIX F: LANDSCAPING GUIDELINES PAGE 10 CITY OF ROCKWALL

Flameleaf Sumac

Latin Name: Rhus lanceolata
Secondary Names: Prairie Sumac, Prairie Flameleaf Sumac

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *40' to 50'*
- ✓ Leaf Type: *Deciduous*
- ✓ Growth Rate: Moderate
- ✓ Native: Texas
- ✓ Soil Needs: Neutral Alkaline
- ✓ Tolerances: Drought, Alkaline Soils [*PH > 7.5*]
- ✓ Features: Compound leaves turn bright red in fall; white flower spikes bear red clusters of berries.
- ✓ Uses: Generally a Landscape Tree
- ✓ Firewise: Yes
- ✓ Issues: Requries pruning to develop one or more trunks.
- ✓ Similar Species: Texas Sumac, Lance-Leaved Sumac, Limestone Sumac and Prairie Shining Sumac

Yapon Holly

Latin Name: Ilex vomitoria
Secondary Names: Yaupon, Cassina

- ✓ City Tree Classification: *Accent Tree*
- ✓ Mature Height: *10' to 20'*
- ✓ Leaf Type: *Evergreen*
- ✓ Growth Rate: Slow
- ✓ Native: Southeast United States (Texas)
- ✓ Soil Needs: Well Drained, Sandy, Loamy, Clay and Limestone
- ✓ Tolerances: Drought and Very High Heat
- ✓ Features: Small tree with inconspicuous light green blooms and red berry like drupe.
- ✓ Uses: Landscape Tree
- ✓ Firewise: Yes
- ✓ Issues: Aphids, Minor Leaf Beetle & Dutch Elm Disease
- ✓ Similar Species: Evergreen Cassena, Emetic Holly, Indian Black Drink

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **December 4, 2015**

SUBJECT: **Rockwall Central Appraisal District Collections Agreement**

The City contracts with the Rockwall Central Appraisal District for collection of property taxes. The district's collections budget is divided among the taxing entities based on a pro-rata formula of assessed values. At budget preparation, time estimates were received from Patricia Davis as to the City's allocation. When the contract was forwarded for consideration by the City Council the City's allocation had increased dramatically over budget estimates. After talking to Ms. Davis about the increase and her having further discussions with her Board it was determined that the City should be charged the allocation previously estimated and any changes to allocation formulas would be addressed for future years. The City's share of the collections budget is $67,940.

The Council is asked to consider authorizing the City Manager to execute the agreement with the Rockwall Central Appraisal District.

THE STATE OF TEXAS X

COUNTY OF ROCKWALL X

INTERLOCAL AGREEMENT FOR

ASSESSMENT AND COLLECTION OF TAXES

On this 25th day of August, 2015 **THE CITY OF ROCKWALL**, hereinafter called the "Taxing Unit", and **ROCKWALL CENTRAL APPRAISAL DISTRICT**, hereinafter called "District", enter into the following agreement pursuant to the authority granted by **TEXAS PROPERTY TAX CODE** Sections 6.23, 6.24, and **TEXAS GOVERNMENT CODE** Chapter 791.

WHEREAS, it would be economically advantageous to both the Taxing Unit and the District to consolidate the tax assessment and collection functions; and

WHEREAS, in entering into this contract and agreement, it is the intention of the Taxing Unit and the District that upon commencement of the term of this contract as herein stated, the District shall for the said term of this contract provide such necessary tax assessment and collection services;

NOW, THEREFORE, the said parties have and do hereby covenant and agree as follows:

1. The District shall collect the ad valorem property taxes owing to the Taxing Unit for that portion of Taxing Unit and those accounts and property appraised of Taxing Unit found within the same boundaries of District and shall perform all assessment and collection duties and functions imposed by law upon the tax assessor and collector for the Taxing Unit for that portion of Taxing Unit and those accounts and property appraised of Taxing Unit found within the same boundaries of District, including, but not limited to the following:

a) calculation of taxes;
b) preparation of tax roll;
c) proration of taxes;
d) correction of clerical errors in tax rolls;
e) collection of tax liabilities;
f) issuance of refunds;
g) calculation and publication of an effective tax rate;
h) timely preparation and mailing of current tax bills;
i) preparation and mailing of delinquent tax bills;
j) remittance of taxes collected to the Taxing Unit;
k) provide monthly reports of collections and annual reports of all taxes collected or delinquent.

80

2. The District shall remit all collections to the Taxing Unit's depository after they are processed and deposited in the District's depository. Collections will be semi-monthly except in times of heavy collection when Taxing Unit's collections may be more frequent or at the request of the Taxing Unit.

3. The District shall retain all fees charged for the issuance of tax certificates and any interest accruing upon tax payments while deposited in the District's depository prior to remittance to the Taxing Unit. The District shall expend such retained funds solely on tax assessment and collection services.

4. The District shall provide an annual independent audit of all funds collected, retained, and payments received as required by this contract, and all expenditures made by the District in its performance under this contract. A copy of the audit report shall be provided to the Taxing Unit at no additional cost.

5. The Taxing Unit authorizes the District to contract with a delinquent tax attorney, as provided by TEXAS PROPERTY TAX CODE SECTION 6.30, for the collection of delinquent taxes owed to the Taxing Unit. The attorney's compensation shall be paid by the Taxing Unit from the delinquent taxes, penalties and interest collected for the Taxing Unit by such attorney.

6. The Taxing Unit shall provide to the District, without charge, copies of all records necessary for performance by the District under this contract.

7. The Tax Assessor-Collector shall give bond conditioned on the faithful performance of his duties as Tax Assessor-Collector for the Taxing Unit. Said bond shall be made payable to and shall be approved by the governing body of the Taxing Unit in an amount determined by such governing body. The Taxing Unit shall pay the premium for such bond from its current available revenues.

8. In consideration of the services to be rendered by the District, the Taxing Unit shall pay the District as follows:

a) The Taxing Unit agrees to pay the District the actual cost of collection as adopted by the District in its annual collection budget.

b) In the event that payments received exceed the actual cost of providing services pursuant to this Agreement, the District shall reimburse the Taxing Unit or credit future payments to be made by the Taxing Unit to the extent of the excess funds.

c) In the event that payments received are less than the actual cost of providing services pursuant to this Agreement, the Taxing Unit shall reimburse the District all actual costs incurred for the collection of taxes.

81

d) In the event that the Taxing Unit's tax rate is rolled back or otherwise changed after the District begins collections for the Taxing Unit in any given year, the District will continue to act for the Taxing Unit in providing refunds to taxpayers or sending corrected billings. The cost of additional publications and notices will be the responsibility of the Taxing Unit. All costs incurred by the District for late and separate tax bill processing or issuance of corrected bills, or refunds associated therewith, shall be strictly accounted for by the District and shall be payable by the Taxing Unit upon submission of that accounting by the District. This cost shall be the actual cost of providing those extra services required by the rollback or change of tax rate.

e) In the event that the Taxing Unit fails to adopt its tax rate before the last work day prior to the first Monday in September the costs for late and separate tax bill processing, if required, shall be accounted for by the District and shall be payable by the Taxing Unit upon submission of that accounting by the District.

9. The Taxing Unit agrees payments shall be made quarterly to the District within 30 days of billing by the District prior to the beginning of the quarter based upon the calendar year to coincide with the Appraisal budget. For the period ending in calendar year 2016, the contracted terms for payment by the Taxing Units shall end on December 31, 2016 with the final payment due at that time, and the contracted payments shall then be due quarterly as set out herein beginning with the first quarter of 2017, being January-March, 2017 and the last quarter being October-December 2017 and continuing thereon each successive year.

10. This contract shall be effective on October 1, 2015 and shall continue in full force and effect through September 30, 2016 and thereafter, from year to year until such time either party hereto, by written notice to the other party, may terminate the same, such termination to be effective only if provided to the other party on or before April 1 of the tax year in which the party intends for the contract to terminate, or by mutual consent of the parties. Any such termination shall be effective as of May 1 of such tax year. Upon termination, the District shall provide the Taxing Unit, without charge, copies of the Taxing Unit's current and delinquent tax rolls and of any additional tax records requested by the Taxing Unit.

11. It is agreed and understood that this contract is not transferable or assignable without the written consent and approval of the Taxing Unit. The terms herein stated shall be bound upon the parties hereto, their successors, assigns and legal representatives.

12. The provisions of this contract are severable. If any paragraph section, subdivision, sentence, clause or phrase of this contract is for any reason held to the contrary to law or contrary to any rule or regulation having force and effect of law, such decision shall not affect the remaining portions of the contract.

13. This agreement shall provide for Rockwall Central Appraisal District to be the Assessor Collector of taxes for the taxing entities located within Rockwall County, to wit:

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **November 19, 2015**

SUBJECT: **Interlocal Agreement for No Refusal Weekends 2016**

Included in your meeting packet is an interlocal agreement between Rockwall County and the City of Rockwall regarding municipal judge services for “No Refusal Weekends” during the upcoming year. We have reviewed the agreement, and it is the same as past agreements the council has authorized for this purpose.

INTERLOCAL COOPERATION AGREEMENT BETWEEN ROCKWALL COUNTY AND THE CITY OF ROCKWALL REGARDING MUNICIPAL JUDGE SERVICES

THIS INTERLOCAL COOPERATION AGREEMENT is made and entered into by and between Rockwall County, Texas, a political subdivision of the State of Texas (*hereinafter referred to as "COUNTY")*, and the City of Rockwall, a municipal corporation of the State of Texas (*hereinafter referred to as "CITY."*)

WHEREAS, the CITY is located within the COUNTY and its citizens are represented by the Rockwall County Criminal District Attorney in criminal matters; and

WHEREAS, both the CITY and the COUNTY seek to protect their citizens from harm and damage to property; and

WHEREAS, the COUNTY through the Rockwall County Criminal District Attorney intends to hold multiple "No Refusal Weekends" during the course of the year wherein warrants will be sought to draw blood from individuals suspected of driving while intoxicated who have refused to provide a breath or blood sample; and

WHEREAS, the CITY through its municipal court has the authority to issue evidentiary warrants in the State of Texas under certain conditions; and

WHEREAS, the CITY desires to make a municipal judge available to review, consider and sign, if appropriate, evidentiary warrants to obtain blood samples from individuals in Rockwall County suspected of driving while intoxicated during the periods set forth in this Agreement; and

WHEREAS, it is in the best interest of the citizens of Rockwall County to hold "No Refusal Weekends"; and

WHEREAS, both the COUNTY and CITY desire to enter into an Interlocal Cooperation Agreement, pursuant to Texas Government Code Chapter 791.011 (a), whereby the COUNTY and the CITY will agree upon the terms of said written agreement;

NOW, THEREFORE, the COUNTY and the CITY mutually agree as follows:

I.
TERM OF AGREEMENT

A. The COUNTY and the CITY mutually agree that the term of this Agreement shall be for one (1) year commencing on the date it is formally and duly executed by both the COUNTY and the CITY.

B. During the term of this Agreement the COUNTY shall perform the "No Refusal Weekend" on four occasions as follows:

(1) New Year's Day – 12:01 a.m. December 30, 2015 through 5:00 p.m. January 4, 2016;
(2) Memorial Day – 12:01 a.m. May 27, 2016 through 5:00 p.m. May 31, 2016;
(3) Independence Day – 12:01 a.m. July 1, 2016 through 5:00 p.m. July 5, 2016; and
(4) Labor Day – 12:01 a.m. September 2, 2016 through 5:00 p.m. September 6, 2016.

C. Notwithstanding the foregoing, this Agreement may be terminated by either party by giving thirty (30) days' written notice of intent to terminate this Agreement to the other party. Any notice of intent to terminate must be delivered by deposit in the United States mail, certified, return mail receipt requested, to the other party at the addresses set out herein. Upon termination of this Agreement, neither party will have any obligations to the other party under this Agreement, except with respect to payment for services already rendered under this Agreement, but not yet paid.

II.
COUNTY RESPONSIBILITIES

The COUNTY will pay the CITY at a rate of $120.00 an hour for a total amount not to exceed $2500.00 for each of the aforementioned "No Refusal Weekend" periods, for the services of Judge Cathy Mason Penn and Associate Judge David Mallard to review, consider and sign, if appropriate, evidentiary warrants to obtain blood samples from individuals suspected of driving while intoxicated during the "No Refusal Weekend" periods. Payment of the judge's fee is specifically not made contingent upon approval of the warrant by the judge.

III.
CITY RESPONSIBILITIES

The CITY through Municipal Judge Cathy Mason Penn and Associate Municipal Judge David Mallard shall review, consider and sign, if appropriate, evidentiary warrants to obtain blood samples from individuals suspected of driving while intoxicated during the "No Refusal Weekend" periods. The CITY agrees that Judge Penn and Judge Mallard will be available to provide these services at times to be scheduled at a later date during the "No Refusal Weekend" periods. The CITY further agrees to submit an invoice to the COUNTY (c/o the Rockwall County Auditor) for the services provided by the Judge. Payment shall be made 30 days after receipt of the invoice by the Rockwall County Auditor.

IV.
GENERAL PROVISIONS

A. **General Administration:**
The COUNTY and the CITY will designate their respective representatives for the general administration of this Agreement.

B. **Alteration, Amendment or Modification:**
This Agreement may not be altered, amended, or modified except in writing signed by all parties to this Agreement.

C. **Notice:**
All notices sent pursuant to this Agreement will be in writing and must be sent by registered or certified mail, postage prepaid, return-receipt requested.

Notices sent pursuant to this Agreement will be sent to the Rockwall County Judge's Office at the following address:

County Judge
Rockwall County Judge's Office
101 East Rusk, Room 202
Rockwall, Texas 75087

Notices sent pursuant to this Agreement may be delivered or sent to the City at the following address:

Rick Crowley
City Manager of Rockwall
385 South Goliad Street
Rockwall, Texas 75087

When notices sent pursuant to this Agreement are mailed by registered or certified mail, notices will be deemed effective three (3) days after deposit in a U.S. mail box or at a U.S. postal office.

D. **Severability:**
If any provision of this Agreement is found to be invalid, illegal, or unenforceable, such invalidity, illegality, or unenforceability will not affect the remaining provisions of this Agreement.

E. **Breach:**
The failure of either party to comply with the terms and conditions of this Agreement will constitute a breach of this Agreement. Either party will be entitled to any and all rights and remedies allowed under Texas law for any breach of this Agreement by the other party.

F. **Non-Waiver:**
The waiver by either party of a breach of this Agreement will not constitute a continuing waiver of such breach or of a subsequent breach of the same or a different provision. Nothing in this Agreement is intended by wither party to constitute a waiver of any immunity from suit or liability to which it is entitled under applicable law.

G. **Entire Agreement:**
This Interlocal Cooperative Agreement constitutes the entire Agreement between the COUNTY and the CITY. No other agreement, statement, or promise relating to the subject matter of this Agreement and which is not contained in this Agreement or incorporated by reference in this Agreement will be valid or binding.

H. **Terms used in Document:**
As used in this Agreement, the terms "Interlocal Cooperation Agreement", "Interlocal Agreement", "Agreement", and "Contract" are synonymous.

I. **Non-Defined Terms:**
If not specifically defined in this Agreement, words and phrases used in this Agreement will have their ordinary meaning as defined by common usage.

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **November 30, 2015**

SUBJECT: **S.H. 276 Water and Sanitary Sewer Relocations**

S.H. 276 from S.H. 205 to east of FM 549/Corporate Crossing is an existing two lane asphalt roadway with bar ditches. The roadway is maintained by the Texas Department of Transportation (TxDOT). This project will be reconstructed to a four lane divided concrete reinforced roadway with the ability to expand to a six lane roadway at a later date when traffic volumes increase. The roadway construction will be funded by TxDOT and Rockwall County and is scheduled to be constructed in 2018.

As a part of any roadway reconstruction project, the franchised utilities and City-owned utilities must be relocated to avoid any conflict with the new construction. The City has been reviewing our existing water and sanitary sewer facilities to determine the extent of conflicts with the roadway construction. Staff has requested our utilities consultant (Birkhoff, Hendricks & Carter, LLP) to enter into a Professional Engineering Services Contract to perform the design to relocate several water and sanitary sewer line conflicts throughout the project limits. They have submitted a proposal to perform this design work in an amount not to exceed $72,800. Funding will be provided by the 2016 Water & Sewer Bond sales.

Staff request City Council consideration to approve a Professional Engineering Services Contract with Birkhoff, Hendricks & Carter, LLP in the amount not to exceed $72,800 to prepare engineering design plans and specifications for the utility relocations in SH 276 from SH 205 to FM 549 and take any action necessary.

STATE OF TEXAS ♦

♦

COUNTY OF ROCKWALL ♦

PROFESSIONAL ENGINEERING SERVICES CONTRACT

S.H. 276 Water and Sanitary Sewer Relocations

This Agreement is made and entered into in Rockwall County, Texas, between City of Rockwall, Texas ("CITY"), a municipal corporation and political subdivision of the State of Texas, acting by and through its City Manager and Birkhoff, Hendricks & Carter, LLP, ("ENGINEER"), located at 11910 Greenville Ave, Suite 600 Dallas, Texas, Engineers duly licensed and practicing under the laws of the State of Texas.

WHEREAS, CITY desires to engage Engineer as an independent contractor to render certain technical and professional services necessary for performing:

PROFESSIONAL ENGINEERING SERVICES for S.H. 276 Water and Sanitary Sewer Relocations.

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements contained herein, the Parties hereby agree as follows:

1. Scope of Work

Engineer agrees to perform professional engineering services as specifically defined in this Contract as Exhibit "A" and as authorized by CITY. Specifically, Engineer shall perform Professional services as requested by CITY and detailed in Exhibit "A".

The Parties by mutual agreement through contract amendments may provide for additional technical and professional services to be performed under the basic general terms and conditions of this Contract. CITY reserves the right to enter into another agreement with other engineering firms to provide the same or similar professional services during the term of this Contract for different projects.

2. Compensation & Term of Agreement

Cost for such services will be a not to exceed amount of Seventy Two Thousand Eight Hundred dollars ($72,800.00) and billed on a lump sum basis for Basic Services and on an hourly basis per rates for Special Services provided in Attachment "B". Engineer is not authorized to perform any work beyond the limited not to exceed amount without authorized written approval by CITY.

The term of this Agreement shall commence upon execution of this agreement and follow the schedule described in Exhibit "C". In the event of termination, Engineer will assist the CITY in arranging a smooth transition process. However, Engineer's obligation to provide services to the CITY will cease upon the effective date of termination, unless otherwise agreed in writing.

3. Method of Payment

CITY shall pay Engineer its fees based on the presentation by Engineer to CITY of a correct monthly statement for all the amounts earned under the Contract together with reasonable supporting documentation verifying the accuracy of the fees and expenses. CITY shall then pay Engineer its fee within thirty (30) days after presentation of the accurate monthly statement by Engineer to CITY. CITY is a State sales and use tax exempt political subdivision of the State of Texas. All records supporting payment shall be kept in the offices of Engineer for a period of not less than three (3) years and shall be made available to CITY for inspection, audit or copying upon reasonable request.

4. Engineer's Standard of Care

Engineer shall provide its services under this Contract with the same degree of care, skill and diligence as is ordinarily provided by a professional Engineer under similar circumstances for a similar project. Engineer represents that it has the capability, experience, available personnel, and means required to perform the services contemplated by this Contract. Services will be performed using personnel and equipment qualified and/or suitable to perform the work requested by the CITY. CITY retains the right to report to Engineer any unsatisfactory performance of Engineer personnel for appropriate corrective action. Engineer shall comply with applicable federal, state, and local laws in connection with any work performed hereunder.

Engineer will seek written CITY approval to accept any contract or perform any services for any person, entity, or business that has an agreement or is in negotiations of an agreement with CITY. CITY may waive this conflict, but such waiver is at CITY's sole discretion and its decision shall be final.

5. Ownership of Documents

As part of the total compensation which CITY has agreed to pay Engineer for the professional services to be rendered under this Contract, Engineer agrees that hard copies of all finished and unfinished documents, data, studies, surveys, drawings, specifications, field notes, maps, models, photographs, preliminary reports, reports, bid packet/construction contract documents/advertisement for bids incorporating any CITY standard provisions provided by Engineer, will remain the property of the CITY. Engineer will furnish CITY with paper and electronic copies, to the extent they are available, of all of the foregoing to facilitate coordination,

however, ownership of the underlying work product shall remain the intellectual property of the Engineer. Engineer shall have the right to use such work products for Engineer's purposes. However, such documents are not intended to be suitable for reuse by CITY or others on extension of the Project or on any other project. Any reuse without the express written consent of the Engineer will be at reuser's sole risk and without liability or legal exposure to the Engineer, and CITY to the extent allowed by law, shall hold harmless the Engineer from all claims, damages, losses, expenses, and costs, including attorneys' fees arising out of or resulting from the reuse of said documents without the Engineer's consent. The granting of such consent will entitle the Engineer to further compensation at rates to be agreed upon by CITY and the Engineer. The above notwithstanding, Engineer shall retain all rights in its standard drawing details, designs, specifications, databases, computer software and any other proprietary and intellectual property information provided pursuant to this Contract, whether or not such proprietary information was modified during the course of providing the services.

6. Insurance

A. Engineer agrees to maintain Worker's Compensation and Employer's Liability Insurance to cover all of its own personnel engaged in performing services for CITY under this Contract in at least the following amounts:

Workmen's Compensation – Statutory
Employer's Liability – $100,000.00
Bodily Injury by Disease - $500,000 (policy limits)
Bodily Injury by Disease - $100,000 (each employee)

B. Engineer also agrees to maintain Commercial General Liability, Business Automobile Liability, and Umbrella Liability Insurance covering claims against Engineer for damages resulting from bodily injury, death or property damages from accidents arising in the course of work performed under this Contract in not less than the following amounts:

$2,000,000.00 General aggregate limit

$1,000,000.00 each occurrence sub-limit for all bodily injury or property damage incurred all in one occurrence

$1,000,000.00 each occurrence sub-limit for Personal Injury and Advertising

C. Engineer shall add CITY, its City Council members and employees, as an additional insureds on all required insurance policies, except worker's compensation, employer's liability and errors and omissions insurance. The Commercial General Liability Policy and Umbrella Liability Policy shall be of an "occurrence" type policy.

D. Engineer shall furnish CITY with an Insurance Certificate on the date this Contract is executed and accepted by CITY, which confirms that all above required insurance policies are in full force and effect.

E. Engineer agrees to maintain errors and omissions professional liability insurance in the amount of not less than one million dollars ($1,000,000) annual aggregate, on a claims made basis, as long as reasonably available under standard policies.

7. **INDEMNIFICATION**

ENGINEER SHALL INDEMNIFY AND SAVE HARMLESS THE CITY AND ITS CITY COUNCIL MEMBERS AND EMPLOYEES FROM SUITS, ACTIONS, LOSSES, DAMAGES, CLAIMS, OR LIABILITY, INCLUDING WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, ALL EXPENSES OF LITIGATION, COURT COSTS, AND REASONABLE ATTORNEY'S FEES FOR INJURY OR DEATH TO ANY PERSON, OR INJURY TO ANY PROPERTY, RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY, TO THE EXTENT CAUSED BY THE NEGLIGENT ACTS OF ENGINEER OR ITS AGENTS OR EMPLOYEES, IN THE EXECUTION OF PERFORMANCE OF THIS CONTRACT.

ENGINEER'S TOTAL LIABILITY TO CITY FOR ANY LOSS OR DAMAGES FROM CLAIMS ARISING OUT OF, OR IN CONNECTION WITH, THIS CONTRACT FROM ANY CAUSE INCLUDING ENGINEER'S STRICT LIABILITY, BREACH OF CONTRACT, OR PROFESSIONAL NEGLIGENCE, ERRORS AND OMISSIONS SHALL NOT EXCEED ONE MILLION DOLLARS ($1,000,000.00). NEITHER PARTY TO THIS AGREEMENT SHALL BE LIABLE TO THE OTHER PARTY OR ANY THIRD PARTY CLAIMING THROUGH THE OTHER RESPECTIVE PARTY, FOR ANY SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE, LIQUIDATED, DELAY OR CONSEQUENTIAL DAMAGES OF ANY KIND INCLUDING BUT NOT LIMITED TO LOST PROFITS OR USE OF PROPERTY, FACILITIES OR RESOURCES, THAT MAY RESULT FROM THIS AGREEMENT, OR OUT OF ANY GOODS OR SERVICES FURNISHED HEREUNDER.

8. Addresses for Notices and Communications

CITY
Mary Smith
City of Rockwall
385 S. Goliad
Rockwall, Texas 75087

Engineer
Matt Hickey, P.E.
Birkhoff, Hendricks & Carter, LLP
11910 Greenville Ave. Suite 600
Dallas, Texas 75243

All notices and communications under this Contract shall be mailed or delivered to CITY and Engineer at the above addresses.

9. Successors and Assigns

CITY and Engineer each binds itself and its successors, executors, administrators and assigns to the other parties of this Contract and to the successors, executors, administrators and assigns of such other parties, in respect to all covenants of this Contract. Except as noted in the first part of this Paragraph, neither CITY nor Engineer shall assign, sublet or transfer its interest in this Contract without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer, council member, employee or agent of any public body which is a party hereto.

10. Termination for Convenience of the Parties

Engineer and CITY may terminate this Contract for their convenience at any time by giving at least thirty (30) days notice in writing to each other. If the Contract is terminated by CITY and/or Engineer as provided herein, Engineer will be paid for the Work provided and expenses incurred up to the termination date, if such final compensation is approved by CITY, in its sole discretion. If this Contract is terminated due to the fault of Engineer, Paragraph 10 hereof, relative to Termination for Cause, shall apply.

11. Changes

CITY may, from time to time, request changes in the Scope of Work of Engineer to be performed hereunder. Such changes, including any increase or decrease in the amount of Engineer's compensation, or time for performance, which are mutually agreed upon by and between CITY and Engineer, shall be incorporated in written amendments to this Contract. Any subsequent contract amendments shall be executed by the City Manager or other authorized representative as designated by the City Manager or City Council.

Any alterations, additions or deletions to the terms of this Contract, including the scope of work, shall be by amendment in writing executed by both CITY and Contractor.

13. Reports and Information

Engineer, at such times and in such forms as CITY may reasonably require, and as specified in the Scope of Work or in additional Contract Amendments shall furnish CITY periodic reports pertaining to the Work or services undertaken pursuant to this Contract, the cost and obligations incurred, or to be incurred in connection therewith, and any other matter covered by this Contract.

14. Entire Agreement

This Contract and its Exhibits and any future Contract Amendments constitute the entire agreement, and supersede all prior agreements and understandings between the parties concerning the subject matter of this Contract.

15. Waiver

The failure on the part of either party herein at any time to require the performance by the other party, of any portion of this Contract, shall not be deemed a waiver of, or in any way affect that party's rights to enforce such provision, or any other provision. Any waiver by any party herein of any provision hereof, shall not be taken or held to be a waiver of any other provision hereof, or any other breach hereof.

16. Severability

The invalidity or unenforceability of any provision of this Contract shall not affect the validity or enforceability of any other provision of this Contract.

17. Survival

Any and all representations, conditions and warranties made by Engineer under this Contract are of the essence of this Contract and shall survive the execution, delivery and termination of it.

18. Governing Powers and Law

Both Parties agree and understand that the City does not waive or surrender any of its governmental powers by execution of this Agreement. To that end, the parties further understand that this agreement shall not be considered a contract for goods or services under Texas Local Government Code, Section 271.151 and Contractor waives any right or entitlement granted said provisions. This Contract is governed by the laws of the State of Texas and all obligations of the parties under this Contract are performable in Rockwall County, Texas.

19. Attorney's Fees

If it is necessary for either Party herein to file a cause of action at law or in equity against the other Party due to: (a) a breach of this Contract by the other Party and/or (b) any intentional and/or negligent act or omission by the other Party arising out of this Contract, the non-breaching or non-negligent Party shall be entitled to reasonable attorney's fees and costs, and any necessary disbursements, in addition to any other relief to which it is legally entitled.

20. State or Federal Laws

This Contract is subject to all applicable federal and state laws, statutes, codes, and any applicable permits, ordinances, rules, orders and regulations of any local, state or federal government authority having or asserting jurisdiction, but nothing contained herein shall be construed as a waiver of any right to question or contest any such law, ordinance, order, rule or regulation in any forum having jurisdiction.

EXHIBIT "A"

GENERAL PROJECT DESCRIPTION

Prepare plans and specifications for water and sanitary sewer utility relocations along S.H. 276 from S.H. 205 to FM 549. The previously determined locations include:

Project No.	*Location*	*Project No*	*Location*
1	S.H. 276 at S.H. 205 (Sids Road)	2	S.H. 276 at Graystone Drive North
3	S.H. 276 at Graystone Drive South	4 & 5	S.H. 276 at TL Townsend
6	S.H. 276 at TL Townsend	7	S.H. 276 at Wildrose Drive
8	S.H. 276 – North Side Between Wildrose & John King	9	20-inch Water Line on North Side of S.H. 276 at Proposed Culvert
10	12-inch Water Line on South Side of S.H. 276 at Proposed Culvert	11	S.H. 276 at John King
12	S.H. 276 Sta 68+00 (10" Water Line)	13 & 14	S.H. 276 at Trail Glen
15	S.H. 276 at Culvert 4	16 & 17	S.H. 276 Sta. 81+00 (8" & 12")
18	S.H. 276 at Sta. 100+75 Culvert 5	19	S.H. 276 at FM 549 Intersection

PART A DESIGN

1. Attend design kick-off meeting with the City.
2. Coordinate with City and CH2M Hill (TXDOT Consultant) to obtain latest TXDOT electronic plans for S.H. 276 improvements. Electronic Files will be utilized as the basis of the utility relocation sheets.
3. Prepare construction plan cover sheet, location map and sheet index.
4. Preparation of construction Plan-Profile sheets prepared at a scale of not less than 1" = 40' for each of the nineteen relocation projects.
5. Include proposed TXDOT storm sewers in profiles.
6. Submit two sets of 60% preliminary plans (11" x 17" maximum sheet size), bid schedule and technical specifications for the City review. Submit one set of 60% preliminary plans (11" x 17" maximum sheet size) to TXDOT for review.

7. Meet with the City of Rockwall to discuss the City's and TXDOT's review comments.

8. Prepare bid schedule and technical specifications for inclusion into City construction contract and specifications.

9. Submit two sets of 90% preliminary plans (11" x 17" maximum sheet size), bid schedule and technical specifications for the City review. Submit one set of 90% preliminary plans (11" x 17" maximum sheet size) to TXDOT.

10. Meet with the City of Rockwall to discuss the City's and TXDOT's comments.

11. Revise and finalize 90% plan sheets and technical specifications, incorporating City comments.

12. Formulate opinion of probable construction cost based on final plans.

13. Prepare final bid documents including bid proposal forms, construction plans and technical specifications. Contract documents, general conditions and special conditions will be provided by City of Rockwall.

14. Conduct an interoffice quality assurance and quality control review of the construction plans and specifications prior to advertising the project for bidding.

15. Send plans to utility companies present in the relocation areas.

PART B **BIDDING PHASE**

1. Assist the City of Rockwall staff in advertising for bids. This will include providing City with Notice to Contractors for their use in publicly advertising project. Birkhoff, Hendricks & Carter L.L.P. will e-mail notices to Publishers and to Contractors experienced in utility construction.

2. Sell bidding documents to potential proposers, suppliers and other parties. Maintain a log of the plan holders.

3. Assist City of Rockwall during opening of proposals and provide bid tabulation summary sheets.

4. Provide bid tabulation to City and contractors (by email) who submit bids.

5. Check references provided for apparent low bidder.

PART C **CONSTRUCTION PHASE**

1. Attend City's Pre-Construction Conference at City facilities.

2. Attend up to six construction coordination meetings with the contractor, quality control personnel and City representatives to discuss strategy, problem areas, progress, and any required coordination.

3. Review shop drawings and other submittal information which the Contractor submits. This review is for the benefit of the Owner and covers only general conformance with information given by the Contract Documents. The contractor is to review and stamp their approval on submittals prior to submitting to the Engineer. Review of shop drawing submissions is solely for their conformance with the design intent and conformance with information given in the construction documents. Birkhoff, Hendricks & Carter L.L.P. shall not be responsible for any aspects of a shop drawing submission that affect or are affected by the means, methods, techniques, sequences and operation of construction, safety precautions and programs incidental thereto, all of which are the Contractors responsibility. Electronic pdf copies of acceptable shop drawings will be provided to the City.

4. Provide written responses to requests for information or clarification.

5. Prepare routine change orders.

6. Accompany the City during their final inspection of each project.

7. Recommend acceptance of work based on information from City's on-site representative for each project.

8. Prepare record drawings utilizing City and Contractor construction record information. Provide record drawings to the City in pdf format.

PART D SPECIAL SERVICES

1. Field Survey for Design and Construction

   a. Establish a horizontal and vertical control network and project control baseline for the project based on TXDOT S.H. 276 control. Field surveys will be completed with GPS and Total Station equipment.

   b. Horizontal and vertical location of the existing facilities, including existing pavement, fences, and utility appurtenances such as water valves, fire hydrants and manholes

   c. Recipients of professional land surveying services under this agreement may direct complaints regarding such services to the Texas Board of Professional Land Surveying, 12100 Park 35 Circle, Building A, Suite 156, MC 230, Austin, TX 78753, Phone (512) 239-5263, Fax (512) 239-5253.

2. Reproduction

a. Furnish 3-sets of 60% and 3-sets of 90% preliminary plans (11" X 17") and specifications for review by the City and TXDOT (6 Sets Total).

b. After award of a construction contract by the City, furnish. 10-sets of (11" X 17") conformed plans and specifications to the City for each project. Five sets for the City's use during construction and five sets for the contractor during construction.

3. Easement Plat & Field Note Descriptions

a. Prepare two easement plat and field note descriptions.

PART E EXCLUSIONS

Services specifically excluded from the scope of services include, but are not necessarily limited to the following:

1. Providing an on-site representative.
2. Environmental impact statements and assessments.
3. Fees for permits or advertising.
4. Certification that work is in accordance with plans and specifications.
5. Environmental cleanup.
6. Quality control and testing services during construction.
7. Phasing of Contractors work.
8. On-site safety precautions, programs and responsibility.
9. Fiduciary responsibility to the City.

EXHIBIT "B"

PAYMENT SCHEDULE FOR BASIC SERVICES

Compensation for basic engineering services under Exhibit A, Part A, B and C, shall be on a lump sum basis. The tabulation below establiS.H.es the not to exceed amount for each category of contract service:

	Total Basic Services:		Manhour Breakdown	Percentage of Basic Services
Basic Services	Part I	Design	$31,000	56.7%
	Part II	Bidding Phase	$4,700	8.6%
	Part III	Construction Administration	$19,000	34.7%
		BASIC SERVICES TOTAL:	**$54,700**	**100.0%**

PAYMENT SCHEDULE FOR SPECIAL SERVICES

Compensation for engineering services under Exhibit A, Part D, Special Services, shall be at salary cost times 2.40, with expenses at actual invoice amount times 1.15. Field Survey Crew rate is $155.00 per hour and mileage is charged at current IRS rates.

Additional Services	Survey (Design, Boundary and Construction Surveys)	$	9,900.00	Crew Rate
	Preparation of ROW Documents	$	7,200.00	Hourly
	Printing of Plans and Specifications	$	1,000.00	Expense
	Additional Services Total:	**$**	**18,100.00**	

Invoices will be posted monthly based upon estimate of work complete for Lump Sum and hourly for Special Services plus expenses. Payment is due upon receipt of invoice.

Not to exceed amount for Basic and Special Services is $72,800.00.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **November 30, 2015**

SUBJECT: **Sanitary Sewer System Professional Service Contract**

The Environmental Protection Agency (EPA) performed an on-site inspection on the City of Rockwall Wastewater Collection System operations and maintenance on March 5, 2015. This inspection was performed for most of the Member Cities of the North Texas Municipal Water District (NTMWD) that send wastewater effluent to their treatment plants. EPA completed their inspections and is evaluating the proper action to be taken against each inspected entity including NTMWD. During discussions with the EPA and NTMWD, EPA is strongly encouraging each entity to prepare a CMOM Plan. CMOM is an acronym for Capacity, Management, Operations and Maintenance. CMOM is a written tool to evaluate the current management, operations and maintenance programs of the wastewater collection system. While CMOM is not an infrastructure or engineering assessment, it serves as an evaluation of programs the City carries out regularly to meet the needs of the public. Another task of the CMOM Plan is the development of a work plan to address program deficiencies.

Staff requested a Professional Services Contract with Pipeline Analysis, LLC to perform a CMOM Self-Audit and Plan to address concerns of the EPA related to our wastewater collection system. This work can be completed within four months from the notice-to-proceed at a cost of $29,235. Funding will be provided by the 2016 Water & Sewer Bond sales.

Staff request City Council consideration to approve a Professional Services Contract with Pipeline Analysis, LLC to perform a Capacity, Management, Operations and Maintenance Self-Audit and Plan in an amount of $29,235 and take any action necessary.

CONTRACT FOR PROFESSIONAL ENGINEERING SERVICES

THIS CONTRACT made and entered into on the date last stated below between the _____., hereinafter called "Client" and Pipeline Analysis, LLC hereinafter called "ENGINEER", acting by and through James H. Forbes, Jr., P.E. (Project Manager) duly authorized to so act on behalf of the ENGINEER.

WHEREAS, the CLIENT desires Professional Engineering Services in connection with the preparation of a Capacity, Management, Operation and Maintenance (CMOM) Plan Report hereinafter called "the PROJECT"; and

WHEREAS, the CLIENT has determined that the ENGINEER has experience in the area involved in the Project and is qualified to perform the work, and the ENGINEER is willing to enter into a contract with CLIENT to perform the engineering services desired by CLIENT in connection with the PROJECT.

CLIENT AND ENGINEER AGREE AS FOLLOWS:

CLIENT hereby retains the ENGINEER to perform engineering services in connection with the PROJECT described above.

1. DETAILED SCOPE OF SERVICES

The scope of engineering services to be performed by the ENGINEER shall be as set out in Exhibit A attached.

2. CLIENT'S RESPONSIBILITIES

So as not to delay the services of ENGINEER, the CLIENT will provide the following in a timely manner. Engineer will schedule a site visit to gather available information for inclusion in the CMOM Plan report.

Provide Existing Data - CLIENT will provide to ENGINEER at no cost applicable reports and data including the following (if available):

A. Provide access to key City staff as necessary for interviews
B. Population trend for past 10 years
C. Annual flow trend for past 10 years
D. Collection system asset summary
E. Customer complaints by category (for last 5 years)
F. Number of Stoppages on public system (for last 5 years)
G. Number of stoppages on private system (for last 5 years)
H. SSO historical database spreadsheet including cause (Rain, grease, roots, obstruction, collapse, privately owned or municipal)

I. SSO reports to TCEQ and EPA if applicable
J. Feet of sewer cleaned per year
K. Feet of sewer CCTV'd per year
L. Repairs by CITY crews to system
M. Repairs by outsourced contractor
N. Average response time to SSO or customer complaint
O. List of CIP Projects in 2015
P. List of CIP 5 year plan
Q. SSO Response Plan (if available)
R. FOG program status and inspection summary
S. FOG Manual (if available)
T. Lift Station Summary of Maintenance
U. Current Organizational Chart and detailed staffing job descriptions
V. Equipment inventory summary
W. Safety manual (if available)
X. Training and safety completed in 2014 including CEU's by employee
Y. If requested, furnish copies or provide access to overflow records, maintenance records, etc.

Existing data delivered to the ENGINEER by the CLIENT remains the property of the CLIENT and must be returned to the CLIENT after completion of the PROJECT.

3. PROVIDE STANDARDS

Not Applicable

4. PROVIDE ACCESS

Arrange for access to, and make all provisions for, ENGINEER to perform services under this AGREEMENT.

5. CLIENT REPRESENTATIVE

CLIENT shall designate a representative to act as a contact person on behalf of the CLIENT.

6. *SCHEDULE*

The ENGINEER'S services shall be performed in a timely manner consistent with sound professional practices. ENGINEER understands that coordination with CLIENT staff will be required during the course of this work. The ENGINEER will complete the work according to the following schedule:

ACTIVITY	***Start/End Day***
Anticipated Notice To Proceed	1
Task 1 - Preliminary Phase	1/14
Task 2 - CMOM Interviews/Analysis	15/45
Task 3 – CMOM Plan Pre-submittal Report	46/90
Task 4 - CMOM Plan Final Submittal Report	90-120

The time limits set forth in the schedule shall include allowances for reasonable and expected review time by the CLIENT and approval by authorities having jurisdiction over the PROJECT, and shall not be allowed as cause for delay or adjustments to the schedule. Delays in the critical path caused by review times by the CLIENT or a permitting agency exceeding those anticipated by the ENGINEER'S schedule are cause for adjustments in the schedule. Any adjustments made to the agreed upon schedule shall be made in writing and acceptable to both parties.

The ENGINEER shall begin work immediately upon receipt of the executed CONTRACT and/or verbal written Notice to Proceed.

7. *COMPLETION OF SERVICES*

ENGINEER'S services under each item of the finalized Scope of Work shall be considered complete on the date when the submissions for that item have been accepted by CLIENT.

8. *CHANGES*

If the CLIENT requests significant modifications or changes in the Scope of Services, general scope, extent or character of the PROJECT, the time of performance of ENGINEER'S services, the various rates of compensation and schedule shall be adjusted equitably.

9. *WRITTEN AUTHORIZATION FOR ADDITIONAL WORK*

Any provision in this CONTRACT notwithstanding, it is specifically understood and agreed that the ENGINEER shall not authorize or undertake any work pursuant to this CONTRACT which would require the payment of any fee, expense or reimbursement in

addition to the fees stipulated in Section 10 (Payment for Services) of this CONTRACT, without first having obtained the specific written authority to do so from CLIENT.

10. PAYMENT FOR SERVICES

Terms used in describing the applicable method of payment for services provided by the ENGINEER shall have the meaning indicated below:

Basic Engineering Fee:

Basic Engineering Fee shall mean those expenses incurred by the ENGINEER in prosecuting the PROJECT Scope of Services. Basic Engineering Fee shall be a lump sum not to exceed $29,235.

Reimbursable Expenses - Not applicable

Additional Services

Additional services **not** covered under the Scope of Services, will be provided to the CLIENT on an hourly basis plus reimbursable expenses as agreed in writing at the time such services are authorized.

These services will be billed monthly based on the unit prices for quantities actually performed. Total compensation will not exceed $29,235 without CLIENT authorization.

11. BASIS AND AMOUNT OF COMPENSATION FOR ADDITIONAL SERVICES

CLIENT authorized additional services beyond the services specified in Exhibit A will be at the then current unit prices and/or lump sum prices provided by Pipeline Analysis, LLC and approved by CLIENT.

12. PARTIAL PAYMENTS FOR SERVICES

Partial fee payments may be applied for at monthly intervals, based upon statements which reflect the percentage of work completed and/or units completed for the various items listed under Scope of Services, and/or Additional Services. These statements shall be prepared by the ENGINEER and must be verified and approved by CLIENT.

13. DELAY

If ENGINEER'S services are delayed or suspended in whole or in part by the CLIENT for more than one year for reasons beyond ENGINEER'S control the various rates of compensation, including Additional Services, provided for elsewhere in this CONTRACT shall be subject to equitable adjustment.

14. TERMINATION, SUSPENSIONS OR ABANDONMENT

Termination

The CLIENT or the ENGINEER may terminate this CONTRACT for reasons identified elsewhere in this CONTRACT. In the event such termination becomes necessary, the party effecting termination shall so notify the other party, and termination will become effective thirty (30) calendar days after receipt of the termination notice. Irrespective of which party shall effect termination or the cause therefore, CLIENT shall within thirty (30) calendar days of termination remunerate ENGINEER for services rendered and costs incurred, in accordance with the ENGINEER'S prevailing fee schedule and expense reimbursement policy. Services shall include those rendered up to the time of termination. All plans, field survey, and other data related to the PROJECT shall become the property of CLIENT upon termination of the CONTRACT and shall be promptly delivered to CLIENT in a reasonably organized form. Should CLIENT subsequently contract with a new Engineer for continuation of services on the PROJECT, ENGINEER shall cooperate in providing information. No amount shall be due for lost or anticipated profits.

Suspension

If the Project is suspended by CLIENT for more than 30 consecutive days, the ENGINEER shall be compensated for services performed prior to notice of such suspension. When the Project is resumed, the ENGINEER'S compensation shall be equitably adjusted to provide for expenses incurred in the interruption and resumption of the ENGINEER'S services.

Abandonment

This CONTRACT may be terminated by CLIENT upon not less than seven (7) days written notice to the ENGINEER in the event that the Project is permanently abandoned. If the Project is abandoned by CLIENT for more than ninety (90) consecutive days, the ENGINEER or CLIENT may terminate this CONTRACT by giving written notice.

Failure to Pay

Failure of CLIENT to make payments to the ENGINEER in accordance with this CONTRACT shall be considered substantial nonperformance and cause for termination.

If CLIENT fails to make payment to ENGINEER within thirty (30) days of a statement for services properly performed, the ENGINEER may, upon fourteen (14) days written notice to CLIENT, suspend performance of services under this CONTRACT. Unless ENGINEER receives payment in full within fourteen (14) days of the date of the notice, the suspension shall take effect without further notice. In the event of a suspension of services under this section, the ENGINEER shall have no liability to CLIENT for delay or damage caused CLIENT because of such suspension of services.

15. GENERAL CONSIDERATIONS

a. Professional Standards

Services performed by the ENGINEER under this CONTRACT will be conducted in a manner consistent with that level of care and skill ordinarily exercised by members of the profession currently practicing in the same locality under similar conditions. The ENGINEER shall comply with the applicable laws and rules of the current Texas Engineering Practice Act. CLIENT's approval, acceptance, use of or payment for all or any part of the ENGINEER'S services herein under or of the project itself shall in no way alter the ENGINEER'S obligations or CLIENT'S rights thereunder.

b. Progress and Performance

The provisions of this CONTRACT and the compensation to ENGINEER have been agreed to in anticipation of continuous and orderly progress through the completion of the ENGINEER'S services. Time for performance shall be extended to the extent necessary for delays due to circumstances over which the ENGINEER has no control. If the ENGINEER'S services are suspended or delayed the times of performance shall be extended to the extent of such delay or suspension. A delay or suspension shall not terminate this CONTRACT unless ENGINEER elects to terminate in accordance with the provisions of Section 14 of this CONTRACT. If a delay or suspension extends for a period of greater than one year for reasons beyond the control of the ENGINEER, the fees and rates of compensation set forth in Section 10 shall be subject to re-negotiating.

c. CLIENT Control

It is understood and agreed that CLIENT shall have complete control of the services to be rendered, and that no work shall be done under this CONTRACT until the ENGINEER is instructed to proceed with the work.

d. Independent Agent

ENGINEER and CLIENT agree that ENGINEER and any officer, employee or agent of ENGINEER, in the performance of this CONTRACT shall act in an independent capacity and not as an officer, agent or employee of CLIENT.

e. Compliance with Laws

ENGINEER shall comply with all Federal, State, and local laws and ordinances in the execution of all work in connection with this PROJECT.

f. No Additional Work Without Authorization

Any provision in the CONTRACT notwithstanding, it is specifically understood and agreed that the ENGINEER shall not authorize or undertake any work pursuant to this CONTRACT, which would require the payment of any fee, expense or reimbursement in addition to the fee stipulated in Article 10 of this CONTRACT, without having first obtained specific written authority therefore from CLIENT.

g. Assignment & Subcontracting

This CONTRACT shall not be assigned in whole or part without the written consent of CLIENT.

h. Indemnification

ENGINEER, its officers, agents and employees agree to indemnify, hold harmless, and defend CLIENT, at ENGINEER'S cost, its officers, agents, and employees from and against any and all claims or suits for injuries, damages, loss, or liability of whatever kind of character, arising out of or in connection with the performance by the ENGINEER of those services contemplated by the CONTRACT, based upon negligent acts or omissions of ENGINEER, its officers, agents, employees, consultants and subcontractors, whether or not caused solely by the ENGINEER, its officers, agents, employees, consultants or subcontractors or jointly with any other party.

ENGINEER agrees that he is solely responsible for the safety of himself and his employees in the performance of this CONTRACT and agrees to indemnify and hold harmless CLIENT, its officers and agents from and against any liability arising from the personal injury or death of the ENGINEER or the employees of the ENGINEER arising out of or in connection with this CONTRACT.

i. Insurance

ENGINEER shall secure and maintain insurance that will protect him from claims under the Worker's Compensation Act (statutory amounts).

ENGINEER shall secure and maintain Commercial General Liability Insurance that will protect him from claims for bodily injury, death or property damage which may arise from the performance of his services under this CONTRACT, **written on an occurrence basis**, in the following amounts:

For engineering design contracts for more than $10,000.00, insurance in an amount not less than $500,000 per occurrence and $1,000,000 annual aggregate for bodily injury or death and property damage. ENGINEER shall maintain Comprehensive Automobile Liability Insurance covering all

owned, non-owned, and hired vehicles with combined single limit coverage of $1,000,000 for bodily injury, death or property damage.

ENGINEER shall maintain, at no expense to CLIENT, a professional liability (errors and omissions) insurance policy placed with a company rated at least A-/VII by Best's Key Rating Guide, authorized to do business in Texas. This coverage must be maintained for at least two (2) years after the PROJECT is completed. Coverage must be written on an occurrence basis. However, at its sole discretion, the CLIENT may accept coverage written on a claims-made basis if the policy provides for a retroactive date equivalent to the inception date of the CONTRACT or earlier, maintained during the full term of the CONTRACT. The minimum limits of coverage shall be in the following amounts:

For engineering contracts over $50,000, insurance in an amount not less than five hundred thousand dollars ($500,000).

All policies, except Worker's Compensation and Professional Liability, shall name the CLIENT as additional insured. All policies shall contain a waiver of subrogation in favor of the CLIENT and shall require the giving of written notice to CLIENT at least thirty (30) days prior to cancellation, non-renewal or material modification of any policies, evidenced by return receipt of United States Certified Mail. ENGINEER shall furnish CLIENT with copies of said policies or certificates evidencing such coverage.

j. Property

All documents, including drawings, field notes, surveys, tracings, calculations, computer input and output, digital or computer files, etc., prepared by the ENGINEER pursuant to this contract shall become the property of CLIENT. The ENGINEER may retain copies of all documents. Any reuse of the documents shall conform to The Texas Engineering Practice Act.

k. Governing Law

This CONTRACT has been made under and shall be governed by the laws of the State of Texas. The parties agree that the performance and all matters related thereto shall be in Rockwall, Texas.

DOCUMENT EXECUTION

IN WITNESS WHEREOF, the parties have executed this CONTRACT the _____ day of _____, 2015.

By:_____
James H. Forbes, Jr., P.E. (President)

Date: October 16, 2015

SCOPE OF WORK

City of Rockwall
CMOM PLAN

BACKGROUND

The approach to the Capacity, Management, Operation and Maintenance (CMOM) Plan is organized around the City's objectives for this project:

- Reduction in Sanitary Sewer Overflows
- Cost controls and Least Cost Alternatives
- Attainment of long-term Infiltration/Inflow solutions
- Collection System Capacity Assurance
- Regulatory compliance
- Sustainability of Program Elements
- Customer satisfaction

GENERAL INFORMATION

The CMOM Plan is a guidance document that provides a central location for current City practices, standard operating procedures, responsibilities and methods that will be used to update operating procedures and monitor the effectiveness of wastewater collection system programs.

OBJECTIVES

This project will address the following objectives:

- Prepare a CMOM Plan that follows the 2005 EPA CMOM Guidance Document and addresses the key elements that relate to the City wastewater collection system
- CMOM Plan will provide for sustainability and monitoring of various program elements
- CMOM Plan will be used to monitor the effectiveness of various CMOM elements on an annual basis and revise the CMOM when applicable

BASIC SERVICES

Objectives and Background

Under this solicitation, Pipeline Analysis, LLC (Engineer) will perform engineering services for the City of Rockwall. Specific assignments to be performed by the Engineer under this solicitation include assistance to develop a Capacity, Management, Operation, and Maintenance (CMOM) Plan. These services will consist of engineering analysis to address requirements of wastewater collection system inspection, evaluation, planning, information management, training, and reporting needed for asset management and regulatory compliance related to sanitary sewer overflows (SSOs),

CMOM, and development of best management practices (BMP's) for collection system operation and maintenance (O&M). For purposes of this solicitation the wastewater collection system is considered to include gravity sewers, pump stations, force mains, and supporting services and facilities.

The CMOM Plan is intended to provide a structured plan for collection system management in order to optimize system performance, provide sustainability and develop specific plans for capital improvement and maintenance activities needed to operate, manage, and maintain collection systems to minimize SSO's.

CMOM guidelines being forwarded by EPA require that wastewater utilities: 1) properly manage, operate and maintain all parts of the collection system; 2) provide adequate capacity to convey base and peak flows; 3) take all feasible steps to stop and mitigate the impact of SSOs; 4) provide notification to affected parties in the event of an overflow; and 5) document the CMOM program.

CMOM Project Description

Development of the CMOM Plan will utilize information compiled by the City to the fullest extent possible. The program will include two parts. The first is completion of a CMOM Self-audit of current management, operating, and maintenance programs of the wastewater collection system using the information provided by the City. The CMOM audit is not an infrastructure or engineering assessment but rather an evaluation of programs the City carries out regularly to meet the needs of the public. The second is development of a work plan to address program deficiencies discovered by the audit review. The Engineer will be expected to perform the audit, facilitate the development of a written plan to address deficiencies, and report on the findings.

Initially, the Engineer will guide and assist the City through the audit process by identifying the steps needed to successfully complete the audit, identifying and assisting with data collection, helping establish performance measures for each of its operating functions, verifying data, and preparing an audit report and summary of results and recommendations. If deficiencies are discovered in the audit, as a second task the Engineer will facilitate the development of a plan to address these deficiencies. The Engineer will arrange and conduct meetings of City staff to formulate the plan. This plan is likely to include several aspects of information technology relating to documenting, reporting and sustaining the multiple CMOM operating programs to the satisfaction of regulatory agencies.

The City currently has a number of successful support programs that may need to be integrated into the overall framework of the CMOM Plan. The following program activities have been identified as having functions needed on an on-going basis as part of the program:

- Geographic Information System (GIS) - Provides an inventory of installed piping, pipe size, and material.
- Computerized Management and Maintenance System (CMMS) - used for generation of CMOM reports and tracking documents, spare part

inventories, maintenance schedules, and training records to the extent possible.

- Hydraulic Modeling - Verification of hydraulic capacity of the system.
- Planning efforts
- O&M Manuals - Review existing O&M Manuals to facilitate repairs and maintenance of equipment.
- Record Drawings and Specifications
- Computer Aided Drafting and Design (CADD) files of plans.
- Condition Assessment status including Closed-Circuit Television (CCTV) Inspections
- Supervisory Control and Data Acquisition (SCADA) - SCADA information may be used to identify pump station capacity and maintenance problems and direct preventative maintenance operations.
- Cleaning program
- SSO Reporting
- Budgeting and Accounting –Review system used for tracking of capital and O&M expenditures and costs.
- Property Accounting - Verification of total value of assets and remaining service life.
- Sanitary Sewer Evaluation Survey (SSES)
- Customer Information System (CIS)

Project Elements

The project is anticipated to include the following specific tasks or elements that will be undertaken:

1.1. Prepare CMOM Self-Audit

The Engineer shall assist the City in facilitating and completing a CMOM Self-Audit using the USEPA's Region IV CMOM Self-Audit/Self-Disclosure program and components of the USEPA SSO draft rule, including CMOM and Asset Management (AM) business practices. Development of the City's CMOM will involve participation of various departments within the City. Key individuals within the City will be identified to participate in the CMOM development.

CMOM Framework Development - The Engineer shall describe interactions with the City required to develop the CMOM framework incorporating asset management business practices where appropriate. Documentation of O&M Practices - Inspect, inventory, evaluate, and document the City's existing management, operations, and maintenance programs. Develop programs to assess the effectiveness of the City's management, operation, and maintenance of the wastewater collection system by benchmarking best work practices in the collection system and establishing performance criteria. Best work practices benchmarking will identify operational improvements in order to increase efficiency and savings, protect public health and safety, provide rapid response to the most urgent needs.

1.2. Gap Closure Plan

The consultant shall prioritize activities needed to address any deficiencies revealed in the Self-Audit and develop a Gap Closure Plan(s) in coordination with City staff and project goals. These activities may include:

- Gap Analysis Report - Determine Gaps in City programs for CMOM when compared with USEPA CMOM guidance documents. A detailed description of the gaps for each program element shall be developed and presented in the CMOM Report.
- Gap Closure Strategies - Develop strategies for addressing gaps. The report will include recommended Gap Closure Projects including resources, estimates and schedule for implementing each.
- Implementation Plan for Gap Closure - Develop an implementation plan(s) for gap closure projects including resources, budget, and schedule for implementation, if required.
- Condition Assessment Evaluation - A review and recommendation for the condition assessment program for sewer system evaluation, inspection, and rehabilitation will be evaluated. The assessments will include tracking of SSO's, infiltration and inflow (I/I) assessments, CCTV assessments, smoke testing, dye testing, capacity assessments, structural assessments, and other programs needed to assess the condition and identify defects within the existing collection system.
- Hydraulic Review – To establish capacity assurance a review of the hydraulic modeling effort will be summarized to fulfil this CMOM requirement.
- O&M Program Review including hot spot cleaning efforts and methods.
- Critical Parts Inventory - Review program to identify critical parts needed for system operation and maintenance of an adequate spare parts inventory.
- Training Review- Collection System Staff training program review. Review programs to train City staff on proper system inspection, O&M procedures, use of supporting software, record keeping, and compliance reporting.
- BMP and SSO Abatement Programs - Develop Best Management Practices (BMP) and SSO Abatement reviews. Includes documenting of current pump station flow balancing practices and other historical BMPs such as cleaning, de-rooting, televising, code enforcement, and trenchless rehabilitation, and development of recommended rerouting and control alternatives.
- Overflow Response Plan - Review the City's current Overflow Response /Lift Station power failure Response Plan and recommend

improved procedures if applicable. Prepare written plan to be incorporated into CMOM.

- Fat, Oil and Grease (FOG) Plan – Review existing FOG program and prepare written plan to be incorporated into CMOM.
- Ordinance Review - Review sewer use ordinances, grease ordinance, pre-treatment program or other legal documents needed to address pretreatment standards and to address proper installation, testing, and inspection of new and rehabilitated sewer systems.
- Compliance and Reporting Review including performance indicators to track CMOM effectiveness

1.3. Draft/Final CMOM Plan Report

Engineer will prepare one (1) hard copy and one (1) reproducible electronic copy of the Draft CMOM Plan. Review comments will be incorporated into the Final Report and five (5) copies submitted to the City along with five (5) reproducible electronic copies on DVD attached to each report. The final report will address the following major areas:

- TCEQ/EPA Reporting
- Engineering Design
- Satellite Communities
- Sewer Use Ordinances
- Organizational Structure
- Internal Communications
- Budgeting
- Training
- Safety
- Customer Service
- Equipment and Collection System Maintenance
- Equipment Parts Inventory
- Management Information System
- System Mapping
- Internal CCTV Inspection
- Sewer Cleaning
- Manhole Inspection and Assessment
- Pump Stations
- Capacity Assessment
- Tracking SSOs
- Overflow Emergency Response Plan and Lift Station Power Outage Response Plan
- FOG Plan
- Hydrogen Sulfide Monitoring & Control

SCHEDULE

The Engineer's services shall be performed in a timely manner consistent with sound professional practices.

The time limits set forth in the schedule shall include allowances for reasonable and expected review time by the CITY and approval by authorities having jurisdiction over the PROJECT, and shall not be allowed as cause for delay or adjustments to the schedule. Delays in the design critical path caused by review times by the CITY or a permitting agency exceeding those anticipated by the Engineer's schedule are cause for adjustments in the schedule. Any adjustments made to the agreed upon schedule shall be made in writing and acceptable to both parties.

The Engineer shall begin work within 10 days of receipt of the executed CONTRACT and written Notice to Proceed. The Engineer will complete the work according to the following schedule:

CMOM Plan Schedule

The entire project will be completed within 120 days of the notice to proceed. The City will provide a location for the CMOM consultant to meet and will provide access to various staff for interviews and follow-up discussions. Engineer will schedule interviews with staff, as needed, to minimize the impact on daily operations.

ACTIVITY	***Start/End Day***
Anticipated Notice To Proceed	1
Task 1 - Preliminary Phase	1/14
Task 2 - CMOM Interviews/Analysis	15/45
Task 3 – CMOM Plan Pre-submittal Report	46/90
Task 4 - CMOM Plan Final Submittal Report	90-120

COMPENSATION SUMMARY

The City shall compensate the Engineer for services performed for the City under this Contract. The total cost to perform the work outlined in this scope of services will be a lump sum not to exceed $29,235. Monthly billings will be prepared based on the percentage of project completion.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, P.E., Director of Public Works/City Engineer**

DATE: **December 4, 2015**

SUBJECT: **Stonebridge Drive Sanitary Sewer Lift Station Rehabilitation Project**

On September 8th, 2015 City Council approved Professional Engineering Services Contract with Teague, Nall and Perkins, Inc. (TNP) for the Stonebridge Drive Sanitary Sewer Lift Station Rehabilitation Project for the contract amount of $67,800. TNP estimated that the project would cost $502,000 for construction, not including long term operation and maintenance expenses of the lift station.

Upon kickoff of engineering services, City Staff (Jeremy White) reviewed the project scope and existing sanitary sewer system record drawings configuration and determined that recent improvements to NTMWD Lakeside Interceptor completed in 2011 lowered the Interceptor receiving effluent from the Stonebridge Lift Station sanitary sewer force main. This lowering of the Interceptor opened the possibility of providing a gravity flow sanitary sewer feed from Stonebridge Lift Station into the NTMWD Lakeside Interceptor. City Staff requested TNP perform a field survey of the existing sanitary sewer system, Stonebridge Lift Station and the NTMWD Lakeside Interceptor to obtain flow lines to determine the feasibility of by-passing the Stonebridge Lift Station. The field survey confirmed the gravity flow by-pass of the Stonebridge Lift Station is feasible. This determination allows for the decommissioning of the Stonebridge Lift Station. By decommissioning the lift station the City will save cost on operation and maintenance over its service life. Public annoyances such as noise from the emergency generator during power outages, and odor problems will be decreased by eliminating the lift station.

TNP has prepared an Agreement for Engineering Design Services to install 1,325 linear feet of twelve inch diameter sanitary sewer pipe along with 425 linear feet of eight inch sanitary sewer pipe along with decommissioning the existing lift station site. The Agreement for Engineering Services is attached and is a contract amount of $74,300. TNP is estimating that the construction cost will be $330,600 for decommissioning the lift station and constructing the new gravity sanitary sewer main.

Staff will terminate the current contract with Teague, Nall and Perkins, Inc. due to change of scope of services. The only funding expended to date is the cost of the field surveying work necessary to determine if the Stonebridge Lift Station could be removed from the collection system operations.

Staff requests City Council consideration to approve a Professional Engineering Services Contract with Teague, Nall and Perkins, Inc. to eliminate the Stonebridge Lift Station and construct new sanitary sewer gravity pipe to serve the current area in the amount of $74,300 and take any action necessary. Funding will be provided by the 2016 Water and Sewer Bond sales.

If you have any questions, please advise.

AGREEMENT FOR ENGINEERING SERVICES BETWEEN THE CITY OF ROCKWALL, TEXAS AND TEAGUE NALL AND PERKINS, INC.

I. INTRODUCTION

This Agreement is executed by and between The City of Rockwall, Texas, a municipal corporation located in Rockwall County, Texas, (hereinafter called "OWNER"), and Teague Nall and Perkins, Inc., a Texas corporation, (hereinafter called "ENGINEER").

WITNESSETH, that OWNER desires professional engineering and surveying services in connection with sanitary sewer capital improvement projects.

NOW, THEREFORE, OWNER and ENGINEER, in consideration of the mutual covenants and agreements herein contained, do mutually agree as follows:

II. PROJECT

In this Agreement, the "PROJECT" means the surveying, analysis and engineering design for the Stonebridge Lift Station Elimination in accordance with the applicable OWNER codes, regulations and standards. The PROJECT includes eliminating an aging existing wet well/dry pit lift station by installing a new gravity sanitary sewer main from the existing North Texas Municipal Water District (NTMWD) to an existing sanitary sewer manhole located at the southwest corner of the intersection of South Lakeshore Drive and Shoretrail Drive. The project also includes installing a new gravity sanitary sewer main from Stonebridge Drive to near South Lakeshore Drive along Shoreview Drive. New sanitary sewer services and cleanouts will be installed for properties served by the new gravity mains. The existing lift station will be decommissioned. The lift station dry pit and wet well will be abandoned in place/filled in with flowable fill/partially-demolished. Salvageable materials (as determined by the City) will be returned to the City, and the remaining above-ground facilities will be removed.

III. BASIC AGREEMENT

OWNER agrees to employ ENGINEER and ENGINEER agrees to perform professional engineering services in connection with the PROJECT, as stated in the sections to follow. All engineering services shall be performed with diligence and in accordance with professional standards customarily obtained for such services in the State of Texas. For rendering such services OWNER agrees to pay ENGINEER as set forth in Section VII and Exhibit F: "Compensation".

IV. SCOPE OF ENGINEER'S SERVICES

ENGINEER shall render the professional services necessary for development of the PROJECT, in accordance with the schedule in Exhibit A: "Project Schedule" and as detailed in Exhibit B: "Basic Engineering Services", said exhibits being attached hereto and incorporated herein for all purposes. ENGINEER shall be responsible, to the level of competency presently maintained by other practicing professional engineers in the same type of work in the Dallas/Fort Worth Metroplex area, for professional and technical soundness, accuracy, and adequacy of all designs, drawings, specifications, and other work and materials furnished under this Agreement.

V. SPECIAL ENGINEERING SERVICES

The OWNER will pay the ENGINEER for Special Engineering Services as indicated in Exhibit C: "Special Engineering Services", attached hereto and made a part of this Agreement.

VI. SCOPE OF OWNER SERVICES

The OWNER will furnish items and perform those services as identified in Exhibit E: "Services to be provided by the OWNER", attached hereto and made a part of this Agreement.

VII. COMPENSATION

A. In consideration of the services described herein, OWNER shall pay and ENGINEER shall receive compensation in accordance with Exhibit F: "Compensation".

B. Total payments including without limitation salary and reimbursable expenses, to ENGINEER by OWNER for the Basic Engineering and Special Engineering Services stated in Section IV and Section V above shall not exceed Seventy-Four Thousand, Three Hundred and No/100 Dollars ($74,300.00).

C. OWNER may authorize additional services to be provided by ENGINEER as mutually agreed upon by the parties. Any authorization for additional services shall be given to ENGINEER by OWNER in writing.

D. OWNER and ENGINEER understand that the variables in ENGINEER's cost of performance may fluctuate. The parties agree that any fluctuation in ENGINEER's costs will in no way alter ENGINEER's obligations under this Agreement nor excuse performance or delay on ENGINEER's part.

VIII. OWNERSHIP OF DOCUMENTS

All completed or partially completed evaluations, reports, surveys, designs, drawings and specifications prepared or developed by ENGINEER under this Agreement, including any original drawings, computer disks, mylars or blue lines, shall become the property of OWNER when the Agreement is concluded or terminated, and may be used by OWNER in any manner it desires; provided, however, that ENGINEER shall not be liable for the use of such drawings for any project other than the PROJECT described in this Agreement.

IX. INDEMNITY

ENGINEER SHALL INDEMNIFY AND HOLD HARMLESS OWNER AND ITS OFFICERS, AGENTS, SERVANTS AND EMPLOYEES FROM ANY LIABILITY ON ACCOUNT OF ANY INJURIES OR DAMAGES RECEIVED OR SUSTAINED BY ANY PERSON OR PROPERTY, INCLUDING COURT COSTS AND REASONABLE ATTORNEYS' FEES INCURRED BY OWNER, CAUSED BY THE NEGLIGENT ACTS OR OMISSIONS OF ENGINEER OR ITS OFFICERS, AGENTS, SERVANTS, CONTRACTORS, OR EMPLOYEES IN THE EXECUTION, OPERATION, OR PERFORMANCE OF THIS AGREEMENT.

Approval by OWNER of contract documents shall not constitute or be deemed to be a release of the responsibility and liability of ENGINEER, its officers, agents, employees and subconsultants, for the accuracy and competency of the services performed under this Agreement, including but not limited to evaluations, reports, surveys, designs, working drawings and specifications, and other engineering documents.

Approval by OWNER shall not be deemed to be an assumption of such responsibility and liability by OWNER for any error, omission, defect, deficiency or negligence in the performance of ENGINEER's professional services or in the preparation of the evaluations, reports, surveys, designs, working drawings and specifications or other engineering documents by ENGINEER, its officers, agents, employees and subconsultants, it being the intent of the parties that approval by OWNER signifies OWNER=s approval of only the general design concept of the improvements to be constructed.

In this connection, ENGINEER and its subconsultants shall indemnify and hold OWNER and all of its officers, agents, servants, and employees harmless from any loss, damage, liability or expenses, on account of damage to property and injuries, including death, to any and all persons, including but not limited to officers, agents or employees of ENGINEER or its subconsultants, and all other persons performing any part of the work and improvements, which may arise out of any negligent act, error, or omission in the performance of ENGINEER's professional services or in the preparation of evaluations, reports, surveys, designs, working drawings, specifications and other engineering documents incorporated into any improvements constructed in accordance therewith. This indemnification provision shall not be construed as requiring ENGINEER to indemnify or

hold OWNER or any of its officers, agents, servants or employees harmless from any loss, damages, liability or expense, on account of damage to property or injuries to persons caused by defects or deficiencies in design criteria and information furnished to ENGINEER by OWNER, or any deviation in construction from ENGINEER's designs, working drawings, specifications or other engineering documents.

X. INSURANCE

For the duration of this Agreement, ENGINEER shall maintain the following minimum public liability and property damage insurance which shall protect the ENGINEER, its subcontractors, its subconsultants and OWNER from claims for injuries, including accidental death, as well as from claims for property damage which may arise from the performance of work under this Agreement. ENGINEER shall provide a Certificate of Insurance verifying that the following minimum limits of coverage are provided:

A. Worker's Compensation Insurance:
Statutory requirements ($ 300,000 minimum)

B. Comprehensive General Liability and Bodily Injury:

Bodily Injury	$ 500,000 per person, or $ 1,000,000 per occurrence; and
Property Damage	$ 100,000 each occurrence; or
Combined Single Limit	$ 1,000,000 aggregate

C. Comprehensive Automobile Liability:

Bodily Injury	$ 500,000 per person, or $ 1,000,000 per occurrence; and
Property Damage	$ 100,000 each occurrence; or
Combined Single Limit	$ 1,000,000 aggregate

D. Professional Liability:

Errors and Omissions	$ 1,000,000

The Certificate of Insurance shall contain a provision that such insurance cannot be canceled or modified without thirty (30) days prior written notice to OWNER.

XI. ARBITRATION

No arbitration arising out of or relating to this Agreement shall occur without both parties' written approval.

XII. TERMINATION AND SUSPENSION

A. OWNER may terminate this Agreement at any time for convenience or for any cause by a notice in writing to ENGINEER. Either OWNER or ENGINEER may terminate this Agreement in the event the other party fails to perform in accordance with the provisions of this Agreement. Upon receipt of such notice, ENGINEER shall immediately discontinue all services and work and the placing of all orders or the entering into contracts for supplies, assistance, facilities, and materials, in connection with the performance of this Agreement and shall proceed to cancel promptly all existing contracts insofar as they are chargeable to this Agreement.

B. If OWNER terminates this Agreement under the foregoing Paragraph A, OWNER shall pay ENGINEER a reasonable amount for services performed prior to such termination, which payment shall be based upon the payroll cost of employees engaged on the work by ENGINEER up to the date of termination of this Agreement and for subcontract and reproduction in accordance with the method of compensation stated in Section VII hereof. In the event of termination, the amount paid shall not exceed the amount appropriate for the percentage of work completed.

XIII. SUCCESSORS AND ASSIGNS

OWNER and ENGINEER each bind themselves and their successors, executors, administrators and assigns to the other party of this Agreement and to the successors, executors, administrators and assigns of such other party in respect to all covenants of this Agreement; except as above, neither OWNER nor ENGINEER shall assign, sublet or transfer its interest in this Agreement without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of OWNER.

XIV. AUTHORIZATION, PROGRESS, AND COMPLETION

OWNER and ENGINEER agree that the PROJECT is planned to be completed in accordance with the Exhibit A: “Project Schedule” which is attached hereto and made a part hereof. ENGINEER shall employ manpower and other resources and use professional skill and diligence to meet the schedule; however, ENGINEER shall not be responsible for schedule delays resulting from conditions beyond ENGINEER’s control. With mutual agreement, OWNER and ENGINEER may modify the Project Schedule during the course of the PROJECT and if such modifications affect ENGINEER’s compensation, it shall be modified accordingly, subject to OWNER approval.

For Additional Engineering Services, the authorization by OWNER shall be in writing and shall include the definition of the services to be provided, the schedule for commencing and completing the services and the basis for compensation as agreed upon by OWNER and ENGINEER.

It is understood that this Agreement contemplates the full and complete Engineering services for this PROJECT including any and all services necessary to complete the work as outlined in Exhibit B: "Basic Engineering Services". Nothing contained herein shall be construed as authorizing additional fees for services to provide complete services necessary for the successful completion of this PROJECT.

XV. SUBCONTRACTS

ENGINEER shall be entitled, only if approved by OWNER, to subcontract a portion of the services to be performed by ENGINEER under this Agreement.

XVI. RIGHT TO AUDIT

ENGINEER agrees that OWNER shall, until the expiration of three (3) years after final payment under this Agreement, have access to and the right to examine and photocopy any directly pertinent books, design calculations, quantity take-offs, documents, papers and records of ENGINEER involving transactions relating to this Agreement. ENGINEER agrees that OWNER shall have access during normal working hours to all necessary ENGINEER facilities and shall be provided adequate and appropriate work space in order to conduct audits in compliance with the provisions of this section. OWNER shall give ENGINEER reasonable advance notice of intended audits.

ENGINEER further agrees to include in all its subconsultant agreements hereunder a provision to the effect that the subconsultant agrees that OWNER shall, until the expiration of three (3) years after final payment under the subcontract, have access to and the right to examine and photocopy any directly pertinent books, design calculations, quantity take-offs, documents, papers and records of such subconsultant, involving transactions to the subcontract, and further, that OWNER shall have access during normal working hours to all subconsultant facilities, and shall be provided adequate and appropriate work space, in order to conduct audits in compliance with the provisions of this article. OWNER shall give subconsultant reasonable advance notice of intended audits.

XVII. EXHIBITS

Both parties agree to the following exhibits and as such, the following exhibits are made a part of this Agreement:

Exhibit "A"	Project Schedule
Exhibit "B"	Basic Engineering Services
Exhibit "C"	Special Engineering Services
Exhibit "D"	Additional Engineering Services
Exhibit "E"	Compensation

XVIII. MISCELLANEOUS

A. Authorization to Proceed. Signing this Agreement shall be construed as authorization by OWNER for ENGINEER to proceed with the PROJECT.

B. Legal Expenses. In the event legal action is brought by OWNER or ENGINEER against the other to enforce any of the obligations hereunder or arising out of any dispute concerning the terms and conditions of this Agreement, the losing party shall pay the prevailing party such reasonable amounts for fees, costs and expenses as may be set by the court.

C. Notices. Any notice or correspondence required under this Agreement shall be sent by certified mail, return receipt requested, or by personal delivery and shall be effective upon receipt, if addressed to the party receiving the notice or correspondence at the following address:

If to ENGINEER: Teague Nall and Perkins, Inc.
Attn: Michael G. DeMotte, P.E.
17304 Preston Road, Suite 1340
Dallas, Texas 75252

If to OWNER: City of Rockwall
Attn: Tim Tumulty, P.E.
385 South Goliad Street
Rockwall, Texas 75087

D. Independent Contractor. ENGINEER shall perform services hereunder as an independent contractor, and not as an officer, agent, servant or employee of the OWNER and ENGINEER shall have the exclusive right to control services performed hereunder by ENGINEER, and all persons performing same, and shall be responsible for the negligent acts and omissions of its officers, agents, employees, and subconsultants. Nothing herewith shall be construed as creating a partnership or joint venture between OWNER and ENGINEER, its officers, agents, employees and subconsultants; and the doctrine of respondent superior has no application as between OWNER and ENGINEER.

E. Venue. This Agreement shall be governed by the laws of the State of Texas, and venue in any proceeding relating to this Agreement shall be in Rockwall County, Texas.

F. Entire Agreement. This Agreement represents the entire and integrated agreement between OWNER and ENGINEER and supersedes all prior negotiations, representations or agreements, either written or oral. This Agreement may be amended only by written instrument signed by both OWNER and ENGINEER.

G. Severability. If any provision in this Agreement shall be held illegal by a valid final judgment of a court of competent jurisdiction, the remaining provisions shall remain valid and enforceable.

H. Assignment. OWNER and ENGINEER each bind themselves, their heirs, successors and assigns, to the other party to this Agreement and to the successors and assigns of each other party in respect to all covenants of this Agreement. This Agreement is not to be assigned, sublet or transferred, in whole or in part, by either OWNER or ENGINEER without the prior written consent of the other party.

This Agreement is executed in two (2) counterparts.

IN TESTIMONY WHEREOF, the parties hereto have executed this Agreement this the ____day of _____

EXHIBIT A

PROJECT SCHEDULE
FOR

Stonebridge Lift Station Elimination

The following is a breakdown of the project into separate phases with the contract time for engineering services through final design for each phase. Signing this Agreement shall be construed as authorization by OWNER for ENGINEER to proceed with the PROJECT.

		Engineering
Phase 1	Design Phase Services	120 Calendar Days
Phase 2	Bidding Phase Services	20 Calendar Days
Phase 3	Construction Phase Services	240 Calendar Days*

* Anticipated construction schedule is beyond the control of the ENGINEER, and is provided for informational purposes only.

EXHIBIT B

BASIC ENGINEERING SERVICES
FOR

Stonebridge Lift Station Elimination

The scope of work for BASIC Engineering Services involves Design, Bidding, and Construction Phase services.

I. GENERAL

A. Project Management

1. The ENGINEER will meet with the OWNER on an as needed basis during the development of the preliminary and final design phases of the PROJECT.

2. The ENGINEER will establish and maintain PROJECT schedules and budgets, develop monthly progress reports, prepare invoices, and meet with other entities on an as needed basis for the duration of the PROJECT's design.

B. Data Collection

1. The ENGINEER will collect, compile and evaluate existing data collected from the OWNER, or other entities that provide information for the design of the PROJECT.

2. A location map/schematic will be provided to the affected utility companies. These schematics will be used by the utility companies to show approximate locations of their facilities which are or may be affected by the PROJECT.

3. The ENGINEER will attempt to obtain Record Drawings and future plans for the following facilities in the PROJECT area including:
   - Roadways/Alleys
   - Water lines
   - Sanitary Sewer Lines
   - Storm Drain Lines

4. The ENGINEER will contact Dig-Tess and/or franchise utility companies (directly) to attempt to have franchise utilities in the PROJECT area horizontally-located including:
   - Underground and/or Overhead Telephone Lines and Cables
   - Electric Underground and/or Overhead Lines

- Gas Lines
- Other Utilities Known to Serve the PROJECT Area

Location information obtained above will be tied by the surveyor. The locations of utilities tied from field surveys will be shown on PROJECT plans.

II. DESIGN PHASE:

1. The ENGINEER will develop base maps to show existing topographic features in the PROJECT area. Base maps will include the approximate location of existing utilities as provided by utility companies.

2. The ENGINEER will develop a proposed alignment for the gravity sanitary sewer mains and submit to OWNER for approval.

3. The ENGINEER will develop preliminary plans of the proposed improvements. Plan sheets will be at a 1" = 20' or larger scale and contain topographic information, existing right of way lines, locations of driveways, roadways/alleys, pavement edges, limits of drainage structures, and other existing features affecting construction, if any. The plan set is anticipated to include the following (exact sheets may vary somewhat based upon design):
   a. Cover
   b. General Notes
   c. Project Layout & Control Plan
   d. SWPPP/Erosion Control Plan
   e. SWPPP Narrative Sheet
   f. Sanitary Sewer Plan and Profile Sheets
   g. Construction Details Sheets
   h. Lift Station Demolition Plan

4. The ENGINEER will prepare technical specifications for the PROJECT, to include:
   a. Pipe, Manholes
   b. General (Submittals, Mobilization, etc. not covered under City standards)

5. The ENGINEER will prepare/organize front-end documents (base files to be provided by OWNER). These documents will be included in the Project Manual, and will include:
   a. Cover
   b. Table of Contents
   c. Notice to Bidders
   d. Instruction to Bidders
   e. Bid Form
   f. Standard Form of Agreement

g. Bonds
h. General Conditions
i. Supplementary Conditions
j. Prevailing Wage Rates

6. The ENGINEER will meet with the OWNER at regular intervals during the preparation of preliminary plans to present work-to-date and receive input.

7. The ENGINEER will develop preliminary contract documents and specifications.

8. The ENGINEER will develop Preliminary Probable Opinion of Costs for the project.

9. The ENGINEER will submit two (2) sets of preliminary design plans and cost opinions for OWNER review.

10. The ENGINEER will meet with the OWNER to review comments.

11. The ENGINEER will prepare and submit easement documents for temporary construction easements as an Additional Service, if necessary, after the OWNER's preliminary plan review comments are received.

12. The ENGINEER will transmit preliminary plans to utility companies to identify potential conflicts, as necessary.

13. The ENGINEER will incorporate OWNER review comments and directives from the preliminary design plans, in the preparation of final construction plans.

14. The ENGINEER will revise contract documents and specifications per review comments received.

15. The ENGINEER will revise the preliminary quantities and opinion of probable costs per changes in the final design and review comments.

16. The ENGINEER will submit final construction plans to applicable agencies, utility companies and the OWNER for final review. A letter of notice will be prepared and submitted to the Texas Commission on Environmental Quality (TCEQ) notifying the agency of the PROJECT and requesting notification if plans and specifications are required to be submitted. If required by TCEQ, the ENGINEER will submit the required documents to TCEQ for review.

17. The ENGINEER will address final OWNER review comments and prepare project for bidding.

IV. BIDDING PHASE:

1. The ENGINEER will assist the OWNER in the advertisement of the PROJECT for bid. The OWNER shall bear the cost of advertisement. The ENGINEER shall provide all necessary printing of construction plans, specifications and contract documents for use in obtaining bids, awarding contracts, and constructing the PROJECT. The ENGINEER shall be responsible for dispersing all plans and specifications from its office to prospective bidders.

2. The ENGINEER will assist the OWNER in conducting a Pre-Bid Conference.

3. The ENGINEER will prepare and distribute Addenda to Bid Documents as necessary.

4. The ENGINEER will assist the OWNER in the opening and tabulation of the construction bids for the PROJECT and recommend to the OWNER as to the proper action on all proposals received.

5. The ENGINEER will check references for the lowest and second lowest bidders and prepare a Letter of Recommendation of Award.

6. The ENGINEER will assist in the preparation of formal Contract Documents and in coordinating their execution by the respective parties.

V. CONSTRUCTION PHASE:

1. The ENGINEER will represent the OWNER in the non-resident administration of the PROJECT. In this capacity, the ENGINEER shall have the authority to exercise whatever rights the OWNER may have to disapprove work and materials that fail to conform to the Contract Documents when such failures are brought to the ENGINEER's attention. (This function of ENGINEER shall not be construed as supervision of the PROJECT and does not include on-site activities other than occasional site visits to observe overall PROJECT conditions or when specifically requested by OWNER to visit on site for a particular matter. It particularly does not involve exhaustive or continuous on-site inspection to check the quality or quantity of the work or material; nor does it place any responsibility on the ENGINEER for the techniques and sequences of construction or the safety precaution incident thereto, and ENGINEER will not be responsible or liable in any degree for the Contractor's failure to perform the construction work in accordance with the Contract Documents.)

2. The ENGINEER will consult and advise the OWNER; issue such instructions to the Contractor as in the judgment of the ENGINEER are necessary; and prepare routine change orders as required.

3. The ENGINEER will review samples, catalog data, schedules, shop drawings, laboratory, shop and mill tests of material and equipment and other data which the Contractor is required to submit, only for conformance with the design concept of the PROJECT and compliance with the information given by the Contract Documents; and assemble written guarantees which are required by the Contract Documents.

4. The ENGINEER will prepare or review monthly and final estimates for payments to Contractor, and furnish to the OWNER any necessary certifications provided by the Contractor, as to payments to subcontractors and suppliers.

5. The ENGINEER will conduct, in company with the Contractor, a final inspection of the PROJECT for conformance with the design concept of the PROJECT and compliance with the Contract Documents; and approve in writing final payment to the Contractors.

6. The ENGINEER will revise contract drawings, with the assistance of the OWNER's Resident PROJECT Representative to reflect available information as to how the work was constructed. The OWNER's Resident PROJECT Representative will provide the ENGINEER a red-lined set of drawings depicting changes during construction. The ENGINEER shall revise original design drawings, noting changes during construction, and submit a set of Record Drawings to the OWNER.

EXHIBIT C

SPECIAL ENGINEERING SERVICES FOR

Stonebridge Lift Station Elimination

The scope of work for the Special Engineering Services is more generally described as follows:

I. SURVEYING

A. Design Surveys

1. Establish survey control for the PROJECT. These control points will be established from and tied to the Texas State Plane Coordinate System (NAD '83/93 Texas North Central Zone). Control points will be established using 5/8" iron rods, 18" long. These control points will be established using GPS and conventional surveying methods.

2. Benchmark Loop. A benchmark circuit will be established, based on NAV 88 vertical control. These benchmarks will be located outside of the construction limits and put in such a place so that they may be easily found for future use. Benchmarks shall be looped in accordance with good surveying practice prior to field surveys.

4. Existing Underground and/or Overhead Utilities. Utility owner's will be contacted, on an as-needed basis, and requested to assist in locating existing utilities identified for the PROJECT. Above ground features of existing utilities within 20 feet of proposed center lines will be field located, including elevations of sanitary and storm sewer manhole flowlines and water/gas valve stems. The location of utilities between above ground features will be determined from visual inspection, utility records, and/or from locations determined by the respective utility companies. The utilities will be tied to the PROJECT control points and depths determined in sufficient detail to identify potential conflicts with proposed construction. The excavation and other costs required to expose or probe the underground utilities will be the responsibility of others.

5. Boundary Survey. Establish horizontal control points as needed throughout the project. The basis of bearings will be Grid North of the Texas Coordinate System of 1983 (North Central Zone; NAD83(CORS96) Epoch 2002.00) as derived locally from Western Data Systems Continuously Operating

Reference Stations (CORS) via Real Time Kinematic (RTK) methods. Title research and deeds & plats obtained of the subject property and the adjoining property owners. A deed sketch will be prepared. An investigation of boundary markers/corners will be made along the route. A boundary analysis of the property will be made by a Registered Professional Land Surveyor and shown with the topographic survey for engineering purposes.

B. Direct Costs

1. Printing, reproduction, plots, copies and other costs directly attributable to the project shall be reimbursed per Exhibit F: Compensation.

EXHIBIT D

ADDITIONAL ENGINEERING SERVICES

FOR

Stonebridge Lift Station Elimination

1. Additional Services, not included in the scope of work, include those that may result from significant changes in the general scope, extent or character of the PROJECT or its design including, but not limited to, changes in size, complexity, OWNER's schedule, character of construction or method of financing; and revising previously accepted studies, reports design documents or Contract Documents when such revisions are required by changes in laws, rules, regulations, ordinances, codes or orders enacted subsequent to the preparation of such studies, reports or documents, or are due to any other causes beyond ENGINEER's control.

2. Additional Services not included in the scope of work, also include assistance to the OWNER in connection with bid protests, rebidding or renegotiating contracts for construction, materials, equipment or service, or preparing to serve or serving as a consultant or witness for OWNER in any litigation, arbitration or other legal proceeding involving the PROJECT.

3. Additional Services not included in the scope of work also include route and or site changes occurring after commencement of the preliminary design phase.

4. Additional services not included in the scope of work also include right-of-way and property surveys, easement document preparation and construction staking.

5. Additional services in connection with the PROJECT, including services which are to be furnished by the OWNER and services not otherwise provided for in this Agreement will be at the following rates:

   Staff Member and Resident Project Representative - Salary Cost Times Multiplier of 2.50.

   Salary Cost is defined as the cost of payroll of ENGINEER's, draftsmen, stenographers, survey men, clerks, laborers, etc., for the time directly chargeable to the PROJECT, plus social security contributions, unemployment compensation insurance, retirement benefits, medical and insurance benefits, longevity payments, sick leave, vacation and holiday pay applicable thereto.

EXHIBIT E

SERVICES TO BE PROVIDED BY THE OWNER

The OWNER will provide the following to the ENGINEER in the performance of the PROJECT upon request:

1. Provide any existing data the OWNER has on file concerning the PROJECT, if available.

2. Provide any available record drawings and maps of existing infrastructure.

6. Assist the ENGINEER, as necessary, in obtaining any required data and information regarding location of OWNER's infrastructure.

7. Assist the ENGINEER, as necessary, in obtaining any required data and information from utility companies.

4. Assist the ENGINEER by requiring appropriate utility companies to expose underground utilities within the Right-Of-Way, when required.

5. Give prompt written notice to ENGINEER whenever OWNER observes or otherwise becomes aware of any development that affects the scope or timing of the ENGINEER's services.

EXHIBIT F

COMPENSATION

I. COMPENSATION

The applicable fees for Basic and Special Engineering Services shall remain in effect through the year 2016. Thereafter, the fees for services not completed will be subject to a 5% increase for each year after 2016.

For and in consideration of the services to be rendered by the ENGINEER, the OWNER shall pay, and the ENGINEER shall receive the compensation hereinafter set forth for Basic Engineering Services and additionally for Special Engineering Services that are in addition to the Basic Engineering Services. All remittances by OWNER of such compensation shall either be mailed or delivered to the ENGINEER's home office as identified in the work authorization.

"Salary Cost" used herein is defined as the cost of salaries of ENGINEER's, draftsmen, stenographers, survey men, clerks, laborers, etc. for time directly chargeable to the PROJECT plus social security contributions, unemployment, excise and payroll taxes, employment compensation insurance, retirement benefits, medical and insurance benefits, sick leave, bonuses, vacation, and holiday pay applicable thereto.

A. Compensation for the Basic Engineering Services (Design, Bidding, and Construction phases) shall be a lump sum fee of $ 58,300.00, inclusive of Direct Expenses.

Payment for the Design phase portion of the Basic Services shall be due in monthly installments in the proportion to that part of the services in the Design phase which have been accomplished. Final payment for services authorized in the Design phase shall be due at the completion of these services.

Payment for the Bidding phase portion of the Basic Services shall be due in monthly installments in the proportion to that part of the services in the Design phase which have been accomplished. Final payment for services authorized in the Design phase shall be due at the completion of these services.

Payment for the Construction phase of the Basic Service shall be due in monthly installments in proportion to the construction work completed on the basis of the Contractor's monthly payment estimates. Upon completion of all

work authorized in the Construction phase, the ENGINEER will be paid the remainder of the charge for this phase.

The following is a breakdown of the project into separate phases with the applicable engineering design fee for each phase.

Basic Engineering Services

Phase 1	Design Phase Services	$ 41,900.00
Phase 2	Bidding Phase Services	$ 6,800.00
Phase 3	Construction Phase Services	$ 9,600.00
	Total:	$ 58,300.00

B. Compensation for Special Engineering Services not covered by the Basic Services provided herein above shall be as follows:

Design Surveys — Lump Sum Fee of $ 16,000.00

C. Compensation for Additional Services not covered by Basic or Special Services provided herein shall be as follows:

For all of ENGINEER's personnel time applied to the Additional Services, Salary Cost times a multiplier of 2.50.

For all direct non-labor and/or subcontract expense, including mileage, travel and living expenses at invoice or internal office cost times a multiplier of 1.10.

Payments to the ENGINEER for authorized Additional Services will be due monthly, upon presentation of monthly statement by the ENGINEER for such services.

II. AUDIT AND SCOPE CHANGE

Cost budgets are set forth above and are subject to the audit provisions of this Agreement, Section XVI. It is also understood that the cost budgets are based upon ENGINEER's best estimate of work and level of effort required for the proposed scope of services. As the PROJECT progresses, it is possible that the level of effort and/or scope may differ up or down from that assumed. If there are no scope changes, the ENGINEER shall receive the full amount of lump sum and unit price fees, regardless of the cost. If at any time it appears that the cost budget may be exceeded, the ENGINEER shall notify the OWNER as soon a possible in writing.

If there is a scope change, the ENGINEER shall notify the OWNER as soon as possible in writing and shall include a revised scope of services, estimated cost, revised fee schedule, and a revised time of completion. Upon negotiation and agreement via a signed amendment by both parties, the cost budget, fee schedule, and total budget will be adjusted accordingly.

OWNER shall not be obligated to reimburse the ENGINEER for costs incurred in excess of the cost budget. The ENGINEER shall not be obligated to perform on any change in scope of work or otherwise incur costs unless and until the OWNER has notified the ENGINEER in writing that the total budget for Engineering services has been increased and shall have specified in such notice a revised total budget which shall thereupon constitute a total budget for engineering services for performance under this Agreement.

A detailed scope of work, total budget, and schedule will be prepared by the ENGINEER and executed by the OWNER if the ENGINEER is authorized to perform any Additional Service(s).

III. PAYMENT

Payments to the ENGINEER will be made as follows:

A. Invoice and Time of Payment

Monthly invoices will be issued by the ENGINEER for all work performed under this Agreement. Invoices are due and payable on receipt. Invoices will be prepared in a format approved by the OWNER prior to submission of the first monthly invoice. Once approved, the OWNER agrees not to require changes in the invoice format, but reserves the right to audit. Monthly payment of the fee will be in proportion to the percent completion of the total work (as indicated in Exhibit B: “Basic Engineering Services” and Exhibit C: “Special Engineering Services”).

B. Upon completion of services enumerated in Exhibit B: "Scope of Engineering Services", the final payment of any balance will be due upon receipt of the final invoice.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Brad Griggs, *Assistant City Manager*
Timothy M. Tumulty, *Director of Public Works/City Engineer*

FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: December 7, 2015

SUBJECT: Variance to the Retaining Wall Requirements (*107 Independence Place*)

The applicant, Chad Hudson, has submitted a request for a variance to the retaining wall requirements stipulated by the *Standards of Design and Construction* manual for the purpose of allowing two (2) smooth face, concrete retaining walls. According to the applicant's letter, the purpose of the variance request is to allow more modern retaining walls to be constructed, which will better complement the contemporary or modern architectural style of the proposed home. The updates -- *approved in October 2007* -- to the *Standards of Design and Construction* manual state that, "(a)ll retaining walls [*are*] to be masonry, stone, or reinforced concrete with stone face/form liner … (n)o smooth concrete retaining walls to [*shall*] be installed on site." Accompanying this memorandum are examples of the architectural style for the proposed retaining walls and a site plan showing the proposed locations of the retaining walls. It should be noted that the proposed retaining walls will incorporate architectural finishes (*i.e. decorative holes, industrial form lines*) that are different and distinctive from typical smooth faced retaining walls. Additionally, the proposed walls will be located primarily behind the house, the majority of which will not be visible from a public right-of-way or the adjacent properties. *Should the City Council have questions concerning this request the applicant and staff will be available at the meeting.*

City of Rockwall
Attn: Ryan Miller, Director of Planning and Zoning
385 S. Goliad
Rockwall, Texas 75087

Mr. Miller,

This letter is to provide you and the Planning and Zoning department with information necessary to approve a variance to Chad Hudson of Hudson Properties, Inc. for construction of smooth concrete architectural landscaping and retaining walls on property located in Chandlers Landing. The construction project is for Mr. Hudson's personal residence. Construction on this personal home is anticipated to start the first quarter of 2016.

The city is somewhat familiar with this project located at 107 Independence Place. A few years ago Mr. Hudson requested and received the city's approval (and that of Chandlers Landing) to convert the property into an estate lot and build a private access gate. It had previously been plotted into three lots each with a meter tap. Today, the property is a single estate lot with three meter taps and a wrought iron fence and gate enclosing the lot. Mr. Hudson will build his personal residence on a portion of the property, with the remainder subject to future construction upon possible replat submittals.

The style of home to be built is more on the contemporary or modern spectrum versus a traditional style home. There will be several architectural features and design elements that complement the modern look of the home. Before construction on the house can begin, three architectural landscaping and retaining walls need to be put into place. The location of the house will not allow for the walls to be built simultaneously with or after initial construction. These walls will need to be constructed out of smooth concrete to match the style of the home.

The smooth concrete wall is a unique architectural design feature that Mr. Hudson has carefully researched and designed. Mr. Hudson has hired a specialist for this project. It is the company that designed and built the walls featured at the Dallas Arboretum. Pictures of these walls as well as examples of other architectural walls are attached to this letter. Also included is a wall design plan.

Review of the construction site plan shows that a majority of the walls will eventually be hidden behind the actual home once it is completed and not within public view. They will be able to be seen by the Hudsons, as residents of the house.

Chandlers Landing has no concerns or issues with this style of wall – as is evidenced by the email from Robert Rohde attached. If additional information from Chandlers Landing is needed, please advise.

If you have any questions or concerns, or need additional information, please do not hesitate to contact Chad Hudson (214-477-3177 or chad@hudsonproperties.com).

Best Regards,

Lindsay B. Hudson, Esq.

This is OK. When you get the permits, just send me a copy along with the location on the lot via a plat. Thanks & Regards,

Robert

(Showing vertical reinforcing pattern in back face)

GENERAL NOTES:

All concrete to be Class "C".
All reinforcing steel to be Grade 60.
For notes and details not shown on this sheet see sheet RW2.
Quantities are based on "H" being average height of panel.
Retaining Walls are designed to be coded as follows on Retaining Wall Layout Sheets.

HC - 21 - 28
LA - 28 - 32
- Panel Length - 32 is standard; 28' requires special quantities
- Average Height "H" of panel
- Design - A = no surcharge or slope above wall; B = slopes up to 4:1; C = traffic surcharge and/or slopes up to 2.5:1
- Footing pressure design - L = low, H = high

MEMORANDUM

TO: **Honorable Mayor and Council**

FROM: **Jeffrey Widmer, Building Official**

DATE: **December 7, 2015**

SUBJECT: **Projection sign height, size and materials variance request**

Ms. Matilyn Mathis with The Rustic Warehouse has requested to appear before the City Council to request variances for the height, size and materials of a new projection sign located at 1411 South Goliad.

Our sign ordinance allows a maximum height of four (4) feet for a projection sign and requires the materials to be steel, plastic, aluminum, or masonry. The maximum allowable size of a projection sign for this building is seventy-eight (78) square feet.

Ms. Mathis is requesting approval to allow a ninety-five (95) square foot, four and one half (4½) foot tall sign. The sign was constructed with mostly wood materials without the required permit and the applicant wishes to keep the sign.

The city council may consider variances for the following:

Height and size restrictions for new signs when compliance with the required height restriction would create a hardship and materials used for permitted signs when a variance would be appropriate for the construction of a sign to be consistent with the theme or style of an individual development. Characteristics such as the design, location, and visibility of the sign and building, as well as the proximity of the proposed sign location to roadways.

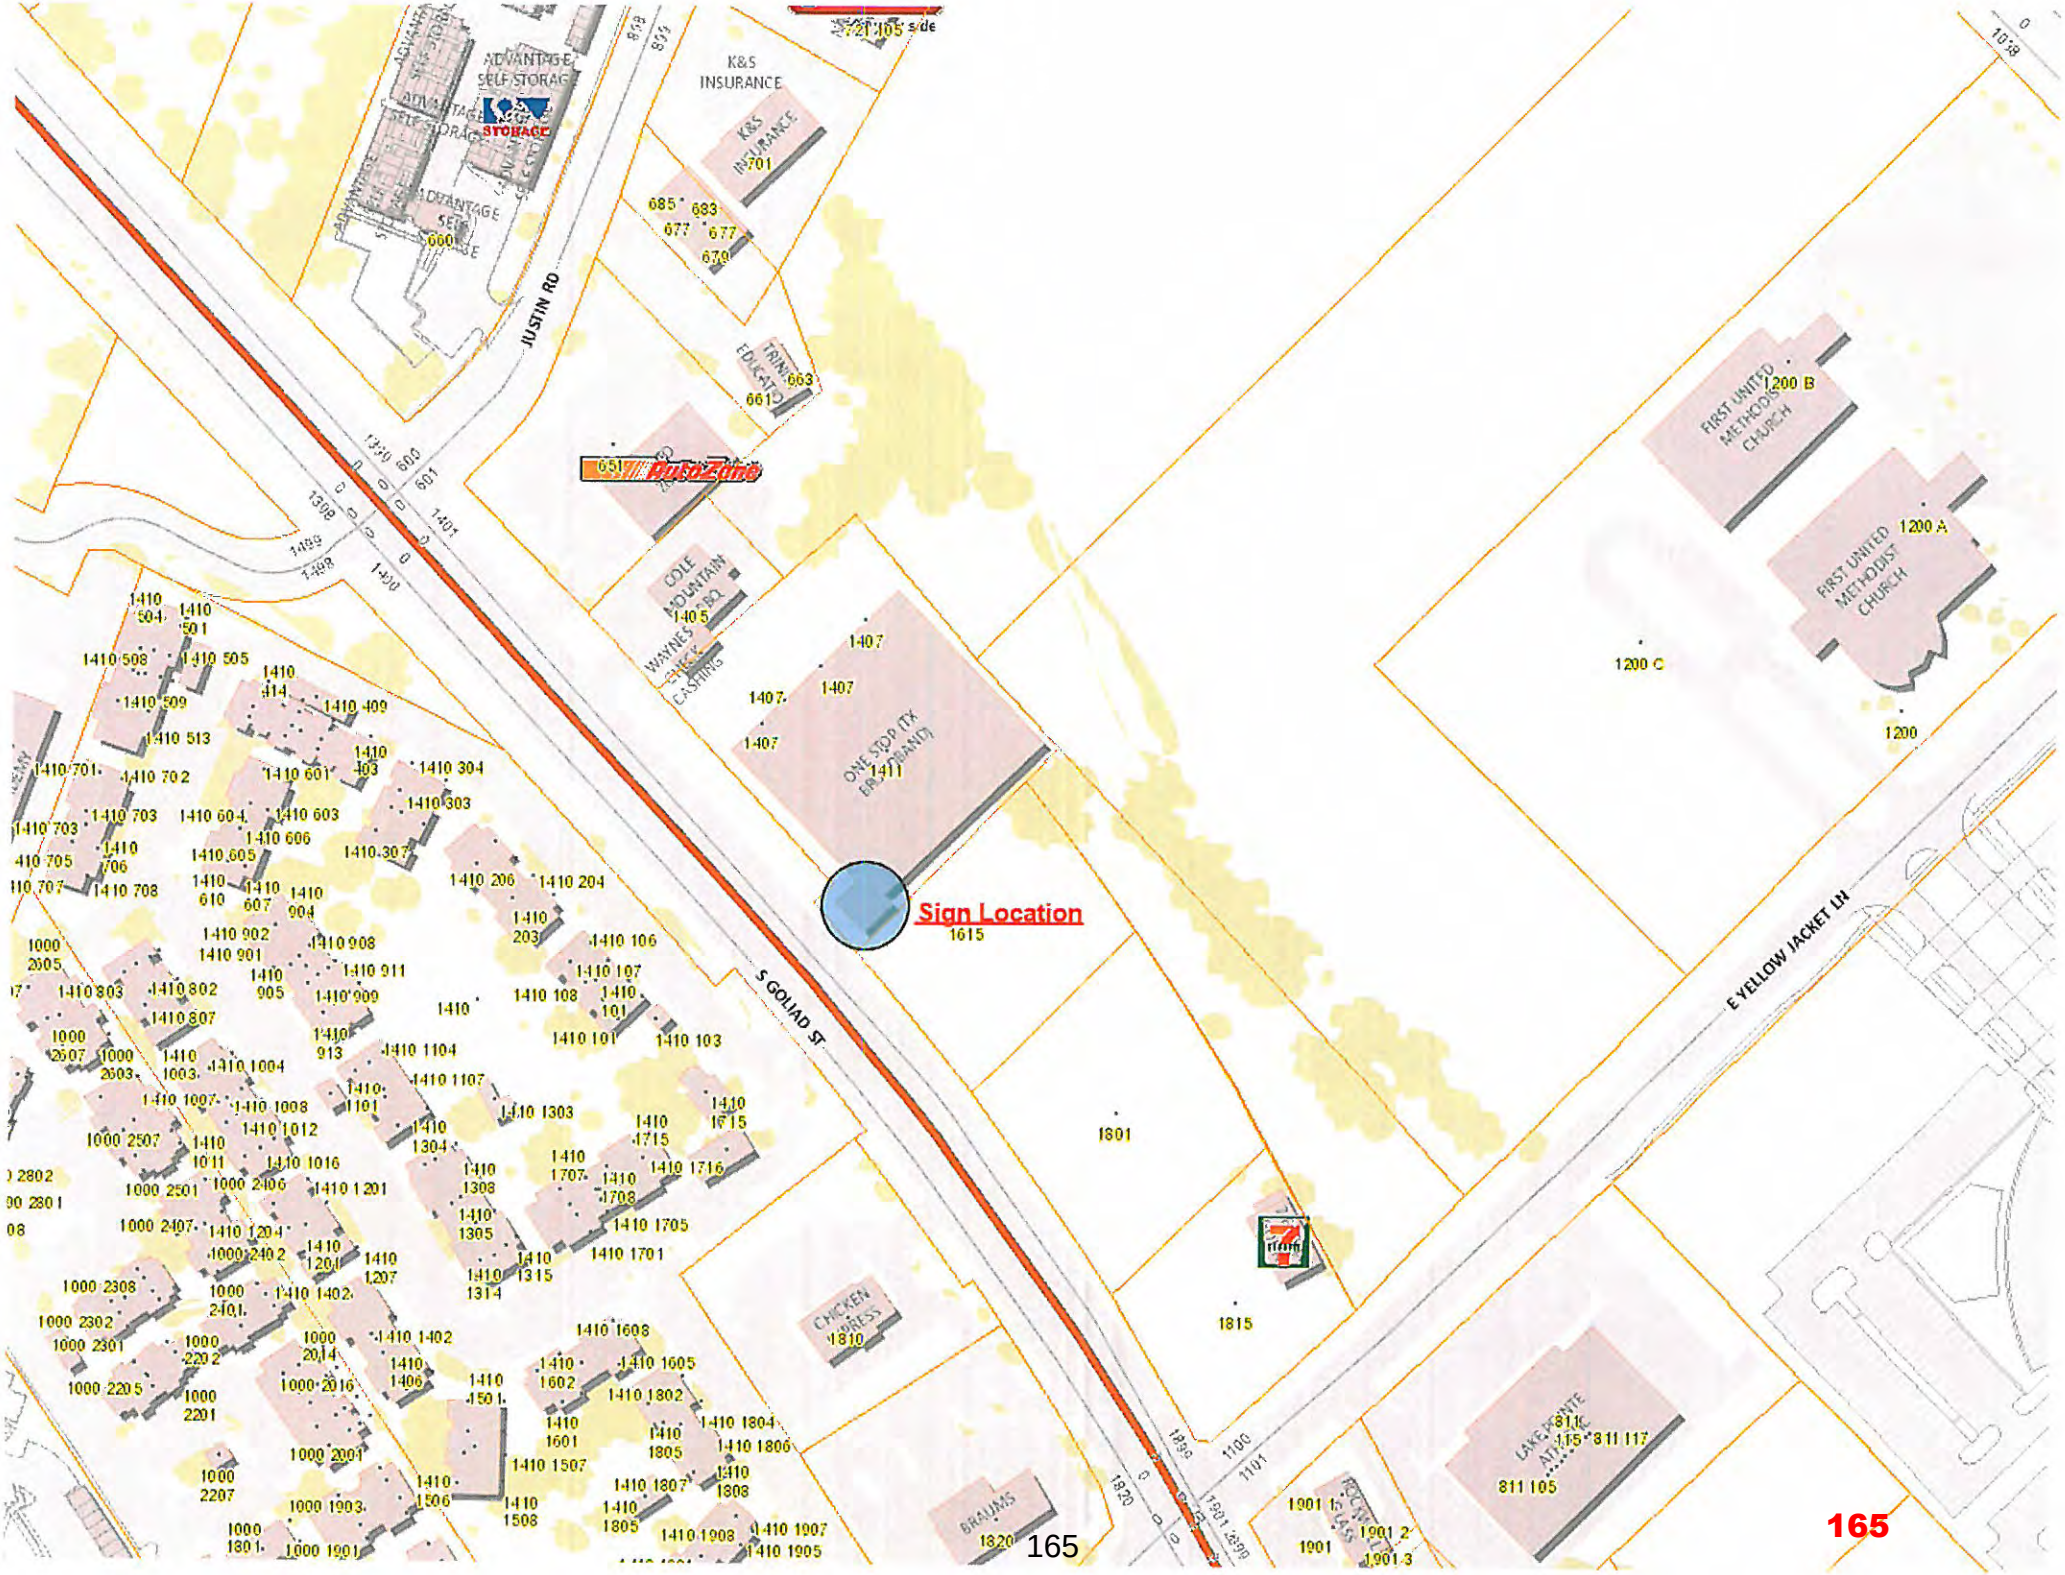
RE: Sign variance at 1411 South Goliad, Rockwall, TX

To Whom It May Concern:

I am requesting a sign variance for the location at 1411 S. Goliad, Rockwall TX. The location was previously vacant for over a year and the former sign removed. In preparation for the grand opening, planned for before Thanksgiving, several improvements had to be made both in and outside of the building. A new sign was obviously required and we wished it to be visible to both North and South bound traffic. To reflect consistence with the design theme of the store, I used wood (a common medium in our merchandise). I was completely unaware that wood was not an allowed material for an exterior sign.



In addition to our aesthetic intentions, the choice of wood was the most cost effective owing to material costs as well as labor. My father, who is a master carpenter, built the sign for me (thereby eliminating labor costs). In total, the sign on display cost 20% less to build than a commercial grade metal sign. Since this is the first time I have ever owned a store front, I was unaware of the city ordinances for proper brick and mortar guidelines or that a permit was needed.

The size of the sign is a total of 95 sq ft. It comes in 3 sections, the main section is 47 sq ft (4.5 x 10.5) with 2 side sections of 24 sq ft (4.33 x 5.5) each. The sign is a three dimensional view that can seen from all approaching traffic and gives the most structurally secure design. Our total sq footage of the front elevation is 782 sq ft which is less then what is needed to meet the 10% code requirements of sign sq footage.

I humbly ask your permission to keep the sign that is already constructed. This has been a learning experience for me and I pray that this store will be a great addition to Rockwall and I know it will generate a lot of income for the City, since the only other places comparable are in Frisco or Plano.

Thank you for your consideration,

Matilyn Mathis

MEMORANDUM

TO: **Honorable Mayor and City Council**

FROM: **Jeffrey Widmer, Building Official**

DATE: **12/7/15**

SUBJECT: **Variance request for a new monument sign to be located at 301 N Fannin**

Ms. Brandi Lewellen with Sign Mart representing The Majors Law Firm has asked to appear before the City Council to request a variance for the front setback for a new monument sign, to be located at 301 N Fannin.

Our sign ordinance requires free standing signs to have a minimum ten (10) foot setback from the front property line. The applicant is requesting a five and one half (5½) foot setback from the front property line, due to the fact that the lot is small and the existing structure is setting only fifteen (15) feet back from the property line.

A minimum thirty (30) foot by thirty (30) foot visibility clip is required at this intersection. If the variance is approved, the purposed location of the sign will meet that requirement.

Ms. Lewellen brought a very similar request to the Council earlier this year, and a front setback variance was granted for a sign to be placed at 204 N. Fannin.

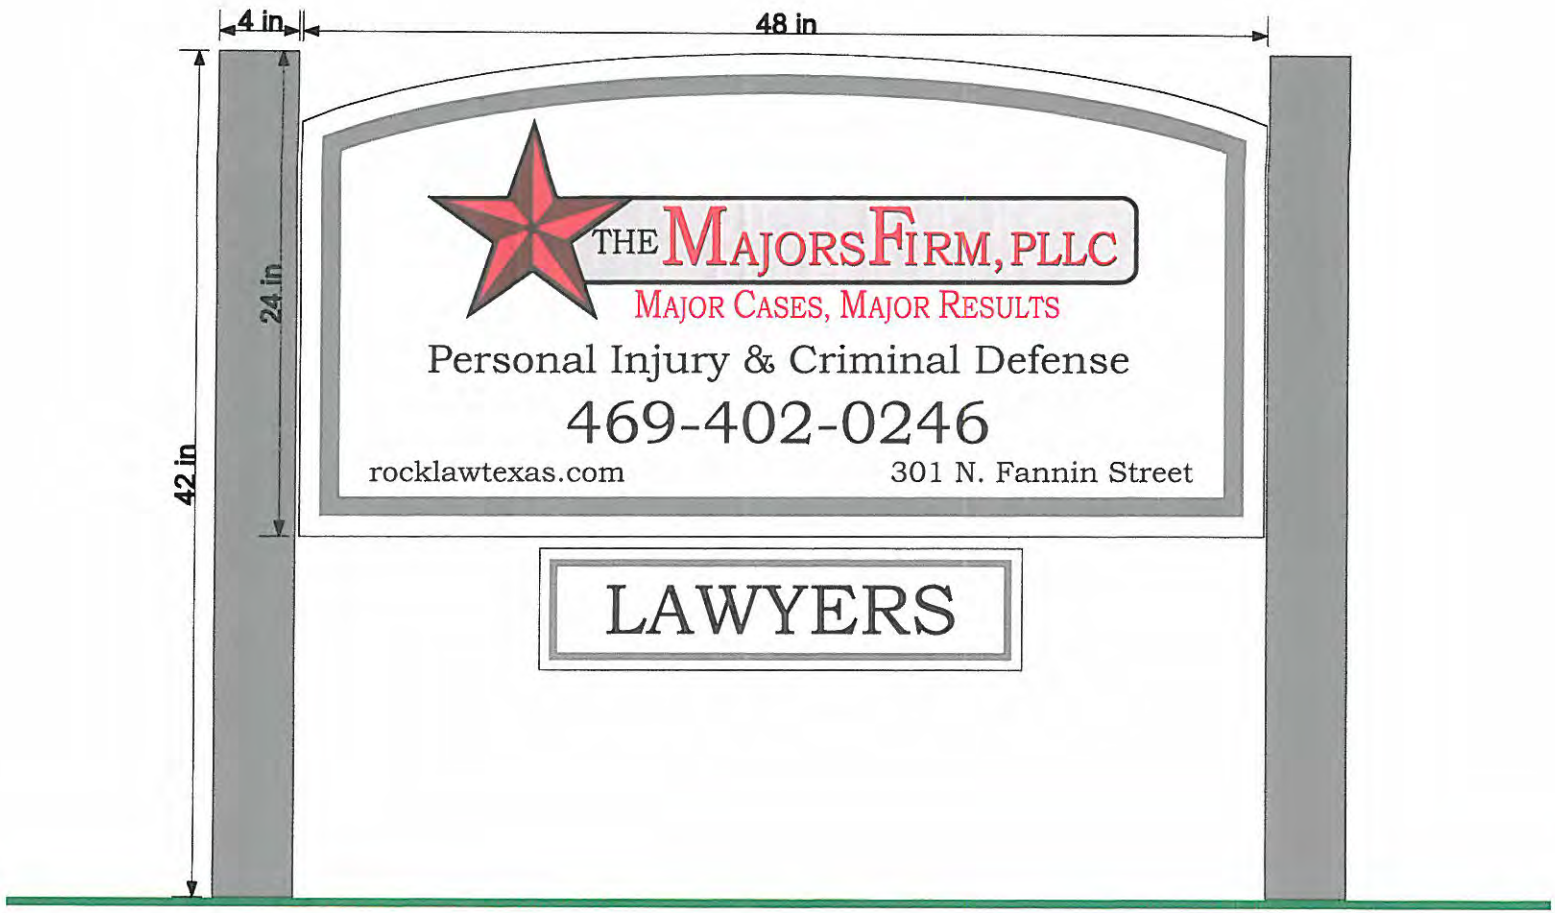
Re: Applicaton for Variance for Permit Rejection SGN2015-0128



John,
Please submit the application for a variance regarding sign placement for 301 N Fannin Street on behalf of The Majors Law Firm. The main identification sign for this property will not fall within the current city guidelines of placing the sign 8' off the property line due to the property line being approximately 5.5' from the front of the building.

Thank you,

Brandi Lewellen

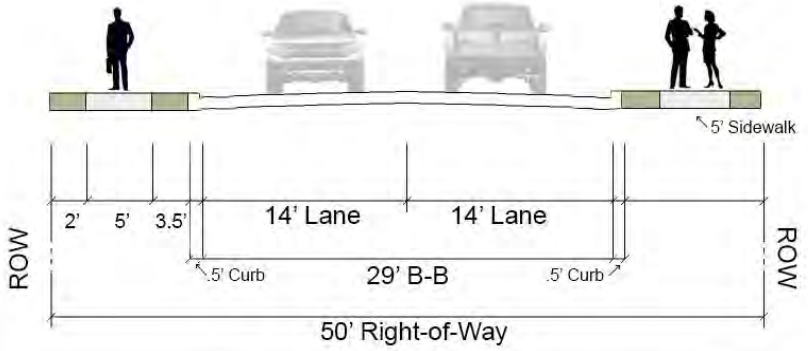
CITY OF ROCKWALL, TEXAS
MEMORANDUM

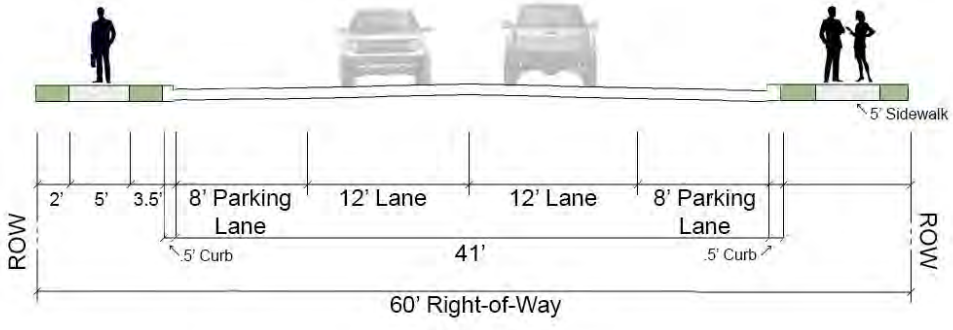
TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Brad Griggs, *Assistant City Manager*
Timothy M. Tumulty, *Director of Public Works/City Engineer*



FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: December 7, 2015



SUBJECT: Streets Adjacent to Schools and Parks

In order to ensure that proper traffic circulation is provided in residential areas that are adjacent to public schools and parks, staff is proposing to increase the minimum required street cross section from 29-feet to 41-feet (*back-of-curb to back-of-curb*). The proposed 41-foot street cross section will allow parking on both sides of the street while accommodating two (2) way traffic circulation. Below are examples of the currently required street cross section followed by the proposed street cross section, and attached to this memorandum is an example of the text amendment required to make the proposed changes.

Residential Street Cross Section

Modified Residential Street Cross Section Adjacent to Schools and Parks

Should the City Council choose to direct staff to make these changes staff would prepare an ordinance and bring the request back to the December 21, 2015 City Council meeting.

(b) All new roads within proposed subdivisions shall, at a minimum, be built to a width and design which will adequately serve that subdivision. In addition, when required by the city in the interest of the community, the developer may be required to build larger streets to the width shown on the thoroughfare plan. If more than 48 feet (back of curb to back of curb) is constructed, the city will reimburse the developer for the excess width when funds become available, unless the additional width was required by the city engineer or ~~***traffic***~~ planner to adequately serve the needs of that subdivision. ***In cases were a street is adjacent to a school or public park, the city engineer or planner may require a 41-foot street (back of curb to back of curb) to facilitate proper traffic circulation.*** Streets which dead-end at power lines, railroads, or similar rights-of-way, which are intended for future extension across these rights-of-way, shall be constructed in rights-of-way for half the distance across the rights-of-way. Where streets are adjacent to undeveloped land and the property line is normally the centerline of the street, the developer shall provide right-of-way of sufficient width and shall construct paving a minimum width of 24 feet, if deemed necessary by the city engineer or ~~***traffic***~~ planner. If the city, in the interest of the community, requires the subdivider to construct more than 24 feet, the city will reimburse the cost of the excess width to the developer who installed the paving, at the actual cost of construction, with no reimbursement for additional right-of-way which required to construct the additional paving in excess of 24 feet as funds are available. No reimbursement will be made, however, when the city engineer or ~~***traffic***~~ planner determines that the excess width is required to serve that subdivision. When, in the city council's judgment, it is not feasible to construct the street and/or railroad crossing at the time of development of the subdivision, escrow for the development of the subdivision, escrow for the developer's portion of the cost may be provided in accordance with this section. In the event the street and/or railroad crossing has been constructed or is being constructed by others, the developer shall pay his pro rata share of the improvements. Escrow or pro rata shall be payable prior to construction of streets and utilities.

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **December 4, 2015**

SUBJECT: **Intent to Issue Debt**

City staff is preparing to issue debt for various city projects described below. During budget presentations Council and staff discussed issuance of General Obligation Bonds for the remaining funding of the voter approved downtown project and engineering of approved street projects. In addition, bonds were discussed for water/sewer related projects and water/sewer equipment in the budget were designated to be coming from short or mid-term debt.

We previously discussed the condition of the bond market and the city's ability to refund (refinance) several of our outstanding debt issues for interest savings. The repayment term would remain the same but the interest rates from 2005-08 to current have dropped significantly. Our debt, when issued is structured with a 10-year call provision to be able to take advantage of just such a situation.

Our Financial Advisor, David Medanich of First Southwest Company and Bond Counsel Leroy Grawunder determined several years ago that the City saves significant issuance and related costs when issues such as the water/sewer projects and equipment are combined into one issuance. This can be done by issuing Certificates of Obligation. When the City issues utility revenue bonds, we must fund a "reserve fund" which is one times the average annual principal and interest payments on the outstanding debt which must be held for the full term of the bonds, in this case 20 years.

For both the savings on issuance costs and the reserve funds that won't need to be funded staff believes it reasonable to ask Council to proceed with a Certificates of Obligation issue to include the proceeds sufficient to cover the equipment purchases and utility system projects. City Council has previously authorized the issuance of Certificates for this same reason in the last several years.

The attached Resolution simply provides the authorization to publish notice of our intent to issue such debt. The amount included in the Resolution includes costs of issuance and the detailed projects outlined below. It does not authorize or complete the issuance process. The impact of these debt issues was included in the adopted FY2016 budget. The summary below provides information on the projects and amounts, which would be financed with this issuance.

179

A detailed list of projects and equipment is attached. The projects list specifically addresses utility reconstruction design associated with each of the bond election streets, which are in design and state roadway projects on the planning horizon. Other projects will take care of several lift stations improvements.

Refunding General Obligation Bonds

The final size and structure of refunding is being developed and will be presented at the first reading of the Ordinance, which is on the schedule for January 4, 2016. At this time, we expect to refund seven issues from the 2005-2008 periods totaling more than $75 million dollars and resulting in an estimated interest savings over $9million dollars over the remaining terms of the issuance. The new money for bond election projects will be included in this issuance saving issuance costs and includes funds for design and to begin construction of the roadways as design is completed, the new I-30 on-ramp and the remaining funds to be issued that complete the downtown project contract with Hill-Wilkinson. The new bonds will total $7,895,000 for roadways and $880,000 for Downtown. There will remain the authorization for downtown totaling $1,244,000 since other funds were applied to the project.

Action Needed

Staff requests Council approve the accompanying resolution, which directs staff to publish a notice of intent to issue Certificates of Obligation.

RESOLUTION NO. ____

RESOLUTION DIRECTING PUBLICATION OF NOTICE OF INTENTION TO ISSUE COMBINATION TAX AND SURPLUS REVENUE CERTIFICATES OF OBLIGATION; AND RESOLVING OTHER MATTERS RELATING TO THE SUBJECT

WHEREAS, this City Council finds and determines that it is necessary and in the best interest of the City of Rockwall, Texas (the "City") and the health, welfare and safety of its residents to issue certificates of obligation to provide funds as described herein to provide waterworks and sewer system improvements and acquisition of equipment and vehicles for the public health and welfare;

WHEREAS, this City Council further finds and determines that it is in the best interest of the City and its residents to include in the proposed issue of certificates of obligation funds for the public improvements and acquisition of the equipment and vehicles hereinafter described, rather than fund such projects with the issuance of other debt instruments, in order to reduce the costs of such transactions;

WHEREAS, the City expects to pay expenditures in connection with the projects described in "Exhibit A" to this Resolution prior to the issuance of the certificates of obligation hereinafter described;

WHEREAS, this City Council hereby finds, considers and declares that the reimbursement of the payment by the City of such expenditures will be appropriate and consistent with the lawful objectives of the City and, as such, chooses to declare its intention, in accordance with the provisions of Section 1.150-2 of the U.S. Treasury Regulations, to reimburse itself for such payments at such time as it issues the hereinafter described certificates of obligation;

WHEREAS, this City Council deems it advisable to authorize publication of notice of intent to issue certificates of obligation for the purposes hereinafter set forth; and

WHEREAS, it is hereby officially found and determined that the meeting at which this Resolution was considered was open to the public, and public notice of the time, place and purpose of said meeting was given, all as required by Chapter 551, Texas Government Code.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. Attached hereto and marked "Exhibit A" is a form of notice, the form and substance of which are hereby passed and approved.

Section 2. The City Secretary shall cause said notice to be published in substantially the form attached hereto, in a newspaper of general circulation in said City, and published in said City, on the same day in each of two consecutive weeks, the date of the first publication thereof to be at least 30 days prior to the time set for the issuance of such certificates of obligation as shown in said notice.

Section 3. All costs to be reimbursed pursuant to this Resolution will be capital expenditures; the proposed certificates of obligation shall be issued within 18 months of the later of (i) the date the expenditures are paid or (ii) the date on which the property, with respect to which such expenditures were made, is placed in service; and the foregoing notwithstanding, the certificates of obligation will not be issued pursuant to this Resolution on a date that is more than three years after the date any expenditure which is to be reimbursed is paid.

Section 4. This Resolution shall be effective immediately upon adoption.

APPROVED AS TO FORM: [CITY SEAL]

City Attorney

EXHIBIT A

NOTICE OF INTENTION TO ISSUE
COMBINATION TAX AND SURPLUS REVENUE CERTIFICATES OF OBLIGATION
OF THE CITY OF ROCKWALL, TEXAS

NOTICE IS HEREBY GIVEN that the City Council of the City of Rockwall, Texas, at its meeting to commence at 6:00 P.M. on January 19, 2016, at the City Hall, 385 South Goliad Street, Rockwall, Texas, tentatively proposes to adopt an ordinance authorizing the issuance of interest bearing certificates of obligation, in one or more series, in an amount not to exceed $6,000,000 for paying all or a portion of the City's contractual obligations incurred in connection with (i) acquiring, constructing, installing and equipping additions, extensions and improvements to the City's waterworks and sewer system, including the acquisition of vehicles and equipment for the waterworks and sewer system; and (ii) legal, fiscal and engineering fees in connection with such projects. The ordinance may authorize an authorized officer of the City to effect the sale and delivery of the certificates of obligation on a date subsequent to the adoption of the ordinance. The City proposes to provide for the payment of such certificates of obligation from the levy and collection of ad valorem taxes in the City as provided by law and from a pledge of surplus revenues of the City's waterworks and sewer system, remaining after payment of all operation and maintenance expenses thereof, and all debt service, reserve, and other requirements in connection with all of the City's revenue bonds or other obligations (now or hereafter outstanding), which are payable from all or any part of the net revenues of the City's waterworks and sewer system. The certificates of obligation are to be issued, and this notice is given, under and pursuant to the provisions of V.T.C.A., Local Government Code, Subchapter C of Chapter 271.

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Cole, City Secretary / Assistant to the City Manager**

DATE: **November 24, 2015**

SUBJECT: **Designating newspaper of record**

After requesting and receiving several pricing proposals last year, in December of 2014 the Council unanimously voted to designate the Rockwall Herald Banner as the city's newspaper of record. Under the newspaper that had previously been designated, the city spent $15,876.37 in an eleven month period in 2014. With the Rockwall Herald Banner, in the past eleven months of 2015, the city has spent $15,322.28 in advertising.

According to Article XI., Sec. 11.02 of the city charter,

> *The City Council must designate annually a newspaper of general circulation in the City to serve as newspaper of record. All ordinances, notices and other matters required by this Charter, City ordinance, or the Constitution and laws of the State of Texas must be published in the newspaper of record.*

According to Section 2051.049 of the Texas Government Code;

> *The governmental entity or representative required to publish a notice in a newspaper shall select, in accordance with this subchapter, one or more newspapers to publish the notice.*

According to Section 2051.044 of the Texas Government Code

> *The newspaper in which a notice is published must:(1) devote not less than 25 percent of its total column lineage to general interest items;(2) be published at least once each week;(3) be entered as second-class postal matter in the county where published; and(4) have been published regularly and continuously for at least 12 months before the governmental entity or representative publishes notice.*

While state law outlines the requirements for the official newspaper, and the city's Charter calls for designating a newspaper of record annually, there is no legal method or process in place that stipulates how the city selects the official newspaper. The Council's options for designating a newspaper of record are as follows:

- rename the Royse City/Rockwall Herald Banner as the official newspaper of record via a motion and simple majority vote of the Council; or,
- instruct staff to initiate a "request for proposals" process, compile the results, and present them to Council for consideration at the second meeting in January or the first meeting in February.

Staff is happy to help answer any questions the Council may have at the meeting on December 7.

Re: October Structure Fire
Date: November 18, 2015

1508 Signal Ridge

We responded to a report of a smoke inside a residence on October 12, 2015 at 1507 Signal Ridge. Upon arrival and further investigation it was determined the smoke was coming from the unit above 1507. Firefighters had to make forcible entry into unit 1508. Upon entry it was discovered that a fire had been burning inside and had self-extinguished. There was significant damage to unit 1508 due to the fire and smoke. There were no firefighter injuries on this incident but one pet was lost due to being trapped inside of the residence.

Total:	152	185	265	330	376	331	325	353	**357**		

Key Projects:

(1) **New Internet Maps / GIS Day Prep**. Continue development of new suite of internet maps. Preparation for upcoming GIS Day event.

(2) **911 Addressing**. Assigned addresses to new homes, businesses, and utilities. Updated state database.

(3) **GPS Intern Projects**. New GPS projects locating all Screening Walls, Utility updates, Air Release Valves, and Grease Traps. Also updating Building Footprints.

(4) **Lidar Data**. Utilized new Lidar 3D data for several engineering flood study projects.

(5) **CommunityVIZ**. Began running studies on suitability and citywide land use through new analysis software.

(6) **NCTCOG Next Generation 911**. Updating NCTCOG NG911 data and repairing any city or state MSAG errors.

Year to Date Project Request by Department:

Admin / HR / Internal Ops	0
Building Inspections	0
Citizen Request	0
City Council	1
City Manager's Office	0
Neighborhood Improvement Services	0
Engineering / Public Works	13
Finance / Utilities	0
Fire Department	1
GIS (Citywide Projects)	7
IT	0
Main Street Program	1
Outside Agencies	1
Parks and Recreation	5
Planning	4
Police Department	4
REDC	1
Total	38

(7) **Harbor District Concept Plan Update**. Update current conditions compared to original concept plan.

(8) **Post EPA Inspection / CMOM** . Identified reporting needs, utility calculations, and other GIS data projects.

(9) **Event Maps.** Created various event maps for Main Street program, Police Dept, Parks, and Impact.

(10) **New 2015 Aerials and Contours Delivery.** Incorporate new data purchased from NCTCOG.

p.24 **2.** Consider awarding a bid to New Star Grading and Paving Company and authorizing the City Manager to execute a Purchase Order for utility cuts pavement repair services for an estimated annual amount of $75,000 to be funded out of the General Fund Streets Operations Budget, and take any action necessary.

p.26 **3.** Consider awarding a bid to Nortex Concrete Lift and Stabilization and authorizing the City Manager to execute a Purchase Order for concrete paving stabilization services for an estimated annual amount of $50,000 to be funded out of the General Fund Streets Operations Budget, and take any action necessary.

p.28 **4.** Consider authorizing the City Manager to execute a professional engineering services contract with Birkhoff, Hendricks & Carter, LLP in the amount of $124,400 to perform a wastewater lift station evaluation update on the City's wastewater lift stations to be funded by water/sewer revenue bonds, and take any action necessary.

p.42 **5.** Consider awarding a bid to Hoyt Breathing Air Products and authorizing the City Manager to execute a Purchase Order for new Fire Fighter SCBA Air Paks and Bottles in the amount of $343,016.20 to be funded out of the General Fund, and take any action necessary.

p.44 **6.** Consider designation of the city's newspaper of record, naming the Rockwall County Herald Banner, as annually required by the City's Charter, and take any action necessary.

X. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

p.46 **2.** Appointment with Patricia Davis, Chief Appraiser with the Rockwall Central Appraisal District, to discuss and consider CAD-related matters, including a proposed interlocal agreement for assessment and collection of taxes, and take any action necessary.

XI. PUBLIC HEARING ITEMS

p.53 **1.** **MIS2015-003** - Hold a public hearing to discuss and consider approval of an **ordinance** for a City initiated request to amend the Comprehensive Plan by approving changes to the Master Thoroughfare Plan Map contained within the Transportation section, add a street cross section for a M4U-M (minor arterial, four [4] lane, undivided roadway, modified) and modify existing street cross sections in Appendix 'D', Thoroughfare Cross Sections, and take any action necessary [**1st Reading].**

p.96 **2.** **Z2015-030** - Hold a public hearing to discuss and consider approval of an **ordinance** for a City initiated request for a zoning amendment to Planned Development District 75 (PD-75) being Ordinance No. 09-37, containing 329.53-acres of land, identified as the Lake Rockwall Estates Subdivision, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 75 (PD-75) for Single Family 7 (SF-7) District land uses, being situated east of Tubbs Road and north of County Line Road, and take any action necessary **[1st Reading].**

p.183 **3.** **Z2015-031** - Hold a public hearing to discuss and consider a request by John and Lenny James on behalf of the owner Rockway Partners for the approval of an **ordinanc**e for a Specific Use Permit (SUP) for a carwash on a 0.688-acre parcel of land identified as Lot 1, Block D, La Jolla Pointe Addition, Phase 2, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located at the northwest corner of La Jolla Pointe Drive and Ridge Road [FM-740], and take any action necessary **[1st Reading].**

p.204 **4.** **Z2015-032** - Hold a public hearing to discuss and consider a request by Lloyd Waldrop of Rockwall Gold & Silver on behalf of the owner Donna Pritchard for the approval of an renewal of Specific Use Permit (SUP) No. S-115 (**Ordinance** No. 13-46) allowing a pawn shop on a portion of a 0.423-acre parcel of land identified as Lot 1, Block 1 of the Garland Federal Savings & Loan Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the SH-205 Overlay (SH-205 OV) District, address as Suite 1 of 1901 S. Goliad Street, and take any action necessary **[1st Reading].**

p.226 **5.** **Z2015-033** - Hold a public hearing to discuss and consider a request by Stephen B. North for the approval of an **ordinance** for a Specific Use Permit (SUP) for an accessory building not meeting the standards stipulated by the Unified Development Code on a 0.23-acre parcel of land identified as Lot 14, Block F, Harlan Park Addition, Phase 1, City of Rockwall, Rockwall County, Texas, zoned Single Family 10 (SF-10) District, situated within the North SH-205 Overlay (N. SH-205 OV) District, addressed as 513 Windsor Way, and take any action necessary **[1st Reading].**

p.247 6. **Z2015-034** - Hold a public hearing to discuss and consider a request by Pat Atkins of Saddle Star Land Development Inc. on behalf of the owner Randa Hance of R&R Hance Investment LP for the approval of an **ordinance** for a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 8.4 (SF-8.4) District land uses for a 45.318-acre tract of land identified as Tract 2-03 of the P. B. Harrison Survey, Abstract No. 97, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (SH-205 BY-OV) District, located on the north side of John King Boulevard south of FM-552, and take any action necessary **[1st Reading].**

p.269 7. **Z2015-035** - Hold a public hearing to discuss and consider a request by Pat Atkins of Saddle Star Land Development Inc. on behalf of the owner Larry Hance for the approval of an **ordinance** for a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 8.4 (SF-8.4) District land uses for a 44.56-acre tract of land identified as Tract 3 of the T. R. Bailey Survey, Abstract No. 30, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (SH-205 BY-OV) District, located at the northwest corner of FM-552 and John King Boulevard, and take any action necessary **[1st Reading].**

XII. ACTION ITEMS

p.302 1. **SP2015-018** - Discuss and consider a request by Michael Liang of the Dimension Group on behalf of Jeffery Baird of RaceTrac for the approval of a variance to the secondary material requirements stipulated by Section 6.8 of Article V, District Development Standards, of the Unified Development Code in conjunction with an approved site plan for a retail store with gasoline sales on a 2.46-acre parcel of land identified as Lots 1R & 2R of the Woods at Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located at the southeast corner of the intersection of Ridge Road and Yellow Jacket Lane, and take any action necessary.

p.309 2. **P2015-041** - Discuss and consider a request by Tony Rangel of Rangel Land Surveying on behalf of the owner Shawn Valk of Platinum Storage, LLC for the approval of a replat for Lots 2 & 3, Block A, Platinum Storage Addition being a 5.549-acre parcel of land currently identified as Lot 1, Block A, Platinum Storage Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, located east of Townsend Drive and north of SH-276, and take any action necessary.

p.319 3. Discuss and consider adoption of a resolution fixing the water and wastewater rates of the city, and take any action necessary.

p.323 4. Discuss and consider adoption of a resolution setting solid waste collection rates, and take any action necessary.

p.327 5. Consider approval of an **ordinance** modifying Chapter 38. Subdivisions, Article 1. In General, Section 38-19. Street Improvements and Oversizing, of the Municipal Code of Ordinances to require a 41-foot street adjacent to schools and parks, and take any action necessary. **(1st reading)**

p.331 **6.** Discuss and consider the City's selection of nominees to the Texas Coalition for Affordable Power (TCAP) Board of Directors for the 2016-2017 term of office, and take any necessary action.

p.338 **7.** Discuss and consider the final report presented by Aecom related to transit services in the City of Rockwall, and take any necessary action.

p.367 **8.** Discuss and consider the formation of an Airport Advisory Board at the Ralph M. Hall / Rockwall Municipal Airport, and take any necessary action.

XIII. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding Economic Development incentives, procedures and possible projects pursuant to Section 551.087 (Economic Development)
2. Discussion regarding negotiations of Access Agreement pursuant to Section 551.071 (Consultation with Attorney)
3. Discussion regarding land acquisition for South Community Park pursuant to Section § 551.072 (Real Property).
4. Discussion regarding (re)appointments to city regulatory boards, commissions, and committees - Rockwall Economic Development Corporation (REDC) Ex-Officio Board Members - pursuant to Section 551.074 (personnel matters)
5. Discussion regarding purchase or lease of real property / land acquisition in the vicinity of the downtown area pursuant to Section § 551.072 (Real Property).
6. Discussion regarding legal advice associated with homeowners association (HOA) regulations within the city pursuant to Section 551.071 (Consultation with Attorney).
7. Discussion regarding process associated with City Manager performance evaluation pursuant to Section 551.074 (personnel matters)

XIV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

XV. ADJOURNMENT

This facility is wheelchair accessible and accessible parking spaces are available. Request for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's Office at (972) 771-7700 or FAX (972) 771-7727 for further information.

The City of Rockwall City Council reserves the right to adjourn into executive session at any time to discuss any of the matters listed on the agenda above, as authorized by Texas Government Code § 551.071 (Consultation with Attorney) § 551.072 (Deliberations about Real Property) § 551.074 (Personnel Matters) and § 551.086 (Economic Development)

I, Kristy Cole, City Secretary for the City of Rockwall, Texas, do hereby certify that this Agenda was posted at City Hall, in a place readily accessible to the general public at all times, on the 18th day of December, 2015 at 4:00 p.m. and remained so posted for at least 72 continuous hours preceding the scheduled time of said meeting.

Kristy Cole, City Secretary — Date Removed

Jacky Casey, Assistant Secretary

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Brad Griggs, Assistant City Manager**

FROM: **Andy Hesser, Parks and Recreation Manager**

DATE: **December 15, 2015**

SUBJECT: **PARKS AND RECREATION STRATEGIC INITIATIVES**

As a result of joint meetings with Park Board and City Council and staff input, 15 new initiatives have been identified. The initiatives are intended to be strategic in nature and achievable in a 12 to 24 month period.

At the June 2, 2015 meeting, Park Board voted unanimously to recommend that City Council consider approving the strategic initiatives Park Board requested a work session with City Council at the June 15th meeting to present the final recommendations. Council voted unanimously to approve the strategic initiatives as presented as well as a budget amendment for the purchase of online registration software.

One of the major components of the presentation was the public awareness campaign. The Park Board recommended the creation of a branding concept for parks, recreation, open space and trails and to develop an electronic and print media communication plan with consistent style guidelines.

At the June Park Board meeting staff presented a preliminary public awareness campaign centered on the “Go Outside and Play” concept. This campaign incorporated the recommendations by Park Board. The Board voted unanimously to recommend that staff move forward with the “Go Outside and Play” concept.

Since that time, Council approved several budget requests regarding improving the City’s marketing efforts such as: Marketing and PIO staff position, a marketing budget created through additional program revenue fees, creation of a new website, and various other assets that will bear the campaign message.

Staff presented the final draft of the “Go Outside and Play” campaign to Park Board at the November meeting, which detailed the progress of the establishment of a new mobile responsive website that incorporates the new registration software as well as the style guidelines and new logo. This logo and style guideline would be used as the vehicle to inform residents and visitors of the parks, trails, facilities, programs and

events that Rockwall offers. Park Board voted 4 in favor, 1 against and 2 absent to recommend approval of the final draft to City Council. Mr. Lewis was absent, Mr. Harton had to leave early and Mr. Larson was the dissenting vote.

Park Board Chairman Brad Basset will present the final draft of the “Go Outside and Play” public awareness campaign for Council’s consideration. Contingent upon Council approval, staff is prepared to move forward with the remaining items in the strategic initiative.

MINUTES
ROCKWALL CITY COUNCIL
Monday, December 07, 2015
4:00 p.m. Regular City Council Meeting
City Hall - 385 S. Goliad, Rockwall, Texas 75087

I. CALL PUBLIC MEETING TO ORDER

Mayor Pruitt called the public meeting to order at 4:00 p.m. Present were Mayor Jim Pruitt, Mayor Pro Tem Dennis Lewis and Council Members David White, Mike Townsend, John Hohenshelt, and Kevin Fowler. Also present were City Manager Rick Crowley, Assistant City Managers Mary Smith and Brad Griggs and City Attorney Frank Garza. City Council Member Scott Milder was absent from the meeting.

Mayor Pruitt read the below listed items into the public record before recessing the public meeting into Executive Session at 4:02 p.m.

II. EXECUTIVE SESSION.

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding land acquisition for South Community Park pursuant to Section § 551.072 (Real Property).
2. Discussion regarding purchase or lease of real property / land acquisition in the vicinity of the downtown area pursuant to Section § 551.072 (Real Property).
3. Discussion regarding legal advice associated with homeowners association (HOA) regulations within the city pursuant to Section 551.071 (Consultation with Attorney).
4. Discussion regarding process associated with City Manager performance evaluation pursuant to Section 551.074 (personnel matters)

III. ADJOURN EXECUTIVE SESSION

Mayor Pruitt called the public meeting back to order at 4:25 p.m., announcing that the Council will now address the following Work Session items.

IV. WORK SESSION

1. Hold work session with Christopher Jackson - Wynne/Jackson Inc. to discuss potential development generally located in the vicinity of FM-3097 and FM-549.

Christopher Jackson of Wynne / Jackson, Inc.
600 N. Pearl, Suite 650
Dallas, TX 75201

Mr. Jackson came forth, introduced himself, explaining that he is a developer that has been in business since the 1970s. He shared that the Wallace property is currently under contract, and he would like to make a presentation to the city council to show them the type of residential developments that his company constructs, generally indicating that these are master planned type communities that are high-end and have several amenities (i.e. playgrounds, swimming pools (some with play areas), trails, and other resort-like amenities). General indication was given that these types of communities are representative of the type of development his company would like to see built on the Wallace property. While explaining the draft site plan he displayed, he shared that he is suggesting a memory care type facility be placed on a portion of the property. He stressed that this would not be a multi-family development, but, rather, a memory care facility that could be controlled with deed restrictions. He explained that a portion of the development may be slated as 'age restricted' for perhaps the 'baby boomer' generation who may prefer to not live right next door to a young family with four kids yet do not wish to be totally isolated either.

City Manager Mr. Crowley reminded Mr. Jackson about the City of Rockwall's desire to have some land set aside within this development for a public, neighborhood park. Mr. Jackson suggested that, regarding the city's desire for a neighborhood park, if money is not readily available, a TIF (tax increment financing) or perhaps a PID (public improvement district) might be put on the table for consideration, sharing that the City of Celina is doing a lot of PIDs lately.

Councilmember Townsend asked for clarification regarding what Mr. Jackson is asking of the city / city council (other than changes to John King Blvd.). Mr. Jackson shared that he would like feedback regarding if the city feels this package represents an acceptable land use. Comments were then made pertaining to the park.

Mr. Clyde Jackson (same address as above), came forth and indicated that $275,000 – $350,000, perhaps even $400,000, would be the price point of these homes. He shared some general ideas concerning a possible park on a portion of this overall property.

Mayor Pro Tem Lewis expressed that 2.5 units per acre is something that the Council likely wishes to improve (the council will likely prefer less density). Also, the city getting the park land it desires is a big deal. Mr. Jackson (Sr.) explained that density is relative and that it will not feel crowded or like there are too many houses.

Mayor Pruitt and Mr. Jackson (Sr.) spoke briefly about density as well as surrounding properties that may be developed some time in the future. Pruitt expressed concern regarding public access to the section of the land that might, hypothetically, be developed as a city park. Mr. Jackson generally indicated that there may be a few ways that two to three access points could be considered so that cars would not have to drive all the way through the neighborhood to access the park.

General discussion took place related to options concerning the park, access to it, funding for it, the gas line that runs through it, and density. The realignment of John King Boulevard was also briefly discussed.

Mr. Jackson (Sr.) indicated that the negotiations on this property have been ongoing for two years, and economics involved with this development are pretty tight, especially given the various development constraints.

Mayor Pruitt explained that the City Council, in order to be comfortable with higher density (higher than 2 houses per acre), must feel as though they are getting attractive, meaningful amenities in exchange for that higher density. Mr. Jackson (Sr.) explained that the amenity package will be high-end, will consist of an extensive trail system, and the exposure to the creeks will be maximized to allow them to be part of the parks system. He expressed that he believes this development will be the best one in this part of town and will thereby raise the values of the properties around it. Also, those living there will contribute to the tax base through sales tax revenue. Mr. Jackson (Jr.) expressed that they have budgeted for a full amenities center, including a pool as well.

Regarding proposed changes to the thoroughfare plan, staff is in the process of getting feedback from the property owner to the north, and they may solicit feedback from the property owners to the south.

Mr. Jackson (Sr.) explained that they have about 90 days (from last week) to get assurance on the zoning and realignment of John King and to work out a deal on the park land.

Councilmember Hohenshelt expressed large concern about the access challenges associated with the potential public park land.

Mayor Pruitt indicated that the staff and council welcome further communication regarding this potential development.

Mr. Jackson (Jr. / initial speaker) asked if the Council would be open to financing options such as PIDs and/or TIFs. Mayor Pruitt indicated that Rockwall is not really big on PIDs and TIFs and really does not prefer those sorts of financing options.

At the end of the discussion, Council took no formal action concerning this item.

2. Hold work session to hear and discuss a final report by AECOM regarding public transportation, and take any action necessary.

Andrew Ittigson
AECOM
1950 N. Stemmons Freeway, Ste. 6000
Dallas, TX 75207

Since AECOM briefed the Council back in September, its consultant has had various conversations with the consultant working for STAR Transit. Mr. Ittigson briefed the council on average cost associated with ridership, indicating that STAR's cost per revenue hour is reasonable compared to the average associated with other, comparable transit providers. He briefed Council on ridership loads, including the peak hour around 3PM when the Girls & Boys Club rides are taking place. He also shared a manifest map from April which showed where rides were originating and going. He explained that LogistiCare is the transportation service provided for Medicaid non-emergency trips funded through TX Health & Human Services Commission. He stated that these trips will take place regardless of if STAR Transit is operating or not. He shared that approximately 8% of trips in Rockwall County were for LogistiCare trips in October of 2015, sharing that this resulted in about $15,000 in revenue for October for the provider (now STAR). Service is made up primarily of short trips. STAR's cost effectiveness metrics are in line with peers as far as cost per hour and cost per mile.

At the request of Mr. Crowley, Council generally agreed to place this item on the next Council meeting agenda for further discussion before possibly forwarding these findings to Rockwall County for them to be used in negotiations with STAR when discussing the contract.

Council recessed the public meeting and reconvened in Executive Session again at 5:35 p.m.

V. RECONVENE PUBLIC MEETING

Mayor Pruitt reconvened the public meeting at 6:00 p.m. with all Council Members except Scott Milder being present.

VI. TAKE ANY ACTION AS A RESULT OF EXECUTIVE SESSION

Mayor Pro Tem Lewis indicated that no action is needed as a result of Executive Session.

VII. INVOCATION AND PLEDGE OF ALLEGIANCE – COUNCILMEMBER WHITE

Councilmember White delivered the invocation and led the Pledge of Allegiance.

VIII. PROCLAMATIONS / AWARDS

1. Snowball Express Celebration Day

Parker Coddington, Owner of Shenaniganz, came forth and thanked the city for its support of the Snowball Express organization coming to his facility in Rockwall on Monday, December 14th at 9:45 a.m. He explained that this organization offers fun activities to children and their families who have lost a parent while on active military duty since 9/11. He encouraged the public to show up to be part of a cheering squad to welcome these kids to Rockwall and to Shenaniganz on Monday morning, one week from today. Mayor Pruitt then read and presented Mr. Coddington with a proclamation, declaring it Snowball Express Celebration Day in the City of Rockwall.

IX. OPEN FORUM

Mayor Pruitt explained how Open Forum is conducted and asked if anyone would like to come forth and speak at this time. There being no one, he then closed Open Forum.

X. CONSENT AGENDA

1. Consider approval of the minutes from the November 16, 2015 regular city council meeting, and take any action necessary.

2. **Z2015-027** - Consider a request by Bobby Dale and Bretta Price for the approval of an **ordinance** for a zoning change from an Agricultural (AG) District to a Single Family Estate 2.0 (SFE-2.0) District for a 5.5-acre tract of land identified as Tract 17-7 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, addressed as 453 Cullins Road, and take any action necessary **[2nd Reading]**.

3. **Z2015-029** - Consider a City initiated zoning request for the approval of an **ordinance** for a text amendment to various sections of Article V, District Development Standards, Article VIII, Landscaping Standards, and Article IX, Tree Preservation, and to create Appendix F, Landscaping Guidelines, of the Unified Development Code [Ordinance No. 04-38] for the purpose of incorporating recommendations made by the Landscape Ordinance Review Committee, and take any action necessary **[2nd Reading].**

4. Consider authorizing the City Manager to execute an agreement with the Rockwall Central Appraisal District for collection services for the fiscal year 2016 in the amount of $67,940 to be funded by the Administration Operating Budget, and take any action necessary.

5. Consider authorizing the city manager to execute an interlocal agreement with Rockwall County related to municipal judge services for "No Refusal Weekends" during the upcoming year, and take any action necessary.

6. Consider authorizing the City Manager to execute a Professional Engineering Services Contract with Birkhoff, Hendricks & Carter, LLP to prepare engineering design plans and specifications for the utility relocations on SH 276 from SH 205 to FM 549 in an amount not to exceed $72,800 to be funded by water and sewer revenue bonds, and take any action necessary.

7. Consider authorizing the City Manager to execute a Professional Services Contract with Pipeline Analysis, LLC to perform a Capacity, Management, Operations and Maintenance Self-Audit and Plan in the amount of $29,235 to be funded by water and sewer revenue bonds, and take any action necessary.

8. Consider authorizing the City Manager to execute a Professional Engineering Services Contract with Teague, Nall and Perkins, Inc. to eliminate the Stonebridge Lift Station and construct new sanitary sewer gravity pipe to serve the current area in the amount of $74,300 to be funded by water and sewer revenue bonds, and take any action necessary.

Mayor Pro Tem Lewis pulled item #8 for further discussion. Mayor Pruitt pulled items #3 and #4. Councilmember White made a motion to approve the remaining items. The ordinance for #2 was read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-31

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED SO AS TO FURTHER AMEND THE ZONING MAP TO ADOPT A CHANGE IN ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO A SINGLE-FAMILY ESTATE 2.0 (SFE-2.0) DISTRICT FOR A 5.50-ACRE TRACT OF LAND IDENTIFIED AS TRACT 17-7 OF THE W.W. FORD SURVEY, ABSTRACT NO. 80, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE SPECIFICALLY DESCRIBED IN *EXHIBIT 'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 6 in favor with 1 absent (Milder).

Councilmember White made a motion to approve item #3. Councilmember Townsend seconded the motion. Mayor Pruitt indicated that he voted against this item at the last meeting, so this is why he pulled it. He explained that he voted against it because of the change in the landscape canopy trees from three down to two. The ordinance was then read as follows:

CITY OF ROCKWALL
ORDINANCE NO. 15-32

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, BY AMENDING SECTION 6 OF ARTICLE V, *DISTRICT DEVELOPMENT STANDARDS*; SECTIONS 3, 5, 6 & 7 OF ARTICLE VIII, *LANDSCAPE STANDARDS*; SECTION 7 OF ARTICLE IX, *TREE PRESERVATION*; AND TO CREATE APPENDIX F, *LANDSCAPE GUIDELINES*; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 5 in favor, 1 against (Pruitt) and 1 absent (Milder).

Regarding item #4, Mayor Pruitt expressed that the city has received incorrect figures for the TIF and for the City, which resulted in the city having to change our tax rate. So, therefore, he made a motion to table this item in order to invite the CAD to appear before the Council prior to this contract being considered / approved and prior to the city paying the CAD any money associated with the contract. Councilmember White seconded the motion, which passed unanimously of those present (1 (Milder) absent).

Regarding Consent Agenda item #8, Mayor Pro Tem Lewis gave kudos to Tim Tumulty and his staff member, Jeremy White for discovering that keeping this treatment plant up and running is no longer necessary. After brief comments, Mayor Pro Tem Lewis made a motion to approve Consent Agenda item #8. Councilmember White seconded the motion, which passed by a vote of 6 in favor with 1 against (Milder).

Councilmember Townsend left the remainder of the meeting at this time (6:13 p.m.).

XI. APPOINTMENTS

1. Appointment with the Planning and Zoning Chairman to discuss and answer any questions regarding cases on the agenda and related issues and take any action necessary.

Planning & Zoning Chairman, Craig Renfro, came forth and briefed the Council concerning items on tonight's agenda that are planning-related. The Council took no formal action concerning this agenda item.

XII. ACTION ITEMS

1. Discuss and consider a request by Chad Hudson for the approval of a variance to the material requirements stipulated by Section 7.5, Retaining Walls, of the Standards of Design and Construction manual for a 1.395-acre parcel of land identified as Lot 5, Block A, Independence Pass Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 8 (PD-8) for single family land uses, addressed as 107 Independent Place, and take any action necessary.

Mayor Pruitt made a motion to table this request to allow the Chandler's Landing HOA time to notify homeowners living around this property that the applicant is seeking a variance from the city. Pruitt's motion failed for lack of a second.

Councilmember White made a motion to approve the variance requested for the material requirements associated with the retaining wall. Councilmember Hohenshelt seconded the motion. Mayor Pro Tem Lewis mentioned that he does have some concerns about the city not having something in writing from the Chandler's Landing HOA stating that they are okay with this. City Attorney Frank Garza provided clarification, generally indicating that the city granting this variance is separate and apart from the homeowner needing to get his wall reviewed and approved by his community's HOA. Mr. Hudson agreed to bring a new, updated letter from the Chandler's Landing HOA, before or when he picks up his retaining wall permit. Mayor Pruitt indicated that he met with the chairman of the HOA this morning, and he conveyed that he is not okay with the city approving the variance request without Chandler's first having an opportunity to follow its normal process of notifying adjacent property owners. Mr. Hudson provided a drawing / rendering of the retaining wall in question, indicating that only about 4' of it will be seen and that mostly it will be located behind his house. He further explained that beyond the retaining wall behind his house is another row of homes; however, those sit about 8' above his home down below, so those who are located behind him will not see the retaining wall. Mayor Pro Tem Lewis asked if delaying this item would be large burden to Mr. Hudson, who generally indicated that, no, delaying this item will not present a large inconvenience.

After the discussion, the motion passed by a vote of 4 in favor, 1 against (Pruitt), and 2 absent (Townsend and Milder).

2. Discuss and consider a request from Ms. Matilyn Mathis with The Rustic Warehouse for size, height and materials variances for a projection sign located at 1411 South Goliad, and take any action necessary.

Jeffrey Widmer, Building Official, came forth and briefed the Council on Ms. Mathis' request for this sign-related variance. Ms. Mathis came forth and explained the type of business that she has opened, indicating that they sell rustic, shabby chic type furniture and décor. She generally indicated that she did not realize she had to obtain permission from the city before erecting the sign that's now sitting atop her building. Mayor Pro Tem Lewis expressed some degree of doubt regarding the applicant not knowing that a sign permit was required. After some additional discussion, Mayor Pro Tem Lewis made a motion to approve the variances. Councilmember White seconded the motion, which passed unanimously of those present (Milder and Townsend absent).

3. Discuss and consider a request from Ms. Brandi Lewellen with Sign Mart representing The Major Law Firm for a setback variance for a monument sign located at 301 N Fannin, and take any action necessary.

Mr. Widmer provided a brief summary of this request. Mayor Pruitt made a motion to approve the variance. Councilmember Fowler seconded the motion, which passed by a vote of 5 in favor with 2 absent (Milder and Townsend).

4. Discuss and consider modifying Chapter 38. Subdivisions, Article I. In General, Section 38-19. Street Improvements and Oversizing of the Municipal Code of Ordinances to require a 41-foot street adjacent to schools and parks, and take any action necessary.

Mayor Pruitt made a motion to approve moving forward with this change. Mayor Pro Tem Lewis seconded the motion. Lewis pointed out that this will allow sufficient parking area and room to navigate, especially for those having birthday parties in parks. Councilmember White expressed opposition to this requirement, stating that he is not aware that a problem in this regard even exists.

Mr. Tumulty indicated that this change was initiated because of a citizen living in Fontana Ranch who has had repeated problems with driving space in and around the nearby school, especially when special events, such as a recent Halloween event, take place at the school. Mr. Tumulty indicated that, although this change will not help this particular resident or those living in Fontana Ranch, it will help avoid these sorts of traffic congestion issues in and around these types of facilities (schools and parks) in the future. The motion passed by a vote of 4 in favor, 1 against (White), and 2 absent (Milder and Townsend).

5. Discuss and consider approval of a resolution directing publication of notice of intention to issue combination tax and surplus revenue certificates of obligation; resolving other matters relating to the subject; and take any action necessary.

Assistant City Manager Mary Smith provided brief comments related to this item. Mayor Pro Tem Lewis made a motion to approve the resolution directing publication of notice of intention to issue combination tax and surplus revenue certificates of obligation. Mayor Pruitt seconded the motion, which passed by a vote of 5 in favor with 2 absent (Milder and Townsend).

6. Discuss and consider process associated with and/or annual designation of city's newspaper of record, and take any action necessary.

City Manager Rick Crowley explained that the city's Charter calls for an annual designation of an official newspaper of record. Neither the Charter nor state law prescribes the process by which the Council is to do so. After explaining to the Council what its options are, Councilmember White indicated that as long as staff has not been experiencing any issues or concerns with the current newspaper of record (Herald Banner), he sees no problem with the Council designating that paper once again. Council took no action related to this item at this time.

7. Discuss and consider (re)appointment of board members to the Main Street Advisory Board, and take any action necessary.

Councilmember White made a motion to reappoint

- **Michael Adrian**
- **Evan Matteson**
- **Claudette Hatfield**

to an additional two-year term on the Main Street Advisory Board (to expire January of 2018). Mayor Pro Tem Lewis seconded the motion, which passed by a vote of 5 in favor with 2 absent (Milder and Townsend).

XIII. CITY MANAGER'S REPORT TO DISCUSS CURRENT CITY ACTIVITIES, UPCOMING MEETINGS, FUTURE LEGISLATIVE ACTIVITIES, AND OTHER RELATED MATTERS.

1. Departmental Reports
Building Inspections Monthly Report - October 2015
Fire Dept. Monthly Reports - October 2015
GIS Department Monthly Report - October 2015
Harbor PD Monthly Report - October 2015
Internal Operations Department Monthly Report - October 2015
Police Department Monthly Report - October 2015
Recreation Monthly Report - October 2015
Rockwall Animal Adoption Center Monthly Report - October 2015

2. City Manager's Report

Mr. Crowley explained that the Department Heads are happy to answer any questions the Council may have. He reminded the Council that the city's employee Christmas party is tomorrow evening. On Thursday, December 17, the Nebbie Williams Elementary School Choir will be performing at City Hall.

Mayor Pruitt expressed that the Christmas events held over the weekend, including the parade and tree lighting, were very successful. He expressed that the downtown area, especially San Jacinto Plaza, have been very successful. He thanked the Women's League for providing the cookies and hot chocolate. He thanked the Children's Chorus for the music provided, and Alma Williams (former Mayor of Rockwall) for emceeing the event. He encouraged more people to consider volunteering their time with the city, either with downtown related events or through city council appointed boards or commissions.

XIV. EXECUTIVE SESSION

THE CITY OF ROCKWALL CITY COUNCIL WILL RECESS INTO EXECUTIVE SESSION TO DISCUSS THE FOLLOWING MATTERS AS AUTHORIZED BY CHAPTER 551 OF THE TEXAS GOVERNMENT CODE:

1. Discussion regarding land acquisition for South Community Park pursuant to Section § 551.072 (Real Property).

2. Discussion regarding purchase or lease of real property / land acquisition in the vicinity of the downtown area pursuant to Section § 551.072 (Real Property).

3. Discussion regarding legal advice associated with homeowners association (HOA) regulations within the city pursuant to Section 551.071 (Consultation with Attorney).

4. Discussion regarding process associated with City Manager performance evaluation pursuant to Section 551.074 (personnel matters)

XV. RECONVENE PUBLIC MEETING & TAKE ANY ACTION AS RESULT OF EXECUTIVE SESSION

The Council did not reconvene in Executive Session following the public meeting agenda.

XVI. ADJOURNMENT

The meeting was adjourned at 6:57 p.m.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS 21st day of December, 2015.

ATTEST: _____
Jim Pruitt, Mayor

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Richard Crowley, City Manager**

FROM: **Lea Ann Ewing, Purchasing Agent**

DATE: **December 11, 2015**

SUBJECT: **Contract for Utility Cuts Pavement Repair Services**

Approved in the General Fund, Streets Operating budget is funding for utility cut repairs in both concrete and asphalt pavement. This service contract will include labor, materials and equipment for making repairs at utility cut locations throughout the City. The estimated annual budget for this work is $75,000.

This service is available from New Star Grading and Paving Company through the City of Grand Prairie, Texas purchasing cooperative. As a member and participant in this cooperative, the City has met all formal bidding requirements pertaining to the purchase of this service.

For Council consideration is Utility Cuts Pavement Repair Service bid award to New Star on a per unit price basis and authorize the City Manager to execute a purchase order for this service.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Timothy M. Tumulty, Director of Public Works/City Engineer**

DATE: **December 11, 2015**

SUBJECT: **Wastewater Lift Station Evaluation Update**

The City of Rockwall currently operates 40 lift stations in the existing wastewater collection system. The topography of the City adjacent to Lake Ray Hubbard makes it impossible to construct a complete gravity flow collection system. The operation and maintenance of a lift station requires constant monitoring for a failure through a temporary power loss, a mechanical failure or both.

During the inspection process by the Environmental Protection Agency earlier this year, discussions occurred between their staff and ours related to the operations and maintenance performed on every lift station including known detention times (length of time the lift station can sit idle prior to an overflow occurring), means to provide temporary electrical power to a lift station during a power outage and knowing the locations of potential overflows should the City not be able to respond in a sufficient time to restart the lift station prior to an overflow.

Staff requested a Professional Engineering Services Contract with Birkhoff, Hendricks & Carter, LLP to perform these various tasks on 36 of our lift stations (remaining four to be eventually removed from operations). The cost to perform this work is $124,400. Funding will be generated by the 2016 Water and Sewer Bond sales.

Staff request City Council consideration to approve a Professional Engineering Services Contract with Birkhoff, Hendricks & Carter, LLP in the amount of $124,400 to perform a Wastewater Lift Station Evaluation Update on the City's wastewater lift stations and take any action necessary.

STATE OF TEXAS ♦
♦
COUNTY OF ROCKWALL ♦

PROFESSIONAL ENGINEERING SERVICES CONTRACT

Wastewater Lift Station Evaluation Update

This Agreement is made and entered into in Rockwall County, Texas, between City of Rockwall, Texas ("CITY"), a municipal corporation and political subdivision of the State of Texas, acting by and through its City Manager and Birkhoff, Hendricks & Carter, LLP, ("ENGINEER"), located at 11910 Greenville Ave, Suite 600 Dallas, Texas, Engineers duly licensed and practicing under the laws of the State of Texas.

WHEREAS, CITY desires to engage Engineer as an independent contractor to render certain technical and professional services necessary for performing:

PROFESSIONAL ENGINEERING SERVICES for Wastewater Lift Station Evaluation Update.

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements contained herein, the Parties hereby agree as follows:

1. Scope of Work

Engineer agrees to perform professional engineering services as specifically defined in this Contract as Exhibit "A" and as authorized by CITY. Specifically, Engineer shall perform Professional services as requested by CITY and detailed in Exhibit "A".

The Parties by mutual agreement through contract amendments may provide for additional technical and professional services to be performed under the basic general terms and conditions of this Contract. CITY reserves the right to enter into another agreement with other engineering firms to provide the same or similar professional services during the term of this Contract for different projects.

2. Compensation & Term of Agreement

Cost for such services will be an amount not to exceed One Hundred Twenty Four Thousand Four Hundred dollars ($124,400.00) and billed on an hourly basis per rates provided in Attachment "B". Engineer is not authorized to perform any work beyond the limited not to exceed amount without authorized written approval by CITY.

The term of this Agreement shall commence upon execution of this agreement and follow the schedule described in Exhibit "C". In the event of termination, Engineer will assist the CITY in arranging a smooth transition process. However, Engineer's obligation to provide services to the CITY will cease upon the effective date of termination, unless otherwise agreed in writing.

3. Method of Payment

CITY shall pay Engineer its fees based on the presentation by Engineer to CITY of a correct monthly statement for all the amounts earned under the Contract together with reasonable supporting documentation verifying the accuracy of the fees and expenses. CITY shall then pay Engineer its fee within thirty (30) days after presentation of the accurate monthly statement by Engineer to CITY. CITY is a State sales and use tax exempt political subdivision of the State of Texas. All records supporting payment shall be kept in the offices of Engineer for a period of not less than three (3) years and shall be made available to CITY for inspection, audit or copying upon reasonable request.

4. Engineer's Standard of Care

Engineer shall provide its services under this Contract with the same degree of care, skill and diligence as is ordinarily provided by a professional Engineer under similar circumstances for a similar project. Engineer represents that it has the capability, experience, available personnel, and means required to perform the services contemplated by this Contract. Services will be performed using personnel and equipment qualified and/or suitable to perform the work requested by the CITY. CITY retains the right to report to Engineer any unsatisfactory performance of Engineer personnel for appropriate corrective action. Engineer shall comply with applicable federal, state, and local laws in connection with any work performed hereunder.

Engineer will seek written CITY approval to accept any contract or perform any services for any person, entity, or business that has an agreement or is in negotiations of an agreement with CITY. CITY may waive this conflict, but such waiver is at CITY's sole discretion and its decision shall be final.

5. Ownership of Documents

As part of the total compensation which CITY has agreed to pay Engineer for the professional services to be rendered under this Contract, Engineer agrees that hard copies of all finished and unfinished documents, data, studies, surveys, drawings, specifications, field notes, maps, models, photographs, preliminary reports, reports, bid packet/construction contract documents/advertisement for bids incorporating any CITY standard provisions provided by Engineer, will remain the property of the CITY. Engineer will furnish CITY with paper and electronic copies, to the extent they are available, of all of the foregoing to facilitate coordination,

however, ownership of the underlying work product shall remain the intellectual property of the Engineer. Engineer shall have the right to use such work products for Engineer's purposes. However, such documents are not intended to be suitable for reuse by CITY or others on extension of the Project or on any other project. Any reuse without the express written consent of the Engineer will be at reuser's sole risk and without liability or legal exposure to the Engineer, and CITY to the extent allowed by law, shall hold harmless the Engineer from all claims, damages, losses, expenses, and costs, including attorneys' fees arising out of or resulting from the reuse of said documents without the Engineer's consent. The granting of such consent will entitle the Engineer to further compensation at rates to be agreed upon by CITY and the Engineer. The above notwithstanding, Engineer shall retain all rights in its standard drawing details, designs, specifications, databases, computer software and any other proprietary and intellectual property information provided pursuant to this Contract, whether or not such proprietary information was modified during the course of providing the services.

6. Insurance

A. Engineer agrees to maintain Worker's Compensation and Employer's Liability Insurance to cover all of its own personnel engaged in performing services for CITY under this Contract in at least the following amounts:

Workmen's Compensation – Statutory
Employer's Liability – $100,000.00
Bodily Injury by Disease - $500,000 (policy limits)
Bodily Injury by Disease - $100,000 (each employee)

B. Engineer also agrees to maintain Commercial General Liability, Business Automobile Liability, and Umbrella Liability Insurance covering claims against Engineer for damages resulting from bodily injury, death or property damages from accidents arising in the course of work performed under this Contract in not less than the following amounts:

$2,000,000.00 General aggregate limit

$1,000,000.00 each occurrence sub-limit for all bodily injury or property damage incurred all in one occurrence

$1,000,000.00 each occurrence sub-limit for Personal Injury and Advertising

C. Engineer shall add CITY, its City Council members and employees, as an additional insureds on all required insurance policies, except worker's compensation, employer's liability and errors and omissions insurance. The Commercial General Liability Policy and Umbrella Liability Policy shall be of an "occurrence" type policy.

D. Engineer shall furnish CITY with an Insurance Certificate on the date this Contract is executed and accepted by CITY, which confirms that all above required insurance policies are in full force and effect.

E. Engineer agrees to maintain errors and omissions professional liability insurance in the amount of not less than one million dollars ($1,000,000) annual aggregate, on a claims made basis, as long as reasonably available under standard policies.

7. **INDEMNIFICATION**

ENGINEER SHALL INDEMNIFY AND SAVE HARMLESS THE CITY AND ITS CITY COUNCIL MEMBERS AND EMPLOYEES FROM SUITS, ACTIONS, LOSSES, DAMAGES, CLAIMS, OR LIABILITY, INCLUDING WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, ALL EXPENSES OF LITIGATION, COURT COSTS, AND REASONABLE ATTORNEY'S FEES FOR INJURY OR DEATH TO ANY PERSON, OR INJURY TO ANY PROPERTY, RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY, TO THE EXTENT CAUSED BY THE NEGLIGENT ACTS OF ENGINEER OR ITS AGENTS OR EMPLOYEES, IN THE EXECUTION OF PERFORMANCE OF THIS CONTRACT.

ENGINEER'S TOTAL LIABILITY TO CITY FOR ANY LOSS OR DAMAGES FROM CLAIMS ARISING OUT OF, OR IN CONNECTION WITH, THIS CONTRACT FROM ANY CAUSE INCLUDING ENGINEER'S STRICT LIABILITY, BREACH OF CONTRACT, OR PROFESSIONAL NEGLIGENCE, ERRORS AND OMISSIONS SHALL NOT EXCEED ONE MILLION DOLLARS ($1,000,000.00). NEITHER PARTY TO THIS AGREEMENT SHALL BE LIABLE TO THE OTHER PARTY OR ANY THIRD PARTY CLAIMING THROUGH THE OTHER RESPECTIVE PARTY, FOR ANY SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE, LIQUIDATED, DELAY OR CONSEQUENTIAL DAMAGES OF ANY KIND INCLUDING BUT NOT LIMITED TO LOST PROFITS OR USE OF PROPERTY, FACILITIES OR RESOURCES, THAT MAY RESULT FROM THIS AGREEMENT, OR OUT OF ANY GOODS OR SERVICES FURNISHED HEREUNDER.

8. Addresses for Notices and Communications

CITY
Mary Smith
City of Rockwall
385 S. Goliad
Rockwall, Texas 75087

Engineer
Derek B. Chaney, P.E., R.P.L.S.
Birkhoff, Hendricks & Carter, LLP
11910 Greenville Ave. Suite 600
Dallas, Texas 75243

All notices and communications under this Contract shall be mailed or delivered to CITY and Engineer at the above addresses.

9. Successors and Assigns

CITY and Engineer each binds itself and its successors, executors, administrators and assigns to the other parties of this Contract and to the successors, executors, administrators and assigns of such other parties, in respect to all covenants of this Contract. Except as noted in the first part of this Paragraph, neither CITY nor Engineer shall assign, sublet or transfer its interest in this Contract without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer, council member, employee or agent of any public body which is a party hereto.

10. Termination for Convenience of the Parties

Engineer and CITY may terminate this Contract for their convenience at any time by giving at least thirty (30) days notice in writing to each other. If the Contract is terminated by CITY and/or Engineer as provided herein, Engineer will be paid for the Work provided and expenses incurred up to the termination date, if such final compensation is approved by CITY, in its sole discretion. If this Contract is terminated due to the fault of Engineer, Paragraph 10 hereof, relative to Termination for Cause, shall apply.

11. Changes

CITY may, from time to time, request changes in the Scope of Work of Engineer to be performed hereunder. Such changes, including any increase or decrease in the amount of Engineer's compensation, or time for performance, which are mutually agreed upon by and between CITY and Engineer, shall be incorporated in written amendments to this Contract. Any subsequent contract

amendments shall be executed by the City Manager or other authorized representative as designated by the City Manager or City Council.

Any alterations, additions or deletions to the terms of this Contract, including the scope of work, shall be by amendment in writing executed by both CITY and Contractor.

13. Reports and Information

Engineer, at such times and in such forms as CITY may reasonably require, and as specified in the Scope of Work or in additional Contract Amendments shall furnish CITY periodic reports pertaining to the Work or services undertaken pursuant to this Contract, the cost and obligations incurred, or to be incurred in connection therewith, and any other matter covered by this Contract.

14. Entire Agreement

This Contract and its Exhibits and any future Contract Amendments constitute the entire agreement, and supersede all prior agreements and understandings between the parties concerning the subject matter of this Contract.

15. Waiver

The failure on the part of either party herein at any time to require the performance by the other party, of any portion of this Contract, shall not be deemed a waiver of, or in any way affect that party's rights to enforce such provision, or any other provision. Any waiver by any party herein of any provision hereof, shall not be taken or held to be a waiver of any other provision hereof, or any other breach hereof.

16. Severability

The invalidity or unenforceability of any provision of this Contract shall not affect the validity or enforceability of any other provision of this Contract.

17. Survival

Any and all representations, conditions and warranties made by Engineer under this Contract are of the essence of this Contract and shall survive the execution, delivery and termination of it.

18. Governing Powers and Law

Both Parties agree and understand that the City does not waive or surrender any of its governmental powers by execution of this Agreement. To that end, the parties further understand that

this agreement shall not be considered a contract for goods or services under Texas Local Government Code, Section 271.151 and Contractor waives any right or entitlement granted said provisions. This Contract is governed by the laws of the State of Texas and all obligations of the parties under this Contract are performable in Rockwall County, Texas.

19. Attorney's Fees

If it is necessary for either Party herein to file a cause of action at law or in equity against the other Party due to: (a) a breach of this Contract by the other Party and/or (b) any intentional and/or negligent act or omission by the other Party arising out of this Contract, the non-breaching or non-negligent Party shall be entitled to reasonable attorney's fees and costs, and any necessary disbursements, in addition to any other relief to which it is legally entitled.

20. State or Federal Laws

This Contract is subject to all applicable federal and state laws, statutes, codes, and any applicable permits, ordinances, rules, orders and regulations of any local, state or federal government authority having or asserting jurisdiction, but nothing contained herein shall be construed as a waiver of any right to question or contest any such law, ordinance, order, rule or regulation in any forum having jurisdiction.

Exhibit "A" to Agreement between the City of Rockwall, Texas (CITY) and Birkhoff, Hendricks & Carter, L.L.P, (ENGINEER) for Professional Services Dated _____, 2015

EXHIBIT "A"

GENERAL PROJECT DESCRIPTION

The previous Wastewater Lift Station Evaluation for the City was prepared in 1997. At that time, the City owned and operated 26 wastewater lift stations, which has increased to 40 lift stations in 2015. As requested by the City, four City Lift Stations (Squabble, Quail Run, Chevy House, and Memorial) are excluded, leaving a total of 36 lift stations to be evaluated.

The Wastewater Lift Station Evaluation Update project includes site investigations and analysis of the Civil, Electrical and SCADA components at each lift station. A report will be prepared summarizing the findings of the evaluation and any recommended improvements.

PART A LIFT STATION EVALUATIONS

1. Coordinate with the City to gather and assemble support data, including construction plans, pump curves, GIS files, contours, mapping, and shop drawings or O&M manuals for City lift stations.
2. Revise previous lift station evaluation field data sheets to reflect current design standards, codes, and ordinances.
3. Coordinate with the City to conduct site visits of 36 lift station sites. Site visits will include observation of site conditions, civil, electrical, and SCADA components.
4. Conduct draw down testing at each lift station site. Testing will include determination of wet well fill rate, and estimated pumping rates of pump 1, pump 2, and pumps 1 and 2 operating in parallel.
5. Compile and populate lift station field data sheets based on findings from site visits.
6. Meet with City Staff to review findings from site visits.
7. Prepare a written report of findings and meet with City Staff to present results.

PART B CIVIL ANALYSIS

1. Delineate drainage basins for each lift station and calculate area, land usage, and approximate peak wastewater design flows.
2. Calculate firm pumping capacities for each lift station.
3. Evaluate lift station pump settings.
4. Calculate lift station cycle time, pump starts per hour, and minimum required wet well volume.
5. Evaluate force main and gravity main configuration and velocities.

6. Calculate available wet well retention time at each lift station.
7. Determination of 100-year flood elevation at each site and confirmation of accessibility and clearance.
8. Review of lift station ventilation and odor control.
9. Develop exhibit for each lift station showing drainage basins, and location of potential SSO's.
10. Prepare recommended plan for improvements in response to lift station deficiencies, including development of engineer's opinion of probable construction cost.

PART C **SANITARY SEWER OVERFLOW (SSO) ANALYSIS**

1. Update hydraulic wastewater model to include any lift stations not previously modeled (typically those with 4-inch or smaller diameter force main), and upstream wastewater collection lines.
2. Formulate opinion of most likely location of sanitary sewer overflow (SSO) in the event of lift station malfunction or power failure.
3. Calculate response time available after alarm sounds to resolve lift station malfunction or power failure prior to SSO occurrence.

PART D **ELECTRICAL AND SCADA ANALYSIS**

1. Review and confirm compliance of intrinsically safe devices.
2. Evaluate capability of standby generators, load bank and City method of exercising equipment.
3. Review of electrical panel, connections and electrical equipment for compliance with electric code requirements.
4. Confirmation of adequate power supply, grounding, surge protection and power monitoring devices.
5. Coordinate with City Staff to determine SCADA system capabilities at each site.
6. Provide recommendation of improvements to Electrical and SCADA systems including development of engineer's opinion of probable construction cost.

PART E **REPRODUCTION**

1. Furnish 3-sets of preliminary report to City for review in hard copy format.
2. Furnish 5-sets of final report to City in both hard copy and PDF format.

PART F INFORMATION TO BE PROVIDED BY THE CITY

The following information is to be provided by the City, if available

1. Access and City Staff escort to each lift station site. For City Staff planning purposes, a total of 15 days is anticipated to conduct the site visits to 36 lift stations.
2. Current GIS files, including contours, and lift station locations.
3. Pump curves at each lift station.
4. Float elevations at each lift station.
5. Lift station design reports.
6. Aerial Images in .TIF, or .SID format.
7. Construction record drawings for lift stations, force mains and adjoining sanitary sewer projects.
8. SCADA information, including SCADA specifications, HMI software, radio types, and I/O list for each lift station.

PART G EXCLUSIONS

Services specifically excluded from the scope of services include, but are not necessarily limited to the following:

1. Confined entry.
2. Environmental impact statements and assessments.
3. On-site safety precautions, programs and responsibility.
4. Fiduciary responsibility to the City.

EXHIBIT "B"

PAYMENT SCHEDULE

Compensation for engineering services under Exhibit A, Part A, B, C, D and E, shall be at salary cost times 2.40, with expenses at actual invoice amount times 1.15. Field Survey Crew rate is $165.00 per hour and mileage is charged at current IRS rates.

A. Lift Station Evaluations	$54,700.00
B. Civil Analysis	$36,600.00
C. Sanitary Sewer Overflow Analysis	$15,100.00
D. Electrical and SCADA Analysis	$17,000.00
E. Reproduction	$1,000.00
Total Amount, Additional Services:	***$124,400.00***
Total Fee Not to Exceed Amount:	***$124,400.00***

Invoices will be posted monthly based upon hours expended plus expenses. Payment is due upon receipt of invoice.

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: **Richard Crowley, City Manager**

FROM: **Lea Ann Ewing, Purchasing Agent**

DATE: **December 11, 2015**

SUBJECT: **Purchase of New Scott SCBA Air Paks for Fire Fighters**

Approved in the General Fund, Fire Operating budget is replacement of 45 Fire Fighter Air Paks and 90 Bottles. The equipment includes the Scott air pak, bottle, harness, belt, regulator, hoses, tracker/locator, PASS, face mask, handheld receiver, charger, and training on how to use this new equipment. In addition to the new air paks, we are also upgrading 3 air filling stations including the mobile filling station to accommodate the new equipment. The air filling station upgrades will be completed by Hoyt at no additional cost to the City. Total cost is $343,016.20.

This equipment is available from Hoyt Breathing Air Products through the City of Allen, Texas purchasing cooperative. As a member and participant in this cooperative, the City has met all formal bidding requirements pertaining to the purchase of this new equipment.

For Council consideration is the Scott air paks, bottles and filling stations bid award to Hoyt for $343,016.20 and authorize the City Manager to execute a purchase order for this new equipment.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Honorable Mayor and City Council Members**

FROM: **Kristy Cole, City Secretary / Assistant to the City Manager**

DATE: **November 24, 2015**

SUBJECT: **Designating newspaper of record**

At the last meeting, staff presented the City Council with statutory information and options associated with the City Charter-prescribed requirement to annually designate an official newspaper of record for the City. As a result of that discussion, Council asked staff to consider its satisfaction with the current newspaper of record, the Rockwall County Herald Banner, and bring this item back for formal action at the December 21st meeting.

Staff has placed an agenda item on the 12/21 consent agenda for the Council to again designate the Rockwall County Herald Banner as the city's newspaper of record for the coming year. This may be accomplished by a simple majority vote of the Council pertaining to the agenda item.

Formatted: Font: 12 pt

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **December 16, 2015**

SUBJECT: **Rockwall Central Appraisal District Collections Agreement**

At the December 7th meeting, the City Council asked staff to invite a representative from the CAD to the next meeting to discuss the proposed interlocal agreement prior to Council taking action to approve it. Staff has done so, and Ms. Patricia Davis, Chief Appraiser with the Rockwall CAD, will be present to address the Council at the December 21st meeting.

As was previously conveyed, the City contracts with the Rockwall Central Appraisal District for collection of property taxes. The district's collections budget is divided among the taxing entities based on a pro-rata formula of assessed values. At budget preparation, time estimates were received from Patricia Davis as to the City's allocation. When the contract was forwarded for consideration by the City Council the City's allocation had increased dramatically over budget estimates. After talking to Ms. Davis about the increase and her having further discussions with her Board it was determined that the City should be charged the allocation previously estimated and any changes to allocation formulas would be addressed for future years. The City's share of the collections budget is $67,940.

THE STATE OF TEXAS X

COUNTY OF ROCKWALL X

INTERLOCAL AGREEMENT FOR

ASSESSMENT AND COLLECTION OF TAXES

On this 25th day of August, 2015 **THE CITY OF ROCKWALL**, hereinafter called the "Taxing Unit", and **ROCKWALL CENTRAL APPRAISAL DISTRICT**, hereinafter called "District", enter into the following agreement pursuant to the authority granted by **TEXAS PROPERTY TAX CODE** Sections 6.23, 6.24, and **TEXAS GOVERNMENT CODE** Chapter 791.

WHEREAS, it would be economically advantageous to both the Taxing Unit and the District to consolidate the tax assessment and collection functions; and

WHEREAS, in entering into this contract and agreement, it is the intention of the Taxing Unit and the District that upon commencement of the term of this contract as herein stated, the District shall for the said term of this contract provide such necessary tax assessment and collection services;

NOW, THEREFORE, the said parties have and do hereby covenant and agree as follows:

1. The District shall collect the ad valorem property taxes owing to the Taxing Unit for that portion of Taxing Unit and those accounts and property appraised of Taxing Unit found within the same boundaries of District and shall perform all assessment and collection duties and functions imposed by law upon the tax assessor and collector for the Taxing Unit for that portion of Taxing Unit and those accounts and property appraised of Taxing Unit found within the same boundaries of District, including, but not limited to the following:

a) calculation of taxes;
b) preparation of tax roll;
c) proration of taxes;
d) correction of clerical errors in tax rolls;
e) collection of tax liabilities;
f) issuance of refunds;
g) calculation and publication of an effective tax rate;
h) timely preparation and mailing of current tax bills;
i) preparation and mailing of delinquent tax bills;
j) remittance of taxes collected to the Taxing Unit;
k) provide monthly reports of collections and annual reports of all taxes collected or delinquent.

47

2. The District shall remit all collections to the Taxing Unit's depository after they are processed and deposited in the District's depository. Collections will be semi-monthly except in times of heavy collection when Taxing Unit's collections may be more frequent or at the request of the Taxing Unit.

3. The District shall retain all fees charged for the issuance of tax certificates and any interest accruing upon tax payments while deposited in the District's depository prior to remittance to the Taxing Unit. The District shall expend such retained funds solely on tax assessment and collection services.

4. The District shall provide an annual independent audit of all funds collected, retained, and payments received as required by this contract, and all expenditures made by the District in its performance under this contract. A copy of the audit report shall be provided to the Taxing Unit at no additional cost.

5. The Taxing Unit authorizes the District to contract with a delinquent tax attorney, as provided by TEXAS PROPERTY TAX CODE SECTION 6.30, for the collection of delinquent taxes owed to the Taxing Unit. The attorney's compensation shall be paid by the Taxing Unit from the delinquent taxes, penalties and interest collected for the Taxing Unit by such attorney.

6. The Taxing Unit shall provide to the District, without charge, copies of all records necessary for performance by the District under this contract.

7. The Tax Assessor-Collector shall give bond conditioned on the faithful performance of his duties as Tax Assessor-Collector for the Taxing Unit. Said bond shall be made payable to and shall be approved by the governing body of the Taxing Unit in an amount determined by such governing body. The Taxing Unit shall pay the premium for such bond from its current available revenues.

8. In consideration of the services to be rendered by the District, the Taxing Unit shall pay the District as follows:

a) The Taxing Unit agrees to pay the District the actual cost of collection as adopted by the District in its annual collection budget.

b) In the event that payments received exceed the actual cost of providing services pursuant to this Agreement, the District shall reimburse the Taxing Unit or credit future payments to be made by the Taxing Unit to the extent of the excess funds.

c) In the event that payments received are less than the actual cost of providing services pursuant to this Agreement, the Taxing Unit shall reimburse the District all actual costs incurred for the collection of taxes.

d) In the event that the Taxing Unit's tax rate is rolled back or otherwise changed after the District begins collections for the Taxing Unit in any given year, the District will continue to act for the Taxing Unit in providing refunds to taxpayers or sending corrected billings. The cost of additional publications and notices will be the responsibility of the Taxing Unit. All costs incurred by the District for late and separate tax bill processing or issuance of corrected bills, or refunds associated therewith, shall be strictly accounted for by the District and shall be payable by the Taxing Unit upon submission of that accounting by the District. This cost shall be the actual cost of providing those extra services required by the rollback or change of tax rate.

e) In the event that the Taxing Unit fails to adopt its tax rate before the last work day prior to the first Monday in September the costs for late and separate tax bill processing, if required, shall be accounted for by the District and shall be payable by the Taxing Unit upon submission of that accounting by the District.

9. The Taxing Unit agrees payments shall be made quarterly to the District within 30 days of billing by the District prior to the beginning of the quarter based upon the calendar year to coincide with the Appraisal budget. For the period ending in calendar year 2016, the contracted terms for payment by the Taxing Units shall end on December 31, 2016 with the final payment due at that time, and the contracted payments shall then be due quarterly as set out herein beginning with the first quarter of 2017, being January-March, 2017 and the last quarter being October-December 2017 and continuing thereon each successive year.

10. This contract shall be effective on October 1, 2015 and shall continue in full force and effect through September 30, 2016 and thereafter, from year to year until such time either party hereto, by written notice to the other party, may terminate the same, such termination to be effective only if provided to the other party on or before April 1 of the tax year in which the party intends for the contract to terminate, or by mutual consent of the parties. Any such termination shall be effective as of May 1 of such tax year. Upon termination, the District shall provide the Taxing Unit, without charge, copies of the Taxing Unit's current and delinquent tax rolls and of any additional tax records requested by the Taxing Unit.

11. It is agreed and understood that this contract is not transferable or assignable without the written consent and approval of the Taxing Unit. The terms herein stated shall be bound upon the parties hereto, their successors, assigns and legal representatives.

12. The provisions of this contract are severable. If any paragraph section, subdivision, sentence, clause or phrase of this contract is for any reason held to the contrary to law or contrary to any rule or regulation having force and effect of law, such decision shall not affect the remaining portions of the contract.

13. This agreement shall provide for Rockwall Central Appraisal District to be the Assessor Collector of taxes for the taxing entities located within Rockwall County, to wit:

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Brad Griggs, *Assistant City Manager*

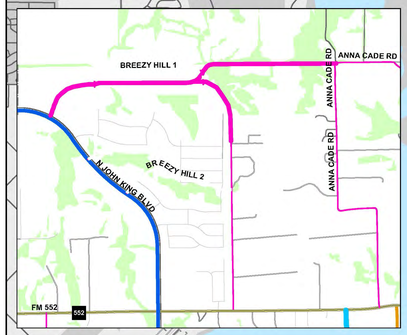
FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: December 21, 2015

SUBJECT: MIS2015-003; *Amendment to Master Thoroughfare Plan*

In May 2014, Rockwall County initiated a review of the *County Master Thoroughfare Plan* with the assistance of city staff. Recently, the County has completed this review and requested staff codify the proposed changes into the City's *Master Thoroughfare Plan* prior to the County's adoption of the *County Thoroughfare Plan*. In addition, City staff has also been assisting the North Central Texas Council of Governments (NCTCOG) with the *2014 Amendment* to the *Mobility 2035 & 2040* studies. Through both these programs and through a review of the City's current *Master Thoroughfare Plan*, staff has identified several additional adjustments to local roadways that should be adopted to account for current and future development. These changes have been outlined in the revised *Master Thoroughfare Plan* attached to this memorandum.

In addition, staff is proposing that a new roadway cross section be adopted for the area between East Fork Drive and the SH-205 couplet in the downtown area. This new roadway cross section is identified as a M4U-M (*minor arterial, four [4] lane, undivided roadway, modified*), which will consist of 85-feet of right-of-way (*i.e. four [4], 12-foot travel lanes; one [1], 16-foot reversible lane; two [2], 10½-foot parkways; and, two [2], one [1] foot curbs*). Staff has also taken this amendment as an opportunity to address various changes and updates within Appendix 'D', *Thoroughfare Cross Sections*, of the Comprehensive Plan.



According to Section 213.003 of the *Texas Local Government Code*, *"(a) comprehensive plan may be adopted or amended by ordinance following:*

1) *A hearing at which the public is given the opportunity to give testimony and present written evidence; and*
2) *Review by the municipality's planning commission or department, if one exists."*

Additionally, Section 9.03 of the City's *Home Rule Charter* states that "(r)ecommended changes to the Master Plan shall be submitted to the City Manager after the Planning and Zoning Commission holds at least one [*1*] public hearing on the proposed change." Furthermore, Section 9.04 states that the "City Manager shall submit the proposed changes to the Council, together with any recommendations. The Council, after a public hearing, shall adopt or reject such proposed revision or any part thereof as submitted within sixty (60) days following its submission by the City Manager. If the proposed revision or part thereof should be rejected by the Council, the Planning and Zoning Commission may make modifications and again forward it to the City Manager for submission to the Council." On December 8, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the proposed *Comprehensive Plan Amendment* by a vote of 7-0.

The City Council will be required to hold a public hearing prior to taking action on this case. Staff will be available to answer any additional questions.

City of Rockwall Thoroughfare Plan

INSET

Local Changes

1. Add road from La Jolla Pointe Dr to Turtle Cove Blvd
2. Remove Breezy Hill 2 road
3. Change Clem Rd from M4U to Minor
4. Extend Breezy Hill 1 road to Anna Cade Rd
5. Extend Breezy Hill 1 road to John King
6. Realignment of Breezy Hill 1
7. Removal of North/South Minor Collector
8. Realignment of Breezy Hill Rd
9. Extend 1141
10. Remove Technology Way
11. Remove section between Tubbs Rd and Sids Rd
12. Change Zollner Lane from M4U to Minor
13. Realign Data Dr
14. Change County Line Rd and Renee Dr from M4U to Minor and remove section from County Line Rd
15. Change N FM 3549 from M4U to TxDOT4D
16. Change North Country Ln and Panhandle Dr from Minor to M4U
17. Change SH 205 from TxDOT 6D to M4U-M
18. Realignment of Proposed Outer Loop
19. Remove Memorial Dr
20. Extension of Highlands Blvd
21. Removal of Industrial Blvd North of Airport Rd and extension of Airport Rd M4U to SH 66

TxDOT Changes

22. Change proposed TxDOT6D to TxDOT4D on the following:
    - SH 205 north of East Fork Dr to city limits
    - SH 66 from N Goliad St east to city limits
    - FM 549 from I30E south to city limits
    - FM 2549 from I30E north to city limits
    - FM 552 from SH 205 east to FM 3549

CITY OF ROCKWALL

ORDINANCE NO. 16-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, ADOPTING REVISIONS TO THE MASTER THOROUGHFARE PLAN CONTAINED WITHIN THE TRANSPORTATION SECTION, ADD A STREET CROSS SECTION FOR A M4U-M (*MINOR ARTERIAL, FOUR [4] LANE, UNDIVIDED ROADWAY, MODIFIED*), AND MODIFY EXISTING STREET CROSS SECTIONS IN APPENDIX 'D', THOROUGHFARE CROSS SECTIONS, OF THE COMPREHENSIVE PLAN IN ACCORDANCE WITH THE CITY'S HOME RULE CHARTER.

WHEREAS, the *Home Rule Charter* of the City of Rockwall, Texas, states that the Comprehensive Plan will contain recommendations for the growth, development and beautification of the City and its Extraterritorial Jurisdiction (ETJ); and

WHEREAS, the City Council of the City of Rockwall has previously authorized a study to update the Comprehensive Plan, also referred to as the Comprehensive Plan; and

WHEREAS, the citizens of the City of Rockwall were involved in the development of the Comprehensive Plan through participation in committee and public meetings; and

WHEREAS, the Comprehensive Plan shall serve as a guide to all future Council action concerning land use and development regulations and expenditures for capital improvements; and

WHEREAS, Section 213.003, *Adoption or Amendment of Comprehensive Plan*, of Chapter 213, *Municipal Comprehensive Plans*, of the *Texas Local Government Code* states that the adoption of or amendment to a Comprehensive Plan requires a hearing at which the public is given the opportunity to give testimony and present written evidence and as required by the *Home Rule Charter of the City of Rockwall* a public hearing has been held on the proposed revisions to the Comprehensive Plan, and the governing body in the exercise of its legislative discretion, has concluded that the Comprehensive Plan should be amended as follows:

NOW, THEREFORE, **BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:**

Section 1. That the Master Thoroughfare Plan contained within the *Transportation* section of the City's Comprehensive Plan be amended as depicted in *Exhibit 'A'* of this ordinance; and

Section 2. That Appendix 'D', *Thoroughfare Cross Sections*, of the City's Comprehensive Plan be amended to include a street cross section for a M4U-M (*minor arterial, four [4] lane, undivided roadway, modified*) as depicted in *Exhibit 'B'* of this ordinance; and

Section 3. That Appendix 'D', *Thoroughfare Cross Sections*, of the City's Comprehensive Plan be amended as depicted in *Exhibit 'C'* of this ordinance; and

Section 4. That the Comprehensive Plan shall be used by the City Staff in the planning and as a guide for the future development of the City of Rockwall; and

Section 5. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

DRAFT ORDINANCE 12.21.2015

THIS PAGE INTENTIONALLY LEFT BLANK

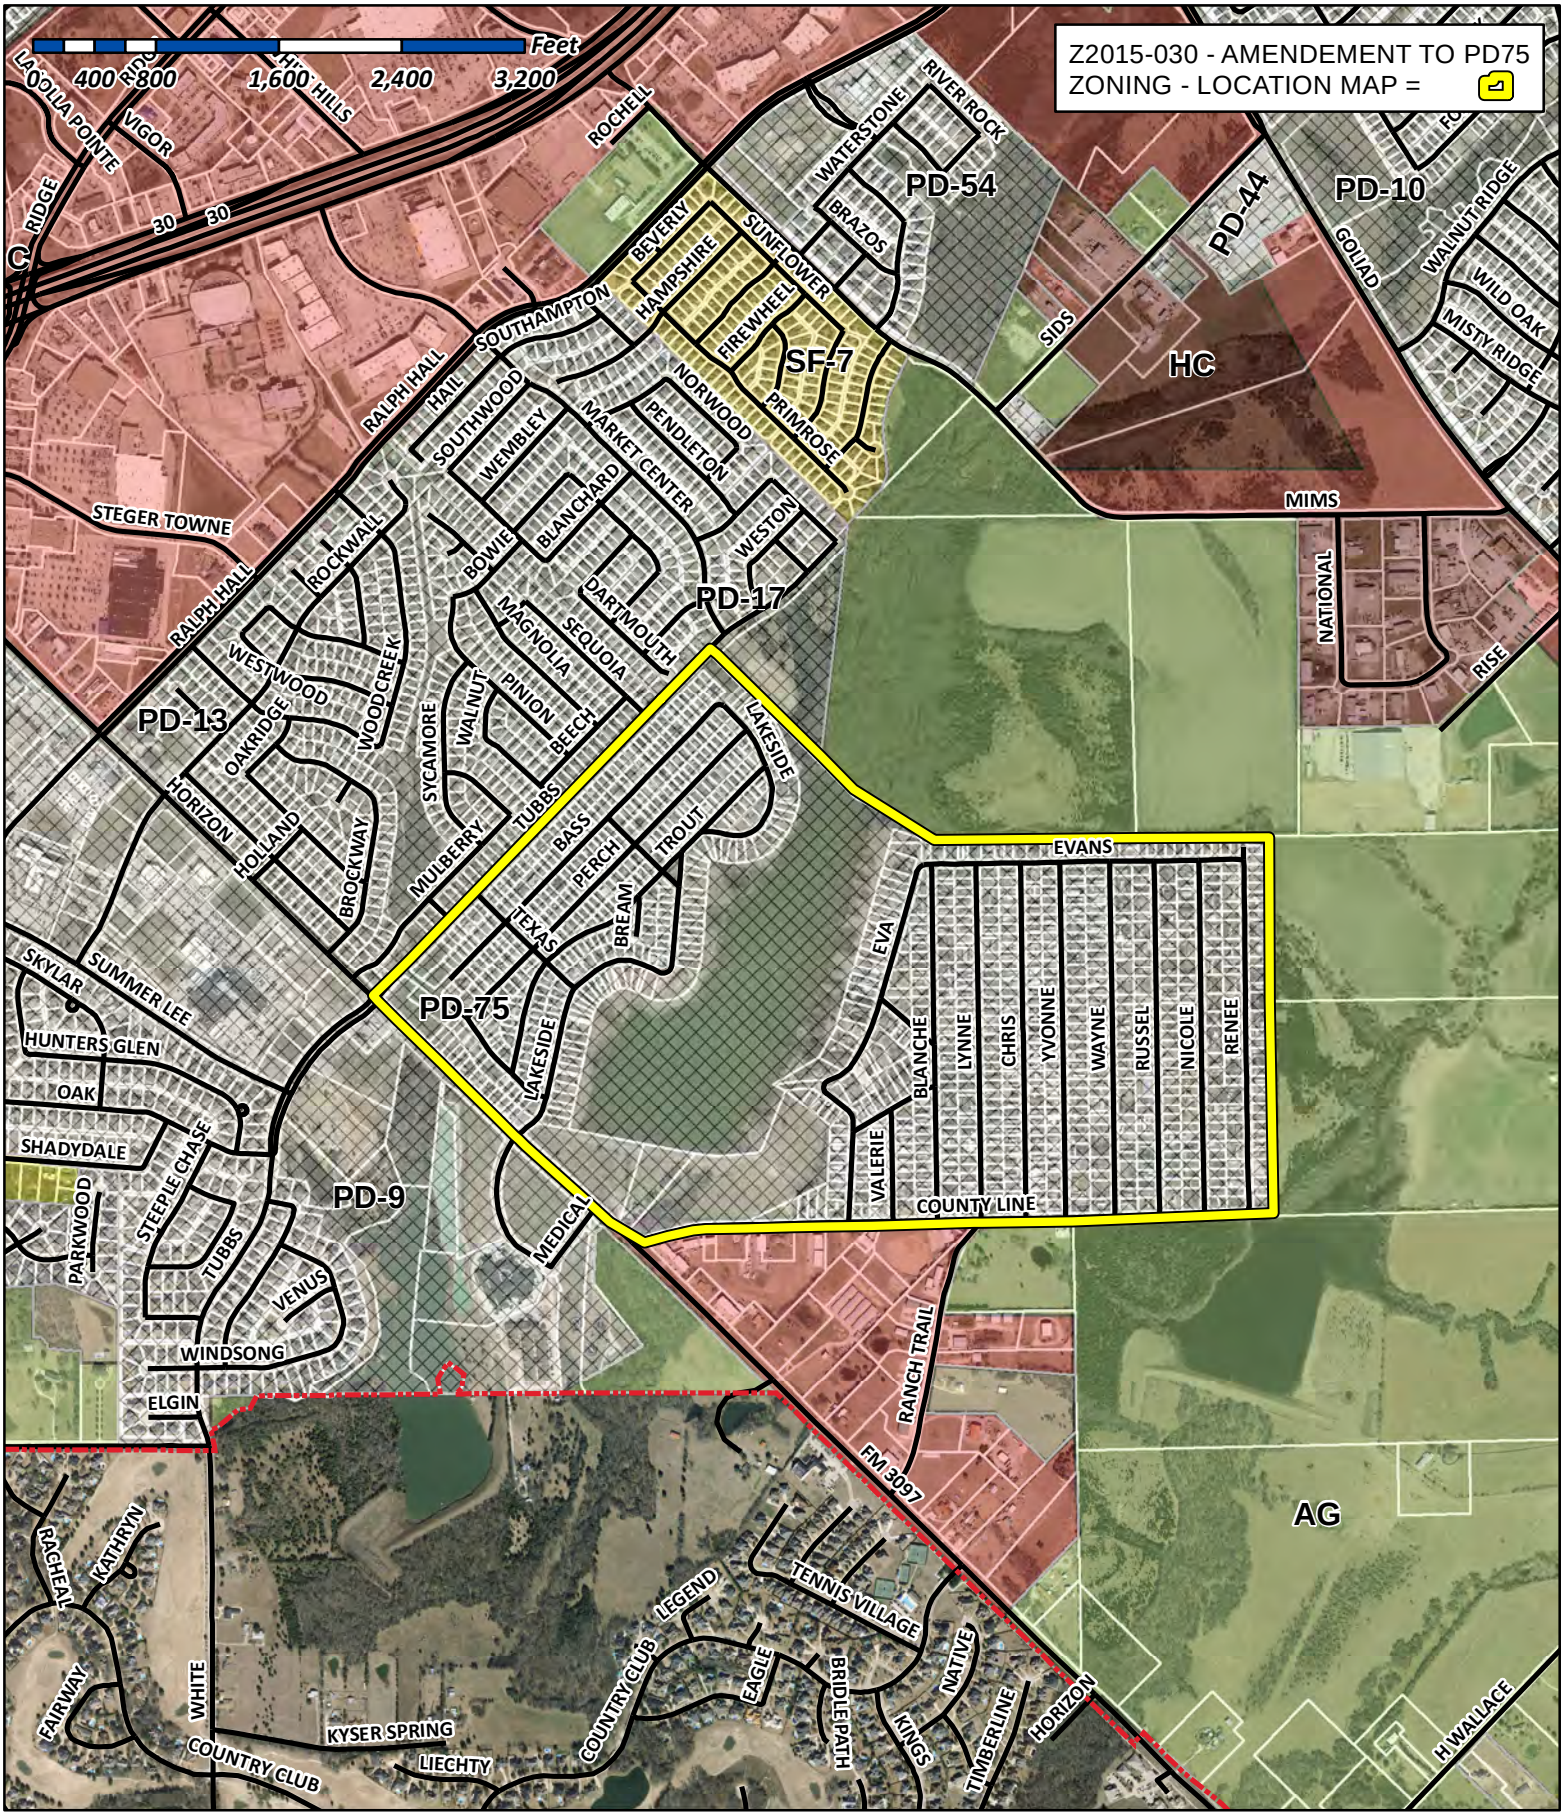
95

CITY OF ROCKWALL, TEXAS
MEMORANDUM

TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Brad Griggs, *Assistant City Manager*

FROM: Ryan Miller, *Director of Planning and Zoning*



DATE: December 21, 2015

SUBJECT: Z2015-030; *Amendment to PD-75*

On October 14, 2015, the City Council directed staff to amend Planned Development District 75 (PD-75) for the purpose of removing the language within Section C, *Consideration of Special Requests*, of *Exhibit 'C'* of the ordinance that allows Council to approve land use without a public hearing. This section states, "(s)uch requests [*special requests*] may include, but not necessarily be limited to, the use of building materials not otherwise allowed, *authorization of specific land uses not otherwise allowed*, or other requests submitted for consideration." As directed, staff has prepared an ordinance reflecting the requested changes. In addition, staff took this opportunity to clear up some inconsistencies within the ordinance and update the concept plan. With this being said, the only changes in the standards or requirements prepared for this ordinance are those requested by the City Council.

On November 20, 2015, staff mailed 1,541 notices in *English* and *Spanish* to property owners and residents within 500-feet of the subject property. Staff also emailed notices to the Lynden Park, Fox Chase and Rainbow Lakes Homeowner's Associations (HOA's), which are the only HOA's located within 1,500 feet of the subject property. Additionally, staff posted a sign along County Line Road, and advertised the public hearings in the Rockwall Harold Banner as required by the Unified Development Code (UDC). At the time this case memo was drafted staff had received 11 responses. Four (4) of these responses stated opposition to the amendment and seven (7) responses stated they were in favor of the amendment; however, two (2) of the opposition responses appeared to be in favor of the request based on the content contained in the returned notices. *All responses have been provided in the attached packet.*

On December 8, 2015, the Planning and Zoning Commission held a public hearing on the proposed zoning amendment. After deliberation, the Commission voted 7-0 to recommend approval. Contained within this packet are copies of the current Planned Development District 75 (PD-75) ordinance, the draft ordinance and the memorandum provided to the City Council that initiated this zoning change. Additionally, staff has provided all returned property owner notifications and email responses for the Planning and Zoning Commission and City Council's review. *Staff will be available at the meeting to answer any questions over the proposed ordinance.*

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2015-030: Amendements to PD-75

Hold a public hearing to discuss and consider a City initiated request for the approval of a zoning amendment to Planned Development District 75 (PD-75) being Ordinance No. 09-37, containing 329.53-acres of land, identified as the Lake Rockwall Estates Subdivision, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 75 (PD-75) for Single Family 7 (SF-7) District land uses, being situated east of Tubbs Road and north of County Line Road, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 12/8/2015 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 12/21/2015 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

Ryan Miller
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **12/21/2015** to ensure they are included in the information provided to the City Council.

Sincerely,

Ryan Miller, AICP
Director of Planning & Zoning

MORE INFORMATION ON THIS CASE CAN BE FOUND ON THE CITY'S WEBSITE: HTTP://WWW.ROCKWALL.COM/PLANNING/PLANNINGDEVCASES.ASP

PLEASE RETURN THE BELOW FORM

Case No. Z2015-030: Amendements to PD-75

Please place a check mark on the appropriate line below:

☐ I am in favor of the request for the reasons listed below.

☐ I am opposed to the request for the reasons listed below.

Name:

Address:

Tex. Loc. Gov. Code, Sec. 211.006 (d) If a proposed change to a regulation or boundary is protested in accordance with this subsection, the proposed change must receive, in order to take effect, the affirmative vote of at least three-fourths of all members of the governing body. The protest must be written and signed by the owners of at least 20 percent of either: (1) the area of the lots or land covered by the proposed change; or (2) the area of the lots or land immediately adjoining the area covered by the proposed change and extending 200 feet from that area.

PLEASE SEE LOCATION MAP OF SUBJECT PROPERTY ON THE BACK OF THIS NOTICE

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

A quien le interese:
Usted queda notificado que la Ciudad de Rockwall Planificación y la Comisión de Zonificación y el Ayuntamiento tendrá en cuenta la siguiente aplicación:
Caso No. Z2015-030: Enmiendas de PD-75

Habrá una Junta Pública para discutir y considerar un inicio de la Ciudad de una solicitud para la aprobación de una emendación de zonificación al Distrito de Desarrollo de Planificación de la 75 (PD-75) es la Ordenanza Nº 09-37, que contiene 329.53 acres de tierra, identificados como Lake Rockwall Estates, Ciudad de Rockwall, el condado de Rockwall, Texas, divide en zonas de Planificación de Desarrollo del Distrito 75 (PD-75) para la División 7 (SF-7) usos de la tierra Distrito, siendo este situada en Tubbs Road y al norte de County Line Road, y tomar cualquier medidas necesarias.

Para el fin de examinar los efectos de tal solicitud, la Comisión de Planificación y Zonificación llevará a cabo una Junta Pública el Martes, 12/08/2015 a las 6:00 pm, y el Ayuntamiento llevará a cabo una audiencia pública el lunes, 12 / 21/2015 a las 6:00 pm. Estas audiencias se llevarán a cabo en la Cámara del Concejo Municipal en el Ayuntamiento, 385 S. Goliad Street.

Como dueño de la propiedad interesado, se le invita a asistir a estas reuniones. Si prefiere expresar sus pensamientos por escrito por favor devuelva el formulario a:

Ryan Miller
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

También puede enviar sus comentarios al Departamento de Urbanismo a planning@rockwall.com. Si opta por enviar por correo electrónico al Departamento de Urbanismo por favor incluya su nombre y dirección.

Sus comentarios deber ser recibidos para la fecha de **12/21/2015** para asegurarse de que se incluyan en la información.

Atentamente,

Ryan Miller, AICP
Director de Planificación Y Zonificación

Subject: Case No. Z2015-030: Amendments to PD-75

11/29/15

Re: Case No. Z2015-030: Amendments to PD-75

We are in favor of the request for the reasons listed below.

After some searching of the city's website, it is our understanding that this proposed amendment has come about as a result of a petition to build a multifamily structure on a single lot. As long-time residents of the Lake Rockwall Estates Subdivision, we wish to see the area remain zoned for Single Family use only!

It is our belief that multifamily housing will lead to the following:

1. A decrease in the amount of space between homes

2. An increase in the number of renters rather than individual home owners

3. Potentially cause even more congestion on our narrow streets

Thank you for listening to our concerns.

Robert Herrera & Xcenia Maurice-Herrera

151 Bream Dr. Rockwall, TX 75032

email to: planning@rockwall.com

To: Ryan Miller AICP
Director of Planning & Zoning
Case # Z2015-030 Amendments to PD-75

I am adamantly opposed to this proposed amendment to the planned development, and here are just a few of many reasons.

Problems with ingress and egress - only one road out (County Line Rd.), which is inferior grade,
and poorly maintained. Increased volume of traffic will cause further deterioration, and possible
safety issues and accidents.
We do not even have working fire hydrants in this area of Lake Rockwall Estates.
It is a preposterous idea to add multi family units in this area.
Sewer systems will have increased capacity, and there is no reason to believe that any of the
problems listed will be corrected before development is completed.
More units will cause a lesser quality of life for all residents.

Sincerely,
Ellen K. O'Brien

From: Carla Pearcy
To: Miller, Ryan; Planning; White, David
Subject: Case No. Z2015-030 Comments
Date: Tuesday, December 01, 2015 10:07:54 AM

Hello,

Per the Notice of Public Hearing regarding Case No. Z2015-030 I am emailing my comments. I am in favor of the Amendment to PD-75 if this Amendment in anyway curtails the possibility of land in the Lake Rockwall Estates subdivision being utilized for anything other than single family use. As a thirteen year homeowner in this subdivision it is my opinion that one of the last things this subdivision needs is more vehicles which I believe a multifamily or retail land use would bring A drive thru the neighborhood in the mornings or evenings when most residents are home will reveal the multiple vehicles stationed at many single family homes in the driveways, streets or in yards. I would classify it as a hazard when you have no choice but drive in the opposing lane of traffic in order to navigate a vehicle parked on the street. As a homeowner I would hope that the subdivision would continue to progress in areas that make the neighborhood more aesthetically appealing and safe and thus potentially increase home values. Please NO MULTIFAMILY or RETAIL in our subdivision. Thank you!

We are opposed to any multi-family housing in this area — No duplexes or apartments. My family first moved into this area because it was a single family area and that is why I have remained in this area. Multi family doesn't work too well.

Name: James W Merry

After months of meetings and correspondence in 2009, single family was the consensus and agreed upon by all parties. Why did the city believe it was justified abrogating that agreement?

It's reasonable that if you're going to build anything other than a single family home (say, a duplex or animal shelter), you should consult your neighbors.

The New Horizon

MEMORANDUM

TO: **Rick Crowley – City Manager**

FROM: **Brad Griggs – Assistant City Manager**

DATE: **October 14, 2015**

SUBJECT: **Proposed Recommendation to P & Z regarding PD-75**

Councilmember White has submitted an agenda item regarding a potential amendment to PD-75 concerning the "Consideration of Special Request" allowed by the ordinance for properties within the Lake Rockwall Estates subdivision. When the Lake Rockwall Estates area was annexed, a Planned Development district was created after considerable public input. The PD language is based on Single Family detached zoning as SF-7. The public input records clearly demonstrate that the residents had very little, if any interest in any form of MF zoning, single family attached or similar land uses.

When the PD ordinance was passed, there was a section in the zoning that reads as follows:

> ***C. Consideration of Special Request***
> *The City Council may consider special requests in the Lake Rockwall Planned Development District in Areas 1 and 2. Such requests may include, but not necessarily be limited to, the use of building materials not otherwise allowed, authorization of specific land uses not otherwise allowed, or other requests submitted for consideration.*
>
> *Upon receipt of such special requests, the Planning and Zoning Commission shall review the same and forward its recommendation to the City Council for consideration. The City Council may approve special requests and any such approval shall preempt any other underlying zoning restrictions in the Zoning Ordinance. Such special requests may be denied by the City Council by passage of a motion to deny.*

Councilmember White desires to remove the section so that no other land uses can be permitted other than what was intended with the underlying zoning, which is SF-7. If the recommendation is approved by the City Council, staff will prepare an ordinance and forward the recommendation to the Planning and Zoning Commission for public input and a recommendation back to the City Council. The Council would then conduct a public hearing and vote on the proposed changes.

CITY OF ROCKWALL

ORDINANCE NO. 09-37

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL AS PREVIOUSLY AMENDED SO AS TO APPROVE A CHANGE IN ZONING FROM (AG) AGRICULTURAL DISTRICT TO (PD-75) PLANNED DEVELOPMENT DISTRICT NO. 75, ON A TRACT OF LAND CONTAINING APPROXIMATELY 329.53-ACRE AND KNOWN AS LAKE ROCKWALL ESTATES, LOCATED ALONG THE SOUTH SIDE OF TUBBS ROAD, EAST SIDE OF HORIZON ROAD (FM 3097) AND NORTH SIDE OF COUNTY LINE ROAD AND MORE SPECIFICALLY DESCRIBED HEREIN AS EXHIBIT "A"; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a zoning change from (AG) Agricultural district to (PD-75) Planned Development District No. 75 has been initiated by the City of Rockwall on a tract of land containing approximately 329.53 acres, known as Lake Rockwall Estates, and located along the south side of Tubbs Road, east side of Horizon Road (FM 3097) and the north side of County Line and more specifically described herein as Exhibit "A"; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code (Ord. No. 04-38) of the City of Rockwall, Texas, as heretofore amended, be and the same are hereby amended by amending the zoning map of the City of Rockwall so as to change the zoning from (AG) Agricultural district to (PD-75) Planned Development District No. 75 on a 329.53-acre tract of land known as Lake Rockwall Estates and located along the south side of Tubbs Road, east side of Horizon Road (FM 3097) and the north side of County Line and the north side of County Line and more specifically described herein as Exhibit "A"; and

Section 2. That the tract of land described in the attached Exhibit "A" shall be used only in the manner and for the purposes provided for in the Unified Development Code (Ord. No. 04-38) of the City of Rockwall as heretofore amended, and said property shall be limited to the uses, density, area, setback and other requirements set forth herein attached as Exhibit "B".

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 5. If any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable.

Section 6. That all ordinances of the City of Rockwall in conflict with the provisions of this be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, this 21st day of September, 2009.

William R. Cecil, Mayor

170

Exhibit "C" – PD-75 Development Standards
Lake Rockwall Estates

Area 1

Development in the area indicated as **Area 1 on Exhibit "B"**, attached hereto, shall be subject to the permitted uses and area requirements of **Article V, Section 3.6 (SF-7) Single Family Residential District,** of the City of Rockwall Unified Development Code (Ord. No. 04-38) as heretofore amended, as amended herein by granting of this zoning change, and the following additional conditions and restrictions:

A. Development Standards

1. Minimum **lot area** - *5,000 square feet*
2. Maximum number of single-family detached **dwellings units per lot** – *1*
3. Minimum **square footage** per dwelling unit - *1,100 sq. ft.*
4. Minimum **lot frontage** on a public street - *50 feet**
5. Minimum **lot depth** - *100 feet**
6. Minimum depth of **front yard setback** - *20 feet**
7. Minimum depth of **rear yard setback** - *10 feet**
8. Minimum width of **side yard setback**
    a. Internal lot – *5 feet*

    [These setbacks and frontage requirements may be varied by the Planning and Zoning Commission and City Council upon request of the applicant.]*
9. Minimum **distance between separate buildings** on the same lot or parcel of land - *10 feet*
10. Minimum **length of driveway** pavement from public right-of-way for rear and side yard - *20 feet*
11. Maximum **building coverage** as a percentage of lot area - *45 percent*
12. Maximum **building height** - *32 feet*
13. Minimum number of paved **off-street parking spaces** required for
    a. One single-family dwelling unit – 2. An enclosed garage shall not be considered in meeting the off-street parking requirements.
    b. For all other uses, see *Article VI Parking and Loading*.

Exhibit "C" – PD-75 Development Standards
Lake Rockwall Estates

Area 2

Development in the area indicated as **Area 2 on Exhibit "B"**, attached hereto, shall be subject to the permitted uses and area requirements of **Article V, Section 3.6 (SF-7) Single Family Residential District,** of the City of Rockwall Unified Development Code (Ord. No. 04-38) as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, subject to the additional following conditions and restrictions:

A. **Development Standards**

1. Minimum **lot area** - *5,000 square feet*
2. Maximum number of single-family detached **dwellings units per lot** – *1*
3. Minimum **square footage** per dwelling unit - *1,100 sq. ft.*
4. Minimum **lot frontage** on a public street - *50 feet**
5. Minimum **lot depth** - *100 feet**
6. Minimum depth of **front yard setback** - *20 feet**
7. Minimum depth of **rear yard setback** - *10 feet**
8. Minimum width of **side yard setback**
    a. Internal lot – *5 feet*

    [These setbacks and frontage requirements may be varied by the Planning and Zoning Commission and City Council upon request of the applicant.]*
9. Minimum **distance between separate buildings** on the same lot or parcel of land - *10 feet*
10. Minimum **length of driveway** pavement from public right-of-way for rear and side yard - *20 feet*
11. Maximum **building coverage** as a percentage of lot area - *45 percent*
12. Maximum **building height** - *32 feet*
13. Minimum number of paved **off-street parking spaces** required for
    a. One single-family dwelling unit – 2. An enclosed garage shall not be considered in meeting the off-street parking requirements.
    b. For all other uses, see *Article VI Parking and Loading* or as required in section C. Additional Development Standards.

B. **Manufactured Home Replacement Minimum Standards:**

These standards only apply to **Area 2** of the Lake Rockwall Estates Planned Development District.

As of the effective date of this ordinance, if an existing property located in **Area 2** of the Lake Rockwall Estates Planned Development District contained an habitable mobile home or HUD-code manufactured home, as defined by state law, then the **one time replacement** installation of a new or used HUD-code manufactured home shall be allowed if such manufactured home meets the following minimum standards:

1. The manufactured home shall be permanently attached to a concrete foundation.

2. The primary roof pitch must be at least 3 in 12 inches.

3. At least ninety percent (90%) of the exterior materials, including the skirting material, excluding doors and windows, must be comprised of Hardi-board lap siding, "Cemplank" lap siding or a similar cementaceous durable lap siding material with a minimum width of six and one-quarter inches (6 ¼").

   Alternatively, the one-time replacement installation may meet the minimum masonry requirements as specified in **Article V, Section 3.1, General Residential Standards**, of the City of Rockwall Unified Development Code.

4. The one time replacement HUD-code manufactured home shall be a newer manufactured home and is at least as large in living space as the prior manufactured home.

Exhibit "C" – PD-75 Development Standards
Lake Rockwall Estates

Additional Standards for Areas 1 and 2

A. **Lake Rockwall Estates Fencing Requirements**

All fences within (PD-75) Planned Development No. 75 District shall be required to meet all the regulations and requirements of Chapter 6, Article IX of the Rockwall Code of Ordinances with the following exceptions:

1. **Construction of fences in the required front yard.**

Fences constructed in the required front yard of residentially zoned property within (PD-75) Planned Development No.75 District shall not require a special permit by the City Council, but shall meet all regulations and requirements of Chapter 6, Article IX of the City of Rockwall Code of Ordinances, and as they may be amended in the future. Exceptions to the height requirements for front yard fences shall be appealed to the City Council, but shall not require a public hearing.

2. **Construction of chain link fences in side and rear yards.**

All properties within Area 1 and 2 shall be permitted to construct a chain-link fence along the side and rear property lines, provided said fence complies with the maximum height and all other requirements of Chapter 6, Article IX of the City's Code of Ordinances.

B. **Exterior Wall Materials**

All buildings of 120-sf or more and over ten feet (10') tall shall have exterior walls constructed of masonry construction. Exterior walls for all buildings of 120-sf or more and over 10 feet tall, shall be constructed of at least eighty percent (80%) standard masonry construction, excluding windows and doors, unless the wall is on a porch, patio, courtyard, or breezeway, in which event, the wall may be of non-masonry construction. Hardy Plank or similar cementaceous material may be used for up to 50% of the masonry requirement. Buildings with less than 80% masonry materials or building exceeding the 50% Hardy Plank shall require a recommendation of the Planning and Zoning Commission and approval of the City Council.

Buildings less than 120-sf and under 10 feet in height may be constructed with non-masonry materials, or may be all metal with a baked-on pre-painted surface.

C. **Consideration of Special Request**

The City Council may consider special requests in the Lake Rockwall Planned Development District in Areas 1 and 2. Such requests may include, but not necessarily be limited to, the use of building materials not otherwise allowed, authorization of specific land uses not otherwise allowed, or other requests submitted for consideration.

Upon receipt of such special requests, the Planning and Zoning Commission shall review the same and forward its recommendation to the City Council for consideration. The City Council may approve special requests and any such approval shall preempt any other underlying zoning restrictions in the Zoning Ordinance. Such special requests may be denied by the City Council by passage of a motion to deny.

Area 3

That the area indicated as **Area 3 (Open Space/Drainage) on Exhibit "B,"** attached hereto, shall be restricted to open space and drainage. Development in this area shall be prohibited.

CITY OF ROCKWALL

ORDINANCE NO. 16-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING PLANNED DEVELOPMENT DISTRICT 75 [*ORDINANCE NO. 09-37*] AND THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, BY AMENDING EXHIBIT 'B' AND EXHIBIT 'C' OF ORDINANCE NO. 09-37, BEING A 329.53.00-ACRE TRACT OF LAND IDENTIFIED AS THE LAKE ROCKWALL ESTATES SUBDIVISION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED HEREIN BY *EXHIBIT 'A'*; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS (*$2,000.00*) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has initiated a zoning change for the Lake Rockwall Estates Subdivision for the purpose of updating the *PD Concept Plan* in *Exhibit 'B'* and amending the development standards in *Exhibit 'C'* of *Ordinance No. 09-37* for a 329.53-acre tract of land, zoned Planned Development District 75 (PD-75) [*Ordinance No. 09-37*], situated within the G. Wells Survey, Abstract No. 219, City of Rockwall, Rockwall County, Texas and more fully described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that Planned Development District 75 (PD-75) [*Ordinance No. 09-37*] and the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the approval of this ordinance shall supersede all requirements stipulated in *Ordinance No. 09-37*;

Section 2. That the *Subject Property* shall be used only in the manner and for the purposes authorized by this Planned Development District Ordinance and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting this zoning change, and as maybe amended in the future;

Section 3. That development of the *Subject Property* shall generally be in accordance with the *Planned Development Concept Plan*, described in *Exhibit 'B'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'B'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 4. That development of the *Subject Property* shall generally be in accordance with the

DRAFT 2.12.15

Development Standards, described in *Exhibit 'C'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'C'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 5. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 6. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 7. The standards in this ordinance shall control in the event of a conflict between this ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development Code*), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

Section 8. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 4TH DAY OF JANUARY, 2016.

THENCE N 46° 5' 44.798" W, continuing along the south right-of-way line of Horizon Road for a distance of 2,064.651-feet to the *Point of Beginning* and containing 329.53-acres and 14,354,361.518 square feet of land more or less.

DRAFT ORDINANCE 21.2015

Exhibit 'B':
Concept Plan

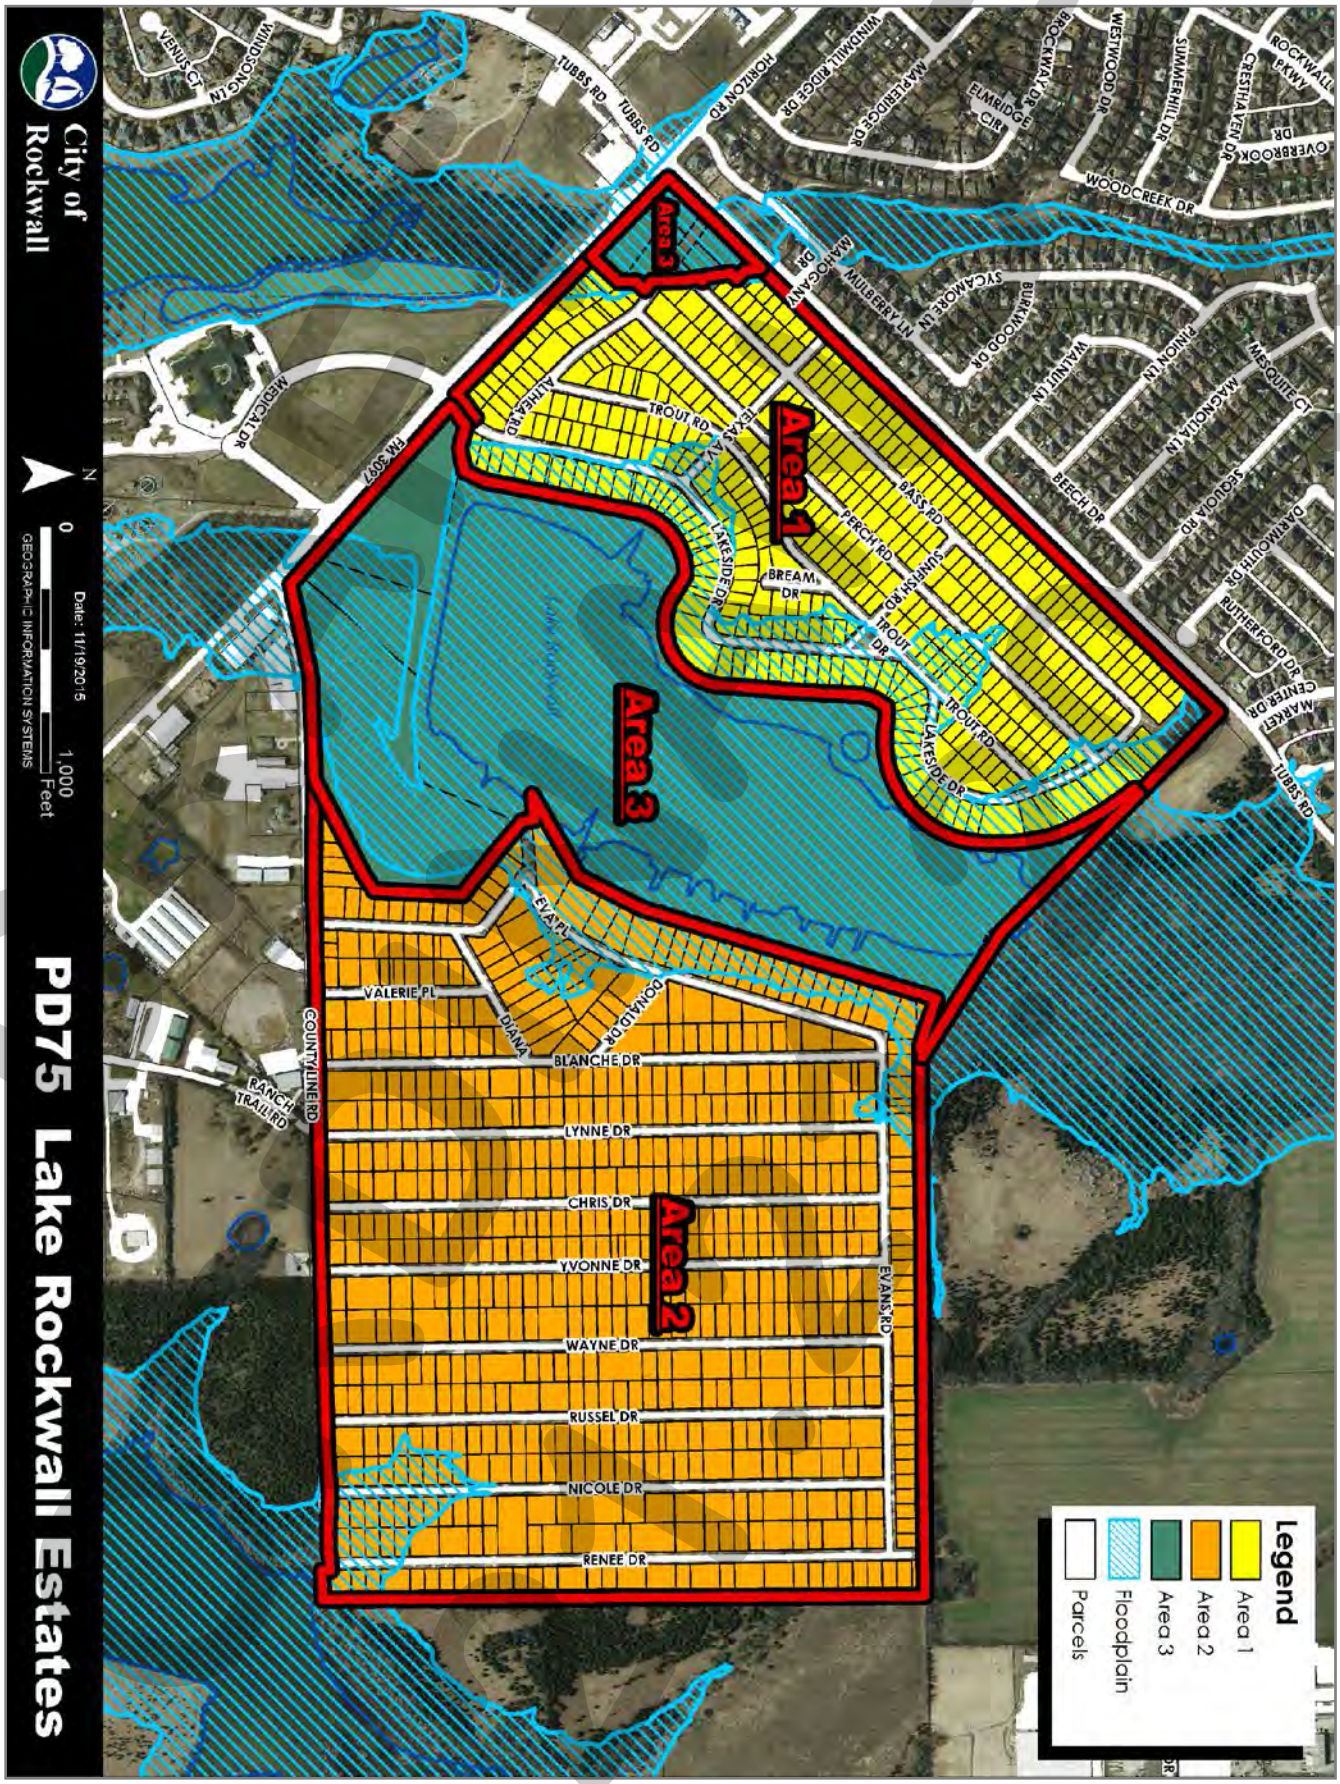

Exhibit 'C':
PD Development Standards

PD Development Standards.

1. *Density and Dimensional Requirements.* Development of *Area 1* or *Area 2* as depicted in *Exhibit 'B'* of this ordinance shall be subject to the land uses and development standards stipulated for properties within a *Single Family 7 (SF-7) District* as required by Section 3.6, *Single Family Residential (SF-7) District*, and Article IV, *Permissible Uses*, of the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting this zoning change, and as maybe amended in the future, and shall be subject to the following additional standards:

Table 2: Lot Dimensional Requirements

Lot Type (see Concept Plan) ►	Area 1	Area 2
Minimum Number of Single Family Units Per Lot	1	1
Minimum Lot Width/Frontage [1]	50-Feet	50-Feet
Minimum Lot Depth [1]	100-Feet	100-Feet
Minimum Lot Area [1]	5,000-SF	5,000-SF
Minimum Front Yard Setback [1]	20-Feet	20-Feet
Minimum Side Yard Setback (Internal Lot) [1]	5-Feet	5-Feet
Minimum Side Yard Setback (Adjacent to a Street) [1]	20-Feet	20-Feet
Minimum Distance Between Buildings on the Same Lot	10-Feet	10-Feet
Minimum Length of Driveway Pavement [2]	20-Feet	20-Feet
Minimum Number of Off-Street Parking Spaces [3] & [4]	2	2
Maximum Height	32-Feet	32-Feet
Minimum Rear Yard Setback	10-Feet	10-Feet
Minimum Area/Dwelling Unit (SF)	1,100-SF	1,100-SF
Maximum Lot Coverage	45 %	45 %

General Notes:

[1]: These setbacks and frontage requirements may be varied in accordance with Section 3.C, *Consideration of a Special Request*, of this Ordinance.

[2]: The minimum length of the driveway pavement as measured from public right-of-way for the rear and side-yard.

[3]: An enclosed garage shall not be considered in meeting the off-street parking requirements.

[4]: Number denotes residential property only. For all other land uses, see Article VI, *Parking and Loading*, of the Unified Development Code.

2. *Manufactured Home Replacement.* This standard only applies to *Area 2* as depicted in *Exhibit 'B'* of this ordinance. As of September 21, 2009, properties within *Area 2* containing a habitable mobile/manufactured home, as defined by state law and the US Department of Housing and Urban Development's (HUD's) code, shall be permitted a *one-time* replacement of a new or used manufactured home (*conforming to HUD's standards*) pending the replacement manufactured home meets the following minimum standards:

   (a) The manufactured home shall be permanently attached to a concrete foundation.

   (b) The primary roof pitch is a minimum of 3:12 inches.

   (c) At least 90% of the exterior materials, including the skirting material, excluding doors and windows, must be comprised of Hardi-Board lap siding or a similar durable cementaceous lap siding material with a minimum width of 6¼-inches. Alternatively, the manufactured home may conform to the minimum masonry requirements as stipulated in Section 3.1, *General Residential Standards*, of the Unified Development Code.

   (d) The proposed manufactured home is newer and larger in living space than the prior manufactured home.

DRAFT ORDINANCE 2015

3. *Additional Standards for Area 1 and Area 2.* The following additional standards are required/permitted within *Area 1* and *Area 2:*

   (a) *Fencing Requirements.* All fences within Planned Development District 75 (PD-75) shall be required to meet the regulations and requirements stipulated by the City of Rockwall *Municipal Code of Ordinances* with the following exceptions:

      (i) *Front Yard Fences.* Fences constructed in the required front yard for residential properties shall not require a special exception by the City Council as long as they adhere to the requirements of the Municipal Code of Ordinances. Exceptions to the height requirements for front yard fences shall be appealed in accordance with Section 3.C, *Consideration of a Special Request*, of this Ordinance.

      (ii) *Chain-Link Fences.* All properties within *Area 1* and *Area 2* shall be permitted to construct a chain-link fence along the rear and side yard property lines, provided said fence complies to the requirements of the *Municipal Code of Ordinances*.

   (b) *Exterior Materials.* Buildings 120-SF of greater and over ten (10) feet in height shall have exterior walls constructed of a minimum of 80% standard masonry construction, excluding windows and doors. In the event that an exterior wall is on a porch, patio, courtyard, or breezeway the wall may be of non-masonry construction. Hardi-Board or similar cementaceous material may be used on up to 50% of the total masonry requirement. A building with less than 80% standard masonry construction or which utilizes an excess of 50% cementaceous material shall require approval by the City Council in accordance with Section 3.C, *Consideration of a Special Request*, of this Ordinance.

      Buildings less than 120-SF and under ten (10) feet in height may be constructed with non-masonry materials or be metal with a baked-on enamel surface.

   (c) *Consideration of a Special Request.* The City Council may consider special requests in the Lake Rockwall Estates Subdivision (*i.e. Area 1 and Area 2 as depicted in Exhibit 'B' of this ordinance*). Such request may include, but not necessarily be limited to the use of alternate building materials, reductions in the building setbacks, exceptions to the fencing requirements, or other requests submitted for consideration to the Planning and Zoning Department.

      Upon receipt of such requests, the Planning and Zoning Commission shall review the case and forward a recommendation to the City Council for consideration. The City Council may approve special request. Any such approval shall preempt any other underlying zoning restrictions in the Unified Development Code. Such special requests may be denied by the City Council by the passage of a motion to deny.

      Special requests shall not include any request to change the land use of a property.

4. *Area 3.* The area indicated as *Area 3* in *Exhibit 'B'* of this ordinance shall be restricted to open space and drainage, and development in this area shall be prohibited.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 12/21/2015

APPLICANT: John and Lenny James

AGENDA ITEM: **Z2015-031**; *La Jolla Pointe Car Wash*

SUMMARY:

Hold a public hearing to discuss and consider a request by John and Lenny James on behalf of the owner Rockway Partners for the approval of a Specific Use Permit (SUP) for a carwash on a 0.688-acre parcel of land identified as Lot 1, Block D, La Jolla Pointe Addition, Phase 2, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located at the northwest corner of La Jolla Pointe Drive and Ridge Road [*FM-740*], and take any action necessary.

PURPOSE AND CHARACTERISTICS OF THE REQUEST:

The applicant's John and Lenny James are requesting a Specific Use Permit (SUP) for the purpose of constructing an automated, self-service carwash on a 0.688-acre parcel of land zoned Commercial (C) District. Typically, a *self-service* or *auto detail* carwash in a Commercial (C) District is permitted *by-right*; however, in this case the property is located within the Scenic (SOV) Overlay District and according to Section 6.8.C, *Special Use Standards*, of Article V, *District Development Standards*, of the Unified Development Code (UDC), "…the following uses may be considered on a case-by-case basis only and shall require a specific use permit … (*2*) Car wash (*all types*), subject to the conditions of Article IV, *Permissible Uses,* [*of the UDC*]." In addition, Article IV, *Permissible Uses*, of the UDC states that, "(t)he following standards apply to any freestanding or accessory carwash or auto detail use:

1) Entrances and exists to the car wash shall not directly face any public street. On corner sites, car wash entrances or exits shall not open toward the street with the highest traffic volume, or as determined by the director of planning.

2) The car wash shall be set back a minimum of 50-feet from any street frontage."

In this case, the proposed carwash will be situated ~60-feet from Ridge Road and ~70-feet from La Jolla Pointe Drive; however, the building will be oriented so that the entrance of the carwash will face onto Ridge Road (*the roadway with the highest traffic volumes*). The applicant has provided a letter stating that the purpose of this orientation is necessary due to the size of the property and the ability to accommodate the proposed buildings' design. Should the City Council approve this case per staff's recommendations they will be granting the applicant a variance to this requirement.

With the exception of the proposed building orientation the applicant's request conforms to all applicable requirements; however, granting a Specific Use Permit (SUP) is a discretionary act to the City Council. If approved the applicant will be required to submit a site plan and replat conforming to all applicable requirements. Contained is the attached packet is a copy of the applicant's letter, a concept plan, and draft ordinance.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is a medical office building situated on a 2.427-acre parcel of land zoned Commercial (C) District. Beyond this property is a vacant 9.699-acre tract of land zoned Commercial (C) District.

South: Directly south of the subject property is La Jolla Pointe Drive, which is identified as a *Minor Collector* on the City's *Master Thoroughfare Plan*. Beyond this property is a 0.285-acre parcel of land with an office building constructed on it. This property is zoned Commercial (C) District.

East: Directly east of the subject property is Ridge Road [*FM-740*], which is identified as an M4D (*minor arterial, four [4] lane, divided roadway*] on the City's *Master Thoroughfare Plan*. Beyond this thoroughfare are two (2) restaurants with drive-through/drive-in windows (*i.e. Wendy's and Popeye's*) situated on two (2) parcels of land zoned Commercial (C) District.

West: Directly west of the subject property is La Jolla Pointe Drive, which is identified as a *Minor Collector* on the City's *Master Thoroughfare Plan*. Beyond this is a vacant 6.126-acre parcel of land zoned Commercial (C) District.

NOTIFICATION:

On November 20, 2015, staff mailed 21 notices to property owners and residents within 500-feet of the subject property. Staff also emailed notices to the Lakeside Village and Turtle Cove Homeowner's Associations (HOA's), which are the only HOA's located within 1,500 feet of the subject property. Additionally, staff posted a sign at the northwest corner of the intersection of La Jolla Pointe Drive and Ridge Road [*FM-740*], and advertised the public hearings in the Rockwall Harold Banner as required by the Unified Development Code (UDC). At the time this case memo was drafted staff had received three (3) responses in opposition to the applicant's request.

RECOMMENDATIONS:

If the City Council chooses to approve the applicant's request for a Specific Use Permit (SUP) to allow a *Carwash* on the subject property then staff would recommend the following conditions of approval:

1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the SUP ordinance and summarized as follows:

    (a) The development of this property shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* of the SUP ordinance; and,
    (b) The carwash shall be setback a minimum of 50-feet from Ridge Road.

2) The applicant shall comply with all Planning, Engineering and Fire comments prior to the approval of a site plan; and,

3) Any construction or building necessary to complete this request must conform to the requirements set forth by the UDC, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On December 8, 2015, the Planning and Zoning Commission approved a motion to recommend denial of the Specific Use Permit by a vote of 6-1, with Commissioner Lyons dissenting. According to Section 8.4, *Protest of Proposed Change in Zoning*, of Article II, *Authority and Administrative Procedures*, of the Unified Development Code, "…denial by the Planning and Zoning Commission such [*the*] change in zoning shall require a favorable vote of three-fourths [¾] of all eligible members of the council.

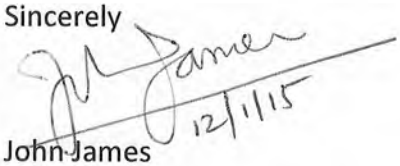
To

City Council
City Of Rockwall, Rockwall, TX 75087

Subject. Letter Explaining reason why car entrance to the car wash building at Ridge Car Wash is on the east end facing Ridge Road.

Dear Council members,

The entrance to the car wash from the street as car drive in to the lot will be from La Jolla Street



Once the car enters the lot, it will drive east towards the front of the tunnel facing Ridge drive and enter the tunnel and exit on the west end.

The reason for this being that tunnel will be approximately 100 ft long. The belt will extend an additional 20 ft from the building. It will also need an additional turn radius of 30 ft. The site at La Jolla offers a width of only 122.5 ft facing ridge road which will not be adequate for the tunnel to be parallel to Ridge road.

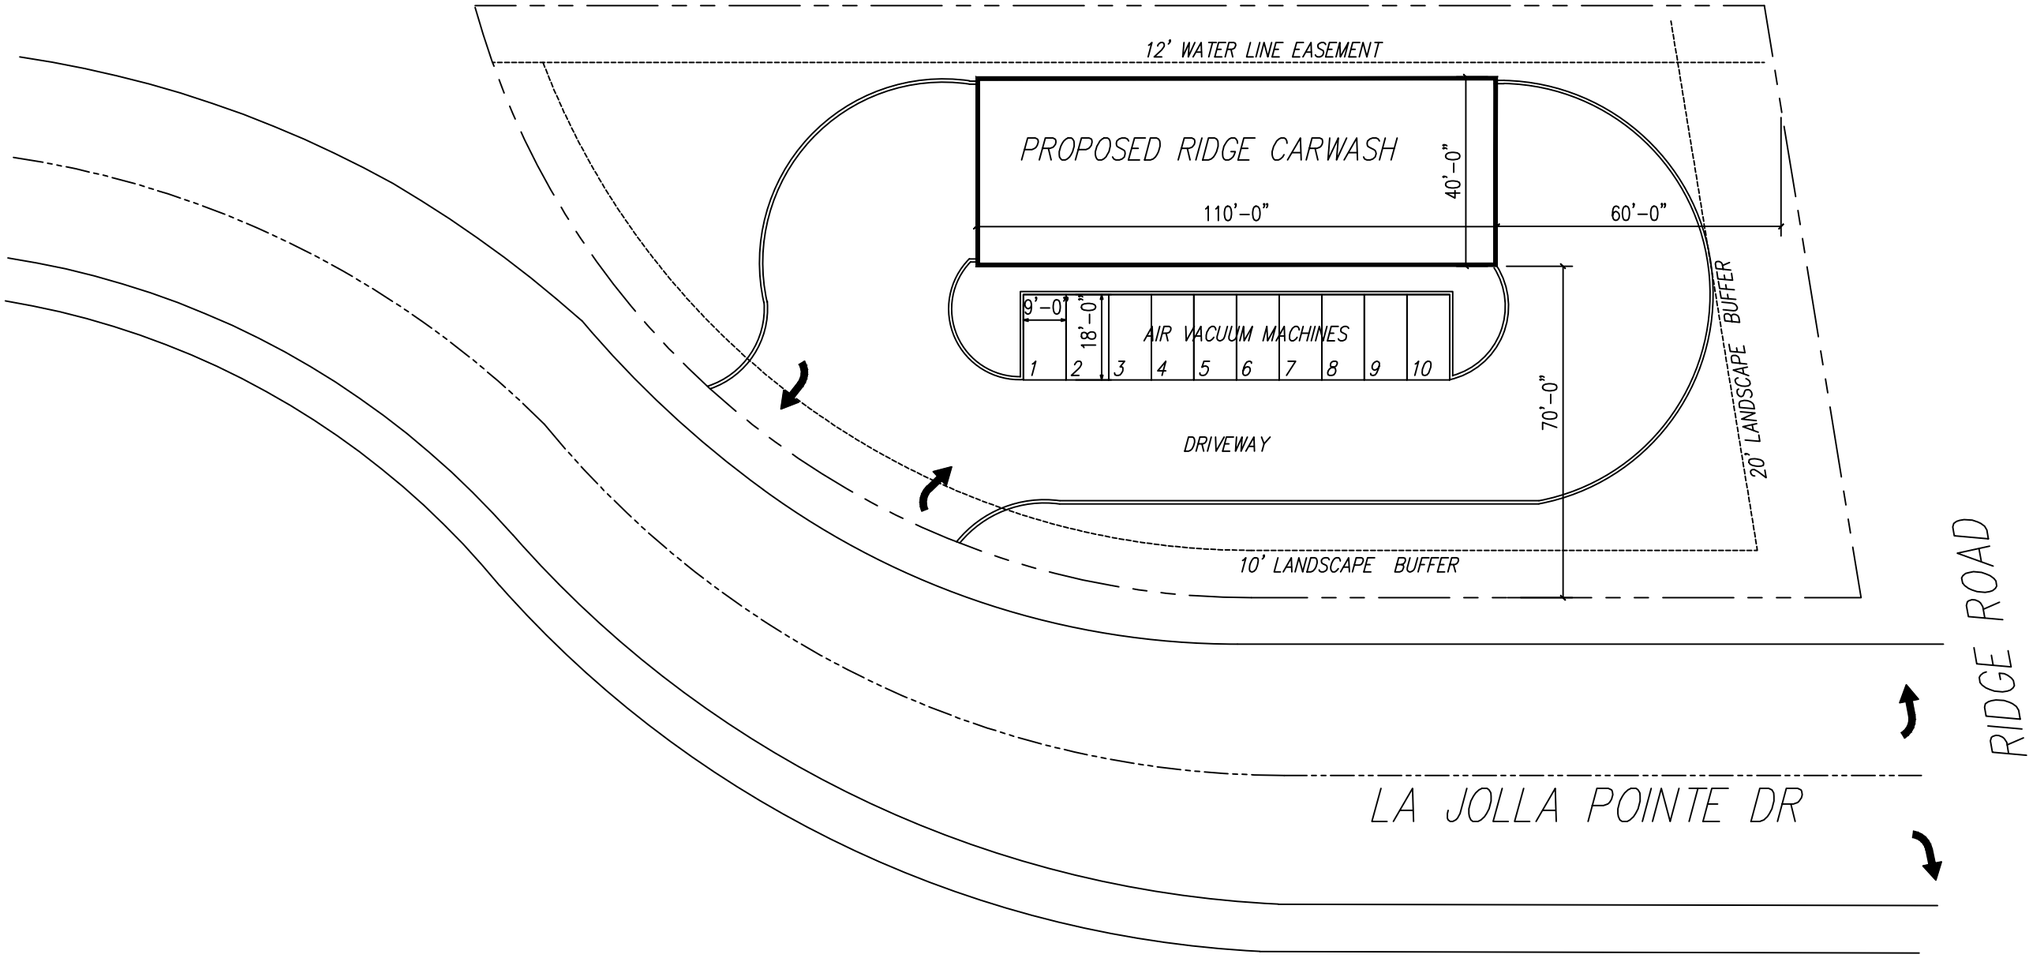
The east end of the tunnel wash facing Ridge road will have a very aesthetic look. It will add to the landscape of Ridge road with a modern and futuristic look.

Please email or call me with questions or concerns

Sincerely

John James

193



Letter of Explanation

The intended business is a fully automated express exterior car wash with water reclaim system.

The customer drives up to the conveyer belt, puts the car into neutral and stays in the vehicle. The vehicle is then pulled into a tunnel via the conveyor belt. The car is washed and dried in the tunnel without the customer getting out of the car. The customer is out in less than 5 minutes.

Free vacuum stations are provided for self vacuum if needed.

WHEREAS WE, ROCKWAY PARTNERS, L.L.P., are the owners of all that certain lot, tract or parcel of land situated in the W. Blevins Survey, Abstract Number 9, City of Rockwall, Rockwall County, Texas, and being all of that certain tract of land described by deed to Rockway Partners, L.L.P., recorded in Volume 2625, Page 148 of the Deed Records of Rockwall County, Texas, and a part of that certain tract of land described as Village One, an addition to the City of Rockwall, Rockwall County, Texas, according to the plat thereof recorded in Cabinet A, Page 285 of the Plat Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a ½ inch iron rod found at the southwesterly corner of that certain tract of land described by deed to James W. Reese, Jr., recorded in Volume 53, Page 371 of the Deed Records of Rockwall County, Texas, and being in the south line of the Missouri Kansas and Texas Railroad Right-of-Way;

THENCE South 45 degrees 28 minutes 47 seconds East, along the south line of said Reese tract and passing the southeasterly corner of Lake Pointe Health Science Center at Rockwall, an addition to the City of Rockwall, Rockwall County, Texas, according to the plat thereof recorded in Cabinet C, Slide 216 of the Plat Records of Rockwall County, Texas, and continuing a total distance of 751.30 feet to a ½ inch iron rod set in the south line thereof, said point being in the north line of Ridge Road (F.M. 740), a public roadway;

THENCE South 35 degrees 14 minutes 40 seconds West, along the north line of Ridge Road, a distance of 122.57 feet to a ½ inch iron rod set in the north line of said Village One;

THENCE South 57 degrees 14 minutes 39 East, along the north line of said Village One, a distance of 4.87 feet to a ½ inch iron rod set at the northeast corner thereof;

THENCE South 30 degrees 44 minutes 50 seconds West, along the north line of Ridge Road, a distance of 93.73 feet, to a "+" found at the west corner of that certain tract of land described to Ron Mon and wife, Hiram Meiss, recorded in Volume 2209, Page 166 of the Deed Records of Rockwall County, Texas;

THENCE North 57 degrees 38 minutes 16 West, along the north line of said Mon-Meas tract, a distance of 170.30 feet to a ½ inch iron rod found at the north corner thereof;

THENCE South 32 degrees 44 minutes 51 seconds West, along the west line of said Mon-Meas tract, a distance of 55.22 feet to a ½ inch iron rod found at the south corner thereof;

THENCE South 46 degrees 28 minutes 38 second East, along the southwest line of said Mon-Meas tract, a distance of 20.98 feet to a 1/2 inch iron rod found at the north corner of David Hogg Subdivision, an addition to the City of Rockwall, Rockwall County, Texas, according to the plat thereof recorded in Cabinet A, Slide 222 of the Plat Records of Rockwall County, Texas;

THENCE South 46 degrees 29 minutes 21 seconds West, along the west line of said David Hogg Subdivision, and passing at 97.18 feet a 3/8 inch iron found at the southwest corner thereof, and continuing along said course a total distance of 598.48 feet to a ½ inch iron rod set for corner;

THENCE South 44 degrees 36 minutes 49 seconds West, along the north line of Catfish Subdivision, an addition to the City of Rockwall, Rockwall County, Texas according to the Plat thereof recorded in Cabinet A, Slide 270 of the Plat Records of Rockwall County, Texas, a distance of 583.13 feet to a ½ inch iron rod set at the southwest corner thereof;

THENCE South 55 degrees 42 minutes 42 minutes East, along the south line of said Catfish Addition, a distance of 53.58 feet, to a 6/8 inch iron rod set at the southwest corner thereof, said point being in the north line of Interstate Highway 30 (I-30);

THENCE South 88 degrees 02 minutes 53 seconds West, along the aforementioned north line of I-30, a distance of 278.35 feet to a ½ inch iron rod set at the intersection of the north of I-30 and the north line of La Jolla Pointe Drive, said line being the north line of Phase 1, La Jolla Pointe Addition, an addition to the City of Rockwall, Rockwall County, Texas, according to the plat thereof recorded in Cabinet D, Slide 281 of the Plat Records of Rockwall County, Texas;

THENCE the following six (6) calls along the aforementioned north line:

North 46 degrees 49 minutes 30 seconds West, a distance of 28.34 feet to a ½ inch iron rod set for corner;

North 01 degrees 57 minutes 07 seconds West, a distance of 52.36 feet to a ½ inch iron rod set for corner;

Northwesterly along a curve to the left having a radius of 120.00 feet, a delta of 21 degrees 54 minutes 48 seconds, and having an arc length of 45.90 feet, whose chord bears North 12 degrees 54 minutes 31 seconds East, a distance of 45.62 feet to a ½ inch iron rod set for corner;

North 23 degrees 51 minutes 55 seconds West, a distance of 376.58 feet to a ½ inch iron rod set for corner;

Northwesterly along a curve to the right having a radius of 120.00 feet, a delta of 33 degrees 12 minutes 01 seconds, and having an arc length of 67.44 feet, whose chord bears North 07 degrees 45 minutes 54 seconds West, a distance of 66.56 feet, to a ½ inch iron rod set for corner;

North 80 degrees 53 minutes 49 seconds West, a distance of 97.53 feet to a ½ inch iron rod set at the most westerly northwest corner of said Phase 1, La Jolla Pointe Addition, said point being in the south line of said Missouri Kansas and Texas Railroad Right-of-Way;

THENCE North 40 degrees 43 minutes 36 seconds East, along the south line of aforementioned railroad, a distance of 266.42 feet to a ½ inch iron rod found;

THENCE North 40 degrees 43 minutes 36 seconds West, continuing along said railroad, a distance of 10.26 feet to a ½ inch iron rod found;

THENCE North 49 degrees 43 minutes 05 seconds East, continuing along said railroad, a distance of 1229.70 feet, to the **POINT OF BEGINNING**, and containing 26.408 acres of land, more or less, and being subject to any and all easements that may affect.

RECOMMENDED FOR FINAL APPROVAL

Planning and Zoning Commission — Date: 3-25-2003

APPROVED

I hereby certify that the above and foregoing plat of an addition to the City of Rockwall, Texas was approved by the City Council of the City of Rockwall on the 4th day of November 2002

This approval shall be invalid unless the approved plat for such addition is recorded in the office of the County Clerk of Rockwall, County, Texas, within one hundred twenty (120) days from said date of final approval. Said addition shall be subject to all the requirements of the Subdivision Regulations of the City of Rockwall.

WITNESS OUR HANDS, this the 28th day of March

Mayor, City of Rockwall

City Secretary, City of Rockwall — Dorothy Brooks

CITY OF ROCKWALL, TEXAS SEAL

NOTE: It shall be the policy of the City of Rockwall to withhold issuing building permits until all streets, water and storm drainage systems have been accepted by the City. The approval of a plat by the City does not constitute any representation, assurance or guarantee that any building within such plat shall be approved, authorized or permit therefore issue, nor shall such availability for water for personal use and fire protection within such plat, as required under Ordinance 83-54.

APPROVED

City Engineer
City of Rockwall — 3-26-03

I, the undersigned, Michael E. Horn, President of Delta Advisor, Inc., a Texas Corporation, General partner of the Land Shown on this plat, and designated herein as the **LA JOLLA POINTE ADDITION, PHASE 2**, a subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicates to the use of the public forever all streets, alleys, parks, water courses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the LA JOLLA Pointe Addition Phase II have been notified and signed this plat.
I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use of using same. I also understand the following:
1. No Building shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house/dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or the owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street of streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall, or until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's Engineer and/or city administrator, computed on a privated commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress Payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done, or until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exactions made herein are proportional to the impact of the subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; we, our successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exactions made herein.

CITY OF ROCKWALL

ORDINANCE NO. 16-XX

SPECIFIC USE PERMIT NO. S-1XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) FOR A CAR WASH WITHIN THE SCENIC OVERLAY (SOV) DISTRICT, FOR A 0.688-ACRE PARCEL OF LAND IDENTIFIED AS LOT 1, BLOCK D, LA JOLLA POINTE ADDITION, PHASE 2, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by John and Lenny James on behalf of the owner Rockway Partners, LLP for the approval of a Specific Use Permit (SUP) to allow a *car wash* on a 0.688-acre parcel of land identified as Lot 1, Block D, La Jolla Pointe Addition, Phase 2, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, and more specifically described in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall should be amended as follows:

NOW AND THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) allowing for a *car wash* within the Scenic Overlay (SOV) District as stipulated by Section 6.8, *Scenic Overlay (SOV) District*, of Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] on the *Subject Property*; and

SECTION 2. That the *Subject Property* shall be developed and/or used only in the manner and for the purposes described in this Specific Use Permit (SUP) ordinance, and as stipulated by Section 6.8, *Scenic Overlay (SOV) District*, Section 4.1, *General Commercial District Standards*, and Section 4.5, *Commercial (C) District*, of Article V, *District Development Standards*, of the Unified Development Code [*Ordinance No. 04-38*] as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future, and shall be subject to the additional following conditions and compliance standards:

DRAFT ORDINANCE 12.21.15

2.1 Operational Conditions

The following conditions pertain to the operation of a *car wash* on the *Subject Property*, and conformance to these operational conditions are required for continued operations:

1) The development of this property shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* of this ordinance; and,

2) The c*ar wash* shall be setback a minimum of 50-feet from Ridge Road.

SECTION 3. That the official zoning map of the City of Rockwall be corrected to reflect the changes described herein.

SECTION 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

SECTION 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *TWO THOUSAND DOLLARS* ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 6. If any section of provision of this ordinance or the application of that section or provision to any person, firm, cooperation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have to adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 4TH DAY OF JANUARY, 2016.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 12/21/2015

APPLICANT: Rockwall Gold & Silver

AGENDA ITEM: **Z2015-032**; 1901 S. Goliad St. – *SUP Renewal*

SUMMARY:

Hold a public hearing to discuss and consider a request by Lloyd Waldrop of Rockwall Gold & Silver on behalf of the owner Donna Pritchard for the approval of an renewal of Specific Use Permit (SUP) No. S-115 (*Ordinance No. 13-46*) allowing a pawn shop on a portion of a 0.423-acre parcel of land identified as Lot 1, Block 1 of the Garland Federal Savings & Loan Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the SH-205 Overlay (SH-205 OV) District, address as Suite 1 of 1901 S. Goliad Street, and take any action necessary.

BACKGROUND INFORMATION:

The applicant, Lloyd Waldrop of Rockwall Gold & Silver, is requesting to renew their existing Specific Use Permit *(SUP)* No. S-115 *(Ordinance No. 13-46)* in order to continue the operation of a *Pawnshop*. The applicant is requesting the SUP for a period of five (5) years and allowing for the SUP to be extended rather than expire every five (5) years. As was established during the prior SUP process in 2013, the *Pawnshop* designation will allow the business to accept certain items of value (e.g. jewelry, electronics, etc.) for the purpose of financing loans and selling any of the unclaimed items after a specified period of time as established in the *Texas Pawnshop Act.*

The applicant's current site plan indicating the boundary of the proposed *Pawnshop* (identified as Suite 1) has not changed and has been resubmitted, a letter from the property owner granting permission to allow for the renewal of the *Pawnshop*, and a letter from the applicant requesting approval of the SUP for your review and consideration. The property is located on the south east corner of Goliad Street and Yellow Jacket Lane, is zoned Commercial (C) District, and lies within the SH-205 Overlay (SH-205 OV) District.

The *Pawnshop* industry is regulated by the *Texas Pawnshop Act* under the Finance Code, Title 4, Regulation of Interest, Loans, and Financed Transactions, Subtitle C, Chapter 371 of the Texas Statutes.

NOTIFICATION:

Staff mailed thirty-four (34) notices to property owners within 500 feet of the subject property. Additionally, staff posted a sign on the property as required by the Unified Development Code *(UDC).* At the time this report was drafted, staff has received one (1) notice "in favor of" and one (1) notice "opposed to" the zoning change requested.

[Staff notifies HOA/Neighborhood Organizations within 1500 feet of a proposed location by e-mail; however, the *Waterstone Homeowners Association* does not have a valid e-mail address listed in the City's notification system.]

RECOMMENDATIONS:

Should the request be approved, staff would offer the following additional conditions:

1. That the (SUP) Specific Use Permit shall generally be limited in its operations to an area of approximately nine (900) hundred square feet where designated as *"Suite 1*" and as depicted on *Exhibit "A"* of the SUP Ordinance, and;

2. That incidental display and outside storage shall be prohibited.

Planning and Zoning Commission:

On December 8, 2015, the Planning and Zoning Commission recommended approval of the SUP request for a period of five (5) years with staff conditions and to include the ability of the applicant to request an extension of the SUP for a certain period of time to be determined by the City Council if an extension is warranted. The motion to approve was passed unanimously by a vote of 7 to 0.

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2015-032: Rockwall Gold and Silver Pawn

Hold a public hearing to discuss and consider a request by Lloyd Waldrop of Rockwall Gold & Silver on behalf of the owner Donna Pritchard for the approval of an extension of Specific Use Permit (SUP) No. S-115 (Ordinance No. 13-46) allowing a pawn shop on a portion of a 0.423-acre parcel of land identified as Lot 1, Block 1 of the Garland Federal Savings & Loan Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the SH-205 Overlay (SH-205 OV) District, address as Suite 1 of 1901 S. Goliad Street, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 12/8/2015 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 12/21/2015 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **12/21/2015** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

CITY OF ROCKWALL

ORDINANCE NO. 13-46

SPECIFIC USE PERMIT NO. S-115

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS GRANT A SPECIFIC USE PERMIT TO ALLOW FOR A "PAWNSHOP" ON A PORTION OF A 0.423-ACRE PARCEL OF LAND, AND MORE SPECIFICALLY IDENTIFIED AS "SUITE 1" AS DEPICTED IN EXHIBIT "A" ATTACHED HERETO, AND LOCATED AT 1901 S. GOLIAD STREET, AND ZONED COMMERCIAL (C) DISTRICT, AND DESCRIBED AS LOT 1, BLOCK 1 OF THE GARLAND FEDERAL SAVINGS & LOAN ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a Specific Use Permit (SUP) for a "Pawnshop" within a Commercial (C) zoning district has been requested by Rockwall Gold & Silver and on behalf of Donna Pritchard (property owner), on a portion of a 0.423-acre parcel of land, and more specifically identified as "Suite 1" as depicted in Exhibit "A" attached hereto, and described as Lot 1, Block 1 of the Garland Federal Savings & Loan Addition City of Rockwall, Rockwall County, Texas, which is situated at the southeast corner of SH-205 and Yellow Jacket Lane, and also known as 1901 S. Goliad Street, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) to allow for a "Pawnshop" within a Commercial (C) zoning district as stipulated by the Unified Development Code [Ordinance no. 04-38] on the *Subject Property*; and

SECTION 2. That the Subject Property shall be used only in the manner and for the purposes described in this Specific Use Permit (SUP) and as set forth in the Unified Development Code [Ordinance No. 04-38] as heretofore amended, and as may be amended in the future, and shall be subject to the additional following conditions and compliance standards:

2.1 Operational Conditions

The following conditions pertain to the operation of a "Pawnshop" as a use for an existing commercial facility on the *Subject Property*, and conformance to these operational conditions on required for continued operations:

1. The "Pawnshop" shall be limited in its operations to an area of approximately nine (900) hundred square feet for the area designated as "Suite 1" as depicted in Exhibit "A" attached hereto and;
2. That incidental display and outside storage shall be strictly prohibited.
3. This Specific Use Permit (SUP) shall be valid for a period of two (2) years from the date of approval as granted upon herein, and the City Council reserves the right to renew the SUP granted herein upon the expiration of the two (2) year period from the date hereof.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 2nd DAY OF DECEMBER, 2013.

David Sweet, *Mayor*

X. PUBLIC HEARING ITEMS

1. **Z2013-028** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Rockwall Gold & Silver on behalf of Donna Pritchard for the approval of a Specific Use Permit for a pawn shop on a portion of a 0.423-acre parcel of land, zoned Commercial (C) District and located within the SH 205 Overlay (SH 205 OV) District, identified as Lot 1, Block 1 of the Garland Federal Savings & Loan Addition, specifically Suite 1 of 1901 S. Goliad Street, and take any action necessary. **(1st Reading)**

Planning Director Robert LaCroix provided brief background information related to this item. Notices were sent out to adjacent property owners located within two hundred feet of the property, in accordance with the law. One of the eleven notices sent was received back in favor. The Planning and Zoning Commission recommended approval of this item by a vote of 5 ayes with 2 against.

Mayor Sweet opened the public hearing and called the applicant forth.

Lloyd and wife, Toni, Waldrop
(business owner)
1185 Aberdeen Lane
Rockwall, TX

Mr. Waldrop came forth and explained the nature of his request, sharing some photographs and explaining that the main purpose is to do strictly jewelry loans in about 300 square feet of their floor space at this store. He explained he owns an 8,000 square foot pawn shop at a separate location off of IH-30, and that is where big items will continue to be handled. However, he indicated that he knows there is a certain stigma about a pawn shop, and he realizes that a lot of his customers do not want to go into a pawn shop store in order to perform a loan transaction. He indicated that this location on Goliad (where loans are proposed to be performed) is very secure and that patrons are buzzed in and out. He explained that, by law, in order to do loans, he has to get a pawn shop license. He shared that the state examiner recently visited his business to inspect his books, and the examiner suggested he consider doing pawn loans, indicating that a lot of people in the industry are doing them. He stated he has a letter from the examiner stating it will be ok to do jewelry loans as long as the City of Rockwall will permit it.

City Attorney, Frank Garza, indicated the City of Rockwall, within an SUP, can control the type of business, but the city cannot control how they conduct their business. General discussion took place regarding possibly placing a time limit on the SUP.

Alice Bland
1410 S. Goliad Street, #1201
Rockwall, TX 75087

Mrs. Bland encouraged the council to consider that this neighborhood has a lot of transients with the various apartment complexes located nearby. This business may also have an affect on the police department because the police may be called due to this type of business being a potential lure to criminals.

There being no one else in the audience wishing to come forth and speak, Mayor Sweet then closed the public hearing.

Councilmember Milder expressed concern about this SUP request, and he made a motion to deny Z2013-028. Councilmember Pruitt seconded the motion.

Councilmember Daniels indicated he received some phone calls from business owners (who are not property owners, so therefore did not receive the public notice that was mailed out by city staff) expressing concern about having this pawn shop business located so close to their own business. Mayor Pro Tem White suggested the council consider granting the SUP but put a time limit on it of two to three years, and then revisit the SUP at that time to gauge whether or not the applicant is operating their business in a manner in which they proposed to council that they will operate. Councilmember Pruitt expressed concern about the existing pay day loan business that is already operating at this location, and he also has concerns about the proposed pawn shop. He believes that this type of business attracts other, similar businesses, and it leads to a degradation of the neighborhood.

After additional discussion, the motion to deny the SUP failed by a vote of 3 ayes to 4 nays (Townsend, White, Sweet and Lewis).

Mayor Pro Tem White made a motion to approve Z2013-028. Mayor Sweet seconded the motion. He then amended his motion to stipulate that the SUP, if approved, would be granted for a period of two years and would be revisited at the end of that specific time period. Mayor Sweet seconded the amended motion. It was clarified that the motion to approve will include 'staff conditions.'

After brief discussion, the ordinance was read as follows:

> **AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS GRANT A SPECIFIC USE PERMIT TO ALLOW FOR A "PAWNSHOP" ON A PORTION OF A 0.423-ACRE PARCEL OF LAND, AND MORE SPECIFICALLY IDENTIFIED AS "SUITE 1" AS DEPICTED IN EXHIBIT "A" ATTACHED HERETO, AND LOCATED AT 1901 S. GOLIAD STREET, AND ZONED COMMERCIAL (C) DISTRICT, AND DESCRIBED AS LOT 1, BLOCK 1 OF THE GARLAND FEDERAL SAVINGS & LOAN ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.**

The motion passed 4 in favor and 3 against (Pruitt, Daniels, Milder).

2. **Z2013-029** - Hold a public hearing to discuss and consider approval of an **ordinance** for a request by Cameron Slown on behalf of Med-Tech Construction, Inc. for the approval of a Specific Use Permit for an assisted living facility on a 0.96-acre tract of land identified as Lots 2 & 5,

CITY OF ROCKWALL

ORDINANCE NO. 16-XX

SPECIFIC USE PERMIT NO. S-XXX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS GRANT A SPECIFIC USE PERMIT TO ALLOW FOR A "PAWNSHOP" ON A PORTION OF A 0.423-ACRE PARCEL OF LAND, AND MORE SPECIFICALLY IDENTIFIED AS "SUITE 1" AS IDENTIFIED IN EXHIBIT "A", AND LOCATED AT 1901 S. GOLIAD STREET, ZONED COMMERCIAL (C) DISTRICT, AND DESCRIBED AS LOT 1, BLOCK 1 OF THE GARLAND FEDERAL SAVINGS & LOAN ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a Specific Use Permit (SUP) for a "*Pawnshop*" been requested by Lloyd Waldrop of Rockwall Gold & Silver and on behalf of Donna Pritchard (property owner), on a portion of a 0.423-acre parcel of land, more specifically identified as "Suite 1" on property described as Lot 1, Block 1 of the Garland Federal Savings & Loan Addition, City of Rockwall, Rockwall County, Texas, which is situated at the southeast corner of SH-205 and Yellow Jacket Lane, addressed as 1901 S. Goliad Street, and more specifically described in *Exhibit 'A'* of this ordinance, which herein after shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the Unified Development Code of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit (SUP) to allow for a "*Pawnshop*" within a Commercial (C) zoning district as stipulated by the Unified Development Code [Ordinance no. 04-38] on the *Subject Property*; and

SECTION 2. That the Subject Property shall be used only in the manner and for the purposes described in this Specific Use Permit (SUP) and as set forth in the Unified Development Code [Ordinance No. 04-38] as heretofore amended, and as may be amended in the future, and shall be subject to the additional following conditions and compliance standards:

2.1 Operational Conditions

The following conditions pertain to the operation of a "*Pawnshop*" as a use for an existing commercial facility on the *Subject Property*, and conformance to these operational conditions on required for continued operations:

1. That the "Pawnshop" shall generally be limited in its operations to an area of approximately nine (900) hundred square feet for the area designated as "Suite 1" and as depicted in *Exhibit "A"* attached hereto, and

2. That incidental display and outside storage shall be strictly prohibited, and

3. That this Specific Use Permit (SUP) shall be valid for a period of five (5) years from the date of approval as granted upon herein, and that the City Council shall review this SUP ordinance and determine if an extension is warranted. Ninety (90) days prior to the cessation of this ordinance the applicant shall submit an application for renewal of this SUP ordinance for a certain period of time to be determined by the City Council.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 12/21/2015

APPLICANT: Stephen B. North

AGENDA ITEM: **Z2015-033**; Accessory Building - *SUP*

Hold a public hearing to discuss and consider a request by Stephen B. North for the approval of a Specific Use Permit (SUP) for an accessory building not meeting the standards stipulated by the Unified Development Code on a 0.23-acre parcel of land identified as Lot 14, Block F, Harlan Park Addition, Phase 1, City of Rockwall, Rockwall County, Texas, zoned Single Family 10 (SF-10) District, situated within the North SH-205 Overlay (N. SH-205 OV) District, addressed as 513 Windsor Way, and take any action necessary.

BACKGROUND INFORMATION:

The applicant, Mr. Stephen B. North, is requesting a Specific Use Permit (SUP) to allow for a 288 sq. ft. accessory building that exceeds the size requirements and does not meet the exterior cladding standards of the Single-Family 10 (SF-10) Residential District. Under the standards of the Unified Development Code, the accessory building shall be accessory to a residential use and located on the same lot. By right, in the SF-10 district, no more than two (2) accessory buildings shall be allowed which are up to 225 sq. ft. (each) in area and 15 ft. or less in height, provided the exterior cladding contains only materials found on the main structure. Accessory buildings not meeting these standards shall require approval of an SUP.

The proposed accessory building will be an 18' X 16' (288 sq. ft.) structure with its exterior comprised of Hardy Board Siding with a composition roof and shingles that match the primary structure. The accessory building will be used for storage purposes. Mr. North has provided a color prospective that indicates a porch overhang. The accessory building will have an overall height of 11-ft 8-in. and does not exceed the height standard of 15-ft. established in the UDC.

The applicant has provided a letter requesting the SUP, a survey indicating the location of the proposed accessory building, building elevations, and a photo illustrating the porch/roof overhang to be incorporated. It should be noted that a request for an SUP is considered a discretionary act for the Planning and Zoning Commission and City Council.

NOTIFICATION:

Staff mailed seventy-two (72) notices to property owners within 500 feet of the subject property. Additionally, staff posted a sign on the property as required by the Unified Development Code *(UDC).* At the time this report was drafted, staff had received two (2) notices "in favor of" and two (2) notices "opposed to" the zoning change requested.

[Staff notifies HOA/Neighborhood Organizations within 1500 feet of a proposed location by e-mail; however, the *Castle Ridge Phase 2 Homeowners Association* does not have a valid e-mail address listed in the City's notification system.]

RECOMMENDATIONS:

Should the request for an SUP be approved, staff offers the following conditions:

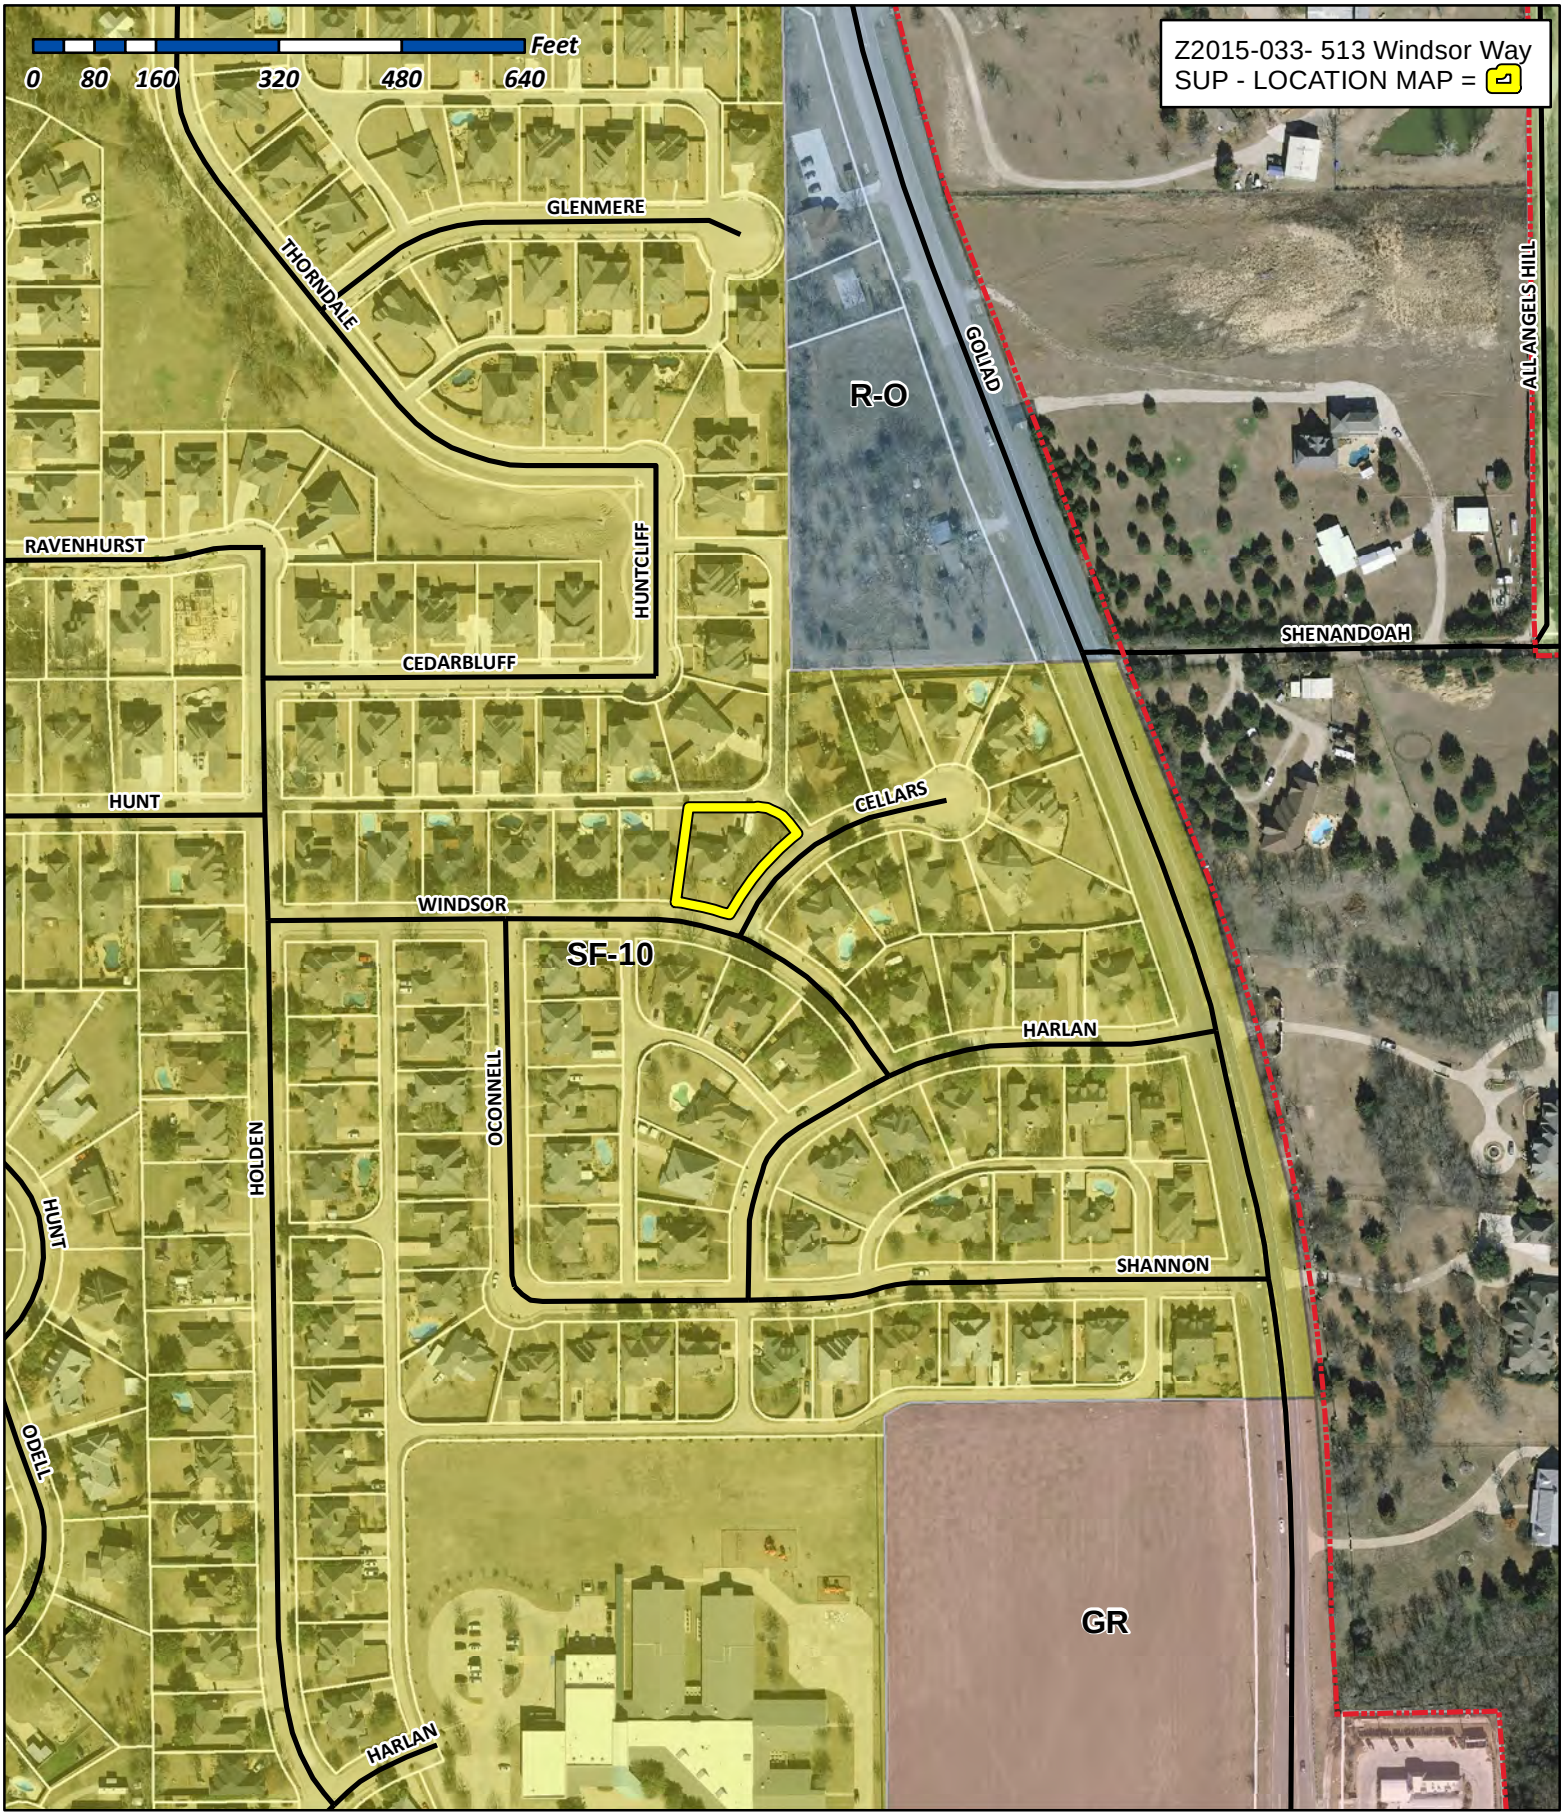
1. That the structure must meet all Building Inspections, Engineering, and Fire Department standards, and

2. That submittal and approval of a building permit is required prior to the construction of the accessory building, and

3. That the accessory building shall generally not exceed 288 sq. ft. in area or a maximum height of 15-ft. (measured at the midpoint of the pitched roof), and

4. That the accessory building shall generally conform to the site plan (survey), building elevations as submitted, including the use of up to 100% Hardi Board lap siding (or other comparable cementaceous lap siding product) on all exterior walls, a composition roof, and a porch/roof overhang as generally depicted in the attached photo, and

5. That the accessory building is subject to administrative review in the event that the subject property is sold to another party, conveyed in any manner to another party, subdivided, or re-platted, and



6. The City Council reserves the right to review the Specific Use Permit granted herein, and

7. Any construction or building allowed by this request must conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Planning and Zoning Commission Recommendation:

On December 8, 2015, the Planning and Zoning Commissions' motion to approve the SUP request with staff conditions passed unanimously by a vote of 7 to 0.

Case No. Z2015-033: 513 Windsor Way

Hold a public hearing to discuss and consider a request by Stephen B. North for the approval of a Specific Use Permit (SUP) for an accessory building not meeting the standards stipulated by the Unified Development Code on a 0.23-acre parcel of land identified as Lot 14, Block F, Harlan Park Addition, Phase 1, City of Rockwall, Rockwall County, Texas, zoned Single Family 10 (SF-10) District, situated within the North SH-205 Overlay (N. SH-205 OV) District, addressed as 513 Windsor Way, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 12/8/2015 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 12/21/2015 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **12/21/2015** to ensure they are included in the information provided to the City Council.

Sincerely,

Robert LaCroix, AICP
Director of Planning & Zoning

I do not know what this "accessory Building" will be used for. It could reduce the property values of all nearby property. We are zoned Residential and thus it should remain.

Subject: RE: Z2015-033: 513 Windsor Way

Mr. Dayman,

The request is for an accessory structure that will be approximately 288 sq. ft. in area (16' X 18'). This dimension includes a 4-ft roof overhang/porch area for the structure. The maximum height for an accessory structure for this residential district is 15-ft; however, the North's plan indicates the height at just under 12-ft. The plan also indicates the roof to have composition shingles and the exterior to be Hardy Board siding. If approved as requested, the ordinance will not allow for the structure to exceed the size/area being requested (i.e. 288 sq. ft.), but would allow for the exterior cladding to be Hardy Board siding rather than masonry construction. However, the ordinance does not regulate the appearance in terms of the porch being required (e.g. the porch is not required to be included) unless specifically written in the ordinance, which is not a general practice for an accessory structure. The accessory structure will be located on the northwest portion of the rear of the property.

Since this is a residential district, a commercial business operation is prohibited.

If you have any additional questions, please feel free to contact me.

Thank you,

In regards to this request, we are in favour of the filing, however, we'd like to see a rendition of what this might look like and then hold the North's to that look OR if not require a fence or other item to block the buildings look from the public view.

Also, we'd like to ensure that a business isn't able to be run out of the building and that its ONLY used for storage and that a stipulation for the request as such goes along with ANY approval

CITY OF ROCKWALL

ORDINANCE NO. 16-___

SPECIFIC USE PERMIT NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE OF THE CITY OF ROCKWALL, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT WITHIN THE SINGLE-FAMILY RESIDENTIAL (SF-10) DISTRICT ALLOWING FOR AN ACCESSORY BUILDING NOT MEETING THE STANDARDS STIPULATED BY THE UNIFIED DEVELOPMENT CODE, ON THE PROPERTY ADDRESSED AS 513 WINDSOR WAY, BEING A 0.23-ACRE PARCEL OF LAND IDENTIFIED AS LOT 14, BLOCK F, HARLAN PARK ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OR FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a request has been made by Stephen B. North for a Specific Use Permit allowing for an accessory building not meeting the standards stipulated by the Unified Development Code within the Single-Family Residential (SF-10) District, on the property located at 513 Windsor Way, being a 0.23-acre parcel of land identified as Lot 14, Block F, Harlan Park Addition, City of Rockwall, Rockwall County, Texas, and more specifically described in Exhibit 'A' of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally, and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Unified Development Code of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Unified Development Code of the City of Rockwall, as heretofore amended, be and the same is hereby amended so as to grant a Specific Use Permit allowing for an accessory building not meeting the standards stipulated by the Unified Development Code within the Single-Family Residential (SF-10) District for the *Subject Property*; and

Section 2. That the Specific Use Permit shall be subject to the conditions set forth in ***Article IV, Section 2.1.2, Residential and Lodging Use Conditions,*** of the City of Rockwall Unified Development Code (Ord. No. 04-38) as heretofore amended and as may be amended in the future, and shall be subject to the additional following additions:

1. That the structure must meet all Building Inspections, Engineering, and Fire Department standards, and

2. That submittal and approval of a building permit is required prior to the construction of the accessory building, and

3. That the accessory building shall generally not exceed 288 sq. ft. in area or a maximum height of 15-ft. (measured at the midpoint of the pitched roof), and

4.That the accessory building shall generally conform to the site plan (Exhibit 'A' - Survey), building elevations as submitted, including the use of up to 100% Hardi Board lap siding (or other comparable cementaceous lap siding product) on all exterior walls, a composition roof, and a porch/roof overhang as generally depicted in the attached photo, and

5.That the accessory building is subject to administrative review in the event that the subject property is sold to another party, conveyed in any manner to another party, subdivided, or re-platted, and

6. That the City Council reserves the right to review the Specific Use Permit granted herein, and

7. That Any construction or building allowed by this request must conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Section 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

Section 4. That all ordinances of the City of Rockwall in conflict with the provisions of this ordinance be, and the same are hereby repealed to the extent of that conflict.

Section 5. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS ($2,000.00) for each offence and each and every day such offense shall continue shall be deemed to constitute a separate offense.

Section 6. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

Section 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE ____ DAY OF _____, 2016.

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 12/21/2015

APPLICANT: Pat Atkins, *Saddle Star Land Development, Inc.*

AGENDA ITEM: **Z2015-034**; *Saddle Star Estates South (AG to PD)*

SUMMARY:

Hold a public hearing to discuss and consider a request by Pat Atkins of Saddle Star Land Development Inc. on behalf of the owner Randa Hance of R&R Hance Investment LP for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 8.4 (SF-8.4) District land uses for a 45.318-acre tract of land identified as Tract 2-03 of the P. B. Harrison Survey, Abstract No. 97, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (SH-205 BY-OV) District, located on the north side of John King Boulevard south of FM-552, and take any action necessary.

PURPOSE:

On November 16, 2015, the applicant submitted an application requesting to rezone a 45.318-acre tract of land from an Agricultural (AG) District to a Planned Development District for a single-family, residential subdivision that will consist of 113 single-family lots. The subject property, which was annexed into the City on March 16, 1998 by *Ordinance No. 98-10*, is located on the west side of John King Boulevard -- *south of Featherstone Drive and north of E. Quail Run Road* -- and is currently vacant agricultural land.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is the City's corporate boundaries followed by two (2) large tracts of land situated within the City's Extraterritorial Jurisdiction (ETJ).

South: Directly south of the subject property is John King Boulevard, which is identified as a P6D (*principle arterial, six [6] lane, divided roadway*) on the City's *Master Thoroughfare Plan*. Beyond this are several tracts of vacant land zoned Agricultural (AG) District.

East: Directly east of the subject property is a 29.192-acre vacant tract land zoned Planned Development District 77 (PD-77) for Single Family 10 (SF-10) District land uses. Beyond this are several single-family homes zoned Agricultural (AG) District.

West: Directly south of the subject property is John King Boulevard, which is identified as a P6D (*principle arterial, six [6] lane, divided roadway*) on the City's *Master Thoroughfare Plan*. Beyond this arterial is vacant property zoned Planned Development District 70 (PD-70) for Single Family 10 (SF-10) District land uses. This is the remainder of the Stone Creek Subdivision.

CHARACTERISTICS OF THE REQUEST:

Along with the application, the applicant has submitted a concept plan and development standards for the proposed residential subdivision. The concept plan shows that in addition to the 45.318-acre

tract of land being considered under this zoning case, two (2) additional tracts (*north of the subject property*) will be included as future phases for the proposed subdivision. Currently, both of these tracts are outside of the City's corporate boundaries; however, they are located within the City's Extraterritorial Jurisdiction (ETJ) and can be annexed. The applicant has stated that the intent of this project is to receive entitlement on the 45.318-acre tract of land and then initiate a voluntary annexation case to bring the remaining tracts of land into the City. The applicant will also be requesting that the proposed PD (*if approved*) be amended to incorporate this area.

The current request is for 113, 70' x 125' lots or a gross residential density of ~2.49 units/acre. Incorporated within the development will be 6.73-acres of open space (*or ~14.85%*), which includes a 3.64-acre neighborhood park [*the applicant has revised the plan to show 17% open space -- see the Planning and Zoning Commission section below*]. In addition, the applicant is proposing to incorporate a ten (10) foot trail and trail rest area along John King Boulevard in conformance with the *John King Boulevard Design Concept Plan* contained in the Comprehensive Plan (*staff has incorporated this into the proposed ordinance*). It should be pointed out that the proposed PD Ordinance has similar standards as were approved in the adjacent Planned Development District 77 (PD-77), and according to the applicant will incorporate a similar product as those in the Stone Creek and Breezy Hill Subdivisions. A summary of the proposed development standards is as follows:

Minimum Lot Width [1]	70'
Minimum Lot Depth	125'
Minimum Lot Area	8,750 SF
Minimum Front Yard Setback [2] & [5]	20'
Minimum Side Yard Setback	5'
Minimum Side Yard Setback (Adjacent to a Street) [2] & [5]	10'
Minimum Length of Driveway Pavement	25'
Maximum Height [3]	30'
Minimum Rear Yard Setback [4]	20'
Minimum Area/Dwelling Unit (SF)	2,700 SF
Maximum Lot Coverage	65%
Permitted Encroachment into Required Setbacks [5]	Allowed

General Notes:

[1]: The minimum lot width shall be measured at the *Front Yard Building Setback*.

[2]: The location of the *Front Yard Building Setback* as measured from the front property line.

[3]: The *Maximum Height* shall be measured to the eave or top plate (whichever is greater) of the single family home.

[4]: As measured from the rear yard property line.

[5]: Sunrooms, porches, stoops, bay windows, balconies, masonry clad chimneys, eaves and similar architectural features may encroach beyond the *Front Yard Building Setback* by up to ten (10) feet for any property; however, the encroachment shall not exceed five (5) feet on *Side Yard Setbacks (Adjacent to a Street)* and shall not encroach into public right-of-way [a *Sunroom* is an enclosed room no more than 15-feet in width that has glass on at least 50% of each of the encroaching faces].

Waivers to Code Requirements:

It should be noted that the development standards contained within the PD Ordinance deviate from the requirements of the Engineering Department's *Standards of Design and Construction* Manual in the following ways:

1) According to the Engineering Department's *Standards of Design and Construction* Manual, "(t)he City Council may waive the residential alley requirement upon determination by the Council, if it is in the best interest of the City." Currently, the applicant is requesting to allow *J-Swing* and/or *Front Entry* garages that comply with Article VI, *Parking and Loading*, of the Unified Development Code (UDC) in lieu of alleys. This requirement has been waived for other subdivisions throughout the City when the PD Ordinance conforms to the requirements stipulated by the UDC.

CONFORMANCE WITH THE COMPREHENSIVE PLAN:

Conformance with Policies and Guidelines

In reviewing the original concept plan for conformance to the policies and guidelines of the Comprehensive Plan, staff made the following recommendations to the applicant:

1) *Single-family lots adjacent to open space should be front loaded for the purpose of maximizing the value of the adjacent single-family homes, preserving view corridors along the streetscapes, and to better optimize the use of open space within the development [Resolution 07-03; 1.d.vii & 1.d.x].*

2) *Increased street connectivity for safety and access can be achieved by removing unnecessary cul-de-sacs [Transportation Section; Pages 50-55/John King Boulevard Design Concept Plan; Section 5].*

3) *The applicant should consider incorporating a boulevard or other green space in the center of the development to provide a heightened sense of open space [Resolution 07-03; 1.d.viii & 1.d.xii].*

In response to these comments, the applicant has made the majority of the requested changes. Specifically, the applicant has incorporated a boulevard (*i.e. Street 'D'*) that will extend through the subdivision, has removed all cul-de-sacs, and realigned the internal open space to allow for more front loaded lots.

Conformance with the Future Land Use Map

The Future Land Use Map, contained within the Comprehensive Plan, designates the subject property for *Low Density Residential* land uses. According to the Comprehensive Plan, "(l)ow density residential is defined as less than two (2) units per acre; however, a density up to two and one-half (2.5) units per gross acre may be allowed within a residential Planned Development District that includes the dedication and/or development of additional amenities exceeding the minimum standards for residential Planned Developments." The additional amenities are described as: 1) Parks and Open Space, 2) Golf Course, 3) Neighborhood Amenity/Recreation Center, 4) Integration of Schools into the Community Fabric, 5) Development of Trails and Parks in Floodplains, and 6) Development of Municipal Parks and Recreation Facilities. Additionally, the Planned Development District standards contained within the Unified Development Code (UDC) require a minimum of 20% of the gross land area be dedicated to open space.

In this case, the concept plan depicts a residential density of ~2.49 units/acre, which is less than the maximum 2.5 units/acre permitted by the *Low Density Residential* land use designation; however, the concept plan is only showing a provision of 6.73-acres of open space (~14.85%) [*the applicant has revised the plan to show 17% open space -- see the Planning and Zoning Commission section below*]. Staff has calculated that the concept plan would need an additional ~2.33-acres to satisfy the minimum requirements. The applicant has indicated that when taking into account the future phases of this development the proposed subdivision will have a minimum of 20% open space and provide an amenities center, but this is not included in the current request. It should be noted that the applicant has agreed to include a ten (10) foot sidewalk and trail rest stop along John King Boulevard per the recommendations of the *John King Boulevard Design Concept Plan* contained within the Comprehensive Plan. This has been included in the proposed Planned Development District ordinance.

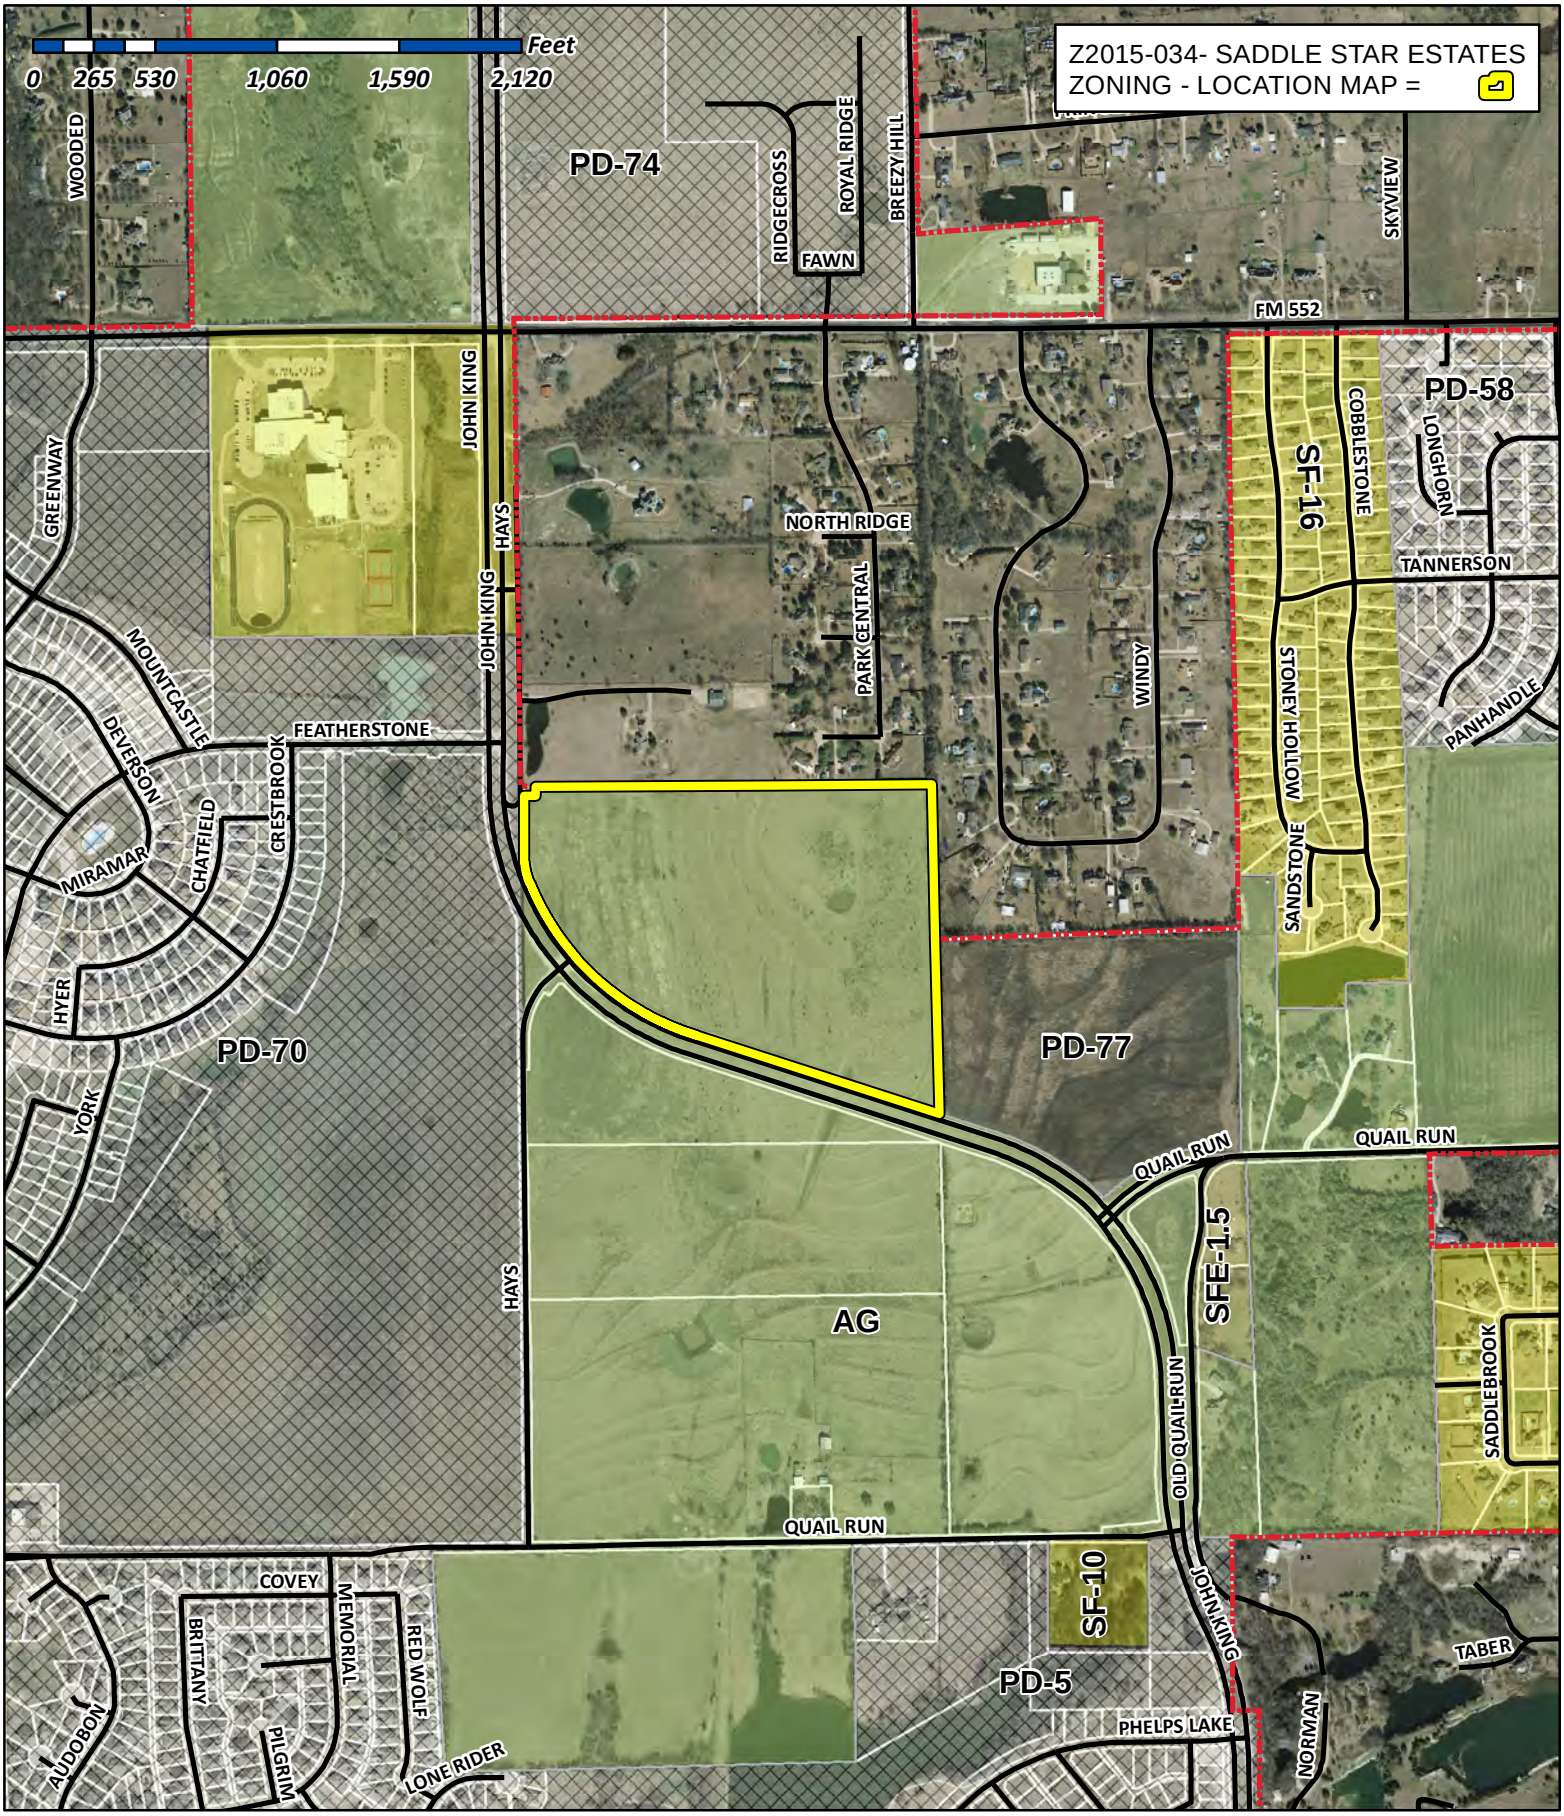
The proposed zoning case does appear to conform to the majority of the Comprehensive Plan's policies and guidelines with the exception of the proposed open space/amenities provisions. With this being said, the density being proposed is a discretionary decision for the City Council.

NOTIFICATION:

On November 20, 2015, staff mailed three (3) notices to property owners and residents within 500-feet of the subject property. Staff also emailed notices to the Stoney Hollow and Stone Creek Homeowner's Associations (HOA's), which are the only HOA's located within 1,500 feet of the subject property. Additionally, staff posted a sign along John King Boulevard, and advertised the public hearings in the Rockwall Harold Banner as required by the Unified Development Code (UDC). At the time this case memo was drafted no responses were received by staff.

RECOMMENDATIONS:

If the City Council chooses to approve the applicant's request to rezone the subject property from an Agricultural (AG) District to a Planned Development District, then staff would propose the following conditions of approval:



1) The applicant shall be responsible for maintaining compliance with the conditions contained within the *Planned Development District* ordinance;

2) Any construction resulting from the approval of this *zoning change* shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On December 8, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the zoning change by a vote of 7-0; however, the Planning and Zoning Commission did also recommend that Section 12, *Open Space*, of *Exhibit 'C'* of the *PD Ordinance* be amended to reflect a minimum of 20% open space.

The applicant has agreed to increase the proposed open space from *~14.85%* to a minimum of *17%*, but has stated that an increase to 20% is not feasible for this project. Staff has changed the ordinance to reflect the *17%* requested by the applicant.

Dec. 10, 2015 Scale:1" = 120' Case No. Z-2015-034

CITY OF ROCKWALL

ORDINANCE NO. 16-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO CHANGE THE ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO PLANNED DEVELOPMENT DISTRICT XX (PD-XX) FOR SINGLE FAMILY 8.4 (SF-8.4) DISTRICT LAND USES ON THE SUBJECT PROPERTY, BEING A 45.318-ACRE TRACT OF LAND IDENTIFIED AS TRACT 2-03 OF THE P. B. HARRISON SURVEY, ABSTRACT NO. 97, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED HEREIN BY *EXHIBIT 'A'*; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request by Pat Atkins of Saddle Star Land Development, Inc. on behalf of the owner Randa Hance of R&R Hance Investment, LP for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 8.4 (SF-8.4) District land uses, on a 45.318-acre tract of land identified as Tract 2-03 of the P. B. Harrison Survey, Abstract No. 97, City of Rockwall, Rockwall County, Texas and more fully described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the *Subject Property* shall be used only in the manner and for the purposes authorized by this Planned Development District Ordinance and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting this zoning change, and as maybe amended in the future;

Section 2. That development of the *Subject Property* shall generally be in accordance with the *Planned Development Concept Plan*, described in *Exhibit 'B'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'B'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 3. That development of the *Subject Property* shall generally be in accordance with the *Development Standards*, described in *Exhibit 'C'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'C'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

DRAFT ORDINANCE 02.2015

Section 4. That a *Master Parks and Open Space Plan* for the *Subject Property*, prepared in accordance with this ordinance and consistent with the *Planned Development Concept Plan* described in *Exhibit 'B'* of this ordinance, shall be considered for approval by the City Council following recommendation of the Parks and Recreation Board.

Section 5. That development of the *Subject Property* shall be in conformance with the schedule listed below (*except as set forth below with regard to simultaneous processing and approvals*).

(a) The procedures set forth in the City's subdivision regulations on the date this ordinance is approved by the City, as amended by this ordinance (*including Subsections 5(b) through 5(e) below*), shall be the exclusive procedures applicable to the subdivision and platting of the *Subject Property*.

(b) The following plans and plats shall be required in the order listed below (*except as set forth below with regard to simultaneous processing and approvals*). The City Council shall act on an application for an *Open Space Master Plan* in accordance with the time period specified in *Section 212.009* of the *Texas Local Government Code*.

(1) Open Space Master Plan
(2) Master Plat
(3) PD Site Plan
(4) Preliminary Plat
(5) Final Plat

(c) *PD Site Plan.* A *PD Site Plan* covering all of the *Subject Property* shall be submitted and shall identify all site/landscape/hardscape plan(s) for all open space, neighborhood parks, trail systems, street buffers and entry features. A *PD Site Plan* application may be processed by the City concurrently with a *Preliminary Plat Application* for the development.

(d) *Preliminary Plat.* A *Preliminary Plat* covering all of the *Subject Property* shall be submitted and shall include a *Treescape Plan*. A *Preliminary Plat Application* may be processed by the City concurrently with a *PD Site Plan Application* for the development.

(e) *Final Plat.* Prior to the issuance of any building permits, a *Final Plat*, conforming to the *Preliminary Plat*, for all of the *Subject Property* shall be submitted for approval.

Section 7. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 8. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 9. The standards in this ordinance shall control in the event of a conflict between

DRAFT 12.21.15

this ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development Code*), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

Section 10. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 4TH DAY OF JANUARY, 2016.

DRAFT ORDINANCE 12.21.2015

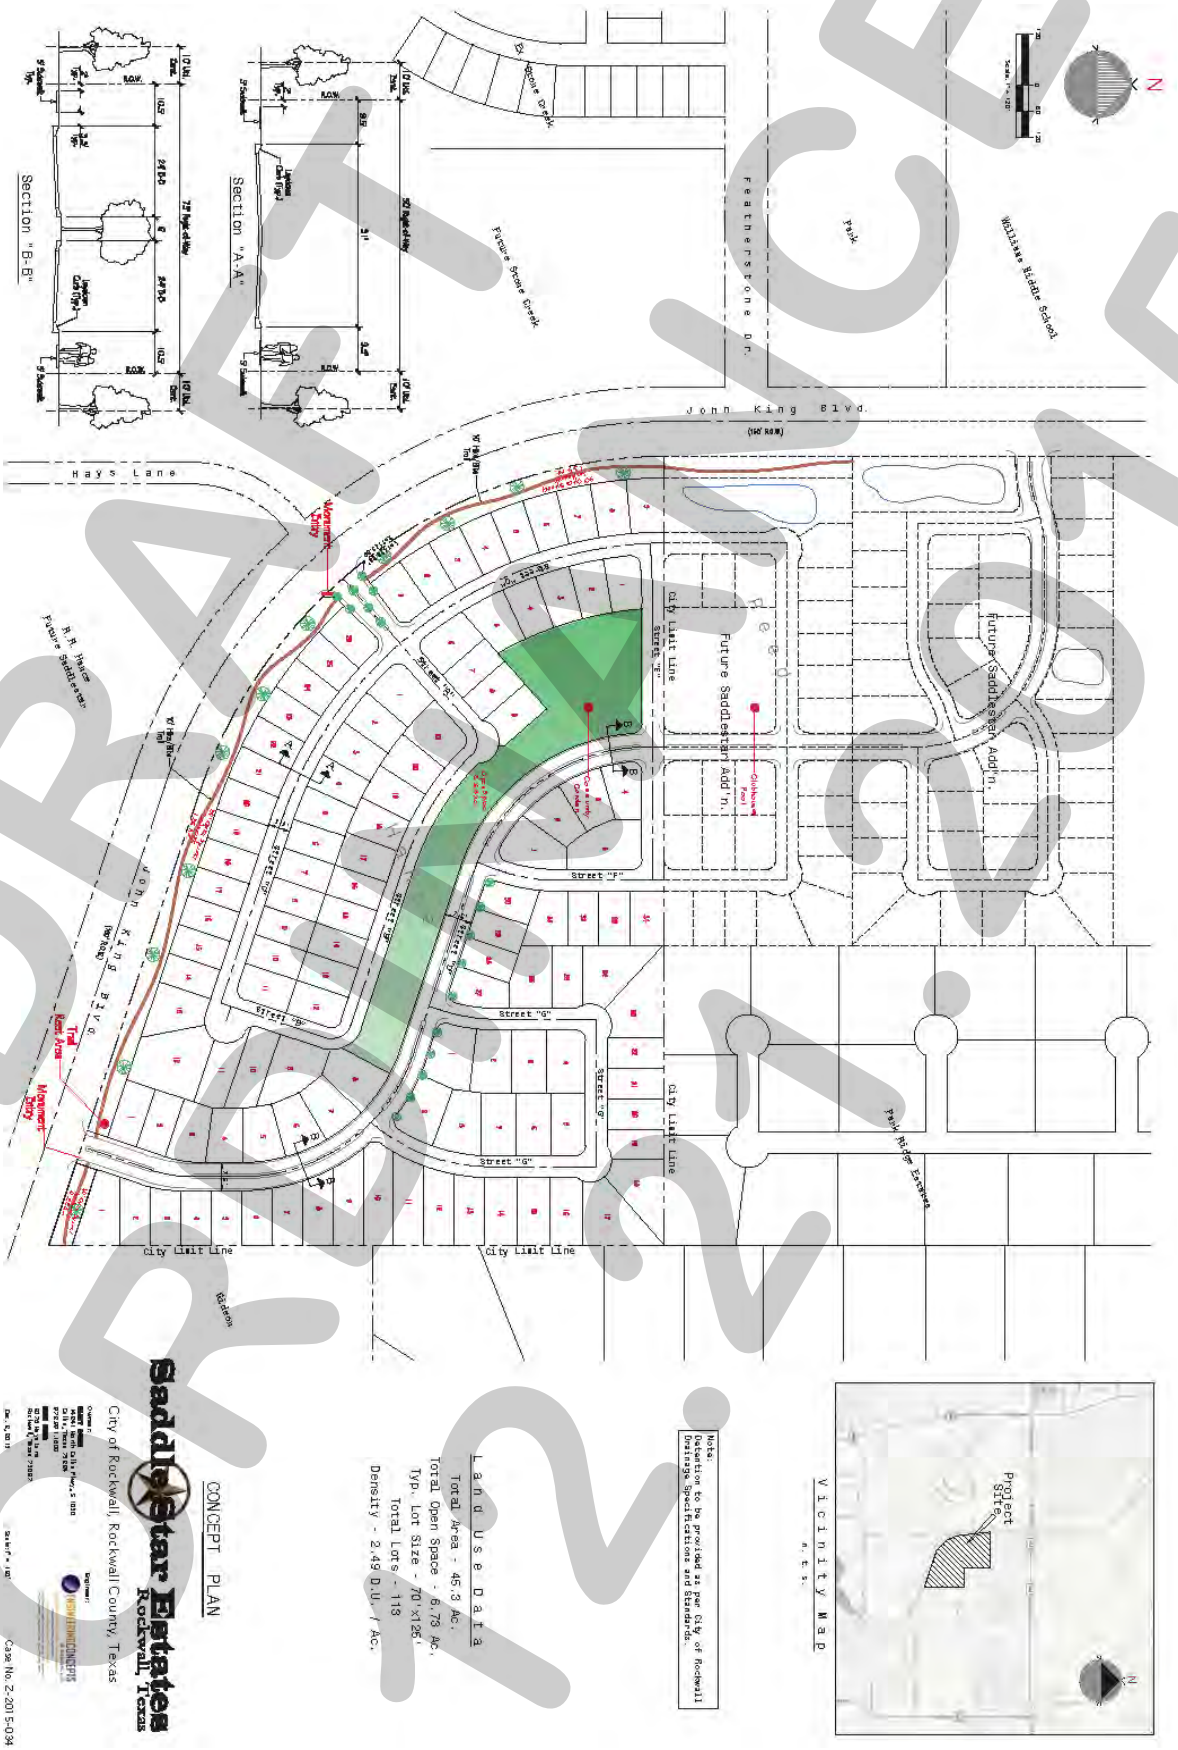
Exhibit 'A':
Legal Description

Tract 2-03 of the P. B. Harrison Survey, Abstract No. 97, City of Rockwall, Rockwall County, Texas:

BEING, a tract of land situated in the P. B. Harrison Survey, Abstract No. 97, City of Rockwall, Rockwall County, Texas, and further being a part of 137.0-acre tract of the R. R. Hance Investments LLP, and being more particularly described as follows:

BEGINNING at a point on the east line of county road John King Boulevard, said point being the southwest corner of said 45.31-acre tract point for corner;

THENCE, N. 71 37' 49" W., a distance of 1,091.80' to a point for a corner and beginning of a curve;



THENCE, BEGINNING a point for a curve R=1,143' for a distance 1,428.90' to a point for a corner;

THENCE, N. 89 46' 06" E., a distance of 1,784.02' to a point for a corner;

THENCE, S. 00 04' 13" W., a distance of 1,415.57' to the *PLACE OF BEGINNING* and containing 45.31-acres of land.

DRAFT ORDINANCE 12.21.2015

Exhibit 'B':
Concept Plan

DRAFT
ORDINANCE
12.21.15

Exhibit 'C':
Development Standards

Development Standards.

1. *Permitted Uses.* Unless specifically provided by this Planned Development ordinance, only those uses permitted within the Single Family 8.4 (SF-8.4) District, as stipulated by the *Permissible Use Charts* contained in Article IV, *Permissible Uses*, of the Unified Development Code (UDC), are allowed on the *Subject Property*.

2. *Lot Composition and Layout.* The lot layout and composition shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* and stated in *Table 1*, which is as follows:

Table 1: Lot Composition

Lot Type	*Minimum Lot Size (FT)*	*Minimum Lot Size (SF)*	*Dwelling Units (#)*	*Dwelling Units (%)*
A	70' x 125'	8,750 SF	113	100.00%
		Maximum Permitted Units:	*113*	*100.00%*

3. *Density and Dimensional Requirements.* Unless specifically provided by this Planned Development ordinance, the development standards stipulated by the Single Family 8.4 (SF-8.4) District, as specified by Article V, *District Development Standards*, of the Unified Development Code are applicable to all development on the *Subject Property.* The maximum permissible density for the *Subject Property* shall not exceed *2.50* dwelling units per gross acre of land; however, in no case should the proposed development exceed *113* units. All lots shall conform to the standards depicted in *Table 2*, which is as follows:

Table 2: Lot Dimensional Requirements

Minimum Lot Width [1]	70'
Minimum Lot Depth	125'
Minimum Lot Area	8,750 SF
Minimum Front Yard Setback [2] & [5]	20'
Minimum Side Yard Setback	5'
Minimum Side Yard Setback (Adjacent to a Street) [2] & [5]	10'
Minimum Length of Driveway Pavement	25'
Maximum Height [3]	30'
Minimum Rear Yard Setback [4]	20'
Minimum Area/Dwelling Unit (SF)	2,700 SF
Maximum Lot Coverage	65%
Permitted Encroachment into Required Setbacks [5]	Allowed

General Notes:

[1]: The minimum lot width shall be measured at the *Front Yard Building Setback*.

[2]: The location of the *Front Yard Building Setback* as measured from the front property line.

[3]: The *Maximum Height* shall be measured to the eave or top plate (whichever is greater) of the single family home.

[4]: As measured from the rear yard property line.

[5]: Sunrooms, porches, stoops, bay windows, balconies, masonry clad chimneys, eaves and similar architectural features may encroach beyond the *Front Yard Building Setback* by up to ten (10) feet for any property; however, the encroachment shall not exceed five (5) feet on *Side Yard Setbacks (Adjacent to a Street)* and shall not encroach into public right-of-way [a *Sunroom* is an enclosed room no more than 15-feet in width that has glass on at least 50% of each of the encroaching faces].

DRAFT NOT FOR ORDINANCE 1.12.2015

4. *Building Standards.* All development shall adhere to the following building standards:

   (a) Masonry Requirement. The minimum masonry requirement for the exterior façades of all buildings shall be 90%. For the purposes of this ordinance, the masonry requirement shall be limited to full width brick, natural stone, and cast stone. Cementaceous fiberboard horizontal lap-siding (*e.g. HardiBoard or Hardy Plank*) and, stucco (*i.e. three [3] part stucco or a comparable -- to be determined by staff*) may be used for up to 50% of the masonry requirement; however, stucco (*i.e. three [3] part stucco or a comparable -- to be determined by staff*) shall be permitted through a Specific Use Permit (SUP) only.

   (b) Roof Pitch. A minimum of an *8:12* roof pitch is required on all structures with the exception of sunrooms and porches, which shall have a minimum of a *4:12* roof pitch.

   (c) Garage Orientation. Garages shall be oriented in a *traditional swing* (or *j-swing*) or in a front entry configuration; however garages oriented toward the street in a front entry configuration must be situated a minimum of 20-feet behind the front building façade of the primary structure. In this case the front façade of the primary structure does not include a permitted encroachment (*e.g. a porch, sunroom, etcetera*) allowed in *Table 2* above. All garage configurations that are not front entry shall meet the requirements of Article VI, *Parking and Loading*, of the Unified Development Code.

5. *Anti-Monotony Restrictions.* The development shall adhere to the *Anti-Monotony Matrix* depicted in *Table 3* below (*for spacing requirements see the illustration below*).

Table 3 : Anti-Monotony Matrix

Lot Type	*Minimum Lot Size*	*Elevation Features*
A	70' x 120'	(1), (2), (3), (4)

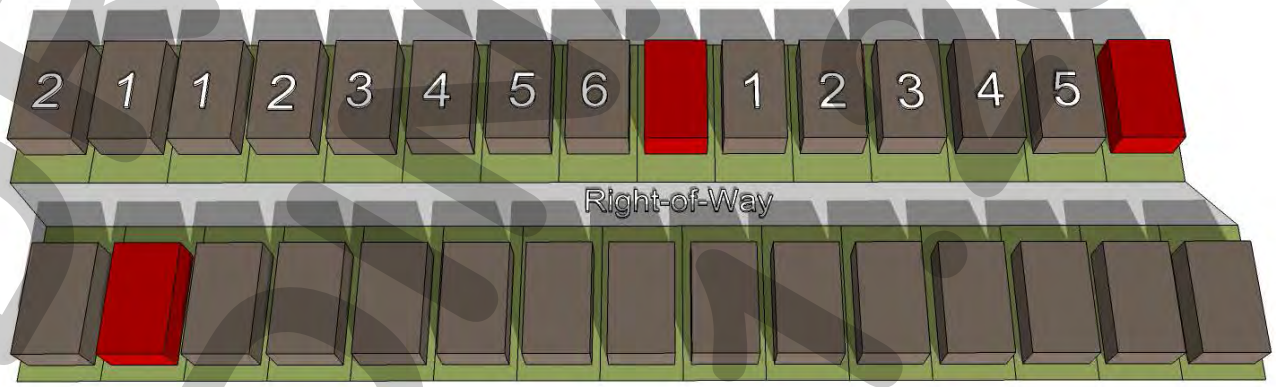
(1) Identical brick blends or paint colors may not occur on adjacent (*side-by-side*) properties along any block face without at least five (5) intervening homes of differing materials on the same side of the street beginning with the adjacent property and six (6) intervening homes of differing materials on the opposite side of the street.

(2) Front building elevations shall not repeat along any block face without at least five (5) intervening homes of differing appearance on the same side of the street and six (6) intervening homes of differing appearance on the opposite side of the street. The rear elevation of homes backing to open spaces or on John King Boulevard shall not repeat without at least five (5) intervening homes of differing appearance. Homes are considered to have a differing appearance if any of the following two (2) items deviate:

(a) Number of Stories
(b) Permitted Encroachment Type and Layout
(c) Roof Type and Layout
(d) Articulation of the Front Façade

(3) Permitted encroachments (*i.e. porch and sunroom*) elevations shall not repeat or be the same along any block face without at least five (5) intervening homes of sufficient dissimilarity on the same side of the street beginning with the home adjacent to the

DRAFT
OPEN
12.21.15



subject property and six (6) intervening homes beginning with the home on the opposite side of the street.

(4) Each phase of the subdivision will allow for a maximum of four (4) compatible roof colors, and all roof shingles shall be an architectural or dimensional shingle (*3-Tab Roofing Shingles are prohibited*).

Illustration 1: Properties line up on the opposite side of the street. Where RED is the subject property.

Illustration 2: Properties do not line up on opposite side of the street. Where RED is the subject property.

6. *Fencing Standards.* All individual residential fencing and walls shall be architecturally compatible with the design, materials and colors of the primary structure on the same lot, and meet the following standards:

(a) Wood Fences. All wood fences shall be constructed of a standard fencing material (*minimum of ½" thickness or better; spruce fencing will not be allowed*), and use fasteners that are hot dipped galvanized or stainless steel. Wood fences facing onto a street shall be painted and/or stained and sealed with all pickets being placed on the *public side* facing the street. All wood fences shall be smooth-finished, free of burs and splinters, and be a maximum of six (6) feet in height.

(b) Wrought Iron/Tubular Steel. Lots located along the perimeter of roadways, abutting open spaces, greenbelts and parks shall be required to install a wrought iron or tubular steel fence. Wrought iron/tubular steel fences can be a maximum of six (6) feet in height.

(c) Corner Lots. Corner lots fences (*i.e. adjacent to the street*) shall provide masonry columns at 45-feet off center spacing that begins at the rear of the property line. A maximum of six (6) foot solid *board-on-board panel* fence constructed utilizing cedar fencing shall be allowed between the masonry columns along the side and/or rear lot adjacent to a street. In addition, the fencing shall be setback from the side property line adjacent to a street a minimum of five (5) feet. The property owner shall be required to maintain both sides of the fence.

(d) Solid Fences (including Wood Fences). All solid fences shall incorporate a decorative top rail or cap detailing into the design of the fence.

7. Landscape and Hardscape Standards.

(1) *Landscape.* Landscaping shall be reviewed and approved with the PD Site Plan. All *Canopy/Shade Trees* planted within this development shall be a minimum of four (4) caliper inches in size and all *Accent/Ornamental/Under-Story Trees* shall be a minimum of four (4) feet in total height. The following tree species are approved for planting within this subdivision:

(a) Canopy/Shade Trees. Bald Cyprus, Cedar Elm, Texas Red Oak, Homestead Elm, Lace Bark Elm, Alle Elm, Chinese Pistachio, Shumard Oak, Sycamore, and Burr Oak.

(b) Accent/Ornamental/Under-Story Trees. Texas Redbud, Eve's Necklace, Mexican Plum, Downy Hawthorn, Crepe Myrtle, Texas Mountain Laurel, Vitex, and Desert Willow.

(2) *Landscape Buffers.* All landscape buffers and plantings located within the buffers shall be maintained by the Homeowner's Association (HOA).

(a) Landscape Buffer and Sidewalks (John King Boulevard). A minimum of a 50-foot landscape buffer shall be provided along the frontage of John King Boulevard (*outside of and beyond any required right-of-way dedication*), and shall incorporate ground cover, a *built-up* berm and/or shrubbery or a combination thereof along the entire length of the frontage. Berms and/or shrubbery shall have a minimum height of 30-inches and a maximum height of 48-inches. In addition, three (3) canopy trees and four (4) accent trees shall be planted per 100-feet of linear frontage. The developer shall also be responsible for the construction of a ten (10) foot sidewalk situated within the 50-foot landscape buffer adjacent to John King Boulevard.

(3) *Streetscape Landscaping.* Prior to the issuance of a Certificate of Occupancy (CO), all residential, single family lots situated within the proposed subdivision shall be landscaped with canopy trees from the list stipulated by *Section 7(1)* of this ordinance in the following sizes and proportions:

(i) Two (2), three (3) inch trees measured six (6) inches above the root ball shall be planted in the front yard of an interior lot.
(ii) Two (2), three (3) inch trees measured six (6) inches above the root ball shall be planted in the front yard of a corner lot and two (2), three (3) inch caliper trees shall be planted in the side yard facing the street.

DRAFT ORDINANCE 2015

Note: For the purposes of this section only [i.e. Section 7(3)], the term "front yard" includes the area within the dedicated right-of-way for a parkway immediately adjoining the front yard of the lot.

(4) *Irrigation Requirements*. Irrigation shall be installed for all required landscaping located within common areas, landscape buffers and/or open space. Irrigation installed in these areas shall be designed by a Texas licensed irrigator or landscape architect and shall be maintained by the Homeowner's Association.

(5) *Hardscape.* Hardscape plans indicating the location of all sidewalks and trails shall be reviewed and approved with the PD Site Plan.

8. *Street.* All streets (*excluding drives, fire lanes and private parking areas*) shall be built according to City street standards.

9. *Lighting.* Light poles shall not exceed 20-feet in total height (*i.e. base and lighting standard*). All fixtures shall be directed downward and be positioned to contain all light within the development area.

10. *Sidewalks.* At a maximum, all sidewalks adjacent to a street shall begin two (2) feet behind the right-of-way line and be five (5) feet in overall width.

11. *Buried Utilities.* New distribution power-lines required to serve the *Subject Property* shall be placed underground, whether such lines are located internally or along the perimeter of the *Subject Property*, unless otherwise authorized by the City Council. New transmission power-lines, or distribution lines of a size not typically or cost effectively placed underground (3-phase lines), or additional lines that are added to existing poles, may be above ground, if located along the perimeter of the *Subject Property*. The Developer shall not be required to re-locate existing overhead power-lines along the perimeter of the *Subject Property*. Temporary power-lines constructed across undeveloped portions of the *Subject Property* to facilitate development phasing and looping may be allowed above ground, but shall not be considered *existing lines* at the time the area is developed, and if they are to become permanent facilities, such lines shall be placed underground pursuant to this paragraph. Franchise utilities shall be placed within a ten (10) foot public utility easement behind the sidewalk, between the home and the property line.

12. *Open Space.* The development shall consist of a minimum of *14.85%* open space (*or 6.73-acres*), and generally conform to the *Concept Plan* contained in *Exhibit 'B'* of this ordinance. All open space areas shall be maintained by the Homeowner's Association (HOA).

Continued on Next Page …

DRAFT ORDINANCE 12.21.2015

13. *Trail Rest Area.* The developer shall be responsible for the construction of a *Trail Rest Area* that generally conforms to the rest area depicted in *Figure 1* (*below*).

Figure 1: *Trail Rest Area Concept*

14. *Neighborhood Signage.* Permanent subdivision identification signage shall be permitted at all major entry points for the proposed subdivision. Final design and location of any entry features shall be reviewed and approved with the *PD Site Plan*.

15. *Drainage Standards.* The development shall comply with existing drainage standards including the permissible spread of water in the streets and permissible gutter flow through intersections as outlined in the City of Rockwall's *Standards of Design and Construction* (*approved in August 2003 and updated in October 2007*). The proposed drainage areas, flow patterns, and storm drain system that will be constructed shall be based on the City's drainage criteria and be identified on a *Conceptual Drainage Plan*, which shall be submitted with the *Civil Plans* at the time of *Engineering* submittal. The *Conceptual Drainage Plan* shall be reviewed and approved by the Engineering Department in compliance with engineering standards.

16. *Homeowner's Association (HOA)*. A Homeowner's Association shall be created to enforce the restrictions established in accordance with the requirements of Section 38-15 of the Subdivision Regulations contained within the Municipal Code of Ordinances of the City of Rockwall. The HOA shall also maintain all neighborhood parks, trails, open space and common areas, irrigation, landscaping, screening fences associated with this development.

17. *Variances*. The variance procedures and standards for approval that are set forth in the Unified Development Code shall apply to any application for variances to this ordinance.

DRAFT ORDINANCE 12.21.15

THIS PAGE INTENTIONALLY LEFT BLANK

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 12/21/2015

APPLICANT: Pat Atkins, *Saddle Star Land Development, Inc.*

AGENDA ITEM: **Z2015-035**; *Saddle Star Estates North (AG to PD)*

SUMMARY:

Hold a public hearing to discuss and consider a request by Pat Atkins of Saddle Star Land Development Inc. on behalf of the owner Larry Hance for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 8.4 (SF-8.4) District land uses for a 44.56-acre tract of land identified as Tract 3 of the T. R. Bailey Survey, Abstract No. 30, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (SH-205 BY-OV) District, located at the northwest corner of FM-552 and John King Boulevard, and take any action necessary.

PURPOSE AND CHARACTERISTICS OF THE REQUEST:

On November 16, 2015, the applicant submitted an application requesting to rezone a 44.56-acre tract of land from an Agricultural (AG) District to a Planned Development District for a single-family, residential subdivision that will consist of 109 single-family lots. The subject property, which was annexed into the City on February 4, 2008 by *Ordinance No. 08-10*, is located at the northwest corner of John King Boulevard, north of FM 552 and is currently vacant land zoned Agricultural (AG) district.

According to the concept plan, it is the intent of the development to provide 109 single-family residential lots that are to be a minimum of 10,000 sq. ft. *(i.e.80' x 125' lots)* in area; however, the development does not include a neighborhood park, rather a trail system meanders through the floodplain area and is to be the developments primary amenity. The applicant has stated that the neighborhood park to be located within the South Saddle Star Estates Addition will be available to this development. In addition, the concept plan shows the inclusion of 5.61-acres of net open space, the majority of which is situated within a 100-year floodplain, which transects the property from the north to the south. Additionally, the applicant has also agreed to provide a corner enhancement that will incorporate a seat wall and additional landscaping at the corner of the intersection of John King Boulevard and FM-552 (*see the Corner Enhancement Concept contained in the John King Boulevard Design Concept Plan*). Staff has included these as development requirements within the Planned Development District Ordinance. In addition, the applicant has also indicated that a minimum of a 50-foot landscape buffer will be provided along John King Blvd, and a minimum of a ten (10) foot meandering sidewalk will be constructed within this landscape buffer.

It should be pointed out that the proposed PD Ordinance has similar standards as were approved in the in the Stone Creek and Breezy Hill Subdivisions. A summary of the requested density and dimensional requirements is as follows:

Minimum Lot Width [1]	80'
Minimum Lot Depth	125'
Minimum Lot Area	10,000 SF
Minimum Front Yard Setback [2] & [5]	20'
Minimum Side Yard Setback	5'
Minimum Side Yard Setback (Adjacent to a Street) [2] & [5]	10'

Minimum Length of Driveway Pavement	25'
Maximum Height [3]	30'
Minimum Rear Yard Setback [4]	20'
Minimum Area/Dwelling Unit (SF)	2,700 SF
Maximum Lot Coverage	65%
Permitted Encroachment into Required Setbacks [5]	Allowed

General Notes:

[1]: The minimum lot width shall be measured at the *Front Yard Building Setback*.

[2]: The location of the *Front Yard Building Setback* as measured from the front property line.

[3]: The *Maximum Height* shall be measured to the eave or top plate (whichever is greater) of the single family home.

[4]: As measured from the rear yard property line.

[5]: Sunrooms, porches, stoops, bay windows, balconies, masonry clad chimneys, eaves and similar architectural features may encroach beyond the *Front Yard Building Setback* by up to ten (10) feet for any property; however, the encroachment shall not exceed five (5) feet on *Side Yard Setbacks (Adjacent to a Street)* and shall not encroach into public right-of-way [a *Sunroom* is an enclosed room no more than 15-feet in width that has glass on at least 50% of each of the encroaching faces].

Waivers to Code Requirements:

It should be noted that the development standards contained within the PD Ordinance deviate from the requirements of the Engineering Department's *Standards of Design and Construction* Manual in the following ways:

1) According to the Engineering Department's *Standards of Design and Construction* Manual, "(t)he City Council may waive the residential alley requirement upon determination by the Council, if it is in the best interest of the City." Currently, the applicant is requesting to allow *J-Swing* and/or *Front Entry* garages that comply with Article VI, *Parking and Loading*, of the Unified Development Code (UDC) in lieu of alleys. This requirement has been waived for other subdivisions throughout the City when the PD Ordinance conforms to the requirements stipulated by the UDC.

ADJACENT LAND USES AND ACCESS:

The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is a future phase (Phase VIIIA) of the Breezy Hills Subdivision. This property is zoned Planned Development District 74 (PD-74) for Single Family 10 (SF-10) District land uses.

South: Directly south of the subject property is FM-552, which is designated as a TxDOT6D (*Texas Department of Transportation, six [6] lane, divided roadway*) according to the City's Master Thoroughfare Plan. Beyond this thoroughfare are two (2) parcels [*J. W. Williams Middle School and a parcel owned by the City of Rockwall*] of land zoned Single Family 16 (SF-16) District.

East: Directly east of the subject property is John King Boulevard, which is designated as a M4U (*minor, four [4] land, undivided roadway*) according to the City's Master Thoroughfare Plan. Beyond this roadway is 33.7-acres of land zoned Planned Development District 74 (PD-74) for limited General Retail (GR) District land uses.

West: Directly west of the subject property are the corporate limits of the City. Beyond this are several single-family, residential properties situated within Rockwall County.

CONFORMANCE WITH THE COMPREHENSIVE PLAN:

The Future Land Use Map contained within the Comprehensive Plan designates the subject property as *Medium Density Residential* land uses. According to the Comprehensive Plan, the *Medium Density Residential* designation is generally defined as single family development consisting of 2 to 3 units per acre, but generally about 3 units per acre. In this case, the applicant is proposing a density of 2.446 units per gross acre, which is consistent with the *Medium Density Residential* designation and therefore is in conformance with the Comprehensive Plan and the Future Land Use Map designation. However, according to *Section 1.2.B Open Space Standards*, of *Nature of PD Districts and Minimum Standards*, of Article X, *Planned Development Regulations*, of the Unified Development Code (UDC), states:

- Public and private open space. Unless otherwise provided by the PD ordinance, a minimum of 20 percent of the gross land area within the entire PD District shall be devoted to open space, except where a floodplain exists in the proposed development in which case the dedicated floodplain shall be allowed to count for up to 50 percent of the 20 percent open space requirement, and shall be consistent with the open space requirements of the city's parks and open space plan. Open space for PD Districts may be satisfied by either public or by a combination of public and private open space. Open space requirements specified in this subsection are in addition to requirements for site landscaping and buffering. Public open space shall be dedicated to the city.

The proposed zoning does appear to conform to the majority of the Comprehensive Plan's policies and guidelines with the exception of the proposed open space requirement. The applicant is proposing a total 5.61 acres of open space (or 12.59%) which is primarily flood plain. It should be noted that if the floodplain were calculated at 100% (*as opposed to 50%*) the development would meet the minimum 20% requirement. With this being said, the proposed open space standard is a discretionary decision for the City Council.

NOTIFICATION:

On November 20, 2015, staff mailed twenty-four (24) notices to property owners and residents within 500-feet of the subject property. Staff also emailed notices to the Stoney Hollow and Stone Creek Homeowner's Associations (HOA's), which are the only HOA's located within 1,500 feet of the subject property. Additionally, staff posted a sign at the corner of John King Boulevard and FM552 and advertised the public hearings in the Rockwall Harold Banner as required by the Unified Development Code (UDC). At the time this case memo was drafted no responses were received by staff.

RECOMMENDATIONS:

If the City Council chooses to recommend approval of the applicant's request to rezone the subject property from an Agricultural (AG) District to a Planned Development District, then staff would propose the following conditions of approval:

1) The applicant shall be responsible for maintaining compliance with the conditions contained within the *Planned Development District* ordinance;

2) Any construction resulting from the approval of this *zoning change* shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Planning and Zoning Commission Recommendation:

On December 8, 2015, the Planning and Zoning Commissions' motion to approve the Planned Development with staff conditions passed unanimously by a vote of 7 to 0; however, the Planning and Zoning Commission did also recommend that Section 12, *Open Space*, of *Exhibit 'D'* of the proposed *PD Ordinance* be amended to reflect a minimum of 20% open space.

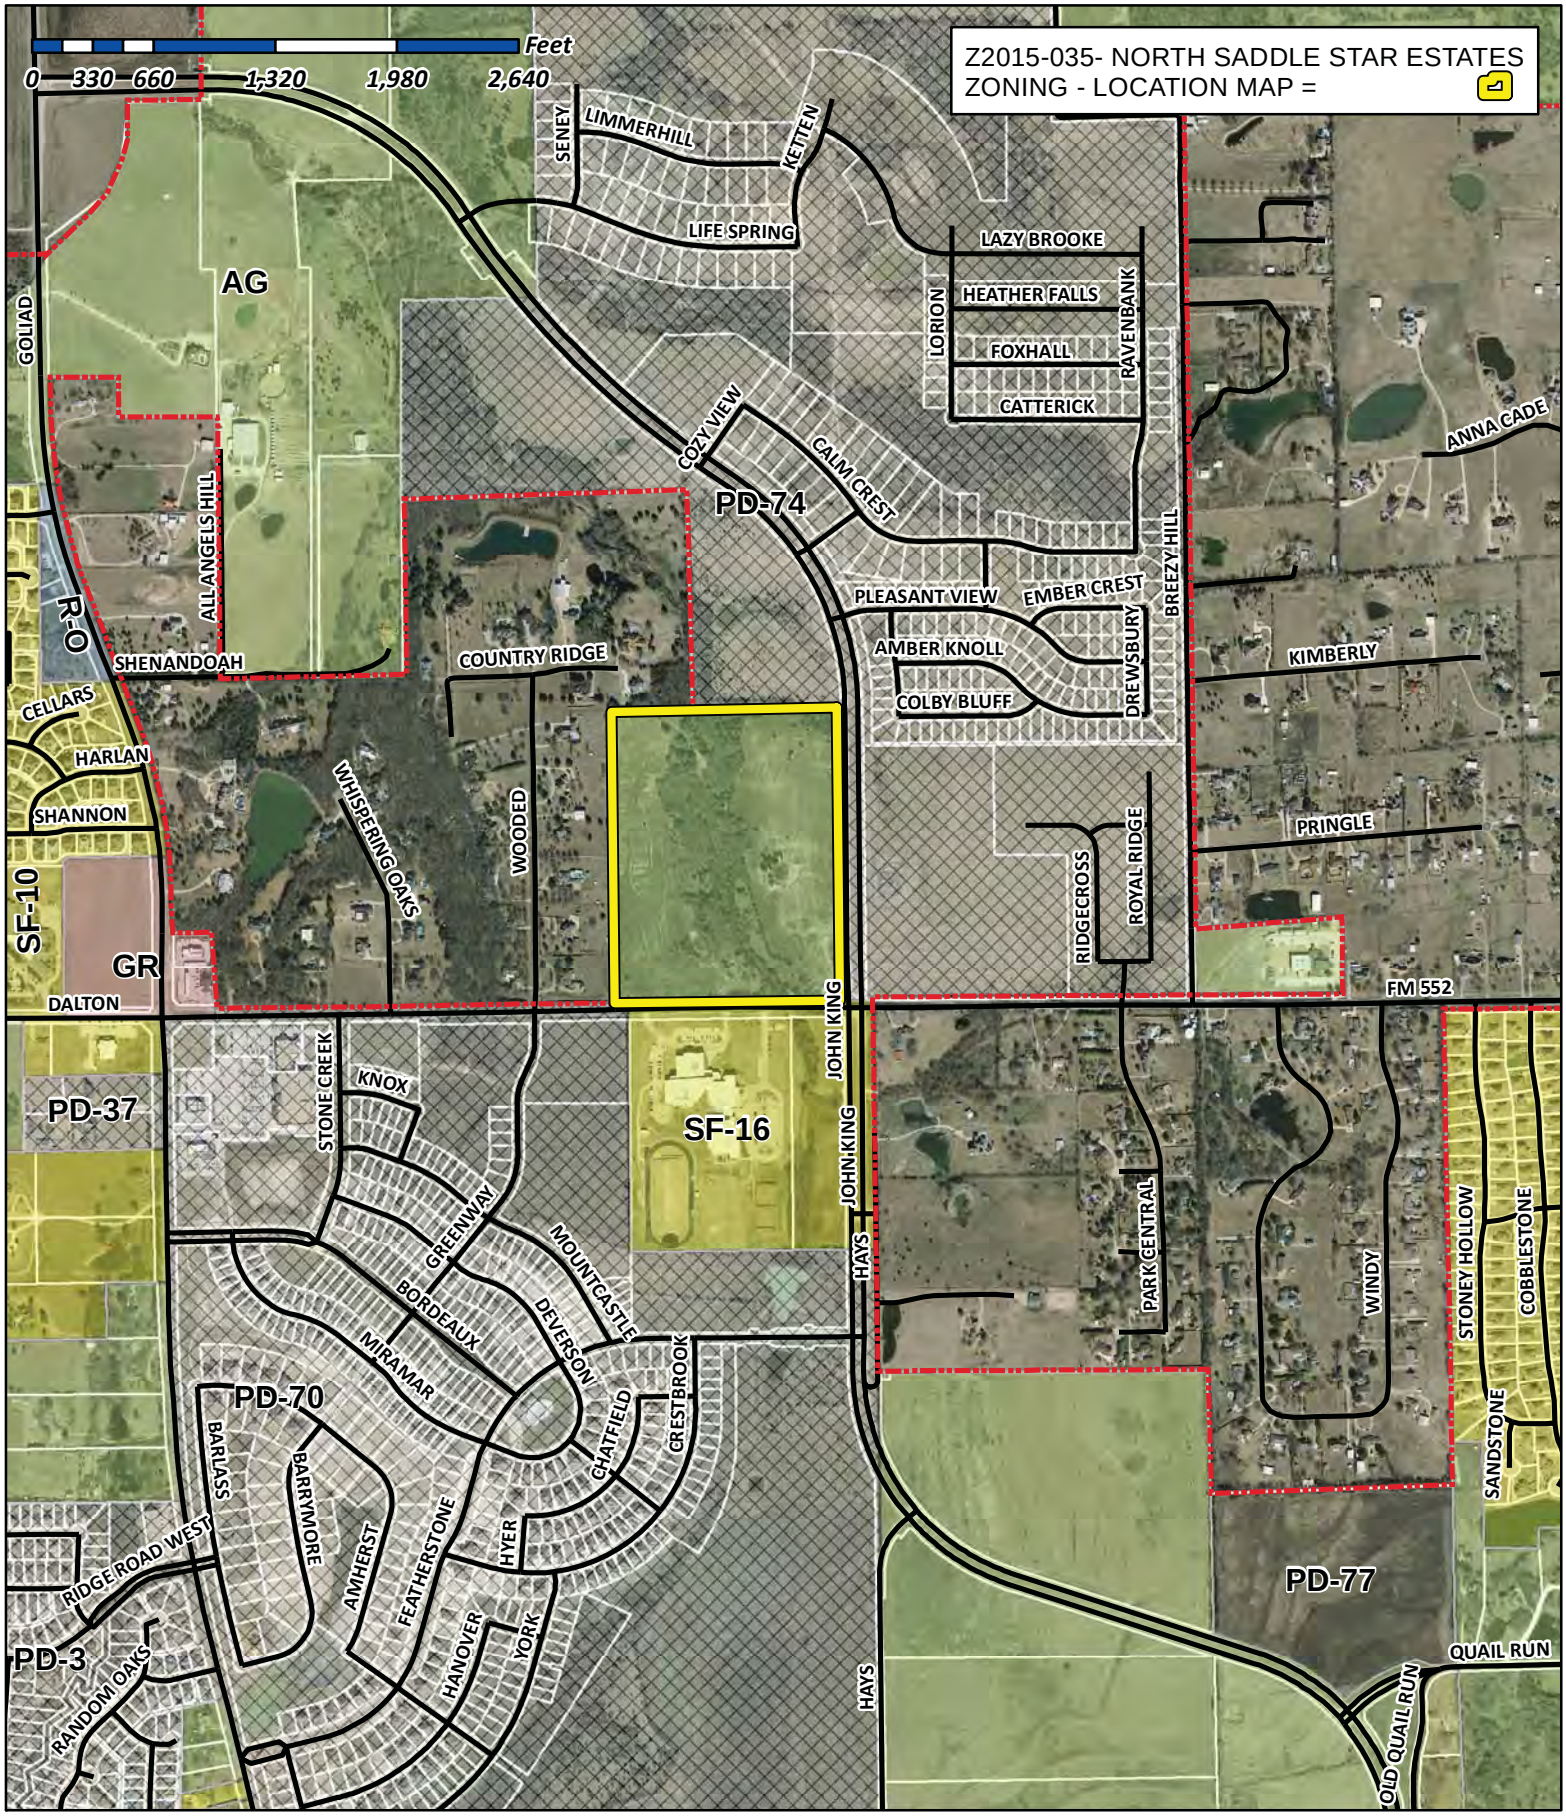
SINCERELY

PAT ATKINS

DIRECTOR - SADDLE STAR LAND DEVELOPMENT



III. PROPERTY DESCRIPTION

The property consists of 101.79 Acres of Land, adjacent to John King Blvd (S.H 205 By Pass) a 120' Major Thoroughfare, also F.M. 552 a 120' Major Thoroughfare , South and North of existing Rockwall Williams Middle School. The property is sparsely vegetated on the southern 57 acres with native trees. The northern 45 Acres has a Tributary running north and south of which a Tree Preservation plan will be prepared. New homes construction will range from $450K and up. The homes will be marketed towards young families, young professionals and empty nesters lifestyle. Creating an additional 114 million dollars to the City of Rockwall tax base. There will be a Master H.O.A. required within the development of the property. We are excited to bring this upscale residential development to this area which surpasses expectations required in your Comprehensive Master Plan . A master trail system , along with the required Landscape Buffer will be implemented which, will connect John King Blvd. and our Development.

III. PROPERTY DESCRIPTION

The density is based on guidelines set forth in your Comprehensive Plan and creation of an exclusive high end residential neighborhood. This development will provide over 114 million dollars annual tax base to the City of Rockwall. The Comprehensive Plan identifies John King Blvd. Design Requirements along with encouragement of open space throughout the residential neighborhood quadrants. City identity monumentation will be constructed at the northwest corner of F.M. 552 , along with trail system traversing our northsouth tributary which we feel with our plan and have exceeded The City of Rockwall's expectations.

NOTICE OF PUBLIC HEARING
CITY OF ROCKWALL, PLANNING & ZONING DEPARTMENT

PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

To Whom It May Concern:

You are hereby notified that the City of Rockwall Planning and Zoning Commission and City Council will consider the following application:

Case No. Z2015-035: North Saddle Star Estates

Hold a public hearing to discuss and consider a request by Pat Atkins of Saddle Star Land Development Inc. on behalf of the owner Randa Hance of R&R Hance Investment LP for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 8.4 (SF-8.4) District land uses for a 44.56-acre tract of land identified as Tract 3 of the T. R. Bailey Survey, Abstract No. 30, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (SH-205 BY-OV) District, located at the northwest corner of FM-552 and John King Boulevard, and take any action necessary.

For the purpose of considering the effects of such a request, the Planning and Zoning Commission will hold a public hearing on **Tuesday, 12/8/2015 at 6:00 p.m.,** and the City Council will hold a public hearing on **Monday, 12/21/2015 at 6:00 p.m.** These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

David Gonzales
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by **12/21/2015** to ensure they are included in the information provided to the City Council.

Sincerely,

Ryan Miller, AICP
Director of Planning & Zoning

CITY OF ROCKWALL

ORDINANCE NO. 16-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 04-38*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO CHANGE THE ZONING FROM AN AGRICULTURAL (AG) DISTRICT TO PLANNED DEVELOPMENT DISTRICT XX (PD-XX) FOR SINGLE FAMILY 8.4 (SF-8.4) DISTRICT LAND USES ON THE SUBJECT PROPERTY, BEING A 44.56-ACRE TRACT OF LAND IDENTIFIED AS TRACT 3 OF THE T. R. BAILEY SURVEY, ABSTRACT NO. 30, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED HEREIN BY *EXHIBIT 'A'*; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS ($2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City has received a request by Pat Atkins of Saddle Star Land Development, Inc. on behalf of the owner Larry Hance for the approval of a zoning change from an Agricultural (AG) District to a Planned Development District for Single Family 8.4 (SF-8.4) District land uses, on a 44.56-acre tract of land identified as Tract 3 of the T. R. Bailey Survey, Abstract No. 30, City of Rockwall, Rockwall County, Texas and more fully described in *Exhibit 'A'* of this ordinance, which hereinafter shall be referred to as the *Subject Property* and incorporated by reference herein; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area, and in the vicinity thereof, and the governing body in the exercise of its legislative discretion, has concluded that the Unified Development Code [*Ordinance No. 04-38*] should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the *Subject Property* shall be used only in the manner and for the purposes authorized by this Planned Development District Ordinance and the Unified Development Code [*Ordinance No. 04-38*] of the City of Rockwall as heretofore amended, as amended herein by granting this zoning change, and as maybe amended in the future;

Section 2. That development of the *Subject Property* shall generally be in accordance with the *Planned Development Concept Plan*, described in *Exhibit 'B'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'B'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 3. That development of the *Subject Property* shall generally be in accordance with the *Development Standards*, described in *Exhibit 'D'* of this ordinance, attached hereto and incorporated herein by reference as *Exhibit 'D'*, which is deemed hereby to be a condition of approval of the amended zoning classification for the *Subject Property*;

Section 4. That a *Master Parks and Open Space Plan* for the *Subject Property*, prepared in accordance with this ordinance and consistent with the *Planned Development Concept Plan* described in *Exhibit 'B'* of this ordinance, shall be considered for approval by the City Council following recommendation of the Parks and Recreation Board.

Section 5. That development of the *Subject Property* shall be in conformance with the schedule listed below (*except as set forth below with regard to simultaneous processing and approvals*).

(a) The procedures set forth in the City's subdivision regulations on the date this ordinance is approved by the City, as amended by this ordinance (*including Subsections 5(b) through 5(e) below*), shall be the exclusive procedures applicable to the subdivision and platting of the *Subject Property*.

(b) The following plans and plats shall be required in the order listed below (*except as set forth below with regard to simultaneous processing and approvals*). The City Council shall act on an application for an *Open Space Master Plan* in accordance with the time period specified in *Section 212.009* of the *Texas Local Government Code*.

(1) Open Space Master Plan
(2) Master Plat
(3) PD Site Plan
(4) Preliminary Plat
(5) Final Plat

(c) *PD Site Plan.* A *PD Site Plan* covering all of the *Subject Property* shall be submitted and shall identify all site/landscape/hardscape plan(s) for all open space, neighborhood parks, trail systems, street buffers and entry features. A *PD Site Plan* application may be processed by the City concurrently with a *Preliminary Plat Application* for the development.

(d) *Preliminary Plat.* A *Preliminary Plat* covering all of the *Subject Property* shall be submitted and shall include a *Treescape Plan*. A *Preliminary Plat Application* may be processed by the City concurrently with a *PD Site Plan Application* for the development.

(e) *Final Plat.* Prior to the issuance of any building permits, a *Final Plat*, conforming to the *Preliminary Plat*, for all of the *Subject Property* shall be submitted for approval.

Section 7. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a penalty of fine not to exceed the sum of *Two Thousand Dollars* ($2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense;

Section 8. That if any section, paragraph, or provision of this ordinance or the application of that section, paragraph, or provision to any person, firm, corporation or situation is for any reason judged invalid, the adjudication shall not affect any other section, paragraph, or provision of this ordinance or the application of any other section, paragraph or provision to any other person, firm, corporation or situation, nor shall adjudication affect any other section, paragraph, or provision of the Unified Development Code, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions for this ordinance are declared to be severable;

Section 9. The standards in this ordinance shall control in the event of a conflict between

this ordinance and any provision of the Unified Development Code or any provision of the City Code, ordinance, resolution, rule, regulation, or procedure that provides a specific standard that is different from and inconsistent with this ordinance. References to zoning district regulations or other standards in the Unified Development Code (including references to the *Unified Development Code*), and references to overlay districts, in this ordinance or any of the Exhibits hereto are those in effect on the date this ordinance was passed and approved by the City Council of the City of Rockwall, Texas;

Section 10. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides;

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 4TH DAY OF JANUARY, 2016.

Jim Pruitt, *Mayor*

ATTEST:

Kristy Ashberry, *City Secretary*

APPROVED AS TO FORM:

Frank J. Garza, *City Attorney*

Exhibit 'C':
Survey

DESCRIPTION

All that certain lot, tract or parcel of land situated in the T.R. BAILEY SURVEY, ABSTRACT NO. 30, Rockwall County, Texas, and being all of Lot 12B of the Hidden Valley Estates No. 2 Addition, an addition to Rockwall County, Texas, according to the Plat recorded in Cabinet A, Slide 379 of the Plat Records of Rockwall County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod found for corner in the west boundary line of said Hidden Valley Estates No. 2 Addition, same being the east boundary line of a called 47 acre tract of land described as Tract 1 in deed to Roy A. Canon Vance, Larry Vance, et al, recorded in Volume 2729, Page 169, Deed Records of Rockwall County, Texas, said point being the southeast corner of Lot 12B of said Hidden Valley Estates No. 2 Addition;

THENCE N. 89 deg. 16 min. 20 sec. E. along the north line of said Hidden Valley Estates No. 2 Addition, a distance of 783.97 feet to a 1/2" iron rod found for corner at the northeast corner of Lot 14A, same being the northwest corner of said Hidden Valley Estates No. 2 Addition, same being the northeast corner of said Hidden Valley Estates No. 2 Addition, same being the northeast corner of said Hidden Valley Estates No. 2 Addition, same being the northeast

Exhibit 'D':
Development Standards

Development Standards.

1. *Permitted Uses.* Unless specifically provided by this Planned Development ordinance, only those uses permitted within the Single Family 8.4 (SF-8.4) District, as stipulated by the *Permissible Use Charts* contained in Article IV, *Permissible Uses*, of the Unified Development Code (UDC), are allowed on the *Subject Property*.

2. *Lot Composition and Layout.* The lot layout and composition shall generally conform to the *Concept Plan* depicted in *Exhibit 'B'* and stated in *Table 1*, which is as follows:

Table 1: Lot Composition

Lot Type	*Minimum Lot Size (FT)*	*Minimum Lot Size (SF)*	*Dwelling Units (#)*	*Dwelling Units (%)*
A	80' x 125'	10,000 SF	109	100.00%
		Maximum Permitted Units:	*109*	*100.00%*

3. *Density and Dimensional Requirements.* Unless specifically provided by this Planned Development ordinance, the development standards stipulated by the Single Family 8.4 (SF-8.4) District, as specified by Article V, *District Development Standards*, of the Unified Development Code are applicable to all development on the *Subject Property.* The maximum permissible density for the *Subject Property* shall not exceed *2.446* dwelling units per gross acre of land; however, in no case should the proposed development exceed *109* units. All lots shall conform to the standards depicted in *Table 2*, which is as follows:

Table 2: Lot Dimensional Requirements

Lot Type (see Concept Plan) ►	***A***
Minimum Lot Width [1]	80'
Minimum Lot Depth	125'
Minimum Lot Area	10,000 SF
Minimum Front Yard Setback [2] & [5]	20'
Minimum Side Yard Setback	5'
Minimum Side Yard Setback (Adjacent to a Street) [2] & [5]	10'
Minimum Length of Driveway Pavement	25'
Maximum Height [3]	30'
Minimum Rear Yard Setback [4]	20'
Minimum Area/Dwelling Unit (SF)	2,700 SF
Maximum Lot Coverage	65%
Permitted Encroachment into Required Setbacks [5]	Allowed

General Notes:

[1]: The minimum lot width shall be measured at the *Front Yard Building Setback*.

[2]: The location of the *Front Yard Building Setback* as measured from the front property line.

[3]: The *Maximum Height* shall be measured to the eave or top plate (whichever is greater) of the single family home.

[4]: As measured from the rear yard property line.

[5]: Sunrooms, porches, stoops, bay windows, balconies, masonry clad chimneys, eaves and similar architectural features may encroach beyond the *Front Yard Building Setback* by up to ten (10) feet for any property; however, the encroachment shall not exceed five (5) feet on *Side Yard Setbacks (Adjacent to a Street)* and shall not encroach into public right-of-way [a *Sunroom* is an enclosed room no more than 15-feet in width that has glass on at least 50% of each of the encroaching faces]

4. *Building Standards.* All development shall adhere to the following building standards:

   (a) Masonry Requirement. The minimum masonry requirement for the exterior façades of all buildings shall be 90%. For the purposes of this ordinance, the masonry requirement shall be limited to full width brick, natural stone, and cast stone. Cementaceous fiberboard horizontal lap-siding (*e.g. HardiBoard or Hardy Plank*) and, stucco (*i.e. three [3] part stucco or a comparable -- to be determined by staff*) may be used for up to 50% of the masonry requirement; however, stucco (*i.e. three [3] part stucco or a comparable -- to be determined by staff*) shall be permitted through a Specific Use Permit (SUP) only.

   (b) Roof Pitch. A minimum of an *8:12* roof pitch is required on all structures with the exception of sunrooms and porches, which shall have a minimum of a *4:12* roof pitch.

   (c) Garage Orientation. Garages shall be oriented in a *traditional swing* (or *j-swing*) or in a front entry configuration; however garages oriented toward the street in a front entry configuration must be situated a minimum of 20-feet behind the front building façade of the primary structure. In this case the front façade of the primary structure does not include a permitted encroachment (*e.g. a porch, sunroom, etcetera*) allowed in *Table 2* above. All garage configurations that are not front entry shall meet the requirements of Article VI, *Parking and Loading*, of the Unified Development Code.

5. *Anti-Monotony Restrictions.* The development shall adhere to the *Anti-Monotony Matrix* depicted in *Table 3* below (*for spacing requirements see the illustration below*).

Table 3 : Anti-Monotony Matrix

Lot Type	*Minimum Lot Size*	*Elevation Features*
A	80' x 125'	(1), (2), (3), (4)

(1) Identical brick blends or paint colors may not occur on adjacent (*side-by-side*) properties along any block face without at least five (5) intervening homes of differing materials on the same side of the street beginning with the adjacent property and six (6) intervening homes of differing materials on the opposite side of the street.

(2) Front building elevations shall not repeat along any block face without at least five (5) intervening homes of differing appearance on the same side of the street and six (6) intervening homes of differing appearance on the opposite side of the street. The rear elevation of homes backing to open spaces or on John King Boulevard shall not repeat without at least five (5) intervening homes of differing appearance. Homes are considered to have a differing appearance if any of the following two (2) items deviate:

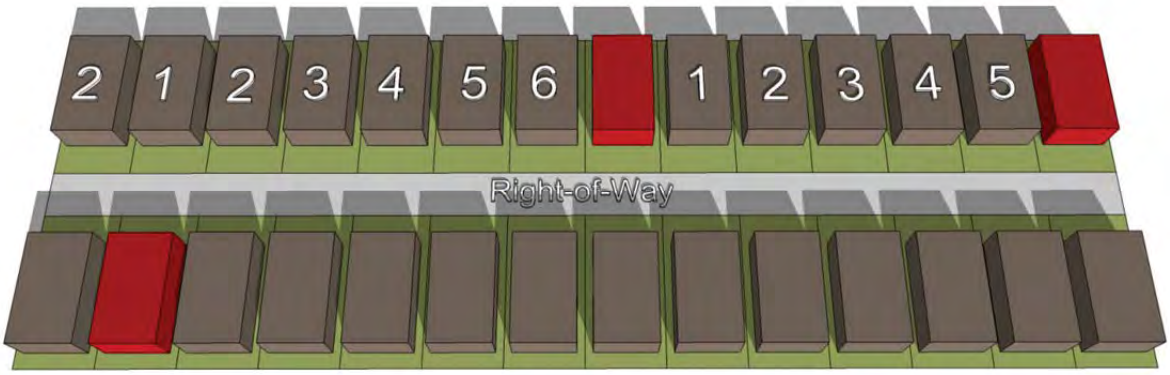
   (a) Number of Stories
   (b) Permitted Encroachment Type and Layout
   (c) Roof Type and Layout
   (d) Articulation of the Front Façade

(3) Permitted encroachments (*i.e. porch and sunroom*) elevations shall not repeat or be the same along any block face without at least five (5) intervening homes of sufficient dissimilarity on the same side of the street beginning with the home adjacent to the

subject property and six (6) intervening homes beginning with the home on the opposite side of the street.

(4) Each phase of the subdivision will allow for a maximum of four (4) compatible roof colors, and all roof shingles shall be an architectural or dimensional shingle (*3-Tab Roofing Shingles are prohibited*).

Illustration 1: Properties line up on the opposite side of the street. Where RED is the subject property.



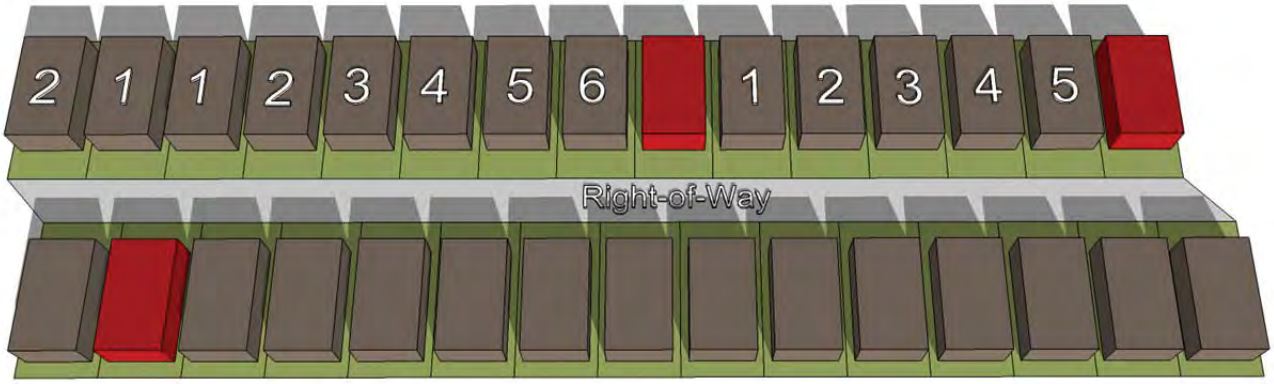


Illustration 2: Properties do not line up on opposite side of the street. Where RED is the subject property.

6. *Fencing Standards.* All individual residential fencing and walls shall be architecturally compatible with the design, materials and colors of the primary structure on the same lot, and meet the following standards:

(a) Wood Fences. All wood fences shall be constructed of a standard fencing material (*minimum of ½" thickness or better; spruce fencing will not be allowed*), and use fasteners that are hot dipped galvanized or stainless steel. Wood fences facing onto a street shall be painted and/or stained and sealed with all pickets being placed on the *public side* facing the street. All wood fences shall be smooth-finished, free of burs and splinters, and be a maximum of six (6) feet in height.

(b) Wrought Iron/Tubular Steel. Lots located along the perimeter of roadways, abutting open spaces, greenbelts and parks shall be required to install a wrought iron or tubular steel fence. Wrought iron/tubular steel fences can be a maximum of six (6) feet in height.

(c) Corner Lots. Corner lots fences (*i.e. adjacent to the street*) shall provide masonry columns at 45-feet off center spacing that begins at the rear of the property line. A

maximum of six (6) foot solid *board-on-board panel* fence constructed utilizing cedar fencing shall be allowed between the masonry columns along the side and/or rear lot adjacent to a street. In addition, the fencing shall be setback from the side property line adjacent to a street a minimum of five (5) feet. The property owner shall be required to maintain both sides of the fence.

(d) Solid Fences (including Wood Fences). All solid fences shall incorporate a decorative top rail or cap detailing into the design of the fence.

7. Landscape and Hardscape Standards.

(1) *Landscape.* Landscaping shall be reviewed and approved with the PD Site Plan. All *Canopy/Shade Trees* planted within this development shall be a minimum of four (4) caliper inches in size and all *Accent/Ornamental/Under-Story Trees* shall be a minimum of four (4) feet in total height. The following tree species are approved for planting within this subdivision:

(a) Canopy/Shade Trees. Bald Cyprus, Cedar Elm, Texas Red Oak, Homestead Elm, Lace Bark Elm, Alle Elm, Chinese Pistachio, Shumard Oak, Sycamore, and Burr Oak.

(b) Accent/Ornamental/Under-Story Trees. Texas Redbud, Eve's Necklace, Mexican Plum, Downy Hawthorn, Crepe Myrtle, Texas Mountain Laurel, Vitex, and Desert Willow.

(2) *Landscape Buffers.* All landscape buffers and plantings located within the buffers shall be maintained by the Homeowner's Association (HOA).

(a) Landscape Buffer and Sidewalks (John King Boulevard). A minimum of a 50-foot landscape buffer shall be provided along the frontage of John King Boulevard (*outside of and beyond any required right-of-way dedication*), and shall incorporate ground cover, a *built-up* berm and/or shrubbery or a combination thereof along the entire length of the frontage. Berms and/or shrubbery shall have a minimum height of 30-inches and a maximum height of 48-inches. In addition, three (3) canopy trees and four (4) accent trees shall be planted per 100-feet of linear frontage. The developer shall also be responsible for the construction of a ten (10) foot sidewalk situated within the 50-foot landscape buffer adjacent to John King Boulevard.

(3) *Streetscape Landscaping.* Prior to the issuance of a Certificate of Occupancy (CO), all residential, single family lots situated within the proposed subdivision shall be landscaped with canopy trees from the list stipulated by *Section 7(1)* of this ordinance in the following sizes and proportions:

(i) Two (2), three (3) inch trees measured six (6) inches above the root ball shall be planted in the front yard of an interior lot.
(ii) Two (2), three (3) inch trees measured six (6) inches above the root ball shall be planted in the front yard of a corner lot and two (2), three (3) inch caliper trees shall be planted in the side yard facing the street.

Note: For the purposes of this section only [i.e. Section 7(3)], the term "front yard" includes the area within the dedicated right-of-way for a parkway immediately adjoining the front yard of the lot.

(4) *Irrigation Requirements*. Irrigation shall be installed for all required landscaping located within common areas, landscape buffers and/or open space. Irrigation installed in these areas shall be designed by a Texas licensed irrigator or landscape architect and shall be maintained by the Homeowner's Association.

(5) *Hardscape.* Hardscape plans indicating the location of all sidewalks and trails shall be reviewed and approved with the PD Site Plan.

8. *Street.* All streets (*excluding drives, fire lanes and private parking areas*) shall be built according to City street standards.

9. *Lighting.* Light poles shall not exceed 20-feet in total height (*i.e. base and lighting standard*). All fixtures shall be directed downward and be positioned to contain all light within the development area.

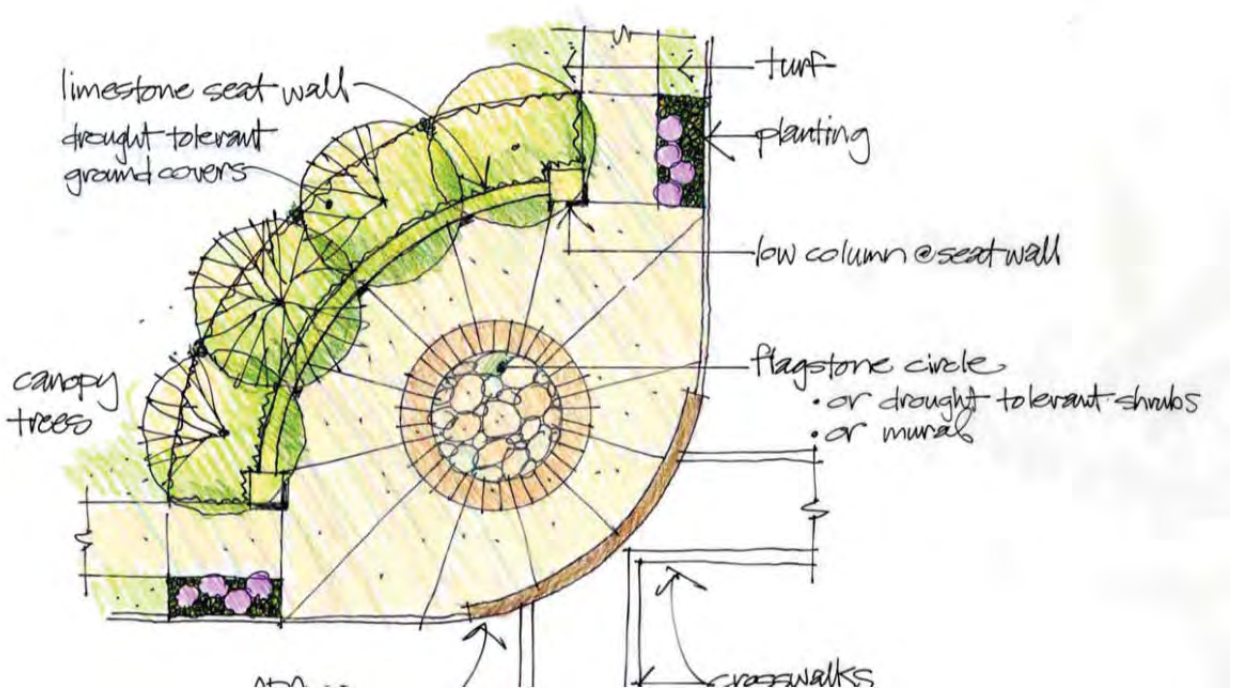
10. *Sidewalks.* At a maximum, all sidewalks adjacent to a street shall begin two (2) feet behind the right-of-way line and be five (5) feet in overall width.

11. *Buried Utilities.* New distribution power-lines required to serve the *Subject Property* shall be placed underground, whether such lines are located internally or along the perimeter of the *Subject Property*, unless otherwise authorized by the City Council. New transmission power-lines, or distribution lines of a size not typically or cost effectively placed underground (3-phase lines), or additional lines that are added to existing poles, may be above ground, if located along the perimeter of the *Subject Property*. The Developer shall not be required to re-locate existing overhead power-lines along the perimeter of the *Subject Property*. Temporary power-lines constructed across undeveloped portions of the *Subject Property* to facilitate development phasing and looping may be allowed above ground, but shall not be considered *existing lines* at the time the area is developed, and if they are to become permanent facilities, such lines shall be placed underground pursuant to this paragraph. Franchise utilities shall be placed within a ten (10) foot public utility easement behind the sidewalk, between the home and the property line.

12. *Open Space.* The development shall consist of a minimum of *12.59%* open space (*or 5.61-acres*), and generally conform to the *Concept Plan* contained in *Exhibit 'B'* of this ordinance. All open space areas shall be maintained by the Homeowner's Association (HOA).

13. *Corner Enhancement Concept.* The developer shall be responsible for the construction of a *Corner Enhancement* that generally conforms to the concept design as depicted in *Figure 1 & Figure 2* (*below*).

Figure 1: *Corner Enhancement Concept (Aerial View)*



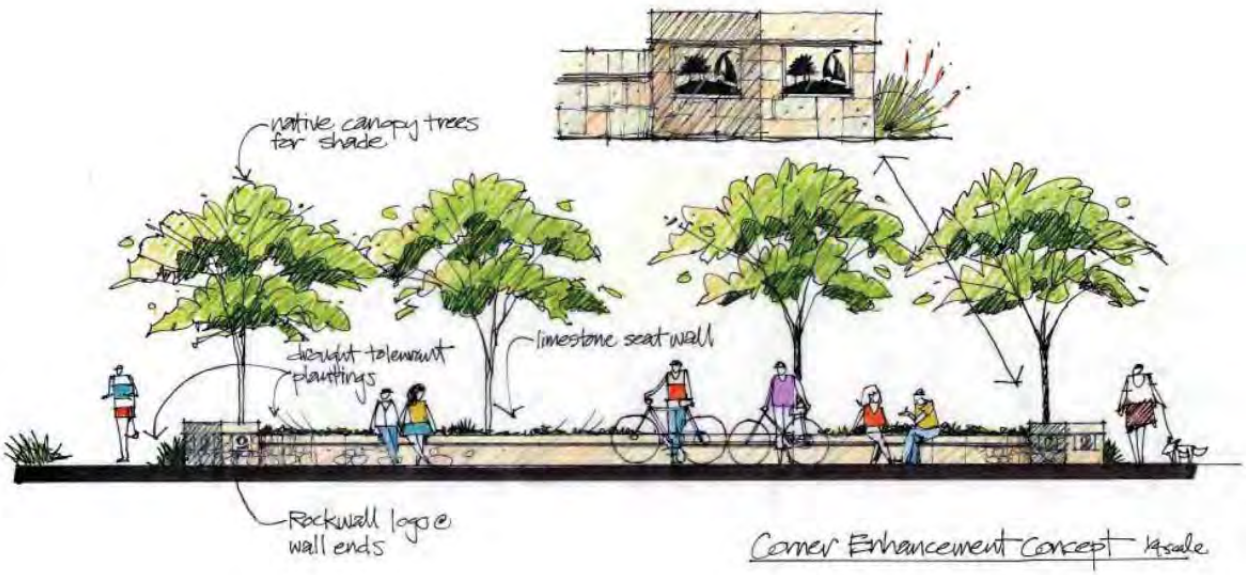


Figure 2: *Corner Enhancement Concept (Street View)*

14. *Neighborhood Signage.* Permanent subdivision identification signage shall be permitted at all major entry points for the proposed subdivision. Final design and location of any entry features shall be reviewed and approved with the *PD Site Plan*.

15. *Drainage Standards.* The development shall comply with existing drainage standards including the permissible spread of water in the streets and permissible gutter flow through intersections as outlined in the City of Rockwall's *Standards of Design and Construction* (*approved in August 2003 and updated in October 2007*). The proposed drainage areas, flow patterns, and storm drain system that will be constructed shall be based on the City's drainage criteria and be identified on a *Conceptual Drainage Plan*, which shall be submitted with the *Civil Plans* at the time of *Engineering* submittal. The *Conceptual Drainage Plan* shall be reviewed and approved by the Engineering Department in compliance with engineering standards.

16. *Homeowner's Association (HOA)*. A Homeowner's Association shall be created to enforce the restrictions established in accordance with the requirements of Section 38-15 of the Subdivision Regulations contained within the Municipal Code of Ordinances of the City of Rockwall. The HOA shall also maintain all neighborhood parks, trails, open space and common areas, irrigation, landscaping, screening fences associated with this development.

17. *Variances*. The variance procedures and standards for approval that are set forth in the Unified Development Code shall apply to any application for variances to this ordinance.

THIS PAGE INTENTIONALLY LEFT BLANK

CITY OF ROCKWALL
CITY COUNCIL MEMO

AGENDA DATE: 12/21/2015

APPLICANT: Michael Liang of the Dimension Group

AGENDA ITEM: **SP2015-018;** Race Trac – *Amended Site Plan*

Discuss and consider a request by Michael Liang of the Dimension Group on behalf of Jeffery Baird of RaceTrac for the approval of an amended site plan for a retail store with gasoline sales on a 2.46-acre parcel of land identified as Lots 1R & 2R of the Woods at Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the Scenic Overlay (SOV) District, located at the southeast corner of the intersection of Ridge Road and Yellow Jacket Lane, and take any action necessary.

SUMMARY:

The applicant is requesting approval of an amended site plan for a retail store with gasoline sales located at the southeast corner of the intersection of Ridge Road and Yellow Jacket Lane. The property is zoned Commercial (C) District and is located within the *Scenic Overlay (SOV) District*. If approved, the amendment would allow Race Trac convenience store to change the approved exterior elevations to appear as represented in the drawings submitted with this request (see elevations & color rendering). Staff has provided a copy of the exterior elevations that were approved in December 2013 and the proposed exterior elevations for your review.

VARIANCE REQUEST:

The applicant is requesting variances to the requirements of the *Scenic Overlay (SOV) District* contained in the *Unified Development Code* (UDC) as outlined below. It should be noted that the approved site plan (December 2013) did not seek any variances during the approval process; however, a variance request to the *SOV District* requires passage by a ¾ majority vote of those City Council members present for approval. The variance request is as follows:

a) *Article V, Sec. 6.8. Scenic Overlay (SOV) District* – A variance to allow for exceeding the 10% secondary materials requirement as established in *Art. V, Sec. 6.8, D.1.b* for the elevations as generally submitted (*EIFS and Trex Board siding - overall total = 14%* ***). [¾ majority vote]***

ARCHITECTURAL REVIEW BOARD RECOMMENDATION:

On November 24, 2015, the Architectural Review Board (ARB) reviewed the proposed building elevations for the site. The board expressed concern with the roof elements and the use of EIFS and Trex Board as secondary materials on the elevations presented. The ARB recommended the applicant use a pitched roof element as was previously approved. The ARB also recommended the applicant incorporate stucco rather than EIFS and Hardi Board siding rather than the Trex Board, which would provide 100% masonry construction. The ARB will review the revised elevations during the December 8, 2015 meeting and provide a final recommendation to the Planning and Zoning Commission at that time.

On December 08, 2015, after a second review of the elevations and discussion with the applicant, the ARB forwarded a positive recommendation to the Planning and Zoning Commission regarding the elevations and the use of Trex Board and EIFS as presented.

RECOMMENDATIONS:

The site plan submitted by the applicant meets all the technical criteria stipulated by the *UDC* and the S*OV District*, with the exception of the variance requested and the items listed below. Should the Planning and Zoning Commission choose to approve the applicant's request, then the following conditions of approval should be adopted with this case:

1) All staff comments (*Project Plan Review History)* provided by the Planning, Engineering and Fire Department must be addressed prior to the submittal of a building permit and to include the following additional Planning comments;

    a. That adherence to Engineering and Fire Department standards shall be required, and

    b. That all exterior signage requires submittal and approval of a separate permit through the Building Inspections Department, and

    c. That submittal, approval, and filing of a final plat prior to the issuance of a Certificate of Occupancy shall be required, and

    d. That a revised photometric plan be submitted in conformance to the standards established in Article VII - Environmental Performance, Section 3 - Outdoor Lighting for Nonresidential Properties, of the Unified Development Code, prior to the issuance of a Certificate of Occupancy (CO), and

    e. That approval of the variances requested from the City Council for not meeting the standards established in the *UDC* and the S*OV District* as noted in this report and as follows:

        a) By allowing secondary materials to exceed 10% for the elevations as submitted.

2) Any construction or building necessary to complete this *Site Plan* request must conform to the requirements set forth by the UDC, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Planning and Zoning Commission Recommendation:

On December 08, 2015, the Planning and Zoning Commissions' motion to approve the amended Site Plan with staff conditions was passed by a vote of 7 to 0. In the same motion, the Planning and Zoning Commission recommended approval of the variance to allow for secondary materials (i.e. EIFS and Trex Board) to exceed 10% as depicted on the elevations submitted.

CITY OF ROCKWALL
COUNCIL MEMO

AGENDA DATE: 12/21/2015

APPLICANT: Tony Rangel, *Rangel Land Surveying*

AGENDA ITEM: **P2015-041**; *Lots 2 & 3, Block A, Platinum Storage Addition*

SUMMARY:

Discuss and consider a request by Tony Rangel of Rangel Land Surveying on behalf of the owner Shawn Valk of Platinum Storage, LLC for the approval of a replat for Lots 2 & 3, Block A, Platinum Storage Addition being a 5.549-acre parcel of land currently identified as Lot 1, Block A, Platinum Storage Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, located east of Townsend Drive and north of SH-276, and take any action necessary.

PLAT COMMENTS:

- ✓ The objective of this request is to subdivide an existing 5.549-acre parcel of land into two (2) parcels of land creating a 2.857-acre parcel (*i.e. Lot 2*) and a 2.692-acre parcel (*i.e. Lot 3*). Situated on *Lot 2* is a mini-warehouse facility (*i.e. Platinum Storage*), which was entitled on July 7, 2014 by *Case No. Z2014-012* (*Ordinance No. 14-25; S-121*) and site planned under *Case No. SP2014-033*.

- ✓ According to Section 38-1 of Chapter 38, *Subdivisions*, of the Municipal Code of Ordinances, a *Lot* is defined as "…an undivided tract or parcel of land having frontage on a public street and which is, or in the future may be, offered for sale, conveyance, transfer or improvement as a building site; which is designated as a distinct and separate tract." In this case, the replat is proposing to subdivide an existing parcel – *that meets the frontage requirements* -- into two (2) parcels of land; one (1) of which will meet the frontage requirements and one (1) of which will not meet the frontage requirements. By approving this replat the City Council will be granting a variance to the platting requirements. It should be noted that both the exhibit approved with the Specific Use Permit and the site plan depicted the proposed subdivision of the lots in the same manner as the replat.

- ✓ Both parcels of land are currently accessible from a cross access easement that extends from T. L. Townsend Drive, through the subject properties, and through the CostCo Wholesale Center's property to SH-276. This will remain unchanged if *Lot 3* develops.

- ✓ The surveyor has completed the majority of the technical revisions requested by staff, and this plat, conforming to the requirements for replats as stated in the *Subdivision Ordinance* in the Municipal Code of Ordinances, is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ✓ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Recommendation* section below.

With the exception of the items listed in the *Recommendation* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

RECOMMENDATIONS:

If the City Council chooses to approve the final plat for *Lots 2 & 3, Block A, Platinum Storage Addition* then staff would recommend the following conditions of approval:

1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat;

2) Any construction resulting from the approval of this *replat* shall conform to the requirements set forth by the Unified Development Code, the 2009 International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION:

On December 8, 2015, the Planning and Zoning Commission approved a motion to recommend approval of the replat by a vote of 7-0.

P2015-041 (Lots 2 & 3, Block A, Platinum Storage Addition): Please address the following comments (M= Mandatory Comments; I = Informational Comments).

I.1 This is a request for the approval of a replat for Lots 2 & 3, Block A, Platinum Storage Addition being a 5.549-acre parcel of land currently identified as Lot 1, Block A, Platinum Storage Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, and located east of Townsend Drive and north of SH-276.
I.2 For questions or comments concerning this case, please contact Ryan Miller in the Planning Department at (972) 772-6441 or email rcmiller@rockwall.com.
M.3 For reference, include the case number (P2015-041) in the lower right hand corner of all pages on future submittals.
M.4 Please change the title block as follows:

Replat
Platinum Storage Addition
Lots 2 & 3, Block A
Being a Replat of
Platinum Storage Addition
Lot 1, Block A
Being a 5.549-Acre Tract of Land
Situated Within the Joseph Cadle Survey, Abstract No. 65
and the N. M. Ballard Survey, Abstract No. 48
City of Rockwall, Rockwall County, Texas

M.5 Change the Lot and Block designations on the plat to Lot 2 and Lot 3, Block A.
M.6 Indicate the centerline of T. L. Townsend Drive, and indicate the right-of-way width at the property line.
M.7 On the signature block remove the comma after the word Mayor on the signature block.
I.8 According to Chapter 38, Subdivisions, of the Municipal Code of Ordinances a Lot is defined as “an undivided tract or parcel of land having frontage on a public street and which is, or in the future may be, offered for sale, conveyance, transfer or improvement as a building site; which is designated as a distinct and separate tract.” Currently, Lot 2, Block A (after being renamed) does not have frontage on a public street and does not meet the definition of a lot. This will require a variance to the subdivision requirements by theCity Council in order to be approved in the current configuration.
M.9 Please provide a letter requesting that variance and stating the reason that the plat cannot conform to the code.
M.10 Please provide staff with a digital DWG/PDF copy of the plat.
I.11 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested by December 1, 2015. The Planning & Zoning work session will be November 24, 2015 and the Planning & Zoning meeting date for this case will be December 8, 2015.
I.12 The projected City Council meeting date and subsequent approval for this plat is December 21, 2015.

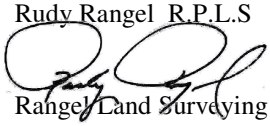
REQUEST FOR VARIANCE

PLAT NAME: PLATINUM STORAGE ADDITION REPLAT

COMPANY NAME: PANTIUM STORAGE

DATE: 11-29-2015



Chapter 38, Subdivisions, of the Municipal Code of Ordinances a Lot is defined as "an undivided tract or parcel of land having frontage on a public street and which is, or in the future may be, offered for sale, conveyance, transfer or improvement as a building site; which is designated as a distinct and separate Tract."

Strict application of the requirements of this chapter would make the project infeasible due the unusual physical characteristics that affect the property in question or would create an impractical development or one contrary to sound public policy:

Currently, Lot 2, Block A (after being renamed) does not have frontage on a public street and does not meet the definition of a lot. It will totally depended on Perpetual Access Easements D,E,F from it adjoiner properties as recorded Perpetual Access Easements Doc#2008-405204. This configuration was due to the fact that this tract was a remainder of the total tract. This will require a variance to the subdivision requirements by the City Council in order to be approved in the current configuration.

Under these conditions we respectfully request an allowance to Chapter 38 Subdivisions of the Municipal code Ordinance for Lot 2 Block A; PLATINUM STORAGE ADDITION REPLAT .

THENCE S 22°36'40" W, a distance of 429.77 feet a set 1/2 iron rod with cap;

THENCE S 00°57'44" W, a distance of 54.05 feet a set 1/2 iron rod with cap in the north line of the aforementioned Lot 1 Block 1from which a 5/8 inch iron found for corner bears S 88°50'40E, a distance of 139.33 feet;

THENCE N 89°02'16" W, a distance of 476.21 feet to the POINT OF BEGINNING containing 241,709 square feet or 5.549 acres.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

STATE OF TEXAS
COUNTY OF ROCKWALL

We the undersigned owner of the land shown on this plat, and designated herein as the _____ subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, watercourses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. We further certify that all other parties who have a mortgage or lien interest in the_____ subdivision have been notified and signed this plat.

We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. We also understand the following;

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.

2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.

3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.

4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or Development Process Guidelines (Updates 2012) Page 99 of 154 Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; We, our successors and assigns hereby waive any claim, damage, or cause of action that We may have as a result of the dedication of exactions made herein.

City of Rockwall
The New Horizon

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **December 18, 2015**

SUBJECT: **Water and Wastewater Rate Increase**

The City's comprehensive water and wastewater rate update has been completed. North Texas Municipal Water District (NTMWD) provided member city rate estimates for treated water and the consultant used those to make longer-term projections for the City's rate structures through 2020.

NTMWD proves treated water and operates wastewater treatment facilities for the City's benefit. The City issues long-term debt to finance capital improvement projects needed to accommodate growth. The combined impact of payments to NTMWD and to bondholders is that 77% of our budget goes to those two categories. The remaining 23% pays for maintenance of water and sewer mains, meter reading, billing, collection, maintenance of water towers, more than 40 lift stations and a variety of equipment.

The NTMWD rate effective October 1st reflected an increase of 11.0% from the prior year's rate. In addition to the increase, mandatory conservation measures and our resident's overwhelming response have had a dramatic effect on revenues and depletion of the water and wastewater reserves. The City cannot absorb the NTMWD rate increase without increasing rates and is only beginning to build reserves so none can be used to soften a proposed increase. The completion of the pipeline to Texoma to combat the Zebra Mussel problem, the building of new raw water supplies, and treatment capabilities will require significant rate increases in the NTMWD member rates over the coming years. Bond covenants require we maintain revenue debt coverage factors and our financial policy calls for a minimum of 60 days of working capital, which is the utility's equivalent of fund balance. Rate increases as proposed in the study will allow the city to meet the bond covenants and preserve a reasonable reserve level.

RCH Water Supply Corporation and Blackland Water Supply Corporation purchase wholesale water under long-term contracts with us. Both contracts call for rates to be determined by a cost of service study rather than be tied to our residential increases. This study was updated as well. The proposed rate for Blackland and RCH is proposed to be $3.95 per thousand gallons. The study includes increasing rates each year those agreements are in place. The City of Heath contract is currently being renegotiated. The current agreement provides for a rate, which is 10cents higher than the member city rate. Staff is negotiating a longer-term contract with Heath at this time that will allow for more favorable rates (for Rockwall) in the coming years.

Council is asked to consider adoption of the accompanying resolution setting water and wastewater rates.

CITY OF ROCKWALL, TEXAS

RESOLUTION NO. 15-34

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS FIXING THE RATE TO BE CHARGED FOR WATER AND WASTEWATER SERVICES FURNISHED BY THE CITY; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Chapter 44, Article III, Section 44-74, of the City of Rockwall Code of Ordinances provides that rates and charges for water and wastewater services and the procedures relative to the collection thereof shall from time to time be set by resolution of the City Council; and

WHEREAS, the City Council finds that, due to increasing costs, it is necessary to increase the rates charged for water and wastewater services.

NOW, THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THAT:

SECTION 1. The following monthly rates are hereby established and shall be collected for water and wastewater services billed by the City:

	Meter size		Water Rates		Wastewater Rates
Monthly Minimum Bills:					
Residential:	0.75	$	22.35	$	16.95
	1.00		26.14		19.80
	1.50		30.35		23.00
	2.00		38.30		29.05
Non-residential:	0.75	$	23.65	$	16.95
	1.00		26.14		19.80
	1.50		30.35		23.00
	2.00		38.30		29.00
	3.00		54.30		37.40
	4.00		70.20		48.40
	6.00		86.08		59.35
Irrigation Meters:	0.75	$	23.65	$	N/A
	1.00		26.14		N/A
	1.50		30.35		N/A
	2.00		38.30		N/A
	3.00		54.30		N/A
	4.00		70.20		N/A
	6.00		86.08		N/A
Rate per TH Gallons - Water:	Residential 2,001-12,000 gallons	$	3.40	$	N/A
	Residential over 12,000 gallons		5.95		N/A
	Irrigation over 2,000 gallons		5.95		N/A
	Non-residential over 2,000 gallons		5.11		N/A
	Wholesale Contract Rate		3.95		N/A
Rate per TH Gallons - Wastewater:			N/A		2.95

SECTION 2. Calculation of monthly volume charge for wastewater. The monthly volume charge for residential customers for wastewater service shall be calculated each year based on the average monthly water usage during the previous winter months, consisting of December, January, and February. Where no previous winter average is available, the Director of Finance shall estimate a volume to be used for this monthly charge. The monthly volume charge will be recalculated in March of each year.

SECTION 3. An initial deposit shall be required of all customers requesting utility service. Letters of good credit will not be accepted in lieu of a deposit. Required deposits shall be as follows:

Residential Meter Deposit	seventy five dollars ($75.00) per meter
Commercial Meter Deposit	one hundred dollars ($100.00) per meter
Irrigation Meter Deposit	one hundred dollars ($100.00) per meter

SECTION 4. The residential meter deposit shall be refunded to the customer's account after a 36 month period of prompt payments. The customer's account history shall not reflect any late payments, disconnection of service or non-sufficient funds items received by the City, during this period. The 36 month period shall be calculated on a rolling calendar basis.

SECTION 5. Service is subject to disconnection if any amount of a bill is delinquent after the due date of the following month's bill. In addition to payment of the total amount of the bill for which service has been disconnected, a reconnection fee of twenty-five dollars ($25.00) shall be charged to reestablish service. If a customer is disconnected for non-payment or payment by non-sufficient funds, a deposit shall be assessed prior to reconnection of services, if a deposit is not currently on file. If reconnection is requested after normal business hours, an additional after hours service charge of forty dollars ($40.00) shall also be charged. If a technician has been dispatched, all of the above charges shall be due regardless of whether or not service has actually been terminated.

SECTION 6. Builders requiring water service during construction shall be required to place a service deposit of twenty- five dollars ($25.00) per residential construction site, and thirty-five dollars ($35.00) per commercial construction site.

SECTION 7. In the event of receipt of any payment, which is later deemed to be uncollectible by the City's depository, the customer shall be charged an administrative fee of thirty-five dollars ($35.00) per occurrence.

SECTION 8. These rates and charges shall become effective and be in full force and effect beginning January 1, 2016.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THIS 21ST DAY OF DECEMBER, 2015.

MEMORANDUM

TO: **Rick Crowley, City Manager**

FROM: **Mary Smith, Assistant City Manager**

DATE: **December 18, 2015**

SUBJECT: **Republic Waste Request for Rate Increase**

With the extension of the solid waste contract with Republic Waste an increase to the collection rates was discussed. The increase is 3% on all residential and commercial collection rates. The accompanying resolution if adopted by the City Council will set the new rates to be effective 1/1/16.

The new residential rate reflects an increase of 27cents per month.

HHW Fee

The City Council collects a 64 cent per month Household Hazardous Waste collection fee about 10 years ago. While Republic has included this fee on their attachments, the funds are held by the City and are paid to the hazardous waste collection company based on collection volumes.

Council is asked to consider adoption of the resolution setting garbage rates for 1/1/16.

CITY OF ROCKWALL, TEXAS

RESOLUTION #15-33

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS FIXING THE COLLECTION RATE TO BE CHARGED FOR GARBAGE COLLECTION SERVICES FURNISHED BY THE CITY; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Chapter 34. Solid Waste, Article I. In General, Sec. 34-5 Collection Charges, of the City of Rockwall Code of Ordinances provides that the rates for garbage service within the city shall be established from time to time by city council resolution; and

WHEREAS, the City Council finds that, due to increasing costs, it is necessary to increase the rates charged for garbage collection services.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the following monthly rates are hereby established and adopted and shall be collected for garbage collection services billed by the City:

Residential Rates	
Twice per week collection **Twice per month brush/bulky**	$11.65
Recycle	$2.03 per month
Polycart Rental	$3.62 per month

Commercial Rates	
Twice per week hand collection	$15.99

	1X	2X	3X	4X	5X	6X	Extra
2 yd	$ 74.44	$137.71	n/a	n/a	n/a	n/a	$ 41.99
3 yd	$ 83.85	$155.11	n/a	n/a	n/a	n/a	$ 46.57
4 yd	$104.82	$193.90	$269.94	n/a	n/a	n/a	$ 51.74
6 yd	$125.78	$232.70	$323.57	$400.84	n/a	n/a	$ 61.20
8 yd	$157.23	$290.87	$404.56	$501.02	$583.10	$652.84	$ 72.44

Roll Off		***Compactors***	
20 yd	$437.30	**30 yd pkr**	$490.30
30 yd	$459.83	**35 yd pkr**	$528.74
40 yd	$477.05	**42 yd pkr**	$528.74
Del / Exc	$152.40		
Daily rental	$ 3.99		

Rentals range from $1.00 to $600.00 per month (determined by age, type, size of compactor). Installation is not included.

SECTION 2. That these rates and charges shall become effective and be in full force and effect starting January 1, 2016.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS THIS 21st DAY OF DECEMBER, 2015.

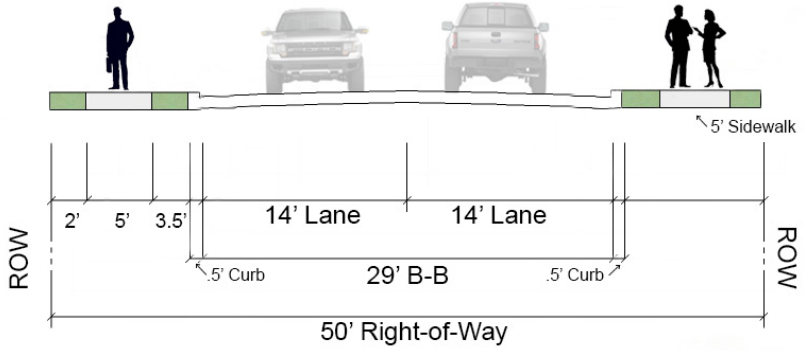
CITY OF ROCKWALL, TEXAS
MEMORANDUM

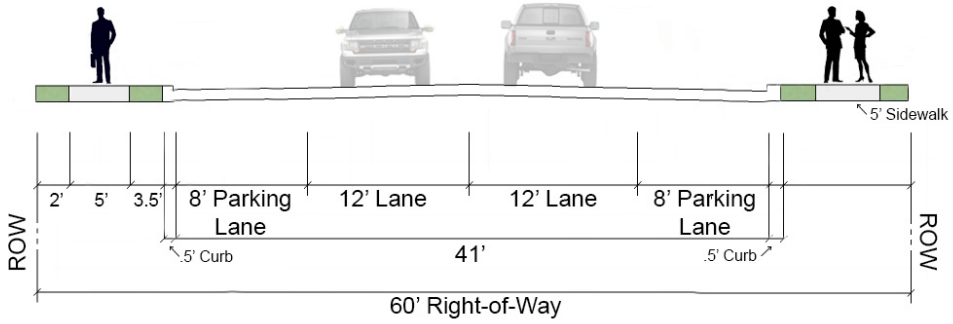
TO: Mayor and City Council

CC: Rick Crowley, *City Manager*
Brad Griggs, *Assistant City Manager*
Timothy M. Tumulty, *Director of Public Works/City Engineer*



FROM: Ryan Miller, *Director of Planning and Zoning*

DATE: December 21, 2015



SUBJECT: Streets Adjacent to Schools and Parks

On December 7, 2015, the City Council directed staff to prepare an ordinance to increase the street cross section adjacent to schools and parks from a 29-foot section to a 41-foot section (*back-of-curb to back-of-curb*). The proposed 41-foot street cross section will allow parking on both sides of the street while accommodating two (2) way traffic circulation. Below are examples of the currently required street cross section followed by the proposed street cross section.

Residential Street Cross Section

Modified Residential Street Cross Section Adjacent to Schools and Parks

Attached to this memorandum is a draft ordinance making the required changes to Section 38-19, *Street Improvements and Oversizing*, of Chapter 38, *Subdivisions*, of the Code of Ordinances.

CITY OF ROCKWALL

ORDINANCE NO. 16-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING SECTION 38-19, *STREET IMPROVEMENTS AND OVERSIZING*, OF CHAPTER 38, SUBDIVISIONS OF THE CODE OF ORDINANCES AS SET FORTH HEREIN; PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Rockwall, Texas, a *Home Rule City*, by State Law and the City's Charter is permitted to establish ordinances to protect the health, safety and general welfare of its residents; and

WHEREAS, the City Council of the City of Rockwall, Texas has directed staff to increase the size of streets adjacent to schools and parks to allow for proper traffic circulation during peak usage hours; and

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

Section 1. That the Section 38-19(b), *Street Improvements and Oversizing*, of Article I, *In General*, of Chapter 38, *Subdivisions*, of the Code of Ordinances be hereby amended to henceforth read in its entirety as follows:

(b) All new roads within proposed subdivisions shall, at a minimum, be built to a width and design which will adequately serve that subdivision. In addition, when required by the city in the interest of the community, the developer may be required to build larger streets to the width shown on the thoroughfare plan. If more than 48-feet (back of curb to back of curb) is constructed, the city will reimburse the developer for the excess width when funds become available, unless the additional width was required by the city engineer or ~~***traffic***~~ planner to adequately serve the needs of that subdivision. ***In cases were a street is adjacent to a school or public park, the city engineer or planner may require a 41-foot street (back of curb to back of curb) to facilitate proper traffic circulation.*** Streets which dead-end at power lines, railroads, or similar rights-of-way, which are intended for future extension across these rights-of-way, shall be constructed in rights-of-way for half the distance across the rights-of-way. Where streets are adjacent to undeveloped land and the property line is normally the centerline of the street, the developer shall provide right-of-way of sufficient width and shall construct paving a minimum width of 24 feet, if deemed necessary by the city engineer or ~~***traffic***~~ planner. If the city, in the interest of the community, requires the subdivider to construct more than 24 feet, the city will reimburse the cost of the excess width to the developer who installed the paving, at the actual cost of construction, with no reimbursement for additional right-of-way which required to construct the additional paving in excess of 24 feet as funds are available. No reimbursement will be made, however, when the city engineer or ~~***traffic***~~ planner determines that the excess width is required to serve that subdivision. When, in the city council's judgment, it is not feasible to construct the street and/or railroad crossing at the time of development of the subdivision, escrow for the development of the subdivision, escrow for the developer's portion of the cost may be provided in accordance with this section. In the event the street and/or railroad crossing has been constructed or is being constructed by others, the developer shall pay his pro rata share of the improvements. Escrow or pro rata shall be payable prior to construction of streets and utilities.

Section 2. That all ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed to the extent of such conflict;

Section 3. That the Code of the City of Rockwall, Texas, as amended, shall remain in full force

DRAFT ORDINANCE 2016

and effect, save and except as amended by this ordinance;

Section 4. That should any section, paragraph, sentence, clause, phrase or word of this ordinance be declared unconstitutional or invalid for any purpose by a court of competent jurisdiction, the remainder of this ordinance shall not be affected thereby, and to this end the provisions of this ordinance are declared to be severable;

Section 5. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such cases provides.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, THIS THE 4TH DAY OF JANUARY, 2016.

City of Rockwall
The New Horizon

MEMORANDUM

TO: City Council

FROM: Joey Boyd, Director of Internal Operations

DATE: December 11, 2015

SUBJECT: 2016 TCAP Board of Director Election Ballot

The City of Rockwall has been a member of the Texas Coalition for Affordable Power for purchase of its retail energy since the beginning of electric deregulation. Texas Coalition for Affordable Power ("TCAP") is a non-profit political subdivision corporation established by the 2010 merger of Cities Aggregation Power Project, Inc. ("CAPP") and South Texas Aggregation Project, Inc. ("STAP"), both created in 2001 to aggregate members' power needs in order to negotiate better electric prices for their members. TCAP is one of the largest political subdivision aggregation groups in Texas with over 160 political subdivision members that purchase approximately 1.4 billion kWh annually.

TCAP is run entirely by its members. TCAP's 15-person Board of Directors, consisting solely of member city employees, is elected by its members to govern the organization. Board membership is structured to ensure that both large and small members are represented and the Board of Directors meets once per month throughout the state. The Board's guiding purpose and objective is to pursue low cost power options for members while maintaining price stability with minimal risk that could impact the annual city budgets of members. Its secondary objective is to advocate market reforms that enhance competition for the benefit of all consumers.

The City of Rockwall is being asked to cast a ballot for seven positions from the nine candidates. Attached is a brief biography of each nominee for your review and consideration. The only candidate that staff has any knowledge of is Mark Israelson from Plano. Council might want to consider casting votes for cities in our area or those which are comparable to Rockwall. Ballots are due on or before Thursday, December 31, 2015.

331

BALLOT – 2016/2017 TCAP BOARD OF DIRECTORS

Instructions for Voting:

Only one ballot per member city/entity. The member representative is entitled to cast seven votes for the seven positions to be filled. PLEASE BE SURE THAT NO MORE THAN SEVEN CANDIDATES HAVE BEEN CHECKED! ***Ballots with more than seven cast votes will be rejected.*** *No more than one vote may be cast for the same nominee. Places 2, 4, and 6 will be filled by the three candidates in the high consumption (HC) category receiving the most votes. Place 8 will be filled by the candidate in the medium consumption (MC) category receiving the most votes. Place 10 will be filled by the candidate in the low consumption (LC) category receiving the most votes. Places 12 and 14 will be filled by the two candidates receiving the most votes but who were not elected to a particular consumption category. The exception to this rule is the requirement in TCAP Bylaws that stipulates the board of directors include at least one member from each of the four ERCOT zones (North, South, West, and Houston). Nominees who are incumbents (I) are noted on the ballot.*

(Vote for seven)

2016/2017 TCAP Board Biographies

Alphabetical

Courtney Alvarez, City of Kingsville

Courtney Alvarez is the City Attorney for the City of Kingsville, Texas. She has served as a city attorney for Kingsville since 2000. She received a BBA in International Business and a BBA in Finance from the University of Texas in Austin. Courtney attended law school at the South Texas College of Law in Houston and interned at the Texas Supreme Court. Prior to her career in Kingsville, she worked at an insurance defense firm in Corpus Christi. She was involved with the South Texas Aggregation Project (STAP) from its creation in 2001 to its later merger with Cities Aggregation Power Project (CAPP) in 2011 to form TCAP. Courtney has served on the TCAP Board of Directors since its formation in 2011. She has been licensed to practice law in the State of Texas for twenty years.

Christopher P. Bentley, City of Whitney

Chief Christopher P. Bentley is a twenty-one year veteran of Law Enforcement. As Whitney City Administrator/Chief of Police, he manages all departments within the city. The City departments consist of Public Works/Water, Fire Department/EMS Ambulance, Emergency Management, Police Department and city hall administration. These departments consist of approximately 35 Full/Part-time employees. He oversees an annual operating budget of $2.4 million dollars combining general fund with Water sewer. Chief Bentley is in the process of completing his Bachelor of Science degree in Criminal Justice Administration. Chief Bentley has held position several management positions within city government. He is a graduate of the TML 2014 Leadership academy, Blackwood Law Enforcement Management Institute school of Supervision. He has completed the TML, William "King" Cole City management training series. Chief Bentley has completed a variety of NIMS Incident command courses at the FEMA training center. He is a TCLEOSE certified Field Training Officer, Firearms Instructor and a Special Weapons and Tactical commander. Chief Bentley serves as Emergency Management Coordinator for the City of Whitney. As the leader of the City of Whitney, Chief Bentley brings innovative planning ideas, leadership ability, proven management theories, and problem-solving techniques to the executive level. He holds active memberships with TML, Human Resources, and Texas Flood plan management, combined with the Texas Police Chief Association.

Karen Bostic, City of North Richland Hills

Karen Bostic is an Assistant City Manager for the City of North Richland Hills and oversees administrative / fiscal services for the City including budget, finance, information services, municipal court, human resources, legislative analysis, organizational analysis and mineral leasing for city property. She is the city's liaison for franchised utilities including electricity, telephone and gas and has oversight of the city's solid waste contract. Ms. Bostic earned a bachelor's of business administration in management from the University of Texas at San Antonio and a master's in public administration from the University of North Texas. She joined the City of North Richland Hills in 1999 as the city's director of budget and research. Prior to this, Ms. Bostic held positions with the City of Garland, Texas; the City of Kaufman, Texas and worked for several years in public accounting. She has been on the TCAP board of directors since 2011.

2016/2017 TCAP Board Biographies

Alphabetical

Odis Dolton, City of Abilene

Odis Dolton has served on the CAPP and now TCAP boards representing West Texas and Abilene. He currently serves as one of the Assistant Directors of Finance with the City of Abilene. Mr. Dolton has worked for the City of Abilene for over thirteen (13) years in Finance and Administrative Services as Assistant Director. He is Co-Owner of West Texas Home Health Services, a home health care company. He gives back to the community through his work in the church, volunteer work on six different non-profit organizations and work with a youth football league. Mr. Dolton's undergraduate work at Abilene Christian University includes a BSW in Social Work and Industrial Education, and a BA in Drafting. He holds a Master's of Science in Social Work form Our Lady of the Lake in San Antonio, Texas.

Anne Garmon, City of Vernon

Anne Garmon is the Finance Director of the City of Vernon TX (11,000 population). Prior to this she was a Budget Analyst for Alachua County FL and the City of Odessa TX and a Management Analyst for the City of Fort Worth TX. Ms. Garmon's non-municipal experience includes being a Management Information Consultant for Andersen Consulting in Nashville TN and an Assistant Registrar for Valparaiso University in Valparaiso IN. She earned a bachelor of science in Finance from Murray State University and a M.B.A from the University of Kentucky. Ms. Garmon has recently been participating in TCAP by attending the April 10, 2015 Board Meeting and the June 25, 2015 Regional Meeting in Arlington TX.

Michelle Guelker, City of Colorado City

Michelle Guelker currently works for the City of Colorado City as the Director of Operations overseeing the Public Works and Utilities Departments.
Michelle began her work life at an early age assisting her father and grandfather in the family's electrical contracting business. The business primarily did work in the oilfield, municipal, and industrial sector with some dealings in the residential service. After graduating from Angelo State University, Michelle work for the Mitchell County Economic Development Board and the Lone Wolf Groundwater Conservation District. It was during this time that Michelle learned the importance of water to the economic development and future of the State of Texas. With this thought in mind, Michelle pursued her TCEQ issued Class B Ground Water and Class C Waste Water licenses.

During her work with the Mitchell County Economic Development, Michelle was instrumental in the formation of several landowner groups who worked to bring wind energy to Mitchell County.
Upon joining the City in 2010 as the Water Superintendent, Michelle began working with the Texas Commission on Environmental Quality to change the use of the City's effluent water from being disposed of through irrigation to being able to sell the water for use during the oil well's fracking process. By potentially changing where oil companies get the water needed for fracking purposes, could save millions of gallons of fresh water each year.

Since being promoted to Director of Operations in February, 2014, Michelle has worked with the developing FGE Texas Power I and II project. This new electric power plant will take and use the City's effluent water, saving approximately 300 million gallons of fresh water each year. Michelle, as with many small City employees across the State, wears many hats and has recently supervised an overhaul to the City's Permitting and Building Code Departments. With additional growth in response to the Cline Shale oil discovery and the FGE Power Plant project, Michelle is currently heading the development and inspections of several economic projects, including hotels/motels and food establishments.

2016/2017 TCAP Board Biographies

Alphabetical

Robert Hauck, City of Tomball

Robert S. Hauck was raised in Central Indiana, but moved to Southern California, where he completed his last two years of high school. In 1986, he joined the United States Army Reserve Corps and was assigned as a criminal investigator until 1994. Mr. Hauck began his law enforcement career as a Los Angeles Police Officer in May 1988, and worked a variety of assignments such as, patrol, internal affairs, community relations, training, vice, and special operations. Mr. Hauck promoted to the rank of detective, where he worked as a death investigator, and soon after promoted to sergeant. In addition to working as a patrol supervisor, he was assigned as a commander's aide, internal affairs supervisor, and as a vice unit supervisor.

In 2001, Mr. Hauck was promoted to the rank of lieutenant and was initially assigned as a patrol watch commander. He also worked as the Assistant Employee Relations Administrator; Adjutant to the Commanding Officer, Operations-South Bureau; and Executive Officer to the Chief of Police. Prior to his promotion to captain, he served as the Department Advocate for two years. Mr. Hauck promoted to the rank of captain in 2006 and was first assigned as the Commanding Officer, West Los Angeles Patrol Division, and finally as the Assistant Commanding Officer, Metropolitan Division, where he was responsible for SWAT, K-9, Mounted Unit, Underwater Dive Team, and Waterborne Assault Team operations.

In June 2008, Mr. Hauck retired from the Los Angeles Police Department and joined the City of Tomball, Texas, where he served as Chief of Police until April 2014, when he was promoted to Assistant City Manager. Mr. Hauck holds a Bachelor of Arts degree in Business Administration, and a Master of Science degree in Management from The Johns Hopkins University. He is a graduate of the FBI National Academy, the West Point Leadership Program, Sherman Block Supervisory Leadership Institute, and Leadership North Houston.

Mr. Hauck is an active member in several professional organizations including the Texas City Managers Association; Texas Municipal League; International Association of Chiefs of Police; FBI National Academy Associates; Texas Police Chiefs Association; Houston Area Police Chief's Association (Past President); and Police Executive Research Forum. Although Mr. Hauck made the transition from full-time law enforcement into city management, he maintains his peace officer commission as a Reserve Captain with the Harris County Sheriff's Office. Mr. Hauck and his wife (Kathleen) have three children- Lauren (21); Conner (15); and
Madeline (13)

Mark Israelson, City of Plano

Mark Israelson is the Director of Policy and Government Relations for the City of Plano. Mark's 12 years of work in Plano has included service as a Budget Analyst, Assistant to the City Manager, Director of Customer & Utility Services and Assistant City Manager. Mark currently serves on the Board of Directors of the Texas Coalition for Affordable Power (TCAP), the Boards of University of North Texas Alumni Association, University of North Texas MPA Alumni and SEI Advisory, and is an active member of Urban Management Assistants of North Texas (UMANT), Texas City Management Association (TCMA), and ICMA. Before his employment with the City of Plano, Mark worked in the private sector as a utility and regulatory consultant specializing in utility rates for municipalities. After several years in the private sector, Mark entered local government after receiving an offer from the City of Plano. He earned his undergraduate degree in political science and his Master Degree in Public Administration from the University of North Texas, graduating in 1994 and 1996 respectively.

2016/2017 TCAP Board Biographies

Alphabetical

Miles Risley, City of Corpus Christi

Miles Risley has served as a director for TCAP since it was established at the beginning of 2011. He is currently President of TCAP. He has served as City Attorney for the cities of Victoria, Wichita Falls, and Corpus Christi. He has been involved in electricity regulation issues since 1994, when he became a municipal attorney in Victoria, Texas, and, in the following years represented Victoria to the Steering Committee of Cities served by Central Power & Light and the South Texas Aggregation Project, Inc. (STAP). In 2009, he became the City Attorney for Wichita Falls and represented it to the Cities Aggregation Power Project (CAPP) and the Oncor Cities Steering Committee. In 2014, he became the City Attorney for Corpus Christi. As a municipal attorney for more than 20 years, Mr. Risley has drafted numerous resolutions and ordinances relating to electric, gas, and other utility issues. He has also negotiated franchise agreements with electric, gas, cable, and telephone providers. In addition, he has lobbied legislators throughout the years on various issues.

City of Rockwall
The New Horizon

MEMORANDUM

TO: City Council

FROM: Joey Boyd, Director of Internal Operations

DATE: December 14, 2015

SUBJECT: Transportation Study

The City of Rockwall hired Aecom's Transit Division to review information provided by STAR Transit related to their request for funding. Aecom collected data from STAR Transit, the North Central Texas Council of Governments, and held stakeholder's meetings with the City and Rockwall County.

Aecom gave its final report at the previous City Council work session. Included in the City Council packet is the final report and the presentation from the previous meeting for your review and consideration. Due to time constraints at the work session, discussion time was limited so staff is placing this on the agenda for further discussion.

1.0 INTRODUCTION

1.1 Background

The City of Rockwall is a community of 41,000 residents located in Rockwall County in the northeast part of the Dallas-Fort Worth (DFW) metropolitan area. Demand-responsive transit services are provided throughout Rockwall County by STAR Transit under a variety of local and private contracts. STAR Transit also provides demand response services in Kaufman County, the cities of Mesquite, Balch Springs, and Seagoville, and for limited medical trips throughout the region.

As a result of the 2000 Census, parts of Rockwall County (primarily within the cities of Rockwall and Heath) were designated as part of the DFW-Arlington urbanized area. Because STAR Transit provides services in both urbanized and rural areas, this change did not significantly affect the amount of federal funding available for transit services in Rockwall County until the Moving Ahead for Progress in the 21st Century Act (MAP-21) was enacted in 2013. MAP-21 shifted federal funding to a formula-driven allocation, with rural §5311 funding tied directly to service measures and population in rural areas. Urban §5307 funding for operating expenses in large urban areas is limited to Job access and reverse commute (JARC) programs.

As a result of these changes and the resulting decrease in available federal funding to STAR Transit, the service provider has had to explore opportunities for increased local funding, including raising the contract payments from participating local governments such as the City of Rockwall and Rockwall County.

In addition to increases needed to cover shrinking costs, STAR proposed an increase in service from seven to eight demand-response buses. This proposal was estimated to provide 64 hours of transit service per day at a cost of $812,160 annually. After paying 50% through remaining grants and apportioning to the county and cities based on trip origin, the City of Rockwall's share for FY16 was estimated at approximately $172,500.

This cost represents a significant increase over previous transit contributions. As such, the purpose of this study is to provide an assessment of the projected costs and review existing demand response services in Rockwall for efficiency and cost effectiveness. This assessment is based on a review of available information from the National Transit Database (NTD), STAR Transit, and local stakeholder interviews. The following sections include the results of a peer comparison, an analysis of Rockwall County service data, and guidance regarding future transit partnerships.

2.0 PEER COMPARISON (SYSTEM-WIDE)

2.1 Peer Selection

The peer review is based on service data from the 2013 National Transit Database. The data from the full set of national transit providers was downloaded and sorted across several measures for comparison to STAR Transit. Texas and Oklahoma Transit agencies were selected if they met the following criteria:

- Provided direct operation of some demand response service
- Operated between 10 and 100 vehicles during maximum service
- Have a service area population at least 50,000, but less than 1,000,000.

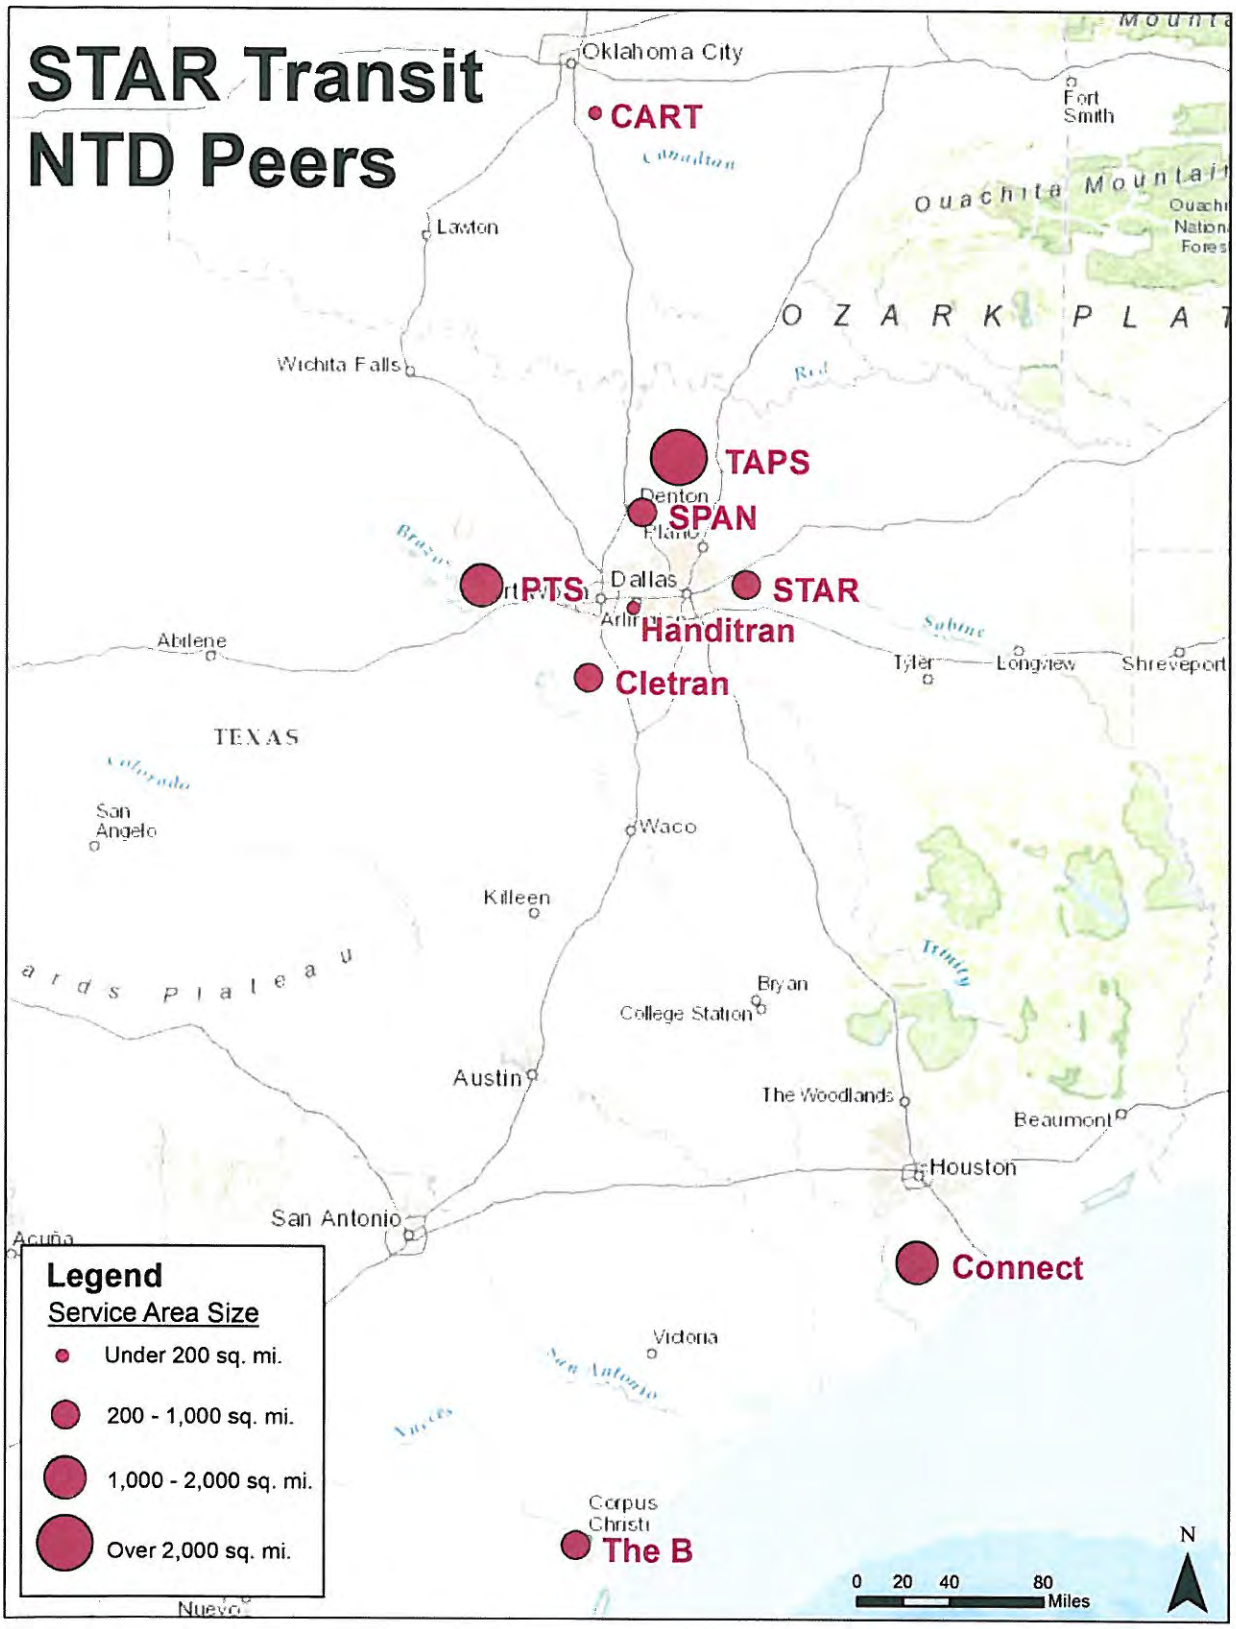

Table 1 shows the agencies selected for the peer analysis and an overview of similar and distinguishing characteristics as compared to STAR Transit. **Figure 1** shows the location and relative size of selected peer providers.

Table 1: Selected Peer Transit Providers

Agency	Distinguishing Features	Service Area mi.^{2}	Service Area Pop.
Handitran Special Transit Division - City of Arlington	Smaller, but more dense service area. Available only to seniors and persons with a disability	199	368,216
Corpus Christi RTA (The B)*	Similarly sized, but more dense service area. Operates more fixed route service. Majority of demand-response trips are contracted out.	841	342,412
The Gulf Coast Center (Connect Transit)	Larger service area operating more fixed route service.	1,784	437,155
Cleveland Area Rapid Transit (CART)	Smaller but more dense service area. Oklahoma provider governed by different state regulations and funding allocations.	27	52,826
Texoma Area Paratransit System, Inc. (TAPS)	Much larger service area, primarily rural.	6,295	804,455
City of Cleburne (CCT/Cletran)	Similarly sized service area.	725	153,441
STAR Transit		908	184,648
Public Transit Services (PTS)*	Larger, more rural service area.	1,855	147,568
Special Programs for Aging Needs (SPAN)	Similarly sized, but more dense service area. Only serves rural areas not served by DCTA.	878	707,304

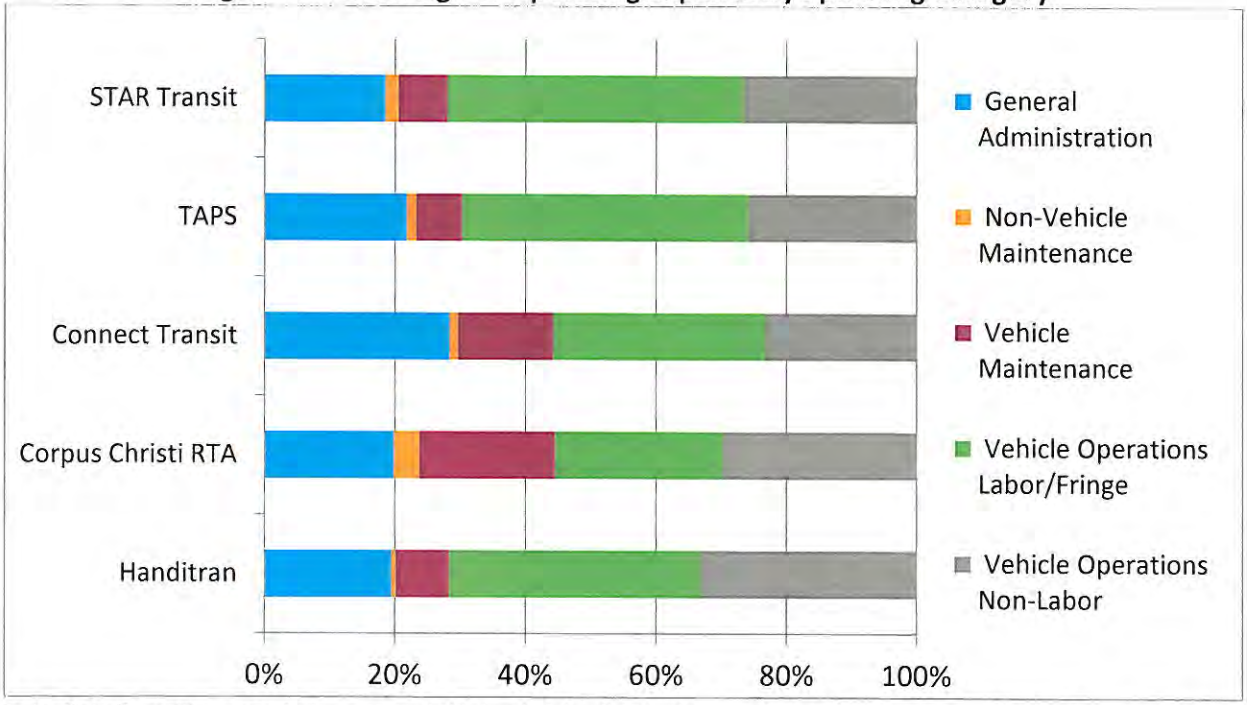
* For comparison purposes, only directly-operated demand response services are included in the measures above.
Source: NTD 2013 Data Tables

Figure 1: Peer Transit Providers Selected For NTD Analysis

2.2 Findings

Traditional service measures such as revenue hours, revenue miles, and operating and maintenance costs vary widely from system to system, due to the differences in service area size and population served. However, by looking at comparative metrics like cost per revenue hour, for example, STAR Transit's service efficiency and cost effectiveness can be evaluated against its peers. **Table 2** below shows these metrics across all peer transit providers.

Table 2: Peer Provider Service Metrics



Agency	Avg. Trip Length	Cost per Trip *	Cost per Hour *	Cost per Mile *	Trips per Hour*	Trips per Mile*	Service Hrs. per capita
Handitran Special Transit Division - City of Arlington	11.9 mi.	$ 27.68	$ 59.54	$ 4.54	2.15	0.16	0.07
Corpus Christi RTA (The B)*	32.2 mi.	$ 38.91	$ 70.32	$ 3.72	1.81	0.10	0.01
The Gulf Coast Center (Connect Transit)	17.8 mi.	$ 39.61	$ 93.33	$ 4.33	2.36	0.11	0.03
Cleveland Area Rapid Transit (CART)	N/A	$ 17.84	$ 48.77	$ 4.44	2.73	0.25	0.12
Texoma Area Paratransit System, Inc. (TAPS)	13.9 mi.	$ 13.73	$ 38.49	$ 2.05	2.80	0.15	0.14
City of Cleburne (CCT/Cletran)	N/A	$ 27.91	$ 46.16	$ 3.12	1.65	0.11	0.15
STAR Transit	7.3 mi.	$ 21.63	$ 50.95	$ 3.05	2.36	0.14	0.32
Public Transit Services (PTS)*	N/A	$ 22.97	$ 44.67	$ 2.36	1.94	0.10	0.25
Special Programs for Aging Needs (SPAN)	N/A	$ 22.76	$ 48.41	$ 2.64	2.13	0.12	0.05
Straight Average of Peers	**19.0 mi.**	**$ 26.43**	**$ 56.21**	**$ 3.40**	**2.20**	**0.14**	**0.10**

* For comparison purposes, only directly-operated demand response services are included in the measures above.
Source: NTD 2013 Data Tables

STAR Transit's cost effectiveness, as shown by the per-hour and per-mile costs, is slightly better than average compared to similarly situated transit providers. The cost per hour of $50.76 used as a basis for the contract price is also within this range. Service efficiency, reflective of trips per hour and trips per mile, is also about average. The key area of difference is that, relative to service area population, STAR Transit is providing more service per capita than any other peer provider.

As part of the peer analysis, service costs across spending categories were also analyzed. As shown in **Figure 2**, STAR Transit is spending less on general administration and maintenance than its peers, and the majority of expenses are for vehicle operation.

Figure 2: Percentage of Operating Expense by Spending Category

Note: Not all providers reported expenses at this level of detail. The above analysis only compares providers who responded.
Source: NTD 2013 Data Tables

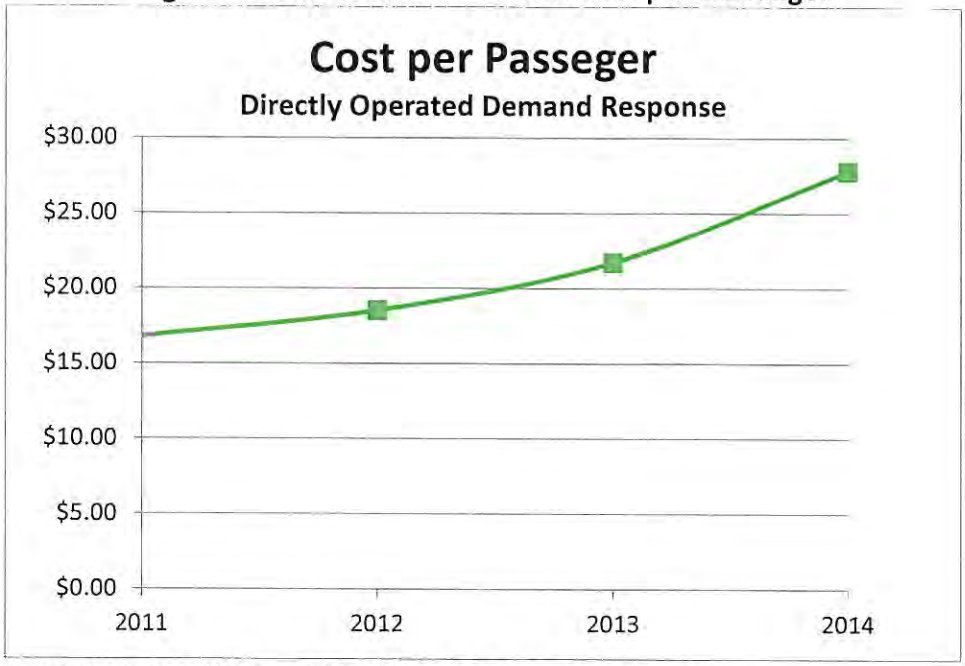
Overall, the peer analysis does not reveal any imbalanced expenditures or inappropriate costs for STAR Transit. Rather, the higher costs per capita in the STAR Transit service area are most appropriately attributed to the greater level of hours and miles of service being provided.

3.0 EXISTING CONDITIONS

3.1 Historical Context

Historical NTD Data for the STAR service area was also evaluated from previous years to understand trends. **Table 3** shows a variety of NTD service metrics across a four-year period from 2011 to 2014.

Table 3: STAR Transit System-wide NTD metrics, 2011-2014



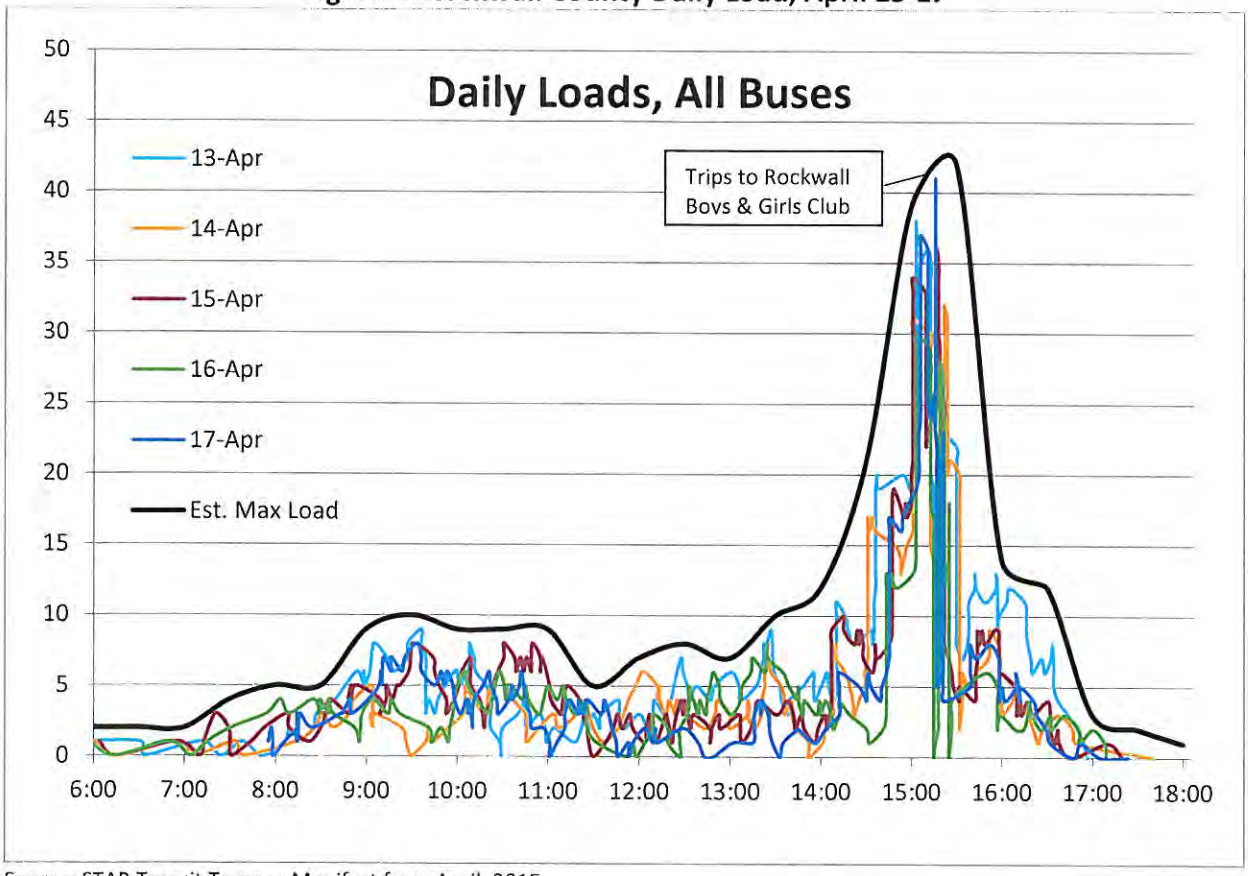
Measure	FY 11 (NTD)	FY 12 (NTD)	FY 13 (NTD)	FY 14 (NTD)
Operating Costs	$2,570,827	$2,655,982	$3,008,399	$3,878,837
Revenue Hours	49,285	60,707	59,047	68,816
Revenue Miles	1,204,267	1,283,059	985,510	1,244,927
Unlinked Passenger Trips	153,149	143,508	138,538	139,548
Farebox Revenues	$63,223	$68,047	$95,152	$134,025
Cost per Passenger	$16.79	$18.51	$21.72	$27.80
Cost per Revenue Hour	$52.16	$43.75	$50.95	$56.37
Cost per Revenue Mile	$2.13	$2.07	$3.05	$3.12
Average fare per boarding	$0.41	$0.47	$0.69	$0.96
Farebox Recovery Ratio	2.46%	2.56%	3.16%	3.46%

Note: 2012 NTD-reported farebox revenue also included $1,349,342 in purchased transportation contract relationships, which are not included here in order to provide a more consistent approach across years.
Note: All numbers reflect STAR's directly operated demand response service only. Fixed route service is excluded.
Source: 2011 – 2013 NTD Data Tables, 2014 STAR Transit NTD Submittal

As shown, there has been a general upward trend in operating costs, hours, and miles. The context of system expansion into Mesquite may help explain some of the larger increases between 2013 and 2014. However, it should be noted that total unlinked passenger trips have been declining since 2011, and remained flat during the expansion into Mesquite.

Although STAR Transit's current service efficiency and cost effectiveness metrics are good in relation to its peers, they are not as strong as they have been in previous years. As shown in **Figure 3**, the increasing costs combined with declining ridership results in an increasing cost per passenger.

Figure 3: STAR Transit 2011-2014 Cost per Passenger



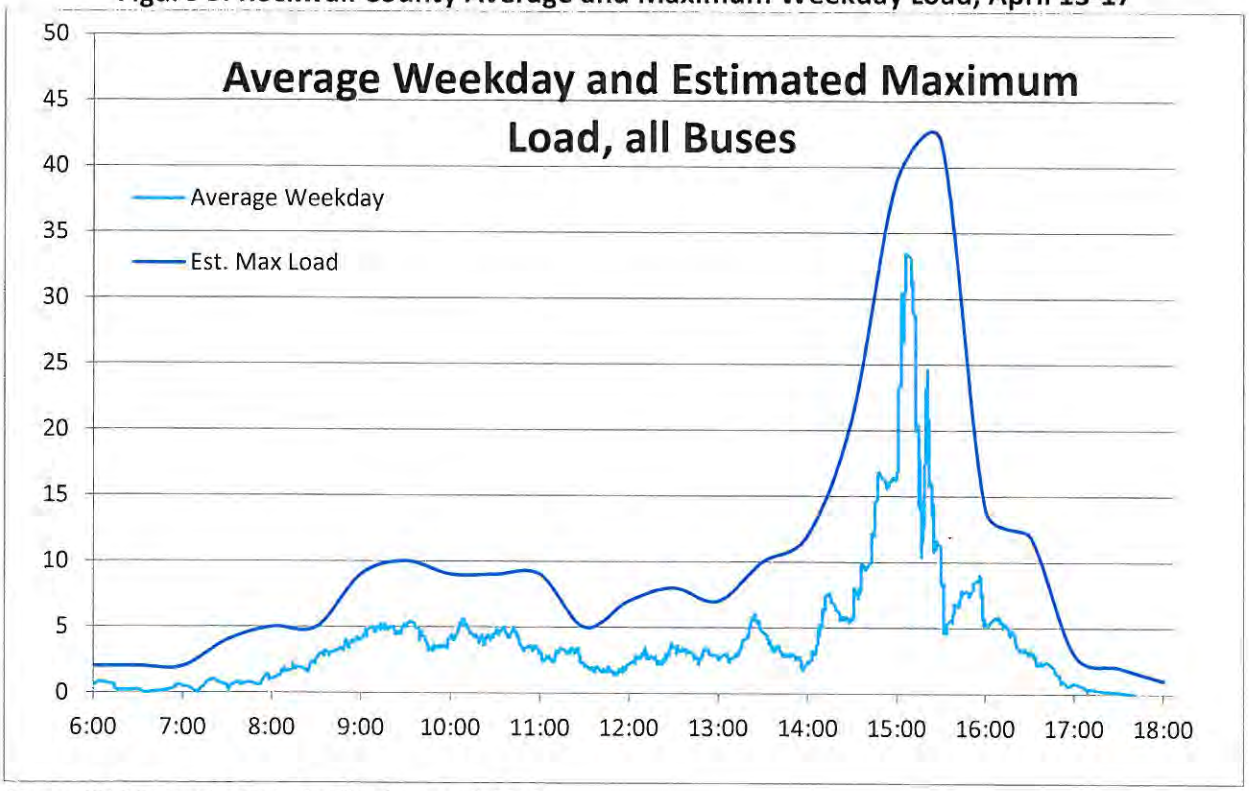
Source: 2011 – 2013 NTD Data Tables, 2014 STAR Transit NTD Submittal

3.2 Rockwall County Service Data

The analysis of data specific to Rockwall County comes from the driver manifests provided by STAR Transit for the month of April 2015. April and October are typically ideal months for evaluating transit needs (school in session, ideal weather conditions, etc.) and typically reflect the highest transit ridership for the year. The week of April 13-17 was found to carry the highest ridership in April and was selected for detailed analysis.

Boardings and alightings for each bus across all five days were processed to reflect how many riders are on Rockwall's designated buses at any given time. This analysis does not represent the total trips served each hour, but rather takes trip length into account to get a sense of the typical load on the bus system across the service day. **Figure 4** shows the daily load across all Rockwall buses in operation (typically spread across 5-6 buses, tapering down in the early morning and evening).

Figure 4: Rockwall County Daily Load, April 13-17

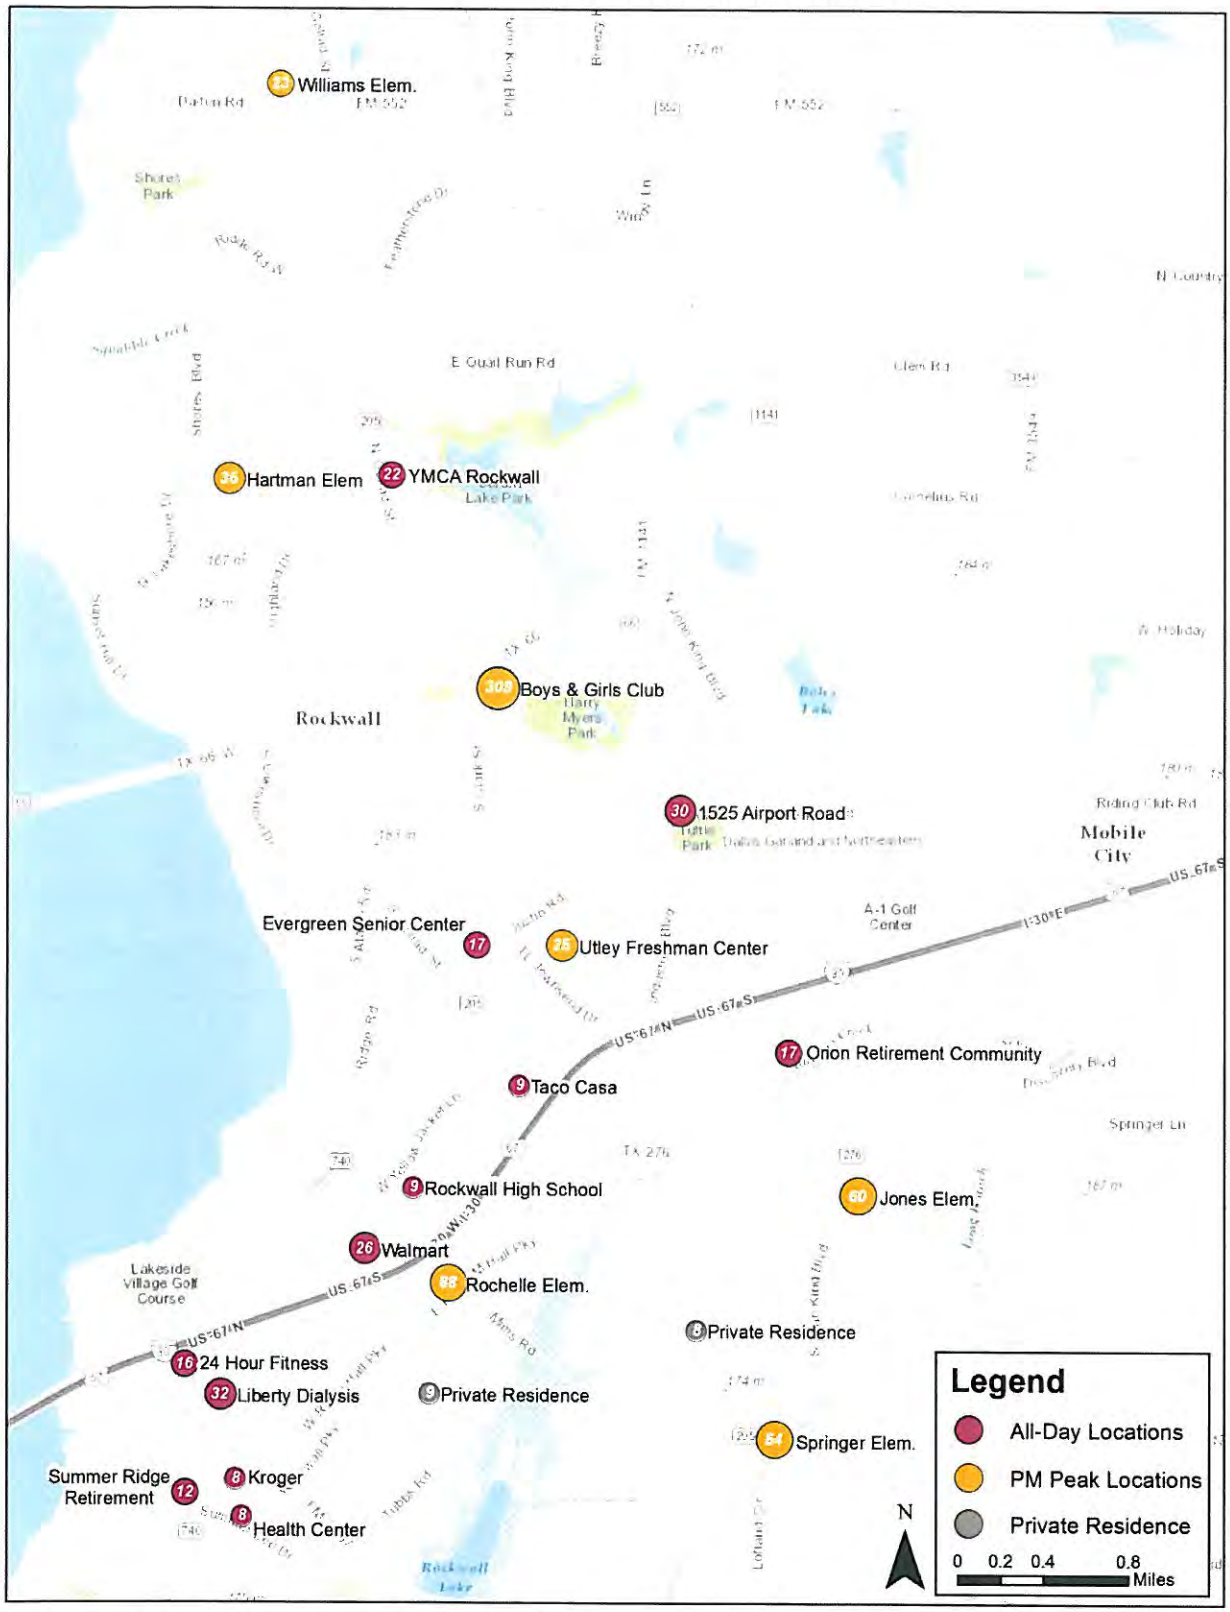


Source: STAR Transit Trapeze Manifest from April, 2015

Each day reflected a similar pattern of trip density, with low volumes in the morning and a spike in mid-afternoon. No anomalies were identified between different days of the week, and given the nature of weekday service to the Rockwall Boys & Girls Club, this data is believed to be a good representation of service generally.

Figure 5 shows the average of these five weekdays as well as the estimated maximum load. The maximum load is meant to capture, for each time period, the highest spike across all five days evaluated. For example, while the average weekday shows a distinct spike at 3:00 p.m., the estimated max load line reflects day-to-day variability showing a wider window (from about 2:00 p.m. to 4:00 p.m.) when buses may be responding to Boys & Girls Club trips. Similarly, more day-to-day variability in the 9:00 a.m. to 11:00 a.m. time frame results in a higher estimated maximum load than for the 11:00 a.m. to noon hour, which is consistently low.

Figure 5: Rockwall County Average and Maximum Weekday Load, April 13-17



Source: STAR Transit Trapeze Manifest from April, 2015

It was not clear from the driver manifest data when a driver's designated break time occurred. The analysis shows that service to the Boys & Girls Club is driving the demand for vehicles in the afternoon, while many buses are running light loads the remainder of the day.

The second task of the current service analysis was to identify higher yield destinations that may be more efficiently served through fixed route service. **Figure 6** reflects the top origins and destinations during the week of April 13-17[1]. This data includes locations where customers were both picked up and dropped off, so every ten boardings and alightings would represent an average of one round trip per day. Two private residences are mapped (in grey) to the nearest street corner for privacy considerations. It should be noted that for many demand-response systems, the residents with the highest need for the system can shift as circumstances (employment, vehicle availability, temporary disability, etc) change. Therefore these residences may not be as reflective of long-term transportation needs as other locations. Locations associated with Boys & Girls Club that occur consistently during the 3:00 p.m. spike are shown in orange. Locations that occur at high frequency throughout the day are shown in purple.

[1] A three-way tie resulted in 21 "top" locations, with counts of eight or more.

Figure 6: Most Frequented Locations, April 13-17

Note: Numbers reflect the total boardings and alightings made to each location during the week of April 13-17, 2015
Source: STAR Transit Trapeze Manifest from April, 2015

4.0 STAKEHOLDER INTERVIEWS

As part of the service review, a series of stakeholder interviews were conducted with NCTCOG staff, Rockwall County Officials, and a representative of STAR transit. A phone interview was conducted with Sarah Chadderton of NCTCOG. She explained that NCTCOG's role in the FTA federal funding process is to pass through funding to whatever service providers have been designated by local authorities. She provided insight into MAP-21 changes and noted that STAR's experience of decreasing funding for demand-response services is common among other providers.

An in person meeting was held with Rockwall County Judge David Sweet and Rockwall County Commissioner and STAR Board representative David Magness. As a result of this discussion, County Commissioner Magness met with STAR Transit representatives to negotiate an interim contract that reflected Rockwall's need for a lower cost while still maintaining level of service.

Finally, the consultant team met with Mike Sims in his role as consultant to STAR Transit. Mr. Sims explained his role for STAR Transit is to negotiate with NCTCOG and FTA and engage local government representatives in transit planning. He confirmed the interim agreement between STAR and Rockwall County would be for a 10,000 hour per year system utilizing five buses. He recommended two methods for obtaining additional funding in order to alleviate the total needed from the City of Rockwall. The first is to pursue a fixed route bus that targets job-access and reverse-commute trips, which would qualify for additional Federal FTA funding under the §5307 urban formula program. The second strategy is to pursue more standalone contracts with other local, non-governmental stakeholders. Any contracted revenue from entities in Rockwall County would contribute to the total local match required.

5.0 NEXT STEPS AND RECOMMENDATIONS

5.1 Contract Assessment

After reviewing the preliminary data associated with this study, county and city officials met with representatives of STAR Transit to negotiate an interim agreement for service over the next year. This plan reduces the buses allocated to Rockwall from seven demand response to four demand response plus one fixed route bus.

During that time, it is recommended that Rockwall evaluate how well the new service meets the needs of the community. It will be imperative that data analysis and financial records be kept and freely communicated between all local stakeholders. The following factors should be tracked on a monthly basis in order to enable Rockwall to evaluate the service provided:

- Ridership for the City of Rockwall and Rockwall County
- Origin and destination information for City of Rockwall trips
- Service metrics including passengers per revenue hour, cost per revenue hour and cost per passenger
- Record of total service hours provided

- On-time performance
- Load factors
- Missed trips

Timely communication of service metrics and detailed accounting reports should be a requirement of any service contracts going forward. In addition, it is recommended that the city and county work together with STAR Transit to develop a set of minimum performance standards, as well as preferred remedies for addressing under-performing routes or unmet community needs. The service contract should also include detailed information regarding the responsibilities, powers, and liabilities of all involved parties.

5.2 Logisticare Allocations

According to data provided by STAR Transit, Logisticare services occurring in Rockwall County generated approximately $15,000 for the month of October 2015. Logisticare trips are served under a separate contract with STAR Transit, and the revenue generated under this contract is not eligible to be used as a local match source. However, the revenue generated compared to the number of trips provided under the Logisticare contract (204 trips in October) would indicate more than enough revenue to cover the per-hour expenses associated with those trips[2]. As such, service metrics reported under the Rockwall County contract should reflect a reduction of total trips and revenue hours provided in the county to account for trips provided under the Logisticare contract.

In October, approximately 8% of trips in Rockwall County were associated with the Logisticare program. STAR Transit's preferred policy is to provide additional service in Rockwall County to account for Logisticare needs above the level of service agreed to under the contract with Rockwall County. However, the data currently available analyzed for this report does not distinguish between Logisticare and non-Logisticare revenue hours and no evidence has been provided that demonstrates service provided under the Rockwall County contract meets the service levels used to calculate the costs to Rockwall County and its partners. Moving forward, separate record-keeping by STAR for these two contracts will be necessary for Rockwall to make informed choices about the amount of service needed and to clearly understand the costs associated with those services. If revenue hours for Logisticare trips cannot be distinguished from other revenue hours provided in the county, then other remedies should be discussed and incorporated into the contract:

1. Determine a formula to allocate Logisticare services based on number of trips that is agreeable to all parties, and use this as a basis for reporting service statistics provided under the Rockwall and Logisticare contracts separately.

[2] A percentage based approximation of hours associated with Logisticare trips results in 65 revenue hours of service in October, for approximately $230 in revenue generated for each service hour provided. This estimate may not completely account for potential trip-sharing between Logisticare and non-Logisticare riders. However, even a very conservative estimate of 1 revenue hour per Logisticare trip would yield approximately $75 in revenue per service hour (compared to STAR's cost of $50.76 per revenue hour.

2. Base payment formula on a service metric that can be distinguished between the Logisticare and Rockwall County contracts, such as a per-trip or per-passenger cost.

5.3 Fixed Route Service

The fixed route service should be developed through a combination of demand-response origin and destination information as well as community input. The top destinations provided above are a first-step; however, a better understanding of the relationship between origins and destinations will be necessary to fully structure a route. Stakeholder and community input are recommended to ensure that the transit needs of under-served or transit dependent communities are particularly understood.

Ideally, a fixed route that serves multiple functions throughout the day will perform better. For example, a route with the flexibility to serve some of the Boys & Girls Club demand in the afternoon could do a lot to alleviate the need for demand response trips at that time.

Other service delivery options may provide a potential cost-savings going forward. FLEX routes provide a hybrid of fixed route reliability while also providing limited deviations to serve customers who may otherwise need or prefer demand response. More focused analysis of driver's schedules may help to target service when it is most needed and either reduce costs during the morning and evening, or spread existing hours over a longer span. (I.e. overlapping two 8:00 a.m-4:00 p.m. and two 2:00 p.m.-10:00 p.m. shifts would provide the same four demand response buses during peak demand, but offer a longer span of service.) Finally, innovative scheduling may help target long-haul trips to certain days of the week or time of day to help encourage more efficient trip bundling.

LogistiCare Overview

- LogistiCare is the transportation service provided for Medicaid non-emergency trips funded through the Texas Health and Human Services Commission
- STAR Transit currently provides the LogistiCare service in Rockwall County
- LogistiCare and general public trips are operated as shared rides by STAR, revenue hours currently cannot be evaluated separately
- Approximately 8% of trips in Rockwall County are for LogistiCare
  - October 2015
    - 2,478 total trips in Rockwall County
    - 204 Logisticare Trips
- Estimated revenue for Rockwall LogistiCare trips is about $15,000 per month (based on data from October 2015)

360

361

Summary of Findings

- STAR Transit's cost effectiveness metrics are in line with peers
  - Cost per hour
  - Cost per mile
- Spike in the afternoon due to Boys and Girls Club trips increases bus needs
- Service is made up of primarily short trips
- LogistiCare trips make up approximately 8% of total trips in Rockwall County
- Agreement between STAR and Rockwall County to operate the service with five buses
  - Develop plan for job-access based fixed-route

362

Contracting Recommendations

- Specify minimum service hours to be provided for agreed upon cost
- Develop a fixed route job access service to complement demand response service
- Establish performance measures and minimum service standards
- Include role for City/County to monitor service metrics and costs
- Encourage STAR Transit to develop formula to allocate LogistiCare trips separately from demand response trips
- Develop contract with improved transparency between contractor and the City
- Identify the specific responsibilities, powers, and liabilities of each party

363

AECOM

Next Steps

- Assess level of service and efficiency of current system
- Develop short-term transit service plan including fixed-route service
- Determine designated service provider

City of Rockwall
The New Horizon

MEMORANDUM

TO: City Council

FROM: Joey Boyd, Director of Internal Operations

DATE: December 14, 2015

SUBJECT: Discussion of Airport Advisory Board

The City Council was previously provided with a letter sent to the tenants of the Ralph M. Hall / Rockwall Municipal Airport asking for input on a proposed set of airport rules and regulations. As a result, a group of airport tenants met with the Airport Subcommittee last week to discuss their concerns and the desire to form an Airport Advisory Board.

The formal definition and role of the group has not yet been determined. The Airport Subcommittee asked staff to place an item on the agenda to discuss the full Council's thoughts on the formation of an Airport Advisory Board and what the role of such a group might involve.
